Cockfight ends in arrests of 57

Terri Mark

A raid early Sunday morning ended a cockfight at the Ronald Lambert farm southeast of Athens and resulted in the arrests of 57 spectators, so many people that a school bus had to be used to haul them to jail.

Lambert had recently purchased the farm. He and Ervin Dotson, 32, Akron, were the only local residents arrested.

The eleven arresting officers converged upon a barn on the Lambert farm and found a number of dead birds just outside the door, and upon entering the barn announced that all 57 persons were under arrest. They had previously secured a search warrant after receiving a tip that a cockfight was to take place that night.

In addition to taking 57 prisoners, the officers confiscated 56 fightcocks in cages, 20 empty cages and the same number of dead birds, 18 sets of fighting spurs, six cockfight kits and a set of scales.

After being taken to jail in a schoolbus, the persons arrested appeared in Justice of Peace Abe Caldwell's court which was set up in the living room of the sheriff's home. Caldwell fined each person \$10 and costs of \$20 after all had pleaded guilty of being a spectator at a cockfight. The court session lasted well into the morning. Caldwell also ordered all the birds and fighting equipment to be disposed of. Officers said fighting cocks cost from \$200 to \$500 apiece.

The barn where the cockfights took place had been under surveillance since last year.

Officers assisting in the arrests were Detective Lt. Kenneth Wolfe

of the Indiana State Police who led the raid, 1st Sgt. Dale Douglass, Detective Sgt. Glen Hosier, Sgt. Fred Biggs, Troopers Darrell Needler, J. W. Wagner and Larry Wagenknecht, all of the state police;

Fulton County Sheriff Homer Carr; Deputy Sheriff Earl Vance; Conservation Officers Richard Eurt, and Prosecutor James O. Wells Jr.

Ages of the spectators ranged between 18 and 71 years.

"Hallelujah What a Saviour" Is Mentone Easter Cantata

The senior choir of the Mentone United Methodist Church will present the John W. Peterson cantata "Hallelujah What a Saviour" on Palm Sunday night, April 4, at 7:30 p.m.

Several favorite hymns are woven into the cantata: Man of Sorrows, Tell Me the Stories of

Jesus, Tell Me the Old, Old Story, 'Til Midnight and On Oliver's Brow, When I Survey the Wondrous Cross and Christ Arose.

The choir director is Dale McDaniels, a Grace Seminary student. Solos will be sung by Mrs. Loren Todd and Mrs. Robert Whetstone. A duet will be sung by Miss Luan Miller and Mrs. Tim Utter. The Rev. Loren Todd will be the narrator and Mrs. Dan Urschel will be the organist.

The public is invited to attend the cantata.

School protests lodged

Members of a Tippecanoe Valley School Corporation citizens committee have asked school board members to abandon the idea of maintaining two high schools in the corporation or be held "personally liable."

The citizens committee told the five board members in a letter from Warsaw attorney Thomas R. Lemon that a formal objection to the board action had also been sent to John J. Loughlin, newly sworn-in Superintendent of Public Instruction. Each board member received a copy of the correspondence to Loughlin and another addressed to the board members that said, "That letter (to Loughlin) is a formal objection to the policies which you as a member of the school board have adopted with regard to maintaining two high schools in the Tippecanoe Valley School Corporation."

"I am sending you a copy of this letter to put you on notice that because the General Commission on Education specifically denied a similar request in 1969, that any actions or expenditures of money which the school board might make with regard to maintaining two high schools might be considered arbitrary and on-supportable and could impose personal liability on the individual members of the school board. Accordingly, we would urge you not to expend any public funds until such time as the matter is resolved by the appropriate state agencies."

"Because this matter has been pending for a considerable number of years, our clients (the citizens committee) feel that progress should be made and that the school board should reconsider its actions with regard to maintaining an obviously unjustifiable two school policy. Such a plan cannot be justified financially, logically or as an education concept, and the continuation of the policy is a constant detriment to the young people in your community."

Lemon also said in the letter to Loughlin that the law firm of Rasor, Harris, Garrard and Lemon had been retained by a substantial number of interested citizens and taxpayers in the corporation to file formal objections to the policies and actions of the school board to support and maintain two high schools.

David Stiver Off Critical List

The latest report from David Stiver, four-year old son of Mr. and Mrs. Phil Stiver of near Mentone, is that the tot has been taken off the critical list at Riley Hospital, Indianapolis, and is now able to see, hear and move his hands. He still is unable to talk but he can turn his neck and smile. If he is fed something that he doesn't like, he reacts in typical boy-fashion by spitting it out. A specialist plans to study his lack of speech this week.

David underwent open heart surgery at Riley Hospital in January and has been on the critical list much of the time since then. He would appreciate cards and letters.

Donations to the David Stiver Fund may be made at the Farmers State Bank, Mentone.

JAKE OVERLANDER, president of the Famous Akron Jonah Club, Inc., presents a check for \$500.00 from the club to Jack Swope, Akron Scoutleader and Assistant Northern District Commissioner of Three Rivers Council, Boy Scouts of America. The Boy Scout project for the next three years is the remodeling and improvement of Camp Buffalo. The goal of the drive is \$300,000.00 to build a new swimming pool and renovate present buildings.

I Was There

Ten months ago I left Mentone after being there for three years. It was a good three years. Many things were done that needed to be done. I met many wonderful people while there and loved all the people. I never answered anyone. I never was unkind. I did what I thought best and left loving everyone, and I still do.

Before leaving I did say that I would not be back to Mentone. I am a firm believer that once a preacher leaves a church, he should not try to continue to be the pastor. The people who loved me as a pastor will also love the pastor who follows. Of course I love to get marriage announcements, to hear about those who have passed on to another world, to receive word of new births; but the present minister can best take care of the minister's part.

However, something has come up. Our two daughters, Robin and Ann, married Mentone boys. So I will come to see them, not as a former pastor, but as a father. I want to eat at Teel's Restaurant. It's the best. I want to go to Cooper's. It's the best. I want to go to the two fine grocery stores (which I wish were here in Muncie.) I would like to drop in at the fine Mentone paper that was so good to me. I want to go to the Methodist Church and see all of the carpet since it is down. I want to go to the bank where I loved all the people who worked there...but I will be there to see Ann and Larry and Robie and Ron!

Blessings upon Mentone! I was there, and I was glad! Garrett H. Phillips, pastor

Loyal Workers class is 50 years old

by Clara Yeaman

On the evening of Mar. 25, 1921, 50 years ago today, a Sunday School class, of the Methodist Church, taught by Mrs. A.E. Scott, met at the home of Mrs. Wilbert C. Hosman for an inspirational and pleasure meeting. During a business session, it was talked about organizing, having regular officers and a specified meeting time. A motion was made and carried unanimously that this be done, so as of that date the class was organized and the name "Loyal Workers Class" was taken and the theme song was "Brighten The Corner Where You Are". Mrs. W. W. Stauffer, now Mrs. Clara Yeaman, was voted as the first president with Mrs. Scott to remain as teacher.

This being the first night for the organization, it was also the first time for anyone in Akron to have a salad which became very popular. Mrs. Hosman was formerly from Indianapolis and had a niece visiting her who had brought the recipe, which was called Pineapple Salad and was made with sweet pickles. It was served that evening and is still used by many in Akron. When the charter was presented to the class, there were 51 names, now fifty years later, there are just five of the original ones living, Mrs. H.D. Stoner in Peru, Mrs. A.C. Wischmeier of Des Moines, Washington, Mrs. J.A. Curtis of Ft. Myers, Fla., and the two who are still active and live in Akron, Mesdames A.E. Scott and W.W. Stauffer now Mrs. Yeaman. For many years, they would average 29 in attendance at the meetings and Mrs. Scott is still their teacher. They did many things to raise money which

ed the army in July 1970 and completed basic training at Ft. Knox, Ky. He attended Mentone High School.

Camp Le Jeune, N.C.--Marine Lance Corporal Jimmy D. Wilhite, son of Mr. and Mrs. Jimmy A. Wilhite of Silver Lake, Ind., is now serving at Marine Corps Base, Camp LeJeune, N.C.

San Diego, Calif.--Marine Pvt. Patrick S. Young, son of Howard Young, R.I., Etna Green, was graduated from recruit training at the Marine Corps Recruit Depot, San Diego. He attended Gale Institute, Minneapolis.

USS WILLIAM V. PRATT--Navy Petty Officer Third Class Daniel L. Paul, son of Mr. and Mrs. Charles E. Paul, R.I., Rorann, is serving aboard the guided missile frigate USS William V. Pratt at Mayport, Fla.

was given to many projects in the church, they had the first fish fry in Akron, under the chairmanship of Mrs. Ed Case and Mrs. Curtis, they fried the fish in skillets in the basement of the church on three burner oil stoves on a Saturday night and if you did not attend the supper but came to church on Sunday, you could still smell the odor of fish. They also had the first April Shower supper with Mesdames John Grindle and W.C. Miller as chairmen, they did not sell tickets but an open umbrella was suspended near the door and each one dropped in what they thought it was worth. Among other things they did to raise money was sell dish cloths, scrubbers, choppers, cards, stationary, had food markets, serve dinners, election meals, and paid sixty cents a year dues, but in later years they paid two dollars. In 1924, under the direction of Mrs. George Whittenberger, they gave a play, "Over The Hill To The Poor House" nearly all members of the class taking part, also using a few children. Rev. Wischmeier helped with this and they rented the Argonne Theatre and gave it two nights, then about 1950, in the church sanctuary, they gave a play portraying the Akron Ladies Aid of years past. They would entertain the Martha Class every couple of years, also the Men's class, but in 1955, they gave this up and also the April Shower supper, which has since been given by the Builder's Class. They have observed many special days, Thanksgiving, Fourth of July, Christmas Day, Halloween, May Day, school days in September, picnics, potluck dinners and a highlight was in August 1957, a Christmas party at the home of Mrs. Yeaman with Mrs. Herrick as co-hostess. A Christmas program, singing carols and a lighted Christmas tree, refreshments and appointments were all in the Christmas season and enjoyed by 19 members and five guests. Many beautifully wrapped packages were under the tree and each one received a gift, which run all the way from a hat pinto a china wash bowl. What has been done with the money they made? Here are a few of the projects they have done alone, sent out get well cards to shut-ins and gifts when things are needed, sent about 50 cards at Christmas time, bought two used pianos, bought chairs and table in the classroom and the doors between the classroom and the sanctuary, a clock for the Annex, furnished one room with bed linens, scarves and curtains for a room in the Methodist home at Warren and also sent

money, have given books to students, furnished yarn for a shut-in who was able to knit and earn something for herself, have sent money directly to missionaries, Red Cross, Community Fund, Manitou Training Center, and also helped on the pipe organ they had years ago, Bibles for graduates, folding chairs, roofing, decorating, choir robes and the Annex.

Some members have with drawn, others have joined them, but TIME takes its toll and now they are down to seven, but in all these years, they have not wanted for good teachers, Mrs. Scott teaching more years than anyone else, nor have they ever had any friction in this class, because they were always like one big happy family. They always have good times but never forget that it is a Sunday School class and they always have devotions. Wouldn't it be wonderful if in that Great Beyond, the 80 of us could shake the Heavens by singing our theme song "Brighten The Corner Where You Are"?

NEW BOOKS

AKRON CARNEGIE LIBRARY

THE POETRY OF THE NEGRO, 1746-1970 edited by Langston Hughes and Arna Bontemps.

TITO by Phyllis Auty. This authoritative and revealing biography of President Tito contains much that is new, including previously unpublished archive material and information obtained in interviews with President Tito himself, who received the author on his private land of Vanga. Brilliantly written, the author's study does full justice to his life, his character and his achievement.

THE REBIRTH OF EUROPE by Walter Laqueur. This is a history of the years since the fall of Hitler.

MANDALA by Pearl S. Buck. This is one of Pearl Buck's rare novels about India. Centering her story around a modern princely family of the New India, she explores the mysticism that pervades everyday life there. Extrasensory perception, reincarnation, and spirits are very real concerns of the Maharana Prince Jagat and his family. With a sure touch, she evokes the sense of mystery and never-ending life in the mother country of ancient Asia.

Clover's 4-H Club met Monday night at the Triton High School. There were 18 members present. The president Steve Blackford opened the meeting. The pledges to the flag were led by Debbie Stolte. A health and safety report was given by Kim Heckaman. Dale Rock, Jeff Heck and Billy Blackford gave

demonstrations. All dues must be paid or be fined five cents. The paper drive was discussed and plans were also discussed for a bowling party or roller skating party.

They talked about attending the "Share The Fun Festival". They also made plans for the boosters donations.

Rochester Will Be 5-County Draft Headquarters

Rochester will become the headquarters site for five local boards of the U.S. Selective Service System as part of a "collocation" of administrative offices, according to a directive received last week by Mrs. Luella McGuire, executive secretary of Fulton County Local Board 23. Collocation means the relocating of

paid personnel of two or more local boards at a single administrative site, she said.

Rochester was chosen as the site for the administrative office of the local boards in Fulton, Cass, Marshall, Kosciusko and Pulaski counties because of its central location, Mrs. McGuire said.

DEATHS

Baker

Mrs. Clara Eve Baker, 64, R. 1, Mentone, was pronounced dead on arrival at So. Bend Memorial hospital Monday evening after becoming ill while shopping.

The daughter of Chas. and Emma Faler King, she was born March 29, 1907 at Mentone and was a lifetime resident of the community. Her marriage to Joseph Baker was Sept. 2, 1927. He preceded her in death Aug. 23, 1968. Mrs. Baker had continued her active role in the management of Baker's Jewelry and Appliances, a firm established by her late husband. She attended the Tippecanoe Congregational church.

Surviving are two sons, Don, Tippecanoe, and Wayne, Mentone; one daughter, Mrs. William (Linda) Gothan, Tippecanoe, and eight grandchildren.

Funeral services were conducted Thursday afternoon at the Tippecanoe Congregational Church with the Rev. Thomas Bump officiating. Burial was in the Harrison Center cemetery near Warsaw. The King Memorial Home was in charge of the arrangements.

Hudson

Danny Lee Hudson was stillborn Friday morning at the Whitley County Hospital in Columbia City.

Surviving are his parents, Mr. and Mrs. Dale (Barbara Price) Hudson, R. 2, Etna Green, and two sisters, Kathy Jo, 3, and Stephanie Lynn, 1. Also his grandparents, Mr. and Mrs. Howard Hudson, R. 2, Etna Green, and Mr. and Mrs. James Price, Columbia City.

Graveside rites were conducted Saturday afternoon by the Rev. L.E. Todd, pastor of the Mentone United Methodist Church, at the Harrison Center cemetery. The King Memorial Home was in charge of the arrangements.

Bishop

John Bishop, 80, Silver Lake, died Thursday at his home of complications following an extended illness. He was a veteran of World War I and was a member of the John C. Peterson Post 49, American Legion and the 40 & 8.

The son of William and Salina Rickle Bishop, he was born June 20, 1890 in Wabash county and had lived most of his life in the Silver Lake area. He was preceded in death by his wife, the former Anne Sears, who died in 1955.

Survivors include two nieces and a nephew.

Funeral services were conducted Saturday afternoon and burial was in the Lakeview cemetery.

Moore

Funeral services were conducted Tuesday afternoon in the Mt. Pleasant United Methodist Church for William Moore, 70, R. 1, Claypool. The Rev. Marvin Lowman officiated, with burial in the Palestine cemetery.

Mr. Moore died Sunday morning at his home of an apparent heart attack. He had suffered a previous attack on Feb. 9 while in Florida.

The son of William Isaac and Ina Coff Moore, he was born Aug. 17, 1900 in Miami Co. He had lived in the Claypool community the past 60 years. His marriage to Viola Vore was in 1921. She survives.

Mr. Moore was a farmer and a member of the Clay Township Farm Bureau.

Survivors in addition to the widow include three daughters, Mrs. Claude (Helen) Kinch, Ft. Wayne, Mrs. Melvin (Ina) Konkle, R. 1, Claypool, and Mrs. Kenneth (Nellie) Wilkinson of Ft. Wayne; one son, Lloyd Moore, of Silver Lake; 14 grandchildren; one great-grandchild; five brothers, Roy, Warsaw, Russell, Ft. Wayne, Irvin, Mentone, Howard, Mesa, Ariz., and Harold of San Jose, Calif.; and four sisters, Mrs. Norman (Ruth) Ward and Mrs. Clarence (Edna) Julian, both of Warsaw, Mrs. Louis (Mildred) Baker, Roann, and Mrs. Robert (Catherine) Overholser of Elkhart. One brother and two sisters preceded him in death.

Baer

Jasper A. Baer, 62, a former Tippecanoe resident, died Wednesday in the emergency room of So. Bend Memorial Hospital after suffering a heart seizure. He was a resident of So. Bend, moving there 25 years ago.

Surviving are his widow, the former Frances Ward, whom he married Aug. 29, 1970; his mother, Mrs. Vernon Baer Tippecanoe; three stepchildren, Melvin Ward, Jr., Indianapolis, Joseph S., So. Bend, and Miss Nona Ann Ward, Indianapolis; three grandchildren; five sisters, Mrs. Hodge (Ruth) McNeale, Ft. Wayne, Mrs. Russell (Geneva) Shively, Cave City, Ky.; Mrs. Richard (Carol) Markley, Rochester; Mrs. Virgil (Mildred) Martin, Argos, and Mrs. Lynn (Donna-bell) Holstein, Lydick; two brothers, Donald, Mishawaka, and Richard, Tippecanoe.

Funeral services were conducted Saturday at Argos and burial was at the Walnut Brethren cemetery.

Jamison

Ernest L. Jamison, 82, R. 1, Claypool, died Monday at Murphy Medical Center of complications following an illness of four weeks.

The son of William and Elvina Jones Jamison, he was born March 11, 1889 at LaPaz. He had lived in Seward township 47 years, moving there from Monroe Twp. He was married Oct. 15, 1905 to Lillian Hatfield who survives.

Mr. Jamison was a retired farmer and former salesman for Smith Agricultural Chemicals and had served as president for three years, vice president for 10 years, and a director for 15 years of the Farmers Mutual Relief Insurance Assn. He was a member of the Seward Twp. advisory board for seven years. He was a member of the Claypool United Methodist Church.

In addition to his widow, he is survived by three sons, Deverl Jamison, R. 1, Claypool, James Jamison, Claypool, David Jamison, Burket; one daughter, Mrs. Leo (Elizabeth) Scott, R. 1, Claypool; 13 grandchildren; 19 great-grandchildren; two step-grandchildren and four step-great-grandchildren.

Funeral services were conducted Wednesday afternoon at the Claypool United Methodist Church with the Rev. Ralph E. Bowman officiating. Burial was in the Graceland cemetery.

Franks

Mrs. Alice Franks, 94, Silver Lake, died Monday morning at the Wabash Co. Hospital following an illness of several weeks.

The daughter of John and Janet Bruner of Burket, she was born April 11, 1876. Her marriage was to A. H. Franks in 1896. He preceded her in death in 1964.

Surviving are one son, Dr. E. A. Franks, Silver Lake; one granddaughter, Mrs. R. G. (Norma Joan) Hoehn, Ft. Wayne, and two great-grandsons.

Services for Mrs. Franks were conducted Wednesday afternoon.

Zahniser Is Speaker

Richard A. Zahniser will be the featured guest musician at special services at the Harrison Center United Methodist Church Saturday and Sunday, April 3 and 4. The church is located at Roads 800 West and 100 South, one and one half miles south of Crystal Lake. Pastor Russell Mikels announced that the Saturday evening service would follow a fellowship dinner for the families of the church and their guests. This dinner will be at 6:30 p.m. in the church basement.

Mr. Zahniser is the Superintendent of Production at the Light and Life Press in Winona Lake. He came to his present position in October, 1969, from the vice-presidency of Warren Printing and Lithographing Corporation in Ohio. An accomplished musician, Mr. Zahniser studied organ under Merrill Dunlop, sang in the Hi-C Chorale, and was instrumentalist for Youth For Christ in the Chicago area.

In addition to the service on Saturday evening, Mr. Zahniser will also provide special music for services on Sunday morning and Sunday evening, April 4. Pastor Mikels will present gospel messages in these services and cordially invites friends of the Harrison Center church to share in them.

News Of Interest To Homemakers

by Ann Hancock, Area Extension Agent
Kosciusko County

The Young Homemaker series "Clothing for Children" concluded Friday, March 26, with nine young homemakers receiving certificates. The series has been meeting at St. Annes Episcopal Church, Warsaw, for the last six weeks.

The series was sponsored by the Extension Service of Kosciusko County, the Extension Homemakers and Purdue University. Mrs. Lois Gotwals, Area Extension Agent from Elkhart County with a Clothing and Textiles speciality, taught the lessons. The Extension Homemakers provided free babysitting for pre-schoolers.

Each young homemaker made a garment for her child during the series. Mrs. Gotwals taught each two hour class by means of lecture, demonstration and discussion. Topics such as safety, fit, construction, fabric selection, and children's shoes were discussed.

The highlight of the last class was a style show with the children modeling the garments their mothers had made for them during the series. Certificates were presented by Mrs. Ann Hancock, Area Extension Agent, to those who had attended four out of the six classes. Those receiving certificates were: Gloria Bussert, Winona Lake; Karen Davis, Winona Lake; Mary Beth Dominello, Warsaw; Lynn Folkers, Warsaw; Pat Luckenbille, Warsaw; Melodie Slone, Warsaw; Linda Snodgrass, Warsaw; Dorcus Stegelman, Warsaw; and Carole Tucker, Warsaw.

From the appearance of the children's garments and their mothers' faces, it was a most successful series. Many thanks to St. Annes Episcopal Church for the use of their facilities and the Extension Homemakers for their services.

PRE-SHRINKING TAPES

Don't forget to pre-shrink zippers and bias tape before sewing them in. They will usually shrink more than most fabrics. If you don't pre-shrink them your garment will pucker after it is laundered. To pre-shrink them, merely put them in hot water then let dry. It is well worth the few extra minutes.

SHRIMP CREOLE

1 cup chopped onion,
1 cup chopped celery, 2
cloves garlic (minced),
6 Tablespoons butter or
margarine, 2-16 oz. cans
tomatoes, 2-8 oz. cans
tomato sauce, 1 Table-
spoon salt, 2 teaspoons
sugar, 1 or 2 teaspoons
chili powder, 2 Table-
spoons worcestershire
sauce, dash of bottled
hot pepper sauce, 1½
lbs. frozen shelled
shrimp (thawed), 1 cup
chopped green pepper, 4
teaspoons corn starch.
In skillet cook onion,
celery, and garlic in

butter until tender, but
not brown. Add tomatoes,
tomato sauce, and seas-
onings. Simmer uncover-
ed 45 minutes. Mix
cornstarch with 1 Table-

spoons cold water; stir
into sauce. Cook and
stir until mixture thi-
ckens and bubbles. Add
shrimp and green pepper.
Cover, simmer 5 minutes.
Makes 12 servings.

Kroft-Paxton Exchange Vows

Miss Joyce Kroft became the bride of Philip L. Paxton Saturday afternoon, March 20, at the Akron Church of the Brethren with the Rev. Charles Zunkel of the Akron Church of the Brethren and the Rev. Geo. Reser of the Silver Creek Church of God officiating at the double ring ceremony. The altar was graced with fan arrangements of yellow gladioli and blue carnations, candelabra and ferns.

Richard Weaver, soloist, sang "Walk Hand in Hand", "O Perfect Love" and "The Lord's Prayer". Mrs. Norman Tinkey was organist.

Parents of the couple are Mr. and Mrs. Joe Kroft, R. 1, Akron, and Mr. and Mrs. James Paxton, Silver Lake.

Attending the bride as maid of honor was Miss Jan Heisler, Hanover, Mich. Janet and Joann Kroft, sisters of the bride, and a college friend, Twila Coffing, Mexico, were bridesmaids.

Teresa Kroft, a niece of the bride, Rochester, was flowergirl and Kevin Pugh, Roann, was ring-bearer. Groomsmen were Kenton Kroft, brother of the bride, Rochester; Mark Wildermuth, Akron, Rick Van Cleave, Silver Lake. David Collins,

Macy, and Jon Parker of Silver Lake were ushers.

A reception in the church social rooms immediately after the ceremony was attended by 100 guests. Serving were Miss Lorraine Slifer, Mrs. Joe French and Mrs. Paul Brouyette.

Assisting with gifts were Mrs. Kenton Kroft, sister-in-law of the bride, Darla Kroft, niece of the bride, Miss Dottie Derring and Mrs. Leonard Spann.

The couple left immediately for a short week-end wedding trip and are now at home at R. 1, Silver Lake. The couple both graduated from Akron High School in 1968. The bride is a senior at Manchester College and the bridegroom, who attended United Electronics Institute in Grand Rapids, Mich., is engaged in farming.

Radar Helps Catch Speedy Drivers

Akron's new radar unit is still helping police nab speeders in the town with the following arrests being made this week: Illo C. Stackhouse, Frank S. Cripe and Steve Craft, all of Rochester; John Price, No. Manchester; Gene Baker, Dixon, Ill., and Sandy K. Flohr, Max Holloway, Ralph Carr, Allen Black, and Randall Burns, all of Akron. They will appear in Akron J.P. Court soon.

Rager Wins

The second annual Akron School Chess Tourney was won by Delmar Rager. Scott Leininger, last year's champion was second; Kevin Harshman captured third place and Doug Kelly ended fourth. Rager suffered a single loss to Leininger in the double elimination tournament. Leininger led throughout the three week tourney before losing to Rager twice in the final round. The four winners took turns knocking each other out as Harshman also lost twice to Rager while Kelly lost a game to Harshman and one to Leininger before bowing out. Twenty-five players competed in this year's tourney.

Attend Music Association

Mrs. Claude Fawns and Mrs. John York, Akron, spent Monday through Thursday of last week attending the 95th annual Music Teachers National Association Convention at the Sherman House in Chicago.

During the four-day convention, work shops in different musical fields were attended by

Mrs. Fawns and Mrs. York. Concerts were given at several of the workshop sessions illustrating music pertinent to the main musical topic of the session.

A piano concert of Beethoven and Listz was presented on Monday evening by Jorge Bolet of Indiana University.

The winners of the Mason and Hamlin High School awards in violin, voice and piano were presented in concert with the Bowling Green State University Symphony Orchestra on Tuesday evening. They were the top three finalists from a field of 15,000 contestants, and their performance was of great interest to those attending.

Of particular interest to Mrs. Fawns and Mrs. York was a concert given by Malcolm Bilson, Cornell University, of the music of Hayden and Mozart played on an authentic Stein Fortepiano replica.

Also of interest was the 45-minute concert of Bach, Beethoven, Schumann, Chopin and Prokofiev presented by the 1970 national Baldwin Junior award winner, Peggy DeArmond, and the composition by the 1970 M.T.N.A. composer of the year award winner, Thomas McKenney performed on the piano by Marion Barnum. Both are fro the University of Missouri.

The Bowling Green String Quartet presented a concert on Wednesday evening and on Thursday morning another concert, performed on the piano, was presented by Istvan Nadas of Bach variations. He is from Washington State University.

The more modern music of Debussy and Revel was presented in a concert of their works Thursday afternoon by Richard Cass, a professor of piano from North Texas State University.

The women reported many companies had displays of music that could be reviewed or ordered along with displays of instruments by many companies.

The convention concluded Thursday evening with a dinner and an address by Joseph Sloan, president of the National Council of the Arts in Education of the University of No. Carolina, and a concert by William Doppman, a pianist from the University of Texas.

Feed-Grain Sign-Up Deadline Apr. 9

April 9th is the final date for the sign-up in the 1971 Feed Grain program. The Agricultural Stabilization Committee, 105 East Main Street, Warsaw, is responsible for the administration of the program in Kosciusko Co., according to Don Frantz, Extension Agent.

The 1971 program is marked by several changes from past years. The cross compliance regulation which meant that one operator farming several tracts of land must comply on all if he participated in any one, has been dropped. There is also no compulsory cross-compliance between wheat and feed grain programs.

The crop history on farms remains as it has in years past and there are no penalties for over-planting.

News for the Silver Lake section may be phoned to either Mrs. Jim Leiter, 352-2131, or Mrs. Rachel Floor, 352-2634.

Jolly Good Neighbors Have Meeting

Mrs. Ray Hathaway, assisted by Mrs. Perry Hathaway, entertained sixteen members of the Jolly Good Neighbors Extension Club, and six children. The meeting was opened with the vice president, Mrs. Perry Hathaway reading the thought of the day, which was followed by the group singing "America, the Beautiful" and repeating the Pledge to the Flag and the Club Creed. Mrs. Gerald Parker gave the history of the song of the month, "Happy Wanderer" and everyone joined the re-

Girls State Delegates Are Named

The Silver Lake American Legion Auxiliary has announced the selection of Linda Jontz, daughter of Mr. and Mrs. Robert Jontz, as delegate to attend Girls State at Bloomington the week of June 13, 1971. Karen Sells, daughter of Mr. and Mrs. Duane Sells, is alternate delegate.

Both girls are from Lake township and both are juniors at Warsaw Community High School and are active in their respective churches.

Miss Jontz is active in 4-H and FHA, the Ski Club and cheerblock. Miss Sells is a member of the high school choir, the swing choir, cheerblock, speech department and Future Nurses Club.

Mrs. John Kerlin is president of the Silver Lake American Legion Auxiliary and Mrs. Arvid Putman, R.2, Silver Lake, serves as Girls State chairman.

Crewmen Killed In Train Wreck

Three Penn Central crewmen were killed Friday in a two-train wreck at the south edge of No. Manchester. Railroad spokesmen said it appeared one train had rammed into the rear of the other. The dead men were all in the lead engine of the train that smashed into the caboose of the second train and included R. R. Newman, the engineer, O.T. Hatfield, the fireman, and R. A. Sigmone, the head brakeman. There were no other injuries. The impact derailed the caboose and four rear cars and caused heavy property damage. Spokesmen said there was no immediate explanation why the one train was standing on the track or why the other engineer did not see it.

The March of Dimes reports that prematurity is associated with 45 per cent of all infant deaths.

Las Donas Club To Compile File

A movement is underway to find local citizens who have a hobby, travel slides or experiences of which they are proud and would be interested in sharing them with others because of their education value.

By seeking out these people, their experiences can aid the education of the school children. The variety of hobbies and experience is limited only by the imagination but some of the types of interesting things might be: travel films, collections and experiences related

to vocations, amateurs, and magicians.

The Akron Las Donas Club knows that there is a vast untapped reservoir of knowledge and experiences in the community that is lying dormant. The club is trying to compile a list of resource people who will be willing to go to the schools and share their knowledge with the young people.

Those who feel they would like to share their specialty should contact Mrs. Dean Rager by calling 893-4446 or by calling the school at 893-4633.

Good Friday Services Set In Akron

Union Good Friday services will be conducted April 9 from 1 until 2 p.m. at the Akron United Methodist Church.

Rev. Blake Is Mentone-Burket Good Friday Speaker

The Mentone and Burket United Methodist churches will hold combined Good Friday services at noon April 9. The Rev. Phil Blake, who will be a special speaker at the Burket church that week, will deliver the message during the 45-minute service.

Pastors of the churches say the service will be informal and that a "come as you are" attitude can be used as a dress code.

Each church will provide special music.

The Rev. Blake is a Church of God minister who in addition to his duties in his church has a weekly half-hour radio program at 8 a.m. Sunday morning on station WFDT, Columbia City.

Joining in the program will be all the churches of the community.

Ronald Nelson, pastor of the Southern Baptist congregations in Akron and Warsaw, will deliver the message. Special music will be presented by the Akron Church of God. The order of worship was prepared by Charles Zunkel, pastor of the Church of the Brethren.

Many Akron businesses will close to allow persons to attend.

Bonnie and Kathy Are Doing Fine

Reports from Bonnie Bickel and her sister Kathy Wentzel are that both are recuperating very satisfactorily after surgery last week to transplant a kidney from Miss Wentzel to Mrs. Bickel. To date, there is no indication that Mrs. Bickel's system will reject the kidney and it is functioning well.

Addresses for the women are:

Miss Kathy Wentzel, Indiana University Hospital Medical Center, Indianapolis. Room 336.

Mrs. Jerry Bickel, Coldspring V.A. Hospital Room 303, 2601 Coldspring Road, Indianapolis, Ind.

Donations to the Bonnie Bickel Fund may be made at the Akron Exchange State Bank.

Pleasant Hill...

The Home Improvement E.H.A. Class met at the home of Mrs. Harold Crum with Mrs. Joe Morris as assistant hostess. Mrs. Herman Musselman gave devotionals on an article of Womans Day. It was reported that the club had purchased fruit for Waites and Mrs. Harold Norman who have been ill. The E.H.A. are changing their Achievement Day to spring instead of October. A fashion show was March 24th in Wabash. Plans were made for the Mother-Daughter Banquet on May 20. The entertainment committee consists of Mrs. Ralph Fites, Mrs. Floyd Campbell and Mrs. Glen Teel. Mrs. Floyd Campbell gave the lesson on "Antiques". The class learned that a quart of vinegar in one gallon of water is good to use in cleaning antiques. Mrs. John Glasford gave a health lesson on "Dope". Others present besides those mentioned were Mesdames Claude Berger, Sam Merley, Glen Morrissey, Don Swihart, Oliver Burns, and Russel Mathias and Mrs. Helen Byrt.

Mrs. Woodrow Alspach will go Thursday to the Parkview Hospital in Ft. Wayne for major surgery on April 1st.

Mr. and Mrs. Preston Peebles and family called on Mrs. Russel Mathias Sunday afternoon.

A surprise birthday slumber party was planned for Miss Julia Savage at the home of her parents, Mr. and Mrs. James Savage last Friday evening. After supper, they went roller skating. Guests were Miss Loretta Briggs, Cindy Trigg, Gena Books and Debbie Deaton.

David and Jim Savage spent last Friday night with their grandmother, Mrs. John Savage.

Mr. and Mrs. Junior Dowell and family visited Mr. and Mrs. Erman Dowell Sunday.

Recently Mr. and Mrs. Earl Dielman entertained Mr. and Mrs. Archie McDowell and Mrs. Russel Mathias at supper.

Protests

Lemon asked to have a formal hearing with Loughlin in the event that plans, preliminary drawings or other applications are submitted to the state agency for additions, alterations or new buildings which "would have the effect of maintaining the two-school policy."

Included in Lemon's letter to Loughlin was a letter from TVSC Superintendent Robert M. Forbes to Dr. Paul Seegers of Indiana University in which Forbes wrote:

"1. The Tippecanoe Valley School Board is determined to maintain two high schools in the corporation, one at Mentone and one at Akron. This is a closed issue and is not subject to debate."

"2. \$1,200,000 appears to be the desired expenditure which the school board will make although this is not absolutely a closed issue."

"3. It appears that the school board desires to build high school facilities at both ends if possible, but if the money does not stretch, Akron High School would probably have first priority for new high school facilities."

"4. There are some fairly definite opinions as to what might go into a high school at Akron or a new high school at Mentone, but this is still open to debate and a certain amount will depend upon the recommendations of the consultant to the school board."

This latest action in the long-ranging feud between the one-school and the two-school faction in TVSC was thought to be a result of the March 15 meeting of the school board in which members voted 4-1 (Richard Goshert) in favor of submitting project application to the office of the state superintendent. A similar attempt had been turned down at the state level in 1969 when state officials recommended that the corporation begin immediately to construct a centralized high school to accommodate all student in grades 9-12, in the corporation. In the meantime, three new board members have been elected, all of whom are advocates of the two-school plan.

TVSC study report is submitted

A study of the Tippecanoe Valley School Corporation was made recently by Dr. Paul Seagers, professor of education at Indiana University. His findings were released April 2 and are re-printed in their entirety here in order that patrons of the corporation may see the results of his research:

The purpose of my visit on March 24 and 25 to your school corporation was to evaluate your present school facilities in terms of adequacy within your present organizational pattern. Statements concerning my general impressions will be followed with more specifics concerning each attendance center and finally recommendations will be made for upgrading the facilities.

From a study of the school program it is perfectly evident that a great effort has been made to give the boys and girls of this school corporation a wide variety of subjects and experiences within the limitations of the school facilities. Few high schools the size of Akron and Mentone attempt to offer this variety of subjects. There has also been a real attempt on the part of the administration to maintain the buildings in good condition regardless of their ages. New fluorescent lighting has been installed in most classrooms with few exceptions, a acoustical ceilings has been installed throughout the buildings. The floors were well-maintained. Interesting color combinations in the walls were developed and with only one notable exception all the furniture was movable and modern. A great effort has been made to upgrade the audio-visual program and all teachers who desired had overhead projectors. The building trade course and automobile and power mechanics courses all attest to the forward thinking of the administration. In spite of all the excellent curricular improvements in the past, future innovations in the program will be limited because of the school buildings.

Various elements of a school building, age, grow old, deteriorate or become obsolete as

the years pass regardless of the maintenance program. Good maintenance slows up the rate of deterioration of some of its parts such as the floors, windows, walls, and the building structure or shell. Under rather normal conditions and use in the past the elements has become expendable at approximately the following rates: Paint and interior decoration - up to 8 years; Lighting - 12 to 15 years; Heating pipes and plant - 28 to 35 years; Ventilation system - 30 to 40 years; Water lines - 28 to 35 years; Electrical wiring - 25 to 30 years; Floor coverings - 20 to 25 years; Exterior painting - 3 to 6 years; Window frames - 25 to 30 years; Roofs - 18 to 22 years; Furniture - 30 to 35 years; It is difficult to determine the life of the structure or shell of a building and will good maintenance it is likely to become obsolete for school purposes long before it becomes unsafe. The degree of obsolescence, the cost of continuing maintenance and repair and the cost of replacing one or more of the elements mentioned above frequently determine whether a building should be remodeled or razed. Buildings with load-bearing walls or partitions that are not removable are extremely difficult to adapt to the new programs.

Most of the classrooms in the old buildings were small, due to the fact that frequently classes were small, however, more frequently due to the fact that the program did not require the equipment or activity which we find in the modern classrooms. Consequently, many old buildings cannot be adapted to a modern high school program even though considerable money may be available for the rehabilitation. After a building is 40 or more years old it usually becomes a constant expense and it is difficult for a board of education to decide just when it is time to retire the building. If it is fire and structurally safe all of these facts must be kept constantly in our minds as we evaluate more fully each attendance center.

AKRON ATTENDANCE CENTER: The Akron Center consists of a high school

building built in 1912, wings to this building in 1926, a gymnasium in 1950, elementary rooms in 1949 and 1967 and five relocatable buildings. The high school building was in fairly

Girls State Delegates Are Named

Kathy Coplen

The faculty of Akron High School has chosen Kathy Coplen, daughter of Mr. and Mrs. Maurice Coplen of R. 2, Akron, as its representative to Hoosier Girl's State at Indiana University from June 13 to June 20. The alternate is Regan Richardson, daughter of Mr. and Mrs. James Richardson, of R. 2, Rochester. Kathy is a member of the National Honor Society, Sunshine Society and Chorus. After graduation, she plans to become a medical or dental technician. Regan participates in Future Teacher Club, Sunshine Society, Pep Club, National Honor Society, Latin Club, and others. After graduation, she plans to prepare for secondary education.

Hoosier Girl's State, sponsored by the American Legion Auxiliary helps girls to better understand governmental procedures. Characteristics considered in choosing the representatives are leadership, scholarship, patriotism, service and courage.

Easter Egg Hunt In Mentone

All children up to the sixth grade are invited to an egg hunt Saturday, April 10, at 10 a.m.

The children should meet at the Mentone United Methodist Church to walk to the town park. A few drivers will be needed for the younger children.

Parents may pick up their children at 11:30 at the park.

In case of bad weather, the egg hunt will be held in the church basement.

Anyone wishing to donate eggs may leave them at the church.

Easter Egg Hunt Set In Akron

An Easter egg hunt sponsored by the Akron Chamber of Commerce will be held Saturday at the town park at 1 p.m.

The hunt will be divided into three categories, pre-school, grades one to three, and grades four to six. Twenty special eggs will be hidden and prizes will be given to the children who find those eggs.

good condition on the outside with some painting needed on one of the wings. The interior was well painted and equipped with fairly new lighting fixtures and acoustical ceilings. The art room was small, containing one sink and rather poor storage. The homemaking area is a one-teacher department with a small sewing area adjacent to the foods area which contain four teaching units. The teachers room was small and very inadequate. The old gym in the center of the building was turned into a music room with practice rooms and offices. It served its purpose fairly well but not as well as new facilities would. The lockers in the corridors were rather old. The science room was small with three old type science tables containing three sinks in each table. A lecture desk was in front of the room and a small number of students were provided space which they could use for discussion and taking of lecture notes. The library which was also used for a study hall was small with a small sink and a small office. Fifteen round tables were crowded into the area. Since study halls are very much a regimented situation they are not found compatible with library use. Consequently, the well-trained librarian becomes primarily a proctor in the study hall and therefore those students who wish to use the library for research found this type of a situation intolerable. The health room was on the first floor, however, the school office and guidance areas were on the second floor. The school office was small as was the guidance office. In addition the guidance office was cluttered up with a duplicator and had no visible means of ventilation. The gymnasium was small however it did have a large stage at one end where reasonable convocations could take place. This gym could be adapted better to junior high school or elementary use than to a modern high school program of physical education and athletics. The two dressing rooms were very small and in poor condition and inadequate so far as facilities are concerned. Ventilation was poor and in the present confines could hardly be brought up to recognized high school standards. The shop was small and at the time of the inspection was being used for plastics. It was equipped so that some welding, woodworking and light metals could be given.

As mentioned above, the elementary building was built in two sections, 1959 and 1967. The 16 rooms in this elementary area were modern and in good condition.

The glass blocks in the window walls produce too much glare and the superintendent wisely painted them to take care of the situation. This building had a small teachers lounge with a water closet and lavatory. The pupils toilet rooms were poorly ventilated. The acoustics in the corridors were rather harsh due to so many hard surfaces. The kindergarten was rather nice with an outside door and good storage. There were 41 kindergarten children in the morning and 37 in the afternoon. Both of these classes are too large to do justice to a good kindergarten program. Three of the five relocatable buildings were used for elementary purpose and two for junior high school. The cafeteria in the elementary section, though small for a school center of a thousand was nice. About 800 type A lunches were served each noon. There were no indoor physical education facilities for the elementary boys and girls.

The elementary program seemed to be operating very smoothly in rather modern quarters. The junior high school and senior high school programs were definitely limited by the facilities even though the buildings contained modern furniture, good lighting, a good paint job and were clean and well-maintained. As mentioned before the program has been modernized about as much as it can be under existing facilities. More innovations definitely requires more and better space.

MENTONE ATTENDANCE CENTER:

The Mentone Attendance Center houses kindergarten through six and nine through twelve. The seventh and eighth grades going to Talma. The high school was originally built in 1930 with an addition in 1952 and an elementary addition in 1967. The building has been well-maintained both on the outside and inside with an excellent color scheme on the interior of the building.

The cafeteria was very small but nicely decorated and I am informed that they feed about 500 students a day. The homemaking room was small but rather nice. The teachers room was also small. The health suite was nice and adequate for an elementary or junior high school program but not as good as those recommended for a senior high school. The kindergarten was very nice with 25 attending in the morning and 22 in the afternoon. The science room was small but it had rather new tables and equipment. Lockers were found in the corridors. A small development reading room although well equipped had to serve also the purpose of a general classroom. The principals and guidance offices were on the third floor, a little difficult for

the public to reach. A small library was partitioned off to the rear of a rather large study hall. There were no sinks in the library and the floor was in a checkerboard pattern which provides a poor visual environment. Drapes are needed for the windows both in the study hall and the library. The woodshop which had an overhead door was rather nice. Nearby the shop was a small drafting room. Diffusing glass globe fixtures were found both in the shop and the drafting room. The gymnasium was small but in rather good condition. The small dressing rooms under the bleachers were clean and equipped with water closets, lavatories, good shower heads and one had an individual stall. Even so, these facilities are hardly adequate for a modern senior high school, they could well be adapted to the use of the junior and elementary school pupils.

Two of the highlights in the school program are the building trades and the auto mechanics. The patrons of the district should be extremely proud of these two programs. The third house is now under construction and the boys are getting excellent instruction in building trades. The auto mechanics was housed in a converted bus garage, with proper spaces set aside for body repair and painting and all types of engine repair. In addition a space was provided for the study of electricity and small power machinery. The boys in this program seem to be very enthusiastic about the program and were doing a good job. Let us hope that there will be a continued expansion of these facilities.

Even though some of the high school facilities at Mentone are better than those at Akron a further upgrading of the program is definitely limited by the school plant. Further innovations will require more adequate facilities.

TALMA ATTENDANCE CENTER:

The Talma school, according to the best information I can obtain, is more than 60 years old and houses seventh and eighth grades. And even though the building seemed to be in good condition visibly it's age showed in many respects and the board of education should soon set a time for its retirement. The gym was fairly good for a junior high school and the dressing and shower rooms were in fair condition. There was a small shop in the subbasement. The kitchen seemed to be in good condition, the art room was small and an attempt has been made to keep the building well-lighted, neat, clean and attractive. The ceilings and walls were suffering from the affects of moisture penetrating the walls. To stop the con-

tinuance of this penetration would be an extremely costly process. To continue with this attendance center much longer is going to be expensive and will probably never be adequate for the program envisaged for the future.

THE BURKET SCHOOL CENTER:

The Burket School was built in 1961 with six classrooms, office suite and a kitchen for serving meals which pupils take back to their classrooms for eating. It also had an area for dirty dishes. This building houses kindergarten through fifth grade. The rooms were nice and large and with the exception of the fifth grade sizes range from 27 to 32 pupils. The fifth grade had 40 pupils, however, this grade will pass out of the school this spring. It does not appear that the building will be overcrowded in the near future. Without a doubt the school plant can serve the Burket area for a long time in the future.

To the rear of this new building was an old wooden gymnasium and store room which is used for play by the children during inclement weather. It was also used by people from the community for games and community activities. The shower rooms were poor, however, they were not used by the school children. Even though the building is an old wooden structure with rather new furnaces it needs considerable attention. Nevertheless, it seems to serve the community rather well.

CONCLUSIONS. It is apparent that the school administration has made a great effort in keeping all facilities neat, clean and in good repair. There was new lighting in practically all of the buildings in the corporation, also extensive acoustical treatment and good interior paint jobs. Modern furniture, and equipment has been purchased for all schools. Remedial reading, building trades, and automobile mechanic courses have been brought in to modernize the program. Little, if any, further upgrading of the program can take place with out the construction of more adequate facilities. In fact, the breadth of the present school program in this school corporation under the existing limitations is astounding.

RECOMMENDATIONS. It is recommended that:

1. The school authorities continue with its excellent program of up-to-date furniture and equipment.
2. A time be set for the retiring of the Talma building, hopefully, rather soon.
3. The Burket elementary school be continued and expanded as needs arise.
4. The size of desired elementary school classes be determined by the board of education, hopefully, 25 to 32 for elementary classes and

17 to 24 for kindergarten classes.

5. Consideration be given to special education M-1 and M-2 and placed in two of the relocatable buildings at Akron.

6. Within the framework of the present organizational pattern additional land be purchased both adjacent to the Akron Center and the Mentone Center.

7. Consideration be given to expanding the athletic and sports program which facilities can be used for extended physical education.

8. Again within the confines of the present organizational structure consideration be given to rehabilitating the Akron High School facilities for a junior high school or middle school and that the following proposed construction table to taken into consideration. The square footage estimates given below include minimal circulation, tare, heating and toilets. These are minimum estimates only and do not take into consideration extensive population growth in the district.

Principal's office, guidance, health, teachers rooms and storage and work areas 3,050 sq. ft.; educational materials center 2,600 sq. ft.; English and speech 1,200 sq. ft.; social studies 1,000 sq. ft.; math 1,000 sq. ft.; two general classrooms to be shared with various departments 2,000 sq. ft.; science 1,600 sq. ft.; commercial, typing combination 1,350 sq. ft.; homemaking (1 teacher department) 3,500 sq.

60 YEARS AGO

Tom and Bill went ducking on Tamrack lake last Monday. It was their first day out for the season, and they came back pretty tolerably well fixed. Bill let Tom carry them just for luck and for the looks of things. It gave Tom a pretty heavy load and as there were eighteen of the birds, ducks, etc., it made Tom stagger under the pressure. It was Tom Waite and William Miller to whom we refer as the duckers of last Monday.

In the course of human events in a community where comes up for solution if we would keep pace with progress and necessity, questions of deep and important interest to every man, woman and property owner within the borders of that organization. These questions must be grappled, must be discussed and should be solved if we would develop to a higher estate and live comfortably. We refer to fire protection in Akron and the building of a high school building for the township. These are two deep and very important matters confronting the people of this community at this time.

Prof. C. I. Clemans is preparing to open a law office as soon as school is out. Office rooms in Akron are just a little scarce and it may be that he will office with Del M. Whitcomb to start with. R. L. Wolpert will be associated with G. I. Clemans, in insurance and real estate.

Alpha Miller, the clever Mentone tinner was in Akron last Sunday afternoon between cars watching it snow here on the 2nd day of April. Alpha has recently purchased the tin-shop in which he has been employed for a couple of years and is now starting out on his own hook in business. He is in a good town among progressive people and he means to make good in his every job of work. We expect him to succeed, if for no other reason than that he was formerly an Akron kid.

39 YEARS AGO

A Henry township farmer, Harry Mastellar, was appointed by the county commissioners Monday to the county road superintendency, filling the vacancy left by the resignation of Ralph Lebo of Liberty township.

Members of this year's graduating class are: Elizabeth Baum, Paul Bowen, Charles Bradway, Kenneth Bright, Harold Bryant, Ferol Burkett, Juanita Cutshaw, Julia Day, Earl Dickerhoff, Alma Dixon, Grace Gallentine, Charles Haldeman, Margaret Hammerel, Fred Hammond, Henry Hartman, Harry Huppert, Helen Keesey, Leon Kindig, Raymond Krieg, Earl Kuhn, Joe Madeford, Mable McGee, Donivan Meredith, Richard Moore, Charlotte Paxton, Everett Pontius, Mabel Ratliff, Helen Rehard, Henel Riley, Virginia Riley, Dorothy Roderick, Daniel Secor, Raymond Shipley, Evelyn Showalter, Emerson Shroat, Edward Slaybaugh, Daniel Smith, Irene Smoker, Maxine Smyth, Angnette Spittler, Lois Terry, Mildred Thompson, Elizabeth Waechter and Louise Wilhoit.

25 YEARS AGO

Mr. and Mrs. Frank Smith of North Manchester are the parents of an eight pound boy, Merle Allen, born March 24. Mr. and Mrs. Alfred Ferree are the maternal grandparents.

Claude Billings, publisher of the Akron News will deliver the commencement address at Montezuma, Indiana on Friday night, April 19. He is a graduate of Montezuma High School and has many relatives living at that place.

Joe Huffman, according to a letter received this week by his mother, Mrs. Grover Huffman, had his happiest moment since he has been in Japan recently when a former classmate, Gordon Groninger, came to visit him. Joe reports they had a really good time talking over their school days. Joe is in the 98th Field Hospital at Kobe, Japan, and Gordon is stationed about six miles from him.

The old school building in the northeast part of Mentone was destroyed by fire Friday morning about 3 o'clock. The fire was discovered by a neighbor. The building was owned by Devane Nellans and was used as a dressing plant for dressing chickens.

Dr. C. L. Herrick has opened an office in the rear end of the building formerly occupied by The Akron Exchange State Bank. The building which was purchased by Lew Leininger has been completely remodeled and the new Surge store occupies the front portion of the room. Dr. Herrick returns to Akron after several months in the Army, most of which time he was in service in Italy.

10 YEARS AGO

An Erie freight train jumped the track at Athens last Thursday night and 21 cars plowed up the tracks ripping up hundreds of feet of rails and causing thousands of dollars damage.

Officials of Newcastle township in Fulton County have informed the Kosciscuko county school reorganization committee that they intend to remain in the Fulton County school plan.

GIRL SCOUTS

A Column of News

By And For All Girl Scouts

Girl Scout Troop 221 meeting opened with refreshments served by Stephanie Stewart and Lori Powers. They had the opening with the pledge to the flag, girl scout promise, and the laws. Secretary, was Debbie Swick and treasurer was Debbie Stanton. The leaders told the girls about camp. Day camp will be at Rochester this year. Established camp will be at camp Kokawane. The money must be turned in May 1st, and Day camp will cost \$3 and Established camp, \$45.00.

Janet Bowen completed her pet badge with a demonstration showing her white mouse.

The girls worked in patrols in which some of the girls practiced folding the flag correctly.

The music patrol practiced a song they wrote for an Easter skit.

The meeting was closed with taps.

AKRON CADETTE TROOP 230
First off, we would

like to thank the community for buying our cookies. Our troop sold 210 boxes and will receive \$21 for selling them.

We also would like to thank Linda Cumberland and Sally Leckrone for helping us with our songs for Girl Scout Recognition Day. We presented them red roses after practice Thursday.

On March 19 and 20 we went camping overnight at Logansport. It cost \$5 to rent the lodge. The next morning Mrs. Buntain, the head of the Council, came to see us and complimented us on how well we cleaned it up. So she is sending our \$5 back.

MENTONE GIRL SCOUTS

On Thursday, April 1, we had badge signing day. Debra Blackburn did lots of things to earn badges. Robin Sechrist, Tammy Stokes, Melva Smith and Tammy Norman gave a demonstration on music. The clarinet, the piano and the flute were played. Next week we are going to make purses.

GIRL SCOUT TROOP 221

The meeting started with refreshments served by Patty Doering and Vickie Manns. After that we had the opening

with pledge to the flag, Girl Scout Promise, and laws.

We got an invitation from the Girl Scouts at Rochester to a skating party Tuesday, March 13. The party will be from 7:00 to 10:00 p.m. at the Rolla Arena at Rochester.

Later the Girl Scouts will make tray favors for the Woodlawn Hospital.

The leaders told us that Day Camp will be at Jones Woods at Rochester in June.

We went into patrols. The music patrol gave a little play.

Closing was with taps.

AKRON GIRL SCOUT TROOP 230

We started the meeting with refreshments served by our leaders. We collected dues and discussed our badges.

About three weeks ago we went camping and now we are receiving a \$5.00 refund. We talked it over and decided to give the refund to the Bonnie Bickle Fund.

We elected officers. Carolyn Ramsey was chosen as treasurer and Jeri Davis was chosen as secretary.

We took a short walk and returned to Martins. We then adjourned the meeting.

School Librarians Take Tours

On Tuesday, April 6, the TVSC student librarians from Talms Jr. High and Mentone and Akron high schools went on an all-day field trip to the Heckman Bindery at No. Manchester and the Lincoln National Museum and the Public Library at Ft. Wayne. Forty-four student librarians and four adults made the tour under the direction of Mrs. Blanche Wilhelm, the corporation librarian.

At Heckman Bindery, the process of binding a book was explained step by step. Many girls look forward to working at the bindery in the future, so the trip was indirectly a vocational guidance tour.

At the Lincoln National Museum in Ft. Wayne, a tour was followed by a presentation of individual packets of very interesting Lincoln publications.

At the Fort Wayne Public Library, some of the items of interest in a conducted tour were the rows and rows of the card catalogs, the "record loan" section, the "framed art prints loan section", the exhibit cases, the restricted area, genealogy department and most interesting of all to the local girls, a huge rotating globe in the large entrance hall.

Police Report

Rochester city police charged Melvin L. Shriver, 51, R. 1, Akron, with drunken driving Sunday morning. He is

News Of Interest To Homemakers

by Ann Hancock, Area Extension Agent
Kosciusko County

Homemakers are becoming more and more concerned with the pollution of our environment. One way that some women are fighting pollution is to switch from a phosphate laundry detergent to a phosphate free soap. This is commendable but perhaps we're too eager to pat ourselves on the back. Phosphates aren't the only villains, and we as homemakers need to branch out into other areas to fight pollution.

One very important step the homemakers can take to fight pollution is to educate her children. Setting a good example is the best way to teach them. If we are careful to put all waste paper in trash cans, if we don't let the faucet run, if we aren't using the water, and if we don't misuse our resources, our children won't. Be aware of the problems by reading newspapers and magazines and discuss what you've read with your family. The mother as a teacher can do much to mold her children's way of thinking.

Disposal of glass bottles, aluminum cans and other throw away containers is a growing problem. The homemaker as a consumer can do much to discourage throw away bottles and other containers by refusing to buy those products. Buy soft drinks and other beverages in returnable bottles and return them to the store. We are using more and more paper products in the home. Economize, and use cloth instead of paper towels to clean windows. Use all paper products and disposable containers to the best advantage to fight pollution and save you money.

The time has come when we must regard our resources as precious commodities. Water and air have been so plentiful that we have taken advantage of them. Other commodities such as soft drinks, food, and gasoline are expensive. Consequently we make the best use of them. We

need to look upon our environment as a precious commodity and our depletion of it as a very costly expenditure.

Action speaks louder than words, so do something! Use your consumer dollars to speak out against pollution. Fighting pollution is everyone's responsibility.

Shower Friends With Good Taste

Does your spring social calendar forecast showers? On those especially feminine occasions, treat guests to dainty Cinnamon Lace Cookies. The toasty-good flavor of quick or old fashioned oats is enhanced with cinnamon and a hint of cloves. Served with pretty ice cream parfaits, mixed nuts and coffee or tea, these delicate cookies are party perfect!

CINNAMON LACE COOKIES

Makes 3 dozen

1/2 cup butter or margarine	1 teaspoon cinnamon
3/4 cup firmly packed brown sugar	1/2 teaspoon cloves
1 tablespoon all-purpose flour	1 tablespoon milk
1/4 teaspoon salt	1 cup quick or old fashioned oats, uncooked

Heat oven to moderate (350°F.). Beat butter and sugar together until creamy. Add flour, salt, cinnamon, cloves and milk; beat well. Stir in oats.

Drop by level teaspoonfuls onto ungreased cookie sheets, about 2 inches apart. Bake in preheated oven (350°F.) 6 to 8 minutes. Cool about 2 minutes, then carefully remove cookies from cookie sheets with wide spatula. Cookie will be large and thin.

Demo Women Plan Style Show

The Kosciusko Co. Democrat Women's Club met recently at the Pierce-ton Community Building with the Whitley Co. Democrat Women as guests. Mrs. Esther Charlton, vice president, welcomed the guests with Mrs. Frank Meggison, president of the Whitley Co. group, giving the response.

Mrs. Glen Davis of Syracuse gave details on the coming Spring and Summer Gling Style Show, April 21, which will be held at the St. Andrews Methodist Church Fellowship Hall, Syracuse. Fashions for the family will be shown by Fee's His-N-Her Shop of North Webster. Others helping with the arrangements are Mrs. Walter Miller, Syracuse, Mrs. John Ball, Warsaw, and Mrs. Richard Morrison, Mentone.

Jack Summe, county chairman, gave a briefing on the legislature and pending bills.

Mrs. Stuart Stokes gave information on the upcoming dinner, salad bar which will be held

at the Firemen's Building, Pike Lake, Warsaw, at 6:30 p.m. Saturday, April 17.

Mrs. Dale Bennet called the organization's attention to the fact that persons can no longer drive into Arlington National Cemetery at Washington, D. C. Admittance has been taken over by a private concern called "Tourmobile." Buses and cars are no longer permitted to enter this national ground. The group urged everyone present to write to his Congressmen and senators and give their views against this.

The hostesses, Mrs. Bennett, Mrs. Paul Beebe and Mrs. Esther Charlton of Milford, served refreshments to 20 members and 11 guests. There will be no meeting in April as the members will assist with the two important activities planned.

Tickets for the style show may be purchased from any member of the organization.

Friendly Neighbors Hear Lessons

The Friendly Neighbors Extension Homemakers Club met in the home of Mrs. C. E. Walburn, Mentone, Thursday afternoon.

In the absence of the president, Mrs. Walburn was in charge of the meeting, which she opened in regular ritualistic manner.

"Springtime in the Rockies", the song of the month, was sung by the group, led by Mrs. M. O. Smith who gave a brief history.

Mrs. C. O. Mollenhour read three articles for meditation, "I Would Send You A Sunbeam" and a morning and evening prayer.

The danger of lead poisoning from drinking and eating from ceramic or pottery dishes that have not been properly glazed was discussed by Mrs. Herman Olson.

Selecting the right amount of water and drainage for thrifty house plants was explained by Mrs. M. O. Smith.

For the lesson, Mrs. Herman Olson talked about Indiana taxes, what was received from them and the present confusion concerning them in the state legislature.

The secretary, Mrs. Monroe Romine, announced that the club would celebrate its 25th birthday anniversary April 14. She also read the report of the first

meeting in 1946 as well as the membership roster.

The president, Mrs. Everett Beeson, spoke about achievement day, other dates and items of interest.

The meeting closed by singing the club prayer song and repeating the collect.

SICK LIST

Cecil Nicodemus has been released from Wood-lawn hospital and is now at his home R. 1, Macy, where he is recuperating from a recent stroke.

Mrs. Dick Greer, R. 6, Rochester, former Marglee Kindig, has been dismissed from Memorial hospital in Logansport after having had major surgery.

43rd Academy Awards

Oscar's the Star

HOLLYWOOD'S BIG NIGHT comes up on Thursday, April 15, this year when the Academy of Motion Picture Arts and Sciences presents its Oscars for the best achievements of 1970 in 22 categories of filmmaking. Scores of celebrities from the entertainment world will be on hand, and a record TV audience is expected. Bob Hope (above) will be one of the Best Friends of Oscar, who will present the Awards at the 43rd Annual Awards Program, which will start at 7 p.m. (PST) at the Pavilion of the Los Angeles Music Center and will be televised in color by the NBC Television Network.

Mentone OES Officers Are Installed

Mrs. Bill Boardman and Mr. Joe Good were recently installed as Worthy Matron and Worthy Patron of Chapter Order of Eastern Star at the Mentone Masonic Hall.

Mrs. Don Smythe, Junior past matron and Don Smythe, junior past patron served as installing officers. Others participating in the ceremony of installation were: Cara Lyn Tucker, District Twenty Deputy, as installing Marshall; Nancy Terrell, District Eighteen Deputy from Akron as installing Chaplain; Margarette Compton, installing organist; and Richard Campton as Soloist.

Other officers installed were: Iris Anderson, associate Matron; Eugene Marshall, associate Patron; Annabel Mentzer, secretary; Ralph Mollenhour, treasurer; Lorna Tridle, conductress; Patricia Calvert, associate Conductress; Alice Mollenhour, Chaplain; Don Smythe, Marshall; Jeanette Mollenhour, Organist; Bess Manwaring, Adah; Phyllis Mosier, Ruth; Dorothy Cumberland Electa; Frank Cumberland, Warden; Dick Webb, Sentinal. Cara Lyn Tucker and Mary Cox will be installed at a later meeting as Esther and Martha.

The meeting was opened with the Lord's Prayer repeated in unison, the Pledge to the United States Flag, and the singing of our National Anthem.

The welcoming address was given by Monna Smythe.

Phyllis Mosier and Joe Good presented Past Matron and Past Patron pins to Monna and Don Smythe.

District 18 Deputy, Nancy Terrell and District 20 Deputy, Cara Lyn Tucker were escorted to the East and given Grand Honors.

Mrs. Miriam Boardman was escorted to the East by Iris Anderson and presented a corsage by her husband and daughters. She also received a bouquet of red and white carnations from the Chapter. Richard Campton honored her with a song.

Joe Good was escorted to the East where he was met by his daughters.

Richard Campton then sang "It's so nice to have a Man around the house" in Joe's honor.

The installing Marshall, Cara Lyn Tucker, escorted the Past Matron and Past Patron, Monna and Don Smythe, to the Alter where they signed the Holy Bible.

Cara Lyn Tucker, presented to the Mentone Chapter O.E.S. a pedestal, which had been made by her father, in appreciation for the many things given in her honor during her year as District 20 Deputy.

As her emblem Miriam Boardman has chosen the Bible and Cherubs, her flowers, all red and white of all seasons, and

her motto "Put love first". Her watchwords are "Faith, Hope, Love - But the greatest of them all is Love".

Immediately following the installation ceremony, the guests were served refreshments in the beautifully decorated dining room.

Receives Distinguished American Award

Mrs. Mark C. Honeywell, renowned philanthropist from Wabash, was surprised recently when she was named recipient of the first Eisenhower Distinguished American Award at the Robertson Chapel at Butler University. She is the wife of the late Mark C. Honeywell founder of Honeywell, Inc., makers of heating regulators and equipment and aerospace mechanisms. The award, an engraved Eisenhower medal with accompanying citation, was presented to Mrs. Honeywell by Dr. Mary Tarzian, a fellow Eisenhower Scholarship board member.

Who built the largest structure ever created by man or beast? A blob. A gelatinous blob hardly bigger than a pinhead. The reef-building polyp with only three working parts (mouth, tentacles, inside cavity) created Australia's Great Barrier Reef that covers 80,000 square miles and is thousands of feet deep.

Engagement Announced

Mr. and Mrs. Manley Pat Walsh, Mentone, announce the engagement of their daughter, Patricia, to Dennis Wayne Gruenewald, son of Mr. and Mrs. Freeman Gruenewald, R. 5, Warsaw.

The bride-elect is a graduate of Mentone High School and is a senior majoring in elementary education at Ball State University. Her fiancé, also a graduate of Mentone High School, is a senior majoring in animal science at Purdue University where he is a member of the Air Force R.O.T.C.

No date has been set for the wedding.

Woman's Club Hears Conservation

Members of the Akron Woman's Club heard a talk about conservation and the work being done to improve the environment problems of the Tippecanoe River Valley at their meeting Thursday afternoon.

The guest speaker was Carl Shaffer, who works with the Department of Conservation. His slides showed work that was being done in the way of windbreaks, erosion prevention, etc. and also showed the needs in the same areas. He distributed questionnaires to the women, asking that they complete them and return them indicating what types of work they could assist with.

Devotions were given by Mrs. Roger Deardorff.

Members discussed a bake sale and decided not to participate in the Round Barn Festival.

Plans for a Senior Citizens Day dinner to be held at the Akron Church of God on April 14 were also discussed.

Refreshments were served by Mrs. Vernon Castleman, Mrs. Gary Brown and Mrs. Fred Kinley to fourteen members and guests.

Purdue Alumni To Host Wives

Members of the Fulton Co. Purdue alumni and their wives will have a spring meeting April 13 at the Fulton Co. 4-H community building in Rochester. The honored guest will be Tim Foley, Purdue All American. Tickets are \$3 and may be purchased for alumni. Ben Barnett is selling tickets in Akron.

NEW BOOKS

BELL MEMORIAL LIBRARY

Fiction:

ANGLE OF REPOSE by Wallace Stegner. This is neither an "historical" nor a "pioneer" novel although it covers four generations in the life of an American family (1860-1970) and deals with people who had a hand in shaping whole ideas of western life.

FIFTH BUSINESS by Robertson Davies. This novel is a deeply moving portrait of a perceptive human being whose understanding of his role in life offers insight into devious purposes of destiny.

Non-Fiction:
HAVE FAITH WITHOUT FEAR by Kenneth L. Wilson. This book is "for Christians who are tired of having the heaven scared out of them by cheerless fellow-believers." The author shows that Christian faith and constricting fear simply do not go together.

THE MAKING OF A SURGEON by William A. Nolen, M.D. A book about a fascinating subject--the training of a surgeon. It deals with serious matters, but it is told by a man who can be very funny. And, more important, it reveals as no other book has done before how surgeons really work, think and feel.

THE TREASURY OF THE GUN by Harold L. Peterson. A pictorial history of firearms.

CHARLIE BROWN AND CHARLIE SCHULTZ by Lee Mendelson. The warm-hearted biography of a won-

derful man (real) and a wonderful boy (almost real), who proved that being a loser could be the biggest success story of all.

Special Programs At Church of God

Two morning worship services will be held at the Akron Church of God on Easter Sunday. The first is set for 8:15 and the second for 10:25. Individuals are invited to come for the service of their choice and also to be present for the Sunday School hour at 9:30. One aim of the two services is to challenge many more people to be present for this Christian Holy Day.

At 7:30 Sunday night, the Choir under the direction of Mrs. Winnifred Summe will present the Cantata "Wonderful Savior". This work was composed by John E. Boalt and features the great story of the first Easter.

Also an Easter, the Church will receive the traditional missions offering. Pastor J.D. Thomson extends a cordial welcome for members and friends to be present this coming Lord's Day.

LASSO®

Another CFS-Approved Herbicide.

Now there is one basic pre-emergent herbicide for both corn and soybeans . . . Lasso. One application controls most grasses and broadleaf weeds. Lasso, a selective herbicide, gets the job done with or without incorporation, without crop damage, without carry-over. Wet or hardly moist, Lasso cleans up corn and soybean fields in soil types from sand to clay and does it conveniently. CFS recommends Lasso in liquid or granular form. Also, liquid Lasso can be used in label-approved combinations with other herbicides. Lasso . . . takes the gamble out of weed control. Order Lasso today!

Baldwins Return From California

The Rev. and Mrs. J. F. Baldwin, who formerly served the Akron community at the Akron Church of the Brethren, have arrived at their home in No. Manchester after a trip of nearly four months that took them to California with a number of side trips.

They visited relatives and friends at Elgin and Peoria, Ill.; St. Louis, Knob Noster, Kansas City and St. Joseph, Mo. Bartlesville, Okla.; Albuquerque, New Mexico; Glendora, LaVerne, Pomona, Pisma Beach, San Jose, Modesto, Waterford and Upland, Calif. Most of the time was spent with a sister of Pomona and with a son, the Rev. Arthur Baldwin, in Glendora. Arthur Baldwin has served the Glendora Church of the Brethren for 16 years and is now serving his second term as a city councilman. Pastor J. F. Baldwin preached in LaVerne, Glendora and Modesto where he was pastor for a number of years and held an evangelistic meeting at the McFarland Church of the Brethren. Other former pastorates visited were Peoria and Sterling, Ill.

One of the most interesting experiences the Baldwins reported was the earthquake. They were about 30 miles from the center of most damage. They saw the San Fernando dam, at least 15 bridges and viaducts, many buildings and miles of freeway that were damaged and in some cases completely ruined. The authorities say it will cost 38 million dollars just to repair the roads, the Baldwins reported. In addition, forty-some schools have been condemned.

A few of the interesting places the Baldwins visited were the Gateway to the West in St. Louis, Woolaroc Museum and Phillips Research Center in Oklahoma, the Hoover Dam, Las Vegas, Death Valley, Roy Rogers Museum, Forrest Lawn, the camellia show at the Arboretum, Farmers Market in Hollywood, Truth or Consequences production center, Melodyland where the Rev. Dave Wilkerson spoke, the Rose Parade and the Don Pedro Dam, all in California, and the World's Flower Show in the new McCormick Place along the lake front in Chicago.

During the nearly 8,000 mile trip, the Baldwins experienced no accident, car trouble or sickness. They say it was a wonderful vacation, but they are glad to be back in No. Manchester, Ind.

No admission will be charged. The play is written by the Rev. Curtis R. Sylvester and is sponsored by the Rochester Ministerial Association.

The plot is generally a behind the scenes look at the major characters who were involved in the of Christ during his last week on earth. It shows the emotions and the trials of each of his followers.

The major characters are John Mark, a teenage boy who will later become the author of the second gospel, played by Paul A. Pemberton; Simon and Mary, his parents,

are played by Warren Tatter Sr. and Rose Sadler. Christ will be portrayed by the Rev. Don Lambert and Peter by the Rev. Leroy Fassett. Other actors are from the Rochester community and represent all major Protestant denominations and Roman Catholic.

The play deals with many problems that can be closely related with the problems of today--race, generation gap, establishment, etc.

The public is invited to this ecumenical attempt to tell the story of Christ's life and ministry.

ft.; languages 1,100 sq. ft.; art 1,600 sq. ft.; shop (general) 4,950 sq. ft.; agriculture 3,450 sq. ft.; physical education (with lockers and seats for 1,500) 18,900 sq. ft.; music 3,380 sq. ft. A total of 56,680 sq. ft.

These are estimates to be used in the planning of an overall budget. More detail analysis of these and breakdowns are necessary when the board of education has made a decision whether or not to go with this schedule or what items in the schedule shall be selected for construction purposes. To find the cost it is necessary to take the cost of the particular style and type of architecture desired and the going cost in your section of the state. These costs for the conventional building will vary from \$25 to \$35 a square foot and for the prefabricated or pre-designed building as low as possibly \$17.50 a square foot.

9. Consideration be given to the following construction table for the Mentone Center after the present high school has been rehabilitated for junior high school or middle school purposes. This of course is planned within your present organizational structure as directed by the board of education. Although some of the facilities in Mentone are not as poor as those in Akron, especially the gymnasium and lockers, to bring both schools up to equal standards it is desirable to plan the same type of new

construction for Mentone as that listed under Recommendation 8 for Akron. In addition it is also desirable to have a new cafeteria which including circulation, tare, heating, toilets and etc. approximates 8,500 sq. ft. Likewise, one additional classroom of about 1,200 sq. ft. should be planned in Mentone. This makes the proposed Mentone construction schedule 60,380 sq. ft. Notice that neither of these schedules make allowances for landscaping, attorneys fees, engineers fees, architects fees or outside site improvements.

10. The board of education be cognizant of the fact that swimming is rapidly becoming a sport in the Indiana schools and that swimming instruction is a part of the overall expanded physical education program. In the planning of any future physical education facilities if the swimming pools are not included at least the facility should be planned so that the swimming pools can be incorporated later without too much difficulty. The swimming pool with the mechanical equipment takes about 7,500 sq. ft. Additional square footage should be allowed for spectators space, lockers, and dressing areas as well as space to include circulation, toilets, tare and etc. The total space estimated for pools, spectators, lockers, dressing, etc. will vary between 11,500 and 13,000 sq. ft. The cost of this space is higher than the cost of the regular construction of the building. This cost is var-

iously estimated at \$35 to \$45 per square foot.

If you wish to bring your school system up to high standards of excellence and in competition with other school systems of this area and within the framework of two high schools as you have indicated, the above recommendations are rather pertinent and should be given careful consideration. In any event it is desirable for the board of education to study the older buildings and to set some policy in regards to further rehabilitation and/or retirement of those structures. It is also desirable to provide facilities in physical education for all children including the elementary.

Will Erwin Named Consultant

Will Erwin, Etna Green farm manager who is a member of President Nixon's White House Task Force on Rural Development, was named this week as a special consultant to the administrator of the Environmental Production Agency.

EPA officials said Erwin, 45, was named to the post by EPA Administrator William D. Ruckelshaus and will be paid a consultant fee rate of \$316 for each day he works.

The Environmental Protection Agency, representing the Nixon administration's major thrust in environmental affairs, was established Dec. 2, 1970 and includes organizational units from 15 other Federal programs.

Erwin, a former Indiana State Senator, served on the Natural Resources Committee. He was author of legislation concerning outdoor recreation, protection of the environment and natural resources.

Erwin served on Pres. Johnson's Committee on Community Relations in 1964 and also was chairman of the Indiana Advisory Committee on the U.S. Civil Right Commission.

Erwin is an Etna Green area farmer and was chosen as the national winner in the Jaycee's Outstanding Young Farmer Foundation for American Agriculture, and has served on numerous committees, including one to study conservation activities of the U.S. Dept. of Agriculture.

Erwin is also chairman of the Indiana Farm Policy Study Group sponsored by Purdue University.

Erwin is a graduate of the University of Illinois and took post graduate work there and in American history from Indiana University extension.

He and his wife, June, have three children. Daughter Hope, 21, is a junior at Windham Coll-

ege. Lewis, 19, is a sophomore at M.I.T., and James, 15, is a high school sophomore in Triton High School, Bourbon.

DID YOU KNOW?

New students enrolling with the opening of the spring quarter at Tri-State College, Angola, include Robert E. Bryant, son of Mr. and Mrs. David L. Bryant, R. 2, Akron. A graduate of Akron High School, he is majoring in Mechanical Engineering.

Trucks Aid Shoppers

WASHINGTON — Because trucks can go anywhere, during all seasons, the shopping habits and menus of American families are vastly different from "the old days." Now, daily truck deliveries to the Nation's shopping centers, large and small, downtown and in the suburbs, offer Americans a veritable king's ransom of choices and values.

COMMUNITY CALENDAR

MONDAY, APRIL 12

Jolly Janes Home Demonstration Club will meet at 8 p.m. at the home of Mrs. Wayne Bowser, Mentone. Members are to take articles for auction.

The Akron War Mothers will have their meeting at 7:30 p.m. at the library.

TUESDAY, APRIL 13

Anthony Nigo DAR will have a joint meeting with the Agnes Pryne Chapter at Teel's Restaurant at 6:30 p.m. This will be a dinner meeting and they will be honoring the Good Citizens.

There will be a horse and pony meeting at the Riddle School at Rochester at 8:00 p.m.

WEDNESDAY, APRIL 14

Senior Citizens Day dinner at noon at Akron Church of God. Sponsored by the Akron Woman's Club.

The Akron Home Demonstration Club will meet at the library at 1:00 p.m. This is Guest Day.

THURSDAY, APRIL 15

The WSCS of the Mentone United Methodist Church will meet with Mrs. Tom Fugate at 8 p.m.

WASHINGTON — Most radios, televisions, stereos, and records found in American department and specialty stores get there by truck. In 1969, trucks carried more than 75 per cent of all such goods.

A LONE HORSEMAN watches smoke from one of the grass fires that has plagued the area in recent weeks as tinder dry fields yield to run-away trash and fence row fires. All area fire departments have been kept working very hard to keep up with the rash of fires, which, hopefully, will be minimized with Tuesday's rain.

Mentone Methodists Plan Missionary Conference

April 22-25 are the dates for the First Annual

4th Is On 5th

Word from Dr. Charles Miller, chairman of Akron's 4th of July committee, is that the 4th of July parade will be held on July 5, a Monday, instead of on July 4. Other times and dates will be announced later.

Athletic Banquet

The annual athletic award program for Akron High School and Junior High will be held in the multi-purpose room Wednesday, April 21. Team members and cheerleaders for cross country, Junior High basketball, Freshman, B-team and varsity basketball will be honored at this program. Parents, relatives and fans from the Akron community are invited to participate, with a carry-in dinner beginning at 6:30 P.M. Ham, rolls, coffee and milk will be provided.

The program is scheduled to start at 7:30 P.M. and will include presentation of awards and a speech by Coach Glen Kammerer of the Grace College basketball team.

nual Missionary Conference to be held by the Mentone United Methodist Church. The theme for the conference will be "Partnership In Missions", Mrs. Harold Utter, chairman of the church work area on missions, has announced.

The conference will begin Thursday, April 22, at 7 p.m. with the Rev. Lindy Waters, an Oklahoma Ponca Indian, as the guest speaker. He is one of the district superintendents in

the Indiana Conference of the United Methodist Church in the west. The Indians have their own separate conference.

Friday and Saturday will be doubleheaders with two missionaries speaking each night from different mission fields. There will be special music, missionary displays, colored slides and banners, literature table, pictures and posters of mission projects supported by the local church.

Dr. Kinzer, head of

TVSC Brush In Set May 3

Monday, May 3, will be "Brush-In" in the Tippecanoe Valley schools with Dr. Donald J. VanGilder, Mentone, and Dr. Charles Miller, Akron, administering the stannous-fluoride treatment paste to children in grades two, five and eight.

Each of the corporation's schools will be visited by the dentists. Children will receive permission slips so that their parents will be aware that the treatment is scheduled.

The treatment was developed by the Indiana School of Dentistry and

its use is sponsored by the Indiana State Board of Health and the Indiana University Foundation.

Most corporations have charged for a similar program, but Dr. Miller and Dr. VanGilder said they felt the program should be free and arranged it so that all children in those grades in the TVSC schools can receive a free treatment.

The doctors noted that the State Board of Health has found that on the average children have 30% fewer cavities after they have had this treatment.

Named Indiana's Outstanding Educator

Mrs. Janice Felix, a teacher at the Ullery Developmental Center in Elkhart and daughter of Mr. and Mrs. Lyman Moltenhour, Mentone, has been named the Outstanding Young Hoosier Educator for 1971 by the Indiana Jaycees.

Mrs. Felix, who won the Elkhart Outstanding Young Educator award in January, received her state honor at the annual Indiana Jaycees awards banquet Saturday in Valparaiso.

She is a graduate of Manchester and St. Mary colleges and has a masters degree in special education.

She is active in professional education organizations, service sororities, church and has attended workshops, traveled and reads to keep aware of new trends in education, according to the citation by the Jaycees.

Mrs. Felix has taught in Concord schools, at Aux Chandelles, Hawthorne and presently at Ullery, where she assists in planning and preparing materials for educationally handicapped students.

First runner-up for the award was Dr. Thomas Sonster, Terre Haute, and second runner-up was Mrs. Gaylene Worth of Rushville.

McKee To Open Rochester Office

Dr. John McKee this week announced that he has purchased a tract of land south of the airport at Rochester and that he will build a veterinary office and animal clinic there soon. The office at Rochester will be operated by Jay Polstra who will graduate from Purdue University this spring. Both veterinarians will work out of both offices and the Akron office will remain in operation. The new set-up will provide back-up service for clients in the event one of the veterinarians is out of town.

Dr. McKee and his wife LaVonna and their four sons will continue to live at Akron.

The State General Education Commission this week instructed both sides of the TVSC dispute to present information for possible action at the commission's May meeting so it may determine if a public hearing should be scheduled to consider rescinding a previous order to consolidate Akron and Mentone high schools.

EASTER EGGS BEWARE the kids are coming. Shown are part of the children who participated in the Akron Chamber of Commerce's Easter Egg Hunt last Saturday. Prizes in the 1-3 class were won by Perry Klock, Carolyn Groves, Patty Williams, Patrick Walgamuth, Raymond Davis and Billy Gray. Prizes in the 4-6 group were won by Janet Peterson, Teresa Petrocky, Chris Baker, Cindy Harding, Mary Beth Gast, Patty Gearhart, Susan Yarian, Shelly Wright, Gary Gearhart and Debbie Zimmerman. Prizes in the pre-school group were won by Marilee Saner, Candy Wallin, Mari Stephen, Sherry Furnival and Tammy Ault.

July 1 Deadline For 10-Acre Corn And Soybean Trials Participation

July 1 is the deadline for participation in this year's 10-acre corn and soybean yield contests, according to an announcement from the County Extension Office.

The state winner of the senior soybean yield contest will be awarded a trip for himself and his wife to the Mediterranean countries, including Italy, Greece, Yugoslavia and the Island of Majorca. This two-week tour will include sightseeing, farm visits and a look at the processing and consumption of U.S. soybeans in Europe.

The 5-acre soybean contest was changed to a 10-acre contest with a verification system in 1970, in order to standardize the rules and checking procedures with those of the long-standing corn yield contest.

In order to participate in the corn and bean yield contests, a person must join the Indiana Crop Improvement Association. Junior membership will be accepted for individuals who are 12 to 18 years old. Senior memberships are for those who have attained their 19th birthday by January 1, 1971. Membership fees and enrollment may be made at the County Extension Office, Courthouse, Rochester. The contestant must register his membership in the county in which the contest field to be checked is located.

The 10-acre yield contests are designed to: (1) demonstrate the amount of corn and soybeans that can be produced per acre under efficient management, (2) to promote the use of new and improved production practices, (3) to distribute information necessary to produce consistently high yields

and (4) to recognize superior achievements in corn and soybean production in Indiana.

Each participant must make routine checks in the 10-acre contests. High yields must be verified by the area corps agent, the county extension agent, his delegated representative or committee, or in the case of very high yields by a representative from the state office.

Requirements for the 10-acre yield contests include: The harvested area must be in a field of at least 10 contiguous acres.

The corn yield contest is limited to shelled corn only. Ear corn weights cannot be accepted. The corn harvested need not be shelled in the field. The contestants must provide proper harvesting equipment for both corn and beans to match row width used, either owned or on a custom basis, for all yield checks and verifications.

No gleaning from the harvested area is permitted.

The harvested area must be at least one acre in size. There is no maximum on the area harvested, except for high yields requiring verification, in which case at least three acres must be left standing.

Find Stolen Car

A stolen car found wrecked last week on County Road 775 West on the Beaver Dam Lake Rd. was found on investigation to be the vehicle owned by Jerry Vardaman that was stolen from a garage at Beaver Dam Lake. Vardaman reported to officers that three hand guns and ammunition, plus a rifle was missing from the car. Investigation is continuing.

Beaver Dam Club Meets

The Beaver Dam Homemakers Club met Wednesday evening at the home of Mrs. Irvin McHatton with Mrs. Chas. Yeaman as co-hostess.

After singing "America the Beautiful", giving the pledge to the flag and repeating the club creed, the song of the month, "Springtime in the Rockies" was played with the record being furnished by Purdue University.

Mrs. Dow Landis gave the meditation by reading two poems "One Hour in the Garden" and "A Friendship Flower". Mrs. Waldo Adams gave the Health and Safety remarks from an article "Modern Maturity" stressing the point that if you are taking prescription medicines you should keep a copy of it with you at all times as it might be very necessary if you should be away from home. Mrs. Landis gave several interesting garden remarks and Mrs. McHatton gave the lesson on "Personal Grooming."

Roll call was answered by each one giving an Easter thought. After the secretary and treasurer's reports and the president, Mrs. Bowen, taking care of correspondence of old and new business, the club closed with the singing of the Prayer song and the Collect.

During the social hour birthday gifts were received by Mrs. McHatton and Mrs. Richard Whittenberger from their secret pals. The birthday auction gift went to Mrs. Bowen and the hostesses auction gifts were received by Mesdames Elmer Dickey, Vesta Cole and C.H. Harshman. Refreshments in keeping with the Easter season were served by the hostesses, the club adjourned to meet May 12th with Mrs. Waldo Adams.

SCOUT TROOP 225

We have our investiture services for Melanie Turner and Judy Conner. Tina Ward rejoined Girl Scouts. Happy scouting girls.

We elected new officers today. Secretary, Karey Kay Kline; treasurer, Shelly Wright; reporter, Cindy Harding; patrol leaders, Lorrie Crippen and Sharon Wright.

We made Easter baskets and Easter corsages.

It was approved excitedly to attend a Girl Scout skating party.

New badges we are going to work on are "Songsters" and "Troop Camper."

The meeting started with refreshments served by Vickie Kline and Wendy Smith. Then we had the opening with promise and laws. Secretary was Debbie Swick. Treasurer was Debbie Stanton.

Jeannette Ogle finished her collectors badge with a demonstration of her doll collection.

After that, we went into patrols for awhile.

We closed with taps. - Stephanie Stewart

Perry Club Has Meeting

The Perry Twp. Willing Workers 4-H Club met Wednesday, April 7.

Peggy Nordman led the pledge to the American flag and Jackie Sharp led the pledge to the 4-H flag. The club voted to have a paper drive Saturday, April 17th and would like for any residents of the township who have papers they want picked up to have them in bundles and on their porch by 9:00 Saturday morning. They ask that magazines not be included. For more information, and for out of township pick-up call Akron 893-7002.

The Common, Common Man - And His Taxes

The following poem was submitted by an Elkhart reader. It was written by DeWayne Dill on November 30, 1944:

TAXES

Now, he's a common, common man,
Tax him! Tax him all you can.
Tax his house and tax his bed.
Tax the bald spot on his head.
Tax his bread, tax his meat,
Tax his shoes clear off his feet.
Tax his pipe and tax his smoke.
Teach him government's "no joke."

Tax his "Henry", tax his gas;
Tax the road that he must pass.
Tax the farmer, tax his fowl;
Tax the dog, and tax his howl.

Tax his plow and tax his clothes.
Tax the rag that wipes his nose.

Tax the pig and tax his squeal;
Tax his boot, run down at heel,
Tax his cow and tax his calf.
Tax him if he dares to laugh.
Tax his barns and tax his lands.
Tax the blisters on his hands.

Tax the water, tax the air!
Tax the sunlight if you dare!
Tax the living, tax the dead.
Tax the unborn before they're fed.
Tax them all, and tax them well.
And do your best to make life "hell."

60 YEARS AGO

Russell Worthington came up late last week from his school work in Indianapolis and spent Sunday with the home folks.

The Akron Tribune, J. Leroy Dilsaver Editor and publisher, retired from the active stage of existence this week, after a checkered and whirlwind career since Thanksgiving week 1910 when its first issue was printed on the NEWS press.

The beautiful and popular farm home of Mr. and Mrs. Samuel Dawson northwest of Akron was the scene of a superb event last Tuesday evening, when their handsome, jovial daughter Ruth was united in marriage with Mr. Ray Carr, a popular young farmer northeast of Rochester in the presence of about sixty-five happy guests. The bride was gowned in tan colored messaline silk, trimmed in beautiful oriental lace. The groom wore the conventional black.

The grade schools in Akron and the township schools about all closed last week. Some few had a day or two's work left over for this week in the country. There were no failures anywhere in the township so far as we have heard, but rather have all been very successful. For this much praise is due, not only to the trustee for his painstaking watchful care over the work being done as the winter rolled along, but also due to the patrons and pupils, all of whom have been loyal in their work. The high school of nearly 100 students is yet busy at work at the building and will be until May 8, we believe, when they will fold their tents, put up their commencement and each student will seek other fields of employment.

39 YEARS AGO

Evident preparations to manufacture liquor on a huge scale for Chicago trade were nipped Tuesday afternoon in their entirety when a 700 gallon still, 40,000 of mash, 375 gallons of alcohol, and three automobiles were confiscated by federal agents from South Bend in a raid on a farm three miles south of Bruce Lake, on the Fulton-Pulaski county line. Eight men were arrested, six of whom were supposed to be the hirelings of some Chicago gang chief. The still was nabbed on its first day of operation, as the officers for some time had watched it being constructed and waited only until liquor was actually being manufactured to raid the huge still. It was the largest ever found in this territory, and the scale of preparations indicate it is one of an organized liquor syndicate.

Methodist ministers returned to their churches and other appointments include: Rev. C.S. Miller, Akron; Edgar More, Denver; L.W. Eller, Gilead; E. P. White, Macy; L. M. Hile, Roann; R. H. Wehrly, Dunkirk; A. C. Wischmeir, Union City; H. T. Miller, Claypool; W.O. Power, Mentone; E. H. Kennety, Silver Lake; C. C. Wischmeir, Topeka.

Ruth Lash of Beaver Dam high school will be entered in the finals of the state high school mathematics contest to be held tomorrow at Indiana University.

25 YEARS AGO

Sam Burch, a native of this community, has recently been appointed to the position of State Trooper.

Members of this year's graduating class include Wayne Groninger, president; Richard E. Day, vice president; Helen Whittenberger; secretary, and Phil Leininger, treasurer. Also, Bill Hammond, Mary Lou Singpiel, Don Fenstermaker, Lois Bright, Betty Lou Bright, Dean Clouse, Margaret Jean Burkett, Dale Bradway, Peggy Geiger, Darwin Heeter, Norma Lee Taylor, Dean Leininger, Ivo Eugene Myers, Helen Jean Brewer, Robert Sauer, Helen Young. Also, Donna Belle Ellis, Max Barnett, Julia Bidwell, Maurice Azbell, Jeanne Cox, Emerson Burns, Patricia Fetrow, Betty Fellers, Julia Mae Slaybaugh, Inabelle O'Connell, Gerald Timberman, Ruby Irene Rhodes, Bonnie Paxton, Wada Miller, Bonnie Flohr, Marion Gagnon, Betty Floor, Norman W. Moore, Pauline Smith, Harold Hileman, Betty Lou Smith, Paul Shafer, Iva Van Doren, Wilbur Mitschelen, Pauline Putman, Donna Jean Bryant.

10 YEARS AGO

Bill Lyons, owner of the Kewanna Observer, has offered the plant for sale due to the fact that his managing editor, Donald Smith, is leaving.

Officials of the Erie railroad have estimated damages to the road and cargo at \$150,000, according to an announcement this week by John Michael, chief dispatcher for the Huntington Division.

Mrs. Earl Kuhn entertained members of the Martes Club Monday night in her home. Prizes went to Mrs. Allen Keirn, Mrs. Joseph Bahney and Mrs. Emerson Sheets. Other guests were Mesdames Robert Leininger, Art Craig, Tom Haupt, Robert Sheets and Carrie Norris.

AKRON DID YOU KNOW?

Mr. and Mrs. Mike Colbert, David and Chad and Rodney Horne of Ft. Wayne were Easter Sunday dinner guests of Mrs. Don Colbert.

Mrs. Otis Craig has returned home from spending several days in So. Bend with Mrs. Harry Sowers.

Mr. and Mrs. Otis Craig spent Easter with the former's niece, Mrs. Leo Parrot and husband, of Warsaw.

Mr. and Mrs. Dale Felts of Bruce Lake and Mrs. Terry Conwell and daughters called on Mr. and Mrs. Dow Landis Friday. Mr. and Mrs. Felts spent 3 months in Harlingen, Texas and Mr. Paul Selinsky and Miss Teresa Ann Metzger also were guests of Mr. and Mrs. Dow Landis Friday.

Word has been received here of the death of Mr. A. W. (Judge) DuBose, former Regional Sales Manager of Sonoco Products Co. at Akron. Mr. DuBose retired in December, 1966, and moved back to Hartsville, S.C. During his retirement he carried out special assignments for Sonoco until he became ill several months ago. Graveside services for Mr. DuBose were conducted in Darlington, S.C. on April 7th.

Mr. Fred Reiner and children of Indianapolis came Wednesday and took Mrs. Frank Dawson to their home for Easter. Other guests were Mrs. Reiner's parents, Mr. and Mrs. Chalmers Hoffman of Chicago. On Tuesday, the Hoffmans brought Mrs. Dawson home and spent the day in Akron.

Easter Sunday guests of Mr. and Mrs. Paul Bowen and Janet were Mrs. Beulah Pratt, Mr. and Mrs. Roland Pratt and family, Dean Dugan and Mr. and Mrs. Vernon Hucks and daughter, Robin.

Easter guests of Mr. and Mrs. David Bradway and Dennis were Mr. and Mrs. Gary Bradway and son Derek David of Long Lake, Wolcottville, Ind. Ricky of Indianapolis, Walter Stubbs of Monterey and Dana Weaver of Athens. Afternoon and evening callers on the Bradway family were Ivan Stubbs of Culver, Mr. and Mrs. Jack Helvie and two daughters, and Mr. and Mrs. Dale Bradway and Ruthie of Warsaw. Mr. and Mrs. David Bradway will be celebrating their 30th wedding anniversary on Monday and also her birthday the same day.

Mr. and Mrs. Glen Hatfield entertained the following guests for Easter Day supper: Mr. and Mrs. George Harbaugh and Jeff, Marshfield,

and calling on her many friends.

Mrs. Nellie Norman is a patient at the Lutheran Hospital at Ft. Wayne for treatment and observation. Her room number is 689.

Recent guests of Mrs. Irvin McHatten were her son, William and his son, Johnny of So. Bend.

Mrs. Charles Lotz has been released from the hospital at Rochester and is recuperating at the home of her brother and wife, Mr. and Mrs. Ronald Richards of Silver Lake.

Mrs. C.H. Harshman of Sydney, Nova Scotia, who has spent the winter in Saint Petersburg, Fla. arrived in Akron on Wednesday to visit several weeks with her cousin, Mrs. Chas. Yeaman.

DEATHS

Ware

Samuel Valentine Ware, 65, Mentone, died Sunday afternoon at Woodlawn Hospital.

The son of Thomas and Ellen Greer Ware, he was born Feb. 14, 1906 in Kewanna. His marriage to Yvonne M. O'Dell was on May 17, 1930 at Belvedere, Ill. He was employed by the Bendix Corporation in So. Bend and was a member of the Brethren church of Grass Creek and the Warsaw Eagles lodge.

He is survived by his wife; five daughter, Mrs. Howard (Joyce) Swinehart, Warsaw, Mrs. Nancy Owens, Etna Green, Mrs. Charles (Dawn) Walton, Mrs. Eldon (Sharon) Senff and Mrs. Jerry (Sharlene) Ross, all of Mentone; a sister, Mrs. Edith Daniels of Tucson, Arizona; 29 grandchildren and a great-grandchild. The parents and four sisters preceded him in death.

Funeral services were conducted Wednesday afternoon at the King Memorial Home, Mentone, with T. R. Jones officiating. Burial was in the Mentone cemetery.

News Of Interest To Homemakers

by Ann Hancock, Area Extension Agent
Kosciusko County

One out of every five Americans is over weight. Doctors tell us that the mortality rate for older people who are over weight is twice as high. The extra pounds put extra work on the heart. For every pound of fat your heart has to pump blood through two more miles of blood vessels. To put it bluntly, if you are over weight, you are risking your life and your health.

There are four basic steps to follow if you decide to lose weight. First consult your doctor to see if he thinks you should lose weight, and how much you should lose. Also he can give you diet suggestions and moral support. Secondly set a goal. You need to be working toward something. This helps to give you motivation. The third step is where it gets difficult—restrain your eating habits. If you go on a crash diet and starve yourself for several weeks then go back to your old eating habits, you'll just gain the weight back gradually. But if you restrain your eating habits you can lose weight and keep it off. Learn to eat smaller amounts of all foods and fewer high calorie snacks. Keep track of everything you eat and total up the calories. Remember that well rounded meals with a variety of foods are important to supply your body with the proper nutrients. And lastly increase your

amount of activity. Although exercise will not take pounds off it will tone up the muscles, increase circulation and just make you feel better.

Dieting is never easy. But the perservation has great rewards. You will look better, feel better, and lower your risk of heart attack. Happy dieting!

ACHIEVEMENT NIGHT
Extension Homemakers don't forget, April 14, at 7:30 p.m. at the Shrine Building for your Achievement Night. It's your chance to pat yourself on the back for a year well done. See you there!

MOLDED MELON COOLER

1 package lemon or lime flavored gelatin, 1 cup hot water, 1 cup cold water, 1 Tablespoon lemon juice, 1 1/2 cups melon balls or cubes (cantalope, honeydew or watermelon). Dissolve gelatin in hot water. Add cold water and lemon juice. Chill until slightly thickened. Then fold in melon balls. Pour into 1-quart mold or individual molds. Chill until firm. Unmold. Garnish with additional melon balls and mint leaves, if desired. For salad, serve with mayonnaise on crisp lettuce. Makes 6 servings.

Planting The Vegetable Garden

Two important ingredients for insuring success with your vegetable garden are proper planting and proper timing.

A common mistake is working soil that is too wet which results in hard, cloddy soil for weeks afterward. A workable soil is one where soil balls will crumble in your hand. If it clings together it is still too wet.

Two to three pounds per 100 square feet of a general analysis fertilizer, such as 12-12-12, should be spread over the garden area before working the soil. For exact recommendations including lime requirements, soil should be tested.

The soil should be

plowed or rotatilled to a depth of six inches and leveled with a rake or harrow.

When you are ready for planting, says Victor R. Virgil, area extension agent in horticulture, mark the rows by stretching a heavy cord between stakes. Barely covers small seeds and have only one inch of soil over larger seeds. Several different makes of row seeders are now available for home gardeners which distribute seeds evenly in the row.

To avoid wilting of plants that you have started indoors, he recommends setting plants out in the late afternoon or early evening.

Set the plants slightly deeper than they were previously growing. Add one cup of starter solution (made by dissolving one tablespoon of high phosphate fertilizer such as 11-48-0 in a gallon of water) to each plant, then place soil around the roots.

If frost is expected, tomatoes, peppers and eggplants should be covered with hotcaps or newspaper tents. Remove the coverings in the morning.

More information on the subject of planting gardens is available in Mimeo H0-6, available at the County Extension Office.

Names Balough Dept. Director

John J. Loughlin, new Superintendent of Public Instruction, has named Richard Balough, a native of So. Bend, as Director of Public Information to head a new division by that name. Purpose of the new division is to provide the public with information about the department's activities, Loughlin said. It will distribute advance agendas of various department board meetings, department workshops and general public information concerning the department.

Akron OES Installs Officers

Mrs. Don Nicodemus and Mr. Leonard Beigh were recently installed as Worthy Matron and Worthy Patron of Akron Chapter, Order of the Eastern Star. Installation was conducted by Nancy Terrell. Other installing officers were Grace Rader, Marshall; Ralph Martin, Chaplain; Pauline Martin, Organist; and Junior Bose, Soloist.

The Chapter Room was decorated in the Worthy Matron's colors of coral, yellow and white. Her motto, "Try A Little Kindness" was displayed in the East. The front of the podium was decorated with an arrangement of white mums in a large cherub, with white doves and yellow roses on a white satin cover. Her watchword, "Faith" was displayed in the West.

Following the installation, Mr. Bose sang, "Try A Little Kindness" and a parody of "Linda" written by Mrs. Martin, as her husband, Donald, escorted her to the East under an arch of coral and yellow flowers held by Rainbow girls.

The Worthy Patron was escorted to the East by his daughter, Linda, while the soloist sang "He".

Special guests introduced and seated in the East were Barbara Terry, Grand Martha, Evelyn Miller, District Deputy #14; Cara Lyn Tucker, District Deputy #20; and Nancy Terrell, District Deputy #18.

Other officers installed were Dorothy Leavell, Associate Matron; Dr. Virgil Miller, Associate Patron; Helen Terrell, Secretary; Mae Miller, Treasurer; Virginia York, Conductress; Marilyn Miller, Associate Conductress; John Miller, Marshall; Paul-

ine Martin, Organist; Thelma Barnett, Adah; Rosemary Lynch, Ruth; Nancy Terrell, Esther; Emelyn Fites, Martha; Helen Beigh, Electra; Mabel Taylor, Warder; Ben Barnett, Sentinel; Edith Sheetz, Chaplain; Ruth Bammerlin was introduced as Prompter.

Mr. and Mrs. Jack Stucker were escorted to the altar to sign the Bible as a parody of "Because" was sung to them. They were then presented with their Past Matron's and Past Patron's pins.

Mrs. Nicodemus introduced her family and friends, which included her grandmother, Mrs. Joe Morris, who is a Past Matron and this year will become a 50 year member of the Gilead Chapter.

A reception followed the installation of officers in the dining room. The serving table was decorated with a white dacron cloth trimmed in matching wide lace. The centerpiece of white mums, yellow gladiola with coral accents was flanked by coral crystal candleholders with matching candles.

Mrs. Kenneth Hartzler, Mrs. Terry Walgamuth, Mrs. Richard Drudge, and Mrs. Dale Sheetz assisted at the serving table.

THE Club Is Hosted

Lovely decorations in keeping with the Easter season graced the home of Mrs. E. C. McGowan who was hostess to the T.H.E. Club Thursday, April 8th.

The meeting was opened by the president, Mrs. Lewis Johnson with a poem "Beautiful Easter Time".

The opening song "Welcome, Sweet Springtime" was sung followed by the pledge to the flag and the club creed.

Devotions were given by Mrs. Leroy Grossman with verses from the Bible, John 19:23-30 and a sermonette from the writings of Dr. Jennings entitled "Endless Life".

Roll call was answered by eleven members with a Bible verse beginning with the letter of their first name. The new baby girl, Jennifer Sue, of Mrs. Roy Calvert was welcomed to her first club meeting at the tender age of one week.

The secretary and treasurer's reports were given by Mrs. Harold Walters and Mrs. McGowan.

A report on the lesson "Drugs and Narcotics in Our Community" was given by Mrs. Merle McGowan, Mrs. Jack Parks, Mrs. Grossman and Mrs. Lester White. A short discussion followed.

Mrs. Parks gave the history of the song of

Mrs. Secrist Hosts Club

The Mentone Homemakers Extension Club met at the home of Mrs. Alice Secrist with Mrs. Elmer Sarber as her co-hostess.

"America, the Beautiful," the pledge to the flag and the creed were used in opening the meeting by Mrs. Ray Eckert.

The song of the month, "Springtime In The Rockies," was a recording.

Meditation was by Mrs. Sarber who read "Age Is A Quality Of Mind" and "Life Abundant."

Health and safety remarks were on cancer and were by Mrs. Frank Curless and the garden remarks on flowers were by Minnie Busenbarg.

Mary Bowerman gave the citizenship lesson titled "Give Me The Money."

The lesson on personal grooming was by Mrs. Pearl Tucker.

Seventeen members answered roll call by telling "what I read first in the paper."

The secretary's and treasurer's reports were read by Mrs. Howard Horn and Mrs. Wm. Unzicker.

The anniversary committee announced the party would be April 28 during the daytime.

Mrs. Ralph Warren was in charge of the business portion of the meeting and reminded members of the Purdue Conference in June, the achievement night and

the county club trip and officers training meeting.

The auction was conducted by Mrs. Mary Borton. Mrs. Mary Barkman won the mystery package. The meeting closed with the club prayer song and the collect. The May meeting will be at the home of Mrs. Wm. Unzicker.

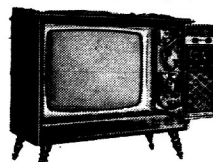

Shootings Being Investigated

Investigation continues into two shooting incidents at the home of Byron Doran, Burket. On one occasion, four .22 caliber rifle shots struck a car owned by Doran that was setting on a driveway outside the garage and another shell struck the garage. Authorities said on a second occasion, a single shot ripped into the side of the garage.

The Kosciusko Co. sheriff's office is investigating the shootings.

Martha Class Has Meeting

The Martha Class of the Akron United Methodist Church met at the home of Mrs. Lloyd Halteman, Tuesday evening for their regular April meeting.

Mrs. Harvey Sterling gave devotions, and roll call was answered by each one telling where they spent Easter. A silent auction was enjoyed and the remainder of the evening was spent in visiting.

Refreshments were served to 11 members and one guest, Mrs. Blanche Foglesong of Kewanna.

AKRON CARNEGIE LIBRARY

LOVINGLY by Helen Steiner Rice. An inspirational book of poems for all seasons.

DOLLS by John Noble. This carefully documented handbook by the curator of the toy collection of the Museum of the City of New York will be of great interest to all doll and toy fanciers. It is a delightful and meticulously accurate survey of the history of dolls from the charming and elegant wax and wood examples of the 18th Century and the great variety that commences in the 19th Century to contemporary collectible items.

A FAMILY ON WHEELS by Maria Augusta Trapp. The Trapp family fled from Austria to escape Hitler, and arrived in America nearly penniless to begin a new life as professional musicians. Marie Trapp shares her family's adventures to their final tour in 1955. A successful South American tour launches them on a series of international engagements --including a return to Europe and their old home in Austria, where after twelve years' absence they receive a royal welcome. Everyone should become acquainted, with the warm and remarkable Trapp family.

HERE, MR. SPLITFOOT by Robert Somerlott. This is an informal exploration into modern occultism.

KINDS OF LOVE by May Sarton. The author writes about Willard, a small town lost in the rocky hills of New Hampshire. In some ways this is a novel about kinds of passion and kinds of courage. By the end, when Willard celebrates his bicentennial, the reader has come to understand the dimensions of the struggle and the quality of

To Speak At Talma

Rev. Dr. Howland from Sierra Leone, West Africa will be the guest speaker at the Talma Missionary Night at the Talma United Methodist Church on Wednesday, April 21, at 7 p.m. Special music and missionary displays are planned.

What did women like about men before money was invented?

hot water is . . . a tub full of soothing bubbles at the end of the day . . . a germ-fighting surge through the electric dishwasher . . . the gentle splash of clothes in the washing machine . . . a grease-dissolving swipe on the kitchen floor.

and an electric water heater is hot water. All you need when you need it . . . where you need it. New heaters replace the hot water you use 22% faster and have heating elements that last so long you don't have maintenance worries. Electric water heaters are clean, quiet, don't need a flue and go anywhere they're needed—even disguised as laundry room cabinets.

with something as essential as water, it makes sense not to waste it. At a drip a second, a leaky faucet can send 650 gallons down the drain in a year. Worn faucet washers are the usual culprits. They can be replaced—and they can be coddled by never closing a faucet tighter than necessary.

a home-grown efficiency study might pay off. A child who stands in the shower for 20 minutes is sure to use more than the five gallons of hot water the average shower requires. A half-load of laundry takes about as much water as a full one—maybe Junior could wait a day or two for his favorite shirt.

hot water has much to do with the efficiency of electric dishwashers. It has to be 150° to prevent spots, remove food, fight germs and dry completely. To see if water is still 150° when it arrives in the kitchen, hold a candy thermometer under the faucet. You may need to reset the water heater thermostat.

AFTER THE CIVIL WAR, THE DOLLAR WAS WORTH 33¢

The sons and daughters of the members of the Mentone Lions Club were entertained by their fathers at a meeting of the club at Teel's Restaurant in Mentone on April 7.

Dr. Richard Carman, one of the state directors of the Lions eye bank project, gave an interesting discussion concerning the project. He followed the discussion by showing a film entitled "To Perform A Miracle."

Man has orbited the earth and split the atom yet he has not yet learned how to cure an itching back.

Plan Meeting

The Fifth District Young Democrats will hold their regular monthly meeting at Kokomo in the Indiana University Student Commons on April 18 at 2 p.m.

Scheduled for the meeting are a report from the rules committee for the state convention; discussion of romming arrangements for the convention; election of a secretary; and a final draft of a plan to register the 18-20 year old voters.

Ginnie Mankin, president of the district, stated, "A special effort should be made on the part of each county organization, especially new organizations, to attend this meeting so that effective planning may be realized."

Glenn Rodgers, secretary of the district, added, "Any person interested in formulating an organization in his county or finding out who to contact in his county about a Young Democrat organization, may call 316-459-4301 or write 1228 E. Taylor, Kokomo."

If you change jobs often, request a statement of your social security earnings every few years and check its accuracy.

Hogs Killed

A truck operated by Roger Montel, 32, Mentone, was damaged \$2500 Monday evening when it upset at the intersection of county roads 500 No. and 900 West north-east of Etna Green. He told investigating officers that he started to round a curve and hogs being hauled in the truck shifted, causing the vehicle to tip over on its side. Three of the hogs, belonging to Pete Graber, R. 1, Etna Green, were killed with a loss of \$200. Damage to the fence owned by Arnold Long, R. 1, Etna Green, was listed at \$50.

The National Honor Society of Akron High School has sponsored a series of fund raising events for this year's scholarship fund. Current in the events is a bake sale to be held Saturday in Akron.

Mentone Methodist Church Will Sponsor Nursery School

Members of the Mentone United Methodist Church administrative board have given approval to the Nursery School Task Force to proceed next fall with a nursery school.

A minimum of 15 children will be needed for operation of the school. The maximum for a class will be 20, which will enable the lead teacher and one assistant to work effectively with this age group.

The school will meet October through April, three days a week, Tuesday, Wednesday and Thursday, in the church basement.

Parents interested in registering their children or wishing further information may call 353-4495 or 353-4985.

Members of the task force cited an article

by Dr. Doan, professor at the Ft. Wayne Indiana University extension, in which he said nursery school is important for a 4-year old in that it gives him an opportunity to develop confidence in himself with neither parent around before he is ready to enter school. Nursery school is not intended to replace home life, they said, but is to enrich the child's life by increasing his perceptive powers, thinking skills and communicative techniques through group activities and discussion.

Walk For Funds Set At Akron

One half the world is hungry or malnourished. Ten million Americans are chronically malnourished. Thirty million Americans live at the "poverty line." Seven persons die each minute, 10,000 each day, 3½ million each month, 40,000-000 each year of starvation.

What can an individual do to change this? There are some who are trying to do it by walking for funds on a chosen date. In 1970, nearly 1,000,000 young Americans raised two and a half million dollars for self-help projects to try to combat world, including, American, poverty and hunger. They did this by walking between 26 and 32 miles on a chosen

Fire Destroys Mahoney Barn

A barn on the Carl Mahoney farm, located north of Palestine, was destroyed by fire Sunday afternoon. The Burket fire department was summoned for a grass fire and when fireman arrived they found the large Mahoney barn engulfed in flames. They were able to save the Mahoney house which was endangered by the blaze. Fireman from Mentone and Warsaw were called to assist with other grass fires which started from sparks flying. Power in the area was interrupted for about four hours due to a transformer burning out.

School Board told "Communicate or face confrontation" at meeting

"Confrontation will come if you are not willing to communicate," Warsaw attorney Thomas Lemons told members of the Tippecanoe Valley school board Monday night as he attempted to get them to tell him and the group he represents, a "citizens committee", what substantial changes they had in mind since they had previously appeared before the General Commission. "No comment," was the reply from board president Maurice Coplen.

Lemons referred to a 1969 attempt by the local board to get the General Commission's approval to maintain two high schools in the corporation. At that time permission was denied. Membership of the Commission has not changed since that time although then State Superintendent of Public Instruction Richard Wells has been replaced by John Loughlin who is a member of the Commission by virtue of his office.

Four of the present school board members, Dr. John McKee, Dr. Donald VanGilder, Maurice Coplen and Philip Lash, all advocates of a two-school plan, went to Indianapolis on April 14 in an attempt to get the TVSC issue placed on the agenda of the General Commission for the next day. Reportedly, Richard Goshert, the board member who supports the one-school philosophy, and TVSC superintendent Robert Forbes were not invited to participate in the meeting. The Commission told the four members there would have to be substantial changes in school conditions during the past two years before it would reopen the matter and order a public hearing.

Lemons told the four board members that by participating in this meeting (was it a regular meeting? he asked) they had violated their own code of ethics. He asked the board members if they would change their position if the General Commission meets and turns down the two-school request. The school board attorney, Fred Rakestraw, said he felt this was a hypothetical question and he would advise the board not to answer it. The

four board members did not answer the question although Goshert said he would abide by either decision the General Commission might make.

Lemons told the board that he had also written letters to Dr. Paul Seagers and Imperial Equipment Co. telling them he and the group he represents would object to payments being made to them for services rendered. Dr. Seagers recently made a study of the schools in the district. Lemons charged Dr. Seagers was hired without board action and was hired at the expense

of public funds to obtain a "predisposed decision."

Forbes said he hired Dr. Seagers and that he did not need authority to hire someone for \$300.

Lemons replied that Forbes indicated board approval in the letter he had written to Dr. Seagers and that he had no power to hire someone who was not a part of the school system.

Dr. Donald VanGilder, noting that a court reporter was making a transcript of the entire

To The Editor

The NEWS welcomes letters for publication but prefers that they be kept under 200 words. The letters need not express the views of this paper; however, they should not be libelous or in poor taste. Anonymous letters will not be published. The name of the writer must appear with his letter.

Dear Editor:

In regards to picture of Silver Lake shown in your issue of April 8, I am sure it was taken in 1914 or 15. In 1907 Summe Bros. bought the hardware store of Miller and Zartman of Akron and in 1914 we purchased a model T Buick chain drive car. I am sure it is shown in the picture. The first building to the left we used for a

display room showing approximately 12 new buggies. One year we sold 85 buggies.

The next building was a furniture store and the last tall building to the right is where the hardware was. After several years I became sole owner of the hardware store until my son Jack Summe got out of college. He became a partner in 1966. We disposed of the store after I spent 59 years and eight months in the business. I am now 86 years old. Still driving a Buick.

Yours Resp.
E.G. Summe

Statement of Richard Goshert At School Board Meeting Held April 19, 1971

I would like to take this opportunity to reaffirm my position with regard to the letter written to the members of this School Board on March 23, 1971, by Thomas R. Lemon. As you will recall, that letter, with the enclosed exhibits, objected to the two high school policy which was adopted by this Board at its July 1, 1970, meeting. Because of the possibility, I want my position clearly and unequivocally stated. That position is as follows:

1. I am firmly against the maintaining of the two high school policy because of its disastrous effect on the total educational program to be offered to the students of our school corporation. This not only includes economics but more importantly the advantages of a total comprehensive educational program. It is time that we brought the Tippecanoe Valley School Corporation out of the dark ages of education into the 20th century and we cannot do that by supporting the present two school policy. I want the record to show that I voted against the two school policy on July 1, 1970, and I will continue to vote against any program that doesn't give all the advantages of a single high school system.

2. Further, I strenuously object to my fellow Board members holding special meetings without notice to the Superintendent or myself and I feel that the Superintendent and myself should be permitted to be present on any issue of concern to the citizens of the school corporation.

3. Further, I object to the hiring of any "consultant" who is only hired to promulgate the present two school policy. I want the record to show that I was opposed to the hiring of Dr. Paul Seagers who had

at the time he was hired the understanding that this Board had determined to maintain two high schools and that this was a closed issue and not subject to debate. I have voted against paying any compensation to him under these conditions and I will continue to cast my vote accordingly. I am not opposed to hiring consultants for the purpose of using their expert knowledge in helping us to arrive at a proper and orderly solution to our problems; however, this cannot be done when the expert is told what his decision is to be.

4. I want to further state that it is my position that the Tippecanoe Valley School Corporation cannot be held responsible for the bill submitted by Dr. Seagers.

Preserving Civilization

National Library Week is being observed this week, April 18-24. Its purpose is "To create a better-read, better-informed America by encouraging lifetime reading habits and stimulating greater library use."

Books have a singular importance unequalled by any other method of human expression. They are the storehouse of the knowledge and wisdom that perpetuates civilization from one generation to the next. An education is impossible of attainment without resort to the knowledge that is accessible nowhere but in the great books that have been produced over centuries.

It is no coincidence that suppression of

Knowledge In All Generations

Mr. John W. Gardner, former high government official and long a hardworking, idealistic leader in solving "some of the toughest, grimmest problems of our society", spoke to a mid-year graduating class of Hofstra University in Hempstead, N.Y. With remarkable conviction, he put across the message that youth is not eternal and that knowledge or superior wisdom is the property of no single generation.

Mr. Gardner made a point with telling significance when he asked the graduating class to which he was speaking: "...to...have a look at the people you know who are 20 to 30 years older than you. How many would you count as individuals who are still learning and growing?

Or to reverse the question, how many seem to have lost their zest for life? Or their curiosity? Or their capacity to care? Or their willingness to learn new ways? How many are trapped in fixed attitudes and habits, like gnarled tree trunks hardened into set positions?"

Implicit in his words is the message that many of those who are inflexibly antagonistic to our country and everything about it have already ceased to learn and to grow.

Pills of Health and Happiness

A psychology professor recommends six pills for greater health and happiness:

Pill No. 1 - Be honest with yourself. Deception is never more harmful than when you kid yourself;

Pill No. 2 - Give old age a kick. "People grow old," said General MacArthur, "only by deserting their ideals";

Pill No. 3 - Don't let worries dominate you. They're your most insidious enemy;

Pill No. 4 - Live a day at a time and you'll eliminate most of yesterday's and tomorrow's worries;

Pill No. 5 - Think happy. A man is what he thinks.

Pill No. 6 - Laugh. A sense of humor is indispensable to happiness.

Most men believe that a woman's place is in the home. They expect to find her there immediately after she gets off work.

A small town is a place where everyone knows whose check is good and whose husband isn't.

"So what's a few notes? He can't write and I can't read!"

GRASSROOTS OPINION

CHICAGO, ILL., SOUTH-WEST NEWS-HERALD: "Once when kids didn't go to school, the truant officer went after them to find out why. Today, under some of our modern thinking, the school board holds a hearing to see whether the curriculum is meeting the felt needs of the undereducated. Frankly, we feel that the world has gone too far in asking youngsters what they want and then try to satisfy them."

NEXPERCE, IDAHO, HERALD: "...you pay a dingle tax every time you decide to go fishing and dangle a worm in your favorite stream in the pursuit of recreation. How come you have to pay a dingle tax? Well it all came about back in 1950 when a couple of individuals in the United States Congress by the names of Dingell and Johnson introduced a bill which enacted a tax on all fishing tackle, and the darned thing passed, so consequently you have to pay a dingle tax every time you want to dangle a worm. As a result of the legislation the citizens of this nation have paid over \$100 million in dangling taxes. Yes, it's a great old world when you can't even dingle or dangle without paying some sort of federal excise tax."

Howard Harter sold his fine Auburn auto and turned right around and purchased a Ford of E. L. Scott. And thus the wheels go 'round. The old Orlando Slaybaugh homestead was recently sold to Willis and Lewis Leininger and to Wesley Kritchbaum. The latter gets the dwelling and has already moved into it. Sometime during the year Wesley will move the dwelling to a lot that fronts west along by the side of the A. F. Bright residence as we understand it. The two Leininger boys each get a front lot on which they will erect houses next year of the most modern design, equipped with all modern conveniences that can be installed without city water works.

Billie Burns will deliver the mail on route No. 2 by means of an auto having purchased an elegant little Brush machine of Hosman and Lamoree, the Akron Brush agents.

Mail service on the morning milk train west has been discontinued since last Monday morning. The reason assigned for this discontinuance is, that the Big Four changed time cards last Sunday and came too late to catch the milk train. It appears that the more the state railroad commission looks after our service here the worse it gets. As matters stand now Akron has one mail service each way, once in twenty-four hours. One more whack will lose us out.

Rev. Hoover has been returned to the Gilead circuit by the conference, and we are requested to announce that he will preach at Gilead Sunday morning, April 23, at the usual hour for morning services.

The members of the state highway commission were quite favorable in their views on paving road 114 east of Akron, in an interview with a local delegation Wednesday, but would promise nothing definite, intimating that the road would probably be paved in 1933. Dr. W. E. Hosman, W.C. Miller, D. A. Pike and Earl Leininger went to Indianapolis Wednesday and joined delegations from Rochester and North Manchester in seeking pavement for this road, which would be an extension of the paving that now runs from Rochester to Akron on road 14.

The five hundred word essay on the "Relationship of the Paris Peace Pact to World Disarmament" submitted by Daniel Smith, senior at Akron High School, and son of Mr. and Mrs. Cleotis Smith, ranked second in the state contest. Regular paint \$3.50 per gallon, now \$2.50 per gallon. Karl Gast Co.

Henry A. Barnhart of Rochester, former congressman of the thirteenth district, was a guest of and principal speaker before the Akron Chamber of Commerce and ladies at the Hotel Akron Friday evening. Music for the occasion was furnished by the Akron Quartet, composed of Donald Keesey, Graydon Roe, T. C. Judd and Fred McClurg of Rochester.

Frank Bright and daughter Goldie are moving into the north side of Mrs. Dora Bright's property.

A marriage license was issued to Oscar Manns and Loretta Fletcher this week by the county clerk.

Sunday guests of Mrs. LaVon Bemenderfer were Mr. and Mrs. Harold Parker and three children of Mishawaka and Mr. and Mrs. Harry Shorter and two sons from Monticello.

Mr. and Mrs. Max Leckrone of North Manchester have purchased the Earl Arter Hardware building and stock and plan to open a modern hardware in the room next week.

Mr. and Mrs. Harry Sullivan and daughters visited in Kokomo Saturday evening in the home of Mr. and Mrs. Delois White, formerly of Mentone.

W. K. Gast has announced that there will be about 40,000 tulips in bloom at his place west of town Sunday and the public is invited to come out and see them. For a number of years preceding the war, Tulip Day in Akron was a big occasion and although travel is somewhat restricted, a large crowd is anticipated.

Rev. and Mrs. Claude Fawns spent Sunday in Syracuse where they attended the Centennial Celebration at the St. Andrews United Methodist Church. They were among the honored guests of five former pastors and wives who were in attendance for the event, each participating in the services. Also in attendance were the District Superintendent and his wife. Rev. Fawns pastored the St. Andrews Church for six years prior to his coming to Akron.

Mr. and Mrs. Gary Parker and children, Penny and Christopher, of Rockton, Ill. were weekend guests of Mr. and Mrs. Garland Sriver. Other guests of the Sriver family on Saturday, were Mrs. Jim Teel and children, Lori and Kelley Leann, of Rockville, Indiana.

Ford Gilbert, Akron, recently received a watch from the North Manchester Foundry in recognition of his 25 years of service.

Mr. and Mrs. Thaddeus Kriegbaum of Elkhart spent the weekend with his sister and husband, Mr. and Mrs. William Huppert.

Mr. and Mrs. Leigh Morris and daughter, Meredith Anne, of Minneapolis were weekend guests of Mr. and Mrs. Roy Meredith.

Callers at the Mr. and Mrs. Ira Helser and Mr. and Mrs. C.C. Tullis homes Thursday were Mr. and Mrs. C. W. Johnson of White Hall, Mich. They were enroute home after spending the winter in Saratoga, Fla. Mrs. Johnson is a sister of Mrs. Helser and Mr. Tullis.

Sunday dinner guests of Mr. and Mrs. Gordon Drudge were Mr. and Mrs. Albert Bowen, Miss Ruth Bowen, Mr. and Mrs. Paul Bowen and Janet, Mr. and Mrs. Vernon Hucks, Jr. and Robin and Mrs. Doris Shellenbarger.

Mr. and Mrs. Doug Moore and Chris were Tuesday evening callers on Mr. and Mrs. Larry Straley and daughters.

Brethren Women Have Bulb Auction

Mrs. Norma Weaver was hostess of the Women's Fellowship of the Church of the Brethren for the April meeting.

The secretary's report was read by Mrs. Edna Mae Shewman. Mrs. Weaver conducted the business meeting and shared some of the highlights of the Spring Rally.

Mrs. Velma Holloway was leader. Her topic was on the painting of

"The Last Supper". The names and character of each of the twelve disciples seated around the table with Jesus were told. Scripture was read and also a poem. She closed with prayer.

A seed and bulb auction was held with Mrs. Gladys Kroft conducting.

Get Well cards were signed for Mrs. Ellen Miller and Mrs. Amanda Murphy.

Refreshments were served to the group at the close of the meeting. May's meeting will be held at the home of Cleoda Zunkel, with Mrs. Gladys Baldwin as leader.

Presented Plaque For Missile Work

By Clara Yeaman

Bradley J. Kness, Huntsville, Ala., husband of the former Mabel Bucher, daughter of Mrs. Mearl Bucher, has been presented a plaque for excellence in performance from the U.S. Army

Missile Commands Zero Defects Award. He has been working on a project for some time on the missiles that they use on helicopters. They were having trouble with them in the field and he designed a special tool that would successfully remove the rockets from the launch tubes. The army is now using the tool and it is being manufactured.

Mr. Kness has been an army man for years, serving in World War II and has been stationed in many parts of the U.S. as well as Italy, Germany and Austria. For the past few years he has been in Huntsville with NASA.

Mr. and Mrs. Kness are the parents of a son, David, a student in the Huntsville High School system where he plays baseball and football.

NEW BOOKS

BELL MEMORIAL LIBRARY

New books at the Bell Memorial Public Library include the following:

Non-Fiction:
ROCKY MOUNTAIN WARDEN by Frank Calkins. From innocent rookie to canny veteran the education of a game warden among the wild creatures (poachers and others) on one of the most rugged corners of the wilderness West.

TURNED ON TO JESUS by Arthur Blessitt. A hip young minister brings Christ into the streets of Los Angeles to the people who need Him most. Exciting and inspiring example of faith in action.

THE NEW SEVENTEEN BOOK OF ETIQUETTE AND YOUNG LIVING by Enid Haupt. Fiction:

UP THE SANDBOX by Anne Richardson Roppe. This is a bizarre, stunning novel that touches directly on a conflict central in the consciousness of today's woman—the struggle between her instinctual biological role that society applauds, and the untapped energy of her private soul that questions the validity of the values she has been taught to live by.

THE PASSIONS OF THE MIND by Irving Stone. A biographical novel about one of the modern world's most brilliant figures, Sigmund Freud.

THRONE OF SATURN by Allen Drury. A powerful novel about America's space program and its first mission to Mars.

LADY INGRAM'S ROOM by Jill Tattersall. An absorbing novel of mystery and suspense, loneliness and love, in the best traditions of the romantic Gothic novel.

Mentone SSS Wins State Recognition

By Debbie Cooper

The Mentone Sunshine Society has been a very busy club this year, under the leadership of president Eileen Peters and sponsors Mrs. Finney and Miss Smith. Other officers are Alma Waddle, vice president; Pam Craig, recording secretary; Anita Blackburn, corresponding secretary, and Deanna Decker, treasurer.

A total of \$800 was earned for donation to charitable funds. This included \$550 to Riley Children's Hospital in Indianapolis, \$200 to the David Stiver Fund and \$50 for the Lilly drive this Easter. To earn all this money, the girls held a fish fry, cake raffles, a dance, sold candy, sold Halloween Spook Insurance and canvassed the area for contributions. They are also planning to raffie off puppies in the near future.

In December, the SSS held a formal Christmas dance. To highlight the evening, the SSS queen was crowned. The queen was the president, Eileen Peters, with Deb Cooper as first runner-up and Jeri Pritchard and Peg Thompson tying for second runner-up. Underclass court was Alma Waddle, junior princess; Melody Grimm, sophomore princess, and Paula Beck, freshman princess.

The senior members took a trip to Riley Hospital to see where their money was going.

Twenty-five girls attended the State Convention and heard the thrilling statistics on their club. Mentone placed second in the District on monetary contributions and fourth in the state and second in the state on the money donated per member.

ret Sunshine girl has been when they are escorted to the Ideal Ladies Banquet at the school.

Births

Indeed it has been a busy year and already plans are being made for next year. Officer candidates have been nominated and two girls, Alma Waddle and Chris Miner, are planning to attend Sunshine Camp to get ideas for a better club next year.

Mr. and Mrs. Steven Miller, Ft. Wayne, are the parents of a ten pound, 12 ounce son born Monday at St. Joseph Hospital, Ft. Wayne. Grandparents are Mr. and Mrs. John Miller, Mentone, and Mr. and Mrs. Roger Clemens, Warsaw.

AHS Class of '46 Has Reunion

The 25th anniversary of graduation commencement exercises for the Akron High School class of 1946 was observed Saturday night, April 17, at the first reunion of the class. A smorgasbord dinner was served by the WSCS South Pleasant Methodist Church, at the Silver Lake Lions' Building. Twenty-seven of the 46 graduates were present, along with former teachers, Mrs. Wanita Dust Woosley of No. Judson, and Mr. and Mrs. Al Mathieson of Akron. Mr. and Mrs. Walter Waechter also visited the group later in the evening.

The committee planning the affair was Mrs. Iva (VanDoren) Nelson, Silver Lake, Mrs. Jean (Bryant) Ellis and Mrs. Jean (Burkett) Walters, Akron. Dean Leininger of Indianapolis was Master of Ceremonies and read letters from classmates Gerald Timberman, Macy, and Philip Leininger, New York City, N.Y., and from former class sponsor, Mrs. John Porter of Bloomington, Ind. He gave a mock slide presentation that brought back many happy schoolday memories. Candles were lighted and a moment of silence honored the memory of two deceased members of the class, Dean Clouse and Bonnie Flohr Strevy.

Other members of the class introducing their husbands, wives, guest or children, and describing their family and their occupation were:

Wayne Groninger, Dick and Judy Bidwell Day, Harold Hileman, Betty Floor Hunter, Norman Moore and Robert Saner, all of Akron; Donna Belle Ellis Spencer and Betty Lou Smith Little, Rochester; Helen Whittenberger Hill, Peru; Bonnie Paxton Garber and Julia Slaybaugh Hoover, North Manchester; Paul Shafer, Dale Bradway and Lois Bright Kinder, Warsaw; Bill Hammond, Angola; Max Barnett, Rushville; Pauline Smith Koch, Indianapolis; Pauline Putman Doll, Walkerton; Peggy Geiger Herendeen, Wabash; Ivo Myers, Saint John, Ind.; Wilbur Mitschelen, Elkhart, and Marion Gagnon, Hendersonville, Tenn.

"The Mouse That Roared" To Be Given

The Mentone High School Speech and Drama Club will present Leonard Wibberley's "The Mouse That Roared" in the school gym on April 30 and May 1 at 8 p.m.

Kathy Blalock and Chris Doran play the leads in this enchanting comedy while Alan Welch and Tim Harman are in supporting roles. It is directed by Mrs. Charlene Brumbaugh.

Tickets may be obtained at the door or from any Speech Club member.

HOMEMAKERS CONFERENCE June 16, 17, 18

"Women Who Care and Want to Share" is the theme of the 1971 Homemakers Conference to be held at Purdue June 16 through 18. The conference is an annual event open to any homemaker in the state of Indiana. Membership in an Extension Homemaker club is not a requirement for attendance.

Mrs. Catherine East, executive secretary of the Interdepartmental Committee on the Status of Women will be the keynote speaker. The conference consists of many varied programs offered at different times throughout the day. Other programs include "Pesticides and People", "Our Flag, Let's Respect It!", "Good Furniture, What the Buyer Should Know", "Powder Puff Mechanics", and many others too numerous to mention. Each session is presented by a person who is well known in that field.

Rooms in the residence halls are made available for two dollars a night and a small registration fee is charged. If you have never attended Homemakers Conference

you have missed so much. It is a chance to get away from the kids and the laundry for a few days and study about your "profession." The field of home economics is constantly changing and we need to keep up to date to be good homemakers. For more information and registration forms contact the Extension Office in the Courthouse basement. See you at Homemaker's Conference!

Guests Honored By Home Ec Club

The Akron Home Ec Club met at the library Wednesday afternoon with Mrs. Ann Mizgalski as hostess.

The pledge to the flag was given and the Lord's Prayer was prayed in unison. For roll call, each member introduced her guest. Nine members responded and guests introduced were Mesdames F. Sayger, Gene Dittmire, Edythe Heminger, Lisette Notz, Martha Lange, Ralph Swank, Joyce Martin, and Ernest Hattery from the Fulton Club; Mrs. Blanche Foglesong from Kewanna; Mrs. C.H. Harshman from Sydney, Nova Scotia, Canada; Mesdames Ed Gray, Ralph Whittenberger, Frank Royer, Lloyd Haldeman and C.H. Yeaman of Akron.

Mrs. Mizgalski started from O'Hare Airport in Chicago and took the ladies on a two weeks tour of England, Scotland and Ireland by means of slides, souvenirs and stories of the many interesting places she visited. The pictures of Windsor Castle, Westminster Abbey, Tower of London, the huge hospital in Dublin, the Blarney Stone along with her comments made a very interesting and informative program.

A social hour followed with Mrs. Dittmire winning the door prize, Mrs. Hattery the birthday auction and Mrs. McHatten received a birthday gift from her secret sister. The hostess served lovely refreshments from a table beautifully decorated with Easter appointments.

Las Donas Club To Crochet Beads

Mrs. Dennis Thompson was hostess for the April business meeting of Las Donas Jr. Women's Club.

A discussion was held concerning repairs which the club could sponsor at the park and it was decided to investigate this project further.

Members voted to make crocheted beads to sell at the Round Barn Festival and July 4th booths. This project will be

started at the April social following the planned program. Each member is to bring a #7 steel crochet hook and a large eyed needle.

It was also decided to again have a game stand at the July 4th celebration.

The president, Mrs. Randall Leininger, appointed a by-laws committee consisting of present officers and Mrs. John Zimmerman and Mrs. Miles Hoffman to revise the club's by-laws for the coming year.

The idea for the club to form a community Welcome Committee was presented by Mrs. John McKee, but no decisions were made on the subject.

Members present were: Mrs. Dennis Thompson, Mrs. John Zimmerman, Mrs. David Wallin, Mrs. Randall Leininger, Mrs. Miles Hoffman, Mrs. John McKee, Mrs. Robert Shaffer, Mrs. William Gagnon, Mrs. Marvin Gagnon, Mrs. Francis Davis Jr., and Mrs. Robt. Ogle.

is not only for people with problems but that it is for everyone as individuals become aware of the people and situations around us.

All of the speakers are professionals with years of training.

DAR Good Citizen Girls Are Honored

A banquet honoring the DAR Good Citizen Girls and their mothers was served Tuesday evening at Teel's Restaurant in Mentone to members and guests of the Anthony Nigo and Agnes Pruyn Chapman chapters of the Daughters of the American Revolution.

The honored guests were Cindy Whitby and Mrs. Edmund Whitby, Warsaw; Kristine Carr and Mrs. Edward Carr, R. 6, Columbia City, and Kim Manwaring and Mrs. Richard Manwaring, Mentone. Kristine Carr is also the county winner. Constance Beemer of Syracuse was unable to be present.

The girls, all seniors, were chosen by their classmates and faculty members because they possess the following qualities to an outstanding degree: dependability, service, leadership and patriotism.

Mrs. C. R. Collins, Warsaw, and Mrs. Paul Shireman, Mentone, are DAR Good Citizen chairmen for the two chapters.

Mrs. Charles Tucker, regent of the Mentone chapter, welcomed the guests. Mrs. Fred Bartol, Agnes Pruyn Chapman chapter regent, responded and Mrs. Arthur Brown gave the invocation.

A springtime theme accented the tables beautifully decorated by a committee comprised of Mrs. Wayne Smalley, Mrs. Walter Lackey and Mrs. Rex Bowser.

Following the dinner, the opening ritual was conducted by Mrs. Tucker and the group joined in repeating the pledge of allegiance to the flag and sang the first verse of the "Star Spangled Banner." Mrs. Ernest Igo read the message from the President General, Mrs. Erwin Freese Seimes.

Tom Roland, Manchester College faculty member and Wagon Wheel Playhouse actor and director, presented a delightful program of reading selected from the works of James Thurber, Ogden Nash, Richard Armour, Dorothy Parker, Thomas Hood, Robert Frost, Edna St. Vincent Millay, James Whitcomb Riley, Will Rogers and others.

The May 13 district DAR meeting to be held in Columbia City was announced and the meeting closed with the group repeating "The American's Creed."

GOP Women Plan Smorgasbord

The Fulton Co. Republican Women's Club will serve a public smorgasbord dinner Thursday, April 29, from 5 to 8 p.m. at the Fulton Co. 4-H community building at the fairgrounds.

Take your problems to Church this week -

TIME IS VALUABLE, DON'T WASTE IT!

Perhaps it would be well if each of us had an hourglass placed where we could see it throughout the day. For the hourglass seems to be the best reminder that time is fleeting—a much better reminder than the clock. It might be that this forceful reminder of the passing of time would spur us into doing the things we know should be done but keep putting off. We intend to visit a "shut-in", write to that boy overseas, reply to a letter that has given us comfort.

Then there is the matter of attending church. We want to start going but just don't get around to it. We "love" to go to church but have just gotten out of the habit. There is the church where friendly members have invited us time and again and the pastor is "mighty fine."

If you can't get an hourglass perhaps the above picture would serve. Place it where you will be reminded to go to church—and then do something about it!

Drops Interest Rates

Don Pressel, local manager of the Peru Production Credit Association, announced this week that the interest rate on all of the association's loans to farmers in Fulton Co. was dropped to six and one-half percent on April 16. He said it represented a reduction of one-half percent from previous levels and followed on the heels of a previous reduction of a like amount on Feb. 25, 1971.

Goldie Burns dismissed the meeting with prayer.

5-County Dinner Meeting Is Set

The tenth annual dinner meeting of the Five Co. Mental Health Clinic will be held at the Honeywell Memorial Community Center in Wabash on Thursday evening, April 29. A buffet dinner will be served at 6:45 p.m.

Guest speaker will be Ralph P. Brooks, a certified Hypno-technician from Indianapolis. He will discuss the medical and psychological applications of hypnosis and demonstrate some of the techniques with the help of volunteers from the audience.

The Five Co. Mental Health Clinic serves the citizens of Huntington, Kosciusko, Marshall, Wabash and Whitley counties. The Clinic has provided quality professional counseling in psychiatry and psychology since it opened on March 1, 1961. The Clinic is operated and the

policies are determined by a Board of Directors of five interested citizens from each participating county.

Kosciusko county is represented on the board by Lawrence J. Castaldi, Mrs. Ruth McCleary, Mrs. Graham Kreicker, Dr. George Raymond and Mrs. Cecil Armstrong.

All interested persons residing in the county are invited to attend the meeting. Reservations for the buffet dinner can be made by calling a board member or the Five Co. Mental Health Clinic. Cost of the buffet dinner and program is \$3.50 per person.

The 4-H Share-the-Fun Festival provides opportunities for youth to develop their talents and to publicly show their abilities.

Overhead Bridge, Akron, Ind.

REMEMBER WHEN the overhead bridge east of Akron was erected? Workmen crowded the bridge that allowed the railroad and the interurban to cross each other. Once teeming with activity, the interurban became a victim of progress and even the once busy railroad now operates on a limited basis.

Farmers Do Away With Moldboard Plowing

A number of farmers in Kosciusko county are doing away with the moldboard plow for row crop production according to Joe Wilson, District Conservationist.

The no-plow system is an important conservation practice, Mr. Wilson indicated. It leaves the soil surface well protected with crop residues and will greatly reduce water and wind erosion. It also reduces oil and fertilizer losses from crop fields and allows more intensive cropping without increasing pollution of our water resources by sediment, he said.

Wilson pointed out that a farmer must know his soil type before going into the no-plow system of planting row crops. Rolling, well-drained soils are especially well adapted. Some wet, poorly drained soils do not work effectively, he said.

The Kosciusko Co. District Board of Supervisors are especially interested in observing this practice as a conservation practice in

reducing soil erosion by water and air.

For further information on the advantages and disadvantages of no-plow tillage, a pamphlet has been prepared jointly by the Cooperative

Extension Service and the U.S. Soil Conservation Service. It is available at the Kosciusko county Soil and Water Conservation District office at 518 So. Buffalo St., Warsaw.

SWCD Plans Camp, Visit

The Board of Supervisors of the Kosciusko Co. Soil and Water Conservation District met in April at the SCS office in Warsaw.

Reports were given on the Area II Workshop at Albion, which was attended by supervisors, SCS personnel and the district clerk.

The Board agreed to send an invitation to the Cass Co., Michigan District for dinner and a tour of Kosciusko Co. for the early part of July.

Joe Wilson's SCS report covered the new REAP program. He also stated there was an exceptionally large number of trees ordered from the state nursery this year. Howard Woodward of Woodward-Oswalt Realty had an order of over 5000. Crossland Scout Camp of Robinson Lake will plant 2500.

The district clerk and Ladies Auxiliary were asked to begin work on the fifth issue of the Record, the District newsletter.

Supervisors of the District will be in contact with persons and businesses who will be sponsoring boys for the conservation camps in July. Limberlost Camp at Oliver Lake will be held from July 11 thru the 15th and Mollenhour

Camp at McClure Lake, from July 25 thru the 29th. Each boy interested in attending either camp is asked to pay \$5 of the total cost, the sponsor paying the remainder.

Eight new cooperators were accepted this month: James W. Scott, Tippecanoe Twp., Robert Hawley, Clay; Don Dishner, Scott; Maurice Vance, Jackson; Chas. Napier, Washington; Dean Cous-

Sign-Up Is High

The 1971 Farm Program sign-up on both Feed Grain and Wheat was the largest sign-up of all prior year programs with 1317 farms out of a possible 1752 in Fulton Co. participating. This compares with the 1970 Feed Grain sign-up of 1085 farms out of a possible 1768 farms. 1971 Wheat Program sign-up was 983 farms signed up out of 1127 wheat farms.

1970 wheat sign-up was 715 farms out of 1362 farms.

Club Plans Future Events

The Fulton Co. Horse and Pony Club is considering plans for a Warm-Up show on June 20.

A meeting of the horse and pony leaders will be held at the Fulton Co. 4-H Fairgrounds on May 1 at 2 p.m. They will have horses and ponies there to help any of the members with problems they might have. Members will participate in the Round Barn Festival on July 18. No definite plans have been made by the group yet.

Diamond D Trailer Co. showed a movie to the group on April 13. The movie was about a girl's dream and having a saddlehorse and showing it. The dream came true and when she got her horse she called it Magic.

The next meeting will be May 11. All members must have their enrollment cards in and dues paid that evening.

Bonds required: House \$1500.00; Barn & Shed \$2000.00; Metal shed \$500.00; Well House \$500.00; Dog Kennels & Pens \$500.00. No. 36

A house and barn (pole type) located on East side of Meridian Road, just North of County Road 200N, formerly owned by John E. Eshelman, RR 4, Rochester, Indiana. Bonds required: House \$1500.00; Barn \$2000.00. No. 37

A frame barn with attached shed located on RR 3, Rochester, Indiana (County Road 375N, Northwest of U.S. 31) formerly owned by Harold J. Helshman, RR 3, Rochester, Indiana. Bonds required: \$2000.00. No. 33

A maximum of only 60 days will be allowed for removing the improvements. No extensions are available. Bonds must be filed within 10 days of date of sale. No extensions are available.

TERMS OF SALE

Sale will be for cash, certified check, cashier's check or bank draft payable to the Indiana State Highway Commission. Personal checks cannot be accepted.

THE STATE OF INDIANA RESERVES THE RIGHT TO REFUSE ANY OR ALL BIDS.

Successful bidder will be required to execute a contract agreeing:

- To supply a satisfactory Faithful Performance Surety Bond, similar in language and terms to the sample available from the Sales Supervisor, or a cash bond consisting of a bank draft made payable to the Indiana State Highway Commission. The amount of the bond shall be in the amount stated in the advertisement of sale and shall be a minimum of \$1,000.00 for a house or major structure, \$500.00 for a garage, shed, or other small structure. Such performance bond or cash bond must be provided within ten (10) days of date of sale. If the buyer does not furnish the bond within the ten (10) specified days, the buyer will be considered to have defaulted and will forfeit the purchase price and the State of Indiana will sell, demolish or remove the improvements without incurring any liability to the buyer.
- No improvements will be removed prior to posting of the Surety Performance Bond.
- To remove the improvements purchased within the specified period of time, normally thirty (30) days after bond is provided. Within ten (10) days after removal of the improvement, to complete the removal of all combustible material and other rubbish, including shrubbery and trees cut or uprooted to facilitate moving operations, leaving only the masonry foundations and concrete flatwork on the premises. Any excavation made to facilitate the moving of the improvement must be refilled and leveled during the clean up.

- Buyer will erect a sturdy, post-supported, woven wire, or picket fence around any basement excavation remaining, which fence shall be four (4) feet high and sufficient to prevent (4) to withstand the ordinary and reasonable abuse and stress to which it may be subjected. (NO BARBED WIRE MAY BE USED IN THE STATE OF INDIANA).
- Buyer shall have the right to remove only the improvements specifically purchased and shall enjoy no other rights upon the premises.
- The bidders specific attention is directed to the fact that he is solely responsible for securing all necessary zoning, building, and moving permits and licenses. The Sales Supervisor accepts no responsibility for the requests or granting of these permits or licenses.

- Upon acceptance of the Contract of Sale by the State of Indiana, if buyer defaults in any of the obligations thereunder, the State may demolish or remove the improvements at the buyer's expense or may take action

against the bond for the cost of such demolition or removal.

ADVERTISEMENT FOR BIDS

Wastewater Treatment Plant Improvements - 1971

Contract 1 & 2
Wastewater Disposal Project
Rochester, Indiana

The City of Rochester, Fulton County Indiana, will receive sealed bids for the construction of Wastewater Treatment Plant Improvements Project until 10:00 A.M. Local Time, on the 20th day of May, 1971, at the City Hall, at which time and place all bids will be publicly opened and read aloud.

The work for which bids are to be submitted includes contract identified as Contract 1 & 2:

CONTRACT 1 - Wastewater Treatment Plant Improvements - 1971, includes the furnishing of all materials, labor, equipment and tools for constructing Modifications to the Existing Grit Channel, the New Grit Removal Equipment, the Grit Equipment Enclosure and all appurtenant work shown on the Plans and specified.

CONTRACT 2 - Sanitary Sewer Extensions - includes the furnishing of all materials and the construction of the following major plant facilities: Sewage Pumping Station and Force Main Sewers and Appurtenances

The successful bidder will be required to furnish a satisfactory performance and labor and material bond.

The Contract Documents, including plans and specifications are on file for examination at the office of Clyde E. Williams & Associates, Inc., Engineers, at the office of the Clerk-Treasurer, City Hall, Rochester, Indiana.

Copies of the documents may be obtained from the SOUTH BEND office of Clyde E. Williams & Associates, Inc., by depositing Twenty Dollars (\$20.00) for Contract 1 and Fifty Dollars (\$50.00) for Contract 2 for each set of documents so obtained. The full amount of the deposit for the first set of documents will be returned to each actual bidder who submits a formal proposal and who also returns all documents in good condition within fifteen days after receipt of bids. One-half (1/2) of the amount of the deposit for all other sets will be refunded upon their return in good condition within fifteen days after receipt of bids.

The City of Rochester, Indiana, reserves the right to reject any or all bids and to waive any irregularities in bidding.

Bidders on this work will be required to comply with the President's Executive Order No. 12466. The requirements for bidders and contractors under this order are explained in the Specifications.

A certified check or bank draft payable to the City of Rochester, Indiana, or a satisfactory bid bond executed by the Bidder and a surety company in an amount equal to five (5) percent of the bid shall be submitted with each bid.

The award of a contract will be subject to the sale of revenue bonds for financing the project cost.

No bid may be withdrawn after the scheduled closing time for receipt of bids for at least thirty (30) days. The bid guaranty of the successful bidder, who is tendered a tentative award of contract, may be held for a period of one hundred eighty (180) days to complete the necessary financial arrangements.

IN MEMORY

IN LOVING MEMORY of Cheryl Ellison, who passed away April 21, 1967.

She always learned to watch for us, Anticipate if we were late, In winter by the window, In summer by the gate.

Her thoughts were all so full of us She never could forget! And so I think that when she is She must be watching yet.

Waiting till we come home to her, Anxious if we are late - Watching from Heaven's window, Leaving from Heaven's gate.

We loved her and miss her so much, Her Parents, brother & grandparents
4/22/1p

IN LOVING MEMORY of our son and brother, John E. Connor, who left us April 21, 1965.

It was just three years ago today, When the Good Lord whispered John, come this way.

He broke our hearts to lose him, But he did not go alone, Part of us went with him, To God's place called home.

We know he will be there to greet us, When God whispers come this way, To the wonderful home called Heaven, In God's loving way.

Confrontation

Cont. from page 1
proceedings, asked if he might obtain a recording of the meeting. Lemon told him she (the reporter) might possibly sell him one. Van Gilder asked if it was necessary to purchase a tape and Lemon replied that it was and that it would be his decision if the tape was to be made available.

Other members of the audience who participated in discussion were Dr. Charles Miller and Mrs. Martha Shireman. Dr. Miller reminded the board of the Brush-in set for the children in grades two, five and eight on May 3. Mrs. Shireman, mother of Greg Shireman who transferred to Rochester High School last fall so he could take German, a course not offered in TVSC, said the General Commission last week had ordered TVSC to pay Greg's tuition and wondered when this would be done. She was told the superintendent had not received any official word from the Commission. Mrs. Shireman also requested a transfer for Greg for next fall. Goshert moved that the past transfer that had been rejected by the present board after having been allowed by a previous board be granted and the 1971-72 transfer also be allowed. The motion died for lack of second.

Mrs. Shireman, on the advice of Lemon, asked why the board was rejecting the transfer and was told by Dr. Van Gilder that the policy established on Dec. 15,

1965 did not allow transfers for lack of subject. Mrs. Shireman replied that a Burns statute said parents can ask transfer of a child to another school if the other school would better suit the child.

Van Gilder told her to submit her request to the superintendent which she immediately did. The superintendent denied the request. Mrs. Shireman said she would appeal it to court if she had to in order to get it for next year. Coplen told her the board would not take action on it immediately but would act on it one way or another during the next board meeting.

At the request of Dr. Van Gilder, the board went into secret session for twenty minutes, coming out to study the financial report and discuss claims. The financial report showed \$1,214,789.31 in all funds with \$1,078,645.02 in investments, prior to the April distribution.

The claims were approved, although Goshert moved that claim 3340, the one for Dr. Seagers, be disallowed. The motion died for lack of second.

The board voted to pay their expenses to attend a meeting of the Indiana School Board Association in South Bend on May 11.

The final item of the six-item agenda, other business, saw Maurice Coplen enter Larry Sheetz's name as a bus driver possibility. The vote was unanimous and Sheetz's name will be placed on a waiting list until there is a

route opening in his area.

Richard Goshert read a prepared statement (see text of it on page 2) on his views on school board matters and moved that the statement be made a part of the minutes. The motion died for lack of second. The meeting adjourned at 9:35 p.m., having convened at 8 p.m. with a standing - room only crowd in attendance.

Teacher negotiations begun Monday

A salary schedule that would begin at \$7,383 for a beginning teacher and go to a maximum of \$12,374.00 for a teacher with a master's degree and six years of experience, plus fringe benefits, was presented by members of the Tipppecanoe Valley Classroom Teachers Association to members of the school board in a special session Monday night.

The present schedule starts at \$6,900 and goes to \$11,565.

Speaking for the Classroom Teachers was Frank

Bynum, Akron biology teacher, who is president of the group. Noting several spectators, he requested a private session with the board. The board denied permission for a private meeting, saying taxpayers' money was represented in any salary schedule adopted and the public had a right to know how its money was being spent.

Bynum requested permission for Robert Margraf, Division of Field Services, Indiana State Teachers Association, to

speak to the board on behalf of the Classroom Teachers salary committee. This permission was denied by the board president Maurice Coplen who told the teachers the board would hear and negotiate directly with them and not with anyone else. Bynum said Margraf was a paid counsel for the teachers and as their employee should be allowed to speak. Permission was again denied.

Rochester To Akron Walk Set By Young People To Combat Hunger

A Walk for Development from Rochester to Akron to raise funds to combat hunger has been set for Saturday, May 8, by a group of young persons from Rochester and Akron. They will have adult direction.

The pre-arranged route will begin at Rochester high school, go through Rochester and around Lake Manitou and end at Akron high school, a distance of 25 miles.

Each person participating in the walk will obtain pledges of money from as many sponsors as possible--individuals, businesses, organizations. The sponsor will promise to donate a certain amount of money for each mile covered by the walker being sponsored.

Check points will be established along the route and each walker will present a card for stamping to certify the distance traveled. After the walk, the card will be presented to the sponsors for payment of contribution.

Local approval for the walk has been given by Rev. J. D. Thomason, of the Akron Church of God, the Rev. John Moore, Akron United Methodist Church and Verdin Seabold, pastor of the Silver Lake United Methodist Church, and by Mrs. Joseph Madeford, Akron, a French teacher at Rochester high school.

The adult advisor is Frank Bynum, Akron high school chemistry and biology teacher. Young

Receive nursing scholarship

Two girls in the Tipppecanoe Valley schools, Honey Hudson and Carmen Strong, have received nursing scholarships.

Carmen Strong, a senior at Akron High School, and the daughter of Mr. and Mrs. Merle Strong, has been awarded one of the 16 Sunshine Nurse's Scholarships offered by the Sunshine Society of the Schools of Indiana. The scholarship winners are selected on the basis of competitive examinations and grades, personality, sincerity and needs, by a scholarship committee composed of a Sunshine sponsor from each district.

During high school, Miss Strong has been a member of the Health Career Club, National Honor Society, Sunshine Society, Latin Club, Science Club and Pep Club.

After graduation she will enter Parkview School of Nursing at the Parkview-Methodist Hospital in Ft. Wayne.

Miss Honey Hudson, a senior at Mentone High School, will be honored at a tea at the home of Mrs. J. R. Baum, Winona Lake, on May 5 when she receives the DuBois nursing scholarship given annually by members of the Kosciusko Co. Medical Auxiliary, according to an announcement this week by Mrs. G. R. Pullman. The \$600 scholarship is given to girls planning to make a career of nursing.

Miss Hudson, daughter of Mr. and Mrs. Jerry Hudson, has been accepted at Marion Co. School of Nursing, Indianapolis.

She was recommended for the scholarship by her teachers. She is active in school activities, serving as editor in chief of the school yearbook, the Bulldog, is a member of the band, stage band, chorus, Melodears and is serving her second year as president of the Future Nurses Club. She has been active in MYF at the Mentone United Methodist Church and has worked 150 hours as a Candy Stripper at Murphy Medical Center in addition to having a part-time job.

Proceeds from the donations at the tea will also go to the fund, Mrs. Pullman said.

Little League Officers Named, Season To Begin

Harold Shewman has been elected president of the Akron Little League. Paul Murphy is vice president and Dean Rager is the player agent.

Any boy who is not going to play in Little League this year who played last year should turn his uniform in to one of the officers at once.

"The Mouse That Roared" To Be Given By Mentone Speech and Drama Club

The Mouse That Roared will be presented by members of the Mentone Speech and Drama Club on April 30 and May 1 in the Mentone gym.

The play is the story of a pretty girl of 22, the present Duchess Gloriana, sovereign of a microscopic country in the Alps founded centuries ago by a roving band of English bowmen. However, a wine company in California is producing a cheap imitation of the famous Pinot Gr and Fenwick, Fenwick's only export and source of livelihood. Gloriana's unique solution to the near bankruptcy of her tiny domain is to declare war on the United States. There's some method to her madness, however, for her study of recent history suggests that the surest way to wealth today is to lose a war with the United States, for that country's odd reaction is to pour aid, relief,

and rehabilitation on the vanquished.

When her "Declaration" is considered a prank by the U.S. State Department, Gloriana decided to escalate! Tully Bascomb, presently in charge of their bowmen, is to launch an attack, then they can surrender and reap the rewards. Serious-minded Tully, however, upsets all calculations when he and his bowmen do the last thing expected--they win!

Directing the play is Mrs. Charlene Brumbaugh and Eileen Peters is the student director.

Tickets may be purchased at the door.

Teachers Present School Board Salary Proposal

Cont. from page 1

Bynum presented the board a 41-page "Proposed Tippecanoe Valley Classroom Teachers Association Agreement", part of which set out the rights of the Association—right to have exclusive use of school facilities at reasonable times for meetings and equipment, to have exclusive right to post notices on teacher bulletin boards, to have the president or his designee visit schools to investigate working conditions, teacher complaints, problems, etc., to obtain information concerning financial resources of the district, to have Association placed first on the agenda of each board meeting under new business, to have the corporation deduct, on authorization of the teacher, all remittance for programs jointly approved by the Association and the board. Also to have representatives of the Board and Association negotiating committees meet once a month to review administration of contract and resolve problems, to have principal meet once a month with Association building committee. The president of the Association or his designee would be given time off to conduct Association business with pay if this came during school hours and the Association would be given an opportunity to make reports and announcements at faculty meetings and would be given a place on the orientation program agenda for new teachers.

In addition, a negotiation procedure was outlined that would allow the negotiating committee to meet alternately during and after regular school hours from Feb. 1 to March 15 for the purpose of reaching an agreement. In the event of an impasse, it would establish mediation and fact finding procedures including the services of the Federal Mediation and Conciliation Service and the American Arbitration Association.

A teach grievance procedure was outlined, including steps that would be followed and forms to be completed. The American Arbitration Association was set as the final and binding authority and release time was allowed for a teacher engaged during the school day on behalf of the Association in arbitration without loss of pay.

CLASS SIZES

The proposal set up optimum recommendations for class size, requesting kindergarten at 16, never more than 25, first-second grade 15-25, third-sixth grade 18-30. Solid subjects in grades 7-12 would have optimum classes of 22, not exceeding 30, while music and physical education classes would

begin at 30 and not exceed 40. Also included were special education classes for handicapped, emotionally disturbed the children with sight and hearing problems.

Terms of the proposal further stated teachers should not teach more than five periods a day and that junior high and high school teachers not have more than three preparations a day and asked sufficient teachers for art, music and physical education for elementary students. Also named were need of sufficient reference facilities and adequate typing and duplicating equipment and clerical personnel to aid teachers in the preparation of instructional material.

Teachers, in the proposal, would be given 30-minute uninterrupted lunch periods, have exclusive lunchroom, restroom and lavatory facilities for teacher use, there would be an appropriately furnished and ventilated room reserved as a faculty lounge. It asked that all teacher participation in extra-curricular activities for which no additional compensation is paid be strictly voluntary and asked that observation of teacher's class by persons other than school administrative personnel be allowed only after consent had been granted by the building principal and teachers involved.

Teacher authority and the right to exclude a pupil from class for misbehavior and offenses was allowed and procedures were outlined in the event a teacher was assaulted by a student. Teacher evaluation would be done openly with the teacher.

Teachers would not be assigned outside the scope of their teaching certificates and their major or minor field of study and would receive their schedules no later than July, after which no changes would be made except by mutual consent of teacher and his building principal. Any other assignments, such as driver education, summer courses and extra duties, would not be obligatory but would be with the consent of the teacher. Preference in making the assignments would go to tenure teachers.

Transfers and reassignments would be made on a mutual agreement basis. It requested the board to post notices by April 1 of known vacancies and said no new teachers should be assigned to specific teaching positions until all pending requests for reassignment or transfer to that position have been acted on.

Outlined in the closing articles of the agreement were tenure status, fringe benefits that would allow two

personal leave days a year to be paid at a bonus of \$25 for each day not used, bereavement time of five days for close family and with pay, professional leave days with pay for attending and participating in professional meetings, visitation to other school corporations and educational institutions for the purpose of observation. Teachers would be compensated the difference between teaching pay and pay received for jury duty or during court action in which they were called for testimony.

Also, any absence due to injury on the job would not be charged against the teacher's sick leave days and a teacher could be absent for five days without loss of pay in event of illness in the immediate family.

Three year maternity and adoptive leaves would be granted and other unpaid leaves of absence were outlined.

Final articles of the agreement outlined severance pay, set out that there would be no deviation or change in school calendar without mutual agreement of Board and Association, provided professional compensation including what credit should be counted and paydays on which teachers should be paid, provided insurance protection, setting out the amount the school board would pay and requesting the carrier of insurance be selected jointly by the Association and Board, outlined professional behavior, maintenance of standards. The last article provided that all contracts of future teachers be expressly subject to terms of the agreement and required the board at their expense to have copies of the agreement printed within 30 days and asked the board to agree that no teacher should be intimidated into signing any individual contract before the terms and conditions are mutually agreed upon by the Association and the Board.

Terms of the agreement would be from Aug. 15, 1971 to Aug. 14, 1972.

The board agreed to examine the agreement and to discuss it at a later date.

Business has been just "fair to middlin": on the civic woodpile in the parking lot. At times, it is lonesome and forlorn there, but at other times there are several hands working, earning a meal from the town. Some of them are happy while they cut wood, probably thinking of the meal for which they are working. But others are sulky, as if it were an insult to even ask them to lay their hand to a saw. Wednesday morning there were four at work at one time. One was singing, seemingly without a care in the world. The wood thus sawed has been given to several needy families in town.

These young demonstrators who just plod down so nobody can get thru are only employing a technique learned earlier in front of their TV sets . . .

One reason why so many people are extravagant these days is that there are a thousand ways to spend money and only one way to save it . . .

Have you ever noticed that people who don't know how to spend even one day fruitfully or joyfully are the ones who are hoping for Eternal Life? . . .

Complete Town Marshall Training

Edward Hauser, Akron town marshal, was one of forty-eight town marshals from throughout central Indiana who were honored Saturday for successful completion, of the first phase of a town marshal training program being offered by Indiana University at Kokomo and the Region III Criminal Justice Planning Agency.

The training program is the first of its kind in Indiana ever scheduled jointly by a university and the Criminal Justice Planning Agency. It consists of three 10-week sequences designed to provide town marshals with the skills and knowledge needed for quality law enforcement. The program is administered by the IUK Office of Continuing Education and is funded by a grant from the region III Criminal Justice Planning Agency.

Other town marshals in the area who completed the course include David L. Main, Macy, and Robert E. Barrus, Wabash.

It Happened In Mentone

Taken from the June 30, 1937 issue of the Northern Indiana Co-Op News:

A lovely early summer wedding took place Thursday afternoon at the First Baptist church in Crawfordsville when Miss Lyn Allison Antrobus, daughter of Rev. and Mrs. B. E. Antrobus of that city, became the bride of Rev. R. Orville Yeager of the First Baptist Church of Mentone. Attending from Mentone were Mr. and Mrs. Blanche Darr and two grandchildren with whom Rev. Yeager has made his home since coming to Mentone a few years ago, Mr. and Mrs. Raymond Weirick and two children, Mr. and Mrs. Fred Lemler and daughter Phyllis and the Misses Willodean Janke and Betty Ellsworth.

The whole county was shocked Saturday morning with the reports of the severity of the electric, hail, rain and wind storm which had laid waste to numerous farm homes and properties in

Scott, Etna and Jefferson townships. Hundreds of cars of curious tourists from adjoining counties and states flocked into the storm area Sunday afternoon, necessitating the employee of state cops to conduct traffic at some of the crossings of the narrow roads.

Dale Wallace, owner of the Motor Inn Garage and local Chevrolet dealer received one of the largest shipments of Chevrolets Thursday afternoon that have been delivered this year. Three of the cars were already sold to Francis

DeWitt of Danville, Ill., Gus Mollenhour and Robert Kinsey. Wallace kept the rest of the shipment for demonstrating purposes.

Contractors have been drilling a new well for the town water supply on the Elmer Rathfon farm west of town.

Mentone has four players on the Kosciusko Co. American Legion junior baseball team, Herschel Linn, Dale Wallace, Dean Shirey and Dale Wiltout. They have new suits and are out to make a name for themselves in conflicts with teams from surrounding counties.

Talma Classes Pick Up Trash For Earth Day

On Thursday, April 22, members of the Talma Jr. High School 7-3 class picked up trash along State Road 25 as a part of Earth Week. The group started at the edge of Mentone and walked the six miles to Talma picking up all of the litter.

As the students filled the boxes, they left them on the edge of the road and the principal, Marion Acton, followed and picked up the filled bags and boxes.

The class was under the supervision of Wm. Darr, social studies teacher.

The project required approximately three hours. One student noted, "Project Clean-Up should last all year round and not only during Earth Week."

Taking part were Terri Alderfer, Alan Blue, Sharon Burkett, Dan Cooper, Bill Creighton, Floyd Dorsey, Tammy Grimm, Bill Hardesty, Sue Hiers, Brian Kelly, Jim McFadden, Doug Mill-

er, Rita Murcia, Lucille Nyenhuis, Wayne Orcutt, Jayne Perry, Dawn Roberts, Richard Sinclair, Mike Stephens, Novelene Witham and Rex Wiley.

Class members reported appreciating the friendly people who waved or blew horns as they passed the workers. In addition, and to top everything off, they said, each student received six cents as

his share of the cashed in pop bottles.

Rathfon - Johnson Vows Said

Miss Yvonne Sue Rathfon, daughter of Mr. and Mrs. Everett Rathfon, R. 2, Rochester, became the bride of Stephen H. Johnson, Ft. Wayne, son of Rev. and Mrs. Wayne Johnson, Claypool, in a candlelight ceremony April 10 at the First Baptist Church in Mentone.

The soloist was Mrs. Lee Kantenwein, Warsaw, and the organist was Roland Felts, Grace College.

The double ring ceremony was officiated by the Rev. Norman McVay, pastor of the church, and the Rev. Wayne Johnson, pastor of the Athens United Methodist Church, before an altar graced with candleabras and bouquets of yellow snapdragons and mums and white pom poms.

The maid of honor was Miss Janet Besson, Mentone. Bridesmaids were Barbara Johnson, Claypool, and Mrs. Ronald Souder, Cincinnati, O. The flowergirl was Debbie Waterland, Warsaw, and Chucky Goodman, Mentone, was ring bearer.

The best man was Jerry Johnson, Claypool. The groomsmen were Dale Hines, Claypool, and Merle Smith, Roann.

Ushers were Phil Wilson, Ft. Wayne, Willie Sloan, Silver Lake and Dennis Rowland, Claypool.

A reception for 250 guests followed the ceremony. Serving were Miss Ellen Taylor, Mrs. Robert Ewers, Mrs. Larry Himes, Miss Lois Toirac and Miss Becky Hunter.

The couple left immediately for a week's trip to Williamsburg, Va.

The bride, a graduate of Grace College, is a sixth grade teacher at Triton Elementary School. The bridegroom is

a graduate of Manchester College and is personnel purchasing assistant at Mutual Security Life Insurance, Fort Wayne.

The couple will reside at 6525 Alvarez Drive, Ft. Wayne, after June 1.

Attend Regional Convention

Sixteen members of Psi Kappa Chapter, Kappa Delta Phi Sorority, Akron, attended the 39th annual Lake Michigan regional convention held Saturday at the Elks lodge in Rochester.

A springtime theme was used throughout. Four national officers, June Richardson, vice president; Ruth Horn, historian, Jackie King recording secretary, and Donna Keirer, No. Central Regional Director, were present.

A smorgasbord luncheon was provided with entertainment following.

Akron members attending were Mesdames Jerry Finney, Mike Stephen, Merrill Kendall, Larry Straley, Tom Holloway, Ross Burdge, Geo. Stephen Al Jennes, John Zimmerman, Lyle Harris, Harold Gearhart, Dick Day, Joey Madeford and Terry Walgamuth.

Judy Walgamuth was re-elected regional organizer of the Lake Michigan region.

Next year's convention will be held in Gary in April.

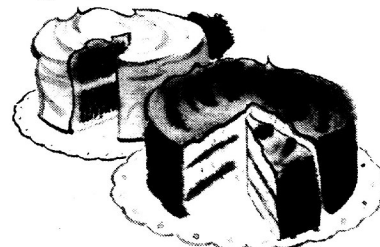

Accident Report

Michael Wallis, 29, Mentone, was treated at Murphy Medical Center Thursday for cuts to a finger and lip sustained in a two-car accident on SR 25 in Palestine. The driver of the other car, Dean Rowland, 51,

Burket, was not injured. Rowland said he came on the scene of another accident that had happened five minutes earlier and stopped to lend assistance to the driver whose car had run into the ditch. Wallis said he was rounding a curve and was blinded by the sun, unable to see the stopped Rowland vehicle and he ran into the back of it.

Jimmie L. Laughlin, 29, Mentone, was listed in fair condition Saturday at Murphy Medical Center where he was admitted following a one-car crash near Palestine. He told officers he was headed west on SR 25 when he fell asleep and his car left the road. After leaving the road, the car struck a utility pole, breaking it off and resulting in \$300 damage. The car, valued at \$1,800, was a total loss. Laughlin was arrested on a charge of driving while under the influence of intoxicating beverages.

Take your problems to Church this week -

HOW TO GET OFF THE MERRY-GO-ROUND

"I'm going around in circles and getting nowhere." How often have you made this or a similar remark? Your trouble may lie in the fact that you are striving too hard, too anxious or perhaps your thinking hasn't been along the right lines.

More often than not you can get down off the merry-go-round "horse" by finding the relaxation and guidance you need in Church, where in peace and quiet, listening to simple wisdom, you may evolve the answer to your personal problems. Meditation and prayer has acted as the guide to start many on the straight journey after getting them off the "circle path." A generous amount of your time budgeted for church services, instead of getting you nowhere, will get you somewhere."

Truth For Today Will Be 23 Years Old

Sunday, May 2, will be the 23rd anniversary of Truth for Today Bible class. The anniversary will be observed at the home of the teacher, Oscar M. Baker, who lives on road 100S first house west of 600W between Mentone and Warsaw.

The meetings are attended by people from several states. Speakers last year were from Florida, Michigan and Indiana.

Akron WSCS Hears Reports

The W.S.C.S. of the Akron United Methodist Church met in the Annex, Thursday evening for their regular April meeting.

Mrs. Leon Kindig, vice president, conducted the meeting. Mrs. Sam Merley gave devotions using as her theme, "Kindness" which was given in a manner that impressed each one as to what they might do to spread a little kindness among friends and acquaintances.

The secretary's report was given by Mrs. Yeaman, substituting for Mrs. George Sheetz, the treasurer's report was given by Mrs. Willis Bowen.

Joyce Moore gave a talk about the "Walk For Hunger" which will be May 8th.

Thank You notes were received and read for the Easter baskets which were delivered by the Rae Circle. An invitation was read from the Pleasant Hill W.S.C.S. to be their guests at 8:00 o'clock the evening of April 29th.

Mrs. Bowen gave the lesson on "The Basic Need of the World Today" reading verses from Hosea and Deuteronomy and an article written by Rev. John R. Gunn, also a poem by Helen Stiener Rice entitled "He Asks So Little And Gives So Much", stressing three that each one should do "Do Justice, Love and be Kind, and Walk Humbly with God".

After praying the Lord's Prayer, refreshments were served to 17 members and two guests. Mrs. C. H. Harshman of Sydney, Nova Scotia and Joyce Moore, by the hostesses Mesdames Sam Merley, Garland Gray, Vern Cumberland, Ralph Rader and Fred Kinley.

Mother-Daughter Banquet Set

A banquet honoring mothers and daughters of the Church will be held on May 3 at 6:30 p.m. in Fellowship Hall for all the mothers and daughters of the Church of God. The event will be in the form of a carry-in supper and will be sponsored by the Service Guild.

A good program has been planned and everyone is urged to attend, bringing their mothers or daughters.

Lincoln Aid Rolls Bandages

Lincoln Aid met at the home of Emma Colbert Tuesday evening.

The meeting was opened with singing.

Devotions were given by Emma Colbert and Velma Bright and Thelma Craig led in prayer.

Business was discussed and an offering was taken.

Bandages were rolled for the hospital.

Refreshments were served to Nellie Walters, Alta Hudson, Thelma Craig, Mildred Leckrone, Marjorie McColley, Nora Hoffman, Bertha Penrod, Esther Ruth Brubaker, Mary Jane Thompson, Marie Bright and Velma Bright.

The next meeting will be in May at the home of Nora Hoffman.

Church of God Sets Sermon Series

Rev. J.D. Thomason of the Akron Church of God will begin a sermon series on the Ten Commandments this Sunday night in the 7:30 service.

Each week, one commandment will be noted and the implications of it for daily life will be considered. Pastor Thomason states the commandments have a timeless quality and form a basic foundation for civilization. Featured also in the service will be special music and congregational singing.

This Sunday, members of the Sunday School will be voting concerning the "Mother of the Year" award. For about 15 years this has been an annual award to a deserving mother on Mothers Day.

In the morning worship the pastor will speak on the topic, "What May Home Give Me".

Members and friends are invited to be present.

DEATHS

Reed

Robert G. Reed, 75, Mentone, died unexpectedly Saturday afternoon at his residence.

The son of Weldon and Dephia Goss Reed, he was born Sept. 22, 1895 in South Whitley. His marriage to Nellie Lyon was on Dec. 24, 1929. She survives. A resident of Mentone for the past 50 years, moving here from So. Whitley, Mr. Reed had owned the hardware store in Mentone and had operated the Reed Funeral Home for 30 years. He retired from business in 1962. He was a member of the Mentone United Methodist Church, American Legion, Mentone Masonic lodge and the Indiana Saddle Horse association. He was a veteran of World War I.

Surviving are his wife and one daughter, Janet Reed, Cleveland, Ohio. Also surviving is a sister, Eunice Reed, South Whitley.

Funeral services were conducted Tuesday afternoon at the Haupt funeral home in Akron with the Rev. David P. Cossor officiating. Burial was in the Mentone cemetery.

Shepherd

Brice Shepherd, 74, R. 2, Silver Lake, died Wednesday at the Wabash Co. Hospital of complications following an illness of one month.

A retired Nickle Plate Railway employee and a member of the Pentecostal Church of God, Silver Lake, he was a native of Kentucky, moving to Silver Lake 27 years ago. His parents were Jack and Catherine Baldrige Shepherd.

Surviving were his widow, the former Nellie Whitaker whom he married Aug. 9, 1921 at Blue River, Ky.; three sons and eight daughters: Mrs. Robie (Ethel) Brown, Silver Lake, Mrs. Elsie Patterson, Toledo, Ohio, Charles Shepherd, Converse, Mrs. Clifford (Myrtle) Bonough, Toledo, O., Mrs. Lee (Catherine) Johnson, Rosford, O., Bellard Shepherd, Sawyersville, Ky., Mrs. Chas. (Bethel) Patkus, Silver Lake, Mrs. David (Ruth) Muck, Blue Springs, Mo., Mrs. Larry (Patricia) Wietzel, and Lloyd Shepherd, both of Wabash. Also, 35 grandchildren; 15 great-grandchildren and one sister, Mrs. Linda Brown, Kenton, Ohio. Two brothers, three sisters and three half-brothers preceded him in death.

Funeral services for Mr. Brown were conducted Friday at the Pentecostal Church of God with the Rev. Aaron Stanley and the Rev. Albert Whitaker officiating. Burial was in the Lakeview cemetery at Silver Lake.

Sheetz

Elmer Lee Sheetz, 79, R. 1, Akron, died Saturday evening at Woodlawn hospital after being ill ten days.

A lifetime resident of the Akron community, he was born in Fulton county, the son of John and Ida Goss Sheetz. He married Emma Beatty on September 28, 1912, and she preceded him in death in 1967. Mr. Sheetz was a farmer and a member of the Akron United Methodist Church and the Akron Masonic lodge No. 659. He was also a member of the Rochester Order of Royal Arch Masons.

He is survived by two sons, Dale Sheetz, Akron, and Dean Sheetz, Roann, a brother, Ralph Sheetz, Rochester; three grandchildren; one great-grandchild. One brother preceded in death.

Funeral services were conducted Tuesday afternoon at the Sheetz funeral home in Akron with the Rev. John Moore officiating. Burial was in the Akron cemetery.

NEW BOOKS

AKRON CARNEGIE LIBRARY

THE YOUNG CLEMENTINA by D.E. Stevenson. The author carefully sketches her tales of romantic and inspiring relationships. Her brilliant gift for creating lively and attractive characters is once again shown in this most enjoyable family saga.

TIMES AND PLACES by Emily Hahn. Emily Hahn's vivid impressions and reactions are notable not only for their frankness and for the light they shed on her fascinating life, but for their colorfully detailed closeups of people and places. And beyond her diverse company of native guides and colonial officers, of village dentists and eccentric anthropologists, her personal odyssey is a unique record, written with gusto, humor, and affection. From it emerges the portrait of a delightful woman with a deep gift for living.

HOSTAGE IN PEKING by Anthony Grey. On August 18, 1967 an event made headline news all over the world. Two hundred Red Guards smashed into the Peking home of Reuters correspondent, Anthony Grey, subjecting him to intensive physical abuse and imprisoning him for what ultimately became 26 long and torturous months in solitary confinement. In this book, Mr. Grey tells the story of that terrible time when he was both pawn and victim in an international dispute between Britain and Red China.

THE QUALITY OF LIFE by James A. Michener. One of America's best-known authors here addresses

himself to some of the major conflicts rocking our society. At a time when the angry on all sides of these issues are shouting more and listening less, Mr. Michener makes a reasonable plea for balance and for an enlightened response to our problems.

THANK YOU

Drive was a man. A man of God. He let his light shine. Wherever he trod.

We called him Husband, Grandpa and Dad. The loss of our loved one Has made us all sad.

To you we have a friend. We know this is true. By the kindness and sympathy Shown by you.

For you we're so grateful. Thank you can't say. How much we appreciate Your friendship today.

You've lightened our burden. By your prayers and your deed. May God always bless you. And fulfill all your needs.

Family of Brice Shepherd

Tom and Dot Open New Restaurant

Homemade chicken and noodles will be featured at the newly remodeled Tom and Dot Drive-In east of Akron. The restaurant opened today after undergoing extensive remodeling.

An entirely new building, on the south side of the drive-in, which has been open for six years, has been added. It has eight low-backed booths and ten tables, for a total seating capacity of 76, plus four seats at the counter. The walls are paneled with birch and an electric fireplace highlights the south wall. Gold color drapes add candle sconces complete the decor.

The original kitchen has been enlarged and more equipment has been added.

WEDNESDAY, MAY 5
Mentone War Mothers will meet at 1:30 p.m. at the home of Mrs. Ethel Whetstone.

The restaurant will be open every day and evening with car hops for the drive-in and waitresses for the restaurant. Mrs. Harger, the former Dorothy Fellers, is cook and manager.

Youth League Sign-Up Is Due

Enrollment slips for this summer's Youth League activities in Mentone will be passed out this week. The program is open to boys and girls from second grade to eighth grade.

Anyone who would like to play and who did not yet get a slip, should send his name, grade (next year), age, parents' names and telephone number to the Mentone Youth League Park, Mentone, Indiana.

Walk Set

Cont. from page 1
persons in charge include Charles Walters (223-5304), Teresa Mark (893-4385) and Joyce Moore (893-4252). Any of them can be contacted by prospective contributors.

The Walk For Development is an official project of the American Freedom From Hunger Foundation (AFFHF) of Washington, D.C., which was established in 1961 at the suggestion of the late President John F. Kennedy as a national non-profit, non-sectarian organization to support the world-wide Freedom From Hunger Campaign. That campaign is a program of the Food and Agriculture Organization of the United Nations with the approval of President Nixon. In 1968 the board of trustees of the AFFHF resolved to include in this program hunger at home as well as overseas.

The AFFHF works through its Young World Development program to intensify public awareness and participation. YWD strives for understanding and the raising of funds for self-help projects that help the fight against hunger.

Walks have been organized in over 150 communities since September of 1968 with over 5,000,000 students participating. They have raised over \$3,000,000.

Walk funds are distributed in this manner: 42.5 percent to a project in the United States, 42.5 percent to a project in a foreign country; 15 percent to AFFHF for expanding the walk program and for educational activities concerning world hunger and poverty.
