## Library helps make learning fun

Pre-school age children have been enjoying learning letters of the alphabet during story hour at the Akron Carnegie Library. Last week the children learned about the letter "C". (NEWS Photo)

## Ray Fenix to appear

Area professional boxer, Ray "Rattlesnake" Fenix will be on a three-event live card in Warsaw to be run in conjunction with the April 6 middle-weight title fight between Marvelous Marvin Hagler and Sugar Ray Leonard.

Tickets for the three live bouts, plus the Hagler-Leonard TV showing, will be on sale at the Memorial Coliseum box office or you may contact Bart Krajewski at the Polish Pub, 893-9915. The tickets will be selling for \$25 and \$27.

The first bout will begin at 7:30 p.m.

## Quayle speaks to crowd

Nearly 200 people attended the Fulton County Republican's annual Lincoln Day Dinner, held last Sunday at the Rochester Elks Lodge.

The highlight of the evening was guest speaker U.S. Senator Dan Quayle (R-Ind.). Quayle was quick to defend President Reagan's veto of the highway bill explaining, "there is simply too much spending".

In regards to agriculture, Quayle feels world markets need to be opened without putting more controls on the American farmer. Waiting until halfway in the year to see how the farmers are progressing before reworking the farm bill, would be appropriate, according to Quayle.

Education was the topic of three state legislators on hand for the banquet. Sen. Bill Justice, Logansport, said he would not support the education bill if it meant higher property taxes. Rep. Raymond Musselman, Peru, noted a compromise was reached before the bill passed his committee. Lastly, Rep. Thomas Weatherwax, of Logansport,

noted when the House Ways and Means Committee (of which he is a member) first received the bill it was "close to fiscal irresponsibility".

Also during the meeting Kathryn Hartzler, chairman of the Fulton County Republicans, accepted a plaque for the county Republicans for achieving their quota of the state fund raising goal in 1986.

## Church to host concert

The band from West Shore Christian Academy of Muskegon, Michigan will appear in concert on April 3, 7 p.m. Friday evening, sponsored by the Mentone Christian Fellowship. Pastors Robert Morgan and Thomas Harman invite the public to attend this special sacred concert at the church which is located on S. Prairie Street in Atwood.

The academy is committed to a Christ-centered, Biblical view of the universe as the only sufficient basis for proper character development.

## Basketball clash set

The annual Mentone-Burket Elementary School Basketball Clash will be held Friday, April 10 in the Mentone Junior High gymnasium.

The first game will start at 6:30 p.m. with the 4th grade girls starting the evening of fun. The fifth grade girls will follow with the fourth and fifth grade boys continuing the action.

Coaches for the teams are Mentone 4th grade girls, Chris Jones; Mentone 5th grade girls, Lori Deardorff; Mentone 4th grade boys, Roger Moriarty, and Mentone 5th grade boys, Wayne Landis. Oliver England will be coaching all of the Burket teams.

A small admission will be charged.

## Akron resident helps save child

Robert Arnett, Rt. 2, Akron, and Robert Savage, Leiters Ford, have been credited for saving the life of a nineteen-month-old baby found floating in the Tippecanoe River. Isaac L. Hissong is believed to have been in the river 25 minutes. He fell into the river at approximately 10:30 a.m. Sunday.

Savage and Arnett were sitting at the kitchen in the Savage home at Tippecanoe Shores, when a young man drove up to the house to say he had seen the baby in the river.

Arnett dove into the river once Savage and he spotted the baby. Arnett brought the baby to dry land. Savage then performed the Heimlich maneuver and cardiopulmonary resuscitation until an ambulance arrived.

Fulton County Emergency Medical personnel took the boy to Woodlawn Hospital, continuing CPR all the way. The baby was then rushed to St. Joseph Medical Center, South Bend.

Isaac is the son of Vincent and Becky Hissong. He fell into the river while his father was working in the yard at their home along the Tippecanoe River near the old Indiana 17 bridge. The bridge is directly north of Delong in northwest Fulton County.

## Planting of trees set

Planting of the trees ordered through the Akron Plant-A-Tree Project is planned for April 4th starting by 8:30. Home owners are asked to be present to show the place each tree is to be planted.

In the event of inclement weather planting will be done in the afternoon or on the following Saturday forenoon. Maple trees are still available. If there are more desired please call your order to 893-4591. Also red pine windbreak stock is available.

## Akron citizens enjoy gathering

Ralph and Imo Tucker took advantage of Saturday's spring like weather to visit with friends at the free community breakfast sponsored by the Akron Church of God. (NEWS Photo)

## Letters to the Editor

Dear Editor,

We want to thank all the volunteers who helped make the American Red Cross Bloodmobile visit at Tippecanoe Valley High School, a pleasant and rewarding experience for the students who were first time blood donors. I am sure they appreciate the support given them and hopefully this will put them on the road to being a regular blood donor. Phyllis Goodwin received a 1 gallon pin and Betty Koss received her 2 gallon pin.

Our sincere thanks to Garnet Latimer who arranged for all the volunteers and the day being a success. A special thanks to George Welch for his efforts; and also to John Hill for hosting the Bloodmobile at school.

Our thanks to Jolly Good Neighbors, Jolly Janes, Merry Mollies, DAR of Mentone, Reading Club, Akron War Mothers, Burket Firemen and Auxiliary for monetary donations. Donor snacks were provided by Church of Christ, Mentone U.M. Church, Beaver Dam U.M. Church, Seward Home Extension, Burket U.M. Church, Mentone Home Extension, Mentone War Mothers, Mentone Firemen and Kiwanis Club; Dr. Wymond Wilson for being on call.

A big thanks to those businesses who displayed the posters; the ladies who telephoned eligible donors; and those ladies who helped make things run smoothly at the Bloodmobile.

Our goal was to draw 125 units; 101 persons presented themselves; and we drew 93 units. A great community effort!

Sincerely,  
Norma J. Anglin, Executive Director  
American Red Cross, Kosci. Co. Chapter

Dear Editor:

Once again Daffodil Days for the American Cancer Society were successful in Fulton County. We raised over \$1,800.00 dollars which will be donated for cancer research.

Thanks go to Rochester Greenhouse for storing the flowers, Krogers for selling their own flowers, and donating the money from the sales; Will's on 9th Street and Main Street and Townsend's for letting our workers sell in their stores; Diane Jones for helping presell and delivering; RSVP, Georgia Nyland, and Velma Thompson for helping us get workers; and to all who gave a few hours of their time to help sell. Also Deirdre Strube of Fulton, Lavonne Mark of Akron, Delia Greer of Kewanna for organizing crews and selling locations in their communities, and Ellen Walsh for preselling in Kewanna.

Most important, we thank the people of Fulton County who willingly gave their support to the American Cancer Society.

Sincerely yours,  
Vernie Wilkes and Glenda Bode

### Nightmare of a Dieter

If any of you have children, you must be familiar with video games such as Pac Man and Pitfall.

You know you're ready for a change in diet when you watch the Pac Man eat ghosts and wonder to yourself why the little guy doesn't get fat! Personally, it would have more of an impression on me if a lady would move thru the maze chasing carrots and radishes and with each 5 pieces consumed, would reduce in size.

Frogger is a game in which a frog jumps thru moving traffic, onto moving logs and on the back of alligators to arrive at his destination. As the frog waits, the log floats by. It vaguely resembles a Twinkie! At last, the frog arrives at the top of the board and gets a bonus point by eating the fly! (Lucky frog, at least one of us gets a snack!)

Pitfall scares me to death! I live in terror of falling asleep while the game is on, and dreaming of swinging in mid air over a pit of chocolate pudding instead of the tar pit and alligators in the game.

The object of Combat is to shoot the other tank as many times as possible in an allotted time. I can just see us now...we are the tanks, (forgive me, but tanks are in the game), our fort is made of stacks of diet books. We constantly shoot at the opponent making believe we are hijacking a fast food truck. We hurry, our time is running out - weigh-in is next Friday!

Let's get hold of ourselves. After all, we are in control, are we not? My thoughts turn to a game entitled Breakout, where a ball bounces back and forth, breaking down a wall, brick by brick, eliminating obstacles in its way. I relax for a minute, take a deep breath and see myself chipping away at the excess pounds one by one, thereby eliminating obesity and diseases related to obesity. I arrive at my goal in the future, a healthy and happy person just as each of you will.

Happy April Fool's Day!

### IT'S SPRINGTIME

Time for rakin' an' seedin'  
Rake an' shovel I'll be needin'  
Crocus an' tulips peekin' thru,  
Garden seeds you'll be needin' too  
It's springtime.

There's a cardinal in the Maple tree,  
Singin' his sweetest song for me,  
An' a robin in the pear tree near,  
Is lustily singin' a song of cheer  
It's springtime.

Listen to the frogs a croakin'  
Spring's a comin', there's no jokin'  
Baby lambs, pigs, calves, an' chickens,  
Be as busy as the dickens  
In springtime.

Oh, it's good to be around,  
To listen to the springtime sounds,  
An' to feel the balmy breeze,  
God sure knew how to please  
When He made springtime.

Mr. and Mrs. Kenneth Shoemaker are the parents of a seven pound ten ounce son, Jeffrey Earl, born Tuesday evening about seven o'clock at the Murphy Medical Center at Warsaw. Ted Shoemaker, Burkett, and Mr. and Mrs. Earl Shinn, Mentone, are grandparents.

The new Lawrence D. Bell Mentone School Library cannot be classified as spectacular as far as size is concerned but for beauty of design, selection of furnishings and examples of expert craftsmanship, it will rank among the best. Finished and furnished in light oak, and beautifully decorated, every citizen of the area should make it a point to be present for the open house and dedication program to be held on the evening of April 20th, 1955. The library was made possible by a \$5,000 grant by the Bell Foundation and through the efforts of a local committee and the assistance of Mrs. Royce Tucker, former Harrison township trustee; teachers and citizens, the library has been in use by the Mentone school students for some time. Other features to be unveiled at the dedication will be a large painting of Mr. Bell, done especially for the new library by Toni Sisti. It is reported this is the first painted portrait ever made of Mr. Bell. Twelve large pictures have been received by the school from Mr. Bell and each of them is a fine photograph or drawing of some of Bell's famous airplanes. They show planes that are known in every corner of the world. When all the present planned purchases are completed, there will be about 2,500 new books on the shelves of the new library. Lawrence D. Bell, president of the Bell Aircraft Corporation of Buffalo, New York, was born in Mentone, attended school here, and since leaving to engage in various phases of the aircraft business, has never lost contact with the town and his many friends here. Inspired by the enthusiasm and accomplishments of the Mentone people while he was here as a special speaker for the dedication of the new high school gymnasium, Mr. Bell expressed his desire to do something more for the town. The grant for the new library is the result of that desire.

Lois Baum, 12, daughter of Mr. and Mrs. Cloyce Baum, underwent an operation for acute appendicitis at the McDonald Hospital Sunday night.

Lt. and Mrs. Miles L. Manwaring are now located in Washington, D.C. Lt. Manwaring is taking a three-months course of study in the Adjutant General's office at Fort Washington. Mrs. Manwaring is employed in the bookkeeping of the Hamilton National Bank of Washington, D.C.

Chet Manwaring sends greetings on a beautifully lithographed card, and included the following postscript: "We're just about fed up on ocean, sunshine, and orange juice. See you before long."

Mr. and Mrs. H.E. Nottingham were entertained over the weekend by their children, Dorothy of Indianapolis, Clay of Indiana Harbor, Corporal Robert, home on furlough from Marine duty, and the following guests: Kathy Evans and Tobie Blalock, Indianapolis and Jack Nelson and Myrtle Wing, Philadelphia. Jean Manwaring and Elwin Creviston were Saturday evening guests.

Leo Valentine, we are told, entertained his employees with a fine supper at Syracuse Tuesday evening. It was also a farewell party for one of the boys, Pat Walsh, who leaves for the army this week.

An eight pound baby girl was born to Mr. and Mrs. M.P. Riley, of Etna Green, on Saturday. The baby has been named Sarah Melanie.

A seven pound, six ounce boy was born to Mr. and Mrs. Briggs Francis, of Burkett, at the Murphy Hospital on Sunday. The baby has been named Allen Ray.

The TONETTE Band is made up of students from the fourth grade who qualify for the band by playing their numbers well enough to become eligible. Several popular numbers will be inserted into this program for the high school "jitter-bugs". The numbers are varied in character and will be interesting to all. This is your chance to support the band. Join the crowd next Tuesday night and hear our contest-winning HIGH SCHOOL BAND.

Earl Ogle, who has been associated with the Standard service station in Akron for the past 34 years, first as an employee, and later as owner, has sold the station to Larry Howard. Ogle's association with the station dates back to November 10, 1937, when he started to work for the late Harry Showalter. After Showalter's death, he and Ralph Tucker purchased the business and operated it as Tucker and Ogle until 1954 when he purchased Tucker's interest. He has since operated the station as Ogle's Standard Service with the assistance of his sons, Fred and Bob.

The Talma Jr. High sixth grade basketball teams have completed a very successful basketball season, which included bringing home the first place trophy in the South Whitley sixth grade 4-way tourney. Members of the team are Jeff Kelly, Jeff Leckrone, Greg Eaton, John Bellamy, Chris Vogel, Steve Stiffler, Robbie Newman, Richard Davis, Dan Beck, John Ettinger, and Ray Rockhill. Coach is Jerry Eaton.

The Akron Carnegie Public Library has many of the old issues of the Akron News on microfilm and will have it all on microfilm in the near future. They are now in the process of indexing all of the old issues of the Akron News. Roy Meredith is giving volunteer service to the library and is scanning all the back issues year by year and when these are completed files will be made for deaths, marriages and births. This will provide the patrons with much valuable information and will save much time in locating accounts of deaths, births and marriages of community interest.

Mr. and Mrs. Herschel Teel, Mrs. Snowden Halterman, Mr. and Mrs. Dick Teel and family, Mrs. Dave Teel and Tammy enjoyed ice cream and cake Sunday evening at the home of Mr. and Mrs. Larry Teel in Warsaw to celebrate the first birthday of Courtney Teel.

Mr. and Mrs. Max Blackburn and Mr. and Mrs. Fred Mellott took their parents, Mr. and Mrs. Fred Mellott, of Etna Green, to Ft. Wayne Sunday to the Heritage House in honor of the couple's 40th wedding anniversary.

Florence McBride was the editor and Marcille Fleck and Florence Bradley were her assistants. Jean Noyer was write-up editor, Betty Walters, assistant. Kate Morris was editor of the snapshot section and had Justine Baber as her assistant. Caroline Stanton was art editor and Betty Tullis was her assistant.

Annabelle Swick and Dale Tucker will represent Beaver Dam High School in the finals of the Kosciusko County Oratorical and Music Contest which will be held at Piercetown Friday evening. Miss Swick won first place in oratory and Dale Tucker won first in music at the school contest last Friday night.

Spring is here; we know that, of course by the date, but if we had lost all knowledge of time we would still realize the time of year by many signs. To some people there doesn't seem to be any change in the atmosphere, but to others the fever of spring is upon them and they seem happier than we have ever seen them. For an example we can see the change in our school routine during mornings and noons. During the winter months no one wants to go up town; now as soon as the bell rings the students rush to the gym to get their lunches eaten in plenty of time to go uptown or to skate, ride bikes or jump ropes in front of the school building. Girls are wearing anklets; pussy willows in the office; spirit of spring is certainly prevailing. We can see and feel it everywhere.

## Engagement announced

Marie Nichols and William Nichols of Edgewater, FL, wish to announce the engagement of their daughter Jodi Lee Nichols to Dick Geiger, son of Beulah Geiger, 826 Jefferson St., Rochester, and the late Dick Geiger, Sr.

Miss Nichols is a graduate of New Smyrna Beach Sr. High School and University of Florida at Gainesville, FL. She is head of the Agriculture Department of John Leonard High School, Lake Worth, FL.

Mr. Geiger is a graduate of Akron High School and St. Leo College, Tampa, FL. He is General Manager of The Baseball School, Delray Beach, FL.

The wedding is planned for June 13 at Crystal Lake Country Club, 3800 Crystal Lake Drive, Pompano Beach, FL.

## Club hears request

The Peru Nursing home has asked members of the Perry Improvement Club to consider being volunteers at the facility. The nursing home needs the extra volunteers at this time in planning special programs. This and other business was discussed at the recent monthly meeting of the Perry Home Improvement Club which met at the home of Marie Nestleroad.

Members of the club also enjoyed a spring accessories lesson by Ruth Bammerlin. The ladies discussed the appropriate jewelry, hats, gloves and color combinations which are popular this spring.

Devotions were given by Marie Nestleroad using the theme of "Sharing" and "Involvement". Learning about the tradition of Christmas cards as a holiday tradition was a part of the cultural arts lesson.

The Mother's Day program will be held May 21 at the Pleasant Hill Church. Plans are in the making and all members are urged to attend this special program.

Helen Miller was selected as this meeting's Lucky Lady. The next meeting will be at Pauline Miller's home on April 16, 1987.

## Notice

The Council on Aging will be sponsoring a soup, salad and dessert day, April 18 at the Civic Center Cafeteria. Serving will be from 11:00-2:00 and 4:00-6:00. ## Koala among top Open house slated

Koala Centers, the system of 34 alcohol and drug treatment facilities in 10 states, has been listed by Forbes magazine to be among the 12 best in the country.

The listing, in the magazine's March 9 issue, was based on the recommendations of addiction counselors, directors of employee assistance programs at major corporations, and corporate medical directors.

"The honor of being included among the top alcohol and drug treatment facilities in the country recognizes the talent and commitment of the employees in each of our centers," said Hal Thompson, vice president, operations, Koala Centers, Indianapolis.

"We are especially proud that Koala is one of only two systems of treatment facilities included on the Forbes list. The other ten are individual facilities like the Betty Ford Center. We believe the inclusion of our entire system reflects the consistency of quality treatment we strive for in each of our facilities," he said.

In the article, Forbes provides a checklist of key factors to review when seeking a quality rehabilitation center. It suggests asking what the treatment programs are like - is it accredited, and are family participation and outpatient aftercare services available? Does the center offer inpatient and outpatient treatment programs?

How good are the staffs - is there a good ratio of professional counselors and psychologists to total staff and are some members recovering individuals?

The article also recommends persons responsible for selecting the treatment centers to visit the facilities and to talk to experts.

Koala Centers provide extensive programs including inpatient and outpatient treatment programs and aftercare follow-up services. Special substance abuse programs for adolescents, women, cocaine dependency, patients in relapse, physically disabled individuals, and senior citizens also are available within the Koala system, Thompson explained.

The 25th wedding anniversary of Mr. and Mrs. Richard Peterson, Rt. 2, Rochester, Indiana will be celebrated with an open house from 2 to 4 p.m., April 5, at the Taima Community Building. Mr. Peterson and Jerilyn Craig were married April 8, 1962, in Mentone. Hosts will be their children: Chris, Fort Wayne, and Todd and Diane, at home. Mr. Peterson is employed with the State Highway Department, and Mrs. Peterson is employed in the Sales Department of Sonoco Products Co., Akron.

Please omit gifts.

## Women's Club meets

The Women's Fellowship of the Church of the Brethren met in the home of Betty Meredith for the March meeting.

Jill Weaver presided over the business meeting. She announced that the Spring Rally was held at the South Whitley Church of the Brethren March 31.

Betty Gearhart led devotions. Her theme was "How Can I Forgive?" She stressed that we need help from God to help us forgive a deep hurt. We need to be understanding, not try to understand the person, or why they have hurt us. She closed with prayer.

A seed and bulb auction was conducted by Jill Weaver.

Mrs. Meredith served refreshments to the 14 members present.

## 10 YEAR HEAT PUMP COMPRESSOR PROTECTION PLAN

Marine Pvt. David L. Barnes, son of Jerry L. Barnes of Rt. 5, Rochester, has completed the Marine Corps Basic Combat Engineer Course.

During the six-week course at Camp Lejeune, N.C., Barnes studied the fundamentals of engineering support for combat units. He received instructions on the tools and procedures for building bridges, roads and field fortifications. He also studied the use of demolitions, landmine warfare and camouflage techniques.

A 1974 graduate of Warsaw Community High School, Warsaw, he joined the Marine Corps Reserves in March 1986. His wife, Marynelle, is the daughter of Delford and Kathleen Bowen of Four Seasons Mobile Home Court, Rochester.

Marine Pfc. Steven J. Leiter, son of Ronald J. Leiter of 104 W. Section St., Claypool, has completed recruit training at Marine Corps Recruit Depot, San Diego.

During the 11-week training cycle, Leiter was taught the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Team work and self-discipline were emphasized throughout the training cycle.

Choosing a heating and air conditioning system is a major decision. And the more you know, the more likely you'll be to choose today's high efficiency heat pump for your all-electric home. And Public Service Indiana's 10-Year Compressor Protection Plan is one more reason to add to an already impressive list.

**10-Year Compressor Protection Plan.** Public Service Indiana will also furnish 10-year compressor protection on high efficiency heat pumps installed on PSI lines by an RSES certified technician.

**\$400 rebate.** Now Public Service Indiana will pay a \$400 direct rebate when you have one of today's high efficiency heat pumps installed on PSI lines.

**Economical operation.** The ability of today's high efficiency heat pumps to bring heat into your home for heating and removing heat for cooling is unrivaled by any other heating and cooling method. This translates into substantial year-round savings to you.

**Stable rates.** Public Service Indiana customers can look forward to stable rates. PSI has already frozen its rates until 1990, and your rates are likely to remain stable well into the 1990's.

**Year-round comfort.** During the winter months, today's high efficiency heat pump will warm you with a constant flow of 90°-95° air. And during the summer, the system produces cool air for whole house comfort.

**Safety.** Today's high efficiency heat pump oper-

ates on a system that does not require a flame of any kind to create heat in your home or business. No open flame is simply cleaner and safer.

There you are. Economy, comfort and safety. And the only place you'll find it is in today's high efficiency heat pump. Isn't it time you kissed an old flame good-bye?

Once you know the facts, you'll choose today's heat pump for your home or business.

For your free High Efficiency Heat Pump Guide, call 800-835-2246, extension PSI (774).

**PUBLIC SERVICE INDIANA**

### Free Booklet

Call 800-835-2246, extension PSI (774) for a FREE copy of the High Efficiency Heat Pump Guide.

### 10-Year Compressor Protection Plan

Public Service Indiana will extend compressor protection on high efficiency heat pumps (SEER 9.0 or over) to 10 years when installed in all-electric homes on PSI lines by an RSES certified technician.

### Stable Rates

High efficiency heat pump owners can also look forward to stable rates — rates already frozen until 1990. And unless governmental agencies require significant new environmental spending, your rates are likely to remain stable well into the '90's.

### \$400 Rebate

Public Service Indiana will pay a direct \$400 rebate on today's high efficiency heat pumps (SEER 9.0 or higher) installed in new and existing all-electric homes.

## Prominent Roann citizen dies

Roann civic leader and writer Vera Friederika Van Buskirk died at 3:10 p.m. Wednesday, March 25, 1987 at Methodist Hospital, Indianapolis. She was ill for three weeks.

A Woodbury, N.J., native, Mrs. Van Buskirk, 79, was born on Nov. 3, 1907, to Charles W. and Vera M. (Mammen) Gray. She married James Van Buskirk on March 20, 1932, in Pekin, Ill. He survives. She lived at Rt. 1, Roann for 55 years.

Also surviving are two daughters, Mrs. Eleanor Draper, and Mrs. Ross (Priscilla) Burdge, Akron; three sisters, Mrs. Tyng (Isabel) Munns, Lombard, Ill., Mrs. Sarah Areson, Clinton, and Mrs. Milton (Eleanor) Grossman, Miami, Fla.; two brothers, Rozwell Gray, East Peoria, Ill., and Frederic W. Gray, Hampton, Va.; and six grandchildren.

Services were Saturday, March 28, 1987 at the Grandstaff-Hentgen Funeral Home, Roann. The Rev. Lowell Burrus officiated. Burial was in the Roann IOOF Cemetery.

Preferred memorials are to the Trust Fund of the Roann-Paw Paw Township Carnegie Public Library or the

American Heart Association. She was a former director of the State Exchange Bank, Roann, which was founded by her husband James' family in 1882.

A former president of the Wabash County Historical Society, many of Mrs. Van Buskirk's writings were history related.

As a member of the Roann Festival Committee she wrote, directed and narrated "Roann Remembers" for the town's Centennial. Proceeds from the pageant helped purchase the Roann Community Building.

During the Indiana Sesquicentennial, Mrs. Van Buskirk revised the pageant with scenes from state history. The State Sesquicentennial Commission presented her and the town with an award for the pageant, one of two in the state.

In 1977, she wrote "Walk Your Horses" to celebrate the Roann Covered Bridge. She also wrote and delivered the script for the town's historical tour.

Mrs. Van Buskirk wrote and narrated a memorial service honoring the only Revolutionary War soldier buried in the county.

Mrs. Van Buskirk was active in local school affairs. She helped found the Roann

Parent Teacher Organization and helped initiate the local school lunch program.

Mrs. Van Buskirk also was involved in many countywide activities.

She was president of the Five-County Mental Health Clinic, Warsaw, during the planning and construction of the Otis R. Bowen Center for Human Services. She then became a member of the Bowen Center board of directors.

She was a life member and former board member of the Honeywell Foundation. She was a board member of the Roann-Paw Paw Township Carnegie Public Library for 38 years and was treasurer for more than 23 years. She helped start the Friends of the Library organization.

She was a member of the Roann Threesome, which presented programs for more than 30 years to various community groups.

She served as president of the Wabash county United Fund Board and was a board member of R.F.D. Wabash.

Mrs. Van Buskirk was active in Boy Scouts and was a 4-H leader for 15 years.

In 1979, the Wabash County Extension Homemakers presented her the Jane Award for her community leadership.

## Akron's oldest citizen dies at the age of 101

Akron's oldest resident, Albert William Young, 101 years of age, died at 8:15 p.m. Saturday, March 28, 1987 in Kosciusko Community Hospital where he had been a patient since Thursday afternoon. He had been in failing health about one year. He resided on North Mishawaka Street, Akron.

ALBERT WILLIAM YOUNG

He was born May 31, 1885 to David and Laura Kes-seling Young on the family farm in Miami County east of Gilead. He lived most of his life in Akron, except for four years in Chicago. On May 19, 1909 in Chicago, he married

Bankie Amelia Hoffman, who died Dec. 22, 1967. He was a retired farmer, former telegraph operator for the former Erie Lakawanna Railroad, member of Pleasant Hill United Methodist Church of Akron, the former Knights of Pythias of Akron, and Miami County Farm Bureau.

Surviving are a daughter, Mrs. Helen Miller, Akron; two sons, Cleo W. and Ralph L., Akron; five grandchildren; 11 great-grandchildren; three great-great-grandchildren, and nieces and nephews. He was preceded in death by a son, Robert, two brothers and two sisters.

Services were Tuesday, March 31, at the Foster and Good Funeral Home, Akron, with the Revs. Ora Myers and Merlyn Cox officiating. Burial was in the Akron Cemetery.

"One thing I do, forgetting the things which are behind, and stretching forward to the things which are before, I press on toward the goal unto the prize of the high calling of God in Christ Jesus."

### Akron Nutrition Site April's Coming

I heard from April yesterday,  
How welcome was her news!

She said she's planned a rainbow spring of delicate, pastel hues.

The earth will wear a grassy robe

Of polished, velvety green,  
And trees will get a rain shampoo

To give their leaves a sheen.

Soft blue and rosy hyacinths  
And golden daffodils  
Will grow in happy splendor  
On all of April's hills

Yes, I heard from April yesterday,

I cannot tell you more,  
But wait with me for Spring time.

April has glory in store!  
For your meal reservation,  
call 893-7204 the day before  
you plan to join us. The menu  
for the week of April 6-10 is:

Monday: Meat loaf with gravy, au gratin potatoes, creamed bean salad, white bread, peanut butter cookies, orange, milk and coffee.

Tuesday: Smoked Sausage, sauerkraut, mashed potatoes, fruit cocktail, brown bread, milk and coffee.

Wednesday: Fried chicken, broccoli with cheese sauce, applesauce, dinner roll, tapioca, milk and coffee.

Thursday: Lasagne, green beans, cole slaw, garlic bread, apple, milk and coffee.

Friday: Chef's Special.

## Faith convention to be held this weekend

The Rev. James W. Malbone has announced that the Akron Church of God will be involved in a Faith Promise Missions convention on Saturday and Sunday, April 4 and 5.

Andy New

The Reverends Andy and Becky New will be the guest leaders. The News are former missionaries to Australia and now pastors in Lima, Ohio. Mrs. New is the

daughter of former pastor James Hall.

Activities begin with a carry-in dinner and slides on Saturday at 6:30 p.m. The Reverend Andy New will preach in both the 8:25 a.m. and 10:30 a.m. services on Sunday morning. The convention will close with a concert by the News on Sunday evening at 7:00 p.m.

The congregation has set a goal of raising \$6,000 to go toward missions projects, including help in Cuba, Grenada, partial support of Tom and Mary Lou Walls, missionaries to Venezuela, and support for the Christian Brotherhood Hour on a local radio station. Pastor Malbone and the congregation invite the public to attend all activities of the convention.

## Akron Carnegie Library

New books available at the Akron Public Library are:

**A Season on the Brink**, by John Feinstein -- A year with Bob Knight and the Indiana Hoosiers; an extraordinary chronicle of that season. Also an unforgettable portrait of a great coach, teacher, and motivator for whom every season is a season on the brink.

**Children At Risk**, by Senator Paula Hawkins -- Senator Hawkins describes her childhood experience and explains what family and friends can do to prevent and deal with child abuse.

**If Love Comes**, by Ann Ashton -- Could Peg stop concealing her feelings and face love? She had discovered more opportunities in San Francisco than she'd ever dreamed possible, but when it came to romance, she was a novice.

**Santorini**, by Alistair MacLean -- From the stores of his singular imagination comes a taut and chilling tale of nuclear disaster played out against the backdrop MacLean knows and loves best; the sea.

**Billyball**, by Billy Martin -- Whether you love him or you hate him, and there's no in-between, Billy Martin is always major league news. One of the most colorful and unquestionably one of the most controversial figures in the world of professional sports.

**The Shenandoah In Flames**, by Thomas Lewis -- Another book in the exciting and pictorial Time-Life Civil War series.

**Sweet Thunder**, by Lynne Scott-Drennan -- What

begins as a casual friendship between an independent career woman and a lawyer quickly develops into a contest of two strong wills. A new Starlight Romance.

**Without Precedent, The Life & Career of Eleanor Roosevelt**, by Joan Hoff-Wilson -- Her long involvement in public affairs yielded many contradictions. This book examines her views and actions against the background of both her personal life and the general circumstance of women in American society.

## Joint meeting scheduled

The L.T.L. and W.C.T.U. will have their joint meeting on Wednesday night, April 8th at 7:30 p.m. at the Akron Library basement. The L.T.L. will put on the program, and the awards will be given for the recent poster contest. The W.C.T.U. ladies are asked to bring cookies along for the tea following. Parents and guests are cordially invited to attend.

## Views On Dental Health

H. RAY HAZEN,  
D.D.S., M.S.D., P.C.

### CAUSES OF TMJ SYNDROME

Many jaw problems are the result of a condition known as TMJ SYNDROME (temporomandibular joint syndrome). Symptoms include aches and pains in or near the joint (just in front of the ear), muscle spasms, headaches, stiff neck, and popping or clicking when opening and closing the mouth.

What causes this problem? In most cases it is a combination of two factors: a bad bite and stress. The bad bite may be caused by a high filling, a twisted or tilted tooth, a missing tooth, an underdeveloped or overdeveloped tooth, or a poor arrangement of several or all teeth when you close them together.

As the jaw deviates from a symmetrical arrangement, the muscles and ligaments on one side of the joint may be overly stretched, and they tend to compensate by contracting. A struggle is set up between the teeth and their desired closure position, and the ball-socket arrangement of the lower to upper jaw. This struggle may induce muscle spasms, leading to pain.

Prepared as a public service to promote better dental health. From the office of: H. RAY HAZEN, D.D.S., M.S.D., P.C. 1329 Main St., Rochester, Phone 223-3121, 114 Mishawaka St., Akron, Phone 893-4545.

The Mentone Nutrition Site had a program on Monday provided by the Dairy Council. Tuesday, Madeleine Fisher of the Bell Library came. Only three were celebrating March birthdays this month. They were Ethel Whetstone, Arlene Jefferies and Jeanette, Mollenhour. The table was prettily decorated. Every place had a placemat pertaining to "Good Nutrition Week". Mary Cox's name was drawn locally for a ticket to the Pan-Am games. Blue Cross-Blue Shield is having the drawing. Dirty Bingo was Tuesday. Band practice is resuming on Wednesday. We may be going to South Bend's Century in May.

Thursday, Rev. Les Taylor was with us. Gene Hughes took blood pressure. Friday will be a film on 4-H Arts and Crafts. This should be interesting.

The recent volunteers were Joan Welborn, Mariel Rathbun, Forest Dunnick, Becky Gross, and Darlene Arnold. Of course our own Seniors helped too.

We were glad to have Glen Campton's back from Florida and they had two lady friends from Kokomo on Wed.

It was a mistake about Edith Young being at the Site again. She is home from the hospital recuperating at home.

Real Services Nutrition Program invites persons age 60 or older to attend the Meal Site at the Community Room, Fire Station, Mentone. The telephone number is 353-7555. Please make reservations 24 hours in advance.

The menu for the week of April 6-10 is:

Monday - Pineapple juice, pork pattie, tater tots, green beans and mushroom casserole, cracked wheat bread, margarine, butterscotch pudding, milk, tea, coffee.

Tuesday - Tomato juice, beef stew with carrots, potatoes, celery and onions, biscuit, margarine, cole slaw, apple crisp, milk, tea, coffee.

Wednesday - Apple juice, baked chicken quarter, sweet potatoes, harvard beets, whole wheat bread, margarine, sugar cookie, milk, tea, coffee.

Thursday - Grapefruit juice, sloppy joe on bun, hot German potato salad, cottage cheese on shredded lettuce, fresh grapes, milk, tea, and coffee.

Friday - Peach nectar, ham and beans, spinach with vinegar on side, cornbread, margarine, citrus fruit cup, milk, tea, and coffee.

\*Menu subject to change without notice. Due to the diets of some people, the food is not highly seasoned.

### In Fashion

Spring fashions for the little miss are delightful for special occasions. Through 6X, smocked bodices are most attractive.

Bright tropical colored footwear in turquoise, lime, vermilion and prints will be seen in the popular flat shoe. Handbags are also seen in these bright colors.

## Woodlawn offers seminars

Georgia Nyland, President of the Fulton County Unit of the American Cancer Society, announced that Indiana's Cancer Awareness Week will take place on March 30-April 3, and will focus on total breast health and the American Cancer Society's guidelines for breast cancer early detection methods. In cooperation with this program, Woodlawn Hospital will be offering a public information seminar on "Breast Health and Self Examination" to be given by Dr. John Kratzer of the Fish Family Medical Clinic and Karen Ewen, RN; Director of Nursing at Woodlawn. The course will be held Thursday, April 2 at 7:30 p.m. in the Woodlawn Cafeteria.

Residential volunteers of the American Cancer Society will go door-to-door in Fulton County following Cancer Awareness Week with an educational leaflet on "Breast Health" and a request for a contribution to help continue the battle against cancer. Woodlawn Hospital will be providing free mammograms for all American Cancer Society team captains and Associated Radiologists Inc. have agreed to read these mammograms for a nominal fee.

The American Cancer Society is committed to informing women about the early detection methods for breast cancer because these methods literally save lives. The Society's recommendations are:

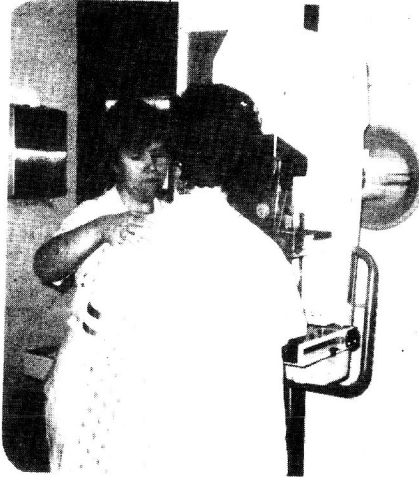

- A. Monthly breast self exam starting at age 20
- B. Physician exam of the breasts at 3-year intervals between the ages of 20 and 40, and annually thereafter.

C. A base-line mammogram between the ages of 35 and 40, followed by a mammogram every one or two years from age 40 to 49 with annual mammograms from age 50 on.

A mammogram is a special low-dose x-ray which can

cancers in this project were very early cancers, curable in up to 90 percent of cases.

The incidence of breast cancer in the United States during 1987 is projected to be approximately 123,000 new cases. About one out of 11 women will develop breast

The American Cancer Society encourages women to talk to their physician about breast health and the Society's recommendations for detection of breast cancer. In a national study, mammography detected nearly 90 percent of the 3,557 cancers uncovered among 280,000 women between the ages of 35 and 74. Most of the mammography-discovered

## Tornado brochures available

As many people are out enjoying the beautiful spring weather that occurs in the Midwest this time of year, they must be mindful of another facet of the season: conditions are prime for a tornado to occur, often when it's least expected. To help consumers educate themselves on tornado safety, Hook's Drug Stores have available free tornado safety brochures.

Tornadoes can occur anywhere in the United States at any time of year,

but they happen most frequently in the Midwestern, Southern and Central states from March through September. In Indiana, the northwest quadrant and southwest corner of the state are well above the state average. Indiana averages 23 tornadoes a year, with the greatest frequency in April, followed by March, May, June, and July. Much of the information in the brochure was provided by the National Weather Service.

## Drugs use boosts teen suicides

by Bill Brooks

The recent wave of teen suicides has a direct connection to alcohol and drug abuse.

At least that's the considered opinion of Sgt. Jackie Ginther, Juvenile Narcotics Division, Indianapolis Police Department. Sgt. Ginther says with conviction, "Probably as many as 80 percent of the teen suicide attempts have alcohol or other drugs involvement."

"Parents sometimes, because of love, have a tendency to practice denial on their youngsters' use of alcohol and other drugs. Having to face suicide increases this denial. They nearly always want to call these suicides accidental."

A recent Marion County suicide was drug-related. In this case, a teenager got on a drug called PCP after undergoing treatment and killed himself with a gun.

The Indiana Board of Health office, Indianapolis, reports eight suicides in the 10-14 age group for 1985 and 41 suicides for the 15-19 age group for the same year. Drugs probably played a large role in these.

While the recent teen suicides across the nation, as in New Jersey where four young people used carbon monoxide in a kind of pact, are not yet considered an epidemic, there are far too many to be treated as "accidents." One national report states that 400,000 teens tried suicide last year and 10,000 succeeded.

Twelve percent of adolescents evaluated in a Virginia treatment center said they had tried to kill themselves at some point in their lives; this is approximately 10 times the expected rate of suicide attempts for nondrug-using teenagers.

Many drugs have a depressant effect. Alcohol is one of these. And alcohol is still the drug of choice for young and old in the U.S. Depressant drugs magnify feelings of sadness, loneliness, and isolation, at the same time blunting fear and awareness of consequences of actions.

"Other things to remember," Sgt. Ginther says, "include the fact that drugs other than alcohol work faster than alcohol and have longer-lasting effects. Lots of times, even if parents know there's a danger of suicide, there's nothing they can do. If their kids are using drugs, they need treatment - inpatient, outpatient, counseling, some kind of help."

"The use of drugs pushes the teenagers over the edge. Drug use reduces inhibitions, fuzzing the mind so that reality - the true consequences of suicide, for example - escapes the young person's grasp."

Most suicide attempts occur at home (73 percent) in late afternoon or evening when a parent or sibling is nearby. Signs to watch for: Apathy, boredom, loneliness, rejection, impaired concentration, eating disorders, poor communication and, naturally, alcohol and drug abuse.

Nearly all young people have fleeting thoughts of suicide, usually after broken romances or in conflicts with parents.

Alcohol and other drugs are not the answer.

## Akron Youth League sign-up set

The 1987 baseball season got under way on April 2 with a meeting of coaches and officers. The meeting held at the Lions Den, resulted in establishing teams, and designating sign-up dates and try-out times.

This year the league will consist of five teams for boys--ages 9 thru 12 (Cubs, Reds, Orioles, Dodgers, Braves), five teams for girls--ages 9 thru 13 (Bears, Bumble Bees, Chicks, Lady Bugs, Kittens) and one minor league group for boys and girls ages 7 and 8.

Anyone wanting to play this year is encouraged to register. All participants must register, including those returning from last year. The registration fee will be \$5.00 per child with a maximum of \$10.00 per family. There will also be an \$8.00 cost for shirts. Registration will be held on April 8, (tonight) at the Akron

School cafeteria at 7:00 p.m. Fees should be turned in with registration forms. An additional registration period will be held on Saturday morning, April 11, from 9:00 a.m. to 12:00 noon at the Akron Fire Department.

Any adults interested in helping, are asked to contact Bill Lynn, President; Linda Rager, Secretary, or one of the league coaches. Also, anyone wanting to participate in the league operation is asked to attend the Youth League meetings and contribute their ideas. Meeting times will be announced later. The league is in need of any adult interested in umpiring, coaching or participating as a board member.

The first work day for the Akron Park diamond will be on April 11 from 9:00 a.m. to 3:00 p.m. Tryouts will be held on April 18, from 10:00 a.m. to 12:00 noon. Tryouts

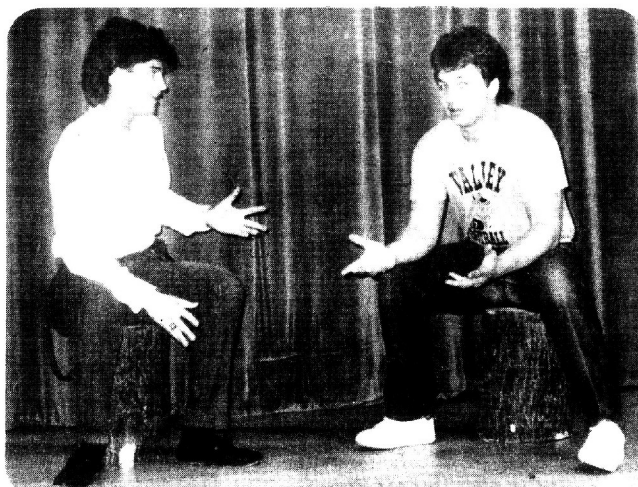

will be only for those boys and girls who were not assigned to a team last year. Registrations should be turned in no later than April 30, so that team selections can be completed at the May meeting.

The 1987 season will begin Tuesday, May 26, and conclude in early July with a tournament, picnic and awards. The schedule has not been completed yet, but the final version should be available in early May.

## Easter Egg Hunt set

The Mentone Chamber of Commerce will again sponsor an Easter Egg Hunt for children in the community on Saturday, April 18. The Easter egg hunt will begin at 9:30 a.m. and will be held at Mentzer Park.

## Play to be presented at TVHS

The stage is set and the actors and actresses are ready for the presentation of "Seven Brides for Seven Brothers" to be presented this weekend at Tippecanoe Valley High School. John King and Mark Simpson are rehearsing one of their scenes. John will be portraying the oldest brother Adam and Mark will be portraying the youngest brother, Gideon. Tickets are available at the high school. The play will begin at 8:00 both Saturday and Friday evenings. (NEWS Photo)

## Plant-a-tree continues

Akron Plant-A-Tree planting is to be completed this coming Saturday forenoon. Several trees that were to have been planted last Saturday did not arrive in time. So homeowners may expect the trees to be planted this

Saturday IF they know the locations for each tree. As of now, there are a few Red Maple, and Tulip still available; 15 or more of Sugar Maple and Douglas Fir. You may call additional orders to 893-4591.

Hugh Wildermuth is shown planting a tree in conjunction with the Akron Plant-A-Tree project. He is planting the tree close to the sight in which Helen Utter planted a tree when she was a child. (NEWS Photo)

## Indiana's Education Bill: Version 99

State Republicans have restored many of the provisions of Governor Orr's education bill. The bill has changed so many times even the officials are unsure of its total contents.

The senators have added some of their own ideas now in a version listed as "Amendment No. 99" of the bill, originally a 31-point plan proposed by Gov. Orr and H. Dean Evans, state schools superintendent.

Because there have been so many changes, it seems worthwhile to state highlights of the bill as it now stands, even though it is sure to change again.

Highlights include:

\*Student accountability. It would mandate testing of children with the Indiana Statewide Testing for Educational Progress (ISTEP), to be given every spring. It's purpose is that children needing to upgrade mathematics or reading could be required to attend remedial programs in summer school or, with special permission,

in fall. At first, ISTEP would be for grades 1, 2, 3, 6, 8, 9 and 11.

Students who failed to meet standards after remedial classes would have to stay in the same grade during the following year unless the school promoted them to keep them with their age group. The state would not count such "social promotion" students in its funding distribution.

\*Require at least 175 teaching days, as does present law.

\*School accountability. This would include accreditation of school systems, which would be categorized either as accredited, probationary or non-accredited. For a school corporation to be accredited, all the schools within it would have to meet accreditation status.

The state would review schools at least every five years. Probationary schools or corporations that failed to progress or achieve accreditation within three years would be reported to the

Legislature for its recommendations on running that school or corporation.

\*Teacher accountability: New teachers would be probationary for their first three years on the job and would be under a tenure program based on principals' evaluation.

## Students selling tables

At Tippecanoe Valley High School, a new concept in teaching Industrial Technology is being performed in a research and development class. Students were required to form a company, conduct research into the marketability of products, construct and organize production lines, market the product, maintain quality control, and maintain financial records of the company.

This new technique has lead the class into a money-making project of producing and selling picnic tables. The tables are six feet long and of standard table and seat heights and widths. They are

made of sturdy 2x6 spruce construction and are finished with redwood and exterior varnish to protect them for years.

There also is what might be called a "teacher burn-out" provision, requiring the state to study whether teachers should have more time that is not specifically assigned for some task, so

The class conducted research into the design, construction, and marketability of the tables. Picnic tables are \$65.00 finished or \$60.00 unfinished. Orders can be placed by calling Tippecanoe Valley High School or contacting Ron Sheetz, President of Valley Engineering, or Ben Anderson, Plant Manager and Assistant V.P., Ken Martin, V.P. of Marketing, or Doug Heindol, teacher of the Research and Development class.

### Curling Up With A Good Book

While it would seem curling up with a good book and a cup of hot chocolate is a good pastime during the winter months, let's not let it become a habit. While reading is good relaxation for a snowy or rainy afternoon, few calories are burned while doing so. We could also substitute something a little less caloric for the hot chocolate.

Tough, you say? Maybe not. All it takes is a little thinking. An excellent way of burning calories is shoveling snow (this will also be appreciated). A lady I work with mentioned that her neighbor usually clears the snow from her drive. However, this year she nearly fought him for the shovel so she could work off some calories! Good for her! Put away those snow blowers and modern conveniences and let's get to work!

As the weather becomes more spring-like outside, our thoughts turn to the yard. What better way to get out of the house than to rake yard? (Also another task that will not only benefit your muscles, but the appearance of your home.)

As the seasons change, let's not forget about the grass. Be sure and forget about the accuracy with which your rider can trim. Leave an extra space and fire up the push mower. Yes...I said the push mower. It will probably be found in the far corner covered with dust. The garden also falls in this category of lawn and garden exercise. Keep the groaning to a minimum please! Remember the positive attitude we discussed? Put that attitude to work. What better way to get a golden tan to top off your improving figure, than in the yard and garden? (It also keeps you out of the kitchen and away from temptation.)

Exercise doesn't have to be bad. It merely is a form of moving about with a little more vigor than you used to. The type of exercise best for you might not be best for someone else, but give it a try. Jogging and walking gives you a chance to meet others. Take time out with the kids and ride bike, or go skating if the weather is rainy. Go to the mall and walk.

There are many ways of enjoyable exercise, good luck finding yours.

### FORGETFUL LAMENT

Oh! If I could just remember,  
Where I put that dratted thing,  
I've exhausted my memory,  
Till my ears even ring.

I've looked in the cupboard,  
Upstairs and down cellar too,  
If I never find it  
Do without I'll have to do.

Did I leave it where I used it?  
Can't remember where that was,  
Oh! to be so forgetful,  
Creates a problem so it does.

Likely some day I'll remember.  
When I used it and where.  
But right now being forgetful,  
Would even make the preacher swear.

Steve Sheets, son of Mr. and Mrs. Robert Sheets and Roger Swick, son of Mr. and Mrs. Charles Swick competed in the Northern Indiana Regional Science Fair held at Goshen College on Saturday, April 6th. Steve won a first rating for his exhibit on Zoology and Roger won a third rating for his exhibit on Geology. Both boys were entered in the Junior Division, 7th, 8th, and 9th grade students, and Lawrence Cushman is the local science teacher who accompanied the boys to the fair.

Mr. and Mrs. Richard Dittman of Rochester are the parents of a son, Ronnie Allen, born this morning April 11, at Woodlawn Hospital. The baby boy weighed 8 lbs., 2 1/2 oz. Grandparents are Mr. and Mrs. George Swope of Akron and Mr. and Mrs. Clarence Dittman of Fulton.

Miss Marilyn Jo Fenimore, daughter of Mr. and Mrs. Ronald Fenimore, and David Steven Kruger, Lt. Second Grade in the U.S. Navy, exchanged marriage vows at the Methodist Church at 8:00 last Saturday evening. Mr. Kruger's parents, Mr. and Mrs. Phillip Kruger of Niagara Falls, New York were present for the occasion. The Rev. Claude M. Fawns officiated at the ceremony. The bride is a graduate of Akron High School. She attended Cincinnati Art Academy and is now employed as commercial artist for L.M. Berry Company in Warsaw. Lieut. Kruger is a graduate of the United States Naval Academy, Annapolis, Md. He is at present serving on the U.S. Mullany, a destroyer attached to the Pacific Fleet. Mrs. Kruger will join him in October and they will establish their residence in San Diego, California.

Local postal services, like those in the rest of the nation have been ordered severely cutback starting this Saturday. The order has come to postmaster Otto Groninger from Postmaster General Arthur Summerfield in Washington. Locally this means there will be no window service at the post office on Saturday and that the delivery on the rural routes will not be made on that day. Five of the six local postal employees are regular and their salaries will not be cut any by this order. Adam Stout is the only one who is not on an annual basis and Postmaster Groninger states he will be reduced about 4 hours a week at a savings to the department of approximately \$8.80; Mrs. Walter Leininger, Robert Sausaman and Mr. Groninger will all receive their usual pay checks.

South Bend sports writer picked an all regional team after seeing all of the games and Srivier the best floor guard of A.H.S. was one of the men chosen on the first all mystical five. The forwards were L. Stout of Winamac and Kyle of Goshen, Center, J. Freeman of Winamac; guards Srivier of Akron and Fisher of South Bend. Among those receiving honorable mention were Meredith, Fenimore, Leininger and Riley of Akron. The sports writer said, "The big Srivier of Akron together with the courageous ever fighting Bud Fisher of South Bend were the class of the guards. Both of these men were outstanding in defense and equally valuable on offense."

Harry Edward (Teddy) Bradley the youngest son of Mr. and Mrs. Earl Bradley very painfully suffered a broken arm Monday evening while playing basketball with other children at his home. He was taken to the Woodlawn Hospital where an x-ray picture was taken to determine the extent of the injury. It was found that only one of the bones in the arm was broken. The arm was set and Teddy is improving as well as can be expected.

Announcement of the opening of a Mission Coffee Shoppe in Akron has been made recently. The Shoppe will be located in the west room of the Woodcox and Imhoff garage. The room has been beautifully decorated and a counter and tables have been built. Mission dishes with beautiful designs will be used. The Shoppe will be operated by Mrs. Ray Woodcox. The date for opening has been set for next Saturday, March 23rd.

Starting with this weeks issue the Akron News will be printed Thursday afternoon instead of Thursday night. This change has been made in order that the papers may be mailed out Thursday evening on the 5:57 train instead of Friday morning at 10:26. The papers going out at this time will mean that all neighboring towns will get the News Friday morning and the rural carriers will have them for delivery on Friday instead of Saturday. Also starting with this weeks issue carrier boys will deliver the NEWS to the homes in Akron Thursday evening. The News boys are Roy Stokes and Junior Bowers.

Mentone folks have been given a treat of fresh smelt this week, after Harold Utter, Allen Herendeen, Ned Igo, Herschel McGowen and Marvin Romine returned from a short smelt fishing trip into Michigan. They brought home four or five bushel of the little rascals, and they were mighty fine eating. Smelt is a small lake fish that travels up into the smaller streams to spawn. They are taken with dip nets - and if that gets two monotonous, just reach in and grab them up with your bare hands.

When the long-hoped-for Salk vaccine became available this past weekend, it was the signal for mass immunization of children throughout the entire country. In Kosciusko County, Dr. Ryland Roesch, the County Health Officer, administered the first shots at Claypool, and all other schools will follow in the program. These initial immunizations, being given to first and second grade students, are being made with vaccine supplied without cost by the National Foundation for Infantile Paralysis. Doctors and Nurses are contributing their time and work without charge as a part of the national fight against this dread disease.

The Senior Scouts met at the home of Frances Tucker Friday night. Eileen Mollenhour called the meeting to order. We organized two Patrols, the Gypsies and Pocahontas. The following officers were elected. Mary Rush, president; Marcella Leininger, vice president; Mary Mollenhour, patrol leader of Gypsies and Frances Tucker, assistant patrol leader and Jean Burns, patrol leader and Juanita Nellans, assistant patrol leader of Pocahontas. The dues decided upon were 50¢ a year. We are to meet every two weeks at the homes of the girl whose names appear in alphabetical order. The response to roll call will be current events. Those on the program committee are Marcella Leininger, Jean Burns, Geraldine Nellans and Frances Tucker. The subject of discussion was Introductions. The subject at our next meeting will be Table Manners. The next meeting will be held Wednesday, April 14 at Jean Burns.

Mr. and Mrs. Hershel Drudge of Claypool entertained Mr. and Mrs. Oat Darr and son Harold, Mr. and Mrs. Vennon Jones and son Paul, Mr. and Mrs. Ed Bowser and family and Nate Dunnock to a taffy pulling Friday night. All reported a very enjoyable evening.

MENTONE HIGH SCHOOL NEWS ITEMS: Senior: The Senior class will present "A Bachelor's Honeymoon" at the Gymnasium, Tuesday, April 13 at 8:00 p.m. With such a humorous outlay as this, come prepared for a full two hours of side-splitting fun. The admission will be 15¢ and 25¢ including reserved seats. Juniors: The Juniors are rejoicing this week, Marvel Smith has promised not to give them a monthly test. We have one Junior, Lucile Lightfoot, who has her forty word pin in typing. The other classes are following the usual routine. The Bible Class has just finished the life of St. Paul and started on the resurrection of Christ. Sophomore News: The Sophomores bring a very sad bit of news to the column this week. Tuesday morning in Latin class Mr. Kelley asked if there was a doctor present because one of the fishes in the aquarium was sick. The next morning he announced that the ailing member had expired. It was decided that the best method of disposal was cremation. The unfortunate one was very tenderly wrapped in a paper hand towel, and with Junior Wallace serving as palbearer, it was laid to rest in the furnace. The remainder of the class acted as mourners. The fish is survived by several fish friends and neighbors, and a number of frogs.

The month of April comes from *aperire*, Latin for "to open" as do buds that month.

## TOMMY E. HERENDEEN

Tommy Eugene Herendeen, 46, of Rt. 1, Box 46, Claypool, died at 9 p.m. Thursday, April 2, 1987 at his residence. He had been in failing health for 15 months.

Born in Argos on Feb. 15, 1941 he was the son of Gordon and Lillie (Hamilton) Herendeen. In Warsaw on Sept. 23, 1966, he married Linda Fitton, who survives.

A lifetime resident of the Silver Lake and Burket areas, he had been employed by R.R. Donnelley and Sons, Inc. and had worked for the Burket Fire Department.

A veteran of the U.S. Army, having served from 1965-69, he was a member of KEMRAD, a 4-H dog leader, a member of the Wabash Saddle Club and the Francis Slocum Trail Riders.

Other survivors include two daughters, Christine and Leslie Herendeen, both at home; his parents, Mr. and Mrs. Gordon Herendeen, Silver Lake; two brothers, Larry Herendeen, North Manchester and Richard Herendeen, Silver Lake; one sister, Mrs. Linda Hartman, Silver Lake and a number of nieces and nephews.

The funeral was Sunday, April 5, in the Burket United Methodist Church, with the Rev. Donald Poyser, pastor, officiating. Interment was in Graceland Cemetery, Claypool.

Strong Funeral Home, Silver Lake, was in charge of the arrangements.

## DEWEY ZOLMAN

Dewey L. Zolman, 91, Athens, died at 8:30 a.m. Friday, April 3, 1987 at his home. He had been in failing health for a number of years.

He was born Nov. 29, 1895 in Fulton County to James C. and Elizabeth Brockey Zolman. He had lived in the area all his life. On July 5, 1919 in Rochester he married Mary Amelia Clingenpeel, who survives. He was a retired farmer and electrician. He attended Athens United Methodist Church, was a World War I U.S. Army veteran, member of the Rochester Eagles Lodge, and initiated the restoration of the Prill School House, which he attended as a boy.

Surviving with the wife are a son, Richard S., Warsaw; five grandchildren; 10 great-grandchildren; a sister, Trudie Nelson, Citrus Heights, Calif., and nieces and nephews. Preceding in death were a daughter, Dorothy M. Benson, on March 25, 1986; two infant sons; a sister, Mrs. Faye Wagoner, and two half-sisters and two half-brothers.

Services were Sunday, April 5, at the Foster and

Good Funeral Home, Rochester, with the Rev. Doris Luttrull officiating. Burial was in the Athens Cemetery.

## ROBERT LEE MUSSELMAN

Robert Lee Musselman, 42, Rt. 3, Peru, was killed Saturday, April 4, 1987 at 10:30 p.m. in a one-car crash. He was on U.S. 31 north of Peru and had been returning home from Peru.

State police said his north-bound car left the right side of the road, hit a concrete abutment and flipped over several times. Mr. Musselman was thrown from the car before it landed on its top.

He was co-owner, with his father, and the manager of Musselman Farms Inc., and Musselman Grain and Trucking Co.

He was born June 18, 1944 in Peru to Raymond E. and Nina Carson Musselman, who survive. On March 1, 1975 he married Dorothy G. Eisbrenner, who survives. He served in the U.S. Army Reserves and was a member of the Mexico Church of the Brethren and the Peru Moose Lodge.

Surviving with the parents and wife are three sons, Rod, West Lafayette, and Ryan and Derek, at home, and a sister, Janet Olson, Duluth, Minn.

Services will be at 2 p.m. today (Wednesday) at the McCain Funeral Home, Denver, with the Rev. Don Ritchey officiating. Burial will be in Greenlawn Cemetery, Mexico.

## LORI KAY CARLSON

Lori Kay Carlson, 21, Deedsville, died at 11:35 a.m. Saturday, April 4, 1987 in Dukes Memorial Hospital at Peru, following a one-car crash at 9:45 a.m. that same day.

Police said the accident occurred on Miami County Road 1000 North a mile and a half west of Deedsville.

A sister, Kandi Carlson, was a passenger. Kandi Carlson told police the car was going west when the occupants saw a car begin backing from a driveway as the Carlson car crested a hill. Lori Carlson apparently swerved to avoid the vehicle, lost control of the car, and it hit a utility pole, police said.

Kandi Carlson, 20, was treated at Dukes for bruises.

Lori Carlson was born Jan. 15, 1966 in Rochester to Jerry L. and Kathy A. See Carlson, who survive. She was a 1984 graduate of North Miami High School, a member of the Deedsville United Methodist Church, and was employed by Marshall Electric, Rochester.

Surviving with the parents are three sisters, Kelly Diane, Kandi Dawn and Sarah BriAnn, all at home; the paternal grandparents, Francis and Martha Carlson, Rochester, and the maternal grandparents, Harry and Donna See, Deedsville.

Services were Tuesday, April 7, at the Deedsville United Methodist Church with the Revs. Norris King and David Neeley officiating. Burial was in the Deedsville IOOF Cemetery.

Heartfelt thanks to Dr. Wilson, Kosciusko County Hospital, Rochester Home Health Care, Foster and Good Funeral Home, the Rev. Oral Myers and the Rev. Merlin Cox. Special thanks to Irene Kamp, Dora Hammer, Lonzo Meredith and to our many friends for food, flowers, cards and most of all for your love and prayers.

## New dates for Round Barn Festival given

Fulton County's Round Barn Festival usually held in July has new dates this year.

The three day event in Rochester will be June 25, 26, and 27 in 1987. This change is due to a new sewer project scheduled to begin on Rochester's Main Street around July 1. The 17th Annual Round Barn Festival will take place as in the past in downtown Rochester along Main Street. Several new events and changes in entertainment are planned. The festival will open with a Hot Air Balloon Race. In addition to the many competitive events included in the festival, a volleyball tourney will be added and several water events on Lake Manitou. Featured new entertainers include The Pride and Joy Cloggers, national championship teen-age clogging team from Solsberry, Indiana on Thursday, the world famous McLain

Family Folk Music Band from Berea, Kentucky on Friday and The Ageless Wonders senior citizens show troupe on tour from Lynchburg, Virginia on Saturday. The Round Barn Festival also includes many food concessions, crafts,

carnival rides, exhibits, free entertainment, square dancing, contests and sporting events. The Grand Marshal for the Saturday morning Round Barn Festival Parade will be 5th District Congressman, Jim Jontz. The round barn

featured in the 1987 Festival will be the Utter-Gerig Round Barn located on County Road 825E near Athens. For information and a free Round Barn Map, write Fulton County Round Barn Festival, P.O. Box 512, Rochester, Indiana 46975.

# We've Added 400 More Reasons on Top of a 10-year Compressor Protection Plan.

Choosing a heating and air conditioning system is a major decision. The more you know, the more likely you'll be to choose *today's high efficiency heat pump* for your all-electric home. And now we've added a \$400 residential rebate to an already impressive list of reasons.

**\$400 rebate.** Now Public Service Indiana will pay a \$400 direct rebate when you have one of *today's high efficiency heat pumps* installed on PSI lines.

**10-Year Compressor Protection Plan.** Public Service Indiana will also furnish 10-year compressor protection on high efficiency heat pumps installed on PSI lines by an RSES certified technician.

**Stable rates.** Public Service Indiana customers

can look forward to stable rates. PSI has already frozen its rates until 1990, and your rates are likely to remain stable well into the 1990's.

**Economical Operation.** The ability of today's high efficiency heat pumps to bring heat into your home for heating and removing heat for cooling is unrivaled by any other heating and cooling method. This translates into substantial year-round savings to you.

**Year-round comfort.** During the winter months, *today's high efficiency heat pump* will warm you with a constant flow of 90°-95° air. And during the summer, the system produces cool air for whole house comfort.

**Safety.** Today's high efficiency heat pump operates on a system that does not require a flame of

any kind to create heat in your home or business. No open flame is simply cleaner and safer.

There you are. Economy, comfort and safety. And the only place you'll find it is in *today's high efficiency heat pump*. Isn't it time you kissed an old flame good-bye?

Once you know the facts, you'll choose today's heat pump for your home or business.

For your free High Efficiency Heat Pump Guide, call **800-835-2246**, extension PSI (774).

**PUBLIC SERVICE INDIANA**

### Free Booklet

Call **800-835-2246**, extension PSI (774) for a FREE copy of the High Efficiency Heat Pump Guide.

### 10-Year Compressor Protection Plan

Public Service Indiana will extend compressor protection on high efficiency heat pumps (SEER 9.0 or over) to 10 years when installed in all-electric homes on PSI lines by an RSES certified technician.

### Stable Rates

High efficiency heat pump owners can also look forward to stable rates — rates already frozen until 1990. And unless governmental agencies require significant new environmental spending, your rates are likely to remain stable well into the '90's.

### \$400 Rebate

Public Service Indiana will pay a direct \$400 rebate on *today's high efficiency heat pumps* (SEER 9.0 or higher) installed in new and existing all-electric homes.

## Mentone Nutrition Site

The Mentone Nutrition Site had games on Monday. Tuesday was dirty bingo day. Band practice had to be cancelled last week as the director, Joan, had to be away. On Thursday, Gregg Patten, who is holding services at the Baptist Church was with us. Friday was table games and Norma Roose, our coordinator, came to present some material.

Vick Virgil from the Co-Extension Department came to talk about gardening. Tuesday was game day with band practice on Wednesday.

T.R. Jones will be the area minister next week. On Friday, Marvin (Hank) Lowman, of Cook's Chapel is coming to talk about Indiana. On April 16th is the monthly birthday party. Several people will be celebrating. The recent volunteers were Helen Good, Grace Lewis, Oreatha Stiffler, Joy Miller, Ethel Blackburn and Deana Mellott. We were glad to welcome Ruth Cullum back after a months stay in Florida with her sister.

Virginia Peterson is recuperating at home. We hope she can come and be with us at the Site again. All the sick are missed.

Real Services Nutrition Program invites persons age 60 or older to attend the Meal Site at the Community Room.

## What happened to Purdue?

The office of Mentone School principal, Mr. Humphreys, received some "redecorating" from other employees of the school. Mr. Humphreys is an avid Purdue fan which was used as the theme for the decorating. At the time of the redecorating, Mr. Humphreys was attending a seminar in Florida for elementary and junior high principals. (NEWS Photo)

## Addresses needed

Assistance is needed in obtaining current addresses for graduates of the Akron High School. Several invitations which were sent to past graduates have been returned because of incorrect addresses. If you are a graduate of Akron High School and did not receive an invitation, you may send your reservations of \$10.00 each person to Judy Paige, Box 206, Akron, IN, 46910.

The "Old Grads" reunion will be held at the Tippecanoe Valley High School on

Saturday, May 9, commencing at 4:30 p.m. Location of the reunion has been changed this year due to the rebuilding, renovation and razing of the old school in Akron.

Deadline for reservations is Monday, April 20.

The Akron Kappa Delta Phi Sorority is again sponsoring the event.

## LTL Club views film

The L.T.L. met last Friday night with their leader, Gloria Bowen, at the Akron Library basement. During the meeting, Gary Gagnon served as president; Jason Haines was secretary; and Ryan Black was flag-bearer. The leader showed an Easter film and a lesson film called "Alcohol, or Highway Safety." Robin Hucks assisted the leader with the lesson and games. Drusilla Morgan assisted with the refreshments.

### Contentment

Contentment seems so hard to attain, yet it is within our reach at all times.

Contentment isn't a vacation in a far away place.

Or being wrapped in mink or precious jewels.

Contentment is having faith, love and good health.

Contentment is thinking good thoughts and being free of the desire for money.

Contentment is freedom from setting goals that are too high to achieve.

Contentment begins in the heart...an attitude that is contagious.

Contentment is knowing how to get along both in times of abundance and in need.

Senior Citizens, a reminder Tuesday, 14 will be carry-in day. Please bring your own table service. Also Thursday, 9th is blood pressure day. All April birthdays will be celebrated

at this time. Come join us for a well balanced meal and fellowship. For your meal reservation, call 893-7204 the day before, between the hours of 9:00 - 12:30. Thank You.

Monday - Chicken fried steak, green beans, baked potato, pears, milk, coffee, whole wheat bread.

Tuesday - Carry-in dinner. Wednesday - Fried chicken, mashed potatoes w/ gravy, buttered carrots, cranberry salad, bread, milk, coffee.

Thursday - Bar-b-q sandwich, California blend vegetables, perfection salad, bun, peaches, milk, and coffee.

Friday - Swedish meatballs, peas, carrot/raisin salad, rice, cherry cobbler, grapefruit juice, milk and coffee.

## Lincoln Financial Corp. holds shareholders meeting

Lincoln Financial Corporation recently held its eighteenth annual shareholders meeting.

In his remarks to the audience of more than 300 shareholders, Robert J. DeLaney, Jr., chairman, president and chief executive officer, stated that 1986 was an eventful year in the history of the Lincoln Financial Corporation.

During his comments at the meeting, Mr. DeLaney highlighted some of the events for the corporation during 1986. "Record results were recorded with net income up 37 percent to a level of \$10.6 million. Loans increased to a level of \$848 million, up 35 percent; assets reached \$1.55 billion, an increase of 36 percent; total deposits grew to \$1.25 billion, an increase of 35 percent; and shareholders' equity increased 45 percent to reach a level of \$99 million.

"The corporation affiliated with five Indiana banks: Akron Exchange State Bank, Angola State Bank, Farmers and Merchants Bank in Bluffton, The City National Bank of Auburn, and The First State Bank of Decatur.

"To enhance shareholders' investment in the corporation, we implemented two common stock splits and increased the dividend. Just over a month ago we again increased the dividend and introduced a dividend re-

investment plan." DeLaney commented.

Other events included, the establishment of the corporation's first non-bank affiliate, Midwest Credit Life Insurance Company; the issuance of 600,000 common shares of its stock, raising \$13 million of new capital to be used for general corporate purposes; and the announced participation in a joint venture parking facility to be built in downtown Fort Wayne.

Shareholders elected Messrs. Alexander A. Azar, Earl Brenn, Robert J. DeLaney, Jr., Dale F. Doehr-

man, William F. McNaghy and Paul O. Schirmeyer to serve a three year term as members of the corporation's board of directors. Also, shareholders approved certain amendments to the Articles of Incorporation that will, among other things, increase the total number of authorized shares from 12,000,000 to 25,000,000.

Immediately after the meeting, a reception was held at the bank, providing the visiting shareholders the opportunity to reacquaint themselves with the corporation's management and fellow shareholders.

### FIXED BRIDGE TO THE RESCUE

If you have one or more missing teeth creating gaps that should be filled, you may want to consider the fixed bridge.

Missing teeth can do more than affect the shape of your face. They can also throw your other teeth out of alignment and cause other serious dental problems. If you choose a fixed bridge to solve the problem, you'll have new teeth that will be permanently fixed in your mouth. You won't have to take them out to clean them. They can be brushed the same way your natural teeth are and flossed (with a little dexterity from the undersides) to remove bacteria and food particles.

Before your dentist makes a fixed bridge, he'll check the health of the adjacent or supporting teeth. They have to be strong and healthy with enough underlying bone structure to support the denture. Then he'll make crowns for the supporting teeth to make them even stronger. As a final step, the dentist will consider the crowns to the replacement teeth (called pontics) and cement the entire bridge into place.

Prepared as a public service to promote better dental health. From the office of: H. RAY HAZEN, D.D.S., M.S.D., P.C. 1329 Main St., Rochester, Phone 223-3121; 114 Mishawaka St., Akron, Phone 893-4545.

## Louie the Lightning Bug.

"Louie the Lightning Bug," a hip cartoon character who has appeared all around the country, is Public Service Indiana's new spokesman on electrical safety.

"Louie's been very popular," said Jim Wilber. "He already represents 105 utilities in 43 states. He's even teaching electrical safety in Barbados and Australia."

PSI has promoted safety in a number of ways in the past - by providing free films and speakers, by organizing safety poster contests and by sponsoring safety messages

in the media.

"We think Louie can help us be even more effective at preventing electrical accidents," Wilber said. "He has a knack for giving important information in an entertaining way."

Louie appears in safety messages on television and radio, and in newspapers as well. He'll also be making personal appearances at special events in PSI's service area.

"Preventing just one accident or saving one life will make Louie's efforts all worthwhile," Wilber said. "Customers, community groups or schools served by

PSI can arrange a safety program or get safety information by calling or visiting our office," Wilber said. "The phone number is (219) 223-2186."

## Campers can make reservations now

Campers can now reserve campsites in various Department of Natural Resources properties for the 1987 camping season. Reservations may be made by mail or in person and will be filled on a first-come, first-served basis.

Dates available for reservation of campsites begin May 8 and continue through Sept. 7. Properties allowing 50 percent of the available campsites to be reserved during that period are: Bass Lake, Chain O' Lakes, Indiana Dunes, Pokagon, Ouabache, Mounds, White-water, Clifty Falls, Lincoln,

McCormick's Creek, Versailles, Shakamak and Spring Mill state parks; Brookville, Hardy and Cecil M. Harden (Raccoon S.R.A.) reservoirs; Deam Lake and Wyandotte Woods state recreation areas. Brown County and Potato Creek state parks have reservation campsites available through Nov. 1 and Turkey Run State Park has reservation campsites available from May 1 through Oct. 18. Cecil M. Harden Lake (Raccoon S.R.A.) also has reservation campsites available during the Covered Bridge Festival in Rockville, Oct. 9-18.

Campers may reserve a campsite for a maximum of 14 consecutive days. During the summer, Friday and Saturday nights must be included for weekend reservations. For the summer holiday weekends, the following dates must be reserved: May 22, 23 and 24 for Memorial Day; July 2, 3, and 4 for Fourth of July; and Sept. 4, 5 and 6 for Labor Day.

Five reservoir properties accept reservations for the three holiday weekends only.

Those properties are: Monroe, Salamonie, Mississinewa, Patoka and Cagles Mill (Lieber S.R.A.).

All reservations will be confirmed by return mail. Phone reservations will not be accepted. Walk-in reservations are accepted at each property on Mondays through Fridays.

The following information is needed to process all reservations for campsites on state properties:

(1) Name, address and phone number. (2) dates of arrival and departure. (3) Number of campsites reserved (four campsites or less per request). Each campsite must be registered under a different name and include the address of the person using the campsite. All campsites must be reserved for the same dates. (4) Deposit equaling one night's camping fee for each campsite requested. The nonrefundable deposit will be credited toward the total bill. (5) Nonrefundable handling fee of \$2 for each campsite requested. (6) Specific campsites to be reserved. (7) Type and size of camping unit (tent, recreational vehicle or trailer).

Four types of campsites are available for reservation ranging in cost from \$10 for the most modern campsites (Brookville Lake only) to \$3 for primitive campsites per night. Six people is the maximum number allowed at a campsite.

Information on campsite types, the number of sites at each property and available facilities is included in the 1987 Recreation Guide. The guide can be obtained from the Division of State Parks, 616 State Office Building, Indianapolis, IN 46204; (317) 232-3123.

## Antenna Safety? Stay Away From Power Lines!

Those are all good ideas. Because if you know antenna safety, you can protect yourself or someone else from dangerous electrical situations. The electrical cords on your appliances are insulated, but overhead power lines are not, and they carry many thousands of volts. Keep an eye out for potentially dangerous situations. And don't be afraid to speak up if you see one!

We provide electricity to a 69-county area we call, "Public Service, Indiana." Help make it a safe place to live by keeping the whole family informed.

For more antenna safety information, or if you have any questions, please call your local Public Service Indiana office. We want to help in as many ways as we can.

## Baseball camp sessions slated at Huntington

Huntington College head baseball coach Mike Frame has announced the Forester baseball camp schedule for 1987, with two sessions being offered this summer.

The first session will be a commuter camp for ages 8 through 12. The camp will run Monday, June 15 through Friday, June 19 from 9 a.m. until 12:30 p.m. daily. Cost for each participant will be \$45. The second week of camp will offer on campus housing or the opportunity to commute, and is for ages 13 through 18. Camp will run from 9 a.m. until 3 p.m. with a break for lunch, and then an evening session from 6 to 10 p.m. Cost will be \$215 for on-campus housing, and \$105 for commuters.

Each camp will offer high quality instruction from the Huntington College baseball staff, as well as area high school coaches and professional scouts. Instructors will include Don Sherman and Dave Goodmiller from Huntington North High School, Bill Jones from Dekalb High School, and Chris Stavetti from Ft. Wayne Northrop High School. Guest professional scouts will include Jim Martz from the Major League Scouting Bureau, and Don

Welke from the Toronto Blue Jays.

For more information, call (219) 356-6000, extension 176, or 356-7491.

## Testing offered

Manitou Training Center Pre-school staff has announced another day of free testing for children from birth to four years of age. Due to an overflow crowd during the first spring testing time, Friday, April 10th has been designated for testing of children turned away. Walk-ins are also welcome.

All April 10th testing will be held at the M.T.C. Pre-school building, 330 Lucas Street, in Rochester. The hours for this screening will be 9:00 a.m. to 11:00 a.m. and 1:00 p.m. to 2:00 p.m.

Children eligible for Kindergarten will not be included. For further information, call 223-6963.

## Share-the-Fun set

The 1987 Kosciusko County 4-H Share the Fun Festival is scheduled to take place on Thursday, April 23 at 7:00 p.m., in the Warsaw High School Auditorium. Share the Fun is a 4-H talent contest in which 4-H members have the opportunity to share their talents with other 4-H members, parents and leaders, and have fun with other club members while performing. Share the Fun also builds character qualities in our young people. 4-Hers learn decision making, organization co-

operation and leadership through participation in the 4-H Share the Fun activity.

4-H clubs are encouraged to participate in this year's Share the Fun Contest. Four winning acts in the Kosciusko County Contest will advance to the Area Contest on April 29 also at the Warsaw High School.

The public is invited to join us for an evening of entertainment and fun on Thursday, April 23 at the Warsaw High School Auditorium for the 1987 4-H Share the Fun Festival.

## Tombaugh completes more books

Wendell Tombaugh has completed two more books on Fulton County. He and his wife Jean have indexed and published over 30 books in the past 15 years. Wendell prints and binds the books in his basement of his spacious home across from the library in Rochester. But health problems last year caused him to slow up a bit, not on the book production, but on handling of the sales.

Tombaugh sold his entire inventory to Selby Publishing at Kokomo. He also turned over to Selby, the sales of future books.

## Accident Report

A bicycle ridden by Donald L. Jackson, 12, Rt. 1, Mentone, hit a car driven by Roy E. McClellan, 45, Rt. 6, Rochester, at 6:08 p.m. Friday, April 3, behind the Phillips 66 service station at Fourth and Main, Rochester. City police said the boy

was riding south in the alley behind the station and turned east onto the station grounds. McClellan, who had just purchased gasoline, was driving west on the grounds preparing to enter Fourth Street when the bike hit the car.

## Tornado season; always be prepared

Several years may pass, at times without a tornado threat to Fulton County. This results in public complacency, and consequently, a tornado may strike and catch us off guard. Civil Defense Director, Dean Smith, warns that we must not let this happen. We must be prepared - lives are too valuable. Tornadoes are most likely to occur in mid-afternoon, generally between the hours of 3:00 - 7:00 p.m. However, they can occur at any time, day or night. During tornado season, normally from March to July, you may hear warning sirens sounding during stormy weather. This has only one meaning - take shelter, a tornado has been sighted in Fulton County. It does not mean to run outside to see what is happening as there may not be time. Take shelter immediately and listen to your local broadcasting station who can keep you informed on what is happening. When a tornado threatens, immediate action can save lives. Stay away from windows, doors, outside walls and protect your head. In homes or other small buildings, go to a basement or a place in the middle of the house such as a

closet or bathroom. Get under something sturdy. In school, be calm and follow the directions of your teacher. In shopping centers or large buildings, look for a predesignated shelter. Share your knowledge with those around you. Direct co-workers, companions, and fellow shoppers to safe shelter if they appear con-

fused. In mobile homes or cars - leave them and find shelter in a building. If none is available, lie flat in the nearest ditch or other low area and shield your head with your hands. If a tornado should strike, it is most important to remain calm. Most tornadoes are short-lived, lasting only 4-5 minutes.

## Analogy of a true Hoosier

The U.S. Senate has unanimously approved a resolution authored by U.S. Senator Dan Quayle (R-IN) recognizing and congratulating Indiana University "for its outstanding achievement in winning the 1987 NCAA basketball title."

Quayle offered Senate Resolution 181 on the Senate floor late Tuesday morning, and the measure, which was co-sponsored by U.S. Senator Richard G. Lugar (R-IN), was approved by unanimous consent.

Following the adoption of his resolution honoring Indiana University, Quayle also introduced a resolution to correct definitions of "Hoosier" that appear in Webster's Third New International Dictionary. While that measure still awaits Senate action, Quayle plans to pursue the issue with the dictionary's publisher.

In calling up his resolution honoring IU's basketball team and coach Bobby Knight, Quayle, who received his law degree from the Indiana University School of Law, joyfully -- and punfully -- praised the Hoosiers, who defeated the Syracuse Orangemen in the 1987 NCAA championship game in New Orleans Monday night by a score of 74-73.

I'd like to take just a few moments of the Senate's time to congratulate Indiana University for winning the NCAA basketball title last night. It's quite an achievement, and I'm especially proud to call myself a Hoosier today.

Those of us privileged to call ourselves Hoosiers have never quite agreed on what a Hoosier is, but there is something we all agree on back in my home State.

The Hoosier State means basketball at its best, and IU proved that yet again last night when it won the NCAA title a third time under Bobby Knight.

I also have a few words to say about some of Indiana's players, who worked so long and hard to reach college basketball's summit.

First, I was never a doubting THOMAS about IU's prospects. Their victory was hardly a CALLOWAY to win a national championship. Indiana wasn't MEIERed in confusion -- they were poised and experienced on the court. Any FREEMAN in this great country of ours could see that.

While I will admit to a slight bias -- I was ALFOR(D) Indiana throughout the Final Four -- I firmly believed that Indiana was SMART and talented enough to GARRETT its formidable opponent.

Clearly, beating Syracuse was no MINOR feat. In fact, it was something a HILL-

MAN on this side of the EYL can appreciate, an accomplishment of OLIPHANT-size proportions. But in the end, Indiana forged a victory that any blackSMITH would be proud of.

Sons and daughters of Hoosier farmers who go to IU quite often do so with a U.S. (S)LOAN or a Pell grant. But as anyone knows, you can't make a PELKOWSKI in Indiana. Basketball's the only game in my great State. I know my own State of Indiana is proud of the Hoosiers today. It was a victory worthy of amateur athletics in this country.

The following is the text of Senate Resolution 181 as introduced by Quayle and unanimously approved by the Senate midday Tuesday:

WHEREAS, Indiana University has had an outstanding basketball program since basketball was introduced as a collegiate sport, and has had an exemplary program for its student athletes;

WHEREAS, the Senate applauds IU coach Bobby Knight for winning his third NCAA title, a feat matched only by two other coaches in college basketball history;

WHEREAS, the Senate pays tribute to all four teams -- Indiana, Syracuse, Providence and the University of Nevada, Las Vegas -- who reached the Final Four in New Orleans;

WHEREAS, Indiana University's victory is much more than just a single accomplishment. It is part of a long and glorious tradition of amateur college athletics in this country.

NOW THEREFORE BE IT RESOLVED that the Senate recognizes and congratulates

Indiana University for its outstanding achievement in winning the 1987 NCAA basketball title.

Quayle offered his resolution correcting the definitions of "Hoosier" published in Webster's Third New International Dictionary to rebut remarks made on the Senate floor Monday by U.S. Senator Alfonse M. D'Amato (R-NY), a graduate of Syracuse University.

According to Webster's D'Amato pointed out, as a noun, "Hoosier" means "a noun, 'Hoosier' means 'an awkward, unhandy, or unskilled person; esp: an ignorant rustic.'" As a verb, D'Amato noted, "Hoosier" is a slang word that means "to loaf on or botch a job."

On the Senate floor Tuesday, Quayle countered D'Amato's jibes by introducing Senate Resolution 182:

WHEREAS, Indiana University's basketball team displayed the real meaning of the word "Hoosier" last night;

THEREFORE, be it resolved that a Hoosier is someone who is quick, smart, resourceful, skillful, a winner, unique and brilliant.

## Test-drive ends with accident

The Mentone EMS responded to the call for help at the scene of last Tuesday's accident in an open field south of Atwood. The crash occurred just south of the County Rd. 100 South and 800 West intersection, near the Harrison Township Church.

A 15-year-old boy was seriously injured, and two others also were hurt when a car rolled end-over-end. Taft Hull, Rt. 5, Warsaw, was taken to St. Joseph's Hospital, Fort Wayne. Barry Bays, 16, Pierceton, was admitted to KCH. The third youth, David A. Swearingen, Atwood, was treated and released from KCH for a wrist injury.

According to Kosciusko County Police, the car was borrowed from Pierceton Auto Sales for a test-drive by Bays earlier in the day. At about 3:48 p.m. the car skidded more than 100 feet on County Rd. 800 West before it crashed into the field. According to a patrolman at the scene, the car rolled once and "cart-wheeled" twice, end-over-end before it came to rest on its wheels.

When rescuers arrived, they found the car on top of

the Hull youth. Bays was also thrown from the car. Neither were wearing seat belts at the time of the crash.

Assisting the Mentone EMS were two paramedics from the Multi-Township EMS.

## April 15 is insurance deadline

"April 15 is the last day to apply for federal crop insurance for corn, grain sorghum, hybrid seed corn,

popcorn and soybeans grown in Indiana and insured by the Federal Crop Insurance Corporation (FCIC) or by a private company (MPCI) reinsured by FCIC" according to Harlan G. Stull,

a representative of Federal Crop Insurance Corporation. Crop insurance covers unavoidable loss of production resulting from adverse weather condition, insects, plant disease, hail or fire.

Producers may now qualify for high yield guarantees under The Actual Production

History (APH) by proving their history. Rates have been developed to offer reduced premiums for producers with above-average yields said Stull.

To find out more about the crop protection available on your farming operation, a list of authorized agents is on file in your local ASCS county office.

they could have more preparation time and less stress during their workday.

\*Staff accountability: Non-teaching school employees also would be evaluated.

A plan being considered would include a "performance-based award system" employing a pool of money that would be shared by eligible schools that were deemed "improving" schools or "excellent" schools. Improvement or excellence would be measured according to attendance rates, ISTEP scores and comparisons with similar schools and with the performance of the school in question the previous year.

The money could be used for "any academic purpose."

## Easter's "Face lift" to life

by Mary Fisher

The smell of newly plowed dirt, frogs croaking, buds bursting forth, and baseball bats cracking. These things all have one thing in common. They are all signs and sounds of spring; the time of year when the entire realm of being experiences a form of new life.

The drudgery of winter escapes our minds quickly when we see the first spring flower in bloom or a newborn lamb with its mother.

Along with spring comes the most joyous of all Christian holidays. Easter is a Christian celebration of the resurrection of Christ. Easter and spring intertwine with the "Coming alive" of nature all around us.

Easter decorations and paintings often include the figure of a lamb as a symbol of Jesus. Lambs were used as sacrificial offerings by the Jewish people during the Passover celebration in old testament times. Early Christians spoke of Jesus as "the Lamb of God, which

taketh away the sins of the world" (John 1:29).

Why do we get so excited about Easter and spring? Every one of us has experienced the deep joy felt when seeing a new born baby for the first time or the innocence of a newborn animal with its mother in a field of green pasture. We recently received the news of the birth of our new niece, EmberLi Brooke Riner, what a sense of hope and joy we felt. Birth is such a miracle. A new birth represents love and hope to all of us. When I saw the new colt and its mother grazing on the hilly pasture east of Akron, I felt a sense of inner peace to see such innocence against the rage of the every day struggles of the world.

Easter and spring provide a natural face lift for all of us. The earth receives a face lift with the renewed coloring of the grass and the bursting forth of buds on the trees. Saturday was a beautiful example of this. As I would look out my windows periodi-

cally between the showers I could see the grass getting greener and the buds of our lilac bushes opening up in full glory.

If you believe in the resurrection of Christ then you can also experience a "spiritual face lift" during the Easter season. For Christians, the resurrection of Christ represents a renewing of their faith. What Christians believe is based mainly on this one event - Christ taking our sins to the cross, dying for us, and then receiving new life through the Father.

The song "It Is Finished" tells of how Christ has won the war for us. Even though the war is over, we as human beings still continue to make battles for ourselves but yet we do have the reassurance that a "face lift" is available to us just for the asking.

No matter what you believe or even if you believe, take time to enjoy nature's face lift and take time to ponder what Easter represents. Get outside and enjoy the vividness of life.

## Easter Egg Hunts

Easter Egg Hunts will be held in Akron and Mentone this Saturday, April 18. The first egg hunt will be in Mentone beginning at 9:30 a.m. at the Mentzer Park. The event is being sponsored by the Mentone Chamber of Commerce.

At 11:00 a.m. the Akron Chamber of Commerce will be holding its annual Easter Egg Hunt for the children in the Akron Park. There will be prizes awarded each age group for the most eggs found in the hunt.

In case of rain, the hunt will be held in the Akron Jr. High gym at the same time, 11:00 a.m.

## Community Good Friday Service set

Community Good Friday services will be held Friday, April 17, at 12:30 p.m. at the Akron United Methodist Church. The Rev. Robert Jarboe, will deliver the message. Rev. Jarboe pastors the Beaver Dam and Silver Lake United Methodist Churches.

Special music will be provided by Byron and Rozella Tinkey, of the Akron Church of the Brethren.

The Chancel choir with Karna DuBois, Marilyn Kruger and Paula Yoder of the Akron United Methodist Church will also be singing.

The Henry Township Ministerial Association is sponsoring the community church service.

## April 20 deadline fast approaching

The Mentone Town Board has until April 20, to submit to the state, its grant proposal for the sewer project which is still the top priority of the town board.

During the last town board meeting, Frank Ryan of the State Department of Commerce, and Deb Wiggins, representing Kosciusko Development Inc. (KDI), were present to help the board in its decision for the necessary contractors.

Ryan explained there are two jobs to be completed. One is that of grantsmanship management and the other is architectural and engineering technology. It is the decision of the board whether there will be one company to handle both jobs, or a separate company for each.

Representatives of Bonar and Associates, Fort Wayne, a sewage treatment manu-

facturer, will be at tonight's (Wednesday, April 15) meeting to help the board decide which plan will be more cost effective.

During the meeting, a plan of study will also be plotted. This plan will map out the sewer problem, list the planning costs and determine why a grant is necessary to complete the project.

In other matters, the board decided all businesses in town will now have their trash picked up and be billed by Millwood Sanitation, Bourbon, rather than these services being provided by the town. Residents will continue to be billed by the town.

Trash pick up will now be from the streets instead of the alleys until the sewer problem is solved. The board expects this change to last through the end of 1987.

Spring brings new life to all of nature. This colt is two days old and belongs to Harvey and Peg Arthur, Akron. (NEWS Photo)

## Notice

The Fulton County License Branch will be closed on Friday and Saturday, April 17 and 18, for the Easter weekend. The license branch will also be closed on Thursday, which is customary.

## Easter

By Esther C. Adams

When I think of Easter,  
And Good Friday and The Cross,  
How The Blessed Saviour,  
Gave His life for souls so lost.

And each Blessed Easter,  
Brings Faith and Hope anew,  
Strength to carry on Life's Battle,  
His help in all we do.

And with each passing Easter,  
How thankful we can be,  
For The Blessed Saviour  
Who died for me and thee.

## Letters to the Editor

Dear Editor,

The Mentone Chamber of Commerce directors would like to take this opportunity to say thank you to all those who helped in any way with the Mentone-Burket fourth and fifth grade basketball games last Friday night.

A special thanks goes to Mentone principal, Mike Humphreys; Burket principal and coach, Oliver England; Announcer, Rita Price Simpson; and scorekeepers Bill Leininger, Chr.; Bill Ruppell, Dan Hauser and Mike Hoyt.

Also thanks to coaches Chris Jones, Lori Deardorff, Doug Miller, Roger Moriarty and Wayne Landis; referees Shawn Miller, Roger Townsend, Kirk Robinson and John Lash; and judges Jo Gamble, Chr., Connie Haney, and Buni Leininger.

Thanks also to Charlie Smith, Event Chairman, Darrell Miller, Ron Secrist, Steve Tucker, John Craig, Raymond Lewis, Will Wagner, Vic Gamble, Jay Woodruff, Kathy Tucker, Dixie Secrist, and Becky Smith.

A big thank you to those who attended the annual Chamber of Commerce basketball games.

### How Your Eating Affects Others

Examples...We all set examples. This column is geared toward mothers both young and old as well as teenagers who set examples for others.

Having two children of my own, I have noticed that setting an example is important. You can tell kids to eat their vegetables time and time again, but unless you yourself eat vegetables, it won't do much good. Granted, there are times when vegetables will never touch their lips (they don't seem to like any of them) but eventually upon growing older, they will learn to like them. They will also remember having variety of vegetables. (This has happened to me and I'm hoping it will happen to my boys).

Never having been one to cook a big breakfast, I have been known to fix toaster pastries, toast, and sweet rolls. For anyone watching their weight, this is the worst possible meal. Toast and coffee are items when I'm short on time. Later, cereal with 2% milk and half the usual amount of sugar or grapefruit (sugarless) have been on my menu. Seldom do the boys eat fruit for breakfast, but as long as milk and a breakfast item are eaten, the rest of the meals are balanced. (By the way, my mother always fixed a big breakfast and the example never seemed to rub off on me. I still feel guilty.)

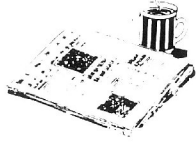

Before bedtime, rolls, cookies and coffee were served in my family. This was a time of togetherness and today bedtime remains a time for eating, a hard habit to break. We always sat around the table after meals and talked. Company was an every weekend occurrence and extra cooking took place too. After meals, leftovers were placed on the table and once again we would all sit around the table talking and eating. To this day, I tend to leave food on the bar where it can be seen and eaten as you walk by. What a temptation!

It seemed that most of the togetherness at my home was around the table and food. Maybe less snack items and putting food away will help. As for the table and togetherness - that is something everyone needs. In times, when families are so busy and each person goes their own way, the only time for togetherness is the evening meal around the table. What better example to set for the next generation!

Thank you to all our relatives, friends and neighbors for the gifts, cards and good wishes on our 25th anniversary. A special thank you to our children, and those who helped them, for planning and hosting the open house for us.

We are very grateful for everything and shall cherish the memories of this special day.

Richard and Jerilyn Peterson

Dear Friends,

I would like to thank everyone for their cards, prayers and concern. I was released from the Chicago hospital for a few weeks after minor surgery. I will hopefully be able to go back in soon. My address will be the same.

I don't know if I merit all the cards and concern I've gotten, but I really do appreciate it.

Thank you.

Keith Haney

30 YEARS AGO

Akron and Fulton County lost its oldest citizen Sunday when A.A. Gast died at 7:30 a.m. in the Alfron Nursing Home in Warsaw. He had been a patient there for three months. Mr. Gast, better known as "Double A", was 101 last September 14. He was born in 1855 to Andrew and Marie Halbeisen Gast and was named Andrew Almondo. His parents came to Akron from Fort Wayne. Last October he and his wife, the former Etta Bitters, observed their 70th wedding anniversary. Mrs. Gast was his assistant in the post office when she married him in 1887. His first wife, Laura Ball, had died in 1883 leaving him with two small sons, Estil and Tom. He had three sons and a daughter by his second wife, Karl, Robert, Whitney, and Marie. Tom died several years ago. The wife, who is now 93, and the other children survive, as well as 16 grandchildren and 31 great-grandchildren.

The Cub Scouts and their two leaders recently enjoyed a "field trip" to Logansport. They were: Steve Slaybaugh, Dicky Johnson, Gene Strevey, Bruce Mahar, Tommy Tucker, Jimmy Kendall, Norris Keirn, and Ronnie Smith. The leaders are Mrs. Richard Slaybaugh and Mrs. Dale Smith.

Mr. and Mrs. Jack Shriver are the parents of a son, Michael Jay, born Monday, April 22 at Woodlawn Hospital. The baby weighed 6 lbs. and 12 oz. Mrs. Shriver is the former Norma Smith.

Beginning at 12:01 Sunday morning, Akron telephone subscribers will have a new prefix added to their numbers: TWinning 3. The new fire number will be TW 3-2345, and police number will be TV 3-2255. Rochester phones will convert to the dial system also this Sunday and will have a CApitol 3 prefix, plus new four-digit numbers.

On Tuesday afternoon, the members of the Girl Scout Troop I observed their own Arbor Day, by planting 40 hardwood and pine seedlings in the new Memorial Park area in the Northwood Addition. Those who helped were: Mary Ann Meredith, Donna Rae White, Linda Madeford, Claudia Klise, Barbara Gray, Martha Oliver and the leader, Mrs. Donna White.

Many farmers were very much disappointed when they received their milk check for the 15th of this month. It seems to have been their understanding that they would receive \$2.65 per hundred, instead they received \$2.47 for their milk in February.

A.H.S. NOTES: Harold Groninger will go to Rochester Saturday where he will compete in the regional Latin contest. Harold won a right to enter this contest by his winning second place in the sectional contest which was held at Rochester a few weeks ago.

Benmore says that the next time he goes to the state tournament he is going to take his roller skates along and save bus fare. It's an awful feeling to be left alone in this cold world, isn't it Finney.

Jim, Beamey, Sriver and Lonzo went shopping or jay-walking or something Friday noon when the others remained at the Hotel House. Anyway they didn't show up until about three o'clock. It seems that when they started home, the only direction that they knew was straight up. Lonzo and Bob had decided hereafter they will make some inquiries when they enter an eating place, especially if it has the appearance of a cafeteria. It seems as if they lost a very valuable half-hour waiting for service in one of "them" help-yourself places.

The members of the Beaver Dam Faculty and Basketball team with their coach were very delightfully entertained at the Hotel Akron last Friday evening. The tables were very attractive with a centerpiece of sweet peas. A three course dinner was served to a party of sixteen. The program conducted by the toastmaster, Mr. Cox, consisted of speeches and readings by Nellie Huppert and music by Genita Smith, Donald VanCuren and Gifford Mentzer of Warsaw. The guests were then taken to the Argonne Theatre.

Orville Ellis Tuesday purchased the truck and milk route owned by Harry Burdge and took possession Wednesday.

Tom Weaver will represent Akron High School at Hoosier Boys' State to be held on the Indiana State University Campus at Terre Haute. He is the son of Mr. and Mrs. Lloyd K. Weaver, Rt. 2, Rochester. Alternate to Boys' State is Chester Prater, son of Mr. and Mrs. Kyle Prater, Rt. 1, Akron.

Mr. and Mrs. Lonnie Schipper, Mr. and Mrs. Roy Schipper, Mr. and Mrs. Gary Schipper attended the 50th wedding anniversary of Mr. and Mrs. William Bemenderfer in Indianapolis on Sunday. Mrs. Betty Kotterman and granddaughter, Susan of Phoenix, Arizona were also there and returned home with her brothers Lonnie, Roy and Gary to spend some time with relatives.

Mr. and Mrs. James Miller and sons entertained at dinner Sunday for Mr. and Mrs. John Miller of Plymouth, Mr. and Mrs. Lloyd Creakbaum and Mr. and Mrs. Joe Miller. They celebrated Doug's, Jim's and Lois's birthdays. Mr. and Mrs. Jack Miller and Debbie, Akron, were afternoon callers.

Mr. and Mrs. Wayne Bowser, who recently returned from a trip to the Bahamas, were welcomed home with a surprise party hosted by their children, Fred Bowser and Mrs. Terry Reed, Mentone, and Mrs. Charles Swihart, Warsaw. Present were, Mr. and Mrs. Fred Lemler, Mr. and Mrs. David Bowser, Mr. and Mrs. Raymond Lewis, Mr. and Mrs. Kenneth Romine, Raymond Weirick and daughter Bede, all of Mentone, and Mr. and Mrs. Stan Yeiter and sons and Mr. and Mrs. Chas. Swihart and children, Warsaw, Fred Bowser and Mrs. Terry Reed and Ed die.

Graduation from Akron High School is a family affair. Judging by this group of graduates who assisted in preparing mailing lists, Elizabeth Gray, whose mother, Helen Studebaker Arter, was also a graduate, Polly Finney, whose mother and grandmother graduated from Akron, Janice Shewman whose mother, the late Doris Keesey Ellis, was an Akron graduate, Pam Madeford and her grandmother Helen Day who compiled addresses for her husband Joe, Pam's parents Mr. and Mrs. Dick Day are also Akron graduates, Emelyn Fites, mother of Mrs. Finney and daughter of the late Willa Harter, also a graduate, Alice McFarland whose father the late Roy Groninger, was a member of the class of 1907.

Mushroom stories haven't been too plentiful, yet, but Don Smythe came in this evening with a rather good sized sponge mushroom. It measured 11 and one-half-inch in circumference and six-and-a-half inches high. It weighed better than six ounces on our scale - and it was never used to weigh meat. Don, with Ray Engle and Chas. Moore, of Warsaw, were going north on Highway 15 out of Warsaw, with a truck load of cement for Reliable Builders. Ray Engle said he thought that was a mushroom standing beside one of the telephone poles, so when they came back they stopped, and picked the specimen referred to above. (Donnie didn't say a thing about how he managed to end up with the delicacy.)

Nancy Goodman has been named valedictorian and Patsy Hunter, salutatorian, of the Talma High School 1955 graduating class. Nancy is the daughter of Mrs. Mildred Goodman and the late Chancey Goodman and Patsy is the daughter of Mr. and Mrs. Delbert Hunter. Other members of the graduating class are: Norma Dickson, Donald Duzenberg, Kenneth Grass, Kay Harvey, Carole Holloway Craft, Jeanette Horn, Dale Ladson, Harold Melton, Carolyn Mooy, Marlene Reed, Harold Smith, Sue Utter, Lyle Vandermark and Norman Weaver.

Mr. and Mrs. Delmer Bunell and daughter are living in the Lemler apartment formerly occupied by Mr. and Mrs. Dick Gross and family, who have moved into their own home.

Mr. and Mrs. Lawrence Butts will observe their 25th wedding anniversary Sunday, May 1, with open house from 2 until 5 o'clock at their home. Married May 3, 1930, the Butts have 2 children: Buddy Gene of Akron and Donald Lee, now at Manchester College. There is one granddaughter, Peggy Ellen. Friends and relatives are welcome to attend the open house.

Jon Cullum, a freshman at Manchester College and the son of Mr. and Mrs. Arley D. Cullum of Mentone, has been nominated by his class as a candidate for election to the Community Council. A total of sixteen students will be competing for seats on the Council with eight to be chosen as the result of an all-school election.

The Misses Kathryn Eiler and Winifred McCutchen, senior and junior respectively, represented Mentone High School in the Kosciusko County spelling contest which was broadcast over WOWO, Fort Wayne Monday night. Twelve county high schools were represented. Miss Eiler was unfortunate in misspelling a word in the first round. Miss McCutchen, however, held her own very well with the other spellers of the county and was not put out of the contest until the twelfth round. The contest was won by Ripley of Milford and Silver Lake was runner up in the contest.

## Akron graduate back in the news

Many of Akron's citizens may remember when a little ten-year-old boy climbed onto the pipe organ bench at the Akron Methodist Church and continued the tradition of his mother, playing the church organ.

Evan Whallon lived in Akron as a boy with his parents in what is now the Kendall home on State Road 19 in Akron. His sister Jeanne was a member of the class of 1944 and his other sister Harriet was a 1953 graduate of AHS.

On March 27, 1987 an article appeared in the San Francisco Chronicle about the accomplishments of Evan Whallon. It was sent to Akron by Jeanne Noyer Ball who was amazed to see her hometown of Akron in that big newspaper. The article was written by Jon Carroll and it tells of Whallon's continued interest and love of music. The article is being reprinted in the NEWS for the classmates and friends of Evan Whallon and for those who just remember him as a fine musician.

### FORTY YEARS LATER, THE BAND STILL PLAYS Shanghai, China

It is, in its quiet way, an entirely satisfactory American success story. A kid from Akron, Ind., (population in the late 1920's: about 100 souls) shows musical ability early, starts conducting while still a teenager.

Career interrupted by war; resumes. Kid wins competition to become assistant conductor of the Philadelphia Orchestra under Eugene Ormandy. He later studies with George Szell - "A great conductor, a great pedagogue. That's how you learn music hands-on. You can't read about it; it would be like reading a book on how to swim."

He takes over the Columbus Orchestra in 1956; it has 46 players and a budget of \$100,000. When he leaves, 26 years later, it has 90 players and a budget of \$3 million. Evan Whallon had done what conductors are supposed to do — he had built an orchestra.

But there are second acts in American lives. Whallon's wife died, too early, of cancer. His two sons grew up; Whallon grew restless. When the Western Opera Theater called, he answered. At 63, he has just spent five months living out of a suitcase and a Greyhound bus with a troupe of singers one-third his age. His assistant conductor, Patrick Summers, also from a small town in Indiana, is 23. A tradition is continuing.

Evan Whallon has been to Shanghai before. Just after V-day he was on a mine-

sweeper anchored in the Huang Po River. It was Thanksgiving; everyone was given shore leave. Whallon wandered up and down the Bund, the waterfront promenade. He stopped at one hotel and listened to a small combo play Glenn Miller and Tommy Dorsey. Whallon found it moving and strange, these familiar, innocent tunes in the sad, immense poverty of post-war China.

Three years ago, Whallon heard through a friend that the combo (which had disbanded during the Cultural Revolution) was playing again. His first night in Shanghai he went down to the Peace Hotel to find out.

The bar at the Peace Hotel gave me a sense of "vujade," the eerie feeling that I had never been anyplace like this before. Think of the Mabuhay Gardens only with different music and rowdy German tourists. Think of the lobby of the Sheraton Palace jammed with Chinese teenagers wearing black leather jackets and chain smoking pungent cigarettes.

Think of the Venetian Room with brightly lit freezer cases full of Coca Cola along one wall, only smaller and smokier and dotted with scruffy French students trying to talk to elderly Chinese gentlemen in black suits.

Yeah, but it's weirder than that.

As we walked in, the six-man group was racing through "Chatanooga Choo-Choo." All the musicians were apparently ageless; they could have been 40 or 80. None except the drummer ever smiled; none except the bass player ever stood up.

But they were good. They played "Misty" and "As Time Goes By" and "Sweet

Picture furnished by Mary Irene (Merley) Rager, Class of 1937.

Georgia Brown." At the break, Whallon went up to the drummer.

"How long have you been playing here?"

"Over six years."

"No, I saw you in 1945."

The drummer smiled and ducked his head. "Yes, yes, then too."

Evan Whallon returned to his seat and talked a bit about his task for the following day, when he would for the first time, take up his baton and lead a rehearsal of the Shanghai Opera Orchestra.

"Fascinating," he said, several times, looking as ageless as a Chinese drummer.

Success usually comes to those who are too busy to look for it.

## Old Grads Deadline draws near

## 10 YEAR HEAT PUMP COMPRESSOR PROTECTION PLAN

Choosing a heating and air conditioning system is a major decision. And the more you know, the more likely you'll be to choose today's high efficiency heat pump for your all-electric home. And Public Service Indiana's 10-Year Compressor Protection Plan is one more reason to add to an already impressive list.

**10-Year Compressor Protection Plan.** Public Service Indiana will also furnish 10-year compressor protection on high efficiency heat pumps installed on PSI lines by an RSES certified technician.

**\$400 rebate.** Now Public Service Indiana will pay a \$400 direct rebate when you have one of today's high efficiency heat pumps installed on PSI lines.

**Economical operation.** The ability of today's high efficiency heat pumps to bring heat into your home for heating and removing heat for cooling is unrivaled by any other heating and cooling method. This translates into substantial year-round savings to you.

**Stable rates.** Public Service Indiana customers can look forward to stable rates. PSI has already frozen its rates until 1990, and your rates are likely to remain stable well into the 1990s.

**Year-round comfort.** During the winter months, today's high efficiency heat pump will warm you with a constant flow of 90°-95° air. And during the summer, the system produces cool air for whole house comfort.

**Safety.** Today's high efficiency heat pump oper-

ates on a system that does not require a flame of any kind to create heat in your home or business. No open flame is simply cleaner and safer.

There you are. Economy, comfort and safety. And the only place you'll find it is in today's high efficiency heat pump. Isn't it time you kissed an old flame good-bye?

Once you know the facts, you'll choose today's heat pump for your home or business.

For your free High Efficiency Heat Pump Guide, call 800-835-2246, extension PSI (774).

**PUBLIC SERVICE INDIANA**

### Free Booklet

Call 800-835-2246, extension PSI (774) for a FREE copy of the High Efficiency Heat Pump Guide.

### 10-Year Compressor Protection Plan

Public Service Indiana will extend compressor protection on high efficiency heat pumps (SEER 9.0 or over) to 10 years when installed in all-electric homes on PSI lines by an RSES certified technician.

### Stable Rates

High efficiency heat pump owners can also look forward to stable rates — rates already frozen until 1990. And unless governmental agencies require significant new environmental spending, your rates are likely to remain stable well into the 90s.

### \$400 Rebate

Public Service Indiana will pay a direct \$400 rebate on today's high efficiency heat pumps (SEER 9.0 or higher) installed in new and existing all-electric homes.

Easter Sunday a movable feast commemorating the resurrection of Christ, changes dates each year. As prescribed by the council of Nice, 325 A.D., the date is derived from the lunar calendar. Easter is on the first Sunday following the first full moon on or after the Vernal Equinox (March 20). The dates are always between March 22 and April 25. For the rest of the century, Easter will be celebrated on the following dates: April 3, 1988; March 26, 1989; April 15, 1990; March 31, 1991; April 10, 1992; April 11, 1993; April 3, 1994; April 16, 1995; April 7, 1996; March 30, 1997; April 12, 1998; April 4, 1999 and April 23, 2000.

The Akron Keen-Agers wish Flo White and Dorothy DeLong a speedy recovery. Get well cards were sent to all in need. I want to thank

Margaret Eber and all the volunteers who helped her in any way during my week vacation.

Senior Citizens, come join us for a well balanced meal and fellowship. Please call 893-7204 the day before, for your meal reservation between the hours of 9:00 a.m. - 12:30.

Monday - Beef stew, tossed salad, biscuit, tapioca pudding, milk, coffee, and orange.

Tuesday - Chicken pot pie, stewed tomatoes, cole slaw, peaches, sugar cookies, milk, coffee.

## Kindergarten Roundup news

### Burket

On April 28, 1987, at 1:00 p.m., the Burket Elementary School will have pre-enrollment for the 1987-88 Kindergarten Class. The meeting will be held in the kindergarten room.

Mrs. Pat Hoover, the school nurse, will discuss the school's health policies. Mrs. Susan Kinney, the speech and hearing therapist, will also talk to parents. Mrs. Marna Riedel will discuss the kindergarten program and answer any questions the parents may have.

Parents are reminded to bring their child's birth certificate so that school officials can verify the child's age for the school's records. A child must be five years of age on or before August 1, 1987, in order to attend kindergarten.

Parents who cannot attend this meeting may send in the necessary information with another person. Anyone having questions concerning the pre-enrollment meeting should call the school office.

### Mentone

The Mentone Kindergarten Roundup will be at 7 p.m. Monday, April 27, in the Mentone School cafeteria. Children who will be five years old before Aug. 1, are eligible for kindergarten. Parents are asked to please bring their child's birth certificate.

### North Miami

Kindergarten Roundup will be held at North Miami Elementary on April 28, and 29.

All parents with prospective kindergarteners for the school year beginning August 1987 should plan to attend Kindergarten Roundup either April 28 or 29.

Children should attend with their parent(s). Preschoolers will be visiting the regular kindergarten rooms while enrollment is completed. Enrollment should last approximately one hour. Following enrollment parents will pick up their students and return home with them.

The two dates and times for enrollment are as follows:

Tuesday, April 28, - 9:30 a.m. and Wednesday, April 29, - 1:30 p.m.

Requirements for enrollment in the fall are as follows:

(1) A child must be five years old on or before September 1, 1987; (2) Please bring a legal birth certificate to enrollment; (3) Parents may want to bring immunization records to enrollment if they have questions. If immunization is not now complete, it must be completed before September 1, 1987. A form will be provided at enrollment for the family doctor to certify completed immunizations; (4) Immunization requirements consist of shots for tetanus, whooping cough, diphtheria, measles and Rubella, and polio. A vaccine for mumps is also a state requirement. The test for tuberculosis is no longer a state requirement, but we are asking that you also have this test for your child.

If you have a prospective kindergarten student, please call or write to the school to indicate what day you will be enrolling your student. Please let us know by Friday, April 24. The school phone is 985-2251.

## Speech class to give play

The Tippecanoe Valley Speech II class, as their final project, will be performing "Terror in the Suburbs" on May 15, 1987 to the school and faculty and on May 16, 1987 to the public. The play will be held in the lecture room at 7:30 p.m. Tickets are \$2.00 if purchased in advance, and \$2.50 if purchased at the door.

This play is about a great scientist, Mr. Cloud, who suddenly dies. His widow, who believes that he didn't die a natural death, takes his body, after a phony funeral, to a suburban mansion.

Here, a chain of odd events occur, and Mr. Cloud's body isn't the only body that turns up.

You'll love the characters. Teresa is an odd and mentally disturbed woman who runs about the mansion the whole play. Betsy and Carla are only boarders from Washington D.C., but the things they go through! Come and see for yourself.

## Shall we dance?

Everyone enjoys the dance! Right? If you saw "Seven Brides for Seven Brothers" at Tippecanoe Valley High School then you know that not everyone did enjoy the results of the dance. The choral department did an excellent job with their production of the musical.

## Shively inducted into Baseball Hall of Fame

Claypool native Merle Shively, a top pitcher for several Kosciusko County and Fort Wayne area teams in the 1940's, will be inducted into the Fort Wayne baseball Hall of Fame later this month.

The ceremonies, along with a dinner, will take place Friday, April 24, at Goeglein's Reserve, 7311 Mayesville Rd., in Fort Wayne, beginning at 6 p.m. Tickets for the dinner can be reserved by calling either 745-7063 or 456-3271.

Shively, a right-handed pitcher, started his baseball career with an American Legion team in Burket, as well as playing for Claypool High School. During those years, he pitched and played all infield positions before settling on pitching.

His first non-school efforts came for teams representing Warsaw and Churubusco,

before pitching for four teams in the Fort Wayne Federation League in the mid 1940's. One of his pitching highlights came while pitching for Warsaw in an early-season Federation game in 1947. Shively struck out 23 batters in the contest, and was immediately inducted to a semipro contract by the GE Voltmen Club in the Michigan-Indiana Semi-Pro League.

The 1947 Boston Braves, who one year later won the National League pennant, played the GE team in a Fort Wayne exhibition later that year. Shively started the game, holding the Braves to two runs for five innings before leaving with a 3-2 advantage. The Braves later came back to win the contest.

## Summer basketball league opens season

The Plymouth Summer Basketball League has announced the opening of its 12th season on June 20th. This NCAA sanctioned league has become the premiere summer league program in the midwest, with many top-rated high school, college, and professional players participating each year. Both a men's and a women's league will be offered, featuring an 8 game regular season followed by divisional and league tournaments. Trophies will be awarded to the top 3 teams in both the men's and women's leagues, along with sponsor trophies, MVP, sportsmanship, outstanding high school player, outstanding college player and coach of the year trophies for each league.

In 1987 the Plymouth Summer Basketball League will be under the direction of the Midwest Sports Center located in Donaldson, In. All

## Ray Fenix wins fight

\*\*\*\*\*

Ray "Rattlesnake" Fenix, a graduate of Tippecanoe Valley High School, improved his pro record to 4-1 with a second-round knockout to Richard Wilson of Indianapolis in a light heavyweight fight on an undercard preceding the middleweight title fight between Sugar Ray Leonard and Marvelous Marvin Hagler.

The bout was scheduled for six rounds, and was the main event on a three-fight card at the Allen County Memorial Coliseum prior to the Hagler-Leonard closed circuit TV showing.

Fenix is scheduled to fight next on May 16, in Hammond.

## JV Vikes defeat Triton

Tippecanoe Valley's Jerod Feldman hit an inside-the-park homer with one out in the sixth inning to end the junior varsity baseball game with Triton Thursday, as the Vikings won 15-5 in their season opener.

Feldman had three hits, with a triple and single to go along with his roundtripper. Dion Anglin, who came on in the fourth to record a save, also had three hits, while Chris Paris went 4-for-4 and Skip Smythe chipped in with two hits.

Anglin and Paris both had RBI hits in the eight-run Viking third inning to break a 3-3 deadlock. Ike Bocko had put the Trojans back into the contest with a second inning triple.

## Tourney teams sought

A ten team double elimination slow-pitch mens softball tourney will be held in conjunction with Silver Lake Days, June 20 and 21. The tourney will be held at the Silver Lake school diamond. Entry fee is \$75. Teams interested are urged to contact Brad Spratt at 219-352-2828 or Marlin J. Carr at 219-352-2180 after 6 p.m. as soon as possible. Entries will also be accepted by contacting the Lake City Bank at 219-352-2124 weekdays from 9 a.m. to 5 p.m.

On the same dates, a ten team double elimination slow-pitch women's tourney will be held in conjunction with the Silver Lake days. The entry fee is \$65, and one restricted flight ball. Teams

interested are urged to contact Pattie Neukam at 219-982-7225 or Marlin J. Carr at 219-352-2180 after 6 p.m. as soon as possible. Entries will also be accepted by contacting the Lake City Bank.

## Special Olympics

Sixty-six countries, the 50 United States and four U.S. territories will be represented in the VII International Summer Special Olympics Games, July 31 - August 8, 1987, held at the University of Notre Dame and Saint Mary's College in South Bend, Indiana.

As a result, the 1987 International Summer Games will be the largest event in the history of Special Olympics, which began in 1968. Three countries participated in the First International Special Olympics Games held at Soldier's Field in Chicago, Illinois: France, Canada and 26 of the 50 United States. The event included track and field sports.

The First International Games resembled a carnival more than an athletic competition, but it was a beginning that would develop into a worldwide embrace of the love of sports and effort.

## Valley opens season

Tippecanoe Valley opened its baseball season at home last Tuesday by giving Whitko their first win of the season. Whitko started their win with two runs in the top of the first and added three in the third, then closed the contest with a six run fifth inning.

## Lady Vikes lose opener

All did not go well for the Lady Vikings in their first softball game of the season. The team had trouble getting their abilities to work together and the Lady Zebras seemed to know how to take advantage of each Viking error.

The game did however provide a good learning experience and allowed the Lady Vikings to get rid of those first game jitters.

The Rochester team managed to keep the Vikings scoreless in the five innings of play, which ended in a 27-0 victory for the Zebras.

**MISSING REAR TEETH**

If all of the rear teeth in one side of your jaw are missing you may opt for a partial denture instead of a span of empty gum. Your dentist will have to rely on your front teeth for support in making such a partial denture. He'll also have to make maximum use of your gums and supporting bone to give the denture stability.

Even though this kind of partial denture is not as stable as the kind that hooks onto or is permanently affixed to supporting teeth on both sides of a tooth void, it is certainly preferable to the alternative of full dentures. The remaining natural teeth can continue to provide strength in chewing food and help maintain the shape of the face.

Without the help of supporting teeth in the rear to hold this type of partial denture in place, there is more pressure on gums and ridges. A certain amount of shrinkage is a natural occurrence. This means the partial denture will have to be adjusted from time to time. This will probably include reining to compensate for changes in your gums to make it fit securely. But, it is certainly better for your health, your appearance, and eating to have teeth rather than uncovered gums.

Prepared as a public service to promote better dental health. From the office of: H. RAY HAZEN, D.D.S., M.S.D., P.C. 1329 Main St., Rochester. Phone 223-3121; 114 Mishawaka St., Akron. Phone 893-4545.

### HYPERTENSION IN THE ELDERLY

The older a person is, the more apt he or she is to develop hypertension, or high blood pressure. This is why senior citizens are among the majority of hypertension victims.

Diuretic agents are the medications most often prescribed to older individuals with high blood pressure.

Diuretics have been the top recommendation among medical experts because of the simplicity of their use and their relative low cost.

A major drawback to the

use of diuretics is that they cause the body to lose an important mineral, potassium. Low potassium can cause complications in certain forms of heart disease.

Diet alone cannot easily replace the amount of potassium lost. For example, some patients on diuretics would have to eat the equivalent of a five-foot banana every day, in addition to regular meals, to compensate for the lost potassium. That is why many physicians frequently prescribe potassium supplements.

## Events of Holy Week

by Mary Fisher

It recently came to my attention that many people do not know the significance of Holy Week. With my own thoughts and the help of the World Book Encyclopedia, consider these events of the week.

Holy Week comes as the last week of Lent, just before Easter. It begins with Palm Sunday.

**Palm Sunday**, honors Christ's triumphal entry into Jerusalem, when the people spread palms before him. Christians honor the Last Supper on Maundy Thursday or Holy Thursday. This is when Jesus explained the breaking of bread and drinking of the cup to his disciples.

Good Friday, or Great Friday, is the remembrance of Christ's death on the cross. Many churches hold services between noon and three o'clock to recall the hours of Christ's suffering. Roman Catholic churches hold a special vigil service on Holy Saturday night, concluded with Mass.

Holy Week ends on Easter Sunday to celebrate the resurrection or the coming alive of Jesus. Many churches start the day with a sunrise service of celebration. This represents when the women went to the tomb early in the morning to find it empty. Easter Sunday services then celebrate the fact that Jesus arose from the dead and lives.

# Legal Notice

**NOTICE TO BIDDERS**  
The Board of School Trustees of Rochester Community Schools will receive sealed bids for Energy Conservation Measures on Rochester High School, Rochester Middle School, Columbia Elementary and Riddle Elementary Schools, Rochester, Indiana 46975.

Bids will be received until 10:00 A.M. local time, on May 19, 1987 in the administration offices, West 18th Street, Rochester, Indiana, at which time bids will be opened and read aloud.

Bids received after this time will not be considered and will be returned unopened.

This project consists of Energy Conservation Measures and improvements as further defined in the INSTRUCTIONS TO BIDDERS and other documents of the Construction Manual, Drawings and Details.

The work for which the proposal is asked includes all labor and materials, transportation services, equipment and everything required or necessary for the proper and complete finishing of the Work.

Each contractor with whom the Owner enters into a Construction Agreement becomes a Prime Contractor. This project, in the general term, will not have a General Contractor. Various disciplines of work, the total of which represents the entire project, are divided into Bid Packages. The Owner will award separate contracts for the various Bid Packages. Each Contractor will be responsible for their coordination of the project as further defined in Division 1 of the Project Manual.

Separate Bids to Owners are requested for the following Bid Packages:

**Bid Package #1:** Energy Management System Contract  
**Bid Package #2:** Mechanical Contract  
**Bid Package #3:** Electrical Contract  
**Bid Package #4:** Insulation Contract  
**Bid Package #5:** Pool Cover and Filter Contract

Combined Rates: Any bidder, at his option, may submit a combined bid made from any combination of the above Bid Packages. A separate bid must be submitted for each Bid Package in addition to the combined bid. Combined bids will not be considered unless the bidder also submits separate bids on each Bid Package contained in the combined bid.

Submit on a separate sheet breakdown prices for each school project to be used for accounting and financing purposes by the Owner.

Voluntary alternates will be considered provided the Bidder first submits a bid based on the specified Work.

Work shall conform to the Drawings, Details, and Construction Manual prepared by DMB Corp., Engineers, Elkhart, Indiana.

Bids shall be properly and completely executed on State Board of Accounts

Form No. 96 "Contractor's Bid", provided by the Bidder, in accordance with the INSTRUCTIONS TO BIDDERS.

Bid Security in the amount of 5% of the bid must accompany each Bid, in accordance with the INSTRUCTION TO BIDDERS.

Contract Performance Bond and Labor and Material Payment Bond in the amount of 100% will be required in accordance with the INSTRUCTIONS TO BIDDERS.

No bidder may withdraw his bid for a period of thirty (30) calendar days after the date set for bid opening. Contracts will be awarded within this thirty (30) day period.

In the event that the bidder withdraws his bid or fails to execute a satisfactory contract and furnish acceptable Performance, Labor and Material Payment Bonds within ten (10) days after notice of intent to award the contract to such bidder by the Rochester Community Schools, the Board of School Trustees may declare the Bidder's bid guarantee forfeited to the Rochester Community Schools as liquidated damages.

Indiana State Gross Retail and Use Tax is not to be included in the Bid price as the Rochester Community Schools is tax exempt.

Bid Documents may be examined at the following locations after April 20, 1987:

**DMB Corp.**  
28668 Windsor Ave.  
Elkhart, IN 46516  
219-254-2257

**F.W. Dodge Corporation**

P.O. Box 108  
Rochester, IN 46975

**The Builders Exchange of St. Joseph Valley**  
215 Maycrest Building  
South Bend, IN 46819

Bona fide bidders may obtain bidding documents from the Engineers Office (named above), upon payment of Fifty Dollars (\$50.00) for each complete set, with a limit of two (2) sets per bidder.

Said payment shall be refunded to prime bidders only provided bidding documents are returned in good condition to the Engineer within ten (10) days after the bid due date.

The Rochester Community School Corp. reserves the right to reject any and/or all bids, are not obligated to accept the lowest or any other bid and to waive any informalities or irregularities in the bidding.

## More Hoosier trivia

The recent news coverage of Senator Dan Quayle's resolution to change the meaning of the word "Hoosier" in Webster's dictionary prompted an investigation into how the word "Hoosier" originated.

Hoosier is one of the oldest nicknames in this country and the debate over the origin and true meaning of the word has a very long history.

Among the more popular theories:

\*When a visitor knocked on the door of a pioneer cabin in Indiana, the settler would respond "Who's yere." Why settlers in Indiana, and nowhere else, would respond in this fashion isn't clear.

\*Because Indiana rivermen were so successful in trouncing, or "hushing," their adversaries in brawls, the State's inhabitants became known as "hushers."

\*A Kentucky contractor with the last name of "Hoosier" hired so many men from the State of Indiana that they were eventually referred to as "Hoosier's men."

\*Former Indiana Governor Joseph Wright believed the word "hoosier" was derived from an Indian word for corn, "hoosa."

\*James Whitcomb Riley facetiously explained that Indiana's early settlers were vicious fighters who bit off noses and ears in the frenzy of battle. Thus the phrase "whose ear" was often heard in taverns the morning after such fights.

Granted, the most likely origin of the word "hoosier" is the one put forth by Indiana historian Jacob Platt Dunn, who traced the word "hooser" from nineteenth

## REACT Jamboree

Free coffee, food, and soft drinks along with live entertainment, will be offered at the 10th Annual Fulton County REACT Jamboree to be held Sunday, May 3, beginning at 10:00 a.m.

Bingo, food baskets, money hats, 50-50 pots will be included in the day's activities. Trophies will be awarded to winners and grand prizes of \$50, \$75, and \$100 will be awarded. Door prizes will be given also.

The event will be held at the Fulton County fairgrounds located in Rochester. The money raised will be given to charity and there will be no admission charged. Everyone is invited to come out and help to help others.

## Don't Litter!

century England to woodsmen and others who settled in the southern hills of Indiana.

One thing is certain, however. Hoosiers now bear their nickname with pride, regardless of its origin. And unlike Webster's definition, Hoosiers are known far and wide for their friendliness and hospitality.

Governor Robert Orr has declared April as "Litter Brigade Month" in Indiana, and has requested that Hoosiers join in observing this by helping pick up litter on Indiana's roads.

Keeping this in mind, the next time you are tempted to throw that piece of trash out the car window; stop and think! The roadsides are so

much prettier when they are not all cluttered AND think how much it costs to pay someone to pick up your trash.

One moment of a man's life is a fact so stupendous as to take the lustre out of all fiction.

—R. W. Emerson.

## Accident Report

A Columbia City youth suffered a minor back injury at 4:30 p.m. Tuesday, April 7, 1987 when his car hit a utility pole on Indiana 14 northeast of Akron in Kosciusko County.

Jason Crowe, 17, was treated at Kosciusko Community Hospital in Warsaw, but not admitted.

## Congressman visits Akron

Fifth District Congressman Jim Jontz held a town meeting in Akron Saturday. Jon Good was on hand to greet Congressman Jontz. (NEWS Photo)

Town officials, chamber members and local citizens were in Akron Saturday to talk to Congressman Jim Jontz at a Town meeting. Topics including college funding, campaign spend-

ing, farm aid and drug related incidents were discussed. In reference to campaign spending, Jontz noted that approximately \$1 million was spent on the Fifth District Congressional seat race

by all the contingents. Members of the audience suggested a ceiling be put on the amount which could be spent during political campaigns.

Jontz also discussed the problems of businesses moving from the Fifth District to Mexico where costs of production are greatly reduced. Jontz said it is the people "pushing the Papers" who are making the money and are causing the price of production to sky rocket; not the laborer or the owners of the businesses.

Local people expressed their appreciation to Jontz for remembering the small towns (referring to Akron and Mentone) which he represents by coming to Indiana on the weekends and holding the town meetings.

## Local Easter egg hunts attract many youngsters

Representing the 8, 9 and 10 year olds were Megan Kinney, Carey Layne, David Billingsly and Matt Craig. More Mentone winners are pictured on page 13. (NEWS Photo)

Golden eggs and special numbered eggs were sought in the Easter egg hunts at Mentone and Akron last Saturday. Blue skies and the warm sun brought out prize seekers of all ages in both towns.

Winning prizes by finding the golden eggs at Mentzer Park in Mentone were Abram Shinnaman, C.J. Zolman, Cale Thompson and Laura Fawcett in the 2, 3, and 4 year old categories. In the 5, 6, and 7 year olds category, winners included

Rory Jewell, Lloyd Swick, Janelle Gross and Ryan Smith. Megan Kinney, Carey Layne, David Billingsly and Matt Craig found the golden eggs in the 8, 9, and 10 year olds category.

Winners at Akron's egg hunt include:

**Pre-School, Prize Eggs** - Chuck Sterk; Bethany Tilden; Derrick Harter; Brad Ellenwood; and Joshua Murphy.

**Most Eggs** - Krista Backus (6)

## Akron passes resolution

The town of Akron is now an active participant in "Our Town Week", April 20-26, the inaugural observance of Local Government Recognition Week in Indiana. The Town Board adopted a resolution on April 13, 1987 declaring the town of Akron as an official "Our Town" community and calling upon all municipal employees and citizens to participate in programs and events planned in connection with the celebration "Hoosier '88"

The program is aimed at providing citizens with more information on the services and role of municipal government.

The resolution passed by the town of Akron is as follows:

WHEREAS, Governor Orr and the Indiana Association of Cities and Towns have called upon all 567 Indiana municipalities to participate in Local Government Recognition Week, commencing April 20th; and

WHEREAS, The town of Akron is a part of a great

Hoosier tradition of strong municipal government, predating the formation of the State of Indiana; and

WHEREAS, The town of Akron has a proud history of providing our citizens with essential services; and

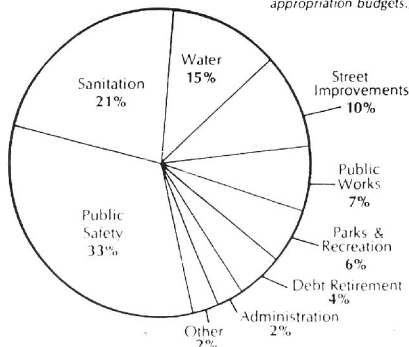

WHEREAS, We recognize our obligation to inform our citizens about the nature and

significance of municipal services;

NOW, THEREFORE BE IT RESOLVED THAT THE Town Board of Trustees of Akron, does hereby declare the week of April 20, 1987 to be "Our Town Week" and calls upon all municipal employees to promote enhanced citizen interest and participation in town affairs.

### Distribution of Total Revenues by Indiana Municipalities

(Based on averages taken from a sampling of 1987 city and town appropriation budgets.)

Winners received dollar bills at the Akron Easter Egg Hunt. Winners were named in each category for the individual finding the most eggs and those finding the lucky numbered eggs. (NEWS Photo)

## A new beginning...

By: J.D. Moore

### Is It Really Sabotage?

How many of you have lost a considerable amount of weight only to go out for an evening where desserts are being served?

The ideal solution is to anticipate snacks and cut down beforehand.

But...what happens if you haven't done this? We certainly don't want to eat something that will send us on a downhill course, as can easily happen, but we also want to be polite to the hostess.

The ultimate compliment for a hostess is to have her food gobbled up by her guests, everyone knows this. However, how can both guest and hostess be happy?

One solution is to accompany the hostess to the kitchen and offer to help serve thereby being able to reduce the size of your portion. If this isn't possible, explain to her without going into detail, and realize she probably has good intentions. Between the two of you a solution can be found.

With the hardest part of the evening behind you, be sure and compliment the hostess on her dessert. It will most likely be an honest compliment. After having cut back on the amount of desserts, they taste awfully good when you finally allow yourself the luxury of having one. The hostess will feel better and you will too, knowing that you have compromised to a degree, without giving up on your endeavor to control your weight.

We could always turn the table and put ourselves in the role of the hostess. When we take on that role, we must try and remember those who are coming and their eating preferences. It's unlikely that anyone would deliberately set out to sabotage your efforts in reducing your weight, however if this should ever happen be aware of it and take steps to protect your right to eat what you feel is best for you.

One last thought: If you eat a dessert, remember it is only ONE dessert. It doesn't have to push you into overeating for the next six months. When you get home, forget about it and start fresh in the morning. Remember, each day is a "New Beginning".

### BIRDS

The wild geese flying above,  
In a perfect V.  
Nothing in this whole world  
Is as pretty for me to see.  
Unless it is the Robins  
Who come to herald Spring.  
With their merry songs  
Joy and Hope to me bring.  
Of course there is the Cardinal,  
Our beautiful State Bird.  
It has the sweetest song,  
That I have ever heard.  
The cawing of the Hawk,  
Going to his woodland roost,  
And the song of the Meadow Lark,  
Give my spirits a boost.  
The Bob White and the Kill Deer  
Sing a note of cheer,  
While the Whippoorwill and Owl,  
Make me feel my Creator is near.

I want to thank my family, Silver Lake EMS, Warsaw Paramedics, emergency room doctors, nurses, ICU nurses, Doctors Wilson and Chen, third floor nurses, the Rev. Jarboe, relatives and friends for the care, prayers, cards and visits while in KCH and since returning home. May God Bless you.

Miss Velma Bright, Akron librarian, accepted a gift of a record cabinet from Mrs. Randall Leininger, representative of the Las Donas Woman's Club. The club gave the record display cabinet to the library in commemoration of National Library Week, April 16-22. It will be used to file the library's growing collection of records that can be borrowed by adult library patrons. The library now has more than 200 titles that consist of classical, popular, folk and show tunes plus a few records that fall into miscellaneous categories. All residents of the community are urged by Miss Bright to visit the library and take advantage of the services it offers.

On Saturday evening the Beaver Dam Annual Alumni Banquet was held at the Shrine Building in Warsaw. Invocation was given by Larry Bibler and a lovely smorgasbord supper was served to the 165 alumni and guests present. The president Alden Jones, Jr. conducted the business meeting. Vice President Larry Tucker called the roll call in which each member of each graduating class stood up. The class of 1922 was honored as the 50th year class, with which each member of that class was given a gold lapel pin or key chain. Those present from that class were George Black, Mary (Dickey) Bowen, Theodosia (Riner) Baum, Mrs. Baum was recognized for her teaching of 14 years in Beaver Dam and 21 years at Warsaw. The class of 1947 was honored for their 25th year. Vernon Meredith, member of the class then introduced the other class members president, Mary (Jefferies) Botich, Wilma Clinker, Norma (Williamson) Kuhn, Lee Norris, Robert Summe, and Herbert Ummel. Carol Ann Shevman gave the secretary's report and Mary Horn gave the treasurer's report. Officers for the new year will be President, Don Butts; Vice President, Everett Rookstool; Secretary, Lillie Rookstool; Assistant, Norene Norris; and Treasurer, Shirley Smalley. A report was given by Harold Miller that a Memorial will be built, holding the cornerstone and plaques removed from the old schoolhouse and gym, on the location where the original building set. Possibly a well will be driven and a pavilion built soon. A collection was taken and amounted to over \$612.00. The meeting was closed by the auction of the table centerpieces and benediction was given by Larry Klein.

Monday night, out of a group of over a hundred the name for the eggs of this community was chosen. Jim Besson was the winner of the \$10.00 prize by submitting the name of "Tippecanoe Valley" eggs.

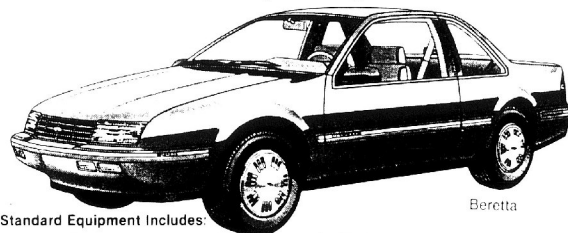

Mrs. Lucille Myers entertained a group of friends at her home Wednesday night. Two tables of bridge progressed. Those present were Helen Hoffer, Artella Kesler, Thelma Hire, Yolanda Riner, Emma Clutter, Annabel Mentzer and Eleanor Manwaring. First prize was won by Thelma Hire, second by Helen Hoffer and the honor prize went to Emma Clutter.

Mr. and Mrs. Paul Smith and sons took Justin Long, Dick Manwaring and Sam Blue to the Boy Scout Camp near Cromwell, In. Sunday. They also spent some little time at the fish hatchery at Wawasee.

Miss Eileen Mollenhour enrolled at Manchester College Monday morning where she is taking a twelve week teachers course.

The Second Annual Mentone Egg Show was opened Thursday afternoon by a program for the kiddies. Every kid in town and the immediate vicinity came in to enjoy the antics of a dog, pony, monkey and bear show and childish squeals of delight filled the auditorium as the stage show got under way. Farmers and poultrymen warmed in with their eggs until late Thursday night and it was finally necessary to extend the entry deadline to 9:00 Friday morning. More than 25% more eggs were entered in the various contests this year than were entered last year. The Harrison Center ladies aid are to be complimented upon the splendid way in which the dinner was served. Serving nearly 600 people and getting it on the table while it is still hot is no small task, but the ladies and their waitresses did it in a very commendable manner. After the banquet had been cleared away the Matthews family entertained for the second time during the show. Toastmaster, Hobart Creighton, introduced the chairman of the entire Egg Show, Mr. Ora Besson, who spoke a few words of welcome. Lowell Knoop, who won sweepstakes at the Egg Show last year was introduced. A medley of Hoosier songs was dedicated to our Governor.

## Browns plan celebration

Mr. and Mrs. George Brown, Box 333, Akron are observing their 50th wedding anniversary with an open house at the Akron Church of God fellowship hall from 2-4 p.m. on April 26. Friends and relatives will be received at that time at the church.

Hosting the event will be their children, Mr. and Mrs. Bill Malott, Macy and Mr. and Mrs. Gary Brown, Shepherd, Michigan and their five grandchildren.

Mr. Brown and June Coplen were married at Monticello on April 26, 1937 by the Rev. W.S. Hargraves. George was retired from Sonoco Paper Works and June from Chamberlain Products in 1981. Before that they were dairy farmers and retired from that in 1965.

The couple requests that gifts be omitted.

## Akron Carnegie Library

New books available at the Akron Public Library are:

**The Survival of Jan Little** - by John Man - What do you do if you are nearly blind and deaf, and suddenly left alone at the mercy of nature and the elements in the remotest Amazon jungle? The true story of Jan Little and how she reached into herself and found courage and grace.

**Talking About God Is Dangerous.** The Diary of a Russian Dissident, by Tatiana Goricheva - A week before the beginning of the Olympic games in Moscow, Tatiana and three other women were given a choice: imprisonment or emigration. "We chose the West," says Tatiana.

**One Incredible Journey.** by Clayton Klein & Verlen Kruger - Experience a true life adventure canoe trip through Verlen Kruger's eyes as he takes you cross-continent along the old fur trade routes of early voyagers.

**Mutiny On The Amistad.** by Howard Jones - The saga of a slave revolt and its impact on American abolition, law and diplomacy. The first full-scale treatment of the only instance in history in which African blacks, seized by slave dealers, won their freedom and returned home.

**Caught in the Crossfire.** by

Jan Goodwin - The true story of an American woman's secret and perilous journey with the Freedom Fighters through wartorn Afghanistan. She went behind the Soviet lines in Afghanistan in defiance of a threat to kill the next foreign journalist found there.

**The Fatal Shore.** by Robert Hughes - The epic of Australia's founding; a riveting account of the birth of Australia out of the suffering and brutality of England's infamous convict transportation system.

**White River, Brown Water.** by Alan Holman - A record-making kayak journey down the Amazon, with its shifting channels, banks and islands; not to mention the dangers from bandits, crocodiles, snakes and piranhas.

**The Bridge.** by Maggie Hemingway - This is a story of love at the wrong time, a careful portrait of two individuals held back by the rules and conventions of their world. A novel told with delicacy and shimmering brilliance.

### Count My Blessing

Blessed are they who understand my faltering step and palsied hand

Blessed are they who know that my ears today must strain to catch the things they say

Blessed are they who seem to know that my eyes are dim and my wits are slow

Blessed are they with a cheery smile, who stop to chat for a little while.

Blessed are they who never say "You've told that story twice today".

Blessed are they who know the ways to bring back memories of yesterdays.

Blessed are they who make it known that I'm loved, respected and not alone.

Blessed are those who ease the days on my journey "home" in loving ways.

The menu for the week of April 27-May 1 is:

Monday - Baked ham, cooked cabbage, macaroni and cheese, apricots, milk, coffee.

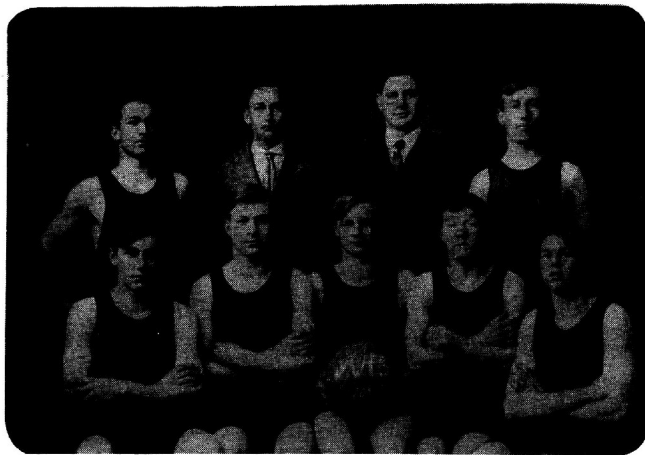

Tuesday - Fried chicken, mashed potatoes with gravy, tossed salad, dinner roll, banana, milk, coffee.

Wednesday - Cube Steak, baked potato, harvard beets, whole wheat bread, butter-scotch pudding, milk, coffee.

Thursday - Spaghetti and meat balls, peas and carrots mixed, cole slaw, garlic bread, milk, coffee.

Friday - Beef and noodles, mashed potatoes, whole kernel corn, brown bread, pineapple/cheese salad, milk, and coffee.

# We've Added 400 More Reasons on Top of a 10-year Compressor Protection Plan.

Choosing a heating and air conditioning system is a major decision. The more you know, the more likely you'll be to choose today's high efficiency heat pump for your all-electric home. And now we've added a \$400 residential rebate to an already impressive list of reasons.

**\$400 rebate.** Now Public Service Indiana will pay a \$400 direct rebate when you have one of today's high efficiency heat pumps installed on PSI lines.

**10-Year Compressor Protection Plan.** Public Service Indiana will also furnish 10-year compressor protection on high efficiency heat pumps installed on PSI lines by an RSES certified technician.

**Stable rates.** Public Service Indiana customers

can look forward to stable rates. PSI has already frozen its rates until 1990, and your rates are likely to remain stable well into the 1990s.

**Economical Operation.** The ability of today's high efficiency heat pumps to bring heat into your home for heating and removing heat for cooling is unrivaled by any other heating and cooling method. This translates into substantial year-round savings to you.

**Year-round comfort.** During the winter months, today's high efficiency heat pump will warm you with a constant flow of 90-95° air. And during the summer, the system produces cool air for single-house comfort.

**Safety.** Today's high efficiency heat pump operates on a system that does not require a flame of

any kind to create heat in your home or business. No open flame is simply cleaner and safer.

There you are. Economy, comfort and safety. And the only place you'll find it is in today's high efficiency heat pump. Isn't it time you kissed an old flame good-bye?

Once you know the facts, you'll choose today's heat pump for your home or business.

For your free High Efficiency Heat Pump Guide, call 800-835-2246 extension PSI 174.

**PUBLIC SERVICE INDIANA**

## Free Booklet

Call 800-835-2246 extension PSI 174 for a FREE copy of the High Efficiency Heat Pump Guide.

## 10-Year Compressor Protection Plan

Public Service Indiana will extend compressor protection on high efficiency heat pumps (SEER 9 or over) to 10 years when installed in all-electric homes on PSI lines by an RSES certified technician.

## Stable Rates

High efficiency heat pump owners can also look forward to stable rates — rates already frozen until 1990. And unless governmental agencies reduce's profit-making environmental spending, your rates are likely to remain stable well into the 90s.

## \$400 Rebate

High efficiency heat pump owners will receive a \$400 rebate when they install a high efficiency heat pump (SEER 9 or over) on PSI lines and allow a week for billing.

## NOTICE TO BIDDERS

Notice is hereby given that the Board of Commissioners of Fulton County, State of Indiana, will receive sealed bids (subject to County Council and State Tax Board approval of additional appropriation) for the following public construction to wit:

Barb Romine read "Don't Quit" for meditation. Sandy Wise lead in the song of the month, "The Old Rugged Cross."

The Garden pertained to the new Regal Geraniums.

In the Health and Safety, Shirley Blackburn told about Housemaid's Knee, caused by kneeling too long in the garden.

Johanna Peters informed the club the old Indian Village and old Indian Trail is now on Rd. 5 near Cromwell, Indiana.

Doris Cooper gave a report on Civil Liberties and the Bill of Rights.

As Vice-president, Alice Keim closed her part of the

meeting with a poem from the Farm Wife Magazine entitled "What is Easter?" It told of new life, peace, faith and prayer.

Roll call was "What Do April Showers Bring?" Some answers were, frogs, mud puddles, yard mowing, dirty windows, robin songs, May flowers, mushrooms, birthdays, rebirth, baby lambs, kittens and gardens.

A large basket was filled with food for a family in Burkett. The ladies plan to attend the Historical Tour at Warsaw on May 17th, a \$15 award for the Talent Show now in the planning for Mentone Days was voted upon and passed. New officers will be installed at Doris Cooper's home on May 11.

## "Heritage" celebration scheduled

The Mentone United Methodist Church is planning a unique worship service for Sunday, May 3rd. The United Methodist Women are in charge of the service and will be "Celebrating Our Heritage in Music" at 9:30 a.m.

Heritage Sunday is being observed on the second Sunday following April 23, the birth of the United Methodist Church. Heritage Sunday calls the church to remember the past by committing itself to the continuing call of God.

As each hymn is sung, a short excerpt will be read about what inspired the writing of the song. The service will be completely done by the United Methodist Women and will include appropriate scripture, speakers, special music and songs.

Those taking part in the planning or in the service are: Jean Smith, Joan Utter, Pam Smith, Leann Rock, Jackie Gible, Jane Kantner, Fay Whetstone, Betty Blackburn, Pat Detweiler, Cindy Law and Pastor Taylor.

The public is invited to attend and take part in this special service.

## Students on Dean's List

Brian Lee England, Rt. 1, Claypool, and James Ray Stout, Rt. 2, Macy, have both been named to the Dean's List for the first semester at Indiana University, in Bloomington.

To achieve the Dean's List, students must earn a 3.5 grade average or better in a minimum of 12 hours of course work. An all-A average is 4.0.

Kosciusko County 4-H Horse and Pony members and their families will participate in a Fun Show and Weekend Camp Out at the Kosciusko County Fairgrounds May 2-3. The 4-H Horse and Pony Committee has put together a weekend full of fun and activities for the Horse Club members. The activities will begin on Saturday, May 2 with the mandatory measuring of all 4-H horses and ponies intended for show in the 4-H program this year.

After the measure in, there will be a fun show, games and activities for youth and adults in the Horse Barn area of the Fairgrounds. At 3:00 p.m. that afternoon, a very special demonstration will be presented for members on how to prepare a horse for show. Members and parents will have opportunities to have their questions answered on grooming horses as part of the demonstration.

Later in the evening, the 4-H Horse and Pony Committee has planned a pot luck supper and a dance for the participating families. The Weekend Campout will conclude Sunday morning with a pot luck breakfast and Church Services on horseback.

All 4-H families participating in the 4-H Horse and Pony program are invited to participate and camp out overnight, enjoy the bonfire, good food, good music and especially good friends!

## Mentone Nutrition Site

Olive Tucker  
Phone 353-7555

The Mentone Nutrition Site had the opportunity to hear Ruth Miller of the Koala Center in Plymouth speak. Koala Center is for the treatment of drug and alcohol victims.

Wednesday and Friday were band practice days. T.R. Jones was the area minister.

On Monday, April 20, games were played. Tuesday Madeline Fisher of the Bell Library was with us. She plans to come one day each month.

The band will be playing at the Century Center in South Bend on April 25 and May 4. Because of this, we will be having band practice on Wednesday and Friday again next week.

On Thursday, April 23, Reverend Les Taylor will show slides.

The birthday party was attended by Glen Campton, Esther Sarber, Nona Meredith, Esther Wise, Francis Olson and Bernice Jones. The tables were decorated by Margaurite Campton and Dorothy Krall. The Church of Christ ladies made the favors. The Melodaires of Warsaw's Retired Tigers provided the musical program. Norma Roose, our coordinator, was with us also to help with the music.

The latest volunteers are Joy Miller, Maggie Yeazel, Emma Zolman, Cara Lynn Tucker, Hank and Sue Lowman, Barbara Holloway and

Helen Good.

Dirty bingo will be held on April 28.

Real Services Nutrition Program invites persons age 60 or older to attend the Meal Site at the Community Room, Fire Station, Mentone. The telephone number is 353-7555. Please make reservations 24 hours in advance. The menu for the week of April 27 - May 1 is:

## Blackwell receives new heart

Jean Blackwell, 59, of Claypool, Indiana, became Lutheran Hospital's Northern Indiana Heart Institute's seventeenth heart transplant recipient on Sunday, April 12.

The mother of three was taken to surgery at 11:00 p.m. on Saturday, April 11. The heart arrived from an Indiana hospital at 2:00 a.m. Sunday, and she was in the transplant suite at 5:15 a.m. on Sunday. She was listed in critical but stable condition. On Monday, April 13, her condition was upgraded to serious and her doctors said she was doing extremely well.

Mrs. Blackwell suffered from cardiomyopathy, a progressive deterioration of the heart. She was placed on Lutheran's waiting list on October 10, 1986.

Mrs. Blackwell is the retired owner of Richards-Pettit Printing Company and Jean's Noodles in Claypool.

## Secretaries attend spring conference

Local school secretaries, Beth Baker and Joan Rans, from Akron Elementary School; Peg Eaton and Kay Kindig, Tippecanoe Valley High School; Linda Tucker, Burket Elementary School; Lori Deardorff, Mentone Elementary School; and Linda Murphy and Judy Hively, of the Central Office, attended the 35th annual spring conference of the Indiana Association of Educational Secretaries, April 12-14, at Indiana University. The conference was titled "Up, Up and Away - To Continued Success."

Honorable Judge Corns, Franklin Circuit Judge, Frankfort, Kentucky, opened the conference with a keynote speech: "Are You Confused." Following a brief business meeting, workshops were offered during the two-day conference featuring topics covering: basic grammar skills, dressing professionally, you and your public, management, memory and motivation, food faddism vs facts, extra-curricular accounting, corporation accounting, personal assault - avoidance and survival, the two of us, retirement, if it is to be - it is up to me. A five-hour course covering "Using a Computer in an Educational Office" was presented by Jan Phelps, Computer Specialist, for those secretaries who wish to earn CEU credits.

### Service notes

Airman Derek A. Bishop, son of Robert L. and Morene Bishop of 101 Trillium Lane, Springfield, Ill., has graduated from Air Force basic training at Lackland Air Force Base, Texas.

During the six weeks of training the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree through the community college of the Air Force.

His wife, Malinda, is the daughter of Stephen and Carol Milligan of Rural Route 5, Warsaw.

At the awards luncheon on Monday, four \$500 scholarships were awarded to the following high school seniors: Tammy J. Langston, Fort Wayne North High School, Ft. Wayne; Tammy Susanne Cornett, Oakhill High School, Converse; Teresa Timberlake, Rockville Community Jr-Sr High School, Rockville; and Shelenau L. Smith, Brownstown Central High School, Brownstown.

Dr. H. Dean Evans, Superintendent, Indiana Department of Education was honored as Administrator of the Year at the honors banquet, Monday evening, April 13, in Alumni Hall. Marilyn Housemeyer, John Adams High School, South Bend was named IAES Office Employee of the Year. Following the dinner, an evening of games and comedy was enjoyed by the over 500 participants.

Dr. Thomas J. Mullen, well known author and Dean of Earlham School of Theology, spoke to the IAES group on "Motivation with Humor" at the closing luncheon following workshops on Tuesday.

Co-chairmen for the 1987 conference were Jan Moser of Bluffton and Gayle Ratliff of New Castle. Ardene Kreegar of Middletown served as registrar.

"Man is the only animal that laughs and weeps; for he is the only animal that is struck with the difference between what things are and what they might have been."

## Views On<sup>®</sup> Dental Health

H. RAY HAZEN,  
D.D.S., M.S.D., P.C.

### FOLLOWING THE CONTOUR

When you have a crown made to protect a tooth that's been badly damaged by decay, your dentist will pay special attention to the relationship of the surrounding teeth and how they follow the lines of your lips.

He'll also study the natural color of your teeth. When the crown is made, it can be covered with a natural-looking material, such as acrylic or porcelain. This is important when the crown is on one of your front teeth. When you open your mouth to speak or smile, you'll feel cosmetically secure if the tooth has a natural look.

Your dentist will also spend a lot of time shaping the crowned tooth so the contour will look natural as well as perfectly matching the shade of your other teeth. It should also properly support the shape of your lips. Care will be taken so that your face will keep its natural look and not change in any way.

Your dentist is not only concerned about the good health of teeth and gums. He's concerned about your personal appearance, too.

Prepared as a public service to promote better dental health. From the office of: H. RAY HAZEN, D.D.S., M.S.D., P.C. 1329 Main St., Rochester. Phone 223-3121; 114 Mishawaka St., Akron. Phone 893-4545.

## Thinking Thursday Project

Many of the students in primary classrooms at Akron Elementary School have been participating recently in Thinking Thursday. Thinking Thursday is an idea directed toward Prime Time classrooms and created by the Indiana Department of Education that encourages the development of an active learning environment for all children. Teachers teach the regular curriculum without prepared worksheets and workbooks by using alternative methods of instruction. Students are enjoying Thinking Thursday activities and look forward to what the next Thursday will bring.

Writing an Easter story was the project of this "Thinking Thursday" class. Mrs. Lee, Akron Elementary first grade teacher, helps the students form correct sentences.

## Reading one to another

Mrs. Rutherford's fifth grade reading groups are sharpening their oral reading skills. They are reading to kindergarten, first, and second grade children. These reading sessions have proved to be enjoyable for each child involved.

Each fifth grader has to prepare for their reading

activity. First, they choose one of their favorite stories to read. After practicing at home, each student reads their book to their own reading group. Suggestions for improvement are made through group discussion. Finally, each student reads to a class of younger children. This activity not only improves oral reading skills, but also increases reading enjoyment.

Fifth graders in Reading I involved are:

Dan Bebo, Tim Beery, Chad Blue, Alisha Conner, Cara Cumberland, Michelle Day, Kristen Deardorff, Shannon Dittman, Michelle Fall, Ben Faught, Heather Foor, Heather Foust, Bobby Glover, Brian Hill, Steven Hogue, Aaron Hoover, Angela Howard, Brandon Luer, and Carissa Manns.

Also, Lichelle Paxton, Beth Rose, Missy Saner, Sean Sheley, Angie Smith, Lea Spangle, Aaron Taylor, Troy Walters, John White, and Doug Jarvis.

Reading II Group - Scott Backus, Jeff Barnes, Michelle Bailey, Brad Brown, Stephanie Chilcutt, Paul Craft, Jessica Ellenwood, Marcus Hackworth, Chera Hathaway, Jennifer Lukens, Dustin Petrosky, Chris Ritter, Heather Smith, and Barbara Tuley.

## Outstanding Achievement Awards

## Akron to sponsor Babe Ruth team

The Akron Youth League will be sponsoring a boys Babe Ruth baseball team, 13 to 15 year old; playing in the Rochester League. Any boy in the community interested in trying out must be at Akron Little League Park, Saturday, April 25 from 10-12 noon. Due to the short time for organizing the team, this will be the only tryouts as playing starts the first of June.

Girls softball, 13-15 year olds tryouts and registration at Akron Youth League Park will be held Saturday, April 25, from 1-3 p.m. Akron is adding a second team if enough girls are interested. Girls on the 1986 team must be registered by this Saturday, April 25. Sign up for both boys and girls will be held even if it is raining.

Officers of the Akron Youth League are: President, Larry Howard; Vice President, Gary Rensberger, for

girls; Vice President, Chuck Drudge, for boys; Sec., Treas., Bernadean Howard.

Two coaches are needed for girls softball, one for Akron, 9-13 year olds; one for Rochester 13-15 year old league second team. Contact Larry Howard, 893-4306.

## Girls track review

Tippecanoe Valley was host to Warsaw in girls track last week. The Lady Vikings suffered a loss to the visiting team with a total tally of Warsaw, 82; TVHS, 36.

## Golf News

In high school golf action, Whitko topped Tippecanoe Valley with a score of 176-189.

Valley was led by Dayne Manwaring with 44, and Donnie Fellows shot 46.

## League names officers

The Mentone Youth League organization has announced its list of officers for the 1987 season. Leading the organization will be Stan Balmer as president followed by Roger Moriarty as vice-president. Junita Perry will be the secretary and treasurer will be Max Holloway. Other individuals serving the organization are: Jean Balmer, concessions; Rick Phillips, grounds maintenance; Dick Cripe, equipment manager; Jacques Bradley, building maintenance; Gail Law, assistant umpire; Paul Surface, assistant grounds keeper, and Ken Snyder, fund raiser and publicity. Roger Moriarty is also head of umpires.

Dates to remember for the Mentone Youth League are as follows:

April 25 - Turn in fund raising orders, teams assigned 9 a.m. - 1 p.m.; May 9 - Pick up fund raising orders and deliver; May 16 - Turn in fund raising money; May 26 - Season starts; July 24 - Season ends; August 1 - Picnic.

Anyone interested in coaching or umpiring is asked to call Roger Moriarty at 353-7938 any time.

## One Minute Sports Quiz

1. How many games did Fernando Valenzuela win last year?
2. Who is the number one catcher of the Philadelphia Phillies?
3. Who manages the St. Louis Cardinals?
4. What teams played the finals in the recent NCAA basketball championship?
5. In what sport is Bob Charles famous?

Answers:

1. The L.A. Dodger pitcher won 21 games.
2. Lance Parrish.
3. Whitey Herzog.
4. Indiana and Syracuse, Indiana winning.
5. The New Zealander is a long time golf pro.

## Track team adds win

Tippecanoe Valley defeated Triton in boys track action 80-45. Jack Sisk and Jeff Tucker were double winners for the Vikings. Sisk took firsts in the long jump and 800 (also qualified for sectional with a winning 2:06.6 time), while Tucker was first in the 100 and 400.

Tucker came within a tenth of a second of being a triple winner. The Valley sprinter finished second behind Triton's Dave Stackhouse in the 200, with Stackhouse posting a winning time of 24.1 seconds and Tucker 24.2.

## Lamar leads Vikes to win

Gary LaMar's double win in the 1600- and 3200 led Tippecanoe Valley to a narrow win over host Culver and Bremen in high school boys track.

Valley, with its win in the 1600 relay, nipped Culver, 59-58½. Bremen was third at 41½. The meet marked the season opener for all three squads.

Andrew Wood won the 100 with a time of 11.6 then suffered a pulled hamstring in the 200.

LaMar was Valley's only double winner, taking the 1600 in 4:42.1, and the 3200 in 10:32.1.

## Baseball Review

The second inning spelled doom for Tippecanoe Valley Friday afternoon and sent the Vikings down to their third defeat of the season.

The Rochester Zebras tallied seven runs in the second frame, with six of them coming after two outs. With one run already in, Rochester received two more singles and a hit by pitch before Bryan Green capped off the attack with a three-run homer.

That was all the help needed for Zebra hurler Adam Hoover, who didn't run into much difficulty until the Viking seventh. Tim Sparrow walked, slugging outfielder Jamie Cullison doubled him home and then Cullison stole third and scored on a catching overthrow of that base.

scored six unearned runs on the day.

Cullison, who went 3-for-4 with two doubles, on the year is .667 with 8-for-12, including two home runs and a pair of doubles.

Because of rain, the baseball game between Valley and Culver ended at the bottom of the sixth with the Vikings losing 4-3.

Jamie Cullison was the hitting star for Valley with two hits in three at bats to account for all the Viking runs. Cullison, now 5-of-7 for the year, hit a solo homer in the fourth and then gave Valley a brief 3-0 margin with a two-run single in the fifth.

## Comment on Sports

### BASEBALL

by Pete Fritchie

Washington, D.C. The season is just under way, and not much has been learned yet, but here are this season's predicted finishes:

American League East: New York, Toronto, Cleveland, Detroit, Boston, Baltimore and Milwaukee.

American League West: Texas, Kansas City, Oakland, Minnesota, California, Chicago and Seattle.

National League East: Philadelphia, St. Louis, New York, Pittsburgh, Chicago, Montreal.

National League West: Houston, Los Angeles, Cincinnati, San Francisco, Atlanta, San Diego.

If these forecasts are right, the World Series will be an all-Texas affair. Of course, there are many imponderables through a 162 game season: injuries, health, weather, etc.

If Boston gets Roger

Clements back, that would change that team's outlook; likewise the Mets and Dwight Gooden. Both lost their top pitchers of 1986.

## "KNOWN FACT"

American Chameleons are providing clues to the origin of the Caribbean islands. These tropical lizards have been around since the first islands were formed. By studying the tiny creatures, scientists have concluded that many of the islands are far older than previously thought, dating back as far as 100 million years. They also believe the lizards weren't washed ashore from elsewhere, as has been suggested, but were descended from common ancestors that were present when the islands spread apart from larger land masses.

Recognized for cheerleading were Jennifer Hoyt and Mindy Metzger. Stephanie Huffman is not pictured.

## Weaver hosts meeting

The Women's Fellowship of the Church of the Brethren met in the home of Norma Weaver for the April meeting.

The secretary and treasurer reports were read by Edna Mae Shewman. Kay Brouette, president, discussed business items. The group will be furnishing cookies for the Timbercrest coffee hour April 25th. Brouette gave a report on the District Spring Rally held at the South Whitley Church of the Brethren recently.

Lavon Mark's lesson was "Does Forgiving Take Time?" She mentioned that forgiveness is a free gift of love. "If I Have Wounded Any Soul Today" was sung for the benediction.

Books were distributed for reading and cards were signed for shut-ins. Postage stamps were trimmed that will be used for the purchase of milk for the project. Aid to Infants.

Mrs. Weaver served refreshments at the close of the meeting.

## Help others to read

The Fulton County Literacy Coalition will be conducting a tutor training class at the Fulton County Library.

The class is for people who are interested in helping another adult to learn to read or to improve their reading skills.

The first class will start Tuesday, May 5th at 6 p.m. in the community room. It will run for 6 consecutive Tuesday evenings. The training is given at no cost to each participant. All materials will be furnished by the Coalition. The teachers will be Lu Lasher and Barb Bevelheimer.

Come join in the campaign to rid America of illiteracy and join the class.

For further information contact the Akron Library at 893-4113 or the Rochester Library at 223-2713.

## Spring progress

As of April 5, Indiana farmers had 71 percent of the land intended for spring planted crops tilled, 45 percent of which was tilled last fall. Soil conditions have been ideal for tilling and seeding thanks to dry weather this spring. Tilling progress is almost 3 weeks ahead of the normal rate of 57 percent. Oat seeding at 56 percent complete, was well ahead of the 40 percent for last year and average of 35 percent seeded. Winter wheat was rated fair to mostly good, up from the mostly fair rating last year. Wheat height averaged 4 inches same as last year and average. Indiana's apple and peach crop survived the winter in good condition but freezing temperatures the first week of April may have caused damage. The extent of any freeze damage will not be known until later. Pastures are off to a slow start with the dry spring thus far.

# Legal Notice

**NOTICE TO BIDDERS**  
The Board of School Trustees of Rochester Community Schools will receive sealed bids for Energy Conservation Measures on Rochester High School, Rochester Middle School, Columbia Elementary and Riddle Elementary Schools, Rochester, Indiana 46975.

Bids will be received until 10:00 AM, local time, on May 18, 1987 in the administration offices, West 18th Street, Rochester, Indiana, at which time bids will be opened and read aloud.

Bids received after this time will not be considered and will be returned unopened.

This project consists of Energy Conservation Measures and Improvements as further defined in the INSTRUCTIONS TO BIDDERS and other documents of the Construction Manual, Drawings and Details.

The work for which the proposal is asked includes all labor and materials, transportation services, equipment and everything required or necessary for the proper and complete finishing of the Work.

Each contractor with whom the Owner enters into a Construction Agreement becomes a Prime Contractor. This project, in the general term, will not have a General Contractor. Various disciplines of work, the total of which represent the entire project, are divided into Bid Packages. The Owner will award separate contracts for the various Bid Packages. Each Contractor will be responsible for their coordination of the project as further defined in Division 1 of the Project Manual.

Separate Bids to Owners are requested for the following Bid Packages:

**Bid Package #1:** Energy Management System Contract  
**Bid Package #2:** Mechanical Contract  
**Bid Package #3:** Electrical Contract  
**Bid Package #4:** Insulation Contract  
**Bid Package #5:** Pool Cover and Filter Contract

Combined Rates: Any bidder, at his option, may submit a combined bid made from any combination of the above Bid Packages. A separate bid must be submitted for each Bid Package in addition to the combined bid. Combined bids will not be considered unless the bidder also submits separate bids on each Bid Package contained in the combined bid.

Submit on a separate sheet breakdown prices for each school project to be used for accounting and financing purposes by the Owner.

Voluntary alternates will be considered provided the Bidder first submits a bid based on the specified Work.

Work shall conform to the Drawings, Details, and Construction Manual prepared by DMB Corp., Engineers, Elkhart, Indiana.

Bids shall be properly and completely executed on State Board of Accounts

## Exhibit in Indianapolis

"Roads to Liberty: Magna Carta to the U.S. Constitution," a major exhibition of rare and historic documents, including the 772-year-old Magna Carta, will be on exhibit in Indiana for five days during the month of April.

The exhibit will be located at the Indiana State Fairgrounds in Indianapolis from April 20 through April 22, and on the campus of the University of Southern Indiana in Evansville on April 23 and 24.

The Magna Carta featured in the exhibit is one of only four copies remaining from King John's 1215 A.D. signing at Runnymede, England. This is the first document to identify and guarantee the rights of the individual and a forerunner of the U.S. Constitution. The document is on loan from the Lincoln Cathedral in Lincoln, England, where it was deposited after the 1215 A.D. signing.

Other items in the exhibit include: the 1787 Pierce Butler draft of the U.S. Constitution; an original printed announcement of the Declaration of Independence; the Brasher Doubloon - the first coin minted in the United States; significant 18th century newspapers; first edition books; engravings reflecting the colonial period in America; facsimiles of the Mayflower

Compact and the articles of Confederation; and a special Indiana display focusing on Indiana's progress from territory to statehood using original documents and maps.

Admission to the exhibit is free. Public hours at the Indiana State Fairgrounds are Monday, April 20, 2:00 p.m. to 7:00 p.m.; Tuesday, April 21, 2:00 p.m. to 7:00 p.m.; and Wednesday April 22, 2:00 p.m. to 5:00 p.m. In Evansville, the public hours are 1:30 p.m. to 7:00 p.m. on Thursday, April 23; and 1:30 p.m. to 6:00 p.m. on Friday, April 24.

## In Fashion

Very good and very strong for spring are drab green and olive green. Most attractive is an olive green dress with a full skirt and topped with a boxy, drab green jacket.

Cotton chambray separates are seen in cool blue. One features a short-sleeved, padded shoulder shirt, button-tab skirt with an added flair, the lace flounced petticoat in white.

Some designers are showing bathing suits for those who don't care for the very brief suit. These suits are seen in solid and variegated colors.

## Committee chooses theme

Work has begun again on this year's Akron Fourth of July Celebration. The theme for this year's parade is **The Year of the Hoosier**. The day will begin as usual with the parade at 11:00 a.m. and continue with carnival rides, an Arts and Crafts show, Flea Market, Cutie King and Queen Contest and many other events on which information will be forthcoming. The day will end with entertainment and the ever popular fireworks display.

In looking back on last year's Sesquicentennial Celebration, it is hopeful that

the members of the community enjoyed the two days of events and will help support this year's Fourth of July Celebration as well. Committee members are offering 150 club tickets to help raise funds at this time, so please contact them if you are interested. The committee co-chairmen are Larry and Bernadean Howard and Mike and Pam McFarland. Other members include Mike and Ruby Bowers, Gary and Susan Rensberger, Jay Bammerlin, Lyle and Lavada Butt, and Dail and Jan Barber.

The Akron Fourth of July Committee is sponsoring the "Miss Akron" contest again this year. The contest will be based on a penny a vote with the funds raised being used for activities held during the Fourth of July celebration. The contest will begin on May 10 and continue through June 20, 1987. Any girls interested should fill out and submit the following entry or call Mike McFarland, 893-7049 or 893-4531 for further information.

## Kindergarten news

### Burket

On April 28, 1987, at 1:00 p.m., the Burket Elementary School will have pre-enrollment for the 1987-88 Kindergarten Class. The meeting will be held in the kindergarten room.

Mrs. Pat Hoover, the school nurse, will discuss the school's health policies. Mrs. Susan Kinney, the speech and hearing therapist, will also talk to parents. Mrs. Marna Riedel will discuss the kindergarten program and answer any questions the parents may have.

Parents are reminded to bring their child's birth certificate so that school officials can verify the child's age for the school's records. A child must be five years of age on or before August 1, 1987, in order to attend kindergarten.

Parents who cannot attend this meeting may send in the necessary information with another person. Anyone having questions concerning the pre-enrollment meeting should call the school office.

### Mentone

The Mentone Kindergarten Roundup will be at 7 p.m. Monday, April 27, in the Mentone School cafeteria. Children who will be five years old before Aug. 1, are eligible for kindergarten. Parents are asked to please bring their child's birth certificate.

## Warning!

The Youth League Building has been broken into and vandalized several times this past year. Anyone caught breaking and entering will be prosecuted to the fullest extent of the law to prevent future damage.

## Claypool banquet

The 69th Annual Alumni Banquet of Claypool High School will be held May 2, 1987. A reception will be held at 5:30 p.m. with dinner being served at 6:30 p.m.

The banquet will be held at the Shrine Building in Warsaw.

## Hoosier Scholars listed

John A. King, Mentone, and Anthony J. Crill, Rt. 5, Rochester, are among the 817 graduating seniors from high schools throughout the state of Indiana who have been named as winners of the 1987-88 Hoosier Scholar awards.

Hoosier Scholars, under a program authorized by the General Assembly, receive a \$500 cash award to be used for high education purposes. King plans to attend Wabash College and Crill plans to attend Tri-State University.

To be eligible for the award, students must be in the top 20% of their graduating class, must be recommended by their school and must plan to attend an approved Indiana institution of higher education.

King and Crill are both seniors at Tippecanoe Valley High School.

## Akron News

Sarah Beth Ellis, granddaughter of Jean Ellis of Akron, recently performed with her gymnastics team during the halftime of an Indiana Pacers game at Market Square Arena, Indianapolis. Sarah Beth is the daughter of Mr. and Mrs. Stephen Ellis.

Also attending the ballgame were Joe Ellis, Akron, and Mr. and Mrs. Dan Ellis of Carmel.

## Akron club purchases police radio

The Akron Lions Club recently purchased a \$500. radio for the use of the Akron Police Department. This radio gives the Akron Police additional needed communication capabilities during ordinary hours as well as hours when emergency communications between law officers are extremely important.

The Akron Lions Club is one of Lions Clubs International's 38,254 clubs with 1,345,797 members in 660 districts in 161 nations and geographic areas throughout the world. The Akron Lions Club supports the various Lions charities such as: Seeing Eye Dogs for the Blind, seeing eye dogs with special hearing talents for the deaf, Cancer Control, Special Olympics for the Handicapped people ages 5 to 21 years, Research Centers for eye treatment, and many other community functions.

In Akron the Lions support the Lions Club Building, which is used for various community functions including the Area V Nutrition Program that supplies hot meals for Senior Citizens and others. Funds are raised to support the above and other activities by Lions selling fish, fruit, wood, and other ways such as food stands at local celebrations.

A presentation picture appears on page 7.

## School Board pinching pennies

Keeping a close eye on the money going out and the money coming in will be the objective of the Tippecanoe Valley School Board over the next few months to complete current projects as well as make needed repairs.

Construction costs for Burket and Mentone will be the first priority for the funds, but Superintendent Baxter Paige told the board the high school also needed a new roof.

During last week's board meeting, Paige presented an estimated breakdown of cumulative building funds (CBF) available as well as bills and costs that have to come from the fund.

The CBF had a balance of \$1.178 million with an estimated \$1.113 million needed to complete the construction of the two elementary schools at the end of March.

Figuring \$305,702 to be received in taxes in June and again in December, and taking out a \$216,900 loan payment, Paige said there should be money left for the roofing project.

There will not be enough CBF money for the roofing project until after December taxes have been collected and the re-roofing should be

done this summer. One alternative would be to use the June taxes plus an advance on the December taxes of up to \$216,900 for a total of \$370,000, according to Superintendent Paige. However, he said he did not think this would cover the cost of the new roof.

Paige hopes the board can get back some of the money from the contingency fund in the building projects. To do

that, expenses will have to be monitored. Presently, there is \$86,850 left in the contingency fund for the construction project. Contingency money is used for change orders and additional costs that were not initially expected in the project.

According to Paige, the money for the new roof either has to come out through the

## Plans for Akron building approved

Plans for the new town hall have been approved for the town of Akron. This was announced at the Tuesday, April 21, meeting of the Akron Town Board. Some minor changes were made in the plans to meet approval of the state. In approximately ten days the legal work will be completed. A public meeting will be held in the near future to explain the plans for the building to the community. The date of the meeting will be announced.

The board also took action on hiring Wayne Reese to care for the park during the summer months. Mr. Reese has a tractor mower which will enable mowing to be done faster. Reese will also keep the shelters clean. Citizens are being asked to cooperate in keeping the park clean.

The board also acknowledged the clean up efforts of the Kappa Delta Phi Sorority. The organization cleaned the park before the annual Easter Egg Hunt. The board also acknowledged that the service clubs of the community are active and help with the upkeep and growth of the town.

Further discussion was

held on the proposal of making Rural Street one way for traffic because of the congestion near the school house. It was suggested to wait and analyze the situation after the old high school is torn down to see if part of the problem will be eliminated at that time.

In other business, a request for cancer insurance for town employees was delayed until a new budget will be proposed.

## Kindergarten Roundup at Akron set

Akron Elementary School will hold Kindergarten Round-Up on Friday, May 1, at 2:00 p.m. in the school cafeteria.

Students must be five years old on or before August 1, 1987 to attend kindergarten during the 1987-88 school year.

Parents are asked to bring their child's birth certificate on the day of registration. Children cannot be enrolled without the birth certificate.

The children need not be present for the Round-Up.

## Local schools accept Chamber's donation

Darrell Miller, chairman of the Mentone Chamber of Commerce presented a check for \$200 to Oliver England, principal at Burket Elementary School, following the Basketball Clash held between Mentone and Burket 4th and 5th grade classes. The Mentone Chamber sponsors the event and gives a portion of the monies raised to the schools for their participation in the event. Mr. England stated the money

would be used for new uniforms for the girls. (NEWS Photo)

Also accepting a check for \$200 from Darrell Miller, president of the Mentone Chamber of Commerce, was Mentone principal Mike Humphreys. Mentone will use their money towards the purchase of new backboards for the new gym at Mentone. (NEWS Photo)

### Substitutions

Over the years while listening to others and experimenting myself with the different kinds of foods available, I have come to a conclusion: If you really want something salty or sweet...eat it or what is better, substitute something that has less calories but will satisfy your craving.

One favorite substitute is diet gelatin (6 calories per serving.) It makes a good substitute for candy.

Have you considered fresh fruit? I can hear it now, "Fresh fruit? Oh sure!" Now be honest, how long has it been since you have had a juicy, sweet orange or a crisp apple for dessert? While shopping this week I picked up a bag of apples and oranges and arranged them in a pretty bowl on the table with easy access, not hidden in the refrigerator. I have always put cakes and brownies within reach, why not fruits? Do you know how good fruit is in the evening when you haven't stuffed yourself with other foods? It's almost as if we learn to appreciate food that is good for us.

A help when making substitutions is your calorie counter. Be sure and look up the calories before you eat some of the foods, you may be surprised. One of the hardest substitutions is for salty foods, a dill pickle or a few crackers seem to work well. Beware of too many crackers, they average 16 calories per piece.

If you really want that something special, eat it and don't whip yourself for it. I still believe binging is a result of deprivation.

Have you watched "thin" people eat? They have desserts too. I would bet they don't eat an over abundance of those foods all week long, they might even eat much the way we hope to eat, watching 90 percent of the time and splurging once in a while. The only difference is...they know when to quit. We don't have to take something each time we pass through the kitchen nor do we have to eat until we are miserable. We have proven to ourselves we can eat one reasonable helping and in 20 minutes be content.

Many choices have to be made when reducing and we're on our way by making smart substitutions.

Calorie Counter	Description
95	Bacon, 2 crisp strips
205	Bacon, Canadian, 3 slices
180	Beef, corned, canned (4x2 1/2 x 1/2")
140	Beef pot roast, lean only (2 thin slices, 4x2)

### THE WORLD'S WORST COOK

The world's worst cook,  
That sure is me.  
When you hear my tale  
I'm sure you will agree.  
I start in the morning  
By burning the toast.  
Then in the evening  
I'm burning the roast.  
When I poach eggs  
They are too soft or too hard.  
When I fry them  
I'm burning the lard.  
My meat is rare,  
Or else dry and tough.  
My long suffering husband  
Can scarce eat the stuff.  
And pie! How he loves them  
Mine are not sweet and,  
A light moist cake  
Would sure be a treat.  
I've no talent for cooking  
But I work hard to please  
And my poor husband survives  
On crackers and cheese.

Thank you, thank you, thank you, neighbors and friends, for the many get well gestures and visits. I'll be back in the saddle soon.

Howard Utter

My sincere thanks to everyone who remembered me with prayers, cards and notes, gifts, telephone calls and visits while in the hospital. Also for the food, flowers and calls since returning home. I am very grateful to all for your thoughtfulness.

Six orphan bunnies have been adopted by Judy Hartman, daughter of the Henry Hartman's, who bottle feeds them every four hours. The mother rabbit was destroyed by a dog, leaving the six white bunnies without a mother.

Mr. and Mrs. Arnold VanLue, Rt. 1, are the parents of a daughter, Lila Dea, born Tuesday evening at Woodlawn Hospital. The baby girl weighed 9 lbs. and 2 ozs. Mr. and Mrs. Gerald Bahney of Roann and Mr. and Mrs. Myron VanLue, Rt. 1, are the grandparents.

Last Thursday evening members of the Akron Fire Dept. completed the assembly of playground equipment in the primary area of the park. Evergreen and quick-growth tree planting has been nearly completed. Sam Flohr has planted most of the hedge designed to protect both children at their play and the newly planted seedlings. In addition to giving the flag pole and making 6 park benches, two picnic tables were built by Mr. and Mrs. Henry Hartman. Two newly painted trash barrels have been donated by Walter Harris. During the last 6-week period of school Charles Saner and Larry Striver have completed one other picnic table and are now working on the last one, both of which will be on display during the final week of school. Bill Eaton and Peter Yorg have installed a water tap for park use. Horse-shoe courts have been staked off and will be constructed shortly by Richard Drudge, Earl Hoffman, Jake McFarland and Ronald Fenimore. Mrs. Harry Huppert has donated a complete fireplace for the park and the two grills given by M. & K Const. Co. will be installed in fire-piles next week.

Charles Moore and family have moved into the home on East Rochester St. formerly owned by Homer Kiser. Mr. Kiser is visiting with his son and family in Hammond. Mr. Moore recently purchased the bottled gas business from Irvin McHatton.

Mr. and Mrs. Elmer Fites, Mr. and Mrs. Walter Waechter and Miss Roberta Weirick visited over the weekend with Miss Barbara Waechter at Ball State Teachers College in Muncie.

### PRECISION REMOVABLE DENTURES

If you need a partial denture to fill a gap caused by lost teeth you may want to consider the precision removable denture.

In this technique, the supporting teeth on both sides are crowned. The partial denture hooks INTO the crowned teeth rather than around them. Located on the back of each supporting crown is a female attachment that's what the male attachment on the partial denture hooks into. No wire clasps are needed to hold the denture in place. There's nothing for anyone to see when you open your mouth except the teeth that now fill the gap that used to make you feel self-conscious.

That's an advantage for you. There's also an advantage for your dentist. By crowning the supporting teeth he can shape them for the best possible fit for your partial denture. That's an advantage for you, too. A good fit not only gives the denture stability, it gives you comfort and good appearance. It's also the most secure type of partial to use for a long span of missing teeth.

Prepared as a public service to promote better dental health. From the office of H. RAY HAZEN, D.D.S., M.S.D., P.C. 1329 Main St., Rochester, Phone 223-3121. 114 Mishawaka St., Akron, Phone 893-4545.

## 10 YEAR HEAT PUMP COMPRESSOR PROTECTION PLAN

Choosing a heating and air conditioning system is a major decision. And the more you know, the more likely you'll be to choose today's high efficiency heat pump for your all-electric home. And Public Service Indiana's 10-Year Compressor Protection Plan is one more reason to add to an already impressive list.

**10-Year Compressor Protection Plan.** Public Service Indiana will also furnish 10-year compressor protection on high efficiency heat pumps installed on PSI lines by an RSES certified technician.

**\$400 rebate.** Now Public Service Indiana will pay a \$400 direct rebate when you have one of today's high efficiency heat pumps installed on PSI lines.

**Economical operation.** The ability of today's high efficiency heat pumps to bring heat into your home for heating and removing heat for cooling is unrivaled by any other heating and cooling method. This translates into substantial year-round savings to you.

**Stable rates.** Public Service Indiana customers can look forward to stable rates. PSI has already frozen its rates until 1990, and your rates are likely to remain stable well into the 1990s.

**Year-round comfort.** During the winter months, today's high efficiency heat pump will warm you with a constant flow of 90°-95° air. And during the summer, the system produces cool air for whole house comfort.

**Safety.** Today's high efficiency heat pump oper-

ates on a system that does not require a flame of any kind to create heat in your home or business. No open flame is simply cleaner and safer.

There you are. Economy, comfort and safety. And the only place you'll find it is in today's high efficiency heat pump. Isn't it time you kissed an old flame good-bye?

Once you know the facts, you'll choose today's heat pump for your home or business.

For your free High Efficiency Heat Pump Guide, call 800-835-2246 extension PSI (774).

### 10-Year Compressor Protection Plan

Public Service Indiana will extend compressor protection on high efficiency heat pumps (SEER 9.0 or over) to 10 years when installed in all-electric homes on PSI lines by an RSES certified technician.

### Stable Rates

High efficiency heat pump owners can also look forward to stable rates — rates already frozen until 1990. And unless governmental agencies require significant new environmental spending, your rates are likely to remain stable well into the 90s.

### \$400 Rebate

Public Service Indiana will pay a direct \$400 rebate on today's high efficiency heat pumps (SEER 9.0 or higher) installed in new and existing all-electric homes.

## Leininger receives award

The United States Achievement Academy announced today that Thad Leininger has been named a United States National Award winner in basketball and leadership.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10% of all American high school students.

Thad Leininger

Thad Leininger, who attends Mentone Jr. High, was nominated for this National Award by Mr. Mike Humphreys and Mr. Phil Pratt, Principal and basketball coach respectively, at the school. Thad will appear in the United States Achievement Academy Official Yearbook, published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly, United States Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive

### Service notes

Capt. Reid C. Bowser, son of David G. and Eileen Bowser of 307 W. Jackson, Mentone, has been decorated with the Air Medal at Tinker Air Force Base, Okla.

The Air Medal is awarded for meritorious achievement while participating in aerial flight.

Bowser is a weapons director with the 965th Airborne Warning and Control Squadron.

His wife, Mary, is the daughter of Vernon Hurd of Rural Route 5, Warsaw, IN.

He is a 1976 graduate of Ball State University, Muncie, Ind.

Army Private Sean Yost, son of Mr. and Mrs. Kenneth L. Yost of 306 N. Franklin St., Mentone, has completed basic training at Fort Dix, N.J.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability and recommendation from a teacher or director.

Thad Leininger is the son of William and Buni Leininger. The grandparents are Dail and Edythe Barber of Akron, and Marion and Mary Leininger, also of Akron.

## Engaged!

Mr. and Mrs. Burton Matthews of Covington, Ind. announce the engagement of their daughter, Nancy Jo, to Darrell Herbert King II, son of Mr. and Mrs. Darrell King, Mentone.

Miss Matthews is a graduate of Covington High School and Valparaiso University and is employed as an elementary teacher in the Covington Schools.

The groom to be is a 1980 graduate of Tippecanoe Valley High School and graduated from Grace College, Winona Lake. Mr. King is employed as a business teacher, football and basketball coach at Covington High School. He was formerly a coach at Triton High School and broadcasted sports for WRSW.

The couple plan a June 13 wedding.

## Sorority makes donation

Marsha Scott, treasurer of the Psi Iota Xi, Beta Epsilon Chapter of Mentone, presented a \$130.00 check to Mentone principal Mike Humphreys. The donation will be used to sponsor the performance of the Fort Wayne Philharmonic at the Mentone School on May 5. (NEWS Photo)

## Mentone Reading Club

The Mentone Reading Club had their Anniversary dinner at Teel's Restaurant in Mentone, for the final meeting of the year. Guests present included Helen Good, Bernice Jones, Lois Lemler, Vi McGowen, Linda Cochran, Carol Humphries, Teresa Bazini, Margaret Cullison and Beth Fugate. Hostesses for the evening were Rosemary Bazini, Mary Cox and Annabel Mentzer.

The evening's program, "An Evening With the Angel's Music", was given by Beth Fugate who gave a program on her harp and explained how it worked. The 47 strings are set up like the white keys on a piano, and the pedals at the bottom are similar to the black keys. The pedals provide sharps or flats according to their position. One thing a harp can do that other instruments can't is a glissando. Some of the selections played were written especially for the harp, including *Autumn* and *Romance without Words*, and the program was concluded with the favorite *Amazing Grace*.

Officer reports were given by Esther Romine and Pat Gross, and a letter from outgoing President Carol Hurst thanked all for their help and support during her term of office. Some of the achievements listed on her annual report included the Chicago bus tour, financial support of three Federation programs, contributions to the Red Cross, Grace Community Orchestra,

Special Olympics, the Nutrition Site, Bell Museum, local EMT's, Science Fair, and personal community volunteer hours by club members.

The Resolutions presented at the County Convention as formulated by Leafy Hudson and Elaine Fugate were on encouraging wholesome media entertainment; supporting programs that fight child abuse; supporting officials in their efforts to identify and eliminate pornography; and to support public officials in their attempt to formulate and enforce laws against drug traffickers, drug abusers and drunk drivers.

Officers installed by Elaine Fugate for the coming year were:

President, Lea Hudson; 1st Vice President, Esther Romine; 2nd Vice President, Sue Pyle; Secretary, Honey Kuhn; and Treasurer, Mary Ann King.

The Mentone Nutrition Site had games on Monday. Madeleine Fisher of the Bell Memorial Library was with the group on Tuesday. Band practice was held on Wednesday and Friday.

Bingo was enjoyed on Tuesday. The group provided their own devotions on Thursday. We were glad to welcome the Abbess back after a visit to Florida. On their way home, they visited relatives in Pennsylvania. We're sorry that Glen Campbell had to have surgery and that Virginia Peterson is back in KCH.

The band played on Saturday evening for the Atwood alumni. We hope they enjoyed our program.

We are getting real nervous about our performance at Century Center on May 4th at South Bend. We hear there are to be a lot of people there. We play at 9 a.m. which is a little early to travel there for the opening of the two day session of the Annual Conference of the Older Hoosiers. The theme is "Aging Continuum of Care". This is the first time this conference has been held in South Bend. Past Governor Otis Bowen is one of the featured speakers.

Anyone interested in Older Adult issues may attend. There is a \$10 registration fee.

The recent volunteers were Phyllis Seclstr, June Reed, Arlene Casner, and Charlotte Bechtol.

Real Services Nutrition Program invites persons age 60 or older to attend the Meal Site at the Community Room,

Fire Station, Mentone. The telephone number is 353-7555. Please make reservations 24 hours in advance. The menu for the week of May 4-8 is:

Monday - Grapefruit juice, hamburger, green bean and tater tot casserole, buttered winter squash, whole wheat bread, margarine, raisin spice cake, milk, tea, coffee.

Tuesday - Apple juice, beef stroganoff, buttered noodles, spinach with bacon garnish, cracked wheat bread, margarine, fruit cocktail, milk, tea, coffee.

Wednesday - Pineapple juice, stuffed green pepper in tomato sauce, buttered carrots, cottage cheese with chives, whole wheat bread, margarine, butterscotch pudding, milk, tea, coffee.

Thursday - Cranberry juice, smoked Polish sausage, buttered mashed potatoes, sauerkraut, soft dinner roll, margarine, fresh red apple, milk, tea, coffee.

Friday - Orange juice, sliced turkey roll, bread dressing with gravy, buttered peas, white bread, margarine, angel food cake with sweetened strawberries, milk, tea, coffee.

\*Menu subject to change without notice. Due to the diets of some people, the food is not highly seasoned.

## Emery joins bank staff

Doug Emery has joined the staff of Akron Exchange State Bank as Credit Officer. His responsibilities include supervision of the Mortgage Loan Department, loan collateral valuation, and reviewing credit applications, according to J. Randall Leininger, President.

**Doug Emery**

A 1978 graduate of Purdue University, Emery previously was Assistant Branch Manager at the Rochester office of Peru Production Association, Assistant Vice President at Federal Land Bank Association of Peru, and Assistant Vice President of Credit at Tri-River Valley Farm Credit Services in Marion.

A ten-year 4-H club member, Emery was active in Junior Leaders and Future Farmers of America. He graduated from Caston High School where he participated in basketball and cross country and was a member of the National Honor Society. At Purdue, he was a member of Alpha Zeta Agriculture Honor Fraternity, was President of the Purdue Block and Bridle Club, and travelled nationally as a member of Purdue's Livestock and Meats Judging Teams. He is a member of Alpha Gamma Rho Social-Professional Fraternity.

Emery and his wife, Patricia, and two daughters reside at Rt. 1, Macy.

## Akron church making plans

Those on hand to celebrate the ground breaking of the new education fellowship hall at the Akron United Methodist Church were Josephine Merley, Willis Bowen, George Sheetz, Howard VanScoy, Bob Allen, Rev. Merlyn Cox, Bill Lynn, Candy Rader, Alona Leininger, Edith Sheetz, Kevin Deardorff, Chuck Sterk, Dean Baker and Randall Leininger. (NEWS Photo)

The Akron United Methodist Church broke ground Thursday, April 23rd for a two story Education and Fellowship facility, that is to be added to the present church structure, one of the oldest buildings in Akron.

The church membership has spent almost three years developing plans with the assistance of Gene Branning of New York, to blend with the historic architecture of the present structure, while at the same time meeting the needs of a growing congregation.

Leininger saw their dreams begin to take shape Thursday at the Ground Breaking which was recorded for future generations on video tape courtesy of Marvin Thompson. The structure is to be erected by local contractor, John Hunter, with the final design by Craig Bush, engineer from Marion, Indiana.

The town board of Akron wants to thank Kappa Delta Phi Sorority for their fine work in cleaning the park this spring. It was in very good condition for the annual Easter Egg Hunt. Akron's service clubs are active - and we appreciate it!

## Learning about Mexico

Students who helped make a pinata in Miss Good's class at Akron are Johnny Tignor, Ismael Alvarado, Ronda Smith, Brandy Meredith, and Christine Heller.

America's southern neighbor, Mexico has been a source of study and interest to Jeri Good's sixth grade class. A Mexican Fiesta was the culmination point for students. The celebration included a sampling of foods derived from Mexico such as frijoles, chilies, jalapeno peppers and tortillas. Five class members designed and constructed a shockingly bright bird pinata and filled it with candies. Original Mexican music and games added to the atmosphere of this cultural experience.

Ismael Alvarado, former resident of Guadalajara, energized the class. He offered a unique perspective by sharing his country's heritage and culture. He also taught his colleagues

Spanish. Students learned to count, short phrases, colors, months of the year and days of the week. The study of Mexico was exciting, enlightening and interesting to everyone.

## School to begin Aug. 25

As students and teachers alike anxiously await the end of another school year, the Tippecanoe Valley School Board has approved the calendar year for the school system for the 1987-88 year.

August 25, 1987 will be the first day for students with the last day to be May 26, 1988.

If the governor's program passes, the calendar may have to be changed to meet requirements.

## Vikings win in baseball

A three-run homer by Jamie Cullison in the top of the eighth inning gave Tippecanoe Valley a 7-4 win over Pioneer in high school baseball action.

Cullison's shot broke a 4-4 tie that had forced the game into extra innings. Valley had come back to tie the game in the fifth inning after being down by as much as 4-1 after two innings.

Chris Clark relieved David Koch in the third inning, and gave up only one hit after that, while striking out nine to earn the win.

Valley's defense was just as impressive as demonstrated by the area's first triple play of the season in the fourth inning.

Tim Sparrow led the Viking effort at the plate with three hits, while Cullison, Dion Anglin and Clark each had two hits.

The Viking baseball team added another victory to their list over the weekend by defeating Triton 4-0.

In his first start of the season, Valley sophomore Rob Gunter pitched seven innings, gave up two hits and struck out nine Triton batters. Gunter also walked seven Trojans, but he was able to pitch out of trouble.

Valley scored single runs in the first and fifth innings and two in the sixth. Tim Sparrow, Jeff Feldman and Chris Paris had two hits apiece for the Vikings.

## Girls track scene

Tippecanoe Valley placed third in the girls track action held at Valley last Wednesday. Whitko gathered 74 points, Northfield totaled 38 points, and Valley trailed with 36.

The Lady Vikings had one double winner when Danita Boggs took firsts in the 1600 and 3200 races.

The Viking girls defeated North Miami in track action with a score of 66-41. The Lady Vikes got three firsts from Deona Himes and a double win by Danita Boggs.

Himes turned in her first place efforts in the long jump (15-3/4), 100 (13.3) and 200 (27.8), while Boggs doubled in the 800 (2:40.3) and 3200 (14:16.8).

## Golfers defeat Northwood

The Valley Golfers were defeated by Northwood, 158-173, in golf action last week. Dayne Manwaring tied a Tippecanoe Valley record for fewest putts in a high school golf match, but it was not enough to overcome the Panthers.

Valley was led by Manwaring, who shot a 40 from his No. 1 position, including 12 putts. Ben Anderson was next in line with a 42.

## 1987 TVHS Varsity Baseball

## TVHS to host track invitational

Tippecanoe Valley High School will be hosting a Track Invitational for freshmen and sophomores on Saturday, May 2, 1987. Eight area schools will be participating. They are Northfield, Northwood, Manchester, Plymouth, Rochester, Wawasee, Whitko, and Tippecanoe Valley.

Field events will begin at 1:00 p.m. with trials beginning at 2:00 p.m. Finals will begin at 3:00 p.m.

Admission will be \$1.00 for adults and 50¢ for children. Gates will open at 12:30 p.m.

## Notice

The TVAC summer season will begin Thursday, May 7. Time will be 4:00 - 5:30.

## Netters Review

Tippecanoe Valley picked up its first high school girls tennis win of the season Thursday, beating Three Rivers Conference rival Whitko, 4-1.

Sue Lafferty and Leslie VanDeWater were singles winners for Valley, while the Viking doubles teams of Leslie Miller and Alisa Zolman and Lisa Huffman and Crissy White also won in straight sets.

The Valley Netters lost their first home match to LaVine in girls action with a 4-1 loss.

Valley's only point came from the No. 2 doubles team of Lisa Huffman and Crissy White, who defeated Lynette Green and Angie Hawley in three sets, 6-2, 6-7, 6-3.

Bremen defeated Tippecanoe Valley High School 3-2 Friday in girls tennis after winning some close matches against the Lady Vikings.

## Boys advance in track

Tippecanoe Valley's Gary LaMar won the 800, 1600 and 3200 meters and Jeff Tucker captured the 100 and 400 dashes to pace the Vikings to a 72-51 victory in a non-conference boys' track meet.

LaMar won the 800 meters in 2:07.1, the 1600 in 4:38.7 to lead a Viking sweep of that event, and the 3200 in 10:21.3. Tucker qualified for sectional with his winning time of 53.1 in the 400 and also ran the 100 in 11.8.

The other three Viking first places were gained by Brian Buck's discus toss of 128-4 1/2, the 47- 1/2 shot put of Dale Miller and Steve Lynch's 24.8 in the 200. The

Vikings went 1-2-3 in the shot.

Others who qualified for sectional were Buck's discus toss and Miller's shot put.

**KEEP FROM  
AND  
GRADUATION  
SAFE  
DON'T DRINK  
AND  
DRIVE!**

Members of the SADD (Students Against Driving Drunk) campaigned last week to warn students of the dangers of driving while intoxicated. The organization launches its campaign this time of year because of the Prom held Saturday and graduation approaching.

Gary LaMar, president of the Tippecanoe Valley chapter of SADD, has designed a special "business" size card which has been inserted into the pockets of tuxedos which may be rented at Kline's and the Hull House, both located in Warsaw, IN. The business card simply reminds the renter not to drink and drive. Gary hopes to convince other area businesses who rent tuxedos to also place the cards in their tuxedos.

Several bulletin boards have been decorated with SADD slogans along with posters and banners being placed throughout the school. On Thursday of last week, Mr. Michael Easterday of the Indiana State Police Excise Commission

**Michael Easterday**

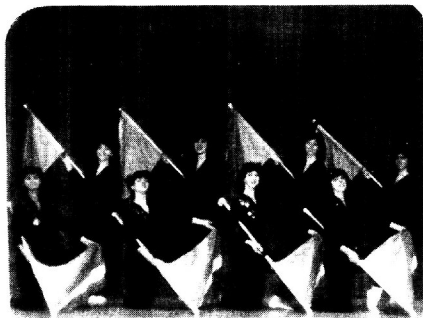

presented the movie "Kevin's Story" to the high school students. The movie depicts the story of a young man who was driving while intoxicated and killed a young lady. The story is a true story and it is hoped its impact will cause young adults to stop and think before they attempt to drive while drinking.

Students were given the opportunity to sign pledge cards which certified that the recipient pledged not to drink and drive during the Prom and Graduation of 1987. The card was signed by John Hill, Principal, and Sandra Carmichael, SADD director.

To top the week's events, a balloon launch was held on

Friday after school. Each high school junior and senior launched a helium filled balloon representing his or her life. The desire of SADD was that each junior and senior would be able to return to school on Monday: Keep Prom and Graduation Safe -- Don't Drink and Drive! TVHS-SADD

### 1986-87 TVHS Auxiliary Corp

Auditions for the 1987-88 TVHS Auxiliary Corp will be held Monday, May 11, at 3:30 p.m.

All interested individuals must attend at least three of the five practices scheduled for the week beginning on Monday, May 4. The practices will be held daily beginning immediately after school and lasting until 5:30 p.m.

Questions regarding the Auxiliary Corp. auditions should be directed to Mrs. Pearson at the high school (353-7031).

The Auxiliary Corp. performs with the Viking Guard during the summer and fall marching seasons and performs at the halftimes of home boys varsity basketball games.

Mrs. Pearson also works with the auxiliary corp. She has had eight years of marching band/auxiliary corp. experience. Mrs. Pearson has worked with groups from 12 different schools. She is a graduate of Ball State University and holds an Indiana teaching license.

## French named Academic All-American

The National Secondary Education Council has announced that Cherie French has been named an Academic All-American.

The NSEC has established the Academic All-American Scholar Award Program in order to offer deserved recognition to superior students who excel in the Academic disciplines. The Academic All-American Scholars must earn a 3.3 or better grade point average. Only Scholars selected by a secondary school instructor, counselor, or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the NSEC. These are awards few students can ever hope to attain.

Cherie, who attends Akron Jr. High, was nominated for this National Award by Rudy Glinge, PE and Health Teacher. Cherie will appear in the Academic All-American Scholar Directory, which is published nationally.

**Cherie French**

"Recognizing and supporting our youth is more important than ever before in American history. Cer-

tainly, winners of the Academic All-American Awards should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the National Secondary Education Council.

The Council selects Academic All-American Scholars upon the exclusive recommendations of teachers, coaches, counselors, and other qualified sponsors. Once awarded, the students may be recognized by the NSEC for other honors.

Cherie is the daughter of Mr. and Mrs. Joe French.

Her grandparents are Mr. and Mrs. Richard French, of Akron and Mr. and Mrs. Harold Roberts of Akron.

## Child Care

One of the better ideas of recent years is employer-supported child care centers.

Working mothers find such facilities highly convenient. They can often visit these centers at lunchtime. Delivery and pickup of children is simplified.

More and more corporations and businesses are finding that support of nearby child care centers, sometimes on the employer's property, is good business. It makes for contented and appreciative workers, which in turn aids productivity and efficiency.

The current popularity and success of these child care centers indicates this trend will be a rapid one, that in future years employer-supported child care centers may be almost taken for granted.

## Wedding plans

Mr. and Mrs. Robert L. Szewc, of Lisbon, announce the approaching marriage of Kimberly S. Szewc to James T. Hodges, III, son of Mr. and Mrs. James T. Hodges, Jr., of Akron, Indiana.

Kimberly is a 1985 graduate of Ball State University and is employed as a graphic artist at St. Francis Hospital Center, in Indianapolis. Her fiancé is a 1985 physics graduate of Ball State University and is employed in Indianapolis by Dr. David Tavel Premium Optical.

An August 29th wedding is planned at the Center Grove Presbyterian Church, of Indianapolis.

## Gary LaMar accepts scholarship

The hours of running and agonizing practice have climaxed for Gary LaMar, senior at Tippecanoe Valley High School. Gary has accepted an athletic scholarship at Southwestern Michigan Jr. College in cross-country and track. Gary is the son of Lois and Ed LaMar.

"Gary has always worked hard and has never given up," said his mother. She noted of an instance in Junior High when Gary ran in the county wide track meet with ten stitches in his ankle. One reason why Gary enjoys the sport so much is because of the individualized challenge.

"You try and beat yourself; your own times and records," quoted Gary. Gary is trying to break his own school record in the 3200 and 1600 which he set last year.

Mr. Screeton, track coach at Tippecanoe Valley, stated that Gary is an outstanding athlete who has worked very hard to achieve his goals. "I am very happy for him".

Coach Ron Gunn of Southwestern Michigan sees Gary as a "diamond in the rough".

Lois LaMar watches as her son Gary signs an agreement with Southwestern Michigan College track coach Ron Gunn to attend college there this fall. Also on hand to help Gary accept the athletic scholarship were Gary's father, Ed LaMar, Bill Screeton-TVHS track coach, Bob DuBois-TVHS athletic director, and Victoria Brock-TVHS assistant principal.

## Merediths attend bill signing

Those present for the signing of Bill 1484 was (seated) Curtis Morris, Gov. Bob Orr, Evelyn Meredith and Roy Meredith. Standing are Senator Hidry, Rep. Bowser, Leigh Morris and Marcia Morris.

Governor Robert Orr last Thursday signed into law a bill which will provide textbooks to visually handicapped students who attend Indiana's public schools.

The author of the legislation, State Rep. Anita Bowser (D-Michigan City), was present for the signing of the bill, as was Curtis Morris, the young man whose difficulties in obtaining suitable visual learning aids prompted Bowser to author this bill. Curtis is the grandson of Evelyn and Roy Meredith of Akron.

"This law was filed on behalf of Curtis and all other young people whose physical disabilities prevent them from easily obtaining appropriate instructional material," Bowser said.

The law she pushed for

will require all contracts between the State Board of Education to reproduce textbooks in large type, braille, and audio formats for visually handicapped students beginning with all

contracts made after June 30, 1988. Every contract will also include a provision expediting the procedures by which permission is granted to reproduce textbooks in large print.

## Sisters in Who's Who

The Grand Rapids Baptist College has announced that Laura Unzicker and Sonya Galloway, daughters of Mr. and Mrs. James Unzicker, and graduates of Tippecanoe Valley High School, have been chosen to be included in the 1986-87 edition of *Who's Who Among Students in American Colleges and Universities*. This is Laura's second time to receive this honor. Placement in this listing is based upon academic achievement, service to the community, leadership in extracurricular activities, and future potential.

## LEGAL NOTICES

### NOTICE OF INTENTION TO EMPLOY A CONSTRUCTION MANAGER

Notice is hereby given that the Board of School Trustees of the Rochester Community School Corporation, P.O. Box 108, West 18th Street, Rochester, IN 46375 intends to employ a professional engineer as a construction manager. The construction manager will assist by providing cost estimates for proposed projects, coordinating the selection process for an architect, and advise the corporation during any construction project. The construction manager will be selected on the basis of experience with school related projects. Individuals/firms will be requested to supply a list of recent school projects in addition to a fee schedule based on maximum hourly payroll rates for various classifications of personnel to include, but not necessarily limited to, architects, engineers, department heads, project managers, technicians, draftsmen, estimators, inspectors, and clerk/typists. Any multiplier of the direct personal expense of the personnel actually performing the services must be clearly indicated as a part of the documents presented Rochester Community Schools. Responses to this notice may be delivered from 8:00 a.m. to 4:00 p.m. on weekdays at the Administration Building, West 18th Street, Rochester, Indiana until thirty (30) days from the date this notice is published. The Rochester Community School Board of School Trustees reserves the right to reject any and all responses to this notice and to waive any informalities.

CBF, short-term bonding, or a combination of the two.

The school board agrees with Paige that the roof needs to be repaired this summer and that the project should not be tabled to a later date.

Three architects will be called in for interviews concerning the roof within the next week, with a decision on funding to be made after more accurate cost figures are gathered.

Equipment purchases amounting to \$14,482 at Burket and \$23,797 at Mentone were approved by the Board. These costs were figured in with the building costs to be paid from CBF. Equipment for the Akron school will cost \$69,484.27, to be paid by the holding corporation.

Additional changes in the building project, resulting in a cost of \$17,612, were approved by the board. Only \$805 is the school corporation's responsibility. The rest of the additions are at the Akron site at the holding corporation's expense.

### Changes include:

Temporary heat used at Burket during the winter. Cost was \$655. Additional lockers in the Akron girls locker room. Cost is \$548. New carpentering in the existing Akron corridors and new tile in the vestibules. Cost is \$12,840 for the carpet and \$2,320 for the tile.

Installation of a sock on piping at the Mentone School to eliminate sand getting in the pipes. Cost is \$150.

Core drilling of the gymnasium floor at Akron to install six volleyball floor sleeves. Cost is \$1,099.

Deductions of \$111.03 and \$500 were approved for piping and ducts already provided.

### In other matters:

\* Principal recommendations for teachers and other positions in the school system were approved. A total of 107 positions were approved.

\*Bob DuBois was given a one-year contract as head boys basketball coach. Paige recommended a two-year pact and board member Charlie Smith made a motion for a two-year contract, but there was no second.

\*Frank Miller was approved as Akron track coach.

\*Resignation of Andrew Gross as Mentone LD teacher was accepted.

\*Retirement of Ed Phillips the Burket custodian, was approved.

\*A resolution was signed by the board, recognizing May 5 as National Teacher Day.

## Wait until May to fertilize lawns

Although most homeowners are conditioned to fertilizing their lawns in March or April, it is not recommended, says Jeff Kissick, Fulton County Agricultural Agent. There are several reasons why it is better for the turf to delay fertilization until mid to late May. The first reason is that turf will green up and grow well in the early spring due

to favorable weather conditions without the addition of fertilizer. If nitrogen containing fertilizer is applied in March or April it will stimulate leaf growth. Within the plant, leaf growth will always take priority over root growth. This means that excessive leaf growth occurs at the expense of the root system.

By waiting until mid to late

May to fertilize the natural flush of growth that occurs in the spring will have ceased so excessive growth will not occur after fertilization. A fertilizer with 50% or more of the nitrogen in a slow release form is recommended at this time. The slow release nitrogen will provide moderate, even growth throughout the summer. It would be best to use a

fertilizer with a 4-1-2 ratio of nutrients. The fertilizer should be applied to provide 1 pound of actual nitrogen per 1000 sq. ft. of turf.

The majority of the nitrogen applied to turf should be applied in the fall. September is the most important time to fertilize a Kentucky bluegrass, perennial ryegrass, fine fescue or tall fescue lawn.
