Mentone board adopts specifications

Members of the Mentone town board adopted specifications for a new police car at Monday night's meeting. Interested bidders can see these at the Town Hall or get copies from Wayne Tombaugh.

The bids will be taken without advertisement since the total to be spent will be less than \$5,000, according to board members.

In other action, members hired Donna Romine to take care of

cemetery records books for \$25 per month and adopted an ordinance for additional appropriation of cumulative capital improvement fund as advertised in the NEWS on July 21.

The next meeting will be the budget hearing on August 29 at 7:30 p.m. in the clerk's office of the Town Hall.

regular enrollment time.

Cash or checks payable to Tippecanoe Valley High School should be taken to school to pay for text rental and-or fees, Skinner said.

Bike riders need care

Citizens of Akron and Mentone have complained a great deal lately about careless bicycle riders. For the benefit of those who pedal both for fun and necessity, the NEWS is publishing a list of bicycle safety rules on page 2. Reading it could save a life or an accident.

Akron library's summer program ends

The Summer Reading Club sponsored by the Akron Carnegie Public Library closed with a party last Tuesday for the children who participated.

For completing eleven books, frog mini-mobiles were given with stars added for each additional book. Sixty-nine children participated this year.

Receiving awards for outstanding reading were Raynelle Parson, Norman Cornell, Tana Tinkey, Lee Miller, Angela Wood and Bill Cornell.

Those who received certificates for reading eleven or more books were Randy Cumberland, Lori Gray, Steve Holloway, Renelle Parson, Scott Shepherd, John Sikora, Shari Smith, Todd Sorg, David Stubblefield, Roger Webb, Randy Bascom, Norman Cornell, LaDonna Johnson, Karl Leininger, Chris Moore, Todd Shepherd, Danny Wagoner, Andrew Wood, Sherry Eaton, Sharon Hudson, Lee Miller, Raye Ann Parson, Rhonda Webb, Rhonda Williams, Sandra Dittman, Angela Wood, Julia Bascom, Debbie Shriver, Tana Tinkey, Bill Cornell, Betty Williams, Teresa Wallace and Karen Clemons.

The children who will be in the second grade this fall will be entertained at the library with their teachers some afternoon after school convenes.

Burket seeks fire station

The town of Burket will launch a fund-raising project to help finance construction of a new fire station to serve the town and Seward Township. Details of the town's plight are outlined in a letter to the editor in this week's NEWS.

CHEERLEADERS ATTEND NATIONWIDE CAMP: Mentone Jr. High School cheerleaders attended a workshop at Taylor University, Upland, July 24-27, where they learned new cheers, pom-pom routines, crowd control and motivation, gymnastics, mounts and balances, jumps and other cheerleading techniques. They also participated in a talent show and presented a pep rally. The program, conducted by Nation-Wide Cheerleaders Association of Indiana, Pa., attracted 200 cheerleaders from several states. Attending from Mentone were, from the top, Carleen Clappitt, Vicki Matix, Kathleen King and Kathy Vogel. They received one superior placing and one excellent award during their stay.

Mentone speed study results in changes

At the request of the town board of Mentone, the State Highway Commission has recently carried out speed studies on SR 19 and SR 25 in town and will be making some changes in speeds on these high-

ways later this summer, according to State Highway Executive Director Roger F. Marsh.

Recommendations made from this study include:

-45 mph for all northbound traffic on SR 19 from 2200 feet south of Eisenhower Street to 1200 feet south of that street. The present limit there is 55 mph.

-40 mph for all traffic on SR 19 from 1200 feet south of Eisenhower Street to 200 feet south, where the present speeds are 55 and 40 mph.

-a continued 30 mph for all traffic on SR 19 from 200 feet south of Eisenhower Street to 200 feet west of Franklin Street, where the current speed is 30 mph.

-35 mph for all SR 19 traffic from 200 feet west of Franklin Street to 500 feet north of Harrison Street. The present speeds are 40 and 55 mph.

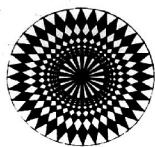

-45 mph for all southbound traffic on SR 19 from 500 feet north of Harrison Street to 1500 feet north, where the current limit is 55 mph.

-40 mph for all SR 25 traffic in the area from 200 feet east of County Road 1150 West to Etna Drive. The existing limits along there are 40 to 55 mph.

-a continued 30 mph for all SR 25 traffic from Etna Drive to 200 feet east of Morgan Street.

Seven-year-old Patricia Tucker, daughter of Mr. and Mrs. Terry Tucker, Milford, and granddaughter of Mr. and Mrs. Dearl Tucker, Mentone, was the covergirl on Sunday's Michiana section of the So. Bend Tribune. The pert youngster was pictured holding a duckling, one of the millions annually raised at Maple Leaf Duck Farm, which is operated by her father.

More than 80 railroad fans attended open house Sunday at the Leiters Ford depot museum. August 10 is the last day this summer that the museum, now operated by the Fulton Co. Historical Society, will be open. Admission is free weekdays from 9 to 5.

Congressman Elwood H. "Bud" Hillis, R-Ind., reports 24,000 constituents took time to answer his recent survey. Of this number, 92 percent said "no" to giving veterans benefits to those with less-than-honorable discharges. The energy question resulted in a dead heat, he said, with many persons expressing doubt about the reality of the energy crisis.

Wilbur Craig, Rochester, sends along a note that he was born near Akron in 1888 and began reading the NEWS a few short years later. "I have been reading it ever since, looking forward to getting it every week since," he says. He's our kind of reader.

Five Mentone couples—Tom and Elaine Fugate, Gerald and Donna Romine, Jim and Lois Miller, Bill and Mary Ettinger and Bob and Kate Whetstone—were in Dayton recently for the enshrinement of Mentone native Lawrence Bell in the Hall of Fame. While there they met many celebrities, including Will Rogers Jr., son of the famed humorist who was also being enshrined. As soon as he heard they were from Indiana, he asked the group, "Is it true Culver Military Academy is now co-ed? I went to school there and I just can't believe it." They assured him that his alma mater was indeed co-ed and added that Notre Dame had also welcomed women students. He could only shake his head in disbelief.

Staff Sgt. Ricky L. Brennan, a veteran of overseas service in Germany and Vietnam and a native of Syracuse has been named Army recruiter of the Warsaw Army Recruiting Station, 611 So. Buffalo St. He and his wife, Bonny, and their children, Ricky Jr., 4, and Steven, 2, will reside at 1818 Sue Ave., Warsaw. Brennan is a graduate of the Non-commissioned Officers Academy, Germany, and the Adjutant General School's recruiting and career counseling course at Fort Harrison, Ind. He received both the Army Commendation Medal and Bronze Star while serving in Vietnam.

The Consumer Protection Division of the office of Attorney General Theodore L. Sendak is attempting to provide consumer-related information to as many Hoosiers as possible. As one way to do this, a traveling representative of the division will be at the Fulton Co. courthouse, Rochester, on Friday, August 5, from 12:15 to 12:45 p.m.

12. Don't Weave In or Out of Traffic or swerve from side to side.

Accident Report

Joseph Defibaugh, 31, R. 1, Mentone, and Debbie Holder, 22, Priest Falls, Idaho, were treated at Kosciusko Community Hospital after a car-truck collision last Wednesday morning. Defibaugh was cited for failure to yield the right-of-way. Damage to his truck was set at \$800. Ms. Holder's car had \$1,000 damage, according to Kosciusko Co. police.

Susan K. Riner, 18, was pinned in her pick-up truck for a short time last Wednesday after it overturned at Kosciusko Community Hospital for a cut hand and complained of her leg hurting. Kosciusko Co. police said the vehicle ran off the road, swerved back across the pavement and upset in a ditch. Damage to the truck was estimated at \$2,500.

Victoria J. Sellers, R. 1, Silver Lake, told Warsaw police last week that she was attempting to maneuver out of a parallel parking space when a ConRail train collided with her car. Damage to the Sellers car was set at \$400. A tank on a railroad car received \$15 damage.

Cars driven by Merble M. Chapman, 86, R. 5, Rochester, and Joann M. Kroft, 20, Akron, collided Sunday in Rochester. Damage to the Kroft auto was estimated at \$1,000 and the driver was charged with failure to yield the right of way.

Vehicles operated by Gerald A. Ballenger, 67, and Gary Adams, 23, both of R. 1, Mentone, collided Saturday north of Etna Green with damages listed to the Ballenger car at \$50 and to the Adams vehicle at \$700.

MARRIAGE LICENSE

Kimberly Jo Coplen, Akron, and Ralph E. Martin, Akron, recently obtained an application for marriage license in the Fulton Co. clerk's office.

Couples recently applying for marriage licenses in the Kosciusko Co. clerk's office included Kevin Frederick McSherry, Burket, and Marsha Ann Weller, R. 1, Silver Lake, and Christopher David Long, R. 2, Silver Lake, and Bonnie Jo Hathaway, R. 2, Silver Lake.

Brent, 5½, and Brian, six months, sons of Mr. and Mrs. Jon Fultz, R. 2, Akron.

COURT NEWS

In recent Fulton Co. court action, John Henry Ault, Akron, was found guilty of assault and battery, fined \$1 plus \$29 costs and sentenced to six months at the Indiana State Farm. The prison sentence was suspended and Ault was placed on probation on condition that he pay the fine and costs and that he stay away from Patricia Casey.

A petition for marriage dissolution has been filed in Kosciusko Circuit Court by Vickie R. Kerlin, R. 1, Silver Lake, and David D. Kerlin, R. 2, Silver Lake. They married May 10, 1975 and separated July 15, 1977. They have no children.

Also filing are Suzanne Hyden, R. 1, Mentone, and Larry D. Hyden, R. 1, Mentone. Married June 8, 1968, they separated July 7, 1977. She seeks custody of their two children.

David E. Long, 19, Mentone, forfeited a \$33 bond for minor transporting alcoholic beverages Monday night in Rochester city court.

Tricia, 5, daughter of Mr. and Mrs. Richard Tilden, Akron.

To all patrons

TO ALL PATRONS SERVED BY THE BURKET VOLUNTEER FIRE DEPT:

We as the Burket Town Board are charged with the responsibility of housing the entire Burket-Seward Township Fire fighting equipment. Three years ago a decision was made to build a new fire station, and the building which set on the town property was moved to a new location on the property of Mr. John Huff.

Since this time we as a town board have tried every method possible to acquire enough finances to build the new building. But much to our regret we have been unable to accumulate enough money. We have been able to accumulate \$15,660.00. The approximate cost of a new building is \$27,000.00 to \$30,000.00. With inflation and time working against us there is no way possible to meet these needs.

Another urgent matter is the agreement with Mr. Huff was a 3-year contract. The three years will be lapsed in November of 1977. We have been unable to enter into a new contract with Mr. Huff. Therefore we have two options:

No. 1 To build a new station
No. 2 Remove the old building from its location to its original plot.

Since the building is not large enough to house all the present equipment, this is not the most desirable plan. Therefore we are asking the patrons who benefit from the Burket-Seward Township Fire Dept. to help us build a building which will be a valuable asset to our entire community.

The Firemen and the Firemen's Auxiliary will be calling on you on the following dates: August 13th, 14th, 20th and 21st., of course your donation is tax deductible. Please make check payable to the Town of Burket. If you wish to mail your donation, mail to Town of Burket, Box 65, Attn: Clerk-Treasurer - 46508.

Thank You,
Signed by the town board.

HISTORICAL SOCIETY TO DO COMMUNITY CALENDAR

Fulton County Historical Society will sponsor a community calendar for 1978, it was announced at a recent meeting. FCHS members are asked to get next year's schedule of meetings for all the clubs they belong to and send them to the museum office by Aug. 20. Wilma Berwanger will get the dates for the Extension clubs. All other clubs and organizations are urged to send their 1978 meeting schedules in the FCHS, 7th and Pontiac, Rochester. Birthdays and anniversaries can be placed on the calendar for 25 cents each. The calendars will be on sale in November.

Bicentennial-award winning houses, farms, and churches will be written up as stories for the Quarterly this month. All who have photos to go with the stories are asked to bring them in.

1977 dues must be collected soon. Lists of delinquent members were given to township representatives to telephone.

Tom Guthrie of Jobsite Trailer gave FCHS an axle to make a trailer to haul the antique truck to parades. Virgil and Pat Zellers had hauled the trailer to Leiters Ford and Akron parades with their trailer.

Efforts are being made to save the Germany bridge. It was built in 1879 and is one of the few iron truss bridges left. William Baldwin and several others who live close to the bridge would like to see it preserved if possible. An article in "Outdoor Indiana" suggested that one or more of the old bridges should be preserved before they are all gone.

The Germany Bridge was condemned in 1901 by the county commissioners, but Eugene Nafe, a nearby farmer, drove his steam threshing rig on the bridge and convinced them that it was safe. So here it is still in use 76 years later, but with a four-ton limit sign beside it.

Franklin Heisler showed the movie "Guns of September," about Indiana's part in the Civil War. Refreshments were served by Wilma Berwanger, Robert and Irene Thomas. There were 14 at the meeting. Shirley Willard FCHS president

40 YEARS AGO

Good news. The state taxes for the year 1917 will show a reduction of 9.1 cents on the \$100. Last year the state levy on the \$100 of taxable property was 41 cents. This year the levy will be 31.1 cents on each \$100 of taxable property and \$1 poll tax.

No auto driver should disobey the law that governs the use of dimmers. It is dangerous not to see them and enforcing the law under those conditions is not autocratic. Officers have been picking up autoists who do not use their dimmers.

Ananias Swihart brought a raspberry twig to this office last Saturday morning, that was laden with the largest, finest fruit we have ever seen. He said they raised eleven bushels of that quality this year, dividing up with their children.

Dr. B. F. Dawson was in this office last Saturday waving a dozen roasting ears in our faces and declaring that he purposed to dine on them at noon, thus irritating our appetite when we were without corn or price. Doc thinks his corn is the first on the menu this summer. Hence, we fixed the date.

This community put up a most splendid treat this week for 45 boys from Chicago, who are in camp at Winona under the chaperonage of Oliver Ransopher. These boys are practically without home influence and see but little of life excepting a struggle to exist. Through the Ladies Aid of this place this community sent garden truck, fruits and money enough to run those boys a half week at any rate. The response was so liberal from every one called upon, that the Ladies Aid by its president comes into this issue with a card of thanks with a heart overflowing towards the good liberal spirit that prevails here among all the people.

39 YEARS AGO

Mr. and Mrs. Reuben Royer and son, Vern, entertained at their home east of Akron. The occasion was in honor of the birthday of Mrs. Royer, and also of Miss Justine Hoffman, Vern Hoffman and George Harding, of No. Manchester. A lovely chicken dinner was enjoyed, after which ice cream and cake were served.

Mr. and Mrs. Con Singpiel and daughters and Mr. and Mrs. Joe Day and son are returning home today from Duluth, Minnesota where they have been spending a week's vacation.

There seems to be some trouble in getting the slot machines removed from the three local establishments in which they have been placed recently. Ernest Lantz, town marshal, acting on order of town board members asked the local merchants to have them removed by last Friday. It is claimed that it is hard to locate the owner of the machines, so they are still here. The problem of slot machines will probably be further considered at the town board meeting Monday night at the city hall.

The Akron Agricultural Fair board has been holding frequent meetings recently and have things in good shape for the eighth annual fair, which has been announced for Sept. 14, 15, 16 and 17.

25 YEARS AGO

The Misses Sue Fetrow and Carol Smith of Akron won first prize with a vocal duet, "Around the Corner", at the amateur contest at Enyeart's Deer Park in Rochester. Sue is the daughter of Mr. and Mrs. Merle Fetrow and Carol is the daughter of Mr. and Mrs. Charles Smith. The girls will appear again next week on the program but will not be in competition. At the close of the season all first prize winners will be chosen to be on a radio program from Warsaw. Jackie Nye, son of Mr. and Mrs. Robert Nye, won second place with a rope twirling and whip cracking act.

A group of friends and neighbors with tractors, wagons and three combines, gathered together to combine oats for Paul Bowen, who is in the hospital in Ft. Wayne. The men who helped were: Ed Thompson, Bull Craig, Estil Kamp, Forrest Kamp, Kendal Rager, Don Hoffman, Paul Fites, Homer Wideman and Ed Plotenger. Larry and Jerry Kuhn were water boys. Dinner was furnished by Ralph Pratt and Nelson Bowen at the restaurant.

The Rev. and Mrs. Claude Fawns, Dixie Myers and Barbara Boswell are spending the week at the Fawns cottage at Epworth Forest.

Nappanee art show plans announced

NAPPANEE, IN. — Dick Pletcher presents the \$500 Best of Show purchase prize to Jim Pearson, 1976 two-dimensional winner. Over 150 artists participate in the Pletcher Village Art Festival each year.

An exciting weekend is planned August 11-14 when more than 150 midwest artists and craftsmen are expected to converge on Nappanee as Historic Amish Acres presents the 15th Annual Pletcher Village Art Festival. The four-day weekend Thursday through Sunday, will feature everything from a magic show to Punch and Judy each day from 9:00 till twilight. Amish Acres, an 80 acre Amish farm restoration, is located one mile west of Nappanee on U.S. Highway 6.

Participants will compete for over \$1,800 in cash prizes during the colorful, musical, and unusual four day event.

Two \$500 Best of Show Awards will be presented by the judges to individual pieces in each of the two-dimensional and three-dimensional categories. In addition, a \$100 award will be given for the best overall booth, taking into account the total quality of the work displayed, background, presentation, costume, salesmanship, and compatibility with the festival mood. Additional popular awards are voted on by the visitors.

The two-dimensional category will include entries in oil, acrylic, watercolor, paintings, drawings, etc.; three-dimensional pieces will be selected from all crafts, including, sculpture, metal, leather, jewelry, ceramics etc.

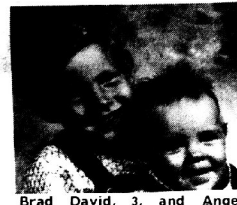

All booths are committed; however, last minute inquiries are still being accepted for a waiting list.

POLICE REPORT

More than \$400 worth of items were stolen from a building on SR 114 in Disko Tuesday evening, but they were recovered by the owner later in the evening. Theodore Lewis, Akron, was driving toward the building when he spotted a car that had gone off the road and was stuck in a ditch. He stopped to help the driver and noticed the stolen items in the car. He put the articles in a handi-vac, a record player, four pieces of movie screen and a set of steer horns—into his car and reported the theft to police.

Chester LeRoy Walters, 32, Mentone, was booked at the Kosciusko Co. jail last week on a charge of assault and battery and held in lieu of \$1,000 bond. He was arrested after two reported fights at a Warsaw home where police found a sawed-off shotgun lying on the living room floor and a few shotgun shells in his pockets.

TVAC ends summer season

In a meet held Saturday at the Bremen pool, the Tippecanoe Valley Aquatic Club, "Jaws," was defeated. The final score was Bremen 365, TVAC 273. The score does not indicate the fine effort put forth by the Jaws swimmers. The team took first place in 35 of the 70 events and first-second sweep in 10 of those events. The 8-under boys and the 9-10 boys took first in all of their events and a sweep in many of them.

The annual meeting of the Tippecanoe Valley Aquatic Club and awards banquet will be held August 18. At this time Coach Bill Ennis will present special awards to the summer swimmers. All summer and winter members are invited to attend the 6:30 p.m. dinner at the Tippecanoe Valley High School commons.

The following are the meet results:

"We hope that all Kosciusko County drivers will be on the alert for these changes and will plan their driving accordingly," says Director Marsh. Highway's Fort Wayne District Traffic Engineer, Theron Lindsey, says that he expects crews from the District to have sign changes for the new speed zones posted within the next three to six weeks.

Mentone Town Board President, Frank Hardesty, concurred with the Highway's decision for these new limits which are being made in the interest of safety for all motorists.

Area schools to offer vocational ed for students with special needs

During the 77-78 school year the Division of Vocation Education will fund a special program for students in the following high schools: Bremen High School, Warsaw High School, Wawasee High School, Whitko High School, and Tippecanoe Valley High School. This program will provide job placement and supervision services for selected students who attend the above-mentioned high schools.

Students will be screened to determine their vocational in-

terests and their desire for employment. A Pre-Vocation Education coordinator (PVE) will then contact local businesses and industries and attempt to set up job training stations. The coordinator will be responsible for supervising the students on the job, evaluating the student's progress, and working very closely with the employers to ensure a successful experience for the students.

Vocational skills needed by the students in the world of work will be emphasized in the related

vocational classes in which they are enrolled. A para-professional will be employed at each high school to assist the teachers in providing the types of training experiences which are directly related to their jobs. The para-professional will work with many regular and special teachers, and will be primarily responsible for providing one-to-one instruction for the students in this program.

In-school and community-based work stations will be developed by

Akron to get final park grant

The State of Indiana has received a check for \$4,866.98 from the Federal Bureau of Outdoor Recreation that will be sent to the Akron Park and Recreation Board, according to an announcement made this week by Joseph D.

Cloud, Director of the Department of Natural Resources. The check represents final reimbursement for development of recreational facilities in the Akron park, which included two tennis courts, ballfield lighting and bleachers and a concession-storage building. A total of \$12,873.70 was reim-

bursed to the park board during the course of the project.

The project received financial assistance from the Land and Water Conservation Fund, which provides 50 percent of the cost for acquisition of lands and waters and development of public outdoor recreational sites and facilities.

Former Secretary of Agriculture Earl Butz will be the featured speaker at the August 13 tribute to the late Rex Parker at Tri-State Harvestore System Inc., north of Silver Lake.

The tribute to Mr. Parker, who died March 4, 1976, will begin at 11 a.m. and conclude at 3 p.m. Refreshments will be served.

Marion E. Vaughn, president, Tri-State Harvestore, is host. The public is invited.

Akron enrollment information

Akron school will enroll new students and collect book rental fees August 15-19, according to principal Mark A. Barker. He said fees may be paid between 10 a.m. and 2 p.m. in the middle school library.

Lunch prices remain the same as last year: \$2.50 for elementary lunch plus 30 cents extra for afternoon milk; middle school lunch, \$2.50. Lunch money will be collected the first day of each week.

Mentone C of C hears 1978 Egg Festival suggestions

At a recent meeting of the Mentone Chamber of Commerce, president Jim Miller reported on the recent Egg Festival and outlined suggestions for 1978 that included:

- More food stands.
- Square dance by more clubs.
- Having the present queen help on the candidate committee.

- Having the queen enter other parades to help advertise Mentone.
- Naming an Egg Festival chairman.
- Having six candidates for Egg Festival queen.
- Naming a parade chairman now.
- Choosing a theme now for the 1978 parade.

Community residents are urged to help in this selection and may send their suggestions to Jim Miller, Mentone, 353-4574, prior to September 3 when new chairmen will be appointed and plans made. Previous themes included the Bicentennial Mentone Egg Festival in 1976 and Mentone Egg Festival Salutes Larry Bell in 1977.

Rager takes Plymouth position

Dean Rager, principal at the Akron elementary and junior high schools for the past 12 years, has been hired as principal of West elementary school of the Plymouth Community School Corporation. He will replace Paul E. Nye, who has been reassigned as social studies teacher at Lincoln junior high, Plymouth.

Rager, who resigned from his local position early this year, previously was principal at South Whitley and a teacher at Monticello.

In addition to his other duties, Rager will eventually become curriculum coordinator for all the elementary schools in the Plymouth system.

TVSC seeks sub teachers

Anyone interested in substitute teaching for the Tippecanoe Valley School Corporation during the 1977-78 school year should report to the high school commons area on August 22. Coffee and rolls will be served beginning at 8 a.m. and tuberculosis tests will be given beginning at 9 a.m. Applications for substitute teaching may be obtained in the superintendent's office and substitute certificate applications may also be picked up in his office on that date. New

substitute certificates are necessary this year for anyone who does not have a valid Indiana teaching license.

Blood bank

The Red Cross Bloodmobile will be at Rochester High School Monday, August 15, from 11 a.m. to 5 p.m. Anyone between the ages of 17 and 65 and who weighs at least 110 pounds and is normally healthy is eligible to donate blood.

Chairmen and quotas for the local area are Henry township, Mrs. Doin Smoker, 18, and Newcastle, Mrs. Delbert Nutt, six.

The total goal for the blood bank is 125 pints. Of this, types needed are 32 pints A positive, 34 pints O positive, eight pints B positive, four pints AB positive, eight pints A negative, eight pints O negative, three pints B negative and one pint AB negative.

Akron Youth League picnic

The Akron Youth League's annual family picnic will be Monday, August 15, at 6:30 p.m. in the Akron park. Each family should take a covered dish and their own table service. Meat and drink will be furnished.

MENTONE area 4-H members chosen to enter their exhibits in the state fair at last week's Kosciusko Co. Fair included, back row, from left: Alicia Dickerhoff, home furnishings and clothing construction; Joy Lucht, alternate in home furnishings; Robin Secrist, childcare, personality and clothing construction; Ann Lash, a member of the Beaver Dam club. Front row: Norma Knoop, crafts, and Margaret McWilliams and her champion cat.

Burket School lists opening information

The first day of school for Burket Grade School students in grades kindergarten through fifth will be August 23. The school day will be from 8:25 to 3:40 P.M. The kindergarten session will be from 8:25 to 11:20 A.M.

Parents may pay book rental fees from 1 to 4 p.m. on Thursday and Friday, August 18 and 19. Parents who cannot go at the scheduled times may send payment with their child on the first day of school.

New students not already enrolled may enroll during the week of August 15-19 from 8:30 to 4 p.m.

Book rental charges and fees will be as follows:

| Grade | Textbook rental | Work books | Total |
|-------|-----------------|------------|---------|
| K | 7.00 | \$ | \$7.00 |
| 1 | 3.07 | 14.88 | \$17.95 |
| 2 | 5.57 | 10.68 | \$16.25 |
| 3 | 7.30 | 9.45 | \$16.75 |
| 4 | 7.21 | 9.14 | \$16.35 |
| 5 | 7.32 | 10.53 | \$17.85 |

The school cafeteria will begin serving lunches on August 23. The charge will be 45 cents per day or \$2.25 per week. Afternoon milk will be 30 cents per week. Lunch and milk money will be collected on the first day of school.

Milk for kindergarten will be sold on a semester basis. The charge for the first semester will be \$5.00.

Vicki Arnett first runner-up

Vicki Arnett, Miss Mentone, was first runner-up in the Kosciusko Co. Fair Queen contest that ended Saturday with the crowning of Joni English, Pierceton. Miss Arnett, the daughter of Mr. and Mrs. Clyde Arnett, R. 5, Warsaw, was also named Miss Congeniality.

Vicki was sponsored by the Mentone Youth Organization. She is a student at Tippecanoe Valley High School where she is a

member of the Sunshine Society, yearbook staff, pep and art clubs and is captain of the Vikesettes.

TVHS enrollment

Any Tippecanoe Valley High School student unable to attend preregistration on August 10 or 11 may make it up Tuesday, August 16, from 7 to 9 p.m., according to TVHS principal Loran Skinner.

ODDS and ENDS

By Ann Sheetz

"Imagine that! Someone clear up here knows someone I know!" a man exclaimed to his companion as they left my office.

Gee, I didn't know Mentone was all that far removed from Indianapolis, I thought as I listened to the echo of their parting words, "It's sure a small world."

Still, I knew how he felt. It was the same feeling we'd had the previous night when we'd learned a man from Marion, the only person within a hundred miles trained to do some work we needed, would be in Akron the next day and would be glad to stop by and take a look at the job. People you need don't just happen to be in town when you want them, but this man, a total stranger, was.

As the day wore on, it became more and more apparent that the world is indeed small. "Talked to someone in Muncie who knows you," a friend said, and we compared notes on a now mutual acquaintance.

And it being the year of roots and a national search for origins, it wasn't long before a genealogist from Indianapolis had stopped to inquire about a family that left town 40 years ago. Two quick telephone calls located the source

she needed, and she was on her way with the now familiar comment, "Gee, it's sure a small world."

As if not already convinced, I was soon greeted by a Canadian couple searching both for roots and for aviation-related material—two of my favorite subjects. We alternated discussions of Lawrence Bell's achievements and their plans for a western Canadian aircraft museum with talk of their cemetery forays that had been less than successful.

"What you really should do is talk with Wendell and Jean Tombaugh at Rochester," I said. "They've recorded all the cemetery inscriptions in Fulton Co. and are working on Miami and Kosciusko counties. They might have the names of the people you're looking for."

"Might as well try," they sighed. "Nothing else has worked."

I called the Tombaughs and got permission for the couple to visit them. "Their name is Lumsden," I said as an afterthought.

"That spelled L-u-m-s-d-e-n?" Wendell asked.

"How'd you know? I never heard of it before."

"Jean has it in her Chitwood line," he said.

"Chitwood mean anything to you?" I asked the couple as I hung up the phone.

"That's on my father's side," Chuck Lumsden said.

"Well, you just found them in Rochester."

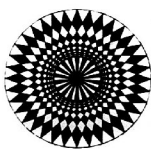

They turned to each other in startled amazement. He, who had feigned little interest in her search, now was as excited as she was. "Four came from England; three stayed in the States and one went to Canada," he said, and they were gone.

The last I saw them, they were headed west as fast as their camper would go, grinning and waving happily as they passed the office. I could tell they were talking a mile a minute, but no one needed to tell me what they were saying. I'd been hearing the same thing all day.

Give book

Dear Michael, a book written by Leo Lewis and addressed to his son who died, has been donated to the Akron Library by the author's brother and sister-in-law, Mr. and Mrs. Elmer Lewis, Akron. It is described as one man's search for, and discovery of, the pathway to God's kingdom. To date, the author has given away 50,000 copies of the book he spent 11 years writing as he wrestled to resolve man-made problems after his son died.

Local representatives of the Bureau of the Census will conduct a survey of employment in the area during the work week of August 15-20, according to Stanley D. Moore, Director of the Bureau's regional office in Chicago. In addition to questions on current employment, the survey will have additional questions about receipt of food stamps in 1976 and the first half of 1977.

The Northern Indiana Officials Association plans a football interpretation meeting Monday, August 15, at 7 p.m. at Milford Jr.

High School. The clinic, mandatory for all high school head coaches and active football officials, will cover new rules for the coming season as directed by the IHSAA. Frank Sigbee and Gilford Cook will be in charge. Additional information can be obtained by calling Sigbee at 522-9911.

The Rev. Fred Landolt was reappointed to the Silver Creek Church of God at a recent meeting of the Indiana Conference of the Churches of God at Bear Lake Chapel. The Rev. Landolt served as a devotional leader during the conference and was also elected to a two-year term on the administrative council.

Richard French, a member of the Silver Creek Church, was reelected treasurer.

Read the legals!

Taxpayers should be aware that a most important time of the year is here again. This is the time when tax units' budgets are advertised and the amounts to be collected are determined by local officials.

In addition, this week the Tippecanoe Valley School Corporation's annual report of the year's business, including receipts and disbursements for the period between July 1, 1976 and June 30, 1977, is published.

The school report provides taxpayers the opportunity to determine exactly where and how tax dollars were spent.

Budgets afford the opportunity to learn how tax money will be spent in the coming calendar year.

A week does not pass that a legal notice of some kind is published in this newspaper. Most of them concern tax monies and are published to help the taxpayer understand how officials are spending the tax money and to hold those same officials in line when it comes to spending since the taxpayers have a right to be heard on any questions they might have.

The first of the county, town, township and school budgets appeared two weeks ago. Others follow this week. They are proposed budgets and should be read and studied.

Indiana law required budget publication for your information. You have the right to agree or object to these budgets. The date of each meeting appears in each budget.

Take a few minutes of your time and read these legal notices each week, especially this month.

When you take the time to do this reading, you will know where your tax money is being spent and how it is going to be spent.

the PVE Coordinator. The students will be assigned to a work station for at least one period each day if they are working within the high school. For those students who are working in the community, a half-day work and half-day school schedule will be developed. The students will receive credit for their work experience which will count towards graduation requirements. In-school work stations will be developed in the cafeterias, libraries, athletic departments, and with custodial personnel. Community-based work stations will be set up at hospitals, restaurants, service stations, and various businesses.

The basic goal of this program is to graduate students who will have the necessary skills to be successful in the competitive job market. Similar programs have been in operation throughout the state of Indiana and have proven quite successful.

A critical component of this program is the para-professional who will work at each high school. The recruiting process has begun in each of the high schools, and interested persons should contact the building principal. The para-professional should:

1. Have some experience with a variety of hand and power tools.
2. Have an interest in working with students who may have problems with reading and math.
3. Have some knowledge about woods and metals and auto-mechanics.
4. Have an interest in assisting students at in-school work stations.

John R. (Jack) Cripe, NCI special education director, says

Cross-country meeting set

Mark Neukam, Tippecanoe Valley High School cross-country coach, has called a special meeting at 6 p.m. Monday, August 22, at the high school for all boys in grades 9-12 interested in participating in cross-country. Each should take completed physical examination forms. Blank forms are available at the high school.

the ideal para-professional might be a retired or semi-retired individual who has worked with shop equipment and feels comfortable training students to use such equipment. He encourages individuals with teaching licenses to apply for the position.

All interested persons should contact the appropriate school principal: Bremen, Gerald Kolter; Warsaw, C. J. Smith; Wawasee, Henry Smith; Whitko, Dick Reed, and Tippecanoe Valley, Loran Skinner.

Thank You

Dear Editor,

We would like to express our appreciation to the Akron Lions Club, Athens Church, Las Donas and everyone for contributions and help for the successful "fish fry" for Kimberly. We know it meant a lot of hard work and planning.

It means so much to live in a community that cares so much.

I explained to Kimberly what everyone was doing for her and I know if she could, she would like to thank you herself.

Kimberly has been a very brave and strong little girl thru all of this. We thank God for everyday we have with Kimberly.

Thank you from the bottom of our hearts and God Bless each of you.

—Dave and Kathy Day

All kinds of social graces are useful, but one of the best is the ability to yawn with your mouth closed.

Open Letter

Open letter to officers of the Youth League,

After enjoying Youth League Picnic last Sunday, plus the presentation of trophies, special awards, the ball game, watermelon, etc., we are sure others join us in a big "THANK YOU" to all of you on the Youth League Board.

The overall summer youth league program takes hours of planning and we want to take this opportunity to tell you we really do appreciate your efforts and dedication.

A special "THANKS" to Ron and Marsha Scott and Dick and Alice Webb, who have the ability for getting things accomplished and organized without appearing to be working hard at it, which we know is not possible.

We think a rousing "CHEER" is in order for all of you from all of us—the kids, parents and fans, for a summer of FUN AT YOUTH LEAGUE PARK.

Sincerely,
Bob, Kate and Chris Whetstone

Mrs. Ida Shipley sold her handsome west side home to Mr. and Mrs. E. J. Smith late last week through the agency of Henderson & Craig. We are not advised as to Mrs. Shipley's future plans, but the Smith family will occupy their new home this fall.

Arlo Riddle came down from Racine, Wis., a few days last week. He is working in a government plant making camp cots for soldiers.

We found our old friend Thomas E. Bolley in town early last Monday morning driving a most excellent looking automobile. It is of long base and almost noiseless in action. It is of the Crow-Elkhart make, made at Elkhart, Indiana. Tom says he has the county agency for its sale and any one looking for a real automobile should see him and ride in his machine.

Vance Harsh is at Winona in training for the war. He left here last Saturday having spent the week previous with his sister in Peru, and went to Winona, where he had been accepted in company H. Mr. and Mrs. Harsh regret having to give their promising boy to his country's service, but after all they think of him with pride. We trust with them that he will return in a few short months covered with the honors of his country as we hope every other boy who goes out in this hour of distress to do up the Kaiser's plans.

Joe Keever and his tenant, Harvey Ballenger are in ecstasies. Harvey thrashed 12 acres of wheat that made 359 bushels which sold for \$2.25 a bushel. This means that Fulton county wheat land will soon pay for itself. Land is the cheapest article on the market now.

Mrs. Jack Curry is the proud owner of an ancient German Bible and Prayer book which she recently discovered was quite valuable. Although the book has been stored around the place for many years, it was not until last week that she realized the value of the volume. An itinerant salesman was at the farm and saw the old book. He offered Mrs. Curry \$129 for the book, but she refused to sell it to him. The book was a gift from her mother and has been in the family for several generations. It is more than a hundred years old.

Charley Spohn, local manager for the Budlong Pickle company, reports that a fine pickle crop is beginning to mature, and that the first few loads to be brought into the local receiving station indicate there will be an abundance of the crop this year. Not only will there be a lot of pickles, he believes, but the quality seems to be very good this year. The crop is beginning to come in pretty good, now, and the local station will be a busy place for the next several weeks.

COURT NEWS

In recent Kosciusko court action on the criminal and traffic docket, Terry R. Menzie, Mentone, was fined \$3 and \$32 costs for disregarding a stop sign. A charge of illegal possession of alcohol was dismissed against James D. Jackson, Mentone.

The Rev. John Moore, 52, Akron last week was sentenced in Miami Circuit Court by Judge T. Michael Smith to spend three hours in the Miami Co. jail each week for 10 weeks. Smith suggested Moore provide church services there for those inmates interested. Moore had pleaded guilty to failure to yield the right of way in a traffic accident last August that claimed the life of a Wabash man. The case was presented to a Miami Co. grand jury in December. The maximum penalty was 10 days in jail or a \$100 fine. Possibilities rejected by the jury were involuntary manslaughter, reckless homicide or no indictment at all. Police said evidence at the scene indicated Moore had turned in front of the cyclist, Larry Leonard, 35. Moore said his failure was one of judgment, that he was trying to get out of the motorcyclist's way and turned into a rest park entrance on the south side of the road.

A petition for dissolution of marriage filed by Bonnie K. Bickel and Jerry K. Bickel, Akron, was dismissed Friday in Fulton Circuit Court at the request of Mrs. Bickel, the petitioner.

Mentone War Mothers meet

Ten members of Mentone Mothers of World War II met recently at Lois Perry's home. The meeting was opened by Dora Norris. Plans were made to attend the district meeting at Monon and donations were sent to five VA hospitals. A box of food was

delivered to a local disabled veteran and his family. A silent auction highlighted the afternoon. Attending were Blanche Whitmyre, Pearl Horn, Alice Scott, Edith Young, June Reed, Mildred Fowler, Dora Norris, Maude Romine, Ethel Whetstone and Mrs. Perry. The September meeting will be at Mrs. Scott's home.

One of the problems with the interest of the majority of the people in our environment and ecology generally is the fine balance between being practical and being a nut. The latter has his place because it is usually he who stirs up the interest, creates emotionalism and gets things started. It is the practical person who must sort out what is reasonable, what is possible and what is best.

POLICE REPORT

Randy D. Grimm, 16, Mentone, was charged with speeding Sunday and cited into Rochester city court by state police. He was clocked at 70 mph on SR 14.

Burl Prater, 53, Silver Lake, was arrested Monday night on a Fulton circuit court bench warrant charging him with failure to appear in court and violation of probation.

Mentone marshal Glenn Pelkey reported to Kosciusko Co. police last week that his walkie-talkie unit was stolen sometime Wednesday night.

New books at Akron Carnegie Public Library

New books at the Akron Carnegie Public Library include the following:

Creating Art With Bread Dough by Dona Z. Meilach.

An Amish Family by Phyllis Reynolds Naylor.

The Jarrah Tree by Mary Kistler. It was no easy matter for a respectable young woman in the 1840's to get from England to Australia. But when Dortha's beloved fiancé is convicted as a counterfeiter and transported to the penal colony at Port Arthur, she determines that nothing will keep her from the side of the one she loves - including marriage to a man she does not love. This is a tale of romantic suspense with a wealth of adventure in an exotic setting.

How to Identify and Collect American First Editions by Jack Tannen.

The Glory Woods by Virginia Greer. Though the author's walk through the valley of the shadow of death is painful, she does not walk alone. She finds the glory and the joy of God's bountiful grace and

the triumph of His healing hand. Filled with laughter, love and the presence of God, *The Glory Woods* is a tale of miracles.

Amazing Love by Corrie ten Boom. Corrie ten Boom has found for herself the victory that overcomes the world in the horrors of a concentration camp and she cannot keep her secret to herself. She has become a world-wide witness, a troubadour of Christ. She shares with her readers her first hand experiences of contacts and conversations with all types of people.

The Sounds of Silence by Judith Richards. The sole heir to the family fortune, Aramenta determines to sell the mansion, settle the estate and return to Paris. But she is thwarted. Aramenta seems clutched in the spectral hands of her dead mother - caught in the legal morass of wills and probates, ambitious attorneys and social pressure. When all her own efforts fail she turns to the deaf handyman, Virgil. Ultimately it is Virgil who brings about the novel's stirring and triumphant climax.

Michael Sean, 2, and Meighan Michelle, seven weeks, children of Mr. and Mrs. David McGuire, Warsaw.

Mariah Autumn, four weeks, daughter of Mr. and Mrs. Rex Yarian, R. 1, Mentone.

A woman we know shooed a bee from her kitchen by saying: "Go outside and balance the ecology."

The first book manuscript to be typewritten was *The Adventures of Tom Sawyer* by Mark Twain, in 1875.

Farmers urged to count rootworms

Fulton County farmers should now be counting corn rootworm beetles to determine whether a soil insecticide should be used in 1978 if the same field will be used for corn,

according to Harold Brown, extension agent.

Ten stalks should be randomly selected in five different representative areas of each field. After grasping the ear silk area, count any beetles on the leaves or stalk and then count those in the silk area. Record the number of Western (striped) beetles and Northern (green) beetles separately. Determine the average number of each type of beetle on the 50 plants checked he said.

Brown said if there is an average of one or less beetles per plant, no soil insecticide should be needed, if the field is planted to corn in 1978. An average of two or more beetles indicates that a soil insecticide should be applied in 1978.

"How can I keep my house cool without sending my electric bill sky-high?"

Summertime presents a number of ways to keep your electric bills in line and still keep your home cool and comfortable. For example:

- Set the thermostat at a higher, yet still comfortable, temperature. If away for more than a day, turn your cooling system off.
- It's especially important that your ceiling be insulated at least 6 inches. And if possible, insulate under floors and in walls (3 1/2 inches and a vapor barrier).
- Never let your air conditioner's filter get overly dirty. Clean or replace it every 30 days.
- Close draperies on the sunny side of the house, and be sure to keep all doors and windows closed when your air conditioner is on.
- Choose an air conditioner with an Energy Efficiency Ratio (EER) of 8 or higher. It will save you the most money on your electric bill.

For more information on how to cool your home more efficiently, contact your Public Service Indiana office and ask for a free copy of our "ELECTRIC COST-COUNTER".

Football season is here

Football season is here again. All over the nation American males are tossing and kicking and running with footballs, all the way from 8-year-olds in the backyard to junior and senior high and college teams to the big bruisers of the professional leagues.

Football is a rough contact sport and inevitably will produce its full quota of bumps and bruises, strains and pains, cuts and gashes. Most of these aren't serious and the lads concerned are back in the game shortly.

A thorough medical examination is highly important for boys preparing to go out for football to make certain that there is no physical condition that should be noted before beginning the rigorous training and hard knocks of the game.

Proper physical conditioning hardens the body and increases resistance to fatigue, thus helping prevent injury. A minimum of three weeks of conditioning are recommended prior to the first game of the season. Coaches and team physicians are alert to the fact that many injuries occur when the player is tiring and thus less alert.

Good coaching enables the players to perform better and thus be less prone to injury. Good officiating makes for better games and also helps protect players. Proper equipment and facilities are important to reduce injuries. Good first aid procedures and medical care, with a physician available during practice drills and on the bench during games are major factors in cutting serious injuries.

Precautions against the extreme heat of early season days also are important. Many coaches now schedule the hot weather workouts in early morning and late afternoon to avoid the heat of the day. The old rule against drinking water during drills and games has long since been proved invalid and dangerous. Water and salt is necessary to replace fluids lost through copious sweating.

If your boy is playing on an organized team, the chances are good that all of these safeguards are observed. If most of his playing is done on a vacant lot in the afternoons and on Saturdays, it becomes the parents' responsibility to see that the player has the benefit of the safety principles.

Ege-Fitzpatrick vows repeated

Sheila Lynn Ege, daughter of Mr. and Mrs. Kenneth Ege, R. 1, Roann, became the bride of Kevin Ray Fitzpatrick, son of Mr. and Mrs. Richard R. Fitzpatrick, R. 2, Macy, Saturday evening at the Perrysburg Baptist Church. The Rev. Lowell Burrus officiated the double-ring ceremony.

Ethel Hattery was organist. Attending the bride as maid of honor was her sister, Sharon Ege. Bridesmaids were Loretta Briggs and Karen Dotson.

Stan Fitzpatrick served his brother as best man. Groomsmen were Mark L. Deardorff and John Reese. Ushers were Leland Ege, brother of the bride; Vance Roth,

cousin of the bride, and William Carter Deeds.

The couple greeted 250 guests at a reception in the church before leaving for a trip to the Smokey Mountains.

The newlyweds both graduated from No. Miami High School and will be sophomores at Manchester College. They will reside at Manchester Mobile Estates, Lot 9, No. Manchester.

BSU music groups available locally

Thirteen large musical ensembles and small instrumental and vocal groups from Ball State University are available to perform in small communities in Indiana next October through May because of a \$2,100 grant from the Indiana Arts Commission.

The IAC program of Campus Arts to Community provides for cultural events to small communities that otherwise could not afford to contract professional performing groups.

Eric Allen, 3, and Alisa Ann, four months, children of Mr. and Mrs. Steve Secrist, Mentone.

Robert H. Hargreaves, director of the School of Music, has announced that the following Ball State music groups are available to communities on a "first come, first served" basis as long as funds are available: University Singers, University Jazz Ensemble, Ball State Symphony Orchestra, University Wind Ensemble, Concert Choir, Concert Band, Madrigal Singers, University Debs, Harp Ensemble, Classical Guitar Ensemble, Ensemble for New Music and Trombone Choir, plus chamber music groups and various vocal and instrumental combinations.

Communities or organizations wishing to schedule a program should contact Nancy Baker,

coordinator, music services, at (317) 285-1255.

Taxpayers appearing shall have a right to be heard thereon. After the tax levies have been determined and presented to the county auditor not later than two days prior to the second Monday in September, and the levy fixed by the county tax adjustment board, or on their failure so to do, by the county auditor, ten or more taxpayers feeling themselves aggrieved by such levies, may appeal to the state auditor or to the commissioners for further and final hearing thereon by filing a petition with the county auditor on or before the tenth day after publication by the county auditor of tax rates charged, and the state board of tax commissioners will fix a date for hearing in this county.

Dated this August 9, 1977.

What's Cooking?

By Patricia M. Braman
Extension Agent, Home Ec

If a jar doesn't seal, is it necessary to reprocess it the full length of time?

Yes. The entire process and processing time should be repeated. Check the rim of the jar carefully and use a new lid.

Is it best to cook frozen foods without thawing them?

For most vegetables, yes. You get a more fresh-like product if it hasn't been thawed. The exception is corn on the cob, where a better product results when it is partially thawed. For fruits, it depends on what you will do with them. For pies, fruits should be thawed.

How do you prepare spaghetti squash?

Spaghetti squash can be cooked whole without cutting or peeling for 20-30 minutes, in boiling water. Cut in half and you will find a mass of spaghetti. Spaghetti squash is great for those on wheat-free diets as a base for pasta sauces. Or it can be prepared like other summer squashes.

Can vegetables be frozen in milk cartons?

This is not a recommended method since milk cartons are not vapor resistant and cannot be sealed shut so that moisture and vapor cannot pass from food to freezer; freezer to food. There will also be a loss of flavor if the proper freezing materials aren't used.

PICKLED BABY EARS SWEET CORN

Par boil 2 quarts corn for 3-5 minutes. Place in jars. Prepare syrup: 1 cup water, 1 cup granulated sugar, 2 cups white vinegar, 2 tsp. salt, 1 T. pickling spice in bag. Pour hot syrup into jars leaving 1/2 inch head space. Hot water bath 5 minutes.

Two 4-H clubs get grants

Two 4-H groups in Fulton County, the Happy Harvesters of Talma and the Clodhoppers of Richland Center, have received grants from the Indiana Rural Endowment Program.

A \$500 grant to the Happy Harvesters will help finance a project to complete a community building in Talma. The \$592 grant to the Clodhoppers will help the group repair a community building in Richland Center.

Sponsored by the Indiana Department of Commerce Agriculture Division, the Rural Endowment Program can provide up to \$1,000 a year for labor intensive community development projects sponsored by rural youth or senior citizen groups.

Gible - Bruner vows spoken

Judith Ann Gible became the bride of Douglas H. Bruner in a June 18 double-ring ceremony officiated by the Rev. Donald Poyser at the Burket United Methodist Church.

Parents of the couple are Mr. and Mrs. Rodney Gible, Mentone, and Mr. and Mrs. Alton Bruner, Burket.

Wedding music was provided by Cheryl Reed, Rochester, organist, and Mrs. Pat Howard, Lapeer, Mich., soloist. Following the recital of their vows, the couple lighted a unity candle while Mrs. Howard sang "We've Only Just Begun."

Twin candelabra leading to the pulpit were lighted by the bridegroom's brother, Kyle Bruner.

Calleen Gadson, Warsaw, sister of the bride, was matron of honor. Cheryl Bruner, Burket, was bridesmaid.

Dennis Bruner attended his brother as best man. Steve Gadson served as groomsman. Ushers were Gregory Gible, brother of the bride; Jeffery Pritchard, Mentone, and Ronald Ward, Bourbon, uncle of the bride.

The bride's nephew, Matthew Gadson, was ring bearer. The flower girl was Lori Baker. Joshua and Adam Ward, cousins of the bride, presented programs to the guests.

The couple greeted 150 guests at a reception in the church social room. Hostesses were Judy Ward, Kathy Fitzgerald, Sidney, Ohio, Jean Smith, Diane Adams and Marita Long, all of Mentone.

The bridegroom's parents were hosts for a rehearsal dinner at the Steer Inn.

The bride is employed as an instructional associate in special education with the Warsaw Community Schools, and the bridegroom is employed by Owens of Illinois. After a trip to Los Angeles, Calif., they reside at West Haven Estates, R. 5, Warsaw.

Silver Lake News

By Ann Ulrey

The names of Mr. and Mrs. Harold Bloom and Mr. and Mrs. Randy Bloom of Ft. Wayne were inadvertently omitted from the notice of the Hill Family Reunion last week.

Mrs. Dean Parson of Ligonier, Mr. and Mrs. Larry Florey of Andrews, Mr. and Mrs. Monte Florey of Mentone, Mr. and Mrs. Leo Florey of Claypool, Mr. and Mrs. Terry Goodrich of So. Whitley and Doug Parson of Chanute Air Force Base called on Geneva Florey recently.

Geneva Florey was the overnight guest of Mr. and Mrs. Terry Goodrich at So. Whitley Friday. She also was the supper guest of Mr. and Mrs. Don Kline at No. Manchester last week.

William Lee of Connecticut spent several days during the past week with his parents, Mr. and Mrs. N. E. Lee.

The UMW of Faith United Methodist Church in Silver Lake held their August meeting at the home of Mrs. Don Bouse. Debbie Blease gave the lesson. The roll call - What I Can Do For Others - was responded to. Mary Shoemaker gave the Treasurer's report. Refreshments were served to Mrs. Arvid Putman, Mrs. John Kerlin, Mrs. John O'Brian, Tressie Haney, Ruth Ring, Debbie Blease, Mary Shoemaker and Mrs. Harold Campbell.

Mrs. Elmer Shoemaker called at the Merl Fitton and Oscar Bowen homes Thursday.

Jesse Brooks of Kenton, Ohio and Ernest Brooks visited Roy Bechtelheimer Monday afternoon.

Francis Rogers of South Bend, Mrs. Oren Bowser of Florida, Mr. and Mrs. Jesse Brooks of Ohio, Mr. and Mrs. Billy Brooks of Mt. Gilead and Mr. and Mrs. Ernest Brooks attended the Brooks Family Reunion at City Park in Wabash Sunday.

Mrs. Vernon Nelson spent Sunday morning with Mr. and Mrs. Estel Engle and Monday afternoon with Ruth Tucker.

Mr. and Mrs. Vernon Nelson spent Wednesday in Warsaw and visited with Mrs. Donald Hines and Bernice and Claude Engle.

Mrs. Ernest Mumford of Claypool and her two granddaughters called on Mr. and Mrs. Vernon Nelson Friday. Adam Ulrey also called in the afternoon.

Justin Ulrey spent Sunday afternoon and evening with his grandparents, Mr. and Mrs. Vernon Nelson.

Mr. and Mrs. David Ulrey and Adam and Shawnee Rose attended the annual Nellans summer picnic at the home of Mr. and Mrs. William Detert at Lake Wawasee.

Mr. and Mrs. Vernon Nelson talked by telephone with their daughter and family, Mr. and Mrs. Donald Kinkaid in Gilroy, California Sunday. Mrs. Kinkaid related that many of the forest fires covering the California area are only 40 miles from their home and that they have seen at first hand the devastation and destruction caused as the fires have burned over 100,000 acres of timber.

Mr. and Mrs. Robert Ihnen and Velma Ihnen were Sunday afternoon guests of Mr. and Mrs. Virgil Ihnen in Warsaw.

Mrs. Clarence Shafer of Akron was a Monday guest of Velma Ihnen.

Museums to close August 19

The Fulton County Historical Society has announced its Rochester depot and log cabin museums and the Leiters Ford depot museum will close for the summer Aug. 19, as that is when the SPEDY program ends. The museums will be open on Sundays from 2 to 5 p.m. with volunteer hosts until winter.

Small business people reject Carter standby tax

A large majority of the nation's small business people do not like President Carter's proposal for a "standby" gasoline tax, according to a nationwide poll conducted recently by the National Federation of Independent Business (NFIB).

Through its official publication, *Mandate*, NFIB polls its 515,000 members every eight weeks on

issues of interest to small business. More than 87,000 small businessmen and businesswomen responded to the most recent *Mandate* poll. Seventy-eight percent said they opposed the "standby" tax, with 17 percent favoring it, and five percent undecided.

In the state of Indiana, the results were 79 percent opposed, 15 percent in favor and six percent undecided.

The Carter proposal would add a five cents per gallon tax to the cost of gasoline each year that gasoline use rose above a certain federally-designated level. If gasoline use

stayed under the designated level for any year, the tax would drop five cents a gallon.

NFIB members also expressed their opposition to the Department of Transportation's proposal to convert all road signs to metric units by 1982. The vote on that issue was 75 percent opposed, 19 percent in favor, and six percent undecided.

An important step in gardening is to remove old plant parts, leaves, stones, pieces of wood and material from the garden area. This decreases the risks of insect and disease damage by removing potential problems and by reducing cover for slugs, snails, sow bugs, pill bugs and millipedes.

Home burglarized

More than \$2,000 worth of property was stolen from the home of Lana Bowyer, R. 1, Akron, late Saturday night or early Sunday morning, according to Fulton Co. police.

Mrs. Bowyer returned to her home early Sunday and found someone had broken into it during the four and one-half hours she had been away. Entrance was made by cutting through a screen door in the front of the house and picking a lock in the main door.

Items reported taken were a shotgun and rifle, a \$500 stereo, 100 eight-track tapes valued at \$500, 50 record albums valued at \$250, a \$480 television set, a \$50 citizen's band radio and an air compressor valued at \$190. The latter was taken from a barn, police said.

Jamboree opens TVHS football season

The first area high school football game will be Saturday, August 20, when Tippecanoe Valley, Caston, Culver and Rochester get together at Rochester's Barnhart Field for their jamboree. Gametime is 7:30 p.m. Admission will be \$1.50.

Caston and Tippecanoe Valley will battle in the first quarter with

Rochester and Culver meeting in the second period. Tippecanoe Valley and Culver will meet in the

third quarter with Rochester and Caston closing the game in the final period.

TVHS football ticket sales set

Season tickets for this year's Tippecanoe Valley High School football games will go on sale at the August 26 opening home game with Triton. The price will be \$5 for adults, \$3 for students. Gate admission tickets will be \$1.50 for adults and \$1 for students. There will be no advance sale of tickets for home games.

TIPPECANOE VALLEY HIGH SCHOOL varsity football players are pictured as they prepare for the season that will open Saturday night. Back row, from left: Coaches Charles Smith, Jon Parker, Jerry Eaton, Phil See, Mike Hoyt and Rudy Gingle. Fourth row: Hal May, David Rhodes, Greg Utter, Mark Shireman, Ken Powell, Gary McKee, Herb King. Front row: Ron Shewman, Kerry Waymire, Jeff Shriver, Greg Eaton, Lance Fuller, Norman Prater, Ray Rockhill, Craig Morris. Not present for the picture were Doug Marburger and Andy Shoemaker.

Senior citizens invited to Akron hearing

Members of the Akron Town Board will conduct a public hearing on the proposed use of Federal Revenue Sharing Funds at the town office Monday, August 29, at 7:30 p.m.

All senior citizens are urged to attend.

Questionnaire return asked

Tippecanoe Valley school officials this week encouraged area residents who have not yet completed one of the questionnaires in the Tippecanoe Valley Advance to do so. Results of the survey will be used in planning the Community Education Program for the coming year.

Anyone needing additional copies or having questions should contact Tippecanoe Valley High School, Box 38, Mentone, or call 353-2065 or 893-7221.

Mentone girls team to take to road

The Mentone girls travel team, composed of girls from the Tippecanoe Valley area, will compete in the state USGA (ASA) fast-pitch tournament August 19-21 at Hobert, competing in the 12 to 15 age division. The local team will take a 10-3 record to the first game Friday at 5 p.m. against the District 4 winner. Winner of that game will advance to a 1 p.m. Saturday game. The loser plays at 9 p.m. Friday in the double-elimination tournament.

On Labor Day weekend, September 3-4-5, the girls will compete in the Blueberry Festival Fast

Pitch Softball Tournament at Plymouth.

Players who will participate are Sue Gall, Akron; Stacy Hartzler, Akron; Lori Tilden, Akron; Bonnie Fuller, Akron; Lynn Utter, Mentone; Lori Lafferty, Mentone; Diane Poyser, Burkett; Cheryl Powell, Burkett; Tammy Slone, Mentone; Ginger Waddle, Mary Jameson, Talma; Dana Daake, Talma; Tammy Cooper, Talma; DeShawn VanDeWater, Atwood. Coaches are the Rev. Don Poyser, Anne Utter, Mitch Harris, Claudia Hartzler and Harriet Jameson. Donna Fuller is bat girl.

The girls will leave by bus from

School board hires 14 new teachers

Students in the Tippecanoe Valley School Corporation will find 14 additional new faces on the faculty when they return to school next week. Teacher contracts approved by the school board at its Monday night meeting included Jeri Holloway, second grade at Akron; Diane Hoyt, home economics at TVHS; William

Leininger, Mentone sixth; Linda Mason, English and journalism; Alice Mattix, half-time home economics at Akron and half-time business at TVHS; Sally Messer, Title I primary reading at Akron; Mark Neukom, building trades; Linda Newcomer, elementary music. Also, Lee Ann Rock, second grade at Mentone; Pam Smith, Mentone first grade; Barbara VanDuyne, Title I remedial reading for the district; Nancy Wakeland, Akron second; Jane Humm, Akron junior high science, and Douglas Makula, high school English.

These hirings complete the staff with one exception, an elementary position, school superintendent Dr. Lloyd Harrell told board members.

Resignations were read from Kim Conrad, Peg Gard Custer, Julia Geberin, Bernard Fites and Dean Rager. Child-rearing leaves were approved for Judy Sou and Ellen Earhart.

In other action, the board was reminded of the August 25 budget hearing at 7:30 p.m. in the TVHS teacher preparation room and received information about an August 30 and 31 Indiana School Boards Association workshop in Indianapolis.

Harrell reported sale of the building trades house to Dr. R. L. Conrad has been completed.

Board members heard Harrell explain a proposed study council

Counterfeit money allegedly printed in Mentone

Long kept the counterfeit money in a vacuum bottle in his home.

The complaint against Carlberg was based on alleged statements by Frenger, Kenneth Phillips and George Henry Phillips that Carlberg helped finance the counterfeiting operation. The complaint alleged Frenger and Carlberg also leased the building and printing equipment used in the counterfeit operation.

Another complaint alleged Frenger said Kenneth Phillips acted as a lookout at the plant site in Mentone.

Long appeared Friday before U.S. District Judge Robert A. Grant who set bond at \$10,000 surety. A preliminary hearing was set Monday for Long who was held in custody in lieu of \$10,000 surety bond. Frenger was arrested Thursday in Los Angeles where bond was set at \$10,000 surety.

Representatives of the Indianapolis office of the Secret Service, which covers all of Indiana except Lake and Porter counties, were in Mentone last week but nothing remained of the elusive printing operation that had been based in a room in the former

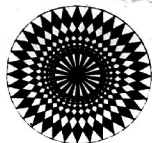

Northern Indiana Co-Op mill on South Morgan St. The building is owned by William Ettinger and Gerald Romine who noted the printers did not pay their rent with bogus bills because they left without paying. The printing equipment reportedly was repossessed by the firm that leased or sold it. Neighbors reported the operation was carried on mostly at night and no one was able to see into the room because the windows were covered with heavy paper.

Mentone trash pick up

Trash-A-Way, Culver, will pick up trash and garbage in Mentone every Tuesday, effective at once, according to the town board. Residents are asked to have their refuse placed at the curb by 7 a.m.

TVHS procedures listed

All Tippecanoe Valley High School students are to report to school by 8:50 a.m. Tuesday, August 23, and go directly to their first period classes, according to an announcement made this week by TVHS principal Loran Skinner. He said students who have not paid fees and picked up their schedules should do so in the east lobby from 8:30 to 8:50 a.m. Students will attend school all day. Lunch will be served at a cost of 50 cents per student.

News of the constantly changing activities of your friends and neighbors

The death of former state representative Arthur P. Coblenz, 77, No. Manchester, last Tuesday ended a long political career for the staunch republican whose early memories of Akron concerned meeting an area house face down. Coblenz and another man were flying a light airplane in the '20s when the craft nosed down into a house now occupied by Mr. and Mrs. Richard Rhodes. Coblenz often recalled watching the plane's engine roll down a flight of stairs and lodge against the door.

An article about Mentone native Lawrence Bell by NEWS editor Ann Sheetz in a recent issue of the Indianapolis Star Magazine prompted a letter from Hugh Carpenter, Indianapolis, who recalled playing softball and pitching horseshoes with Bell and another aviation pioneer, Glenn Martin. Carpenter was sent by the U.S. Army in 1918 to the Martin plant in Cleveland where the firm had a contract with the Army to build six bombers. He recalls both aviation leaders with fondness and remembers his last visit with Bell shortly before the latter's death in 1956.

Akron postmaster Otto Groninger was interviewed last week by the Peru Tribune as part of the paper's survey of area post offices to determine cost of operation. He reported earning \$18,848 annually. "That's more than I need because I live humbly and don't spend much," he told the Tribune, adding, "this job sure beats farming." He estimated the local office handles 1,000 outgoing letters a day and 4,000 incoming. The latter figure included circulars and newspapers, he said.

Happiness is watching Marty Gearhart, Akron, in tow with a huge Doberman named Duke. It's hard to tell who is leading who, but there is no doubt that Duke loves ice cream. Marty stopped at Arter's Drug Store Thursday while a friend went in for a double-dipper. Duke polished it off in three bites—top scoop first, bottom scoop and top of cone next and the rest of the cone in one crushing bite that clearly said, "I would take another, if you don't mind."

And if you haven't seen David Hudson, Mentone, on his skateboard, you've missed a precision maneuver. He can get more miles out of a skateboard—and more physical gyrations—than a surfer.

Barbara Rager, Akron, returned to her winning ways in Lake Manitou scow sailing Sunday by defeating Roger Farley and Dale Pace. Another Akronite, Suzie Baker, was second in a Saturday series for non-skippers.

Terry Jean Kaiser, 21, Etna Green, has been named Miss Plymouth. She replaces Barbara

Mougin of Bremen who was crowned Miss Indiana last month at the Miss America pageant preliminary in Michigan City.

Cameron C. Doran, Box 38, Burket, was among 180 degree recipients from Butler University as its recent summer commencement exercises in Clowes Memorial Hall. He received a BA degree in history-political science.

that possibly would include Knox, Caston, Clinton-Hanna-Noble, LaPorte, Argos, Polk-Lincoln-Johnson, New Prairie, Plymouth, Trition, Bremen, Rochester, Oregon-Davis, Union-North, Culver, North Judson-San Pierre, West Central and Tippecanoe Valley school corporations. He said the council would utilize input from a Ball State University professor's research and studies beneficial and of mutual interest and importance to the corporations involved.

A statement for Tamarina Howes, No. Manchester, a cash transfer student, was approved.

Reports given by Harrell included:

— Orientation day for all new teachers is planned August 19. August 22 will be general organization day with teachers convening between 8 and 8:30 a.m. for coffee, rolls and juice. Other school employees, including drivers aides and custodians, will join teachers for TB tests to be administered by the school nurse. Two teacher groups have asked to speak and time will be allotted for announcements.

— Summer school for children with learning disabilities has been completed by a CETA employee in the areas of speech therapy and remedial reading and mathematics.

— State approval has been received for the corporation's Interdisciplinary Cooperative Education (ICE) program that has been expanded to include business and home economics in addition to vocational agriculture students. To date, 15 have registered for the on-the-job training program and four more are expected to do so. All will be employed by area business people.

— Approval has also been received for the Title I program that funds remedial reading and mathematics and that this year will be beefed up with additional state aid.

— SR 19 will be resurfaced, the work to be completed within 60 days, weather permitting. Jansma Coursey Asphalt Inc., Etna Green, will do that portion through Mentone to Kosciusko Co. Road 700 with McMahon-O'Connor completing the stretch south to Akron. Total cost of the project is expected to be approximately \$400,000, and with the exception of the part where Charles Tucker's barn was recently removed, will not include any widening. The road will continue to be crowned for good drainage but the crown will not be as pronounced as the present one. Harrell said he had been told the McMahon-O'Connor portion will not be begun until after Labor Day but should require only two weeks to complete once it is underway. He said he had been advised traffic will not be stopped although there may be some slowing of buses because of flagmen.

— Favorable comments have been received concerning the area-wide newspaper, the Tippecanoe Valley Advance, bulk mailed recently to 5900 postal boxes in the area.

At Harrell's suggestion, board members approved lunch and milk agreement forms for the school lunch program and authorized a \$210 agreement with Channell 34. The educational programs will be video-taped for later re-use by corporation schools.

A GED diploma was approved for Michelle J. Craft.

All board members were present. They are Fred Kindig, Vernon Merdith, Don Snipes, Everett Beeson and Con Shewman.

ODDS and ENDS

By Ann Sheetz

Last winter's blizzards left me reeling, and the sub-zero temperatures found me huddled under blankets drinking gallons of hot tea. Now comes summer and I complain just as bitterly as I sip lemonade in the draft of air conditioners or fans.

Mark Twain said it best when he summed up people like me, "Everybody complains about the weather, but nobody does anything about it."

But, really, would we want to do anything about it? Would we honestly want to change it, if we could? H. Bruce Walker, a writer for the Corydon, Ind., Democrat, considered these questions in a recent issue and decided some things are better left uncontrolled.

He said: "...whenever there is a drought, or a flood; whenever there is an abundance of snow, or none at all; whenever the temperature stays in the 90s for a few days, or 20 below, scientists and engineers start

mumbling about controlling the weather.

It makes sense. Not controlling the weather, but scientists and engineers talking about controlling it.

After all, that's their big thing, control.

They want to control everything—atoms, rivers, mosquitos, and now, the weather.

The benefits of their controlling atoms, rivers and mosquitos are dubious. Controlling the weather could be disastrous.

Let's suppose the rain could be controlled and the farmers in Illinois decide they haven't had enough rain.

They call in the local scientist who puts the whammy on the next cloud to come over and it obligingly dumps its load of rain on their fields.

They're glad. But while they're dancing for joy in their fields—and trampling down their crops—the local picknickers are invoking the gods by singing "Rain, rain, go away. Come again another day."

Meanwhile, over in Indiana, the farmers are up to their earlobes in dust and burned up crops.

The ancient Greeks had a myth about such shenanigans.

It was about a fellow called Phaeton. His dad, Phoebus Apollo

was the god who drove the chariot of the sun.

One day Apollo told Phaeton to ask any favor and he would grant it. Phaeton said he wanted to drive the chariot of the sun.

When his dad heard that, he wanted to back off his promise. He tried to talk Phaeton out of it. "Your lot is mortal, and you ask what is beyond a mortal's power," he said.

But Phaeton persisted and Apollo reluctantly granted his request.

Phaeton took the reins and rode off into the sky, but found he couldn't control the steeds. The chariot swooped down over the earth, and the myth says that's how the fire got in Mt. Etna, why the Ethiopians are black, how the Libyan Desert was formed and why the Nile River hid its head in the desert.

The Earth spoke to Zeus, chief god, and asked him to do something about Phaeton. "If sea, earth and heavens perish, we will all fall into chaos," she said.

So, Zeus heaved a lightning bolt and struck Phaeton from the chariot. He fell to the earth and was killed.

The moral of the story is that there are some things it is better to live with, than to try and control."

I couldn't agree more wholeheartedly.

Dear Editor,

As well educated as our school leaders and board members are given credit of being, it seems they would use a little common sense once in a while.

I don't claim to be overly smart but it does seem when they use the excuse, THAT COACHES DON'T SHOW ENOUGH ENTHUSIASM as an excuse to fire two coaches from their coaching jobs, they had better stop and think how skimpy their reasoning is:

I agree maybe coaches don't always do things that a lot of people don't agree with, myself included but I do feel Mr. Martellaro does deserve more than one year of baseball to get things into swing. As for Mr. Igney, he has spent as much or more time with our boys trying to teach them baseball, than anyone else, he has done this for several years.

If these two gentlemen can be replaced for this reason I do believe there are others should be replaced for the same reason as

well as many other reasons and not just coaches. These two men are not only coaches but are fine teachers and I truly believe they are needed at Tippy in sports.

Without doubt many will disagree with me, but Tippy Parents stop and think how would we like to lose our jobs on this basis.

Were these coaches told before the season was over there were complaints against them and some felt they weren't doing their jobs to the fullest? I think not because I'm sure they would have made some changes. They just aren't that hard to talk to and they do listen. They also try to tell the boys wrong from right ways of doing things when the boys will pay attention.

However my total complaint is the reasoning they lost their job. Even if the coaches were in the wrong, doesn't this seem to be poor reasoning?

What if our jobs were on the line because of this. I don't think any of us would like it!

Thank you,
J. Fuller

Born to Mr. and Mrs. Ross Smith on East Main street a bouncing baby boy, Dr. Ferry attended. These young parents are very happy over the safe advent of their first born and we join them in wishing that the boy will be an honor in later years in the family and home that he graces.

The A. C. Emahiser home is now fully equipped with bath room and water service throughout, recently installed by Chas. Soams of Peru. Karl B. Gast and Fred Gerard departed for Montana Tuesday noon. They are prospecting and will be gone a couple of weeks.

The Mickey family reunion held at the Chas. J. Peterson home northwest of town was the big event of that community this year. There were 175 or more people to put their feet under the banquet table and one of them present says we should have seen them all eat. The T. R. Judd decedents are members of that family.

Jno. B. Davis and family have moved back from Wisconsin. The Secrist families have also returned. We are not advised if they sold or disposed of their possessions up there.

It has been exceedingly dry in this locality for some time, but the corn is making itself nicely all about Akron. South of Akron and down as far as Roann, many fields are firing. As we go to press rain is threatening and we trust it will surely rain.

James Curtis, son Justin and Ted Baber departed last Monday morning for Medford, Wis. making the trip in an automobile. They will be gone two or three weeks prospecting and looking over the country.

Wallace Russell has sold his property which he recently purchased from Vernon Kindig, to Alfred Feree, and Mr. and Mrs. Harry Minter have purchased the Cliff Pearson property where Ferrees were living. Mr. Minter is night watchman for the American Fork and Hoe Company. The Minters are living now in the Margaret Davis property, west of the Alger Chevrolet Sales. Mr. Russell operates a general store at Gilead, and plans to move soon.

Mr. and Mrs. Wayne Tombaugh are the parents of a nine pound son, born August 16 at the MacDonald Hospital in Warsaw. The mother is the former Trella Kuhn, and Mr. and Mrs. Arthur H. Kuhn are the happy grandparents.

Forty-seven years ago yesterday, August 17, 1891 to be exact, the Akron News machinery was lying upside down in the basement of the Bakery building, according to S. N. Shesler, who was the editor then. A fire destroyed the shop and all its records, including subscription lists and advertising accounts. The shop was on the second floor of the bakery building at that time, but the fire destroyed everything and sent the machinery crashing through to the basement.

Mrs. Gilbert Scott has announced that the Akron Canning Company will operate this season under the direction of Edward C. Parker who will begin the packing work within the next 10 days. Mr. Parker is from Madison, Wisconsin, and plans to move here as soon as he can find a house in which to live. He has had many years experience in the canning factory business and will be assisted in the work by his father, J. C. Parker. The factory will pack tomatoes, as usual. The manager has announced that he has more than 500 tons under contract.

Damage estimated at \$200 was caused by a fire which burned the interior of Loren Stucker's new Packard car as it was parked across from the Overmyer Sales and Service at Rochester Monday. He had parked the car there to be serviced, and when the service manager opened the door to the car later discovered the fire in the rear seat.

Pvt. Sharon Pontius, daughter of Mr. and Mrs. Raymond Pontius, helped other WACs in recovering an auto stolen from their commanding officer, according to word received by her parents. Pvt. Pontius is stationed at Frankfurt, Germany and entered the WACS in June.

Chancey Swihart attended the Simons reunion Sunday at Niles, Michigan.

Mr. and Mrs. Ron Becker and Angie of Argos held a birthday supper and party Sunday evening for their daughter and sister, Christi, who was nine years old. Guests were Dr. and Mrs. Rex Wieland, Heather and Kyle of

South Bend, Carol Wreath and Don Becker of North Manchester, Mr. and Mrs. Fred Becker of Argos and Mr. and Mrs. Roy Peters of New Lebanon, Ohio. The Peters were Sunday overnight guests of the Fred Beckers on their way to Michigan.

Sunday, Mr. and Mrs. Fred Becker attended the Becker reunion at the Bourbon Park.

The Rev. and Mrs. Roy Richey of Chandler, Ariz. and their daughter Narita of Chicago were recent supper guests of Mr. and Mrs. Ed Overmyer. The Rev. Richey, a former pastor of the Walnut Church of the Brethren twenty years ago, was the guest minister at the church from July 31 until Sunday, August 14 while the Rev. Bosserman was on vacation.

Mr. and Mrs. William Walters spent last week with her brother, Harry Dicus of Alanson, Michigan. While there they visited other relatives and friends and went across the Mackinac Bridge into the upper peninsula of Michigan.

Mr. and Mrs. Ed Overmyer were hosts of a party Sunday evening in their home in honor of Mrs. Glendon Bailey's birthday. Guests present were Mr. and Mrs. Richard Overmyer of Bourbon, Mr. and Mrs. Dennis Bailey and family, Mr. and Mrs. Lyndon Bailey and daughter, Ethel Bailey and Mr. and Mrs. Glendon Bailey.

Telethon to include Fulton Co.

The Jerry Lewis Labor Day Telethon, an annual super-show now in its 12th year, will debut in the Fulton Co.-Rochester area over WSJV, Channel 28, starting at 8 p.m. Sunday, September 4, and ending at 5:30 p.m. Monday, September 5. The show features comedy, music, dance and reports on progress being made by the Muscular Dystrophy Association. It will be broadcast live from Del Wells' Hotel Sahara in Las Vegas with Ed McMahon backing up Jerry as anchorman.

Fulton County's inclusion was made possible through the efforts of the Rochester Jaycees who are donating use of the Jaycees building for the pledge center and most of the cost of the telephones required. The local telephone number will be flashed on the WSJV station screen all during the Telethon, which is sponsored by the national Jaycees.

The Rochester Fire Department will also participate in a county-wide event known as Boot Day with firemen stationed at the in-

tersections of Ninth and Main streets on September 2 and 3 to collect donations from passing motorists as they stop for the traffic light. They have also placed Muscular Dystrophy canisters in stores throughout the county.

Other activities are planned by local people. More information can be obtained by calling Kathleen Rankin at 223-3701 from 8 a.m. to 4:30 p.m. Monday-Friday or 223-4918 after 5 p.m. and on weekends.

Jack and Jill registration set

Registration for the Jack and Jill Nursery School will be taken at the Mentone United Methodist Church from 8:30 a.m. to 3:30 p.m. Monday, August 29. Classes will begin September 12 and 13 for children three and four years old or one and two years prior to kindergarten.

More information can be obtained by calling Bev Surface, 353-3991, or Patty Paris, 223-5483.

POLICE REPORT

Clifton L. Lee, R. 1, Akron, was arrested last Tuesday night after he allegedly shot through the windshield of a car occupied by Mr. and Mrs. Paul Tyler, Rochester, at Lee's mobile home southwest of Akron. The Tylers were not injured but returned to Rochester to file a complaint against Lee, who is Tyler's brother-in-law. County, state and Akron police responded. Lee at first refused to surrender and at one time pointed his 12-gauge shotgun at Fulton Co. police Sgt. Earl Vance, but no shots were fired and he was persuaded to accompany officers to the county jail. Charges of assault with intent to kill and aiming a weapon were filed against Lee Monday in Fulton Circuit Court.

Three Mentone youths were among a dozen persons arrested over the weekend in Kosciusko Co. on alcohol-related charges. Randy Jon Waddle, 21, R. 1, Mentone, posted \$100 bond after his arrest for public intoxication. David Eugene Long, 19, Mentone, was released on \$100 bond for public intoxication, and Ken Allan Anglin, 24, Mentone, was released on \$200 bond for public intoxication and public indecency.

Rochester city police last week cited Patricia L. Casey, 21, Akron, into Fulton Co. court on a charge of having an altered driver's license.

MARRIAGE LICENSE

An application for marriage license was issued recently in the Fulton Co. clerk's office to Mike J. Gearhart, R. 2, Akron, and Mindy K. Salyer, Akron.

Back to School

School days are almost here again for millions of American youngsters.

With the approach of the fall term, the American Medical Association reminds parents once again that there are health and safety considerations that are important in preparing the small fry for another nine months of studies.

The AMA recommends a thorough health examination for 5 and 6-year-olds who are starting school for the first time. Your physician will know what to do. His examination will cover all aspects of your child's health, and will encompass hearing (to make certain he can hear the teacher) and vision (to make sure he can see the blackboard). It is better if this examination can be made and booster immunizations given a few weeks before school starts.

School boards in some communities require a health exam for beginning students. Many schools also require certain immunizations against infectious disease. Your doctor will know of the requirements for your neighborhood.

Most doctors feel that four or five thorough health examinations during the school years are sufficient for healthy youngsters. These usually are spaced at the start of the first year, about the fourth grade, about the seventh grade, at the ninth or tenth grade, and upon graduation. A thorough examination is important if the child is participating in school athletics. The doctor should be told that junior is going out for football, so that he can look for any health problems that might be heightened by rough contact sports.

In the excitement of the first few days of school the small child may forget all of the safety warnings you've been teaching him. Each parent should make certain the child knows how to cross streets and intersections en route to and from school. He should know that crossing guards are there for his protection and obey them. He should know about proper deportment on the school bus. He should know the rules of bicycle safety.

Deaf Man Designs Tiny Hearing Aid

OFFERS FREE MODEL

A remarkable tiny hearing aid has been perfected by a man who has been hard of hearing for nearly ten years.

This small device has no dangling cords or separate transmitting units and is worn completely in your ear.

It was developed especially for those persons who can hear but can't understand. This new hearing instrument provides "ear-level" hearing with the wearer picking up speech, sounds, television and radio at his ear. Due to the use of transistors, the user cost is extremely low.

A true life actual size replica of one of the smallest all-in-the-ear hearing aid ever made will be given absolutely free to anyone sending in this advertisement while supply lasts. So we suggest you write for yours now. No obligation whatsoever. Write to Hear, Box 360, Garrett, IN 46738. Pd. Adv.

DAR hears EMS program

"Emergency Medical Service" was the subject of the program at the August meeting of the Anthony Nigo Chapter, Daughters of the American Revolution. Mrs. Wayne Smalley, hostess, welcomed members and guests to the potluck salad bar dinner in her home.

Mrs. Terry Utter, a member of the Mentone-based 4-Way Emergency Medical Service, demonstrated cardiopulmonary resuscitation. She explained that CPR (cardiopulmonary resuscitation) is an emergency basic life support system administered until further care of the victim is turned over to medical or other properly trained personnel. Mrs. Utter expressed thanks to the community for their excellent support which makes the 4-Way EMS program possible.

Mrs. William Cox, regent, conducted the opening ritual and presided during the business meeting.

Mrs. Glenn Clauss, national defense chairman, urged members to write their congressmen regarding the "Surrender of the Panama Canal" and Instant Voter Registration Plan, which, if adopted, would lend to unfair

elections. She said instant voter plan enables a voter, with a single piece of identification, to walk into a polling place, register, and vote on the spot.

DAR members will send used clothing to Kate Duncan Smith DAR School in Grant, Alabama. The deadline for bringing articles will be announced at the next meeting.

Guests of the chapter included Mrs. Utter, guest speaker, and Mrs. Lewis Washburn of Terrace Park, Ohio.

The next meeting will be at the home of Mrs. Ernest Igo on September 13 at 7:30 p.m.

Homemakers reveal travel dreams

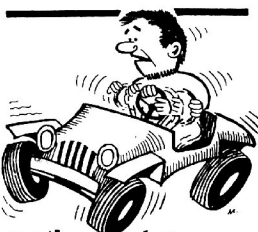

Eleven members of the Mentone Extension Homemakers Club answered roll call with "a country I'd like to visit and why" at the August 11 meeting of the Mentone Extension Homemakers Club at Mary Borton's home. Esther Sarber was co-hostess.

Mrs. Sarber gave devotions using a poem and a reading. Mary Borton's health and safety topic was encephalitis. The citizenship lesson on the life of Gene Stratton Porter was given by Mildred Fowler. Bertha Curless read an article concerning the life of James Whitcomb Riley for the cultural arts lessons.

Plans for the fall trip were discussed and a silent auction conducted. Pearl Horn won the door prize.

The next meeting will be September 14 at the home of Bertha Curless with Arma Eckert as co-hostess.

Possible wheat, feed grain change

Wheat and feed grain farmers who have no acreage allotments or who have overplanted their allotments for these crops may become eligible for government disaster payments under the farm bill agreed to by congressional conferees, according to Sid Sadler, executive director of the Fulton Co. ASCS office. He said under

provisions of the conference bill, a farmer who has suffered reduced yields due to a natural disaster may be eligible for a payment based on the number of acres actually planted for harvest. In the past, he said, payments were based on the farm's allotted acres. In anticipation of possible adoption by Congress and enact-

ment by the president and to speed resulting payments to farmers, Sadler said ASCS will begin accepting disaster claims from all farms for wheat and feed grains (corn). However, payments will not be made under these provisions until after enactment of the farm bill.

Farmers who wish to file or refile a disaster claim or who wish more information concerning the disaster payment program should contact the ASCS office, 513 Main St., Rochester.

With the busy sweet corn harvest upon us, wouldn't it be nice if it could be washed, dried, put into a plastic bag and frozen to eat for next winter? In this freezing process there are no short cuts. It is still important to include the blanching step.

Unblanched vegetables, including all types of corn, will toughen, have an off-flavor, and after several months in the freezer begin to darken. This is even true for corn-on-the-cob, since the cob contributes to the off-flavor.

All foods contain enzymes which help the fruit or vegetables to ripen, and then to deteriorate. This is the reason for the rule - two hours from garden to freezer or canner. Fortunately, the action of the enzymes is destroyed by heat. If food is not blanched, the enzymes will continue to work slowly in the freezer causing gradual deterioration. Therefore, careful blanching is the key to freezing food corn-on-the-cob.

To freeze corn on the cob, select ears with plump, tender kernels. Husk ears, remove silk, wash and sort according to size. It is important to sort them according to size because the blanching times vary for different sizes so the heat may penetrate to the center of the cob. Heat in boiling water: small ears - 7 minutes, medium - 9 minutes, large - 11 minutes. Cool in cold water, drain, and wrap in moisture-vapor-resistant materials.

When you are ready to cook the corn on the cob, partially thaw the corn so that when you add it to boiling water, the water returns to

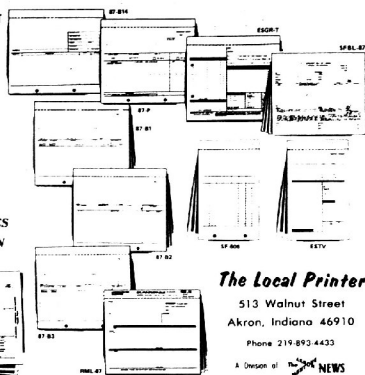

boiling very quickly, and the corn cooks without just staying in the warm water for a long period of time.

A public intoxication charge against Christopher Witham, Mentone, was dismissed recently in Kosciusko Co. court, criminal and traffic docket.

Nelson Farms, Mike and Jerry Nelson, have filed a \$455 suit in Kosciusko Co. court against Gerald Smalley, Fred Gilliam, Maurice Dorsey, Kosciusko Co. commissioners, for materials and labor for fence damage caused by county highway snowplows last winter.

A petition for marriage dissolution has been filed in Kosciusko Superior Court by Lois Maxine Ousley, Mentone, and Warren Ousley Sr., Senff's Trailer Court, Mentone. The couple married Aug. 16, 1974, separated July 24, 1977 and had no children. She seeks restoration of her maiden name Smith.

Also filing for marriage dissolution recently were Diane Kay O'Hara, R. 2, Silver Lake, and John William O'Hara, R. 7, Warsaw. Married May 24, 1977 and separated May 28, 1977, they have no children. She seeks restoration of her maiden name Bradford.

Ruth A. Bradford, R. 2, Silver Lake, and Daryl Bradford, Kosciusko Co., have also filed petition for dissolution of marriage. They were married Aug. 23, 1968 and separated July 29, 1977. She seeks custody of their two children as well as alimony for herself because she is unable to work.

"Are you kidding when you talk about smokeless power plants?"

Not at all. Today, more than 60 smokeless nuclear power reactors are operating commercially in the U.S.

Uranium, the nuclear fuel, produces electricity without burning. So there's no smoke. Our own Marble Hill Nuclear Station in southeastern Indiana is planned to join the smokeless ranks in the early 1980s.

Nuclear is also the most efficient and economical means of making electricity. A tiny pellet of uranium, about the size of a lump of sugar, makes as much electricity as a ton of coal or three barrels of oil.

Nuclear power will help provide Indiana with electricity at the lowest possible cost with the least possible disturbance to our environment.

McSherry-Weller vows exchanged

Marsha Weller became the bride of Kevin McSherry Saturday, July 23, at the West Eel River Church of the Brethren. The Rev. Leonard Custer officiated the double-ring ceremony.

Parents of the couple are Mr. and Mrs. Max L. Weller, R. 1, Silver Lake, and Mr. and Mrs. Fred McSherry, Burket.

Wedding music was provided by Mrs. Norman Tinkey, Akron.

Lana Tinkey, Akron, was maid of honor. Bridesmaids were Maxine Weller, Silver Lake, sister of the bride, and Dawn Rickel, Mentone. Amy Leedy, Warsaw, cousin of the bridegroom, and Doug Kimes, Claypool, cousin of the bride, were flower girl and ring bearer.

Jim Ellis, Warsaw, served as best man. Groomsmen were Derek Anglin, Warsaw, and Francis

Rickel Jr., Mentone. Ushers were the bride's brothers, Michael and Mark Weller, Silver Lake; Keith McSherry, Burket, brother of the bridegroom, and Kevin Hohman, Claypool.

The couple greeted 140 guests in the church social room following the ceremony. Servers were Debbie Owens, Spring Lake, N.C., Sherri Miller, Akron, and Gail Bornmann, Warsaw.

Following a trip to northern Michigan, the couple resides at R. 1, Claypool.

Burket fire station plans detailed

Detailed plans to raise funds for a new fire station were made by members of the Burket Town Board during a recent meeting at the Civic Center.

Board members marked routes on maps for teams of two people to solicit in Burket and Seward township, the area to cover the Burket telephone exchange area, according to board president Marvin Lowman.

Fireman and members of the

auxiliary began calling on area residents August 13 and 14 and will continue the door-to-door effort to raise money August 20 and 21.

Prior to the two-weekend drive, the town had accumulated \$15,660. Cost of the building has been set between \$27,000 and \$30,000.

Mentone EMTs have farm lesson

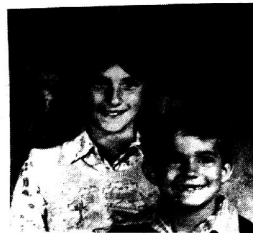

Thirteen Mentone emergency medical technicians (EMTs) attended Monday night's business meeting-training session, hearing a talk by Max Blackburn about farm accidents and the problems they could face as harvest season gets underway.

The September training session will be about child abuse.

Accident Report

Five persons were injured in a crash Saturday night at the intersection of Kosciusko Co. Rd. 1000 West and CR 900 So. involving vehicles operated by Dennis L. Lemler, 20, R. 1, Bourbon, and Randy Allan Alber, 21, R. 5, Rochester. Alber was treated at Kosciusko Community Hospital for a laceration to his nose and abrasions to his legs. His wife, Theresa Alber, 18, was treated for bruises and abrasions and his mother-in-law, Juanita Boganwright, 49, complained of pain to her shoulder and was treated for cuts at KCH. Nine-month-old Derek Alber was admitted to KCH with a laceration to his head, deep cut on the nose and abrasions. County police said the child may undergo plastic surgery. Lemler, who was cited for failure to yield the right-of-way, was treated for abrasions to a leg and lacerations to his nose. Damage to the Lemler car was set at \$1,800 and to the Alber vehicle at \$1,000. Kosciusko Co. police and Mentone Marshal Glenn Pelkey investigated.

Cars driven by Gerry S. Burkett, 16, Akron, and Russell W. Pratt, 76, R. 1, Rochester, collided Thursday afternoon at Fulton Co. roads 650 and 150 South.

Mentone lunch program explained

Mentone Elementary School principal Jack R. Fisher has announced the following menu for the first week of school, August 23-26, as follows:

Tuesday, August 23: Hot dog on bun, creamed peas, peaches-cottage cheese, milk.

Wednesday, August 24: Beef and noodles, mashed potatoes, lettuce salad, applesauce, bread and butter, milk.

Thursday, August 25: Ham salad sandwich, French fries, green beans, pears, milk.

Friday, August 26: Grilled cheese sandwich, potato chips, mixed fruit, cookie, milk.

Orange juice or punch, celery and carrots will also be served each day.

The price of a lunch will remain the same as last year, Fisher said. This will be 45 cents per day. Students will be encouraged to buy their tickets on Monday of each week. A ticket for five days will cost \$2.25. Certain sandwiches will cost extra this year. These include hot dogs, hamburgers, corn dogs, sloppy joes and pizza. Each will cost 25 cents extra. Students will be allowed seconds on other food items if there is enough available. Extra milk will cost six cents per half pint.

FRESHMAN football players at TVHS are, back row, from left: Coach Phil See, Dan Roberts, Mark Smiley, Brent Arvin, Jeff Tutorow, Bob Messer, Lynn Fuller, Scott Kauffman, and Coach Rudy Gingle. Front row: Manager Rex Holloway, Allan Unzicker, Mark Yates, Wayne Christenberry, Jerry Bickel, David Leckrone, Arthur Shepherd and Ryan Teel, manager. Not present were Mike Johnson, John Stewart, Dave Helton and Jeff Bell.

TVHS attendance policy outlined

According to an attendance policy approved by Tippecanoe Valley school board members, a student at the high school may have eight unexcused absences from class during a semester with no formal action unless the absence involves a truancy. Absences that are valid and legal and which will not count toward the eight-day total are: 1. A written statement from the doctor indicating the student has been under his care for the period of absence. This statement must be presented to the office when the student returns to school. 2. Death in the immediate family, which is to include: grandparent, parent, brother, sister, wife, husband, mother-in-law, father-in-law, brother-in-law, sister-in-law, legal guardian or child. 3. Absences approved by the principal or assistant principal for emergency situations.

The policy stipulates:

- On the ninth unexcused absence during a semester the student will be withdrawn from class and receive no credit.
- Three unexcused tardies will equal one unexcused absence.
- If a student, because of attendance withdrawals, is enrolled in fewer than three regular classes, expulsion proceedings to expel a student for the remainder of the current semester will be initiated in accordance with the Indiana Student Due Process Code. The student may request re-entry for the next semester following the period of expulsion.
- All absences for such occasions as vacations, family trips, driver's tests, illnesses not covered

by written statement from doctor, college visitations, military appointments and other absences not covered in the opening list will count toward the nine-day total. Although these absences count toward the nine-day total, students are encouraged to make up work missed by these absences. For vacations or family trips, students are to arrange for make up work with their teacher at least one week prior to the start of the trip. On all make-up work due to absence, it is the student's responsibility to contact the teacher as soon as the student returns to school.

— Any absence due to suspension

or truancy will count toward the nine-day total. Classroom work missed by these absences cannot be made up. If the suspension causes the student to accumulate nine days of unexcused absence for a class, withdrawal procedures will be initiated.

— A letter will be sent to the parent or guardian to inform them when a student has five unexcused absences during a semester. Also, when the eighth unexcused absence during a semester has accumulated, parents or guardian will be notified, by letter, that on the next unexcused absence the student will be withdrawn from class.

Mentone lists opening schedule

Mentone School (grades K-8) will open its doors to students Tuesday, August 23, at 8:25 a.m. for the first full day of school. Dismissal will be at 3:30 p.m.

Principal Jack R. Fisher says morning kindergarten classes will begin at 8:40 a.m., concluding at 11:30 a.m. Afternoon kindergarten class will begin at 12:40 with students released at 3:25 p.m. Transportation will be provided one way for kindergarten students. Parents of these children should take their child to the room on the first day. Afternoon kindergarten students should have his bus driver's name and directions to his home written on a slip of paper and pinned to his clothing.

Students in grades 1-6 are to report to their classrooms with students in grades 7 and 8 repor-

ting to their first period class. Students who have not enrolled and picked up their schedule should report to the study hall, Fisher said.

On Wednesday, August 24, Dr. Wymond Wilson will be at the school to give physicals to all students going out for junior high football. The examination will be free if the student has the physical on that day; otherwise, he will have to make an appointment with the doctor and be charged for the examination. Physicals for basketball are set Wednesday, August 31, at the school.

United Way leaders appointed

Don Hair of United Telephone Co. and president of the United Way of Kosciusko Co., Inc., has announced the appointment of William E. Beattie of Zimmer-USA, as the 1977 general chairman for the United Way Campaign, which will begin September 7 and end October 6. The goal is \$290,000.

Richard (Rick) Helm, a member of the legal firm of Rockhill, Kennedy, Pinnick, Sand, Bent and Pequignot, will contact all county accountants and attorneys. Others joining the United Way team are G. Freeland (Flip) Phillips, chairman of the Selected Prospects Division;

Lewis R. Gravis, Major Industry-Implant Solicitation chairman; David P. Groenewoud, chairman for the Major Industry and Executives Division, and Richard G. Messner, Division Chairman for Public and Institutional Employees.

Active roles urged for Republican women

"The Republican Party has done a good job in Indiana by electing Governor Otis Bowen and U.S. Senator Richard Lugar. But a big job in the form of the 1978 elections looms ahead, and that's what we're working toward now," said Betty Rendel, vice chairman of the Indiana Republican state committee, as she addressed the July meeting

of the Fulton County Republican Women.

Mrs. Rendel is working with the new Indiana Republican chairman Bruce Melcher to see that federal and state offices have good Republican candidates. She said the only way to elect Republicans is to have good organization, especially at the precinct level, and to have good candidates. She urged Fulton County women to consider being candidates.

Also active in the Republican Women's Clubs, Mrs. Rendel announced that the national convention will be held in Atlanta, Georgia in October and added, "The site was chosen long before a Georgian was elected to the White House."

The local group is concerned about proposed federal legislation which would allow a voter to register and vote at the same time. The group sent letters to several legislators voicing opposition to it. Letters were received from the legislators and were read at the meeting. Lugar, Myers, and Quayle agree that the legislation should be opposed, Bayh is for the bill, and Brademas, Sharpe, and Hamilton would make no comment.

Three rabbits were purchased from Denise Riddle at the county fair. A raffle was held at the meeting and the rabbits were won by Denise Riddle, Betty Daniels, and Amanda Dugdale. (Amanda's ticket was purchased by Mary

Jane Van Duyn to help two-year-old Amanda feel better as she recovers from a burn on her hands.)

Door prizes were won by Anne Kendall, Thelma Carr, Anita DuBois, and Denise Riddle.

The next meeting will be September 6 at Talma with Bud Hillis, U. S. Representative, as speaker.

Punch and cookies were served by Virginia Smith, Leatha Jarrett, Mary Price, Louise Moore, Farrel Skidmore, Ruth Richardson, and Sandy Sawyer.

It Happened In Mentone

Taken from the August 16, 1950 issue of the Northern Indiana Co-Op News:

A little excitement was added to the regular routine of affairs in Mentone about 4:30 last Friday afternoon when it became known that two men had just stolen two trays of diamond rings at the Baker and Brown Jewelry Store. Monday afternoon the two men, Wm. Dance, 30, of Cincinnati, Ohio, and James Bridewell, 30, of Newport, Ky., each received sentences of one to ten years at the Indiana State Prison at Michigan City, after confessing to the theft of the rings, valued at nearly \$3,000.00.

Mr. and Mrs. Harold Markley and son Lee returned last Thursday from a weeks trip in Florida. They went to Hernando and visited Mr. and Mrs. Frank Francis. Other points of interest seen were: St. Petersburg, Clearwater Beach, Daytona Beach, Silver Springs, Juniper Springs and Tampa.

Ralph Ward and his father, Clyde Ward, left early Wednesday

morning for Eagle River, Wisconsin, where they expect to spend the hay fever season. Mr. and Mrs. Delbert Bowels and family, sister of Ralph, have a resort on Catfish Lake, near Eagle River.

Mr. and Mrs. Gerald Ballenger and Sandra and Mr. and Mrs. Fred Lemler and Leah Nell are enjoying a fishing trip in Michigan.

Miss Martha Drudge, daughter of Mr. and Mrs. Omar Drudge of the Beaver Dam community, will be representing Kosciusko County in the state 4-H dress revue to be held September 2 at Indianapolis.

As evidences at the Frank Meredith farm home Tuesday morning, one can never tell when, why or where a fire will start. This time an automatic washer started burning and smoking, causing considerable damage to the interior of the home even though the flames were under control by the time the Mentone fire department arrived.

Thirteen members and one guest, Mrs. Evans of Ames, Iowa, met for a social evening at the

home of Mrs. Mervin Jones. Bridge was played with Mrs. Max Nellans winning first prize and Mrs. Maude Snyder, second prize. The door prize went to Mrs. Lyman Mollenhour.

Mr. and Mrs. Scottie Ervin are the parents of a son born on Tuesday. He weighed eight pounds four ounces and has been named Ralph Arthur.

Woman's Club plans Sr. Citizen brunch

Mickey Harrison of the RSVP Center at Rochester will be the speaker for the Senior Citizen Brunch September 1 in the Akron United Methodist Church annex. The Akron Women's Club is sponsoring the event for retired persons of the community and will serve a light breakfast-lunch at 10:30 a.m.

Plans for the brunch were finalized at an executive committee meeting August 8 with club president, Mrs. John Moore, presiding. Members of the committee are Mrs. Ed Gray, Mrs. Lamoine Hand, Mrs. Roger Dearthoff, Mrs. Tom Hauptert, Mrs. Tom Hill, Mrs. Maunck Eryman, Mrs. Orville Ellis and Mrs. Joe Whittenberger.

All club members will act as hostesses. Retired persons may contact Mrs. Moore after August 26 for transportation to the brunch. Women's Club has sponsored a senior citizen event for many years in accordance with their purpose of

serving the community. September 1 marks the opening of the club year with events planned for

each month through May 1978. In October, members will tour the recycling plant at Wabash.

25, 50-year grads to be honored at Mentone alumni dinner

Plans for the Sunday, September 11, Mentone alumni dinner in the Mentone Jr. High gymnasium are being completed by a committee consisting of John Mellot, president; Terry Hamner, vice-president; Mrs. Thomas (Jody) Harman, secretary-treasurer, and Mrs. Thomas (Janet) Tucker, assistant secretary-treasurer.

A 12:30 p.m. carry-in meal is planned with drinks to be furnished by the committee. Honored classes will be those of 1927 and 1952. Mr. and Mrs. Pearl Tucker are contacting the 50-year graduates with Mrs. Dean McIntyre and John Mellot in charge of contacting the 25-year grads.

The committee urges graduates to pass around the word about the reunion and extends a special invitation to all former teachers and faculty members.

Volleyball practice

Girls' volleyball practice at Tippecanoe Valley High School will begin Friday, August 19, at 2:30 p.m., according to Coach Jane Hunn, who reminds all girls interested in trying out for the team to bring physical slips with them to the initial practice.

News of the constantly changing activities of your friends and neighbors

Tippecanoe Valley varsity and junior varsity cheerleaders participated in the seventh annual Indiana State Fair Cheerleading contest Thursday in the Farm Bureau building.

A note from Bill and Alberta Davis, former TVSC teachers now living in Arizona, says Bill is new dean of students at Orme School and Alberta is assistant dean of girls. Both will also teach.

One of the bench sitters said the other day, "Our idea of a pleasant life is to have more income than expense, and little or no work to do."

Accident Report

Ruby L. Schooley, 25, R. 6, backed out of a private driveway into the path of Walter Blackburn, 41, R. 1, Mentone, recently, resulting in damages estimated at \$400 to the Schooley car and \$200 to the Blackburn vehicle.

Seven persons required treatment after a two-car accident Sunday evening on CR 1000 West, one mile southeast of Mentone. Drivers of the vehicles were Sally R. Poholik, 31, Chicago, and Marianne C. Heeter, 17, Wabash. Both were taken to Kosciusko Community Hospital, as was a passenger in the Poholik car, Kathy Poholik, 10, Chicago, who sustained a hip injury. Treated at KCH for injuries were Tammy Puckett, 17, Mentone, Mary Puckett, 14, Sheila Puckett, 16, Mentone, and Karen Wright, 13, Mentone. All were passengers in the Heeter car. According to investigating officers, the accident occurred when the Heeter car crested a hill and struck the rear of the Poholik auto, which was stopped at a railroad track. Both cars were northbound on CR 1000 West. Damage was listed at \$1,300 to the Poholik car and \$2,000 to the Heeter vehicle, which was owned by David Linkenhoker, Wabash.

A car driven by Arthur L. Norman, 17, Akron, and a truck driven by Michael W. Croushore, 26, R. 6, Rochester, collided Monday afternoon in Rochester. Damage to the car was set at \$2,000 and to the truck at \$700.

Remember When?

I remember the first bombers

By Ruth Laura (Mrs. Carl) Davis

Editor's Note: The following article was prepared by Mrs. Carl (Ruth) Davis, Talma, after she heard Robert J. Hill's talk about the late Lawrence D. Bell at a Fulton Co. Historical Society meeting.

During the winter of 1920-1921, my mother and I (age 12) lived in McAllen, Texas. A German couple with a very pretty blond daughter about 20 years old arrived from Milwaukee, Wisconsin, the same day we did and stayed in the same hotel. A day or two later we rented the upstairs of a house and they moved in downstairs. As was quite common in those days in that hot climate the wooden walls were unfinished inside like a summer cottage. Any noise or talking was easily heard through floors and walls.

At that time, Germany was trying to cause serious trouble between the United States and Mexico. Every eight miles along the border in the Rio Grande Valley was an aviation camp in addition to other military camps every four miles.

Within a few days, the daughter, who spoke without any accent, had work as a clerk in a store downtown. Almost immediately she began dating young aviators from the military camp. Incidentally, we rather doubted that these people were actually her parents. The man had an extremely military bearing. Both he and his wife spoke with a very heavy accent. The wife talked of a florist shop they had owned in Milwaukee. He did not work nor did they seem to have any visible means of income, except for the daughter, as long as we lived there.

As soon as we moved in, German-speaking people began to come to visit and every week there was a meeting of these people. They always closed the meeting with the German National anthem. We had many reasons to believe they were spies.

The aviation camp kept planes

flying in the air all day long. Soon our house seemed to be a special place. We supposed it was because the girl lived there. Anyway, the pilots constantly buzzed us, circled and hung around above us for hours at a time. I thought it quite exciting but my mother got a bit tired of it. The pilots also liked to fly between the turrets on top of the LaPaloma Hotel downtown a few blocks from us. I was told the planes had only a few feet to spare to make it through between. Later, the town stopped them from doing that stunt. They must have been mighty good pilots with very good planes.

I did not know what kind of aircraft these were until Robert Hill gave a talk on Lawrence Bell to the Fulton County Historical Society. He said they were the first bombers ever purchased by the U. S. Government, developed by Larry Bell, then plant superintendent of Martin Aircraft, to combat Pancho Villa, the Mexican revolutionary leader. The bombs were gas pipes filled with dynamite. The airplanes were Martin pusher-type planes.

Eating

To the Editor:

Since the early part of June my tomato vines have produced all we could eat, both cooked and sliced. Then my cabbage 5 heads so loveable and crisp, lettuce just finished and new just coming up. Onions in abundance, squash fried and boiled, radish beautiful. And now my friend bringing fresh corn, sweet and juicy, with fried corn bread. The peaches are so good this year. All this with real buttermilk, life is so good there are so

many good things to eat. Jowl meats 56 cents per pound, eggs watermelons so red, ripe and juicy. A lady just brought 3 gallons of jelly's and jams. I have shared it with those in need, we have shared food with one of our camp meetings in the county. Not much rain but lots of food is being raised.

Yet so many have been coming for food. Government checks are late this month. Several want coffee, I do not give this out. But I do have a horror of people without something to eat. It's good to raise a garden today. With a boiled ear of corn, some cooked tomatoes a slice of cold watermelon and a piece of toast with real butter on it, with a jug of cold water for lunch who in the world could I envy. I am here and I am glad.

40 YEARS AGO

Once more the opening of the school year approaches. To make arrangements for the coming year's work the County Board of Education met at the County Superintendent's office. It was decided to have the schools begin Monday, Sept. 17, both high schools and common schools. Owing to shortage in supply of teachers the complete assignment of teachers in the grades has not been made. The teachers will assemble in county institute Sept. 3 to 7 and preliminary institutes will be held in the various townships the week following. There is an urgent call on the part of trustees for men teachers. The teaching profession is not at present attracting young men, owing no doubt to longer term of employment and higher wages elsewhere.

Tuesday afternoon and evening this locality had a small shower of the rain that broke the drouth of nearly a month's standing. The corn hereabouts was needing rain, but none of it had fired as it has towards Roann and in other places. Wednesday a little more fell and as we go to press there is another shower coming.

Our band boys slipped a band concert in upon us Thursday evening of this week. The public has missed this popular entertainment all the season. For years Akron's concerts have been in high favor and brought the musically inclined and best people to town weekly for miles around. They have opened up now and will continue indefinitely. So, don't forget—every Thursday night Akron will have a band concert.

39 YEARS AGO

Bob Berger and Glen Tullis are carrying the rural mail this week during the absence of Earl Troutman and Orville Moore, regular carriers.

Miss Blanche Swartzlander returned home last Thursday after spending the summer in Montana with her cousins.

The Methodist Church Choir sang an original arrangement by Miss Bernice Bowen of the Twenty-Third Psalm last Sunday at the morning services. Miss Bowen, choir director, set the words to music and arranged it for four-part harmony, with a soprano solo, which was sung by Geraldine Imhoff.

The Beaver Dam school will open Friday, September 2 and will be closed Labor Day, resuming school on Tuesday, September 6.

Approximately five hundred people from Kosciusko county enjoyed a trip to South Haven, Michigan last Friday. A special police escort was provided for the eleven school buses and seven private cars. A visit was made at the Conn band instrument factory at Elkhart in the morning. The group also took a steamer trip from St. Joseph, Michigan to South Haven. Home Economics club members, 4-H club boys and girls and vocational agriculture teachers comprised the tour.

25 YEARS AGO

Several Akron and Beaver Dam couples drove to Monterey Sunday where they engaged boats and drove up the Tippecanoe river about seven miles, and came back by boat. Main object of the trip was to test the fishing in the river. The only fish was caught by Mrs. Tom Gast, Mr. and Mrs. Joe Bahney, Mr. and Mrs. Robert Leininger, Mr. and Mrs. Tom Gast, Mr. and Mrs. Bruce Kirkhoff and Mr. and Mrs. Jack Stucker were on the outing.

Mr. and Mrs. Paul Schindler of Peoria, Ill., were weekend guests at the Elmer Heltzel home. Other guests were Mr. and Mrs. Frank Sisulak and family of Riverside, Ill. and Dr. and Mrs. A. H. 10 YEARS AGO

Joe Moore, son of Mr. and Mrs. Charles Moore, Akron, was named grand champion at the recent Fulton county fair with his pen of two heavy market lambs.

Local farmers planted rye Monday. Nearly everyone in town watched. Some complained. The rest of us enjoyed watching the operation. For the benefit of those who didn't see or hear the seeding operation, we hasten to add that it was done by airplane. Mike Ballee, a former Rochester resident, flew the Stearman plane, a massive bi-wing with a 450 hp engine. The huge engine is needed to enable the plane to make rapid ascent when nearing trees and light lines. The plane has a capacity of 1000 pounds of seed and can plant as many as 1000 acres of rye each day. Ballee was accompanied to Mentone by an assistant who rode in the grain bin of the plane. He is based at Rusk Aviation, Kankakee, Ill.

KDP notes 30th anniversary

The 30th anniversary of the founding of Akron's Psi Kappa chapter of Kappa Delta Phi sorority was celebrated Saturday night with a dinner at the Holiday Inn in Plymouth. Attending were active, associate and past members of the sorority and their husbands.

Kate Jennens, the only charter member currently active, gave a brief history of the sorority and was presented a silver dish from the chapter for her 25 years of accumulated membership.

Another charter member, Esther Billings, Montezuma, related some of her early experiences in the organization.

Wyoma Berns, a past national president, was welcomed as a special guest.

Polly Finney presented a short, humorous skit. Table decorations, rose bowls containing yellow roses

and decorated with blue ribbons, were given as door prizes.

Attending from Akron were Mr. and Mrs. Tom Haupt, Mr. and Mrs. Tom Gast, Mr. and Mrs. Steve Swygart, Mr. and Mrs. Al Jennens, Mr. and Mrs. Lyle Harris, Stephen, Mr. and Mrs. George Burdge, Mr. and Mrs. Ross Burdge, Mr. and Mrs. Jerry Finney, Mr. and Mrs. Dick Day, Pam Madeford, Mr. and Mrs. Roger Deardorff, Mr. and Mrs. Sam Flohr, Mr. and Mrs. Merrill Kendall, Mr. and Mrs. Harold Groninger and Mr. and Mrs. Jim Lewis. Present from Rochester were Mr. and Mrs. Byron Shore, Mr. and Mrs. Richard Miller and Mr. and Mrs. Al Price. Also present were Mr. and Mrs. Claude Billings, Montezuma, and Mr. and Mrs. Orville Berns, Winamac.

Work Saving Steps In Making Zucchini Bread

Are you into zucchini bread? If you are, Sunbeam suggests you use your electric blender to save a great deal of the work of chopping the zucchini. If you haven't tried zucchini bread, here's a great recipe that makes delicious bread.

Using your electric frypan instead of the oven keeps the kitchen cooler and saves energy. It's easy to do. If you don't have a rack for your frypan, use a few coins spotted around the bottom surface to lift the cake pans off the frypan's heated surface.

You can adjust the recipe to your family's taste, omitting the raisins or the nuts or using pecans instead of walnuts.

Here's the recipe:

- | | |
|---|-----------------------------|
| 3 eggs | 2 teaspoons vanilla |
| 1 cup vegetable oil | 2 cups flour |
| 1/2 cup brown sugar | 1/4 teaspoon baking powder |
| 1 cup white sugar | 3 teaspoons baking soda |
| 3 medium-size zucchini, (2 cups), processed in blender (cut zucchini into chunks, add to blender, cover with water, process a few seconds at CHOP, drain) | 3 teaspoons ground cinnamon |
| | 1/4 teaspoon ground cloves |
| | 1/4 teaspoon nutmeg |
| | 1 teaspoon salt |
| | 1 cup raisins |
| | 1 cup chopped walnuts |
1. Sift flour, baking powder, soda, salt, cinnamon, cloves and nutmeg.
 2. Beat eggs in large Mixmaster mixer bowl at speed 7 for 15 seconds.
 3. Turn to speed 2 and gradually add oil, sugars, zucchini, and vanilla, mixing about 2 minutes until thoroughly combined.
 4. Add sifted dry ingredients, nuts and raisins. Mix thoroughly on speed 2, about 2 minutes.
 5. Divide batter into 2 well-greased 8 x 5 x 3 inch loaf pans (3 cups batter per pan).
 6. Bake on a rack in preheated (420°) frypan for 1 hour and 15 minutes.
 7. Remove from frypan and cool 10 minutes. Remove from pans and cool completely.

NOTE: For a fluted or tube pan

Spoon batter into a well-greased fluted or tube pan. Bake on a rack in the frypan (preheated at 420° setting) for 1 hour 20-30 minutes.

Remove, cool 10 minutes, remove from pan and cool completely.

Saner-Howe vows exchanged

Denise Lyna Saner, Corydon, became the bride of Leslie Bruce Howe, Indianapolis, in an August 20 double-ring ceremony at the Akron Church of God. The Rev. Ken Tippin officiated.

Bridal music was provided by Pat Mitterling, organist, and Mike Love, soloist.

Parents of the couple are Mr. and Mrs. Loyd F. Saner, Akron, and Mr. and Mrs. Ernie B. Howe, Indianapolis.

Darlene Grennis, Valparaiso, was maid of honor.

Don Walker, Garrett, was best man. Ushers were Brian Moore, Indianapolis, and Rod Mann, Muncie.

The couple greeted guests at a reception in the church fellowship hall. Servers were Jackie Little, West Lafayette, and Mary Mann, Muncie.

The bride, a graduate of Akron High School and Ball State University, is a speech pathologist at North Central Community School, Ramsey. Her husband, a graduate of Lawrence Central High School, Indianapolis, is presently attending Indiana University Southeast. The couple will reside at R. 6, Box 306, Corydon.

The bridegroom's parents were hosts for a rehearsal dinner at the Lucky Steer Steak House, Warsaw.

TO CELEBRATE ANNIVERSARY: Mr. and Mrs. Fred Walgamuth will celebrate their 50th wedding anniversary Sunday, August 28, from 2 to 4 p.m. at the Akron Church of the Brethren. They ask that gifts be omitted. Mr. Walgamuth and Blanche Tridle were married at the home of her parents, the late Mr. and Mrs. E. P. Tridle, at Sidney on August 28, 1927 with the Rev. Moyné Landis officiating. They are the parents of two sons, Dr. Arden D. Walgamuth, North Webster, and Terry L. Walgamuth, Akron. They have six grandchildren. The Walgamuths have owned Akron Concrete Products Co. in Akron for 49 years and were associated with the National Shetland Pony Club and showed ponies throughout the United States for many years.

Akron Library News

New books received at the Akron Carnegie Public Library include the following:

Summer of the Monkeys by Wilson Rawls. This novel, set in rural Oklahoma around the turn of the century, is a heart-warming family story - full of rich detail and delightful characters - about a time and place when miracles were really the simplest of things.

Light on Lucretia by Jean Plaidy. This is the compelling story of a beautiful woman caught up in a tortuous web of fear and love.

The Summer Day is Done by R. T. Stevens. John Kirby was a British secret agent. Olga was the oldest daughter of Czar Nicholas and Empress Alexander. It was 1911. Imperial Russia was already in its death throes, torn between evil manipulators and determined revolutionaries such as Rasputin and Lenin. While the storm gathered, John Kirby played tennis with Nicholas, frolicked with Nicholas' children, and floated on the delicious laughter of his radiant Olga. Glorious summers do not last forever. The memories, however, do linger. The characters and the world they inhabit will

glow long after the last page of this novel has been turned.

The Song Sisters by Rody Eumson. The author highlights both the public and the private lives of these extraordinary women and offers an immensely readable account of their strengths and weaknesses, triumphs and failures.

Beyond Coincidence by Alex Tanous. This is one man's experiences with psychic phenomena.

The Stars Belong To Everyone by Helen Sawyer Hogg. This book tells you how to enjoy astronomy.

The Miracle Season by Linda Cline. This book is whimsical and delightful. It will be a special pleasure to those who are animal oriented and an eye-opener to those who are not.

Elyza by Clare Darcy. After a duel, a kidnapping and a hectic road chase, people and proposals are happily disentangled. Particularly fascinating characters, especially charming Elyza and the unusual Cleve, all go to make a Regency romance of true distinction.

What's Cooking?

By Patricia M. Braman
Extension Agent, Home Ec

Q. How do you prepare zucchini for freezing if you want to fry it?

A. Slice as you would for frying, blanch for 1 or 2 minutes. Chill, drain, package and freeze. To use, thaw and drain, then follow your recipe for frying.

Q. What is the difference between canning salt and table salt?

A. Canning salt has no additives. Table salt has additives to prevent caking and generally has iodine added. Pure salt is best for canning as the additives may make the liquid appear cloudy. Iodine reacts with starch in the food to give a bluish color.

Q. What types of containers can be used to pickle in?

A. Use enameled ware, glass, aluminum, stainless steel, or stoneware. Brass, copper, iron and galvanized utensils should not be used for they are apt to cause undesirable color changes or they may react with the acid and salt to produce unwholesome substances.

Q. Why aren't there processing times for canned cream style corn in quart jars?

A. For cream style corn, it is recommended that only pints be used due to the slower rate of heat penetration.

Niconza Church sets homecoming

Dr. Roy Hamman will be the speaker at the annual homecoming services Sunday, August 28, through Wednesday, August 31, at the Niconza Baptist Church, two and one-half miles south of Disko on the county line road.

A missionary for 25 years in Central Africa, Dr. Hamman became pastor of the First Baptist Church of Mishawaka in 1957. Since 1972 he has been engaged in a prophetic Bible conference ministry in local churches. He has traveled extensively, visiting the Holy Land five times, including Rome, Pompeii, Athens, Egypt, Mesopotamia, Lebanon, Jordan and Israel and the sites of the seven churches of Asia Minor to whom the Apostle John wrote the Book of Revelation.

Dr. Hamman will speak at the church on Sunday morning, designated as Homecoming Sunday, at 9:30 and 10:30. There will be a carry-in dinner at noon followed by a 2 p.m. service. There will be no Sunday evening service, but services will be conducted nightly at 7:30 Monday through Wednesday. Colored pictures will be used to illustrate the messages. The public is cordially invited to attend.

Church of God sets movie

"The Christian Home: Its Problems and Priorities," a new film that looks at problems of the home and comes up with answers, will be shown Sunday, August 28, at 7:30 p.m. at the Akron Church of God.

Dr. Howard Hendricks, an internationally known authority on the relationship of parents and children, uses animation and caricature in teaching vital lessons to both parents and children. The public is invited.

Let's keep the church small!

After attending a soul winning workshop in Warsaw, Ind. in 1976, my husband and I became convinced of the importance of evangelism and the fact that it should be the mission of the church. After these workshops we decided to return to our church and try to make it a growing evangelistic church. We went to the leaders of a church to place membership and offer our time and our talents.

This, in effect, is what we were told, "Go into the building, find a few, sit down and get comfortable. There is no work for you. Give us some money; that's all we'll take. Be here three times each week and don't be late!"

Can you guess which church we went to? You guessed it, the smallest church in the community. They are small in number; small in evangelism; small in vision; small in work and small in leadership.

Reminds me of a sign I saw in a doctor's office: There go my people. I am their leader. I must hurry and catch them.

Church leaders, some of your people are on fire for the Lord. 1 Thess 5:19, "Don't quench the Spirit." If excitement is stirred in an individual by the Holy Spirit of God don't try to water it down. Don't put out the fire of the Holy Spirit!

If church leaders would give the church the leadership that Jesus gave his disciples, we could turn our communities upside down for Christ.

Matt. 9:37: Then saith he unto his disciples, the harvest truly is plentiful, but the laborers are few. Sitting in a hen house doesn't make you a chicken, but laying an egg is a definite sign. Well friends, sitting in a meeting house does not make you a Christian, but winning a soul is a definite sign!

Fishing safety reminders

Fishing is good therapy—both physical and emotional.

The American Medical Association points out that the millions of Americans who head for the lakes and streams across the nation each fishing season don't need a doctor to tell them that fishing is a good sport. They likely have seen their doctor sitting in the next boat with a line in the water.

Fishing can be elaborate, complete with a trip to the seashore and renting deep-sea boats and equipment. Or it can be the cane pole and worms affair on the banks of a neighborhood creek. Either way it gets us out in the fresh air and sunshine, gets our minds off the cares of the day.

Unless you are the vigorous type who wades through racing rapids or rows hard for miles, fishing is only mild exercise, but still is good for the body and spirit. Fishing also is a relatively safe sport. But it does have some built-in hazards. Most of them can be avoided.

The most common fishing accident is catching a barbed hook in the flesh, usually a finger or hand, but sometimes a leg or other part of the body. Lures and hooks left unprotected on a dock or on the bottom of a boat cause many of these accidents.

The wise fisherman guards against hook accidents by shielding the hook. One simple way is to stick a small cork over the barb. Lures should be stored in the tackle box until needed, and returned promptly to the box when removed from the leader. The band of your favorite fishing hat is, of course, a reasonably safe place to keep lures you intend to use later in the day.

Fly or bait casters are responsible for many hook accidents to their fellow fisherman. Train yourself to look before each cast to make certain no one is in the way. This will also save lures from snagging on trees and bushes as you cast.

In removing a hook from the fish, hold the fish firmly under the gills, so that its head can't flop or wiggle. A freshly caught fish is slippery and hard to hold. Get a firm grip before dislodging the hook.

If, despite precautions, a hook becomes imbedded in your hand or finger, don't try to pull it out. Your physician will snip off the shank and push it through, thus causing less further damage to torn flesh. The doctor will also, if necessary, administer antibiotics and tetanus toxoid. Hook wounds often lead to infection unless properly treated.

TVSC free lunch policy criteria set

Tippecanoe Valley School Corp. today announced its policy for free and reduced price meals and free milk for children unable to pay the full price of meals and milk served under the National School Lunch and Special Milk Programs.

Local school officials have adopted the following family size-income criteria for determining eligibility:

| Family Size | Eligibility Scale For Free Meals and Free Milk | Eligibility Scale For Reduced Price Meals |
|-------------------------------|--|---|
| 1 | \$ 3,930 | \$ 6,120 |
| 2 | 5,160 | 8,050 |
| 3 | 6,390 | 9,970 |
| 4 | 7,610 | 11,880 |
| 5 | 8,740 | 13,630 |
| 6 | 9,860 | 15,380 |
| 7 | 10,890 | 16,980 |
| 8 | 11,910 | 18,580 |
| 9 | 12,840 | 20,030 |
| 10 | 13,760 | 21,470 |
| 11 | 14,680 | 22,890 |
| 12 | 15,590 | 24,310 |
| Each additional family member | 910 | 1,420 |

Children from families whose income is at or below the levels shown are eligible for (free and reduced price meals and free milk). In addition, families not meeting these criteria but with other expenses due to unusually high medical bills, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

CALENDAR

WEDNESDAY, AUGUST 31
Fulton Co. Historical Society meeting, 7:30 p.m., Public Service Indiana building, 615 Madison, Rochester. Guest speaker will be Liz Freece talking about "Buckshiners and Rendezvous." Free refreshments. Public invited.

THURSDAY, SEPTEMBER 1
Ray Circle of the Akron United Methodist Church will have its regular monthly meeting at the Akron park, 9:45 a.m. Anyone interested in participating should call Becky Hill, 893-7275.

LTL meeting changed

The Akron LTL meeting will be postponed until September 2 because of the first home football game falling on the regular date.

Marla, 12, and Timothy, 10, children of Mr. and Mrs. Paul Kindig, R. 2, Akron.

Gina Ann, 6, Jeffrey Blain, 4, and Jessica Bea, 11 months, children of Mr. and Mrs. Gary Ellenwood, Akron.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year.

To discourage the possibility of

misrepresentation, the application forms contain a statement above the space for signature certifying that all information furnished in the application is true and correct. An additional statement is added to warn that the application is being

made in connection with the receipt of Federal funds, that school officials may, of course, verify the information on the application, and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable State and criminal statutes.

In certain cases, foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for such meals and milk for them, they should contact the school. Under the provisions of the policy each school principal will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the official, he may wish to discuss the decision with the determining official on an informal basis. If he wishes to make a formal appeal, he may make a request either orally or in writing to Dr. Lloyd W. Harrell, Box 338, Mentone, Ind. 46539 - phone 353-6815 for a hearing to appeal the decision. The policy contains an outline of the hearing procedure.

If a family member becomes unemployed or if family size changes, the family should contact the school to file a new application. Such changes may make the children of the family eligible for reduced price meals, or for additional benefits such as free meals and milk if the family income falls at or below the levels shown above.

In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, or national origin. Each school and the office of the superintendent has a copy of the complete policy which may be reviewed by an interested party.

Crop insurance sign up begins

The Federal Crop Insurance Corporation, an agency of the United States Department of Agriculture, is now taking applications for 1978 wheat insurance at the local office.

In some counties the program has been changed considerably. The coverage adjustment program offered for the past four years has

been discontinued. Coverages in these counties have been adjusted to more adequately cover the farmers' cost of production.
