Volume 79, No. 50

OPEN HOUSE will be held Sunday in the Mentone Youth League pavilion with Santa Claus himself being present to help greet children and their parents. The public is invited to attend the open house at this new facility at the Youth League park.

Open House Set At Youth League Building

Santa Claus will be in Mentone Sunday afternoon from 1 to 5 p.m. to help with open house festivities at the Mentone Youth League Pavilion and to hear requests from children of all ages.

Free Cokes and coffee will be served everyone attending the open house.

The pavilion, the culmination of months of work and fund-raising

events, is well-lighted, heated and has rest rooms. It is equipped with shuffle board on the floor, three ping pong tables, two Carom boards, and a variety of other games.

The building is to be used primarily for the young people of the community but will be available for clubs and other groups to use when it is not in use by the Youth League. A complete set of rules and regulations for the building's use may be found in this week's NEWS.

The public is invited to attend Sunday's Open House.

Miss Horn Is Triton Jr. Miss

Christine Horn, daughter of Don Horn and the late Mrs. Horn, R. 1, Mentone, was named Triton Junior Miss-1970 Saturday evening.

The vivacious Miss Horn used for her talent the song "You Can't Get A Man With A Gun" and acted it out by firing two loaded pistols (loaded with blanks) at an imaginary figure.

She received a trophy, scholarships of \$100 and \$75, a camera, a dozen roses, and a corn popper. She will represent Bourbon in the state competition at Frankfort from Jan. 21-24.

The 5 feet 4 inch tall Miss Horn is a senior at Triton High School. She is a member of the Mentone Church of Christ and has worked at the Merry Dee Drive-In near Mentone for the past three years.

Zoning Board Is Named

Frank Manwaring and Charles Eaton have been appointed to fill the vacancies on the Mentone Zoning Board. Mentone board members were told Monday night. They will replace Charles Manwaring and Dean Nellans Jr.

The board also told clerk-treasurer Clayton Holloway to advertise for trash pick-up for 1970 and told him to include in the advertisements that Dec. 22 is the date for the opening of such bids.

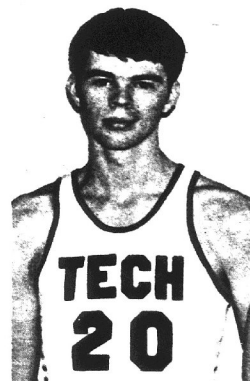

The board also decided that the Dec. 22 meeting will serve as the reorganizational meeting for the year and that town officials will be appointed then.

Henson Leads Tech's Scoring

Junior forward Steve Henson, Akron's gift to Indiana Institute of Technology, led the Warriors to the City College Championship last weekend at Fort Wayne. He came up with 47 points, 7 assists and 19 rebounds as Tech defeated St. Francis 89-63 and Concordia 87-84. He was selected to the all-tourney first team and he and teammate Rick Wells were co-recipients of the Most Valuable Player Award.

The Warriors (2-0) travel to Rochester, N. Y. this week to participate against Case, Rensselaer Polytechnic and Rochester Institute of Technology in a tourney featuring engineering colleges.

Henson is the son of Akron Coach and Mrs. Floyd Henson.

STEVE HENSON

Community Drive Short \$90.85

A total of \$4,434.15 has been collected by the Henry Township Community Service. This is \$90.85 short of the established goal of \$4525.

Anyone wishing to make additional donations is urged to contact Tom Hauptert, chairman of the drive.

Golden Haze On Sale

The 1970 Golden Haze will go on sale at Akron High School December 8. The price will be \$4.50.

Fantasy In Frost Is Planned

"Fantasy In Frost" has been chosen as the theme of the formal Christmas dance for all Mentone and Akron high school students. The dance will be from 8 to 11 p.m. December 13 in the Mentone gym. A live band will provide music.

Moriarty Receives Scholarship

Roger Moriarty, son of Mr. and Mrs. Wm. Martin, Tippecanoe, and the husband of the former Sandra Nelson of Mentone, has received a \$500 scholarship from the McGill Manufacturing Co., Valparaiso. He is a sixth term student at International Junior College and is on the Business Administration and Finance course. He presently carries a grade average of 4.0 and will graduate from International in June of 1970.

Moriarty is a 1966 graduate of Triton High School and attended Purdue University for two years where he studied at the School of Engineering. His plans now center around accounting.

It's Now Col. Burkett

School board member David Burkett, R. 1, Tippecanoe, this week was notified that he is now an official Kentucky Colonel. He received an official document from Kentucky Governor Louie B. Nunn saying he had been commissioned a Kentucky Colonel and was conferred all rights, privileges and responsibilities pertaining to his title.

Burkett, the son of Mr. and Mrs. Norman Burkett, R. 1, Akron, is a graduate of Akron High School and is a warrant officer in the Marine Reserves. He is an employee of Romine Electric, Inc., Mentone.

C of C, Ladies Have Dinner

The Proceeds will go to the Riley Children's Hospital, Indianapolis.

Recreational Program Set At Talma

Members of the Akron Chamber of Commerce and their wives met Wednesday evening at the Steer Inn for a smorgasbord dinner and Christmas party.

Mentone Post Office Hours

Starting Wednesday, December 10, there will be a recreational program for men at Talma Jr. High School. Any men who are interested should be at the school by 7 p.m.

Mentone Post Office Hours

The service lobby of the Mentone post office will be open until 5 p.m. on the Saturdays preceding Christmas, Dec. 6, 13 and 20.

MISS CHRISTINE HORN is crowned Triton Junior Miss by Miss Cindy Askins, retiring title holder.

Dear Hoosier Friends:

After receiving the NEWS each Monday I read from the front page to the last page. I really don't miss anything. We enjoy it.

Am sending Terry's ad-

The Protected Will Never Know

Dear Sir,

If it would be possible, I would like the following printed:

To the people of Akron, Indiana I want to say thanks for your friendship and making me feel welcome while I was home on leave.

I am starting my 22nd month in Vietnam. I am not bragging or complaining. I asked for my extended time here.

Many of you asked why I would stay in a place like this. Believe me, it is not because I like it. I have found nothing pleasant in war except a smiling face saying thanks. I have had many comrades fall, and death is a common thing. The emotions and deep feelings the men here have will never be expressed elsewhere.

Before I go on I must include this quotation: "For those who have fought for it, Peace has a meaning the protected will never know."

I am proud of my country or at least I used to be until it was scared by protestors of all categories.

We are all willing to drink the wine but few of us are willing to pick and squeeze the grape.

How long has it been since we walked down the street and extended our hand to a stranger or yet the people we've known a long time?

Step outside and take a long deep breath. Look around you. This is America!

The foundation is still sound but the pillars for the roof grow weak. Strengthen them!

God protect us! God help us!

Make America the place to raise our children. Sincerely,
Norris A. Keirn

Youth League Building Rules

Directors of the Mentone Youth League have established the following rules and regulations for the use of the new pavilion:

This building belongs to you! You or your parents probably helped pay for it, therefore, treat it with respect. Always leave it in as good or better condition than you found it.

1. No alcoholic beverages are allowed. Anyone suspected of being under the influence of alcohol or drugs will be asked to leave the premises.

2. No smoking, fighting or profanity will be allowed in the building during youth activities.

3. This building will be open for all-age youth from 7-10:30 on Monday and Wednesday evenings during the winter. (Ping pong, shuffleboard, and other activities will be supervised.)

4. Youth groups, or any other group, sponsoring activities to benefit local youth, may reserve the building without charge, unless janitorial services are desired.

5. All youth activities must have adult supervision.

6. All adult groups are asked to clean up and make a donation to the Mentone Youth League.

7. The group making the reservation assumes responsibility for any damages caused by negligence or vandalism while it is in use by that group.

8. A \$5 deposit is required, in advance, for the use of game equipment. This deposit will be refunded when equipment is safely returned to storage.

Call Frank or Alice Hardesty for reservations.

Let's Go Shopping

November is over, and we had a wonderful holiday, Thanksgiving Day. Hope you had a thankful day too. Our next month is the most important holiday of the year, Christmas. We receive gifts and give gifts.

God gave us a gift on this holiday, His Son, Jesus Christ. That's why we call this day Christmas.

God also has many gifts for us just for the asking and accepting. The gift of love, for God is love. Gift of Peace. We cannot have peace unless we have peace within ourselves. Gift of forgiveness. Gift of abundant life. Gift of answering prayer. Gift of the Holy Spirit.

There is no limit of gifts from God. Won't you shop around and see if you can't find these gifts and open them up Christmas Day.

God so loved the world that he gave his only begotten Son, and whoever believeth in him shall not perish but have ever lasting life. God has a guarantee with these gifts Eternal Life. This day Christ was born. Why don't you accept these gifts and be reborn this Christmas Day.

Father in heaven, we thank thee that we can call on thee any time and any place.

And father, may the ones that call on thee have read this little message.

Let's Go Shopping
May the gifts that they ask of thee be granted unto them and may the love and peace and joy be theirs for evermore. In Jesus name we pray.

Amen.

60 YEARS AGO

Good mantle clocks \$3.00 and up at Hosman's. Don't forget the dairy train that will stop in Akron Thursday, December 16, at ten o'clock in the forenoon. Corn husking will then be over and every person who has a cow or ever expects to have one should be present.

R. R. Carr has a post card from his aunt, who was here over Thanksgiving with the Carr family. The post card has a picture of the birth place and house of Edison, the electrical wizzard. The aunt thought Akron ought to know that such a man was really born even if we do carry lanterns.

While in viewing our new printing room last Saturday, Henry Meredith said that he had just finished husking corn and that there were now two thousand bushels in his cribs, that he raised from about 32 acres of land, besides what he had fed since corn would do to feed. Last year he had poor luck raising corn and now this year he has plenty, but no hogs.

Frank Fites, south of Akron, will make a public sale of some personal property Tuesday, December 14th. In that sale will be found 2,000 bushels of corn; 60 head of good breeding ewes; 50 head of hogs; 10 head of milk cows; and one span of four year old mules.

Johnny Thompson will retire soon from the draying business, having sold his line and equipment to Johnny Eber. Mr. Thompson has no plan yet for the future, as the sale came suddenly and unexpectedly.

Mr. and Mrs. Grant Nye are preparing to move to Huntington where he has a position with the Erie railway company as carpenter and builder.

A remarkable tiny hearing aid has been perfected by a man who has been hard of hearing for nearly ten years.

This small device has no dangling cords or separate transmitting units and represents a new unusual design idea in a product to restore natural hearing.

It was developed especially for those persons who can hear but can't understand. This new hearing instrument provides "ear-level" hearing with the wearer picking up speech, sounds, television and radio at his ear. Due to the use of transistors, the user cost is extremely low.

A true life actual size replica of one of the smallest all-in-the-ear hearing aid ever made will be given absolutely free to anyone sending in this advertisement while supply lasts. So we suggest you write for yours now. No obligation whatsoever. Write to A. J. Wilder, 809 Steuben St., Wausau, Wis. 54401.

Mentone F.H.A. Has Meeting

The Mentone F.H.A. met Monday night. Forty five members answered roll call by naming a gift they would like to have for Christmas.

Mrs. Carpenter reminded the girls that the cookbooks are still on sale and would make good Christmas gifts.

The meeting was adjourned to go Christmas caroling.

DEATHS

Cochran

Funeral services for Wilbur C. Cochran Sr., 72, Burket, were conducted this afternoon in the Burket United Methodist Church with Rev. Donald Poyser and Mrs. Evan Bergwall officiating. Burial was in the Palestine cemetery. The King Memorial Home, Mentone, was in charge of arrangements.

Mr. Cochran, who was the state quartermaster for Veterans of World War I, Inc. and a former national quartermaster of the same organization, died Monday at Murphy Medical Center after being admitted Monday.

The son of Henry and Nancy Cole Cochran, he was born May 3, 1897 at Burket and was a lifetime resident of the community. He was married April 28, 1918 at New Bedford, Mass. to Georgia Spinner who preceded him in death Apr. 5, 1967. He was an accountant, a member of the Burket United Methodist Church, Warsaw Barracks 83, Veterans of World War I, John C. Peterson Post 49, American Legion, the Forty and Eight and the Mentone Masonic Lodge.

Survivors include a son, Wilbur C. Cochran, Jr., with the U.S. Air Force in Montgomery, Alabama; three daughters Mrs. John (Frances) Chilcote, Elkhart, Mrs. John (Bonnie) Irwin, of Burket, and Mrs. Dail (Edythe) Barber, Akron; ten grandchildren and 15 great-grandchildren.

Akron Girl Scout News

Plans were completed for a Christmas party that will be held December 15 with a gift exchange. There will be no meeting until January 15.

The meeting Monday was spent making a Christmas gift for the family. Final plans for Christmas caroling has not been completed as yet.

SICK LIST

Stuart Thompson is now in Parkview Hospital in Ft. Wayne. He underwent surgery Wednesday and expects to be in the hospital for at least the next three weeks. His room number is 513. He would enjoy hearing from his friends.

Be-Abouts Elect Officers

The November meeting
of the Be-About Mission-
ary Circle of the First
Baptist Church, Mentone,
was held recently at the
home of Mrs. David Pef-
fley with 12 members
present.

The meeting opened
with singing and prayer.
Mrs. Gordon Hackworth
had the devotions. The
president read a letter
from the children's
home. Mrs. Norris re-
ported on her stay with
200 other ladies at the
annual ladies retreat
and said it was a bless-
ing to be there. At-
tending from the local
church were Mrs. Norman
McVay, Mrs. Larry Mor-
ris, Mrs. Jim Swihart
and Mrs. Lee Norris.

Members voted to send
a check to Miss Lova
Bush, one of the mis-
sionaries, a local lady,
who is preparing to go
back to India.

Officers elected for
the new year included:
Mrs. Gordon Hackworth,
president; Mrs. Jim Un-
zicker, vice president;
Mrs. Larry Morris, sec-
retary; and Mrs. Rex
Yazel, treasurer.

The next meeting will
be a Christmas party at
the home of Mrs. Gordon
Hackworth on December
15 at 7:30 p.m.

The group divided in-
to groups for prayer and
concluded the meeting by
writing letter to 18 of
the missionaries and
servicemen.

Rev. Baldwin Plans Sermon Series

"God's Will" will be
the topic of a series of
sermons to be presented
by Rev. J. F. Baldwin
at the Akron Brethren
Church. The sermons
began Sunday.

In his sermons he will
attempt to answer such
questions as:

A boy or husband goes
to battle and never re-
turns.

A husband, wife or
child may be crippled for
life.

A terrible accident
may take our loved ones.

Sorrow, sickness and
suffering come to all.

A woman said, "My son
was killed last week and
I am trying to bow to
the will of God" But Was
It God's Will?

If a neighbor caused
any of the above, would
not he be a common law
criminal?

Is it possible to ac-
cuse God of things that
if done by a neighbor,
would send him to pris-
on?

Rev. Baldwin says so
many are confused when
it comes to God's Will
and the experience men-
tioned that he will at-
tempt to answer these
many questions and oth-
ers. He says the mes-
sages will give the con-
fused a clear understand-
ing, the sorrowing com-
fort, the despairing
courage and the doubt-
ing a greater faith.

Everyone is invited
to attend these serv-
ices.

Mr. and Mrs. Fred Bruce are celebrating their 40th wedding anniversary Sunday, December 4th at their home in Silver Lake. Open house will be held from 2 p.m. to 4 p.m. Mr. Bruce and Elza Brady were married at Claypool at the E.U.B. parsonage by Rev. Fred Engle. They have one son, Elza Bruce of Pierceton and two grandchildren, Roger and Diane Bruce.

great thing about electric gifts is that you not only give a present but you do something for someone. Some idea-stimulating examples:

- An electric tea kettle will make instant tea or coffee really instant for their devotees. Such a kettle brings water to a boil at the rate of about a cup a minute.
- An electric viewer for slides—the kind that holds 20 to 40 slides on a translucent, lighted rack—can help a camera man with the difficult editing job.
- An easy-to-use electric hand drill and saw could open a whole range of new projects for a feminine arts and crafts enthusiast.
- Warm and serve appliances will end a hostess' uneasiness about food and guests not getting together at the right time. Electric warming trays, trivets and bun warmers keep food just right even if guests dawdle on the way to the buffet table.

"Just for you." Electric gifts can be just as personal as a monogram if you choose features to match a way of life. If your sister can't move in the morning without her coffee, give an electric percolator with a delayed-start timer. Filled and set the night before, it turns on automatically in the morning. . . A toaster comes with a carrying handle for the woman who likes to tote hers from kitchen to dining room or porch. . . There is a blender that cooks for sauce specialists. . . Lighted mirrors are so varied you can please anyone's special taste from that of a pre-teen too old for dolls to a grandmother who says "I don't need a thing." There is even one for men with an outlet for an electric shaver.

IN MEMORY

In loving memory of my mother, Nellie Geiger, who passed away December 6, 1965.

Please God, hold your arms around her. Keep her in your loving care. Make up to her for all she suffered. And everything that was unfair.

To all of you, who still have a mother. Cherish her with care. For you'll never know the heartache, 'til you find she isn't there.

Homecoming royalty is named

Homecoming games Friday and Saturday nights at the Mentone and Akron high schools saw the crowning of two lovely queens and two handsome kings.

Tom Scott and Janet Fisher, both seniors at Mentone High School, were named king and queen of Homecoming Friday night. First runners-up were Leroy Chrisman and Carol Franks. Susie Romine and Dale Walters were second runners-up, and Susan Zent and Curtis Ousley were third runners-up.

The kings and queens of the other classes formed the court. They were Honey Hudson and Ed Richardson, juniors; Steve Shand and Denise Acton, sophomores, and Tom Alber and Barbara Tibbets, freshmen.

Hugh Aughinbaugh Is "Man Of Achievement"

Hugh Aughinbaugh, So. Bend, a former Mentone resident, has his biography published in the world-wide "The Two Thousand Men of Achievement—1969."

Mr. Aughinbaugh, the brother of Miss June Aughinbaugh, Mentone, is a business executive, writer, public speaker, and composer.

Mr. Aughinbaugh is one of the 2,000 biographees that were selected from over 20,000 names from the free countries of the world that were located by the selection committee.

The 2,000 biographees were selected because of their achievements in business, industry, professions and arts.

Byron Tinkey, son of Mr. and Mrs. Norman Tinkey, and Debbie Groninger, daughter of Mr. and Mrs. Otto Groninger, were named king and queen of Akron's homecoming Saturday night.

Members of the court were: Juniors, Ruby Smith and Ed Jenkins; so-

phomores, Janice Secor and Mike Gearhart; Freshman, Sally Leckrone and Royce Shewman.

The theme was "Fairy Tales" and winners in the float contests were Sophomore class with Hansel and Gretel and the freshman class with Cinderella.

Letters help, local man says

Cpl. Allen Teghtmeyer, who recently spent two months in a naval hospital in Guam as a result of injuries sustained in Vietnam combat, will be the first to agree that not all people "back home" are anti-military men. He wrote his mother that without the help of the mail from home, his recovery would have been much longer. "It was a great morale boost," he said.

Cpl. Teghtmeyer, the son of Mrs. Juanita Teghtmeyer, R. 1, Akron, attended school at Beaver Dam and Akron and was graduated from No. Miami High School. He left for basic training last October 16.

Cpl. Teghtmeyer received a Purple Heart while in the hospital on Guam.

He was promoted to corporal in November, and his mother received a letter this week from his commanding officer, Lt. Col. F. W. St. Clair that her son had been promoted "meritoriously" because of his fine record.

Cpl. Teghtmeyer is now serving in Okinawa where he continues to recuperate from his injuries.

Drive tops goal

The Board of Directors of the Henry Township Community Service announced this week that the fund drive has gone

over the top with a total of \$4529.40 having been collected. The goal was \$4525.

The board said the participating agencies will receive their allocation within a short time.

The board also said, "We are mindful of the task of this most successful drive and extend to all leaders and solicitors our greatest thanks for a job well done. A big thank you to all the citizens and merchants of the township for their contribution. We are mighty proud of our community and are most proud to belong and live here."

Injured In Gun Mishap

LeRoy Shotts, son of Mr. and Mrs. Albert Shotts, R. 5, Rochester, and a student at Mentone High School, underwent surgery at So. Bend Memorial Hospital Monday morning. The boy was injured when he shot a shot gun shell with his BB gun. The resulting explosion seriously injured his face.

Program Set At Mentone

The annual elementary music program will be presented at the Mentone gym, Wednesday, December 17, at 7:30 p.m. All parents and friends of the children are invited to attend.

"SHIRLEY" SET PRECEDENT—Mr. and Mrs. R. Dale Jones of Silver Lake and their son Mike are shown with their Holstein cow Shirley after the animal was named Supreme Champion Dairy Cow at the International Dairy Show last week at the Amphitheatre in Chicago. Shirley is the first dairy cow to be so honored since previously champions had been named in each breed only. Shirley was the Grand Champion Holstein.

ODDS and ENDS

by Ann Sheetz

It was a Saturday evening so typical it could have been repeated in 50,000 living rooms across the country. Husband slouched in easy chair, half asleep, paper half on, half off stomach. Boys glued to television. Mother making dozens of trips past as she alternates between wrapping packages in the kitchen and totting mounds of clean clothes upstairs.

Only this Saturday was different and on my 13th lap through the living room, I kicked Loren's foot to wake him and when he blinked demanded, "Do you know what happened 17 years ago tonight?"

He thought a bit, tugged at his paper, and shrugged, "I dunno. What?"

"You gave me my engagement ring," I said, martyr-like as I refolded the boys' underwear.

"I'll be darned," he said. "How'd you happen to remember a thing like that?"

I could have reminded him of the promises he made that night or even of the dunking in the shower I got on returning to the dorm or the all-night bull session with the rest of the girls. Instead, I shifted my load and said, "Association I guess. I always remembered it was the day before the anniversary of Pearl Harbor."

"Hmpf," he said, pulling the paper over his head, this man who promised to swim the deepest river and climb the highest mountain for me, "Sort of like a warning of impending disaster, huh?"

He fell asleep so quickly he didn't even notice that I threw a stack of socks at him. The boys didn't notice at all. They were watching television and besides they never heard of Pearl Harbor.

However, they aren't always that calm in face of impending disaster or impending action.

On a recent evening that Loren worked late I hustled them to bed

and settled for an evening of writing. Soon the patter of little feet announced that 5-year old Doug was headed for a last session in the bathroom. He immediately turned and dashed into the den, eyes huge as he shouted, "I've cornered a mouse in the bathroom!"

"Good. Leave him alone," said his tired mother, cranking another sheet of paper into the typewriter.

He thundered to bed and was soon joined by 11-year old Todd, the mouselayer. They dashed back to the den. "Can we have an ax?"

"No."

"How about a knife?"

"Beat it," she said. So they did. They grabbed a roll of newsprint (what every well ordered home needs) and beat the mouse. The bathroom sounded as if it were falling apart.

Returning as quickly as they entered the fray they said, "He got away!"

They went to bed; I typed. The mouse was forgotten.

But when I started upstairs I found a dead mouse at the foot of the steps. A dilemma. I hate mice, dead or alive. Should I leave him there? No. Loren might step on him. Write a note to Loren. No. He'd step over him and I'd step on the mouse in the morning. After some deliberation and even some pity for a mouse that either succumbed to poison or fright (newsprint rolls are big) I gathered him in a Kleenex and tossed him in the wastebasket.

The boys examined him in the morning, pronounced him theirs and evidenced pride in their brave mother. My tired protector drank his coffee and chuckled.

And such are the days of promises and roses, come seventeen years later--always another impending disaster, always someone to pick on, and always the knowledge that tomorrow could be worse or better than yesterday.

The Glory Of Work

Bandleader Lawrence Welk, one of Goshen's TV favorites of the armchair set and well known for his "champagne" music, believes ".....A human being grows and prospers through the dignity of his work. Rather than give a man money, simply because he exists.....let us educate him to the glory that can be found in work.....and then bend every effort toward helping him find and hold a job."

Mr. Welk also has a word to say on the effect of a guaranteed annual income on our children. He believes: "....A child raised in an atmosphere of defeat and apathy, and taught to expect that his every need will be taken care of whether he works or not, stands little chance of developing a strong

character. His own natural eagerness to learn and to grow and to excel is cut off at the very beginning of his life, and he may never know the thrill of achievement on his own. A child who is encouraged early to earn extra pennies by shining shoes or selling newspapers or doing household tasks, stands a much better chance of achieving his goals than a child who is taught to do nothing."

These words of wisdom from a man of music and entertainment come as a refreshing break in the daily litany of security without effort that we hear on every side.

Mr. Welk's music may be a bit on the bubbly side but there's nothing fuzzy about his thinking.

What Is Christmas

Christmas, my child, is love in action..

When you love someone you give to them, as God gives to us. The greatest gift He ever gave was the person of His son, sent to us in human form so that we might know what God, the Father is really like! Every time we love, everytime we give, it's Christmas.

"JEST FOR FUN"

A doctor arrived at a farmhouse to deliver a baby. He found the bedroom was dimly lighted and asked the farmer to hold the lamp. After the third baby arrived, the farmer took off. "Hey, come back with that lamp," shouted the doctor. "Nothing doing," replied the farmer, "it's the light that's attracting them."

Service Men's Wives To Meet

In fulfilling an important phase of service to the military families, one of its charter obligations, the Kosciusko county chapter of the American Red Cross, a United Fund Agency, is reactivating the Service Men's Wives Club, Dwight Bechtol, chapter chairman, stated today. A Christmas party for service men's wives is the first event on the club calendar, he said.

Mrs. Claude Tully and Mrs. Howard Weidman, Red Cross volunteers, are in charge of the arrangements for the party to be given at 7:30 p.m. Friday, December 19, at the ARC chapter headquarters, 501 North Lake Street.

In addition to a social hour to be enjoyed with other women whose husbands may be far away on a tour of duty with the armed forces, topics of particular interest to them will be discussed. These may include the military medicare plan, allotments to wives and families, opportunities to join their husband when he is granted leave for rest and recuperation, and the many problems that arise when she must be father as well as mother to her family.

For more information regarding the party, call Mrs. Tully at 267-2779 or the Red Cross Chapter headquarters, 267-5244.

Lake Twp. Club Meets

The Lake Township Home Economics Club met Friday evening at the home of Mrs. Alpha Perry in South Whitley.

Mrs. Owen Frey, the president, opened the meeting with the Pledge to the Flag, Club Creed and group singing of the song of the month. The theme of the evening was Bells. "Bells of St. Mary's" and "Christmas Bells" were sang by the group. The history of bells was given by Mrs. Marvin Kendall. Mrs. Hubert Hammons gave the devotions "A Christmas Story" and Mrs. Wayne Bouse gave the Christmas Prayer.

Four members had perfect attendance for the year. They were Mrs. Worby Clinker, Mrs. Owen Frey, Mrs. Alpha Perry and Mrs. Marie Lindzy. Secret sisters were revealed with a gift exchange.

Mrs. Harold Swihart installed officers for the coming year. Pres. is Mrs. Mildred Clinker, Vice Pres., Mrs. Don Bouse, Treasurer, Mrs. Hubert Hammons, Secretary, Mrs. Marie Lindzy, Choristers, Mrs. Alton Kissinger and Mrs. Lowell Brown, Pianist, Mrs. Arden Warner, Garden Leader, Mrs. Wayne Bouse, Health and Safety, Mrs. Marvin Kendall.

Cards were sent to Mrs. Glen Walther and Mrs. Clarence Swihart in Florida. The meeting was then closed with group singing, "Let There be Peace on Earth."

While in Rochester last Monday, we were permitted to see the new city fire wagon. Our attention was called to us by one of the anti-city citizens. But he is now proud of the wagon. We know he is. It is a great big, red, flashing wagon and fairly dazzled in the sunlight of the crisp morning. There were hitched up to it a well-matched pair of fine black horses, wearing heavy brass buckled harness. Even the horses felt the spirit of progress and exhibited the evidence of their pride, stepping high, head up and eyes sparkling. And we cannot even find our poor, old dinky hand fire engine.

Cohee officiating at the double-ring ceremony. Beauty vases of white mums, palms and candleabra graced the altar and the pews were marked with white satin bows.

Nuptial music was provided by Wayne Gerard, organist, and Mrs. Marilyn Summe, soloist.

Parents of the bridal couple are Mrs. Opal Sharp of Larwill and Mr. Homer Salyer of Columbus, O. and Mr. and Mrs. Charles Waite of Silver Lake.

Given in marriage by

her uncle, Gordon Salyer of Ironton, Ohio, the bride appeared in a gown of ivory Italian silk fashioned with a matching jacket trimmed in natural mink. A matching mink pill box hat held her veil of silk illusion. The bride carried a small white Bible covered with orchids and stephanotis.

The bride's maid of honor was her sister, Carol Martin, Middletown, Ohio. The bridesmaids were Jo Etta, Peggy, Minda and Rose Mary Salyer, all sisters of the bride. The flower girl was Tina Baker. Tony Baker was the ring bearer.

Steve Parker, Silver Lake, attended the bridegroom as best man. Other gentlemen attendants were Larry Swihart of Silver Lake and Ron Drudge of Warsaw.

Guests were registered by Renee Tinkey of Warsaw. Ushers were David Baker, John Salyer, Jerry Tinkey and David Kerlin.

Following the ceremony the couple greeted guests at a reception in the church social room.

After a short wedding trip, the newlyweds are residing at R. 1, Silver Lake, the former home of Ray and Lillian Robinson.

Two Texas oilmen walked into a Cadillac agency and one picked out a sedan that caught his eye. As he started to reach for his wallet, his friend said, "Let me get this. After all, you bought the lunch."

Hospitality Tea Punch

Happy the holiday hostess who has an easy trick or two up her sleeve. A good punch recipe, for instance, will come in handy at many a festive occasion. The one pictured above, rosy in color, is a delightful blend of fruit juices with a strong tea base. The tea acts as a silent partner in the punch, giving it body without masking the flavors of the other ingredients. For holiday glamor a colorful ice ring filled with orange and lemon slices, red and green candied cherries, floats in the bowl. Cup cakes made from a cake mix and decorated with a variety of holiday motifs are also easy to do, yet effectively festive.

Holiday Punch

(Makes about 50 punch-cup servings)

- | | |
|--|--------------------------------|
| 1 quart cold water | 1/4 cup lemon juice |
| 1/2 cup loose tea or 15 tea bags | 2 quarts water |
| 3/4 cup sugar | 1 (28 oz.) bottle ginger ale |
| 2 quarts cranberry juice cocktail | Ice ring* |
| 4 (6 oz.) cans frozen orange juice, thawed | Lemon and orange slices |
| | Red and green candied cherries |

Bring 1 quart cold water to full rolling boil; remove from heat; add tea all at once. Let stand 5 minutes. Strain into punch bowl; add sugar and stir until dissolved. Cool at room temperature. Add juices and water. Refrigerate. When ready to serve, add ginger ale and ice ring.

*To make ice ring, freeze water in ring mold, adding lemon and orange slices and red and green cherries.

Joint O E S Inspection Held At Akron

Inspection of Akron, Rochester and Kewanna chapters of the Order of Eastern Star was held Saturday at Akron with the Worthy Grand Matron, Mrs. Helen Mitchell, of Newtown, and the Worthy Grand Patron, Leo Provence, of Anderson, present. An oven steak dinner was served for the officers and guests at the annex of the Akron United Methodist Church.

Baby dedication ceremonies were conducted for Troy Shuler, 9-month old son of Mr. and Mrs. Ned Shuler, No. Manchester; Beth Ann Adams, 4 1/2 month old daughter of Mr. and Mrs. Don Adams, Elkhardt; and Thomas Lee Finney, 14-month old son of Mr. and Mrs. Jerry Finney. The babies were presented at the altar and were received by the Worthy Grand Matron who dedicated them to the principles and ideals of the order. The color ribbons and a booklet with a picture of the Worthy Grand Matron's five grandchildren were presented to the babies.

Mrs. Oscar Fites, of Akron, grandmother of Troy Shuler, and Mrs. Neva Kretzmeier, Batesville, were honored for 50 years membership and service and were given the Grand Chapter Jewel pin.

50th Anniversary Is Honored

The 50th wedding anniversary of Mr. and Mrs. Howard Strong, R. 2, Akron, was honored at a family dinner Thanksgiving day at the home of their son and daughter-in-law, Mr. and Mrs. Merl Strong, and family.

The former Emma Sebring and Mr. Strong exchanged wedding vows on November 26, 1919 at Warsaw. They are the parents of two sons, Merl, R. 1, Akron, and Robert, Rochester, and they have four grandchildren.

Guests present at the celebration were Mr. and Mrs. Robert Strong, Mr. and Mrs. Clyde Foltz of No. Manchester, Mrs. Minnie Eber, Akron, Miss Jerry Smith, Wabash, and Norman Watson, Rochester.

After the lodge officially opened with Akron officers giving the ritualistic opening, Mrs. Mitchell, Mr. Provence, Mrs. Callie Bookmiller of Galveston, deputy of District 18; Mrs. Forest Heyde, Rochester, Grand Representative to Colorado, and Mrs. Donzella Graham of Spencerville, Grand Esther, were escorted to honor positions in the East. The initiatory service was given by Rochester officers, and the closing was given by Kewanna officers.

The chapter room was attractively decorated with large red letters with the Worthy Grand Matron's motto "My Cup Runneth Over" flashing on the wall in the East by revolving colored lights. Her theme is "Service and Love" and her emblem is the Cup. Her watchwords are Loyalty, Truth and Love; her scripture, "A friend loveth at all times" and her prayer the 23rd Psalm. Her aim is "to brighten our Star as we walk humbly with God."

Refreshments were served in the dining room. The serving table was centered with a flowing fountain of punch and a centerpiece of red carnations and white mums.

Guests were present from Lapel, Galveston, Royal Center, Spencerville, Logansport, LaFountaine, Young America, Fulton, Kewanna and Rochester.

Speaker's Bureau Available

A new Purdue Speakers Bureau has been developed on the Ft. Wayne campus with 22 members of the faculty and staff offering a choice of more than 70 topics to Fort Wayne and area civic, service, and social and education organizations. Subjects offered by the Purdue Speakers Bureau cover science, in-

dustrial supervision and management, continuing education, psychology and parapsychology, admissions, world travel, communication, speech sciences, theatre, engineering, student problems, counseling and testing, education, technology and miscellaneous topics.

A new brochure, containing photographs of each of the participating Purdue faculty and staff members, their titles and topics, and an outline of procedure for obtaining speakers, is now available and may be obtained by contacting the Purdue Office of Publications and Information, 2101 Coliseum Blvd. East, Ft. Wayne.

Beaver Dam Club Elects

The Beaver Dam boys 4-H held their December meeting Monday night. The meeting was called to order by Gary Cumberland. Pledges to the American and 4-H flags were led by Jerry Baumgartner and Nedra Wise. Byron Tinkey gave the treasurers report and Kevin Haney read devotions. Officers for the coming year were elected. They are Jerry Baumgartner, president; Claudia McFarland, vice president; Joan Hill, secretary; Nedra Wise, assistant; Ricky Van Cleave, treasurer; Gary Cumberland, assistant; Steve Swick, song leader; Gary Cumberland, reporter; Nedra Wise, assistant; Lu Ann Walters, Deanna Van Cleave, Greg Shireman and Mark Swick, recreation.

There were 17 members present.

Accident Report

David Bussard, 24, Akron, suffered a slight cut on the thumb as his 1970 Dodge rolled over three times and crashed into a parked 1968 Camaro owned by Jim Kendall, Akron, and parked in front of Kendall's house next door to the Bahney Chevrolet garage. Bussard's car traveled 528 feet out of control, hit a tree on the north side of the road and overturned three times. He told Akron police he was going 50 to 55 miles per hour when the car went out of control and that he laid down on the front seat when the car began to roll. He was charged with driving left of center. His car was listed a total loss and Kendall's damages were estimated at \$600.

Cars driven by Vern Royer, Akron, and Eugene Vedder, Rochester, collided recently in Rochester with an estimated \$400 damages to Royer's car and \$600 to Vedder's.

Deaf Man Designs Tiny Hearing Aid

OFFERS FREE MODEL

A remarkable tiny hearing aid has been perfected by a man who has been hard of hearing for nearly ten years.

This small device has no dangling cords or separate transmitting units and represents a new unusual design idea in a product to restore natural hearing.

It was developed especially for those persons who can hear but can't understand. This new hearing instrument provides "ear-level" hearing with the wearer picking up speech, sounds, television and radio at his ear. Due to the use of transistors, the user cost is extremely low.

A true life actual size replica of one of the smallest all-in-the-ear hearing aids ever made will be given absolutely free to anyone sending in this advertisement while supply lasts. So we suggest you write for yours now. No obligation whatsoever. Write to A. J. Wilder, 809 Steuben St., Wausau, Wis. 54401.

NEW BOOKS

AKRON CARNEGIE LIBRARY

Christmastime in America is a beautiful time of year. Let us enjoy it to the fullest. Let us be sure that we discover the true meaning of Christmas. Whether you need material for devotions, for a part on the Christmas program or something to read that will make Christmas have a deeper meaning for you, you can find it at the Akron Public Library.

Some books, old and new, that adults might enjoy reading at this time of year are:

LITTLE CHRISTMAS by Agnes Sligh Turnbull.

CHRISTMAS AT MONTICELLO by Helen Topping Miller.

CHRISTMAS AT SAGAMORE HILL by Helen Topping Miller.

CHRISTMAS, AN ANNUAL OF CHRISTMAS LITERATURE AND ART

THE DAY THEY GAVE BABIES AWAY by Dale Eunson.

THE YOUNGEST SHEPHERD by Hal Borland.

LET'S KEEP CHRISTMAS by Peter Marshall.

THE DAY CHRIST WAS BORN by Jim Bishop.

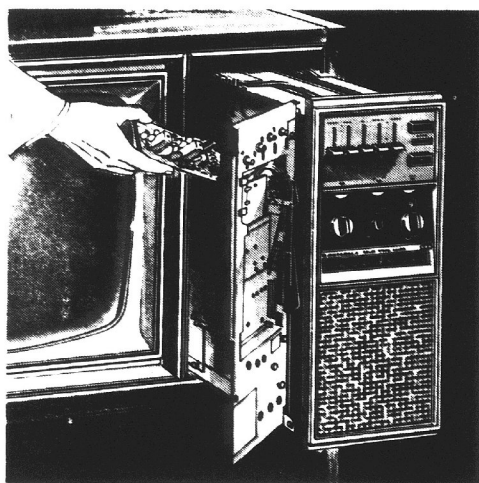

RAPHAEL, THE HERALD ANGEL by David Appel and Merle Hudson.

NO TEARS FOR CHRISTMAS by Helen Topping Miller.

There are also many Christmas books that children will enjoy during the holiday season.

Have the family visit the Public Library.

The Akron High School Choral Department has planned a community Christmas concert in conjunction with the community's churches. The theme will be "The First Christmas."

Rev. J. D. Thomason will present the opening prayer and scripture

reading.

The concert will feature the 75-voice choir singing some outstanding selections from Handel's Messiah, such as "Hallelujah Chorus", "For Unto Us A Child Is Born" and "The Glory of the Lord, and others. Marina Stephen will be the featured soloist singing "He Shall Feed His Flock." Smaller singing groups will be featured with the well-known Christmas carols.

The concert will be held in the Akron school gym Thursday night, Dec. 18, at 7:30 p.m.

Silver 60's

AKRON, INDIANA 46910

Volume 79, No. 52

INDIANA STATE LIBRARY Comp.
140 No. Senate Ave.
Indianapolis, 4, Ind. 46204

Local Student Selected For Special Studies in Washington, D. C.

Martha Jane Ettinger, a senior at Mentone High School, will join over 350 other high school seniors from across the country to participate in the 5th session of a Presidential Classroom for Young Americans.

Rager Assumes New Position

Eldon Rager, a former Akron resident, has been hired as a full-time pharmacist at Corner Drugs, formerly Denton Drug Store, in Mentone and will assume his new duties January 5. Rager, the son of Mr. and Mrs. Verl Rager, R. 1, Akron, is a graduate of Akron High School and Purdue University. He and his wife, the former Jeannine Foor of near Athens, have been living in Warsaw where he had been employed.

Presidential Classroom, which held its first programs last year, is designed to give bright high school seniors the opportunity to see first-hand the operation of their government. The program this year consists of five one-week sessions, the first of which will begin Feb. 14, 1970.

Arriving in Washington on Saturday, participants begin at once preparing for the full week ahead. The Syllabus includes academic instruction in the three branches of Federal Government, seminars and talks with Congressmen, city officials, government department heads, ambassadors and national news media representatives. An afternoon will be devoted to visiting such national landmarks as Mount Vernon, Arlington National Cemetery and other historic sites.

Miss Ettinger will leave for the nation's capital on March 14 and will stay at the Washington Hilton, which is the headquarters for Presidential Classroom. The week's study will conclude Friday with a review and examination of the work covered during the session and a graduation banquet, complete with yearbook and diploma, will be held that evening.

Miss Ettinger is the daughter of Mr. and Mrs. William Ettinger and lives in Mentone.

Crowded rooms discussed by board

The old question, "Do we need more facilities and what kind?" that has held the interests of the Tippecanoe Valley school board for some time again was asked in detail at Monday night's board meeting. No solution was reached although reports of tours taken by board members Richard Goshert and Dr. Donald VanGilder were heard and the board also studied one-school plans that had been prepared by the school superintendent.

Goshert read a comprehensive report of his two hour tour of the Akron high school in which he noted the crowded conditions now present and also noted that an additional 39 students are expected at the school next year. He noted there was no room for coats and that even were new lockers to be purchased, there would be no space for them. He noted, too, the lack

of shop, gym and study hall facilities as well as the need for better planning in home ec and science facilities. He said the narrow halls were crowded and dangerous between classes. He said many of the rooms were so crowded that aisles were non-existent.

He noted that he had been told our finished products was good at the school and said that it should be in that there was a good raw product to begin with. He said, "I can't help thinking we could do better if we just had some facilities to work with," in quoting Akron principal Lyle Edenburn.

Dr. Van Gilder said Goshert's report was "partly true but grossly exaggerated."

He said that in touring the school he had noticed an orderly transfer of classes and that though the rooms were

crowded, an administrative shift could probably alleviate this condition.

In group discussion, each of the board members in turn agreed that there was a need for new facilities, but each differed on what was needed.

Board member David Burkett questioned the other members about the period of time to which they were obligated to honor the results of the referendum and no one had a clear answer.

Other business to come before the board included issuing contracts to Sharon Mills and Diane Azpell as new teachers, a report on the Beaver Dam school and the passing of a resolution giving Percy Cook until March 1 to have the building leveled and buried, and the opening of bus bids. No contracts for busses were let, and the board will study the bids before issuing any contracts. Bidders included Bahney Chevrolet, Akron; Kerlin Motors, Silver Lake; W & W Truck Sales, Warsaw; Leonard Supply Co., Imperial Equipment Co.

The board also voted to retain its membership in the Schools Boards Association.

Mentone Enters Holiday Tournament

The Mentone Bulldogs will play in a holiday tournament at NorthWood High School, Nappanee, on December 26 and 27. Other schools participating are Triton, Concord, and NorthWood.

The doors will open at 6:15 p.m. each evening. Games are scheduled at 7 and 8:30 p.m. Mentone will meet NorthWood in the first game and Triton and Concord will play in the second game. The first

game on December 27 will be a consolation game. The championship will be played at 8:30 p.m.

In B-team action, Concord will meet Triton and Mentone will play NorthWood.

Tickets will be sold at Mentone High School and at Rick's Barber Shop from December 20 to December 26. Season tickets are \$2.50 and single admission is \$1.50.

Santa Claus Coming To Mentone

Santa Claus is coming to town, Mentone that is, Saturday, December 20. He will be in his headquarters beside the Frank Mfg. Co. from 2 to 4 in the afternoon and from 6 to 8 in the evening. He will have

treats for the children and plans to hear requests from children of all ages.

Santa's visit is sponsored by the Mentone Lions Club.

Recovering From Wounds

LeRoy Shotts, son of Mr. and Mrs. Albert Shotts, R. 5, Rochester, and a sophomore at Mentone High School, has returned to his home after undergoing surgery at Osteopathic Hospital in South Bend. He is recuperating from injuries sustained when a shot gun shell exploded in his face after he shot it with an air rifle.

Akron Foundry Is Robbed

Thieves broke into the Akron Foundry sometime between 7 p.m. Saturday and 7 a.m. Sunday by way of the big doors in the front of the building. They made their way around the office and broke into it where they stole between \$5 and \$7 after prying the door off the Coke machine. The theft is under investigation.

State Police "Task Force" is launched

The Indiana State Police have recently activated special "Task Force" patrols designed to help combat the rising traffic death toll and increased criminal activity.

Alcohol is involved in a large percentage of all Indiana traffic collisions. The prime objective of the "Task Force" patrol is the apprehension of the "Drinking Driver". Although the Troopers are concentrating mainly on the driver who has been drinking, they are also taking enforcement action in all other matters as well.

Each segment of the "Task Force" is composed of at least five Troopers and one Sergeant. These officers concentrate their efforts in one specific area that has been pre-selected by the Commanding Officer.

The Troopers assigned to the special patrols move into the assigned areas at 10 p.m. and

the patrol continues through the early morning hours.

The "Task Force" Troopers utilize plain cars, VASCAR, electric timers, radar, and chemical test equipment to assist them in their efforts. Recent "Task Force" operations have been very successful.

The locations for the special patrols in this area are selected by First Sergeant Dale Douglass, Commander of the Indiana State Police Post at Peru. The date, time, and location of the "Task Force" is not announced until just prior to the start of the operation.

In making decisions reference the use of the special "Task Force" First Sergeant Douglass must take into consideration population, amount of traffic, road and weather conditions, day of the week, accident rates, and many other factors in attempting to place the patrols in the area of

greatest need.

All areas that are patrolled by the Indiana State Police will be visited by the special "Task Force" in the near future.

The Indiana State Police are pleased to announce this new operation, which is one step further in providing better "Service" and "Law Enforcement" to the citizens of Indiana.

As a further reminder, "If you drink, don't drive". "If you drive, don't drink". If you ignore this suggestion, and "IF" your luck is good, you might find yourself having morning coffee at the County Jail...courtesy of a "Task Force Trooper".

An Early deadline for news and advertising is in effect for the next two weeks due to the fact that Christmas and New Year's Day both fall on Thursday. All news and advertising should be received at either office by 5 p.m. Monday.

To The Editor

Dear Editor:

As we see it—
Last summer I wrote an article regarding the many beautiful flowers in the yards of our little community. It is said time changes everything. We know the seasons change. Now winter is here and Christmas time is here.

In this community the several very pretty and will decorated lawns and houses meaningful to the Christmas time.

In our eleven years in Mentone, I am sure the Dentons have always had their fine decorations. It is cheering to pass by and see these pretty decorations.

Respectfully,
W. E. Fowler

Mother's Prayer

Lonesome and weary, when
the day is done
A Mother thinks of her

far away son.
She thinks and remembers
the days long gone past
And she silently whispers,
oh, why couldn't
they last?

But he had to grow up,
and she knew that one
day
That she couldn't hold
him and he'd go on his
way.

To far away places, that
he'd never seen
To leave for awhile, all
his plans and his dreams.

The school days were over,
the prom night was
through,
Uncle Sam called and
said, boy, I need you.
Now she is lonely, the
tears start to flow
Her heavy heart's crying,
son, I miss you
so.

Somewhere he is lonely
far over the foam
And he longs and he
prays, for the day he'll
go home.

Dear God, watch o'r him,

Some families make rare occasions out of trimming the Christmas tree. If they don't have a party, they at least join in singing carols and enjoy hot chocolate together. Not our family. Not only can't we sing, but if we haven't killed each other by the time we're done we're ready to put arsenic in the hot chocolate. The togetherness of putting up a tree leaves our nerves ragged and frayed and our tempers belie

I place him in your trust,
And please in your mercy,
send him back to us.

ODDS and ENDS

by Ann Sheetz

the true spirit of Christmas.

The trouble is, we're all individuals. Loren is a perfectionist. Every light has to be properly spaced, no two ornaments of the same size or color can hang near each other. Each decoration must be in perfect condition. Todd is a sentimentalist. Nothing should be thrown away and nothing should be changed. If we did it when he was two, we should do it yet. Doug is a saver. Nothing is ever thrown away. Junk comes out of the trash barrel faster than it goes in. All of this conflicts with mother who is basically a loner, likes to work by herself and likes to get lost in thought while working. This attitude does not relate well with a gregarious family who not only likes fighting together but who talks loudly while doing it.

We solved the whole thing quite well this year. I threw them all out. Lock, stock and boots, they were all lined up and marched out the door while I tackled the business of the tree alone.

Why does Loren have to have everything just so, I growled as I carefully laid out boxes of ornaments and took them one at a time around the tree so they would be spaced properly and readjusted the lights I had previously sorted and straightened and untangled.

Why does Doug save everything? I moaned as I dusted some beautiful ornaments I'd rescued from the trash. Why would anyone throw away a perfectly good decoration that is only dirty?

Why is Todd so sentimental? I asked as I put in place the delicate snowflakes cut from paper that a pen pal sent Loren years ago and carefully hung the decorated egg she sent another time. Take care with the glass church, I thought, remembering the day I had gone shopping in Karlsruhe, Germany for all the gay ornaments we cherished, the church most of all. Remember the street car ride, I thought, as I sorted through the cuckoo clocks, horns, bells and little toadstools.

Why can't he ever let us change anything, I growled as I scooted around the floor hanging the styrofoam decorations we've always used on the bottom.

What's so sentimental about Christmas trees, I asked, remembering an uncle who had loved the one really big tree we have ever had so much he looked at it many times, saying, "That's the prettiest tree I ever saw." It was his

last Christmas with us. Remembering another Christmas so sad we added no new decorations, I added this year's new ones, little doves, and wondered if I would look at them years from now and remember this was the year that a dove symbolized something we doubted as much as a hawk did.

Three hours sped by so rapidly I barely realized the thousands of trips up and down the ladder as the decorations fell in place. The aloneness was wonderful. I felt renewed completely and the tree was beautiful when the men in my life came in to report they had cleaned out the barn to perfection. Todd had driven the tractor, a first he swore he'd remember all his life. Doug, who had already sorted the trash barrel in the chicken house, picked through the broken decorations I'd discarded, and agreed the tree looked wonderful.

All in all, it is a wonderful tree and it will be enjoyed much more knowing that we didn't fight while we put it up. We each got to do something our own way and in doing it we came to a better understanding of each other than enforced togetherness would ever have allowed.

Collectively, however, we would all like to join in wishing your families a wonderful, happy Christmas--and may all your fights be little ones.

In recent weeks we have received letters from area servicemen now in Vietnam. They have been very interesting and have pointed out the need for the backing of the "Silent Majority."

As members of the local "Silent Majority", we urge that majority to become a little more vocal on something as important as the unity

Moon Versus Poor

The never-ending fight of various groups for a larger share of the pie of federal spending reached the ultimate inanity with the charge that, "The U.S. spent \$24 billion to go to the moon, but Nixon wants to spend only \$4 billion to help the poor." The facts of the "moon versus the poor" controversy, as contained in a late issue of U. S. News & World Report, paint a different picture of tax dollar distribution. The U. S. is currently spending \$19 billion a year in direct aid to the poor from federal, state and local governments. This does not include spending for other services shared by people at all income levels. Nor does it include private charity. By

of our "United States."

A letter sponsored by Ball State University students with more than 4,000 signatures was sent to President Nixon recently, backing his "Silent Majority" speech. The letter, part of Project Faith organized by students, said in part, "While we recognize the right of dis-

sent, we also recognize the need for our nation to have in time of crisis one national voice."

We salute the students who found the courage to take this stand, and we urge others who feel the same to join in their own Project Faith and write to President Nixon on their own.

contrast, the \$24 billion spent to reach the moon was expended over a period of 10 years--\$2.4 billion per year. If the new welfare program as proposed by the Nixon Administration becomes law, total governmental spending for the poor in the United States will increase to \$23 billion a year.

Aside from the financial arithmetic of moon flights versus government spending for the poor, U. S. space exploration represents the progress of a nation still growing, in stature and vitality. All of us, including the poor, are benefactors of this growth. Instead of kicking, we should be proud. We have to progress to take care of the poor.

The Christmas spirit

Theologians and historians may have many interpretations of Christmas. But, in our own country, as in other lands, no matter how it is observed, the power of Christmas makes itself felt in every home. Even the most cynical must bow before the moving experience of Christmas. Perhaps this is the best evidence of the authenticity of the events of nearly 2000 years ago that introduced reverence and humility in the life of man.

Christianity has given man a conscience, a sense of right and wrong and a determination to appear worthy in the eyes of his creator. The tenets of Christianity

are the basis of modern civilization. Much of the confusion, much of the strife and intellectual decay we see around us today but reflect a denial of the ancient truths that have guided Christian behavior for some twenty centuries.

As we approach another Christmas season, we should try to analyze the thing we call the Christmas spirit. It is far more than good cheer, happy Christmas cards and presents under the Christmas tree. Christmas is a time of renewal, as well as rejoicing. It is the most important moment of the year.

60 YEARS AGO

We appeal to our people to support the incorporation proposition at the polls December 29. It doesn't sound good to say "no" in this matter and claim to be a booster, and it looks worse to shake the head negatively. It is not the voice of a booster spirit to vote "no." Indeed, it is not. It is a fair and sensible proposition. This cannot be successfully denied by anyone, and the wiser we are the more foolish it looks for men to vote nay.

Is there anyone against the railroad maintaining an electric light near the depot? They won't do it until they are made to do it, because their attorney, Mr. Morgan, told us so personally. Don't you think they should be made to support one light at least down there for the good name of the town?

Messrs. John W. Clifton and Dr. W. E. Hosman got together on the side this week one day and consummated the big real estate deal they have had pending for some time. Dr. Hosman gets the old Kingry quarter section farm of Mr. Clifton and Mr. Clifton gets Dr. Hosman's elegant cottage home here in town, a small rental property and an 84 acre farm, west of town a mile. Both men are pleased over the trade, both have made money in the deal and possession goes about March 1st, when John Clifton and family will land in Akron as a citizen and Dr. Hosman will turn granger. However, it tells us not; that he saved his pill boxes in the deal and will build a new residence in Akron sometime during the next year.

Santa is using flying machines. His deers are out of date this year.

Some of the opposition at least would be surprised if they could see their real motives for opposing the incorporation reflected in a mirror.

WALNUT TREE IS SIMPLE TO MAKE

Here's a holiday decoration which required only simple items, a little imagination and perhaps a steady hand. Maybe the children would enjoy helping with this one.

Use 12 by 18 styrofoam base; cover with olive green velvet, cover over with net. Split English walnut shells, paint white. Glue small trinkets and ornaments inside. Glue shells with nine across bottom and work up to a point. Glue tiny artificial greens around outside of walnuts.

Atwood Robber Is Sentenced

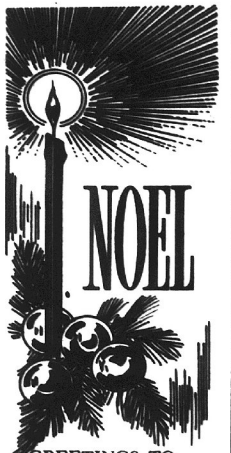

George Edward Blue, 40, Boonville, a twice-convicted bank robber, was sentenced Thursday to a 20-year term in a federal penitentiary in connection with the robbery of the Atwood bank last November 26.

Blue was ordered to serve the sentence concurrently with a 15-yr. prison term to which he was sentenced July 24 in connection with an Evansville bank robbery.

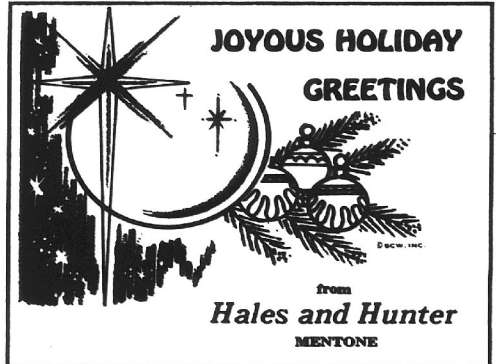

Blue had been found guilty last month of forcing Larry Hoffer, cashier of the Atwood bank, to surrender \$4,037 to two masked holdup men who used one of Hoffer's sons as a hostage.

it happens every year. The holidays end. Gifts are given workaday spots on kitchen counters, closet rods and toy shelves. Children go back to school. Eyes tire of Christmas decorations.

if, as the cliché goes, Christmas belongs to the children, the post-holiday spell belongs to the homemaker. It is she who most relishes the quiet after the turmoil and it is she who brings the household back to reality!

as you put decorations away, prepare for next year's holiday gleam. Make a note of what needs replacing (a string of lights?). Consider what you'd like to add next year. Decorations are bargains after Christmas.

careful clean-up of Christmas lights is the basis of a pleasant tree-trimming party in 1970. Unscrew bulbs, wash, rinse, set on towel to dry. Wipe cord clean. Replace bulbs when dry. Wind strings of lights around large rollers (one way to use tubes from gift wrap). Wind loosely — tautness breaks fine wires and insulation.

hate to throw away pretty gift paper? Sort out usable pieces after the 25th. Use your electric iron to press it smooth just as you press a paper pattern before using it.

as you go through the gift wrap, collect the use-care booklets from new electric appliances. Reread in the post holiday calm and file.

Fine Arts Club Meets

The Silver Lake Fine Arts Club held its Christmas party at the new home of Mrs. Hiram Parker.

Following a short business meeting, Mrs. Don Bouse gave the lesson on doll houses of the world and an article about Christmas foods on an Iowa farm of 50 years ago.

Delicious refreshments were served at a table decorated with Christmas candles and holly. A gift exchange was held among the following members: Mrs. Don Bouse, Mrs. Emma Rupe, Mrs. Hiram Parker, Mrs. Louise Jontz, Mrs. E. A. Franks, Mrs. C.C. Lions Have Christmas Party

The Silver Lake Lions Club annual Christmas party and ladies night was a smorgasbord dinner Monday evening at the Steer Inn with 57 members and wives present along with 12 guests.

Entertainment was by the Chain of Lakes Barber Shop Choir from the Columbia City area.

Directors of the chorus were Dale Bidding and Rev. Al Whitmore. They sang old time favorites as well as Christmas carols. Their master of ceremonies was Daniel Fife, who delighted the audience with his comic interludes between numbers.

The honored guest of the evening was Pamela Jane Russell, an exchange student from Pine Lakes, So. Africa. In return, the president, Harold Metzger, presented her with a banner from the Silver Lake club to take back to Pine Lakes Lions Club. She will live with the Metzger family for two weeks and with the Alex Miller family for an additional two weeks.

Miss Zile Hosts 4-H Party

Debbie Zile was hostess to the Tatapocheon 4-H girls Christmas party Monday evening at her home.

The girls enjoyed writing a funny letter to Santa and also scramble words. The rest of the evening was spent playing Bingo, ending with Dirty Bingo.

The girls opened their grab bag gifts and refreshments of ice cream, Christmas cup cakes and candy were served. Devotions were given by Mrs. Clifford Fisher.

Present were Vickie Jones, Linda Jontz, Rachel Fisher, Mary Ann Sands, Cheryl Bauer, Christine Schultz, Dixie Felabom, Kim Allen, Pam Howard, Kim Coplen, Mrs. Clifford Fisher and Debbie Zile.

Akron Brethren Church To Have Special Program

The Akron Church of the Brethren choirs will present the Christmas story in candlelight on Sunday at 7:30 p.m.

The program will also include a White Gift presentation and the written gift of specified service and the commitment of self. The white gift service is promoted by the Mission Commission.

The Fellowship Commission is planning refreshments and fellowship following the program in appreciation of the choir and its leaders.

The public is invited to attend and have a part in these services.

Fellowship Meets

The Women's Fellowship of the Church of the Brethren met at Teel's restaurant at Mentone for their December meeting. Eighteen adults and 14 daughters enjoyed the evening meal after which Mrs. Gladys Baldwin, devotional leader, read scripture and told the story, "Mary - Mother of Jesus." Mrs. Rozella Tinkey sang a solo, "Sweet Little Jesus Boy." Mrs. Baldwin dismissed with prayer.

Roll call was answered by each naming their favorite childhood gift. Secret sisters were revealed for the past year followed by a gift exchange.

Christmas Has Many Names...

In Greece Christmas is called "Genethlia," feast of the Nativity.

Noel is the term used for Christmas in France.

An Italian name for Christmas is "Nativita" from which probably derived the Spanish "Navidad."

The German "Heilige Nacht" signifies "holy night."

The likeliest derivation of our own "Christmas" is from the Hebrew "mas" which means tribute.

Farm Census Time Again

Farmers and ranchers throughout the United States will receive 1969 Census of Agriculture forms in the mail during January of 1970 and, for the first time, will be asked to fill them out and mail them back, preferably before February 15. The all-mail system assures greater privacy, economy and efficiency, according to officials of the U. S. Bureau of the Census. The results, released only in statistical form with no clue to the identity of any individual operator, provide the yardstick by which American agricultural advancement is measured each five years.

SWCD Supervisors Have Meeting

The Board of Supervisors of the Kosciusko Co. SWCD held their December meeting at the SCS office in Warsaw. Eleven supervisors and three office personnel were present.

Howard Workman, dele-

gate for the State meeting of Districts at Purdue, gave a thorough report on committee meetings he attended. He told of resolutions that were passed and the problems discussed at the annual meeting.

Dale Byrer gave a report on the Yellow River Watershed meeting he attended at Plymouth with Joe Wilson.

Final plans were made for the Conservation Speech Contest to be held Jan. 27 at 7:30 p. m. in the REMC building.

The annual dinner will be Feb. 3, 1970 at the Shrine Building.

Chairman Metzger announced funds for beginning the Soil Survey will be available in January. A set of slides showing the many advantages gained from a survey are available at the SCS office.

New cooperators accepted were Howard Kimes, Washington Twp., Maurice Scott, Washing-

ton; Donald Fisher, Et-na; and Paul Haist, of Franklin Twp.

Following the meeting, the members and the auxiliary, which had been meeting at the REMC, met for coffee at the SCS office.

The next meeting will be January 6.

Wool Marketing Reminder Made

Wool producers were reminded this week by Clem Good, chairman of the Fulton Agricultural Stabilization and Conservation Committee that the 1969 marketing year under the wool program will end December 31.

Payments for the current marketing year, 1969, are based only on marketings completed during the year. Marketings completed after Dec. 31 will be in the 1970 marketing year and not eligible for payments until early 1971.

Legends Honor St. Nicholas

He's the patron saint of pawnbrokers. He watches over mariners. Since the fourth century, he has been remembered for his generosity.

Many of the legends linked with St. Nicholas, real-life ancestor of today's Santa Claus.

But his most enduring connection is with youth and gifts. In Europe, his feast day, December 6th, has traditionally been an occasion for merriment and gifting.

I HEARD THE BELLS ON CHRISTMAS...

*I heard the bells on Christmas Day
Their old, familiar carols play,
and wild and sweet
The words repeat
Of peace on earth, good will to men!*
*I thought how, as the day had come
The belfries of all Christendom
Had rolled along
The unbroken song
Of peace on earth, good will to men!*
*And in despair I bowed my head:
"There is no peace on earth," I said,
"For hate is strong
And mocks the song
Of peace on earth, good will to men."
Then pealed the bells more loud and deep:
"God is not dead; nor doth He sleep!
The wrong shall fail
The right prevail,
With peace on earth, good will to men!"*

**MOST FAMOUS CHRISTMAS
CRIB IN BASILICA, ROME**

What is said to be "the most famous Christmas Crib in the world" is on view in the Basilica of Saints Cosmas and Damian, near the Coliseum in Rome. This *presepe*, truly a work of art and the only one of its kind, was created in Naples over 200 years ago. A certain S. Cataldo-Perricelli and his wife, who had inherited the Crib from ancestors, presented the scene to the Third Order Regular of St. Francis.

This unique display is 45 feet long, 21 feet wide, and 27 feet high, and contains hundreds of wooden, hand-carved figurines. They are the work of several artists of the 17th century, and portray various phases of Neapolitan life of that period.

The blue sky is alight with stars, the moon, a comet, and several angels hover. One is waking a shepherd who has fallen asleep near his flock. In the background are hills, valleys, the river Jordan, and lighted villages. On the balcony of his palace is Herod, pointing out to the Magi the

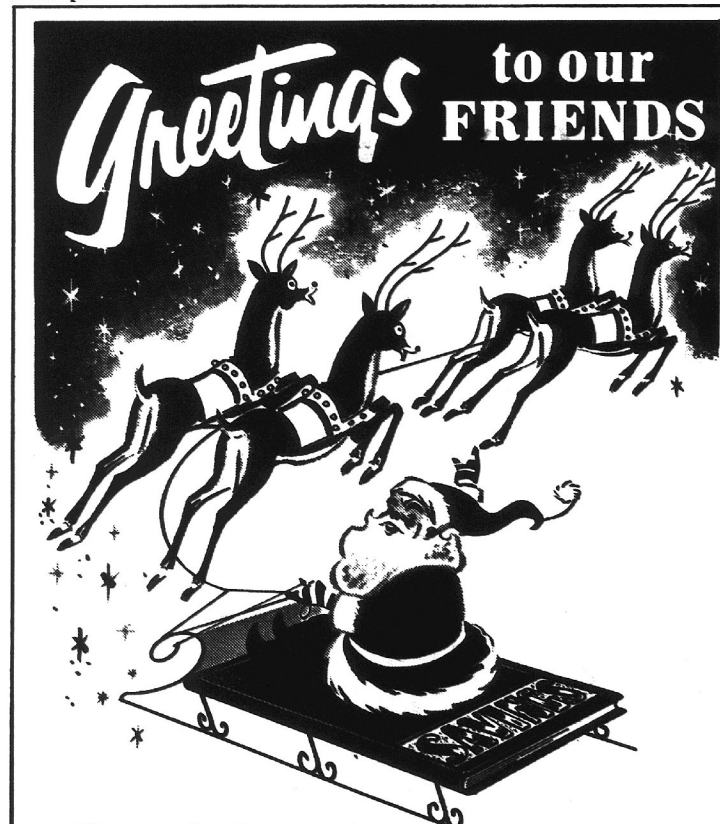

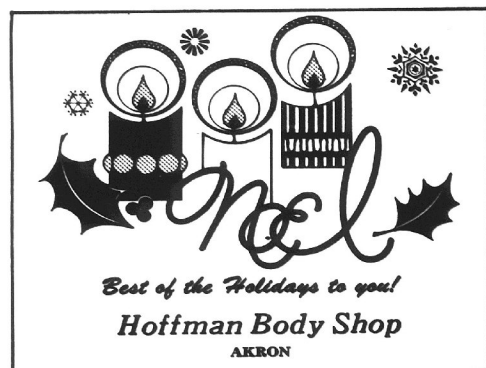

way to the manger in Bethlehem.

The most important part of the Crib is, naturally, the Holy Family. The Magi are dressed in colorful Oriental garments, and kneel before the holy Infant, offering Him rich gifts.

The book cost \$55.44 and joins other equally expensive books at the school that have been given by the Lions Club.

Dielman To Receive Corn Award

Donald Dielman, R. 2, Macy, has been named to receive a special award for his excellence in corn growing.

Announced by LeRoy Sauder, representing the producers of Funk's G-Hybrids, the award is in recognition of Mr. Dielman's production of 137.72 bushel corn yield. This high yield is being officially recorded in the nationwide record books of Project 200, a high-yield corn growing project aimed at increasing corn yields and per-acre profits. Corn

growers throughout the U.S. and Canada are participating.

Mr. Dielman's high yield was made with Funk's G-4444. He planted the field on May 16 in 38" rows. Population at harvest was 22,000 plants to the acre.

He broadcast 240 lbs. of nitrogen, 120 lbs. of phosphate and 240 lbs. of potash to the acre in the winter of 1968. An insecticide and herbicide were used for insect and weed control.

Mr. Dielman raises 108 acres of corn. At harvest the grain had reached 23.6% moisture.

It's Christmas Time At Greenfield Village

The potter, the baker, the candlestick maker — plus the pewterer and several other working craftsmen — will make "The Crafts at Christmas" in Henry Ford Museum a fascinating exhibit for visitors this season. The potter and pewterer are pictured here in the Village, too. The starkly beautiful Martha-Mary Chapel and the sparkly-beautiful Christmas tree dominate the Village Green. Eleven homes and buildings are specially decorated this year, and others opened to go in or look in. Sleigh or carriage rides, depending on snowfall, take visitors back to the Village gate house after a refreshment stop at historic Clinton Inn. Located in Dearborn, Michigan, Greenfield Village and Henry Ford Museum are a non-profit educational institution.

NELLANS-GATES VOWS ARE SAID: Miss Bonita J. Nellans recently became the bride of Larry L. Gates in a double-ring ceremony performed at the Walnut Creek United Methodist Church in Warsaw. Rev. Kenneth Overmeyer officiated before an altar banked with palms and candelabra. Carolyn Gugelman provided traditional wedding music. Parents of the couple are Mr. and Mrs. Byron Nellans, Mentone, and Mr. and Mrs. Harold Gates, R. 5, Warsaw. The maid of honor was Miss Nancy Smelser, Mentone, and Miss Brenda Brownridge of Sturgis, Mich. was the bridesmaid. Ronald Gates, R. 5, Warsaw, was his brother's best man. Other gentlemen attendants were Duane Gates, brother of the bridegroom, and Brant Nellans, brother of the bride, and Michael Tucker, Warsaw, ushers. A reception for approximately 100 guests was held at the home of the bride's grandmother, Mrs. Dove McClone. The couple has returned from a wedding trip to Cedar Rapids, Iowa. Both are graduates of Mentone High School.

MAGIC AT CHRISTMAS

Medieval people considered bells almost living beings. They were dedicated before being hung and the dedication was almost like a baptism. During the ceremony prayers were offered that the sound of the bell might summon the faithful, stimulate devotion, drive away storms and banish evil spirits. One document of days long ago comments: "in those dark chambers, high above the turmoil and strife of human life, dwelt the apostles of peace, whose salutations were never so welcome as at the time of the great Winter feasts of Christmas."

The novelist Victor Hugo calls the ringing of the bells "the opera of the Steeples."

Bells come in all shapes and sizes. Their moods span the ages... from the rattle of the African chieftain to the sweet-toned church bells.

Bells were originated according to legend by Bishop Paulinus, in Nola, in Campania, in the fifth century.

From his town and district are derived the name Campanula, the Latin for bell.

Amish Acres now open in Nappanee

Amish Acres, the 80-acre farm one mile west of Nappanee on U.S. 6, which has been under restoration since early summer, is now open every day, except Sunday, from 9 a.m. til 5 p.m. Visitors are being invited to Amish Acres for a guided tour of the main house, out-buildings, and huge bank barn. Since it was homesteaded, the land has been farmed by families of the old order Amish faith, whose picturesque dress, folk customs, mode of living and religious beliefs make them the source of historical and social interest.

Amish Acres is a story of man's epic struggle with the land, the self sufficiency of the homestead pioneer, and the historical intrigue of the Amish who quest for peace has brought them far from their European homes.

Visitors are treated to an education tour of the main house gracefully refurbished in authentic pieces nearly duplicating the house at the time it was built. From the wood burning Round Oak and the master's rope bed to the medicine cabinet in the wall and the oiled floors, a visitor is returned to the early years of farm life at Amish Acres. There is no electricity, water is pumped by the wind, only horses and buggies are kept in the barn, and the people speak another language.

The farm's first buildings were constructed by Christian Stahly and his son Moses in 1874. Christian and his three brothers were the first Amish settlers in Nappanee. Lived in by Amish families with close ties till the present, the buildings have remained virtually unchanged since their construction. Through careful preservation and detailed restoration, the buildings today depict the way of life of that time.

Throughout the year, on appropriate days, the family operating the farm will be baking bread, cookies, cakes and pies, in the outdoor brick bake oven which has recently been made operative by completed restoration. Apples are being dried into snitz in the small drying house which has also been restored to working

condition.

Very shortly the adjacent smoke house will be filled with a variety of meats smoking above a smoldering hickory bark fire.

Visitors to Amish Acres are also being treated to a cup of hot spiced cider, kept warm atop the wood burning antique kitchen range, while they sit and chat with their guide.

A small gift room has been added to Amish Acres where locally hand made quilts, food stuff, and educational books about the Amish are available to visitors.

Rail splitting for the Stake and Rider fence is taking place on the farm periodically and visitors on working days may view the age old skill being practiced there.

Admission is \$1.50 for adults, \$1.00 for students under 18, and 50¢ for children under 12, youngsters under six are admitted free.

All visitors to Amish Acres receive a season's pass for 1970; therefore, one may return throughout the year during special events or with friends and guests without further admission.

School groups, ladies clubs, church groups and parties are being scheduled for group tours. Interested parties are to contact Richard Pletcher, Director, 252 West Market St., Nappanee, or by calling 219-773-3161.

Visitors will find a dinner bell mounted at the entrance on the split rail fence which is to be rung to notify the host visitors are present.

Holly, Traditional To Christmas

Holly has long been considered the most sacred of Christmas greens; and the red berries are said to represent the blood of Jesus.

"Of all the trees that are in the wood, only the holly bears the crown!"

A display of holly was long a sign of Christian worship.

Folklore has it that holly in the window will keep evil spirits away from the house, and holly at a maiden's bedside, on Christmas Eve, will protect her from goblins!

Staggered automotive licensing procedures are listed

Gerald W. Habig, Commissioner of Motor Vehicles, explained new staggered automobile licensing procedure to be used for the first time during the 1970 licensing year, before the Kiwanis Club at Greencastle this week.

All automobiles displaying 1969 Indiana license plates will be registered during 1970 under the following procedure:

Automobiles owned by individuals will be licensed according to the first letter of the last name of the owner, under the following alphabetical schedule:

Where owners last name begins with A thru C, must be licensed by the end of February:

Where owners last name begins with D thru H, must be licensed by the end of March:

Where the owners last name begins with I thru N, must be licensed by the end of April:

Where the owners last name begins with O thru S, must be licensed by the end of May:

Where the owners last name begins with T thru Z, must be licensed by the end of June.

When the Auto License Branch issues a 1970 automobile license plate, the Branch will affix an expiration sticker denoting the proper month, when the 1970 plate will expire in 1971.

All vehicles, except automobiles, must be licensed by the last day of February. The license plates issued to trucks, trailers, etc., will have no expiration sticker placed thereon, and will expire on the last day of February, 1971.

Habig stated that the Bureau of Motor Vehicles recommends that persons desiring to pre-register their vehicles may do so now by contacting their proper License Branch. Plates issued now, will be mailed to the owners the first few days of January, but will still display the proper month expiration sticker, according to the last name of the owner, Habig pointed out.

Persons whose first letter of their last name is at the lower end of the alphabet may still renew their license plates now, for issuance in January, as Habig advised that the law only provides that the owners of automobiles must have their licenses no later than the last day of the month in which their name would

be due.

Because of the large number of registrations which would have been printed and mailed with wrong information on such forms, Commissioner Habig told the group that no renewal forms

would be mailed from the Bureau of Motor Vehicles for 1970 registrations. Blank forms have been furnished to each Auto License Branch, and this will permit the Branches to type the correct vehicle information on the 1970 forms, which will permit the Bureau to make necessary corrections in its computer tapes, Habig emphasized.

During previous years, Bureau records indicated that about 50% of the pre-printed forms were not presented to the Branches, because the forms were lost, misplaced or forgotten, and Habig stated that figures also listed about one-third (33%) of the forms presented contained incorrect information, with many of the errors being carried from year to year on Bureau records.

Applicants for license plate renewals can present their 1969 registration form to the local License Branch, or may photocopy their form and mail same to the Branch with the required license fee, service fee, and mailing charge. The Branches may also accept typed or printed 1969 registration form

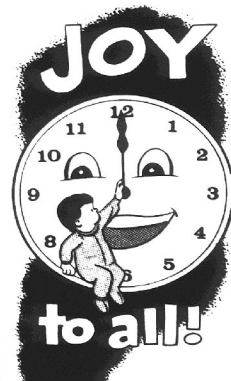

information, containing all the data indicated on the 1969 form Habig advised, when applicants are applying for renewal by mail.

Habig also pointed out the new Driver's License expiration procedure, effective January 1, 1970, under a 1969 law passed by the Legislature.

Persons whose birthdate falls between the first day and the fifteenth day of each month inclusive, will receive a two year license and those persons whose birthdate is the sixteenth through the end of the month, will receive a four year Drivers License.

Merry Christmas
Garrett H. and Mrs. Phillips and family and the Methodist Church at Mentone and Talma bring Christmas and New Year's greetings to each of you. It is wonderful to live in America and in the Mentone and Talma area. Best of everything to you all, God bless you.
Watch for the live Nativity scene on the church yard.
Christmas Eve there will be Holy Communion at the Mentone church at 11 p.m. Everyone is invited.
Due to redoing the inside of the Mentone church, the Sunday night program has been cancelled.
Christmas Eve Holy Communion Services will be held at the Talma church at 7:30 p.m. Everyone is welcome.
There will be a Christmas program at Talma at 10:30 a.m. Sunday, December 21.
Watch Night Service at Talma Methodist Church 9:30 to 12 midnight New Year's Eve. Singing and refreshments, visiting, prayers. Sid Alber, Larry Stavedahl and Gene Sarber are in charge of arrangements.
May we all be thankful for God's wonderful love.

Agricultural Sales Tax Exemptions Must Be Renewed in 1970

The Indiana Department of Revenue has announced that all agricultural exemptions for the Indiana Sales Tax will have to be renewed in 1970, according to Don Frantz, area extension agent.

Agricultural exemptions may be used only if the purchaser is occupationally engaged in the business of producing food products for human or livestock consumption. Items going into production of home food or for pleasure or hobby farms are not exempt from the tax.

The new certificates, Form ST-106, have been sent to farm suppliers and they will assist their customers. It is the responsibility of farmers, however, to make sure the proper forms are submitted if they expect to claim the exemption. A few copies are available at the County Extension Office.

Such items as livestock feed, fertilizer, seed, tractor fuel and livestock equipment are exempt items. Such things as capital investments for fencing, buildings, paint, tiling and

others not going into direct production of food are not.

Accident Report

Larry Fore, 18, R. 1, Mentone, suffered lacerations of the head, knee and face Saturday evening when his car hit a fence on the Joe Kintzel farm, R. 1, Mentone. He told officers that a tire blew out on his car causing it to skid out of control. Damage to the car was listed at \$200 and to the fence at \$25.

DEATHS

Mishler

Funeral services for Royce Mishler, 64, Akron, were conducted Sunday at the Sheetz funeral home in Akron with Rev. David Widmoyer, assisted by Rev. Claude Fawns, officiating. Burial was in the Akron cemetery.

etery.

Mr. Mishler, a retired pharmacist, and his wife had been spending the winter in St. Petersburg, Fla. where death occurred following a sudden coronary attack.

The son of Menno and Neota Most Mishler, he was born Nov. 5, 1905 at Nappanee. He married Isabelle Widmoyer at Nappanee on Feb. 14, 1929. He was a member of the Akron Brethren Church, the Akron Masonic Lodge, Elks Lodge of Rochester and Pinellas Co. Pharmaceutical Society.

Surviving are his widow; a son, Dr. Joe B. Mishler, Pierceton; three grandchildren, and a sister, Mrs. Lelie (Lovita) Rice, Nappanee. A brother preceded in death.

Teel

Born September 9, 1879, Nora Ethel became the first child of the union of John Riley Nelson and Osa Emma Shaw. To this union later were added A. Irvin, Willis E., Hazel F. and L. Virgil, all of whom are deceased.

She was united in marriage with Clement L. Teel on Dec. 9, 1897. To this union was born one child, Oliver C. Other direct survivors are a granddaughter, Judith Diane (Judy) Coons of Columbus, Ind. and a grandson, Jay Alan, at home.

Upon the death of her sister Hazel, Clem and Nora became foster parents to Emma Alice Girtten, now at West Palm Beach, Florida and Nora Elizabeth (Betty) Clemans of Rochester. Also later to Adrian L. Doran of Lebanon, Ind. and John H. Doran of Bloomington, Ind.

Nora became deceased Dec. 11, 1969, aged 90 years, 3 months and 2 days. Due to unfortunate circumstances she had been a patient at Murphy Medical Center and Prairie View Rest Home since Dec. 8, 1965.

Early in life she became a member of the Church of Christ at Sycamore and when in 1909 the Church of Christ was established at Mentone she transferred her membership there. She remained a member of the Church of Christ throughout her lifetime.

Interment was in the Sycamore Cemetery south west of Mentone on Saturday, December 13, 1969, with T. R. Jones, minister of the Mentone Church of Christ officiating.

The King Memorial Home was in charge of arrangements.

Morris

Mrs. Dick (Susie) Morris, 63, R. 5, Rochester, died Thursday at her home after being in failing health one year.

The daughter of Schuyler and Emma Smoker Davis, she was born Nov. 3, 1906 at Akron and had lived in Fulton county most of her life. Her marriage to Dick Morris was July 31, 1925. She was a member of the Pleasant Valley Club.

In addition to her husband, she is survived by three daughters, Mrs. Herbert Baker, Bourbon, Mrs. Bethel Olinger and Mrs. George Halterman, both of R. 1, Rochester; two sons, Clifford and Joe Morris, both of Rochester; a stepbrother and a stepsister, Otis Burkett, Rochester, and Mrs. Earl Ridout, Indianapolis, and 13 grandchildren. A brother preceded her in death.

Funeral services were conducted Saturday afternoon in Rochester with Rev. Junior Bose officiating. Burial was at Rochester.

FOR PETS

Pets like receiving gifts, too. Toys, grooming aids, a bed, food, and even doggy and kitty clothing are just some of the possibilities.

Mikesell

Mrs. Calvin W. (Naomi J.) Mikesell, 43, R. 5, Rochester, died Sunday morning at Woodlawn hospital where she had been a patient for one month.

The daughter of James and Josephine Mikesell Height, she was born June 22, 1926 in Miami county and had resided in the Rochester area 30 years. On Aug. 26, 1944 she was married to Calvin Mikesell, who survives.

She served on the board of directors of the Fulton Co. Retarded Children's Association for several years and was a member of the Talma United Methodist Church and the Tippecanoe Home Economics Club.

Surviving with her husband are a daughter, Lisa, at home; four sons, Kim and Ted, both at home, Wade, R. 5, Rochester, and Dennis, West Lafayette. Two sisters preceded her in death.

Funeral services were held Tuesday afternoon in Rochester with Rev. Garrett Phillips officiating. Burial was also at Rochester.

Hyde

Mrs. Barbara Hyde, of Warsaw, granddaughter of Mrs. William Schooley, Mentone, was killed in Warsaw last week, and funeral services for her were conducted Friday afternoon in Warsaw. Burial was at the Harrison Center cemetery.

The daughter of George and Mildred Schooley Grubbs, she was born at Etna Green on Nov. 23, 1935. She married Richard Hyde in 1954. They were recently divorced.

Surviving are four children, Robin, Bob, Molly Jo and Roger Hyde, all of Warsaw; her father, George I. Grubbs, Warsaw; her mother, Mrs. Frederick Neer, Kendallville; three brothers, Norman and Donald Grubbs of Warsaw and Ronald of Lafayette; two sisters, Miss Mary Grubbs, Warsaw, and Mrs. Charles (Bonnie) Lingofelter, Nappanee. A brother preceded her in death.

"A Little Inflation"

Many think the farmer is waxing rich at the expense of hard-pressed city folk. In defense of the farmer, the Agribusiness Council of Oregon has attempted to set the record straight. Using Oregon's 7,500 wheat farmers as an illustration, it states that in 1949, the average price of a pound loaf of bread was 13.5 cents. The farmer received 3.3 cents. Twenty years later, the price of the loaf of bread had nearly doubled—but the farmer still receives 3.3 cents for the ingredients he produced for that same loaf of bread.

Tools Make Useful Gifts

Lafayette, Ind. Tools make excellent gifts for the man of the house--provided, of course, he enjoys working in his own shop or is a do-it-yourselfer.

A. D. Brown, Purdue University associate professor of agricultural engineering, suggests two popular tool gifts.

One is the sabre saw, a most versatile and

useful tool. Ranging in price from \$15 to \$60, this handy little power saw can be used for crosscutting and ripping. With a circle cutting attachment, it also can be used to saw circles.

Better models have a sawdust blower to keep the line clear. Some have a built-in light to help in accurate sawing. Blades are available with seven to 32 teeth per inch for cutting softwood, hardwood, non-ferrous metal and even steel rods and pipe. For cutting metal, Brown recommends a multi-speed saw.

A one-fourth inch drill also makes a much appreciated gift. Don't worry if the recipient already has one, he says. If a man has need for one drill to a counter-sink or a screwdriving attachment, all delay the busy craftsman.

Price is a good indication of quality, adds Brown. Light duty quarter-inch drills sell for \$9 to \$10 mediums from \$15 to \$20, and heavy duty drills from \$21 to \$30.

There are many other tool-box kits. So, if the man of the house is the type who tackles home repairs or builds for pleasure, you know tools will be a welcome gift. And don't forget, some young men also take great pleasure in receiving tools as gifts.

Fishing is a delusion entirely surrounded by liars in old clothes.

the Medieval ceremony of the 'royal peacock'

An elegant meat dish served in royal houses during Medieval times at Christmas, was the roast peacock. This dish was called "food for lovers and meat for lords."

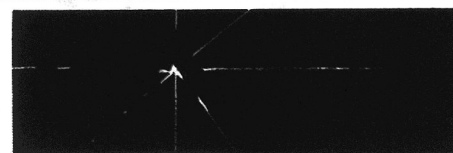

A royal dish it was, too. The cooks carefully removed the skin with all its brilliant plumage. After it had been baked and partly cooked, the feathers were replaced and the tail spread out, just before the bearer entered the hall.

This was never a servant; it was the most distinguished or most charming lady present . . . followed by the

ladies of the court, and accompanied by players of the lute, viol or cithern.

Customs in Denmark, Sweden and Bulgaria

Small metal trumpets that often trim Christmas trees began with a Danish custom. They used to play four hymns on them at Yule — symbolizing the four corners of the world.

In Swedish art, St. Lucia is sometimes pictured wearing candles in her hair. Her feast day, December 13, is a forerunner of Christmas.

In Bulgaria on Christmas Eve each peasant takes a lighted candle to the barn to awaken each animal, saying: "The Child is born and blesses you tonight."

Members of every family carry lighted candles on the way to church. Picture the winking, silvery streams of light threading their ways through the hills and valleys!

We have mentioned only a few of the customs which have prevailed in the European countries. Many of these customs are reflected in American Christmas celebrations. Also as befits a new country, it developed its own candle customs . . . these deserve an article all its own.

Melodious church bells conclude the celebrations of Christmas Day, ringing throughout the land until the last stroke of the clock chimes farewell to the Holiday.

TREE IS OFTEN STARTING POINT

The traditional Christmas tree is most often the starting point for holiday decorating. Many historians give Martin Luther credit for introducing the decorated evergreen to Christmas celebrations. Evergreens were abundant in his native Germany, and it's said that during a walk on a snowy Christmas Eve, Luther became enchanted with the beauty of the trees and the star filled sky.

Legend of Poinsettia Has Origin in Mexico

Many legends of the Christmas season are concerned with children. This one is about a little boy who wanted to give something worthy to the Christ child.

In a town in Mexico it was the custom for the people to take gifts to the church on Christmas Eve and offer them to the little Christ.

The boy, having nothing to offer, stood outside the church, dejectedly.

But, he thought to himself, at least I can pray. And so he knelt down outside the window where he could hear the organ music.

When he rose again to his feet he saw in the spot where he had knelt a beautiful plant with scarlet leaves and a yellow flower in the center.

Dumbstruck, yet realizing he was witnessing a miracle, he gently plucked the stalk and took it, full of wonder, into the church to lay on the altar.

The Mexicans called the plant "The Flower of the Holy Night."

Years later an American Ambassador to Mexico, Dr. Poinsett, took the plant to the United States. Thus, the name "poinsettia." Ironically we do not know the name of the little boy who experienced the miracle.

NEW BOOKS

BELL MEMORIAL LIBRARY

The following new books are available at the Bell Memorial Library:

Non-Fiction:

THE POOR MAN'S GUIDE TO ANTIQUE COLLECTING by John Mebane. "Here's the book that's made for the antique collector who can't afford his hobby."

LISTEN TO THE WARM by Rod McKuen. This is a collection of poems, gentle, direct and the work of a writer whose powerful gift has grown and is now in full stride.

AMBASSADOR'S JOURNAL by John Kenneth Galbraith. In this personal account of the Kennedy years, Mr. Galbraith gives a day-to-day report of what he saw and learned and did as Ambassador to India.

Fiction:

THE SHIVERING SANDS by Victoria Holt. A spell-binding suspense novel set on the coast of Kent, at a great estate overlooking the infamous "shivering sands"—quicksands that have swallowed entire ships unfortunate enough to sail into them.

THE THREE LIVES OF SHARON SPENCE by Elizabeth Corbett. The heroine of this novel finds herself confronted with a decision which will affect the entire future course of her life. This decision has three possible alternatives and the author has developed each into a story of its own.

RHINE REPLICA by Martha Albrand. A novel of intrigue, death and terror in Germany.

A neighbor of ours refers to his wife as "Axe-head" because she's always flying off the handle.

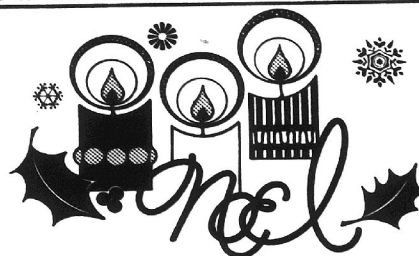

DID YOU KNOW?

Did you know that the first Christmas stocking was first hung in either France or Belgium!

Did you know that mistletoe was used centuries ago to ward off witches

JOHN and DOROTHY SAVAGE

classic favorite Christmas story: The Gift of the Magi retold...

adapted from the famous
story by O. Henry

In the early years of the
20th century, twenty dollars

a week was considered quite
a decent salary. A furnished
flat could be had at eight
dollars a week. Even so, a

dollar and eighty-seven cents
seems a very paltry sum, es-
pecially to a young wife des-
perately facing a forlorn
Christmas, just a day away.

For Della Young it was
enough to drive her to tears;
she so wanted to buy a gift
for her young husband,
Jimmy, and the prospect
was, to say the least, bleak.

You see, Della could not
compromise with the occa-
sion. Only something "fine
and rare and sterling" would
do, for Jim.

Suddenly, amidst her tears,
she was struck by a thought.
Standing before the mirror
her eyes shone brilliantly but
her face suddenly lost its
color. She pulled down her
hair and let it fall to its full
length.

It was a gorgeous sight. In
fact Della's hair was one of
the two possessions the Jim
Youngs took a mighty pride
... the other was Jim's gold
watch that had been his
father's and his grand-
mother's.

And now Della's beautiful
hair fell about her shoulders
rippling and shining like a
cascade of brown waters. It
reached below her knee. The
thought that had penetrated
her mind was too horrid for
her to contemplate. She did

it up again quickly. A tear
dropped on the worn red
carpet.

But the thought persisted.
With grim determination she
put on her old brown jacket,
jammed her old brown hat
on her head, and with a
whirl of skirts sailed out the
door and down the steps to
the street.

In a few minutes she
stopped at a hair goods shop,
presided over by a Mme.
Sofronie. The madame was
hard and cold, but she knew
a fine head of hair when she
saw it. She named her price:
twenty dollars.

Della accepted it quickly,
and raced off to ransack the
stores before they closed.
She had to find Jim that per-
fect gift.

She found it: a platinum
fob chain exquisitely simple,
eminently worthy of Jim and
the Watch. Twenty one dol-
lars it cost her, but Della was
ecstatically happy. She was
warmed by the thought of
how Jim would be able to
properly inquire about the
time among his peers, now
that he would have such a
fine chain.

When she got home she
heated the curling irons and
frizzled the remaining tatch
of hair hoping thereby to
make the cropping less no-
ticeable.

Alas! When Jim came home
and looked at her, he was as
if struck dumb. Not furious,
not disappointed, but some-
how in a state of shock.

"Jim, dear," pleaded Della,
"don't look at me that way. I
had to do it! I couldn't find
you the right gift with the
little money I had. And"
(brightening) "... my hair
grows fast! Say Merry Christ-
mas, and let's be happy."

Out of his trance Jim
seemed to wake. He enfolded
his Della. Then he drew a
package out of his coat pocket
and set it on the table.

"Take a look, Della ...
then you'll see why you had
me going at first."

She quickly tore open the
package. There were the
Combs, the set of combs,
pure tortoise shell, with jew-
elled rims, that she had
craved for months without
the least hope of possession.
And now the tresses they
should have adorned were
gone!

But she hugged them to
her bosom and managed to
say, again, "My hair grows
so fast, Jim! You'll see!"

Jim had not seen his pres-
ent. She held it out to him
eagerly. The precious metal
seemed to flash with a reflec-
tion of her own ardent
spirit.

"Give me your watch,
Jim," she said. "I want to see
how it looks."

Jim tumbled down on the
couch and a flickering smile
wandered around his mouth.

"Dell," he said with a sigh,
"let's put our Christmas pre-
sents away for a while. Look,
honey, I sold the watch to
get the money to buy your
combs. And now suppose
you put the chops on."

Perhaps these two young
people were, after all, the
wisest. They are the magi.

'miracle' of the pine cone

Legend has it that a
pine tree sheltered the
Christ Child during the
flight of the Holy Family
from Herod's soldiers. As
the family huddled 'neath
the tree, the pine dipped
its branches to hide them
— until the soldiers passed
on.

And, when the danger
was over, the baby Jesus
blessed the tree ... If you
will cut a pine cone length-
wise at Christmastime,
you will see the imprint of
the Holy Infant's hand.

Tom-toms accompany the
carol singing of Philip-
pine students at Christian
schools.

First Community Tree Illumination

Two Pennsylvania com-
munities, Riverside, Cali-
fornia, and Salem, Oregon,
were the first towns in the
U.S. to sponsor the light-
ing of outdoor Christmas
trees. Though widely sepa-
rated in their geographic
locations, all four of these
towns "lit up" in 1913.

Anthony Nigo Chapter D A R Hears History of early Recipes

The regent, Mrs. Chas. Tucker, entertained members of the Anthony Nigo Chapter, Daughters of the American Revolution for the annual Christmas meeting at her gaily decorated country home. Two guests, Mrs. C. O. Mollenhour and Mrs. Edison Tucker, were present.

The opening ceremony, conducted by the regent, was followed by the pledge to the flag and group singing of the national anthem.

Mrs. Ernest Igo read the Christmas message from the president general, Mrs. Erwin Frees

Seimes. National defense chairman Mrs. Wayne Smalley, quoted from the National Defender publication, "The direct vote system as proposed by the House provides for nation-wide standards to be set by Congress and applied to all states. Ultimate supervision of the presidential election machinery, now in the hands of the 50 state legislatures, would be transferred to the national legislature. Since the states cannot maintain two separate election systems, which would be too confusing and far too costly, the ultimate control of Congress also would extend to all state and local election standards and procedures. And that would be the end of true republican government in the United States."

The DAR resolutions on the Reading of Genesis by the Astronauts and support of Anti-Missile Defense were read by Mrs. Paul Shireman.

Mrs. Ferd Koenig presented a program on colonial cookery, saying corn was truly the mainstay of the colonist's diet. From her Indian neighbors the good wife learned to make many dishes prepared from corn or "turkey wheat" as it was called. Even now, she said, our corn recipes largely follow Indian ways of making succotash, hominy, dried corn, roasting ears (originally boiled in the husk), Indian pudding, cornbread and mush then called "somp."

The fireplace was the center of the New England home activities and nearby were the utensils used in cooking and baking. Three legged iron pots with heavy lids were suspended by chains from an iron arm or green wood pole or were thrust directly in the coals. For more than 200 years, most of the food New Englanders ate

came out of those black iron pots.

Mrs. Koenig gave each member some recipes for favorite colonial dishes including split pea soup, New England Baked Dinner, sweet potato pie, succotash, Sally Lund and Anadama bread. In closing she read a Christmas wish from an old Virginia Almanack—"We wish you Health, and good Fires; Victuals, Drink and Good Stomachs; innocent Diversion, and Good Company; honest Trading, and good Success; loving Courtship, and good Wives; and lastly a Merry Christmas and a Happy New Year."

Cook books and recipes

of earlier forms of cooking were shared and displayed to the members during the social hour. The hostess and co-hostesses, Mrs. Ray Rush and Mrs. Paul Shireman, served delicious fruitcake, punch and coffee from a candlelight refreshment table.

Come, all ye faithful...

Let us adore Him,
Christ the Lord!

How To Select Christmas Toys

For parents and grandparents, much of the happiness of Christmas morning is the excitement of youngsters opening their gifts. The squeals of delight that accompany the unwrapping of each present are a rich reward for family Santas who spent hours selecting the just-right toy.

For the preschooler himself, the rewards go far beyond the holiday morning, for well-chosen toys help him learn-while-playing throughout the year.

—Choose toys in bright primary colors (red, blue, yellow, green,) which are also pleasant to the touch and sight. Wood, for example, has "warmth," solid feel and texture that are satisfying to the preschooler.

—Toys should be portable enough to satisfy the child's insatiable desire to move and carry, but neither the toys themselves nor their parts should be so small that they defy a small hand to work them.

—Toys should be durably and soundly constructed so that they withstand a child's vigorous use. They should be safe, with well-finished edges and non-toxic paints.

—Youngsters like to see how a toy works, to satisfy their curiosity about what makes it go. If the toy is designed to be taken apart, it should be easy for the child to put it together again.

—Preschoolers need—and prefer—toys such as blocks, wagons, pounding benches, and disc stacks which can be "imagined into" many different play situations, rather than toys which merely recreate the adult world in miniature or toys which are electrically operated.

—The preschool child needs a variety of playtools. His toy "Wardrobe" should encourage the development of all of his senses, permitting him to exercise his skills, muscles, emotions, and imagination.

Parents can know best the kinds of toys their preschooler most enjoys by watching him at play. Be sure that you are buying a toy which is suitable for the child's age and stage of

development so that he is neither frustrated nor bored by it.

Wise family Santas can make Christmas morning a magical time for the preschooler and provide him with toys for constructive and creative playing-and-learning throughout the year.

Poinsettia Shows Season's Colors

Showing the colors of Christmas, red and green, the tropical poinsettia adorns many homes at the holiday season. Though it is now a favorite holiday houseplant, the poinsettia is a relative newcomer to the customs of Christmas.

It was discovered by, and later named for, Joel R. Poinsett. When he was serving as U.S. minister to Mexico in 1828, Dr. Poinsett sent a cutting of the plant to a friend.

Growers became interested, but it was not until 1906 that the poinsettia was marketed.

For the male style setter, handy little items like shoe shine kits, tie racks, valet hangers and clothes brushes, all designed to help him keep his fashions

looking good longer, make excellent stocking stuffers.

Wishing you the best of everything at Christmas-time and always!

IN MEMORY

In memory of Ike Jefferies who passed away Dec. 16, 1966.

A precious one from us has gone
A voice we loved is still
A place is vacant in our homes
Which never can be filled.
Sad and sudden was the call
Of one so dearly loved by all
A bitter grief, a shock severe
It was to part with one so dear.
We often sit and think of him
And speak of how he died.
To think he could not say "Good-bye"
Before he closed his eyes.

Wherein our Saviour's birth is celebrated.
The bird of dawning singeth all night long;

Crash injures three

Three people were injured Monday night in a one-car crash south of Akron at the Floyd Krieg residence.

Investigating officers said a 1962 Ford driven by Carol A. Hawkins, 20, R. 1, Denver, left the paved portion of SR 19 and went onto the berm for some unknown reason. The driver overcorrected and swerved back onto the road, skidding approximately 130 feet across and off the other side to crash into a fence and concrete corner post. It turned over in Krieg's driveway. The driver and her passengers were partially pinned in the vehicle.

The Sheetz ambulance took all three to Woodlawn hospital where they were admitted in fair condition. The driver sustained severe lacerations on her forehead, left forearm and left hand.

A passenger, Donita K. Doolittle, 16, sustained a compound fracture of the left wrist and hand and a second passenger, Janet Sue Doolittle, 14, sustained a fractured left leg.

The car was declared a total loss.

Investigating officers were State Trooper Donald Smith, Akron Marshal Ed Hauser, Sheriff Homer Carr and deputy sheriff Jim Kendall.

The Akron Fire Department was also summoned to the scene.

On Dean's List At Ft. Wayne

Stephen H. Henson, son of Mr. and Mrs. Floyd Henson, Box 382 Akron, Ind. was named to the "Dean's List" at Indiana Institute of Technology, Ft. Wayne, Indiana for the fall quarter of the current school year.

Steve is a Junior at Indiana Tech where he is majoring in Civil Engineering. He was a 1967 graduate of Akron High School.

Communion Planned at Mentone, Talma

Holy Communion services will be held at 7:30 p.m. Christmas Eve at the Talma United Methodist Church at 11 p.m. at the Mentone United Methodist Church. Barb Krom of Rochester, a niece of the late Mary Cook, will provide the organ music for both services.

Burkett Now As Henry Twp. Trustee

Norman Burkett, R. 1, Akron, was named Henry township trustee Monday to replace Paul Fites who recently resigned.

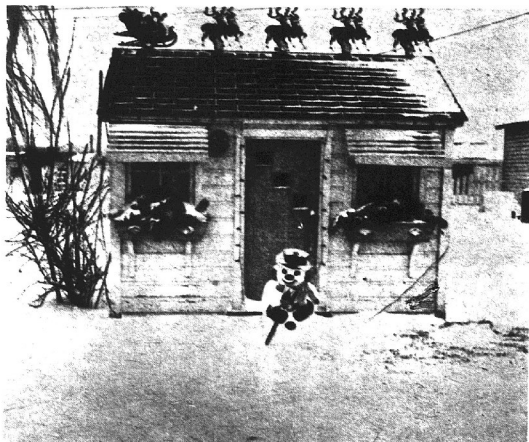

THE NIGHT BEFORE CHRISTMAS IN OUR VILLAGE

Night Rates In Effect For Christmas

General Telephone reminded customers today that low "night" rates for long distance calls are in effect all day Christmas Day, permitting a three-minute station-to-station call to any point in the continental United States for one dollar or less.

The company urged callers to place their long distance calls on Christmas morning or afternoon, if possible, to increase the probability of completing the call because circuits often are filled to capacity in all parts of the nation Christmas eve and Christmas night causing delays.

Poverty is a state of mind often induced by a neighbor's new car.

FROSTY, THE SNOW MAN? Shown guarding a doll house at the Hawley home, this lighted scene is part of the massive display that recently was named first place winner in the Marshall Co. REMC lighting contest.

Christmas decorations highlight Yule season

Christmas, always a lovely time of the year, has been made even more lovely this year with many homes being gaily decorated in keeping with the season.

Many Nativity scenes have been constructed, and miles of lights a-

dorn trees and doorways. Throughout the countryside are many large stars especially constructed by Geo. Craig.

Coupled with the snow fall of Monday night and Tuesday, the lights make a brilliant backdrop for this holiday season.

THE THREE WISE MEN shown making their way through the snow are a small part of the big display of Christmas lights and decorations at the Dale Hawley home northwest of Mentone. The Hawley place at night radiates light even from the birdhouses and the machine shed.

Omega Group Entertained

Mr. and Mrs. Emerson Burns were host and hostess to the Omega MS group at their annual Christmas meeting recently. Christmas carols were sung to open the meeting. Prayer was offered by Mrs. Beulah Pratt after which Miss Ruth Bowen gave devotions by reading a story about the birth and life of Christ and a short poem. A scripture verse was given in response to roll call and Mrs. Gloria Bowen read letters from Rev. and Mrs. Yonkers of the Southland Mission and Rev. and Mrs. Frye of Jamaica. Mrs. Norma Jean Burns dismissed with prayer and also a gift exchange was made and delicious refreshments were served. Those present were Mr. and Mrs. Emerson Burns, Marsha and Janet, Mrs. Larry Newcomb and Wendell, Mrs. Vernon Mathias, Miss Fern Bowen, Mrs. Beulah Pratt, Mr. and Mrs. Paul Bowen and Janet, Miss Ruth Bowen, and Miss Goldie Burns.

Patchett of New Haven.

Roudebush Reports ACLU Protests Washington's Nativity Scene

Congressman Richard L. Roudebush writes from Washington: One of the most beautiful Christmas scenes in the nation's capital is located on the Ellipse south of the White House.

This is the locale for the National Christmas Tree which is lighted annually by the President. Leading to the huge National Christmas Tree is a row of 50 smaller Christmas trees,

each representing a state of the Union. Just south of the Christmas trees is a life-like Nativity Scene.

Adjoining the Nativity Scene is a group of live reindeer.

Each Christmas this magnificent display draws thousands upon thousands of visitors, and is a favorite with the children.

Several days before the preparation of this pageant, the American Civil Liberties Union filed suit to bar the construction of the Nativity Scene on the grounds it represented an unconstitutional establishment of religion.

The ACLU contended the reindeer and evergreen trees were alright, but demanded no Nativity Scene be erected.

Defending the pageant in its entirety, the Justice Department argued that no one is injured by the Nativity Scene, and the ACLU is obligated in no way to look at it. A spokesman for Justice observed he thought the "idea of Christmas is to observe the birth of Christ."

Fortunately, a three-panel U.S. Court of Appeals rejected the ACLU demand for omission of the Nativity Scene, and permitted construction of the manger scene.

This is the same kind of idiotic thinking that led to the ban on prayer and Bible reading by American school children and seeks to eliminate all religious meaning from public functions, Roudebush says. He continues, "America can expect further attacks on its religious foundations from the ACLU and others of that ilk."

Local churches petition NASA

A petition now being circulated in Akron and Mentone should gain a lot of local support. It seeks to repudiate Madelyn Murray, the atheist who protested prayers in public schools and succeeded in getting the Supreme Court of the United States to rule them out and who has now obtained 27,000 signed letter protesting the Astronauts' reading the Bible from outer space. She plans to present these to NASA headquarters, asking that the

men be publicly censured. The Family Radio Broadcast is asking for 100,000 letters COMMENDING the Astronauts. Anyone who approves the letter, here reprint-

Gentlemen:
 I personally appreciate and wholeheartedly support the recent decision of the Astronauts to read the Bible in space as they orbited the moon.

It should be the right of every human to publicly express his faith in God and Bible without fear of reprisal from government or any other power.

The ice crop is not a failure this winter. Mr. Ed Arter and the firm of Wilhoit and Hoffman are busily engaged in putting up a fine crop that is eight inches or more thick. They are seriously handicapped because help is so scarce and hard to secure at any price.

Dayton Swihart was home a few days ago, and called at this office. He is braking on the Erie now and goes through Akron every day or two.

The Akron Exchange Bank experienced a "run" last Saturday. It was not a "run" for our deposits by no means, but a "run" for one of those elegant calendars they were distributing among their patrons and friends. The old year 1909, though only of a few days span, has served its day and function. It is necessary for us to have a new year and new calendars. The Akron Exchange bank officials have furnished us nicely with the latter, and the former will be furnished by the great Ruler of the Universe and whether it be painted in such delicate colors for us as the calendar remains for time to develop.

Mr. and Mrs. Frank Bright and son Paul were expected to arrive from Benton Harbor, Mich. on a holiday visit with the James Curtis family and other friends.

Mrs. Nevada Wilson and her mother, Mrs. Minerva Craig, west of town, remembered the Editor and family by bringing us a nice bunch of good apples and a squash for our Christmas. We appreciate the gift, but appreciate the thought that prompted the act more.

Coming events cast their shadow before. Did you see the shadow of our incorporation that will be, after the election next Wednesday?

40 YEARS AGO

The school officials of Rochester announced that classes would resume their duties Tuesday, December 31st, but the students want a holiday on New Year's Day. A petition has been signed by most of the students asking for vacation New Year's Day. The students say their vacation has been shortened four days. The officials stated they have shortened the Christmas vacation so as to give the students more time off in the spring. The petition was written on a large pink sheet of wrapping paper and read, "We the undersigned will not go to school January 1st," and the document was signed by a list of names in all kinds of shaky hand writing, in pencil and ink, that makes the Declaration of Independence look small in comparison.

Mrs. Ben Barnett and son of Hamilton, Ohio will arrive Thursday for a visit here with her parents, Mr. and Mrs. Cornelius Waechter.

DEATHS

Huffman

Max W. Huffman, 45, a lifetime resident of the Akron community, died Sunday evening at the Murphy Medical Center of complications following an illness of five months.

The son of Grover and Myrtle Shireman Huffman, he was born Oct. 18, 1924 at North Manchester. On November 7, 1947, he married the former Phyllis Summers, who survives.

Mr. Huffman, a heavy equipment operator for the McMahan Construction Co., Rochester, was a veteran of World War II and a member of the Akron Brethren Church and Masonic Lodge No. 659.

Surviving with his widow are a daughter, Bonnie Huffman, at home; four sons, Tom Huffman, Akron, Ron, Don and Max Jr., all at home; his father, Grover M. Huffman, Akron; four sisters, Mrs. Dean (Mabel) Pollett, Plant City, Fla., Mrs. James (Mary Ann) Lackey, Hillsdale, Fla., Mrs. Eleanor Pollock, Pierceton, Mrs. Paul (Irene) Grisso, of Sidney; three brothers, Cecil Huffman, Roann, Joe Huffman, So. Whitley, Jerry Huffman, St. Louis, Mo. and one grandchild.

Funeral services were conducted Wednesday afternoon in the Akron Church of the Brethren with Rev. J. F. Baldwin officiating. Burial was in the Akron cemetery. The Sheetz funeral home was in charge of the arrangements. A Masonic memorial service was conducted Tuesday.

Keiser

Charles E. Keiser, 87, father of Mrs. Walter A. Harris, Akron, died at Fort Wayne Thursday of complications of a fractured hip.

Other survivors include two other daughters, Mrs. Stuart D. Smith, Columbia City, and Mrs. Herschel Hall, Columbia City; a brother, John H. Keiser, of Columbia City; three sisters, Mrs. John Krider, Mrs. Wm. Landis, both of Sterling, Ill., Ruth Ludwig of Trenton, Mich.; 5 grandchildren and 11 great grandchildren.

Funeral services were conducted Sunday at Columbia City.

Shepherd

Tammy Sue Shepherd, one-day old daughter of Quinllen and Mildred Gipson Shepherd, Silver Lake, died Friday morning at Murphy Medical Center where she was born Thursday afternoon.

Surviving with her parents are a brother, Quinllen Jr., 3, and a sister, Aluda Marie, 1, both at home; her maternal grandparents, Mr. and Mrs. Dewey Gipson, Salyersville, Ky., and her paternal grandparents, Mr. and Mrs. John

Shepherd, David Ky.

Funeral services for the little girl were conducted Saturday morning in Warsaw.

Feast of St. John The Evangelist Planned At Akron

A selected group of Indiana's 551 Masonic lodges will celebrate an observance of the Feast of St. John the Evangelist on Saturday evening, December 27.

Under the sponsorship of the Indiana Masonic Grand Lodge, those selected lodges will pay traditional Masonic honors to the Evangelist, customarily known as one of Freemasonry's patron saints.

Taking part in the joint celebration will be Akron Lodge No. 659 and Mentone Lodge No. 576 in a meeting held jointly at Akron.

Back Issues Of Mentone News Are Sought

The Mentone Library is compiling books of back issues of The Mentone News. They need a few more back issues to make their files complete. Anyone having
