

## American History Essay Contest

### DAR TO HONOR WINNERS

Five students named winners in the DAR American History Essay Contest will be honored Sunday afternoon, February 8, at a meeting of Antonio Nigo Chapter, DAR, of Mentone. Mrs. Frank Smith will be hostess for the event when winners and their parents are guests of the sponsoring chapter.

"A Military Leader of the Battle of Yorktown" was the subject of the annual essay contest open to students in grades five through eight in Mentone and Akron schools.

Fifth grade winners are Afny Teel, daughter of Mr. and Mrs. Gary Teel of Mentone, and Tony Eaton,

son of Mr. and Mrs. Jerry Eaton, R. 5, Rochester. Their respective essays are "Marquis de Lafayette" and "Mad Anthony Wayne."

Angie Evans, a seventh grade Akron student, wrote on "Lord Charles Cornwallis." Her parents are Mr. and Mrs. Larry Evans, R. 1, Mentone.

Jennie Johnson and Erin Fitzpatrick, Mentone School eighth pupils, will read their essays, "Nathanael Greene" and "The Life of Charles Cornwallis." Their parents are Mr. and Mrs. Dennis Johnson, R. 1, Etna Green, and Mr. and Mrs. Michael Fitzpatrick, R. 5, Warsaw.

### TVAC RAISES RECORD TO 4 - 0

In a swim meet held Saturday morning at the Tippecanoe Valley High School pool the Tippecanoe Valley Aquatic Club defeated the Marion Aquatic Club. The final score was TVAC 263 - Marion 249.

Five team records were set during the meet. The three individual records were set by Ellen Burdge (9-10) 100 IM, Cathy Duncan (13-over) 100 breast, and Diane Good (13-over) 100 fly. The 9-10 girls relay team (Michelle Krieger, Barb Burdge, Jennifer Secrist and Ellen Burdge) set new time standards in both the free and medley relays. Of the forty-four swimmers participating in the meet twenty-eight of them had personal best times.

The next dual meet for TVAC will be at Concord on February 21.

The final results follow:

8-Under Boys: Free and medley relays first; Bob Lynn, 1st 25 breast, 50 free, 100 IM; Gabriel Whetstone, 1st 25 free, 2nd 25 fly; Brian Wortinger, 2nd 100 IM, 3rd 25 free, 50 free; Jeff Ellenwood, 1st 25 back; Josh Beery, 3rd 25 back.

## FINANCIAL ADVISOR TO SPEAK IN ROCHESTER

Dr. Gary L. Baxter, Economist and Financial Advisor, will lead an Economic Outlook Seminar, Tuesday evening, February 10, 1981 at 7:30 P.M., in the high school auditorium, according to Richard E. Belcher, President of First Federal Savings and Loan Association. The economic seminar is sponsored by First Federal and the public is invited.

Dr. Baxter is a principal in Baxter and Hoops, Inc. which is a financial advisory firm, supervising

more than \$175 million dollars of investments for Savings and Loan Associations. The firm is located in Indianapolis.

Dr. Baxter has a broad background in economics and finance. He earned his doctor's degree at Indiana University and his M.B.A. and B.S. at Ohio State University. For nine years Dr. Baxter was the Chief Economist for the Federal Home Loan Bank of Indianapolis. He also served as a visiting faculty member of the

Indiana University School of Finance.

Belcher stated that First Federal is sponsoring Dr. Baxter's appearance as a public service to help the public better understand and define the economic problems of the country. Baxter will also give his forecast for the future. After Baxter's remarks, the audience will have an opportunity to ask questions.

## FRANK MILLER Family man, student, blacksmith, horse trainer and coach

by Sherry Blankenship

© Copyright 1981 Sherry Blankenship, All Rights Reserved

Juggling a heavy schedule and playing many roles can be difficult at times but for rural Akron man, Frank R. Miller II, 29, a senior at Manchester College, North Manchester, IN, it should be especially difficult.

With a 16.5 credit hour load, on campus he is called a student. In his private life he is a husband and the father of three children. In his spare time he is a blacksmith and a horse trainer and assists a local basketball coach several hours a week.

This friendly broad-shouldered man who has a ready smile handles the demands made of him quite well.

With such a demanding schedule, Miller, who is majoring in secondary education in social studies, plans carefully to accommodate all of his roles. "I study two hours in the evening Monday through Thursday," he said. "Much of my studying is done on campus during blocks of time that I don't have classes. I set aside the weekend for family activities. I hardly do any studying on the weekend," Miller said.

"I don't put 100 percent into being a student," he pointed out. Yet, he manages to maintain a 3.0 grade average.

Miller graduated from high school in 1969 and for several years was a jack-of-all-trades. He tried asphalt construction, welding, grain elevator operator and trucking. "But," he said, "I didn't want to work in a factory or be a laborer all my life. I wanted to direct and control my own life."

Consequently, in 1974 Miller decided to attend Grace College in Warsaw. The first year at Grace he worked full-time in addition to being a student. The second year at Grace he was a full-time student. Miller majored in business administration when he started at Grace. "However," he said, "I gave that up for my first love-teaching. Since about the seventh grade it is something I wanted to do."

An illness in the family prevented Miller from returning to Grace in 1977. In 1977, Miller returned to

college. This time he attended Manchester College as a full-time student.

As society has traditionally viewed the man as provider, it must be difficult for a man to discard this role and become a student. "It is harder for a man to return to school," Miller theorized, "because of peer pressure and family pressure that says you can't quit work and go back."

He added that, "My self-image isn't related to what society feels or thinks a man should be. It is related to my relationships with my wife and family and the image I draw from within myself."

With his thought on self-image he expanded on the idea when he said, "Women should do what they have the capacity to attain. They don't need to be tied down to certain aspects of life and to what society and other people think."

A special burden is placed on the family when one spouse returns to school if the family has had two incomes. "Be prepared to live on less money and be willing to sacrifice and given up luxuries," he advised seriously.

As an older student Miller didn't think he was at a disadvantage. To the contrary, he stated, "I feel I have the advantage because of things I've done, work responsibility and knowing where I want to go."

"For older students to get the most out of school they should develop a sense of what they need and get it," he philosophized. "I take what I want from class and gear it to my needs and where I will need it later." Being a commuter, though, does have its disadvantages for him. "Most of the time you don't know what is happening on campus," he lamented. "You are also limited in the activities you can be in because of time scheduling."

Miller is, however, on the Commuter Steering Committee and the Athletic Committee on campus. Miller plans to coach in conjunction with teaching. In preparation for coaching he assists Tippecanoe Valley High School basketball

coach, Roland Fletcher, several hours a week.

In addition to his other responsibilities, Miller is a practicing blacksmith and a horse trainer. "I decided I wanted to do horseshoeing," he explained, "when I had a horse that needed corrective shoeing and the man who usually did my shoeing couldn't do it." He attended farrier school in Texas.

He has trained horses professionally since he was 19. Miller keeps Appaloosa horses. "I enjoy their disposition, manner and style," he explained. He belongs to the National Appaloosa Horse Club and the Indiana Appaloosa Association. This past summer Miller served as show chairman for IAA.

Miller and his wife, Linda, have three daughters, Stephanie, 10; Sara, 9; and Staci, 3. The family travels to several horse shows during the summer. Miller and his daughters ride in competition and have won numerous ribbons and trophies.

## Sound off

Indiana House Bill 1214, which would require all individuals and museums in the state to turn over all Native American artifacts to the Secretary of State for dispersal to the individual tribes, by January 1st, 1982, should be defeated!

The bill would require that all persons in possession of remains of sacred objects of an American Indian must surrender them to the Sheriff for delivery to the Secretary of State for redelivery to the appropriate American Indian nation or organization. "Sacred object" means an item sacred to an American Indian and includes shells, pipes, medicine bags, necklaces, clothing, arrowheads, cutting tools, and other items buried with an American Indian.

The bill is assigned to the House Committee of Human Affairs, Rep. Richard C. Bodine, Chairman. You may write to Rep. Bodine at the Statehouse, Indianapolis, IN 46202.

## Service Notes

### Thomas G. Harman

Navy Machinist's Mate 3rd Class Thomas G. Harman, son of Norman G. and Madge J. Harman of Route 2, Claypool, has returned from a deployment to the Arabian Sea.

He is a crewmember aboard the frigate USS Francis Hammond, operating from Yokosuka, Japan. The ship completed its second cruise to the Arabian Sea this year, spending four months operating with the USS Midway carrier battle group, and earning the Battle Efficiency "E" Award for the second consecutive time. The carrier battle group conducted training operations to maintain a ready force in support of national objectives.

Enroute to Yokosuka, the Hammond rescued 85 South Vietnamese refugees, who had spent four days in the South China Sea and were nearly out of food and water. They were taken to Hong Kong where the Hammond's crew enjoyed a scheduled port call. Additional port visits were made in the Philippines and Thailand.

The Francis Hammond is a 438-foot long, "Knox" class frigate with a crew of 283. Equipped with guns, missiles and rockets, it can operate independently or as part of a naval task force.

A 1978 graduate of Warsaw Community High School, Harman joined the Navy in August 1978.

### Richard G. Malott

Pvt. 1 Richard G. Malott, son of Mr. and Mrs. Rosco H. Malott, R. 2, Rochester, recently completed the automotive repair course at the U.S. Army Ordnance and Chemical Center and School, Aberdeen Proving Ground, Md.

The course includes troubleshooting, repair/replacing, adjusting, and maintaining the mechanical, electrical, air/hydraulic systems and other major components and assemblies of wheeled and tracked vehicles. Instruction is also given on the performance of maintenance operations in a field environment.

There are approximately 579 million credit cards in circulation in America today.

## Federated Clubwomen to meet

Federated clubwomen of Fulton County, Indiana Federation of Women's Clubs will convene for the annual convention March 9 in the Bethlehem Baptist Church. Plans for the session were made during the County Council meeting Jan. 28 with President, Mrs. Virgil Biddinger, presiding.

Mrs. Gary Sriver, Rochester, is program chairman. Special music by Mrs. Norman Tinkey and Mrs. William Lynn is planned. Rochester clubwomen will offer devotions.

Pleasant Valley Clubwomen will host the convention. Luncheon reservations are due to Mrs. Steven Utter, Rochester, 223-4913 on Feb. 5. Mrs. Ronnie Utter is president of the host club. Akron Women's Club with Mrs. Vernon Stutzman and Mrs. Charles Rauschke, Rochester Women's Club, will participate, reporting on specific federation activities of the clubs during the year. Special projects of IFWC are cancer education and an amphitheatre for the Lincoln Boyhood Home Memorial.

Mrs. Maunk Eryman, secretary-treasurer, gave the reports. Mrs. Dale Sheetz and Mrs. Dan Fiedler of Rochester were appointed to the audit committee. Mrs. James Fritts, Rochester, will be in charge of the foil collection project. Rochester clubwomen won last year's prize money. Mrs. Biddinger is emphasizing membership with a prize to be awarded to the winning club. Similar contests are underway in IFWC and General Federation of Women's Clubs with the local winner eligible, she stated.

Mrs. Kermit Biddinger, Fulton Co. historian, reported on a legislative seminar sponsored by the Indiana Press Club in Indianapolis. Mrs. Von Kochenderfer, Home Life chairman, referred to the 13th District Convention held last fall in Elkhart when the proposed redistricting of the IFWC was discussed. Community Improvement chairman is Mrs. Wilbur Geerken, Rochester, and 100 percent participation is anticipated throughout federation, Mrs. Biddinger remarked.

## New Books

at the Bell

### Memorial Public Library:

New books received at the Bell Memorial Public Library include the following:

**THE KEY TO REBECCA** by Ken Follett. This is the story of a German master spy who almost wins the North African campaign for General Rommel. It is also the story of a British Major who defeats the German spy and destroys his plans.

**ANSWER AS A MAN** by Taylor Caldwell. An honest man faces personal disgrace and intimate betrayal as his marriage becomes a scandal as he sees greed prevail over generosity, and as he resists the corruption that has engulfed his town.

**THE COVENANT** by James Michener. A fast-paced saga weaves fact and fiction in a journey through fifteen thousand years of South African history, focusing on Willem van Doorn and ten generations of his descendants as they live through the region's endless racial conflicts.

**DO IT YOURSELF AND SAVE MONEY** by the Editors of Consumers Guide. How to do more than 500 things that you've always had to pay other people to do for you.

**THE CONFESSIONS OF PHOEBE TYLER** by Ruth Warrick. Phoebe Tyler is the haughty and willful doyenne of Pine Valley society, at once hated and beloved by the countless fans of **ALL MY CHILDREN**, without doubt one of the most successful daytime serials in history.

**MT. ST. HELENS, THE VOLCANO EXPLODES!** by Prof. Leonard Palmer. A geologist's journal of the destruction, fully illustrated.

Remember: the Library is now open each day from 9 a.m. to 5 p.m.

Once people believed that the birds begin to mate on Valentine's Day, February 14.

## New books

received at Akron

### Carnegie Library

New books received at the Akron Carnegie Public Library include the following:

**A WAYSIDE TAVERN** by Norah Lofts. This is the story of survival: The survival of a place, of a people, and the legacies they leave behind them. The raw energy of history enlivens every page of this magnificent new novel - an unforgettable tale stamped with those inimitable qualities - historically accurate details, fine characterization, powerful story - telling - that have made Norah Lofts one of the most popular authors writing in English today.

**YOUR MONEY: FRUSTRATION OR FREEDOM** by Howard L. Dayton, Jr.

**FLIGHT INTO EGYPT** by Amos Elon. After the 1979 Egyptian-Israeli peace accord was signed and the two heads of state had exchanged visits, veteran reporter Amos Elon was allowed to enter Egypt for the longest stay of any Israeli in over twenty-five years. This is the quest to discover the source of the historic breakthrough that has ended three decades of war.

**MY SISTER, THE PANTHER** by Djebi Thiam. At night, in a small hamlet deep in the Guinea bush, a panther devours a hunter's dog. Nothing out of the ordinary one would suppose. But for the inhabitants of the hamlet, the attack is devastating. From time beyond memory, when the great spirit of the hunt sent a panther to save their ancestor Momon Koungala from the fatal charges of a raging buffalo, the Koungalos have honored the panther as their totem. Until now, only peace and kinship have reigned between the tribe and the magnificent cats. This is a thrilling adventure that is also a remarkable document of rural life in Western Africa.

**WHATEVER HAPPENED TO THE HUMAN RACE?** by Francis A. Schaeffer and C. Everett Koop, M.D. One of the leading Christian thinkers of our day and a renowned pediatric surgeon analyze the widespread implications and frightening loss of human rights brought on by today's practices of abortion, infanticide and euthanasia. They see the present as a crucial turning point. Choices are being made that undermine human rights at their most basic level. Practices once labelled "unthinkable" are now considered acceptable. The destruction of human life, young and old, is being sanctioned on an ever increasing scale by the medical profession, courts, parents and silent Christians. The choice is ours to make. Today's decision will become our legacy to future generations.

The first Labor Day in America was celebrated on December 28, 1869.

## Patty Doering and David Woodward wed

Mr. and Mrs. David Lee Woodward

Patricia Jolene Doering, daughter of Mr. and Mrs. Raymond Doering, Akron, and David Lee Woodward, 607 Central Ave., Anderson, son of Mr. and Mrs. James Woodward, Bedford, were united in marriage in a double ring ceremony December 27, 1980 at 3:30 p.m. in the Akron Church of God by the Rev. Tim Woodward, Saltville, Virginia, brother of the groom.

The bride, given in marriage by her father, carried three red silk roses arranged with white velvet ribbon on the bride's mother's wedding bible.

Ruby candelglobes and pine decorated each window of the sanctuary, red poinsettias were on the communion table and steps of the platform. The altar was decorated with circular brass candlesticks on each side of the two brass kneeling benches facing each other where the bride and groom sang the wedding song.

Matron of honor was Mrs. Connie Anderson, Huntington, sister of the bride. Bridesmaids were Sue Schantz, the brides college roommate, Archbold, Ohio and Teresa Petrosky, a school friend, Akron.

The matron of honor and bridesmaids wore identical floor length gowns of creme colored crepe. They carried velvet muffs with silk roses, holly and pine cones and wore red velvet headbands. The muffs and headbands were made by Mrs. Lillian Kamp, aunt of the bride.

Best man was Jim Pickens, Anderson. Groomsmen were Lewis Godby, Kendallville and Rick Stump, Ft. Wayne. Ushers were Arnold Doering, brother of the bride, Rochester, Mark Anderson, brother-in-law of the bride, Huntington and Mike Betten, New Castle. Ringbearer was Master Tim Woodward Jr., nephew of the groom.

Soloist for the wedding was Vicki Doering, sister-in-law of the bride, Rochester; organist was Vicki Doering; pianist was Mrs. Pat Mitterling, Akron, and flutist was Jane Hammond, Detroit, Mich.

The reception followed the ceremony in the church fellowship hall for approximately 125 guests. The three tier wedding cake was done by Connie Anderson, the brides sister. Serving at the reception were Mary Malott, Macy, Jeanine Harper, Rochester, Mary Jackley, Alexandria, Barb Sell, Indianapolis, and Kim Owen, North Webster.

The bride is a 1978 graduate of Tippecanoe Valley High School and is now attending Anderson College. The groom is a 1973 graduate of Bedford High School and a 1978 graduate of Anderson College. He is now working on his Masters in art at Ball State University and is an elementary art teacher for Anderson City schools.

The couple are now at home at 607 Central Ave., Anderson, following a wedding trip to a friends mountain cabin in Virginia.

## Mentone United 4-H News

The regular monthly meeting of the Mentone United 4-Hers was held on January 21. The meeting was called to order by President Mike Smith.

The pledges were led by Carmen Haney and DeWayne West.

Betty Smith gave a health and safety report about how to keep warm in winter.

The treasurer's report was then given by Tammy West; and Tina Mikel led the group in singing "Happy Birthday" to all people with birthdays in January.

New business was discussed and then refreshments were served. We would like to welcome all new members to the club.

## It Happened In Mentone

Taken from the January 26, 1955 issue of The Northern Indiana Co-Op News:

Wayne Romine, 18, son of Mr. and Mrs. Marvin Romine of north of Mentone left last Thursday for his basic training at Fort Leonard Wood, Mo. for the beginning of a three year enlistment. Romine expects to be assigned to a radar repair school. Wayne is a graduate of Mentone High School.

Mr. and Mrs. Raymond Cooper spent last Thursday in Indianapolis attending the Women's and Children's Apparel Show. They plan on attending the National Association of Variety Show in Chicago next Monday, Tuesday and Wednesday.

Callers at the Maggie Dille home last week were Mrs. Claude Barkman, Effie Personette, Tessie Newton, Ada Meredith, Mary Borton, Bertha Meredith, Lottie Ross, Buthene Smythe, Fawn Janke, Grover Janke, Conda Walburn and Erm McGowen.

Mr. and Mrs. Forrest Miner and children have moved from the Brown property to the Estel-la Emmons-Swick property.

There was a large attendance at the ladies night program at the Mentone Lions Club on Wednesday evening of last week. Following a delicious banquet meal, a session of group singing preceded a fine address by John Robinson, of Ft. Wayne.

Mrs. David Cooper and daughter Debbie have moved into the Lemler apartment recently vacated by Mr. and Mrs. Clarence Jackson.

## Indiana Soy-Corn Conference

The Indiana Soybean Growers Association and the Indiana Corn Growers Association are combining forces to present Indiana's First Soy-Corn Conference February 12 at the Ramada Inn, Kokomo. Registration and agribusiness exhibits will open at 8 a.m. and the program begins at 9.

The morning session will get off to a thought provoking start with "100 Bushel Soybeans, 300 Bushel Corn - A Reality for Your Farm" by Harold Reetz and Associates. Indiana Corn Growers Association President Claude K. Butts of Monticello and Indiana Soybean Growers Association President Joe Pearson of Hartford City will present reports on the two organizations.

Bill Biddle of Remington, who visited the People's Republic of China last summer as part of the American Soybean Association Executive Committee, will present "China's Market Potential." Following the buffet luncheon, Harley Donnell of Central Soya Co. will review the current commodity situation and outlook. The two organizations will then hold their annual business meetings and elections.

The final topic of the day will be a panel discussion on "How to Make \$4,000 Land and \$200 Cash Rent Pay." Panelists will include a farmer, an agronomist, a financier and a realtor. The program will adjourn at 3:30 p.m.

All soybean and corn growers are invited and urged to attend this landmark meeting.

## TVAC 3 - 0

The Tippecanoe Valley Aquatic Club swam against the Manchester Aquatic Club recently at the Manchester pool. The team came away with their third dual meet win of the season. The final score was TVAC 330 Manchester 192.

Three new team records were set at the meet. Randy Paris set the only individual record by swimming to a new time standard in the 200 IM. The 9-10 girls (Barb Burdge, Ellen Burdge, Michelle Krieger, and Jennifer Secrist) won the Medley relay in record time. In the last event of the morning the 13-14 boys (Randy Paris, Chris Paris, Sam Manwaring, and Dayne Manwaring) touched off the Manchester 13-14 boys by .35 of a second while setting a new team record.

Cathy Duncan, Sam Manwaring, Ellen Burdge, and Derek Manwaring were each three time winners during the meet. Thirty-three of the fifty swimmers who participated in the meet had personal best times.

The results follow:

8-Under Boys: Free and medley relay first; Bob Lynn, 1st 25 breast, 50 free, 2nd 100 IM; Brian Wortinger, 1st 25 free, 100 IM, 2nd 25 breast; Josh

**Akron Senior Citizens**

by Onda Good

The sounds of spring are everywhere on a clear, cool morning of early February. The bird's songs are bursting happily through the bright sunny morning. It's a great day to be alive. Each day has its beauty if we can sift through the cold chaf to find it. Corrie Ten Boom was thankful to God for the fleas that kept the guards away from her bible classes and worship service. A month or so of cold weather can pass pleasantly if we dwell on the beauty of each day, one day at a time. As I said a few weeks ago -- there are no weeds to pull today!

The Akron Senior Citizen quilt is in the quilting frames and quilting is well underway! Plan to come soon to put your special stitches in it. Many of us have never quilted before either.

Have you sent your loved ones your valentine thoughts yet?

The Akron Lions Club Site birthday party and Blood Pressure clinic will be Thursday, February 12. Come get your blood pressure taken from 11 to 12 and stay for lunch and the birthday party. Several important people are sharing birthdays this month, Martha, Don, George, Abe and others. Come enjoy the fun!

For information or reservation please call 893-7204 or 893-7263.

Scheduled menus for the week of February 9-13 are:

MONDAY: Sloppy joe sandwich, creamed corn, spinach, rice pudding with raisins, milk, coffee.

TUESDAY: Fried chicken, sweet potatoes, tossed salad, brown bread, white cake, milk, coffee.

WEDNESDAY: Ham and beans, carrot raisin salad, cornbread, tapioca pudding, milk, coffee.

THURSDAY: Salisbury steak, green beans, tossed salad, brown bread, fruit jello, milk, coffee, birthday cake and tasty foods from the kitchens of the senior citizens of Akron.

FRIDAY: Macaroni and cheese with ham, stewed tomatoes, brown bread, applesauce, milk, coffee.

## TVHS Science and Health textbook committees selected

Baxter Paige, Superintendent of the Tippecanoe Valley School Corporation, recently announced that textbook committees have been selected for the areas of Science and Health in the school corporation.

The following committees were appointed:

Elementary Textbook Committee for Science and Health (grades K-6): Dan Kramer of Akron, Chairman; Jack Fisher, Rosemary Bazini, Lee Ann Rock, Beverly Clappitt, and Mary Ann King, (all of Mentone); Oliver England, Karen Nelson, Jean Smith, Linda Fry and Sandra Simpson, (all of Burket); Linda Studebaker, Bernadine Howard, Dorothy Linn and Karen Heltzel,

(all of Akron).

Secondary Textbook Committee for Science (grades 7-12):

Keith Wortinger, Chairman from Tippecanoe Valley; Jane Hunn, Dan Kramer and Karen Heltzel (all of Akron); Gary Stath, Debra Hull,

Judy Lafferty and Marianne Fitzpatrick, (all of Tippecanoe Valley); Jennifer Helfrich, Jack Fisher and Vickie Swihart (all of Mentone).

Secondary Textbook Committee for Health (grades 7-12): also chaired by Keith Wortinger of Tippecanoe Valley; Robert Igney, Joyce Harmon, Bonnie Fear and Linda Cochran (all of TVHS); Jennifer Helfrich, Jack Fisher, Vickie Swihart, (all of Mentone); Jane Hunn, Dan Kramer and Karen Heltzel, (all of Akron).

## Mothers of twins

The North Manchester Mothers of Twins Club met recently for their monthly meeting at the home of Mrs. John Knarr. Brenda, owner of Brenda's Arts and Crafts, North Manchester, was the guest speaker. She told about and demonstrated craft ideas, as did each member of the club. Members present were Mrs. Mark Enyeart, Mrs. John Knarr, Mrs. John Mugford, Mrs. Phill Hall, Mrs. Robert Burkholder and two guests.

The next meeting is a Valentine dinner at the Farmhouse Restaurant in North Manchester on February 13 at 6 p.m. Installation of new officers for 1981 will take place.

Prospective members are welcome to contact Jan Enyeart, at 982-6289 or Debby Hoffman, at 774-8138.

## Akron WCTU

The Akron WCTU will meet in the Akron Library Feb. 18 at 7:30 p.m. for their Francis Willard Tea.

Lucile Doering is the devotional leader and hostesses will be Velma Bright, Willodean Rager and Mabel Alderfer.

All members are urged to be present and guests are always welcome.

## Senior Parent night

Seniors and their parents who have been involved in winter sports at Tippecanoe Valley High School will be honored at the home basketball game against Plymouth on Feb. 14.

The honorees will include John Dorsey, son of Mr. and Mrs. Floyd Dorsey; Rex Holloway, son of Mr. and Mrs. Tom Holloway; and David Stavedahl, son of Mr. and Mrs. Larry Stavedahl for basketball. Senior swimmers are Brett Cumberland, son of Mr. and Mrs. Wayne Cumberland and Ryan Teel, son of Mr. and Mrs. Paul Teel. Kris McDaniel, daughter of Mr. and Mrs. John McDaniel and Cheryl Howard, daughter of Mr. and Mrs. Harold Howard will be the gymnastic members honored.

Girls basketball seniors include Virginia Arven, daughter of Mr. and Mrs. Larry Arven; Bernice Bussard, daughter of Mrs. John Bussard and Lisa Smith, daughter of Mr. and Mrs. Lynn Smith.

Senior wrestlers to be honored are Mike Quinlan, son of Mr. and Mrs. William Quinlan; Birch Long, son of Mr. and Mrs. Frank Long; and Keith Paige, son of Mr. and Mrs. Baxter Paige.

The Senior Choir members will sing the National Anthem at the game also.

Volunteer leaders in The Sagamore Council, Boy Scouts of America, will receive special recognition during Scouting Anniversary Week, February 8-14, 1981.

"This special emphasis is to recognize the more than 3,000 men and women in the 15 county area in North Central, Indiana who serve as volunteers in all phases of the Scouting Program," Julian Sectors, Council President said. "These are the men and women who are committed to making Scouting happen for our young people through community organizations using the Scouting program as part of their own youth work, as well as others who have volunteered at the district and council levels."

Many other activities also are being planned for that week, which will celebrate the 71st anniversary of the Boy Scouts of America. Among the traditional activities for the annual observance are Cub Scout blue and gold banquets, Boy Scout parents' nights and courts of honor, and Explorer family nights or open houses. In addition, Scout Sabbath and Scout Sunday are an important part of the week's events.

At present, there are 9,380 Cub Scouts, Boy Scouts and Explorers in the Sagamore Council which serves 445 Scouting units in 314 organizations using the Scouting resources in their youth program.

## VALLEY ANNOUNCES

## BASKETBALL

### SECTIONAL TICKET PLAN

Tippecanoe Valley High School has been informed that they will receive 521 tickets for the 1981 Boys Basketball Sectional tournament to be held at Triton High School beginning February 25. The following guidelines will be followed for ticket distribution:

# Letters to the Editor...

## A Christmas that began in October!

Dear Editor:

To Whom It May Concern:

In October of 1980 many concerned citizens began a drive to raise money for Richard Moyer who had lost both his hands in a corn picker accident the year previously. As I reported to you then, the hospital bills were quite sizeable and later on we found out that the doctor bills were also large. I personally didn't know what to expect at the start of this campaign but the response to this need has been beyond all we could ever have dreamed or imagined. The people and churches all around the area have given and they have given in abundance to help meet this need. The hospital bills have been paid in full and many of the doctor bills are paid. Over \$13,000 was given. I want to take this opportunity to thank you personally for Richard and Norma Moyer and their family. You have given them hope for the future and an opportunity, although handicapped, to

overcome a great obstacle in their lives and to be able to make a living and support their family. My faith in people has increased and I want you to know that each of you had a part in giving this family a real Christmas that began in October.

In Christ,

Pastor Lowell E. Burrus  
Chairman

## Greene quits NEWS

Sue Greene, age 43, resigned her job at the Akron NEWS where she had been employed for fourteen years as a clerk. She was the senior member of the NEWS staff, and had worked for the newspaper during the old days of letterpress printing, now superseded by modern photo-offset lithographic processes.

Ms. Greene will serve as a part-time clerk for Ruth Hilman's income tax service, Akron.

## How to enter Artist Show

A change in the eligibility of many materials and media as well as a change in the jurying procedures are important to artists interested in entering the 68th Indiana Artists Show at the Indianapolis Museum of Art. This year's biennial competitive exhibition opens to the public Wednesday, Aug. 19, 1981, and continues through Sunday, Sept. 27.

Current work produced since 1979 by artists presently or formerly residents of Indiana may be entered. The change this year has been the expansion of eligible media to include mixed media, textiles, ceramics, metalwork, glass, wood, film, photography and video, as well as painting, sculpture and works on paper.

An additional important change in procedure streamlines the jurying process. Artists are asked to submit 2 x 2 photographic slides for a preliminary review, rather

than supplying the work itself. Each artist may submit up to five slides of five different works or various views of fewer works, up to a total of five slides. Deadline for the slide entries is Friday, May 15, 1981. Following the slide review, invitations will be sent to artists to enter the actual works of art the week of June 22-27 for final jurying.

Entry forms will be available in early March. Artists wishing to receive information on entries should send a card with name, address and type of media to be entered to: Indianapolis Museum of Art, 1200 West 38th Street, Indianapolis, IN 46208, attention: Indiana Artists Show.

The 68th Indiana Artists Show will include a fully-documented catalog and a cluster of related programs from the IMA Education Division. The exhibition is partially funded by the Indiana Arts Commission.

Sportscaster Howard Cosell is also a lawyer.

## TIPPECANOE VALLEY SCHOOL CORPORATION INCREASES THE PRICE OF SPECIAL MILK

Effective Monday, Feb. 16, 1981, the price of special milk will be increased from 8 cents to 10 cents per carton in all Tippecanoe Valley School Corp. schools. Adults will pay 20 cents per carton. This price increase does not include the milk that is served with lunches.

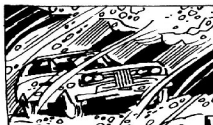

This price increase is necessary, according to Lunch Coordinator Oliver England, due to the increase in the price of bulk milk and the reduction in the Special Milk reimbursement rate.

The obelisks known as Cleopatra's needles were actually set up nearly 15 centuries before Cleopatra was born.

## What To Do If A Blizzard Traps You

If a blizzard traps you on the road, experts from the Federal Emergency Management Administration (FEMA) and the National Oceanic and Atmospheric Administration (NOAA), suggest you follow these important rules.

Avoid overexertion and exposure. Exertion from attempting to push your car, shovel heavy drifts and perform other difficult chores during strong winds, blinding snow, and bitter cold of blizzards may cause a heart attack—even for persons in apparently good physical condition.

Stay in your vehicle. Do not attempt to walk out of

a blizzard. Disorientation comes quickly in blowing and drifting snow. Being lost in open country is almost certain death. You are more likely to be found, and more likely to be sheltered, in your car.

Don't panic. Keep fresh air in your car. Freezing wet snow and wind-driven snow can completely seal the passenger compartment.

Beware the gentle killers: carbon monoxide and oxygen starvation. Run the motor and heater sparingly, and only with the down-

wind window open for ventilation.

Exercise by clapping hands and moving arms and legs vigorously from time to time, and do not stay in one position for long.

Turn on dome light at night, to make the vehicle visible to work crews.

Keep watch. Do not permit all occupants of car to sleep at once.

## Service Notes

### Ronald E. Edington

Airman Ronald E. Edington, son of Mr. and Mrs. Ralph E. Edington of R.R. 4, Rochester, has been assigned to Sheppard Air Force Base, Texas, after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the accounting and finance field.

### Lawrence D. Honeycutt

Army Private Lawrence D. Honeycutt, son of Mr. and Mrs. Cecil Honeycutt of Roann, is attending basic training at Fort Leonard Wood, Mo.

During the training, students receive instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

### Jeffrey C. Smith

Marine Pvt. Jeffrey C. Smith, son of Philip L. and Marianne Smith of Route 2, Silver Lake, has completed the small arms repair course.

The six-week course was conducted at the U.S. Army Ordnance Center, Aberdeen Proving Ground, Md. Students received instruction on the operation, inspection, maintenance, and repair of rifles, pistols, shotguns, submachineguns, grenade launchers, mortars and other automatic weapons. They also studied the preparation of weapons for shipment and storage, and related safety precautions.

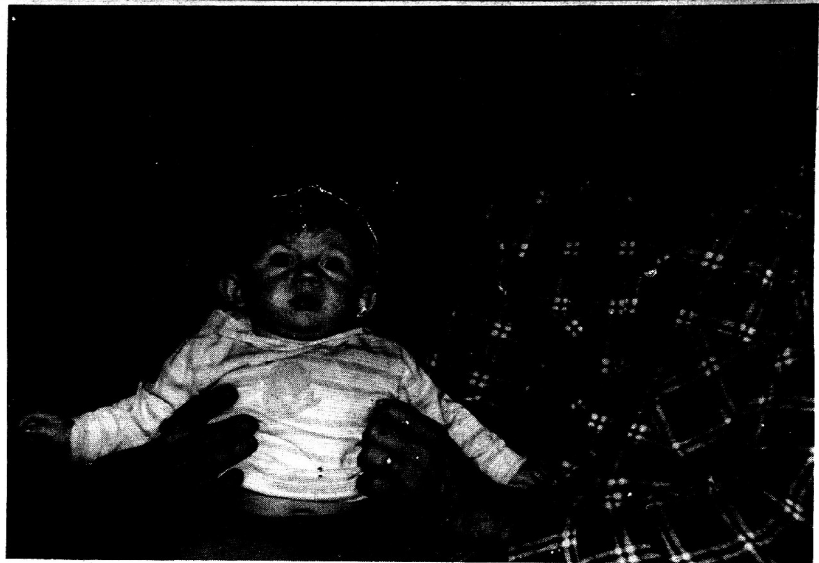

A 1979 graduate of Whitko High School, South Whitley, Smith joined the Marine Corps in July 1980.

### Thomas D. Adams

Airman Thomas D. Adams, son of Mr. and Mrs. Robert D. Adams of Claypool, has been assigned to Chanute Air Force Base, Ill., after completing Air Force basic training. During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the aircraft maintenance field.

### Robyn's surgery delayed

Baby Robyn, eight month old daughter of Sam and Kathy Engle, Mentone; was scheduled for heart surgery February 4th at James Whitcomb Riley Hospital for Children in Indianapolis, but the operation has been temporarily postponed because Robyn has a chest cold that would make the operation unnecessarily complicated. Robyn is shown above with her father.

The Akron 7th and 8th grade girls basketball teams opened their seasons by hosting Pierceton on Jan. 12. The 7th grade won by a score of 15-9, after trailing 6-3 at halftime.

The 7th grade was led by Tonya Johnson's 9 points and the rebounding of Angie Evans and Sonya Sterk.

The 8th grade let a 21-16 halftime lead slip away and lost 32-26. Shawntia Hartzler led the Flyers with 13 points, followed by Tracy Allen with 9.

On Jan. 21, both teams visited Mentone and again split. The 7th grade was victorious by a count of 23-16, with Tonya Johnson's 8 points and 5 each by Bonita Arthur and Julie Yochum leading the way.

The 8th grade played a strong 1st half, only to be soundly beaten in the 2nd half with the final score being 47-19.

Shawntia Hartzler had 7 points and Lori Green chipped in with 6. On Jan. 27, the Akron 8th grade played host to South Whitley in

the first game of the Camelot Tourney and came away with their first win of the year 30-14.

Balanced scoring keyed the win with Lori Green scoring 8, Tracy Allen and Lisa Kindig, 6 apiece, Marilee Saner 5, and Roberta Ladson 4. The Flyers were tough under the basket with Roberta Ladson hauling in 18 rebounds and Marilee Saner 13.

North Miami visited Akron Jan. 29 and was defeated by both Flyer 7th and 8th grade teams.

The 7th grade triumphed 46-5 behind Tonya Johnson's 14 points, 12 by Sonya Sterk, 10 by Michelle Manns, and 8 by Julie Yochum. Sonya Sterk also had 16 rebounds and Michelle Manns' 5 steals for the Akron team. Their record is now 3-0.

The 8th grade evened its record at 2 and 2 with a 42-7 victory. Eleven players scored for Akron with Shawntia Hartzler's 11 points leading the team. Roberta Ladson pulled down 13 rebounds and Penny Miller and Ty Ann Thomp-

son had 7 each. Dawn Trippendi led the defense with 7 steals.

For good luck when taking a written test, some say to use a new pen or pencil, because it has never made a mistake.

## Obituary Obituary

## LeRoy Cox

Services were held Tuesday at 10:30 a.m. at the First Baptist Church in Mentone for LeRoy E. Cox, 80, Mentone, who died Saturday at the Plymouth Parkview Hospital after being taken there while enroute to South Bend.

Mr. Cox was born Nov. 20, 1900 in Kosciusko County to George and Rebecca Peck Cox. He had lived in Mentone most of his life, with the exception of 12 years in Elkhart. He was married at Rochester April 28, 1923 to Maude Meredith, who survives. He was a member of the Mentone First Baptist Church and the Mentone Lions Club. He operated a car agency in Mentone in the 1940's. He was a salesman for the Red Comet Fire Extinguisher Co. He was retired from Frank's Manufacturing Co. in Mentone.

Surviving with the wife are a daughter, Mrs. David (Louise) Anderson, Mentone; four brothers, Wilbur, Omar, and Harold, all of Elkhart, and George, Prescott, Arizona; a sister, Mrs. Elsie Davis, Elkhart; six grandchildren. Three brothers and a sister preceded in death.

Officiating the services were the Revs. Kenneth Marken and Charles Jones, with burial in the Mentone Cemetery.

## Service Notes

## Steven R. Stiles

Navy Gunner's Mate 2nd Class Steven R. Stiles, son of Paul B. and Sarah A. Stiles of Route 1, Box 139, Silver Lake, recently participated in exercise "Readiex" off the Southern California coast.

He is a crewmember aboard the guided missile cruiser USS Bainbridge, homeported in San Diego.

Designed to prepare the 3rd Fleet Battle group to react to a variety of threats, the involved units practiced electronic and anti-air warfare, and communication and combat systems tests. Eighteen ships, 150 aircraft and 9,000 sailors and Marines participated in "Readiex 1-81."

The Bainbridge is 565 feet long and carries a crew of 500. The ship is outfitted with "Harpoon" missiles and anti-submarine rockets.

A 1977 graduate of Yorktown High School, Yorktown, Stiles joined the Navy in September 1977.

## Gladys D. Chambers

Gladys D. Chambers, 91, a former director of women's programs on radio and television, died Jan. 22, 1981 at the Heart of the Valley Center, Corvallis, Oregon.

During World War II, Mrs. Chambers taught at Oregon State College. In April 1951 she became the ninth women's program director at KOAC AM on the campus. And in 1957 she became the first women's program director for KOAC TV, Oregon Educational and Public Broadcasting Service.

Mrs. Chambers resigned from radio and television work in May 1959. However, she was a frequent guest on radio and television, telling of projects being developed within civic and professional organizations to which she belonged.

She was born April 11, 1889, to Samuel D. and Martha F. Stinson Bawson in Akron, Ind. She earned a bachelor's degree and master's degree in home economics from the University of Indiana.

In 1919 she and O.R. Chambers were married in Logansport. They lived in Bloomington until 1926 and then in Austin, Texas. In 1929 they moved to Corvallis.

Mrs. Chambers was a member of the First Congregational Church, Surviving are a son, O.R. "Neal" Chambers of Salem; a daughter, Martha E. Brown of Philomath, seven grandchildren and seven great-grandchildren.

Memorial services were at the church. The family suggested remembrances to the OSU Library. These may be sent to the McHenry Funeral Home, 206 N.W. 5th St. Corvallis.

## Marionette Circle

Marionette Circle of the Women of the Church of God met Feb. 3 at the church. Connie Klein presented the slate of officers for election. Merry Gaerte gave devotions from Romans. An informative lesson on the mission effort in South America was presented by Judy French. Church of God work has doubled on that continent during the past decade and efforts are being concentrated there to keep the advance going, she said.

Roll call was answered by revealing one's middle name. Dovie Weida read the secretary's report. Florella Moudy presented a gift from the circle to Kathryn Louise Ellenwood, infant daughter of Dave and Carol Ellenwood. Committee appointments were made. The hostess, Rose Kindig, served a cherry salad and tea.

## How much gold is in your jewelry?

"Pure gold is 24 carats, but jewelers usually refer to anything with as little as 25% gold as being pure. The content of gold is determined by dividing the number of carats into 24. For example, 6 carats is one-quarter or 25% gold, and 12 carats is one-half or 50% gold. Other metals such as brass, copper and silver are added for strength and durability because gold, by itself, is not strong and long-wearing.  
"The higher the gold content, naturally, the more expensive the item, but the less long-lasting it will be. A lower gold content will cost less and give better wear. All good quality gold jewelry will be marked with a number and the letter "K" denoting the amount of gold it contains. The most common are 10 carats, usually in men's gold jewelry, and 14 carats, generally in women's gold jewelry.  
"Some jewelry will be marked with the letters "G.F." This means that it is gold-filled. In this jewelry, the item has a core of some other metal with a layer of gold fused into it or melted onto it. Another designation is R-G-P, which stands for rolled gold plate. This means that gold plate is rolled on, applied to the other metal while liquid, or electroplated. If the item has 18 KGP on it, that means the gold applied to the base metal was 18 carats, not pure gold."

When King Louis XII of France visited Milan in 1509, Leonardo da Vinci is believed to have constructed a mechanical lion that walked toward to King's throne, stopped humbly before him, and ripped open its chest with its claws. Fleur-de-lis, the symbol of the French royal house, tumbled out at the King's feet.

## SCHOOL BOARD MEETING

The Tippecanoe Valley High School chapter of Future Farmers of America has a long-term project to plant trees around the high school as funds become available. The plan was outlined for the Tippecanoe Valley School Board trustees at their meeting Monday evening at TVHS.

Craig Kantner, the son of Tippecanoe Valley FFA advisor Forrest Kantner, said the project will take five years or longer to plant all the trees. Also explaining the FFA plan were Keith McSherry, Randy Grass, Sam Hedington, Steve Foltz, Chuck Feldman and Keith Haney, president of the Valley FFA chapter.

They will dig up seedlings in the woods, and obtain other trees from Pike Lumber Company in Akron, and from the Indiana Department of Natural Resources.

The students estimated the cost of the project will be \$2000 or \$400 per year. Since the school received \$712 for the corn crop planted and harvested by the FFA members on school property last year, the students asked the board members to allocate three-fourths of that money for the tree-planting project.

FFA members will pay one-fourth of the cost, and provide the energy needed to plant the trees.

Board members Con Shewman, Lee Norris, Don Snipes and Vernon Meredith gave their approval to the plan. Trustee Richard Long was not present at the meeting.

Superintendent Baxter Paige called the project a great opportunity for both the school and the students.

The Board approved the monthly payroll, claims and financial report. They also approved a request allowing TVHS principal Robert Myers to attend the North Central Association of Secondary Elementary Schools and Colleges Conference in Chicago, Ill. on March 29, 30, 31 and April 1.

The principals at Akron, Mentone, Burket and Tippecanoe Valley High School gave their monthly reports to the board.

The trustees decided to begin charging a fee, for the first time in Tippecanoe Valley's history, for the driver education course. Students who enroll for driver education next summer will be charged a \$20 fee.

The Board members also approved a long-term disability insurance policy with Sunlife Assurances Company of Canada. The premium will cost the school corporation about \$575 a month, and it will cost each participating teacher \$1.00 per year.

The trustees designated the school's public depositories as the Akron Exchange State Bank and Farmer's State Bank in Mentone. A request from First Federal Savings and Loan Association, Rochester, was rejected because the firm is located outside the school district.

Children being enrolled in kindergarten classes in the Tippecanoe Valley school district must be five years old on or before August 1. It was decided that no children will be tested prior to entering classes.

The trustees approved contracts for Marjorie Sanders, who will serve as a Mentone fifth grade teacher for the remainder of the year; David Krieger, who will be the assistant varsity track coach; and James Yunker, who will serve as the track coach for Mentone Junior High School pupils.

The Board members also signed a GED diploma for Donna Sue Peters McClelland, of Elwood.

## Akron Senior Citizens

by Onda Good

The Akron Lions Club Senior Citizens are the healthiest set in town, in the county, maybe in the state! How do I know? Well, they are each now carrying a buckeye in their pocket and this will cure almost any ailment anyone can have! This, according to some of the old medical hints given by Ruby Dawson recently. Perhaps all of these old remedies did not cure, but many seem to have some basis for cure and others probably worked about like the sugar pills given to some today! The Keen-Agers are going to start collecting old remedies. Write down an old remedy or health hint you know about and bring it to the site, or just tell us at the site about it and we will jot it down. Be sure to add your name and any history of it that you know. Perhaps your grandmother gave the information or maybe it came from Dutch ancestors or ?? There should be a long, long list of folk remedies that should be very interesting. I like the one about carrying a hound dog's tooth in the right hand pocket to cure a toothache. I guess it wouldn't work if you put the tooth in the left hand pocket! The quilt is more than half quilted. If you plan to get your special stitches in this historic old quilt top, you must hurry!

The February Birthday Party and Blood Pressure Clinic will be Thursday, February 12. Hope you can make it. It is always fun and the variety of tasty foods is too massive for the regular sized tummies that attend! Why don't you bring your tummy? Sorry our service was a little limited this past week. Monday, the snow & wind caused us some problems and Tuesday we had a cold reception since the furnace decided to rebel! Carry out meals were sent to those wishing food on Tuesday. Five ladies packed the lunches and had cold feet and a good time in the oven warmed kitchen at the site! This was togetherness as was never before experienced at the site, wall to wall elbows, you know! Bingo is played at the site each Thursday afternoon. If you have a prize to contribute, bring it along. Some prizes have been wrapped in fancy news print to add mystery to the proceedings! Everyone has a good time!

The "mini bus" can be hailed by calling 893-7204 or 893-7263. Monday, February 9 was site day and a short program was enjoyed. On Tuesday, February 24 there will be a special lecture-discussion on "across the counter drugs" by a nurse at 11:40. Plan to attend the short lecture and stay for lunch. A short program will follow lunch also. It will probably be a movie of interest.

Are you getting in shape for the olympics, the Fulton County Senior Citizen Olympics? It will include all the active sports such as checkers, euchre, baseball throw and even a basketball shootout! Watch this column for more details in the next few weeks.

For information or reservation, please call 893-7204 or 893-7263. Scheduled menus for February 16-20 are:

Monday: beef noodles, whipped potatoes, chopped broccoli, brown bread, peaches, milk, coffee.

Tuesday: Fried chicken, green beans, scalloped potatoes, brown bread, apple sauce, milk, coffee.

Wednesday: beef Manhattan, whipped potatoes, peas, cranberry sauce, bread, fresh orange, milk, coffee.

Thursday: breaded pork outlet, green beans, sweet potatoes, bread, pineapple and cheese, milk, coffee.

Friday: cubed ham with beans, spinach, cornbread, pears, milk, coffee.

## Lakeland Art Association

The Feb. 9 meeting of Lakeland Art Association was a sharing of ideas and techniques and was led by assn. artist, Gert Kiser, at the Cardinal Center, Warsaw.

Mrs. Kiser, who is a well known northern Indiana artist, from North Webster, has her Gallery at Peddlers Village (on 33) at Goshen.

The Jan. meeting was enjoyed "going on an art trip" via Jean Coverstone's delightful slide presentation covering many of the great Flemish and Dutch Masters of western Europe. Some of the works shown were of Rembrandt and Hals, the greats of the portrait painters, Rubens who opened a new golden age of Flemish painting with his famous battles, landscapes, still lifes and peasant scenes which became a drama of moving color and great energy in transformation, Bosch with his caricature and satire, Breughel and his intricate still lifes, Van der Weydem who expressed intense emotion and rhythmic flow of line, to the brilliant color, painstaking realism and delight of texture of jewels, wood and stone of Van Eyck.

Many beautiful galleries and museums were visited, throughout various countries on Mrs. Coverstone's three month trip. She is Art dept. chairman at Grace College and is presently writing a book on Art Appreciation.

New officers elected for 1981 were: Vivian Lindsay, president; Howard Kiser, vice-president; Ruth Williams, treasurer, and Mary Ruth Whiteneck, secretary.

All artists of northern Indiana are welcome to become members.

## Rodney Hudson: YOUNG AKRON BUSINESSMAN

by Barbara Ann Lynn

Thirteen year old paperboy, Rodney Hudson, may well be the youngest businessman in Akron.

Rodney, who is the son of Mr. and Mrs. Jerry Hudson, Box 62 Akron, delivers the Rochester Sentinel to 48 locations in Akron. The route usually takes a half hour per day, six days a week. He started three years ago in August. "I was looking for a job to do and a paper route would bring me extra money. My mom talked to me about it, so I decided to be on."

"Jerry Kindig, Jr. showed me how to do it and taught me everything about it. Jerry was a paperboy and I took over his route. He wanted to give it up."

Other paper carriers in town include Mrs. Mounty who works at the school, and Billy Kline and Chuck Clawson. "All the rest of them are in the cars, you know, delivering out in the country," Rodney said.

Rod said his territory includes "the ones around town and up by the park and down by the 'Fluff'." A lady brings the Sentinels to Akron from Rochester about 2:30 p.m. or sometimes as early as 1 p.m. The route usually takes one half hour, starting at 3:30 p.m. "I can do it faster when it's nicer out; I've done it in 15 minutes before."

When asked what he plans to do when he is older, Rodney

## Keith Wortinger: STUDENTS LIKE TVHS

by Barbara Ann Lynn

With his highly favorable opinion of the high school, Tippecanoe Valley High School assistant principal, Keith Wortinger could be a one-man Chamber of Commerce for the school.

"We just have a good atmosphere here. You don't put your finger on an atmosphere - what is an atmosphere? What makes it? There are a lot of intangibles," he said.

"The first time I came down here to apply for a job," he remarked, "I walked into the school - if you're in the school business - you know how they feel - it had a good, warm, friendly, comfortable atmosphere."

"We have problems here, everyone has problems. But," he continued, "people seem like they're willing to work it out."

"You feel comfortable! I guess that's the big word I use a lot - comfortable. We're comfortable here. The kids are comfortable. The teachers are basically comfortable here."

Wortinger is in his second year at TVHS. He is from French Lick, a small Hoosier town very similar to Akron and Mentone.

"When I came here I felt comfortable. I like it here. I will probably be here a great number of years," he said, adding that he worked in a larger community in Michigan before coming to TVHS. "It was an ok community," but, he continued "I have two kids. I wanted them to go to school in a community like I had. You know, it's hard to get away from your roots."

The assistant principal went on to say that this area is a nice little community.

"My only complaint when I moved here was that very few houses were for sale, and the few that were - the prices were unreal!"

Wortinger lives in Mentone. "If you've ever been down to French Lick, you'll find Akron and Mentone are very

man work. "Last year I'd go out in the garage and make all kinds of things. I made a fly swatter. Before he died, my grandpa used to make things like that. And, I made a birdhouse like he did."

Rodney said he has made all kinds of things in the family workshop. He added, "Grandpa worked in his garage all the time. He made cricket farms to hold crickets to go fishing, and he made birdhouses."

Like Rodney's grandfather, his dad, who works at Laketon is also handy with tools. "I learned it off Dad a lot cause he lays tile, and puts roofs and sidings on," Rod said.

Rodney collects his earnings from his customers once a month. He makes about \$40 a month, which amounts to about 3¢ per paper.

Rodney doesn't let the cold weather bother him. "It's cold out and I just take off my hat and let the wind blow thru my hair. I like it," he said. Sometimes he walks while delivering papers, and sometimes

bicycles along his route.

Like other businessmen, he occasionally has problems collecting from customers. "Yeah, it's buggy, man. I had one customer who owed me around ten dollars and I could never catch him. They just kept putting me off," he observed. At Christmastime, Rodney made \$50 from tips. "It's nice to have a paper route, cause you have a lot of extra money to spend," he remarked.

Like a lot of other 13 year old boys, Rodney already is thinking about buying a car. "Well, I have a mini-bike and I'm almost old enough to drive, so I'm saving for a car."

One other problem Rodney has is sometimes being chased by dogs. "Yeah, I had one just a while ago. It doesn't scare me, but it just bugs you all the time he's out there," he explained.

Rodney's other favorite pastimes include football and basketball.

He has three sisters, Penny (Mrs. Doug Kelly), Tammy and Karina, all of Akron.

comparable." Wortinger said that it is true that students who move away often try to get transferred back to Tippecanoe Valley. "It's just unreal. One student who's parents are moving away, was talking to me about what he could do to stay at Valley. He wanted to live with his parents, he comes from a good family, so he wondered if his mother could drive him to school or take him to Disko where he could catch a bus at our school boundary line." Wortinger continued, "It was just unusual to say the least, with the economy be-

ing what it is. Tuition is not cheap."

The assistant principal said that three kids came to Valley on the day of this interview, wanting to attend TVHS.

"I don't know how you tie up all those intangibles," he said.

"You could ask almost any of the kids here, rich kids, poor kids, good kids, bad kids - it doesn't matter - they may disagree with something, but they don't want to go somewhere else - they want to go to school here. They feel very strongly about it," Wortinger concluded.

## K-9 Heaven

by Sally Miner

Have you ever wished that you could have a smart dog that did everything you wanted it to do? If you have someone in 4-H or age 10-18, he or she could train the family K-9. There is a group of us in Warsaw called Kosco K-9's. It is a part of the 4-H division of the Kosciusko County extension.

We have meetings every Tuesday night during the summer, just like regular 4-H meetings. We meet at the fair grounds, by the race track. We bring our dogs

to be trained, which we train ourselves. There are leaders to teach us how to train properly. There are two classes for each year. One thru five years. Five is the highest year, but there are B classes for the dog who isn't ready for the next year.

One of the other classes that they offer is Handling Class. This class is for the showmanship of the handler and his or her dog. During the summer you can go to other dog shows for the experience and the fun. These other shows are held around the state. This is an optional choice. We have dog olympics and other fun things to do during the sum-

mer along with a fun match. We usually have a float in the Warsaw parade.

At the end of the summer, at the beginning of the fair, the big show is held. Everyone is tense, excited and happy. There are a lot of emotions going on throughout the day. At the end of the day it all seems worthwhile and rewarding.

So come on out and meet some doggone nice people, and teach your dog new tricks at the same time.

The 4-H enrollments are to be in by March 1, 1981. Contact your local 4-H club real soon. If not possible, call the Extension Office in Warsaw for more information.

## Grand Opening planned Murphy Furniture & Carpet

Buck and Cathy Murphy, owners of Murphy Furniture.

NEWS photo by Richard Lynn

by Richard Lynn

February 20th, Buck and Cathy Murphy will celebrate the Grand Opening of Murphy Furniture and Carpet. The store, formerly Cooksey Furniture, is located at 106 E. Rochester Street in downtown Akron.

Buck and Cathy were raised in Akron and are members of the Akron Church of God. Buck works at Akron Foundry and his wife manages the furniture store. She managed the store for a year and a half for the former owners, Mr. and Mrs. Bill Cooksey.

Cathy said, "I've always enjoyed decorating my own home and trying various arrangements. Then the Cookseys asked me to manage the store, and in a week's time it was mine to do with!"

The store has three levels: used furniture is displayed in the basement, living room and dining room furniture on the first floor, and carpet and bedroom suites are upstairs.

Murphy's store is open from 9 a.m. until 5:30 p.m. Monday through Wednesday, 9 a.m. to noon on Thursday, 9 a.m.-8 p.m. Friday and 9 a.m. - 5:30 p.m. Saturday.

They will be open from 9 a.m. to 9 p.m. for the Grand Opening. Coffee and donuts will be served and the grand prize to be awarded will be a free waterbed.

Buck and Cathy have two children, Brooke, 10, and Heather, almost 8, who attend Akron School.

Cathy and her siblings, Donna Loer and Mike Love sing together

in a group known as The Love Trio. Cathy sings and plays piano. Her brother plays guitar and banjo. Mike Bowers plays drums for the trio.

Five years ago they cut a record, entitled "That's All I Ask." The Trio has traveled the concert circuit since 1974. This spring, they will have concerts in Ohio and Illinois.

"We're reaching out of Indiana now, and growing," Cathy said. "We really enjoy it a lot."

They perform a maximum of two Sundays per month, and then only on Sunday evenings so they won't miss Sunday morning services at the Akron Church of God.

"We're all in the choir, and Sunday School teachers, so we really can't leave on Sunday mornings."

Buck was master of ceremonies at last year's Akron Fourth of July. Cathy received many awards for her paintings when she was in High School, and she sells her paintings at the store.

### Indiana Farm Bureau Women's Conference set

February 24 and 25 are the dates set for the 1981 state Women's Conference of the Indiana Farm Bureau, Inc. (IFB). "Grow Where You Are Planted" is the theme for this year's event which is expected to attract nearly 1500 Hoosier Farm Bureau women to the Indianapolis Murat Temple. The state Farm Bureau Women's Committee sponsors this annual event. Conference activities get underway at 1 p.m. on the 24th with an official welcome from IFB president Marion Stackhouse and Indiana Lt. Governor John M. Mutz. Mrs. Carolyn Hegel, state Women's Committee chairman and second vice-president of IFB will address the afternoon session. Speakers on hand for the Tuesday afternoon session include Grace Ellen Rice, assistant director of National Affairs for the American Farm Bureau Federation; Kenneth Lewis, director of Safety & Plant Security, Delco-Remy Division, GM Corporation and a member of the National Speakers Association; and Judy Trujillo, associate director of soy oil programs, American Soybean Association.

Tuesday evening entertainment features the 20 member dance group, the Hoosier Toetappers. The speaker for the evening will be "the prime minister of humor, humor," Grady Nutt of television's "Hee-Haw" fame.

Virgil Cline, first vice-president of IFB will open the Wednesday morning session. Dr. Nellie Lower, a nutritional evangelist, will address the group along with Mauri Williamson, executive secretary of the Purdue Agricultural Alumni Association.

Other activities of the Women's Conference include a safety fair. Representatives from state and local safety organizations will be on hand Tuesday afternoon between sessions for demonstrations and to provide information. John D. Ketterman, Farm Bureau safety affairs coordinator will direct the event.

The Farm Bureau's Women's Conference is held annually to promote the importance of women's roles in agriculture and the activities they sponsor throughout the year. This is the 49th year for the meeting. The conference is open to the public. There is no registration fee.

### AKRON TOWN BOARD

Lynn Chase, director of Oubache, the 5 County Planning Commission, conferred with the Akron trustees at their regular meeting Tuesday evening.

Meetings have been scheduled to study the Wabash Valley Solid Waste Management Plan, Feb. 23, 10 a.m. at the courthouse in Wabash; March 2, 10 a.m. at the courthouse in Rochester; March 2, 1 p.m. in the Peru courthouse; and 10 a.m. March 5 at the courthouse in Warsaw.

The Public Service Commission of Indiana has approved the trustees' petition to increase water rates in Akron. The effective date of the rate increase has not been determined. Attorney Jess Brown will prepare an ordinance for the Akron trustees to be published at a later date.

Members of the Akron Fire Department asked the trustees for funds to purchase protective clothing, boots and helmets needed by the firemen. Board President Ronald Fenimore said he will meet with Henry Twp. Trustee Clair Ellis to determine what funds can be allocated to purchase equipment for the Fire Dept.

Dame Edith Evans still pursued her acting and singing career at the age of 87.

## A CARD OF THANKS

A "Thank You" to our friends and neighbors for the flowers, cards, food and messages of sympathy, to Rev. E.R. Heckman, Darrell and Mary Ann King and Talma U. M. Women, at the death of Charles Good, our beloved father and grandfather. Joe Good and family and Rosa Lee Welsh and family.

2/18/1c

I wish to thank everyone for remembering me with candy, flowers, fruits and cards on my birthday. I appreciate the thoughtfulness.

Lyman Mollenhour.

2/18/1c

We want to thank our relatives and friends for making our "50th" a special day. Mr. and Mrs. Clyde Johnson.

2/18/1p

The members of the Akron, Mentone and Tippecanoe Valley music departments would like to thank all people who supported their Chili Supper. Your many donations and attendance made it a tremendous success.

Thank You.

### How to control your anger without hurting someone else

by William Smith, Jr.

Anger is a deadly force, which if uncontrolled, can cause serious problems, both mental and physical. It can lead to ulcers, colitis, or murder. The hardest problem is to control it and give vent to it in constructive ways (or at least in ways that will not hurt anybody else).

One very popular way is the old punching bag. Buy a punching bag, and draw or paste a photograph of your least favorite person on it. The next step is to hit the photo as hard as you can, as often as you can. In this manner, the pent-up anger is safely vented, and nobody is harmed.

If that does not suit you, try my dart board trick from a prior article.

B.B. guns and cardboard boxes for targets are also very good. By the time that you calm down so you can hit the box, you feel much better.

My favorite way to deal with anger is to write. I have stacks of unpublished works that get burned at least twice a year. These papers are more acidic, personal, and libelous than anything I would dare submit for publication (and if you are familiar with my writing, I can be very nasty at times). Just the very act of writing helps vent my anger, and when I finish, I feel better for having gotten it all out.

### Timmy B. Troutman

Pfc. Timmy B. Troutman, son of Omer Troutman of Kewanee, and Mildred Troutman of Akron, has arrived for duty at Fort Ord, Calif.

### Christopher Smith

Navy Electronics Technician 3rd Class Christopher E. Smith, son of Danny E. Smith of Route 2, Claypool, has reported for duty aboard the repair ship USS Jason, homeported in San Diego.

He joined the Navy in June 1978.

### TVAC at Stoplight City "B"

Several members of the Tippecanoe Valley Aquatic Club participated in an invitational "B" swim meet held at Kokomo over the Feb. 7-8 weekend. Medals were awarded for 1-3 places while ribbons were given for 4-6 places.

Chris Paris was the only individual first place winner placing first in the 9-10 100 fly. The 8-under boys free relay team also placed first (Bob Lynn, Gabriel Whetstone, Brian Wortinger, Kris Miller).

"A" cuts were achieved by Chris Paris in the 200 IM, 100 back, and 50 back and brother Randy (13-14) in the 100 free.

Team members participating but not placing in the meet were: Cheryl Glover, Bobby Glover, Heather Wortinger, Rebecca Krieger, Barb Burdge, Kyle Turner, Kris Miller, Aimee Foor, Heather Foor, Tina Yount, Heather Krawjewski, and Lori Quinlan.

#### 8-UNDER

Free relay first, medley relay second.

### TVHS Advisory

#### Committee meets

The Advisory Committee for Tippecanoe Valley High School's Intensive Office Lab met January 26 at the school, with two new members, Mrs. Pat Gross, R. 1, Etna Green and Kim Lewis, Akron, attending their first meeting with the group.

The committee was told that the hat sales by the IOL/OEA were moving along and should be completed about sectional time. The OEA cake sale was at the Feb. 7th basketball game.

The state Vocation Evaluation Committee will be at Tippecanoe Valley High School on Feb. 23, 24 and 25.

The group held discussion on the list of goals and objectives presented to them at the last meeting. The committee is responsible for setting up goals for Tippecanoe Valley's group before the Evaluation Committee from the state arrives.

Tippecanoe Valley had 35 students taking part in the District Leadership Contests at Warsaw High School on Feb. 14.

Money making projects for the summer were discussed and planning was begun for the group to have projects during the Mentone Egg Festival and Akron's 4th Celebration.

## Letters to the Editor...

### NEWS of 60 Years

Dear Editor:

It is very disheartening to me that you have deleted the 60 years ago. Why?

At that time my dad was practicing medicine in Akron and surrounding vicinity and I knew everyone in Akron and near Akron. I left Akron for college the fall of 1923 and have not been there much since that time. I'm sure there are others who feel as I feel.

Sincerely,  
Marjory Frederick  
Leesburg, Fla. 32748

Dear Mrs. Frederick:

According to our mail, we know that "This Was News" is our most popular feature. The problem is that we do not have back issues of the NEWS for 1921. The closest we can come now to that time period is 52 years ago - the year 1929.

Perhaps you could help us out by writing an article for us about your memories of life in Akron, sixty years ago?

The Editor

### 53 years a minister

To the Editor:

This coming Sunday I will celebrate my 53rd year as a minister.

It's been a long road and a beautiful one. This week I will preach six times. The big thrill comes as preaching time comes.

I walked across the fields for two miles for my first preaching engagement, 25 people had come that morning. Now after 19,200 times it's just as thrilling and as beautiful. (The doorbell just rang as people wanted food).

I have written more than 3,000 articles, letters, books and sermons. That has been fun. I have fed thousands of people. I would say more than 100 tons of food and handled about that many pounds of clothes. Have found maybe a 1,000 jobs for people. I have called at least 20,000 times to make hospital calls. I have found many places for people to live. I am sure I have called in over 100 thousand homes.

I have held over 500 revivals and camp meetings. As a rule I have read over 400 books a year. I never made more than \$7,000 a year. Have never been in debt. My wife has worked and inherited enough to buy a little place in southeast Muncie.

I had two major operations, paid by Medicare. I have diabetes, a weak heart. I am in love with a beautiful lady and three children and eight grandchildren.

I look ahead until 2,000 A.D., preaching from 500 to 600 times a year. Writing all hours, day and night. Putting in from 15 to 18 hours a day. I have thousands of friends. I have loved everybody and have never been given a church that anyone else wanted. I never turn down a chance to preach and have let people know I am open to preach. I have loved people and God with my whole heart, never wanted anything but to preach and love the Lord.

53 years. I'm ready for that many more. I never had a dull day. I am here and I am glad.

### Flyer girls bow in championship tilt

The Akron 8th grade girl's basketball team travelled to Syracuse, Thursday, February 5, to battle Syracuse for the championship of the 8-team Camelot tourney. The Camelot tourney was comprised of teams from Kosciusko County and a few from neighboring counties. The Flyers lost to Syracuse 28-12, due largely to the play of Syracuse's 5'11" center, Shiela Kleinricher, who led her team with 16 points. Shannita Hartzler's 10 points paced Akron.

To get to the championship Akron had to beat South Whitley 30 to 14 and Wakarusa 14 to 9. In the Wakarusa game defense was the key. Tracy Allen and Dawn Trippendi both had four steals to lead the defense. Lori Green had a team high 5 rebounds. Tracy Allen's six points and 4 by Lori Green topped the Flyer scorers. The 8th grade is now 3-3, heading into next week's games against Manchester and Warsaw (home, Feb. 19, 6:00).

The Akron Flyers 7th and 8th grade girls' teams will host a 4-way tournament Saturday, February 21, involving Caston, Triton, Mentone, and the Flyers. The tournament will begin at 9 a.m. and championship games will be played starting at 1:30 p.m. The 7th grade will open against Mentone and the 8th grade will battle Caston later in the morning.

## Akron Senior Citizens

by Onda Good

A large group celebrated the February birthdays of Martha Waech and Don McIntire last Thursday.

A tasty carry-in lunch, birthday cake, singing, a horoscope reading and facts from the lives of Martha and Don were highlights of the celebration. It was a cold and a slippery day but no one fell and everyone had a good time.

The quilt is slowly progressing. Too much snow, illness and other problems have slowed the project but it will soon be done. If you want to put a few stitches in this old quilt, you must hurry!

The Fulton County Senior Citizens Olympics will be Saturday, May 16. Are you in good shape? You'd better start training now! The events will include walking a mile, running and walking 220 yard relay, baseball throw, horse shoes, croquet, euchre, checkers and dominoes. Anyone 60 years of age or over, wishing to represent Akron in any of these events are urged to contact Onda Good. Hopefully more than one Keen-Ager will plan to compete in each event. A euchre team will be two Keen-Ager players. The walking, running relay team consists of two runners and two walkers going a total of 220 yards. Come on! Rally around and let's get a lot of participants for the Fulton County Senior Citizen Olympics! Especially from Akron!

It seems that Akron not only is to go to the Olympics, but will also finally have a low to medium income housing project. More information can be obtained at the Akron Senior Citizen Site on Thursday, Feb. 26 from an official of the project. The housing will be ready to move into in just a matter of a few months or so!

Don't forget the "across the counter drugs" information by a nurse on Tuesday, Feb. 24 at 11:40. Stay for lunch and the short afternoon program planned by Jackie Gillum of Area V. For reservations or information please call 893-7204 or 893-7263. Scheduled menus for the week of Feb. 23-27 are:

TRITON HIGH SCHOOL  
BOURBON, INDIANA

TRITON HIGH SCHOOL — THE SECTIONAL SITE

# Triton is sectional tourney host

Officials at Triton High School are getting ready for the Indiana High School Athletic Association's Boys' Sectional Tournament which begins next Wednesday night.

Triton hosted its first sectional tournament in 1971. The gym seats 3,474 persons. The facilities are excellent.

The gym is located on the east edge of the town of Bourbon in Marshall County with the school serving junior and senior high students

from Bourbon, Etna Green and Tippecanoe.

Schools participating in the tournament are Rochester, Tippecanoe Valley, Warsaw, Wawasee and Triton.

It really doesn't seem possible that it's time for sectional tournaments already. Time for Hoosier Hysteria to reach its peak throughout the state. Fans will prove this true, however, when they travel to Triton on February 25, 27 and

28 to watch their favorite team in action.

This special issue is dedicated to those individuals at Triton High School who work hard to host the sectional each year and to the players, coaches, managers, trainers, cheerleaders, teachers, students, parents and fans of the five participating schools. We thank all who have assisted in one way or another and urge all to support their team during the coming week.

# Head coach talks about Warrior team

By TERRI CHILCOTE

"We're a good shooting team. We're a pretty fair ball handling team," stressed Mike Jones, head coach for Wawasee's varsity basketball team.

"Right now we need some wins to gain our confidence," he remarked in January, but quickly added the Warriors have the ability to win. "We just need our confidence."

The coach said the team is

working on becoming a "less selfish team," but acknowledged the team has had some good assists in lots of its games. "(Jeff) Long and (Tom) Troup have always been pretty good assist men. Some of the other boys tend not to pass, but look to shoot," he explained. Jones said that is an earlier weakness the team is working to improve in the preparation for the sectional. He's trying to correct that weakness by stressing passing.

Good defensive rebounding is another area that Wawasee is working on. "We're not powerful or long rebounders," said Jones.

The team is also working on composure and good offense as well as defense. "We're working on selection of shots, to try to know when to take a shot and when not to," stated Jones.

According to Jones, the Warriors have been up against the best competition the state has to offer, citing Plymouth and Mishawaka as "very good teams" with good win-loss records.

Assisting Jones in Wawasee's bid for the sectional title are Assistant Coaches Gary Baker and Jack Marlette and Student Managers Rod Vanlaningham and Dave Kleeman.

TEAM'S IN A HUDDLE — Members of the Wawasee High School varsity basketball team are shown in a huddle around Coach Mike Jones.

# Coach Rhodes: Tigers could win the sectional

By DEB FOX

The Warsaw Tigers are expecting to be the favorite in the Triton Sectional and Head Coach Al Rhodes thinks the team rightly should be. "If we play well, we should win!" said the coach.

The Tigers are looking forward to the sectional and the coach feels it should be a good tournament.

Warsaw is a guard-orientated team and has been successful with that type of play. Strong points for the team are: The Tigers are a good defensive team and the team has been able to execute well on offense in some of the bigger games. Coach Rhodes also commented there is strength in the team's depth. He said he

plays eight or nine players per game and the team-depth is a positive factor for the Tigers. This is something they didn't have last year. The one thing Coach Rhodes feels they need is more consistency in their playing.

There has been no injuries plaguing the team this year, although they have had a couple bouts with the flu bug this season. "I hope that's over with," he said.

"Our sectional has always been very competitive. In high school basketball on any given night any team can beat the other. We've beat all the other teams who are in it. If we go in with the right frame of mind, any team in it could possibly win it," stated Rhodes.

Top players for the Tigers are Rod Brandenburg who averages 27.3 points per game; Eric Sebo with an average of 11 points per game; Monte Bollinger with 10 points per game; and John Snider is the leading rebounder with eight rebounds per game.

"I believe that all teams will be tough contenders, will come to play very hard and it should be a fine tournament," he concluded.

The above photograph appeared in black and white on a picture post card, submitted to the NEWS recently by Marjory Ferry Frederick (Mrs. John Frederick) of Leesburg, Florida. Her father mailed the post card to his uncle, Mr. Charles Ferry, R.F.D., Forestville, New York. He wrote: "Dear Uncle - This is a photo of Mr. Tucker's giant oak tree - 9 ft. in diameter and 62 ft. to first limb. It will cut out 10,000 feet of lumber. There are 60 men standing on it."

## PRE-SCHOOL ROUNDUP AT NORTH MIAMI ELEMENTARY

Homer D. Allen, principal at North Miami Elementary reports that the dates for preschool roundup at his school are now set for March 24-25.

The procedure which has been followed in past years is to invite preschoolers into the regular kindergarten classes while parents are completing enrollment and orientation procedures. Each prospective kindergartener will be spending 45 to 60 minutes in class with the teacher and present kindergarteners. After enrollment, parents will pick up students and return home with

them.

Two dates and times for enrollment are as follows: March 24 at 1:30 p.m. and March 25 at 9:30 a.m.

Requirements for enrollment in the fall are as follows:

A child must be five years old on or before Sept. 1, 1981.

Please take birth certificate or other proof of birth date with you.

Take a completed record of immunization with you. In case immunization is not completed now it must be completed before Sept. 1, 1981.

Immunization requirements consist of shots for tetanus, whooping cough, diphtheria, measles and Rubella and immunization for polio. A test for tuberculosis is also a state requirement.

If you have a prospective kindergarten student, the school asks that you call or write them before March 20, so that they may have an indication of how many students will be coming and which enrollment date you plan to use. The school phone is (317) 985-2251.

## TVHS CLASS OF 1976 PLANNING 5 YEAR REUNION

The TVHS class of 1976 is planning their five year reunion. If you are interested in attending or want to help, please contact Nina Hill, 507 E. Fifth, North Manchester, IN 46962, phone 982-7293; Lynne Jenkins Van Cleave, Rte. 1, Box 101, Silver Lake, 352-2814; or Pat Stiffler, Rte. 1, Mentone phone 491-3821.

Please call or write before March 7.

## GTE BEGINS \$13,000 PROJECT IN MENTONE

Construction crews from General Telephone Company of Indiana recently began a \$13,000 project in Mentone.

According to Ed Knafel, district service manager for this area, the project calls for the addition of new telephone cable to serve various portions of Mentone. "At this time more than 4,000 feet of new telephone cable is being installed to serve the current and future needs of our customers in Mentone," said Knafel. "General Telephone constantly analyzes this com-

munity in order to provide communications services when they are needed," he said.

The new cable will be placed along Harrison Street between Walnut and Morgan Street. Cables will also be placed along Morgan Street between Harrison and Maple Streets.

## AKRON MOTHERS OF WWII HOST DISTRICT MEETING

The Mothers of World War II, Inc. District II Convention met in the Fellowship Hall of the Church of God in Akron.

Units from Rochester, Mentone, Walton, Onward and Akron were represented.

Chairman blanks were read from the district after roll call and previous meeting minutes, Akron gave the welcome.

The Mileage trophy went to the Onward Unit.

The group recessed for a bountiful carry-in luncheon.

Dollie Miller of Rochester and Marilyn Stafford of Akron gave two readings each.

The afternoon sessions took care of delegates from the District to State Convention, Ruth Bowyer, past

president and Marilyn Stafford the new president were named.

Installed district officers were as follows: Marilyn Stafford,

president, Akron Unit; Marilyn Nicodemus, recording secretary, Rochester Unit; Rose Wilson, financial secretary, Onward Unit; Leona Patterson, treasurer, Walton Unit; Maude Romine, chaplain, Mentone Unit; Adeline Price, historian, Onward Unit; Pearl Horn, musician, Mentone Unit; color bearers, Mabel Alderfer, Akron and Marjorie McIlwain, Onward; color guard, Eva Dunkel, Walton, and Elizabeth Good, Akron.

A memorial service for 12 mothers was conducted.

Registration was announced and the next district meet will be in May at Walton, Indiana.

A bazaar table by three units, Knox, Monon and Mentone, netted \$35.20.

The meeting was adjourned by retiring colors, Bible, repeating the creed and singing "God Bless America."

## CLARA YEAMAN CELEBRATES NINETIETH BIRTHDAY

On Sunday, Feb. 15, Mr. and Mrs. Roy Meredith called on Clara Yeaman, who resides at the Peabody Home in North Manchester and who on the 14th, had celebrated her 90th birthday. Other callers were

Mrs. Wayne Atkinson of Rochester, Mr. and Mrs. John W. Stauffer of Elma Green and Mrs. Faye Miller of Bourbon. They have all had connections with the Akron area.

## ADVANCED CUSTOM CALLING IN BURKET

Burket telephone customers who have wondered what the "#-" and "\*" buttons are for on their Touch Calling phones, will have the opportunity to use those buttons as General Telephone Company of Indiana introduces several new, sophisticated

telephone calling services here.

According to Bob Ditslear, North Central Division manager for the company in this area of the state, General Telephone customers in Burket who have one-party service and telephones

## GTE BEGINS MENTONE PROJECT

Taken from the Feb. 23, 1954 issue of the Northern Indiana Co-op News:

Rev. Joe F. Bear announces that revival meetings will begin at the Burket EUB Church Saturday evening and continue nightly at 7:30 p.m. until Mar. 6.

The regular meeting of the Merry Molly's was held at the home of Mrs. Heston Creviston with Mrs. Everett Welborn as co-hostess.

General Telephone Company of Indiana, Inc. Indiana's second largest telephone company celebrates its 25th anniversary this year.

On Tuesday of next week the members of the Sophomore class will start the annual magazine subscription campaign.

Mr. and Mrs. Clyde Brugh and Mr. and Mrs. Harry Cole called on Mr. and Mrs. Garrie Rose Sunday afternoon.

Mr. and Mrs. Rex Yazel and daughters entertained at Sunday dinner honoring her mother's birthday, Mrs. Pete Blue.

Mrs. Marie Bartman of Plymouth spent Thursday with her mother Mrs. Nora Severns.

Mr. and Mrs. Joe Miller and Mr. and Mrs. Jack Miller were guests Thursday evening of Mr. and Mrs. Jim Miller and son.

"New Ventures on Old Roads" was the theme of the lesson presented by Rev. David Gosser at the meeting of the W.S.C.S. on Feb. 17 at the home of Mrs. Herman Olson. He also sang "O Master of a Walking World."

(Continued from page 1)

Knafel said wherever possible the new cable will be placed in conduit or buried to protect it from adverse weather conditions and to maintain the natural appearance of the landscape in this area.

## ADVANCED CUSTOM CALLING

(Continued from page 1)

equipped with Touch Calling will be able to obtain four new, advanced "Custom Calling" services.

The Custom Calling services consist of Call Forwarding, Three-Way Calling, Call Waiting, and Speed Calling. "All our Burket customers to whom Custom Calling features are available are being informed by mail about the benefits of the services and how they can be obtained," said Ditslear.

Call forwarding allows customers to automatically transfer their incoming calls to any telephone number of their choosing. "You no longer have to stay at home waiting for calls," said Ditslear, "they can follow you anywhere in your local calling area."

With Three-Way Calling, customers can talk to two other parties at two different locations at the same time. According to Ditslear, customers can actually

hold three-way conversations with friends, relatives or people they work with on community or business projects.

Call Waiting signals a customer with a soft, short tone that someone else is trying to call him or her when the customer is already on the phone. Ditslear stated that "without losing the first call, the customer can switch back and forth between the two calls."

Speed Calling automatically dials local numbers simply by pressing one or two digits on the telephone. This feature is available in eight-number or 30-number offerings.

Ditslear stated that Burket is one of the first areas in the state where General Telephone is offering these unique Custom Calling services. "We are extremely proud to be able to offer the services to our Burket customers," he said. "Custom Calling gives our customers some of the most convenient calling features available in the telephone industry."

Custom Calling services are among the many benefits of the new electronic switching center recently put into operation in Burket, according to Ditslear.

Customers with questions concerning the new services are asked to call the General Telephone business office listed in the front of the directory.

Ditslear stated that Custom Calling will be made available to other North Central Division customers as electronic switching centers replace older switching centers and the features can be added to the equipment. He said that the locations and timing of the introduction of Custom Calling in these offices is in the preliminary planning stages at this time.

## Gilead U.M.W.

The Gilead U.M.W. meet at the church for their February meeting. Hostesses were Nelle Lougheed and Marie Nestleroad. ## OUR HOOSIER STATE BENEATH US

INDIANA GEOLOGICAL SURVEY, DEPARTMENT OF NATURAL RESOURCES

MAURICE THOMPSON: A Talented Hoosier

Maurice Thompson was a successful soldier, civil engineer, naturalist, geologist, lawyer, legislator, poet, novelist, editor, and literary critic.

Born in Fairfield in 1844, he was the son of a prosperous Baptist minister. In 1853 the family migrated to northern Georgia, where they became plantation owners. Thompson was a scout in the Confederate army in the Civil War.

Returning to Crawfordsville in 1868, he became a civil engineer for the railroads. He later opened a law office and still later became a poet and a novelist.

He was appointed State Geologist of Indiana in 1885 and served until he resigned in December 1888.

"Alice of Old Vincennes," written about a year before he died in 1901, was his most successful literary effort.

Ronald Reagan's  
Wednesday  
night speech.

Mr. Reagan also made some other cuts that were, also in my opinion, ill advised. These cuts were in the following programs: MEDICARE, FOOD STAMPS, UNEMPLOYMENT COMPENSATION, and STUDENT LOANS. (CETA was completely canceled.)

The situation that this country finds itself in, at this point in time, leads one to think that these programs should be the last to be cut, rather than, as Mr. Reagan thinks, first.

Mr. Reagan stated that these programs will still be in effect, but only for the truly needy. He further stated that the government will decide WHO these needy people are.

In one respect, this is a good idea, however, this leaves the field wide open for the old political game of playing favorites. That is to say, when some one whose income is slightly higher than is allowed under regulations has a friend in the assistance office of his choice, and that friend will bend over backward to get the aid for old buddy, while refusing the same thing for a stranger in the same situation.

This administration, as all others in the past, totally ignores the obsolete "temporary" agencies, some of which are over one hundred years old, all of which are fully staffed, and all have fulfilled their functions many years ago.

The disposal of these, and other "deadhead" jobs, which are usually filled by some senator's half-witted third cousin, would go a long way to stemming the wast in government spending and help balance the budget.

Another form of waste is certain government loans to admittedly unfriendly foreign powers. This, to me, is the stupidest form of waste that this government, or any other, can allow to continue. Why should we support, feed, or prop-up another country, whose sole aim is to rob, belittle, or undermine us? We have been feeding the Soviet Union, who wants to overthrow us; we have been arming the Arab countries, who turn around and jack up the price of oil; and we have pulled France out off the fire several times, only to get the shaft in the end, after rebuilding, feeding and re-arming that country.

How long can we go on by cutting our own throats, while throwing money across the seas, and get nothing but abuse in return?

Mr. Reagan, answer the last question to the satisfaction of ALL the American people, if you can, if not, then I suggest that you RETHINK your economic policy.

elect officers

The Akron Henry Willing Workers, directed by Peg Arthur, held their first meeting on Feb. 16.

They had a lot of fun! They played a game, sang two songs, elected officers, said the 4-H pledge and enrollment cards were passed out.

The officers are these: president, Brenda Wright; vice-president, Angie Harsh; secretary and treasurer, Brenda Arthur; reporter, Ellen Burdge; health and safety, Julie Yochum; song leader, Mindy Thompson; and devotions, Stacy Loer.

The songs were "Working on the Railroad" and the 4-H song led by Patty Stout. The 4-H pledge was started by Jamie Murfitt and the American pledge was started by Jenny Shafer. Refreshments were furnished by the Arthurs.

Enrollment cards are due by April 1 at the Extension Office or March 30 to leaders.

The next meeting is March 16 at 7 at the Lions' Den.

New Books at Akron  
Carnegie Public Library

POINCIANA by Phyllis Whitney -- Poinciana is a novel whose twists are intriguing, whose turns are as unexpected, and whose background is as lushly beautiful as the luxurious mansion from which it takes its name.

WHEN BUFFALO FREE THE MOUNTAINS by Nancy Wood -- The awakening of the American conscience to the unfair and sometimes criminal treatment of Native Americans has few stronger advocates than Nancy Wood, the author of this journey into Ute territory.

SOLOMONS SEAL by Hammond Innes -- From England's master of high adventure, a gripping novel of sorcery, romance and intrigue set in the exotic islands of the South Pacific. This is the tale of three generations of the Holland family, from the founder of the shipping line that bears his name to his myriad descendants now enmeshed in a conflict gothic in its secrecy and complexity.

ANNIE, AN OLD-FASHIONED STORY by Thomas Meehan -- You know her as the irrepressible star of the comic page and the Broadway stage. Annie recalls a bygone age in America when life was poorer but simpler, when basic virtues really counted, and when both hope and despair gave life a vividness that it lacks today. This is a reading experience every American family should have.

THE EDUCATION OF LITTLE TREE by Forrest Carter -- Little Tree was five, and an orphan, when he went to live with his Cherokee grandparents in their Tennessee log cabin, with the mountain at its back and the clear water of the spring branch in front. This autobiographical story of Forrest Carter's boyhood illuminates the almost mystical communion between the Indian and his land - a feeling that goes far beyond what we call ecology.

FEELING GOOD, THE NEW MOOD THERAPY by David D. Burns -- With compassion, firmness, and insight garnered from impressive biochemical research and years of experience with patients, Dr. David Burns has written a book that offers a first of its kind approach to depression prevention.

## Richard Ralston at Akron Women's Club

Education was the focus for Akron Women's Club, Feb. 5 in the Akron Library basement. Richard Ralston, Tippecanoe Valley School, offered an overview of the Adult Basic Education program in the Akron-Mentone community. Ralston is the program coordinator.

Thanking the club members for the opportunity to attend Indiana Girl's State last summer, Tami Walgamuth, TVS senior, reported on the week-long experience of democracy in action. Participation in the party caucus, campaign for election, and the closing ceremony of installation teaches students about our government, she said. Her required course in government during her senior year was much more educational because of the Girl's State experience, Tami said. Daughter of Mr. and Mrs. Terry Walgamuth, Tami was sponsored at Girl's State by the Akron Women's Club, Indiana Federation of Women's Clubs.

Bringing 16 years of experience to the community education field, Ralston told about recreational and enrichment classes offered as well as the continuing high school and General Education Development testing preparation available to persons of the community who have need.

Also offered are classes for persons whose second language is English. One such class of 13 Spanish speaking students meets on Saturday mornings at the Akron Church of God.

Locally run, the adult education program improves communication and coordination between the school and the community, Ralston stated. He spoke about the newly-formed advisory council which helps identify need and evaluate programs. Club member, Dot Lynn, serves on this council. A resource book of the services available to the community has recently been prepared. Arrangements for "Job Shadowing" which allows students to spend a day on the job with persons in their chosen career was developed with the council advising.

Kathleen and Marilyn King and Tana Tinkey, TVS music students, presented vocal and piano selections. The King sisters competed at the State Music Contest Saturday.

Mrs. Betty Stutzman presided during the business meeting. She urged support for the so-called "bottle bill" pending in the state legislature calling for litter clean-up and called attention to the District Art Contest and the Craft Fair, all IFWC projects. Call to County Convention slated March 9 at Bethlehem Baptist Church with Pleasant Valley, Club, IFWC, hosting, was given. Mrs. Helen Day is handling the foil collection project. The winning club is awarded funds for tree planting.

Rochester Women's Club will be the guests of the Akron women on March 5. Mrs. Imo Tucker and Mrs. Violet Gagnon served refreshments.

## Service Notes

### James W. Green

Chief Master Sgt. James W. Green, son of Willis I. Green of 7338 N. 19th Ave., Phoenix, Ariz., and Naomi R. Brockey of Route 7, Rochester, is a member of the outstanding maintenance complex in the Strategic Air Command.

The complex, part of the 5th Bombardment Wing, Minot Air Force Base, N.D., will now compete for the Daedalion Maintenance Trophy, the Air Force's most prestigious maintenance award. Set up by the Daedalion Foundation, the award is named for Daedalus who, according to Greek mythology, was the first to accomplish heavier-than-air flight.

### Jeffrey C. Smith

Marine Pvt. Jeffrey C. Smith, son of Philip L. and Marianne Smith of Route 2, Silver Lake, has reported for duty with 2nd Battalion, 3rd Marines, 1st Marine Brigade, Kaneohe Bay, Hawaii. He joined the Marine Corps in July 1980.

### Thomas M. Briggs

Airman Thomas M. Briggs, son of Mr. and Mrs. Richard E. Briggs of R.R.1, Macy has graduated from the U.S. Air Force special vehicle mechanics course at Chanute Air Force Base, Ill. Graduates of the course learned how to inspect, service and repair special vehicles used by the Air Force, and earned credits toward an associate degree in applied science through the Community College of the Air Force. Briggs will now be stationed at Minot Air Force Base, N.D.

In 1922 24-year-old Englishwoman Theresa Vaughn, charged with bigamy, was found to have 61 husbands.

## 4-H Achievement Books

Seven of the 23 young people honored for their 4-H Junior Division Achievement Books at Warsaw last Wednesday were from the Tippecanoe Valley School District. These were Eric Toetz and Doug Hathaway from Burket Busy Bees Club, DeWayne West and Betty Smith of Mentone United 4-Hers, Katti Jo Stroup, Julie VanDeWater, and Leslie Van DeWater of American Guys and Gals.

Older 4-H members may enter an Achievement Book in one or more categories. The best book in each category is sent to the state contest. Dorothy Hathaway was the Kosciusko County winner in both Conservation of Natural Resources, and Bread. Darlene Hathaway's Diary achievement won over her sister Daine's. The Beef Achievement was a contest between sisters also, with Tammy West ahead of Connie. DeShawn VanDeWater's Crafts Book will also be in the state competition.

## Akron Senior Citizens

by Onda Good

The Akron Keen-agers are enjoying the spring-like weather and the sure footing. And some thoughts are turning to gardening. The gardening we do in our head is easier on our muscles than the gardening done in May and June. So, dream on! The hard work will come soon enough!

The "good old days" will be the theme for the month of March at the Akron Nutrition Site. Pictures and materials will be shared but mostly just a lot of reminiscing of the good old days. There will be a first hand discussion of topics such as home remedies, the one room schoolhouse, the spring house as a refrigerator, the smoke house, the summer kitchen, the 14 or so pies baked and placed in the pie saver, the butchering, the threshing ring dinner under the big Maple tree and many, many others, only Keen-agers can discuss with authority. Hope you plan to come share your yesteryear thoughts.

Thursday, Feb. 26 will feature a carry-in lunch as well as facts about the new Akron Housing Project. An official of the project will talk to the group about the new project and answer questions about the low and middle income housing. This housing unit will be ready about July 1, 1981.

The March birthdays will be celebrated on Thursday March 12. The blood pressure clinic will also be on that day. For information or reservations please call 893-7204 or 893-7263.

Scheduled menus for the week of March 2 - 6 are:

Monday: Swiss steak, whipped potatoes, gravy, spinach, brown bread, chocolate pudding, milk, coffee.

Tuesday: Homemade beef vegetable soup, peaches, peanut butter sandwich, crackers, cake, milk, coffee.

Wednesday: Fried chicken au gratin potatoes, chopped broccoli, hot dinner roll, applesauce, milk, coffee.

Thursday: Spaghetti and Meat Balls, peas, cole slaw, wheat bread, cake, milk, coffee and many tasty foods from the kitchens of the Akron Keen-agers.

Friday: Baked ham, green beans, sweet potatoes, brown bread, fruit jello, milk, coffee.

## Akron Lunch menu

March 2 - 6

Monday: Pizza - Jr. High Spanish or plain hot dogs -Grade School. French fries, green beans, and mixed fruit.

Tuesday: Turkey roll, sweet potatoes, lettuce salad, fruit and cookie.

Wednesday: Smokies, buttered potatoes, spinach with bacon, pineapple upside down cake.

Thursday: Tenderloin sandwich, pickles, potatoe salad, peas and chocolate pudding.

Friday: Submarine sandwich, chips, cole slaw and jello cubed with bananas and whipped topping.

Daylight Savings Time went into effect in the United States for the first time on March 31, 1918.

## New guidelines set for School

### Lunch Program effective March 2

Tippecanoe Valley schools have announced that due to the recent passage by the U.S. Congress of Public Law 96-499, a change has been made in the current income poverty guidelines used to determine eligibility for free and reduced price meals for children unable to pay the full price of meals and milk served under the National School Lunch Program and Special Milk Program. The new guidelines and any adjusted benefits will be effective on March 2.

The new family size income criteria for determining eligibility is listed in the order of family or household size; free meals and free milk for annual, monthly and weekly incomes; and reduced price meals for annual, monthly and weekly incomes.

Children from families whose income is at or below the levels shown are eligible for free or reduced price meals and free milk.

In addition, special hardship deductions have been disallowed for the remainder of this school year. For example, high medical bills, disaster or casualty losses, strikes, shelter cost, or special education expenses for children. In place of the special hardships provision, a standard deduction has been applied to the guidelines printed in the chart.

All applications currently on file in the Principals' offices will be re-examined against the new guidelines. Any family whose benefits under the program will be reduced or terminated due to the new guidelines will be notified in writing 10 days before the change goes into effect. Families which have not previously applied but may now be eligible to receive benefits under the new guidelines may apply to receive free or reduced price (20 cents) meals and free milk. Applications are available at the principal's office in each school.
