## Sectional moved to Triton

The sectional high school basketball tournament that has been played at Warsaw for the last several years was switched to Triton high school's new 3,502 seat gymnasium at Bour-

bon Monday by the Indiana High School Athletic Association.

The same teams that have formerly played at Warsaw will play in the Triton sectional--Akron, Mentone, Rochester, Warsaw, Wawasee and Triton.

Winner of the Triton regional will go to the Elkhart sectional, as did the Warsaw winner previously. Also returned to that regional were the winners from the Columbia City, La-ville and Elkhart sectionals.

## Savage Services Is Akron's Newest Business

A new business, Savage Services, opened in Akron this week. Owners

and operators are John Savage and his son Bob. The business is located in a new building recently constructed at the corner of No. Maple and East Walnut streets.

John Savage has been in the garage business for 20 years at Macy. He recently sold that garage.

The new Savage Services will specialize in rebuilding engines and automatic transmissions, air conditioning, alternators and generators.

## Car Found

A 1969 Dodge station wagon stolen from the Lloyd Saner residence last week was found at Atwood the day after it was stolen. The car was out of gas and the fuel pump was no longer functioning but there was no damage to the body. Residents of the area reported having seen a young boy in the car.

## Akron to play in 4-way

The 4-way basketball tournament involving Akron, Bryant, Pierceton, and So. Whitley will be played in the Manchester High School gym on Jan. 7 and 8. The game time for the first game of the session is 7 p.m. with the doors opening at 6 p.m. Season tickets for the tourney may be purchased at each participating high school prior to the first session for \$2. The session ticket price is \$1.25 per session. So.

Whitley and Bryant will play the first game with Akron and Pierceton meeting in the second game. The consolation and championship games will be played on January 8.

## Sparks Appointed

The Akron Town Board recently appointed Garland Sparks to be in charge of the street department and water works in Akron.

## Hold Two For Break-In

A large force of officers from the Fulton and Kosciusko county sheriff's departments and state police took Gary Gene Southerton, a former R. 6, Rochester, resident, into custody Saturday and lodged him in the Kosciusko County jail. Southerton, an escapee from the Indiana State Reformatory at Pendleton, was serving a term at the reformatory for second degree burglary. Southerton was arrested at a farm home near Mentone and had in his possession a car-load of items identified as merchandise taken in the Dec. 18 burglaries at J & J Auto Parts and the Mentone Service Center.

The J & J firm was left in shambles by the intruders and damage was

estimated at more than \$1,000.

Southerton, who was booked at the jail by Deputy Sheriff Stanley Holderman and Peru Post State Police detectives Don Smith and Glen Hosier, also had in his possession an auto stolen last week at Twelve Mile.

Later in the day Holderman arrested Thomas Ousley, 18, Macy, on a Warsaw City Court warrant charging theft in connection with the Mentone break-ins. Both men remain in the Kosciusko County jail.

## Bob Gray Is New Fire Chief

Bob Gray was elected fire chief of the Akron fire department at its reorganization meeting. Cont. on back page

THE JUBILEERS GOSPEL QUINTET will be at the Akron Church of God on Sunday, January 10th at 7:30 p.m. This group was organized in March of 1967 and since that time has sung throughout the state of Indiana and parts of Michigan. They have cut two LP records that are for sale. Members of the group are Ralph and Ann Bushong, Cal and Helen Knapp all of Syracuse, and Beverly Sponhauer of Ligonier. You are invited to come and hear their messages in song.

## Bones could be Roberts

Dr. George Neumann, an Indiana University bone specialist who performed tests on the exhumed body in the Clarence Roberts case said last week that if the victim was not Roberts he was "very much like him."

Dr. Neumann said, "I have made a very careful comparison of the one X-ray that is known to be that of Roberts with the X-rays of the cadaver and also some of the bone structure of the cadaver. I was unable to find any kind of unusual condition which would make a positive identification."

He noted, however, "As a whole, there is nothing actually incompatible with the matching of the known X-ray with the cadaver. All the structures--bone as well as age determination, the stature, the height of the individual--the two could very well be the same. There is absolutely nothing that would speak against that."

He summarized his remarks by saying that if the victim were not Roberts, "it would be a man very much like him."

The charred body of the victim was found the night of Nov. 18 in the burned ruins of a garage-barn behind the Roberts home in Brown Co. The victim was first assumed to be Roberts, former owner of elevators in Akron, Mentone and Claypool, and the death was assumed to have been a suicide. A shotgun was found beside the body, but an autopsy later determined the cause of death was carbon monoxide poisoning, and that the victim was dead before the fire.

Investigators from the State Fire Marshal's office determined the fire had been set.

Other tests on the body have been made but the results are not yet available. Dr. Neumann said he had recently been informed of another known X-ray of Roberts that was available for investigation and that he was interested in comparing that X-ray with the information he was already seen.

Dr. S. Miles Standish, an oral pathologist at the Indiana University School of Medicine who was present for the examination of the exhumed body, said he had completed his examination of the one tooth found with the victim's body and that he had taken X-rays of the victim's mouth and compared them with Roberts' dental records. He declined, however, to release his findings. He referred questions on the subject to state police who in turn referred all questions to Sgt. Donald Kuster, who has been leading the investigation to determine the identity of the victim.

Dr. Neumann was quoted as saying he still had more information to gather and that as far as he was concerned the case is "still wide open."

## "Children's Story Book" Characters To Be 4th Parade Theme

The theme of the 1971 Akron 4th of July parade floats will be "Children's Story Book Characters," according to Dr. Charles Miller, the chairman of this year's 4th of July event.

Dr. Miller said that

out of town entries will be judged separately in the event any of the floats are already built and do not fit the chosen theme.

Dr. Miller will be assisted by Norman Tinkey and Gil Jenkins.

## "Christ And The Concrete City" To Be Presented Friday

"Christ and the Concrete City" starring Pam Abbey, Mentone, and Nate Everett, formerly of Etna Green, will be presented January 8 at 8 p.m. in the Mentone gym by members of the Indiana Central College Drama Department.

The play is a dramatization of the life of Christ in two ages, the first century and the 20th century. It portrays how two different generations react to the same situations with

both portrayals being carried out simultaneously by the same group of actors. Time and place are universal.

The public is invited to attend this unusual and moving program.

## My Opinions & Observations

What is wrong with our youth today? Beginning with World War II what have the young boys of high school age had to look forward to except chiefly the army and war thousands of miles from home? That takes away the mutual fellowship between boys and girls and society. I have watched many parades and other activities by these youngsters. Without a special talent and great amount of energy and hard work and study it would be impossible. They make a great to-do about the wrong things these youngsters do, very little is said about the worthwhile things they accomplish. I am sure they are entitled to a lot of praise and consideration and the good far outweighs the bad.

I am sure if given a chance our youth will be OK and good solid citizens. I am for the youth. We had four. "New Year's Day 1971" The world is such a pretty place today. Everything is beautiful in its own way. Love is a many splendored thing.

In the past few days we have seen the Concord High School band from nearby Elkhart, the Bosse High School band from Evansville had a very large band in the Orange Bowl parade.

We have watched the singing groups of youngsters entertain properly and wonderfully with these very worthwhile show of talent and dedication, I sincerely believe there is much good in our youth of today. There must be a way for them.

I believe with our great educational system for each one having a goal and will strive for that goal a way will be made for them and their achievement will be reached and fulfilled.

We do not condone violence, vandalism, rioting and looting, burning and destruction of property. This is not and cannot be the answer to what a minority are demanding. We need much prayer and place our faith, hope and trust in a loving God and saviour who will not leave or forsake his children.

We pray for Christian brotherhood and fellowship and this world will be a better place in which to live. Prayerfully, The Fowlers P.S. Just Something To Think About.

Many people were much disappointed and disgruntled not to say inconvenienced by the bank in Mentone being closed Saturday. With the Social Security and Vet-

erans checks both here and no place to cash them. Why you are on a fixed income of dollars to budget for a certain number of days you do not appreciate this kind of thing. My experience was it was ill-advised and inconsiderate. It also worked a hardship on us and disrupted our plans of living and meeting our obligations. Just our observations. Thanks Bill Fowler

### LETTER TO EDITOR

As Bob and I were getting ready to retire Wednesday evening, our front door bell rang and as I opened the door, beautiful Christmas music started to fill the air. As Todd and I wiped the steam off the storm door to see where the music was coming from, we saw approximately twenty senior girls standing on our porch singing to the top of their voices "We Wish You A Merry Christmas".

I've done caroling from little up and have always wondered what it would be like to have someone caroling at my door. What a thrill! Now I know and what a wonderful gift coming from our young people.

These girls had been invited to a party and rather than sit by the fire and enjoy the lovely home, they were being entertained in, they chose to brave the cold and windy weather and travel all over the country side to bring joy to others.

We are prone to reprimand our young folks for a lot of wrong doings, of which I'm guilty too, but we've got a lot going for us in the future with a generation like this coming on.

I feel these young folks don't have too much to look forward to with prices rising higher all the time, war and strife everywhere and dissentment at every hand, but how thankful we can be that they can tower over these handicaps and can be the great young people they are. Kids, you're the greatest. Thanks girls for a real thrill.

Mrs. Robert Hoffman

## To The People Of Akron

I have had the privilege of being your Clerk-Treasurer for seven years and have enjoyed it very much. I was fortunate to have good Town Board members those seven years and they all worked as a team. It did not appear as such to some, but I assure you, they always had the people's well being foremost.

To clear the air on the sewer project, it is only right that I report the reasons for some of the decisions. First, keep in mind it was something that had to be done, if not now, within the next two years. Second, the board went ahead when they did to secure the \$181,950.00 Federal and State grants which were approved for the Town. This is money that the Town received which does NOT have to be repaid. This cut the cost of the system from \$496,950.00 to \$315,000.00, the amount the Town had to borrow. The Board chose to sell the bonds for 15 years rather than for 25 years. This made the bonds easier to sell on short term and also saved the people of Akron several thousand dollars of interest money. The Board also chose to charge the interest charges during the construction period to the users to save having to sell an additional \$25,000 worth of bonds and then add that to the rates when the system went into operation.

This would have raised the cost approximately \$1750.00 for the interest on the \$25,000.00 each year. This system is a beginning and will need to be constantly improved from now on as revenue comes in. There has never been a sewer system installed of any type that will work without maintenance and constant repair and improvement. The sewer system is a public owned utility as is the Water Works and each resident owns a part of it. The present and future Town Boards only manage the business for you.

The present Board, following well-laid plans by previous Boards since 1957, has managed the Water Works well and the Water Works is now in position to be improved. A study of the Water Works is being made at this time and will be presented to the Town Board in 1971.

Akron has a great future and is very fortunate in having good civic minded citizens. I thank all those who encouraged me when I needed encouragement, supported me when I needed support and criticized me when I needed criticism.

We will continue to live in Akron and assist with any project for the good of Akron and the people living here.

Thanks again for the honor of being your Clerk-Treasurer. Merrill O. Kendall

### Dear Editor:

We had a very pleasant Christmas day. Mr. and Mrs. Paul Rush, Ann, Barbara that straight-A student, and Bill from Syracuse were home. Mr. and Mrs. Keith Fowler and Ruth Ann and Susan Kay from Ft. Wayne were home with us. Our oldest grandchild, Judy Ellen Martin, was with us five days, coming down from Chicago. The other children, the Dick L. Martin family, Mike and Rosemary were not home. The weather prevented their coming to be home for Christmas. So much snow. We had a bountiful dinner, a gift exchange and fellowship together. We were overwhelmed and deeply touched by the kindness and thoughtfulness of friends in Mentone. I would hate to state without hesitation, no sane person with an ounce of intelligence could be angry with or have any grudge against Mrs. Fowler.

We lost a fifteen year old son at Christmas time in 1939. A brilliant high school sophomore. We have had a loss and sorrow. We never questioned why or God's calling our son to that heavenly home. It is our wish to meet in that eternal heavenly home.

Thanks so very much. The Fowlers

## ASCS News

According to Clem Good, chairman of the Fulton Co. Agricultural Stabilization and Conservation (ASC) Committee, new information on the 1971 farm programs has recently been announced.

"First of all, the signup period for the feed grain, wheat, and cotton programs will be March 1 through April 9. Between now and Mar. 1, we expect to announce all details of the program which will be operated under the new farm law, the Agricultural Act of 1970," Good said.

Final determination on set-aside acreages have not been made, but a tentative 20 percent set-aside for feed grain and a set-aside of between 60 and 75 percent domestic wheat allotment have been announced. The set-asides for these two crops will not exceed 20 percent on feed grains and 75 percent on wheat. The cotton set-asides will not exceed 20 percent of the farm acreage allotment.

Additional details on the new farm programs will be announced on a program-by-program basis, the ASC Committee chairman said.

The Akron Commercial Club met in its own new rooms over the Wilhoit and Hoffman meat market last Monday evening in regular session with nearly fifty members present, E.A. Gast in the chair and Earl Leininger secretary. The club is a vigorous proposition, active, in deed earnest and careful. Business is transacted with neatness and dispatch to the entire satisfaction of the membership. Out of town commercial interests are already taking notice of this young but forceful organization.

Dr. W.E. Hosman has been appointed local surgeon for the Winona Company for 1911.

We had the pleasure of visiting our Akron school building one morning this week and we are pleased to confess that we were surprised to find such splendid conditions existing and such a valuable up-to-date property for school purposes. In 1909 a complete steam heating system was installed to take the place of the old hot air system. The sanitation in drinking fountains and the toilet was finished during the holidays and the pupils and students are now enjoying the new surroundings which are as perfect and complete as any city in the state has--excepting that sewerage is not yet secured. This will follow when the town furnishes sewerage. There are no tin cups used. There are two enameled drinking fountains, one on each floor from which the pupils get their drink. It is a novel method and very striking to pupils. The first day after they were ready for use, it is estimated Lew Wade pumped them 1200 gallons of water not that the pupils and teachers drank that much, but used it in practicing the new method of drink. The water is pumped with a small gasoline engine which Mr. Wade runs while he is about his other work.

## It Happened In Mentone

Taken from Jan. 10, 1940 issue of the Northern Indiana Co-Op News

Within the next few days a business survey will be started of the rural areas surrounding Mentone for a distance of at least five miles. This survey is being conducted by the merchants and business men of Mentone for the purpose of learning how they can improve the trading facilities of their town to more widely meet the needs of their customers and attract new ones.

## NEW BOOKS

BELL MEMORIAL LIBRARY

New books at the Bell Memorial Public Library include the following:

UNBOUGHT AND UNBOSSSED by Shirley Chisholm. The author's own story of how she became the first black woman to be elected to the Congress of the United States and how she assesses her role as a black woman in politics.

CLEAR FOR ACTION by Noel B. Gerson. A biographical novel about David Farragut, America's greatest Naval hero since John Paul Jones.

GREEK WEDDING by Jane Aiken Hodge. A romantic novel of suspense and adventure set in Greece during the 1821 War for independence against the Turks.

WHITEWATER by Paul Horgan. A major novel about the past and present of a town in the Texas Panhandle.

CARAVAN TO VACCARES by Alistair MacLean. A fast-action novel set in an unusual area in the southeast corner of France. Ostensibly it is the story of a gypsy pilgrimage, but the inner plot is much more sinister.

## Jimtown Captures NorthWood Tourney

The Mentone Bulldogs put up a commendable fight against the strong field in the NorthWood Holiday Tournament but finally succumbed to the Jimtown Jimmies, 84-68, and the NorthWood Panthers, 68-53.

In the first game on Monday night, Concord upset NorthWood to avenge an earlier loss to the Panthers on Dec. 18, 75-59. Concord led by nine at the start of the final quarter but NorthWood staged a rally that brought them the lead with 13 seconds left but a field goal and two free throws by VanderReyden with two seconds left brought Concord the win, 68-65.

In the second game of the evening, Jimtown fought off a last quarter rally to top the Bulldogs, 84-68. Mentone jumped out to an early 8-1 lead but the Jimmies finally got warmed up to trail at the end of the first quarter 15-14. In the second quarter the Jimtown team used a zone press to produce numerous Bulldog errors and ran up 32 points to 16 for Mentone and held a 46-28 lead at half-time. Both teams played evenly in the third stanza with gaining two points for its lead, 65-45. Mentone threw a scare into the high scoring Jimmies midway through the last quarter when the Bulldogs started a rally that brought them from 24 points down to within 10 points, but Jimtown finally stemmed the flow of points to take a 84-68 win into the championship against Concord.

Both teams hit 40% from the field, Mentone hit 23 of 57, and Jimtown hit 34 of 84. The Bulldogs converted 22 of 32 free throws for 68%. Jimtown connected on 16 of 25 for 64%. Rebounding ran close with Mentone pulling in 35 to Jimtown's 41. Tim Peffley led Mentone in scoring with 20 followed by Steve Reed with 18. Tim Smith had 12 and Ken Anglin added 10. Kim Berlick captured scoring honors, throwing in 26 for Jimtown.

In the consolation game of the tourney Mentone took on NorthWood and gave them a real battle before going down to defeat for the seventh time in eleven outings.

NorthWood dominated the first quarter action and bounced out to a 5-point first quarter advantage 17-12. Mentone fought back in the second stanza to pull into a one point lead but fell back to go into the dressing room down by 3, 29-26. Mentone remained within striking distance throughout most of the second half but

the Panthers edged away from the Bulldogs slowly and led at the end of the third quarter, 48-41, and at the final buzzer 68-53. Mentone allowed NorthWood to score 20 points in the last quarter to the Bulldogs 12 as they were playing with caution due to the fact that the Bulldogs' leading scorers, Ken Anglin and Steve Reed, were playing with four fouls.

The Bulldogs out-rebounded the NorthWood five, 50-35, led by Ken Anglin's 21 including 16 in the first half. Mentone was outshot all the way around as the Panthers hit 29 of 73 for 39% from the field and 10 of 15 from the foul line for 67%. The Bulldogs could put in only 18 of 55 from the field for 33% and 17 of 27 for 59% from the charity stripe. Errors took a big toll on the Bulldogs as they committed a total of 54 errors during the tourney.

Anglin led the Bulldogs with 18 points including 10 free throws. Tim Smith added 11 to the Bulldog cause. NorthWood's Frick was the night's high point man with 19.

In the championship tilt, Jimtown captured the crown by defeating Concord 78-67 in what was a close contest until the final minutes when Concord's foul trouble took its toll. Jimtown is 8-1, Concord is 5-5, NorthWood is 7-4, and Mentone is 4-7 after the tourney action.

The Bulldogs are back in action Saturday night when they take on West Central and their possible all-state candidate, Phil Tom. The game will be played in the Mentone gym.

The Jimtown B-teamers came away from the NorthWood B-team tourney with another trophy for their case as they ran past Mentone and Concord. In the first game the Jimmies beat a flustered Mentone by a 60-35 count. Lee Barker led the Bulldogs with 11 points. In the other first round game, Concord slipped by Nor-

thWood by one point in a highly competitive ballgame. The consolation game found Mentone meeting NorthWood and the Panthers came off the victors by 57-38. Gary Sponseller led the Bulldogs with 16. Jimtown nabbed the championship tilt by slipping past Concord on a last second shot, 39-37.

## Killed At Atwood

Gary K. Lawmaster, 24, R.1, Bourbon, was killed early Thursday morning when his car crashed head-on into a semi-trailer and tractor on a U.S. 30 curve about one-fourth mile east of Atwood. He had been critically injured in a single-car crash on SR 331 north of Bourbon about five years ago and had recuperated from severe injuries suffered when his auto struck a tree.

Lawmaster, the son of Clifford and Eva Thompson Lawmaster, was born in Warsaw Aug. 20, 1946 and had been a resident of the Bourbon area most of his life. He was an employee of the Lawmaster Bros. Roofers of Bourbon.

Surviving are his parents; his widow, the former Peggy Ronk; a son, Troy, three-years old; a daughter, Mindy, 11-months old; two brothers, Larry, R. 1, Bourbon, and Bruce, at home; two sisters, Mrs. Lee (Sandra) Anglin, R. 1, Bourbon, and Nancy, at home. Also surviving are his paternal grandmother, Mrs. Signe Lawmaster, Tippecanoe, and the maternal grandparents, Mr. and Mrs. Alva Thompson, Argos.

Funeral services were conducted Saturday afternoon at Bourbon and burial was in the Pleasant Hill cemetery.

## Some Plants

### Tolerate More Salt Than Others

Homeowners using salt for snow or ice removal on sidewalks or driveways should use care in applying the "melter." Regardless of the type of salt use, whether it is table salt, rock salt or ice cream salt, salt is still sodium chloride says Area Extension Agent in Landscaping, Lawrence L. Hoyle.

Another popular de-icing compound is calcium chloride. Both of these materials are salts. Research evidence has pinpointed the chlorine in these salts as a potential troublemaker.

Too much salt applied during the winter months can injure, burn or kill some grass or ornamental plants. Excessive amounts of salt can change the soil acidity thus causing some fertilizers to be unavailable, says Hoyle.

Salt injury often resembles drought injury and is hard to pinpoint unless special tests are made. Plants affected by salt will show reduced growth, burned leaves or wilting.

Plants with a low tolerance to salt are Kentucky bluegrass, roses and sugar maples. Many plants have a moderate tolerance to salt. Few trees such as the oaks and Honey locust have a high tolerance to salt.

Newly set trees should be staked to prevent them from being disturbed by heavy winds and snows, suggest Extension horticulturists at Purdue University.

Duane Hackworth led the scoring honors for the Flyers with 20 and was assisted by Mike Love with 13.

However, Akron lost its bid for the tourney crown in the final game by being defeated by Triton 71-63.

Four of the Flyers had double-figure points for the evening with Mike Love leading with 15, followed by Duane Hackworth and Dick Geiger with 14 and Dale Thomason with 11.

# 1971. You've changed. We've changed.

**Change. That's what it's all about this year. And that's what we mean by putting you first.**

These are uneasy times.

There are major concerns. About pollution. About safety. About the economy. About your hard-earned dollar. We know.

For the past 10 years Chevrolet research people have questioned thousands of people on every subject from rising taxes to the size of the glovebox in their cars.

We've found that price and maintenance costs, trade-in value and quality have become tremendously important.

Your car has to work. It has to last. And each new model must have more built-in value.

At Chevrolet, we understand. You want meaningful change. And our aim is to give that to you, as you'll see in the 1971 Chevrolets.

**Caprice. The biggest, most luxurious Chevrolet ever. A complete change.**

Bigness in itself is nothing.

But if it allows you to lengthen the distance between the front and rear wheels (which we did), then you've got something.

You've got a smoother ride.

The idea in the 1971 Caprice was to give you the looks and comfort of a six- or seven-thousand-dollar car, without asking you to pay anywhere near that much for it. And above all, to build in as much dependability and security as possible.

So we changed the body structure for 1971, too. We made it stronger. And we made it quieter by putting a double layer of steel in the roof.

Caprice, as you can see below, is a lot of luxury at a Chevrolet price.

**Vega. The littlest Chevy ever. It wasn't changed from anything.**

Before building Vega, we read everything we could get our hands on about little cars. We talked to owners. We studied little cars up one side and down the other and, literally, tore them apart. We found out what made them tick, or why they didn't tick.

What ticked were gas economy and dependability. What didn't were underpowered engines, cramped quarters and getting blown around in the wind.

In our little Vega, everything ticks. It's not just another little car. You didn't want *that*. It's one little car that does everything well.

## News Of Interest To Homemakers

by Ann Hancock, Area Extension Agent  
Kosciusko County

Many homemakers are putting carpeting down in their kitchens along with every other room in the house. There are several advantages to kitchen carpeting. It absorbs noise and is soft underfoot so it makes kitchen chores more enjoyable. Some homemakers feel that it is easier and less costly to maintain. The major disadvantage is that many of them are heat sensitive and will melt when exposed to extreme heat from hot grease or utensils dropped on the carpet.

The two major types of kitchen carpeting are olefin and nylon. The olefin is less expensive. It has a felt like appearance and is usually referred to an indoor-outdoor carpeting. The nylon carpet is made of a high density series of loops. The nylon carpeting is backed with a foam rubber cushion. The nylon type is preferred because moisture can penetrate the felt like olefin carpeting causing rotting or mildew of wood flooring. Other types are avail-

able including carpet tiles and acrylic carpeting.

Cleaning kitchen carpeting is basically the same as for other carpets. Vacuuming will probably need to be done more frequently since crumbs and food particles are present. Mop up spills as they occur. Usually they can be blotted up. Then follow by sponging the area with detergent suds or carpet shampoo. Blot dry with an absorbent material like paper towel. Spilled grease must be removed with a grease dissolving agent such as a dry-cleaning fluid

or ask your dealer what is best on your type of carpeting.

**POPPY SEED CAKE**

## Prices, Scrap and Pollution

Recently, the price of steel scrap took its sharpest dip in nearly 20 years.

Naturally, this hurts the scrap processing industry. And, if you are concerned about the pollution of our landscape, it hurts you, too.

Processed scrap is used as an ingredient in making new steel that goes into the hundreds of metal products we use everyday of our lives.

The processor works in a buyer's market. He can sell only as much scrap as the steel mills and foundries are willing to buy and at the price they are willing to pay. So when the market is depressed, as it is now, the processor cuts back his activities.

Hardest hit in times like these are obsolete metal products such as automobiles, refrigerators, washers, dryers, etc. These items are more difficult and costly to process and make a less desirable end product for the steel maker.

When scrap prices are depressed the mills and foundries don't buy as much of this less desirable product. The end result is that more and more junk cars and other discarded metal products pile up and pollute our countryside.

Through the years scrap processors have developed newer and more sophisticated machinery — such as the guillotine shear and the baler — to produce scrap in a form that is more easily transported and easier for the mills to use.

One of the latest and most effective tools in the scrap processor's plant is the giant fragmenter. Costing up to \$4 million, these huge machines rip and shred auto hulks at the rate of up to 60 an hour, spitting out fist-sized pellets of scrap that are ideal for use in the new electric steel furnaces.

Indiana's steel mills and foundries consume nearly 10 million tons of scrap annually. Much of this is obtained from Hoosier scrap processors. It is obvious, then, how important the scrap processing industry is to Indiana's economy.

But the industry affects all of us in a more personal way because no one likes to see the landscape polluted with abandoned cars and other discarded metal products.

This obsolete metal is a potential valuable natural resource that can be salvaged and converted into useable products through the scrap processing industry.

Therefore, if the price of steel scrap is important to the processor, it is important to us, too.

## Three Indiana Youths Claim \$1,800 As Share of National Scholarships

CHICAGO, Dec. 2—Three 4-H members from Indiana claimed \$1,800 in scholarships at the 49th National 4-H Congress in Chicago this week. They were among the 13 national scholarship winners from the state. Each was named a national winner in one of the programs arranged by the National 4-H Service Committee and supervised by the Cooperative Extension Service.

Selected on the basis of their 4-H experience in projects and

senting every state, Washington, D.C., Puerto Rico and Canada participated in the congress. In assembly programs the delegates were challenged by the theme—We Care. They were recognized for their accomplishments by leaders of business and treated to cultural and educational features.

The 4-H'ers toured the museums and other points of interest in the Windy City. They sang together, prayed together and

activities, leadership development and growth in personal, community and civic responsibilities, the three national winners were:

Rachel Koontz, 18, of 4523 Austin Dr., Fort Wayne, who received a \$600 scholarship in the conservation of natural resources program from John Deere.

Irene Chilcote, 18, of 10924 Thiele Rd., Fort Wayne, who earned a \$600 scholarship in the health program from Eli Lilly and Company, and

John Cleland, 19, Rt. 4, Rochester, who was awarded a \$600 scholarship in the horticultural program from Allis-Chalmers.

Some 1,600 delegates repre-

met their counterparts from across the country.

All delegates and their leaders enjoyed The Singer Company's "Pop" concert featuring The Chicago Symphony Orchestra and Conductor Arthur Fiedler. The Establishment, a musical group, appeared courtesy of Tupperware, Division of Dart Industries Inc. and The Kids From Wisconsin entertained the delegation for American Income Life Insurance Company. Delegates listened to The Brothers and The Sisters at International Harvester's luncheon, met Miss America at the General Motors luncheon and were entertained by a host of television and entertainment personalities at other events.

## Beany's career spans 50 years

By Ann Sheetz

Walter "Beany" Waechter, proprietor of one of Akron's oldest business establishments, Waechter's Barber Shop, has gone into semi-retirement after spending almost 50 years at his trade.

The genial barber estimates he has given between 250,000 and 350,000 haircuts in that time. He said he couldn't remember any special experiences but recalled that he had often cut the hair of John Barr, former chairman and president of Montgomery Ward, and Luther Swygert, a federal judge, both of whom are former local residents.

His career began in 1921 when he joined his father, the late Cornelius (Nic) Waechter, in a shop located under Scott's Drug Store, the present Harris Drug Store. His father had been a barber in Akron since 1904, first locating in a little frame building near Beany's present location. In 1920 the shop moved into a room now occupied by the Akron Exchange State Bank. It later moved into its present location between the bank and Doering's Radio and TV.

Beany was joined for a few years by a brother, Max, in operating the business. The rest of the time he has been by himself, cutting

hair, giving shaves and participating in discussions of affairs of the day.

His pleasant personality has charmed generations of lively boys into sitting still, boys who now sit and wait as he tells their sons to sit still.

Beany is missing from the shop now, off to warmer climates to enjoy the winter sun with his wife Grace who retired last year from a long and successful teaching career. They are the parents of one daughter, Mrs. Dean (Barbara) Rager, who lives west of Akron with her family.

## Accident Report

A two-car collision at Ind. 14 and County Road 1000 East, about a mile west of Akron, injured three people Saturday but none was hospitalized. Involved were a 1962 station wagon being driven by Mrs. Myrtle L. Clark, 50, Rochester, and a 1963 sedan driven by Warren Ousley, 23, Akron. The sheriff's office said Ousley drove into the path of Mrs. Clark and cited him to appear in Rochester City

Court on Jan. 18 to answer a charge of failure to yield the right-of-way. Mrs. Clark sustained a cut on her right forearm. Her husband, James W. Clark, 64, suffered scrapes on his face and bruises on his forehead. Ousley's wife Nancy, 22, suffered a cut on her forehead, abrasions on both arms and back and bruises. Both vehicles were listed as total losses.

# DEATHS

## Baum

Mrs. George (Golda) Baum, 84, Nashville, a former Akron and Rochester resident, died Monday at Bartholomew Co. Hospital in Columbus where she had been a patient for five weeks.

Born March 31, 1886, in Van Buren, she was the daughter of Thomas and Amanda Jessup Dickson. Her marriage was Sept. 17, 1907 in Marion to George Baum, who survives.

Mrs. Baum was prominent in club work and actively worked in the Indiana Federation of Clubs for 30 years, serving on every level including first and second vice president and trustee of the state federation.

She was best known for her ten years as chairman of the IFC Fine Arts Dept. Prizes given to clubwomen often included paintings by her husband, a well-known Brown Co. artist.

During the governorship of Henry F. Schricker, she was IFC chairman of Public Welfare, and it was at that time that the federation uncovered deplorable conditions in Indiana nursing homes. She set up committees of clubwomen who inspected nursing homes. Their reports formed the basis of legislation which was passed to govern the operation and inspection of nursing homes.

Mrs. Baum was also active in the Manitou and Ten O'Clock Line chapters of Daughters of the American Revolution, at Rochester and Nashville, and had served as national vice chairman of the museum committee. During her years in Akron she served on the Fulton Co. Welfare Board and was a member of the Akron Woman's Club.

In recent years the Baums have made their home in Brown Co., having purchased the home of Frank Hunter, well-known Indianapolis architect.

Survivors include the husband, George, who is a patient in the hospital at Columbus; two daughters, Mrs. Charles Irelan, Akron, and Miss Elizabeth Baum, San Francisco; one granddaughter, Mrs. Robt. Troyer of Huntington, three great-grandchildren and one sister, Mrs. A. L. Trester, Indianapolis.

Funeral services for Mrs. Baum were conducted Wednesday afternoon at the Sheetz funeral home with the Rev. C. W. Fawns officiating. Burial was in the Akron cemetery.

## Kreamer

Word has been received in Akron of the death of Wilbur Kreamer, 66, a former resident who died Dec. 29 in Albuquerque, New Mexico.

The son of Mr. and Mrs. John Kreamer, he was born near Disko and moved to Akron when he was quite young.

He married Mary Martin, daughter of Mr. and Mrs. Marion Martin, in 1926.

He was employed by the East Construction Co. after graduation and later became a printer, working in Plymouth for several years, then going to Dixon, Ill., and Aurora, Ill. He retired in June of 1969 and moved to Albuquerque to be near his daughter.

The Kreamers were active in the Methodist church and civic programs wherever they lived.

Surviving are the widow; a daughter, Mrs. Elwyn (Rosemary) Schnorr and five grandchildren; a brother, Dean, LaPorte and two sisters, one in Portland, Ore. and one living in Cleveland, O.

His sisters and brother-in-law, Marion Martin, Indianapolis, attended services for him in Albuquerque.

## Kuhn

Cecil LeRoy Kuhn, 80, So. Bend, a native of Akron, died Saturday afternoon at So. Bend Memorial Hospital after an illness of seven weeks.

Born Oct. 5, 1890 in Akron, he had lived in So. Bend since 1925. He married Edna H. Wilhoit in Akron on Sept. 5, 1914, and she survives.

From 1925 until his retirement in 1959, he taught social studies at Central High School, So. Bend, and became head of the high school social studies department in 1931. He organized the Ushers' Club at the school in 1934 and was the club sponsor until his retirement. He authored a book, "American Government," used throughout the state as a high school text.

Mr. Kuhn taught at Akron High School before moving to So. Bend.

He was a 50-year member of the Akron F & AM Lodge.

Surviving with his widow are a son, William, St. Louis, a daughter, Mrs. John G. Nichols, Danville, Ill.; three grandchildren; and a sister, Mrs. Ethel McHatten, Winchester.

Funeral services were conducted Monday in So. Bend and burial was in the Akron cemetery.

## Tatapocheon Club Has Salad Bar

Members of the Tatapocheon 4-H Club and their mothers were honored at a salad bar recently in the Silver Lake Lions building.

Rachel Fisher Bonewitz was mistress of ceremonies and welcomed the group. Mary Ann Sands gave devotions and the group enjoyed delicious salads.

Kim Coplen and Kimra Doub led the pledges. Roll call response was "What I Plan To Do This Christmas" with each 4-H member introducing her mother and presenting her with a corsage. Vickie Jones was in charge of this part of the program.

The secretary's report was given by Debbie Zile and the treasurer's report was given by Vickie Jones.

Health and safety hints were presented by Jane Ann Dickey and interesting readings were given by Dixie Felabom. Debbie Zile gave a demonstration on how to give a demonstration.

Jo Ellen Dickey led the group in singing Christmas carols.

The girls gave a report on their awards trips they had received during the past year--Vickie Jones and JoEllen Dickey on District Jr. Leader Conference, Debbie Zile about her three days at 4-H Round-up at Purdue, Jo Ellen Dickey on the club trip to Miles Laboratories and Hubbard Hill Museum at Elkhart and their Chinese luncheon.

Rachel Fisher highlighted her achievement record book of her 10 years in 4-H work and of receiving the honor of going to State in clothing, foods and nutrition, and leadership and then going to Purdue during 4-H Round-Up and receiving an award for her achievement record. JoEllen Dickey presented the group with a solo.

Mrs. Viola Fisher's topic was "Our 4-Hers" and her trip to 4-H Round-Up. She described the interesting and worthwhile sessions and the fun that was enjoyed there.

Mrs. Don (Anita) Davidson, county 4-H girls leader, was introduced and gave interesting thoughts.

4-H chorus reports were given by JoEllen Dickey, followed by the installation of 1971 officers.

Mr. and Mrs. David Ulrey of Athens, Ohio.

Mr. and Mrs. David Ulrey of Athens, O., returned to their home New Year's Day after spending three weeks with their parents, Mr. and Mrs. Wallace Ulrey of No. Manchester and Mr. and Mrs. Vernon Nelson of Silver Lake.

Rachel Fisher, 1970 president, presided at the candlelight ceremony and installed the following officers:

President, Connie Carr; vice president, Kimra Doub; secretary, Linda Jontz; treasurer, Vickie Jones; health and safety, Christine Schultz; reporter, Pat Hoffman; song leader, JoEllen Dickey; recreation, Theresa Sellers; devotions, Kim Coplen, and corresponding secretary Cheryl Bauer.

Vickie Jones presented the leader, Mrs. Fisher, with a gift certificate on behalf of the club. A very thoughtful response was given by Mrs. Isabel Zile.

The group sang carols led by JoEllen Dickey.

Mrs. Fisher honored the two ten-year 4-H girls of the past five years, Mary Alice Dickey, 1968, and Rachel Fisher, 1970, with loving cup trophies.

Connie Carr, 1971 president, adjourned the meeting.

Enjoying the evening were Mrs. Don Davidson, Rachel Fisher Bonewitz and Mrs. Clifford Fisher, Vickie Jones and Mrs. Frank Jones, Debbie Zile and Mrs. Paul Zile, Connie Carr and Mrs. Robert Carr, JoEllen and Jane Anne Dickey and Mrs. Kenneth Dickey, Kimra Doub and Mrs. Gerald Doub, Dixie Felabom and Mrs. Richard Felabom, Christine Schultz and Mrs. E. L. Schultz Jr., Mary Ann and Cheryl Sands and Mrs. Carl Sands, Teresa and Krista Sellers and Mrs. Devon Sellers, Cheryl Bauer and Mrs. Russell Bauer, Erin and Shannon McCormick and Mrs. Don McCormick, Becky Carpenter and the new members--Kraig Doub, Steve Sands, Cally Coplen, Linda Bauer, Cindy Shenefield and Becky Warren.

## Honeywell Center Sets Show

A photographic essay about our natural environment will launch a new year-long series of art and craft exhibits at the Honeywell Memorial Community Center in Wabash on January 18.

The series will include prints, drawings, oil and water color paintings and photographs, and weaving, ceramics, leather, metal and needlework and other crafts, according to Donald F. Knapp, Executive Director of the Honeywell Foundation, which operates the Community Center. It will feature the works of artists and craftsmen from Wabash county and other parts of the country, Knapp said.

Each exhibit, to run between three and four weeks, will be opened with a discussion by the artist about his or her work.

"The series is designed to be educational as well as interesting," Knapp said. "Our opening photoessay, by Jack Baber of Wabash, for ex-

ample, should enhance one's appreciation of the mountains, oceans, rivers, trees and other aspects of our natural environment and of their loss were they destroyed by man. The Indiana Artist-Craftsman Show, a traveling exhibit that will be at the Center in July, should encourage people, especially those with leisure time and a creative bent, to put their talents to use."

Jack Baber is branch manager of Baber Motor Supply in Peru. He studied photography as a hobby at Indiana University and has several photographs in the permanent collection of the George Eastman House in Rochester, New York. His exhibit will be followed by a showing of water colors in February by Cletus Olinger and James McIlrath, staff artists with OUR SUNDAY VISITOR in Huntington.

The Honeywell Memorial Community Center is a multi-purpose facili-

ty which hosts concerts, meetings, youth and health programs, and a variety of other activities. Its dining rooms are open to the public during the week for lunch on Monday, Tuesday and Thursday and dinner on Tuesday and Thursday. It serves a weekend buffet dinner Saturday evening and Sunday afternoon.

## Questions and Answers

**Q. I'll be 18 soon, but I'll still be going to school. What must I do to keep getting social security payments?**

**A.** A questionnaire will be mailed to you some time during the 5 months before you're 18. This questionnaire asks if you plan to continue in school after 18, where you will go to school, and if you'll be working while you're a student.

To get your checks without interruption, complete the questionnaire as soon as your plans for attending school are definite.

If you don't receive a questionnaire, visit your social security office and give them the necessary information about your school plans.

**Q. My wife is 62. Can she get social security retirement benefits if I don't retire?**

**A.** If she has enough social security credit of her own to qualify as a retired worker, she can collect whether you retire or not. But she cannot get benefits based on your work record unless you are retired.

**Q. I just turned 65. I was told if I do not perform substantial services in my business I could get social security benefits. What is meant by "substantial services"?**

**A.** "Substantial services" refers to the amount of time you work in your business, the nature of your services, the type of business, and the relationship of your activities before retirement to those after retirement. Usually, 45 or more hours of work in a month is considered "substantial services." Less than 45 hours may be considered substantial if the service is managing a large business or working in a highly skilled occupation. You can get more detailed information at your social security office.

Have a question about social security and its retirement, survivors, disability or Medicare benefits? See your telephone directory for the telephone number and address of the nearest social security office.

**BISBEE, ARIZ., BREWERY GULCH GAZETTE:** "Corporations are not allowed to contribute to election campaigns and it is likely that many of them get around the ban some way and this writer, for one, doesn't blame them if they do. The candidates' unions are allowed to make contributions and if this is fair, then so is the weather in Alaska. Both groups have to live with the office holders and who would one suppose would be favored--the contributor or the non-contributor? There is but little doubt that much of the half-baked social legislation on the books today has been inspired by this rule."

## Extension Meetings Are Planned

A number of special County Extension educational programs will be held in January, February and March. Fulton County area residents are encouraged to take advantage of these agricultural programs by participating in those that they would be most interested.

**CORN REVIVAL:** Preceded by ham and bean supper. Three or four latest topics dealing with corn production, i.e. varieties, leaf blight, quality control and top corn producers in the state. Feb. 24, 6:30 p.m., 4-H Community Building.

**AGRICULTURAL MARKETING:** General on basic principles of marketing as it pertains to agriculture. Current and 1971 marketing picture for corn, soybeans, hogs and beef. Feb. 3, 7:30 p.m., Rochester High School.

**SWINE:** Symposium on swine to include such areas as swine diseases, swine buildings, manure handling, sow management and feeding. Consumer demands, wants and relationships. Jan. 25 and Feb. 1, 7:30 p.m. LABOR: Farm labor management, hired help, how to keep, obtain, etc. March 10, 7:30 p.m.

**BEEF CATTLE:** Beef-cow herd possibilities and where do they fit in the farming picture? Mar. 3, 7:30 p.m., 4-H Community Building.

**DAIRY MEETING:** Free stall housing, latest ideas in dairy management, health, etc. More effective use of dairy production records as a management tool. Jan. 26, 10 a.m. - 3 p.m., 4-H Community Bldg. Other programs being developed with more details to be announced later include:

**Soybean Production:** Soybean varieties, herbicides, fertilization, blends, increasing yields, etc.

**Farm Legislation:** Pending legislation before the 1971 Indiana State legislature in regards to agriculture, farming and farmers.

**Swine Carcass Show:** July 26-31, Fulton Co. 4-H Fair. On-foot judging on July 19.

The above schools and programs were developed cooperatively by an ad hoc committee of Fulton Co. farmers, Area Extension specialists and the County Extension Service.

Those serving on the committee were Roger Neff, Lloyd Walters, Robert Tobey, Jud Hudkins, George Burton, George Krom III, Si Deeb, Robert Runkle, Bruce Campbell and Paul Bruckner.

last week. He replaces Jack Stucker who retired after serving 21½ years as fire chief. Stucker will remain as a member of the department. George Stephen was retained as assistant chief.

Other members of the fire department are John Zimmerman, Bud Gray, Max Gearhart, Jack Shoemaker, Gil Jenkins, Dale Smith, Ed Hauser, Dale Sheetz and Byron Leininger.

## Double Contest, Double Winners

Cont. from page 1  
Christmas, Mentone outdid itself and had two. Two separate committees were named to pick the best decorated homes in the area and each functioned without being aware of the other's existence.

Winners of one contest were Midwest Spring Mfg. Co. and King Memorial Home in the business category and Bill Boardman and Gene Huges in the residential division.

The other set of winners announced in last week's NEWS included Hammer Insurance, Midwest Spring and Coopers in the business category; Dale Hawley, Everett Welborn and Jim Meredith in the farm division, and Monte Florey, Bill Boardman and Dr. O. L. McFadden in town.

## Mentone Aids At Fire

The Mentone Fire Department, along with firemen from Warsaw, Winona Lake and Ligonier relieved firemen from Milford, No. Webster, Elkhart Twp., Jacksonville Twp. Goshen and Benton at noon on New Year's Day as firemen sought to control the blaze that consumed the Pickwick block in downtown Syracuse. Burned in the fire were the Jaycees Clubrooms, The Pickwick Lounge, The First Charter Finance Office and the W. R. Thomas Variety Store. The Pickwick Theatre building received severe heat and smoke and water damage as did the S & N Plumbing and Heating Shop and a room formerly occupied by Doc's Shoe Repair Shop. Early estimates of the damage ranged between \$200,000 and \$300,000.

## Red Cross Sets Lessons

The American Red Cross advanced first aid class will start on January 20, at City Hall in Rochester. The sessions will be for six weeks, meeting each Wednesday from 7 to 10 p.m.

All who have completed the standard first aid course and have a valid certificate will be eligible to attend the advanced course.

Students are advised to read the first two chapters in the advanced first aid section in their first aid textbooks, for the first night's lesson.

## Dr. Callisto Opens Silver Lake Office

Dr. Ruben A. Calisto has opened the Silver Lake Medical Center for obstetrics and general practice. He fills a void left when Dr. P.L. Pierson moved from the community two years ago.

Dr. Calisto, formerly associated with the Logansport Medical Clinic Center, will have office hours both morning and afternoon and by appointment.

He and his wife, parents of six children, will move to Silver Lake later but the doctor is now commuting between his home in Logansport and his office until suitable housing is located.

Dr. Calisto's coming to Silver Lake was the end result of a search for a doctor by the Silver Lake Lions Club.

## SILVER LAKE TATAPOCHEON 4-H CLUB

The Silver Lake Tatapocheon 4-H Club met at the beautifully decorated home of Kimra Doub, daughter of Mr. and Mrs. Gerald Doub on Wednesday evening, Dec. 16 at 6:30 p.m.

Approximately fifteen members enjoyed the evening singing carols and playing games after which they enjoyed a meal served buffet style by Mrs. Doub, Kimra and our leader Mrs. Clifford Fisher.

The meeting was adjourned after a grab bag exchange.

## Bonnie Bickel Fund is established

Bonnie Bickel, Akron mother of three, will receive a kidney transplant at the Indiana University Medical Center in Indianapolis sometime within the next two months.

The cost of the operation is very high. One of Mrs. Bickel's doctors made the following statement in regard to the cost: "The average cost of a related donor transplant is \$14,000. Since we cannot tell if a transplant will be related or a non-related donor until the patient is on dialysis for some time, finances are sought for non-related transplantation in each case. Costs here vary greatly from \$15,000 to \$25,000 for the first year of dialysis to \$7,000 each succeeding year while awaiting transplantation."

The University is not provided with any funds, state, federal or otherwise, to run the expensive Dialysis-Transplantation Program and it has to be self-sufficient, hence the need to obtain the cost of the operation. The doctor also noted that the University Hospital receives no state funds for any type of patient care. The legislature only provides funds for education and then only about 25% of those required, he said.

Before this expensive operation can be performed, she must undergo dialysis on a kidney machine to clean her system. Mrs. Bickel was on the kidney machine Monday for the first time and was scheduled to be on it for eight hours today.

Local organizations are going to work together in an attempt to

raise funds to aid Mrs. Bickel, and a Bonnie Bickel Fund was started by the Las Donas Jr. Woman's Club at the Akron Exchange State Bank this week. The club contributed \$200, \$100 from the club treasury and \$100 given by members instead of having a Christmas gift exchange.

The fund will be aided by a fish fry to be staged January 22 in the Akron gym by the school cooks and some of the School personnel. Serving will be from 5 to 7 p.m. Members of the Akron Church of God youth group will go door to door in Akron Saturday, January 16, to solicit funds, and members of the senior class at Akron High School will take a blanket around at the game Saturday night for donations. In addition, cans will be decorated and placed in local stores to receive other contributions. Any individuals or clubs desiring to make donations

may do so at the Akron Exchange State Bank. All of the money received by the fund will be used to pay for the operation and the hospital bills.

Mrs. Bickel has been active in social and civic work in Akron. In addition to her work as one of the cooks in the school cafeteria, she has found time to be a Girl Scout leader for two years and has been a Sunday School teacher at the Akron Church of God and has helped with the Bible School. An active member of the Las Donas Jr. Woman's Club, she was voted Outstanding Clubwoman of the Year by the club and has been active in all of the club's functions.

Cards and letters may be addressed to Mrs. Jerry Bickel, Room 565, Indiana Medical Center, 1100 West Michigan St., Indianapolis, Indiana 46202.

## "Better in the hall than not at all"

"Better in the hall than not at all," said a parent at Wednesday night's meeting of the Tippecanoe Valley school board as she defended the Elementary Parents United request for remedial reading during the school year. The delegation of parents, representing all the corporation's schools had been told the program would not be feasible because of lack of space, and she used the slogan as a reply.

Mrs. Molly Fuller, the spokeswoman for the group, asked the board if any action had been taken on their requests last month and was told that none had and that the board had not met but that the matter would be brought up in executive session.

Following a routine meeting that included opening bids for school buses, the board went into a long executive session. When the members reconvened, Dr. D. J. VanGilder moved that the Bahney Chevrolet bid be accepted and that Blue Bird bodies be purchased. He noted that the Bahney bid was not the low bid but that it was being given the Akron firm because of the service it had provided

the corporation. The Bahney bid was \$4,864.29 for one bus with each additional bus being slightly less. Low bidder was W and W Truck Sales, Warsaw, \$4,610,

plus additional for freight to the body company.

## Roberts' investigation is costly

The cost of the Clarence Roberts investigation, after seven weeks, will probably cost Brown Co. more than \$600, according to Brown County Corner Jack Bond.

Bond listed these expenses: \$135 for the original autopsy before burial, \$275 for exhumation of the vault, \$50 for the dental work and \$60 for two round trips to Indianapolis. A bill from the Indiana University bone expert had not yet been submitted when Bond made his report, but he said he estimated it might be in the neighborhood of \$100.

As recently as last Thursday, State Police said they were still not close to determining who it was.

Troopers planned to go back to the burned-out garage-barn behind the Roberts home near Nashville and once again sift through the ashes for the tiniest clue

that might help them establish the identity of the charred body found in the ruins Nov. 18. The body was first identified as Clarence Roberts, former Akron, Mentone, and Claypool businessman, but later investigation showed

## TVSC Reports Interest Income

The Tippecanoe Valley School Corporation showed an interest income from the cumulative building fund of \$60,039.29 for 1970, according to Robert Forbes, superintendent of schools. He said the interest income from working balances was \$4,608.86, for a total interest income of \$64,648.15.

According to Forbes, very little working balance was kept on investment during 1970 because no June distribution was received and the December distribution from Kosciusko Co. was late.

the Indiana House of Representatives and also active in her church youth group. During the past summer she spent some time touring Europe with International Exchange Schools.

Miss Manwaring plans to enter Indiana University next fall to begin studies for a B.S. degree in nursing.

Miss Manwaring, as the local winner, will now compete with the winner from the Agnes Pruyn Chapman Chapter, Warsaw, for the county honor. The county winner will then compete in a state and national level contest.

Miss Kim Manwaring, daughter of Mr. and Mrs. Richard Manwaring, Mentone, has been selected as winner of the Daughters of the American Revolution Good Citizen contest for Anthony Nigo Chapter.

A senior at Mentone High School, Miss Manwaring has participated in Student Council, Future Nurses Club, Future Homemakers of America, Mellodears, chorus, Sunshine Society, Spanish Club, G.A.A., Pep Club, Speech and Dramatics, F.T.A. and has worked on the yearbook staff. She has been a Page in

## Bowen Is New Clerk-Treasurer

Willis Bowen has been appointed clerk-treasurer of Akron to replace Merrill O. Kendall who recently resigned in order to become clerk of the Fulton Circuit Court.

Mrs. Bertha Cook, who had previously been named to fill the post, resigned before being sworn in.

Bowen will have an office in the rooms formerly occupied by Dr. F. M. Belt.

the blood types of the victim and Roberts were not the same. A recent study of bone structure however revealed a similarity. The one tooth found with the corpse might have been a molar Roberts had, according to another report.

The superintendent indicated that final December distribution from Kosciusko Co. would probably be made in February or March.

The superintendent estimated the late distribution of funds probably kept the Tippecanoe Valley Schools from earning an additional \$25,000 in interest.

He noted interest from working balances has been running over \$25,000 per year in the corporation.

## Christ Has Come And Gone But The Concrete City Remains

I want to take this opportunity to thank all those who in any way helped in the production of Christ in the Concrete City.

Mr. and Mrs. Hap Uter, the Psi Iota Psi sorority, Rev. Poyser and the Burket Methodist Church, King Memorial Home, Romine Electric, the Farmers State Bank, Bakers Jewelry and Appliance, Mr. and Mrs. Kenneth Romine, Mrs. Ruth Urschel, the Mentone Drama Dept. and high school boys and girls. And all the nice people who came.

One wonders when a play of this caliber, as Prof. Richard Williams mentioned in his short introductory speech Friday night, is presented in a community, why the people fail to avail themselves of the opportunity. We lament the stand taken by many of our young folks, we deprecate the course of our politicians, we contemplate with sadness the conduct of our colleges, yet we put ourselves in the same category when we fail to become involved in social activities that are for the betterment of not only our community but ourselves and families.

History tells us that Rome fell because the populace became too

interested in the games. Will America go the same way?

## Council Adopts Resolution

The Three Rivers Boy Scout Council has adopted the following resolution:

WHEREAS, the Three Rivers Council, Boy Scouts of America, recognizes its need for cooperation in telling the story of what's happening in Scouting, and WHEREAS the newspapers and radio stations have set good examples by continuing to give excellent coverage of Scouting features during 1970, and

WHEREAS they have lived up to the Scout code of fair play and sportsmanship, with an extra measure, therefore Be it resolved that the Three Rivers Council, Boy Scouts of America, at its annual meeting, January 6, 1971, take action to thank them for their continued interest and support.

## It Isn't Your Town - It's You

If you want to live in the kind of town Like the kind of town you like, You needn't slip your clothes in a grip and start on a long, long hike.

You'll only find what you left behind, For there's nothing that's really new, It's a knock at yourself when you knock your town It isn't your town--it's you.

Real towns are not made by men afraid, Lest somebody gets ahead, When everybody works and nobody shirks, You can raise a town from the dead.

And if while you make your personal stake, Your neighbor can make one too, Your town will be what you want to see, It isn't your town, it's you.

WHITTIER, CALIF., REVIEW: "Too often today we see children in stores handling merchandise or playing with toys they are not buying. If they had been trained they would know they should not handle merchandise that does not belong to them or they don't intend to buy. Curing vandalism in this nation is going to have to start with the home before it will ever improve in the schools or on the street."

WARWICK, N.Y. AVER-TISER: "One of the big youth movements these days is the campaign to legalize marijuana. If you don't think so, try 'knocking it' to any of the 'now' generation. While most of them do not point out any particular benefit from the smoking of pot, they justify its need by comparing it to alcohol, and citing the great use of that beverage by the older generation. They also point to the cigarette smoking adult, who utilizes 'pep' pills to get through the day and tranquilizers to calm down at night. What we have progressed to is a justifying of one wrong on the strength of other wrongs."

PORT GIBSON, MISS., REVEILLE: "We sincerely hope that the Nixon Administration is not going to be hoodwinked into a dangerous disarmament program. There is such a clamor for peace that politicians could easily fall prey to disarmament fever. We certainly do not want any more wars, and there is in this country a deeply sincere desire for peace. What with Russia gaining in armament, however, it is dangerous for the United States to let down its guard. Communists, like street corner bullies, respect only superior power. Let us not forget that."

## Valid Reasons For Failure In Life

A noted psychologist was asked to give the reasons why so many people failed in their efforts to make life successful. The great mind scientist penned ten frank and valid reasons. Try them, and see if they fit into your life:

1. Finding fault with the other fellow but never seeing your own faults.
2. Doing as little as possible, and trying to get as much as possible for it.
3. Spending much time showing up the other fellow's weak points, and too little time correcting our own.
4. Slandering those we do not like.
5. Procrastination--putting off until tomorrow something that we should have done day before yesterday.
6. Deceit--talking friendly to the other fellow's face and stabbing him in the back as soon as he turns around.
7. False belief that we are smart enough to reap a harvest to pay before a crop of honest service.
8. Disloyalty to those who have trusted us.
9. Egotism--the belief that we know it all, and no one can tell us anything.
10. Last, but not least, lack of necessary training and education to enable us to stand at the head of our line of work.

## Stop Being Funny

The old saying that "people are funny" was never truer than it is today. Never were there so many millions asking for public charity doled out to them under a pleasing variety of titles. We overlook the fact that government has no money to give that it does not first take from its citizens in taxes, or higher and higher public debt. The latter today requires the payment of over \$20 billion a year in interest charges alone.

No matter what the government, federal, state or local is giving you, don't think you are not paying for it. We are paying for

exorbitant government spending and debt in inflated prices and the reduced value and buying power of the dollar. We are paying for it in everything we eat, wear and use. The amount of taxes withheld from the average income would have paid for a home not so long ago. What used to be put into savings, now goes to the tax collector, and the one who earned it never sees it.

The people will have to stop being "funny" if they wish to save their bacon in the U.S. Your savings and your government are being destroyed by those who put politics ahead of fiscal responsibility.

60 YEARS AGO

Every man's name written on paper weighs something, the heavier the ink used or the pencil and the larger the name of course the heavier it is. The size or quality of the man has nothing to do with the weight of his name. But to make a scale or balance that will record the weight of a written name requires art and skill. But F. O. Strong found that scale in his travels. A small piece of tissue paper was weighed and then Mr. Strong wrote his name on that paper. It was again put on the scale and it weighed six ten-millionth part of an ounce heavier—pretty fine art, that. What would John Henry William Franklin Petterbaugh's name weigh?

Miss Dessa Sayger became the owner of one of the finest Chute and Butler pianos yesterday ever sold. It is a French Burl Walnut case and other equipment in keeping with such a fine case. Mr. and Mrs. Henry Fernbaugh also purchased a Chute and Butler piano in a mahogany case which is a very fine instrument for their little daughter, Miss Glenn. Both of these were sold through Scott Bros. who are rapidly gaining distinction in handling this popular high grade, sweet-toned instrument.

Although most people are not cognizant of the fact, a new bank opened its doors for business in Akron Wednesday morning. The State Bank of Akron is the new institution and replaces the former State Bank of Akron. The same officers that governed the former bank are at the head of the new institution, and the personnel of the bank is the same. V.J. Lidecker is president, Waid Arnold, vice-president, and Aaron Berger, cashier. The entire organization is the same as that of the former bank, capitalization is the same, and the change is really a vacation in the name to comply with a technical point of law. The new bank started business Wednesday under the new charter.

A great many Akron people enjoyed listening to the two radio broadcasts last weekend in which local church workers were featured. On Saturday evening, the Methodist Sunday school of Akron was featured in an hour's program from Station WCMA at Culver, which included orchestral numbers, songs by Mr. and Mrs. London Imhoff and daughter, talk by Superintendent F.Y. Gross, etc. On Sunday afternoon, a Church of God program was broadcast from station WOWO at Ft. Wayne, in which Rev. Dale Oldham, former pastor of the local church, sang, as well as D.L. This note was found among the effects of a deceased businessman who had been known for his lapses into bankruptcy: "I hereby name the following six bankers to be my palbearers. Since they have carried me for so long during my lifetime, they might as well finish the job now!"

Somewhere I've heard it said, if he says he's boss at home he'll lie about other things too.

Is it true that a cowboy usually marries so he'll have his wife near the range? ...

Sacrificing friendship for success is like sawing off all the branches climbing to the top of a tree. ...

Life's best brightener is the sunshine of enthusiasm. ...

Ron says, "Your hands are the only pair you have, don't endanger them by trying to do a difficult job with the wrong tools. The 'HWI FRIENDLY ONES' at DAY HARDWARE will help you pick the right tool you need for any job you have to do. (Good tools are not expensive; you'll find them a good investment in performance and safety)"

## News Of Interest To Homemakers

by Ann Hancock, Area Extension Agent  
Kosciusko County

Young Homemakers more than any other age group need educational activities outside the home. Since they are young, they lack experience as a homemaker. Also small children tie them down so that they are unable to participate in many organizations and activities.

The Extension Service realized this need many years ago when they set up Young Homemakers Series. The series consists of six classes meeting one morning a week. Usually babysitting is provided and there is no cost for the program.

Young homemakers of Wayne Township will have the opportunity to participate in a series starting February 19. If the series is successful it will be offered in other townships in the county. The classes will be held at St. Anne's Episcopal Church, Warsaw, with babysitting in the Episcopal House next to the church. The "Clothing for Children" series will include basic construction, care, and consumer information. Class will meet in the mornings from 9:30 a.m. to 11:30 a.m.

Anyone who is interested in participating in the series send your name and address to the County Extension Office, Courthouse, Warsaw, and you will receive an enrollment card. The only requirement is that you must be a resident of Wayne Township. If you are from another area of the county and would like to have a

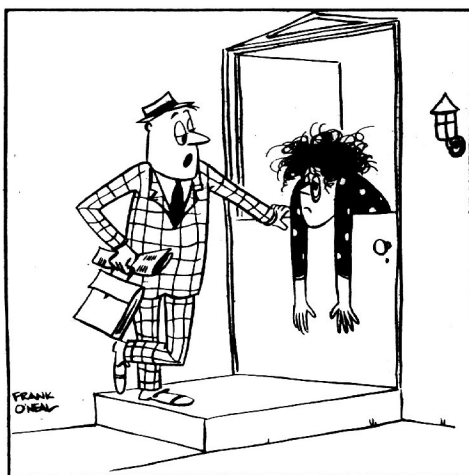

series in your area, let us know.

### SPICY HINTS

Spices will stay fresh in tightly sealed packages for several months, but they don't improve with age. It is a good idea to date each package when you buy it and if you're not sure a spice is fresh, make this simple test. Rub a bit of spice or herb between your palms and breathe in the aroma. No aroma? Then it's time to replace your supply with a fresh, fragrant spice.

**MILE HIGH CHEESE SOUFFLE**  
½ cup butter, ½ cup flour, 2 teaspoons paprika, 2 cups milk, 2 cups (½ lb.) cheddar cheese, 8 eggs separately. Method: Melt butter

in top of double boiler over hot water. Add flour, seasoning and mix well. Stir in milk and cook, stirring constantly, until sauce is thick and smooth. Add cheese and stir until melted. Remove from heat. Beat egg yolks until light and gradually stir in cheese sauce. Beat whites until stiff but not dry, and carefully fold sauce into whites. Pour mixture into a three-quart casserole that has been brushed with melted butter. Bake in a very hot oven (475°) for ten minutes. Reduce heat to 400°, bake 25 minutes longer. Makes 6 servings.

The program may be heard at 89.5 on the FM dial.

## SPORTS

### Mentone Bounces Past West Central

By Alan Welch, Student Manager

The Mentone Bulldogs defeated the Trojans of West Central Friday night, 71-61. The Bulldogs sported four players in double figures in gaining the win.

Mentone started off the varsity action by jumping out to a 6-0 margin early in the first quarter. Mentone leads off up to 15 points in the first eight minutes before finally settling for a

13 point lead at 24-11. West Central bounced back in the second quarter to outscore the Bulldogs 15-5 to come within 3 points at 29-26. Mentone came back with a 6-point scoring outburst to put the lead out of reach for the rest of the half. Mentone went to the dressing room with a five point lead, 37-32. In the third quarter's first few minutes, Men-

tone struggled to keep its lead with West Central coming as close as three before the Bulldogs would pull away again. In the closing minutes of the third quarter, Mentone's press started causing the visitors to make mistakes as it did in the first quarter and Mentone pulled out to an 11-point margin at 54-43. Mentone wasn't seriously threatened in the final quarter and pulled out to leads of up to 14 points and won their fifty game of the season 71-61.

West Central bested Mentone from the field hitting on 25 of 54 for 46% while Mentone only managed to put in 24 of 73 for 32.9%. Mentone won the game at the free throw line where Mentone got twice as many attempts as the Trojans who had three men foul out in the final quart-

# WHO is Gene

er. The Bulldogs threw in 23 of 41 for 56% while West Central put in 11 of 20 for 55%. The big difference in the game was in the 30 turnovers committed by West Central forced by the Bulldogs' rapidly improving press. Mentone committed a season low 14 errors in the game. Mentone out-rebounded the visitors by six, 38-31.

Mentone again had a balanced scoring attack paced by Ken Anglin with 16 points. He was followed by Gary Welborn with 15 and Steve Reed with 14. Tim Smith contributed 13 points, including nine free throws while Phil Tim led the West Central cagers with 23 points on nine field goals and five free throws. Mentone is 5-7 while West Central dropped to 4-5.

The Bulldogs took the B-team contest despite

a strong challenge from West Central. The first half found only seven field goals being scored by both teams while the two clubs were shooting a total of 46 free throws. The final score was 49-42. Mentone was led by Gary Sponseller with 16 and Tom Alber with 13.

Mentone is back in action again on Friday when the take on a strong Wawasee team at Wawasee.

The Akron Flyers won the consolation game of the tournament Friday night by defeating So. Whitley in a double-overtime, 73-71.

Dick Geiger was again high for the Flyers, this time scoring 24. Mike Love had 19 and Steve Backus 11.

The lead see-sawed back and forth throughout the game but the score was tied 67-67 at the end of regulation play, 69-69 at the end of the first overtime with the Flyers pulling out to win 73-71 at the end of the second overtime.

Akron will play Triton at Bourbon on Friday night.

as you tried to squeeze one more jar into the trash can, did you ever wish you had an elephant around? One that would stomp down all that trash in the can. There is an electric appliance that rams trash like an elephant but is much trimmer and tidier. It's a compactor.

trash goes in a drawer lined with a specially treated paper bag, is squirted with a deodorizer and mashed with a ton of pressure. When a bag is filled (about once a week for a family of four), it is lifted out—ready for pick-up without worry about banged up cans, lost lids and hovering flies.

only 15 inches wide, the compactor may fill a dead space at the end of a kitchen counter or be built-in under it. To foil curious youngsters, it takes a key to turn it on and the mashing action lasts only a minute.

electricity puts its power behind another pounding job: tenderizing meat. With 1000 blows a minute (can you work so fast?), an electric tenderizer about the size of a hand mixer breaks down tough meat fibers. In addition to making cheaper (but often tastier) cuts of meat more appealing, it puts veal and chicken into shape for Veal Scallopini and Chicken Kiev. It can be used with dicer blades for high speed slicing and chopping.

some slicing tasks take skill as well as power. It's worth the time to practice with an electric knife. You can learn to divide an angel cake into layers (slice away from yourself), make paper thin cuts of cold meat (slant the cutting edge in toward the food) and flute the edge of melons (use the end of the knife).

### Speaking Contest To Be Held

Wawasee High School will provide accommodations for the 1971 Conservation Public Speaking Contest on January 20 at 1 p.m., according to the Kosciusko County Soil and Water Conservation District, sponsors of the annual event. Ken Beer, Director of Forensics and Drama, is making arrangements for this contest which is open to all county sophomores, juniors and seniors. It has been sanctioned by the Indiana Assn. of Junior and Senior High School Principals.

Advance information for the contest has been sent to all county high schools. Topic for this year is "Benefits of a Small Watershed Project."

First place winner of the county event will receive a \$25 savings bond, second place award is \$10 cash and third, \$5. These prizes will be given by the Kosciusko Co. Soil and Water Conservation District. Any student who wishes to enter this event may receive further information from their high school speech instructor or at the Soil and Water Conservation office, 518 So. Buffalo Street, Warsaw.

Winner of this contest will represent the county at the Area II contest. This will be held at 6:30 p.m., Mar. 12, at the Shrine Building, Kosciusko County Fairgrounds.

You don't have to retire to get Medicare coverage when you're 65.

### To Attend Meeting

Fulton county fertilizer, herbicide and pesticide dealers are invited to a special dealer's meeting on Monday evening, January 18, at 7:30 p.m. in the Honeywell Center, Wabash.

Area Crops Agent Pete Garrard has arranged for Merrill Ross, Purdue Weed Specialist, and Dave Matthew, Purdue entomologist, to present the latest information on weed control in corn and soybeans and insect control in corn, other grain and forage crops.

Robert E. Cox, area extension agent, says this is a first of its kind meeting to be held specifically for pesticide dealers conducted by the Cooperative Extension Service.

Cox said it is hoped as many of the pesticide dealers and their representatives will make every effort to attend this three county meeting.

### Opera To Be Heard

Richard Strauss's opera, "Die Frau Ohne Schatten" (Woman Without a Shadow), will be broadcast live from the stage of the Metropolitan Opera House on Saturday, Jan. 16, starting at 2 p.m. EST and it will be heard locally on Manchester College radio station WBKE-FM through the facilities of the Texaco-Metropolitan Opera Radio Network.

### Ernest Hiatt Will Chair Drive For Funds

Ernest L. Hiatt, owner of Hiatt Electric Contractors, will serve as the District Campaign Chairman of a \$300,000 effort to meet the capital needs of the Three Rivers Council, Boy Scouts of America, according to Clem Good, Northern District chairman.

Chief among the needs in this "Forward For Boys" program are a swimming pool and additional land at Camp Buffalo. Other major projects will include a new warehouse, new health lodge, new camp vehicles and renovation of overused and outgrown buildings.

Recent visitors at the Floor home in Silver Lake were Mrs. C.C. Tullis, Katherine Paxton, Mr. and Mrs. Dale Floor, Orvan Floor, Mr. and Mrs. Keith Floor, Capt. and Mrs. Paul Entsminger and family, Ashland, Nebraska, Mr. and Mrs. D.J. McEvoy, Paula and Patrick, and Mr. and Mrs. Victor Slanac.

Rev. and Mrs. George Reser were guests of Rev. Martin and family in honor of Stephen Martin's birthday Sunday, Jan. 10 at Oak Grove.

### Fire Destroys House

Fire of an undetermined origin destroyed a five-room cottage at Courtland Park, Silver Lake, Saturday morning. No one was living in the house that was being purchased under contract by Clifford Prater, Warsaw, from Mrs. Opel Miller, Fort Wayne.

Howard Swihart, Silver Lake fire chief, said the fire was reported Saturday morning at 1:15 a.m. The firemen believed the blaze was under control at 3:40 a.m. and returned to the station. Swihart returned to the scene 30 minutes later and found the fire had broken out again. He said fireman saw they would be unable to save the house and concentrated efforts on another cottage north of it. This building was saved but was scored on one side as it was only a few feet from the burning house. It was 7:20 a.m. before firemen determined it was safe to leave.

The fire chief said he thought the fire had started in a bedroom on the northeast corner, possibly near an electric water heater on the other side of the wall of the bedroom.

Actual amount of loss has not been determined, nor is it known who owned the building saved.

In addition, funds will be allocated to provide leadership as needed for the improvement and expansion of service to boys.

Good said that over the past two years the council has grown from 3,000 to more than 5,400 boys and that the present growth indicates a need to serve an additional 1,000 boys by 1976. He urged that the communities keep

pace with this growth to take care of these expansion needs.

Good also announced that teams are being recruited in each community to launch this special effort early in January.

## Happy Hour

VISITING the hospital can be fun, when there's a nice lady like Jane Allen to play with. At least that's what Kimberley Scott of Atlanta, Ga., seems to think. Kim, a patient at the March of Dimes Birth Defects Center at Grady Memorial Hospital, was born with water on the brain and a heart defect. But, thanks to the great advances science has made in treating such defects, Kim can look forward to a happy life. Mrs. Allen, a speech diagnostician, is among thousands of volunteers who help staff March of Dimes Birth Defects Centers across the country.

## GRASSROOTS OPINION

FREDERICK, S.C., BROWN COUNTY NEWS: "It has been said that education boils down to just two things: character and good manners. A man or woman who can develop good character with good manners is educated because everything else will come. Without those two things there is no use in having schools or schoolteachers, because you cannot do anything with people who have not developed these two all-important things--character and good manners."

Current developments in troubled spots around the globe indicate that everybody is smoking the pipe of peace, but nobody is inhaling.

## NEW BOOKS

### AKRON CARNEGIE LIBRARY

**WHISTLE AND I'LL COME TO YOU** by Agnes Sligh Turnbull. The setting of this novel is the very small town of Calaway. The time is the turn of the century, an era of parasols and Christmas sleigh rides. No one writing today can evoke the charm and nostalgia of America's recent-and-vanished past better than Agnes Sligh Turnbull, as her thousands of readers will testify.

**THE SOUND OF LAUGHTER** by Bennett Cerf. In his multiple careers as publisher, lecturer, columnist, toastmaster and TV personality, Bennett Cerf has delighted millions with his sparkling wit and lively banter. Here he presents a marvelous treasury of jokes, puns and stories that proves again what book readers already know, that Mr. Cerf is a master story-teller.

**THE CONSCIENCE OF A MAJORITY** by Barry Goldwater. Goldwater discusses the great issues of the 70's. His views possess a breadth, candor and positive outlook that will surprise many of his staunchest critics.

**THE PASSION OF ISRAEL** by Leonard Wold. Here, telling their own stories, are the people of Israel. They talk of their pasts, their daily lives, their aspirations. The background of these conversations is brilliantly presented by Leonard Wold through his impressions of the land his insights into the people with whom he talks. The result is a fresh and penetrating contribution to the understanding of the people and the passion of Israel.

**BILLY SUNDAY SPEAKS** edited by Karen Gullen. This is a collection of the best sermons of the baseball evangelist. Included are his famous discourses on the evils of booze, an emotional tribute to the glory that is Mother, and some surefire advice on the best way to get to heaven. A fascinating introduction by Rev. Oral Roberts explores the significance of Billy Sunday and traces the career of a man dedicated to proselytizing right up to his death in 1935. Appended are some famous "Sundayisms" and favorite stories of the evangelist, told in his own spellbinding way.

### Marijuana Never To Be Marketed

Marijuana will never be legally marketed in the United States if present thinking holds for the future, in the opinion of Dean Varro E. Tyler of Purdue University's School of Pharmacy and Pharmacological Sciences.

"Unless things change radically, the government is not about to legalize another intoxicant," he said.

Tyler, a noted authority on hallucinogenic drugs, commented upon a statement of Prof. W.H. McGlothlin, a U.C.L.A. pharmacologist, who forecast that marijuana could become competitive with alcohol as a popular intoxicant.

### Deaf Man Designs Tiny Hearing Aid

#### OFFERS FREE MODEL

A remarkable tiny hearing aid has been perfected by a man who has been hard of hearing for nearly ten years.

This small device has no dangling cords or separate transmitting units and represents a new unusual design idea in a product to restore natural hearing.

It was developed especially for those persons who can hear but can't understand. This new hearing instrument provides "ear-level" hearing with the wearer picking up speech, sounds, television and radio at his ear. Due to the use of transistors, the user cost is extremely low.

A true life actual size replica of one of the smallest all-in-the-ear hearing aid ever made will be given absolutely free to anyone sending in this advertisement while supply lasts. So we suggest you write for yours now. No obligation whatsoever. Write to: A. J. Wilder, 809 Steuben St., Wausau, Wis. 54401. ad.

## Questions and Answers

Q. I am a 62-year-old teacher. I will not work during June, July, and August, although I get pay checks for these months. Can I get social security retirement benefits for this period?

A. Yes. You are considered retired in any month you do not earn over \$140 in wages or do substantial work in self-employment. Since you aren't working in June, July, and August, you are not earning pay in those months. The paychecks you get actually are earned during other months.

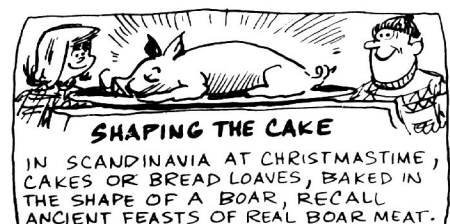

Q. My husband and I have been receiving a single monthly check with both our names on it. He died before endorsing the check. What must I do with the check?

A. You can return the check to be re-issued in your name. If you have an immediate need for the money, visit your social security office, and they will stamp the check so you can cash it without your husband's signature.

Q. I am a widow with four young children. I expected my social security benefits to stop when I went to work full time. But I still get the same amount every month. Why?

A. With four young children, your family is still entitled to the maximum benefit amount based on your husband's earnings. Families with three or more survivors entitled to monthly benefits usually get this maximum. Since your four children continue to collect social security, your family keeps getting the same amount—the family maximum—whether you work or not. Stopping your check and increasing the amount paid to each of your children could cause an interruption in your payments. For this reason, and to save administrative costs, the checks continue in your name.

Have a question about social security and its retirement, survivors, disability or Medicare benefits? See your telephone directory for the telephone number and address of the nearest social security office.

Five 66-passenger buses were ordered purchased.

Richard Goshert moved to make it a matter of policy that the school board would support and encourage summer programs that would include physical education, remedial reading, remedial math, auto mechanics, special education, accelerated typing, driving education, speech and hearing, summer band and baseball. It had been mentioned at earlier meetings that transportation would be provided for these programs.

The board also noted that additional facilities would be needed to provide these programs on a year-round basis and asked that the mothers support any building programs the board might undertake.

Dr. Van Gilder asked the mothers if they had considered forming committees of mothers who would help slow learners and was told that the parents were willing to work with their children but felt the teaching should be left to professional teachers.

Mentone Town Marshal Gene Norton asked to be relieved of the maintenance work at the town hall for which he was paid \$125 yearly. The firemen offered to do the work at the same price plus half the fees collected for the rental of the hall.

## R. J Hill Is New President

R. J Hill was elected president of the Mentone Flying Club Friday night. Other officers elected were Dr. Lyle Davis, vice president; Loren Sheetz, secretary-treasurer; Dr. Wymond Wilson, member-at-large, and Allen Herendeen, flight officer.

## Police Report

The Fulton Co. sheriff's office reported Saturday that it lodged two juveniles in the jail, a 16-year old and a 17-year old, Friday night. Both boys were from Akron and were charged with delinquency. Also jailed was Virgil Clemens, R. 1, Akron. He was charged with illegal possession of alcohol and appeared in Mrs. Thelma Carr's Rochester Justice Court where he was fined \$10, plus costs, \$20.

## General Telephone Plans \$365,000 Expansion

General Telephone Co. District Manager R. E. Knafel said this week that cable and conduit projects will account for the expenditure of more than \$365,000 in the Wabash district.

He made the announcement in discussing General Telephone's record \$42.3 million construction budget for new and expanded facilities in 1971.

Telephone exchanges in the Wabash district include Wabash, No. Manchester, Akron, Atwood, Burket, Bippus, Bourbon, Claypool, Etna Green, Mentone, Millwood, Sidney, Silver Lake and Tippecanoe.

Clifton E. McCormick, company president, said the new budget is approximately \$2.3 million above the amount being spent in 1970 and approximately \$6 million greater than the same figure of five years ago.

McCormick stated, "The record size of General Telephone's 1971 construction program and the fact that it calls for more spending reflects our determination to fully meet the growing service needs of customers throughout our Indiana territory."

"Despite the burdens imposed on us by increasingly high interest rates for borrowed capital, rising taxes and other costs, we have been steadily accelerating our construction ef-

fort in recent years to meet the unprecedented demand created by rapid economic and population growth. We have spent over \$192 million for this purpose in the last five years," he continued.

Major categories of spending will include phone instruments and related equipment for homes and offices, \$13.6 million; outside plant, such as cable, conduit and poles, \$11.8 million; central office switching equipment and circuitry, \$14.3 million; land and buildings \$900 thousand. Other types of equipment and supplies such as motor vehicles and work tools will comprise the remainder of the budget.

## Tot faces open heart surgery

David Stiver, son of Mr. and Mrs. Phil Stiver, is an active three-year old who has already opened the gifts for his fourth birthday although he won't be four until

January 25, the day after he is to be admitted to Riley Hospital in Indianapolis to undergo open heart surgery on January 26.

David and his younger brother Tom live with their parents on Road 25, east of Mentone. His father works for the county highway department and his mother is an employee at Murphy Medical Center.

A David Stiver Fund

to help defray the costs of this expensive operation has been established at the Farmers State Bank in Mentone by members of the Mentone Fireman's Auxiliary. Anyone wishing to contribute to the fund may do so by either sending contributions to the bank or to the Auxiliary. Contribution points will also be established in some of the local stores.

## Miner Re-Elected President At Farmers State Bank

The stockholders of the Farmers State Bank, Mentone, recently held their 79th annual meeting following a dinner at Teel's Restaurant in Mentone.

A financial report was given by Forrest D. Miner, president of the bank, that showed deposits at year-end of \$10,148,370.84, an increase of \$1,397,000.00 over a year ago. The bank recently paid its sixth annual stock dividend, during which time the capital of the bank has grown from \$530,789.28 to \$882,632.84. He

said the bank has just completed its most profitable year in history.

Following the business meeting, all officers and directors were re-elected. Bank directors are Floyd L. Tucker, Charles L. Manwaring, Forrest D. Miner, Dr. Orville L. McFadden and Donald D. Poulson. Officers of the bank re-elected were Forrest D. Miner, president; Chas. L. Manwaring, vice president; Thomas M. Fugate, cashier; Larry D. Pyle, assistant cashier, and Iris M. Anderson, assistant cashier.

## Coroner May Certify Roberts Is Dead

Lacking any new evidence and not expecting any, the Brown Co. coroner says "before too long" he will issue a death certificate in the name of "Clarence Roberts."

Deputy Coroner Earl Bond, who was coroner until his son, Jack, succeeded him Jan. 1, said last week, "We've been fooling around with this so long, we'd just as well get it over with."

Earl Bond said the coroner's office did not receive any new official information on the Roberts case in the last week.

He said further that he did not really expect anything conclusive to come out of current investigations.

Referring to the work being done by Dr. Geo.

Neumann, an Indiana University bone specialist who has been conducting tests of the bones of the victim and comparing them to known x-rays of Clarence Roberts, Bond said "I don't think he will come up with anything concrete. I just think he has got a pretty big problem there." Bond did say, however, that he would wait to receive Dr. Neumann's report before issuing the death certificate.

Bond said the reason for preceeding ahead with the signing of a death certificate was "to go ahead and let them get into it themselves."

In making the statement, Bond said he was referring to the likeli-

hood of a court suit involving the Clarence Roberts family and insurance companies that had policies on his life that totaled \$800,000.

Before beneficiaries can collect benefits from life insurance policies, a death certificate in the name of the insured is usually required.

Mrs. Florence Thacker Bradley, an attorney for the Roberts family, declined last week to make any comment on the present thinking of the Roberts family on the ground the information she had was confidential. She said there is no court record for anybody, yet, but that there would eventually be one.

## Fish fry Friday to aid Bonnie Bickel Fund

The Bonnie Bickel Fund established recently by the Las Donas Jr. Woman's Club at the Akron Exchange State Bank continues to grow as contributions are received from local individuals and organizations. It will receive an added boost Friday night, Jan. 22, when a benefit fish fry will be held in Mrs. Bickel's honor. The fish fry will be in the Akron gym and serving will be from 5 to 7:30 p.m. All proceeds will go to the fund to help defray the cost of a kidney transplant operation that she will undergo within the next two months.

Mrs. Bickel, mother of three, has been undergoing dialysis in preparation for the transplant, the cost of which could begin at \$14,000, with the rate becoming much higher depending on the amount of time she must spend in dialysis before she can have surgery. The operation will be performed at the Indiana University Medical Center where she is now a patient.

Cards and letters may be addressed to Mrs. Jerry Bickel, Room 565, Indiana Medical Center, 1100 West Michigan St., Indianapolis, Indiana 46202.

first assignment being his home county of Owen. He served there until April, 1960, when he was transferred as Work Unit Conservationist to Orange and Martin counties. Considerable watershed experience was gained at this location during the following four years. In February of 1965 he was assigned as Project Coordinator of the Lincoln Hills Resource Conservation and Development Project and has been in this position since that time.

Featured speaker at the annual meeting of the Kosciusko Co. Soil and Water Conservation District will be Gene Hassler, Project Coordinator of the Lincoln Hills Resource Conservation and Development Project. The meeting will be held Feb. 2 at 6:30 p.m. at the Shrine Building, Kosciusko Co. fairgrounds. Tickets are available at the Soil Conservation office at 518 So. Buffalo St., Warsaw.

Hassler started his career with the Soil Conservation Service in May of 1951 with his

Representatives from approximately 30 states have visited the Lincoln Hills to observe activities and accomplishments with many favorable comments. One state, Tennessee, has sent representatives to Lincoln Hills on four different occasions. Improved economic and social conditions are the goals being worked toward through the Lincoln Hills RC & D Project. Strides are being made in this direction through proper use and development of both natural and human resources.

## Miner Re-Elected President At Farmers State Bank

The stockholders of the Farmers State Bank, Mentone, recently held their 79th annual meeting following a dinner at Teel's Restaurant in Mentone.

A financial report was given by Forrest D. Miner, president of the bank, that showed deposits at year-end of \$10,148,370.84, an increase of \$1,397,000.00 over a year ago. The bank recently paid its sixth annual stock dividend, during which time the capital of the bank has grown from \$530,789.28 to \$882,632.84. He

said the bank has just completed its most profitable year in history.

Following the business meeting, all officers and directors were re-elected. Bank directors are Floyd L. Tucker, Charles L. Manwaring, Forrest D. Miner, Dr. Orville L. McFadden and Donald D. Poulson. Officers of the bank re-elected were Forrest D. Miner, president; Chas. L. Manwaring, vice president; Thomas M. Fugate, cashier; Larry D. Pyle, assistant cashier, and Iris M. Anderson, assistant cashier.

## Coroner May Certify Roberts Is Dead

Lacking any new evidence and not expecting any, the Brown Co. coroner says "before too long" he will issue a death certificate in the name of "Clarence Roberts."

Deputy Coroner Earl Bond, who was coroner until his son, Jack, succeeded him Jan. 1, said last week, "We've been fooling around with this so long, we'd just as well get it over with."

Earl Bond said the coroner's office did not receive any new official information on the Roberts case in the last week.

He said further that he did not really expect anything conclusive to come out of current investigations.

Referring to the work being done by Dr. Geo.

Neumann, an Indiana University bone specialist who has been conducting tests of the bones of the victim and comparing them to known x-rays of Clarence Roberts, Bond said "I don't think he will come up with anything concrete. I just think he has got a pretty big problem there." Bond did say, however, that he would wait to receive Dr. Neumann's report before issuing the death certificate.

Bond said the reason for proceeding ahead with the signing of a death certificate was "to go ahead and let them get into it themselves."

In making the statement, Bond said he was referring to the likeli-

hood of a court suit involving the Clarence Roberts family and insurance companies that had policies on his life that totaled \$800,000.

Before beneficiaries can collect benefits from life insurance policies a death certificate in the name of the insured is usually required.

Mrs. Florence Thacker Bradley, an attorney for the Roberts family, declined last week to make any comment on the present thinking of the Roberts family on the ground the information she had was confidential. She said there is no court record for anybody, yet, but that there would eventually be one.

## Fish fry Friday to aid Bonnie Bickel Fund

The Bonnie Bickel Fund established recently by the Las Donas Jr. Woman's Club at the Akron Exchange State Bank continues to grow as contributions are received from local individuals and organizations. It will receive an added boost Friday night, Jan. 22, when a benefit fish fry will be held in Mrs. Bickel's honor. The fish fry will be in the Akron gym and serving will be from 5 to 7:30 p.m. All proceeds will go to the fund to help defray the cost of a kidney transplant operation that she will undergo within the next two months.

Mrs. Bickel, mother of three, has been undergoing dialysis in preparation for the transplant, the cost of which could begin at \$14,000, with the rate becoming much higher depending on the amount of time she must spend in dialysis before she can have surgery. The operation will be performed at the Indiana University Medical Center where she is now a patient.

Cards and letters may be addressed to Mrs. Jerry Bickel, Room 565, Indiana Medical Center, 1100 West Michigan St., Indianapolis, Indiana 46202.

Considerable watershed experience was gained at this location during the following four years. In February of 1965 he was assigned as Project Coordinator of the Lincoln Hills Resource Conservation and Development Project and has been in this position since that time.

Featured speaker at the annual meeting of the Kosciusko Co. Soil and Water Conservation District will be Gene Hassler, Project Coordinator of the Lincoln Hills Resource Conservation and Development Project. The meeting will be held Feb. 2 at 6:30 p.m. at the Shrine Building, Kosciusko Co. fairgrounds. Tickets are available at the Soil Conservation office at 518 So. Buffalo St., Warsaw.

Hassler started his career with the Soil Conservation Service in May of 1951 with his

Representatives from approximately 30 states have visited the Lincoln Hills to observe activities and accomplishments with many favorable comments. One state, Tennessee, has sent representatives to Lincoln Hills on four different occasions. Improved economic and social conditions are the goals being worked toward through the Lincoln Hills RC & D Project. Strides are being made in this direction through proper use and development of both natural and human resources.

# LETTERS TO THE EDITOR

Dear Editor:

I suggest that the community of Mentone make every day a clean-up day. Students, on the way home pickup trash or don't throw any litter down such as candy or gum wrappers or school papers. Adults and young people should use the litter cans in town and clean up in town too. As I get more suggestions I will write Your pollution fighter, Greg Hoover

## 10 Acre Corn and Soybean Awards

Fulton County 10 Acre Corn and Soybean Yield contestants were recognized recently at a dinner meeting sponsored and hosted by the Rochester Rotary Club.

Marion Cohn was named champion of the senior division with a top yield of 160.0 bushel corn per acre. He was presented a trophy for his top yield by Bill Gordon, representative of the Farmers and Merchants Bank, Rochester, sponsors of the trophy.

David Smith was named champion of the Junior Division with a top yield of 159.1 bushel corn per acre. He also was presented a trophy sponsored by the Farmers and Merchants Bank.

Other senior members presented 10 acre corn medals -- were Maurice Horn, 155.0 bushel; Dale Smith, 148.0 bushel; Melvin Myers, 147.0 bushel, and George Krom III, 128.6 bushel.

Senior 10 acre soybean award was presented to George Krom III with 45.2 bushel soybeans per acre.

James Hoge, junior 10 acre member, received a medal for 210.7 bushel corn per acre.

Harold Wilson, President of the Indiana Association of Soil and Water Conservation Districts, presented a timely discussion on "Production, Pollution and Politics."

## Why editors turn gray (bald)

Being editor of a country newspaper is not the most desirable job in the world unless you are a glutton for punishment. It is confining beyond what is reasonably accepted these days.

There are constant pressures. That means constant deadlines and everything has to be done in a hurry. As for financial reward, only a few really make it and we seldom advise youth to enter the field unless they are really dedicated and can cope with the inherent perplexities.

This does not mean that the newspaper-business is completely unrewarding, because there is certain satisfaction in doing any job well.

There is humor in the work and something pops up almost every day from the fact that most people feel strongly, one way or the other, about having their names in the paper.

Here are a few typical examples, not all original, of a number of ways to spoil an editor's day:

"Please put it on the front page."  
"Use the story just as I have written it. The club wants it that way for the scrap book."

"You're invited to our annual dinner tonight (that was the third invitation that week and we wanted a night home). There will be plenty free to eat and drink. Oh,

## Beaver Dam Club Hears Trust Officer Speak

The Beaver Dam Home-makers Club met Wednesday evening with Mrs. Winnifred Summe. The president, Mrs. Willis Bowen, gave a short meditation and read a poem "Housewife's Petition" and the members read in unison a verse, entitled "My Thanks" and also the pledge to the flag given. The first part of the meeting was turned over to Mr. Geppert, the Trust Officer of the Lake City Bank of War-

saw, who explained the need for a person to have a will or one of the many kinds of trust funds for the protection of their family and heirs. The business of the club was then conducted by the treasurer, Mrs. Ralph Tucker, reading her report, and Mrs. Max Cumberland giving the secretary's report. Coins for Friendship were received and the report of the nominating committee was given and the following officers were elected: Mrs. Eva Huffer, president; Mrs. Harvey Smith, vice president; Mrs. Ed Creakbaum, secretary; and Mrs. Elmer Dickey, assistant; Mrs. Ralph Tucker, treasurer; with Mrs. Percy Swick, assistant. The installation of the officers will be in June and they will assume their duties in July. Meeting was closed by giving the club collect and then the 12 members enjoyed a salad bar. The next meeting will be with Mrs. Frank Hudson with Mrs. Richard Whittenberger as co-hostess on Feb. 10. Mrs. Max Cumberland and Mrs. Elmer Dickey received the hostess auction gifts.

Mr. and Mrs. William Huppert spent Sunday in Ft. Wayne with Mr. and Mrs. Charles Bucher and children.

Mr. and Mrs. John Stauffer were Saturday guests of Mrs. Charles Yeaman.

Mrs. Dessa Fultz of Rochester, Mrs. Marie Bright and Velma and Mrs. Dick Miller and Debra were Wednesday dinner guests of Tural Haldeman and Walter.

## HUMAN RELATIONS SHORT COURSE

- The six most important words: —  
"I admit I made a mistake."  
Five most important: —  
"You did a good job."  
Four: —  
"What is your opinion."  
Three: —  
"If you please."  
Two: —  
"Thank you."  
One: —  
"We."

yes, please bring your camera."

"How come it wasn't in the paper? It was, well, I didn't see it. Will you please go through the back copies and tear it out for me."

"I just stopped by to talk a few minutes, but if you're busy."

"We voted to make you our club publicity chairman."

"I know you have a deadline, but couldn't you just squeeze this little item in?"

"My husband has never been in trouble before so I don't think his name should appear in the paper for drunken driving and hitting that nasty policeman (who was only trying to arrest the man without hurting him). Besides, he only had a couple of beers (the drunkometer showed him nearly dead drunk). And there are the children to think about (he didn't and the facts are he regularly gets drunk in front of them and beats the old lady about every Saturday night).

"I know it's on a Sunday, but it's our annual reunion and someone ought to cover it."

"My uncle's brother is one of your biggest advertisers and I was wondering if..."

And on and on and on.

## Mobile Home Assessing Stepped Up

Fulton County Assessor Oren Conrad has announced that a concentrated effort will be made this year to have all mobile homes in the county assessed. He said he feels many such dwellings were not assessed last year. He pointed out the following state laws of 1955 regarding mobile home assessment:

Chapter 169, Section 3: "Every person who permits the placing upon land or lot which he owns or which he has either possession or control thereof a mobile home as here defined in such a manner as will permit occupancy as a dwelling or sleeping place for one or more persons shall report within 10 days the placing to the township assessor of the township which land is located."

Chapter 144, Section 1: "A mobile home park is defined as 'where two or more mobile homes are located.'"

Chapter 107, Section 1: "A person violating this section shall be subject to a fine or not

## Mrs. Rush Hosts Anthony Nigo Chapter D A R

The January meeting of the Anthony Nigo Chapter, DAR, was held in the home of Mrs. Ray Rush.

The regent, Mrs. Chas. Tucker, opened the meeting in regular form.

Mrs. Ernest Igo read the President General's message—a portion of which stated that during Continental Congress last April a debt which had been incurred for the purpose of redecorating at National Headquarters in Washington, D.C. had been completely met.

It was announced that two new Junior members, Miss Rita Lou Paulus and Mrs. Salvador (Sara Jo) Murcia, had been added to the chapter.

Miss Kim Manwaring of Mentone was selected as winner of the Daughters of the American Revolution Good Citizen contest for Anthony Nigo chapter.

Mrs. Ray Linn and Mrs. Arthur Brown were chosen as alternates to DAR Continental Congress in April.

The Agnes Pruyn Chapman Chapter extended an invitation to the Anthony Nigo Chapter to attend a dinner meeting on January 26 at the Wagon Wheel Restaurant in Warsaw with the State Regent, Mrs. Floyd H. Grigsby, as the speaker for the occasion.

Mrs. Frank Smith reported three large boxes of clothing had been sent to the Kate Duncan Smith DAR School.

Following the business session, Mrs. James Biting showed colored slides and told of their trip to Europe.

The hostess and co-hostesses, Miss Annabel Mentzer and Mrs. Wm. Cox, served dainty refreshments.

more than \$25. Each failure to report shall be regarded as a separate offense."

Chapter 107, Section 3: "A mobile home becoming subject to tax provided after April 1, and on or before Oct. 1 of any year shall be assessed for one-half year, payable the first Monday of November. Forms are available in the assessor's office."

## 'Handicaps' Can Be Conquered Says Golf Champ Arnold Palmer

By ARNOLD PALMER  
Honorary National Chairman  
The National Foundation-  
March of Dimes

Wouldn't it be great if medical science could be as successful in wiping out birth defects as it was with polio!

I have joined forces with the March of Dimes in the campaign to do this because I know of the good these people have done and the worthiness of their programs to help children born with defects.

I have seen my father, who was afflicted with polio at a very young age, live a completely normal life without encountering any real setbacks. He is still hard at work, though in his mid-60s, and still plays a pretty good game of golf.

A lot of children born with defects can overcome their handicaps and lead something close to a normal life if given the proper help. That is certainly one goal. But the mental part of being healthy is as important as the physical part, and it was that part that impressed me about Marty Mink Mack, the national poster child for the March of Dimes.

### Living With Handicaps

Marty and I met when we worked together shooting a film for the 1971 March of Dimes campaign drive. There is quite a bit of difference between my father and Marty. Marty's handicap is far more serious. He was born without arms and with a hip defect that made his left leg three inches shorter than his right.

In my father's case, polio left him with a limp but no other severe physical handicap. He reacted normally, I think, to the fact that he would have to live with his handicap and decided to make every effort, physically and mentally, to overcome it. He has done so and I feel that taking this attitude at the start made it a lot easier for him.

This will be a lot harder for Marty, particularly as he grows older. So far, in the short time that I have known him, he seems to be able to handle his problems pretty well, which is a good sign for the future.

## Mrs. Hancock Is Guest Of Club

Mrs. Ann Hancock, the county home economics agent, was a guest of the Mentone Homemakers Club recently at the home of Mrs. T.R. Jones with Mrs. Leroy Cox as co-hostess.

Mrs. Ray Eckert opened the meeting with group singing of "America the Beautiful" and by giving the pledge to the flag and repeating the creed.

The song of the month and its history was on a record, and members joined in singing "The More We Get Together."

Mrs. Leroy Cox used for meditation "Golden Age of Dreams" and "If Today Were Our Last", after which members paused for a moment of silent prayer in memory of Pearl Gates.

Health and safety remarks were given by Mrs. Frank Curless who discussed the trouble with bi-focals and the unpredictable flu.

Mrs. John Bowerman, the citizenship leader, reminded members of the correct way to salute the flag.

Roll call response was "Where I Spent Christmas" and was answered by 12 members.

Mrs. Howard Horn and Mrs. Elmer Sarber read the secretary's and the treasurer's reports.

Mrs. Ralph Warren gave reports on the President Council meeting and the members reviewed the new books. Thank you notes were read. Mrs. Chet Smith won the mystery package.

The meeting closed by singing the club prayer song, and by repeating the club collect. The next meeting will be in February with Mrs. Ray Eckert.

Guests were Mrs. Ann Hancock and Betty Jo Smith.

## Two Uninjured In Plane Crash

Scott Wolfe, R.3, No. Manchester, the pilot, and Guy Alsbaugh, Claypool, a passenger, walked away unhurt as the light Cessna plane owned by Wolfe went out of control and came down in a bean field on the Charles Stone farm, 3.5 miles northeast of Silver Lake. Wolfe told authorities something snapped in the controls, causing the plane to go out of control.

The plane was badly damaged.

DETERMINATION is what it takes to overcome handicaps and prevent birth defects, says golf great Arnold Palmer, Honorary National Chairman for the March of Dimes.

Marty seems to have accepted with very little difficulty the fact that he is crippled and will be handicapped for the rest of his life. The first thing for a person with a handicap to do is to recognize that fact and what goes with it and make the very best of it. Marty has done this totally.

### Making Those Putts

In fact, he seems to recognize and accept his situation much better than people who become handicapped later in life. One thing that is involved is the way people react to someone who is handicapped. Adverse reactions could easily get a youngster like Marty down a bit and perhaps lead him to put up a barrier between himself and others. I don't believe Marty has done this.

When we worked together making the film, I saw in Marty a determination to do all that he was asked to do. He was determined to make those putts. It's something a good golfer must have—determination to play to the very best of his ability. You can't take a

half-hearted, disinterested attitude onto a golf course and play up to your ability.

I think that those of us who are trying to help Marty and other children handicapped by birth defects must anticipate that these young people are bound to have some difficulties in adjusting to their predetermined roles in life. Yet, at the same time, I don't think that these people want pity. They want to build up confidence that they can help themselves to some degree, as much as is physically possible.

It is the same with a golfer. You show me a golfer who is a winner and I'll show you a person who feels in his mind that he can make the difficult shots, cope with the pressures of the competition and defeat the course or the opponent.

That's how we have to feel about birth defects. Everybody in America and the world should be concerned with and support the efforts of the March of Dimes and its thousands of volunteer workers. You never know when the diseases and other causes of birth defects might strike home.

## Housewives Have A Mailing Chore

Housewives who employ help around the house on a regular basis have an important mailing chore to perform before January 31, according to Don R. Zimmerman, social security district manager in So. Bend.

It is the late fall quarterly report of wages and the social security contributions paid on those wages, he said. The payment--due by the end of January for the months of October, November and December--covers all household employees who are paid cash wages of \$50 or more by one employer in a calendar quarter.

Contributions are based only on cash wages. Cash or tokens given to the worker for car fare count as wages. But the room and board allowance for a "live-in" domestic employee does not count.

The worker and the employer each contribute 4.8 percent of the worker's wages to social security (5.2 percent effective January 1971). In some cases, the employer may choose to pay the entire contribution himself. But it is the employer, Mr. Zimmerman pointed out, who is responsible under the law for making the reports. More than a million household workers--gar-

deners, maids, cooks, cleaning women, handy-men and babysitters--are earning social security protection thru the wages reported for them, he said.

Information about social security for household workers is available from the So. Bend Social Security office at 125 South Lafayette Blvd., So. Bend, 46601.

## Las Donas Club Opens Busy Schedule

The Las Donas Jr. Women's Club began, what promises to be a very busy year, Monday night at the home of Mrs. David Wallin.

The main order of business being the \$200 donation to start the Bonnie Bickel Benefit Fund.

A \$100 scholarship will again be offered to Akron High School senior girls. A resource booklet will be compiled of people with hobbies, slides, etc. to be used by local teachers to plan special programs for their classes. Mrs. Larry Horne reported that she was contacting local students to represent the club in the County Federated Clubs Music and Art Contests. A donation of \$25 will be given to CARE. Plans were discussed for the County Federated Clubs Convention to be hosted by the Las Donas Club March 18. The Club will also have a food booth at the Lions Clubs Feb. Fish Fry.

Discussions were held about many projects for the near future and some committees appointed to inquire further into these.

The meeting was concluded with the election of officers for 1971-72 club year. Those elected were: Mrs. Dennis Thompson, treasurer; Mrs. Miles Huffman, secretary; Mrs. Francis Davis, Jr., publicity; and Mrs. David Wallin, devotions.

Members present at the meeting were: Mrs. Francis Davis, Jr., Mrs. Marvin Gagnon, Mrs. Larry Horne, Mrs. Randall Leininger, Mrs. John McKee, Mrs. Donald Nicodemus, Mrs. Regis Ochis, Mrs. Fred Ogle, Mrs. Dean Rager, Mrs. Larry Straley, Mrs. Dennis Thompson, Mrs. John Zimmerman, Mrs. Fred Haney,

Jr., Mrs. Miles Huffman, Mrs. Robert Shafer, Mrs. William Gagnon, Mrs. Robert Cumberland and Mrs. Robert Ogle.

## Accident Report

Two cars were involved in an accident Monday within the town limits of Silver Lake that resulted in \$200 damages to one vehicle, that of George E. Wagner, 46, R. 1, Rochester, who was headed south on SR 15 and had stopped for the light at the intersection with SR 14. Police said as the light changed and Wagner proceeded south, Allen Richards, 72, Silver Lake, was backing from the curb on the west side of the street and struck the Wagner vehicle. The Richards car was not damaged. The crash was investigated by Hayden Newhouse, the town marshal.

A car operated by Merl Blue, 41, Mentone, went out of control on County Road 100 So., two miles southwest of Warsaw at 2:50 a.m. Friday and struck a sign at the Rozella Ford Community Golf Course. Sheriff Dave Andrews listed damage to the car at \$1200.

A car driven by Bob F. Perigo, 34, R. 2, Akron, went off the old Fort Wayne road, two miles north and one mile west of Akron, Thursday evening and struck a fence owned by Harvey Kamp. Perigo was going west when the car went off the icy road and hit a corner post and then hit the rest of the fence. Injured were the driver with cuts on his mouth and arm and a passenger, Alvin R. Love, 34, R. 2, Akron, who sustained deep cuts to his chin, forehead, right eye and had possible chest injuries. He was listed by his doctor as in "serious" condition at Woodlawn hospital. Damage was \$100 to the fence, and Perigo's car was a total loss at \$300.

## Friendly Neighbors Hear About Hawaii

The Friendly Neighbors Extension Homemakers Club met Tuesday evening at the home of Mrs. Or-al Welsh.

The meeting was conducted by the president, Mrs. Everett Besson, using the regular ritualistic form.

Ten members answered

roll call and sang the song of the month, "The More We Get Together."

After a brief business session, Mrs. Frank Smith, attired in Hawaiian costume and using pictures, gave a most delightful and interesting review of her visit in Hawaii.

Mrs. Lloyd Bowerman Jr. was a guest.

## News Of Interest To Homemakers

by Ann Hancock, Area Extension Agent,  
Kosciusko County

### SELECTION AND CARE OF BONDED FABRICS

Consumers are seeing more and more bonded fabrics in ready-to-wear and on the bolt. There are some signs to quality and other consider-

ations when selecting bonded fabrics or ready to wear articles made of bonded fabrics.

Bonding is a process of joining two or more fabrics to create a single fabric with improved properties. Laminated is the term used for foambacked fabrics. One important factor to look for in selecting bonded fabrics and garments is that both fabrics are on grain as the grain cannot be straightened. The backing should not detract from the beauty, hand, or draping qualities of the face fabric. Stiffness is a drawback of many bonded fabrics.

Unfortunately, there is no way to determine whether the fabrics will separate in cleaning. Rough-surfaced fabrics, will hold the bond better than smooth-surfaced fabrics. If the fabrics are separated along the selvage this is an indication that they will separate in other areas.

Simple pattern designs with few seams and details are best for bonded fabrics. Set in sleeves and other forms of easing are difficult. To reduce bulk in seams separate the backing and fabric to the seam. Darts should be slashed and pressed open.

Last but far from least read all labels to see if the fabric is washable or dry cleanable. With care in pattern selection and fabric selection, you will be most satisfied with a garment constructed from a bonded fabric.

### PROGRAM PLANNING

Just a reminder to the vice presidents of the Extension Homemakers clubs that the Program Planning meeting will be January 20, 9:30 to 11:30 a.m. at the Women's Building, Fairgrounds. In case of bad weather, our meeting will be cancelled IF the Warsaw Community Schools are closed. Let's see every club represented to help plan an interesting program.

### GRAHAM CRACKER CAKE

$\frac{1}{2}$  cup shortening,  $1\frac{1}{2}$  cups sugar. Cream well. Add 2 egg yolks and a pinch of salt. Add alternately  $1\frac{1}{2}$  cups milk with 3 cups finely crushed graham crackers mixed with  $2\frac{1}{2}$  tsp. baking powder,  $1\frac{1}{3}$  cup nuts. Fold in 2 beaten egg whites. Bake 30

minutes at 325°. TOPPING: 1 cup sugar, 1 can crushed pineapple (8 oz.). Boil, then pour over cake while they both are still hot.

## THE Club Hears Drug Program

Mrs. Harold Walters entertained nine members of the T.H.E. Extension Club in her home Thursday, January 14.

The meeting was opened by Mrs. Lewis Johnson with a reading "Ring in the New." The song "Wait For The Wagon" was sung, followed by the pledge to the flag and the club creed.

For devotions, Mrs. Leroy Grossman read "Good Versus Evil" from the writings of Dr. Jennings. Roll call was answered by telling where each had spent the Christmas and New Year holidays.

The project lesson on "Drugs and Drug Abuse" was given by Mrs. Roy Calvert. Pictures from magazines were shown on this subject.

The singing of the song of the month, "The More We Get Together," was led by Mrs. Jack Parks. Birthdays were celebrated by Mrs. Edward Lucht, Mrs. James Johnson (both unable to be present), Mrs. Gerald Doud, Mrs. E. C. McGowen and Mrs. Charles Miller. A get-well card was prepared to send to Mrs. Lucht who is in the Plymouth hospital.

Mrs. Miller gave a health and safety lesson on "Causes of Birth Defects." The three most common sources are inheritance, environmental factors and a combination of the first two, she said.

The next meeting will be in the home of Mrs. Merle McGowen. There will be a valentine with a 50 cent gift exchange. The project lesson on "Convenience Foods versus Conventional Foods" will be given.

The meeting closed with the collect.

The program was in charge of Mrs. Miller with a game of bingo. The winners were Mrs. E. C. McGowen and Mrs. Merle McGowen.

Refreshments were served by the hostess. The door prize was won by Mrs. Calvert.

## Photography Exhibit of Local Work Now Featured at Honeywell Center

Jack Baber, an amateur photographer whose work has been exhibited internationally, will open a showing of his photographs at the Honeywell Memorial Community Center in Wabash Monday, January 18, and the exhibit will remain there

### Engagement Announced

Mr. and Mrs. Raymond Grubbs, Mentone, announce the engagement and approaching marriage of Mrs. Grubbs' daughter, Donita Fern Teel, to Steven Allen Secrist, son of Mrs. Alice Secrist and the late Glen Secrist of Mentone.

Both are 1970 graduates of Mentone High School.

The bride-elect is employed at R.R. Donnellay and Son, Warsaw, and her fiancé is affiliated with Secrist and Son Construction Co. of Mentone.

The wedding will be solemnized January 29 at 7 p.m. in the First Baptist Church of Mentone.

Another way to bring a family closer together is to get a compact car.

until February 9. It features black and white photographs of the natural environment and includes his photograph from "Photography at Midcentury-1959," a book published by the George Eastman House of the work of 50 outstanding international photographers.

The Honeywell Center is open from 8 a.m. until 10 p.m. weekdays and from 11 a.m. until 9 p.m. on weekends.

Baber, a 39-year old Wabash native, first took up photography as a sideline while majoring a business administration at Indiana University. His work has since been shown in major exhibitions in the United States and in Canada and Australia.

A craftsman with a camera and in a darkroom, Baber also sees photography as an effective means of self-expression: "If we could convince each young photographer that what he has to say is important and that we respect his way of stating it, we would find more exhibiting photography being done and fewer young photographers losing interest."

He is branch manager of Baker Motor Supply, Peru.

### Engagement Announced

Mr. and Mrs. Raymond Brown, Athens, announce the engagement of their daughter, Beverly Jo, to John H. Zeiger, son of Mr. and Mrs. Joseph Zeiger of Rochester. Miss Brown is a 1970 graduate of Akron High School. Mr. Zeiger, a graduate of Rochester High School, is employed at Jones Implement Company. A June wedding is being planned by the couple.

### Rudd Heads 4-H Council

James Rudd, R. 2, Rochester, was elected chairman of the 1971 Fulton Co. 4-H Council.

Other officers elected were Keith Warner, Richland Twp., vice chairman; Mrs. Betty Reichard, Aubree Twp., secretary; and Melvin Hargan, Rochester Twp., treasurer.

The Fulton Co. 4-H Council is made up of the chairman of each township or 4-H club sponsoring committee plus the four 4-H adult leader officers.

The council is charged with the overall development of the county 4-H program, policy and general guidelines in co-operation with the Co-operative Extension Service.

The council also maintains control over those funds appropriated to the 4-H program. These funds are used for awards and trip sponsorship and 4-H premiums.

### Seward Club

The Seward Home Extension Club met for their January meeting at the home of Mrs. Vernon Meredith as hostess and Mrs. Clifford Eherenman as co-hostess.

Vice-president, Mrs. Frank Nelson opened the meeting with the pledge to the flag, "America, the Beautiful" and the Club Creed. History of the song of the month was given and all joined in singing it. Meditation and garden remarks were given. Mrs. Vernon Meredith gave health and safety remarks on aerosol cans and the danger of insect bomb. Mrs. Raymond Longbrake presented the lesson on picture arrangement. Roll call was answered by 13 members and three guests, Mrs. Paul Huff, Ruth Fields, Mrs. Lance Gayle, on a new lesson for 1972.

During the business session, the bake sale was discussed which is to be held at the Burket Fire Station on Feb. 6th.

The meeting was adjourned with delicious refreshments served by the hostess. The Feb. meeting will be held at the home of Mrs. Don Poyser as hostess.

### Heine Introduces Bill That Would Establish Review Commissions

State Representative Ralph R. Heine, Columbia City, Thursday introduced a bill to establish local government review commissions to study problems of local government in each county. The bill, H.B.1177, would create a state advisory commission to assist the local groups in determining what changes, if any, are needed. This in turn would help local governments update or change their structure if needed, he said. "This bill doesn't make mandatory any changes in the local county and township structures," commented Heine. "It does make it possible for local units to change their form of government, within limits, if they so desire. Of course, any change would have to be presented to the voters in the form of a referendum in order to effect a change."

The bill further provides optional forms of county government and for the optional abolition of civil townships.

Representative Heine is Chairman of the House committee on County and Township Business. He also serves on the House Agriculture Committee and the committees on Public Health and Environmental Affairs, Affairs of Lake County, and Welfare and Social Security.

### Albion Production Credit Assn. Announces Patronage Refund Payment

August Kruse, Jr., President of Albion Production Credit Association, has announced the payment of a Patronage Refund of nearly \$142,000. The refund represents the entire earnings of the Association in 1970 after the payment of operating costs, taxes and increasing the reserve for losses to the maximum allowed by law of 3% of loans outstanding on Dec. 31, 1970. The Patronage Refund will be paid in cash is 9% of interest, paid by farmer-borrower during the year.

For the past two years, the Association Directors have planned to keep interest costs to farmers as low as possible in the face of high money costs in the city. In 1969, rates were held below cost to the Association and only sufficient service fees were charged to pay actual operating costs. In 1970, after reaching the plateau of money costs

late in the year, Mr. Kruse stated the Board would again reduce the cost of borrowing by paying back a portion of the Association's income, and the Association could continue to operate with sufficient capital and reserves to furnish dependable credit.

The Association, organized in 1934, serves the short term agricultural credit needs of farmers in the eight counties of Northeastern Indiana and is completely farmer owned and operated.

The directors, in addition to Mr. Kruse, are Robert A. Reed, Wolcottville; Don H. Beer, Milford; Lincoln Booth, Orland; and J. Merlin

hindbaugh, Columbia City.

Willard N. Schieler is branch manager at the Kosciusko Co. office in Warsaw, and Mrs. Carl T. (Lottie) Zimmer is office assistant.

## It Happened In Mentone

Taken from the Feb. 17, 1937, issue of the Northern Indiana Co-Op News.

The building formerly occupied by the Mentone Hardware Co., has been vacated and factory machinery is being installed. The Fuller Box Company is the name of the organization and they will manufacture wood and fiber collapsible egg cases. The firm expects to employ from fifteen to thirty people, chiefly women, and expected the plant to be in operation this week.

Mr. and Mrs. Delbert Hunter are the parents of a baby daughter. She has been named Patricia Lee.

A.J. Nelson has purchased a new 1937 Pontiac sedan.

The Mentone debating team, consisting of Sam Blue, Mary Deaton, Everett Mikel and Helen Marvel, debated at Knox, Indiana Saturday. They met the LaPorte, Indiana team there. They were accompanied by their teacher, Mr. Paul Smith.

Mr. and Mrs. Don Baum and Mr. and Mrs. Ray Riner surprised Mr. and Mrs. Oliver Groves Sunday evening at their home in Rochester. The occasion was in honor of the birthday anniversary of Mrs. Groves. Mrs. Baum and Mrs. Riner brought delicious refreshments and a very enjoyable evening was spent by all.

Mrs. Ivan Tucker, Mrs. Ernest Igo and daughter and Phyllis Huffman called on Minnie Igo and family Saturday evening.

## A POSSIBLE LEADER

A little child shall lead them  
Is what the prophet foretold,  
When war will be studied no longer  
And the lion brings no harm to the fold.  
When swords shall be beat into ploughshares  
The pruning hook made from the spear,  
Atom power used for the good of all  
And not be something to fear.  
So heed what you do and say  
To each child - and never cease,  
To guard against harming a leader  
Who could bring everlasting peace.

## Deaf Man Designs Tiny Hearing Aid

### OFFERS FREE MODEL

A remarkable tiny hearing aid has been perfected by a man who has been hard of hearing for nearly ten years.

This small device has no dangling cords or separate transmitting units and represents a new unusual design idea in a product to restore natural hearing.

It was developed especially for those persons who can hear but can't understand. This new hearing instrument provides "ear level" hearing with the wearer picking up speech, sounds, television and radio at his ear. Due to the use of transistors, the user cost is extremely low.

A true life actual size replica of one of the smallest all-in-the-ear hearing aid ever made will be given absolutely free to anyone sending in this advertisement while supply lasts. So we suggest you write for yours now. No obligation whatsoever. Write to A. J. Wilder, 809 Steuben St., Wausau, Wis. 54401. Ad

## Bulldogs Dropped At Wawasee

By Allen Welch

High enthusiasm, non-working scoreboards, a 34-point performance by Steve Reed, and a rare double flagrant-technical foul highlighted last Friday's Wawasee basketball victory over Mentone 81-73.

Mentone came out in the first quarter and were ready to pull a big upset as they went out to an early lead at 7-4 and held the lead until 2:17 left in the first quarter when Wawasee took the lead for good 13-12. The host Warriors then went on an 11-point scoring spree that gave them a 22-14 first quarter lead. In the second quarter the Wawasee team led the Bulldogs by as much as 16 points. In the last minutes of the quarter, however, the Bulldogs staged a rally that brought them to within nine at the half, 40-31. Early in the third quarter the Warriors charged out in front again by 13 but then Mentone started to break the sticky Wawasee press quite regularly. Mentone then proceeded to outscore the Warriors 11-1 to come within at 45-42 with 3:01 left in the third stanza. The score remained the same for some time as both teams

missed several chances to score and break the game open. Wawasee soon however got its press into gear that forced the Bulldogs into some errors that gave the Warriors some easy buckets. By the end of the third quarter the hosts had pushed their margin back up to twelve at 60-48. The beginning of the fourth quarter was hardly believable as both teams found it virtually impossible to do anything but turn the ball over to the other team or occasionally make a basket or a free throw. But Mentone finally pulled to within six points at the 6-minute mark. Wawasee then shot out in front again and put the game out of reach with two minutes to go 78-62. Mentone then staged a late rally that saw the scrappy Bulldogs outdo Wawasee on the scoreboard 11-3. In the final three seconds a foul was called. Two players then lost control and threw a few elbows around and a double flagrant-technical foul resulted. Gary Sponseller stepped to the line and put in the two personal foul shots and Reid Bowser put the Technical free throws

in to end the scoring as Wawasee missed both their shots. The final score was 81-73, Wawasee winning a game in which Mentone kept coming back to keep Wawasee worried.

In the statistics department, things ran close. Mentone shot 41% from the field, hitting on 24 of 58 while Wawasee took more shots but still cashed in on 41%, hitting 29 out of 70. Although the Bulldogs outscored the Warriors from the free throw line, Wawasee had the better percentage. Mentone hit on 25 of 37 attempts for a 67% mark while Wawasee was putting in 23 of 31 shots, for 74%. Mentone out-rebounded the shots 35-30 being led by Ken Anglin with 14 and Steve Reed with 11. Errors were the whole story in the ballgame. Mentone turned the ball over a total of 27 times while Wawasee made eight less with 19 going against them. Had the Bulldogs made less errors the game might have ended differently.

Mentone was led in scoring by Steve Reed who put in 34 points. That total was the highest for a Mentone player since Dennis Meyer popped in 36 against Pierceton in 1967. Ken Anglin popped in 18 for the Bulldogs. Hamilton led Wawasee with 24.

Wawasee ran past the Bulldogs B-Team 60-29. The Bulldogs were led by Gary Sponseller with 7.

Mentone's varsity record is now 5-8 and Wawasee's is 7-5 and 5-0 at home. Looking at the schedule one sees that Mentone has played seven teams in a row that have .500 records or better and have a 3-4 record against these teams. Mentone has another rough assignment this Saturday when they take on rough Concord at Dunlap.

## Coroner May Certify Roberts Is Dead

Cont. from page 1  
 The basic facts of the Roberts case, of interest to local residents because Roberts formerly owned elevators in Akron, Mentone and Claypool, are:

The night of Nov. 18, 1970 a barn-garage behind the Roberts home on State Road 135 burned. A charred body was found in the ruins. Although a shotgun was found with the body and the State Fire Marshal's office ruled that the fire was of suspicious origin, an autopsy determined the cause of death to be carbon monoxide poisoning with evidence that the victim was not alive and breathing while the fire was burning. Efforts to positively identify the body, later exhumed, have been so far unsuccessful. Several people in the Brown Co. area identified Roberts as a hold-up man in a series of pictures taken during an Indianapolis bank robbery on Dec. 18 but

nothing conclusive has been reached in that speculation.

In any case, Clarence Roberts has been considered missing or dead since the fire.

## Coroner May Certify Roberts Is Dead

Cont. from page 1  
The basic facts of the Roberts case, of interest to local residents because Roberts formerly owned elevators in Akron, Mentone and Claypool, are:

The night of Nov. 18, 1970 a barn-garage behind the Roberts home on State Road 135 burned. A charred body was found in the ruins. Although a shotgun was found with the body and the State Fire Marshal's office ruled that the fire was of suspicious origin, an autopsy determined the cause of death to be carbon monoxide poisoning with evidence that the victim was not alive and breathing while the fire was burning. Efforts to positively identify the body, later exhumed, have been so far unsuccessful. Several people in the Brown Co. area identified Roberts as a hold-up man in a series of pictures taken during an Indianapolis bank robbery on Dec. 18 but

nothing conclusive has been reached in that speculation.

In any case, Clarence Roberts has been considered missing or dead since the fire.

## DuBois Is Named Outstanding Young Educator

The Rochester Jaycees announced today that Mr. Robert DuBois, 31, Akron, has been selected as the Outstanding Young Educator of Fulton Co.

Mr. DuBois is a junior high and high school math and earth science teacher along with being a freshman and junior varsity coach at Akron High School.

A native of Fulton County, he graduated from Macy High School in 1957 and received his Bachelor of Arts degree in 1961 from McMurry College in Abilene, Texas with a major in math and a minor in physical education. In 1966, he received his Master of Arts degree in teaching from Michigan State University at Lansing, Mich. with a major in general science.

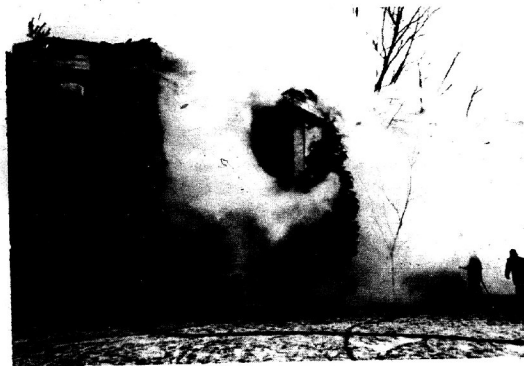

Mr. DuBois is a member of the Akron United

Methodist Church, where he is a trustee; the Akron Lions Club; National Science Teacher's Association; and Explorer Scout Post 2445 of Akron as a counselor.

Mr. DuBois is married to the former Karna Hoffman of Akron and

they have two children, Lenee, 3-years old, and Dustin, 11-months.

The Outstanding Young Educator Award will be presented to Mr. DuBois during the Rochester Jaycee's annual awards banquet on Feb. 19 at the Elks Lodge.

**HOUSE DESTROYED:** A large brick home occupied by Mr. and Mrs. Jim Pennell and children was destroyed by fire Wednesday morning. The fire broke out about 7 a.m. in the eight-room house that is owned by Mr. and Mrs. Lonus Wise and is located on the corner of Orchard and South West streets in Akron. The family lost all its possessions in the blaze. Firemen from Akron and Rochester fought the fire but were unable to save the 80-year old house, Vern Cumberland, of the Akron Insurance Agency, called the NEWS last night to report that settlement on the insurance had already been paid.

## Major Oliver Completes Psychological Operations Course

Major James S. Oliver, United States Air Force, recently graduated from a psychological operations course, sponsored by the United States Army Center for Special Warfare, Fort Bragg, No. Carolina. One of five Air Force officers enrolled in the three month long course, Maj. Oliver earned a place on the Commandant's List, having attained an academic standing of sixth among a class of ninety-three United States and Allied military officers.

He will be assigned in January 1971 to the United States Embassy, Saigon, South Vietnam, to perform duties with the United States Information Agency in psychological operations.

A 1960 graduate from Purdue University, Maj. Oliver was commissioned in January of that year upon earning a degree in International Relations. He entered into active duty in June 1960.

## Joyce Norris Is Mentone Homemaker

Joyce Norris, a senior at Mentone High School, has been named 1971 Homemaker of Tomorrow. She was selected for her performance in written knowledge and attitude examination and will receive a specially designed award.

## Injured In Bus Crash

James F. McGriff, 33, Mentone, was among the 31 persons injured in a chartered bus-truck crash on the Indiana Toll Road Thursday. He was treated for minor injuries at St. Anthony Hospital at Michigan City and later released.

A systems programming manager for United Telephone Co., Warsaw, he was returning to South Bend from Chicago where the group had attended a seminar Thursday.

**WOODY IS READY:** Getting ready for Ground Hog Day next Tuesday is Woody, pet groundhog of Mr. and Mrs. Mike Yazel and family, Mentone. Woody, who has not been seen for days, is hibernating in the Yazels' garage. The last time he came out was on January 2, a whole month before the big day for Groundhogs, February 2. At that time, he gave no indication how much longer the winter weather would remain with us.

## Skating Party Will Aid Fund

A skating party at the Rock Lake Rollerblade on February 2 will aid the Bonnie Bickel Fund.

Clarence Hairrel, owner of the rink, said he would donate all skate rentals and admissions on that night to the fund. The special party will begin at 7 p.m. and will conclude at 10 p.m. Admission will be 65¢ and skate rentals are 35¢.

The Bonnie Bickel Fund has grown to \$5,287.18 this week, according to the Las Donas Jr. Woman's Club, treasurer. Approximately \$800 of expenses still must be paid for expenses incurred at last week's fish fry. The balance represents the total donations and income from the fish fry.

The fish fry Friday

night was a big success with crowds of people attending from surrounding towns. A woman from Churubusco brought donations and 13 pies from her club to help. Another woman, 82 years young, drove from Burket to Akron to donate to the fund.

Mrs. Bickel, Akron mother of three, will soon undergo a kidney transplant operation at the Indiana University Medical Center in Indianapolis, the cost of which could begin at \$14,000.

**WEDNESDAY, FEBRUARY 3**  
Mentone War Mothers will meet at 1 p.m. at the home of Mrs. Mildred Fowler.

**TOASTMASTERS INSTALL OFFICERS:** Participating in a recent installation of officers of the Fulton County Toastmasters Club are Bill Allen, Culver, sergeant-at-arms; Harold Hiatt, Kewanna, past president; Dr. John McKee, Akron, new president; Lowell Spalding, So. Bend, district treasurer; Charles Bernhardt, Culver, administrative vice president; Dale Waggoner, Rochester, secretary-treasurer, and Allen Finke, Kewanna, educational vice president.

Dear Sirs:

The other inevitable fact of life, other than death, is upon us, Income Tax. We will cuss it and cry over it but like sheep being led, we will pay it. I say, "REPEAL INCOME TAX." You might say, among other things, "What! Repeal the income tax, but how?"

The personal income tax, which was devised by Karl Marx and was prescribed by him in the Communist Manifesto for the self destruction of America, is the source of great evil. It can and must be repealed if America is to remain a nation of free people.

The "Liberty Amendment", H. J. Res. 23, pending in Congress was approved by six states, Wyoming, Texas, Nevada, Louisiana, Georgia and So. Carolina. An amendment must be approved by two thirds of the states. Indiana should be one.

The "Liberty Amendment" would force the sale of the land and facilities of federal corporate activities back to the American people, from whom they were taken, and thus cut the National Debt more than \$65,000,000,000.

We CAN repeal the income tax and save billions that are wasted on unauthorized bureaucratic activities, but where can we cut the budget?

Americans are aware that "foreign aid," farm subsidies, public power and other "pork barrel" projects do not raise our standard of living. Instead they deprive us of hard earned money to spend on our wishes. And these powers have never been delegated to the government by the legal, constitutional procedure.

Research has revealed over 700 agencies which in one way or another operate business type activities without constitutional authority. These range from loans for Eskimo dwellings to jungle road building in Nicaragua, from operations of sugar and coffee

cartels to the manufacture of ladies underwear.

The "Liberty Amendment" will end all government economic enterprises not specified in the Constitution. After a three year liquidation period, the personal income tax and withholding taxes will be repealed.

"What will the government run on?" You might ask now. Excise and corporation taxes, duties, imports and other miscellaneous taxes will give enough revenue to finance national defense, the post office and other legitimate activities specified in the constitution.

"Why haven't we heard about this in the big news media?" This type of Amendment is not the best gift for those who are overspending in the government and they might tend to play down the issue. It can be

public knowledge though, since Honorable James B. Utt of California explained it in a Congressional Record of the House of Representatives on September 8, 1959. So you tell me why the big news media didn't pick it up.

The next question might be, "What can we do and is it an organized effort?" Yes, there is a "Liberty Amendment Committee" 6413 Franklin Ave., Los Angeles, Cal. 90028. They will send full details on request. I believe that if we educate ourselves and educate and keep our elected officials informed of our wills and wishes, we can lick this so called other inevitable, Income Tax.

The Liberty Amendment, H.J., Res. 23, is written. The rest is up to us. Sincerely,  
Mrs. Maria Hughes

## Dark Shadow On Freedom

The editor of the Junction City, Oregon, Times, after expressing sharp criticism of the consumer zealots who do nothing but carp, criticize and demand more government intervention in every phase of production and distribution, comes to a point of principle in the following words: "There's just one little matter that bothers. If we vest all authority in federal governmental bureaus of standards, complete with federal rules for performance, penalties for noncompliance, total disregard for worthwhile employment or profitable operation, are we not in effect renouncing democracy for the Politburo of the Soviet state or the Reichstag of what was formerly the Republic of Germany?"

No matter what guise it comes in, a basic condition of totalitarian government is the power of the state to exercise police surveillance over the acts and enterprises of private citizens. Police surveillance and political oppression are brothers of the same dark order. They are mortal enemies of freedom.

The smart traveler wants to see America first. The smarter ones want to see it last—forever.

## GUEST EDITORIAL

### Fixing responsibility

When children run afoul the law, who is responsible?

"The schools," say some. "The church," say others. "The community" is blamed. But in at least three Detroit suburbs, parents are held accountable for the conduct of their children. Ordinances have been passed which call for stiff fines and even imprisonment for parents of children who break the law.

A spokesman for one of the townships pointed out that "offenses by minors are increasing at an alarming rate, and in many cases lack of parental supervision is evident."

"We're constantly running into kids wandering the streets after midnight, getting into trouble and raising hell—when their parents don't even know and don't care

where they are," he said.

So laws were passed which make parents liable to charges of neglect if their children under 12 are on the streets between the hours of 10 p.m. and 6 a.m., or between the hours of midnight and 6 a.m. for 13 to 16-year-olds. Penalties range up to \$500 in fines and 90 days in jail.

It's too early to tell how well the new laws will work, but it shouldn't take long and the idea has already attracted the attention of other communities where lack of parental responsibility has been a problem. Mothers or fathers who don't know where their teen age children are at late night hours jolly well deserve a stiff fine—and we hope that the courts will follow through, and not show the leniency which they have so often in the past.

## Snowmobile Regulations Introduced

State Representative Ralph Heine, Republican of Columbia City, has introduced a bill to license and regulate snowmobiles in the state of Indiana. "The proliferation of snowmobiles in our state has created the need for some practical regulation," said Heine. "Specifically I am concerned about the safety of snowmobile operators and their passengers, as well as potential hazards to motorists on our highways, and the protection of private property areas. My bill will make mandatory the registration of all privately owned snowmobiles in the state as of January 1, 1972. It further spells out safety requirements for these vehicles and sets forth the specific areas and conditions wherein they may operate."

The bill, H.B. 1175, provides that a 3-year license registration fee of \$5 be charged a private owner and \$10 for a dealer-owned vehicle which is "rented, leased or furnished" by that dealer. It further requires the dealer to carry \$10 thousand death or injury insurance on such a vehicle and \$5 thousand in property damage insurance. Its protection features require all snowmobiles to have a headlight, a tail light, proper brakes, and to be operated only at speeds which are "safe and reasonable for existing conditions."

The bill further stipulates that a snowmobile may not be operated by anyone under the influence of intoxicating liquor, narcotics or barbiturates, nor driven into any nursery, planting area or forest reproduction area where growing stock may be damaged. Highway operation is restricted to use of a right-of-way "to gain access to another area" or to "cross a bridge or culvert." The bill does permit crossing of public highways (not freeways or limited-access roads) and operation "on highways on county road systems which are not maintained for wheel vehicular winter use." Licensing will not be required for vehicles which are operated exclusively on property owned or controlled

ed by the owner. The bill had a public hearing last Friday.

METAIRIE, LA., JEFFERSON PARISH TIMES: "Let's take the deadbeats and the moochers off the relief rolls—let's demand that every able-bodied person be required to get off his derriere and earn his keep; there are too many of them (we were wont, in my youth, to call them bums) who find it more profitable to relax and let George do it than to hump themselves at honest work—for their ilk, 'labor' is demeaning. But what about George? That poor guy and his contemporaries are going to fold one of these days, then what is going to happen to the army of idlers who have been living high on the hog at the expense of George's labors?"

ODESSA, TEXAS, AMERICAN: "...attempts to legislate honesty and fairness in the marketplace are inferior to another old principle, that the dealer in shoddy goods will go out of business for the simple reason that his customers will disappear."

BENTON, MO., SCOTT CO. DEMOCRAT: "Only as people restrain their desire for government handouts and gifts and insist on economy and moderation in public spending will there be any hope for relief from inflation, high taxes, and high prices."

Miss Deborah V. Strong has been appointed to the position of supervisor of music and drawing in the Sevastopol schools in addition to her work at Mentone. Her success in the Mentone schools won her the place at Sevastopol.

John Eber is cutting the ice from the entire surface of Rock Lake and hauling it to town, storing it for summer. With an ice house in the west of town and one in the east end, the temperature will be just right in Akron all summer.

Mr. C. C. Wimer, a prominent farmer south of Silver Lake was in this office a few days ago visiting with the NEWS editor. Mr. Wimer is engaged in a lucrative business and yet, strange to say, he is in the poultry business, but in a rather novel way. He uses incubators and hatches chickens for his neighbors. They furnish the eggs and he furnishes a hatched chicken, we believe he said at 4 cents per. He also furnishes the egg and makes the hatch at 7 cents per.

John T. Wildeman was in Akron Saturday looking as well as ever, and said he was chopping wood almost every day and that the smell of new chips gave him an appetite.

Tom Clemens was in Green Oak on business last Friday evening but we do not know what for.

Akron defeated Mentone here last Friday night 35 to 12. Members of the Mentone team were Power, Shirey, Blackburn, Blue and Altenburg. Members of the Akron team were Sriver, Madeford, Kuhn, Rader and Meredith.

Mr. and Mrs. Wilbur Harter of west of Akron are the parents of a boy born last Thursday at the Woodlawn hospital.

At a special meeting of the town board Tuesday evening, Theodore (Ted) Jontz was appointed to the board to fill the vacancy left by the resignation of Forrest R. Fenimore who recently moved to Decatur, Ill.

Merrill Penry, son of H. A. Penry, arrived with his family from San Diego, Calif. last Thursday, making the trip by motor. Mrs. Penry and daughter will visit relatives here for a few weeks, and will then go to Connersville, Ind. Mr. Penry left early this week for Connersville where he will be employed by the Auburn automobile company.

Mrs. Nellie Hammond was hostess to the Sunshine Club and several guests Tuesday evening at her home. A social time and bunco was enjoyed with Mrs. Fred Blackburn, Mrs. Ora Hammond and Mrs. Lula Strong winning prizes. A community lunch was enjoyed. The guests of the club were Mrs. Mary Harsh, Mrs. Jack Morris, Mrs. Carl Crockett, Mrs. Norman Swihart and Miss Vivian Cotterman.

Miss Evelyn Howard, daughter of Mr. and Mrs. Harry Howard, went to Indianapolis Monday where she has entered nurses training at the Methodist hospital.

Tension in the banking situation in Kosciusko county and in No. Manchester was considerably mitigated by developments yesterday and today. A major factor in restoring the banking confidence was the resumption of business Wednesday morning by the Silver Lake and Claypool banks, which were among the nine of Kosciusko county closed last Friday morning. The other seven of the closed banks were calculated to open sometime late this week when sufficient waivers could be secured from depositors to insure their being entirely on basis impregnable to disastrous withdrawals. Waivers were signed by 98 percent of the depositors at Silver Lake and Claypool.

On Sunday, the children of Mrs. Ray Swick celebrated her birthday which was on Saturday. Mr. and Mrs. Herman Mathias, Mr. and Mrs. Chas. Mathias, Mr. and Mrs. Carl Mathias and son all of Ft. Wayne came with a beautifully decorated cake and ice cream. Mrs. Herman Mathias is her daughter, and during the day her son, John Strong, called from Chicago, her daughter, Mrs. Hazel Flodin from Seminole, Fla. and her daughter, Mrs. Irene Izard from Stockton, California so it was a happy day to be long remembered.

Mr. and Mrs. Glen Hatfield were Sunday evening visitors of Mr. and Mrs. Doug Moore and Chris.

Mr. and Mrs. Ronald Kuhn and family of Ft. Wayne were Sunday guests of Mr. and Mrs. Earl Kuhn.

Mrs. Charles Lotz spent the weekend in Elkhart with her son, Mr. Sam Bahney.

Mrs. Frank Dawson spent the week in Logansport with Mr. and Mrs. Charles Miller. She returned home Sunday evening with Mr. and Mrs. Gordon Heltzel and family, who had spent the day with the Millers.

Mrs. Carrie Norris spent several days with her daughter and husband, Mr. and Mrs. Allen Keirn.

Mrs. Charles Yeaman accompanied Mr. and Mrs. John Stauffer of Etna Green to Goshen on Sunday to call on Mrs. G. D. Stauffer who is recovering from eye surgery in Goshen General Hospital.

Mr. and Mrs. Ed Gray were in Elkhart Sunday to visit with Mrs. John Eads, who is a patient in the Elkhart General Hospital following surgery.

Mr. and Mrs. Doug Moore and Chris were Monday evening visitors of Mr. and Mrs. Charles Moore and Joe.

One of the "HWI FRIENDLY ONES" Dick Day - Owner - dealer

Being bald isn't all bad; it's a definite asset when putting on a turban.

Then there was the weather man who asked for a transfer. His reason? The weather in town seldom, if ever agreed with him.

It seems to me that the biggest flaw in the gun law is that it does nothing about the guy who is always shooting off his mouth.

One of the mysteries of lost civilization: How did grandma manage to keep house without plastic bags, scotch tape, aluminum foil, deodorant spray, TV dinners, and green crystals in her detergent?

The trouble with instant foods is it takes so long to recover from the shock of the price.

"Ever wonder why DAY HARDWARE in Akron always seems to have a heavy traffic in customers?" asks Dick Day, Owner-dealer of the "HWI FRIENDLY ONES". The reason is simple. There's always an "HWI FRIENDLY ONE" making sure our customers are taken care of fast and efficiently. OUR REASON FOR BEING IN BUSINESS IS TO SERVE YOU.

### Mentone Lions Hear Cancer Program

The Mentone Lion Club held its regular meeting at Teel's Restaurant on Wednesday evening.

Kenneth Romine was in charge of the program. He presented Dr. Leininger of the Indiana University Medical Center in Indianapolis, a specialist in cancer research. He pointed out that it was very important for anyone suspecting cancer to obtain an early diagnosis of the disease. He said that statistics show that one out of every four individuals contact cancer sometime during their

lifetime. He told the club that with an early discovery of the cancer many types of cancer can be controlled or cured by surgery, radiation, drugs or a combination of treatments. Dr. Leininger presented several slides showing very vividly some of the types of cancer and the effectiveness of treatment if discovered in time. He also had pictures of the equipment used in some of the treatment of cancer. Some of the equipment had been purchased with money provided by the Lions Club's cancer control program.

The Deputy District Governor, Bud Seeley of Milford, visited the

club and brought the greetings of the District Governor, Kenneth Isenbarger. It was announced that the District Convention will be held March 21 at the Jackson High School in So. Bend.

The next meeting of the Mentone Lions Club will be on Feb. 3 when Paul Grimme, Kosciusko Co. Probation Officer, will present the program.

## Concord Survives Bulldogs

By Alan Welch, Student Manager

In a tight defensive battle on Saturday night, the Concord Minutemen made their Homecoming a success by slipping past Mentone 51-43 at Dunlap.

The game started off being close, but by the time the first quarter was over, Mentone had pulled out in front by 7 at 15-8. The second quarter was a poor one for the Bulldogs as they could only put in five points to 15 for the Minutemen. Both teams were still doing a good job on defense, utilizing a full court man-to-man press. Mentone kept ahead most of the second periods but Concord slowly advanced on the Bulldogs. The Minutemen were successful in their drive and they finally took the lead for the first time at 21-20 and were never headed after that. Concord made one more basket before the end of the half to go into the dressing room with a 23-20 lead.

Concord increased the lead in the third quar-

ter to 7 at 38-31. The quarter was a slow-moving one. Concord started scoring right away and had pulled into an 11-point lead at 31-20 before the Bulldogs could put the ball thru the hoop. Mentone came back in the final minutes to pull within six before dropping back to the 7-point deficit. Play was pretty even in the last quarter with Mentone having the slight advantage. Concord was without the services of their 6-6 center Doug Lamb for most of the last quarter because of foul trouble but the Minutemen still did a good job on the boards and blocked several Mentone shots. The Bulldogs had problems of their own with fouls as their chief ballhandler, Tim Smith, was on the bench with four fouls. Tim Peffley, Mentone's other guard stepped in and did a fine job of working the ball against the Concord defense.

Mentone came back to close the gap to five

in the closing minutes of the last quarter at 47-42 but Concord tried to slow the pace of the game a little bit more to make the Bulldogs come out after the ball. One of the chief factors determining the outcome of the game was the freethrow shooting of both teams in the last few minutes. Mentone had missed several free throws while the Minutemen were tossing several in. Also Mentone had trouble getting the ball up through the tall Concord players. The final score of the ballgame was 51-43.

Both teams found it hard to get off good shots as is told by the poor field goal percentages. Concord could only hit 18 of 77 attempts, for 23% while, Mentone was only putting in 15 of 57 for 23%. Both teams did much better at the freethrow line, the Bulldogs hitting 13 of 21 for 62% and Concord throwing in 15 of 21 for 71%. Mentone did a fair job of keeping up with the tall Minutemen on the boards. Concord pulled off 45 rebounds to 40 for Mentone. One of the bright spots in the game was that Mentone drastically cut the number of errors. Mentone had 12 compared to 10 for Concord. Mentone's Steve Reed led all scorers with 19 points. Ken Anglin tossed in 13 points plus pulling off 16 rebounds. Concord was led by their Price with 14. Concord's record is now 9-6 while Mentone's dropped to 5-9.

In the B-team game, Mentone spoiled a good first half performance by scoring only eleven points in the second half to go down to defeat 51-36. Mentone was led by Gary Sponseller with 11.

Mentone's next game is at Manchester Friday night. The Squires have a 4-10 record but like the Bulldogs they play a rough schedule and have had several good games against top teams such as Peru whom they lost by only 12 points.

### TALMA VS CULVER

The 7th grade had a hard time trying to drop the ball in the basket, but it didn't go through. Culver won 34-24. Bill Hardesty led Talma with 10.

The 8th grade had a thriller of a game when they went into overtime. With 9 seconds to go there was a jump ball. We got the tip and Bill Boggs went in for a lay-up.

The buzzer rang and it was 40-40.

Talma held them off to score 11 points in overtime. The final score was 51-42. Karl Barker led Talma with 21 points.

### TALMA VS MANCHESTER

The 7th grade had other hard time. They lost to Manchester 33-23. Terry Snipes, Bill Hardesty and Todd Miner scored five.

The 8th grade just couldn't make it when they lost to Manchester 48-37. Don Hurd and Karl Barker scored 10.

AKRON CARNEGIE LIBRARY

**GYPSIES, WANDERERS OF THE WORLD** by Bart McDowell. A quicksilver people, gypsies resist scrutiny, sliding away from the spotlight of attention, remaining, always on enigma. "Just as coloring protects game, so can air of romantic mystery camouflage these least domesticated of civilized peoples," writes the author. He had memorable companions, an English Gypsy couple, knife grinder Clifford Lee and his wife Sheila, served as living passports into Gypsy encampments. Photographer Bruce Dale captured the elusive moods of the Gypsies in extraordinary photographs. By journey's end all the Gypsy hunters had gained—as will you—a fresh understanding of an old and intriguing people.

## News Of Interest To Homemakers

by Ann Hancock, Area Extension Agent  
Kosciusko County

When your T.V. is on the blink...When your lawn mower doesn't work...When your skirts shrink to mini-skirts...What do you do? Complain! Not to your mother-in-law or to your neighbor, but where you can get action!

Complaints do get action if they are reported to the appropriate agency and in the right manner. Most people don't like to complain so they let it go by until they are driven to it by some outrageously defective product or service.

To properly lodge a complaint write a letter, don't telephone. This way the letter serves as a record for both of you. Also in most cases we will think through a letter more carefully. A sarcastic letter is easily ignored but a factual, simply stated complaint will usually receive some attention. Retailors and manufacturers are interested in selling their products or serv-

ice so they want to please the consumer.

If you need advise or consultation the Consumer Advisory Council, % Indiana Dept. of Commerce, 336 State House, Indianapolis, 46204, is the agency to contact. They can advise you on the proper action to take. Nationally The Presidents Committee on Consumer Interests, Washington D.C. 20506, will advise and help solve individual problems.

According to the late President John F. Kennedy the consumer has four rights. They are: the right to safety, the right to be informed, the right to choose and the right to be heard. It is our responsibility to live up to these rights.

Enrollment cards are available at the Extension Office, Courthouse basement for the Young Homemakers Series entitled "Clothing for Children". Class begins February 19 at 9:30 to

11:30 a.m. at St. Annes Episcopal Church. For more information contact the County Extension Office.

### GRAB A PAINT BRUSH AND..

Extension Homemakers we need your help to beautify the Women's Building. The week of February 15 through 19 from 9:30 a.m. to 3:00 p.m. the County Officers will be at the Women's Building, painting. They need your help. Bring a sack lunch, a paint brush, bucket, rags, your old clothes and whatever else you think you'll need to come to the Women's Building.

### FRENCH CHOCOLATE ICE CREAM (Blender Recipe)

In a small saucepan combine  $\frac{1}{2}$  cup sugar and  $\frac{1}{3}$  cup water. Bring to a boil and boil rapidly for 3 minutes.

Into your blender put: 1 package (6 oz) semi-sweet chocolate pieces. Add the hot syrup, cover and blend on high speed for 20 seconds or until sauce is smooth.

Add: 3 egg yolks. Stir to combine, cover, and blend for 10 seconds.

Fold chocolate mixture into  $\frac{1}{2}$  cups cream, whipped.

Spoon into refrigerator tray, cover with wax paper and freeze for 2-3 hours. This needs no stirring and will not form ice crystals.

## Montague-Shoemaker Vows Exchanged

Miss Karen Lynn Montague, R. 2, Rochester, became the bride of Jack Ray Shoemaker, R.1, Akron, on January 16 in a candlelight ceremony in the First United Church of Christ in Bourbon. The Rev. J. Robert Boy-

er officiated at the double-ring ceremony before an altar decorated with candelabra and baskets of white pompons and yellow mums.

The organist, Mrs. Arthur Iden, No. Webster, provided nuptial selections before the ceremony and accompanied the vocalist, Miss Phyllis Bushman, Warsaw.

Parents of the couple are Mr. and Mrs. Winston G. Montague, Bourbon, and Russell Shoemaker and the late Mrs. Shoemaker, Akron.

Attending the bride as matron of honor was Mrs. Diane Dusek, Rochester. Miss Aleta Marie Montague, Rochester, was bridesmaid.

Robert Stone, Ossian, was the best man. Lynn Fenimore, Waukegan, Ill., was groomsmen, and Richard and Michael Montague, Bourbon, brothers of the bride, were ushers.

A reception for 125 guests was held in the church fellowship hall immediately following the ceremony. The blue and white color scheme chosen by the bride for her wedding was carried out in the decorations. Assisting with the serving were Miss Beverly Wagner, Rochester, and Miss Karen Merley, Macy. The couple will reside at R. 2, Box 385, Rochester.

Experience and intelligence are each essential: neither can substitute for the other.

## Do Something Different

Very few of the tasks we perform produce true fatigue, which results largely from the accumulation of metabolic

waste products in over-worked muscles. But monotony can produce a reasonable facsimile.

It isn't the energy expended by a housewife in dusting, washing dishes and performing other household chores that tires her, produces headache and vague aches and pains. It is the boring repetitive nature of the tasks. A good rule for avoiding this, says the Indiana State Medical Association, is: Do the most disliked tasks first, the pleasant ones last. Intermittent relation lessens monotony. A short walk, a crossword puzzle, a half-hour nap can accomplish wonders.

The same rules hold for men. Do something different. A commercial fisherman finds relaxation in reading a magazine article. An editor who reads all the time gets his relation by fishing. Brief periods of diversion throughout the day--a coffee break, a pause to look out a window, a stroll to the water cooler--lessen the stress of monotony, make for more efficient performance.

### Low Income Workers To Have Wages Increased

Many low income workers will receive an increase in pay effective Feb. 1, 1971, when the federal minimum wage changes from \$1.45 to \$1.60 per hour for employment subject to the 1966 amendments to the Fair Labor Standards Act.

The increase in rate will apply to all employment in hospitals, nursing homes, laundries and schools. It will apply to small retailers such as groceries and department stores as well as hotels, motels, restaurants, bowling alleys and service stations with an annual dollar volume of \$250,000.00.

The minimum wage for employees whose work was covered by the Act before the 1966 amendments such as employees in

interstate commerce and in the production of goods for commerce, and in certain large retail and service enterprises will continue to be \$1.60 per hour.

There will be no increase in the \$1.30 an hour minimum wage for covered agricultural workers on large farms subject to law.

LICENSE SUSPENSION

### Silveus Resigns As SWCD Assistant Supervisor

The Board of Supervisors of the Kosciusko Co. Soil and Water Conservation District held the January meeting at the SCS officie with eleven supervisors and SCS office personnel present.

Plans were completed for the annual dinner meeting, which will be held Tuesday, Feb. 2, at 6:30 p.m. at the Shrine building in Warsaw. Awards will be given the outstanding conservation farmer, outstanding conservationist, winning soil judging team and to the winner of the county conservation speech contest.

The Affiliate Membership drive for the District will be conducted by the supervisors during January.

Fred Kuhn and Bob Norris reported on the Tippecanoe River Watershed meeting. Stream pollution in the six counties through which the river flows, was recognized as the priority problem. The next meeting concerning this will be on February 17.

Joe Wilson, District Conservationist, reported Soil Scientist Staley had investigated two additional landfill sites at the request of the county commissioners.

A cooperative agreement was signed between the county commissioners and the district, concerning the county soil survey.

Howard Silveus, charter member of the board, one time County Chairman and Area II Chairman, asked to be relieved

of his duties as assistant supervisor. He said he is giving considerable time as a member of the Kosciusko Co. Hospital Board and felt he could not continue in both organizations.

Metzger expressed the deep regret of the entire District Board as the resignation was accepted.

One group project was accepted, Earl Yoder and Stanley Berger in Jefferson Twp., and one new co-operator, Elbert Hall of Plain Twp.

The next meeting will be on Tuesday, Feb. 2, at 6:30 p.m., the annual dinner meeting of the district. This will be held in the Shrine Bldg. in Warsaw. Tickets may be purchased at the Soil Conservation Office, 518 So. Buffalo St., in Warsaw, just across from the REMC.

**A REWARD THAT PASSES ALL UNDERSTANDING**

"If you would build a better . . . mouse trap, the world will make a beaten path to your door."

Better still, if you render unselfish service to your fellowmen, even though the world may or may not honor you during your lifetime, peace of mind and a soul-satisfying reward that "passes all understanding" will be yours. This accomplishment isn't easy, but when the cause is embarked upon and followed through, it pays off in serenity, joy and satisfaction. For proof of this we need only to study the life of One who was sent to earth to live the perfect life as an example to us all.

How may we lose ourselves in service to the extent that we no longer think of self? The answer is by sincere, faithful attendance at church. Here we may gain the knowledge, the courage, the power, the love and faith to live the life that brings peace and joy to the inner self.

## May

Mrs. Mabel Clair May, 65, Culver, mother of Harold May, Silver Lake, was killed instantly Friday afternoon when a car in which she was a passenger ran over her as it skidded on Ind. 17 in Marshall Co. The driver was her husband, Cleo May, 72, who lost control of the vehicle as he passed a truck.

Also surviving with the husband and son are two other sons, 13 grandchildren, three great-grandchildren and a sister.

Funeral services were conducted Monday afternoon at Argos and Burial was at Culver.

## Explorers Enjoy Camping

Akron Troop 4452 and the Explorer troop went on a camping trip recently to Ernie Hiatt's lake north of Rochester. By participating in the camporee, Scouts could earn their Polar Bear patch.

To earn the Polar Bear patch, Scouts had to be First Class Scouts and had to be outside and sleep in an improvised shelter for 24 hours.

Those who went on the camping trip and who attempted to earn their Polar Bear badges were Mitch Harris, Mark Harris, David Edinburn, Walter Stratton and Explorers Bob Swope, Steve Swope, Mike Swartz and Richard Harding. George Halpenny and Ron Dittman went for the practice or fun of it but did not receive their polar bear patches.

Scoutmasters accompanying the boys were Jack Swope and Bob Halpenny.

Everyone reported having a good time.

## Accident Report

Minor damage was reported Monday when autos operated by Marion Mendenhall, 56, R. 2, Silver Lake, and Dwight Grubb, R. 2, Claypool, collided on SR 14 in Silver Lake. Hayden Newhouse, town marshal, said the mishap occurred as both vehicles were backing from parking spaces on the opposite sides of the street. Total damage was listed at \$115.

## Pleasant Hill

The Home Improvement E.H.A. met at the trailer home of Mrs. Claude Berger Thursday afternoon with Mrs. Wayne Miller as assistant hostess. Mrs. Oliver Burns presided at the meeting. After the pledge to the flags, Mrs. Ralph Fites led in singing "Happy Anniversary" to Mrs. Harold Crum and Mrs. Floyd Campbell. After singing the songs, Mrs. John Glasford gave devotions using Matthew 6th chapter. A letter of thanks was read for the 4-H Club pins that our club had purchased. Mrs. Don Swihart and Mrs. C. Berger gave the lesson on "Trips, Tours and Recreation". Each member told why they liked to take a trip and where they would like to go. Mrs. Glasford gave a safety hint on unavoidable accidents. Ten members and one guest were present. The WSCS of the Pleasant Hill United Methodist Church met at the home of Mrs. Robert Runkle for the January meeting. Mrs. Don Showley was an assistant hostess. Mrs. Showley, the president, conducted the meeting. A discussion on buying a new stove for the kitchen was conducted and they decided to wait until the next meeting to order it. The reading course was dropped for this year. Members present were Madames Elmer Miller, Francis Crispin and daughter, Harold Smith, Russel Mathias, Ernest Smoker, Berne Jones and James Savage. The February meeting will be at the home of Mrs. James Savage.

Mr. and Mrs. James Savage entertained Thursday evening supper in honor of their son David's 7th birthday. Mrs. Mabel Savage as a guest.  
Mrs. Jewell Fites and Mrs. Russel Mathias called on Mrs. Cassie Wiltshire and Mrs. Gail McCarter in Rochester Wednesday evening.  
Mr. and Mrs. Earl Dielman went to Fort Wayne Thursday.

## TB Association Hears Reports

Eight members of the Fulton Co. Tuberculosis Board met recently in the Farmers and Merchants Bank, Rochester. Mrs. Robert Shafer, the president, explained the state committee reports on reorganization plans that were explained at a meeting she had attended. Mrs. Lee Sharpe, the executive secretary, gave a report on the seal sale campaign that showed \$3037 was reached this year, exceeding last March's total. Donations by townships were: Richland \$82; Aubenaubee \$92; Wayne, \$105; Newcastle \$125; Liberty \$146.50; Union \$162.00; Henry \$265.00; and Rochester \$456.50. Rochester City's donations were \$1594.00. The group decided to have a demonstration of "Smokin' Sam" in city schools soon. Smokin' Sam is a life-size plastic figure, supposedly around 12 years of age. "As you see it," a short film preceded the demonstration that shows how smoking can damage the lungs.

## Before I joined the Payroll Savings Plan all I could save was string.

When it comes to saving money, most of us can use all the help we can get. Joining the Payroll Savings Plan is one easy way to force yourself to save. When you sign up, an amount you specify is set aside from each paycheck and used to buy U.S. Savings Bonds. It's automatic. Everything is done for you.

And now there's a bonus interest rate on all U.S. Savings Bonds - for E Bonds, 3 1/2% when held to maturity of 5 years, 10 months (4 1/2% the first year). That extra 1/2%, payable as a bonus at maturity, applies to all Bonds issued since June 1, 1970... with a comparable improvement for all older Bonds. Stick with the plan and before you know it you'll have a bankroll waiting. That's when you'll find you can do a lot more with money than you can with string.

Take stock in America. New Bonds pay a bonus at maturity.

## Body In Fire Was Not Roberts

Indiana State Police said Thursday that the armless, legless torso found in the garage-barn of Clarence Roberts near Nashville could not have been the body of the missing businessman who formerly owned elevators in Akron, Mentone and Claypool.

Police said new evidence had been turned up that substantiated Roberts' blood type was B and the victim's blood type was AB.

Roberts, 52, has been missing since Nov. 18 when a fire consumed the barn-garage at his Brown Co. home. A torso was found in the ruin with a shotgun lying across its chest. The fire was later determined to have been arson and the body was found to have no bullet holes although the shotgun had been fired. The victim was dead of carbon monoxide poisoning prior to the fire, according to investigators.

A tooth found in the victim has been under study by a pair of dental experts and has been categorized as a second molar. Roberts' dental records show he had that particular tooth pulled in 1964.

Dr. George K. Newmann, an Indiana University anthropologist who studied the remains said, "If the cadaver was not Roberts, as it now appears, then the anatomical similarities between Roberts and the

man who died were nearly identical.

"From my studies, it was obvious the victim was the same height and build, near the same age and had the same hair coloring," he said.

The day before the fire, Roberts was reportedly seen with a stranger who had the same description as Roberts.

## Rochester Lodge Will Award Elks Scholarships

High school seniors and college students below the senior class whose homes are in the schools districts of Rochester, Caston, Kewanna, Akron, Mentone, Culver, Plymouth, Argos and Winamac are eligible to complete for scholarships to be awarded by the Rochester Elks lodge.

J. Murray McCarty, chairman of the scholarship committee of the Rochester Elks lodge, said the scholarships to be awarded by the Rochester lodge are in addition to those to be given by the Elks National Foundation.

The local scholarships -- for next school term -- will be of \$200 each for a boy and girl. Application blanks are available at each of the high schools mentioned and at the Rochester lodge. Feb. 15 is the deadline for returning completed application blanks.

The Elks National Foundation has expanded its program of assistance to students needing financial help to go to college. It is offering 736 scholarships totaling \$529,150 for next school term.

The Foundation will award 368 scholarships ranging from \$700 to \$2,500 in a nationwide "Most Valuable Student" competition. In addition, an equal number of \$600 scholarships will be awarded on the basis of a quota for each state.

McCarty said the students applying for the Rochester Elks scholarships also are eligible to compete for the state and national scholarships.

McCarty noted that one application only will be filed for consideration in national, state and local awards.

## Mentone Masons Record Officers

The trustees of the Mentone Masonic Lodge No. 576 have been elected and the list, as recorded by Chester C. Smith, secretary, has been filed in the office of the Kosciusko Co. recorder. They are: Geo. O. Black, R. 1, Claypool; Ralph Mollenhour, Mentone; and Phillip Lash, R. 1, Mentone.

## Round Barn Festival Is Planned In Fulton County

The first annual Fulton County Round Barn Festival has been set for Saturday and Sunday, July 17 and 18.

It is thought Fulton County has more round barns than any other county in the United States and it is wondered if the county could capitalize on this distinction in a manner similar to that done by Parke county with its Covered Bridge Festival.

Sponsors of the event will be the Fulton Co. Art Colony who will work with other local organizations.

A public meeting has been set for Tuesday, Feb. 9, at 7:30 p.m. in the Edison Room of the Public Service Indiana Building, Rochester. All organizations interested in participating in the festival are encouraged to send representatives and other interested persons are also invited.

Mrs. Esther Billings, a former editor of the Akron News who now lives in Montezuma, will be the guest speaker. She has been active in the Parke Co. Covered Bridge Festival and will help in making plans for the Round Barn Festival.

Officers of a Fulton Co. Round Barn Festival Association will be elected during the meeting.

Among the activities considered for the two-day event are tours of round barns in the county, visits to farms by

young persons from cities and towns who may never have seen live farm animals, booths in the downtown section of Rochester for sale of homemade jam, jellies and other foods and for general merchandise, a square dance in a round barn and an ox roast.

## Births

Mr. and Mrs. Douglas Miller, Akron, are the parents of a son, Randy Durl, born Jan. 19 at Woodlawn hospital. The grandparents are Mr. and Mrs. Clesta D. Tullis, Killeen, Tex., and Mr. and Mrs. Harold H. Miller, Swartz Creek, Mich.

Mr. and Mrs. Warren Ousley, R. 1, Akron, are the parents of a daughter born Saturday at Woodlawn hospital.

Mr. and Mrs. Joe C. Shepherd, Silver Lake, are the parents of a son born Saturday at Murphy Medical Center. Grandparents are Mr. and Mrs. Frank Shepherd, Silver Lake, and Mrs. Georgia Allen, Warsaw.

If you can only keep your mouth shut long enough, somebody may suspect that you have more than your share of common sense.
