## 1984 in Retrospect

Continued from last week

### August 29

George Stephen and Joe Day requested funds to purchase needed supplies for the Akron Fire Department at Akron's Town Board meeting. Board members Jack Miller, Dick Day and Jerry Hudson voted to grant a total of \$2500 from the cumulative fire fund for the supplies.

### September 5

The Tippecanoe Valley Vikings football team snatched victory from the jaws host Southwood when quarterback Phil King ran eight yards to score the winning TD in overtime. The win put the Vikings at 2-0.

On Tuesday, Aug. 28 when the Akron Volunteer Firemen respond-

ed to the Jimmie Adams barn fire north of town, both Randall and Day left their places of business (Viking Foods and Day Hardware) to man two of the fire hydrants downtown. Firemen worked for almost four hours battling the blaze, and their efforts would have been slowed if not for the assistance of the two men.

### September 12

Last Friday was a dark day in the lives of at least two Valley corporation employees. TVHS principal John Hill and student counselor Sandy Carmichael had the humiliation of publicly receiving warrants for their arrest, which had been issued by Kosciusko County Clerk Jean Messmore earlier that day.

Jeff Leckrone, former Valley golfer, finished third last week in the 60th Ohio Golf Tournament to earn \$1,000. An assistant pro at the Canton Brookside Country Club, was one of only four players to break par of 216 on three trips around the 6,856-yard course.

### September 19

Culver Girls Academy took first place in 10 of 11 events and defeated the Tippecanoe Valley High School girl's swim team 87-48. Dianne Good was the only Valley winner with a time of 7:40.6 in the 500 freestyle.

The Valley freshmen beat Bremen 30-6 with touchdowns from Holloway, Manwaring and Trippiedi.

### September 26

The Manitou VFW Post 1343 donated five signs to the town of Akron in an effort to stress safety around children to motorists entering town. The signs, which were placed at each town entrance and at the school district, are brightly colored and proclaim "Safety First - Save A Child."

The annual Valley Bowl game was held Wednesday, Sept. 19 at the Tippecanoe Valley High School field. In an upset victory, the Akron Eighth grade team defeated their Bulldog counterparts by a score of 14-12.

### October 3

Fifteen people and two businesses owning land adjacent to the former Erie-Lackawana Railroad between Rochester and the east end of Akron filed suit to get the railroad land back.

The Tippecanoe Valley varsity football team saw any chances of a Cluster 34 playoff fall by the wayside when visiting Northwood rolled over the Vikings 41-14.

### October 10

The Society of Distinguished American High School students announced that three students from the Akron Church of God have been accepted for membership in The Society of Distinguished American High School Students. Students from the Akron Church of God awarded membership are: Tamara Allison, Jennifer Dotson and Ajita Malbone.

Tippecanoe Valley's inability to defend against a strong passing attack enabled Three Rivers Conference rival Oak Hill to take a 38-8 victory in Friday's football game at Oak Hill.

### October 17

Trustees accepted the resignation, effective at the end of the 1984-85 school year, of LaDonna Rader. She is retiring after 34 years of teaching, all but one of those years spent working for the Tippecanoe Valley Corporation. Since 1961, she has taught fifth grade at Akron.

The Tippecanoe Valley football team amassed 264 yards rushing, but they needed three more yards to snatch the victory from the Zebras. After fullback Rob Dunnuck pulled Valley within one point of Rochester, with little more than a minute to play, the Vikings were unsuccessful on a two-point run attempt. They ended the game with a 21-20 loss to Rochester.

### October 24

At the Mentone Chamber of Commerce banquet, held Tuesday, Oct. 16 at Teel's Restaurant, three new directors were appointed to three year terms. Selected by fellow members to serve on the board of directors were Ron Secrist, Jo Gamble and Charlie Smith.

Marcia Ousley's fifth grade class at Burket held a pumpkin face contest during the week of Oct. 15. Winners were Joshua Smithson,

Virginia Mahaska, Ray Huffman and Lon Wadkins.

### October 31

Gail R. Hartman, Rural Carrier of Akron, Indiana, Post Office has been admitted to lifetime membership in the exclusive Million Mile Club of the National Safety Council for driving more than one million miles without a preventable accident.

The Tippecanoe Valley freshmen ended their season with a perfect 8-0 record by beating Caston, 36-12.

### November 7

At last Monday's meeting of the TVSC board, board members narrowed the choices for a building program from our options to two. The board members were undecided between the two choices, but they hope to come to a decision by the November 19 meeting.

Architects Lee Brockway and Doug Wickstrom of Fanney-Howey Associates, Michigan City, discussed the plans with the board and will meet in another work session with the trustees.

### November 14

The welcoming committee of the Mentone Chamber of Commerce presented a plaque to new members Scott and Gerri Hoskins, owners of the Pizza Place.

Board members Wayne Tombaugh, Jim Miller and Miriam Boardman received four bids for trash hauling. No definite decision has been made at this time. The board would like to start the trash services at the start of the year. It was also undecided how the residents will be billed.

### November 21

Students and teachers alike were delighted by the sight of the hundreds of balloons released at Akron Elementary School as part of the National Children's Book Week festivities. Each balloon had cards attached, and students are anxiously awaiting results.

Before an audience of approximately 35 patrons, including a sizeable contingent of Akron businessmen, the Tippecanoe Valley School board laid to rest the option of building a middle school near the high school site.

### November 28

Although it was nip and tuck a good deal of the way, the Tippecanoe Valley Vikings couldn't hold onto a narrow lead in their basketball season opener. The Zebras won 55-54.

Members of the Akron Town Board last week gave local businessman Mike Stephen an exclusive franchise to proceed with cable television construction. Stephen, operating under the name Valley Cablevision, recently completed a survey and apparently found there was enough interest in the town of Akron to proceed with plans.

### December 5

Coming in strong after Friday's win over Triton, the Tippecanoe Valley Vikings enjoyed an easy victory over Three Rivers Confer-

## MENTONE QUICK

**WINS BIG FOR CHRISTMAS:** Andrew Senff, age 6, of Tippecanoe is shown above with the giant 6 foot Christmas stocking stuffed with games and toys and stuffed animals which he won in the drawing held at Mentone's Quick Mart last week. Shown along with him is the Quick Mart's owner John Saxon, Mentone.

## It Happened in Mentone

### TAKEN FROM THE NORTHERN INDIANA CO-OP NEWS JANUARY 3, 1945 40 YEARS AGO

Mrs. Lyman Mollenhour recently entertained Beta Epsilon chapter of Psi Iota Xi at their Christmas party. The evening started with a potluck supper. Four tables played bridge with prizes going to Mrs. Curtis Riner and Mrs. Russell Henderson, a guest of the sorority. Mrs. Irvin Snyder was awarded the door prize. Later a gift exchange took place among them and the following members: Mrs. Esther Shoemaker, Mrs. Lucille Whetstone, Mrs. Ralph Ward, Mrs. Thomas Clutter, Mrs. Earl Dwyer, Mrs. Max Nellans, Mrs. Delford Nelson, Mrs. Clarence Camplejohn, Miss Flora Holt and Mrs. Harold Utter.

Mrs. A.C. Snyder, of Argos, entertained at a farewell dinner New Year's Day in honor of her husband, A.C. Snyder, who is leaving for his new work as a mail clerk. Those present were Dr. and Mrs. Hom and Mr. and Mrs. Chenoweth of Bourbon, Mr. and Mrs. Everett Long and daughter Luellen, and Mrs. Vivian Snyder of Mentone.

A number of friends helped Lester Horn celebrate his seventh birthday Saturday afternoon. Games and contests were played by the group. After refreshments all went out of doors while coasting was enjoyed. Those present were: Alice and John Davis, Wallace

Cyler, Jody and Jon Cullum, Kay Flenner and Duane and DeVon Davis.

Alpheus Snyder of Argos, has resigned as village carrier after serving patrons of Argos delivery service for nearly eight years. He will become a railway mail clerk on the Pittsburgh-Chicago route passing through Plymouth. It is anticipated that his duties will begin the first of this year. He is the son of Vivian Snyder, of Mentone.

Mark Nuell, son of Albert Nuell, was called into active duty with the Marines on Dec. 14. He was sworn into the Marine Corps Reserve last April. Mark is getting his training at Paris Island, South Carolina, and likes his outfit fine.

About 30 members of the Mentone Lions Club braved the icy roads and threatening weather Wednesday evening for the first meeting in 1945. Following the regular dinner, served by the ladies of the church, the regular meeting was held. Guido Shirey, S I-c who has seen two years foreign service in the Navy, gave a very interesting and complete talk on his experiences. It was thoroughly enjoyed by everyone present.

S/Sgt. and Mrs. C.K. Paulus returned to Ft. Dupont, Delaware Tuesday morning after spending an eight-day furlough with their parents, Mr. and Mrs. Cioice Paulus of Mentone and Mr. and Mrs. F.R. Burns of North Manchester.

## Burket Community

This is the Blessed Christmas Season when families get together and really enjoy one another, remember former Christmases, and enjoy the delight it brings to children. Help all of us to continue to have that faith and trust of a child.

Several people are in Michigan enjoying their snowmobiles in the five inches of snow they have.

Miss Patricia Shoemaker entertained Mrs. Lulu Eaton and Mrs. Zeta Parker Christmas Day.

Mr. and Mrs. Claude Swick attended a family Christmas dinner on Sunday at the home of Mr. and Mrs. James Collins and Brandy at Rochester. There were thirty-one present.

Mr. and Mrs. Mark Swick and Rachael of Coatesville were Christmas Eve supper guests of the Claude Swicks.

Christmas Day dinner guests of

Mr. and Mrs. Claude Swick were Mr. and Mrs. Frank Swick and family, Mr. and Mrs. Eldon Swick and daughters, Mr. Ronald Swick and Larry, Mr. and Mrs. Lloyd Swick and family, Mrs. Nancy Kuhn and sons, Mrs. Mildred Hopkins and children, Misty, Christy and David Swick were evening callers.

Lee Beery, son of Paul and Cathy Beery, spent sometime in the Lutheran Hospital in Fort Wayne with an ear infection. He is facing surgery on his leg soon.

Mr. and Mrs. Vernon Meredith and family attended a birthday party at Teel's for Mrs. Meredith's father, Elmer Dickey.

It was good to have so many college students, home for the holidays, in church Sunday.

Miss Josephine Blackwell spent Wednesday evening with Mrs. Veta Lowman.

### TAKEN FROM THE AKRON-MENTONE NEWS JANUARY 2, 1975 10 YEARS AGO

John Gagnon, a December graduate of International Junior College's business management training program, has accepted a book-keeping position with Bahney

Chevrolet Sales in Akron.

Son of Mr. and Mrs. Marvin Gagnon, he is a 1973 graduate of Akron High School where he was a member of the student council and the intramural basketball team.

Members of the Omega Club were joined by a number of guests at a December 26 carry-in dinner at

Gloria Bowen's home. Janice Stubblefield gave the table-blessing.

Favorite carols were sung to open the meeting and "Christmas memories" were used for roll call response. Prayer was given by Mrs. Hucks and devotions were by Ruth Bowen.

Contests led by Ruth Bowen and Gloria Bowen were won by Janet Bowen, Gloria Bowen and Carol Hucks. A gift exchange followed.

Guests were the Reverend and Mrs. Vernon Hucks Sr., Charlotte, North Carolina, Janice Stubblefield, Carol Hucks and Robin and Caleb, Bernice Bowen and Paul and Janet Bowen.

Jeff Shoemaker, a 1973 graduate of Mentone High School, has been selected Most Valuable Runner for the 1974 Ball State University cross country team.

The son of Mr. and Mrs. Kenneth Shoemaker he earned seven letters in track and cross country at Mentone. He is married to the former Carolyn Hackworth of Warsaw.

### TAKEN FROM THE AKRON-MENTONE NEWS JANUARY 1, 1970 15 YEARS AGO

Of the 13,536 Ball State University undergraduate students carrying a full load during the autumn quarter, John Romine was one of 487 students who earned straight A's. A freshman, he is the son of Mr. and Mrs. Kenneth Romine of Mentone.

Army Nurse Betty E. Flory, daughter of Mrs. Sarah E. Ellsworth, Mentone, was promoted Nov. 25 to lieutenant colonel at Ireland Army Hospital, Ft. Knox, KY. She graduated from University Hospital School of Nursing, Chicago, Ill., in 1943.

The LTL had their Christmas meeting Friday night at the Library basement with their leader, Gloria Bowen. Sharon Wright acted as president, and Charlotte Schultz was secretary. Christmas films were shown, and carols sung by the group. Debbie Holloway played a piano solo, and Darla Geiger and Sharon Wright helped with the refreshments. Twenty gifts were collected for the Lifeline Children's Home and the group also had their own gift exchange. There were 28 members present.

Debra Hunter, worthy advisor, presided at the meeting with 15 members, six Eastern Stars and 21 Masons present. She welcomed all present and then each girl introduced herself and her Mason guest.

Debra reported that the girls had caroled at three nursing homes in Warsaw and three in Rochester on Monday afternoon. They then returned to the Masonic Hall for a potluck supper and Christmas gift exchange.

The Drill Leader then escorted Mrs. Suzanne Gast to the East who then, very impressively, gave the Majority Degrees to her daughter, Rebecca Sue Gast and to Kathy Tridle. They were presented their diplomas and a silver Rainbow spoon.

The Assembly Room was decorated with vases of red and white poinsettias and these decorations were continued into the dining room where refreshments of sandwiches, mints and punch were served by Mrs. Earl Kuhn, Lynn Casey, Marna Stephen and Sheri Schweir.

## Down Memory Lane

### TAKEN FROM THE AKRON NEWS JANUARY 3, 1935 50 YEARS AGO

The Haldeman-Baum company is now taking inventory preparatory to the purchasing of the place by George Baum.

Mr. Baum's son-in-law, Charles J. Irelan, will be associated with him as a partner in the business. The firm name will not be changed.

For years the Haldeman-Baum company has been a valuable asset to this community as a means of outlet for farm products and as a place for purchasing farm needs. The new owners plan to carry on in the tradition of the past.

Herman Bowers entertained a group of friends at a New Year's party Monday night. Guests were Bob Berger, Dale Sheetz, Bob Baber, Mary Ann Mitchell, Sue Leininger, Virginia Pike and Dorothy Carr.

An oyster supper was given at the home of Mr. and Mrs. Fred Townsend Thursday evening in honor of their daughter, Elsie's birthday. A large birthday cake formed the centerpiece for the table. Those present were, Floyd McGee, Mr. and Mrs. Frances McGee, Mr. and Mrs. Clifford McGee and son, Charles, Mr. and Mrs. Rex Moore and two children, Bobby and Mary Katherine, Mrs. Eugene McGee, Miss Virginia McDowell and Mr. and Mrs. Fred Townsend.

### Time is a Gift from God

We stand once on the threshold, of a shining and unblemished year. Untouched yet by Time and Frustration unclouded by Failure and Fear.

How will we use the days of this year and the Time God has placed in our hands?

Will we waste the minutes and squander the hours leaving no prints behind in time's sand?

Will we vainly complain that Life is so Swift that we haven't the Time To Do Good?

Our days are too crowded, our hours are too short, to do all The Good Things we should.

## Mentone Nutrition Site

The Mentone Nutrition Site has been a very quiet place after all the parties and our band isn't making any more appearances this winter.

There have been lots of domino games going. Bedi, our director, has had a few days vacation. Winni Smith has taken over for her and we thank you. Mary Shirey has a lighter cast on her leg and is able to use crutches, but, she has suffered quite a bit of pain. Hope she can soon be out going again. We sure miss them, but we do see "Deed" everyday as he takes several carry outs.

Watch and plan to attend the January 16th birthday party. Norma Roose our coordinator claims we have the best birthday parties of any other sites. Happy New Year everyone.

Menus for the week of January 7 through January 11 for the Mentone Nutrition Site are:

Monday - Apple juice, ham and beans, cole slaw, corn bread, margarine, pineapple ring, milk, tea, coffee.

Tuesday - Orange juice, liver and onions with gravy, mashed potatoes, tossed salad with French dressing, stone ground wheat bread, margarine, cherry crisp, milk, tea, coffee.

**FOLEY'S**  
JEWELERS  
ROCHESTER  
FOR  
DIAMONDS

We say we would pray if we just had the time, and be kind to all those in need.

But we live in a world of "Planned Progress" and our national password is "Speed."

God grant us the grace as another year starts to use all the hours of our days.

Not for our own selfish interests and our own willful often wrong ways.

But teach us to Take Time for praying and to find time for Listening To You.

So each day is spent well and wisely doing What You Most Want Us To Do.

Menus for the week of January 7 through January 11 are:

Monday - Salisbury steak, hominy, cucumber salad, peach crisps, white bread, milk.

Tuesday - Vegetable beef soup, cheese slices, tossed salad, peaches, angel food cake, crackers, milk.

Wednesday - Chef's Special. Thursday - Ham with navy beans, spinach, corn bread, apple sauce, milk, dessert.

Friday - Chicken and dumplings, beets, fruit jello, salad, brown bread, lemon cake, milk.

Wednesday - Grape juice, baked chicken quarter, florentine rice, fruit salad, wheat bread, margarine, sugar cookie, milk, tea, coffee.

Thursday - Tomato juice, boneless barbeque pork, german potato salad, carrot coins, kaiser rolls, margarine, fresh orange, milk, tea, coffee.

Friday - Cranberry juice, stuffed green peppers, California vegetables, pumpernickel bread, margarine, tapioca pudding, milk, tea, coffee.

Sometimes life hands us troubles and they seem so hard to bear. Then all our friends come rally round. We didn't know how many care. Don't know what we did to get so lucky, but we know we are truly blessed and we want to thank all our friends, neighbors, relatives and Beaver Dam 4-H for making our 58th wedding anniversary and Christmas so wonderful. Words can't express the gratitude and appreciation we feel. Thank you one all.

ence rival North Miami on Saturday, making last weekend a clean sweep. The final score was 61-47.

Freshman Donita Boggs and sophomore Gary LaMar recently qualified to compete in the Athletics Congress National Junior Olympics Cross Country Championships to be held in St. Louis, MO.

### December 12

The regular December meeting of the Tippicanoe Valley School Board began with several recommendations made by Superintendent Baxter Paige which met with approval of all board members. Among those made were: the hiring of a financial consultant and a project management firm for the corporation's new building project, salary raises for administrators, non-certified personnel and board members and appointments to several advisory boards for high school organizations.

### December 19

Using Chad Bibler, who usually sits on the bench, during last week's game against Northfield, seemed to be the key move in coach Bob DuBois's plan to winning a 62-49 decision. Chad came off the bench to pour in 16 points for his team during the evening.

The Tippicanoe Valley girls basketball team lost the consolation game during Rochester's Holiday Tourney to Cass, 47-38. Coach Ivan Schuler noted that the team had a rough time in the first game of the tourney against Rochester (57-53) and were just too tired to come back in the game against Cass.

Thomas Jefferson's identity as the writer of the Declaration of Independence was not generally known until it was published in a newspaper in 1784.

**We're Glad You Asked**

**YOUR QUESTIONS WILL BE ANSWERED HERE**

**How Do I Make A Condolence Call?**

To express your sympathies and console the bereaved, here are some logical "do's and don'ts" which may help you and the bereaved.

1. If you're not really sure whether you should make the call or not, then do it. The family is bound to appreciate it.
2. Remember, the purpose of the call is to express sympathy and offer assistance. Don't make it a long "social" event.
3. Make the visit short - unless the bereaved ask you to stay.
4. Dress neatly, tastefully; not necessarily in mourners' black.
5. If the bereaved wish to talk, fine. Be a good listener!
6. A simple "I'm sorry about (the deceased)" is appropriate along with a firm handshake or brief embrace.
7. Leave after offering to help or doing what you've been asked to do.
8. Call back in a few days; the family will appreciate your thoughtfulness.

We welcome your questions and comments - privately or publicly through this column.

## Club meets for annual dinner

The Perry Home Improvement Club met in the home of Marjorie Miller of Denver for the annual Christmas dinner. Alice Teel, club president, had crocheted a small favor for each place setting. Grace was given by Nelle Loughheed.

Alice Teel presided for the business and program. Ruth Bammerlin led as birthday tributes were sung to Emma Burns and Lucille Personett and wedding anniversaries to Emma Burns, Lucille Personett and Aurel Musselman. The group also sang "O Little Town of Bethlehem."

For devotions Nelle Loughheed read a different story of the Shephard's visit to the Christchild. Christmas poems and thoughts were read by Faye Eaton, Marie Coon, Sherri Moore, Emma Burns, Alice Teel, Aurel Musselman, Arlene Gearhart, Marjorie Miller, Lucille Personett and Marie Long. Pauline Miller played a tape recording of "I'm Dreaming of a White Christmas." Ruth Bammerlin and Helen Miller sang "Silent Night," and Marie Nestleroad showed pictures that she had taken on her trip to the Far East. They were children whose homes and surroundings promised little for Christmas.

Cards were signed by each one present to be mailed to Lydia Broadley, Glen Teel and Ralph Fites.

A gift exchange was enjoyed as Secret Pals were revealed. New names were drawn for 1985 Pals. A nominating committee was appointed for the February election. Serving will be Aurel Musselman, Marie Nestleroad and Neva Robinson.

Prizes were won by Sherri Moore and Pauline Miller.

## Task force

Nearly 2.5 million Hoosiers have received information on drunk driving through an extensive corporate/organizational campaign sponsored by The Governor's Task Force to Reduce Drunk Driving.

Over 200 companies and organizations have implemented a program to reduce alcohol-related traffic accidents by increasing public awareness. Most programs use materials developed by the task force which are intended to educate employees, clients, suppliers, customers and families about the dangers of drunk driving.

The materials include a series of posters, envelope inserts, brochures and camera-ready news-letter material available at cost from the task office. Many companies have also formed a policy concerning alcohol consumption during work and at organizational

consumption during work and at organizational functions.

The Corporate/Organizational campaign has been a major part of the task force's effort to reach every Hoosier with drunk driving information. The task force will continue the campaign in 1985.

## Hear program on "Freedom's Symbol"

Anthony Nigo Chapter, DAR met recently at the festively decorated home of Mrs. Charles (Cara Lyn) Tucker of Mentone.

The program, "Freedom's Symbol-The Lady with the Lamp-Keeper of Dreams" was given by Mrs. Tucker. She stated the Statue of Liberty-Ellis Island Centennial Commission was formed by President Ronald Reagan in May, 1982. Comprised entirely of private citizens, the commission was charged with restoring the Statue of Liberty and Ellis Island. The commission aims to accomplish three goals: 1) to completely restore the Statue of Liberty in time for the centennial of its dedication in 1886; 2) to prevent further decay of the historic buildings on Ellis Island, and to plan for its development as a national, living experience, in tribute to the ethnic and national origins of all Americans; and 3) to plan memorable centennial celebrations between 1984 and 1986 for the Statue of Liberty and in 1992 for the centennial of Ellis Island. To accomplish these goals \$230 million will be required. There will be no

government funding, so support must come from the private sector—corporations, private sources and importantly, the grass roots.

Mrs. Tucker explained the Statue, a gift to America from the French people—a pledge of friendship and a commemoration of the centennial of their independence, had been proposed by Edouard de Laboulaye at a dinner party in 1865. In 1971 Frederic Auguste Bartholdi, a French sculptor, after studying New York harbor, returned to Paris with a clear image of the Statue he would create. Four years later, a campaign to raise funds for construction of this monumental project was launched. After fifteen years of dedicated work of Bartholdi, Alexandre Gustave Eiffel, structural engineer, French fund raisers, construction workers, and gifts from the grass roots, the Lady was completed. On October 28, 1886, the American people were ready to receive "Liberty" in New York harbor.

Mrs. Arthur (Helen) Brown, regent, conducted the opening ritual. Officer reports were given and the budget committee, Miss Annabel

Mentzer, Mrs. Worley (Helen) Spitzer, presented the proposed budget for 1985. Mrs. Loren (Pat) Gross reported the Christmas gifts had been sent to Tamassee/DAR School in South Carolina.

National Defense chairman, Mrs. Ernest (Lena) Igo gave a brief report on "Star Wars," the media's term for President Reagan's proposal to build a defense system to shoot down enemy intercontinental ballistic missiles.

Mrs. Eldred (Juanita) Paulus read the DAR Resolution on "Preservation of the Bible," which urges standing firm for the preservation of Holy Scripture and strongly opposes the writing of a "uni-sex Bible for feminists and those who would interject their Godless ideology."

The regent announced that miniature Statue of Liberty pins are available for two dollars from NSDAR Office of Corresponding Secretary, and proceeds will go to the Restoration Project.

The chapter's Christmas money tree gifts were donated to the Statue of Liberty restoration fund. Further donations for the project will be accepted at later meetings.

Refreshments were served from the candle-light holiday table by the hostesses and co-hostesses, Mrs. Paul (Martha) Shireman and Mrs. Wayne (Shirley) Smalley.

The next meeting will be February 10, 1985 honoring American History Essay Winners at the Mentone United Methodist Church.

## NOTES— COMMENTS

The age of man has little relation to his sense.

Akron Town Board members, Dick Drudge, Jerry Hudson and President Jack Miller discuss plans for the new year. (News Photo)

## Akron Town Board makes new appointment

The Akron Town Board met in special session last Wednesday, January 2 for the purpose of considering appropriations for the budget for the year 1985 and appointing department heads for the year.

Appropriations as advertised will be referred to the State Board of Tax Commissioners for approval.

During the re-organization, Jack Miller, was again elected President of the Akron Town Board for the

year 1985, after a solid 2-1 vote. Trustees are Richard Drudge and Jerry Hudson. Department heads were re-

tained with one exception. Board members announced that Jim Spangle would be the Akron Town Marshall. Marshall Spangle will have David Kruger as his deputy. Other department heads and board members remain the same: Garland Sparks, Superintendent of Water and Sewers; Florence Katz, Water and Sewer Secretary; Park Board - Channing Utter, Bill Lynn, Ron Fenimore, Kim Lewis; Library Board - Kim Lewis, Sherri Shewman, Brett Boggs, Grace Waechter, Chuck Drudge, Kay Brouyette, Ralph Rader.

Board members decided to retain Robert Peterson, Rochester as the town's legal advisor.

Before an audience of two patrons, board members discussed the infraction of a town ordinance against burning trash within town limits.

in the open; asked Sara Jane Sutton, Town Clerk, to represent them at a meeting of the Fulton County Round Barn Festival Committee meeting in anticipation of Rochester's Sesqui-Centennial this year,

as a county wide celebration; discussed heating problems and ways to correct them in the Police Office.

The next regular meeting of the board will be Tuesday, January 15, 7 p.m. in the town hall.

## Receives Grant

The Fulton County Historical Society received notice from the Great Lakes Arts Alliance that they will again be the recipient of a grant for Meet the Composer. And the composer will be again George Schricker, Plymouth, who writes songs of Potawatomi history. He will perform at the Trail of Courage Rendezvous Sept. 21 - 22.

The Silver Creek Church of God announces the publishing of their first cookbook. The cookbook is entitled "Butter In Love Recipes" and contains 300 varied recipes. These are recipes from your friends and neighbors of the Akron and Silver Lake communities. Recipes from

Janice Yeager, Sarah Jane Sutton, Donna Hoffman, Marilyn French and many others.

Cookbooks may be purchased from Marilyn French (893-4911) in the Akron area, Janet Sells, (352-2556), in the Silver Lake area, or Judy Wilcox (893-4153).

## Publish first cookbook

## Celebrates 86th

Mrs. C.G. (Frances) Carter will be honored by area residents Sunday, January 13 at Teel's Restaurant, Mentone with a Birthday Open House celebrating her 86th birthday.

Miss Carter was a former teacher in the Mentone, Bourbon and Etna Green schools for 40 years.

The open house will be held from 2 - 4 p.m.

All her friends, relatives and former pupils are invited to attend.

## Washington bound

Mr. and Mrs. Wayne Tombaugh, Mentone will leave January 16 for a trip to Washington, D.C. The Tombaugh's received a special invitation to President Reagan's inauguration. They will attend the festivities in Washington, then visit with their son Richard Tombaugh of Andala, Virginia.

Wayne has been Precinct Committeeman in Mentone for the Republican Party for forty-six years.

## Youth League Board meeting

Mentone Youth League Board members please note and plan to attend the next meeting on Tuesday, January 29. All members are needed so some important decisions for 1985 can be made. Mark your calendars.

## Notice MENTONE RESIDENTS

Mentone trash pickup will be on Thursday each week beginning at 7 a.m. Mentone residents who do NOT want town trash pickup MUST contact town trustees. Call 353-7674, 353-7690 or 353-7530.

## Claypool Board re-organizes

The Claypool Town Board finished its year-end business last Wednesday by approving appropriation transfers and making appointments to various boards.

Board President Robert Bruce recommended transfers in three areas of the general fund.

Bruce was re-appointed board president for another year, and agreed on the approval of Virginia Brindle to read water meters for the town. They also discussed the need of an extension of the water line to encompass the trailer court. Approximately 500 square feet in one direction would have to be extended, and 1,000 square feet in another direction. The decision on this will be made

at a later date.

The board handled a complaint dealing with the smell of chemicals in the water, and agreed to have the water checked for sulfur this week.

Plans for the new year consist of re-surfacing roads, and putting up new signs. The town has an accumulation of \$25,000 for this project and the board hopes to get this work done in 1985.

The next town board meeting is scheduled for Wednesday, Jan. 16 at 7 p.m.

## People to get new statement

A new Form SSA-1099, Social Security Benefit Statement, will be sent to each of the roughly 550 people around Akron who got any Social Security benefits during 1984. Nationally, about 40 million forms will be mailed out by zip codes. Akron residents can expect their forms shortly after January 7th.

The forms are being sent out, with a copy to IRS, because people who have substantial other income may have to include up to half of their Social Security benefits on their Federal income tax returns. All of the money collected by this new tax will be deposited into the Social Security trust funds and used to pay benefits. The 1983 Amendments, which took away the tax-exempt status of benefits, were designed to guarantee the continued financial soundness of Social Security. The Amendments were strongly endorsed by the President and Congress.

The 1099 will show the amount of Social Security a person got during 1984. The new form should be used when completing Federal income tax returns for 1984, just like any other Form 1099 sent by a financial institution. A simple worksheet called IRS Notice 703 will be included for people to see if any of their Social Security benefits may be subject to Federal income tax. It is estimated that 90% of the people getting benefits will not have to pay any tax on them and this have no need to contact their local Social Security office.

People who still have questions about the information shown on Form SSA-1099 should call the toll-free 900 number printed on the form rather than their local office. Questions about tax liability or figuring income tax should go to the Internal Revenue Service at their toll-free phone number of 1-800-424-1040.

Publication 915 contains a detailed explanation of the entries on Form SSA-1099 and explains taxability of benefits. Free copies are available at any Social Security or IRS office. Request one by writing to: Social Security Administration, P.O. Box 19, South Bend, IN 46624.

50 YEARS AGO

Mr. and Mrs. Cleotis Smith, Dave and Dan Smith, Mr. and Mrs. Earl Leininger, Peggy and Bill Leininger were dinner guests of Mr. and Mrs. H.D. Stoner on Saturday, January 5th, in honor of Mr. Stoner's birthday.

The Doers class of the Brethren Church was entertained at the home of Mr. and Mrs. Clifford Bright on New Years Eve. Mrs. Bright was assisted by Mrs. Fay Davis. The Golden Rule class was present, as honored guests.

The first feature was a program which was planned by Mrs. June Harper. Games and contests were played the remainder of the evening.

Those present were Mr. and Mrs. Elmer Dickey and daughter, Mr. and Mrs. Ora Shoemaker and daughter, Mr. and Mrs. Andy Harper, Mr. and Mrs. Frank Smith, Mr. and Mrs. Fred Dickerhoff and son, Mr. and Mrs. Ralph Hoffman and son and daughter, Mr. and Mrs. Dewey Merley, Mr. and Mrs. Noah Hoffman, Mrs. Josie Hively, Mrs. Lula Riley, Mr. and Mrs. Russell Stout, Mr. and Mrs. Ray Deardorff and daughter, Mrs. Fay Davis and children and Mr. and Mrs. Clifford Bright and daughters.

The Pollyanna Club entertained their families to a baked ham dinner Friday evening in the dining room of the Methodist Church. The dinner was in honor of the newly elected members, Mrs. Joe Bidwell, Mrs. Orville Moore and Mrs. V.S. Weeks. Other honor guests were Mrs. Laura Studebaker, Mr. and Mrs. John Arter, Mrs. Henry Haldeman and Mrs. Joe Tracy, all of whom were presented with bouquets of sweet peas.

Approximately 50 were present to enjoy the occasion.

Charles Halleck, republican candidate for congress in second district special election which is to be held on the 29th of January was in Akron Monday.

Hugh Holman, county chairman, had the new candidate around shaking hands with the voters. He scheduled a meeting of county workers at Rochester Tuesday night where Mr. Halleck spoke briefly.

Donna Kay Love, daughter of Mr. and Mrs. Don Love, of Akron has been awarded a scholarship by the Warner Beauty College of Fort Wayne, Miss Love, a straight A Senior at Akron High School, has already enrolled and will start her training in the June 8 class at Warner's.

The Akron Flyers lost their game in the opening of the county tourney held at Warsaw, Wednesday night, by a score of 67-68. The Flyers led at the end of the first quarter and second quarter. At the end of the first half Akron led by 17 points. However, Milford was hitting the basket better than Akron and started to chop down the Flyers lead.

Announcement was made this week of the election of J. Randall Leininger to the position of assistant cashier of the Akron Exchange State Bank.

Other officers of the bank were re-elected with Harold Groninger being named president; J.R. Emahiser, vice-president; and A.M. Price, cashier.

Leininger joined the staff of the local bank a year ago. The son of Mrs. Mary Margaret Leininger and the late Harold Leininger, he is a graduate of Akron High School and Indiana University. He is married to the former Alona Leininger who is a second grade teacher in the Akron Grade School.

Mr. and Mrs. Charles Gast were hosts recently for a formal dinner party at their country home. Lovely Christmas decorations set the theme for the occasion. A gift exchange was held later in the evening.

Bridge progressed with prizes being awarded to Tom Hauptert and Suzanne Gast.

Guests were Mr. and Mrs. Art Craig, Mr. and Mrs. Al Price, Mr. and Mrs. Tom Gast, Mr. and Mrs. Phil Parker, Mr. and Mrs. Otto Groninger, Mr. and Mrs. Tom Hauptert and Mr. and Mrs. Jack Stucker.

### DID YOU KNOW?

Sticking to the subject has paid off for one inventor in an unusual way.

About a decade ago a scientist named Arthur L. Fry had a bright idea. A member of his church choir, he was in the habit of marking hymn selections for Sunday service with a scrap of paper. Often, the paper would disappear.

Some years earlier, a colleague of Fry's at 3M, Dr. Spencer Silver had developed an oddball adhesive. It was just strong enough to stick to things but it came off easily. Fry tried it on his paperscrap bookmarks, and a new product was born.

Now, these Post-it brand Notes have become a top selling item across the country. They come in several sizes, colors and formats.

It all goes to prove that if you come up with a good idea, it pays to stick to it.

## Letters to the editor

Editor:

In regard to matters brought before the Akron Town Board during the December meeting, as reported by this newspaper, I find the events of one item somewhat interesting.

There are people in this town who can't get to the post office before 5 p.m. because of their working hours. It's too bad that Mr. Drudge gave the impression that he doesn't want the post office left open after 5 p.m. for these people. The postmistress just asked if the town police could lock the door around 7 p.m.

I find that statements to the effect, I'll never vote yes on that!, and if we let them lock-up a federal building then other people will be

expecting them to lock-up their businesses, too, is like comparing apples to oranges.

Locking the lobby of an otherwise locked and secured building can no way be compared to locking up a store. No merchant is going to be so feeble minded as to leave his business unlocked, for someone to lock-up later (cop or not). To make such a comparison certainly insults the intelligence of our local business owners.

No, the post office doesn't have to be left open after five but it would be nice for some of our citizens. It could be done on a trial basis to see if any problems develop. If the post office is willing and the police are willing, why not?

## Special weekend for single parents

A special weekend for single parents sponsored by the North Indiana Conference of the United Methodist Church will be held January 12 - 13 at Epworth Forest on Lake Webster, near North Webster, Indiana. This is the 10th annual single parent mid-winter retreat and will bring together single parents from across the state. The event is open to all single parents and will provide opportunity for fellowship, sharing and exploring common concerns for single parents. Leadership includes clergy and mental health persons. For registration and more information contact: the Rev. Ted Blosser, P.O. Box 275, Bristol, Indiana 46507 Phone (219) 848-4294.

## It Happened in Mentone

TAKEN FROM THE NORTHERN INDIANA CO-OP NEWS  
JANUARY 10, 1945  
40 YEARS AGO

The Mentone fire department was called to Palestine about 2:30 Saturday morning when the chicken hatchery, owned by Paul Cook and John Beasley and located in the Forrest Grubbs building, burned down. There were several incubator units in the building, with a capacity of about 36,000 eggs and everything was completely destroyed. Only two units were filled with eggs, but the entire loss, including the 3,200 eggs, was announced by Mr. Cook as being between \$2,500 and \$3,000. Two relatively new brooder houses, located about five feet from each side of the hatchery, were kept from burning by the department and friends who braved the cold morning air.

Mr. and Mrs. Floyd Tucker and John Vangundy narrowly escaped serious injury the other evening at Etna Green. The Tucker car, proceeding east on Highway 30, turned off the pavement into Etna Green on their way home, and just after they left the pavement a large truck went past them on the right side, crumpling the right fenders and bumper. The truck finally stopped before crashing into the filling station and oil storage tanks. No one was injured other than a few bumps.

The members of the Mentone volunteer fire department gathered at the home of their chief, Arlo Friesner, where they enjoyed a very delicious steak dinner, served by Mrs. Friesner, Mrs. Clik and Mrs. Fawley.

Arlo had a great part in making the plans for the evening and was really enjoying the fact that he was having a chance to entertain the boys but he was somewhat befuddled when the gang started singing "Happy Birthday" to him. He figured no one knew that he had a birthday then and he had made every effort to conceal the fact after he realized that the birthday and the night of the meeting were identical.

Mr. Friesner received a number of gifts from the department and friends. The greater part of the evening was spent reminiscing on things of the past in and around Mentone while the cigar-smokers puffed on cigars presented to the department the fore part of the week by Paul Cook.

## Views On Dental Health

LARRY W. PAMPEL, D.D.S.

### FACIAL PAIN IN MOTORCYCLISTS

With the onset of cooler weather, dentists around the country - especially in colder climates - usually have an influx of young adult patients complaining of severe facial pain. A little research will find that most of these patients are motorcyclists who had recently ridden their cycles without any face protection from the wind. This can drop the effective temperature by many degrees as a combination of cold and increased wind against the face.

The pain usually involves both sides of the face and sets in about two hours after the motorcycle ride. It will be a constant, rather than intermittent pain. It will be located in the tooth area of the face which is why these patients usually make a bee-line to the dentist.

The cause has nothing to do with the teeth but rather the sensitivity of the branches of the trigeminal nerve. The pain will be severe enough for many patients to ask to have some teeth extracted. However, the symptoms are easily treated in the office. The best therapy, however, is for motorcyclists to wear face protection during cold weather.

Prepared as a public service to promote better dental health. From the office of: LARRY W. PAMPEL, D.D.S., 1329 Main St., Rochester, Phone 223-3121; 114 Massachusetts St., Akron, Phone 699-4646.

## Balmer - Lipps vows

Janet Balmer, Beverly, Kentucky, became the bride of John Lipps, Big Creek, Kentucky on Saturday, Nov. 24. The ceremony was held in the Stoney Fork U.M. Church, Stoney Fork, Kentucky at 2 p.m. The Reverends Jamie Brunk and Don Poyser officiated the double-ring ceremony with 100 guests in attendance.

Parents of the bride are William and Alice Balmer, Akron. Jack and Edna Lipps, Big Creek, Kentucky, are the parents of the groom.

Given in marriage by her father she wore a lace flounced bridal gown of sheer polyester with chantilly-type lace accented with simulated pearls and sequins. She carried flowers of pink carnation, burgandy roses, baby breath and baby daisies.

Jean Balmer, Mentone and Merlinda Balmer, Roann, sister-in-laws of the bride were soloists and Linda Tucker, Claypool, played the piano.

The bride chose Colleen Turner, Beverly, Kentucky, as her maid of honor, Jeannie Smith, Akron, sister of the bride, Linda Alderfer, Warsaw, cousin of the bride and Karen Schrock, Sarasota, FL., were bridesmaids. Joy Waybright, Beverly, Kentucky, was flower girl.

The bestman was Golden Smith, Jr., Manchester, Kentucky, cousin of the groom. Groomsmen were Wayne Balmer, Roann, Stan Balmer, Mentone, brothers of the bride and Barry Smith, Manchester, Kentucky, cousin of the groom. Shaun Balmer, Roann, nephew of the bride was ringbearer.

David Balmer, Mentone, Brian Balmer, Roann, nephews of the bride and Debra Balmer, Mentone, niece of the bride passed out rice bags.

A reception was held at the Cardinal House following the ceremony with Carol Hintz, Monticello, Anine Doane, Beverly, Kentucky and Marjorie Smith, Manchester, Kentucky, cousin of the groom, served the guests. Another reception was held December 22 at the Beaver Dam U.M. Church, Akron. There were approximately 100 people in attendance for the buffet.

The bride is a Tippecanoe Valley High School graduate and is a registered nurse. Lipps is a Clay County High School graduate and engaged in farming.

After a honeymoon trip to Gatlinburg, Tenn., the couple is residing at Star Route, Box 14, Big Creek, Kentucky.

## Snowmobile Rally set at Bass Lake

The Bass Lake Jaycees will be sponsoring a day of snowmobile excitement at our second annual snowmobile rally to be held on Saturday, January 19. Although last year's event drew only ninety-two hearty souls to brave the twenty-two below temperature, we are hoping to attract a larger share of the forty thousand registered sleds in Indiana. The main events this year will include a twenty mile poker run and classed radar runs. A chili dinner and early evening dance are also planned.

Registration will begin at 7 a.m. CST at D&B's Hide-away at the south end of Bass Lake in Starke County, Indiana. All of those interested in

participating in the radar run need to be registered by 9 a.m. to be eligible. The cost for this event will be ten

dollars for four runs. The poker run will be a continuous, all day event with a fee of four dollars per hand.

Trophies will be awarded for the top two speeds in each of six sled classes for the radar run while cash prizes will be won by those holding the highest poker hands.

If Mother Nature cooperates and provides us with sufficient snow and ice, a sizable crowd of snow enthusiasts should be on hand to enjoy one of the few snowmobile functions in Indiana.

A "blizzard" date of January 26 has been set in case conditions are poor. For more information, call (219) 772-6801 or 772-5852. The Jaycees encourage you to attend and help support our various charities and community projects.

I would like to say "Thank You" to everyone for remembering me and my family while I was in the hospital and during this past year, for every act of kindness. A special "Thanks" to all who gave blood in my name. May we each have a better New Year.

## Obituaries

Mrs. Gertrude E. Hill died on November 5, 1984, and in the *Akron-Mentone News* issue of November 14, 1984, it was incorrectly stated that she was survived by eight daughters, when in fact the obituary should have stated that she was survived by one daughter, Mrs. John

(Marjorie) Knecht, Dayton, Ohio, and three stepdaughters, Mrs. Cloe Witman, Chicago, Mrs. Mildred Krider, Columbia

City, and Mrs. Lois Lemler, Mentone. The others mentioned by name were step-grandchildren of Mrs. Hill.

## New books at Akron Library

New books available at the Akron Carnegie Public Library are:

**Nop's Trials** by Donald McCaig - Here is the story of a family and two remarkable individuals - Lewis Bulkholder, a farmer in Virginia, and his young border collie, Nop. When the dog is stolen, Nop embarks on an ordeal of peril and hardship that he survives only through courage and something very close to love. The same qualities in Lewis enable him to search relentlessly for his sheep dog, a search that will take him far from home and touch forgotten corners of his life.

**Johnny Logan, Shawnee Spy** by Allan W. Eckert - This is the true story of a

Shawnee who became a U.S. spy. Johnny Logan was one of the greatest Indiana friends the white man ever had on the American frontier; and he was the only Indian buried with full United States military honors.

**Maison Jennie** by Julie Ellis - An enthralling story about the ageless conflicts of love and success, and one woman whose life is enriched by both.

**Close Encounters** by Mike Wallace and Gary Paul Gates - Here is the inside story of Mike Wallace's career as one of America's most respected and controversial television journalists. He is the senior correspondent of the most successful news show in TV history: CBS's 60 Minutes.

which has rated among the top ten of all programs for the past seven years.

**I Hear The Reaper's Song** by Sara Stambaugh - In the spring of 1896, Silas Hershey was fifteen. He worked hard six days a week alongside his family in their corn and tobacco fields. On Sundays he gossiped with his Cousin Sam, eyeing the girls from a corner of the Paradise Mennonite Church yard, and several evenings a week he drove his sister Barbie and Cousin Biney to "special meetings" at nearby churches. Then there were the troubled romances of both Barbie and older brother Hen. This is a very appealing story of the Plain People.

## Akron Library offers IRS forms to public

The Akron Carnegie Public Library has resources available to assist the public in filling out federal income tax forms, according to Velma Bright, Librarian.

The material is prepared and provided by the IRS in cooperation with the nation's libraries. Useful aids include audio cassettes containing simple line-by-line instructions for filling out federal forms 1040EZ; 1040A and Schedule 1; and 1040 and Schedules A, B, and W.

These and other commonly used federal tax forms and schedules can often be obtained or photocopied at the Library. Individuals should check to see if the forms they need are available in their local library.

Many IRS publications are available for public reference. One that can help taxpayers prepare their individual tax returns is Publication 17, Your Federal Income Tax. Federal tax laws applying to business and farmers are explained in Publication 334, Tax Guide for Small Business, and Publication 225, Farmers Tax Guide.

Publication 1194, specially designed for libraries, is a set of the IRS's most requested publications and a helpful reference guide.

Reproducible tax forms are contained in Publication 1132. This allows a taxpayer to easily photocopy for a fee of (15¢ per page or 2 pages 25¢) more than 90 of the most commonly used federal income tax forms.

Publication 910, also available at the library, is the handy Taxpayer's Guide to IRS Information, Assistance and Publications. This publication contains useful year-round tips on how to obtain tax information.

Taxpayers wishing to receive recorded tax tips via their telephones can pick up a brochure on Tele-Tax Publication 1163. The brochure lists various tax topics which can be accessed by using either a push button or rotary-dial phone.

Under Volunteer Income Tax Assistance (VITA), the IRS trains volunteers to offer free tax assistance to elderly, handicapped, lower-income and non-English speaking taxpayers, and this is available at Senior Citizen Sites.

As a service for the blind, several of the most needed forms and publications are available in braille and distributed through the Regional Libraries for Blind and Physically Handicapped.

Librarians are not expected to serve as tax experts, the IRS stressed. They will, however, be able to direct taxpayers to these many helpful tax aids.

## Gov. Orr's inaugural called "Encore"

Nearly 6,000 Hoosiers have been invited to participate in "Encore," the Inaugural celebration for Indiana's 45th governor, Robert D. Orr. The Governor's Inaugural Committee has mailed invitations for the swearing-in ceremony, a reception, ball and dinner all to be held Monday, Jan. 14.

The 1 p.m. swearing-in ceremony in the Statehouse is open to the public and will include administering the oath of office to Gov. Orr, Lt. Gov. John M. Mutz, Attorney General Linley Pearson, and Superintendent of Public Instruction Harold Negley. After a reception in the Statehouse rotunda, state officials will hold open houses in their respective offices.

Following the formal swearing-in, the celebrations will begin. A private \$500-a-couple reception will start at 5:30 p.m. in the Skyline Club and last until 7 p.m. when the four newly-inaugurated officeholders and their wives will be transported by horse-drawn carriages to the Indiana Convention Center. Others attending the reception will be transported to the Convention Center via the new Metro trolleys.

The site for the Inaugural dinner and ball, Hall D of the Convention Center, will be decorated in shades of plum, white, silver and blue. These colors will also be featured in a commemorative poster designed for the occasion.

Guests will enter the dinner and ball through a canopied arch, and will be seated to await the arrival of the dignitaries. As the processional begins, the Military Department of Indiana's honor guard, the "White Mice," will escort the four state officeholders and their wives to the head table.

The Inaugural ball is set to get underway at 9 p.m. with Governor and Mrs. Orr dancing the first dance to the music of Jim Edison and his Orchestra.

Admission to the \$500-a-couple reception includes the cost of the dinner and ball. Dinner and ball tickets may be purchased for \$125 a person. Ball tickets are \$25 per person.

Tickets are available by calling Republican State Headquarters, 1-800-382-1087 or by contacting your Republican county chairman.

## Indiana farmers on campaign

Hundreds of Indiana farmers from most counties of the state have entered a campaign to try to get the federal deficit reduced. They have signed pre-printed cards addressed to Congress which encourages their Congressmen and the Administration to reduce the federal deficit through reduced spending.

The farmers point out that interest rates are still too high. At present levels, they prevent full economic recovery in housing, farming, and many other businesses. Lower interest rates will stimulate production, reduce unemployment, and boost the chance for continued economic recovery, the Hoosiers point out.

"As citizens, we cannot live very long beyond our means and neither can our government. Government spending should be reduced rather than resort to increased taxes. My signature tells you I am deeply concerned and will support you in constructive actions that you must take to lower interest rates," the pre-printed card says.

The "Balanced Budget Brigade" campaign concludes January 29-30 when Donald E. Henderson, Indiana Farm Bureau, Inc., national affairs director, will take the cards to Washington where he will join Farm Bureau representatives from other states who also bring cards.

A news conference will feature American Farm Bureau Vice-President, Elton Smith, who is also president of the Michigan Farm Bureau. Smith has been a visitor in Indiana a number of times and has spoken at a number of meetings here. For the "Balanced Budget" push, the American Farm Bureau is trying to arrange visits with President Reagan and Congressional leaders.

## Chrysler repays State

Treasurer of State Julian L. Ridlen announced that the State of Indiana has received a check from the Chrysler Corporation for the amount of \$1,689,180.33, representing interest on the \$32 million loan at 10.5 percent for the period of July 2, 1984 through January 1, 1985. The cumulative total for the loan repayment now equals \$15,942,330.80.

"We are very pleased with the progress of the Chrysler Corporation and their efforts to rebuild this vital industry by maintaining a prompt repayment schedule and periodic certification of compliance with employment levels in Indiana," Ridlen remarked.

In closing on the renegotiated loan for August, 1983, the State of Indiana agreed to lower the interest rate on the \$32 million loan from 15.5 percent to 10.5 percent per annum, as well as extend the life of the loan from July 30, 1985 to July 1, 1986. Chrysler, in turn, agreed to maintain a level of employment within Indiana plants above 9.6 percent of the total number of Chrysler employees nationwide, and to establish a Research and Development facility at the Indianapolis Shadeland Avenue plant to manufacture 1985 model-year wiper blade motors and assemblies. Ridlen stated that the corporation is continuing to uphold its pledge of employment levels in Hoosier plants, and that the Research and Development facility is currently in full operation.

## Unemployment up

Indiana received 5,733 more unemployment insurance claims in the week ending December 22, than in the previous week, the state Employment Security Division said in its weekly report.

Claims received during the week totaled 76,329, said Tom Miller, director of the employment security division.

## Local Jaycees to help with Cerebral Palsy benefit

Indianapolis - In 1985, some 7,000 infants throughout the country will be born with Cerebral Palsy and another 1,500 will acquire the condition as a result of injury or infection, such as influenza meningitis, one of the leading causes of Cerebral Palsy.

Presently, nearly 700,000 people across the United States are affected by the condition with 20-25% of preschool children acquiring Cerebral Palsy as a result of influenza meningitis infection, ending in a high mortality rate among preschool children, especially those under two years of age. What's more, children surviving the disease are extremely prone to brain damage.

Research commitments for the UCP Research and Educational Foundation for fiscal 1985 is \$1,083,000. Funding will go to research as well as the development of a vaccine to curtail influenza meningitis be available for limited testing sometime within the next year.

To begin the new year with increased awareness, a Joint Resolution requesting the President to designate January 1985 as "National Cerebral Palsy Month" has again been passed in the United States Senate and House of Representatives.

Effort is made to continue these national projects through the 1985 "Weekend with the Stars" Telethon for Cerebral Palsy on January 12 and 13. The twenty-one-hour entertainment extravaganza, featuring talent from Broadway, Hollywood and television, will highlight taped segments showing many of the latest developments in UCP research. The telethon will be broadcast, locally, on Channel 21 WPTA, starting at 11:30 p.m.

Locally, people wishing to donate to the Cerebral Palsy effort, may call the phone center at the Jaycee Clubroom, 202 E. Main Street, North Manchester, beginning Saturday night at 11:30 p.m. through 7 p.m. Sunday.

The Jaycees, headed up this year by J.P. Freeman, will take phone pledges throughout the telethon at 982-4005. Last year the group raised nearly \$400 in support of statewide programs and services for over 20,000 Hoosiers with cerebral palsy.

## Bowen Center offers three programs for family living

The Consultation and Education Department of the Bowen Center for Human Services presents three January opportunities for exploring and improving family living.

"Tuning Up Your Parenting Skills", will be taught at the Huntington Hospital at 6 - 7:30 p.m. each Wednesday evening January 9 thru 30. This class will be taught by Dr. Kenneth Eskow, Psychologist at Bowen Center's Huntington office. Dr. Eskow received his doctorate in psychology from Indiana State University and has an extensive background in marital and family counseling. As a father of three children, Dr. Eskow will provide many practical insights to tune up your parenting skills.

Being a parent is probably one of the most frustrating, confusing, difficult yet rewarding experiences most of us will have. Although parenting is one of the most important tasks in life, many of us receive very little education or training for assuming this significant job. Dr. Eskow will focus on such areas as - understanding your child's behavior, the art of encouragement, communication which involves listening and talking to your child, natural and logical consequences of discipline that develops responsibility and meets parental goals. These one and one-half hour sessions will provide instruction but will also give valuable opportunity for discussion of questions that participants find most urgent.

"Interacting With Your Teen," will be taught in the Video Studio of the Bowen Center in Warsaw, 6:30 to 8 p.m. each Wednesday, January 9 thru 30. Mr. Donald Wilka, ACSW, Director of Youth Services at the Center will be the instructor. Mr. Wilka has had ten years of experience working in treatment programs for children, adolescents and their families. The teen years are not easy for young people or their parents. There is trouble communicating feelings as well as thoughts, and there is difficulty agreeing on "limits", and on what freedom and responsibility is expected by youth or their parents. Understanding the behavior of adolescents, looking at expectations of parents as to how realistic they are, learning to listen and to express thoughts and feelings more clearly, looking at ways of disciplining that give opportunities for responsibility and individual decision making, all will be a part of this class. Besides lectures there will be ample opportunity for parents to raise specific questions that may be of concern of interest.

"Coping With Divorce and Separation" will be taught from 6 - 7:30 p.m. each Thursday beginning January 17 and continuing thru February 7, at the Trinity United Methodist Church, 425 So. Michigan St., Plymouth. Betsy Starkes, ACSW and therapist at the Plymouth office of Bowen Center is the instructor. Betsy has had experience counseling with youth and children as well as with families.

It is no secret that the number of divorces in our culture has increased significantly. Although society has become more accepting of this "fact of life" it must be recognized that separation and/or divorce are stages of development that about half of all adults will sometime be forced to face. For most individuals divorce is a very powerful experience which at worst can be devastating and at best will require major revision in life goals, expectations and personal identities. Miss Starkes will deal with the emotional impact and the different feelings that hit when separation or divorce come. A look at the stages of separation, the importance of communication, the impact of divorce on children, the decision to let go and be open to new relationships will all be a part of this study. Besides instruction there will be valuable time given for discussion of special concerns that participants are experiencing.

Pre-registration is required for each of these classes as a minimum of ten is necessary for each class to be taught. You may register by writing the Consultation and Education Service of Bowen Center, 850 North Harrison Street, P.O. Box 497, Warsaw, IN 46580, or by calling 267-7169, ext. 279, or toll free 1-800-342-5653, ext. 279. The Bowen Center seeks to provide opportunities for working at personal and family growth and for focusing on problems of living which can be solved by developing insights about them and making decisions for the benefit of all who are involved.

In addition to classes Bowen Center provides therapy and counseling services by a well qualified staff of psychiatrists, psychologists and counselors to work with persons with individual or family concerns. Persons may call 1-800-342-5653 or 219-267-7169. The therapist on call will help in referring the caller to the staff person best trained to meet his/her need.

Ideas are a dime a dozen, but success is the ability to put an idea across.

### TAKEN FROM THE AKRON-MENTONE NEWS JANUARY 8, 1970 15 YEARS AGO

Hampered by sub-zero weather, firemen from Akron and Pleasant Township (Wabash Co.) fought a blaze Wednesday that destroyed the Doug Bailey home in Disko. The house was completely destroyed. The family managed to save some furniture. Firemen said the fire apparently started in the area of the chimney.

Bob Herendeen is described as "King of the Pitts Special" in an article by Kenneth Don Wilson in the December, 1969, issue of *Sport Flying*. The seven page article, complete with black and white and colored pictures of the champion flyer, also includes diagrams of his Pitts Special aerobatic plane that recently carried him to the number one title in the U.S.

Herendeen is also pictured with his father, Allen Herendeen, at the Mentone Airport, which comes in for its share of credit in the article.

Maurice Dorsey was elected chairman of the Kosciusko Co. commissioners Monday and Frederick Gilliam was named vice-chairman.

Reappointments included: Robt. Rasor, co. attorney; Berton Retz, co. highway engineer; Edw. B. Funk, co. service officer; Henry Hackworth and Ralph Wetzel, courthouse janitors, and Mrs. Beatrice Weller, courthouse matron.

Salaries of those operating county dumps were raised \$400 per year and contracts for county highway equipment were awarded.

The Beaver Dam Home Demonstration Club met at Teel's Restaurant for their Christmas party. The dinner party was given by Winnifred Summe. Mrs. Willis Bowen read the poem of the month and the pledge to the American Flag was given. The meditation was given by Mrs. Bowen and all sang "Silent Night." Mrs. Summe then installed the officers for the coming year: Mrs. Bowen, president; Mrs. Faye Smith, vice-president; Judy Cumberland, secretary; Imo Tucker, treasurer; and Clara Yeaman, reporter. Gifts were then exchanged and secret pals were revealed as each one opened their gifts. Secret pals were drawn for 1970 and club was dismissed by repeating the Club Collect.

Workmen began the task of installing a new front on Corner Drugs, formerly Denton Drugs, in downtown Mentone. The remodeling is being done by Bob Bowen, who, with Mr. and Mrs. Robert Hibschan, recently purchased the business from Mr. and Mrs. Glen Denton who had owned it for 25 years. Eldon Rager a graduate of Akron High School, joined the firm this week as the pharmacist.

The Youth Group of the First United Methodist Church of Silver Lake and the South Pleasant Methodist Church had a Watch Night Party. A film on the state of Louisiana was shown by Mr. Owen Frey followed by an inspirational program "Our Lamps Are Burning Low." Refreshments were served.

### TAKEN FROM THE AKRON-MENTONE NEWS JANUARY 9, 1975 10 YEARS AGO

Alma and Tom Haupt continue to lead scoring in Akron's Bridge-A-Rama. They have accumulated 17,780 points and are trailed by Jenny Moore and Dora Shewman with 16,570 and Bud and Betty Harris with 16,220.

Melinda Meredith was elected president of the Burket Busy Bees 4-H Club at a recent meeting. Elected to serve with her were Kim Nelson, vice-president; Steph Nelson, secretary and treasurer; Dorothy Hathaway, song leader; Donald Hathaway, devotion leader; Loni Parks, health and safety; Darlene Hathaway and Penny Nichols, recreation, and Diane Hathaway, reporter.

Pledges were led by Kim Nelson and Diana Hathaway. Donald, Darlene, Diane and Dorothy Hathaway served refreshments.

The Country Print Shop at Bourbon has been sold to Mr. and Mrs. Thomas Harman, Mentone, and Mr. and Mrs. Terry Hogue of Bourbon by Mr. and Mrs. Artley D. Cullum, Mentone.

The Cullums, who have owned the print shop since 1941, moved it to Bourbon from Mentone in 1963 where they have operated it in conjunction with the *Bourbon News-Mirror*. The Cullums, Mr. and Mrs. Jon Cullum and Mr. and Mrs. Thomas Harman have retained ownership of the *News-Mirror*.

Mr. and Mrs. Harry Sullivan, Mr. and Mrs. Chet Smith and family, Mr. and Mrs. Howard Horn, Esther Wise and Sandra, Mr. and Mrs. T.R. Jones and Kent and Jim, Teresa Yazel and Mr. and Mrs. Howard Clipp of Elkhart attended a program presented in Warsaw by a group of young people from Muncie.

Tri-State Harvestore, Silver Lake, was robbed of seven heart-shaped lockets and \$222 in cash sometime Thursday night or early Friday morning. The stolen merchandise and money were in a safe which was opened with an acetylene torch, according to investigating officer who said the intruders also used hammers and chisels. The business is owned by Rex Parker, Silver Lake, and Marion Vaughn, New Haven, and is managed by Bernard Hilger.

Mr. and Mrs. J.D. Leiter hosted the following to a dinner recently, Mr. and Mrs. Jesse Hughes and Lori, Syracuse; Mr. and Mrs. Robt. Leiter, Sr., Mr. and Mrs. Robt. Leiter, Jr. and Scott of South Bend; Mr. and Mrs. Harold Forbes and Rex, Mr. and Mrs. Mike Forbes and Stacey, Wabash; Mr. and Mrs. Frances Volland and son, Silver Lake; Mr. and Mrs. Richard Leiter and sons, Mr. and Mrs. Tommy Leiter and Lisa, Warsaw; Mr. and Mrs. Dick Moyer and children, Akron; Mr. and Mrs. Dave Leiter and family, Etna Green and Frank Merkle, Claypool.

Twenty thousand workmen worked 15 years to build the Taj Mahal. It is made of white alabaster.

A great bathroom cleaner is rubbing alcohol. It removes soap film and leaves no water spots.

I would like to thank everyone for the cards, flowers, prayers, visits, gifts and all other kindnesses shown me during my stay in the hospital and since returning home.

### A Prayer for the New Year

God grant us this year a wider view.

So we see other's faults through the eyes of you.

Teach us to judge not with hasty tongue,

Neither the adult nor the young.

Give us patience and grace to endure,

And a stronger faith so we feel secure,

And instead of remembering help us forget,

The irritations that caused us to fret.

Freely forgiving for some offense,

And finding each day a rich recompense.

In offering a friendly helping hand,

And trying in all ways to understand,

That all of us whoever we are

Are trying to reach an unreachable star.

For the Great and Small,

the Sad and Glad,

The Young and Old, the Good and Bad,

Are asking today, Is Life Worth Living?

And the Answer is only in Loving and Giving

For only Love can make mankind

And kindness of Heart brings Peace of Mind

And by giving love we can start this year

To lift the clouds of Hate and Fear.

Senior citizens Blood Pressure Clinic will be held

Thursday, Jan. 10 through the services of Ruth Bammerlin. Also all January

birthdays will be celebrated the same date. We would like

to thank Mary Mitterling for having us in her home Saturday morning for brunch. A

## Financial Aid Awareness Week set for Jan. 13-19

January 13 - 19, 1985, has been proclaimed Financial Aid Awareness Week by Governor Robert D. Orr. If you are interested in a college, university or technical education but cannot pay the entire cost, you may be eligible for federal, state, or local financial aid. Grants, loans and work-study programs are awarded on the basis of demonstrated financial need and/or merit, college cost and availability of funds. They may be used for part-time or full-time study.

Two major grants include: the State Student Assistance Commission of Indiana Higher Education and Freedom of Choice Awards, offering assistance towards tuition and fees for Indiana residents attending eligible Indiana Institutions; the federal Pell Grant offering up to \$1,900 per year towards educational expenses at over 7,000 post high-school institutions throughout the United States. Three federal campus-based programs include the Supplemental Educational Opportunity Grant (SEOG), providing up to \$2,000 annually, College Work-Study (CWS), allowing part of the educational expenses to be earned through work, and the National Direct Student Loan (NDSL), paid back at 5% interest starting six months after leaving school. In Indiana, all five programs may be applied for by completed the Financial Aid Form (FAF) and an institutional aid application if required. Applicants should apply prior to March 1, 1985, for the 85-86 school year.

Two other loan programs are available through direct application to participating banks. The Indiana Guaranteed Student Loan Program charges 8% interest which starts accumulating when repayment begins six months after leaving school. The Parent Loan for Undergraduate Students (PLUS), allows parents of undergraduate students, independent and graduate students to borrow at 12% with repayment starting immediately.

During Financial Aid Awareness Week, most communities, high schools and colleges will be sponsoring financial aid presentations. For deadlines and more specific details on federal, state, and local financial aid programs or to pick up applications, contact your local high school or the financial aid office of the institution you plan to attend.

## Offer energy assistance

Public Service Indiana will offer energy assistance again this winter to low-income customers who are elderly or disabled. Applications for the Helping Hand program, conducted in cooperation with the American Association of Retired Persons and funded by PSI shareholders, now are being accepted at company offices.

Under the plan, PSI applies \$1 against an eligible individual's electric bill for every \$1 supplied by the customer or a sponsoring agency. The maximum matching fund assistance offered is \$40 per request. Participants must be verified as eligible by any church or community organization that is an approved Helping Hand sponsor.

### Vikings crush Southwood

The Vikings in a continually physical evening last Friday defeated Southwood 67-57 to raise their record to 5-2 on the season and 3-1 in the Three Rivers Conference.

The Vikings opened with the first four shots and jumped to a 10-0 lead before Southwood scored its first basket with 4:30 left in the first period. Valley allowed Southwood nine turnovers in the remaining minutes to allow Southwood to come within six at the end of the first quarter, ending at 16-10.

During the second period, Valley turnovers and a 10-for-11 free throw advantage gave the Knights a lead of 21-20, but Kenny Johnson's two baskets and a free throw

gave the Vikings a lead which they did not relinquish.

Points scored by quarters were: Valley, 1st - 16, 2nd - 20, 3rd - 17, 4th - 14; Southwood, 1st - 10, 2nd - 22, 3rd - 11, 4th - 14.

Chad Bibler came up with 17 points and seven rebounds. Dale Miller added another 10 and Shawn Cumberland had eleven in the evening's play.

Leading the Knights was Jim Winget with an 18 point and 11 rebound action. Tim Johns scored 15 points for the Knights, and Terry Summers added another 12 for his team.

The Viking B-team won their game 57-44.

### Valley Freshman undefeated

The Tippecanoe Valley freshman A and B boys basketball teams remained undefeated this season by upsetting Warsaw last Thursday in a pair of three-point victories.

The Vikings won the A game 34-31 by running out to a 12-2 first quarter lead and surviving the charge of the Tiger team in the final period. The B-team victory ended on a 39-36 finish.

Steve Holloway led Valley's A team with 12 points, 10 rebounds and four steals, while Roby Potter

gained seven points and Randy Cumberland helped with four assists. The Vikings are 6-0 for the season.

The Viking freshman B squad was helped to victory with 12 points and three assists by Brian Peterson, 10 points from Dustin DuBois and Jeff Tucker's nine points and seven rebounds.

Warsaw 4-2, was led by Chris Landis' 14 points and Matt Johnson's seven.

The Vikings travel to Manchester for their next tilt.

### Girls win

Allison Clampitt scored six field goals and ten free throws against the host North Miami team Wednesday evening to help her teammates, with her 22 points, gain the advantage over the opponents of 61-53 in the Three Rivers Conference game. This win improves Valley's record to 5-6 overall and 3-2 in the TRC standings.

Scoring during the rest of the evening was evenly balanced as nine of the twelve Valley players scored between eight and two points each. Three of Valley's starting five fouled out during the

evenings play. Tonya Johnson tallied eight and Amy Jamison added seven. Beth Oliphant scored 20 points as the high point lady for N.M.

End of first quarter play saw the Vikings with a 15 point advantage, by the half, this was cut to a ten point lead. Third quarter play saw the Vikings score 20 points to North Miami's nine, but coming back in the fourth quarter, North Miami, playing catch-up, hit 22 points to Valley's eleven.

## Instead of weight you lose your money

Maybe you got a little carried away with the season to be jolly and in true holiday spirit you gained ten pounds. To ease your conscience, on New Year's Eve you vowed to lose your excess weight.

The holidays are over and as you plan to start dieting, panic may easily set in. Attorney General Linley Pearson advises those who want to lose weight, not to buy the first weight-loss measure that promises fast and easy weight reduction.

"Instead of losing pounds, all you may lose is your money," Pearson said of some products on the market that profess wraps that "melt" away fat, or diet pills that allow you to eat whatever you want and still lose weight, may get your attention, but probably won't get you thin.

Rubber sweatsuits and wraps have no effect on fat deposits and will not dissolve fat, even temporarily. In fact, such treatment may cause a loss of inches and perhaps pounds due to heavy sweating, but reductions are only temporary. The fluid is soon replaced by eating and drinking. Such a rapid and excessive fluid loss can bring on severe dehydration and can upset the balance of essential chemicals in the body.

Diet pills can also cause dehydration, and many have high caffeine levels which can be very dangerous. The FDA has investigated many of these products and found that some users have complained of nausea, vomiting, diarrhea and stomach pains. The pills are especially hazardous to diabetics and people with heart problems.

Pearson advises the serious dieter to invest in a good, balanced, lower calorie diet, and a pair of walking or running shoes, instead of spending money on "get slim quick" products which may not work at all.

If you feel a diet product has taken you in, instead of taken your fat off, call Attorney General Linley Pearson's

MENTONE'S TOWN BOARD meets in regular session for the first meeting of the new year to appoint department heads and members of the local boards, discuss and approve pay raises, and take care of several issues before them. Shown during discussion of delinquent water bills are Board President Jim Miller, Trustee Miriam Boardman, Clerk Kate Whetstone and Trustee Wayne Tombaugh.

## Mentone Board re-appoints department heads, gives raises

All department heads and other town appointed boards will remain the same for the year of 1985, the members of the Mentone Town Board decided during their first meeting of the new year. Mentone's Board met in their regular session Monday, January 7 to discuss some unfinished business, and get ready for the year's onslaught of new business.

Clerk Kate Whetstone read the minutes of the special meeting of December 3rd and the minutes of the regular meeting on December 17, which was the re-organizational meeting.

Department heads appointed again this year were Russell Hart, Town Marshall and Rod Holloway, Superintendent for the Water Department. Billy Steele was rehired as the town meter reader.

Non-remunerative positions for the town are: Public Service Board, the board which sets the water rates - Town Board members, Miller, Boardman and Tombaugh; Aviation Board - Dr. Wymond Wilson, William Ettinger, Don Smythe, Lois Miller; Park and Cemetery - Rosemary Bazini, Rosalind Mentzer, Annabelle Mentzer, Bob Whetstone, Darrell King, Wayne Tombaugh and Marian Smith; Zoning Board - Forrest Kantner, three years; Joe Good, three years; Kenny Romine, two years; Charlie Smith, one year. The Planning Commission is composed of Jim Miller, Miriam Boardman, Wayne Tombaugh, all three years; Eldon Horn, two years; Willard Wagner, one year. Darrell King was appointed as Sexton for the cemetery. Lee Bazini was to be asked if he would continue as legal council again this year.

Board President Miller stated that the Park and

Cemetery Boards should have two new members appointed. A new appointment was made to the Zoning Board during the meeting, depending on acceptance of the appointment; Jo Gamble will be asked if she will take a position on the board for a period of four years replacing Jerry Smith who went off the board at the end of 1984. There will also be a new appointment to the Planning Commission in the near future, to take the place of Wayne Bowser whose term on the commission ended last year.

### Marshall's Salary Raised

During the session on appointments, the Board members inquired of Marshall Hart if he would be satisfied with his salary of \$14,000 again this year. Hart replied that he had understood that if the board did not hire a deputy for the police department, they (the board) would increase his salary by \$2,000. President Miller said he thought Hart should have a raise of at least \$500, but Hart came back with the fact that \$500 would only be around a 3% raise, and he had not had a raise in salary since he was hired as Marshall. Hart noted that he was promised a \$500 raise at the end of his probationary period and had received none.

Clerk Kate Whetstone stated that the budget now includes the provision for Hart's salary of \$14,000 plus \$4,000 for reserves, and the total budget for the police department included \$27,067 for the salaries of Marshall and Deputy Marshall plus dispatcher. Of this amount she said \$23,000 has already been spent including approximately \$3,000 for phone bills for the department.

## Bank holds open house

The Mentone Branch of the Lake City Bank will be celebrating its First Anniversary with an Open House to be held at the bank on Friday, January 18.

The branch opened its doors for business in January 1984, and would like to express its appreciation for the fine business it has enjoyed since that time, so stop in and see Charlie and the others and enjoy some refreshments provided for the celebration. The bank is open on Friday from 8 a.m. to 6 p.m.

## Mobile home destroyed at Talma

Fire destroyed a mobile home at approximately 12:30 p.m. on Co. Rd. 700 North, 1/2 mile east of Talma. The home was owned by Janice Ginn and occupied by Jeff Wentzel. Wentzel was at work at the time of the fire.

Damage was approximately \$20,000 to the home and contents, and was blamed on frozen water pipes being thawed at the time of the fire. Firemen from Mentone and Rochester were on the scene approximately two hours.

## 4th Committee asks suggestions

As Akron's Fourth of July Committee begins planning their activities for this year's Fourth of July Celebration in Akron, they have decided to get some input from the people in the area to get ideas for the events, music, etc., which go to make up the days activities.

If you have any suggestions for the Committee as to what this year's Parade Theme should be, entertainment you might like to see (for any or all ages), the type of music for entertainment you would like (whether gospel, country western, etc.) the committee would be very appreciative of your help.

You may send your suggestions to: Melea Dittman, R. 2, Akron, 46910; Jane Murphy, Box 171, Akron, 46910; or drop your suggestions at Day Hardware or the News Office in Akron.

Below is a blank you may fill in to help the committee get-together all the suggestions. Thank you.

TAKEN FROM THE NORTHERN INDIANA CO-OP NEWS  
JANUARY 17, 1945  
40 YEARS AGO

Mr. and Mrs. Henry Lockridge entertained Sunday evening in honor of Marilyn and Carolyn's tenth birthday, the following: Bonnie Jean Emmons, Romona Goodman, Jackie Blue, Donnageng Dillman, Mary Louise Bare, Carol Peterson, Patty Sue Starr and Delores Julian.

Mrs. Donald Pfeiffer very pleasantly entertained 16 members and one guest at her home Wednesday afternoon.

The new president, Mrs. Delbert Hunter, opened the meeting by singing "America" followed by the pledge to the flag, led by Mrs. Dee Berrier. Blanch Eisert read a poem "Come Out to the Club." Roll call was answered by wise sayings and humorous readings.

A short business meeting was held during which the by-laws were read by Nancy Warren. Letters were read by Harold Emmons and Thomas Sausaman, both serving overseas.

Mrs. Kermit Biddinger, in her own pleasing manner, gave a most interesting book review of "A Tree Grows in Brooklyn." The club collect was repeated in unison and contests in charge of Nancy Warren were won by Mrs. Kermit Biddinger and Blanch Eisert. Refreshments were served by the hostess.

Mrs. Helen Mollenhour was hostess to the Mentone Home Economics club Thursday afternoon, Jan. 11, with Mrs. Ada Meredith as assistant hostess.

The new president was in charge of the meeting, Mrs. Helen Weirick and was opened by the members repeating the club creed, and singing the club prayer, after which the club sang, "America the Beautiful." The roll was then called and was responded by a New Year's resolution by each club member. General topics of business was discussed and a paper read by Mrs. Esther Sarber, "The Outlook for 1945." A committee was then appointed to help complete the books for the year's program. Mrs. Mary Smith gave a talk on Red Cross work. She insisted that the club do more work for the benefit of the boys in service.

There were 13 members and two guests, Mrs. Lyman Mollenhour and Sue Borton, present.

Mr. and Mrs. Everett Rathfon, assisted by Mr. and Mrs. Noble Oylar entertained the members of the Winners class of the Baptist Church Friday evening in the church basement.

Refreshments were served and the meeting adjourned to meet in February with Mr. and Mrs. Sherman Bybee.

TAKEN FROM THE MENTONE NEWS  
JANUARY 13, 1965  
20 YEARS AGO

The Jolly Jane Home Ec. Club met at Loizers Restaurant Monday evening for their anniversary dinner.

After the smorgasbord dinner, a game "Search Me" was played with Mrs. Raymond Lewis winning the prize. Dirty bingo was played the remainder of the evening. Mrs. Towry Jacks won the door prize.

Present were Mesdames Wayne Baker, Wayne Bowser, Ora Carmean, Elias Bazini, George Welch, Towry Jacks, Kenneth Romine, Frank Hardesty, John Ellsworth, Hap Utter, Al Hatfield, Loren Tridle, Jim Romine, Raymond Lewis, Jim Miller, Russell Eber, Dick Gross, Harold Markley, Del Nelson, George Mollenhour and Annabel Cole.

The Mentone cheerleaders received a trophy at the county tourney which is awarded annually and which is based on various aspects of cheerleader and student body participation. It had previously been won by Claypool for four consecutive years.

The Mentone cheerleaders are Judy Decker, Sherry Bryan, Connie Smythe, and Dena Nellans.

The Pleasant Valley Community Club met January 6 in the home of Mrs. Kermit Biddinger with 19 members and two guests, Mrs. Betty Torrence and Jay DeMien, present.

Mrs. Delbert Hunter, president, opened the meeting by reading the poem, "New Year." Accompanied by Mrs. Biddinger on the piano, Mrs. Patsy Utter, chorister, led the group in singing, "Reuben and Rachel" and "Circibirabee."

## Crafts topic of lesson

"Country Crafts" was Carol Davis' topic when she met with the Akron Women's Club Jan. 3 in the Akron Public Library basement. Mrs. Davis owns and operates, with her husband, Ted, the Dandy Angle Craft Shop at Rochester.

The new quilt she displayed featured the Shoofly and Nine-Square patterns in "scrap basket" prints. Beginner quilting classes began Jan. 8 at the Dandy Angle. Participants will complete a crib quilt, Mrs. Davis stated.

A large selection of hand-

made baskets were discussed. Other crafts included stencil painting, knitting, crocheting, needlepoint, candlewick and latch hook. "Invocation" had Rozella Tinkey at the piano. Brenda Malbone gave devotions from "The Innermost Room" and closed with "A Confederates Prayer." Alma Haupt gave the treasurer report and Judith Hill presided.

Hostesses, Juanita Boswell, Vera Butt, Jan Hodges and Mrs. Malbone served slices of German Chocolate cake and coffee. The club will meet Feb. 7. Other up-coming events include reciprocity day with Rochester Women's Club

March 25, and Fulton County Federated Clubwomen's Convention in Akron March 4.

There's two things that lead to error: a speaker with a loud voice and one with deep emotion.

Despite the short routes and quick cures, there's no easy way to anything that is worth very much.

Wouldn't it be nice if everyone was rewarded fairly for the job done, and bosses and employees were all happy with each other?

Mr. and Mrs. Sid Leininger and daughter Joanna entertained several relatives Sunday in honor of Mr. Leininger's 50th birthday. A community dinner was served at noon to the following guests: Mr. and Mrs. Onis Leonard of Frankfort, Mr. and Mrs. Rulo Harmon and daughters of Atwood, Mr. and Mrs. Clarence Leininger and daughters and Miss Eloise Kessler of Mentone, Mr. and Mrs. Olive Leininger and son Carl, Mr. and Mrs. George Bright, Mr. and Mrs. William Leininger and son, Mrs. Omer Leininger, Mrs. Dan Slaybaugh and daughters and Mr. and Mrs. Ralph Tucker.

Guy Hill and Norman Swihart are suffering considerably from injuries received Tuesday night when they were in a wreck which happened between Kokomo and Peru.

Guy was driving his car on the return trip from Kokomo when the accident occurred. Something seemed to go wrong with the steering apparatus, it is reported, and the car rolled over several times before it stopped.

Both men suffered cuts and bruises and the full extent of their injuries is not yet known. Akron's basketball team, accompanied by their coach, Mr. Deardorff, and Mr. Pontius, John McFarland, Claude Billings, Bob Berger and Harry Edward Bradley, saw the Purdue-Northwestern basketball game at Lafayette Monday night.

The boys who made the trip were Don Utter, Dale Sheetz, Ned Smith, Chick Gast, Cleotis Daine, Everett Zink, Wilbur Landis, Ralph Maby, Phillip Krieg and Robert Werner.

The Reverend D.L. Slaybaugh went to Anderson Tuesday where he assisted a committee in arranging the program for the Indiana Ministerial Convention in Anderson April 8-10. The Reverend Slaybaugh was accompanied by Eli Greig, Johnaun Leininger and Wayne Tombaugh. Miss Leininger will spend a few days in Anderson visiting Miss Ciella Greig. Mrs. Nellie Scott and son, Andy Lee returned with the Reverend Slaybaugh and will visit relatives here this week.

Members of the Henry township Farm Bureau were installed Tuesday at the Little Pigs, cafe in Rochester. Local officers are Wayne Reese, chairman; Myron Van Lue, vice-chairman; and Orville Ellis, secretary-treasurer.

The new county president is Leo Thompson, a former Akron area resident. Larry Gearhart, co-owner of the local Gearhart Super Market, this week sold his interest in the business to his brother and partner, Harold Gearhart, who will assume total ownership of the local store.

Larry Gearhart has purchased the Clover Farm Store in Fulton and will operate the store under the name of Gearhart's Super Market. He and his wife, the former Donna Beckon, and their three children, plan to move to Fulton after school is out in the spring.

There are now four members of the Gearhart family who own grocery stores. They are: Harold, Akron; Larry, Fulton; Roger, Royal Center; and Dick, Winamac.

Mrs. Ed Shewman entertained the Twelvette Euchre club at her home Wednesday night. Prizes were won by Mrs. Dale McFarland, Mrs. Keller Hartman and Mrs. Henry Hartman.

Other guests were Mrs. Otto Groninger, Mrs. Don Love, Mrs. Joe Day, Mrs. Freda Fetrow, Mrs. Anna Huppert, Mrs. Harold Groninger, Mrs. Cleotis Daine, Mrs. Charles Moore, and Mrs. Elmer Lewis.

Professor Wayne Snider of Grace College, Winona Lake, addressed members of the Las Donas Jr. Women's Club Monday night in the home of Mrs. John McKee. He showed a film narrated by Herbert Philbrick and conducted a long question and answer session following the film. The film and his answers both stressed the fact that socialism always precedes communism.

The remainder of the evening was spent conducting a business meeting and socially. Members attending were Mesdames Gene Alger, Jim Bickel, Rex Bowen, Gary Brown, Robert Cumberland, Fred Haney, Jr., Max Helvey, Tad Henderson, Randall Leininger, Gary Luckenbill, Neil McKinney, Jack Miller, Fred Ogle, Loren Sheetz, Marvin Thompson, Bob Stout, Robert Troyer, John Zimmerman and Lyle Edenburn.

**FAMILY AND FRIENDS** gathered at Canterbury Nursing Home, Rochester to help Frank Gearhart celebrate his 100th birthday on Friday, January 11th. Shown with Frank are his children (not in order): Opal Gearhart, Ray, Floyd, Harold, Donald, Max, Bill, Larry, Dick, Roger, Dorothy Alger, Ruth Miller, Sharon Meenan and Joan Harris. He has four children who are deceased, Leo and Leonard and twin daughters who died in infancy.

Mr. Gearhart received many letters and cards from state and national dignitaries including President and Mrs. Reagan, Congressman Bud Hillis, Rep. Raymond Musselman, Clerk of Supreme Court Marjorie O'Laughlin, Governor and Mrs. Robert D. Orr, Lt. Gov. John Mutz, State Treasurer Julian Ridlen, State Senator Wm. F. Justice, State Attorney General Linley Pearson. He received a special resolution from Edwin Simcox making him an honorary Secretary of State. A special letter was sent by Charles Halleck honoring Mr. Gearhart's 100th.

## Memorial for Mary Jane Hill

Bell Library in Mentone has recently received a new easy chair and table lamp for their Reading Corner from Valley Furnishings in memory of Mary Jane Hill. Before her death, Mrs. Hill managed the furniture store for owners Jack and Rita (Price) Simpson. The Simpsons chose this way to honor her memory in light of her devotion to the library, and books in general. Mr. Hill is president of Bell Library's Board of Trustees.

In addition to the above remembrance, the library was named, along with Bell Museum, by the family as a memorial contribution recipient. Following is a list of books, reflecting Mrs. Hill's reading tastes, acquired by the library from the donations of her friends and neighbors: The Healing Heart - Norman Cousins; American View - Raymond Waites; Haviland China, Vol. 1 & 2 - Gertrude Jacobson; Camera Collecting - Jason Schneider; Country Furniture - Robert Swedberg; Noritake Collectibles and Price Guide - Lou Ann Donahue; Teddy Bear Catalog - Peggy Bialosky; At Home With Southern Living; The Magazine Writer's Handbook - Franklyn Peterson; Old Car Value Guide - Quentin Craft; Crafts 'N' Things Magazine Subscription; My Dear Grandchildren - Ruth M. Wenger; Cloth Dolls - Johana Gast Anderton; Country Store 'N' More - Robert Swedberg; Kitchen and Kitchenware - Jane Celehar; A Second Look At White Ironstone - Jean Wetherbee; Tins 'N' Bins - Robert Swedberg; Antique Jewelry with Prices - Doris J. Snell; Collectible Costume Jewelry - S. Sylvia Henzel; Victorian Furniture Styles - Book I, Revised; American Oak Furniture Styles - Book II; Collectible Clothing With Prices - Sheila Malouff; Granitware - Vernagene Vogelzang; Hallmark Keepsake Ornaments - Clara Scroggins; Collector's Guide to Sheet Music - Debbie Dillon.

All memorial books are specially marked with a bookplate bearing the deceased's name as well as the donor's name or organization.

## We're Glad You Asked

YOUR QUESTIONS WILL BE ANSWERED HERE

Should My Wife Have A Will, Too?

George E. Deaton

If your wife owns property, solely or jointly, or if she is heir to an estate, she should have a will of her own. This applies in quite a few other cases, too.

Husband and wife may be double victims of a fatal accident. The husband may have designated his wife as major beneficiary in his will. Without the wife's having a will of her own, distribution of her share of the estate will not have been provided for. Her share may be subject to state laws, tying it up for long periods right when it may be needed.

If the wife is a business partner in a family business, it is to the firm's advantage to have its business continuity assured by her having a will.

After the man has made his will, he should discuss with his lawyer a separate will for the wife. Above all, be sure to consult your attorney. We've seen bad situations arise because no wills were made or because they were drawn up by amateurs.

### Mentone Youth League Board Members

Please note and plan to attend the next meeting on Tuesday, January 29, 1985. ALL members are needed so important decisions for 1985 can be made.

# Mentone Board

Continued from page 1

Trustee Boardman asked Miller if they should think about giving Hart \$15,000 and wait longer for the new police car, when Miller noted again about the savings from last year, not having hired a deputy nor a dispatcher.

Trustee Tombaugh then asked Hart if he would agree to an increase of \$1,000 of \$15,000 in salary, with no extra pay for time spent at court. Hart decided that he would do this, but stated that next year, he will expect a larger increase in salary. A motion was made by Tombaugh, seconded by Boardman to increase the Marshall's salary to \$15,000 yearly. Hart was then asked if he would still be the Director of Civil Defense and he replied that it goes along with his position. Hart is also the town's Building Commissioner.

## Steele remains

The board asked Billy Steele, who presently is reading the town's water meters if he would continue in his position, and he agreed. President Miller asked Steele to have the readings done by the 21st of each month, so that the Town Clerk could get the water bills made out on time. Miller also told him he needed to check on leaks, etc., stating that if there is a lot of snow on the ground at the time the meters are being read, Steele would not be required to remove the snow to read the meters, but if at all possible, they should be read, so the readings would be actual and not estimated.

## Good public opinion

Water Superintendent Rod Holloway, a veteran of one year at the job, was given a \$1,000 raise to increase his salary to \$13,000. Discussion of his salary and raise included the fact that he had saved the town money on backhoe work, and has worked extra time on week-ends checking the pumps, has required less supplies and the town's people having a very good opinion of his work. Holloway is the only employee in the Water Department.

Both Hart's and Holloway's raises are retroactive to the first of the year.

## Revenue Sharing

Clerk Kate Whetstone reported to the board that the town of Mentone would receive \$5,233 in revenue sharing in 1985 as opposed to the estimated \$8,000.

## Kosciusko Development Inc.

Trustees discussed the option Mentone has of going along the route of developing the area under the direction of the KDI, or continuing in the present vein to develop the town's economic development prospects on their own via the Planning Commission. KDI is a county-wide economic development planning commission. Trustee Boardman made the comment she thought it was the job of the town board to spend taxpayers money to benefit the local town's people, and going with KDI would mean using the town's tax monies to help develop all of the county, not just the Mentone area. Kosciusko Development Inc. asked for \$1,000 and an advisor from the Mentone area to work on their projects. President Miller stated that the County Commissioners had put in \$30,000 already of the county tax monies and if this is so, part of our money (Mentone's) already gone to them.

Trustee Tombaugh made the statement that he could see no benefit to local people as there is no place to build at Mentone since the town is without a sewer system. Boardman suggested telling the KDI to contact Mentone's Chamber of Commerce. The issue was tabled at that time.

The board in discussing the new trash pickup contract with Stafford and Sons, Warsaw, decided to publish a notice in the local newspaper for several weeks which states (see notice in this issue) that trash pickup will be on Thursday each

week, beginning at 7 a.m. Mentone residents who do NOT want town trash pickup must contact and state that fact to town trustees. You may call 353-7674, 353-7690 or 353-7530 to do this.

## Other Business

Several subjects were considered in the discussion between trustees including the alley work which is planned to begin this Spring; the new Ordinance for Street Signs which attorney Bazini is working on; revenue in the Water Department; delinquent water bills.

Marshall Hart requested that he be allowed to lock the front doors to the town hall on Saturday a.m. and keep them locked unless he is on duty through Sunday, to stop the vandalism being done in the public restroom area. He was told he would have to contact the Fire Control Board.

Holloway reported that the newest portable suction pump needs work and he was told to check on the cost of rebuilding it, and on the cost of a new pump.

## Old Business

Board President Miller reported that he had been

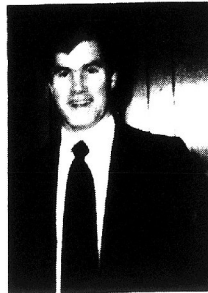

contacted by Dowden Communications of Illinois, the company requesting to bring cablevision into Mentone. They stated that they plan to be started on the project this Spring. Miller was asked to contact Mike Stephen of Akron, who had requested to provide the service, and inform him of Dowden's continuing interest.

Discussion of the continuing drainage problems in the area at the North edge of town, brought the news that Charles Lynch of the County Drainage Board had been called and was to be in the vicinity soon to check on the problem.

The next meeting of the Mentone Town Board will be Monday, February 4, at 7 p.m. in the town hall.

## "Transformed Life"

"The Transformed Life" will be the theme of a Gospel concert given by Wes Compson, Winona Lake, In. on Sunday evening, January 20,

Wes Compson

1985 at the Silver Creek Church of God. Wes shares such songs as "He's Alive", "It is Well With My Soul", and "Praise The Lord", and many others, as well as his own personal testimony. For over six years in high school and college, Wes was a confirmed alcoholic, which

spoiled a promising athletic career in college, ruined his chances for a possible baseball career, tore his family relationship apart, and almost cost him his life.

He tells about that life in detail and more importantly how Jesus Christ set him free from his alcoholism and gave him a real love in his heart for his parents.

Wes traveled for over three years in full-time evangelistic work, doing solo work, Christian television, giving his testimony to over 50,000 public school students, and working with kids with drug-related and other problems. He holds a B.A. Degree from Judson College, attended Taylor University, received most of his

Bible training from Moody Bible Institute in Chicago, Ill. and has spent three years as a Youth Pastor and Christian School teacher. Wes and his wife Pam, have two children. Pam also travels and sings with him.

He will also be conducting alcohol-abuse assemblies in Warsaw Middle School, Freshman High School and High School January 28, 29th and 30th, respectively. The evening of the 30th he will hold a parent session on "Alcohol and your Child" at 7 p.m. at Warsaw High School. The public is invited.

## Letters to the editor

On Dec. 22, 1984, 269 food and toy baskets were delivered to needy families in Rochester, Akron, Athens, Kewanna, Fulton, Leisters Ford, Delong, Kings Lake, Grass Creek, Monterey, Silver Lake, Disko, Macy and Talma.

This annual project is sponsored by United Ministries of Fulton County, but is truly a community effort. Donations of food, money and time are given by community-wide churches, sororities, fraternal organizations, schools, businesses, scout groups and volunteers. Over \$7,607 was donated for the purchase of perishable food items, infant vitamins, and toy repair supplies.

Hundreds of toys and stuffed animals were donated for distribution to the families with children. The toys were collected in the building owned by Dr. Ken Hoff. Members of the Retired, Senior, Volunteer

Program, under the direction of Edith Hastings, made repairs and cleaned the toys; other volunteers joined to wrap and pack the toys. Wrapping supplies were provided by the Rochester Lions Club, Baxter Drugs, Hardesty Printing, Shultz Brothers and B & B Store.

Food items were collected at Sroufe Nurseries by Sigma Phi Gamma Sorority with Beth Mooneyhan as chairman. Mark and Joyce Sroufe also provided space for the packing of the food boxes. The sorority members, as well as other community volunteers, packed the boxes using nutritional guidelines provided for each size family. Boxes were provided by Sunoco Products of Akron. Collection boxes placed throughout the community were checked weekly for donations by the members of the Come Join Us Class of Trinity United Methodist church, Mel Harton, and

Jeanie Shuey.

Special food items, including fruit, potatoes, milk, bread, chickens, canned goods and other nutritional foodstuffs, were ordered according to the number of families by Ada Miller and Jack Townsend. They also received donations of 214 gallons of milk from Deans Milk; 270 loaves of bread from Dick Wappenstein at Wilt's Main Street; several hundred bags of cookies and 100 loaves of bread from Jack Townsend at IGA; 100 loaves of bread from Butternut; and a discount on the purchase of baby vitamins from Baxter Drugs. Hart Schaffner and Marx, Torin and Auto Works donated boxes of bathroom tissue.

After all names were screened as to the need by the Screening Committee -- Kathleen Rankin, Bob Gottschalk, Nancy Riddle and Gene Thompson -- they were routed according to where the family lived. By having an organized route, each delivery person can deliver his baskets without backtracking, saving time and gasoline. Walter Miller used his personal computer again this year to do the routing. He was assisted by Bill Calvert, Earl Barkman, Don Metzger and Leroy Eshelman.

The delivery of the baskets worked more smoothly this year when volunteers from outside of the Rochester area were asked to deliver in their own areas. Those heading the outside Rochester area delivery were: Leisters Ford Lions Club, Bob Metzger and May Williams; Kewanna-Grass Creek Lions Club, Vincent Berwanger; Akron Lions Club, James Malbone; Talma-Newcastle Township Lions Club, Sid Alber, and the Fulton Lions Club.

George Krom III was the chairman for the delivery with the assistance of Jim Barkman, Rochester Optimist Club, Rochester Jaycees, Rochester Rotary Club, Fellowship of Christian Athletes, plus many other community volunteers.

Monies that were not spent for the Christmas baskets have been placed in the United Ministries Food Pantry Fund, which provides

food for needy families throughout the year. The United Ministries also sponsors a Clothing Center for the needy. It is located next to Fretz Abstract Co., 116 1/2 E. Eighth St., Rochester.

Only through the kindness of these volunteers could this project be successful. We thank each and every one of you who helped in any way. Your generosity is greatly appreciated.

Chairman,  
Christmas Baskets

## LETTER TO EDITOR

### GOOD MORNING!

The swimming pool at Tippecanoe Valley is a compliment and an asset to the community and to the taxpayers who are paying for and maintaining it. Making it available to the public with few or any restrictions on, according to our understanding, Sunday, from 2 to 3:30 p.m., and Wednesday evenings, is a very important health and recreational opportunity, particularly for area families.

Helen and I have appreciated the use of this pool since it was put in and have benefited by its use.

We were shocked Sunday afternoon at 2:30 p.m. January 6, to find that it was almost deserted with not more than 5 or 6 of us in it any one time.

It would appear that publicity would be beneficial since the cost of the investment along with the built-in maintenance (whether it's used or not) should be such that it should be put to work to its full benefit. A month or two ago, we made a trip up on Sunday afternoon to find that it was closed. In the publicity, it would be very well to publicize availability hours to the public and when it is not available.

This is a great community with a fine swimming pool available at a time of emotional, national turmoil. In the years past, we've seen this pool filled at the times it was available to the public, with whole families enjoying a healthy get-together and learning a most important business of swimming. We hope more people will take advantage of it.

Sincerely yours,  
Howard and Helen Utter

### Age-Old Truths

We are the old folks that you see.

Who fast to life have clung and like us you will sometime be.

For once we too were young.

We now are in life's aftermatch and by the Grace of God

Your feet will travel o'er the path our weary feet have trod.

The things we should remember, slip by us just like time.

Our flame is now an ember and our efforts not in rhyme.

"Tis" not our fault that we are slow, and linger in between.

This earthly life we lived to know and the life we've never seen,

So treat us kindly as you pass, as your days unfold,

Remember time is going fast and you too are growing old.

The Akron Keen-Agers celebrated all January birthdays Thursday the 10th. The group sang Happy Birthday to Kenneth bright, Mary Mitterbug, and Mildred Harper. Cake was enjoyed by all. Geraldine Hill and Zella Bowman baked the birthday cakes for the occasion.

Blood Pressure clinic was held through the services of Ruth Bammerlin. With the starting of a new year I want to thank all my volunteers for all of the hours you gave to this program in 1984 and I am looking forward to working with all of you in 1985.

For it is with your efforts this program is working in your home town. God Bless each one of you and the best of health in the new year.

For your meal reservation please call in the day before you plan to join us between the hours of 9 a.m. - 12:30 p.m. Monday - Friday except holidays.

Scheduled menus for the week of January 21 through January 25 are:

Monday - Cubed ham, northern beans, lettuce and tomato salad, corn bread, pears, milk, dessert.

Tuesday - Smoked sausage, whipped potatoes, cooked cabbage, wheat bread, fruit jello, tomato juice, milk.

Wednesday - Beef man-hatton, corn, potato salad, fresh fruit, white bread, milk.

Thursday - Beef and noodles, whipped potatoes, tomatoes, mixed fruit salad, brown bread, milk.

Friday - Chili, peas, cole slaw, apple salad, crackers, milk.

# Begin plans for 150th celebration

1985 is the 150th anniversary of Fulton County as well as 13 other northern Indiana counties and the city of Rochester.

To celebrate Rochester's birthday a Sesquicentennial Ball will be sponsored by The Rochester Heymakers on July 28, 1985, at the Moose Lodge on Lake Manito.

In preparation for the Ball, a series of classes of the popular social dances of 1835 through the Civil War era will be offered as part of the Adult Education Program at Rochester Community High School February - April.

The Sesquicentennial dance class will meet weekly for 10 sessions. Included will be instruction in the traditional waltz, polka, schottische, quadrilles, cotillions and the Polonaise or Grand March. Resources and help with period costuming will also be part of the class material. The class is for couples and is open to teens and adults.

Instructor for the "Sesquicentennial Special" class is Jean Sandos of Rochester. A relative newcomer to Indiana, Mrs. Sandos is the

Mr. and Mrs. Larry Klein and Ellis Klein visited Mr. and Mrs. George Klein on Tuesday.

Mrs. Randy Oldfather and Sara visited Mrs. Earl Butt Sunday evening.

The Summit Club met Tuesday with Ruth Kroft with six members present. The meeting was opened by repeating the creed and singing a song. Devotions were by Ruth Kroft. After roll call the minutes of the last meeting were read and approved. Members paid their dues. Visiting was enjoyed and some contests with Gladys Kroft and Vera Butt winning them. Refreshments were served to Ruth Hileman, Gladys Kroft, Peg Arthur, Vera Butt, and Ruth Bammerlin. The next meeting will be February 5 with Peg Arthur. Vera Butt was the "Lucky Lady" of the

director of The Rochester Heymakers, a local community performing group which performed at the Dickens Festival in Rochester, England, last spring, and of the REEL VIRGINIA touring company, affiliated with James Madison University in Harrisonburg, Va. Both groups perform traditional American dance and music. Mrs. Sandos is the former director of colonial dance performing ensembles for Colonial Williamsburg Foundation in Virginia. Her experience is teaching and performing folk, ethnic and traditional dance spans more than 25 years and several countries.

For further information and registration, contact Mrs. Gooch, Rochester Community High School, phone 223-2176.

Classes in mountain style clogging will also be offered by Mrs. Sandos in the Adult Education Program. Clogging classes will meet for one hour sessions twice a week with optional attendance at both classes. Partners are not required and the classes are open to teens and adults.

A minimum of 10 students is needed in order for the classes to be offered.

# Homemakers urged to voice issues

The Mentone Extension Homemakers met January 10th with Virginia Peterson. The meeting was opened with Vice President Mary Norris leading in the pledges to the Flags, creed and song of the month. Virginia's meditations were "Praise God" and "Do It Now."

For garden hints Genevieve Warren read a giddy garden remark. Health and Safety leader Esther Sarber talked of the "Salt Monsters." She stated everyone uses too much, cut back gradually; read labels in stores that tell of sodium content in foods.

Cultural Arts leader Arma Eckert read a very interesting article on Anna Mary Robertson, better known as Grandma Moses. She was a natural born primitive artist starting while over 70 years old. She lived to be 101 years old.

Virginia Peterson, Citizenship leader, urged everyone to write to Senators and Representatives about one's views of different issues. Don't be afraid to write them but, be sure to write "The Honorable," with correct address and which bill number you are concerned about. President Pearl Horn was in charge of the business meeting. The Shrine Building will be used for the Pres. Council meetings until Spring. The next county club trip will be an overnight one to House on the Rocks in Wisconsin.

The secretary-treasurer reports were approved. Roll

call was answered by seven members and a guest, Donabel Grossman of Talma. The meeting closed with the collect and the club prayer song. The door prize was won by Mary Norris. There will be no February meeting and the March meeting will be with Olive Tucker.

The Mentone Nutrition Site has been a busy place this week. We started our exercises again and I think we were really needing it after the holidays.

Madeline Fisher was present on Tuesday with her library update. Wednesday, Sue Smith of the Legal Service came to talk about filing of income taxes and we exercised. Thursday, we practiced again as we are going to do some new numbers for an appearance in February. Anyone that can sing or keep time will have a "position" if you so desire.

The Reverend Saladee of the Atwood Church brought us a good message, also played his guitar and sang two numbers. Friday, Kathy Simpson from Home Health Care of compassionate at-

ternative was with us. It serves an ill person in the home rather than hospitals or nursing homes. It was started in 1976 in Kosciusko Co. It's closely associated with the Hospice program and the Well Child Health Service.

Don't forget the January 16th birthday party.

Menus for the Mentone Nutrition Site for the week of January 21 through January 25 are:

Monday - Apricot juice, Polish sausage, mustard potato salad, stewed tomatoes with bread cubes, pumpkin-nickel bread, margarine, sugar cookie, milk, tea, coffee.

Tuesday - Orange juice, beef stew with potatoes, carrots, onions, celery and cabbage, snowflake dinner roll,

margarine, spiced apple rings, baked custard with Nutmeg, milk, tea, coffee.

Wednesday - Grapefruit juice, swiss steak, fluffy rice, three-bean salad, stone-ground wheat bread, margarine, banana, milk, tea, coffee.

Thursday - Hawaiian Punch, tuna and noodle casserole with cheese topping, carrot raisin salad, wheat bread, margarine, sliced peaches, milk, tea, coffee.

Friday - Apple juice, meatloaf and gravy, mashed potatoes, spinach with vinegar on side, rye bread, margarine, pumpkin pie, milk, tea, coffee.

Menus subject to change without notice. Due to the diets of some people the food is not highly seasoned.

**SNOW SHOVELS AND HEAVY COATS AND BOOTS** were the order of the morning when area residents woke up to a 3 inch snow cover over roads and walks. Although this is the usual scene for this time of year in Indiana, you do have to admit that we have been lucky so far. More snow was expected during the day and evening, so what Friday brings remains to the powers above. Love that Indiana winter!!

## SMILES

### Wouldn't Dare

"I'm afraid the mountain air would disagree with me."

"My dear, it wouldn't dare."

### Not Enough

Police Captain--Did the prisoner offer any resistance?

Officer--Only one buck, and I wouldn't take it.

### Questionable

"Does that novel you are reading end happily?"

"No, but it says they were married."

As gas prices continue to increase, many consumers are looking to the high-efficiency gas furnaces as one answer to their rising fuel bills. An existing gas furnace runs at approximately 60 to 70% efficiency, whereas a new high-efficiency gas furnace can reach up to 95% efficiency. A more efficient furnace can save you money and energy. However, there are numerous factors to consider before purchasing such a unit.

"Purchasing a High Efficiency Gas Furnace" is a publication from the Indiana Energy Information Center which describes the different types of high-efficiency gas furnaces available. Call or write the address below for a free copy.

## Ful. Co. EMS approved as Advanced Life Support Service

Fulton County's Emergency Medical Service has been approved as an Advanced Life Support Service. After more than a year of planning and training, the county-wide ambulance program, based at Woodlawn Hospital, took the final step in the qualification process

the certification of Advanced Emergency Medical Technicians - IV Technicians, trained to initiate an intravenous line as pre-hospital

treatment in situations where it is deemed advisable as treatment or as a precautionary measure.

Wednesday, January 9, when Terry Dalrymple, regional representative from the State E.M.S. Commission, examined equipment and personnel records and gave his approval to the new service.

"The ambulance today is an extension of the emergency room," says Fulton County E.M.S. Director Candy Weldon. "This new service brings better patient care to the scene. Our time spent at the scene might be longer, but statistics prove that this immediate care means a better chance for recovery for the emergency patient."

The move up from Basic Life Support service to Advanced Life Support requires

Heart attack victims and diabetic patients who need medications started immediately through an IV route, and trauma victims who may have lost critical levels of fluids will benefit from having this care initiated at the scene.

To qualify as an Advanced EMT - IV Tech requires that the EMT complete 60 additional hours of in-class instruction along with clinical training with another Advanced Life Support service. F.C.E.M.S. staffers served their clinical training hours at St. Joseph Hospital in

South Bend where they each spent two days with an IV therapy team and then interned with McGann Ambulance Service or with the South Bend Fire Department.

ment. Each then passed a practical skills exam and a state test.

Four new Advanced EMT's passed state tests in Sept. of 1984: Crystal Weida, Brenda Johnston, Lenora Armbruster, and Frances Utter.

Six additional EMTs are enrolled in class and are expected to be certified for advanced level service in March of 1985: Charlotte Swafford, Sharon Carlson, Tim Grosvenor, Darla Greer, Eileen Donathen, and Greg Gearhart. Instructors for the class are also members of F.C.E.M.S.: Steve Dunsizer, Advanced EMT Instructor, and Candy Weldon, Advanced EMT, Paramedic, and Registered Nurse.

According to Weldon, more ambulance services are moving toward Advanced Life Support in the last year and a half, especially in rural areas where patients are farther from a trauma center.

"Besides providing superior pre-hospital care for the patient, the move to Advanced Life Support will be an advantage in transporting patients with IV's because we won't have to arrange for a nurse to go along."

## Kiwanis to celebrate 70th

Tippecanoe Valley Kiwanis members will celebrate Kiwanis International's 70th birthday during Kiwanis Anniversary Week, January 20-26, according to Gordon Potter, president of the Kiwanis club of Tippecanoe Valley.

The first Kiwanis club was chartered on January 21, 1915, in Detroit, Michigan. Today the organization has grown to include 8,100 clubs and 310,000 members in 80 nations and geographic areas. Clubs are composed of interested men involved in voluntary community service under the motto "We Build."

Last year, Kiwanis clubs raised and spent \$41.4 million for community service projects, with special emphasis on the needs of underprivileged children. Individually, members also contributed more than 21 million man-hours to service work.

Local Kiwanis service activities include food baskets for needy families, collection and distribution of toys to needy children, scholarships, distribute magazines to local nursing homes, and sponsored youth programs.

James K. Stewart, director, National Institute of Justice, on car theft:  
"This is increasingly becoming an adult crime involving gangs making enormous profits."

### Game ends 50-61 Argos

Ever get that "we've had it" feeling? The Valley Vikings came home from the Argos vs. Valley game last week with it - just ask them! Along with being outscored at the free throw line 17-0, Argos connecting on 17 of 22 foul shots, and Valley getting no points on only six fouls committed by Argos, the game ended (before the end) when one of the officials called the game after some verbal digs and physical action between players at only 27 seconds left to play.

Some words were exchanged after a reaching-in foul, which was the fifth called on Valley's Steve Lester, sent him off the floor; and Steve Powell of Argos and Valley's Kenny Johnson became involved in a discussion in which there was body contact. This caused a flurry from the bench and a technical foul was called.

At this time, one of the officials called the game, the other official being unaware of what was going on, and the teams were sent to the locker rooms.

After discussion between school officials and referees, the play was continued with Argos connecting on three of four free throws on Calhoun's attempts on the personal foul and Powell shooting the two technical shots.

Leading the Vikings in points was Chad Bibler with 18. Shawn Cumberland and Steve Lester both connected for 10.

#### Action by Quarter

Valley's first quarter ended with fourteen points for the Vikings to Argos' eleven; at the half the teams stood 28-Valley, 29-Argos. Third quarter action saw Argos connect for 16 points to Valley's 12. Fourth quarter action saw Argos score 16 to Valley's ten.

The Vikings stand 5-3 on the season.

#### Junior Varsity

The Vikings Junior Varsity won their game 44-43, as Rusty Zimpleman hit an one-on-one free throw just seven seconds before the game ended.

### Argos defeats Akron 7th

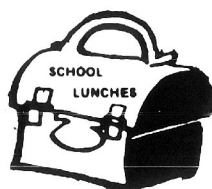

Akron was defeated by visiting Argos in a seventh grade boys basketball contest by a score of 46-36. The Dragons led 9-6 at the end of the first quarter and increased the margin to 25-16 at the half. Argos outscored the Flyers 18-7 in the third quarter to increase the lead to 20, but the Flyers fought back in the final quarter and outscored the visitors 13-3.

Argos' Dennie topped all scorers with 22 points, followed by Dilk with eight. Bob Lynn paced the Flyers by scoring 10 while Aaron Brofford tossed in nine, along with Golden Williams' six and Brian Johnson's five. Johnson assisted on five Akron baskets. Brofford pulled down four rebounds to lead the Flyers in that category.

Akron, now 1-8, will host Triton's A and B teams Thursday, Jan. 17 at 4:30 p.m. while the eighth grade teams travel to Triton to play at 4:30 p.m.

### Double win Paris-Berry

The Viking's boys' swim team captured their meet against Bremen 82-78 last week even without four of their top swimmers. This brings them to the 5-5 mark for the season. Randy Paris and Scott Berry took double honors for Valley. Paris was a double winner in the 200 freestyle and 100 butterfly, while Berry won the 200 medley and 100 backstroke.

## Miller's high game

Even with a great nine-of-nine free throw points and 12 points from the field by teammate Leslie Miller, Valley couldn't overcome Oak Hill's overall scoring and came home with a big loss in the TRC. Oak Hill came away from a halftime deficit, outscoring Valley 23-13 in the final quarter to capture the victory. Jamison connected for 7 points, Helmreich had 9, Warren 5, Clappitt 9, and Woods 2.

#### Action by Quarters

Valley's first quarter 14 points to Oak Hills, 11; second quarter play saw Valley move up 20 points to their opponents 15, but third quarter saw Valley only connect for eight points to Oak Hill's 14 and fourth quarter action was Oak Hill's with their 23 points to Valley's 13, ending the game 63-55, Oak Hill.

Valley is now 3-3 in TRC action and 5-7 overall.

## Vikings win over Wawasee

In an exciting conclusion to the Vikings vs Wawasee varsity basketball game last weekend, Valley came away with a win in both the varsity and junior varsity games.

In defensive action, Shawn Cumberland blocked the tying bucket at the two second mark to keep Valley ahead by two points, winning the varsity game 58-56.

Dale Miller's 12 points put the Vikings ahead 16-8 at the end of the first quarter, but second quarter action saw Wawasee trim the advantage

to four points at the half and come within one point at the third quarter, 41-42. During the fourth quarter, it was anyone's game as Wawasee and Valley battled to the very end. Cumberland's defensive block at the two second mark was the deciding factor for the Vikings.

Cumberland lead Valley scorers with a season high 22 points. Miller connected for 16 points.

Valley junior varsity ended their game over Wawasee with a 40-35 score.

**HENRY TOWNSHIP VOLUNTEER FIREMEN** and the Rochester Fire Department battled a blaze, in 17 degree weather, in a trailer home at the East edge of Athens last Wednesday morning. The trailer home was owned by Mr. and Mrs. John Patterson and was listed as a total loss. The reason for the blaze is not known. (News photo)

## Contract on Water-Sewage discussed

Four town patrons listened to the Akron Town Board members as they sat in regular meeting last Tuesday at town hall. President Jack Miller and Richard Drudge were present for the meeting, Jerry Hudson having been called back to his place of business on an emergency.

### Clerk reports

Clerk Sarah Jane Sutton read the minutes of the December 18 meeting of the board and the January special budget hearing meeting on January 2nd.

Mrs. Sutton stated that the town's year end report had been published in the newspaper this week; and she had filed a claim in Small Claims Court against a town patron delinquent on their water bill.

### Suggestion taken

Clerk Sutton said it had been suggested to her that if windows were installed in the doors opening into the offices of the town hall, the doors could be kept closed and the hall would not have to be heated, thus saving on the heating costs. Marshall Spangle had checked into the cost of the windows and reported they would cost \$14 each. Installation was discussed, but no costs given. A motion was made to install a window in the police office, motion was carried. Trustees decided if the window works alright in that office, they might install one in the water department door.

### Water and Sewage Billing

Clerk Sutton reported to the trustees that she had published a notice to Akron Residents about the policy on payment of water and sewage bills and asked to have the newspaper publish it for a number of weeks, plus again every month about the time bills are due. President Miller reported

that the new policy had been to extend the payment date from the 10th to the 20th of the month, but there are still some people dragging their feet on the payments. (see notice this issue) He said they had checked with the Public Service Commission and the town has the right to shut off the water to anyone delinquent on the 21st of the month. Clerk Sutton also reported that she and Mrs. Katz would get some articles ready for publication explaining to town patrons the way the water billing is done; explaining about the months in which the bills are estimated, and the end of the quarter, when the meters are actually read; catching up the actual amount of water used over a period of three months.

Miller announced that town employee Marty Gearhart is now in charge of reading the water meters.

### Contract discussed

Patron Charles Miller appeared before the board to ask what they intended to do about the contract they now have with Val Duggins to do the testing for the Indiana State Board of Health on waste water and the contract for taking care of the sewer system.

President Miller stated that Duggins had been hired to work five hours a day, five days a week and his work includes cleaning the pits at the lift station, checking equipment, painting the buildings inside, as he can, setting up the lab at the lagoon for the testing, and doing the testing. President Miller noted that Duggins also does some other work for the town, which was not in his contract to do, and said that they would continue with Duggins until the contract runs out in March 1985.

## Feldman critically injured in crash

James A. Feldman, 19, Rt. 2, Akron, was still listed in critical condition in the intensive care unit of the St. Joseph Hospital, South Bend, from injuries suffered in an accident last Friday afternoon at approximately 12:40 p.m.

State police said a car driven by Feldman, headed East on State Road 114, approximately four miles East of Akron, crossed the

centerline and struck a pickup, being driven West by Mark A. Milan, 20, Silver Lake.

Milan was listed in fair condition at St. Joseph Hospital, Fort Wayne. Both victims were taken to Woodlawn Hospital and transferred from there.

Feldman suffered severe head and internal injuries and a broken leg. Milan suffered a fractured jaw and lacerations and bruises.

## Akron Volunteers called on two runs Sunday

Henry Township Volunteer Firemen made a run to the home of Jennie Koenig, St. Rd. 14 North, Akron at approximately 9:30 p.m. Sunday evening, when she called to report a suspected fire in her chimney. Firemen were able to put out the smoldering substance with little damage to the property.

### Second run

Firemen made a run to the Rudy Gingle farm southwest of Akron at 3:30 a.m. Monday morning when a

neighbor woke the Gingle family to report one of the farm buildings on fire. The shop building in which Mrs. Gingle works, lost all of its contents and the roof of the structure. There has been no estimate of damage given. The Gingles believe the blaze started around the chimney of a wood-burning stove used to heat the structure. The fire department made a second run to the farm, at approximately 6:30 a.m., when the structure again caught fire.

## Hampton appointed director

Mr. Daniel Steiner, Executive Director of the Bowen Center has announced the appointment of Dr. Massoud Hampton as the Director of Bowen's Plymouth office. Dr. Hampton, who began his duties at the Plymouth office January 2, joined the Bowen Center staff in July 1982. He has served the Center as writer of grant applications, as lecturer on aging and human development, and has provided inservice training and workshops for home for the aging in this service area. Dr. Hampton has served as individual therapist and also as consultant for the Center.

Dr. Hampton received his M.S. from Indiana State University in 1976 and his Ph. D. in psychology from Indiana University in 1982.

He has completed post doctoral study at Notre Dame University in the clinical aspects of gerontology. Dr. Hampton is a psychologist and is especially equipped to administer psychological testing and evaluation as well as for individual therapy. He is a member of the American Psychological Association and American Gerontological Association. He is married and has one child.

## LTL to meet

The L.T.L. will meet this Friday night, Jan. 25th at 7:30 p.m. at the Akron Library basement. All members are urged to attend, and new members and guests are always welcome.

## Down Memory Lane

TAKEN FROM THE AKRON NEWS  
JANUARY 24, 1935  
50 YEARS AGO

Earl Barr had a wreck with his car early Monday morning enroute to Indianapolis when he skidded into a large semi-trailer truck which was parked along the pavement.

Earl was going to the capitol city on business and had left very early in order to get there in good time. The pavement was slippery and the ice and rain on the windshield made driving difficult. The wreck happened south of Kokomo when he went to turn out to the left to go around the parked truck. The right side of the car crashed into the parked vehicle and smashed the body considerably.

Earl received a deep cut in his forehead, and had two front teeth broken off. He was able to continue his trip to Indianapolis, however the car was towed in here.

The Home Economics Club met Wednesday, Jan. 16 in the home of Mrs. Willis Bowen. Mrs. Bowen was assisted by Mrs. Chris Huppert.

Eight members and two guests were present to hear Miss Helen Wilson of Rochester give her talk on "Aims of the Home Economics Club."

After the business meeting a social hour was enjoyed. The following officers for the new year were in charge: Mrs. Willis Bowen, president; Mrs. Ruth Nye, vice-president; Mrs. Russell Stout, secretary-treasurer; Mrs. Vivian Strong, assistant secretary and reporter; and Leaders, Mrs. Chris Huppert, Mrs. Dewey Merley, and Mrs. Vivian Strong.

The next meeting will be at the home of Mrs. Jesse Klise February 13. Mrs. Klise will be assisted by Mrs. Gerald Bemenderfer.

Mr. and Mrs. Earl Penrod entertained at dinner last Thursday the Gospel Messengers from Fort Wayne who are conducting services at the Ebenezer church south of Gilead. Guests were the Reverend Oyer, Mrs. Neuenschwambr, Miss Williams, Miss Lee, Miss Spool, Mr. Ebersa and Miss Ziegler.

Safe crackers visited Akron Saturday night, broke into the safe at the C-K-R factory and made an attempt to break into the Haldeman-Baum safe.

At the C-K-R office the safe was entered and about forty dollars taken. The safe at the Haldeman-Baum office, however, was too strong for them and the robbers gave up before completing the job.

Sheriff Peterson was notified Sunday evening, as soon as the robberies were discovered.

It was incorrectly stated that he was a daughter in last week's NEWS.

Purdue University has released a list of students who received distinguished-student rank for the fall semester of the 1984-85 school year.

In order to qualify for distinguished ranking, a student must have grade index of at least 5.5 (B plus) of a possible 6 (A) in no fewer than 14 academic credit

hours. No individual grade can fall below a 4 (C).

The students represented, scholastically, approximately the top 12 percent of the 26,049 undergraduates on the West Lafayette campus during the first semester. Among students listed are the following local people:

Sandra Dunnuck, Rt. 1, Etna Green, in the field of Humanities, Social Science and Education; Elsie Nyenhuis, Rt. 5, Warsaw, in the field of Pharmacy and Pharmacy Science; Paula Shireman, Rt. 2, Akron in the field of Consumer and Family Sciences; and Michelle Wise, Rt. 2, Silver Lake in the field of Humanities, Social Science and Education.

### One Room Special

Down from the ridges, up from the dales.

They came with their lard bucket dinner pails

Filled with sandwich of egg, sausage and cake.

Or some other tidbit that Mother would bake.

In gingham and overalls, mud on their feet.

They walked the wood floor, two to a seat.

Though all from the country, close to the loam,

Each showed use of soap and work of the comb.

From six to sixteen, all in one room

With just one to weave this human-cloth loom.

Though often it seemed like bedlam and worse.

We learned our three R's by rote and by verse.

Chalk and the blackboard, map on the wall.

Outdoor privies for natures cold call

Seem primitive today as a way to gain knowledge.

It's good to remember, I would not forget.

Country schools of the past we owe each a debt.

Though good times and bad, depression and boom,

My thoughts often stray to eight grades-in-a-room.

Senior Citizens come join us for a well balanced meal and fellowship.

The Mentone Nutrition Site is really hard at work practicing the band for our February appearance at Teel's Restaurant.

The exercises are three days a week now. The high school choir will be here next Tuesday and we always look forward to the students being here. On Tuesday, Jan. 29th, we will have dirty bingo.

We were sorry to hear of the death of Fred Sheeley of Tiptecanoe. They have been at our site in the past.

If ever the weather is bad, just tune into WRSW and if school is cancelled, the Site will not be open.

The following are the menus for the Mentone Nutrition Site for the week of January 28 through February 1.

Monday - Cranapple juice, sliced pot roast, dressing and gravy, green beans, snowflake dinner roll, margarine, milk, tea, coffee.

Tuesday - Pear nectar, beef barley soup, pork barbecue on bun, marinated vegetable salad, apple crisp, milk, tea, coffee.

Wednesday - Orange juice, baked chicken quarter, au gratin potatoes, buttered squash, rye bread, margarine, cranberry sauce, milk, tea, coffee.

Thursday - Vegetable cocktail sauce, meatballs and mushroom gravy, fluffy rice, broccoli, cracked wheat bread, margarine, lemon pudding, milk, tea, coffee.

Friday - Grape juice, spaghetti and meat sauce, Parmesan cheese, cole slaw, garlic toast, fresh apple, milk, tea, coffee.

## Letters to the editor

Dear Editor:

Six years ago, my husband was injured in a diving accident. He broke his neck and sustained a spinal cord injury. Aside from not being able to walk or use his hands and arms, his body began a daily degeneration of vital organs and tissue. After several months of therapy and trying to put our lives back together, we joined the Spinal Cord Society. SCS is a non-profit organization dedicated to the advanced treatment and ultimate, a cure for spinal cord injury.

Since it's beginning in 1978, SCS has grown to a volunteer organization of some 7,000 members with local affiliates nationwide. SCS has supported innovative research such as electrical stimulation, held several Cure Research Conferences nationwide, and has given the spinal injured and their families the chance to work towards cure and to hope again.

The most recent undertaking is the SCS Spinal Injury Center and Clinic to open November 1984 in Minneapolis, MN. Not a rehabilitation center or trauma center, it is unique in that no other facility exists that is dedicated to the advanced treatment and cure of spinal cord injury.

I feel that as the wife of a spinal cord injury victim, it is important that I try to reach as many victims and their families to spread the word about SCS. If you are injured or know of someone with a spinal cord injury, please write, Spinal Cord Society, P.O. Box 69, Minneapolis, MN 55445, or call, 800-328-8253.

I sincerely thank you for printing this letter.

## Views On Dental Health

LARRY W. PAMPEL, D.D.S.

TIME IS OF THE ESSENCE

There is a legal phrase: "Time is of the essence" which means there is no fooling around with dates in a contract. If your youngster accidentally gets a tooth knocked out and you'd like to give the dentist half a chance to successfully replant it - "Time is also of the essence".

Take the typical case where a child gets his front tooth knocked out at a hockey game. He skates over and hands it to his parents and finishes the game. Later on - probably the next day - they'll go see a dentist. Too late, my friends. No chance for saving that tooth.

The proper reaction would be to take Johnnie - skates and all - immediately to the dentist. This is an emergency. A tooth replaced within 30 minutes has a 90% chance of being saved, but in two hours the success rate drops considerably.

To improve the chances of a successful replantation of a knocked-out tooth, rinse it in tap water (don't scrub it), place it in its socket and have the patient hold it in place with the tongue on the way to the dentist.

Prepared as a public service to promote better dental health. From the office of: LARRY W. PAMPEL, D.D.S., 1329 Main St., Rochester, Phone 223-3121; 114 Mishawaka St., Akron, Phone 893-4545.

## Water-Sewage discussed

Continued from page 1

Trustee Dick Drudge noted that the town had had several large repair bills totaling close to \$6,000 on equipment at the lift station and had checked with the Rochester Sewage Department on the cost of having the pits cleaned regularly. The cost of having the pits cleaned would be between \$50-75 per hour to have the work done he was told. He said he then talked with Duggins and was told that a preventative maintenance measure of cleaning the pits each morning would take care of the problems causing the repair bills, and Drudge noted that this measure was taken and is working.

President Miller then told Charles that the board would do some work on the contract before it comes up next month, and see if they would want to change the testing. Charles stated that his original bid on the contract, on all the work Duggins does, was for less money, and that it had gone on for months costing the taxpayers extra to pay for having a man come from South Whitley to do the work. Drudge asked Miller if his bid had been only for testing, and was told the contract he submitted had stated inspection of all units of operation, subject to call at any time, so if he had been on the job, he would have done whatever was necessary to do, just as his bid stated. Drudge pointed out that Duggins puts in more time than his contract calls for, and Charles again stated that his offer read that he would be subject to call at any time, for any operational problems, at the same rate quoted in his bid.

### "Will under bid"

President Miller asked if he (Charles) would keep the buildings up, this being on a different contract, Charles stated that if it was part of his contract, he would. He said he had never had a chance to approach the board when problems arose to find out if he would do the same work as Duggins. Charles told the board members "in any event, I intend to be low bidder," and said he thought that was as plain as he could get. He was told to re-submit his bid on the work that Duggins is now doing; testing at Sonoco, Leiningers, and the town testing and also maintenance of equipment. Charles said he would do that in March 1985 and asked that it be made a part of the public record that "I have and will continue to underbid the work that you are now paying."

### Hydrants

Patron Bob Allen asked the board members if they had ever resolved the water hydrant problems and was told that one new hydrant had already been installed and two more are ready to be installed when weather permits.

### Different meter

Trustees said that Sparky had suggested that the town install a tru-flo water meter at the Greenlawn Apartments, where the flow is too low to trip the present meter, so does not give a true reading. The cost of the new meter would be \$2,250. The suggestion was tabled until such a time when all three board members are present to vote on the matter.

where the flow is too low to trip the present meter, so does not give a true reading. The cost of the new meter would be \$2,250. The suggestion was tabled until such a time when all three board members are present to vote on the matter.

### Bids given

President Miller noted that Dave Kruger had given the town a bid for the 10 channel scanner in the police car of 125.00 and for the Bear Cat scanner in the police office of 75.00, which he had furnished. Miller said that new ones could be purchased: a 10-channel Bear Cat programmable, for 116.95 and an 10-channel scanner for the office for 89.95, programmable. Miller made the motion to order new ones, the motion carried. Drudge noted that for a few dollars, the town could have the guarantee on new equipment. The board also decided to let Marshall Spangle trade the rifle used by the police officers for a new shotgun for the department.

### Extension ordered

The board decided to have an extension of the phone in the police office, installed in the home of Marshall Spangle who has an unlisted number, so he can be contacted when the office is not manned, and officers are off duty. The cost for installation was quoted as \$60.40 plus \$31.75 monthly charge for the service. Patron Ron Fenimore questioned the costs to the town since the job of the police he said is subject to call 24 hours a day. President Miller noted that no one should be subjected to harassment, just because of his job, but Fenimore noted that it is just part of police work. Fenimore withdrew his objection because people will be able to contact the officers easier. A request for an answering machine for the police office was tabled.

### Clarification

To clear up a misunderstanding by a statement made in the January 2nd report of the Akron Town Board meeting about burning trash in the town limits; there is a town ordinance against burning trash on the ground in the open. You may burn trash within town limits if it is burned in a container, or is contained in a barrel, or another type of incinerator.

### Next meeting

The next regular meeting of the board will be Tuesday, February 19 at 7 p.m. in the town hall.

## Indiana Farmers list Legislative priorities

Several legislative issues before the Indiana General Assembly are being given priority attention by the state's largest farm organization, the Indiana Farm Bureau, Inc., according to William A. Hadley, the organization's coordinator of local government affairs.

Farmers support the allocation of \$7.5 million in state funds to continue moving the Purdue Livestock Research facilities. Purdue University with the full support of the Indiana livestock industry, sought four years ago to obtain \$15 million to relocate the livestock research farms from their present location to a new one near the agronomy farm. This was necessary due to pressure from the city of West Lafayette. Received initially from the state were \$7.5 million and a plan was initiated to make the move. To date, they have contracted most of the swine facilities, part of the beef cattle, and some of the poultry facilities.

An emergency fund for animal disease control is also requested by farmers. A study committee, comprised of members of all the related agencies, shows a contingency fund is needed. Farm Bureau is requesting a \$500,000 emergency fund earmarked for livestock testing and regulations to prevent delays and loss of time.

A 20 percent property tax relief restoral to cumulative funds and debt service funds is supported by farmers. Farm Bureau says they believe the economy has recovered enough since the 1982 tax increase to justify this action.

An attempt will be made to exempt grain drying bins from state sales tax. Additional funds for highway and bridge maintenance will be requested. Farmers support a move to oppose free textbooks for all students in the public school system and are for giving a portion of income tax to the local school district.

## Akron Police report given

The Akron Police Department reported for the month of December they had patrolled 1,016 miles in the police car. The department investigated four accidents, handled one complaint, two dog complaints. Officers made five arrests, issued six written warnings, and one verbal warning; gave one motorist assist, one public assist, one county assist, and three ambulance assists, and three assists to other police departments. The department handled two title checks, investigated one break-in, one report of vandalism/criminal mischief and handled one funeral escort.

### 1984 Totals

Year end totals for the Department included: miles patrolled - 17,789; accidents investigated - 50; complaints - 47; dog complaints - 23; funeral escorts - 15; arrests made - 93; written warnings - 69; verbal warnings - 63; motorist assists - 48; public assists - 13; open door checks - 19; title checks - 45; attempted break-ins - 4; break-ins - 3; theft reports - 24; vandalism/criminal mischief - 13; county assists - 43; state police assists - 7; fire department assists - 3; am-

bulance assists - 29; ordinance violations - 11; other police department assists - 18.

## Highway Users Conference advises motorists beware

A proposed eight cent increase in motor fuel taxes should be flashing a warning signal to the Hoosier motorist. That's the word of caution voiced by the Indiana Highway Users Conference, a coalition of over 50 associations and individuals representing business, agricultural, industrial and motorist groups.

This warning stems from a recently announced proposal by the Indiana Transportation Coordinating Board (ITCB) concerning taxes which the legislature will be asked to consider beginning in 1985 on gasoline, motor vehicles and other highway related items.

"The ITCB proposal encompasses too much and would seriously endanger sound principals of highway finance," says Highway Users Conference Chairman Marion Stackhouse, president of the Indiana Farm Bureau. The Highway Users Conference stresses six recommendations for Indiana legislators to consider before enacting any portion of the ITCB proposal. The recommendations are:

1. There is a need for additional highway funding at both the state and local levels;
2. Highway funding should primarily come from a two-structured system consisting of license registration fees and motor fuel taxes without imposition of any additional forms or types of taxes applicable to highway users;
3. Highway user tax revenues should continue to be dedicated only for highway construction, maintenance, and other highway-related purposes;
4. While highway funding should primarily come from highway-user fees and taxes, the benefits of a good highway system enjoyed by non-highway users should be recognized by assigning some highway cost responsibility to the general public;
5. Special efforts should be made to ensure that a high quality of highway construction and maintenance is attained by state and local highway departments and that maximum benefit is received from the tax dollars expended;
6. The variable motor fuel tax should be replaced with a fixed cents per gallon tax rate.

## New books at Akron Library

New books at the Akron Public Library include:

**A Summer with Outlaws** by James Powell--When he was a boy, T.G. Shannon loved trains. Now in 1892, he finally gets to ride them for a living as a messenger on the Missouri, Kansas and Texas line. Unfortunately, many others are also fascinated by the locomotive, namely the James boys, the Youngers, the Dalton gang, etc. He is captured by a much milder gang, and becomes an unwilling gang member, which was only sweetened by the presence of Janie, the outlaws beautiful widowed sister. They fall in love, and the problem of whether to follow the outlaw trail to be with her in the only life she's ever known, or to try to persuade her to leave her brothers. It is funny, unforgettable, and a pleasure to read.

**Affairs At Thrush Green** by Miss Read--The hero of the story is the kindly vicar, Charles Henstock, whose home was burned earlier, and now lives in Lulling. Going to a new church is not easy, and poor D. Henstock encounters some very redoubtable females in Lulling. A kneeling cushion for the chapel is a question that erupts a full scale power struggle amongst the ladies. Meanwhile a mysterious stranger arrives at the Fuchsia Bush Cafe!

**The Wheel of Fortune** by Susan Howatch--At it's center is Oxmoon, the family manor of the Godwins, which for four generations, from the glittering years before the First World War to the present time, obsesses and haunts every member of the family, turning brother against brother. For each member of the Goodwin family, Oxmoon remains a prize, a challenge, a dangerous obsession, for its memories, its beauties and the power and wealth its possession conveys.

**Julie** by Catherine Marshall--The story of Julie Wallace and her family--the adventure, romance, courage and commitment, and triumph and tragedy in a flood-prone town in western Pennsylvania. The historic Johnstown flood threatens to destroy everything in its path; Julie, her family and friends, their crusading newspaper, and a community seething with the tensions of a small town coming of age.

**The Song of the Rainbird** by Barbara Whitnell--East Africa beckoned to many an adventurous spirit at the turn of the century. Kate Carswell bravely left England to join her fiancé in Kenya, against her father's wishes. Upon arrival at Nioobi, she finds her fiancé has been killed, but she soon falls in love with the land, and becomes a school teacher in the pioneer country. Kate finds that she must fight for justice in a society divided by race, but she also finds that her wounded heart has healed, and that she can love again.

# SAFETY WARNING TO LP GAS USERS

PLEASE READ CAREFULLY THE TWO FOLLOWING NOTICES:

**NOTICE**—If your LP gas heating system has this Honeywell control knob stuck down in the "on" position, there is danger of explosion or fire. Call toll free 1-800-328-8194. (In Minnesota call 1-800-722-0033). Free replacement will be made. Check now.

**NOTICE**—LP gas water heater: To prevent fire or explosion from damaged knobs on the Honeywell V5130 water heater control we have instituted a free knob replacement program. Contact your LP gas distributor and ask him for your replacement knob. Applies only to valves in U.S.A.

## If you have an LP Gas Furnace or Heater

Model V8280A shown here. Other models look different but all will have a similar metal knob.

### What to look for.

The gas valve, usually located at the front of the LP furnace or heater, has the Honeywell name stamped on the control surface. On top of the gas control is the control knob. If the control has a metal knob (not plastic) marked "off-pilot-on" as shown in the photo, then follow these procedures to check for danger.

### Check for danger.

When the knob is in the "ON" position there should be approximately 1/8" space between the bottom of the knob and the top of the control surface (figure A). That's the normal operating position. But if there is less space, the knob may be stuck down in the "on" position (figure B). This damaged valve could allow raw gas to flow into your house. Explosion or fire could result.

## If the knob is stuck down in "ON" position

Figure A

Figure B

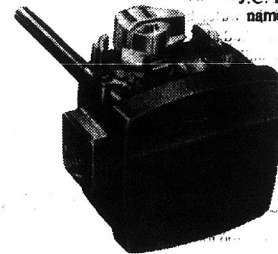

immediately call Honeywell at 1-800-328-8194. (In Minnesota call 1-800-722-0033). Honeywell will arrange with a serviceman to replace those damaged units free.

**Preventing problems:** The gas control on your heating appliance is a SAFETY DEVICE. Improper use or repair of the gas control can cause explosion or fire resulting in death, personal injury or property damage.

NEVER remove the control knob or operate the control without a knob!  
NEVER jam the knob of your gas control DOWN!  
NEVER use tools on the knob!  
NEVER attempt to repair the gas control yourself!  
NEVER disassemble the gas control!  
Use only your hand to operate the gas control knob. If the knob does not turn easily by hand, if you have trouble keeping the pilot lit, if the knob shows any sign of damage, or if the control is otherwise difficult to operate, CONTACT A QUALIFIED SERVICE TECHNICIAN.

## If you have an LP gas water heater

with a Honeywell V5130 gas control, your LP gas supplier will replace the knob without charge on that water heater control to prevent fire and explosion accidents caused by jamming of the knob. Ask him for a replacement knob. In addition to the V5130 control with the "Honeywell" name plate, some controls have "Montgomery Ward", "Ward Signature", "State", "Sentry", "Jackson" or "J.C. Penney" name plates.

Model V5130 LP gas water heater control with plastic knob.

## SAFETY IS EVERYONE'S CONCERN.

Honeywell's gas controls are carefully designed and manufactured products that will provide years of safe and dependable service if properly used and serviced. Improper use and servicing can result in explosion or fire. Accidents have occurred involving controls in which the safety features have been overridden.

For your own and your family's safety, please check your appliance now.

If you have any questions about safety on any other Honeywell gas control, write to:

## Insight Day at Huntington College

Huntington College will be holding a Campus Insight Day for all area sophomore, junior, and senior high school students on Saturday, February 2. The day long event will give high school students an opportunity to be a college student for a day.

Included in the schedule of activities will be a tour of the campus by the student admissions staff, a presentation by Larry Martin, director of student financial services at the college, and a time to meet the college professors in different sessions. Students will also be the guests of the college for brunch at 11 a.m. and a men's basketball game at 2 p.m. as the Huntington College For-

esters take on Goshen College. Preceding the basketball game will be a reception in Merillat Center at 1:15 p.m. Here, the students will have the chance to meet the coaches of the numerous athletic teams at the college.

This is an excellent opportunity for area students to become better acquainted with Huntington College. Interested persons should contact the Admissions Office at

the college at (219) 356-6000, Ext. 120 for reservations. Registering will take place Saturday, February 2, from 9:30 - 10 a.m. in the Huntington Union Building on campus.

## Mentone wins own tourney

Mentone's Junior High School seventh and eighth grade boys basketball teams stepped into the championship ring Saturday by winning their own four-way tournaments.

The seventh grade team began it's bid for the championship by crushing Logan-sport 58-4. Greg McCleese and Steve Dunnuck each had 10 points and Dunnuck assisted with eight rebounds. Scott Smith had five assists and six steals.

The title match against Argos ended 31-29 with Mentone's Smith and Damon Leichty both adding nine points to the effort. Smith also had three assists. Derek Eaton had eight rebounds

and McCleese had five steals.

### Eighth Grade Action

The eighth grade began their bid for victory with a 48-26 win over Caston. High point man was Dion Anglin with 13 points and 11 rebounds. Troy Bussenburg came up with nine points and two steals. Chad Johnson helped with four assists and Chris Paris had two steals.

In Mentone's 47-26 win over Argos in the title match, Anglin was high point man with 12 points, eight rebounds and five steals. Johnson helped with nine points and Skipper Smythe had seven assists.

Mentone's seventh grade team is 7-4 on the season; the eighth grade is 9-2.

## Valley over Eastern

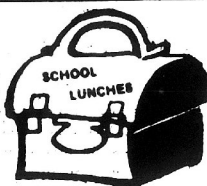

Shawn Cumberland led the Valley Vikings to a 69-52 decision over Eastern-Howard last week as he scored 20 points from the field and four points from the free throw line to make him high point man for the evening. Ken Johnson came up with 12 points, which included four free throws, and handled 13 rebounds during the evening's action.

**Score by quarters**  
Valley ended the first

quarter action five points ahead of Eastern 12-7 and the half by a whopping 31-15. Third period action saw Eastern's press garner their team 15 points to Valley's 14.

ending that period on a 45-30 score. Fourth period, both teams scored almost even, but Valley maintained their

lead scoring 24 points to Eastern's 22, ending the game at 69-52.

### Flyers split with Triton

Triton and Akron split a pair of seventh grade games played at the Akron gym with the Trojans edging the Flyers 44-42 in the A-team contest while Akron won the B-team game 31-28.

In the A-team contest, Triton jumped to an early lead of 12-6 at the end of the first quarter, but saw the Flyers pull to within four at 23-19 at the half. The Flyers outscored their opponents by two in the second half, but it wasn't enough as they went down to their ninth defeat against one win. Charles Shepherd was Akron's scoring leader with 10 points followed by Stan Miller with nine, Troy Ruff, seven and Rick Dittman, six. Ruff was Akron's top rebounder, pulling down seven boards, while Dittman had six. Brian Johnson recorded three steals and five assists while Miller also had three steals and three assists. Fretz topped Triton with 14 points and Sechrist chipped in 11.

#### B-team action

The B-team game saw Akron jump ahead 8-4 after the first quarter of action, but Triton took the lead 12-11 at the half. The third quarter saw the Flyers score 12 points to Triton's six and the Flyers were able to hang on for the 31-28 victory. It was the B-team's first win in three contests. Brent Fultz paced Akron with eight points while Bob Lynn put in seven. Fultz was Akron's top rebounder with five while Johnny Williams had three steals and two assists. Will Hodges and Matt Smith also passed off for two assists each. Brandon Taylor scored his first basket of the season for Akron. Dowdy of Triton led all scorers with 16 points.

Akron will complete its regular season by hosting Warsaw Thursday, January 24 at 4:30 and then will participate in the Mentone 4-way Tournament to be held Saturday, January 26. The Flyers will clash with the host Bulldogs at 8:45 a.m.

The seventh grade and eighth grade boys basketball teams at Mentone literally smashed Milford last week.

The seventh grade team posted a 44-12 win with help from Scott Smith's 13 points, four assists and six steals. Derek Eaton added 12 points and seven rebounds. The team is 8-4 on the season.

Mentone's seventh and eighth grade boys basketball squads lost their games last week to Manchester.

The seventh grade contest ended at 46-38, and set their season record at 8-5. Derek Eaton had 13 points, 11 points and 11 rebounds were Greg McCleese's and seven assists and three steals were from Scott Smith.

Mentone's eighth grade ended 31-26 and saw Dion Anglin score 12 points, field nine rebounds, give two assists and a pair of steals. Clinton Alexander had four points. Skipper Smythe added two assists and Troy Busenburg had a pair of steals. The eighth grade is now 10-3 for the season.

#### Eighth grade action

Posting 16 points for his team, Dion Anglin aided in the 64-38 win over the Milford eighth, his nine rebounds and four steals added to Skipper Smythe's eight points and Ben Anderson's eight, helped their team to a 10-2 record for the season.

### 9th Girls win

Tippecanoe Valley's ninth grade girls basketball team defeated Whitko 18-11 last week. Valley was led by Darci Jordan's five points and Lisa Huffman's four. The Lady Vikings are now 5-3 for the season.

### Swimmers drench North Judson

The Valley swimmers took everything but the first event in action last week against the North Judson Bluejays.

Randy Paris and Dayne Manwaring, both with double wins; Paris in the 50 and 100 freestyle events, Manwaring in the 200 medley and 500 freestyle events, helped Valley to their 104-62 win over their opponents.

Finishing first in the 200 freestyle was Craig Good, 3rd was Stubblefield. Valley swimmers finished second in the 200 medley relay.

Valley's Beery finished second in the 200 medley; Sam Manwaring second and Smith, third in the 50 freestyle; Dan Cave took the first honors in diving, Scott was second. Josh Smith first,

Goodwin, second in the 100 butterfly; Good, third in the 100 freestyle; Sisk, third in the 500 freestyle; Scott Beery, first, Goodwin, third

in the 100 backstroke. Sam Manwaring took first in the 100 breaststroke. Valley's Smith, Good, Stubblefield and Paris, first in the 400 freestyle relay.

### AISE seeks families for Foreign Exchange Students

Host families are needed for high school foreign exchange students, aged 15 to 18, who have been selected to attend high schools in Indiana for the 1985-86 school year in a program sponsored by the American Intercultural Student Exchange (AISE).

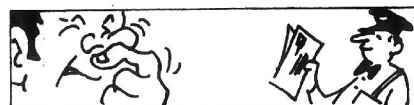

Susanna Carlsson, a 16 year old girl from Sweden, is a competitive tennis player who also enjoys horse riding, sailing, skiing and singing. She loves to travel and would like to see America, meet new friends, and improve her English.

Leif Finnesand, a 16 year old boy from Norway, plays tuba in his band. He also likes soccer, water-skiing and computers. He would like to test his independence by interacting in a new environment while enjoying the support of a new family.

Susanna, Leif and other young people like them from several countries, are in need of loving families to provide meals, lodging and guidance to them from mid-August, 1985 until June, 1986, according to Michael Kell. These students have many interests, from sports to politics to music and art, and have expressed an interest in learning about the United States and its people. They have been screened by their school representatives in their native countries, have their own spending money and medical insurance.

AISE is a non-profit exchange visitor program participating in the President's International Youth Exchange Initiative. "...we cannot hope that other nations will appreciate our country unless more of these future leaders have had the same chance to feel the warmth of the American family, the vitality of an American community, the diversity of our educational system."

If your family is interested in being an AISE family for one of these students, please contact AISE immediately. You may call Michael Kell at (812) 526-2577 or 1-800-SIBLING.

A letter is coming, it's believed, if your nose itches.

#### NOTICE TO AKRON RESIDENTS

The Akron board of trustees has set up a policy on payment of water and sewage services as follows:

The water and sewage payments are due on the 10th of the month. If payments are not received by the 20th of the month the services will be discontinued on the 21st.

If the services are discontinued on the 21st of the month there will be a \$4 reconnection charge levied when the payment is received.

Please bring a copy of your bill when you make a payment.

## Time running out for veterans

Time is running out for Korean Conflict and Vietnam Era veterans to apply for eligibility under the Jobs training program. "No new applications may be accepted after February 28, 1985," said Roy C. Wetherell, Director of the Veterans Administration Regional Office in Indianapolis.

"Veterans seeking employment have a real advantage when they can show a potential employer that the VA will reimburse the business one-half of the veteran's starting wage, up to \$10,000," said Wetherell. This is a tremendous opportunity that unemployed veterans should not let slip by.

To qualify, a Korean Conflict or Vietnam Era veteran must have been unemployed for at least 15 of the 20 weeks prior to filing an application. Generally, assistance is available for up to nine months of training. However, veterans with a serious employment handicap can get up to 15 months training.

For more information, contact the local State Job Service listed in your local telephone directory or the Veterans Administration at 1-800-382-4540.

## And Public Service Indiana has one to offer.

If you're an elderly or disabled customer who's needy, we'll help you pay your electric bill.

It's called the Helping Hand program. Our stockholders are funding it. If you qualify, we'll match what you can pay, money contributed by a local organization, or both.

We'll match up to \$40 on one month's bill, or up to \$160 this heating season. We limit the amount we offer each needy customer so we can help more customers. The American Association of Retired Persons is cooperating in the program by distributing the funds.

If you're part of a group that's helping others, we'll lend you a hand.

Churches, community groups and social service agencies can help by identifying customers who need aid. And if your organization would like to help an eligible person with a donation, we'll match it.

Our matching funds can make your funds go farther. With Helping Hand, you can help more people in more ways.

Contact us for details.

If you need a Helping Hand...or if your group would like to help us offer one...call or visit your Public Service Indiana office.

## Blizzard related accidents in area

Blizzard conditions with sub-zero temperatures, blowing, drifting snow and an almost complete "white-out" Friday afternoon, closed schools and many

at 2:15 p.m. Friday on St. Rd. 19, near Co. Rd. 100N, north of Akron when two cars hit headon in the blinding

businesses and paralyzed all of northern Indiana. Winds gusting to 50 mph with more than five inches of snow, caused several chain-reaction multi-vehicle pileups in the area.

Akron Police were called at approximately 1 p.m. to C.R. 1075E and 250S at Akron when a car driven by Allen Bowman, Rt. 1, Akron and a truck driven by Duane Hammond, Rt. 1, Akron were involved in an accident, caused by the blizzard conditions. No personal injuries were involved in this incident.

The Akron Police made a county assist at an accident

snow. The cars were driven by Earl Wilson of Indianapolis and Michael Eiser, Rt. 1, Mentone. A passenger in the Wilson car and Mr. Eiser were transported by Akron E.M.S. to Woodlawn Hospital for treatment of injuries sustained in the accident. A third vehicle driven by Greg Lowe, Rt. 2, Rochester piled into the rear of the Wilson car after the first collision, but he was not injured and was able to drive his vehicle away from the accident. The other two vehicles were a total loss.

A third reported incident Friday afternoon, involved a van owned by Pike Lumber Co., Akron, driven by Jaun Guyer, Peru and a pickup owned and driven by Fred Hoover, Rt. 2, Macy and a

third vehicle driven by Bryon Myers, Rt. 2, Akron. No personal injuries were reported in this incident. The accident occurred at St. Rd. 19 and 300 South. Akron Police investigated.

## Manns home destroyed by fire

Henry Township Volunteer Fire Department were called to a house fire at the Willard Manns home East of Gilead in the early hours Saturday morning, only to arrive to find the house completely consumed by flames.

Manns and his family escaped the flames barefooted approximately 1/4 mile away to report the fire.

Mr. Manns and his son were transported by Akron E.M.S. to Woodlawn Hospital, Rochester for treatment of supposed frostbite. Mr. Manns was admitted for treatment and released Saturday morning.

## TVSC one step closer to \$4.2 mil building program

Nasty weather and bad roads didn't keep people from attending the Tippecanoe Valley School Board meeting last Monday evening. On the agenda for the evening was the public hearing on school construction, the selection of architects for the project and the sale of the building trades house.

The public hearing, held according to a new state law, was another step toward the building project estimated to cost \$4.2 million for the Tippecanoe Valley School system. Dr. Ted Kowalsky of Ball State University who has been hired as financial advisor for the project, reported to the board, the increase on the tax rate in the debt service fund would be approximately \$1.03 per \$100 assessed valuation in 1987 and \$1.52 in 1988, if there is a 24-year lease agreement at 10.5 percent interest.

The present debt service rate is approximately 74.4 cents, that being the amount for the holding corporation for the payment of the high school building and some buses purchased two years ago thru bonding. The buses, Superintendent Paige noted are to be paid off prior to the first payment being made of any structure, reducing the debt service rate about 20 cents, (making it about 54 cents), before the new building program; making the increase in debt rate approximately 75 to 80 cents.

### Program includes

New construction would include replacing the rooms for the sixth thru eighth grade at Akron School, following demolition of the old building, and the remodeling of the gymnasium plus adding additional classrooms necessary for prime time study; adding eight classrooms at Mentone to take care of the prime time requirement and adding one multi-purpose room at Burket, to include lunchroom, library and indoor play area.

The estimated completion date for the project was given as June 1987.

### Architect named

Board members, in discussion of their choice of architects for the project, noted that all members of the board with exception of John Mellott had been able to visit schools in northern Indiana, on which their selection was based. Trustee Royer noted that he was glad to see that the choice was with an architectural firm which did not design flat roofs. The board's choice for the project was the Fanning-Howey Associates firm of Michigan City, which prepared the feasibility study.

### Bldg. Trades house sells

Three bidders were present at the meeting to bid on the 1983-84 building trades house which has been up for sale since June 1984. The house, located in the Saner Addition, Akron was appraised at \$55,507.50, of which amount the school corporation must receive 90% of that total appraisal price. Bids started at \$50,000 with President of the Board Fred McSherry presiding as auctioneer. Interest at first seemed to be just between two bidders, Dave French of Akron and Andy Wyckoff of Beaver Dam Lake, who between them ran the bidding to \$51,400, Wyckoff having the last bid. Jerry Kindig, Akron then gave a bid of \$52,500 which made him the successful bidder.

### Board of Finance

Fred McSherry, president and Jim Royer, secretary, were named by the board as the Board of Finance upon Superintendent Paige's recommendation.

### Other business

Board members accepted for the corporation, a donation by Michael Fitzpatrick of disc drives to use with the high school's IBM personal computers and a \$200 donation of books by the Akron Las Donas Club to the Akron Elementary School Library.

A request from the high school Ski Club for permission to go on an overnight outing to southern Michigan, and use of a school bus for transportation was approved. Sponsors for the group are Wayne Cumberland and Jon Parker.

Board members appointed Ed LaMar as representative to the Bell Library Board.

### Resignation & leaves

The resignation of Jerry Kissinger, teacher at Mentone Jr. High was accepted; requests for extended maternity leaves by Lois Buss and Marjorie Sanders were granted; request for maternity leave by Debbie Smalley was granted.

### Temporary contracts

Temporary contracts for second semester for LaVerta Walgamuth, high school English and French, and Sharon Kindig, Mentone fourth grade were signed. A regular teaching contract for Miriam Ruppel for second semester was signed. She is returning from a maternity leave.

An extra-curricular assignment contract was granted for Greg Sciarra as Intramural Director.

## Historical Society reorganizes

The Genealogy Section and the Indian Awareness Center, branches of the Fulton County Historical Society, organized for the new year and elected new officers.

Jeff Gelbaugh was elected president of the Genealogy Section, which meets the second Tuesday of each month in the Indiana Room of the new library. Nancy Sawyer was elected vice president; Ann Benzing, secre-

tary; and Ruth Tetzlaff, treasurer. All are of Rochester.

Nancy Sawyer gave the program, which consists of genealogy charts she had collected samples of at various genealogy workshops.

Don Clark, Rochester, was re-elected president of the Indian Awareness Center, which meets the second Saturday of each month in the Civic Center Museum. Tom

Ebbing, Fort Wayne, was re-elected vice president. Shirley Willard, Rochester, was elected secretary, and Barb Pulley, Bippus, treasurer.

Tom T. Hamilton, Leesburg, told of Abram Burnett, his Potawatomi ancestor who was on the Trail of Death. He presented FCHS with a video tape of the Trail of Courage Rendezvous which he edited into a half hour promotional program.

Ebbing gave copies of his Indian poems which are available at the museum now for a donation. Using his Indian name of Dancing Feather, Ebbing has written many poems expressing the Indian spirit.

Frank "Big Elk" Comer invited all to attend the Intertribal Council at his house near Greentown the first Sunday of each month. The group plans to attend Feb. 3, forming a car pool. Persons interested in going should contact Don Clark at 223-5298.

Dues in the Indian Awareness Center are \$10 individual or \$15 family. There are no attending the meeting.

## Burket Community

Memorial services were held Thursday for Mrs. Josephine Wooten. Our sincere sympathy to the family.

Again cold weather and snow caused a lot of cancellations, postponements and changes of dates for

various meetings. A reminder that we still don't control the weather!

Mrs. Mark Swick and Rachael of Indianapolis spent a couple of days last week with her parents, Mr. and Mrs. Charles Lyon and on Wednesday evening called on Mr. and Mrs. Claude Swick and Macks.

Mr. James Kuhn called at the Claude Swick home on Saturday.

Sunday dinner guests of Mr. and Mrs. Claude Swick were Mr. Macks Swick, Amy and Bridget and David Jr., Christy and Misty Swick. Afternoon callers were David and Frank Swick.

It is tourney time and you can only guess on the weather it brings!

40 YEARS AGO

Thirty-two were present at a potluck dinner held at the Arlo Friesner home Sunday in honor of Donald and Royal Blue, sons of Mr. and Mrs. Pete Blue, and Myron Blue, son of Mr. and Mrs. Lee Blue of Bourbon. Donald has been in the Pacific theater with the Air Corps and Royal has just completed his "boot" training in the navy. Myron has enlisted in the Merchant Marine.

Those present were Mr. and Mrs. Pete Blue and family, Sgt. and Mrs. Donald Blue, Mrs. Ida Blue, Tommie Blue, Mr. and Mrs. Phillip Blue and daughter Jackie, Mrs. Etta Halterman, Mr. and Mrs. Wm. Cook, Mrs. Susan Blue and children, all of Mentone; Mr. and Mrs. Lee Blue and family of Bourbon; Mr. and Mrs. Bill Blue and family of South Bend; Mrs. Lulu Blue of Rochester and Mr. and Mrs. Friesner and family.

The fire department was called to the Delford Nelson home, north of Burket on road 25, Monday morning to help the Burket fire department and neighbors, to extinguish a fire in their home. The roof was set ablaze, evidently by sparks from the chimney, and the blaze had a pretty decent start when first discovered. The inside of the home was not seriously damaged either by water or fire but an actual estimate has not been announced.

Mr. and Mrs. Summer Rhoades, of Ft. Wayne, entertained to a Sunday dinner in honor of George Clemans who has returned from three years overseas. The guests were Mr. and Mrs. Wm. Blackburn and family of Mentone, Mr. and Mrs. James Clemans and family of Kendallville, Mrs. Lester Burns and daughter of Anderson, and Mr. Everett Clemans of Akron.

Paul Jones, who is assigned to a LST in the navy, is home for a 30-day furlough with his parents, Mr. and Mrs. Vernon Jones, of Mentone, and his wife and two daughters in Elkhart. He has been to France, Italy and Africa and leaves for Norfolk, Va., Feb. 6th. He has been overseas eight months since he had his seven weeks of naval training.

Starting Monday, hot noonday lunches were made available to students at the Mentone school and judging by the number that are depending on the program for their dinners, it is being well received. Approximately 150 students have been eating there this week. The lunch program was put into effect by the ladies of the Mentone Reading club, aided by the Lions club and school officials. Mrs. Arthur Witham and Mrs. Walter Dillman are doing the cooking and Miss Flora Holt has had charge of the food purchasing. Several ladies from the Reading club have been assisting at various times and a number of the older school children aid considerably during the lunch hour.

## Purdue Ag Awards for local men

Five professional agriculturalists were honored by the Purdue Agricultural Alumni Association Friday, January 18 at the organization's annual Fish Fry.

The certificate of distinction is the highest award given by the association, and is based on outstanding service to agriculture.

Some 35 Hoosiers--most of them Purdue University School of Agriculture graduates--were nominated for the 1985 awards. The recipients include brothers who operate a seed business, a professional farmer, a retired County Extension Agent, and a vocational agriculture teacher.

The brothers, John A. and Gilman C. Stewart, Rt. 8, Greensburg agribusinessmen, were nominated separately. Others honored were Will W. Erwin, rural Etna Green; O.K. Anderson, 420 Buntin St., Vincennes; and Simon M. (Si) Deeb, Rt. 1, Rochester.

Erwin, a graduate of the University of Illinois College of Agriculture, is a life-long farmer who is president and general manager of his family's Triple "E" Farm, Inc., near Etna Green. He is known for his public service, avid interest in wildlife conservation and rural development, and assistance to young people interested in farming.

Erwin served two terms as an Indiana state senator, and in the federal government under four Presidents -- Eisenhower, Johnson, Nixon and Ford. As assistant secretary of agriculture during the Ford administration, he coordinated all federal rural development assistance programs. He currently serves as agricultural consultant to the U.S. Environmental Protection Agency.

Erwin received the national Jaycees Outstanding Young Farmer Award and the National Vocational Agricultural Teachers' Assn. Outstanding Service Award. He also received the University of Illinois Agricultural Alumni Award of Merit, and the Outstanding Conservation Award of Marshall County. He is a member of the board of directors for the Indiana Institute of Agriculture, Food and Nutrition, Inc., a member and past chairman of the Purdue Farm Policy Study Group. He is also chairman of the Dana and Edith Bennett Agricultural Round Table, a member of the White River Park Development Commission, director of the Foundation of American Agriculture, a trustee of the Farm Foundation, and past president of the Purdue Farm Policy Study Group.

Deeb, a 1949 graduate of Purdue's School of Agriculture, has taught vocational agriculture at Rochester High School since 1953. He is well known for his positive influence on the lives of hundreds of students, for his impact on vocational agriculture in Fulton County and the state, and his successful soil judging teams which have frequently placed high in state and national contests, winning the national contest in 1983.

Deeb has served as president of the Indiana Vocational Agriculture Teachers' Assn., and founded the Rochester Chapter of Future Farmers of America. He was a catalyst in founding the county's 4-H livestock auction and served some 24 years on the committee, 10 years as chairman. He also initiated the 4-H Fair Livestock Judging Contest and served as chairman of the 4-H Fair Livestock Judging Contest some 30 years.

Deeb has served as Fulton County councilman, a member of the Rochester Waterworks Board, and on the board of directors of the Farmers and Merchants Bank. He was named the Rochester Chamber of Commerce's "Outstanding Citizen of Fulton County in 1984," and also was named a Friend of Extension for his contributions to the 4-H Club programs.

## Fulton County Clubwomen to meet

Fulton County Federated Clubwomen will hold their County Council meeting Thursday, Jan. 31, in the Fulton Co. Library at Rochester. Lorene Rauschke will preside at the 10 a.m. meeting when plans for the annual Spring Convention will be made. Akron Women's Club will host the event March 25 in Akron Church of God.

Cara Lynn Tucker of rural Mentone is slated to speak at the Feb. 7 meeting of the Akron Club in the local library basement at 1:30 p.m.

## Mentone notes

## Letters to the editor

On behalf of the Mental Health Association in Fulton County, I would like to thank our local citizens for their excellent support of the Mental Health Christmas Gift Drive.

This is the highlight of the year for many of our patients at Logansport State Hospital, as many of them are not remembered during the year. We also took gifts to patients at the local nursing homes who have no family contact. This included 25 patients. Here again we personalized the gifts to their wants and or needs. What a thrill it was to deliver these gifts in person to each individual.

The monetary contributions were used to purchase the items needed or wanted for local nursing home people to buy items to supplement the gifts donated for state hospital residents and to purchase some larger items for use on wards. The nursing home staff was most co-operative in providing a list of needs or wishes that their patients desired.

Our project began back in Oct. when the RSVP group so efficiently addressed and

assembled letters for us. A special thanks to them plus the businesses and churches throughout the county and Rochester where deposit boxes were located, to the ministers for their interest, and the fine publicity which was given by Radio Station WROL, Shopping Guide News, Akron and Kewanna newspapers and The Rochester Sentinel.

I am especially grateful to the Extension clubs of Fulton County as they sponsored a Christmas party that included plenty of food, bingo, carols and even Santa made a visit for 41 patients and staff. A group of 11 women met one evening to wrap and prepare the gifts for the nursing homes. Ten people gave their day at the State Hospital to wrap gifts, and fill "the want list" for patients.

Christmas is a time to "Share and Care" and should it be a group or individual who gave a gift, donation or time — you indeed, made someone else's day a brighter one. You all made our drive truly a success. We thank you all.

Thanks to Pat Wagoner, our Mental Health executive

secretary, who is not only a "helping hand" at Christmastime, but throughout the entire year.

Being Christmas chairman and sharing with the mental patients and nursing home patients makes my own Christmas more meaningful and complete.

A big thank you to Hook's drug stores for their involvement as state sponsor of the drive.

Mrs. Nelson Hunter, Jr.

To The Editor:

As a scleroderma patient who has suffered alone for too many years with a disease that few people have ever even heard of, I am attempting to locate others who suffer from scleroderma (systemic sclerosis).

My New Year's resolution is to correspond with as many scleroderma patients as possible. Doctors tell me there are 300,000 of us. Perhaps your readers can assist me in locating others like myself. I can be reached at 21 Brennan Street, #21, Watonsville, CA 95076.

Thank you,  
Diane Williams

The Ray Circle of the Akron United Methodist Church would like to express their appreciation to everyone who made our cook book sales a success. A special "thank you" to Vivian Spence, Martha Waymire, Ruby Bowers, Jenny Gast, Donna Loer, Janet Hackworth, Debbie Gray, Darlene Drudge, The Corner Cupboard, and Day Hardware for selling our cook books, although they were not members of our circle. We have a few left, see any member.

## TVSC one step closer

Continued from page 1.

Professional leaves were given the nod of approval: John Hill to attend the North Central Association meeting in Chicago, March 17-20; Juna Graham, OEA Sponsor to attend the OEA National Leadership Conference in Houston, Texas, April 26 thru 30 with several of her OEA students who will take part in the National OEA contest; and personal leave for February 15-17 for coaching staff: Jeff Phillips, Greg Sciarra, Joe Sutton, Doug Makula and Gary Lafferty, to attend the Football Clinic in Louisville, Kentucky.

### Principal's report

Elementary school principals England, Leitchy and Kramer reported that their third and fifth grade students are taking achievement tests this week at school. They also reported that their third grade students would be attending the Shrine Circus in Fort Wayne, Friday, February 1. Burket Principal England noted that dual portrait pictures will be taken at Burket School on Wednesday, Feb. 13.

### Talent Search Program

Kramer told the board that Saturday, eighth of the Akron and Mentone junior high students would be involved in the Midwest Talent Search Program, taking SAT tests at Warsaw to determine their academic abilities. This is an attempt to identify gifted students in academic areas.

Ron Leitchy, Mentone's principal said the Mentone School had held their National Honor Society induction for seventh graders on January 8. He also announced that the Tippecanoe Valley Kiwanis Club were sponsoring a Valentine's Dance for Akron and Mentone Jr. High students on February 14 at the high school.

### High School report

Principal John Hill reported that Betty Smith, Valley's winner in the Voice of Democracy Speech Contest was also chosen as second place winner in the district and will be honored at a banquet to be held in Rochester on Feb. 4. He said the Winter Band Concert, which will take place in a dinner theatre setting, will be held February 13 in the commons area at the high school. Scheduling for Freshmen, Sophomore and Junior students for next year is beginning at the high school. ## Akron Nutrition Site

Phone 893-7204 or 893-4668

The Akron Nutrition Site was closed Monday, Jan. 21st and Friday, Jan. 25th due to the massive block of arctic cold air, high winds, and heavy snows.

I want to thank all of my volunteer drivers for delivering the homebound meals this week in such cold weather. Also thanks to the volunteers who come in each day and help out at the nutrition site. It is through your efforts this program is working in your home town. A special thanks to Marvin Gagnon for cleaning the snow off the sidewalks around the Akron Lions Club, where the Nutrition program is located.

Once again we want to wish our Keen-Agers who are off to Florida, a safe trip and we will see you early spring.

A reminder to the volunteers: please turn your hours in to the RSVP, 625 Pontiac St., Room 105, Rochester, Ind. 46975, or mail them in.

The Akron Keen-Agers with Edith Hastings and her son Gabriel, a speedy recovery from an automobile accident on Sunday, Jan. 13. We will be voting on the volunteer Queen or King

next week. Please keep this in mind, come in and vote.

Senior citizens, come join us for a well-balanced meal, fellowship, or just stop in and chat over a cup of coffee. Let's make 1985 a good year and a successful program.

For your meal reservation please call in between the hours of 9 a.m. and 12:30 p.m. the day before you plan to join us. We are open Monday through Friday except for holidays.

Meals for Mon., Feb. 4 thru Fri., Feb. 8 are:

Monday - Baked chicken, gravy, whipped potatoes, broccoli with cheese sauce, hot dinner roll, fruit jello with cookie, milk.

Tuesday - Ham loaf, baked potatoes, creamed corn, sliced tomatoes, dinner roll.

## Fellowship meeting

The Women's Fellowship of the Church of the Brethren met at the church for the January meeting.

Chris Tinkey led devotions. Her thoughts centered on "Does Anybody Really Care?", from the devotional book, "The Greatest Commandment," which the group will be using this year. She also read a letter from

the book, "Dear Jesus-Love Sandy." The Lords Prayer was said in unison.

Lavon Mark, president, presented several items of business for discussion. Roll call was answered by the ten members present by telling, "What I hope to accomplish in the New Year."

The remainder of the evening was spent trimming stamps.

Lana Bowser served delicious refreshments. Kay Brouette will be hostess to the February meeting.

## Club meets at Miller home

The Perry Home Improvement E.H.A. met in Akron at the home of Helen Miller. Alice Teel presided at the meeting. The group sang "I Would Be True," and "Happy Anniversary" to Helen Miller and Marie Nestleroad.

Lucille Personette led devotions, suggesting that during study of our Bibles, we consider the responses of Jesus to people, by actions and by His spoken words, then ask yourself "Is this the way I would have responded?"

Suggestions for driving on slick roads were given by Health and Safety leader Marie Coon.

Lucille Personette attended the vice president's planning session when Marjorie Miller was in Hawaii, and reported the topics considered for lessons for the coming year.

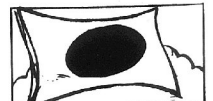

The actual planning will be done later. Susan Neher offered to demonstrate microwave cooking to any club who invites her. Alice Teel brought a report from the County Council. Each club member is invited to submit a recipe by Feb. 8 for a new 1985 County Club Cookbook. These recipes along with the name of the donor and her club will be printed.

March 11 is the date scheduled for a cooking school session conducted by Produce People.

Susan Neher is meeting at Miller's Merry Manor with the residents there who are interested in lessons. She asks for volunteer help to present Crafts, etc. on the first and third Wednesday afternoon of the month.

Alice Teel auctioned birthday items and Marie Nestleroad was today's Lucky Lady. Lucille Meredith, our guest, assisted our hostess as they served lovely refreshments.

Others present were Pauline Miller, Marie Long, Neva Robison, Aurel Musselman and Emma Burns.

Tokyo became the capital of Japan in the early 1600s.

## Books at Akron Library

The Akron Public Library has the following books available:

**THE LANDOWER LEGACY** by Victoria Holt — Against the rich background of historical detail that is her hallmark, Victoria Holt creates a colorful story, a spirited, outspoken heroine, and characters of depth and reality; among them the Landower brothers, whose desperation to save their vast holdings spawns a legacy of hatred and death.

**WE ARE YOUR SISTERS** by Dorothy Sterling — Here is a fresh and often startling look at the experience of black women in the nineteenth century, a rich documentary that emphasizes both the trials and the joys of ordinary women and the achievements of the well known. For the first time, slavery is seen from the perspective of women slaves. Reconstruction through the eyes of freed women. Black women's broad participation in the antislavery movement — as schoolmarm after the Civil War and as early doctors — is also documented here for the first time.

**POLSKINNEY HARBOUR** by Mary E. Pearce — On a July evening in 1869, Maggie Care, fleeing the memory of a great tragedy, arrives footsore and weary in the Cornish fishing village of Polskinney. Slowly, but surely, her future grows brighter, until a sudden revelation from her past destroys Maggie's budding hopes for the future. Only old, eccentric Gus Tallack proves to be a friend in need.

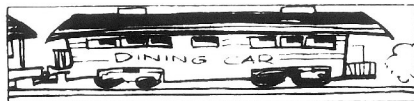

**BORN OF THE SUN** by Gillian Cross — For years, Paula and her explorer father have talked about trying to find the lost city of Atahualpa, the son of the Sun, the last Inca to rule Peru. Paula realizes that

loyalty to her father is not enough. She must face the unknown and discover for herself what sort of a dangerous trip she is making, "because this journey is the most important thing in the world to him."

**FRONTIER** by Louis L'Amour — In more than 25 newly written essays L'Amour leads his readers to up close encounters with this vast country in all its wonder, splendor, and danger. To provide an even richer sense and understanding of the many facets of the frontier, L'Amour has worked with acclaimed landscape photographer, David Muench, to specially illustrate the land he writes about.

**CANDIDATE FOR LOVE** by Janine French — A dazzling autumn and winter setting, New England at its most scenic, provides a lush backdrop for this contemporary love story about a young woman's tempestuous confrontation with her own needs and desires. Despite her rough edges, Bronwen had attracted the attention of Trevor VanDyke, a rich and ambitious state senator. But could the love survive the pressures of his extraordinary life?

**THE LAST SPRING IN PARIS** by Hans Herlin — Spring of 1944. The Germans have been occupying the French capital for four long years, but an Allied landing is imminent. Will this be the German's last spring in Paris? Interwoven with this classic tale of divided loyalties, personal and political, is the relationship with Berger and Jannou, a beautiful French girl. Their moving and passionate love affair forms a counterpoint to the development of a tense, dramatic, and largely factual story.

The first dining cars were in service on the Wilmington and Baltimore Railroad in 1863. They had no seats; passengers ate standing up or took their food back to their seat.

### NOTICE TO AKRON RESIDENTS

The Akron board of trustees has set up a policy on payment of water and sewage services as follows:

The water and sewage payments are due on the 10th of the month. If payments are not received by the 20th of the month the services will be discontinued on the 21st.

If the services are discontinued on the 21st of the month there will be a \$4 reconnection charge levied when the payment is received.

Please bring a copy of your bill when you make a payment.

## Joy of Gardening airs February 2

**EVERYONE CAN HAVE** a beautiful and productive garden if they watch "The JOY OF GARDENING", the top-rated gardening series on commercial television. How-to advice comes from left to right, master gardener Mark Hebert, host Dave Schaefer, and cookbook author Janet Ballantyne. It airs at 9 a.m., Sundays on WNDU-TV, Channel 16.

"The Joy of Gardening", the top-rated gardening series on commercial television, will begin its 1985 season in the South Bend/Elkhart area on Sunday, February 2, 1985.

The program will be seen at 9 a.m., Sundays on WNDU-TV, Channel 16.

The half-hour, how-to series features authors and

master gardeners Mark Hebert and Dick Raymond with down-to-earth information

on gardening methods, plus many tips and techniques based on years of experience. Cookbook author Janet Ballantyne demonstrates recipes using garden harvest.

Series host Dave Schaefer

said, "We've just completed 13 new programs on location in our demonstration gardens. There's useful information here for every gardener, from beginner to expert. We've done one program especially for apartment and condominium dwellers."

The program is aired on commercial television stations nationwide.

## Director Culver Bank commits suicide

A director of the financially troubled State Exchange Finance Co. of Culver, Robert E. Grossman, committed suicide, according to Marshall County Coroner G. Dean Byers.

Grossman, 47, was found dead in his parked car inside the Maple Grove Cemetery East of Argos at about 9 a.m. Tuesday morning, January 23rd. Coroner Byers ruled the cause of death as carbon monoxide poisoning, and set the time of death at approximately 9 p.m. Monday evening.

Grossman was one of the defendants in a federal civil suit filed by SEFCO investors, who claimed the bank's collapse on the management's wrong doing.

Directors of the Culver bank had filed for Chapter 13 bankruptcy protection in December of 1982.

Another official of the company, former chairman, Fred Adams, committed suicide on Jan. 10, 1983, after learning the Federal Deposit Insurance Corp. planned an investigation for possible criminal violations in the State Exchange Finance Co. case.

Grossman was part owner and resident of the Grossman Funeral Home in Argos.

AKRON JR. HIGH TEAMS played Warsaw last week at the Akron gym. Shown is Akron's Craven Lynn and Warsaw's Anderson on a jump ball called because of a double foul. (News photo)

## Flyers wipe out Warsaw 8th

Akron's junior high basketball teams split in action with Warsaw's teams last Thursday on the Akron floor.

The eighth grade team won their tilt 61-49 in rough and tumble action through the first three quarters, only to pull ahead in the beginning of the fourth quarter and steadily pile up the points.

Nearly equal in offensive and defensive action, the teams played to 37-38 at the end of the third quarter, when a 1-and-1 free throw by Craven Lynn put the Flyers ahead by one. Action by Reed at the free throw line on a one and one and a bucket by Pete Terpstra put the Flyers up 42-38. A big effort during the last minute of play saw Akron steadily pull ahead to their final score.

Scoring 20 points for his team, Terpstra was high point man for the evening, followed by Craven Lynn with 19, Reed with 10, Feld-

man with four, Gunter with four, Brouyette with two and Harsh with one.

High point man on the Warsaw team was Anderson with 18 points.

Scores by quarters were: 1st - Akron 8, Warsaw 10; 2nd - Akron 22, Warsaw 24; 3rd - Akron 37, Warsaw 38; 4th - Akron 61, Warsaw 49.

### Seventh Grade Action

Akron's seventh grade team fell to its tenth defeat of the season at the hands of visiting Warsaw by a score of 46-3. The Flyers were unable to put the ball in the basket on a 1 of 32 shooting effort and consequently suffered their worst defeat of the season. Warsaw was paced by Fuentes with 12 points and Hamilton's 10. Stan Miller had Akron's only basket and Bob Lynn tossed in a free throw. Rick Dittman pulled down five Akron rebounds, while Lynn recorded four boards. Brian Johnson had four steals for the Flyers.

## Freshmen clip Culver team

Tippecanoe Valley's freshman basketball team improved its record to 10-3 with a 46-18 victory over

Culver's freshman last week. Randy Cumberland led the Vikings with 15 points, and Brian Peterson added eight. Alexander was high in rebounds with 13 for the evening.

## Akron youth National Award winner

Akron eighth grader, Craven Lynn has been named a 1984 United States National Award winner in Physical Education by the United States Achievement Academy. This award is a prestigious honor very few students can ever hope to attain, in fact, the Academy recognizes less than 10% of all American high school students.

Craven was nominated for the award by Mr. Rudy Glingie, his physical education teacher at Akron, and will appear in the United States Achievement Academy Official Yearbook which is published nationally.

He is the son of Mr. and Mrs. William C. Lynn, Saner Drive, Akron and the grandson of Mrs. Margaret R. McSwain of Lexington, South Carolina.

## Maconaquah edges Valley team

Bad luck during second quarter play put Valley in the position of playing "catch up" when they fell behind ten points on the Maconaquah court last Saturday evening, January 19, but they "almost made it."

Up to the final 4 1/2 minutes of the game, the Vikings were leading 64-63, but during those final minutes, they were unable to get possession of the ball, or get in the lead again. The Valley squad cut the lead to 77-75 at 24 seconds left to play, then saw Ryan Grove at eight seconds left hit two free throws.

Ken Johnson led the team with 25 points. Steve Lester adding 16, with a 12 for 12 effort from the free throw line. The Vikings hit 61 percent from the floor, but turnovers, 20 of them, didn't help the Viking effort as they fell 79-77.

In parts of Australia it was believed thunder caused turtles to come out of the water.

## Local students receive honors at Purdue

Four young men and women from this area were among the total 1,870 students who received degrees at Purdue University's winter commencement December 22nd.

Graduating with distinction in the field of computer technology, Diane Kae Hathaway, Rt. 1, Claypool, received her Bachelor of Science Degree.

Brian James Romine, Rt. 1, Mentone received a Bachelor of Science Degree in the field of agriculture.

Paula Jean Raber, Macy, received an Associate Degree in Applied Science in the field of computer technology.

Ronald J. Oppler, Rt. 1, Akron, received a Bachelor of Science Degree in the field of agriculture.

## Lady Flyers win 'squeaker'

The Akron eighth grade girls defeated a fine Mentone team 19-17 Wednesday the 23rd at the Mentone gym. Both teams had a struggle to

get their offensive games going. At the end of the first quarter, Akron led 4 to 2; Mentone led at the half 7-4 and at the end of the third quarter, 13 to 10. Akron

overcame the much taller Mentone team to a final score of 19 to 17.

Leading scorers for Akron were as follows: Jana Murphy with eight points and seven rebounds, Debbie Evans with six points, Sandra Johnson with four points, Missy French added one point. Laurie Bowyer contributed with eight rebounds. S. Stavedahl, S. Miller, A. Vojtasck, T. Grogg and J. Ogan played well, though did not score.

Mentone's leading scorers were: Martin, eight points, Secrist with seven points and Ross with two points.

### Seventh Grade Action

The Akron seventh grade girls led the entire game against Mentone's seventh grade girls, winning 19-14. High scorer for the evening was Katy Ramsey with six points. Christie Bowers tossed in five points, Jenny Doud came up with four points and Mill Butt also added four.

Rt. 2, Silver Lake, refused  
medical treatment for minor  
bleeding in eye area.

We wish to express our thanks to everyone for  
their calls and prayers throughout our trying times. A  
big thank you to everyone who volunteered their time  
and gas for the many trips to South Bend. A special  
thanks to Mr. and Mrs. Charles Clawson for their much  
appreciated help and organization.

## Akron Police Blotter

10:50 p.m., Wednesday,  
Jan. 16, Akron Police  
answered an alarm at the  
Akron Bank. Trouble with  
the phone lines was believed  
to be the reason for the alarm  
being set off.

Akron Police gave county  
police an assist at Co. Rd. 50  
South, when a pickup truck  
owned by Terry L. Gagnon,  
Akron, slid on the icy road  
and hit an REMC utility pole.

Another county assist was  
given at Co. Rd. 100 N and  
900 E when a car owned by  
Paul I. Hoff, R. 2, Akron hit  
the rear of a county road  
truck. A personal injury was  
reported.

A public assist was given  
by Akron Police at 802 E.  
Walnut St. when a citizen  
was locked out of their home.

I would like to thank everyone for the calls, cards,  
visits, flowers and prayers while I was in the hospital  
and since returning home. Also a special thanks to  
Doctor Roberta Rose and all the nurses on the fourth  
floor at KCH who helped to Calvin and Laura Reese for  
keeping our driveway cleared of snow. It was all very  
much appreciated.

God Bless You.

Rudy Petrosky

## WINTER Skin Care Tips

Cold weather is not the  
time to give the cold shoulder  
to skin care. Winds and cold  
outside, overheated rooms in-  
side can mean hands get  
sandy and rough. Always  
protect your hands by wear-  
ing gloves when going out-  
doors.

Unlike the rest of your face,  
your lips have no glands or  
pores to provide them with  
natural oil and moisture. This  
lack of a protective layer  
makes them particularly vul-  
nerable to damage from the  
environment. Lip Nourishing  
Treatment in stick form from  
Shiseido is designed to create  
a protective layer of oils and  
draw moisture from the air to  
keep lips moist and smooth.  
Shiseido's Facial Nourishing  
Stick uses a patented formula  
to moisturize the parts of the  
face that are particularly  
prone to dryness.

## Record cold

Indiana tied a record for  
the coldest day in 101 years  
on Sunday, January 20th, as  
the thermometer plunged to  
a sub-zero -17 degrees, the  
coldest since Jan. 5, 1884  
when some people in Indiana  
registered a -25 degrees.

The cold weather has been  
blamed for four traffic deaths  
in the state, many accidents,  
several cases of frostbite and  
power outages over the state.  
Churches in the area can-  
celled their Sunday services  
and school had been called  
off for Monday.

Although little snow fell  
over the weekend, drifting  
snow caused by high winds  
all but shut down the county  
roads and made visibility  
poor, and driving hazardous.

## Course offered

"Grain Marketing and  
Price Analysis" will be the  
topic of a closed circuit  
telecourse via IHETS. The  
course, sponsored by the  
Indiana Cooperative Extension  
Service, will begin on  
Feb. 4 and will continue each  
Monday night through  
March 4. Each night's pro-  
gram runs from 7:30 - 10  
p.m. and costs \$45 for the  
series. Nearest locations are  
the Marshall Co. Extension  
Office, Howard Co. Extension  
Office, and the Logan-  
sport State Hospital. For  
more information, contact  
the Fulton Co. Extension  
Office, 223-3397.

## LEGAL NOTICES

**NOTICE TO BIDDERS**  
Notice is hereby given that the Board of School Trustees of the Rochester Community School Corporation, Fulton County, Indiana, will meet at the Administration Office of the Rochester Community School Corporation, West 18th Street, Rochester, Indiana, on February 11, 1985, at the hour of 7:30 p.m. and at said time and place will receive sealed bids and let to the best bidder therefor the following described warrants:

Temporary Loan Warrants to the satisfaction of taxes levied and in course of collection for the General Fund up to the amount of \$200,000; the Cumulative Building Fund up to the amount of \$67,700; the Transportation Fund up to the amount of \$68,250; dated as of date of delivery thereof to the purchaser, said warrant or warrants to be in the denomination or denominations requested by the purchaser, to mature on June 30, 1985, and to bear interest at a rate not exceeding 10% per annum (the rate to be determined by bidding), payable at the 1st National Bank, Rochester, Indiana.

Bidders for those warrants will be required to name the rate of interest which the warrants are to bear, not to exceed 10% per annum. Such interest rate must be in multiples of 1/8th or 1/10th of 1%, and not more than one interest rate shall be named by each bidder. The warrant will be awarded to the best responsible bidder therefor who has submitted his bid in accordance herewith. The best bidder will be the one who offers the lowest net interest cost to the school corporation to be determined by computing the total interest on all of the warrants to their maturity and deducting therefrom the premium bid, if any.

The right is reserved to reject any and all bids and to waive any irregularities. Board of School Trustees
