## Students take advantage of special summer programs

High School students are preparing for marching band competition by rehearsing twice weekly. [News Photo]

Although most children would grumble and groan about having to attend summer school to improve their math or reading skills, Tippecanoe Valley School Corporation made available a number of programs this summer that are both fun and beneficial. Some of the special summer "camps" or classes are already completed, some haven't started, and some will continue throughout most of the summer.

Basketball camp for boys in age groups ranging from sixth through ninth grade was completed last week. Coach Bob DuBois reports approximately 60 boys participated in the classes, which were designed to stress the fundamentals of basketball. They worked with footwork, shooting, dribbling, passing, rebounding and simply moving with the ball. As a special perk, the boys played four games with students at basketball camps from North Miami, Caston and Whitko, whom they played twice.

Bev Harter taught three weeks of gymnastics classes, running from June 4 - 22, with assistance from students Jenny Johnson (senior) and Carmen Haney (eighth grade). Approximately 18 boys and girls

participated in the classes, learning how to perform on balance beam, vault, bars, mini-trampoline, floor routines and big trampoline.

Harter had earlier offered five weeks of special training on Saturdays only, and she reported over 50 students attended those classes. For the summer school, the two-hour sessions included students ranging in age from kindergarten to eighth grade.

Football camp, under the supervision of new coach Jeff Phillips, began yesterday (Monday), July 2 and will run until the 27th of this month. These classes, like basketball camp, are open to boys who will be in next year's sixth through ninth grade classes at Valley. The swimming program also started yesterday, although it will be divided into two separate sessions. Coach Deb Thompson is holding classes for pre-school, beginner, advanced beginner, intermediate and swimmers. The first session will conclude July 13 (with no classes on July 4), and the second session runs from July 16 - 27.

Band director Kim Metcalf is holding lessons of eight weeks for approximately 70 junior high school

students this summer, and 75 high school students have band rehearsal twice weekly. High school band students and auxiliary members will also attend band camp at Anderson College between July 23 - 27.

According to TVHS vice-principal Mark Skiles, 40 people are about to complete the first session of driver's education, which ends July 9. A second session of driver's training begins on Tuesday, July 10. The course includes 30 hours of classroom work, six hours of behind-the-wheel instruction and 12 hours of observation, and it's open to people 15 or older. Although the other courses were offered at no cost, the driving course has a fee of \$100 to cover cost of gas, insurance, car lease and instructor's fees.

### DID YOU KNOW???

Three of our first five Presidents died on July 4? John Adams (second President) and Thomas Jefferson (third President) both died July 4, 1826. Adams died in Quincy, Massachusetts and Jefferson died in Charlottesville, Virginia.

The fifth President James Monroe died July 4, 1831 in New York City.

## Teel dies in accident

Services were held last Saturday at King Memorial Home, Mentone for Scott Teel, a 1984 graduate of Tippecanoe Valley High School. Teel died Wednesday, June 27, when the car on which he was working slipped off ramps, pinning him underneath.

Scott Richard Teel

Teel, who was alone at the time of the accident, was found by his mother and sister, according to Mentone Marshal Russ Hart. He was pronounced dead at Woodlawn Hospital, Rochester at 4:55 p.m.

Teel was the son of Richard and Janie (Newton) Teel, Mentone, who survive. Born June 30, 1966 in Warsaw, he was a lifetime resident of Kosciusko County. He was employed at the Farmers State Bank as a teller trainee, and he was

a member of the Talma Bible Church. Teel was named as an All-Conference football player on the Three Rivers Conference team last year.

Surviving with his parents are three sisters, Mrs. DeWayne (Debra) Doty, Monterey, Ind., Brenda and Heather Teel, both at home; maternal grandparents, Mr. and Mrs. Frank Newton, of Rochester; paternal grandmother, Mrs. Mary Teel, Mentone; paternal great-grandmother, Mrs. Snowden Halterman, Mentone.

The Reverend Rodney Ruberg officiated the Saturday services. Burial was in the Sycamore cemetery, King Memorial Home, Mentone, was in charge of arrangements.

### Viking Notes

Athletic physicals for high school students planning to participate in sports during the 1984-85 school year have been scheduled.

Boys should meet Wednesday, July 11 at 6 p.m., and girls will meet the following Wednesday, July 18 at 6 p.m.

Doctors assisting will be Dr. Wymond Wilson, Mentone, Dr. Krizmanich, Warsaw, Dr. Johnson, and Dr. Pat Silvers.

"The second day of July 1776 will be the most memorable Epocha in the history of America -- I am apt to believe that it will be celebrated by succeeding Generations as the Day of Deliverance by solemn acts of Devotion to God Almighty. It ought to be solemnized with Pomp and Parade, with Shews, Games Sports, Guns, Bells, Bonfires and Illuminations, from one End of this Continent to the other from this Time forward, forevermore."

John Adams in a letter to his wife Abigail after the Continental Congress passed the Henry Lee resolutions. Two days later, the Declaration of Independence was addressed.

## TAKEN FROM THE AKRON NEWS JULY 5, 1934 50 YEARS AGO

The American Legion Auxiliary met at the home of Mrs. E.A. Whallon and enjoyed a community dinner. Following this they held election of officers which resulted in the following:

Hazel Taylor, past president; Clara Leininger, president; Beaulah Cook, first vice-president; Myrtle Davis, second vice-president; Cleo Kizer, secretary; Sarah Merley, treasurer; Emma Hoffman, chaplain; Margaret Kistler, sergeant-at-arms; and Mary Lantz, historian.

The new officers will be installed at their first meeting in September.

On Wednesday nights and Thursday nights, beginning next Wednesday, July 11, the Madrid will feature a ten cent show, enabling everyone to come and bring the family.

Lloyd Heeter, manager of the Madrid, has told us that the same quality pictures will be offered on these bargain nights as on regular nights.

Ten cent shows are proving popular all over the country, and in offering this bargain to Akron, it is believed that the people will respond enthusiastically.

The 12th Annual Harmon Reunion met at the Charles Grogg home, June 10. A basket dinner was enjoyed by about 80 relatives. New officers chosen were: Pres., Earl Harmon; Sec., Opal Kercher. Those present were: Alvin Harmon, Mr. and Mrs. Mahlon Harmon, Mr. and Mrs. Jacob Harmon and daughter, Mrs. Darius Harmon, Mr. and Mrs. Marion Bair, Mr. and Mrs. Fred Harmon and family, Mr. and Mrs. Levi Harmon, Howard Harmon and friend, Mr. and Mrs. George Harmon and family, Mr. and Mrs. Bill Harmon and daughter, Mr. and Mrs. Chester Morris and daughter, Mr. and Mrs. Ellis Klein, Mr. and Mrs. George Klein, Mr. and Mrs. Don Morris, Mr. and Mrs. Calvin Harmon, Mr. and Mrs. Jake Ferdinand and daughter, Earl Harmon, Mr. and Mrs. Lowell Harmon, John and Joe Harmon, Mr. and Mrs. Damon Fouts and daughter, Mr. and Mrs. Hudson and family, Ray Harmon, Mr. and Mrs. Merlin Lewis and children, Mr. and Mrs. Harvey Funk and son, Mr. and Mrs. Theodore Fwing, Mr. and Mrs.

Chas. Kercher and family, Harriet Fishly, Willis Harmon and friend, Mrs. Bell Clinker, Mr. and Mrs. Amos Sutters and family and Bob Able.

## TAKEN FROM THE AKRON NEWS JULY 2, 1964 20 YEARS AGO

It was a warm but lovely day when the Forum Sunday School class of the Akron Methodist Church met at Warvel Park in North Manchester. A picnic supper was enjoyed by all, after which there was entertainment for all.

Present were Lyle Bammerlin, Lottie Lippy, Mr. and Mrs. Charles Gast and family, Mr. and Mrs. Bud Gray and sons, Mr. and Mrs. Harold Hileman and family, Mr. and Mrs. John McKee and sons, Mr. and Mrs. Randal Leininger, Mr. and Mrs. Dick Penn and family and Mrs. Wesley Bullis and children.

The Henry Willing Workers met June 29 at 1:30 p.m. in the grade school cafeteria.

Games were led by Stephanie Hartzler and Laurena Moudy. Rose Buckheiser led the American pledge and Kathy Hartman led the 4-H pledge. Roll call was answered by the favorite holiday of each member. The minutes were approved as read. The girls were reminded about the dues, which are due July 6. Linda Morris

represented the Willing Workers in foods at the judging contest at the Rochester Methodist Church June 25. She received first-alternate placing. Laura Rager will represent the club in home furnishings at the district contest in LaPorte July 6.

Stephania Hartzler led singing with Joyce Kroft at the piano. Demonstrations were given by Barbara Ruff, Mary Ruff and Jo Ann Moore. Stephania Hartzler led games, after which refreshments were served by Diane, Nancy, and Rose Buckheiser.

Miss JoAnn Weida, daughter of Mr. and Mrs. Beecher Weida, Box 223, Akron, has enrolled in the Doctor's Assistant course at the Elkhart University of Medical and Dental Technique, Elkhart, to start training on June 22.

Laura Rager, was named grand champion in home furnishings from Henry Twp. in the Fulton County 4-H Home Economics judging contest conducted in the Rochester Grace Methodist Church Thursday and Friday. Laura is the daughter of Mr. and Mrs. Verl Rager, Rt. 1, Akron. Nine grand champions and three reserve grand champions were named in the contest.

Linda Morris, also of Henry Twp. was named reserve champion in food. All of the champs will participate in the district contest July 6 at LaPorte.

The Henry Willing Workers Girls 4-H Club met June 18 and 25 for their regular meetings.

Upcoming dates were given for judging in the Community Building. July 9 - wildlife and photography at 1 p.m., July 10 - foods, food pres., and clothing at 1 p.m., July 12 - fashion review at 6:30 p.m., July 13 - fair clean up at 8:30, July 16 - check in all projects between 9 a.m. to noon and July 20 check-out projects and fair clean up at 10 a.m.

Marian Rupel did oral judging on projects the girls took in and gave them pointers and suggestions on how to improve their exhibits.

The next meeting will be August 6. All project books should be completed and ready to turn in.

## Fulco social security office

As of July 3, the new location for representatives of the South Bend Social Security Office will be at the new Fulton County Public Library, 320 W. Seventh St., Rochester. The new office is across the street from the senior citizen center and is wheelchair accessible. Representatives will continue to visit the site on the first Tuesday of the month from 9:15 to 3 p.m.

Those needing assistance can shorten waiting time if they come prepared for their interviews. Parents applying for their children's social security numbers need to bring identification documents like report cards as well as birth certificates. Application forms can be picked up ahead of time at most post offices (contact Marianne Billman, Akron, for forms).

If you're applying for retirement benefits, please bring an original or certified copy of your birth certificate, W-2 forms from the last two years, your spouses' social security number and your marriage history. A disability claim is speeded up if you can provide a complete list of your doctors and hospitals with addresses, phone number and medical history. Proof of your monthly income and resources is necessary for a Supplemental Security Income claim.

Different representatives handle different programs and the interviewers specialize, so you may be called out of order when you arrive for an interview.

People in Akron and the rest of Fulton County can usually save themselves a trip by calling the South Bend office at 236-8300. It is usually easier to call later in a week or in the last half of a month, and have your claim number at hand. Another way to save time is by writing to the Social Security Administration, Box 19, South Bend, IN 46624. If you include your daytime phone number, they'll call you.

## ANNOUNCING

### NOTICE TO FRANKLIN TOWNSHIP PATRONS

There will be no free library service offered to Franklin Township by any library as of December 21 this year. Franklin patrons will be required to pay for non-resident cards at any libraries they choose to utilize. These fees will be \$40 at both Akron and Mentone.

An invitation to make Franklin a part of Bell Library's taxing base was turned down by the Franklin Trustee and his advisory board. A merger for next year would have meant:

Franklin would be paying the same rate for library service that others using Bell Library would pay. At present, Franklin residents pay less than half as much as Harrison patrons. Harrison residents have never expressed displeasure over their library tax rate, but they do object to paying more for service than others pay.

The library budget would not increase. The library board feels that we have a good size library for a small community and that the service is excellent. The tax rate would, however, drop five or six cents as the tax base broadens to include Franklin.

Using figures from the Kosciusko County Assessors Office, we can predict that an average \$40,000 home would be taxed at \$27, a \$60,000 home at \$42, and an average 80 acre farm at \$57. Remember, we are taxed according to the assessed valuation, not the true market value of our homes.

The average costs of books are \$17 for novels, \$23 for a biography, and \$4 for a paperback. One would not have to read many books to get one's money's worth at the above taxes. (Magazine subscriptions average \$20.)

The present library tax rate is .28 per hundred. This rate would drop to .22 or .23 per hundred of assessed valuation. (Keep in mind that we are assessed at approximately one-third the real value of property.) Since Franklin has been taxed .08 (to be divided between Akron and Mentone libraries) in the past, this would only mean an increase of .14 to .15 per hundred assessed valuation for library service.

The library would advertise a slightly higher rate, but would hold to the present general budget. Higher advertising ensures that should the area valuation drop for some reason, we could maintain our budget. When it does not drop, the State Tax Board makes the tax rate cut for us in the fall.

By being a part of the library's taxing base, Franklin would receive the benefits of the State Reciprocal Borrowing Plan. This plan allows any library card holder to use his/her card at libraries all over the state. This is especially convenient when one works or lives nearer to another library than to their "home" library. For example, a Franklin resident working in Warsaw, Akron, Rochester, or even Elkhart or South Bend, could use those libraries at will. Even casual visitors to another town can borrow materials from that library.)

Monies in Franklin's budget previously earmarked for library services at Akron and Mentone would be available for other uses - Fire Protection, Poor Relief, etc. should the trustees so desire. The library tax is levied apart from the township rate.

These past years the library staff has made a concentrated effort to better meet the needs and serve the libraries of this agricultural community. We invite you to visit and inspect the facility.

## Letter to the Editor

Dear Editor and Citizens:

During the next several months, through Manitou Chapter, Daughters of the American Revolution, I will be compiling a booklet titled: "Bible Records From Fulton Co., Indiana, prior to 1900."

If anyone has records that they would like to have included, please copy them carefully, starting with the name of the family the Bible had belonged to, then the birth, death, baptismal, and marriage records found within, and close with the sender's name and address. It doesn't matter if the information pertains to Fulton County people or not; it is the information that is important. You may have friends or relatives, living here or away, that have some Bible records they would like included as well; please tell them of this. Taking this notice to family reunions this summer would help.

Each set of records received will be entered in the sender's name. When this booklet is compiled, it will be sent to the NSDAR Genealogy Library in Washington, D.C. for permanent record.

Records of this nature are often lost after people are deceased or family possessions are sold. Through this method they can be preserved for posterity. Many of you may hold the key to missing links in genealogy that others have spent years trying to find.

I will be anxious to hear from any of you that can help on this project.

Sincerely,  
Marcia Taylor [Mrs. Dennis]  
Retired Regent Manitou Chapter,

## Roaring Twenties Round Barn theme

"All That Jazz: 1924" is the theme of this year's Round Barn Festival taking place in Rochester, Indiana, July 12, 13, and 14th in Mainstreet. Flappers will flap and Roaring Twenties music will fill the streets with song, dance, and Jazz!

Once again the festival will highlight a variety of entertainment. Besides two Jazz Bands, the Entertainment Tent will feature the Semi-Precious Stones, a mid-eastern belly dancing group, Dans Ethnik, a group presenting folk dancing of several nations, a band named Ceili that will sing a variety of music from traditional Irish ballads to old-time stringband to contemporary.

Still with us from last year will be the Ringmasters, a barbershop chorus from Peru, a Polka Band from Wabash, and the Ft. Wayne Mizpah Bagpipers, will once again pipe us a tune. There will be something for everyone, including "Big Band" music of the 20's and 30's. Also taking place during the Festival will be Western Square Dancing, Gospel Singing, and a U93 Dance party for the younger set Saturday night. The Fulton County Players will present "Footlight Follies," a musical variety show featuring song and dance of the 1920's. All of this continuous entertainment will be going on in Rochester during the Round Barn Festival!

Besides the three craft tents located on Main Street, displaying Arts & Crafts from leather goods to ceramics and oils, there will be other festival features such as the Carnival of Arts, the Historical Society's Buffalo Burgers and displays, Kiddie Rides and Kiddie Kontests, the guided bus tours of Round Barns, local historic places and more. Don't miss the mock classes at the restored one-room Prill School! Watch the Festival Parade Saturday morning beginning at 10 a.m. on Mainstreet. See the floats, clowns, marching bands, antique cars, the costumes, and the drill teams. Don't miss the fun!

Also new to this year's Festival will be Airplane rides from the Fulton County Airport as well as a Civil War Re-enactment and living-history event held July 14 and 15 in Kern's Woods along the Tippecanoe River. Besides mock Civil War Battles, there will also be a military ball and rustic booths

with pre-1865 crafts and foods cooked over wood fires.

This year's festival will be more competitive than ever! Take part in a sports event such as: the canoe race, the Round Barn Run, the golf Tournament, a Tennis Tournament, Horseshoe pitching, Girl's Softball, Men's Softball, a Little League T-Ball Tourney, a Basketball Game, the Boy Scout's Pine-wood Derby, or a Midwest Regional Duck Calling Contest!!

## Civil War re-enactment to be at fest

Something new has been added to the Round Barn Festival at Rochester this year. A Civil War Re-enactment and living-history event will be held July 14-15 in Kern's pine woods on the corner of New U.S. 31 and Tippecanoe River three miles north of Rochester.

Battles will be held at 11:30 and 4 p.m. Saturday and at 10:30 and 2 p.m. Sunday. The day begins with Reveille at 8, followed by battalion drill at 9, roll call, sick call, and the skirmishes or battles. In the afternoon there will be live shooting competition, ladies tea and dress competition, uniform competition, and at 3:45 p.m. in the Union Camp they will burn Jeff Davis.

Saturday night there will be a military ball in the log-seated arena in the pine woods, which the third weekend of September is the site of the Trail of Courage Rendezvous.

Don't Diet during the Festival! Besides the traditional Elephant Ears, hot dogs, Corn dogs, Cotton Candy and Snow Cones, there will be Mexican dishes, Greek Gyros and Chinese Egg Rolls. Everything for the Epicurean!!

Join us July 12, 13, and 14 in Rochester for the Fulton County Round Barn Festival! Any questions about performance times or sports schedules or any other activities will be answered by dialing 223-5329.

Ball gown and dress uniform competitions will be held at 7 p.m. Live music of the Civil War era will accompany the ball.

Also at the Civil War Re-enactment will be rustic booths with pre-1865 crafts and foods cooked over wood fires. Great care is taken to make the costumes and crafts authentic to the period. The Civil War Re-enactment closes at 3 p.m. Sunday.

This Civil War event is sponsored by the Fulton County Historical Society. For more information and invitation to participate as a sutler write Civic Center Museum, 7th and Pontiac, Rochester, IN 46775.

Admission will be charged: \$1 for adults, 50 cents for children, free for children under six years of age.

## Smith and Wood attend Girls State

On a recent Sunday afternoon Betty Smith became a resident of Gilliam City in mythical Democracy County. At the same time Angie Wood moved into Slacian City, Honor County. They immediately became involved in city government.

Angie, daughter of Mr. and Mrs. Larry Wood of Akron and Betty, daughter of Mr. and Mrs. Chester Smith of Mentone, were delegates to 1984 Hoosier Girls State sponsored by the American Legion Auxiliary. Hoosier Girls State had 846 residents divided into seven counties named for ideals. Each county was made up of three cities named for past department presidents.

Each delegate was expected to run for an elective city, county or state office. Angie, a member of Nationalist Party, filed for county treasurer and was elected. Her campaign slogan was "I'd vote for Wood, Wooden Shoe?"

Betty was selected by the Federalist Party to run for reporter of the state courts, and she enjoyed the "whistle-stop campaign" (visiting each county and answering questions). Although she was not elected, she was selected as Outstanding Girl in her city.

During the week, the girls gained knowledge of the principles of Indiana government through application of Americanism and

good citizenship. After the election on Thursday, the Senate and House of Representatives of Hoosier Girls State were sworn in and began their work.

Angie's city won a special award for their city decorations. They chose as a theme, "City of Goddesses" and decorated their halls like ancient Greece.

By the second Sunday the citizens of Hoosier Girls State had acquired a sense of unity, but it was time to return home. Betty and Angie really appreciate the opportunity for a wonderful week sponsored by the Akron Women's Club and Mentone American Legion Auxiliary Unit 425.

## Ind. Newspaper Project receives grant

The National Endowment for the Humanities last week approved a grant of \$229,000 for the Indiana Newspaper Project, a cooperative effort of libraries, historical societies, newspaper offices and interested individuals throughout the state to locate, catalog and preserve historic Indiana newspapers.

"The Indiana project is one of the first major state efforts of this type to be funded by the National to be funded by the National Endowment for the Humanities," said IU Libraries Associate Dean Sally Rausch who is project director. "The total cost of this phase of the project will be \$367,000. Of that total, \$138,000 will be donated in the form of time and services by participating agencies, but \$54,000 must be raised outright from public donations."

The grant is awarded to create a statewide record of the existing collections of Hoosier newspapers. The files must be located and catalogued before they can be preserved through microfilming. This bibliographical phase will take about three years; the preservation phase of the project will follow.

The aim of bibliographical phase of the project is to compile complete records for all the state's newspapers. The records will then become part of a national bibliography and will lay the foundation for future preservation.

The Indiana Newspaper Project has been initiated by the Indiana State Library, the Indiana Historical Society, the Indiana Cooperative Library Services Authority and the Indiana University Libraries.

The project is a part of a national effort, in which Indiana is a leader, to catalog and preserve the newspaper heritage of America, Rausch said.

"Some of the major newspapers of Indiana have already been preserved on microfilm, but many more lie crumbling with age in bound volumes and loose stacks in scores of locations throughout the state. The Indiana Historical Society estimates that up to 10 million pages of Indiana newspapers remain to be filmed."

The work of newspaper preservation in Indiana is especially complicated because newspaper archives are scattered throughout the state. The major repositories are the Indiana State Library at Indianapolis, which holds about 1,500 titles, and the Indiana University Library on the Bloomington campus, which has another 370 titles. The remainder of the 3,200 newspapers that still exist in Indiana lie in archives in more than 200 different cities and towns. Most of those small newspapers "morgues" must be visited by project staff members or by local volunteers during the three-year phase of the project.

"Newspapers are especially vulnerable to the ravages of time," said Rausch. "The cheap wood-pulp paper that newspapers have been printed on since the 1870s quickly becomes yellowed and brittle and eventually crumbles to dust. Unless those papers are preserved through microfilming, they are lost forever."

The kind of painstaking biblio-

graphical work required in this phase of the project will depend upon local assistance in communities around the state, Rausch said. Persons interested in information about the project or with suggestions for how they might help can contact Rausch at the Indiana University Libraries, Library C-23, Bloomington, Ind. 47405.

## Leckrone wins medalist honors in tournament

A former Tippecanoe Valley High School golfer won medalist honors in the Palm Beach County State Amateur Championship Qualifier tournament recently.

Todd Leckrone, the No. 1 golfer in his TVHS days, is a sophomore at Palm Beach Junior College and a member of the college golf team.

He made five birdies and five bogies in his even-par 72 at the Indian Spring Country Club, Palm Beach. He is the son of Archie and Sandra Leckrone, Rt. 1, Mentone.

## Firecracker Open July 7

Two hundred twenty-three swimmers will converge on the Manchester Community Pool Saturday, July 7 to compete in the Firecracker Open swim meet. Ten teams will participate in 80 different events, with swimmers eligible to enter six events.

The 14th annual Firecracker Open will be one of the largest ever, reports Mrs. Gary O'Dell, co-ordinator for the meet.

Mrs. O'Dell said Ninth Street will be closed off during the meet,

which will include free admission, concessions and is the only fundraising project undertaken to support the swim club during the year.

Coach of the Manchester Aquatic Club is Steve Doerscher with Andrea Lude, assistant. Mrs. Don Meyer is in charge of entrants. The meet will be run by parents of M.A.C. members and other interested people of the community.

Local M.A.C. members entered in the meet are Haley and Heather Foor and Diane Sisk.

### AKRON-MENTONE NEWS JULY 3, 1969 15 YEARS AGO

Sharon Harrold, daughter of Mr. and Mrs. Dorris Harrold, Rt. 2, Akron, was one of fifteen additional Hoosier 4-H club members who were recognized at the 51st annual roundup at Purdue University for having compiled outstanding records.

Local winners in the recent 4-H judging contest conducted at Rochester included Connie Doering, Henry, second in clothing; Candy Rader, Henry, second in food and Jeanne Harper, also Henry and second in foods. These girls were in the senior division. Junior division winners were Sally Leckrone, first in clothing, and Carla Rans, third in foods.

Carla Joe Zimmerman, daughter of Mr. and Mrs. Roger Warren, Silver Lake, recently graduated from the Memorial Hospital School of Nursing in South Bend.

A busy week of cheering, tumbling and other activities was spent at the Smith-Walbridge Cheerleading Camp in Syracuse by the cheerleaders of Akron High School. New cheers, stunts and pom-pom routines were taught by the camp's instructing staff, who also stressed sportsmanship and school spirit. The cheerleaders Jill Meredith, Charla Gast, Laurena Mouday, Stephanie Hartzler, Jennell

Geiger, Louanne Weber, Janice Secor and Debbie Groninger won a third place award in the final competition.

The Mentone Merry 4-H club held its monthly meeting June 23 at the home of Annette, Linda and Susan Hirschman. This was an all-day meeting, and the girls brought lunches for a picnic. The regular business meeting was presided over by Kay Goshert. Those present were Connie Norris, Terri Kindig, Lynn Knoop, Beverly Boyer, Joyce Norris, Diana Peters, Joyce Dunnuck and Barbara Boyer.

### TAKEN FROM THE AKRON-MENTONE NEWS JULY 4, 1974 10 YEARS AGO

Kathy Blalock, daughter of Mr. and Mrs. Blalock, Rt. 1, Mentone, has been named to the Dean's List of Bethel College, Mishawaka. She is a junior education major. To be on the list, a student must acquire a 3.3 grade point average out of a possible 4.0.

A University of Evansville student from Akron, Joyce E. Moore, was among 533 students named to the spring quarter Dean's List.

Miss Moore, the daughter of Mr. and Mrs. John E. Moore of 113 South West St., Akron, was named to the Dean's List for the second time.

To attain the Dean's list, a student must have earned a 3.5 or

## Uncle Sam approves seal slaughter

On July 2, 1984 a kill of fur seals, ordered by the U.S. Department of Commerce, will begin on a tiny U.S. island called St. Paul, one of the Pribilof Islands in the Bering Sea. The kill will continue until 22,000 seals have been slaughtered.

The Federal Government's involvement in the fur industry is being protested by members of Friends of Animals, Inc., a national non-profit animal protection group. According to Alice Herrington, President, "phones of U.S. Senators are ringing off the hook, both at their local offices and in Washington. The calls are from their constituents who want the 1984 massacre to be the last."

Ms. Herrington said the 1984 kill cannot be stopped since it is forced by a treaty the U.S. holds with Japan, Canada and the USSR, but that the treaty expires in October and is subject to a vote by the U.S. Senate as to its renewal. "Our members and a concerned public demand that this out-of-date treaty not be re-signed," she announced.

The treaty's purpose, according to Ms. Herrington, is the "exploitation of seals for fur and profit." It was first initiated in 1911

to stop the Japanese and Canadians from sealing seals in the open waters, called "pelagic sealing" just along the U.S. then-3-mile limit of the Pribilofs. The treaty brought Japanese and Canadian agreement to cease pelagic sealing in exchange for a percentage of the skins of seals killed on their breeding grounds, islands which belong to the U.S. and Russia.

## Mentone Nutrition Site

First thing. Did anyone notice that the grass in front of town hall has been mowed and raked? Deed and Mary Shirey brought the weed eater and rake and with some help made it look nice. Thanks everyone. Bedi is still very handicapped with her broken wrist, but, everyone is trying to help all we can.

One day last week Carol Cornett came to tell us her experiences as an airline stewardess. Very charmingly she described the V.I.P.s that had been on planes with her. Several Kennedys, Jackie O., Bob Hope and others.

This Thursday three 4-H girls came with leaders and demonstrated the projects that they will do at the district meeting at Laville High School. They were county winners. The three girls that came were Amy Anglin of Atwood, demonstrating the proper grooming for a horse rider; Janet Lynch of Claypool showed us how to make Sloppy Joes and how to serve them; and Liz Goshert also of Claypool showed the proper way to care for roller skates. We thank these girls and the two leaders Mrs. Lynch and Mrs. Anglin.

The Rev. Don Poyser of the Burket United Methodist was our area minister. We always appreciate him coming to bring us a good message as well as his singing and

guitar playing. Thanks to you.

The Bremen singers are coming to our Site soon, so be watching for the date they will be here.

Menus for the week of July 9 - 13 for the Mentone Nutrition Site is:

Monday - Tomato juice, baked fish with tartar sauce, macaroni and cheese, cole slaw, whole wheat bread, margarine, donut, milk, tea, coffee.

Tuesday - Orange-grapefruit juice, roast beef and gravy, mashed potatoes, cut green beans, golden flaky roll, margarine, apple pie, milk, tea, coffee.

Wednesday - Cranberry juice, stuffed cabbage roll, mixed vegetables, cottage cheese with pineapple, pumpernickel bread, margarine, peanut butter cookie, milk, tea, coffee.

Thursday - Apple juice, chicken and noodles with gravy, golden glow salad, stewed tomatoes with bread cubes, cracked wheat bread, margarine, tapioca pudding, milk, tea, coffee.

Friday - Pineapple juice, ham steak, buttered sweet potatoes, frozen peas, corn bread, margarine, banana, milk, tea, coffee.

Menus subject to change without notice. Due to the diets of some people the food is not highly seasoned.

## Henry Hardy Farmers News

By: Julie Lowe

Gary Leininger called the meeting to order. The pledges to the American and 4-H flags were led by Julie Yochum and Jody Yochum respectively.

Roll call was taken, Julie Lowe read minutes and Dwain Dunn gave the treasurer's report. Plans for Indiana Beach were finalized. Pen cards are due June 25th. 4-H clean up date is July 13, at 8:30.

Dates for community judging were given. Demonstrations were given by Jenny Doud on beef calves; Steven Reese on "Making a cutting board," Jody Yochum on dehorning a calf; Julie Steininger on common diseases of hogs; Kim Steininger on first year electric project and Chad Cumberland on trimming hair on a goat.

Refreshments were served by Jenny and Tim Doud and Jody and Julie Yochum.

Next meeting June 27th, 6:30 p.m. at Akron Lion's Den.

The Henry Hardy Farmers 4-H Club went to Indiana Beach on Friday, June 22. Twelve members plus four adults went.

We took a picnic lunch and Mr. and Mrs. Dunn supplied the drinks. Everyone went their ways and had fun!

There were a lot of rides and things to do so everyone was busy doing what they wanted to do.

We all went swimming, even though the water was chilly!!!

It is hard to say what was best of it all because everything was fun. Sandy Pratt especially liked the Sky Ride and the basketball shooting booth. While Amy Kline and Julie Lowe both agreed that the Spider and Twister weren't for them.

Watch out for Steve Dunn on the Water Bumper boats! Almee Foor and Sheri Dunn look great in their new hats! Jenny Doud really enjoyed the Sea Dragon and trying to reach the rings while swimming.

You should see Mike Harsh at the go-carts and Tim Doud likes the ice cream cones they serve down there. Dwain Dunn had fun on the water bumper boats as well as being cooled off by the water! Steven Reese enjoyed it all while Matt Harsh didn't say what was his favorite!

All in all it was a great time!

### Don't Store Quilt In Chest

One of the worst places to store an antique quilt or other heirloom textile is in the bottom of a cedar chest. Also avoid plastic sacks, cardboard boxes and unsealed wood shelves. The cardboard and wood can damage fabrics through oxidation and the plastic prevents needed air circulation.

Dr. Margaret Ordonez textile conservationist at Kansas State University, says folding a quilt for flat storage causes stress on the quilted fabric, stitches and batting

placement. Lessen the strain by folding the quilt as few times as possible, padding the folds with crumpled tissue paper, and changing the folds at least once a year. Fold off-center and in a different place each time. A perfect use for old sheets is to wrap around quilts for protection from dust, light and unsealed wood. New muslin should be well washed before it is used as a protective covering for stored quilts. One of the best ways to store antique quilts is to roll the quilt onto a large five-inch diameter tube that is covered with cotton fabric.

Senior citizens will be closed July 4 for Independence Day. Happy Holiday to you and yours. For your meal reservation, please call 893-7204 between the hours of 9 a.m. - 12:30 p.m. Monday through Friday, the day before you plan to join us for a well balanced meal and fellowship. Thank you, Nutrition Site Manager, Marilyn Stafford.

Scheduled menus for the week of July 9 - 13 are:

Monday - Spaghetti and meatballs, tossed salad, bread, mixed fruit salad, milk.

Tuesday - Swiss steak with gravy, whipped potatoes, fresh bean salad, brown bread, fresh fruit, milk.

Wednesday - Ham, au gratin potatoes, creamed slaw, white bread, fruit jello, cookie, milk.

Thursday - Fried chicken with gravy, whipped potatoes, broccoli with cheese sauce, hot dinner roll, applesauce, milk.

Friday - Two hotdogs with buns, au gratin potatoes, creamed corn, sliced tomatoes, milk.

**NOTICE OF PUBLIC HEARING**  
On July 10, 1984 at 6:30 p.m. there will be a Public Hearing regarding the Residential Energy Management Program for Fulton County and the City of Rochester. The meeting will be held in the Fulton County Courthouse. The Residential Energy Management Program is a weatherization program funded through the Indiana Department of Commerce using U.S. Department of Housing and Urban Development Small Cities Community Developmental Block Grant funds. The program is designed to provide community wide outreach to low and moderate income families and the use of low cost/high return weatherization techniques to reduce the homeowners general energy usage. All citizens are invited to attend and comment on the County's involvement in the program. After hearing community comment, the County Commissioners and County Council will consider a resolution authorizing the submission of a joint application with the City of Rochester to the Indiana Department of Commerce requesting \$100,000 to implement a County-wide Residential Energy Management Program. The County will further consider the adoption of an Energy Management Plan, which will be implemented upon the receipt of grant funds. The Energy Management Plan is on file in the office of the County Auditor and may be inspected by the public during regular business hours.

**AGREEMENT**  
This agreement, by and between the Town of Akron, in Fulton County, Indiana, hereinafter called "Town," and Henry Township in said County, hereinafter called "Township,"  
**WITNESSETH:**  
WHEREAS, both parties maintain certain fire fighting equipment for use in their respective jurisdictions;  
AND, WHEREAS, the Town is centrally located within the Township, and by common consent in the case of necessity, the equipment owned by each of the parties is made available to the other party;  
AND, WHEREAS, the parties have determined that maintenance and housing of the equipment of the parties could be accomplished most economically by a common housing facility;  
NOW, THEREFORE, the parties, in consideration of the mutual benefits received, agree as follows:

The Town shall furnish a building and facilities for the housing of all of the equipment of both parties, and each party shall have equal access thereto for such purpose.  
The Town shall furnish all heat, light and other utilities except telephone, to such housing facility, which may be necessary or desirable for the proper maintenance of such equipment, all at its sole cost.  
The Township shall pay all compensation to which any volunteer fireman may be entitled whether a member of the Town or Township Department.  
The Township shall, upon claim filed annually, pay to the Town twelfth of the annual gross telephone charges for service to such housing facility.

This agreement shall continue in force and effect until terminated at the end of any calendar year by either party notifying the other in writing not less than 90 days prior to the termination date.

## 4th of July festival provides satisfactory day

Although there had been speculation that the 4th of July falling in the middle of the week might adversely affect the number of people attending Akron's celebration, that didn't appear to be the case last Wednesday as hundreds of people crowded into town to enjoy the festivities.

It all began with the morning parade, and this year's contest attracted a high percentage of attractive entries. Judging the parade were Duane Smith and Terri Furnivall, both of Akron, and Dick Briggs, Macy.

Taking top honors were: in-town floats - Kappa Delta Phi, first place

for their "TV, a passing fad?" Akron Library, second for "Hawaii and Alaska become States," and Cooksey's Freezer Fresh, third for "Yackity Yak;" out-of-town floats - Boggs New Lawn Preparation, first for their "live" float, the Kiwanis Club, second for "Athletes, Past, Present and Future," and Olive Branch Church, third; commercial floats - George Deaton, first, with his 1911 horse-drawn hearse, and the Akron Bank, second; novelty - Gagnon's funny car, first, the Claypool Fire Department, second, and Cricket Kammerer, Leesburg, third; kids float - Kristen Saner and Eric Love, "Cruisin' Around."

first, Amy Conliff, "At the Hop," second, and Tara Rutherford and Andy Parker, "Pop's Drive-Inn," third; Bob Stout, vintage car; Kirk Robinson and Ed Martin, tied first for antique cars; and the VFW of Wabash, color guard.

Afterwards, the action moved down to the school grounds as the Akron Travel League met the Rochester Fillies for a softball game. Although the game was deadlocked at 10 - 10, the home team emerged the winners after playing an extra inning, with the final score 11 - 10.

A number of eager young children were entered in this year's

cutie contest, but Amber Utter and Aaron Martin were finally dubbed Miss Sparkle and Mr. Firecracker, respectively. Coming in second place to Miss Sparkle was Melea Overmeyer, and Kelli Kamp was third. Ryan Reese captured second place in the Mr. Firecracker contest, with Brent Bowser taking third place. Amber and Aaron both received \$20 gift certificates from the Hansel and Gretel Shoppe, North Manchester, while Melea and Ryan each received \$10 from the Akron Exchange State Bank and Kelli and Brent each received \$5 from the Fashionette Beauty Salon. Every child entered received a pair of sunglasses from Hackworth and Son and gift certificates for free cones from Cooksey's Freezer Fresh.

The Akron Volunteer Fire Department hosted other fire departments from Mentone, Burket and Claypool for their annual waterball contest, and after a damp number of encounters, Burket emerged the winner.

The kids in town had the opportunity to get into the act, literally, when the 4th of July Committee held a series of contests. The first contest was blowing up balloons and popping them, and

the winners were: four to six year olds - first, Tracy Mattix, second, Heidi Eber, and third, Chad Eber; seven to nine year olds - first, Justin Murphy, second, Karen Randall, and third, Brandon Loer; and 10 - 12 year olds - first, Mike Craft of Winamac, second, Ty Maddix, and tied for third, Taylor Whitaker and Brandon Taylor.

Winning the bubble-gum blowing contest were: four to six years - first, Michael Kline, second, Chad Eber, and third, Heidi Eber of Roanoke; seven to nine years - first, Karen Randall, second, Jeremy Belamy, and third, Justin Murphy; and 10 - 12 years - first, Chris Jackson, second, Taylor Whitaker, and third, Mike Craft.

The last contest was a cracker-eating and whistling contest. Those children winning prizes were four - six years - first, Heidi Eber, second, Michael Kline, and third, Clinton Watkins; seven to nine years - first, Raymond Belamy, second, Justin Murphy, and third, Jeremy Belamy; and 10 - 12 years - first, Mike Craft, second, Chris Jackson, and third, Taylor Whitaker.

## Kisten Lackey wins Miss Akron title

Kisten Lackey, a 1984 graduate of Tippecanoe Valley High School, was crowned Miss Akron last Wednesday as part of the July 4th festivities, while Tiena Fields was named runner-up.

Lackey is the daughter of Monty and Rita Lackey, Rt. 1, Claypool and Fields is the daughter of Betty and Steve Hammond, Rt. 1, Akron.

Lackey, 18, is enrolled at Ball State University and will begin classes this fall. During her high school years, she participated in cheerleading, volleyball, track, gymnastics, the drill team, flag corp, OEA, Future Educators of America and Sunshine Society. She lists swimming, skiing, tennis and reading as favored hobbies. Monty's Wholesale Trucks and Trailers was her sponsor.

Fields, 16, is the president of the Fellowship of Christian Athletes at TVHS and is student council secretary. She's also participated in track, auxiliary corps, French club,

choir, drama club, Future Educators of America, swing choir and Sunshine Society.

Hobbies and interests include tennis, volleyball, her church youth group and working at the Farmer's Daughter Cafe in Akron. She plans to someday study speech at Anderson College. Howard Apartments was her sponsor for the contest.

Other contestants were Lori Green, 17, the daughter of Steve and Vicki Sutton, Akron, and Angie Harsh, 17, daughter of James and Carol Harsh, Rt. 1, Akron.

Lackey received a \$100 savings bond and Fields received a \$50 bond as prizes. The girls were escorted by Chan Tucker and Rob Cumberland, respectively.

## Mentone board takes action on delinquent water bills

At last Monday evening's meeting of the Mentone town board, town trustees Jim Miller, Wayne Tombaugh and Miriam Boardman agreed it was time to take decisive action on delinquent water bills. The board members in-

structed superintendent Rod Holloway that on Thursday, July 19 all homes with outstanding water bills are to have service disconnected.

Trustees also unanimously voted to send Holloway to school for State water certification. He will attend

basic courses in August and then take advanced courses in October at either Logansport or Columbia City. The two-week sessions will be held evenings and will qualify Holloway for State certification.

Holloway was once again the

subject of the trustees as they voted to raise his annual salary to \$12,000, retroactive to July 1. The raise was granted due to his satisfactory completion of six months employment by the town.

In other business: Board mem-

bers voted to sell the 1973 six-cylinder, one-ton Chevy dump truck. The truck will include a manual snow blade, and trustees decided on a selling price of \$800.

## It Happened in Mentone

### TAKEN FROM THE NORTHERN INDIANA CO-OP NEWS JULY 12, 1944 40 YEARS AGO

A total of 119 young campers are attending the annual county 4-H club camp at McClure lake this week, it was reported. The camp got under way Sunday, and ended Wednesday night. Mrs. Virginia Vance of Silver Lake and Miss Martha Brower of Pierceton were camp directors. The applications to attend the camp were far greater than the number the camp was able to accommodate, so the applications of all ten-years-olds and younger were returned.

Mr. and Mrs. Walter E. Dillman and family spent Sunday in Fort Wayne with Mr. and Mrs. Aug. C. Niernman, Sr., and son Herbert and Mr. and Mrs. John L. LeVack.

Mrs. Mollie Jefferies has returned home after a two-week visit with her brother, Malcolm Hire, and family of Dayton, Ohio.

The Worthy Matron of the Eastern Star, Goldie Mollenhour, entertained her officers and their families to a pot luck dinner Sunday evening, July 9 at her summer home at Yellow Creek Lake. Everyone present enjoyed a wonderful time.

The Misses Jean Manwaring and

Louise Paulus returned Saturday from a two week trip into Texas where they visited the latter's brother, C.J. (Red) Paulus, who is in the Gilder Command at Shepard Field, near Wichita Falls.

Dale Wiltrout, son of Mr. and Mrs. Ray Wiltrout, who has been serving at Dutch Harbor, Alaska, is now home on a well-deserved furlough.

Robert Anderson arrived home the fore part of the week on a brief furlough with his parents, Dr. and Mrs. E.D. Anderson and other relatives and friends.

### TAKEN FROM THE MENTONE NEWS JULY 8, 1964 20 YEARS AGO

The Sterling and Wallace Circus will come to Mentone Sunday, July 19, under the sponsorship of the Chamber of Commerce. This circus has the largest variety of wild animals of any circus in the country today. These include elephants, African lions, mountain lions, llamas, bears and chimps - 28 wild animals in all.

Monday at 10:30 a.m. the Mentone Fire Department answered a call by neighbors to extinguish a fire at the unoccupied Noble Babcock farm southeast of Mentone. It is believed that lightning struck the

barn. There was no equipment nor livestock inside, but hay and straw were destroyed. The firemen were able to save other buildings, but the barn burned to the ground; however it was insured.

The Beaver Dam Better Daughters went on a picnic July 6, at 11 a.m. to 2 p.m. at the Akron Park. After lunch a meeting was called to order by president Mary Lou Horn. The pledge to the 4-H flag was led by Carol Baumgartner and to the American Flag by Linda Beugh. The roll call was answered by 17 members, seven mothers and five visiting children. Secretary's report was given by Janet Goshert and the Treasurer's report by Joyce Horn. A demonstration on Kool-aid was given by Donna Swick. After songs, led by Mary Lou Horn, the meeting was dismissed.

Mr. and Mrs. Ernest Heighway and family entertained Mr. and Mrs. Russel Shively, Mr. and Mrs. Joe Shively and son, Mr. and Mrs. Jay Swick, Mr. and Mrs. Robert Heighway and Karen, Ned Heighway and Linda Severns of Rochester, Mr. and Mrs. Con Shewman and son, and Mrs. Bess Bidleman on Thursday evening with ice cream and cake. The occasion was in honor of David's fourth birthday.

### TAKEN FROM THE AKRON NEWS JULY 12, 1934 50 YEARS AGO

The appointment of Robert Royer, son of Mr. and Mrs. Reuben Royer, as assistant to the Dean of Men at Indiana University was one of the actions taken by the Executive committee of the University Board of Trustees at a recent meeting.

Mr. Royer has been coach of swimming at Indiana University for the last three years. Prior to that, he taught English at Akron High School for two years.

Besides his new duties as assistant Dean of Men, Mr. Royer will continue as swimming coach and will also be in charge of South Hall, a boy's dormitory, at the university.

Charles Coplen, living northwest of Akron, got a yield of 38 bushel of wheat on a 20 acre field.

This is the largest yield around here which has been brought to our attention. Many farmers, however, are just beginning their harvest and this record may be broken.

The 4-H Calf Club members of Mentone enjoyed an all day tour last Friday. Much interest was shown by the members in comparing their calf with others. Each calf was lead and shown by the owner.

Each club member is sponsored by a member of the Lions Club of Mentone and all are supervised by Mr. Kintzel, Vocational Agricultural teacher at Mentone, and Mr. Cook, Vocational Agricultural teacher at Beaver Dam.

Mr. and Mrs. Francis McGee, Mr. and Mrs. Fred Townshend, Mr. and Mrs. Daniel Bryant and Mr. and Mrs. Floyd Lambert spent Wednesday in Michigan, going there after raspberries. They report a very enjoyable trip and lots of fruit.

### TAKEN FROM THE AKRON NEWS JULY 9, 1964 20 YEARS AGO

The Akron Town Board has proclaimed July 29 as Circus Day in Akron. The Cole Circus will appear that day under the sponsorship of the Akron Lions Club.

The three-ring circus will be presented under a canvas big top and there will be two performances given.

Nancy Louise Hanson of Akron has been awarded a four-year academic scholarship by Transylvania College in Lexington, Ky., and will enter the college as a freshman student in the fall. She is the daughter of Mr. and Mrs. William E. Hanson, Northwood Street.

### Fenimore wins Cabbage Patch kid

It's sad but true that the winner of the Cabbage Patch doll raffled off by this year's 4th of July Committee was Akron's own Ron Fenimore. It's not that we're not

happy for Ron to win something (as he collected his prize, he insisted he'd never won anything before in his life), but we have to wonder what on earth he's going to do with

A recent graduate of Akron High School, Miss Hanson was active in a number of student organizations including the Student Council, school paper and annual staff.

Admission to Transylvania, the oldest college West of the Alleghenies, is based upon high school record, College Entrance Examination Board scores, recommendation of the school principal, and personal interview.

State Trooper John Funk of Goshen was promoted to Corporal of the Ligonier State Police and will assume his new duties on July 16. He is a native of Akron, and is the son of the former Fay Kindig, now Mrs. Edward Olson of Chicago, Ill.

Marna Stephen was named the girl's champion and Steve Petrosky was the boy's winner in the bubble-gum blowing contest. Other contest winners were Bonnie Huffman and Jeff Craig in the boys and girls "crackers and whistle" contest.

Laura Rager of the Henry Willing Workers 4-H club was chosen to be in the honors group of the Home Furnishings judging.

that doll. Congratulations, Ron!

## People

Dinner guests on the 4th of July of Mrs. Clifford Bright and Velma Bright were Fern Bowen, Mr. and Mrs. Charles Hershsberger and Mr. and Mrs. Gary Kinder and Jeremy of Warsaw.

Norma Knoop

### Norma Knoop receives award

Norma L. Knoop, a 1984 graduate of Indiana University-Purdue University at Fort Wayne, was awarded the Maynard K. Hine Award for her outstanding achievement in the field of dental radiography. The award was presented May 1 by Dr. P.E. O'Shaughnessy.

Knoop also was elected to serve as vice-president of her dental hygiene class. She is the daughter of Paul and Eleanor Knoop of Mentone.

## Mentone Board

### Continued from front

President Miller agreed to contact road contractors to get estimates for street repair. Although in the past the town has always blacktopped streets, board members decided to check the difference in price between blacktop and chip and seal. Approximately \$10,000 is in this year's budget for street repair.

Darrell King submitted a list of cemetery regulations, and the

board unanimously agreed to adopt the list in its entirety. (List will be published in next week's issue of the NEWS.)

The board discussed where federal revenue sharing monies would be allocated, although no members of the community attended the meeting to offer input. The 1985 CY budget was also finalized.

The next meeting of the board will be held Monday, August 6 at 7 p.m. in the town offices.

## Akron Police Report

Akron Police Report, week of July 1 through July 7 submitted by Marshal Dave Kruger.

The first and second days of July were both quiet days.

On Tuesday, July 3 two arrests were made of drivers failing to stop at the four-way flasher at Rochester and Mishawaka streets.

Wednesday, July 4 was a busy day with the parade and the events at the school grounds. For the first time in several years the ambulance did not have to respond to a personal injury accident, nor were there any arrests for drunken driving. One factor may have been the cloudy skies, which tended to keep the crowd down during the day. However, nothing could keep people from the evening fireworks, and the parking area was filled by 8 p.m. With the very able assistance of the Fulton County Sheriff's reserves and the Fulton County Civil Defense personnel, the lot was cleared and traffic returned to normal within about 20 minutes after the end of the fireworks.

On Thursday, July 5 Ron Dittman, who had headed up the Fourth Committee this year, reported that persons unknown had taken a set of fireworks display from Mike Stephen's truck. This display had several large Roman candles on it and had failed to fire during the show Wednesday night, and it presents a real danger to

anyone who tries to set it off.

Friday, July 8 had proved to be unlucky for a local couple whose recently purchased automobile had its front end restyled by a pregnant doe on State Road 19 just south of the County Line. Fortunately, the occupants were wearing seat belts and their young child was in an approved car seat, and no one was injured.

Saturday night, July 9 was not so lucky for the occupants of a small car which rear-ended a van near Lake 16. Three of the car occupants were taken to Woodlawn Hospital for treatment. The accident is still under investigation by State and County Police. This department worked traffic control at the scene for about an hour, sending westbound cars through the country in an attempt to keep the scene clear.

## Correction

In last week's issue of the NEWS, we printed that doctors assisting with athletic physicals at TVHS on July 11 and July 18 were Dr. Wymond Wilson, Dr. Krizmanich, Dr. Johnson and Dr. Pat Silveus. In reality, Dr. Pat Silveus will be assisting. Dr. Silveus is opening a practice in Mentone on July 16 and is new to this area. Sorry for the mix-up.

The Reverend Merlyn Cox

[News Photo]

## Cox assumes duties at Akron United Methodist

Merlyn Cox officially assumed his duties as pastor of the Akron United Methodist Church on June 1 this year. The Reverend Cox replaces the Reverend Frank Cramer, who accepted a position at Hyde Park Church, Hammond.

Pastor Cox was raised in Clinton county, Indiana, and he's served the ministry in Lafayette, Fort Wayne and Crown Point. He completed his undergraduate work at Purdue University before attending Drew University, Madison, NJ for seminary work. He was also a graduate of Clinton Central High School.

Although the Akron area is smaller than that to which he's been accustomed, the Reverend

Cox professed to be looking forward to settling into the community. He commuted for the first three weeks in June, but moved into the parsonage during the latter part of June. He is unmarried.

During the course of his ministry with the United Methodist Church, Cox has taken work groups to several national and international sites, including three groups to Europe. He also participated as a member of a work group in British Honduras in Central America.

Cox's parents and one brother still reside in Clinton county. Pastor Cox admits to enjoying camping, bicycling, music and reading.

### TAKEN FROM THE AKRON-MENTONE NEWS JULY 10, 1969 15 YEARS AGO

The Akron Mothers of World War II and the Las Donas Club gave prizes at the 4th of July. The War Mothers winners and their gifts were: John Zimmerman, afghan; Mrs. Roger Parker, cake carrier and cutlery set; and Reva West, North Manchester, Bertha Smith of Illinois and Doering Radio and TV, each stainless cutlery sets. Jim Miller, Mentone, won the little car given by the Las Donas Club while the bicycle went to Tom White of Plymouth.

Eight local pilots, Harold and Joe Meiser, Harrison Crabill, Elias Bazzini, Chick Herendeen, Hap Utter, Dee Swartz of Rochester and Jim Snodgrass of Warsaw, left Monday morning for a short visit in Guatemala City, Guatemala. They will visit Mr. Bazzini's family there.

Jack Utter, Jack Shriner, Walter Cumberland, and Pat (Burkett) Henderson of Akron High School's Class of 1953, and their spouses, enjoyed a delicious smorgasboard dinner at the Wagon Wheel at Warsaw on July 6. Comments from some of those unable to be present were heard. It was decided that next year's reunion would be held on the second Sunday in August, hoping to be a more convenient time for everyone.

A birthday party was held recently for one-year old Jane Ann Stout in the home of Mr. and Mrs. Bob Stout. Refreshments of ice cream, cake, nuts and tea were served to the following guests: Mr. and Mrs. Rex Bowen and daughters, and Mrs. Thelma Kanouse of Rochester, and Mrs. Lavon Stout and Miss Patricia Jean Stout of Akron.

Word has been received by Mr. and Mrs. Allen Keirn that their son, Norris, was promoted the latter part of June to the rank of Corporal.

Can Funeral Decisions  
Be Made Wisely  
Under Stress?

Not always - which is why we recommend planning your own funeral.

Caught up in grief and stress, some people may be emotionally unable to cope with making funeral arrangements effectively. They may be tempted to proceed with more costly arrangements than they should. It should be noted that the psychological value of the funeral has no relationship to its costs.

Planning such arrangements may eliminate the possibility of such over-spending. Planning can be accomplished in advance of need, in an atmosphere uncharged with the emotionally distressing circumstances of bereavement. For details of planning funerals, call us, or stop by for literature.

Your questions and comments on this and other subjects are welcome - in private or publicly through this column.

# Smith marries Studebaker

Lisa Lynne Smith, daughter of Mr. and Mrs. Lynn Smith of Akron, became the bride of Ron Studebaker on Sunday, June 17. Studebaker is the son of Paul Studebaker, Peru, and Pat Studebaker, Warsaw.

The double-ring ceremony was officiated by the Reverend Wayne Johnson. The Love Trio, of Donna Loer, Kathy Murphy and Mike Love, all of Akron sang while Brian Kratzer, Macy, played the organ.

The bride was escorted by her father. Miss Smith chose a gown of ivory poly-sheer over taffeta and chantilly lace. It had a scalloped-lace high neckline with a V-yoke of embroidered net defined with scalloped lace and adorned with a pearl-encrusted lace medallion. The upswept hemline was accented

by applied galloon over a lace panel and was swept into a semi-cathedral train. Her matching ivory lace cap was accented with a fingertip silk illusion veil sprinkled with appliques and pearls and blusher veil. The bride carried an old-fashioned bouquet of silk peach roses, peach daisies, lavender lilac blossoms and lily of the valley highlighted with baby's breathe, ecru lace streamers and encased in a beautiful handmade doily crocheted by her grandmother.

Serving as maid of honor was Holly Smith, Akron, sister-of-the-bride, and bridesmaids were Janice Good, Mentone, Colleen Sage, Culver, Heather Smith, Akron, sister-of-the-bride, was a junior bridesmaid. The attendants wore sea aqua three-quarter length dresses with front lace V-insets. Jennifer Studebaker, niece-of-the-groom, Akron, was flower girl.

Serving Studebaker as best man was Don Studebaker, Akron, brother-of-the-groom. Groomsmen

were Steve Studebaker and Paul Studebaker, brothers-of-the-groom both of Akron, Kaly Smith, brother-of-the-bride, was junior groomsman. Richard Hiers Jr., Niles, MI, and Rex Utter, Akron, served as ushers.

A reception for 120 guests was held in the fellowship hall after the ceremony. Serving at the reception were Bonnie Hiers, Akron, aunt-of-the-bride, Dauneda Shultz, Macy, cousin-of-the-bride, and Chris Shwenk, Bloomington.

The bride is a 1981 graduate of Tippecanoe Valley High School. She attended Ancilla College, Donaldson, IN and one year at the Memorial School of Nursing at South Bend. She is employed at Woodlawn Hospital, Rochester. Studebaker is a 1982 graduate of Tippecanoe Valley High School. He is employed at Stookey's Holstein Farms, Leesburg.

Following a honeymoon to the Smoky Mountains and Florida, the couple is at home at Leesburg.

## Burket News

Ninety-one people registered for the "Guess Who's Coming to Dinner" gatherings on the evenings of June 30 and July 1 in Burket. Everyone reported having a good time. Thanks to all the hosts and hostesses for the efforts and hospitality. Home made ice cream was an added show of love.

Mr. and Mrs. Jim Rose and Tammy spent the weekend at Huffman Lake.

Mr. and Mrs. Eldon Martin entertained for Sunday dinner Mr. and Mrs. Perry Hathaway, Charles Williams, Sue Danner and Mary Rose.

Mr. and Mrs. Wilbur McSherry hosted the McSherry family reunion on June 24, which had an attendance of forty-five. A niece and her daughters from Long Island spent the weekend with them.

We are glad to have Lavina Nelson and Janet Woods home from the hospital.

Mr. and Mrs. Marshall Parker called on Zeta Parker Saturday evening.

Jolly Good Neighbors met with Mrs. Deverl Jamison for their June meeting. Her co-hostess was Mrs. Gene Polk. The lesson leader was Mrs. Art Yarian.

## Mentone Notes

Harriet Abbey has returned from a 2 week tour in England, Scotland and Wales. The highlight of the trip was being accompanied by two of her sisters from Penna. They were fortunate to be in London during the "Trooping of the Colour" ceremony on June 16 and saw Queen Elizabeth, the Queen mother and Lady Diana. They spent a night in a castle in Wales where they were served a medieval banquet. They attended services at St. Paul's Cathedral, London, and also at St. Giles' church in Edinburgh, Scotland where John Knox led the Protestant Reformation in Scotland. Many other cathedrals and abbeys were visited and they attended a Shakespearean play at Stratford-on-Avon. The weather was beautiful, as well as the scenery.

## Beaver Dam News

The Beaver Dam Better 4-H'ers met June 25 at the home of Jennifer Shewman. The American Pledge was led by Shari Baumgartner and the 4-H pledge by Amy Rodenburg. Health and Safety was by Lori Gray on burns. The secretary's report was read by Jeff Tucker and the treasurer's report by Jennifer Shewman. After business was discussed, everyone enjoyed a Weiner and marshmallow roast.

# Scenes from the 4th of July

Philo Mannies, two, the son of Matt and Jackie Mannies, Logansport, was worn out before the parade even started, but he woke up later to enjoy the festival. [News Photo]

Akron's Kappa Delta Phi took first place with their Nifty Fifties theme float, "TV, a passing fad?" (News Photo)

It was fortunate for the occupants of Gagnon's Funny Car that the judges had a sense of humor—even though they sprayed water all over the judges, they were awarded the first place prize in the novelty division. (News Photo)

The Claypool Volunteer Fire Department provided a crowd-pleasing show with this indelicate apparatus. [News Photo]

George Deaton sponsored this beautiful 1911 horse-drawn hearse, owned by Leon Allen [News Photo]

Probably no entry elicited more comments than this float by Boggs Lawn Preparation, which was made entirely of living turf and shrubbery and accented with stuffed animals and birds. An estimated 150 hours went into its making. (News Photo)

## Akron 4th

Continued from front

All the children winning the contests were given Susan B. Anthony dollars donated by the

Akron Exchange State Bank.

Kisten Lackey was crowned Miss Akron late in the afternoon (see related story), with Tiena Fields, runner-up. Bouquets of flowers, donated by Rochester Greenhouse, were presented to both girls.

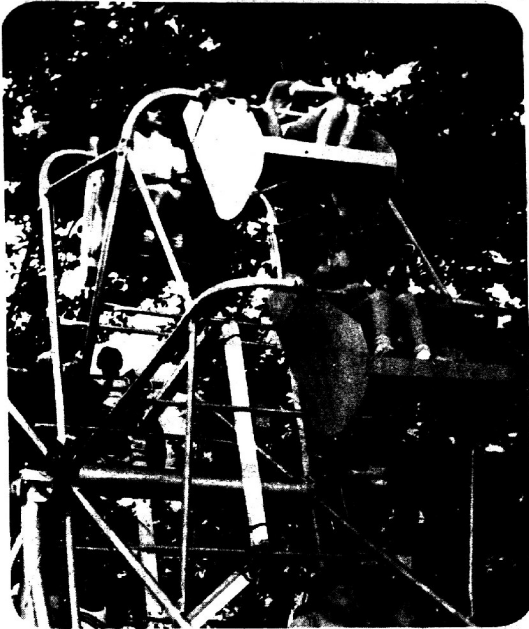

As usual, the day's events were

capped with a brilliant display of fireworks, with the Volunteer Fire Department doing the honors.

And, as usual, though everyone was tired by the end of the day, we were left with thoughts of what next year's festival will bring.

The fear that he might conceal a joke was said to be one reason that Benjamin Franklin was not entrusted to write the Declaration of Independence.

And what's a festival without kiddie rides?

# Akron Marshal offers tips on bicycle safety

With the warm days of summer upon us, more and more bikes are seen around town -- some being ridden safely and in accordance with the rules of the road, and others not so safely. Many youngsters on their bicycles for the first time aren't aware of what their responsibilities are, and all too often neither do their parents instruct them in safe riding.

To help out new bikers, and to refresh the minds of some "old-timers" the Akron Police Department has been asked to provide the readers of the NEWS with some safety rules.

All bicycles and motorized bicycles (Mopeds) principally garaged or kept within the corporate limits of the Town of Akron are to

be licensed by the Police Department. These licenses cost \$2 and are valid for as long as you own the bike. The purpose of licensing is to provide the Police with a description and serial number of the bike, the name and address of the owner, and to permit the Police to return the bike in the event it is lost or stolen. Persons who live outside of town who wish to register their bikes or mopeds may do so also. This registration is for the owner's protection.

Bikes may not be ridden on the sidewalks within the business district (One block in each direction from the intersection of Rochester and Mishawaka Streets) of Akron. This is to prevent bikers from hitting car doors and/or pedestri-

ans. Bikes may be walked on the sidewalk and should be parked against the buildings away from the doors to business establishments.

The following items are excerpts from the Indiana Motor Vehicle Code which apply to bicycles:

Every person riding a bicycle upon the roadway shall have all of the rights and all of the duties applicable to the driver of a motor vehicle except those provisions which by their nature can have no application. This means that a bike rider must obey the same rules as a car driver. The bike must be ridden on the right-hand side of the road, must stop at all Stop signs and give proper signals for all turns.

No bicycle shall be used to carry more persons than the number for which it is designed and equipped. This means no passengers on the crossbar, handlebars, or on the back fender. An exception would be a child in a properly designed and installed carrier.

No person on a bicycle shall hitch a ride from a moving motor vehicle.

Persons riding bicycles upon a roadway shall not ride more than two (2) abreast.

No person riding a bicycle shall carry any package, bundle, or article which prevents the rider from keeping both hands upon the handlebars.

No person shall ride a bicycle unless it is equipped with a bell or

other device capable of giving a signal audible for a distance of at least one hundred (100) feet except that no bicycle shall be equipped with, nor shall any person use upon a bicycle any siren or whistle.

Every bicycle operated on a public highway from one-half (1/2) hour after sunset until one-half (1/2) hour before sunrise shall be equipped with a lamp on the front exhibiting a white light visible from a distance of at least five hundred (500) feet to the front and with a lamp on the rear exhibiting a red light visible from a distance of five hundred (500) feet to the rear; except that a red reflector meeting the requirements of this act may be used in lieu of a rear light.

Every bicycle shall be equipped with a brake which will enable the operator to make the brake wheels skid on dry, level, clean pavement.

The parent of any child and the guardian of any ward shall not authorize or knowingly permit any such child or ward to violate this chapter (of the Motor Vehicle Laws). These regulations applicable to bicycles shall apply whenever a bicycle is operated unless upon any highway or upon any path set aside for the exclusive use of bicycles.

## Obituaries

### Charles Keele

Charles Albert Keele, 65, Rt. 5, Rochester (Tiosa), died unexpectedly at 5:15 a.m. Monday, July 2, 1984 in his home.

He was born March 4, 1919 in Litchfield, Ill., to Ralph and Mary Henson Keele. He moved here 32 years ago from Logansport. Before that, he lived in Wolcott. Four sons and a brother preceded in death.

Services were at 2 p.m. Saturday in the Deaton Funeral Home at Akron with the Rev. James Malbone officiating. Burial was in the Laketon Cemetery.

## Hats off to ---

Hats off to Meles and Ron Dittman for their work organizing the Akron Fourth of July festival. Although Meles acts surprised at how well things turned out, we all know it was no mere accident.

Hats are off to all the other committee members, also. The day was very enjoyable despite the weather.

## Calendar

WEDNESDAY, JULY 11 - TVSC board reorganization meeting, 7:30 p.m. at administrative building; Seward Home Extension Club, Burket United Methodist Church, 1:30 p.m. Esther Nelson and Irene Miller, hostesses; Mentone War Mothers July meeting at the home of Mildred Grindle of Warsaw. Note change of date.

### "To The Akron Youth League Parents"

We have a beautiful ballpark with approximately 180 girls and boys playing ball. I feel that when we have work days at the park, or umpiring games on the 4th of July, that the same 10 or 12 parents shouldn't have to do all of the work. I feel that some of the parents should maybe look at the kids in the community and volunteer to help more often.

# National Survival Games gain nationwide popularity

There's been a rising popularity during the past couple of years in military-oriented objects. For example, one of the fastest-growing fashion "looks" is "cammys," aka camouflage outfits, complete with army surplus hats, boots, belts, canteens, ammo belts and sheaths. Is it any wonder, then, that a game based on survivalist skills is gaining popularity nationwide?

Bill Dodson, Rt. 2, Silver Lake, is what I call a "survivalist master." That is, he carefully choreographs weekend games for teams of men who want to put their survivalist/woods skills to the test. And although he only began doing this last February in Muncie, he now orchestrates weekly games, sometimes locally, sometimes traveling to Fort Wayne, Albion or Muncie.

The game is set up for two 12-man teams, although Dodson sometimes has more players and sometimes fewer. Each team has a flag base in an area of about 35 acres, and the object of the game is to capture the other team's flag and return safely to home base. Props

for the game include cammies, skin camouflage and CO2 powered pistols which shoot water-soluble paint pellets. Dodson revealed some players also use slingshots to shoot pellets, but a player would need to be fairly skilled to hold his own with only a slingshot.

If a player is shot with a paint pellet, he's out of the game. For the sake of realism, red paint is used.

Most of the games last about 20-25 minutes, according to Dodson, and a full day's sport last between two-and-a-half or three hours. "When you're running through the woods at top speed, being chased by the 'enemy,' two or three hours is all you can take," Dodson explained. "The rules state everyone who plays must wear safety goggles, as the biggest danger would be accidentally getting shot in the eye with a paint pellet. In my games, we also have a ten foot limit for shooting someone, although sometimes that doesn't always quite work. When everything's happening at once, it's sometimes hard to stick to

that." Another rule is that players must be 18 or older.

Dodson is affiliated with National Survival Games and is the designated dealer for the Eastern Indiana District. Northern Indiana playoffs will be held in August, with state and regional playoffs following. Dodson expects eight or nine states to be included in the regionals, with the winners then going to a National Championship, which will be held in Atlanta, GE. During the summer of 1985, a world championship will be held.

Dodson welcomes new players or teams and invites interested people to call him at 352-2714.

## Franklin Twp. plans meeting

The Franklin Township Advisory Board will hold a Federal Revenue Sharing hearing at the Twp. Trustee Office located at Agriculture Center corner of State Rd. 19 and State Rd. 25, July 24 at 7 p.m. Any Franklin Township resident is invited to come and give comments on uses of the fund.

This man holds a CO2 paint pellet gun.

This is one of the 12-man teams who regularly play the survivalist game.

## Brenda Wright tours DC

Brenda Wright, Akron returned on June 30 from Washington, D.C. after attending citizenship-Washington Focus - a week long experience in citizenship and leadership training at the National 4-H Center. She was one of 28 delegates from Indiana, and ten other states also participated. The program was designed to help young people understand our government, its heritage and the importance of active participation as a citizen.

Using the nation's capitol as a "Classroom," the program included a day on Capitol Hill to meet with Senator Lugar and see government in action. Also during this time on the Hill, the Indiana delegates were able to get a glimpse of Jesse Jackson as he entered the Capitol. Field trips to the Washington Monument, Jefferson Memorial, Lincoln Memorial, Arlington Cemetery, the Office of the Secretary of State, the Vietnam War Memorial, Smithsonian Institute, the Library of Congress and the National Zoo were some of the places visited.

Brenda also attended the play "Hey Ma...Kaye Ballard" at the Kennedy Center for the Performing Arts. After the inspirational performance by Kaye Ballard, the Indiana delegates were invited backstage to talk with the actress.

Workshop sessions were held at the 4-H center. Sessions included a computer workshop, vision workshop and a mock presidential election.

Citizenship-Washington Focus is conducted by the National 4-H Council in support of the 4-H

Brenda Wright and Senator Richard Lugar (R-IN).

program of the Cooperative Extension Service of the state land-grant universities and the U.S. Department of Agriculture. Brenda was sponsored by the Fulton County 4-H Council.

## Do we have your name right?

## Now's the time to tell us.

The new edition of your phone book goes to press soon.

But before the presses roll, be sure you're listed correctly.

Or tell us if you'd like more listings (the kids, a relative, your spouse, for example).

After all, it's your phone book. When you see your name in print, it ought to be the way you want it.

So, if you want changes or additions, let us tell you what the charges are. Just call our business office now.

## Thank Yous

Thank you to Mentone E.M.T.'s from Scott Teel's family.

How many times have we read thank yous to E.M.T.'s, not realizing their importance, somehow thinking we'll never need them.

As Debbie was trying to do C.P.R. on Scott and I was blowing air into my son, no words can express our relief to hear those sirens coming down the road.

They came very quickly after being called, and we're so grateful.

A special thanks to Janice Hatfield. She stayed by our side and kept checking with emergency room doctors to see if Scott was responding to treatment. We're so thankful for kind, loving volunteers like her and the others.

Sincerely,  
Dick, Janie, Deb, Brenda and Heather  
and the rest of our family

Dear classmates, team-mates and coaches, relatives, friends and neighbors:

Thank you for all the beautiful flowers, cards, food and prayers. Thank you for loving Scott and loving us and sharing our sorrow. It really helps knowing we're not alone.

Some people think Scott's death was a terrible accident. To our physical eyes it was, but for us to cope we have to believe it was in God's perfect plan, that he doesn't make mistakes; even though our hearts are breaking and at times we can hardly stand it.

Scott was a gem of a young man. He left his Christian influence on many lives. We are thankful we had Scotty 18 years to brighten our lives and home with his happy personality and loving smile; our own Care Bear.

Sorrow is not top high a price to pay for the joy and love we've shared with him.

Scott's Mom, Dad, Sisters and Family

## Thank Yous

We want to thank everyone who helped make the Fourth a success. Our Parade Marshal, the Akron Police and Fire Dept., the Civil Defense and the Sheriff's reserve, all the groups who had booths at the school and all the judges. A special thanks to Rita Simpson and Ray Doering for the announcing and to all the sponsors for the poster, the Tic Toc Trophy Shop, Lewis Salvage, Sonoco, all the committee members, Vicki Fultz, Pike Lumber and Larry Dane.

Thank you, Ralph Martin, for the balloon drop, and Day Hardware for donating the balloons.

Most of all thanks to Dick and Judy Day; they know what this is all about. Also thanks to Akron-Mentone News for advertising, and all the people who just helped for no real reason, just out of kindness.

Ron and Meles Dittman

I wish to thank my family, friends and neighbors for their prayers, cards, visits and other acts of kindness shown to me and my wife during my stay in St. Joseph's Hospital in Ft. Wayne. Your thoughtfulness will never be forgotten. May God bless you all.

Jim Lewis

A special thank you to my friends, neighbors and family for the cards, visits and prayers during my stay in the hospital and since returning home. May God Bless each of you.

Walter Funk

To the many who have expressed their love with cards, flowers and gifts. I thank you for the prayers, I am eternally indebted. God bless each one.

In His Love, Marie Hand

## THANK YOU

We would like to thank all of the men, women, boys and girls who donated their time and effort on the Fourth of July to make the Akron Youth League booth a success.

A very special thank you to the ladies who have spent many, many days painting the signs at the Akron Youth League.

## SOVIET-PUPPET TERRORISTS OF SWAPO TAKE AIM AT U.S.

Mr. & Mrs. American Taxpayer, your attention please!!

Do you know that U.S. taxpayers spend over \$1 billion each year to support the United Nations - 25% of the U.N. budget?

There are 158 countries in the United Nations, which is controlled by an anti-American majority made up of the Communist-bloc in close alliance with the third world countries. Most of them contribute little or nothing, and spend their time attacking the United States.

The United Nations uses a part of the U.S. tax money it receives to support such Soviet-sponsored terrorist groups as the South West Africa People's Organization (SWAPO) in its guerrilla campaign to seize control of Namibia and cut-off U.S. access in southern Africa to such strategic minerals as chrome, cobalt and platinum. Without these minerals our technological civilization will collapse.

The Soviets have declared that their aim is to gain control of the two great treasure houses upon which America depends: the "energy treasure house" of the Persian Gulf and the "mineral treasure house" of central and southern Africa.

Namibia is the next target in the Soviet "resource war" against the U.S. and the gateway to ultimate Soviet control of all of southern Africa. With control of Namibia's Atlantic coast ports, Soviet nuclear armed submarines can bisect the oil and mineral life-line to the NATO countries and the U.S.A. President Reagan is trying to block a Soviet-puppet take-over in Namibia. He needs your help.

Speak up for America and write your views to President Ronald Reagan, The White House, Washington, DC 20500.

Fred McSherry president for '84-'85

## Richard Long resigns as Valley board member

For the third time since October 1982, a member of the Tippecanoe Valley School Corporation board resigned with no advance warning. Board president Richard Long was not present at last Wednesday's re-organization meeting, but submitted a letter of resignation which Superintendent Baxter Paige read.

Citing personal problems and an increased workload on his farm as reasons for resigning, Long added, "I would encourage the board to continue making the best decisions possible in the best interest of education."

Long was just re-elected during the May primary to his third term on the board, defeating challenger Linda Oden from Harrison township. At the end of the meeting, Paige announced he would need clarification from legal counsel Lee Bazini before applications from candidates to fill Long's seat would be accepted. (See article, this page.)

In October 1982, then board-president Vernon Meredith resigned and was subsequently replaced by Fred McSherry, and in February this year William Rogers resigned and was replaced by Joseph Crill.

Paige expressed real regret in recommending the other trustees accept Long's resignation. "Dick contributed greatly to the stability of the school corporation this year, and I regret he feels he must resign. His efforts have helped shape the board over the last year after experiencing some difficult times." Trustees McSherry, Cecil Miller, Jim Royer and Crill also expressed dismay at Long's resignation.

Re-organization of the board was held and McSherry was elected to assume duties as president, while Miller and Royer were selected to positions as vice-president and secretary, respectively. The new board also voted to retain Bazini as attorney for the corporation and

re-appointed Judy Hively and Linda Cochran as corporation treasurer and deputy treasurer.

Although trustees had the option of increasing their salary (currently \$1,000 annually) by as much as 100 percent, Royer moved to table the question of any raise until December. (At the June meeting, trustees tabled the issue of administration raises until December.)

Trustees voted to hire the architectural firm Fanning/Howey from Michigan City to prepare a feasibility study toward a building program. Paige reported three firms had toured all the corporation buildings and presented ideas to board members, but they were unanimous in their selection of Fanning/Howey.

Although an auction for the building trades house was scheduled to take place, no bidders were present. Paige reported the corporation would once again advertise the home and schedule an auction for next month's meeting.

In other business: Board members devoted the remainder of the evening to preparation for the re-opening of school by setting fees and schedules. Although there will be no change in lunch prices or high school athletic prices for the 1984-85 school year, book fees and school hours underwent slight changes.

Lunch prices will remain 75 cents per day for students in grades 1-12, or \$3.75 weekly. Reduced price lunches for qualifying families are 40 cents daily, or \$2 weekly.

Following new requirements by the State, there will be changes in school hours. Classes at Burket are scheduled between 8 a.m. - 3 p.m. while classes for Akron and Mentone will be held between 8:30 a.m. - 3:30 p.m. High school hours will change from 8:10 a.m. - 3:10 p.m. to meet state requirements.

Book fees for elementary and junior high classes will be broken down this year instead of a flat fee

being charged for grades 1-8. Kindergarten students will pay \$20 for materials, grades 1-2 will pay \$38.50, grades 3 and 6 will pay \$36, grades 4-5 will pay \$32.50 and grades 7-8 will pay \$33.50. Changes were made to comply with a recommendation from the State Board of Accounts.

(For a complete listing of high school fees and athletic ticket prices, see story on pages 10 and 11.)

Trustees granted permission to Valley principal John Hill to spend \$1311 for foreign language arts tapes. Cost of the tapes will be covered by interest earned from the

high school NOW account at a local bank.

Board members formally adopted the language arts curriculum that was designed and approved by both teachers and administration. Hill and Akron principal Dan

## Valley cheerleaders advance to Nationals

The TVHS freshman cheerleading squad placed first in state competition on Sunday, June 17. The contest, held at DePauw University, Greencastle, was sponsored by the U.S. Cheerleading Association.

The squad, composed of Michelle Smith, Missy Kubley and Lisa Hoffman, all of Mentone, and Jamie Murfit, Jenny Shafer and Ellen Burdge, all of Akron, are now eligible for national competition, which will be held in Michigan on August 22 at a site yet to be determined.

Michelle Smith also won an outstanding individual award and will compete both as an individual and as a member of the team. Girls from all 50 states will be competing at Michigan.

Sponsor Bev Harter reports they'll organize a car wash to raise funds for traveling expenses. Any donations toward the trip should be sent to TVHS in care of principal John Hill.

The Varsity and J.V. cheerleaders will go to the State Fair August 16 for state competition.

## Harrison township school board opening

Applications will be accepted for the position of school board member for Tippecanoe Valley School Corporation until 4 p.m. EST, August 10, 1984, in the Office of the Superintendent of Schools.

Applicant must be a resident of Harrison Township, Kosciusko county for a period of at least two years prior to date of selection; applicant must be a freeholder in Harrison Township, Kosciusko county; and applicant must be a registered voter.

Applications should include the reasons that the candidate wishes to apply for the board position and the qualifications that the candidate feels would be pertinent to the

position. Interviews will be conducted the week of August 13-17, 1984.

The application must be in

Dear Editor:

It is just a little town in Fulton county, but if you want to see a sight that fills your heart with pride and respect, come with us to the next Fourth of July parade at Akron and see what I saw on this past Fourth of July.

I was riding as Senior Poppy Queen behind the Wabash V.F.W. Color Guard. As the Colors came down the street every man, woman and child stood up, many with right hands over their hearts in salute to our flag. They stood until the colors had passed them. Most men who wore a hat or cap removed it from

their heads.

It made me proud to see so many still showed pride and respect for their country's flag and were happy to show it. It also made me respect and be proud of everyone of them.

It reminded me of the poem - "The Flag Goes By" by Henry Halcomb Bennett, especially the last words of the first and last stanzas: "Hats off!! The Flag is Passing By."

## Akron Police Report

Submitted by David S. Kruger, Akron Marshal

**Sunday, July 8, 1984:** The week was just about an hour old when a local resident was arrested by the town Police and lodged in the County Jail on the charge of operating a motor vehicle with a blood alcohol concentration greater than 0.10%. Also a late Fourth celebrant had his firecrackers confiscated.

**Monday, July 9, 1984:** Driving on expired plates resulted in a driver being summoned to appear in County court on July 25.

**Tuesday, July 10, 1984:** Based on several complaints from neighbors, the town marshal accompanied the county sanitarian in inspecting two properties for the presence of rats and other vermin. One property was in excellent condition with absolutely no signs of rats, but the other was questionable. The County Health Department will take steps to contact the property owner to have the area cleaned up.

**Wednesday, July 11, 1984:** County juvenile authorities were notified concerning a 14-year old riding a motorcycle without supervision.

**Thursday, July 12, 1984:** With the exception of two motorists who locked their cars with the keys inside requiring assistance, Thursday was uneventful.

**Friday, July 13, 1984:** Sometime between Thursday morning and Friday evening, vandals destroyed the bird bath belonging to Kay White on East Rochester Street.

**Saturday, July 14, 1984:** Another local resident spent the night as a guest of the County when his erratic driving caught the attention of the Police and his B.A.C. was over the 0.10% limit set by the State. Two other drivers also received invitations to visit the Courthouse -- one for failing to stop at the flashing signal at Rochester and Mishawaka Streets and the other for having expired license plates.

## Quayle Mobile in Fulco Friday

The mobile office of United States Senator Dan Quayle will visit Fulton County this Friday, July 27 County on Friday, July 27 to give constituents an opportunity to discuss problems they are encountering with the federal government. Constituents will also be able to comment on legislative issues under consideration by Congress.

The mobile office is scheduled to arrive in Rochester at 2 p.m. A member of the Senator's staff will meet with constituents in the Commissioner's room of the Fulton

County Courthouse and will be available from 2 to 3:30 p.m.

Senator Quayle and members of his staff will use the mobile office as a means to expand his ability to provide constituent services to Hoosiers. The office will visit communities through the State providing greater accessibility to the Senator and the services offered through his office.

Senator Quayle will not be traveling with the office on this occasion.

## Silver Lake town board considers trash situation

The Silver Lake Town Board met Tuesday, July 10 with Stephen Himes, a representative of Borden's Disposal, Goshen, about the situation regarding trash pickup service.

Several complaints were registered last month by residents who said their garbage bags were being opened by dogs, and also expressed concern with the trash billing method for merchants. Citizens felt some merchants were not paying the extra fee that should have been required for above-average trash hauling.

Following discussion with the Borden's representative, board members John Teeter, Robert Hoehn and Lloyd Moore decided the only fair thing was to have the town follow the contract. The contract states that everyone who has garbage service must have a suitable container and the trash must be on their own property.

Board members hope this will alleviate the problem with the earlier system. The members say not allowing garbage bags to be used will both solve the problems of not having the bags torn open, and also will allow for fair determination of trash charges with everyone using containers.

Borden's will give 30 days leeway for the plan to be implemented and everyone to use containers. Board members emphasized the change is being made because of the numerous complaints with the former system.

In other matters, the board:

Passed an ordinance to change several present stop signs on

Walnut Street to yield signs.

Announced that work is expected to start on the filtration system at the water plant. Until that work is completed residents may experience a little inconvenience with their water.

Announced property between the sidewalk and the street, called the "tree lawn," is owned by the town. Any alterations of that area by putting in railroad ties, gravel or other times is prohibited unless permission is granted by the board. The next meeting is scheduled for Tuesday, Aug. 14, at 7 p.m. in the town hall.

## Friday National POW-MIA Day

Congress has, by joint resolution, designated July 20 as National POW-MIA Recognition Day. The President has called on the VA to recognize the special debt owed to our fellow citizens who gave up their freedom in the service of our country.

The Veterans Administration Regional Office, in conjunction with the VA Medical Center, will conduct a ceremony on July 20 at 11:30 a.m. at Veterans Memorial Park (formerly Obelisk Square), which is located directly west of the Minton-Capehart Federal Building, 575 N. Pennsylvania, Indianapolis.

The public is invited to attend.

### Popcorn - A Great Snack

What would make a delicious low-calorie snack to munch on tonight as you relax for a few minutes on the front porch and gaze at the stars? Why it's popcorn of course! They say that Columbus found the natives in the West Indies selling popcorn decorations like corages. Popcorn was an important food for the Aztec Indians who also used it to decorate their ceremonial headdresses. Early French explorers through the Great Lakes region around 1612 found the Iroquois Indians popping popcorn in pottery vessels with heated sand. They used the product in many ways including popcorn soup. Colonial housewives were probably the first home-makers to serve a "puffed" breakfast cereal because they served popcorn with sugar and cream to their families for breakfast. Today Americans consume more than 618 million pounds of popcorn each year or 2 pounds for each person. That is 42 quarts of popcorn for every man, woman and child in our country. Hoosier farmers usually harvest about 145 million tons of popcorn on 50,000 acres each year. Yes, the next time you purchase a bag of popcorn remember you are helping to support another import-

ant Indiana industry.

## State Fair baby contest announced

The search is underway once again to locate Indiana's cutest, most personable toddlers to participate in the second annual Indiana State Fair baby contest.

The contest, sponsored by Indiana Farm Bureau, Inc., will take place on Tuesday, August 21, in the Farm Bureau Building at the Fairgrounds. The event is open to babies from three months to three years of age, and no pre-registration is required.

Last year an overwhelming 318 adorable entrants and their proud parents took part in the contest which awards prizes for best costumes and "Mr. and Miss Per-

sonality."

The judging begins with the three to five months age group at 1 p.m., followed by the six to eight months group at 1:30, the nine to 11 months group at 2 p.m., the 12 to 18 months category at 2:30 p.m., the 18 to 24 months category at 3 p.m. and the two to three-year-olds at 3:30 p.m. The contest concludes after the 4 p.m. judging of the three to 11 months and one to three-year-old twin categories.

Trophies will be awarded to the first-place winner in each category and every contestant will receive a ribbon.

Entrants must be residents of Indiana and be accompanied by only one adult inside the judging area. Children should be supervised at all times and the committee is not responsible for accidents. The decisions of the judges will be final.

## New books at Akron

New books available at the Akron Carnegie Public Library to the public are:

**River of Dreams** by Gay Courter -- This is a richly told story of love and adventure in an exotic setting. The time is the late nineteenth Century and the place is the emerging port city of Rio de Janeiro, where European wealth and tradition mix with the culture of the dark skinned native Brazilians. Into this foreign world arrives Margaret Clairborne, educated in a New Orleans convent, soon to encounter the blond Eric Larson, brother of Francisca, her beautiful Brazilian friend whose tragic past will condemn her to a life of brutal submission. All combine with the glittering life and infinite promise of Brazil to make this an unforgettable tale.

**Life in Russia** by Michael Binyon -- The author has drawn an unforgettable picture of the warmth and vitality, as well as the hardships of daily life, that lie just out of sight behind the Soviet enigma.

**The Long Afternoon** by Ursula Zilinsky -- A turbulent history comes alive in a pageant of lords, ladies, vicars, suffragettes, flappers, poets, soldiers, scholars and rebels. The author's sweeping saga recalls an age of innocence stopped short by a devastating war and a world so shaken that it will never again be the same.

**Sound of Impact** by Adam Shaw -- Just before noon on Dec. 1, 1974, a TWA jetliner bucking wind-driven snow slammed into the Blue Ridge Mountains near Washington, D.C. The ninety-two people aboard died instantly. Some were never entirely found. The story begins at dawn in an Indiana farmhouse and ends sixteen months later, at dusk, in a hushed Virginia courtroom.

**The Taming of Annabelle** by Marion Chesney -- Now Annabelle the second marriageable daughter of the Armitage Family, steps center stage in a romantic adventure filled with buoyant wit, fast-paced intrigue and happy surprises.

### CANNING WITH FRIENDS

And Other Tips for the Time-Conscious Householder

Recently one of our readers wrote THE MOTHER EARTH NEWS magazine about her pleasant experiences in putting up summer produce. Here is her story.

"I'll be the first to admit that the 'secret' I'm about to divulge isn't a very well-hidden one. Pioneer folks, and even my own grandparents, used the technique that my friends and I discovered in this modern age. It's based on the same idea as the old-timey barn raisings, corn shuckings, and apple squeezings.

"In other words, if you want to try putting up some goodies this year, get together a group of friends who'd like to try it too... and have a party! Perhaps you can find at least one experienced hand to direct the activities and teach everyone how to can properly. If not, you can certainly rely on the advice given in well-tested cookbooks.

"My first attempt at community canning came in blackberry season after nine of us novices agreed on a suitable weekend when the fruit was at its peak. By 8:00 AM on a sunny Saturday, our motley crew was spilling out of various vehicles at a spot where prior scouting had revealed the best berry brambles for miles around. By 10:00 AM we had more blackberries than we ever wanted to see again, and the July sun was getting overly warm.

"On the way to the potluck brunch at my house, we detoured to a nearby river and cooled off. It was early afternoon before the serious jelling began.

"While the dark berries boiled in assorted pots to the ideal jelly-ready state, children played, adults chatted, visitors arrived, and we took turns stirring the fruit. At the right moment, we created a full assembly line of jelly-jar washers, ladlers, and sealers. All the containers were finally processed just as the sun set and the children began to get sleepy. It had been a full day of friendly fun and companionship, and every participant took home several jars of tasty blackberry jam.

"After other such weekend rendezvous later in the season, shining glasses of grape jelly decorated our pantry shelves and corn shivered in the freezer. My friends and I found these episodes to be great excuses for getting together having fun while accomplishing what could have been a laborious task.

"In between these grand gatherings, my husband and I found simpler, quieter ways to put food by without overstraining our tight time budget. When apple season came around, for instance, I arranged for a friend who wanted to can applesauce to come for supper one evening after work. While I prepared a quick meal, she peeled apples. By bedtime we had prepared six quarts of fresh, saucy winter fare.

"When the garden started producing tomatoes in earnest, I chopped up several of them with some peppers and garlic, put them into the slow cooker, and let the mixture simmer all day. By evening it had cooked into a tasty tomato sauce, which I put in containers for the freezer. Using the same method with chopped apples and spices produced excellent apple butter that was ready by dinner time for its hot water canning bath.

"I enjoy the quiet moments that my family tucks into our busy schedules in order to put away food for the coming winter, but I especially cherish those warm community canning days. The memories from such occasions remain warm and comfortable far into the cold nights of winter."

## SOVIETS STRIKE AT U.S. THROUGH NAMIBIA

Mr. & Mrs. American Taxpayer, your attention please!!

Do you know that U.S. taxpayers spend over \$1 billion each year to support the United Nations - 25% of the U.N. budget?

There are 158 countries in the United Nations, which is controlled by an anti-American majority made up of the Communist bloc in close alliance with the third world countries. Most of them contribute little or nothing, and spend their time attacking the United States.

The United Nations uses a part of the U.S. tax money it receives to support such Soviet-sponsored terrorist groups as the South West Africa People's Organization (SWAPO) in its guerrilla campaign to seize control of Namibia and cut-off U.S. access in southern Africa to such strategic minerals as chrome, cobalt and platinum. Without these minerals our technological civilization will collapse.

The Soviets have declared that their aim is to gain control of the two great treasure houses upon which America depends - the "energy treasure house" of the Persian Gulf and the "mineral treasure house" of central and southern Africa.

Namibia is the next target in the Soviet "resource war" against the U.S. and the gateway to ultimate Soviet control of all of southern Africa. With control of Namibia's Atlantic coast ports, Soviet nuclear armed submarines can bisect the oil and mineral life-line to the NATO countries and the U.S.A. President Reagan is trying to block a Soviet-puppet take-over in Namibia. He needs your help.

Speak up for America and write your views to President Ronald Reagan, The White House, Washington, DC 20500.

## NIPSCO offers cuts

Edmund A. Schroer, chairman and chief executive officer of Northern Indiana Public Service Company, announced July 11, 1984 that NIPSCO and a group of large industrial customers, including Inland Steel Company, Jones & Laughlin Steel Incorporated, National Steel Corporation and Union Carbide Corporation, have reached a settlement that will result in immediate rate decreases of \$5.7 million annually. The proposed settlement was filed July 10, with the Public Service Commission of Indiana.

Schroer stated that the company has agreed to the terms of a comprehensive electric and gas rate settlement that will have the effect of not only reducing NIPSCO's electric rates, but also freezing those rates for certain periods of time.

Schroer outlined the terms of the settlement as follows:

1. NIPSCO agreed to reduce the requested rate treatment of Unit 17 at the Rollin M. Schaffer Generating Station by \$30 million, resulting in an immediate rate decrease of \$5.7 million annually.
  2. NIPSCO agreed to limit the amount of requested rate treatment for Unit 18 at the Schaffer Generating Station at a level of \$482.5 million.
  3. NIPSCO will not request a retail base electric rate increase to be effective prior to June 1986.
  4. NIPSCO will not file a retail base gas rate increase during 1984.
  5. The proceedings currently pending before the Commission will be terminated.
  6. NIPSCO will agree to transport certain amounts of natural gas volumes on behalf of its large industrial customers.
- Schroer said that the Public Service Commission must approve the settlement agreement before the rate decrease and rate moratorium can become effective. Schroer added that he is hopeful that the Commission and other parties to the proceeding will recognize the benefits to the customers in NIPSCO's high industrial service area.

## Army offers early enlistment bonuses

Army recruiters have been authorized to offer early promotions to Private E2 and enlistment bonuses of up to \$8,000, according to Lt. Col. Robert H. Orr, Commander of the Army's Recruiting Battalion Indianapolis.

"Both of these programs," according to Orr, "will be available to qualified high school diploma graduates who score in the top half of the Armed Forces Qualification Test.

"Early promotion to Private E2 is available to young men and women who contract up through Sept. 30," Orr stated. "The new soldiers have the option of going directly into the Regular Army or entering the Delayed Entry Program where they have up to 365 days to report for active duty.

"Both of the military occupational specialties in the \$8,000 enlistment bonus package are from the electronic warfare and cryptological operations career management field," said Orr. "A total of 12 different military occupational specialties have been made available to receive bonuses from \$5,000 to \$8,000. The enlistment must be for a four-year period in the Regular Army in one of the specified occupational specialties.

"Our recruiters can also offer a \$4,000 bonus for three-year plus training enlistment into selected COHORT units," Orr said. "A COHORT unit similar to the British regimental system, allows a group

of recruits to train together and then is deployed either in the United States or overseas as a unit.

"The introduction of the early promotion program and the expansion of the enlistment bonus packages is in addition to some very exciting existing programs," Orr concluded. "We can offer qualified young men and women the Army College Fund, where young soldier

can accumulate up to \$20,100 for continuing education; a two-year enlistment option, and training in a particular skill and in many cases a station or unit of choice guaranteed in writing before enlistment."

Urged persons desiring more information on the special incentive program to contact their local Army recruiter listed in the yellow pages.

## Indiana State Fair entertainment set

Seven concert acts will don their garb and glitter at the Indiana State Fair Aug. 15 - 26, joining a star-studded cast in a million-dollar entertainment entourage making this year's entertainment packages one of the best ever.

John S. Merlau, director of entertainment for the Fair has announced the recent signing of Kool & The Gang/Deniece Williams, Conway Twitty/Ronnie Milsap, the Bar-Kays/Mtume and "Weird" Al Yankovic.

The Grandstand stage will come to life with spirit and dazzle when number one rhythm and blues band, Kool & The Gang blast off Aug. 21 at 8 p.m. Their 14 Top 40 hits including "Joanna," "Celebration," and "Ladies Night" have earned Kool & the Gang a reputation as one of America's most energetic, crowd-pleasing bands to date. Joining them is the lovely and talented Deniece Williams whose chart-busting hit "Let's Hear It For The Boy" has catapulted her into pop music stardom.

The music of the South will boil and brew in the Midwest when superstar of country music, Conway Twitty makes his way to the Grandstand stage Aug. 23 at 8 p.m. His current number one country song "Somebody's Needing Somebody" is one of more than 40 number one singles making him an

uncontested master of such diverse styles as rockabilly, blues, honky-tonk, gospel and mainstream country music.

Joining forces with Twitty is country music's blind troubadour Ronnie Milsap whose hits "Still Losing You," "Any Day Now," and "It Was Almost Like A Song" make him one of the most successful pop-crossover artists on the country music scene.

The pop-funk-soul sound of the Bar-Kays will fill the Coliseum arena Aug. 26 at 7 p.m. This eight-man band that popularized "Soul Finger," "I'll Dance," and "Shine" are joined by R&B artist Mtume. Mtume whose current hit "You, Me and He" is climbing the charts, is also known for his Grammy award-winning songs "The Closer I Get To You," recorded by Roberta Flack and "I Never Knew Love Like This Before," by Stephanie Mills.

The king of pop music spoofery "Weird" Al Yankovic will accompany the Stray Cats to the Grandstand stage Aug. 20 at 8 p.m. His madcap renditions of "I Lost On Jeopardy" and "Eat It" are prime examples of his zany and irreverent approach to popular music.

These acts join an already talented entertainment agenda slated to appear at the Indiana State Fair.

Other shows include Rod Stewart Aug. 15 at 8 p.m., Willie Nelson/Waylon Jennings Aug. 17-18 at 8 p.m., Alabama Aug. 19 at 8 p.m., Merle Haggard/Tammy Wynette Aug. 24 at 8 p.m. and Wayne Newton on Aug. 25 at 4 and 8 p.m.

Tickets for all shows are \$8 and \$10. Ground admission tickets are required for each adult (children under 12 are free) and each car entering the Fairgrounds Aug. 15 - 26. Advance sale grounds admission tickets are available for \$2 per ticket through Aug. 14. After that date the price of grounds admission is \$3 per person or car. Visa and Mastercard orders are available by calling 317/927-7571 or writing to: Tickets, Indiana State Fair, 1202 E. 38th St., Indianapolis, IN 46205.

## Kathy Helmrich, John King Viking Guard drum majors

When sophomore John King was asked why he decided to audition for the position of drum major for the TVHS Viking Guard, he honestly replied that he wasn't sure. "It's a lot more work - more really than I thought. But I love working for Mr. Metcalf. Ever since he's been here, he pushes us. It's a lot of work, but it's fun at the same time, and I want to do it right. That's never happened to me before."

Senior Kathy Helmrich concurred with King's estimate. "It is a lot of work, but we like to make him (Metcalf) happy. We don't just do it for him though—it's for us, too."

The two Tippecanoe Valley High School students will share the honors and the duties as drum

majors for the Viking Guards during the 1984-85 school year. Helmrich, 17, is the daughter of Don and Ruth Helmrich, Rt. 1, Claypool, and King, 15, is the son of Darrell and Mary Ann King, Mentone.

Auditions for the position began last January with 17 students originally competing. All of the students interested in the job were given the opportunity to conduct both the concert band during rehearsals and the pep band during basketball games. According to band director Kim Metcalf, Helmrich and King were selected for their musicianship, which includes a combination of musical ability and sensitivity, playing ability, conducting ability, leadership and scholastic ability. In addition to

assisting with conducting, the two students will also lead the band during marching competition this fall.

Helmrich, a flautist, may continue with training in college, but she tentatively plans to make a career with physical therapy or athletic training. King, however, who already composes and arranges music, reports he may pursue music as a vocation. He also definitely plans to re-audition for drum major for his junior and senior years.

Both students are with the Viking Guard this week at Anderson College learning music and drills for this season's marching band competition. Students will return from band camp this Friday afternoon.

## Akron Board members pass dog ordinance

At last Tuesday's meeting of the Akron town board, trustees Jack Miller, Dick Drudge and Jerry Hudson heard complaints from several residents from the neighborhood near Pike Lumber Company. The residents requested the board take action about dogs that bark most of the night in the neighborhood, stating that the dogs' owners have ignored repeated requests to handle the matter themselves.

Board members reported that deputy marshal Jim Spangle had been working on a new dog ordinance, which the trustees had received that day. After reviewing the ordinance, the trustees voted to adopt it as written. (See ordinance on page 7.)

Kathleen Rambin of the Neighborhood Center, Rochester, and Lynn Chase of the Peru Housing Authority attended the meeting to

explain the Energy Management program. After discussing the issue, trustees signed a resolution stating the town would cooperate with the county on the project.

Burl Prater attended to ask why he'd been notified to move a car he wanted to repair, and he was advised he should have informed the police department of his intention, as they were merely enforcing the abandoned car ordinance. Mrs. Prater, who accompanied her husband, complained of neighbors who don't mow weeds and of noise problems in their neighborhood. They were advised the noise problems were being investigated.

The board received a letter from the Tippecanoe Valley School Corporation requesting permission to use the EMS parking lot to pick up and drop off school students. The board gave permission with the restriction that the three reserved parking spaces and the ambulance drive be kept open at all times.

Miller reported the work on the water tower has been completed and it is much improved. The light on top of the tower will soon be

repaired, also.

Dr. Charles Miller presented the board with a proposal to give him a contract to inspect the waste water treatment plant and the board members took it under consideration.

In other business: Ella Fetrow asked about the possibility of vacating the alley between the Bear's Den and the building next door. The board will investigate the matter and give her a decision.

Trustees reviewed a copy of Mentone's ordinance on mobile homes and agreed to have town attorney Bob Peterson check it. Akron's current mobile home ordinance was adopted in 1960.

After discussion of the bids received to paint the trash compactor the board voted to award the contract to Gagnon Chevrolet.

Marshal Dave Kruger informed the board the town does not have an ordinance about alcoholic beverages being consumed on school grounds or the park, and he suggested the board consider writing one.

Clerk Sarah Jane Sutton was instructed to get some bids for the tennis courts at the parks west side.

The trustees accepted Marshal Kruger's report for the month of June. It included: 1,295 miles patrolled, four accident investigations, seven complaints, two dog complaints, two funeral escorts, seven arrests, seven written warnings, eight verbal warnings, four motorist assists, three public assists, three open door checks and one title check. It also included one break-in, six theft reports, two

vandalism/criminal mischief, five county assists, one ordinance violation, three other police dept. assists and two ambulance assists.

The next meeting will be held Tuesday, Aug. 21 at 7 p.m. in clerk's office.

## Pace organizes girls golf team

On Wednesday, August 1 a meeting will be held for any girl interested in playing on the Tippecanoe Valley High School Golf team this fall. The meeting will be held in the TVHS Choir Room at 6:30 p.m. Any girl interested in playing on the golf team but unable to attend this meeting should contact Dale Pace at 223-6987 or call Tippecanoe Valley High School.

## Akron women plan sale

The Akron Women's Club will continue their support of the Indiana Blind Workers sale of handmade items this year with a sale on Saturday, Aug. 11, in Akron. Joanna Van Scoy, chairman, traveled to Indianapolis to pick up the linens, brooms, and novelty articles this week. She and her workers will have two booths downtown Aug. 11 giving citizens an opportunity to purchase items for themselves and as gifts. Each year Akron clubwomen sell several hundred dollars worth of goods for the blind workers of the state.

## Notice

Registration days for students of Tippecanoe Valley High School will be held on August 8 and August 9. The registration area in the commons will be open from 9 a.m. - 4 p.m. and 6 to 8 p.m. both days. All students are encouraged to register one of those days.

At a special meeting of the Tippecanoe Valley School Corporation board held on Monday, trustees approved the budget for calendar year 1985 proposed by Superintendent Baxter Paige. To the taxpayers' delight, the approved budget is lower than last year's advertised rates.

Based on a rate of 2.35 for the general fund, .744 debt service fund, .35 cumulative building fund and .513 transportation fund, the total tax rate of 3.957 is more than three cents lower than the 3.99 proposed budget for 1984. Paige pointed out that the 1985 rate also included the cost of three new buses for the corporation. The total

amount of revenue raised for TVSC at this tax rate will be \$1,984,744.

Trustees also approved a proposal to advertise for \$35,000 additional appropriations for the cumulative building fund.

Valley teacher Gary Stath's resignation was accepted by board members. Stath has accepted a position as assistant principal for a

junior high in the East Allen School Corporation.

Trustees approved hiring Joe Sutton as the industrial arts teacher at the high school and Karen Heltzel as learning disability teacher at Mentone.

Next regular meeting of the board will be on Monday, Aug. 20 at 7:30 p.m.

## Football practice begins

Tippecanoe Valley High School will issue equipment for all prospective varsity football players today (Wednesday, July 26) and tomorrow (Thursday, July 27) from

6 to 8 p.m. Varsity and freshman practice will begin Monday, Aug. 6 at 8 a.m. Equipment will be issued to freshman players on the first day of practice.

## Akron Police Report

Submitted by David S. Kruger, Akron Marshal

### Police report for the week of July 15 - 21, 1964.

Generally speaking the week was very quiet. The local deer population was reduced by three as the result of three separate accidents occurring on Sunday, Tuesday, and Friday evenings.

Another late celebrant had his firecrackers taken away from him after several complaints from neighbors were received in the office within a very short period of time on Tuesday.

Thursday morning signs were posted at the entrances to town advising peddlers and solicitors that the ordinance governing them was enforced, and on Friday the Police worked a minor property damage accident at Walnut and Mishawaka Streets.

Also on Friday, a stray bicycle was returned to its owner through the license attached to it. A \$2 license is a small price to pay for a \$100 bike!

## Letter to the Editor

Dear Editor:

Thank you to all the people who worked to make the Fulton County Historical Society's part in the Round Barn Festival a success. Although only 400 paid admission to the Civil War Re-enactment, we feel that it too was a success in that the battles were superbly done and the camps were authentic. Everyone who came really enjoyed it and learned a lot about the Civil War. Thank you Civil War re-enactors.

We especially thank Bob Kern for the use of his woods, which is a perfect setting for a living-history festival. This made our Civil War Re-enactment much more realistic than others, and the shade was much appreciated. The re-enactors loved the woods and want to come back, so we are planning to have it again next year, but on a different weekend, hopefully one with less competition and not so hot.

Thanks to the National Guard,

Miller's Sawmill, Fulton County Highway, Rochester City Street and Park departments, Will's, Burger King, Heishman's Bakery, Dean's Foods, and all the news media.

And thanks to the many people who volunteered to help and to lend items, the crafts people who exhibited, the people who cooked over wood fires, helped put up and take down the tent, hosted the museums, telephoned members, etc. So many did so much and we thank you. Without you there would be no Historical Society and no history preserved. You all deserve a pat on the back.

And something new this year - thanks to Jan Pokrajac for videotaping the Civil War Re-enactment. It will be shown at the Fulton County Library, Aug. 30 at 7:30 p.m. in the Community Room.

## Kosco Beef Show August 2

The Kosciusko County Open Class Beef Show will be held Thursday, August 2 at 1 p.m., at the fairgrounds in Warsaw.

Premium money of \$15, \$10, and \$5 will be paid for the first three placings. Trophies will also be awarded for champion bulls and heifers of the respective breeds. A champion commercial heifer trophy will also be awarded.

Registration papers must be

presented at entry time along with the \$5 per head entry fee. Registration begins at 8 a.m. and continues until 10 a.m. at which time all cattle must be stalled. Percentage cattle must be at least 75% to be eligible to show in their respective breed. No steers will be shown.

Contact Paul Weirick, Rt. 2, Claypool, 46510, phone 219-352-2691, for more information.

I would like to thank everyone for the visits, cards, plants, prayers and other acts of kindness while in the hospital and since returning home. A special thanks to Dr. Pete and the staff at the Woodlawn Hospital for your special care.

May God Bless each one of you.

## It Happened in Mentone

### TAKEN FROM THE NORTHERN INDIANA CO-OP NEWS JULY 26, 1944 40 YEARS AGO

A pot luck dinner was enjoyed Sunday at the home of Mr. and Mrs. Earl Davis, near Tippecanoe, for T-Sgt. Harry L. Davis, who is home on furlough from Camp Hood, Texas.

Those present were Mr. and Mrs. Earl Leedy and daughters from Warsaw, Mr. and Mrs. Royce Bemenderfer and daughter from Chili, Mr. and Mrs. Howard Horn and family and Mrs. Myrtle Davis of Mentone, and Miss Donnabell Slusher of Pierceton.

The fire department was called to the Frank Newton farm, southwest of town, Tuesday evening to put out two loads of baled hay which were burning. Sparks from the tractor, we are told, started the blaze. One rack burned, but the rubber-tired wagon was saved.

Mr. and Mrs. Ira Borton have received a card from their daughter, Miss Mary Jane Borton, stating that she is in the army. She will leave Ft. Wayne August 22 for Des Moines, Iowa where she will take six weeks basic training as a Link Trainer instructor. From there she will go to the Lockbourn Army Air Base at Columbus, Ohio. She will be a guest of her parents a few days before leaving.

Wayne Baker, son of Mr. and Mrs. Joseph Baker, spent Saturday until Tuesday at Camp Tecumseh near Delphi at a 4-H camp.

Mr. and Mrs. Arlo Friesner spent Sunday at White Pigeon, Michigan visiting his father, Mr. John Oswald. Arlo's sister, Mrs.

Byron Gilbert, and daughter Ellen, of Detroit, came home with the Friesners for a few days visit.

Mr. John Kay of Missouri and Mrs. Lizzie Bennick of Minneapolis, Minn., visited her sister, Mrs. Ida Clark of Mentone for a week before returning home.

Arnold Doering, Akron, attended an intensive vocational course in appliance retail business management at the Whirlpool Educational Center in Benton Harbor, Michigan. The courses are presented to sons or daughters of Whirlpool dealers from throughout the nation and cover all phases of selling, including financial management, advertising, personnel practices, service and merchandising and other subjects. The seminar, entitled "Am I My Father's Successor?" is designed to give a practical look at the appliance retail business as a possible career for young men and women whose parents are already in the business.

Aerobic pilots visiting the local airport over the weekend included Kit Heacock of Fosterburg, Ill. in her Stitts Playboy and Tracy Pilurs of Highland Park, Ill. in her Smith Mini-Plane.

Lamoin Hand, a former Akron resident, is attending Garrett Seminary at Evanston, Ill. where he is completing his fifth and final year in the Accepted Supply Pastor's School.

Sunday dinner guests of Mr. and Mrs. Ernest Smith and daughter Jane were Dr. and Mrs. James Smith and children of Homewood, Ill., Mrs. Nila Shaffer of Anderson, Ind., and Capt. and Mrs. William Smith and children. Afternoon callers were Mr. and Mrs. Richard Coplen, Mr. and Mrs. Charles Coplen and family of Silver Lake, and Mr. Jerry Shull of North Manchester. The occasion was a farewell party for Capt. Smith and family who are leaving on Monday for Whiteman AFB, Missouri.

Mrs. George Maby, Rt. 1, has been appointed deputy treasurer in the office of County Treasurer Henry Skidmore, replacing Mrs. John Denton, who retired July 1 after 18 years in the office.

## Mentone summer reading club members hold party

Young readers from Bell Library's Summer Reading Club met recently for a party at the Youth League Building in Mentone. Sixty-one of the 119 children enrolled were in attendance.

This year's club theme was "An African Safari." Each child estimated the number of books he/she wished to read and then followed that particular trail along a large map located in the children's corner. The trails led through Gambian Peanut Farms, Herds of Elephants, An African Velt and many other places of interest.

At one point, the library sponsored a Trading Post Day. The

club members brought "trading blankets" and any personal items they cared to swap or sell. Most of the traders depleted their stock and went home with a new supply of treasures.

In keeping with the theme, Mrs. Keith Besson presented a slide program on the Besson family's twelve years in Africa. The Bessons also were responsible for the library's African exhibit this past month.

Library pages Betty Smith and Mark Simpson presented a variety of activities while librarian Madeleine Fisher offered cookies, ice cream and orangeade.

Thanks to Vikings Foods and Cooksey Freezer Fresh for their donations. Also thanks to umpires Kim Lewis and Mike Bowers.

## Valley girls invited to July 25 Junior Miss tea

All senior girls of Rochester, Tippecanoe Valley and Delong Christian Academy schools are invited to attend a Junior Miss Tea today (Wednesday), July 25. It will be held at the Rochester Jaycee clubhouse located at old 31 North (Main Street) and Monticello Road. The meeting will be an orientation of the 1984 Junior Miss Pageant and will start at 7:30 p.m. Many of the people involved in the production of the Fulton County Pageant, which is to be held September 8, will be present to answer questions.

Junior Miss is a senior girls scholarship program, not a beauty contest. The scholarships awarded can be used for any type of higher education. Last year we were able to award \$1300 in scholarship money, but because of the gener-

ous help and support of the community, this year scholarships will be increased. The local Junior Miss will win \$1000, and eight other scholarships will be awarded.

The Fulton County Junior Miss Scholarship Program is sponsored by the Rochester Jaycees with the support of many of the area businesses and civic organizations. For more information, contact Tim Grosvenor at 223-3917.

### It Happens To Us All

Just a line to say I'm living that I'm not among the dead. Though I'm getting more forgetful, and more mixed up in my head. For sometimes I can't remember when I stand at the foot of the stair if I must go up for something or I've just come down from there. Standing before the refrigerator so often my poor mind is full of doubt, have I just put food away or have I come to take some out? There are times when it's dark out with my night cap on my head, I don't know if I'm retiring or just getting out of bed. So if it's my turn to write to you, there's no need in getting sore, I may think that I have written and don't want to be a bore. So remember I do love you and I wish that you were here but now it's nearly mail time so I must say "Good bye" my dear. There I stood beside the mail box with my face so very red, instead of mailing you

this letter I opened it instead.

Senior citizens come join us for a well-balanced meal and fellowship. For your meal reservation please call 893-7204 the day before you plan to eat. Nutrition Site is open from 9 a.m. to 1 p.m. Monday through Friday except for holidays.

Scheduled menus for the week of July 30 - August 3 are:

Monday - Roast beef on bun, baked beans, potato salad, fresh fruit, milk.

Tuesday - Beef and noodles, whipped potatoes, tomatoes, mixed fruit salad, brown bread, milk.

Wednesday - Hamburger sandwich, peas, cole slaw, apple salad, milk.

Thursday - Cubed ham with northern beans, lettuce salad, corn bread, peas, milk, dessert.

Friday - Smoked sausage, whipped potatoes, cooked cabbage, wheat bread, fruit jello, milk.

## Miller and Nelson host Seward Extension Club

The Seward Home Extension Club met Wednesday, July 11 in the social room of the Burket United Methodist Church. President Irene Miller called the meeting to order with vice-president Mary Rose leading the group in pledge to the American and Christian Flags and reading the by-laws of the club constitution.

Eva Eherenman led the group in singing the song of the month, "My Country 'Tis of Thee." Meditations were given by Garnet Latimer.

Lulu Shenfield gave the gardening report. Garnet Latimer the Health and Safety report. Elva

Longbrake the citizenship report and Merdena Bechtol the cultural arts report.

Esther Nelson gave a lesson on "Homemaking, a Profession." Roll call was answered by ten members to "What did you do on the fourth?" Secretary and treasurers report were read and approved. An auction was conducted by Garnet Latimer and refreshments were served by hostesses Irene Miller and Esther Nelson.

Wednesday, August 8 is the next meeting with a picnic at noon at a place undetermined. Hostesses will be Linda Tucker and Mary Rose.

# Caudill bride of Walgamuth

The Main Street United Methodist Church, Peru, was the setting for the June 16 wedding of LaVerta Michelle Caudill and Patrick R. Walgamuth. Caudill, the daughter of Mrs. LaVerta Sundheimer, 227 W. Main, Peru, is a French and English teacher at TVHS, Walgamuth, the son of Mr. and Mrs. Terry Walgamuth, Akron, is a foreman at Akron Concrete Products.

The double-ring afternoon ceremony was conducted by the Reverend William Luttrull. Cindy Feller, Peru, was pianist, and Sandy Ploss, Peru, was soloist.

Mrs. Caudill wore a full-length gown of nylon organza trimmed in Chantilly Lace. The Queen Anne

neckline was edged in Chantilly and scattered pearls, and the skirt, also trimmed in lace and ruffles, fell to form a chapel-length train. The bride also wore a Chantilly lace hat with a waltz-length silk illusion veil. Her accessories included pearl earrings and necklace presented to her by Walgamuth.

A cascade arrangement of white sweetheart roses, lavender daisies, mini-carnations, ivy, baby's breath and leather leaf complimented the bride's color scheme of lavender and silver.

Sandra Mallott, Hampton, Virginia served as maid of honor, and bridesmaids were Jean McKay, Hebron, and Julie Garrett, Middletown. Junior bridesmaid was

Theresa Harding, Peru.

Jeff Murphy, Akron, was best man, while Chuck Bussard and David Mathias, both of Akron, were groomsmen. Alan Sundheimer, Peru, was junior groomsman. Serving as ushers were Arthur Norman, Akron, Fred Caudill, Peru, and Bruce Hill, Akron.

A reception for 200 guests was held at the Moose Lodge, Peru, with the Stoptight City Band providing music. Debbie Hawk, Peru, sister-in-law of the bride, registered guests, while Brenda Shafer, Peru, Tami Murphy, Akron, sister-of-the-groom, and Terry Lynne Johnson, Rochester, sister-of-the-groom, served.

The bride is a 1984 graduate of Ball State University and a 1980 graduate of Peru High School. She is a member of Alpha Mu Gamma Psi Chi. Walgamuth is a 1980 graduate of Tippecanoe Valley High School.

Following a wedding trip to Lake Shafer, Monticello, the couple is at home in Akron.

## Mentone Nutrition Site

July birthdays were celebrated on Monday, July 16 with five people present. Rosemary Bazini brought some of her second graders this past year to sing "Silly Songs." Everyone joined in the singing and it was lots of fun. Thanks everyone. Madeline Fisher brought some large printed books for us to see. Also she told of the Talking Books that are available through the Bell Library. Anyone with a physical or vision problem may get these through a government program.

The band is making progress. T.R. Jones was the area minister this week.

Jerry Goshert presented his speech that he will be making at the State Fair. He also explained what it takes to be a 4-H'er. Angie Smith of Warsaw did a demonstration "O. Deer" showing us how to cast deer tracks. Betty Smith and Laura Cochran gave a real cute demonstration on "Dirty Pudding." Then we all sampled it at noon. Thanks to all you 4-H kids. We all appreciate you taking your time to do these things for Senior Citizens.

Don't forget Friday, July 27 is our auction, so come prepared to buy. We hope all of you bring some things to sell too. Food sells best but, bring what you want to. "Deed" Shirey is our auctioneer, hope his nephew Larry doesn't frown on him.

Bedi's arm is still in a cast and we are all hoping it's healing properly and the cast can come off

soon.  
The menus for the week of July 30 - August 3 for the Mentone Nutrition Site are:

Monday - Grapefruit juice, taco salad on flour tortilla, refried beans, nectarine, milk, tea, coffee.

Tuesday - Orange juice, baked ham, frozen peas and onions, waldorf salad in red gelatin, rye bread, margarine, baked custard with nutmeg, milk, tea, coffee.

Wednesday - Cranberry juice, baked chicken quarter, sage dressing and gravy, cold pickled beets, whole wheat bread, margarine, pound cake with whipped topping, milk, tea, coffee.

Thursday - Apple juice, liver and onions with gravy, mashed potatoes, tossed salad with Western dressing, stone-ground wheat bread, margarine, watermelon, milk, tea, coffee.

Friday - Tomato juice, beef chop suey, fluffy rice, three bean salad, golden flaky roll, margarine, chocolate chip cookie, milk, tea, coffee.

Menus subject to change without notice. Due to the diets of some people the food is not highly seasoned.

Bart Krajewski, co-owner and manager of the Bart and Ed's Polish Pub in Akron. Before opening the pub, the Krajewskis remodeled the entire building. (News Photo)

*With a name like Krajewski*

## It must be The Polish Pub...

With a name like Krajewski, it comes as no surprise that proprietors Bart and Ed Krajewski dubbed their new Akron business **The Polish Pub**.

The Polish Pub opened its doors a few weeks ago, but their official

opening is scheduled for August 10. The Krajewskis, who are brothers, purchased the former

Farmstead Tavern from Jim and Connie Ramsey, Akron.

Bart Krajewski, Rt. 1, Clay-

pool, is the full-time manager. He and his wife Susan, who owns the Silver Scissors Beauty Salon in Silver Lake, have lived in this area for ten years. They have two children, Cooper, 20, a 1983 graduate of TVHS and currently a sophomore at Indiana University, and Heather, 15, a sophomore at TVHS. Ed Krajewski, Russiaville, is the Sargeant of security at General Motors, Kokomo, so he works at the Pub only occasionally.

"We thought Akron could use a nice eating establishment, and so far we've done very well," Bart reported. "We specialize in dinners (served after 5 p.m.), especially catfish, steaks and chops, but we have sandwiches and side dishes, too."

"There aren't too many places to go after ballgames and school functions where you can sit down and have a nice meal," he continued, "but we hope to fill this need."

Bart has managed other businesses for 20 years, including two bars he owned in Kokomo.

Ralph Dumoulin, Rochester, also assists the Krajewskis as resident manager of the Pub.

Mr. and Mrs. Darrel Miller and sons entertained with a cookout Sunday evening Mr. and Mrs. Doug Miller and Mr. and Mrs. Joe Miller.

Sunday dinner guests of Mrs. Edith Young were Mrs. Lois Perry, Artie Bell, Sally Lozier, Francis Ervin, and her two great-granddaughters Pammie Ervin of Terre Haute and Tressia Rookstool of Cromwell, Everett and Betty Young of Warsaw and Mr. and Mrs. Forest Pike of Rochester.

Mrs. Marjorie Ervin of Warsaw called on her mother Mrs. Genevieve Warren Thursday evening.

Mr. and Mrs. Joe Miller visited Mr. and Mrs. Jack Miller and granddaughter Stacey Stafford Sunday afternoon. Debbie Miller of Rochester was also an afternoon caller.

Miss Anabel Mentzer entertained with a dinner Sunday evening Mrs. Nellie Reed, Mrs. Mary Cox, Mrs. Rosaland Mentzer, Mrs. Peg Foulke, Mrs. Yolande Riner of Warsaw. The dinner was in honor of the birthdays of Rosaland and Yolande.

Mrs. Eric Cole of Florida celebrated her 98th birthday Saturday. Mr. and Mrs. Robert Cole took her out for the occasion. (Former Mentone people.)

Mrs. Pearl Horn called on Mr. and Mrs. Donald Horn of Winona Lake, and Mrs. Geraldine of Warsaw Sunday afternoon.

James, Danny, Nancy Jean Horn and Andy Downing from Williamsport, Maryland spent several days with their grandmother Mrs. Pearl Horn this week on Tuesday evening. All were overnight guests of Mrs. Marilyn Colbert, David and Chad at Fort Wayne. The boys and Nancy returned to their homes in Maryland on Wednesday.

Mr. and Mrs. Delass White of Kokomo called on friends and relatives in Mentone Wednesday.

Mr. and Mrs. Bob Zwieters of Wanatah called on Mrs. Genevieve Warren Saturday.

Mr. and Mrs. Joe Miller called on Mr. and Mrs. George Parker and Violet Wednesday evening.

## People

Mr. and Mrs. Maurice Helvey recently returned from a visit with Mr. and Mrs. Max Helvey and family at Charlotte, N.C.

## Local ladies tour Europe

Mary Teel, Alpha Nellans and Marie Coleman of Mentone and Dorothy Herendeen, Silver Lake recently returned from a 17 day tour of London and other European cities.

Highlights of the tour included seeing the 11th century Westminster Abbey, Buckingham Palace, St. Paul's Cathedral, the White Cliffs of Dover and crossing the Channel by Hovercraft. In Paris, the ladies saw the Eiffel Tower and Notre Dame Cathedral and then visited the Swiss Alps, the

leaning tower of Pisa the Colosseum, St. Peter's Square, the Forum, St. Marks Basilica, and the Miraculous Sculptures and took a gondola ride on Grand Canal in Italy. In Germany they visited Innsbruck, and the Austrian Alps, Heidelberg, Mannheim, Cologne, and they enjoyed a scenic cruise on the German Rhine. The tour was concluded amid windmills, a cruise on 17th century canals, and the largest flower auction in the world in Amsterdam.

## Akron News

Mr. and Mrs. Royce Allison and family had relatives from Pike Co., Missouri visit in Akron recently. Visiting were Royce's mother, his sister, Mrs. Mark Rubemeyer and Mr. Rubemeyer.

Fred Hammond is constructing entrance pillars of stone at the Yellow Creek Lake Church of God campground.

Nina Hill of Hartsville, S.C. visited in Akron over the weekend. Others at the home of Mr. and Mrs. Tom Hill Saturday evening were Rebecca and Jennifer Master of Urbana, OH, Karen and Nathan Camp of Decatur, IL, Kathleen Hill, Tippecanoe, Gail and Brenda Hammond, Ft. Wayne, Fred and Mildred Hammond, Janet, Angela and Andrew Wood, Kim Nelson and Brian and Bruce Hill.

Gary Klein of Daytona Beach, FL returned home after a visit here with his grandfather, Ellis Klein,

Mel Klein and Mr. and Mrs. Jim Spangle and family.

Mr. and Mrs. Richard Hoffman of Etna Green were honored recently for their silver wedding anniversary. They were married June 26, 1959 in the Akron Church of God by the Reverend D.L. Slaybaugh. They have four children, Mrs. Mike VanCleave, and Greg, Kim and Jeff Hoffman. Their mothers, Mrs. John Hoffman, Etna Green, and Mrs. M.C. Hill, Tippecanoe, attended the reception along with many relatives and friends.

Adele Kindig and Paige Bose of Indianapolis spent July 17 at the 4-H Fair for the annual beef show. Their brother Chad Cumberland took honors for showmanship, continuing in the family tradition. Brother Scott won many trophies in showmanship, also.

## SWAPO VS. THE U.S.A.

Mr. & Mrs. American Taxpayer, your attention please!!

Do you know that U.S. taxpayers spend over \$1 billion each year to support the United Nations - 25% of the U.N. budget?

There are 158 countries in the United Nations, which is controlled by an anti-American majority made up of the Communist bloc in close alliance with the third world countries. Most of them contribute little or nothing, and spend their time attacking the United States.

The United Nations uses a part of the U.S. tax money it receives to support such Soviet-sponsored terrorist groups as the South West Africa People's Organization (SWAPO) in its guerrilla campaign to seize control of Namibia and cut-off U.S. access in southern Africa to such strategic minerals as chrome, cobalt and platinum. Without these minerals our technological civilization will collapse.

The Soviets have declared that their aim is to gain control of the two great treasure houses upon which America depends - the "energy treasure house" of the Persian Gulf and the "mineral treasure house" of central and southern Africa.

Namibia is the next target in the Soviet "resource war" against the U.S. and the gateway to ultimate Soviet control of all of southern Africa. With control of Namibia's Atlantic coast ports, Soviet nuclear armed submarines can bisect the oil and mineral life-line to the NATO countries and the U.S.A. President Reagan is trying to block a Soviet puppet take-over in Namibia. He needs your help.

Speak up for America and write your views to President Ronald Reagan, The White House, Washington, DC 20500.

## PUBLIC NOTICE

AN ORDINANCE TO CONTROL AND PROTECT ANIMALS  
IN THE TOWN OF AKRON, INDIANA, AND PROVIDE FOR  
THE PROCEDURES AND PENALTIES IN VIOLATION THEREOF:

BE IT ORDAINED, BY THE TOWN BOARD OF AKRON, INDIANA:

SECTION 1: For the purpose of this Ordinance the following terms shall have the following meanings:

**ANIMAL:** Any animal other than man and includes birds, fish, mammals, and reptiles, wild or domestic.

**ANIMAL CONTROL COMMISSION:** The Fulton County Humane Society Animal Control Commission organized for the purpose of representing a viable animal control and rescue program in Fulton County.

**ANIMAL SHELTER:** The Fulton County Humane Society Animal Shelter located at RR #2, Monticello Road, Rochester, Indiana, for the purpose of impounding and/or caring for animals held under the authority of this Ordinance or State Law.

**HUMANE OFFICER:** Any person or persons designated by the Fulton County Humane Society as a law enforcement officer who is qualified to perform such duties under the authority of this Ordinance and the State.

**TOWN ANIMAL CONTROL OFFICER:** A Deputy Marshal of the Town of Akron appointed by the Marshal for the Town of Akron for the purpose of enforcing the Animal Control Ordinance of the Town.

**HUMANE SOCIETY:** The Fulton County Humane Society, Inc.

**KENNEL:** Any premises wherein any person engages in the business of boarding, breeding, buying, letting for hire, training for a fee, or selling dogs or cats.

**OWNER:** Any person, partnership or corporation owning, keeping, or harboring one or more animals. An animal shall be deemed to be owned if kept or harbored, fed or sheltered for three consecutive days or more.

**PERSON:** Any individual, partnership, company, or corporation.

**PET:** Any animal kept for pleasure rather than utility.

**PUBLIC NUISANCE:** Any animal or animals which: 1) Molest passersby or passing vehicles. 2) Attacks other animals. 3) Trespasses on school grounds. 4) Is repeatedly at large. 5) Damages private or public property. 6) Barks, whines, or howls in an excessive, continuous, or untimely fashion.

**RESTRAINT:** A leash, lead or barrier used to control or confine an animal.

**RESTRAINT OF AN ANIMAL:** An animal secured by a leash or lead, or under the control of a responsible person and obedient to that person's commands, or within the real property limits of its owner.

**SECTION 2: ANIMAL CONTROL OFFICER: DUTIES: AUTHORIZATION AND IMPOUNDING.**  
Every owner, keeper or harbinger of any dog or cat within the limits of the Town of Akron shall cause such dog or cat to be inoculated by a practicing Doctor of Veterinary Medicine with a prophylactic serum to prevent rabies at least once a year, and not more than twelve (12) months shall elapse between successive inoculations. Any person, partnership or corporation found to be in violation of this section is guilty of a Class C infraction.

If the animal is not so re-inoculated, the town animal control officer shall deliver the animal to the county dog warden, or make such other disposition as the town animal control officer deems appropriate.

**SECTION 3: INOCULATIONS:**  
Every owner, keeper or harbinger of any dog or cat within the limits of the Town of Akron shall cause such dog or cat to be inoculated by a practicing Doctor of Veterinary Medicine with a prophylactic serum to prevent rabies at least once a year, and not more than twelve (12) months shall elapse between successive inoculations. Any person, partnership or corporation found to be in violation of this section is guilty of a Class C infraction.

**SECTION 4: BODILY INJURY**  
In the event any person who harbors a dog or cat which is over six (6) months of age and is not immunized against rabies and allows such dog or cat to run loose with the result that bodily injury is inflicted upon a human being, such person shall be guilty of a Class B infraction.

**SECTION 5: PROCEDURE WHEN BITTEN**  
It shall be the duty of the owner or caretaker of any dog or cat within the Town of Akron to immediately notify the Town Marshal or Deputy Marshal, and the Fulton County Health Department whenever his or her dog or cat has bitten any person within the Town limits. Upon notification the Marshal or Deputy Marshal or any other police officer or Humane Officer shall order the animal confined and held in observation for a period of not less than ten (10) days.

Any animal which dies during the period of observation, or is killed subsequent to having bitten an individual or other animal and is suspected of having rabid shall have its head removed, packed in ice container, and the head shall be forwarded immediately to the laboratory of the State Board of Health for examination.

Said animal must be isolated in strict confinement under proper care and observation in an approved place of confinement as follows:

- a. The Fulton County Animal Shelter,
- b. A veterinary hospital or licensed kennel,
- c. Confinement on the owner's premises may be permitted only if the following conditions exist:
  - 1) The animal is protected by a current valid rabies vaccination and is currently licensed.
  - 2) The animal is in the low risk group of large farm animals such as a cow or horse, or is a dog or cat under the age of four (4) months.
  - 3) The animal is isolated in an occupied dwelling or under restraint at all times in a building or yard and is not roaming at large or in a yard with a fence high enough to make it difficult for children to enter, tight enough to keep a child's hands from entering, and sound enough to keep the animal enclosed.
  - 4) The animal is not in contact with other animals or persons other than the person(s) providing care.
  - 5) The animal is kept under proper care with adequate and sanitary facilities.
  - 6) The animal is readily available for inspection by the Fulton County Humane Officer or Town Animal Control Officer.
  - 7) Dwellings which are habitually unoccupied during daylight hours are not acceptable for quarantine purposes.
  - 8) The quarantined animal may not be moved until the designated release date established by the Fulton County Humane Officer.

Examination shall be made by any police officer or Humane Officer of said quarantine quarters if the animal is quarantined on the owner's property and if the above stated requirements are not met the animal shall be taken from the property by the police officer or Humane Officer and impounded at the Fulton County Humane Shelter.

All expenses incurred for the keeping of such animal or the necessary tests to determine whether rabies exist shall be borne exclusively by the owner or keeper of said animal. Any person having any knowledge of the existence of any rabies or the fact that any animal has bitten any other animal or person who shall fail to immediately report such information to the Akron Police Department or county Humane officer is in violation of this section and is guilty of a Class C infraction.

If at the end of the ten (10) day quarantine period a practicing Doctor of Veterinary Medicine is convinced that the animal is free of rabies such animal shall be released from quarantine.

**SECTION 6: PROHIBITING THE KEEPING OF DANGEROUS ANIMALS**  
It shall be unlawful for any person to keep, maintain or have in his possession or under his control within the Town limits of Akron any dangerous animal.

Dangerous animals include any wild animal, reptile, or fowl which is not naturally tame or gentle, but is of a wild nature or disposition and which because of its size, vicious nature or propensity if it escaped from secure quarters would cause injury.

Dangerous animals also include any domestic animal, reptile or fowl which because of its size or propensity or other characteristic would constitute a danger to human life or property if it escaped from secure quarters.

Persons found to be in violation of this section are guilty of a Class C infraction. If any dangerous animal escapes from the person having charge or control of said animal, and the animal without provocation endangers, destroys, or constitutes a danger to human life or the life of any other animal or property, and can not be immediately and safely recaptured, it shall be destroyed by any police officer or humane officer.

**SECTION 7: INFECTED ANIMALS AND DISPOSITION OF INFECTED ANIMALS.**  
No domesticated animal afflicted with a contagious or infectious disease shall be allowed to run at large or be exposed in any public place whereby the health of man or beast may be affected, nor

shall any animal so afflicted be shipped from or removed from the premises of the owner or keeper thereof except under the supervision of the town animal control officer of Humane Officer.

It is hereby made the duty of the town animal control officer, police officer or humane officer to secure such disposition of any diseased animal and such treatment of infected premises as to prevent the communication of disease or infection (or communication of infection) except where the State Veterinarian is empowered to do so.

### SECTION 8: ANIMAL CARE AND CRUELTY

Every Owner of an animal within the Corporate limits of the Town of Akron, Indiana shall:

a. Keep such animal in a clean, sanitary and healthy area. No animal shall be confined to an area so as to be forced to stand, sit, or lie in its own excreta.

b. Not confine an animal in an area littered with debris or any other obstacles which would impair, prohibit or reduce the animal's movement or cause injury within such area of confinement.

c. Confine the animal in an area of sufficient size to permit such animal to exercise and move about.

d. Not prevent in any way any animal from seeking proper shelter by chaining, roping, or locking in any animal.

e. Not tether a dog by a choke collar or chain or similar means of restraint less than ten (10) feet in length or of such weight as to prevent the animal from moving about or causing injury to such animal.

f. Not fail to provide the animal with sufficient wholesome food and clean water.

g. Not fail to provide the animal with proper security and effectively constructed shelter and protection from the varying elements of the weather at all times.

h. Not fail to provide the animal with proper humane and veterinary care and counsel for sick, injured or diseased animals and shall segregate such animals from the healthy so as to prevent transmission of any sickness or disease.

i. No person shall cruelly ill treat, beat, torment, overwork, or otherwise abuse or mistreat any animal.

j. No person shall injure or cause to be injured any animal by means of any motor vehicle, firearm, or any other instrument or object and fail to immediately report the existence, location, description and tag number, if any, of such injured animal to the police or humane society and in doing so shall give his name and address.

k. No person shall abandon any animal on any public or private place including a public or private highway or street or upon the property of another.

l. No person shall keep or use any animal for the purpose of fighting or cause or permit any fighting or other combat between animals within the town limits. No person shall be party to or present as a spectator to any such fighting or combat between animals. No person shall knowingly suffer or permit the use of any building, yard, ground, or any other premises belonging to any person for any fighting or combat between animals, and no person shall carry, haul, or deliver any animal for the aforementioned purposes.

m. No person shall expose any known poisonous substance, whether mixed with food or not, so that the same shall be liable to be consumed by any animal except in the control of rodents.

Any person found to be in violation of this section is guilty of a Class B infraction.

### SECTION 9: BREEDING RESTRICTIONS

No person or persons shall keep or harbor at any one residence or business or other address within the Town of Akron, more than two (2) female dogs or cats for the purpose of commercial breeding, provided that all such females are confined in such a manner that they can not come into contact with a male except for planned breeding. Such confinement shall be maintained at all times during the period of estrus.

Persons found to be in violation of this section are guilty of a Class C infraction.

### SECTION 10: FAILURE TO CONFINE ANIMALS

The owner or person in having charge of any animal within the Town limits shall at all times keep the animal confined upon the premises of the owner or person in charge or under absolute physical control when off the premises. In the event such animal is being walked on a leash or lead, said leash or lead shall not exceed ten (10) feet in length.

The running-at-large of any animal off the premises of the owner or person having charge of the animal is prima facie evidence of failure to keep an animal confined in violation of this section and such owner or person is guilty of a Class C infraction.

If the offender has previously been convicted under this section, then such a violation of this section is aggravated failure to keep an animal confined and is guilty of a Class B infraction.

### SECTION 11: BARKING, HOWLING, OR OFFENSIVE ANIMALS

No person shall own, harbor, or keep any dog, cat or other animal within the Town limits which, by frequent or habitual barking, howling, yelping or otherwise creates unreasonably loud and disturbing noises of such character, intensity or duration as to disturb the peace, quiet, and good order of the Town.

No person shall own, harbor, or keep any dog, cat, or other animal which, by biting, scratching, digging, jumping, running, frolicking, urinating, defecating, vomiting, or otherwise injures, damages, soils, defaces, or batters any person, lawn, tree, shrub, plant, building, street, sidewalk, or other public or private property without the permission of the property owner or person in charge of such property. The restriction as to defecating imposed by this section shall not be applicable to public property when the owner, harborer, or keeper of such dog, cat, or other animal immediately and completely removes all feces deposited by such dog, cat, or other animal and disposes of same in a sanitary manner, nor to cases in which Seeing Eye Dogs are leading legally blind persons.

Any person found to be in violation of this section is guilty of a Class C infraction.

### SECTION 12: DEFECTION ON PUBLIC OR PRIVATE PROPERTY

No owner, keeper, or harborer of any dog, cat, or other animal shall knowingly permit the animal to defecate on property, either public or private, of another without the owner, keeper, or harborer having in his possession the necessary tools or equipment to remove the fecal matter immediately.

Any person found to be in violation of this section is guilty of a Class C infraction.

### SECTION 13: ANIMAL OWNERS LIABLE FOR DAMAGES TO PROPERTY

The owner, keeper, or harborer of any dog, cat, or other animal which damages or destroys parks or other public property or private property shall be held liable for the full value of the damaged or destroyed property in addition to any penalty imposed for violation of this Ordinance.

### SECTION 14: DEAD ANIMALS

No person being the owner, keeper, or harborer of any animal which shall die or be killed other than for slaughter for meat, shall permit the carcass of such animal to lie or remain unburied within the limits of the Town of Akron for more than five (5) hours after he or any member of his household or any employee shall have knowledge thereof. If, because of the circumstances, the animal control officer or any other agent of the Town is required to pick up and dispose of the animal carcass a pick up and transportation fee of five dollars (\$5.00) shall be levied against the owner or keeper of the animal.

### SECTION 15: HUNTING PROHIBITED

The hunting of game birds, game animals, or protected birds or animals within the Corporate limits of the Town of Akron is prohibited.

No person shall hunt, kill, or attempt to kill any game animal, game bird, or otherwise protected animal or bird by the use of firearms, compressed air or spring-powered weapons or by any other means. Persons found to be in violation of this section are guilty of a Class C infraction.

### SECTION 16: LOCATION RESTRICTIONS

It shall be unlawful to keep, harbor, or house any cattle, sheep, hogs, horses, or fowl within the Corporate Limits of the Town of Akron. Any person found to be in violation of this section is guilty of a Class C infraction. Each day a person is found to be in violation of this section shall be considered a separate offense.

### SECTION 17: PRIOR ORDINANCES REPEALED

This Ordinance does repeal any and all ordinances, or parts thereof, which may be in conflict with the provisions of this ordinance.

### SECTION 18: EFFECTIVE DATE

The effective date of this ordinance shall be from and after passage and publication thereof in the manner provided by law.

Passed and adopted this 17th day of July, 1984.

## Conservation field day to be at Bucher & Maple Leaf farms

The Kosciusko County Soil and Water Conservation District (SWCD) and Soil Conservation Service (SCS) will conduct a conservation field day on August 8, 1984. The location is the Bucher and Maple Leaf farms in Van Buren Township.

During the field day, there will be a discussion on no-till farming, cover crops, irrigation, and crop fertility programs. There are three corn varieties planted no-till on the site and one field of drilled soybeans, under conventional tillage.

Tom Bruns, geologist with the Department of Natural Resources, will be present to discuss the impact irrigation is having on

groundwater supply. In addition, representatives from various herbicide manufacturers will be on hand. Sellers and Sons and Kerlin's will demonstrate their no-till planters and Farm Bureau will show proper herbicide application.

The field day site is near the Northeast Indiana Erosion Study Area. In that study, no-till was shown to be the most viable alternative to reducing soil erosion.

The soils are sandy and subject to both water and wind erosion. If through the use of no-till and other tillage and conservation practices, soil erosion can be reduced, the negative impact soil erosion has on

production and water quality of lakes and streams can also be reduced.

Those who are interested in attending are welcome. The Kosciusko County Pork Producers will prepare a porkchop lunch sponsored by the herbicide companies. A ticket will be required. Tickets may be picked up at any of the following locations: The SWCD/SCS office, Cooperative Extension Service, Sellers & Sons, Kerlin's Tractor Sales, and Farm Bureau Co-op of Milford.

The field day will begin at 10 a.m. at Bucher Farms, just off C.R. 300 E. and north of C.R. 900 N. It will last until about 4 p.m. Wagon tours will take people to the different field plots and demonstrations. People may attend either during the morning or afternoon since the same topics will be discussed in each session.

For further information, contact the SWCD/SCS office at 303 E. Gilliam Drive, Warsaw, or by calling 267-5726.

## Fulco Historical Society

The Fulton County Historical Society will meet July 30 at 6:30 p.m. at the home of Bill and Lois

Baldwin for a "Wild Food Party." The supper will feature wild foods found in Fulton County. Bring your own table service and chair. Direc-

tions: Go west of New 31 on Olson Road, turn north on 500W, follow it to Trail's End; Baldwin's is the 4th house from the last.

Lois Baldwin recently published a cookbook, "Grandma's Berry Patch," on the cooking of wild foods.

## State Runaway Hotline established

The newly formed Indiana Runaway Hotline designed to aid runaway teenagers in need of help will begin operation in mid October.

It is estimated that one in seven teenagers, all across the country, run away every year. In Indiana alone, the number of runaways is surpassing 100,000 yearly.

This private, not-for-profit organization is a state-wide toll-free telephone hotline based in Muncie. Over 80 volunteers are being trained to assist the runaway when he/she calls from any of Indiana's 92 counties.

The volunteer will ask only, "Do you need help?" and the volunteer will be equipped to assist the runaway with most any problems

he/she has encountered since running away.

The goals of the Hotline, according to coordinator Jean Anne Finan, are to establish a non-threatening point of contact for both the runaway and the parents; to be a relay agency to exchange telephone messages; to provide a referral system for the runaway to receive help and to serve as an information center for potential runaways to explain the possible dangers they might encounter if they do run away.

# urself from High Bills...and we'll give you a hand.

Energy costs are literally going through the roof for the homeowner...and out the door...and through the windows. A significant amount of your cooling in the summer and your heating in the winter can be wasted through cracks...exposed pipes and vents...unsealed windows...uninsulated attics. Stop it now...and we'll help you cover the cost.

And here's where we can help. NIPSCO is offering homeowner customers a chance to borrow money to weatherize their home at about half the going rate. 6% to be exact. You have from 6 to 36 months to pay it back. And you can do the work yourself, or we'll help you pick a reputable, quality installer. We'll even inspect the finished job free of charge to make sure the work is done right.

We do ask one thing. To make sure that you spend your weatherization dollar in the best way possible, your home must undergo an RCSP Energy Audit\*. This audit will uncover every possible energy loss in your home and costs only \$15.00. It will provide the information you need to decide what weatherization steps would be cost-effective for your house.

So, if you're a homeowner or landlord (up to four-family residences qualify), call your local NIPSCO office for details. We'd like to help keep your energy costs down.

\*Residential Conservation Service Program home energy audit.

## Half fee goes into effect Aug. 1

Effective August 1, the Indiana Bureau of Motor Vehicles will once again implement the half fee schedule for Indiana license plates. This pertains only to license registration fees and will have no effect on the excise tax fees.

Passenger plates, recreational vehicle plates, motorcycle plates and truck plates carrying the gross weight capacity of 7,000, 9,000 and 11,000 lbs., will be half fee if a vehicle is purchased after the

individual registration month.

The following types of plates are always half fee, regardless of the vehicle purchase date, if the plate is purchased on or after August 1: trailers, buses, trucks in excess of 11,000 pounds, farm trailers, farm trucks, tractors, antiques, redeclared weight, and semi-trailers (with the exception of two-year semi-trailer plates, which are always full fee.)

## Hats off to ---

-- Jim Spangle, deputy at Akron, for the painstaking work on the new animal ordinance (see page 7). A lot of work went into its preparation, and we'll all benefit from it.

## Program to be at Fulco library

Fulton County Public Library will present a special program at the Main Library, on Friday, July 27 at 10 a.m. Guest puppeteer Jill Strasser and Phyllis Whitmore, Indian folklorist, will put on an Indian theme show. All partici-

pants of the Summer Reading Club, as well as children of the community, are welcome to attend. The program will be held in the

community room at 7th and Pontiac Streets.

Thanks to Whitey Thompson, Earl Ogle and the two unidentified boys for helping with the tractor.

Janet Hackworth

We want to thank all our relatives, friends and neighbors for their gifts, cards and flowers on our 50th anniversary. Thank you for all the joy wished to us, and your presence on that Special Day.

The memory of this joyous occasion will be with us forever.

George and Jane Kotterman

The family of Henry Rohr wish to express their sincere thanks and gratitude to relatives, friends and neighbors for their help, cards, flowers, food, loving thoughts, prayers and comfort. Also thanks to Dr. Steven Musseiman and staff, the nurses at Woodlawn Hospital and Reverend Marilyn Cox and their care during the hospital stay and death of our beloved husband, father, brother and grandfather.

## Weatherization loans available

Northern Indiana Public Service Company announced July 16 it would begin offering low-interest loans to property owners who weatherize their homes to save energy.

The program -- available to qualifying customers -- will offer loans from \$200 to \$1,500 at 6% interest to help homeowners buy and install insulation, solar heating and cooling systems, weatherstripping and other conservation devices designed to cut electric or gas use. Payment periods will range from 6 to 36 months.

According to Jack W. Stine, Vice President, Division Operations, "Our weatherization loan program is aimed at beating the high cost of energy in the simplest, most direct manner -- through conservation. We know that much of the energy used to heat and cool your home escapes through the roof, walls and windows. Adequate insulation goes a long way toward controlling energy costs, and the new weatherization loan program provides an opportunity to take steps to conserve energy in the home."

Among those items covered under the program are: ceiling, wall, floor, ducts, pipe and water heater insulation; interior and exterior caulking; weatherstripping; storm and/or thermal window installation; heat reflective and heat absorbing window and door materials; clock thermostats; window heat loss or heat gain materials; and passive solar space heating and cooling systems.

Stine pointed out that eligibility for the program was designed to provide the maximum dollars and maximum benefit to individual homeowners most capable of reducing energy usage. Single family houses, duplexes, triplex or four-family residences heated by natural gas or electricity or using electric air conditioning supplied by NIPSCO may be eligible for the low interest weatherization loan.

To make sure that customers receive the most value for their conservation dollar, NIPSCO will require each participant to have an RCSP energy audit of their home as part of the low-interest loan program. The audit -- which uncovers every aspect of energy waste in a home and costs \$15 -- will pinpoint trouble spots to customers.

NIPSCO will also supply an authorized master list of qualified installers for those individuals not wanting to do their own insulation work.

Lastly, to ensure participants the greatest return from the weatherization loan plan, NIPSCO will inspect the work performed by the homeowner, or the contractor hired to do the work. The inspection will be completed by NIPSCO engineers free of charge.

Details about the loan program and applications can be obtained at the local NIPSCO customer service office, Stine said.

"We hope that our customers take advantage of this offer to improve the energy efficiency of their homes and control costs," he said.

## Bell has farm reference material

Bell Library in Mentone has just received the current **Hot Line Farm Equipment Reference Guide for Farm Tractors and Combines**. This useful guide gives list price, auction range of machines sold at wholesale auctions and advertising

price for all farm tractors and combines sold in this country.

The guide also contains a cross reference section so one can determine year by serial number. (It lists the location of serial numbers.)

## War Mothers plan district meet

The July meeting of the Mentone War Mothers was held at the home of Mildred Grindle of Warsaw with nine members present. The district meeting will be at Roch-

ester the 8th of August, and it is hoped there will be a good turn out from Mentone and Akron. Our August meeting will be at the home of Mary Griffiths.

## THINK ABOUT IT!

## Isn't It Nice

to be able to go just a few blocks for the items you need for your home or business or office needs?

## Don't You Feel Good

when you know the person waiting on you in the store is a friend and will have your best interest in mind?

## Aren't You Grateful

to know if you have an emergency, there is help as near as your local merchant's telephone and he will come as soon as possible to your aid?

## Isn't It A Comfort

when you have to return an item or have a complaint and you know the merchant concerned is going to be understanding and make a good adjustment for you?

## Isn't It Nice To Know

that local merchants plan for you in their own buying and make every special purchase possible in order to pass the savings on to you?

## Isn't It Great

to know that the local store owner will follow up your purchase with the best kind of service from trained personnel... and will make the necessary return trips until you have good working order?

## FACTS &amp; FIGURES

Nearly 100 million ounces of silver bullion have been accumulated in this country during the past year, reports the Bureau of Mines.

For the third consecutive year, silver available in the U.S. has been surplus to domestic industrial needs, totaling some 150 million ounces over the three years.

For silver to remain \$3.50 above the average for 1982, experts report that more than 100 million ounces had to be stockpiled away by speculators and investors.

Industrial demand for silver is down. During the fourth quarter, 1983, consumption of

silver at 27.7 million ounces was down 6.4 percent from the third quarter, according to the Bureau of Mines.

## Your Garden: A Vision Hazard?

Spending time in your garden should be a pleasure, but it can also be a peril to your eyesight unless you take the proper safety precautions when handling garden tools and chemicals. The National Society to Prevent Blindness suggests a gardener wear safety goggles while working at the following chores:

- When using power equipment: Lawn mowers can throw up sticks, stones and debris.

- When using fertilizers and pesticides: These are made with chemicals so a gardener should wear chemical goggles. If any chemicals should come in contact with your eyes, flush them with water for 15 minutes. Then call a doctor.

- When burning poison ivy: The fumes can be irritating to your eyes.

- When using a chain saw: It can throw chips of wood into your eyes.

- When trimming rose and other bushes: Many have thorns that can puncture the eyes.
