Tippecanoe Valley spring awards banquet held

The 1983 Tippecanoe Valley Spring Athletic Awards Banquet was held on Tuesday, May 24 at 6:30 p.m. in the commons area. The program was started with a carry-in supper and the awards program followed the meal.

Awards were presented to athletes who participated in the following sports: girls track, girls tennis, boys track and boys golf. The baseball awards were not presented due to the fact that there were six remaining regular season games to be played. Also given were The Viking Awards which were given to six seniors.

Miss Harmon, coach of the girls track team, assisted by Mrs. Ritter, presented the girls track and also awarded special awards to co-captains Mary Harter and Joan Laughlin; Record Breaker Trophy to Andrea Scott in the high jump with a 5'2" jump; Most Improved Runner, Kathy Helmreich and Most Improved, Joan Laughlin.

Girls tennis awards followed the track and were presented by Coach Mrs. Klotz. Receiving special awards were Most Improved for JV, Dawn Smiley; Most Improved for Varsity, Sherry Irons; Best Record - No. 1 Doubles team of Allyson Clampitt, and Sonya Unzicker; and Captain, Holly Smith.

Boys golf awards were presented by Coach Mr. Parker. Re-

ceiving TRC medals were Deron Manwaring who finished in 8th place and also set a freshman school record of 82, and Chris Cook who was 2nd and broke

Cub Scouts hold program

The Akron Cub Scouts held a program on Wednesday, May 25th at the Akron Park. To start the meeting, the Pledge of Allegiance and the Cub Scout Pledge was recited. The Tiger Cubs, just started this year, are for seven year olds and their parents. One Tiger Cub, Josh Manns, was present at the program.

Several awards were given in the Bear Den, Wolf Den and Webelos Den. The five ranks of Cub Scouts in order are Bobcat, Wolf, Bear, Webelos and the highest rank in Cub Scouts is the Arrow of Light. Four Scouts received the Arrow of Light Award. They are Brian Stephen, Bob Lynn, Will Hodges and Brian Caudill. A special ceremony was held with Indians, Medicine Man and Akela present.

This was the final pack meeting for the year.

Charlie Smith accepts position

Charlie Smith, who had resigned his position as head football coach at Tippecanoe Valley High School to accept the position as football coach at Lake Central High School, has confirmed his decision to work for the Lake City Bank, Warsaw.

A Mentone branch of the Lake City Bank is in the planning stages and will be located at the former laundromat on Mentone's Main Street, next to Miller's Hardware. It will become the seventh Lake City branch, joining banks in downtown Warsaw and on Old Rd. 30 West, Warsaw; Syracuse, North Webster, Winona Lake and Silver Lake.

Smith is set to start his new position July 1st. He was replaced at Valley by Phil See, a longtime assistant.

Charlie stated that he was first contacted about the position about 3 weeks ago and met with Lake City Bank President Doug Grant and Vice President Gary Lyon a week ago last Thursday. He accepted the position a week ago Monday.

Charlie said his number one consideration in accepting the new job was because of the advancement possibilities, both financially as well as position advancement and the opportunity to grow professionally. He is also pleased to be remaining in the area and the Tippecanoe Valley School Corporation.

He said that it's going to be difficult to give up 16 years of

teaching and coaching and that he was not displeased or dissatisfied with the profession. "The challenge of something new is always stimulating," he states and "I was impressed with Doug Grant and Gary Lyon and the honesty with which they represent." He also said that Lake Central High School and Athletic Director, Jim Hammel, have been very cooperative regarding his decision.

New history features Akron and Kewanna

The new Fulton County Historical Society Quarterly features Akron and Kewanna. Stories include Akron American Legion by Dick Drudge, Hoover Hotel by Charles Lamoree, Eureka Theater and Kewanna Businesses by Lulu Spear, Kewanna Telephone Company by Ielda Crabb Kirby, Fulton County Federation of Women's Clubs by Allene Biddinger,

and Akron Women's Club by Juanita Boswell.

The 88-page booklet is for sale at all the county banks, Rochester News Stand, Hardesty Printing, Akron and Rochester libraries, and the Civic Center Museum, which is open Monday-Friday from 9 to 5 p.m. The booklet may be purchased through the mail by sending \$3.50 to Fulton County Historical Society, 7th and Pontiac, Rochester, IN 46975.

Other stories in the Quarterly no. 51 are Whippoorwill School and Dead Man's College by John Norman Hiatt, Indian Relief Fund by Patsy Clark, and Gideon Miller Farm Cemetery by Shirley Willard.

The histories are illustrated by photos lent by the above authors, Akron Library, Genelle Hoffman, John Merley, Lois Gray Woolley, Velma Bright, Melvin Fretz, Cathy Denton, Ruth Miller Zentz, Ann Sheetz, the Rochester Sentinel, and James "Doc" Newcomb, and Jack Hogan.

"Newcomb Farm Named Hooser Homestead" traces the history of this farm and has photos of the house and barn built around 1882.

Friends of the Library donate record browser

The Friends of the Library recently donated a Record Browser to be used in the Bell Memorial Public Library, Mentone. The record browser will hold up to 550 records. Other items that have been donated by the Friends of the Library are: the furnished reading corner, the children's corner, and they recently installed background music for the library. These donations have been made possible through bake sales, food booth at Mentone Day's, bake sales and other

money making projects in the past.

One of the future items that the Friends of the Library are going to be working for is a Display Rack. They hope to raise enough money at their food booth during this year's Mentone Egg Festival to be able to obtain the display rack for the library.

Librarian at the Bell Library is Madeline Fisher and Assistant Librarian is Eileen Bowser.

The all new 1984 Ford Tempo

Style and technology in total harmony.

America's newest front-wheel-drive sedan for the 80's.

In its creation of Tempo, Ford set out to design a car that would prove that a spacious interior, comfort and performance could be compatible with fuel efficiency. Ford engineers began with a sound design principle: Form follows function. First came completely new functional ideas. And then Tempo's aesthetically pleasing form followed—naturally.

It's a combination of the newest aerodynamic styling and automotive technology in a space-efficient package.

The world's most advanced automotive computer.

If you've ever had your car's engine buck and stall on a cold morning... or choke up on a hot day... or respond sluggishly when you accelerate onto a freeway... or had any irregular power output due to weather, temperature or altitude... you'll appreciate the capabilities of Tempo's new EEC-IV computer.

EEC-IV monitors and controls engine operation precisely and constantly under any conditions for optimum power output and fuel efficiency.

High mileage. Although EPA mileage estimates were not available at the time of publication, Ford Engineering tests project 42 estimated highway and 28 estimated mpg.

42 EST. H.W. 28 EST. C.T.

Mileage estimates are based on a 1983 Ford Tempo with 1.6L 4-cylinder engine, 5-speed manual transmission, and 130,000 miles. Actual mileage may vary. See dealer for more information.

New Powertrain.

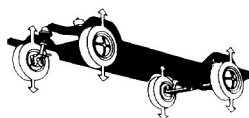

Developed specifically for Tempo, the 2300 HSC (High Swirl Combustion) four-cylinder engine works in concert with the EEC-IV computer.

The 2300 HSC is Ford's first production "fast burn" engine, utilizing advanced technology. This high compression (9 to 1) engine generates 85 horsepower at 4000 rpm. There's a surprisingly quick power response to even slight throttle pressure.

Ride and handling.

Tempo's front wheel drive design not only delivers added tire-to-road traction, but provides precise handling and tight cornering.

This front-wheel drive configuration affords more interior legroom and

attendant passenger comfort because there is no rear drive shaft tunnel to take up floor space.

Tempo's new design 4-wheel independent suspension permits each wheel to absorb road shocks independently. This helps reduce the effect of bumps and jolts and results in better handling and a smooth, quiet ride.

Computer refined interiors.

Computer technology and designer ingenuity have joined forces to ensure providing the best use of Tempo's interior space. Its five-seat configuration allows for a comfortable combination of head, shoulder and legroom. In fact, there is more rear passenger room than a Mercedes 300D.

Commitment to quality.

In Tempo, minute attention has been paid to every detail. An example of Ford's total commitment to quality is the closeness and uniformity of the body panel fits. Tempo's specifications call for tight body fit margins. You are urged to compare these stringent standards to those set by an European sports sedan.

What's under Tempo's gleaming paint? Three more full coats of tough acrylic enamel and two coats of primer. That's almost 40 pounds of protection. The final result: a tough brilliant finish that is highly resistant to weather chipping, cracking and peeling.

Available in 2-door and 4-door.

See your Ford Dealer Now.

SOUTH END MOTORS

Akron, Ind.

Phone 893-4821

opinion ours

Think motorhomes are too expensive? Think again!

by Ned Bell

Owning a motorhome is neither an American nor expensive.

Balderdash, you say? How can it be said that owning a gas-guzzling home on wheels is not expensive?

Granted, it can be. But let's forget the \$150,000 to \$200,000 superbuses outfitted with microwaves, trash mashers and central vacuum systems. You also can purchase a recreational vehicle (RV) for around \$15,000, complete with every necessary system your home contains — heating, cooking and bath.

Now, investing \$15,000 in a motorhome may not be the wisest use of ready cash, but a visit to a new car showroom will cure any squeamishness in the pit of your stomach. The figures on the window stickers of a medium-priced sedan, with a small engine and a back seat that will give you the bends, are not that much less.

The motorhome, admittedly, will not really serve as a second car for running the kids to ball practice or the Saturday movies, but in a pinch it will serve.

How about mileage? Well, you're right. The big RV may get only six miles a gallon. But mini-motorhomes — those on a van chassis, with cab van showing — will get from 10 to 11 mpg on the road.

Your sedan, loaded with four persons and luggage, will get 20 mpg on a trip? Wonderful. How much will you spend each night for lodging and meals in a restaurant?

Four persons in a motorhome can travel for \$8 a day, gasoline excluded. Compare this with a minimum of \$80 a day for lodging, meals, and you will have to save a lot of gasoline at 20 mpg to make up the difference.

No, there is no mistake on the \$8 a day. That is for a private campground — make it \$6 if you can find a state park. How about meals? You bet campers eat. But they eat about the same as they do at home, and often cheaper because they don't fix standing rib roasts.

So if gasoline consumption for the sedan traveler is half of that of the motorhome traveler, the savings won't pay for the night in a good motel.

How can that be? Figuring 500 miles at 10 mpg and \$1.25 a gallon, leaded fuel and the daily cost would be \$62.50. The

same 500 miles at 20 mpg and \$1.30 a gallon, unleaded fuel, is \$42.50, a difference of \$20. You have saved the cost of an evening restaurant meal for two.

Now, about vehicle insurance. Full coverage for a \$15,000 motorhome must be out of sight! The answer is yes, if you are looking high. Since the motorhome is on the road far less than a family car, and not often in cities where the chances of an accident are high, the rates are lower. Figure \$225 per year.

Now, if your accountant still insists that you cannot justify the initial cost of a motorhome, call it a hobby. How many people do you know who have \$15,000 invested in a hobby — everything from radio-controlled airplanes to fishing?

It is true that the value of motorhomes does not appreciate like a cottage at the lake, but neither does that \$15,000 boat, motor and trailer — and the bigger car or truck that pulls it while getting 8 or 10 mpg.

A camping family will use its motorhome on an average of 50 days a year. That is three weeks on vacation and 14 weekends away from the telephone. At an average of \$8 a night in campsite fees, that amounts to \$400 for lodging — less than two weeks in motels during the annual summer-vacation trip.

If camping is your hobby, a motorhome is not an expensive way to go. Sure, there are cheaper ways, a tent for instance. But tents are not for everyone, especially on long summer trips.

One other thing. Motorhome owners and their families do not look down on those who prefer to travel by car, who choose to stay in motels, and eat in restaurants during trips. That is their choice, just as the motorhome owner chooses his mode of travel and vacation amenities.

So when you see that gas-guzzling motorhome clogging the highway lanes on your next trip, don't waste your best adjectives on it or its driver. Chances are he won't get the last room at the motel or make you wait for a table at the restaurant.

Come to the setting of the sun, he and his family will be gathered around a campfire, roasting marshmallows and reliving the adventures of a day on the American road.

Lightning

The National Safety Council warns that too few are sufficiently concerned over the danger of lightning.

Yet one statistician recently determined that during the April-October lightning season, the average American can expect forty to eighty bolts within half a mile.

The same statistician claims more than a third of all fires in rural areas are caused by lightning.

The safest places in lightning storms are in homes, steel-framed buildings, or in an automobile.

If in the open, seek a low place, such as a ravine or ditch.

The Longest Day

Thirty-nine years ago June 6, the greatest amphibious assault in history began. U.S., Canadian and British troops lead the assault across the English Channel against German defenders in France.

That invasion, plus a larger Russian offensive far to the east, doomed Hitler and Nazi Germany. The Fuhrer had become the Napoleon of the 20th century by conquering practically all of Europe.

For Jews, the final assault on June 6, 1944, was the beginning of triumph on the continent after years of unbelievable horror and persecution.

On the beaches of France that morning many died, from many countries, but overwhelming Allied air and sea power insured the landings' success.

Germany was to fight on for eleven months, striking back at the United States in the Battle of the Bulge that December, but the 6th of June signaled the beginning of the end for the Third Reich.

Quakes & Brick

The experts tell us that earthquakes are certain in coming years, especially in California, but also in other areas. In the last century one on the east coast was felt for a thousand miles—centered near Charleston, S.C.

What, then, are the safest buildings to be in, or to build, with earthquakes in mind? The most dangerous are brick buildings, unreinforced.

In Santa Rosa, California, hurt comparatively worse in the famous 1906 quake than San Francisco, and badly damaged again in 1969, the city has in recent years destroyed unsafe buildings. It has proceeded with redevelopment so the city can withstand a quake measuring 7.5 on the Richter Scale.

Wooden buildings "give" better, are less prone to collapse if solidly attached to foundations.

Towns, then, and buildings, can be made relatively earthquake safe.

THANK YOU
The Mentone "Seniors" need to thank several people for the Senior Citizens' site at the Mentone Fire Station. First, thanks to the Fire Control Board for the use of the building. The board is Frank Hardesty, pres., and the Harrison Township Trustee, Jr. Clamptt; the Franklin Trustee, Don Smalley, and Wendell Grass, Newcastle Trustee.

We thank Rita Price for the publicity that she gave over the radio. We thank Eva Made Halst for serving as site director and Norma Roose of North Webster, the co-ordinator. Mrs. Roose made lots of trips and phone calls to get this established for Mentone and surrounding areas. This is our site, so Seniors, be sure to participate. The food is very good and activities are being planned. Also volunteers are needed everyday. Come join your friends.

LETTERS TO THE EDITOR

To The Editor

Much has been written lately about the problem of Tippecanoe Valley School Corporation. I would just like to let people know some of the positive things that are happening within our system.

We, the parents, patrons and students, saw a problem and were willing to work together to try to correct it. It is too bad we had to air our dirty laundry, but this was necessary so that we might reach the masses. We are not proud of some of the things that were happening, but I feel we can be proud of how things have been handled.

I would like to say a big "THANK YOU" to our school board. I feel they handled things very well. They stepped into a touchy situation and opened some doors. I hope these doors will remain open for a long time. The students were also able to be heard and this is very important. If I could nominate our board for "school board of the year," I would. Hopefully, other boards will use these men as an example. We had a problem, reluctantly took it to them and they helped us. They listened, looked into the situation and started to work. Thanks again.

Also, I sincerely believe that no one started with the intention of hurting another party. No one enjoys deliberately hurting someone else. Many students and parents were forced to face some unpleasant memories. If things had been taken care of a few years ago, none of this would have been necessary.

There are always innocent people hurt in situations of this nature. It is my opinion that Mr. Meyers is one of those people. I feel he has been caught in the tidal wave and swept out to sea. I have found Mr. Meyers to be a very caring man, one who is interested in the well being of the school and the students.

I guess, in essence, I want people to know that we are a great corporation. We are willing to work for the good of the school. We have stood together and made a loud noise, but we have been heard. We have found we can talk with out school board and they will listen. The parents, students and patrons who came forward, should be commended. I'm proud of the way we have been able to unite. Thanks to all of them who were willing to come forward and to the silent ones who would have if they were needed. I'm sure we have a long way to go and that we will always have some kind of problem, but at least we do not feel our hands will be bound so tightly.

Sara Lamb-Russell

Letter to the Editor:

I wish to express my sincere gratitude to Jerry Secrist and the Kiwanis Club of Tippecanoe Valley, the many former Valley athletes, friends and current Valley students for their thoughtfulness and kindness shown to my family and myself during the Charlie Smith Appreciation Day. I really have appreciated your "support" over my nine years at

Tippecanoe Valley High School. I have delayed this written expression of our gratitude due to the confusing circumstances that have confronted my family and I with the decision of my newly chosen career. I have accepted a position with the Lake City Bank of Warsaw and I will begin my new duties July 1. Fortunately, I will be remaining in the Valley School Corporation.

Let's get behind Phil See and back our Valley Viking Football team with the greatest ever "Valley Pride" for a winning campaign in 1983.

Thanks again for your kindness and caring.

The entire Smith family,
Charlie Smith

GEMINI

GEMINI -- May 21 to June 20--Set hours for visiting so important work will not be disturbed. Evening hours are best.

CANCER -- June 21 to July 22--Complete unfinished projects. Select priorities. A good mood should prevail this week.

LEO -- July 23 to Aug. 22--Try not to become involved in time-consuming controversies. Keep mate informed about financial interests.

VIRGO -- Aug. 23 to Sept. 22--A short vacation will give a welcome reprieve from the exhausting struggle. Learn to enjoy local recreation.

LIBRA -- Sept. 23 to Oct. 22--Although there are those who are willing to do favors for you, there are some things you must do for yourself.

SCORPIO -- Oct. 23 to Nov. 22--Do your best in school or work. The foundation you are laying will support you at a later time.

SAGITTARIUS -- Nov. 23 to Dec. 21--Maintain a state of alertness and readiness. Time to take a look at your beliefs.

CAPRICORN -- Dec. 22 to Jan. 19--Sleep a little later if possible this week. Additional rest is more of a necessity than a luxury. Expect a pleasant week.

AQUARIUS -- Jan. 20 to Feb. 18--Work with, not against, your closest associate. Much can be accomplished when you reach an agreement.

PISCES -- Feb. 19 to March 20--Your competition continues to act in a weird manner. Ignore them. They are their own worst enemy.

ARIES -- March 21 to April 20--Better not to operate under an illusion. Be realistic. Stress originality, with an awareness that your project has great value.

TAURUS -- April 21 to May 20--Allow your mind to wander. A new idea could strike like a bolt out of the blue. Keep idea and plans confidential for now.

The recent Hitler diary swindle is no less surprising than the duping of eminent historians.

Notice

In June of 1982, the Town received a letter from the State Board of Health, Air pollution Control Division, regarding burning at the local Town dump. We quote from this letter: "This office (State Board of Health) requires that the open burning be discontinued immediately and compliance achieved with 325 IAC 4-1." At that time the Town restricted the dumping of any burnable materials in this dump but did allow the dumping of bricks, stones, dirt, ashes, etc.

However, since that time, we have had citizens who hauled burnable items to the dump without permission, and on occasions, this burnable material has caught on fire from one cause or another. On May 20, 1983, an inspector from the State Board of Health, Division of Land Pollution Control came to Akron to inspect the dump area. On this date, the dump was still smoldering from a fire to burn up the accumulation of burnables mentioned above. As a result of this May 20th inspection, we received the following letter from the State Board of Health. We quote:

"On May 20, 1983, Mr. Stuart Miller of the Solid Waste Management Branch inspected the above-referenced site. The inspection revealed that open violation of the Indiana Solid Waste Disposal Law, IC 36-9-30, and the Environmental Management Act IC 13-7. The site also is in violation of Federal criteria promulgated under the Resource Conservation and Recovery Act of 1976.

Therefore, all dumping must cease immediately and access to the site must be restricted. All open burning of solid waste must be extinguished. The solid waste presently on site shall be:

1. Collected and hauled to an approved sanitary landfill; or
2. Compacted and covered with a minimum of two feet of suitable cover soil, graded to prevent ponding of water and seeded to provide vegetation.

A reinspection will be made in approximately thirty (30) days to determine compliance. Failure to comply with the provisions of this notice will subject you to legal action by the State of Indiana.

If you have any questions about this action or about your obligation concerning this matter, please contact Mr. Stuart Miller or Dan B. Magoun at 317-633-0742."

Therefore, it is with regret that we make this announcement that the dump will be closed to all dumping IMMEDIATELY.

Anyone having material too large or too heavy for the trash truck 40 pound limit, can probably dispose of it at the Tolley-Hunt Bulldozing Landfill at Chilli, Indiana.

Here's Your Answer

by Pastor Dennis R. Pollock
New Testament
Baptist Church
Culver, Ind. 46511

How could Jesus be the son of God if he was born to a human mother?

The doctrine of the personality of Christ is a very difficult one if we try to divorce it from the setting of inspired Scripture.

No human can come close to an understanding of Jesus the Christ until he enters into the new birth experience. 1 Corinthians 2:14. There are those today who would

argue that we can have a Christianity with out the God-man Jesus. This would be eating apple pie with out the apples. You might have the taste of apple pie with other ingredients but it is only mock-apple and not the real thing. What this world needs is a real Jesus not the one conjured up by some religious Witch Doctor.

How do we know that Jesus is God's son and not an impostor?

Because the Bible, God's infallible, inspired, inerrant, Word says so! You will never, can never find this truth by keeping a closed book.

To understand how Jesus could be the son of God and at the same time be born of humanity we must see why he was. Our story must begin at the beginning. Our first father Adam was given a trust by God to carry out. That trust was to obey God's commandments and live forever. Adam chose to rebel and because of that he brought upon himself and all mankind the curse of death. Men who stand in this Adamic nature are lost and with out hope. It was therefore the mercy of God to send his Son in the form of man to take in his body the punishment due sinners. To this he must have no sin of his own to deal with. Having not an earthly father from whom the sinful nature flowed Christ Jesus was the only one ever to be born into the human family with out

sin. For Jesus to have the ability to suffer for sins he must have a body that can die. Throughout all eternity he has known the fellowship of the Godhead without beginning of days. Now the time has come to pay for the sins of his people and Mary is chosen to be the vehicle from which the Lord is brought into the world. Think of it. No sinful father and yet a human body. The only proper one to redeem the lost sinner.

We ask the liberal and modernist to invent a better scheme of redemption.

Study my friends for the Word of God is full of amazing answers to life's questions.

Felicia Harrell wins scholarship

The Kosciusko County Extension Homemakers have announced their \$200 scholarship to a high school senior girl. This year's winner is Felicia Harrell from Tippecanoe Valley High School.

Felicia is planning to attend Purdue in the fall majoring in Retail Management in the School of Consumer and Family Sciences. She is the daughter of Lloyd and Nancy Harrell, Mentone.

Felicia has received honors the last two years in the district and state OEA contest. She was a girl's state delegate in 1982. She is a lifeguard with Tippecanoe Valley School and is a fashion team member which involves modeling at Hudson's Department Store in Mishawaka.

The extension scholarship is given each year to a female high school senior who will be majoring in Consumer and Family Science. The scholarship is awarded on the basis of financial need, personal development, social involvement, intent and promise of success, and scholarship.

Mentone Lions

The Mentone Lions Club will celebrate their 50th Anniversary on June 15, 1983.

The International Lions Club is a service organization which sponsors many worthwhile projects. Cancer Control, Eye Bank, Sight and Hearing Conservation, Leader Dogs for the blind, and International Disaster Relief are just a few of the major projects.

On the local level the Lions Club take part in many other projects of special interest to the home community. The Mentone Lion's Club has donated money to the Fire Department, the EMT's, The Bell Memorial Library, and many of the other local organizations. They have sponsored Santa Claus at Christmas, provided Halloween contests, donated money for eye glasses for needy children and many other projects.

To celebrate the anniversary the Mentone Lions Club will have a Ladies Night and are inviting members of the fire department, the EMT's, Town Board, Chamber of Commerce, former Lions Club members, and many other interested men of the area to bring their favorite girl friend and join them.

What Are Volunteers?

Volunteers are like Ford, they have better ideas. Volunteers are like Coke, they are the real thing. Volunteers are like Pan-Am, they make the going great. Volunteers are like Pepsi, they've got a lot to give. Volunteers are like Dial Soap, they care more, don't you wish everybody did? Volunteers are like V05 hairspray, their goodness holds in all kinds of weather. Volunteers are like Hallmark Cards, they care enough to give their best. Volunteers are like Standard Oil, you expect more and get it. But most of all, Volunteers are like Flakes, they are GreeeeAAAAATTTT!

To all my volunteers a great big thanks! Akron Keen-Agers Blood Pressure Clinic will be held Thursday, June 9th. Get well cards were sent to Annabelle Hammond, and Lula Riley this week. All June birthdays will be celebrated the 9th of June. Also the Akron Keen-Agers wish Mrs.

Paul Haist, director of the Mentone Nutrition Site, the very best. Lots of good luck to her and the volunteers in the Mentone Area. Senior citizens get out of the house, include yourself in fellowship, socializing, good meals and volunteer work, it's great!

Thank you, Marilyn Stafford, Akron Nutrition Site Director.

Beta Epsilon meets

Fourteen members were present for the May meeting of Beta Epsilon Chapter of Psi Iota Xi Sorority at the home of Judy Long. Penny Jones served as co-hostess.

We received an invitation from Mrs. Haist to visit the new Nutrition Site on opening day.

The scholarship committee reported that no one had applied in the fields of speech and hearing, music or art so a scholarship will not be given this year.

Members voted to pay dental expenses for an elementary student in the area.

The Mentone Egg Festival committee suggested an idea for this year's festival. Members voted to go ahead with the suggestion of making and selling egg rolls. Judy Long and Anne Uiter are in charge of this.

Doris Ross and Phyllis Risner reported on the State meeting in Peru.

Outgoing President, Iris Anderson, thanked the members of the chapter for all the co-operation she has received during the year.

The following members were installed as officers for next year: President, Doris Ross; Vice President, Diana Hoyt; Recording Secretary, Eva Belle Smith; Corresponding Secretary, Iris Dickert; Treasurer, Peg Eaton; and Conductress, Marsha Scott.

Iris Anderson conducted the initiation service for Miriam Boardman. Our chapter is very

happy to welcome Miriam into our group.

Paula Shireman, daughter of member Martha Shireman, showed her slides on her trip to China last summer. Paula had a lot of interesting information to share with us and everyone enjoyed it greatly.

The June 21st meeting will be held at the home of Doris Ross with Pauline Rinier serving as co-hostess.

No greatness exists unless it is based upon principle and not upon profits.

The successful man has the ability to make himself as well as others work.

Clancy, a rookie cop, caught a thief breaking into a jewelry store one dark night.

"Ha," Clancy said. "Caught in the act. You'll do plenty time for this, me boy!"

"Look," said the thief. "I know my rights. I want to call my lawyer. Let me go into that cigar store and call him and have him meet me at the station house!"

So Clancy let the thief go into the cigar store and the thief kept right on going out the back window. Clancy didn't see him until six months later when he met the little crook coming out of a jewelry store with his hands full of rings and bracelets. Clancy grabbed the loot and the looter.

"Ha," Clancy exulted. "I've got you with the goods this time. Come along with me."

"I got to call my lawyer," the crook protested as they passed a cigar store. "You won't fool me this time," said Clancy. "Here. Hold these rings and bracelets and give me your lawyer's phone number. I'll call him!"

Ad in a local paper: Auctioneering is my special line of business. Prices very reasonable. If I am out, arrange date with my wife.

The Boss: "What are you doing here? Didn't you read the letter I sent you?" Office Boy: "Yes, sir. I read it inside and outside. On the inside it said 'you are fired' and on the outside it said 'return in five days', so here I am."

Wolf to friend: "Who was that lady I saw you outwit last night?"

Sneez often are deceiving. Sometime a woman's thumb has a man under it.

The greatest asset of any community is its youth.

SEEDS & OUTER SPACE

GREENWOOD, S.C. -- George W. Park Seed Co. sent seeds into orbit aboard the space shuttle *Challenger* and has planted the first of its experimental crop, officials said.

The experiments cost about \$5,000-\$3,000 to rent space aboard the shuttle, and \$2,000 for a canister for the seed that met NASA safety specifications.

THE SPRUCE GOOSE

LONG BEACH, CALIF. -- The Spruce Goose, the colossal wood airplane Howard Hughes built, flew once and hid for three decades, was unveiled recently in a spectacular new home.

INTEGRATION & CITIES

MADISON, WIS. -- All cities with more than 100,000 blacks have a long way to go to achieve an adequate level of integration a census-data study by Karl Taeuber, a sociology professor at the University of Wisconsin, indicated.

Reading Club at Akron library

The Summer Reading Club at the Akron Carnegie Public Library is now in progress. Any child of school age is invited to be a participant and all children that were in Kindergarten this year can join the Kindergarten Club. The Pac Man theme is being used this year and the Kindergarten theme is Big Chief Reading Feathers. The children can read as many or as few books as they choose and should read books on their reading level but books they would like for their enjoyment. The children may come to the Library at any time that the Library is open. The Library is open every day Monday through Saturday from 9 a.m. to 12 noon and 1 p.m. to 6 p.m. We hope that many children will want to Read for Fun this summer. If anyone has questions concerning the reading clubs you may call the Library (893-4113).

LARGE SELECTION AT LAZY JACKS

Mentone

Brook Hoffman, Brandi Rickel and Carrie Whetstone, children of the Jack and Jill Nursery School, are shown as they are swinging at the Akron Park. (News Photo)

Jack and Jill Nursery School, visiting Tridle Stockyards.

Jack and Jill Nursery School visits Akron park

The Jack and Jill Nursery School, Mentone, recently visited the Akron Park. The 3-year-olds were at the park on Tuesday and the 4 and 5-year-olds were able to visit the park on Thursday of last week.

The kids scurried around the park trying to decide what to do first and making sure they rode on everything at least once. One of the most popular things at the park was the corkscrew slide. Children were standing in line to go down it. Several played on the swing sets, monkey bars, teeter totter, merry-go-round, and animals that you could rock back and forth on. Teachers of the Nursery School are Beverly Surface and Jackie Leiter. Laurie Carlin is a helper and several of the mothers joined in on the fun.

Anyone that would like to Pre-Register their child for next year's Nursery School may do so by

contacting either Beverly Surface, 353-7357 or Jackie Leiter 353-7619. There will be Registration Day in the fall, August 29 (all day) and the nursery school, which is held in the basement of the Mentone Methodist Church, will hold its first day of class on Sept. 12, 1983. Monday and Tuesday, from 8:45 - 11:15 a.m. will be the class for the three-year-

olds and the four and five-year-olds will go to school on Wednesday, Thursday, and Friday from 8:45 - 11:15 a.m. To be eligible to attend nursery school a child will need to be 3, 4, or 5 by August 1, 1983.

Willing Workers 4-H club met

The Henry Willing Workers held their Mother and Daughter Tea recently. The meeting was called to order by Brenda Wright. The American pledge was led by the Burdges and the 4-H pledge was led by the Harshes. Then roll call was answered by introducing your mother.

The women from Casual Flair, in Rochester, brought some of their fashions for some of the girls, leaders, and even a mom to model. Refreshments were served. Then prizes were given. They were gift certificates to Casual Flair and flower arrangements.

The next meeting will be June 6.

Surprise party

Burket Kindergarteners in Marcia Ousley's class were treated to a surprise picnic lunch on Tuesday. Lunchmeat and peanut butter sandwiches, carrot sticks, raisins, potato chips, corn chips, creme filled and nut cookies, candy, and milk tasted yummy on this outdoor outing to the very back of the playground area. Children enjoyed red rover, tag, pass the ball, who's it, and more. Many added to the fun by telling stories and talked about summer vacation. Everyone had an enjoyable morning!

Laws and commandments in the minds of many people were made to guide other people.

National award winner named

The United States Achievement Academy announced that Rick Ralston has been named a 1983 United States National Award winner in History and Government. This award is a prestigious honor very few students can every hope to attain. In fact, the Academy recognizes less than 10% of all American high school students. Rick Ralston, who attends Tippecanoe Valley High School was nominated for this National Award by Mrs. Toppen, a history teacher at the school. Rick Ralston will appear in the United States Achievement Academy Official Yearbook, published nationally.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director. Rick Ralston is the son of Rick and JoAnn Ralston. The grandparents are Mr. and Mrs. Woodrow Sander of Terre Haute, Ind. and Mr. and Ms. Kermit Ralston of Terre Haute, Ind.

Viking baseball team loses

For 5½ innings, Russ Menzie was thinking about a no-hitter. By the seventh inning, he was only thinking about winning the game.

The Warsaw Community High School pitcher held Tippecanoe Valley hitless for nearly six innings Wednesday. But the Vikings erased the no-hitter with two out in the sixth and the shutout with a three-run rally in the seventh, before falling 5-3 to the Tigers.

The Tigers built a 5-0 lead against Valley lefthander Mark Howard, a TVHS transfer from Warsaw this year, but the Vikes scored three runs in the seventh and had the bases loaded with only one out before a double play ended the threat.

Steve Lester, who broke up Menzie's no-hit bid with an infield single in the sixth, came up again in the middle of Valley's seventh inning rally and lined to Tiger second baseman Terry Justice, who then doubled Troy Shull off first base to end the game.

Shad McConkey opened the Valley seventh against Menzie with a double. An error and walk loaded the bases before another error on a ball hit by Al Christenberry scored two runners. Billy Kelly walked to load the bases and Joe Hughes grounded out to score the third run. Shull walked to again load the bases, setting up the double play.

Menzie, 5-2, wound up with a two-hitter, striking out seven and walking two. Howard, 4-5, also went the distance, giving up eight hits, striking out three and walking four.

Warsaw took a 1-0 lead in the

third when Keith Cummings singled, stole second and went to third when the throw went into center. He then scored on Howard's balk.

In the fourth, Mike Purcell and Justice singled to open the inning. Purcell went to third on a fly out and Justice stole second. Both scored on Greg Treesch's double and Treesch scored on Kent Stouder's line single.

three-run homer gave the Vikes a 4-0 lead in the third, but Southwood scored four in the bottom of the inning to tie the game.

Back-to-back singles by Steve Lester and Mark Howard scored Troy Shull, who walked, in the fourth inning and the Vikes stretched the lead to 6-4 in the fifth when, McConkey singled, stole second and third and scored on an error.

After Southwood took a 7-6 lead with a three-run sixth, Valley finally settled matters in the seventh. McConkey walked and scored on Troy Hoffman's double. Catcher Joe Hughes, playing his first varsity game in the absence of the ill Robbie Dunnuck, then singled in the final run.

Mark Howard had three hits and Hughes two for Valley. On the mound, McConkey surrendered 12 hits while fanning seven and walking one.

Valley players choose colleges

Tippecanoe Valley High School football players, Pat Lafferty and James Holloway have made their college choices for next fall.

Pat Lafferty has accepted a football and academic scholarship to DePauw University, Greencastle. Pat is the son of Gary and Judy Lafferty. Mentone, and was a 6'3", 185 pound linebacker and tight end at Tippecanoe Valley High School. Pat was voted the team's most valuable receiver and was on the Three River's Conference second team as linebacker.

"Pat is one of the most coachable and dedicated young men in which I have had the privilege of working with," quoted Charlie Smith. He also stated that Pat is a talented athlete and gifted student who will bring credit and honor to DePauw University as he did at Tippecanoe Valley.

James Holloway has chosen Taylor University, Upland, on a financial need package. James is the son of Bernie and Linda Holloway. Mentone and was a 5'7", 175 pound running back and defensive halfback at Tippecanoe Valley High School. Charlie Smith states, "James is one of the best open field tacklers and special team players that I've ever coached and he will be instrumental in Taylor University's kicking game this freshman year."

Charlie also said that James has gained considerable strength and size due to his work in the weight room last winter and this spring, which will help him for college. James will be joining Scott Bibler, who will be a sophomore this fall and Tod Utter, who earlier accepted a scholarship to Taylor.

Pool Schedule

The swimming pool at Tippecanoe Valley High School will be open each Sunday from 2-4 p.m. and Monday through Thursday from 7-9 p.m. during the month of June.

Valley baseball team defeated

The Tippecanoe Valley JV Baseball team were eliminated by Plymouth 11-1 in the first round game in the Tiger Junior Varsity Baseball Classic on Saturday.

The Vikings were also defeated in the consolation game to Whitko by a score of 17-6.

The Warsaw Tigers won the Classic by defeating Plymouth 2-1 in the finals. The Tigers beat Whitko 3-2 in the first round.

Valley golfers finish ninth

The Tippecanoe Valley Golfers finished 9th in the sectional on Tuesday. Although the Vikings finished out of the money both as a team and individually, sophomore Chris Cook had the second best front nine score of the day, 37. Playing the back nine first, Cook managed only a 47 but cut 10 shots off that score on the more difficult front side.

Cook's 84 was best for Valley. Other Viking scores were Randy Mitterling 87, Chris Whetstone 93, Deron Manwaring 90 and Mark Fugate 100.

Valley's boys golf is runnerup in TRC

The Tippecanoe Valley Boys Golf team captured the runnerup position in the TRC Tourney. The Vikings were defeated by the host Manchester Squires by a 327-332 margin. Southwood and Oak Hill, both of which beat Valley in dual matches earlier were third and fourth respectively, with scores of 336 and 337.

Valley's sophomore Chris Cook and freshman Deron Manwaring finished among the top eight individuals to earn all-TRC honors. Cook finished second with a six-over-par 78 behind medalist Champ Dettamore of Oak Hill, who had a 74. Manwaring, meanwhile, was eighth with an 82 and parred the first extra hole, the 375-yard and par-4 10th hole.

Cook, who began his round with three pars and two birdies, was even par after 10 holes and only one over after 15. But he went out-of-bounds on the 16th hole and wound up with a 41 on the back side. It is par 36-36 at Sycamore.

Also for Valley, Chris Whetstone and Randy Mitterling

each shot 86 and Mark Fugate 102.

Parker was especially pleased with Manwaring, whose 82 was 15 shots below his season average. Cook was 10 shots below his average of 88.

Valley led 163-164 after nine holes but fired a 169 on the back side while Manchester was carding 163.

TRC Team Scores - Manchester, 327; Tippecanoe Valley, 332; Southwood, 336; Oak Hill, 337; Northfield, 389; North Miami, 391.

FCHS seeds history and magic

The Fulton County Historical Society was entertained by the Rochester Middle School history students and by magician Bill Powell May 23.

Five eighth graders presented a skit they wrote themselves entitled "The Depression Years - Trying Times." They won second place in the state History Day Contest at Bloomington and will compete in the national contest in June. The students are Mona Najib, Craig Crow, Carl Landstrom, Tammy Williams, and Ray Coffman.

Two seventh graders, Coleen Williams and Elaine Peterson, and a sixth grader, Rich Howell, showed and described their exhibit on the Cole Brothers Circus which winterquartered in Rochester 1935-40. Their exhibit won first place in the state contest and will also go to compete in the national contest.

William Powell, local professional magician, told how he learned magic from the Great Kessler in Germany in 1918 and showed his collection of German war memorabilia. He also performed several magic tricks.

The board of directors set Sunday hours as 2 - 4 p.m. at the Rochester Depot and Log Cabin museums for the summer. The two museums will be open only by calling 223-8108, 223-2352, or 223-2202. Spur-of-the-moment appointments are ok, so if you get company and decide it would be nice to show them the museum, do not hesitate to call.

FCHS will have a half-price sale on Quarterlies during the entire month of July. During the Round Barn Festival new members will receive two free Quarterlies of their choice, in addition to the regular Quarterlies brought by membership.

Refreshments were served to the 57 persons present by Bertha Waltz, Linda Pugh, and Shirley Willard.

The next meeting will be June 20. Jerry Wise of Peru will show slides of the Frances Slocum Trail before the reservoir was built.

Nursery School graduation held at Akron

On Thursday, May 26th, the Akron Nursery School held a special Graduation and Promotion Ceremony. The graduates, Eric Brown, Reggie Burns, Travis Haynes, and Jarrod Morgan were presented with a diploma. Promotion Certificates were presented to Amanda Drudge, Marc Ellenwood, and Ryan Fall. The program opened with the pledge of allegiance. The children then sang "Baa Baa Black Sheep." The younger children presented a finger play entitled "Baby's Ten Soldier," and the older children sang the "ABC" Song.

The Play "Goldielocks and the Three Bears" was enjoyed by everyone. Concluding the program was a special ceremony with the children in graduation hats and they received their diplomas and certificates.

Mrs. Cathy Anton and her daughter, Annie, Chicago, were two special guests and helpers during the program.

Both teachers were very surprised and proud to receive flowers to wear from the children. The children also presented to the teachers a very beautiful green plant.

Refreshments were enjoyed by everyone.

TAKEN FROM THE MENTONE NEWS JUNE 5, 1968 15 YEARS AGO

Members of the Mentone Lions Club and the Chamber of Commerce met jointly Tuesday evening at Teel's Restaurant, where they heard State Senator William Erwin speak on current topics of interest that included civil rights and the war in Vietnam. A question and answer period followed his talk. Robert Hibbschman, the program chairman, introduced the speaker.

Kip Hammer, son of Mr. and Mrs. Zanna Hammer, will enter the U.S. Navy next week and will take basic training at Great Lakes Naval Training Center. He is a graduate of Mentone High School and attended Purdue University for the past three years.

Mr. and Mrs. Lloyd Bowerman entertained twenty-five friends and relatives with Sunday dinner. The occasion was in honor of their son, Bill Bowerman's Confirmation.

Phi Eta Sigma, freshman scholastic honorary fraternity, recently initiated 130 new members at Purdue University.

New initiates from this area were Daniel A. Murcia, Rt. 1, Mentone and Gary J. Whittenberger, Akron. To qualify for membership, a freshman must achieve a semester grade index of at least 5.5 points out of a possible 6.0.

An electric car, called the Mars II, was on display Friday in Rochester. The car, owned by Public Service Indiana, is an experimental model and is being developed in the interest of fumeless transportation and prevention of air pollution common with internal combustion engines. It has a maximum speed of 60 miles per hour and the car's driving range is 70-120 miles. The cost of electricity to operate Mars II has been very low, approximately one cent per mile.

Mr. and Mrs. Ed Bucher spent

NOTICE TO BIDDERS. Notice is hereby given that the Board of School Trustees of the Tippecanoe Valley School Corporation, Kosciusko & Fulton Counties, Indiana, will meet at the Administration Office of the Tippecanoe Valley School Corporation, SR 19, Mentone, Indiana, on June 23, 1983, at the hour of 7:30 p.m. (EST) and at said time and place will receive sealed bids and let to the best bidder therefore the following described warrants:

Temporary Loan Warrants in the anticipation of taxes levied and in course of collection for the General Fund up to the amount of \$420,000.00; the Debt Service Fund up to the amount of \$136,000.00; the Transportation Fund up to the amount of \$105,000.00, dated as of date of delivery thereof to the purchaser, said warrant or warrants to be in the denomination or denominations requested by the purchaser; to mature on December 30, 1983 and to bear interest at a rate not exceeding 10% per annum (the exact rate to be determined by bidding); payable at the Akron Exchange State Bank, Akron, Indiana.

Bidders for these warrants will be required to name the rate of interest which the warrants are to bear, not to exceed 10% per annum. Such interest rate must be in multiples of 1/8th or 1/10 of 1%, and not more than the interest rate shall be named by each bidder, the warrants will be awarded to the best responsible bidder. The best bidder will be the one who offers the lowest net interest cost to the school corporation to be determined by computing the total interest on all of the warrants to their maturity and deducting therefrom the premium bid, if any. The right is reserved to reject any and all bids, and to waive any irregularities. Each bid shall be accompanied by a certified or cashier's check in the amount of one per cent of the bid payable to Tippecanoe Valley School Corporation, to guarantee the school corporation against default by such bidder in complying with the terms of this notice and his bid.

B.A., a black bear owned by Pam Gordon, seems to be making himself at home in the classroom by claiming this desk and chair. They recently visited the Akron 6th grade class taught by Mrs. Holloway.

Bear cub visits Akron school

The Akron 6th grade class of Mrs. Jeri Holloway were treated to two special guests on Wednesday. Pam Gordon, Tipton, delighted the children by bringing one of her animals, B.A., to visit the children. B.A. is four-month-old Black Bear. Ms. Gordon has a farm in Tipton and raises many exotic animals which include the bear cub and a Siberian tiger who weighs between 550-600 pounds. They recently had a male full-grown black bear which weighed approximately 500 pounds. She said that the cub had been recently weaned from a bottle and now eats puppy chow. The cub currently weighs 200 pounds. When on the bottle the cub would go through 7-8 bottles of formula a day. The cub was taken from its mother when only 5 days old because of a fire, and if it were still in the wild would be just coming out of hibernation. She explained that an adult bear can lift up to 1,500 pounds with its jaw alone, and that its front

paws are very, very strong. She also told of how they trained and tamed the cub and also the other animals they had on the farm. She explained that no matter how much training a wild animal is given, there is always a chance and danger that the animal will turn on you and possibly hurt or kill someone. It is the instinct of any wild animal. She explained that they are especially temperamental and protective when they are eating their food.

B.A. came from Ohio and is a resident in Pam's home. She says he is really just like a baby - he requires 24 hour supervision and watching and is also in the process of being potty trained. When B.A. was born she says he was the size of a rat and had no hair. Two of the foods that B.A. is especially fond of are strawberries and bananas.

Pam let B.A. run around the classroom (he had a muzzle on for pre-caution) and he roamed around, investigating every box, wastebasket, and corner he could find. He even climbed a desk and chair to find some cookies that he smelled and after doing a few tricks he was rewarded with the cookies.

CREDIT CARD FRAUD

More than \$1 billion is lost each year to credit card fraud, with banks, merchants and consumers bearing the cost of an explosion in card counterfeiting and unauthorized use of account numbers, a Senate Banking subcommittee was told recently.

Robert Dederick, Commerce Undersecretary, on recovery:

"The ground work has been laid for still another output advance in this period just ahead."
