Beaver Dam school awaits its fate

The fire loss, time and neglect have combined to make the Beaver Dam school a hollow shell. Peeling paint, rotted stairs and broken glass combine to give the old building a forboding atmosphere. It stands empty now, waiting the final stroke that will level it some time this week, weather permitting.

THE BEGINNING OF THE END of the Beaver Dam school came this week as work on leveling the building began. Although Name Concrete Service of Kokomo, the contractor hired to level the building, has been unable to do anything except preliminary salvage work, there are several gaping holes in the building and the cornerstone has been removed. The company hopes to begin leveling the building either Friday or Saturday, they said when contacted Wednesday afternoon.

Akron's Little Twirlers Add Color

Adding color to several of the Akron home games and local club meetings this year have been the little twirlers coached by Mrs. Sharon Dillman, a licensed United States twirling teacher and judge from Macy.

The little girls are taught the basics of twirling and will have a background for future twirling activities.

Chili Supper Is Friday Night

The chili supper at the Mentone Town Hall is Friday, March 6, instead of Saturday, March 7 as advertised in last week's paper.

High School Twirlers are, left to right, front row: Linda Beasley and Sherri Miller. Second row: Vicki Curtis, Brenda Miller, Debbie Beasley and Jan Gearhart. Linda and Sherri are the Sharon Corps' featured twirlers. Vicki, Brenda, Debbie and Jan are high school twirlers.

Old school buildings don't really die. In the case of the Beaver Dam school, they are carried away, piece by piece.

Announcement that Name Concrete Service of Kokomo would begin work this week on leveling the building brought a flurry of souvenir hunters who have carried off some pretty weight souvenirs.

The Kosciusko County Sheriff's Department was called to the scene once but made no arrests as the exodus of memory-laden material began.

The old building is about as empty as a building can get right now as it awaits the final blow some time this week.

Sing Out Group Coming

Tonight, Thursday, March 5, at 7:30 p.m. in the Mentone United Methodist Church, the Sing Out group from Kosciusko Co. will give a musical program. The Burket United Methodist Church is sponsoring the event.

Everyone is invited to attend this service.

AKRON MUSIC STUDENTS WIN IN STATE CONTEST—

The Akron music students who recently won first place in the district music contest went on to the state contest where they received top honors. Charla Gast, front row left, won second in percussion ensemble and Margaret Hill, right, won first in clarinet solo. Also, back row: Tom Henderson, second in percussion ensemble and Rick Martin second in percussion ensemble and second in percussion solo. The state contest was held at Butler University.

LETTERS to EDITOR

Box 1383
Avon Park, Fla.

Dear Sir:

Please mail me two copies of Basketball Hy-steria in Feb. 19th issue. I got a big kick out of seeing the 1912-13 team in the home town paper. I have a vision of Editor Shesler going by our home, white mustache slightly stained with the tobacco stub of a much used cigar.

I believe Forrest (Skinny) Higgins and I are the only ones left of the 12-13 team. When you get in the Arter Drug Store, say hello to Earl from Jiney! Send me bill for the papers. Thanks for bringing some pleasant memories of too long ago.

Sincerely,
Claude E. Wade

NOTE: We are glad to comply with your request, Mr. Wade, and are glad that you, like many of our other readers, enjoyed that special issue.

Area native rules in Chicago 7 trial

The Chicago 7 trial in Chicago gained local favor last week when the matter of bail for the seven was turned over to Appeals Court. Judge Luther M. Swygert, formerly of the Akron area, was the chief judge who signed the ruling that the seven could go free on bail. Judge Julius Hoffman had denied bonds on the grounds that the seven were too dangerous to be at large and that the appeals would be frivolous. Government attorneys took that position in urging the appeals court to deny bail for the seven men who are charged with dis-

turbing the 1968 Democratic convention in Chicago.

However, the appellate judges of which Swygert is the chief, held that the government's position was without merit and permitted the men to go free on bail, saying as a word of caution, "It should be a sufficient guide to appellants' conduct while enlarged on bail to keep in mind that if it becomes necessary, this

Children Raising

We are witnessing an era of permissiveness in which vacillating pedagogues and parents too often abdicate their decision-making roles, thus forcing their responsibilities to fall upon immature students and children. These young people are growing to adulthood in a culture that has changed drastically in recent decades. Undiluted filth stains great segments of our literary output while the seals of vulgarity, unrestrained sex violence, and brutality are stamped upon much of the material purveyed by our entertainment media. We are witnessing a denial of formerly accepted values. Too many parents preach one thing and practice another while their children, revolted by hypocrisy, reject all values.

The four and half month trial recently ground to a close with more than 22,000 pages of transcript for the appellate judges to study.

Bond Sales Show Drop

Charles H. Rauschke, Chairman of the Fulton Co. U.S. Savings Bond Committee, has received a report revealing that the county's savings bonds sales for January were \$11,841 compared with \$14,301 for the corresponding period of last year.

Indiana sales for January were \$12,636,934 and \$12,987,947 for a like period of 1969—a loss of 2.7 per cent.

Forty of Indiana's 92 counties reported sales gains for the month when compared with sales of January 1969.

with Penny Power

you've been hearing that electronic (or call them microwave) ovens can bake an apple in 2 minutes, cook on paper plates and are expensive.

there's more to it than that. Microwaves are high frequency waves. When they penetrate food they agitate the molecules causing the fric-tion that produces the heat that cooks the food. Microwaves cook so fast because they go through all the food at the same time, not layer by layer like conventional cooking.

microwaves effect materials in different ways. They penetrate and cook food but bounce off metal which is why the inside of an elec-tronic oven doesn't get hot. That means no burned-on spills. Waves go through some ma-terials such as paper, glass, ceramics and boil-able plastics so they can be used for cooking.

translate that into everyday terms. Kids come home for lunch. Stick a hot dog in a bun, put on a paper plate, add a scoop of baked beans and slip into a microwave oven for a few minutes. It's an instant hot lunch with no dishes to wash. Or Dad calls to say he'll be late for din-ner. Put his meal in the refrigerator. When he comes home, reheat it in seconds in a micro-wave oven. It heats so fast it doesn't have time to lose moisture and taste left-overish. Or friends stop by. You invite them to stay for din-ner and follow through with an elegant meal from the freezer via a microwave oven. It cooks while you set the table.

the initial cost of an electronic oven is higher than that of a conventional range but it's still in the same price bracket as a color tele-vision set. Some cook both conventionally and electronically and have a browning element.

HERE COME THE SONG BIRDS BACK

Saturday, the first contingent of robins arrived at Possum Hollow.

Things are picking up. Soon the blue birds, and wrens will be back.

Twenty three years ago, Helen and I planted 200 wind break trees here at Possum Hollow which have become the Community Nesting Home for hundreds of songbirds. Many winter birds such as cardinals, jays and titmice make it their year-round home. The greatest population, however, is the summer birds including the robins just now arriving and returning year after year.

The song bird's life, however, isn't without its troubles. Hoardes of trash birds, including starlings, crows, cow birds, and blackbirds are threatening to take over this nest-ing sanctuary in the spring and in the fall. Soon they'll be arriving by the thousands. Heretofore, we've driven them out of town by shooting in the evening when they come in to nest. The Town Board passed an ordinance last year right-fully illegalizing shooting in town. This was a good ordin-ance since uncontrolled shooting should not be allowed. The board should, however, authorize controlled shooting for the removal where necessary of trash birds and predatory animals when detrimental to the community, welfare, and safety or an equally effective substitute.

We are faced with the total loss of our bird population and the destruction of the trees in which they nest unless a way is found to drive these trash birds, which will soon be ar-riving in black clouds, out of town. The Board has refused a shooting permit for this purpose. Therefore, we are going to try the carbide bird-control gun which has been used on the Whit Gast farms with limited success. If it fails, the town will lose a wild life sanctuary and hundreds of song-birds and become the permanent home of hoardes of trash birds. This windbreak of 200 pine trees is apparently the only tree area in town big enough to support this bird population. I hope you will agree that this short sound disturbance used at dusk when the spring migration starts to arrive is easily worth saving the home of hundreds of songbirds and ridding the town of the predators.

This is a national problem. For example, the Ohio Legis-lature is spending thousands of dollars trying to control trash birds causing millions of dollars in damage.

Since this songbird and wildlife tree sanctuary is the nesting and feeding grounds for hundreds of birds in Akron, we believe it is of community interest and benefit. If it is destroyed as the trees on our streets are being destroyed, we are one more step on the road to becoming a "Rural Pack-er-ton Ghetto" in the words of the February FARM JOURNAL.

Akron Girl Scout News

The regular meeting of Akron Girl Scout Troop 221 was held Monday, March 2, in the Methodist Church Annex. Officers were elected as follows: Melody Conley treasurer; Peggy Bradford, secretary; Darla Geiger, songleader, and Sherri Bickel, patriotic leader.

Plans were made to attend church services as a group next Sunday, which is the beginning of Girl Scout Week. A Girl Scout display will be placed in the window of Day Hardware in honor of Girl Scout Week, March 8-14.

For Girl Scout Thinking day, last week, the girls wrote to shut-ins and to Mrs. Nixon who is head of the Girl Scout Council. They received replies from Mrs. Nixon this week thanking them for remembering her.

DECORATING MADE EASY

By Richard Butler, Director, Sears Home Fashions Council

A friend stopped by the other day to show me the wallpaper she had selected for her 11-year-old daughter's room. When she asked whether I liked it, I replied, "How does your daughter like it?"

"Oh, she hasn't seen it. She's too young to care," she said.

"Then the paper is probably wrong," I said, "because she certainly is old enough to care."

My point is that a young girl's bedroom may well be one of the most important rooms in the house. It's much more than a place to sleep, study, or play. It very much a classroom in taste, and she will remember its influence throughout her life.

That is why I feel strongly that the room should be decorated with the girl's advice and consent. I don't insist that she should be given free rein. But I do insist that she be asked her opinions about color, about furnishings, about style.

When you start to plan your daughter's new room with her, show her first that it is part and parcel of the entire home. Explain that somehow, whether by color or style, it must blend with the whole.

Nothing is more distracting than a bedroom decor unrelated to the others. If your basic color scheme is blue and white, for example, let the blue

continue into her room. Then make it different by mixing it with her favorite colors.

A young girl's colors should always be fresh, not dark or muted. Sophisticated prints have no place here, but the new flat florals and abstract patterns certainly do.

Furniture should not be too juvenile because she will live in this room until her maturity. Some of the best choices are the feminine, white-painted French styles and the contemporary modular units.

Plan storage for her studies and her hobbies. If possible, have an extra bed (a bunk or trundle arrangement in a small room) for the times when a girl friend spends the night.

LICENSE SUSPENSION

Try Sausage-Potato Crown Roast

Family dinners can be easy on the purse, yet attractive and delicious as well. Sausage-Potato Crown Roast is just such a main dish. You'll want to serve it often because no one will ever guess you're pinching pennies.

Sausage-Potato Crown Roast can be made in a hurry. A busy homemaker or career girl can dash into the market on the way home, pick up a package of knackwurst or franks and instant potatoes, and the casserole can be in and out of the oven in about 35 minutes. Serve with a crisp vegetable salad, beverage and winter fruit and cookies.

Sausage-Potato Crown Roast

1 package (12 ounce) knackwurst, mettwurst, wieners, franks or smoked sausage links
1/4 cup finely chopped green or Bermuda onion
3 1/2 to 4 cups hot mashed potatoes (instant or mashed)
1/4 cup shredded Cheddar cheese

Cut sausage links in half lengthwise and crosswise. Whip onion into hot mashed potatoes (cooked instant or fresh mashed). Spoon a small amount of potato mixture over bottom of a buttered 9-inch pie plate or shallow casserole. Stand sausage pieces upright on cut end, cut surface towards center of dish. Fill center with remaining potatoes. Sprinkle cheese over top. Heat to serving temperature in moderate oven (375°F.) about 25 minutes. Yield: 4 servings.

Jolly Good Neighbors Meet

The Jolly Good Neighbors Extension Homemakers Club met recently at the home of Mrs. Ray Hathaway with Mrs. Oscar Bowen as assistant hostess. Twelve members, one guest and two children were present.

The meeting was opened by Mrs. Gerald Parker who read the thought for the month and led the pledge to the flag and the club creed. She also gave the history of the song of the month and led in singing "America."

For meditation, Mrs. Perry Hathaway read Rev. Don Jennings' sermonette "Forgive and Forget" in which he says, "forgetting to forget or being unwilling to forgive dissipates the peace of today and our hopes for tomorrow."

Health and safety remarks dealt with the

Wobbly Hen, discussing the cause and remedy for beri-beri.

Garden remarks said it was time to plant spring shrubs.

The lesson, "Preparations for Home Emergencies," was given by Mrs. Riley Parker who said each homemaker should be prepared to do the right thing at the right time.

Mrs. Perry Hathaway reported the vice presidents' meeting and conducted the business session.

Door prizes were won by Jessie Stickler and Eileen Sands.

The next meeting will be March 25th at 1:30 p. m. at the home of Mrs. Gerald Parker, Road 800 South, with Mrs. Eugene Polk as co-hostess. A seed and bulb exchange will be held.

SILVER LAKE

72 Donate Blood At Silver Lake

Seventy-two persons, 13 for the first time, presented themselves as donors, and a total of 62 pints of blood was collected at the Silver Lake Lions Club Building on Feb. 25, reported Steve Devenney, Blood Program Chairman for the Kosciusko Co. Red Cross.

Fifty six donors indicated they were replacing for the anticipated blood needs of Mrs. Lowell Roosevelt, Warsaw, who is to have heart surgery in March.

A gold one gallon pin was presented to Kay D. Miller, R. 4, No. Manchester; a two-gallon gold pin to Robt. S. Taylor, R. 2, Warsaw, and a three-gallon pin to Donald Ray Harman, Claypool.

Devenney noted that Mr. Taylor, who had made a blood donation in August of 1957, only to be injured critically in a car and truck accident a few days later, came within one number of receiving his own pint of blood. Mrs. Robt. Merkle, who examined Taylor at the blood visit in Silver Lake, was also the nurse called in to care for Taylor at the time of his accident. Mr. Taylor, who is employed at the Owens-Illinois plant, said he feels it is a real privilege to be able to donate, as he personally knows of the life-saving value of blood, having received seven pints the night of his accident.

Chairman of the Day Mrs. Wallace Stouder, Warsaw, was assisted by Mrs. Ed Hoffman, Claypool, as co-chairman. Present also throughout the day was Rev. Kenneth Cohee, pastor of Center United Methodist Church, Lake Twp. representative,

ive, who was in charge of the visit arrangements and recruitment. Township representatives were Mrs. Chas. Heckman, Jackson; Mrs. Ed Hoffman, Clay; Ralph Wrigley, Monroe; and Alton Brunner, Seward.

Uniformed volunteers were Mrs. Howard Horn, Mrs. Oscar Werner, Mrs. Ruth Cecil, Mrs. Eva Cartwright, Mrs. Jerry Carey, Mrs. James Athens, Mrs. I. C. Chapel, Mrs. Jesse Finke, Mrs. Chas. Barringer, Mrs. Jesse Miller, Mrs. Herbert McCleary, and Mrs. Joe Parker. Area ladies assisting throughout the day were Mrs. Forrest Heckaman, Mrs. Clarence Snook, Mrs. Rex Parker, Mrs. Vic Kline, Mrs. Russell Bauer, Mrs. Jennie Harden, Mrs. Karl Parker, Mrs. Jay Parker and Mrs. Robert Carr.

Nurses assisting during the blood visit were Mrs. Leon Poulson, Mrs. Dale Berry, Mrs. Grace Beaman, Mrs. John Chinnorth, Mrs. J. R. Baum, Mrs. Donald Trease, and Mrs. Robert Merkle. The nurses aids were Mrs. Orta Koontz, L.P.N., and Mrs. Frank Montel.

Ralph Frantz, a nine-gallon blood donor, provided the transportation services needed.

Physicians providing coverage through the day included Dr. John Arford, Dr. Geo. Haymond, Dr. Wymond Wilson and Dr. Roland Snider who was the stand-by doctor.

Silver Lake Lions Club members Ernest Brooks, John Teeter, Stewart Lindsay, Owen Frey and Wm. Kneller were in charge of setting up and dismantling the unit.

Take your problems to Church this week — millions leave them there!

A SOURCE OF POWER AND INSPIRATION

The Holy Bible is a rule and guide of faith; a rule book for right living. It is a comfort in times of adversity and tragedy. It is a source of power and inspiration. Within its many books may be found solutions for many of the things in life that perplex and confound us. In short it is a text book for spiritual growth.

However, the Bible is not an easy book to read. To become a source of power and aid it cannot be "Skimmed" over as one often reads a work of fiction. It requires study!

An invaluable aid in getting the most out of your Holy Bible is attendance at church. Moreover, the Bible serves the same purpose to the church goer as a text book serves the student in class. It does more, much more, but this is one of its many uses.

Make use of your Bible and your church. Both will serve you as great bulwarks throughout life.

World Day Of Prayer Is Planned

The Pleasant Twp. World Day of Prayer will be observed Friday, Mar. 6, with a service at 7:30 p.m. in the Laketon United Methodist Church.

Sponsored by the Federation of Church Women of Pleasant Twp., the theme this year will be "Take Courage." This service is meant to stimulate those in attendance to take courage in order to better face whatever the future may have in store. It also provides an occasion for participation in a nationwide offering committed to helping women in other countries to take courage. On this day millions of people will be joining in a bond of prayer spanning six continents, says Mrs. Ben Snyder, R. 1, No. Manchester.

She notes that Mrs. Carroll Patrie, former missionary to Nigeria, will speak on the theme "Take Courage." She will also have with her souvenirs from that country. Special music will be provided by a women's chorus composed of women from all the partic-

ipating churches. The general public is invited.

Officers for 1971 will be Mrs. Fred Thompson, president; Mrs. Don Gearhart, vice president; and Mrs. Ed French, secretary-treasurer. Churches participating will be Ijamsville, Dis-ko, So. Pleasant and Laketon United Methodists, Laketon Wesleyan, Christian and West Manchester Church of the Brethren.

Present officers are Mrs. Ben Snyder, president; Mrs. Fred Thompson, vice-president, and Mrs. Ed French, secretary-treasurer.

World Day Of Prayer Program

The World Day of Prayer Program at Laketon School will be presented by the sixth grade. Those taking part are Rhonda Wray, Keith Kelley, Pat Bishop, Linda Ogden, Donna Cottrell, Clay Gibbs, Joel Ogden, Tom French, Mary Esther Metzger and Steward Cook.

United Lenten Service Set

The United Lenten Service will be held at the Burket United Methodist Church Sunday evening, March 8, at 7:30 p.m. The Darrell Kings will sing and Rev. Garret H. Phillips will preach on the subject "This Day."

Everyone is invited to attend this service.

LTL Meets

The L.T.L. met on Friday night at the library basement with their leader, Gloria Bowen. Shelly Wright conducted the business session as president, Sharon Wright was secretary, Karen Kline was song leader and Mary Jo Schultz was flag-bearer. A piano number was played by Debbie Zimmerman, and a missionary story and a lesson quiz was given by the leader. After the meeting, games and refreshments were enjoyed with Meichelle Geiger, Debbie Ramsey, Sheryl Stafford and Patsy Flohr doing the serving. There were 36 members present.

Beaver Dam W.S.C.S. Formed

In an inspiring meeting Tuesday evening at the Beaver Dam United Methodist Church a new W.S.C.S. society was instituted.

Mrs. Wm. Balmer conducted the opening with congregational singing of "We've A Story To Tell The Nations," followed by prayer. Mrs. Richard Whittenberger sang a solo "How Great Thou Art" and Mrs. W. Worby Clinker of Silver Lake gave devotions.

Mrs. Earl Kuhn, Huntington District president of the W.S.C.S., presided at the installation of officers, giving the purpose of the society and the duties of each officer.

Mrs. Wm. Balmer was installed as president; Mrs. Richard Whittenberger, vice president; Mrs. Ed Bucher, treasurer, Mrs. Worden Perry secretary. Mrs. Frank Cumberland, Mrs. Gerald Smalley and Mrs. Leonard Beigh are the nominating committee.

Each member signed a charter and visitors signed a guest list while Mrs. Hanstra played appropriate organ music.

A social hour was enjoyed later with guests present from Akron and Mentone.

Akron members attending included Mesdames Ernest Smith, Charles Sterk, Geo. Sheetz, Dale Sheetz, Willis Bowen, Daniel Bengston, Walter Waechter, Chas. Yeaman, Tom Hauptert and Earl Kuhn.

Soybeans Increase In Demand

The fact that Europeans are upgrading their diet and eating more meat and poultry has meaning for soybean producers in Fulton County, according to Clem Good, Chairman of the Fulton Co. ASC Committee. An increase in European demand for meals and oil, coupled with prices that allow soybeans to compete favorably in the market, has brought an upswing in soybean exports.

Good cited the latest official figures from the U.S. Department of Agriculture showing a September-December total of 159.4 million bushels of soybeans exported, an increase of 18 percent over the same period in 1968 when shipments were already unusually heavy because of the impending dock strike.

In fact, said Good, U.S. exports of soybeans in November reached a new monthly high of 53.7 million bushels, 1.2 million more than the previous month's record and 3.7 million more than the previous month's record and 3.7 million more than in November, 1969.

Citing the latest figures on exports of soybean meal, the ASC Committee chairman said the October-December total was 1,680,800 tons, up 32 percent over the same period a year earlier. Of the total, 90 percent was shipped to Europe.

Soybean oil exports for October-December were 278.6 million lbs., 7 percent above the cumulative total for the same period in 1968.

MENTONE-AKRON NEWS

The national average price-support loan level for 1970-crop soybeans will be the same as for 1969, \$2.25 per bushel (No. 1 grade, 12.8-13.0 percent moisture) -according to Clem Good, Chairman of the Fulton Co. ASC Committee. He said county price-support loan levels will be announced at a later date and said the county rates will not necessarily be the same as for 1969. Price-support loans for 1970-crop soybeans will be available at the Fulton Co. ASCS Office through May 31, 1971. Maturity date will be June 30, 1971.

Poultry Group Will Meet

A meeting of Northeastern Indiana Poultry Producers will be held March 10 at the Indiana Lawrence Bank at North Manchester. The dinner will begin at 6 p.m.

The program will be concerned with the production of high quality pullets. Speakers will include Vere Cochran, Pullets Unlimited Corp., Portland; John Frederick, General Mgr. of Creighton Bros., Warsaw; Lynn Klopfenstein, of the Huntington Hatchery and Dr. Lee Shrader of the Purdue Department of agricultural economics.

Dinner reservations may be made by calling Don Frantz, Extension Agent, Warsaw, 267-8971.

Irrigation Conference Set

The Michigan-Indiana Irrigation Conference will be held Thursday, March 12, at the Eby Pines restaurant in Bristol. The day long meeting will begin at 9:30 a.m.

The program will include irrigation systems, fertilizing through irrigation, design of systems and waste disposal through irrigation.

Luncheon reservations should be mailed to Eugene Eckrote, Area Extension Agent, R. 4, Box 12, Fairgrounds, Goshen.

You get ALL these benefits ONLY when you choose AMIBEN (TODAY'S NO. 1 SOYBEAN HERBICIDE)

- 1. KILLS BOTH GRASSES AND BROADLEAF WEEDS—**
Today's only full range soybean herbicide.
- 2. GETS RAGWEED, SMARTWEED, VELVET LEAF—**
big broadleaves other herbicides miss.
- 3. SAFE TO SOYBEANS—**
won't injure crop or seed.
- 4. NO WET WEATHER HAZARD—**
safest weed control you can buy.
- 5. NO RESIDUE OR CARRYOVER.**
Out of the soil by harvest.
- 6. FULL SEASON RESULTS.**
Works from planting right through harvest.
- 7. WORKS WET WEATHER OR DRY.**
Apply Amiben when you plant, directly onto freshly turned MOIST soil.
- 8. LIQUID OR GRANULES—**
both equally effective.
- 9. GREATER CONVENIENCE—**Amiben liquid goes into true solution with simple stirring. (No emulsions, slurries, pre-mixing, or agitation.) Granules are dust-free, free-flowing.
- 10. NON-BURNING, NON-IRRITATING TO SKIN—**both liquid and granules. No protective clothing or special handling precautions.
- 11. WIDE RANGE OF SOIL TYPES.**
Follow label directions.
- 12. FULLY PROVED COMMERCIAL—**by farmers, for more than 5 years—in all soybean growing areas.
- 13. WORKS PREEMERGENCE—**Incorporation recommended only when you plant in low soil moisture.
- 14. GREATER ECONOMY—**You can apply Amiben either in a band, over the row, or broadcast. Band applications (plus between the row cultivations) are the most economical* and you get near-perfect weed control where it counts...in the row. No other herbicide gives you such outstanding value for your dollar.

*\$3.10 per acre banded—at 1970 prices for the 2 lb. rate of liquid Amiben recommended for all but the heavy or high organic soils.

NEW BOOKS

AKRON CARNEGIE LIBRARY

THE MAN IN THE YELLOW RAFT by C.S. Forester. This book is comprised of eight stories about life and men who served with the United States Navy during World War II. These stories contain all of the excitement that C.S. Forester fans have come to expect, and what's more, display the author's special love of the sea and his impressive knowledge of seamanship and advanced naval warfare.

THE WOLFING by Sterling North. More than one million readers, here and abroad, laughed and wept as they relived Sterling North's boyhood as related in his best selling memoir Rascal. Nor they will enjoy an enchanting story of a boy and his wolf set in the American Midwest of one hundred years ago.

THE FRENCH LIEUTENANT'S WOMAN by John Fowles. This novel opens the complex Victorian world of the 1860's and 70's to the perspective of time and imagination and allows us to see the image of modern man reflected in the past.

A HIDDEN LIFE by Auran Dourado. This is a quiet, simply told story of a Brazilian farm girl suddenly confronted with a sophisticated environment. This simple but curiously moving tale, conveys great warmth of feeling and a brilliant sense of verisimilitude as it reveals the heart and soul of this "hidden life".

WHEN THE WAR IS OVER by Stephen Becker. This novel is about a small, carefully forgotten fact - and act of shame - the infliction of very probably the last casualty of the American Civil War.

A PLACE IN THE COUNTRY by Sarah Gainham. This

novel is set in Austria in 1946, with fear and superstition, tense with the stirrings of the Cold War. The author reveals in this novel profound insight into human nature, into the weakness, heroism, and capacity for self deception of all human beings.

Pollution Is Meeting Topic

Pollution of the Tippecanoe River is the concern of a group of citizens representing the six counties including Kosciusko, Marshall, Fulton, Stark, Pulaski and White. The group met at Winamac Feb. 24 to discuss mutual problems and opportunities for resource development in the Tippecanoe Valley.

Fred Kuhn, Gary Lyon, Carl Diehl, and Joseph Wilson attended from the Kosciusko Soil and Water Conservation District.

Siltation of Shafer Lake is an acute problem as pointed out by the people from that area. Pollution by industrial wastes and feedlot operations threatens the usefulness and beauty of Tippecanoe for its entire length.

In addition to reducing pollution in the lakes and streams, members of the committee from the various counties voice the need to provide recreational opportunities along the lakes and river and to develop wildlife habitat which is fast disappearing in this area.

This group will hold its third meeting at Warsaw during the latter part of April to further explore ways of organizing and working together to protect and develop resources for the common good of all the people.

TVSC sells Akron house

The Akron building trades house built during the 1968-69 school year has been sold to John and Virginia York for \$25,258.60, 95% of the appraised value.

During the 1968-69 school year, the building trades classes of Akron and Mentone High Schools built two houses, one at Mentone that recently sold to Francis and Mary Kehoe and the one at Akron. The combined purchase price of the two houses was \$50,232.20.

During this school year, the building trades classes at Akron and Mentone have combined their efforts and are building only one house,

this one in the Saner addition at Akron. The Mentone building trades class works in the morning and the Akron building trades class meets in the afternoon.

Superintendent Robert Forbes said this year's house is nearing completion and should be ready for open house and sale by the middle of May.

Art Lessons To Be Offered

The Fulton County Art Colony will sponsor ten weekly art lessons for beginners starting the last week in March. Included in the courses offered are figure drawing and pastels, oil painting, children's art and ceramics.

Figure drawing and pastels will be taught by C. Lee Jennings, who is president of the Art Colony and who has studied at the Chicago Art Institute and the South Bend Art Center with artist Harold Zisla. He has previously taught several series of classes and did portrait sketching at the 1968 local art show.

Betty Mouglin of Mishawaka will teach oil painting. Until recently she was a member of the staff of the Bremen Art Center. She has painted in the midwest and California and has studied in Mexico. She also has studied with many well-known artists, including Edward Hermann and Zygmund Jankowski. As an artist, she is best known for her polynesian and oil paintings. Her works have been included in many Michiana art shows and are owned by many collectors in this area. She recently opened her own gallery in Mishawaka.

Two classes of children's art will be offered, one for ages 7 to 9 years, and the other for ages 10 to 12. Anita DuBois will teach these classes. Mrs. DuBois, mother of three small children, has had considerable experience in teaching children's art and is co-leader of a Girl Scout troop. The children's art classes will be held in the library basement on Saturdays, beginning March 28. The younger children will meet from 12:30 to 2 p.m. and the others from 2:30 to 4 p.m.

Mrs. Florence Miller will teach ceramics in her home. Her interest in ceramics began several years ago. She has taken courses at the "Y" in So. Bend and has had teaching experience and has her own kiln at her home.

Samples of work done by these teachers will be displayed in the window of the First National Bank in Rochester for the next two weeks.

Anyone interested in enrolling in any of the classes should clip the attached coupon, complete it and mail it to Mrs. Doris Hood, R. 4, Rochester, or call her at 223-6427. Registrations deadline will be March 21.

Lea V. Bybee

NOTE: The following obituary of Lea V. Bybee was composed by his widow from records that Mr. Bybee kept during his busy life:

Lea V. Bybee, who passed on in Ft. Myers, Fla. March 1, 1970, was brought home to Mentone, Indiana for burial Thursday. Mr. Bybee was born on a farm southeast of Mentone September 25, 1893 to Aerial Emma and Hollis Clayton Bybee. His mother's maiden name was Iler. Hollis was the son of Allen and a grandson of Washington Bybee who were early pioneers in the Mentone area.

Beaver Dam school

For many years Old Beaver Dam Has been a beacon light Guiding the steps of boys and girls In paths informed and right. Not always did we heed too well The lessons we were taught By men and women teachers That lives might not come to naught. But common bonds of love and faith Have been United here As children came, and children went Through every passing year. Many generations have hurried down the halls And many serious boys and girls have heard the clarion calls That beckoned them to the world outside Where there was work to do. Because you taught us how to work, Old School, we honor you. Established many years ago, by men with vision keen Who sensed the mighty forces that this old school has been In fashioning the lives of men And women who have passed Beyond those doors, to take their place In areas so vast. There are farmers, teachers, scientists, Businessmen of every kind Doctors and nurses, who offer all To the service of mankind. There are girls who add their beauty work To that of God's Creation And boys, who work for Uncle Sam Defending this great nation. Many have served in foreign fields And seen our flag unfurled In lonely isles or muddy swamps Throughout this whole wide world. In '33, I think it was, and again in '34 Old Beaver Dam cut down the nets And laid them at our door. That surely shook the county up And told the countryside That Beaver Dam was on the map The object of our pride.

Then Consolidation came along And we will all agree That changed the order of our thoughts As they were wont to be. No longer the same Beaver Dam But just another station In the TVS District Quite an alteration. We said "Goodbye" to our old school As we knew it long ago. We've learned the price of progress It is costly, we now know.

When flames broke out; our hearts broke, too, To see our school on fire But the indignation in our hearts Blazed higher and still higher When at the height of the awful blaze And tears were freely flowing An onlooker came upon the scene With attitude quite knowing; And while our dear old building Was a mass of smouldering rubble Was heard to say, "Aw, let it burn-- 'Twill save the school board trouble."

And now the wrecking crew has come According to instruction And with each blow, our hearts are bruised To realize the destruction Of what was once a noble source Of inspiration grand That helped to make and mould our kids The finest in the land.

--Doris Haney

Mr. Bybee's sister, Mrs. Bessie Bybee Clutter, preceded him in death and Mrs. Verna Bybee Nelson lives with her daughter Evelyn Wikstrom in Warren, Mich. Mr. Bybee leaves his widow, Miriam, whom he married in 1935; two daughters from a previous marriage, both of whom are married; two granddaughters and five great-grandchildren, all from California.

Mr. Bybee attended Mentone High School, graduating in 1911. He taught a year at Stoney Point School after taking a summer teaching course at Winona (Ind.) College. He entered the University of Michigan at Ann Arbor in 1912 and

attended two years when he left to go to Montana to improve his health. He taught school in Sutherland Co., 20 miles south of Terry until World War I broke out. He enlisted July 8, 1917 in Miles City, Montana and eventually landed in France via England, with the First Division (the Big Red 1). After being gassed and wounded and recovering sufficiently, he was sent to England where he served with G-2 Corps of Intelligence Police, first in Southampton and then in London where he was when World War I ended. He came home to the U.S. aboard a hospital ship, having contracted T.B. from the gas he received

in France. He spent time at U.S. General Hospital 21, now FitzSimmons Hospital at Denver. His cousin Loa Stoddard and her husband Edward were living there when with Loa's parents, Mr. and Mrs. Loren Manwaring. Mrs. Manwaring was Mr. Bybee's beloved Aunt Cora, his father's sister.

Mr. Bybee had many relatives in the Mentone area as the Blue-Bybee families were prolific. His mother's relatives are still numerous in the area, but only Aunt Bessie (Mrs. Addison Bybee) living in Mentone now and her son Sherman Bybee and his wife live in Ft. Wayne. Clayton Clutter, Mr. Bybee's nephew, preceded him in death and his widow is now living in No. Webster.

Mr. Bybee helped organize the American Legion Post in Mentone 50 years ago. He joined the Masonic Order in Mentone 50 years ago this coming fall. He was in business in California, Montana, Minneapolis, Minn. where he joined the higher orders in Masonry and Zechrah Temple of the Shrine in 1946. He moved to Clewiston, Fla. in 1949 where he built a motel and operated it for ten years.

In 1959 he retired after selling the motel and from then on lived in Ft. Myers, Fla. He joined the Ft. Myers Shrine Club which was under Egypt Temple, Tampa, and was a charter member of Araba Temple, Ft. Myers, which was chartered in 1966. He was active in organizing the temple.

Jolly Janes Are Hosted

The Jolly Janes Home Demonstration Club met Monday night at the home of Alice Hardesty.

The meeting was opened with members singing "America the Beautiful" and repeating the pledge to the flag.

The history of the song of the month, "Go Down, Moses," was read by Phyllis Bowser, and members joined in singing the hymn.

Rosemary Bazzini gave meditations by reading "Easter 1970", which contained thoughts on showing the Easter spirit in each family.

Dorothy Nelson gave health and safety remarks, reminding members not to leave drugs and household cleaning items where small children could get them. She said this is especially true in the homes of grandparents who might

not be used to having children in their home.

The lesson "Protection In The Market Place" was given by Grace Lewis and Becky Gross. Members were urged to read labels of products and to read and keep all warranties and guarantees.

Roll call response was "The first sign of spring you saw."

Dorothy Nelson reported the program planning meeting she attended.

The meeting closed by group singing of the Club Prayer Song and by repeating the collect.

The hostess and her assistant, Rosemary Bazzini, served refreshments to members and two guests, Barbara Shively and JoAnn Ralston, and one child.

Boswell-McKelfresh Vows Repeated

The Prince of Peace Lutheran Church in Martinsville was the scene of the recent wedding of Thomas Joseph Boswell, Akron, and Miss Wendelyn McKelfresh, of Martinsville. Parents of the couple are Mr. and Mrs. Joseph Boswell and Mr. and Mrs. E. H. McKelfresh.

Rev. Daniel C. Bell was assisted by Rev. John Goodwin, brother-in-law of the bridegroom, in conducting the double-ring ceremony before an altar graced with vases of yellow and white mums and candelabra.

Prior to the ceremony, a recital was given by the organist, Miss Lois McKelfresh, St. Francisville, Ill., aunt of the bride.

Miss Susan Springer was the bride's maid of honor.

Attending as best man was Rev. George Hapner, Fulton, a cousin of the bridegroom. Ushers were Don Walters, Ft. Wayne, brother-in-law of the bridegroom, J. R. Loer, Akron, Randall Brian of Indianapolis and Greg McKelfresh, brother of the Bride. Mr. McKelfresh also served as acolyte.

A reception in the community rooms of the Home Building Association followed the ceremony. Assisting were Mrs. John Goodwin, Junction City, Ohio, and Mrs. Don Walters, Fort Wayne, sisters of the bridegroom; Miss Cynthia McKelfresh, St. Francis-

ville, Ill., cousin of the bride, Mrs. John Switzer, Indianapolis, and Miss Doris Baute of Hope. Mrs. Randall Brian, Indianapolis, cousin of the bride, registered the guests and assisted another cousin, Miss Martha McKelfresh at the bride's table.

Following a wedding trip to Gatlinburg, Tenn. the couple will be at home at Country Court, R. R. 10, Ft. Wayne.

The bride is a graduate of Martinsville High School and attended Indiana Central College and Vincennes University. She has been employed by the Indiana Bank and Trust Co. in Martinsville. Mr. Boswell is a graduate of Akron High School and holds an associate degree from Vincennes University. He is a private first class in the Indiana National Guard Co. at Peru and is employed by Magnavox Co., Fort Wayne.

Service Wives Will Meet

The Servicemen's Wives Club will meet Monday, March 16, at 6:30 p.m. in the Red Cross Office at 501 No. Lake St., Warsaw, and from there proceed to the home of Mrs. Claude Tully for a carry-in supper.

All military wives in the area are invited to attend.

Akron Woman's Club Hosts Rochester Club

Twenty five members of the Akron Woman's Club welcomed thirty five members and guests of the Rochester Woman's Club Thursday afternoon for the annual Reciprocity Day.

The meeting opened by

Beaver Dam Club Hears Lessons

The Beaver Dam Extension Homemakers Club met Wednesday evening at the home of Mrs. Carl Eaton who was assisted by Mrs. Waldo Adams.

The meeting was opened by the president, Mrs. Willis Bowen, with the members singing the club song, "America, the Beautiful," and giving the pledge to the flag and repeating the club creed. The song of the month, "Go Down, Moses," was led by Mrs. Richard Whittenberger.

Mrs. Charles Yeaman gave the meditation and Mrs. Waldo Adams gave health and safety remarks. Mrs. Dow Landis described new flower and garden seeds now on the market.

Mrs. Bunner Hosts Club

The Friendly Neighbors Extension Homemakers Club met Thursday afternoon at the home of Mrs. Don Bunner, Mentone.

Mrs. Everett Besson presided and opened the meeting with the singing of "America, the Beautiful" followed by the pledge to the flag and the club creed.

The group sang the song of the month, led by Mrs. M. O. Smith.

Mrs. Herman Olson related that during a severe epidemic of Beriberi in the Orient, scientists discovered the need of Vitamin B-1 in the human diet. She named many vegetables and other foods that contain this vitamin.

Mrs. M. O. Smith, in her garden remarks, told that seaweeds or the growth from lakes placed on the vegetable garden will produce large beautiful tomatoes.

Preparation for a medical emergency was the lesson subject discussed by Mrs. Oral Weich.

Nine members and one guest, Mrs. Chas. Shaffer, answered roll call by mentioning their most dreaded job.

A contribution was given to the Kosciusko Co. 4-H fund in favor of Jon Roberts who has been selected as a 1970 I.F.Y.E., an exchange student from this country, and has been assigned to the country of Panama in Central America.

The meeting adjourned with members singing the club prayer song and repeating the collect.

10 resounding reasons why you should buy a new Chevrolet instead of a new something else:

- 1 Higher resale value.** Year after year. No other car in Chevrolet's field gives you as much back on your initial investment.
- 2 Deep down value.** Exclusives like flush-and-dry rocker panels and an extra set of fenders keep Chevrolet looking good longer.
- 3 Smooth, smooth ride.** Because of Chevrolet's computer selected springs, Full Coil suspension and advanced body mounting system.
- 4 Impressive styling.** The impression is that it's an expensive car, if you want to make an impression.
- 5 Massive interiors.** Result? Room to stretch out or to sit tall. Chevrolet has more front leg room than any other car in its field.
- 6 Side-guard beams.** Chevrolet puts more between you and the outside. Steel beams built into every door.
- 7 A finish that lasts.** It's unfortunate other cars in Chevy's field don't have a Magic-Mirror finish because it sure keeps its shine.
- 8 Exceptional engines.** Chevrolet's standard 350-cubic-inch V8 runs on regular fuel. Plus there are five more engines available.
- 9 Tremendous selection.** Of colors. Of accessories. Of engines. Of transmissions. Of fabrics. And of models. There are nine big Chevrolets alone.
- 10 America's favorite.** Something a new "something else" can't claim. If actions speak louder than words, doesn't this say something to you?

NASA Spacemobile To Be In Area

The Office of State Superintendent of Public Instruction Richard D. Wells urges all students in Adams, Allen, Fulton, Lake, Porter, Wabash and White counties to visit the National Aeronautics and Space Administration's Spacemobile for an informative lecture and demonstration when it travels to their home area between now and the end of March.

Illustrated with scale models, a typical lect-

ure about 50 minutes long covers aeronautics, rocketry, satellites for weather prediction and communications, and the Manned Space Flights including the Apollo program for moon exploration.

Warren G. Helm, the first aerospace educational supervisor appointed for Indiana, has planned the 1970 itinerary for the Spacemobile, which is under the stewardship of Richard

Sinclair, a leader of aerospace education from Youngstown, O.

Locally, the Spacemobile will be at Rochester Community High School at 1:30 p.m. March 17, at Manchester High School at 9:30 a.m. March 18 and at Southwood High School, Wabash, at 1:30 p.m. March 18.

1970 Home Heated With Natural Gas

1930 Home Heated With Coal

Natural Gas' Contribution To Clean Air

Back in the 1930's, almost everybody in northern Indiana heated their homes with coal. This was evident by the many plumes of grey-black smoke rising from their chimneys.

At that time, only 642 NIPSCO customers used gas for heating.

Today, more than 80% of the homes in the cities and towns of northern Indiana are heated with natural gas—a much cleaner fuel than coal or oil.

Clean air is quite a contribution. But not the only one natural gas makes today.

Today's Gas Heating Customers Pay 43% LESS for the Service Than They Did in 1930;

Cost per therm 1930—16.45 cents Cost per therm 1970— 9.26 cents

Natural gas really does the big jobs BETTER, CLEANER and FOR LESS than any other fossil fuel.

Outstanding Farmer Is Named

Philip A. Maxwell, a 35 year-old grain and livestock farmer from Valparaiso, was named Indiana's Outstanding Young Farmer this week at a banquet at New Prairie High School. Second place went to Carl E. Garwood, who operates a fruit, vegetable and grain farm outside LaPorte. Herbert L. Ashton, also a fruit, vegetable and grain farmer, who operates 300 acres outside Alexandria, received third.

As recipient of the Indiana award, Maxwell will be the state's nom-

inee for America's Outstanding Young Farmer award to be named April 8 at Belleville, Ill.

Akron G A A Girls Attend Gymnastic Meet

Approximately 50 Akron High School physical education girls accompanied Jennell Geiger to the District II GAA Gymnastic meet at Jintown High School last Friday evening. Jennell competed in the vaulting event where she placed second and in the tumbling event where she placed fourth. There were six different events including trampoline, uneven bars, free exercise and the balance beam. There were twenty or more girls in each event from nine different schools.

Miss Geiger will compete in vaulting at the state gymnastic meet at Munster on March 21. To compete in the state meet, a girl must place in the top three in each event in her district.

Holy Land Pictures To Be Shown

Rev. Kenneth Cohee of the Silver Lake Center United Methodist Church will show films of his trip to the Holy Land Thursday, March 19, at the Harrison Center United Methodist Church.

A carry-in supper will be served at 6:30 p.m. in the church basement, and the program will begin at 7:30 p.m.

The public is invited to attend this pre-Easter service.

Wonderful World of Golf Seen

Members of the Mentone Lions Club enjoyed a film from the Wonderful World of Golf at their regular meeting at Teller's Restaurant on March 4.

President Lee Bazzini urged members, along with their wives, to make plans to attend the district convention at LaVille High School on the 5th of April.

At a board of directors meeting following the program, it was decided to hold an auction early in June to raise money for activities of the club. Details of the auction will be announced at a later date.

It was also announced at the board meeting that the Mentone Chamber of Commerce, the Anthony Nigo Chapter, DAR, and the National Honor Society of Mentone High School had voted to make donations to the fund to pay the tuition for a student from Mentone High School to attend the Presidential Classroom for Young Americans. Jane Ettinger, daughter of Mr. and Mrs. Wm. Ettinger, Mentone, will attend the class in Washington, D.C. from March 21 to March 28.

Any other organizations or interested persons in the community willing to donate to the fund should contact Wayne Bowser, treasurer of the Mentone Lions Club.

Truth is such a precious article let us all economize in its use.

Will Erwin Will Not Run

William W. Erwin, Etna Green, the 1968 Republican candidate for 3rd District Congressman, has announced that he will not seek the nomination this year.

Erwin said in his announcement statement, "My family and I have examined the situation very carefully. It has been a difficult decision to make because of our belief that the 3rd District needs more effective representation in Washington. My work with national leaders and travel throughout the country as part of President Nixon's Task Force has convinced me that the Administration needs much more reasoning Congressional support."

"We have had much encouragement from our many friends throughout the District, and we thank them warmly for their present support and their help during the last campaign. But, I feel that family and business responsibilities will not permit me to make again the same total commitment of energy and self that I believe the Republican party has a right to expect from their candidate."

"Therefore, I will not be a candidate for the Republican nomination for Congress in the 3rd District this year. I make the announcement now, so that all other interested candidates will have time to file for the primary election to insure that the best possible candidate can be selected to represent the Republican cause this fall."

TVSC board votes one high school

A move towards the establishment of a one high school plan for the Tippecanoe Valley School Corporation was made at Monday night's board meeting when members voted 3-2 to send all high school students in grades 10, 11 and 12 to Mentone. The motion was made by Dr. O.L. McFadden who also asked that necessary plans be made by the superintendent, Robert Forbes, in order that the change could be completed by Sept. 1. Voting for the plan were Richard Goshert, David Burkett and McFadden. Board president Ralph Davis and the secretary Dr. Donald J. VanGilder voted against the plan. McFadden also moved that the law suit pending against the state school superintendent, and the General Commission be dropped. That motion also carried 3-2 with the members voting the same.

Prior to making the motions, Dr. McFadden read the following statement:

The Tippecanoe Valley School Corporation cannot do its best job in educating high school pupils without adding school building facilities.

The state superintendent, Mr. Wells, has told all board members and the superintendent that TVSC cannot build any buildings at all until we agree to have one high school.

The recent lawsuit filed by our attorneys

against the General Commission and Supt. Wells will probably take several years and several thousand dollars to fight. The General Commission does have the right to do what it did and it is doubtful if any judge would ever over-rule the General Commission even if we were to get the case into court, which so far has not been possible.

In the meantime our children's education will suffer as our sch-

ools become more crowded. I do not believe we can win over the State of Indiana. Our own administrators know that it is only a matter of time until we are forced to one high school, but they do not express themselves for fear of reprisal from certain elements in our community. The administrators are considering the curtailing or elimination of the kindergarten program

Akron seeks sewer bids

The Akron Town Board will open bids April 14 for the construction of sewers and a lagoon treatment system.

In announcing the decision at Wednesday's noon meeting of the Chamber of Commerce, town clerk Merrill Kendall said, "The board agrees

this is only the first step towards solving the many problems of Akron. The plans have been approved by the State Board of Health. Any delay or failure at this time would be a severe blow to the progress of Akron."

Blood Bank is Tuesday

The Red Cross Blood Mobile will be at the Mentone gym Tuesday, March 24, from 12 noon until 6 p.m. A quota of 140 pints has been set.

Participating again this year will be students and teachers of the school. The students donate under the Teen Donor program in which they strive to obtain enough donors to make them eligible for

the Teen Gallon award, a citation they have received several times in recent years. To be eligible for this program the student must be over 18 but does not have to obtain his parents' permission. Members of the National Honor Society are assisting with the recruiting for this program.

Continued on back page

AKRON STUDENTS, unhappy at the prospect of having grades 10, 11 and 12 sent to Mentone next year, gathered in the school gym Wednesday afternoon, some carrying signs, but all orderly, to listen as Superintendent of Schools Robert Forbes answered their questions. The decision referred to was the school board's 3-2 vote Monday night that next year there would be only one high school in the corporation. Some of the questions asked Forbes were: How about our class rings? What would the name of the school be? How about the ball team? To each of these, he answered that such decisions would have to be reached later. Also asked were: How can we help the school board reach a decision? They were told the next meeting in April would be to hear anyone who desired to make a statement or ask questions and that board members could be approached individually on their own time. Students asked what would happen to the teachers they now have and were told this would be an administrative decision that would be reached later. One girl asked, "Why can't we vote on whether we stay and be crowded or go to Mentone?" and was told that, as had previously been reported, the state superintendent had said he would approve only one school for the district and that he would not approve locating the school at Akron. The question and answer period followed a short sit-in, but both were considered orderly, and the students returned to their classes. NEWS photo

Mentone C of C plans basket spectacular

The Mentone Chamber of Commerce will sponsor its annual Basketball

Spectacular at the high school gym Friday night, March 20, starting at

We Get Letters

Dear Editor:

The Fowler family gathered for Mother's birthday March 7th, daughter Margaret's birthday March 12 and our 50th wedding anniversary, March 13.

Those present were Mr. and Mrs. Dick L. Martin and Mike and Rosemary, Grand Rapids, Mich.; Mr. and Mrs. Paul Rush, Ann, Barbara and Bill of Syracuse, Mr. and Mrs. Keith Fowler, Ruth Ann and Susan Kay of Ft. Wayne. Saturday evening was the convenient time to meet. A dinner was enjoyed by all at Teel's Restaurant.

It has not all been easy. Except for a loving God and heavenly father who cares, his all sufficient grace in sustaining us, we could not have withstood and for kind friends with an awareness of circumstances which affect us. Those who have extended a helping hand.

There are those who pass by on the other side. Some much more fortunate, they have no intention of extending a helping hand. I guess that's life. We are thankful and appreciate friends who are interested and concerned about our well-being. We appreciate the beautiful and meaningful cards and messages we received. We are a closely knit family even though the children are scattered far away. In all kindness and love.

60 YEARS AGO

Charles Hughes, a young farmer who resides northwest of Warsaw, brought sixty hogs to Warsaw in nine wagons Saturday morning and the nine loads weighed a total of 16,960 pounds. The rate paid was \$9.10 per hundred pounds, which made the sixty hogs worth \$1,543 to the owner. The hogs were in good condition and averaged over 282 pounds each. One year ago hogs were selling in Warsaw at \$6.40.

The township trustees of Indiana are going after the salary proposition with both feet and they declare that when the next legislature meets they are going to be in a different position from what they have been in the past. For a great many years the township trustees of Indiana have been trying to get more salary but usually when the legislatures convened the economy cry has been raised and they have not met with success.

need some extra help around the house? Are you letting your electric range do all it can for you? Things like starting dinner while you are at the PTA meeting, fixing coffee while you catch a few minutes extra sleep, keeping the roast warm while you mash potatoes and grilling pancakes with electric frypan accuracy.

in case you have forgotten WHAT your Electric Living Consultant told you about using your oven's automatic timer, here's an easy-to-remember formula:

W—When do we eat? Set control to stop cooking at the time you want to serve.

H—How long should it cook? Set hours to cook or start button.

A—Automatic—turn set button to Automatic.

T—Temperature—set temperature control.

electric ovens are insulated on all six sides. With electric hold and cook, a refrigerated casserole may be left in an electric oven four or five hours before cooking and a frozen one, eight hours. There's no pilot light heat during the holding time to thaw food prematurely.

there's a reason vegetables should be cooked in as little water as possible: **Most vitamins** are water soluble so less water allows fewer vitamins to cook out. Use a flat bottom pan with straight sides, enough water to cover the bottom, a tight fitting lid and your electric range with its even, repeatable heat.

new electric ranges are "smarter" than ever. Most ovens clean themselves; one rotisserie model boasts an automatic basting brush. Another range has an instant hot water tap. Others offer warming ovens or shelves to keep foods ready to serve. Ah, progress!

Mentone Scouts Have Banquet

Sharon Surface, Peggy Fuller and Annette Reichart led the Mentone Brownies, Girl Scouts and their parents in the Pledge to the flag at the recent Girl Scout and Brownie Banquet.

Girl Scout Tammy Grimm and Brownie Norma Knoop led grace by singing "Johnny Appleseed."

After the meal, the Brownies' program began with the Brownies singing two songs, "Smile" and "Bumble Bee."

The Girl Scouts program included Jackie Walton, Liza Owens and Tammy Stavedahl from patrol 2 singing "Down In The Valley."

Patrols one, two and three gave a fashion show with Cindy Yeiter, Teresa Bentley and Debbie Blackburn narrating the show as the girls modeled.

A puppet show by Robin Secrist and Melva Smith was titled "Rumple Stilk Skin."

Skating badge awards were given to the following girls who took lessons for thirteen weeks to meet their requirements: Debbie Blackburn, Melva Smith, Regina Blankenship, Crystal Ross, Teresa Bentley, Liza Owens, Jackie Walton and Janet Peterson. Each of the girls also received a certificate from their skating instructor.

The girls closed the banquet by leading everyone in singing "Kumby-Ya."

The girls and their leaders expressed their appreciation to Rev. Garrett Phillips for the use of the church.

Anthony Nigo Chapter D A R Hears Conservation Officer

The Anthony Nigo Chapter D A R held its March meeting at the country home of Mrs. Fred Surguy.

Larry Morris, conservation officer for the area, was guest speaker, telling primarily of the water pollution in Kosciusko County and showing colored slides to substantiate his remarks.

He said many residents have been totally unaware of the far-reaching effects of certain types of refuse being allowed to enter the ditches and streams, while others deliberately continue to contaminate them. Much effort is being expended by the Conservation Department and interested individuals to educate the people as to proper drainage procedure in order to protect the health of humans, fish and wild life.

He said the county has a wonderful heritage of beautiful lakes, streams and countryside and that it would be easier and far less costly to pre-

serve them than to go through an extended and sometimes hopeless process to rebuild what has been carelessly or ignorantly destroyed.

During the business session, it was noted that clothing had been sent to the Kate Duncan Smith DAR School in Alabama and the Tamassee DAR School in So. Carolina.

Officers elected for the coming year were: Regent, Mrs. Chas. Tucker; Vice Regent, Mrs. Ray Rush; Chaplain, Mrs. Arthur Brown; Secretary, Mrs. Everett Rathfon; Treasurer, Mrs. Loren Gross; Registrar, Mrs. Ernest Igo; Historian, Mrs. Wayne Smalley and Librarian, Mrs. Walter Lackey.

Mrs. Wayne Smalley gave the national defense report and the DAR resolution was read by Mrs. Surguy.

A greeting card was signed by members and mailed to Mrs. Ray Linn and Mrs. Frank Smith, members of the chapter who are vacationing in Hawaii.

Following the meeting, the hostess and co-hostesses, Mrs. Loren Gross and Mrs. Walter Lackey, served refreshments to members and one guest, Mrs. Orvel Whitesell.

The next meeting will be a joint meeting at the Westminster Hotel, Winona Lake, with the Agnes Pruyn Chapman Chapter as hostess. The

Take your problems to Church this week -

Easter, A Time Of Joy

A noted pastor has said, "the matter of a joyful religion as part of a joyful life has been sadly underrated." Certainly Easter is a season of joy and many people, some who attend infrequently, will flock to church services on that occasion to catch the happiness that prevails at that particular time.

Many do not realize that in church attendance and its activities there is a deep and abiding joy, manifest throughout all seasons of the year. The Church leads the way to a life of gratification by exemplifying the many passages in the Bible calling for joyful expression and living. All this is summed up so well by the author of Ecclesiastes when he wrote, "every man should eat and drink and enjoy the good of all his labor; it is the gift of God."

Yes, there are many joyous occasions in store for those who attend the Church of their faith this Easter Sunday, then religiously throughout the remainder of the year.

TROPICAL TREAT

Many Latin Americans find iguana flesh delicious to eat. It is similar in taste to the white meat of the chicken.

Goshen Players To Be At Mentone

On Sunday, March 22, at 4 p.m., the Goshen College players will give the play "Let Man Live" at the Mentone United Methodist Church.

The college says the play is about death, about the Resurrection, and about the Church. One could call it an attempt to make a strictly contemporary examination of those extraordinary words of Saint Paul: "Since by man came death, by man came also the Resurrection of the dead; for as in Adam all die, even so in Christ shall all be made alive," said P. W. Turner in speaking of the play.

Fellowship Visits Training Center

The Womens Fellowship of the Akron Church of the Brethren met at the Manitou Training Center for retarded children at Rochester for their March meeting.

A brief business meeting was conducted by the president, Mrs. Norma Weaver. Mrs. Edna Mae Shewman gave the secretary's report. Mrs. Velma Holloway was in charge of devotions. She read "Lessons on Everyday Life" which stressed the importance of regular and sincere church attendance. She read scripture from Matthew and offered prayer.

Mr. Scott Savage, director of the Center, and Mrs. Savage showed slides of the building of the Center and the classes in session. He told how donations from various groups have been a great help to purchase various supplies for the school. Mrs. Betty McConkey, one of the instructors told of the work they do with the children. Mr. Savage also mentioned the workshop which they would like to start for the benefit of adults. In this training and work they can be of help to the community and have a feeling of independence.

Everyone should be thankful for this Training Center, an asset to our county.

Mrs. Weaver, hostess, served refreshments at the close of the meeting.

Holy Week Services Set At Akron

The Akron Church of the Brethren is planning Holy Week services as follows:

Palm Sunday, church school at 9:30 a.m. The worship sermon will be "The Majestic Christ."

Rev. William Shewman will be the guest speaker for the 7:30 p.m. Tuesday meeting.

A lovefeast and communion will be held at 7:30 p.m. Thursday.

On Friday, the church will participate in combined Good Friday services at the Akron Church of God.

Easter services start at 6:30 a.m. with sunrise services and a breakfast. Church school will be at 9:30 a.m. and the worship service will be at 10:30 a.m. with the subject "The Majestic Christ."

At each service will be a hymn and worship service as well as special music and a message.

Athens Church Sets Services

The Athens United Methodist Church will have evangelistic services March 22, 23 and 24 at 7:30 p.m.

Rev. John Stoll, professor of Old Testament at Grace College, will be the guest speaker. The organist, pianist, and song leader will also be from the college.

On Thursday evening, at 6:30 p.m., there will be a carry-in supper and Holy Communion.

Newcastle Twp. House Robbed

A house owned by Theodore Lewis, Akron, and located in Newcastle township seven miles southwest of Mentone, was broken into recently and an antique Kimball black walnut organ

was stolen. A trunk was also emptied. Lewis said the front door was broken and the windows were up when he discovered the break-in. He estimated the value at \$150.00.

...but how does it compare to

XL-45?

When a highly advertised new corn variety comes along, farmers are bound to make the comparison: just how does it stack up against XL-45? The sensational performance of DeKalb Brand XL-45 has made it the most popular single-cross in the country. Farmers have found that short, tough XL-45 thrives at high populations, narrow rows and high fertility. XL-45 has some record for big corn yields.

Why AMIBEN is today's No.1 soybean herbicide

Because it gives you, in your choice of liquid concentrate or granules, the broadest range weed and grass control on the market.

Other soybean herbicides are essentially grass killers. AMIBEN™ preemergence weedkiller not only controls a full range of grasses but also, as a bonus, controls a full range of broadleaf weeds. In fact, Amiben controls more grassy weeds and more broadleaf weeds than any competitive chemical you can buy.

Amiben gives you these advantages with safety to your crop (even in wet weather), safety to adjacent crops and to crops you may plant on the same ground next year. Other soybean herbicides may perform well within their own limits, but they are no match for Amiben... the nearest thing to a perfect soybean weed and grass killer that science has yet come up with. That's why more farmers use Amiben than any other soybean herbicide.

Blood

Continued from page 1

All other persons who weigh at least 100 lbs. and who are not over 66 years of age.

The Burket church has a notice pertaining to the blood program that is well to remember: Go to the blood bank for by accident you may be the next needer.

FATHER-DAUGHTER DONORS will be Alton Bruner, Burket, who has donated five gallons of blood and is starting on his sixth gallon, and his daughter, Virginia, a senior at Mentone High School who will donate for the first time. Her donation will be made under the Teen Donor program in which teens who are over 18 may donate. They do not need their parents' permission.

TVSC

to enable them to handle the balance of the students, as did some members of the board.

The TVSC can comply with state requirements without hurting financially. We can have one high school by simply changing the attendance

area and with the same or less cost of operation, but TVSC has accumulated a lot of money, \$1,190,182.75, and we can have new facilities without any substantial debt if the people will support the school board members for one school.

I ask the support of the people for better educational opportunity. We stand for one high school and new high school facilities as we can afford them.

As much as some regret submitting to the state superintendent's will, I feel that we must, to overcome the severe crowding that has developed."

In voting against the action, Davis said he felt the "timing was bad and that another 60 days (until after the May 5 school board election) would have been better."

Dr. Van Gilder said he felt the people at Akron were very pleased to have kindergarten-grade 12 there and that they wanted to keep it that way.

Burkett said something "has to be done", noting that the corporation could not go on indefinitely doing nothing except wait.

Goshert said it was impossible to win a suit of the type that had been filed to which Davis countered, "Money spent for justice isn't money wasted."

OTHER ACTION

In other action, the board handled routine business, heard the financial report, signed teacher contracts for Linda Kay Smith, Joyce Marie Blunar, Phyllis A. Stone, Elizabeth O'Keefe, Ruby Bearss and Eleanor Chamberlain, and authorized trips to San Francisco for the board and superintendent to attend the School Board Association meeting and to So. Bend to attend a school board meeting.

Board members also granted permission to Connie Haney, a 4-H leader, for use of two school buses April 21 for a 4-H skating party.

The sale of the building trades house at Akron was authorized and a discussion on the school calendar was tabled.

Dr. Van Gilder asked that the schools be denied permission to conduct straw votes and similar polling devices prior to May 5 election. No action was taken.

Mrs. Kendall Is Graduate

Mrs. Merrill (Anne) Kendall, Akron, was one of 45 members of the Ft. Wayne Community Schools School of Practical Nursing who graduated recently. Mrs. Kendall, the class president, led the practical nurse's pledge during commencement ceremonies in the R. Nelson Snider Auditorium.

The School of Practical Nursing of the Fort Wayne Community Schools was the fifth practical nursing program established in Indiana. The first class was admitted in 1960. Mrs. Kendall's class was the 25th and brought the total number of graduates to 579. The school functions under the Division of Vocational and Continuing Education with the cooperation of four affiliating hospitals, Parkview Memorial, Lutheran and St. Joseph's hospitals in Ft. Wayne and the Caylor-Nickel Clinic Hospital in Bluffton.

Talma Plans Athletic Banquet

Talma Jr. High School will have an athletic awards program and carry-in supper Monday evening, March 23, at 6:30

p.m. in the school gym. Milk, coffee, bread and butter will be furnished.

Everyone who has participated in athletics this school year will be honored.

Mental Health Group Gives Book To Library

The Mental Health Association of Fulton Co. has presented the book, "The Prison of My Mind" by Barbara Field Benziger to the Akron Carnegie Public Library.

This book is a moving personal account of mental illness written by a layman for the layman. Much of the book remains as the author wrote it in journal form, under extreme duress, in an attempt to hang on to some shred of reality while she was suffering a psychotic depression. Her ability to capture the extreme feelings of hopelessness and terror during this period make this a spellbinding testament. This hauntingly memorable book will move readers toward a greater understanding of loved ones afflicted with mental illness.

"Concerned Citizens" group formed

Twenty five members of the recently formed organization, "Concerned Citizens of TVSC," met Monday night and unanimously approved an immediate action program to block the recent TVSC school board action to

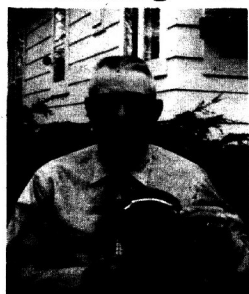

move the Akron High School to Mentone, Indiana as the implementation of a one-school policy and to legally force the issue of the two school public-mandate with the State Superintendent of Public Instruction Richard D. Wells.

Spokesman for the newly formed organization of concerned citizens believe the recent action by the TVSC school board was ill-timed and not taken with the proper consideration for

the needs of the students, teachers and citizens of the community of the corporation.

It is the wish of this organization that all persons interested in supporting this action attend a public meeting at which time the complete plan of action will be presented. A complete statement of committee policy and objectives as well as the time and place of the public meeting will be announced in the next issue of this paper.

Russell Eber is Mentone Outstanding Fan

Russell Eber was honored Friday night as Mentone's most loyal sports fan and was presented a plaque during the Chamber of Commerce sponsored Basketball Spectacular. This annual award is given to the adult sports fan who is determined the most loyal during the year and who shows good sportsmanship.

TVSC Science Fair April 2, 3

The seventh annual Tippecanoe Valley School Corporation science fair will be held April 2 and 3 in the Akron High School gym, according to Wayne Cumberland, director of the show.

Cumberland said exhibits may be displayed by any students in grades K-12 who are enrolled in the school corporation. Project selected from this fair will enter the Regional Science Fair at Manchester College on April 18.

Awards given will include a certificate of participation for each exhibitor, 1st, 2nd, and 3rd place ribbons to

projects worthy of such as determined by the judges, and also medals will be presented to the three best projects in each division as selected by the judges.

Cumberland said the projects will be set up in the Akron gym during the afternoon of April 2, with the judging taking place the same evening.

The awards program will be Friday, April 3, at 8 p.m. The public is invited to view the projects during the afternoon and evening of April 3 and to attend the awards program at 8 p.m.

32 students aid blood program

Thirty two of the 40 Mentone High School seniors who met the eligibility requirement of 18 years of age presented themselves as donors at the Red Cross Bloodmobile Tuesday at the Mentone gym. Principal Ernest Holcslaw and George Welch, guidance counselor, along with the National Honor Society, were in charge of the student and teacher recruitment.

Dwight Bechtol, Kosciusko Co. Chapter Chairman of the American Red Cross, who is a 5-gallon donor, commended the group for sharing in the interest of others, their most priceless gift, a pint of blood. Mr. Bechtol will present plaques to the "Teen Gallon Donors" and to the "Teachers of Teens."

Students presenting themselves as donors included Greg Bollinger, Dan Flenar, Larry Flenar, Larry Fore, Keith Franks, Doug Kelly, Jim Martin, Curt Ousley, Rex Orcutt, John Phillips,

Cam Rathbun, Rick Stave-dahl, Jay Teel, Dale Walters, Ken Washburn, Tim Whetstone, Forrest Chrisman, Sandy Young, Janet Wiard, Doris Truex, Donita Teel, Susie Shirey, Marjorie Murphy, Norma Montel, Peg Long, Kay Lewis, Connie Landis, Mickey Hoover, Kris Hoffer, Annette Hibschan, Pam Harman, Carol Franks, Cathy Decker, Virginia Bruner, Carmen Anglin and Peggy Thompson.

Teachers presenting themselves were Barry Peterson, Geo. Welch, Ernest Holcslaw, Elias Bazzini, Janet Besson, Sharon Mills, Robert Huffman, Fred Hurd, Peggy Fowler, Bonnie Shultzman, and Ellen Taylor.

Others presenting themselves as donors were Mary Hoffman, Howard Hoffman, Harrison Bornman, Alton Bruner, Dale Smith, Lucille Harrold, Larrie Runnells, Rudolph Stegelman, Fred Oden, Lowell R. Moore, Wilma A. Snyder, Steve Devenny, county blood chairman, Dick Boganwright,

Kenny Shepherd, Mrs. Patsy Foreman, L. Voyle Osburn, Paul L. Akron Girls State Delegates Named

Glenda Prater

Glenda Prater, a junior at Akron High School, has been chosen to represent the school at Hoosier Girls State to be held at Indiana University in June. Connie Rans has been named alternate.

Miss Prater, who is on the high honor roll, is a member of the Future Teachers, Health Careers Club, National Honor Society, Pep Club, Spanish Club secretary-treasurer, and the Math Club. She is the daughter of Mr. and Mrs.

Connie Rans

Kyle Prater, R.1, Akron. Miss Rans is a member of GAA, Future Teachers, the Lettermen Club, Pep Club, Sunshine Society, and is an honor roll student. The daughter of Mr. and Mrs. Joe Rans, R. 1, Akron, she spent two weeks last summer in Mexico on the Spanish Club trip.

Sponsoring the girls are three Akron organizations, Las Donas Jr. Woman's Club, Akron Woman's Club and Kappa Delta Phi sorority.

Kendall seeks clerk's job

Akron Clerk-Treasurer Merrill O. Kendall has filed for the Republican nomination for Clerk of the Fulton Circuit Court in the May 5 primary. He will have opposition from Everett Russell who previously filed for the nomination. The office is now held by Ralph E. Stayton who is not eligible for re-election.

Kendall has been clerk-treasurer since 1964 and has headed the board that has worked for a sewage system for the town. He owns and operates the Kendall IGA store in Akron, and he and his wife, Anne, who recently became a licensed practical nurse, are the parents of four children, two sons and two daughters. An active Republican, he is

active also in the Masonic lodge.

Filing for the nomination for prosecuting attorney have been James O. Wells, the Republican incumbent, and John Delworth, a Democrat.

Coplen to run for TVSC board

The filing Monday of Maurice Coplen as a candidate for the Tippecanoe Valley School board from district 5, insures a contest in each of the three districts to elect representatives to the board in the May 5 primary.

Coplen will oppose David Burkett, who is presently a board member, for that seat.

Coplen and his wife Irma are the parents of three daughters, two of whom attend the Akron schools and one who is in college.

Other contests loom in district 3 where Dr. O.L. McFadden and Philip K. Lash seek the seat now held by McFadden and in district 4 where Dr. John McKee and Larry Klein seek the seat now held by Ralph Davis who is not going to seek re-election.

The school board contest will receive impetus this year from the recent board decision to move grades 10-11 and 12 to Mentone next year.

Community Egg Hunt Set

An Easter egg hunt for all children through grade six in the Akron area will be sponsored Saturday, March 28, by the Akron Chamber of Commerce. The hunt will be held at 1:30 p.m. in the Akron park.

Mentone

A community egg hunt, Saturday, March 28, at 10 a.m. will be for all children of the Mentone community. They should meet at the United Methodist Church for transportation to the woods. A film will also be presented.

LETTERS TO THE EDITOR

To The Editor And The TVSC Schoolboard Members (Wherever you are)

Is it any wonder that the students in Akron High, Akron, Indiana, are protesting? We have thought that eventually we would merge into one high school. THIS WE ARE NOT PROTESTING. We are interested in a better education with better facilities. This we are looking forward to; however this will not be the situation when our 10-11-12 goes to Mentone High School.

In the paper, it stated that due to overcrowded conditions we, the students, were being hurt in our education. It sure isn't going to be any better there—the curriculum is the same, and the facilities will be as limited.

How much education will be improved by bus-ing some kids here, then busing our kids there, then is a short time (?) changing again. It just isn't fair...or thought-ful to us. They let us order rings and make our graduation plans.

Sure, the kids will adjust. We can adjust. We've adjusted to an era of drugs, wars, turmoil and chaos. Most of these things, started with adults, have affected our education.

In our schools, the school we have been taught to love and honor, we feel that the student should learn a true democracy. We ask, "Where is it?"

We ask the board members to consider our feelings. Our loyalties cannot be set aside as easily as theirs. Our class, the class of '71, has strived for the goal of our graduation day. Many of our plans are made. Our class rings are well-worn—our allegiance well placed.

COULD THE STUDENTS OF AKRON HIGH SCHOOL BE GIVEN CONSIDERATION ENOUGH TO KEEP OUR HIGH SCHOOL - as is - UNTIL THE NEW BUILDING IS READY? IS IT SO MUCH TO ASK? WOULDNT' YOU WANT THE SAME IF YOU WERE IN OUR SHOES?

Yes, Virginia, there is a Santa Claus...and you can believe there is also a TVSC School Board. No, Virginia, I can't tell you if most of the members are composed of members from the Mentone area. Maybe come graduation day for the class of 1971, we'll know.

Considered Comment

The people in the Mentone area have much in common with the people in the Akron area in the present school crisis.

We, in the Akron area, have many friends in the Mentone area, and we know that they are good people. We cherish and esteem their friendship very highly.

We hope and pray that they feel kindly and considerate toward us, too.

CALENDAR

WEDNESDAY, APRIL 1
Mentone Mothers of World War II will meet at 1:30 p.m. at the home of LaVera Horn.

SATURDAY, APRIL 11
April Showers Supper, Akron United Methodist Church annex, 5 to 7 p.m.

Dear Editor:

We do not operate a greenhouse, however there is a variety of flowers in our home. The Mrs. planted a sprout off a chrysanthemum "I Made It" plant last fall and kept it in the house all winter. It has three pretty yellow blossoms. Also a red lily about ready to bloom in the house. We sure like flowers and enjoy them. The Mrs. sure has a way with flowers. We have many beautiful ones in our yard.

Thank you.

The W. E. Fowlers

THE LAST HALF OF THE 11

by Robert R. Utter
An official ball game has nine innings. Tens of thousands of people have a heart attack each year and to many of them this is the ninth inning, the ball game is over.

I was among the more fortunate, I have survived several attacks so that throws me in an overtime, and up to this time I had contributed nothing to the church or the cause of God so I deserved nothing in return.

So it was the last half of the eleventh, and the score was nothing to nothing, two men down and a full count on the batter, me, three balls and two strikes. This meant I still had one more chance.

The stretch, the pitch, a fast sweeping curve ball that caught the outside corner of the plate, the swing of the bat, a hit, a home run.

In baseball, after you hit the ball all the way out of the park, you still have to run the bases.

Now when I was in my prime, I could run a mile without any trouble but I was sixty years old at this time, and it was going to be quite a struggle. I have just rounded third base and headed for home plate, legs weary and tired, but all of a sudden I hear the cheering section, the angels in heaven shouting, come on, Bob, you can make it, come on, you can make it. This gives me courage, strength and faith.

I'll be crossing home plate soon not with a spectacular slide, but standing up straight and I will be joining the cheering section, the angels in Heaven shouting, come on to those I left behind.

Psalms 10:17

Lord, thou hast heard the desire of the humble, thou will prepare there heart, thou will cause thine ear to hear.

How long has it been since you talked to the Lord and told him your heart's hidden secrets? How long since you prayed? How long since you stayed on your knees till the light shown through? How long has it been since your mind felt at ease? How long since your heart knew no burden?

How long has it been since you knelt by your bed and prayed to the Lord up in heaven? How long since you knew that He'd answer you and would keep you the long night through? How long has it been since you woke with dawn and felt the days worth living? Can you call Him your friend? How long since you knew that He cared for you?

EDITOR'S CORNER

(Guest Editorial)

WOWO recently broadcast part of a letter from a listener who charged that welfare mothers continue to have babies to get larger welfare checks. We now have a response to that letter from a mother of nine in Union City, Ind.

"It is my opinion that only an idiot would bring a child into the world to reap a paltry \$25 a month. That will no more than feed it properly.

Perhaps a poor mother lacks so many of the joys in life known to the rich woman that she compensates by providing herself with a loving baby each year or so. There is great joy in a baby. I should know.

Poor families cannot afford recreational activities outside the home. Who knows, maybe sex has to suffice for a lot of things. These rich women with their outside activities would do well to think how bleak some lives really are.

I do know one thing. If the poor have only one or two children, as prescribed by society, the next generation of rich sons will find themselves conscripted into service. Perhaps the affluent should consider their contribution

to welfare boys as an insurance policy for theirs to keep them out of some involvement."

This has been part of a letter from a mother of nine children in Union City, Ind. We at WOWO think her thoughts are worth considering.

-WOWO, Ft. Wayne.

Statistical Snapshot

When Uncle Sam takes his decennial census photograph of the nation on April 1, every American household will contribute its own uniquely important details, says the U.S. Dept. of Commerce Bureau of the Census. However, it says, no individual household or any of its members can be singled out for viewing because the census bureau takes complete charge of the resulting snapshots which cannot by law be disclosed to any person outside the Bureau for any reason whatsoever.

The Census Bureau says complete anonymity is made possible on the census reports because when the official census form is filled in and returned for processing the name and address are withheld when the other items are fed into the computer. That insures that no person, no family, no housing unit is identifiable in the resulting statistical output.

Just an error

The editor of a small town weekly was severely criticized because of an error appearing in his paper, and in the next issue he had this to say about it: "Yes, we know there were some errors in last week's paper. We will further agree that there were some errors in the issue of the week before, but before bawling us out too unmercifully about it, we want to call your attention to these facts: In an ordinary newspaper column there are 10,000

letters, and there are seven possible wrong positions for each letter, making 70,000 chances to make errors and several million chances for transpositions. There are 48 columns in this paper, so you can readily see the chances for mistakes. Did you know that in the sentence, 'To be or not to be,' by transpositions alone, 2,759,022 errors can be made?

Now aren't you sorry you got made about that little mistake last week?"

60 YEARS AGO

Mr. and Mrs. John T. Wideman came over from Peru last Saturday to remain a while with their daughter, Mrs. Weller and family, until their farm is vacated four miles north of Mentone. Although John is 83 years of age and his wife is a paralytic, yet they want to be on their farm. Mr. Wideman is as active as most men at fifty and as happy as a lark at the prospects of getting back on his farm. No sooner had the car stopped at the station here than he came flying into this office pulling his purse as he came in, yelling like a Comanche Indian for a receipt for a wheel.

If you have a washing to be done and need a girl, call Samuel Smith. If you have a calf to stick, call on Nelson Rader, he has a new knife.

Rochester Daily Republican: Dr. P. L. Ferry of Akron, was in Rochester Monday morning and incidentally met William Williamson with his motorcycle. The Doctor was fascinated with the machine, was allowed to take a little spin down Main street and on his return he wrote a check and then rode home on the motorcycle. Williamson says it was the quickest sale he ever made.

Mr. C. E. Richter sold the banner porker to F. Stoner and delivered her last Friday and received a check for an even sixty-one dollars. The hog was large enough to be called an animal and brought as much as a good horse would back in the 90s and more than two good cows, more than three hundred bushels of corn or about as much as one hundred and fifty bushels of wheat. Did you ever believe that a farmer is not in the rank now that is pleasant and prosperous?

40 YEARS AGO

Probably the most lambs to be in Akron at one time will be here Monday when Earl Barr unloads 600 head at the Erie Stock Yards. The lambs are coming from Chicago.

R. W. Jontz, better known as Dick, has been appointed as postmaster at Silver Lake by President Herbert Hoover and will commence his duties on April 1. He will succeed H. W. Brown, who has been postmaster at Silver Lake for the past eight years and who resigned several weeks ago.

IN THIS HOUSE OF BREDE by Rumer Godden. Philippa Talbot is a successful London career woman turned forty when she feels the call of the religious life. This, then, is a story of the life in an enclosed house of nuns and of the relevance of this contemplative existence to our changing world—a challenging theme.

HISTORY CHURCHES OF THE UNITED STATES by Robert C. Broderick.

THE HEALING POWER OF THE BIBLE by Agnes Sanford.

A DIARY OF PRAYER by Elizabeth Goudge. Prayers and meditations relevant to every aspect of life fill this inspiring volume—prayers, that provide comfort in times of stress and sorrow, strength to meet life's difficulties and challenges, and aid to quiet reflection throughout the year.

GOD IN THE WHITEHOUSE by Edmund Fuller and David E. Green. Some of our presidents came from devout families; some had no formal training; some adhered to traditional teachings; and some developed highly original theories of divinity. This is the story of the faiths of our American presidents.

THE TEACHING OF REVERENCE FOR LIFE by Albert Schweitzer. The six essays in this volume express reverence for life in the most clear, concise and moving terms. The beautifully reflect Dr. Schweitzer's enduring concern for man's humanity.

THE MINISTER by Chas. Mercer. The Minister is a richly satisfying story of twenty-five years in the life of a protestant minister—as it charts the step-by-step evolution of a man of God, living his faith, reaping his reward from the challenges of everyday living.

Gem, Mineral Show Is Set

Isn't it time
you had an **ELECTRIC**
water heater?

How often do you run out of hot water? Which comes first—the family laundry, the dishes, or the family baths? Have you ever had to postpone some of your housecleaning until the water heater "caught up"? You can end your hot water problems by installing an electric water heater, equipped with two quick recovery heating elements. It will provide you with all the hot water you want, when you want it. And since it's electric, you know it will be flameless safe... absolutely!

Baked Alaska Devil Roll

Baked Alaska: Visions of waiters decked out in plumed hats, smartly marching to an orchestra's strains behind a silver platter held high, carrying the elegant dessert.

If this is your image of the magnificent baked and frozen creation, you won't believe that you can turn a simple devil roll - latest in ice cream cake rolls - into a foolproof Baked Alaska. A simple meringue, flavored with coconut, orange and vanilla coats the slices of devil roll, and turns the ice cream and cake into the most splendid dessert.

BAKED ALASKA DEVIL ROLL

| | |
|--------------------------|--------------------------------|
| 4 egg whites | 1/2 tsp. grated orange rind |
| 1/4 tsp. cream of tartar | 1/2 tsp. vanilla |
| 1/8 tsp. salt | 1 devil roll |
| 1/2 cup sugar | Hot fudge or strawberry sauce, |
| 1/2 cup flaked coconut | if desired |

Combine first three ingredients in small beater bowl. Beat until egg whites form soft peaks. Add sugar, a tablespoonful at a time, beating well after each addition. Continue beating until meringue stands in stiff peaks. Fold in coconut, orange rind and vanilla. Place devil roll on board or brown paperlined baking sheet. Spread entire outside surface of roll with meringue, sealing meringue to board or paper. Heat in lower third of very hot oven (475 degrees F.) until delicately browned, 4 to 5 minutes. Return to freezer until serving time. Slice and serve plain or with hot fudge or strawberry sauce, as desired. Yield: 6 servings.

Akron LTL Sees Film

The Akron LTL held its March meeting at the library basement Friday night with their leader Mrs. Gloria Bowen.

The president, Shelly Wright, had charge of the business meeting, and Sharon Wright was the secretary.

Karen Kline led the songs and Patty Doering had a special on the piano.

Mary Jo Schultz was flag-bearer.

An Easter film and missionary story were given by the leader, and after the games, refreshments were served by Michelle and Darla Geiger to 27 members.

A poster-making meeting was held Wednesday night for those in the 4th, 5th and 6th grades with 20 present at that meeting.

The next meeting will be on April 14, and the poster awards will be given at that time.

Eckrich Presents New Film

A 28-minute full-color or motion picture contrasting the by-hand methods of sausage making at the turn of the century with those of modern industry is being distributed by Peter Eckrich and Sons, Inc.

Narrated by nationally famous newscaster Chet Huntley, the film documents activities at Eckrich's processing plants, emphasizing the Remont, Ohio, facility, called by many the most advanced in the meat industry for production of sliced packaged luncheon meat.

The film is available for loan by civic, service and social organizations, women's clubs and school groups without charge. Interested organizations should contact the Eckrich Public Relations Dept., P. O. Box 388, Ft. Wayne, Indiana 46801.

Merry Mollies Have Merry Time

By Emma Lou Hiers
Well, it is time to hear from the Merry Mollies again. We are sure a close group and do everything in cycles. Last year we were pretty busy having babies (at least three of us) and this year everyone is traveling. Maxine Holloway and Frances Mellott have been to Florida and Eva Beele Smith was in Arizona. Who knows where the rest of us will be before the year is over.

Sixteen of us were present at our March meeting held at Faye Whetstone's. Joann Anglin opened the meeting and was in charge. Betty Sarber read a poem, "I Am Fine" (for the shape I'm in). How true it was for all of us and we should all take time to be thankful because things could be a lot worse. We had several reports on committees and some discussions and played some Bingo with prizes going to several. Our guests for the evening were Mrs. Hannah Plant and Jane Whetstone. A very interesting lesson was given by Vi McGowen on protection in the market place concerning warranty labels, etc.

Refreshments were served by myself (By the way, did you hear of anyone being sick the next day?) Everyone was looking for something on their plates. Especially the winner of the door prize. Secret pal gifts were received by Frances Mellott and Oretta Stiffler.

Scout Show

Akron Boy Scouts and Girl Scouts are selling tickets on a door to door basis for a Scout show to be held April 24 and 25 at the fairgrounds in Rochester. They will have booths as a project at the show.

Lacy "Basket Egg Tree" Is Fancy Fun At Low Cost

With a little help from Mom, youngsters can be kept busy on Easter vacation fashioning a "Basket Egg Tree" that will make a lasting and lovely centerpiece or table decoration.

Because it's made from scraps and throw-aways, the cost of the project is very little. All it takes is eggshells, embroidery scraps, thread, transparent tape, glue, a branch, an empty fruit can, plaster and a basket or pot to set it in.

Start by saving eggshells. It's a good idea to break the eggs with a knife, near the smaller end. Use your finger to wash the inside of the eggshells with warm water, and let them dry thoroughly. Reinforce any shells with jagged or cracking edges on the inside with tape. Before you decorate them, attach a hanger thread to the inside of each egg. Use transparent tape, preferably the non-shiny type (Scotch Magic Transparent) so that decorations can be easily glued on top of it. About nine inches of metallic thread make a pretty

hanger.

If your sewing box does not yield enough scraps of metallic braids, velvet ribbons, yarns and pieces of lace, you can buy remnants for pennies at any department store. These, together with glue, tape and imagination, will help your children turn the eggshells into beautiful little basket creations.

While the youngsters are busy decorating the shells, Mom can prepare the "tree." A branch from any tree or bush will do, but dry ones are best. Spray or brush on a flat white or pastel enamel. Mix about two pounds of patching plaster in a clean No. 2 1/2 can, and brace the tree in it until it hardens. Then the can can be set in any handy pot or basket, and garnished with paper hay, foil or clear wrap.

A final touch to the Basket Egg Tree is a nest made from a copper scrubbing pad, into which you place a tiny paper bird. To preserve your creation for next year, save an egg carton in which to pack the shells away.

The entire cost of the project is from \$2 to \$3, depending on what supplies you have on hand. Patching plaster is about 45 cents; non-shiny tape about 49 cents; white glue, about 29 cents; and a can of spray enamel, about 98 cents. If you choose to buy embroidery remnants, you can probably get all you need for less than a dollar.

Riverview Club Plans Projects

The Riverview Scatter Club, which now meets the second Tuesday instead of the fourth Thursday of each month, has spent the past three months planning a quilt project and other projects that could be done in the club. Members have been gathering quilt blocks and are selling Easter ducks and chickens.

Each of the past three meetings has included a craft session in addition to the regular business meeting.

You really don't need to blow out the other person's candle, in order to let yours shine.

Mrs. Kuhn Heads WSCS District

The second annual meeting of the Huntington District Women's Society of Christian Service was held Thursday in Warsaw with Mrs. Earl Kuhn presiding. The theme for this year is "Facing This Hour."

After the prelude by the church organist, Mrs. Everett Perry, and the call to worship by the vice president, Mrs. Earl Bowman, LaFontaine, the meeting was officially opened by Mrs. Kuhn, with Mrs. Lee Pattison, Warsaw, giving the welcome. Reports from the chairmen of the different offices were given.

An election of officers was held with Mrs. Kuhn being re-elected president and Mrs. Earl Bowman, LaFontaine, being re-elected vice president. Mrs. George Merkle, No. Manchester, was named secretary and Mrs. Arley Rickert of Huntington was elected treasurer.

Among other officers elected from this area were Mesdames Dan Urschel, Mentone; Robert Lundy, Robt. Rish and Ralph Linder of Warsaw; John Davis, Roanoke; W.A. Clinker, Silver Lake; Royal Neff of Claypool, and Richard Rahn, Huntington. The officers were installed during the afternoon session by Dr. and Mrs. Robert Fribley.

The Cardinal Bell Ringer, sponsored by the Kosciusko Council for the Retarded, gave a 45-minute musical, and Mrs. Sheldon Duecker gave the prayer before the luncheon.

Mrs. McKee Heads Fulton Co. Federation of Clubs

Mrs. John McKee, Akron, was elected president of the Fulton Co. Federation of Clubs Friday. Other officers el-

ected were Mrs. Lyle Barker, Rochester, vice-president, and Mrs. Winifred Summe, Akron, secretary-treasurer.

The new officers were installed by Mrs. Kermit Biddinger, past 13th district president.

Mrs. Earl Kuhn, a member of the Akron Woman's Club, gave meditation, and Mrs. Wayne Atkinson of the Rochester Woman's Club gave the memorial for deceased members.

Mrs. Lloyd Jefferies, Rochester, out-going president, presented Mrs. Earl Kuhn and Mrs. Delbert Hunter with certificates as the county's outstanding club women of the year. They were chosen by a committee composed of Mrs. Carl Newcomb and Mrs. Tom Hauptert.

Mrs. Jeff Clark, 13th District President, was the morning speaker. Her topic was "Federation Tree."

Afternoon entertainment was provided by Brad Baker and Joan Saltsgriver, music contest winners, and Jolane Shaffer, the county conservation speech winner.

Carl Shafer presented a program on the need to clean up the Tippecanoe River and told what is being done in this line.

Talma Plans Egg Hunt

An egg hunt for all children of the Talma community will be held Saturday, March 28, at 2 p.m. Children should meet at the Talma United Methodist Church.

Olive Bethel Mission Meets

The Olive Bethel Missionary Society met on Thursday afternoon.

Devotions were given by Marie Dawson, who used two articles, "Go Quickly To Tell" and "Mary Magdalene". The prayer was given by Mrs. Bertha White and roll call response was a scripture verse.

The lesson, "China—Progress or Repression" was presented by Mrs. Zella White with the help of four members.

The rest of the afternoon was spent doing needlework.

The meeting was dismissed by Helen Nichols.

Easter Sunday Program Is Planned

Easter Sunday of the Akron Church of God will begin with a sunrise service at 6:30 a.m. Rev. C. J. Mower, pastor from Rochester, will speak and local youth will serve as worship leaders.

Sunday School convenes at 9:30 and a serious effort is being made to reach a goal of 425. In the 10:25 worship service, Pastor Thomason will speak and the Sanctuary Choir will sing.

A 7:30 p.m. Sunday, the film, "The Power of the Resurrection", will be shown. This film is centered around the life of the Apostle Peter and how he finally obtained an unconquerable faith that could not be shaken. Just before he faces death, his final words are full of the power of Christ.

Pastor Thomason extends a warm welcome to friends and members to worship with their congregation Easter Sunday.

If you wish to appear agreeable in society, you must consent to be taught many things that you know already.

Hart, Schaffner & Marx Employees Protest Imports

Nearly 300 women employees of Hart, Schaffner and Marx's Rochester plant demonstrated Thursday morning in front of the Fulton Co. courthouse against imported clothing. They marched around the outside of the courthouse carrying placards reading "Imported Clothing Means Exported Jobs" and "Save Jobs in Rochester—Stop Imported Clothing" and

then assembled on the west walk of the building where they heard addresses by James VanDerWall of the Midwest Regional Joint Board, Amalgamated Clothing Workers of America, AFL-CIO; James Zimmerman, executive secretary of the Rochester Chamber of Commerce; Mayor Harrison Halterman and Robert Peterson, former state senator.

Zimmerman, Halterman, and Peterson voiced support for the women's action and urged them to write to Sen. Birch Bayh, Sen. Vance Hartke, or U.S. Rep. Richard Roudsbush urging them to work for the establishment of quotas on imported clothing.

VanDerWall said the United States has been negotiating with Japan, in an effort to achieve a voluntary limitation on imports and that Japan has told the U.S., in effect, "to go fly a kite." He had that because of this attitude, the only recourse for the American workers is to turn to Congress for a quota on the imports. He said the ACWA is not seeking elimination of imports, but does want restrictions on them.

The much lower labor cost in Japan enable that country to manufacture and sell clothing at considerably lower prices than for American-made goods, and this has cut deeply into the sales of firms such as HS&M, resulting in layoffs and decreased working time.

The local plant employees have voluntarily accepted less work time in order to keep layoffs to a minimum.

interest. Repayments are \$6.00 per month per thousand dollars borrowed. Families making less than \$10,000 and unable to get credit elsewhere may finance homes costing up to

\$18,000.00. More details on this loan and other loan programs are available at the County Office, Room 1, Spohn Building, Goshen, or at the REMC office in Warsaw every Monday afternoon at 1 p.m.

If men lacked faith in their fellow man—there would be no dollar down-and-a-dollar-per-month sales.

Reports

State Farm Losses in 1969

Charles H. Rauschke, who represents State Farm Insurance in the Rochester area, this week received an advance copy of the firm's year end report in which the company's president Edward B. Rust said the company lost \$81.8 million on its auto insurance business in 1969. Investment earnings of \$63.5 million failed to cover that loss and it was necessary to decrease the policyholder protection surplus by \$26.7 million.

Rauschke said it was the first time since 1956 that the company has had to dip into the policyholder protection surplus and only the fourth time in the 47-year history.

Rust laid particular blame on the "delicacy" of the cars on the roads today and the severe cost pressures inflation has exerted on the price of repairing them.

Hereford Group Meets, Elects New Officers

The Northern Indiana Hereford Association recently held its annual meeting at the Steer Inn at Silver Lake.

Paul Brucker, R. 2, Rochester, president, presided at the meeting.

Members were told that the Culp family will have a complete dispersal sale April 4.

Dr. D. C. Pfendler of Purdue University was the evening's speaker.

Officers elected were Brucker, president; Ralph Nelson, vice president, and Dan Awald, secretary-treasurer. Directors elected were Gilbert Beach, Russell Boggs, Walter Schuman, Robert Reuter and Larry Mason.

At the close of the session plans were made for a picnic to be held June 28 at the home of Mr. and Mrs. Oscar Baer of Lake Schaffer.

Why AMIBEN is today's No.1 soybean herbicide

Because it gives you, in your choice of liquid concentrate or granules, the broadest range weed and grass control on the market.

Other soybean herbicides are essentially grass killers. AMIBEN™ preemergence weedkiller not only controls a full range of grasses but also, as a **bonus**, controls a full range of broadleaf weeds. In fact, Amiben controls more grassy weeds and more broadleaf weeds than any competitive chemical you can buy.

Amiben gives you these advantages with safety to your crop (even in wet weather), safety to adjacent crops and to crops you may plant on the same ground next year. Other soybean herbicides may perform well within their own limits, but they are no match for Amiben... the nearest thing to a perfect soybean weed and grass killer that science has yet come up with. That's why more farmers use Amiben than any other soybean herbicide.

TO PROSPECTIVE BIDDERS

Sewers and Sewage Treatment

Town Of Akron, Indiana

The Board of Town Trustees of the Town of Akron, Indiana, will receive sealed bids for furnishing all labor and materials for the construction of Sewers and Sewage Treatment until 7:30 P.M. (EST) on the 14th day of April, 1970 in the Town Hall, Town of Akron, Indiana, at which time and place all bids will be publicly opened and read aloud. Any bids received after the designated time will be returned unopened.

The work for which a Construction Proposal is invited consists of a single Contract for the following work:

Akron Sewers and Sewage treatment
Consisting of approximately 325 LF of 15" VCP, 940 LF of 12" VCP, 14,050 LF of 10" VCP, 3800 LF of 6" VCP, 53 manholes, 1990 LF of 6" C.I. Force Main; one poured in place pumping station; one ejector station; one two-cell lagoon, complete with piping, control structures, chemical building and appurtenances.

Plans and specifications for this work are on file in the office of the Town Clerk, Town Hall, Akron, Indiana. Copies of the plans and specifications may be obtained from Boyd E. Phelps, Inc., Engineers, 1000 Washington Street, Michigan City, Indiana, upon the deposit with said Engineers of Fifty Dollars (\$50.00) for each set of Documents. A refund of Forty Dollars (\$40.00) for each set of Documents will be made by said Engineers to each bidder submitting a bid with each bid deposit to the Board of Town Trustees of the Town of Akron, Indiana, provided the Contract Documents are returned in good condition within Twenty (20) days following the date of opening of bids. Twenty-five Dollars (\$25.00) will be refunded for each of all other sets of Documents submitted in good condition within Thirty (30) days following the date of opening of bids.

Proposals shall be properly and completely executed on the proposal form furnished to bidders, and must be accompanied with executed Non-Confidential Affidavit and Form Number 36-A as prescribed in the Indiana State Board of Accounts for any bid to accompany their bids with a certified check or a satisfactory bid bond executed by the bidder and a surety company in an amount equal to five percent (5%) of their bid.

The Contractor awarded the work will be required to furnish an acceptable surety bond in the amount of one hundred percent (100%) of the Contract price.

Funds for the construction of the project are to be derived from the proceeds from the sale of Sewer Revenue Bonds and a Grant from the United States Government. Awards of Contract will be made contingent upon the receipt of the Grant and sale of such bonds within one hundred and twenty (120) days following the date of signing of the tentative Contract.

Bidders on this work will be required to comply with the President's Executive Order Number 11246.

A U.S. Department of Labor minimum wage scale has been determined for this project and any bids submitted must be based on said minimum wage scale.

The Board of Town Trustees of the Town of Akron reserves the right to reject any or all bids, to waive any informalities in bidding, or to extend any division or part of the work separately.

Accident Report

Johnny Arnett, 19, R. 2, Silver Lake, escaped injury Sunday morning when his auto left CR 100W three miles southeast of Burket and hit a fence. Damage to the fence was estimated at \$40 and to the car at \$50.

At 1:15 p.m. Sunday, a 1966 Ford pickup driven by Michael G. Heltzel, 15, R. 1, Akron, left CR 350S, six miles southwest of Akron and hit two fences and a Fulton Co. REMC pole. Damage to the car was estimated at \$1,500 and to the fences at \$200. Heltzel was charged with driving on a beginner's permit without being accompanied by a licensed driver at least 21 years of age.

A hit and run accident sometime Sunday morning resulted in damage to mailboxes owned by Alvin Ruff and Orval Buckheiser, a telephone pole, and damages to Ruff's yard. Officers said a vehicle going west on SR 14, went off the south side of the highway just west of the Erie-Lackawanna tracks west of Akron.

COURT NEWS

A suit seeking total judgment of \$403,418 has been filed in Kosciusko Circuit Court by John E. Williams, Jr., administrator of the estate of the late Larry Gene Walbrown, and by Darlene Walbrown, the widow, against Jon Steven Hoffer, a minor, and his parents, Frank and Dorothy E. Hoffer, Atwood.

The suit stems from a two-car crash near Atwood on March 16, 1968 in which Walbrown was killed.

The administrator of the estate seeks damages of \$368,418 for funeral expenses, loss of wages and support of the widow and a small child. The widow seeks damages of \$35,000 for loss of companionship.

PLAYING LEADS in the April 23, 24, and 25 Akron High School production of Brigadoon will be Debbie Groninger, a senior, daughter of Mr. and Mrs. Otto Groninger, who portrays Jean and Dean Conner, a junior, son of Mr. and Mrs. Harold Conner, who portrays Charlie. The wedding of Jean and Charlie is in progress when Brigadoon is discovered by playgoers. Charlie sings "Come To Me, Bend To Me" and "I'll Go Home With Bonnie Jean" while Jean's dances portray her happiness in love and sadness in leaving her father.

Brademas Seeks Re-Election

Congressman John Brademas (D-Ind) for the past eleven years U.S. Representative from Indiana's Third District, this week announced his candidacy for renomination in the Democratic primary of May 5 and re-election in November. The Third District includes Elkhart, Kosciusko, Marshall and St. Joseph counties. Brademas, after six terms in Congress, now ranks in seniority in the upper third of the House of Representatives. At 43, he is the second-youngest member of the upper third.

Among the major bills Brademas has sponsored in Congress are the Drug Abuse Education Act of 1969; Older Americans Amendments of 1969; Elementary and Secondary Education Act; Higher Education Acts of 1963, '65, '68; two Vocational Education Acts; International Education Act; Peace Corps Act, and the Cold War G.I. Bill.

Union Good Friday Services Are Set At Akron

Union Good Friday services will be conducted at the Akron Church of God at 1 p.m. Friday with Rev. George Reser, pastor of the Silver Creek Church of God, presenting the message.

Special music will be provided by a trio composed of Mrs. Vance Lytle, Mrs. Richard Slaybaugh and Mrs. Larry Wood.

Churches co-operating in this service are the Athens United Methodist, Akron Church of the Brethren, Akron United Methodist, Akron Church of God and Silver Creek Church of God.

The host pastor, J.D. Thomason, states that

all people in the area are urged to join together in worship commemorating this sacred event.

Files For Office

Continued from page 1

John W. Urbin, a lifetime resident of Kewanee, became a candidate Saturday for the Republican nomination to the Board of Fulton County Commissioners from the Second District, which is composed of Rochester, Henry and Union townships. The post is currently held by Kenneth Luckebill, Akron.

Emory L. Davis, R. 2, Etna Green, has filed for the Republican nomination for trustee of

Harrison Twp.

One Democrat, Charles Eaton, recently filed for the post.

Marvin L. Lowman, of Burket, a Republican, has filed for trustee of Seward Twp., which will create a general election contest with Democrat incumbent Robt. L. Hoffman, R. 1, Claypool, who seeks re-election.

A contest for delegate to the Republican Convention in Harrison 2 has developed with D. J. VanGilder and Kenneth F. Bush, both of Mentone, opposing each other.

Mrs. Mildred Harper will oppose Whitley K. Gast, both of Akron, for the Democratic nomination for delegate to the state convention.
