Citizens register complaints about loose dogs

## Mentone trustees hear meter presentations

Mentone trustees Miriam Boardman, Jim Miller and Wayne Tombaugh listened to salesmen from Water Products Co., Wabash, and Rupp's Corporation, Kokomo, at last Monday's board meeting. Dave Stevens and Earl

Bucher, from Water Products, offered a presentation of Rockwell magnetic-driven water meters, and Tim Rupp, from Rupp's Corporation, represented Neptune water meters.

Although no definite plans have

been made to start meter-replacement, president Miller stated implementation of a replacement program is a major concern of the board.

Clerk-treasurer Kate Whetstone read a letter of resignation to the board from dispatcher Becky Hart. Hart, the wife of Marshal John Hart, has served as police dispatcher for five years, and Miller warmly praised her work.

Trustees signed Ordinance #248, stating no new mobile homes or mobile units can be set within town limits except in designated mobile home courts or parks. The only exception allowed is that the owner of an existing mobile home can replace the home according to specifications established by the Administrative Building Council of Indiana. Home must be replaced

within a 30 day time limit.

In other business: Trustees voted to hire the county dispatcher instead of attempting to replace Hart with another local dispatcher. After an initial cost of \$365, which includes a \$177 connection fee to the county dispatcher telephone, cost of the service will be \$227.67 a month. For Mentone residents, the number to call remains the same, as the call will be automatically transferred. Marshall Hart was instructed to make arrangements for the service.

Two citizens attended the meeting to complain about dogs running loose in town and creating a public nuisance. One woman became quite emotional as she insisted the dogs posed a physical threat to her family. At one point she threatened to take matters into her own hands, and Marshal Hart

informed her the dogs' owner would have the right to prosecute. He also warned it was against town statutes to wield weapons within the town limits. Hart reported to board members he'd repeatedly advised the woman to take her complaints to the county prosecuting attorney, but she's failed to do so.

Trustees accepted Hart's report for the month of February. It included 1,300 miles logged on the police vehicle while answering 23 calls. It also included: eight accident reports, with four investigations; two agency assists; three record checks; two vandalism reports, two title checks; two arrests, 22 traffic citations, and one warning.

The next meeting of the board will be Monday, April 2 at 7 p.m. in the town offices.

## Tax assessment in Henry Township

The assessing for 1984 has started. The trustee's office will be open from 9 - 12 a.m. and 1 - 5 p.m. Tuesday through Friday and 9 - 12 a.m. Saturdays, or you may call 893-4133 for an appointment.

All persons owning, holding or controlling taxable personal property or farm tangible personal property are required to report such property by May 15 of this year. Failure to do so will result in a \$10 penalty. In addition, if a return is not filed within (30) days after such return is due, a penalty equal of 10% of the tax determined to be due on account of the return will be imposed. Provided, that the penalties shall not exceed \$5 where the assessment is less than \$1,000. This includes the following: recreational vehicles; motor homes; travel trailers; pick-up campers; fold-down campers; snowmobiles; trailers; boats; motors; boat trailers; all farmers who have livestock; grain; hay and implements and trucks used for farm work. Farmers must bring their federal depreciation sheets for assessment purposes. All dogs must be turned in or the fee may be applied on your real estate taxes.

## Valley meets Waterloo at Triton

If it's true revenge is sweet, Coach Ned Wicker and the Triton Trojans savored a double victory in last Thursday's win over Tippecanoe Valley in the opening game of the Triton sectional. Although the Vikings grabbed an early lead, they were unable to repeat an early-season, double overtime victory over the Trojans.

Triton senior Curt Anders led the Trojans by scoring 20 points and grabbing 13 rebounds, but it wasn't a one-man show. Junior center Mark Senff added 14 points and junior forward Ryan Meister scored 13 points while guards John Smith, Zak Lemier and Gary Flenar assisted their teammates by successfully executing a spread offense.

Valley senior Greg VanDeWater tallied 21 points, 17 in the second half, before fouling out of the game with 1:53 left on the clock. Shad McConkey added 16 points for Tippecanoe Valley. Senior Dan Boyer and junior Ken Johnson led Valley's 37 - 35 rebounding edge with nine and eight rebounds, respectively.

Anders gave the Trojans their final lead by dropping in two free throws late in the third period to break a 39 - 39 tie. After Valley lost the ball without scoring, Anders then hit a short jumper to end the third quarter 43 - 39. By the end of the final period, during which the Trojans made 11 of 15 free throws, the score was 64 - 55.

Valley hit only 38 percent from the field, making 25 of 66, while Triton hit 21 of 44 attempts for 48

percent. Triton also made 22 of 30 from the charity stripe, while Valley connected for five of nine attempts.

In Friday night action the Warsaw Tigers took a commanding lead early in the game over the Wawasee Warriors. Although the Warriors finally warmed up in the last period, it was a case of too little, too late.

Warsaw senior Marty Lehmann scored 22 points and copped eight rebounds, and 6'4" Rob Randels tallied 15 points and nine rebounds. Junior Jeff Grose, although constantly harassed by Wawasee's Jeff Atwood and Brooks Koble, added 12 points, five rebounds and five assists.

High scorers for Wawasee were Kim Zurcher and Koble, with 16 points each, while senior Jon Vitaniemi tallied 13 points and a game-high 16 rebounds.

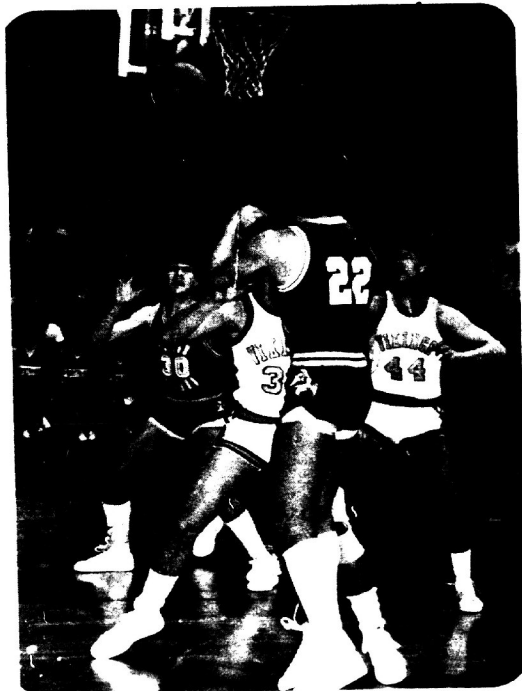

Final score was 63 - 53. Wawasee finished its season at 15 - 6.

The Triton Trojans steamrolled over the Rochester Zebras during the second game Friday, ending the half with a 48 - 26 lead. Although the Zebras tried to come back in the second half, the closest they came was within 11 points, 48 - 37, at the start of the fourth period.

6'1" Ryan Meister scored a tourney-high 28 points for the Trojans, hitting 14 of 18. Curt Anders scored 12 points, becoming Triton's all-time leading scorer with 96 career points. The final score was 75 - 51.

During the final game Saturday evening, the Trojans finally met their match when seventh-ranked Warsaw stopped them with an 82 - 57 title win. The victory gave Warsaw their fourth sectional championship in five years.

The Tigers will play Penn this Friday night at Elkhart in the second game. First game will be played between Plymouth and East Noble.

The citizens of Denver, Indiana, held a big celebration yesterday in honor of Joan Crawford. William and Donald Donaldson, who nitchhiked to Hollywood have been befriended by Miss Crawford, who is sending them through law school in California, and Denver residents are taking this means of showing their appreciation. Every citizen in Denver has been asked to send Miss Crawford a postal card, and the town is also sending her a souvenir. Last year at Christmas Miss Crawford and Franchot Tone took the boys on a shopping trip and bought them new clothes and a radio.

The Beaver Dam Beavers, by virtue of their two brilliant victories Saturday, won the right to play in the state finals this weekend at Indianapolis.

This is the second consecutive victory for Coach Kindy's team at the Auburn regionals and the Beavers, along with Greencastle and Logansport, will be the only ones who were there last year to put in their bid for the crown this season.

The following seniors will graduate from Beaver Dam High School in April: Esther Barber, Lucile Bucher, Ruth Hamilton, Wanda Heighway, Eleanor Lash, Violet Smith, Roberta Taylor, Gerald Bidelman, Frank Cumberland, Joseph Karns, Kermit Leininger, Eugene Marshall and Vern Reid.

W.F. Fox Jr., sports writer for the Indianapolis News, and Tony Hinkle, basketball coach of Butler University, stopped at Beaver Dam Sunday afternoon on a tour which is taking them to every regional winner in Indiana.

Several local members of the PMA attended the ninth annual convention in Chicago Tuesday of this week where over 5,000 members from the Chicago milk shed gathered to discuss problems and hear the annual reports of the officers.

Those from Akron who made the trip were: J.W. Swick, president; Cleotis Smith, secretary;

Robert Hunter; Milo Cutshall, Jay Emahiser; J. Elmer Landis; Claude Billings; Lloyd Halterman; H.D. Smith; A.A. Gast; Hollis Heeter; Mrs. Lester Faulkstein; and Mrs. Norman Swihart.

## Area churches plan Lent worship celebration

The Tippecanoe Valley United Methodist Cooperative Ministries is sponsoring a series of worship celebrations during Lent. Churches participating in this joint endeavor are as follows: Akron, Beaver Dam, Burket, Mentone and Talma United Methodist Churches.

The first celebration is Ash Wednesday, which will be held at 7 p.m. on Wednesday, March 7 at the Talma United Methodist Church.

The Rev. Frank Cramer from the Akron Church will be speaking.

The second service is 7 p.m. Sunday, March 11 at the Akron United Methodist Church, the Rev. P.B. Smith, District Superintendent of the Huntington District will be speaking. The Rev. Smith has served as pastor of the Mishawaka First United Methodist Church and in the North Indiana Conference since 1947.

A third and fourth programs of the Lenten Series will be held at Tippecanoe Valley High School on Thursday and Friday of March 22 and 23 at 7 p.m. The Rev. Whitney Dough will present two hymn dramas. On the first night he will review Fanny Crosby's inspiring life and sing her most beloved songs. On the second night he will give Charles Wesley's dramatic story.

The final and concluding program is set for 7 p.m. Sunday, April 8 at Tippecanoe Valley High School. The Indiana Central Players of Indiana Central University, Indianapolis, will present the "Cotton Patch Gospel." The "Cotton Patch Gospel" is by Tom Key and Russell Tretyz with music and lyrics by Harry Chapin. This program is presented by special arrangement with the Dramatic Publishing Co., Chicago.

## Tree seedlings still available

Orders for tree and shrub seedlings from state nurseries are down this year which means good numbers of the plants are still available at bargain prices.

Pines for windbreaks and erosion control, hardwoods for timber and firewood plantings and fruit-producing shrubs for wildlife are among the selection. Cost for most seedlings is \$5.78 per 100.

For a price list and order form contact your local extension office or Soil Conservation Service.

## LTL meets

The L.T.L. met on Friday night at the Akron Library basement with their leader, Gloria Bowen. During the meeting, Gary Wagoner served as president; Joanna Sagun was secretary; and Stacy Triplet was flagbearer. The leader gave a devotional lesson on Abraham, and a film called "Drugs, kicks or killers." After the game session, refreshments were served by Wesley Shelpman, Sally and Jason Haines to 33 members.

## It Happened in Mentone

### TAKEN FROM THE NORTHERN INDIANA CO-OP NEWS MARCH 8, 1944 40 YEARS AGO

Mr. and Mrs. Oliver Severns, who reside east of Mentone, will celebrate their golden wedding anniversary Sunday when the members of their immediate family gather at their home to spend the day and enjoy a dinner.

Mr. and Mrs. Severns were both born in Fulton County and were married at Rochester, March 10, 1914. They moved to their home east of here in 1916.

The couple have one daughter and three sons: Marie Barkman of Plymouth, Ralph and Lee of South Bend, and Ed of near here. There are ten grandchildren and three great-grandchildren.

The Mentone Reading Club held its anniversary meeting with a six o'clock dinner for fifteen members and three guests at the Westminster Hotel on Wednesday, March 8.

Mrs. Hart and Mrs. Rhodheaver gave a concert of organ and piano selections before and during the program.

Mrs. Moody, who spent three years living in the Philippine Island, very interestingly entertained the club with a talk on her life while in the Philippines.

She had an unusual display of

many articles made by the natives, including a very beautiful native costume.

The committee in charge of this meeting were Mrs. Maudie Snyder, Mrs. Artley Cullum and Mrs. F.B. Davison.

At a meeting of the board of directors of the Northern Indiana Cooperative Association held Monday evening, M. Roy Rush was named secretary of the board. Raymond Lash was named secretary of the board at the first meeting following the annual meeting, however, he was not present at the time and was unable to accept the position due to the many other duties he has.

### TAKEN FROM THE MENTONE NEWS APRIL 8, 1964 20 YEARS AGO

Saturday evening ten Kosciusko Rural Youth members attended a farewell party at the Allen County Extension Office at Fort Wayne. The occasion was in honor of Bob Lortie of Noble County who was to leave Tuesday on an agricultural project to help instruct Venezuelans in better farming methods.

Mr. Kenneth Bush, Mentone School Director of Music, has announced today that the Mentone senior and junior bands and the

Mentone High School chorus are planning on making a long playing record of their repertoire on Tuesday, April 14, 1964. The records are to be sold for \$3.50 each. Patrons who wish to purchase a record may contact any band or chorus member or may call the school office. Students will not be going from door to door to sell the records.

State Superintendent of Public Instruction William E. Wilson has announced that State Senator Robert E. Peterson has been appointed to a seventeen member Advisory Council. He will act in an advisory capacity for improving the educational opportunities for Indiana's youth and adults through vocational and technical education in the public schools.

On April 23 the Mentone High School Band with the High School Triple Trio will play concerts for the Talma Junior High School of the Tippecanoe Valley School Corp. and also will play at Lapaz High School.

A grass fire, late Thursday afternoon, exceeding its limits on the Vern Romine farm extended to the hay field of the Ralph Longs. Four of the 11 acres were burned before being extinguished by the Mentone Fire Department. Ten acres of Mr. Romine's cornfield also burned.

## Walten gives safety tips

### The Whole of Life

Age is a garden of memories, flowers we plant on the way.

And the dewdrops we see on the roses were tears in some far yesterday.

Age is a hand-woven garment with colors both vivid and bright.

And a spot here or there won't be noticed just a sadness that lasted a night.

Age is a tall slender willow lending its song to the air.

And if one small branch is yellowed it dims not the beauty that's there.

Age is a book we have treasured the pages earmarked and worn.

But none of the value is lessened if one little fly leaf is torn.

Age is a cool shady pathway that winds by a murmuring brook.

If one small portion is rocky it's just a detour we took.

Your garden is filled with the flowers of all of the kindness you've shown.

Your hand woven garment holds beauty for all the friends you have known.

The leaves on the tree are not yellowed, but painted with Autumn's gold.

And the book with its verses you cherish has stories the pages can't hold.

## New books at Carnegie Library

New books available at the Akron Public Library are:

**A Family Guide to Estate Planning, Funeral Arrangements, and Settling an Estate after Death** - by Theodore E. Hughes. This book serves two important purposes: it shows the individual who is planning his estate everything he can do to make life easier for his survivors, and it shows the survivors how to proceed efficiently and effectively by being fully informed.

**The Wicked Day** - by Mary Stewart - The author challenges the accepted legends in this stirring and danger-ridden tale featuring King Arthur; Mordred, his son by his half-sister Morgause; her husband King Lot, and their

four unruly sons; Arthur's Queen Guinevere; his trusted friend Bedwyr, and the warring factions that seek to bring down the bastions of Arthur's new confederation of Britain.

**A Month in the Country** - by J.L. Carr - This haunting novel, set in the summer of 1920 is the story of a war survivor who spends a month in the quiet English countryside, living in a church there and uncovering and restoring a historical wall painting.

**My Mother, Golda Meir** - by Menahem Meir - A unique, intimate portrait of Israel's late and beloved Prime Minister, Golda Meir, as only her son Menahem could know and write it.

**Minerva** by Marion Chesney - This is the delightful debut of The Six Sisters, a family saga in six volumes that will recount the romantic adventures of the six marriageable daughters of a country vicar, the Reverend Charles Armitage, in Regency, England. Also, "The Taming of Annabelle" - the second volume of The Six Sisters. The rambunctious Annabelle manages to scandalize society without even trying.

**California Gold Rush: The Diary of Charles H. Harvey** - by Edmund F. Ball - This is the story of the journey of Charles H. Harvey from Ohio to New York and around the Horn by clipper ship and on to the gold fields in 1852.

## Indian Awareness sponsors program

An Indian program will be held March 11 at 2 p.m. in the Civic Center cafeteria, 7th and Pontiac, Rochester, to acquaint the public with the problems of the American Indians today. The program is sponsored by the Indian Awareness

Center, a branch of the Fulton County Historical Society, and the Independent Indian Relief.

Jerry W. Lewis, a Potawatomi from Chicago, will show slides of the Cree Nations in Canada. These are a traditional people living in the

wilderness as their ancestors did.

George Schriker, Plymouth, will perform songs of Potawatomi history which he composed.

Kimberly Blaese, Notre Dame, will tell what it is like to be an Indian today. She is a Ojibway Indian from Minnesota.

Patsy Clark, Rochester, will explain the purpose of the Independent Indian Relief and why they are raising funds to bring Rose Auger from Canada to speak here. Rose is known as "The Woman Who Stands Strong" and is deeply committed to helping the Canadian Indians find meaning and value in life. She established a healing center to help combat alcoholism and other problems.

Tom Ebbing, vice president of the Indian Awareness Center, will explain its purpose and goals. He is from Ft. Wayne and of Mohawk descent.

Demonstrations of Indian bead weaving and the "finger weaving" of ceremonial sashes will be shown.

Indian books on sale at the Fulton County Historical Society will be on display, including Ervin Stuntz's new book, "The Incredible Wheel of Time," which tells of Indian villages, trails and graves in northern Indiana. A new corrected edition of Stuntz's Chief Aubbeeb history will be on sale for the first time.

Dessert and coffee will be available after the program. A free will offering will be taken to benefit the Independent Indian Relief.

The Indian Awareness Center will not have its usual Saturday meeting in March, as this program takes it place.

Menu subject to change without notice. Due to the diets of some people the food is not highly seasoned.

## Barn owls make comeback

The Division of Fish and Wildlife remains very interested in recent sightings of barn owls in Indiana. This bird may be the rarest known in Indiana, with only one active nest recorded in 1983.

A barn owl is not just an owl in a barn. This bird is about 14 inches tall, has a golden brown back and is white underneath with dark spots on the back and breast, dark brown eyes, a round head with no ear tufts and a white heart-shaped face. If you sight one of these birds perched in a barn, silo or similar structure, you'll likely notice it lowering its head and swaying back and forth.

Numbers of these birds have drastically reduced during the past 25 years due to several reasons. Many wooden barns and open silos have been replaced with modern metal structures which do not provide nesting platforms. Draining wetlands, clearing odd areas and maintaining fewer hay fields has resulted in fewer mice which are favored food for these birds. A pair of nesting barn owls is a fine and most efficient means of rodent control, far more effective than barn cats or poisons.

There is hope that populations of barn owls can be recovered. These birds adjust to human activities better than most owls and will use

artificial nest boxes when properly placed. Proper placement requires knowledge of where the birds are located.

Anyone who has observed a barn owl any where in Indiana during the past five years is urged to contact Chris Iverson, Nongame Biologist, Division of Fish and Wildlife, Rt. 2, Box 477, Mitchell, IN 47446.

## North Miami plans early Pre-School Roundup

The dates for preschool roundup are now set for March 27-28 for the Pre-School Roundup at North Miami Elementary School. A procedure which has been followed in past years is to invite preschoolers into the regular kindergarten classes while parents are completing enrollment and orientation procedures. Each prospective kindergarten will be spending 45 to 60 minutes in class with the teacher and present kindergarteners. After enrollment parents will pick up students and return home with them. Two dates and times for enrollment are as follows:

March 27 - 1:30 p.m. and March 28, 9 a.m.

Requirements for enrollment in the fall are as follows:

1. A child must be five years old on or before Sept. 1, 1984.
2. Please bring birth certificate or other proof of birth date with you.
3. Bring a completed record of immunization with you. In case immunization is not completed now it must be completed before September 1, 1984.

4. Immunization requirements consist of shots for tetanus, whooping cough, diphtheria, measles and Rubella, and immunization for polio. A test for tuberculosis is also a state requirement.

If you have a prospective kindergarten student, please call or write to the school so that we have an indication of how many students will be coming and which enrollment date you plan to use. Please call or write before March 23. The school phone is 985-2251.

## Dentistry advances with Occlus-o-Guide

by Lee Ann Hart

Wearing braces can sometimes be an unpleasant and quite often an uncomfortable experience. One out of every 10 children in the United States will have to wear braces.

Dr. Earl O. Bergersen, a professor for 25 years at Northwestern University Dental School, has invented a device called the "Occlus-o-Guide," similar to a football player's mouthguard with an indentation for each tooth.

The U-shaped device is aimed at improving the patient's appearance, but also at heading off the health problems that crooked teeth can cause later in life, including loose teeth, gum disease and tooth loss.

Daniel C. Croner, D.D.S. in North Manchester, has used the Occlus-o-Guide technique on three of his patients since September. "Basically what this technique does, is that it moves the teeth without braces. The plastic mouthguard straightens the teeth.

"The Guide must be worn four hours a day and at night while asleep. The patient puts pressure by biting down on the device for four hours a day. This stimulates growth and eventually the teeth will straighten," said Croner.

Croner listed several advantages to the "Occlus-o-Guide" technique. The first is the economic advantage over conventional

braces. In the three cases Croner has been working on, not one of them has cost more than \$700. Traditional braces can cost anywhere from \$2,000 to \$3,000. Another definite advantage is that the Guide will move teeth more rapidly. The savings in time spent on treatment by using the Guide is nine to 11 months compared to two or three years with braces, according to Croner.

"The ideal patient is a child, 8-11 years old, whose permanent teeth are still coming in," said Croner, although Bergersen has reported success with older people. "I feel the device works best with severe overbite or overjet problems," Croner said.

The only disadvantage Croner listed was that the device is removable. The patient has to devote the time necessary for the device to work. "It requires people to wear it. You can't eat or drink with the device in." The motivation has to be there in order for this technique to work.

On Mon., Feb. 27, "That's Incredible" aired a segment on Bergersen's "Occlus-o-Guide." Although a number of European doctors use the device, Bergersen estimated that only 5 to 10 percent of American orthodontists do so. But according to "That's Incredible" this technique is going to "grow with the profession."

## Wirpel offers recommendations for teacher contract settlement

Sander W. Wirpel, state-appointed fact finder in the Tippecanoe Valley School Corporation and Classroom Teachers Association dispute released his fact finder's report, Sat., Feb. 25, 1984.

The report listed 12 recommendations for settlement when the report was made public.

Wirpel conducted a hearing on Nov. 17 and sent the report to the parties some time later. Negotiators reached agreement on Feb. 9, but the teachers association rejected the agreement. The report then was made public.

The parties have been unable to reach final agreement on 17 items, including salary, teacher association rights, teaching conditions, insurance, sick leave and a grievance procedure.

In his report, Wirpel called for a 6 percent across-the-board increase, retroactive to Jan. 1, with increment and a 6 percent increase in extra-duty pay. The teachers asked for a 14 percent hike and the corporation offered 4

percent.

In the report Wirpel said his recommendation, which was well below the 14 percent increase the teachers requested at the fact-finding hearing, was made due to limited resources of the school corporation and other major language problems which need to be addressed.

Wirpel reported that a grievance procedure culminating in binding arbitration would be recommended. The teachers asked for binding arbitration; the school corporation opposes it.

In Wirpel's recommendations the school corporation should expand payroll deductions for savings bonds and group insurance, but not withhold pay of teachers who are not members of the association to represent a "fair share" dues or fee for the association. The association has asked that non-members be required to pay an amount less than dues to help finance the association; the corporation opposes this.

The association's proposal to

encourage early retirement (after 10 years) of teachers by paying them a lump sum of 1 1/2 percent of final pay times years of service should be adopted. The action is designed to avoid big expenses as teachers reach retirement age. There would be savings over the years because teachers lower on the salary schedule would be hired to replace those taking early retirement. The corporation wants no change.

As for the insurance recommendations, the school corporation increase its annual contribution toward medical group insurance coverage for single employees from \$557.60 per year and for family coverage from \$925 to \$1,100 per year.

No dates have been set for future mediation, and no new proposals have been made to date.

It's not your position that determines your happiness or lack of it. It's your disposition. -Journal, Washington, Ia.

## Obituaries

### Mary Ninios

Services for Mary Ninios, 65, of 1149 Pontiac St., Rochester, were at 1 p.m. Saturday in the Zimmerman Brothers Funeral Home, Rochester, with Father Nicholas Petropoulos officiating. Burial was in the Rochester IOOF Cemetery.

Mrs. Ninios died at 2 a.m. Thursday, March 1, 1984 in Indianapolis Methodist Hospital after an illness of four months.

She was born March 2, 1918 in Trenton, N.J., to Evangelos and Anna Kourea Atessis. She moved here from Chicago in 1949. She was married Sept. 19, 1949 in Chicago to Christ L. Ninios, who died May 9, 1973. She and her husband owned and operated the former Berghoff Cafe in Rochester for many years. She was a member of the Rochester Women's Club and the Greek Orthodox Church, South Bend.

Surviving are a son, Louis, Indianapolis, and a brother, James Atessis, Houston, Texas. A sister preceded in death.

## Block extends programs

Secretary of Agriculture John R. Block extended the sign-up period for 1984 cotton, feed grain, rice, and wheat programs by three weeks, through March 16.

Block also said he has changed summer fallow rules so that the requirements would be the same as they were in 1983 and previous programs. Prior to this action, acreage designated for the 1984 programs could not have been land intended for summer fallow in the current year. Other provisions of the 1984 programs will remain unchanged, he said.

Block said he took these actions to clear away some of the obstacles which made it difficult for farmers to make sound decisions about the programs. Also, many farmers have not been able to finalize crop operating plans including financing and lease arrange-

ments. Since producers must sign a binding contract in the 1984 acreage reduction programs, with liquidated damages for failure to comply, they are reluctant to sign up until their operating plans are more complete, he said.

"Both USDA and private sector analysts say that when most farmers compare these programs with their operating plans, they will find participating is to their advantage," Block said. "This extension will give producers the time needed to weigh the benefits of participating against the risks of no price protection which they would otherwise face."

Block encouraged farmers to avoid a last-minute rush to USDA's Agricultural Stabilization and Conservation Services county offices so that they can better serve each farmer.

## Post office issues conservation stamp

Want a chance to demonstrate your support of soil and water conservation? You've got that chance right now at your local post office.

The U.S. Postal Service recently issued a new twenty cent stamp commemorating soil and water conservation. The Kosciusko County Soil and Water Conservation District (SWCD) is promoting the purchase and use of the new stamp.

You can place your "stamp" of approval on soil and water conservation in this way, according to Myron Metzger, Chairman of the Kosciusko County SWCD Board.

"Those of us who are farmers

can support soil and water conservation by installing resource management systems on our land," Metzger said. "We can apply conservation practices such as conservation tillage, terraces, grassed waterways and others to conserve soil and water. The general public doesn't have this opportunity. Now, however, people can request this new stamp when they buy postage and use it to promote soil and water conservation."

The stamp helps celebrate the 50th anniversary of soil and water conservation. The issuance of this

stamp is just one of many activities planned in 1984 and 1985 to celebrate this Golden Anniversary. Many local, state and national activities will be carried out as part of this observance.

Since this is a commemorative stamp, it will only be available for a short time in limited quantities. Early in 1985, it will be available in a set of stamps for collectors. A booklet will be published explaining the purpose of this conservation stamp and others in the set.

Contact your local post office for more details.

## PSI has another work force cut

Public Service Indiana announced it has cut its work force in the power generation and transmission area by 80 employees.

This reduction includes personnel in the positions of engineers, supervisors, training personnel, office workers and beginning bargaining unit employees at generating stations.

The manning reductions affect 40 employees at Gibson station, 18 at the utility's Corporate Offices in Plainfield, six at Wabash River station, four at Gallagher station, four at the Kokomo office, three at Cayuga station, three at the Wab-

ash Office and two in Traveling Maintenance.

"We recognize that people make the company," said PSI's Senior Vice President, Fossil Power W.E. "Hank" George. "Unfortunately, it's necessary in the Fossil Power department to keep only those people with skills that are absolutely necessary to generate and transmit electricity. Therefore, we're making cuts in training and staff support services which are needed, but unfortunately we must do without because of our present cash-flow situation."

## Manchester receives grant

Manchester College President A. Blair Helman announced receipts of an \$11,500 grant for a scholarship and the evaluation and endowment of the college's special education program.

The fraternal organization, Military Order of the Purple Heart, grant will be used in three components by the college, according to education department chair Dr. Warren K. Garner. Garner explained a \$500 scholarship will be established immediately for a student pursuing degree work in special/handicapped education. \$10,000 will be placed by the college in an endowment to provide future scholarships, library acquisitions and seminars on special education issues. The remainder of the MOPH grant monies will be used in accessing and evaluating the college's current and future special education teaching needs.

Karen Doudt, lecturer of education, serves as coordinator of Manchester College's special edu-

cation program and authored the MOPH grant proposal.

The Military Order of the Purple Heart is a national fraternal organization founded post-World War II as a support group for purple heart (military wounded) veterans. John E. Binnion, spokesperson for the group's scholarship committee, lauded Manchester College for its leadership role in the education of persons to aid the handicapped through personal service and professional leadership.

"The Military Order of the Purple Heart feels certain in our minds that our country and its people must lead the world into a lasting period of peace and freedom. We would want to see this done through leadership and example, such as yours (Manchester College), and not through any type of military, economic or other type of negative pressure. If we can do this," Binnion wrote to the college, "then there will be no more war."

## Common Sense Approach to Energy Conservation

The NIPSCO Speakers' Bureau consists of men and women prepared and anxious to show you some down-to-earth conservation measures—measures which will yield quick energy-saving results at a relatively small cost.

They have the answers to such important questions as:

- What's the single largest energy user in the home next to heating and cooling?
- Are storm windows and storm doors truly cost-effective additions?
- How can worthwhile savings be achieved by minor lifestyle modifications?
- How can we take advantage of passive solar systems?
- What's the optimum payback period for conservation measures?

If you, or your club or group, would like the answers to these and other energy-saving questions, call or write your local NIPSCO office and schedule a NIPSCO speaker.

## LEGAL NOTICES

**ORDINANCE NO. 248**  
AN ORDINANCE REPEALING ORDINANCE NO. 206 PERTAINING TO THE PLACING OF MOBILE HOMES WITHIN THE CORPORATE LIMITS OF THE TOWN OF MENTONE

WHEREAS, the Board of Trustees of the Town of Mentone, Indiana, has decided that it is not in the best interest of the citizens of the Town of Mentone to permit the erection, placing or locating of mobile homes within the corporate limits of the Town of Mentone, Indiana, and that it is in the best interest of the citizens of the Town of Mentone to repeal Ordinance No. 206, an ordinance that permitted the placement of mobile homes within the corporate limits of the Town of Mentone upon compliance with the terms and conditions of said ordinance;

AND WHEREAS, there still lingers the question of the erection, placing or locating of mobile homes within the corporate limits of the Town of Mentone and the repeal of any ordinance in conflict herewith, and constituting a public nuisance;

NOW, THEREFORE, BE IT ORDAINED BY the Board of Trustees of the Town of Mentone, Indiana:

Section 1. That any person, firm or corporation who shall erect, place or locate a mobile home, as hereinafter defined, upon any real estate situated within the corporate limits of the Town of Mentone, Indiana, in other than a mobile home court, trailer camp or trailer court, approved by Indiana State Board of Health, shall be guilty of a Class C Infraction and upon conviction thereof, shall be fined not less than One Dollar (\$1.00) nor more than Five Hundred Dollars (\$500.00) for each and every offense thereof.

Section 2. That notwithstanding the provisions contained in Section 1 above, if any person, firm or corporation who had in place or had located a mobile home upon any real estate situated within the corporate limits of the Town of Mentone on or before Nov. 15, 1981, and for whatever reason such mobile home is removed

## NOTICE OF ACCEPTANCE OF BIDS

The Board of Commissioners of Fulton County, Indiana shall accept bids for a microfilm camera and work station, reader, printer, reader and file cabinets suitable for County purposes in accordance with plans and specifications available in the Office of the Auditor, Courthouse, Rochester, Indiana 46975. Such bids shall be submitted in duplicate and shall be accompanied by a bidder's bond or certified check in an amount equal to ten percent (10%) of the total contract price, including any alternate bids submitted.

Bids will be on State Board of Accounts Form No. 95, and shall include a bidder's affidavit. Sealed bids shall be accepted until 8:00 P.M. E.S.T., March 18th, 1984, and all bids properly received shall be opened at that time in the Commissioners' Room, Courthouse, Rochester, Indiana.

from premises where same was placed or located, that person, firm or corporation shall have a period of thirty (30) days from the date of such removal to replace that mobile home with another one meeting specifications established by the Administrative Building Council of Indiana pertaining to mobile homes pursuant to Indiana Code 8-8-1.5-2, et seq. as amended from time to time.

After the expiration of said period of thirty (30) days, no person, firm or corporation shall have the right to replace such removed mobile home and doing so would constitute violation of this ordinance.

Section 3. Definition: A mobile dwelling unit shall mean living quarters such as house trailers, truck bodies, tents, bus bodies, railroad cars, shacks and improvised shelters which may be moved by tractor, truck, automobile or horse or can be carried, transported or towed from one place to another without the use of regular house moving equipment; that use for such living quarters shall include the acts of sleeping, preparation of meals or any sanitary measure such as bathing, dishwashing, or laundering clothing or any natural or performed operation which provides waste material objectionable from a nuisance standpoint.

Section 4. That each day that a mobile home is so located within the corporate limits of the Town of Mentone, Indiana, shall constitute a separate offense under the terms and provisions of this ordinance.

Section 5. This ordinance does repeal any and all ordinances, or parts thereof, that may be in conflict with the provisions of this ordinance.

Section 6. That the effective date of this ordinance shall be from and after passage and publication thereof in the manner provided by law.

Passed and adopted by the Board of Trustees of the Town of Mentone, Indiana, this 5th day of March, 1984.

Madeline Fisher, Bell Memorial librarian, in the completed reference room. In addition to her pet project of agricultural reference materials, the room has a large selection of materials for students, travelers and trivia buffs. Periodicals, seen behind her on the left, are kept for ten years. Fisher can also supply materials and information to patrons on literally every subject through membership in her ALSA division. ## Bell Library finishes 14-year reference center

Two weeks ago the Bell Memorial Library officially completed a project begun in 1970. Librarian Madeline Fisher was pleased to announce the reference room planned by former librarian Pearl Lackey is finally finished.

According to Fisher, the addition (to the back of the original building) was added in 1970 by Claypool contractor Robert Bowen. At that time, funds were available only for the structure, but Bowen personally furnished paint for the room and old wooden shelving he'd taken from the old Mentone drug store. (The shelving has now been replaced by new metal shelving, and the old wooden shelves have been donated to the Kosciusko County Historical Society.)

Lackey immediately started acquiring reference materials for the new room, but at that time the library was under a severely limited frozen budget. The frozen taxes were broken in the last three years, however, when Harrison Township merged with Mentone and Bell Memorial became a town/township library. The increased revenue enabled Fisher to complete the room and acquire an impressive collection of reference materials.

One of the major new acquisitions are a \$2500 microfilm reader due to arrive this week and a \$1500 microfilm collection of every newspaper ever published in Mentone. (This includes the Mentone Gazette, the Mentone Tri-County Gazette, the Mentone Community News, the Northern Indiana Co-op News and the Mentone News.)

Fisher's pet project for the library is an extensive collection of agricultural reference material. "We're a rural community," she pointed out, "and I've always deeply felt the absence of agricultural materials. It took some doing and a lot of help from Purdue University, but we've really updated our agricultural material. We now have repair manuals for every tractor ever manufactured in the U.S., and I'm still looking for a source of materials for the German-manufactured Steiger tractor and other foreign tractors."

Fisher added she also has an extensive collection of consumer research material not always found in small libraries.

Now that the reference room is completed, Fisher intends to turn some of her attention to updating and improving the Bell collection of materials for young adults, ages 14 - 18.

## May the luck o'the Irish be with ye

When you think of St. Patrick's Day what comes to mind? Leprechauns, shamrocks, the Blarney stone, the color green or maybe Ireland?

Most people know St. Patrick's Day is celebrated on March 17, but many don't know who St. Patrick was or what he accomplished with his life. Some of the legends surrounding St. Patrick include the story of how he charmed all the snakes of Ireland into the sea so they would drown. He was also accredited with planting three-leafed shamrocks in Ireland.

In honor of Ireland, and St. Patrick, we thought we'd set the record straight. St. Patrick is the patron (guardian) saint of Ireland and was chiefly responsible for converting the Irish people to Christianity.

Born in Britain, St. Patrick was captured and sold as a slave in Ireland when he was 16. During his captivity, he dedicated himself to his religion. After six years of slavery, he escaped to France and studied for the priesthood.

As a result of his experiences in

prison, Patrick was determined to convert the Irish, so he returned to Ireland and traveled the country spreading the Christian doctrine. He founded more than 300 churches and baptized more than 120,000 people. He was also responsible for introducing the Roman alphabet and Latin literature in Ireland.

St. Patrick used the shamrock to

illustrate the idea of Trinity, the term used to express the belief that in the one God there are three divine Persons: the Father, the Son, and the Holy Ghost. Many people believe this is how the shamrock came to be the traditional symbol of Ireland.

With this in mind, may the luck o' the Irish be with ye, and don't spread the blarney too thick.

## Future Farmers honor local farm families

The Tippecanoe Valley High School chapter of the Future Farmers of America will again be celebrating National Agriculture Week by coordinating the third annual "Farm Family Appreciation Night." A pancake and whole hog sausage supper will be served free to farm families of the school corporation on the night of March 15, 1984 from 5 - 8:30 p.m. in the high school commons.

The F.F.A. has asked the businesses in the school corporation to

donate funds and labor for this project. This is an attempt by the local businesses and the F.F.A. to show their appreciation to the farm families for their important role in the community and to America.

The high school music department will furnish entertainment throughout the evening. All farm families of the school corporation are invited to participate in the supper and enjoy the fellowship of their neighbors and business friends.

## Burket Day to be Aug. 25

The Burket Day Committee has set Saturday, Aug. 25 as Burket Day 1984, according to Roger Warstler, Burket, following a meeting, Mon., March 5.

Persons wishing to help organize the event or make suggestions may write the committee at Box 31, Burket, 46508.

Plans are already underway for the annual evening auction, and persons wishing to donate items or get more information may call Matt

and Nancy Shafer at 491-3012.

Anyone who would like to reserve a flea market booth or make arrangements for a concession stand should call Audrey Griffiths at 491-3535.

Events scheduled so far include a garden tractor pull, watermelon-eating contest, cutie king and queen contest, citizen of the year contest and appearances by the band, Chaz Creek, and the Hoss Hillis Bowman Archery Club.

## Long, McSherry file for Valley school board

Two incumbent members of the Tippecanoe Valley School Corporation board filed for re-election last week. Current board president Richard Long, Rt. 1, Etna Green, filed for re-election to District 1, and current vice president Fred McSherry filed to run in District 2.

Both men face challenges in their bid for re-election. Linda Oden, 41, of 312 N. Franklin, Mentone, is running against Long in District 1, and Lewis Goodwin, Rt. 1, Clay-

pool filed last week to challenge McSherry.

The third opening on the Valley school board is in District 5, where William Rogers resigned from that post on February 20. The District 5 seat from Newcastle Township in Fulton County, will be filled by the other members of the board at a later date from those applications submitted.

James Royer and Cecil Miller are not up for re-election on the TVSC board.

# Letters To The Editor

(1) It appears that the zoning ordinances were repealed to prevent a referendum and a true expression of how the people feel about zoning.

(2) Commissioner Everett Smith says he still wants to sell us county-wide zoning.

What if the people don't want zoning?

Wouldn't now be a good time to ask the people?

The question on the ballot could be simple and the cost would be minimal. The question could read:

"Do you want a county-wide zoning ordinance in your township?"

We petitioned for the right to express our opinion and I think we should have the right. How about you?

Sincerely,

Gloria Ballenger

To the Editor:

Come and Visit

Have you thought about visiting your child's classroom while they are in class? We have a terrific faculty at Mentone, I'm sure they would like to have you visit.

The industrial arts class makes beautiful furniture. Perhaps you would like to see the kids working on their projects. When you visit be sure to take a mask and earplugs. Poor insulation makes the

noise deafening and the poor ventilation makes it hard to breathe without getting sawdust in your nose and throat.

The 7th and 8th grade English class has a nice small room for all those larger bodies. It's standing room only; but there will be more kids packed in next year because of the large 6th grade coming up.

Wouldn't you think having a classroom in the library would be distracting to our kids?

The art room, where they have done fantastic projects is too small, not enough storage and competes with the noise from the shop. It makes it hard to hear directions.

The closet space called the speech room is a joke. How can you conduct speech and hearing when you have kids lined up by your door waiting for lunch?

If you're finished visiting be sure to stop by the second floor girls bathroom. It serves seven classrooms, the cooks and teachers. It has three toilets, two of which do not flush properly. If you're there in the afternoon be sure and hold your pants up. The toilets leak and you'll get your pants wet.

This list could go on and on. If your children have to go to an outdated school let's at least give them great teachers. Pay them what they deserve and keep them or we'll end up with those (teachers) nobody else wants.

## Bowen Center sponsors working parent workshop

"Working parents are approaching majority status rather than being an oddity," says Diane Quance of the Bowen Center. "The reality of parents being a part of the work force as well as managing the household seems to be here to stay. This presents some unique challenges to parents who find themselves in this situation."

The topic of "working parents" will be addressed by Quance, consultation and education specialist at the Bowen Center, in a workshop to be held on Saturday, March 24, from 9 a.m. to noon at the Church of the Brethren, 202 E. 6th Street, North Manchester, IN. Child care will be available for a nominal fee. Participant costs for the workshop will be \$5 per individual or \$7.50 per couple.

The workshop, which is sponsored by the Bowen Center, is designed to help working parents minimize the stress they may be experiencing and manage their time more effectively.

For more information concerning this workshop, call 267-7169, ext. 283, or toll free 1-800-342-5653, ext. 283. Advance registration is required. Minimum of eight enrolled is necessary for class to be held.

Tom Fitzgerald, attorney at Mentone, has filed his notice with the secretary of state, announcing that he will run for Prosecuting Attorney of Kosciusko county, at the primaries in May.

Two business men of Warsaw were very much surprised to receive a letter from Mae West on Tuesday afternoon. The letter was in response to one written in regard to an editorial in the Fort Wayne Journal-Gazette several weeks ago. The editorial referred to the attitude of certain Warsaw club ladies in asking the Rotary Club to ban Mae West movies in Warsaw.

The two men in question defended the actress and this is what they got:

"Dear Boys:

I am sorry that the old gals feel sorta sore at me but it's good to know that a couple dark handsones have felt like coming to my rescue.

"It's not the men in my life, but the life in my men that counts and you two seem to be doin' pretty well by me and as long as it ain't no sin, why doncha c'm up s'm time?? Best wishes, MAE WEST."

The Merchants of Akron are planning to stage a double dollar day in Akron next Friday and Saturday, March 30 and 31.

Practically every merchant in town is cooperating in the event and many bargains will be offered to the public.

James E. Gill, trustee of Franklin township in Kosciusko county, will be a candidate for re-election on the democratic ticket at the primaries in May.

## Civil War program to be held at Rochester center

"Civil War - First Person" will be presented by Jeff Sandlin and Mark Vargas of Valparaiso in the Civic Center Museum, March 18 at 2 p.m. They are members of the 4th U.S. Regular Infantry which is in charge of the Civil War re-enactment at Kern's woods July 14-15.

Sandlin and Vargas will play the parts of Union soldiers and tell of their experiences as if this were March 18, 1863. They will wear authentic uniforms and answer questions as if they really were Civil War soldiers. They are pre-

pared to discuss all battles, politics, prisons, and the hardships of everyday life in the Union Army. The audience is invited to ask questions.

The public is invited. Refreshments will be served by Hazel and George Jones, Alice and Ruth Tetzlaff, Bill and Shirley Willard.

This program is brought by the Fulton County Historical Society. The date was changed from the fourth Sunday to the third Sunday so as not to conflict with the Kiwanis Travelogue.

Lewis Paul Goodwin

## Goodwin files for board

Lewis Paul Goodwin, 37, Rt. 1, Claypool, last week filed to run for TVSC board member in Seward township.

Although this is Goodwin's first try through the electoral process, it's the second time he's applied for the position. When former board president Vernon Meredith resigned in October, 1982, Goodwin was one of the applicants who wanted to fill the vacancy. At that time, however, Fred McSherry was selected to finish Meredith's term.

McSherry is seeking election to the seat, also.

Goodwin is salvage coordinator at Zimmer, Inc., Warsaw, and has experience as a standards technician and engineer. He served in the Marine Corps from 1965 - 68 and was stationed in Viet Nam for one and a half years.

Goodwin's wife Phyllis is a substitute bus driver for TVSC, and the couple have three children who attend Akron schools: Paul, 13; Mariellyn, 12; and Tony, six.

## Smith-Jones candlelight ceremony

An evening, candlelight ceremony at the Akron Church of the Brethren was the scene for the uniting of Joseph Andrew Jones, Madison and Ronda Dee Smith, Madison.

The bride is the daughter of Edna M. Smith, Rt. 2, Rochester, and the groom is the son of Mr. and Mrs. Kenneth C. Jones, Rt. 6, Rochester.

The Reverend Kevin Keller officiated the double-ring ceremony. The church was decorated with

aisle candles and greenery, the windows held votive candles, baby's breath and greenery to illuminate the altar.

The bride, given in marriage by her brother, Todd K. Smith, chose a gown of satiness and schiffli embroidery. The fitted bodice featured a sheer yoke detailed in rich schiffli embroidery rising into a high stand-up lace collar. The pepsom waistline was accented with a lace motif, while the shirred sleeves were long and tapered and

buttoned at the cuff.

Smith also wore a hat covered in chiffon embroidery, and tiny seed pearls highlighted the lace of the coordinating gown. She carried a cascading bouquet of red and ivory roses.

Darla Shafer, Akron, was matron of honor and Suzanne Holt, Lafayette, and Melanie Freece, Mt. Cory, OH were bridesmaids. The attendants wore long burgundy satin gowns, with heart shaped bodices and puffed sleeves. Each carried a long stemmed ivory rose trimmed with a burgundy ribbon and baby breath.

Duties of best man were provided by Lonnie Mosier, Economy, IN. Groomsman were Todd Smith, New Windsor, MD, and William Browning, Indianapolis. Ted Baker, Claypool, and Tom Weaver, Rochester, were ushers.

Tom and Jill Weaver, Rochester, sang and Rozella Tinkey and Lana Bowser, both of Akron, provided music.

A reception was held in the church hall for 130 guests. A three-tiered cake decorated with a burgundy fountain and flowers were served by Janet Jones, and Jo Ann Kroft, Warsaw, and Jill Weaver, Rochester.

The bride graduated from Tippecanoe Valley High School in 1979. The groom is a 1979 Rochester High School graduate and a 1983 graduate of Rose Hulman Institute of Technology. He is employed as a civil engineer.

Mr. and Mrs. Joseph Jones

## Mentone Nutrition Site

Due to the storm last week the Nutrition Site at Mentone was closed as well as most everything else was for awhile.

There was one thing that was not mentioned last week and that was the Feb. 23rd birthday party. Sorry Cheyrl Philips about this. Everyone said the party was great and the decorated cake was beautiful and delicious. There were three people celebrating birthdays present. Thank you Cheyrl, for all the nice things you do for the Seniors.

Another thank you and a word of appreciation goes to June Reed for getting the volunteers to help in the kitchen.

Ruth Cullum interviewed Florence McKinley and she said this. She has lived on So. Franklin, for 17 years. She was born in Anderson, attending school there and in Yorktown from where she graduated from high school. She graduated from Ball State also. She met her husband Ora (Mac) McKinley on a blind date. After their marriage they moved to Brooksdale and then to Wabash. Mac was in the lumber business. They moved from Wabash to Mentone around 1943 where he operated a lumber yard. Mac died in 1959. There are two sons: Larry lives in Dayton, Ohio and has a responsible position with National Cash Register and travels all over the world on business; Dewayne lives in Melbourne, Fla. and followed in his fathers' footsteps managing a lumber company. She is blessed with five grandchildren, four girls and one boy.

Florence taught school for four years in Yorktown and 14 years in Mentone. Her favorite color is yellow and favorite hymn is "Sweeter as the Years Go By." She has great admiration for President Reagan. She enjoys reading, ceramics and needlepoint. She has enjoyed the Nutrition Site since it brings people our age together in

friendship and fellowship.

The menus for the week of March 19 - 23 for the Mentone Nutrition Site are as follows:

Monday - Vegetable cocktail juice, seafood patty, parsley buttered potatoes, cole slaw, rye bread, mixed fruit cup, milk, tea, coffee.

Tuesday - Cranapple juice, baked ham with fruit sauce, au gratin potatoes, buttered peas, pumpernickel bread, margarine, peach half, milk, tea, coffee.

Wednesday - Grape juice, beef and noodles, spinach with vinegar on side, white bread, margarine, apple Betty, milk, tea, coffee.

Thursday - Orange juice, boneless barbecue pork, hot german potato salad, lima beans, kaiser roll, butterscotch brownie, milk, tea, coffee.

Friday - Tomato juice, sweet/sour chicken over fluffy rice, green beans almondine, stone ground wheat bread, margarine, banana, milk, tea, coffee.

Menus subject to change with-out notice. Due to the diets of some people the food is not highly seasoned.

In Memory of Raymond [Casey] Campbell who passed away March 17, 1982:

All the pain and suffering is over and he is at peace forever.

Still missed by his wife, daughters, grandchildren and friends.

The Mabel Nellans Family wish to thank everyone who helped in any way during mothers illness.

Thanks for the food, cards, visits and words of sympathy during this time of grief.

### Give Your Best

Whatever you have that is good, my dear

That will make this old world more true.

Just scatter it everywhere you go and watch the good come back to you.

The more you give the more contented you'll be,

And your measure of joy will grow more beautiful and deeper day by day.

Until its depth but God can know.

Half days of labor bring half days of pay.

Poor investments mean little gain.

Seeds sown in soil only partly prepared, bring forth, but regret and disdain.

If you would make a friend, you must be a friend.

Then success in your life is sure. Cheerfulness travels like a gleam of light and tolerance is bright and pure.

Then whatever it is you ask of life depends each day on what you do.

There's only one way to the best and that's by giving the best you have in you.

Senior Citizens, come join us for a well-balanced meal and fellowship. Please call in for your meal reservations the day before you plan to join us between the hours of 10 a.m. - 1:30 p.m. Our thanks goes out to Ruth Bammerlin for her blood pressure services. Also to all my volunteers for a job well done. For it is through your services this program is working in our home

town. Thank you.

Scheduled menus for the week of March 19 - 23:

Monday - Ham, navy beans, spinach, cornbread, applesauce, milk.

Tuesday - Chicken and dumplings, cooked carrots, fruit jello salad, brown bread, lemon cake, milk.

Wednesday - Salisbury steak, creamed corn, whipped potatoes and gravy, peach crisp, bread, milk.

Thursday - Ham, au gratin potatoes, lettuce salad, white bread, fruit jello, cookie, milk.

Friday - Chef's Special.

We wish to express our thanks and appreciation for the love, prayers, hundreds of cards, visits, gifts, flowers and concerns during the extended illness and passing of our loved one. A special thanks, and God's Blessings to each and everyone.

The Family of Eldon Cumberland.

## Ingrid Rogers accepts pastorate

The Akron Church of the Brethren wishes to announce the arrival of its new pastor, the Reverend Ingrid Rogers. An installation service of Pastor Rogers was conducted by the Rev. Carroll Petry, district minister, on February 26.

A native of Marburg, West Germany, Pastor Rogers got her first exposure to the Church of the Brethren when she spent a year as an ICYE exchange student in a small, rural congregation in Southern Ohio. It was from this

experience that she knew that some day she wanted to serve in the Church of the Brethren.

She graduated from Philipps University, Marburg, with a Ph. D. and taught English at Manchester College for three years. She has been active in church work as workshop leader, guest speaker, serving on Witness and Nature commission, writing and directing chancel drama and other church related work. The publication of four of her books include, "Tennessee Williams' 'A Moralist's

Answer to the Perils of Life," "Swords Into Plowshares," a collection of dramas, "Peace be Unto You," a collection of songs and "In Search of Refuge."

She received her license February 13, 1983 and was recently called to the Akron church as her first pastorate. She resides in North Manchester with her husband Kendall and their two children, Angela, nine, and Stefan, seven. Kendall holds the position as professor of religion and philosophy at Manchester College.

## Mentone local happenings

### RSVP holds bowl-a-rama

The Fulton County Retired Senior Volunteer Program (RSVP) is sponsoring a BOWL-A-RAMA the week of April 2.

Prize monies will be \$150 for men's and women's high team games and men's and women's high team total (all with handicap).

Individual prize monies are \$50 for men's and women's high game and men's and women's high totals (both with handicap and scratch categories).

Total prize money to be awarded is \$1000.

An entry fee of \$30 per five-man team will be charged and the

scores obtained at the regular bowling league during the week of April 2 will be counted for the contest. All league rules will prevail and handicap will be computed on 90% for the contest. The entry fee may be paid by individuals comprising the team or by the team sponsor. Any group of individuals who wish to form a team may do so by establishing a captain and having that captain compile the scores. All bowlers must have participated in a league this year and have an established handicap.

For more information contact RSVP at 223-3716.

## Motorcyclists licensing procedures set for April

Commissioner Michael M. Packard, of the Indiana Bureau of Motor Vehicles, announced that motorcyclists wishing to obtain their motorcycle endorsements in early spring should now begin the licensing process. Statewide motorcycle skills testing will begin, weather permitting, in April.

Under current law, in order to obtain a required endorsement

If you run out of dishwashing liquid, a few teaspoons of mild shampoo will help.

motorcyclists must: obtain the Motorcycle Learner's Permit from a local license branch; hold the learner's permit for a minimum of 30 days; pass the required motorcycle skills test; and return to the license branch to have the actual endorsement placed upon their existing licenses.

While holding the Motorcycle Learner's Permit, the motorcycle rider is restricted in operation as follows: one may only operate the motorcycle during daylight hours; one must wear a helmet at all times; and one may not carry passengers. These restrictions apply until the actual endorsement is placed upon the license.

## State Police Report

The Indiana State Police at the Peru District announced the following end of the month report for February, 1984 on activities in Fulton County.

County troopers spent 765 hours on criminal investigations and patrol; patrolled 10,715 miles; investigated 13 accidents; made 45 arrests; issued 51 warnings; arrested one person for driving while intoxicated; made one interrogation report and assisted 85 motorists.

Lt. John D. Gaylor, Dist. 61 Commander, reports that four troopers were assigned to the county and were responsible for the above work.

## Burket, Mentone annual basketball games scheduled for this Friday

The Mentone and Burket annual basketball game between the boys and girls fourth and fifth graders will be held this Friday, March 16 at 6:30 p.m. at the Mentone gymnasium.

Continuing a long-standing competition, the fourth grade girls will

begin the evening's activities. Admission is \$1 for adults and 50 cents for students.

Proceeds will go to the Mentone Chamber of Commerce, with some of the money to be donated to the schools for equipment. Six trophies will be awarded.

## Kosco targeted by USDA

A new target area has been approved by the U.S. Department of Agriculture for eight counties in northeastern Indiana, plus counties in Ohio and Michigan. Kosciusko County is one of the eight counties targeted in Indiana.

Targeting is a strategy which grew out of a national resource conservation study—known as RCA, Resources Conservation Act—conducted several years ago by the USDA. In simple terms, targeting means putting additional Soil Conservation Service (SCS) technical assistance and increased Agricultural Stabilization and Conservation Service (ASCS) ACP cost sharing in areas where erosion problems or water conservation problems are the worst.

Congressman John P. Hiler supports targeting as an efficient way to approach soil and water conservation. "We need to fight soil erosion and maintain our agricultural productivity," Congressman Hiler said.

Secretary of Agriculture John R. Block said, "Targeting has produced excellent results during the past two years. Targeting of technical and financial assistance in 31 states in 1983 resulted in 29 million additional tons of soil saved and conservation of 276,000 more acre-feet of water.

Secretary Block expanded targeting in 1984 to 44 states and Puerto Rico, according to Robert L. Eddleman, SCS state conservationist in Indiana. He said, "To qualify for targeting, an area must meet certain criteria: soil erosion or water shortages must have a significant impact on the nation's agricultural conservation needs, progress in treating the problem

must be likely and people who live in the area must support the work."

Targeting in Indiana began in 1983 with a 12-county area in southwest Indiana. Two additional areas were added this year: the 8-county Ohio-Michigan-Indiana (OMI) target area and the 8-county Miami Whitewater target area in southeastern Indiana.

"Targeting works," Bill Weber, SCS assistant state conservationist for land resources, says. "Major benefits are erosion control which sustains agricultural productivity, improves water quality, and reduces maintenance problems on roadside and drainage ditches."

Weber said, "Targeting more SCS personnel for technical assistance means that SCS employees will be able to concentrate on landowners with the most critical erosion problems."

Through additional soil conservation, Kosciusko County can benefit through increased soil productivity and reduced pollution of its many lakes and waters.

Anyone with questions on this program should contact the SCS office at 303 E. Gilliam Drive in Warsaw, or call 267-5726.

## Fulton County Circuit Court

### Civil

Jerry M. Honeycutt Jr., filed a complaint for damages seeking \$200,000 against Rock Lake Roller-cade. The suit contends Honeycutt suffered a broken arm when he hit a wall while skating at the roller rink April 23, 1983. It contends Jerry Peterson put his arm in a sling and had a customer take Honeycutt home following the accident and the sling aggravated the injury. Honeycutt contends the accident was due to negligent design of the building.

The following couples filed petitions for dissolution of marriage: Karen Lynn and Judson Wayne Sumpter and Rena Louise and Marvin Joe Good.

The court ordered mortgages held by Federal Land Bank of Louisville and First National Bank of Rochester foreclosed against 14.3 acres in Wayne Township owned by Jerry L. and Margaret A. Rife.

The court ordered the property sold by the sheriff of Fulton County and the proceeds of the sale used first to pay court and sheriff's cost; second to pay Federal Land Bank \$21,127.91; third to pay First National Bank \$10,842.17; fourth to pay Macy Elevator \$12,593.63. If proceeds of the sale do not pay all judgments, the sheriff is ordered to sell property of the Rifes to satisfy the judgments.

## THINK ABOUT IT!

### Isn't It Nice

to be able to go just a few blocks for the items you need for your home or business or office needs?

### Don't You Feel Good

when you know the person waiting on you in the store is a friend and will have your best interest in mind?

### Aren't You Grateful

to know if you have an emergency, there is help as near as your local merchant's telephone and he will come as soon as possible to your aid?

### Isn't It A Comfort

when you have to return an item or have a complaint and you know the merchant concerned is going to be understanding and make a good adjustment for you?

### Isn't It Nice To Know

that local merchants plan for you in their own buying and make every special purchase possible in order to pass the savings on to you?

### Isn't It Great

to know that the local store owner will follow up your purchase with the best kind of service from trained personnel... and will make the necessary return trips until you have good working order?

## Eighth graders attend orientation

On Wed., March 7 Tippecanoe Valley High School held eighth grade-freshman orientation day. Sandy Carmichael, George Welch, and Lora Harp, TVSC guidance counselors, organized the day's activities.

TVHS student council members conducted tours for the 140 students from Akron and Mentone junior highs. They divided them up into 20-25 students per group and each group spent the day touring the school and becoming acquaint-

ed with some of the curriculum offered at TVHS.

Approximately 250 students and parents attended the eighth grade parents orientation night program. Freshman also were included in the orientation program, so they could review course and departmental offerings for next year.

The junior highs in Mentone and Akron will be having orientation for incoming seventh graders on March 19 and 20.

## Farm Bureau Women set conference

"Agriculture in the Classroom," earning extra income, quilting as a means of preserving our history and Indiana agriculture are just a few of the highlights of the 52nd Annual Indiana Farm Bureau, Inc. (IFB) Women's Conference to be held Tuesday, March 27 and Wednesday, March 28. The meeting will convene at 1 p.m. on Tuesday at the Murat Temple in Indianapolis.

"For the Good of Us All" will be the theme for the gathering which annually attracts 1,500 farm women from throughout the state. Presentation will be as diverse as "The Quilt Medium for Preserving History and Heritage," by Treva Iddings to a discussion on "Indiana's Changing Agriculture," by Dean Bernard Liska, Purdue Univ. School of Agriculture.

A highlight of this year's meet-

ing will be a presentation by a representative Department of Agriculture who will address, "What the USDA's Agriculture-in-the-Classroom-Program Means to Indiana." Participants will also hear a panel of farm women discuss the topics "There's No Work Like Home Work," or "Can Extra Time Equal Money?" Panel members are: Dee Ann Harding, Miami County; Betty McDivitt, Fayette County; Nancy Hastings, Vanderburgh County; and Bobbie Voyles, Morgan County.

Conference participants will also have the opportunity to hear remarks from Indiana Governor Robert D. Orr, IFB President Marion Stackhouse and IFB Vice President Harry Pearson, Carol Hegel, IFB second vice president and chairman of the State Women's Committee, will be the

featured speaker for the Tuesday evening banquet honoring IFB county women leaders, home economics extension agents, and presidents of the county extension Homemakers Clubs.

Registration begins at 11 a.m. on Tuesday and is open to men and women. For more information contact Judy Carley at (317) 263-7830 or DeeDee Austin at (317) 263-7825.

## WCTU to meet

The Akron W.C.T.U. will meet in the Library next Wednesday evening, March 21st at 7:30 p.m. Mrs. Lee Gearhart is the Devotional leader and the hostesses will be Mrs. Virgil Krouse and Mrs. Paul Kindig. All members are urged to be present and visitors are always welcome.

## Akron sixth grade girls defeat Mentone Bulldogs

The Akron sixth grade girls hosted Mentone for two games on Tuesday, March 6. Akron won both contests, 21-9 and 38-14.

The first game scoring honors were as follows: Jennifer Ryan with seven points; Christian Bowers, 4; Jill Butt, 4; Jenny Doud, Tricia Tilden, and Mary Ann Randall with two each. Amy Kline, Heather Heighway, and Lois Baker played well, but did not score.

In the second game, Akron's

Katie Ramsey led all scorers with 12 points. Barb Burdge contributed 10 points. Sara Miller scored six points. Shelley Miller and Patty Ousley added four each. Amy Randall added two points for a team total of 38.

Kim Smith, Kim Owens, Nicki Smith and Tina Ousley played, but did not score.

The Akron girls have ended their season undefeated, with a record of 4-0.

## Akron eighth girls finish championship season 12-2

The Akron eighth grade girls basketball team finished their 1983-84 season with a 44-18 victory over the Triton Trojans at Triton, Wed., March 7.

In a hard physical contest, Leslie Miller brought home top scoring honors with 15 points. Lori Gray followed with 12 points. Jody Yochum contributed six. Julie Steininger and Becky Arthur each recorded four points. Jane Deaton scored two and Amy Heighway had one. Doing well, but not scoring, were Kim Whetstone and Susie McCloughan.

A fire-up, scrappy, Arthur pulled down nine rebounds to lead in that category. Yochum showed an outstanding defensive effort with eight steals.

The Lady Flyers finished their season with a record of 12-2,

including two championships in the Tri-County Camelot Tourney and the Mentone 4-Way Tourney.

The coach and girls would like to thank the parents, the fans, and the Akron-Mentone News for their support throughout the season.

## LEGAL NOTICES

**ORDINANCE NO. 248**  
AN ORDINANCE REPEALING ORDINANCE NO. 206 PERTAINING TO THE PLACING OF MOBILE HOMES WITHIN THE CORPORATE LIMITS OF THE TOWN OF MENTONE

WHEREAS, the Board of Trustees of the Town of Mentone, Indiana, has decided that it is not in the best interest of the citizens of the Town of Mentone to permit the erection, placing or locating of mobile homes within the corporate limits of the Town in other than a mobile home court, trailer camp or trailer court approved by the Indiana State Board of Health;

AND WHEREAS, there still lingers the question of the erection, placing or locating of mobile homes within the corporate limits of the Town of Mentone and the repeal of any ordinance in conflict herewith, and constituting a public nuisance;

NOW, THEREFORE, BE IT ORDAINED BY the Board of Trustees of the Town of Mentone, Indiana:

Section 1. That any person, firm or corporation who shall erect, place or locate a mobile home, as hereinafter defined, upon any real estate situated within the corporate limits of the Town of Mentone, Indiana, in other than a mobile home court, trailer camp or trailer court, approved by Indiana State Board of Health, shall be guilty of a Class C Infraction and upon conviction thereof, shall be fined not less than One Dollar (\$1.00) nor more than Five Hundred Dollars (\$500.00) for each and every offense thereof.

Section 2. That notwithstanding the provisions contained in Section 1 above, if any person, firm or corporation who had in place or had located a mobile home upon any real estate situated within the corporate limits of the Town of Mentone on or before Nov. 18, 1981, and for whatever reason such mobile home is removed

from premises where same was placed or located, that person, firm or corporation shall have a period of thirty (30) days from the date of such removal to replace that mobile home with another one meeting specifications established by the Administrative Building Council of Indiana pertaining to mobile homes pursuant to Indiana Code 9-8-1.5-2, et seq. as amended from time to time.

After the expiration of said period of thirty (30) days, no person, firm or corporation shall have the right to replace such removed mobile home and doing so would constitute violation of this ordinance.

Section 3. Definition: A mobile dwelling unit shall mean living quarters such as house trailers, truck bodies, tents, bus bodies, railroad cars, shacks and improvised shelters which may be moved by tractor, truck, automobile or horses or can be carried, transported or towed from one place to another without the use of regular house moving equipment; that use for such living quarters shall include the acts of sleeping, preparation of meals or any sanitary measure such as bathing, dishwashing, or laundering clothing or any natural or performed operation which provides waste material objectionable from a nuisance standpoint.

Section 4. That each and every mobile home is so located within the corporate limits of the Town of Mentone, Indiana, shall constitute a separate offense under the terms and provisions of this ordinance.

Section 5. This ordinance does repeal any and all ordinances, or parts thereof, that may be in conflict with the provisions of this ordinance.

Section 6. That the effective date of this ordinance shall be from and after passage and publication thereof in the manner provided by law.

Passed and adopted by the Board of Trustees of the Town of Mentone, Indiana, this 5th day of March, 1984.

James Miller, President  
Wayne Tombaugh, Trustee

Will take seat in April

## Joseph P. Crill replaces Rogers on board

In an unanimous decision Monday evening, March 19, members of the Tippecanoe Valley School Corporation board appointed Joseph P. Crill to serve the remainder of William Rogers' term on the board. (Rogers, who resigned in February for personal reasons, was elected representative from Newcastle township in 1982, and his term was due to end in 1986.)

Crill, 44, has been self-employed in plumbing and heating since 1973. He graduated from Aubbeenaubee High School and served with the U.S. Army from 1961 - 63. He's lived in Newcastle township since 1973.

Robert H. King was the only other applicant for the position. Superintendent Baxter Paige announced Crill will be sworn in at the April meeting of the board.

Paige informed trustees that public law 111, called "Prime Time Legislation," had been passed by both branches of the State Legislature. Funds are being offered to encourage schools to lower teacher-student ratios in grades K-3 over the next four years. The new law

states that, in order to lower class sizes to 18 or fewer pupils per class, the State will reimburse schools \$18,000 per new teacher hired.

Paige pointed out that while this law may well benefit larger schools whose enrollment has dropped during the past few years, it was of little help to TVSC and many smaller corporations that are already utilizing all available classrooms. He pointed out, with a touch of irony in his voice, that "no money is available for classrooms, only for teachers."

To meet the requirements for the added funds, approximately three teachers would need to be added each year corporation-wide for the next four years, and Paige added 12 classrooms would be difficult, if not impossible, to find.

The legislation also holds a passage that offers \$6000 for new aides hired or \$3600 per teacher to corporations that already meet the 18-or-fewer-pupil requirement.

Paige suggested that a few possible solutions toward cutting class sizes would include reappor-

tioning or redistricting students, adding new rooms at the elementary schools, or building a middle school, thus opening rooms for elementary students. He requested that letters with possible solutions or suggestions from Valley patrons be directed to his office and that board members consider the options.

Trustees approved a calendar for the 1984 - '85 school year. It includes: the first day of school for students, August 23; Christmas vacation, December 21 to January 2; end of first semester, January 10; begin second semester, January 14; spring vacation, March 29 - April 8; and last day of school for students, May 23.

No half days of school for students were scheduled, as it would create complications in meeting new State requirements.

Approximately 100 teachers and parents attended the Monday meeting, held in the high school conference room, to lend support to the teachers' in their contract dispute with the board. Classroom Teachers Association president Bernadean Howard thanked everyone for coming and once again urged trustees to return to the negotiating table and attempt to settle the contract. She pointed out that the end of the school year is drawing closer and Tippecanoe Valley is the only area school

system that still has not settled a contract.

In other business: Valley principal John Hill received approval on his proposed changes in graduation requirements. The changes, which begin next year in accordance with new State requirements, will be implemented gradually. By the 1987 - '88 school year, Valley students will need a total of 42 credits to receive a Valley diploma, including four years of English and two years each of math and science.

Paige recommended Robert DuBois be given a one-year extension as coach of the varsity boys basketball team, but trustee Jim Royer questioned if it wouldn't be better to give him a two-year extension, adding, "it would give him a chance to start a program." The trustees unanimously voted on the two-year extension.

In other personal matters, board members accepted the resignation of Terri Klotz as coach of the girls tennis team and appointed Beverly Clampitt to take over as coach. Trustees also approved professional leave requests for Gary Stath and Jeff Salyer to attend a wrestling clinic in Chicago between April 13 - 15.

This elicited some comments from patron Dick Mims, Akron, when members of the audience were given the opportunity to

speak. Mims asked why substitute teachers hadn't been hired to relieve the two teachers at Mentone who were in charge of the annual science fair. When pressed by Mims, Paige admitted that substitutes were hired when teachers took professional leave, prompting Mims to ask if wrestling was more important than science.

Mims also urged trustees to carefully consider the classroom-size problems, saying, "Let's try to look to the future and find a long-term solution."

Trustees approved Paige's recommendation to hire Pace Designs, Elkhart, to do an energy conservation study for TVHS. The study will be submitted to the federal government in an attempt to obtain up to \$50,000 in federal grants. The corporation will not be obligated to pay for the study unless it results in a grant, and then cost of the study would be approximately \$7500.

Board members approved funds for an administrative workshop to be held at Pokagon State Park between June 12 - 14. Cost of the workshop, paid by the corporation, will run about \$500.

Board members approved claims of \$123,322.67 and payrolls of \$76,238.01 and \$74,411.62.

The next meeting of the board will be Monday, April 23 at the administration building, at 7 p.m.

## Winter athletic banquet to be held tonight at TVHS

Tippecanoe Valley High School winter athletic banquet has been set for Wed., March 21 in the high school commons area. Members to be honored are: JV and Varsity cheerleaders, JV and Varsity girls basketball teams, gymnastics, boys swimming, wrestling, and Freshman, JV and Varsity boys basket-

ball teams.

The program will begin with a carry-in dinner, with meat and drink being served. Each family is asked to bring a covered dish and table service. The awards presentation is scheduled to begin at approximately 7:15 p.m.

## Tippecanoe Valley hosts auxiliary corps auditions

This Saturday, March 24, Tippecanoe Valley High School will be a host site for the Annual Indiana State School Music Association (ISSMA) Auxiliary Corps Auditions Competition.

### Bloodmobile to be held at Valley

The American Red Cross Bloodmobile will pay its annual visit to the Akron-Mentone area tomorrow, [Thursday] March 22 between noon and 6 p.m. As always, the site will be in the Tippecanoe Valley High School gymnasium.

Persons between the ages of 17-66 are urged to be donors.

Valley band director Kim Metcalf is organizing the event. Eighteen schools are entered in the contest, with 122 different entries and between 375-400 students participating. Competition is divided into four categories: solo, ensemble (two to five students), teams (six to 11 students) or corps (12 or more students). Contestants can enter any or all categories.

Valley has six auxiliary corps members entered to compete as two ensembles and two teams. Other area schools entered in competition include Warsaw, Caston, and Bremen.

The first competition (solo performances) will begin in the gymnasium at 8:30 a.m., with corps competition ending at about 5:15 p.m. The public is invited to attend.

Charles Goodwin, Kenneth and Isabelle Goodwin, and Annette Hiers, all of Mentone, were just a few of the people who enjoyed a pancake and sausage supper at TVHS on Thursday, March 15. The Valley Future Farmers of America sponsored the Farm Family Appreciation Night. (News Photo)

John A. Barr has had many honors and recognitions, but few could be more exact in its description than the "Executive of the Year" award. This was presented recently by the American College of Hospital Administrators, a professional society whose members direct the activities of leading hospitals throughout the United States and Canada.

Mr. Barr was honored for his distinguished administrative achievements in the field of management. A 25-year veteran of the national retail chain, his conduct at the famous Montgomery Ward stockholders meeting of April, 1955, when opposing forces sought to control the giant firm, resulted in his becoming president of the firm and chairman of the board.

## Free tax clinic Mar. 31

The Fulton County Neighborhood Center will have the last income tax clinic on March 31, 1984, if enough people are interested in having their taxes done on that day. The income taxes are done for free by the Notre Dame University Accountancy Department's professors and senior students. The tax service will start at 9:30 a.m. and people wishing to use this service must make an appointment to avoid confusion and pile-ups by calling 223-3701.

The Neighborhood Center is located in the Civic Center at 7th and Pontiac Streets, Rochester, and the Tax Clinic will be there.

It is requested that when you come for your appointment, you bring your 1982 tax returns that were filed in 1983; 1983 W-2's and other records of earnings; casualty loss information, if any; form packets sent to the taxpayer by the Federal Government and the State of Indiana; also records dealing with medical expenses, charitable contributions, property taxes, IRA payments, interest paid or gained, and child-care expenses.

There will have to be at least 12 morning appointments in order to hold the Tax Clinic. Please call 223-3701 at the Neighborhood Center to see if you qualify under Notre Dame guidelines, and to make your appointment.

### It's The Little Things

A little act of kindness at a crossroad today.

Will help to cheer a brother as he passes on his way.

It smooths the rugged hills, makes them easy to surmount,

And while they are so simple it's the little things that count.

From each act of kindness when one's heart is burdened so,

There springs a seed of love which is bound to thrive and grow.

And fill a soul with rapture overflowing as a fountain,

Although they are so trivial it's the little things that count.

A little act of kindness somewhere along the way,

Will even cause a stranger to lift his head and say,

Thanks for the kindly favor it helped a great amount.

Although great deeds are noble

it's the little things that count.

Senior Citizens, come join us for a well-balanced meal and fellowship. Please call in your meal reservation the day before between the hours of 10 a.m. - 1:30 p.m.

Scheduled menus for the week of March 26 - 30 are:

Monday - Macaroni and cheese with ham, broccoli, three-bean salad, white bread, peaches, milk.

Tuesday - Fried chicken, whipped potatoes with gravy, tossed salad, cranberry sauce, brown bread, milk.

Wednesday - Chicken fried beef steak, baked potatoe, green beans, pears, brown bread, milk.

Thursday - Salisbury steak, peas, cole slaw, brown bread, banana pudding, milk.

Friday - Two hot dogs with buns, au gratin potatoes, creamed corn, applesauce, milk.

## FCHS plans 1985 sesquicentennial

The Fulton County Historical Society issued a call for Civil War photos, diaries and letters at its meeting March 18. The society needs them to print in the Quarterly with a special story about the G.A.R.

A meeting to begin plans for the Sesquicentennial in 1985 will be held April 10 at 2 p.m. in the Civic Center Museum. A representative of The Rogers Company, which has been in the "Civic Celebration Management" business since 1903, will be there. This company helped with Rochester's centennial in 1953. All interested persons are invited to attend. Clubs and organizations are urged to send representatives.

The society's annual trip will be to Wabash on April 21. The trip includes a tour of The Depot antique shop, Honeywell House and grounds, county museum, courthouse, Paradise Spring treaty site and other historical sites. Additional information may be obtained by calling the FCHS.

Mr. and Mrs. Albert Hatfield

## Hatfields celebrate 50th

Mr. and Mrs. Albert Hatfield will be honored with an open house from 2 - 4 p.m. on Sunday, March 25, 1984 at their home on Rt. 1, Mentone. Albert Hatfield and the former Isabell Blanton were united in marriage on March 31, 1934 by the Rev. L.G. Jacobs in Logansport, IN.

Hosts for the occasion will be their two children: Mr. and Mrs. Larry Hatfield of Indianapolis and Mr. and Mrs. Richard Kindig of Mentone.

The couple has five grandchildren and one great-grandson.

Your gift of friendship is all that is asked and all other gifts omitted.

## Jones, Carnes engaged

Announcement is made of the engagement and May 26, 1984 wedding of Melanie Kay Jones, daughter of Mr. and Mrs. Ken Jones, Rt. 1, Claypool, to Bruce Allen Carnes, Argos, son of Mr. and Mrs. James Carnes, Rt. 5, Rochester.

Miss Jones is a 1981 graduate of Tippecanoe Valley High School and will graduate in May from Purdue

University with a degree in food service and lodging supervision.

Carnes is a 1980 TVHS graduate and a 1983 Purdue University graduate with a degree in industrial illustration. He is presently employed at A.M. General in South Bend.

The couple plans to be married at the Sunrise Chapel in Plymouth.

## Akron News

Mrs. Roger Gearhart was hostess for the Marionette Circle of the Women of the Church of God March 6. About fifteen members answered roll call with a "tree from the Bible." Mrs. Greg Kindig and Mrs. Gearhart gave the secretary and treasurer reports, with Mrs. Harold Shewman presiding. Mrs. John Gaerte gave devotions from Psalm 103.

Information about Kenya and Tanzania was shared by Mrs. Tom Hill. Particular emphasis has been on the mission work among the Masai.

The NIWCG convention is to be held in Akron April 24.

Mrs. Jack Shriver will be

installed Marionette president at the April 3 meeting.

Mr. and Mrs. Roger Gearhart and Mr. and Mrs. Tom Hill visited Mr. and Mrs. Ed Tufts at Sturgis, MI Sunday. The Rev. Harold Conrad of Anderson was a guest speaker at the Sturgis Church of God that day. Conrad and the Tufts are former Akronites.

## Mentone Nutrition Site

The severe winter still continues to plague us. The Mentone Site had to close again on Thursday, but, hopefully spring will come and remain.

We were sorry to hear Debbie, the girl who drives the van that brings the food to the Sites was involved in an accident on Wednesday. We hope she isn't severely injured.

Norma Roose, our coordinator, brought food from Penguin Point. Only two ladies were "Queen for the Day" on Friday for the March birthday party. Cindy Norris came with her cosmetics and really made the ladies look lovely and they were Neva Carper and Virginia Peterson. They ate at a pretty decorated table wearing crowns. We played dirty bingo on Thursday and many useful and lovely prizes were won.

As spring grows nearer we hope to see more people coming to the Site. It won't be long until the people in south will be returning.

The following is the menu for the week of March 26 - 30 for the Mentone Nutrition Site.

Monday - Apple juice, liver and onions, gravy, mashed potatoes, tossed salad with french dressing, stone-ground wheat bread, margarine, peach half, milk, tea, coffee.

Tuesday - Grapefruit juice, tuna and noodle casserole with cheese topping, three bean salad, golden flaky roll, margarine, chocolate chip cookie, milk, tea, coffee.

Wednesday - Tomato juice, pepper steak, Au Jus, over fluffy rice, peas and carrots, rye bread, margarine, fresh fruit, milk, tea, coffee.

Thursday - Orange juice, ham and navy beans, waldorf salad,

corn bread, margarine, tapioca pudding, milk, tea, coffee.

Friday - Cranberry juice, orange-glazed chicken quarter, parsley buttered potatoes, pickled beets, whole wheat bread, margarine, pineapple ring, milk, tea, coffee.

Menus subject to change without notice. Due to the diets of some people the food is not highly seasoned.

## 4-H holds skating party

The Beaver Dam Better 4-Her's had their March meeting at the Eastlake Skating Center in Warsaw. After skating, the meeting was called to order by president Troy Butt.

The American flag pledge was led by Wendy Sutton, and Jeff Gray led the 4-H pledge. Health and safety report was by Jeff Tucker and devotions were by Jarrod Sutton. Secretary's report was read by Liz Walters.

After business was discussed, demonstrations were given by Cheri Tucker and Lori Buck on rollerskating. The April meeting will be led by the assistant officers.

Spring clean-up set for May 4 and 5

## Akron trustees sign with Public Service

The Akron town board meeting was called to order and a representative from Public Service Indiana spoke with the board. Representative wanted trustees to sign a contract that started in 1982 and runs for another three years.

The PSI representative also discussed the possibility of conversion of town lights from mercury to sodium, saying that sodium is more economical and saves on energy. One other benefit was that the high pressure sodium lights make the town more visible. The board voted unanimously on the PSI contract and signed the document.

The board also signed a contract for Val Duggins, waste water treatment inspector, to be paid \$310 per month for inspections of the waste water treatment plant. Rick Ringle, town employee, stated

that the sub-station behind the telephone station still hasn't received the necessary parts for repair. Jack Miller, board president, made a motion for Clerk Sarah Jane Sutton to get in touch with the company that is providing the new parts as soon as possible. The motion was passed with Miller stating, "that sub-station should be in operating condition at all times."

The board also voted unanimously to get a new agreement written with the Henry Township Fire Department. The present agreement is 10 years old.

A resolution was written giving clerk Sutton permission to write checks for bills between board meetings. Dick Drudge made the motion and Miller seconded it with the vote being unanimous.

Trash pick-up days for spring clean-up has been set for May 4 and 5. Anyone wishing to volunteer their time or trucks should call at the clerk's office. Also anyone wishing for something to be hauled away should call the clerk's office. The trustees stated, however, that all doors must be removed from freezers, refrigerators, etc.

The Akron firehouse door is in need of adjustment and Sutton was given information and Miller made a motion to have her call the Safeway Door Company in Warsaw to have them make the necessary adjustments. Hudson seconded it and the motion was passed unanimously.

Beginning April 2 the clerk's office hours will be 8 a.m. - noon, Monday through Friday. Mrs.

Florence Katz's (secretary to clerk) hours will remain the same. Also on April 2 the town employees will be working 7 a.m. - 4 p.m. instead of the 8 - 5 shifts that they are working now.

Garland Sparks, superintendent, was advised to check into the cost of three fire hydrants and instructed to return to the next town meeting with the results. A discussion was brought up about the water meters being repaired. Apparently Akron water is filled with iron and sometimes blocks up the water meters. The board instructed the employees to keep check on the meters and report back to them.

Town employees also reported trash is being placed in the sewers, causing pump problems. The material is characterized as a "heavy-duty or super-strength" paper toweling made with nylon or synthetic fibers. The fibers are wrapping around the pump and

causing many problems. Citizens should be informed to be very careful of what they put in the sewer system, as the repair expenses for this are very high and parts have to be replaced.

Marshal Dave Kruger submitted his police report for the month of February. Akron Police Dept. patrolled 1414 miles, investigated six accidents, had one dog complaint, two funeral escorts, five arrests, seven verbal warnings, seven motorist assists, four public assists, one open door check, four title checks, one attempted break-in, one theft report, five county assists, two other police department assists, and one ambulance assist.

An engineer will meet with the board next month to discuss the painting of the water tower.

The next board meeting will be Tuesday, April 17, 7 p.m. in the town hall.

## Students receive awards at winter athletic banquet

The 1983-'84 winter athletic banquet was held at Tippecanoe Valley High School last Wednesday, March 21 in the commons area. Despite a late winter storm which caused treacherous driving conditions and resulted in school cancellation the next day, approximately 350 people attended to watch Valley's athletes receive certificates and special awards.

One highlight of the evening came when the junior varsity girls basketball team awarded the second-place trophy for Warsaw's Tiny Tiger Tournament to TVHS principal John Hill. As Hill accepted the award, he jokingly warned that next year he expects the girls to bring home the first place trophy.

Greg VanDeWater, Danny Boyer and Chan Tucker were elected tri-captains of the boys varsity basketball team by fellow teammates, and the boys swim team also opted for tri-captains instead of the usual co-captains. Elected captains for the swimmers were Don Miller, Eric McKee and Matt Thompson.

Co-captains for the girls varsity

basketball team were seniors Sherri Lafferty and Tina Shepherd, and for the grapplers Billy Kelly was voted captain by teammates.

Cheerleading captains were Noel Smith, freshman squad, Angie Harsh, JV squad, and Tina Shepherd, varsity squad.

Swim coach Debbie Thompson reported the boys swim team broke five school records this season, and she awarded medals to all new record holders. They were Eric McKee, Mark Toetz, Daron Manwaring and Randy Paris for the 400 free relay; Matt Thompson, Dayne and Daron Manwaring and Paris for the 200 medley relay; Dayne Manwaring for 100 backstroke; Daron Manwaring for the 200 IM; and Paris for 500 freestyle.

Other swimming awards were presented to Roy Nietrauer, most improved, Daron Manwaring, rookie award, and Paris, most valuable.

In addition to being elected tri-captain of the boys basketball team, Greg VanDeWater received awards for highest field goal and free throw percentages. Jeff Gordon was honored for most

rebounds, while Shad McConkey had the most assists. Dale Heltzel was given the best mental attitude award.

By a mutual decision, the boys basketball team declined to elect a most valuable player, stating only that they preferred to play as a team.

The girls varsity basketball team received honors from the Three Rivers Conference committee, as Kathy Helmreich was named to the TRC first team, Amy Jamison was named to the TRC second team and Andrea Scott was given honorable mention.

Other varsity basketball awards went to Sherri Lafferty for most rebounds, to Scott for most assists, to Shana Woods for highest free throw percentage, to Mindy Sparrow for most improved, and to Lafferty for most valuable player.

Freshman Andrew Wood was voted Mr. Hustle for the boys freshman team, while Roger Stavedahl received an award for highest free throw percentage for

Valley principal John Hill was presented with the second place trophy which the JV girls basketball team won at the Tiny Tiger Tournament this season. Coach Tracy Ferris, right, observes. (News Photo)

## It Happened in Mentone

### TAKEN FROM THE NORTHERN INDIANA CO-OP NEWS MARCH 29, 1944 40 YEARS AGO

Mr. and Mrs. Harl Nottingham, Mr. and Mrs. Raymond Weirick and the Rev. and Mrs. E. Coleman Ralston attended the ordination of the gospel ministry of Walter Mikley, Monday at the First Baptist Church of Mishawaka. Mikley and his wife, the former Katherine Eiler of Mentone, will be community missionaries for the Bellevue Baptist Church, Memphis, Tenn., of which Dr. Robert E. Lee is pastor.

Sometime during Tuesday night thieves entered the offices of the Northern Indiana Cooperative Association at Mentone and made away with a considerable amount of cash and checks. Entrance to the building was made through the rear of the building department and then into the main office.

The door of the large safe or fire-resistant record cabinet, was chiseled through and the mechanism of the combination lock was knocked away.

Sheriff Frank Lucas and deputy Joe Rovenstine made a thorough investigation but reported that the thieves were very careful to leave no identifying fingerprints.

Manager Olive Teel reports that the total amount of the loss has not yet been determined, but the loss in cash was better than five hundred dollars.

Walter Barkman, who is attached to the Ordinance Department of the U.S. Army and who arrived in Mentone the fore part of

the week for a visit with friends and relatives, brought a bazooka rocket shell, a 37 MM shell and a hand grenade. They are harmless so friends may not fear while inspecting them. They are on display at Clark's Store.

The highlights of the evening were the crowning of the King and Queen. They were Lynn Parker and Melissa Bechtol. Other honors

were given to Mr. and Miss Personality who were Steve Nelson and Betty Bibler and Mr. and Miss Extra Curricular - Jim Whetstone and Vivian Hurst.

A fire of unknown origin completely destroyed the house on the A.O. Dobbs Miller farm Friday evening. The Mentone and Burket fire departments were called because of the high winds which made it very dangerous for adjoining fields and buildings. The Mentone Department was called out three more times to put out fires started in Lloyd Rickels woods by sparks that were carried by the high winds.

## LTL to meet

The L.T.L. will meet this Friday night, March 30 at 7:30 p.m. at the Akron Library basement. All members are urged to attend, and new members and guests are always welcome. All members who have not completed their posters for the poster contest should do so and bring them to this meeting.

## Letters To The Editor

Dear Editor:

The Mentone Chamber of Commerce directors would like to take this opportunity to say thank you to all those who helped in any way with the Mentone-Burket 4th and 5th grade basketball games last Friday night.

A special thanks goes to Mentone principal, Ronald Leichty; Burket principal and coach, Oliver England; announcer Rita Price; and scorekeepers George and Joann Welch.

Also thanks to coaches Cathy Creighton, Danny Anglin, Dennis

Johnson and Mike Hoyt; referees Bill Leininger, Jack Simpson, Charlie Smith and Jon Parker; and judges Mary Ann King and Buni Leininger.

Thanks also to Max and Linda Flenar, Ronnie and Dixie Secrist, Sil Wagner, Jo Gamble, Darrell King and Larry Pyle. A big thank you to those who attended the annual Chamber of Commerce Basketball games.

## Weather thwarts Akron firemen

Akron volunteer firemen received a call of an early morning chimney fire at a mobile home four miles east of Gilead last Thursday, March 22, but because of severe weather they couldn't reach the scene of the fire.

The firemen tried to go down SR 19 S to Gilead, but cars and trucks stuck in drifted snow completely

blocked the highway. The firemen had to back down SR 19 and work their way cross country to the home.

The story has a happy ending, fortunately, because the owners of the mobile home had already managed to extinguish the fire and there was only minor damage.

## Krouse, Kindig host Akron WCTU

The Akron W.C.T.U. met in the Library on Wednesday evening, March 21st at 7:30 p.m. The meeting opened with group singing with Anita Malbone at the piano. Inspiring devotions were given by Mrs. Lee Gearhart. The group was favored with a solo by Mrs. Phil Michaels. Mrs. Ray Doering gave a

short talk on, "Voting, Our Privilege and Obligation." A film on drugs was shown by Mrs. Paul Bowen. Mrs. Doering dismissed the meeting with prayer.

Refreshments were served by the hostesses Mrs. Virgil Krouse and Mrs. Paul Kindig.

Tippecanoe Valley School Corporation's already over-crowded classrooms to add the 300 students from tornado-destroyed Talma Jr. High School, but classes will resume Monday although not quite as usual, according to TVSC superintendent Robert Forbes.

Burket-area sixth grade students will remain at that school, changing it from K-5 to 1-6, the kindergarten half-day class moving into the Burket United Methodist Church. Remaining sixth grade students will go to Mentone along with the third, fourth and fifth grades will move into temporary classrooms in the basement of the Mentone United Methodist Church, the Youth League pavilion and the Mentone Town Hall.

In the aftermath of last week's killer tornado in which seven persons died in Fulton and Kosciusko counties, people helping people has become the key to recovery.

recovery.

The Akron Fire Department is heading a community fish fry Saturday, April 13, to aid the tornado victims of the April 3 tornado. Donations of food, clothing and cash will also be accepted.

The Fulton Co. REMC, whose headquarters building on SR 14 west of Rochester was destroyed, has set up temporary headquarters at the former Ault grocery on the south edge of Rochester.

Tuesday was Farm Clean Up Day in Kosciusko Co. with hundreds of volunteers assisting in the massive clean-up of farm buildings and debris-strewn fields. Nearly 50 Akron High School students, teachers and volunteers pitched in at the Forest Dunnuck residence in the Harrison Center community Monday, helping him restore some order to his grounds surrounding his de-roofed barn and damaged home.

## Mentone Nutrition Site

Here it finally spring by the calendar but it didn't look like it Thursday. The Mentone Nutrition Site had to close again Thursday due to the heavy wet snow. But the robins are in Mentone so we'll surely have nicer weather.

On Friday the Rev. Whitney Dough presented a hymn drama for us. He is choir director for the Herb Bowdin Crusades of Orlando, Fla. Fla.

We are happy to hear Debbie will be back on Monday bringing the food again. She was involved in an accident but wasn't seriously hurt.

We were sorry Friday to hear that Eva Mae Haist, our director will be taking a leave of absence for a month.

We were glad to see Joan Harmon again. The Harmon and Cullums were to the Holy Land last week.

This weeks interview is with T.R. Jones. He lives with his wife Louise at 403 No. Broadway in Mentone. They have lived there going on 11 years, following his retirement as minister for 4½ years at the Church of Christ. He preached at Columbia City for two years and at Bluffton for 4½ years.

T.R. was born in western Kentucky. He attended the Freed-Hardiman public school. After graduation he attended Murray State College and later Western Michigan College.

There are three children: Jim, an associate engineer at Purdue; Lee Anna, a commercial artist with Pletcher Furniture, Nappanee and Kent who is with O.E.C. in Bourbon.

We're all sorry Mary Norris that your March birthday was missed. We hope you can celebrate with the

April birthday people.

We're glad to welcome Dora Norris back from a trip to Florida.

The menu for the week of April 2-6 for the Mentone Nutrition Site is as follows:

Monday - Orange juice, baked turkey, dressing and gravy, candied sweet potatoes, cole slaw, whole wheat bread, margarine, fresh apple, milk, tea, coffee.

Tuesday - Tomato juice, beef chop suey, rice, mandarin orange salad with marshmallows, stone-ground wheat bread, margarine, chocolate pudding, milk, tea, coffee.

Wednesday - Apricot juice, meatloaf and gravy, mashed potatoes, succatash, white bread, margarine, oatmeal cookie, milk, tea, coffee.

Thursday - Grapefruit juice, pork cutlet with gravy, hot german potato salad, lettuce and tomato salad, pumpernickel bread, margarine, cherry crisp, milk, tea, coffee.

Friday - Hawaiian punch, hamburger on bun with condiments, cheese slice, baked beans, lime gelatin with vegetables, banana, milk, tea, coffee.

Menus subject to change without notice. Due to the diets of some people the food is not highly seasoned.

Carolyn and Ron Pattsy

## Pattsy to perform

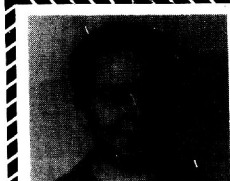

Ron and Carolyn Pattsy will present a special musical concert at the Akron Church of God on Sunday, April 1 at both the 8:25 a.m. and 10:30 a.m. services.

The Pattsys are among the nation's most renowned musical artists, as they're known for their radio and television appearances as well as recordings. Their credits include worldwide radio broadcasts via the Christian Brotherhood Hour, a weekly telecast entitled "Songs Over the Desert," which they produce and direct, camp meetings and conclaves, appearances with Fred Waring's Pennsylv-

lvania (with whom Ron appeared at the White House for a command performance in honor of Queen Elizabeth during Dwight Eisenhower's presidency), and serving as master of ceremonies and musical director for the Bill Glass Evangelistic Crusades.

The couple presents their own vocal and instrumental original arrangements. In addition, Ron presents "quartets" by himself by using his almost four-octave range.

The Akron Church of God invites everyone to attend the concert and hear the Pattsys.

## Reading Club members celebrate golden anniversary

The fiftieth anniversary of the Mentone Reading Club was celebrated by 26 members and guests on Wednesday, March 14, with a smorgasbord dinner at Teel's Restaurant in Mentone. Dinner music was provided by Beth Fugate, local harpist and music student at Indiana University.

A letter of congratulations from GFWC President, Juanita M. Bryant, was read by Kosciusko county past-president Elaine Fugate. She also presented, as a representative of Mrs. Bryant, a 50 year scroll to Reading Club president Rosemary Bazini. Vivian Kaylor, IFC president, had planned to attend but had to decline at the last minute due to inclement weather. Paz Ros, Kosciusko County GFWC president, sent a letter of congratulations which recognized the Reading Club's many years of service to the com-

munity.

Two charter members were present for the momentous occasion. Golda Mollenhour was presented a corsage for her 50 years of service to the organization. Also in attendance was Lois Fenstermaker, of Etna Green.

Letters were received from three other charter members who were unable to attend. They were Edna Burns of Timbercrest Retirement Home, North Manchester; Isabelle Johns, Riverside, California; and Pearl Egolf, Apache Junction, Arizona. Verbal regrets were sent by Faye Bunner, Grace Village.

A history of the club, as compiled by Annabel Mentzer, was read by Jerry Smith. The remainder of the evening was spent reminiscing and reading correspondence from former club presidents Mary Shirey, Von Dunlap, Mabel Norris, Norma Rush, Ruth Urschel, Ellenor Manwaring and Marjorie Cooper.

Past members attending and sharing the celebration were Genevieve Nelson, Jeannette Mollenhour, Eileen Koenig, Bobbie Wallace, Florence McKinley, Barbara VanGilder and Lois Lemler.

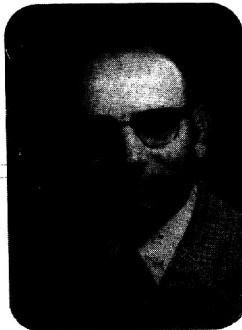

Elaine Fugate, left, presents a 50 year scroll to Reading Club president Rosemary Bazini at their recent anniversary celebration.

## Mentone firemen respond to call

The Mentone Fire Department was called to Midwest Spring Manufacturing Company last Thursday, March 22 at noon to extinguish a fire in one of their heat-treat ovens.

Although damage to the equipment was minor, materials in the oven were ruined. No one was injured.

Firemen remained on the scene approximately 35 minutes.

Chester Martin

## Martin to speak at Talma

April 1, 2, 3, 4 the Rev. Chester Martin will be the speaker at Special Services at the Talma Bible Church located just off Route 25 in Talma, Indiana.

Chester Martin has been a Pastor in Indiana for about 25 years. He was Pastor of the Lyford Bible Church and is now serving as the Pastor of the Fellowship Bible Church in Lafayette. He has served on several Mission boards, and has preached throughout the United States and in many foreign countries. In addition to his responsibilities as Pastor, he also is the

Director of the Indiana Bible Church Mission which endeavors to start Bible Churches where there were none.

The Rev. Martin will be speaking each evening at 7 p.m. Special music will be provided from several area churches.

The community is invited to attend these Special Services with us. For information or transportation, call Pastor Rod Ruberg at 223-4730 or 223-6828.

### Because of Friends Like You

It's good to open up the door and find you standing there.

For just to hear you say "Hello" can banish every care.

And when you come inside the house you bring so much along.

Companionship - a rousing smile that turns the hours to song.

The conversation never lags and time just slides away.

Because there's much for you to tell a lot for me to say.

These visits give the heart a lift one can't afford to miss.

And life is richer through the years because of hours like this.

So come as often as you can there are dreams for us to share.

It's good to open up the door and find you standing there.

## New books at Akron

New books at the Akron Library are:

**Belmullet** by Jocelyn Cobb - The saga of a courageous and passionate family of Irish immigrants, narrated by its adopted member, a young woman named Maudie McFarlane. At first she finds her new life at their family homestead, Belmullet, disturbing and unnatural; but she soon adapts to the rustic and simple lifestyle and finds support to carry her through an unfortunate love affair which sets the stage for a terrible dilemma involving her future.

**Against the Odds, a True American-Soviet Love Affair** by Andrei and Lois Frolow - He was a freelance journalist in the Soviet Union and she was an American student. They married in Moscow in May 1981, but the KGB harassed the Frolows and the Soviet government denied Andrei his right to emigrate to America with his wife, Lois. U.S. State De-

partment also discouraged Lois from taking any political action to secure Andrei's release. Their ultimate victory was a victory of ordinary citizens over superpower politics, of individual will over the might of the Soviet State.

**The Screen Greats, Ronald Reagan**, by Janice Anderson - From radio announcer to film actor to President is a long road, but one that Ronald Reagan has traveled with a certainty and confidence that have well prepared him for his greatest role ever.

**Winds of Blame**, by Jane Gilmore Rushing - When the citizens of a rural Texas community close ranks in the summer of 1916 to cover up a murder of a man who "needed killing," they set in motion events that lead in one direction only - to tragedy.

**Cataclysm**, by Julius Shulman, M.D. - The complete guide from diagnosis to recovery for patients and families.

"Do you find advertising brings quick results?"

"Yes indeed. Why only the other day we advertised for a night watchman, and that very night the safe was robbed."

**Recentments**  
Marriage is like the Army. Everyone complains but you'd be surprised at how many re-enlist.  
-Record, Columbia, S.C.

A woman drove into a service station. "Do you charge batteries here?" she asked. "We sure do," replied the mechanic. "Then put a new one in this car and charge it to my husband," ordered the woman driver.
