Runway Project Begins

A paved runway at the Mentone Airport drew a little closer to reality this week as workmen from the county highway department began the task of preparing the base of the 40' wide runway. The runway will be one half mile long when completed. After the grading is completed, a six inch bed of gravel will be added before blacktopping is begun.

Dr. Merle F. Strom Addresses School Group At Akron

Dr. Merle F. Strom, Chairman of Dept. of Educational Administration, Ball State U., called upon the voters in TVSC to use facts and full knowledge in deciding the kind, amount, and quality of education needed for children.

Speaking at a meeting held Tuesday night in Akron, he said, "Voting alone does not make democracy work. A wrong decision at the ballot box, may cause it to fall. To make democracy work the people must have all the facts, he said. The decision must then be in terms of the issue."

Dr. Strom said he has reviewed more than 1000 surveys and worked with educators and universities all over Indiana. What are the issues as he sees them? "An important one is", he says, "that our generation must be concerned with the year 200 A.D. We received a legacy, what kind of a legacy will we leave? What is a good high school? How much education is good enough? Is 1/2 or 3/4 or all that is available, what we want? Is what we are offering, better, equal or poorer than what is around us? Does this make any difference to our children?"

"If we are to decide school issues at the ballot box and make democracy work; the way we vote cannot be based on emotion. It clouds the issues and causes some real dangers; mainly the adverse effects it may have on the child's future, and the social problems between friends. It just is not worth it to fight", he declared.

During the long question and answer period, the very attentive and orderly audience of about 250 people heard Dr. Strom give many facts about the tools that make up a good present day school its laboratories, instructional materials center with

their electronic devices, conference rooms and many new concepts of teaching facilities.

Some remarks he made to get the voters and parents to think were: Education is a total thing, we must do a good job at all levels. By comparison TVSC is a wealthy corporation, the tax rate is about \$1.00 under the legal limit. The 199 square miles is not one of excessive distance. Nowhere, to his knowledge, are schools or areas of this size being divided he said. He observed the kind and quality of education is very important in bringing new industry to an area. The town of Muncie with a tax rate of \$10.36 was the first choice of Westinghouse Corp for a new large plant recently. Concerning the financial ability of local people to meet their tax obligations, he thinks taxes are like beauty: "It's in the eyes of the beholder." Truth For Today To Observe 20th Anniversary

The 20th anniversary of the founding of the Truth for Today Bible teaching ministry will be observed Sunday, May 5, at the home of Oscar M. Baker on road 100S near 600W. Visitors from several states have indicated they plan to attend, and speakers are expected from Muskegon, Mich. and Dunedin, Fla. The Bible study sessions will be held at 10:30 a.m. and 2:00 p.m. with a pot-luck dinner at noon. The Bakers extend a welcome to everyone who is interested in Bible study.

The Bible class began with small Sunday afternoon group meetings at the home of Oscar M. Baker, the teacher. The goal was to find what the Bible has

Local Time

Prevails For Voting

Atty. Gen. John J. Dillon ruled Friday that each county in the state may conduct its May 7 primary on its local prevailing time. This means that Kosciusko county polls will be open from 6 a.m. to 7 p.m., Eastern Standard Time.

School Election Has No Political Connection

Political affiliation plays no part in a school board election, and anyone can vote for board members or cast a vote in the referendum without stating which political party he favors. This will benefit some voters who hesitate to state party preference in a primary election.

Meet Your Candidates

A special feature of this week's paper is a series of articles about the five candidates for the Tippecanoe Valley school board. Also included is a sample ballot with all the candidates and the referendum. Gale Creighton's name still appears on the ballot because his decision to leave the corporation was made after the ballots were printed.

Write-Ins Are Not Permitted

Kosciusko county clerk Miss T. Ethna Scott reminds voters that Indiana law makes no provision for write-ins on the ballot. She said that any ballots bearing write-in votes will be considered void.

Cemetery Drives Levelled

Town officials this week expressed their appreciation to Frank and Jim Meredith, who leveled the drives at the cemetery last week and refused to accept pay.

Miss Tridle is the daughter of Mr. and Mrs. Loren Tridle of Mentone, and Mr. Hubartt is the son of Mr. and Mrs. Max Hubartt. The queen received a beautiful crown, and the couple received gifts given by the junior class.

Methodist Plan VBS

Plans have been completed by members of the Mentone Methodist Church for a vacation Bible school to be held from 8:30 a.m. to 11 a.m. each week day morning from May 27 until June 7.

Members of the junior class have expressed their appreciation for the help given them with the prom and for the party afterwards.

Ray Eckert, Harrison Township trustee, reminds residents that May 15 is the deadline for completing and turning in assessment sheets. He further asks that anyone who was accidentally overlooked contact him at once in order to avoid penalty for late completion of the forms.

Memorial Services Planned At Palestine

Memorial services will be held at 2:30 p.m. Sunday, May 26, at the Palestine cemetery. A business meeting will follow the memorial service.

Mentone and Burket firemen were unable to save a large barn on the Garwin Eaton farm Monday afternoon as flames completely destroyed the barn and much of the hay stored in it. Some of the machinery was pulled to safety, but some pigs were lost.

Where Is The Tippecanoe Valley School Corporation?

The Tippecanoe Valley School Corporation includes an area of 199 square miles. It includes Harrison, Franklin and Seward townships from Kosciusko county and Henry and New-

castle townships from Fulton county.

State roads 25, 14, and 19 cross the school corporation and State Road 30 goes through the northeastern corner. It is bounded by Marshall, Wabash and Miami counties in addition to other townships of its respective counties. Ranging from Crystal Lake and Road 30 near Warsaw on the north to picturesque Millark on the south, it is crossed by the winding Tippecanoe River and is dotted with many lakes. Located in a fertile farming area, its territory also boasts a variety of industry and business.

This map was made by Purdue University and was included in the Purdue Survey that was made in 1963. The areas designated geographical and population centers were determined by survey members. At that time, Purdue made two recommendations: 1. Build a new high school to house all students in grades 9-12 with Akron and Mentone high schools becoming junior highs and K-6 or 1-6 units being maintained at Akron, Burket, and Mentone. The survey pointed out, however, that the corporation covered 199 square miles and contained no natural socio-economic center. 2. Keeping high schools at both towns and maintaining junior high schools at Beaver Dam and Talma, a plan which has been followed until a fire in January destroyed the Beaver Dam school.

Dr. Donald J. VanGilder

Dr. Donald J. Van Gilder DDS, who has operated a private practice of General Dentistry in Mentone since 1936, seeks the District 1 seat on the Tippecanoe Valley school board.

A graduate of Mentone High School with the class of 1930, he attended Manchester College and graduated from the Indiana University School of Dentistry in 1935.

He is a member of the U.S. Army Reserve and served five years active duty with two years of overseas duty during World War II. He is a graduate of the U.S.A. Command and General Staff College, the U.S. Army Ordnance School, and the Medical Field Service School.

He is a Protestant and is a Past Master of Mentone Lodge No. 576 F&AM; a member of BPOE Lodge No. 802; a charter member of American Legion Post 425; a life member of Delta Sigma Delta fraternity and the O.K.U. Honorary Dental Fraternity.

He is married to the former Barbara F. Gast of Akron. Mrs. Van Gilder is now an active primary teacher. They are the parents of two daughters, Donna Kay, who recently returned from a two-year Peace Corps tour in Colombia, S.A. and is now teaching Spanish, psychology, and sociology at LaVillie High School where she is head of the Language Department, and Martha Ann, a junior majoring in education at Indiana University.

Dr. Van Gilder said, "A firm belief in the value of education has prompted me to take an active interest in the schools of the TVSC. We also feel that the education mission in the school district can best be accomplished by continuing a high school at Akron and at Mentone."

Long Distance Rates Change

Lengthening of the time periods in which lower rates apply to long distance calls within Indiana will take effect May 1, it was announced today by General Telephone.

The "evening" rate period for intrastate long distance calls will start an hour earlier on week days and will be in effect from 5 p.m. to 7 p.m.

The "night" rate period will be expanded to 7 p.m. to 7 a.m. daily instead of the present 8 p.m. to 4:30 a.m. schedule. Night rates also will apply all date Saturdays and Sundays, and July 4 and Labor Day will be added to Thanksgiving, Christmas, and New Year's Day as holidays on which night rates are charged. This rate permits a three-minute station-to-station call between any two Indiana points for 40 cents or less.

The extended low rate periods for calls between Indiana points will coincide with those adopted nationally for calls across state lines when the interstate long distance rate reduction took effect last Nov. 1.

Also in conformity to last fall's revisions in the interstate schedules, there will be some slight increases in charges for intrastate calls of less than 30 miles' distance. Five cent increases will be made in rates at the 11 to 13, 17 to 18, and 23 to 25 mile intervals.

The revisions which will have the effect of further reducing overall long distance costs were authorized by the Indiana public service commission at the request of General Telephone, Indiana Bell, and other companies.

Many sentimental letters have been written on the referendum before the voters of T.V.S.C. on May 7th, but little about education. Three high schools in the corporation have given up their High Schools for the sole purpose of one centralized High School. All of a sudden we are faced with the problem that neither of the remaining desire to give up theirs, as these seem to be sacred. It is regrettable that this decision is back to the voters, as we are right back where we started six years ago.

so as not to discourage the voters of any intent to build two new High Schools. This referendum lacks educational purpose and is politically motivated. If you vote for one High School, you can visualize what you are going to get. If you vote for two you are definitely voting for a blank check, which eventually will require building of two new High Schools. Wasting money at two High School locations is a short range program which may cause us to be denied our commission, only to end up building one centralized High School. Certainly this is the time to drop our personal sentiments and proceed to a plan of education unequalled only in

What even happened to the Purdue survey that recommended one High School. A new centralized High School would be $\frac{1}{2}$ or more paid for by the time it could be constructed if planning started immediately. I trust that the voters of T.V.-S.C. will reaffirm what was already decided six years ago, one centralized High School. If this is not done, the educational opportunities in T.V.S.C. will be marred for generations to come. If an adequate curriculum had existed I am sure the superin-

GIRL SCOUTS

BROWNIE TROOP 142

Troop 142 met April 16 at the Methodist Church. The meeting was opened with the pledge to the flag, Brownie promise, Girl Scout promise, attendance and dues. Refreshments were served by Cindy Jordan. Plans were made for a trip to Warsaw Sat., April 20. The girls then planted flower seeds in milk cartons to take home. Games were played outside after which the meeting was closed with Taps.

Saturday April 20, Brownie Troop 142 took a trip to Warsaw. They left from the Methodist Church at 9:30 and went to the YMCA then they attended an Art Show at the Washington School. From the Art Show they went to the Girl Scout Cabin to eat lunch. After lunch they toured the WRSW Radio Station and the Times Union offices. They saw how the Warsaw paper was printed and watched it being run off on the press. From the Times Union building they returned to the Girl Scout Cabin and enjoyed games then before they came home they went to the Flagpole and enjoyed an ice cream cone. Mrs. Charles Eaton helped drive. Mrs. Joe Good and Mrs. Gael Johnson were in charge.

Troop 142 met April 23 for a regular meeting. The meeting began with the pledge to the flag, Brownie promise, Girl Scout promise, attendance and dues. Refreshments were served by Carol Fawley. The Brownies made jewelry or trinket boxes by covering cigar boxes with stix paper. The remainder of the meeting was spent singing songs and playing games. Mrs. Kay Kindig stopped in to help with the craft and in Mrs. Good's absence Mrs. Betty Fawley helped Mrs. Janet Johnson.

JUNIOR TROOP 25

Jr. Troop 25 met in the basement of the Methodist Church with fifteen girls present.

The pledge to the flag was repeated for the opening. The girls went on a "bear hunt" with Stacy Stavedahl and Leslie Senff leading the hunt. It's always interesting to hear what all the girls have to go

through before finding the bear and how quickly they arrive back to the safe area. This is an imaginary hunt of course.

The patrols met and dues were collected.

Two overnight campouts will be held within the next few weeks. They will be in place of the Camporee which will be held this week-end at the camp site near Bristol. Mrs. Jack Deal is in charge of the camping trips.

Kathy Greer had work signed on the following badges: Housekeeper (completed), Troop Dramatics (completed), Rambler (completed), and Personal Health. Amy Bowser had work signed on the Sign of the Arrow and Cook with Leslie having badge work on Cook, Observer and Rambler. The previous week Lisa Owens was signed on Collector. Kathy Greer, My Home, Backyard Fun and Housekeeper and Amy Bowser, Backyard Fun (completed), Collector (Completed), Cyclist, Health Aid, Observer (completed), Skater, Trooper Dramatics and Writer.

The Brownies who are "flying up" will be our guests at our next meeting. The Fly Up Ceremony will be May 22 at the church.

Kathy Tucker furnished cookies for refreshments.

MILLER'S HARDWARE
Mentone

I Was There

BY Garrett H. Phillips

In just a few days we will vote on one or two schools, as of this moment I do not know which is best. One or two. There has been some discussion, and as to the value of education to the individual child. It no doubt makes very little difference, but to the towns and to the community it makes some difference.

How much I do not know. It is the teachers that make the school. We have very fine ones. At Mentone I ate across from a young teacher from Akron, who had been chosen as an outstanding young teacher in Fulton County. As to this minute I do not know how I will vote. It would be nice to have a football team, a swimming pool, wrestling as a sport. We would not be far from the airfield. I think flying should be taught. I would hope the school would buy enough land to teach the latest in farming. Good labs that would train great students in research. I would hope to have a strong commercial department. That is one of our great needs. Any facts that a student learns in school today may be out of date by the time of examination on the subject.

I have been in communities where the only purpose of the school was to teach students how to think. They were not expected to furnish the whole of life. Sometimes I think that is better.

I am not sure any school should have the child more than the regular time from 8:30 to 3:30. As we get bigger schools, that will bring teachers unions. Then we will need to pay for all the time. Now the teacher's gives at night. This will bring about a rethinking of our whole social structure. This may be good. I do not know.

Let us say as of now, about all a high school graduate has to look forward to is the Army, Navy, Air Force, Marines, Death and being wounded. There is more in life than this. What I am interested in, that we teach great moral values. The cost in money is not important, but the building of great character is. I am for one or two schools that makes my child and yours good Christians that go to church, votes at elections that are honest in their dealing, treat minority people with respect and build for a great today, a better tomorrow.

P.S. Vote, vote one or two, but vote. I was there and I was glad.

With The Sick

Fred Swick was admitted to Murphy Medical Center Sunday morning after being found in a ditch in front of his house by a passing motorist. It is not known how long he had lain there but his clothing was wet and he was chilled and in a state of shock. Anthony Nigo Chapter DAR Helps Honor Good Citizen Winners

Members of the Anthony Nigo Chapter, DAR, of Mentone were guests of the Agnes Pruyn Chapman Chapter, DAR of Warsaw on April 23.

The meeting was held at the Westminister Hotel at Winona Lake, and everyone enjoyed a

smorgasboard dinner.

Honored guests for the evening were the DAR Good Citizenship girls of Kosciusko county and their mothers. Mrs. C. R. Collins, Good Citizens Chairman of the Warsaw chapter, and Mrs. Paul Shireman, Good Citizens Chairman of the Mentone chapter, introduced the girls and presented each one with a certificate of award.

Other guests were Mrs. Chauncey Mollenhour and Mrs. Edison Tucker of Mentone.

Following the dinner, Mrs. William Nice, state treasurer, gave a report on Continental Congress.

The program for the evening was sponsored by the junior members of the Anthony Nigo Chapter. Mrs. Chas. Tucker introduced Mrs. Ray Webster of Syracuse who portrayed the true story of "The Sound of Music" by means of narration, singing, and chalk drawing.

It was announced that the May meeting will be at the home of Mrs. Loren Gross. This is a change of meeting place.

Anniversary Is Honored

A group of friends enjoyed a carry-in dinner Sunday at the home of Mr. and Mrs. Carl Mahoney, Palestine. The occasion was in honor of Mr. and Mrs. Clancy McSherry who will celebrate their 50th wedding anniversary May 2. A two-tier beautifully decorated wedding cake was presented to the McSherrys by the group with anniversary cards from each one present. Those attending, in addition to the honored couple, were Mr. and Mrs. Lester Bruner, Mrs. Anna Williamson, Mrs. Orley Grubbs, Mrs. Gold Kesler, Mrs. Eva Huffman, Mrs. Stella Swick, Mrs. Fred Armstrong of Warsaw, Mr. Pete Blue, Mr. Dale Kelley, and Mr. and Mrs. Francis Kehoe. David Bowser

David Bowser, 38, a Mentone resident, seeks the District 1 seat on the Tippecanoe Valley school board.

A graduate of Mentone High School, he is a fitter-scraper at Clausung, Inc., Warsaw. He is a member of the Methodist Church, the Masonic lodge, Eastern Star, and PTA.

He and his wife, the former Eileen Kercher, who is assistant librarian, are the parents of three children, Rex, 18, a senior at Mentone; Reid, 13, an 8th grader at Talma; and Amy, 9, a 4th grader at Mentone.

Bowser said the reason he is running for the school board is that he believes in education. He continues by saying, "I believe that education has changed and up-graded so much that if we are to keep pace with the coming times, we must combine our two small schools into one larger one where all students will be given many more opportunities to prepare for the future—whether that future be college, armed forces, farming or housewife."

"I believe," he says, "that we must look several years ahead and consider what the needs will be then and not just what we can 'get by' with right now."

"I want to serve the taxpayer and the parents of our children for better education in the Tippecanoe Valley School Corporation."

Editor's Viewpoint

The school issue has been discussed at length in this paper for the past month, and many thoughtful letters from people representing each point of view have been printed. We welcomed this means of exchanging ideas and would like to compliment the writers of these letters for having kept the letters objective and non-vindictive. We hope the same thoughts prevail when the votes are in. We will

We Get Letters . . .

Dear Editor,

I have followed with great interest the one or two school debate going on in the TVSC. Next Tuesday is the day the debate will end and the voters will answer the question. But will this vote be one of all the people?

Being a teenager who is interested not only in good education but also good government I envy anyone eligible to vote. I am shocked when only forty or fifty percent of those eligible vote at election time.

We have men dying in Viet Nam to keep these people free and able to select what type of government they want. However many of the voters in this county do not vote when the opportunity is given to them to do so.

If you are in favor of one school or two schools or like a candidate better than another be sure to vote next Tuesday. It's your only chance to officially let your opinion really count.

Remember the words of the famous English statesman, Edmund Burke, "All that is necessary for evil to triumph is for good men to do nothing." Are you voting next Tuesday or staying home and doing nothing?

Sincerely yours,

Thomas W. Harman

Thomas W. Harman, 36, R. R. 1, Mentone, seeks the District 1 school board seat. A graduate of Etta Green High School, he is married to the former Jody Cullum who is employed as a bookkeeper. They are the parents of two children, Tim, 14, a student at Talma Jr. High, and Lisa, 12, a student at the Mentone school. The family belongs to the Church of God.

Harman served in the U.S. Army, being stationed in Alaska during the Korean conflict. He is co-owner of the Bourbon News-Mirror.

Regarding his bid for the school board post, he said, "I am seeking the position of School Board member to insure continued education in the best interest of the children, and to try to help keep the corporation on a pay-as-we-go plan, and to also try to keep a moderate tax rate for our corporation."

considered, from getting the sound education they need.

Much comment has been made about "facts." Actually, what facts are there to be presented except that one of our schools burned and relocating the two hundred students has caused an over-crowded situation in the rest of the schools. The question the voters will decide is whether they prefer a centralized high school or the continuation of high schools in Akron and Mentone. As to what either of the choices would contain or cost, no one can honestly say until bids are submitted, and this can be done only after the will of

the people is known. A vicious cycle, perhaps, but one that can only be solved by determining what the citizens of the corporation want and working from there. And harmonious working is the only way to get the job done.

As you look through seed and nursery catalogs, be sure to select at least one plant which is new to you and your garden, urge Purdue University extension horticulturists.

Hawaiian Baked Apples

Those marvelously firm and tart apples that are ideal for cooking are in the markets now, meaning it's time for pies, sauces and baked apple desserts. A sensational one, we think, is Pineapple Apples, Baked. Made with crushed pineapple, they are a mouthwatering blend of flavors. Irresistible served warm with cool, rich cream, or ice cream.

Parson Jones Speaks

Dear Mr. Publisher:

My oldest youngun come running in the house the other day with a wrinkled paper declaring that it was a letter that had been wrote to Jesus in 31 A.D. My younguns had been digging in the back yard looking for Pirate treasure and had run across this letter. I don't know whether its a bonefied letter or not, Mr. Publisher, but for whatever its worth, here are its contents:

"Dear Jesus:
I am one of the leaders of the 'church' in Jerusalem. As you know, we strive for purity and perfection. Ask anybody and they will tell you that we have only the finest folks in our membership. As a matter of fact we have a screening committee here that makes sure we get none of the riff-raff in our group. Most of our folks could well qualify for who's who in Jerusalem. Now, Jesus, I don't mean to sound critical, but I feel it is my religious obligation to warn you about some things. After all you are young and inexperienced in some of the facts of life. It has come to our attention recently that you have been associating with some rather unsavory characters. We know you mean no harm, but then too, you are young and inexperienced. This is all the more reason you could be sucked in to some rather embarrassing situations.

Jesus, several things have come to our attention in the past few weeks. First, it was reported that you have been seen palling around with one Zacheous, who is a tax collector - a friend of our Roman enemies and a shady dealer. You can imagine what such reports do to the image of our 'church'. It appears to us that you could find friends who are more in line with our kind of thinking.

Another thing that hasn't helped us too much is your constant visits into Samaria. Jesus you know this territory is out of bounds for any decent

thinking person. It's no use in trying to work with these people - they don't think like we do - that's all! Another piece of advise---We hear, and I hope its rumor, that you were seen talking to a shady woman at the Samaritan well the other day. Our chamber of commerce has been doing everything we can to fight this rumor. Your denial of this charge would certainly help us.

Jesus, please do not be offended at this letter, because it is your interest that is our concern. Sincerely, Nicolmobus, Chief Pharasee"

Eldon Cumberland

Eldon Cumberland, 53, has served on the Tippecanoe Valley school board for almost six years, and he is currently serving as president. He seeks re-election as the school board representative from Seward township, (District 2).

Cumberland, a farmer and fertilizer dealer, is a graduate of Beaver Dam High School and is a member of the Beaver Dam LUB church. He and his wife are the parents of two sons, Max L., a partner in the farm and business, and Mylin L., a freshman at Purdue university.

He said, "I feel we have had a good educational system in TVSC up to the time of the Beaver Dam fire. With the fire at the Beaver Dam school, it has made a definite crowded situation and the time has come for changes to be made. My 5-34 years on the school board and the knowledge and experience I have received are needed at this time to make a sound approach to the tasks ahead."

Several ladies in the Church are honoring Linda Smalley with a Bridal Shower, Wednesday, May 8th, in the Church basement. Anyone wishing to attend will be welcome. In last week's paper the date was set for the 6th but due to another meeting to be held that evening the date was changed to the 8th.

The Builder's class met at the Church on Thursday evening to clean the church yard and have their April meeting, with Mr. and Mrs. Gerald Smalley as hostess. Following the cleaning they met in the basement for their business meeting. There were 14 adults and 27 children.

Tim Boganwright was the guest of honor at a birthday party held at his parents home. After enjoying games the 10

guests enjoyed sandwiches, ice cream and cake.

Recent callers at the Worden Perry home were Mr. and Mrs. Jim Hill and Mrs. George Ihnen.

Mr. and Mrs. Keith Moore and son were week-end guests of Mr. and Mrs. Orville Swick and sons.

The Homemaker's Class met at the home of Mr. and Mrs. Ed Bucher on Sunday evening and the 13 members enjoyed a delicious Fish supper put on by the hostesses. Mrs. Amanda Murphy was honored with a birthday cake decorated for her 81st birthday.

Wilma Clinker was honored with a picnic supper on Sunday evening for her birthday. Those attending were Mr. and Mrs. Gerald Clinker, Mr. and Mrs. Harold Miller, Mr. and Mrs. Buddie Butts and daughters, and Mr. and Mrs. Maurice Haney and family.

Mr. and Mrs. Fred Haney spent Sunday with her sister, Mr. and Mrs. Winn Bower of Waterloo.

Mr. and Mrs. Frank Cumberland called on Mr. and Mrs. Eldon Cumberland on Sunday afternoon.

Mr. and Mrs. Con Shewman, Ronnie and Jennifer Jo spent the week-end with her sister, Mr. and Mrs. Larry Wilson and Dennis Gene of Montgomery, Indiana. While they were there they helped Dennis to celebrate his 2nd birthday.

Editor, Mentone News:

I wish to make the following observation regarding the TV-SC situation and the coming referendum and vote as to the consideration for plans of one central high school or two high schools, one in Mentone and one in Akron.

I believe these statements as published and also the sample ballot are misleading and confusing. I believe there are those not fully understanding what they will be voting for.

It is rather confusing. Are you voting for one new central high school, or, as it is implied, two new high schools? One in Mentone and one in Akron. I am sure this is not the plan or the intention. No doubt the present buildings would need additional rooms, however I feel certain this referendum vote needs to be thoroughly clarified and explained that voters will know exactly what they are voting for. Believe me, the addition of several million dollars to the tax burden really works a hardship on elderly taxpayers living on a small limited income. Be sure to vote carefully. You still have a problem in electing or re-electing school board members.

Time will show you are going to have a large turnover in your teaching personnel. Is this good sound policy and management in operating a progressive educational institution? It

is lack of foresight and stability for future aims and plans. Be careful how you cast your vote.

Mr. Kennedy is going to pave the streets with gold and pay all your bills, why worry about such small matters as a school? "Big Deal." A paradise on earth? I thought the Congress made the laws.

Respectfully,
W.E. Fowler

Meet Your Candidates

Richard Goshert

Richard (Dick) Goshert, Seward township, filed in February as a candidate for District 2 of the Tippecanoe Valley school board.

Goshert, 28, is a lifetime resident of Seward township, is a graduate of Mentone High School (class of 1957) and attended Manchester College for two years where he studied business administration. He is a licensed pilot, a member of AOPA and is an active member of the Claypool United Methodist Church.

Goshert is associated with his father and uncle, Dean and Bob Goshert, in the Burket Elevator where he holds the position of Sales and Project Manager. He is married to the former Patricia Ann Silveus and they are the parents of three children, Theresa Jo, 6; Richard Dean, 3; and David Leroy, 2. Mr. Goshert's sister, Mrs. Richard (Marna) Reidel, is a teacher at the Burket Elementary School.

Goshert, who served as precinct chairman of Seward township during 1966 and 1967, said he filed early to show that, like most young parents today, he is vitally interested in the best education obtainable for the tax dollar. Stating that he is from a family that has maintained ownership of a farm in this community for over 125 years, he said "he wants schools in TVSC that will provide the skills and inspiration to make all our communities continue to grow and be a pleasant place in which to live and raise our families."

Saying he is eager to serve his community, he said his goal is "To make possible the quality of education needed, so that all the Tippecanoe Valley School Corp. students are capable of meeting the challenge of an ever-changing world."

He also said, "I honestly pledge, if elected, to work agreeably and sincerely with my fellow school board members and all other school personnel."

We Get Letters . . .

Election Day is nearly here. Many questions in the minds of people are yet unanswered. In fact, even after the referendum decision is in, there will still be questions which can't possibly find answers at this time. People are in a state of indecision simply because they haven't been given all the desired information. Going into any type of corporation building program - whether for one new centralized high school, or for whatever is needed at the present schools in Akron and Mentone - there is an area of the "unknown". With all best knowledge, advice and leadership, there still remains the fact that probably no plan is the perfect answer. We as Tippecanoe Valley School Corporation patrons and voters are faced with this question in the referendum -- which choice is the best?

Much information, many facts, figures and arguments, capable speakers, quiz games and paid advertisements, -- all these have been presented to the public by the Centralized High School Citizens Committee. These have been quite convincing in many ways, only there has been very little mentioned concerning one very important factor -- our tax rate, and how it will be affected. Let's be realistic in looking at this. The tax rate is certain to be increased!!

Also, in building one high school, grades 9-12, out in the country, this will leave two neglected Jr. High schools. -- Too few pupils, a problem of supplying enough teachers, in proper area, for the necessary curriculum, plus dividing the time between two Jr. Highs. Perhaps in our planning, we've

become so engrossed with the thought of one magnificent high school, we've overlooked another vital segment of our students - the Jr. High group.

Can we become unselfish in our thinking, motives and objectives as far as any building program for the Corporation is concerned? Perhaps what is needed at Akron is not needed at Mentone, so why keep everything on a "tit-for-tat" basis. With expert planning, each school, and its need or needs, as the case may be, can be provided for now, and also with the future in mind. Some schools and many colleges do this sort of thing right along. Your campus-type schools serve a real need and can provide the answer for us in Tippecanoe Valley.

Isn't it illogical to spend so much money for one centrally located school that will serve only a portion of the student population? Perhaps we're looking around to other corporations who have these ultra-luxurious high schools, and we're desiring something we shouldn't have! (Do we really want a similar burden of debt that they also carry???)

Possibly all of these many corporations with their new buildings and huge debt have not solved the building problem correctly. Maybe we're looking at them in the wrong light. Not necessarily is the majority always right. Why should we

panic simply because we don't have one centralized high school? Couldn't we, although in the minority, continue steadfastly on? Our depth of curriculum and education, which has been and still is, of the best, hasn't suddenly, over night, become obsolete and bad, has it? I don't believe so. Possibly the change has come in the minds of those who feel we must have the centrally located high school -- and right now!

We can't just shrug our shoulders and think that somehow, somewhere in the future, somebody will come along and help us out of our debt. This is poor business management. And yet, going into a building program of one centrally located high school, we can't possibly know the outcome on money issues. Monetary matters and the economic situation are too uncertain at this time. Let's not take on more than we can

handle. We can still be progressive without burdening and encumbering ourselves so much beyond our cap.

Sometimes one has a certain feeling or sense of rightness concerning a situation. This is how we feel towards the referendum issue - that two schools in the towns of Akron and Mentone, is the best solution. We don't feel we have to raise our voices in protest and/or loudly proclaim the merits of our thinking. We will quietly, steadfastly and sincerely vote the integrity of our convictions at this time. Will you join us in our thinking -- and vote for two schools, one located in Akron and one located in Mentone, as your choice.

DONALD J. VAN GILDER

Board Member 1st District Tippecanoe Valley School Corporation

Subject candidate was born at Mentone where he graduated from M.H.S. '30; attended Manchester College, and graduated from INDIANA UNIVERSITY OF DENTISTRY, class '35

A member of the U.S. Army reserve, he served 5 years active duty with 2 years overseas duty WW II. A graduate of the U.S. Army Command & General Staff College, and the U.S. Army Ordnance school and the Medical Field Service School.

A Protestant, I am a Past Master Mentone Lodge 576 F & AM, charter member Mentone American Legion, a life member of Delta Sigma Delta fraternity and the O K U Honorary Dental Fraternity.

Dr. Van Gilder married Barbara F. Gast, Akron, Indiana, in June 1941. Barbara is an active primary teacher. We have two daughters.

Our daughter, Donna Kay Van Gilder, recently returned from a 2 year Peace Corps tour in Colombia, S.A., is now teaching Spanish, psychology, and sociology at Laville H.S. where she is head of the language dept.

Our daughter, Martha Ann Van Gilder, is a Junior at Indiana University. A firm belief in the value of education has prompted me to take an active interest in the schools of the T.V.S.C. This candidate feels that the education mission can best be accomplished by continuing a high school at Akron and at Mentone.

This candidate, one of the first to encourage a choice by referendum, will naturally honor the voter's decision.

Mr. Richard Reidel, election commissioner for Kosciusko Co., advised the group that no write in names is allowed in Indiana. He warned voters to mark ONLY in the square, if their vote is to be counted. "But be sure to VOTE," he said.

Vice Chairman, Lloyd Bowerman commented on the fact that during the series of five meetings all have been open and the audiences were orderly, attentive and questions were asked for the purpose of learning the facts. "Although there are two sides to the latter, good conduct and fair play has been the rule; though this may not make exciting news, it does prove that there is no Mason Dixon line in our communities, the people are very much alike in TVSC, and can live and work together peaceably with a difference of opinion," he said.

TVSC elects Van Gilder, Goshert; referendum favors two schools

Richard Goshert

Residents of the Tippecanoe Valley School Corporation indicated Tuesday that they favored maintaining high schools at Akron and Mentone. The vote showed an almost 3-2 victory for the two school group.

Districts favoring a centralized high school for the corporation were Franklin 2, Seward 1 and 2. Favoring two schools were the remainder of the Kosciusko precincts and all of the Fulton county precincts.

Although Thomas Harman and Eldon Cumberland carried Fulton county by a heavy margin, they lost to Dr. Donald Van Gilder and Richard Goshert when the Kosciusko vote came in. Goshert received the plural-

Will Erwin Wins Nomination

Republican Will Erwin, Etna Green, won his party's nomination for representative from the third district last night by besting his opponent David Barrett in all four counties. The third district is composed of Kosciusko, Marshall, Elkhart, and St. Joseph counties.

lity in all Kosciusko precincts for the Seward township post while Cumberland carried all but Newcastle township in Fulton county. Harman carried all the Fulton county precincts but was nosed by Van Gilder in all but Seward 2 in Kosciusko county.

The school corporation is composed of five townships, Seward, Newcastle, Harrison, Franklin and Henry. At stake in this election were school board seats in Seward and Harrison townships. Eldon Cumberland, who was defeated by Goshert, is currently president of the board and has served for over five and one half years. Gale Creighton, present board member from Harrison township, was third high in his district although he

had previously stated he would not be available to serve if elected. David Bowser, the fourth candidate from Harrison township, trailed in the final count. His strongest support came in Newcastle township

where he picked up 64 votes. Dr. Van Gilder and Mr. Goshert will assume their school board duties in July and will join present board members Ralph Davis, David Burkett, and Dr. O. L. McFadden.

Enshrined In Hall Of Fame

Lawrence Bell, a Mentone native who founded Bell Aircraft Corp. in 1935, will be enshrined in the Wright-Grissom Hall of Fame in ceremonies to be held Saturday at the Bunker Hill Air Force Base officers' club. This is the second annual selection of Hall members, sponsored by the Indiana Aerospace Association and the 305th Bomb Wing at Bunker Hill.

Grissom AFB

Dedication Is Set

Dedication ceremonies for Grissom Air Force Base, now Bunker Hill Air Force Base, will be conducted Sunday, May 12, at 1 p.m.

The Bunker Hill base will be named in honor of the late Lt. Col. Virgil (Gus) Grissom who lost his life Jan. 27, 1967 when he and two fellow astronauts were trapped in their Apollo spacecraft which was engulfed in a flash fire as they were testing it on its launching pad. Grissom was one of the pioneer Mercury Astronauts and made the second manned space flight.

Following the dedication ceremonies, which will be held on the flight line, there will be a 30-minute concert in Grissom's memory by the Purdue Marching Band.

An air show will follow the band concert and will feature the U.S. Air Force Thunderbirds, the U. S. Army jump team, The Golden Knights, and other attractions. The base will be open to the public beginning at 8 a.m. on Dedication Day. Numerous exhibits will be displayed in the flight line area depicting aerospace accomplishments from vintage flying machines to outer space.

BUNKER HILL AFB, Peru, Ind.--Dennis and Norman Grissom (l-r), father and brother of the late Air Force Lieutenant Colonel Virgil I. Grissom, view the first of many signs at this Strategic Air Command installation which will soon bear the Grissom name. The base will be renamed on May 12 honoring the memory of the late Hoosier astronaut. Gates open to the public at 8 a.m. (USAF PHOTO).

Methodists Have Mother-Daughter Banquet

Mothers, daughters, and grandmothers came from as far away as Minneapolis, Minnesota, to attend the Mother-Daughter Banquet Sunday evening in the Mentone Methodist Church. Mistress of ceremonies Mrs. Jerry Hudson opened the program with the poem, "A Mother's Day Prayer." Miss Theresa Bazzini sang grace. Following a delicious dinner served by the Methodist Men to a group of one hundred-thirty four, group singing was enjoyed, led by Mrs. John Teel.

Several three-generation families were present, and each was recognized. The senior girls were presented with a small gift. Those present were the Misses Karen Anglin, Kathy Tridle, Cindy Whetstone, and Pat Greer. Mrs. David Bowser gave the welcome to daughters, and her daughter, Amy, gave the response.

Mrs. F. B. Davison then introduced the speaker, Mrs. Rosemary Manifold, of Huntington,

who presented a very entertaining program entitled "Sonnets On Bonnets".

Mrs. Carl Whetstone gave the benediction.

Committees who made the evening possible were: Hostesses: Mrs. Paul Haist and Jackie. Mrs. Gerald Romine and Susan. Posters: Miss Robin Phillips. Tickets: Mrs. Loren Tridle. Mrs. Frank Smith. Mrs. Harold Luchy and Mrs. John Bowerman. Table setters: Mrs. John Ellsworth. Mrs. Oren Murphy. Mrs. Marion Smith. Table decorations: Mrs. Bill Boardman. Mrs. Allen Herendeen. Mrs. Iris Anderson. Mrs. Jack Fawley, and Mrs. Howard Fawley.

spake as they were moved by the Holy Ghost." (2 Peter 1:21) Paul told Timothy: "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness." (2 Timothy 3:16) Paul wrote to the churches of Galatia: "But I certify you, brethren, that the gospel which was preached of me is not after man. For I neither received it of man, neither was I taught it, but by the revelation of Jesus Christ." (Galatians 1:11, 12) Holy men of God wrote the scriptures by the inspiration of God. The gospel of Christ which is God's New Testament (Hebrews 9:15) was given to us by the revelation of Jesus Christ.

GIRL SCOUTS

A Column of News By And For All Girl Scouts Of The Mentone Community

Brownie Troop 13

On Wednesday afternoon, Brownie Troop 13 met at the Methodist Church for its regular meeting. After the business was taken care of, the girls went outside on the lawn and Harold Lucht showed them the proper use of a jack knife. He also showed the girls some different types of knots and a good use for each kind. After practicing a few times, the girls went to the church basement and finished making their "sit-upons" which they had started the week before. There was quite a bit of chatter about the weenie roast to be held at Talma, the "Fly-Up" ceremony to be held May 22 and summer day camp in June.

JR. TROOP 25

Junior Troop 25 met last Thursday afternoon in the basement of the Methodist Church with the Brownies who will "fly up" as their guests. Several Brownies were unable to be present.

The pledge to the flag and the promise were repeated for the opening. After the introduction of each Brownie Leslie Senff and Kathy Greer explained what they had to do in passing a particular badge.

The patrols met and dues were collected. The Brownies sat in on the patrol meetings. The overnight campout was discussed. This will be on Friday, May 10, at the Boy Scout Woods. The girls are to be at the church at 5:30 and will return there shortly after noon on Saturday.

Wendy and Cindy Deal entertained everyone with two songs, "Australia" and "Dance to the Lemme Stirk".

Refreshments of cookies and Kool Aid were served and the meeting closed with Taps.

BROWNIE TROOP 142

Brownie Troop 142 met recently for a short business in the basement of the Mentone Methodist Church with 17 members present. The group then walked to the library and Mrs.

Pearl Lackey greeted all. She then showed and told of her doll collection. Some dolls were family treasures, some were of other lands, which proved to be very fascinating to all the Brownies. Jane Bach and Melva Smith showed and told about their most unusual doll that they had. She then presented the girls with a variety of doll books that they could take home and read. Each Brownie present received a treat.

After returning back to the church, various games were played. Refreshments were discussed for our weiner roast to be held next week. The meeting dismissed by singing the Brownie Good-Night Song.

War Mothers Meet

The War Mothers met recently at the home of Mrs. Dorothea Cullum. The meeting was called to order by the president, Minnie Busenburg, and the salute to the flag and singing of the national anthem completed the opening. Prayer was given by the chaplain.

Roll call was answered by twelve members, each of whom told a short story or read a poem. Plans were made to attend the district meeting at Knox on May 15.

The Mothers will take part in Decoration services.

All reports were read and approved, and refreshments were served.

With The Sick

Fred Swick was dismissed from Murphy Medical Center last week and was taken to the Miller Merry Manor Nursing Home.

Mr. and Mrs. Gerald Ballenger spent the week-end with Mr. and Mrs. Mickey Eaton and family at Evert, Michigan.

Alta Mollenhour Dies In Rochester

Mrs. Alta May Mollenhour, 84, Rochester, a former Mentone resident, died Sunday morning at the Rochester Nursing Home where she had been a patient since September, 1967.

The daughter of Elijah and May Hockert, she was born Feb. 14, 1884 at Nappanee. She was preceded in death by two husbands, L. C. Foster and Miner Mollenhour.

Surviving are two granddaughters, Mrs. David Bailey, Rochester, and Miss Shari Foster, Rochester; a grandson, Joseph Foster, R. 2, Rochester; a step-daughter, Mrs. Devon Eaton, R. R. 5, Rochester; a stepson, Kenneth Mollenhour, Mentone; three step-grandchildren; three great grandchildren; a sister, Mrs. Lou Blue of Portland, Ore.; and two brothers, Michael Hockert, Detroit, Mich. and Hubert Hockert, Palmetto, Fla.

Funeral services for Mrs. Mollenhour were conducted Tuesday afternoon in the Foster and Good Funeral Home in Rochester with Rev. Allen Byrne officiating. Burial was in the Mentone cemetery.

DID YOU KNOW?

Mr. and Mrs. John Bowerman and son of Purdue spent the week-end with their parents.

Mrs. Walter Harman and Mrs. Dorothea Cullum were Sunday dinner guests of Mr. and Mrs. Tom Harman and family.

Mr. and Mrs. Vern Hedland of Logansport were Saturday evening dinner guests of Mr. and Mrs. Artley Cullum and Mrs. Dorothea Cullum.

Sunday dinner guests of Mrs. Lois Perkins were Mr. and Mrs. David Busenburg of Rochester. Mr. and Mrs. Henry Kuncle of Elkhart called in the afternoon.

Friendly Neighbors Club Hears Lessons

The Friendly Neighborly Club met Thursday in the home of Mrs. Ruby Smith.

The meeting was conducted by the president, Mrs. Golda Mollenhour. "America the Beautiful" was sung with Mrs. Everett Beeson then leading the pledge to the flag and the club creed.

The history of the song of the month, "Faith of Our Mothers," was given by Mrs. Kyle Gibson. The song was then sung by the group.

Mrs. Don Bunner read two poems, "All for Each" and "A Smile or Two," for meditation.

Mrs. Dora Whetstone gave a very interesting paper on rabies, its effect on the human body, treatment of the infected animal and medication for persons who come in contact with rabid animals.

The preparation of the soil, the planting and caring for asparagus was the subject discussed by Mrs. Ruby Smith for garden remarks.

"Secrets of a Good Salad Maker" were told by Mrs. Beeson. She created much interest by handling out questionnaires with blank spaces to be filled in with salad phrases. Her talk was very meaningful and interesting. Besides, she proved a point when she served a delicious frozen salad to the guests.

Roll call was answered by a household hint, verse or witty saying.

As a gesture of good will and encouragement to the ambitious young people, the club voted to give five dollars to Terry Hammer as a small contribution to his trip to Europe as a member of the School Band and Chorus of America, a people to people program of good will. He will be gone from June 28 to July 28.

The meeting closed by singing the club prayer song and repeating the collect.

Tippecanoe News

Mr. and Mrs. Larry Swihart of Tippecanoe entertained guests Sunday in their home in honor of the birthdays of their son, Keith, and Mrs. William Chapman. Those helping celebrate were Mr. and Mrs. Ralph Burroughs, William Chapman, Mr. and Mrs. Paul Stephenson and Mrs. Cora Grossman all of Argos, Mr. and Mrs. Harold Chapman and family of No. Manchester, Mr. and Mrs. Lowell Chapman and family of Nappanee and Mr. and Mrs. Ralph Bring of Fremont, Ohio.

Mr. and Mrs. Hal Menser of Argos are the proud parents of a little girl, Paula Sue, born Friday, May 3rd, at the Bremen Community Hospital. She weighed 7 lbs. and 5 ozs. Maternal grandparents are Mr. and Mrs. Lamar Pfefferle of Lake of the Woods and paternal grandparents are Mr. and Mrs. Robert Menser of Tippecanoe. Paula Sue has a brother, Ricky.

Wednesday callers of Mrs. Laura Baer were Mrs. Mildred Martin and Mrs. Janice McLean of Argos.

Mr. and Mrs. James Osburn had a birthday dinner for her mother, Mrs. Frances Erwin of Warsaw, Thursday evening. Helping celebrate were Mr. and Mrs. Gordon Young of Warsaw.

Sp 4 Phillip Lewallen, who has been stationed at Ft. Belvoir, Virginia, arrived last Friday at the home of his parents, Mr. and Mrs. Charles Lewallen. He is home on a 30 day furlough before reporting to Ft. Dix, New Jersey to be sent to Germany.

Thursday evening visitors of Mrs. Laura Baer were Mr. and Mrs. Richard Markley and family of Rochester.

Sunday dinner guests of Mr. and Mrs. Milo Reichard and family were Mr. and Mrs. Russell Reichard of Etna Green. Afternoon callers were Mrs. Darlene Hawkins and Joey of Bourbon.

Mr. and Mrs. Thomas Dean and family spent the week-end at Muncie with Mr. and Mrs. Robert Hartley and at Daleville with Mr. and Mrs. Robert Dean. On Sunday, Mrs. Robert Dean had a birthday dinner in honor of Thomas Dean.

Mr. and Mrs. William Heck and family were Sunday dinner guests of Mr. and Mrs. John Oberley of Wyatt.

Mrs. Pauline Fites of Bourbon, Mrs. Lorraine Moriarty and Mrs. Phyllis Martin spent the week-end at Indiana State University in Terre Haute with their daughters. The occasion was "Carnival for Mothers." On

Sunday the ladies enjoyed the Reevite Singers.

Mr. and Mrs. Donald Baer and Lisa of Mishawaka, Mr. and Mrs. Lynn Holston and Drew of Lydick and Jasper Baer of South Bend were Saturday visitors of Mrs. Laura Baer.

Mr. and Mrs. Lee Mullins have returned to their home after spending the winter at Englewood, Florida. Visitors have been Mr. and Mrs. Gerald Leffert and Diana of Argos and Mr. and Mrs. John Robinson and daughters of South Bend.

Mrs. Ruth Sill and Audrey Grossman of South Bend returned home from an eight day

trip to Florida. They visited Cypress Gardens, Bok Tower, and Miami. While there they had a plane trip to Lehigh Acres at Ft. Myers. They also drove to Key West, Florida and came home through the Smoky Mountains.

Sunday dinner guests of Mrs. Laura Baer were Mr. and Mrs. Hodge McNeely and daughter of Ft. Wayne. Afternoon callers were Mrs. Mildred Martin and Mrs. Verna Stevens and Deana of Argos and Mr. and Mrs. Glen Deaton of Ft. Wayne.

A Gas Grill makes outdoor cooking more fun with no fuss!

NO WAITING Just turn it on and start cooking! No long wait for the fire to get hot enough.

COMPLETE CONTROL The heat is adjustable from start to finish whether you're searing steaks or smoking ribs.

IT'S CLEAN There's no messy charcoal. The ceramic briquets are permanent — no smudges, no ashes. When you turn it off, you can forget it!

BETTER COOKING No chance of ruining a beautiful steak. You can have it just the way you like it... rare, medium or well... because you can control the fire.

ECONOMICAL

It operates at one-tenth the cost of charcoal.

For outdoor cooking perfection

GAS makes the BIG DIFFERENCE

... costs less, too!

BANKING IS FOR EVERYONE

Time was when wage earners, small business men, farmers and many others paid their bills in cash and kept the surplus in a cookie jar.

Now everyone — well, almost everyone pays his bills by check, keeps his surplus cash in a savings account, stores valuables in a safe deposit box, makes bank loans for large purchases and other worthwhile purposes.

Make this bank a part of YOUR everyday living.

Mrs. Frank Hudson was a guest at a Mother and Daughter supper and program on Sunday evening at the Mentone Methodist Church.

It's Tick Time In Indiana

Lafayette, Ind., May 3. Ticks are now making their appearance in Indiana, says Glen Lecker, Purdue University Extension entomologist. The species commonly found in this area is the American dog-tick or so-called "wood tick." It is grey in color and has a flattened body except when gorged with blood. Then it may swell to many times its normal size. The ticks feed on many kinds of animals, including dogs and sometimes people.

The American dog tick is capable of transmitting the disease known as Rocky Mountain spotted fever. This disease is not common in Indiana and not all dog ticks carry the casual organism. Even so, care should be taken to prevent ticks from feeding on people, especially for prolonged periods of time. Ticks usually wander about over the skin or clothing for several hours before settling down to feed. A favorite spot is at the base of the head at the hairline. Ticks which have inserted their mouthparts into the skin can be removed with a firm even pull. Insect repellents are helpful in preventing tick bites.

Dog ticks reach their peak of abundance during May and June and have largely disappeared by mid-August. They are most abundant in areas where there are weeds, brush and tall grass. The ticks climb up on vegetation usually alongside trails used by dogs and other small animals. Here they wait for an animal to which they can attach themselves.

Ticks can be eliminated from vacant lots and other infested areas by spraying or dusting the foliage with an insecticide such as DDT, diazinon or chlordane.

Beaver Dam E.U.B. Bible School

Classes are now being planned for Bible School at the Beaver Dam E.U.B. Church. This will be held Tuesday through Friday, June 4th through 7th, continuing the next week the 11th through the 14th, from 8:30 to 11:15 a.m.

The closing program will be held the evening of Friday, June 14th.

Any child the age of 3 or above may attend. Transportation will be provided. For enrollment information contact Mrs. Raymond Adams, 893-4948, or Mrs. Archie Leckrone, 353-2465.

Prison Stamp Club Sets Show

Members of the Friendship Stamp Club, Michigan City, have extended invitations to the public to attend their seventh annual stamp exhibition Saturday, May 25, in the chapel of the Indiana State Prison. The exhibition will be open from 6 to 8:30 p.m. Ladies are asked to leave large purses and valuables at home.

Dams Closed To Fishing

The Department of Natural Resources reported this week that both the Salamonie and Mississinewa reservoirs in the upper Wabash will remain closed to fishing until the waters have been adequately stocked with desirable fish. Both will be reopened as soon as conditions permit.

Take your problems to Church this week -

"If The Eye Be Single"

"The light of the body is the eye, if therefore the eye be single, the whole body shall be full of light. But if thine eye be evil thy whole body shall be full of darkness."
This is to say that if the whole mind and heart is centered on God the life is full of light, entirely dedicated to one purpose, the doing of God's will. If, however, the light wavers or is swayed between good and evil it operates at cross purposes and wanders away from its goal, is in darkness.
The Church's purpose is to furnish true light. To that person who attends and makes full use of it will come light (wisdom), counsel, fortitude and comfort in time of trial. Thus he will be better able to keep on the path of singleness of purpose—a full life dedicated to God.

Members of the Mentone Reading Club held their 34th anniversary dinner Wednesday, May 1, at Teel's Restaurant in Mentone. A lovely smorgasbord was served to twenty eight members and one guest. The room was decorated with spring flowers and candles, using the color scheme of purple and yellow. Arrangements for the evening were made by Mrs. Harold Nelson, Mrs. Dan Urschel, Mrs. Don Bunner, and Mrs. Earl Shinn.

Following the dinner, the group adjourned to the home of Mrs. Dan Urschel. Mrs. Joe Boggs, president, conducted a short business meeting and welcomed Mrs. Hubert Burtner into the club as a new member. Mrs. Dan Urschel extended an invitation to everyone to attend the Dubois Nursing Scholarship tea at the home of Mrs. Wymond Wilson on May 8.

Mrs. Earl Shinn installed the following officers for the coming year: Mrs. Joe Boggs, president; Mrs. Darrell King, first vice president; Mrs. Steve Shurey, second vice president; Mrs. Frank Smith, secretary; and Mrs. Frank Manwaring, treasurer. Mrs. Boggs then announced the committees for the coming year.

Mrs. Harold Nelson introduced Mrs. Fred Zellers of Rochester who gave a talk entitled "It's a Woman's World." In keeping with Mothers Day, she gave several recitations of poems and an excerpt from "I Remember Mama", along with interesting anecdotes from everyday life.

The next meeting will be held in October and will be a pot luck dinner.

TVSC building project plans submitted

Project plans for two 10-12 high school facilities, one to be built at Akron and one to be built at Mentone at a cost of approximately \$600,000 each, have been submitted to the Department of Public Instruction Division of School House Planning by Superintendent of Schools Robert Forbes. Members of the Tippecanoe Valley school board approved the action at Monday night's board meeting and will await word from the state before continuing plans.

Forbes said that this is the first step of seven stages necessary to formulate a building program. He listed the seven stages as follows: 1. project approval from state 2. temporary plans 3. special appropriation 4. working drawings and specifications 5. advertise bids 6. bid opening 7. construction.

Saying that the state can either approve or disapprove with qualifications the plans submitted, Forbes said the plans include a foreign language laboratory, English and developmental reading room, English and speech room, science laboratory, commercial room, home economics room, library-study hall, mathematics room, art room, drafting room, a general classroom, and a shop for electricity, plastics and metals, woods, power, transportation, auto mechanics, welding and lathe work at each school. Also included were special rooms consisting of guidance room, principal's office, storage room, janitor's closet, and a preparation room-materials center at each school.

These buildings would become part of a campus type arrangement at each school and would use the band, chorus and physical education facilities now contained in the present high school buildings.

In addition to discussing the building program, members conducted route business and approved teacher contracts for Fred Hurd, Bonnie Shultzman, Sue Harmon, Nancy Saucerman, and Marcia Mackey. Resignations from Janice McDougale, Polly Finney, Florence Caldwell, Martha Mendenhall, Mary Price, Elizabeth Harkness, Charles Fisher, Charles Stark, Mrs. William Pierson, and David Billiter were read.

The board agreed to advertise busses 6 and 18 for sale and to accept bids for coal, oil and gasoline.

In addition, board members appointed Mrs. Elizabeth Gray to fill the unexpired term of Mrs. Herbert Byrd on the Akron library board. The schools board appoints one member on each of the two library boards. Mrs. Byrd has moved from the community.

A letter from Gale Creighton was received in which he asked

that his membership on the school board be terminated. The board took the letter under advisement and adjourned to go into executive session.

After a brief executive session, the board reconvened and voted to accept Creighton's resignation. They appointed Dr. Donald Van Gilder to fill the unexpired portion of Creighton's term. He will probably be sworn

in at the June 17 meeting and will again be sworn in on July 1 to begin his own term of office.

Board members present were Dr. O. L. McFadden, Ralph Davis, and David Burkett. Guests included board members-elect Dr. Donald Van Gilder and Richard Goshert. Also present were Harold Miller and Miles Igo.

Lt. Governor Rock Will Be Mentone Commencement Speaker

Lieutenant Governor Robert L. Rock will be the speaker for commencement exercises to be held on May 21 at 8:00 p.m. at Mentone High School. He will be accompanied by one of his aids.

Robert L. Rock took office as the 40th Lieutenant Governor of Indiana on January 11, 1965. He is Chairman of the Legislative Council, Commissioner of Agriculture, and serves on eight state boards and commissions.

He has served in the State House of Representatives four sessions. In 1959, he was elected Democratic Caucus Chairman, and in 1963 the Democratic Floor Leader. He has served on the Cities and Towns Committee, the Ways and Means Committee, and the State Budget Committee.

Born September 8, 1927, Lieutenant Governor Rock is married to the former Mare Jo Ferguson and they have four children. He is a graduate of Anderson High School and the Indiana University School of Business, and has long been active in I. U. alumni

Rural Mail Box Improvement Week May 20-25

The Post Office Department designates a week during May each year when patrons on rural routes are encouraged to examine, and improve where necessary, the appearance of their mailboxes. The week of May 20-25 has been selected this year. The purpose of Mailbox Improvement week is to call attention to the need for providing mail receptacles which are designed to protect the mail from the weather, and which are neat in appearance, conveniently located, and safe to use.

Where box numbers are assigned, the name of the owner and the box number must be shown on the side of the box visible to the carrier as he approaches, or on the door where boxes are group.

WHY I AM GLAD TO GRADUATE

BY
A GRADUATE

I am glad to graduate because 4 years ago I couldn't even spell graduate; now I am one. It makes you feel good to graduate and the best part is I heard mom say that she gonna get me a graduate gift at King's Furniture and Carpet in Mentone. She says they got good gifts for graduates—like study lamps for collage and pictures for rooms and bedroom suits for us moderns and mirrors to see in and nice chairs to sit in.

I sure am glad I am a graduate. Now I can get a nice graduate gift from Kings. Maybe if you graduate you kin too.

Charming little watches she can wear so many different ways

Caravelle Division of BULOVA

It's a bracelet charm. A charming brooch. A charming pin. A charming pendant with a golden chain. But versatility is only part of its charm. Inside its pretty case is a serious watch. One with a precision-jeweled movement. A product of Bulova. If you're hunting for a gift that's handsome and practical... THIS IS IT!

These little charmers make fine graduation gifts.

Other Caravelle watches as low as \$19.95 for men and as low as \$12.95 for men.

Girls Are Named Honor Students

Kathy Boggs

Kathy Boggs, daughter of Mr. and Mrs. Kenneth Boggs, Mentone, was named valedictorian of this year's Mentone graduating class and Marsha Edwards, daughter of Rev. and Mrs. Herbert Edwards, Atwood, was named valedictorian.

The announcement was made

Marsha Edwards

late this year because of the two girls' grades. Only .003 of a point separated them.

Commencement exercises for this year's class were held Tuesday night in the Mentone gym with Lt. Gov. Robert Rock as the guest speaker.

Deadline Will Be Very Early!

The deadline for all news and advertising appearing in next week's MENTONE NEWS will be Monday. Any copy that can be received on or before Friday, May 24, will be greatly appreciated. The early deadline is essential because of the Memorial Day holiday which causes us to move up publication date for each of the papers. Next week's paper will be printed on Tuesday and readers should receive it on Wednesday.

More Donors Are Listed

Additional donors to the street sign project sponsored by members of the Mentone Fire Department and the Fireman's Auxiliary have been listed. They include Mrs. Glenn Hatfield, Mr. and Mrs. Carey Landis, Mr. and Mrs. Kenneth Mollenhour, Mr. and Mrs. Glenn Mellott, Mr. and Mrs. Claude Gates, Mr. and Mrs. Ed Smelser, Mr. and Mrs. Kenny Shoemaker, E. T. "Swede" Rydquist, Phyllis Mosier, Mr. and Mrs. Stanley W. Day, Miss Ima Taylor and George Cochran.

Also, Coopers Store, King Memorial Home, Senff Trailer Court, E.C. Coin Laundry, Lemmers Grocery, Hammer Insurance, Dr. Donald Van Gilder, and the Anthony Nigo Chapter, DAR.

Memorial Services Planned At Palestine

Memorial services will be held at 2:30 p.m. Sunday, May 26, at the Palestine cemetery. A business meeting will follow the memorial service.

Lt. Gov. Rock visits here

Lt. Gov. Robert Rock flanked by Robert Huffman, left, and Glenn Petty, right, is met at the Mentone Airport as he landed there Tuesday night. Rock, flown here by Larry Creakbaum, was in town to deliver the commencement address for this year's graduating class. (Mentone News Photo)

Fish fry aids sign project

Darrell King, a member of the Mentone Volunteer Fire Department, and Mrs. William Cochran, a member of the Fireman's Auxiliary, hold a sample of the street signs that will be erected in Mentone through the efforts of the two organizations. The green and white metal signs glow in the dark and will be an aid in locating homes and businesses.

Trash Barrels Go Mod!

Happiness is stashing trash, Lucy, the Peanuts muppet, says on one of Mentone's bold new trash cans. Thanks to the art department of the Mentone school, the downtown trash cans have taken on a new mod look and only color could do justice to the wild colors.

Memorial Services are planned here

The lawn of the Mentone Methodist Church is decorated with crosses and flags preparatory to the special services being planned there this Sunday. Regular town services will be held Thursday.

Memorial Parade Is Planned

Details are being concluded for the annual Memorial Day parade to be held here Thursday, May 30. The parade will form at 1:30 p.m. at the Legion Home to march to the cemetery where services will be conducted.

A complete program will appear in next week's MENTONE NEWS.

Church Plans Memorial Services

Special Memorial services will be held at 10:15 a.m. Sunday, May 26, in the Mentone Methodist Church.

Rev. Garrett Phillips, pastor of the church, extends an invitation to everyone.

Mrs. Joe Good, vice president of the Fireman's Auxiliary, and Gilbert Griffis, assistant fire chief, are shown with a poster designating progress on the street sign project. Before Saturday night's fish fry, the proceeds of which were to go to this project, they had almost reached the half-way mark.

Soil Stewardship Week Is Set

"A Time for Initiative" is the theme for this year's Soil Stewardship Week, May 19-26, announced Myron Metzger, chairman of the Kosciusko County Soil & Water Conservation District, today.

The annual national observance, sponsored by the National Association of Soil and Water Conservation Districts (NACD), focuses attention on man's obligations to God for the care and wise use of the natural resources He has entrusted to man.

"Today, clean water and air, along with trees and soil, are taking on a new meaning," said Mr. Metzger. People are discovering these resources are not only limited and vital, but vulnerable to fouling, waste, and ruin. They are awakening to the needs for better stewardship. On all sides there is a new climate for conservation.

This is the idea behind the theme drawn up by the interdenominational Soil Stewardship Advisory Committee and NACD, explained Mr. Metzger. The advisory committee works with the NACD in developing the annual theme and materials that are made available to churches, laymen, or any group interested in initiating some form of Stewardship activity.

The theme emphasizes that new is the time for initiative--for action, innovation, trial runs, and exploration. It is a time for ideas, a time to assess problems and prospects, and a time to identify alternatives.

Stewardship worship services will be held May 19th & 26th in approximately thirty-five county churches.

Deaf Man Perfects Tiny Hearing Aid

OFFERS FREE MODEL

A remarkable tiny hearing aid has been perfected by a man who has been hard of hearing for nearly ten years.

This small device has no dangling cords or separate transmitting units and represents a new unusual design idea in a product to restore natural hearing.

It was developed especially for those persons who can hear but can't understand. This new hearing instrument provides "ear-level" hearing with the wearer picking up speech, sounds, television and radio at his ear. Due to the use of transistors, the users cost is extremely low.

A true life actual size replica of the smallest all-in-the-ear hearing aid ever made will be given absolutely free to anyone sending in this advertisement while supply lasts. So we suggest you write for yours now. No obligation whatsoever. Write to A. J. Wilder, 809 Steuben St. Wausau Wis 54401

is also jointly sponsoring a film over WSBT-TV on May 18th, with the St. Joseph County District entitled "The Earth is the Lord's."

Rainbow Installs Officers

The Akron Masonic Hall was the scene of the installation of Janet Moore and her officers Saturday, May 18th. In the East was a miniature lighted church holding the open Bible against a background of white satin. Her Motto "Through The Darkness Let There Be Light" was in the East. In the west, her Watchwords, "Love, Wisdom and Truth". At the pedestals were carnations and lilies of the valley in white holders.

Installing officers were: Mrs. Ina Konkle, worthy advisor; Mrs. Helen Kinch, marshal; Mrs. Rosemary Lynch, recorder; Rev. Don Bommarito, chaplain; Mrs. Louise Jontz, musician; Mrs. Marilyn Summe, vocalist and Jeff Moore and Gale Konkle, ushers.

As Janet, wearing an empire style gown of white over blue, and a corsage of blue carnations, was presented at the Altar, the soloist sang, "Climb Every Mountain". She was escorted to the east by her father, Mr. Lloyd Moore and her brother Tom, as "You'll Never Walk Alone" was sung. She was given grand honors and presented a Rainbow gavel, a gift from her aunts.

Other officers installed were: Jenny Hackworth, worthy associate advisor; Judy Teeter, charity; Marion Kendall, faith; Marna Stephen, nature; Jane Martin, immortality; Melissa Gast, fidelity; Dianne Martin, patriotism; Martha Brookshire, musician; and Susan Thompson, historian.

Faith then escorted Susan Thompson, junior past worthy advisor, to the Altar to sign the Bible, as the soloist sang, "Let There Be Peace On Earth". She was escorted east through an aisle of 6 girls holding blue arches entwined with white flowers. She was presented her gift from the Assembly, a Rainbow pin and an arm bouquet of red roses from Janet. Susan then presented the assembly's traveling worthy advisor's pin to Janet and her personal gift.

Susan presented attendance bars to Susan Thompson, Jenny Hackworth, Joyce Maby, Janet Moore, Debra Hunter and Jackie Stucker. Also merit bars to Janet Moore, Susan Thompson, Jenny Hackworth and Judy Teeter.

Janet thanked her installing officer and helpers, and introduced her family and friends. Following the closing march, the guests were served cake, punch, nuts and mints from a table covered with a floor length cloth of blue. Blue candles in white holders flanked her centerpiece, a Bible shaped cake. Guests tables held white flowers in blue holders on blue and white.

Serve fresh asparagus often while it is plentiful. Extension foods and nutrition specialists at Purdue University recommend cooking this springtime favorite uncovered in boiling salted water until just tender.

Mrs. Fugate To Head Anthony Nigo DAR

Members of the Anthony Nigo Chapter, D.A.R., held their May meeting in the home of Mrs. Loren Gross. One guest, Mrs. Robert Smith, was present.

Due to a conflict in her schedule, Mrs. William Nice, State Treasurer of D.A.R. of Warsaw, was unable to present her report on Continental Congress held in Washington, D. C. from April 14 to 19. Instead her report was read by Mrs. Fred Sarguy, program chairman.

A letter was read from the Genealogical Department of the Indiana State Library stating that the Bible of the Alfred Jenkins family, donated by Mrs. William Cox in the name of the Anthony Nigo Chapter, D.A.R., was accepted.

The chapter received two awards—a State Conference award for excellence in American Heritage promotion, and a

silver award for outstanding accomplishments in attaining the Honor Roll of the National Society D.A.R.

The chapter voted to give Steve Whittenberger, the 4-H exchange representative from Kosciusko County to South America, a gift of five dollars. A monetary donation to apply on new street signs being erected in Mentone was also a matter of business.

The following officers were elected to serve for the ensuing year:

Regent - Mrs. Thomas Fugate; Vice-Regent - Mrs. Fred Sarguy; Chaplain - Mrs. Arthur Brown; Secretary - Mrs. Everett Rathfon; Treasurer - Mrs. Charles Tucker; Registrar - Mrs. Ernest Igo; Historian - Mrs. C. G. Carter; and Librarian - Mrs. Ferd Koenig.

Dainty refreshments were served by the hostess and her

assistants, Mrs. Carl McPheny and Mrs. Glenn Claus.

The June meeting will feature a carry-in supper at 6:30 P.M. in the home of Mrs. Fred Sarguy.

The meeting closed with all present repeating the American's Creed in unison.

SOCIAL SECURITY Question Box

Q - My wife died a year and a half ago. I was told at that time our son was not eligible for benefits on her record because she did not contribute one-half of his financial support. Did the new amendments change this?

A - Yes. If your wife worked long enough to be insured your child can now draw benefits on her record. You should get in touch with your local social security office.

Q - I am a 68 year old woman, never married, and worked only a few years during World War II. I signed up for medicare, but the social security office told me I was not entitled to monthly benefits because I lacked two quarters of coverage. Will the new amendments help me?

A - Perhaps. There is a technical change in the law which may help a few people. The only way to find out if you are now eligible is to file another claim in the social security office.

Mr. and Mrs. Rea H. Ward have returned to their home after spending the winter at Englewood, Florida.

Cardinal Center To Offer Parents Seminar

The month of June will be of special significance to the parents of the Retarded Children of Kosciusko County and the surrounding counties of Whitley, Marshall, Huntington and Wabash.

Dr. Richard Kurtz, Associate Professor of Sociology at Notre Dame has developed the seminar and will preside at each session. Dr. Kurtz has written many publications, was the staff sociologist at the Mental Retardation Clinical Research Center at the University of Nebraska and is a permanent consultant for other retardation centers in Indiana.

The seminar will be held on four evenings in June. The dates are set for consecutive Mondays, June 3, 10, 17, and 24. Each session will begin promptly at 7:00 p.m. and will conclude at 9:00 P.M. A refreshment period will follow each meeting.

Baby sitting services will be available for those parents who might not be able to leave their children elsewhere. It is expected that both parents will attend the seminar but it is anticipated that one parent will attend so that the family unit will be represented.

The seminar is the first of its kind to be held here and it is hoped that all parents of the retarded will avail themselves of this opportunity to achieve a better understanding of their children and of their own problems by learning what to expect and what not to expect from their child's learning behavior.

Lamb Show Set

Kosciusko County sheep producers have been invited to participate in the Elkhardt County lamb carcass exhibit June 5th and 7th. The on-slab classes will be judged at the Elkhardt County Fairgrounds at 7:30 p.m. on June 5th. The carcass show will be at Lehman's Slaughterhouse at Wakarusa at 7:30 p.m. on June 7th. Entries are due June first.

Participating in the seminar, in addition to Dr. Kurtz will be; Dr. G. R. Pullman, Medical Director of Murphy Medical Center; Charles Henry, Assistant Professor of Psychology at Grace College; Mr. Max Reed, Attorney with the firm of Widaman-Bowser-Reed-Widaman; Mr. Walter Powers, Curriculum Director of the Warsaw Community Schools; Mr. Myron Birky, Executive Director of the St. Joseph County Council for the Retarded and Mr. Howard L. Wilson, Executive Director of the Council for the Retarded of Kosciusko County.

A registration fee of \$2.00 is requested to help pay for the booklet to be used during the seminar. Reservations will be obtained by calling Howard L. Wilson, Executive Director of the Cardinal Center at the Council Office, telephone 267-3823.

Change Ten Acre Rules

The Indiana Corn Growers Association have made some changes in the Ten-Acre Corn project. Yield checks in this project are now on a shelled corn, over the scales basis and measurements and weights must be certified by the county agent or other witnesses.

Memberships in 1968 in the association are \$5. for adults, \$3. for junior members. This includes all costs in checking and tabulating.

The deadline for memberships in July first and may be made at the County Extension Office.

The Manitou Chapter of the Daughter's of the American Revolution entertained 84 members from 12 chapters of the Northern District in conference May 15 in the First Baptist church in Rochester.

Coffee and cookies were served during the registration of delegates.

Mrs. Wayne Heisler, regent, presided during the opening ritual. Invocation was given by Mrs. Garrett Qualkinbush of Salem. Mrs. Cecil Patterson of Rochester led the group in singing "The Star Spangled Banner" and in giving the pledge to the flag.

Mrs. Heisler introduced the Northern District Director, Mrs. Charles A. Miller of Fort Wayne, who conducted the business meeting and a workshop. The motto was "Home and Country" and the theme was "One Country - One Constitution, One Destiny" a quotation from Daniel Webster.

Distinguished guests present included state officers: Honorary State Regent, Mrs. Furel Burns, North Manchester; Vice-Regent, Mrs. Floyd H. Grigsby, Bloomington; Recording Secretary, Mrs. Ira M. Smyrl, Jr., LaPorte; Corresponding Secretary, Mrs. Thomas M. Egan, Evansville; Treasurer, Mrs. William Nice, Warsaw; Historian, Mrs. Willard M. Avery, Knightstown.

Reports were given by state committee chairman.

A luncheon was served by the women of the church at tables decorated with pots of red geraniums and individual favors of Ceramic American Eagle's, handmade by Mrs. Edward Shadle, Kewanna. Patriotic napkins completed the decorations. Noon prayer was given by Mrs. Harold Reese, Rochester.

The afternoon session was devoted to reports of the morning workshops and reports from the following chapter regents: Mrs. Clyde Berkeypile, Tippe-

canoe River Chapter, Bourbon; Miss Ruth Kellogg, William Tuffs Chapter, Elkhart; Mrs. Robert Mann, Fowler Chapter, Fowler; Mrs. J. F. Holmes, General de Lafayette, Chapter, Lafayette; Mrs. Thomas Schull, Olde Towne Chapter, Logansport; Mrs. Thomas Fugate, Anthony Nigo Chapter, Montone; Mrs. Kline Erwin, Wy-thoughtan Chapter, Plymouth; Mrs. William Hoover, General Van Rensselaer Chapter, Rensselaer; Mrs. Elwood Allmon, Schuyler Colfax Chapter, South Bend; Mrs. George Nye, Agnes Pruyne Chapter, Warsaw; Mrs. Marion Hapman, Desardre Chapter, Knox; and Mrs. Wayne Heisler, Manitou Chapter, Rochester.

The committee for the affair included Miss Dale Lichten-walter, Mrs. Ethel Snapp, Mrs. Wendell Tombaugh, Mrs. A. B. Shore, Mrs. Fred Hodel, Mrs. Harry Ray, Mrs. Frank Bergman, Mrs. Edward Shadle, Mrs. Marion Chizum, Mrs. Joe Quick, Mrs. James Wells, and Mrs. James Henderson.

By the year 2000 we may have neighbors from outer space but Dr. Cordell Hamilton, associate dean of Purdue University's School of Home Economics, will discuss "Our Earthly Neighbors" at the Homemakers Conference at Purdue on June 12.

Brownie Troop 142 held their last meeting before fly-up recently in the basement of the Mentone Methodist Church with 17 Brownies present. The meeting opened by repeating the pledge to the flag. Roll call was taken by each telling what they liked best this year at Brownies. All third graders were advised that they would be flying up at

the next meeting to become members of the Junior Troop. Alicia Dickerhoff, Letitia Alvey, Cynthia Jordan and Jane Bach were presented gifts for having perfect attendance the whole year. Lori McGowen wore the birthday crown. We all took a hike to the school playground. Myra Eaton furnished refreshments.

Mrs. Cooper Entertains W.S.C.S.

Mrs. Raymond Cooper entertained the Women's Society of Christian Service in her home Thursday night, May 16, 1968. The invocation was given by Mrs. Eugene Sarber. Mrs. Pearl Lackey presided over the business session, calling for reports by Mrs. Carl Whetstone and Mrs. John Ellsworth. Mrs. Lackey gave her report of the Society's Annual Conference Report as submitted to Rev. Phillips.

Mrs. F. B. Davison reported on the District Meeting and the topic "To Serve With Love" in connection with the recent merger of the Methodist and E-UB Churches.

Those members wishing to accept Talma's June 12 invitation, are asked to call the Transportation Chairman, Mrs. Don Bunner. She will appreciate knowing who can drive and assist with the transportation to Talma.

The regular monthly meeting on June 20 will be held at Mrs. Eldon Horn's home. Members should contact Mrs. Bunner if planning to attend this meeting also, to arrange for transportation. Mrs. C. Robt. Rose, District President, will be the scheduled speaker.

Thursday night's program was given by Mary Utter, Eva Mae Haist and Marie Coleman. Eva

Mae led the Worship Service with prayer and Philippians 3:12 to 14. Everyone joined Mrs. Phillips, who led the group in singing several numbers. The lesson was interesting presented by the following three hidden voices: Prophetic Voice, Responding Voice and Assimilating Voice. Their topic, "Whither the Methodist Church" portrayed the mission of the church and vividly revitalized the church and its place in the world. "It has all but been forgotten that Christianity began as a revolutionary religion whose followers embraced an entirely different set of values from those held by other members of societies outside the Church. Are you doing your part to keep the Church visibly different from other societies?" leaders asked.

In keeping with the hope to help where needed, Rev. Phillips told the group about the Summer Camp at Talma Park for around thirty boys ages 9 to 14 who do not have money to attend a religious camp. Their tents will probably be moved to the church lawn Saturday and Sunday of that week.

Delicious refreshments were served by Mrs. Paul Knoop, Mrs. Harold Lucht, Mrs. John Bowerman and Mrs. David Cooper.

THE Club Has

Lessons At Meeting

The Talma T.H.E. Extension Homemakers club met at the home of Mrs. Lester White for their May meeting.

The meeting was opened by the president, Mrs. Merle McGowen, who read an article entitled "Mothers Influence". Members joined in singing America and in repeating the flags and club creed. Mrs. Jack Parks gave the history of the song of the month "Faith of Our Mothers" and led in singing it. Happy Anniversary was sung to Mrs. E. C. McGowen and Mrs. Merle McGowen. In keeping with Mothers Day, Mrs. Harold Walters gave for devotions an article entitled "Family Influence." Roll call was answered by "What I do to relax from housework." Mrs. Edward Lucht presented the Health and Safety lesson on "How Tooth Decay Can be Prevented." A Cancer education test was taken by the members and a discussion followed.

Part I of the project lesson on Freezer Meals was given by Mrs. Harold Walters. Reports were given by Mrs. Lewis Johnson on the Young Homemakers district meeting at Delphi, and Mrs. Merle McGowen gave a report on the Style Show committee she had attended. Mrs. McGowen also gave a report on the county council meeting. The meeting closed by repeating the collect in unison.

A white elephant sale, with Mrs. Roy Calvert as actioneer, was held. The door prize was won by Mrs. Calvert. Refreshments were served in keeping with the project lesson on freezing foods.

The next meeting will be at the home of Mrs. E. C. McGowen.

Harrison Center Sets VBS

The meeting was opened by the vice president, Mrs. Pat

O.E.S. Honors Mothers

Mrs. Helen Black, Worthy Matron of Mentone Chapter, O. E. S. presided at the regular monthly meeting of the chapter on Monday evening of this week.

A note was read from Mrs. Ruth Peebles, with the information she has been moved from Heathwin to the Carlyle Nursing Home on Western Avenue, South Bend. She would much appreciate hearing from the members.

The Worthy Patron, Gene Marshall, said that the Worthy Grand Matron was urging all members to subscribe to the State Magazine, 10 copies at \$2.00 per year.

Mrs. Helen Good, Associate Matron, gave an interesting report of Grand Chapter, to which she, Mrs. Black and Mr. Marshall were delegates.

A lovely Mother's Day poem was read by the Worthy Matron, and gifts were presented to the oldest and youngest mothers present.

Lovely refreshments were served in the dining room by Mrs. Marjorie Cooper and Mrs. Winifred Smith at the close of chapter.

A called meeting for Initiation will be held on Monday evening, June 3rd.

Gross. "America the Beautiful" was sung and the pledge to the flag and club creed were repeated. The history of the song of the month, "Faith of Our Mothers," was given by Mrs. Lea Hudson, and the group joined in singing it.

Mrs. Eunice Leffert read "What is a Mother" and "Love Cake for Mother" for meditation.

Mrs. Leffert reported on the garden show she recently attended at the Ace Hardware and told the different uses of vermiculite mixture.

Mrs. Dean Meyer gave the lesson on salads. She gave each member a questionnaire entitled "What do you know about salad?" Several salads were made and enjoyed for refreshments.

During the business session, the club voted to give \$10.00 to the street sign project.

Those receiving secret pal gifts were Mrs. Faye Whetstone and Mrs. Maxine Holloway.

The meeting was closed by singing the club prayer song and by repeating the club collect.

The social hour was spent playing dirty Bingo.

The June meeting will be held at the home of Mrs. Marion Smith.

The Bible Speaks

Question: Are Christians today still living under the Old Testament?

The writer of Hebrews said: "But now hath he obtained a more excellent ministry, by how much also he is the mediator of a better covenant, which was established upon better promises. For if that first covenant (Old Testament) had been faultless, then should no place have been sought for the second. In that he saith, A new covenant, he hath made the first old. Now that which decayeth and waxeth old is ready to vanish away." (Hebrews 8: 6,7,13)

"Then said he, Lo, I come to do thy will, O God. He (Jesus) taketh away the first, that he may establish the second. By the which will (New Testament) we are sanctified through the offering of the body of Jesus Christ once for all." (Hebrews 10: 9,10)

"Neither by the blood of goats and calves, but by his own blood he entered in once into the holy place, having obtained eternal redemption for us. And for this cause he is the mediator of the new testament, that by means of death, for the redemption of the transgressions that were under the first testament, they which are called might receive the promise of eternal inheritance. For where a testament is, there must also of necessity be the death of the testator (Christ). For a testament is of force after men are dead; otherwise it is of no

strength at all while the testator liveth." (Hebrews 9: 12, 15-17) Paul said: "Blotting out the handwriting of ordinances that was against us; which was contrary to us, and took it out of the way, nailing it to his cross." (Colossians 2:14) When Jesus died on the cross, he nailed the old law to it, thus destroying it. By His death, His will came into effect; and Christians today are still living under His new will, the New Testament.

Boating Tips...

LANDING A FISH

Boating a fish is almost as difficult as catching one. Potential record breakers have become fiction rather than fact for many hapless anglers. So the fishing experts at Mercury outboards offer these tips to save a disappointing outing: first, select a long-handled net of sufficient size; never lurch or wave your arms unnecessarily when the fish gets close to the net; always put the net in the water before the fish is brought into landing position; then pull him head first over it and lift; lift smoothly, and in one motion, bring the netted fish into the boat.

A Tribute To The Firemen From The Trainmen

We were passing through Mentone last Saturday night when we saw a large crowd gathered at the fire station and we wondered what was taking place. Nearing the station, we saw a bald-headed man clad in a white apron carrying a sack full of something. To our delight, they were sharing their good fortune with us. The sack was filled with delicious fried fish. Looking back over our shoulders as the train moved through town, we saw the man running back toward the station. To our surprise, we had another treat for the men in the caboose!

So now when you hear a

"toot-toot" around 7 o'clock on Saturday night, it's a special salute to the little baldheaded man for his fish.

Children's Hour Is Set At Church

A special children's hour will be held Saturday morning, May 25, between 10:30 a.m. and noon at the Mentone Methodist Church. All children of the community are welcome, says Rev. Garrett Phillips, pastor of the church. He asks that each child take a sandwich.

The Mentone News

The proposed Kosciusko Community Hospital would look like this, according to architects. Included would be facilities for 91 beds, immediately expandable to 116 beds, as well as complete obstetrical and intensive care sections. Complete laboratory facilities are also planned. The hospital would become accredited as soon as possible.

Hospital Referendum Being Conducted

Approximately 15,500 direct mail folders have been sent every postal patron and box holder in Kosciusko county by directors of the Kosciusko Community Hospital, Inc. to give county residents an opportunity to express their interests in the proposed new hospital facility.

Robert Ellison, chairman of the mailing and petition campaign, urges the public to promptly return the cards and petitions so they can be included in the final presentation to the commissioners at their June 3 meeting.

The proposed hospital would be county tax supported and would be operated as a non-profit hospital by an independent group of private citizens as the board of directors. The need for such a facility was determined in a survey that indicated 50% of the county's residents go out of the county for hospital care.

It is estimated the new hospital would cost about \$3,300,000. It is anticipated that \$1,100,000.00 of this amount can come from the Hill-Burton Funds, a federal assistance program for which the hospital would qualify since the need has been recognized by the State Board of Health; two million would come from a bond issue and an addition two hundred thousand dollars would come from gifts and other sources.

Plans call for the hospital to have 91 beds and to be immediately expandable to 116 beds.

In addition to learning the

need for the hospital, the survey also showed the county to be far below the national doctor-patient ratio. The national average is 1 per 660 while the state average is one doctor per 958 patients. In Kosciusko county, however, the ratio is one doctor per 1,870 patients.

The Happy Birthday Reading Club Is Started

The annual Vacation Reading Club of the Bell Memorial Public Library will begin this year on Monday, June 3rd, and will end on Saturday, July 27th.

The theme will be "The Happy Birthday Club". Birthday cake cards will be featured with 25 candles stickers to be earned for each card. One candle will be awarded for each 4 points earned. Each child earning 100 points will have his name placed on the Honor Roll in the lobby of the library. All children who will be

in grades two to five year are eligible to join the club.

Last year 81 students were enrolled in the Vacation Reading Club and during the eight weeks of the club, the members read a total of 9,931 books.

The library will be open every day but Sunday from 1 to 5 P.M. All the children of the community are invited to visit the library this summer.

Mrs. Caldwell Is Honored

Mrs. Abe Caldwell, a Latin teacher in the Mentone school for several years, was guest of honor at a number of parties last week as students and faculty members extended their best wishes on her retirement. Mrs. Caldwell received many gifts, including a silver tea service from fellow teachers.

Students win scholarships

Three Mentone seniors, Kathy Boggs, Marsha Edwards, and James Tibbets, were among 5,000 Indiana Hoosier Scholars named this week by the State Scholarship Commission of Indiana.

The State Scholarship Program, which was enacted by the 1965 General Assembly, is in its third year of operation. Initially 6,700 students applied for awards while this year 16,000 high school seniors from the 92 counties entered the scholarship competition.

Other scholarships presented recently include the Burket-Mentone-Talma PTA scholarship

to Stan Shand, the Chamber of Commerce scholarship to Tibbets, and an athletic scholarship to Butler University to Tim Holsclaw. Marlene Brallier won the Class room Teachers Scholarship, and Kathy Boggs, and Marsha Edwards received Psi Chi Xi scholarships.

This Friday

The office of the MENTONE NEWS will be closed Friday, May 31, in order that the staff may have a short holiday. It will re-open as usual on Monday, June 3.

Today one out of every three workers is a woman, and one-sixth of these women hold executive-type positions. Of an estimated 26 million employed women, the U.S. Department of Labor has reported over 4.5 million were "professional and technical workers, managers, officials, and proprietors." Working women's annual earnings are estimated at about \$81 billion, making up over one-fourth of the nation's wages, salaries and self-employment income.

Parson Jones Speaks

Dear Mr. Publisher:

They say a fella ain't crazy as long as he known the difference between what's real and what's make-believe. A guy that's looney don't know the difference. Well, if that's so, then this hole country has gone stark raving mad. If you don't believe it just try watching some TV commercials. You take that one where some gal can't even get a boy friend - somebody tells her to use a certain mouthwash, and she gets engaged the next night. Or, how about that guy in white

who flies through the air straightening out family squabbles by recommending they wrap their sandwiches in plastic bags? You know, this land could become a giant mental institution.

This confusion of fiction with fact is also rubbing off on my church members. At our last congregational meeting when we were planning our next years budget and arguing about money a funny thing really happened. Hezekiah had just finished a one hour plea that we spend less on our foreign aid program (called missionary work in church lingo), when

Ben Twist who was home from college got a bright idea. Several of the younguns got together and dreamed up the most ridiculous scheme I ever heard of. The hole thing was designed to make fun of our greed - wanting to spend all our money at home. Ben said that one thing we needed to do was to make the church more holy. He allowed as how we needed to make our members feel closer to God and make 'em like heaven was right around the corner. Ben proposed that we build a big platform that could be lowered from the ceiling down to the floor by pushing a button. Our choir would be on this platform hanging up close to the ceiling at the beginning of the service. When the worship service started, the choir would be lowered while they sang the first hymn. He claimed it would give our members the feeling that the choir had just descended from heaven. (Course, I just had to chuckle. Knowing all the choir members like I do, I just can't image these folks coming from heaven.) Ben said this would cause our folks to have a creepy religious feeling, and could be done for as little as \$100,000.

All the time young Twist was proposing this ridiculous idea, the teenagers were snickering like they had swallowed some laughing gas.

Well sir, as soon as Ben set down, Ellie Nickelsinger, got up and made a motion we adopt the project for next year. 17 people spoke for the motion, and before I knew what happened they had passed it. I gotta close now Mr. Publisher, cause it ain't safe anywhere outside your bed these days.

Buy Fewer Aerosol Cans To Save Money

Lafayette, Ind. If you want to combat rising prices at the grocery, buy fewer items in aerosol cans.

You may pay up to ten times as much for a product packaged in a pressurized container as you would for the same item in a conventional container, explains Mrs. Maxine McManus, Extension home management specialist at Purdue University.

Aerosol cans are becoming more popular as food containers. Joining "squirt on" whipped topping and icing on your grocer's shelf are cheese spread, catsup and salad dressing. This list of non-food items seen in a grocery shopping cart is almost endless, from frost remover for your car's windshield to a foamy cleaner for the bathtub.

An aerosol can is sometimes the most practical packaging method—how else would you apply that invisible magic which keeps your hair looking well-groomed on a snowy, wind day?

On the other hand, application of some products, such as shaving cream or deodorant, would be nearly as simply by more conventional methods.

Remember that the new Fair Packaging Law permits including the weight of the aerosol can's propellant in the total stated weight of the product. So compare costs of products packaged in different kinds of containers and decide how much the spray-on convenience is worth to you.

Chester Creighbaum Dies At 72

Chester Creighbaum, 72, Mentone, died Saturday at the Veterans Hospital, Ft. Wayne. He had been hospitalized for one week but had been in ill health for the past several years.

The son of John and Sue Anna Hipsher Creighbaum, he was born May 12, 1896 at Tippecanoe. A retired barber, he had lived most of his life in the Mentone area.

He was a member of the Mentone American Legion, the Warsaw Eagles lodge, the Tippecanoe IOOF and was a veteran of World War I.

Surviving are his wife, the former Ola Martin whom he married in 1943, and a step-son, Ernest (Hap) Cartwright, Warsaw.

Funeral services for Mr. Creighbaum were conducted Tuesday afternoon at the King Memorial Home with Brother Stanley Day of the Mentone Church of Christ officiating. Burial in the Tippecanoe cemetery.

Bring Out The Fruit Flavor

Apricots, plums, peaches, pears and bananas have a brand new appeal when heated. Cook them just enough to plump or soften or warm yet retain the natural texture. To bring out the flavor and juices of the fruits, pour on a little light corn syrup, right from the bottle, as the fruit heats.

The Bible Speaks

Question: Where does the Bible ever refer to any man as a "Reverend"? The word "reverend" appears only one time in the entire Bible, and that one time it is applied to the name of God. Not one time is it ever used to address, or to describe a man. The Bible says: "He sent redemption unto his people: he hath commanded his covenant forever: holy and reverend is his name." (Psalms 111:9). The word "reverend" helps to describe the name of God. When we stand before the judgement to give account of our words; how are we going to explain why we rendered to some men that which belongs to God, and to God only? "For by thy words thou shalt be justified, and by thy words thou shalt be condemned." (Matthew 12:37) Why all the pomposity anyway? "For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think; but to think soberly, according as God hath dealt to every man the measure of faith." (Romans 12:3) Have you ever read of "The Reverend Moses"? "The Most Reverend Matthew"? or "Reverend Peter"? True servants of God will not accept honors which belong only to God. If these men, "hand-picked" by the Lord himself, did not qualify to be a "Reverend", what would give anyone the idea that any man today should be called "The Reverend"? Peter said: "Yea, all of you be subject one to another, and be clothed with humility: for God resisteth the proud, and giveth grace to the humble." (1 Peter 5:5)

A Column of News By And For All Girl Scouts Of The Mentone Community

On May 22, approximately 50 Brownies, Juniors, guests and leader met at the Methodist Church for the Fly Up ceremony.

A flag ceremony was held for the opening and "America" was sung by all present.

Mrs. Joe Good of Troop 142 and Mrs. Phillip Surface of Troop 13 presented year pins to the girls who have been in Brownies for one year. They gave sashes to the girls in their troop who were flying up to Troop 25.

Nine Brownies from Troop 142 and four from Troop 13 crossed over the bridge to become Jr. Scouts. They received their Girl Scout and world association pins. They repeated the Promise together. The following girls are the new members of Junior Troop 25: Letitia Alvey, Alicia Dickerhoff, Myra Eaton, Cynthia Jordan, Teresa Kindig, Susan Riner, Crystal

Ross, Melva Smith, Jackie Walton, Debbie Blackburn, Kim Boardman, May Lou Wagner and Cindy Yeiter.

In a candlelight ceremony, seven girls became Cadettes from Troop 25. The repeated the Promise to renew their dedication to the Girl Scouts. The girls become Cadettes are: Cheryl Clappitt, Wendy Deal, Jessica Gross, Kathy Greer, Barbara Johnson, Paula Beck and Debra Kelley. The girls were presented lockets from the Junior leaders.

Refreshments of cookies and

punch were served from an attractively decorated table.

The meeting was closed with Taps.

Leaders present were Mrs. Phillip Surface, Mrs. Joe Good, Mrs. Harold Lucht, Mrs. Gael Johnson, Mrs. Walter Kelley, Mrs. Jack Deal and Mrs. Dale McGowen.

The Brownies and Juniors will march in the Memorial Day parade on Thursday. Each girl should bring a written note from her parents giving her permission to march in the parade.

Junior Troop 25 is in need of leaders for next fall. Anyone desiring to help with the troop should contact Mrs. Walter Kelley, DU 7-3396 or Mrs. Dale McGowen 353-2742.

Tippecanoe News

Mr. and Mrs. Gordon Swihart and Ronnie were hosts Sunday at a potluck dinner in honor of Pvt. Robert Swihart who is home on a 15 day leave before going to Viet Nam. Those present were the honored guest, Mr. and Mrs. Richard Swihart and Todd, Mrs. Guy Peabody, S/Sgt. and Mrs. Wallace Peabody and daughters, Mr. and Mrs. Harold Johnson and family of Mishawaka, Mr. and Mrs. Wayne Swihart and sons, Mr. and Mrs. Eugene Beauchamp, Mr. Chancey Swihart and Chuck of South Bend, Mr. and Mrs. John Rhodes and Vicki, Mr. and Mrs. Gary Kinsey and Jeff and Miss Connie Kuhn of Bourbon, Mr. and Mrs. Larry Swihart and Keith, Mrs. Dorothy Kinzie and Dennis of Tippecanoe, Miss Peggy Rensberger of Rochester, and Miss Pamela Morgan of Bremen.

The Tippecanoe Ladies Auxiliary had a progressive supper for their May meeting, starting at the home of Mrs. Mary Lozier for their appetizer, then on to Mrs. Karen Cormican for the salad, then to Mrs. Rosalee Overmyer for the main course of spaghetti and then to Mrs. Helen McIntire's for the dessert and the meeting.

Miss Peggy Heck, daughter of Mr. and Mrs. William Heck, was the honored guest at an open house Sunday afternoon after Baccalaureate services. On Monday evening, after Commencement, they entertained twenty guests who were present from South Bend, Mishawaka, Granger, Wyatt, North Liberty, Argos and Tippecanoe.

Mrs. Flossie Coplen spent Wednesday with Mrs. Reth Rogers of Mentone.

Mr. and Mrs. Danny Cormican and family were Sunday dinner guests of Mrs. Georgia Cormican of North Webster.

If you are an average taxpayer it would cost your family only \$4.00 per year in added taxes to support the new community hospital through a county bond issue. Isn't that a small price to pay for the benefits a new hospital can provide? Even if your taxes are five times higher than average the 2% increase is still a small sum when compared with the vital need.

Send in your reply card today!

If you did not receive a card call Warram 267-5236, North Webster 834-2812 or Mentone 353-2415 to get one. Sign and mail the card even though you signed a petition!

People living inside the dashed lined are closer to Warram than any other hospital, including parts of Marshall, Whitley, and Wabash counties. Others live only a mile or two further. Without a new hospital there are not enough beds and facilities to serve the people living in our county.

GRASSROOTS OPINION

MARYSVILLE, CALIF., AP-PEAL-DEMOCRAT: "A man who has been following the antics of student protesters and demonstrators with increasing incredulity looked up from his paper the other day and remarked to his wife: 'Some of these kids who are paying for a college education certainly want as little for their money as they can possibly get.' He was referring, of course, to a small but spectacular minority of students. But he was saying what

many Americans must be thinking. Perhaps we are overlooking the probability that the campus protesters feel the public attention they are getting is worth the price of tuition—especially when in most cases the old man is picking up the tab."

HARRISVILLE, W. VA., RITCHIE GAZETTE: "As I read and observe in regard to the progress and events of our time, I am amazed—in the face of all our loud disclaimers—at how gracefully we are accepting what surely will eventually be Socialism in complete detail. The national decoy naturally is Federal Money and to get a share of it, most areas and communities will accept practically any kind of project dictation. . . even

that which they know will work against them and take all supervision out of their hands. . . Yet, only once, do I recall having seen where a county in this State has refused a Government -aided project on the grounds they simply could not afford to

deal with the Government. . ."
ALAMOSA, COLO., VALLEY COURIER: "Disrespect for the Flag. . . has angered many. . . veterans and all other patriots. Our Flag represents the greatest country on earth. It represents our freedom, won and preserved

with the blood of many good men. And many good men are still sacrificing their lives—proudly so—in the name of the United States and freedom."

Boating Tips...

A red flag with a white diagonal stripe floating on the water indicates that a skin diver is somewhere below the surface, say the Mercury boating authorities. It warns boaters to stay at least 100 feet away. Divers display a flag whenever there is boat traffic and often tow it with them as they change underwater locations.

God Is Interested In Your Children

CHILDREN are very valuable! They are the pleasure and joy of today and the world of tomorrow. The doctor to whom you take your child may be preserving the life of a future community physician. The teacher who receives your child each day may possibly live to see the day when her chair is occupied by your son or daughter. The man in orbit may be joined by another man, your child, in years to come.

Certainly you are interested in your child's welfare. You see that he attends every day of school he possibly can. You take him to the doctor and dentist regularly. You have probably thought about his taking his place in society some day in the near future. As you concentrate on preparing him physically and mentally, do you not sometimes neglect his spiritual preparation? He knows who George Washington and Abraham Lincoln are, but does he know who Jesus of Nazareth is?

There was once a man who was a successful

doctor, wonderful school teacher, and loyal friend. At times he was so busy that he had to leave town in order to relax and rest. Even then his students followed him and sought more information. Yet this busy young man took time out to receive little children, even though his students thought he was too busy for receiving children. The world will never forget his comment as the students rebuked the mothers for bringing their children to such a busy man. He said, "Suffer the little children to come unto me, and forbid them not: for of such is the kingdom of God" (Mark 10:14). That man was Jesus, the divine and eternal Son of God! Dear parent, if Jesus loved little children in this manner, even though his business was of the greatest importance, surely you can find time to introduce your children to the Son of God and get acquainted with him yourself at the same time. We will be looking for you in the Bible school at the church of Christ in Mentone.

The Chicago Motor Club-AAA says that both the driver and the passengers in his car always should leave the automobile from the sidewalk side. Opening your car door in the face of traffic could cause a passing car to hit you or your car, or to have an accident when it swerves to avoid your open door.

Since it takes time and distance in which to stop, a motorist always should maintain a safe distance between his car and the one ahead, says the Chicago Motor Club-AAA. A motorist not keeping his safe distance may find it impossible to match the sudden stop made by the driver ahead.

Orven Highway is still a patient in the Woodlawn Hospital at Rochester and would enjoy hearing from his friends. He is in room 208.

Better Daughters See Slides

The Beaver Dam Better Daughters 4-H club had a Mother and Daughter Tea on May 22 in the Beaver Dam Church basement.

The pledges of the 4-H and American flags were given by Debbie Bruner and Christine Van Cleve. A piano solo was given by Kathy Blalock and a demonstration on how to decorate a cake like a sail boat was given by Pam Wagner. Sharon Harold showed her colored slides of her trip to Europe last summer with the People to People 4-H Tour. After the slides, refreshments were served.

Bowen Cites Need For Law and Order

Our country and state can survive almost anything but a breakdown in law and order, Dr. Otis R. Bowen, Speaker of the Indiana House of Representatives and candidate for the Republican nomination for governor, declared today.

On a campaign swing through Southern Indiana Dr. Bowen spoke Tuesday before a meeting of delegates from Scott, Clark, Jefferson and Washington counties. He addressed a breakfast meeting of Warrick county delegates Monday.

"We cannot legislate morals," Dr. Bowen said, regarding the rising crime rate. "But if law and order are to be maintained, strong leadership is required at all levels of government."

The House Speaker added that "to make crime and violence prevention the commanding voice of our country we need brave clergy, brave educators, brave scientists and brave poli-

ticians to give moral support to all programs that will promote law and order."

To eliminate the basic cause of crime Dr. Bowen called on people to give time and energy to youth programs and to help through education and providing equal job opportunities.

Swick Gets Promotion

Mr. and Mrs. Claude E. Swick have received word that their son, David, was recently promoted to Sp4. Specialist Swick has been stationed in Vietnam and will be sent to Australia on June 1 for a Rest and Relaxation period after participating in combat in Saigon. His address is:

Homemaking Hints

The yellow plant pigment carotene, found in green plants and carrot roots, is the principal substance responsible for the creamy color of milk. The color of milk, however, does not serve as an index of its Vitamin A potency.

Remove faded flowers from your flower garden to keep it looking neat and to encourage more flowering, say Purdue U. extension horticulturists.

SOCIAL SECURITY Question Box

Q - I understand that social security benefits are figured on average earnings up to retirement age. If I continue working can my benefits be increased thru these additional earnings?

A - Yes. Each year social security automatically refigures benefit amounts to include earnings after the application was filed. If your earnings were high enough, you could receive an increase in benefits.

Q - My mother purchased a hospital bed which was necessary because of her condition. Will medicare pay for this?

A - Beginning January 1, 1968 medicare insurance can help pay for either rental or purchase of medical equipment such as wheelchairs and hospital beds if your doctor says they are medically necessary.

YOUR DOCTOR ANSWERS QUESTIONS CONCERNING THE PROPOSED NEW HOSPITAL

Question. Will the proposed hospital be a county hospital?

Answer. No.

Question. What kind of hospital will it be?

Answer. The proposed hospital will be a voluntary, not for profit community hospital built from a county bond issue but supported entirely by its own revenue. The Law that enables this is a relatively recent state law and only two other counties have thus far used this method of financing. It has advantage of using county credit to get a low interest rate, saving considerable money without becoming a political "football" as is found in other counties. The hospital will be owned by a non profit corporation with area citizens as its members.

Question. If County Funds are used who will represent the County on the Hospital Board?

Answer. There will be a member of the board appointed by the Commissioners and one appointed by the County Council along with 17 interested citizens from all parts of the county who lend their individual talents to the job of providing the best medical facility possible.

Question. How will the Board be picked?

Answer. Citizens may join the Kosciusko Community Hospital Corporation for a nominal fee (one to five dollars) and these members will choose future members of the Board of Directors. These board members will have limited terms so that they may not continue on the board forever. The only requirement for membership on the Board of Directors will be a desire to provide the best medical facility possible for our area and to be responsive to the needs of the people of an up-to-date medical facility.

Question. How much will it cost the average taxpayer?

Answer. For every \$100.00 that you now pay in total Property taxes it will cost you an additional \$2.00 per year. This means the average taxpayers will pay \$4.00 per year for hospital construction. One trip out of the county would cost you more than that. Some people look at this as a rather inexpensive form of health insurance.

Question. Will the proposed tax rate always be 13 cents per hundred dollars?

Answer. No. As the assessed evaluation of the county increases the rate necessary to provide construction costs will decrease. The hospital board is asking for a total of \$2 million for construction and not for a specific tax rate.

Question. How long will the tax run?

Answer. The proposed tax is extended over a period of 20 years at which time the construction cost bonds will be paid off and the tax will then end. The state law that enables this type of bond issue will not permit any further bond issue for operating costs. On the basis of nationwide experience a hospital of this size proposed will be able to support itself and accumulate enough revenue to take care of normal needed expansions. This means it will not need any further county funds.

Question. How will non real estate owners pay for the construction of the proposed new hospital?

Answer. People who rent their homes in essence pay real estate tax as part of their rent. Those who are employed by industry have their portion paid by the industry for which they work, and almost everyone owns automobiles or other taxable property.

Question. Does the farmer pay most of the Real Estate tax?

Answer. No. While it is realized that the individual farmer does pay considerable tax, the largest taxpayers in the county are the industries, utilities, and railroads. One industry pays more in property taxes per year than is paid separately from 10 of the 17 townships.

Question. Why should people not intending to use this hospital contribute in taxes?

Answer. For the same reason that those people who do not have children in school pay school taxes which in most townships are more than 30 times the proposed hospital construction needs. People in the outer fringes of the county who go to surrounding County Hospitals are in essence getting a free ride from taxes and are causing some burden to the surrounding counties that must provide for them. The neighboring counties and their hospital administrators are among the most avid boosters of a new hospital facility in Kosciusko County.

Civic minded people often contribute or pay taxes for services from which they do not personally benefit.

Question. Why not build the hospital with contributions?

Answer. There will be many contributions to a hospital which truly belongs to the people; in money, facilities and service from community volunteers. The medical community will be making significant voluntary contributions.

Question. Are these strings attached to the Federal Hill-Burton Grant?

Answer. The Hill-Burton Grant requires certain federal specifications on building requirements but these requirements are far exceeded by the code of the Indiana State Board of Health. This same Indiana State Board of Health has given approval for a second hospital in Kosciusko County.

Question. I am confused, why a new hospital?

Answer. The area Health Facilities Planning Council had a survey taken in 1965 and 1966 by a recognized hospital

consulting firm, Herman Smith Associates of Chicago. This survey and the firm that conducted it were approved by the Directors of Murphy Medical Center and by the doctors of the area before it was conducted. The survey clearly indicates that Warsaw needs a new voluntary, not for profit hospital in order to keep pace with needed hospital facilities.

Question. Why the controversy?

Answer. We don't know. The new hospital was recommended by the recognized consultant, approved by the Board of Directors and the area Health Facilities Planning Council. The present Board of Directors of Kosciusko Community Hospital Inc. are a group of civic minded citizens who have put much time and study on the economics of constructing such a hospital and they have recommended the proposed bond issue. In total, seven years of study have been made on this question requiring great amounts of time and energy which has been given unselfishly by civic minded volunteers. The doctors of the area have likewise approved the findings of the survey and have pledged to support its conclusions. The controversy began when the Board of Directors of Murphy Medical Center decided to oppose the bond issue.

Question. Why not buy Murphy Medical Center?

Answer. Numerous efforts have been made to do just that. The Kosciusko Community Hospital Corporation has consistently left the door open for such negotiations. Their professional consultant informs us that most of the present facility is obsolete as an acute health care facility and would be very expensive to try to renovate.

Question. Is this just a personality problem?

Answer. Definitely not. Personalities necessarily become involved when the over whelming majority of physicians of the area recommend a voluntary, not for profit hospital that is responsive to the needs of the community. We feel our responsibilities must be to the people of the community rather than to the few who have a vested interest. Our opposition would like the public to believe that this is just a personality squabble involving a few childish physicians. We the physicians of the area are making an effort to tell you the citizens that there is an urgent need in your community. We refuse to be involved in any public mud slinging contest.

Question. Why is there a shortage of doctors?

Answer. The Kosciusko County Medical Society has been actively seeking new doctors, both specialists and general practitioners for the past several years and has found that many high quality physicians have chosen not to come to Warsaw because it is known state wide that Warsaw has hospital problems. We feel that a new hospital facility will attract a type of physician we need for aggressive medical community.

Question. Are doctors really going to leave town?

Answer. We hope not. No physician wants to spend his professional life in a community where there is constant unrest and where his talents are not used to the greatest benefit for the people of the area. Some have invested heavily in the area with the belief that such a progressive community will certainly solve its hospital problems while others have purposely not invested so that they might be free to move to one of the many communities in areas where their talents are needed and appreciated. As a group they are trying to tell the community of its future needs.

Question. Why build a new hospital for the doctors benefit?

Answer. The doctors will not make any additional income in a new hospital than they do in the present facility. A new hospital facility will provide an atmosphere and facilities that will be entirely for the patients comfort and benefit.

Question. Why don't the doctors build their own hospital?

Answer. Hospitals have been built by doctors in the past in order to maintain control of the medical community. None of your present physicians wish to maintain any such control nor do they have any desire to run a hospital. We feel that a hospital should be run by a Board of Directors representing the people and administered by a professional, trained administrator using the doctors only as consultants in medical matters.

Question. What are the doctors going to give?

Answer. The doctors have already pledged substantial voluntary sums for the support of a new hospital facility.

Question. What's wrong with free enterprise?

Answer. Doctors as much or more than anyone else have a desire to preserve the free enterprise system, but a privately owned acute hospital corporation without any competition is a monopoly and as such does not represent the system of competitive free enterprise.

Question. Will the new hospital become an accredited hospital?

Answer. Every effort will be made by the Board of Directors, Administrator and medical staff of the new hospital to obtain accreditation. According to Dr. Kenneth Babcock, former chairman of the joint commission on hospital accreditation, approximately 75 per cent of the effort towards accreditation is contributed by the medical staff. The medical staff would continue to work hard for accreditation as they have in the past six years in which Murphy Medical Center has been accredited.
