Students create newspaper; reap rewards

The students of Mentone, Akron, and Burket Elementary in the Gifted and Talented program were involved in creating their own newspaper using computer word processing skills and graphic programs. The unit involved setting up each class as a newspaper office. Each student had to write their own creative story for the newspaper, conduct an interview, and write articles for other sections of the newspaper. Each class chose the name for their newspaper along with the various sections they wanted to include to complete their newspaper. Students were paid token money according to the quality and amount of work they put into the unit. When the newspaper was complete, they took the money they had earned and spent it at an auction. The time donated by each of the auctioneers was very much appreciated. Mr. Wendell Kuhn was the auctioneer at Akron, Mr. Tim Mauk was

the auctioneer at Mentone and Mr. Jim Knepp was the auctioneer at Burket.

The LAMP program is in

its second year at the Tippecanoe Valley School and is taught by Risa Young. It is a pull-out enrichment program. Each of the students

are pulled out of class for three hours a week for enrichment activities. LAMP stands for Learning Accelerated Motivational Program.

Victory for future means higher taxes

Calling it "a victory for our people of the future", the Indiana General Assembly approved a \$460 million package of new educational spending and tax increases.

The House voted 74-26 and the Senate 31-18 in favor of the bill, which would boost individual income taxes to 3.4 percent from 3 percent.

The measure includes many of the recommendations Orr made in his 31-point, \$306 million "A-Plus Program for Indiana Educational Excellence."

Among the Orr-suggested proposals included in the bill are:

*Expanded statewide proficiency testing and required remediation in English and mathematics for up to 16 percent of students who do not meet state standards.

*A new school accreditation system that takes into account student performance on the standardized proficiency test, graduation rates and other factors.

*A \$10 million rewards system, started in 1988-89, to give financial awards to schools that show improvement.

*A five-day addition to the school year, beginning in 1988-89. Orr had originally asked for 10 extra days added to the current state minimum of 175 days of

school.

*Makeup of school days lost because of snow or other factors.

Rep. B. Patrick Bauer, D-South Bend, said Democrats also played a role in fashioning the bill.

Democratic initiatives in the bill include:

*\$20 million for programs for students considered at risk of failing academically because of socio-economic factors.

*Higher state reimbursement for schools that participate in Project Primetime, which is designed to reduce class sizes in the lower grades.

*\$6 million a year to pay for textbooks for poor students.

The bill will also guarantee every school corporation about 6.5 percent a year in additional tuition support from the state. That figure includes the cost of the five extra school days, which will be paid for 100 percent with state funding.

The total price tag for the bill tops \$4 billion.

At the close of the Indiana General Assembly, Gov. Robert D. Orr signed the following new laws:

House Bill 1010: This measure deals with the tracking of a number of communicable and dangerous

diseases. It institutes procedures to monitor and record cases of AIDS in Indiana. The measure would also encourage the development of preventive procedures for these diseases. The law is effective September 1.

House Bill 1012: This law, effective September 1, requires the Department on Aging and Community Services to develop training programs for people who care for persons with Alzheimer's disease or senile dementia.

House Bill 1071: Under Continued To Page 16

Antique cars in Mentone

If you are planning to be in Mentone on May 15 in the early afternoon, you may think you have stepped back in time.

A caravan of about 40 antique cars will be parked along the main street as the drivers will be eating lunch at Teel's between 12:30 and 2:30 p.m.

State Road 25 will be closed for approximately a two block stretch to allow spectators to look at the old relics. As with so many cherished items, you may look, but do not touch!

Board hires architect

The Tippecanoe Valley school board met in special session on Thursday, to discuss the hiring of an architect to do work on the high school roof. The Odle-Burke architectural firm of Indianapolis has been hired for the job.

Other firms considered for the project were Fanning-Howie of Michigan City; E.I. Brown of Indianapolis; Martin-Riley of Fort Wayne. Fanning-Howie is the current architectural firm working on the new buildings and remodeling projects at the elementary schools.

Fanning-Howie was not awarded the bid because of the time factor involved. The school board hopes to have a new roof put on the high school this summer, and with the other large projects Fanning-Howie is involved with, the board felt the need to go to a different firm.

Town meetings in Washington

Fifth District Congressman Jim Jontz, is holding several "town meetings in Washington" in the upcoming weeks.

Actually, Jontz is available to talk with constituents this month by way of phone. Jontz, who is in his Washington D.C. office, plans to talk with callers from 6-8 p.m. on May 12 and 19. The program actually began on May 5.

People can call toll-free, 1-800-544-1474, to speak with Jontz. The number is directed to his Kokomo office, which then relays the message to Jontz who then returns the call, according to press aides.

The phone calls are expected to provide a more personal means of communication, compared to regular town hall meetings where some people may be too shy to discuss matters in public, an aide remarked.

Akron's youngest Scout troop

The newest Girl Scout Troop in Akron is the Daisy Girl Scout Troop #330. Juliette Gordon Lew, the founder of Scouting in the USA, was nicknamed, "Daisy." These young scouts, composed of Kindergarten and first graders are named for her.

The Daisy Troop has been meeting since December. The girls have learned the Girl Scout Promise and about

the Girl Scout Laws.

In February they participated in Thinking Day. The girls had a food booth and were in costumes from Hawaii. Scouts from all over the area were there, each representing a different culture and their foods and customs.

March 12, was the celebration of Scoutings "5th Birthday in the USA, the

girls celebrated this event with the Brownie Troop and Cadettes from Akron.

Girls receiving Daisy Scout Pins and Certificates of participation are: Amanda Drudge, Erin Drudge, Heather Potter, Lisa Conley, Melinda Beery, and Melissa Barnhart.

The Daisy Troop is led by Darlene Drudge and Carla Beery.

The Macy Yellow Jackets passed into history on a victorious note last Thursday as they defeated the Akron Flyers, 7-5. The contest will be the last one under the Blue and Gold colors of Macy High School. The school will be closed next school term and the students will attend Rochester High School. Bob DuBois closed out a brilliant high school athletic career by pitching and batting the Jackets to their victory. Although wild he held the Flyers in check most of the way having trouble only in the second inning. He walked eight and struck out four while allowing seven hits. He led the Macy batting attack with two singles and a double while teammate Dick Edwards had two singles. Stan Singpiel had the longest hit for the Flyers, a triple.

Twenty-eight seniors will graduate from Akron High School, Friday, May 17th. Carol Skillen, daughter of Mr. and Mrs. William Skillen, is valedictorian and Robert Hattery, son of Mrs. Goldie Hattery and the late Ralph Hattery, is the salutatorian. Other members of the class include: Ronald Kuhn, John Gilbert, William Ward, Marcia Meredith, Rebecca Oliver, Larry Krieg, Helen Wood, Leroy Kirk, Donna Clark, Jill Ault, Horace Barnes, John Ramsey, Helen Huppert, Ronald Jones, Norma Sicks, Michael Colbert, Paul Murphy, Jocelyn Moore, Ernest Smoker, Genavce Cox, Rex Eiler, Oliver Powell, Donald Fellers, Charles Saner, Karel Hollingsworth, and Barbara Shriver Johnson. Class sponsors are Imogene Mavis and Gordon Heltzel.

John Randall Leininger, son of Mrs. Mary Margaret Leininger and Paul Wendell Heltzel, son of Mr. and Mrs. Marvin Heltzel, will attend Boys State this summer at Indiana University under the sponsorship of the local American Legion and Exchange State Bank.

Dennis Sheets, AHS '56, has been elected corresponding secretary of Alpha Phi Omega honorary fraternity for this coming year at Indiana University.

Guests of Mr. and Mrs. Claude Billings Sunday were Mr. and Mrs. Albert Hans and Mr. and Mrs. D.J. Knapp of South Bend, and Mr. and Mrs. Gene Knepper and family of Fort Wayne.

Award winners honored

A buffet supper preceded the April 14 meeting of Anthony Nigo Chapter, NSDAR, Mentone at Teel's Restaurant with Agnes Pryne Chapman Chapter of Warsaw as guests. The Good Citizens Award Winners and their parents attended as special guests.

The regent, Elaine Fugate conducted the opening ritual, followed by the pledge to the Flag and the Star Spangled Banner. A short memorial service for Yolande Riner was conducted by Mrs. Brown.

Mrs. Lena Igo read the president's general message concerning Continental Congress. All members were urged to attend the congress by Ann D. Fleck, the president general. The Resolution on "Continued Advancement of Space Technology", which was read by Mrs. Cara Tucker urged support of the continued advancement of space technology.

The Good Citizen Chairman from Mentone Mrs. Jerry Smith, explained the purposes of the award expressing the difficulty of the test and essay. The county winner from Tippecanoe Valley High School was introduced and the chairman proudly gave an interesting resume of John King. His parents Mr. and Mrs. Darrell King were introduced. The Wawasee

winner Rhonda Wilson gave highlights of her high school career and introduced her parents, Mr. and Mrs. Paul Sands.

Mrs. Charles Thomas, 1st Vice Regent, Warsaw introduced Lynn Darnell, who gave an interesting program on "Weaving with a Navajo Spindle".

Mrs. Fugate thanked the hostess/decorating committee, Mrs. Eileen Koenig and Mrs. Cara Tucker who provided the springtime centerpieces, miniature animals, colorful Easter eggs and pastel colored napkins. The meeting was closed with the repeating of the American Creed.

The next meeting of Anthony Nigo Chapter will be at the home of Mrs. Jerry Smith on May 12. Members are reminded to bring Memorial Contributions for Yolande Riner which will be sent to Bacon Jr. College to the May meeting.

"KNOWN FACT"

"Home, Sweet, Home" may not be so "sweet" after all. Studies have found that the air inside homes may be more dangerous to human health than the air outside. In fact, the number of people claiming to be victims of "building sickness" has tripled in this country since the early 1970's.

The Mentone Nutrition Site was saddened this week by the death of Virginia Peterson. She was active at the Site and in our Scrambled Egg Band - our sympathy goes to her family.

Games were played on Monday with dirty bingo last Tuesday. The band practiced on Wednesday and Friday. Due to the death of Virginia, devotions were cancelled Thursday while several from the site attended the funeral.

Rev. Les Taylor was unable to show his film a week ago as he was at the hospital with Glen Campton. Glen seems to be doing well from his surgery and will be home soon.

We will present a Mother's Day program at the Akron Methodist Church on May 11. The May birthday party will be held on May 12. We have been invited to the Walnut Creek Brethren Church on May 15.

We voted not to have a float in the Mentone Egg Festival Parade this year. The recent volunteers were Mr. and Mrs. Forest Dunnuck, Arlene Casner, Dixie Secrist, Esther Wise, Emma Zolman and Connie Zolman. Thanks to each of you.

Real Services Nutrition Program invites persons age 60 or older to attend the Meal Site at the Community Room, Fire Station, Mentone. The telephone number is 353-7555. Please make reservations 24 hours in advance. The menu for the week of May 11-15 is:

Monday - Orange juice, ravioli with meat sauce, buttered wax beans, Italian bread, margarine, fresh grapes, milk, tea, coffee.

Tuesday - Apple juice, swiss steak with gravy, au gratin potatoes, steamed broccoli, whole wheat bread, margarine, white birthday cake with coconut vanilla icing, milk, tea, and coffee.

Wednesday - Vegetable cocktail juice, chicken nuggets with barbecue sauce, baked beans, tossed salad with French dressing, dinner roll, margarine, golden glow gelatin, milk, tea, coffee.

Thursday - Pineapple juice, sweet and sour pork, steamed rice, marinated cucumbers, cracked wheat bread, margarine, apricot halves, fortune cookies, milk, tea, coffee.

Friday - Apple juice, lemon baked Cod with tartar sauce, baked potato with margarine, green pea salad with cheese, white bread, margarine, plums, milk, tea, and coffee.

Due to the diets of some people, the food is not highly seasoned. Menu subject to change without notice.

WHEN DENTURES NEED A CHECKUP

For most people it takes a while to get used to wearing full dentures. Once they achieve a degree of comfort and usefulness, you may think you no longer need help from your dentist. But that's not true.

That's why at H. Ray Hazen, D.D.S., M.S.D., P.C., we emphasize the importance of regular checkups for denture wearers. We'll make sure your dentures are fitting properly and that your oral health is in good condition.

Regular checkups also help us detect any changes in your oral health that might require treatment. We'll clean your dentures and your mouth, and we'll make any necessary adjustments to your dentures.

At H. Ray Hazen, D.D.S., M.S.D., P.C., we understand the importance of regular checkups for denture wearers. We'll make sure your dentures are fitting properly and that your oral health is in good condition.

Mother's Day Quiz

Everyone knows that the second Sunday in May is the day American families set aside for honoring mothers. But how much do you know about Mother's Day traditions? Test yourself with this short quiz:

• Who first suggested a Mother's Day holiday in the U.S.?

• What is the traditional Mother's Day flower?

• What aromatic gift do mothers everywhere enjoy receiving?

Answers

• Julia Ward Howe first suggested creating Mother's Day.

• The carnation is the traditional Mother's Day flower.

• In addition to flowers, mothers everywhere enjoy the sweet scent of perfume. So, along with carnations, why not give your favorite mother a gift of fine perfume such as Albert Nipon or Adolfo?

Treat her with one of the luxurious items from either of these designer fragrance collections. Albert Nipon is a classic scent. The Adolfo fragrance has a fresh, long-lasting aroma, like a bouquet of

Classic perfumes can make scents-sible Mother's Day gifts.

the world's most beautiful flowers. Each fragrance is available as perfume, eau de toilette and luxurious bath items.

If you purchase an item from either collection in time for Mother's Day gift-giving, you can also surprise your Mom with extra presents. With a purchase from the Albert Nipon collection, you'll receive a free sweet treat—solid, dark chocolate in the shape of the distinctive Albert Nipon perfume bottle. And when you buy an Adolfo fragrance item, you'll also get a signature umbrella that will keep your favorite Mom dry during spring showers.

With such free treats, both you—and your Mom—will discover that fragrances make "scents-sible" Mother's Day gifts.

Reminder

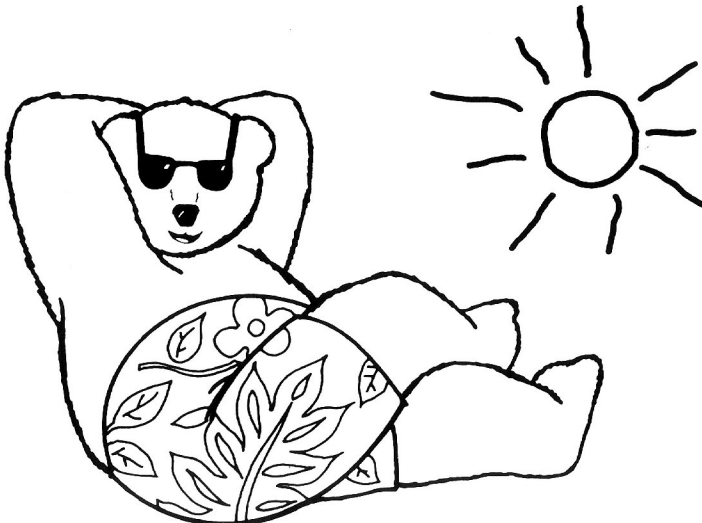

May 15 is the, last day to file personal property assessments.

My family and I would like to express our sincere thanks to community members, friends, and relatives for remembering us during my recent illness.

The cards, gifts, food, telephone calls, visits, and especially the prayers were very much appreciated.

Thank you for your continued support.

"For the Cost of a Single System, I'm Cool in Summer and Warm in Winter."

— Central Bear

Central Bear (rhymes with "central air") keeps cool in the summer and warm in the winter. And he does it with a single system that costs about the same as central air conditioning. It's an add-on heat pump that provides "central heat" as well as central air.

Here's how it works:

Summer Cooling. Today's add-on heat pump is added to your existing furnace system and operates just like any other central air-conditioning system. It automatically provides you with cool, dehumidified air to keep you comfortable all summer long. So if you're thinking of adding central air conditioning, add a heat pump instead.

This bear doesn't hibernate in the winter.

Winter heating. During the cooler months, the system blankets your home in warm, comfortable heat. Your existing heating system is activated only in the most severe weather. And since no other system operates as efficiently as today's add-on heat pump, you'll enjoy year-round savings.

Get acquainted with Central Bear and today's add-on heat pump soon. Call Public Service Indiana for names of participating dealers. Or for a free brochure, call TOLL FREE 1-800-835-2246, extension 774.

Akron Carnegie Library

The new books now available at the Akron Public Library are:

Anne Frank Remembered. by Micp Gies - The story of the woman who helped to hide the Frank family. A powerful testament to the courage and sheer indomitability of all those who refused to sacrifice their humanity in the midst of one of history's darkest hours.

Wabash. by Robert Butler - This novel is set in the town of Wabash, on the Illinois side of the Mississippi, across from St. Louis. Wabash is also the name of the steel mill which was the main industry there in 1932, and about the Coles; Deborah and Jeremy.

Windmills of the Gods. by Sidney Sheldon - The best-selling novelist's most suspenseful, breathtaking novel to date - The story of a woman trapped by a diabolical international conspiracy.

Ambitions. by Audrey Howard - The story of two women, the empire they created, and the man they

loved. A novel with wider range and power, surprising twists and turns of fate, and above all, two extraordinary heroines.

Dream Chaser. by Norma Seely - When Mitch persuades Rena to embark on a treasure hunt, she uncovers clues concerning the missing LaSalle jewels. Another Starlight romance.

A Son of Thunder. by Henry Mayer - A new biography of Patrick Henry and the only modern historical and political interpretation of his life and career in print.

The Illustrated Encyclopedia of 20th Century Weapons and Warfare. by Columbia House, a division of CBS Inc.

The New Encyclopedia of Science. by Raintree.

Worldmark Encyclopedia of the State. by Harper-Row.

Pursuit to Appomattox. The Last Battles. by Jerry Korn - Another volume of a series that chronicles in full the events of the American Civil War.

The Child's Flower
Harbinger of spring, despised by homeowners, the humble dandelion is God's gift to the child.

Who can gaze upon the golden domes without recalling in pleasant memory the innocent face of a child, arm extended, offering a dandelion to a loved one?

The bright yellow flower, placed at a child's feet, was made perfect for picking. Every spring finds window sills laden with dandelions in a water glass...short stems...long stems...no stems at all.

Those that are not picked or mown down change into balloons of feathery seeds waiting for a huff and puff

from the lips of a child. The seeds will then scatter and search for just the right place to settle and grow, so that next spring, another little child will find them.

Monday - Meatloaf with gravy, au gratin potatoes, creamed bean salad, orange, peanut butter cookies, white bread, milk, coffee.

Tuesday - Smoked sausage, sauerkraut, mashed potatoes, fruit cocktail, brown bread, milk, coffee.

Wednesday - Fried chicken, broccoli with cheese sauce, dinner roll, apple sauce, tapioca, milk, coffee.

Thursday - Lasagna, green beans, cole slaw, apple, milk, and coffee.

Friday - Chef's Special.

Sincere thanks to the Henry Township Fire Department for their prompt response to the fire call at my clinic. I appreciate everything that you were able to do.

Update on Old Grad's

612 reservations have been received for the Old Grad's Reunion. These represent classes from 1917 through 1975. Many former graduates are coming from as far away as Oregon, California and Texas.

Bill Rowe, Class of 1916 writes from Spooner, Wisconsin that he would sure like to participate in the event, but is unable to get here.

Many others have taken time to respond to their invitation with regrets.

The reunion is Saturday night. Remember, serving commences at 4:30 p.m.

We wish to thank our friends, neighbors and relatives for the many cards and gifts. Church of God, the Pastor Malbone and the Pastor Terry for all helping to make our Golden Anniversary the best. A special thanks to our children, Brenda and Bill Malott and Gary and Bonnie Brown and grandchildren. We love you all.

Obituaries

VIRGINIA PETERSON

Virginia Peterson, 80, of 102 Yale St., Mentone, died at 1:22 a.m. Tuesday, April 28, 1987 in Kosciusko Community Hospital, Warsaw.

She was born March 3, 1907 in Milford to Charles and Ida Kaiser Woodling. She had lived in Mentone since 1943. On June 29, 1926 in Warsaw she married C. Byron Peterson, who died in 1950. She was retired after more than 20 years' ownership of Pete's Lunch. She was a member of the First Baptist Church of Mentone, the Mentone Reading Club and the Scrambled Egg Symphony Band, was a past matron of the Eastern Star and was founder of the Mentone Home Economics Club.

Surviving are two daughters, Mrs. Larry (Carol) Flenar, Mentone, and Mary Ann Peterson, Spokane, Washington; two sons, Donald, Mentone, and Merrill E., Milford; two sisters, Ellen Karsten, Oakland, Calif., and Alice Vermillion, Florida; three brothers, George, Connecticut, and Reid and Robert, both of Warsaw; 16 grandchildren, and 21 great-grandchildren. Preceding in death were a son Ted, in 1985, and a brother and a sister.

Services were Thursday at the King Memorial Home, Mentone, with the Rev. Ken Marken officiating. Burial was in the Mentone Cemetery.

NORMAN SWIHART

Norman Swihart, 87, a resident of Miller's Merry Manor West, Wabash, for 10 months, died at 12:45 p.m. Thursday, April 30, 1987 at Wabash County Hospital. He had been a patient for two days, and had been in failing health for the past three years.

He was born April 1, 1900 in the Beaver Dam area northeast of Akron to Edward and Josephine Stoffer. He had lived most of his life in Akron and Silver Lake. In 1920 in Rochester he married Mildred R. Shewalter, who died Feb. 12, 1965. He was a mechanic and, for a number of years, was owner/operator of the former Palace Garage, Akron. He attended the Roann Church of the Brethren and was a member of the Warsaw Moose Lodge and Modern Woodmen of America. He was a World War I Army veteran.

Surviving are three sons, Col. F.L. Swihart, Oceoe, Fla.; Richard Gene, Kalamazoo, Mich., and Harry Edward, Silver Lake; eight grandchildren; 12 great-grandchildren, and nieces and nephews. Preceding in death were four sisters and two brothers.

Services were Saturday at the Foster and Good Funeral Home, Akron with the Rev. Lowell Burris officiating. Burial was in the Akron cemetery, Akron.

HARRY EDWARD BELL

Harry Edward Bell, 88, father of Mrs. Joe (Betty) Boggs, Mentone, died Sunday morning, April 26,

1987 in Sun Coast Manor in St. Petersburg, where he resided. He had been in failing health several months.

Born in Holland, Mich., on Dec. 6, 1898, he was the son of Fidell and Bertha (Hansen) Bell. On Sept. 18, 1926, he was united in marriage to Vetra J. Vandivier, who preceded him in death on March 16, 1975.

Most of his life was spent in Jackson, Mich., until the last 20 years when he resided in Florida. He was a sales representative for the Consumer Power Co. in Jackson and the A.B. Stove Co. in Battle Creek, Mich., before going to Florida.

A member of the St. Mary's Episcopal Church in Stuart, Fla., Bell was a veteran of World War I, member of the Masonic Lodge, No. 17, American Legion and the Veterans of Foreign Wars, all in Jackson.

Four grandchildren and five great-grandchildren also survive. He was preceded in death by 12 brothers and sisters.

Cremation took place a memorial service followed. Titus Funeral Home was in charge of the local arrangements.

A "Big Wally" eating contest was held Wednesday, April 29 in Warsaw. The Valley team members included Chuck Howard, Tim Warstler and Steve Barnhart. The contest was sponsored by WRSW and Penguin Point.

Valley placed second by consuming 18 Big Wallies while the team from Wawasee won and set a new record by eating 20 during the allotted 15 minutes.

Steve Barnhart seems to be saying "how many more?"

Motorcycle skills tests scheduled

Bureau of Motor Vehicles Commissioner Michael M. Packard announced that motorcycle skills testing began statewide on May 2, 1987. The skills test, a requirement in the licensing process of motorcycle operators, will be offered in 39 locations on alternating Saturdays between May and October.

Motorcyclists wishing to obtain the required motorcycle endorsement must apply for a motorcycle learner's permit at their local license branch and hold it for 30 days. During that 30 days and until the actual motorcycle endorsement is obtained, the operator must adhere to the following restrictions:

1. The motorcycle may be operated during daylight hours only.
2. A helmet must be worn at all times.
3. The rider may carry no passengers.

Even if an operator has passed the skills test, these restrictions apply until the endorsement is placed on his driver's license at the license branch.

Commissioner Packard stated, "The Bureau of Motor Vehicles has received

numerous telephone calls requesting the specific date when skills testing will begin. May 2nd began the fifth session of tests conducted on outdoor obstacle courses. I recommend to individuals who are anxious to take the skills test to obtain their motorcycle learner's permit as soon as possible. Motorcycle endorsements may only be issued after the permit has been held a minimum of 30 days."

Area sites offering the course are: Plymouth High School, Randolph Street, Plymouth, IN.; Southwood High School, SR 124 East, Wabash, IN.; Warsaw High School, 1 Tiger Lane, Warsaw, IN.; Logansport High School, 1 Barry Lane, Logansport, IN.

Volleyball, softball camps set for girls

The Midwest Sports Center has announced it will be offering two new sports training programs for the upcoming summer - girls' volleyball and softball.

The girls softball program will be offered from June 7-11 and June 14-18. The staff will include Sharon Drysdale, Head Coach for Northwestern University, and Herb Hernandez, former Head Coach for the U.S. Army team for over 15 years.

The girls' volleyball program will be offered for six sessions starting June 21. This program will be directed by Mark Britner, Head Coach for Franklin College in Franklin, Indiana. Mark is listed by "Midwest Volleyball Magazine" (12/86) as one of the top teachers of technique in the Midwest.

The Midwest Sports

Center is located 7 miles west of Plymouth, on Route 30. The facilities include two gymnasiums, video training area, housing, kitchen/dining areas, recreation areas, pro shop, and snack bar. The indoor facilities include complete training areas for volleyball and softball.

Valley baseball review

With an 11-hit attack and scoring in every inning, the Valley Viking baseball team defeated Caston 11-1 in a five-inning non-conference game.

The Vikings' Jeff Feldman and Dwayne Leiter both had triples and knocked in three runs. Leiter's three-bagger bringing in the runs in the third inning and Feldman clearing the bases in the fifth.

Leiter and Tim Sparrow both had two hits, and the Vikings had eight stolen bases on the day, to support the winning pitching of David Koch. Koch yielded only two hits and three walks, while striking out three.

Jr. Varsity triumphs

Tippecanoe Valley exploded for eight runs in the third inning and went on to a 13-7 victory over Whitko in junior varsity baseball action.

The big explosion was started with a Skip Smythe walk and steal of second, followed by a Tim Secrist RBI single. Two walks preceded a Jerrod Feldman bases loaded single for two more runs, and then Dion Anglin drove in two more with a hit.

Anglin had a double and three singles in a 4-for-5 afternoon to drive in four runs, while Feldman accounted for five runs with a 3-for-5 day. Mark Metzger had two hits, winning pitcher Chris Paris went 3-for-5, Jay Craig had three hits in four trips and Secrist knocked in three runs with a pair of hits.

TV netters win two, drop one

Tippecanoe Valley picked up its second win of the season in high school girls tennis by defeating John Glenn, 5-0.

Only one match, at No. 3 singles, went into three sets. Tonya Grogg survived two marathon sets to outlast Crissy Solmos, 7-5, 6-7, 6-0.

The Viking junior varsity, led by sophomore Ashley Conner, also swept John Glenn, 3-0.

TVHS 5, John Glenn 0
Singles - Sue Lafferty (TV) d. Jill Foley, 6-3, 6-2; Leslie VanDeWater (TV) d. Lyn Wallace, 6-2, 6-2; Tonya Grogg (TV) d. Crissy Solmos, 7-5, 6-7, 6-0.

JV - TVHS 3, John Glenn 0.

Three members of the Tippecanoe Valley High School tennis team dropped only three games apiece in a 4-1 victory at Triton.

Leslie VanDeWater easily defeated Pam Yoder 6-0, 6-3 at No. 2 singles as did both of the Valley doubles teams with identical 6-2, 6-1 decisions. The Valley No. 1 team of Leslie Miller and Alisa Zolman beat Angie Price and Tonya Watkins and

the No. 2 team of Lisa Huffman and Crissy White topped Amy Gelbert and Dayna Cade.

At No. 3 singles, Valley's Tonya Grogg beat Angie Fawley 6-4, 6-2. Lana Ball of Triton outlasted Sue Lafferty at No. 1 singles for a 2-6, 6-3, 6-4 victory.

In the only junior varsity match, Ashley Conner of Valley beat Stephanie Haller 8-0.

The Tippecanoe Valley netters lost to Warsaw on Monday, April 27. Only one member of the Viking girls tennis team won more than four games in the 5-0 loss.

Sue Lafferty of Valley lost 6-1, 6-1, to Tamara Payne at No. 1 singles. Leslie VanDeWater lost 6-4, 6-2 to Michelle Haines at No. 2 singles and Tonya Grogg lost 6-0, 6-1 to Linda Parke at No. 3 singles. In doubles, Valley's No. 1 team of Leslie Miller and Alisa Zolman lost 6-2, 6-1 to Lynnae Ginter and Stacy Nellans and the No. 2 team of Lisa Huffman and Crissy White lost 6-2, 6-2 to Sally Parke and Crystal Drake.

DRUG QUIZ

by Curt Scarborough, Ph.D.
Used by permission; all rights reserved by DATE, St. Louis, Mo.

Nearly 12% of high school students are reported to take "uppers" and 6% take "downers" probably because they are generally affordable and accessible. How about other drugs?

QUESTION: How many 14-18 year olds use drugs such as LSD and PCP at least once a week?

- a) 50,000
- b) 100,000
- c) 150,000
- d) 300,000

ANSWER: LSD and PCP are classified as hallucinogens by the Drug Enforcement Administration. Both produce distinctive chemical "highs." LSD is odorless, colorless, tasteless, and touted as the most powerful drug known (ounce for ounce). It is produced as a liquid and a crystalline solid. LSD produces symptoms which mimic some psychoses (such as schizophrenia). PCP is one of the most unpredictable drugs, producing bizarre behavior and often intensifying psychotic tendencies of the user. It is produced as a white crystalline powder. Both LSD and PCP are mind-altering drugs and should be avoided.

Correct answer - d

Life styles and learning

Bobbi Riddle and Monica Miller enjoy studying with someone and they also like having some light and open areas where they work. (NEWS Photo)

This past summer, several teachers from Akron participated in a week-long seminar on Learning Styles. Learning styles theory says there are 18 elements that affect a student's learning and their studies have shown that teachers can be more effective if they accommodate the student's individual needs as much as possible. Some of the needs or elements that affect a student's learning include sound, light, temperature, structure, working alone or in a group, intake, and room design.

To begin, the students must fill out a questionnaire called the Learning Styles Inventory to determine their individual needs. These inventories are then processed and returned with a detailed account of what type of learning style each child has.

Once a teacher has this information, he/she can begin to accommodate his students by teaching in the way they learn the best. A few of the teachers at Akron have incorporated these

elements in their own classrooms and found the technique to be very successful.

One teacher has used room design with much success in her classroom. Some students work best alone in corners, others in a group at a table, and some in a pair. It has helped her students to be more task-oriented and lessens many discipline problems.

All in all, it seems that both teachers and students are enjoying the benefits of Learning Styles.

For Mother's Day

Burket third graders in Mrs. Ousley's class love their mothers. Each mother is so special in her own way. We wish you a very **Happy Mother's Day!**

My mom is so sweet. Her eyes are like diamonds. She always likes to take hot baths. I love her!

Serena Dove

My mom can cook very good pizza. Have a happy day!

Brian Slone

I think my mom is nice because at Easter she bought me a stuffed monkey.

Travis Mullins

Mom, you are a special one. Not because of what you look like. Just because of who you are. You're the best in the world. Plus you are a good teacher to your children. When I grow up, I'm going to be just like you!

Rebecca Flora

She's nice because she pays for activities like dance, the Y, and other things too. Wow!

Cori Harding

My mom washes the dishes instead of making me do them. I like her for baking me cookies.

Jared Beery

Mom works at Burket School as a cook. She knows how to make lots of good

food. She's so nice, but she never gets a tan.

Angie Zolman

My mom is special. She helps me with my homework. Sometimes she helps me make my bed. I love mom!

Paige Lewis

Mom cares for me! She loves to sew. Right now she's making my sister a quilt.

Ryan Goebel

My mom likes to babysit, likes to work in the house, and likes to take good care of us. I love her! What a worker she is.

Regina Bolen

My mom cooks like no one else does. She is the best mother in the world!

Erin Hampshire

Mom is happy 'cause she

knows my sister and I love her very much. She's good at sewing.

Carrie LaRue

My mom takes me to the mall and is great about giving me horse back riding tips. Happy mother's day!

Heather Rutledge

Mom takes me to wrestling matches and gets me a new bike. She's neat!

Mark Watkins

Mom does not wear glasses. She does fun things with me like takes me to lots of movies. She helps me too!

Jeremy Miller

My mom is a great hand writer. She's a good person who cleans the house, cooks, types fast, and loves my

whole family a bunch.

Andis Gakstatter

I like mom because she is very pretty. She likes to do things with my sister and me. How special of her!

Jill Baker

Mom is probably the best pizza cook in the world. She takes me everywhere. She also makes the best home made ice cream.

Joey Yocum

My mom gives me five dollars. She should only give me three dollars for my allowance. She gets me all kinds of Hawaiian clothes.

Wes Perkins

My mom, Debby, was born in 1955. She is as pretty as she can get. Happy Mother's Day too!

Probation officer resigns

Deputy Probation Officer Steven Harner has offered his resignation to accept a similar position in Marshall County it was announced today by Fulton Circuit Court Judge Douglas B. Morton. Harner will begin his duties as Deputy Probation Officer in Marshall County handling juvenile matters and coordinating community service work starting May 11. He is a Marshall County native.

has already commenced through the judges and through Barbara Deniston, Chief Probation Officer.

State statutes require that the officer hold a four year college degree, preferably in social services or criminology. He will also be required to pass the state probation officer's examination within the first six months of his employment.

Harner began work for Fulton County Probation on February 15, 1985. During his tenure he has regularly served as probation officer for both Judge Morton in Circuit Court and Judge John Delworth in County Court.

current Indiana law, a teen-aged girl can get married without the knowledge of her parents if she is pregnant and petitions a court for permission. Under the new law, parents would be notified prior to a court hearing that their 15 or 16-year-old daughter is going to court to get married after becoming pregnant. The law is also effective September 1.

House Bill 1007: This statute restricts smoking in any building in which state or local governments hold office space. Superintendents of such buildings are required to designate non-smoking areas, but they may establish smoking areas if they want. Persons caught smoking a cigarette, pipe or cigar in a non-smoking area commits a Class C infraction which carries a maximum \$500 fine. The law goes into effect September 1.

House Bill 1290: Under the new law, a minimum age for kindergarten children will be phased in by 1992. A child must be 5 years old on June 1 for all school districts in the state. The law will aid in eliminating marginal age differences in children starting kindergarten. The law goes into effect immediately.

Senate Bill 185: This measure creates the Corporation for Indiana's International Future. The board of directors for this new enterprise will be engaged in strengthening Indiana's ability to compete in the global economy. The corporation will also encourage educational and cultural exchanges between Hoosier citizens and citizens of other countries. The law establishing the corporation is effective July 1.

Open house scheduled Sunday

The Building Trade annual open house will be held on Sunday, May 17, from noon until 5 p.m.

This year's home is located on Kosciusko County Road 900 South, 1½ miles east of State Road 19. The contemporary home has 2,000 square feet of living space. Features include two bedrooms, sitting area, and a full bath on the second floor, and kitchen, dining room, living room, office, master bedrooms and 1½ baths on the first floor. A Geo-thermal heat pump provides heating and cooling.

In addition to learning the basics of home construction, students also learn the installation of ceramic tile, wood flooring, and sky lights.

This year's clients are Mr. and Mrs. Mark Gast.

Antique cars in Mentone

If you are planning to be in Mentone on May 15 in the early afternoon, you may think you have stepped back in time.

A caravan of about 40 antique cars will be parked along the main street as the drivers will be eating lunch at Teel's between 12:30 and 2:30 p.m.

State Road 25 will be closed for approximately a two block stretch

TVHS site of banquet

The 58th Annual Beaver Dam Alumni Banquet was held Sunday, April 26.

A dinner was held for the 151 former graduates and friends in attendance. Classes of 1937, the 50 year ago graduates, and the graduates of 1962 were honored. The class of 1962 represents the last class to graduate from Beaver Dam along with being the 25 year ago class.

Those attending from the Class of 1937 were: Glendora (Ferree) Smith, Mary (Cumberland) Horn, Margaret (Bowser) Bruner, Esther (Kelly) Wise, Mildred (Craig) Harrold, Phillip Lash, Cecil Silveus, Orval Swick, Dale McFarland, and Deverl Jeffries.

Class of 1962 members present were: Paul Bucher, Janice (Yaks) Moore, Rita (Lockridge) Lynn and Ned Highway.

Festival adds new attraction

A new event has been added to the Mentone Day's program for this year. A Variety Show will be held on Saturday evening, June 6th, at 7:30 p.m. at the Mentone Fire Station. This will follow a concert by the Senior Citizens Scrambled Egg Band. In case of rain, the variety show will be held inside. Those planning to enjoy this program should bring lawn chairs.

This Variety Show is not intended to be strictly a talent contest. Instead, the Committee is hoping to encourage persons of all ages to participate with whatever act, talent or presentation they might have.

If you love to sing in the shower, why not enter this Variety Show? If you have written some poems, we'd like to hear a favorite one. Other areas might be instrumental, vocal ensembles, tumbling and acrobatics, pantomime, to name just a few.

The six categories are: 1. up to and including 7 yrs.; 2. 8-12 yrs.; 3. 13-19 yrs.; 4. 19-34 yrs.; 5. 35 and up; 6. Group with mixed ages.

Cash prizes of \$15, \$10 and \$5 will be awarded to winners in each category. Persons may enter more than one act or performance. Deadline for entries is May 23.

Citizens asked to pick-up and clean-up in Mentone

The town of Mentone has given its residents until the week of May 17-23 as the deadline for picking up trash, mowing grass and pulling weeds before an ordinance, requiring this work to be done, will be enforced.

Town board members are concerned with the citizens attitude toward the town. According to the board, more pride needs to be taken for the town and for personal property. Many people travel through Mentone daily and judge a town by its appearance.

\$31,000 has been allotted for the 1987 street repair with \$10,000 coming from the general budget, \$15,000 from the motor vehicle and highway (MVH) fund and \$6,000 from the local road and street fund. After discussion of repairs needed, the board estimated the repair cost would be approximately \$17,000.

Listed for repair are: Tucker Street, from Harrison to Maple; Morgan Street, from the alley at the United Methodist Church through the intersection at State Rd. 25; Johnson Street, across State Rd. 19 to Tucker; Franklin Street, north to East High Street, and the Etna Street railroad crossing. Blacktopping the alley behind the United Methodist Church is also under the consideration of the board.

Other streets may be added before repair work begins, and the possibility of

putting in new curbs was also discussed.

The board has received approval from the State Highway Department to close off one block of State Rd. 15 (Main Street) on May 15 for the parking of about 40 antique cars, which will be in town for about two hours.

In other business, the board voted against the request to close one parking space in front of the drug store so that people could enjoy the flower arrangement there. According to Miller, the parking space is needed on the weekends and it would mean relining the rest of the street.

A motion was made to have a consent signed to block off the street on June 4, 5 and 6 for the Mentone Egg Festival.

In executive session, which immediately followed the regular meeting, the board was to interview a possible candidate for the position of superintendent of water, to fill the vacancy left by the resignation of Rodney Holloway on April 17.

The board is still taking applications for the position of town marshal.

The Candy Counter Encounter

It began much as any other grocery shopping day, except for the fact I had decided to skip lunch to save time. As I pulled the car into a parking space, I could have sworn it made a strange sound. But wait...it wasn't the car, it was my stomach growling.

I should have seen it coming. It didn't bother me in the vegetable section. I went straight past the bread and cookies. Then buzzed by the ice cream freezer.

But then, gradually, ever so gradually, the thing I had hoped would never happen, happened. At the end of each aisle it became harder and harder to pull the cart away. I somehow felt like a magnet was drawing me toward something and no matter how hard I pulled away, I knew it would have to be faced eventually.

Just as I decided the rolls would stay in the bakery, the cookies on the shelf and the potato chips in their bags, I pulled into the check-out counter.

There it was...the candy counter! I had finally met the magnetic-like force which had been attracting me. Where could I go to get away from it? The next counter? No, no...there was a candy display in every check-out lane. I knew...the express lane! No...I had too many articles.

I had to hurry, it was almost my turn. How could I get delayed in the line like this? Wouldn't you know, a price had to be found for the lady in front of me! (I began to stare at the coconut bars.) Maybe I could hide my cart down a deserted aisle and sneak out without the food and escape! No, not a chance, a lady just pushed her cart behind me. (My eyes wander toward the chocolate bars once again.) Why is it taking so long to check out a price? I turn my back to the candy, but I seem drawn around. Just as my hand reaches forward...

"Any coupons, madam?" Can it be? Is it really my turn? In a while, I'm writing a check with shaky hands. I rush hurriedly toward the car. As I start the engine I notice my pant legs aren't as tight, no huffing and puffing like last year.

The candy counter encounter was over and I'm a winner...in more ways than one!

Rural Rhymes

By Esther C. Adams

THE TALE OF THE MINI HOME

We bought us a mini home,
Pa said we would travel,
We got home with it
Now my tale will unravel.
First we put it in the shed,
To give it Tender Lovin' Care,
The rats ate the wiring
Much to our despair.
We started out to Texas,
First fill lost our gas cap.
Had to put a rag in the hole
Till we located another cap.
A car then ran a stop sign,
Pa put the brakes on full,
I came sailing up from the rear
Like an angry Holstein bull.
Made myself all black and blue,
I loosened and cracked the chair,
Then the outfit went to jumpin'
Much to our despair.
We got some little filters
Put them in you know
But the thing conked out on us
While enroute to the livestock show.
A Mexican mechanic fixed us up
We thought we were all set,
But a leaky water hose
Got the carpet soppin' wet.
With towels we sopped the water up.
Finding the leak we had no luck.
To bring water in with coffee pot and bucket
We certainly then were stuck.
We stopped at a rest park,
Gas was leaking a stream we found.
Stuck a lead pencil in the hole
Then we were onward bound.
Then the electricity conked out.
The refrigerator did defrost.
That got us to worrying
How much food would be lost.
But we kept the motor running,
And went "a hummin'" down the road
And in no time at all
We were home in our abode.

Ruth Anna Davis, daughter of Mrs. Ruth C. Davis, who last week received a very serious cut on the arm, is reported to be getting along nicely. She is able now to have her arm out of the sling. At the time of the accident it was a question as to whether or not she would have the use of her hand again, but later examinations show that she will have.

Miss Margaret Mullican of near Gilead, who was a graduate of Indiana University in 1927, received a letter from her former instructor of the School of Music asking her to travel with the 1929 Orchestra as Violonist in their three months tour.

The local post of the American Legion beginning this year awarding sterling medals to the Senior and Eighth grader who has made the most outstanding accomplishments. In making the determination the faculty had great difficulty in determining the winner as the award was based upon the students, honor, courage, scholarship, leadership and service. Principal Earl Rouch presented the medals to James Riley, senior, and Keller Hartman, eighth grade. The American Legion Auxiliary of the local post awarded cash prizes to the students of the Art Class of the high school for the best Poppy Day Poster and the prizes were awarded to 1st - Charles Wells, 2nd - Helen Pike, 3rd - Parentha Kindig, Iris Shamp and Pearl Stark. 2nd Prizes - 1st, Edward Gray and Robert Woodcox, 2nd - James Clemans and Edward Adams, 3rd - Ruth Teel, 3rd Prizes - 1st - Billy Bradway, 2nd - Annetta Marsh; 3rd - Edna Rattliff; 4th Susanna Thompson; 5th - Elsie Townsend; 6th - Kathryn Riley. Special mention is due to Lewis Bowen and Robert Branning and honorable mention to the entire art class.

Teddy, the small son of Mr. and Mrs. Nyle Merley, received a very painful injury Wednesday. While playing, he got his finger caught in the cogs of the endgate of a seeder. The finger was so badly mangled that a local doctor had to amputate it.

Miss Jaunita Gast entertained a number of friends at her home in honor of her house guest Miss Emma Kathryn Ruch of Oberlin College, Ohio. The evening was spent in playing bridge and socially. Prizes were awarded to Helen Pike and Ronald Fenimore. A very delicious luncheon was served by the hostess.

Wood, Mikesell wed

Joyce Wood became the bride of Jerry Mikesell on March 28, 1987 during a 6:30 p.m. double ring ceremony at the Akron Church of God. Vows were heard by the Rev. Terry Canfield.

The bride is the daughter of Mr. and Mrs. Richard Wood, Akron.

The groom is the son of Mr. and Mrs. Harold Stiles, Plymouth.

The bride and groom chose burgundy and pink mums as their flowers and had pew bows, candelabras, and candles in the church windows for added decorations.

Attending the bride as maid of honor was Tanya Geiger of Akron. Bridesmaids were Jill Fites, Akron, and Rose Mikesell, Plymouth.

Larry Mikesell Jr., Plymouth, was best man and Ray Wood, Akron, and Jeff Youst, Plymouth, were the groomsmen. Ushering were Jim Barous of Downers Grove, Ill., and Mark Zartman of Twelve Mile.

Jim Saner, Akron, was soloist and Lori Deardorff, Akron, played the piano while Judy DeVries played the organ.

The Talma Community Center was the site of the wedding reception for the approximate 150 guests attending. The three-tier cake was decorated with burgundy and pink roses. Helium balloons and streamers accented the tables. Helping serve at the reception were Dorothy Savage, Akron; Bonita Arthur, Akron; Robin Spencer, Logansport, and Twila Childress, Indianapolis.

The bride is a 1982 graduate of Tippecanoe Valley High School and is presently employed at Fashion Crossroads in Plymouth. The groom is a 1982 graduate of Plymouth High School and is employed at R&J Mfg., Plymouth.

I wish to thank everyone for their prayers, cards and concern for me while I was in the hospital. A special thanks to the EMTs for their prompt service and Woodlawn Hospital for the excellent care.

Raymond Hoover

Kappa Delta Phi Sorority wishes to thank all of the people who helped with the "Old Grads Reunion". A special thanks to Loren Sheetz, our associate members, and our husbands.

We especially appreciate the help that John Hill gave us in making all of our arrangements.

Cancer help line available

The American Cancer Society offers an educational service available to the general public. In the early 80's, the Society realized that there was a need to expand the Society's current method of providing medical and scientific information to patients, families, and others.

To provide this information to patients and families, a toll-free help line was developed. Residents of Indiana can call anytime from 9 a.m. to 5 p.m. Monday through Friday to get answers to questions about cancer. The help line will also answer questions about the American Cancer Society and its programs and services.

The help line will make no medical recommendations which are in the province of the physician. The number to call is 800-ACS-2345.

After hours and on weekend, an answering service will register your call. A representative will, in return call you.

Engagement told

Mr. and Mrs. Richard Peterson, Rt. 2, Rochester, and Mr. and Mrs. Jerry Eaton, Rt. 5, Rochester, announce the engagement of their children, Diane Michele and Rodney Layne.

Diane will graduate in May from TVHS and is employed at Petro Brothers in Warsaw.

Rod graduated from TVHS in 1986 and is employed at Dean Foods in Rochester.

They play to marry October 3 at First Baptist Church in Mentone.

THINK ABOUT IT!

Isn't It Nice

to be able to go just a few blocks for the items you need for your home or business or office needs?

Don't You Feel Good

when you know the person waiting on you in the store is a friend and will have your best interest in mind?

Aren't You Grateful

to know if you have an emergency, there is help as near as your local merchant's telephone and he will come as soon as possible to your aid?

Isn't It A Comfort

when you have to return an item or have a complaint and you know the merchant concerned is going to be understanding and make a good adjustment for you?

Isn't It Nice To Know

that local merchants plan for you in their own buying and make every special purchase possible in order to pass the savings on to you?

Isn't It Great

to know that the local store owner will follow up your purchase with the best kind of service from trained personnel... and will make the necessary return trips until you have good working order?

What Are Volunteers?

Volunteers are like Fords; They have better ideas. Volunteers are like Coke; They are the Real Thing. Volunteers are like Pepsi; They have a lot to give. Volunteers are like Dial Soap;

They care more. Don't you wish everybody did?

Volunteers are like VOS Hairspray;

Their goodness holds in all weather.

Volunteers are like Hall-mark cards;

They care enough to send the very best.

Volunteers are like Standard Oil;

You expect more and you get it.

But most of all, volunteers are like Frosted Flakes...

They're Grrreeaaaat!!!

Hooray for volunteers! First I want to thank Margaret Eber and all the volunteers who helped her in any way when I was home ill. Also thanks goes out to Catherine Rudo, Mabel Alderfer, Ruth Bammerlin, Margaret Eber, Kenneth Bright, Trella Bastain, Helen Hartzler for the baked goods, place mats, sacks, etc. To Paul White who is our handyman around the building. To each and every one of you

who is helping in their own way to keep this program working in your home town.

All May birthdays will be celebrated May 14. Also blood pressure clinic will be held. A reminder that our carry-in dinner will be Thursday, May 21. Please bring your own table service. All Nutrition Sites will be closed Monday, May 25 for Memorial Day. Please write these dates down to keep in mind. The Eleventh Annual Volunteer Banquet was held at the Peru YMCA, May 2. "Help-me-but-not-yet"

by Bill Brooks

The phone call came on a spring morning of bright sunshine, but the voice was glum, ragged and full of despair.

"I need help. Can you help me?"

The defiant man had been proud of his ability to "hold it" but now the loss of control was tearing him apart.

"When's the last time you were on the job?" he was asked.

"Christmas," was the muffled reply. "I don't remember the last time I ate. If I don't get off the stuff, I'll be dead."

The friend paid him a visit. Cigarette butts littered the table tops. Empty bottles made walking precarious. The drinker slumped in a chair and muttered, "I figured I'd better call you before I walked out in the traffic on the way to the liquor store and got killed."

"Have you gone to Alcoholics Anonymous meetings?" he was asked.

"No," said the unshaven man. "I called a place here in town and they said I needed a psychiatrist and A.A. I need more than that right now."

Treatment was suggested. He said, "Okay, make it day after tomorrow." The visitor tried to get him to go that day but failed. Two days later the drinker postponed treatment again. Then a third time. This help-me-but-not-yet syndrome is as frustrating and baffling to the alcoholic as it is to professionals in chemical dependency.

His boss finally put an end to the delays. He went to a judge, explained that his employee was killing himself and endangering others by trying to cross streets while drunk. He signed some papers, the judge talked to law enforcement people and the drinker was taken to a treatment center.

The boss took this action minutes after the alcoholic, trying to get more to drink, left his home, fell down on the sidewalk on his way to cross the street to the liquor store. He is 80 years old. It's a miracle he's still alive.

In another city, a 60-year-

old man sits in a nursing home waiting to get out and resume his life. Everyone in his family knows he has a drinking problem. Most of them want him to get treatment. He keeps repeating, "I'm not an alcoholic. I KNOW a lot of them, but I'm not one."

His wife is filing for divorce. He says, "I don't need treatment. I just need to feel stronger." A miracle -- and a family intervention -- is needed here. He hasn't even arrived at the help-me-but-not-yet moment.

A third alcoholic, 52, phoned an alcoholism counselor said, "I need help. Today. Right now." All the way to the treatment center he griped about the policeman who stopped him a few days before for "no headlights on my car" at 8 p.m. "It was just a lousy fuse," he complained. "Then he asked me if I'd take a Breathalyzer test, and I said 'sure'. I only registered .13. I'm of no use to me or anybody. I've even thought of suicide. I gotta kick this booze. I gotta."

Mixed messages. Cries for help. Denial. All part of the alcoholic's makeup. When and how to get them to the help-me-no-butts point? Only God knows. All we can do is try.

Scouts attend bowl-a-thon

Cub Pack #3777 of Mentone participated in the 1987 Kosciusko District Bowl-A-Thon held April 25. Participants were Roger Morrow, Nathan Kuhn, Aaron Hart, Kevin Miller, Tim Flora, Brian Jones, Jeffrey Brown, Roger Reed, Donald Balmer, Darren Parker and Justin Baker. Darrel Miller, Cub Pack leader, also attended.

Registration scheduled for Mentone nursery school

Pre-registration for the 1987-88 school year will be held on Thursday, May 21, from 6:30 - 8:00 p.m. and on Friday, May 22 from 8:30 - 10:00 a.m. at the nursery school, located in the basement of the Mentone United Methodist Church.

The non-denominational nursery school is the combined effort of the Mentone community and the Mentone United Methodist Church to provide a Christian atmosphere for social, physical, and emotional development of the three and four year old child.

The three year-olds meet on Mondays and Tuesdays from 8:45 a.m. - 11:15 a.m. Classes for the four year-olds are offered both in the morning and afternoon; the morning session is from 8:45 a.m. - 11:15 a.m. and the afternoon session from 12:30 p.m. - 3:00 p.m. The four year-old classes meet on Wednesday, Thursday and Friday.

Class time is spent in both structured and non-structured play at various activity centers. Some of these include puzzles, blocks, paints, a puppet theatre and a housekeeping center. Social skills are fostered with the child by learning how to share, pick up toys and materials, listening and following simple directions.

A daily lesson, reciting the Pledge of Allegiance, snack time, story time and the use of the Weekly Readers are part of the structured classroom time. Emphasis is placed on the child as an individual and preparing the child for kindergarten. Learning the child's address, phone number, colors, numbers 1-10, using paste and scissors, and recognizing the alphabet are included in this area.

Activities such as games, singing, finger-plays, exercise and outdoor play, as weather permits, help develop gross motor skills. Special activities include short field trips and holiday parties for both classes while the four year olds enjoy hosting a Thanksgiving Feast, Easter Breakfast and the year end highlight of graduation, complete with cap and gown.

Parents play an important role in the Jack and Jill program. Bake sales from the past few years have enabled the nursery school to purchase a child-sized, four-piece housekeeping center, a camera and a record player/tapeplayer which can be utilized by the entire class of four individual children by using earphones.

A Cannon copier was

recently purchased with money from the fall fund raiser and past bake sales. Throughout the year parents are encouraged to participate in class outing, parties and coffee klatches with various board members.

Children must be 3 or 4 on or by August 1, 1987 for enrollment and class size is limited. Speech and hearing screening is provided during the school year by the Tippecanoe Valley speech and hearing therapist, Susan Kinney. Six cars of Senior Citizens left Mentone at 7:00 a.m. Monday morning headed for the Century Center at South Bend. It was a tiring but fun day. Several had never been at the Center. We started playing for a small crowd as the Indiana Hoosiers were registering, but finally the hall began to fill when our director asked if anyone knew where Mentone was located, and a lot of hands went up. She always describes Mentone as the Egg Basket of the Midwest and Warsaw and Rochester are suburbs on St. Rd. 25.

Several dignitaries were at the Speakers table. The Mayor of South Bend, and two Congressmen, Hunt and Jontz.

The channel camera was there but we didn't get on it, or were we interviewed.

The band practiced Wednesday and Monday. Monday evening the 16th we entertained at the Walnut Creek Brethren Church near Argos.

Tuesday was the birthday party and will report about it next week.

Monday, May 11th, we presented a Mother's Day program at the Akron United Methodist Church.

The volunteers this past week besides our own group, were Charlotte Bechtold, and June Reed.

Rev. Hank Lowman was the Thursday area minister.

Real Services Nutrition Program invites persons age 60 or older to attend the Meal Site at the Community Room, Fire Station, Mentone. The telephone number is 353-7555. Please make reservations 24 hours in advance.

The menu for the week of May 18-22 is:

Monday - Tomato juice, minestrone soup w/crackers, hamburger on bun with condiments, potato salad, chocolate pudding, milk, tea, coffee.

Tuesday - Apple juice, ham and beans, spinach with vinegar on side, cornbread, margarine, orange fruited gelatin, milk, tea, coffee.

Wednesday - Pineapple juice, cheesy tuna and macaroni casserole, buttered green beans, cracked wheat bread, margarine, pear halves, milk, tea, and coffee.

Thursday - Orange juice, baked chicken quarter, mashed potatoes and gravy, buttered carrots, whole wheat bread, margarine, chocolate chip cookie, milk, tea, coffee.

Friday - Grapefruit juice, spaghetti with meat sauce, parmesan cheese, tossed salad with Italian dressing, Italian bread, margarine, fresh yellow apple, milk, tea, and coffee.

Menu subject to change without notice. Due to the diets of some people, the food is not highly seasoned.

INDIANA

BUCKLE UP FOR LIFE!

According to a recent survey, a majority of Indiana citizens support the state's new safety belt law.

Sixty-eight percent of the respondents in the survey favor the law, which requires drivers and front-seat passengers to wear their safety belts beginning July 1.

Seventy-two percent surveyed believe the law will save lives.

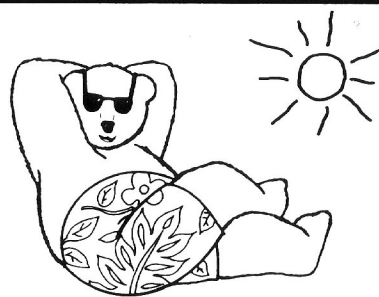

Hoosiers are being asked to buckle up now so that when the law is in effect, it will just be routine to fasten that seat belt before driving.

Summit news

Mr. and Mrs. Harvey Arthur, Bonita and Becky, were recent Sunday dinner guests of Mr. and Mrs. John Mathias. Other guests were Mr. and Mrs. Garry Shidler, Adam and Brent, and Randy Kamp, all of Rochester; Mr. and Mrs. Robert Alderfer of Yuba City, California; Mr. and Mrs. Jim Roth and Mrs. Mabel Alderfer.

Mr. and Mrs. Robert Alderfer and Mrs. Mabel Alderfer were Monday dinner guests of Mr. and Mrs. Harvey Arthur.

Mrs. Earl Butt recently returned from a trip to Tucson, Arizona where she visited with her brother Mr. and Mrs. Merritt Harrison and a nephew Mr. and Mrs. Lou Harrison and Roger. Mrs. Dean Bammerlin accompanied her.

Ruth Bammerlin attended the 60th Nursing Alumni of the Methodist Hospital, Fort Wayne. Nine graduates of the class of 1927 attended.

Ferol Skidmore of Rochester spent Sunday with Ruth Bammerlin.

Mr. and Mrs. Loren Buse visited with Ruth Hileman.

Sunday supper guests of Mr. and Mrs. Harvey Arthur were Mr. and Mrs. Jim Ross, Mr. and Mrs. Terry Randall and Jennifer, Mr. and Mrs. Royce Allison and Kevin, and Mr. John Gaerte and Mark.

Willard (Porky) Cleveland of Peru, visited Saturday with George Kline. The two went to school together and had not seen each other for a number of years. It was reported that George immediately was able to recognize Mr. Cleveland.

Members of the Summit Club met at the home of Ruth Bammerlin May 6. The ladies then traveled to Mentone to eat lunch at Teel's. While there, the group signed cards for the ill and the shut-ins. Those enjoying the day were Ruth Hileman, Peg Arthur, Gladys Kroft, Mildred Kline, Vera Butt, and Ruth Bammerlin. This was the club's last meeting until September.

Who feels more pain?

Over 60 percent of all patients suffer from pain. However, studies indicate that young, white females who work outside the home are more likely to complain of stomachaches, headaches, toothaches, back pain and menstrual cramps than women who work at home.

According to the Indiana State Medical Association (ISMA), stress is the main cause of pain. Today, over 48.6 million American women must meet the demands of a job as well as that of maintaining a family and a home. In fact, one study indicates that a married woman with children may expect to spend approximately 85 hours a week on a career and family while a married man may spend only 65 hours a week. Such a heavy demand may leave a woman with a feeling of limited control which creates stress.

Pain suffered by women also has an economic impact. One study reported that pain-caused losses of at least \$55 billion to the economy and of 550 million work days for those women employed outside the home. Those not employed brought the total to 4 billion person days lost.

Senior citizens fear crime

Since the month of May has been designated as Older Americans Month, it is appropriate to examine one of the major concerns shared by the elderly - the fear of being a crime victim.

The impact of crime is greatest on older persons because they often have limited budgets, frequently live in inner-city neighborhoods where crimes are more common, and may be injured more easily in the course of a crime.

Also, physical handicaps, such as a vision or hearing loss, can make the elderly easy prey. With diminished strength, older people are less able to defend themselves or escape from threatening situations.

Sometimes the fear of crime can be as harmful as crime itself. The ISMA believes fear is useful if it encourages appropriate protection. But experiencing needless fear over a long period of time can be harmful to one's physical and mental health.

The most common type of crime against older Americans is "health quackery." This includes schemes such as:

*Health insurance policies that appear to pay gaps in Medicare coverage, but don't. Always check the

policy with the state insurance commission, an attorney, or the Better Business Bureau before spending any money.

*Glasses or hearing aids sold at bargain rates by unlicensed salespersons. Ask your doctor's advice if you need to purchase a low-cost appliance.

*Products advertised as miracle cures. Each year, millions of dollars are spent on products and devices advertised as cures for arthritis, cancer, baldness, and insomnia. Don't buy a product advertised to treat a condition for which medical science has not yet found a cure.

Using a little common sense is one way to prevent crime. Take precautions such as:

Locking doors and windows; asking a visitor for identification before unlocking the door; avoiding dark parking lots or alleys; leaving purses at home; and carrying as little cash as possible.

Above all, never feel embarrassed or frightened to call the police if you fall victim to any type of crime. Reporting crime can let authorities know where there are problems and will encourage better protection in the future for everyone.

Sign up for funds available

The ASCS office announced this past week that they have received additional funds to apply various conservation practices on the land. Since there is a limited amount of money available, landowners need to come in as soon as possible to sign up. Basically the funds are to help control erosion and thus preserve environmental quality by cost-sharing with the landowner to get the conservation practices applied.

Some of the more common conservation practices cost shared on include permanent vegetative cover seeding (usually a grass/legume mix), terrace systems, diversions, field windbreaks, winter cover crops, no-till, sod waterways, and forest tree plantations. The cost-share rate can vary anywhere from 45%-65% depending on the conservation practice applied.

If you are interested in obtaining technical assistance and/or cost-share funds to apply conservation practices, contact the Agricultural Stabilization and Conservation Service Office (ASCS) at 267-7445 or the Soil Conservation Service (SCS) at 267-5726.

RECIPE

Mint Party Log

- 1/2 pint whipping cream
- 2 tablespoons confectioners sugar (sift if lumpy)
- 1 teaspoon vanilla
- 2 to 3 drops green food color
- 1 package (12 ounces) Duncan Hines Mint Chocolate Chip Cookies

1. Whip cream in chilled bowl with chilled beaters until stiff. Beat in sugar, vanilla and food color.

2. Using about half the whipped cream, spread some on top of each cookie. Put cookies in stacks of 5 or 6 each. When all cookies are spread, turn the stacks on edge and put together to form a "log". Spread entire outside with remaining whipped cream. Refrigerate overnight.

3. To serve, slice diagonally using a sharp knife. Serve on dessert plates. Serves 8-10.

"Granddaddy" Trials Continue

Winners of the first two events in this year's 15-race Indy Car schedule are among the 76 entries in the field for a starting position in The Granddaddy of Them All, The Indianapolis 500, as official time trials resume this Saturday.

A new granddaddy himself, former 500 winner Mario Andretti, who won his third Toyota Grand Prix of Long Beach title in the last four years, and Phoenix 200 Winner Roberto Guerrero hope their Indy Car winning patterns continue in the upcoming 71st running of the Greatest Spectacle in Racing.

Saturday's schedule calls for practice from 9:00 a.m. to 10:15 a.m. with qualifications from 11:00 to 6:00 p.m. On Sunday, practice will begin at 10:00 and end at 11:15 a.m., followed by time trials from noon to 6:00 p.m.

After 33 cars have qualified, only those cars registering faster speeds this weekend will line up on May 24 behind the Chrysler LeBaron convertible pace car. The slowest qualifier is eliminated from the starting lineup when a faster speed is posted by an unqualified car on an official attempt. These drivers, who were "on the bubble" and then were "bumped" in this manner, however, may attempt to regain a starting position by qualifying in another car. The "bumping" procedure in the final hours track action is expected to provide considerable excitement.

After the 33-car lineup has been

Father and son drivers Mario (left) and Michael Andretti scan the field of drivers in their machines in a recent practice session. Michael presented Mario with his first grandchild, a son, earlier this year, perhaps a step in continuing the dynasty of Andretti racing in the Indy Car circuit.

determined on Sunday evening, the only remaining track action prior to the race will be Carburetion Day on Thursday, May 21. Following pit practice with silent engines, drivers in the starting lineup will practice for a final time from 11 a.m. to 1:00 p.m. Final competition in the Miller

500,000 pit stop contest will conclude Carburetion Day activities.

Past pit work on race day was an important factor last year in Bobby Rahal's Indy 500 victory. His seven pit stops for fuel and tires totaled only 113.2 seconds, for an average pit stop time of 16.17 seconds.

A MUST FOR ANYONE WHO QUILTS

Here is one of the largest treasuries of quilt designs and variations ever assembled—1001 patterns in all—an absolute must for anyone who quilts! This collection offers you a kaleidoscopic array of designs (44 in full color!) that range from traditional favorites to the new and innovative. The designs are geometric—easy to draw up—and intriguing at the same time—so they will fascinate both beginning and experienced quilters.

For the quilter's convenience, designs are grouped according to the number of patches making up the block, such as 4-patch, 9-patch and so on. Each design is clearly marked with graph lines to enable you to scale the block to any size desired.

Whether you work by hand or with the sewing machine, the designs in this book are bound to make it one of the most treasured and thumbed-through volumes on your bookshelf. Order your copy of 1001 Patchwork Designs today!

Vikings surprise Rochester

The Rochester Zebras could not believe they were playing the same team as they did a few weeks earlier when they met the Valley Lady Vikings last Thursday. The Lady Vikings won the softball game 9-7.

The Vikings totaled 12 hits and the pitchers gave up only five walks.

Valley gained the victory with their quick start and alert baserunning at the end of the game.

Lori Gray had the hit of the game with a single to center field, driving in Lisa Shuey and Kris Perry. Jody Yochum and Barb Burdge also had RBI singles. Gray and Laura Riedel led Valley with three hits apiece.

Jr. Varsity triumphs

Tippecanoe Valley's junior varsity baseball team came from behind with a four-run sixth inning to defeat North Miami 8-8 Monday, May 4.

The Vikings trailed 7-5 entering the inning and still trailed by one when catcher Jay Craig cleared the bases with a double to put Valley up by two. Valley had earlier received hitting by Dean Trippiedi, with a first inning triple to drive in two, and a two-run single in the fifth.

Skip Smythe gained the win in a relief role, as he came into the game with two outs in the fourth and went the rest of the distance. Jerrod Feldman also helped the Vikes' hitting with a 2-for-3 game.

Golf team wins first home match

The Viking boys golf team gained a victory in action with Southwood 162-185.

It was the Vikings first home match after nine rounds away from home, and Valley, improving to 5-6, had the best four scores on the day with Dayne Manwaring leading the way with a two-over par 37. He hit the first eight greens in regulation.

Ben Anderson's 39 and both Andy Mikesell and Chad Brouette with 43's were better than Southwood's best scores of 44.

Anderson achieved his personal best score with the 39. The Viking junior varsity was also a winner by 187-208 with Donnie Fellows medalist with 45. Valley's Troy Busenberg eagled with the par 5, No. 14 hole.

Stats

TVHS [162] - Dayne Manwaring 37, Ben Anderson 39, Andy Mikesell 43, Chad Brouette 43, Craven Lynn 45.

JV - TVHS 187, Southwood 208.

Valley girls defeated by Wabash nets

Wabash defeated Tippecanoe Valley in girls tennis action 4-1 Tuesday, May 5.

Two of the Viking losses were in three-set matches and another setback was close. The only Tippecanoe Valley win was in No. 2 doubles, where Lisa Huffman and Crissy White defeated Ann Plummer and Latheda Brown by scores of 2-6, 7-6, and 6-3.

Wabash 4, Tippecanoe Valley 1
Singles - Bey Chay (W) def. Sue Lafferty, 6-1, 6-4; Jean Eichenauer (W) def. Leslie VanDeWater, 6-4, 6-3; Diane Lynn (W) def. Tonya Gross, 6-3, 4-6, 6-1.

Doubles - Gina Emrick-Anne Gray (W) def. Leslie Miller-Lisa Zolman, 6-2, 6-7, 6-3; Lisa Huffman-Crissy White (TV) def. Ann Plummer-Latheda Brown, 2-6, 7-6, 6-3.

JV Vikes add Wabash victory

The Viking junior varsity was a winner with Ashley Conner, Debbie Evans and Christy Glover taking victories in singles, and doubles triumphs went to Sherri Stavedahl and Lori Baker and Sondra Johnson and Heidi Smithson.

Changes set in open swim hours

The open swim pool schedule for May has been announced at Tippecanoe Valley High School.

The schedule is as follows: Wednesday, May 13 - 7:00 - 8:30; Sunday, May 17 - 2:00 - 3:30; and Wednesday, May 20 - 7:00 - 8:30.

Fellows, Troy Busenberg, Craven Lynn, Troy Eaton, and Coach Jon Parker. (NEWS Photo)

Vikes fall short

It looked like the Valley baseball team could win another game until the eighth inning in play with Winamac. Winamac broke a 9-9 tie to gain the victory 10-9 in action Wednesday, May 6.

The Warriors broke the deadlock with a leadoff double by Jeff Thompson. Valley rallied to tie the game in the bottom of the seventh, then got runners on second and third in the eighth before a strikeout ended the dream of scoring.

Jamie Cullison had three hits in the Viking effort, while Tim Sparrow added a pair of singles.

Stats

Winamac	320-130 01-10 12-4
TVHS	140-100 10-9 7-0

Girls add track win

Victories in 11 of 14 events sparked the Tippecanoe Valley High School girls' track team to a 72-46 victory Thursday over visiting Rochester.

Deona Himes and Danita Boggs combined to win five events. Himes led Valley with victories in the 100 meters (13.6), 200 meters (28.3) and long jump (16-8 1/4) and Boggs captured first place in the 1600 meters (5:55) and 3200 meters (13:15).

Valley's other winners were Becky Hughes in the 100-meter hurdles (18.6), Jennifer Secrist in the 400 meters (1:06.9), Diana Erp in the 800 meters (2:44.7), Becky Terptrast in the high jump (4-11), the 400-meter relay team (53.8) and the 1600-meter relay team (4:32.8).

TRC events scheduled at Valley

The Three Rivers Conference boys and girls track and field events will be held at Tippecanoe Valley High School on Thursday, May 14.

According to Tippecanoe Valley's athletic director Bob DuBois, a total of sixteen teams will be competing in the different competitions. The field events will begin at 5:00 p.m. with the running events scheduled for 6:00 p.m.

Admission will be \$2.00.

BASEBALL

By Pete Fritchie

Washington, D.C.—

Major League baseball isn't really facing the drug problem, and the continued codding of Dwight Gooden is a good example of this cynical policy.

The players union has refused to accept the commissioner's common-sense plan for random and regular testing. So, after some publicity, and argument, nothing much is in place.

When Dwight Gooden, who had been rumored on cocaine for over a year, tested positively recently, the big story was that he was entering a rehab center. (Tests were part of the contract agreement he signed.)

What did entering a rehab center mean? It meant that Gooden missed maybe four starts. Papers carried the news April 24th that he

was rejoining the Mets in a few days. The season was three weeks old!

Gooden, of course, should have been barred from the game for a year. All players hooked on cocaine should be similarly dealt with. Without stiff penalties, the game will never rid itself of widespread drug abuse.

For players making more than a million dollars a year, a three or four-week suspension means little. They can be put on the disabled list for a sprain for that length of time.

Views On Dental Health

H. RAY HAZEN, D.D.S., M.S.D., P.C.

GETTING READY FOR DENTURES

You may not like to think about it, but if most of the teeth in your mouth have been lost or are in a poor condition, you are a candidate for dentures. Whether you need partial or full dentures, your dentist will want to examine your mouth thoroughly, both visually and with X-rays. He or she will be looking for such problems as cysts, tumors, inflammation, and bone loss. Your dentist will also be checking for teeth that never erupted, impacted wisdom teeth, and distorted positions of the jaw.

All of this will be done to help prevent problems that might develop with your dentures. You'll want the best possible fit, and your dentist will also want to make sure your mouth and gums are as healthy as possible. If some of your teeth can be saved, they may be able to serve as anchors for partial dentures.

With complete dentures you will need to rely on the muscles of your cheeks and tongue as well as healthy gums to keep them in place.

Prepared as a public service to promote better dental health. From the office of: H. RAY HAZEN, D.D.S., M.S.D., P.C. 1329 Main St., Rochester, Phone 223-3121; 114 Mishawaka St., Akron, Phone 893-4545.

Annual spring concert held at Valley

The spring band concert was held at Tippecanoe Valley High School on Friday, May 8. Participating were the high school band, junior high band, and the combined bands.

The concert band is under the direction of Mr. Michael Pearson who also directs the marching bands. Along with the musical performances, awards were given to various students and seniors recognized.

Brandon Howard was recognized as the outstanding seventh grade band student at Akron while Pat Jamison received the recognition for the eighth grade. Mentone honors went to Josh Smithson, seventh grade, and Jennifer Hoyt, eighth grade.

Special high school band awards went to Barb Burdge, outstanding freshman award; Erica Egolf, outstanding sophomore award; Jeff Hoyt, outstanding junior award.

High school seniors awards were given to Jon Howard who received the senior activity blanket and the Semper Fidelis award was given to Brian Gilstrap. John King was honored with the John Philip Sousa Award.

Special auxiliary awards went to Amy Randall, most improved; Missy Stewart, outstanding underclassman; and Donna Flenar, outstanding upperclassman. Auxiliary scholarships were awarded to Donna Flenar and Robin Hucks.

Seniors were also recognized during the evenings events. Each year it is hard to see the graduating students leave the band since a close bond is established over the years of working, practicing, and playing together. The list of seniors for the band and auxiliary includes Paula Allison, Pedro Boardman, Anthony Crill, Stephen Egolf, Brian Gilstrap, Gary Gross, Jon Howard, John King, Archie Newsome, John Taylor, Mark Simpson, and Tammy Allison.

Pronounce H

The fad among some English teachers today is telling students to drop the H in pronunciation, as the Spanish do. Thus we now hear some people, and some in show biz, calling huge uge, etc.

It's a clumsy, unnatural change. The English language should be taught in its traditional pronunciation unless there's good reason to change it. Because the h isn't pronounced in other languages isn't reason enough for change.

Thus it's good to hear speakers, teachers and others resist the current effort to stop pronouncing h's. Pronounce it—as we have for hundreds of years. To those who would demean the letter H, we say "Horsefeathers" and not "Orsefeathers."

The combined bands representing Tippecanoe Valley High School, Akron Junior High and Mentone Junior High

Leininger serves as page Remodeling of Mentone gym approved

Lael Leininger is pictured with State Representative Musselman. Lael recently served as a page for Musselman.

Serving as a Page recently for State Representative, Musselman was Lael Leininger, P.O. Box 123, Akron. She is 14 and the daughter of J. Randall and Alona Leininger. Lael attends Akron Jr. High and is in the 8th grade.

Pages are volunteers for one day during the session of the Indiana General Assembly. They are excused from school without being counted absent and are awarded a certificate signed by the Speaker of the House

and their sponsoring legislator to commemorate the visit.

Helping deliver messages for the representatives, who must remain on the House floor for debate and vote, and performing a variety of clerical duties for legislative staff are typical Page responsibilities.

The experience gives students a chance to observe the General Assembly in action, to meet and work for their elected officials and to tour the State House.

During the regular monthly meeting of the Tippecanoe Valley School Board, a decision to do remodeling work at the Mentone gymnasium was agreed upon. Renovations will include refinishing the gym floor, with a complete stripping of existing layers of sealer and paint. Floors of Indianapolis, estimated the project to cost \$6,290. Along with the gym floor being made anew, the stage area will be resurfaced at the same time adding an additional \$700 to the cost.

As with any remodeling project, the list continued to grow with the board voting to purchase new bleachers at an estimated cost of \$9,554. The gym will seat 212 after the completion of the project.

Not wanting to leave anyone out of the corporation's facilities, the board voted to purchase two-way radios for each school bus as well as an extra radio. There will also be a radio in each school building and the administration building and one hand held device to be used when needed in emergencies. Superintendent Baxter Paige reported he had received a quote of \$24,665.56 from Lectracom of Bourbon, for the entire package. The board voted to take the money out of the transportation fund for the radios.

A salary of \$18,250 was set for the new position of maintenance person for the

corporation. The new position will be filled by the current high school custodian.

A temporary loan is being sought by the corporation to meet the rest of the year expenses until the December taxes are collected. The temporary loan will be made payable Dec. 31, 1987 in the following amounts: \$506,800 in the general fund; \$227,000 in the debt service fund; \$216,900 in the cumulative building fund; \$112,500 in the transportation fund. Sealed bids will be accepted

until June 8 at 1:30 p.m. in the administration office. The board will make a decision on the bids at the regular board meeting that evening.

Textbook adoption committees recommended the following science and health books for the school corporation. For science in grades kindergarten through sixth, Silver Burdett; for 7th and 8th grade science, Merrill and for all grades health book by Merrill.

High school text recommendations include Allyn

and Bacon for General Science; Holt, Rinehart and Winston, Inc. for Earth Science, Modern Biology and Modern Physics. Laidlaw Brothers for Health and Wellness. Saunders College Publishers for Human Anatomy and Physiology, and Addison: Wesley Publishing Company for Chemistry.

Woodlawn honors employees

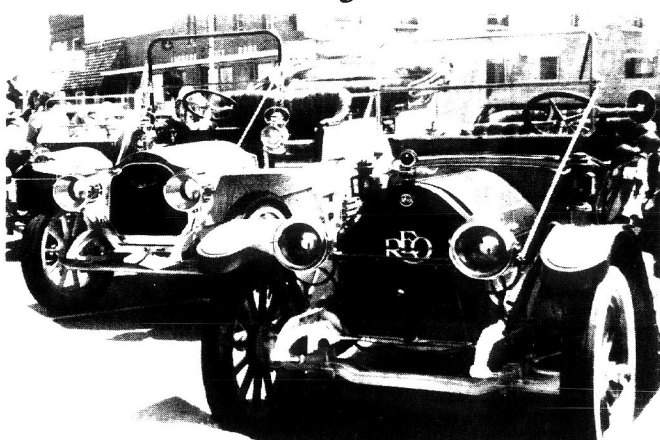

Several employees of Woodlawn Hospital, Rochester, were honored at the first annual service awards banquet held last Thursday evening. Because of the large number of employees to be honored, this banquet was for employees with 5 to 9 years of service. A banquet for employees with more years of service will be held at a later date.

Those honored from the Tippecanoe Valley area were Crystal Weida, Lenora Armbruster, Janet Irwin, Lynn Severns, and Anne Fox, all of Akron; Brenda Beery of Mentone; Tim Grosvenor, Kelly Howard, Susan J. Fuller, Sandy Crissinger, Janet Tuley, and Lois Ann Bauman, all of Rt. 2 or 5 Rochester; Annette Groninger of Silver Lake, and Sharlene Stults of Claypool.

Janet Tuley, Akron, (far left) and Brenda Beery, Mentone (far right) were among the employees honored at the Woodlawn Hospital banquet for five to nine years service to the hospital. Also pictured is Bonnie Holloway of Akron who is director of the lab services. (NEWS Photo)

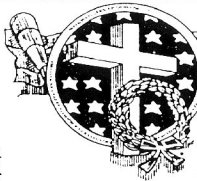

A Touch of the Past

Many local citizens enjoyed viewing these antique cars which were in Mentone last Friday.

All of the cars are owned by members of the Brass and Gas antique car club. The club is limited to cars made before 1913, and takes its name from the liberal use of brass on the cars.

IN MEMORIAM

A time to reflect.
A time to remember our loved ones.

At Gettysburg, at San Juan Hill,
In Flanders fields now all is still.
But men still drift and march away,
Like you who made Memorial Day.

In Normandy, and on Bataan,
At Inchon, Khe Sanh, and in Iran,
Selflessly the need you met,
And now we know we must not forget.

Those who fought and those who fell,
To hear the bell of freedom knell,
We crouch beside your graves today;
These wreaths of vernal buds to lay.

And to you who died for freedoms sake,
A pledge to carry on we make;
The torch that you so bravely bore
Shall be our beacon evermore.

We pray that by its guiding light
We'll find our course and hold it right
We hope it may throughout the years
Bring an end to blood and tears.

For we're a nation proud and free,
And sometimes it is hard to see
Where friendship for our cause abides
And where a foe of freedom hides.

You have found peace while we still weep
And wait o'er charges we must keep.
There'll be no peace until we find
A way that's just for all mankind.

This poem was written by William J. Acker, at the age of 91. Mr. Acker served under Gen. Pershing during WW I.

Out of the mailbox

Dear Editor,

Hello, my name is Arram Han. I am in fifth grade and I go to Sousa School and I live in Port Washington. My favorite sports are soccer and baseball. I'm also ten years old.

Port Washington is about 18 miles away from midtown Manhattan and 20 miles from New York City. Spring is just around the corner around here. How is the weather in Indiana?

I am writing this letter to you because I want information about your fascinating state of Indiana. My class is doing a report on States and I chose Indiana.

Also, we are having a scavenger hunt. If anyone in my class got something from the state they chose, they will get points. I know that your a busy editor but if you have spare time please send something (if you can). Please send a newspaper of Indiana. I hope you write back. And I hope to be hearing from you soon. Thank you for time and the cooperation.

Sincerely,
Arram Han

P.S. It would be a better start if you could send this letter around. That's how I can learn more about Indiana. You also have my permission to print my letter in the Akron-Mentone News.

Dear Editor:

The Akron Cemetery Board takes this means to thank everyone who made donations of any kind during the past year. We are still struggling to keep the bills paid, as last year we had to invest in a new mower and the mowing season was quite long. We certainly will be happy to accept donations again this year. You can leave them at the Akron Bank, the Akron Carnegie Public Library or give them to any member of the Cemetery Board. Thank you.

CON-Grad-ULATIONS

Graduation Day

As graduation day approaches at Tippecanoe Valley, we find ourselves busy painting and working in the yard for the upcoming event. Nothing is to be overlooked.

On my way out of doors, a robin took flight from above my head. Needless to say, the rustle of wings frightened me for a moment. However, I soon discovered the whereabouts of the nest - atop the light beside our front door.

The nest, although only partially constructed, was an eyesore. It draped over both sides of the light and each time the light was on, or someone used the door, the bird was instantly in flight. Each time the bird left the nest, debris would trickle on whomever was underneath. We soon decided the nest would have to go.

We didn't get the nest tore down in time. Instead, we watched the miraculous and painstaking care that was taken by the bird to provide for her young. It reminded me of what the parents of the Class of '87 must have been doing the last 17-18 years. After Chris checked the nest, we found four eggs to be present, and not one of us was about to destroy the nest now. Anyone questioning the nest this year would just have to understand.

I've wondered the past several weeks if this nest is symbolic of the graduation about to take place. As the eggs of the robin have been placed in the nest for safekeeping, our children have been given to us for care along the road to adulthood. The dedication with which the bird cared for her young is much the same as families of the seniors. True, the young birds looked awkward and young, but they change from day to day preparing themselves for the future.

Our son, Chris, graduates this year from Tippy and just as many other parents, we look at Chris and see him becoming a young man taking the first steps into his future. He isn't the tiny bundle we brought home from the hospital, but he still, in many ways, remains our little boy, young and, like the new birds, preparing himself for the future.

Congratulations to the Class of 1987. They may be trying their wings as they leave the nest behind, but they are making the first of many steps in making a "New Beginning".

Recipe for Raising Teenagers

1 cup nurturing
5 cups understanding
2 cups of memory
5 cups patience
4 cups concern

Hugs by the bunch
3 cups grounding with love
2 cups compassion
5 cups unquestionable love
Immeasurable amount of communication

Start with a fine young person, add the above ingredients. Mix with pats on the back and lots of encouragement. Accept each person for himself and never compare to others. Stir in apologies from time to time and admit to a mistake; letting them know parents can make a mistake too. Top with as much love as possible.

Business As Usual

Helping care for animals is just a part of Anita Bruner's secretary/receptionist duties at the Akron Animal Clinic. Anita has been busy sending pet owners reminders to have their dogs checked for heartworms. Anita's friend in the picture is Ginger. Ginger is in need of a good home. GRADUATION TIME

Graduation time is here,
These school days are done,
But in the, "School of Hard Knocks"
My schooling has just begun.

Each day there'll be a lesson,
As I travel down "Life's Highway"
May I understand and learn
This is what I pray.

With Patience, Persistence and Push,
With hard Labor, Faith and Hope,
One can achieve many goals
And with Life's Problems cope.

COMMENCEMENT

Climb tho the rocks be rugged,
Onward down life's pathway.
Meeting each obstacle with courage,
Making the most of each day.
Envying not any man,
Never give up in despair.
Constantly using persistence
Employing common sense everywhere.
Making life an honest one.
Each day live with Honor and Pride.
Never loose Faith in the Lord,
Thank Him and in His love abide.

Service Notes

Marine Pfc. Jeffrey M. Johnson, son of Linda L. Carmen of Rural Route 1, Akron, was graduated from Aircrew Survival Equipment School.

During the self-paced course at the Naval Air Technical Training Center Lakehurst, NJ, Johnson received instruction on the survival system and equipment installed aboard Navy and Marine Corps aircraft. He studied the operation, inspection and maintenance of aircraft oxygen systems; inflatable life jacket and rafts; rescue and survival kits; and the inspection,

repair, rigging and packing of parachutes.

He was also provided the opportunity to participate in voluntary, free-fall parachute jumps.

A 1986 graduate of Tippecanoe Valley High School, Mentone, he joined the Marine Corps in November 1986.

Marine Lance Cpl. Donald B. Shepherd, son of Donald M. Shepherd of Claypool, recently reported for duty with 1st Marine Division, Camp Pendleton, CA.

Mr. and Mrs. Ora McKinley were in French Lick last week attending the coal dealers' convention. The Mentone Lumber Co. was one of the firms honored by the association for having been a coal dealer for 46 years. Mrs. McKinley too, met with good fortune in that she was presented with the major door prize, a 17-jewel wrist watch with a rhinestone band and also a necklace and earrings set with rhinestones.

If you are one that likes to read the advertisements, you likely have noted some of the values that have been offered by our Mentone merchants. Last week, in checking with Warsaw grocery advertisements, we noted many exceptional bargains in Mentone in comparison. Trading in a small town has many advantages, chief of which is that values in a small town must be real values. In these places, everyone seems to know everyone else, and a "bad value" sale is something a small town merchant doesn't dare make. Trade locally and save money.

Linda Fawley of Etna Green spent the weekend with her grandparents. Mr. and Mrs. Milo Fawley.

Mrs. Jim Biting of Chicago, and Devon Davis of Tippecanoe, called on their grandmother, Mrs. Myrtle Davis, Saturday evening.

Mr. and Mrs. Arlo Friesner spent the weekend at Constantine, Michigan, with Mr. and Mrs. John Oswalt and Mr. and Mrs. Curley Witham and family were there on Sunday.

Mrs. John Stiffler of Elkhart, and Mrs. Dale Stiffler called on Mrs. John Landis and daughter, Velma, Thursday afternoon.

Miss Virginia Mullin and Miss Esther Kohler of Chicago, were weekend guests of Mr. and Mrs. Herbert Adams and sons.

Mrs. Jennie Ford of Tippecanoe entertained Sunday evening in honor of the birthdays of Miss Jane Trowbridge and son Jay, Mrs. Idella Hahn and son, Donald of Bourbon, Mr. and Mrs. Gilbert Griffith, Betty and Bobby, Miss Audra Flory of Tippecanoe.

Rev. and Mrs. Godwin, are feeling pretty lucky these days. Lucky to be alive - we mean. A few weeks ago the Godwins were driving in northern Illinois near Rockford, when they picked up a boy and girl hitch hiking and brought them all the way to Plymouth. The couple seemed extremely tired and very little conversation was carried on. Imagine the Reverend's surprise when he picked up a paper one morning a few days later and learned that the couple (their pictures were in the paper) had been arrested in New York and were being returned to Rockford on a murder charge. The boy confessed to three murders all of them men who had picked him up as a hitchhiker, and who had doubted his boasts as a bravado.

Kate Morris, daughter of Mr. and Mrs. Jack Morris, is representing Akron in the "Miss Fulton County" contest which is being staged to determine a Fulton County girl to reign over the Spanish War veterans state encampment at Rochester in June. Kate's name was entered in the contest by friends in Rochester, but her Akron friends may vote for her with ballots at both hardware stores, the Winona Cafe, and Scott's drug store.

Mr. and Mrs. Alvin Clinker entertained at a community dinner Sunday in honor of Mr. and Mrs. Charles Meredith of Los Angeles, California the following guests: Mr. and Mrs. Roy Meredith and son, John of Rossville, Illinois, Mr. and Mrs. Vernon Adams and son, Devon and Merrill of Middletown, Ohio, Mr. and Mrs. Earl Meredith, Mr. and Mrs. Orin McFarland and daughter, Dorothy and sons, Clair, Dale, and Paul, Mr. and Mrs. Don Morris and daughter, Marcile, Mr. and Mrs. Henry Lockridge and daughters, Marjorie, Marilyn and Carolyn, Mr. and Mrs. Devon Tucker and son, Larry, Mr. and Mrs. Gerald Clinker and daughters, Wilma and Geneal, and Mr. and Mrs. Eldon Cumberland, all of near Akron. Mr. and Mrs. Charles Meredith of the Pleasant Hill neighborhood and Mr. and Mrs. Joseph Burket of Burket, were afternoon callers.

Mr. and Mrs. Claude Billings will spend Sunday and Monday in Elgin, Illinois with Mr. and Mrs. Clark Copp and son in honor of John's seventh birthday and their ninth wedding anniversary.

Wedding plans

Mr. and Mrs. Monte Mitchell, 1709 Madison St., Rochester, announce the engagement of their daughter Marlo Sue to Rodney Eugene Hudson.

Marlo is a 1986 graduate of Rochester High School and is employed at Paradise Truck Plaza, Rochester.

Rodney is the son of Mr. and Mrs. Jerry Hudson, Akron. He is a 1986 graduate of Tippecanoe Valley High School and is employed by AMPI, Warsaw.

They are planning a June 6 wedding.

Legal reminders for couples who marry

June is the most popular month for weddings and Fulton County Circuit Court Clerk Harriet McAllister has listed the following reminders for the prospective bride and grooms.

Both persons to be married must come into the County Clerk's office to obtain the marriage license. If both applicants are out-of-state residents, they must apply for a license in the county in which they are to get married. Hours that marriage licenses may be obtained at the County Clerk's Office are 8:00 a.m. to 4:00 p.m. Monday through Thursday and 8:00 a.m. to 5:00 p.m. on Friday.

The legal age for marriage without parental consent is eighteen for both male and female. At age seventeen, parental consent is required.

Both applicants for the marriage license must have the results of blood tests before they may apply. The results must be on official Indiana blood test forms. All Indiana physicians will automatically put the results on these forms. Out-of-state physicians may perform the tests. The Indiana form may be obtained for out-of-state tests from Woodlawn Hospital Laboratory. The marriage license must be applied for within thirty (30) days of the day the blood is drawn.

Both applicants must present proof of birth date, either by birth certificate,

driver's license or baptismal record.

If both applicants are age sixty or over, no blood test is required.

The waiting period for the marriage license is three full days or seventy-two hours. The cost of the license is \$18.00 a couple and is valid for sixty days.

Slides to be shown

Carol Black, Frankfort, will present a slide program entitled "Too Young to Die" at the Civic Center Museum, 7:30 p.m., May 25. Mrs. Black is a former Fulton resident. Her son, Mark, was killed in Vietnam.

The public is invited. Hostesses will be Mary Sampsel, Marjorie Harold, Lois Wagoner, and Bertha Waltz.

Men host banquet

The men of the Akron Church of God recently hosted the women for their annual Mother/Daughter Banquet. Over 235 mothers and daughters were treated to a salad bar buffet. The tables were decorated with potted flowers with a helium balloon attached. These were given as prizes. The program consisted of men from the church singing, giving readings and telling jokes.

Average High School Class analyzed

by Bill Brooks

There's an old joke, usually attributed to Mark Twain, about "lies, darned lies, and statistics" plus "you can make figures do just about anything."

Maybe so, but the following statistics and figures are, to me, terrifying. See what you think.

In the average class of 30 high school seniors, three are daily marijuana users, two are daily alcohol users, and six are half-a-pack-a-day cigarette smokers.

Three of the 30 are frequent users of stimulants, hallucinogens, barbiturates, sedatives, and over-the-counter substances. One will withdraw from school. Fifteen will have had at least one sexual encounter. Twelve will have had a sexually transmitted disease at least once.

Four of the females will have become pregnant at least once (assuming 50 percent of the class are females). Six are in need of long-term psychotherapy. Ninety-three percent have tried alcohol. Seventy-one percent have tried cigarettes and 60 percent have tried marijuana.

Thirty-two percent of the 30 seniors have tried stimulants, 17 percent have tried cocaine, 16 percent have tried sedatives, 15 percent have tried hallucinogens, 15 percent have tried tranquilizers, and 1.1 percent have tried heroin.

These figures are from the Indiana Department of Public Instruction, the U.S. Surgeon General's Office, and the National Institute on Drug Abuse.

In New York State, a survey of the state's secondary schools showed that 26 percent of the students (400,000) can be classified as "alcohol misusers" and 11 percent (170,000) feeling they are dependent or "hooked" on beer, wine or distilled spirits.

The New York State report noted that "the vast majority of secondary school students drink alcoholic beverages." Seventy-five percent reported they had their first drink at age 13 or before.

The New York report added that "a significant proportion of secondary school students use alcohol on school days" and that 53 percent - or 817,000 7th-12th graders had been drunk in the past year, while 10 percent or 154,000 got drunk once a week or more.

Combine the above figures with the startling fact that there are 500,000 children between the ages of 9 and 12 who are alcoholics and you have some glimmering of the picture nationwide.

How much does YOUR son or daughter know about alcohol and other drugs?

Something to think about. (Questions on alcoholism, drug abuse? Call Koala's free, 24-hour Helpline at 1-800-622-4711).

Museum construction underway

Construction on the new Fulton County Museum began May 5. Ed Rentschler Construction Company, Kewanee (Wayne Township) is the contractor.

The contractor will do the exterior, cement floor, porch, insulation and ceiling. It is expected to be completed by July 1. Then volunteers can begin work on the interior.

Over \$105,000 has been pledged to help build the new museum. Over \$72,000 has been received in cash toward these pledges. The Fulton County Historical Society is very grateful for the support.

Donations are still needed. Memorial opportunities are available for furniture. The new museum needs display cases (\$1,000 each), tables and chairs, file cabinets (\$180), projector and screen (\$500), video monitor and cart (\$900), shelves, kitchen cabinets, three-tub sink, water softener, carpet, etc. Attractive plaques will be placed on the furniture purchased with memorial donations.

Call the FCHS museum in the Civic Center, open Monday - Friday, phone 223-4436 for more information.

Browns belled on 50th

Mr. and Mrs. George Brown

The noise was abundant on Sunday evening, April 26, as family and friends of George and June Brown held an "old-fashioned belling" on the couple in honor of their 50th wedding anniversary. The group gathered on Noyer Drive. After being equipped with various noisemakers, the group proceeded to the Brown home where the happy couple was greeted with noise.

George and June were escorted to a decorated tractor pulled boat. Akron

police led the procession as the group made their way east on Rochester street to the Freezer Fresh, north on Highway 14 and then west on Walnut street returning to the Wayne Reese home for cokes. Many people gathered on the street to congratulate the Browns. A few people even peeked out of their windows wondering what in the world was happening.

The old-fashioned belling ended a weekend of celebration for the Browns.

Judging contests results

The Area 10 4-H/FFA Ag Judging Contests were recently held at the Kosciusko County Fairgrounds, Warsaw and the Jack Stookey Farm, Leesburg. There were a total of 255 4-H and FFA contestants in the contests. Kosciusko County was the host for the annual event that also involved Elkhart, Lake, LaPorte, Marshall, St. Joseph and Starke Counties.

Kosciusko County 4-H and FFA teams that qualified for state competition include:

Dairy Judging - Whitko FFA, Jim Eiler, Jarrod Lancaster, Mark Mort and Chris Worley; Entomology Judging - Jr. Neighbors 4-H, Rebecca VanScheepen and Rhonda VanScheepen; Livestock Judging - Whitko FFA, Steve Wilkinson, Stan Reiff, Doug Lehman and Penny Williamson; Poultry and Egg Judging - Tippecanoe Valley FFA, Scott Shepherd, Jim Kintzel, Randy Fields, and Tim Doub; Warsaw FFA, Kevin Montel, Matt Poe, Jesse Creekmore and Dan Hawkins.

Award plaques and

ribbons were provided to winning teams and coaches.

These awards were sponsored by the Indiana Farm Bureau, Inc. Each of these judging teams will advance to state competition at Purdue University in June.

Tables to be donated

Children's picnic tables will be donated to the Akron Memorial Park by Akron Women's Club this summer. The clubwomen voted to make the donation of more than \$200 for the table purchase under the direction of the Community Improvement Committee during the May 8 meeting.

Twenty members and guests, Mrs. Greg Leininger and Mrs. Fred Hammond, enjoyed brunch at Honeywell House, Wabash. Mrs. Manuk Ehryman lead discussion on acquisitions for the park.

Mrs. Roy Meredith announced the 1987-88 slate of officers and they were installed as follows: Mrs. Marvin Gagnon, Mrs. Esther Smith, Mrs. Howard VanSchoy and Mrs. George Sheetz.

Mrs. Smith presented a gift of appreciation to retiring president, Mrs. Tom Hill.

Devotions were given by Mrs. Kent French. Arrangements for the brunch were

made by Mrs. Joe Whittenberger, Mrs. Leon Kindig and Mrs. French.

Joette Miller, senior at Tippecanoe Valley, will be sponsored to Hoosier Girls State by Akron Women's Club and Las Donas Club. Aimee Bailey is the alternate.

"Mentone Salutes the Youth" has been chosen as the theme for the 1987 Mentone Egg Festival to be held in Mentone on June 4, 5, and 6. The theme will be carried over and used as the theme for the parade to be held on Saturday (June 6).

Awards will be given to first and second place floats. The first prize will be a trophy and \$30.00; second place winner will receive \$20.00. All other first place

winners according to categories will receive a trophy.

The deadline to enter the parade will be June 1. The parade will form at 11:00 a.m. at Mentzer Park in the southwest section of Mentone.

For more information, or to enter the parade, contact Ron Secrist, P.O. Box 366, Mentone, IN 46539 or call 219-353-7933. An entry blank appears in this weeks issue of the NEWS.

IRENE KUHN BLAIR

Irene Kuhn Blair, 74, Bonita Springs, Fla., formerly of Rt. 1, Akron, died at 2:20 p.m. Monday, May 11, 1987 at Naples (Fla.) Community Hospital. She had been ill for three months.

She was born March 14, 1913 in Macy to Clarence and Ruth Weller Sampsel. On Oct. 16, 1937 in South Bend she married Francis "Fritz" Freese, who died Sept. 1, 1949. On Feb. 28, 1953 in Valparaiso she married Harold Kuhn, who died July 9, 1976. On Sept. 1, 1984 in Claypool she married Raymond Blair, who survives. She was retired from the former Chamberlin Products Co., Akron, and was a member of the Athens United Methodist Church.

Surviving with the husband are three sons, Michael, Phillip and Andrew Freese, all of California; three grandchildren, and a brother, Homer Sampsel, Rochester.

Memorial services were held and the arrangements were handled by the Hartzler Funeral Home, Akron.

ERBA RAE MORRISON

Mrs. Erba Rae Morrison, 92, Rt. 2, Claypool, died at 12:53 p.m. Wednesday, May 13, 1987 in Kosciusko Community Hospital, where she had been admitted the previous day. She had been in failing health several months.

Born near Silver Lake on Aug. 31, 1894, she was the daughter of Levi and Mary (Tridle) Beigh. In Claypool, on June 25, 1919, she married Noah C. Morrison, who preceded her in death on Feb. 14, 1970.

A resident of Claypool since 1899, and a graduate of Claypool High School in 1912 she was a member of the Claypool United Methodist Church. She graduated from Winona Normal College in 1914 and also attended Valparaiso and Indiana universities.

An elementary school teacher, her first teaching position was at Vawter Park, near Lake Wawasee, and she started teaching at Claypool in 1915. She retired in 1959, but did substitute teaching until she was 80.

Mrs. Morrison was a member of the Jolly Homemakers Extension Club, Friendly Neighbors Club and the National, State and Kosciusko County retired teachers associations.

One daughter, Mrs. Dean (Betty Lou) Ford, Claypool, with whom she had resided the last 12 years, three grandchildren; two step-grandchildren; six great-grandchildren and one great-grandson survive. One son preceded her in death.

Services were 11 a.m. Saturday, May 16, in the Channess-Tucker Funeral Home, Claypool, with the Rev. John C. Hostetter, pastor of the Claypool United Methodist Church, officiating. Burial followed in the Claypool Graceland cemetery.

TIMOTHY GENE REECE

Timothy Gene Reece, 35, of 607 Clayton Ave., died at 2:30 p.m. Wednesday, May 13, 1987 at his home due to an illness.

He was born March 8, 1952 in Crawford County, Ohio, to Charles F. and Fern H. Miley Reece. He moved to Rochester 18 months ago from Urbana in Wabash County. He was formerly employed by Robertson Transformer, Rochester, as a material handler, and attended the New Life Church. He was a U.S. Army veteran of the Vietnam War.

BIBLE VERSE

"Cleanse your hands, ye sinners; and purify your hearts, ye double-minded."

1. Who was the author of the above admonition?
2. What position did he hold in the early church?
3. To whom was he writing?

Answers to Bible Verse

1. James - probably the half brother of Jesus.
2. If this James was Jesus' half brother, he was head of the early church in Jerusalem.
3. To the twelve tribes scattered abroad.

INDIANA BUCKLE UP FOR LIFE!

Chances are, at some time in your life, you will be involved in a vehicle accident. You don't think so? Statistics, used by the insurance industry to base your premiums, tell a different story.

The average American can expect to be in at least one traffic crash in his lifetime. You have a 50/50 chance of suffering a disabling injury. There is also one chance in 50 you will become a fatality.

Due to the huge human and financial toll, Indiana has enacted a mandatory seat belt law for front seat passengers. The law goes into effect on July 1, 1987.

Every crash involves two separate collisions. The first is when the vehicle slams into an object and comes to a sudden stop. In less time than it takes to snap your fingers, one-tenth of a second, the first crash is over.

Unbelted occupants and loose articles continue to move forward at the same rate of speed. These objects are usually stopped by the dashboard, windshield, steering column or other occupants. This second impact is referred to as the "human collision."

An unbelted occupant, crashing at 30 miles per hour (MPH), slams into the surface with the same impact as falling from a three story building. Put another way, the person is thrown forward

with one and one-half tons of force.

Safety belts help occupants "ride down" the force of the crash by holding them in place and slowing them down with the car. During the second collision, belts help reduce the possibility of contact with either the interior or other passengers. Sudden crashes often throw unbelted occupants into others at great force, causing injuries to both.

One myth says it is better to be "thrown clear" than to stay in the vehicle. Thrown clear into what? Traffic? A light pole? Trees? Hard concrete or asphalt?

A visit to a junk yard will give you an idea of the safest place to be in a crash. Among all the twisted metal, crushed trunks and bent hoods one part of the vehicle remains relatively intact - the vehicle's interior.

Seat belt use works. In Canada, vehicle fatalities dropped 16 percent after a law requiring seat belt use went into effect. Likewise, Australia's fatalities fell 23 percent and Great Britain's 25 percent.

Projections show that if all Indiana passengers wore their safety belts each year 290 lives would be saved and 7,900 injuries would be prevented.

In loving memory of our dear mother, Cora Coplen, who departed this life two years ago May 23, 1985. Dear Mother, can it be true Two years have passed since God called for you. The call was short, the shock severe To part with one we loved so dear. When the evening shadows are falling, And we are sitting all alone, In our hearts there comes a longing If you could only be back home.

Views On Dental Health

H. RAY HAZEN, D.D.S., M.S.D., P.C.

DON'T HIDE SMILE -- BOND IT

If you find yourself automatically suppressing your smile to hide a chipped front tooth or a space between your teeth, you'll be delighted to know that help is readily available, less expensive, and often faster than it was in the past. When your considerations are esthetic, your dentist can do more than clean your teeth.

Indeed, improving your smile no longer automatically means extensive dental treatment with crowns or caps placed on your front teeth.

The smile-saving developments in esthetic dentistry rely on modern plastics or "composite resin materials" and a technique popularly known as "bonding." Teeth that are chipped, cracked, or severely discolored can be filled in or painted over with a color-matched material that makes teeth look as good as new.

Today, acid-etching, as "bonding" is scientifically known, is quick, painless, reversible, and rarely requires anesthesia. Four front teeth could normally be treated in a single visit. Less chair-time means less cost for you.

Prepared as a public service to promote better dental health. From the office of: H. RAY HAZEN, D.D.S., M.S.D., P.C. 1329 Main St., Rochester, Phone 223-3121; 114 Mishawaka St., Akron, Phone 893-4545.

Summer Reading Program

The Akron Carnegie Public Library will sponsor Summer Reading Clubs again this summer. The Clubs will begin on May 29th. This doesn't mean that you have to come to the Library on May 29th, but books checked out before May 29th will not count in the Summer Reading Club.

The theme of the Reading Club for children in Grade School will be "Get Into the Spirit of Discovery". As books are read there will be stickers added to the child's chart. They will feature some famous explorers including Columbus, Captain Cook, Francis Drake, Henry Hudson, John Cabot, Magellan, Eric the Red and Vasco da Gama. When the child has completed eleven books, he will receive a small ship. For each book after this they will receive a star.

The Kindergarten children will go fishing this summer at the Library. This is the theme of the Kindergarten Reading Club.

About the end of July, the clubs will end with a party for each group in the Library.

All children in the community are invited to participate.

TV students attend FHA conference

Students from Tippecanoe Valley joined more than 1,000 students and adults in attendance at the Future Homemakers of America and Home Economics Related Occupations State Leadership Conference held recently at the Adams Mark in Indianapolis.

FHA members of TVHS were among the 413 proficiency events participants. In proficiency events, members display and improve skills learned in consumer and homemaking education. HERO on the job training. Each participant is evaluated on the basis of a defined standard and accumulates points that allow him/her to receive honorable mention, bronze, silver, or gold medals.

Students from Tippecanoe Valley receiving awards were Linda Ping, child care learning pack, gold medal; and Shannon Torpy, waiter waitress, gold medal. The chapter received "gold ring recognition" for increasing chapter membership this year.

The girls were accompanied by Joyce Toetz, the Valley FHA advisor.

"Average" is as close to the bottom as to the top.

Students create creatures

The dinosaur will be on display in the school library, with a tape accompanying it.

Mrs. Rock's class would like to thank Mr. Hoyt for building the frame for the dinosaur, and Mrs. Finney for all of her planning and work.

Under the direction of Mrs. Finney, the class spent several art classes constructing a paper mache' Tyrannosaurus Rex.

Mrs. Rock's class has spent several weeks this semester studying dinosaurs. Students worked in groups and did research reports on dinosaurs. They also did creative writing stories "If I Were A Dinosaur." The class saw filmstrips about dinosaurs, too.

Mrs. Rock's fourth grade class at Mentone constructed this tyrannosaurus using paper mache. His name is "Rex". Rex will be on display in the school library. (NEWS Photo)

Mrs. Bunnell's first grade class at Akron constructed this dinosaur using paper mache also. The children have been studying the early creatures and had fun making a replica. (NEWS Photo)

The Mentone Nutrition Site held band practice on Monday as we had a Mother's Day concert at the Akron U.M. Church. We were well received even if our seating was a little different. We all enjoyed the refreshments and we thank them.

Tuesday, May 12th was the birthday party. Pearl Horn and Dorothy Krull decorated the tables. Pearl presented her brother-in-law Earl Leedy of near Warsaw and Bill Cameron of Wabash. They entertained with a musical program.

There were eight people celebrating and they were Eve Eherman of Burket, Mildred Goodman, Ila Elkins, Sherm Shoemaker and Jim Herringer of Tippecanoe Grace Sullivan of Rochester, Charles Stavedahl and Ray Weirick.

We are sorry to hear Charles Stavedahl underwent surgery on Thursday at Plymouth. On Thursday we had our Memorial Day devotions. Friday was band practice and we went to the Walnut Brethren Church to present our Mother's Day program again on Saturday night.

Monday and Tuesday was game day. Wednesday was band practice as we're getting ready to play on Saturday evening at the Mentone Festival Day. We will play in front of the town hall before the talent program. If you haven't heard us before, this is your chance. We like to think we are good ambassadors for our community. At least a lot

more people know where Mentone is located.

Thursday, Rev. Don Poyser of the Burket Church is coming again. May 26th will be dirty bingo.

Real Services Nutrition Program invites persons age 60 or older to attend the Meal Site at the Community Room, Fire Station, Mentone. The telephone number is 353-7555. Please make reservations 24 hours in advance.

The menu for the week of May 25-29 is:

Monday - Memorial Day! All sites will be closed.

Tuesday - Cranberry juice cocktail, meatloaf, scalloped potatoes, steamed broccoli cuts, rye bread, margarine, raspberry gelatin dessert, milk, tea, and coffee.

Wednesday - Orange juice, chicken noodle soup with crackers, fruit plate: cottage cheese, peach half, grapes and banana on shredded lettuce, dinner roll, margarine, peanut butter cookie, milk, tea, coffee.

Thursday - Grape juice, beef stew with carrots, potatoes, celery and onions, biscuit, margarine, cole slaw, apple crisp, milk, tea, coffee.

Friday - Peach nectar, barbecued pork ribette on bun, potato chips, dill pickle spear, cream-style corn, fresh melon, milk, tea, and coffee.

Menu subject to change without notice. Due to the diets of some people, the food is not highly seasoned.

Reports of Mentone Clubs

The Mentone Extension Homemakers met May 14th in Rochester with Grace Sullivan. Vice President Esther Sarber opened the meeting with the pledges to the Flag and the Creed. Grace used for Meditations, "To Motherhood" and "I Ain't Dead Yet." Blanche Whitmyre led the singing of the song of the month, "I Want A Girl". Lois Perry told of ways to control weeds and insects in lawn and gardens. Health and Safety leader Esther Sarber read ten of the worst health mistakes. For Cultural Arts, Genevieve Warren read an article on the "Huckster Wagon" that brought back lots of memories.

President Pearl Horn held a short memorial for Virginia Peterson that passed away April 28th. She read a thank you note from the family.

Pearl Horn presented the lesson on "One Day Vacations". There are lots of places nearby to enjoy a day. She mentioned things to take along and things to take care of in the home for any vacation. Travel brings families closer.

Eight members and two

guests, Mrs. Herb Carlile and Edith Walls of Rochester, answered roll call to "Name a favorite teacher and why."

On Wednesday, May 13th the Mentone Mothers of World War II, Unit 106, District II, met at the country home of Mrs. Edith Young. President Mrs. Ethel Whetstone opened the meeting. Lois prepared the altar and presented the colors. Mrs. Edith Young gave the opening prayer, roll call and reading of the minutes of the previous meeting were given by Mrs. Pearl Horn. Financial Secretary report and treasurer report was given by Mrs. Mildred Grindle and Mrs. June Reed. Plans were made to host the District II meeting, May 27 at the Youth League building with registration to begin at 9:30 a.m.

Ethel Whetstone reported on the State Convention which was held at the Holiday Inn at Plymouth. The Mentone World War II Mothers plan to take part in the Memorial services at the cemetery on Sunday, May 24, at 2 p.m.

Manchester tied Tippecanoe Valley's record of winning the most Three Rivers Conference golf

Manwaring leads way to victory

Dayne Manwaring's 1-over score of 37 led the Tippecanoe Valley High School golf team to victories over Triton and host Bremen Friday on the Sprig-O-Mint course.

Valley shot 166 to Bremen's 177 and Triton's 188. The Vikings raised their record to 7-10 heading into today's Three Rivers Conference meet in Huntington.

Manwaring was followed by Andy Mikesell's season-best score of 40. Chad Brouette added a round of 44 and Ben Anderson shot 45 along with Troy Eaton.

John Rowe led Bremen with a 41 and Brandon Hepler shot 45 for Triton.

Valley won the junior varsity match over Triton 185-202. Craven Lynn shot 41 for the winners. He was followed by Troy Busenburg 43, Donnie Fellows 44, Will Hodges 57 and Derek Manwaring 65.

championships Saturday with an easy tournament victory on the Northwood course in Huntington.

Manchester gained a 328 to win its third straight title and fourth overall. Valley also owns four titles. Oak Hill and Whitko have won one championship apiece.

Oak Hill finished second in the tourney with a score of 345 and was followed by Northfield 351, Southwood 360, Whitko 368, Valley 370, Eastern 387 and North Miami 391.

Dayne Manwaring led Valley with a round of 47-40-87. Ben Anderson added a round of 50-42-92. Andy Mikesell shot 43-50-93 and Troy Eaton carded a round of 51-47-98. Troy Busenburg had Valley's fifth score with a round of 48-54-102.

Vike girls defeated

The girls softball team of Tippecanoe Valley ran into trouble with Wawasee in action last Tuesday, May 12. Wawasee broke a 4-4 tie with a five-run fifth inning.

Barb Burdge had three hits to lead Valley's efforts, including a double.

BUSINESS OUTLOOK

by Edward Thorlund

Many investors who want to take advantage of such funds as the Dreyfus Ginnie Mae fund, a hundred percent government guaranteed, or the T. Rowe Price high yield fund (10.43 percent return in recent months) find they are limited.

If seeking to buy these funds with IRA money, some institutions who handle IRAs tell their clients they can't buy them. That's because these funds carry no loads and many institutions won't buy them.

Seems the institutions should, or could, be forced to, if a test case was pushed (maybe one has somewhere) even if a fee was charged. But some IRA managers tell clients they must order these funds direct.

One can do that all right, but not for an IRA held by an institution. And that brings us around to the point. Some institutions handling clients IRAs are too greedy. They limit, or try to, what the IRA holder can buy so that they can earn a commission.

Those with IRAs who are told this or that fund can't be bought, because it's no load, should consider moving their IRAs.

Help with weeding

Wouldn't it be nice if there were a magical spray we could apply to our garden in the spring, plant the vegetables, and sit down to drink lemonade while the crops flourished and the weeds didn't grow?

"Many people would like to avoid the time and labor of hoeing and weeding by using herbicides," says Jeff Kissick, Fulton County Agriculture Agent. Although this is not completely possible, certain herbicides can give excellent results in home gardens if used with knowledge and care. Some rules to follow:

- 1) Always read the label carefully before opening the package and using it on a home garden.
- 2) Use at proper rates - small amounts may be enough to suppress weeds in an entire garden while large amounts may guarantee that nothing will grow - including the vegetables!
- 3) Herbicides must be used only on plants they are approved for and only at the stage of growth recommended. Any other usage is in violation of federal pesticide laws and can kill or damage the plants.

Herbicides that can be used with care on the home garden are trifluralin (sold as Trellan, Ipersan, and other trade names) and DCPA (sold as Dacthal, DAC 893, and other trade names). Look at the active ingredients on the container to determine if the material is appropriate for garden use. Atrazine can

be used on sweetcorn, but carry over - could be a problem if other plants are planted in that area the following year.

Another method of garden weed control is the use of a fumigant such as Vapam in the fall. This will kill all weed seeds in the soil and you'll have a fresh start with a clean garden.

The best and surest way to a clean garden with healthy plants is still regular hoeing, weeding, and mulching.

Did You Know?

The prevention and treatment of the parasites that sometimes affect your dog doesn't have to turn daily care into a "dog day after noon." Here's information you should know to keep your pet healthy and happy.

• Your veterinarian has the resources to detect and treat your dog for dangerous parasites.

• Veterinarians recommend a blood test for your dog once a year to check for heartworm disease.

• Often heartworm disease isn't evident until it causes damage which can weaken or even kill a dog.

• The disease is preventable, but it's up to owners to take the dog to a veterinarian to establish a treatment and prevention program.

• A new product, Heartgard-30™, from MSD AGVET, a division of Merck & Co., Inc., takes advantage of a new compound — ivermectin — to prevent heartworm disease in dogs. The treatment is available by prescription from veterinarians. It's given to dogs in tablet form once-a-month. It protects dogs from the disease by preventing the immature larvae deposited on dogs by mosquitoes from developing into mature adults in the dog's heart and pulmonary arteries.

NOTICE TO BIDDERS
Notice is hereby given that the Board of School Trustees of the Tippecanoe Valley School Corporation, Kosciusko & Fulton Counties, Indiana, will receive sealed bids at the Administration Office of the Tippecanoe Valley School Corporation, SR 19, Mentone, Indiana, on June 8, 1987, at the hour of 1:30 p.m. (EST) for the following described Temporary Warrants, such warrants to be let June 8, 1987, at 7:30 p.m. at the regular meeting of the Tippecanoe Valley Board of School Trustees.

Temporary Loan Warrants in the anticipation of taxes levied and in course of collection for the General Fund up to the amount of \$506,800, the Debt Service Fund up to the amount of \$227,000., the Cumulative Building Fund up to the amount of \$218,900 and the Transportation Fund up to the amount of \$112,500, dated as of date of delivery thereof to the purchaser, said warrants to be in the denomination or denominations requested by the purchaser, to mature on December 31, 1987, and to bear interest at a rate not exceeding 10% per annum (the exact rate to be determined by bidding), payable at the Bank of the successful bidder.

Bidders for these warrants will be required to name the rate of interest which the warrants are to bear, not to exceed 10% per annum. Such interest rate must be in multiples of 1/100th of 1%, and not more than one interest rate shall be named by each bidder for each fund. The warrants will be awarded to the best responsible bidder or bidders therefore who have submitted the bid in accordance herewith and will be the bidder or bidders who offer the lowest net interest cost to the school corporation to be determined by computing the total interest on each or all of the warrants to their maturity, deducting therefrom the premium bid, if any. The bid shall be subject to the unqualified approval opinion of a recognized bond council obtained at bidder's expense.

The right is reserved to reject any and all bids and to waive any irregularities. Each bid shall be accompanied by a certified or cashier's check in the amount of one per cent of the bid payable to Tippecanoe Valley School Corporation, to guarantee the school corporation against default by such bidder in complying with the terms of this notice and his bid.

Dated this 11th day of May, 1987.

Caution tips on home equity loans

If low interest rates are encouraging you to buy a home, several considerations should be made before committing yourself to financing what probably will be the largest expenditure in life.

If you already own a home and are thinking about home equity loan, you may want to think twice.

Attorney General Linley Pearson says two consumer groups have issued a warning to homeowners, advising them to use caution when assuming a home equity loan.

"The Consumers Union and the Consumer Federation of America say banks offering home equity loans are not telling homeowners everything they should know about the transaction," Pearson says.

A home equity loan is a line of credit based on the amount the real estate is worth on the market as opposed to the amount still owed on the property, Pearson says.

Banks advertise home equity loans as a way to finance college tuitions, swimming pools, boats, vacation homes, home improvements, vacations and reserve funds. Financial institutions say the loans offer larger amounts than available through other loans, with lower interest rates and longer repayment plans.

Home equity loans will provide homeowners with tax

savings under the new tax laws because interest paid on such a loan will be deductible.

Homeowners should read between the lines if they sign a contract for a home equity loan.

The consumer groups have alleged that often times, banks will write contracts allowing changes in interest rates, without limits on the amount.

Often times, homeowners can be taken in by advertising offering low rates that might only be good for 90 days.

Initial fees can range from \$150 to \$2,000, Pearson says, virtually diminishing any tax savings for that year. Annual fees can range from \$15 to \$100.

Homeowners should be

advised that a home equity loan is similar to a second mortgage on their property. Banks can foreclose on the house if the homeowner is unable to meet his obligation.

If the time to buy a house has come, consumers are advised to study the many methods of financing before making a decision.

The most common method of borrowing money for a house is a fixed rate mortgage. This mortgage has payments which remain constant over the life of the loan and sets a maximum on the amount of principal and interest paid.

Flexible rate mortgages offer buyers mortgages with interest rates that can increase or decrease over the life of the loan, based

upon market conditions. These also are referred to as adjustable or variable.

Balloon mortgages have a series of equal monthly payments and a large final payment. The interest rate is usually fixed, but the equal payments may cover only the interest. The final payment, often the original amount borrowed, comes due in a short period and must be paid in one large sum.

Assumable mortgages allow buyers to assume the present owner's mortgage and make additional financing arrangements for the amount needed to buy the house.

Consumers should study real estate contracts carefully before committing themselves to buying a house.

Stockholders meet

A meeting of the stockholders of the Kosciusko Financial Inc., parent company of the Farmer's State Bank, Mentone, was held at Teel's Restaurant recently.

Following a smorgasbord dinner, financial reports were presented showing total assets in the amount of \$43,355,000 and total capital and reserves in the amount of \$3,408,000. President Miner reported that asset levels and capital levels had reached new highs in the history of the bank.

During the meeting the following Directors were elected: Forrest D. Miner, President, O.L. McFadden, DVM, Donald D. Poulson, Richard B. Manwaring, Wymond B. Wilson, and Charles M. Tucker.

Following the meeting, directors of the holding company elected as officers: Forrest D. Miner, President, Larry D. Pyle, Vice President and Freeda Witham Secretary/Treasurer. The same directors were elected as directors of the Farmers State Bank and the following management team was appointed by the directors: Forrest D. Miner, President, Larry D. Pyle, Vice President & Trust Officer, Jack P. Gillotti, Vice President, M. Jack Crandell, Controller and Cashier, Mary L. Boggs, Asst. Vice President, Freeda Witham, Asst. Vice President, Howard E. Liggett, Asst. Vice President, Gail Law, Asst. Vice President, Kirk Tolliver, Auditor, Betty Jones, Asst. Cashier, and Norma Jamison, Manager.

BARBECUE TIME IS ANY TIME

This year use your barbecue grill to create fascinating meals which are not only mouthwatering treats but are also light on calories. Foods are grilled without the addition of butter or oil and a high heat cooks out food fats. Barbecuing is perfect for those who are watching their waistlines... and who can't resist these days!

Instead of the usual hot dogs and hamburgers, experiment with different cuts of meat, fish, shellfish, vegetables or casseroles. There are endless variations when barbecuing and all you need is one secret ingredient—imagination!

To start you on your way to creative cooking, why not surprise the family with Oriental kabobs grilled to perfection. Cut poultry, beef, pork or lamb into thin strips. Marinate for 30 minutes in a mixture of soy sauce, pepper and ground ginger. Alternately thread meat strips with sliced water chestnuts, snow pea pods, mushrooms and red pepper squares onto long wooden handled skewers.

Grill over medium heat, covered until meat is tender, turning and basting occasionally with leftover marinade. Serve immediately for an appetizing low calorie dinner.

Akron board will enforce ordinances

Everyone must pay when a repair is careless. Since repairs and upkeep expenditures are paid with tax dollars, each resident is paying for the repairs of the town property. This was the consensus of the Akron Town Board at its monthly meeting held Tuesday, May 19, at the town hall. Men from Rochester, who have the proper equipment, have had to come into Akron and unplug the sewer lines due to the negligence of a few citizens. Articles of clothing, styrofoam cups, and grease have all been cleaned from the sewer lines in just the time period of one week. All citizens are being asked to be more careful as to what is put in the sewer lines. Also, grass cuttings which are blown or placed on the street eventually cling to the inside of the lines and cause clogging.

Residents are also reminded that the town has ordinances regulating the mowing of weeds, accumulated trash and abandoned vehicles. The board has decided to give residents until June 1 to take care of

these matters. After June 1, ordinances will be enforced. The ordinance books for checking on these regulations are available at the town office, police office, and the library.

Because both the EPA and the Indiana DEM are requiring much more testing at the waste water treatment plant and the need to monitor the stream flow has intensified, the operator must spend considerable more time at the plant. Superintendent Gearhart reported these facts to the board during the meeting. The board then voted to allow Gearhart to hire an employee on a part-time basis to help with the work.

It was also reported to the Akron Board that the Plant-A-Tree committee planted thirteen trees in the park. Tom Hauptert has also trimmed the bushes near the flagpole.

New lights are being installed in the downtown area by PSI at no cost to the town. It was reported that the new lights will be somewhat cheaper to operate.

Silver Lake Days set

The Annual Silver Lake Days Festival will be held June 18-21 at Silver Lake. Flea Markets, antiques, carriage house tours, steam engines, softball tournaments, parade, and a talent show are just a few of the events scheduled for the four day celebration. The festival is sponsored by the Silver Lake Days Festival Committee and the Silver Lake Lions Club. All proceeds will be donated to local emergency services and other volunteer services.

On Thursday, the festival opens with an amateur talent show, followed by the queen contestants playing the Silver Lake area merchants in a game of softball. Friday enjoy an old fashioned square dance, ice cream social, T-ball tourney and a co-ed volleyball tourney. Saturday begins with both a mens and ladies slow-pitch softball tourney, more co-ed volleyball, the big festival parade, FMS smorgasbord, kiddie tractor pull, queen coronation and Bingo. Sunday you can attend the community church service and compete in the horse shoe pitch. Children can participate in games of all

kinds. A special softball game will be held involving a completely blind team VS the Silver Lake ladies team. The softball and co-ed tourneys will also be completed. Flea markets and concessions will be available throughout the festival.

Open House announced

A special open house will be held during the Mentone Egg Festival for Kenneth Romine. Mr. Romine served as postmaster in Mentone for nearly 40 years. Because of Mr. Romine's loyal service to the community, he has been chosen as the Grand Marshal for the 1987 Mentone Egg Festival parade to be held on Saturday, June 6.

Following the parade on Saturday, an open house will be held at the town hall in Mentone, allowing friends and relatives an opportunity to visit with Mr. Romine. Hours for the open house are from 1 p.m. to 3 p.m.

Everyone is invited to stop in and visit while enjoying the festival.

Are You A Closet Eater?

Many of you have heard of "closet eaters". Let me define a closet eater for those of you who may not be familiar with this term. A closet eater is someone who lays in wait of an opportunity for them to eat Twinkies in the bathroom behind closed doors, finish the leftovers in the kitchen while doing the dishes and drink cola from a coffee mug with no one being the wiser. It would almost seem that the closet eater is driven to play the game, "Hide 'n Eat".

You are probably asking yourself, "I couldn't possibly be a closet eater, or could I?" Here is a test to help you determine if you are, indeed, in need of some help.

(1) How many chocolate bits have you kept out of the chocolate chip cookie dough? (a) 1-2 (b) 1-2 pinches (c) 1-2 cups.

(2) How many candy bar wrappers are under the front seat of your car? (a) 1 (b) 10 (c) 1 dozen.

(3) Have you any stains on your pillowcase from sandwiches hastily placed beneath it as someone approached your bedroom while you were supposedly dieting? (a) Yes, I admit it. (b) It's a design. (c) My kids did it.

(4) How many of you tried to make people believe THEY had eaten the potato chips and forgotten, when you ate them at 2 a.m. the night before? (a) I admit it, I ate the chips, and they were good. (b) The factory didn't fill the bag. (c) My kids did it.

(5) How many of you sent the kids to the mailbox for the Sunday paper so you could sneak some Milk Duds when you don't subscribe to the Sunday paper at all? (a) I admit it, I don't know what got into me. (b) I told them, "Keep checking, he must be late". (c) My kids made me do it.

(6) When folding towels in the kitchen, have you ever put a snack between the towels to eat in the bathroom later? (a) I'm so ashamed, yes I have. (b) I was going to eat it anyway, I just didn't want it to be mashed, the towels were good cushions. (c) Don't towels always have candy bars between them?

(7) Have you ordered sweet rolls at the bakery in two separate bags and explained that your family preferred two different kinds, then ate one batch on the way home disposing of the empty bag along the way? (a) I didn't need those donuts but, yes, I ate them. (b) They were going to get stale. (c) I didn't want to confuse the kids with so many choices.

If you are a closet eater, be sure and make a concentrated effort to eat only around others when possible. Your family will realize the food that is purchased WILL make it home and, they may even get to eat some of it with you. (Not in the bathroom, of course!) Try it and surprise yourself!

Celebration planned for Merkles 50th anniversary

The 50th wedding anniversary of Edith and George Merkle will be celebrated with an Open House on Sunday afternoon, May 31, at Timbercrest Reception Room from 2 to 5 p.m.

The Merkles are parents of four children: Mrs. Robert Compton (Mary Jane) of Terre Haute; Mrs. Lavern Myers (Martha Ann), Goshen; Dr. George Merkle of Bluffton; and Gene Merkle of Greenville, S. Carolina. They have 12 grandchildren.

The Merkles are both retired school teachers. They built the Sycamore Golf Course of North Manchester at their farm four miles East of North Manchester in 1960 and 1961. They retired in 1974 and live at Timbercrest Retirement Home in North Manchester.

Friends and former students are cordially invited to the Open House being hosted by their children. Please omit gifts.

Open House for Poyers scheduled

Friends in the Burket area and community are invited to a farewell reception for the Rev. and Mrs. Don Poyer at the Fellowship Room of the Burket United Methodist Church on Sunday, May 31 at 2:00 p.m.

Mementos and photos depicting Don and Lois' tenure at Burket are welcome.

BUSY MA

Always thought my name was Ma,
But I guess it must be git.
It's git me this and git me that,
And then just git, git, git.

Or maybe my name is Jump.
Jump from this job to that,
Some days it's Jump so fast,
I almost loose my hat.

To jump and hump around,
As busy as a Bee,
Keeps me out of mischief,
That you will agree.

But when this Busy Ma,
Is laid away to rest,
Wonder if the folks will say,
Bless Ma; She done her Best.

I want to thank all the neighbors, friends and relatives for all the cards, prayers, for giving blood and all the other things you have done to make my days more cheerful.

Each and everything has been appreciated very much.

I cannot possibly thank each one personally or name all the things done, I would miss somebody. Each one helps make the days better.

What a great community and world we live in.

Thanks again,
Lillian Kamp

Editorial

Commencement at TVHS Saturday, May 23, for the 1987 graduating class was an experience to be remembered. An experience that I hope will not be allowed to be repeated again.

Marbles rolling, balls bouncing, a Gumby waving, alarms ringing and graduates acting worse than kindergarten students are not the fine examples a school corporation should put on display.

To the graduating seniors who acted as the ladies and gentlemen who were ready to meet the world - my congratulations.

I challenge the school administration to see that such behavior is not repeated in 1988.

In loving memory of Mary Ann Wideman, who went home to heaven two years ago, May 28th.

Because she was so dear to us,

her memory will live on

Just as the fragrance of a flower still lingers when it's gone.

The beauty that was hers alone, in thought is with us still.

And in the hearts that loved her, she lives on and always will.

This paper gets around - while talking to one of our Mentone readers this week, we discovered some interesting facts about the Co-Op News. One copy each week is received by a lady living in Mentone; when she has finished reading it she mails it to relatives in Fort Wayne, former Mentone residents. They in turn mail it to their son in Long Beach, California who in the words of this kind lady, "drop everthing and sit down and read it from cover to cover." Well we're certainly glad these people enjoy it as they have in the past. It has always been the policy of the NICA to please. Our suggestion to them might be, however, that since the paper is so valuable to them that they subscribe for it, hence eliminating the loss of damage in handling thereof, and they would receive the current copy many days sooner.

DOES FLOSSING WORK?

Flossing may be a new subject for many persons. Most people seem to believe that a good brushing is sufficient, just as they may believe that a six-month checkup can prevent cavities. As most adults (who display their dentist's handiwork when they open their mouths) can attest, cavities still appear even though the teeth are brushed and a dentist is seen on a regular basis.

One of the best solutions to persistent cavity problem is to floss. Here's why. Even the best brush cannot completely remove plaque BETWEEN the teeth and beneath the gumline. Regular flossing does remove plaque and debris from between the teeth and below the gumline -- areas where decay often starts.

Those of you who think your teeth do not require flossing should test your teeth for plaque by purchasing a "disclosing agent." After placing the disclosing agent on the teeth, the plaque will be stained a bright red. This reveals where brushing is not adequate.

4-H NEWS

9-14 year old 4-H members from Kosciusko County are invited to participate in the 1987 4-H Camp program scheduled June 10-12 at Camp Alexander Mack near Milford.

This year's camp program is being called a "4-H Circus of Campers" and will feature classes and activities with a festive circus flair. Planned classes and activities include swimming, boating, crafts, sports and games, camp skits, evening camp fires and many other activities.

All eligible Kosciusko County 4-H members were sent applications and information about camp on May 8. Those applications and the \$40.00 fee are due to the Extension Office no later than June 1. 4-H Camp is three fun filled days, and we hope to have many 4-Hers participating again this year.

Mentone Flea Market

Spaces are now being offered for the flea market to be held during the Mentone Egg Festival, June 5 and 6.

The fee is \$25.00 for two days or \$15 for one day. The size of a space is 20 feet wide.

The set up time is Thurs-

The Mentone Nutrition Site played games on Monday and Tuesday. On Monday evening the Scrambled Egg Band presented a Mother's Day program at the Walnut Brethren Church near Argos. It was a very enjoyable evening for us and for those who were present to hear us perform.

Everyone misses Charles Stavedahl at the site and especially in the band. Nobody can get the rhythm out of a washboard like Charles can!

Band practice was on Wednesday and the Rev. Don Poyser of the Burket Church was the area minister on Thursday.

On Friday, Mr. Robert Clupper of the Mentone airport was with us. The site was closed on Monday and Dirty Bingo was played on Tuesday.

The band will be playing Saturday evening, June 6, in front of the fire station during the Mentone Egg Festival. We will also play before the talent show.

Some of the recent volunteers were Charlotte Becthold, Barbara Eaton, Chris Ellinger, Emma Zolman, and Gloria Lowman.

Last of 20th century grads

How time flies! It is difficult to imagine that the kindergarten classes of the 1986-87 school year will be among the last high school classes to graduate in the 20th century. These students at Mentone are wearing T-shirts saying that they are future members of the Tippecanoe Valley graduating class of 1999. Sharing in their joy is their teacher Marlene Nellans. Seward Club meets

Garnet Latimer and Esther Nelson were hostesses for the Seward Home Extension Club meeting in the social room of the Burket United Methodist Church. Anna Williamson led in prayer before the club enjoyed a salad bar.

During the meeting, Garnet Latimer read "Mother's Maintenance Agreement". The Kosc. Co. Home Extension Agent, Marietta Henry gave an interesting program, "Your Genealogy" and gave forms for each one to fill out. Roll call "Your Mother's full maiden name" was answered by 13 local members and 2 members Linda Thompson and Ruth Agney, who have moved quite a distance away came back for the meeting.

Others present were Mrs. Henry, Ariys Boggs, Patty Nichols and 4 children. Vases of carnations were drawn by Ariys Boggs, Mary Rose and Merdena Bechtol.

Couples say "I do" again

Couples repeated their marriage vows during a special morning service held recently at the Akron Church of God. Performing the multi-ceremony were Pastors Malbone and Canfield. (NEWS Photo)

Sunday, May 17th was Couples Sunday at the Akron Church of God. The theme for the morning worship services centered around marriage and the family.

Couples were encouraged to wear their wedding attire to the service. The worship experience included scripture and music pertaining to

the wedding ceremony. Senior pastor, the Rev. James W. Malbone, preached on the topic "God's Plan For the Family." The service ended with couples being invited to the front of the sanctuary to renew their wedding vows.

The Sunday evening

service consisted of a Family Night reception complete with wedding cake and punch. "The Singing Loves" of Akron provided wedding music. Special guest singer with the Loves was James Hurlock of Akron. Couples were encouraged to bring their wedding pictures and albums to share.

Miss Akron Contest

Four girls have tossed hats in the ring for the Miss Akron 4th of July Queen Contest so far. They are Maria Bailey, Denise Johnson, Aimee Vojtasek, and Paula Allison. Each girl will conduct money-making projects to help support the 4th of July celebration each year through a 16 vote campaign. The queen and her court will be crowned at the ice-cream social conducted by the area churches on June 27 starting at 6:00 p.m. At this time, the winning candidate will be awarded a \$200 prize and reign over the 1987 4th of July festivities. Her runners-up will receive \$100 and \$50 respectively.

Each candidate will partici-

pate in the parade July 4th. We welcome any area girls Freshman age and older to the competition. Help support Akron's Fourth. For information, contact Bernadine Howard, 893-4306.

Club Notice

The L.T.L. will meet this Friday night, May 29th at 7:30 at the Akron Library basement. All members are urged to attend, and new members and guests are always welcome.

Children would be more religious if parents practiced religion more in everyday life.

Akron Carnegie Library

New books available at the Akron Public Library are:

From the Heart, by June Carter Cash - A celebration of life as she has lived it. But life is not always a celebration, and June shares her sorrows and disappointments with the same open-handedness that she gives to joy.

Meadowlark, by Meadowlark Lemon - The book, like the man himself, is honest and gutsy, amusing and touching, inspiring and sincere. Basketball fan or not, you will live this exciting biography.

Love's Twilight, by Alisha Barclay - The glittering world of show business comes magically alive in this new novel of fame, fortune, and starry romance.

An American Woman, by Kati Marton - The haunting story of the struggle between a father and daughter over the power of the past. Anna Bator, daughter of Hungarian political exiles, has achieved all her parent's hopes; but Anna's quest for the hidden truths that shaped her family's lives is successful, but the knowledge gained exacts an unforeseen and stunning price.

Diapers & Dishes or Pin-stripes & Pumps, by Gigi Graham Tchividjian - Today's woman faces a myriad of opportunities. Will she climb the career ladder and reach for the same goals that were reserved only for men just a few years ago? Will she choose to stay home, raise children, and care solely for the needs of her husband and family? Or will she try to have both?

Life and Death in Shanghai by Nien Cheng - In August 1966, at the beginning of the upheaval known as the Cultural Revolution, a group of fanatical young Red Guards invaded and ransacked the comfortable Shanghai home of 51 year old widow of a former diplomat. A few weeks later, she was arrested and imprisoned, in solitary confinement, for nearly seven years. This is her own powerful and inspiring account of those harrowing years and their aftermath.

Goldenaires hold meeting

Fifty-nine senior citizens recently met for the monthly meeting of the Goldenaires of the Akron Church of God.

The Fulton County Extension Chorus under the direction of Mrs. Otis Hartman was the featured program. Imo Tucker won the door prize.

Other prize winners included Doris Saner, Judy Pennington, Helen Day, Mildred Hammond and George Brown. Devotion leader was Beth Slaybaugh. After the program the group enjoyed a very delicious carry-in dinner.

Goldenaires is a ministry sponsored by the Akron Church of God and open to anyone 55 and older. The group meets on the third Tuesday of each month 10:30 a.m. until 12:30 p.m. After each program, the group enjoys a carry-in meal. For further information contact the Rev. Terry L. Canfield at the Akron Church of God.

Himes leads in Netters split matches

The Tippecanoe Valley girls track team made a strong showing at the Rochester Sectional held Tuesday, May 19. Much of the impressive showing was attributed to junior Deona Himes.

Himes collected two individual titles and helped the Valley 400 meter relay team win and produce a record-setting performance.

Himes was placed fourth in the 100 meters, but her season-best time of 12.9 seconds was only two-tenths of a second behind top placed Dina Rowe of Triton. Himes recovered from her slow start and started pulling away from the field over the last third of the race to win in 12.9 seconds.

Also winning in the long jump, Himes narrowly gained the victory by out-jumping Stephanie Westphal of Winamac by $\frac{1}{4}$ of an inch. Westphal jumped 15 feet 6 $\frac{1}{4}$ inches while Himes surpassed her with 15 feet 7 inches.

Valley placed more than a second ahead of second-place Peru, and only one one-hundredth of a second off the sectional record set in 1978 by Rochester, in the 400-meter relay team race. The squad of Becky Hughes, Jennifer Secrist, Lisa Minnick and Deona Himes broke the Valley record twice during the regular season and again on the Barnhart Field with a time of 51.3 seconds.

Sparked by the trio of first-place finishes, Valley finished fifth in the meet with 45 points. Other Valley scorers were Amy Swick with a second in the 800 meters, Danita Boggs with a sixth in the 3200 meters and the 1600-meter relay team of Minnick, Swick, Secrist and Hope Hoffman with a third place.

Swick advanced to the Highland regional with her 800-meter finish. Himes and the Valley 400 relay runners also advanced with their victories.

Obituaries

EDYTHE S. SMITH

Mrs. Edythe S. Smith, 85, formerly of Silver Lake, died at 8:15 p.m. Tuesday, May 19, 1987 in the Timbercrest Health Care Unit, North Manchester, where she resided.

A native of Indianapolis, she was born on Jan. 12, 1902, to L.E. and Ruth (Anderson) Slater. On Jan. 31, 1930, she was united in marriage to Paul H. Smith, who died on June 24, 1986.

Mrs. Smith, a housewife, was a member of the Wesleyan Church, Silver Lake.

Her survivors include two sons, Howard Harvey, Wabash, and Ernest Harvey Jr., Silver Lake; two daughters, Mrs. Floyd (Jean) Rittenhouse and Mrs. Archie (Pat) Caudill, both of Silver Lake; one brother, Russell Leonard, Wabash; one sister, Mabel Eltzroth, Akron; 12 grandchildren; 27 great-grandchildren and three great-great-grandchildren. One sister and one brother are deceased.

Services were in the Wesleyan Church, Silver Lake, Friday, May 22, with the Rev. Jim Robbins officiating. Burial was in Lakeview cemetery, Silver Lake.

The DeLaughter Funeral Home, Silver Lake, was in charge of the arrangements.

FLOYD C. SANDS

Floyd C. Sands, 76, of Lake Shore Drive, Rochester, died at 12:07 a.m. Tuesday, May 19, 1987 at Woodlawn Hospital where he had been a patient since Friday.

He was born Nov. 13, 1910 in Muscoda, Wis., to Hubert and Anna Sands. He moved to Rochester five years ago from Mesa, Ariz. On March 26, 1929 in Chicago he married Agnes B. Peterson, who survives. In 1976 he retired from the Pennsylvania Railroad after 30 years' service. He was a member of the Moose Lodge in Arizona.

Surviving with the wife are two daughters, Mrs. Pete (Marlene) Pokrajac, and Mrs. Edward (Geraldine) Jendrzejewski, both of Chicago; a son, Floyd C. Jr., Hickory Hills, Ill.; 11 grandchildren; 11 great-grandchildren, and a brother, Earl, Clearwater, Fla. He was preceded in death by a grandson and a brother, Donald.

Services were Thursday at the Foster and Good Funeral Home, Rochester, with the Rev. Russell Wilbur officiating. Burial was in the Chapel Hill Cemetery, Chicago.

OPAL O. HART

Opal O. Hart, 82, Maple Street, Mentone, died at 6:10 a.m. Tuesday, May 19, 1987 in Kosciusko Community Hospital, Warsaw. She had been in failing health for three years.

She was born Aug. 23, 1904 in Kosciusko County to Franklin and Minerva Evans Schooley. She moved to Mentone from North Manchester four years ago. She

was a nurse's aide at the Peabody Retirement Home, North Manchester, prior to retirement. On July 10, 1921 near Milford she married Kenneth A. Hart, who died June 9, 1970. She attended the First Brethren Church, North Manchester.

Surviving are two daughters, Mrs. Ralph (Linda) Penrod, Pierceton, and Mrs. James (Helen) Michael, Fort Myers Beach, Fla.; three sons, David, Milford; Russell, Mentone, and Jack, Warsaw; 19 grandchildren and 27 great-grandchildren. Preceding in death were three sons, including Allen who died in 1985, and a grandson.

Services were Saturday at the King Memorial Home, Mentone with the Rev. Dale Hart, Liberty Baptist Church, Rochester, a grandson, officiating. Burial was in the Palestine Cemetery.

MARGARET TOOMIRE

Margaret Irene Toomire, 72, of 913 Pontiac St., Rochester, died at 5:30 p.m. Friday, May 22, 1987 at the home of her daughter in Whiteland. She had been in failing health for three months.

She was born April 15, 1915 in Rochester to Ralph and Ruth Nellans Weber. She had lived most of her life in this area, except for nine years in South Bend. In September 1943 in South Bend she married Senn Kiefer Toomire, who died in 1952. She was a member of Trinity United Methodist Church.

Surviving are a daughter, Mrs. Kim (Nancy) Miles, Whiteland; a brother, Walter Weber, Rt. 2, Akron; six nieces and two nephews. A brother, Arthur, died in 1954.

Services were Tuesday at the Foster and Good Funeral Home, Rochester, with the Rev. Donald Bowman officiating. Burial was in the Rochester IOOF Cemetery.

ROBERT TUCKER

Robert Quentin Tucker, 66, County Road 17-7409, Argos, died at 12:45 a.m. Saturday, May 23, 1987 at Woodlawn Hospital where he had been a patient for 17 days.

He was born Sept. 26, 1920 in Kosciusko County near Mentone to Royse and Opal Beson Tucker. He moved to the Argos community 39 years ago after having lived at Plymouth and Winona Lake. On Dec. 25, 1946 in Leesburg he married Helen I. Grimm, who survives. He was a retired employee of the R.R. Donnelley Corp., Warsaw, had served as a Marshall County commissioner, had served on the Walnut Township School Board, was a U.S. Air Force veteran of World War II, and was a member of the Argos United Methodist Church.

Surviving with the wife are a brother Joe, Mentone; three daughters, Mrs. Tom (Barbara Ann) Brown, Argos; Tami K. Tucker, Argos and Taylor University,

and Mrs. Andrew (Mary D.) O'Donnell, Zionsville; two sons, Gary L., Indianapolis, and Terry L., Battle Creek, Mich.; and 10 grandchildren. He was preceded in death by a sister, Mary Jane Hill, and a brother, John Tucker.

Arrangements were at the Grossman Funeral Home, Argos.

IRENE KUHN BLAIR

Memorial services for Irene Kuhn Blair will be held at the Athens United Methodist Church at 2:00 p.m. on Sunday, May 31, 1987.

Burial will be in the Athens cemetery with the Rev. Wayne Johnson officiating.

Mini 4-H Program

Fulton County 7, 8 and 9 year-olds are invited to join Mini 4-H and to enter a project or two in the Fulton County 4-H Fair. Mini 4-H is a learn-by-doing preparatory activity for 4-H. Children may exhibit one or two of the following projects at the fair July 20 from 9:00 a.m. to noon. A special Mini 4-H ribbon will be awarded for each project.

Mini 4-H projects include: **Model Kits** - Select and finish a model of your choice, such as a car or a boat.

Foods - Learn to make no-bake cookies and exhibit six of them on a paper plate.

Arts and Crafts - Be creative. Enter a picture, banner, art or craft you have made.

Wildlife - Exhibit a small poster about what you've learned about animals

Graduation exercises were held at the Akron United Methodist Church Nursery School on Thursday, May 21. The recipients of the diplomas were as excited as the recipients of the diplomas at TVHS on Saturday evening. (NEWS Photo)

ating. Hartzler Funeral Home, Akron, will be handling the arrangements.

Memorials can be made to the Athens United Methodist Church.

around you, such as what they look like and what they eat.

Sewing - Learn to use a sewing machine by making a placemat or laundry bag to exhibit.

Flowers - Learn about flowers and how to care for them, and exhibit them at the fair.

Forestry - Learn about the trees in your back yard. Collect and press the leaves for a simple poster.

Farm Animals - Learn about breeds of farm animals. Color your choice of animals by breed colorations and exhibit a small poster at the fair.

Forms are available at the Fulton County Extension Office. For more information contact Martha Shireman at 219-223-3397.

Master Ruff will be attending kindergarten at Akron following his graduating from nursery school. (NEWS Photo)

Mentone salutes the youth

"Mentone Salutes the Youth" has been chosen as the theme for the 1987 Mentone Egg Festival to be held in Mentone on June 4, 5, and 6. The theme will be carried over and used as the theme for the parade to be held on Saturday (June 6).

Awards will be given to first and second place floats.

The first prize will be a trophy and \$30.00; second place winner will receive \$20.00. All other first place winners according to categories will receive a trophy.

The deadline to enter the parade will be June 1. The parade will form at 11:00 a.m. at Mentzer Park in the southwest section of Mentone.

For his faithful attendance to programs at the AUM Nursery School over the past four years, Ralph Martin, grandfather of Erica Pontious, was given an honorary degree from the school by his granddaughter. (NEWS Photo)

FOOD IDEAS for all seasons

Making The Most Of Cheese

If you're a "big cheese" when it comes to the foods you prepare and serve, here's a tasty idea: to savor the full flavor of your favorite cheese, remove it from the refrigerator about half an hour before you serve or cook with it.

Quiche Hollandaise

450 grams (16 oz.) Holland Imported MILD GOUDA cheese
Sufficient pastry for 1 L (9-inch) pie crust or frozen pie shell
1 medium can pink or red salmon
3 eggs
125 ml (4 oz.) whipping cream
1/2 can sliced pineapple (5 slices)
Chopped parsley

Drain salmon and remove bones. Drain pineapple and chop finely. In large mixing bowl combine eggs and whipping cream. Mix in salmon, pineapple, cubed mild Gouda cheese and parsley. Prepare pastry shell, punch a few holes in bottom. Spoon salmon/cheese mixture in pastry/shell. Bake in preheated oven 220°C (425°F) 45-50 minutes, until golden brown.

For a free brochure with serving and recipe ideas using fine cheeses from Holland, write: Holland Cheese Importers Association, 47 Orient Way, Rutherford, NJ 07070.

NOTICE TO BIDDERS
Notice is hereby given that the Board of School Trustees of the Tippecanoe Valley School Corporation, Kosciusko & Fulton Counties, Indiana, will receive sealed bids at the Administration Office of the Tippecanoe Valley School Corporation, SR 19, Mentone, Indiana, on June 8, 1987, at the hour of 1:30 p.m. (EST) for the following described Temporary Warrants, such warrants to be let June 8, 1987, at 7:30 p.m. at the regular meeting of the Tippecanoe Valley Board of School Trustees.

Temporary Loan Warrants in the anticipation of taxes levied and in course of collection for the General Fund up to the amount of \$500,000, the Debt Service Fund up to the amount of \$227,000, the Cumulative Building Fund up to the amount of \$216,000 and the Transportation Fund up to the amount of \$112,500, dated as of date of delivery thereof to the purchaser, said warrants or warrants to be in the denomination or denominations requested by the purchaser, to mature on December 31, 1987, and to bear interest at a rate not exceeding 10% per annum (the exact rate to be determined by bidding), payable at the Bank of the successful bidder.

Bidders for these warrants will be required to name the rate of interest which the warrants are to bear, not to exceed 10% per annum. Such interest rate must be in multiples of 1/100th of 1%, and not more than one interest rate shall be named by each bidder for each fund. The warrants will be awarded to the best responsible bidder or bidders therefore who have submitted the bid in accordance herewith and will be the bidder or bidders who offer the lowest net interest cost to the school corporation to be determined by computing the total interest on each or all of the warrants to their maturity and deducting therefrom the premium bid, if any. The bid shall be subject to the unqualified approval opinion of a recognized bond counsel obtained at bidder's expense.

The right is reserved to reject any and all bids and to waive any irregularities. Each bid shall be accompanied by a certified or cashier's check in the amount of one percent of the bid payable to Tippecanoe Valley School Corporation, to guarantee the school corporation against default by such bidder in complying with the terms of this notice and his bid.

Learning proper pet care

Poster winners in the contest sponsored by Akron Animal Clinic were Bethany McFarland, first place; Matt Wortley, second place; and Kara Kamp, third place. Also pictured is Brenda Deardorff representing the Akron Animal Clinic.

During the week of May 3-9, the Akron Elementary Fourth Grade class celebrated National Pet Week.

Dr. Kerry Deardorff, Brenda Deardorff and their son, Derrick, of the Akron Animal Clinic presented a program on basic pet care. They featured several pets including a dog, cat, rabbits and a ferret. Among the items discussed were how often to feed your pets, grooming, housing, what animals make good pets and those that don't, and the health care of your pets.

To culminate the presentation, the children participated in a poster contest sponsored by the Akron Animal Clinic.

Strawberries to be early

The month of June, not May, usually indicates it's time for strawberries. This year however, local producers are reporting that strawberry picking will start about one to two weeks earlier.

Grown-in-Indiana strawberries cannot be surpassed and the prices are very competitive. In general, conditions for growing and picking strawberries have improved over recent years.

The first bountiful berries will ripen around May 23 and 24 due to the warm and fairly frostless spring. Producers are predicting that this year's crop will be ready throughout southern and central Indiana by Memorial Day weekend.

This bright red fruit is a leading crop in direct farmer to consumer marketing. There are more than 100 strawberry producers in Indiana and the crop generates as much as \$5 million in primary and supplementary income for these growers.

When buying strawberries from a u-pick farm, it is important to remember:

*The fruit is fragile and should be picked with care, leaving the cap intact.

*Avoid using deep pans and pails because the fruit on the bottom may bruise.

*Store in a cool, dry place (33-40 F).

*Do not wash berries until ready for use. Moisture hastens mold.

*Strawberries will deteriorate quickly after removal from the refrigerator.

Kruger among winners

Marilyn Kruger, Akron, was among the winners named at the 30th Annual Lakeland Art Association's Spring Exhibit held recently at the Bowen Center, Warsaw. Kruger placed third in the oils competition. The judges' comments included "liked the contrast between darks and lights" and "liked the use of colors".

The exhibit attracted many categories of art media from artists of the northern Indiana area. Categories represented at the show included oil, watercolor, acrylic and mixed media paintings, pencil drawings, sculptures, wood carvings, and photography.

Congratulations!

Tom Finney and Amy Zolman shared the excitement and joy just before the beginning of the TVHS commencement Saturday.
