TVSC suit venued to Kosciusko

The lawsuit of the Tippecanoe Valley School Corporation versus Richard Wells, state superintendent of public instruction and members of the general commission was venued from the

Fulton Circuit Court to the Kosciusko Circuit Court Wednesday afternoon. The order was entered by the duly selected special judge, Marvin D. McLaughlin of Starke County.

The motion to be given a change of venue was filed last week by K. Stuart Gast, a Winamac attorney who said he was assisting the school corporation's attorney, Donald Bowen, Indianapolis.

Kosciusko county was the only county not opposed by either side.

Counties considered were the surrounding counties, Kosciusko, Wabash, Miami, Starke, Cass, Pulaski and Marshall.

The plaintiff has until November 19 to perfect the change of venue.

The change of venue was granted under rule 1-12B of the Indiana Supreme Court that grants each side one change of venue and one change of judge.

The suit filed by the corporation was entered in the Fulton court September 3. It seeks to set aside the General Commission's Aug. 20 decision that there should be only one high school in the district.

A counter suit by the state was filed Sept. 22. It asked that the original suit be dismissed.

Elected Secretary

Josie Kelley has been elected Recording Secretary of the Student Government at Ivy Tech (Indiana Vocational Technical College) at So. Bend. Miss Kelley, a graduate of Mentone High School, is the daughter of Mr. and Mrs. Walter J. Kelley.

Meeting Set

The annual meeting and dinner of the Akron Local of Pure Milk Association will be held Monday, November 10, at 7 p.m. EST, at the Steer Inn Restaurant, north of Silver Lake on SR 15.

Featured speaker will be Ernest Winings, director of membership for PMA, according to an announcement by Wayne D. Coplen, R.2, Macy, president, and Gerald Clincker, R.2, Akron, secretary-treasurer of the local.

Election of officers for the year ahead is scheduled. Local officers have encouraged members to present resolutions for discussion at the meeting.

Christmas Mail Deadlines Listed By Post Office

The suggested deadlines for mail to all members of the Armed Forces overseas are as follows:

Parcels weighing more than five pounds sent by surface postage rates.....Nov. 8.

SAM Parcels up to 5 pounds in weight and 60 inches in length and girth combined, plus letters and greeting cards sent at surface rates. These go by air on a space available basis. Deadline is Nov. 22.

PAL Parcels, regular parcel post rate plus a flat charge of \$1 for air service on a space available basis, parcels up to 30 pounds and 60 inches in length and girth combined. Nov. 29

AIR MAIL parcels and air mail greeting cards deadline is December 13

TIME OF MAILING: The importance of mailing Christmas parcels before the designated deadline cannot be emphasized too strongly, the earlier the better. If mailed by the deadlines indicated the public can be reasonably assured that parcels will reach their destinations before Christmas.

SIZE AND WEIGHT: The maximum size and weight limits for surface parcel post and air parcel post vary according to Military Post Office to which the parcels are

ODDS and ENDS

by Ann Sheets

Do you think the Communists have changed their original plans? We agree with the writer of a letter to a Fort Wayne newspaper, when he said, "It's time to re-read the communists goals." Then compare them with what you see happening.

Here are listed a few of their forty-five goals.

—U.S. willingness to capitulate in preference to engaging in Atomic war.

—Do away with any attempts to outlaw the Communist Party.

—Do away with Loyalty oaths in America.

—Capture one or both of the Political parties in the United States.

—Use technical decision of the Courts to weaken basic American Institutions by claiming their activities violate Civil Rights.

—Get Control Of The Schools. Use them as transmission belts for Socialism and current Communist propaganda. Soften the curriculum. Get control of teacher's associations. Put the "party line" in textbooks.

—Gain control of student news papers. Use Student Riots To Foment Public Protests against programs or organizations, which are under Communistic attacks.

—Use Student Riots for Academic down-grading and control.

—Gain control of key positions in Radio-Television and Motion Pictures.

—Continue discrediting American culture by degrading all forms of artistic expression from parks and buildings, substitute shapeless, awkward and meaningless art. "Our plan is to promote ugliness, repulsive, meaningless art."

—Eliminate all Laws governing obscenity in books, magazines, motion pictures, radio and television.

—Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, radio, motion pictures and television.

—Promote homosexuality, degeneracy and promiscuity as "Normal, healthy and natural."

—Eliminate prayer and any phase of religious expression in the schools on the grounds it violates the principle of "separation of church and state."

—Discredit the American Constitution by calling it inadequate, old fashioned, out-of-step with modern needs.

The WAKARUSA TRIBUNE

Teenager in the twenties

You're old enough to remember the real America. You can remember when you never dreamed our country could ever lose a war, declared or undeclared. When you left the front door open. When you went to church and found spiritual consolation. When people knew what the Fourth of July stood for. When you took it for granted that women and the elderly and the clergy were to be respected. When a girl was considered daring if she smoked in public. When a girl was a girl. When a boy was a boy. When they liked each other.

When you didn't feel embarrassed to say that this is the best country in the world. When socialist was a dirty word. When liberal wasn't. When a nickel was worth five cents and could buy you a magazine or a good cigar, or a 12-ounce bottle of pop, or a big ice cream cone with chocolate sprinkles. When two nickels got you into the movies on Saturday afternoon and you saw three pictures. When taxes were only a nuisance.

When the poor were too proud to take charity. When you weren't afraid to go out at night. When Protestants and Catholics thought enough of their beliefs to argue about them. When ghettos were neighborhoods. When you knew that the law meant justice, and you felt a little shiver of awe at the sight of a policeman.

When young fellows tried to join the army or the navy. When songs had a tune. When you could get away from it all for a while. When you bragged about your state

—Discredit the American Founding Fathers. Present them as selfish Aristocrats who had no concern for the "common man."

—Support any Socialist Movement to give centralized control over any part of culture. (a) Education (b) Social Agencies (c) Welfare Programs (d) Mental Health Clinics, etc.

—Transfer some of the powers of arrest from the police to Social Agencies. Treat all behavioral problems as psychiatric disorders which no one but psychiatrists can understand or treat.

—Dominate the Psychiatric Profession and use Mental Health Laws as a means of gaining coercive control over those who oppose Communistic goals.

—Create the impression that violence and insurrection are legitimate aspects of the American Tradition. That students and special-interest groups should rise up and use "united force" to solve academic, economic, political or social problems.

Around the State

A new 500,000 kilowatt generating unit will be installed by 1973 at the site of Northern Indiana's present Michigan City Generating Station, Dean H. Mitchell, NIPSCO chairman and chief executive office, announced this week. The new unit will be fossil fueled, burning coal and gas, and will generate enough power to supply the electric needs of a city the size of Houston, Texas. This installation will more than triple the capacity of the utility's present facilities at Michigan City.

Watchword Begun By Police

The Indiana State Police Watchword for November is "SNOW-SLOW."

With that, State Police Superintendent Robert K. Konkle this week introduced the Department's newest public information program called WATCHWORD, aimed at alerting Hoosier citizens to deadly traffic hazards whenever and whenever they occur.

Each month, Konkle explained, all Hoosier news services will receive a WATCHWORD release containing current traffic accident data and a WATCHWORD which will be a key word or phrase to be printed and broadcast to help remind drivers of existing or impending traffic hazards.

State Police field commanders throughout Indiana will join in the Watchword program by immediately contacting news outlets in their

Gregory Pfeiffer, who has been in combat in Vietnam the past year, is now at home on a 35-day leave.

He received the bronze star for valor, the air medal for meritorious achievement while participating in aerial flight, the Arcom (Army Commendation) for meritorious achievement in ground operations, CIB, (Combat Infantry Badge) ribbons for Vietnam service, good conduct medal and a presidential citation.

He will be stationed at Ft. Benning, Ga. after November 27.

and your home town. When politicians proclaimed their patriotism. When clerks and repairmen tried to please you, or else. When a Sunday drive was an adventure, not an ordeal. When you had to be brave to fly. When you could always find someone willing and able whenever you wanted something done.

When riots were unthinkable. When the clergy talked about religion. When you took it for granted that the law would be enforced, and your safety protected. When Christmas was merry, and Christ was kept in it.

When the flag was a sacred symbol. When our government stood up for Americans, anywhere in the world. When a man who went wrong was blamed, not his mother's nursing habits or his father's income.

When everyone knew the difference between right and wrong. When things weren't perfect, but you never expected them to be. When you weren't made to feel guilty for enjoying dialect comedy. When people still had the capacity for indignation. When you considered yourself lucky to have a good job. When you were proud to have one. When sick meant you weren't feeling well. When a complaint could accomplish something. When people expected less, and valued what they had more.

When everybody wasn't entitled to a college education. When college kids swallowed goldfish, not L.S.D.

areas whenever unusual traffic or weather conditions pose a threat to motorists. For example, the watchword in any specific area might be ICE BRIDGES, FOG, FREEZING RAIN or any other word or phrase to describe emergency conditions.

Although the watchword program will be directed primarily towards traffic accident prevention, Superintendent Konkle pointed out that it may also be used to alert citizens to any criminal activities that may threaten their safety.

SNOW-SLOW, the November watchword, is a reminder that a year ago this month the first snowfall accounted for a rash of accidents, deaths, and injuries in scatter areas throughout Indiana.

60 YEARS AGO

The slowness with which work has proceeded in grading for the past two weeks was due to the fact that it was necessary to complete certain details of a legal character in connection with the merger of the Winona and Warsaw Railway Company into the Winona Interurban Railway Co., thus making one corporation of two lines. The grade is now ready to lay steel from Mentone to the Bear farm, two miles north of Akron, and the pole line is erected from Mentone to the Jesse Burns farm.

How many people are aware of the fact that in the state of Indiana alone there is a life given up every two hours to the dread white plague, tuberculosis?

Miss Daisy Young, the youngest daughter of Mr. and Mrs. Lon Young, east of town, and the worthy teacher at Bethel gave a social box supper Thursday evening of last week. It was a howling success in every way. The proceeds amounted to almost twenty dollars, which go to the district book fund. Hurrah for Bethel.

Bob Scott bears his lucky stars mighty well. He is not excited or muddled. Early in October he went up to Aberdeen, South Dakota, and enrolled in the land drawing scheme. Last Wednesday morning he received official word that he had pulled out a quarter section of land. All the land in this allotment is said to be valuable and very fertile. Bob will be required to live on the land for fourteen months as a part of the act of becoming a citizen and the farm will be his to keep or to sell.

Mr. and Mrs. Harry Doub of Ft. Wayne spent the week end here with their parents, Mr. and Mrs. Otto Doub and Mr. and Mrs. Amos Bucher.

The Akron-Rochester Road will be opened Saturday. This announcement was made Thursday morning. The brick are being relaid in order to connect with the concrete sides. Following the completion of relaying the bricks the straw will be burned and the street cleaned, then the new pavement, now state road 14, will be ready for the public to use.

Alfred Moore received a cut on the left hand Wednesday morning at the Shovel Factory that required eight stitches to close. Moore met with the accident while working at an emery wheel.

The honor students in typewriting last week were Juanita Love and Helen Pike. A typewriting speed and accuracy test was given last Friday.

Mrs. Matt Waechter of Mentone was in Akron Monday on business.

Four Akron students were given straight A's the first quarter of the school term. They are Ruth Teel, Annetta Marsh, Evelyn Showalter and Adrien Shroat.

Mr. and Mrs. Donald Beery and son of Rochester were Saturday evening dinner guests of Mrs. Ruth G. Davis and daughter.

Mrs. Ben Day left Wednesday for Warsaw where she will spend several days with relatives.

Accident Report

Autos driven by Diana S. Slone, Akron, and Waldo M. Heckman, R. 2, Warsaw, collided in Claypool Saturday with total damages of \$320.

Sunday afternoon, a car driven by Tom Baker, Silver Lake, struck a bridge on CR 600 West at Yellow Creek Lake.

Two area residents were cited for traffic violations following a two-car accident at the corner of Columbia and Ft. Wayne Streets in Warsaw Friday. Jerry L. Bodkin, R. 2, Warsaw, was cited for improper registration while Irene J. Fruit, R. 1, Warsaw, was cited for failure to yield the right-of-way.

Cars driven by Ordell B. Helm, Warsaw, and Kenneth Anglin, Mentone, were involved in an accident in Warsaw recently. Helm reportedly was crossing the street to telephone police in regards to another mishap when his car was struck by the Anglin vehicle, which was unable to stop in time.

A car driven by Myron Tomlinson, Jonesboro, was damaged \$475 Saturday when it struck a fence on the Walter Dudgefarm one mile west of Claypool on SR 15.

Mrs. Lois Woolley and Lori Ann Tilden, both of Akron, escaped injury Monday afternoon when a car driven by Mrs. Woolley rolled over in a ditch north of Lowman's corner. Police said Mrs. Woolley was westbound and that she swerved to her right when an eastbound car crested a hill in the center of the road ahead of her. The Woolley car slid across the

road, hit an embankment and rolled onto its top. Damages to the car were estimated at \$650. The other driver was unidentified.

Judy B. Boyer, 16, R. 5, Warsaw, a student at Mentone High School, is a patient at Murphy Medical Center suffering a laceration to her mouth and a deep throat laceration sustained in a 2-car crash near No. Webster Friday night. She was a passenger in a car driven by Wayne Wenger, R. 1, Warsaw, who was treated for possible rib lacerations and contusions to the head. The driver of the other car, J. P. Milam, R. 1, Warsaw, declined treatment, at Murphy Medical Center although police said he sustained a possible back injury and lacerations to his head and knee. Damage to the Milam car was set at \$1,200 and to the Wenger auto at \$1,100.

Jerry L. Sellers, of Silver Lake, was cited for driving under the influence of intoxicating beverages, driving to left of center and improper registration by Mentone Marshal Gene Norton. Sellers was released on a \$50 justice of the peace court bond early Saturday.

Cluster Group Meets At Center

The Cluster Group of the United Methodist churches of Silver Lake and Claypool met Sunday at the Center United Methodist Church.

Members of the cluster include Packerton, Mt. Pleasant, Silver Lake First Methodist, Silver Lake Faith United Methodist, So. Pleasant, Claypool and Center United Methodist.

Pastors of the churches are Kenneth Cohee, Keith Burch, Robert Alexander, Marvin Lowman, Ralph Bowman, Charles French and Richard Bunnell.

Bishop Harold Heining of Naperville brought the message in the afternoon.

Mrs. Louise Jontz directed the cluster group choir with Mrs. Duane Sells as organist and Mike Sells at the piano.

C.R.O.P. Directors Are Named

Township directors for the 1969 Christian Rural Overseas Program have been named for the commodity drive beginning November 8 according to Russell Creighton, Kosciusko County C.R.O.P. chairman.

Merl Mikel and Glen Disher will serve as directors in Scott Twp. and Kenneth Haney in Jefferson Twp. Other directors are Truman Nifong, Enna; Fred Powell, Prairie; Ezra Beer, Van Buren; Mrs. Glenn Popenfoose, Turkey Creek; and Sam Rhoads, Washington.

Cloid Swartz and Dale Beery will head Monroe township and Scott Horn and Charles Huffer will serve in Wayne. Eldred Metzger and Wilbur Pyle will direct Jackson Twp. Other township leaders are Sam Knoop, Clay; Richard Whittenberger, Franklin; Wallace Anglin, Harrison; and Gerald Smalley, Seward. Tippecanoe and Lake directors are Mrs. Joe Barrett and Kenneth Dickey.

Area Co-ordinators for the 1969 drive are Mr. Rummell, Mr. Rhoads, Lester Gay and Mr. Knop.

C.R.O.P. is the rural relief agency of the World Council of Churches. Food, tools, fertilizers, water supplies and other necessities and administered through rural church organizations in areas of need throughout the world.

W.C.T.U. To Meet

The Akron W.C.T.U. will meet next Tuesday evening November 11th at 7:30 p.m. in the Akron library.

Mrs. Lucille Doering is the devotional leader. The hostesses will be Mrs. Thelma Craig, Mrs. Eva McHatton and Mrs. Marjorie McColley. All members are urged to be present.

Akron UNICEF Drive Nets \$137.05

The Akron UNICEF drive netted \$137.05 this year, according to officials of the local drive. They said the collection was down from previous years, noting that \$153.80 was collected in 1968 and \$146.39 in 1967.

Although the receipts were lower, the committee said, "We are very proud of our fellow citizens and of the enthusiasm of the trick or treaters. The spontaneous generosity of the local people is the backbone of our efforts to help the United Nations Children's Fund and those less fortunate children in 120 countries around the world. Our children have been part of a very real lesson in international understanding and the

responsibility toward those who need our help."

L.T.L. Has Party

The L.T.L. had their Halloween party last Wednesday night at the library basement, with 56 children present. Costumes were judged by Tural Haldeman, Norma Jean Burns, and Carolyn Newcomb; and prizes were awarded as follows: Funniest - Patty Holloway, Best ghost - Mary Beth Harter, Most unusual - Sheryl Norman, Best made - Patty Doering, Scariest - Brent Merley, Ugliest - Michelle Geiger and Prettiest - Krista McKinney, and Janet Bowen. The refreshments were prepared by Norma Burns, Carolyn Newcomb, and Janet Burns; and Gloria Bowen and Michelle Geiger handled the games. The next regular meeting will be on Nov. 28th.

Historical Society Completes Plans

The Fulton County Historical Society has been busy with a number of projects recently. Included in future plans is a stone commemorating the site of the McKinley School.

Plans are being made for a similar marker to commemorate Rochester College.

The outside work on the depot museum is almost done. The Rochester Lions Club scraped the old paint and the Rochester Jaycees did the painting. The front lawn will be re-seeded next spring. Pete Terpstra is reported nearly

done with the roofing. Ernest Hiatt announced that the Chrysler Corporation would donate a furnace.

Plans have been made to install heating and plumbing soon and it is expected that this can be completed in time for the next Historical Society meeting to be held there at 7 p.m. on Monday evening, January 26.

Continue a happy holiday custom. Use Christmas seals.

Mentone Board To Enforce Junk Car Ordinance

The junk car ordinance in Mentone will be enforced in the future, according to the Mentone Town Board's Monday evening decision. The board also adopted an ordinance to install stop signs around the school area.

The board was cited several examples of junk cars without motors on lawns throughout the town. Board members instructed Town Marshal Gene Norton to issue warnings to such violators.

A lionlike roar that can be heard for a mile is the attribute distinguishing the "Howler Monkey's" name. He never descends from trees where, when thirsty, he licks the wet leaves.

Perennial Posies From Fabrics

For perennial posies that bloom all year long, try your hand at making flowers from colorful cotton fabrics.

Make a set for your own table, for gifts, or for the holiday bazaar. Use the same fabrics in one bouquet, or vary them with a mixture of calicoes, ginghams, and solid color cottons.

One of the simplest designs is a tulip. For a striking effect, use striped black and white pique for the outer petals and solid white pique for the inside.

To form the basic seven-petaled flower, start by cutting a 5x10-inch rectangle from each fabric. These are to be glued together—print side out—with household cement.

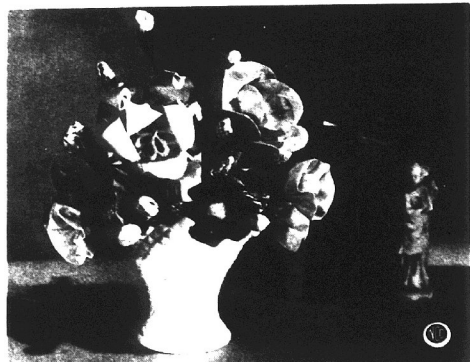

However, to make the petals flexible, place strips of florist's wire—allowing one strip for each petal—between the fabric layers at 1½-inch intervals before gluing. Make the wire strips about seven inches long so they will overhang the rectangle and can be used to attach the flower to the stem.

Next glue the 5-inch sides of the rectangle together to form

a cylinder. Then snip out petal shapes, cutting so that each wire strip is in the center of a petal.

Make flower centers from cotton ball fringe, pompons and fabric-covered wires twisted in curlicue shapes to resemble tulip stamens.

Tape the completed center to a stem made from heavy florist's wire or a coathanger and insert through the petal-shaped cylinder. Then twist wires at bottom of cylinder gathering fabric around the stem. Wrap the entire stem with florist's tape.

PERENNIAL POSIES—A cheerful gift that gives year 'round pleasure is a bouquet of multi-colored flowers made from cotton calicoes, ginghams, and solids. Fabric petals are formed from two layers of fabric glued together with household cement for added stiffness. Buds are squares of fabric gathered over a loop of florist's wire.

COTTON TULIPS — These didn't sprout from cottonseed, but they did blossom out from cotton fabrics. Pique in polka dots, stripes, and solids is used to form the tulip petals. Centers are made from cotton ball fringe pompons and fabric-covered wires twisted in curlicues to resemble tulip stamens.

Once you've started making these fabric flowers, you can use your own imagination and come up with a variety of original creations.

35th Anniversary To Be Observed

Mr. and Mrs. William Walters, Tippecanoe, will observe their 35th wedding anniversary Nov. 10. They were married in Rochester Nov. 10, 1934 and moved to their new farm home built by Mr. Walters where they have lived since. Mr. Walters is a farmer but has worked at Bendix Corp. in So. Bend since 1941. They are the parents of three children, Duane Walters, Herschel Walters and Mrs. Chas. (Verona) Carpenter. They have six grandchildren.

Rainbow Girls Plan Party

Debra Hunter, worthy advisor, presided at the meeting of Akron Rainbow Assembly with 14 girls and 3 adults present.

Debra thanked all the girls who helped make the recent bake sale such a success. Part of the proceeds will go to a party for the girls and their guests. The planning committee is Debra Beasley, Sheri Schweir, Marjory Kendall and Linda Beasley.

There will be a practice at the November 11 meeting for the initiation November 25.

Limb-Trimming Can Be Fun

Let the decorations on your holiday tree reflect all the color and gaiety of a Mexican Christmas.

Do it with Mexican-inspired tree ornaments in the charming folk art tradition... ornaments you can make yourself from bright-colored cotton fabrics cut in simple animal shapes. For added color, trim them with lively zig-zags of

cotton rick rack and fringe.

No sewing is required for these easy-to-make tree trims, reports the National Cotton Council.

To give body to the ornaments, use heavyweight nonwoven interfacing between front and back of the fabric designs. Cut two 6x7-inch rectangles of cotton fabric and one of interfacing to form a

base for the designs.

Join fabric and interfacing together with a new iron-on product—a web of fibers on transfer paper that fuses materials together with the aid of a steam iron.

Then trace an animal shape on the fabric base and cut out. Simple outlines of birds, owls, lambs, fish, or Mexican burros are most effective.

Glue appropriate rick rack trims to the animal shapes, making identical designs on both sides of each ornament. Use sequins for eyes.

For example, an ornament in the shape of the traditional

Mexican stone bird can be cut from bright red cotton. Outline the bird's tail and wings with black baby rick rack. Add rows of white baby rick rack on the wings and tail for contrast. Glue one point of rick rack on each side of the bird's beak, and black sequins for eyes.

Make hang loops for the ornaments from four strands of cotton thread in the same color as the fabric.

Free patterns of animal shapes can be obtained by sending a stamped self-addressed envelope to Mexican Tree Trims, National Cotton Council, P. O. Box 12285, Memphis, Tenn. 38112.

According to the National Cotton Council, the trick is to make simple items... then apply cotton rick rack in imaginative new ways.

Take placemats, for example. Cut simple rectangle shapes from bold-striped cotton denim or sailcloth, allowing a half-yard of fabric for each mat. Play up the stripes by stitching on rows of rick rack in varying sizes and contrasting colors.

Apply the rick rack rows directly to the stripes, using jumbo size trim on the widest stripes and medium-size on smaller stripes.

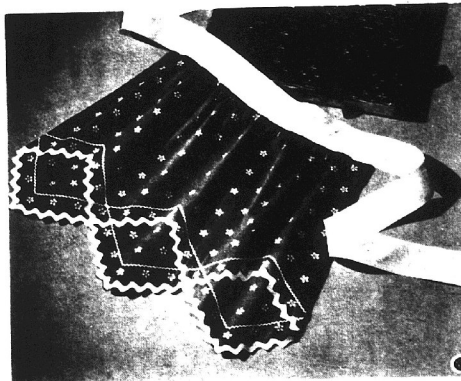

Another item that's easy to sew and costs only pennies is a decorative apron. Choose a half-yard of any dainty floral-printed cotton. Then make a simple apron by gathering it to a waistband and ties cut from a contrasting solid strip.

To add interest and color, cut a diamond-shaped hem and outline with medium size rick rack in the same color as the waistband. Complete the design with another diamond pattern in baby rick rack...

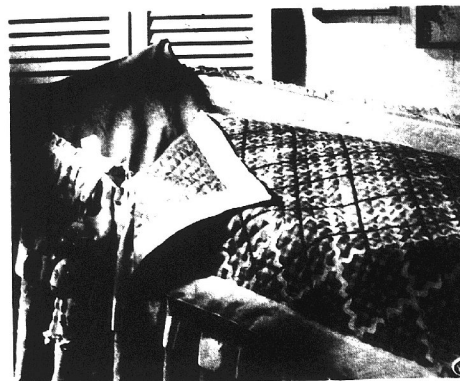

overlapping the larger motif. Gifts for a tiny baby are always fun to make, and one of the simplest is a reversible bassinet cover. All you need is a yard of quilted cotton gingham with solid color backing, jumbo and baby-size rick rack,

and 2-inch wide bias hem facing. On the gingham side, attach jumbo rick rack to the quilting stitches to form diamond-

shaped motifs. Then apply baby rick rack in another diamond pattern overlapping the first.

NEW APRON DESIGN—Easy and inexpensive to make is this colorful cotton print apron that requires only a half yard of fabric. The diamond-shaped hem is detailed and edged in Coats & Clark's jumbo and baby rick rack in contrasting colors.

FOR THE BASSINET SET—Ideal gift for a newborn baby, this reversible bassinet cover is easy to make. All that's required is a yard of quilted cotton gingham with solid color backing, Coats & Clark's jumbo and baby rick rack in contrasting colors, and 2-inch wide bias hem facing. Stitch rick rack on the gingham side following quilting stitches to form diamond-shaped motifs.

G A A Girls To Sell Shirts

The Mentone GAA girls met November 3 in the school gym.

The girls voted to sell green and white T-shirts beginning Wednesday.

The girls enjoyed badminton and volleyball.

Retires

From Service

M/Sgt. Thomas J. Sausaman has retired from the US Army after serving more than 25 years on active duty. He was last assigned as a squadron maintenance sergeant with Headquarters Troop of the 6th Armored Cavalry Regiment's 2nd Squadron at Ft. George G. Meade, Md.

Sausaman, who entered the Army in 1943, served also in Vietnam and was awarded the Purple Heart.

His wife, Adeleen, is a resident of R. 2, Silver Lake, and his mother, Gladys Millow, lives in Rochester.

Mentone

On Monday, November 3, the Mentone FHA girls had their monthly meeting. President Carol Franks opened the meeting. There were 31 present.

The president reminded members that the main goal was remembering "It Is Decisions That Count."

Members of the Ways and Means committee for money raising projects will be Kay Goshert, chairman; Pam Walters, Sherry Zent, Pat McClone, Pam Craig and Deb Hiers.

A panel discussion on "What Do You Think of Early Marriages" was conducted with the panel consisting of Pam Craig, Sandi Young, Cathy Decker, Debbie Anglin and Chara Puterbaugh.

After group singing, the meeting closed with refreshments of cider and doughnuts.

Drugs fight TB. So do Christmas seals. Use them.

"It was worth building the whole house for this!" exclaimed a Bloomington woman as she flung open the door of her electrically cleaned oven. Happily you don't have to build a new house to be free of what must be the most put-off, shuddered-over, elbow grease-using chore faced by a homemaker: cleaning an oven the old-fashioned way. Flameless, electric ranges that do their own cleaning come in a variety of sizes to fit the space of an old one—from a 24-inch built-in to a 40-inch free standing range.

most electric self-clean ovens use a pyrolytic system. Translated that means heat to dissolve. The oven heats to a temperature high enough for all the soil to decompose. A lock and heavy duty insulation keep this high heat safely in the oven. Linings are a special porcelain enamel, racks are nickel plate and light bulbs are shielded.

so you ask, "With all that special gear, it must be expensive?" Not so, only \$30 to \$50 more and the feature is even available on stripped-down models. Cost of the electricity to do the job is less than that of a cup of coffee. And who wouldn't buy a friend a cup of coffee if she cleaned your oven?

a lot of women who have been making do with what they had have been lured by self-clean ovens. They are discovering that today's electric ranges boast a host of other conveniences, too. There is a model with a built-in hot water tap, one with a broiler that cooks both sides at once, a variety of warming lights, shelves or ovens and meat thermometers that announce when the meat is done.

speaking of thermometers, the one for the Thanksgiving turkey goes between the bird's body and thigh. And wouldn't it be nice to have the oven clean itself after the feast is over?

Hoosiers' concern with education is revealed

Nine of ten persons think sex education in the schools is desirable, one of three feel that prayer should be allowed in school despite the Supreme Court ruling, and two of three believe that the people themselves rather than their elected representatives should decide on taxes for schools, according to a recent survey in southeastern Indiana.

Students at Indiana University Southeast at Jeffersonville also discovered that teachers (96 percent) speak out loud and clear in their belief that the school curriculum should include the teaching of moral and humanistic values—and the belief was echoed by 89 percent of the students and 86 percent of the other adults.

Results of the survey taken by pre-education students to survey adult attitudes toward school operation, curriculum, and financing are published in the current Fall issue of THE INDIANA TEACHER, official magazine of the Indiana State Teachers Association.

The authors of the article are James V. Pierce, lecturer in science education on the I. U. Southeast staff; Dr. Claudia Crump, associate professor, and Dr. John H. Langer, former associate professor of education at IUS and now an educational programs specialist in the Drug Abuse Prevention Division, Bureau of Narcotics and Dangerous Drugs, Department of Justice, Washington, D. C.

AKRON-MENTONE NEWS
November 6, 1969

The students surveyed 369 adults, 57 teachers attending graduate classes at IUS, and the 75 students themselves.

The survey showed a similarity of answers among the three groups in most instances, with some differences.

Are demonstrations and unrest on college campuses due to a small but vocal minority group? Although 79 percent of the teachers agreed they were, the other 21 percent indicate they believe the unrest is more widespread. But 87 percent of the other adults and the students agreed that it was the vocal minority.

Students demonstrated strongly that they "care" when 97 percent agreed with the statement that if it takes more money to educate poor children, black or white, then we should spend it. Ten percent fewer of the teachers and other adults agreed.

"The American public places too much emphasis on grades," Agreeing were 98 percent of the

teachers, 96 percent of the students, and 84 percent of the other adults.

Although 86 percent of the teachers believe the choice of reading selections for literature classes should be left to the direction of the teacher, only 70 percent of the other adults and 67 percent of the students thought it should be.

A whopping 91 percent of the students agreed that "tuition and fees for state universities and colleges SHOULD NOT be increased as an attempt to force each college student to bear the total cost of his higher education. An affirmative came from 77 percent of the teachers and 79 percent of the other adults.

Most teachers, 81 percent, felt that the teacher should be free to use corporal punishment when he felt it necessary, but only 52 percent of the students and 56 percent of the other adults thought the teacher had this right.

Almost all the students, 97 percent, be-

lieved the public schools are providing much better education now than they did a decade ago and 89 percent of the teachers and other adults agreed.

Francis Gardner To Speak At Akron Church of God

Francis E. Gardner, a business woman from Miami, Florida will speak at the Akron Church of God this Sunday at 10:25 a.m. and 7:30 p.m.

Mrs. Gardner is a hard hitting speaker and tells it like it is. She tirelessly flies from Coast to Coast sharing the excitement of her life with everyone she comes in contact with. She was one of the key speakers at the International Convention of the Church of God last June.

Under the Impact label, Heartwarming Records recorded her as she spoke in her own Church in Miami, Fla., asking only to catch the excitement of Christ in her voice.

Mrs. Gardner is the author of "God is Fabulous" and "Go Man Go".

Her appeal to men and women as well as children make her an interesting speaker, says Rev. J. D. Thomason who invites the public to attend these services.

Service Names Addresses Sought

Again, we issue a reminder: Don't forget the men who are serving in the armed forces. We need addresses and lots of them by Tuesday, Nov. 11, in order that they may be printed in the paper and in order that the Mentone American Legion Auxiliary may prepare their boxes for shipment.

Cont. from page 1
sent. Custom declaration forms are required for parcels addressed to some military post offices, and some articles are prohibited to certain military post offices. Therefore, it is suggested that mailers, before packing parcel post for mailing, make inquiry at the post office as to weight and size limits, customs declaration forms needed and the list of prohibited articles, that are applicable to certain Military post offices. Matches of all kinds and lighter fluid are prohibited.

PACKAGING: Boxes for overseas transmission must necessarily be of strong construction on account of the great distance these parcels must be transported and the handling and storage they must undergo. It is absolutely necessary that all articles for overseas delivery be packed in boxes of metal, wood, solid fiberboard, or strong double faced corrugated fiberboard. Boxes should contain sufficient cushioning material so that the contents will be tightly packed to prevent any rattling or loosening of the articles within the parcels. It is also desirable that all fiberboard boxes be securely wrapped in heavy paper. Each box should be hand-tied with strong cord.

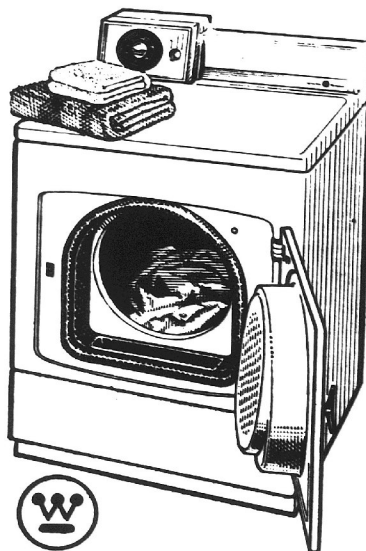

ADDRESSING: Addresses must be legible and prepared in typewriting or ink. It is preferable that the outside address be hand-printed on the

wrappers of the boxes rather than on labels, pasted to the wrappers, since experience has shown that the labels frequently fall off when subjected to moisture. It is highly desirable that a slip of paper containing the name and address of the sender and addressee, together with a list of the contents, be enclosed in each parcel so as to provide identification and proper disposition of the mail in the event the address on the outside becomes defaced.

REGISTRY AND INSURANCE: Mailers are encouraged to register valuable letters and insure valuable parcels. It is recommended that patrons use postal money orders to transmit gifts of money to members of the Armed Forces serving outside the continental United States.

Gary Lipply and Maurice Lipply of Silver Lake will show in the Gurnsey competition at the International Livestock Exposition to begin November 28 and to last until December 7, at the International Amphitheatre in Chicago.

Other local entrants include Gary and Kyle Marshall, Silver Lake, who have entered Polled Shorthorn competition.

The Exposition is the climax to the agriculture show year in the United States. It is thought of as the "court of last judgement" for the nation's best purebred livestock in over 35 breeds of beef and dairy cattle, swine, sheep and horses.

AKRON, INDIANA 46910

Volume 79, No. 47

School board member says: One school or nothing

One member of the Tippecanoe Valley School Board, Richard Goshert, feels the time has come for the board to plan a building program and has issued the following statement:

No longer can a school board member of the Tippecanoe Valley School Corporation be for a building program to maintain two schools. A T.V.S.C. board member now is either for a building program to have one school or he is a school board member to build nothing.

If a school board member is for nothing (no school building program at all) then he stands for overcrowded schools and inadequate facilities. There is no point

in a school board member saying he is for two new high school facilities. The Indiana General Commission on Education, the Supt. of Public Instruction and others have indicated in unmistakable terms that Tippecanoe Valley School Corporation cannot build anything that does not include a single high school program.

The only question now, for a progressive school board member who believes in an adequate educational program, is what is the best one school plan we are willing to pay for.

There is no longer any point in arguments as to the merits of one high school vs. two high schools. There has been no point to such arguments

since the ruling of the Indiana General Commission. The General Commission is a body created by the Indiana Legislature. Any law suit, therefore, is a waste of Taxpayers' money. "You can't win a law suit against yourself." Any reasonable person admits that there are advantages and disadvantages both ways, so arguments now are futile and anyone who now argues for two high schools can be considered to be for nothing more than what we have at present.

I therefore would take this opportunity to publicly request T.V.S.C. Supt., to put (BUILDING PROGRAM) on the next board agenda.

Christmas Spending Gets Local Boost

Residents of the area will begin their Christmas shopping this week with the help of Christmas savings checks that have been mailed members of Christmas clubs. The Akron Exchange State Bank reported it

had 238 accounts that totaled \$32,708.33.

The Farmers State Bank at Mentone reports it had 183 accounts with a total of approximately \$25,750 being distributed.

The meanest father

Have you ever seen a "really, really" mean father? A few kids have such a father; several others perhaps should have.

Anyhow, this story appeared in the Fairbanks, Alaska, News-O-Miner. Take a look.

A woman recalled the painful years when she was growing up. She said, "As a child I had the meanest father in the whole world. He was real mean. When other kids ate candy for breakfast, he made me eat cereal, eggs and toast. When others had cake and candy for lunch, I had to eat a sandwich. As you can guess, my dinner was different from other kids."

"My father insisted on knowing where we were at all times. You'd think we were on a chain gang. He had to know who our friends were and what we were doing. He insisted that if we said we'd be gone for an hour, that we would be gone one hour or less. He was real mean."

"I am ashamed to admit it, but he actually had the nerve to break the child labor law. He made us work! We had to wash the dishes, make beds, learn to cook and all sorts of cruel things. I believe he lay awake nights thinking up mean things

to do to us. "He always insisted on us telling the truth, the whole truth and nothing but the truth. By the time we were teenagers he was much wiser, and our life became even more unbearable."

"None of this tooting the horn of a car for us to come running. He embarrassed us to no end making our dates and friends come to the door to get us. I forgot to mention, while my friends were dating at the mature age of 12 and 13, my old-fashioned father refused to let me date until I was 15 and 16."

"My father was a complete failure as a father. None of us has ever been arrested or beaten a mate. Each of my brothers served his time in the service of his Country. And whom do we have to blame for this terrible way we turned out? You're right, our mean father."

"Look at all the things we missed. We never got to take part in a riot, burn draft cards and a million and one things that our friends did. He made us grow up into God-fearing, educated, honest adults."

From this, we would say the country doesn't need a 5 cent cigar; it needs more "mean" Fathers...and Mothers.

60 YEARS AGO

Jesse Bright sprang a surprise on the business community of Akron last Tuesday morning by announcing that he had sold his restaurant to Stant Thompson in the cash deal.

The old, old story, told times without number, and repeated over and over again for the last 36 years, but it is always a welcome story to those in search of health. There is nothing in the world that cures coughs and colds as quickly as Chamberlain's Cough Remedy. Sold by all druggists.

Mr. and Mrs. Lee Miller and daughter Belva visited over last Sunday with his brother, William C. Miller, and family. They returned home Monday morning leaving the daughter to continue her stay with the uncle's family.

An Argos barber won a dollar bet the other day by shaving a man without saying a word. It is said the strain on the barber was something awful and that he had hardly enough strength left to holler "next" when through with the job.

Evolutionists tell us where we came from; theologians tell us where we are going, but the most interesting fact is that we are here.

A New Jersey woman wouldn't allow her husband to kiss her and he choked her for it. Some women must be taught to mind.

Through the agency of Carr and Brindle, A. A. Gast sold the old Burns farm to Reuben Kamp this week, and through the same agency Adelbert Daggy and Manford Wakely made an exchange of property, the little Daggy farm east of town for the Wakely property here in town, formerly owned by John Clifton.

40 YEARS AGO

Last Monday, November 11th, marked the fifty-seventh wedding anniversary of Mr. and Mrs. James Curtis.

Tuesday night, chicken thieves entered the chicken house of Ruel Clark one mile southeast of Akron and stole approximately 65 head of nice pullets. All the chickens were taken but two. Why these two were left it is not known. Mr. Clark states that he heard no sounds and believes that they were chloroformed.

Mr. and Mrs. Karl B. Gast and family spent Saturday in Indianapolis, the guests of their daughter, Juanita.

Earl Leininger attended the Tri-State Merchants meeting at Elwood Tuesday.

Jack Shope, proprietor of the Akron Social Club, has purchased a Ring Tail Monkey.

Silver Lake and Lake Township are facing a new school building proposition for next year. State officials now say if steps are not taken towards a new school building a commission will not be granted for this year. Wednesday evening, Trustee Yotter called a meeting of interested taxpayers and the general expression at the meeting was that preliminary steps should be taken now so a contract may be let early in the year. Lake township people knew they would have to build a new building and for several years have accumulated a sinking fund to help pay the cost.

25 YEARS AGO

Mrs. Dale McFarland has accepted a position at the Akron Exchange Bank.

National Book Week Observed At Akron Public Library

The 50th Anniversary of National Book Week will be observed November 16-22, 1969. The theme for this week's observance is "BOOK POWER". The Akron Carnegie Public Library will have new books for all ages available. This would be a good time for the entire family to visit the public library.

The following books are available:

BETWEEN PARENT AND TEENAGER by Dr. Haim G. Ginott. The author of the best seller **BETWEEN PARENT AND CHILD** has now written a new book for parents of teenagers. It provides specific advice and demonstrates essential skills for handling the endless series of small events and sudden crises that are part of every parent-teenager relationship.

TWELVE CITIES by John Gunther. In this book Gunther describes in characteristic scope and detail what the cities of London, Paris, Brussels, Hamburg, Vienna, Rome, Warsaw, Moscow, Jerusalem, Bierut, Amman and Tokyo are like, giving an estimate of their bean, bulk, sights, problems, mood, tempo, color and distinctions, as well as dealing with the structure of their politics and government and as always, with the men who run things.

FROM THEN TIL NOW,

HISTORY OF McCUTCHANVILLE by Kenneth P. McCutchan. This is the story of McCutchanville, Ind. which is a small community near Evansville.

COURT NEWS

A 16-year old Akron boy, who was placed in juvenile detention at the Fulton county jail, Monday by Judge Wendell C. Tombaugh, for refusing to reside at home, was placed in the custody of his mother and step-father in Fulton juvenile court Wednesday.

Larry K. Besson, R. 5, Warsaw, has been granted a divorce from Constance M. Besson and was awarded custody of two minor children. They married Mar. 12, 1965 and separated Aug. 13, 1969.

Omega Mission Group Meets

Mrs. Beulah Pratt was hostess to the Omega Mission Society recently. The meeting was in charge of the president, Fern Bowen, and opened with the song, "He's The Lilly of the Valley."

Mrs. Gloria Bowen offered prayer and Miss Goldie Burns gave devotions.

The next meeting will

be the Christmas meeting. The dismissal prayer was given by Fern Bowen. The hostess served refreshments in keeping with Thanksgiving. A box of Christmas gifts was packed for the Southland Mission Field.

Impala's hidden persuaders:

① 350-cu.-in. engine

A new more powerful standard 250-hp V8 makes the 1970 Impala move with all the more assurance. On good ol' regular gas.

⑤ Inner fenders

Up inside every fender is another fender to protect against slush and mud and help keep your Impala looking young.

② Anti-theft column lock

A locking system is built right into the steering column. When you take your key with you, you lock not only your ignition but your steering wheel as well.

⑥ Flush and dry

We build the car so that rain and wash water can run down through the inside of the rocker panels, then out. Air follows to do the drying.

③ Aluminized exhaust system

It simply means that your original muffler, tailpipe and exhaust are going to last longer than you'd probably expect them to.

Fair enough?

⑦ Full Coil suspension

Huge coil springs at all four wheels are four big reasons why a Chevrolet Impala rides smoother and quieter than a low-priced car has any right to.

④ Side guard beams

They look like highway guard rails, and they're built into both sides of the car for extra protection in case of impact. Not too many cars have them.

On the move.

Woman's Club Hears Drug Lesson

"Facts About Drugs" was the topic of the lesson presented to the Akron Woman's Club by Mr. and Mrs. Wayne Heisler, Rochester. The meeting, held Thursday in the Akron library basement, was conducted by the president, Mrs. Beecher Weida.

Discussion was held concerning the purchase of trash containers for the downtown area and other projects that could benefit the town.

It was announced that the next meeting would be a smorgasbord dinner at Teel's restaurant in Mentone on December 1. This will be an evening

meeting.

Hostesses for the day were Mrs. Roger Dardorff, Miss Bernice Bowen, Mrs. Orville Ellis and Mrs. J.D. Thomason.

Sorority Honors Founders' Day

Psi Kappa Chapter of Akron's Kappa Delta Phi sorority honored founder's day with a program and dinner at the Steer Inn on November 4.

Mrs. Lyle Harris, Mrs. Tom Holloway and Mrs. Lyle Butt were in charge of the special program.

The president, Mrs. Richard Day, read the sorority history and also conducted a short business meeting. Plans were discussed for the regional convention for which the Akron chapter will be hostess in the spring.

Members present were Mesdames Tom Holloway, James Henderson, Lyle Harris, Lyle Butt, Gil Jenkins, Ross Burdge, Harold Gearhart, Terry Walgamuth, Mike Stephen, Larry Straley, Jerry Finney, Jack Sausaman, Richard Day, Charles Miller, Al Jennens and George Stephen.

Wedding-bells are ringing

Finkenbinder-Sellers Vows Said

Vases of white mums and candelabra graced the altar of the Redeemer Lutheran Church for the recent wedding of Miss Victoria Finkenbinder and Roger Sellers. Rev. B.G. Mueller, pastor of the church, officiated at the double-ring ceremony. Wedding music was provided by Mrs. Norman Cripe. Parents of the couple are Mr. and Mrs. Leslie Sellers, Silver Lake, and Mr. and Mrs. Edson Finkenbinder, Warsaw. The maid of honor was Miss Nicolette Finkenbinder, and bridesmaids were Misses Terry Doyle and Pamela Bell. Michael Metzger, Silver Lake was the best man. Other gentlemen attendants were Robert Sellers of Silver Lake, Dan Gladieux, Leesburg, Kim Finkenbinder, Warsaw, Ronnie Sellers and Rex Sellers, ring bearer, of Silver Lake. A reception in the church social room followed the ceremony. Servers were Miss Marilyn Sellers, Silver Lake, Miss Kathy Carey, Miss Judy LaRue and Mrs. Murlin Becker, all of Warsaw. Miss Marsha Sisk, Warsaw, was in charge of the guest book. Mr. and Mrs. Sellers are graduates of Warsaw Community High School. They will reside in Silver Lake where the bridegroom is employed at Kerlin Motors.

Club Hears Training School Program

The Las Donas Jr. Women's Club recently met at the home of Mrs. Larry Straley.

Scott Savage, director of the Manitou Training Center, presented a program that included slides of the school and recorded classroom activities. Some of the members made plans to visit the school and investigate the possibility of purchasing equipment for the school.

It was also decided that the club would buy canteen books, donate stamped Christmas cards and make surgical socks for the veterans' hospitals throughout Indiana.

Members present were Mesdames Dean Rager, John McKee, Marvin Gagnon, David Wallon, Fred Ogle, John Zimmerman, Denny Thompson, Jerry Bickel, Dean Baker, Charles Miller, and the hostess.

ALLEN-ZILE VOWS SAID—Miss Deborah Ann Allen became the bride of Phillip Alan Zile recently in a double-ring ceremony officiated at by Rev. Richard Bunnell in the Faith United Methodist Church at Silver Lake. The chancel was decorated with palms, vases of aqua gladioli and white daisy pom-pom mums and candelabra, with lilies-of-the-valley and fern. Nuptial music was provided by Mrs. Larry Stover, organist, and Mrs. Bill Summe, soloist. Parents of the couple are Mr. and Mrs. Chester Allen, Sr., R. 2, Claypool, and Mr. and Mrs. Lowell Zile, Silver Lake. The maid of honor was Miss Judy Shoemaker, Warsaw. The flower girl was Miss Teresa Jo Patrick. Bridesmaids were Mrs. Lynn Parker, Mrs. Terry Parker, both of Silver Lake, and Miss Kristeen Johnson, Warsaw. Best man was Dan Zile, Wentzville, Mo. and Rocky Joe Parker, nephew of the bride, was the ring bearer. Other gentlemen attendants were Steven Hepler, Terry Parker, Ed Zile and Chester Allen, Jr. A reception for 150 guests was held in the social room of the church with guests being registered by Mrs. Dan Zile of Wentzville, Mo. Misses Debby Zile, Silver Lake, Marsha Miller and Jane Becker, both of Warsaw, were in charge of the gifts. Assisting with the serving were the Misses Jackie Ault, Marsha Grubbs and Jo Lynn Zolman, all of Claypool. Both Mr. and Mrs. Zile are graduates of Warsaw Community High School. Mr. Zile is an employee of the United Telephone Co., Warsaw. Since their return from a wedding trip to Tennessee and the Smokey Mountains, the couple has established a home at R. 1, Silver Lake.

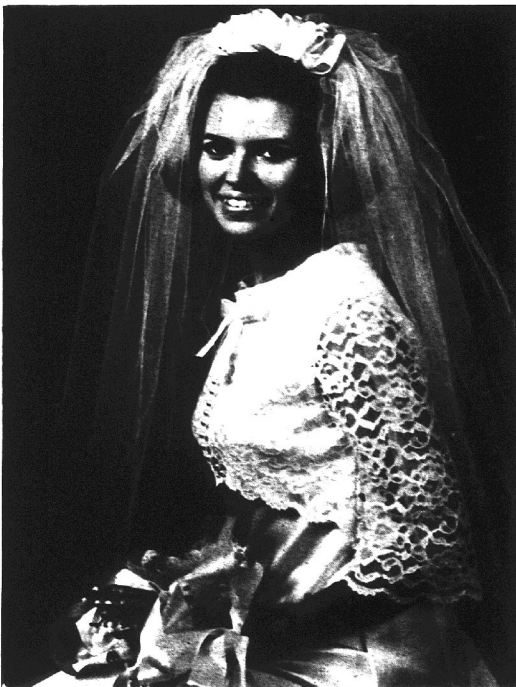

Trudy Etherton Attacks Hartke's "Vascillation"

Mrs. Trudy Slaby Etherton, state auditor, was the guest speaker at the Thursday evening meeting of the Fulton County Federation of Republican Women. Attacking U.S. Senator Vance Hartke for his "vascillating" support of the U.S. effort in Vietnam, she told the 75 members and guests that Hartke has "changed his position on Vietnam so often that it is doubtful tonight if he can remember where he stands."

Referring to him as Hanoi Hartke, Mrs. Etherton charged "Hartke has now joined the ranks of the SDS and other militants who would have us surrender unconditionally to the Communists and effect an immediate and total pullout of our forces."

Mrs. Etherton was introduced at the meeting by Mrs. Harry Tomlinson of Rochester, who had been the speaker's third grade teacher at Mishawaka. Mrs. Etherton, a former So. Bend resident now living in Indianapolis, was accompanied by her husband, WNDU sport director Bill Etherton.

A report of the local organization's recent Eisenhower medalion sale was made and it was noted that the county federation has been asked to head the state drive.

LOVE-MURPHY VOWS ENCHANGED—Miss Cathy Jo Love became the bride of Bill Murphy in a candlelight ceremony October 11 at the home of Mrs. Helen Irelan. Rev. Claude Fawns officiated at the double-ring ceremony before a fireplace flanked with baskets of pink and white mums. Attending the couple were Miss Kay Meredith and Philip Gray, both of Akron. A reception in the basement of the Irelan home followed the ceremony. Serving were Mrs. Max Helvey, Mrs. Bob Troyer, and Mrs. J. R. Loer. The bride is the daughter of Mr. and Mrs. Charles D. Love, Akron, and the bridegroom is the son of Mr. and Mrs. James Murphy, also of Akron. The couple resides at R. 2, Akron.

Akron People In Cast of My Fair Lady

Several Akron area residents are included in the 33-member cast of "My Fair Lady," the Lerner and Loewe musical that will be presented this week-end by the Fulton County Players.

Miss Marna Stephen is a member of the 20-person singing and dancing chorus and Mrs. Pat Parker is choral director for the show and also plays piano in the 21-piece orchestra that will accompany the actors. Mrs. Nancy Luckenbill designed the sets

for the production.

The show, to be presented at 8 p.m. Thursday, Friday and Saturday nights at the Rochester high school auditorium, opens the Players' fifth season of civic theatre. Lead roles of Eliza and Henry Higgins will be taken by Miss Rebecca McMurtney and Jack Overmyer, respectively.

Tickets are available at the Local Finance office in Rochester or may be purchased at the door.

School board to study "One-school" plans

Members of the Tippecanoe Valley school board met Monday night in a three-hour session to discuss a variety of topics that included:

- * Routine business and a financial report by Superintendent Robert Forbes.

- * A plea by a member of the audience, Albert Orcutt, that the majority be heard on the question of one school or two schools and that less attention be given the minority.

- * A report that the Beaver Dam school still has not been torn down, although the year's deadline has now passed. Forbes was instructed to seek legal advice on the matter.

- * Discussion of bus specifications and authorization of advertisements for one to three buses.

- * Approving the sale of the Mentone building trades house to Francis and Mary Kehoe for \$24,973.60.

- * A motion to have the playground equipment at Mentone renovated and made safe.

- * Adoption of negotiation policies to be used in future teacher negotiations. The board determined that the negotiations would be conducted by themselves on the matters of salary and fringe benefits. Matters of class sizes and assignments will be conducted by the superintendent. The teachers will be given contracts as soon after April as

possible and are to have a week in which to return them. A teacher not returning a contract within 30 days will be considered to have resigned.

* A discussion of a building program for the corporation that included a prepared statement by board president Ralph Davis in which he said, Richard Goshert had overstepped his duties in preparing an article for last week's NEWS in which he called for one school or nothing. Goshert then read his own prepared statement on the subject in which he said he would favor the construction of two high schools and following the referendum but that it had been shown this would not be approved. He said it was time to get to work and that the lawsuit currently pending is a waste of time. He further moved that the superintendent be instructed to present

the school board at his earliest convenience any one-school plans together with cost estimates, estimated completion dates and the order of his preference for the board's consideration. After some discussion, the motion carried 3-2, Davis and VanGilder voting against it.

Dr. VanGilder reiterated his previous position that "our product" is good. He said no "galloping" requirements to build a building of any sort existed. He also suggested that a change of students could accomplish the job without needing approval.

* Permission was given the Burket Cheerios 4-H club to use a bus at least four times to travel to the Rock Lake Rollerade.

* The board went into executive session at the conclusion of the regular meeting, which was attended by fourteen spectators.

Julie Harshman, Connie Rans, Pat Hoffman, the third place winners in the singles and doubles contests.

Akron Girls Win Badminton Honors

Deanna Saner, Akron High School junior, won the trophy and a first place ribbon in the GAA District II badminton tourney held Saturday at Plymouth. This was the third year she was entered the tourney. She topped entrants from 9 other schools to become singles champion.

Patty Hoffman, a junior, placed third and received a white ribbon in the singles tourney. Connie Rans and Julie Harshman, juniors, were third in the doubles contest and also received white ribbons.

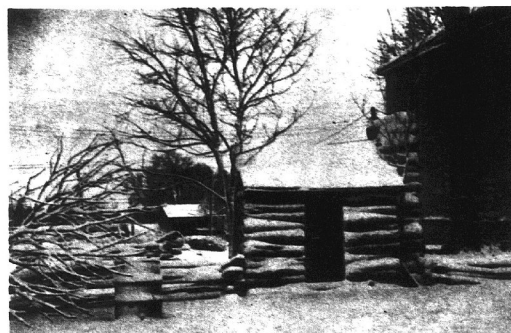

The same girls will play on Nov. 22 in the state badminton tourney at Plymouth. Janet Sheetz and Lu Walters will also participate.

Wednesday's heavy wet snow that blanketed the area in a gleaming array of white appears to have frosted the log cabin replica that will be used for the Mentone United Methodist Church's annual Thanksgiving service.

Union Thanksgiving Services Set

A Union Thanksgiving Service will be held at the Akron Church of God on Thanksgiving Day from 9:30 a.m. to 10:30 a.m. Rev. Wayne Johnson, pastor of the Athens United Methodist Church will bring the message. Other area pastors will be participating in the service, and special music will be furnished by the Church of God.

The residents of the entire community are

invited to attend this service.

Early Deadline For Next Week's News

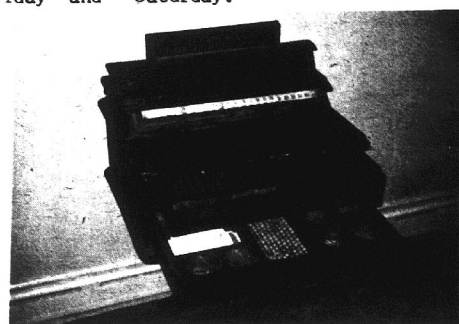

An early deadline for all news and advertising will be in effect for next week's issue of the NEWS. Since Thanksgiving falls on the usual press day, the paper will be printed Wednesday evening. Therefore, Monday will be the deadline for news and advertising.

Turkey Day Week-end Set In Akron

The annual "Turkey Day" week-end is again planned by Akron merchants as their way of showing their appreciation to their customers. The event will be held Friday and Saturday.

Coupons for the drawing may be found in this week's NEWS and may be deposited in special boxes at any of the participating merchants.

OLDEST DRUGSTORE CASH REGISTER? When Mr. and Mrs. Glen Denton, Mentone, purchased their drugstore 25 years ago today from C. W. Shaffer they found the old cash register pictured above. The unusual cash register is wooden and has two drawers that opened toward the clerk's side of the counter. One of these was a cash drawer that rang a bell when it was opened. The other drawer had a row of six compartments, one for each denomination of American coins and one for dollars. On the top was a row of six holes, each connected to one of the compartments in the drawer below. A box of marbles was kept close by but out of reach of the customers. When a sale was made, the correct number of marbles was dropped in the proper holes. A 90¢ sale would be "rung up" by dropping one marble each in the 50¢, 25¢, 10¢ and 5¢ holes and placing the 90¢ in the cash drawer. At the end of the day it was necessary to count the marbles in each compartment, multiply the coin amount and add for the total of the day's business."

We Get Letters

Dear Editor:

One taxpayer summed up the current situation plainly when he said the taxpayer hasn't paid enough attention to how his money was spent until now when it begins to hurt, but he is going to pay attention from now on. No quicker or surer way to waste the taxpayers' money than by a lawsuit. Poor management, lack of cooperation, no concerted plan of procedure. That's my humble opinion of this ridiculous feud. And no school in the near future.

I am sure people enjoy the news, however, forcing the commentators interpretation of news events is a brainwash. I feel I am perfectly able to interpret the news and not have words put in my mouth. As Mr. Agnew said, they can make or break you. I have seen it happen. Respectfully,
W.E. Fowler

60 YEARS AGO

The South Side meat market was again sold Wednesday of this week and Jesse Bright sent a surprise down the pike that he had bought out Trustee Whitcomb's meat market. Charley Hoover passes over in the bargain as part of the fixtures and will remain as chief cutter and general superintendent.

The Misses Dessie Bright and Mary Haldeman perpetrated a neat surprise on their land lady Mrs. J. H. Grindle, last Wednesday evening. These young ladies live and board with Mrs. Grindle and have for several years. They think and know she is the best lady in the land and the event of the evening was evidence of their esteem. Accordingly, they took their hostess to the Akron House where a special supper was served. On their return games were played and refreshments were served and at a late hour the guests departed, leaving the host feeling that her 43rd birthday was handsomely marked by a very happy event that she will cherish for many years.

A mad dog panic occurred on the crowded streets of Logansport last Saturday when two dozen yelping, howling curs came down the street in chase after one, poor little frightened fox terrier. The excitement was all explained when it was learned that the fugitive had a necklace of sausages about his neck.

The home of Mr. and Mrs. Geo. Holly was the scene of a very pretty but quiet social event last Tuesday evening. Mrs. Holly was fifty years of age, and her sister, Mrs. Ellen Graham, planned and executed a very neat surprise that worked like a charm on the hostess. A big supper was served that made glad gizzards puff up and everyone felt happy. Among the thirty-one who took supper were the Wade brothers, Lew and George, and their families, brothers of Mrs. Wade Abner and Sylvester Churchill and their families and others whose names we did not get.

40 YEARS AGO

Monday, Jack Morris purchased a sale at North Manchester, the grandstand from the fair grounds. He states that he intends to wreck the old structure and use the lumber for a straw shed on his farm north of town. Mr. Morris also purchased the north wing of the floral hall.

Peter F. Scheur, a farmer living in the western part of Fulton County killed a large wolf which weighed 60 pounds and appeared to be about seven pounds old. The head and pelt of the animal were taken to Hugh McMahan, county auditor, and a bounty of \$20 was paid.

Mr. and Mrs. George Baum and daughter Elizabeth and Mr. and Mrs. Garland Kline and Mary Schaefer spent Sunday in Fort Wayne.

25 YEARS AGO

Pfc. Allen A. Woolley, son of Mr. and Mrs. Robert Woolley, of route 1, Akron, has been transferred from Camp Atterbury, Indiana to North Camp Hood, Texas.

Mr. and Mrs. Ernest Lantz have received word that their son, Cpl. Frederick Lantz, has arrived at the Ohuo Island, an island in Hawaii. Mrs. Hugh Wildermuth has received an invitation to spend three days in Chicago as a guest of Prairie Farmer.

Among those who attended the Sonja Henie Ice Revue at Indianapolis this week were Mr. and Mrs. Willis Leininger, Mr. and Mrs. Ralph Leininger, Mr. and Mrs. Charles Moyer and Donnie and Mr. and Mrs. Charles Irelan and Nancy.

Mrs. Harold Crum visited the Irvin Swygert home Thursday afternoon.

Mr. and Mrs. Harrison Perry of Warsaw and Mr. and Mrs. Ernest Smith visited over the week-end in Charleston, West Virginia with Mrs. Perry's son and daughter-in-law, Mr. and Mrs. Bud Landis.

Mr. and Mrs. Frank Swartzlander and Ruth were Thanksgiving dinner guests of Mr. and Mrs. Glen Hatfield.

Mr. and Mrs. Glen Denton have purchased the Mentone drugstore that had been formerly operated by C. W. Shafer.

10 YEARS AGO

Leroy D. Reed of So. Bend, a native of Akron, was re-elected president of the United Church Men of Indiana at their annual meeting held recently at Turkey Run State Park.

Mr. and Mrs. Stuart Thompson are the parents of a son, Carl Ray, born Nov. 5. Mr. and Mrs. Harold Conner are the parents of a daughter, Judith Marie.

Mrs. Don Adams was the guest of honor at a surprise shower given by her Kappa Delta Phi sorority sisters in the home of Mrs. Harold Groninger.

Mr. and Mrs. Walter Carpenter, R. 1, Akron, left this week via Montreal, Canada for a trip to Europe.

making use of things you already have around the house enhances the fun of decorating for the holidays. *Take high intensity lamps.* They make tiny spotlights for miniature Christmas scenes. The basket of fake fruit on the buffet becomes festive when round Christmas lights and plastic holly are woven in.

a bare tree branch and a coffee can even have promising futures at this time of year. Paint the branch white, pot it in a tub of plaster of paris. String it with miniature outdoor lights and presto! a sparkling way to greet visitors at the front door. *The coffee can becomes a hanging lantern when holes are punched in the sides. Spray paint it and slip it over an electric bulb on a long cord threaded through a hole in the top of the can.*

survey your electric outlets to see how they best can serve you in decorating. **Those by doorways make it possible to hang swags of miniature lights and plastic holly above the doors.** An outlet outside the patio door—the one you use for the electric spit in the summer—could be used for a spotlight trained on a lighted, decorated bare tree. Low-voltage colored spotlights are safe, easy to install.

Our new farm gasoline goes on working when you're not.

There's more to our new farm gasoline than quick warmups, dependable power and fuel economy. It now contains G-GUARD, to protect carburetors and fuel tanks from gum and varnish that form in gasoline . . . for up to one full year. So effective is G-GUARD, that Standard Oil supplies this very same additive to makers of farm equipment for the initial gasoline fill of new equipment—to prevent gummy deposits and help assure easy starts even after long storage and transit. And now G-GUARD is available to you . . . to help give you quick-starting engines after long seasonal layoffs. Get it in new AMERICAN Regular Gasoline . . . only from your Standard Oil Farm Man . . . at no extra cost. G-GUARD—another quality reason to farm with Standard.

You expect more from Standard and you get it!

Christmas Mail Plans Need Completing

Don't take a chance on disappointing someone you love, send your gift parcels and cards early enough to insure their delivery before Christmas, not after, is the word from the Post Office Department.

On the day after Christmas, a post office building can be the most depressing place in the world if it still contains a mountain of messages of love and cheer that didn't make it because they were mailed too late, postal officials said, noting that such disappointments can be avoided if Christmas mailers will observe the following mailing schedule:

Gift parcels going to Alaska and Hawaii should be mailed by December 1, distant states by Dec. 6, nearby states by Dec. 15 and local by Dec. 23.

The name and address of both the sender and addressee should be enclosed in each gift parcel to permit identity in case of damage or loss of the outside address label. The outside label should be placed on only one side of each parcel.

Greeting cards going to distant states should be mailed not later than Dec. 10. Cards going to nearby areas should be in the mail by Dec. 15 and local cards by Dec. 23.

The importance of using ZIP codes and adding a return address to all

Christmas mail is emphasized. It only takes a couple extra seconds, but it pays big dividends, the officials say.

ZIP Codes enable postal employees to sort and handle the mail faster. A return address insures that mail that can't be delivered because of an illegible or incomplete mailing address will be returned to the sender.

A return address might not seem very important but last year over 32 billion pieces of mail went to postal dead letter branches because the mailing address couldn't be read and there was no return address on the envelope. If you estimate the worth of each of these pieces at twenty five-cents, including postage, they remind, postal customer lost over \$7.5 million last year to dead letter offices. And none of this would have happened if the envelopes had contained a return address.

OMEGA COMMUNITY CLUB

Open House Set At Mentone Bldg.

Open House will be held Sunday, December 7, at the new pavilion at the Mentone Youth League park, according to Jerry Secrist, president.

Secrist said a complete program will be listed in next week's NEWS.

He also noted that the boys would sell Christmas trees this year, in place of Kenneth Shoemaker.

Secrist said games of all kinds are needed for the pavilion. He said it doesn't matter if they are used or not, as long as all of the pieces are there. Anyone desiring to donate games may do so by contacting either Secrist or a member of the board.

Akron Water Bills Overdue

Akron clerk-treasurer Merrill Kendall reminds Akron water users that their bills are now past due and that if they are not made current, the water will be shut off to those persons not paying.

Open House Set At Talma School

An "Opportunity For Patrons" night will be held Wednesday, December 3, at Talma Junior High School.

No formal program has been planned, but the school will be open from 7:00 to 8:30 p.m. to give patrons of the school an opportunity to meet with their children's teachers.

Parents are encouraged to take advantage of this opportunity to visit their child's school.

To Attend 4-H Congress

Sharon Harrold, R. 2, Akron, is one of 45 outstanding Hoosier 4-H Club youth who will represent Indiana's numerous club at the National 4-H Congress in Chicago, Nov. 29 - Dec. 4.

The event annually concludes 4-H activities throughout the U. S. for the year.

Delegates will attend a variety of programs, hear nationally recognized speakers, conduct business meetings, join discussions, enjoy banquet and entertainment features and tour points of interest in Chicago.

Indiana's delegates will meet for a banquet in the Purdue University Memorial Union Nov. 28 before leaving by bus for Chicago Nov. 29.

Christmas Dance Set At Mentone

A formal Christmas dance for all Akron and Mentone high school students in grades 9 to 12 and their dates will be held Saturday, December 13, in the Mentone gym from 8 to 11 p.m.

Theme of the dance will be "Fantasy in Frost." All proceeds will go to the Riley Children's Hospital in Indianapolis. A live band will provide music.

Turkey Winners Listed

Winners of the turkeys given in last week's Turkey Day Special by various Akron merchants were: Marge Sausaman, Akron, Day Hardware; Donnie Meredith, R., Claypool, Lowman's Corner; Viola Calvert, Akron, Waechter's Barber Shop; John Zimmerman, Akron,

Our Readers Write

Dear Editor:

So far I have been one of the "almost" silent majority in regard to the school situation. I came to the Akron community fifty one years ago and have lived here ever since. I am glad to have lived back when we lived in a Democracy and the will of the majority was respected. Somewhere along the line we seem to have lost this blessing.

I wish to congratulate those members of the school board who have tried to carry out the will of the majority in spite of criticism and opposition of those who evidently do not believe in Democracy as applied to Majority vote.

I get a little perturbed with those who term the present law suit a waste of money. Have we gotten to a place in our society where money spent in the cause of justice is wasted?

Just because we have placed a tyrant in the high position of Superintendent of Public Instruction who wishes to push his weight around rather than listen to a majority of the people who placed him in office and who are paying the taxes to support the schools, should we meekly accept his arbitrary decision without a fight?

Start Your Own Saloon

If you can't refrain from drinking, start a saloon at home. Be the only customer and you won't have to buy a license.

Just give your wife \$12 for one gallon of whiskey. There are 128 snorts in a gallon. Buy your drinks from your wife at 40 cents per and in four days when the gallon is gone, she will have \$39.20 in the bank and \$12 to start business again.

If you live ten years and continue to buy booze from your wife and then die with snakes in your boots, your wife will have \$35,750.40 in the bank. This is enough for her to bury you decently, buy a house, bring up the children, marry a decent man, and forget she ever knew you.

Dear Friends:

"Shop Early," the program which annually provides holiday gift-filled bags for each American serviceman or woman in South Vietnam, has once again been completed by the Kosciusko Co. Red Cross Chapter and friends.

Again this year, other community service organizations, religious groups, business firms, and individuals have joined in helping to collect the items needed to fill the bright colored drawstring bags which were made by local volunteers.

The Red Cross Shop Early Project is just one way Americans have shown that they care about our young men and women serving in South Vietnam.

On September 19, 1969, the local quota of 300 (plus an additional 30)

bags were shipped to American Red Cross Field Director, Box 1, Hoi An, APO San Francisco 96349.

Items included in the kit were: a pen-size flashlight and batteries, polished metal mirror, unbreakable comb, puzzle, game or deck of playing cards, fruit drink mix, chewing gum, soap and washcloth, ball point pen, wash and dri packets, nail clippers, and a greeting card.

This is a nation-wide program in which 1,600 communities throughout the United States participate. We are proud to have done our part.

Thank you again for your continued interest and your generous help in making this program a success.

Sincerely,
Mrs. R.P. (Geneva) Gast

Guaranteed Income . . .

Guaranteed income is in complete opposition to the principles on which our country was founded.

When our forefathers came to this country they were guaranteed only one thing: good hard work.

They accepted this challenge, making our country the greatest in the world.

Today, many of our "intellectuals" and politicians rationalize guaranteed income, promising it would perfect our country, transforming it into their conception of paradise.

In reality, they are suggesting the severe loss of one of our most important rights as men — initiative.

How many men, living in underprivileged conditions, would strive to earn \$5,000 a year when they would receive \$4000 with no effort on their own?

Why would a self-supporting man work to the best of his ability, only to be condemned to sharing conditions with neighbors dependent upon society and claiming rights to the hard-earned money of others?

Our country should not accommodate supporting men who lack the desire to work; and neither should we take actions which would destroy this desire. —Dick Meiner-shagen, Eagle Mill & Elevator Co., Higginsville, Mo.

A GI's Protest

Take a man then leave him alone,
Then put him 12,000 miles away from home.
Then you empty his heart of blood
And make him live in sweat and mud
This is the life I have to live
And why my soul to the Lord I leave
You "peace boys" rant from your easy chairs
But you don't know what it's like over here.
You have a ball without near trying
While over here our boys are dying.
You burn your draft cards and march at dawn,
And you leave your signs on the White House lawn,
And all you want is to Ban the Bomb
There is no war, you say, in Vietnam!
You use your drugs and have your fun
And then refuse to lift a gun.
There's nothing else for you to do
And I'm supposed to die for you?
I'll remember you until the day I die
Cause you made me hear my buddy cry
I saw his arm a bloody shred,
I heard them say, "This one's dead!"
It's quite a price he had to pay
For you to live another day!
He had the guts to fight and die
He paid the price. What did he buy?
He bought your life by losing his!
But who gives a damn what a soldier gives!

ODDS and ENDS

by Ann Sheets

D.D.T. has spelled the ruination of many an insect, and, as Rachel Carlson warned, the ruination of many of our other forms of life. Before we knew how dangerous it was, we said it stood for "Drop Dead Twice." Now that we are older and hopefully a little wiser, that pun isn't as funny. In fact, thinking it over seriously last week I decided to rename it Discipline, Dedication and Tenacity.

You will never read my noble thoughts. Even while mulling them over, a few problems arose. Discipline came first. Doug refused to get ready for bed. I smacked him. He refused again. I smacked him again, promising a smack for each refusal. He cried, "You hit me and I'll hit you back." I smacked him twice. Then I thought, what good is this kind of discipline if all it amounts to is seeing if I can hit him before he hits me. I hugged him, helped him with his pajamas and put him to bed with a kiss. He repaid me by sneaking out of bed, hugging me tightly, giving me a soggy kiss and saying, "I want to marry you when I get big."

So much for his discipline. I'll discipline myself. The best way to start a day is to get up early and get everything you don't want to do done fast so there is time to do what you do want to do. Good idea. When I awoke the next morning I couldn't remember what I planned to do, good or bad. Better discipline self with list. Lost list.

So much for discipline, period. Try dedication. Dedication to what is right in the world, ah what a good motto. Wore red, white and blue on Veteran's Day. Very dedicated to country. Everyone else wondered

what I was up to. Now looking for new dedication.

So much for dedication, we'll change it to determination. If at first you don't succeed, try, try again. I was home. Loren was in Mentone. Tried to call him fifteen times. Our line busy, Mentone line busy, wrong number, Mentone line busy. Called long distance. He had already left and had done what I wanted without being told.

So much for determination. Try tenacity. I'm still trying it. It comes under the head of D.D.T. again—Do your Doggonedest to Try, to try to do right whatever your're trying. If that doesn't work, I'll probably say Drop Dead Twice to the whole idea even though it was once the best idea since DDT.

What Stage Are We In?

According to Wyoming Senator Wilward Simpson, the average life of great civilizations of the world has been about 200 years. They have progressed through the following sequences:

- ...from bondage to spiritual faith,
- ...from spiritual faith to courage
- ...from courage to liberty,
- ...from liberty to abundance
- ...from abundance to selfishness,
- ...from selfishness to complacency,
- ...from complacency to apathy,
- ...from apathy back to bondage.

Senator Simpson points out that the United States will be 200 years old in 12 years and asks which of the above we are in.

Out of town buying can be met only by good roads, right prices, intelligent advertising and a square deal.

Mr. John A. Sheets who owns and lives with his family on the old Barnes farm northwest of town, came in Tuesday to leave us a wheel, fearing in the largeness of his heart that we might need the money to pay on a Thanksgiving turkey. He was exactly right as the moon is getting light.

Our C&E Railway management has been experimenting with gasoline cars. It ultimately, will put them on branches of the road where it does not pay to run heavy trains in the passenger service. The plan of service will not interfere with the steam service already established, and the best of it is, the experiment now points to success. It is in operation now on two branches of the Erie system. Akron would hail the car on this branch, and we dare say would meet the first car with the brass band and maybe the orchestra, too. Let them try us once and see our barrel of joy that we would put on tap.

Happiness Is

Thankfulness for this great land,

Our neighbors, far and near,

Our homes protected day and night,

Our loved ones we hold so dear,

Much was sacrificed to make it so,

Let's all appreciate it more,

The mountains, valleys and flowers and trees,

And then remember who gave us all these.

Isn't it time
you had an
ELECTRIC washer
and dryer?

Forget old-fashioned laundry problems forever. Wash rain or shine with a flameless safe, all-electric laundry. Toss a load of clothes into your automatic washer, turn a dial and your work is done. Move the clothes to your electric dryer, set the automatic timer and your clothes will toss and tumble until they are sunshine fresh and fluffy dry. Your rural electricity does all the work. Why not install an all-electric laundry in your home?

It's great!

Anthony Nigo D A R To Write N.A.S.A.

All chapter members were asked to write to N.A.S.A., c/o Family Radio Broadcasting Co., San Francisco, Calif. 94134, stating that they are in support of the Scriptures being used by the Astronauts in the space program.

Mrs. Linn was then invited to present the program for the evening which consisted of colored slides and narration of a trip she took to several mountain schools that are either owned or assisted by the National Society Daughters of the American Revolution.

The hostess was assisted by the co-hostesses, Mrs. Ferd Koenig and Mrs. Thomas Fugate, in keeping with the Thanksgiving season.

The November meeting of the Anthony Nigo Chapter, DAR, was held in the home of Mrs. John Frederick in Mentone. The chapter opened in regular form.

The regent, Mrs. Chas. Tucker, read a poem honoring the War Veterans and also told of participating in a program, along with other organizations, in honor of the war veterans that was planned by Mentone principal Ernest Holcs-law. The chaplain read a Thanksgiving poem.

A memorial service was held for Mrs. Orpha Blue. The chapter budget for the coming year was discussed and approved.

It was announced that Mrs. Ray Linn had been elected to serve as the DAR corresponding secretary for the State Officers Club.

Mrs. Wayne Smalley presented a ten minute pro-

gram of information in regard to national defense.

Beaver Dam Club Is Hosted

The Beaver Dam Home Extension Club met Wednesday evening at the home of Mrs. Faye Smith. The meeting was opened by the president, Mrs. Willis Bowen.

The song of the month was led by Mrs. Winnifred Summe. Mrs. Elmer Dickey gave the meditation by reading a poem and verses from Psalms.

The health and safety lesson was given by Mrs. Clara Yeaman and garden remarks were by Mrs. Dow Landis. Mrs. Frank Hudson gave the lesson on decorating the home for entertainment.

The constitution was read by Mrs. Summe, and it was noted there was a change in meeting from the last Wednesday to the second Wednesday of the month. A Christmas box was sent to Terry Huffer and one will be sent to Tommy Tucker.

The next meeting will be a Christmas dinner at Teel's Restaurant in Mentone, at 6:30 p.m. December 22.

Mrs. Waldo Adams was named health and safety leader for the new year. Mrs. Yeaman will be reporter and Mrs. Landis will give garden hints.

The meeting closed by giving the club collect and the prayer song.

During the gift auction and birthday gift exchange, Mesdames Ralph Tucker, Ed Creakbaum, Bonnie Whittenberger, Dow Landis, Winnie Summe and Pat Wagoner were the lucky members.

To Receive Special Award

Garwin Eaton, R. 5, Warsaw, has been named to receive a special award for his excellence in corn growing.

Announced by Clarence Tinkey, representing the producers of Funk's G-Hybrids, the award is in recognition of Mr. Eaton's production of a 145.0 bushel corn yield. This high yield is being officially entered in the nationwide record books of Project 200, a high-yield corn growing project aimed at increasing corn yields and per-acre profits. Corn growers throughout the U. S. and Canada are participating.

Mr. Eaton's high yield was made with Funk's G-4444, a high-capacity hybrid variety specially suited to this area. He planted the Project 200 field on May 21 in 38" rows. Population at harvest was 20,100 plants to the acre.

Mr. Eaton applied 106 pounds of nitrogen, 112 pounds of phosphate and 108 pounds of potash to the acre. An herbicide was used.

Mr. Eaton harvested his Project 200 yield on Nov. 2. At this time, the grain had reached 24.8% moisture.

Under the national Project 200 rules, a minimum of two acres must be harvested, with normal field shelling equipment. All yields are calculated to the basis of #2 corn. The information gained from thousands of Project 200 high-yield corn projects will be assembled and analyzed. The resulting information on successful management practices will be shared with all corn growers.

Bank Robber Found Guilty

A federal court jury Friday convicted George Edward Blue, 40, Boonville, and acquitted a companion, Teddy Roosevelt Love, 26, Ft. Wayne, of the \$4,037 robbery of the Atwood branch of the Etna Bank on Nov. 26, 1968. A third person involved in the Atwood holdup, Mrs. Mary Ann Mowat Davis, 24, Ft. Wayne, pleaded guilty to a charge of complicity last May and was sentenced in the South Bend federal court to a split term of six months in prison and four and one-half years of strict probation.

Manitou DAR Has Genealogy Program

About 40 members and guests of Manitou Chapter DAR met recently at the Kountry Kitchen. A dessert was served in the dining room by Mrs. Marion Chizum, Mrs. Mable Gaumer, Mrs. James Wilson, Mrs. Marguerite Coplen, Mrs. Scott Bowen and Mrs. Mary Hardin.

Ritualistic business was pre-empted for the occasion. The regent, Mrs. James Henderson, led the pledge of allegiance.

The President General message was read by Mrs. Ed Shadle.

It was noted that the sale of American flags has doubled since the astronauts' successful flight.

Mrs. Barbara Wolf of Logansport used as her subject Lineal Research which is her hobby. Her instructions to members were: Write down all you

know about yourself. Know the names of your eight great-grand parents. Study quaint family customs, spelling of names, Bible records and library and court records, heraldry and family crests.

She said the Fort Wayne library is an excellent place to find authentic genealogical records.

Mrs. Wolf mentioned that she is a descendant of the first white woman in Cass Co. In her research for authentic ancestors she found a crusader, a wine maker, a vice president, a governor, a bank robber and many other notable and also fallacious characters. She said this is typical of all family histories.

A question and answer period followed.

Mrs. Wolf will start a school of instruction on genealogical research sometime in February. Anyone wishing to attend the classes should notify Mrs. Scott Bowen or Mrs. James Henderson.

The regent asked chapter members to bring gifts for Tamassee school to the home of Mrs. Ethel Snapp. These are to be Christmas wrapped, marked for a boy or a girl, for 1st to 8th graders. The gifts are to be turned in so they can be sent by Dec. 1.

The meeting closed by singing the National Anthem and by repeating the Mizpah pledge.

Fites - Hall Vows Are Said

Donna Fites, daughter of Mrs. Mayne Sleighter of No. Manchester, and Larry Hall, son of Mr. and Mrs. Arthur Hall, of Bourbon, were united in marriage Nov. 15 at a ceremony performed in the Roann Church of the Brethren with Rev. Randy Yoder officiating.

Attendants were Judy Smith, a friend of the bride, and Lowell Hall, brother of the bridegroom.

The couple is at home on R.R. 2, Akron. Mrs. Hall is a junior at Manchester College and the bridegroom is employed at I & M Bulk Equipment in Bourbon.

Kline - Davis Vows Said

Miss Peggy Kline and Dewayne Davis recently exchanged wedding vows at the Church of God parsonage in Warsaw with Rev. Hermon Smith officiating.

Parents of the couple are Mr. and Mrs. Robert Kline, Claypool, and Mr. and Mrs. Harry Davis, Silver Lake.

Attendants were Miss Connie Kline and Robert Haney.

The bride is employed at Heckman Bindery, No. Manchester, and the bridegroom is serving with the U.S. Army in Germany.

GOLDEN WEDDING: the 50th wedding anniversary of Mr. and Mrs. Hurshel Drudge, R.1, Claypool, will be observed Sunday, November 30, from 2 to 5 p.m., at an open house in their home south of Burket. The couple was married November 30, 1919 at Burket by Rev. H.G. Pence and has lived on the same farm the past 50 years. They are the parents of two sons, Lester Drudge, Silver Lake, and Kenneth Drudge, Warsaw. They have four grandchildren and seven great-grandchildren. Their sons and their families will host Sunday's observance and friends and relatives are welcome. Mrs. Drudge is the daughter of the late Mr. and Mrs. Isaac Kern, and Mr. Drudge's parents were Mr. and Mrs. Frank Drudge. The couple asks that gifts be omitted.

Betty Crocker Contest Slated

High school senior girls at Akron and Mentone high schools will join more than 600,000 others in over 15,000 schools throughout the country Tuesday, Dec. 2, in an only-one-of-its-kind examination, the 16th annual Betty Crocker Search for the American Homemaker of Tomorrow.

The girl scoring highest at each of the local schools will receive a specially designed silver charm from General Mills, sponsor of the homemaking education program, and her paper will be entered in competition with those of all other school winners in the state. From this, a state winner, who will be awarded a \$1,500 scholarship, will be selected, as will a state runner-up, who will receive a \$500 educational grant.

Next spring, first-place winners from each of the 50 states and the District of Columbia, accompanied by a school advisor, will gather in Washington, D. C. for an expense-paid educational tour of the city and Colonial Williamsburg, Va. A climax of the tour will be the announcement of the 1970 Betty Crocker All-American Homemaker of Tomorrow and three runners-up. They will receive scholarships.

The examination to be administered Dec. 2 was prepared by Science Research Associates, Chicago educational testing organization that is also responsible for its scoring and the subsequent selection of local, state and national winners. Encyclopaedia Britannica, Inc. presents sets of Encyclopaedia Britannica to schools of state winners.

Take your problems to Church this week — millions leave them there!

THE HOLY BIBLE WAS HER TEXT

The daily life of the Pioneer Woman was a full and busy one. Danger was ever present—and a matter of providing food and clothing, while carving a new home out of the wilderness, was a stupendous problem.

The pioneer woman, however, had time for training her children and the Holy Bible was her text. It was through her influence that a church soon followed the building of a new settlement.

Although faced with tasks each and every day that would swamp the modern woman she had time to go to church and she took her family with her.

She bore and trained sons and daughters who produced a mighty nation. If she could and did find time to take her children to church, it is doubly important that the parents of today do so, that their children may learn to maintain and preserve that heritage gained at such great odds.

National Bible Week Proclaimed

For an increasing number of Americans, Thanksgiving week this year will signal a renewal of interest in the Bible.

Thanksgiving week, from November 23 to 30, has been proclaimed by President Nixon as National Bible Week. This year for the first time the American Bible Society and the Laymen's National Bible Committee are joined by a Roman Catholic agency, the Catholic Biblical Association of America, in sponsoring the observance.

In calling attention to the observance, President Nixon recalled Benjamin Franklin's thought "when he remarked that if no sparrow can fall to the ground without His (God's) notice, no nation can rise from the ground without His help."

The President described the Bible as "unique among books and treasured by men and nations. And the power of the universal truths it holds is appropriately refreshed within our hearts on

this occasion. The past has truly proved that we have much to gain by our devotion to the Scriptures. And the future holds great promise if we heed past lessons well."

Bible Week is an interfaith observance to encourage Bible reading among all who are a part of the Judeo-Christian culture.

Worldwide Bible Reading in the U.S.A. is a program to encourage the reading of the Scriptures from Thanksgiving to Christmas. But more important, Worldwide Bible Reading is designed to introduce people to daily Bible reading.

The American Bible Society has available free bookmarks listing both the selections for National Bible Week and suggested daily passages for the entire month of December, for those who want to be part of the fellowship of Worldwide Bible Reading. For a free bookmark write to American Bible Society, Room 710, 1865 Broadway, New York, N.Y. 10023.

"HOW WOULD YOU LIKE IT IF HE TOOK YOUR CHAIR?"

Accident Report

A car driven by Wayne Arnett, Rochester, and a semi-rig operated by Steven Slaybaugh, Akron, collided recently in Rochester. Damage to the car was estimated at \$150 and to the truck at \$100.

A car driven by Allen Bowman, R. 1, Akron, and a semi-rig operated by Robert F. Dice Jr., Oak Lawn, Ill., collided recently at the Lake 16 curve, three miles west of Akron. Damage to the car was estimated at

\$300 and to the truck at \$50.

Lisa Personette, 7, suffered a facial cut that required stitches to close when a car driven by her mother, Mrs. Carol A. Personett, Akron, slid up an embankment after sliding off the road south of Akron. Damage to the car was set at \$75.

A car driven by Steven Ault, R. 2, Akron, hit a slick spot east of Akron and slid into a fence at the Lloyd Saner residence Sunday morn-

ing. The westbound auto sustained \$350 damage.

Mrs. Bertha J. Huffman, 21, Akron, was treated for shock at Woodlawn Hospital this week after her Volkswagen skidded on snow at the Roy Swick residence early Saturday morning. Damage to her car was set at \$600 and to the truck mailbox at \$35.

A 1963 Ford pickup truck driven by Floyd E. Krieg, 46, R. 1, Akron, skidded on snow on Pine Street in Akron Saturday afternoon and hit a 1965 Corvair being driven by Gregory V. Leininger, 17, Akron. Damage to the car was listed at \$200. The truck was not damaged.

No injuries were reported in a two-car accident at the intersection of SR 19 and County Road 700 So. three miles south of Mentone Saturday afternoon when vehicles operated by Laverne Ladson, 64, R. 1, Mentone, and Jo A. Nelson, 29, R. 1, Claypool, collided. Investigating officers said the Ladson car slid on the snow-covered pavement into the side of the Nelson car. Damage to the Ladson car was set at \$975 and to the Nelson car at \$1,100.

Mrs. Jacqueline Gible, 34, Mentone, and her daughter, Judith, 12, and a passenger in their car, Nancy Ettlinger, 12, Mentone, were treated at Murphy Medical Center Thursday evening for minor injuries sustained in a two-vehicle crash at Palestine. Mrs. Gible said she was passing a truck driven by Robert Nine, 32, Warsaw, and that he made a left turn in front of her. He said he signaled for a turn and did not see the car passing. After the impact the car veered off the road and into a utility pole, snapping it off. Damage to the car was set at \$1,100 and to the pickup at \$495. The utility pole was damaged \$250.

Schaller Gives Alumni Report

Herbert L. Schaller, director of information at Purdue University, reported to the alumni of Kosciusko County at the Purdue Alumni gathering on November 20. The dinner-meeting and concert by the Purdue Varsity Glee Club is in recognition of the centennial year of Purdue.

Mr. Schaller gave a report on the current operations at the university, the changing student attitude and the educational demand of the times. He is a native of Iowa and has served as a newspaper editor, business manager and public relations director and manager of sales and training for the Charles Pfizer Co. before assuming his present position in 1963.

The alumni dinner was held at the high school in Warsaw and the concert followed it.

Group Meets

Nine supervisors and four office personnel attended the November Board meeting of the Kosciusko Co. Soil and Water Conservation District.

A report was given on the District's first newsletter. Acknowledgment was given Production Credit Association, Willard Scheler, Mgr., for sponsoring the first issue of "The Record" which had a mailing list of 650.

The Area II Assn of SWCD's had a meeting recently at Columbia City that was reported by Myron Metzger, Phil Beer, Howard Workman, and Joe Wilson, District Conservationist.

Announcement was made of the State Association meeting that will be at Purdue Dec. 1 and 2. A delegate from the Kosciusko Co. District will attend this meeting.

Plans were initiated for the coming annual conservation speech contest, to be held Jan. 26, 1970. High school sophomores, juniors and seniors are eligible to compete at the county, area and state levels of this contest. It is co-operatively sponsored by the Indiana Farm Bureau, the Hoosier Chapter of the Soil and Water Conservation Society of America and the Indiana Association of Soil and Water Conservation districts.

The board authorized the purchase of a set of slides explaining the uses and advantages gained from a county-wide soil survey. These will be made available to any group in the county that would like to use them.

Charles E. Slone of Clay Twp. was accepted as a new cooperater.

The next meeting will be held December 9 at 7:30 p.m.

DID YOU KNOW?

Don Landis and a representative of Heifer Project, Inc., Marion A. Lehman, Goshen, left on a trip to India last week with a shipment of 103 head of registered Holstein and Jersey cattle. Starting at New Delhi and continuing around the globe, the men were to see Heifer Project labor results in Nepal, Thailand, Saigon, Manila, Hong Kong, So. Korea and Japan.

NEW BOOKS

AKRON CARNEGIE LIBRARY

SO WHO'S AFRAID OF BIRTHDAYS by Anna B. Mow. There are nearly twenty million Americans over the age of sixty-five. Dr. Mow is one of them but at 76 she sees clearly the problems and possibilities for fulfillment in the "crowning years". Echoing Browning, she writes: "Grow old along with me, the best is yet to be." We can turn the old adage around, "As long as there is hope there is life!" Her hope and her aliveness shine from every page.

FLYING FINISH by Dick Francis. This is a most exciting story of horses and plaves, of smuggling and dark, dire plotting, certain to please Dick Francis's many admirers.

SCUTARI by Mladin Zarubica. Writing with great vividness about the Adriatic landscape he loves so well, Mladin Zarubica has given us a chair-grIPPING suspense novel of confrontation along the frontier between East and West. And in his protagonist, Urosh Gore, he has created a figure rate in spy fiction these days—an intelligent, likable, unalienated man of action.

For a wrinkle-free, carefree vacation trip, pack cool knits and durable press clothes, suggest Purdue University extension clothing and textile specialists. An hour's stop at a laundromat occasionally will be all you'll need in order to stay band-box fresh on even the most sweltering summer day.

AN ORDINANCE REGULATING TRAFFIC ESTABLISHING A FOUR WAY STOP INTERSECTION IN THE TOWN OF MENTONE, INDIANA, PROVIDING PENALTY FOR VIOLATION THEREOF, AND PROVIDING THE TIME WHEN THE NAME SHALL TAKE EFFECT.
BE IT ORDAINED by the Board of Trustees of the Town of Mentone, Indiana:

SECTION 1.
That the intersection of High and Morgan Streets be and the same is hereby declared to be a four-way stop for all vehicles in all directions of traffic approaching said intersection.

SECTION 2.
That it shall be unlawful from and after the passage, according to law, for any vehicle approaching said intersection either upon High Street or upon Morgan Street to proceed into and through said intersection without first coming to a full stop prior to entering said intersection.

SECTION 3.
That suitable signs designating said intersection as a four-way stop intersection shall be erected upon the approaches to said intersection so as to be clearly visible by any person operating a motor vehicle into said intersection.

SECTION 4.
Any person violating the provisions of this ordinance shall, upon conviction, be fined in any sum not less than one dollar nor more than ten dollars for each offense.

This ordinance shall be in full force and effect, from and after its passage according to law.

Attend Meeting

Velma Bright and Gloria Bowen attended the TWX meeting at the So. Bend Public Library on Thursday.

The South Bend Public Library serves as the Teletype Relay Library for this district. The Akron library can call the So. Bend library for requests for books and material that the local library does not have. This message is relayed by teletype to the Indiana State Library, and to the university libraries if the State Library does not have it. This system is set up to give faster service to patrons.

Pike Employees Have Party

Saturday afternoon, November 22, 1969, approximately 100 Pike Lumber Co. employees and their families were entertained at the company's annual Thanksgiving Dinner and turkey shoot held at the Pike Lumber Co. plant in Akron.

Welcoming remarks were given before the dinner by company president Howard Utter; the blessing was asked by Mr. Paul Thomas. A bounteous Thanksgiving dinner was then served by Mesdames Mildred Klein, Connie Klein and Sandy Utter.

Following the meal, an 11-round turkey shoot was held for all employees and guests. Shooting competition was of two kinds—stationary target shooting and moving target shooting. Contest winners were Donald Barnes, Jim Blair, Earl Swartz, Susie Baker, Gene Weirick, Howard Hunter, John Weida, Pat Ochs, Don Robertson, Sally James and Joe Templeton.

Meeting Changed

The Mentone Reading Club will meet Dec. 10 at the home of Mrs. Dan Urschel instead of Dec. 3 as originally planned.

TO HAVE PARTY

Members of the Martha Class of the Akron United Methodist Church will have a Christmas party and 50¢ gift exchange December 3 at the home of Mrs. Mabel Taylor, Akron. A carry-in supper will be served at 6:30 p.m.
