## TVSC building plans down to two options

At last Monday's meeting of the TVSC board, board members narrowed the choices for a building program from four options to two. The board members were undecided between the two choices, but they hope to come to a decision by the November 19 meeting.

The two possible building plans are as follows:

**Plan B - Akron** - The 1912-1926 building of the Junior High would be replaced with a new building for grades six through eight with major remodeling of the gymnasium, 12 new classrooms, new library, general science and home economics. Administrative and Support Areas Services would also be constructed. Grades K-8 at Mentone would be maintained with classrooms to accommodate Primetime, and Burket would receive a new library, multi-purpose room (art, music and cafeteria) and Support Areas Services space. Estimated cost: \$3,290,895.

**Plan D - All elementary schools** would be K-5 with first, second and third grades at Akron and Burket redistricted to allow for Primetime. Mentone would receive no new space, but would accept students from Akron and Burket to allow for Primetime. Burket would receive a new multi-purpose room and Support Areas Services space. Akron's gymnasium would be remodeled for elementary physical education, would receive a new library and the stage would be remodeled for art and music. Some Support Areas Services would also be built. A new Middle School for grades six to eight would be constructed near the High School. Estimated cost: \$3,993,000.

Architects Lee Brockway and Doug Wickstrom of Fanning-Howey Associates, Michigan City, discussed these plans with the board and will meet in another work session with trustees Wednesday, Nov. 7 (tonight).

## Editorial

Diana Streevey

The last few days have taken a toll on many of our local young people — students at the high school and Mentone have had to cope with the death of 17 year old Ryan Russell, and students at Akron have had the more difficult task of trying to understand the death of 14 year old Robert Dale Johnson.

A young friend of mine at Tippecanoe Valley tried to speak to me about it last week, and she finally ended her struggle with the words, "It just isn't fair."

She's right—death at times seems to be extremely harsh and misplaced, and in these cases there's no question death came too early. The real tragedy when a young person dies is that it's not only the loss of a life, but the loss of a future. And it's, especially difficult for other young people to come face to face with mortality in

such a cruel manner as our children did last week.

This isn't an easy article to write, and I gave up trying to be wise or profound on about the tenth try. I'm writing mostly for our young people, because I think they need a lot of moral support right now, from as many quarters as possible.

Please, kids, don't lose sight of the fact that there are always people who care and who will do anything they can to help you through difficult passages in your lives. It doesn't necessarily have to be a parent or guardian or relative, but can just as easily be another trusted adult, like a teacher, counselor, minister or just a friend. You never have to go through rough times alone, and there are times when you shouldn't even try to deal with things alone. Don't ever be afraid to ask for help. Some of us are always here for you.

**Help The Widow Through Grief Stages**

The newly widowed (or "widower-ed") progresses through several emotional stages during mourning. If you recognize these as "stages," it may enable you to help her work through her grieving more fully and effectively.

**Sorrow** is a basic emotional stage of mourning and very common, often accompanied by self-pity and/or feelings of guilt.

**Anger** is another stage, resentment against a cruel world which has taken one's mate prematurely.

**Fears** for the future, without him, as companion and bread winner are not unusual to a new widow.

**Anxiety** makes her wonder, who will provide for the family and how will I manage my finances alone?

The widow's confidence in her own abilities, needs to be strengthened so her entry into the world of reality may be achieved more smoothly. As a widow, if she recognizes these stages as natural and normal, the process of adjusting to the loss will be easier for her.

Be of Good Cheer,  
There's Nothing to Fear!  
Cheerful thoughts like sunbeams,  
Lighten up the darkest fears.  
For when the heart is happy,  
There's just no time for tears.  
And when the face is smiling,  
It's impossible to frown.  
And when you are high spirited,  
You cannot feel low down.  
For the nature of our attitude,  
Toward circumstantial things  
Determines our acceptance,  
Of the problems that life brings.  
And since fear and dread and worry  
Cannot help in any way,  
It's much healthier and happier,  
To be cheerful every day.  
And if you'll only try it,  
You will find without a doubt  
A cheerful attitude's something,  
No one should be without.  
For when the heart is cheerful,  
It cannot be filled with fear.  
And without fear the way ahead,  
Seems more distinct and clear.  
And we realize there's nothing,  
We need to ever face alone.  
For our Heavenly Father loves us  
And our problems are His own.

# Haney, Leman joined in marriage

Mr. and Mrs. Scott Leman

Kathy Ann Haney, daughter of Mr. and Mrs. Maurice R. Haney, Akron, became wedded to Scott William Leman, son of Mr. and Mrs. Sidney B. Leman, Francesville, on September 15, 1984 at 11:15 a.m. in the Apostolic Christian Fellowship Center in Francesville.

Kathy chose G. Keith Haney, her brother, as her honor attendant. Bridesmaids were Mrs. Trudy Haney, aunt of the bride, Mrs. Jeannie Smith and Ms. Deb Owens, friends of the bride, all of Akron. Flower girl was Alivia Metzger, niece of the groom.

Best man was George W. Barkho, friend of the groom, Grissom Air Force Base. Groomsmen attending him were Mark Vollmer, Indianapolis and Norman Welker, Winamac, friends of the groom, and Curtis Leman, brother of the groom, Francesville. Ringbearers were Orville and Barney Haney, nephews of the bride.

Ushers were Kevin Haney, brother of the bride and Douglas Leman, brother of the groom. The couple received their 350 guests at a luncheon reception immediately following the wedding.

The wedding was country-style, decorated with wheat from their fields and silk tiger lilies and

daisies. The bride carried her mother's Bible, which she had carried 29 years earlier.

After a ballooning exit and proceeding through the Fall Festival parade in Francesville, Mr. and Mrs. Scott Leman honeymooned in the New England states, Niagara Falls and Canada for two weeks. They now reside at Rt. 2, Box 151,

Francesville, IN.

Kathy graduated from TVHS and Wright's Beauty College and is presently working at Trudy's Beauty Salon in Akron. Scott is a

graduate of West Central High School and Purdue Ag. Short Course. He is involved with dairy farming.

## Mentone Nutrition Site

The Mentone Nutrition Site has been a real quiet place this week compared to last week. Lots of games have been played and Joan Harmon directed the band practice this week.

Several people are preparing to leave for warm climates. We'll miss all of you.

We thank the group of students from the Speech II class of T.V.H.S. that took time to come to our Site in October. We hope you can come again.

The Reverend Salladee was the area minister last Thursday.

Next week we'll have band practice on Wednesday and Friday as we have two appearances coming. The first will be November 13.

The Jack and Jill Nursery School paid the Seniors a visit in their Halloween costumes. Thanks go to the teacher and the children, we enjoyed all of you.

On October 11th, eleven Mentone residents left Mentone to go to Mentone, Ala. It was a days drive and the trees were gorgeous in the mountains. Mentone, Ala. is in the Look Out mountains range. The reason for going there was to help our sister city celebrate their centennial. There are 450 citizens and they showed us a great time. We all stayed in their Bed and Breakfast Inn and the group saw several points of interest. Some saw the homes of a couple the group "Alabama." Others went to Rock City.

On Saturday was the parade which opened the week of activities. The parade wasn't as big as Mentone's Centennial, but the group was in it. The men had to go to Ft. Payne to get candy to throw

along the parade route. This was something new in their area, but the kids caught on very quick.

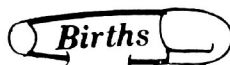

We hated to have to return from there, we loved the Southern Hospitality. Some of them plan to visit here next June when we have our Egg Festival, so we will show them some Indiana Hospitality. The residents going were Mr. and Mrs. Wayne Tombaugh, Mr. and Mrs. Jim Miller, Mr. and Mrs. Bill Boardman, Mary Severs, Mary Teel, Dorothy Krull and Mr. and Mrs. Dearl Tucker.

The following are the menus for the week of November 12 - 16 for the Mentone Nutrition Site.

Monday - Orange juice, jumbo hot dog on bun, baked beans, macaroni salad, butterscotch pudding, milk, tea, coffee.

Tuesday - Apricot juice, chicken and noodles with gravy, swiss style vegetables, cracked wheat bread, margarine, birthday cake, milk, tea, coffee.

Wednesday - Pineapple juice, ham steak, buttered sweet potatoes, frozen peas, corn bread, margarine, chocolate chip cookie, milk, tea, coffee.

The baby weighed 7 pounds, 4 ounces and has been named Lindsey Katherine. Her mother is the former Karen Korth and she has a brother, Joshua, 4.

Words cannot express our sincere appreciation and thanks for all the visits, cards, letters, flowers and prayers extended to Lew. While he was in the hospital, and to the staff of St. Joseph Medical Center South. Blessings on the future of Mary and Lew.

Lewis and Bertha Johnson

Thursday - Tomato juice, baked fish with tartar sauce, parsley buttered potatoes, whole wheat bread, margarine, apple pie, milk, tea, coffee.

Friday - Orange-grapefruit juice, beef stew with potatoes, carrots, onions, celery and cabbage, spiced apple rings, snowflake dinner roll, margarine, fruit cup, milk, tea, coffee.

Menus subject to change without notice. Due to the diets of some people the food is not highly seasoned.

## Burket kindergarten students respond to presidential query

Marcia Ousley, teacher of the Burket kindergarten class, recently asked her students who would make the best President of the United States and why, and she was kind enough to share the results with our readers. To wit:

Ernie on Sesame Street might be a good President, 'cause he's so funny! Angela Moore.

Ronald Reagan since he is on T.V. so much telling important stuff. Elizabeth Hart.

Debby Burch, in my class, could be President. I really like that one! Adam Overmeyer.

I pick Boss Hogg on the Dukes. He looks just like one! Jamie McClone.

Maybe Bugs Bunny because he's fast! Alisha Ryman.

Either Reagan or Joey, my friend, would be the best choice. Scott Sponseller.

Grandpa Dick 'cause he's my buddy! Debby Burch.

God would make the best President, 'cause he loves everybody in

the whole world. Joey Francis.

David and Jessie, my cousins, might be a good President. I'm not real sure though! Rebecca Meredith.

George Washington would be good for the job, because he's in the army. Dainon Lowman.

Jesus 'cause he is the goodest person and does things for us! Cyrus Weigel.

Uncle man ... because ... Jamie Yates.

Reagan would, but I don't know why. Justin Leslie.

Shaggy 'cause he's on T.V. Danielle Charles.

'Knight Rider! I like that show. Alan Young.

Jon Tinkey would, 'cause he's smart! Andy Young.

Michelle, the girl in our class, would make a good President. She's my friend! Bambi Simpson.

I think Chris's dad that lives in Kentucky could be one, 'cause he has a lot of money with a big, big swimming pool too! Mandy Yates.

Mr. T 'cause he's strong and tough! Nathan Kuhn.

Scooby Doo would be good. He's my favorite one of all! Shirley Ditton.

My mom since I love her and she gives good food to me. Kim Andrews.

Papa Smurf just because ... Bill Hyden.

Big Bird could be President since he's so big! Michelle Foster.

John Wayne because he is a cowboy. I like him! Brandi Fisher.

Michael Jackson would be fine. He does the moon walk! Bryan Lefestey.

I think Underdog should be President 'cause he saves people. Jamie Ervin.

Nathan since he's got a bike without training wheels. Julie Shaw.

I'd pick President Reagan. He gives good news! Nicole Kuhn.

Mr. F, our letter friend, because I just wanted to pick him. Ricky Johnson.

My teacher, since she is neat and helps all of us so much. Tiffany Hively.

Jon Baker, as Diana's boyfriend, passes a tender moment with a less-than-deserving Shelley Utter as Cinderella. The play will be shown at the TVHS lecture room next week. (News Photo)

## Claypool awards trash contract

The town of Claypool has a new owner of its mobile home park and will soon have a new trash collector.

Stafford and Sons, Warsaw was awarded the contract with a bid of \$4,950, which was the second-low bidder among the four that put in their bids.

Other bids were \$4,734 from Clevenger Disposal, Pierceton; \$5,848 from Lakeland Sanitation, North Webster; and \$5,760 from Borden Waste-A-Way, Goshen. Lakeland has the present contract with the town now.

Stafford's contract will start January 1 and the company will pick up trash on Wednesdays between 10 and 11 a.m.

Mobile home park owner, Richard Monk spoke to the board about his purchase of the mobile home park on Graceland Avenue in the south part of town. He had received approval from the county and state. The previous owner was Robert Warner.

Some plans mentioned included renovation of the park and putting in streets and gutters. If that is the

case, the town then would have to run new water lines in that area. Extra revenue could be generated for the town and water company.

Monk currently owns and lives in a mobile home park in Burket.

It was also reported that the back hoe was repaired by A.H. Choitz and Company Inc., South Bend, and returned to the town. The total cost of \$2,502 was only a fraction off the estimated expense of \$2,500.

The town currently has another back hoe it has been leasing so they will sell the back hoe that they just had repaired.

A proposed ordinance is being prepared for the start of Claypool's Plan Commission. Don Richard, Area Plan Director will check with the state and county code books to make certain the Claypool ordinance is not in violation of any laws. If any adjustments are made, they will be taken to the new town planning members for study before the ordinance is approved and published.

The next meeting is scheduled for Wednesday, Nov. 21, at 7 p.m. in the town barn.

## Bowen Center art show results

Approximately 300 citizens of the Bowen Center catchment area attended the annual Art Show held at the Bowen Center in Warsaw.

The Art Show is a community effort involving Mental Health Associations of five counties, the Lakeland Art Association of Kosciusko County, and the Bowen Center Volunteer Service Department, as well as the Bowen Art Therapy department.

The Show's purpose is to introduce the concept of art as one of the treatment modalities used at the Center and to give local artists an opportunity of displaying their works.

A total of 46 artists entered work to be displayed and judged by Akron's Duane Smith and Marilyn

Kruger.

Results were: Best of Show - Laura Hill's pencil drawing titled "Woodland"; Oil Division - Melissa McCartney, 1st; Ernest Joel Wester, 2nd; Jeffrey Klinefelter, 3rd; Joyce McNabb, 4th; Leona Smith, Honorable mention; Mary Bushong, Honorable mention; Water Color division - Mentone's Mike Yazel, 1st; Glenn Finwall,

A photography division has also been enthusiastically received by the Community Winners in that division were: Bill Austin, 1st; Jeff Woods, 2nd; Sarah Baker, 3rd; Rev. Newell Nelson, 4th.

## Board receives bids on pick-up

The Mentone Town Board is still studying the possibility of returning trash pickup to the town after several years of absence.

At Monday's meeting, board members Wayne Tombaugh, Jim Miller and Miriam Boardman received four bids for trash hauling. No definite decision has been made at this time. The board

would like to start the trash service at the start of the year. It is also undecided how the residents will be billed.

A possibility for billing is to put the trash hauling cost in with the printed quarterly water billings.

Other discussion was held on water lines and the cleaning work that has been done on them.

**WHY 96% EFFICIENCY IS IMPORTANT TO YOU.**

If you heat your home with forced-air gas, a certain amount of heat is wasted by being vented out your roof.

Although it's hard to determine the efficiency of your furnace, it's not likely to be over 60-65% A.F.U.E. especially if the furnace is over 10 years old. That means 30-35% of the energy used to heat your home is totally wasted.

The new Heil Energy Marsdale® II gas furnace has efficiencies up to 96%. So only 4% of the energy used to heat your home is wasted. The reason 96% efficiency is important to you is money. The less heat you waste the less you'll pay to heat your home.

### One Nation Under God

Thanksgiving is more than a day in November, that students of history are taught to remember; More than a date that we still celebrate with turkey and dressing piled high on our plate; For while we still offer the traditional prayer we pray out of habit without being aware that the pilgrims, thanked God just for being alive. For the strength that He gave them to endure and survive, Hunger and hardship that's unknown in the present, where progress and plenty have made our lives pleasant. And living today in this great and rich nation, that depends not on God, but on mechanization. We tend to forget that our forefathers came to establish a country under God's name, but we feel we're so strong we no longer need Faith. And it now has become nothing more than a wraith of the faith that once founded this powerful nation, the name of the maker and the Lord of creation. Oh teach us dear God, we are all Pilgrims still, subject alone to your guidance and will and show us the way to purposeful living. So we may have reason for daily thanksgiving, and make us once more a God-Fearing Nation. And not just a puppet of controlled automation.

Senior Citizens, we will have our

annual Thanksgiving dinner Monday the 19th at 11:30 a.m. at the Akron Nutrition Site. It will be a carry-in potluck. Regular menu will be served at this time also. Bring a senior citizen with you, let's all enjoy fellowship with new friends. Please let me know a day ahead for your meal reservations and if you are bringing a friend. At this time, we will honor Mary McKenzie the volunteer of the month. The Akron Nutrition Site will be closed for the Thanksgiving holidays Nov. 22 and reopen on Monday 26 at 9:00 a.m. Happy Thanksgiving to you and yours. Nutrition Site Manager, Marilyn Stafford.

The menus for the week of November 19-23 are:

Monday - Chop suey, rice, fresh fruit, tossed salad with carrots, bread pudding with sauce, milk.

Tuesday - Smoked sausage, mashed potatoes, sauerkraut, mixed fruit salad, brown bread, milk, tomato juice.

Wednesday - Pork cutlet, sweet potatoes, mixed vegetables, white bread, pineapple/cheese, milk.

Thursday - Closed. Happy Thanksgiving Day.

Friday - Closed.

## Views On Dental Health

LARRY W. PAMPEL, D.D.S.

### DRY SOCKET

Normally, following the extraction of a tooth, the wound in the jaw usually heals within a few days without complications. However, in every life, there is always an exception. One of those rare complications that can follow an extraction is known as a dry socket.

As the name (dry socket) implies, the clot that normally forms shortly after tooth removal, fails to develop or is lost. This leaves a bare and unprotected socket exposed to bacteria, saliva and food debris. The lining of the socket is sensitive and when bared to this irritating environment, a great deal of pain can develop.

About all that can be done is to keep the area as clean as possible and the patient as comfortable as possible with medication and place an anesthetic dressing into the open socket until nature develops a protective covering for the exposed socket.

The reason why a dry socket forms is not fully known. Some believe it results from a rapid bacterial action, others because of a fault in the blood clotting mechanism.

## Jack and Jill students visit airport and Owens

The Jack and Jill Nursery School of the United Methodist Church in Mentone visited the Mentone Airport on Wednesday, Oct. 24. The children enjoyed the ultralights and Breezy planes the best.

We want to thank Bob and Mart Clupper for an enjoyable time, and we also want to thank Mart for

flying the Breezy for us. The class also saw some beautiful kites the Cluppers had.

Altogether it was a very nice tour.

The class visited Owen's Supermarket at Warsaw recently, too, where the management gave them a tour and cookies for a snack.

Over 100,000 patent applications are filed each year.

## Project SAFE begins

Both utilities and Community Action Agencies will begin accepting State Allowance for Energy (Project SAFE) applications Wednesday, November 7, according to Governor Robert D. Orr.

"Those who are 59 years of age and under should apply at their local Community Action Agency. Those 60 years old and older should apply at their natural gas utility if this is the fuel with which they heat. Those who heat with any fuel other than natural gas, should make application at their electric utilities," states Jean Merritt, executive director of the Indiana Department on Aging and Community Services, the state agency which administers the program.

Annual income guidelines for the 1984-85 heating season are more liberal for those over 60 years of age than they are for those 59 and younger.

"One of the reasons older people receive special consideration is that their medical expenses are higher than the expenses of those who are younger," Mrs. Merritt remarks. "Those who are 60 and older often spend one-third of their incomes for medical services. This can leave them in a bind. They are often confronted with a choice—get needed medical care or pay fuel and electric bills."

When the head of household is

59 or younger, gross yearly household income cannot exceed the following figures if the household is to qualify for Project SAFE:

Number in Household	Gross Yearly Income
1	\$6,225
2	8,400
3	10,575

If there are more than three people in a household, \$2,175 should be added for each additional person.

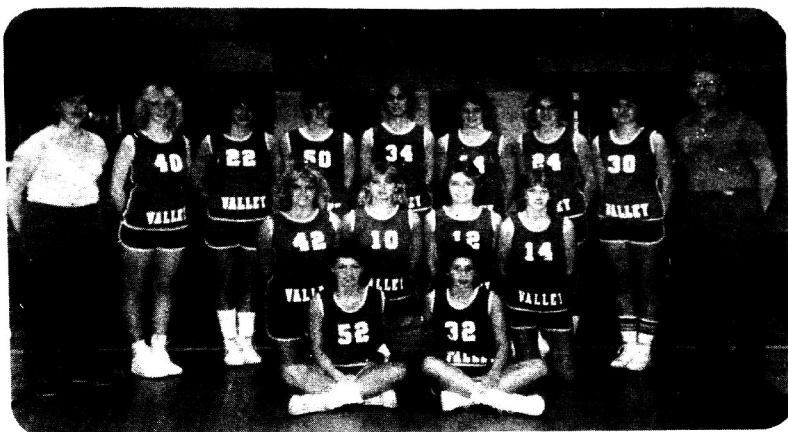

Those heads of household who are 60 years old or older will qualify for Project SAFE assistance provided they meet the following guidelines:

Number in Household	Gross Yearly Income
1	\$7,470
2	10,080
3	12,690

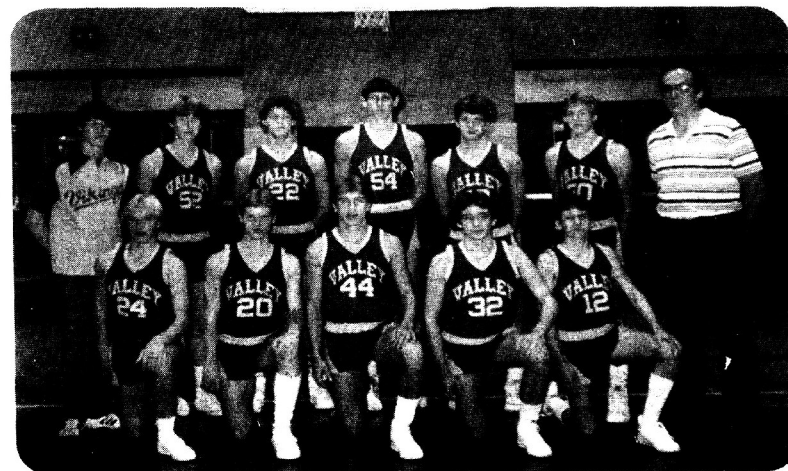

For each additional family member, \$2,610 should be added to arrive at gross yearly income.

Mrs. Merritt indicates that those who apply for Project SAFE assistance should bring with them proof of income and a copy of current heating and electric bills.

Additional information is available. Those in the Indianapolis area, may call 232-7003. Those in other areas of the state may call toll free 1-800-622-4973.

## Akron to receive new middle school Elementaries to be renovated

Before an audience of approximately 35 patrons, including a sizeable contingent of Akron businessmen, the Tippecanoe Valley School board Monday laid to rest the option of building a middle school near the high school site.

Trustees John Mellott, Joe Crill, Jim Royer, Cecil Miller and Fred McSherry approved plan B from the four schemes originally proposed by architects from Fanning and Howey Associates, Inc. Under this plan, which as a total projected cost of 4,223,442, the old Akron High School will be demolished and a new middle school built on the north side of Rural Street. The present gymnasium in the old building, however, will be saved and renovated.

Burket and Mentone schools will also be renovated with a small amount of new construction to allow for expansion under Prime Time.

Breakdown of costs is \$2,721,715 at Akron, \$617,590 at Mentone, \$398,590 at Burket, and miscellaneous cost of \$485,547.

In other business: Superintendent Baxter Paige recommended the board advertise for another temporary loan, which would be transacted January 1. The current

loan is due on December 31 this year. Trustees approved.

Indiana University awarded \$500 to the elementary schools for students participating in their recent dental hygiene study, which is now completed.

Ken Murphy was granted professional leave on December 5 and 6 to attend a Chicago seminar on superinsulated house design and construction.

The following extracurricular assignments were made: Rod Hamman, Junior Class Sponsor (1 of 4); Scott Carmichael, Winter Athletic Director, and Sponsor Photography Club; Ron Shewman, Akron Asst.

The Northwest neighborhood met on Friday evening of last week at the home of Mr. and Mrs. Homer Blue for one of their old-fashioned get-togethers. Games and contests with much reminiscing were the order of the evening. Delicious refreshments in keeping with the times were served by the hostess, assisted by Freeda and Ellen Lee Kesler.

It is surprising how many things have happened since the good old days of taffy pullings and ice cream parties that need talking over, so the guests departed at quite a late hour. We are thankful for the generous hospitality of Homer and Ona, knowing that it must be good for good neighbors to get together.

## Hospice training to be held in Burket

Hospice companions - special friends to the terminally ill and their families - are needed in the western part of Kosciusko County. For this reason, Home Health Care Services of Kosciusko County is going to present a concentrated one day training session on Saturday, Dec. 1, from 8 a.m. to 5 p.m. in the Burket United Methodist Church at Burket for those people who might like to help make a family's journey through terminal illness a lot easier.

Hospice programs, which began in the U.S. in 1974, have seen phenomenal growth because they provide physical, emotional and spiritual support for the dying, and, with the aid of a team of doctors, nurses, social workers, pharmacists and spiritual counselors help make patients last days more comfortable and meaningful, and allow them to stay in their own homes.

Hospice volunteers - variously called "companions" or "special friends" are a vital part of a Hospice program because they assist in caring for the ill, help with shopping and transportation, assist in financial and legal matters, and take time to listen to what the dying and their families need to say.

The Dec. 1 session, will be followed by once a month meetings

to continue instruction and support of the volunteer companion. There is no charge for training and lunch will be provided. Anyone interested may call the church or Home Health Care 267-3683.

**Helpful Groups  
For Widows/Widowers**

George E. Deaton

Widows and widowers encounter many new problems. Many difficulties have been overcome already by others. That's why national and local groups have been formed to help the newly widowed.

THEDS, a national non-denominational group which takes its name from its purpose. They Help Each Other Spiritually. THEDS helps the young and middle-aged, the recently bereaved who need to work through the grief process with help from others.

Parents Without Partners is another useful group for widows and widowers, having some 500 chapters in the United States and Canada. They are concerned with interests and welfare of single parents AND their children.

American Association of Retired Persons is a very large, organized national group with many personal benefits to members over 55.

These groups should all be considered by widows/widowers as they get ready to re-enter social life. For more information stop in or phone us about them.

## Abbey addresses Reading Club

Mrs. Denton Abbey was hostess for the Mentone Reading Club's November meeting. Mrs. Lee Bazini led the club in the opening pledges and collect and officer reports were given by Mrs. Loren Gross and Mrs. George Clark. Mrs. Larry Pyle reported on the progress of the Safe Haven committee, and Bazini gave members bookmarks and Bible Reading Guides in observance of Bible Week. She also reminded members that tickets were still available for the bus trip to Chicago on December 1st.

## Marriage Licenses

The following were issued marriage license applications in the Fulton County clerk's office: David W. Goss and Gaylo A. Benzing, both of Rt. 5, Rochester, and Richard L. Harding and Joyce K. Scott, both of Rt. 7, Rochester.

Ray W. Arthurhultz, Culver, and Dorothy Ann Beeson, Rt. 3, Rochester, were issued a marriage license application in the Fulton County clerk's office.

Mrs. John Hurst introduced Denton Abbey who gave the program on "Refinishing Your Furniture." Abbey showed the type of dishwashing scrubber he uses with a water soluble or mineral oil stripper, and said a wire brush is usually necessary with open grain woods such as oak, ash or chestnut to remove all the dark stain that permeates the grain. Always sand with the grain, and hardwoods such as cherry and maple need very fine sandpaper to prevent scratching. Polyurethane is the most commonly used varnish today, but should be used up fairly soon after the can is opened. Mr. Abbey did not recommend steel wool except for perhaps the final polish. Be sure to use a good, clean brush, which can be cleaned with mineral spirits. Mr. Abbey showed many examples of his work, including chairs with rush seats and pieces made with veneer.

Mrs. Deed Shirey assisted the hostess in serving refreshments. The next meeting will be held December 12 at the home of Mrs. Gross.

## Eckert hosts homemakers

The Mentone Extension Homemakers met November 13 with Arma Eckert. Vice President Mary Norris opened the meeting with the pledges to the flags and the Creed. Arma Eckert gave the meditation. "Keep Smiling," "Are You An Active Member?" and "People Will Talk" were sung. Genevieve Warren gave a humorous garden hint.

Health and Safety leader Esther Sarber read parts of an article from a Reader's Digest on "Down with High Blood Pressure." Unless you're tested for it you won't know you have it because there are no symptoms or pain. It can cause strokes, heart attacks or kidney failure. Drugs are able to control this, but reducing weight helps.

Virginia Peterson, Citizenship leader talked of the many things we have to be so thankful for. Elections, Thanksgiving, even taxes, for in some countries you aren't allowed to own properties.

Cultural arts leader Arma Eckert talked of the Dormans of the Netherlands and of their carvings. Some can be seen in the South Whitley library and other places.

Secretary and Treasurer reports were read and approved. A short memorial was held for Gertrude Hill, a long time member that passed away last week.

Pearl Horn presented a very timely lesson on "Food Additives and Their Effects on Your Health." Some practices used 200 years ago are still in use today such as use of salt, sugar and vinegar as preservatives.

Most foods contain some kind of artificial color, preservatives and vitamins etc. A report of the Christmas committee reported the Christmas party will be at Teel's Restaurant on December 13 at noon.

The nominating committee reported that the same officers will serve in 1984-1985. They are: President - Pearl Horn; Vice President - Mary Norris; Secretary - Olive Tucker; and Treasurers Arma Eckert and Genevieve Warren.

The meeting was closed with the Club Prayer Song and the Collect. Esther Sarber won the door prize.

# National Children's Book Week brings special activities at schools

The **Wizard Of Oz** float sponsored by Becky Smith's third grade class won top honors during the Book Float parade at Mentone.

**READ** was the theme of National Children's Book Week, and all three Tippecanoe Valley Corporation elementary schools celebrated with special projects last week. Bookmarks that featured the Statue of Liberty were given to all students in grades 1 - 8.

On Tuesday, Mentone School held a Book Float parade. Children's red wagons were decorated in the theme of a book or a book character. Twenty five floats were entered by classes in grades K - 6. The top three winners were **The Wizard of Oz**, sponsored by Becky Smith's third grade class, **What Does A Smurf Do All Day?**, sponsored by Kim Eiser's first grade class, and **Sandy and the Rock Star**, sponsored by Mrs. Burket's 6-C group.

The parade was held in the gym with all students participating and cheering for their favorite book. A book was given to each room participating, and a special treat was won by the winning rooms.

Book character day was held on Friday at Akron School, with many teachers and students dressed as their favorite book character or author. The top winning characters were: First grade - Paige Lewis, Jamie Overby, Michael Kline, and Jerod Morgan; Fourth grade - Jennifer Homan, Kresta Stanley, and Rachelle Feldman; Third grade - Missy Saner, Beth Rose, and Ryan Gast; Second grade - Angie Sheetz, Jason Bowman, Jennifer Caudill, Tommy Simons; Fifth grade - Drusilla Morgan, Terrence Yates, and Kris Miller; and Sixth grade - Mervin Jones, Cathy Faught, and Christine Smith.

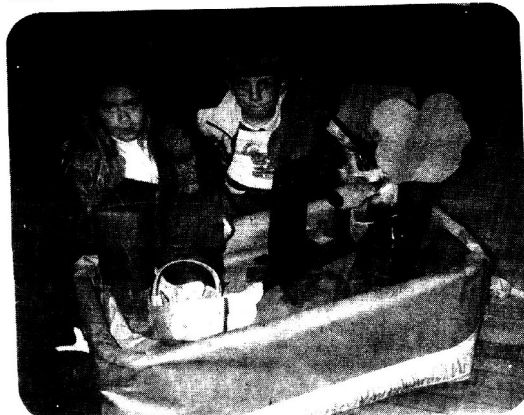

Winning teachers were Betty Martens, Jeri Good, Sally Messer, and Janet Morgan portraying Charlotte from **Charlotte's Web**, Dr. J., **Little Red Riding Hood**, and Charlie from **Charlie and the Chocolate Factory**, respectively.

**What Does A Smurf Do All Day?** created by the first grade class of Kim Eiser, is proudly displayed by class members. It took the second place award.

The sixth grade class of Jane Burket came in third with **Sandy and the Rock Star** at the Book Float parade.

This float of **Little Red Riding Hood** wasn't a top award winner, but you can see it was a winner all the same.

## EASE AND ELEGANCE... CREAMY LETTUCE SOUP WITH SHRIMP

Activities abound between mid November and early January. During this "best-of-seasons" people often juggle extra shopping and entertaining with jobs and routine chores. Time, money and patience may run short during the time. But good organization and some well thought out menus can help combat the challenge of the holiday hustle.

"Elegance with ease" are buzz words with holiday chefs. And they are words which describe this Creamy Lettuce Soup. Elegant because it is an adaptation of a French classic. A creamy blend of California Iceberg Lettuce in a chicken broth base is accented with a dash of nutmeg and a splash of white wine. A garnish of tiny shrimp and thin Iceberg shreds add a delicate touch. Easy because the soup takes only minutes to prepare and uses staple foods.

Iceberg Lettuce is a perfect holiday staple. It's crisp and clean and keeps for more than a week. When purchasing, select "springy-firm" heads with outer green leaves. Core, rinse and drain thoroughly. Then refrigerate in a closed plastic bag or plastic container. Remember to reach for the Iceberg when preparing holiday meals.

## CREAMY LETTUCE SOUP WITH SHRIMP

1 head iceberg lettuce  
2 chicken bouillon cubes, crumbled  
3/4 cup water  
2 tablespoons lemon juice  
1/2 cup onion rings  
1 can (4 1/2 ounces) cooked, cleaned shrimp, drained  
1/4 cup butter or margarine  
1/4 cup flour

1/4 teaspoon white pepper  
Dash nutmeg  
2 cups milk  
1/4 cup white dinner wine or  
3 tablespoons water  
and 1 tablespoon lemon juice

Core, rinse and drain lettuce thoroughly; shred enough lettuce to measure 4 cups, packed. Chill any remaining lettuce in plastic bag or crisper for use at another time. Combine shredded lettuce with bouillon cubes, water and lemon juice in blender, whirl until smooth. Saute onion in butter in saucepan until tender-crisp but not browned; remove onion from pan, with a slotted spoon. Blend flour, salt, pepper and nutmeg into butter in pan; stir in milk. Cook, stirring until mixture comes to boil and is thickened; blend in wine and pureed lettuce mixture. Add onion and shrimp; heat through. Serve at once with additional crisp shredded lettuce in center if you wish.

## Utter scores hit as Cinderella

By: Diana Streevey

"The Cinderella Complex" opened last Thursday at Tippecanoe Valley, providing a few unexpected twists to surprise and delight the audience.

This amusing tale (written by Sir Osbert Sitwell) provides a different version of how the heroine received the reputation of being the long-suffering, abused step-child, and senior Shelley Utter played the role to the hilt. She was so convincing, in fact, that one wanted to interrupt the play to give her a good scolding/shaking/spanking. She was ably supported by her

"father" Pat Morgan, "step-mother" Kim Privett, and "step-sisters" Angie Wood and Jenny Dotson, as the real victims of her brattish behavior.

Junior Teresa Wiard, in a supporting role of the wicked fairy godmother, gave a knockout performance that was purely delicious to observe. Her scenes with Utter were among the very best of the show, and we hope to see more of Wiard in the future.

Other performers worthy of note included the dashing Bill (Jon Baker), the petty Lady Scone (Kris Green), and the pitiable maid (Angie Harsh). They brought just

the right amount of charm, chaos and pathos, respectively, to the play, adding to the general fun of the evening.

Director Beth Barr selected a witty play for this fall's offering, albeit one that presented a difficult technical undertaking. Those students involved with the technical aspects did a good job, however, providing an aesthetically-pleasing atmosphere of lights and music for the audience.

Altogether, "The Cinderella Complex" was an ambitious treat provided by Valley's thespians. Well done.

Cinderella (Shelley Utter) resisted all the good advice of the beautiful fairy godmother (Roberta Ladson) in last week's production of "The Cinderella Complex." Utter was utterly wonderful as the snitty little Cinderella. (NEWS Photo)

## TVHS holds fall sports banquet

Senior Rob Dunnuck won accolades at the 1984 Fall Sports Banquet at Tippecanoe Valley, held last Wednesday, Nov. 14, by being selected the most valuable player, the most valuable offensive back, and the kicking specialist. Dunnuck was also joined by guard Dennis Jamison in being named to the Three Rivers Conference second team as a running back.

Other football awards went to Jamison and Andy Schwenger, captains, and Jamison as most valuable offensive lineman. Greg Warren was named most valuable offensive receiver, while defensive awards went to Jeff Johnson, Jerry Cumberland, and Rusty Zimpleman as most valuable lineman, linebacker and back, respec-

tively. The Scott Teel Mental Attitude Award was bestowed on junior Dan Cave.

Sophomore Gary LaMar, was picked by the TRC to the All-Conference cross country team, and Valley's Jack Sisk received honorable mention by the TRC. LaMar also was selected as most valuable, while Sisk was picked by his teammates as captain. Belinda Brown and Paul Goodwin shared the cross country most improved award.

Paula Riedel, in girls golf, won low medalist honors, as well as being the putting champ and given the captain title. Angie Harsh received the most improved honors.

In boys tennis, Chad Bibler and Chris Whetstone were selected co-captains, and Deron Manwaring and David Collins received most improved and most improved JV, respectively. Bibler was also given an award for having the best season record.

Girls volleyball co-captain awards went to Marilee Saner and Dawn Trippiedi, while Angie Evans was named most valuable and Liz Harter received the most improved honors. Freshman Ellen

Burdge won the most valuable award in girls swimming, while Teresa Wiard was named both captain and most improved. Teresa Feldman was given the swimming rookie award.

Teresa Wiard and Shelley Utter, as the evil fairy godmother and Cinderella, provided some of the best moments during the production. As you can see, this godmother won out, providing the gown and slippers. (NEWS Photo)

## Students plan spring European tour

Students from Tippecanoe Valley and Whitko High Schools will be given an opportunity to take a European study tour during the 1985 spring break, the first week of April. Conducting the tour will be Whitko English teacher Lisa Skiles, and she will be accompanied by her husband Mark Skiles, assistant principal at TVHS, and Beth Barr, TVHS English and drama teacher.

The group will travel to England and France, visiting London, Oxford, Stratford, Windsor, Salisbury, Stonehenge and Paris.

Highlights of the trip will be visiting historical sites in a combination of organized sight-seeing, special excursions and free time to enable the students to explore the art, history, differences in, and lifestyle in the two

countries. Three plays, two in London and one in Stratford-On-Avon, will be viewed.

Skiles is arranging the trip in conjunction with the American Council for International Studies in Boston. Interested students or adults may contact Lisa Skiles at Whitko (723-5146) or Mark Skiles at TVHS (893-7221 or 353-7888).

## MHA requests gifts

The time-the place-the need. According to Christmas Gift Lift Chairwoman, Mrs. Nelson Hunter Jr., now is the time, your Fulton County Mental Health Association or your local Hook's Drug store collection center is the place and the need is Christmas gifts for mentally ill persons who must spend Christmas in a state hospital, community mental health center or a nursing home. Hook's Drugs will again this year be the corporate sponsor of the Indiana Mental Health Christmas Gift Drive.

"For a population often forgotten and overlooked, the Mental Health Association provides the opportunity to partake of the joys of the season," Hunter said. The association asks civic, social and religious groups and private individuals to solicit gifts from their members and friends. The gifts will be distributed to local nursing homes who have patients with no families and to the Logansport State Hospital. The gifts are to be sorted by volunteers. Each patient will receive at least one gift of good quality in addition to a smaller gift

such as lotions, perfume or a piece of jewelry tucked in the package.

Mrs. Hunter said gifts for men are in great demand. These can include caps with earflaps, pajamas, T-shirts, underwear, socks, tobacco, pipes, shaving cream or lotion. Suggested gifts for women include cosmetics, dresses, hand lotion, panty hose, soap and toothpaste.

Gifts of \$1 or less also will be accepted. All gifts should be purchased in large size and should be new. Plastic containers are preferred. Gifts should not be wrapped.

Deadline for gifts has been set for Dec. 9. Gifts can be left at the following locations:

Trusa Brethren Church, Farmers and Merchants Bank in Kewanna, Bill's Grocery in Leifers, Ford, Talma Bible Church, Baxter's Drugs, Kroger's Supermarket, Ribordy's Drugs, Hook's Drugs,

Berkway Supermarket, Wilt's Food Center, J.D. Store, Bethlehem Baptist Church, Hart Schaffner & Marx in Akron, Harvey's Dime Store, and the Akron Exchange State Bank.

## Revival services planned

Revival services will be held at the Silver Creek Church of God November 26 through December 2. The evangelist will be the Reverend Ray Davis. He is presently pastor of the Clear Creek Community Church and formerly pastor of the Bippus E.U.B.

The "Jubilates" Quartet will be singing the evenings of November 26 through November 30. The "Jubilates" have been singing in revivals, churches and concert halls all across the midwest, and they have won the hearts of the public with their gospel music. The Silver Creek Church of God extends a warm welcome to all. The services will begin each evening at 7:30 p.m.

## Stephen gets thumbs up from Akron Olive Branch to present drama

Members of the Akron Town Board last week gave local businessman Mike Stephen an exclusive franchise to proceed with cable television construction.

Stephen, operating under the name Valley Cablevision, recently completed a survey and apparently found there was enough interest in the town of Akron to proceed with plans. A franchise had been granted to Telenational Communications last year, but TNC had failed to follow-through on the agreed-upon conditions, prompting the new board to nullify the contract.

Trustees Jerry Hudson, Dick Drudge and Jack Miller, meeting on Tuesday, Nov. 20, signed a contract with Val Duggins for

regular maintenance of the wastewater treatment plant. Repair bills for the plant this year have exceeded expectations, so Duggins agreed to work 25 hours weekly at a salary of \$72.50 to help correct the problems.

In other business: Trustees voted to have Ropes Corporation take 60 old water meters on credit for the new meters the board is currently purchasing. Akron is now receiving five new meters per month, although during the month of November seven were received.

Town attorney Bob Peterson informed trustees that legal requirements of the Public Service Commission had been met and that service can legally be discontinued to customers with delinquent

bills. He also reported he is filing claim in county court for water bills owed by people who moved without final settlement.

Peterson is also working on a mobile home ordinance for the town, and he reported he will

present it to board members for consideration.

New stop signs have been placed at the intersection at Water and Virgil Streets, and residents are reminded it will be necessary to heed these in future.

Members of the Olive Branch Church of God will present a musical drama entitled "The Gift" on December 8 and 9. The Christmas musical will begin at 7 p.m. both evenings.

The public is invited.

## Rochester narrowly defeats Valley in season opener

Although it was nip and tuck a good deal of the way, the Tippecanoe Valley Vikings couldn't hold onto a narrow lead in their basketball season opener Saturday.

Rochester's Ed Pfeiffer sank a free throw to tie the game at 52 with just 30 seconds left in the game, and seconds later Chad

Lewis claimed another free throw to give the Zebras a final edge, 55-54. It was Rochester's first win in three games this season.

The Vikings had a shaky beginning, allowing the Zebras to gain a 21-12 lead in the first period of the game. They managed to cut that lead down in the second quarter, ending the first half with a score of 26-24.

Despite a statistical advantage over the smaller Zebras in rebounding, shooting and free throw

percentage, they stumbled in turn-overs, giving the ball over 27 times to the Zebras 11. During the final period, they managed to take the lead and hold it until the last seconds of the game.

Kenny Johnson was high scorer for Valley, with 13 points, but Rochester's Greg Smith had a total of 20, and teammate Scott King scored 16 points.

The Vikings play Triton this Friday, Nov. 30.

In junior varsity action, Valley won in overtime, 45-43.

Christmas Tree Program. This year's program, "Joy of Christmas," will be presented on December 14, 15, and 16 at 7:30 p.m. nightly. Nursery will be opened for children up to and including age two.

The Living Tree, which holds a 30-voice choir, consists of a structure that reaches a height of 17½ feet and is 17½ feet wide at its base. It is adorned with live evergreens, supplied by the Richardson brothers of Milford. On these boughs are draped nearly 3,000 miniature lights, while a large star sits at the peak of the tree.

The program, consisting of secular winter songs and sacred Christmas songs, has been planned by the Music Department of the church and includes several choirs, soloists and animated characters.

Reservations must be made to attend, as seating capacity is limited to 225 per night. Reservations are available by calling the church office (688-9181 during the day or 688-4474 in the evening), or by writing P.O. Box 416, Milford, Indiana 46542. ## Letter to the Editor

Dear Editor,

Since we are observing National Hospice Month I would like to share a personal experience I've had with the Hospice Program within the last two years. I'd like to express my deep appreciation for the guidance, assistance, and the availability at any hour of the day or night that they provided.

During the last four months of my dear wife Winnie's life, who was ill with cancer, she was able to be in the comfort of our home and this meant a great deal to both of us.

Through the Hospice Program we received such wonderful support and aid from their frequent visits per week to check on her physical condition and her medications. They worked closely with the doctors in regulating her medications and this was of the utmost comfort to me. They were always very cheerful and my wife looked forward to their visits very much. If

there were any questions or concerns my wife and I had, they were always willing to sit down and explain these things to us and give us the words of encouragement we needed.

It was of great assurance to know that I could contact them at any time if need be. As my wife devoted so much of her time during her life in giving to others, it was very special to me to know there were others, like Hospice, that gave so much encouragement and support in our time of need. Also after the passing of my wife, they kept in contact with me to check on how I was getting along.

I can't praise the Hospice Program enough for the wonderful work they do with families who are experiencing such a trauma as did I and my family.

Sincerely,  
Robert E. Whisenock,  
Rt. 6, Warsaw

## MHA requests donations

The deadline for donating Christmas gifts for hospitalized mental patients is Dec. 9, according to Mrs. Nelson Hunter, Jr. chairwoman of the Fulton County Mental Association project.

For a population often forgotten and overlooked, the Mental Health Association provides the opportunity to partake of the joys of the season. Hook's is proud to be a part of the sharing and caring team of volunteers who work so hard for the mentally and emotionally ill all year long.

Gifts will be assembled and assigned to patients on a selective basis so that each person receives something he needs. This takes time, and that is the reason the deadline for contributing is so early.

Gifts should be new, unbreakable, of large sizes and not wrapped. They can range from sweaters and dresses to less expensive items such as cosmetics, hose, toothpaste and hand soap. Items costing less than \$1 also are welcome.

Donations can be left at the following places in Fulton County: Tiosa Brethren Church, Farmers and Merchants Bank in Kewanee, Bill's Grocery in Letters Ford, Talma Bible Church, Baxter's Drugs, Kroger's Supermarket, Ribordy's Drugs, Hook's Drugs, Berkway Supermarket, Wilt's Food Center, 3-D Store, Bethlehem Baptist Church, Hart Schaffner and Marx. In Akron: Harvey's Dime Store, Akron Exchange State Bank.

## Mentone Nutrition Site

The Mentone Nutrition Site has had a real busy week. We're practicing real hard for our future engagements. We have some Christmas appearances in Warsaw. So we're practicing Christmas Carols.

Tuesday morning six students from T.V.H.S. Music Department came to sing and play. The pianists were Mark Simpson and Anita Malbone. Carl Sullivan sang two songs with his unusual soprano voice. Paula Riedel and Anita Malbone sang a duet, then Paula sang a classical solo. Shelly Utter and Julie VanDeWater sang a duet. We certainly do thank these lovely kids for coming and hope they'll come again.

Tuesday evening our band appeared before the Lamplighters Extension Club at Teel's Restaurant. We seemed to be well received. Several band members have left again, but we have an engagement at the Warsaw Retired Tigers Saturday night. We also have two appearances scheduled in December at Warsaw.

We're playing dirty bingo on Monday and on December 3 we're drawing names for our Christmas party gift exchange. Everyone be sure to get your names in. Then we will have a tree trimming party. Anyone wanting to be included in

our band, just come in and we'll give you a "position" as we need replacements.

Hope everyone had a Happy Thanksgiving.

### Views On Dental Health

LARRY W. PAMPEL, D.D.S.

### ARE DENTAL X-RAYS SAFE?

Sometimes dental wish they had the eyes of "Superman" but we don't. So we use X-rays. The X-ray is one of the dentist's most useful diagnostic tools. Many defects of the teeth and the bone which surrounds them cannot be seen by the dentist's eye. They are only visible on X-ray film. Before you ask, let me answer: dental X-rays are safe!

Millions of X-ray films have been taken by dentists without a factual report of injury to anyone. Exposures which used to take 6 or 8 seconds are now made in a fraction of a second. Metal filters to keep back unwanted radiation are standard on all new model X-ray machines. Older machines are equipped with filters, and electronic timing devices to enable them to use high speed X-ray film for short exposure times.

The National Committee on Radiation Protection states: There is no scientific evidence that the proper use of modern X-ray equipment for dental diagnostic purposes will be harmful to the patient.

Prepared as a public service to promote better dental health. From the office of LARRY W. PAMPEL, D.D.S., 1329 Main St., Rochester. Phone 223-3121; 114 Mishawaka St., Akron, Phone 893-4545.

## DAR holds Thanksgiving meeting

"Thanksgiving and Harvest Festivals" was the program theme of the November meeting of Anthony Nigo Chapter, DAR, held recently at the home of Eileen Koenig of Etna Green.

Koenig, in giving the program, stated, "Thanksgiving and Harvest Festivals represent a time of rejoicing for God's blessings and earth's gifts, a custom that goes back over 2,000 years. Koenig also briefly told how various countries celebrate harvest festivals.

The chapter opening-ritual and business meeting were conducted by Regent Helen Brown. Lena Igo gave "Freedom Fighters in Central

America" from National Defender, the NSDAR National Defense publication.

Christmas gifts for Tamassee DAR School were brought by members. Pat Gross, DAR Schools Chairman, will be sending the gifts to the Tamassee School in South Carolina.

The regent stated the Girl Scout Cadet Troop #163, under the leadership of Dixie Secrist, needs a sponsor. The chapter agreed to accept the role of sponsor for the youth program.

Bell Memorial Public Library will continue to receive copies of DAR Magazine, donated by the chapter.

Elaine Fugate reported on the mincemeat sales sponsored by Bell Museum.

Cara Lyn Tucker, Liberty Love Day Chairman, reminded members of the upcoming program in support of the Statue of Liberty Restoration project. Members are urged to attend the December 11th meeting at Tucker's home. Proceeds of the Christmas money tree project will be given to the restoration project fund.

Following the auction, delicious refreshments were provided by the hostess and co-hostesses Gross and Norma Metheny.

### A Prayer

Dear God,  
As the year's end nears,  
and nights are cold,  
We think about things,  
that warm us  
Like quilts, each one made,  
of many pieces,  
Different colors, sizes, shapes,  
all stitched together to form a  
thing of service and beauty.  
Oh Lord,  
Let us not forget,  
that we, too come  
In varied colors, shapes and sizes,  
and by your grand design  
We, too, gain strength  
and beauty.

From this variety,

Thank You Lord,

For all our differences.
