EMS--a life and death matter

EMS stands for Emergency Medical Service, but it could mean the difference between life and death.

And after January 1, 1976, it will have to become a reality if Akron and Mentone area residents are to have ambulance service.

Funeral directors in both towns have said they will no longer offer ambulance service after this time because of Indiana Senate Enrolled Act 151, which would require them to carry heavy insurance and that declares their expensive funeral coach-ambulance combinations unfit to transport patients. In addition, they would be required to employ full-time am-

bulance personnel. (A portion of Act 151 is printed on page 2 of this week's NEWS.)

The only possible alternative either community has is a volunteer service. Meetings in both towns Monday night approached the subject from different directions but with the same thought: "Something must be done soon so we are not left without ambulance service."

Mentone group seeks ambulance

The Mentone EMS meeting was attended by 32 people who voted to make the Tri-Township Fire Department (Franklin, Harrison and Newcastle) townships receiver for funds.

A fund drive to raise a minimum of \$12,000 will be launched with Darrell King as chairman. Working with him will be a co-ordinating committee composed of Honey Kuhn, Larry Pyle, Dave Peffley and representatives of the three townships and Seward and Tippecanoe townships.

The group will attempt to purchase a used ambulance at an approximate cost of \$9,500. The remainder of the money will be needed to purchase supplies and to get the program in operation.

Volunteers will be sought to take training to qualify as Emergency Medical Technicians.

Volunteers needed

Volunteers for Akron's proposed Emergency Medical Service are urgently needed. Anyone interested in taking the necessary training should contact Dick Day, Dr. Charles Miller, John Zimmerman or Ron Fenimore.

If 20 or more people

volunteer, the course can be offered locally.

The next meeting will be Wednesday, October 15, at 7:30 p.m. in the Akron library basement. Persons interested in volunteering or in getting additional information about the program are urged to attend.

TVSC to offer adult education

Registration blanks for non-credit adult education classes to be offered in Tippecanoe Valley School Corporation may be picked up at the principals' offices in Akron, Burket, Mentone or at the high school daily between 8 a.m. and 4 p.m. Deadline for registration will be October 7.

Adult classes for the first semester will begin October 13 and run for ten weeks. Final classes will be December 17. Classes will meet two hours one day per week, either on Tuesday or Wednesday, from 7 to 9 p.m. at the high school.

Any person 16 years of age or older may en-

roll. A minimum of 12 persons must enroll for a class to be offered. Tuition will be approximately \$15 for each ten week course.

Courses to be offered if sufficient enrollment is secured include beginning accounting, bridge, ceramics, multi media, oil painting,

photography, radio and TV announcing, furniture refinishing, sewing, Spanish, stage craft, tax preparation, typing, understanding baseball, understanding communication, welding and woodworking.

Akron group hears Milford EMS described

The Akron meeting, the second in four days, was attended by 30 people who heard John Perry, first president of Milford's EMS, and Betty Stutzman, an EMT, explain how their organization was formed and make recommendations for forming a new unit.

"Get volunteers first," they said. "You can get an ambulance later."

Volunteers must successfully complete 81 hours of training to take the state license examination. This includes service in the emergency room of a

Bicentennial commission sets November 11 program

The Mentone Bicentennial Commission has selected November 11, Veterans Day, as the date for the public Bicentennial program.

According to Forst Dunnuck, chairman, the program will include music by the high school

band and chorus, art and craft displays, presentation of family farm signs and the film, "In God We Trust." The Rev. Robert Heckman, pastor of the Mentone United Methodist Church, will give the invocation and

What is Akron doing for Bicentennial?

What is Akron going to do to celebrate the American Bicentennial?

Anyone with ideas or who would like to be a member of a planning committee should call Pam Madeford, 893-4726.

Mrs. Madeford would like to set up an organizational meeting to get the project started.

Area clubs are urged to send an interested person.

AKRON LIBRARIAN Velma Bright displays a bound copy of Henry township cemetery inscriptions that has been added to library's genealogy section. Miss Bright compiled the information gleaned from township cemeteries by volunteer workers from several organizations, all of whom are credited in the preface of the book that was typed and indexed by Jean Cragun (Mrs. Wendell) Tombaugh, Rochester. The book will be rebound in hard cover to help preserve it.

HONORED FOR SERVICE: Mary Wood, left, and Carol Ann Shewman, right, were given five-year pins and Jean Ellis, center, was presented a ten-year plaque at Monday night's kick-off meeting of the Henry Township Community Service. Marie Whittenberger and Margaret Straley were not present to receive their ten-year awards.

Parents organize age-group swim club

Approximately 36 families interested in having their children participate in an age-group swimming competition club attended a September 24 organizational meeting at Tippecanoe Valley High School.

TVSC superintendent Dr. Lloyd Harrell described his experiences with this type of competition, which is open to boys and girls in five age groups: eight and under, 9-10, 11-12, 13-14 and 15-up. He said there are generally two teams so that swimmers compete in their own age group as well as ability group.

Dr. Harrell said the swim club is an organization of parents outside the auspices of the school. The school district's only involvement is in providing the pool and other facilities for practices and meets.

Mr. and Mrs. Bob Daake explained how a similar group was organized at Rochester and explained to parents their responsibilities during swim meets.

Officers elected were Wayne Cumberland, president; Mrs. Lloyd Harrell, vice president;

Mrs. James Manwaring, secretary, and Mrs. Lee Bazini, treasurer. Appointed to the board of directors were the four executive officers; Dr. Harrell, who will represent the swim club with the school board; Ned Highway, Doug Simpson, Tony Smith and Vera Clark.

The board of directors will meet October 2 to compose a constitution and by-laws.

Anyone living in the TVHS area who would be interested in having their children participate in an age-group

swim club should contact one of the board members. The next meeting of the parents group will be announced in a notice sent home with the students.

Births

Mr. and Mrs. Garrett James Jackson, Akron, are parents of a nine pound, six and one-half ounce son, Daniel James, born September 24 at Woodlawn hospital. The grandparents are Charles and Ruth Sharp, No. Manchester, and Earl and Emma Jackson, R. 1, Akron.

LETTERS TO THE EDITOR

The NEWS welcomes letters for publication but prefers that they be kept under 200 words. The letters need not express the views of this paper; however, they should not be libelous or in poor taste. Anonymous letters will not be published. The name of the writer must appear with his letter.

Dear Editor,

The Fulton County Historical Society would like to thank the decorating committee and the speaker at our ban-

quet. Mr. Robbins' speech on genealogy research gave us many tips on how to find relatives at a long distance from your home.

At a short business meeting it was announced that we now have a key to the old middle school, which is to be known from now on as the Community Neighborhood Center. We will soon be moving the antique truck, buggy, wagon made by Clarence Hill's grandfather and horsedrawn farm equipment into the north end of the Neighborhood Center to make a museum.

In order to pay the rent in the new museum, it was voted to raise membership dues. Regular dues will be \$5, junior member (under age 18) \$2, and life membership \$50. This will take effect Jan. 1, 1976.

We think it is advisable to expand and take advantage of the opportunity afforded by the new museum. We will continue to keep the depot museum and log cabin in Lakeview Park. But many historic items have been offered to the Historical Society, and if we do not expand so we have a place to put them, these old things will be sold to antique dealers and disappear. We must "strike while the iron is hot" and move ahead now.

Terry Shumaker's letter of resignation from the Board of Directors was read. He is no longer a resident of Union township and is exceptionally busy with his work. At the next meeting, Oct. 27, we will elect a member from Union township to take his place. We need to find someone willing to serve.

We are planning to have the next meeting in the log cabin, which should be finished by then. We can roast marshmallows in the new fireplace and meet by lantern light.

large hospital in addition to classroom and practical work.

Milford recruited its first volunteers in June and they had completed their training by the time an ambulance was purchased in November. All their money was raised by public subscription. Various clubs and churches donated and a door to door campaign was waged.

Milford EMTs have monthly business meetings in addition to three-hour work or practice sessions. Their volunteers, like others in the state, must take additional training to keep their certification current.

Milford's EMS requires EMTs to be on duty for 12 hour shifts every other day, three persons to a shift. They try to keep new people in training at all times and always need more for stand-by. They are qualified to give oxygen, mouth to mouth resuscitation and other preliminary first aid necessary to get a patient or accident victim to a hospital.

In the event their ambulance is busy, New Paris and Syracuse EMT units provide back-up.

"The most important thing is cooperation," they said. "Without it, the program could fail." They noted at least 90 per cent of their calls come from friends, relatives and neighbors. "You just do what you have to do," Perry said. "You know you have the training and that you can help. You can take time out to be sick later." Mrs. Stutzman said one of her first runs was to an accident scene in which she found her next door neighbor seriously injured and his wife dead. "But I did what had to be done," she said. "There was nothing else to do."

The Milford system utilizes a block-type telephone installation such as the local fire departments employ. The phone rings for 30 seconds solid. "You can't miss it," Mrs. Stutzman said. It cuts in on conversations if the telephone is already in use.

Milford purchased an \$18,000 van that was completely equipped. The rest of the \$25,000 raised went to repair a garage that was donated and to purchase other equipment. Each EMT has two uniforms, summer and winter, that designate his purpose at an accident scene. A fee of \$20 per run plus fifty cents per loaded mile and \$5 for oxygen is charged, a portion of it going into a separate fund for eventual ambulance replacement.

Sec. 9: Certification. On and after January 1, 1978, no person, except one licensed by another state agency or employed by a hospital licensed by a state agency, shall furnish, operate, conduct, maintain, advertise, or otherwise be engaged in providing emergency medical services as a part of the regular course of doing business, either paid or voluntary, unless such person holds a currently valid certificate issued by the commission to provide emergency medical services. On or before January 1, 1976, the commission shall establish standards for persons required to be certified by it to provide emergency medical services. In order to be so certified, such person shall meet the following minimum requirements:

a. Personnel shall meet the standards for education and training established by the commission by its rules and regulations.

b. Ambulances to be used shall conform with the requirements of the commission, and shall be covered by insurance issued by a company licensed to do business in this state in such amounts and under such terms as may be required in regulations adopted by the commission, taking into consideration recommendations of the advisory committee.

c. Emergency ambulance service shall be provided in accordance with regulations adopted by the commission, taking into consideration recommendations of the advisory committee concerning the staffing, equipping and operating procedures thereof.

d. Ambulances shall be equipped with a system of emergency medical communications approved by the commission. The emergency medical communication system shall properly integrate and coordinate appropriate local and state emergency communications systems and reasonably available area emergency medical facilities with the general public's need for emergency medical services.

e. Emergency medical communications shall be provided in accordance with regulations adopted by the commission, taking into consideration recommendations of the advisory committee concerning such matters.

Sec. 10: Emergency Medical Personnel. On or before January 1, 1976, the commission shall establish standards for persons engaged in providing emergency medical services who are not otherwise licensed or regulated by state law or lawful regulations promulgated thereunder.

60 YEARS AGO

Twenty to thirty years ago a well of water at the school house was decidedly the exception and not the rule. Water for the school was carried always from a nearby farmer's house well. At that period of time wells were invariably "dug" wells and one of these at a school house would soon become dilapidated and not being used during the school vacation months, the water would become stale, full of microbes and even dead animals in some cases. Hence wells at school buildings were not common. It is different now. Driven wells are common every where.

The finest band instruments we ever saw were on exhibition in Leininger's show window last Monday. There were four or five pieces, the highest priced one was \$180 and the lowest priced was \$80. They are being purchased by our band boys in order that they may have the capacity in the instrument to play the music that they have the ability to play and thus send Akron's band to the top for superiority in this part of the state.

The fifth annual apple show will take place at Indianapolis November 6 to 13. Great arrangements are being made for this exhibition and a big effort will be made to get more farmers to visit this show in order that they may catch the interest and enthusiasm. Farmers all have or should have an orchard, but they are wasting time and losing profits. Waste is one of the greatest factors in Indiana economy.

The Gilead schools have been closed all week while the boilers in the heating plant have been repaired. Work is progressing on schedule at the Henry township school gymnasium and will be completed before too many weeks go by. The lumber for the roofing has arrived and is all in place. The sub-flooring in the gym is all down and work is rapidly being completed on the bleachers which will line the north, east and west walls. The old flooring will be used to cover these bleacher seats and they will not only be very safe, but long-lived as well. Arrangements have been made for the local basketball team to hold practice sessions at the Gilead gymnasium until the local place is ready for them. Plans are being formulated by the Famous Akron Jonah Club, Inc., and the Lions club in cooperation with the Trustee and school authorities to hold a big dedicatory celebration after completion of the project.

Elaborate plans are being made by the Akron Library Board and the librarian, Miss Velma Bright, to celebrate the thirty-fifth anniversary of the local library on October 21. An open house will be held in the library basement from two until four o'clock. The library was founded in 1915, and an effort is being made to locate clothes and hats which were fashionable at that time.

Immunization Month set

According to the Fulton Co. Medical Society, of the first graders in the county, 99 percent had protection against polio, 84 percent against rubella measles and 75 percent against rubella measles. This leaves the county susceptible to outbreaks of the latter two diseases, according to Society members.

October is the month set aside as National Immunization Month in the United States. It will help tell the story for the need of immunizing children against preventable diseases.

Fern Bowen provided piano accompaniment for group singing.

Roll call response was "an autumn poem."

Beulah Pratt gave devotions that contained a poem by Helen Steiner Rice entitled "Count Your Gains and Not Your Losses." Edith Walls offered prayer.

Emma Burns conducted two contests with prizes going to Gloria Bowen and Fern Bowen.

Refreshments were served from a table decorated in keeping with autumn.

Anina Clemans will be hostess to the Oct. 4 meeting with members and guests to be masked.

Corn thieves

There have been cattle and horse rustlers for years, but now it appears there's a new form of rustling going on in the area--stealing corn.

A large pile of fodder found just off the right of way of Fulton Co. Road 1075 indicates someone not only took the corn but sat by the road to husk it.

The incident was reported by Mr. and Mrs. Paul Fites who said they had seen someone shucking corn in a neighbor's field.

Investigation continues.

Etna Green, Atwood exchanges combine

General Telephone Company of Indiana announced this week that effective October 4th, at 2 p.m., the Etna Green switching office will combine with the Atwood switching office, according to district service manager R. E. Knafel.

Residents of Etna Green have been notified their telephone numbers will change because of the combination.

In an effort to expedite the transfer, Etna Green customers are asked to limit their calls, if possible, between 1:30 and 2:30 p.m. This will allow General Telephone technicians to complete the change over as quickly and smoothly as possible.

Knafel also stated that when the combining is complete, telephone

calls between the two communities will be the same as a local call.

If residents of Atwood or Etna Green have any questions concerning the combination or how to make calls, they are asked to consult the new bi-centennial telephone directory scheduled for

distribution during the week of October 4th.

The upcoming directory will feature the new telephone numbers for residents of Etna Green, and customers are reminded to use those instead of the present numbers.

Forest is Audubon destination

A classified forest in Whitley county, owned by Dr. O. C. Briggs, will be the destination for a field trip of the Tippecanoe Audubon Society on Sunday, October 5. The 30 acres of timberland has been classified for 30 years and contains many types of plant and wild life. It is located northeast of Columbia City on the

Old Trail, the original route from Columbia City to Fort Wayne.

Prof. David Eiler of Manchester College will be the leader for the field trip. Audubon members and guests are to meet at the Pierce-ton fire station at 1:45 p.m. The public is invited to participate.

4th grade sees history program

Akron fourth grade children and their teachers, Kate Jennens, Pat Smith and Bernadine Scott, learned how to card wool and saw movies of the activities of the Fulton Co. Historical Society Wednesday afternoon when they were guests of the Akron public library.

Honored for having more class members participating in the summer reading program sponsored by the library than any other grade, the students were entertained by Shirley Willard, FCHS president, who described the parades, Round Barn Festival, building of a log cabin and Prill School activities. He talk was titled "It's Fun to Learn About Fulton Co. History."

Refreshments were served after the program.

Accident Report

A car driven by Cathy L. Decker, 23, R. 5, Warsaw, was damaged \$1,000 in a two-vehicle accident last Wednesday on the Crystal Lake Road. Her car collided with one driven by Roger A. Smoker, 26, R. 1, Claypool.

That's with the standard 1.4-litre engine and 4-speed manual transmission. The mileage you get, of course, will be strongly influenced by how and where you drive.

- Chevette is international in design and heritage, incorporating engineering concepts proved around the world.
- Its wheelbase is about the same as a VW Rabbit's.
- It has more front-seat head room than a Datsun B-210, more front-seat leg room than a Toyota Corolla.
- Its turning circle is one of the shortest in the world.

- It can carry cargo up to four feet wide.
- It is well insulated against noise.
- It is protected by 17 anti-corrosion methods.
- It is basically a metric car.
- It comes with a clear, simple self-service booklet.
- It has a standard 1.4-litre engine. A 1.6-litre engine is available (except Scooter).

Impala

One of America's most popular full-size cars. That's the result of giving America good value for the dollar. This year, the Impala series

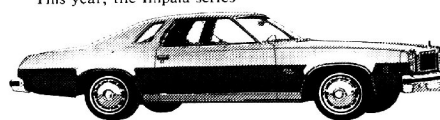

includes the new value of the thrifty Impala S—Chevrolet's lowest priced full-size car.

Nova/Concours

America's favorite compact car. Our basic compact, '76 Nova, makes even more sense than the 3 million Novas that preceded it. And

Concours, the brand-new model featured here, is our highly practical approach to compact luxury.

Chevette

Enough car for practically anything. It offers room for six at a sensible price. This year, more than ever, its deft blending of mid-size

economies, plus room for the average family, makes Chevette a size whose time has come.

POLICE REPORT

Kosciusko Co. police received a report this week from Nellans Farms Inc., located southwest of Mentone, that someone entered a field and stole two tires and rims from an International tractor sometime after 8 p.m. Friday. The 18.4 by 38 tires reportedly can be used only on special equipment.

Donald E. Smith, 22, was booked at the Fulton Co. jail Monday evening. Akron police charged him with driving while his license was suspended. Booked by the sheriff's department was Alan D. Bowman, 24, Akron, who was charged with reckless driving and fleeing a police officer. He was later released on \$100 bond.

Frank Meade, 19, R. 1, Mentone, was charged with theft by shoplifting Sept. 24, following a shoplifting report from the Kroger Supermarket in Warsaw. Two store employees reportedly confronted Meade after he walked past the check out register toward the front door. They told police they had earlier seen Meade placing items in his coat. Witnesses said Meade ran out of the store, dropping several items, and ran into the parking lot where one of the men caught him and returned him to the store. Valued at \$2.62, the items included a package of cheese, two packages of sliced beef, a package of sliced ham and a banana. Meade was booked at the county jail that night.

Cancer Society receives memorials

During a recent meeting of the Fulton County Chapter of the American Cancer Society, Mrs. Gates Thompson reported that \$180 in memorials have been donated so far this year. Last year's memorial donations to the county cancer fund totaled \$1,936. Edward Stark, a district representative, told members that the county will receive four different awards at the state meeting in Nashville in October.

Dr. Edison Kochenderfer will be Fulton Co.'s delegate to the state meeting.

Mr. Stark announced that Robert W. Parko has accepted the position of crusade chairman for 1976. Other chairmen named are Dr. Pedro G. Del Rosario, M.D., professional education; Douglas B. Morton, legacies, and Odesa Greer, volunteer transportation.

They call him Mr. Tic

By Ann Sheetz

When our sons voted Loren "Father of the Year" and when friend Lea's young neighborhood friends named her "Queen of Pizza Makers," there was only one thing to do: go to Tic Toc Trophy Shop for a suitable trophy.

Whether it's a trophy as small as these limited budgets would allow or one as tall as a man, Tic Toc Trophy Shop has been supplying trophies to area residents for 17 years.

Originally a sideline to Loyd and Doris Saner's watch repair business, trophies became their sole business in 1962 when they moved back to Akron where they

purchased the Leo Hartner farm and set up shop in a former chicken house. Saner, a certified master watchmaker, stored his watch repair tools in the attic and they've remained there ever since. The only part of the original business that hasn't changed is the name. Appropriate for a watch shop, it sounds strange applied to a trophy shop, but Saner says the catchy name helps contest participants who can't remember his name. "Many twirlers call me Mr. Tic Toc," he laughs.

Now located in a large, modern building that bears little resemblance

HOMER SANER is his son's oldest employee. He is shown putting finishing touches on twirling trophies, one of the firm's specialties.

to the two-storied laying house it once was, the trophy shop annually supplies trophies for as many as 50 twirling contests, each using 350 awards. While 225 of these are medals, the remaining 125 trophies times 50 contests means a lot of gold, silver or bronze marjorette-topped trophies.

And girls are not alone in receiving trophies. Hundreds of Little League trophies and school awards are created here each year. The shop is now national supplier for seven hog breeds in addition to the National Pork Producers Council and the Indiana Saddle Horse Association. Animals that top many of these trophies are hand-painted by shop employees.

Nearly all the trophies shipped from this backyard business grown big are custom-made from component parts. Saner, who estimates he stocks parts and material to make 10,000 trophies and usually has an inventory of 20,000 figures, says this method creates more individualized trophies and gives the customer a larger selection, in addition to cutting down on the inventory.

Marble, walnut, glass and a variety of metals are used to create the trophies. Saner thinks theirs is the only outfit that uses special glass knobs that are painted inside. The most difficult trophy he ever made was one that had a lithographed crown on a plate with a clock

THEY CALL HIM MR. TIC TOC: Lloyd Saner holds the shop's smallest trophy in his trophy-lined showroom. The largest trophy he ever made was almost as tall as he is.

in the center, a picture frame below that and a plate below that. It was awarded to the grand champion barrow at the national show in Austin, Minn.

Now using catalogs more than in the past, Saner has relied primarily on direct sales, traveling over a several state area to set up displays in homes and schools.

The only trophy shop in a 50-mile radius, Tic Toc is basically a family operation. Saner, who handles most of the sales and promotion, estimates his wife, Doris, does 95 per cent of the engraving, easily averaging 40 hours a week at this demanding job. Daughter Deanna (Mrs. Mike Love) serves as office manager and her father's right-hand assistant. Another daughter, Denise, a senior at Ball State University, helps out during school vacations. Saner's 72-

year-old father, Homer, assembles trophies. Rounding out the staff are Ellen Secrist, who also works in a subsidiary business, Saner's Printed Sportswear, and Chad Hartzler, whose job it is to see that orders are filled that will be shipped from Maine to California and from Oregon to Florida.

DEATHS

Swick

Viola A. Swick, 83, a former Akron resident, died Monday morning at the home of her daughter, Mrs. Paul Boganwright, Highland. She had been ill for two and one-half years.

The daughter of the Rev. Daniel and Abbaline Whitmyre Young, she was born Nov. 11, 1891. On July 18, 1913, she married Sherman Swick at Akron. He preceded her in death in 1957. She was a member of the Akron Church of God.

The Tippecanoe Valley Future Farmers of America held its first meeting of the '75-'76 school year at the new high school.

The meeting was opened by the new president, Gary Lipply, and official procedure was followed.

Business included setting a date for a trip to the International Livestock Show in Chicago and selling a book called "Growth of America, 200 Years of American Agriculture." It is published as part of our Bicentennial celebration.

The meeting was concluded and recreation was held in the gym.

The next meeting will be October 8 at the school.

Accident Report

A two-vehicle crash Saturday morning involved a car driven by Jodee K. Stinson and a truck operated by Judith A. Miller, both of R. 1, Akron. The cars collided on CR 350 So., near SR 900 East.

An eastbound car driven by Charles F. Jones, Rochester, was hit in the rear by another eastbound auto driven by Byron P. Leininger, Akron, last Saturday in Rochester. Leininger was charged with following too closely.

Walkathon

to raise funds

The Fulton Co. March of Dimes will sponsor a 15-mile Walkathon around Lake Manitou Saturday, October 4.

Adults and students from the county are invited to participate. Sponsor forms are available at Village Colors, Parkway Body Shop, Wards catalog store and WROI in Rochester. Participants are asked to sign up as many sponsors as possible at specified rates per mile completed.

Registration begins at 8 a.m. in the courthouse parking lot. The walk will begin at 9 a.m.

There will be six checkpoints on the route with ice water, portable toilets and first aid along the way. The route ends at the city park where there will be refreshments. A "Poop Out" bus will pick up those who can't make the entire 15 miles as well as those who are not finished by 4 p.m.

All students under 18 years of age must have the signature of parent or guardian on the form. The student who collects the most money and turns it in within ten days after the walk will receive a 10-speed bike or stereo. The adult with the most money will also be recognized.

The March of Dimes serves all Fulton Co. residents and any baby born in or residing in the county who has one or more birth defects is eligible for financial aid.

Address all inquiries to Helen Enyart, County Chairman, R. 2, Rochester, or phone 223-3354 or 223-6880.

Take your problems to Church this week -

A BIRD AND A DREAM

Birds, especially the smaller birds of fine plumage or beautiful song, have long been associated with soaring spirits, love, purity, mildness and good, while the dove, holding the olive branch is an emblem of peace. These qualities, most of us admire and would like to see them come a-winging; to be the ruling influence in the world everywhere.

What can we do to make such a dream world a reality? First, we can cultivate these qualities for ourselves and secondly can help promote them around the world. The Church is a world-wide institution through which, by earnest participation in the work and activities of the branch of our choice and by zealous support, we can do our share in helping bring about peace and good will everywhere.

Whether you went to church last week, or too long ago, let us see you there this week-end.

Vikings edge North Liberty

Tippecanoe Valley's young football team rebounded from a loss to Northfield to surprise highly regarded North Liberty, 19-18, Saturday night.

The Vikings won on the strength of the same thing that had defeated them the week before - the big play. While Liberty ground out the yardage in small chunks, Tippecanoe struck like lightning on two long runs.

The first of the big plays came on the third play of the game, when Greg Bussard sliced off-tackle for 53 yards and a touchdown. The extra point was blocked, but Valley still led, 6-0.

The Shamrocks battled back with a prolonged drive culminating in a one-yard quarterback sneak for a touchdown. With the score tied at 6-6, North Liberty regained the ball and penetrated to the Vikings two yard line before a penalty and a fired-up Viking defense threw them back.

Taking over on their own seven yard line, the Vikings then put together their best drive of the year. Staying on the ground, Tippecanoe blasted its way upfield, mainly on the strength of Derek Anglin, who carried for 121 yards on the night. Anglin concluded the drive with a 3-yard TD plunge, and Ray Rockhill's extra point made the score 13-6 at halftime.

The Valley drew first blood in the second half, again on a long run, as Dan Koldyke broke free and raced for a 65-yard touchdown. The Viking extra point was nullified on a penalty, but Tippecanoe still held a 19-6 lead. The Viking defense then took over, and though they bent, they never broke, coming through in the clutch to hold off North Liberty.

Although the Shamrocks scored two fourth-quarter fourth-quarter touchdowns (the second after a blocked punt), the Viking defense triumphed on the biggest play of the game. With the score 19-18 and North Liberty lined up to kick the tying extra point, the snap went to

the kicker, who attempted a two-point conversion pass. Jeff Howard knocked the pass away to preserve the lead, and the Viking offense ran out the clock. Tippecanoe Valley, 2-1, travels to Whitko Friday.

C.D.T., on October 14th, 1975 will consider the following additional appropriations which said officers consider necessary to meet the extraordinary emergency existing at this time.

Amounts to be appropriated from the Revenue Sharing Fund:

Item No. 1. Leaf Sweeper..... \$3,000.00
2. Fire Department..... 3,000.00
3. Municipal Code..... 2,000.00
TOTAL.....\$8,000.00

Taxpayers appearing at such hearing shall have the right to be heard thereon. The additional appropriations as finally made will be automatically referred to the State Board of Tax Commissioners, which Board will hold a further hearing within fifteen days at the County Auditor's office in Fulton County, Indiana, or any other place as may be designated. At such hearing taxpayers objecting to any of such additional appropriations may be heard and interested taxpayers may inquire of the County Auditor when and where such hearing will be held.

Dated this 1st day of October 1975.

Mariorie L. Wagoner
City Clerk-Treasurer
Rochester, Indiana

Air Force Association will form Mentone chapter

The first organizational meeting of the Lawrence D. Bell Chapter of the Air Force Association will be at 7:30 p.m. on October 9 in the Mentone American Legion home. The Grissom Memorial Chapter will sponsor the meeting, which is open to anyone interested in airpower, its development and use.

The Air Force Association has its national headquarters in Washington, D.C. It is engaged in sponsoring the formation of local chapters throughout the nation.

A distinguished group of former airmen serves

as officers and directors, including "Jimmy" Doolittle, Carl A. Spatz, Joe Foss, Thomas D. White, Nathan F. Twinning and others. Doolittle and Foss are past presidents of the organization.

Membership is open to anyone, male or female, and former servicemen or women. It is not necessary to be Air Force veterans. Service in any branch of the service qualifies an individual.

The Mentone chapter is being formed in conjunction with the Lawrence D. Bell Aircraft Museum.

Anyone residing in Kosciusko, Fulton or Marshall counties is invited to attend. Persons desiring additional information prior to the meeting should call Bob Whetstone, 353-4275.

benediction. The same program will be presented at a TVHS convocation on November 10.

"In God We Trust," a Ken Anderson production, was filmed among the sites of the nation's early history in the east. Its underlying theme is that the people's belief in God is the strong foundation on which the country was built.

Ed LaMar, TVHS media director, reported on plans for the Bicentennial Youth Debates, which are set for 7:30 p.m. on October 29 in the TVHS lecture room. He said 12 students have enrolled. Plans are being made for cash prizes to be given by the Mentone Bicentennial Commission.

Mrs. Frank Smith, commission chairman, announced that the Kosciusko Co. Bicentennial parade will be Sunday afternoon, July 4, at Warsaw with a religious and patriotic program following at the county fairgrounds in the evening. A gigantic fireworks displays will follow the program. The county committee would like for all citizens to plant red, white and blue flowers in the spring of 1976.

A possible Bicentennial costume contest and an old-fashioned quilting bee were also discussed.

The next meeting will be October 27 at 7:30 p.m. in TVHS. The public is invited.

Stephen fined

George Stephen, Akron, a member of the Fulton Co. Council, was fined \$25 last week for being a minority of one and the Fulton Co. courthouse was closed Friday in protest.

The fine was levied by special judge Addison Beavers of Warrick Co., who found the Council in contempt of court for disobeying Judge Wendell Tombaugh's mandate to pay Donna Carvey, court reporter, an additional \$1,450 in 1975, or \$7,200 per year. The Council had earlier refused to comply with Tombaugh's mandate, saying Mrs. Carvey's increase would be out of proportion to the raises given other court house employees.

After the hearing, in which Tombaugh disqualified himself and Beav-

ers was appointed, the Council met and voted 6-1 to comply. Stephen cast the lone no vote. Along with fellow Councilmen, he was fined \$50 for contempt of court. Fines for the others were suspended, but only half of Stephen's was suspended. Enroute to the clerk's office, he was handed money with which to pay the fine, but he had to Continued on page 2

Miller heads Mentone C of C

Jim Miller has been elected president of the Mentone Chamber of Commerce.

Serving with him will be Bill Westerman, vice-president; Larry Pyle, secretary, and Terry Hammer, treasurer.

Results of the election, conducted recently by the reorganized board of directors were announced at Tuesday evening's annual ladies' night dinner meeting, and retiring directors were honored. The latter are Frank Manwaring, Wayne Baker and Tom Fugate.

Holdover directors are Lloyd Bowerman, Hammer, Raymond Lewis, Kenneth Bush, Miller and Westerman. New directors are Ron Secrist, Lee Bazini and Larry Pyle.

Rita Price served as mistress of ceremonies at the meeting, which was at Teel's restaurant. Raymond Lewis gave the invocation and entertainment was by the Tippecanoe Valley High School swing choir.

Guest speaker Sam Dungan of the Warsaw Chamber of Commerce provided members some new insights as he described the work done by his organization.

TV tax rate slashed

Members of the State Board of Tax Commissioners last week cut \$62,000 from Tippecanoe Valley School Corporation's proposed budget.

They said the slash was made because TVSC

Larry Wise purchases Gates' building

Larry Wise has purchased the building formerly occupied by Gates Heating and Air Conditioning and has begun remodeling it as a decorating center, to be known as Lar-Jo's Day-Kor Center.

Wise will be assisted by his wife, Jody, in operating the store, which will offer a full line of paint, wallpaper and decorating services. Plans also call for inclusion of a tool

Westerman reported the debt on the food stand at the county fair has been retired and that some new equipment has been purchased for it.

Jerry Smith, a member of the county Bicentennial committee, reported there seems to be no reason why Mentone cannot get the distinction of being designated the first Bicentennial community in the county.

Gerald Romine, chairman of the Bell Museum

committee, introduced his co-workers and described the work they are doing.

Bob Whetstone explained the work being done to establish an Air Force Association in Mentone and asked that someone donate a large piece of glass to be used on a Bicentennial bulletin board.

Mary Jane Hill won the door prize, a floral arrangement.

EMS volunteers to meet

Persons interested in taking training to qualify as Emergency Medical Technicians (EMTs) and others interested in Akron's proposed Emergency Medical Service will meet at 7:30 p.m. Wednesday, October 15, in the Akron library basement.

Those interested in taking EMT training can obtain more information by contacting Dick Day, Dr. Charles Miller, John Zimmerman or Ron Fenimore.

If 20 or more people volunteer, the course can be offered locally.

Adult education registration Monday

Registration for adult education classes at Tippecanoe Valley High School will be at 7 p.m. on October 13 at the school.

Purpose of the registration, according to Richard Ralston, director, is to establish which classes will have sufficient enrollment and which of the two nights--Tuesday or Wednesday--would be most convenient for class members.

People interested in other classes not listed in the possible offering published last week are urged to attend the registration. If there is enough interest in another topic, such as cake decorating, tailoring or advanced sewing, the schedule can be arranged accordingly, Ralston said.

Mentone firemen will distribute Tot Finder decals Saturday

As part of their participation in Fire Prevention Week, members of the Mentone Fire Department will distribute Tot Finder decals to town residents Saturday, October 11.

The emblems will be available to everyone in Harrison, Franklin and Newcastle townships and may be picked up later

WHO'S WHO: The biography of Ruby Dillman La Rue, well-known Indiana artist, has been included in the 1975 edition of "Who's Who in the United States" published by the Honorary Society of America, Washington, D. C., and is also included in the 1975 edition of the "World Who's Who of Women," published by Melrose Press, Cambridge, England. Mrs. LaRue and her husband Cleo, who died in 1972, were former Akron residents. Mrs. LaRue now divides her time between her Wabash Co., Indiana, and Florida homes.

Akron board sets 10 p.m. October curfew

Members of the Akron town board have announced a 10 p.m. curfew for October, effective Monday, October 13, and lasting until the end of the month. Youngsters under 18 must be off the streets by 10 p.m. unless accom-

panied by a parent or guardian, or going to and from work or school and church events.

The board announced trick or treating will be restricted to one night only this year--Friday, October 31, from 6 to 10 p.m.

Seek Egg Festival slides

Shutterbugs who took colored slides of Mentone's Egg Festival this summer are urged to contact Jim Miller.

Members of the Bicentennial committee would like to borrow the slides

or retarded person's room. Should fire strike, the decal alerts firemen to clear marked areas first. It is recommended that if a family moves or children's rooms are changed, the decals be removed or relocated.

Mentone firemen plan a paper drive on Saturday, October 25, and will announce more details later.

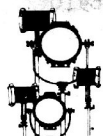

First-class mail service to improve

The U. S. Postal Service has announced its first-class mail service improvement program will go into effect on October 11.

According to the Service's official announcement, first-class mail will receive service that is equal to or better than airmail.

The new service step will extend to all first-class mail weighing 13 ounces or less,

Spotlight on 4-H

By Robin Secrist

This week in the spotlight is our oldest 4-H'er, Lynne Knoop. Lynne just completed her 10th and last year in 4-H. She is a 19-year-old freshman at Purdue University. Her proud parents are Mr. and Mrs. Paul Knoop, R. 1, Mentone. She has two younger sisters and a brother also in 4-H.

Since she has just started college, she has not yet joined any clubs. She does have quite a few hobbies to keep her busy though. Her hobbies include crafts, reading, biking and studying people.

Lynne likes 4-H and feels she has learned a lot during her ten years in the club. "It is an excellent learning experience. You learn about competing and getting along with other kids, about different things like weed identification, canning, electrical wiring, raising domestic animals, taking pictures, ability to teach, showmanship, and much more. Also, it provides a way to meet and get to know other kids all over your county, district, state and country. I've learned countless things - about myself - things like learning to set goals and reaching them, learning to get things done alone and discovering myself as a person. My favorite projects are weeds, forestry and crafts. I like to know the names of different things of nature and what they do - also what I can do with them, therefore I use crafts in nature."

She has already met one of her goals by having her craft project selected for state fair this year. She also hopes her achievement records will go to state this year.

She has received many honors in 4-H, including being chosen as our club's outstanding 4-H'er for three years.

Lynne's favorite quotation is "Don't start something without the intention to finish it."

October 5-11 is national 4-H week. This week is when 4-H'ers all over celebrate the wonderful heritage that has been handed down to us through the great club of 4-H.

We have been doing some research on our club and have found out it was called "Stitch 'n Stir" in 1949 and the leaders were Maude Romine and Francis Olsson. If you were a member of this club or know of an earlier club, please contact me at 353-3130. I will appreciate your help.

As the spotlight dims, we see the Mentone Merry 4-H'ers holding up a beautiful old U.S. flag. Love of our country is a very important part of our heritage as 4-H'ers.

The Merry 4-H Club's next meeting will be at 6:30 p.m. Tuesday, October 14, at the Mentone Youth League building.

making it of no advantage to purchase airmail postage for domestic delivery.

Priority mail (now starting at weight in excess of 13 ounces), which includes air parcel service and international airmail are unaffected by the program and continue in their present form.

Airmail stamps will be sold for use on priority and international airmail. They can also be used in various combinations with other stamps for first-class mail.

Customers will be able to exchange airmail stamps and stamped envelopes and cards at full postage value for ordinary stamps, stamped envelopes and cards. Stationery bearing airmail indicia will be allowed to be mailed at the first-class rate.

Woman's Club hosts Reading Club

Members of the Mentone Reading Club were guests of the Akron Woman's Club Thursday afternoon in the Akron library basement.

Pat Deardorff gave devotions. Thelma Kuhn reported on the district convention. Ruth Heighway and Sherri Shewman sang a duet.

Jo Politz, Rochester, working under a federal grant under the Division on Addiction Services in the mental health department, was guest speaker.

Hostesses were Winnie Summe, Ruby Ellis, Alma Haupt, Thelma Kuhn and Jennie Moore.

4-H '76....Spirit of Tomorrow

By Connie Haney

More than seven million young people between the ages of nine to 19, their leaders and parents, are taking part in the annual salute to the Head, Heart, Hands and Health program.

During National 4-H week, 4-H'ers in all of the 50 states, District of Columbia, Puerto Rico, Guam and the Virgin Islands will not only pause and reflect on our nation's history, but will assess where we stand today and look ahead to new horizons.

4-H'ers, too, have a proud heritage. The 4-H

program began around the turn of the century and grew out of a need for practical and interesting education for farm youth. The first 4-H projects--corn clubs for boys and canning clubs for girls--met this need, but projects have changed, as our young people have grown. Today's 4-H members take part in activities that range from animal care to bicycle, photography, rocketry and nutrition. Although 4-H continues to serve the needs of the rural youth, 17 per cent of the members now come from larger urban and suburban areas.

By setting meaningful goals and encouraging high standards, 4-H lays a broad and strong foundation for a lifetime of

individual growth--meeting the challenge "To Make The Best Better."

60 YEARS AGO

On Monday and Tuesday of this week the county Board of Education consisting of the county superintendent and the township trustee made a tour of inspection of the graded and high schools of the county. The trip proved of much value as it afforded a means of comparison of buildings and equipment as to their suitability for the purposes for which they were provided.

The Ladies Aid will meet with Mrs. E. J. Walton, Thursday afternoon, October 21, at the usual hour. Since this will be calendar day, a good attendance is desired. Also the ladies are making extensive efforts for a grand success for their bazaar that has been dated November 20th.

Attorney Carr has a tract of wild land up on the banks of Rock Lake that he is pleased to call snakpatch, immediately north from Reuben Royers elegant farm house. Last spring Paul Strong leased a few acres of this land from Mr. Carr and planted it in potatoes. It now appears that the patch is lousy all over with great big tubers that four will make a bucket full, owing to the size of the bucket. Paul is greatly encouraged as Carr is selling them readily at 50 cents per bushel, and Paul's share, half of the crop will dig up from 500 to 800 bushels. Next year 25 acres of that land will go down in potatoes, and both landlord and tenant will be rich.

John Downs, the cigar maker, will soon occupy Mrs. Mattie Waechter's property in the north part of town. Fred Stephy and family are moving to his father's farm south of town and on which he has been working for several weeks, putting out wheat and doing other work. Fred intends to make big gains next year over the earnings of the ordinary laboring man at day's work. And Fred can do it. The house vacated by the Downs family will be pretty soon occupied by the owner, Mrs. C. A. Hoover who is returning from Canada in order to put her children in the Akron schools.

39 YEARS AGO

The fire department was called to Scott's Drug Store Monday night to extinguish a blaze which had started in the basement. A box of hot ashes ignited a coal pile, and caused a great deal of smoke to fill the store, making the work of pulling out the blaze extremely difficult.

Ralph Davis, Sam Merley, Chris and Bill Branning and Joe Day returned Monday from a fishing trip in Wisconsin.

Frank Madeford spent the first part of the week in Chicago attending the fall opening of Chrysler and Plymouth cars at the Hotel Sherman.

Mrs. Vivian Strong and Mrs. H. C. Bowers will be hostesses to the I-Go-U-Go Home Economics Club next Wednesday afternoon at the home of Mrs. Strong. Roll call will be answered by giving favorite recipes, and the lesson will be on corrective seating.

25 YEARS AGO

Henry township's annual community chest drive will begin on October 21 and last throughout the following week, according to a decision of the board of directors which met last night to make plans for the event. The quota will remain at \$3,000 as in the past years, even though some of the organizations who benefit from the chest have had to have more money than was originally anticipated. Chest officers believe they can get by on the same amount of money, unless some unforeseen emergency arises. Members of the chest committee are: Lester Wood, Roy Meredith, Thelma Kuhn, Robert Burns, Mabel Gast, Irene Freese, Joe Boswell and Mrs. Earle Boone.

The Builders Class of the Methodist Church met last Thursday night at the home of Mr. and Mrs. Dale Sheetz with Mr. and Mrs. Max Waechter assisting. The theme was a bad taste party and everyone came dressed appropriately in extremely bad taste. Mrs. Roy Meredith received the prize for being dressed in the worst taste. The evening was spent playing games and refreshments served in bad taste by the hostesses were enjoyed by the group.

Fire equipment ranging from 1910 to 1950 will be on display during a Firemen's Association Fire Prevention program at the 4-H Fairgrounds Sunday afternoon at Rochester. The 1910 horse-drawn model will be driven by Bill Ballenger and "firemen" will be Carson McGuire, James Zimmerman and Bob Foellinger. Akron will furnish a 1919 model, Rochester a 1926 model, Kewanna a 1944 high pressure truck and Rochester township will have on display a new \$12,000 rural fire truck that was unloaded from a freight car today. The new truck will not be ready for actual use, however, for several weeks.

Style show and card party will aid remedial reading

Proceeds of a style show and card party planned by Mentone's Beta Epsilon chapter of Psi Iota Xi sorority will aid the remedial reading program in Tippecanoe Valley School Corporation.

Using a Bicentennial theme with all members dressed in costumes of years ago, the October 15 7:30 p.m. event will feature fashions from The Green Apple and Barney's of Warsaw and The Fashion of Bourbon and Nappanee. Clothing for the entire family will be shown.

In addition, fashions of years gone by will also be modeled.

A barbershop quartet composed of Roger Smoker, Bernard Kuhn, Don Poyser and Ken Weaver will sing old songs throughout the show. Music will be furnished by Rozella and Lana Tinkey.

Men are welcome to attend.

A salad bar will follow the style show.

Complete information regarding cost, etc. can be found in the sorority's ad in this week's NEWS.

Pool information

By Wayne Cumberland, TVHS pool director

Various circumstances have arisen in the past that makes it necessary that the public be made aware of the pool rules. These rules are posted in the locker rooms and in the pool areas. Anyone who disobeys them will lose their pool privileges.

Parents are requested to note Rule 6 in particular, which regards children under the age of nine. They should read each rule carefully.

Several comments have been made regarding the water temperature. The rules for holding an IHSAA swim meet stipulate that the water temperature be between 78 and 80 degrees. We are now in the process of lowering the temperature to this range. Once it is reached, it will be maintained throughout the swimming season.

SCHEDULE CHANGE: A change for Saturday, October 11, will be as follows: NO open swim Saturday afternoon or evening. The pool will be open from 1 to 5 p.m. on Saturday only for try-outs and registration for those students

interested in joining the Tippecanoe Valley Aquatic Club. The pool will be closed Saturday night due to the football game with Rochester.

Fire destroys Shewman barn

Fire destroyed a barn containing a tractor, combines and hogs early Saturday morning. The barn, owned by Con Shewman, R. 2, Akron, was engulfed in flames when Akron firemen arrived at 1:30 a.m.

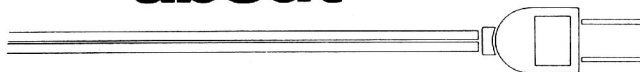

Assisted by Rochester firemen, they concentrated on preventing other buildings from catching fire.

energy conservation

90th birthday

Myrtle Davis, Mentone, will observe her 90th birthday Sunday.

Mrs. Davis, who makes her home with her children since her eyesight is impaired, has three sons and two daughters, Earl, Tippecanoe; Mrs. Howard (Pearl) Horn, of Mentone; Harry, Silver Lake; Mrs. Earl (Orpha) Leedy, Warsaw, and Emory Davis, Mentone. She also has 13 grandchildren and 17 great-grandchildren.

Some people say that if we all conserved energy, more power plants wouldn't have to be built or electric rates raised.

Sounds good. But the fact is that unless electric companies all over the nation are able to increase generating capacity, the nation faces a very serious energy crisis in the years ahead.

We're all for the wise use of energy to conserve fuels and save money. But conservation will not do away with the need for more power.

Our nation is running out of oil and gas. This is perhaps the most sobering threat America faces today. More and more things simply will have to be done with electricity made from abundant coal and uranium if we're to keep our economy intact. Future demands for electric energy will be staggering.

Without adequate electric energy supplies, even existing jobs and paychecks will be in jeopardy.

Look, too, at your own living pattern. The average family served by Public Service Indiana uses twice as much electric energy now as it did ten years ago. As families increase their earning power, they expect to enjoy appliances they haven't had before.

For all these reasons, more electric generating capacity will be needed. It can't be built unless utilities are able to finance expansion. The main reason electric rates must rise with today's inflation is so that you and your neighbor will have all the power you need tomorrow — at home and at work.

We don't expect you to like higher electric rates. We just hope you agree that the alternative is unacceptable.

Taken from the Oct. 12, 1949, issue of the Northern Indiana Co-Op News:

Regular garbage collection in Mentone will end Friday, October 14.

The following officers were chosen at the Oct. 6 meeting of the Friendly Neighbors Club at the home of Fern Beeson: Stella Studebaker, president; Mildred Greulich, vice-president; Mary Welch, secretary; Maude Romine, assistant; Alta Harold, treasurer, and Audrey Turner, assistant.

Barbara VanGilder was in charge of the evening's entertainment at Tuesday's meeting of the Mentone Legion Auxilia-

ry. It consisted of a patch sewing contest. Mareta Tucker, in costume, presented a vocal number, "Patches," accompanied by Marilyn Tucker.

Byron Linn spent a few days last week visiting his home territory near Millersburg, Ohio.

The Lake Trail Cafe shuffleboard team defeated Leesburg on their home grounds Monday evening.

Jeanette Mollenhour, assisted by Lucille Teel, was hostess to a "hard times" party for members of the Jolly James Home Economics Club Monday evening. Officers elected were Mary Esther Romine, president, Grace Lewis,

vice-president; Esther Markley, secretary, and Martha Ellsworth, treasurer.

Dick and Miles Manwaring and Jack Shinn left the fore part of the week for an air trip to California. By joining an air reserve organization, they became eligible to make the trip to the national convention in an Air Force transport leaving Camp Atterbury. They expected to be back over the weekend.

NOTICE TO TAXPAYERS

NOTICE is hereby given the taxpayers of the City of Rochester, Fulton County, Indiana, that the proper legal officers of said municipality at their regular meeting place at the City Hall, at 7:30 P.M. C.D.T., on October 14th, 1949, will consider the following additional appropriations which said officers consider necessary to meet the extraordinary emergency existing at this time.

Amounts to be appropriated from the Revenue Sharing Fund:

| | |
|-------------------------------|--------------------|
| Item No. 1. Leaf Sweeper..... | \$3,000.00 |
| 2. Fire Department..... | 3,000.00 |
| Equipment..... | 3,000.00 |
| 3. Municipal Code..... | 3,000.00 |
| TOTAL..... | \$12,000.00 |

Taxpayers appearing at such hearing shall have the right to be heard thereon. The additional appropriations as finally made will be automatically referred to the State Board of Tax Commissioners which Board will hold a further hearing within fifteen days at the County Auditor's Office in Fulton County, Indiana, or any other such place as may be designated. At such hearing taxpayers objecting to any of such additional appropriations may be heard and interested taxpayers may inquire of the County Auditor when and where such hearing will be held.

Dated this 1st day of Oct. over 1949.

Margorie L. Wagoner
City Clerk-Treasurer
Rochester, Indiana

Rainbow installs Miss Stewart

Stephanie Stewart was installed Worthy Advisor of Akron Assembly 91 at a public installation on October 4. She is the daughter of Mr. and Mrs. Larry Stewart.

Stephanie wore a yellow formal and carried a nosegay of yellow daisies. The room was decorated with baskets of daisies in the East and at the altar.

Stephanie was escorted to the altar and after taking her vows, the soloist Linda Cumberland, sang "I Believe". Her father escorted her to the East while Mrs. Cumberland sang "Somebody Bigger".

Other officers installed were Dena Dugan, Worthy Associate Advisor; Jeannette Ogle, Hope; Melanie Turner, Faith; Barb Chaney, Drill Leader; Brenda Burket, Love; Melanie Rinker, Nature; Jama Shank, Fidelity, and Kathy Gagnon, Confidential Observer.

Installing officers were Mae Miller, Installing Officer; Jodee Stinson, Marshal; Rev. John Moore, Chaplain; Deena Turner, Recorder; Virginia York, Musician. Ushers were Doug Kelly and Larry Ruff. Registrar was Sandy Pugh and services were Betsy Mathias and Cheryl Kelly.

Barb Chaney, Junior Past Worthy Advisor, was escorted to the altar to sign the Bible while "Both Sides Now" was sung. She was then escorted to the East where she presented Stephanie the Worthy Advisory's traveling pin.

Barb passed out merit bars to Dena Dugan, Melanie Turner, Kathy Gagnon, Jodee Stinson, Jama Shank, Jeannette Ogle also received attendance bars.

Refreshments of cake and punch were served in the dining room following the installation.

TVHS to host Bicentennial debates

Tippecanoe Valley High is participating in a national Bicentennial program called Bicentennial Youth Debates.

BYD has both high school and college age divisions and is open to any person under 25 years of age who has not yet received a bachelor's degree. TVHS's events will take place on October 29 at 7:30 in the lecture room.

Local winners will advance through district, sectional and regional levels of competition to a final national conference. Scholarships will be awarded to outstanding participants. There will be a winner in each of three events: Lincoln-Douglas Debate, extemporaneous speaking and persuasive speaking.

The purpose of BYD is

to encourage students to examine American history and values through the vehicle of debate.

The Mentone Bicentennial Commission is furnishing prize money.

Adult education deadline extended

The deadline for registration for adult education classes has been extended until Oct. 20. Classes will begin October 23 and will run for 10 weeks.

In addition to the classes previously announced, cake decorating and advanced sewing have been added.

Mentone sets 9 p.m. curfew

Mentone's 10 p.m. curfew will be lowered until 9 p.m. for the balance of October, according to a decision reached last week by the Mentone town board.

Trick or treating will be limited to Friday night, October 30, from 6 to 9 p.m. The Lions-sponsored parade on October 31 will curtail any trick or treating on that night.

In other action, the board voted to update all traffic ordinances.

Regional coordinator will address Akron EMS group

Phil Halscz, So. bend, regional Emergency Medical Service coordinator, will talk to Akron volunteers Friday at 7:30 p.m. in the library basement. The meeting will be the second of the week, the first one

being conducted last night to determine how many people are interested in taking EMT training.

Mr. Halscz will describe steps local volunteers can take in getting a unit organized.

\$1,720.90 collected to date by Community Service

A total of \$1,720.90 has been collected and turned over to treasurer Randall Leininger as the Henry Township Community Service drive enters its second week. The goal is \$5,650.

Workers, listed in the order of their districts, are Alona Leininger, Florence Kinley, Evelyn and Betty Schip-

per, Mrs. Ralph Davis, Priscilla Burdge, Grethel Ellis, Violet Smoker, Mrs. Harold Maddux, Mary Margaret Leininger, Mrs. Keith Mathias, Anne Bryant, Helen Lewis, George Sheetz, Mrs. John Rhoades, Bonnie Bickel, Lois Woolley, Evelyn Howard, Eva Hartman and Judy Roser.

Akron Lions to have spooky dungeon

Goblins and witches and a lot of unidentified things will invade

the Akron Lions Den on October 30 and 31, promising to scare only

the meek. The brave will visit the torture chamber and take part in all the other activities in the Lions' spooky dungeon. Complete information can be found in the Lions' ad in this week's NEWS.

Mentone Lions plan Hallowe'en festivities

Details of the annual Mentone Lions Club Halloween parade are announced in this week's

NEWS. A parade and contest for best masked individuals will highlight the event.

Mentone Cub round-up set

Round-up for new Cub Scouts in the Mentone area will be Tuesday, October 21, at 7:30 p.m. in the Mentone school cafeteria.

There will be a pumpkin carving contest for all Scouts--new and old. Prizes will be awarded

for the best entry.

Boys ages 8-10 are invited to attend and should take a pumpkin carving knife and parents.

Devon Dunnuck is Cub Master and may be contacted at 353-4014 for additional information.

Haunted house in Akron

The second house north of the Brethren Church, Akron, will be haunted October 24 and 25. Persons desiring to visit the spooky premises will have hair-raising experiences, according to Akron Jaycees, sponsor of the two-night adventure.

The great are the truly humble.

Darrell and Doug Miller purchase Miller's Hardware

The area's newest businessmen are Darrell and Doug Miller, Mentone.

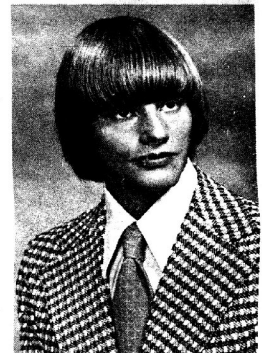

They have purchased Miller's Hardware from their parents, Jim and Lois Miller, and will assume ownership October 19.

Darrell, a 1973 graduate of Mentone High School, and Doug, a senior at Tippecanoe Valley High School, are not newcomers to the hardware business. They have assisted their parents since the store first opened in 1964 in a building since replaced by the Farmers State Bank drive-up window. In 1968, the Millers purchased the former Northern Indiana Co-Op hardware and moved the business to the larger building. They have since remodeled and enlarged the size of the store.

Jim and Lois Miller, who also operate Miller's Mobile Home Court at the west edge of Mentone, will continue to be associated with the hardware but on a less active basis.

TVAC members register for Jaws

Sixty families joined the Tippecanoe Valley Aquatic Club at Saturday's registration with a total of eighty students desiring to swim with the "Jaws."

In the event anyone was unable to register Saturday, they should take the family's membership dues along with their registration fee to swim practice, now set for 5 to 7 p.m. Monday through Friday.

Registration in age-group categories was broken down as follows: 8 and under--eight boys and two girls; 9-10--16 boys, 12 girls; 11-12--14 boys, 14 girls; 13-14--four boys and seven girls and 15-up--two boys.

The first practice was conducted Wednesday evening with TVAC coach Diana Smith in charge. She reported she was pleased with the first practice.

Akron UNICEF drive Oct. 21

Akron's annual UNICEF drive for funds will be Tuesday, October 21, according to Mrs. Kent French, chairperson.

Mrs. French suggested people leave on their

porch lights that night as a convenience to the children, who will carry UNICEF boxes. Rain date is October 22.

The drive will start at 6:30 p.m.

Whetstone heads Association

Bob Whetstone was named president of the Lawrence D. Bell Museum Chapter of the Airforce Association at the unit's Thursday night organizational meeting.

Serving with him will be Gerald Romine, vice-president; Robert Hill, secretary; Dick Webb, treasurer. Members of the board of directors

Association

are Ned Igo, Dale Wallace, David Cooper, Bob Tucker and Jim Miller.

The meeting was attended by several officers from Grissom Air Force Base.

Charter memberships will be issued until the end of the week. The charter will be presented at a dinner and dance at Grissom on Dec. 12.

Our Readers Write

Dear Editor:

As a part of our 'Bi-centennial Project' we hope to gather picture postcards from around our great country for use in a permanent school exhibit.

This collection, we feel, will be enjoyed by students and citizens of Colorado West for many years to come.

We would certainly be pleased to receive picture postcards from your readers so that we might better appreciate your section of America.

The students of Delta Junior High School extend thanks to your fine newspaper for publishing our letter, and our deep and sincere appreciation to those who would take the time and effort to help us with our project.

Respectfully yours,

Cost of wheat

Dear Editor:

We recently received some USDA information which I believe will be of interest to farmers and consumers. A bushel of wheat provides flour for about 70 one-pound loaves of white bread. Therefore, a price change of \$1 per bushel would change the net cost of the wheat ingredients in a one-pound loaf by only 1.2 cents.

In 1973, a special study indicated the average cost of a pound loaf was 27.6 cents. Of this, farmers received 4.1 cents while the costs of processing, distribution and other were 23.5 cents. Of the 23.5 cents, 10.75 was labor, 1.34 profit, 1.23 advertising, 1.14 packaging, .62 depreciation, .51 transportation, .33 business taxes, 7.55 other costs. One surprising statistic was that the labor cost to move a loaf of bread from the bakery to the retail store was 4.52 cents, which was more than the 4.1 cents the farmer received for the wheat.

Married men make the best husbands.

I must keep growing

Forest Quad
Bloomington, Ind.

Dear Ann Sheetz:

After graduating from Tippecanoe Valley High School and working this summer, I made my preparations and looked forward to attending Indiana University here at Bloomington this fall. Very few if any campuses in the world can compare to IU, I've been told. And as an alumna yourself, Mrs. Sheetz, I'm sure you can agree. Fall at Bloomington or anywhere in southern Indiana is beautiful, but its beauty seems enhanced tenfold when the trees and almost tame squirrels and birds preparing for winter, and people everywhere in brightly colored sweaters and jackets surround you. Football games, mid-term exams, outdoor concerts and trips to Brown Co. State Park for picnics are just a small portion of the many activities of such a large campus.

What I want to share, though, is a poem that I read in a magazine entitled "Alive Now." The adjustments to college, whether large or small in size, is quite difficult maybe even impossible after coming from a small, rural school lacking (previously) in academic preparation, and hopefully improving with the consolidation in quality of equipment, teachers and administration to offer the willing student a modern education which will be expanded through college.

The poem, "Growth," can be applied in all areas of our lives and says:

I must keep growing if I am to keep alive.

I had rather be comfortable and more smoothly in the easy ruts.

If I grow outward, toward the larger dimensions of life.

I will find that the more I grow, the more I realize I don't know.

I had rather be satisfied with the little I understand

Troy, 8, and Nikki, 4, children of Mr. and Mrs. Dewayne Manns, Silver Lake.

And believe that I know a lot because I have experienced a little fully.

It is frustrating to move into new areas and face the fact I may fail.

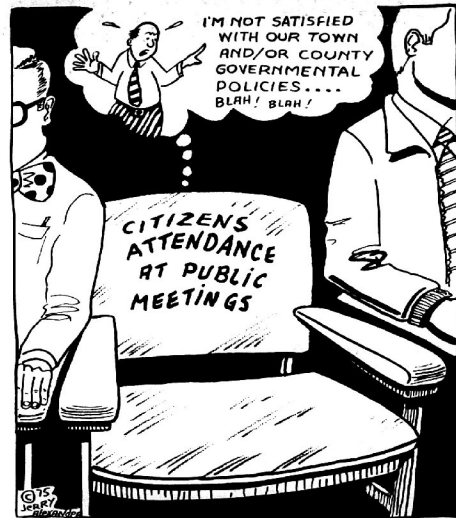

But failure is the price of growth and the miracle is:

I can fail, without being a failure.

--Joe Hale

Possibly you can find room for this poem which I have really applied to my life here on the Bloomington campus and will continue to use throughout my life.

Most sincerely,
Nancy Ettinger

ODDS and ENDS

By Ann Sheetz

Every family has a specialty it trots out for company--beautifully roasted prime rib, barbecued spareribs extraordinary, baked Alaska. The list could sound like a gourmet's delight.

But, I suppose, too, every family has its "thing," the dish that somehow never comes off quite right.

My mother has always been a beautiful cook, and I can think of few things she's ever made that have been less than perfect. But, put her recipe in the hands of a different cook and anything is possible. If you don't believe me, ask my brother. He was the one who took to making mayonnaise cakes one summer. When Mom made them, they were tender, moist chocolate cakes. When Alan tried the same recipe, the result was a layered mass of lead that became known as "gut stopper."

Once, when he announced he intended to bake a cake, I jumped up and down in mock delight and yelled, "Whoopee, gut stopper!" Our dog got so excited she circled the house, barking with delight. Her joy was short-lived when she was given a huge chunk of the heavy cake. We found it a year later, buried at the bottom of a bin of wheat.

I had plenty of failures after Loren and I were married--using frozen cherries in a recipe that called for canned (very crunchy), yeast dough that either raised too much or too little, coffee cakes without baking powder, but it wasn't until this year that I perfected "my thing."

It was a cold winter Sunday and one of the boys brought a friend

home for dinner. We were all in a hurry to go away and dinner was all but done when I discovered there was no dessert. I had a lot of frozen blueberries so I plopped some into a baking dish and sprinkling on the same topping I use on apple crisp, figuring it could bake while we ate. Repeated trips to the oven showed little progress so I continued advancing the temperature, not stopping until I passed the 500° mark. By the time I put the dessert, still in its glass baking dish, in the center of the table, it could only be described as piping hot. It was too hot to pass

so I served the dessert while everyone added his own ice cream, which melted immediately, forming little streams of milk in the bubbling mixture. Bubbling? Blurping was a better description. What remained in the dish bubbled up and popped with a blurr, sending everyone into gails of laughter until the next blurr.

And of all the desserts I've made that turned out okay, what do they still want? Blueberry blurr. It's the specialty of the house.

Things to come?

From an anonymous source comes this prediction:

"I hate to hang crepe, but if this fumbling generation doesn't hurry up and learn to live in peace there may not be anyone left in 2075 to dig up the century-old predictions, and to laugh.

My guess is that the average height of people by then will be 10 or 12 feet, if we keep on enriching food.

There'll be no such thing as house airconditioning. Instead, all outdoors will be airconditioned from controls on our 71st state, the Moon.

With muscles a thing of the past, there will be almost no walking. Instead, people will move about in powered rocking chairs.

I know this in an incomplete picture. But it's a starter."

Editor's comment: What a start!

This Was News

60 YEARS AGO

Usually corn cribs are pretty well ventilated but those that are not, will not fit places to store this year's corn crop. Sappy, immature corn will spoil in storage unless it is given plenty of ventilation. Where the crop must be harvested and cribbed before it has had a chance to cure out, it would be a wise precaution to put temporary ventilators in the crib. Drain tile placed lengthwise of the crib through the corn will let in the air or boards can be nailed together to form a ventilating flue.

Already there has been some temper displayed in this town's election. There is but little use for temper. Temper makes matters worse. The mass convention was called in order that no one man could run the business, or secure a ticket of his own making. And it looks to us as if it would be impossible for one man to dig out a special ticket in a convention composed of 75 voters, not nearly so easy as it might petition. The convention ticket comes nearer representing the voice of the people than a petition ticket, if there is any difference.

Akron schools are setting a popular race for other schools of northern Indiana. This week Fulton town faculty and Bourbon faculty were both here visiting Akron schools and getting pointers on how to run town and township grades and high schools together. C. B. Harris of the Bourbon Mirror was along with the bunch of ten teachers.

James Barns was down to Akron Tuesday. He lives with his brother Adam over near Silver Lake and since it is growing near winter and James furnishes his own bed, he thought it was time to replenish the bed covering and came after a pair of blankets. The squirrel, he says, always prepares for winter.

39 YEARS AGO

The annual season of practical jokers which invariably comes into its own previous to Halloween has brought with it this year a warning by the town authorities that anyone caught soaping windows or otherwise disturbing other peoples' property, will be prosecuted and penalized this year.

The annual fried chicken and swiss steak supper which is sponsored by the Beaver Dam Parent-Teachers association is scheduled to take place next Tuesday evening at the school house. Mrs. Maynard Summe, Mrs. Merl Tucker and Mrs. Lindsey Huffer are on the committee this year. Charles Leininger is president of the PTA.

Mr. and Mrs. Oscar Fites spent the week-end in So. Bend with Mr. and Mrs. Don Mitsell and daughters.

Mrs. Kate Judd entertained several friends last Thursday night at a party, honoring Mrs. Whit Gast. Bridge was the diversion of the evening and four tables progressed.

Hillis announces service academy deadlines

Congressman Elwood H. "Bud" Hillis has announced a Nov. 1, 1975, deadline for those young people interested in submitting applications for nomination to the United States service academies.

In making the announcement, Hillis said the people making application should be planning for classes entering in July 1976. He said the Fifth district has vacancies at all four academies (Naval, Air Force, Military and Mer-

chant Marine). He noted that all the service academies are now accepting women. Those interested in applying should write Congressman Hillis at 1721 Longworth House Office Building, Washington, D. C. 20515.

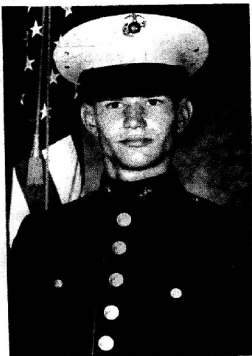

Appointment to the Coast Guard Academy is made solely on the basis of examination and prospective adaptability to military life. There are no Congressional appointments or geographical quotas. All

qualified young men who are interested in attending the Coast Guard Academy should write directly to Director of Admissions, U.S. Coast Guard Academy, New London, Connecticut 06320.

Mr. and Mrs. Rick Sechrist, Warsaw, are parents of a son, Scott Allen, born Oct. 8 at Murphy Medical Center. The baby weighed eight pounds and 15 ounces. They have a daughter, Carrie Ann, age 3. Grandparents are Mr. and Mrs. Walter Weber, Akron and John Sechrist, Warsaw.

Seedling orders being accepted

Applications for tree seedling orders from the Indiana Division of Forestry can now be secured at the County Extension Office, according to Harold Brown, extension agent, agriculture.

A variety of seedlings is available for timber, windbreak, erosion control, Christmas trees or wildlife purposes.

Mailed applications will be accepted until March 15. Those ordering trees will be informed when (next spring trees can be picked up at the Jasper-Pulaski nursery near Medaryville. However, Brown will pick up and deliver seedlings to the Fulton Co. courthouse for those who so indicate on the application form.

It Happened In Mentone

Taken from the Oct. 12 and 19, 1949, issues of the Northern Indiana Co-Op News:

Mentone men aid Indiana team in capturing Longrifle title

LONGRIFLEMEN Ray Yazel, Mike Yazel and Everett Warren, all of Mentone, were members of the Indiana team that last week defeated teams from Ohio, Tennessee and Kentucky.

Three Mentone men were members of the Indiana longrifle team that defeated Kentucky, Ohio and Tennessee teams last weekend in the 1975 Longrifle shoot-out in Kentucky.

Mentone club visits Warsaw

Sixteen members and two guests of the Mentone Extension Homemakers Club recently went to Warsaw where they visited the glass factory and Millers Merry Manor. After lunch at Grace Village Retirement Home, members went to the Light and Life book store and to Ken Anderson's studio. A proposed boat trip was spoiled because of rain so members spent the rest of the afternoon shopping.

They are Rex and Mike Yazel and Everett Warren. The latter, a newcomer to the ancient art of firing longrifles, was captain of the 11-man team.

The shoot-out was part of the Daniel Boone Festival and was attended by two descendants of the frontiersman.

The Kentucky Long Rifle is a flintlock rifle with a barrel of about 36-40 inches. The rifles, shot in the matches vary in caliber from .30 to .50 caliber. Most of the riflemen make their own lead bullets. The black powder

is measured accurately and poured into the barrel followed by the lead ball which is forced into the barrel with a ramrod. Fine black powder is then put in the flash pan. The charges are set off by a spark produced by the flint striking a soft metal arm when the trigger is pulled. There is maybe as much as one second between the pull of the trigger and the time the bullet leaves the muzzle. These guns shoot very accurately if the riflemen can hold steady during this time.

Rainbow meets

Stephanie Stewart, worthy advisor, presided at the first stated meeting of her term October 13. Mrs. Norman Burkett will be taking the girls to a school of instruction at South Bend Saturday October 18.

The refreshment committee for the work day and practice October 23 at 1 p.m. will be Melanie Rinker, Jama Shank and Dena Dugan. At this time they will make their official mascots, "Norka" and all girls are urged to come and help.

Stephanie appointed her telephone and card sale committee consisting of Libby Porter, Melanie Turner, Jama Shank, Dena Dugan, Sherry Bickel and Kathy Gagnon.

A Bazaar will be held the first Saturday in December. A date and place will be set later for the hay ride. The girls have a few Bicentennial calendars left and anyone wanting one may see any of the members.

Following the closing, refreshments of cokes and cookies were served in the dining room.

Omega society packs clothing

The Omega Missionary Society met at the home of Mrs. Paul Bowen Wednesday afternoon. Marilyn Kruger gave devotions and Janice Stubbs led in prayer. Twelve boxes of clothing were sorted and packed for the Southland Mission.

get a new GAS DRYER!**

If an old clothes dryer is getting you down, it's probably time to trade it in for a new gas dryer.

You can save hours of tedious ironing save energy, too. Many articles of clothing come out of a new gas dryer ready for the hanger or folding. Others may need just a little "touch-up." And you may not need to have the dryer on as long.

A new gas dryer can be a real work-saver and time-saver for you. Why don't you consider replacing that old dryer now.

HEART RESEARCH

News Of Interest To Homemakers

BY ANN HANCOOK
Area Extension Agent, Kosciusko County

The month of October has been declared "Homemakers Month" by Gov. Otis Bowen. Without question, homemaking is the largest single occupation in the world. The services provided by a homemaker are often taken for granted.

Today's homes are often miniature businesses for much of the services in its operation.

In recognizing the women's role in planning, controlling and evaluating the activities of her home, people are beginning to suggest the term "home manager" as an appropriate description of this responsibility.

Home management is a demanding job. Traditionally this has been a female responsibility. Even today, when "women's liberation" is a household term, we find

the major responsibility for managing the home the woman's responsibility.

With the increased use of many work-saving appliances, home managers still find themselves pressed for time. Perhaps much of this is due to the fact that fifty percent of the homemakers in Indiana hold down forty hour a week jobs outside the home. Also, today's woman participates more in community

service projects, on councils and boards.

In years gone by, the family worked as a unit on the family farm. Every member of the family was needed to help out. Working side by side, the family as a unit was strengthened. Perhaps today the job of managing the home is a family activity. With the father, mothers, sons and daughters working together as "homemakers."

Things I Remember

By Goldie Kesler

Pioneer children didn't have much from which to make dolls. Their dolls were made of rags, buttons and most of all corn husks. We had lots of play houses made by slipping a board between the rails of a fence corner. Every corner became a house. Bits of bright broken dishes served for our dishes. A board laid across sticks of stove wood made table chairs or anything else needed in a home.

I possessed a boy doll. We bought the china head with painted on hair parted in the middle and Grandma made a coat and trousers from scraps of Grandpa's clothes she was making at the time. I also had a lovely, dainty, tiny doll my other Grandpa brought from Buffalo when he went there to sell carloads of cattle. She stood on the fireplace mantle, very much like some ladies, just to be admired, but not very useful.

My father brought me a wonderful doll with disque head, hands and feet, although it had a cloth body. It had a wig of real hair. We never took this doll out doors as my sister, who was a milliner, had made beautiful clothes of silk and velvet and if we had forgotten and left her outdoors and it rained, all her nice clothes would have been spoiled.

One time, after a long, rainy spell I went to get my doll and her beautiful wig fell off, the glue had melted. There, inside her head,

were all the wires and plaster that made her eyes and teeth work. I got one glance and ran screaming to Grandma, "it's a nigger. It's a nigger." We were taught to be afraid of colored people, because the only ones we saw were the tramps who rode the trains near our house and begged and stole of the farmers while the train took on water. It was the worst word I could call the poor doll. She was put in the bureau drawer until her wig could be glued in place again, but I think I was always fearful the same thing would happen again.

The other day I saw a chubby little tot dragging a doll by a wisp of hair, which had evidently once been a beautiful head of nylon hair. Suddenly, she stopped, hugged the rag doll close to her and kissed the dirty face fiercely. "I wuv you, Kate," she said. Right then I knew what makes the world go around.

Spotlight on 4-H

By Robin Secrist

This week in the spotlight are two sisters, Norma and Luann Knoop. Their parents are Mr. and Mrs. Paul Knoop, R. 1, Mentone. They both attend Mentone Jr. High.

Fourteen-year old Norma is beginning her fifth year in 4-H. She has learned different ways and new ways of doing things through 4-H. Why does Norma like 4-H? "You learn how to work together as a group and how to do things right."

Norma Knoop

In the past, she has enrolled in foods, bicycle, crafts and achievement records. Her favorite projects are foods, crafts and achievement records. "Foods because you learn how to cook different things; crafts, you have to think of ideas or find different ones each year; achievement records; you get awards for it and you can look back and see what you did."

Norma's goal for this year is to enroll in projects and get them completed. Also to get a good grade on them.

She has been an officer in 4-H and is proud of the 4-H jacket she won through her school records project.

She is also active in YF, band, chorus and softball. Her hobbies

are macrame, crafts and knitting.

Luann, Norma's 11-year-old sister, is also an active 4-Her. She has been in 4-H two years and has been enrolled in home furnishings and forestry. Forestry is her favorite project because she learns the names of different trees.

Her goal for this year is to get her projects done early. This year her home furnishings project was chosen for state fair. Luann likes 4-H because she likes to go to a lot of places. Through 4-H she has learned not to be afraid of people.

Luann is also active in band, church choir, softball, Scouts, school swimming and MYF. Her hobbies are softball and games.

These two outstanding 4-Hers are working hard to keep up with their older sister, Lynne, who was in the spotlight last week.

In 1946, our 4-H club was called Mentone Merry Makers. The leaders were Jerry Smith and Maxine Haney. I would like to thank Elaine Fugate, who was a member of that club, for this helpful information. More information on this club or others will be appreciated. Call 353-3130 if you have more information about the history of the Mentone Merry 4-Hers.

Bicentennial matching grant money available

The American Revolution Bicentennial Administration (ARBA) has made available an additional \$40,000 per state in matching grant money

Author to speak

Jessamyn West, author of the best-selling *THE FRIENDLY PERSUASION* and more recently, *THE MASS-ACRE AT FALL CREEK*, will be guest speaker Saturday, October 18, at the Showalter Pavilion of the Indianapolis Museum of Art as the Indiana State Library celebrates its 150th anniversary. The public is invited to attend this Sesqui-centennial program at 2 p.m. and to join in the reception immediately following.

Miss West is a native Hoosier and is a much sought-after lecturer and teacher in the literary community. She has been awarded five honorary doctorates in humane letters and literature.

NEW BOOKS

AKRON CARNEGIE LIBRARY

New books at the Akron Carnegie Public Library include the following:

JOURNEY by Robert and Suzanne Massie. This is the story of the authors long struggle against their only son's hemophilia and the ways in which that struggle has tested their education, their philosophy and their religion, profoundly deepening and enriching their lives.

A PRELUDE TO GLORY by Herbert Krause and Gary D. Alson. This is a newspaper accounting of Custer's 1874 Expedition to the Black Hills.

MY FRIENDS AND MISSES KINDNESS by Jane Duncan. After her husband's death and her own breakdown, from which she has been rescued by her good friend Sashie, Janet Sandison sets sail from her West Indian home to return to Scotland and make a new life for herself as an author. She is beset by doubts, but as the days pass aboard ship the personalities and dramas of her fellow passengers claim her attention more and more, not least of all the puckish child Helga, and the three elephantine sisters, the Misses Kindness, whose mission in life themselves as possible. Janet finds an unexpected and rewarding friend, and as the ship draws near to England and the threads of all their lives dramatically come together for a while.

THE YEARS OF MACARTHUR, VOL. 1, 1880-1941 by D. Clayton James. This book the first of a two-volume biography is a portrait in depth of this military genius, from his early days down to Pearl Harbor.

for support of Bicentennial projects and programs around the nation. Totalling \$2.2 million, the money comes from net revenues from the sale of Bicentennial medals and the ARBA's commemorative licensing program.

The first matching grant program for fiscal year 1976, it is, however, the third increment of \$40,000 in non-appropriated money that has been provided each of the 50 states, the District of Columbia, Puerto Rico, American Samoa, Guam and the Virgin Islands.

As in the past, all money will be awarded through state Bicentennial commissions which will also monitor the grants. Projects to be supported may be conducted directly by the state commissions or by state or local government agencies or non-profit organizations.

Project sponsors must apply to the state commissions for the grant money, and projects must be officially endorsed or recognized by the commissions to be eligible. Determination of

eligibility is primarily within the discretion of state commissions.

ARBA will allow in-kind contributions to be used for up to one-half of the matching requirement to promote the widest possible participation in the Bicentennial. In-kind refers to contributed labor, administrative support and the like and can be particularly important to the groups singled out by Mr. Warner who may not have a great deal of financial resources.

Public Law 93-179 established the period of official Bicentennial commemoration between March 1975 and December 31, 1976, and all projects funded must bear a direct relation, but not confined, to this period.

Applications for all grants under the newly announced program must be received by ARBA by December 21, 1975.

To date, over 1,100 Bicentennial projects and programs have received financial assistance through ARBA's non-appropriate fund activity.

State starts bus driver training

A Federal-State cooperative program to train school bus drivers at a total cost of \$360,000 will be started in Indiana next month, according to an announcement made this week by Sen. Vance Hartke.

The Christian and Hallowe'en

Mother, Dad, where will your children be on October 31? Will they be in the ranks of Christ's Soldiers or the Devil's Dupes?

Hallowe'en is the name given to the eve before All Saints Day. All Saints Day is, of course, a Roman Catholic religious observance. From the dark ages, the eve of that day was looked upon as a time for the worship of Satan and demons by those who, rejecting Christianity, sought to create a satanic opposite for every Christian observance. Hallowe'en, then is a satanic holiday. It is as satanic as the so-called black mass, or as the practice of witchcraft.

That the satanic origins of Hallowe'en continue to dominate its observance today is very plain. The standard symbols of the observance of Hallowe'en are witches, goblins, ghosts, skeletons and the like. The apparently harmless lighted pumpkin face of "Jack-O-Lantern" is an ancient symbol of a damned soul. The name is derived from that of an evil fellow named Jack who, denied entrance to both heaven and hell, was doomed to wander in the darkness, his way lit by the glow of a coal from the fires of hell held in a hollowed gourd. What a dreadful toy for the children or decoration for the home! When Christians permit their children to celebrate the Hallowe'en holiday, they are permitting them to engage in the remnants of a satanic holiday. Hallowe'en is, in reality, degenerated Satan worship.

Scripture, in the 18th chapter of the Book of Deuteronomy, very explicitly forbids Christians to have anything to do with witchcraft, spiritism or the demonic. In verse 10 of that chapter we read: "There shall not be found among you anyone that maketh his son or his daughter to pass through the fire (this has reference to the worship of the pagon god Moloch through child sacrifice), or that useth divination (divining rods and "witching" sticks), or an observer of times (astrology), or an enchanter, or a witch (medium), or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. For all that do these things are an abomination unto the Lord." The term "witch" has reference to mediums who think they can bring up the ghosts of the dead, but in fact bring up demons impersonating the dead. A "familiar spirit" is a demon who seems to be at the disposal of a medium but who, in fact, deceives and con-

trols the medium. "Necromancy" has to do with those who in one form or another seek to find information for the present by consulting the dead. It is obvious that the elements of the Hallowe'en observance with its emphasis on goblins and demons, witches and skeletons, ghosts and apparitions rising from cemeteries constitute a dabbling with the very things which scripture forbids to God's people, and an open invitation to demonic activity.

The first great objective of Satan in his war against God's people is confusion and deception. He is a liar from the beginning. If he cannot get Christians to defend the "harmless" fun of Hallowe'en, his deception has been successful. Christians who through confusion are ensnared in the enemy's deception thus sin against God (see Matthew 12:30, Romans 14:23b) and open themselves through disobedience to Satanic attack in every area of life and what scripture calls "demon possession."

The second great objective of Satan with regard to Christian people is the destruction of the physical body. Satan knows that he cannot destroy the Christian's soul, because those who are saved are kept by the power of God through faith unto salvation ready to be revealed in the last time. But he can seek to destroy the physical body. Every year, hundreds of children are injured through the accidental catching fire of Hallowe'en costumes held too close to jack-o-lanterns, or by being hit by an automobile as they run through darkened streets. The proponents of safety are full of warnings at Hallowe'en time about the danger involved in the celebration. The fact is that the destruction to the lives of young children at Hallowe'en is to be attributed to the malicious design of Satan who uses what appears to be a childish and harmless night of pranks and treat to do bodily harm.

For these reasons, Christians should not observe Hallowe'en, choosing rather to use October 31 to commemorate the anniversary of the Protestant Reformation. Won't you join others by encouraging your children to take their place in the courageous heritage of Reformation truth rather than among the Devil's dupes for even a single indiscreet evening?

The blessing of God always rests on obedience to His Truth.

Jaycees sponsor Indiana photography contest

The Indiana Jaycees, in cooperation with the Professional Photographers of Indiana, are sponsoring the Indiana Bicentennial Photography Contest. It is open to all Hoosier professional and amateur photographers with cash awards to be presented to amateur and professional winners in the seven state-wide judging categories.

The categories include Indiana's contributions to the progress and development of America: Historic Indiana, Education, Recreation, and Culture in the Hoosier State; Heartland of America...Indiana; The People; and Progressive Indiana.

The 128 winning photographs will be displayed by the Jaycees at public

galleries in each county in the state. In addition, the winning photographs will be combined into the Indiana Bicentennial Album to be produced in a limited, numbered edition and available for sale at the public galleries. All net profit from the contest will be donated to the Indiana Cystic Fibrosis Foundation. Regional competition will also be conducted throughout the state.

Professional winners are eligible for national competition. Additional information and entry blanks may be obtained by writing to the Indiana Bicentennial Photography Contest Committee, P.O. Box 292, Jasper, Indiana 47546. The deadline for sub-

mission of photographs is November 1, 1975.

Francke-Schipper vows exchanged

Doris Francke and Randall Schipper exchanged wedding vows October 11 at their new farm home on R. 1, Roann. Chaplain Charles Arnold officiated.

Attendants were Mr. and Mrs. Harold Schillroff.

The bride, the daughter of Mr. and Mrs. F. W. Francke, Charles-town, is a graduate of Hanover College and Butler University. She is a member of Alpha Omicron Pi social sorority and Kappa Delta Pi honorary. She is employed as a counselor at Maconaquah Middle School.

Mr. Schipper received his B.S. from Ball State University where he was a member of Sigma Phi Epsilon fraternity. He is a farmer. His parents are Mr. and Mrs. Roy Schipper, R. 1, Akron.

BOND REPORT

Fulton Co. sales of Series E and H United States savings bonds were \$6,065 in August, according to Charles H. Rauschke, volunteer county chairman.

Church of God plans singspiration

The singspiration Sunday evening at the Akron Church of God will be comprised almost entirely of musical specials by various groups and individuals.

The sanctuary choir will sing two selections as will the Love trio and a new mixed quartet. A young girls' quartet will sing for the first time, and there will be a piano solo by Nina Hill.

Also planned are a piano and organ duet by

Pat Mitterling and Evelyn Krieg, a guitar special by Mike Love and Ray Bradley, a reading by Diane Wildermuth, a duet by Laurie and Julie Easterday, and a special ensemble singing with a background tape.

There will be a lot of congregational singing and pre-service music will be provided by Ralph Carmichael and Bill Gaither recordings. The public is invited to attend.

School board rejects oil, gas bids

"We're spending taxpayers' money; let's save some of it," Con Shewman said as he moved to reject all gasoline and fuel oil bids Monday night. Shewman, newest member of the Tippecanoe Valley school board, made his motion after two others had failed for lack of second. It passed on a 3-1 vote with Shewman, Don Snipes and Fred Kindy voting in favor and Dr. Wymond Wilson casting the no vote. Richard Goshert, the fifth board member, was not present.

The corporation had received bids from Tinkley Oil Co., Utter Oil Co., Silveus and Bradway and Standard Oil.

According to a bid analysis presented by business manager Robert Forbes, Tinkey was low bidder on gasoline and Silveus and Bradway's bid was lowest on fuel oil. However, the fuel oil price they quoted is higher than that of Laketon Asphalt and Refining Co., which did not bid. Shewman's motion instructed administrative officials to purchase oil and gasoline as needed but from the least expensive source.

In other action, the board:

* Heard superintendent Lloyd Harrell read a letter from attorney Fred Rakestraw saying that there was no legal way the corporation could refund money received from the sale of the Beaver Dam school site. (A group had asked why it had to pay for the ground when the Talma school site was donated.)

* Heard Harrell say an unfair labor practice on demoting four teachers in the amount of \$500

Harrell to be introduced

Dr. Harrell

Dr. Lloyd Harrell, superintendent of the Tippecanoe Valley School Corporation, will be introduced Monday night at a get-acquainted program planned by Akron teachers.

The 7 p.m. program will include a film prepared by teachers and administration entitled "A Day In the Life of ---." Special music will be led by Dale Pace and there will be an art exhibit by Duane Smith.

Dick Day, president of the Akron Chamber of Commerce, will speak.

Parents and other interested persons are invited to attend.

ALL HIS HARD WORK broken, Lyle Hoffer watches as his carefully constructed balsa wood bridge gives way after holding 14.90 pounds. Darrell Hudson, Ryan Williams and Toni Lyons voice their approval. The bridge project was an extra credit assignment given in the TVHS physics class. Each student was given 30 feet of balsa and a tube of glue and told to construct a bridge that would span a 12-inch gap and support a two-inch plate. The plate topped a metal hook, shown in the picture, that supported a plastic bucket into which each student placed weights. The contest ended Monday when three students broke their bridges. Three more bridges were broken Tuesday, and the remainder will be broken next week. More pictures inside.

Akron Foundry gets operation permit

FOUNDRY WORK is dirty, but its emissions are clean, thanks to more than \$70,000 worth of equipment recently installed at the Akron Foundry which on October 8 received its long-awaited Operation Permit from the Indiana Air Pollution Control Board. Mr. and Mrs. Earl Ellenwood are owners of the firm that produces castings used around the world and that annually adds more than \$450,000 in payroll and business expenses to the community's coffers.

Months of hard work and an investment of over \$70,000 were rewarded October 8 when the Akron Foundry received its long-awaited operation permit from the Indiana Air Pollution Control Board.

Included in the expense were a cupola and Air Purity Corporation scrubber and baghouse controlled cleaning operation. Maintenance will amount to many thousands of dollars per year, according to owners Mr. and Mrs. Earl Ellenwood.

The Ellenwoods say it is hard to understand, but a small operation is allowed many less emissions per hour than

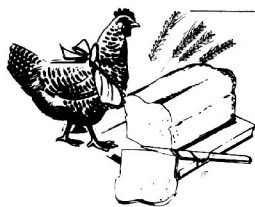

a large plant that operates 24 hours a day. Their own cupola will be in operation only two and one-half or three hours a day.

The Akron Foundry, with an annual payroll of approximately \$250,000 and annual local business expenses in excess of \$200,000, employs 23 people who turn out castings used around the world. Saudia Arabia, Puerto Rico and Yemen use locally made castings as do industries across the United States.

A world without a foundry, the Ellenwoods point out, would be one without heat since all

The Modern Little Red Hen

Once upon a time, there was a little red hen who scratched about the barnyard until she uncovered some grains of wheat. She called her neighbors and said, "If we plant this wheat, we shall have bread to eat. Who will help me plant it?"

"Not I," said the cow. "Not I," said the duck.

"Not I," said the pig. "Not I," said the goose.

"Then I will," said the little red hen. And she did. The wheat grew tall and ripened into golden grain. "Who will help me reap my wheat?" asked the little red hen.

"Not I," said the duck.

"Out of my classification," said the pig.

"I'd lose my seniority," said the cow.

"I'd lose my unemployment compensation," said the goose.

"Then I will," said the little red hen, and she did.

At last it came time to bake the bread. "Who will help me bake the bread?" asked the little red hen.

"That would be over-time for me," said the cow.

"I'd lose my welfare benefits," said the duck.

"I'm a dropout and never learned how," said the pig.

"If I'm to be the only helper, that's discrimination," said the goose.

"Then I will," said the little red hen.

She baked five loaves and held them up for her neighbors to see.

They all wanted some and, in fact, demanded a share. But the little red hen said, "No, I can eat the five loaves myself."

"Excess profits!" cried the cow.

"Capitalist leech!" screamed the duck.

"I demand equal rights!" yelled the goose.

And the pig just grunted. And they painted "unfair" picket signs and marched round and round the little red hen, shouting obscenities.

When the government agent came, he said to the little red hen, "You must not be greedy."

"But I earned the bread," said the little red hen.

"Exactly," said the agent. "That is the wonderful free enterprise system. Anyone

in the barnyard can earn as much as he wants. But under our modern government regulations, the productive workers must divide their product with the idle."

And they lived happily ever after, including the little red hen, who smiled and clucked, "I am grateful, I am grateful."

But her neighbors wondered why she never again baked any more bread.

Akron Foundry gets permit

stoves, furnaces and fireplaces have materials made in foundries. It would be a world without transportation, because all cars, buses, trains, trucks, even bicycles and motorcycles and horse shoes require foundry work.

Pollution is a dirty word, the definition of which is often shaded by which side of the fence the observer is on. The Ellenwoods say, "Whether we are burning leaves, smoking cigarettes, using a detergent that doesn't break down when it reaches our streams and lakes or operate an industry such as ours, we are all polluting in our own way."

"We want clean air as much as anyone and are doing everything possible to do our part," they said this week as they thanked the community for its patience during the difficult and expensive experience of installing their equipment and getting their permit.

The average American is a man who was born in the country, worked hard so he could live in the city, then worked even harder to get back to the country.

The comparative value of health and wealth depends on which we happen to have lost first.

Guest Editorial

Proposed legislation would make commune children

The following remarks are excerpted from a recent editorial by Wm. K. Mollenhour of the Warsaw Times-Union and published at the request of readers concerned with the implied threat of The Child and Family Service Act of 1975.

If you think the responsibility of rearing a child is the parents', read the portions of the act quoted in this editorial. Then write to your Congressman, your senator and anyone else you think might be able to block this bit of legislation.

Mollenhour says, "... Now the Congress is about to pass a 'communal living' bill with no consideration for the long range effects of the thing. We wonder what is happening to discipline in the home. We wonder what is happening to discipline in the schools. We wonder what is happening to discipline in the juvenile courts. Then we get a bill with a high sounding name line 'Child and Family Services Act' and hardly a citizen realizes that we are voting ourselves into Communism without a whimper of protest.

You should be forewarned about some of the more odious portions of this federal bill which if it becomes law without your protest, will cost you about the last

vestige of control over the family you now think you have.

If the thing becomes law, Junior can sue you if you don't treat him right--or what he thinks is right. For example, hidden away on page 44138 of the Congressional Record is this little gem which threatens to become part of the Child Development Act: "All children have the right of protection from, and compensation for the consequences of any inadequacies in their homes or backgrounds."

And for heaven's sake, don't ask the kids to wash the car or help with the homework. If our high-prices solons have their way, "Children have the right to protection from any excessive claims made on them by their parents or authority." That phrase is explained by a supporter as meaning that if you ask them to take out the garbage and they don't want to, you have no right to insist that they do. So what else is new?

Since prayer was banned in public schools long ago, it is not surprising that the wizards of Washington would ban religious teaching in the home. The third "right" of children is: "Children have the right to freedom from religi-

School Board rejects bids

has been filed in Kosciusko court by the Indiana Education Employment Relations Board (IEERB). He said it probably would not be heard for some time.

* Took under advisement a request by a school employee to have an annuity deducted from his gross pay.

* Voted to hire Susan Wearly as a bus driver and add an additional route in the Burket area on Forbes' recommendation. He said six students do not have seats, but if those students who normally drive were to ride, 42 would lack seats. Dr. Wilson reminded fellow board members the additional driver would not have been necessary if the 84-passenger bus he and Forbes had wanted earlier this year had been purchased.

* Heard Forbes give a report on the state tax hearing. He said the rate set is \$3.04 in Kosciusko Co., \$3.22 in Fulton Co., the difference coming because the former has local option tax. It had been reported the tax board made a cut that was attributed to an error by Forbes. He said his only error was "in not pointing out their error."

* Named Forbes Title IX coordinator and chairman of a committee composed of Robert DuBois, Joyce Harmon, Diane Williams and Jerry Eaton. Their duty will be to ensure that there is no discrimination on the basis of sex in any school programs or employment. Dr. Harrell said he would present a grievance procedure at the next meeting.

* Noted that two adult education classes--art and sewing--are in progress. Additional classes are expected after Monday night's registration is compiled.

* Approved supplemental contracts for Forest Kantner, adult ag, \$280; Joyce Harmon, assistant athletic director for girls, \$300; Wayne Cumberland, pool director, \$500; Richard Ralson, swimming and diving, \$550 (diving) and \$825 (swimming). Jocelyn Acker was given a new contract after it was determined she had not been credited for the correct years of experience on her previous one.

* Devoted time to audience participation, hearing Harold Miller thank them for their efforts in the Beaver Dam matter.

* Heard a plea for red, white and blue caps and gowns from members of the senior class. Ron Newlin, president of the TVHS student council, said he had the signatures of 140 of the 146 seniors requesting the gowns, which he said would tie in with the nation's Bicentennial. Board members and administrative personnel denied knowledge of a report that green and gold gowns are to become a tradition and told the seniors to contact school principal Forst Dumnuck.

* Adjourned 70 minutes after the opening gavel to go into executive session to discuss building plans and progress and sign a facsimile sheet for high school diplomas.

The next regular meeting will be at 7:30 p.m. November 17 in the TVHS preparation room.

60 YEARS AGO

The graded schools of Akron, will give the annual school fair tonight at the grade school building. The children have prepared some new and original stunts which will be sure to entertain and please all who attend. These fairs have been a howling success the past two years and we are expecting this one to surpass each of the others. Come everybody and bring your friends. Help the boys and girls enjoy this one "gala" week of the whole year.

We are requested to say specially that there will be a big masked social at Beaver Dam school house Friday evening. Besides the masking there will be other amusements, following the unmasking that will all be certainly worth while seeing and hearing. Everybody, old and young are cordially invited.

Sam Miller is building fine cement walks along both the north and south side of the Shriver property. This is being done by order of the town trustees upon the petition of property owners who have been needing the improvement on Main Street, especially, for years and years.

The library has moved into its new quarters on Main street. This is one of the institutions that all Akron and the community is proud. It makes an elegant appearance and as soon as all the new books have been opened up and the house put in order we expect to say more about it. The librarian is now very busy arranging her new home.

On last Monday Elder Riggle donated seventy-eight new books to the new Carnegie Library of this place. Thirty-three of the number were purchased by the home congregations, and the remaining forty-five are a personal donation from Mr. Riggle, being copies of his own theological works.

25 YEARS AGO

Three of the Akron high school twirlers won second place at the Northern Indiana School Twirling Festival at Warsaw, October 14. Charlene Dick won in Group II and Christine Hartman and Shirley Wentzel won in Group IV. There were 167 twirlers competing in the contest. Medals were given to first and second place winners.

Mrs. Cecil Shoemaker fell and broke her left arm at the home of Mr. and Mrs. Adrian North of Corydon, Iowa. Mr. and Mrs. Shoemaker were visiting at the North home when the accident occurred.

Mr. and Mrs. Wayne Coplen and family, Mrs. Cora Coplen, and Elmer Zimmerman spent Sunday in Bloomington and Brown County State Park.

Six Fulton County men will be inducted into the service on October 31, according to an announcement from the selective service board. The six are ordered to Indianapolis for induction. On October 23 the board will send 30 young men to the capital city for pre-induction physical examinations.

Charles Manwaring, Mentone was named president of the Indiana Poultry Association last Thursday at the 32nd annual meeting of the association at Purdue University.

Mr. and Mrs. Karl Gast are on a trip to eastern states. They are also visiting Mrs. Robert Andrew at Alta Vista, Virginia.

Mrs. Emerson Burns and daughter spent some time Tuesday evening with Mr. and Mrs. Oscar Heeter. Mrs. Neil Kuhn and daughter spent part of a day with them.

Members of the Summit Club were entertained recently at the home of Mrs. Ralph Miller. She was assisted by Mrs. Henry Black and Senora Arnold.

39 YEARS AGO

Arrangements are virtually complete for the 1936 Northern Indiana Muck Crop Show which is to be held in Akron on November 10 to 13. This announcement was made by Mr. W. K. Gast, General Manager, of the Exposition, following a meeting held here yesterday in which the various committee chairmen outlined final plans for their various departments.

Basketball gets underway in Akron next Thursday night with two scheduled games - one with donkeys and one without. The donkey game is something new in basketball, and is being staged as the second game of the evening.

Mr. and Mrs. Jay Emahiser and daughter, Mary Rosalee, and Dale Day were Sunday dinner guests of Mr. and Mrs. Roscoe Whitsell in Peru.

Mr. and Mrs. Lonnie Meredith returned last Thursday from a vacation trip to northern Wisconsin. They were accompanied on the trip by Mr. and Mrs. Garland Hines of Marion and Mr. and Mrs. Lawson Brunton of Morocco.

Tippecanoe News

By Mrs. Harold Jefferies

Mrs. Melvin Ward was recently hostess to 12 members and three guests of the Tippecanoe Home Economics Club. New officers are Mrs. Richard Delp, president; Mrs. Kenneth Weissert, vice-president, and Mrs. Hollis Wisely, secretary and treasurer. The November meeting will be family night at Mrs. Weissert's home. Gifts for the county home are to be taken to this meeting for December distribution. Members are also reminded to remember patients at Westville with a contribution.

The spooks that invaded the home of Mrs. Paul Perex Monday night were members of the Tippecanoe Fireman's Auxiliary. Karen Cormican assisted. "Old Lady" Mrs. Larry Rush was selected as having the best costume. Plans were made to cook at the Everly sale and to have the Christmas meeting on December 8. Mrs. Jim Pearl, Bourbon, will be hostess at the November meeting.

Mr. and Mrs. Lotus Adams of Nappanee and Edna Miller, Warsaw, were recent guests of Mr. and Mrs. Wren Crane. Weekend guests were Mrs. James Weakly, Mrs. Carl Sharpe, Mrs. Henry Loucks and Mrs. James Hajicek, all of Bourbon. The Cranes were Monday guests of Mr. and Mrs. Harold Sharpe, Ligonier.

Mr. and Mrs. Beecher Howard and daughters of Warsaw and Mr. and Mrs. Otis Thacker of Bourbon were Sunday dinner guests of Mr. and Mrs. Frank Hawkins. Evening guests were Mr. and Mrs. Ted Reece, Bourbon, and Mr. and Mrs. Kenneth Weissert.

Mr. and Mrs. Gene Irwin and Curt, Argos, were Sunday evening visitors of Mr. and Mrs. Rex Fites.

Dr. and Mrs. Rex Weiland and Heather of So. Bend and Don Becker of No. Manchester were Sunday dinner guests of Mr. and Mrs. Fred Becker. Mrs. Becker helped her parents, Mr. and Mrs. Orville Ellis, Akron, with a fish fry Friday at Kidron, Ohio.

Morean South, Miami, Fla., Mrs. Ralph Warren of here, Ethel Overmyer, Dorothy Overmyer, Essie Morral and a friend of Argos attended a fish fry at Culver on Saturday. Sunday afternoon guests of Mrs. Warren and Mrs. South were Mr. and Mrs. Wm. Cook of Ft. Wayne, Mrs. Leroy Grossman of Talma and Mr. and Mrs. Lloyd Miller of Goshen. Ralph Erwin of Warsaw was a Monday caller.

Bruce Miller, son of Mr. and Mrs. Lloyd Miller of Goshen and grandson of Mrs. Ralph Warren, an Eagle Scout, has

been chosen by the Northern Indiana Boy Scout Council to serve as the youth representative of the council's 1976 anniversary month. Elected to the Order of the Arrow in 1973, he has served as his chapter's unit election team leader and has been den chief, worked with slow learners and hyperactive boys, served on the Cherokee district Pow Wow staff and on the kickoff committee for the 1975 Expo.

Mrs. Gene Ward and daughter Gail, Argos, were Saturday guests of Sarah Blackford. Sunday afternoon visitors were Mr. and Mrs. Henry Sievers, Columbia City, Mr. and Mrs. Dale Blackford, Mr. and Mrs. Warren McIntire and Beth and Mr. and Mrs. Ron Kauffman.

Mr. and Mrs. Charles Lozier were Sunday dinner guests of Mr. and Mrs. Devon Dunnuck and family, Mentone.

Mr. and Mrs. Durward Fretz were Sunday afternoon visitors of Mr. and Mrs. Paul Wynn and family of Culver and evening guests of Ella DeMont and daughter of Argos.

Mrs. Wm. Kreft was dismissed from Parkview Hospital Saturday.

Mr. and Mrs. Barry Halter, Rolling Prairie, are parents of a seven pound, seven and one-half ounce son, Barry Jr., born October 20 at LaPorte Memorial Hospital. Grandparents are Mr. and Mrs. Clifford Halter, Rolling Prairie, and Mr. and Mrs. William Blackford of Tippecanoe. Great-grandmothers are Mrs. Clarence Stouder, Etna Green, and Sarah Blackford, Tippecanoe.

Mr. and Mrs. James Gardner are parents of a eight pound daughter, Catherine Michelle, born October 20 at Bremen Community Hospital. Grandparents are Mr. and Mrs. Elmer Vining of Etna Green and Mr. and Mrs. Brooks Gardner of Bourbon. Mrs. Richie Harmon of Etna Green is great-grandmother.

Time to start compost pile

Now is a good time to make a compost pile to utilize or recycle garden refuse, leaves and weeds for use in four to six months to provide nutrients, aerate the soil, conserve water and promote better plant growth in general.

The County Extension Service has copies of H0-63, "Making Compost," which provides details on this topic.

The Extension Service suggests an inconspicuous shady area near a source of water is best. Raw organic matter, soil, fertilizer and/or manure are needed.

Koldyke-Harding vows exchanged

Karen Koldyke became the bride of James Harding in a 2:30 p.m. ceremony September 20 in the Redeemer Lutheran Church, Warsaw. The Rev. John Ricker officiated at the double-ring ceremony.

Parents of the couple are Mr. and Mrs. David Koldyke, R. 5, Warsaw, and Mr. and Mrs. Kenneth Harding, Fayette Drive, Ft. Wayne.

Susie Kinney, South Whitley was matron of honor. Bridesmaids were Cathy Decker and the

bride's sisters, Tina Zolman and Pam Bussard, all of Warsaw.

Melissa East, Warsaw, was flower girl, and Joel Brown, Ft. Wayne, was ring bearer.

Andrew Lebrecht, Fort Wayne, was best man. Groomsman were Tom Chen of Ft. Wayne, Ken and Jeff Harding, Warsaw. The couple's brothers, John Harding and Dan Koldyke, were ushers.

A reception in the church social rooms followed the ceremony.

The bride graduated from Mentone High School and Indiana State University. The bridegroom graduated from Warsaw High School and is employed at R. R. Donnelly and Sons, Warsaw.

After a trip to Florida, the couple resides at 619 No. Johnson St., Warsaw.

IN COURT

In recent Warsaw City Court action, David Smythe, Mentone, charged with aiming a weapon, had trial set Dec. 3, and Claude Ballard, R. 1, Silver Lake, was fined \$35 for assault and battery. Lenville Fitch of Mentone was fined \$40 for public intoxication.

Donna S. Slone and Columbus Slone Jr. Silver Lake, have been granted dissolution of their marriage in Kosciusko Superior Court. They were married Jan. 1, 1966 and separated June 10, 1975. The petitioner was awarded custody of two minor children and \$40 per week support. Division of the properties owned by the couple was made according to an agreement they filed in court.

Joan Overlander has been granted dissolution of her marriage to Lewie Overlander in recent Fulton Circuit Court action.

It Happened In Mentone

Taken from the Oct. 19, 1949, issue of the Northern Indiana Co-Op News:

The Country Neighbors Home Economics Club held family night Oct. 21 at McClure Lake. Prizes for the best costumes were awarded to Mrs. Allen Herendeen, Robert Norris, Mr. and Mrs. Glen Law, Mrs. Martin Notz, Mrs. Frank Meredith and Mrs. Richard Notz.

Mrs. Earl Meredith was a Monday dinner guest at the Henry Blesch home in Akron.

Clark Ernberger says the black squirrel he recently released at his home in Mentone is getting pretty well acquainted with the city. He is apparently taking a census of the walnut trees in town and spends much of his time just roaming around. Mr. Ernberger has no objection to his scouting forays, but he does hope that the little fellow will

evade the dogs, cats, air guns and other deadly animals or objects.

Harold Lukens is the new barber at the Blue barber shop in Mentone. Coopers Store has been undergoing a face-lifting the past few days. Workers have covered the old red brick with a nice new coat of stucco plaster and Mr. Cooper is making several other changes in both the interior and exterior of the building. Workmen, too, have completed the stone cap on the Farmers State Bank walls and have given the old concrete pilasters and trim a "rough" scrubbing.

Bicentennial debate time changed

The Bicentennial Youth Debate at Tippecanoe Valley High School will be at 6:30 p.m. Wednesday, October 29, instead of at 7:30 p.m., as had previously been announced.

Winners of the local event, described in detail in last week's NEWS, will advance to district, sectional and regional levels of competition. Prize money will be furnished by the Mentone Bicentennial committee.

Parker to address teacher meeting

Philip J. Parker, No. Manchester, has been invited to be a guest speaker Friday at the 1975 Indiana State Teachers Association convention at Notre Dame University. His topic will be "Newer Concepts in Communication" in which he will incorporate two films he has created and produced concerning compressed speech.

A former Akron resident, Dr. Parker received his Ed.D. in the field of instructional systems technology from Indiana University in 1971. His thesis was entitled "The Effect of Varying Degrees of Compression in a 16mm Sound Motion Picture Upon Information Recall." The film compression process used is an original method conceived by Dr. Parker and he has had the procedure copyrighted. The process is presently being

reviewed for possible commercial development.

Perry Club is hosted

The Perry Improvement Extension Club met at Charlotte Mathias' home with Myra Lindley as co-hostess on Oct. 16.

Ruth Bammerlin opened the meeting with a poem, "At Summers' End," and a prayer poem.

Helen Byrt gave devotions, "By Your Fruits you are known." She used scriptures showing that the fruits of harvest are good and bad according to the source and the care. She said Godly men bring forth good fruits and finished with a poem, "Autumn Harvest," and prayer.

Roll call, answered by "The recipe I use the most," found present 17 members and a guest, Ruby Dawson.

Pauline Miller, Marie Berger, Evelyn Shafer, Rose Mitchell and Marie Nestleroad reported on the trip to So. Bend with the Allen Twp. E. H. C.

Next month, Perry Twp. Club will entertain the Peru Hoosier Homemakers at the Denver Community Building.

Pauline Shoemaker gave the lesson, "How to be Gracious in Trying Times." We need to practice many virtues including selfishness, courage, being loving and also a cheerful listener. We must learn to face our own pressures honestly and deal with them. These can come from work, personal relationships, illnesses, anger, fear, hostility, boredom, worry and from self dissatisfaction," she said.

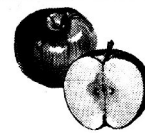

Ruby Dawson entertained with a humorous reading.

The Lucky Lady gift was won by Evelyn Shafer.

A native of Wisconsin, Parker served in Europe in the Army Air Force during World War II, receiving four battle stars. After graduation from Manchester College, he taught in the Indiana public school system for ten years. He has been a member of the Department of Education at Manchester College for 15 years.

Very often the quiet fellow has said all he knows.

LETTERS

to the EDITORS

The NEWS welcomes letters for publication but prefers that they be kept under 200 words. The letters need not express the views of this paper; however, they should not be libelous or in poor taste. Anonymous letters will not be published. The name of the writer must appear with his letter.

Dear Editor:

Someone needs you! Your Mental Health Association has a project aimed at helping to ease the mental patients' loneliness. Participate in the Adopt-A-Patient Program and become a person "who does make a difference."

There is an urgent need for applications from adopters. If you get your application in before November 10, it can be processed in time for Christmas.

A "forgotten" mental patient feels only emptiness in his despair. The Adopt-A-Patient program helps those in despair and relieves this desolation.

If you are interested, write to Mrs. Murray (Eleanor) Holt, Kosciuszko Co. Mental Health Adopt-A-Patient Chairman, R. 3, Box 394, Warsaw, Ind. 46580, or call her at 267-4170 for more information.

Thank You!

MENTONE/AKRON NEWS
October 23, 1975

Early to bed, early to rise and your girl goes out with other guys.

Usually the cars with the most horsepower go to the guys with the least horse sense.

Strings without controlled tension can produce no music.

Thousands of people are screaming for jobs, but jobs that have work connected with them are just as unpopular as ever.

NOTICE

As stated to the township trustees and the Mentone Town Board before April of 1975, state and federal regulations will not permit us to operate an ambulance service as of January 1, 1976.

As of October 23, 1975, I will no longer have anything to do with planning a new ambulance service for the area.

The plan will be devised by the Town Board and township trustees.

Thompson

Alva N. Thompson, 82, R. 2, Argos, died Oct. 14 at Parkview Hospital in Plymouth where he had been a patient for one week. He was the father of Mrs. Wayne (Bernice) Reese, R. 1, Akron.

Mr. Thompson, a veteran of World War I, was a charter member of the James Lowell Corey Post, American Legion. He was a member of the Gilead United Methodist Church.

Surviving are his widow, the former Hazel Kinding; three other daughters, Mrs. Mark (Bertha) Thacker, Argos, Mrs. Paul (Erma) Ellinger, Mrs. Clifford (Eva) Lawmaster, both of Bourbon; three sons, Dale and Eldon Thompson, both of Argos, and Charles Thompson, Bourbon; one sister, Mrs. Floyd (Ada) Kring, R. 4, Plymouth, 30 grandchildren and 29 great-grandchildren. A grandson preceded him in death.

Services were Friday in the Argos United Methodist Church. The Rev. A. C. Ward, pastor of the Gilead United Methodist Church, and the Rev. J. D. Thomason of the Akron Church of God officiated. Burial was at Plymouth with the Argos American Legion Post conducting graveside military rites.

VanScoy

Emma Marie VanScoy, 86, a resident of the Canterbury nursing home in Rochester, died Oct. 15 at Woodlawn hospital.

She was born April 27, 1889 in Leavenworth, Kan. Her marriage was in Chicago in 1910 to Howard VanScoy, who preceded her in death in 1961.

Surviving are one son, Howard, Akron; two grandchildren and four great-grandchildren.

Services were Saturday in Muncie with the Rev. Russell Moody officiating. Cremation followed.

Mrs. Stafford hosts Mothers

Marilyn Stafford was hostess for a recent meeting of the Akron War Mothers of World War II in which the November district meeting at Winamac was discussed.

Present were Cora Coplen, Marjorie McColey, Annabelle Hammond, Evelyn Huppert, Esther Fenstermaker and Catherine Rudo.

Mrs. Fenstermaker will be hostess for the November meeting.

Anthony Nigo Chapter, DAR notes 40th anniversary

The home of Mrs. Eldred Paulus, Rochester, was the setting of the 40th anniversary tea of Anthony Nigo Chapter, DAR, Sunday, October 13. The regent, Mrs. Glenn Clauss, welcomed members and guests. Mrs. Kenneth Riner read the President General's message.

Mrs. Wayne Smalley, National Defense chairman, gave a report, "One if by Land," written by Col. G. I. Epperson, U. S. Cavalry, Ret., warning that the revolutionary movement being used by the PBC (Peoples' Bicentennial Commission) is deceptive and producing an anti-establishment spectacle throughout America. They have yellow lapel buttons with a symbol that was used temporarily during the early period of the American War of Independence, a coiled rattlesnake. "It fits," she said. "The warning lamp is lit."

The resolution, "Education and Textbook Selection," was read by Rhonda Yazel. It urged parental participation in selecting and having a voice in textbooks their children are required to use.

The program, "Memories," was given by Mrs. Furel Burns. On Sept. 12, 1934, Mentone was proposed as a new chapter at the district meeting in Mishawaka. The state regent, Bonnie Farwell, met with interested members at North Manchester on Sept. 21, 1934. Papers were sent through Tippecanoe River chapter of Bourbon.

Original members were Ethel Nellans, Wanda Davis, Ladoska Bunker,

Dora Taylor, Mary Boggs, Ersie Manwaring, Lydia Sanders, Rozella Ford, Helen Brown and Zada Kesler. Members transferring were Yolande Riner, Anna Murdock and Edna Burns. On January 31, 1935, 14 members and several guests met for an organizational meeting. The first name submitted was Sharon Trail, but this was rejected by National, and the second choice, Anthony Nigo, was approved. The first new member accepted was Bernice Rush. The first page to serve at Continental Congress was Yolande Riner and the first Good

Citizen girl was Pauline Swick (Hurd).

The afternoon was spent visiting with old friends, including 15 members and five guests, Edna Burns and Golda Polen, No. Manchester; Orpha Herendeen, Rochester; Blanche Whitmeyer, Roann, and Linda Clauss, Bourbon.

The meeting adjourned with members repeating the American's creed. The next meeting will be at 6:30 p.m. on Nov. 4 at Teel's restaurant with the Tippecanoe River chapter as guests.

Members are reminded to take DAR school Christmas gifts to the next meeting.

NEW BOOKS

AKRON CARNEGIE LIBRARY

New books at the Akron Carnegie Public Library include the following:

IF YOU COULD SEE WHAT I HEAR by Tom Sullivan and Derek Gill. A story of challenge, striving, hope and joy. This is the autobiography of a gifted young man who became blind shortly after birth. Possessing a rare combination of guts and natural talent, Tom Sullivan refused to accept the limits of his handicap. Instead, he seized every opportunity to develop his abilities and become a champion wrestler at school, a dean's list student, an avid sportsman, a composer of popular songs and a warm and loving father and husband.

WRESTLING ILLUSTRATED by Raymond E. Sparks. This is an instructional guide.

GREEN, GREEN MY VALLEY NOW by Richard Llewellyn. Because of social change in Argentina, Huw Morgan returns to Wales to find that the twentieth has penetrated his homeland with a vengeance.

PRISON LETTERS by Corrie Ten Boom. Here is a collection of these very letters that have miraculously survived to this day. Here are the actual writings of Corrie and her sister Betsie from the concentration camp--the emotion-filled letter they received from relatives friends on the outside--snatches of a diary recorded by Betsie--Corrie's perceptive sketches of prison life smuggled out of the precious lessons of faith and love learned in God's training school.

POWER WITH GRACE by Ishbel Ross. The definitive biography of "our first woman President", Edith Bolling Wilson, the most influential and powerful First Lady in American History. By a leading biographer who knew Mrs. Wilson personally.

*Wish I'd
invented the
heat pump
instead!*

It's a long way from the Franklin stove to today's most efficient heating and cooling system--the electric heat pump. There's no other way to have year-round comfort in your home that uses less of our natural resources.

A heat pump heats your home in winter, cools it in summer. All in one efficient unit. While it may cost a little more to install and maintain, the heat pump has no match for efficiency.

If you're interested in helping conserve natural resources, look into the electric heat pump.

And remember, any way you heat electrically--baseboard units, ceiling cable, electric furnace or boilers--you're stretching our fuel reserves. In this part of the country, electricity comes from coal, our most abundant fuel, not those in short supply.

Help your country ...
help yourself.

WCTU-100 years of service

"WCTU is the only women's group that has endured for over 100 years," Mrs. Wm. Stong told Akron WCTU members Tuesday at their annual institute in the library basement. "It is now stronger and more effective than ever with more power to accomplish by means of legislation and the power of the press," she said.

Mrs. Stong, a resident of Rossville, is head of the department of public relations of the state WCTU. She urged all members to attempt to accomplish more in the coming year and displayed some of the new publications. She praised the LTL for use of new film strips.

The hymn, "He Lifteth Me," was sung to open the pre-supper session. Devotions were by Ruth Bowen. Marie Bright closed the session with prayer.

Serving and individual tables were arranged by the evening's hostesses, Margaret Slaybaugh and Nellie Slusser. They used decorations in keeping with autumn. The Rev. Lee Stubblefield gave the dinner blessing.

Chairman Beulah Pratt called the last session to order. Fern Bowen accompanied members as they sang "I Am Thine, O Lord." Janice Stubblefield gave meditation

entitled "Love, Sweet Love."

Patty Doering and Janet Bowen presented a flute duet, "I That Will Be Glory." Lucille Doering dismissed with prayer.

Akron UNICEF

Children who canvassed Akron for UNICEF donations Tuesday night collected \$131.75, according to Carol Ann Shewman, financial representative.

June Merley receives 50-year pin

A corsage from the chapter and a gold award pinned on by her husband, Sam, honored June Merley's 50-year membership in the Order of the Eastern Star. The presentation came Thursday evening during Friend's Night in the Akron Masonic Temple.

Nearly 100 people attended the program in which 21 chapters of the 18th District were represented. Each guest officer received a gift from an Akron officer.

Distinguished guests included Mary Louise Little, member of the Masonic Home board and a past grand matron; Marquita Edwards, 18th

District deputy; Vera Goodier, a Grand Chapter committee member; Carolyn Geberin, Star-Lite chairman for the 18th District and Grand Page; Carolyn Breitweiser, 18th District chairman of the Masonic Home project known as the "Chimes of Love."

A program of gospel songs was presented by the Love Family of Akron.

Fifty-year members not present to receive their awards were Mabel Taylor, Cozette Higgins, Marie Weeks, Alma and Whitney Gast.

Virginia and John York are Worthy Matron and Worthy Patron of the Akron chapter.

POLICE REPORT

Alfredo Davalos and Jose L. Ruvalcaba were arrested at the Bear's Den tavern in Akron by state excise police Saturday evening. The two, both of Plymouth, were lodged in the Fulton Co. jail and will be held pending release to U.S. immigration authorities. Police said the two did not have proper immigration papers. They said they originally are from Mexico, and police are not certain of their age. No formal charges have been filed.

A 12-year-old Mentone boy was booked at the Kosciusko Co. jail last week on a charge of first degree burglary.

Tamara Lynn Banks, 24, R. 1, Claypool, was booked at the Kosciusko Co. jail last week on a warrant from Allen Co. on a theft by fraudulent check charge. Bond was set at \$200 and she was released to Allen County authorities.

Also booked at the jail were David A. Grey, 19, R. 1, Claypool, who was charged with disorderly conduct and held

on \$500 bond and Chas. D. Amburgy, 43, Mentone, booked on a warrant for failure to appear in Warsaw City Court. His bond was set at \$400.

A 16-year-old Mentone boy was booked at the Kosciusko Co. jail Saturday on a theft charge and is being held for appearance in juvenile court.

Jerry Nelson, Burket, reported to Kosciusko Co. police that the office at his farm was entered after 9 p.m. Friday and a 12-inch color television set valued at \$300 was taken.

Accident Report

An accident at the intersection of Detroit and Market streets, Warsaw, last week resulted in injuries to two area women. Fern G. Grantham of R. 2, Warsaw, complained of head pains, and the other driver, Patricia S. Murphy, R. 2, Akron, complained of pains in her left wrist and leg. Neither was hospitalized. Damage to the Grantham vehicle was estimated at \$1,260 and to the Murphy car at \$1,400.

Brethren Women hear book review

Betty Meredith, president of the Women's Fellowship of the Akron Church of the Brethren, opened the October meeting by reading the prayer, "Prayer For The Middle Aged."

The group sang "Amazing Grace." Arlene Gearhart reviewed the book, "Time Out Ladies," by

Dale Evans Rogers. Cleoda Zunkel gave an introduction to several books members are reading this year.

Roll call was answered by 14 members, naming their favorite household product or hint. Getwell cards were signed.

Refreshments in keeping with October were served by Edna Smith.

General Telephone starts work on Silver Lake cable

A \$48,000 project to add nearly 50,000 feet of new telephone cable in the east and south areas of Silver Lake has begun, according to District Service Manager R. E. Knafel.

"Our existing facilities are filled to capacity," he said. "The new cable will allow for future growth as well as providing facilities to meet requests for service changes."

The new cable is being placed along SRs 14 and 15, Co. Rd. 1200 So., Poplar Street and in the alley between SR 15 and Elm Street from SR 14 to Wells St.

Knafel said the work is scheduled for completion in November and is part of General Tele-

phone's \$14.5 million construction and service upgrade budget for the Northwestern Division in 1975.

Cars driven by Alan R. Streby, 20, R. 2, Warsaw, and Minnie A. Grubbs, 551, R. 1, Mentone, collided in Warsaw last Wednesday with damages estimated at \$100 to the Streby car and \$75 to the Grubbs vehicle.

Anderson College to present program

A witness team from Anderson College will have charge of the 10:25 a.m. and 7:30 p.m. services Sunday at the Akron Church of God.

These young people will share their faith in God and use their musical and speaking talents. They will also have charge of Youth Fellowship at 6:30.

The Rev. J. D. Thomason, pastor of the church, reports more than 100 families of his congregation are using "Love Loaves" for the next seven weeks as a way to collect money to reduce world hunger. As the families eat their meal, they are encouraged to place change in the Love Loaf so that others may be fed.

All gifts will be channeled through Church of God World Service to meet this human need.

Spotlight on 4-H

By Robin Secrist

This week the light is shining on all of the girls of the Mentone Merry 4-Hers and on their hopes for another successful year.

At the October 14 meeting, officers were installed. They are: president, Myra Eaton; vice president, Melva Smith; secretary, Susie Riner; treasurer, Pam; health and safety, Jackie Secrist; song leaders, Kathleen King and Kathy Vogel, and reporter, Robin Secrist. The new officers are very enthusiastic and will be working to make this year even more successful than those in the past.

Pledge to the American flag was led by Melva Smith and the 4-H pledge was led by Myra Eaton.

Jackie, the new health and safety leader, talked to us about trick-or-treat candy safety.

We then sang the song "America" and discussed the success of our achievement banquet.

We discussed the 4-H jacket that will be presented to every 4-Her in our club who has ac-

cumulated 1,000 points according to our club point system. So far, Robin Secrist is the only one who has accumulated 1,000 points.

The treasurer's report was then given and we noticed that we were very short in our finances. Ideas for money-making projects were discussed and it was decided to have a haunted barn Oct. 25.

The committee for the haunted barn met and the chairman reported to the members.

The meeting was adjourned.

I would like to tell you a little about some of the projects that the 4-Hers take. One of the most popular in our club is foods. Each year in the foods project, the 4-Her learns how to cook different types of food --beginning with cookies and getting progressively harder. Through the food project, we learn how to plan meals, what the different ingredients do in a recipe, what can cause a baked good to come out wrong, and how to make your foods turn out perfect every time. The foods project is a very worthwhile project to take and now even a few boys are taking the project.

Very few people get lost on straight roads.

No matter what happens, some of your friends knew it would.

LEGAL NOTICE

Notice is hereby given that on the 17th day of November, 1975, up until the hour of 2:00 P.M. The Board of Commissioners of the County of Fulton, Indiana, will receive sealed bids for Blank Books, Stationery, Blanks, and printing for Classes 1 through 5 for the year 1975.

Akron EMT volunteers hear Halscz

Akron's volunteer Emergency Medical Service is a step closer to reality with 30 people already signed up to take training.

Many of the EMTs-to-be, most of whom registered at a meeting Wednesday, attended a second session Friday to hear Phil Halscz outline steps to be taken.

Mr. Halscz, regional coordinator for Emergency Medical Services, urged the group to raise its own funds, rather than to hope for governmental assistance. He also urged that articles of incorporation be drawn up.

Training probably will not start for several

months, but a series of fund raising projects is expected shortly.

Funds raised will be used to either purchase or lease an ambulance and house and maintain it. Some of the money may have to be used for EMT training if state or

federal funds are not available.

It is not yet known if the volunteers can be trained prior to the December 31 cut-off date set by local funeral directors for discontinuance of their ambulance service.

Henry 4-Hers to be honored

Henry township 4-Hers will be honored at an award night set for 6:30 p.m. Tuesday, October 28, in the Akron school cafeteria. The annual carry-in supper-program is sponsored by the Farm Bureau.

All 4-H members and their families are in-

vited. Meat, rolls and drink will be furnished by the Farm Bureau.

Mentone is Bicentennial Community

Mentone town board president Kenneth Bush and Bicentennial Commission chairman Jerry Smith have received official word that Mentone

has been declared a Bicentennial town, the first in Kosciusko Co.

The detailed application for the honor was first reviewed by the state Bicentennial committee in August. After its acceptance, the application then went to the district committee in Chicago and then to the national Bicentennial committee in Washington, D. C., in October.

State Bicentennial

officials will make the official Bicentennial flag presentation Sunday, November 9, in a 2 p.m. ceremony at the town hall. A get-acquainted luncheon at Teel's restaurant is planned at 12:15. Reservations should be made by calling 353-3742 before November 7.

Members of the committee invite the town's residents to attend the ceremony and luncheon.

Akron Bicentennial committee to form

Akron's Bicentennial committee will organize at a public meeting Wednesday, November 5, at 7:30 p.m. in the library basement.

Letters are being sent to local organizations and churches, asking them to send representatives.

Any other interested people are also urged to attend.

Additional information can be obtained by contacting Pam Madeford.

Additional information can be obtained by contacting Pam Madeford.

Fall athletics banquet set

The fall athletic awards banquet will be Wednesday, November 12, in the Tippecanoe Valley High School gym.

Each family attending the 6:30 p.m. carry-in dinner should take a covered dish and table service. Meat and beverage will be provided.

The awards program, which will honor the baseball, volleyball, football and cross country teams, will start at approximately 7:30 p.m.

Parents and interested patrons are invited to the banquet and to the program.

Don't burn on blacktop

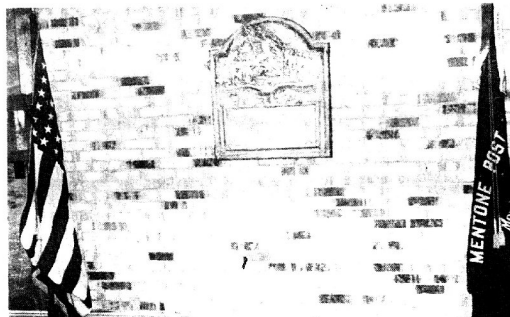

"Please don't burn leaves on the blacktop street," is the plea issued this week by Mentone town board members. They note the burning is causing damage to the surface of the streets.

Craft workshop

The public is invited to the Fulton County Extension Homemakers Craft and Holiday Workshop scheduled for 1-4 p.m. and 7-9 p.m., November 6 at the 4-H Community Building, Rochester.

Each Extension Homemakers Club will have a

HIGHLIGHTING a wall of the nearly completed Mentone American Legion building is Viquesney's "Spirit of America", a high relief sculpture that symbolically interprets the American's creed. Loaned by Mr. and Mrs. Bill Boardman, it was purchased almost 40 years ago by the late Dr. Melvin G. Yocum. The new post was constructed this summer on the site of a brick house that for many years housed the Legion.

TV fall concert set

The vocal music department of Tippecanoe Valley High School under the direction of Dale M. Pace will present its 1975 fall concert Wednesday, November 5, at 7:30 p.m. in the TVHS commons.

Selections will be presented by the combined choir from Akron and Mentone junior high schools, the TVHS choir, girls' chorus and swing choir.

The public is invited.

Miss Murcia is Honey Princess

Rita Murcia, Mentone, was crowned Honey Princess Saturday at the annual Indiana State Beekeepers convention in Columbus.

Accompanying her to

the meeting were Mr. and Mrs. Tom Harman, Mentone, her sponsors, and Tim and Joel Harman. Donna Lane, Lafayette, was crowned Indiana Honey Queen.

HONORED: Akron principal Dean Rager, left, presented a painting to Joe and Helen Day, recently retired custodians, at Monday night's open house at the Akron elementary school.

TVHS basketball tickets go on sale

Season tickets for the 1975-76 Viking basketball season will go on sale to the public Tuesday, November 4, at 8 a.m. in the high school office. Tickets for ten home games will be \$13.50 for reserved seats and \$12 for adult non-re-

served. Students tickets are \$7. Admission price for varsity games will be \$1.50 for adults and \$1 for students.

Admission for freshman games and girls' basketball games will be \$1 for adults and 50 cents for students.

Great Pumpkin calls in Akron

"The Great Pumpkin" has been visiting Akron this past week, leaving large, perfect pumpkins on doorsteps with a cryptic poem and a note challenging the recipient to solve the poem.

The one left at the NEWS office bore the following poem:

For all those people who might feel blue
We deliver these pumpkins especially for you.

In the day time the Sunshines to light

But watch for me when the moon shines bright.

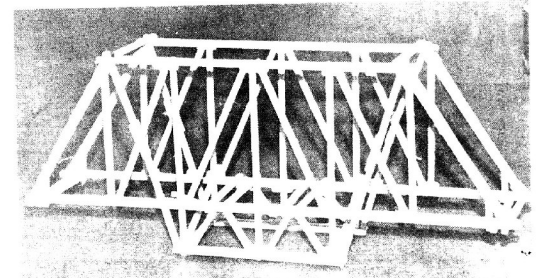

My pumpkins are delivered with the greatest of care

But I, the Great Pumpkin, knows only where

Don't be waiting with the lights turned high

Or the Great Pumpkin will pass you be.

WINNING BRIDGE in last week's TVHS physics class contest to see who could build the strongest bridge from 30 feet of balsa wood was this structure created by Rex Wiley. It supported 68.01 pounds before breaking at the point to which the plate that held the weights was attached. Rebuilt and retested, it supported 86.44 pounds. Other bridge builders and the weights their creations supported were John Lash 60.32; Toni Lyon 47.72; Bill Creighton 43.76; Ryan Williams 34.51; Dan Cooper 28.32; Lyle Hoffer 14.9; Sharon Burkett 14.79; Ron Newlin 12.58; Lucy Syenhuis 12.36; Sandra Good 11.47; David Smith 10.71; Terry Snipes 10.38; Todd Sheetz 9.51; Todd Smith 8.82 and Floyd Dorsey 4.87. The class is taught by Wayne Cumberland.

Bicentennial committee plans Mentone events

Thirty members of the Mentone Bicentennial Commission learned the town had been declared a Bicentennial community when they attended the October meeting.

Ed LaMar, audio visual director at TVHS, described the Bicentennial Youth Debates scheduled October 29. The commission voted to give a Bicentennial savings bond to the winners in each of the three speech categories plus \$10 and \$5 to the second and third place winners, respectively. Mr. LaMar also announced that more Egg Festival pictures or slides are needed to complete a Bicentennial slide presentation of the community. Also needed are records featuring the songs "Faith of Our Fathers," "Turkey in the Straw," and "This is my Country."

Plans for the Heritage '76 program, set for Veterans Day, November 11, are in order with 39 family farm owners to be honored.

December 5 was selected as the date for a fish fry. Plans also include a mini-carnival with booths, movies and activities. John W. Guntner, the singing sheriff of Madison Co., will present a program. Committees have been appointed to work on this project.

Bob Whetstone announced he is building a large bulletin board of early American design that will be located

near the Pill Box drug store. It will keep people informed of Bicentennial events. He also noted that 45 citizens have joined the Lawrence D. Bell Air Force Association Chapter and that the organization will assist the Bicentennial commission

as needed.

The commission invites all residents to attend the official Bicentennial flag presentation at 2 p.m. on November 9 and Heritage '76 at 7:30 p.m. November 11 at Tippecanoe Valley High School.

King is semifinalist

Jonathon King

Jonathon King, an Albuquerque, New Mexico, high school senior, is one of 89 New Mexico high school students named semifinalists in the 1976 National Merit Scholarship program.

With other semifinalists from across the country, a group representing the top one-half of one per cent of the nation's most academically talented youth, he will compete for one of 3800 college scholar-

ships to be awarded next spring.

He is the son of Mr. and Mrs. David King, of Albuquerque, and the grandson of Mrs. Herschel Fenstermaker, Akron, and the late Mr. Fenstermaker. His mother is the former Marilyn Fenstermaker.

Mentone Baptists to hear Matthews

Reginald Matthews

"The True New Testament Church in an Age of Apostasy" is the emphasis of the ministry of Dr. Reginald L. Matthews, field representative of the General Association of Regular Baptist Churches, who begins a three-day conference at the First Baptist Church in Mentone. Services are scheduled at 10:30 a.m. Sunday and at 7:30 p.m. Sunday, Monday and Tuesday.

Beaver Dam church plans revival

E. R. "Bob" Heckman

Revival services are scheduled at the Beaver Dam United Methodist Church November 5, 6, 7 and 9 at 7:30 p.m. each evening.

Guest speaker will be the Rev. E. R. "Bob" Heckman, minister of the Mentone and Talma United Methodist churches. A graduate of Huntington College and Garrett Evangelical Seminary, he has conducted meetings in Ohio, Indiana and Idaho.

The Rev. Heckman's messages, in the order he will present them, will be God's Plan For Our World, Letting God Be God In Our World, A Tragedy In Our World, Gambling with Destiny In Our World and Married to the Wrong Person in Our World.

Norman Lakness, R. 1, North Webster, will lead singing. A former radio and church soloist in the Chicago area and music and activity director for youth, church song leader and soloist in Denver, Colo., he is presently songleader and soloist at the Barbee Community Church where he is in charge of music programs. He is a district supervisor of utility and railway projects for the Indiana State Highway Commission.

The program includes stories for children and nursery service.

Spotlight on 4-H

By Robin Secrist

Kathy Vogel

She feels she has learned a lot about cooking through 4-H. She has been enrolled in several projects, including cooking, dog, crafts and horses, which are her favorites. "Because I like to cook, I like my dog, I like to make crafts, and I love to ride horses."

Her goal for the upcoming year is "to get my projects done and do them right."

Last year, she was chosen second alternate in county demonstrations and this year she was elected the club's song leader.

Crafts is another project that's popular with the Mentone Merry 4-Hers. There are several areas in the crafts projects. The two main ones are fine arts and basic art. There are areas that pertain to needlework, working with leather, ceramics and miscellaneous crafts. This project allows a 4-Her to use his or her imagination when making this project. It is a very challenging and rewarding project.

In the spotlight this week is 11-year-old Kathy Vogel, a four-year 4-H member. Kathy is the youngest of her family and is also the only girl. Her parents are Mr. and Mrs. Ned Vogel, R. 5, Warsaw.

Kathy is also active in the boys' 4-H club. When asked about 4-H, she said, "It's real fun and you get to do things that you couldn't do if you weren't in 4-H."

It Happened In Mentone

Taken from the Oct. 26, 1949, issue of the Northern Indiana Co-Op News:

The Mentone Egg Show committee and the entire community as well is indeed fortunate to be able to claim as friend and neighbor as successful and enlightened an individual as Hobart Creighton. His is widely known as one of the nation's largest poultrymen and only a few days ago returned from a five weeks tour of Europe. Undoubtedly his talk at the Egg Show Friday evening will be highly entertaining and will give us a first hand work picture of conditions in the old world.

Lawrence D. Bell, pre-

sident of Bell Aircraft Corporation, who has been hospitalized since an automobile accident Sept. 7, expected to leave Buffalo General Hospital Monday.

Mr. and Mrs. Ray Linn and Mr. and Mrs. Merl Linn and family spent Sunday at the Gene Stratton Porter State Memorial, Pokagon State Park, and other points of interest.

Claude Gates and Everett Rathfon made a trip to Kansas City recently to see about buying some cattle for the latter, and while the boys were away someone drove a goat into Claude's garage and shut the door. But don't worry too much, Claude, as we have a new attorney about ready to locate

in Mentone. You know, no man can afford to keep a goat without an attorney friend.

60 YEARS AGO

There will be a box social at Balls school, taught by Miss Nellie Onstott, Thursday evening. The teacher and the pupils expect a great time and all the young ladies are solicited to bring a neat, little box with "goodies" in it that will sell at auction to the big boys and little boys and the men of the district. The proceeds will go to build up the library in that school.

Mr. and Mrs. Riggles have just closed a revival meeting at Silver Lake which continued over five Sundays. They held a baptismal service Sunday afternoon in Silver Lake. They expect to return there in the spring and hold a long tent meeting. In the meantime they will keep up their regular two weeks appointment. They began a series of evangelistic meetings in Mentone on Tuesday night of this week. They have a large hall well lighted and seated. There will be special singing by the Plantz family and the Alexander sisters of Burket. Already a deed interest is being manifested.

Monday morning a United States post-office inspector dropped into the local postoffice like a spider from the ceiling unannounced and asked that all locks be opened and records produced, and after a thorough count of all cash and stamps and all records checked, he left for Rochester on the 3:50 p.m. train, stating he had found the local office and records in the best shape he had found them since he had been on this district.

Last Sunday was quite a big day at the M.E. Sunday school. It was rally day and there were 198 in attendance and the collection amounted to over twelve dollars. The chief feature of the morning was the attendance by Prosecuting attorney Sapp of Huntington county. To find a lawyer, and a real prosecuting attorney in the Sunday school at his home and abroad is a rare combination. But is certainly a happy combination. He is a young man, has a bright future before because the friends he makes, he wins because of his deep sincerity of purpose.

39 YEARS AGO

Jack Morris will stage one of his annual fall stock sales Friday, November 6. The sale is to be held at the stock farm east of town and will attract many buyers from all over the central west. There will be more than 400 head of stock in the sale. Jack is sending out a great deal of publicity in regards to the sale and an unusually large crowd is expected.

Paul Cumberland had the misfortune to slip on the street in Akron Saturday night tearing the ligaments loose in his ankle.

A dinner honoring the fiftieth wedding anniversary of Mr. and Mrs. A. A. Gast was served last Sunday at the Hotel Akron to the following guests: Mr. and Mrs. E. A. Gast and daughter, Mr. and Mrs. Karl B. Gast, Barbara, Stuart, Charles and Tommy, Mr. and Mrs. Whit Gast and sons, Mrs. Marie Talbott and son, Mr. and Mrs. Joe Boswell and Mr. and Mrs. A. A. Gast.

25 YEARS AGO

"Does Akron Need a PTA?" is the subject to be discussed next Thursday night at the library basement, and the public is invited. The program open to the public, and especially to parents, was planned by the Mothers Study Club as a part of its year's discussion, the theme of which is: The Value of Purposeful Discussion in Building a Better Community."

The Akron Lions Club held their monthly directors meeting in the Lions den on Monday evening. Plans were made to rent the den to other organizations for meetings and also to permit the boy and girl scouts to hold their meetings this winter free of charge. Several new members were voted into the club at this time. The club also voted to give \$25 to the Community chest. The program committee for the next meeting will be: Ed Bucher, chairman; Daton Hoffman, Richard Moore and Robert Burns.

Senator Homer E. Capehart was in Akron Tuesday morning shaking hands with the voters. He went to every place of business in town and handed out cards and visited with the people. At noon the Senator was the guest of the Rochester Kiwanis club where he conducted a question and answer session.

Local schools are closed down today and tomorrow while teachers are at the annual Institute meeting. Several local teachers are attending at Indianapolis, while others are in sessions at Ft. Wayne.

The American Legion and Auxiliary met in the Legion Home on Oct. 20 for a pot luck supper and social gathering. Around fifty members were present with Bingo being played and prizes awarded by Mrs. Mary Lantz.

Tippecanoe News

By Mrs. Harold Jefferies

Mrs. Melvin Ward was hostess to the Women's Missionary Society recently. Eleven members and one guest, Mrs. Tom Devlin, answered roll call by telling "what project I will work on this winter." The November sewday was changed to the 20th at Mrs. Wayne Kredt's home, and the Christmas meeting was changed to a 6:30 pot luck supper. Mrs. Ward and Mrs. Nilas Sill were named to a Thanksgiving fruit basket committee.

Sixteen members and three guests attended Foster Rebekah Lodge Thursday evening. Marie Janke and Betty Bock served refreshments.

Mr. and Mrs. Keith Sill entertained Saturday in honor of the birthdays of their daughters, Rosanne and Karen. Guests were Mr. and Mrs. Jeffrey Worsham and Sean, Warsaw; James Hewitt, Ball State; Rosanne, So. Bend; Mr. and Mrs. Graham Grossman, Bourbon, and Rachel and Roger Sill. Mrs. Nilas Sill called later in the evening.

Mr. and Mrs. Gene Irwin and Collette and Curt, Argos, and Jeff Heck were Sunday evening visitors of Mr. and Mrs. Rex Fites.

Mr. and Mrs. Richard Snyder, Plymouth, and Mr. and Mrs. Robert Snyder, So. Bend, were Sunday guests of Mr. and Mrs. John Eby. Thursday guests were Mr. and Mrs. Richard Eby of Argos.

Lt. Col. and Mrs. Joe Slaven and Mike, Indianapolis, and Mr. and Mrs. Bernard Kuboski, South Bend, were Sunday guests of Mrs. Dick Slaven. Monday visitors were Sgt. Dave Atkins and son of Ft. Benjamin Harrison, Indianapolis.

Mrs. Charles Fellers, Rochester was a Tuesday afternoon guest of Mrs. Harold Jefferies.

Erva Cole, who suffered a light stroke Friday, is reported in fair condition at the Carlyle Nursing Home in South Bend.

Glenna VanBuskirk of Evansville was a weekend guest of Mrs. Ralph Warren and Morean South. It was the first time Mrs. VanBuskirk and Mrs. South had seen each other in 26 years, although they had been corresponding since they were 10. Both were 76 on Oct. 20. They were neighbors in Argos until they were nine and Mrs. VanBuskirk's family moved to Kansas. Sunday callers included Arnold Lake of So. Bend, Mr. and Mrs. Bill Church and family of Lucerne, Mr. and Mrs. Ray Callahan of No. Judson and Roy Warren of California. Saturday guests were Mr. and Mrs. Arthur Luty, Tiosa, and Ethel Overmyer, Argos.

Mr. and Mrs. Roger Moriarty, So. Bend, and Mrs. Richard Huffman and Stephanie, Terre Haute, were Saturday supper guests of Mr. and Mrs. Wm. Martin and Marla. The Martins visited Gladys Martin Sunday at Lafayette.

Recent overnight guests of Mr. and Mrs. Tom Dean and family were Mr. and Mrs. Robt. Dean and Amy, Daleville.

Mr. and Mrs. Ed Souther and Mr. and Mrs. Earl Davis of here, Mr. and Mrs. James Bitting and Andy, Warsaw, returned Sunday from visiting Dr. and Mrs. Joe Shively and family in Charleston, West Virginia.

Mr. and Mrs. Lyndol Moriarty, Celina, Ohio, were Saturday overnight guests of Mrs. Wendell Moriarty. Sunday dinner guests of the Lyndol Moriartys in Plymouth were Mrs. Richard Huffman and Stephanie, Terre Haute; Mr. and Mrs. Roger Moriarty, So. Bend, and Mrs. Wendell Moriarty. They all visited Mr. and Mrs. Russell Moriarty and family.

Mr. and Mrs. Tom Devlin recently visited in Chicago, calling on their neice, Eleanor Lake.

Mrs. Richard Huffman and Stephanie of Terre Haute were guests last week of her parents, Mr. and Mrs. Wm. Martin, and Marla. Friday supper guests were Mr. and Mrs. Paul Wheadon, Rochester.

Sunday supper guests of Mr. and Mrs. Wm. Moriarty were Dr. and Mrs. James Morgan and Drusilla, Akron, Karen and Michelle Moriarty and Jean Keppler of Warsaw and Mrs. Dean Nellans Sr., Mentone.

Mr. and Mrs. Guy Gilligan of Sebring, Fla., were guests last week of Mrs. Clacy Heston and Mr. and Mrs. Gale LeWallen.

Jane Ann McIntire is recuperating following a tonsilectomy Thursday. Keith spent part of last week with Mr. and Mrs. Fred Eiler and family at Bremen.

Mr. and Mrs. Ralph Jefferies were Saturday visitors of Mr. and Mrs. John Botich Sr., South Bend.

Mr. and Mrs. Robert Lewallen, Mrs. Rex Burnett and family were Sunday dinner guests of Violet Klinefelter of Etna Green.

George R. Shaffer, formerly of Tippecanoe and now of Ft. Pierce, Fla., is a patient at the Veterans Hospital where he had surgery. His address is Veterans Hospital, 12th floor, room 1208, Miami, Fla.

The only thing that gives you more for your money today than it did a year ago is a weighing machine.

Akron Girl Scout News

Cadette Scout Troop 230 had a haunted forest at the park for the Brownies and Girl Scouts. The people that were in it were Pam Zimmerman, Tami Walgamuth, Kathy Straley, Libby and Susan Porter, Kim Norman, Tami Leiter, Chris Ogle, Staci Hartzler. Also helping the girls out were Pat Walgamuth, Scott Miller, Jerry Katz and Tammi Norman.

All Scouts enjoyed a lovely hayride, followed by hot chocolate and cookies.

On Oct. 25, we went to Holiday on Ice and it was really super and colorful. We left at 12 noon from Jeannie Shuey's home. Then we went to Michele Craft, our other leader's house and had a Halloween slumber party. Before the party, we got pumpkins. The big pumpkin was from Whit Gast and the other little ones from Betsy Mathias.

We had a carving contest. Then we had a danceathelon from 12:30 to 2:30 in the morning. We then went to bed. Sleepily Sunday morning we made breakfast for the leaders.

Lots of thanks to Jeannie Shuey and Michele Craft for putting up with us.

AKRON JR. HIGH FOOTBALL TEAM: Back row, left to right: Coach Bill Ruppel, Bernard Rudd, Jeff Tutorow, David Rhodes, Jeff Bickel, David Newlin, Brent Arven, Greg Cumberland and Coach Russ Isaacs. Second row: Janet Cumberland, manager; Pat Walgamuth, Chuck Arnett, Mark Shireman, Jim Shepherd, Ken Powell, Joe Harter, Hal May, Sue Gall, manager, and Stacy Kemp, manager. Front row: Gary McKee, Chad Tucker, Lynn Fuller, Chris Peterson, Rod McCloughan, Alan Unzicker, John Stewart and David Leckrone.

Akron Jr. High ends season 4-2

By Coach Russ Isaacs

Akron Jr. High finished on a victorious note. They defeated Rochester Jr. High 12-0. The Akron team played a strong Rochester team. Chuck Arnett scored both touchdowns and gained 140 yards in 23 carries. The Flyers played a strong defensive game and were led by Mark Shireman and Gary McKee. Akron finished strong by winning its last four games. North Miami beat Akron in its first game 8-0. Then in the second game of the year a powerful Mentone team downed Akron 34-0. After this game Akron got things turned around and beat No. Manchester 22-8. The game was played in a driving rain and Akron played a fine game. The Flyers then played the So. Whitley team and triumphed for the second time by a score of 14-6. The next game was played at the TVHS field against Caston and Akron played their best game of the year. The Flyers reversed a 38-0 defeat of last year to the tune of a 52-12 win. Arnett scored a record 6 TD's and 2 PAT's for a total of 40 points in one game. The Flyers finished the season at 4-2.

David Rhodes, Chuck Arnett and Mark Shireman were the co-captains this year and each performed very well for the Flyers. Along with

standouts other starters were, ends Dave Newlin and Hal May, tackles Greg Cumberland, Jim Shepherd, guards Lynn Fuller, Gary McKee and center Ken Powell. Backs Joe Harter, David Leckrone and Alan Unzicker rounded out the starting team.

After the last game the team was treated by several of the parents at Burger Chef and would like to thank them for this.

Mentone Jr. High ends season 4-1

The Mentone Jr. High football team enjoyed a record-breaking season this year, establishing a four win-one loss season.

The team started the season out by defeating Triton in a close game, 8-6. They dropped their second game of the season to Pierceton, 0-14. From then, it was Mentone all the way. They finished their four and one season by knocking off Akron, 34-0; North Manchester, 22-0, and Gaston, 33-0.

The Bulldogs were led by quarterback Bill Jamison. Tim Alspaugh did most of the ball carrying and rushing for over 600 yards and averaging over six yards per carry. Tim rushed for seven touchdowns this season. Also, running backs Jeff Hutcherson and Greg Utter proved worthy of themselves by averaging 6.46 and 5.8 yards per carry, respectively. Of course, these averages were made possible by offensive linemen consisting of Steve Wagoner, Andy Shoemaker, Kim Huff, Herb King, Todd Anglin, Mike Holloway, Todd Miller, Burl Haywood and Kenny Koser.

Coach Jon Parker admits, "Of the records we set this year, the one I am happiest with is our defensive record of holding the oppo-

ponents' score to a total of 20 points and holding three teams scoreless." Coach Parker and Coach Robert Hinkle were extremely pleased with their team's performance this year, and both are excited at the prospect of watching this year's group breaking more records in future years.

Mentone Jr. High to launch basketball season

Basketball at Mentone Junior High School is just around the corner with the first game on November 10.

Season tickets will be sold this year and can be purchased at the school starting November 6 or at the first two home games. Prices are \$5.25 for adults and \$3 for students. Door admission will be \$1 for adults and 50 cents for students.

Vikings end winning football season

By Ron Newlin, NEWS sportswriter

Coach Charlie Smith's Tippecanoe Valley footballers went out in style Friday, manhandling Central Noble 35-12 to make their first varsity campaign a successful one. The Vikings closed with a 3-2 record, in addition to three shutout victories over three of the area's tougher JV squads.

As has been the case all year, the Vikings' brutal running attack sparked the offense, especially in the middle quarters when Tippecanoe blew a 7-6 game wide open, taking a 29-6 lead. Senior fullback Ryan Williams, playing in his last game, bulled in for two scores, while his junior backfield partners Dan Koldyke and Derek Anglin ran for over 90 yards and a touchdown a piece. The Viking defense th-

rottled the Cougars' fine passing game often enough to make the game a rout.

The young Vikings deserve plaudits for their winning initial season, and with only four seniors graduating, should pose a real threat in the season to come.

Rainbow has work day

Stephanie Stewart, worthy advisor, presided at the Akron Rainbow meeting. Pro-tems were Brenda Burkett and Melanie Rinker. Melanie Turner was reported ill.

Plans were made for a hay ride on November 1. The girls and their invited guests will meet at the Masonic Hall at 7 p.m. to go to the home of Mr. and Mrs. Billie Burkett for games and refreshments. Entertainment committee members are Tamara Reed and Libby Porter. The refreshment committee is Dena Dugan, Kathy Gagnon and Brenda Burkett.

Following the meeting, refreshments were served by Dena Dugan, Melanie Rinker and Jama Shank.

The girls then made their stuffed mascots, the "Norka," which are royal blue and yellow.

LTL has party

The Akron L.T.L. held their Halloween Party last Friday night at the Library basement. There were 36 members present, most of whom were masked. Prizes for the best costumes were awarded to Penny Sausaman, Royce Wright, Miles Thompson, Barbara Wallace, Tammy Stubblefield, Don Studebaker, Matthew Thompson and Beth Kline. Mrs. Norma Burns and Marie Bright assisted Gloria Bowen by judging the costumes and preparing the refreshments.

POLICE REPORT

Kosciusko Co. police are investigating a report that someone broke into the James M. Bellamy residence, R.1, Mentone, sometime Sunday and took several guns. Missing are a Winchester .20 gauge shotgun, a Ruger .22 caliber carbine, Mossberg .22 caliber rifle, a Brazilian import .12 gauge shotgun and a four-gun rack. Value of the loss has not been estimated.

Soybean double-cropping successful

Robert Runkle and the Tippecanoe Valley Future Farmers of America recently harvested 23 bushels of soybeans per acre from a 20-acre field they double-cropped in June when they planted soybeans in a standing wheat field.

Two varieties of soybeans were sown by air, each at the rate of three bushels per acre. Amsoy 71 was sown on half the field, Wells on the remainder. At the time of sowing, the wheat was headed out, making it impractical to plant by any other method.

The wheat was harvested on July 7, yielding 58 bushels per acre. The soybeans were then approximately half the height of the wheat and, with few exceptions, the tops were not clipped when the wheat was combined. The soybeans were sprayed with Parquat prior to harvesting to kill weeds and hasten harvest. They tested 9.7 percent moisture.

In harvesting the soybeans, it was necessary to clip the wheat stubble. This necessitated slowing the forward speed of the combine to compensate for the extra material passing through the combine cylinder. However, this was not reported to be a major problem. Few soybean pods were formed below six inches above the ground, which enabled the combine head to be run about four inches above the ground without having unharvested pods in the field, which was considered an advantage over normally planted beans.

Runkle and FFA advisor Forrest Kantner said the stand of soybeans was considered very good in light of the method of

planting. It was felt some areas of the field yielded 30 or more bushels per acre. Weeds, mainly ragweed and grasses, were a problem in some parts of the field. Both considered the experiment a success.

Runkle noted, however, that many factors will influence the outcome of this type of double-cropping. Two main prob-

lems, he said, are moisture at sowing and weed control.

DEATHS

Carte

Faye Swick Carte, 74, 107 Lynn St., So. Charleston, W. Va., died October 19 after a short illness.

A former Beaver Dam school teacher, she was born in Seward township, the daughter of Mr. and Mrs. J. W. Swick. She served as Director of Religious Education at the First Church of God in Charleston and was a graduate of Anderson College.

Surviving are her husband, Orlan Carte; sons Glenn of Charleston, Charles of So. Charleston; a daughter, Eleanor Brynes, Pontiac, Mich.; four grandchildren and one great-grandchild. Also, four sisters, Ocie Perry, Traverse City, Mich.; Lena Kuhn, Akron, Mrs. Lester (Dorothy) White, Talma, and Annabelle Anglin, Milford; four brothers, Dowe Swick, Rosedale, Everett Swick, Tucson, Ariz., Jay Swick, Akron, and Dale Swick, Carbondale, Ill.

Services were Tuesday with burial in Tyler Mountain Memory Gardens.

Snyder

Madge G. Snyder, 89, Mt. Zion, died Sunday evening at Woodlawn hospital, where she had been a patient one day. She had been in failing health the past 4½ years.

The daughter of Stewart and Imandra McKinney Groninger, she was born Aug. 15, 1886, at Deer Creek. She had lived in the Mt. Zion community for 60 years and had also resided in Akron. Her marriage was in August of 1904 to William Snyder, who died in 1964. She was a member of the Deer Creek Presbyterian church and the church's Ladies Aid.

Surviving are two daughters, Mrs. Joe (Janet) Arnold, Logansport, and Mrs. Charles (Bernice) Whittenberger, Akron; two sons, James E. Snyder, Dayton, O., and Herschel E. Snyder, Peru; 13 grandchildren and eight great-grandchildren. A daughter, one granddaughter and three sisters preceded her in death.

Services were Wednesday afternoon at the Sheetz funeral home with the Rev. J. D. Thomason officiating. Burial was at Deer Creek.

Clark

Fay A. Clark, 78, 208 No. Mill St., No. Manchester, died Tuesday morning after a 2½-month illness. She was the mother of Mrs. Gordon (Mary Louise) Groninger of near Akron.

A lifetime resident of Wabash Co., she was born Oct. 29, 1896, the daughter of E. Frank and Jennie Ban Baker. Her husband, Roy Clark, preceded her in death on March 1, 1964. She was a member of the Congregational Christian Church.

Surviving are seven children, Mrs. Robert (Virginia) Curless, Mrs. Robert (Donnabelle) Hoffman and Kenneth Clark, all of Wabash; Gordon Clark and Mrs. Myrl (Jean) Mylin, No. Manchester; Mrs. Groninger, and Sandra Heston, Huntington. Also, 25 grandchildren; a sister, Mrs. Glen (Mary) Brane, Marion; a brother, Lamoine Baker, Bradenton, Fla., and 17 great-grandchildren. A son and a daughter and two brothers preceded her in death.

Funeral services were conducted this afternoon at the Congregational Christian Church with the Rev. James Overhold officiating. Burial was in Oakland cemetery, No. Manchester.

Crockett

Carl S. Crockett, 80, Akron, died Thursday morning in Parkview hospital, Ft. Wayne.

Son of Franklin and Sarah Rhea Crockett, he was born Oct. 13, 1895, in Walton. His marriage was Sept. 21, 1916, at Walton to Maude Minnick. She survives. A former janitor in the Akron school system, he attended the Akron United Methodist Church.

Surviving in addition to his widow are a daughter, Mrs. Douglas (Linda) York, Ft. Wayne; two brothers, John J. Crockett, Nipawin, Canada, and Rhea, LaPorte; one grandson, Jack Fetrow, and two great-grandchildren.

Services were Monday morning in the Sheetz funeral home, Akron. The Revs. John Moore and Claude Fawns officiated. Burial was at the IOOF cemetery at Walton.

Hill addresses Reading Club

Robert Hill, public relations chairman of the Lawrence D. Bell Aircraft Museum, Inc., was guest speaker at a recent meeting of the Mentone Reading Club.

He outlined the accomplishments of Bell, a native of Mentone, who later headed the firm that built the first airplane to break the sound barrier, ob-

tained the first commercial helicopter license and many other aviation firsts that moved man from the early stages of aviation to the space age.

Hill depicted Bell as a man of many talents, whose ideas and inventions in the field of aeronautics earned him the admiration of people all over the world. He concluded with one of Bell's favorite sayings: Show me a man who cannot be bothered to do small things and I'll show you a man who cannot be trusted to do big things.

Akron Scouts have spooky night

Akron Girl Scouts and Brownies and their guests had a spooky evening Thursday. They met at the town park where the Cadet Scouts had a "Spook House" in the woods. Fifty girls and ten adults then went on a moonlight hayride, returning to the Methodist church annex for refreshments.

Drivers were Mike Stephen, Jerry Finney and Del Furnivall.

The Scouts are sponsored by Kappa Delta Phi sorority.

MARRIAGE LICENSE

Dennis Everett Young, R. 5, Warsaw, and Renee Elizabeth Tinkey, R. 2, Warsaw, recently applied for a marriage license in the Kosciusko County clerk's office.

Olive Bethel

Helin. Cox

Mr. and Mrs. Larry Paxton and her mother, Mrs. Bilyew, of near Rochester, spent Friday evening with Mr. and Mrs. Fred Keesey.

Mr. and Mrs. David Sheetz and Brad were Sunday dinner guests of Mr. and Mrs. Geo. Sheetz.

Mr. and Mrs. Lowell Safford and daughter, spent Thursday with Mr. and Mrs. Walter Safford.

Jenny Leininger spent the weekend with Mr. and Mrs. Philip Carr and family at the Spring Mill State Park.

Mr. and Mrs. David Sheetz and Brad spent Thursday evening with her aunt, Alice Banks and family of Culver.

Mr. and Mrs. Paul Cox and Helen and Mr. and Mrs. Chester Carpenter of near Rochester were Sunday dinner guests of Mr. and Mrs. Jim Carpenter, Penny and Larry.

Mr. and Mrs. Fred Keesey attended the Keesey reunion at the home of Mr. and Mrs. Bill Smith, Rochester.

Mr. and Mrs. Geo. Sheetz called on Marie Hunter, Mary Ellen and Alice of Roann Sunday afternoon.

Mr. and Mrs. Jim Baker and daughters, Bourbon, spent Sunday evening with Mr. and Mrs. Floyd Cox and family.

Mr. and Mrs. David Sheetz visited her brother, Joe Hott, at the Indianapolis hospital Sunday afternoon.

JESSAMYN WEST, left, chats with Mentone librarian Madeline Fisher following Miss West's address in honor of the 150th anniversary of the Indiana State Library. Miss West, a native of Indiana, has written many books. The most recent one is "Massacre at Fall Creek," a novel based on an almost forgotten bit of history--the execution of white men for the slaying of a band of Indians. The executions marked the end of the "frontier" as it had been known in Indiana, but the record of them was destroyed in a courthouse fire. When new facts concerning the incident was discovered, Miss West, with the aid of the State Library, was able to recreate the mood of the times in her novel. Also attending the meeting were Beth Holt, Lea Hudson and Ann Sheetz.

Bell Library plans open house

The Bell Memorial Public Library's new look will be unveiled at an open house Sunday, Nov-

ember 9. Area residents are invited to call at the library between 2 and 4 p.m. to see the modern green and gold shelving purchased with funds donated by local individuals and civic organizations and to become acquainted with the library's facilities.

Craft workshop

Cont. from page 1
display of craft work. Demonstrations and lessons will be held continuously to show how cloth scraps may be used, yarn flowers, crocheting, knitting, macrame hanger, poly dome, bleach bottle dolls, needlepoint, quilting, picture soaps and Christmas decorations are made.

Light refreshments will be served.

People who fall in love at first sight soon learn to wear bifocals.
