Akron park receives generous donation

Ron Fenimore, left, presents Akron Park building project chairman Channing Utter with a \$2000 check donation the park received from Arnold E. Heeter of Fort Wayne last week. The check was generous enough to complete the latest project at the park, that being the installation of a 24' x 96' shelter house with permanent restrooms. (NEWS photo.)

Board discusses withdrawal from area planning commission

by Renee Norlander

The Mentone Town Board met in regular session on October 2, at 7:30 p.m. in the Town Hall, with all members present. Minutes of the September 11 and 20 meetings read by Clerk-Treasurer Catherine Whetstone were approved as read by trustees Frank Hardesty, Gerald Romine, and Wayne Tombaugh. Attorney Lee Bazini was also present.

Discussion of withdrawal from the Kosciusko Area Planning Commission was the first business of the evening. The trustees have discussed at previous meetings their reasons for wishing to withdraw, and trustee Romine commented that he "was for it two years ago..."

Board president Hardesty suggested that the Board review all of the present town ordinances and revamp and update them.

Trustee Tombaugh made a motion to withdraw, but no second was forthcoming.

Attorney Bazini suggested that the Board hold a public hearing to find the feelings of the citizens of Mentone, although it isn't necessary. He also explained that the Board must pass an ordinance to withdraw.

He will look into the proper channels for withdrawal and get back to the Board.

Trustee Tombaugh withdrew his motion, and the matter was tabled for further discussion.

Town Marshal Earl Beattie reported to the Board that CETA has contacted him in reference to the employment of full time deputy Mike Trent.

CETA funds for salary and

insurance will be forthcoming but for the present time, CETA has asked that the Town of Mentone pay Trent, with reimbursement to come within a month.

After some discussion of funds available, the Board approved the measure, and Trent will be kept on as a deputy.

Chamber of Commerce distributes stand proceeds

Officials from the Mentone Chamber of Commerce met with representatives of various town organizations Monday to present checks totaling \$3000.

According to Chamber president Paul Haist, the funds were distributed based on four ideas, 1) community involvement, 2) previous donations, 3) urgency, and 4) if the organization has other means of receiving funds.

The Bell Memorial Public Library received \$1000 and the Four-Way Ambulance Emergency Service were recipients

of \$800. Also receiving funds were the Mentone Youth League, \$600; The Mentone Fire Department, \$400; and the Lawrence D. Bell Aircraft Museum, \$200.

The money came from proceeds made through the Mentone Food stand at the Kosciusko 4-H Fair this past summer.

Mentone Chamber of Commerce directors not shown in the accompanying photo are Lee Bazini, Bill Ettinger and Rita Price.

On hand at Monday's Mentone Chamber of Commerce fund's presentation were (left to right): Larry Pyle, Butch Warren, Paul Haist, Ron Secrist, Frank Manwaring, Rosalind Mentzer, Guy Alsbaugh, Dave Cooper, Jim Miller, Ray Cooper, Gene Hughes and Dr. Cook. (NEWS photo.)

Honor Walgamuths for 50 years

Funeral Directors
Burial Vaults
Fred & Terry Walgamuth

An open house and beef roast was held recently at Akron Concrete Products Co. in honor of Fred and Blanche Walgamuth's 50 years in the burial vault business. Over 100 guests attended the event, planned by Terry and Judy Walgamuth and family.

Fred and Blanche Walgamuth came to Akron from Ft. Wayne in 1928. They purchased a building from Chas. Tatman and made their first air-seal burial vault in April. The original building is still being used as the manufac-

turing plant. In 1955 a larger building was erected just south of the original and is now the painting and storage area. Electric hoists were added in 1969 and the first electric vault trailer was put in use that year also. Fred and Terry purchased the Wilbert franchise in 1970 and now have top seal, airseal, steel and porcelain vaults. Extensive remodeling was done to the original building in 1973, adding batch bins, new mixer, and traveling eye-beams. Akron Con-

crete Products Co. started with part time help and has now expanded to serving 50 funeral homes in a 55 mile radius with seven full time employees and two part time.

Terry joined his father in the business in 1959 on a full time basis although he had worked summers for several years. Terry's son, Pat, has grown up with the business and works on weekends and during the summer, making the third generation in the business.

Akron Concrete Products Co. goal and motto has always been to serve their funeral directors with a quality product and quality service. Over the 50 years, they have strived to progress with the advancing, up-to-date methods of manufacturing, storing, and delivery of their quality burial vaults.

Accident injures three area teens

A two vehicle accident that occurred last Friday, September 29, was blamed on faulty brakes according to Mentone Marshal Earl Beattie.

The mishap occurred on St. Rd. 19 south at the intersection of County Road 500 South at 8:35 a.m., when a pickup truck, operated by Cynthia J. Norris, age 16, of R. 1, Mentone, failed to stop at the intersection when she applied the brakes.

Norris apparently swerved to the far left lane to attempt the turn south onto 19, and collided with an auto driven by Timothy Creighton, 17, of R. 5, Warsaw, as she entered the intersection.

According to Beattie, the Creighton auto, a 1972 Ford Pinto, was forced off the road upon impact and hit a cement corner post. The Norris truck

went on through a fence, and stopped in a corn field owned by Joe Boggs of Mentone.

Norris and Creighton, along with Jenny Scott of Burket, a passenger in the Norris vehicle, were taken to Kosciusko Community Hospital in Warsaw, where Creighton was admitted for treatment. Norris and Scott were both treated and released.

Estimated repair to the Norris vehicle, a 1969 Dodge pickup truck, owned by Lee E. Norris, was set at \$600. The Creighton auto, owned by Louise Creighton, was totaled, and estimated damage was \$2000. Property damage to the fence and field owned by Boggs was set at \$50.

Miss Norris was cited for running a stop sign, according to Beattie.

Jaycees sponsor parade

Akron Jaycees will sponsor a Halloween parade at the Akron gym on Saturday, October 30 at 7 p.m.

Prizes of three silver dollars for first, two for second and one for third will be awarded in each category, and treats will be given everyone.

Categories are: Prettiest (8 and

under), prettiest (9 and over), best ghosts (8 and under), best ghost (9 and over), best hobo (8 and under), best hobo (nine and over) and four open to all ages: Ugliest, best witch, best animated character and most original.

Following the costume parade, the following games will be played for prizes: balloon blowing and bubble gum blowing.

Plan hayrides

The Akron Jaycees are sponsoring autumn hay rides on October 14 and October 21. Chaperones will help supervise the rides and wagons will be provided for adults.

Anyone interested is asked to contact Joe Day at the Hardware Store.

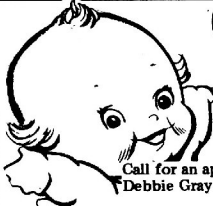

Curfew set for Mentone

A curfew has been set by the Mentone Town Board for the evenings of Monday, October 9, thru Tuesday, October 31 for all persons under 18 years of age.

All children under 18 will be expected to be in their homes by 10 p.m. each evening during the curfew.

"Trick-or-treat" for Halloween has been set for the evening of October 31, from 6:30 p.m. to 9 p.m. This schedule is the same as last years.

Marshal Earl Beattie has been instructed to enforce these restrictions.

Farmer's State Bank to open new branch

Pictured above is the architect's model of the new branch bank to be opened north of Warsaw by the Farmers State Bank of Mentone. The bank building will be located at the intersection of State Road 15 and County Road 200 N, and is now under construction.

The building has an area of 3400 square feet with a full basement, and should be com-

pleted by April 15, 1979. When completed, it will house four inside teller stations, and two drive-up stations, expandable to four.

According to bank president, Forrest Miner, business is expected to commence in temporary quarters on October 30 with five employees working. This is the first branch bank to be constructed by Farmers State Bank of Mentone.

Scholarship offered for ag course

Robert Taylor, Vice President and Agricultural Representative of the Akron Exchange State Bank, announces that a \$250 scholarship will be offered by the bank locally to aid a young person to attend the 1979 eight-week Purdue Agricultural Short Course.

This course is usually attended by young people who for one reason or another do not plan to take a four-year college course in Agriculture but who want to make agriculture their life's vocation.

Modern agriculture with its increasing complexity of farm operation involves more mechanization; financial planning; greater management skills; use of improved grain and pasture crops; conservation of soil fertility; use of improved feeding practices; and control of livestock and plant disease and pests. Current information covering these subjects is emphasized in the eight-week winter courses. The courses are taught by the regular staff members of the School of Agriculture and are designed to be highly practical in their application.

The Akron Exchange State Bank, as well as many other banks who belong to the Indiana Bankers Association, sponsors the scholarship each year. Last year over 250 young people participated in the winter short course. The schooling has nationwide acclaim. Students from many other surrounding states even attend.

To qualify for such a scholarship, one must be at least 18

years of age. Those interested are asked to secure an application form from the Akron Bank and return the completed form to Mr. Taylor by October 30.

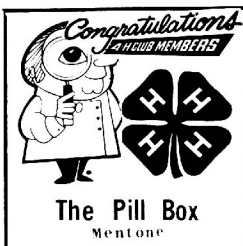

As only one \$250 scholarship will be offered, there will have to be a selection made if more than one applicant qualifies. The school begins January 2 and closes with a graduation exercise on February 22, 1979.

Any interested person desiring more information about this school, please contact Mr. Taylor at the Akron Exchange State Bank.

PSAT sheduled for October 24

George Welch, guidance director at Tippecanoe Valley, has announced that sophomores, juniors, and some seniors will be able to join over one million other students around the world in taking the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) this fall. The test, co-sponsored by the College Board and National Merit Scholarship Corporation, is an important step in making college plans.

Scheduled for October 24, at Tippecanoe Valley, the PSAT/NMSQT measures verbal and mathematical aptitude -- two abilities important in doing college work. The test can also lead to other opportunities for high school students. For example, students can ask to participate in the College Board's Student Search Service which helps colleges learn about students like them.

By taking the PSAT/NMSQT, they can enter the competition for scholarships administered by the National Merit Scholarship Corporation and can get a good idea of what the Scholarship Aptitude Test (SAT) is like.

Along with their score reports, students will receive a copy of ABOUT YOUR PSAT/NMSQT SCORES, a booklet that contains valuable how-to information about: estimating SAT scores; finding out where to get and how to use detailed infor-

mation about colleges and financial aid; and planning for financing a college education.

Also, students can use the College Board's College Handbook, to compare their scores with those of enrolled students at more than 2,800 colleges and universities.

It's that time of year again when reports of vandalism begin creeping up just prior to Halloween. We're reminded of the theft last year of an Akron family's nine pumpkins just prior to Halloween night. The father, who had lived in cities such as Boston and Philadelphia stated "he had never seen so much vandalism as is locally accepted."

Now is a good time to sit down with your kids and talk about the difference between minor mischief and outright destruction and theft.

Already there have been reports of window soaping, "out-house" tippings and similar Halloween-time "pranks".

Let's all work together to have a safe month and remember to respect other's property.

Mentone police report

Eddie C. Sexton, 20, of Box 81, Burket, was cited for speeding on Tuesday, September 26, at 1:25 a.m. According to arresting officer, Deputy John Hart, Sexton was traveling 44 mph in a 30 mph zone on St. Rd. 25 at the intersection of Morgan St. when he was stopped. Sexton is to appear in County Court on October 6.

On Monday, September 25, at 6 p.m., Juanita A. Sainer,

26, R. 5, Warsaw, was cited for speeding. According to Marshal Earl Beattie, Sainer was traveling 50 mph in a 35 mph zone on St. Rd. 25. Court appearance was scheduled for Wednesday, October 4.

Marjorie Holm reported on September 25 at 8:15 a.m. that someone had broken the drivers side window out of her car during the evening. Marshal Beattie investigated and determined that a tire iron or some such object was used to break the window. No other damage to the auto was apparent. The incident occurred at 204 N. Morgan St. The incident is under investigation.

William Blackburn, of State Rd. 25 W., called police to his home on Saturday, September 30, at 7:20 p.m., after someone driving by in a vehicle shot out a window in his home, facing the road. It was determined that a pellet gun of some type was used, and the second glass in the window was not damaged. The incident occurred at 6:45 p.m. Robert Whetstone called Marshal Beattie to the home of Robert Norlander, 307 N. Broadway, on Sunday, October 1, at

New books at Akron library

New books received at the Akron Carnegie Public Library include the following:

SOUL ON FIRE by Eldridge Cleaver. This is a story for the times, for it includes the drama of so much of recent history - the hopes, the dreams, the political and spiritual seeking that have occupied young and old alike. Has Eldridge Cleaver really experienced something that offers an answer to his - and a generation's - seeking? In "Soul on Fire" you'll find the answers - from the man himself.

THE ANGRY TIDE by Winston Graham. The magnificent Poldark saga continues in this bold and richly detailed novel of London and Cornwall at the close of the eighteenth century.

DOES SHE KNOW SHE'S THERE? by Nicola Schaefer. This is the courageous and triumphant true story of a woman and her handicapped child.

SPEAKER'S TREASURY OF ANECDOTES ABOUT THE FAMOUS by James C. Humes. **STAR OF THE SEA** by Linda Haldeman. A heartwarming novel about a young girl and a miraculous statue.

REACHING FOR GOD by Eileen Mitten. This is Eileen Mitten's compelling story of God in her life - a rare spiritual autobiography.

THE TODAY GIRL by Sharon Hoffman. The originator of the Total girl classes, shares the lessons she has learned from her own teen years, relating them

to the emotional needs of modern girls and the communicating on their level without compromising Christian standards.

A WOMAN OF INDEPENDENT MEANS by Elizabeth Forsythe Hailey. Only rarely has a novel so vividly captured the strength and energy of a woman as outspokenly alive as Bess Steed Garner. Bess was born liberated and her story, told through letters spanning more than half a century, reveals a personality that is as vital as the American landscape it sprung from.

THERE WILL BE A ROAD by Dwight Jensen. This is a novel about friendship and survival in the Western Mountains.

MAKING 75 RUGS BY THE SQUARE by David P. Blake, Charles Barnes and Charles Thompson.

RIDERS TO CIBOLA by Norman Zollinger. Authentic, vivid, often poignant, Riders to Cibola takes a fresh look at the classic struggle to conquer the raw American West. A tour de force from the pen of a gifted storyteller.

THE KIOWA by Elgin Groseclose. With divergent characters such as these Elgin Groseclose has woven a powerful tragedy of two races on a collision course. In the midst of the turbulent 1860's, Sanjak searches for the meaning of the faith most white men espouse but few seem to practice - and none as completely as his beloved Ileta.

PROUD PARENTHOOD by Joseph L. Felix. Dr. Felix urges each parent to make a conscious and continuing resolution to open his heart daily to this joy of family life. Though the pace may be hectic and the call for sacrifice more than ever imagined, with love, an undergirding faith in God, and a well-developed sense of humor; proud parenthood can be the most fulfilling experience life has to offer.

ABE classes continue

Akron meal program needs director

The Area V Nutrition Project serves hot lunches to persons 60 years of age and older and their spouses. They also provide an opportunity for fellowship among older persons and recreational programs of various kinds. Each participant is asked to make a donation of what they can afford for each of the meals.

Area V has seventeen meal sites throughout Wabash, Miami, Cass, Fulton and Howard counties. Akron will be opening a site at the Lions Club as soon as a site director can be found. Anyone interested in the site director position can call col-

lect at 219-722-4801, for information about this job.

Las Donas met

The Las Donas members met recently at the home of Shelly Lewis. There were fourteen members and two guests present.

Business discussed was the trip to Chicago and many upcoming projects for this year. Prizes were awarded to winners of "Rit".

The next business meeting will be October 9 at Susan Rensberger's and all Chicago trip money is due by then.

Bernice Bowen hosts Omega Club

The Omega Club was entertained at the home of Bernice Bowen on September 28. Ten members and three guests, Rose Mary Kindig, Lillian Flohr, and Marie Crum, were present.

Miss Bowen accompanied at the piano, and led the group in a number of choruses. The president, Mrs. Zenofia Burdge, then led in the pledges to the flags and the Club Collect was repeated in unison. The secretary-treasurer's report was given by Beulah Pratt. Roll call response called for "My favorite thing about the end of summer."

Ruth Bowen led devotions and Rose Mary Kindig gave the

prayer.

Dues were paid by six members and birthday offering by one. A motion was made to donate \$10 to the new hospital at Rochester, which was seconded.

Rose Mary Hollinsworth suggested having the October club meeting at the Akron Library and have a carry in supper. Her daughter, Karel, will show her slides. This will be Oct. 20, at 6:30 p.m., and is a family and guest night.

Miss Bowen led in games in which four ladies won prizes. Winning prizes were Emma Burns, Gloria Bowen, Janice Stubblefield and Beulah Pratt.

Obituaries

Arthur M. Goldem

Arthur M. Goldem, age 82, of R. 1, Mentone, died at his home at 3 a.m. on Saturday, September 30.

Born on May 27, 1896, at Nappanee, he was the son of Edward and Augusta (Brown) Goldem. On October 4, 1917, he married Erma M. Jones. She preceded him in death on April 1, 1952.

A retired farmer, Goldem had resided in Mentone for 34 years, moving from Bourbon in 1944. He was a member of the Argos Church of Jesus Christ.

Survivors include four sons, Paul of Warsaw, Russell of New Carlisle, Donald of Tippecanoe, and Samuel of Argos; four daughters, Mrs. Leslie (Irene) Konkle, Warsaw, Mrs. Larry (Dorothy) Watkins, Ft. Wayne, Mrs. Mary Roland, Orlando, Fla. and Mrs. Chas. (Joy) Steager, Ft. Wayne; one brother, Edward of Nappanee; 24 grandchildren; two step-grandchildren; and 14 great-grandchildren. One daughter, four brothers and two sisters preceded him in death.

Funeral services were conducted on Monday at 2 p.m. in the Argos Church of Jesus Christ, with the Rev. Lloyd Howard officiating. Burial was at the Parks Cemetery in Bourbon. Arrangements were made by the King Memorial Home, Mentone.

Terry Hatfield Hisey

Services were at 2 p.m. Saturday, September 30, 1978, at the Foster and Good Funeral Home for Mrs. Terry Hatfield Hisey, 33, Akron, who died Thursday, September 28, at her home.

The Rev. Paul Stephenson officiated and burial was in the Richland Center IOOF cemetery.

Mrs. Hisey was born December 19, 1944 in Rochester to Cecil and Ruth Adams Moore and had lived in the Rochester area all her life. She was married May 13, 1978 to Larry Hisey, who survives. She was an IBM operator and a former employee of Topps Manufacturing in Rochester. She was a 1963 graduate of Richland Center High School and attended the So. Bend Business College for two years. She was a 4-H

dog club leader.

Surviving with the husband are the father, Cecil Moore, R. 3, Rochester; a sister, Mrs. Mark (Debbie) Rodriguez, R. 3, Rochester; a brother, Cecil Moore Jr., Shawnee Mission, Kan.; the maternal grandfather, Earl H. Adams, Louisville, Ky., the paternal grandmother, Pearl Moore, R. 2, Rochester. The mother and a brother, John D. McGriff, preceded in death.

Lillie M. Harman

Mrs. Walter (Lillie M.) Harman, 88, of 103 W. Florence St., Bourbon, died at 1:20 p.m. Saturday, September 30, 1978, in the Parkview Hospital in Plymouth, where she had been admitted earlier in the day. She had been in failing health for several months.

Born in Elkhart county on July 30, 1890, she was the daughter of Calvin and Etta (Andrews) Buss. Her marriage to Walter S. Harman occurred on November 6, 1909. He died on Nov. 6, 1967.

She and her husband lived on a farm near Etna Green for 49 years. She had been a resident of Bourbon nearly eight years. She was a member of the Millwood Chapel Christian Church.

Survivors include three daughters, Mrs. Howard (Hilda) Mock, Syracuse, Mrs. Mildred Strang, Union, Mich., Mrs. Lorain (Rosemary) Sellers, Bourbon; two sons, Max Harman, Longmont, Colo. and Thomas Harman, Mentone; ten grandchildren and 14 great-grandchildren. An infant daughter, one grandson, one granddaughter, three brothers and four sisters preceded her in death.

Services were Tuesday at the Millwood Church, with the Rev. Robt. J. Morgan and the Rev. Jerry Meadows officiating. Burial was in the Stony Point Cemetery.

Valley crushes Whitko 40 - 14

Tippecanoe Valley junior Tim Alspaugh (23) had another outstanding game Friday rushing for 183 yards against Whitko. (NEWS photo.)

The Tippecanoe Valley football Vikings crushed the visiting Whitko Wildcats Friday night, 40-14, before a full house on hand for the homecoming game.

The victory gives the Vikes a Three Rivers Conference record of 4-0 and lifts their overall record to 6-0.

TVHS junior Tim Alspaugh had

an outstanding performance picking up 183 yards rushing while quarterback David Rhodes completed eight passes for 106 yards. Alspaugh also broke the existing longest touchdown run previously held by Derek Anglin who ran 77 yards back in 1976. Alspaugh ran back a 80 yard TD early in the first quarter. After the record TD run, senior Allen Utter kicked the PAT making the score 7-0 in favor of the Vikes.

In the second quarter senior Brent Rutherford scored on a 5-yard plunge, but the Vikings missed the point after try. Later, with 5:14 left in the half, Alspaugh scored again on a seven yard run. The PAT was then again missed. Brent Rutherford then came back with 1:19 left to score on a 3-yard run and then ran in the PAT ending the first half 21-0 in favor of TVHS.

In the third quarter, senior Charles Secrist tallied for Tippecanoe Valley on a 53-yard pass play from QB Rhodes. Utter booted the PAT. Whitko then pushed downfield to score, but they missed the PAT, ending the third period 34-6.

Secrist, in the fourth quarter scored again, on a 26-yard pass play, with 8:52 left in the game. Then, with only 1:19 on the clock, Whitko managed to score again and made the 2-point PAT to end the game Tippecanoe Valley 40, Whitko 14. The Vikings travel to Caston this Friday. Caston downed North White last week 35-13.

Junior Allen Utter added the point-after touchdown with this kick in the first quarter in Friday's Homecoming game. (NEWS photo.)

Board met monday. ...

...Continued from page 1

Bob Murphy, of Murphy and Associates at Warsaw, was on hand to discuss with the trustees his services in handling the applications for Federal grants.

Murphy explained that he would aid the Board in finding solutions to various problems, and would aid them in applying for grants.

Charges for his services would only be required if a grant was applied for and granted, and if the grant did not include administrative costs for his work. He explained that most grants do include money for administrative costs, but if not, Murphys charge would not exceed 10% of the grant.

Robert Whetstone, chairman of the Park Board, was present to recommend Murphy, and reminded the Board of work Murphy did for the town two years ago.

Whetstone also emphasized that there is necessary work to be done at the town parks, and stated that January 1979 is the latest date for applying for a grant for this work.

A motion was approved to accept Murphy's contract, and he was instructed to begin planning with Whetstone on applying for a grant for park improvement.

In other action:

*It was reported that the Board has received a check for \$500 bequeathed for the cemetery fund from the will of Eva Teel.

*Marshal Beattie reported that the Mentone Fire Department has donated \$200 to the Police Department for the use in purchasing dark room equipment.

*The Board instructed Marshal Beattie to talk to Floyd Walters about cleaning up his property on W. Franklin St. The Board received word on the condition of the home after a local citizen complained through "Sound Off" in this paper last week. Beattie was asked to remind Walters of the town ordinances pertaining to the upkeep of a residence.

The next regular session of the Board will be on Monday, November 6, at the Town Hall beginning at 7:30 p.m.

Mrs. Onda Good

Akron hot lunch program to begin

Beginning Monday, October 16, Akron will have a hot lunch program to supply one hot, balanced meal a day to persons 60 years of age and older and their spouses.

Mrs. Onda Good, R. 1, Akron, has been named Akron director of the hot lunch program.

Mrs. Good said that the Lion's Den in Akron will be the serving location for the noon meals.

Meals will also be available to homebound persons who are unable to travel to the Lion's Den.

Mrs. Good said plans are now underway to provide drivers who will deliver the meals.

Each participant is asked to make a donation of what they can afford for each of the meals.

Persons interested in participating in the program, either as recipients, drivers, or helpers are asked to contact Mrs. Onda Good at Akron 893-7263.

Akron curfew set

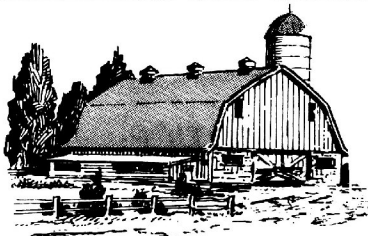

Halloween-time curfew has been announced by the Akron Town Board.

Curfew in Akron will be 10 p.m. beginning Thursday, October 12, and extending through October

31, which has been designated as Trick or Treat night.

All youngsters 18 years and under will be expected to be in their homes by 10 p.m.

Akron Hospital drive short \$1,600

by Kate Jennens

The community hospital fund honoring Drs. Herrick and Miller, of Akron, is in need of \$1,600.00 to meet the goal of \$4,000.00 by October 31st.

The money collected to date has been donated by less than twenty individuals and organizations. Our purpose was a community effort

by all people of Akron and surrounding communities who would like to help make possible the two rooms honoring these good doctors.

We need your 25¢ (or more if you can afford it) to bring this project to completion.

Psi Kappa chapter of Kappa Delta Phi sorority, sponsor of this project has provided a coupon below for your convenience to make a donation and urges everyone to contribute as much as possible.

"Well the town of Akron finally put a speed limit in the trailer court. The next thing the town needs to do is ... to enforce it. Since the speed limit was put up the police car has passed thru only a few times. We pay for the gas so put it to good use. I guess it will take one of the kids in the trailer court getting run down by someone before something is done. A law suit against the town and police force probably."

"Why is it that students from Triton, Rochester, Warsaw, Bourbon, etc. are allowed to swim free at Tippecanoe Valley pool? Shouldn't it be restricted to the taxpayers students and their families of the Tippecanoe Valley School district? I feel the school board should do something about this situation."

(Editors note: I talked to several representatives at TVHS, including Loran Skinner, principal, and he explained that it would be financially too expensive for the school to send cards to every taxpayer in the system for use of the pool. It would also cost the system to employ someone to check the cards. Guests are welcome to swim with members, but if anyone should cause trouble at the pool, the adult supervisor would instruct them to leave. Skinner stated that he knew of no such problem in the past. Several children from out of the corporation who took swimming lessons during the summer program were charged a fee, and according to Skinner "were not given priority" and were admitted "only if space was available".)

Board met

Mentone trash pickup moved to Wednesday

The deadline for submitting bids on a used back hoe was extended to Monday, October 23, by the Mentone Town Board at a special session on Monday, October 9, as the result of no bids being submitted for consideration as of Monday evening's session.

The special meeting on Monday had been scheduled to open such bids, and trustees Frank Hardesty, Wayne Tombaugh, and Gerald Romine were all present. Clerk-treasurer, Catherine Whetstone, and town attorney, Lee Bazini, were also in attendance.

A special session has been scheduled by the Board for October 23 to begin examination of town ordinances. This is the result of

the Boards' tentative plan to withdraw from the Kosciusko

County Area Plan Commission, although no motion for withdrawal has been made as yet.

Bids for the back hoe will also be opened at this meeting.

In other action, the Board approved the continued lease of 10 acres of the town's land to Richard Dickerhoff, Mentone, for \$400, for a twelve month period. This is retroactive to July 1978, and will continue through July 1979.

It was explained that his land, under the original lease, is to be leased to Dickerhoff for two years of agricultural use, after which it is to be turned to sod, a and returned to use by the town.

*Catherine Whetstone reported to the Board that a representative of Town Meeting Indiana, Indianapolis, has been in touch with her regarding the scheduling of a Town Meeting for Mentone. The representative had appeared before the Board last spring

Whoops!!

HUNDREDS OF pop bottles were accidentally smashed on SR 114 near Mann's Grocery Tuesday afternoon. The driver of the beverage truck, above, was pulling out onto the highway when several cases of pop spilled out from open doors and were smashed by a semi-trailer who didn't have time to avoid them. Luckily the only mess to clean up were the bottles.

It Happened In Mentone

Taken from the October 17, 1951 issue of *The Northern Indiana Co-Op News*:

explaining the benefits of a Town Meeting, and the company now wishes to plan one for Mentone.

The Board approved the action, and Whetstone, along with Rev. Robert Heckman of the Mentone United Methodist Church, will be in charge of the details.

The three hour meeting will be scheduled between the dates of October 10 and November 5, with 20 to 40 town citizens being invited to participate.

Trash pickup for Mentone has been changed to Wednesdays, effective October 18, by Lakeland Sanitation. This was approved by the trustees, and there will be no pickup on Monday, October 16. The next regular session of the Board is scheduled for Monday, November 6, at 7:30 p.m. in the Town Hall.

Former News publisher writes history book

A former Akron News publisher has written a history of the 100-year old Indiana Republican Editorial Association.

The book, a 104-page paperback is in the Akron Carnegie Library. Claude Billings, past IREA president, wrote the history at the request of the officers to commemorate the Association's centennial, which was celebrated Sept. 30 at the Columbia Club in Indianapolis.

Senator Richard Lugar and Gov. Otis R. Bowen were the principal speakers. State and congressional candidates were guests at a reception preceding the banquet.

The book lists names of presidents for the past 100 years, names of newspapers belonging to the IREA in 1905 and 1977, significant events in which editors were involved, messages from republican governors and senators, and pictures of people and events. The chapter on women's activities was written by Mrs. Billings.

The IREA was organized by George Langsdale in 1878, then editor of the Greencastle Banner, at the Remy Hotel in Indianapolis. Other Republican editors present at the 1878 meeting were: John G. Bain, Martinsville Republican; T.H.B. McCain, Crawfordsville Journal; A. C. Beeson, Winchester Journal; Charles E. Wilson, Lebanon Patriot; W. H. Elliott, New Castle Courier; M. C. Garber, Sr., Madison Courier; I. M. Brown, Columbus Republican; George I. Reed, Peru Republican; Gil Stormont, Princeton Clarion; and M. W. Pershing, Tipton Advocate.

Many of the founding fathers had brilliant war records during the Civil War, and were activists in the new Republican Party which was trying to take over the nation.

Langsdale later became commission in charge of building the Soldiers' and Sailors' Monument on the Circle in Indianapolis.

Fred Swift, Noblesville Daily Ledger, is the new IREA president, succeeding W. I. Pryor of Worthington. Other officers include Michael Alexander, Lake County Star, pres.-elect; Barbara Terry, Knox County Daily News, first vice pres.; John L. Myers, Odon Journal, secretary; and W. R. Morrish, LaPorte Herald-Argus, treasurer.

The city with the highest population is Shanghai, China with nearly 11 million inhabitants.

They're doing it again.

If you think the telephone company is getting more than they deserve now, this little bit of information we received from the Legal Services of Indiana ought to warm your heart.

The Public Service Commission on October 25 will hold public hearings on several proposed rules regarding telephone customer service standards. Among the several proposals is a rule that customers must pay their phone bills within 15 days after the bills are mailed or late charges will be added.

We wonder why the phone companies should give us 15 days. Why not 15 minutes?

The expensive cost of using the phone service is already bad enough without the added burden of paying a late charge after only 15 days. Our senior citizens would particularly be hit hard by such a "rule" as many receive a check only once a month. Rising wintertime fuel bills could almost alone wipe out a check.

We hope the commission will finally say "enough" to all these continual requests of price increases.

If you're interested in receiving more information on how you can make your opinion heard on these "rules" call 219-223-4381.

Make your opinions count.

New books at Bell Memorial Library

New books recently received at the Bell Memorial Library include the following:

MY ENEMY THE QUEEN by Victoria Holt. A fictional telling of the conflicts between cousins Elizabeth I and Lettice Devereux over two of England's favorite men.

AIR FORCE ONE by Edwin Corley. A novel of terror aboard the President's plane.

FAMILIES by Jane Howard. A moving and compassionate book about the most enduring of human institutions.

THE GLENDOWER LEGACY by Thomas Gifford. A history discovery - that Washington contacted the British during that winter at Valley Forge - leads to a student's death and to KGB agents trailing the professor who had worked with the student.

MAKE-A-MIX COOKERY by

Karine Eliason. How to make your own mixes. With 200 tested recipes to save time and money.

TIL DEATH DO US PART by Vincent Vignoli. A true murder mystery written by the prosecutor made famous by the Manson trial.

CHESAPEAKE by James Michener. A saga of thirteen families around the Chesapeake Bay area - each of the thirteen founded by an emigrant from the 16th century Susquehannock Indian, through waves of persecuted European religionists, to economic immigrants of the late 19th century.

FOR LOVE AND HONOR by Antonia VanLoon. The story of a young woman coming of age amid the turmoil of the Civil War era.

THE GLASS FLAME by Phyllis Whitney. A novel of jealousy, adultery and murder set in the Great Smokey Mountains of Tennessee.

CROWN IN CALDELIGHT by Rosemary Jarman. Reaching back into English history, the author re-creates the dramatic life of Katherine of Velois, Queen to Henry V of England and, after his death, mistress of Owen Tudor, progenitor of the Tudor dynasty.

HOW TO DO IT BOOKLETS by Donald Brann. How to build a stable, red-barn toolhouse, greenhouses, patio, porch and a sundek.

T. E. Bolley has bought an automatic baseball game at Logansport and is playing baseball everyday. The game is played in a room 70 x 20 feet, and furnishes great fun at about 5 cents a play or strike. It is great amusement for Tom and makes him some money. If you are in Logan look his place up.

Attorney Carr has a tract of wild land up on the banks of Rock Lake that he is pleased to call snakepatch, immediately north from Reuben Royers elegant farm home. Last spring Paul Strong leased a few acres of this land from Mr. Carr and planted it in potatoes. It now appears that the patch is lousy all over with great big tubers that four will make a bucket full, owing to the size of the bucket. Paul is greatly encouraged as Carr is selling them readily at 50 cents per bushel, and Paul's share, half of the crop will dig up from 500 to 800 bushels. Next year 25 acres of that land will go down in potatoes, and both landlord and tenant will be rich.

Family Life

By Renee Norlander

It hasn't been that long ago that I can't remember what it was like to be looking forward to a special date or evening, wanting to look my best, and having a pimple break out in the middle of my forehead.

Sounds silly now, but when I was 16 or 17, it wasn't anything to laugh about. Young people are usually very self-conscious, and a few pimples on their face can bring their self-confidence down to zero spoiling many looked-forward-to events.

What causes acne? Why do some adolescents suffer terribly from it, and others barely at all?

According to a pamphlet released by the Dept. of Health, Education, and Welfare, acne is caused by the rise of male hormones in boys and girls during adolescence, bringing about an increase in the size and activity of oil glands throughout the body. The oily secretion of these glands is an intense irritant if it remains below the skin, and pimples and cysts usually result.

That is why cleanliness is so important; to remove the oils before the pimples occur. However, washing with soap and water after the acne has erupted will probably not do much good. It is advised that your doctor recommend a special cleaner or treatment, and if the acne is severe, that a dermatologist be sought.

Watching your diet is also advised - chocolate, ice cream, cheese, and nuts seem to be related to flare-ups of acne, and through experience, I found that eliminating colas from my diet helped a lot.

Eliminating fatty foods, such as whole milk, eggs, and butter, or highly spiced or fried foods may also help in some cases. Experiment to see what helps you.

It also seemed that when I was nervous or excited I'd always get pimples. So perhaps trying to remain calm before special events will help.

Anyway, acne is a problem that should not be ignored. It may happen to all of us, but it should be treated properly. The emotional problems it can lead to can be severe, and physically, the scarring results can be terrible. Don't pick or pinch pimples! The results will be worse than a pimple untouched.

For more information on acne, send for the free booklet ACNE at the Consumer Information Center, Dept. 587G, Pueblo, Colorado 81009.

We all need to look beautiful to ourselves!

To celebrate Engagement announced 55th

Mr. and Mrs. Paul Cox will celebrate their 55th wedding anniversary Saturday, October 28, at the home of their son, Mr. and Mrs. Milton Cox with a family dinner.

An open house will follow from 2 to 5 p.m. They request that gifts be omitted.

Plan photo session

The Las Donas Club met recently at the home of Susan Rensberger with seven members present.

Business brought up was people helping during the Fincher photo sessions, and new members were voted on and accepted.

The next meeting will be a social and Halloween party, at the home of Marilyn French with lots of surprises, fun, and a scavenger hunt.

Attend state convention

The Indiana State Convention of the W.C.T.U. was held recently at the Morning Star House of the Lord in Kokomo.

Attending from Akron on Wednesday all day and evening were Mrs. Garth Irey, Mrs. Clifford Bright, Mrs. Lewis Slaybaugh, Mrs. Alfred Ferree, Ruth Bowen, and Velma Bright.

Mr. and Mrs. Phillip Gr., Jr., Wayne, formerly of Akron are the parents of a three pound, ten ounce, son born September 29, 1978. Grandparents are Mr. and Mrs. Ed Gray, Akron, and Mr. and Mrs. Harry Mymachod, Ft. Wayne.

Vikes destroy Castons homecoming hopes

The Tippecanoe Valley Vikings football squad rolled over Caston Friday night 48-0, spoiling the Comet's Homecoming hopes.

The Vikes picked up a total of 284 yards rushing while they held Caston to only 99. Valley also dominated the passing game, accumulating 130 yards in the air to the Comets five yards.

In the first quarter, both teams went scoreless. In the second period, the Vikings came alive, scoring 21 points. The touchdowns came on a two-yard run by Tim Alspaugh, a 47-yard interception return by Bill Jamison, and a 4-yard sprint by Brent Rutherford.

As the third quarter opened, Caston failed to move the ball after kickoff and had to kick on fourth down. Brent Rutherford handled the kick and returned the ball 60-yards for another TVHS touchdown. Allan Utter missed the point-after kick.

Then, with only 3:23 left in the quarter, Viking quarterback David Rhodes spiraled a 27 yard

pay play to Jamison. Utter then kicked the PAT making the score 34-0. With only :23 left, still in the third period, Jamison scored again on a 10 yard pass from Rhodes. Utter's PAT was good ending the quarter 41-0 in favor of the Vikes.

In the final period, TVHS scored again on a 45 march up the field that ended when Alspaugh ran the ball over the goal line from 10 yards out. Utter kicked his fourth PAT, ending the game 48-0.

Tippecanoe Valley will host Manchester this Friday evening.

Valley golfers place ninth

The Tippecanoe Valley High School girls golf team placed ninth at the Logansport girls IHSA golf sectional on Tuesday, October 3.

Logansport won the sectional with a 362, with Marion following with 380. Others placing were

Northwestern 401; Delphi 404; Haworth 431; Manchester 433; Maconaquah 445; Twin Lakes 450; Valley 456; and Kokomo 458.

Participating from Valley were Sally Miner 57-63-120; Sharon Surface 57-61-118; Beth Adams 56-61-117; Lynn Utter 63-56-119; and Kim Nelson 49-53-102.

Kerry Bower of Logansport won the individual honors with a 43-39-82.

Vikings cream White's

In Volleyball action, the Tippecanoe Valley volleyball team defeated White's Institute in two matches on Thursday, October 5.

In the first game, which took all of 1:02 to complete, Deana Welch served to a 15-0 victory. The second game was also a 15-0 victory, with a playing time of 2:01.

Valley now stands at 6-6 for the season.

Swimming team defeated

The TVHS girls swimming team was defeated Tuesday, October 3, at Elkhart Memorial 104-68.

Ann Kline set a new school record in the 100 back with a time of 1:10.0, and she captured first place in the 100 fly with a 1:10.8. Cyndi Daniel also set a new re-

cord in the 200 free in winning time of 2:13.9. The Valley 400 free relay team of Daniel, Kline, Mary Jameson and Dana Daake won first place in that event with a 4:26.9.

The Viking swimmers now stand at 2-4 for the season.

STATE ROAD 19

Mentone

October in the countryside

I remember how we stood
In the field, while far away
Blue hazes drifted on from hill to hill
And curled like smoke from many a sunset wood,
And the loaded wagon creaked while standing still . . .
I heard my father say,
"The last corn shock can stay."

The first wild ducks flashed by
Where the pasture brook could hold
The sunset at the curve, and drifting floss
Escaped the wind and clung. The chocks were dry
And rustled on the wagon. Far across
The field, against the cold,
The last shock turned to gold.

State threatens TVSC with law suit

by Renee Norlander

Tippecanoe Valley School Board members tabled further discussion on paying mileage for extra-curricular activities for teachers or coaches until their next meeting in November when they will ask for legal counsel to be present to advise them.

At their regular scheduled meeting on Monday, October 16, the Board was advised by Superintendent, Dr. Lloyd Harrell, that he had received a phone call from the State Board of Accounts suggesting that the Board change a decision they had made last month regarding mileage.

In a state audit, completed in July, auditors found that mileage for extra-curricular activities for coaches and teachers was being paid with taxpayers money from the general fund. The State Board advised the Valley Board that this was illegal and that they should immediately discontinue the practice of paying from the general fund.

The School Board, however, felt that these extra-curricular activities are a part of the education of the whole person, and upon recommendation from Dr. Harrell and attorney Fred Rakestraw, the Board decided to continue payment from the general fund, knowing full well it could lead to a court test case.

Dr. Harrell explained Monday evening that no other school in the state pays mileage from general funds. Most school corporations have Athletic Boosters and Band Boosters, for example, who raise the extra money required for these activities through money raising projects such as chili suppers, and such.

He went on to explain that if the Board continued to pay mileage from the general fund, the State Board of Accounts would advise the state attorney-general, and a law suit would most likely be filed against Tippecanoe Valley's treasurer, Judy Hively, who would not be personally subject to the suit, however, as she is bonded against personal loss.

Dr. Harrell went on to state that he thinks "this (policy) needs to be challenged", and added that he "thinks they (State Board of Accounts) are afraid they will lose ... so they want to talk you out of it."

Board member Everett Besson asked "how much money is involved?", and Harrell replied about \$6000 from the athletic fund and some from other funds.

In discussion that followed, the Board members, including president Con Shewman, Don Snipes, Besson, Vernon Meredith, and Lee Norris, seemed to be at a loss as to what they should do. There was discussion favoring a court case, but not wholeheartedly.

Trustee Norris stated, "I think you lose if you win...when you balance it all out, you would still be a loser." Apparently referring to the cost of a lengthy court trial.

It was decided, upon Norris' recommendation, that the matter be tabled until next months regular session so that legal counsel could

Trent completes 10 week course Snipers destroy lights at TVHS

Deputy Marshall Michael Trent of the Mentone Police Department is shown receiving his degree of graduation from the Indiana Law Enforcement Academy on October 6. On hand at the ceremonies were his wife Ruth, son Mickey, and Mentone Marshall Earl Beattie. Trent is now back at his regular duties in Mentone.

An estimated 20 mercury vapor lamp lights were destroyed at Tippecanoe Valley High School this past week when someone went on a shooting spree, according to Mentone Town Marshal Earl Beattie.

Using a 22 caliber pistol or rifle, 13 lights in the parking lot were shot out, the security light at the pump station was destroyed, the security lights over the gas pumps were shot out, and the lights over the northwest entrance to the school were blown out.

George Welch, assistant principal at TVHS, reported the vandalism to Beattie on Thursday, October 12, at 9:30 a.m. According to a custodian who arrived at work on October 11 at 10 p.m., the lights were all on and working when he went into the school.

At 11 p.m., when he stepped outside, he noticed that all of the lights were out. He investigated, and found that the security lights had all been shot out. Twenty-two brass casings were found by Beattie upon investigation the following morning.

Estimated repair to the lights was set at \$1850, and according to Beattie, the lights were replaced on Friday. He added that windows at the school had been waxed at approximately the same time.

No arrests have been made, but Beattie reported it is under investigation at this time.

School libraries found lacking

The Tippecanoe Valley School Board met in regular session on Monday, October 16, at the TV HS lecture room with all members present. Minutes of the September 18 meeting were approved as read, and claims totaling \$43,865.94 were paid.

Gross payroll for September 15-30 was paid, totaling \$75,240.03 with net at \$56,085.16, and gross payroll for October 1-15 was paid, totaling \$72,907.48 with net at \$54,856.13.

In the monthly financial report, given by Superintendent, Dr. Lloyd Harrell, it was learned that the corrected bank balance at the Akron Exchange State Bank is

\$43,865.94, and the balance at the Farmers State Bank is \$17,014.16, giving a total of \$60,700.10. Along with investments totaling \$600,000.00, this brings the entire total to \$660,700.10.

Dr. Harrell reported that Larry Lawmaster has been in contact with him, and that the school roof repairs will begin as soon as weather permits.

Ed LaMar, head of the media program for Tippecanoe School Corporation presented his findings on the library status of each school at Tippecanoe, and recommended the hiring of a full-time librarian and two full-time

aides to work at the elementary schools.

Volunteers from Mentone, present at the meeting, reported that they have been working six hour days to aide LaMar at Mentone School.

The status of the elementary libraries is far below state recommendations according to LaMar, even though he and the volunteers have been doing their best, especially at Mentone where a library is trying to be established.

The Board agreed to hire a full-time aide for Mentone, but because the budget has already been set, they could not hire a

librarian this year. Volunteers present expressed their gratitude, as many complaints have been received regarding the library at Mentone School.

In other action:

*Vonda Ryman, first grade teacher at Mentone, was granted a maternity leave from January 1, 1979 through May 30, 1979.

*The Board approved the transfer of Bud Dilts to bus mechanic, and Jim Jones as maintenance custodian. Kenneth Castleman, of Rochester, was hired as a se-

Should be awarded?

DEAR EDITOR:

This spring my daughter applied for a scholarship with the Las Donas Club of Akron. She won the scholarship, and received a letter from them saying that she had won, and would be awarded the money later.

My wife called the president of the Las Donas Club to see when they would send the money. The president told her they would decide at their next meeting when they would give our daughter the money.

They changed officers at this meeting, and they decided not to send the money to my daughter they had earlier awarded to her. My daughter was counting on this money to help with her expenses at college.

Response from

Las Donas

EDITORS NOTE: We contacted the Las Donas Club regarding the above letter. The following is their response.

TO THE EDITOR:

The Las Donas Club is very sorry that the Secrist's are upset over the scholarship. The rules have been set long ago - the club has never had any difficulties or problems with our scholarship in all the years it has been given.

A list of rules concerning the scholarship were to be shown to the students applying for the scholarship - how else would they have known to apply? The rules are set and voted by the club and not to be changed for specific

cases. All this has been set up through the high school to put in their files.

The Club decided in February 1978 to lower the previous requirement of a 3-4 year school to a 2, 3 or 4 year school, and also to raise the amount of the scholarship from \$100 to \$200. This is the only changes made, so more students could apply. The scholarship has always been given at the beginning of the second year of school so we can be reasonably sure of the recipient finishing her schooling. A letter is given to the recipient at the time the winner is announced, so the recipient knows when the money will be given to her.

The Las Donas is a community-oriented club, we strive to better the community and aid in worthwhile causes.

We regret that there has been a misunderstanding, and have tried to explain that switching to one year of school instead of the 2, 3 or 4 is against the already set rules. We hope this is understood that we are not trying to take a scholarship away from someone who abides by the rules.

Sincerely,

The Las Donas Club members

New books at Akron library

New books recently received at the Akron Carnegie Public Library include the following:

ADOPTING THE OLDER CHILD by Claudia L. Jewett. Claudia Jewett brings unique expertise to this outstanding readable and helpful book. This is one of the truly fine books in its genre, rich with insights and practical counsel on every phase of the experience awaiting adoptive parents.

ROLANDE by Clare Darcy. Amid the glitter of Regency society at Brighton, Rolande plays her roles in this lively and amusing tale of love, masquerades and danger. Rolande is a most engaging heroine, independent, charming, resourceful, and the dominating Jasper Carrington a hero by whom any young lady would wish to be rescued. Their romantic entanglements will delight all lovers of Regency England.

THE SILVER BULLET by Ann Finlayson. "Most Revolutionary War buffs should recognize the incident on which the novel is partly based," says Ann Finlayson, the author. "It took place much later than the summer of 1777 than John's story, however, and the real-life courier - Lieutenant David Taylor, an American serving with the Ninth Foot - did not have as happy an ending as my hero does."

WHY YOUR CHILD IS HYPERACTIVE by Ben F. Feingold, M.D. An eminent allergist and pediatrician describes the behavior disturbances and learning disabilities caused by artificial food flavors and colors.

THE END OF SENILITY by Dr. Arthur S. Freese. A factual breakthrough guide to the prevention and cure of senility - this is the book that makes old age obsolete.

HAGAR by Lois T. Henderson.

Hagar is a moving Biblical narrative based on the Genesis story of Abraham the patriarch.

STAINED GLASS by William F. Buckley Jr. When William Buckley wrote his first novel, it was hailed by reviewers and the reading public and became a long-standing best seller. Now, that novel's hero, Blackford Oakes, is back: grimly - critically - involved in international intrigue, prime mover in a story replete with the expected Buckley touches of language, logic, surprise and laughter.

Fall concert is Wednesday

The Tippecanoe Valley Choir will be giving a "Fall Concert" Wednesday, October 25, at 7:30 p.m. The concert will be in the commons area of the high school.

Performing for the concert will be the high school and junior high choirs, swing choir, and girls' chorus. Tickets will be sold at the door.

The choir is also selling season tickets for all the performances this year.

They show horses don't they?

by Bob Norlander

What do Crown Point, Argos, Plymouth, and Alexandria have in common besides being cities in Indiana?

Eight-year old Jamie Murfitt of Akron knows because she has first place blue ribbons she won in each of these cities, riding her horse "Doc's Tablet" in Quarter Horse "walk-trot" competition this year.

Jamie is the daughter of Larry and Judy Murfitt who live just northwest of Akron on a farm they call "Wind Mill Quarter Horse Farms". The Murfitts also have a four-year-old son, "T.J." Larry owns the Akron Insurance Agency.

Winning those first place ribbons is no easy task for a young girl, especially when she has to compete in her "10 and under" age class against several other youngsters 2-3 years older than her.

"The competition is really stiff" says Judy, who, along with Larry and T.J., travel as a family to several horse shows a season with Jamie.

There is a lot of hard work and long hours involved in raising and showing Quarter horses but the Murfitt's all agree they enjoy it. Larry feels "it's really a family hobby more than anything else". Jamie agrees, saying "it's lots of fun and we meet friends".

The family's interest in horses began as an extension of Larry's own lifetime love of horses, which began when he was growing up on a farm near Rochester.

Larry recalled that he has been interested in horse competition from the time, back in junior high, that "Tom Wilson and I talked 'Aunt' Helen Gaumer into driving us to our first horse show". Tom is now owner of Wilson Coal and Grain in Rochester.

Judy, who grew up in Gary, but "wouldn't move back to a large

EIGHT-YEAR-OLD Jamie Murfitt sits atop her prize winning horse "Doctor's Tablet" on their farm just north of Akron.

city for anything" became a horse enthusiast when she said "I do" at the time of her marriage to Larry. "I kind of knew what I was getting into," she says today.

She evidently did know, because this July she placed sixth in the Indiana State show in the English riding class of Quarter horse competition.

Even young T.J. is starting to get into the act. During a recent show he finished with a respectable second place ribbon in a "kid-

dy lead-in" competition riding the family pony, named "Cindy". Cindy is the same pony Jamie learned to ride solo on.

Doc's Tablet, the horse Jamie competes on today, is a four-year-old mare the Murfitts purchased this summer from Sandy Utter also of Akron. "Tab", as the horse is called by her owners, is 15.2 "hands" tall. Larry explained that the "hands" method of measuring horses is a tradition because "old horse traders" used to alternate their hands up the side of a horse to find out how tall the horse was. A "hand" is equal to four inches, or the average width across a man's palm when pressed up against a horse.

When competing, Jamie gets dressed up in a snappy western outfit hand made by Marion Hunter of Akron. The outfit is complete with cowboy "chaps", the leather leg protectors cowboys wore to guard their legs against rough brush and foliage while riding on trails. All the Murfitt's wear western boots everyday, just "because we always have I guess" Larry said.

October usually marks the end of most area outdoor competition in the American Quarter Horse Youth Association (AQHYA) of which Jamie is a member. Next year will be even tougher for her as she will enter competition with youngsters up to 13 years of age, but her mother feels Jamie will be ready for it. "Both Jamie and Tab are growing and maturing in their experiences together."

It's easy to see that both Jamie and T.J. have inherited their parents love of horses. Jamie is looking forward to eventually competing in a class known as the "Hunt Seat" or "English Pleasure". In this class the horse is judged by the way it is handled on general commands a rider normally would give a horse on a ride for pleasure. It differs from "Western Pleasure", explains

Judy, because it is more "Prim and Proper". "It's my favorite" beamed Jamie.

Although the show season ends grooming and raising the horses goes on the year around. All the family pitches in, but Larry still handles most of the upkeep duties.

Yount T.J. is learning the hard way how and how not to help.

Larry recalled that he and T.J. were recently in the barn brushing Tab when all of a sudden T.J. was underneath the mare brushing her belly. Although a serious reaction by the horse could have happened, but fortunately didn't, T.J. got the message from Dad. He walked into the house and told Mom, "I'm not supposed to walk under horses". Mom got the message, also.

BOTH Jamie and brother, T.J., help their parents groom and feed their seven horses.

ALL THE MEMBERS of the Larry and Judy Murfitt family show Quarter Horses in competition. In front are four-year-old T.J. and sister Jamie.

Family Life

By Renee Norlander

A few weeks ago I asked readers to send me their favorite recipes, so that I could publish them and "share the wealth".

Apparently, no one wants to share or everyone is shy. I haven't received one recipe. Just in case it is shyness, I thought I would start the trend.

Below is a recipe that a friend of mine (thanks Diane!) sent me. I haven't tried it yet, but she assures me it's delicious and a perfect dessert for a fall or winter luncheon or dinner.

I'm going to try it soon because I really am getting bored with the same old cakes and cookies all of the time. And this looks fairly easy. (I'm no good at pie crusts!)

If any of you have different, good recipes for anything, don't be shy! Send them in. Otherwise, I'll have to face the embarrassment of no one responding!

PUMPKIN FREEZE

1½ cups (about 25 cookies) fine gingersnap crumbs
¼ cup sugar
¼ cup butter or margarine melted
4 cups (2 pints) softened vanilla ice cream
1 cup cooked pumpkin
½ cup firmly packed brown sugar
½ teaspoon salt
1 tsp. cinnamon
¼ tsp. ground ginger
¼ tsp. nutmeg
1 tsp. vanilla

(9 inch square) 8-10 servings

In a medium mixing bowl, combine the gingersnap crumbs, sugar and melted butter; mix well with a fork until well blended. Reserve ½ cup; press remaining crumbs into a 8 or 9 inch square pan. Set aside.

In a large mixer bowl, combine the remaining ingredients; beat just until well combined. Immediately pour over crumb crust, and sprinkle with the remaining crumb mixture. Freeze until firm; at least four hours.

Remove from freezer a few minutes before cutting. Garnish with whipped cream if desired.

Auxiliary plans ball

by Madlyn Fort

The Woodlawn Hospital Auxiliary met October 9, at 1:30 p.m., in the hospital dining room with 24 members present. Mrs. Joan Atkinson was acting chairman, due to the absence of Mrs. Ira Goss, opened the meeting with a welcome to all. She asked Mrs. Thelma Kuhn to read the National Hospital Prayer.

Mrs. Naomi Mills of Kewanee, secretary, read the minutes of the last meeting which were approved as well as the treasurer report given by Mrs. Betty Lowe.

Mrs. Atkinson introduced Robert Kelsey, Hospital Administrator, who gave an up-to-date report on the progress of the new hospital. The dedication and open house will be November 12. Gov. Otis Bowen will be the speaker

for the dedication at 1 p.m. which will be held outside. Tour of the hospital will be made from 2 p.m. to 7 p.m. Refreshments to be served by auxiliary members.

Mrs. Linda Kelsey reported on the Charity Ball, dinner-dance that is to be Dec. 2 at the Elks Country Club. The tickets go on sale Nov. 3 from 10 a.m. to 12 noon at the Akron Bank, then 1 p.m. at the Farmers & Merchants Bank, Rochester.

Mrs. Karen Ewen reported that the National Hospital Auxiliary meeting will be Oct. 16 and 17 at the Marriott Inn, Indianapolis.

The Auxiliary is to give each a \$50 savings bond to honor the first boy and girl born in the new hospital.

No further business, the meeting was then adjourned. The next meeting will be Nov. 13 at 1:30 p.m. in the hospital dining room. All women in Rochester and the county are welcome to become members of the Auxiliary.

Canvas and tarps are Clayton's business

by Marilyn French

Since 1948 Clayton Holloway has had a business on the sidelines and today has developed it into a full time job.

His wife, Maxine, helps by holding and pulling the canvas as Clayton sews up tarps for boats, awnings and trucks, and tops for pontoons. He also does quite a bit of repair work for campers and other recreational vehicles.

Clayton

"When first starting out, I worked during the war, and was in Washington, D.C. when the Atom bomb was dropped," said Clayton. Later, he was in charge of sewing at Mentone Mfg. Co., where army and navy stretchers were constructed during the war.

While working full time at Bendix Corp. in South Bend, Clayton kept up his part-time canvas work at home in his garage. Five years ago he retired and developed his canvas business into full-time work.

"The first tarp I ever made was for a farm truck belonging to Fred Mallott Sr.," says Clayton, and his first awning was made for Lena Igo.

The canvas he uses is ordered from Chicago and usually takes three days for delivery. Then, the measuring and fitting begins. "After sewing pieces together, I put the canvas on the boat, for example, and pull and stretch and tape it to fit snug, and sew again," explains Holloway.

For 20 years, he and Maxine have also made tents for the Walgamuth Vault Co. in Akron.

"A lot of our business comes from the lake areas," he adds.

One of their customers even made the "Circus Hall of Fame" in Sarasota, Florida. We don't know how much credit the tarp had for this, but the Holloways did some big sewing for this man.

"A man working for the Cole Bros. Circus started taking four or five circus animals to schools," explains Clayton, and "for a show he needed a huge tarp for the act." So Maxine and Clayton made a house-call with their sewing machine. They went to the gym of a nearby school and sewed canvas pieces together forming a huge circle. They don't claim it was their tarp that made the man successful, but they are proud of the fact that they helped him out!

Maxine

Next week, the Holloways will be celebrating 45 years of marriage and 42 years in the same home in Mentone.

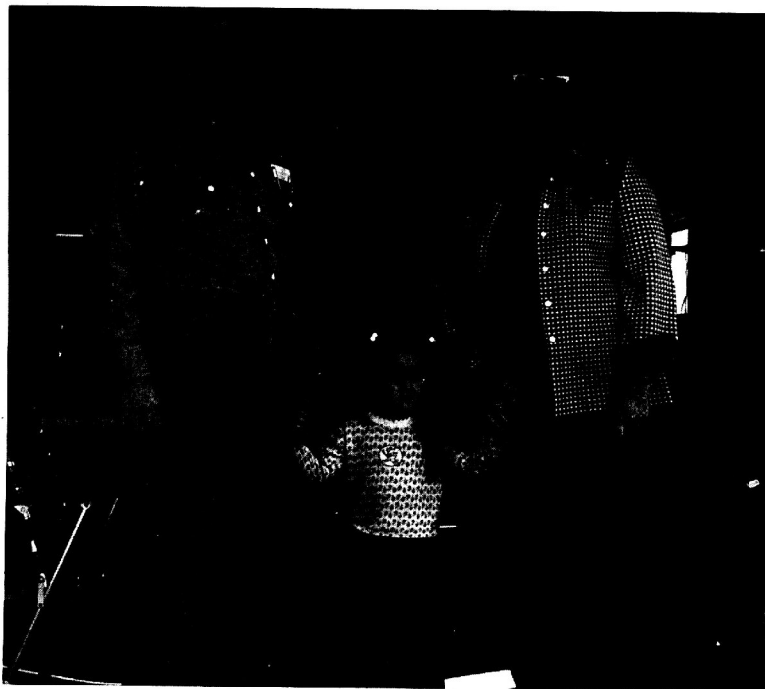

Their sons, Robert and Max Holloway have helped them through the years, and their three grandchildren even pitch in once in awhile. (Make that four grandchildren as of Wednesday night.)

Being "the only business of its kind in Kosciusko, Marshall, and Fulton Counties," the Holloways have a unique business. They certainly make a happy team, and seem to enjoy their work.

Every December they go to Florida to enjoy the sunshine, but are always back by May 1st when their "tarp season" begins.

Clayton and Maxine are shown above in their garage where most of the sewing in the business is done. Maxine helps Clayton by pulling the large canvases straight through as Clayton runs the sewing machine. They are shown here working on a cover for a pontoon.

Clayton and Maxine are shown above with their granddaughter Cory Leigh, age 3½. Cory helps out once in awhile according to Maxine, but she was busy riding her bike when I was there.

Merry Mollys met

Sixteen members of The Merry Mollys met in the home of Ruth Tucker Monday night, October 9. Roll call was answered by "What you like best about Fall."

A masquerade party was held in the garage, after which the group returned to the home for a business meeting.

After the secretary and treasurer reports Barbara Romine and Virginia Romine gave lessons. The meeting closed with the members repeating the Club Collect.

The next meeting will be the anniversary dinner on November 13 and will be at the Methodist Church.

cond shift custodian.

*The resignation of Ted Deal, bus driver, was accepted, and LeRoy Combs was hired as his replacement.

*A member of the audience, Nancy Alspaugh, recommended that the Board meet at different schools during the year instead of always at TVHS. After some discussion of pros and cons, the Board decided that they would try it for a few months. They do not feel it will aid audience attendance, but they will be able to see the situations at each school.

The next regular session is scheduled for 7:30 p.m. on Monday, November 20, at Akron School.

WOODED ACRES

800 ft. of frontage on a paved road near TVHS. Large trees are scattered throughout lovely building sites that can become the home you have dreamed about. Only \$1,370.00 per acre.

63 YEARS AGO

Charley Davis was in town negotiating winter apple sales for his father-in-law, W. J. Bemenderfer, whom Charley said was down in bed sick and unable to look after business.

Rev. Riggles boys are selling even before the copy has gone to the printer. Every mail brings orders as high as seventeen in one day. We are glad such a man lives in our town.

Already there has been temper displayed in this town election. There is but little use for temper. Temper makes matters worse. The mass convention was called in order that no one man could run the business or secure a ticket of his own making. And it looks to us as if it would be impossible for one man to dig out a special ticket in a convention composed of 75 votes, not nearly so easy as it might petition. The convention ticket comes nearer representing the voice of the people than a petition ticket, if there is any difference.

For Sale: A 40 acre farm, 4 1/2 miles of a large town of 20,000 at \$1500.

39 YEARS AGO

Several new employees have been added to the office force of the American Fork and Hoe Company within the past week. They are: Bette Showalter, Virginia Secor, Bill Leininger and James Shier. Joanna Whittenberger and Robert Baber were also added to the office force recently.

Mr. and Mrs. Clair Pontious are the parents of a baby girl, Sue Ann, born at their home south of Sugar Grove, this week.

Sam Burch, James Flohr, Bob Baber, and Bob Suasaman visited Irvin Shrout at Anderson Sunday. They all went to Muncie to see the endurance flyers and while there they saw Everett Zink, a student at Ball State.

J. W. Bidwell and Mr. Goehler, Manager of the Sunrise Dairies at Laketon, left Wednesday morning on a few days vacation trip to Fife Lake, Michigan.

25 YEARS AGO

Mr. and Mrs. Bert Kamp, who live near Rock Lake, have raised cotton and peanuts this summer, and samples are on display at the NEWS office. Both are in excellent condition.

Hershel Walters is president of the Student Council at Akron High School this year. Bob Cumberland, junior, was elected vice-president and Helen Kamper, senior, is secretary.

The barn on the Dave Bryant farm, north of town on road 19, burned Saturday afternoon. The Akron and Mentone fire departments prevented the blaze from spreading to the other buildings.

The Rev. and Mrs. Claude Fawns are visiting relatives and friends in Kentucky this week.

10 YEARS AGO

Ralph Rader, Akron, is one of five people appointed to the Gettysburg Memorial Commission by Gov. Roger Branigin. Rader will serve on the commission for two years.

Velma Bright, Mrs. Gloria Bowen and Mrs. Fannie Moore attended a Tri-County Library meeting at the Peru Public Library on Monday.

Emil Olsen, Akron, received a scratch on the wrist Wednesday evening when his auto went out of control in a heavy rainstorm and rolled over on St. Rd. 15, 2 miles southeast of Claypool. Damage to his vehicle was estimated at \$1,100.

Olive Bethel News

Mr. and Mrs. Von Leach and family, Scott Air Force Base, and Dora Leininger of Chicago, spent the weekend with Mr. and Mrs. Omer Leininger.

Mrs. David Sheetz and children and Mrs. Geo. Sheetz spent Tuesday evening with Mrs. Milo Hott and Mrs. John Hott.

Mrs. Fred Allen and Squire Allen of near Kokomo spent Friday with Mr. and Mrs. Paul Cox and Helen and then visited Mrs. Carl Leininger and Mr. and Mrs. Keith Hollingsworth.

Mr. and Mrs. Omer Leininger and Mrs. Carl Leininger spent

Tuesday with Mrs. Onis Leonard of Michigan City.

Mrs. Milton Cox and Mrs. Carol Lanely spent Wednesday visiting with their mother, Cleo Clay, in the Ft. Wayne Lutheran Hospital.

The Rev. Ted Deal has accepted a call to the Church of God in Marselles, Illinois. October 15 will be the Deals last Sunday after two and one-half years with the Olive Bethel Church of God.

A carry in dinner will be at the church Tuesday, Oct. 17 to honor Rev. Deal.

Area plans Halloween festivities

Goblins and ghosts will have plenty to do this week, as several Halloween events have been scheduled in our area.

Akron Jaycees will sponsor a Halloween parade at the Akron gym on Saturday, Oct. 28 at 7 p.m.

Prizes of three silver dollars for first, two for second and one for third will be awarded in each category, and treats will be given everyone.

Categories are: Prettiest (8 and under), prettiest (9 and over),

best ghosts (8 and under), best ghost (9 and over), best hobo (8 and under), best hobo (nine and over) and four open to all ages: Ugliest, best witch, best animated character and most original.

Following the costume parade, the following games will be played for prizes: balloon blowing and bubble gum blowing.

The Mentone Lions Club will sponsor the community's annual masquerade contest and parade Saturday night, October 28.

A total of \$55 in cash prizes will be given eleven categories, all of which are outlined in an advertisement in this week's NEWS.

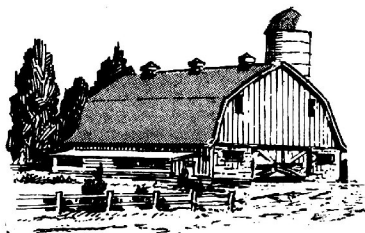

All persons over three years of age must be masked or painted to receive a prize. Treats will be given to all masked persons.

Contestants will assemble in the street between Linn's Arco Station and King Memorial Home at 7:30 p.m. to march to the junior high school.

The Akron Jaycees will also sponsor their annual "Haunted House" this weekend on Oct. 27, 28, 30 and 31 at the old post office.

Over it goes!

SOMEONE HAD Halloween fever early this month, and apparently couldn't wait until October 31 to knock over one of the outhouses in Mentone's Mentzer Park. Fortunately, no major damage was done to the privy and as of press time no one has admitted to have been within the structure at "tip-up time".

Two arrested after high speed chase

A high speed chase beginning in Mentone last Friday night resulted with the arrest of two men by Mentone Marshal Earl Beattie.

Booked at Kosciusko County jail were Joe D. Manns, 19, R. 1 Claypool, and Sebe W. Nine, 22, of 1829 Cambridge Dr., Warsaw. Manns, the driver, was booked for illegal consumption of an

alcoholic beverage and fleeing a police officer. He was also ticketed for reckless driving (at times in excess of 100 mph) improper passing, and speeding (47 in 30 mph zone).

Nine was charged with contributing to the delinquency of a minor, public intoxication, and fleeing a police officer. Both

were released on \$500 bond.

Beattie reported that he had attempted to stop Manns in Mentone for traveling 47 mph in a 30 mph zone. When Manns fled through Mentone, east on St. Rd. 25, Beattie began pursuit.

The chase ensued east on 25 at times in excess of 100 mph. Beattie said Manns passed another vehicle in a no passing zone, and as the autos neared a dangerous curve in Palestine, Manns auto failed to take the curve and slid into a ditch near County Rd. 600 West.

The two men in the car fled on foot when Beattie approached and ran into an area of swamp and briar patches. Beattie had called for an ambulance but cancelled the call when he saw the two men run off. County officers were called for back-up.

Board met

Akron hires new Deputy Marshall

In their regular monthly meeting held Tuesday night, the Akron Town Board passed a motion to hire Charles Clawson, Akron, as Deputy Marshall effective November 1, 1978.

The hiring came as a result of the boards' action to fill the vacancy of current Deputy Marshall Robert Williams whose employment with the Town of Akron expires October 31.

Clawson will receive an annual salary of \$7,200, with a review evaluation after a two-month probationary period.

Officer Williams was in attendance during part of the meeting in the town offices. He asked the board to clarify his understanding of when his employment was to be officially terminated. The board advised him that he was to be no longer employed by the town as of midnight October 31 as stated in the approved minutes of last months' meeting.

Present at the meeting were Board President Ron Fenimore, Dr. Charles Miller, Vern Waymire, and Clerk-Treasurer Ernest Smith.

In other action Tuesday: --The board received a police log from Akron Marshall Ed Hauser for the time period of September 1 to October 17. The following is the report:

Akron Police Log

Total miles logged 9/1/78 - 10/17/78 is 3623 miles.

Lions to sell sausage

The Mentone Lion's Club will be selling whole hog sausage again this fall. They will be canvassing the town of Mentone to take orders on Wednesday, Nov. 1, from 8 to 9:30 p.m.

The sausage is available without seasoning, with salt and pepper seasoning, and with Virginia seasoning. It comes in two pound packages which sell for \$3 and may be ordered frozen or unfrozen. The sausage can be picked up at Cooper's Dept. Store on Saturday, November 10.

The proceeds from this sale will be used by the local club to assist the community in many local projects. For more information call Mike Hoyt at 353-7428 or any member of the Mentone Lions Club.

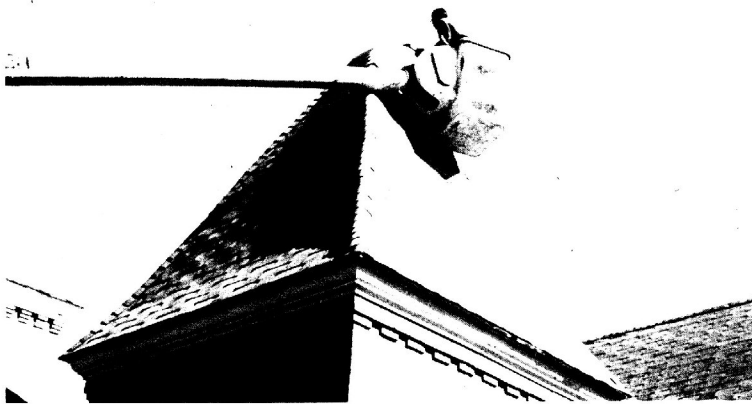

See the Lions Club ad in this weeks issue of the NEWS.

Notice

Akron and Mentone Town Boards have declared that Trick or Treat night will be Tuesday, October 31 from 6:30 to 9 p.m. The town Marshalls have been instructed to enforce these times.

The United Methodist Church at the corner of Mishawaka and Walnut in Akron is receiving a new roof. Because of the height and sharp slope of the steeples, it was necessary to use special equipment, sometimes referred to as a "cherry picker".

This is the third roof to be installed on the church. The congregation wishes to preserve the architectural style of the building, which dates back to 1903. The brick walls of the church were sandblasted within the past five years.

Grube and Son Roofing Co. of Plymouth are doing the work.

Revival Sunday

There will be a revival at the Olive Branch Church of God starting Sunday, October 29 and continuing to Friday, November 3, each evening at 7:30.

Richard Emerick will be the evangelist. Lowell Burrus, minister at the church invites everyone to attend.

Taylor attends conference

Robert F. Taylor of Akron Exchange State Bank was among the more than 850 persons interested in agricultural finance from the United States and Canada who attended the fourth annual North American Agricultural Lender's Conference, Oct. 11-12, at the Ramada Inn, Rosemont, Ill.

Lending institutions from 25 states and five Canadian provinces were represented at the meeting, sponsored by A. O. Smith Harvestore Products, Inc. The company manufactures oxygen-limiting feed storage units and liquid ma-

nure handling systems.

The Lender's Conference was designed as a forum for exchanging current ideas on the most effective means of providing financing for progressive North American farmers. It featured presentations by several leading experts on agricultural lending and farmers successful in the use of credit.

Robert F. Taylor attended the meeting as a guest of Tri-State Harvestore, a local Harvestore systems dealership located at Silver Lake.

CAST MEMBERS for the fall production "The Savage Dilemma" are, front row, Pam Zimmerman (Florence), Theresa Wallace (Mrs. Paddy), Karen Wiley (Fairy May), row two, Kathy Vogel (Jeanie), Roni Baker (Mrs. C. Savage), Beth Fugate (Chris), Mrs. Beth Barr (director), Dave Jervis (Hannibal), Tim Stokes (Doc Emmell), Matt Johnson (Al), and Marty Smith (officer). The play will be presented November 10 and 11 in the TVHS Commons.

TVHS to present "The Savage Dilemma"

by Stephanie Stewart

Mrs. Savage will return to Tippecanoe Valley on Nov. 10 and 11 in the fall production of "The Savage Dilemma," a sequel to last year's production "The Curious Savage."

The play is set in Boston at an institution called "The Cloisters." The Cloisters is the home for the wonderful personalities of Mrs. Paddy, Fairy May, Hannibal, Florence, and John Thomas, each of which are insanely lovable characters. Dr. Emmett and Chris, a nurse, take care of the residents and show a special love to each individual.

The Cloisters is running out of funds and will be closed soon if no money is found. This is where the "Dilemma" begins.

Al and Jeanie climb over the wall to hold the residents of the Cloisters for ransom, but Mrs. Savage has a brilliant plan that will save the Cloisters and set Al and Jeanie up for a long while.

Tickets will go on sale for the Nov. 10 and 11 production the latter part of October and may be reserved by calling the high school or coming in and purchasing them.

Letters to the Editor

Comment on action

TO THE EDITOR:

I would like to comment on the tentative decision of the School Board and Dr. Harrell to defy the State Board of Accounts and continue to use money from the General Fund to pay transportation costs for athletic and other activities. I have had considerable experience with the State Board of Accounts and have always found them to be very fair, cooperative and thorough. If errors are made, whether they be simple mathematical errors or due to misinterpretation of the rules, they correct the errors and give advice on how the situation should be

handled. After all, their primary purpose is to prevent the abuse of public funds and guard against such irregularities as have been occurring at TVSC.

Taxpayers, contact your School Board members before the next meeting and express your feelings on this matter. If a lawsuit develops, that will take some more of your money.

From all reports and accounts I read it would seem that the extra-curricular program is way out of balance with the academic program in our school. It has become a case of the tail wagging the dog. But that is another topic upon which I could comment at some length.

The Henry Township Community Service Board of Directors met October 16, 1978 to discuss the possibility of dissolving the Henry Township Community Service because of the following circumstances:

1. Lack of volunteers in the structure of the Service, workers as well as administrative. Two board members have over thirty years of service each, due to the fact replacements could not be found.
2. Two public meetings were called to recruit new board members and workers. One was called through the news media and one through fifty personal letters to service clubs and businesses. At the two called meetings a total of three interested people were present.

If any group, organization, club or individuals are interested in continuing the Henry Township Community Service the present board will help the new organization.

Mentone Police

Another accident was reported on Wednesday, October 18, at 3:25 p.m. on St. Rd. 19, one half mile south of County Rd. 600 South involving three cars.

James R. Davis, 16, R. 2, Bourbon, was cited for improper passing by Marshal Beattie, as was Kevin J. Mellott, 16, R. 1, Etna Green. Both were traveling in excess of 60 mph in a 55 mph zone, when they attempted to pass an auto driven by Jimmy Hensley, 17, R. 1, Tippecanoe in a no passing zone.

According to Beattie, as Davis pulled up alongside the Hensley

auto, he noticed a southbound truck approaching him. He was forced to the left into a ditch where his auto nicked a pole.

Mellott, who was following Davis, braked and skidded into Hensley pushing the Hensley auto into a power pole. The oncoming truck managed to avoid hitting all three autos.

No one was injured in the accident, but estimated repair to the Hensley auto was set at \$2100. Damage to Davis' auto was \$350, and to Mellott's was \$750.

Davis and Mellott are scheduled for court appearance on October 27.

New books at Bell Memorial

New books received at the Bell Memorial Public Library in Mentone includes the following:

EYE OF THE NEEDLE by Ken Follett. It is 1944, only months, and then weeks before D-Day. The Allies have set up an ersatz armada of ships and planes in East Anglia, clever shells to divert German attention to the shores of Calais, and away from D-Day's actual landing site of Normandy. It seems to be working. But if one enemy agent should learn of the plan, just one...

WILDFORD'S DAUGHTER by Alexandra Manners. This is a richly textured novel of the shady side of Regency England life - and the girl who had the courage to confront it.

A WALK THROUGH THE YEAR by Edwin Way Teale. Set down on the spot and in season, this book is a richly varied interweaving of discoveries, reflections, original observations, remembrances, first hand experiences and fresh insights into nature.

IN SEARCH OF HISTORY by Theodore H. White. The story of the author's personal search for the connections between American power and American purpose.

A DISTANT MIRROR by Barbara W. Tuchman. Written by the two-time Pulitzer Prize winner, this book recaptures the Europe of the 14th century, when the whole world seemed to be spinning to it's doom, and yet when our modern world was being born.

WINDOWS BEAUTIFUL. How to plan, measure and decorate your home and apartment windows.

For the younger set:
THE INCREDIBLE HULK and **THE STAR WARS STORYBOOK**.

College notes

Hear report on state conference

Mrs. Loren Gross was hostess for the October meeting of the Anthony Nigo Chapter of the DAR, with Mrs. Carl Metheny serving as co-hostess. The regent conducted the opening, and the president-general's message was read by Mrs. Frank Smith.

It was reported that the state conference was a success, with only one other boy doll, out of 52, being presented for donation. Used clothing for the Kate Duncan Smith School is due this week to Lilly Tucker.

Mrs. Glenn Clauss gave a report on "Move to fix outcome of ERA" by Patrick Buchanan, and "Public opinion poll on Salt II" by Phyllis Schlafly. Mrs. Ernest Igo and Miss Annabel Mentzer gave the state conference report. The resolution "Labor reform - Power grab" was read by Mrs.

Jeff Bormet, and the conference program, "The hub of county government", was given by Jean Northerner, county auditor.

The next meeting is November 14 at Teel's Restaurant beginning at 6:30 p.m. The State Regent will be guest speaker. Reservations should be given to Annabel Mentzer no later than Friday, November 10.

Perry Home Club

The Perry Home Improvement Club met recently at the Ebenezer Church with the Harrison Homemakers Club as guests.

Marie Crum opened the meeting by reading several selections. Devotions were given by Arlene Gearhart and a short program was presented by Grace Waechter. Bernice Bowen played a medley from Rogers and Hammerstein. Contest prizes went to Grace Waechter and Ruth Bammerlin. There were fourteen guests and thirteen members present.

Tippecanoe fans amaze the Fleetwoods

by Marilyn French

Valdosta State's assistant basketball coach, Roger Fleetwood, was recruiting Valley's Eric Alspaugh, when he found out that Tippecanoe Valley's head basketball coaching job would be open. As fate would have it, the job of varsity coach is now his.

The 28-year old Fleetwood, is a native of Nashville, Indiana, and played basketball at Brown County High School.

A former Valdosta State player, Fleetwood became a graduate assistant for two years, while working on his masters degree. He was also an assistant coach at South Putnam one year in Greencastle, Indiana and spent two years at Southwestern in Hanover, Ind., also as an assistant. According to his wife Carol, "that year at Greencastle was a year to remember." Roger pulled the ligaments in his leg during one of his league games and spent the rest of the year in a leg cast. "Every game we had to bring a stack of pillows to prop his leg up," explained Carol. The 7- team he was coaching that year did win the Christmas tourney, which made up for all the hassle of the cast he carried with him that season.

Why did he leave Valdosta? "From recruiting, I found out I enjoy high school more," explained Fleetwood. "College players know that they're good, which is why they were recruited." "In high school they have to work harder to get anywhere later, and are more enthusiastic," says Fleetwood.

Head Coach James Dominey, of Valdosta State College says of Fleetwood, "He's by far one of the most popular players and people to come through this program. He'll do well coaching in high school.

Roger and his wife Carol, have a two-year old daughter, Julie. Carol is teaching "special reading" classes to grades 4 thru 8 at the Akron Elementary and Jr. High. She is a native of Clear-

water, Florida and says, "I really like it here, but I just can't get used to the cold water. I'm used to 'bath water' type swimming." We sure hope Carol's ready for winter! As to their courtship, we'll just say they met at Valdosta State. For more details, see Carol.

The Fleetwoods are enjoying small town living in Mentone and comment that "everyone is so friendly, and when you need something they're always willing to help." They added "it's like living in our own little 'sports

community'. The assistant coach for Valley, Michael Sipe, lives on one side, while TVHS principal Loran Skinner lives on the other side.

"The Valley fans amaze us," says Carol. "We have never seen so much support for a football team as we have here at the Valley." The Fleetwoods have already been warned about what a crazy, devoted, fan goes through over season tickets.

This year's team has really pleased the new coach. Mainly because he's never had this much height

on a team. Fleetwood works a lot on defense, and hopes the fans accept his style of coaching. Another important aspect is team work. So important that he's thinking of changing an award. Instead of a "most valuable" player award, he thinks it would be better to call it the "most complete" player award, aimed at stressing team effort.

Fleetwood's goal is to build a program right up through the grades so that every year they're competitive. Then there's no rebuilding.

If Roger Fleetwood is what Charlie Smith is to football, then we're in for an exciting basketball season. If our hearts can make it through the football season!

Family Life

By Renee Norlander

I am not what you would call a "patient driver". I don't speed, but when the speed limit is 55, I drive 55. When it's 40, I drive 40; and when it was 70, I drove 70.

There are times when I slow down because of rain, or children on bikes, etc., and when I have Robby in the car I'm especially careful.

However, my patience usually wears thin on the road when the guy in front of me is going 35 or 40 in a 55 mph zone, and I can't pass. I turn the radio up, and sing along so that I can try to forget how late I'm going to be for an appointment. (I never leave on time!)

Last week, though, I finally realized something as I was driving home from Warsaw - people aren't always driving slowly because they want to.

As I was coming home, a clankety-clank started up in the back of my car. For some reason (because by car is 7 years old!) I thought it was something terrible! I just knew my steering was going, or a rear wheel was going to fall completely off. I really was scared!!

And so . . . I went 40 mph all of the way home. There were cars following me, trying, but unable to pass, and I didn't care. Someone just like me (little patience) was behind me - burning up. But I decided that his being angry was not worth risking my life any further.

I realized that many people driving from place to place have probably had the same thing happen to them. Cars are machines, and they do break (as we all know!). And many of the people that I've followed so slowly may have been having the same car troubles I had.

So I made a vow. I'd leave earlier for appointments, so that when I get behind "slow-as-molasses" Joe I won't get so upset.

So, if you're like me - a driver with little patience - remember, next time you're behind a slow driver, there may be a very good reason for his going slow.

Patience is a virtue!

(By the way - there was nothing seriously wrong with my car. Phew!)

Dr. and Mrs. Rex Wieland, No. Manchester, are the parents of a seven pound, ten ounce daughter, Heidi Elizabeth, born October 13 at the Wabash County Hospital. She was a sister, Heather, and a brother, Kyle. Grandparents are Mr. and Mrs. Fred Becker, Argos, and Mr. and Mrs. Larry Wieland, No. Manchester. Great-grandparents are Mr. and Mrs. Orville Ellis, Akron.

Mr. and Mrs. David Wilhete, Ligonier, are the parents of a six pound, three ounce son, Rex Alvin, born October 10. Grandparents are Mr. and Mrs. Alvin Ruff of Akron, and Mr. and Mrs. Jim Wilhete, Marion. Great-grandparents are Mr. and Mrs. Russell Swihart, Akron.

Mr. and Mrs. Robert Biltz II, Ft. Wayne, are the parents of a daughter born October 16 on their seventh anniversary. The baby weighed six pounds, fifteen ounces and has been named Rachel Renee. Mrs. Biltz II is the former Nancy Burkheister. The grandparents are Mr. and Mrs. Orville Burkheister, Akron, and Mr. and Mrs. Robert Biltz, Piercetown.

50th anniversary

Mr. and Mrs. Paul Cumberland of R. 1, Claypool will observe their 50th wedding anniversary on Sunday November 5 with an open house given by their sons and families from 1:30 to 4 p.m. in the social room of the Beaver Dam United Methodist Church. Paul Cumberland and Kathryn Eiler were married November 14, 1928 in the parsonage of the

United Brethren Church of Columbia City by the Rev. Noah McCoy.

They are the parents of two sons, Wayne of Akron, and James of Glasgow, Kentucky. They have five grandchildren.

Relatives and friends are invited to attend and the couple request that gifts be omitted.

Furnishing music for the even-ing was soloist, Donna Loer, sis-ter-in-law of the bride and organ-ist Pat Mitterling.

Helping with the serving were Bertha Stauffer, Mary Schang and Billie Risner. Assisting with the guest book was Julie Lynch, niece of the groom and helping with gifts were Judy Lynch, sis-ter of the groom and Kim Thomp-son.

The bride was given in marriage by her brothers Bernard Loer and J. R. Loer.

The Rev. James Hall united the couple and a reception was held in the Fellowship Hall.

The bride, a 1970 graduate of Akron High School, and 1974 graduate of Manchester College was employed at Clausings, Warsaw.

The groom, a 1970 graduate of New Prairie High School and a 1972 graduate of Ivy Tech, is employed at South Bend Lathe, Inc.

After a wedding trip to Florida and couple are at home at 1310 Enchanted Forest, So. Bend.

Frozen Cranberry salad

1 pound cranberries, ground
2 cups crushed pineapple, drained
1 cup miniature marshmallows
1/2 cup nuts, chopped
2 cups sugar

1 pint whipping cream or 1-9 oz. cool whip

Mix together cranberries, pineapple, marshmallows, nuts and sugar until sugar is dissolved. Fold in whipped cream. Freeze.

I make this every year at Thanksgiving and Christmas for our family. People who don't ordinarily care for cranberries usually like this.

She was born Mar. 13, 1888 in Germany and had lived in Tippecanoe since 1931, when she moved from So. Bend. She was married May 22, 1919 in Germany to Rudolph Goldt, who died June 16, 1972.

Surviving are a daughter, Mrs. Russell (Kaite) Antonides, Etta Green; a son, Gerhart Goldt, R. 5, Plymouth; seven grandchildren and six great-grandchildren.

Services were at 2 p.m. Saturday at the Grossman Funeral Home, Argos, with the Rev. Robert Loughedd officiating. Burial was in the Argos Maple Grove Cemetery.

Exchange pastors

Congregations of the communities of Claypool and Akron will be having an exchange of pastors on Sunday, October 29.

The purpose of the exchange is to emphasize a simpler lifestyle as an alternative choice in family living.

Change in schedule

The Akron United Methodist Church has been on summer-fall schedule and will go on a change of schedule the first Sunday of November.

Beginning November 5 - Church School classes for all ages will be 9:30 a.m. followed by worship at 10:30 a.m. The Children's Sermon by the pastor will continue to be a feature of the worship hour.

Womens fellowship met

The Women's Fellowship of the Akron Church of the Brethren met recently in the home of Velma Holloway for the October meeting.

Devotions were given by Arlene Gearhart. "Wheelbarrow" was her topic, and she read a poem. She also gave the dismissal prayer after the group singing.

Edna Mae Shewman read the secretary and treasurers report. Norma Weaver presided over the business meeting.

Favors were made for the patients in the hospital unit at Timbercrest Home, and plans were made to sponsor a Halloween party for the residents.

Sports Week

Vikes barely manage win

Tippecanoe Valley clinches their playoff birth by slipping through the clutches of the LaVile Lancers. The Vikings are putting a little excitement in the last few games to wrap the season up.

With 7-seconds left, Allen Utter kicked a field goal to capture the Vikings ninth victory in a row, making the final score 11-8.

Neither team scored through the first two quarters, then the Lancers made the first TD to surprise the Valley. The Vikings evened out the score 8-8 in the third quarter.

It appeared the game was headed for an overtime until the Vikings drove the length of the field, with time running down, to boot a 20-yard field goal.

Collecting their 24th victory of the regular season-in-a-row, a surprised Charlie Smith seemed stunned as he walked off the field. Hopefully, Valley will bounce back up to par when they meet North Miami this week.

Paid Political Advertisement By
Keith Kline.

My name is Keith Kline. My wife, Joan, 17 month old son Daniel and I operate a small dairy farm in Richland township. Like everyone we feel the bite of inflation and high taxes. I feel that government spending is the leading cause of inflation and the more our elected officials spend the higher inflation goes.

For this reason I decided to run for Fulton County Council. It is the Council that approves all money spent by the county. This is a job that needs a person who is not afraid to raise questions about expenditures and vote against even popular projects that are not in the best interest of the tax payers. It needs a person who can admit mistakes when proven wrong and be flexible enough to change.

We in District 2 have not had this kind of representation. We have had spending when we needed to Save. We have had closed minded representation needed in our Council. To do this..... I NEED YOUR HELP

It Happened in

Mentone

Taken from the October 31, 1951 issue of The Northern Indiana Co-Op News:

Miss Geneva Whetstone was named queen of the Mentone Egg Show last Thursday evening. She won the honor of being the first Mentone girl to be named queen.

Some time has elapsed since petitions were circulated to appeal for the construction of new school units at the Mentone school, but we can announce the preliminary work is progressing about as rapidly as it is possible. The petitions have been certified by the county officials, and other technical matters taken care of. It is planned that officials will make a trip to Indianapolis the fore part of November regarding the matter.

About 30 members of the Cullum family of Monticello and Chicago met at the Artley Cullum home Sunday for the annual reunion.

Juanita Blackburn, daughter of Mr. and Mrs. Carl Blackburn, northeast of town, submitted to an emergency appendix operation Monday p.m. at the Woodlawn Hospital at Rochester.

Tippecanoe News
