Club Wins Free Trip

The Jolly Franklinites 4-H Club of Kosciusko County won an expense paid trip to the State Health and Safety Achievement Day in Indianapolis October 24, courtesy of American Income Insurance Company. The girls of the club were honored for the outstanding work that they had accomplished during the year in the area of Health and Safety.

The club members who attended from all County Agent Districts in the state toured the Continental Baking Company, the transmission and power steering plant of Chrysler Corporation, and Kingan Inc. An achievement was held at Kingans.

Karen Heckaman, Health and Safety leader of the Jolly Franklinites, was selected as one of the six 4-H members to be honored for outstanding work in Farm and Home Safety. Karen was awarded a \$50.00 U. S. Savings Bond by WFPM of Indianapolis.

The Jolly Franklinites 4-H Club represented all the 4-H girls clubs in the Fort Wayne District.

PROBATE WILL

The will of the late Winfield S. McBride, of Mentone, has been admitted to probate. The estimated value of the estate is \$15,000. The First National Bank, of Goshen, is the administrator. The heirs are a step-daughter, Geraldine A. Clark, of Mentone, 100 shares of stock in the Terre Haute Malleable Manufacturing corporation and the bank account in the Continental Illinois Bank of Chicago. The stocks are not to be sold until five years from Oct. 11, 1958: A daughter, Dorothy Dowding, of Clarendon Hills, Ill., to have 60 shares of stock of the Pennsylvania railroad, 20 shares in the General Motors corporation, bank accounts in the First National Bank of Chicago, Farmers State Bank, of Mentone and the Pennsylvania railroad Employees Mutual, Philadelphia; sons Wesley and Chester McBride, whose addresses are unknown, each the sum of \$50. The rest and residue of the estate to the daughter, Dorothy.

Mr. and Mrs. Rea Ward had dinner Monday evening with Mr. and Mrs. Joe Miller of south of Mentone.

Gifts For Mentally Ill

Christmas gifts for the mental patients at the Fort Wayne hospital are to be taken to the Mentone Library any time during the month of November. The gifts will be collected December first by Mr. and Mrs. Russell Smith of Warsaw, and taken to Fort Wayne for the enjoyment of the patients at Christmas time.

Anyone wanting to send a personal gift see Mrs. Smith at the Unique Bake Shop in Warsaw for names.

Think of the happiness you are bringing to someone that might otherwise have been forgotten.

There will be cards for on the packages at the Library or you may make your own.

For further information call Mrs. Howard Horn, EL 3-2615.

IN JUSTICE COURT

On Saturday, November 1, Alden Jones, Jr., of R. 1, Claypool, and Robert G. Arnold of Anderson were fined \$10.00 and costs each, amounting to \$29.00 on pleas of guilty in the court of Justice C. O. Eiler of Mentone, to charges of violating the State Migratory game laws.

Jones was charged with hunting ducks with a shot gun capable of holding more than the legal limit of three shells, on an affidavit filed by Conservation Officer Bill Davis.

Arnold was charged with transporting a migratory game bird from which the head and head plumage had been removed, on an affidavit filed by Conservation Officer Robert Woodward.

CLUB CALENDAR

The Mothers of W. W. II will meet Monday evening, November 10th with Mrs. Marie Coleman at 7:30 p. m.

The Merry Mollys Home Dem. Club will meet Monday evening, November 10th at the home of Mrs. Jerry Hudson. Don't forget your towelings.

Local Children Aid Children Of World

Forty-nine boys and girls from in and around Mentone had themselves a grand time and also helped children in all parts of the world last week with the annual trick or treat for UNICEF (United National International Children's Educational Fund). The children met at the Methodist church and fanned out over the area under adult supervision. When the final returns were tallied, \$73.50 had been accumulated. The children then were treated to games and refreshments. Those in charge of the program wish to thank everyone who donated to UNICEF and also those who helped with furnishing refreshments and games and transporting the children over their routes.

P. T. A. Meeting November 12

Arthur Hughes, English instructor in the Culver schools, will be the speaker at the Mentone Parent-Teacher meeting to be held at the Mentone school music room at 7:30 on Nov. 12th. His subject is to be "National Education Week."

Mary E. Romine and Pat Shoemaker are co-chairmen on the committee to serve refreshments.

HAS HEART ATTACK

Miles Manwaring was resting comfortably at the Murphy Medical Center at Warsaw today after suffering a coronary attack Saturday.

Mr. Manwaring is associated with his brothers, Charles and Dick, in the operation of a large hatchery east of Mentone.

58th ANNIVERSARY

Mr. and Mrs. Ralph Tucker and Tommy of Akron, Mr. and Mrs. Max Smith, Mr. and Mrs. Albert Tucker, Mitchell and Joane, Mr. and Mrs. Robert Smith and Sara Jo and Miss Lilly Tucker of Fort Wayne were Sunday dinner guests of their parents, Mr. and Mrs. Ora Tucker in honor of their 58th Wedding Anniversary.

RETURN FROM HOSPITAL

Mrs. Mahlon Mentzer and Mrs. Mary Goodwin were dismissed Monday from the Woodlawn hospital and are now at their homes here.

Republicans Win Major Offices

Republicans won all the major offices in Kosciusko county in Tuesday's election except in the sheriff's department where Sam Holbrook of Warsaw defeated J. D. Geiger.

In the nearby trustee contests democrats won in Harrison and Seward townships and a republican in Franklin township.

The complete but unofficial returns were as follows for the county:

Congressman—Charles A. Halleck (R), 9,307; George H. Bowlers (D), 6,542. Halleck's majority 2,765.

Prosecuting Attorney — Allan A. Rasor (R), 9,162; Burl D. Silver (D), 6,519. Rasor's majority, 2,643.

Henry Ford Dies In Michigan

Henry Ford, aged 81 years, a former resident of this area, died at 10 a. m. Tuesday at Grand Rapids, Michigan after a short illness.

Mr. Ford was born in Franklin township in May, 1877, the son of Callendar and Mary (Weirick) Ford and lived in this county until he moved to Michigan some 30 years ago. He was a retired railroad employee.

Surviving are a number of cousins, which include Rosella Ford of near Warsaw and Anna Murdick of South Bend.

Funeral services will be held at the Reed funeral home at two o'clock Thursday afternoon with Rev. Milton Persons, pastor of the Mentone Methodist church officiating. Burial will be at Mentone.

The body arrived in Mentone at the Herendeen airport at 1:30 Tuesday afternoon. Likely this was the first instance of a funeral home using an air ambulance to bring a body to the Mentone airport.

County Choral Festival Nov. 16

The Kosciusko County Choral Festival will be held at the Mentone high school gym on Sunday afternoon, November 16th, at 2:30 p. m.

All the county schools will take part with half of them presenting special numbers and all combining in a massed chorus for several numbers.

The general chairman for this year's event is James Greiner of North Webster.

Mr. and Mrs. H. V. Nellans left Tuesday afternoon to spend the winter in Florida. They will be at the City Trailer Park, at Leesburg, Fla.

Boggs (D), 653; Ralph Warren (R), 321; for advisory board, Noah Tinkley (D), 592; Charles Eaton (D), and Edward Severns, (D), each 522; Ray Eckert (R), 452; Ralph Long (R), 418; Albert Orcutt (R), 394.

Seward — For trustee, Lowell Leckrone (D), 38; Gurney Alexander (R), 207; for advisory board, Roger Ring (D), 360; Ernest Jamison (D), 354; Roscoe Nine (D), 304; Wilbur McSherry (R), 286; Don Kuhn (R), 271; Forrest Heckaman (R), 251.

Leptospirosis In Swine

"Lepto" has become an in-
creasingly important disease of
breeding swine, Dr. T. M. Cur-
tin, Purdue University extension
veterinarian, points out. It has
resulted in a tremendous eco-
nomic loss in many herds.

The only apparent signs usu-
ally seen in swine are abortions
or still-births, and weak litters
which usually die after the first
few days.

Leptospirosis abortions may oc-
cur during any portion of the
gestation period, but generally
occur at or near full term. These
losses may occur during the ges-

tation period, but are usually
groups any time within the nor-
mal farrowing cycle; sows that
do not abort will deliver live
healthy litters.

It is felt that the deciding
factor determining which sows
will abort is the exact stage of
pregnancy when infection occurs.
Animals which become infected
either before or after this crit-
ical period will not show clinical
signs of the disease.

To a certain degree this disease
is self-limiting in hogs, Curtin
says. Sows which have aborted
or given birth to still-born litters
due to Leptospirosis infection
may be immediately "bred back"
and invariably have no further
difficulty.

Most animals which recover
from an outbreak tend to remain
temporary carriers and will shed
the infective agent for variable
lengths of time. The infective
organism is not considered to be
highly resistant to the elements;
therefore, infected lots are only
temporary rather than a perma-
nent problem.

A vaccination against Lepto-
spirosis is presently enjoying
much popularity. Those animals
which become infected after vac-
cination experience only a mild,
transient form of the disease and
pose a reduced carrier problem.
It has not been observed that
vaccinated animals have aborted
due to natural infection. It is
recommended that breeding ani-
mals should be vaccinated at six
months intervals. Vaccination
should be completed prior to
breeding.

A routine blood test should
be made of at least all additions
to the breeding herd, especially
purchased animals, so as to avoid
introduction of the disease into
the herd. This test can be made
in conjunction with the brucel-
losis test.

Hunting Safety Depends On You

As the opening of the 1958 In-
diana hunting season (Nov. 10)
approaches, F. R. Willsey, Pur-
due University farm safety spe-
cialist, points out safe hunting
depends on courtesy, common
sense and constant vigilance.

The National Safety Council
reports these three causes result
in two-thirds of the hunting ac-
cidents:

Humans in the line of fire, mis-
taking humans for game and
hunting with the safety catch
off.

Accidents can be reduced,
Willsey says, if most of the com-
mon causes of them are elimin-
ated. He suggests:

Always treat your gun as if it
were loaded, even when you feel

certain it is empty.

Keep the muzzle pointed away
from anything you would not
want to shoot.

Wear bright red or yellow
chromate colored clothing, de-
signed to prevent a hunter from
being mistaken for game.

Never climb a tree or fence or
jump a ditch with a loaded gun.

Never pull a gun toward you
by the muzzle.

Never point an empty gun at
another person or engage in
horseplay with anyone holding a
gun.

Don't drink while hunting.

W.S.C.S. Meets With Mrs. Bryan

The Woman's Society of Christian Service met Thursday evening, October 17th, with Mrs. Millie Bryan as hostess. Mrs. Golda Mollenhour opened the meeting with prayer. Mrs. Madonna Persons read an Epitaph written by Mrs. Mary Goodwin for Mrs. Ellen Stanford who had just recently passed away. Miss Von Jenkins gave the devotions using the Story of the Good Samaritan as recorded in the book of Luke 10:25-37. She also read an article of Columbus Day.

Mrs. Frances Carter gave the lesson "And Crown The Good With Brotherhood" assisted by Mrs. Ethel Shaffer. Mrs. Mary Utter and Mrs. Rosa Kinsey. They took us to some of our neighbors: The Caribbean Area; Mexico, Canada, Alaska, Hawaii and our own United States; their needs and our needs. The thought was brought out that the concern of Christians everywhere is to put Christ into all of life, beginning at home.

Several appropriate songs were sung. Mrs. Harriet Abbey, president, had charge of the meeting. The purpose of the Woman's Society of Christian Service was read in unison. The week of pray-

er and self denial was to be observed at the church on Wednesday, the 29th, from 2 to 3 o'clock. Officers Training in November.

The hostesses, Mrs. Kinsey; Mrs. Randall and Mrs. McGowen served a delicious lunch to the twenty-one members present.

Beaver Dam High School News

By Sherry Babcock

The faculty Tuesday, chose Margaret Baugher to represent Beaver Dam in the Good Citizen contest. The members of the senior class had selected three finalists before the faculty made the final selection.

Miss Baugher is the daughter of Mr. and Mrs. George Baugher of Burket.

The following qualities were considered by those voting: dependability, service, leadership, and patriotism.

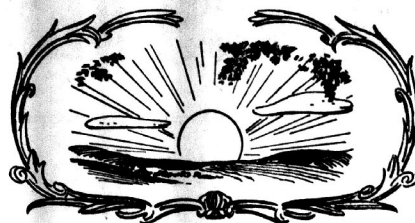

This contest is sponsored by the Indiana Daughters of the American Revolution and locally by the Nigo Chapter.

The Beavers lost one game and won one game. The "B" team got beat by 12 points and the "A" team won by 10 points.

This Friday night the Beavers will be host for Gilead. We hope that both of the teams will win their games. Good Luck Boys!

Mr. and Mrs. Paul Rush and family spent Sunday in Fort Wayne.

Corn Referendum November 25

Another important "election" for Hoosier farmers is scheduled for November 25. It is "R" Day—Corn Referendum Day—set by the Secretary of Agriculture, as called for in recent Congressional action.

While Indiana Farm Bureau does not believe it is right for any organization to tell farmers how to vote in any government referendum, organization leaders do believe that a large turn-out is essential if a clear-cut mandate is to result from the vote.

County Farm Bureaus are organizing for intensive campaigns between now and November 25 to urge a big turn-out in Indiana where some 230,000 farmers are eligible to vote. The organization's goal is to have at least 100,000 of the farm owners, joint owners and tenants at the community polls to be set up by county Agricultural Stabilization and Conservation Committees.

Farmers can choose between: (1) a new program with no acreage allotments and all corn of

eligible quality supported at 90 percent of the last three-year market acreage price, or 95 percent of parity, whichever is higher; or (2) continuance of the present corn acreage allotments program with government price supports on corn grown within allotments at between 75 and 90 percent of parity. The support price under the new program is estimated at about \$1.17 per bushel for 1959, while under the allotment program it would be about \$1.32 per bushel.

According to George Doup, president of Indiana Farm Bureau, the proposed new program is nearest to what Farm Bureau delegates in convention at Chicago last year said they wanted in a corn and feed-grain program. It offers more freedom from government control in the farming operation; and since only about 10 percent of Hoosier corn was grown under allotment this year, Indiana farmers are expected to indicate for more freedom to plant the crop.

Farmers in 932 U. S. counties who have interests in 1958 corn crops are eligible to vote on November 25. All 92 Indiana counties are included in the commercial corn area, and therefore farmers there are qualified to vote on the question.

It is expected that the outcome of this referendum will influence

members of Congress greatly in future years, as they consider farm program legislation.

Bourbon D. A. R. To Visit Here

November 12th the Anthony Nigo Chapter, D. A. R. will be hostess chapter to The Tippecanoe River Chapter of Bourbon, The Manitou Chapter of Rochester and other guests at the Mentone Methodist Church beginning with a dinner served at 7:00 P. M. Mrs. John Garlin Biel, State Regent, will be the guest speaker. Her subject, "National Defense." An added attraction will be "The Mayflower Story."

This film, prepared by Aero Mayflower Transit Company of Indianapolis, covers the entire development of the Mayflower II, replica of the famed Pilgrim vessel which crossed the Atlantic in 1620. It records the period of construction, the highlights of the sea voyage, and the Plymouth (Mass.) landing which culminated a modern-day maritime adventure that thrilled the people of two nations.

Within the film's 25 minutes is all the excitement, hardship and thrills experienced by Captain Alan Villiers and his crew of 32 during the modern re-enactment of the epic Pilgrim voyage.

There are unusual film shots of the tiny vessel becalmed in the South Atlantic, spectacular views of the gallant barque at full speed under full sail, and tense scenes

of the sturdy craft as it runs full tilt into an Atlantic gale almost within sight of its goal. Highlighted, too, are the glimpses of life aboard the Mayflower II during 54 days and 5,435 miles at sea.

The film, which will be shown to schools, clubs, fraternal organizations and civic groups throughout the country, was produced by Paul Alley, former television news chief for NBC. Narration is handled by veterans CBS radio and TV newscaster Robert Trout on the commentary as told by Maitland A. Edey, Life magazine correspondent who made the trip aboard the Mayflower II.

Music will be furnished by Mr. and Mrs. Morris Kendall White of Crystal Lake.

Please notify Mrs. Ray Linn phone EL 3-4785 for dinner reservation by November 7th if you haven't already done so.

Bring gifts for Tamasee.

War Mothers Anniversary Meeting

Mrs. Lucinda Julian, unit 131, Onward; Dist. Past President; Mrs. Gladys Bowyer, unit 131, Onward, State Financial Secretary and Mrs. Gladys Jump, Deer Creek, unit 96, were guests of the Mothers of World War II, Mentone Unit 106, at their 15th anniversary meeting, at the Island Park Cafe, Rochester, Ind., October 13, 1958. A most delicious supper consisting of swiss steak and all the trimmings was enjoyed by the sixteen members and three guests present.

Mrs. Dora Norris, President, was in charge of meeting after the ritualistic service and singing one verse of the Star Spangled Banner. Mrs. Gladys Jump gave a report of the District meeting which was held in September. She also announced the November District meeting with the Galveston unit as hostess. Mrs. Edith Young was appointed as Membership Chr. for the rest of the year and Mrs. Ethel Wagner as unit activities chairman to finish the year, due to sickness of these chairmen. Several contests were held during the social hour with several prizes being awarded. The meeting was closed by joining hands and singing "Bless Be The Tie". We want to thank the committee in charge for the enjoyable evening.

War Mothers Hold Memorial

The mothers of World War II, Mentone Unit 106, held their Memorial Service at the Reed Funeral Home Wednesday evening, October 15.

"Somewhere back of the sunset

Where loneliness never dies
She lives in a land of glory
With the blue and gold of the skies.

And we who have loved and known her,
Whose passing has brought us tears,

Will cherish her memory always

To brighten the coming years."

Those taking part were: Mrs. Dora Norris, Mrs. Emma Oook, Mrs. Sarah Ellsworth, Mrs. Edith Scott, Mrs. Marie Coleman, Mrs. Maude Romine, Mrs. Ethel Wagner, Mrs. Myrtle Davis, Mrs. Laveria Horn, Mrs. Edith Young, Mrs. Elnora Coplen, Mrs. Dora Whetstone, Mrs. Belle Morrison and with Mrs. Maude Snyder at the organ.

ERECT NEW BRIDGE IN FOUR HOURS

Mentone landed in the up-to-date column Monday when a construction crew laid a new prefabricated concrete bridge on Road 26 at the west edge of Mentone. The pre-cast slabs weighing 7,000 pounds each were laid in place by two cranes. Ten slabs were needed to complete the bridge and it took less than four hours to complete the job.

The bridge is not yet usable as the approaches and deck paving is not completed.

FINE ATTENDANCE AT LIONS PARTY

There was a fine attendance at the Mentone Lions Club Halloween party and fish fry held at the Mentone school Friday evening. There was a large crowd on hand for the masquerade and hula hoop contests, and the fish supper attracted many visitors. The club appreciates the fine support of the people of the area.

It was heard at the basketball game Saturday evening that Abe Hoogenboom, former Mentone coach who is now at Concord high school, recently underwent an appendicitis operation and was in a serious condition. Mr. and Mrs. Hoogenboom also have a new daughter.

Chicago Livestock Show

Marking its 59th year as the country's largest livestock show, the International Livestock Exposition and Horse Show will be held here November 28 to December 6 in the International Amphitheatre and a large area of the adjoining Chicago Stock Yards.

The volume of entries, prior to the November 1 closing date for listing exhibits, is such that the management predicts a total entry of more than 10,000 animals representing 29 of the meat-yielding breeds of farm animals and a wide variety of horses and ponies, ranging in size from the diminutive Shetland to the ton-weight Clydesdale featured in the six-horse team exhibitions.

Thirteen Horse Shows are scheduled during the 9-day run of the Exposition. Arthur Godfrey of television and radio fame

will be the star attraction of each Horse Show riding his spectacularly trained Arabian, "Goldie."

"Winterize" Gasoline Engines

Take time to prepare farm gasoline engines for winter, advises Ray M. Lien, Purdue University agricultural engineer. Maintenance costs can be cut and a smooth running engine next spring will be the result.

Engines on combines, forage harvesters, balers, irrigation pumps, lawn mowers and garden tractors need special attention before winter comes.

Most engine manufacturers issue instruction manuals which contain suggestions for preparing the engine for winter storage. If no manual is available, Lien suggests these steps to protect engines from winter damage:

Clean excess dirt and grease from the engine and ignition wires.

Run engine until warm, drain and refill with new oil. Replace the oil filter.

Remove air cleaner cup, clean and refill with new oil.

Run engine until new oil is circulated throughout engine.

Drain and flush the cooling system. Leave all drain cocks open after flushing.

Drain the fuel tank. Run engine to remove all fuel from lines and carburetor.

Remove spark plugs and put one tablespoonful of lubricating oil in each cylinder. Turn engine two or three times to distribute oil over piston and cylinder walls. Replace spark plugs.

Remove valve housing cover or valve cover plate and flush valves and operating parts with lubricating oil.

On engines with battery ignition systems, remove battery and store in cool dry place where temperatures will remain above freezing. Check water level and state of charge of battery from time to time.

Cover the exhaust pipe, crankcase breather and air cleaner intake.

On air cooled engines, be sure all chaff and dirt is removed from around the cylinder and head cooling fins.

Store the engine inside a building or protect it from moisture with a suitable covering.

FUTURE CITIZENS OF MENTONE

The following is a number of the pictures of local youngsters taken recently by the Woltz Studios of Des Moines, Iowa, for publication in the Mentone News. The studio supplies this service to a number of newspapers, free of charge, retaining the privilege of attempting to sell picture prints to the families involved. This newspaper has no economic connection with the studio, but does appreciate the cooperation of the parents.

Shown above are the three children of Mr. and Mrs. George Hall. They are Brent, aged 5 years; Jo Lynne, aged 4, and Roger, aged 2. Leslie Marie, on the left above, is the 15 month old daughter of Mr. and Mrs. Eldon Senff, Mentone; and in the center is Victor Martin, Jr., 17 months, son of Mr. and Mrs. Victor M. Lantz, Mentone. On the right in the second row is Jovone Kay, aged 1 year, daughter of Mr. and Mrs. Cecil Whetstone.

Left to right in the top row above are Danny, 5 months, and Debbie, 5 years, children of Mr. and Mrs. David Cooper, Mentone, and Patrick Dale, 9 month old son of Mr. and Mrs. Dale Stiffler, Mentone.

In the lower row are Christine, aged 4, Brett, aged 5 and one-half and Tod, aged one month, children of Mr. and Mrs. Forrest Miner, Mentone.

Left to right above are, Floyd James, Jr., 4 mo., son of Mr. and Mrs. Larry Dorsey, Mentone, Jo Ellen, 8 mo., daughter of Mr. and Mrs. Larry Boggs, R. 2 Warsaw, and Kathy, 5 years, daughter of Mr. and Mrs. Tobie Blalock, R. 1 Mentone.

SINCERE THANKS

We want to extend our thanks and appreciation to all those who attended our Fish Fry and Hallow'en celebration last Friday evening.

Seward Twp. Farm Bureau

Seward township Farm Bureau members, old and new, enjoyed their annual fish fry at their October meeting at the Burket gym. The committee did its usual excellent job of frying and serving plenty of delicious fish.

The meeting opened with the singing of "The Star Spangled Banner" led and accompanied by six young men from Grace College at Winona. For devotions Rev. Yeager used Proverbs 25, with timely remarks and closed with prayer. Mrs. Pfeiffer gave a very worthwhile article on speed and the disregarding of the rights of others.

The group was then entertained with inspirational messages in music and song by the young men from Grace College. Their numbers consisted of vocal solos, quartettes, and trombone solo.

The Pet and Hobby members were dismissed to their meeting with Mrs. Arthur Yarian volunteering as leader.

The secretary and Treasurer's report was read and approved. Howard Silveus reported on the resolutions passed at the county meeting.

The nominating committee led by Mr. Steller had charge of

the election of officers for next year. Chairman, Oren Murphy; vice, Theodore Thompson; S & E Leader, Mrs. O. Murphy; Assistant, Margaret Clark; Secretary and Treasurer, Mrs. Riley Parker; Assistant, Mrs. Carlyle Holloway; Pet and Hobby leader, Mrs. Willis Pfeiffer; assistant, Mrs. Will Steller.

All members were urged to attend their organization's meetings faithfully. The chairman and S & E leader were given a

vote of thanks for their past year's work, and the meeting adjourned.

Shipping fever often strikes when resistance is lowered by fatigue, crowded quarters and careless feeding associated with transportation. All sick stock should be isolated from the rest of the herd, fed wisely and nursed. Purdue University veterinarians point out. A veterinarian should be called immediately.

Driver Training A Profession

Teaching their wives how to drive a car is not a job for husbands and teaching teenagers to drive is not a job for parents, says the Motor Club.

"The instruction of a new driver is a project for professionals," said Matthew C. Sielski, director of the club's safety and traffic engineering department. "Most parents lack the patience and training to teach driving to their children."

Sielski urged parents with teenage boys and girls to enroll them in a driver education course where they will receive both classroom and behind-the-wheel training. He said 8,519 high schools or nearly half of those in the United States, now provide driver education courses. Of these, some 500 are in the Motor Club's territory in Illinois and Indiana.

"Few non-professional teachers can be objective when it in-

volves a member of their own family, and this is an important factor in all teaching," Sielski says. "Arguments and strained relations are a frequent result of home courses in driver training."

He also advised husbands to send their wives to professional adult driver education classes instead of trying to handle the teaching themselves. He said the same problems are involved in husbands teaching their wives as with parents teaching their youngsters how to drive.

**New Numbers
At Akron**

About 200 Akron telephone numbers were changed Tuesday, November 11. Assignment of new numbers to approximately one-fourth of the customers of the Akron exchange was necessary as new equipment recently installed in the Akron central office was placed into service.

Mr. T. E. Lemmon, district commercial manager for General Telephone explained that growth of the Akron community has made it necessary to install additional central office equipment and to rearrange existing facilities.

The new equipment will provide service for future customers as their applications are received and furnish a better grade of service to existing customers.

The number change Tuesday is reflected in the new Akron telephone directory recently delivered to all customers. Mr. Lemmon said that dial cards with the new number imprinted on them were sent to all customers whose numbers were changed. All customers who received these adhesive dial cards should affix them to the plate of their dial.

Adding new equipment to the Akron office is another of General Telephone's continuous efforts to bring the best possible telephone service to its customers.

Parents of Son

A son, Terry Ray, weighing eight pounds, six ounces, was born to Mr. and Mrs. Russell Menzie Sunday afternoon at the Murphy Medical Center at Warsaw.

Mrs. Menzie and new son are expected to be brought to their home at Mentone Thursday.

Grandparents are Mr. and Mrs. Merl Linn and Mr. and Mrs. Elmer Menzie of Mentone.

Martin Notz Dies

Martin Notz, 61, a native of Germany who had spent the past 34 years in Fulton county, died Sunday at 4 a. m. in the Woodlawn hospital of a heart ailment. He had been admitted to the hospital three hours prior to his death.

Mr. Notz and his wife resided in Rochester. He had been in failing health the past two years, seriously ill for two days.

The Notzes had realized a long dream in April, 1957, when they flew to their native Bavaria for a three-month visit with friends and relatives. It was their first visit to their home land since leaving it in 1924.

Born Dec. 6, 1896, in Manna-berg, Germany, Mr. Notz was the son of Joseph and Anna Dobler Notz. He served three years during World War I as a litter bearer for the Imperial German Army, sustaining a chest wound three weeks before the Armistice was signed.

His marriage was to Lisette Buck in Groenenbach, Germany, Aug. 13, 1924, just before the couple sailed for America. He spent 12½ years at Kewanna, 17 years in Newcastle township and had been in Rochester the past five years. Recently he had been employed by Indiana Metal Products company and Burton Plumbing and Heating company.

Mr. Notz was a member of the St. John Lutheran church. He worked at the Co-Op. Mill in Mentone for a number of years.

Surviving besides the wife, are one son, Richard B., of Rochester; four grandchildren, and five sisters and one brother in Germany.

Funeral services were held Tuesday at 1:30 p. m. in the St. John Lutheran church of Rochester with the Rev. Delmar Grueger officiating. Burial was in the IOOF cemetery.

**STATE DAIRY ASSOCIATION
MEETING DEC. 1**

Dairy legislation and environment as it affects dairy production will be major topics of discussion at the 69th annual meeting of the Indiana State Dairy Association at Purdue University on Monday, December 1.

Some 300 dairymen are expected for the meeting which will be held in Eliza Fowler theater of Purdue's new Memorial Union building.

**Mentone
Basketball**

As Reported by Larry Teel

Friday night the Mentone Bulldogs put on a dazzling display of how NOT to play basketball as they submitted to an impressive North Webster Trojan team.

Although the visiting Bulldogs scored the first six points, it wasn't long until the mighty Trojan five were in command.

Aided by a very good pressing defense the Trojans forced the Bulldogs into making innumerable mistakes.

Although the Bulldogs had an inch and a half advantage per man in height the smaller Trojans managed to get into position and gather rebounds that their taller opponents should have gotten. This was especially true of the first half.

This Friday night the Bulldogs play host to a young Leesburg team which has looked impressive so far this season although they have yet to be victorious. In order to win this one the Bulldogs had better be sharp.

**Married Friday
At Warsaw**

Mrs. Ronald E. Secrist was formerly Miss Dixie Sue Krebs daughter of Mrs. Mort Spreuer, White Pigeon, Michigan, and the late Wilbur G. Krebs, before her marriage November 7 in Warsaw Church of God.

Mr. and Mrs. Glen Secrist, Mentone, are parents of the groom.

Rev. O. L. Johnson performed the single ring ceremony at 6:30 p. m.

The bride wore a street length dress of white faille fashioned with a scoop neckline and empire pleats. Her veil fell from bands of white velvet. Her corsage was of pink carnations.

Miss Betty Ann Copeland of Warsaw, her maid of honor, appeared in a street length dress of mint green faille with a V neckline and a flared skirt. Her hat piece was of pink velvet and her corsage was of pink carnations.

Chester Clampitt, Jr., of Warsaw served as best man.

The reception was held at the home of the newlyweds in Mentone. Miss Glenda Secrist and Miss Ellen Secrist, sisters of the groom served the guests.

Mrs. Secrist attended Warsaw high school. Mr. Secrist is a graduate of Mentone High School class of '57. He is employed with his father, a contractor.

They are now residing at the Fred Lemler apartment at 211 N. Morgan St., in Mentone.

Mentone H. D. Club Meets

The Mentone Home Demonstration Club met November 6 at Pete's Social room. The meeting was opened with the pledge to the flag and the club creed. "America the Beautiful" was sung. Meditation was given by Lyndall Vernet, who read Proverbs 24. The song of the month was, "For the Beauty of the Earth."

Health and Safety Remarks were presented by Esther Sarber. A very interesting lesson of "Buying Men's Clothing" was presented by Melissa Unzicker and Pearl Gates. Roll Call was answered by sixteen members by giving a Bible Verse.

The Secretary and Treasurer's report was read and approved. Business was conducted by the president, reading several letters of thanks. We sent cards to two of our sick members, Ada Meredith and Ona Blue.

Those receiving Secret Pal gifts Olive Tucker, Blanche Whitmyer, Melissa Unzicker and Mary Barkman.

Nice refreshments were served by the hostess and co-hostess, Mrs. Lyndall Vernet and Mrs. Ada Meredith. The meeting was closed with the Club prayer song.

NAMED DEALER FOR PORTABLE HEATERS

Things will be plenty hot around here all winter long if the folks at Ulmer Equipment Co. at Etna Green have their way. They have announced that their firm has been appointed as an authorized dealer by the Knipco Division of Knickerbocker Products Co., Dayton, Ohio, for the sale and service of their complete line of Knipco portable heaters.

Among the heaters now in stock is Knipco's completely new "Super-70", a 45 pound, circulating, warm air heater that puts out enough heat to warm about any building on the farm - workshop, shed, pig pen or chicken house. It's fan throws out a steady stream of warm air that can be used to "spot heat" an outside working area, thaw frozen lines and pumps, and preheat engines.

Good home lighting may mean the difference

between success and failure. Follow these simple suggestions and your child will never be at a disadvantage due to faulty lighting.

1. Eliminate dark shadows in the study room by having an adequate source of general light (ceiling or indirect light).
2. Have a lamp of at least 150 watts for reading (preferably diffused-type giving "soft" light).
3. Eliminate glare (have no unshielded lights within direct vision of child at work in the room).

Your child will be able to make the best progress in study with good lighting. And the suggestions may be used to benefit the whole family. Why not review your lighting needs today?

FISH FRY AT BURKET

The Seward-Franklin P. T. A. will hold a fish fry in the Burket Gym Saturday, Nov. 15th. For details, see their advertisement in this issue.

Clintland Most Popular Oat

Clintland was the most popular oat variety with Indiana farmers again this year, according to state-federal agricultural statisticians at Purdue University.

Almost half of the state's planted acreage went to Clintland for the second straight year. It made up 49 percent of the total acreage, compared with 45 percent in 1957.

Clinton 59 was second, as it was last year, with 20 percent. Newton was third with 16 percent, doubling its 1957 acreage. Bentland was fourth with five percent. Dubois, a winter variety, was used on three percent of the acreage planted, but made up only about one percent of the harvest acreage as a result of heavy winter kill, the statisticians said.

Kenbar and Hudson varieties of barley again led in that order. Kenbar had 34 percent of the planted acreage and Hudson 32

percent. Hudson gained in acreage, while Kenbar acreage declined.

Kentucky No. 1 was third. Dayton was fourth. Unknown varieties accounted for 27 percent of the planted acreage, compared with 33 last year.

Weather conditions caused considerable abandonment of planted acreage in the southern half of the state, but no one variety appeared more susceptible than another the statisticians said.

Parasites In Cattle Herds

Dr. F. A. Hall, Purdue University extension veterinarian, says that recent veterinarian examination of dairy and beef herds show that worms and internal parasites can cause serious trouble.

These parasites haven't been killing cattle, but the veterinarian asserts that infested animals lose weight and show lowered feed efficiency.

Loss of weight and appetite, rough hair coat, pale color of mucous membrane around eyes and mouth, diarrhea or constipation, and eating dirt or foreign material are symptoms of a parasitic condition. They can readily be observed by an alert stockman.

Dr. Hall says that yearling animals are more seriously affected.

The veterinarian recommends keeping feed and hay from contamination by feeding strictly from feed bunks, pasture rotation and clean pens.

Diagnosis and recommendations for treatment of this parasitic condition should come from a veterinarian.

Mentone Reading Club Meets

The Mentone Reading Club held their November 5th meeting at the home of Mrs. Fred Lemler. Mrs. Wayne Tombaugh was assisting hostess.

Mrs. Ralph Mollenhour had blind goods on display. Christmas gifts for the Mental hospitals should be taken to the Library before December 1st. Gifts are also in demand for Veterans' Hospitals.

Mrs. Harold Nelson, Mrs. Earl Shinn, and Mrs. H. V. Johns attended the District Convention at Akron. They were especially impressed by the report from Goodwill Industries.

It was suggested that something should be started in regards to cleaning up the streets of Mentone. Members are to dwell on the subject and present ideas at the December meeting.

The program committee, Mrs. Maude Snyder and T. J. Clutter presented the following:

A piano duet "Country Gardens" by Janet Besson and Janis Davis. Songs "Indian Love Call", "Softly as in a Morning Sunrise", and "Bless This House" were sung by Marilyn Horn.

Study and review of Stephen Foster's life and music by Mrs. T. J. Clutter accompanied on the piano by Mrs. Maude Snyder.

At one time Paul was very sure that he would not die, but be changed (I Cor. 15:51; I Thess. 4:15). What happened that he changed his mind (II Tim. 4:6)? Would you like to know?

TRUTH FOR TODAY

Delicious refreshments in keeping with the Thanksgiving season were served to sixteen members and guests.

The December meeting will be held on the 3rd at the home of Mrs. F. B. Davison. Mrs. Ray Rush will be assisting hostess.

F. H. A. News

The Mentone Future Homemakers of America met November 3 in the Home Ec. room. The vice president opened the meeting and the secretary read the minutes of the last meeting.

The guest speaker for the evening was Janet Romine. She told us how to care for the skin and hair. She showed us how to style our hair several different ways.

We then drew names for our Christmas party which will be held at the next meeting.

The meeting was then adjourned and refreshments were served.

4-H Club News

The Mentone Harrison Hustlers 4-H club met on November 5th at 7:30 in the Ag. Room.

The meeting was called to order by the president, Jim Eaton. The pledges to the flags were led by Burl Blosser and Larry Greulich.

New officers were elected. They are as follows: President, Phil Nelson; vice president, Bob Long; Secretary, Janet Besson; Treasurer, Becky Keirn; Reporter, Linda Long.

Our goal for this year is to have 50 members and 50 completions.

VISITORS FROM MONTANA

Mr. and Mrs. Joe Kudena, of Circle, Montana, spent the week end at the Artley Cullum home. The Roy Cullum homestead cornered the Kudena homestead in the western state, and Mr. and Mrs. Artley Cullum published a newspaper in that county for a number of years.

Mr. and Mrs. Kudena are very active in community affairs, and keep a close tab on the voting records of our representatives in Congress, including those from Indiana. The original draft of the recently enacted federal gas tax refund (for farmers) was composed in the ranch home of Mr. and Mrs. Kudena.

Oliver Davis of Rochester called at the Rosa Kinsey home on Tuesday.

Saturday Mr. and Mrs. William Schooley visited Mrs. Schotley's aunt, Mrs. Nora Gouchenour in Elkhart.

Mrs. Alta Mollenhour attended a dinner in honor of her grandson, Pfc. Joseph Foster at Rochester, Sunday. He will soon

be leaving for his camp. Mr. and Mrs. Clarence Brown spent Sunday afternoon with Mr. and Mrs. Frank Scott at Palestine.

Tuesday Mrs. Robert Jones spent the day with his sister, Mrs. Henry Watkins.

THANK YOU

I wish to express my sincere thanks to the voters of Harrison Township for your support and courteous reception during the campaign. I will do all in my power to be worthy of your confidence.

Thank you very much.

DID YOU KNOW THAT

1. DEKALB CHIX were awarded the trophy for the highest livability of all entries over the last 3 years in the Central New York Random Sample Test. DeKalb Chix have OUTSTANDING LIVABILITY.
2. 253 DEKALB customers keeping 97,332 layers in the year just ending produced eggs at a feed cost of ONLY 15.2 cents per dozen. DeKalb pullets give you LOW EGG COST.
3. DEKALB CHIX swept the 1958 Neppco "Egg to Chick" show at Harrisburg, Pa. recently with 1st, 2nd, 3rd and Grand Champion Awards. DeKalb gives you more EGG and CHICK QUALITY.
4. DEKALB was given a 1st quartile ranking on all factors in the Central New York Random Sample test for each of the past 2 years, except egg size. Our egg size of 25.8 to 26 oz. per dozen is what most producers want. DeKalb Chix have greater OVER-ALL BALANCED PERFORMANCE.
5. DEKALB produced eggs on 4/10 of a lb. less feed per dozen in 1957 than the average of all entries in all Random sample tests that year. DeKalb hens will lay more EGGS on LESS FEED. Here's real feed efficiency.
6. DEKALB layers produced 233 EGGS PER HEN based on midwest farm flock records this past year. This is an average of 136,776 layers where records were kept. DeKalb has the ability to give a HIGH RATE of LAY under local climatic conditions in the midwest, the year round.

An Announcement

Starting with the 1959 Chick season, The NELSON POULTRY FARM will RAISE — HATCH — and SELL ONLY DEKALB CHIX — STARTED PULLETS — and EGGS. All other breeds and strains of chickens will be discontinued.

Facts, as shown above, plus our over 4 years first hand experience with the birds and personal observations of the vast research and production facilities of the DeKalb Agricultural Association have proven conclusively that the DEKALB "PROFIT PULET" is already a superior layer. More new developments now becoming available will assure a promising future for commercial egg producers that raise these high quality Chix.

May we suggest that you buy with confidence this year.

Mentone to Have Premiere Showing Of Far East Film

The far East Broadcasting Co., Inc., will present for the first time to a Mentone audience its sound-color film, "Voice In The Night", Thursday night at 8:00 p. m. (DST) in the main auditorium of the First Baptist Church.

It is a full length documentary record of the battle now raging in the Orient for the minds and hearts of men. The Communists carry on psychological warfare by radio with a budget of one Billion dollars per year. The Far East Broadcasting Company, Inc., counters with

its 12 powerful radio transmitters, broadcasting 20 hours per day in 36 languages.

The film shows the building and operation of these stations on the volunteer gifts of Christians everywhere. Many shocking scenes of religious rites in the Orient are recorded on the film. The Film will be introduced by Dr. Herbert J. Pugmire, director of the Bible Conference Department of the Far East Broadcasting Company, Inc.

While expanding its program to include care for those with nerve, muscle or joint disabilities, the Sister Elizabeth Kenny foundation continues to treat those who contract polio and to offer rehabilitation to the fullest extent possible to those who have been crippled by the disease in the past.

Shrine Circus Dec. 5, 6, 7

The second annual Shrine Circus under the sponsorship of the South Bend Shrine Club will show at the Palace Theatre, South Bend, Friday, Saturday and Sunday, December 5, 6 and 7. Matinee and night performance will be presented daily with an additional special children's matinee at 9:30 a. m. Saturday, December 6th. The additional performance on Saturday morning was decided on in order that all children in the Michiana area will be sure to have an opportunity to see the Shrine Circus.

The wings, curtains and other equipment will be removed from the big stage at the Palace Theatre to make ample room for the extravaganza. Representatives of Polack Bros. Circus in charge of production have assured us that ample room will be available on the Palace Theatre stage to produce a real honest-to-goodness circus with real elephants, real horses, trapeze performers, seals, clowns and everything that is necessary to give it the atmosphere of the sawdust arena.

Less fortunate youngsters throughout the area, regardless of race, color or creed, will be

given the opportunity of seeing the circus. This will be accomplished through tickets donated by Members of the South Bend Shrine Club as well as Michiana business firms, organizations and individuals. A special Committee will handle the distribution of these tickets.

A Shrine Circus Office and Headquarters for the promotion of ticket sales and other advance work in connection with the forthcoming Shrine Circus has been established at the South Bend Shrine Club Building, 107 Lincoln Way East, South Bend. More details will be announced at a later date.

Tucker Heads Civil Defense

When Mayor Engle chose Dale Tucker to head the Kosciusko County Civil Defense organization he made a very wise choice.

Having lived the greater part of his life around Mentone, Mr. Tucker is familiar with the southern part of the county. His real estate business keeps him in touch with Warsaw and the northern part of the county.

Mr. Tucker, his wife and two children live on the west shore of Winona Lake.

A veteran of World War II, Mr. Tucker has had experience in dealing with people. During the early years of the war he was a flight instructor on the West Coast. Later he flew cargo planes over the "Hump." His varied experiences in the China, India Burma Theater will be very valuable in his conduct of Civil Defense. He has seen what war with conventional weapons can do to a civilian population. He realizes that natural disasters can create the same problems with little or no warning. He believes deeply in our need for immediate preparedness.

"Many lives can be needlessly lost should we be caught unprepared," Mr. Tucker says. "Civil Defense is the greatest deterrent we could offer to any enemy," Mr. Tucker went on to say.

Although he has undertaken one of the most difficult volunteer jobs of the present time he seems not to have a care in the world. Don't let Mr. Tucker's carefree personality mislead you. He is a serious man with a determination to build a strong Civil Defense organization for Kosciusko County.

If sometime in the future you find yourself working life a good fellow for Civil Defense you have probably fallen victim to Dale Tucker's "soft sell."

**Mother Dies
In Minnesota**

Mrs. Lydia Persons, 78, mother of Rev. Milton G. Persons, pastor of the local Methodist Church, suffered a stroke Saturday afternoon, Nov. 15, which proved fatal. Her health had not been good for many years, and had been in the Samaritan Nursing Home in Rochester, Minnesota, the past two years.

Her husband, Charles E., was killed in an automobile accident in Missouri enroute to Florida the last of February five years ago. The oldest son, Orville, of near Philadelphia, Pa., died seven years ago, of a cancerous brain tumor.

She is survived by two sons: Rev. Milton G. Persons of Mentone, and Cyril of St. Charles, Minnesota, and two daughters: Mrs. Milton (Edith) Korpi of Dassel, Minnesota; and Mrs. Clifford, (Grace) Gohdes of Minneapolis, Minn.

Funeral services were held at two o'clock Tuesday afternoon in the Morvrian Church near St. Charles, Minn., and interment was made beside her husband in the Hillside Cemetery of St. Charles.

Rev. and Mrs. Persons were flown to Rockford, Ill. by "Chick" Herendeen Monday and because of bad weather, took the airlines to Rochester, Minn.

Rev. and Mrs. Persons expect to be back this week end.

LIVELY BOX CAR

Those who were driving out of Mentone on Road 19 south Tuesday evening experienced a peculiar sensation at the Mentone Lumber Company coal yard.

There was a coal car perched high over the sidewalk.

Train crews, while "spotting" a coal gondola, had one get away from them and as it hit the bumper at the end of the track, the wheel trucks were torn loose and shoved several feet toward the center of the car.

Box cars worry one enough while on the track, but when one starts across the highway where there is no track, I'm about ready to quit drinking restaurant coffee.

USING NEW BRIDGE

The first traffic moved over the Road 25 bridge at the west edge of Mentone Friday afternoon, when the State Highway crews finished it with asphalt.

**Norbert Darr
Ordained**

Mr. Norbert H. Darr, formerly of Mentone, and now the pastor of the Calvary Baptist Church of Chatsworth, Illinois, was publicly ordained to the work of the Gospel ministry on Tuesday evening, November 18th. Forty-two messengers from seventeen Baptist Churches convened at 2:00 p. m. at the call of First Baptist Church of Mentone to examine Mr. Darr as to his qualifications for the ministry. Mr. Darr read a prepared statement setting forth his "Conversion to Christ," "Call to the Gospel Ministry", and "Convictions Concerning Christian Doctrine." This was followed by a period of extensive questioning by the council members. The council then voted unanimously to recommend to the local church that they proceed with the ordination, and expressed their satisfaction with the candidate's Statement of Faith.

The First Baptist Church of Mentone, in a service held at 7:00 p. m., voted to proceed with the ordination. Sermon was delivered by service a "Charge to the Church" was given by pastor Hugh T. Hall of Elkhart; A "Charge to the Candidate" by Dr. Herman Hoyt of Grace Seminary; the Ordination Sermon was delivered by pastor Irwin L. Olson; and pastor Norbert Darr pronounced the Benediction.

First Baptist Church takes this opportunity to publicly congratulate Pastor Norbert Darr on his ordination.

New Daughter

A six pound 14 ounce daughter, Connie Sue, was born to Mr. and Mrs. Lee Edwin Norris at the Woodlawn hospital at 6:00 a. m. Nov. 12. Mother and new daughter came home Saturday.

Grandparents are Mr. and Mrs. Sam Norris, Mentone, and Mr. and Mrs. Howard Bibler, R. 5, Warsaw.

NEW EMPLOYEE AT BANK

Mr. Thomas Fugate, of Attica, Indiana, has been employed by the Farmers State Bank where he assumed his duties last Monday.

Mr. Fugate is a graduate of Purdue University and came to Mentone from the National Boulevard Bank of Chicago, where he was formerly employed.

**Christmas Seal
Sale Started**

The 52nd Annual Christmas Seal sale promoted each year by the National Tuberculosis Association and its family of some 3000 State and County Associations were launched on Friday, November 14 by each county and city association. In Kosciusko County . . . Christmas Seals will be mailed to prospective buyers from the 17 townships.

The chief project of the local association is to find the unknown and suspected cases. X-rays and Patch Testing are the methods used. Only death can completely remove a case from our files and then it is necessary to keep a follow-up on the patient's contacts, that is his family and associates.

The new drugs have also complicated the problem to a great extent. Patients are returned home much quicker than under the older methods. However, many of them must, for a period of time take the drugs at home and then all of them must take frequent check-ups to make sure the disease does not become active. Most of this is now under local supervision.

Tuberculosis is no respecter of race, creed or color. No one is immune, no one is safe as long as there are cases known or unknown in our community.

The Program of the Kosciusko Co., Tuberculosis Association is financed by the sale of Christmas Seals sent through the mails. No house to house canvassing.

On Thursday, November 13th, about 25 ladies of the 8 et 40 Auxiliary met in the office located in the Court House Basement to stuff, seal and stamp over 3000 envelopes for mailing on Friday. Tuberculosis among children is a project of the Aux., and they devote a great deal of time and energy to it.

The 1958 goal is \$6000.00 for the county. Township directors for our area are: Mrs. Olive Poulson, Etna; Mrs. David Cooper, Harrison; Mrs. Wilbur Latimer, Franklin; and Mrs. Clarence Tinkley, Seward.

**REVIVAL SERVICES
AT TIPPECANOE**

Revival services started Monday evening in the Tippecanoe Community Church, with Ross S. Rhoads as the evangelist.

Services will be held each evening at 7:30 (CST) except Saturday night, until Nov. 23.

**Metz Peterson
Dies Monday**

Metz W. Peterson, 86, died early Monday at a nursing home near Pierceton of complications and heart failure.

Mr. Peterson came to Mentone six years ago, moving here from Chicago, when he and his son-in-law built a fine duplex home just south of Mentone. He was born the son of Mr. and Mrs. Carl Peterson in 1872. He married Hilma Johnson, who preceded him in death in 1953.

Mr. Peterson was a past matron in the Andrew Wilson chapter of the Eastern Star and past master of the Syrene Lodge, of Chicago. He was scheduled to be presented with a 50-year pin next year. He attended the Warsaw Church of God after he went to live at the county home a number of years ago.

Mr. Peterson's parents fled from their home as it was destroyed in the great Chicago fire. The father buried the sewing machine, silverware, clock, etc. before fleeing to an island in the river. After the fire he had difficulty finding where he had buried his possessions.

Surviving is a daughter, Mrs. Albert McKeighan, Mentone.

The body was removed to Chicago Tuesday forenoon. Services will be held Thursday at 2 p. m. in the Starr funeral home in Chicago. Masonic services will also be held. Burial will be in the Cedar Park cemetery, Chicago. The body was taken to the Reed funeral home where it lay in state Monday evening.

ATTEND DEDICATION

A number of Mentone Masons were in Fort Wayne last Thursday afternoon and evening attending the dedication services of the new Shrine Temple. Over twenty-seven hundred were present for the banquet dinner.

Parents Of Son

Mr. and Mrs. David King of North Manchester are the parents of a boy, Jonathan David, born Nov. 10 in Wabash Co. hospital. Paternal grandparents are Mr. and Mrs. C. W. King of Wooster, Ohio, and fraternal grandparents are Mr. and Mrs. Herschel Fenstermaker of Akron. Great grandparents are Mrs. Clara Riggs and John Fenstermaker.

**Mentone
Basketball**

As Reported by Larry Teel

Mentone rebounded in fine style from their poor performance of a week ago and downed Leesburg 68-52, Friday evening.

The Bulldogs looked very good throughout the entire game against a preasing Leesburg defense.

It was a very slow game due to the 60 fouls called, 27 against the host Bulldogs.

Friday night the Bulldogs play host to Tippecanoe which has lost 2 games by a total of 5 points. This will be another tough one.

Fine Address At P. T. A.

On Wednesday, November 12, Professor Arthur Hughes gave a very enlightening talk on "What should be the requirements of our schools" at the regular meeting of the Mentone P. T. A.

Those who failed to come missed one of the best commentaries on basic school education that has been presented in this area for some time. Not only did Prof. Hughes, who is the English teacher at Culver Military Academy, stress the fact that we should return to the 3 "Rs", in our educational system but presented facts to prove it.

G. Lent, Rt. 1, Tippecanoe

Citing an example from the state of Illinois, knowing as he puts it, such things didn't happen in the state of Indiana, he read a theme that had been submitted to the university of Illinois as part of the entrance examination. This elementary test, as he called it, was used for the entrance requirements of a number of Illinois colleges and of all the high school students participating an average of 22 to 47 per cent failed. When he read the representative theme he had secured from one of the officials in Illinois, the members of our P. T. A. could well understand why.

He took note of the fact in his discussion that too much of our school time is taken up with non-essential subjects. This was bad enough, but to place even what we have in jeopardy he told of the state meeting held recently at Turkey Run, when one educator in an effort to help the highway safety program made a motion that the three year English requirements be cut to two and give another year to the driver training program.

In his closing remarks he stressed the fact that is well known to some of us, that the trend of our teaching both from an educational and social standpoint is conformity. This he stated was good for the beasts of the field as they adapted themselves to their environment and accepted without complaint their condition. However man was endowed by GOD with individuality and when this was taken away he reverted back to the animal level. Therefore, he concluded, our self preservation as a people and a nation did not depend on conformity, as many would have us believe, but in the raising up of a people who would stand as a society by virtue of their individuality and inherent right to free thought rather than

creatures of habit.

In his summation he did picture a brighter future for our schools. One example being the efforts of the Joplin, Mo., school board to group children together according to ability rather than age. Also the recent emphasis in many schools to give the average and above average child greater opportunities to advance.

Burket Busters Meet

The Burket Busters 4-H Club met on November 12, 1958 at the Burket Gym.

The meeting was called to order by Bob Hauptert.

Ronnie Swick gave the 4-H pledge. Eldon Swick gave the American pledge.

Roll Call was answered by 13 members. Eldon Swick gave the Secretary's report.

Danny Newton led the group in singing a few songs.

John Scott gave a Health and Safety lesson.

It was decided that there would be an officer meeting to make out programs for "58 & 59".

It was also decided to have a Christmas party at our next meeting. The meeting was then adjourned.

Beaver Dam High School News

By Sherry Babcock

Tomorrow evening the Beavers will play Leesburg at Leesburg. Good Luck Boys!

Tonight the Junior High will play Silver Lake here at Beaver Dam. Good Luck Boys!

Tomorrow will be the end of the 2nd grading period. The grade cards will be distributed next Tuesday evening.

Our November P. T. A. meeting was held last evening at the Beaver Dam School.

The County Choral Festival was held last Sunday afternoon at the Mentone High School Gym. The Beaver Dam mixed chorus participated. All the people that were there surely had a good program.

Next Monday evening our Jr. High will play Talma at Talma at 6:30 CST.

Thanksgiving vacation will be next Thursday and Friday. Everyone is looking forward to the vacation.

Next Wednesday evening the Beavers will play Talma at Talma. The 2nd team game will start at 6:30 CST.

Courteous driving on the highways is a virtue some people expect others to have.

How to Store Sweet Potatoes

Gardeners who have been disappointed in their attempts to store sweet potatoes may have tried to handle them like other root crops.

Sweet potatoes are a warm season crop, says W. B. Ward, Purdue University horticulturist.

Sweet potatoes should be well cured before storage, Ward explains. This can be done easily by placing the harvested roots in a well-ventilated place where temperatures are fairly high. For best results the temperature should be around 80 to 85 degrees and should be held in that range for 10 to 15 days. The horticulturist suggests that the home gardener cure the potatoes in a place where the temperature will approach these temperatures.

Following the curing period, the sweet potatoes should be stored at a temperature of about 50 degrees and humidity between 75 and 80 percent. During the storage period the sweet potatoes should not be handled or moved until time for use or sale. Storage temperatures below 50 degrees usually will favor decay.

Taking advantage of a raft of friends is the only thing that keeps some people afloat.

Sorority Inspection Dinner Held

Mrs. John Moriarty, of Fort Wayne, and Philanthropic chairman of Grand Council, was inspecting officer of Beta Epsilon Chapter dinner, held Tuesday evening at the Westminster Hotel. Attractive flower arrangements, candlelight, and favors were in blue and gold, the sorority colors.

Mrs. Moriarty met with the officers preceding the dinner. The regular business meeting was conducted by Mrs. Kenneth Simcoe, after which Mrs. Moriarty spoke on the history, meaning and aims of the Psi Iota Xi Sorority, naming some of the "firsts" of the organization.

Mrs. Forrest Miner was named to select Christmas gifts for the state school in Fort Wayne. Mrs. Dale Cook, Mrs. Arthur Kendall and Mrs. Joe Boggs were appointed by the president to select gifts for the shut-ins of the community.

The Decoration Committee for the Inspection dinner were: Mrs. Lee Ernberger, chairman; Mrs. William Hudson, Jr., Mrs. Richard Dickerhoff and Mrs. Don Ernberger.

Place cards in the shape of the Sorority Pins were for the following: Mrs. Richard Dickerhoff, Mrs. Forrest Miner, Mrs. Kent

Riner, Mrs. William Hudson, Jr., Mrs. Curtis Riner, Mrs. Don Ernberger, Mrs. Ralph Ward, Mrs. Lee Ernberger, Miss Annabelle Mentzer, Mrs. Lyman Mollenhour, Mrs. Joe Boggs, Mrs. Jean Pritchard, Mrs. Hyron Doran, Mrs. Iris Anderson, Mrs. Mervin Jones, Mrs. Cecil Long, Mrs. Arthur Kendall, Mrs. Elery Nellans, Mrs. Dale Cook, Mrs. Kenneth Simcoe, Mrs. Mott Bryan, and Mrs. Harold Utter.

CARE Launches Food Crusade

With the help of the American people, CARE plans to distribute 3,000,000 special Food Crusade packages to hungry men, women and children, in Europe, Latin America, Asia and the Middle East in the coming winter months.

Each package contains about 22 pounds of U. S. surplus food, and one dollar contributed to CARE pays the packing, handling and distribution costs. At this rate, \$100 will deliver ONE TON of food to the hungry in other lands. Because the food is given free by the U. S. Government, these packages cannot be sent to designated persons, but are distributed

ed to the neediest families and groups.

Two-thirds of the world's people are underfed, U. N. surveys show. Lack of land, of tools, of farming knowledge are the basic causes. Wars, aggression, disasters multiply the hunger. Today as never before, nations are striving to increase food production . . . meanwhile, millions of people never get enough to eat.

In contrast is the good fortune of America, whose farmers have produced the greatest national abundance in world history. CARE Food Crusade calls to all Americans to join in putting these surplus foods to use, to help feed the hungry and build good will for the United States.

CARE assembled U. S. surplus foods in individual packages whose contents and weights vary according to country needs for the available commodities. These packages are distributed to the neediest families and institutions in: Colombia, Egypt (Port Said), Greece, Hong Kong, India, Iran, Israel, Italy, Korea, Macau, Pakistan, Poland, West Germany and Berlin, and Yugoslavia. A typical package weighs 22 lbs. —5 lbs. flour, 5 lbs. milk powder (makes 20 qts.), 5 lbs. corn meal, and 7 lbs. cheese—and can be sent abroad for only \$1.00.

Join the Food Crusade TODAY, by sending your dollars to: CARE, Chicago.

Named Rural Youth Head

Meredith Speicher, Wabash county young farmer, was elected president of the Indiana Rural Youth clubs at their annual convention held in the Murat Temple, Indianapolis, Nov. 12. Other officers named are: Miss Doris Irvin, Henry county, first vice-president; David Warner, Fulton county, second vice-president; Miss Clara Biggs, Jasper county, secretary; and Miss Sally McCullough, Adams county, as treasurer.

The Indiana Farmers Guide presented cash awards to county clubs having the best news letters. The three top ones were: Marshall, Jackson and Hancock counties.

Local News

Mrs. Allie Lyon of Attica, called on Mrs. Edith Rose Tuesday.

Mr. and Mrs. C. O. Eiler returned Saturday afternoon, from several days spent in northern Ohio attending the funeral of Charles Eiler, of Findlay, Ohio, a cousin of Mr. Eiler, on Tuesday of last week.

They visited at the homes of Mr. and Mrs. Don Bussey of Akron, Ohio and Mr. and Mrs. Leonard Eiler of Pemkerville, Ohio during their trip.

Thanks, Everyone

I sincerely appreciate the fine support the voters of Franklin Township gave me in the recent election.

It is my desire to perform the duties of trustee for the best interests of the school, patrons and taxpayers.

War Mothers Hold Meeting

Mothers of World War II, Mentone Unit 106, met at the home of Marie Coleman Monday evening, November 10.

The meeting was called to order by presenting of the Flag, pledging Allegiance, singing one verse of the Star Spangled Banner and prayer by the Chaplain. All reports were read and accepted. All bills were allowed. The unit will pack overseas boxes Monday evening, November 17th at the home of Myrtle Davis.

Our Christmas meeting will be held at the home of Ethel Whetstone, with a carry-in Supper and gift exchange. The nominating committee composed of Ethel Wagner, Maude Romine and Ethel Whetstone are to report at the December meeting. The District meeting was announced for November 20th, at Galveston.

Final arrangements were made for a bake sale Saturday, November 22nd.

Birthday donations were presented by Julia Smith, Belle Morrison, Ethel Wagner, Dora Norris, Emma Cook and Elnora Coplen.

The charter was draped for our departed member, Mrs. Ellen Stanford. A tribute to the flag

was read by Dora Whetstone. The meeting closed with the usual ceremony. The hostess served lovely refreshments to the 17 members and one guest present.

THANK YOU

I wish to thank everyone who remembered me with flowers, cards and their prayers during my illness and stay in the hospital. Also those who sent birthday cards for my 85th birthday. Your kindness will never be forgotten.

D. A. R. Entertains Ladies From Nearby Chapters

On Wednesday evening, November 12th at 7:00 o'clock (DST) dinner was served in the Methodist Church basement when The Anthony Nigo Chapter D. A. R. of Mentone entertained the Manitou Chapter of Rochester, The Tippecanoe River Chapter of Bourbon and other guests. It was a festive occasion due to the fact that our State Regent, Mrs. John G. Biel, was guest speaker.

Mrs. Eldred Paulus, Regent of the Anthony Nigo Chapter, was in charge of the meeting, opening with our ritualistic service, followed by the pledge to the flag and singing of the first and fourth stanzas of "The Star Spangled Banner." Mrs. Ray Linn gave the welcome in verse form. Mrs. Arthur Brown gave a short talk on one of our freedoms—"Freedom to Worship God." She reminded us that our Pilgrim fathers came to America seeking freedom of worship and closed with this verse:

Oh call it holy ground,
The soil where first they trod.
They left unstained, where they found

"Freedom to Worship God."

Mr. and Mrs. Morris K. White of Crystal Lake furnished music throughout the evening. Mr. White at the piano and Mrs. White on the violin. Two special numbers were: Humoresque by Dvorak and Lebesfreud by Kreisler.

NOTICE TO TAXPAYERS OF ADDITIONAL APPROPRIATIONS

Notice is hereby given the taxpayers of Seward Township, Kosciusko County, Indiana, that the proper legal officers of said municipality at their regular meeting place, on the 9th day of December, 1958, will consider the following additional appropriations which said officers consider necessary to meet the extraordinary emergency existing at this time.

Tuition Fund

No. 29 School Transfers\$500.00

Special School Fund

No. 23 Purchase of School

Bus\$1000.00

Taxpayers appearing at such meeting shall have a right to be heard thereon. The additional appropriation as finally made will be automatically referred to the State Board of Tax Commissioners, which Board will hold a further hearing within fifteen days at the County Auditor's office of Kosciusko County, Indiana, or at such other place as may be designated. At such hearing taxpayers objecting to any of such additional appropriations may be heard and interested taxpayers may inquire of the County Auditor when and where such hearing will be held.

Mrs. Lawrence Quenin, state chairman of Press relations; Mrs. Ray Linn, State Program Chairman; Mrs. Glenn Highly, State Chairman of Scrap Book; Mrs. Frank D. Smith, Northern Indiana District Director; Mrs. F. R. Burns, Past Vice President General and Honorary State Regent; Mrs. John Garlin Biel, State Regent; Mrs. Eldred Paulus, Chapter Regent of the Anthony Nigo Chapter.

Mrs. Paulus introduced her guests, state chairmen and officers, as follows:

Mrs. Reuben Schied, regent of Manitou chapter; Mrs. Paul Hamlin, regent of Tippecanoe River Chapter; Mrs. Ray Linn, state chairman of program, of Mentone; Mrs. Glen Highly, state scrap-book chairman, R. 1, Marion; Mrs. Lawrence Guenin, state press relations chairman, R. 1, LaFontaine; Mrs. Frank D. Smith, northern district director, Mentone; Mrs. F. R. Burns, past vice President General and Honorary State Regent from North Manchester, and our honored guest, Mrs. John G. Biel, State Regent from Terre Haute.

Mrs. Biel gave an informative address and emphasized our need to be informed on National Defense. She asked each National Defense Chapter Chairman to bring before her Chapter the material sent to her, thereby acquainting delegates sent to Continental Congress with the issues

concerning the proposed Resolutions.

Mrs. Arthur Brown gave the highlights of The Mayflower Story, a sound movie in color, which followed. The meeting was adjourned with the singing of "On The Banks Of The Wabash." A Social hour followed when punch, cookies, candies and mints were served from a beautifully appointed table. The Center-piece consisted of a low, handled, oblong bronze bowl with a cover made of blown glass colored fruits. The bowl reclined on a bronze (handled) mirror tray and was flanked on each side with matching candle holders. The set was electrified. Off center was a pair of old iron scales with brass pan which held grapes in 3 different colors, apples, pears, etc. Mrs. Eldred Paulus, Mrs. Ray Linn, Mrs. Ernest Igo, Mrs. Arthur Brown and Mrs. Dale Cook, our Chapter vice regent, were hostesses and furnished all decorations. They used the fol-

lowing on the dinner tables: The center-piece at the head table consisted of a ship, replica of the Mayflower, made from an oblong, tiger-striped maple butter bowl with a couple of Pilgrims standing on deck. Mrs. Roger Goodman was the ship builder. At each end of the ship was a tall brass candle holder holding a brown ridged candle. Nut cups at each place were brown or orange colored cornucopias while large brass cornucopias overflowing with gourds, bittersweet, gilded nuts, fruits, etc. were in the center of the side tables and the end tables. Brass and copper ladies placed on the tables were conversation pieces. Fall flowers in brass and copper containers, Indian corn and bittersweet was placed around the room to complete the atmosphere.

Members attending from the Tippecanoe River Chapter were: Mrs. Paul Hamlin, Regent; Miss Mary Pribley, Mrs. Ralph Mason, Mrs. Clyde Berkeypile, Mrs. Fred Hall, Mrs. Ladoit Severns, Mrs. Wayne Rittenhouse, Mrs. Russel Yontz, Miss Elizabeth Parks.

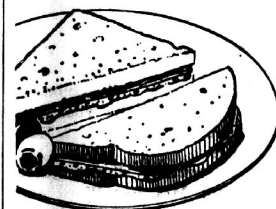

Members from The Manitou Chapter were: Mrs. Reuben Schied, Regent; Mrs. Fred Mitchell, Mrs. Murray McCarty, Mrs. Walter Mason, Mrs. A. E. Stinson, Mrs. Daniel Kelley, Mrs. Lucille Leonard, Mrs. Leonard Gaumer, Mrs. Harold Carruthers, Mary E. Bransford, Mrs. Ernest Bryant, Mrs. Carl Van Trump, Mrs. Merle Galbreath, Mrs. Edward Shadle.

Guests attending from Rochester were: Mrs. James Coplen, Mrs. C. L. Richardson, Mrs. Lawrence Seiwert.

DID YOU KNOW THAT

The Southern States, America's newest poultry producing area, are about ready to present a real serious challenge to the midwest poultryman's old established markets, as they are now doing in broilers.

A large percentage of these southern egg producers are raising the DEKALB PROFIT PULLET: — why not take a MOMENT and read what J. Wesley Harris, box 186, Cartersville, Georgia has to say:

"The Sugar Valley Poultry Farm is an 18,000 layer operation using floor houses. 14,000 of my layers at this time are DeKalb. 4,000 are of another kind. In this comparison, I've found DeKalb superior in livability, egg production, egg size and shell texture. My eggs are cartoned and sold to large chain food stores. Eggs from DeKalb layers have shown exceptional consistency of quality.

"One house of 1500 DeKalb layers finished 17 months of production this month. They peaked at 92% and none of these birds were culled out. Recent production was 52%.

"My replacements of 6,000 DeKalb Chix came into production about a month ago with practically no pee wees. They reached peak production of 84-86% thirty days later.

"I am both satisfied and pleased with the performance of DeKalb layers and have set up replacement schedules that will make my operation 100% DeKalb next year."

May we suggest that you meet this competition by ordering DEKALB.

Grandson Dies

Bryan Eugene, infant son of Robert and Barbara Kesler Buell, R. 1, Culver, died at birth Friday in the Woodlawn hospital at Rochester.

Also surviving are the grandparents, Mr. and Mrs. Ninian Kesler, R. 3, Rochester, and Mr. and Mrs. Rufus Buell, Fremont, Ky.

Prayer services were held at two p. m. Saturday in the Foster and Good funeral home, Rochester with Rev. Paul Steele of Kewanee, officiating. Burial was in the Mentone cemetery.

Will Celebrate
Golden Wedding

Mr. and Mrs. Marion Guy, pictured in the photo below, will celebrate their fiftieth wedding anniversary by holding open house from two to four (CDT) on Sunday afternoon, November 30, at their home near Palestine.

Mr. Guy is a farmer and he and his wife have resided in this county nearly all of their married life.

Mrs. Guy was the former Bertha Kuhn, daughter of Wm. and Martha (Skinner) Kuhn. Her husband's parents were Henry and Elmina (Clase) Guy.

Mrs. Guy is 74 years of age and her husband is 70. They were united in marriage by Rev. Isaac Beebe of Warsaw Nov. 29, 1908.

Missionary
To Speak Here

The Mentone church of Christ has invited David Lavender to give a report of missionary activities of churches of Christ in Italy. This service will be Friday night at 8 p. m. (CDT). Lavender, after spending a few years in Italy, will tell of his work and the work of others with the church of Christ in Trieste, Italy.

The public is cordially invited to attend this service, and to hear of some of the work which has been done there, and also to learn of some of the problems facing missionaries in this predominately Catholic country.

GUEST SPEAKER AT
THE CHURCH OF CHRIST

Paul M. Hosse, the minister of the LaGrange church of Christ, will be the guest speaker at the Mentone church of Christ the next two Sundays, both morning and evening.

Ralph Burris, the regular minister of the church, will be engaged in a series of meetings with the LaGrange church, beginning November 30 and continuing through December 7.

A cordial invitation is extended to the public to hear Mr. Hosse the next two Sundays, and to attend any of the services of the church of Christ, where a friendly welcome awaits all.

Mentone
Basketball

As Reported by Larry Teel

Mentone added its third victory of the season together with one loss, as they downed Tippecanoe 71-50 on the Mentone floor.

The game was very close for about the first ten or twelve minutes and then Mentone's superior height and scoring punch took charge and as the first half ended the Bulldogs had a commanding lead.

The Bulldogs play host to Argos on Wednesday, November 26th, in what promises to be a very close, hard fought game.

Next Tuesday LaPaz challenges the Bulldogs in the Plymouth gym and then Friday Syracuse journeys to Mentone for another match.

If the Bulldogs salvage two of these three games they are doing alright.

HELP FIGHT T B

D.A.R. to Sponsor
Good Citizen
Contest

The Anthony Nigo Chapter, D. A. R. is again sponsoring the Good Citizens Contest in the schools in the Southern portion of Kosciusko County. Mrs. Miles Manwaring, local chairman, announces that again the principals and faculties in these seven schools have participated 100 per cent.

The following senior girls have been chosen by their classmates and faculty to represent their schools as the outstanding citizen in their respective classes: Judy Haney, Atwood; Margaret Baugher, Beaver Dam; Betty Rose Spradlin, Claypool; Mary Gawthrop, Etna Green; Mary Belle Mellott, Mentone; Phyllis Haney, Sidney; Linda Walther, Silver Lake.

Judges will select a winner from the answers submitted by each of the seven contestants, to the 1958-1959 questionnaires. The winning paper will be sent to the state chairman and be eligible for competition with other county winners. A \$100 Series E Bond will be given to the state winner.

Last year 602 schools in the State of Indiana selected a Good Citizen.

HOME FROM HOSPITAL

Miles Manwaring was returned to his home here Tuesday after spending about 25 days in the Woodlawn hospital at Rochester where he was taken after suffering a heart seizure. He is not bedfast, and is progressing satisfactorily towards recovery. However, visits by friends should be for only short periods.

AT HOME

Don, the two-year-old son of Mr. and Mrs. Richard Dickerhoff, was returned to his home here Sunday after spending two days in the Woodlawn hospital at Rochester. He became ill quite suddenly with a bronchial infection that made breathing difficult. His recovery was nearly as rapid as the attack of illness.

A REMINDER

Those wishing to give gifts for the mental health patients in the Fort Wayne hospital may do so by bringing them to the Mentone Library this week. The gifts will be picked up Monday for delivery to the hospital.

Beaver Dam High
School News

By Sherry Babcock

The Beavers first team defeated Leesburg last Friday night. The score was 61 to 59. It was a thrilling game and the Beavers now have a 3 to 0 rating.

The Beavers B team got beat by Leesburg. The score was 30 to 21.

Next Thursday evening after school the Junior high will be host to Milford.

On Friday evening of next week Claypool will play here at Beaver Dam. The B- team game will begin at 6:30 CST.

Yesterday the students drew names for their Christmas exchange at school.

Tuesday morning Rev. Yeager of the Silver Creek Church of God spoke to the students in the lower six grades. Yesterday afternoon Rev. Yeager spoke to the students in the upper six grades.

Thursday and Friday of last week Mr. Whitmore, our music teacher, attended a Music Conference at Indianapolis.

P. T. A. PENNY SUPPER
WELL ATTENDED

The P. T. A. penny supper held Saturday evening at the Mentone High school cafeteria was a high success according to reports from Denton Abbey, President. The supper committee estimates 310 people were fed, and very little food was left over.

Agnes Rans' famous chicken pies were the main dish of the evening and were enjoyed by all.

The diners were entertained during the evening meal by the Taylor Quartet assisted by Gerard Pisani at the piano. The quartet had been holding revival meetings in the Methodist church during the week end.

Mr. Abbey and the supper committee would like to take this opportunity to thank all of those who helped or contributed in any way. Also a big thanks to those nice people who made the evening such a success by their presence.

Pink and Blue Shower

Mrs. Dean McIntyre of Elkhart was the Guest of Honor at a pink and blue shower held on November 14th at the home of Mrs. Earl Yeiter of Warsaw.

Contests were enjoyed with the winners being Mrs. Roy Benson and Mrs. Junior Emmons. They presented the prizes to the honored guest. The rest of the evening was spent socially.

Dainty refreshments were served to the following guests: Mrs. Dana Starr, Mrs. Oral Welch, Mrs. Rodney Gibble and Miss Donnagene Dillman of Mentone, Mrs. Phillip Blue, Mrs. Quentin Lantz and Mrs. Burdell Blackburn of Warsaw; Mrs. Floyd Nicodemus of Bourbon, Mrs. Roy Benson of Indianapolis and Mrs. Junior Emmons of Lafayette.

Those sending gifts but were unable to attend were: Mrs. Loy-al Weed, Mrs. Victor Lantz, Miss Donna Coplen and Miss Barbara King.

Cold Weather Auto Hints

The approach of cold weather means a car-starting problem for many motorists.

The Motor Club says the best assurance for prompt starting is to make certain your car is thoroughly conditioned for winter driving. The club also offers the following suggestions:

1. Don't grind your starter. Most motorists are unaware that continuous use of the starter for periods exceeding 30 to 45 seconds is detrimental to the battery. Best procedure is to make repeated attempts, allowing for 30 to 60 second rest periods for the battery between tries. After it starts, warm up the motor by letting it idle for several minutes. Never race a cold motor.

2. Avoid constant pumping of the accelerator when the starter is engaged. This results in flooding the engine, causing difficult starting and heavy battery strain. If the engine is flooded, always allow several minutes to elapse before attempting to start your car again.

3. To keep your gas line from freezing, add 8 ounces of grain alcohol or approved commercial equivalent to every other full tank of gasoline.

4. When starting in traffic, put car in neutral and step on the accelerator to keep your battery from discharging. This is especially important during the winter months, become much of your driving is done with lights, windshield wipers, defroster, radio, and heater functioning simultaneously—all combining to put a severe strain on your car battery.

A great many people never worry about the future until it becomes a part of the past.

Celebrated 9th Anniversary

The Merry Mollys Home Demonstration Club celebrated their ninth anniversary Monday evening at "Shoris" at Plymouth with a delicious ham supper. The tables were beautifully decorated in keeping with Thanksgiving.

Those attending were Mrs. Jerry Hudson, Mrs. Robert Hibschan, Mrs. Clayton Holloway, Mrs. Herschel McGowen, Mrs. LaMar Leffert, Mrs. Al Runnells, Mrs. Dale McGowen, Mrs. Glen Mellott, Mrs. Glen Puterbaugh, Mrs. Harold Horn, Mrs. Eugene Sarber, Mrs. Marion Smith, Mrs. Dean Meyer and Mrs. Donald Bennett.

D. A. R. News

Mrs. Frank D. Smith, Northern District Director, D. A. R., Mrs. Glenn Clauss and Mrs. Ray Linn from The Anthony Nigo Chapter, D. A. R., of Mentone, were recent guests of the Wythongan Chapter at Plymouth. Mrs. Smith gave a very informative talk at this time.

Mrs. Esther Schlemmer, from Bremen, is the very capable Regent of The Wythongan Chapter.

Junior Auxiliary Meets

Twelve Junior Auxiliary members met at the Legion Home Saturday, Nov. 22nd, and elected the following officers: Pres. Glenda Seerist, Vice Pres. Cynthia Baker, Secretary Ellen Seerist, Treasurer Linda Bowerman, Chaplain Diane Igo, Pianist Jenny Lou Hudson, assistant pianist, Susan Shirey.

The president lead the group in the pledge of allegiance to the flag after which they sang "America". Each member told what they were thankful for.

Ice cream bars were served and the group dismissed with prayer by the chaplain, Diane Igo.

All Legion Auxiliary members are urged to see that their girls attend these meetings and if transportation is desired, please contact the leaders, Mrs. Ned Igo, Mrs. Bill Boardman or Mrs. Don Ernsberger.

There will be a Christmas party in December. The date will be announced in the paper.

Water enters drain tile lines through the open joint left between tile. Purdue University agricultural engineers point out. Porous concrete, clay or shale drain tile are of poor quality.

Flocks with three eight-foot long feed troughs per 100 hens can be expected to average about five percent more eggs than flocks with only half that amount of feeder space, according to Purdue University poultry specialists.

Crown rust resistance in Clinton and Bentland oats was worth 3½ million dollars to Indiana farmers last year, according to Purdue University agronomists.

Fire Losses Can Be Reduced

Suitable fire extinguishers effectively located are the first line of defense against farm fires.

Every farm should be equipped with suitable, practical hand extinguishers, well located and properly maintained, says F. R. Wilsey, Purdue University farm safety specialist.

The proper number and location of fire extinguishers is a matter of judgment, but the farm home kitchen is a daily source of fire hazards, Wilsey reminds. A fire extinguisher for the kitchen, then, is essential. A dry chemical type affords protection against any type of fire which might occur in the kitchen. Extinguishers should also be provided for other areas in the farm home, and the location should be determined by the accessibility from other areas in the home.

"Extinguishers should be located at accessible positions in farm buildings and work areas as well as in the home," Wilsey points out. "The farm shop normally has a great number of potential fire hazards, and a fire extinguisher should be standard equipment."

"Tractors and self-propelled farm equipment should all be provided with a hand extinguisher, dry chemical type, conveniently located and within reach of the operator. Many serious fires which occur in field operations can be averted and costly equipment saved with fire extinguishers on hand. Also check the farm truck and the family automobile. If these vehicles are not provided with fire extinguishers, it might be a good investment to install them immediately."

Water is still the most practical extinguishing material for use on class A fires which include hay, straw, trash, paper, grass, curtains, etc.

Purchased animals for the dairy herd should come from healthy herds, remind Purdue University dairy scientists. Newly purchased animals should be isolated for at least 30 days in order to determine whether they will develop any diseases that might spread to the established herd.

Alcoholics Increase With Consumption

Hard drinking states still have the largest number of alcoholics and states with low consumption figures show lower rates of alcoholism.

These facts are illustrated by two tables developed by the Yale University Center of Alcohol Studies. Among the top ten states in per capita consumption are seven which rank in the top ten in rates of alcoholism.

For instance, Nevada ranks first on a per capita consumption basis and has 4,850 alcoholics per 100,000 population—ranking 9th in alcoholism.

New Jersey ranks fourth in consumption and second in number of alcoholics. Connecticut holds second place in per capita consumption and sixth in alcoholism. New Hampshire and New York rank seventh and eighth respectively in consumption with alcoholism rates of third and fourth.

Of the ten states having the lowest rates of alcoholism, seven also rank lowest on a per capita consumption basis. The only state ranking the same in both per capita consumption and rates of alcoholism is Kansas—holding 39th place.

Indiana rates 23rd in Alcoholics with 108,500 in 1955 and is listed 32nd in consumption.

THANK YOU

Rodent Control

Farmers should not overlook rodent control as one of the chores involved in corn storage, says G. C. Oederkirk, Purdue University rodent control specialist.

mer homes in fields and a long ahead, the rats and mice have started moving from their summer homes in fields and long fence rows into the security of farm buildings.

With the corn crop in the crib, the rodents need only to dig in and make their homes close to their food supply. Poisoned baits should be set out now to welcome the migrating rodents. A continuous supply of fresh bait needs to be exposed at 12 to 20 places around the average farmstead.

Anticoagulant poisons such as warfarin, pival, or fumarin are recommended as they are the least likely to cause injury to animals other than rats. Home-mixed baits are very well accepted by rats and mice and can be made by mixing 85 percent cracked corn, five percent salad oil, five percent sugar and five percent of the anticoagulant poison.

Rat and mouse harbor removal should go hand-in-hand with a poisoned bait treatment. By cleaning out or removing places where rats and mice stay, a farmer can do much to discourage rodents.

A reputation cannot be built on the things you intend to do.

More Tractor Tire Mileage

Getting extra service from farm tractor tires depends on the operator, C. L. Hill, Purdue University agricultural engineer, points out.

Tractor tires will have a maximum life, he adds, if the operator will:

Check inflation pressure regularly.

Use wheel weights to reduce slippage, and

Drive carefully, avoiding large, sharp objects.

Hill suggests that tire inflation should be checked every two weeks with a gauge. Rear tires are most commonly found underinflated, while front tires are of-

ten overinflated. The recommended pressure for rear tires has been increased from 12 to 14 pounds for most tractors because of increased horsepower.

Reducing slippage decreases tire wear and saves fuel and field time; slippage exceeding 15 percent is considered excessive. Hill says adding 200 pounds to the tractor usually increases the tractor's ability to pull by 100 pounds.

Don't Fall For Faulty Alarms

Latest wrinkle in the door-to-door sales gyps, warn the editors of Changing Times, the Kiplinger Magazine, are certain kinds of fire extinguishers in cans and fire alarms operated by wind-up springs, flashlight batteries or house current.

The alarms operated are to be installed near a furnace or other potential fire hazard. A whistle or buzzer is supposed to sound when a blaze breaks out. Warn the experts: Don't depend on them either to detect a fire or to give you ample warning in time to get your family out.

The "beer-can type" extinguisher often contains less than a pint of liquid or 12 to 16 ounces of dry chemical. They are usually ineffectual, have poor range, and don't contain enough chemical to extinguish a blaze. Some may even spread a fire rather than stop it.

Look for an "FM" (Factory Mutual) or "UL" (Underwriters' Laboratories) on the label of the extinguisher or alarm. These symbols indicate the product conforms to specified safety standards. If in doubt, check with your local fire department about what you should buy.

To Donate Corn To CROP Project

The drive for contributions of corn in Kosciusko County for the Christian Rural Overseas Program will be held the week of November 24 - 29. The County committee is requesting that farmers donate one bushel of each thousand they have harvested this year to the program.

CROP is a program of the World Council of Churches which includes 35 Protestant denominations. Its purpose is to collect cash or commodities for distribution to destitute areas of the world. This distribution is made by representatives of the denominations participating. It is one of this nation's most effective programs.

In the past ten years, CROP

has provided more than 160,000 tons of food to refugees and other destitute persons in all parts of the world. The drive this year is for corn to be processed into corn oil for distribution to eight critical food shortage areas, many of which are in need due only because of their taking in refugees from Communist countries.

Contributions may be made by contacting township CROP chairmen or by notifying local ministers who will inform the chairmen. Contributions of corn can be made directly to the Kosciusko County Farm Bureau Co-Op.

It is also possible to sell corn

and have the elevator make checks directly to CROP. Checks may be delivered to James Turner, Treasurer, Lake City Bank or to D. E. Frantz, County Agricultural Agent. Committeemen Harry Mishler, North Manchester, R. 1, and Lee Cory, Milford, R. 1, will assist those desiring to contribute corn to the CROP this year.

The man with money to burn is usually the kind who keeps up the payments on his fire insurance.

People who aim to please don't have to take time out for target practice.

The 4-door 9-passenger Kingswood with rear-facing back seat and automatic rear window

Be our guest for a pleasure test . . .

THIS IS THE ONE FOR WAGONS! 1959 CHEVY

Chevrolet's five stunning new station wagons for '59 are shaped to the new American taste with fresh, fine Slimline design. And they're beautifully practical—with roomier, quieter Bodies by Fisher, an even smoother ride, new ease of handling!

Wagons were never more beautiful or dutiful. From low-set headlights to wing-shaped tailgate, these '59 Chevrolets are as sweet looking as anything on wheels. They're just about the handiest things on wheels, too—from their overhead-curving windshield to their longer, wider load platform. Besides additional cargo space, you also get added seating room (4 inches more in front, over 3 inches in back). And you'll find such other practical advantages as new easy-ratio steer-

ing, Safety Plate Glass all around, bigger, safer brakes, smoother-than-ever Full Coil suspension and a roll-down rear window (electrically operated as standard equipment on the 9-passenger Kingswood). Your dealer's waiting now with all the details on why this year—more than ever—Chevy's the one for wagons.

CARD OF THANKS

May I in this manner extend a gesture of thanks and appreciation for the many expressions of friendship and kindly interest which were tendered to and received by myself, by cards, flowers, calls, visits and prayers, during my time in the hospital, and the convalescent home.

MRS. JULIA E. CREAKBAUM

Animal scientists at Purdue University say that special care at farrowing time is important. On cool days and nights sows should be moved into the farrowing house by the 110th day of gestation. Drying the pigs off at farrowing time may prevent chilling. A heat lamp or other heat and light sources for the pigs are suggested.

As a result of the wet summer, many lawns are heavily infested with dandelions and weeds. Thus early spring weed control will be more necessary than usual, according to Purdue University turf specialists.

Walnuts, butternuts and heart nuts should be hulled and washed as soon as they are ripe to prevent the stain from discoloring the kernel, Purdue University horticulturists assert.

Seward Twp. Farm Bureau

Seward township Farm Bureau members honored the township's 4-H Club members and their parents with a ham supper at their November meeting at the Burket gym.

After the meal the assistant Co. agent, Mr. Hart spoke briefly in behalf of the Burket boys' Club. Club members led in the 4-H pledge and the Pledge to the Flag. Devotions were given by Perry Hathaway and prayer was given by Jerry Newton, members of the Burket Busters Club.

Several sociable songs were sung by the group, with Mrs. Nelson at the piano and Martha Nelson leading. These were followed by recognition of the

members of the 4-H clubs, their leaders and their parents.

Betty Clark and Cathy Surface of the Jolly Franklinites sang "His Hands" and Karen Heckaman of the same Club gave a reading, "Doing Your Best." Mrs. Hurst accompanied the Burket Cheerio girls as they sang "Do Lord" and "America, the Beautiful." Mr. Thompson presented pins to the Burket Busters Club, Mrs. Heckaman to the Jolly Franklinites, and Mrs. Newton to the Burket Cheerios.

Arlis Thompson, representing the Burket Cheerios, presented a gift of appreciation to Mrs. Hathaway, assistant leader for the past two years. Mrs. Jamison in behalf of the three home demonstration clubs in the township, presented gifts to all the leaders and their assistants. Their part of the program closed with

a piano solo by Vivian Hurst of the Burket Cheerios.

Farm Bureau chairman, Mr. Murphy, then took charge. The secretary's report was read and approved. He asked for volunteers for Pet and Hobby leader since the one elected had resigned. He appealed to some piano player to be present at the meetings.

There is a conflict on the usual date for the December meeting so the time was set for December 18th.

The S & E leader read an invitation from The Harrison Twp. F. B. for our members to attend their meeting at Mentone on Nov. 26 to see slides taken on a trip to Russia.

The S & E leader called a committee meeting at her home Nov. 24, and the meeting adjourned.

DID YOU KNOW THAT

1. DEKALB CHIX were awarded the trophy for the highest livability of all entries over the last 3 years in the Central New York Random Sample Test. DeKalb Chix have OUTSTANDING LIVABILITY.
2. 253 DEKALB customers keeping 97,332 layers in the year just ending produced eggs at a feed cost of ONLY 15.2 cents per dozen. DeKalb pullets give you LOW EGG COST.
3. DEKALB CHIX swept the 1958 Neppco "Egg to Chick" show at Harrisburg, Pa. recently with 1st, 2nd, 3rd and Grand Champion Awards. DeKalb gives you more EGG and CHICK QUALITY.
4. DEKALB was given a 1st quartile ranking on all factors in the Central New York Random Sample test for each of the past 2 years, except egg size. Our egg size of 25.8 to 26 oz. per dozen is what most producers want. DeKalb Chix have greater OVER-ALL BALANCED PERFORMANCE.
5. DEKALB produced eggs on 4/10 of a lb. less feed per dozen in 1957 than the average of all entries in all Random sample tests that year. DeKalb hens will lay more EGGS on LESS FEED. Here's real feed efficiency.
6. DEKALB layers produced 233 EGGS PER HEN based on midwest farm flock records this past year. This is an average of 136,776 layers where records were kept. DeKalb has the ability to give a HIGH RATE of LAY under local climatic conditions in the midwest, the year round.

An Announcement

Starting with the 1959 Chick season, The NELSON POULTRY FARM will RAISE — HATCH — and SELL ONLY DEKALB CHIX — STARTED PULLETS — and EGGS. All other breeds and strains of chickens will be discontinued.

Facts, as shown above, plus our over 4 years first hand experience with the birds and personal observations of the vast research and production facilities of the DeKalb Agricultural Association have proven conclusively that the DEKALB "PROFIT PULET" is already a superior layer. More new developments now becoming available will assure a promising future for commercial egg producers that raise these high quality Chix.

May we suggest that you buy with confidence this year.
