As Reported by Larry Teel

Mentone's Bulldogs pulled ahead in the final minutes to take a well earned victory over the good Argos club, 54-51.

Mentone trailed the entire game, never by more than five points, however. The Bulldogs trailed by scores of 16-15, 30-27 and 43-41, at the end of each of the quarters.

The victory was the fourth in five starts for the local five; they have lost but once and that was a sound defeat at the hands of an undefeated North Webster five.

96TH BIRTHDAY

Mrs. Lizzie Morgan will celebrate her 96th birthday on Monday, Dec. 8th.

She lives at the Prairie View Nursing Home in Warsaw.

To Open
New Store

Gerald Romine, who has been in the electrical business in Mentone for some time, announces this week that he will open an appliance and electrical store in the Emma Clutter building, formerly occupied by the Ward Paint Store.

Mr. Romine will handle a full line of gas and electric appliances and he extends an invitation to all to visit him in his new location.

Grain Team
Wins First

The Mentone 4-H and F. F. A. grain judging team, coached by Robert Hewlett, placed first in county competition November 24 with a total score of 2,611 points.

First team individual scores were:

Terry Tucker	680
Dick Long	660
Bob Long	639
Larry Greulich	624
The second team placed third in the county competition, and the individual scores were:	
Steve McSherry	619
Jay Boggs	594
Marvin Creamer	550
Bobby Griffith	491
Six of the boys placed in the top nine in the county. They were Terry Tucker, Dick Long, Bob Long, Larry Greulich, Steve McSherry, and Jay Boggs. The other three in the top nine were:	
Marvin Gunter, Claypool	666
Larry Priser, Claypool	629

"FRANKIE" YOUNG DIES

Franklin "Frankie" Young, 88, formerly of Franklin township, died Friday afternoon at a nursing home at Pierceton.

Mr. Young was born June 8, 1870. He resided with a half-sister, Mrs. Margaret Jenkins, of Franklin township for a number of years. She is deceased.

Surviving is a niece, Mrs. C. W. Smith of South Bend.

Services were held at the Reed funeral home at 2 p. m. Sunday, with Rev. Milton Persons officiating. Burial was in the Mentone cemetery.

It's a good idea to remember that life is a game of chance and the cards are usually stacked against you.

How Safe Are
Our Schools?

After the terrible fire in a Chicago school Monday, all parents are wondering just how safe are our schools. Could such a fire happen where our children attend?

And it is well that we ask such questions.

Progress comes only with questioning.

As long as we dwell upon this earth, there will always be dangers, and we must have the faith to live with them, doing our best to avoid all the dangers possible yet not to run from them without thought.

Generally, most lives are lost in fires because people are not familiar with fire and become panic stricken. Fire drills in the schools are practiced periodically to help teach children that for all to escape, each must depart orderly.

A trip through the Mentone school Wednesday afternoon indicates that the danger of a real fast fire is almost negligible. All the stairways, walls, exits, etc. are of fireproof construction, including the windows. There are two stairways from the top floor and three exits from the main floor.

There are no outside fire escapes, and no nearby roofs to use for such emergencies.

The furnace room is closed off completely, and any fire in that area would remain confined unless there was an explosion inside the room.

There should be no fire danger in the Mentone school, but that doesn't mean that the officials shouldn't continue to watch and study the potential dangers.

Any fire starting at the top of a building is seldom dangerous, as the fire will not feed itself. The Chicago fire started at the bottom and the open stairways were actually flues up which the smoke and flame traveled.

And as a reminder—the number to call for the Mentone Fire Department is: EL 3-2345. Remember it.

TO HOSPITAL

It was reported that Teddy Shoemaker, son of Mr. and Mrs. Kenneth Shoemaker, was taken to the Woodlawn hospital Wednesday, and he was expected to undergo an appendectomy immediately.

Streets Lighted
For Christmas

Wednesday the Christmas decorations were lighted in Mentone for the Yuletide season.

Under the sponsorship of the Merchants Division of the Chamber of Commerce, Main street is lighted with many colored lights and Christmas figures.

The real cold weather of the past few days has been enough to warn us that the winter season is upon us — and as in the past, Santa Claus makes his usual visits while winter is around.

RABBIT DOUBLES

Most of us who go hunting once every few years consider ourselves lucky if we manage to hit a rabbit just now and then, but Fred Lemler came up with a double Thanksgiving day. He saw a rabbit heading for a roll of old wire and hastily let loose with his scattergun. When he arrived on the scene there were two rabbits in the throes of death. Evidently another had been hiding in the roll of wire.

(If any of your sausage had a wild taste this week . . . it could have been!)

LAWRENCE KINDIG
GETS DEER

Of the six local hunters who spent from Wednesday until Saturday hunting deer in Brown county, Lawrence Kindig was the only one to come home with a buck deer.

Others in the party were Elery Nellans, Henry Konneck, Harold Markley, John Boganwright and Lyndes Latimer.

Take things as they come—the past is gone, tomorrow is an uncertainty, and today is no sure thing.

School News

By Sherry Babcock

Last Wednesday evening the Beavers traveled to Talma and came home unbeaten for four straight victories. The score was 64 to 69. The "B" team was undefeated also. Their score was 24 to 12.

Last Monday evening the band and chorus had a supper for candy sales. The losing team had to serve the winning team. A pot luck supper was enjoyed by all. We played games for entertainment.

Tuesday night the Juniors had a turkey supper at the home of Phyllis Ummel for their magazine sales.

The Jr. High will play here Wednesday evening with Milford.

Friday night we will play the Claypool teams at Beaver Dam. Good luck boys.

Next Wednesday evening the December PTA meeting will be held at the school house at 7:30. It will be the Christmas program given by Grades 1 to 6.

The high school girls have 4 teams of volleyball. They play their games on Tuesday and Fridays at the lunch hour. Mr. Reuteback is the referee.

Should You Buy Fertilizer Now?

Many Indiana farmers are asking themselves, "Should I buy my 1959 spring fertilizer early?"

Paul R. Robbins, Purdue University agricultural economist, says there are numerous factors which should be considered in making the decision.

One of these is whether fertilizer prices are likely to rise or fall after the end of the discount period. Discounts usually range from one to three percent. Difference in prices between early and late purchases may not be great, but probably will be in favor of early purchases, the economist asserts.

For many farmers the income tax implications are more important than any discount available. Some farmers will find it profitable to buy next year's fertilizer before January 1 in order to charge it against 1958 income instead of carrying it into 1959.

Social security benefit implications are another consideration listed by the economist. A farmer receiving social security payments may have difficulty keeping his 1958 net income below \$1,200. By buying fertilizer before January 1, he may reduce his net farm income sufficiently to make himself eligible to draw benefits.

A farmer who is not retired and who is building up social security credit may not want to reduce his 1958 net income by buying fertilizer before next January 1.

The availability of desired analysis and the ability to get fertilizer exactly when needed must also be considered, Robbins says. He adds that fertilizer supplies will undoubtedly be adequate for next spring. However, some particular analysis could be in short supply during the rush season and there may be delivery delays.

Sudden deaths of livestock should be immediately called to the attention of a veterinarian so a definite, rather than a probable, cause can be determined, say Purdue University veterinarians.

Maintain Drainage Systems

Heavy rains the past two summers point up the need for proper maintenance of farm drainage systems. They must be kept in good condition if they are to do an efficient job, Don Sisson, Purdue University extension agricultural engineer, has reminded Hoosier farmers.

If drainage systems get in poor condition, the damage to land and crops from one hard rain may be greater than the cost of a good drainage system. Maintenance of drainage systems is important in Indiana since more than 50 percent of the farm land has some artificial drainage.

Sisson says the fall is a good time for a farmer to inspect his entire drainage system. Needed repairs can, thus, be made before fall and winter rains.

When the inspection is made, the farmer should be on the lookout for shoals, bars and other obstructions in open ditches. Brush should be cleared, followed with a chemical spray program next year. Sisson adds that a brush filled ditch may be only 50 percent as efficient as a clean open ditch. Banks, berms and inside slopes of ditches should be seeded to grass.

Open ditches should be pastured by cattle only when the banks are not wet and muddy. All stock should be kept out after a period of heavy rain or freezing weather. Hogs should be kept out at all times.

Farmers should watch for ero-

sion on banks where surface water enters. A concrete structure or grass chute should be considered to solve such an erosion problem.

Where fences cross open ditches, free swing water gates are needed so that trash will not accumulate and clog the ditch.

When open ditches need a general "clean-out," the cooperation of all farmers in the drainage area may be needed. Each landowner in the watershed needs to recognize his own responsibility.

Wash Eggs Properly

Quality eggs are spoiled through improper washing more than by any other cause points out David D. Jackson, extension poultryman, Purdue University. To avoid losses, produce as few dirty eggs as possible and wash only those that need washing.

Proper methods of washing eggs have been proven by research. If followed completely—not halfway—washed eggs need not be a source of trouble in egg marketing, Jackson says. The cause of the problem is bacteria, because bacteria—not washing—causes eggs to spoil.

Wash eggs soon after they are laid and in water which is warmer than the eggs. It should be about as warm as a person can stand with the hands. 110 to 120 degrees.

A recommended detergent-sanitizer should be used in the egg washing water, but Jackson

emphasizes that it should be used as directed by the manufacturer. Do not use a household laundry detergent and attempt to add a sanitizer, he cautions.

Nature provides a "bloom" or seal cover on the outside of the shell. Washing removes this protection, making it easier for bacteria from the shell surface to enter the egg through the thousands of tiny pores found in the shell. It is essential to replace "Nature's cover" with a disinfectant (sanitizer) to prevent the bacteria from entering the egg.

After eggs are washed, the sanitizer must be allowed to dry on the shell surface as a protection against infections which cause interior spoilage.

Change the wash water often,

and never hold down one washing period to the next. In fact, wash eggs, do the job right, Jackson concludes.

Dairy heifers fed large quantities of high quality forage may be carried to calving with as little as 550 to 600 pounds of concentrates, according to dairymen at Purdue University. When the supply of roughage is of inferior quality or the supply is limited some dairymen have fed as much as 2000 or even 3000 pounds of grain to carry a heifer until she reaches 24 months of age.

Good Citizen Medal Project

Anthony Nigo chapter of the Daughters of the American Revolution, Mentone, announces the Good Citizenship Medal Contest was designed to offer a concrete and tangible plan for training in American citizenship. Education of our youth in American citizenship is of supreme importance. The medals may be given to boys and girls in any school regardless of race, color or creed and are presented to those who by their personal acts and attitudes have proven themselves the most outstanding citizens in the class.

The medals will be presented to winners from the Junior High School of the local Mentone school. One medal will be presented to a girl and one to a boy in both the 7th and 8th grades.

Qualifications for the Good Citizenship Medal are based upon five qualities of honor, service, courage, leadership and patriotism. These qualifications are set forth as follows:

Honor — honesty-high principles, trustworthiness, loyalty, truthfulness, punctuality, moral strength and stability, cleanliness in mind and body.

Service—Cooperation, meritorious behavior bringing honor to school or community, kindness, unselfishness, true Americanism—individual responsibility to home, to country, to God.

Courage—Mental and physical, determination to overcome obstacles.

Leadership—Personality, originality, ability to lead and hold others, good sportsmanship, responsibility.

Patriotism—Fundamental Americanism.

The Good Citizenship Medal is for American citizens. In promoting this worthwhile project the Anthony Nigo Chapter is manifesting its belief that attention to the patriotic education of our youth means building a stronger nation for the future. This contest should be an incentive in a school for greater

appreciation of the qualities of citizenship needed by our nation if it is to retain sovereignty and independence of action. Challenges face our youth, and the Anthony Nigo Chapter now has an opportunity to emphasize the ideals of citizenship for a normal American childhood.

This project of the local chapter comes under the National Defense Committee of which Mrs. Bernice Rush is chairman.

**4-Way Tourney
At Burket**

There will be a 4-way Junior High tournament at the Burket Gym Saturday, Dec. 13th. The four teams will be Beaver Dam, Atwood, Tippecanoe and Burket.

The first game will start at 2:00 with the second game following. In the evening the consolation game will start at 6:30 and the final game will follow it.

Admission to each session will be 30c.

**BURKET FIREMEN TO
HAVE CHRISTMAS PARTY**

The Burket firemen will hold their annual Christmas party at the Burket gym on Tuesday evening, December 23, at 7:30. Treats and movies for the kiddies. Everyone is invited.

**MENTONE SCHOOL
CHRISTMAS PROGRAM**

The Mentone School Christmas Program will be held Monday, December 22, at 7:30 p.m., in the school gym. All grades one through eight will participate, plus the junior band, high school chorus, girls triple trio and the high school band. There will be no admission charge.

**PALESTINE HOMEMAKERS
CLUB MEETS**

The Palestine club met recently at the home of Mrs. Albert Tucker with well filled baskets for a pot-luck Christmas dinner. After noon a small business meeting was held. Mrs. Mont Loher was welcomed into the club. The ladies drew names for Secret Pals and for a gift exchange.

There were nine members and two guests in attendance, with two guests; Mrs. Vida Horn, of Warsaw, and Mrs. Andrew Konkle, of near Palestine.

The meeting was closed by the club prayer. The January meeting will be with Mrs. Edna Jones.

THANK YOU

The News staff wishes to say a great big hearty "Thank You" to the ladies of the Mentone D. A. R. for the fine box of candy sent them in "appreciation for the many inches of publicity given to the organization."

**Dies At
South Bend**

Meade Haimbaugh, 75, a native of Fulton county, died of a heart attack Sunday at 10 a. m. in his home at South Bend.

Born in Newcastle township on March 30, 1883, he was the son of Obe and Nora Pershbacher Haimbaugh. He was married on Feb. 2, 1908, to Anna Jones, who survives.

Mr. Haimbaugh was a member of the First Baptist church at South Bend and of the Masonic lodge. He resided in Fulton county until 1925.

Also surviving are three daughters, Mrs. Maurice (Wilma) Heimbecker, Ferndale, Mich.; Mrs. Huston (Georgianna) West, Rome, N. Y., and Mrs. Delbert (Dorise) Myers, South Bend; six grandchildren; four great-grandchildren; three sisters, Mrs. Merrill (Edna) Carey, Mentone; Mrs. Hershel (Freda) Lehman, Warsaw; Mrs. Lloyd (Lucille) Kesler, Warsaw; and two brothers, Dow Haimbaugh, Rochester, and Rex Haimbaugh, Mentone.

Funeral services were held on Tuesday at 1 p. m. at the Hay funeral home in South Bend with Rev. Harold Gamble of the First Baptist church officiating. Burial was in the Richter cemetery, Newcastle township.

CLUB CALENDAR

The Brownies, and Intermediate Girl Scouts are planning a Christmas party and inviting their mothers, Monday evening, Dec. 15, 7:00 p.m., Methodist church basement.

Talma Rod and Gun Club will meet Monday, Dec. 15, 7:00 p.m. in the Talma high school gym (old). There will be a business meeting. Refreshments and movie.

Mentone Chapter O. E. S. annual Christmas party, Monday eve, Dec. 15 at 7:45 E. S. T. There will be a dollar gift exchange, a program and refreshments.

W. S. C. S. meets Thursday, Dec. 18 at Lois Davison's, 7:45 p.m. Please bring your cookies for the "shut-in" boxes to the church kitchen by 2 p. m., Wednesday, Dec. 17.

Miss Joan Gairdner, of Edmonton, Alberta, Canada, step-granddaughter of Charlotte Berry, has been visiting in Mentone.

**Mentone
Basketball**

As Reported by Larry Teel
Mentone's Bulldogs put forth a brilliant effort, only to fall one point short, 61-60, in a close and hard fought basketball game at Mentone.

The outcome of the game was not certain until the final buzzer. Neither team ever had a lead of more than five points and as a rule it was only two to three points.

Next Friday night the Bulldogs play host to Atwood in a game that was originally to be played in the Atwood gym.

HOME FROM HOSPITAL

Teddy Shoemaker, 10-year-old son of Mr. and Mrs. Kenneth Shoemaker, returned to his home Monday after an operation performed last Wednesday afternoon at the Woodlawn hospital at Rochester. He had adhesions and an obstruction of the intestines, and while on the operating table they also removed his appendix.

**Safe Holiday
Driving Hints**

The rush and crush of the holiday shopping season always adds to traffic hazards at this time of the year.

Matthew C. Sielski, director of the Chicago Motor Club's safety and traffic engineering department, offers these suggestions for avoiding traffic accidents during this festive period:

Don't try to window shop and drive at the same time.

Don't put packages on the seats or back ledge of your car. They may distract you or impair your vision. Always put packages on the car floor.

Be patient. There will be more delays during the holiday rush. Never cross the street in the middle of the block; never cross with packages interfering with your vision.

Take it easy, whether you're driving, shopping or walking. There's more danger of an accident when you're tired or excited. Be courteous.

Keep car windows and windshield clean.

If roads and streets are slippery allow yourself more time to get to your destination.

Honor Students

Mentone school principal, Joan Frederick, recently listed the high school students who are on the honor roll. They are as follows:

Christmastime

Christmas was the atmosphere
at the home of Mrs. Ralph Bur-
ris on Monday evening, as she
was hostess to the Jolly Janes
Home Demonstration Club. As-
sisting her was Mrs. Tom Har-
mon, Mrs. Dick Gross and Mrs.
Frank Hardesty, as a luscious
ham dinner with all the trimm-
ings was enjoyed.

Mrs. Raymond Lewis installed
the new officers for the coming
year with Mrs. Max Friesner as
president; Mrs. Kenneth Shoe-
maker, vice president; Mrs. John
Ellsworth as secretary; Mrs.
Ralph Burris as treasurer. Mrs.
Dick Gross, the past president,
then turned the club gavel over
to Mrs. Friesner and she in turn
appointed her committees for the
coming year. New secret pals
were chosen and a new member,
Mrs. Doyle Baum, was welcomed
to the club.

For meditation, Mrs. Wayne
Bowser read two poems in keep-
ing with the Christmas theme,
after which "Joy to the World,"

was sung.

The entertainment committee,
consisting of Mrs. Raymond
Lewis, Mrs. Wayne Bowser, Mrs.
Dick Kindig, and Mrs. Royal
Baum, presented a skit of a
husband going with his wife to
buy a new hat—after trying on
every novel hat in the shop,
she ended up with the one she
was originally wearing.

Gathering around the gaily
decorated tree, each member re-
ceived a gift from her secret pal,
thus revealing who they were.
A birthday gift was received by
Mrs. Albert Hatfield and Mrs.
John Ellsworth won the door
prize. Gifts were presented to
Mrs. Albert Hatfield, Mrs. Russ-
ell Eber, Mrs. Dick Gross and
Mrs. Kenneth Romine for having
a perfect attendance for the
year.

A Merry Christmas Wish to
All from the Jolly Janes, Mes-
dames Dick Gross, Tom Harman,

ter, Loren Tridle, Dwight Rei-
chard, Doyle Baum, Royal Baum,

33 Clubs Have 70% Attendance

Home Demonstration Clubs
have had a very busy year in
1958. Their programs have been
such that they not only attract-
ed their own members but guests
as well. In summing up the
year's attendance at club meet-
ings, thirty-three clubs had sev-
enty per cent average attend-
ance while three, Jolly Dozen,

Merry-Tones and Wee Webster
Women had ninety per cent or
better average. These three clubs
are all young homemakers with
small families, reports Mrs. Ruth
McCleary, home demonstration
agent who finds the home demon-
stration program very worth-
while.

The clubs with seventy per
cent attendance or better were:
Active Ladies, Jolly Good Neigh-
bors, Backwater Friends, Jolly
Janes, Better Homes, Leesburg
Homemakers, Busy Homemakers,
Live and Learn, Charm 'N Chat-
ter, Merry Mollys, Club '56,
Mommies of '56, Crossroads,
Monroe Township, Double Doz-
en, Monroe Hilltoppers, Efficient
Homemakers, Purdue Home Pro-
ject, Eight Square, Seward Town-
ship, Forty-niners, The Sunshin-
ers, Friendly Neighbors, Syra-
cuse Go-Getters, Home Arts,
Thrifty Fifty, Jackson Junior,
Tippecanoe Township, Jackson
Township, Tippy Lee, Warsaw,
Juniors, Tuesday Afternoon, and
Willing Workers.

The 68 clubs had a total of
841 guests during the year, many
of whom have become members
of the respective club visited.
Anyone wishing to become a
member of a home demonstration
club should contact a club mem-
ber or the County Extension Of-
fice in the basement of the Court
House.

The lessons during 1958 were
on The Family Market Basket,
Pattern Alteration, Salads for
Various Occasions, Buying Men's
Clothing and how to Drape Var-
ious Types of Windows. There
were also workshops on leather
tooling, huck towel weaving,
braided rugs, shell jewelry, and
copper tooling as well as the
Christmas workshop.

Special lessons were held on
gardening, citizenship and laun-
dering.

4-H January First Enrollment

January 1st enrollment cards
are now available for Sow and
Litter, Dairy, Beef, and Com-
mercial Beef projects. Any 4-H
member who wishes to enroll
in the above projects except
dairy calves must fill out an en-
rollment card prior to January
1st, 1959, announced Jack Hart,
assistant county agent. Dairy
calves must be enrolled by April
30, 1959.

The cards are available in the
County Extension Office or thru
your local 4-H leader. The card
is required to show ownership
prior or by January 1st of the
year for which the member is en-
rolling. January 1st cards are not
club enrollment cards and these
cards will be available as your
local 4-H Club organizes for the
new year.

Much of the 4-H manuals and
supplies will not be available un-
til after January 1959 because
of many revisions in project

material. The County Extension
Office is asking that leaders
hold off till after January to pick
up project material for 1959.

The 4-H work in the county was summarized by Jack Hart, Asst. County Agent and Ruth McCleary County Home Demonstration Agent.

A panel discussion on the responsibilities of the local 4-H club committee members" was presented by Mrs. Eugene Ringgenberg, Monroe township, Ed Severn Harrison township and Gerald Smalley, Franklin township. Jack Hart acted as the narrator for the group which presented to the council the various ways that each advisory committee member could help the leader and 4-H members of their own local club.

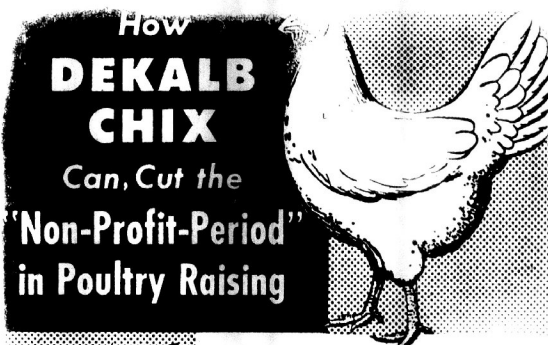

Mrs. Hart stated that 32 of the 47 local 4-H clubs now have advisory committees which make up the membership of the county 4-H advisory council. At present the County Extension Office and the 4-H leaders are working to have advisory committees for all 47 clubs by the of 1959.

SUNDAY SCHOOL TIMES 100TH ANNIVERSARY

Not many living papers in the United States can lay claim to 100 years of continuous publication. Among the many thousands listed in the 1958 edition of "N. W. Ayer & Son's Directory of Newspapers and Periodicals," only 6 religious periodicals and newspapers are shown as having been established as long as the Sunday School Times, a weekly paper published in Philadelphia. The first issue of the Times was dated January 1, 1859, and it is planned to make the Jan. 3, 1959 a special Centenary Number.

In this issue there will be pictures of some of the early publishers and editors, of the present directors and executives, of the present staff of office workers, and the Sunday school lesson writers. A specially prepared article will outline the principal events in the paper's past, and an announcement will tell of some of the new features that are planned for the days ahead.

As might be expected, this Centenary Number will be printed on special paper and will have an extra circulation that, with its regular circulation, will reach a total of at least 72,000 copies. Specimen copies of this unusual 100th Anniversary issue of the Times may be had for the asking. Just address The Sunday School Times Company, 325 North 13th Street, Philadelphia 5.

Send Seed For Testing Now

Indiana farmers are reminded that now is the time to submit samples of seed for testing to the State Seed Testing Laboratory at Purdue University.

A. S. Carter, director of seed control, advises farmers that samples should be representative of the lot to be tested. For instance, a teacup full of clover and grass seeds and a pint or more of soybean seed would be sufficient.

Samples should be sent to the State Seed Laboratory, Purdue University, Lafayette. Samples should be carefully identified and packed in a strong container. Letter type envelopes should not be used.

County agricultural agents have sampling instructions, questionnaires for identification and containers for sending the samples.

Carter points out that samples submitted now can be tested promptly. Reports on samples submitted during the "rush" spring season are apt to be delayed. So to be certain to receive prompt results of the tests, the samples should be submitted now.

Farm Land Values Rise

Continuing their long trend upward, Indiana farm land values stand at an all-time high.

State-federal agricultural statisticians at Purdue University report that on Nov. 1 the farm real estate index was 304, using 1912-14 as 100.

The average value per acre of all Indiana farm land with improvements is estimated at \$242

an acre, compared with \$229 a year ago and \$217 two years ago. During the last year the rise in values has been more than five per cent, with present values 89 per cent higher than the price peak reached in 1920.

The statisticians point out that values are being pushed higher by the continued tight supply of land available for purchase, the desire of farmers for land to enlarge their present farming units and the recent upturn in the general economy.

Continued expansion of urban and industrial areas also has been a factor. Demand has also

been strong for part-time farms and country homesites. The relatively favorable 1958 crop season also has encouraged farmers.

Land values throughout the United States also are rising. They climbed six per cent during the last year for the country as a whole and the same amount in the corn belt.

Knox Leading Wheat Variety

For the second consecutive year, Knox was the leading variety of wheat in Indiana in 1958, state-federal agricultural statisticians at Purdue University report. Forty-one percent of the total harvested acreage was planted to that variety.

The 1958 acreage of Knox, however, was considerably under the 55 percent it represented in 1957. Two other new varieties—Dual and Vermillion—gained sharply in popularity with Hoosier farmers this year.

Dual, with 2 percent of the harvested acreage, was the second leading variety. Vermillion was in third place with 11 percent of the harvested acreage. Indicated yields by crop reporters showed these two varieties yield equally as well or better than Knox in the northern two-thirds of Indiana.

Seneca was in fourth place with nine percent of the acreage; Vigo was fifth with six percent. These two varieties were second and third most popular last year. Both of them yield less than Dual or Vermillion, crop reporters indicate.

All varieties of wheat which are now planted to one percent or

more of the total Indiana wheat acreage are comparatively new varieties, according to the statisticians. Purdue plant breeding teams have produced the three leading varieties of soft winter wheat.

All varieties yielded well in 1958 a record wheat yield year for Indiana.

Damaged Carcasses Causing Losses

Many damaged carcasses are seen each year at packing plants, and these carcasses represent considerable monetary loss to both packers and shippers each season, according to T. M. Curtin, Purdue University veterinarian.

The usual causes of damage are bruises, abscesses, parasites and serious injuries.

Recently another practice has caused damage to numerous carcasses when cattle have been injected with various antibiotics to treat foot rot, or tranquilizers before shipment, Curtin says. As a result of recent or improper injections many carcasses have to be trimmed severely. Some have been trimmed in the round, others in the flank and also on the shoulder.

One midwestern packer reports that a single shipment of fifty herters contained fifteen animals which required trimming due to an injection of tranquilizers.

Individuals making such injections should choose a site which does not contain valuable cuts of beef and be certain to use properly handled equipment and techniques, Curtin advises.

Farm Facts

Purdue University agronomists say that using pure seed of the right variety can make a difference. Clark soybeans, for example, have yielded from 7-13 percent above their nearest rival in southern Indiana in Experiment Station tests. This yield difference could have meant an increase in income of \$4-\$8 per acre.

Calves born in the autumn must have a good home during the winter or they will be no larger than January or February calves when next spring comes, Purdue University animal scientists say.

In Colombia, sixty per cent of all children under twelve suffer from malnutrition. Colombia is one of thirteen countries whose needy can be fed through contributions to the CARE Food Crusade, New York 16, N. Y.

Highway Hints

Even seasoned drivers may not know all they should about careful passing, says the Motor Club. When you are going to pass it is essential that you know how to judge the distance and the speed you'll need to get safely around the car ahead. For instance, to pass an auto doing 45 miles an hour, you should do 60 mph. And you'll need about one-quarter of a mile to make the safe passing maneuver. After you have passed the car ahead, guard against a tendency to slow down too quickly.

Illegal passing is among the most deadly traffic violations, says the Motor Club. Never pass on hills, curves, at intersections, and whenever a solid yellow line is painted on your side of the highway centerline. It is important to remember, however, that the absence of a yellow line does not automatically give

you the right to pass. If there's any doubt about your ability to pass safely, stay in your own lane.

The inner lane of a superhighway is for passing only, says the Motor Club. Slow traffic should always keep to the right. If the car ahead is maintaining the posted speed, do not pass. Drop back to a safe distance and obey the speed laws.

Information Thru County Agents

Ever wondered how your county extension agent, often mistakenly looked upon as a walking textbook of farming and gardening, keeps up-to-date on information?

The county extension agent, the farmer's closest personal link between agricultural research and the farm, either consumes or catalogs mounds of farm facts each year. But first of all, the agent looks to the extension specialist, the man specifically trained in a given agricultural field, to keep him up-to-date.

A large percentage of farmers depends upon the extension specialist as the most important single source of new agricultural information. These specialists are stationed at Purdue University and interpret the research findings of agricultural scientists for the county extension agents.

Next to the specialist as a source of information for county agents are experiment station and extension bulletins and press releases.

Many county extension agents get new ideas by listening to or talking with researchers at the station or during or at field days. Key farmers in the county also help the county agents to keep abreast of new developments.

ADVERTISE! IT PAYS!

Two-thirds of the world's people are underfed, one sixth are adequately fed, and only one-sixth are well fed, according to United States surveys. Every \$1 sent to the CARE Food Crusade, New York 16, N. Y., delivers a 22-lb. package of U. S. farm foods to help feed the world's hungry people.

Strawberry plants and raspberry bushes should be mulched in November, according to Purdue University horticulturists. Straw should be spread evenly over the plants and in the rows about the last of November. A three or four-inch corncob or sawdust mulch is recommended for raspberry bushes.

**Death Claims
Tressa Beeson**

Mrs. Ora (Tressa) Beeson, aged 68 years, died of heart failure while undergoing a medical checkup at 11:00 a. m. Tuesday. She had not been seriously ill previously.

The deceased was born at Mentone April 4, 1890, the daughter of Jeff and Anna (Sarber) Blue, and she spent her entire life in this vicinity.

Those surviving in addition to the husband are two sons, Fred and James, northeast of Mentone; four grandsons; three sisters, Mrs. Raymond Lash, R. 1, Mentone; Mrs. Helen VanDoran, Indianapolis, and Mrs. Maurice Dunnuck, R. R., Etna Green, and one brother, Ralph Blue, Flint, Michigan.

Funeral services will be held at the Harrison Center EUB church at two o'clock Friday afternoon, with Rev. John Jones of Leesburg, officiating. Burial will be at the Harrison Center cemetery with the Reed funeral home in charge.

New Arrivals

Mr. and Mrs. James Meredith, R. 1, Mentone, are the parents of a daughter, born Dec. 10, in the Woodlawn hospital. The baby girl weighed nine pounds four and one-half ounces and has been named Diana Kay. The grandparents are Mr. and Mrs. George Kotterman, of Rochester, and Mr. and Mrs. Frank Meredith, R. 1 Mentone.

Mr. and Mrs. Charles Eaton, R. 1, Mentone, are the parents of a daughter, Myra Lee, born at 6:00 a. m. Dec. 13 at the Parkview Memorial Hospital in Fort Wayne. Grandparents are Mr. and Mrs. Charles Besson, R. 3, Warsaw.

A daughter, Myra Kay, weighing seven pounds nine and a half ounces, was born to Mr. and Mrs. Miles Igo of Burket, at the Murphy Medical Center at 11:55 last Saturday evening. Grandparents are Mr. and Mrs. Hollis Nine of Burket and Mr. and Mrs. Ernest Igo of Claypool.

Mr. and Mrs. Kent Riner, Mentone, are the parents of a daughter, Susan Kay, born at the hospital at Rochester Saturday evening. She weighed six pounds 12 ounces. Grandparents are Mr. and Mrs. Curtis Riner, Mentone, and Mr. and Mrs. Edward E. LeCount, Neppanee.

**Bessie DeWitt
Dies Sunday**

Bessie M. DeWitt, aged 75 years, died at 4:00 a. m. Sunday morning in the St. Joseph hospital in Fort Wayne. The day before she was attacked by pains in the abdomen, and she was given immediate surgery for a rupture in the circulatory system. She never completely rallied from the operation.

The deceased was born in Madison county, Indiana Feb. 16, 1883, the daughter of William A. and Clara (Brattain) Bennett. She married Rev. E. E. DeWitt in 1900. He preceded her in death Dec. 13, 1952. He served as pastor of the Mentone Methodist church for eight years. Mrs. DeWitt was a member of the Mentone church and a charter member of the Larwill Order of Eastern Star.

Survivors include one daughter, Mrs. Horace (Edith) Tunes, Pendleton, Ind.; three sons, Leeland of Converse, Lowell, Sturgis, Mich., and Francis of Pendleton; eight grandchildren; three sisters, Mrs. Rollin Bright, Pendleton; Mrs. Charles Taylor, Albany, and Mrs. John Taylor, of Muncie, and one brother, Clifford Bennett, Indianapolis. There are also two nephews and one niece.

Funeral services were held at one o'clock Wednesday afternoon at the Mentone Methodist church with Rev. Milton Persons, assisted by Rev. Paul Smith, officiating. Burial was in Mendon cemetery at Pendleton, with the Reed funeral home, Mentone, in charge.

**MUSICAL PROGRAM
AT SCHOOL**

Kenneth Bush, music director of the Mentone schools, announces a special public program, on Monday night at 7:30 in the gym. It is sponsored by the PTA and all grades will participate. There will be numbers by the Junior and Senior bands, choruses and the triple trio.

**IN HOSPITAL AFTER
ACCIDENT WEDNESDAY**

Mrs. John Allen Teel is in the Woodlawn hospital at Rochester suffering with a broken pelvis and three broken ribs. She lost control of her auto Wednesday afternoon, skidded into the Elmer Sarber yard and hit a tree. She is in Room 114 at Rochester.

**Mentone Doctors
Are Honored**

Mentone physicians will hold top spots in Kosciusko County medical organizations for the coming year. Tuesday evening of this week, Dr. W. B. Wilson was elected president of the County Medical Society, and at the Murphy Hospital Medical Staff meeting last week, Dr. Dan Urschel was elected as Chief of Staff, for 1959.

Warsaw and Kosciusko county have been fortunate in attracting a number of young doctors to practice here during the past few months. During 1958, Doctors Dormire, Bibler, Shrader, Hashemi and Cron came to Warsaw, Dr. Bahler to Leesburg, and Dr. Murphy moved from Warsaw to Claypool. The only loss for the county is Dr. Roesch, who is leaving to study Anesthesiology at Indiana University. (Dr. Cron takes over his office.) With this increase in number of practicing physicians, there has been a proportionate increase in the availability of medical care in the county. There is an active around-the-clock emergency room organization at the Murphy hospital, so that medical care is always available in case of sudden need. Likewise, the organization of the active staff at the hospital has made it possible for any properly qualified physician to practice there without restrictions, an important factor in encouraging these new doctors to come to the area.

**DAR Selects
Linda Walther**

Miss Linda Walther has been selected as the DAR Good Citizen from the schools in the southern portion of this county. Miss Walther, a representative from Silver Lake high school, is the daughter of Mr. and Mrs. Maurice Walther.

Miss Walther was selected by a committee of three judges, on the merit of her answers to the 1958-1959 questions of the Good Citizens' contest.

Her winning paper has been mailed to the state chairman and will be judged with the winning paper from the northern section of this county, to determine a county winner.

Anthony Nigo chapter is the sponsor of the contest in this locality.

Mother Dies

Mrs. Elvah Ferry, 78, of Akron and mother of Mrs. John Frederick of Mentone, died Tuesday evening at the home of her son, Dr. John Ferry in Munster, Ind. She was Akron librarian for many years and retired last May. She had resided in the Akron and Laketon communities for many years and had been in ill health for several months.

The deceased was born Aug. 3, 1880, in Wabash county, the daughter of Tobias and Susan (Mylin) Gushard. Her husband preceded her in death.

Mrs. Ferry was a member of the Akron Methodist church where she was a primary superintendent of the Sunday school and a member of the church WSCS. She was also a charter member of the Akron Mothers Study Club; American Legion Auxiliary, the WCTU, and Kappa Delta Phi Sorority.

Survivors in addition to the son and daughter are five grandchildren, four great-grandchildren, and a brother, Chauncy Gushard of Laketon.

Funeral services will be held at 1:30 CST Saturday afternoon at the Akron Methodist church. Rev. Maurice Kessler will officiate. Burial will be in the Laketon cemetery. Friends may call at the Sheetz funeral home, Akron, after 7 p. m. Thursday until noon Saturday.

CLUB CALENDAR

Junior Auxiliary Christmas party, Sat., Dec. 20, Legion Home from 2 to 3 p. m. This will be a Christmas program and mothers are invited.

The Burket Firemen will hold their annual Christmas party at the Burket gym on Tuesday evening, December 23, at 7:30. Everyone is invited. Treats and movies for the kiddies.

**Mrs. Underhill
Dies Tuesday**

Mrs. Emma Underhill, who would have celebrated her 95th birthday on Christmas day, died at the Prairie View Nursing Home in Warsaw Tuesday night of complications. She was a lifelong resident of the Palestine and Mentone communities. She had been in ill health for the past four months.

The deceased was born Dec. 26, 1863, the daughter of Mr. and Mrs. John Whetstone. She married John Underhill in 1880. He passed away in 1942. She was a member of the Mentone Methodist church.

Surviving are five grandchildren, 11 great-grandchildren, and seven great-great-grandchildren. A daughter, Mrs. Clavia Tinkey; a son, Garland Underhill, and a grandson, George Myers II, preceded her in death.

Funeral services will be held Friday afternoon at 2 in the Johns funeral home. Rev. Milton Persons will officiate. Friends may call at the funeral home after noon Thursday.

FREEZES HAND WITH OIL

Ned Igo froze his right hand in about ten seconds early Wednesday morning of last week. He was checking a fuel oil tank that appeared to have an obstruction in the line, so he removed the valve. The below-zero oil poured over his hand and froze it almost instantly.

**FOUR-WAY TOURNAY
TEAMS DRAWN**

The annual 4-way tourney between Akron, Beaver Dam, Mentone and Silver Lake will be held in the Mentone gym this year. The dates are Dec. 26 and 27. The doors will open at 7:30 EST.

The draw was made at 4:00 p. m. Wednesday in the Beaver Dam school. Opponents in the first game Friday will be Mentone and Silver Lake, with Akron and Beaver Dam tangling in the second game. Saturday night the consolation game will be at 7:30 and the championship game at 8:45. Tickets are now on sale.

A pot luck supper was held at the home of Mr. and Mrs. Raymond Lewis Tuesday evening. Others present were Mr. and Mrs. Wayne Bowser and family and Mr. and Mrs. Kenny Romine and family. Everyone enjoyed an exchange of Christmas gifts.

DAR Enjoys Christmas Party

The Anthony Nigo Chapter of the Mentone DAR enjoyed a very lovely Christmas party, Tuesday evening, Dec. 9th, at the home of Mrs. Kenneth Riner. Mrs. Frank Smith was assisting hostess.

Our regent, Mrs. Eldred Paulus, opened the meeting with our ritualistic service, pledge to the flag, and singing of one verse of the "Star Spangled Banner." Mrs. Glenn Clauss served as secretary in the absence of Mrs. Garwin Eaton. The Eatons recently became the proud parents of a baby boy.

The president general's message was read by Mrs. Dale Cook. National defense news was given by Mrs. Bernice Rush. Subjects covered were "Communists Accelerate Their Campaign Against UNESCO," and "Old Glory on Top at State Capitols." Mrs. Kenneth Riner again drew our attention to the Marxism influence in Christmas cards. On many cards one fails to find the least indication of the meaning of Christmas and many are "comics" forgetting entirely that "Today the Prince of Peace is born!"

Mrs. Everett Rathfon, chairman of approved schools, reported that two large boxes of clothing and \$30 worth of gifts had been sent to Tamassee for Christmas. Mrs. Dale Cook, chairman of Indians, reported three boxes of clothing to be sent to Bacone, Oklahoma.

Mrs. Bernice Rush, chairman of membership, reported an addition of two members: Mrs. James Randall of Warsaw and Mrs. C. G. Carter of Mentone.

Mrs. Frank Smith, chairman of the good citizenship medal contest, contacted the principal of the Mentone school concerning this project, which met with his approval. We, therefore, voted to give a good citizenship medal to two winning boys and two winning girls in the 7th and 8th grades. We also contributed to the following projects:

\$5.00 to "The Investment Fund" for the maintenance and upkeep of our DAR buildings in Washington, D. C.

\$5.00 to "The enlargement of our cattle barn" at Kate Duncan Smith school (one of our approved schools).

\$5.00 to Allene Groves Dormitory for little girls at Tamassee, S. C. (another approved school).

\$1.00 to "Museum Fund."

\$2.00 for DAR magazine to be placed in the Mentone public school, thereby acquainting our youth with the problems facing us today and instilling within them a keener sense of patriotism.

A program followed the business meeting with Mrs. Everett Rathfon telling of Christmas as spent in the following approved schools—Tamassee, S. C., Kate Duncan Smith Grant, Alabama; and an Indian school, Bacone, Oklahoma. Their Christmas activities were given in an interesting way.

Mrs. Sherman Bybee gave one of our freedoms: the right to accept Christ as our personal Saviour and to sing praises to the newborn child lying in a manger.

Mrs. Ray Linn gave Christmas literature, music and art. She outlined the ways of telling the Christmas story as follows:

First, by the singing of angels

heralding a little child's coming to earth.

By word of mouth as the shepherds told the story.

As Matthew and Luke recorded the story.

Singing, by all peoples, became a way of telling the story.

Art tells the story with paintings, weaving and sculpturing.

Nativity plays tell the story and in literature poets and writers tell the story.

Today we get the story in many ways over TV and radio.

Mrs. Linn closed with this excerpt taken from "Christmas," Augsburg Pub. House:

Once, long ago, a child was born and a choir of heavenly angels heralded His coming to earth. Time has been kind in preserving the song and the story. From the first written record of the Christmas Story by Matthew and Luke to the great presses that retell the story now, from the splendid mosaics of the early days to the paintings that have come to us through the centuries, from the slow measured tones of the fourth century plainsong to the mighty triumphant choruses that echo thru our world today, there has been one song and one story, and its message is for everyone: "Christ is born!"

Our meeting closed with the singing of our state song, "On The Banks of The Wabash." Christmas music was played as our hostess served delicious refreshments in keeping with the holiday season. Each one then entered a beautifully decorated Christmas room where they found a gaily wrapped package awaiting them.

Due to below-zero temperatures, only the following were able to attend this lovely meeting: Regent Mrs. Eldred Paulus, Mrs. Glenn Clauss, Mrs. Bernice Rush, Mrs. Arthur Brown, Mrs.

Merlyn Holt, Mrs. Everett Rathfon, Mrs. Dale Cook, Mrs. Vera Kelly, Mrs. Sherman Bybee, Mrs. Ray Linn and the two hostesses, Mrs. Kenneth Riner and Mrs. Frank Smith.

The January meeting will be held at the home of Mrs. Bernice Rush, Mrs. Fred Schlemmer of Bremen, will review the book, "Bending the Twig."

IN MEMORIAM

In memory of our loved one (Robert Vandermark) who passed away one year ago the 26th. I cannot say, and I will not say. That he is dead—he is just away. With a cheery smile, and a wave of the hand, He has wandered into an unknown land.

Mr. and Mrs. Orville Vandermark and Fred. Mr. and Mrs. Gordon Wolfe.
Mrs. Robert Vandermark and Bobby.

Club Meets At Sullivan Home

The Mentone Home Demonstration Club met at the home of Mrs. Harry Sullivan Thursday, Dec. 11, with well filled baskets for a pot luck Christmas dinner. After the noon meal a business meeting was held, all repeating the creed, singing of "America the Beautiful" and "Joy to the World." Mrs. Raymond Weirick read the second chapter of Luke for meditation.

Mrs. Gene Sarber installed the new officers for the coming year with Mrs. Howard Horn as president, Mrs. Pearl Tucker as vice president, Mrs. Claude Gates as secretary and Mrs. Freeman Long as treasurer.

New secret pals were chosen for 1959.

Each member received a gift from her secret pal and all revealed who they were.

There were 16 members present.

The meeting was closed with the club prayer.
The January meeting will be with Mrs. Roy Cox.

Mr. and Mrs. Robert Jones attended the golden wedding of Mr. and Mrs. Wilbur Phillips at Tippecanoe Sunday.

During the coming year, CARE plans to distribute enough U. S. milk powder to make 648,200,048 quarts—or more than the equivalent of a 1-ounce glass for every man, woman and child on earth. Contributions to the CARE Food Crusade, New York 16, N. Y., help deliver this milk to needy children and adults overseas.

So Much Beauty and Comfort in One Chair

...the NEW **HI-LO-MATIC** by **La-Z-Boy**

... the only full-reclining chair with **LOW-BACK** styling and **BUILT-IN** foot-rest

Styled for the fashion-conscious homemaker, the distinctively different Hi-Lo-Matic features low-back styling that gives it a beauty never before achieved in a full-reclining chair . . . yet, it offers matchless comfort. The patented built-in Otto-Matic® foot-rest provides full leg support in any position, while the low back raises and automatically reclines to the position desired, even to full bed.

Let us give you a comfort demonstration and show you the broad selection of colorful fabrics available for the Hi-Lo-Matic, "the reclining chair of tomorrow that's here today."

FULL LEG SUPPORT EVEN IN SITTING POSITION

Just recline and the patented Otto-Matic® built-in foot-rest raises and remains in any comfort position desired, sitting or reclining. At the touch of the hidden release the foot-rest disappears into the chair front.

It's easy to raise the back and recline.

To lower back, press hidden release at top of outside back.

Beaver Dam High School News

By Sherry Babcock

Last Friday evening the Beavers played Sidney and won the ball game. We have won five out of six so far. Congratulations, boys.

Monday evening the Jr. Hi played Talma at Beaver Dam. The "B" team won its game and the "A" team lost.

Tuesday evening the Beavers played Deedsville at Beaver Dam.

Last Wednesday evening the December PTA meeting was held at the school house. The first six grades gave a program. Afterwards Santa Claus came to pay his annual visit.

This evening after school the Jr. Hi will play Atwood at Atwood. Good luck, boys.

Today at 11:50 Rev. Overmyer of the Beaver Dam EUB church will talk to the students in grades 7-12. On Friday he will talk to those students in the first six grades.

The high school team will play Friday, Dec. 19, at Etna Green. We want to wish the boys the best of luck. Good luck, boys.

Tuesday morning the students will be dismissed at 10:00 CST

or 11:00 EST. They will return on January 6th.

The "A" team 4-way tournament will be held at Mentone on December 26th and 27th.

The "B" team tournament will be held at Beaver Dam on Jan. 3rd.

Mr. and Mrs. Robert Enyeart and daughter, and Mrs. Daisy Enyeart of South Bend, were Sunday evening callers of Mrs. Etta Halterman and Mr. and Mrs. Verl Halterman.

4-H CHRISTMAS PARTY

The Mentone Merry 4-H'ers held their Christmas party at the home of Mrs. Eugene Sarber. Installation of officers for the coming year took place. A gift exchange was enjoyed by 14 members and three guests.

Mrs. Sarber and Mrs. Smith, the leaders, presented the girls with gifts. Dirty bingo was exchanged. Dainty refreshments were served in keeping with the holiday.

The next meeting will be Jan. 20 at seven o'clock at the school house. Each girl is to bring a guest.

Want to Boost Your Egg Profits? BABCOCK BESSIES from DeWitt Make Money for You in 5 Ways!

1. LOTS OF BIG EGGS

Bessies are heavy layers, peaking at 85% to 90% and laying around 70 to 75% for months on end. They do more — they lay the big eggs which bring extra profits. In the Wisconsin Random Sample Test just ended, Bessies laid more large and extra large eggs than any other pen.

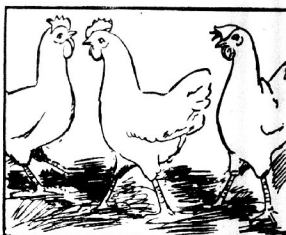

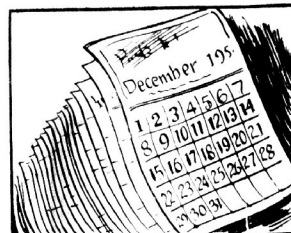

2. ECONOMICAL ON FEED

Bessies aren't big eaters. Actually, they're easy on feed. In the Wisconsin Test they produced the most eggs per pound of feed of any entry. In 2 New York tests for three years they had highest average profit over feed and chick cost. Bessies cut your feed bill per dozen of eggs.

3. LONG LAYING PERIOD

Once she starts, Bessie keeps right on laying for 12 to 15 months, and at a consistently high rate. These extra months of lay put extra dollars in your net profits.

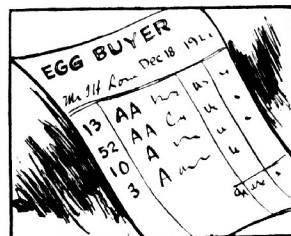

4. LOW MORTALITY

Bessie is bred to stay alive. Lots of inherited vigor and disease resistance keep Bessie producing. In the Wisconsin test, Bessie had only 2% mortality, half that of the next flock and 1/10 of the test average!

5. HIGH EGG QUALITY

Bessie eggs are good . . . good color, shell texture, shell strength. With high interior quality. There higher grade eggs means here's another way Bessie pays you extra profits.

Mentone Basketball

As Reported by Larry Teel

The Mentone Bulldogs rolled their seventh victory of the season Friday night as they bested Atwood 67-44 in the Mentone gym.

Atwood obtained an early 6-2 lead, their only one of the game, but the Bulldogs took over and it was 13-6 before the Greyhounds scored again.

This Friday the Bulldogs are host to the Pierceton Cubs who last Friday beat Silver Lake by 25 points.

The quarter scores were:

Infant Son Dies

An infant child, Douglas James Coplen, son of Mr. and Mrs. James Coplen of Tippecanoe, died Saturday night at Woodlawn hospital, Rochester.

Douglas, who was 32 days old, died as the result of a blood clot on his brain that had been present since his birth. He was born Nov. 12, 1957, the son of James and Lena (Fisher) Coplen.

Surviving beside the parents, are one sister, Connie Jean, at home; maternal grandparents, Mr. and Mrs. Charles Fisher, of Tippecanoe; paternal grandmother, Mrs. Flossie Coplen, also of Tippecanoe.

Services were held Tuesday at 2 p. m. at the Community church, Tippecanoe. Rev. H. J. Hiddinga officiated. Burial was in the Tippecanoe cemetery. The Johns funeral home was in charge.

**FORMER TALMA LADY
KILLED IN CRASH**

Funeral service was held Tuesday afternoon at 2 p. m. in the Zimmerman Bros. Funeral Home at Rochester for Mrs. Eldora Henderson, 70, who died at 9:40 p. m. Friday in an automobile accident northeast of Evansville on State Road 57.

The Rev. F. I. Willmert of the Rochester EUB Church officiated and burial was in the Rochester IOOF Cemetery.

Mrs. Henderson, a native of Fulton county, died instantly of a basal skull fracture when the auto driven by her son, Howard, ran into a truck parked on the highway. Mrs. Henderson and her son had just returned by plane from Miami, Fla., where they had visited her daughter, Mrs. Clarence Burmbaugh. Mrs. Henderson had been residing with her son, in Oakland City.

Born February 2, 1887, near Talma, she had spent most of her life in Rochester and surrounding community. Her husband was Elmer Henderson, who died in 1941 and her parents were George W. and Susan (Bryan) Shontz.

Mrs. Henderson was a member of the EUB church, where she was a Sunday School teacher for many years and of the Rochester Evergreen Rebekah lodge. She served as Noble Grand and District Deputy of District 23, of the Rebekahs. Surviving are the son, Howard, Oakland City; The daughter, Mrs. Clarence (Edith) Burmbaugh, Dayton Ohio and one sister, Mrs. Lena Anderson of Lakeville.

**Christmas
Services At
First Baptist**

The Sunday School of First Baptist Church will present its annual Christmas Program at 7:30 on Sunday, December 22nd. The program which is entitled, "For Times Like These", will be presented in two parts. Part One, "Glad Tidings", will be presented by the Beginners' Department and Part Two, "Love So Great", is a Christmas play that will be presented by the Primary, Junior, Junior High and Senior High Departments of the Sunday School. The public is invited to come and enjoy this program with the congregation of First Baptist.

The annual "Candle-light Christmas Eve Service" will be held at 9:00 p. m. on Tuesday, December 24th. The Church Choir will sing a Christmas Cantata, "Love Transcending." The Lord's Supper will then be observed in remembrance of Christ who came into the world as a babe that when grown to manhood He might give His life as a sacrifice for the salvation of sinners. You are invited to come and enjoy the presentation of "Love Transcending", and all who have accepted Christ as personal Saviour are invited to participate with the congregation of First Baptist Church in observing the Lord's Supper.

SPECIAL T. V. PROGRAM

**Mrs. Waltz Dies
At Huntington**

Mrs. Myrtle O. Waltz, 89, a native of Newcastle Township, died at 12:20 p. m. Tuesday at the home of her son, Omer Waltz, a mile north of Huntington on State Road 5. She has been bedfast since June 1, following injuries sustained in a fall.

Born November 4, 1868 in Newcastle Township, near Talma, she was the daughter of Chancey and Margaret (Wilson) Coplen. She has spent her entire life in Newcastle Township community. Her marriage was on November 27th, 1887 to George R. Waltz who died January 17, 1942.

Mrs. Waltz was a member of the Bethlehem Baptist Church.

Surviving are two sons: Omer of Huntington and Truman of South Bend; seven grandchildren, thirteen great-grandchildren, and one half brother, Grover Coplen of Des Moines, Ia. Two daughters and one son preceded her in death.

Funeral rites were held Thursday afternoon at 2 p. m. in the Zimmerman Bros. Funeral home at Rochester with Rev. Richard Mitchell of the First Baptist Church of Rochester officiating. Burial was made in the Walnut cemetery near Argos.

HOME FROM HOSPITAL

Charles Meredith is now at his home after spending 15 days in the Woodlawn hospital at Rochester.

IN JUSTICE COURT

Charles T. Sumpter, of Warsaw, entered a plea of guilty and was assessed a fine of One Dollar and costs, amounting to \$16.75, in the Court of Jus. C. O. Eller, on a charge of failing to observe a stop sign at the intersection of Broadway and Harrison Streets in Mentone on Saturday evening. Officer Gene Norton filed the complaint.

Mentone H. D. Club Meets

The Mentone Home Demonstration Club met December 12th at the home of Mrs. Grace Sullivan. At the noon hour we enjoyed a carry-in dinner. Mrs. Sullivan prepared the turkey and dressing.

There were 18 members and one guest, Mrs. Ralph Burris present.

Mrs. Sullivan, our president, opened the afternoon meeting. After a short business meeting the new officers were installed

by Mrs. Esther Sarber.

Gifts were passed out and in our roll call we tried to guess who our Cheerio Pal was.

We drew names for our Cheer-
io Pal for 1958.

Maude Cox received the Mys-
tery package.

Auction was purchased by Opal
Tucker, Mary Borton and Bertha
Meredith.

All had an enjoyable time.

Buying Lots By Mail Dangerous

New schemes for selling real estate by mail are growing, according to the editors of *Changing Times*, the *Kiplinger Magazine*, with the result that many thousands of people who think they are buying a nice retirement spot wind up with a treeless and raw piece of land, often far from highways or towns.

Ordinarily, anyone buying real estate near home knows what he is getting. Buying property hundreds of miles away and sight unseen through advertisements and fancy brochures can be dangerous without thorough investigation.

Do you know who the promoter is and what his performance record is? Does the price mentioned cover a large enough lot for building purposes or will you be required to buy more than one lot to comply with zoning requirements? How far is the property from highways, towns, schools, churches, etc.? What is the value of land in that area? Are there sanitary sewers, or must septic tanks be put in? Is the land dry or must it be drained? What about land taxes and local zoning restrictions? What are the full details on financing your lot?

The answers to these questions

should tell you something about the development. Many times you pay almost as much for a lot in the development as you would for an entire acre in the area. And, although the ads show palm-studded beaches, lovely girls on water skis and a community house with golf course, all that may be there is what has always been there—scrub palmetto and a muddy pond.

In order to estimate for yourself whether or not this is the dream spot you really want, you should make a personal visit to the lot and look at it, even if this involves traveling hundreds of miles. An alternative is to ask a relative or friend who lives near the area to make the inspection for you.

Whatever you do, investigate before you invest.

Mr. and Mrs. Ralph Mollenhour and son Roger will leave Saturday morning to spend Christmas with their son and his wife, Mr. and Mrs. James Mollenhour of Jacksonville, Fla.

Corn cobs a foot deep in feed lots help keep cattle clean and dry, Purdue University animal husbandmen point out. Arrangements should be made to obtain cobs whenever they are available.

NEWS — Ph. ELMwood 3-3985

Feeding cows cooked or heated feeds may cut butterfat production as much as 50 percent, Purdue University dairy specialists say. Studies show that cooked or heated feeds are broken down by rumen bacteria quite differently from unheated feeds.

Boom In Skilled Jobs Due In 60's And 70's

A massive demand for workers in nearly every type of occupation and industry will come with the U. S. economic boom in the 60's and 70's, predict the editors of Changing Times. In a copy-righted article in the December issue of the magazine, the editors state that 10,000,000 jobs will be added to the work force by 1965, another 10,000,000 to 15,000,000 by 1975.

The well-educated and the highly skilled will have greater opportunities than ever before. Semiprofessional and semiskilled workers will be in heavy demand too. And openings will abound at all levels for women, for part-timers and for older employees.

In manufacturing, employment will be up 28% in 1965, 56% in 1975. The fastest growth will be in the manufacture of transport equipment, machinery, metal products, paper products and chemicals. The heaviest employment needs will be for semiskilled machine operators, including women, and for salespeople, managers and technicians.

New industries developing during the 60's and 70's will mean new jobs. One large company expects that 80% of its output ten years from now will be items not developed today.

In the atomic energy field, jobs will multiply with a strong demand for chemists, nuclear physicists, mathematicians, biochemists and nuclear and other kinds of engineers. Many semiprofessional technicians will be needed for inspection and decontamination teams.

Electronics manufacturing will require thousands of new engineers, draftsmen, office workers, as well as skilled and semiskilled plant workers.

Plastic-products manufacturing a relatively new industry, will hire faster than most other industries. Most openings will be for inexperienced workers who will be trained on the job.

There will be a big rise in construction where most jobs will be filled by craftsmen and other skilled workers.

Jobs in the wholesale and retail trades will swell 45% by 1975 with work at that time for more than 19,000,000 people in sales, clerical and managerial positions.

Demand will grow in local and state governments for all kinds of teachers, nurses, engineers, office help, policemen, postmen, and skilled workers.

In the finance, insurance and real estate fields, jobs will increase by 80% in 1975. Nearly half the employees in this field are women.

Growth in the professional occupations has been three times as fast as for the rest of the work force, and swift expansion will continue. Biggest needs will be for teachers, engineers, natural and physical scientists, technicians and medical people.

In the clerical and sales occupations, the demand for operators of automatic data processing equipment will leap. The heavy turnover in stenographers, typists and secretaries will continue, assuring jobs for newcomers. The high turnover in sales occupations will provide a wide variety of openings.

The service occupations will continue to have heavy turnover, but most industries in this field will have lots of room for part-timers, women and older workers.

There will be a big need for all kinds of skilled workers, particularly for industrial machinery

repairmen, electronics technicians business machine repairmen and building trades workers.

Although there will be more machines to do the work of people today, the over-all growth of the economy will pull up the slack. Machines will actually help double the output per worker in the next 25 years. Growth in the manufacturing industries will offset job reductions caused by automation. And demand will spurt for skilled hands to develop, produce, operate and repair the new machines in industry and the home.

Purdue University entomologists suggest checking bees to see that all colonies are ready for winter. Hive entrances should be screened (five mesh to an inch) to keep out mice. Covers should be kept in place and hives should be sloped slightly forward to prevent accumulation of water inside.

MENTONE HIGH SCHOOL BASKETBALL

By Larry Teel

Mentone's Bulldogs broke their four game losing streak Friday night as they turned back the Atwood Greyhounds 63-43. It was the host's third conquest in eight games. The second team preserved their perfect record with a 43-27 victory. They were led by Dick and Bob Long.

The varsity had a rough time of it but finally pulled through.

Beaver Dam School News

By Sherry Babcock

Mr. Heimann was absent Monday and Tuesday morning.

Christmas films were shown Tuesday at school. The names of the films were, "Christmas Carols" and "The First Christmas."

School will be dismissed Friday, at 11:00 a. m. 1st period classes will meet and then we will have our gift exchange.

Beaver Dam will play Etina Green Friday night at Beaver Dam. Good Luck Boys.

The 4-Way Tourney will be at Akron December 27 and 28. Mentone and Silver Lake will play the first game and Beaver Dam and Akron will play the second game. Season Tickets are on sale at any of the 4 schools.

The Juniors of Beaver Dam went bowling last Saturday evening.

The 7th and 8th grades went roller-skating Saturday evening.

Maintaining Net Farm Income

Lafayette, Ind. — How were some some 300 central Indiana farmers able, during a period of sharply falling agricultural prices and mounting farm expenses (1950-56), to maintain an average annual net income of about \$10,000?

N. S. Hadley, Purdue University agricultural economist, analysed the records of these farmers and found that they enlarged the size and volume of their operation, specialized in enterprises most favorable to them and greatly increased their efficiencies.

Land was added (tillable acres were increased from 206 to 234 acres per farm) and a higher percent (up from 34 to 41) was put into corn. Corn production per farm was increased from

4,000 to 7,000 bushels.

These farmers specialized in hog production and cattle feeding. The number of hogs raised jumped 80 percent and the number of cattle fed 250 percent. A 10 percent decline in the number of dairy cows kept was more than offset in production per cow (up 50 percent).

Production per man increased 40 percent in only six years. To do this, farmers increased capital investment by more than 50 percent. The total capital investment per farm rose from \$62,000 to \$95,000.

"These good farmers had to do all these things just to keep their income constant," Hadley pointed out.

What happened to farmers not able to meet the competition?

Their incomes from farming are falling.

They are moving into non-farm occupations at a rapid rate. Nearly half of them have non-farm incomes greater than their farm incomes. Their total income per capita is about 15 percent higher and their purchasing power is about the same as it was in 1947.

"We are in a period of great agricultural change," Hadley observed. "The next 15 to 25 years are likely to be among the most interesting and challenging of all time. Competition will be fierce, stakes will be high, and those who will win will win big."

Holds Annual Christmas Party

The Anthony Nigo Chapter, D. A. R. held their annual Christmas party at the home of Mrs. Frank Smith.

Mrs. Eldred Paulus, Regent, opened the meeting with our Ritualistic service. Mrs. Ernest Igo read our State Regent's message.

Mrs. Kenneth Riner gave a very enlightening article on the Marxism influence in Christmas Cards. Mrs. Bernice Rush gave an interesting talk concerning Conservation.

Mrs. Miles Manwaring, D. A. R. Good Citizens Chairman, reported that Rosalene Baker from the Sidney School was chosen as the D. A. R. Good Citizen.

A contribution to our Fashion Parade from the Dr. Manasseh Cutler Chapter of North Manchester was gratefully acknowledged.

Mrs. Frank Smith was in charge of the following program:

The Christmas Story as given in Luke by Mrs. Arthur Brown.

What Do You Want For Christmas? given by Mrs. Smith.

Mrs. Ray Linn read, Giving of Yuletide Gifts, Symbol of God's Love, and Childhood Yuletide Scenes.

Mrs. Linn then trimmed a Christmas Tree with early ornaments from her collection dating before 1890 when Woolworth's first imported electric light bulbs and ornaments for Christmas Trees. She also told of the significance of the decorations used. Displayed also were some of the early Candy Containers from Mrs. Linn's collection.

The Warren Sisters, Bonnie and Carol, favored us with selections on the accordion and Hawaiian Guitar as follows: Silent Night, Joy to the World, Rudolph The Red Nosed Reindeer, and Bringing in the Sheaves. While refreshments were served they played other numbers.

Mrs. Smith showed colored slides of our Fashion Parade and pictures taken at State Conference this fall. The house was beautifully decorated in keeping with Christmas. A pink Christmas tree trimmed with fuchsia colored bells had gayly wrapped packages underneath which were exchanged, after which our hostess served dainty refreshments from a table lovely with its decorations in keeping with the color scheme of pink, fuchsia, silver and bronze which was used throughout the house.

An Auction of Christmas Cookies was held. Our next meeting will be January 14 with Mrs. Sherman Bybee as hostess.

Some Christmas gift suggestions for the home owner could be good pruning shears, a duster or sprayer, a seed order for flowers or vegetables, home and garden equipment, or a subscription to one or several horticultural magazines.

Mentone Basketball

As Reported by Larry Teel

Friday night in the Mentone gym, a fine basketball game was played. The odd part of it is that only one team actually participated—Piercetown.

The Cubs put up an iron defense and forced the local five to fire from long range.

Except for a few moments in the late stages of the first quarter the Bulldogs did not look good enough to beat a seventh grade team.

If Mentone expects to be a contender in any of the three coming tourneys, one in Mentone next week, they are going to have to put forth more effort and desire than they showed in the Piercetown game.

Throughout the contest the hosts showed little bustle. If the ball was loose on the floor and they were closest to it they as-

sumed that Piercetown would let them get it, but more often than not the cubs would beat them to the ball.

The Bulldogs also seem to have little desire to win, if they don't want to give all they have every second they need not expect to go far in any tourney they enter.

Cold weather definitely is with us, says the Motor Club, and drivers shouldn't be fooled by brief periods of warm sunshine. Frost can cause a slippery glaze on streets and highways, especially at night and during early morning hours. Special caution is urged when driving on bridges and overpasses, where frost is likely to accumulate at this time of year.

We're making solid gains in the fight against cancer, in the research laboratory, in the hospital and in the home. Ten years ago medical knowledge was able to save only 1 in 4 lives—today it's saving 1 in 3.

Progress is being made in the treatment of leukemia patients whose lives are now often lengthened by many months and sometimes years. New surgical techniques, diagnostic methods, and an informed public are important reasons for these gains. More and more people have learned that many cancers are curable if detected in time. And, sensibly, more and more people have formed the life-saving habit of an annual health checkup. They know it's living insurance against cancer!

The Motor Club reminds drivers that following the vehicle ahead too closely leaves little room for safety. The recommended following distance under ideal driving conditions is one car length for every 10 miles an hour of speed. If roads are slippery, traffic is heavy, or visibility is poor, a much greater distance is required for maximum safety.

The Motor Club reminds holiday shoppers not to window shop and drive at the same time; not to put packages on the seats or back ledge of your car; not to cross the street in the middle of the block; and not to cross a street while carrying packages which interfere with your vision.

It'll pay you to remember that the cost of experience has gone up like everything else.

Merry Mollys Have Party

Recently the Merry Mollys met at the home of Mrs. David Cooper for their annual Christmas party. Assisting her on the committee were Mrs. Donald Bennett as chairman, Mrs. Dale McGowen and Mrs. Jerry Hudson.

Mrs. Lamar Leffert installed the officers for 1959 and they are as follows: Mrs. Robert Hirschman as president, Mrs. Donald Bennett as vice president, Mrs. Clayton Holloway as secretary and Mrs. David Cooper as treasurer. Health and Safety leader will be Mrs. Jerry Hudson; the reporter, Mrs. Dale McGowen, and song leader, Mrs. Donald Horn.

After the close of the short business session, we found out the identity of our secret pal, then new secret pals were chosen. We had a grab bag gift exchange and then the entertainment followed.

A gift was presented to Mrs. Glen Mellott for her fine job as past president of the club. Corsages were presented to Mrs. Mellott and Mrs. Robert Hirschman. Mrs. Marion Smith received a gift from her secret pal.

Delicious refreshments with the Christmas theme in mind were served by the committee. Besides the above mentioned, also attending were the Mesdames Gene Sarber, Glen Puterbaugh, Harold Horn, Carl Whetstone, Herschel McGowen, Dean Meyer and Al Runnells. Mrs. Donald Horn was unable to attend.

The Motor Club warns drivers to allow for weather conditions when planning holiday travel. When there is snow or rain the sensible driver will reduce his speed according to conditions and will allow himself more time to get to his destination. You can't regulate the weather, but you can regulate your driving.

Reading Club Christmas Party

Members of the Mentone Reading Club enjoyed a Christmas party at the home of Mrs. F. B. Davison on Wednesday evening, December 3. Mrs. Bernice Rush was assisting hostess.

Miss Von Jenkins presided at the business meeting. Mrs. Chas. Manwaring gave a good report on the response of our members to the gifts for the mental patients. A get-well card was signed by all present for Teddy Shoemaker. Two new members, Mrs. Mary Cox and Mrs. Paul Rush, were introduced.

Mrs. Miles Manwaring and Mrs. Denton Abbey were in charge of the program. The high school triple trio sang three numbers. They were "If I loved you," "The Orchestra," and "Cherabun No. 7." Members of the triple trio were: Tana Henderson, Sandra Miller, Pamela Hammer, Janice Davis, Linda Goshert, Loretta Smith, Susie Sullivan, Donna VanGilder, Kay Taylor. Janet Besson is accompanist. Mr. Bush, our music instructor, directs the group.

Mrs. Abbey then showed film strips of pictures of the Life of Christ, from His birth to crucifixion, as a number of Oriental artists visualized and painted them. These were very beautiful and impressive.

Dainty refreshments of holiday cookies and sweets were served from the dining room table, which was beautifully decorated in keeping with Christmas. Mrs. Dan Urschel and Mrs. Oliver Teel served the guests.

In winter driving, the Motor Club urges you to change your driving habits to fit the season and to be extra alert for winter's deadly tricks.

Traffic Heavy On Holidays

The Chicago Motor Club estimates that on Dec. 24 and Dec. 25 a total of 465,000 cars will be on the highway within 150 miles of Chicago.

The club's touring department points out, however, that the number of cars on the road will depend on the weather. But with good driving conditions, approximately 310,000 cars will be on the highway Dec. 24 and another 155,000 on Christmas day.

J. J. Cavanagh, club president, has asked motorists and pedestrians to be especially alert during the holiday period.

"Most of us fail to realize that the Christmas holiday is the most dangerous time of year for anyone who is walking or driving," he said. "The holiday season is wonderful, but the best way to preserve the Christmas spirit is to take the responsibility of careful walking and driving."

The Motor Club urges pedestrians to obey traffic signals and cross only at intersections. It asks motorists to be alert for slippery spots; to keep windshields clear at all times; signal before stopping or turning; keep a safe distance behind the car ahead; be considerate of pedestrians; and to drive at a speed suitable for existing conditions.

Courtesy yields large dividends, but it is an investment that is too often overlooked.

Feeding legume silage may cut protein costs for the dairy herd, say Purdue University dairy scientists. Feeding trials conducted at South Dakota indicate that cows fed legume silage produced as much milk on a corn-oats mixture as when a higher protein mixture was fed.

Fuel tanks should be kept full in cold weather, according to Purdue University agricultural engineers. Filling the tank in the evening will reduce the amount of moisture which can condense overnight.

Better Daughters Meet

On December 16, 1959, the Beaver Dam Better Daughters met at the home of Diane Adams with Luanne Teel as co-hostess.

The pledges were led by Rita Lockridge and Duane Cumberland.

Roll call was answered by "What We Want Under Our Christmas Tree." It was answered by 26 members.

The old and new business was discussed.

Demonstrations were given by Duane Adams and Luanne Teel.

The Health and Safety report, on Sanitation, was given by Carol Baumgartner.

Dixie Bergstrom conducted the meditation for the evening. She read a poem entitled, "Step by Step."

Songs were led by Diane Fleander.

We then each received a gift and played "Dirty Bingo" to see what we would end up with.

Delicious refreshments were served to 26 members, three guests, seven mothers and two leaders.

The next meeting will be held January 12, 1959.

TOO MUCH NEWS FOR LAST ISSUE

Lack of space prevented us from printing all the news articles we had in type for our last issue. They are printed in this week's paper.

Living Costs Will Hold Steady

Prices of everyday necessities will settle down for the next six to nine months, predict the editors of Changing Times, the Kiplinger Magazine. There may be mild increases in the price of fl-fl, shoes and plumbing equipment, but reductions in such important areas as food and textile items will keep living costs in check.

Borrowing money, however, is going to be another story. It will get tougher. The screws are being tightened to contract the money supply available for lending as an anti-inflationary move. You'll feel the effects should you shop for a mortgage or attempt to finance a car. Prospective borrowers might as well

face it—they will have trouble finding money and more trouble getting a loan at an interest rate within their expectations.

The Corn Belt's Contribution to Christmas

Here in the Midwest everyone is familiar with corn, but few realize how much the yellow grain contributes to Christmas.

The Corn Industries Research foundation reports how the great crop of the Corn Belt helps produce many things that make Christmas merry.

Corn's Yuletide role begins before Christmas, when your mail becomes heavy with greeting cards. Probably every card was made with paper sized with corn starch, printed with colored inks containing starch, and came in an envelope sealed with a derivative of starch called dextrin.

Starch has similar functions in making Christmas wrapping papers, seals, stickers, colored ribbons and shiny cords and even the spoils that hold them. You could have Christmas without corn starch, alright, but it would not be half as pretty.

The Christmas morning treasures under your tree, remind how useful is the versatile corn starch in the workshop of Santa Claus. Here are dolls (starch used

in manufacture of the head); doll houses and doll furniture (starch as an adhesive); locomotive and other metal toys (starch in the casting of certain parts).

Starch and other products of corn—dextrose and corn syrup—are represented in many gifts; games and playing cards, books and their jackets, cotton clothing, luggage, leather goods, cigarettes and tobacco, phonograph record albums and envelopes, candy of many kinds, gingerbread icings and other Christmas confections, and the cartons and boxes in which gifts are contained.

The turkey for dinner probably was raised on a ration containing corn gluten meal or corn gluten feed, high-protein by-products of the corn-refining process. Their contribution to Christmas is likely greater than any cited above, for the Corn Industries Research Foundation credits the rumor that Santa Claus regularly feeds them to his reindeer.

Married In Tennessee

Miss Donna Jean Ford, daughter of Mr. and Mrs. James Claude Ford, became the bride Saturday, Dec. 13 of Ronald K. White, son of Mr. and Mrs. Delois White of Kokomo, Ind. The ceremony was performed at Nashville.

In the ceremony at the Granny White Church of Christ, Mr. White, father of the bridegroom and a Church of Christ minister, officiated. A vocal group from David Lipscomb college sang nuptial music.

The church was decorated with groupings of green Christmas trees sprinkled with silver glitter. The altar was centered with an arrangement of pink poinsettias, flanked by pale pink tapers burning in seven branched candelabra.

The bride was given in marriage by her father. She wore a waist-length gown of Chantilly lace over satin, featuring a figurine bodice with a tulle yoke and Peter Pan collar of lace. The bouffant skirt, scalloped at the hemline, was highlighted by a ruffled flounce of tulle.

Her fingertip veil of imported silk illusion was attached to a tiara of iridescent sequins and pearls. She carried a cascade arrangement of silver Christmas balls centered with a white orchid and accented with ivy.

The bride's sisters served as bridesmaids. Miss Claudine Ford was maid of honor and Mrs. Charles Crosier of Carthage, Tenn., was matron of honor. Miss Mary Lou Ford and Miss Martha Sue Ford were bridesmaids. Cecil Marie Ford of Chicago, niece of the bride, and

Janet White of Kokomo, sister of the bridegroom, were junior attendants.

They wore identical dresses of pink velveteen with bateau necklines and overskirts of taffeta. They wore matching headbands of pink velveteen. They carried cascade arrangements of pink Christmas balls, covered in net, with garlands of black ivy.

Robert E. White of Kokomo, brother of the bridegroom, was best man. Ushers were Charles D. Crosier of Carthage, James A. Ford of Chicago, brother of the bride, Keith L. Besson of Mentone, Ind., and Morgan Stapleton of Terre Haute, Ind.

Following the ceremony, the parents of the bride entertained at a reception at the home on Grandview Drive. After a wedding trip to Florida, the couple will reside on Gale lane.

Mary Jo Vandermark of Rochester, Ind., and Dorietta Chaffin of Carthage, Tenn., served at the reception.

The groom is a junior at the David Lipscomb College, Nashville, and the bride is a bookkeeper at Tennessee Products Co.

Those attending from Mentone were Mr. and Mrs. Delemer White, Mrs. Clarence Leininger, Miss Nelson, and Mr. and Mrs. Russell Eber.

TRAVELING STORY

Some news articles, due to the unusual facts involved, travel from one end of the country to another. The article in the News some time ago about a piece of caramel corn "sticking" the big vault door at the Mentone Farmers State Bank, has been reprinted in many publications. The latest received at Mentone is the Riverside, California daily.

Dies From Fall Injuries

Services will be held at the Tippecanoe Community church at 1:30 p. m. Friday for Willis Lawmaster, 41, of Elkhart.

Mr. Lawmaster, formerly of Tippecanoe, died Sunday in the Elkhart General Hospital from injuries suffered when he fell from a roof in Elkhart Dec. 17. Lawmaster was doing construction work when he slipped and fell, striking his head on a wooden form.

The deceased was born March 15, 1916 the son of Mr. and Mrs. George Lawmaster who reside in Tippecanoe. He was married to Virginia Thomas in 1947. She survives.

Other survivors are two sisters, Mrs. Evelyn Davis of South Bend and Arlene Johnson, Plymouth, and three brothers, Clifford of Bourbon, Walter of Napanee and Oliver of Plymouth.

GUESTS OF D.A.R.

Mrs. Kenton Priser of Syracuse, R. R. 3; Mrs. Frank Smith and Mrs. Ray Linn of Mentone, were recent luncheon guests of Mrs. F. R. Burns of North Manchester.

In the afternoon Mrs. Linn and Mrs. Smith were guests of the Dr. Manasseh Cutler Chapter D.A.R. at their Christmas meeting held at the Peabody Home of North Manchester. Mrs. Priser is their Regent. Mrs. Linn decorated a Christmas tree as they were decorated at both ends of the nineteenth century using her old ornaments. Mrs. Smith assisted her.

Mr. and Mrs. Raymond Cooper had their Christmas exchange at the home of Mr. and Mrs. David Cooper, Sunday evening.

Mentone Lions Host Ladies

The Mentone Lions club entertained the ladies at a special meeting held last Wednesday evening.

Following a delicious dinner, the group was entertained by a triple trio of the Mentone school and a Miss Thomas, teacher in the Fort Wayne schools, showed colored slides taken while on a trip to Japan last summer.

Decorations for the occasion were in keeping with the holiday season.

HAS OPERATION

Bill, 17-year-old son of Mr. and Mrs. Wilvin Teel, had an operation on his knee at the Woodlawn hospital last Thursday. He is to be released from the hospital Thursday. Bill suffered a torn cartilage and ligament in basketball at the Beaver Dam high school.

MUST FILE TAX RETURNS

M. O. Mentzer states that all those receiving social security who earned \$400 or more during the year, must file a tax return even though they may not be liable for a tax payment.

CHRISTMAS GREETINGS

This issue of the News carries the greetings of the business and professional people of the Mentone vicinity.

Antibiotics in the laying mash at levels of 50 to 100 grams per ton have been found helpful when egg production is hurt because of certain disease stresses, Purdue University poultry scientists assert.

EMPLOYEES ENJOY PARTY

A Christmas party for the employees, members of their families and friends enjoyed a Christmas dinner in the new 30x80 truck repair building at Dickerhoff Trucking. A dance followed the dinner.

Those present were Mr. and Mrs. Ron Overmyer and Mr. and Mrs. Richard Dawson of Rochester; Mr. and Mrs. Max Hubbard of Warsaw; Mr. and Mrs. Howard Stutzman, Mr. and Mrs. Kenneth Anglin, and Donald Zentz of Etna Green; Richard Felabom and Mrs. Burdena Gall of Silver Lake, Mr. and Mrs. Don Snyder, Mr. and Mrs. Kenneth Hudson, Mr. and Mrs. Emory Mosier, Mr. and Mrs. Chan Stine, John Feldman, Mr. and Mrs. Ned Igo, Mr. and Mrs. Dean Nellans, Jerry Ross and Miss Barbara King of Mentone, Mr. and Mrs. Don Everly, Bourbon, and the host and hostess, Mr. and Mrs. Richard Dickerhoff.

Mrs. Richard Manwaring, Mrs. Ned Miller, Mrs. Chick Herendeen, Mrs. Frank Smith and Mrs. Ray Linn of Mentone and Mrs. Paul Hamlin of Etna Green, spent Wednesday, December 17 in Chicago attending "My Fair Lady" and viewing the lovely Christmas decorations.

Janet Reed and a schoolmate at Purdue, left Saturday noon for Tucson, Arizona where they will spend the holidays with the parents of Miss Bernice Thrall, the classmate.

Menton Chun, of Hawaii, a student at Purdue University, is spending the holidays with Dick Tombaugh, who also attends the university.

Food for thought is the only kind that hasn't been affected by the high cost of living.

Engagement
Announced

Mr. and Mrs. Chester Coplen, Mentone, announce the engagement of their daughter, Donna Rae, to John Alva Mellott, son of Mr. and Mrs. Joe Mellott, R. 1, Etna Green.

Miss Coplen was formerly employed at Coopers' Store in Mentone. Her fiancé, who served with the army in Korea, is engaged in farming.

A February wedding is being planned.

ADULT FARM CLASSES
TO START JAN. 5

The Mentone Adult Farmers Classes will hold a series of 10 meetings starting Monday evening, Jan. 5th, at 7:30 DST in the Voc. Ag. class room in the Mentone school, according to an announcement by Robert Hewlett, instructor at the Mentone school.

These meetings will deal with current problems of the farmer and all farmers in the surrounding area are invited to attend.

RUMMAGING

Lee Edwin Norris brought a 1926 Mentone newspaper to the News office Saturday. He found it on the farm he bought from his grandfather, Russell Norris. He also came upon an operation manual for a 1914 Model T and also one for a 1928 Chevrolet.

CLUB CALENDAR

The Mentone Home Demonstration Club will meet Thursday, Jan. 8, at 1:30 p. m. with Mrs. Roy Cox.

The Mentone Reading Club will meet at the home of Mrs. Walter Lackey next Wednesday evening, Jan. 7.

Mentone O. E. S. meeting on Monday evening, Jan. 5 at 7:45 DST.

Sunday a Christmas dinner for Mr. and Mrs. Donald Blue and son of Elkhart; Mr. and Mrs. Ralph Baker and family of Bourbon; Miss Marie Silveus and Mrs. Pete Blue was served at the home of Mr. and Mrs. Rex Yazel and family.

Mr. and Mrs. Carey Landis spent Christmas day with his mother, Mrs. John Landis and sister, Mrs. Velma Shaffer.

MENTONE MASON HONORED

Ora L. McKinley, Mentone, was elected president of the Actual Past Masters' Association at the close of the 30th annual reunion of the association held in the hall of Deming Lodge No. 88, Free and Accepted Masons, on December 29th, North Manchester, Ind.

Other Past Masters attending the reunion from Mentone were Eugene Marshall, Philip Lash, Ralph Mollenhour, Lyndes Latimer, Ned Igo, Loren Tridle and Lyman Mollenhour. Forrest Miner, Master Elect of the Mentone lodge, also attended.

Mr. McKinley has taken an active part in the Pastmasters' Association for a number of years.

New Son

A seven pound son was born to Mr. and Mrs. Stanley Yeiter early Wednesday morning at the Woodlawn hospital. He has been named Matthew Brett. Grandparents are Mr. and Mrs. Fred Lemler of Mentone and Mr. and Mrs. Beryl Yeiter of Atwood.

Mr. and Mrs. Loren Tridle and family had Sunday dinner with Mr. and Mrs. Glen Tridle of Sidney. Mr. and Mrs. Earl Tridle and family were also present. A Christmas gift exchange was enjoyed later in the afternoon.

Charles Urschel, who is attending the University of Chicago, and Sara, from Valparaiso University, are spending the holidays with their parents, Dr. and Mrs. Dan Urschel.

A New Type Face

The type in this issue of the News is set in a new type face, called Corona with Erbar Bold. The title may mean little to our readers, but we trust its legibility and readability will. The Ionic face which we have been using for a number of years, has been a faithful one on our Linotype typesetting machine, and likely it has served to set many miles of type during its useful life.

Type lines are assembled on a Linotype much as one would use a typewriter to type a letter, except that the assembled letters are really indented brass molds against which molten type metal is cast, forming one complete line. The molds, or matrices, are then mechanically returned to their proper positions in the machine to be used again. One set of these matrices contains some 1,400 characters. Their present cost is 32c each.

Mr. and Mrs. Howard Severns of Tippecanoe; Mr. and Mrs. Kenneth Severns of Ft. Wayne; Mrs. Minnie Busenburg and Mrs. Alice Busenburg and children were guests of Mr. and Mrs. Eddie Jones and Suellen Shepherd in Burket on Christmas eve.

A ham and turkey dinner was served on Christmas day at the home of Mr. and Mrs. Rex Witham and family. Those present were Mr. and Mrs. Howard Stutzman and family; Mr. and Mrs. Robert Riewoldt and sons, Mr. and Mrs. Robert Burnett and family; Mr. and Mrs. Alan Rovenstine and Mr. and Mrs. Arthur Witham.

BOWLING TEAM WINS
SECOND PLACE HONORS

The Meyer's IGA bowling team, managed by Dean Meyer of Mentone, came in second in the city tournament recently at Rochester. Thirty-six teams participated in the tournament, and the Meyers team went down 37 pins against the boys from Deedsville, 2851 to 2888.

Bowlers on the Mentone team are Dean Meyers and Dwayne McKinley of Mentone, Warren Miller and Clyde Harvey of Talma and Bob Green of Rochester.

MEN HONORED BY
F. F. A. CHAPTER

The Mentone F.F.A. chapter held a special meeting Dec. 29 to initiate the honorary chapter members selected by the chapter. Delford Nelson and Ed Severns were selected to receive this honor for the fine support they have given the Mentone FFA chapter in the past years.

H. D. Council
To Meet

Mrs. Dean Brown, president of the Kosciusko County Home Demonstration Council, has called the first meeting of the Council on Monday January 5, 1959 at 12:00 noon at the Steer Inn, on Road 15 south near Silver Lake.

The business meeting will be preceded by a luncheon. At this time changes in the year's program will be announced and important coming dates emphasized. Reports of various committees including the auditing committee will be heard.

Mrs. Brown requests each president to attend or send a representative. Any presidents who are planning to take a guest should notify either Mrs. Brown or the county extension office.

Program books are now ready and may be exchanged for enrollment cards at the Extension Office.

SUFFERS BURNS

Mrs. Asa Dirck was taken to the Woodlawn hospital Monday. She is suffering from a scald which resulted when she spilled a cup of hot coffee on her lap Friday.

Mahlon Jefferies
Buried Saturday

Mahlon H. Jefferies, aged 71 years, died Wednesday of last week of a heart attack at his home northeast of Mentone, after an illness of 18 months. A retired farmer, he had been a lifetime resident of this community.

Mr. Jefferies was born June 27, 1887, near Mentone, to Isaac and Lucetta (Kesler) Jefferies. March 16, 1906 he was married to Beryl Aker who survives.

Other survivors are a daughter, Mrs. Kenneth Menzie, of Mentone; three sisters, Mrs. William Austin, Proctor, Minn., Mrs. John Eherenman, Mishawaka, and Mrs. Max Turner of Warsaw, and one granddaughter. A son preceded him in death.

Funeral services were held at the Johns funeral home at two o'clock Saturday afternoon. Rev. Milton Persons, of the Mentone Methodist church, officiated.

Mr. and Mrs. Kenneth Romine and boys had as their guests Tuesday evening the following: Mr. and Mrs. Bob Whetstone and boys, Mr. and Mrs. Raymond Lewis and family, Mr. and Mrs. Wayne Bowser and family and Mr. and Mrs. Bob Anderson and family of Midland, Michigan.

Mrs. Bernice Rush had her family home for supper and Christmas exchange Sunday evening. Those present were Mr. and Mrs. Tony Hight and family of Etna Green, Mr. and Mrs. Don Rush of North Manchester, Mr. and Mrs. Forrest Hoffer and family and Mr. and Mrs. Thurman Ridgeway and Steve of South Bend, Mr. and Mrs. Paul Rush and family and Mr. and Mrs. Miles Manwaring and family of Mentone.

Mr. and Mrs. Merl Linn had Christmas dinner with Mrs. Bessie Robbins and Virgil.

Mr. and Mrs. Arthur Kendall, and Mr. and Mrs. Jim Estes and son were in Indianapolis Sunday, where they enjoyed a family Christmas dinner at the home of Mrs. Kendall's mother, Mrs. Grace Cermihlt.

Mr. and Mrs. Harry Gobble and daughter and Mrs. Folsom Nuell visited Sunday with Mr. and Mrs. Joe Wideman of Larwill. Mrs. Nuell is the mother of Mrs. Gobble and Mrs. Wideman.

At the Door of the Year

I STAND at the door of the glad New Year
And knock with an eager hand
And wait with a will to step over the sill
Into an unknown land.

What shall I take for the journey ahead?
Courage of every kind?
But the doubts and fears of the bygone years
I shall certainly leave behind.

I shall drop my mistakes by the side of the road
And bid all my grudges depart,
But the love of a friend I shall keep to the end,
And cherish it close to my heart.

The problems of life with their turmoil and strife
I shall leave to the courage of youth,
But with limitless faith in God's infinite grace
And the ultimate triumph of Truth.

Mentone Basketball

As Reported by Larry Teel

Saturday night Mentone de-
feated the Beavers of Beaver
Dam, 65-47, to capture the 4-
way tourney championship.

The Bulldogs burst to a 19-8
lead at the end of the first
quarter and were never threat-
ened after that.

Throughout the second half
the Beavers could not manage
to come within 16 points of the
tourney hosts.

It appears that the Bulldogs
are on their way up again and
we want to wish them good
luck tomorrow night as they
play host to an experienced
South Whitley team.

Mentone's Bulldogs advanced to
the finals of the 4-team tour-
ney Friday night as they downed
Silver Lake, 38-33.

This game featured two very
"cold" teams as Mentone hit 12
of 70 field goal attempts for a
17% average and the Ramblers
connected for a 27% total on
12 field buckets on 43 shots.

Mentone led all the way but
never more than 5 points.

CUB SCOUT PACK MEETING HELD

The Cub Scouts opened their monthly pack meeting by singing Christmas songs.

Den 4 made a Christmas tree puzzle and had a poem about each part of the tree. They also made the ornaments that were on the tree.

Den 2 acted out a play about the Golden Rule: "Do unto others as you would have others do unto you." They made bath salts pins for their mothers and for the fathers bird feeders and gloves with the word "Dad" painted on them.

Den 1 made things for their mothers and fathers, too.

What Is The Largest "Woman's Club" In Indiana?

**1,029,000 Women Who Save Trading Stamps
Are The Largest "Woman's Club" In Indiana**

Every day over 1,029,000 Indiana women make it a point to shop where they get trading stamps. This large group of smart, thrifty Indiana shoppers, with their common interest in trading stamps, can be thought of as a huge "woman's club" with membership in the state.

Of course this "club woman" gets wonderful things for her home and family through such favorites as S&H Green Stamps. Through her thrift and diligence she provides "extras" for her family. And although she may seldom think about it, her active saving is enormously good for business in our state.

Last year, for example, trading stamp companies purchased \$25,538,000 worth of products from Indiana manufacturers. Making these things provided jobs for 2,392 Indiana people. S&H Redemption Stores, paying local rent and taxes, employ many more.

In the light of these facts it would seem that not only Indiana women, but everybody in the state can be thankful that the trading stamp is a part of our way of life.

This message is published as public information by THE SPERRY AND HUTCHINSON COMPANY, originator 63 years ago of S&H Green Stamps.

arrow for working in his bear book.

Mike Gross and Benny Skaggs got bobcat pins.

Benny Skaggs and John Wentzel put on a flag ceremony after the awards.

We had a gift exchange and then we had refreshments from a lovely table decorated by Den 4.

WHY NOT?

In Chicago, a merchant decided to stop advertising to save money. His wily ad executive asked, "Why don't you also stop your watch to save time?"

The man who tries to please everybody shows little respect for his own way of thinking.

Seward Farm Bureau Meets

The Seward Township Farm Bureau held its December meeting at the Burket gym on Thursday evening, December 18. The meeting opened with group singing led by Mrs. Murphy

with Mrs. Gable at the piano. The songs were "Jingle Bells" and "Silent Night."

Mrs. C. C. Tullis, for devotions, read the Christmas story from Luke and a poem, "What if Jesus had not come" and closed with prayer.

Gary Pfeiffer played two cornet solos, accompanied by Jackie Pfeiffer. Jackie Pfeiffer gave two piano solos, "Silver Bells" and "Frosty the Snowman." Gregory Pfeiffer then sang two songs, "Jolly Old Saint Nicholas" and "Away in a Manger," accompanied by Jackie Pfeiffer. The group then saw a film-strip, "The Song the Shepherds Heard." Jackie Pfeiffer furnished the musical background for it.

The secretary and treasurer's report was read and approved. The officers for the new year were then installed by Ralph Frantz, county chairman.

Mr. Frantz then gave an interesting and informative report of his trip to the national convention at Boston. The outstanding speaker was Madame Chiang Kai Shek who told about the farmers in China. She said the Communists promised them everything, but now the farmers are in the Communists' grip and cannot get out of it. Sen. Byrd and Hassel Schenck were given awards for outstanding work. The Senators, who were present and spoke said they were glad Farm Bureau was not a political organization, but one interested in everyone.

The group then saw two movies, "Christmas at Grandfather's Farm" and "The Cuckoo Clock that Would Not Cuckoo."

Santa appeared and treated the crowd and refreshments were served.

Little harm will come to tomorrow's joy if you borrow a little of it for today.

Friendly Neighbors Christmas Party

The Friendly Neighbors home demonstration club held their annual Christmas meeting on December 11 at the Steer Inn.

After partaking of a delicious dinner, the business session was opened by the president, Mary Shirey, with the pledge to the flag, the culb cred, and the singing of "America the Beautiful." Meditation, "The First Christmas" was given by Helen McGinnis. Maude Romine led the group in singing "Come all Ye Faithful," "Silent Night," and "Joy to the World."

Roll call was answered by twenty members who tried to guess their Secret Pal. Donna Eaton was our guest.

Christmas cards were sent to Beryl Jefferies and Stella Studebaker.

During the social hour dirty bingo was enjoyed with prizes going to Golda Jefferies, Jerry Nellans, Marie Deaton, Thelma Eaton, Mary Shirey and Golda Mollenhour.

"Of all the paths that lead to a woman's heart, pity is the straightest."

H. D. Leader Training Lesson

The first leader training lesson for the home demonstration clubs, "Putting More Life into Living," will be held at the Farm Bureau Co-Op building on road 15, north Warsaw, from 9:30 - 3:30 on January 6, 7, 8, 9.

Clubs Active Ladies—Eight Square will report January 6; Etna—Ladies of the Lake, January 7; Lake Township—Purdue Home Extension January 8 and Purdue Home Project—Willing Workers January 9.

CARD OF THANKS

We wish to take this means of expressing to the many friends of Bessie DeWitt our sincere thanks and appreciation for the many, many acts of kindness and manifestations of sympathy through personal deeds, floral tributes and cards. Knowing that so many were so much concerned during our Mother's short illness and passing will continue to be a source of great comfort to us.

SINCERE THANKS

In behalf of Mrs. Lizzie Morgan who celebrated her 96th birthday Dec. 11, we want to extend our sincere thanks and appreciation to all who remembered her with birthday and Christmas cards. She received over one hundred, 45 coming from Mentone alone. While her eyesight and hearing are failing, her memory is wonderful. If any of you are ever at Warsaw and have a minute to spare, drop in any say hello. I am sure that when you leave her room you will feel your time was well spent. We also want to thank the one that was so kind as to publish this item.

A very dear Warsaw friend of Mrs. Lizzie Morgan.
