ETHEL REED PASSES  
AWAY WEDNESDAY

Mrs. Ethel Reed passed away at 2:45 p.m. Wednesday at the Murphy Medical Center in Warsaw.

Mrs. Reed has been in failing health for several weeks, and was admitted to the hospital on Monday.

Her husband preceded her in death several years ago. A son William survives.

Funeral arrangements are incomplete at this time.

The Reed Funeral Home is in charge of arrangements.

FIVE-ACRE CORN  
PROJECT WINNERS

Steven Yant of Silver Lake was named the winner of the Kosciusko county Five-Acre corn project with a yield of 170.1 bushels per acre. Mr. Yant and his father, Walter, farm in the area of Loon lake in Seward township. Paul Hollar of Jefferson township was runner-up with a yield of 163.3 bushels and Harold Wilson, also of Jefferson township, was third with a yield of 160.7 bushels per acre.

Greg Jackson of Jefferson township was the winner of the Junior Contest with a yield of 148.2 bushels. Don Bucher of Syracuse was second with 127.1 and Gale Nellans of Mentone had a yield of 126.1 bushels.

Others placing high in the adult contest were Worth Jackson, Milford, with 160.5 bushels per acre; Don Stackhouse, Bourbon, 145.5 bushels; Lowell Vining, Etna Green, 139.3 bushels; Roy Little, Claypool, 138.9 bushels; John Teel, Mentone, 138.6 bushels; Orval Swick, Akron, 138.2 bushels, and, Cletus Griffith, Etna Green, 137 bushels per acre.

## BIRTH

Arriving Dec. 3 on the 4:08 p.m. Stork Flight No. 3, a 7 lb. 3½ oz. bundle called Eric Lane, was delivered to Gerald and Sharlene Ross of Mentone. Proud grandparents are Mr. and Mrs. Mace Warren and Mr. and Mrs. Sam Ware.

## CUB SCOUTS NEED HELP

There will be a Cub Scout meeting at the Mentone Methodist Church Tuesday evening at 7:30. All persons interested in the Cub Scout program please be there.

WOUNDED IN  
TAVERN SCRAP

Estil Bellamy, 36, of Mentone, was wounded with two bullets in his left hip about 10:30 last Saturday night when Fred Wolford, 38, also of Mentone, fired four shots in the crowded Lake Trail Cafe in Mentone. Two of the shots went wild, one going out through the center of a front plate glass window, and another through the wall into the drug store where it shattered a fluorescent light.

It was reported the shooting erupted suddenly, allegedly because of Bellamy's attentions to Wolford's ex-wife.

Following the shooting Wolford was arrested at the home of a sister in Marshall county, and Bellamy was found at his home and was directed to go to the hospital, where he spent Saturday and Sunday.

Wolford was also treated and released to the county jail. He suffered a gash on the head inflicted by Bellamy after he took the gun from the man.

Charges of intent to commit manslaughter, and for carrying a pistol without a permit were filed against Wolford Monday.

## NAME HEIR

Golda Mollenhour of Mentone has been named heir in the will of her husband, C. O. Mollenhour, of Mentone. The will was dated Aug. 29, 1953. There was no estimate of the estate value. Mr. Mollenhour, long time resident of Mentone, died Sept. 10, 1962.

## CALENDAR

Mothers of World War II will meet Monday, Dec. 10 at 6 p.m. at Ethel Whetstone's for Christmas dinner and exchange.

Merry Mollys Home Demonstration Club will meet at 7:30 p.m., Dec. 10 at the home of Mrs. Marion Smith for Christmas party.

Mentone Unit No. 425 American Legion Auxiliary meeting Tuesday, Dec. 11. Bring \$1 gift for Christmas party exchange.

The Royal Neighbors will have a Christmas party Tuesday, Dec. 11 at 6:30 at the home of Emma Cook. Bring 50c gift and gift for bingo.

DAR meets Dec. 11, 7:30 with Mrs. Max Smith.

Mentone Home Demonstration Club will meet with Mrs. John Laird at 11:30 to go to Horn's for Christmas party on Dec. 13.

COURT FAVORS  
NEWCASTLE TWP.

Newcastle township citizens who are proposing to join the Tippecanoe Valley School Corp. won their first battle recently when Judge Robert Caine of Grant circuit court overruled a demurrer by the Fulton county school reorganization committee and Fulton County Clerk, Gerald Knauff. Knauff was recently defeated in his renomination race for county Clerk of Fulton Co.

The court ruled against the demurrer filed by the defendants stating that the plaintiffs did have a right to file suit in court against the school reorganization committee and clerk.

Newcastle township residents two years ago petitioned the Fulton county school reorganization committee to release them from the county plan so the township could join the Kosciusko county plan.

The Newcastle group contends it had enough signatures on the petitions requesting the township be transferred.

No date has been set for the trial. Newcastle is now a part of the Fulton county school plan that was passed by a majority of voters in that county. However, Newcastle township residents voted down the county plan.

An injunction has been secured by groups in Fulton county that has stopped any consolidation of schools in that county.

## BREAKS ANKLE

Monday evening Ted Shoemaker, son of Mr. and Mrs. Kenneth Shoemaker, had the misfortune of falling while shooting baskets in the gym. A bone in his ankle was chipped as well as some torn ligaments; all making Ted feel real uncomfortable, and unable to be very active for several days.

*We will print our special Christmas issue on Wed. Dec. 19. All Merchants wishing to avail themselves of this service may pick their greeting at the News office.*

FORMER RESIDENT  
DIES RECENTLY

Graveside services were held Saturday at 1:30 p.m. in the Mentone cemetery, with Rev. Irwin Olson officiating, for Earl Nottingham, 79, of Ft. Wayne, formerly of Mentone, who died of complications Wednesday evening in the Ft. Wayne St. Joseph Hospital.

Mr. Nottingham, a former tinsmith and farmer in the Mentone community, had resided in Ft. Wayne for the past seven years. He was born in Ohio in 1883. He married Gladys Clay, who died in 1949. In 1955 he married Roxie Emmerick.

Surviving are his wife; three sons, Robert, of Ft. Wayne, Clay, of Oakland, Calif., and Charles, of Fairbanks, Alaska; one daughter, Mrs. Tobie (Dorothy) Blalock, of Mentone; a step-daughter, Mrs. Cecil Kinzie, of Fort Wayne; one brother, Ruel Nottingham, of Nashville, Tenn.; one sister, Mrs. Dora Thompson, of Greenville, Pa.; five grandchildren.

Funeral services were held Saturday at 11 a.m. in the D. O. McCombs Funeral Home in Ft. Wayne.

## BUY NEWSPAPER

Mr. and Mrs. Artley Cullum and Mr. and Mrs. Thomas Harman, Mentone, have purchased the building, printing plant and goodwill of the Bourbon News-Mirror. The first issue by the new owners was printed Wednesday.

Mr. Harman will continue as business manager of the Country Print Shop at Mentone, and Mr. Cullum will spend a portion of his time at Bourbon.

## A GRIM REMINDER!

Wednesday evening a few flakes of snow were seen drifting down, which is a reminder to all that anything can be expected from the weather man.

The weather so far this fall has been wonderful, and on one day recently Mentone had the same high temperature as Miami, Florida.

GIVEN LISTING IN  
DROVERS JOURNAL

Last week Lester Blackburn of Mentone and Ken Hoover of North Manchester were listed in the Drovers Journal as buyers of outstanding Hampshires at Burlington, Wisconsin.

## BANK OPEN HOUSE

The open house at the newly remodeled Farmers State Bank at Mentone, announced in our last issue, is being held this week end, Thursday, Friday and Saturday, Dec. 6, 7 and 8.

The officials of the bank extend an invitation to all to visit them on one of these days.

Three hundred silver dollars are to be given away to the fortunate individuals who register and have their names selected to receive one of the many free offerings.

Fellowship Supper At  
First Baptist Church

The congregation of the First Baptist Church will have a fellowship supper on Tuesday, Dec. 11, in honor of Miss Lova Bush, a missionary of the church who has recently returned from India. A brief informal program will follow the supper at 6:30. Folks coming are asked to bring a carry-in supper and their own table service. Miss Bush is the daughter of Mrs. Elsie Bush of South Bend, formerly of the Mentone community.

DISCONTINUE NICKEL PLATE  
CLAYPOOL AGENCY

The Indiana Public Service Commission today authorized the Nickel Plate (New York, Chicago and St. Louis) Railroad to discontinue its agency station at Claypool.

The railway asked permission to close the station and place the Claypool area under the jurisdiction of the agent at Mentone. A public hearing was held on the request last summer.

## LIST PRIZE WINNERS

Mr. and Mrs. Gerald Ross completed their first year in their resale store last week end. Winners of the prizes awarded on Saturday evening are as follows: 1st prize, 24 piece place setting for 6, Melmac dinnerware to Mrs. Frances Hite, 401 North Parker St., Warsaw; 2nd prize to Mrs. Howard Allen of Mentone; 3rd prize to Mary Johnston of Mentone.

## WITH THE SICK

Herbert Anglin returned home Monday evening from the Bluffton Clinic. He is improvng.

Verl Halterman is very ill at this time.

Wilbur Holloway, Ft. Wayne, Harry Cole, Mentone, Mrs. Mildred Grindle and Mrs. Keith Wagner of Warsaw were recent callers of Mr. and Mrs. Garrie Rose.

### Ordinance Number 163

AN ORDINANCE REGULATING THE STANDING OR PARKING OF MOTOR VEHICLES OR OTHER VEHICLES UPON STREETS OR OTHER PUBLIC PLACES IN MENTONE, INDIANA, AND PROVIDING PENALTIES FOR VIOLATION THEREOF, PROVIDING FOR PROCEDURE OF ENFORCEMENT.

BE IT ORDAINED by the Board of Trustees of the Town of Mentone, Indiana, as follows: Section 1. Restricted Parking - Two Hour Limit.

It shall be unlawful for any person to park, or leave stand-

ing, any motor truck, automobile, motorcycle, or any other vehicle, howsoever power or propelled, for a period of more than two (2) hours during the period commencing at 8:00 o'clock A. M. and ending at 5:00 o'clock P. M. of each day, except Sundays and legal holidays, in the following described areas in the Town of Mentone, Indiana, to-wit:

(a) On both sides of that portion of Main Street lying between Morgan Street and Tucker Street.

#### Section 2.

The Board of Trustees of the Town of Mentone, Indiana, shall cause areas heretofore designated in the town to be marked with suitable signs to be erected in conformity with the provisions of Section 1, which signs shall bear the legend "Two Hour Parking."

#### Section 3.

Any person violating any provision of this ordinance shall be guilty of a misdemeanor and, upon conviction, shall forfeit and pay a fine in an amount not to exceed Ten (\$10.00) Dollars, said forfeitures or fines to be assessed as designated in the following schedule:

- (a) A fine of Fifty (\$50) cents for each violation of this ordinance if said fine is paid within twelve (12) hours of the violation; or,
- (b) A fine of One (\$1.00) Dollar for each violation of this ordinance if said fine is not paid within twenty-four (24) hours of the violation; or,
- (c) A fine not to exceed Ten (\$10.00) Dollars upon con-

viction of non-payment or evasion of traffic citations issued and not paid for more than thirty (30) days following said violation.

#### Section 4.

The fines assessed under Section 3. of this ordinance shall be paid to the Clerk-Treasurer of the Town of Mentone, Indiana, and shall be by him paid into the general fund of said town.

#### Section 5.

The persons violating this ordinance shall pay said fines to the Clerk-Treasurer or to the Marshall of the Town of Mentone, Indiana, who shall receipt therefore, or in default of said payment, the Town of Mentone, Indiana, may by any officer thereof file its complaint against said violator to recover the fines provided for herein before any Justice of the Peace in Kosciusko County, Indiana.

#### Section 6.

Ordinance Number 160 ordained by the Town Board of Mentone, Indiana, on June 4, 1962, is hereby repealed, and all other ordinances inconsistent herewith are hereby repealed.

#### Section 7.

This ordinance shall be in full force and effect from and after its passage and publication according to law.

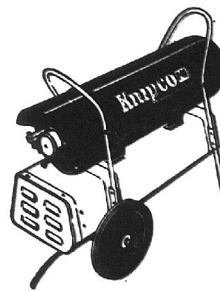

Ordained, passed and adopted by the Board of Trustees of the Town of Mentone, Indiana, the 3rd day of December, 1962.

HAROLD UTTER  
O. L. McFADDEN  
LOREN L. TRIDLE

## NEWCASTLE TOWNSHIP NEWS

Mr. and Mrs. Joe Meiser, Jr., left Friday for Port Richey, Fla., to spend the winter.

Mr. and Mrs. Raymond Walters and son of South Bend were Sunday guests of Bert Leedy. Recent guests in the home of

Mr. and Mrs. Lester White were Mrs. Wilma Lease and Mr. and Mrs. Zephyre Martin of Fulton, Mr. and Mrs. Harris Lease and Sue, and Mr. and Mrs. Harold Collins and daughter of Rochester, and Mrs. Louise Swick of Akron.

Mr. and Mrs. John Huffman and daughter were Sunday supper guests of Mr. and Mrs. Art Huffman and sons at Winamac.

Mrs. Roy Wagner of Effingham, Ill., will arrive next week

for an extended visit with her brother, William Davidson. Lavoy Montgomery was a Sunday evening guest of Mr. and Mrs. Art Huffman and family of Winamac.

Bert Leedy has returned to his home after spending some time visiting with relatives in Phoenix, Arizona.

Richard Davidson of Elkhart spent the week end visiting his father, William Davidson.

Mrs. Adda Sanders entertained Mr. and Mrs. Walter Safford, Dr. and Mrs. Peter Hazlett of Marion, Mr. and Mrs. Rolland Haimbaugh of Munster, Mr. and Mrs. Lawson Brunton of Morocco, Ind., Mr. and Mrs. Glen Smiley of Milford, Ill., Mr. and Mrs. Elmer Parker and Mr. and Mrs. Floyd Neff of Ft. Wayne, and Devon Haimbaugh of Rochester recently at her home.

### SUN AND STARS

I know God made the sun,  
To fill the day with light.  
He made the twinkling stars,  
To shine all through the nite.  
So twinkle, twinkle, little stars,  
How I wonder what you are.  
Up above the world so high,  
Like little diamonds in the sky.  
When the glorious sun is set,  
And the grass with dew is wet,  
Then you show your little eyes,  
Till the sun is in the sky.

HENRY WHETSTONE

## November Meeting Of Be-Abouts

The meeting was held Monday evening at the home of Mrs. Charles Hunter. It opened with prayer, singing, testimonies and the circle prayer. Reports were given. New officers were elected. Mrs. David Peffley, pres.; Mrs. Brad Moore, vice pres.; Mrs. Ed Bach, sec.; Mrs. Charles Hunter, treas.

They voted to buy an outfit for Lova Bush. The evening was spent wrapping gifts for the county home.

Refreshments were served to Mesdames Stan Yeiter, Brad Moore, Everett Besson, Darrel King, Dave Peffley, Everett Welborn, Raymond Lewis, Lee Norris and Wayne Bowser.

### NEWS NOTES from our

## County Agent

DONALD E. FRANTZ

Mrs. Edith Ummel of Beaver Dam has had a pretty big year. Her family, this year, completed 100 years of 4-H Club work. The first big event in connection with this achievement was the program in her honor at the County fair. There was a committee formed to plan this program and we did not know what to do or how to do it but we did want to publicly recognize this outstanding record. We decided to hold the program on opening night of the fair and possibly have a gift. We thought a nice, big, soft chair would be suitable. We didn't realize the affection and esteem the county held for this lady.

You probably know the outcome. They presented her with many gifts on the recognition night. Letters of congratulations came in from all over the country and the entire county got nation-wide recognition. Mrs. Ummel and Director Diesslin, State Extension Director, had a TV film made that was distributed by the National 4-H committee, she has appeared on other TV programs locally and this month's National 4-H Club News carries a featured article.

The wind up of the story is that last week Mrs. Ummel was honorary "house-mother" at the

National 4-H Club Congress and spent a week with the top 4-H Club Achievement Winners from 50 states.

This achievement of 100 years as a 4-H Club mother may be the biggest 4-H club story that Kosciusko County will ever have.

Steve Yant of Seward Township had the top Yield in the Five-acre Corn Project this year. This was one real field of corn. The yield was 170.1 bushels per acre. This field was in the Loon Lake area and is a muck field that has been in mint. Some of the muck in that area is a little wet and Steve and his father, Walter, use extra nitrogen on wet muck.

I do not believe I have ever checked a field with more consistent ear size. They were all the same and certainly had the weight. After getting the official weights I pretty well walked the field to see if there was a chance that the checks had come out of unusually good spots. It was equally good all over.

The second, third and fourth place yields came out of Jefferson Township. I didn't think they had the rainfall to do it. Paul Hollar was second, Harold Wilson, third and Worth Jackson, fourth.

It is interesting to notice that the top four yields were single crosses. Three by DeKalb and one by Cargill. All are rather late varieties for this area but this year it didn't make any difference. It is also interesting to note that the top yield in the state by a Junior Member was Indiana Certified Hybrid. It made 242 bushels in an area of perfect rainfall.

### Barbers Form Local

Barbers in Kosciusko County and Nappanee have joined in forming Barber's local No. 797 of the State Association of Barbers, it was announced recently by newly elected president of the local, Francis Oswalt, of Leesburg.

There were 36 of 41 barbers in the county and Nappanee present at the recent organization meeting held in the community room of the Lake City Bank in Warsaw.

R. Dale Culley, president of the state association, presided at the swearings in and initiation

ceremony.

Oswalt said the purpose of the organization is for furthering and improving conditions in the barber profession in the area and state.

Other officers in addition to Oswalt are George Bushong, Syracuse, vice pres.; Bill Knapp, Warsaw, sec.-treas.; Gerald Oswalt, Warsaw, record. sec.; Richard Arnott, Nappanee, guide; John Kinsey, Warsaw, guardian.

Robert J. Hill, Hentone, and Robert M. Swanson, Warsaw, were named finance members.

Let advertising tell your story to your neighbors and friends.

## Christmas Program Planned

The First Baptist Church of Mentone will present two Sunday evening Christmas programs this year.

Sunday, Dec. 16, the Sunday School will present its program at 7:30. The first half of the program will feature recitations, dialogues and musical numbers by the pre-school and primary departments. The last half will be a presentation of a Christmas cantata entitled, "Carols by Candlelight". It will be sung by a choir of young people from the junior and junior high departments. The choir is under the direction of Rev. Harry Goehring.

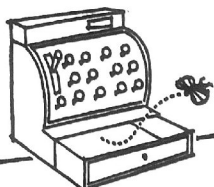

On Dec. 23 will be the candle-light communion service. The senior choir will sing John W. Peterson's cantata, "Night of Miracles". This choir is under the direction of Everett Rathfon. The Lord's Supper will be observed at the conclusion of the cantata.

The people of the Mentone community are invited to attend these programs.

### CARD OF THANKS

We want to thank everyone for their kind expressions of sympathy and for the floral offerings in the passing of our father and husband.

Mrs. Sam Perkins  
Mr. and Mrs. Ralph Mollenhour  
Mr. and Mrs. Willard Neeley

ar, Phyllis Hurd, Beverly Hurst, Pamela Parker, Mary Ann Peterson, Donna Ring, Georgia Vires, Carolyn Warren, Jim Driver, James Huffman, Mike Orcutt, Jim Roberts, Ken Romine, Dale Truex.

Those with all A's are: Larry Eiler, Eldona Antonides, Becky Knepper, Renita Ring, Lyle Welty, Tim Wallis, Diane Flenar, Beverly Hurst, Jim Driver.

# MENTONE RANKS 24TH IN STATE

The Mentone basketball boys are continuing their winning ways and are now rated about 24th in the state, which is quite an accomplishment for a small school which seldom is rated very high while comparing the teams from major cities.

Friday night the boys ran up a score of 94 against Syracuse while allowing the visitors only 39 points. Bill Nellans had one of his best nights with a total of 38 points on 14 field goals and 10 free throws. Newcomb, Stouder and Long were also in double figures.

Mentone	FG	FT	PF
Newcomb	3	7	0
Stouder	6	0	2
Long	5	0	1
Zolman	1	0	3
Creighton	2	1	4
Nellans	14	10	4
Beeson	2	0	1
Ryman	3	1	5
Parker	1	1	0
Totals	37	20	20
Syracuse	FG	FT	PF
Money	3	5	3
Crow	2	1	2
Simon	0	3	3
Zimmerman	1	4	5
Niles	1	0	2
Jones	4	2	2

Totals	12	15	22

Score by quarters:

Mentone	19	45	73	94
Syracuse	12	21	31	39

# THANK YOU

We wish to thank the Fire Department for their quick response in putting out the fire in our woods last Friday night. Wm. & ETHEL BLACKBURN

# Mentone FFA Held Pest Party

The Mentone FFA held a party for the pest control contest that they completed a couple of weeks ago. The freshman and sophomores defeated the juniors and seniors. So the losers furnished the refreshments at a party. The party was held this past week on Wednesday night with 45 boys attending. The meeting was started with the official FFA ceremonies and a short business meeting. After the business meeting six basketball teams were formed and each team played two games.

The FFA boys are planning on having one night meeting a month and continuing the basketball competition. The team captains are: Sonny Nellans, Doug Haney, Larry East, Lynn Parker, Joe Hively and Fred Mellott.

# Young Farmer Welding Class

The Mentone Young Farmers Class has been progressing along at a very good pace during the past few weeks. This past week was spent on the principal of hardsurfacing and the remaining two meetings will be concerned with vertical and overhead welding.

**SCHOOL BOARD MEETING**

A meeting of the Tippecanoe Valley School Board was held at the Superintendent's office at 8 p.m., Dec. 3rd.

There were several items of business taken up that we feel might be of interest to the citizens of the corporation.

A petition was presented that had the signatures of 37 families in Akron, that a school bus pick up students in Akron during the winter months. The petition was rejected at this time.

Authority has been granted to negotiate contracts with Virginia Leininger as Home Economics teacher on a half-time basis for the remaining 6 months instead of a full time basis, and also, Richard Garst as full time Science teacher, one half at Beaver Dam and one half at Burket.

A report was given to the School Board with reference to the status of the repair work that was being done at the various schools in the corporation and specifically the roof on the gym at the Burket School. A quotation was presented for a new roof on the gym and the

(Continued on back page)

**FOUR - WAY TOURNAMENT DRAWING**

It'll be Mentone against East Chicago Roosevelt in the first game of the Elkhart Holiday Tournament and South Bend St. Joseph opposing the host Blue Blazers in the second contest Friday night at Elkhart.

The championship tilt, between the two winners, will be played the following night—Saturday, Dec. 29—with a consolation tilt between the two Friday night losers as a preliminary.

Mentone, playing in the first game, will take the floor at 7:30 p.m.

Tickets are on sale now at Mentone.

**ON DEAN'S LIST**

Roger Nellans, son of Mr. and Mrs. Max Nellans, of Mentone, has been named to the dean's list of honor students for the first term at Manchester College.

Roger is a chemistry-Biology major and is in his junior year of a pre-medical course.

The dean's list is composed of those students whose grades for the term place them in the upper ten per cent of their respective classes.

**VERL HALTERMAN DIES TUESDAY**

Verl Halterman, 64, died at 1:30 a.m. Tuesday at his home.

Mr. Halterman, who had been ill for the past two years, was born in Athens, Ind., on Feb. 2, 1898, the son of Edward and Etta (Blue) Halterman. In March of 1928, he married Snowden Teel. Mr. Halterman was a lifetime resident of the Mentone area and worked for Frank's Manufacturing Co. He was a veteran of World War II and was a member of the American Legion.

Surviving are his wife; two step-sons, John and Herschel Teel; two sisters, Opal Tucker, of Mentone, and Daisy Enyart, of South Bend; his mother, Mrs. Etta Halterman; and six grandchildren.

Services will be at the Reed Funeral Home Thursday at 2 p.m. with Rev. Glenn R. Camp-ton officiating. Burial will be in the Mentone cemetery.

**ETHEL REED BURIED SATURDAY**

Services were held at 2 p.m. on Saturday for Mrs. Ethel Reed, 68, of Mentone. Rev. Irwin Olson officiated. Burial was in the Parks cemetery in Bourbon.

Mrs. Reed is survived by a son, William D. Reed, of Mentone; a nephew, Joe Nemeth, of Bell, Calif.; one brother, Ralph Ruse, of Michigan.

**ENGAGEMENT ANNOUNCED**

Mrs. Elinore Capes, of Mishawaka, announces the engagement of her daughter, Janet Louise Capes, of Ft. Wayne, to Werner G. Gasteiger, son of Mrs. Josephine Gasteiger, of Fort Wayne.

Miss Capes, a graduate of Mentone High School, is employed at the General Telephone Company of Indiana in Fort Wayne. Her fiancée, a graduate of Central Catholic High School, is also employed at the telephone company.

No date has been set for the wedding.

Miss Capes made her home with Mr. and Mrs. Art Kendall while attending school in Mentone.

**MARRIAGE LICENSE ISSUED**

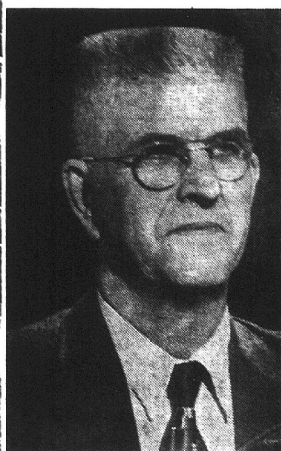

Robert Milton Foltz, 24, of Route 1, Knox, a farmer, and Dorothy Kay Christian, 23, of Route 2, Bourbon, a bookkeeper.

**C. O. EILER DIES FRIDAY**

Clarence O. Eiler, 74, long time Harrison Township resident, died Friday at 9:55 p.m. in the Murphy Medical Center following an illness of two months.

Mr. Eiler, who was one of the state's justices of peace with the most service, had served Mentone and Harrison Township as justice of the peace continuously for the past 28 years.

He was born near Sevastopol on Oct. 9, 1888, the son of Thomas J. and Emma (Miller) Eiler. He married Blanche Welch on Feb. 5, 1908. Mr. Eiler, who was also a farmer and carpenter, had

resided in the Mentone community most of his life. He was a member of the Mentone First Baptist Church and past member of the Mentone Lions Club.

Surviving are his wife; four sons, Leonard, of Pemberville, Ohio, Carroll, of Warsaw, Richard, of Lafayette, and Robert, of Greentown; three daughters, Mrs. Charles (Bethel) Gordon, of Route 2, Warsaw, Mrs. Watler (Katherine) Mickley, of Chicago, Ill., and Mrs. Winifred Hampton, of Detroit; two brothers, Russell Eiler, of Mishawaka, and Ernest Eiler, of San Diego, Calif.; one sister, Mrs. Marie Short, of Warsaw; 13 grandchildren; and one great-grandchild.

Services were held Monday at 2 p.m. at the Mentone First Baptist Church with Rev. Irwin Olson officiating. Burial was in the Harrison Center cemetery. Reed Funeral Home was in charge of arrangements.

**NEW POST OFFICE HOURS**

Effective Dec. 17 through Dec. 22 the Post Office window hours will be from 6:45 a.m. until 5:30 p.m.

**MRS. VANDERMARK BURIED TUESDAY**

Mrs. Alice Maude Vandermark, 78, of Route 2, Warsaw, died of complications Saturday at 12:10 p.m. in her home.

Mrs. Vandermark, who had been ill for the past three years, and critical the last two weeks, was born in Harrison Township, Kosciusko County, on Sept. 19, 1884, the daughter of Mathias and Mary Jane (Kesling) Lutes. In June of 1903, she married Charles Vandermark. Mrs. Vandermark was a member of the Cook's Chapel Church and the Harrison Center Home Economics Club.

Surviving are her husband; one sister, Mrs. Lilly Fawley, of Route 3, Warsaw; two cousins, Mrs. Edith Rose, and Mrs. Mary Huffer, both of Mentone; and several nieces and nephews.

Services were held at the Mc-Hatton Funeral Home in Warsaw Tuesday at 1:30 p.m. with Rev. John Jones, of Leesburg, officiating. Burial was in Oakwood cemetery.

**MISS PHOTO FLASH CONTEST HELD**

Diana Silveus, 18, of Route 2, Akron, former Mentone High School graduate, has been named as one of the five contestants from Ft. Wayne to compete for the Miss Photo Flash of Indiana.

Miss Silveus will compete for the honors in Indianapolis in January. She is attending Warner Beauty College in Ft. Wayne. She is the daughter of Mr. and Mrs. Cecil Silveus, of Route 2, Akron.

**1st ANNIVERSARY**

Mr. and Mrs. Harold Markley operators of the local greenhouse are celebrating their first anniversary. Their special days are to begin on Saturday, Dec. 15 through Dec. 22. They want all their friends to come in and register, say hello, look around, and just enjoy themselves.

They will be specializing in many floral pieces for the Christmas season. See their advertisement in another portion of the News.

**NEW ARRIVAL**

Mr. and Mrs. Vernon Meredith of near Burket, are the parents of a son, Marlin D., weighing 7 lbs. 14½ oz., born Saturday, Dec. 8 at 8:30 p.m. at Woodlawn Hospital in Rochester.

Grandparents are Mr. and Mrs. Elmer Dickey and Mr. and Mrs. Harry Meredith.

**OPEN HOUSE A SUCCESS**

The Farmers State Bank, who is celebrating its 70th anniversary and Open House for its newly remodeled quarters, stated that they were indeed grateful for the wonderful response that the people gave to them.

They estimated that there were about 1,350 people who visited the bank over the three days. 1,200 of these registered for prizes.

The officers and directors of the bank consider it a tremendous show of appreciation and concern from their customers, and business associates.

The officers expressed their deepest appreciation for the floral pieces and the attendance of everyone.

A list of the winners of the drawing follows:

\$100.00, Roy E. Smith, Akron; \$50.00, Daniel Murcia, Mentone; \$30.00, Robert S. Zimmer, Silver Lake; \$20.00, Evelyn Stouder, R.R. 5, Warsaw; \$15.00, Amy Bowser, Mentone; \$10.00, Jeanette Mollenhour, Mentone; \$10.00, David Teel, Mentone; \$10.00, Mrs. Allen G. Shirey, Mentone; \$10.00, Lee Gearhart, Box 382, Akron; \$10.00, Maurice Dunnuck, Etna Green; \$5.00, Edward Ender, Hales and Hunter, Mentone; \$5.00, Archie Ring, Claypool; \$5.00, Mrs. Charles Besson, Mentone; \$5.00, George Lowmaster, Tippecanoe; \$5.00, Don Stackhouse, Bourbon; \$5.00, Timothy Boganwright, Claypool; \$5.00, Tobie Blalock, Mentone.

**WITH THE SICK**

Mrs. Tessie Anderson is recovering from pneumonia.

**CLUB CALENDAR**

O.E.S. Christmas party Monday, Dec. 17 at 7:45. \$1 gift exchange.

We will print our special Christmas issue on Wed. Dec. 19. All Merchants wishing to avail themselves of this service may pick their greeting at the News office.

of Dimes in 1963 and fight cri-  
pling birth defects, arthritis and  
polio.

### Mentone School Christmas Program

The Mentone School will pre-  
sent a Christmas program on  
Wednesday, Dec. 19 at 7:30. It  
will consist of the traditional  
carols and other Christmas num-  
bers.

Participating in the program  
will be the kindergarten through  
the sixth grade, high school  
chorus and Triple Trio.

Accompanists for the grades  
are Beverly Hurst, Yvonne Rath-  
fon, Darla Sue Nelson, Gene  
Hughes, Donna Ring and Renita  
Ring. Accompanying the chorus  
will be Cheryl Horn and Vivian  
Hurst. The boy's special num-  
ber will be accompanied by  
Gene Hughes, and the girl's  
number by Cheryl Horn. The  
Triple Trio accompanist is  
Lorna Tridle. Vivian Hurst will  
be performing at the organ be-  
fore the program and also for  
several numbers during the pro-  
gram.

David Norris will serve as  
narrator for the evening.

The Mentone School extends  
a hearty welcome to everyone  
to join in this Christmas pro-  
gram. There will be several  
familiar carols for the audience  
to join forces with the students  
and to get into the spirit of  
Christmas.

### Good Citizen Winner

Miss Elaine Stackhouse of  
Tri-Township United Schools,  
Etna Green, was chosen winner  
of the Good Citizen contest,  
sponsored by Anthony Nigo  
chapter, Mentone.

Miss Stackhouse is president  
of the school band, pianist for  
school chorus, class reporter,  
feature editor of school news-  
paper, editor of Yearbook staff,  
cheerleader, church pianist, and  
president of the District Metho-  
dist Youth Fellowship.

Other schools participating in  
the contest in the southern part  
of Kosciusko County were Don-  
na Bruce, Claypool High School;  
Jeannine Swartz, Sidney High  
School; Sue Warner, Silver Lake  
High School; and Sheryl Horn,  
Tippecanoe Valley Corporation

School, Mentone.

These senior girls were chosen  
by their classmates and faculty  
because they possess the follow-  
ing qualities to an outstanding  
degree: dependability, service,  
leadership and patriotism. Each  
girl answered a sealed list of  
questions on local, state and  
national government.

### CHRISTMAS MAILINGS

In order to assure delivery by  
Christmas, patrons are urged  
to plan their parcel and greet-  
ing card mailings according to  
the following schedules:

Distant states by Dec. 10.

Indiana and nearby states by  
Dec. 17.

Local mailings by Dec. 24.

The attention of mailers is  
also called to the fact that par-  
cels may be marked "Do Not  
Open Until Christmas" and may  
contain written messages pro-  
viding they are endorsed "Let-  
ter Enclosed"; the postage being  
paid for the letter on the OUT-  
SIDE of the package.

The National Foundation of  
the March of Dimes, marking  
its 25th anniversary of service  
to the American people this  
January, now finances research  
and patient aid programs in the  
areas of birth defects, arthritis  
and polio.

NEWS? Ph. ELmwood 3-3985

### TIME ON THEIR HANDS

Your child spends 900 hours  
a year in school and 3,285 hours  
in sleep. He has 4,575 hours left  
over. This is where you come  
in. You have 4,575 golden op-  
portunities to strengthen and  
build on what he has learned  
at school.

This does not mean that you  
are expected to teach him to  
read and write and figure or  
even do his home work for him.  
But you can listen to him read,  
show an interest in his writing,  
and play dominoes with him.  
By showing him that you care,  
you will give the needed 'shot  
in the arm' to make your young-  
ster put his best foot forward  
and make the most of those 900  
hours a year.

—From "It Starts In The Class-  
room".

### Celebrate 25th Anniversary

Mr. and Mrs. Theodore Thomp-  
son celebrated their 25th wed-  
ding anniversary at their home  
on Sunday.

They received a silver money  
tree from relatives.

Those attending were Miss  
Arllys Thompson, Mr. and Mrs.  
Orvin Thompson and Susan, Mr.  
and Mrs. Elmer Peterson, of Pax-  
ton, Ill.

Mrs. Robert Jones and Mrs. Sherry Thompson and daughter spent Tuesday afternoon with Mrs. Noble Babcock.

### BIRTHDAY DINNER

Mr. and Mrs. Claude Barkman were hosts to a dinner party Sunday for the 86th milestone of John and the birthday of Louise Barkman.

## Poultry Is Big Business

So many times we fail to realize the impact that our own poultry enterprise may have on the economy of our area, according to a release contributed to this newspaper. According to a recent Iowa State bulletin, 100,000 layers create \$1.3 million worth of business. Here is the way it adds up:

Gross income to produce sales of eggs & meat	\$600,000
Feed sales	368,000
Drug sales	6,000
Chick sales	53,000
Electricity used on farms	5,000
Fuel used on farms	2,000
Miscellaneous items	3 300
Trucking produce to market	38,000

Packing material	76,000
Building materials and equipment sales	26,500

Lending agencies (assume half of investment is borrowed at 6%)	12,000
--	--------

Wholesalers cost, income	87,600
Processors costs, income	27,000

In Indiana if we apply the above figures this would represent about 125 to 130 million dollars worth of business generated from the egg phase of the poultry industry alone.

The National Foundation of the March of Dimes, which will mark its 25th anniversary in January, was founded in 1938 by President Franklin D. Roosevelt. Since then, each succeeding President has honored the dimes drive by meeting the March of Dimes children who symbolize the thousands of patients being aided.

## Tractor Drivers Killed Often

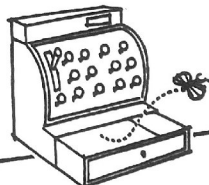

Of the 75 persons killed on Indiana highways in the last six years in accidents involving farm tractors, 50 of them were driving tractors, points out F. R. Willsey, Purdue University farm safety specialist.

An analysis of Indiana State Police accident records shows further that 10 of the victims were "extra riders" on tractors. 10 more were occupants of motor cars involved in tractor collisions and the remainder were riding on farm wagons pulled by tractors.

A closer examination of the 50 tractor operator fatalities reveals a "pattern of death according to the age of the driver". He compared the accidents involving the 15 youngest with the 15 oldest tractor drivers.

Fourteen of the youngest drivers died when their tractors overturned. Most of these accidents occurred when the drivers lost control and their tractors overturned into roadside ditches or when the fast moving tractor failed to negotiate a sharp turn. Only one of the younger drivers was involved in a collision with another vehicle.

With older drivers the situation was reversed. Thirteen of them died in collisions with other vehicles; one was killed when he fell from a tractor and the other man was killed when his tractor overturned.

## A LETTER FROM BILL

Dear Grandmother:

I'll bet you are wondering what happened to me. I got here safe and sound. The trip was not something you want to write home about. We had to live like animals. Didn't get to take a shower very often. The milk was dried and tasted like chalk. But there were some nice things about the trip. Where we stopped in Hawaii it was real beautiful. Everything is so green and clean—it is almost beyond words.

Then we stopped in Japan. There is a place I never want to see again. There you can see how good things are at home. The people are so poor. There were men unloading the ship I was standing on the side watching them unload when one of the Japs asked me if I had anything to eat. I had some apples in my pocket which I gave him. He tried to give me his watch, but I did not take it. I will send some pictures so you can get a better idea of this place. Two days after Japan we arrived on Okinawa. It is real nice—too nice for words.

I think they have my mail mixed up as I haven't had any for two weeks.

It is going to be hard when Christmas comes, but I think I will make out. I can imagine it is cold and snowy. It is nice and warm here.

I am with 2nd. landing company and we will be making a float trip to Japan, Guam, Iwo Jima and Bougainville.

Tell everybody hello. Take care of yourself.

My new address is:

PFC William Leverman

## NEWS NOTES

from our

## County Agent

DONALD E. FRANTZ

Mr. Frantz has asked me to use this space this week to report on the 4-H program that was conducted in Kosciusko County this year. I am happy to do this as the grain show, held last week, concluded the County 4-H activities for the year, and a very successful year I might add. The 4-H enrollment was not as high as last year by some 25 members, but our completion record was higher and that is important in this program.

During 1962 we enrolled 1,113 club members between the

ages of 10 and 21 in 2,550 projects. There were 1,025 members who completed their work. Many people believe that 4-H is a program for rural boys and girls but our figures show that it is a program for all youngsters wherever they may live. In Kosciusko County there were 381 boys and girls enrolled with 590 of them from farm homes, 414 from rural non-farm homes, and 109 from urban homes (only Warsaw can be classified as urban). The ages of these young people varied too. There were 579 between 10 and 12 years, 394 between 13 and 15 years, and 140 of them 16 years and over.

Since the bulk of the membership is in the younger age group, it follows that of the larger portion of the membership is in the first, second, and third year. Our records show 302 first year, 256 second year, 181 third year, 117 fourth year, 79 fifth year, and 178 members with six or more years of club membership.

It seems that almost every girl is interested in foods as 585 girls enrolled this year and probably the next most popular would be crafts with 252 boys and girls enrolled. Other popular projects were personality improvement 152, swine 139, junior leadership 121, photography 118, electric 106, home furnishing 96, wildlife 79, beef cattle 69, dairy 62, horse and pony 62. There are 37 different projects available to the 4-H members in this county and those listed above are only a few of them.

Of course, no program of this scope could be carried out without the assistance of devoted

volunteer adult leaders. There are 37 men and 51 women leaders in the 46 4-H clubs in the county. These leaders are the backbone of the program. They were recognized in the program in their honor on Nov. 27. Standing behind them are their local club committees made up of 3 or 4 parents or interested persons in the community. When you have an opportunity, let them know how you feel about the work they are doing with 4-H in your community.

NEWS? Ph. ELmwood 3-3985

Recent evening callers of Mrs. Tom Harman were Mrs. Norman Fariss, Mrs. Lee Geesa, Miss Norma Wiard, Mrs. Larry Terrell and family all of Warsaw.

The ladies are working acquaintances from the United Telephone Co. Inc.

Birth defects occur in one out of 16 births, afflicting more than 250,000 babies each year. The 1963 March of Dimes seeks to fight birth defects by sponsoring research seeking causes and cures.

## Set Conduct Policy For Tri-Twp. Students

Members of the Tri-Township School Board have established a policy for conduct of students, it was announced recently by Superintendent Leonard Hewitt. Schools in the Tri-Township system are Etna Green, Bourbon, and Tippecanoe.

The statement is as follows:

Citizenship and participating in contests and other school activities—It is the belief of the Board of School Trustees that students should meet certain citizenship requirements to be able to participate and represent their school in the various contests, conventions, festivals, meetings; or serve as an officer of any such club or organization. It is further the belief that the privilege to participate in such contests and activities is an honor; such honor to be given to those who have met high standards of achievement and citizenship. Citizenship will be considered in school and out of school as defined.

In school—The principal or school administration may refuse the honor or recognition of students who do not come up to the recognized requirements for a good citizen. Any teacher or coach may refuse membership in a sponsored organization or contest, etc., if a student does not meet citizenship requirements.

Out of school—Students shall automatically be refused the privilege of participation in any of the contests, organizations, etc.; as recited above. Students shall be considered as a "Special Student" in that he is privileged to attend class only.

The refusal to permit a student to participate in an activity or contest, as discussed, shall automatically go into effect immediately at point of disciplinary action or charges are preferred by civil law enforcement agencies. Such action shall last as follows:

If action is dismissed, student shall be reinstated if he qualifies other wise.

If convicted or placed upon probation, he shall not be eligible for participation until the beginning of the first term following expiration date of probation or conviction. The student shall come before the board at such time, requesting re-instatement. It will be at the discretion of the board to deny or approve.

Any policy above listed in no way abridges the right of school administrator to suspend or expel a student from school.

## Sell Clean Eggs

Selling dirty eggs—often discounted as much as 20 cents a dozen—can be avoided, says David Jackson, Purdue University extension poultry specialist.

Jackson points out that more than 99 per cent of all eggs are clean before they contact the nest. Therefore, it is the poultryman's responsibility to see that the eggs stay clean.

Eggs can be kept clean if management practices are followed. Since eggs are laid in dirty nests will be soiled, the nesting

material must be kept clean. The job can be made easier by keeping fresh nesting material handy in a bag or some other container. Chopped straw, shavings, sawdust, ground cobs and diatomaceous earth have been used satisfactorily. Baled straw is not as desirable, for hens tend to scratch it out of their nests and it packs down too tightly.

Darkening the nests helps keep the eggs cleaner as does the use of plenty of nests. One nest or one square foot of nesting space should be allowed for each four or five layers.

Frequent gathering—three to five times daily, mostly in the morning—will aid in keeping eggs clean. Eggs left in the nests for a long period of time may become broken and smeared, or walked on by hens with dirty feet.

Another help in keeping eggs clean is a deep, dry litter on the house floor—an aid in keeping the hens' feet clean. Welded wire under the roosts to keep the hens out of their droppings, and feeders placed over the droppings pits along with non-spill water fountains should be used. Adequate ventilation will

also help insure dry litter, and therefore, cleaner eggs.

Other practices which will control egg cleanliness are removal of broody hens to a "break-up" pen, keeping hens confined to the house and allowing ample floor space per hen depending upon the kind of housing and management used.

More money for eggs can be the result if these simple practices are followed.

Join the 1963 March of Dimes and help fight birth defects through patient aid and medical research programs.

## CHEVROLET... on the road every day!

### ITS RELIABILITY COMES FROM ITS QUALITY

A nutshell description of Chevrolet trucks could be "Trucks That Work". It's not exactly earthshaking but it says a mouthful. It's what Chevrolet trucks are best known for—their reliability. Ready to work, day after day, whenever you are.

You can't build trucks that perform like this if you don't put quality into engine, chassis and

body. Chevrolet does: double-wall construction, insulated cab, select-wood body floor, chain-supported tailgate, ladder-type frame, the careful attention to upholstery and finish. It's this kind of quality that makes *any* Chevrolet truck—from pickup to heavyweight tandem—worth more on the average at trade-in!

#### 2 NEW 6-CYLINDER ENGINES

New High Torque 230-cu.-in. Six is more powerful than its predecessor. Standard in Series C10 through C50.

New High Torque 292-cu.-in. Six—most powerful truck 6 Chevrolet has ever built! Standard in Series C60.

## MENTONE AREA SPORTS

Our Bill Nellans scoring 2 of his 38 points. Bill is now averaging 24 points per game. Bill is shown in action here against Syracuse.

Mentone traveled to North Manchester only to find a determined Northfield crew that had winning ways in their methods.

But our Bulldogs, overpowered by the shooting of "Jerrys" in Ryman and Stouder, pulled away to a ten point lead.

Lyle Long, Mentone's third cager in double figures, matching Stouder's 16 points. Ryman led the attack with 18. Reed of Northfield hit from all angles with a big 29 point effort for game scoring honors.

## FIRE PREVENTION CHECK LIST

The Mentone Fire Department makes the following suggestions for a Fire Safe Christmas and a Fire Free New Year.

Purchase a freshly cut Christmas tree which has been stored out of doors and keep it out of doors standing in water or snow until needed.

To prepare the tree for indoor use, saw off the butt end at an angle and one inch above the original cut; also cut vertical grooves into the bark of the tree trunk.

Keep the tree standing in water while it is inside (check the water level at least once a day for absorption and evaporation). This will keep the tree pretty and green and greatly reduce the flammability of the tree.

Support the tree well.

Place tree away from doorways so as not to block exit.

Disconnect all the Christmas lighting when no one is around to maintain a watch.

Be careful when trimming the tree, use a ladder for those high places, not a chair.

Check your wiring carefully to make sure no bare or unsafe wiring is exposed.

Do not leave the tree up too long. Why not pick on Jan. 1st

as the day to remove ornaments and lighting effects? Remove tree from house and dispose of it safely.

Be careful you do not overload circuits your Christmas lights are on.

Use non-combustible material (metal, glass, asbestos, etc.) to decorate the tree and home for Christmas. When you must use combustible materials be sure they are "flameproofed".

Have a big box handy and put all discarded gift wrappings, strings, etc., in it as the presents are unwrapped and dispose of this safely as soon as possible. One spark from a cigarette, etc., would touch this off and it would be hard to control.

Do not let children plug and unplug electric toys by themselves.

Have an extinguisher handy in case of fire.

If Santa is going to be at your home, church, or club, make sure his whiskers and clothing have been made fire resistant. Below is given a good, cheap, fire resistant solution for material of this kind. (This is only good for one year and if it is going to be used over it should be treated each year.):  
7 oz. Borax, 3 oz. Boric Acid,  
2 qts. Hot Water.

Why not appoint one of the

older children as "Christmas Fire Chief" and have him see that the above rules are carried out.

## Beaver Dam 4-H Club Met Recently

The Beaver Dam Agricultural 4-H Club met Monday evening in the Beaver Dam School. The meeting was opened by the president, Darrell Valentine. Betty Smith read the secretary's report. Debbie Walters gave the health and safety lesson. Pledges were given by Betty Bibler and Dick Harrold. Group singing was led by Buni Barber. New officers elected for the coming year are pres., Lyle Welty; vice pres., Linda Smalley; sec., Betty Bibler; assist., Helene Welty; treas., Melody Ballinger; assist., Mike Harrold; health and safety, Patty Walsh; assist., Debbie Walters; song leader, Bea Walsh; assist., Buni Barber; recreation leaders, Butch Barber, Max Swick, Dick Harrold, Marsha McFarland, Debbie Walters, Janella Jefferies, Kathy Harrold, Sharon Harrold.

Christmas treats were presented by Mr. and Mrs. Gerald Smalley, Tommy, Gary and Cara Jo.

Butch Barber, reporter.

## Jolly Janes Hold Christmas Party

The Jolly Janes Home Demonstration Club held its annual Christmas dinner Monday evening at the home of Mrs. Delord Nelson. Mrs. Jim Miller and Mrs. Ora Carmean were assisting hostesses.

Officers installed by an impressive candlelight service by Mrs. Jim Miller are president, Mrs. Morris Bitzer; vice pres., Mrs. Ora Carmean; sec., Mrs. Stanley Yeiter; treas., Mrs. Jim Romine.

Christmas carols were sung,

after which secret pals were revealed and gifts exchanged. Mrs. John Ellsworth was recipient of the door prize. Seven members received gifts for perfect attendance.

Present were Mesdames Richard Gross, George Mollenhour, Al Hatfield, Raymond Lewis, John Ellsworth, Harold Utter, Kenneth Shoemaker, Kenneth Romine, David Peffley, Harold Markley, Frank Hardesty, Loren Tridle, Wayne Bowser, Dwight Reichard, Bernard Cole, Jim Romine, Morris Bitzer, and Stanley Yeiter. Mrs. George Welch was welcomed as a new member.

Arthritis and the rheumatic diseases afflict fully 11 million people in this country, according to the 1963 March of Dimes, which seeks funds for medical care for patients and for research against these cripples.

## KIDNEY DANGER SIGNALS

Getting up nights, burning, frequent or scanty flow, leg pains or backache may be warning of functional kidney disorders—"Danger Ahead". Help nature eliminate excess acids and other wastes. Increase kidney output with **BUKETS**. Your 39c back at any drug store in 4 DAYS if not pleased. NOW at **DENTON'S DRUG STORE**.

## Motorists Deadly Enemy

Carbon monoxide is a deadly enemy of the motorist, cautions the Chicago Motor Club.

This colorless, odorless, tasteless gas can become a sneaky killer in cold weather as even small doses of the lethal gas may cause an accident by slowing down driver reaction. The motor club points out that one part of carbon monoxide in 700 parts of air can be fatal; one part of carbon monoxide in 1,700 parts of air can cause nausea.

Warning symptoms of carbon monoxide are nausea, drowsiness, headache, delayed braking reaction, faulty coordination, and poor vision. When there reactions are noted, car occupants immediately should inhale deep breaths of fresh air.

Carbon monoxide is produced by imperfectly burned motor fuel. An excess may be produced by faulty engine adjustment, but even the best adjusted engines may leak enough carbon monoxide to be fatal. Chief danger points are faulty gaskets, defective exhaust systems, and clogged exhaust pipes.

To avoid being overcome by carbon monoxide, they recommend the following precautions:

Never run a motor in a closed garage or other unventilated enclosure. Open all garage doors before starting the engine.

Always keep one car window at least partially open to assure some air circulation.

Shut off the motor if you are sitting in a parked car for more than a few minutes.

Check all points of the exhaust system for leaks and stoppages.

Remember, you car's exhaust pipe may become clogged by backing into a snow bank.

# SCHOOL BOARD MEETING Continued—

two attached buildings. The quotation to the Charley Lowe Roofing Co. was approved.

The board purchased three typewriters for the Mentone and Akron schools. An application for Science equipment for the Akron school was discussed. It was pointed out that the Federal Government could share in these purchases on a 50-50 basis. They surveyed the items on the application and a discussion was held and approved the application.

The present Board will hold one more meeting on Dec. 17, at which time all new Board members will attend in an unofficial capacity.

The new members will be sworn in Jan. 2. Loren Burt is going to be the speaker.

# BUSY - BUSY - BUSY

Their has been some recent comment around the spots that were, up to a week ago, frequented by the Editor, that we haven't seen Art. What have you been doing with him?

Well, I would let him answer for himself if he were around. It seems that some of the equipment that we purchased is not or at least was not in the best of running condition. There are wheels that don't move; there are wheels that move when they shouldn't. There are levers that don't lever.

This might sound agravating to you, but to Mr. Cullum this is something that he enjoys doing — tinkering with machinery.

We hope in several weeks that things will be levelled off in Bourbon and we will be able

to spend some time with him here, of course, he buys the coffee. — T.W.H.

# Talma Church To Hold Program

Dr. C. Boyer, professor of Greek at Grace Theological Seminary, Winona Lake, will present a selected set of slides entitled, "Christmas Scenes In The Holy Land", on Thursday evening at 7:30 at the Talma Bible Church. Dr. Boyer has travelled extensively throughout the near east and selected these slides from over 700 he took in the area. Refreshments will be served after the meeting. The public is invited.

Let advertising tell your story to your neighbors and friends.

# SINCERE THANKS

We cannot adequately express the deep gratitude which we feel for the community. The many flowers, the food, the thoughtful little errands and above all, the prayers which were given us during the illness and passing of our husband and father.

Subscription—\$3.00 Per Year

Ana Murcia, Mentone Homecoming Queen, is receiving a spray of flowers from Jon Newcomb, Student Council Representative, at the Homecoming game last Friday night. Last year's queen, Diana Silveus, is shown standing.

Other members of the court not shown are Elaine Manwaring, Cindy Rogers, Cheryl Horn and Betty Bibler.

## COUNTERPOINT

By The Editor's Wife

It shouldn't be too difficult to pick up a pen and resume the writing of a column—but this particular pen was left "hanging in the air" about three months ago Tuesday. (The unfinished column was still on the table when we arrived home from Boston with Jon on November 6.)

We have appreciated the inquiries from you readers as to "when?" and "why not?" concerning Counterpoint. We frequently trust that we will have no similar interruption.

We enjoyed our office party last evening (supper at Peterson's dining room, then to Tom and Jody's for a social evening ending with punch and cookies.)

Last year we postponed the party until after the holidays because "everyone was so busy." This year we decided that "being too busy" can become a state of mind which may ruin the enjoyment of the Christmas season, so we set a date and nearly everyone was able to be there (two teen-age sons had prior plans.)

There were 27 of us, tiny Jimmie Peterson being the newest one to join the group.

Word from Vance and Isabelle Johns (in California) tells us that they are very busy getting ready to move into their new home, which is just four blocks from Dave, Monna Lee and the three girls. We quote: "So far, we just love it here. Of course, we miss our old friends."

We all miss you both, too, but you go right ahead doing what comes naturally for grandparents. That's what we want most for you folks.

It was with a great deal of skepticism and a raised eyebrow that the editor consented to bring back three tumble- (Continued on page two)

## Progress Of School Board Reviewed

By Robert Forbes, Sup't.

The interim School Board of the Tippecanoe Valley School Corporation composed of the President, Lawrence Butts; Vice President, Paul Fites; Secretary, Delford Nelson; Treasurer, H. Earl Boggs; and Lowell Leckrone, met in its last official session December 17.

The Superintendent stated that he felt it appropriate to review the actions which the School Board had taken in the first six months of operation as an interim Board and complimented the Board for the progressive steps which had been taken in the newly formed Tippecanoe Valley School Corporation.

It was pointed out that for the first sixty days of operation of the new Tippecanoe Valley School Corporation the Board was quite involved with all the procedures necessary for setting up a new corporation in preparation for school operation and that there may have been a tendency to think that all improvements would have to wait. The Superintendent stated that he felt that considerable improvement had been made in the school system by the School Board and stated that he desired to make a review of these acts a part of the minutes of the meeting.

More Next Week

## New Arrivals

Mr. and Mrs. Orvin Thompson are the parents of a 5 lb. 11 oz. daughter, Debra Jo, born Thursday, Dec. 13, at the Murphy Medical Center in Warsaw.

Mr. and Mrs. Paul A. Vandermark of Lafayette, are the parents of a daughter, born Dec. 15. Mrs. Russell Huffer is the paternal grandmother.

## SORRY

Due to the lack of space in this issue of the News we were forced to omit several club meetings. They will be published next week.

In this issue of the News you will find many expressions of appreciation from the many businesses and professional people of our area.

We hope that you, the readers, will take a little extra time to check through the greeting pages found in the center of the paper.

The News and Staff.

## MRS. SQUIRES DIES MONDAY

Mrs. William (Millie) Squires, 67, of Rochester, died of complications Monday at 11:41 p.m. in the Woodlawn Hospital in Rochester.

Surviving are her husband; one daughter, Mrs. Joseph Miller of Bourbon; one son, Robert E. Squires of Ft. Wayne; one grandson, Barry Miller of Bourbon; two sisters, Mrs. Wayne Kelley and Mrs. Cleora Quier, both of Mentone; two brothers, Russell Dillman, of Mentone, and Ernest Dillman, of Warsaw. One daughter preceded her in death.

Services were held in the Foster-Good Funeral Home in Rochester, Wednesday at 2 p.m. with Rev. Daniel Slabaugh of Akron officiating.

## MENTONE FFA GOODWILL PROJECT

The Mentone FFA boys are sponsoring a Christmas goodwill project to remember the needy and shut-ins in the Mentone area this Christmas.

If you know of any needy family or shut-ins, please contact an FFA member or the advisor, Morris Bitzer. The distribution will be made December 24th.

## RECEIVES DEGREE

Charles F. Beeson, Jr. of Rt. 1, Etna Green, received his bachelor degree in Mechanical Engineering from Indiana Technical College at Fort Wayne. Commencement exercises were held on Saturday, December 15th.

Charles is the son of Mr. and Mrs. Fred Beeson and is a graduate of Mentone High School.

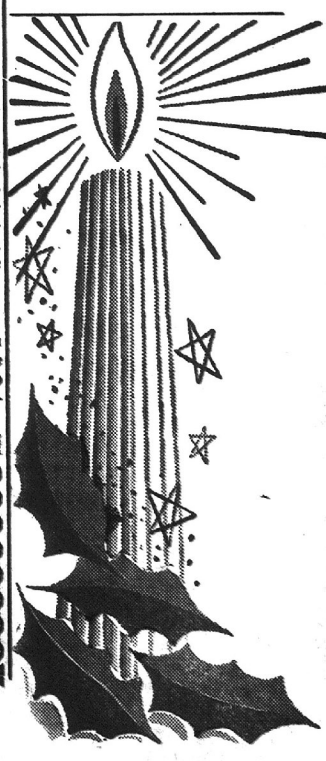

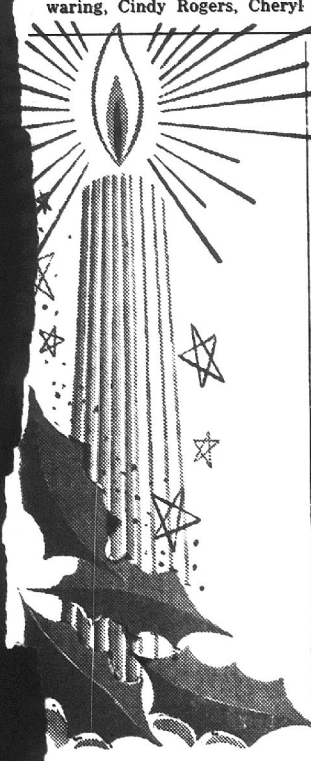

## WITH THE SICK

Vernon Miller, of east of town has returned from the St. Joseph hospital at Fort Wayne, after having major surgery.

Albert Hatfield entered the Robert Long hospital at Indianapolis on Monday for observation and tests. His room number is 3-B.

Marta Overpeck, 13, daughter of Mr. and Mrs. Frank Overpeck, of Route 5, Warsaw, was treated for a large splinter under a fingernail.

Mrs. Don Bennett was dismissed from the Murphy Medical Center Monday morning after hernia surgery Thursday.

### COUNTERPOINT. Continued

weeds from New Mexico last  
winter. However, they have fin-  
ally come into their own.

The larger one was sprayed  
with silver paint—gleaming sil-  
ver balls were gently forced in-  
to its prickly branches, and it is  
now a Christmas mobile, turn-  
ing slowly in the window of the  
Bourbon News-Mirror.

The next smaller one was not  
painted. It is suspended from the  
ceiling of our living room, and  
holds shining balls of many  
colors.

The small tumbleweed was  
sprayed silver and is doing its  
bit from the top of the piano at  
the Harman's.

Wonder what those "stay-at-  
home" prairie tumbleweeds

### KIDNEY DANGER SIGNALS

Getting up nights, burning, frequent

ache may be warning of functional  
kidney disorders—"Danger Ahead".  
Help nature eliminate excess acids  
and other wastes. Increase kidney  
output with BUKETS. Your 39c back  
at any drug store in 4 DAYS if not  
pleased. NOW at DENTON'S DRUG  
STORE.

would say if they could see what  
has happened to their wander-  
ing kinfolk?

Men and women talk a great  
deal about peace, failing to un-  
derstand that peace begins with  
the individual.

The angels' message to the  
shepherds was "Glory to God  
in the highest, and on earth,  
peace, good will to men."

Peace and ill-will cannot dwell  
in the same heart and life. Dur-  
ing this special season of cele-  
brating Christ's birthday, each  
of us might take time to sin-  
cerely and honestly search our  
own hearts. If ill-will is buried  
there, no matter what nice  
things we say, ill-will speaks  
louder by the things we do.

Truly, peace begins with the  
individual.

Have told my family that  
nothing would make me happier  
than to find an antique water  
pitcher in my Christmas stock-  
ing. Don't think they are taking  
me seriously.

Uncle Jon is having so much  
fun "trying out" certain Christ-  
mas gifts (intended for certain  
small people), that I have my  
doubts as to whether or not  
said items ever reach the orig-  
inal destination under the  
Christmas tree.

### Seward Home Ec. Met Recently

The Seward Home Economic  
Club met Dec. 12 in the base-  
ment of the Burket E.U.B.  
Church for a carry-in dinner.  
The meeting was opened by  
Mrs. Thomas. Installation of of-  
ficers was conducted by Mrs.  
Veta Lowman. Program chair-  
man was Mrs. Kenneth Miller.  
There was an exchange of gifts.  
There were 22 members, two  
guests and four children pre-  
sent. Next meeting will be held  
Jan. 9 at the home of Mrs. Earl  
Sarber at Claypool.

### Mentone Reading Club Met Recently

The December meeting of the  
Mentone Reading Club was held  
at the home of Mrs. Artley  
Cullum, with Mrs. Condia Wal-  
burn as co-hostess.

Mrs. Joe Boggs, vice presi-  
dent, presided at the business  
meeting.

The program and meditation  
was in charge of Miss Von  
Jenkins and Mrs. Fred Lemler.

The program was a Christmas  
story, "The Year There Was  
No Christmas", given by Mrs.  
Pearl Lackey.

Group carol singing was en-  
joyed by all.

The January meeting will be  
at the home of Mrs. Paul Rush,  
on Wednesday evening, Jan. 2.

### FAIR OFFICERS ELECTED

Officers for the Kosciusko  
County Fair of 1963 were elect-  
ed recently.

President, Bill Orr; vice pres-  
ident, Jay Shue; secretary and  
general manager, Henry Butler;  
John Bishop, treasurer. All are  
from Warsaw.

Directors elected for 1963 are  
Mrs. Helen Albert, Leesburg,  
Edward Severns, Mentone and  
Dale Sponseller of Etna Green.

### CARD OF THANKS

Sincere thanks to Rev. and  
Mrs. Campton, Royal Neighbor-  
hood, our friends and neigh-  
bors for the many acts of kind-  
ness and floral offerings extend-  
ed during the illness and death  
of our loved one, Verl Halter-  
man.

Mrs. Verl Halterman  
Mrs. Etta Halterman  
Mr. & Mrs. Hershel Teel & sons  
Mr. & Mrs. John Teel & son  
Mr. & Mrs. Chauncey Tucker  
and family  
Mrs. Daisy Enyeart and family

## Winterize Your Lawn Mower

If you spend a little time now preparing your power lawn mower, you will save money by increasing its engine life and save yourself starting headaches next spring.

Purdue University turf specialists say proper winterizing of the mower doubles the engine life. They recommend either taking the mower to the shop for the job or winterizing it yourself. It is a profitable move either way, since chances are your power mower is your most costly yard and garden equipment.

First, remove the spark plug. Then put a teaspoon of oil in the spark plug well. Turn the machine on its side and remove all the dried grass and dirt; paint where needed to reduce rust.

Rotate the fly wheel with the starter pulley to make the piston move slowly up and down and coat the cylinder walls with oil.

Drain the gasoline from the tank and carburetor. Change the oil, and if the blade is dull, sharpen or replace it. Then store your mower in a dry place.

## Ordinance Number 163

AN ORDINANCE REGULATING THE STANDING OR PARKING OF MOTOR VEHICLES OR OTHER VEHICLES UPON STREETS OR OTHER PUBLIC PLACES IN MENTONE, INDIANA, AND PROVIDING PENALTIES FOR VIOLATION THEREOF, PROVIDING FOR PROCEDURE OF ENFORCEMENT.

BE IT ORDAINED by the Board of Trustees of the Town of Mentone, Indiana, as follows:

### Section 1. Restricted Parking - Two Hour Limit.

It shall be unlawful for any person to park, or leave standing, any motor truck, automobile, motorcycle, or any other vehicle, howsoever power or propelled, for a period of more than two (2) hours during the period commencing at 8:00 o'clock A. M. and ending at 5:00 o'clock P. M. of each day, except Sundays and legal holidays, in the following described areas in the Town of Mentone, Indiana, to-wit:

(a) On both sides of that portion of Main Street lying between Morgan Street and Tucker Street.

### Section 2.

The Board of Trustees of the Town of Mentone, Indiana, shall cause areas heretofore designated in the town to be marked

with suitable signs to be erected in conformity with the provisions of Section 1, which signs shall bear the legend "Two Hour Parking."

### Section 3.

Any person violating any provision of this ordinance shall be guilty of a misdemeanor and, upon conviction, shall forfeit and pay a fine in an amount not to exceed Ten (\$10.00) Dollars, said forfeitures or fines to be assessed as designated in the following schedule:

- (a) A fine of Fifty (\$.50) cents for each violation of this ordinance if said fine is paid within twelve (12) hours of the violation; or,
- (b) A fine of One (\$1.00) Dollar for each violation of this ordinance if said fine is not paid within twenty-four (24) hours of the violation; or,
- (c) A fine not to exceed Ten (\$10.00) Dollars upon conviction of non-payment or evasion of traffic citations issued and not paid for more than thirty (30) days following said violation.

### Section 4.

The fines assessed under Section 3. of this ordinance shall be paid to the Clerk-Treasurer of the Town of Mentone, Indiana, and shall be by him paid into the general fund of said town.

### Section 5.

The persons violating this ordinance shall pay said fines to the Clerk-Treasurer or to the Marshall of the Town of Mentone, Indiana, who shall receipt therefor, or in default of said payment, the Town of Mentone, Indiana, may by any officer thereof file its complaint against said violator to recover the fines provided for herein before any Justice of the Peace in Kosciusko County, Indiana.

### Section 6.

Ordinance Number 160 ordained by the Town Board of Mentone, Indiana, on June 4, 1962,

is hereby repealed, and all other ordinances inconsistent herewith are hereby repealed.

### Section 7.

This ordinance shall be in full force and effect from and after its passage and publication according to law.

Ordained, passed and adopted by the Board of Trustees of the Town of Mentone, Indiana, the 3rd day of December, 1962.

HAROLD UTTER  
O. L. McFADDEN  
LOREN L. TRIDLE

### ATTEST:

Merrill E. Peterson,  
Clerk-Treasurer.

## Children And Christmas

Take time to put meaning into family holiday observances, urges Elaine Dolch, child development and family life specialist at Purdue University. Don't let the rush of activities cause you to miss the real joys of Christmas.

After all, it is up to parents to decide how holidays will be celebrated. They can put the emphasis on making long lists for Santa Claus or on the Christmas spirit of giving and sharing.

Sharing the spirit of Christmas can take many forms—making gifts, being helpful and thoughtful of others, sharing family discussions, worship, projects and food preparation.

When deciding upon an activity to share with your child, be sure you choose something within his ability. If the project is beyond his ability, he will experience failure and defeat instead of the success and accomplishment you wish him to experience.

Mother and father must decide, too, how many holiday activities outside the home fit comfortably into their schedule. Some community and church activities provide rich experiences for children, but too many nights out may leave a child tired and disinterested.

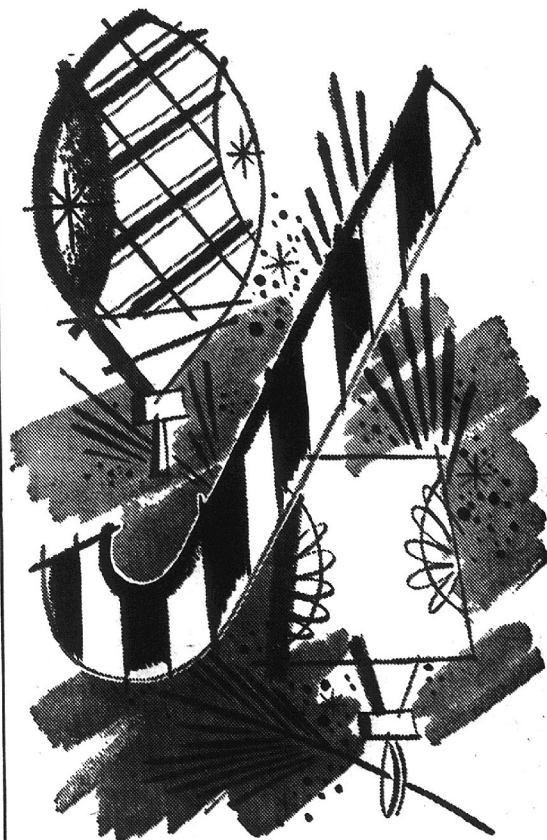

Try to keep your child from becoming over-excited and overtired during the holidays. Keeping him on a regular schedule and providing extra periods for rest will help him stay happy and well.

... to all our friends  
and wishing you  
much happiness!

## Order Trees For Spring Planting

E. J. Lott, extension forester at Purdue University, advises Indiana farmers planning to plant trees next spring, to order them now. Last year the supply of many varieties was exhausted by January.

Order blanks may be obtained from county extension offices, soil conservation district offices or extension foresters. These blanks list kind of trees available, best uses for each type of tree and prices. County Agricultural Stabilization and Conservation offices have information on cost sharing for tree planting projects.

Among the hardwoods, he recommends Tulip Poplar and Stratified Walnut for filling in openings in a woods. Black locust make excellent fence posts. This species requires fertile soil and drainage good enough to promote rapid growth.

Of the conifers, white pine and red pine (or Norway pine) are best adapted for general planting in Indiana and also make the best timber and wind-break trees.

Jack pine, which grows well on sandy soil, is recommended only in southern Indiana and are excellent pines for poor land sites.

The remaining conifer available is the Scotch pine, which should be used exclusively for Christmas trees. The white pine and red pine are also used for Christmas trees.

## Mrs. Max Smith Hosts D.A.R.

The Anthony Nigo chapter, Daughters of the American Revolution, were the guests of Mrs. Max Smith for the December meeting. Mrs. Loren D. Gross, secretary, conducted the meeting. Mrs. James Wells, American Indian chairman, gave a report of projects in need of support at Bacone College for Indians in Oklahoma. They agreed to send a monetary gift along with boxes of clothing. Mrs. Bud Paulus, chairman of the Good Citizen, announced that Elaine Stackhouse, Etna Green, was the winner in the southern section of Kosciusko County. Competition was among five schools, Silver Lake, Sidney, Claypool, Mentone and Etna Green.

Mrs. James Wells read the Christmas message from the president general of the society in which she stated, "It was my hope that all would pause and give thought to the real meaning of peace. Perhaps the connotation of the word peace has suffered a more drastic change than any other word during our generation. From its beautiful, lofty concept, spelt out and implanted in our hearts in the Christmas story, it has come to common everyday use, coupled with an element of underlying fear. This is highly regrettable. With the foregoing in mind that all reread the Advent of the coming of Christ as prophesied in the Old Testament so beautifully told in the four gospels of the New Testament before and when we are making Christmas preparations. We keep the real spirit of Christmas by keeping the Christ Child in Christmas. Without the inspiration of His birth and life on earth there would be no Christmas—no hope for true peace in His image. "He works through us His miracles to perform!" Join

those united in the cause of reflecting His image and example in a restless world. Be confident in faith, knowing that no spirit other than His, radiating from the hearts of men and women, can prevail. To endure, peace cannot be legislated, superimposed, nor forced. It must begin from within, grow and spread from individuals to people and nations. By daily actions and words, each, to his fellow man, is an ambassador for Christ. He fails if we fail in our allegiance to Him!"

Mrs. Dale Cook, national defense chairman, called the attention of members to a bill recently introduced in Congress by John M. Ashbrook of Ohio. H. R. 10508, the number of the bill, would curb testing abuse in schools and is entitled, "Non-academic Brainpicking Tests Constitute Unwarranted Invasion of Individual Privacy and Parent-Child Relations". Many of the tests call for difficult or impossible answers—in some cases pitting loyalties of religion, home, and parents against each other. The following is excerpts from one moral value inventory exam: (1) which is worse—spitting on the Bible or spitting on the American Flag? (2) which is more important—taking the oath of allegiance to the United States or joining a church? (3) which is worse—denying the existence of God or laughing while the Star Spangled Banner is being played? (4) which of the following men contributed more to the progress of mankind—St. Paul (in the Bible) or Abraham Lincoln? Material relative to this subject of testing is available with the national defense display in the local library.

Mrs. Everett Rathfon led the program for the evening around the theme, "A Christian Christmas for DAR". She read the Christmas story from St. Luke and followed with remarks as

pertaining to the struggle of the ages in attaining peace. She said, "The children of men have fought and died, each generation has paused here and there to lift a little higher the banner of peace and brotherhood, but still the inn was full; they lived for self alone. "Glory to God" was not their belief. "On earth peace" was not their mission. "Good will to men" was not their creed. Out of the past, in keeping with an ever-increasing purpose, our nation came into being, not by accident, but by the design of One who holds in His hand the destiny of the world. There is no royal road to peace. Eternal vigilance is the price of peace. The scripture warns us "to put on the whole armour of God". We must learn to stand on those principals of faith, righteousness, and justice on which our nation was founded. Here on American soil, beneath our country's flag, will be fulfilled, we pray, the eternal purpose of the ages, the cradle song of our Saviour, which startled the shepherds as they watched their flocks. "Glory to God in the highest and on earth, peace, good will to men."

Mrs. Rathfon closed the program with prayer, after which Cindy Stouder, Marcia Stouder, Linda Burnett and Gail White of Etna Green, sang two numbers.

Mrs. Smith, assisted by Mrs. E. W. Igo, served refreshments to members and guests. Gifts were exchanged. The January meeting will be with Mrs. Frank D. Smith.

Coat pockets bulge and receive extra wear if you stuff them with your gloves and scarf, observe Purdue University clothing specialists. The crushing is hard on the gloves and scarf, too.

Stevie and Martha Jo Whittenberger were Friday overnight guests of their grandparents, Mr. and Mrs. Robert Jones.

Rev. and Mrs. Robert Morgan have moved into the Artley Callum apartment the past week. They are in evangelistic work. They will spend part of the winter in Mentone between engagements.

Mrs. Ruth Wynn of Culver visited Sunday afternoon with Mr. and Mrs. Frank Hardesty.

Mr. and Mrs. Earl Besson, Mrs. Nellie Julian and Mr. and Mrs. Delois White and daughters of Kokomo were Sunday dinner guests of Mrs. Clarence Leininger. Afternoon callers were Mrs. William Cochran and daughter.

Mr. and Mrs. Glen Watkins of Bourbon were Friday guests of Mr. and Mrs. Robert Jones. Fri-

day evening Mrs. Jones and Mrs. Watkins called on Mrs. Sherry Thompson at the Murphy Medical Center, Warsaw.

Floyd Tucker and Mr. and Mrs. Ralph Tucker and son were callers of Mr. and Mrs. Ora Tucker.

Mr. and Mrs. Arlo Friesner and Vickie Witham had Sunday dinner with Mr. and Mrs. John Oswalt.

Dixie and Jon Parker of Bourbon spent Saturday with their grandparents, Mr. and Mrs. William Schooley.

Mr. and Mrs. Delemer White have arrived in North Fort Myers, Fla., where they spend the winter.

Mr. and Mrs. Mark Ridinger are home after being at the arthritis clinic at Ottawa, Ill., for two weeks.

### Merry Mollys Met Recently

The Merry Mollys were entertained with a desert smorgasbord in the home of Mrs. Marion Smith. Those assisting Mrs. Smith were Mesdames Carl Whetstone, Dean Myer, Al Heirs. Installing the new officers was conducted by Mrs. Glen Puterbaugh. Secret Sisters were revealed during the evening. 50-50 was enjoyed with prizes going to Mrs. Dale McGowen and Mrs. Donald Horn. Mrs. David Cooper received the Door Prize and Mrs. Marion Smith received a secret sister gift. Guests of the club were Mrs. Glen Campton, and Mrs. Darrell King.

### Be Abouts Visit County Home

Several members of the Be-About Society of the First Baptist Church of Mentone and their guests held a Christmas program at the County Home Monday night.

The program was opened by a greeting to the people of the home by the president, Mrs. Stanley Yeiter, who then presented the program committee.

The junior high group of the church sang several Christmas carols, led by Dennis Blalock. Misses Brenda Nun, Sherry Yazel, Linda Olson and Vickie Bowser sang a special number. Miss Janice Back read the Bible story of the first Christmas. Miss Becky Hunter played a piano solo and Master Ernie Welborn played several numbers on an accordion. Rev. Harry

Goehring gave an inspirational talk on the plan of salvation. After the program, gifts were presented and the refreshments were served.

Present were Mesdames Stanley Yeiter, Charles Hunter, Everett Welborn, David Peffley, Ed Bach, Raymond Lewis, Tobie Blalock, Wayne Bowser, Harry Goehring and children, and Mrs. Jim Unzicker, leader of the junior high group.

A good time was had by all and a feeling of being blessed for having gone.

Sell your turkeys as soon as they are finished, advise Purdue University extension poultrymen. Finish can be judged by noting the degree of fat under the skin along the feather tracts of the breast. When a creamy color is reached, the birds are finished.

**GENERATING FAITH**

Unlike other noble, elderly women of her community, she isn't called "aunt." Young, middle aged or retired folk address her by her first name only. It is because she is "the life of the party." Whether the assemblage be composed of teen-agers or any other age group she is one of them, a dynamic person and a leader who will not surrender to obstacles. People with problems, parents seeking counsel or children in distress go to her for help and are never turned down. Many who have left the community write to her for advice and information or, just for fun, for they love her.

How does she do it? It is no secret. She'll tell you it is her faith, faith powered by a force that is her Church. There she is a leader also. If attendance and active work in a church will act as such a source of hope and energy for her, it will do the same for all who seek its great and sustaining power.

## NEWCASTLE TOWNSHIP NEWS

Lavoy Montgomery was a visitor in Logansport Thursday.

William C. Davidson isn't very well at this time.

Fred Barr called at the home of Mr. and Mrs. Fred R. Miller on Friday.

Mr. and Mrs. Fred R. Miller have received word that their son, Paul Miller, of Mesa, Ariz., has entered the Veterans Hospital for treatment.

Ralph Hatfield was a business visitor in Rochester Friday.

The Talma Methodist Church will hold their annual Christmas program at the church on

Dec. 23 at 7 p.m. A very good program has been planned and the public is invited.

Bert Leedy has returned to his home after visiting in South Bend the past week.

Mr. and Mrs. Rolland Calvert and son have returned after spending a few days with Mr. and Mrs. Herman Alber of Macy.

Dick Davidson of Elkhart was a dinner guest of Mr. and Mrs. Dean Stockberger Sunday evening.

Joe Duzan was a business visitor in Rochester Friday.

Mr. and Mrs. Raymond Walters of South Bend were guests of Bert Leedy on Saturday.

Danny Wenger of Indianapolis spent the week end visiting Mrs. Olive Wenger.

Linda Hatfield of Muncie is

Spending some time with Mrs. Lorraine Hatfield.

Mrs. Fred Roe of Akron is spending some time visiting in the home of Mrs. Harry Striver. Mrs. Roy Wagener of Effingham, Ill., is visiting William C. Davidson.

Orton Zeht of Rochester has been dismissed from the Woodlawn Hospital. He was a former resident of this community.

Mr. and Mrs. Fred Alderfer and family have moved from the Clarence Hinton farm near Leiters Ford to the Ralph Shoemaker farm near here.

Dr. Howard H. Rowe of Rochester was a business visitor here Saturday.

Lavoy Montgomery has returned after visiting in the home of Mr. and Mrs. Herman Alber of Macy.

Mr. and Mrs. Devon Eaton are spending the winter in Florida.

designed the seal that was adopted by the state association. Other workers in the county who pioneered the program were Mrs. J. E. Baer (deceased), Mrs. O. B. Clase, Warsaw, Mrs. Perry Hoover and Mrs. Lloyd Felkner of Milford.

At Homemaker's Conference, June 11-13, 1963, at Purdue University, programs will be held to recognize the work of the State Home Demonstration Association. Any one who has any history that might interest the committee planning the recognition program, should contact Miss Janalyce Roulis, Extension supervisor, AES Building, Purdue University, Lafayette, Ind., or Kosciusko County Extension office, Courthouse, Warsaw, Ind.

The County Extension office has a booklet, "A Family Guide for Managing Money", which is an excellent tool for the homemaker to have as a record of living expenses.

Families will be better able to control their money, and they will know where their money is going, and why. This booklet gives them an opportunity to have a plan, for it provides a means of finding whether income will cover wants. It will serve as a guide in planning month by month or year by year.

Anyone wishing one should call 267-8971 or drop a card to the County Extension office, Courthouse, Warsaw, Ind.

## PAGEANT PRESENTED

The Mentone Methodist Church presented a pageant, "Christmas From A Roof Top", Sunday evening at the church. The cast was Robert Adams as Jethro an old man; Beverly Hurst as Miriam, his widowed daughter; Eddie Neilans as Jehiah, a shepherd; Tom Whetstone as Micah, his brother; Russell Adams as Amos, the Inn keeper; Jane Hostetter as Mary, the Mother of Jesus; Daniel Murcia as Joseph. The setting was in Bethlehem on the roof top of Jethro's home.

The play was directed by Katherine Teel, Viola Adams and Marguerite Campton. There were carols by the youth choir, under the direction of Annabelle Cole. Also, songs by the Cherub choir and the primary choir led by Eleanor Hoover, Donna Romine, Betty Sarber and Jean Kendall. Approximately fifty boys and girls took part in the program. There were about 150 present for the pageant.

After the pageant a time of fellowship was enjoyed in the church basement. The ladies

of the church served refreshments.

## Seward H.D. Met Dec. 12th

The Seward Home Demonstration Club met on Wednesday, Dec. 12th, at the Burket E.U.B. Church; hostesses Mrs. Carl Thomas and Mrs. Earl Lowman. There was a carry in dinner at noon, followed by the regular business meeting. Mrs. Kenneth Miller was Chairman of the Christmas Program, which included a duet by Mrs. Gerald Smalley and Mrs. Franklin Nelson. The following officers for 1963 were installed by Mrs. Lowman: Mrs. Gerald Smalley, President; Mrs. Franklin Swick, Vice President; Mrs. Wm. C. Kassen, Secretary; Mrs. Donald Swick, Treasurer. There was a gift exchange and each member learned who her Cheerio Pal for the year had been.

## MENTONE AREA SPORTS

### MENTONE

Mentone had some difficulty in stopping a determined Pierceton team. Although Mentone has not been up to its full potential for the last two games, it seemingly was pushed to the end of its ability in defeating Pierceton by 2 pts.

Mentone started off with a strong first quarter, leading by 10 at times although Pierceton closed it to a 22-17 count at the end of the first quarter.

Creighton led the way with 12 pts. the first quarter and ended up with 20 for the evening.

Mentone looked as if they might be on their way to an easy victory as they increased their lead to 12 pts. in the second quarter, but once again the Cubs arose to the test and ended the second quarter with the score 43-31.

The third quarter ended 60-53 as both teams played on even terms.

However, the last quarter saw an upset minded Pierceton team come back to within 2 points of the Green and White.

Nellans came through with 22, Creighton 20, and Ryman 16. Slusher from Pierceton took scoring honors with 26 points.

#### SCORE BY QUARTERS

MENTONE	22	44	60	73
PIERCETON	17	37	53	71

The Mentone Second team also continued on their winning ways with a 54-47 count.

### AKRON

After 27 straight losses they finally broke the ice.

The Flyers were blanked in the 1961-62 season with an 0-20 record and this season they were 0-7 in a tough schedule which included South Whitley, Bourbon, Southwood, Clay Twp, Claypool, Kewanna, and Bunker Hill.

The drought ended Friday night and the Akron win was impressive by a 71-53 score. It was a team effort with Dan Henderson, Kenny Miller, and Darrell Valentine finishing with 22, 18, 11 respectively.

Akron broke the game open in the last period behind a seven point push by Valentine when it outscored Argos 22-11. Akron was down 18-11 at the end of one, jumped ahead 33-27 at the half and led 49-42 at the end of three before the fourth quarter runaway.

#### SCORE BY QUARTERS

AKRON	11	33	49	71
ARGOS	18	27	42	53

Argos had a little glory during the night by winning the second team contest 49-48.

### TALMA

Talma ran into a little trouble Friday night as they dropped their second game to Richland Center 81-77.

#### SCORE BY QUARTERS

TALMA	24	36	52	77
RICH. CENT.	20	36	58	81

The Center B-Team won their game also by a 32-30 score.

Burket-Beaver Dam Jr. High basketball team hit eight of nine free throws in the last quarter and nosed Beaver Dam in a first class thriller at Beaver Dam Tuesday by a 42-37 score.

The game was tied at the end of three periods and was knotted seven more times in the final frame until Bill Patrick's cagers broke it open from the gift circle. Isom Slone finished with 13, Stan Shand 9, Gary Bucher 8, and John Owens 7, for the winners, while Manwaring had 13 and Teel 9 for Beaver Dam. The Beaver's B-Team was victorious 30-20.

NEWS? Ph. ELmwood 3-9865

### Candlelight Service At First Baptist

You are invited to attend the annual candlelight Christmas service at the First Baptist Church on Sunday, Dec. 23 at 7:30 p.m. The senior choir will sing John W. Peterson's cantata, "Night of Miracles", under the direction of Everett Rathfon. Accompanied by Mrs. Brad Moore, pianist, and Bruce Miller, organist. The narration is to be read by Jack Cramblet and solo parts will be sung by Mrs. Wayne Bowser, James Unzicker and Rev. Harry Goehring.

Following the cantata the Lord's Supper will be served to all persons, who, as believers in Christ, desire to worship Him as Saviour and Lord, in memory of the date of His birth. An opportunity will be given at the close of the cantata for any persons to leave who may not wish to participate in the communion service.

The church auditorium has been beautifully decorated for this service by Mrs. Kenneth Romine, Mrs. Earl Zent, Mrs. Florence McKinley and Mrs. Harold Markley.

### CAROLLING PARTY

Next Sunday, Dec. 23rd, the Senior and Intermediate M.Y.F. groups of the Methodist Church will have a carolling party. They will start out about 7:00 p.m. from the church and carol to shut-ins. They will return to the church for refreshments. Each caroler is to bring 50c to contribute to the Bashor Methodist Boys Home for a Camp Adventure Fund.

### Valentine Employees Entertained

Mr. and Mrs. Leo Valentine entertained their employees and wives Tuesday evening at Petrie's Wagon Wheel Restaurant in Warsaw for their Christmas party. Following dinner, games and contests were enjoyed.

Present were Mr. and Mrs. Howard Horn, Mr. and Mrs. Clarence Julian, Mr. and Mrs. Bernard Peters, Mr. and Mrs. Ralph Good, Mr. and Mrs. Robert Hamilton, Mr. and Mrs. Carl Zolman, Mr. and Mrs. Lloyd Ritchison, Marie Coleman, Pat and Bea Walsh, and hosts, Mr. and Mrs. Leo Valentine.

Gifts were received by the employees and Mr. and Mrs. Valentine received a tree lamp and a bed spread.

### LOCAL NEWS

Bill Nellans and Jim Whetstone were week end guests of Mr. and Mrs. Larry Nellans at Bloomington.

Week end guests of Mrs. Ora McKinley were Dewayne McKinley and Mr. and Mrs. Larry McKinley and son of Dayton, Ohio.

Mr. and Mrs. Jim Mollenhour and family of Florida are expected home Saturday to spend ten days with Mr. and Mrs. Ralph Mollenhour.

Barry Blalock and Tom Wittkamper are expected home on Thursday from John Brown University in Siloam Springs, Arkansas.

Mr. and Mrs. Ralph Mollenhour spent Monday evening with Mrs. Sam Perkins of Rensselaer.

TIPPECANOE VALLEY SCHOOL  
BOARD PROGRESS REVIEWED

We are continuing an article written by Mr. Forbes in which he states his views of the progress made by the school board whose terms will expire Dec. 31.

By Robert Forbes, Supt.

1. Early in the School year the School Board established a Kindergarten for the Burket School where none had existed before. This equalized educational opportunity for the students on this level.

2. Realizing that there was improvement needed in the Shop Departments, particularly for the Junior High, immediate action was taken to see that the necessary equipment and supplies for the Junior High Shops were obtained so that these boys could have adequate training in that respect.

3. Early the School Board expressed the desire that the teachers should have the instructional supplies which were necessary and which they would use to do a more satisfactory job for the benefit of the students. The board Budgeted funds and set up procedures for the acquisition of these supplies. All teachers on every level in the school system have been given adequate instructional materials as requested.

4. The School Board gave considerable attention to necessary repairs in the entire School Corporation, a few of which in-

cluded the sanding and finishing of the gym floor at Burket, a new roof for the gym and attached buildings at Burket, and repair of the unsatisfactory entrance to the Burket Junior High building. Also repair of the Akron Building, in particular for these doors and the hardware for the doors at Beaver Dam School was authorized by the School Board. Also included was the necessary change in the electrical distribution system at Mentone to prevent overloads which were occurring in the system, and also some needed

(Continued on page two)

HOLDING GRAND  
OPENING

Eldon Senff announced that their new laundramat is now open for business.

They are running it in conjunction with their trailer court. They are inviting the public to come down, look around and when you can use their services to stop back.

They have an advertisement elsewhere in this issue of the News.

## LOW BIDDER

The Romine Electric Co. of Mentone was the low bidder on the electrical contract for the Warsaw Lincoln School addition. Romine had a low bid of \$7,450.

## COUNTERPOINT

By The Editor's Wife

It seems that I was taken seriously after all. A beautiful crystal water pitcher was under the Christmas tree. It came, by way of Hazel Linn from the home of former neighbor, Pearce Jeffrey.

It's a fine thing to look across the road this year and see Christmas lights in the Leslie home.

Our Messiah records have seemed especially lovely this year. Jon found the score he had used in college and tried "singing along" on several numbers. Beautiful, Beautiful sounds.

We hung our two strings of sleigh bells just inside the front door this year and they weren't as noisy as we expected they might be. Speaking of sleigh bells reminds me of the all-too-few times Bob Reed has hitched up the sleigh and gone jingling along past the house. Had hoped that he might do this again when Janet came home for the holidays.

Have just been reminded that there are a couple of gifts which I forgot to wrap and put under the tree. That's what happens when you do your Christmas shopping early!

Want to say "thank you" to all the young people who have brought a great deal of happiness to the sick and shut-ins this season by their Carolling. You young people just don't know how much this means to these people.

For you, our wish for the coming year—May the true spirit of Christmas be with you each day to direct your way.

LIST OPEN HOUSE  
WINNERS

Mr. and Mrs. Harold Markley have reported a huge success at their open house held last week. There were many, many visitors and friends that stopped in.

Prize winners for the event were 1st prize, Miss Rosalind Mentzer, a Poinsettia plant; 2nd prize, Mrs. Louise Denton, a planter with plants; 3rd prize, Mrs. Dawn Walton, African violet plant.

MENTONE FFA HELPS  
THE NEEDY

The turkeys were given away by the Mentone Future Farmers of America. Tickets were sold to raise funds to help the needy and cheer the shut-ins at Christmas. A total of \$60.25 was collected.

Monday morning, Dec. 24, several members of the FFA delivered the following to needy families and shut-ins in and from the Mentone area. Six sacks of fruit were taken to the Prairie View Nursing Home, two sacks of fruit and one African violet was delivered in Burket, one sack of fruit and one African violet was delivered in Palestine and eleven sacks of fruit and sixteen African violets were delivered in and around Mentone. A box of food, several articles of clothing and several gaily wrapped gifts were delivered to a needy family in Palestine. There was a small balance of money remaining, so this was sent to the Penny-Pitch on WOWO.

Below is a financial report of this project:

20 sacks of fruit	\$20.00

Penny Pitch	\$ 1.94
Total	\$60.25

The Mentone FFA wishes to thank the community for helping us help others have a merrier Christmas.

NEWS? Ph. ELmwood 3-3985

4-WAY TOURNNEY  
FRIDAY & SATURDAY

Mentone fans will know after this weekend. Questions are always asked, How Good Are Your Boys. We think they are Tops. Saturday night we should know.

Mentone opens things against East Chicago Roosevelt at 7:30 on Friday night. St. Joe of South Bend and Elkhart will battle it out at 9:00.

Saturday night will see the two losers tangling at 7:30 and the championship game at 9:00.

John Frederick stated that the fan buses will leave Mentone at 5:30, Burket at 5:30, and Atwood at 5:45.

There will be plenty of tickets on sale at the doors. They will run \$1.00 per session.

## WITH THE SICK

Steven Lewis, son of Mr. and Mrs. Raymond Lewis entered Woodlawn hospital at Rochester Wednesday for treatment after suffering from a virus infection.

Al Hatfield underwent major surgery on Wednesday morning at the Robert Long Hospital at Indianapolis. A portion of his stomach was removed, causing a great loss of blood. A phone call from Mrs. Hatfield to her daughter, Kay, in the afternoon reported his condition is as good as could be expected.

Larry Hatfield arrived in Indianapolis on Tuesday evening from Richard Gebour Air Force Base, Missouri to be with his parents. Al's room number is 3-B

TIPPECANOE VALLEY SCHOOL CORP. TO OFFER  
ADULT FARMER CLASSES AT MENTONE

The Mentone Vocational Agriculture Department is again offering an adult evening school for farmers and others in the community with agricultural interests. The course will consist of at least 10 class meetings of approximately two hours each. There will be no charge.

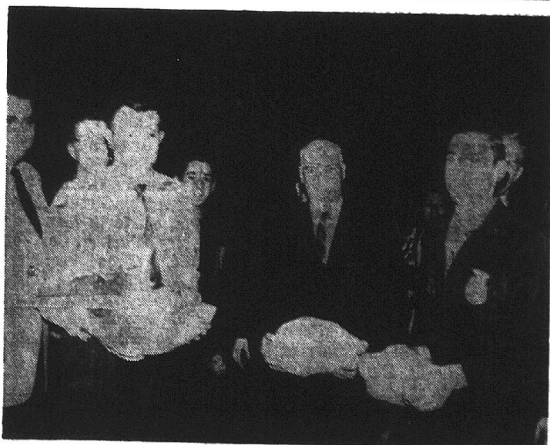

The topics for the meetings were selected by Morris Bitzer, Vocational Agriculture instructor, with the help of the vocational agricultural advisory committee. The committee has a very worthwhile series of meetings planned and hopes that all of the farmers in the area will receive some benefit from these classes.

The topics for these meetings are as follows: Housing and

Feeding of Swine on Slat Floors, Hydroponics, New Crop Varieties, Farm Credit, Economics of Harvesting Corn—Ear vs. Shelled, Farm Chemicals, Liming and Fertilizing, Soil Conservation, Soil Testing, A Trip To Central Soya and the Annual Adult Farmer Banquet.

These meetings will meet each week. There are speakers and films for several of these meetings.

The first class meeting will be held Monday, Jan. 7 at 7:30 p.m., in the Vocational Agriculture room in the Mentone High School. This meeting will include registration, a discussion of the course content, and a discussion on the 1963 agricultural outlook. Refreshments will be served at each meeting.

The FFA Turkey Winners pictured here are Forst Dunnuck of Mentone, Gene Roventine of Bourbon. David Leiter is holding a turkey won by Mrs. Willard Hively, (not shown). Others in the picture are Morris Bitzer, FFA Advisor, Richard Creamer, and Phil Murphy.

## School Board, continued

fluorescent lights were added  
in the classrooms.

5. Considerable improvement  
was made by the School Board  
in the commercial departments  
at Mentone and Akron. Some  
new desks were purchased along  
with 10 new electric I.B.M. type-  
writers and 2 new Royals for the  
two schools where before the  
Akron School had had no  
electric typewriters and the  
Mentone School only one. The  
Board also purchased several  
new adding machines and several  
calculators for both depart-  
ments where before neither  
School had any of this type of  
equipment. Dictating and trans-  
cribing equipment was also  
purchased for these departments  
where before these schools had  
none. Mimeograph and dupli-  
cating machines were also pur-  
chased in this area. As a whole,  
the instructional apparatus in  
the Commercial Department was  
improved a considerable degree  
through the efforts of this  
School Board. The improvement  
and modernization on the in-  
structional equipment in the  
Commercial Departments was a

needed and progressive step  
which the Board has taken.

6. The School Board has con-  
sistently felt that the Science  
Department for the entire school  
system should be upgraded and  
have caused to be purchased a  
considerable amount of new  
Science equipment for all of  
the Schools in the system.

7. A proficient Science teach-  
er for the Junior High at Bur-  
ket and Beaver Dam was ap-  
proved by the School Board to  
elevate the Science program on  
the Junior High level.

8. The School Board has ap-  
proved what is considered to be  
an up-to-date system of re-  
porting to parents on the pro-  
gress of the students in school.

9. The acquisition of primary  
typewriters for the grade school  
at Mentone, the grade school  
at Akron, and the grade school  
at Burket was a forward step  
which the Board took for the  
students on grade level Kinder-  
garten through three, because  
they realized that the old High  
School typewriters were not sat-  
isfactory for use of these teach-  
ers on that grade level because  
of difference in the letters which  
the students used on the elemen-  
tary level.

10. Equipment for the band  
has been purchased by the  
School Board for improvement  
in that department.

11. The Board has also been  
interested in an up-to-date ad-  
ministrative office which could  
provide more efficiency for the  
entire School Corporation.

12. Early the School Board  
established a salary schedule  
which they felt would attract  
and maintain proficient teach-  
ers.

13. A 50c cumulative Build-  
ing Fund was established so  
that money might be available  
in the near future when the  
School Board might decide that  
a building program would be  
necessary.

14. Exploratory typing at the  
Junior High level was added to  
the curriculum at Beaver Dam,  
and enrichment has been en-  
couraged at all levels.

15. Some new furniture as  
needed was purchased by the  
School Board at all four Schools.

16. In the Home Economics  
Department ten new sewing ma-  
chines were purchased, five for  
Akron and five for Mentone to-  
gether with other needed equip-  
ment to bring this department  
up to a better standard of pro-  
ficiency.

17. Library materials in satis-  
factory quantity has been ap-  
proved by the School Board  
along with necessary encyclo-  
pedias where the Board felt  
that there was deficiency.

18. The Board has also ap-  
proved Guidance materials for  
the Schools as a start to an im-  
proved Guidance Program.

As a total picture, as Super-  
intendent of Schools, I want to  
extend congratulations to this  
Board on the progress that they  
have made in this first six  
months of the School Corpora-  
tion. I am sure that you can  
always point with pride to the  
start that you gave this new  
Corporation and to the pro-  
gressive items which you have  
initiated for the students in this  
Corporation.

## NEW ARRIVALS

A daughter born to Mr. and  
Mrs. Larry Montel of North Man-  
chester. Mrs. Montel is the for-  
mer Becky Keirn, daughter of  
Mr. and Mrs. Hubert Keirn. Pa-  
ternal grandparents are Mr. and  
Mrs. Joe Montel.

A son born to Mr. and Mrs.  
Floyd Dorsey of Warsaw, form-  
erly of Mentone.

## Welding Certificates Presented Dec. 17th

On Monday night, Dec. 17th,  
the Mentone Vocational Agricul-  
tural evening welding classes  
were completed with the presen-  
tation of diplomas to those sat-  
isfactorily completing the weld-  
ing classes.

The final evening was started  
with a film strip which reviewed  
all the different positions of  
welding. They then went to the  
shop and made some final prac-  
tice vertical and overhead welds.  
A demonstration of the explo-  
sive power of oxy-acetylene was  
heard by the group. After the  
practice, they went to the class-  
room to enjoy coffee and dough-  
nuts. Several pamphlets on  
welding rods and the welding of  
different metals was distributed  
to the group.

A total of 15 enrolled this  
year with 10 receiving certi-  
ficates. They were W. W. Fore,  
Jr., Charles Hunter, Leroy Cox,  
John Roadarmel, Richard Dick-  
erhoff, Maurice Haney, Max  
Cumberland, Rex Remy, Dean  
Decker, and Edward Smelser.

Purdue University animal sci-  
entists say a good ration for  
feeder calves on pasture consists  
of 1,000 pounds ground cobs,  
500 pounds ground ear corn and  
200 pounds of good protein sup-  
plement such as Purdue supple-  
ment A.

## OBITUARIES

### MRS. OPAL TUCKER FATALLY INJURED

Funeral services were con-  
ducted at 2 p.m. Wednesday for  
Mrs. Opal M. Tucker, 68, of  
Route 1, Etina Green (Harrison  
Township), a former Harrison  
Township Trustee, who was fat-  
ally injured last Saturday after-  
noon in a Marshall County traf-  
fic accident.

Mrs. Tucker reportedly had  
delivered Christmas packages to  
grandchildren in Argos and was  
enroute home when her car  
veered into the path of the auto  
of Charles W. Penn, 36, of Route  
1, Tippecanoe, at the intersection  
of State Roads 10 and 331, three  
miles south of Bourbon.

Mrs. Tucker served a short  
time as Harrison Township trust-  
ee about 10 years ago following  
the death of her husband, Royse  
Tucker, who was trustee at that  
time. She served out his term.

Mrs. Tucker died at 4:20 p.m.  
Saturday in Parkview Hospital.  
Her chest was crushed in the  
collision.

She was born in Kosciusko  
County May 4, 1894, the daugh-  
ter of Marquess Dee Lafayette  
Beeson and Martha Ellis Beeson.  
A lifetime resident of the Har-  
rison Center area, she married  
Royse Tucker in May, 1919. She  
was a member of the Harrison  
Center Evangelical United Breth-  
ren Church, the American Leg-  
ion Auxiliary, the Gold Star  
Mothers, and the Mentone Home  
Economics Club.

Surviving are two sons, Joe  
Tucker, of Mentone, and Robert  
Tucker of Argos; one daughter,  
Mrs. Mary Jane Hill, of Men-  
tone; and nine grandchildren.  
A son, John, lost his life serving  
in World War II.

Rites were conducted at the  
Harrison Center EUB Church  
at 2 p.m. Wednesday with Rev.  
Rueben Siemens officiating. Bur-  
ial was in Harrison Center ce-  
metery. Reed Funeral Home was  
in charge of arrangements.

### HERBERT DORSEY DIES SATURDAY

Herbert Lorenzo Dorsey, 54,  
of Route 5, Warsaw, died Satur-  
day at the Murphy Medical Cen-  
ter in Warsaw.

Mr. Dorsey, who had been ill  
for the past eight years, was  
born on Nov. 16, 1908, the son  
of Lorenzo and Pearl (East)  
Dorsey. In 1931 he married  
Maude Haney. Mr. Dorsey, a  
farmer, had been a lifetime re-  
sident of the area. He was a mem-  
ber of the Eagles and Moose  
Lodges in Warsaw.

Surviving are his wife; one  
sister, Mrs. Gordon Bentley, of  
North Judson; one foster-daugh-  
ter, Mrs. Albert Orcutt, of At-  
wood; one nephew, Floyd Dorsey,

606 East Center Street; and one  
niece, Mrs. Art Davis.

Services were held Wednes-  
day at 10 a.m. in the Reed Fun-  
eral Home in Mentone, with  
Rev. Plugh officiating. Burial  
was in the Harrison Center  
cemetery.

### DR. RAABE DIES

#### FORMER PRESBYTERIAN MINISTER

Dr. Arthur W. Raabe, a former  
pastor of the Warsaw First  
Presbyterian Church was found  
dead in bed Christmas morning  
at his home in Burket. It is be-  
lieved he died Sunday night.

In 1949 he retired and made  
his home in Burket. In the re-  
cent years he has served as  
supply minister to various Pres-  
byterian churches in the state.

He was a member of the Ro-  
tary club and served as district  
governor in 1942-43. A very ac-  
tive Rotarian, Dr. Raabe helped  
to organize 13 clubs. He was  
president of the Warsaw club in  
1939-40.

He was married to Gladys  
Colvin, who preceded him in  
death on Nov. 30, 1953.

He was born in Chicago, Ill.,  
Feb. 28, 1883, the son of Charles  
and Anna Raabe.

Two brothers and four sisters  
survive.

Funeral Services will be con-  
ducted at 2 p.m. Friday in the  
First Presbyterian Church with  
Rev. Walter Scott officiating.  
Burial will be in Oakwood ceme-  
tery. Friends may call at the  
Landis funeral home until time  
of the service on Friday.

### MRS. JACKSON DIES SATURDAY

Mrs. Alabam (Hazel) Jackson,  
39, of near Mentone, died of  
cancer in the St. Joseph hospital  
at Ft. Wayne.

Mrs. Jackson, who had been ill  
for the past six months, was  
born in Prestonburg, Ky., June  
11, 1923. In July, 1946, she mar-  
ried Alabam Jackson. Mrs.  
Jackson was employed at the  
Korth Furniture Manufacturing  
company in Warsaw. She was a  
member of the Pentecostal  
Church in Claypool.

Surviving are her husband;  
one son, Mark, at home; four sis-  
ters, Mrs. Otis Shepherd, Clay-  
pool, Mrs. Sammy Gibson, 715  
North Ellsworth Street, Mrs.  
Irene Cripe, of North Manches-  
ter, and Mrs. Thelma Cox, of  
Servia, Ind.; three brothers,  
John Johnson, of Toledo, Ohio,  
Amos Johnson and Butler John-  
son, both of Warsaw.

## NEWS NOTES

from our

## County Agent

DONALD E. FRANTZ

It is not always possible to tell when these columns will be run. They are usually prepared a little at a time whenever we run across some good information to use. This usually doesn't matter except at Christmas time. If you read this before Christmas, may we wish you a Merry Christmas. If it is too late, may we hope you had one.

\*\*\*

The county is quite proud of the dairy herds of Sherman Deaton and Bud Watkins. They were gold medal winners at the recent state Dairy Association Annual Meeting. Their herd average on butter fat production was 611 pounds. While we do not get the figures on these records and I am not sure but I think this is among the five high DHIA herds in the state this year.

\*\*\*

Despite generally falling crop prices since the early 1950's, fertilizer usage has continued to expand in Indiana. Higher crop yields continue to offer the greatest opportunity for reducing per bushel or per ton

production costs on most Indiana farms. Liberal applications of fertilizer are usually necessary to attain and to maintain high yield levels. But fertilizer alone won't do the job. To make additional fertilizer profitable, fertilizing must be accompanied by a host of good management practices.

Fertilizer has increased in costs less than most crop production items during the past 10 to 20 years. Even so, one should consider the possibility of further reducing costs by taking advantage of practices such as use of higher analyses fertilizer and discounts for cash, bulk, quantity and early purchase.

In deciding how much fertilizer is profitable, a farmer must take into account the expected yield response, crop prices, fertilizer costs and other additional costs incurred because of higher yields. Available capital, willingness to assume risk of residual carryover, and rental arrangements should also influence rates of application.

Farmers must carefully consider the concept of diminishing returns when deciding how much fertilizer to use. Maximum yield is nearly always not the most profitable yield. Farmers must consider availability of capital and alternative investment opportunities to make wise decisions on fertilizer use.

Use of liberal amounts of commercial nitrogen has revolutionized crop production on many Indiana farms. Application of the optimal amount of nitrogen is often highly profitable. Applying more than is really needed can be quite costly.

Unlike nitrogen, phosphate doesn't leach out of the soil in large quantities. Many farmers have been raising soil phosphate levels during the past 10 to 20 years by applying more than maintenance applications. Some soils are naturally higher in phosphate than are others. Thus, deciding how much phosphate one can profitably apply on the next crop, it is extremely important to know how much is already available in the soil. The same is true of potash, for amounts available in Indiana soils also vary widely.

\*\*\*

There has been trouble with Newcastle's disease in poultry flocks around all fall. Most of the cases have been north of the county, but we have had some too. The County Poultry Association and the extension office made some recommendations to all flock owners about a month ago and they still should be followed.

It is particularly important to limit any trucks or personal traffic from one flock to another to the absolute minimum. It is necessary to prevent this disease rather than to think in terms of curing it. We are still suspicious of any kinds of overwintering of birds such as sparrows, pigeons and starlings. Buildings ought to be as bird-

proof as possible.

\*\*\*

The first County Agricultural Agent in Indiana was appointed just 50 years ago in LaPorte County. Much of the effort to get the County Extension system established came from two outside sources, the Chicago Grain Exchange and the C. and E.I. Railroad.

The land-grant colleges are also celebrating a centennial year. The enabling laws were passed just a hundred years ago. It was recently reported that 25 of the country's 42 Nobel prize winners attended land grant colleges.

\*\*\*

The major item of business in the up-coming legislature will be real estate taxes. The debates may take different shapes but the school financing question and the sales tax question and others have their origin in property tax adjustments. Indiana stands in an average position when we figure eight per cent of our farm net income to pay farm real property taxes on the average.

Some states are quite high. Massachusetts takes 23 per cent of the net farm income to pay real estate taxes of farmers and South Dakota takes 20 per cent. Some of the higher states are Oregon and Nevada 18, Mississippi, Louisiana, Georgia and South Carolina with three per cent. Kentucky also takes three per cent.

A person could make a couple of conclusions from this report. One is that we would probably not trade positions with either the high or low tax areas. Another is that the income from gambling in Nevada does not quite pay all the bills as it has been sometimes said.

\*\*\*

Work is under way to make up a complete land owners list for the 10 townships to be included in the up-coming Soil Conservation referendum. Those owning over ten acres will be eligible voters.

\*\*\*

The District Public Policy conference for north-central Indiana will be January 9th at the Westminster Hotel. The topic will be concerned with what causes or controls economic growth in our counties and cities.

\*\*\*

The new Farmers Income Tax Guides are not available as yet. They got held up at the printers, maybe a shortage of red ink. We expect to get them within a week or so and will have them available at the banks throughout the county as well as at the County Extension office.

\*\*\*

Early in November a train pulling 60 cars of cattle came into Chicago. They were all from Audubon County, Iowa, and are a part of the Audubon Chamber of Commerce Twelfth Annual Operation T-Bone. This program has as its purpose to draw attention to the tremendous production of high quality beef in their county.

## Former Resident Honored At Church

Lova Bush, a former resident of Mentone, has recently returned from her third term as a missionary in India. She will be with her mother, Mrs. Elsie Bush, 503 East Indiana Ave., South Bend, between deputation meetings.

While in the state during the one year furlough she will be taking an art course. This will help her in illustration of tracts and flannelgraph stories that she has been doing while in India.

The First Baptist Church had a carry-in supper on Tuesday evening at which Miss Bush was the honored guest. She spoke interestingly of the radio and record work she had a part in and answered questions about it and the other work she does as a missionary.

Rev. Milton Jones, student at Grace and pastor of the Talmage Bible Church brought a brief message, and he and Mrs. Jones sang several numbers.

## Beaver Dam School Presented Concert

A Christmas concert was presented Tuesday evening by the Beaver Dam Junior High School music department.

The director, Jim White was in charge of the program, accompanists were Lynn Utter, Pat Price and Diana Sarber. Several Christmas numbers were presented by the band, chorus and quintet.

## Mothers Of W.W. II Met Recently

Mothers of World War II met at the home of Ethel Wheatstone for their Christmas party. After dinner the meeting was opened with the pledge to the flag, singing "Star Spangled Banner", and a prayer by the chaplain.

Fourteen members answered roll call. Reports were read. A thank you was received for their donations to help with Christmas parties.

The meeting was closed with the creed, retiring of colors, singing "God Bless America", and a prayer by the chaplain.

After the meeting gifts were presented.

## Sodales Club Have Dinner

The Sodales Club held its annual Christmas dinner party at the beautifully decorated home of Mrs. Glenn Denton.

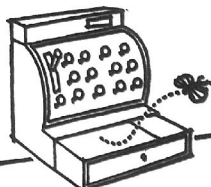

The Christmas story was presented with the thirteen members present participating. Prayer of different animals on red bells directed one to her gift in under the gay Christmas tree.

Mrs. Denton was assisted by Mrs. Everett Long, Mrs. Ray Smith, Mrs. Conda Walburn and Mrs. Ralph Mollenhour.

## SINCERE THANKS

I wish to express my sincere thanks to the many friends and neighbors for the flowers, cards and many acts of kindness following the death of my mother.

BILL REED

*Let advertising tell your story to your neighbors and friends.*

Thirty billion dollars or more may be spent by the U.S. to put a man on the moon. Is it worth it? Emphatically yes, says Dr. Wallace O. Fenn, University of Rochester physiologist. The stated goal of man on earth should be to acquire as much understanding of life and the universe as possible, and a solution of the mysteries of space will contribute much to this end. He proposes this need for expanding knowledge as the most basic justification for the space program.

Traffic jams were far in the future in 1900 when Americans owned only 8,000 autos. Today, reports Northwestern University, there are more than 62 million.

Prescribing new "pills" can have a miraculous effect on chemical products, according to Girdler Catalysts. One new type of catalyst enabled producers of ammonia for the fertilizer industry to increase hydrogen output by 25 per cent with no change in plant size or operating conditions. Millions of catalyst pellets packed inside long metal tubes accelerate the reaction between streams of natural gas and steam flowing over them.

Interested in seeing what the sky looked like over Bethlehem on the first Christmas? Drop in at the Charles Hayden Planetarium in the Boston Museum of Science any time between now and January 4. Scientific reproductions of the 2,000 year old star arrangement is a holiday feature at the institution.

The Atomic Energy Commission is looking for engineers and scientists to work in the fields of reactor development, physical research, biology, medicine and AEC regulatory activities. Salaries range from \$8,025 to \$17,925 to start.

A built in toaster that can be installed in a standard 4-inch wall is new on the market. It is tilted out when in use, removed completely for cleaning. When it is recessed in the wall, a safety switch turns off current.

The blind may some day be able to throw away their canes and move about normally with the aid of a newly developed radar unit, reports the Aerospace Industries Ass'n. The unit, modeled after the sensitive mechanism bats use to fly in the dark, enables a blindfolded person to detect and avoid large objects such as cabinets, cars and other people. With further refinement, they said, the instrument will locate chairs, curbs and even steps on a stairway.

A luxury motel is offering in addition to swimming pool and gymnasium, a frustration room. Guests are invited to step inside and smash things.

## Christmas Tree Grades

Christmas trees can be harvested and sold on the basis of federally standardized grades. Thus growers of quality trees can increase their incomes, points out E. J. Lott, Purdue University extension forester.

U.S. grade standards were developed at the request of state and national Christmas tree associations. They have been revised for 1962. Grading is voluntary and inspection will be provided for a moderate fee by the Department of Agriculture. Grades will include U. S. premium, U.S. No. 1 (or U.S. Choice), and U.S. No. 2 (or U.S. standard) Trees that cannot qualify will be listed as culls.

Previously many growers sold their trees in random lots just as a whole field was harvested. Dealers could not pay too high for such lots since at times they contained as much as 30 per cent culls. Grading will make it possible for growers to com-

mand a better price for batches of high quality trees and will protect dealers from taking a loss on cull trees mixed in with better ones. Grading should also be advantageous to the consumer since it will encourage better quality tree production.

Also, in harvesting, growers can select trees that will bring better prices and leave the others for later harvest either for the Christmas trade or other purposes.

More detailed information on grades can be obtained by writing to the Fruit and Vegetable Division, Agricultural Marketing Service, U.S. Department of Agriculture, Washington 25, D.C.; J. E. Dickerson, Federal-State Inspector, 215 East New York Street, Room 203, Indianapolis 4, Ind., or the Forestry and Conservation Department, Horticulture Building, Purdue University, Lafayette, Ind.

Winter feed for beef cows should be adequate in vitamin A, minerals and protein. However, there is no point in over feeding them, point out Purdue University animal scientists.

## Up to His Elbows in Paraffin

Garry Villasenor, 5, Houston, Tex., fights the joint inflammation of rheumatoid arthritis by dipping his arms into bath of melted paraffin at March of Dimes-financed treatment center at Texas Children's Hospital. Marking its 25th anniversary, The National Foundation-March of Dimes supports nationwide programs to aid victims of crippling birth defects, arthritis and polio through the best in scientific research and medical care.

## COFFEE — FREE

That traditional "one for the road" becomes "one on the road" this New Year's Eve on the Indiana Toll Road.

Robert A. Tillett, general manager of the Indiana turnpike, said that a coupon good for "one free cup of coffee" will be given to every traveler on the road between 10 p.m. Dec. 31, and 7 a.m. Jan. 1.

The coupon will be honored at all of the 16 restaurants on the east-west turnpike which runs across northern Indiana from the Ohio line to Chicago, according to Fred Gibbons, manager for Interstate Hosts, Inc., which operates the food facilities.

Reminding motorists that the Indiana Toll Road has always been clear for safe driving, no matter what the weather, Tillett cautioned motorists to drive with care over the holidays. "And make that 'last one for the road' a cup of coffee 'on the road' on New Year's Eve," he advised.

## COMPLETED M - P TRAINING

Army Pvt. David L. Busenburg, son of Mr. and Mrs. Everett E. Busenburg, Route 1, Mentone, recently completed eight weeks of military police training at the U.S. Army Training Center, Fort Gordon, Ga. Busenburg entered the Army last July and completed basic combat training at Fort Knox, Ky. The 23-year-old soldier is a 1957 graduate of Talma High School. Before entering the Army, he was employed by Indiana Metal Products Co., Rochester.

## Poinsettia Home Care

The home care you give your poinsettia will make a difference in the length of time it remains beautiful, point out Purdue University extension horticulturists. It's a fragile, tropical plant, and improper care will make it look shopworn well before the holiday season ends.

First thing to watch, assert

the horticulturists, is the room temperature. Best daytime temperature is between 70 and 75 degrees. Night temperatures should be near 60 degrees, but not lower. If there is a danger of chilling, don't leave your poinsettia in the window at night. And keep your plant away from heat outlets since high temperatures and dry air combine to cause trouble.

Avoid drafty locations for the plant even though the air is not much warmer or cooler than the room temperature. Keep your plant well watered, but don't overdo to the point of soggy soil. If the pot is wrapped in foil, poke a hole in the bottom so excess water can drain out of the pot.

For more information on poinsettias, write the Agricultural Publications Office, Purdue University, Lafayette, Ind., for Mimeo HO-74-2, "Poinsettias". Single copies are free to Indiana residents.

## Winter Care Of Evergreens

Winter care of evergreens, which represent a considerable investment, pays off, points out Don Scheer, Purdue University extension horticulturist.

Lack of water is probably the greatest cause of winter injury, since evergreens lose moisture all year. They recommend watering evergreens until the dirt is frozen and again whenever it thaws in the winter and spring.

To help control water loss, apply an anti-dessicant spray to the foliage and twigs.

Delicate evergreens, such as Japanese Holly, Leatherleaf Viburnum, Boxwood and Daphne, should be protected from direct winter sunshine. With direct sun, which they are likely to get if they are on the south or west sides of your house, the evergreens may freeze and thaw rather quickly. This results in tissue rupturing. Sunshine also speeds evaporation and drying out.

## MENTONE AREA SPORTS

### MENTONE RECEIVES GIFT

The Mentone Bulldogs were handed a gift by the Bourbon Comets Friday night. Mentone, down five points with a half-minute to play, stole the ball twice, and made two free throws to win by a single point 68-67.

Mentone was behind 19-11 at the end of the first quarter. Coach Bateman then sent his entire 2nd five into the game. With some outstanding playing and scoring the boys outscored Bourbon 20-11 in that quarter to give Mentone a one point edge at half time.

Mentone continued to play ball and held a 50-46 lead at the third quarter.

Mentone's Creighton kept the boys pepped up. He was playing with a sprained ankle, but kept right in there all through the second half.

Mentone had a balanced scoring while Metheny, Booz and Sharpe keep Bourbon in the game.

Bourbon's second team handed our second team its first defeat of the season 42-33.

Mentone becomes involved in the 4-way tourney at Elkhart this Friday and Saturday.

### AKRON FLYERS

The Akron Flyers played a tranquil type of defensive game and the final score gave testimony to the trouble as the Tippecanoe Valley five wilted 79-59 at Northfield.

The Flyers were everything but aggressive hoopsters which tripped Argos last week as they were down 23-11 at the quarter, 42-18 at the half, and 64-34 at the end of three.

Reed and Koch paced Northfield with 23 and 18 points with Bob Thompson netting 15 to lead the Akron attack. The Flyers will be idle until Jan. 4.

Northfield's second team pulled a squeaker, 49-48, over Akron.

### TRUCK IN ACCIDENT EAST OF MENTONE

A semi-truck driver escaped injury at 4:15 Friday afternoon when his rig jackknifed on State Road 25 about one mile east of Mentone.

Stanley Farthing, driver of the truck for a Logansport company, said that while he was driving up a hill an auto in front of him slowed down abruptly. When he put on his brakes, the trailer jackknifed, sending the cab into a ditch along the road.

ADVERTISE! IT PAYS!

### School Presents Christmas Program

The first six grades of the Mentone School presented a Christmas program at the gym on Wednesday, Dec. 19, under the direction of Kenneth Bush, music director of the school.

Preceding the program, Vivian Hurst presented several Christmas numbers at the organ. David Norris, narrator described the many ways of celebrating the Saviour's birth in different countries.

The Kindergarten and first grade sang, "Away In A Manger", accompanied by Beverly Hurst. The Second grade sang, "O! Little Town of Bethlehem", accompanied by Yvonne Rathfon. "Hark! The Herald Angels Sing", was the third grade number with Darla Sue Nelson at the piano. Gene Hughes accompanied the fourth grade in singing "Joy To The World". "We Three Kings Of Orient Are" was presented by the fifth grade, Donna King accompanying. The sixth grade sang, "Angels We Have Heard On High", accompanied by Renita Ring.

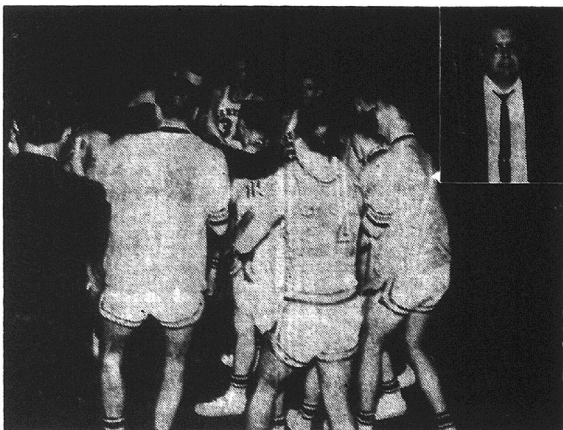

The group joined in singing several numbers with Vivian Hurst accompanying on the organ.

The boys high school chorus presented "I heard The Bells On Christmas Day", accompanied by Gene Hughes on the piano. Cheryl Horn accompanied the girls chorus as they sang "Small Jesus".

The Triple Trio presented several numbers accompanied by Lorna Tridle at the piano. A visit from Santa was a delight for the children. The choral groups joined in singing several numbers as the delightful program ended.

### NEW ADDRESS

Pvt. Eldon D. Swick  
55748752 A-144  
Fort Knox, Ky.

The News Cameraman caught a jubilant Mentone 2nd five as they came into the huddle after going into a one point lead over Bourbon. They outscored Bourbon 20-11 in the second quarter. In the inset we see Coach Bateman as he just sent his squad out onto the floor with one second to play and Mentone in a one point lead and in possession of the ball. (We wonder what it would take to make him smile.)

### Preaching Mission At Methodist Church.

Mentone Methodist Church will begin their 1963 Evangelistic Preaching Mission on Jan. 13-18. Church services will be held each evening at 7:15 p.m.

The emphasis of the 1963 program is to warm the hearts of everyone through personal evangelism and preaching. Encourage them to seek a new life in Christ, and the church, and to witness out of this heartwarming experience that Jesus Christ is our Lord.

The Evangelism committee, Mr. and Mrs. Eugene Sarber, Mary Welch, Ethel Snider, Mr. and Mrs. Al McKeigan, Robert Adams, Harold Lucht and Rev. Glen Campton traveled to the Goshen Methodist Church on Dec. 2nd to hear an inspirational talk from Dr. William C. McLelland, Conference Director of Evangelism in Mississippi since 1958. They also received training and guidance for their work in organizing the Mission.

### HOME FOR THE HOLIDAYS

Several college students have been in and around Mentone over the Christmas holidays. They are; Sandra Miller, Janet Beeson, Doyle Eiler, Mr. and Mrs. Forst Dunnuck and family all from Purdue. From I. U. and I. U. Med Center were Pam Hammer, Suellen Long, Linda Goshert, and Mr. and Mrs. Larry Nellans.

From N. Manchester we have Donna Kay Van Gilder, Janice Mollenhour, Bob Long, Sue Welty and Roger Nellans.

### INJURED IN AUTO ACCIDENT

Mrs. Mary Yates, Route 5, Warsaw, was injured in a single vehicle accident last Wednesday, three and a half miles southwest of Atwood.

Mrs. Yates suffered a laceration on her left leg and was to undergo x-rays to determine if she had other injuries. A passenger in the vehicle, a daughter, Sherry age seven, was treated.

Mrs. Yates said that she suffered a sudden severe headache and wasn't able to negotiate a curve in the road. The vehicle left the road, struck a corner post and a county road marker, and ran into a fence on the Kyle Gibson farm.

### SINCERE THANKS

We wish to express our sincere thanks for the flowers, prayers, cards and acts of kindness while Howard was in the hospital. We also wish to thank those who helped with the corn picking and chores.

Mr. & Mrs. Howard Silveus

Drafts, rather than low temperatures, influence milk production. Most dairymen can prevent cold winds and drafts by constructing wind break fences from rough lumber on the west and north sides of feed lots, say Purdue University extension dairymen.

Take inventory of your winter supply of hay and silage, advise Purdue University extension dairymen. Sell low producing cows and feed high producers at a maximum.

### PREVENT WINTER DRIVING WOES

The National Safety Council says: You must see a hazard to avoid it. A clear windshield and good vision are both vital. Check wiper blades for deterioration. Dead, baked-out rubber smears. Arms should have one ounce of pressure for each inch of blade length. Otherwise blades smear instead of wiping clean.
