

## 186 Pints of Blood Donated Monday

STUDENT BLOOD DONORS at the Monday visit of the Mobile unit helped make the visit the success it was. Seated from left to right are Melissa Bechtol, Dr. Wymond Wilson, Sue Duzan.

Standing are George Welch, student advisor; Elbas Bazzini, Spanish teacher; Mrs. Arthur (Opal) Carpenter; Michael Scott; Wm. Franks; Bill Kindig; Jim Bryant, student recruiter; and Gaylord Toll, Mentone principal.

Not present when the picture was taken, but who donated blood were Mike Hollo-way, a student, and Mrs. William Cochran.

Members of the Merry Mollies Home Demonstration Club who helped with the blood program Monday and then gave blood themselves are pictured here. Left to right, seated, they are Marita Boggs, Mrs. Francis Rickel, and Mrs. Joe Good. Standing are Betty Boggs, chairman of the day; Shirley Livengood, and Dick Whittenberger, a recruiter.

### MRS. ORR STRUCK BY CAR AT BOWLING ALLEY

Mrs. William Orr, route 1 Warsaw, who worked as a volunteer at the Blood Bank Monday left to go to a church meeting and then went to the Gilliam Bowling Alley north of Warsaw where she hoped to get a bite to eat. She was struck by a car in the parking lot and was taken to the hospital where it was determined she had a fractured wrist and some bruises. Mrs. Orr is publicity chairman for the Kosciusko county Red Cross, and is the wife of the manager of the Kosciusko county R. E. M. C.

The Kosciusko county blood mobile visited the Mentone Methodist church Monday and collected a record 186 pints of blood, making it one of the most successful visits ever made in this town.

The entire community co-operated in the recruitment with the members of the Merry Mixer Home Demonstration club in charge. Other organizations assisting were the Jolly Janes, Merry Mollies, Mentone Reading Club, and the Methodist W.S.C.S.

There were 202 persons who volunteered to donate blood with 61 of the donors being first time

donors. There were 37 replacements. Richard Boganwright of Mentone and Maurice Peterson of Rochester received their gallon pins.

Mrs. Joe Boggs was the chairman for the day and she was assisted by Mrs. Lirk Livengood as co-chairman. Several trained volunteers of the Kosciusko county chapter were present as well as the chapter board members.

Regular recruiters who recruit blood for each visit are Mrs. Clifford Eherman and Dwight Bechtol of Burkett, Richard Whittenberger and Mrs. Joe Boggs of Mentone, Mrs. Tony High of Etna Green, Mrs. Allen Rowenstine of Atwood, Mrs. Ivan Wertenberger and Mrs. Layne Warren of Claypool.

Seven teachers and a group of eight Mentone seniors gave blood. It was the first time students had participated in the local drive.

Supporting the drive were various businesses and industries, including Kralis, Mid-West Spring and Northern Indiana Co-op. Other members of the Merry Mixers who helped with the recruitment and operation of the visit were Mrs. James Blackburn, Mrs. Donald Coleman, Mrs. Ray DeCent, Mrs. Garwin Easton, Mrs. James Gates, Mrs. Gerald Romine, Mrs. Robert Smith, Mrs. Larry Stavedahl and Mrs. Linda Cochran.

Volunteer baby sitters were Mrs. Robert Boggs, Mrs. Francis Rickel, Mrs. Alton Perry and

### School Board Hears Request For 4-H Funds

A group representing the 4-H clubs of the Tippecanoe Valley School Corporation was present at the school board's Monday night meeting to request the board for a \$25 per completed member allowance to maintain the activities of the 4-H program. They stated the program is not an agricultural program but a youth program and that the money is needed for expenses only and not for profit. This amount to \$9,075 for the school district and would include the use of the buildings and the school buses.

Further board action saw Superintendent Forbes report he had invested in government bonds in the amount of \$84,229.69 plus \$1,097.95 accrued interest with the corporation's cumulative building fund. The bonds, if held to maturity, will be worth \$101,465, making the corporation a profit of \$16,137.36. The bonds will mature on November 15, 1968.

Representatives from the teachers' salary committee were present to outline the group's request for next year's salaries. Among other things they requested a group insurance plan and requested termination pay of 1/2 their accumulated sick leave pay.

Discussion was held concerning the repair of the school buildings in the corporation with Jerry Lessig of Lessig Engineers present to outline the needs of the schools. Also discussed were a language laboratory and a sound system for the two high schools.

### Mentone Students In District Music Contest

Many Mentone students participated in a district music contest held at Plymouth on Saturday, February 1, 1964. Mentone participants were under the supervision of Mr. Kenneth Bush, director of music at the Mentone School.

Students are entered in group I, groups II, III or IV, according to their ability to perform. Students who are entered in group I and received a "superior" rating are eligible to attend the state contest at Butler University on February 15.

Some of the Mentone participants were rated as indicated below: GROUP I (Solos) Superior, -Martha Van Gilder, Vivian Hurst; excellent-Martha Van Gilder, Marlene Brallier, Cynthia Ellsworth, and Steve Melott. (Ensembles) Superior-Flute Trio, Sandra Nelson, Marilyn Taylor, and Connie East; excellent-Clarinet Duet, Betty Bibler and Linda Smith; saxophone duet, Marlene Brallier and Cynthia Ellsworth; clarinet trio, Sandra Eckert, Judy Decker and Eldona Antonides; flute duet, Martha Van Gilder

### Peterson Seeks Re-election

Robert E. Peterson

Robert E. Peterson, State Senator for Fulton and Cass Counties, has announced that he will seek the Democratic nomination in the May primary for re-election to the position he now holds. A former farmer and County Auditor of Fulton County, he was a member of the 1961 and 1963 General Assemblies and has served on the Agriculture, Benevolent and Penal Institutions, County and Township Business, Judiciary B, and Roads committees.

Peterson was co-author of the resolution which established the Education Study Commission on High School Dropouts and is presently serving as co-chairman of that committee. During the present interim period he is also serving on a committee to make a comprehensive study of the entire field of highway construction, maintenance and control, a committee to examine the educational facilities at penal institutions, and the Governor's Traffic Study Commission.

A veteran of the Korean War, he is a graduate of Purdue University and is presently a Senior in the School of Law at Indiana University.

### Fire Hits Spring Factory, \$1,000 Damage

Fire of an undetermined origin struck at the Midwest Spring Mfg. Co. plant about 3:45 a.m. Thursday.

Operation of the plant which employs about 70 persons, was not halted by the fire.

Lawrence Castaldi reported the fire was confined to the steel-side heat-treating room and said the room had been used about 1:30 a.m. by employees of the second shift. At 3 a.m. a passerby saw the flames through a window and notified Marshall Eugene Norton.

The Mentone fire department said the room had not become hot enough to turn on the sprinkling system.

## Be-About Missionary Group Meet

The Be-About Missionary group of the Baptist Church met at the home of the new president, Mrs. Joan Welborn, Monday evening.

After prayer by several members, Mrs. Lois Hunter gave the devotions. Mrs. Grace Lewis read letters from three missionaries, Mrs. Lova Bush in India, Mrs. Nancy Goehring in East Pakistan, and Mrs. Lucille Ralston of the Chapel Crusaders, working among the migrants of the south.

Mrs. Welborn appointed Mrs. Leah Neil Yeiter as pianist, Carmen Acton and Kathryn Peffley as the gift committee, Betty Rogers, to get information needed for secret-prayer mis-

sionary-pal project to be undertaken soon, Grace Lewis as missionary correspondent, and Dorothy Blalock as reporter.

After making decorative scripture nut cups for a rest home for Valentine's Day, Mrs. Welborn served delicious refreshments to Mesdames Noreen Norris, Carmen Acton, Betty Rogers, Mary Ann King, Kathryn Peffley, Phyllis Bowser, Lois Hunter, Grace Lewis and Dorothy Blalock.

## Today's MEDITATION from The World's Most Widely Used Devotional Guide

## The Upper Room

THE UPPER ROOM, NASHVILLE, TENNESSEE

Thursday, February 6

Read Jonah 3:1-10: Psalm 130

Jonah cried, "Yet forty days, and Nineveh shall be overthrown!" And the people of Nineveh were short, sharp, and severe. He walked from one end of the city to the other and proclaimed these words of doom.

The people of Nineveh, believing Jonah, might have become penitency and might have prepared to evacuate the city. Kings and nobles, man and beast, herd and flock might have completed deserted the city doomed to be destroyed on forty days.

But the people of Nineveh believed God. The believed in a God of mercy who would turn from His fierce anger and His threat to destroy them.

So they set about doing things that would make it unnecessary for God to carry out His judgment against them. They decided that everyone should put on sackcloth, sit in ashes, and fast. These were signs of true repentance and change of heart. In other words, everyone turned from his evil ways, and God saved them and their city from destruction.

PRAYER: O God, who dost abhor our sinful ways and make plain the doom of evil doers, we believe in Thee. O God of mercy, we turn unto Thee in true repentance. Save us from perishing in our wickedness. For Jesus' sake. Amen.

THOUGHT FOR THE DAY  
Change of heart in the vile man moves the heart of God to grant mercy and forgiveness.

## Baptist Church News

Pastor Milton Dowden, who was the preacher at the Baptist Church here 11 years ago, spoke in the morning service Sunday. He has resigned as pastor of the large Campus Baptist Church of the University town, Ames, Iowa, and is looking for a smaller church. When asked about his family he said that Jack is the Pastor of a church near Ames, with a son nearly two years old. His daughter Lois' fourth child arrived Sunday morning. Pastor Dowden was notified at noon as he ate dinner with Mr. and Mrs. Everett Rathfon and daughter Yvonne. His youngest daughter Sue is a junior in high school.

Pastor Francis Rogers, of Burket, a student at Grace College, who has been filling the pulpit in the interval between pastors at the Baptist Church, preached in the evening service, and conducted the Baptismal service.

Mr. Brad Moore spoke at the Thursday evening prayer-meeting at the Baptist Church.

Mr. LeRoy Norris, Mr. Wm. Unsinger, Mr. Raymond Weirick, Mr. and Mrs. Everett Rathfon and daughter Yvonne attended the Recognition Service of a new Baptist Church at Logansport. The recent pastor of the Mentone Church, Pastor Irwin Olson, spoke at the evening service.

## GOOD NEWS CLUBS WELCOME NEW MEMBERS

Your kindergarten and school age children are welcome to either of the two Good News Clubs. Both are held Monday afternoon, after school. Mrs. Brad Moore is the teacher, Mrs. Marion Acton, her assistant teacher in her apartment over Cooper's Department Store. Mr. and Mrs. Lehman, Grace College students, are teachers in the Frank Hardesty home.

Trifles make perfection and perfection is no trifle.

## Be-Abouts Meet

The Be-About Missionary Group of the Baptist Church met at the home of our new President Joan Welborn, Feb. 3. After prayer by several members Lois Hunter gave the devotions. Grace Lewis read letters from three Missionaries: Miss Lova Bush in India, Mr. and Mrs. Ralston with the Chapel Crusaders and working among the Migrants in the States, and Mrs. Nancy Goehring of East Pakistan.

Our President made the committee appointments as follows: Grace Lewis-Missionary Chairman, Carmen Acton and Kathryn Peffley-Gift Committee, Leah Neil Yeiter—Pianist, Mary Ann King-Song Leader, Betty Rogers—Chairman of a Secret Missionary-Pal Project, and Reporter-Dorothy Blalock.

After working on decorative Scripture mint-cups with a Valentine theme, refreshments were served to Phyllis Bowser, our Secretary, Noreen Norris, our Treasurer, and to the above named.

## ERIC LISDAT IMPROVED

Mr. Eric Lisdat, on the critical list for many weeks after a train-truck accident, is reported greatly improved. He was on his way, in the fog, to his job at Creighton's when struck on a crossing close to the home he planned to move from the next day. He was found by his wife Vi (formerly Thompson, of Etna Green.) He has been in the Murphy Medical Center until recently dismissed and taken to the Prairie-View Rest Home, where visitors are welcome. His numerous injuries are healing.

He is able to move his legs, sit up in a wheel chair for an hour a day, and the cast has now been removed from his left arm.

Don't lose faith in humanity: think of all the people in the United States who have never played you a single nasty trick.

## Counterpoint

by Mrs. Artley Cullum

Decided to get some news from the Mentone Gazette of January 3, 1889, so here are a few items which date back about 75 years. G. M. Smith was editor and publisher.

Mentone was laid out in 1881, and the population, as of January 3, 1889, was 1100. Corporation officers were: councilmen, 1st ward, S. S. Mentzer; 2nd ward, R. Lambert; 3rd ward, W. B. Doddridge. Marshall was A. Mentzer; treasurer was Loran Manwaring; and clerk was S. A. Boggess.

Four churches held services in Mentone—The Methodist Episcopal with L. Reeves, pastor and W. B. Doran, superintendent. Baptist, J. D. Allerton, pastor, and A. C. Manwaring, supt. Methodist Protestant, J. A. Ledbetter, pastor, and Albert Carber, supt. German Baptist, Noah Heeler, pastor.

The funeral of Grandpa Giffis Wednesday was very largely attended by relatives and friends from far and near.

### The "Swear Offs"

The custom of making new resolutions on the first of the year was indulged in by a large number of the citizens of Mentone. The following are a few of the "swear-offs" placed on record for future reference.

N. N. Latimer Eating pickles.  
Andy Allen Driving Texas ponies.  
Dr. Robinson Betting on elections.  
J. H. Taber Holding stakes.  
John Friend Waxing his moustache.  
W. H. Eiler Being a candidate

for the P. O.  
John Manwaring Trying to pass chicken feathers for duck down.

G. R. Using distemper medicine to cure corns.  
Charles Sellers Trying to raise a mustache.

Ren Knight Having more than one sweetheart at a time.

It is a mistake.—N. A. Clay has not gone out of the Tubular well business, but is ready to do either Tubular or driven well work, or will sell you a Perkins windmill cheaper than the cheapest.

A \$125 Top Buggy for \$65, at the Chicago Scale Company.

W. L. Carmack and G. R. Craft recently finished the work of tapering the Yellow Creek Baptist Church. We hear frequent high compliments paid to their skill by those who have seen the work.

Rev. John H. Wilson of Rochester, will deliver his lecture entitled, "The Scarcity Of Fast Young Men" at the Mentone Opera Hall, Thursday evening, January 17, 1889.

Mrs. William Clemans was presented with a beautiful French plate mirror by her Sunday School Class on New Years eve.

More next week. Now back to 1964. A friend has suggested that I might do some walking with her. It takes her 10 minutes to walk the four blocks to the post office. (Come some nice spring days and the neighbors are out, she will take a bit longer, no doubt.)

## WE ENJOYED THIS:

Two young volunteers who were being interviewed for the Navy were asked: "Do you know how to swim?"

They both looked puzzled, and one replied: "What's the matter? Aren't there enough ships?"

## Pack Meeting

A special Pack Night was held Saturday evening in the Methodist Church. After the guests were introduced, Cubmaster Jim Miller spoke on "Goals of Cubbing." The Den Mothers then spoke on some of their experiences with the boys as Den Mothers. This meeting was especially for new boys who were interested in becoming Cub Scouts. For the benefit of these new boys, several of the Cubs explained what they had done since joining the group. Scoutmaster Walter Kelley then talked a little on the Boy Scouts, trying to encourage the younger boys to continue in scouting.

Some awards presented were: John Cole, wolf badge and gold arrow. Gary Sponseller, wolf badge. Darrell Miller, bear badge and gold arrow. Ronnie Toll, wolf badge. Terry Sinclair, silver arrow, and a new cub, Jerry Hudson, Jr., bobcat badge. Mrs. Gene Norton will assume the duties as den mother for a new group of boys.

The annual Blue and Gold banquet is tentatively scheduled for Monday evening, February 24 at 6:30 in the Methodist Church

basement. Mrs. Bernard Cole, Mrs. Kenny Sinclair and Mrs. Tom Harman are in charge of arrangements for this. More information concerning this will be available later.

National Scouting Week is February 7-14. Our local dens will have a window display, as they did last year. The boys are also urged to wear their uniforms on a specially designated day during this week.

Mrs. Kenneth Shoemaker's Den gave a clever skit on "Mr. Groundhog." The meeting was closed with refreshments being served to all of the boys and parents in attendance.

## Den II Tours Post Office

Cub Scouts from Den 2 and their den mother, Mrs. Jim Miller, were taken on a very interesting and thorough tour of the Post Office last Thursday afternoon. The boys were quite interested in the information given them by Postmaster, Kenny Romine. The den later returned to the Miller home for refreshments of doughnuts and orange juice, furnished by Johnny Cole. Other boys in attendance were: Darrell Miller, Gary Sponseller, and Jerry Hudson. Ronnie Toll was sick and

could not be with his den for this trip.

## FIRE DEPARTMENT MAKES TWO RUNS

The Mentone fire department made two runs Wednesday afternoon and evening. The first, at 2:45 p.m., was to Nellans Poultry Farm where they put out a grass fire, and the second was to the Pringle chicken houses east of Mentone at 7:25 p.m.

for any early market price improvement.

As of Jan. 1, the number of cattle on feed more than 6 months was over 49 per cent higher than a year earlier. Also the number weighing above 900 pounds was up 11 per cent. Market receipts will be drawn chiefly from classes during the next two months, so little if any permanent improvement can be expected. Smaller prospective supplies of fed cattle should permit prices to strengthen during the second quarter and possibly into mid-summer.

### FARMING TODAY

Donald E. Frantz  
County Extension Agent, Agr.

January 31, 1964

The turn of the year failed to bring some much hoped for improvement in farm commodity prices. Although stormy weather gave a temporary boost to livestock prices while deliveries were curtailed, increased receipts following improvement in weather and road condition pushed price levels right back down again.

At mid-month both cattle and hog prices had shown gains of 50¢-\$1 per cwt.—and even more on some grades of fed cattle—but these gains were quickly erased as volume picked up again. Excessive weight and finish in fed cattle continue to be discriminated against—in fact, trade has seemed to lower its sights on the question of desirable weight of cattle. Steers weighing above 1150 pounds have been quite unpopular with buyers.

Apparently the end is not in sight as the recent cattle on feed report indicates that although the total number of cattle on feed is two per cent below last year, the reduction has all come in light weight or "new crop" cattle while the long fed or "old crop" cattle are still too plentiful

## G. A. A. a "First"

Mentone girls participated in the first Girls Athletic Association meeting ever held at the Mentone School on Thursday, January 30. Approximately sixty girls were present. Those present played basketball and table tennis, and also did some tumbling. Mrs. Harold Fisher, Mentone physical education and art teacher, is the G.A.A. sponsor. Mrs. Fisher reports a great amount of interest in the organization and states that other such meetings are being planned.

The following girls have been elected to G.A.A. offices: president, Barbara Leckrone; vice president, Betty Bibler, secretary, Peg Truex; treasurer, Sandra Nelson.

## Future Nurses Hear Navy Recruiter

Member of the Mentone Future Nurses Club were addressed by Chief Petty Officer Edwards of the Fort Wayne Naval Recruiting officer. Chief Edwards explained a Navy program which is designed to help girls who are interested in becoming nurses to complete their college training. Most of the girls in the club are army strippers and are extremely interested in studying nursing as a profession. Club members are planning a trip to Fort Wayne to hear more about the Navy program in the near future.

Mrs. Dan Urschel is the advisor of the Mentone Future Nurses club.

## Boy's Intramural Program

Mr. Paul Rush, Mentone mathematics and physical education teacher, has been appointed to direct a program of intramural activities for boys. Mr. Rush reports that forty-seven boys have indicated that they are interested in participating. Activities such as basketball, volleyball, soft-ball, and table tennis are being planned. Boys who are interested in participating and who have not contacted Mr. Rush should do so immediately.

## SCHOOL NEEDS TO KNOW PROSPECTIVE ENROLLMENT

In order to determine the school needs for the next school year it is necessary that the school officials know of children who are living in the Mentone school area, said Gaylord Toll, school principal. The school wants to know how many plan to enroll in grade one for the year 1964 and 1965. Parents of children who will be six years of age on or before October 1, 1964 are asked to call the school EL 3-3665 or send a card giving the pupil's name, address, his parents' names and location of the home.

## Talma School News

### MATH NEWS

In Math 7-1 and 7-2 are climbing Mount Perfection, which is a chart to record perfect papers (ten perfect paper reach the top) Marion Boggs is coming down the mountain after going to the top. Other top ones are: Mike Gross, John Romine, Salvador, Murica, Don Acton, Dennis Meyer, Bruce Meiser, David Eherman, Marsha Sisk, and Ernest Welborn.

We have been studying about percents, discounts and commission, so we have been pretty busy learning all these things.

### HOME EC. NEWS

The boys thought it was nice to have us change classes for three weeks.

They made different kinds of food and the first was toast and cocoa, second was French toast, third was bacon and eggs and last of all they made a cake which they thought was very good.

They had two films about table setting and manners. They all had an enjoyable time.

The shop girls also had a nice time exchanging classes. We talked about Industrial Arts first day down in shop and then Mr. McNeely showed us different types of saws and tools. Then we started on our knick knack shelves. We could choose between designs or initials, and we thought it turned out pretty good.

### MY TRIP TO MARION

By Marion Boggs

The seventh grade shop class at Talma went to Marion on January 16, 1964. We went to the Fischer Body Plant and then to the McColloch Junior High School.

Upon arrival at the plant we were taken into a large room where there was a scale model of the entire plant. There a man gave us a short lecture on the procedures and processes of the plant. Before leaving this room we were given protective glasses for protecting our eyes from welding flames and flying fragments of steel.

After our guide has been selected we went into the plant. Several questions were asked by the

group, such as the amount of electricity used, heating system, size of the plant and number of employees. The guide answered the group in the following manner: The plant was heated by steam power, and covered about 170 acres. It cost from \$35,000 to \$40,000 per month for their electric current. There are three shifts totaling 2,500 to 3,000 employees. The guide showed us some of the dies that this plant used. They fit in huge presses that stamp the parts out. The huge dies weigh over five ton and are moved with overhead cranes. The large machines have a very handy safety precaution. You have to push two buttons at the same time and by doing this you use both hands, thus you can't get a hand caught in the press. Our guide said that the men who operate these presses make about \$2.98 an hour. Other men make plaster dies to use as models for making the steel dies, they make about \$4.00 per hour.

Around noon we started for McColloch Junior High School. There we ate our dinner and visited their shop. The shop teacher, Mr. Beck, nickel plated a piece of copper. He also showed us a metal shearing machine. Mr. McNeely showed us a metal lathe which he put an aluminum disk on and by force he made a little cup. Around 2:30 we returned to the bus and headed for home. Everyone was tired, but had an enjoyable and educational day.

### AN INTERESTING DAY

Thursday, January 16, the seventh grade boys took a very interesting tour to Marion, Indiana. We learned many new things and saw a lot too.

At Fischer Body we saw a very complex working model of the plant. Our guide told us that there are forty acres of land under the roof in the entire Fischer Body Plant. He also said it takes thirty-four thousand dollars for electricity for one month of operation.

The steel used in making parts of Pontiacs, Chevrolets, and other General Motors cars, comes in coils, varying in size to avoid waste when it is being cut. If a hole is drilled in the wrong section of a part, the part is useless and must be scrapped, so Fischer Body has men stationed through-

out the plant to check and double check every item made in the plant.

In this factory are many safety devices, one of which the press operator must use both hands on the controls to release the stamp.

While we were at Fischer Body, we saw many railroad box cars being loaded. These cars are especially made to carry automobile parts. Our guide said that to load one of these cars it takes two or more men a little under four hours.

While at Marion, we also stopped at McColloch Junior High School. A demonstration was given by Mr. Beck, the industrial arts teacher at McColloch, on foundry work, nickel plating, metal shaping, and safety.

## Akron Students Rank High In Contest

Akron High School and Grade School music students attending the instrumental section of the annual NISBOVA music contest at Plymouth High School, Plymouth, Indiana fared nearly as well as did their vocal counterparts who were so successful in their endeavors the previous week at Kokomo. Seven superior ratings, twelve excellent ratings, and two good ratings were received by the participating students. Six of the excellent ratings were but one point shy of being superior.

Students receiving superior ratings were: Bobby Bryant and Byron Tinkey, cornet duet; John Conner, trombone solo; Lynn Utter, flute solo; Brenda Doub, clarinet solo; Diane Adams, flute solo; Linda Myers, clarinet solo; Luana Teel and Patty Price, clarinet duet; receiving excellent rating were: Mary Jo Bryant, clarinet solo; Cathy Kuhn, bass clarinet solo; Carolyn Katz, saxophone solo; Kathy Sriver and Sharon Leckrone, saxophone duet; Diane Adams and Diane Cumberland, flute duet; Karen and Sharon Floor, clarinet duet; Linda Nichols and Jane Smith, clarinet duet; Linda Myers and Cathy Kuhn, clarinet duet; Lynn Utter and Pat Price, woodwind duet; Gary Whittenberger and Rodney Conner, coronet duet; Arnold Sheets and Diane Lowman, drum duet; Susan Keim and Linda Rager, French horn duet; receiving good rating were: Carolyn Burns, clarinet solo; and Lowell Safford and Becky Keene, coronet duet.

## Beaver Dam Boys Honored

The Beaver Dam Agriculture Club met Monday, January 20, at 7:30 at the Beaver Dam School.

The meeting was called to order by the president, Mike Harrold. Pledges to the 4-H and American flags were led by Steve

Whittenberger and Arthur Horn. Roll call was answered by 34 members and the secretary's and treasurer's reports were read and approved. Byron Tinkey read devotions followed by a health and safety report which was given by Connie Ault. Steve Whittenberger led the group in singing.

Our leader, Norman Tinkey, presented premiums to those who had won awards in the Grain Show. They were Steve Cumberland, Dick Harrold, David Cumberland, Arthur Horn, and Lyle Welty.

Jack Hart, the assistant agent, gave a talk on what the changes would be this year in some of the projects. He also showed us how to fill out our enrollment cards. After repeating the Lord's Prayer the group was adjourned and recreation followed.

The next meeting will be February 4 at the Beaver Dam School.

## Cadette Girl Scout News

The girls are busily planning the doughnut sale we are going to have on Feb. 15. If you would like to make an advance order you can contact one of the scouts or our leaders.

On Feb. 11 we are giving a Valentine party for the Brownies. We are doing this to help our Social Dependability Challenge.

We are still planning for our trip to Chicago this summer. We hope to have enough money by May.

In April we hope to have a rummage sale so we would appreciate it if you would save your useful items such as clothing household articles, books, toys, etc. for us to sell.

Dancing is wonderful training for girls; it's the first way they learn to guess what a man is going to do before he does it.

## D.A.R. News

AMERICAN HISTORY MONTH America has a rich heritage, full of heroism and greatness. Reminding us, young and old alike, of this heritage is the purpose of American History Month, sponsored every February by the National Society, Daughters of the American Revolution.

American History Month is an opportunity to remind Americans

that freedom is not free. To pay our debt to the past and understand our obligations to the future, Americans must not forget that the freedom which is ours to enjoy came about through the sacrifice, wisdom, perseverance and great faith of our forefathers.

To preserve our freedom, we must understand our heritage and be inspired by it, for if one does not know this heritage they cannot prove worthy of it.

The DAR has long been known for its activities to keep the embers of patriotism aglow. Historic markers and shines have been a project of the National Society for a good number of years. Probably the best known are the Valley Forge Memorial Bell Tower at Valley Forge, Pa., consecrated "To the Glory of God and in memory of our American heroes," as well as the Madonna of the Trails, a series of twelve statues depicting the pioneer mother and child on the route of the National Old Trails Road. The first of these ten foot statues is located in Bethesda, Maryland and the last in Upland, California.

An American History Month essay contest has been sponsored by the Anthony Nigo Chapter of Mentone, in two local schools in which seventh grades are located. The subject is "A Revolutionary Patriot."

For the benefit of the youth in our country today, the educational system, the legislative system, the family, the religion, and all cultural influence should be so tuned that they build a mind and a character with an understanding of the American heritage and moral values; a confidence in our constitutional system, our government by law, our economic system of free enterprise. Associated with this there should be a national patriotism that will immunize the youth against the very

insidious Communist propaganda that seeks to influence their thinking now and as the leaders of tomorrow.

The first thing to do is to educate young people to believe in their God, their country, their family, their Constitution, their liberty under law and to be proud of their heritage. Then they will not easily be swayed by God less, materialistic concepts.

Chapter Historian  
Mrs. Glenn Claus

## It pays to let your pigs eat like hogs

It pays, that is, if your pigs are on Pioneer feeds. During our Hog Feed Purchase Plan you'll see your profits rise, while your pigs make rapid gains at low conversion. Pioneer feeds are the feeds with balanced amino acids for better protein building. Amino acids are the basic protein builders and when they're balanced, you get top production, top profits. Over the years, the Red Comb-Pioneer folks have developed the know-how to formulate feeds geared to the genetic capacity of Hogs in this area. So, go ahead . . . let your pigs eat like hogs. Stop in to get the details and see how it pays—in more ways than one.

1. If you want to make a small amount of money do a big job, keep your eye on the total effect and forget about the value of the parts. It's not how much you spend for one thing that counts, but how well each thing does its part. Here are some examples all in the low cost brackets, but all attractive and eminently liveable. The inviting setting above has one wall painted white as a background for the modern suspended fireplace. All other walls in the room are a soft warm shade of apricot. The covers of the apricot sofa and the black and white chairs zip off for easy cleaning. Note how modern accessories were used in spice the early American flavor of this room.

2. The comfortable bedroom above completely belies its limited budget. The scheme repeats the living room colors. Apricot was used on walls, alternate cafe curtains and bed skirts. Bedspread and other fabrics have an apricot print on white for contrast. Choice of furniture provides excellent storage and surface space.

3. Above is a modern room that offers a great deal in value. The stacking units against the wall afford generous storage space and can be rearranged in a matter of minutes. The overall scheme is a neutral beige. Strong color is used on the walls only, where it can be most easily and cheaply changed.

## Ray Ferverda Re-Elected

Ray Ferverda of Milford, was re-elected chairman of the Kosciusko County Seed Improvement Association at their annual meeting held at Warsaw. Other officers re-elected for one year terms were, Leland Kinsey, vice-chairman, Howard Warner, secretary, and Victor Hillery, treasurer.

New directors for the association will be, Sam Rhoades, Washington township, George Ford,

Jackson township, Harry Davis, Lake township. All remaining directors were re-elected.

The officers announced that cats cleaning and treating will start March 16, and the cleaning and inoculating of soybeans will begin in May. The association reported the processing of 46,330 bushels of seed in 1963.

The long wished for sidewalk to the depot is now being constructed.

Frank Leatherman and wife, of Nappanee, spent Sunday with their old friend and neighbors, Sol Zentz.

The great suspension bridge at Niagara Falls was carried away by the wind and storm of Wednesday night.

A. C. Manwaring started to Indianapolis Tuesday. The State Legislature to which he was elected representative for this county, convenes today.

"The Mentone Gazette entered upon its fifth year of life last Thursday. It is ably conducted and has enough enemies, we understand, to insure its success and perpetuity. Opposition is essential to success in all undertakings. (Bourbon News)

On last Friday evening Sevastopol Lodge No. 403 installed the following officers for the ensuing term: N. G. R. Taylor; V. G. C. M. Smith; Rec. Sec. D. Hefley; Per. Sec. J. B. Middleton; Treas. S. Arnsberger. A number of ladies and other visitors were present.

The Eureka Wheel-barrow factory is now controlled by the firm known as Borman, Myers, and Mollenhour, the other having bought out C. H. Adams. The firm now has upon its payroll from 16 to 20 men, and are still adding facilities for increasing their business.

On last Tuesday evening the G. A. R. Post at this place installed the following officers: W. H. White, Post Commander; W. B. Doddridge, Adjutant J. I. Cox, Senior Vice; J. B. Middleton, Jr. Vice; C. E. Doane, Quarter Master; Rev. L. Reeves, Chaplain.

Charter members of the Free Mason Order are W. H. Eiler, M. C. McCormick, W. C. Thompson, W. C. Wilkinson, Wm. Fifer, Rev. L. Reeves, L. L. Latner, Pierce Ausberger, A. E. Batchelor, J. W. Dunlap, and W. H. White.

The school report showed that there were 51 enrolled in the Primary department, 56 in the Intermediate dept, and 60 in High School. E. J. McAlpine was county superintendent.

Some of the advertisers were D. W. Lewis, General Merchandise; Dutters, grocery; Hayden Rea, Harness Goods; Barwell and Friend, Hardware and Implements; A. D. Allen and Co., jeweler, Middleton and Shott, Boots and Shoes; Albert Tucker, lumber; P. Leiter, jeweler.

Now, back to 1964, two friends have called to report on the red-

birds (which are not coming to our feeders this winter). Helen Brown notices four pair of red-birds just west of their house; Goldie Kesler knows there are several around because she has heard them—so, we'll keep on watching for them.

The chapter, "The Secrets of Becoming Rich," from the life story of newspaper man E. W. Scripps, might appeal to most of us. Would you be surprised to know that one of his rules was "Never do anything today that can be done tomorrow." His philosophy was that there is so much to do today that needs our full attention, so most things that can be put off until tomorrow are not worth doing at all.

Another rule was, "Never hate anybody—it's a useless expenditure of mental and nervous energy."

His rules must have worked, for Mr. Scripps had a rags-to-riches life story.

Legislatures in 20 states have

been faced with the problem of laws, amendments and bills which pertain to Blue Laws, or Sunday closing laws. The fight over Sunday closing goes back to the year 312 when Emperor Constantine forbade the transaction of business on the Christian holiday. In the United States, laws date back to the Puritans. Now, the United States Supreme Court has made a strange decision about Sunday closing: that states could prohibit trading on one day a week as long as the purpose of the prohibition was not religious. Confusing, isn't it?

We enjoyed this:

A man became very ill and was rushed to the hospital. The next day his boss was among the first to pay him a visit.

"Now, Henry," pleaded the boss, "just don't worry about a thing. Everyone down at the office is going to pitch in and do your work—as soon as we can figure out what you've been doing."

## SOCIAL SECURITY INFORMATION

Your social security office wants to talk with you if you are of retirement age and have not yet inquired about your social security benefits. A few minutes of your time may result in added income to you in the form of social security benefits according to Mr. Cornelius R. Schafer, District Manager of the South Bend, Indiana Social Security Office.

You may know that you don't have to retire completely to get social security benefits—that you may be able to work and still collect some social security benefits. Full information on how your earnings from work affect your social security benefits is easily obtained at your social security district office at 335 N. Lafayette Blvd. Ask for booklet OASI-23. It tells in detail how earnings affect your social security benefits.

### MOTOR CLUB

Driving is a privilege, says the Chicago Motor Club, and with every privilege goes responsibility. The responsibility for careful driving is more than just a point of law. It is a moral obligation to drive with care and with high regard for the lights, privileges, and lives of others.

A safe driver, say, the Chicago Motor Club, always will reduce his speed whenever approaching a leaf fire at the curb. Wind conditions often can obstruct your overall view of the area. Don't blindly assume the road ahead is clear. Instead, anticipate the possibility of the smoke obscuring someone in the street or road. Play it safe—when you see the autumn leaves smoke signal, slow down.

It can be dangerous if the steering wheel of your car shakes rapidly from side to side says the Chicago Motor Club. If your car shows this condition, have your tire inflation and wheel balance checked immediately. If the trouble persists, have a qualified mechanic tighten connections and correct the wheel alignment.

The Chicago Motor Club advises motorists to remember that on wet or slippery pavements it takes a greater distance to stop

## Men In Service ...

**WILLIAMS AFB, Ariz.**—Captain Jerry C. Schaaf of Warsaw, Ind., has entered United States Air Force pilot training here.

Captain Schaaf will fly the newest Air Force jet trainers and receive special academic and military training during the year-long course. He will be awarded the silver wings of a pilot upon graduation.

The captain, son of Mr. and Mrs. Wayne Schaaf of 1421 E. Main, Warsaw, was commissioned in 1958 upon completion of the Air Force Reserve Officer Training Corps program at Indiana University. He also received a B. S. degree at the university and is a member of Sigma Pi.

Americans today have nearly \$7 billion invested in U. S. Savings Bonds — a powerful answer to the people who threaten to hurt us economically.

Owners of Series H Savings Bonds receive interest checks from the Treasury twice yearly. Interest averages 3-3/4 per cent on bonds held to maturity.

**INTERESTED IN INVESTING IN SERIES "H" SAVINGS BONDS?** Banks and other financial institutions will accept and forward applications to the nearest Federal Reserve Bank or branch for delivery to registered owner.

your car. Always allow plenty of space between your car and the car ahead. In this way, you'll be able to stop gradually during slippery driving conditions.

## Feed-Grain Sign Up Underway

The sign up for the 1964 Feed Grain Program is under way. The dates for signing agreements run from February 10 to March 27. Notices have been sent to all corn producers by the ASC office informing them of their base acreage figure and compliance payments.

The procedures are very similar to last year with a minimum participation of 20 percent of the corn base and a maximum of 50 percent under certain circumstances. The minimum payment will be made on the first 20 percent of corn deduction and the maximum payment on all between 20 and 40 percent. However if 50 percent is reduced then the top payment is made on all acres taken out. This is an attractive figure this year.

In addition there is a 15 cent support price paid to all who comply. This is paid on production figured on each farm. The average is raised to 65 bushels per acre this year so that means \$9.75 per acre on the average on the acres not diverted.

The effect of the Feed Grain Program has been evaluated in different ways. The intent of the program has been to reduce a surplus of feed that has been sizeable enough to depress the prices and therefore hurt the incomes of producers. The financing of the program has been through the sale of corn stored from previous years. This in itself has been a price depressant but we must remember that it had to go sometimes. The money for the program is a budgeted figure but under this financing it has the advantage of reducing storage costs as well as not drawing additional cash for financing.

The carry over of corn, figured at the time of harvest, has been reduced from 2 billion bushels in 1961 to 1.3 billion bushels in 1963 even though production has been at a record high. It is estimated that a further reduction of 200 million bushels will be made during the feeding season of 1963-64 which will leave 1.1 billion bushels carry over. Let's see how much this really is.

In 1964 we hit an all time high in corn production in this country of 4 billion bushels. The total amount of rainfall all across the corn belt was below normal but it rained just when it was needed and the crop exceeded all

expectations. It would not be difficult to see that we could have had 10 percent less corn than we did. Had the dry weather run another week last summer we would have been very lucky to have not been hurt worse than that. This would have removed about one third of our surplus, but it didn't happen.

We are using corn at a rate that will take 4.2 billion bushels this year. This will remove the 200 million from the corn pile as was mentioned before.

We will still have some surplus when the 1964 harvest comes in. We will have on hand about a 90 day supply.

### MANCHESTER SYMPHONY TO BE HELD

The Second Annual Concert of the North Manchester Symphony Orchestra will be held Sunday afternoon in the new High School building in North Man-

chester.

The guest conductor is the same man who helped organize the orchestra in 1938.

Mrs. Rowena Beard of South Whitley will be playing in the violin section. She is the daughter of Mr. and Mrs. Walter Lackey who plan to attend the concert.

## PARSON JONES SPEAKS

Dear Mr. Publisher

I noticed in your paper where the Russians are planning to get two Cosmonots together in outer space. I shore hope they do, cause they can't seem to get together with nobody in earth.

Everybody's talking about getting together now-a-days. I see where the Pope is talking about getting all the Christians back into one fold. Even old Hezekiah's preaching unity. Last Sunday in the men's Bible Class, Hez said it was about time all the Churches get together. He pointed out that if the Catholics would give up their doctrine of purgatory, and the Baptist would drop their stand on baptism, and the Methodists would stop talking about money, why we might be able to get together alright. (He didn't mention nothing about what we was gonna give up.)

I tell you Mr. Publisher, I'm kinda skeptical about this getting together business. Not that I'm agin it. I'm all for it. We been fighting each other so long we can't had much time for the devil. I get the feeling sometimes that we're working harder for ole Lucifer than we are the Good Lord. So I'm ready for a little cooperation.

The thing that makes me kinda skeptical is our own little church. I don't see how in the world we're gonna get along in one big church when we ain't learned to get along yet in our little ole church. (with the high steeple) You take our men's group and our women folks—they don't get along at all. The only time they agree is when they're running down the young folks. What's worse—we got people in the congregation that don't even talk to one another. They sing, "I Love Thy Church O God" with their noses turned up in the air so's they won't have to look at one another. Course, I will say Mr. Publisher, most of our folks ain't this way. The biggest majority of our members just ignore each other.

One of the reasons our people don't get along in Church is because they don't get along at home either. The way I see it, Mr. Publisher, folks do pretty well in this old world by themselves. Its when your start putting 'em together that the trouble starts. Adam didn't have no trouble til Eve came along.

It looks to me like we're either gonna have to put everybody in separate cages or find some way to get the Devil out of 'em. Before we do much together with one another, we're gonna have to get together with God. I believe

when we get that done why the ther will take care of itself.

Well Mr. Publisher, I've gotta be going. My lawyer just called me and said my brother was trying to who-do me over my daddy's will. My brother always was a little on the greedy side. I'll have to check on this right away cause we've got a meeting in "Christian Unity" at one o'clock. So long.

Yours truly,  
Parson Jones

## Library News NEW BOOKS . . .

**BIOGRAPHIES: MY DARLING CLEMENTINE.** by Jack Fishman, has been on the Best Seller list for some time. This book is a dual portrait of Winston Churchill and his wife Clementine. It presents Lady Churchill as a vibrant, unconventional personality in her own right and it also presents an unknown Winston Churchill-Winston as he is seen through his wife's eyes.

**MAKE A JOYFUL SOUND.** by Helen E. Waite, is an authorized biography of Mabel Hubbard and Alexander Graham Bell. The personal factors behind the world are often overlooked, to history's loss particularly in the case of Mr. Bell. Without his wife's part in it, his story is only half told.

**THE LITTLE TOY DOG.** by Wm. L. White, is the courageous story of Captain John R. McKeone and Captain Freeman B. Olmstead, the 2 RB - 47 flyers shot down and imprisoned by the Russians, then released just last November.

**TR.** by Noel F. Busch, is the story of Theodore Roosevelt and his influence on our times. From a sickly boy with failing eyesight, by sheer courage and will-power he overcame his many handicaps and became the great champion of the strenuous life. He was the most colorful of all our Presidents soldier, explorer, adventurer and author.

**Conservation: THE QUIET CRISIS.** by Stewart L. Udall. Shortly after becoming Secretary of the Interior, Mr. Udall wrote this book which is the stirring story of the men and the groups who waged a crucial a battle to save our national resources.

**Government: A SENATE JOURNAL.** by Allen Drury. 1943-1945. The only work of its kind a spell-binding close-up picture of the men and women who represent us on Capitol Hill, a detailed and intimate record kept by a master storyteller and a writer brilliantly adept at characterization.

**RELIGIOUS: HE SPOKE TO THEM IN PARABLES.** by Harold Bosley.

**THE BACKGROUND of the OLD TESTAMENT.** by Esther Kellner.

**HISTORY: FORGOTTEN PIONEER.** by Harry Golden, who "knows the American scene and the American people as very few men do", says Carl Sandburg of the man who has delighted us with his wit, keen sense of observation, and tender love of humanity. With warmth and understanding Mr. Golden writes of three of the old-time pack peddlers, one who "invented" the levis or denims so popular today. Fully illustrated, this is a rare work of Americana, full of charm and human interest, giving fresh insight into the lives of some of the men who helped create part of America's history.

**MUSIC: JOE MADDY of INTERLOCHEN.** by Norman Lee Browning (Foreword by pianist Van Cliburn). "Music lessons are an exciting experience," believes Joe Maddy. This is the lively story of one of America's best-known, best-loved, and most colorful pioneers in music.

**MENTAL HEALTH: DISCOVERING OURSELVES.** by Edward A. Strecker, M. D. and Kenneth A. Appel, M. D. - This book helps you discover who people often say one thing and mean another, helps you understand the needs, hidden desires and innermost thoughts of your children, friends and fellow workers.

**ART: COURSES IN PENCIL SKETCHING.** by Ernest W. Watson.

**BOOK 2 - BOATS AND HARBOURS, and BOOK 3 - TREES AND LANDSCAPES.** These books are a continuation of the series designed to present the same high level of art instruction as given in Art Institutes.

**CHILDREN'S BOOKS: GOLDEN'S CHILDREN'S ENCYCLOPEDIA** - interesting to read straight through. Many libraries will permit them to be read only in the

library but these may be checked out.

**TAXES: 2 books on YOUR INCOME TAX.** by J. K. Lassier, '63 and '64.

THIS DESSERT IS SO TEMPTING and so delicious that, served to the man of your choice, it will surely win you a proposal to be his life-long dessert maker. And, if you're already married, this luscious dessert will make your husband happy — he'll know he has the best wife in the world.

### CHOCOLATE MACARON CREAM

1 envelope (1 tbs) gelatin	2 egg whites
2/3 cup sugar	1/4 cup sugar
1/8 teaspoon salt	1/4 teaspoon vanilla
1/4 cup cold water	1/4 teaspoon almond extract
1-1/4 cups milk	1 cup heavy cream
2 squares Baker's Unsweetened Chocolate	1/2 cup fine dry macaroon crumbs

Mix gelatin, 2/3 cup sugar, and the salt in a saucepan. Add water and milk. Place over low heat, stirring constantly, until gelatin is dissolved. Add chocolate. Stir constantly over medium heat until chocolate is melted. Add vanilla and almond extract. Beat with rotary beater until mixture is blended. Chill until slightly thickened.

Beat egg whites until foamy throughout. Add 1/4 cup sugar, 2 tablespoons at a time, beating after each addition. Continue beating until mixture will form stiff shiny peaks. Whip the cream. Fold egg white mixture and whipped cream into chocolate mixture. Blend in macaroon crumbs. Spoon into a 1-1/2-quart mold. Chill until firm. Unmold. Garnish with additional whipped cream, if desired. Makes about 5-1/3 cups, or 8 to 10 servings.

Ruth McCleary  
County Extension Agent, Home Economics

Enrollments are being received in the Kosciusko County Co-operative Extension Office, Warsaw, Indiana, for a series of T.V. lessons on "Managing Money", for all homemakers in the county. The series will be televised over channel 22 at 9:15 A.M. each Wednesday beginning February 29.

Kits of materials to use in connection with the lesson will be mailed from the Co-Ext. office to all enrollees. The lessons will be directed by Lois Pence of Homemakers Hours with Miss Anna K. Williams, Home Management specialist from Purdue leading the discussion. The Home Economics Extension Agents in each county will assist with the program. Mrs. Ruth McCleary, agent from Kosciusko county has been assigned, March 11.

All those who complete the series will be given a certificate on April 29 at the Indiana Club in South Bend at which time an appropriate program is being planned. One of the events will be clubs in the participating counties.

St. Joe., Elkhart, Kosciusko, and LaPorte counties in Indiana and Berrien county in Michigan are cooperating.

All those interested in receiving enrollment cards should send their name and address to the County Extension Office, Court House, Warsaw, Indiana.

## New Wheat Standards Benefit Growers

The farmer who grows quality wheat should find his prices protected as a result of the change in official U. S. wheat standards, the Department of Agriculture has stated.

In announcing the new standards for grades of wheat on Jan. 22, the Department called them "an important step to increase dollar sales of U. S. wheat in overseas markets." They were adopted only after thorough study, conferences with wheat producers and industry representatives, and public hearings throughout the country. The new standards become effective May 1.

Besides protecting the prices for quality wheat, the new standards are expected to (1) improve the competitive position of U. S. wheat in world markets—where competition will intensify in the future; (2) help combat increasingly restrictive trade policies in some areas, particularly the Common Market; (3) enable the Commodity Credit Corporation to better guarantee the quality of grain owned by the public; and (4) provide substantial taxpayer savings in the export subsidy program.

In general, USDA explained, the new standards—based on smaller ranges of tolerance for grades—will mean less dirt, foreign matter and dockage in American wheat than in the past. Quality factors of weight, soundness and cleanliness can be more readily and more precisely measured today than in the past. Current standards have too great a tolerance within grades to provide a reliable basis for judging soundness of cleanliness.

During a transitional period following May 1, grain inspectors will—on request—show the grade of wheat under the old as well as the new standards.

## Notes From Your County Agent

Supplying adequate protein, phosphorous and vitamin A is of major importance to wintering of beef cows expecting calves.

These are the three dietary essentials most likely to be deficient during winter months. And the production of strong, healthy calves that stay strong requires adequate feeding of the cow.

Digestible protein, which the cow requires .9 pounds of a day can be provided by supplementing low-protein roughages with about 5 pounds of legume hay or one pound of protein supplement a day.

The scientists maintain that vitamin A is the only vitamin of major concern and can most easily be provided by using green hay or silage. Five pounds of green hay a day should take care of both the vitamin and digestible protein needs of a pregnant cow.

Otherwise, it may be well to supplement the ration with vitamin A in the form of dehydrated alfalfa meal or pellets, about one-half pound a day.

Phosphorous is often deficient in grass hay and silage and can be supplied in the form of steam-two parts steamed beanmeal or phosphate. These can be provided in a free-choice mineral mixture of two parts steamed beanmeal or dicalcium phosphate to one part iodized salt plus loose salt in another box.

A report circulated widely by one of the chemical companies has some excellent information concerning the value of timely weed control in crops production. The research was done at the University of Illinois.

## Friendly Neighbors Meet

Mrs. Mary Welch was hostess to the Friendly Neighbors Home Demonstration Club on Thursday Feb. 7th. Meditation was given by Ottilie Walburn and Frances Olson gave the Health and Safety remarks. Mary Shirey gave an interesting lesson on Growing and Care of House Plants. During the business meeting it was voted to give five dollars to the school for the retarded at Warsaw. Delicious refreshments of home-made ice cream and cake were served by the hostess and co-hostess, Mary Shirey, to 12 members and three guests Mrs. Paul Halst, Mrs. Agnes Rans and Myra Eaton.

Test plots were planted to corn and also to Giant Foxtail, which is now one of our most serious corn and soybean problems. The corn was all planted at the same time, but the weed seed was seeded at three weeks intervals, the first at the same date as the corn. The purpose was to find out how much is gained by controlling weeds from the very date of planting. This is done on farms by the use of pre-emergence chemicals.

When the corn and foxtail got started off together, the corn made 110 bushels and the grass was good too. It made 1,500 pounds of dry seed. When the grass seed was delayed 3 weeks the corn increase was 10.6 bushels, but the weed seed was reduced by 80 per cent. By delaying the weeds by 6 weeks the yield went up another 3 bushels and the weed seed infestation was reduced to 190 pounds per acre.

Further retardation of the grass seed did not raise the yield very much but it did reduce the re-seeding.

The story was about the same on soybeans as far as yield was concerned. There was a 7 or 8 bushel increase by delaying the foxtail by three weeks. After that the soybeans took care of themselves.

The amount of seed produced by the grass was virtually eliminated by just a 3 week delay of its emergence. When the beans and grass were permitted to start together there were 2,400 pounds of dry Giant Foxtail seed produced. By delaying it just three weeks this was reduced to 25 pounds and by delaying it six weeks there was none.

## The Upper Room

THE UPPER ROOM, NASHVILLE, TENNESSEE

Thursday, February 13  
Read Isaiah 1:16-18; Ephesians 2:1-10

Though your sin be as scarlet, they shall be as wool. (Isaiah 1:16-18; Ephesians 2:1-10.)

The sad statement of a cultured and successful businessman was, "I have ruined my life." He stated that he had broken every law of decency and nearly every commandment.

The past with its horrors was always before him, causing him much unhappiness. He had neither hope nor faith, and he greatly desired love. His was a tragically misspent life.

We brought to his attention great men in the Bible and in the church who had been cleansed "from all unrighteousness," whose sins were as scarlet but had become white. Following their example, he offered prayers of confession, contrition, and for forgiveness daily. Finally, he became a new man.

It matters not how great our sin, God can and will pardon and redeem us if we are sincere in our repentance.

PRAYER: Our Father, help us to be conscious of our sins. Lead us to acknowledge our sins and to be truly penitent. We cry to

Thou to forgive us, not because we deserve forgiveness, but according to Thy mercy and loving-kindness; and through Christ our Savior, in whose name we pray. Amen.

**THOUGHT FOR THE DAY**  
Sins confessed to God become sins forgiven by Him.

## Mentone M. E. Church Sets Lenten Services

The Mentone Methodist Church evening Lenten services will begin Sunday, February 16. There will be six services each beginning at 7:30 p.m.

The theme for this year's services is "Eye Witnesses at the Cross." These services will be unique as the message will be given in the first person.

Rev. Clyde Byers, pastor of the Burket and Palestine Methodist churches, and Rev. Glenn Compton, pastor of the Mentone Methodist church, will give the message.

The schedule of services is as follows: February 16, "Judas"; February 23, "Peter"; March 1, "Pilate"; March 8, "John"; March 15, "The Repentant Thief"; March 22, "The Centurion".

Communion will be offered on Maundy Thursday, March 26, at 7:30 p.m.

There will be special music and choirs at each service. Baby sitters will be provided in the church basement.

Refreshments and fellowship will be in the church basement immediately after each service.

Sunrise service on Easter Sunday, March 29, will begin at 6:30 a.m. Easter Breakfast will be at 7:30 a.m.

Morning Worship will be at 9:30 a.m. and Sunday School will begin at 10:30 a.m.

Everyone is invited to participate in these services.

## SOCIAL SECURITY INFORMATION

Farm operators must file their 1963 Federal tax returns not later than February 17, unless an earlier estimate has been submitted. Owner-operators and tenants are subject to both income tax and social security tax, but farm landlords pay social security tax only if they have been active in the production of crops or livestock.

Operators who did not clear enough to pay any income tax must still file a return and pay the social security tax if their net earnings were at least \$400 for the year.

Mr. Cornelius R. Schafer, manager of the South Bend Social Security, suggests that farmers contact his office and ask for pamphlet 864. This contains tips on filling out a farm tax return and also information on an optional method of filing for additional social security credit to many farmers.

The March meeting will be at the home of Mrs. Allen Shirey.

## NEW BOOKS . . .

**NOVELS: WHEN the LEG-  
ENDS DIE**, by Hal Borland - The story of what happened to the Ute Indian boy after being betrayed by his own people and the white man, his dedication to scum out the legends that gave him his distinction and pride, his comeback - largely through the world of nature, a book hard to leave and impossible to forget. In all the telling there is the magic of the author's feeling for nature, animals, flowers, sounds and smells and beauty of the Southwest.

**LORD of the FLIES** - by George Salter, the story of atomic war survivors, their struggle to re-establish civilization.

**ONE DAY in the "NEW LIFE"**, by Fyodor Abramov, the first candid Soviet novel of a collective farm seen through the eyes of the chairman. Here we look in vain for joyous, properly motivated peasants, eager to till "their" land and reap "their" harvest.

## What They Wore... by PHYLLIS JOYCE

WHEN PHILIPPE II (1180-1223) REIGNED IN FRANCE AND KNIGHTS WERE SETTING OUT ON THE CRUSADES, THE WOMEN WORE CLOSELY FITTED BODICES LACED DOWN THE BACK THAT REVEALED THE FIGURE. OFTEN THE SLEEVES WERE SO LONG THAT THEY HAD TO BE KNOTTED TO KEEP THEM FROM TOUCHING THE GROUND.

LATER ON, A BRIGHTLY EMBROIDERED SURCOTE TRIMMED WITH FUR, WAS WORN OVER A TIGHTLY LACED INNER ROBE WITH LONG SLEEVES AND A WIDE NECKLINE. WIMPLES (A COVERING OF CLOTH OVER THE HEAD) REMAINED IN STYLE. CLOTH OF GOLD WAS OFTEN USED IN THESE GARMENTS.

IN THE EARLY 14TH CENTURY A LACED GARMENT, CALLED A KIRTLE, WITH LONG SLEEVES BUTTONED FROM WRIST TO ELBOW, WAS WORN UNDER A LOOSE GOWN OF CONTRASTING COLOR.

## Typing

The typing classes at Talma are engaged in a typing contest with the Beaver Dam classes. The contest began the first of November. We have typing two days a week, so there are two averages that we send to Beaver Dam each week.

The six typing classes had an average of about 35 words a minute on their one minute writings during the month of January. So far this month, we have had an average of 39 words.

At the present Beaver Dam is leading in the contest, but we hope to catch them before long.

There are many good typists here at Talma. Those reaching a speed of 60 words a minute on a one minute writing are: Bev Davis, Diana Shirey, Janis Hoffer, Sandy Holler, Becky Hunter, Linda Meyer, and Pam Abbey. Pam has an average this month of 68 words. Her highest so far is 72 words. There are many other students who are very close to the 60 words a minute mark.

Some of the best boy typists are: Max Hubartt, Jack Keirn, and Dennis Blalock.

## Talma School News

## Add Student Teachers

Two additional student teachers have been assigned to the Mentone School by Grace College. Mr. Richard Jensen, a native of Washington, has been assigned as a student teacher in vocational agriculture; his critic teacher is Mr. Andrew Pylant. Mr. Eloy Pacheco, a native of New Mexico has been assigned as a student teacher in Spanish; his critic teacher is Mr. Elias Bazzini.

## Speech And Dramatics Club Organized

The speech and dramatics has been formed during this school year. It is made up of students who have taken speech during the year. Speech is being offered to all senior students and required of all sophomore students. Approximately 110 students will be studying speech this year. The club is co-sponsored by our speech teacher, Mrs. Jo Ann Herbst, and our English teacher, Mrs. Norma Rush. Some speech and dramatics club members will be speaking at the Mentone Parent-Teacher Association meeting at 7:30 P.M., Wednesday evening.

## Concert At Mentone School

## Jesse Ritchison Heart Victim

Jesse Loyd Ritchison, 59, route 1, Tippecanoe died Saturday at Murphy Medical Center Saturday after having suffered a heart attack while working at the Valentine Elevator in Mentone on Friday.

Born in Bellefontaine, Ohio, May 30, 1904, he came to Tippecanoe 16 years ago from Nashville, Tennessee. He married the former Grace Watkins on December 16, 1945. He was a member of the Tennessee City Methodist Church.

Surviving with the widow are four sons, Carl and Duane, both of Warsaw; Robin, at home and Ferrel Baxter of Bourbon; two daughters, Rachel Baker of Quincy, Illinois and Mrs. Tom Eby of Bourbon; a brother, Donald, of Tennessee City; and nine grandchildren.

Services for Mr. Ritchison were held Sunday in the King-Reed Memorial Funeral Home in Mentone, after which the body was removed to the Dickson Funeral Home at Dickson, Tennessee. Burial was in Tennessee City, Tennessee.

## Sister of Mrs. Robert Reed Dies

Mrs. Robert (Scenora Lyon) Hoover, 59, of Route 1, Milford died at Murphy Medical Center Thursday morning of complications of a stroke suffered Tuesday. She was a former resident of Mentone until her marriage in 1931.

She leaves her husband Robert, her mother Mrs. Jennie Lyon of Attica, two sons, Frank and Donald, five sisters: Mrs. Ross Smith, St. Petersburg, Florida; Mrs. Robert Reed, Mentone; Mrs. Fred Evans and Mrs. Robert Milligan, both of Attica; and Mrs. John Davis of Oswego, N. Y.; also two brothers: John Lyon of Attica and Don Lyon of Arcola, and five grandchildren. Services were Saturday at the Mischler Funeral Home at Milford, with burial at Felkner Cemetery, south of Milford.

## This Week Was Not Our Week

This was not our week as far as health was concerned. Two of us started the week with the flu bug and one came down with measles. Many items were left out of the paper this week for lack of time, and for this we apologize. We hope to be back in good health next week. We are deeply indebted to the Kewanna Observer and the Bourbon News-Mirror for helping us. The Observer set some of the copy in their shop while the News-Mirror loaned us a linotype operator in the person of Fred Powell for three days. Their kindness is greatly appreciated, and we hope to be able to repay it.

## Limited Postal Service on Feb. 22

The Mentone post office will receive and dispatch mail the same as any other work day on Washington's birthday, Saturday, February 22. However, there will be no window service or rural delivery service.

## F.F.A. Is Not For Sale

With the theme "F.F.A. is not for sale; it has already been bought, all over the U. S. A., the Mentone F. F. A. chapter joins other chapters all over America in bringing F.F.A. to the public during National F.F.A. Week. This week, which began February 15 and ends on George Washington's birthday, is officially known throughout the fifty states and Puerto Rico as a period for giving recognition to the hundreds of thousands of high school boys across the nation who are "learning to do, doing to learn, earning to live, and living to serve" through F. F. A.

F.F.A. is an intra-curricular, voluntary organization, directly a part of the vocational agriculture program which draws support and substance through both state and national educational recognition. At the local, F.F.A. strives to provide opportunities which will encourage boys enrolled in vocational agriculture to participate in educational activities which will enable them to more fully prepare themselves for a future career and a position of leadership in their chosen community.

The F.F.A. display in the window of the Ward Paint and Wallpaper Store in Mentone depicts the officer stations of the duly elected officers of the Mentone chapter which has 3 members. Chapter officers are: Steve Mellett, president; Lyle Welty, vice president; Mike Orcutt, secretary; Mike Kuhn, treasurer; Russell Adams, reporter; Dave Mikel, sentinel. Steve Mellett is also District II secretary.

F.F.A. is a self-supporting organization which is financed at district, section, state and national levels through membership dues. In local chapters various educational activities are undertaken as a means of financial support for chapter activities. The Mentone chapter draws its finances through the product of a crop.

Four degrees of membership give recognition to those who make progress towards the top of the organizational ladder. The beginning degree for first year members is known as the "Greenhand Degree" followed by the "Chapter Degree" for those who make satisfactory progress at the local level. The third degree is awarded at the state level and is known throughout Indiana as the "Hoo-sier Farmer Degree." An "Ameri-

## Anthony Nigo Has Guest Night

Guest night was held at the recent meeting of the Anthony Nigo Chapter, DAR, with the theme centered around February, American History Month.

Mrs. Paul Shireman, regent, conducted the ritual service, and roll call was answered by members giving a saying of Lincoln or Washington, and by introducing their guests.

Mrs. Everett Rathfon read the President General's message for January and the February message was read by Mrs. Ernest Igo.

Mrs. Frank Smith gave the National Defense from an article by Sara R. Jones, national chairman of National Defense, who based her article on the following quote from J. Edgar Hoover. "It may well be that the battlefield for the minds of men will be staged in the classrooms of the Nation. Communist strategists, realizing this, have made the conquest of youth one of their urgent goals." Points brought out in the article stressed that is one of the strange anomalies of our times that we now speak of "old-fashioned patriotism," as if patriotism had somehow gone out of style. In the name of "progressive education" separate courses such as History, Geography, and Civics were mingled together under the name of Social Science or Social Studies. The result is a whole generation has grown up with little real understanding of our free enterprise system and the part it has played in not only preserving freedom but providing the highest standard of living ever enjoyed by any people on earth.

Mrs. Charles Tucker, program chairman, introduced the program by giving a brief memorial in honor of the birthdays of Lincoln and Washington. After reading a Valentine's Day poem, she presented Mrs. Glenn Clauss, chapter historian, who in turn

## CALENDAR

Thursday, February 20, W. S. C. S. meeting at new parsonage at 8 p.m.

## McIntyre Home Struck By Fire

Fire, believed to have started from an overheated furnace, completely gutted the home of George McIntyre which is located a mile south of Burket on the Anglin road.

The Mentone fire department assisted the Burket fire department in fighting the blaze.

Mrs. Paul Shireman, left, and Mrs. Walter Lackey, right, smile as they look over the antique parasol which was on display at the Tuesday night meeting of the Anthony Nigo Chapter of D. A. R.

Mrs. Ruth Kain, right, a guest of the Anthony Nigo Chapter looks at an ornately framed picture of Mary Todd Lincoln which is being held by Mrs. Paul Shireman, regent. The picture was part of a display presented by Mrs. Hazel Linn.

## Heart Sunday Set

Sunday is heart Sunday and there will be people around soliciting for funds between 2 and 4 p.m.

Residents are reminded that if they are not at home and wish to contribute they can leave contributions at the Urschel Clinic. The Mentone Legion is in charge of the surrounding area.

## Mentone To Play Claypool In Tourney

The Mentone Bulldogs have drawn Claypool for their first game of the 1964 Warsaw Sectional Tournament. The two teams will face each other at 8:15 p.m. Thursday, February 27. Mentone has an 11-8 record while Claypool is entering the tournament with a record of 18-2.

Mr. and Mrs. John Claypool and daughter had dinner Sunday at Mr. and Mrs. Francis Kehoes.

## Judy McFadden Head Mentone OES

The Mentone chapter of the order of the Eastern Star held their election of officers at the chapter's regular meeting Monday night following a pot-luck dinner.

Officers elected for the ensuing year were: Worthy Matron, Mrs. Judy McFadden; Worthy Patron, Eugene Marshall; Associate Matron, Mrs. Margaret Campton; Associate Patron, Rev. Glenn Campton; Conductress, Mrs. Cara Lyn Tucker; Associate Conductress, Mrs. Peggy Esten; Secretary, Mrs. Max Cox; Treasurer, Mrs. Esther Markley.

The date of the Installation will be announced later.

Those wishing transportation to the W. S. C. S. meeting Thursday evening are reminded to meet at the church at 7:30 p.m.

## Akron Students Place in State Contest

Akron High Schools senior triple trio and their accompanist received a superior rating at the state music contest held at Butler University, Indianapolis on Saturday, February 15. The contest is sponsored by the Indiana Music Educators Association.

Members of the vocal group were: Pam Kuhn, Sheila Leckrone, Marcella Rudd, Diane Kerr, Pat Severns, Barbara VanCuren, Susie Hauser, Linda Morris, Rhonda Rhodes, and Brenda Doub, accompanist.

Diane Kerr received an excellent rating for her piano solo. This year for the first time, only superior district winners in Group I were eligible for state contest, and for the first time medals were given for both superior and excellent ratings.

Mrs. Ed Hauser, Mrs. Merlyn Morris, and Miss Imogene Mavis accompanied the group.

## Mentone To Organize Club

Some students and parents have expressed a definite interest in the organization of a science club for students who are interested in science. Mr. Richard Latier, science teacher has been appointed to serve as sponsor and will be directing the organization of the club.

Science clubs may serve many purposes. Such clubs offer the opportunity for further study in the area of a student's interest. In addition, the entire group may work on a joint project.

The following students received the ratings of: Superior, Martha Van Gilder, piccolo solo; Excellent, Marilyn Taylor, Connie East and Sandra Nelson, flute trio; Good, Vivian Hurst, alto saxophone solo.

## Akron HI-Y Sponsors Dance

The Grade School Multi-Purpose Room was the scene of a Valentine Dance Friday night following the Piercetown game sponsored by the Akron HI-Y Club. Music for the event was supplied by hit records with special numbers provided by the newly formed HI-Y Combo. Members of the combo are Jim Bryant, Dennis Helvey, John Conner, Jim Teel, Jim Morgan, Bill Leininger, Rick Weaver and Arnold Sheetz. Sheila Leckrone played the piano and was presented a box of candy by the boys of the combo.

The highlight of the evening was the announcement that attractive Janice Bryant of the Junior class, had been named Sweetheart of the dance by the members of the HI-Y Club. She was presented with a box of candy while Gail Hammond sang "The Sweetheart of Akron High."

## GIVE US THE FAMILY LIFE

FAMILY LIFE, says the Population Reference Bureau, is more than ever. Nine out of 10 Americans — more than 177 million — live in the country's 47 million families. (The Bureau of the Census defines a family as two or more people living together related by blood, marriage or adoption.) Average family size, after decreasing for more than 150 years, has started to grow again. In 1790, the average was 5.7 persons; this fell to 4.6 in 1900 and 3.5 in 1950. But, reversing this trend, the average family of 1960 was 3.7 persons.

RADIO, far from being KO'd by TV, is coming on strong. It enjoyed a record year in 1962 when Americans went out and bought 25 million sets. In 1947, there were 2,000 U.S. radio sta-

tions; today, there are more than 5,000, including AM and FM. All the plumbing necessary for the average bathroom can be carried easily by one person if it's new lightweight plastic, says Tube Turns Plastics, Louisville. The drainage-waste-vent assembly in thermoplastic weighs only 26 pounds, compared with about 250 pounds for the usual metal pipe and fittings.

SONIC BOOM, a major operation problem for supersonic transport planes which may travel at three times the speed of sound, can be solved with careful design, says a report from the American Institute of Aeronautics and Astronautics. Proper aircraft length and lift distribution and gross weight can significantly reduce the noise and damage from the booms, the report says. A boom pressure of between one

and two pounds a square foot is considered acceptable.

STAINLESS STEEL wire is better than silk thread to rejoin sutured nerves, reducing inflammation and scarring, according to the University of Rochester School of Medicine and Dentistry. And passing a 50-microampere negative electric current through the wire further lessens inflammation, researchers say.

SNOWFLAKES are not frozen water like hail or sleet but lacy growths of water vapor formed around minute particles in the air such as dust, clay or minerals, explain meteorologists at the U.S. Bureau. The intricate and unduplicated patterns of untold numbers of snowflakes depend on the random manner in which water vapor molecules attach themselves to the ice nucleus as well as the air temperature when

they fall. . . TENSE? TROUBLE? Rock, man, rock says Dr. Carl D. Martz, professor of orthopedic surgery, Indiana University Medical School. The chief benefit of a rocking chair, he says, is that it gently stimulates muscle contraction, thereby improving peripheral (limb) circulation.

## DID YOU KNOW?

## Jolly Janes Meet

The Jolly Janes Home Economics Club met at the home of Mrs. James Miller Monday evening with twenty-two members answering roll call with what they liked best about their husbands.

Mrs. Bernard Cole led a very interesting discussion on heart diseases and everyone was urged to give generously to the Heart Fund.

Mrs. Stanley Yeiter, the president, read a letter of appreciation for the club furnishing the meat casseroles for the recent blood bank and acknowledged the four members who donated blood.

Mrs. Harold Markley gave the lesson on "Care of House Plants." As this was right in the line of Mrs. Markley's work and is also her hobby she did an excellent job in convincing everyone they had a "green thumb."

Valentines were distributed to secretaries from a beautiful Valentine box decorated by Mrs. Yeiter.

Mrs. Russell Eber won the door prize and Mrs. Richard Gross received her birthday gift.

Mrs. Dwight Reichert was the assistant hostess for the evening.

## Merry Molly's Hear Plant Lesson

The Merry Molly's Home Ec club met Monday evening at the home of Mrs. Glen Mellott. There were nineteen members, two guests, Mrs. Paul Haist and Mrs. Herschel McGowen, present.

Mrs. Donald Horn opened the meeting by leading the group in repeating the pledge to the flag and the club creed. Two poems entitled, "A Question" and "What Makes a Happy Home" were read by Mrs. Harold Horn for meditation. "Aunt Dinah's Quilting Party" and "America the Beautiful" were sung by the group.

Health and safety remarks were given by Mrs. Glen Mellott on poisons accidentally swallowed in the homes.

Mrs. Joe Tucker and Mrs. Dale Stiffler gave a very interesting

lesson on Growing Plants Indoors." They also displayed some nice terrariums.

Mrs. Lee Hudson conducted the business meeting. The finance committee announced arrangements for a spring hat sale, sight unseen, for the March meeting.

Dirty bingo was enjoyed during the social period.

Those receiving secret pal gifts were Mrs. Gene Sarber, Mrs. Dale Stiffler, Mrs. Dean Myer, Mrs. Glen Mellott, and Mrs. Albert Hiers.

## DID YOU KNOW?

Mr. and Mrs. Dale Nellans and daughters had supper with Mr. and Mrs. Paul Pankap and sons at Albion recently.

Those attending the recent Rural Youth officers training meeting from here were Jane Miner, Karen Heighway, Howard Jones and Steve Rosebrugh. Advisors were Mr. and Mrs. Dale Nellans. The meeting was held in Albion.

## Advance Payment Open To Multiple-Farm Owners

Growers who take part in the 1964 Feed Grain Program may receive a part of the diversion payment in advance. Melvin R. Myers, Jr., Chairman, Agriculture Stabilization and Conservation (Fulton, County) Committee, has announced. As last year, the program will be available for corn, grain sorghum, and barley.

Up to one-half of the established total diversion payment may be made in advance, at the participant's request, at the time of the signing up or as soon as possible after that time, the Chairman explained. The rest of the diversion payment and all of the price-support payment offered by the program will be made next fall.

The advance payment provision should be a substantial benefit to growers who can use some extra ready cash during the spring planting season.

As in 1963, the 1964 Feed Grain Program offers participants a payment for diversion of eligible cropland to approved conserving

uses, and a price-support payment on the normal production of the 1964 feed grain acreage. Participating growers will also qualify for price-support loans or purchase agreements on their end-use production from the feed grain acreage.

The acreage of corn, grain sorghum, and barley has been combined into one total feed grain base for each farm, and a producer may divert one or more of the feed grains in the total base. His diversion payment will be made at the per-acre rate applying to the grain diverted. The minimum diversion under the program will be 20 percent of the farm's feed grain base acreage.

While participation in the 1964 Feed Grain Program is voluntary, the price-support payments and loans — as well as the diversion payments — will be available only to growers who carry out the program's provisions.

Signup for the Program will be in the Fulton Co. A.S.C.S. Office through March 27.

## Let your pigs bring home the bacon

... the kind of "bacon" banks keep in vaults. Slice your feed costs now, during Pioneer's Hog Feed Purchase Plan. You'll get top production, top profits when you feed the feeds with balanced amino acids for better protein building. Amino acids are the basic protein builders and when they're balanced, your pigs make rapid gains at low conversions. What's more, these feeds are geared to the genetic capacity of hogs in this area. So stop in today and ask us about our Hog Feed Purchase Plan ... then watch your pigs bring home the bacon (it's rewarding sight).

### 1-WHAT TO DO WITH PROBLEM WINDOWS!!!

1. The problem window can often be a blessing in disguise. You can use curtains to camouflage pipes, beams, and other ungainly obstructions without sacrificing light or heat. Pictured above is the solution for a wall with off-center windows and a door. Hang washable white nylon from a ceiling traverse track and it won't obstruct the door. Track is equipped with separate stops to operate the door. Track is equipped with separate stops to operate curtains independently or in pairs. It thus becomes a solid wall at night but opens by day to control sunlight and shade.

2. Don't skimp on valances. They should be 12 by 14 inches deep; otherwise they might look scanty. For a special eye-catching effect, use a valance of a floral fabric against plain hanging drapes. Or try a valance of applique felt flowers dotted with sequins in a Tyrolean peasant style.

3. Give an isolated narrow window a light airy look without curtains by using a bamboo blind. You can add a jaunty effect with a swag of upholstery rope. If you prefer curtains, be sure to extend them beyond the window

## PARSON JONES SPEAKS

I'm mighty glad to come sit or the "front porch" of your newspaper again and speak my mind. There's an ole Gospel song that says, "Count your Blessings, Name Them One By One." You know, I believe I'd put "talking" pretty high-up on that list.

My Board of Deacons sure did a lot of "gum-beatin'" the other night at the Church. We've just finished a study of our little country church and we found something kinda peculiar. Church members sure are moving around alot these days. At first we thought maybe they were building houses on the other end of town, but it was churches they were moving to—not houses.

Well Sir, our Deacons rolled up their sleeves and swore (under their breaths) that they were gonna get to the bottom of this thing. Hezekiah asked how come folks were moving around so much. (Course some of 'em were moving our way) Rufe wanted to know how folks come to pick a church in the first place.

Amos said he had joined our church cause he didn't like preaching, and I was the nearest thing to no preaching he'd been able to find. (He laughed when he said that, but I'm not so sure he was foolin'.)

Rufe said one of his neighbors went to a certain church because the preacher was good looking. Hezekiah banged his fist, and said that was a stupid reason for going to Church. He declared that most folks attend a Church where the preacher has a good voice.

Amos didn't agree with either

one of 'em. He thought most folks choose a church that has a friendly preacher. He says that a new couple moved in next to him and the woman kept a list of how many times each preacher shook hands with them. Then she averaged 'em all up and the preacher with the highest number got the prize (being their preacher).

Amos pointed out that there were many other "good" reasons why people pick a Church. Some folks like unusual preachers he said. He told of one man that asked a certain church because the preacher could stand on one foot and wiggle his ear at the same time.

Hezekiah said that one man in town belonged to three churches at the same time so's he'd get the benefit of all three. When somebody from one church would come and ask him for money he'd tell 'em he belonged to another Church. Hezekiah said he used to brag down at the feed store about getting all that "religion" for free.

We didn't solve any problems in our Deacon's meeting. Mr. Publisher, but we did a lot of thinking and talking. We decided that as long as we have smart folks like that one belonging to three churches, the Communists will never be able to out-fox us.

I've got to close now Mr. Publisher and go practice wiggling my ears.

Yours truly,  
Parson Jones

## Today's MEDITATION

## The Upper Room

THE UPPER ROOM, NASHVILLE, TENNESSEE

Thursday, February 20

Read Luke 23:33-43

Father, forgive them; for they know not what they do. (Luke 23:34.)

She was a woman in her middle thirties. Her husband, a brilliant, talented man, but an alcoholic, had not been home for days for her days of agony and dread.

I said to her, "You know, really, for your sake as well as for the children's you would be justified in leaving him."

Her reply was, "But I can't do that; you see, I love him still."

Is not the essence of love to give and to forgive and to go on forgiving, waiting for the day when a response in love might be given?

The cross of Calvary is the eternal backdrop for the love of God shown in behalf of an unworthy man. The cross says to us, "Love never faileth." Here was love which cried out in the hour of crucifixion, "Father forgive them."

The followers of Jesus Christ are in the army of the forgiven and the forgiving!

PRAYER: O God, who by way of the cross hast redeemed us, teach us to be forgiving toward those who sin against Thee and their fellowmen. Forgive us, as we forgive. In the name of our Redeemer, Jesus Christ. Amen.

THOUGHT FOR THE DAY.

The Christian is not only a forgiving sinner; he is also a forgiving saint.

T. Taylor Faichney (Ontario)

## They Call Me Parson

"My work is in electrical construction. The boys on the job call me 'parson' because I attend church each week and because I frequently try to convince some of them that they are missing a lot by not attending. I haven't always been that way. For a time I was pretty wild. Then one Sunday I happened to go to church with a friend who stopped by my home. There the pastor held my attention almost from the start when he said: 'There is a right and wrong way to do everything. There is a right and wrong way to cast a fishing lure. There is a right and wrong way to sew a button and there is a right and wrong way to adjust power machinery.' Then he led with a knock-out 'haymaker' when he said: 'There is a right and a wrong way to live. Living is a science based on definite law. If you do not cooperate with its laws life can go badly. When you learn those laws and live within them your life will be wonderful.'"

"The course of my life changed from that moment on. I began going to church and soon proved to my own satisfaction that the Church points the way to live happily. Yes, I am sold on church attendance as the most important single activity in my life."

Warsaw is still drilling for gas. Grandma Bitters of Akron is visiting her daughter Grandma Doane of this place.

The price of that fine sleigh in front of Latimer's Store rises and falls as the weather changes.

Elmer Yocum and wife, who live about 8 miles southwest of this place is a pleasant visit last Saturday. Mrs. Y. has just returned from DeKalb county where she had been visiting her brother Henry Hiles, who is also a brother-in-law to the editor of this paper.

R. J. Lambert has made arrangements with Mr. Smallwood of Argos to establish a carriage factory at this place.

About 50 friends of Jacob Bruch surprised him Tuesday by calling on him and presenting him with a fine fur cap. It was in honor of his 38th birthday.

We are glad to note the success of the young peoples' literary society. Their meetings are held evening at the high school room. Admission is five cents. The next question for discussion is, Resolved: That a man has more to do with the building up of his own character than surrounding circumstances.

We printed some fine invitation cards this week for the people of the Cook Chapel Church announcing the dedication of their new house of worship on February 18. Bishop Joyce is expected to be present to officiate.

Ed Alley has placed a new suite of furniture in his barber shop which gives it quite a metropolitan appearance. Seven large mirrors with fine walnut cases neatly carved and with marble tops present a very attractive appearance.

Profession ads listed the following: J. W. Heffley, physician and surgeon; E. Stockberger, physician and surgeon; H. W. Swigart, M. D.; W. H. Summy, Attorney-at-Law, Insurance Agent, Notary Public; J. F. Johnson, Justice of the Peace, Collecting and Real Estate Agent; J. B. Middleton, Justice of the Peace and Collecting Agent.

Babyhood Publishing Company was advertising a magazine which "Every intelligent father and mother should read" "Do not confound 'Babyhood' with picture books for the amusement of children. It is a mother's magazine—a nurse's help."

Back to 1964—

Some strange laws have been made to compromise the situations which have come between the "blue law" or Sunday closing groups. (In recent years, the battle has been largely between Christian sects on one side, and Jews and Seventh Day Adventists on the other side, the latter two believing that Saturday and not Sunday should be kept sacred).

For example, in New York state a retailer can see bread and cake on Sunday, but go to jail for selling meat. In Pennsylvania, one can sell a bicycle on Sunday but not a tricycle. In Connecticut, genuine antiques may be sold but not imitations. In New York State butter or 10 a.m. but not pork or cooked meat may be sold after 10 a.m. but delicatessans may sell them from 4 to 7 p.m. In New York, bars may open at 1 p.m. but

baseball games may not start before 2 p.m.

Before we get too amused at these rulings in "far-away places", we might surprise ourselves if we investigated our own blue-laws.

We enjoyed this:

A hobo knocked on the door of a farmhouse asking for something to eat.

"First, let me show you something," said the farmers' wife. She led him to the woodshed, where there was a pile of uncut wood. "Do you see this wood?" she asked.

"Yeah, I seen it."

"You should saw 'I saw it'."

The hobo looked at her and said, "Lady, you saw me see it, but you ain't going to see me saw it!"

## A FAIRY TALE

The following poem was written by Kathy Yazel, a sixth grader in the Mentone school.

Twice a day by the old mill stream,

The old man went with his tube of Gleam.

The Gleam didn't taste exactly the best,

So the old man switched to a brand which was Crest.

The Crest didn't taste especially ripe,

So the old man switched this time to Stripe.

He didn't like this either, So to him his wife sent,

A great big tube of Pepsodent. As he walked past the old gold-

en gate,

He went to the store and bought some Colgate.

This is the end of my fairy tale, friend,

His last words were, "Do you have a toothbrush to lend?"

ELECTRIC POWER... Indiana's Most Abundant Resource

## HARDWOOD HERO

Can you remember when 17 to 16 was considered a high scoring basketball game? And remember when \$3.00 was considered a high electric bill?

**BUT, TODAY THE PRICE OF ELECTRICITY PER KILOWATT HOUR IS LOWER THAN IT WAS IN THOSE DAYS!**

So why is your total electric bill higher? Because you're using so much more electricity to operate the many appliances in your home. If you bought electricity by the package as you buy food, you'd get **THREE** packages of electricity now for the price you paid for one 40 years ago.

## Beaver Dam Church To Have Benefit Fish Fry

The Beaver Dam E. U. B. church will sponsor a benefit Jonah club fish fry on March 14 for two little girls of the Beaver Dam Community, Patty Weber and Michelle Perry. Patty is the nine year old daughter of Mr. and Mrs. Walter Weber and Michelle is the four year old daughter of Mr. and Mrs. Alton Perry.

Patty had the misfortune of getting her leg in a feed auger in November and has been in hospitals at Rochester and South Bend most of the time since the accident and will need much more hospital and medical care.

Little Michelle, nicknamed Mickey, is a victim of leukemia and has been in different hospitals for treatment. She will also need more medical care.

Both girls are members of the Beaver Dam Junior Sunday School classes. Patty is a third grader in the Akron Grade School.

Both girls would enjoy receiving cards. Patty's address is room 455, St. Joseph Hospital, South Bend, and Michelle's address is R. R. 1, Claypool. Beaver Dam school gym March 14.

The supper will be at the Beaver

## Notes From Your County Agent

**Jack M. Hart**  
County Extension Agent, Youth  
January 31, 1964

Four young gentlemen who had high 5-acre corn yields, will be traveling to Lafayette February 8, to attend the Annual Junior Corn Growers Jamboree. They are Alan Grimm, Atwood; Richard Harrold, Beaver Dam; Miles Nellens and Lowell Gruenewald of Mentone.

During the day the boys will meet the Indiana Junior Corn Champions and hear how they produced their record yields. A discussion of careers will be presented as well as lots of good entertainment. The boys are looking forward to seeing Teddy Darling, Purdue's Golden Girl, who will start the days program.

## Mentone News

Counties who have over 65 members in the 5-Acre project can nominate a girl for Corn Queen. Then the boys will vote for their favorite young lady from the counties with nominees.

## Two Hurt In Car-Bus Crash

14 pt two hurt in car-bus crash. Max Hubart, 41, Mentone, and Mrs. Harry Myers, 24, of route 2, Warsaw were injured in a car-bus accident Friday and both were hospitalized.

The accident occurred near Atwood as Mrs. Myers applied her brakes to avoid hitting a parked car and skidded into the school bus, driven by Hubart.

Mrs. Myers suffered a broken left ankle and abrasions on the knee and was transferred to a Ft.

Wayne hospital. Hubart is under observation at the Murphy Medical Center in Warsaw where he has complained of neck pains.

One year old Angela Myers was checked at the hospital and released to her home.

Damage to the school bus was \$300 and to the car at \$600.

## Tippecanoe News

by Amelia Verette

Henry Foster of Tippecanoe and Mrs. Alice Swaney of South Bend were united in marriage Saturday, February 15, in the chapel of the Grace Methodist Church in South Bend. Rev. Ralph Steele read the double ring ceremony. The bride wore a navy blue suit, a pink flowered hat, navy accessories, white carnation corsage, centered with pink rosebuds. Mr. and Mrs. Robert Swaney were the attendants. The newlyweds will spend two weeks in California before making their home at his farm home in Tippecanoe. A family dinner was enjoyed at the bride's apartment in South Bend.

Wayne Kreft of Tippecanoe wrecked his semi-truck Thursday in Pennsylvania. He was hauling a load of cattle when a tire blew out. He received a cut on the leg.

Mr. and Mrs. Arthur Kendall recently returned from a four week stay at their cottage in Florida. Mr. and Mrs. Werner Gasteiger and son of Ft. Wayne were weekend visitors in their

home.

The Women's Missionary of the Congregational Christian Church met with Mrs. Jack Urschel for a regular meeting which opened with "Missionary Theme. Other songs sung were "America," "Faith of our Fathers." Prayer was given by Mrs. Don Baker. The story of Abraham Lincoln and his sister was read by Mrs. Ruth LeLap. Roll call was answered by a "wood of the Bible." It was voted to give \$5.00 to the heart fund. There were 16 members and 2 visitors present. Miss Linda Baker and Mrs. Henry Jensen and two children were the guests. The meeting was closed with the Lord's Prayer. Co-hostesses were Mrs. Wren Crane and Mrs. Robert Lewollen who served fruit salad, cookies, heart-candy and coffee.

The Tippecanoe Boy Scout Troop 294, their families, and Scoutmasters William Shonk, Don Weirick, enjoyed a pot luck supper at the firehouse Thursday evening. The evening began with the singing of Star Spangled Banner and repeating the pledge to the flag. Bill Hepler returned thanks.

The Boy Scouts gave two skits, "Bar Room Scene" and a "Ghost Skit."

There was group singing of several songs. Future projects were discussed. Chairman of the camping committee, Joe Adams of Plymouth, showed color films of "Camp Tamarack" and "The Meaning of the Order of the Arrow." Bill Hepler gave a short talk about next summer's camp. The meeting closed with prayer.

Mr. and Mrs. Donald Kauffman are on a vacation for a few weeks in Florida.

Mr. and Mrs. Earl Davis has as week-end house guests, Mr. and Mrs. Devon Davis and Johnny of Flint, Michigan. While here they all visited Mr. and Mrs. Joe Shively and Mark at Purdue University.

Mr. and Mrs. Condia McIntyre spent several days with her parents, Mr. and Mrs. Frank Deutsch at Churubusco. They are going to leave this week-end to visit Mr. and Mrs. Kenneth Cooper and Gary at Keystone Heights, Florida and Mr. and Mrs. Larry Cooper and children in O'Calla, Florida for a few weeks.

Mrs. McIntyre received word Saturday morning of the serious illness of her brother, Virgil Deutsch. They have postponed their trip until his condition is improved.

The 6th grade at the Tippecanoe school enjoyed a Valentine party in the school music room Friday evening. Their sponsor and teacher, Adolph McIntyre, and 15 children were present. Several games were played with prizes of candy given the winners. Cake, ice cream, pop and candy were served. The children had charge of planning the whole affair.

Mr. and Mrs. Arnold Flory and family had as recent dinner guests Mr. and Mrs. Vern Coleman of Niles, Michigan, Mr. and Mrs. Frank Flory of Lakeville, Mr. and Mrs. Marion Flory and sons of South Bend, Mr. and Mrs. Murray Crawford and children of Elkhart, Mr. and Mrs. Bill Griffiths and Brad of Burket, Mr. and Mrs. Lewis Flory and Tressa of Tippecanoe.

The Tippecanoe Volunteer Fireman's Auxiliary met with Mrs. Wayne Kreft. The co-hostess was Mrs. Ivan Rock. The group welcomed a new member, Mrs. Edwin Drochner. The Auxiliary will serve at the Al Runnells sale February 27. They will help the firemen at the P.T.A. fish fry and will also sponsor the Cub Scouts for another year. A silent auction was held. There were 12 members and one guest, Mrs. Ruth Sill, present.

Mr. and Mrs. Marion Cormican and his father, Ellis Cormican and Mrs. Bertha Taviner recently visited Mr. and Mrs. Gerald Cormican and family at Indianapolis.

Mrs. Bud Rowe and Robin and Loren have been spending the past two weeks with her parents, Mr. and Mrs. George Kroger. She returned to her home in Union Mills Friday.

Mrs. Joe Blacford is feeling much better at her home.

The Colonist group entertained the Pilgrim group with a Valentine party at the Tippecanoe Community church. The social room was decorated in a Valentine motif. Twenty-four girls and their leaders, Mrs. Dick Kreft and Mrs. Wayne Kreft, enjoyed games and refreshments.

Mr. and Mrs. Rex Fites visited his sisters Tuesday, Mrs. John Nellans who is seriously ill at St.

Margaret's Hospital in Hammond, and Mrs. Mac McClure at Schererville.

Sunday guests of Mr. and Mrs. Jacob Depoy and Rita were Mr. and Mrs. Donald Shoemaker and children of Kokomo, Mr. and Mrs. Robert Neff and son and Owen Tracy of Bourbon, Mr. and Mrs. Charles Hallenback and daughters of Roann.

introduced the local winners of the DAR sponsored History Essay Contest on the subject, "A Revolutionary Patriot." Talma Junior High winner, Ann Rush of Mentone, read her essay on Dr. Benjamin Rush; and Gary Funk of Akron, winner of the Beaver Dam Junior High contest, read his essay about Nathan Hale.

An inspiring program on the words, songs, deeds, and humor of our forefathers to the present time was given by Mrs. Walter Lackey, Mrs. Wayne Smally, and Mrs. Rex Yazel in presenting the program "Our American Heritage." The program was augmented by historical displays of the Constitution, president's pictures, books and flags. Another display of antique items included McGuffeys Readers, parasols, gloves, snuff boxes, calling cards and card cases, curling iron, pictures of a bygone era. Along with many Victorian valentines it was noted that in 1900 the money spent on valentines was sufficient to pay the combined salaries of President McKinley, his cabinet, and the governors of all the states in the Union. Lace paper was made by the mile in the only lace making machine in the world.

The program was concluded by Mrs. Dale Cook who gave the closing prayer.

Refreshments were served by the hostess, Mrs. Arthur Brown, and her assistants, Mrs. Ray Eush and Mrs. Tom Fugate, to members, guests, a nd honored guests, Mrs. Ruth Kain, of the

Warsaw Time-Union and Mrs. Loren Sheets, of the Mentone News and Akron News.

The next meeting will be held March 10 with Mrs. Ferd Koenig

### Mentone Boys Attend F.F.A. District Meeting

Herb Hlast and Dennis Meredith were official delegates representing the Mentone F. F. A. chapter at the recent District II F. F. A. meeting. Steve Mellott, local F. F. A. president, was also present and served in his elected capacity as District II secretary.

Dennis Meredith and Edward Antonides represented the chapter in the F. F. A. creed contest.

### Local Woman's Brother Dies

Raymond King, 70, Elkhart, died Thursday in the Ft. Wayne Veteran's Hospital, where he had been a patient since December 26, 1963. He was the brother of Mrs. Edna Walters of Mentone.

A retired heating and plumbing contractor, Mr. King was born March 1, 1893 in Marshall county, the son of Mr. and Mrs. John King. He married Velma Pletcher of Goshen in 1921, and she survives.

Surviving with the wife and sister are a son, Howard, Goshen; three grandchildren and several nieces and nephews.

Services for Mr. King were held in Elkhart Saturday and burial was made in the Tippecanoe cemetery.

### F. F. A. To Enter State Contest

At the regularly scheduled meeting Thursday, the Mentone F. F. A. voted to purchase necessary materials through the F. F. A. Supply Service to keep a chapter scrap book and enter the state chapter contest next year.

This contest, which carries through from the local to state level, encourages students in keeping records, writing news reports, improving farming programs, participating in community service, and other educational and developmental activities.

### Reading Club Plans Program

The Mentone Reading Club will meet on Wednesday, March 4, at the home of Mrs. Allen Shirey with Mrs. C. O. Mollenhour as co-hostess. Mrs. Walter Lackey and Mrs. Ralph Mollenhour are in charge of the program and have announced that Mrs. Fisher and Mrs. Dorothy Blalock will speak on art and Mrs. Carey and associate of North Webster will demonstrate craft work. Members are asked to bring samples of crafts to exhibit.

### Nellans Farm Wins In Spring Barrow Show

With nearly \$5,000 in prize money available to winners in the 15th annual Hoosier Spring Barrow Show, 276 exhibitors representing 57 Indiana counties brought in 1315 hogs in the nation's premier market swine competition. The hogs were judged in on-foot or live classes at the Swine Barn at the Indiana State Fairgrounds.

The show will recess for one week and then resume with the showing of carcass class winners. This display will take place in the coolers at the Hygrade Food Products Corp. plant on West Washington Street in Indianapolis.

Winners in the judging to date have included several entries by the Nellans Farms of Route 1, Mentone. They have won firsts in the all other hogs, truckloads class, all other hogs medium weight; 1st and 2nd in all other lightweight; second, in Crossbred Hampshires lightweight; and third in Crossbred Hampshires mediumweight.

Mrs. Pete Blue was pleasantly surprised Sunday as she arrived home from church and found that her children were all there with birthday dinner all ready and prepared, many lovely cards and gifts and flowers were presented to her, besides a long distance call from her son, Rev. Royal Blue, in California, in the evening after she arrived home from church and he was just getting ready for his services.

### Adult Class Date Changed

The Mentone Adult Evening class which was scheduled for Monday, March 2, will be held on Tuesday evening, March 3, due to a conflict in programs.

This program, which will concern new trends in poultry farming, is scheduled to begin at 7 p.m. in the Vo-Ag room at the Mentone High School.

The public is invited.

### Annual Cub Scout Banquet

75 Cub Scouts, parents, brothers, sisters and other guests attended the Annual Cub Scout and Gold Banquet held in the basement of the Methodist Church Monday evening. The Mentone Methodist Church is the sponsoring agent. Mr. James Groves of Warsaw, the District Executive, and Rev. Glenn Campton were the special guests.

After the Pot-luck supper the group was entertained by the Girl Scout Beatnik Band, composed of Kathy Tridle, Marcia Ownes, Gloria Tucker, Janice Bach, Pam Abbey and Cindy Whetstone.

Mr. James Groves made two presentations: the Charter to Rev. Campton and a "100% Banner" to the Cub Pack for cooperating 100% in subscribing to the Scout magazine—Boy's Life.

The Pack chairman, Mr. Lloyd Bowerman handed out awards for the present year. Those awarded were Committeemen Mr. Tom Harmon and Mr. Jerry Kralis, Den Mothers Mrs. Kenneth Shoemaker, Mrs. Jim Miller, Mrs. Jim Leslie (a former den mother), and two new den mothers, Mrs. Ted Peterson and Mrs. Gene Norton. An award also went to Cubmaster Mr. Jim Miller.

Mr. Groves spoke concerning the Scout program. Many of the Cubs from the four dens were presented with achievement awards.

### With The Sick

Mr. Max Hubartt, who was injured in a schoolbus-car accident the 14th, is home and is some improved. He is able to be out, but has not been dismissed from the doctor's care.

Mrs. Harry Myers (Joyce Eller), who was driving the car involved in the accident, is still in the Parkview Hospital in Fort Wayne, Room 247. She is recovering nicely from the spleen operation and has been dismissed from the surgeon's care. Her broken leg and ankle are doing as well as can be expected. Friday evening her parents, Mr. and Mrs. Carol Eller of Atwood were permitted to push her around in a wheelchair.

### T.V.S.C. Teachers To Award Scholarship

The Tippecanoe Valley Classroom Teachers' Association will award annually a \$100 scholarship to a worthy graduate of the corporation schools who is a college junior or senior majoring in education.

Mrs. Walter Waechter presented the TVCTA members the recommendations of the special committee appointed to study the possibility of presenting the annual award. The Association approved the recommendations of the committee and the first award will be made this year to a college junior or senior. The award money will be taken from the members' dues.

The recipient of the award will be chosen by the principal, guidance director, and teacher from Akron and Mentone schools in alternate years.

The criteria for choosing the recipient is that he or she must be a graduate of one of the schools within the corporation; he must be an education major intending to teach; he must be of junior or senior standing; and he must be worthy of financial aid.

### Former Local Teacher Speaks To Gideons

25 Gideons and their wives met at the Westminster Hotel Winona Lake, for their regular monthly meeting Monday evening. After a smorgasbord supper, Mr. Roland Fervada of Indianapolis, former teacher and principal at Beaver Dam High School and teacher later at the Mentone High School, was the speaker of the evening. Mr. Fervada is the State Chaplain of the Gideons.

Two members of the Gideon's Auxiliary, Mrs. Zanna Hammer Mentone and Mrs. Paul McFarren (Mildred Ball), of Pierceton, visited a nurses meeting at the Cardiac Clinic Building and Gray Ladies of the Murphy Medical Center.

Those from our vicinity attending the Gideon's meeting were the president of the group Mr. Zanna Hammer, and his wife.

John Newcomb and Bill Nellans who played basketball together on the Mentone team last year are again team mates this year on the Depauw University basketball team.

## A POEM BY THE VALENTINES

Life and I together we have trod  
Life's path for sixty years  
Long years that brought us pleasant hours—

But also brought their tears.  
The path we trod was often rough  
and much of it uphill  
But we, determined to succeed  
Pressed forward with a will.  
No wealth or fame have we attained

Just common people we—  
Who never tried to slight our task  
Whatever it might be.  
Together we have worked and planned

And managed in some way  
To lay a little nest egg by  
For use some future day.  
We have a home that is our own;  
It is no mansion grand.  
But much the same as other homes

We see on every hand.  
A modest cozy little home  
A place we love to stay  
For two baby boys came to bless us there  
Grew up and went their way  
Went out to face a busy world  
Its turmoil and its strife;  
To meet life's problems as they came

And make their way in life.  
They have succeeded in a way  
Thanks to their pluck and skill  
They have climbed higher year by year

As good men always will  
While we have plodded ever on  
Dark hair has turned to gray  
And soon some younger ones must fill

The place we hold today.  
For time and tide will wait for none  
Oldage is creeping on  
And many years will not pass by  
Until we both are gone.

## COUNTERPOINT

by Mrs. Ardley Cullum

Mrs. Agnes Baker called after reading the item in the 75 years ago items of the Mentone Gazette, dated January 3, 1889.

Her parents were Mr. and Mrs. Zachariah Griffith (Zach was the son of the above deceased.)

Mrs. Baker remembers when there was no town of Mentone. She had reason to recall vividly the first building being moved from little Chicago (where the Harold Luchts now live) to the townsite of Mentone. She and her parents were on their way to visit Grandpa and Grandma Turner (who lived where Mrs. Rosa Kinsey now lives) when they met the building being moved, which completely blocked the road. Mrs. Baker recalls she was in tears because they couldn't go on to Grandpa Turners.

The building which was moved is the present E. C. Laundry, owned by Mrs. Emma Clutter.

Believe it or not, found time this past week to sort my Christmas cards, change address, and send a few notes.

A Christmas greeting, which will be long cherished by us, came from the Anthony Nigo Chapter of the D.A.R. and was signed personally by the ladies of that organization.

Another one, from Hawaii, sound almost smug? as the note says, "Better plan on visiting me here!"

There are a few cards which one saves. There is always one special card, too. Each year I think to myself, "Such a lovely card! I wonder where they find them?"

Year by year I find myself more aware of the message of the Christmas cards, and am developing a dislike for the sophisticated, witty, brittle, funny types. It seems that as time goes on, what Christmas means more and more, and I appreciate those cards which best convey this idea.

We enjoyed this: What was your business before you were captured by my men?" asked the cannibal chief.

"I was assistant editor of a newspaper," answered the captive.

"In that case, young man, you can cheer up," said the chief. "Promotion awaits you. After dinner you'll be editor-in-chief." Mentone Gazette Feb. 7, 1889

Three weeks from next Monday will be inauguration day and yet the newspaper has not got Harrison's cabin completed.

Mr. and Mrs. J. M. Ball of Beaver Dam, C. W. Middleton and wife, and Mr. and Mrs. Roy Taylor of Akron were taking in the sights of our city, the guests of J. B. Middleton Saturday and Sunday.

D. W. Lewis has traded his frame business room to Jacob Warner, of Marshall county, for a farm of 110 acres.

Ezra Railsback will close his school in three weeks with an exhibition given by the pupils.

John Miller has purchased the business room recently erected by H. W. Baker on Main Street. Mr. Miller will furnish the room and occupy it with his business in the near future.

Fred Middleton and W. C. Thomas are candidates under the new civil service commission for clerkship in the Railway Mail Service.

There is a good prospect for some young ladies (?) being prosecuted for disturbing the services at the M. P. church. Girls, the door of the reform school at Knightstown is open for all who are desiring of admission.

Mr. Smith and daughter, from Wisconsin, are the guests of his sons, the Smith Bros. of Mentone.

Mr. Lewis Norris, of Big Foot, has completed his trade with James Coplen, who succeeds Mr. Norris in the merchandise business. Mr. Norris is retiring on a farm which is more congenial to his tastes and disposition.

Notes of the Mentone School, by Alvin Porter, teacher: A considerable portion of the school is

yet ungraded. Too many attend without books. Parents who consent and insist that pupils may sit in school without books to occupy their time, commit a grave mistake, which bears fruit every day in disorder in the school row, on the street, in the church, and almost everywhere.

The new corps of officers of the Mentone Literary Society are: Chairman and treasurer: W. L. Fish; Vice-Chairman, C. L. Sellers; Secretary, Miss Lizzie Otis; Sargeants-at-arms, A. E. Baker, A. B. Ketterman and John Manwaring.

## Prisoner Returns To Prison

"Duke" Hoeflinger served over 24 months of his two to 14 year term at the Indiana State Reformatory, was released, and has returned to the prison at Pendleton and other prisons well over 100 times in the last 10 years.

He has a deep concern for those behind bars and those released. "Society is as responsible for the prisoner's successful re-orientation as he is himself. Society must understand that because a person was at odds with the law does not mean he must always be," said the now converted Rev. Harold Hoeflinger, Sunday evening at the Baptist Church.

Rehabilitation comes from a newness of life within the individual, believes Rev. Hoeflinger. Since accepting Christ as his personal Savior he takes the message of Christ to "forgotten" men, women, in 50 prisons in the States and Canada.

Dedicated to helping those inside the prisons and after release he is also devoting his life to informing society of our part in helping them become adjusted.

In 1955 he founded the Christian League to Forgotten Men Inc. The League supplies Bible Correspondence Courses to convicts at no cost to the inmates of institutions. The League has a fourfold program: Take the gospel to the prisoners, teach the gospel through the correspondence courses, orient the men, women and even children, leaving prisons to their life outside, and encourage the public to accept and help former prisoners.

Rev. Hoeflinger spoke of his life as bank robber, dope addict, alcoholic, Missionary in Ecuador and Pastor, also of a few of his experiences with prisoners such as Charles Starkweather. His book, "A Pulpit in the Shadow of the Wall" is available at the Library.

## BAPTIST CHURCH NEWS

Rev. Donald Krise of Hebron, Indiana was the Sunday morning and evening candidate speaker. He was accompanied by his wife and children, David 5, and Carol 2. Rev. Krise also spoke at the evening Senior Training Union meeting.

Tuesday evening the Be-About Missionary Group met at the home of Mrs. Wayne Bowser. After singing several hymns the president Mrs. Everett Welborn gave the devotions on "How do we sing?" and "The Gospel in a Nutshell," an object lesson. Mrs. Bowser read the secretary's and the treasurer's reports and Mrs. Raymond Lewis read a letter from Miss Lova Bush, missionary in India.

After prayer by several members handwork on pillowcases and towels was done for missionaries. Mrs. Bowser served refreshments to the following guests: Mrs. Raymond Lewis, Mrs. Darrell King, Mrs. Charles Hunter, Mrs. Marion Acton, Mrs. Everett Welborn, Mrs. Brad Moore, Mrs. Ed Bach and Mrs. Tobie Blalock.

## M. E. Services Well Attended

The Lenten Service was well attended Sunday Evening at the Methodist Church. The Burket, Palestine, Warsaw, Summit Chapel and Mentone Methodist churches were those who had representatives at the service. There were eighty three persons present.

The Mentone choir presented two anthems during the service. The congregation sang several of the hymns pertaining to the Passion. Rev. Campton spoke in first person on the life of Judas and the betrayal of Christ.

Next Sunday Rev. Clyde Byers will speak in first person giving Peter's viewpoint of the Crucifixion. Special music will be furnished by Mr. and Mrs. Darrell King. These services start at 7:30 p.m. and they are followed by a social hour in the church basement.

## Today's MEDITATION

The World's Most Widely Used  
Devotional Guide

**The Upper Room**  
THE UPPER ROOM, NASHVILLE, TENNESSEE

Thursday February 27

Read Matthew 18:21-35

"Forgive us our debts, as we also have forgiven our debtors." (Matthew 6:12. RSV.)

In the Lord's Prayer we say, "Forgive us our debts, as we forgive our debtors." How often does the real meaning of this plea reach us? If we are serious about the question, we find ourselves confessing that we are unworthy of forgiveness.

If we really mean what we pray, we would be more willing to forgive others when we are hurt. Instead, we are quick to return evil for evil. "Forgive us what we owe You." We say to God. But should we expect forgiveness when we will not forgive?

Our Lord tells us that if we expect our heavenly Father to forgive us, we must forgive others. Jesus gave the example when He forgave those who crucified Him. We have sinned against God in many years against God in many years, yet He is willing to forgive us; and we, who are unworthy of His forgiveness, refuse to forgive.

If we are guilty of being unforgiving, let us remember Jesus' words to Peter to forgive "seventy times seven," and seek God's forgiveness.

**PRAYER:** Heavenly Father, help us to seek Thy forgiveness that we may be willing to forgive others. Help us to practice forgiveness as often as is necessary today. In Jesus' name. Amen.

## THOUGHT FOR THE DAY

By forgiving others, we open the way for God to forgive us.

## Notes From Your County Agent

County Extension Agent, Youth  
Jack M. Hart

The county-wide Corps Production meeting has been set for March 10th. It will be held at the Fairgrounds. We propose to discuss new crop varieties, fertility programs and tillage practices. There will also be some discussion of insect and weed control methods. Marvin Swearingen of the Purdue Agronomy Department will be the principle speaker.

The Gold Medal Beef enrollment was concluded on February 1st. This county has increased greatly in this project and about twenty memberships were sent in to the Indiana Livestock Breeder's Association. This is a testing program for the purpose of checking both the rate of gain ability of beef cattle and also the show ring type of the cattle. It has been a valuable method of improving many of the purebred herds of the state.

Kosciusko County will be host to the Northeastern Indiana alumni of the Purdue school of agriculture at a dinner meeting on March 11th. This will be held at the Fairgrounds Shrine Building. Don Paarlburg, of the Ag Economics Department, formerly President Eisenhower's economic advisor, will be the principle speaker. Forrest Conder, of Marion, manufacturer of Vista-Vet livestock minerals will act as Master of Ceremonies. This should be a well attended affair and we hope that the county will be well represented.

One of the old statements around the county elevator is that a farmer can't really afford to sell hay. This may or may not be true but a lot of people operate on the basis that when hay is plentiful then it is so cheap that you can't afford to sell it and when it is short then he needs it.

The peak demand for hay naturally comes just before the pastures are ready and the fellow

buying both hay and protein feed will find his feed bill running pretty high. Livestock prices won't justify much of this.

Only about 15 or 20 percent of the fertilizer that we guy goes for hay and pasture production. Most of it goes for corn. We can increase both the quality and amount of hay by a wise use of fertilizer. We can also hurry up the pastures by using a little there. It would appear that on a livestock farm the use of enough fertilizer to try to get four or five tons of hay is as practical as trying to get over a hundred bushels of corn. Up to now we have been pretty well satisfied with hay yields that would correspond to 60 bushels of corn.

## DID YOU KNOW?

Mrs. Herbert Dorsey, Mrs. Roy Haney and daughters Jill and Penny spent Sunday afternoon at Ft. Wayne at the Trailer Show. Mr. and Mrs. Floyd Dorsey and family spent Saturday with Mrs. Herbert Dorsey.

Mrs. Dana Starr had as visitors Monday afternoon her nieces Mrs. Rollie Surguy (formerly of Palestine), Mrs. Paul Schafer and daughter Paula of Warsaw, and Mrs. Lois Hubbard of Tiosa.

Mr. and Mrs. Robert Goshert and Mrs. Marynard Ealing of Bourbon spent Sunday afternoon and evening with Mr. and Mrs. Wayne Berger at Marion. Mrs. Berger is the daughter of the Ealings.

Mr. and Mrs. Devon Tucker entertained at a birthday supper Sunday evening in honor of Mrs. Tucker's birthday and also of her niece's, Claudia McFarland. Guests were Mrs. Dora McFarland, Mr. and Mrs. Paul McFarland and family, Mr. and Mrs. Dale McFarland and Jeff, Mr. and Mrs. Larry Tucker and family of Warsaw.

## Psi Iota Xi Meet

Mrs. Robert W. Ross was hostess to the Beta Epsilon Chapter of the Psi Iota Xi Sorority at her home near Mentone Tuesday evening. Decorations and refreshments featured a patriotic motif. Crested baby spoons were given to Mrs. Ross and Mrs. Archie Leckrone. Mrs. Dale Cook and Mrs. Curtis J. Riner received the high scores in bridge and Mrs. Kent R. Riner, the door prize.

The president, Mrs. Curtis J. Riner made a report on her trip to the 45th annual mid-year luncheon, at the Egyptian Room, of the Murat Temple, in Indianapolis, February 8th. The hostess chapter was the Beta Gamma Chapter of Peru. The theme of the program, featuring the Singing Choir of the Peru High School, was built around the songs of Cole Porter, (a former resident of Peru), and the setting was "In an Old Fashioned Garden."

Mrs. Jerome Kralis will be the hostess for the business meeting March third to be held in the social room of the bank.

## Talma School News

As we know many things take place during a school day. In Mr. Pratt's classes work is still coming toward the students. In Mr. Pratt's Health classes we are studying the skeleton and our eyes and their core.

Films are being shown in both groups, these are very helpful teaching aids. Terry Hammer has brought a plastic eye that breaks down into the different parts of the eye.

In Mr. Pratt's social studies classes the 7th graders are working on the states and capitals. The 8th graders are working on Indiana History. A group of students, Steve Sponseller, Mike Whetstone, Janet Gordon, Christine Hyde, and Karen Anglin are working on a map of our school district. In this way we will be able to study our own area.

## Talma 8th Grade

We are studying Indiana History this semester in the eighth grade. Because we do not have library facilities in the school, Janice Bach and Linda Billings wrote letters to various places in Indianapolis requesting literature etc. that could be used in our studies.

Randy Oler, Randy Antonides, and Larry Grossman, brought in some Indian artifacts (stone arrow-heads, chisels, etc.) that the Indians used who lived in this area.

We are working at the present time for our field trip to Indianapolis, which we will take later on this semester. Beverly Davis wrote a letter to the Governor's office to see if we could visit with him on our trip through the Indiana government office buildings.

## Attends Drama At Manchester College

Nine students and Mrs. Paul Rush from Mentone High School attended a special matinee performance of *Hamlet* at Manchester College on Saturday, February 22. Tri-Alpha, Manchester's drama club, presented the play in observance of the

400th anniversary this April of the birth of William Shakespeare. Mr. Tom Roland of Manchester Dramatics Department invited all area high school students as an experiment in increasing interest in drama. Approximately 700 area students attended the performance.

Our students responded very favorably to the performance. Both acting and staging were impressive in their perfection.
