COUNTERPOINT

By The Editor's Wife

My family thought that, surely, all you would find in the column this week would be "Happy New Year," since it was so convenient last week to say "Merry Christmas" in large type.

The editor and I had a rare day together on Christmas (I joked about the house being somewhat crowded with him home, since he is away so much of the time.) My Christmas gift "want" was new shelving in a couple of spots. So, the editor ("purely in the line of duty") spent a part of the day putting in the shelves. To make the day complete, we ate supper with Tom, Jody, Tim and Lisa and had an exciting gift exchange around the Christmas tree later. (My sister and her husband, Esther and Fred Carey, came from their large family gathering and spent the evening with us, which added to the warmth and closeness of the occasion.)

The toy dog in the Mentone News office has been in our family since Jody was a toddler. Jon, likewise, carried him around by the tail. The little pooch had several years of retirement until Tim and Lisa came along. Since then he has been an active member again.

Messages of congratulations have been received from the White House by Mrs. Emma Yocum, who celebrated her 100th birthday on December 1; and Thomas Whetstone, who will celebrate his 100th birthday on January 14. Each received a picture of former president Kennedy.

We understand a reception for Tom is being planned by the W.S.C.S. ladies of the Methodist Church. We will have details next week.

We feel that a special word of appreciation is due our paper boys at this time of the year. When the cold is pressing in so severely, the faithfulness to their job, and the care they take in getting the paper onto the porches and out of the weather is certainly worthy of mention. Thank you, boys.

The silent little house across the street is now undisturbed. The gentle spirit, which found its way on wings of longing to hover and yearn over the rooms of memories, is gone.

We would not wish Edith back, for we feel that she is at rest. The emptiness is, somehow, less when we think of many, many precious experiences shared with her over the years as her neighbor and friend. These cannot be taken away.

We enjoyed this: When Junior brought home his report card, his father signed it with an "X" saying: "I don't want your teacher to think that anyone who can read and write could have a son with a grade like that."

MARRIAGE LICENSE

Thomas George Van Kirk, 21, 109 Baker Road, Warsaw, line-man, telephone company, and Marcia Joy Clamptis, 19, Route 5, Warsaw, bookkeeper, telephone company, have applied for a marriage license in the office of County Clerk T. E. Hahn Scott.

With The Sick

Paul Huff, of Burket, has been bedfast with double-pneumonia the past couple of weeks. He is now able to be up for short periods of time.

The Gaylord Tolls spent Christmas day in Muncie with their parents.

Buildogs Fall In Finals

Mentone made it two in a row over Triton, but was not able to handle the Culver five. Mentone stayed even for almost three quarters in the championship game, but cold shooting stymied them.

Infant Dies

Graveside rites and burial were held at 12:30 p.m. Saturday in Oakwood cemetery for Marguerite Jean Alvey, two-day old infant daughter of Mr. and Mrs. Thomas E. and Kathleen (Conrad) Alvey, of Route 2, Akron. The baby died at 9:45 p.m. Friday at the Murphy Medical Center.

Surviving in addition to the parents are four sisters, Kathleen, Therese, Cecilia and Mary Jude, and one brother, Thomas C., all at home.

Father Reddington officiated at the service. The McHatten Funeral Home was in charge of arrangements.

Merry Mixers Have Christmas Party

The Merry Mixers Home Demonstration Club met recently at the home of Peggy Eaton with Martha Boggs as co-hostess. A pot luck supper was enjoyed by the 18 members present.

After the supper, a short business meeting was held. The pledge and club creed were repeated. Meditation was given by Helen Good. Roll call was answered by each telling their favorite Christmas sweet. Secret pals were then revealed by exchanging gifts. Dorothy Gates received the door prize.

The next meeting will be held January 21st at the home of Betty Blackburn. —Reporter

CALENDAR

J. O. Y. Circle will meet at the church January 7 at 1:30 p.m.

Mentone Home Demonstration Club will meet at the home of Mrs. Claude Gates on January 9 at 1:30 p.m.

Jesse Whitmyre Dies

Jesse Oliver Whitmyre, 78, of Roann, died at 9:15 p.m. last Tuesday in the Washburn County Hospital where he had been a patient since November 22. He had been in failing health the past year.

Mr. Whitmyre, a retired rural mail carrier, was born July 28, 1885, in Roann, the son of Daniel and Clara (Lowe) Whitmyre. He was married first to Maude Miller, who preceded him in death in 1954. He was then married in March, 1956, in Mentone to Blanche Paulus, who survives.

An active member in many organizations, Mr. Whitmyre belonged to the National Association of Retired Civil Employees, Laurel chapter OES at Roann, a 50-year member of the Masonic Lodge, Washburn Commandery Knights Templar, Scottish Rite in Fort Wayne, White Shrine of Washburn, and a charter member of the Past Masters Association of Washburn. Mr. Whitmyre was a member of the Presbyterian Church at Washburn.

Services were held at 2 p.m. Saturday in the Grandstaff Funeral Home at Roann with Dr. W. W. Wimberly officiating. Graveside Masonic rites and burial was in the Odd Fellows Cemetery at Roann.

Surviving in addition to his wife are three step-children, Mrs. R. L. Kinsey, of Mentone; C. K. Paulus, of Elmhurst, Illinois; Eldred Paulus, of Route 5, Rochester; and five step-grandchildren.

Gideons Have Annual Supper

Mr. and Mrs. Zanna Hammer and family were hosts on Monday evening for the annual carry-in supper of the Warsaw Winona Gideons and their families. The affair was held in the basement of the Atwood Methodist Church.

After a delicious supper, there was group singing, led by Paul Bilby, accompanied by Mrs. Jay Swick. Mrs. Joe Arnold and Mrs. Wayne Cumberland favored the members with some songs. They were accompanied by Mrs. Emerson Ward. Mrs. Gale Creighton and daughter, Sara Beth, did the decorating.

Gale Creighton and Ken Anderson were taken in as Gideon members, and Mrs. Anderson as an Auxiliary member.

Ken Anderson gave a very challenging message on the need of Christian witnessing here at home as well as in other countries throughout the world.

BIRTHS

A daughter, Susan Kay Kindig, was born at 1 p.m., December 26, 1963 at the Murphy Medical Center in Warsaw to Mr. and Mrs. Dale Dee Kindig of Warsaw, Route 5. She weighed 7 lbs. 14 ozs. The Kindigs have one other child, Tony Dee. The mother is the former Ellen Eisaman. The maternal grandparents are Mr. and Mrs. Foy H. Eisaman of Barbee Lake. The maternal great grandparents are Mr. and Mrs. Rawleigh Eisaman of South Whitley and Mr. and Mrs. Roy Hostler of R. 1, Columbia City and a great-grandmother, Mrs. Ida Hostler of Columbia City. The paternal grandparents are Mr. and Mrs. Lester Kindig, R. 5, Warsaw, and a paternal great-grandmother, Mrs. Laura Herrell of R. R. 5, Warsaw.

Melva Blue Dies Wednesday

Melva L. Blue, 71, of 619 East Weber Street, Warsaw, died of complications at 2:55 p.m. last Wednesday at the Murphy Medical Center. He had been in failing health for the past five months and in the hospital since November 17.

Mr. Blue, a lifetime resident of Kosciusko County, was born September 27, 1892 in Mentone to Ben and Amanda (Whetstone) Blue. He was married October 4, 1915 to Bessie Montague, who survives. Mr. Blue was a retired grinder for Warsaw Foundry Company, Incorporated. He was a member of the Baptist Church in Warsaw and the Veterans of Foreign Wars.

Survivors in addition to his wife are one daughter, Mrs. Paul (Grace) McGinnis, of Warsaw; two sons, Melva Jr., of Warsaw, and Donald, of Kendallville; three sisters, Mrs. Ann Ross and Mrs. Jack Lane, both of Warsaw, and Mrs. Wilbur Ross, of Wolcottville; six grandchildren and four great grandchildren. One son preceded him in death.

Services were held at 1:30 p.m. Saturday in the McHatten Funeral Home with Rev. Richard Anderson officiating. Burial was in the Oakwood cemetery.

COMPLETES SCHOOLING

Pvt. Nash A. Brallier, 18, son of Mr. and Mrs. Elvin N. Brallier, Route 5, Warsaw, completed a 15-week radio teletype operation course at the Army Southern Signal School, Fort Gordon, Georgia, November 29. He entered the Army in May of this year and received basic training at Fort Leonard Wood, Missouri. Brallier is a 1963 graduate of Mentone High School.

Mrs. Edith Rose, 77, Mentone, died of complications at 7:15 a.m. Sunday in the Prairie View Nursing Home, where she had been a patient for the past several months. She had been in failing health for several years.

Mrs. Rose was born in Kosciusko County on August 10, 1886 to Simon and Ellen (Lutes) Whetstone. She was married April 8, 1907 to Garrie Rose, who preceded her in death on November 8, 1963. Mrs. Rose was a lifetime resident of the Mentone area. A sister, Mrs. Zeph (Mary) Huffer, was just buried last Saturday.

Services were held at 2 p.m. Tuesday in the King-Reed Memorial Home in Mentone with Rev. John W. Jones and Rev. Glenn R. Campton officiating. Burial was in the Mentone cemetery.

Mr. and Mrs. Ralph Mollenhour returned home from Florida after visiting their son, James and family.

School Christmas Program

A large crowd was in attendance for the Christmas program presented by the grades and high school pupils, under the direction of Kenneth Bush. This musical program was held December 18 in the school gym.

The atmospheric decorations, all in keeping with the holidays, including a Winter Resort Vacation Lodge, were done by the Triple Trio. The poinsettias were furnished by Markley's Greenhouse and the trees by Ted Shoemaker. A colored spot light, operated by Bruce McDaniel, was used on each grade or group as they participated. Kip Hammer was narrator for the program. In closing, 105 voices in the mixed High School Chorus, sang four lovely numbers.

The audience was asked to join in singing White Christmas and then Santa Claus made his appearance.

Much time, work, effort and talent went into this fine program that was greatly enjoyed by the parents and friends present. Our thanks to Mr. Bush for his direction.

Mentone H. D. Club Meet

The Mentone Home Demonstration Club held their Christmas dinner at Horn's Restaurant in Warsaw on December 12 at 12:30. Seventeen members and one visitor gathered around the table. Agnes Rans gave thanks.

All enjoyed a Kentucky fried chicken dinner.

Olive Tucker opened the meeting. All repeated the club creed, then sang "It Came Upon the Midnight Clear." Genevieve Warren read, "Don't Take Christ Out of Christmas." Agnes Rans read "Forever" for devotions. Esther Sarber gave the installation of officers. Marjori Davis and Eula Smith passed the gifts from under the tree. Roll call was answered by guessing who secret pals were for the year. A contest was held and the meeting adjourned.

TOURNEY TICKETS ON SALE

Basketball tournament tickets will go on sale Friday, January 3, from 9 to 3 p.m. at the Mentone School. These will be available to season ticket holders at this time. Tourney dates are January 7, 8, 9 and 11. The tourney consists of five sessions for \$3.00. Tickets per session are 75c.

A lovely Christmas dinner was held in the home of Mr. and Mrs. Jim Erwin of Warsaw. Those attending were Mr. and Mrs. Kenneth Barkman, George and Linda, Mr. and Mrs. Claude Barkman, Mr. and Mrs. Dick Long and family and Mrs. Bessie Wilson.

Mrs. Mary Hoffer Dies Friday

Mrs. Mary C. Hoffer, 82, of Route 3, Warsaw, died of complications at 8:30 p.m. Friday in the Prairie View Nursing Home, where she had been a patient since September.

Mrs. Hoffer, who had been in failing health for six months, was born near Mentone July 18, 1881 to Simon and Ellen (Lutes) Whetstone. She was married in 1899 to Silas Zeph Hoffer who preceded her in death. A lifetime resident of the Mentone community, Mrs. Hoffer was a member of the Jehovah's Witness Church.

Survivors include two sons, Roy Hoffer, of Warsaw, and Emory Hoffer, of Milford; 10 grandchildren. One son, Russell, preceded her in death.

Funeral services were held Sunday in the King-Reed Memorial Home in Mentone with Rev. John Jones officiating. Burial was in Pleasant View cemetery.

Seward Club Meets

The Seward Township Home Demonstration Club met Wednesday, December 11 at the Burket E. U. B. Church.

After prayer was offered by Mrs. Lester Bruner, 21 members, three guests and four children were invited by the Burket E. U. B. Church.

The business meeting was opened by the president, Mrs. Gerald Smalley. Installation of officers for 1964 was conducted by Mrs. Earl Lowman. The new president, Mrs. William C. Kassen, then presided over the remainder of the business meeting. Mrs. Earl Lowman presented the Christmas program, after which cheerful pal gifts were exchanged and attendance gifts were given. The next meeting will be held at the home of Mrs. Frank Nelson on January 8th.

CARDS OF THANKS

MEMORIAM

In loving memory of our dear
husband and daddy, J. Arthur
Witham, who left us five years
ago, January 3rd.

We miss you, dear, just as
much today as the day you said
goodbye.

And went to live with Jesus,
in His beautiful home on high.
And sometime soon, when
earth's shadows shall all be
cleared away

We will be reunited, dear,
with you
In the land of endless day.

COUNTERPOINT

By The Editor's Wife

Have been wondering why it is such a chore to get out and walk. Leading health authorities agree that exercise is the key to health, and that most of those who remain youthful in later years are "addicted to exercise."

For example—one 92-year-old, who enjoys the best of health, does 25 push-ups morning and night, and walks two miles each day.

Then there is Larry E. Lewis, a waiter on the banquet staff at the St. Francis hotel in San Francisco. He is 96 years old, has all his faculties, and can still tote a heavy tray of food. He works seven hours a day.

He says, "First, I'm a nut on exercise. I've always believed in a good physical workout every day and I get mine by running six and a half miles around Golden Gate Park every morning. Few people believe me, but it's true. And I can do it in 38 minutes."

"My second rule is to leave every meal just a bit hungry." Well, walking seems to keep our friend Earl Shinn in pretty good shape, so guess we should endorse the idea (We're going to try to get around to "practice" it later).

Have you ladies been taking advantage of the January White Sales? If you want to follow a system, Heloise suggests that once a year you buy at least one bed sheet for each bed in your home and, two bath towels, two hand towels and four wash cloths for each member of your family. This regular replacement cases a strain on the budget, also.

One really saves money by purchasing a sheet with the average thread count of 180 threads per square inch. When you buy a sheet which has 134 thread count you get a great deal of sizing or filling and poor quality.

Jenkin Lloyd Jones has given us a few things to think about in the following statements:

"Perhaps the best New Year's resolution which the American people could adopt collectively is a prayer for wide-mindedness."

This should be a prayer for stretchable brains—brains capable of adapting themselves to startling new conditions. The world is moving very fast and philosophies geared to conditions of 20 years ago, or even 10, are no longer big enough.

But there is a difference between stretchable brains and those that are merely soft. The soft brain imagines that changing times have destroyed eternal values.

"We better grab that government dough or some other town will." "Heck, Ma, all the kids are doing it." "They're grading on the curve and since everybody else cheats I've got to." "Easy on them bricks, boy. When the job's finished they quit paying us."

The theory that electronics and atomic fission have rendered obsolete such things as decency, honesty and self-reliance certainly has contributed to our moral malaise and rubber standards of behavior. We don't need that kind of flexibility.

Before the rise of behaviorist psychology we were taught that sin was sin, and if the sinner didn't conquer it he'd be punished in Hell. Then we became bemused by the belief that sin was only relative, if, indeed, it existed at all. The chief evil was frustration. So we tried unfrustration. So theory that it would make our children happy, and we have reaped the sorriest lot of causeless rebels, smothered in over-

Tom Whetstone To Celebrate 100th Birthday

The Mentone community is planning to pay tribute to Tom Whetstone, who will be 100 years old January 14th.

There is a family dinner planned for that week at his home. He is a member of the Mentone Methodist Church. On

Sunday, January 19th, there will be a tea in his honor at the church from 3 to 4 p.m. All friends and acquaintances are invited to attend and greet Tom on this very special anniversary.

Should there be changes due to health or weather conditions, watch the paper for details.

Will To Probate

The will of John Fenstermaker, Mentone, who died December 6, has been admitted for probate. Farmers State Bank of Mentone has been named executor. He leaves personal property valued at \$15,500.

According to terms of the will, \$100 was bequeathed to each of two cemeteries, Nichols cemetery at Rochester, and Mentone cemetery. The remainder of the estate is to go to a daughter, Thelma Hilschman, Englewood, Florida, and two granddaughters, Sue Long, Geneva, Indiana, and Carol Lynn Tucker, Route 1, Mentone, who are to share equally.

Two Escape Injury In Accident

Howard Barnhart, 17, and Walter Smythe, 39, both of Route 5, Warsaw, escaped injury when their vehicles collided Saturday afternoon on State Road 25, two and one-half miles east of Mentone.

Damage to the vehicles was listed at \$600 by Deputy Sheriff Max Ganshorn.

SEEKS DIVORCE

Ethel M. Bellamy of Mentone has filed a suit for divorce against Estil H. Bellamy. They married May 29, 1945, and separated December 27, 1963. The plaintiff seeks custody of their seven children.

Indulgence, unhappy with the world, contemptuous of their parents, and gagging at their own boundless egos.

So the new psychiatrist is wondering if frustration is half as bad as self-nausea, and if, maybe, a turn away from doing what comes naturally and back to some absolute values would not make the kids a lot happier.

We enjoyed this: Mother: "Junior, why don't you take your little sister with you when you go fishing today?" "No," said Junior firmly. "The last time she tagged along I didn't catch a fish." "I'm sure she'll be quiet this time," said Mother. "It wasn't the noise," Junior explained. "She ate the bait."

Area Farmers Shown In Prairie Farmer

In the January issue of Indiana Prairie Farmer are some interesting pictures for Kosciusko people, and for folks in our area.

There are pictures of several local farmers. Included are Dale and Max Nellans, who operate the Swine Nursery on the Nellans Farms, and who "keep 200 sows, farrowing 50 every six weeks." Dick Manwaring is shown checking the circuit on the 65,000-egg hatching unit. He and Charles manage the Manwaring Hatchery. They keep 35,000 breeder birds and hatch two million chicks annually. Wilbur Latimer is pictured with a herd of Hampshire sheep. He and his father, Lyndis Latimer, have raised Shropshires since 1914, but they started the herd of Hampshire in 1956. "He tries to keep 50 ewes of each breed. Now president of the state Hampshire association, he was an officer in the Shropshire association for several years."

Other Kosciusko farmers shown are Jerry Menzie, who raises layers; Luther Vance, who has a herd of registered Angus; and Emra and John Stookey, who raise Holsteins.

Town Board Organizes

Loren Tridle has been named president of the new town board. Other members are James Gates and William Rathbun.

The following were re-hired by the board: Edward Davis, Superintendent of Public Works; and Gene Norton, Chief of Police.

Lyman Mollenhour was appointed Fire Chief and Gilbert Griffiths, Assistant Fire Chief. Town Attorney is Brooks Pinnick.

Dr. Orville McFadden was appointed as a member of the Zoning Board of Appeals and Park Board to replace William Rathbun.

Ben Scarbrough was hired as cemetery custodian.

Home On Leave

Bill Everman of the Marine Corps is home on leave for 30 days. He has been in Okinawa. On his return he will spend about six months in the Mediterranean.

Graduates With Honor

Doyle H. Baum recently graduated cum laud with a BCE degree from IIT in Fort Wayne. He has accepted a position with U. S. Rubber in Mishawaka. Doyle is the son of Mrs. Trella Baum and a graduate of the Mentone High School.

CHANGE NAME OF FUNERAL HOME

Darrell King has announced the name of the Reed Funeral Home in Mentone has been officially changed to the King-Reed Memorial Home.

To Sponsor Bloodmobile Feb. 3

Nine members of the Merry Mixers Home Demonstration Club met January 6 with Mrs. Joe Boggs, Mrs. Inez Devenney and her guests, to organize for the coming visit of the blood mobile to Mentone on February 3.

Committee chairmen were appointed for the various jobs and committees will be selected soon.

Recruiting for this visit is being done by the club members.

Please help reach the quota by meeting with us on February 3 at the Methodist Church.

Bullets Travel Long Distances

Th warning on the flap of 22 long rifle cartridge boxes—"Range one mile—be careful"—is one to be heeded by all gun users, according to the National Rifle Association, a non-profit membership organization recognized as the governing body for shooting in the U. S. The maximum range for a standard .22 long rifle cartridge is about 1,450 yards, with the gun angled at approximately 25 degrees. No matter how nearly level to the ground any rifle is pointed, the bullet will go a long way. It is not safe to shoot unless you can see where the bullet will stop, warns the NRA.

You may wonder why we use an article such as this on the front page of the News. Well, there has been an incident in our town that is now under investigation where personal property has been used for target practice.

One not only thinks of personal property at this time, but also thinks that the careless use of firearms may take human life.

The High School Class of the Mentone Methodist Church attended open house at the St. Michael Catholic Church at Plymouth Sunday afternoon. They were given a guided tour of the church to explain their articles of worship and church appointments.

Silver Anniversary January 12th

Talma School News

The seventh graders are really excited since coming back to school after Christmas vacation. It seems the boys are learning to cook and be helpers around the kitchen. While the girls are learning some things about what goes on in home repair. For the next three weeks the Industrial Arts and the Home Economics classes are exchanging teachers.

Group pictures were taken this week for the Mentone annual. The various groups took some really good pictures.

This week there has been a new club formed at Talma, they are called the Operator's Club. It will be the Operator's job to help the teachers in the showing of educational films in the class room. At the present time there are twelve members.

six from the seventh grade and six from the eighth grade. Mr. Acton is serving as sponsor for this club. Members of the club are: Bob Anderson, Brett Flenor, Alan Lucht, Lee Hohman, Mike McLaughlin, Greg Rogers, Don Acton, Sam Engle, Phil Byrner, Vera Hard, Dan Shepherd and Bonnie Teel.

On January 15 at 4:00 the Junior High basketball teams will travel to Claypool to play their teams. The 5-6 grade team will be playing the Mentone team at the Mentone gym. Game time is 2:30.

Nellans - Creighton

On Saturday evening, December 14, Miss Madonna Sue Nellans became the bride of Mr. Steven L. Creighton in a candle-light ceremony at the Evangelical United Brethren Church in Atwood.

Rev. Stephen Gubi, pastor of the church, officiated at the double ring ceremony. The wedding music was presented by Miss Sue Lane Anglin and Mr. Edward Nellans, cousin of the bride, sang, "The Lord's Prayer," during the ceremony.

Parents of the bride are Mr. and Mrs. Elery Nellans of Crystal Lake and the groom's parents are Mr. and Mrs. Kermit Creighton of Atwood.

As she approached the altar, simply decorated in a Christmas theme, the bride was escorted and given in marriage by her father.

She chose a floor length gown of rayon peau de soie that fell to a chapel length train. The slightly scooped neckline was enhanced with seed pearls, and the fitted bodice was highlighted with three-quarter length slashes. The skirt was accented with alencon lace motifs and three-dimensional rose buds. The buttons down the back were caught at the waist with two self-material roses. Her outstanding Swedish type crown fashioned of Chantilly lace and trimmed with seed pearls held her elbow length veil of pure imported English silk illusion. She carried three red roses atop her white Bible.

Miss Mardene Nellans and Miss Nanette Nellans attended their sister as maid of honor and bridesmaid respectively. Miss Sally Vandermark, the bride's cousin, also attended as bridesmaid. Their street length dresses were identical in red velvet styled with slightly rounded necklines and long tapered sleeves. They wore small white fur pillbox hats with cage veils, and they carried white fur muffs accented with a single red poinsettia blossom.

Mr. Creighton was attended by Mr. Jay Hollowell from Lansing, Illinois, as best man, and Mr. Donald Hesterman of Lansing, Illinois, and Mr. James Irwin, Atwood, were the ushers.

Miss Bonita Nellans, cousin of the bride, was in charge of the guest book. The new Mr. and Mrs. Creighton greeted their guests at a reception immediately following the ceremony in the church social room. Mrs. Louise Smith, Akron, Mrs. Linda Griffith and Miss Tana Henderson, both of Mentone, assisted at the reception.

Miss Toni Cleveland was in charge of the gifts.

After a wedding trip to New York City, Mr. and Mrs. Creighton are at home in Mentone.

Mr. Creighton will graduate from Valparaiso University next spring, and Mrs. Creighton is employed by the Farmers State Bank in Mentone.

Better Daughters Meet

Monday evening, December 16th, the Beaver Dam Better Daughters met at the home of Mrs. Kenneth Horn.

The business meeting was held in the bus since we went Christmas caroling. It was called to order by the president, Mary Lou Horn. Roll call was answered by 18 members, two mothers and two guests, on what we wanted for Christmas. The treasurer's report was given by Joyce Horn and the health and safety report was given by Janet Goshert. A Joyce Horn on how to make Christmas wreaths. We went caroling at the Murphy Medical Center, Prairie View Nursing Home and the Alfran Nursing Home. We returned to the home of Mrs. Kenneth Horn and had refreshments furnished by Linda Beigh and Shirley Mahaska.

By The Editor's Wife

A card from Clara Eve and Joe Baker, who are vacationing in Florida, says, "We have had a large variety of weather — sun, rain, fog, warm, hot, cool. Having a fine time. Got here Tuesday. It was 1211 miles of good roads all the way."

All we can say is "Enjoy it down there, folks, for we're having just one kind of weather here — beautiful winter weather, and you know what that means!"

One small 2-year old miss we know was given a chocolate Santa Claus at Christmas time. She took one look at it, saying, "Yep, that's him!" and promptly bit off his head.

If you have fallen into the habit of "kidding" your husband or wife, better stop and do a little analyzing—actually, you may be slowing resentments or antagonisms in a "polite" way. One counsellor says "Never make any remarks about your partner, as an alleged joke, which might hurt if it were to be read in cold type the next day."

You answer this one — "If you knew the editor was going to tell the absolute truth in your obituary, what would you quit doing?"

Jenkin Lloyd Jones has made some funny, those funny, comments about parties. About the cocktail party, he says:

"The cocktail party is a device by which you meet every one and no one. The accepted form is based on the small talk that approaches the microscopic, the quip, the gift of gossip, the stag corner dirty story (usually one that was first told by a centurion of Julius Caesar), in short, cheerful noise. Any abstract idea is viewed with horror."

"Yet at cocktail parties you may be surrounded by people of brains, experience and even convictions. The form of the gathering simply prevents communication."

He goes on to remind his readers of the old-time community gatherings where folks got together for barn-raising and well-diggings. He wonders why city people couldn't get together for such affairs as "Reshingle - the - Garage" parties, "De - Flea - the - Dog" parties and "Clean - Out - the - Old - Trunks - in - the - Attic" parties.

He concludes by saying: "America needs more parties, not fewer. But it needs parties with imagination and variety where communication is more than chatter, companionship more than mere proximity, and fun doesn't depend on getting half-plastered."

Here are a few definitions taken from Leonard Lewis Levinson's Left-handed Dictionary.

Will Power — the ability to eat but one peanut.

Wedding Ring — a metal tournament which stops circulation.

Wife — one who wears nylon in zero weather, but demands 90 per cent of the blanket.

Vaccine — germs with their faces washed.

Unbiased — having the same prejudices as you have.

Trousers — an uncommon noun which is singular on top and plural at the bottom.

Antique — something no one would be seen with if there were more of them, but which everyone wants when no one else has any.

(That's all for now.)

Family Dinner For Centenarian

The family of Tom Whetstone gathered at the home of his daughter, Mrs. Vesta Cole, for a dinner in his honor. Tom's 100th birthday was January 14. Those braving the weather were Thurl Whetstone of Markham, Illinois, Mr. and Mrs. Emery Hindenlough and Merle Holloway of LaOtto, Indiana, Mr. and Mrs. Phillip Whetstone of Warsaw, Mr. and Mrs. Casel Whetstone of Mentone, Mr. and Mrs. De Verl Whetstone and family of Park Forest, Illinois, Mr. and Mrs. Jim Holloway of Fort Wayne, Mr. and Mrs. Wilbur Holloway and daughter, Brenda, of Ellettsburg, Iowa.

Mr. and Mrs. Wilbur Holloway brought the birthday cake. There were some afternoon callers too. They were Mr. and Mrs. Robert Whetstone and family and Mr. and Mrs. Paul Lydy of Columbia City.

He received several nice flowers and many, many cards and letters. The telegrams began to arrive early Tuesday morning. One to be cherished was from President Johnson, and also one from our Congressman, and one from the Governor of Indiana.

Lots of pictures were taken and Tom enjoyed it all very much.

Tom seems real alert since his 99th birthday. He has been enjoying all the kindnesses, best wishes and congratulations which have been coming for over a week.

Mr. Whetstone is a member of the Mentone Methodist Church, and on Sunday, January 19, there will be a tea in his honor at the church from 3 to 4 p.m.

County Barbers Install Officers

George Bushong of Syracuse was recently installed as president of the local Robert Hill, of our town, is the new vice president. D. William Knapp, Leesburg, secretary-treasurer, Richard Arnold, Nappanee, recorder, Peter Wuchter, Warsaw, guide, Arthur Newman and Harry Good, both of Milford, finance committee, and George Silar, North Webster, guardian.

Mentone Falls In Semi-Finals

The Bulldogs, after making an impressive showing in the first game of the county tournament against a good Sidney team, came to a stall in the last half of their game with Claypool Saturday afternoon. It was a good first half, but then it seemed that Claypool could do no wrong and Mentone could do no right.

Individual scores for the two games were Steve Nelson with an even 50; Zolman, 30; Parker, 15; East, 16.

Mentone's attack for both games was even and the defense in most instances was tight. It was not until the very

CALENDAR

Merry Mixers will meet January 21 at 7:30 at Betty Blackburn's.

Beaver Dam Better Daughters 4-H Club meeting will be held Monday evening, January 20th, 7:00 at the Beaver Dam School.

We enjoyed this: The boat captain peered into the fog and suddenly saw a man leaning on a rail just a few yards away.

"Where do you think you're going?" the captain shrieked. "I've got the right of way." "Maybe so," called back the man, "but this happens to be a lighthouse."

"YOUNG FARMER OF YEAR" GOES TO BURDELL BLACKBURN

Burdell Blackburn, 28, of Route 2, Warsaw, was named Kosciusko County's "Outstanding Young Farmer of 1963." Blackburn resides with his wife, Dedeane, and two children, Anita Jean, 8, and Cindy Lou, 4, on the Crystal Lake Road.

Blackburn will now be entered in the state "OYF" program to be held in Indianapolis on January 18.

The two runners-up in the local judging were Edwin Tom of Route 1, Leesburg, and Ronald Severns, Mentone, who finished second and third respectively.

Finalists are selected on the basis of general farming efficiency and community service activities.

The selections were made by a panel of four judges, two from Fulton County, one from Miami County, and Beer, a former winner, from Milford.

Blackburn farms more than 600 acres on several farms in the county. His primary farming concentration is with livestock, specifically swine and sheep, and grain farming.

He is active in the Harrison Center E. U. B. Church, a member of the Madison Elementary School P. T. A., and the Kosciusko County Farm Bureau, among other interests.

The Blackburns have resided on their farm northeast of Mentone for the past seven years and prior to that time he farmed with his father.

Burdell is a 1954 graduate of Mentone School.

School Survey To Be Presented

The Purdue University survey team will present their survey of the Tippecanoe Valley School Corporation at the Beaver Dam School on Thursday, January 23rd, at 8:00 p.m.

Dr. A. T. Lindley, head of the Purdue survey team, will present the report to the public.

Mr. and Mrs. Clayton Holloway, Mr. and Mrs. Bob Holloway and family, Mrs. Ross Scott and Ethna spent Sunday visiting Mr. and Mrs. R. R. Wood and family in Michigan City.

MOLEBASH

Mr. and Mrs. Dale Molebash of Elma Green are parents of a daughter, born January 12, in the Parkview Hospital at Plymouth.

SMITH

The stark center was busy January 4, 1964 at 7:32 a.m., when it delivered a 6 lb. 2 oz. baby girl to the Woodlawn Hospital. Melissa Kay is the daughter of John and Nancy Smith. Proud grandparents are Mr. and Mrs. Roy Smith, Mentone, and Mr. and Mrs. Leeland Miller, Warsaw. Mother and daughter are receiving visitors at the home of Mr. and Mrs. Devon Dunmuck, Mentone, where they will be staying for a while.

MURPHY

Mr. and Mrs. Paul Murphy of Akron are the parents of twin sons born in Woodlawn Hospital January 11. They weighed 6 lbs. 14 1/2 oz. and 7 lbs. 2 oz. and have been named Bryan Dee and Ryan Lee. They have an older brother, Jeffrey Paul, age 2. Mr. and Mrs. William Murphy of Akron are the paternal grandparents and Mrs. LaVera Horn of Star City is the maternal grandmother. The mother, a 1958 graduate of Mentone High School, is the former Beverly Horn of Mentone.

SCHOOL BOARD MEETS

The Tippecanoe Valley school board met in regular session last Friday night in the offices of the corporation. All board members were present.

The usual type of business was first taken care of in the usual manner. The two most important items of business were the hiring of a new first and second grade teacher to help with the crowded condition in the Mentone grade school. Mrs. Mary Durham of Warsaw has been secured to begin teaching on January 22. She has previously taught at Grand Rapids and at Muncie.

Another important item of business that the board voted to do was to invest the cumulative fund into Government bonds. The bonds will pay a little over four per cent and are invested for a period of four years. The interest for the four year period will amount to about \$14,000.00. At the present time the school corporation has no cumulative building fund. The \$87,000.00 invested was from last year.

With The Sick

A former teacher at Burket and Beaver Dam schools, Mrs. James (Annabelle) Bogue, of Kokomo, is a patient at Methodist Hospital in Indianapolis. Her husband reports that Mrs. Bogue will be hospitalized for a long period of time and would appreciate cards from friends and former students. She is in room C-150.

Mrs. Paul Creekbaum, R. R. Mentone, has been dismissed from the Murphy Medical Center.

Kip Smith, 12, son of Mr. and Mrs. Walter Smith, returned to school following Christmas vacation. He underwent hip surgery recently and is doing real well now. He will be on crutches for awhile.

Mrs. Mildred Harrold has been admitted to the Woodlawn Hospital in Rochester.

Home On Leave

Pattern Maker 3rd class Larry Wise is home on a 30-day leave. He is stationed at Newport Rhode Island. Larry has been in the South Pacific for the past six months and when he returns he will spend the next six months in the Mediterranean. Larry stopped in at the News office to tell the editors in person how much he appreciated having the Mentone News sent to him.

Turner Boggs Dies Recently

Turner C. Boggs, 68, of Route 5, Warsaw, was found dead at his home by his son early Wednesday morning. He apparently died of a heart attack.

Mr. Boggs, a retired farmer, and also a retired employee of Kralis Brothers Poultry Co., was born October 31, 1895 in Marshall County, the son of Clinton and Mary (Turner) Boggs. He was married January 26, 1918 to Audrey Ebermann, who preceded him in death in March, 1963. Mr. Boggs was a lifetime resident of the Mentone and Palestine areas, and was a member of the Palestine Methodist Church, World War I Veterans Post in Warsaw and the American Legion Post 425 in Mentone.

Survivors include one son, Donald Boggs, of Leesburg; four grandchildren; and two great-grandchildren.

Services were held at 2 p.m. Monday in the King-Reed Memorial Home with Rev. Clyde Byers officiating. Burial was in the Mentone cemetery.

Named To Health Board

Dr. Wymond Wilson has been appointed by the Kosciusko County commissioners to the county health board. He will serve from January 1, 1964 to December 31, 1967. Edward Funk, county service officer, was reappointed to serve another year, as was also the County Attorney Robert L. Rasor.

Announce Engagement

Mr. and Mrs. Ervin J. R. Wagner, of Mentone, announce the engagement of their daughter, Judith Ann, to Leslie J. Amadon Jr., son of Mr. and Mrs. Leslie J. Amadon Sr., of Kennebunk, Maine.

Miss Wagner is a seaman apprentice stationed with the U. S. Navy at Great Lakes, Illinois. She will enter hospital corps school in June and later laboratory technician school.

Her fiancé is a radioman stationed aboard the U.S.S. Capitan at San Francisco, California.

No date has been set for the wedding.

Mrs. Gail Harrold is in the Woodlawn Hospital in Rochester. She is improving slowly. She is also in for observation.

Former Resident Dies

Services were held Monday at 10 a.m. in the Hippensteel Funeral Home in Lafayette for Mrs. Eunice M. Bradway, 79, of Lafayette.

Mrs. Bradway, former Mentone resident, died at the Lafayette home of her daughter, Mrs. Victor Lane, Friday at 10:45 a.m.

Graveside services were held by the Mentone Eastern Star at the Mentone cemetery at 1 p.m. Monday.

Mrs. Bradway was born near Rochester, October 17, 1884, the daughter of Mr. and Mrs. Ben Jefferies. She married Henry Bradway, April 15, 1905. He preceded her in death in 1933.

Mrs. Bradway had resided in Lafayette since 1953. She was a member of the Warsaw First Church of Christ Scientist and also a 50-year member of the Mentone Eastern Star. She also was a member of the Mentone Royal Neighbors Club.

The daughter is the only immediate survivor.

Newcastle Township Residents Should Call Mentone To Fight Fires

Mentone Fire Chief Lyman Mollenhour stated that Newcastle Township (Fulton County) residents who have Mentone telephone number should call the Mentone department in case of fire or other emergencies.

Those Newcastle Township residents with Rochester phone numbers are requested to call Rochester.

Newcastle Township does not have a fire department but depend on fire protection from Rochester and Mentone. The Newcastle Township trustee and advisory board provide funds for Mentone and Rochester fire departments.

March of Dimes Dance Friday

Mrs. Eugene Grimes, chairman of the March of Dimes for the Mentone area, has announced there will be a teenage "March of Dimes" dance held after the game Friday, January 17th in the Mentone gymnasium. Admission will be 25 cents. During the game a "blanket throw" will also be staged to raise money for the "March of Dimes" campaign.

Mrs. Grimes joins other chairmen in the plea, "Please help others walk."

from our

County Agent

DONALD E. FRANTZ

The Hoosier Barrow Show,
Indiana's top market hog ex-
position, will be held two Sat-
urdays, February 22 and 29, in
Indianapolis.

Purdue University's Coopera-
tive Extension Service is one
of the sponsors of the show,
which will open with on-foot
judging in the swine barn at
the Indiana State Fairgrounds.
It will recess until Saturday,
February 29th, when the Car-
cass show will be held at the
Hygrade Food Products Corpora-
tion plant on West Washing-
ton Street.

Only Indiana farmers and hog
breeders are eligible to enter
animals. Entries must be post-
marked not later than February
12 and all hogs must be pre-
sented with weighing prior to
6 p.m., EST, Friday, February
21. Swine will be shown as
single barrows and in truck
load lots in cross bred and
purebred classes.

All hogs entered in the show
will be purchased by Hygrade
and all pork produced will be
sold by the Kroger Company.
Joining Purdue and Hygrade
as sponsors of the show is the
Indiana Pork Producers Associ-
ation. W. D. Griggs, Indianapo-
lis, is show manager.

One of the scientific publica-
tions received at the local
schools listed the ten most im-
portant events in the world of
science in 1963. One of them
is the introduction of the Cereal
Leaf Beetle into the Mid-west
corn belt.

This doesn't look like so
very much of an item but sup-
pose we fail in the two areas of
science in the next ten years.
Suppose we fail to get a man
on the moon. Also, suppose we
fail to control the Leaf Beetle
and our corn, wheat and grain
supply would be reduced by
one-fourth. The moon shot

failure would be most frustra-
ting, the food supply failure
would stop the growth of our
economy. We can assume very
safely that this won't happen.
The infestation will be stopped
and there will be few headlines
made as a result of it.

A close look at poultry op-
erations — newest practices and
insect and disease problems —
is in store for Indiana poultry-
men January 16 as part of
Farm Science Days at Purdue
University.

The Poultry Service men's
Clinic starts with the first ses-
sion at 9:30 a.m. in Memorial
Center, featuring discussions by
R. L. Hogue, secretary of the
Indiana State Poultry Associa-
tion, and Purdue staff members:
Dr. R. L. Adams and J. W.
Sicer, extension poultrymen,
Dr. Robert J. Williams, agricul-
tural economist, Dave Matthew,
entomologist, and John Ment-
zer, agricultural engineer.

The meeting deals with Sal-
monella disease, feed additives,
record systems, pesticides and
housing construction.

A second session, beginning
at 1:15 p.m., will concern dis-
ease studies and research with
egg cleaning and quality.

Speakers at this meeting will
include John Howell of the In-
diana State Poultry Association
and Dr. Clyde Marsh of Ohio
State University.

Prune fruit trees now, before
buds start to grow, is the ad-
vice of orchardmen.

It will be easier on the tree,
easier to see branch construc-
tion when there are no leaves,
and easier to do a better job.
In addition, there is more time
now — before lawn and garden
work come into full force. It
is an important operation to
take care of and will increase
yield of quality fruits.

Prune young fruit trees by
selecting a leader or central
stem, and removing branches
that make a narrow angle with
it. Branches that make a nar-
row angle are weak and likely
to break in storms or when
heavily loaded with fruit.

Next, select and retain the
best remaining branches. You
will want branches to come out
on different sides of the main
trunk so they won't shade each
other. Each of these branches
should be spaced eight to 12
inches apart.

Also, trim broken branches,
repair scars in the bark and
remove rubbing and interfering
branches on all fruit trees. The
general rule with old fruit trees
is to thin out the branches.

COUNTERPOINT

By The Editor's Wife

There has been a "battle of the will" going on at our house. When the first seed catalog arrived I put it aside, very, very firmly; for the second one—the same treatment. To date there are four or five on hand. (The covers are very fascinating—such gorgeous roses!) One of these days, if the will power holds out, I may be able to dispose of these "subtle tempters" and face the facts of "growing flowers in a small area" in a disciplined manner. There is something about leafing through a flower catalog that causes many of us to go completely "berserk," and then—come seed planting time, to wonder where in the world we're going to plant them.

On second thought, I wonder if there are any new varieties of flowers being shown this year?

Now here is a quote either to get nearly everyone "hot under the collar" or "alerted."

"We have a lot of experience in doing before we come up with school systems that will develop the maximum potential in each child, and our present Parent-Teachers' Associations, with their prospectus, are not going to help much. We need new and more critical citizens organizations devoted to improving our schools."

We could use a little less bridge, a little less TV, a lot more attention to the kids, and a more thoughtful reading of Page 1. Let 1964 be a year of polished-up enthusiasms.

More "Left-handed Dictionary" definitions.

Advertise—to ring a bell in print.

Tourist—a man who drives 5,000 miles to have his picture taken in front of his car.

Alimony—a system by which when two people make a mistake, one keeps paying for it.

Aroma—a whisper heard by the nose.

Arthritis—twinges in the hinges.
(More later.)

To be sure there is a principle involved in the banning of Bible reading in the schools, but, how many of these who are making such an outcry—ever read a Bible in their own home? This is the place where religious and moral training must begin for it to be practical. Too long we have left these things undone, or in the hands of teachers and ministers. Perhaps, again parents must take the responsibility in a long-neglected area of family life—that of Bible reading and family worship.

"Small minds discuss persons, average minds discuss events, great minds discuss ideas."
(Where do you place?)

On January 6, 1960 this column had its beginning. It was to be written by the editor's wife, and was to express thoughts which accompanied the thoughts held by the editor, thus the name *Counterpoint* was chosen. There haven't been any real discordant notes, have there?

No great issues have been resolved (we can always talk about them, however). We have expressed some thoughts with which you may not have agreed, but, we trust that you have enjoyed reading *Counterpoint*, in spite of this.

We enjoyed this: Two women were driving along a country road when they saw several linemen climbing telephone poles.

"Silly fools!" exclaimed the woman who was driving. "They must think I've never driven before!"

New Publishers
For The News

Effective as of February 1, 1964, Mr. and Mrs. Loren Sheetz, publishers of the Akron News, will be publishers of the Mentone News.

Mr. and Mrs. Sheetz are vitally interested in newspaper work, and have been doing a fine work at Akron, publishing the Akron News, and recently adding a section for Silver Lake. They have taken an active part in following the actions of the Tippecanoe Valley School Corporation, and reporting the news of the Mentone units of the all commercial printing, and of Burket, Beaver Dam, Talma and Akron.

The Akron News printing plant is primarily equipped for newspaper production, with much of its time allotted to this type of printing. The Country Print Shop (now located in Bourbon) which has printed the Mentone News for almost 23 years, will now be able to place further emphasis upon its commercial printing. The Country Print Shop will continue to serve the community in all commercial printing, not particularly suited to the time and equipment available at the Akron News.

The Mentone News office will be maintained by the new owners in the same location, in the Ward Building. Mentone, and the publication will continue as an individual entity to serve the needs and interests of Mentone and vicinity. Mr. Sheetz has full ownership of the mailing list and all new or renewal subscriptions are to be paid to him. All accounts due or payable for advertising, printing, etc., on or before January 31, 1964, is the property of the former owners. For convenience, arrangements have been made so that these can be paid at the Mentone News office.

All of us who have been affiliated with the Mentone News and the Country Print Shop, have enjoyed our work in these capacities, and it will be with a bit of reluctance that we relinquish our associations with the Mentone newspaper one week hence. We shall continue to be citizens of the city and hope to continue working for its welfare and prosperity.

With loyal community support, Loren and Ann Sheetz, we believe, will produce a newspaper of which we can all be proud. They are young people with ability, determination, ambition and vision. We welcome them into the Mentone business community.

NAMED TO ROLL
OF HONOR

Three Kosciusko County students at Ball State Teachers College have been named to the Registrar's Roll of Honor, according to Dr. Leo Hauptman, registrar. Those named were Bernard Fitzgerald, Mentone, and Elizabeth Coble and Janet Danner of Pierceton.

Out of an enrollment of 9,131 students, 118 were named to the list. They each earned all A's while carrying 12 or more hours of study during fall quarter.

Fitzgerald, a senior, is the son of Mrs. Iris Fitzgerald, 308 W. Jackson, Mentone. He is majoring in French.

Miss Coble, a junior, is majoring in speech and hearing therapy. Her parents are Mr. and Mrs. M. Coble, R. R. 1, Pierceton.

Miss Danner, a home economics special, is the daughter of Mr. and Mrs. Robert Danner, R. R. 1, Pierceton. She is a senior at Ball State.

Mr. and Mrs. Don Ward of South Bend visited with his brother and family, Mr. and Mrs. Ralph Ward and Ronnie,

Give Blood Feb. 3

The Blood Mobile will be in Mentone on Monday, February 3rd at the Methodist Church from 10-6.

Please make every effort to come. The blood supply in the county is very low. For appointment call Kay Kindig, EL 3-3275.

Below is the testimonial of the benefit of blood written by Mrs. Alton Perry:

TESTIMONIAL

How important is blood? I don't think anyone can really know until it has saved them from either a long seige of recovery or illness or even a possible death.

I can truly say giving of blood is a vital part of our way of life today. I first had blood when Michelle was born caesarian, since I had lost so much the blood given me helped for a quicker recovery.

The second time our family needed blood was four years later and thus I became more conscious of the Red Cross program.

First time I was in the Rochester hospital and the blood was automatically free for it is covered by the Fort Wayne Blood Bank, but Michelle was in South Bend Memorial and they have their own blood bank with a charge of \$25.00 a pint plus a charge for administering.

I took a yellow form made out by the Red Cross, up to the hospital office and Michelle's blood was free. BUT, if someone hadn't given this blood, her fever would have never gone down and she may have not ever gotten the strength to walk again.

So believe me when I say I know how important it is. If you ever watched your daughter's lips turn from snow-white to a beautiful pink, you'd know.

Dance

To aid in the annual March of Dimes drive, a dance will be held this Saturday evening following the Mentone-Manchester game. A blanket throw will also take place.

Mrs. Eugene Grimes, area chairman, would urge the community to help with this worthwhile drive by either contributing directly to the county headquarters in Warsaw, dropping coins in the canisters in places of business, or attending the dance. The proceeds will go to the fund for March of Dimes.

CALENDAR

Cub Scout Pack meeting on Saturday evening, February 1. J.O.Y. Circle will meet at the church, Tuesday, January 28th at 1:30 p.m.

With The Sick

Mrs. Ted Ward of Warsaw, formerly of our town, underwent skin grafting surgery last week in the Murphy Medical Center. She is progressing nicely, and has been dismissed.

Infant Dies

Maurice Horn, seven month old son of Billy and Patricia Ann (Fancil) Horn, of Fort Wayne, formerly of Warsaw, died at 11:40 a.m. last Wednesday in Lutheran Hospital, Fort Wayne.

He was born May 29, 1963 at Fort Wayne. Survivors in addition to his parents include three brothers, Kimberlin, Billy Jr., and Rocky Dean, all at home; maternal grandparents, Mr. and Mrs. Maurice Fancil, of Fort Wayne; paternal grandparents, Mr. and Mrs. DeWayne Horn, of Warsaw; great-grandparents, Mr. and Mrs. Fred Fancil, Mr. and Mrs. Ralph Wiseman, all of Warsaw; Mr. and Mrs. Benjamin Hively and Mrs. Fred Horn, of Mentone.

Funeral services were conducted at 2 p.m. Friday in the Landis-Channess Funeral Home in Warsaw with Rev. Herman Smith, pastor of the Warsaw Church of God, officiating. Burial was in the North Webster cemetery.

Mentone Pre-School
Enrollment

In order to determine school needs for the next year (1964-1965), it is necessary that we know of children who are in the Mentone School area and plan to enroll in grade one at that time. In order to enter first grade, a student must be six years of age on or before October 1st, 1964.

If you know of a child who is eligible to enter first grade next year, please notify the school by February 1st and give the child's name, address and the parent's name and address, and location of home.

Special Pack Meeting

Cubmaster Jim Miller, has announced there will be a special pack meeting Saturday evening, February 1.

All regular Cubs and parents are to attend, but also any boys who are 8 years old and desire to get into Cubbing may come. Parents of these new boys should come also. This Pack meeting will be held in the basement of the Methodist Church at 7:30.

Mr. and Mrs. Arvil Wierna of Spring Arbor, Michigan, visited Mrs. Wierna's grandmother, Mrs. Ott Jefferies, on Sunday. The Wiernas were on their honeymoon.

Mr. and Mrs. Bob Brooks and son of Winona Lake were Saturday supper guests of her sister and husband, Mr. and Mrs. Jerry Ross.

Word has reached Mentone that Mr. and Mrs. Charles Manwaring met with misfortune in Atlanta, Georgia. While spending the night at a motel, some persons ransacked their auto, and took about everything they could, including clothing, camera, TV, etc.

A Tea For Tom

A tea was given in honor of Tom Whetstone on Sunday afternoon at the Mentone Methodist Church by the W.S.C.S. Togs, who reached the age of 100 on January 14, was happy and pleased that so many relatives and friends came. There were about 70 present.

Tom had a brother, "Abe", who died four years ago. He

Elected To Banker's
Association

At a joint County Banker's Association meeting held January 16 at Roann, Indiana, Forrest D. Miner was elected vice-president to represent Kosciusko County for the coming year. Forrest was recently elected executive vice-president of the Farmers State Bank in Mentone.

Local W.S.C.S. Meets

The book "Our Mission To-
day," written by Tracey Jones,
was reviewed by Mrs. Harold
Utter for the January program
of the Woman's Society of
Christian Service of the Men-
tione Methodist Church.

Mrs. Utter presented several
thought provoking questions for
consideration: What is a mis-
sionary? What is a mission
field? Who is a Christian? What
is the mission of the church in
today's world?

Mrs. William Cox and Mrs.
Carl Whetstone presented de-
votional thoughts and the group
sang "Joy To The World."

Mrs. Allen Herendeen presid-
ed over the business session.
She announced the next meet-
ing will be held in the new
parsonage on February 20th.
Please note! JOY circle will
meet in the church January
28th at 1:30 p.m.

Mrs. Ralph Mollenhour was
hostess to this group of ladies
on January 16th. Mrs. Robert
Whetstone and Mrs. James
Whetstone served refreshments.

Mrs. C. Gates Hostess To Mentone H.D.

The Mentone Home Demon-
stration Club met at the home
of Mrs. Claude Gates. Co-hostess
was Agnes Rans.

Eva Laird opened the meet-
ing held Thursday, January 9.
All gave the pledge to the flag,
repeated the club creed, then
all sang "America The Beas-
tiful." Meditation, given by Agnes
Rans, was "Be Careful What
You say." The history of the
song of the month, "Home On
The Range," was read by Es-
ther Sarber. All joined in sing-
ing the song. Health and safety
lesson was given by Ina Davis
on the safe use and storage of
medicine. Eula Smith gave a
lesson on color in the home.
Roll call was answered by
"What I Hope To Accomplish
This Year." The secretary's re-
port was given by Genevieve
Warren. The treasurer's report
was given by Minnie Busen-
berg. Olive Tucker presided at
the meeting. The constitution
was read by Genevieve Warren.
Refreshments were served to
14 members and three children.

Color Blindness:

A hidden threat
A color blindness test should
be included in pre-school ex-
aminations, says Dr. H. C. Thu-
line, Buckley, Washington path-
ologist, to prevent a child from
having difficulties in the pre-
sent educational system which
utilizes color in teaching tech-
niques. Most parents of color-
blind children are not aware of
their child's handicap. Dr. Thu-
line says. One boy out of 17
and one girl out of 180 have
some degree of defective color
perception.

The Boston Museum of Sci-
ence says astronomers "finger-
print" stars, but not with an
ink pad. The term means anal-
ysis of starlight to determine
what the celestial body is made
of and how hot it is.

Art A La Cart is offered pa-
tients at the University of Chi-
cago Hospital. An aluminum
cart holding 20 pictures is
rolled from room to room, and
a hospital volunteer helps each
patient select a painting to hang
on his wall. Paintings may not
replace penicillin, hospital au-
thorities say, but they do pro-
vide a warm atmosphere.

'Instant' citrus juice crystals
will be produced for the first
time in South America at a 500-
ton-per-day Argentina process-
ing plant. Votator vacuum-dry-
er equipment produces pure
crystals by removing more than
80 per cent of the water from
orange, tangerine or grapefruit
juices. The crystals are light
to ship, require no refrigeration
and reconstitute instantly with
the addition of cold water.

Evening rush-hour traffic
bothers home-bound motorists,
but its effects are felt more at
the airport than on the high-
way, according to a Federal
Aviation Agency report. Air-
port surface congestion — in-
adequate runways, taxiways,

ramp space and gate positions
— is the principal cause of air-
line delay, says the FAA. Second
major delay is air traffic con-
trol. Bad weather runs third.

Winter note: Frozen faced
Chicagoans who lined up and

waited through bitter dawn
hours recently came away from
their frigid vigil well pleased.
They obtained summer permits
for choice picnic areas of the
city's forest preserves.

Warren Miller had a feeling he was forgetting
something when he left Goshen, Indiana. His blacksmith
shop was sold . . . along with his farm and implements.
Thirty-seven years later, among some musty old papers,
Mr. Miller discovered what had been bothering him—
a long-misplaced electric bill for \$8.10. This impeccably
honest man promptly mailed the bill and payment
to the "Interstate Public Service Company"
which is now NIPSCO.

"and I am sorry to be 37 years late!"

Mr. Miller used 81 kilowatt hours of electricity from
January 1 to April 1, 1927. At that time the rate was
10¢ per kilowatt hour.

At today's low rates, this same
amount of electric service would
cost Mr. Miller only \$5.27 . . .

Our Churches Cordially Welcome You

THESE RELIGIOUS MESSAGES ARE SPONSORED IN THE HOPE OF ENCOURAGING GREATER RECOGNITION OF MAN'S DEPENDENCE IN HIS CHURCH FOR SPIRITUAL GUIDANCE

"Attention! Mother and Daddy"

It is evident that your "Little Napoleon" — or is it "Her Grace" — is demanding your attention. Soon, his or her life will be needing other services, cares and attentions.

"Suffer Little Children To Come Unto Me," was intended not just for man some twenty centuries ago. It is a directive for every parent of modern times. While infants are a bit young to gain from church attendance it is not too early to plan for their spiritual training and in this the church will lend its valuable aid.

As a child's character and habits are influenced and built by early training in the home, so faith in humanity and trust in God is induced through early religious training in the church of your faith. This combination is all important in preparing for life's vocation.

You make no mistake in calling upon and using the services of the Church in the rearing of your children.

Local D.A.R. Meet

The Anthony Nigo Chapter, D.A.R., met recently at the home of Mrs. Walter Lackey, with Mrs. James Wells Jr. as hostess.

Mrs. Paul Shireman, regent, presided over the business meeting. Fourteen members answered roll call by giving "Our DAR New Year's Resolution."

The president general's message for January was read by Mrs. Ernest Igo. Mrs. Glenn Clauss, chapter historian, reported that large posters saying "Observe History Month" will be placed in the Mentone Public Library and the Mentone School.

Mrs. Shireman stated that the DAR council meeting has been changed to March 11 at the Sheraton-Indiana Hotel in Indianapolis.

Motions were made and carried to place the DAR magazine in the Mentone School Library, and to again sponsor Girl Scouts and to give them history month stickers to be used in making favors for hospitals. A motion was made to favor the memory of Mr. Dan (Eckert) Nollan, chapter member of Anthony Nigo and a relative of seven present members, through a contribution to the Grand National Records Individing Fund.

Mrs. Charles Irelan of Akron was reported a new member, her papers having been accepted.

Mrs. Mary Cox gave national defense by reading "Light On UNESCO" and the action of some school boards in deleting Christmas and Easter programs. Mrs. Frank Smith urged all to read "The Passing Of The Patriot" by Dr. Max Rafferty, state superintendent of schools in California, an advocate of a change from progressive education. Mrs. Smith said, "As long ago as 1958 the country was warned concerning the trouble we are now having with Panama. I recall listening to Rep. Daniel Flood of Pennsylvania speaking at the national defense luncheon at the Sheraton Park Hotel in Washington, D. C., reminding DAR's present that our program of appeasement in connection with unjust Panamanian government requests concerning flying their flag along with the flag of the United States in United States sovereign territory would bring just a situation in which we were now involved. The next few weeks will reveal how much more the United States will suffer

from a policy of acquiescence to the demands of mobs and a politically motivated Panamanian president. The past several days have been adequate testimony that if a great power insists on acting like a weak sister, it will be treated like one."

Mrs. Walter Lackey was elected delegate to the DAR Continental Congress in Washington, D. C. in April and Mrs. Wayne Smalley as alternate. The regent appointed Mrs. Dale Cook, Mrs. Max Smith and Mrs. Cox to a nominating committee to present candidates for next year's officers.

Mrs. Wells, chairman of American Indians, asked members to bring discarded jewelry to the next meeting to be sent to St. Mary's Indian School to be used as a fund raising project to help in financing their needs.

Mrs. Charles Tucker, program chairman, read a poem about the new year. In making resolutions, she said everyone should resolve to do the very best they can each day and that is all that is required—our best. She then presented Mrs. Hazel Linn, who gave the program on the DAR Museum and state room. There are 10,000 items in the museum which are rotated throughout the year for exhibit in 80 display cases. The museum is open five days a week, free to the public. The museum was in existence 60 years before its new home in the administration building, 14 years ago. There are china, silver and costume accessories owned by George and Martha Washington, a ring and brooch containing George Washington's hair, and a plaster life mask of the general by Houdon. There are china and costume accessories owned by Dolly Madison; a gold pocket watch owned by Thomas Jefferson and his wife; a pair of Chippendale chairs that belonged to John Adams; John Hancock's desk; Daniel Boone's low ladder back chair with its seat of buffalo hide; a hooked bed rug made by Molly Stark, wife of General John Stark; silver spoons by Paul Revere; Benjamin Franklin's eye glasses; a glass cruet owned by Francis Scott Key and a patchwork quilt made by his wife; a ring owned by Patrick Henry, and his wife's mourning pin and a large ornate brass key to Alexander Hamilton's home.

The only display later than 1830 is a case housing possessions of President and Mrs. Benjamin Harrison. Caroline Scott Harrison was the first DAR president general, and in 1957 a gown owned by her was restored and is shown on the model. The size and quality of this collection has earned the museum the reputation of one of the finest museums in the field of American historic decorative arts. The DAR has a serious responsibility in interpreting for members and the public our nation's heritage and the society's ideals.

Mrs. Linn closed with showing slides from the museum and state room.

Mrs. Wells and Mrs. Lackey were assisted by Mrs. Eldred Paulus in serving delicious refreshments during the social hour. The next meeting will be February 11 at the Mentone School. Members are asked to contact Mrs. Bernice Rush or Mrs. Helen Brown if bringing a guest.

Akron High School's
Homemaker Of
Tomorrow

Brenda Doub is Akron High School's 1964 Betty Crocker Homemaker of Tomorrow. She achieved the highest score in a written knowledge and attitude examination given December 3, 1963. General Mills, Inc., sponsor of the program, will award her a "Homemaker of Tomorrow" pin to signify her achievement, and her test paper will be entered in competition for state honors.

The state Homemaker of Tomorrow will be awarded a \$1,500 college scholarship and will be named a national finalist. Her school will be presented with a set of Encyclopedia Britannica, awarded by Encyclopedia Britannica, Inc. The state's second ranking girl will receive a \$500 scholarship.

In the spring, state Homemakers of Tomorrow, each accompanied by a school advisor, will enjoy an expense-paid educational tour to Colonial Williamsburg, Virginia, Washington, D. C., and New York City. The trip will be climaxed with the naming of the 1964 Betty Crocker All-American Homemaker of Tomorrow. She will be chosen on the basis of her original test score together with personal observation and interviews during the trip. Her scholarship will be increased to \$5,000. National runners-up will receive \$4,000, \$3,000 and \$2,000 scholarships, respectively.

All-time highs in the number of senior high school girls and schools enrolled marked this, the tenth annual Betty Crocker Search program. More than 484,000 girls in 14,000 of the nation's schools participated. Since the program was launched more than three and a half million girls have participated and scholarships approximating one million dollars have been awarded.

The Betty Crocker Search is approved by the National Association of Secondary School Principals. Judging is by Science Research Associates of Chicago, nationally known educational publishing and testing organization.

Grade Basketball

On Monday after school, the 4th, 5th and 6th grade basketball boys journeyed to Silver Lake for a "double-header."

Coached by Mr. Longbaugh, these boys did a fine job. The 4th and 5th grade combined team won their game 24-10. The 6th grade team lost 22-23, but came from way behind to tie the score 28 all, with less than two minutes left to play.

The colorful cheerleaders, plus a very excited cheering section, all contributed for a typical basketball scene.

Mentone Phone EL 3-3205MISS MARY KATHERINE ANTONIDES AND
LARRY L. HANES REPEAT VOWS

The Church of the Brethren at Bremen was the recent scene of the marriage of Miss Mary Katherine Antonides and Larry L. Hanes at half past two o'clock, Sunday, December 29.

Rev. Jack Kline performed the double ring ceremony before an altar graced with beauty baskets of white snap dragons, yellow daisies, pink carnations and palms. Nuptial music was provided by Dale Whitehead, organist, and Mrs. Barbara Corl, vocalist, who sang "Because," and "The Lord's Prayer."

The bride is the daughter of Mr. and Mrs. Russell Antonides of Elletts Green. Parents of the bridegroom are Mr. and Mrs. Oliver Hanes of Bourbon.

Given in marriage by her parents, Mary Katherine was escorted by her father to the altar. A bouffant floor length gown of Chantilly type lace over taffeta was chosen by the bride. The fitted bodice was highlighted by a square neckline edged with scalloped lace and long sleeves extending into bridal points over her hands. Tiers of lace edged with scallops formed the full skirt of the gown.

A tiara of mock lily of the valley held the bride's fingertip veil of hand rolled illusion. Miss Eldona Jean Antonides, sister of the bride, was the maid of honor. Mrs. Robert Holbrook was the bridesmaid.

The bridal attendants were attired in identical street length gowns, one yellow and one pink, of nylon chiffon fashioned with cummerbunds, three quarter length sleeves and full skirts. They carried bouquets of yellow and white and pink and white carnations with streamers to match.

Wayne Hanes, brother of the groom, served as best man. George Clemens, nephew of the groom, served as groomsman. The guests were seated by Edward Antonides, brother of the bride, and Robert Kaminski, brother-in-law of the groom. Linda Clemens, niece of the groom, held the guest book. Randall Antonides, brother of the bride, took care of the gifts.

A reception was held in the church social room immediately following the ceremony. A four-tiered wedding cake topped with a miniature bride and groom centered the table.

Punch, nuts and ice cream were also served by the hostesses, who were Mrs. Robert Kaminski, Miss Judy Thayer and Mrs. Roger Thayer.

Out of town guests were from Chesterton, Claypool, Warsaw, Nappanee, Bourbon, Camden, Argos, New Paris, Goshen, Plymouth and Tippecanoe.

The bride graduated from Mentone High School and Fort Wayne Beauty School. Mr. Hanes attended Bourbon High School and served three years in the Army. He is now employed at Plymouth Transit, Plymouth, Indiana.

For her short wedding trip to Chicago, the bride chose a cranberry wool dress trimmed in white and accented with black accessories.

The newlyweds are residing at Route 1, Mentone.

Small Arms
"World Series"

The National Rifle Association, a non-profit membership organization recognized as the governing body for shooting in the U. S., sponsors the National Matches — the "World Series" of small arms marksmanship held annually at Camp Perry, Ohio. More than 7,000 of the nation's finest rifle and pistol marksmen compete with the rifle and pistol at Camp Perry for a period of three weeks. The NRA sanctions thousands of other official tournaments around the country each year, for men and women and boys and girls of all ages.

Mentone School News

New Elementary Class

Mentone School will add an additional elementary class as of the 27th day of January. The class will be a split class with twelve first grade and eleven second grade students attending. The additional class will make it possible to decrease the size of the present first and second grade classes and afford each youngster a better educational opportunity.

Mrs. James Durham, an experienced elementary teacher, will be teaching the class. Mrs. Durham is a graduate of Ball State Teachers College and has taught at Muncie, Indiana and Grand Rapids, Michigan.

Occupations Field Day

The Occupations Class, which is taught by George Welch, visited the R. R. Donnelly Company in Warsaw this past week. The group which is interested in studying various occupations was given a complete tour of the plant.

Honor Society

Mentone School is planning to give recognition to outstanding students. Plans are being made to form an honor society. Mrs. David Harker, Mentone English teacher, is the chairman of the committee which is participating in planning the organization and the standards of the society.

Jim Whetstone, student council president, reports that the student body seems to be quite interested in the organization of an honor society.

Methodist Church Prepares For Lenten Services

The Commission on Membership and Evangelism of the Mentone Methodist Church met recently to make further plans for the Lenten services, which is to begin Sunday, February 16 and go through March 26.

The services will start at 7:30 p.m. each Sunday evening.

Plans for special music have been made with various groups from Claypool, Warsaw, Akron and Kokomo. In addition to the Mentone Methodist Choir and the Triple Trio from the Mentone High School.

It was decided to have refreshments and fellowship after each evening service in the basement of the church.

Baby sitters will be provided for people with small children. A Prayer Vigil will be held February 14th from 7:00 a.m. to 7:00 p.m., combining prayers for the World Day of Prayer and prayers for our Lenten services.

Talma School News

At Talma Junior High, the English classes at the end of the first semester, are almost on schedule in literature, spelling and English.

In the spelling contest sponsored by the Fort Wayne Journal Gazette, the following are winners and alternates for their respective grade and section:

John Romine and Don Acton, grade 7, section 1; Luanna Sarker and Marion Boggs, grade 7, section 2; Nancy Keirn and Elaine Gamman, grade 7, section 3; Becky Hunter and Evelyn Kelly, grade 8, section 2; Max Hubart and Cinda Whetstone, grade 8, section 3; Pam Abbey and Rex Bower, grade 8, section 1; Mr. Fisher, who is in charge of the contest for all grades, will soon announce the winners from his classes.

The Tiger News will appear for the first time this week. Pam Abbey is editor and Elaine Gamman is assistant editor. Associate editors and reporters are Christine Hyde, Rex Bower, Terry Norman, Karen Anglin, Kathy Tridle, Luanna Sarker, Don Acton, Dennis Meyer, Ann Rush, Nancy Keirn, Terry Hammer, Becky Hunter, Robert Anderson, Diana Shirey, and Terry Reed. Miss Williams is technical advisor and Mr. McClure, editorial advisor.

5th and 6th Grade News

We have played three ball games so far and lost them. The first was with Burket and the score was 8-26. The second was at Richland Center with the score being 12-37. The last game was at Mentone and the score was 13 to 23. Our next game will be here February 5th. Mrs. Crissinger and Mrs. Sid Alber took us to the games.

We have seen several films about science, arithmetic and geography. The projector operators were Susan Zent, Debra Hibbs, Teresa Howard and Vicki Morris.

We have seen several films are: president, Rudy Schwenk; vice president, Terry Crissinger; secretary, Kay Foster; treasurer, Sheri Lloyd.

The fifth grade class officers are: president, Rudy Schwenk; vice president, Terry Crissinger; secretary, Kay Foster; treasurer, Sheri Lloyd.

The sixth grade had 60 countries and capitals and the fifth grade had the states and capitals for practice on January 17. Monday we had geography, English and reading review test. Tuesday, we will have science and arithmetic review test. Wednesday will be spelling.

Lola Hurley and Billy Hurley moved in for two weeks and then they moved to Kentucky.

Over the Christmas vacation, Laurence Bradley was injured in an automobile accident. He is still at the Murphy Medical Center in Warsaw. We are hoping that he will soon return to school.

The reporters for the school newspaper are Kathy Crissinger and Susan Zent in the sixth grade and Connie Alber and Jill Rogers are reporters for the fifth grade.

Mentone Bulldogs Win Over Silver Lake

Mentone's Bulldogs picked up their ninth victory in 13 efforts this season with a 79-68 setback of Silver Lake, which lost its 10th game in 13 tries.

Coach Roger Bridge watched his green clad cagers turn in a solid team effort as four players were in double figures and six hit seven points or more.

Mentone pulled to a 26-14 first quarter lead, increased it to 49-33 at the half, and led 68-48 at the end of three. Bridge substituted frequently in the final period. Steve Nelson capped game honors with 19 points and Bob Arnold tallied 15 for the Ramblers.

Rites Set For Mrs. Drudge

Services will be conducted Friday at 2 p.m. in the McHattin Funeral Home, Warsaw, for Mrs. Lester (Donna-belle) Drudge, 41, of Route 2, Silver Lake.

Mrs. Drudge became Kosciusko county's first traffic fatality of 1964 early Tuesday morning when her auto skidded out of control and struck a utility pole on State Road 15, four miles south of Warsaw. She was crushed beneath the overturned car.

Mrs. Drudge was born in Seward township, March 11, 1923 to John and Rozella (Parker) Zolman, April 15, 1939, in Valparaiso. She was married to Lester Drudge, who survives. Mrs. Drudge, an employee of the Crystal Preforming and Packaging Co., in Warsaw, was a lifetime resident of this county. She attended the Silver Lake Methodist Church.

Survivors in addition to her husband include three sons, Larry Drudge, who is in the Army in California, Ronald Drudge, of Route 1, Leesburg, and Darrell Drudge, of Route 1, Warsaw; her mother, Mrs. Rozella Zolman, of Claypool; two sisters, Mrs. Warren (Nadene) Cumberland of Bourbon, and Mrs. Eileen Phebus of Beaver Dam Lake; two brothers, S. Wayne Zolman and Bernard Zolman, both of Claypool, and one grandchild, Rev. G. B. Tipton of Silver Lake, who will officiate at the service, will be assisted by Rev. Donald LaSuer, of Warsaw. Burial will be in Oakwood cemetery, Warsaw.

NEWS NOTES

from our

County Agent

DONALD E. FRANTZ

The Indiana Retail Sales Tax is applied on sales that are tangible, personal and at retail. The sales tax, therefore, does not apply to the sale of personal property to farmers when the product purchased is to be used for the production of food or other agricultural commodities which are to be marketed. It has been determined that such purchases are not made at a retail level and that such inputs into manufacturing or production were not intended to be taxed at all levels along the production line.

In order for the sale of tangible personal property to be tax exempt, the following three conditions must be met:

1. The purchaser must be occupationally engaged in the production of agricultural commodities.

2. The ultimate product must be sold. This would mean that purchases by farmers of tangible personal property to be used in production of food for their own family would not be tax exempt. As an example, I would presume that fertilizer for a field of wheat would be tax exempt, but fertilizer for a home garden would not be.

3. The items purchased must be used in the production process. The guide lines on this are that they must become a part of the final product or be used to transform or change the product. Examples of these could be feed for livestock, stillbirth implants for steers and electricity for a freezer in a locker plant.

This would mean that most of the production items on farms would not be charged a sales tax. Such things as seed fertilizer, insecticides and feed would be tax free. Breeding livestock, feeder cattle, and feed would also not be taxed. Equipment, repair parts and fuel would be exempt.

On the other hand, items that do not go directly into costs of production would be charged. These would include the expenses that go into a part of the real property, such as fences, barns, silos, cribs and other permanent structures. While these are a part of the expense of production, they are also an asset to the value of real estate. Transportation equipment is also usually charged except in the case of trucks where they are used primarily in direct agricultural production.

It is the responsibility of the farmer to claim the exemption. The seller cannot do it for him unless he has filed with the seller an exemption certificate. The dealers usually will have a supply of these on hand.

Electricity will be a difficult item. Farmers must have either separate meters or prove that the electricity purchased was predominantly for production purposes.

Other than the specific purchases for production, farmers pay the same tax as others.

Farm Account Books are now available at the County Extension Office. The two types, same as in years past, are available. The yellow covered Indiana Farm Account Book is best for analysis purposes and also has space for landlord and tenant entries. The newer Indiana Farm Record is popular for tax purposes as the entries appear in the same order as on the 1040 F.

The 1964 Income Tax Guide is also in. These can be very helpful in tax management planning as well as in filling tax reports. Copies will be available at banks throughout the county.

The new Indiana Adjusted Gross Income Tax need not be too much bother for farmers if they will plan to do their federal tax reports first. Then the same set of figures can be transferred over to the new tax

form without duplicating the work.

Farmers will pay on the old gross rate for the income for the first six months. They will then pay one per cent on their adjusted income for the full year. At first glance this looks wrong, but they will pay for half the rate for a full year's income rather than the full rate for a half year's income. There may be some advantage in this for some people. There will be the definite advantage of being able to use the same income figure as determined on the federal report.

The Cattle and hog prices certainly brought no happy new year cheer to livestock producers. Feeders have been holding on to their livestock but it looks now like they are beginning to clear them out. The run of hogs in December was at nearly a 20 year high and there were 23,000 cattle in Chicago the second Monday in December. This burdened the weak market even more.

Heavy cattle were hardest hit with the heavy cattle prices being seven or eight dollars below last year at this time.

Mrs. Jennie Sponseller had as her Sunday guests, Mrs. Fern Coar, Mrs. Don Kuhn, Mrs. William Erwin and Hope, all of the Bourbon area. The following brought supper in to Mrs. Sponseller: Mr. and Mrs. Gilbert Griffith of Mentone and Mr. and Mrs. Larry Boggs and family of Palestine.

Mr. and Mrs. Robert Ross and family had as their Sunday dinner guests, Mr. and Mrs. Robert Baker of Macy. A house guest last week of the Noah Heddingtons was his mother, Mrs. John Heddington of Pierceton.

Enos Metheny has returned home from a Florida vacation. Mrs. Metheny and their son, Mr. and Mrs. Jan Metheny,

went to Indianapolis to pick him up after his arrival there via jet plane.

Mr. and Mrs. Joe Shively and Mark of Purdue University are spending a few days with her parents, Mr. and Mrs. Earl Davis.

Mr. and Mrs. Owen Davis and family moved Saturday to South Bend. Their address is 17629 Ponsa Street.

Charles Fisher of rural route, Bourbon, fell a week ago Monday in his barn. He had quite a bit of pain, and on Monday of this week was taken to the hospital for X-rays, which revealed a broken heel. A cast was put on and he returned to his home.

Mr. and Mrs. Kenneth Ellinger and family had as Sunday guests in honor of his birthday, Mr. and Mrs. Charles Carl and Linda of Culver and Kenneth Swayzee and Kathy of South Bend. The occasion was also a belated Christmas for Kathy.

Be careful not to over feed cows with baby calves when the calves are under a month old, Purdue University animal scientists caution. Too much milk will cause digestive difficulties.

WASHINGTON AND

"SMALL BUSINESS"

By C. WILSON HARDER

Any attempt in this column to discuss military strategy would be most fallacious. Yet, on which it might be well for the Congress to study.

It seems that every time

there is talk of bringing home the bulk of the American troops garrisoned in West Germany, the German government officials express great alarm. The C. W. Harder Russians, they infer, just over the line, may invade.

There is a question whether all the combined NATO forces in Europe could prevent the Russian armed hordes from moving across Germany in a few days. This can only be answered by the military men competent to assay fire power, defensive strength, and all of these technical matters.

And recently there was quite a dramatic test performance in flying thousands of troops into Germany from American bases in a few hours. Whether this is practical in the event hostilities should break out is again a technical question.

However, there does seem quite a question as to whether or not U.S. forces are in Germany primarily to protect the German soil, or the German economy. Big military payrolls and supply purchases are a boost to any economy. In addition, the report of the committee on non-essential governmental expenditures of the National Federation of Independent Business

headed by Senator Harry Byrd points out that the armed forces overseas are employing currently 160,000 foreign nationals. A little over 50,000 are employed in Japan, 21 thousand in France, 77,639 are employed in West Germany.

Actually, they are indirectly employed. The actual job handling out is by the German government, with the U.S. meeting the payroll.

Now in a nation of 56 million people, almost 78,000 jobs are an important item. The impact on the German economy is equal to what would result if in the United States 271,666 additional jobs came into being.

To give a better gauge, this hypothetical 271 thousand plus jobs is almost equal to the employment by the nation's third largest corporation, Ford Motor Co. It is almost twice the number of jobs supplied by the six biggest meat packers.

Thus, there is no question this causes alarm in Bonn.

But it would seem the big question is whether alarm is caused by considerations of economic power, or firepower.

Hence, this is a question that Congress could well investigate. As is well known, there are currently attempts to use the armed forces for sociological experiments and a variety of other projects totally unrelated to the chief business of a military force.

It would be interesting to see what a Congressional study of the situation, provided the nations top military men are not muzzled, would find out about the situation.

TARGET, WOODS & GUN ROOM

(A regular column of the National Rifle Association.) One of the finest and fastest-growing competitive sports is target pistol shooting.

It is a pleasant pastime, requires relatively small range space, no great physical strength or effort, and is only as expensive as you want to make it.

No special clothing and very little special equipment are required. Excellent target pistols are available at moderate cost. The beginner should start with a .22 caliber handgun because of its superb accuracy, the absence of bothersome recoil, prevalent in the firing of .38's and .45's—and its low-cost ammunition.

Proficient pistol shooting is an exacting sport which is not picked up overnight, nor is it retained except by proper practice. Your choice of white paper with turquoise or orchid border; gray paper with turquoise or orchid border; or mint paper with emerald or turquoise border. 30 sheets of paper, 20 envelopes and pen only \$1. Country Print Shop.

Learning to do this not only helps produce good scores but also takes a shooter's mind off his business and personal cares, thus reducing daily tensions.

The two most important "secrets" of good pistol shooting do not include eagle eyesight, or being a super athlete, or having a calm, easy going disposition; rather, they are intense concentration on keeping the front and rear sights lined up properly on the target, and squeezing the trigger so as not to move the pistol the instant it fires. This prevents flinching from the expected noise of the discharge.

The National Rifle Association, a non-profit membership organization recognized as the governing body for shooting in the U.S., offers the following points of advice to those starting off in the pistol shooting game:

1. Remember that even a .22 requires safe range facilities.
2. Get proper instruction in safety and shooting "etiquette."
3. Get proper instruction in the principles of aiming and trigger squeeze.

4. Obtain regular access to a place where you can feel at ease and enjoy shooting with no fear or apprehension of being rushed, criticized or otherwise listed.

5. Shoot often. In-between days on the range practice "dry firing"—aiming and snapping the handgun at a target, unloaded.

6. Start with slow fire (10 minutes for 10 shots) and master it before moving on to

timed-fire (20 seconds for five shots). Master both and keep them mastered while undertaking rapid fire (10 seconds for five shots).

7. Toughest up your arms and shoulder muscles, so you can hold a three pound weight at arm's length without wobbling. The steadier you become, the better shooter you will be.

Target pistol shooting is done indoors or outdoors, from distances of 15 to 50 yards. The more than 10,000 rifle and pistol clubs chartered by the National Rifle Association are

located in all states; each has several NRA-trained instructors, ready and willing to help a try, whether he be young or old. And don't be surprised if the instructor is a woman—some of the finest pistol shots in the country are mothers and daughters!

Teaches Safety To Gun Handlers

The National Rifle Association, a non-profit membership organization recognized as the

governing body for shooting in the U.S., conducts hunter safety courses in every state; compiles the Uniform Hunter Casualty Report, a useful contribution to the growing store of knowledge of hunting accidents; conducts a Hunter's Information Service, and sponsors Sighting-in-Day at hundreds of ranges throughout the U.S. each year, enabling hunters to find out exactly where their rifles and shotguns shoot before they go into the field after game.

March of Dimes Physician Has Health Hints for Mothers-To-Be

By VIRGINIA APGAR, M.D.
Director, Division of Congenital Malformations
The National Foundation—March of Dimes

The approach of the new year is a traditional time for looking back, taking stock and planning ahead. For me, some of the most interesting findings during the past year revolved around these questions:

What do we know about preventing birth defects, a problem as old as time?

Are there any specific rules we can give a woman who is pregnant?

What do we now know that we didn't know before?

Fortunately, the past year has been productive. We do know more than we ever knew before about preventing birth defects. And while there still is much we don't know, we can give a pregnant woman some rules to follow.

Since 1958, The National Foundation—March of Dimes, which was responsible for the development of the Salk and Sabin polio vaccines, has been searching for the causes and preventives of birth defects.

March of Dimes Conference One of the highlights in this research area was the Second International Conference on Congenital Malformations, sponsored by The National Foundation, held in New York City during the past year.

Here, 1,400 medical people from 22 countries met to report their latest findings in the field of birth defects, and to talk with their colleagues in allied fields about causes and possible preventives. Also discussed were projects involving basic research, which we need for a foundation upon which to build theories about causes and preventives.

One of the most interesting speakers was Dr. Widukind Lenz, a West German geneticist on the staff of Hamburg

Dr. Virginia Apgar

University. It was Dr. Lenz who first connected the recent serious outbreak of birth defects in his country to the sedative thalidomide.

According to Dr. Lenz, "Formerly, many human biologists, taking a normal uterine environment for granted, used to attribute almost every malformation to heredity."

Chemicals Have Effect

However, he says, there is a need for a change in this type of thinking, because "the chemical environment of man has greatly changed in recent decades due to the introduction of many chemicals. Some of these have been devised with the special purpose to block chemical reactions in man, animals, plants or unicellular organisms."

Therefore, this new medical trend produces this advice to a pregnant woman:

At present, any woman who is in the first few months of pregnancy, or is uncertain as to whether or

nant, should not use a drug unless it is necessary to save a life. Take a drug against a headache? Better not.

Why? Because, according to Dr. Lenz, "almost nothing is known of the role of chemicals in the production of human malformations."

Rules Are Given

This, then, would be the first rule for a pregnant woman:

Do not take any medication at all—no matter whether you got it with a prescription or without a prescription—unless it is specifically prescribed to you by your doctor FOR USE AT THIS TIME. Never, during pregnancy, take pills which your doctor gave you before you became pregnant. Never take pills prescribed for anyone else. In our country, at least one thalidomide tragedy occurred when the woman took pills prescribed for her husband, not for her.

Here are other rules for a woman about to become a mother:

- See your doctor—or a prenatal clinic—as soon as you think you are pregnant. Only recently, we've found that the first few months of pregnancy are most important, and that good care at this time is vital for the baby.

- Follow the diet your doctor prescribes. Don't take extra vitamin pills or any other fancy vitamin supplements without checking with your doctor.

- Know your Rh-factor blood type, and your husband's. Tell your doctor.

- Inform any other doctor whom you have reason to see that you are pregnant, or that you think you are pregnant. This information is vital in the case of X rays or fluoroscopy, which, during the early months of pregnancy, might harm the unborn child. If these procedures can be postponed until later, your doctor will do so.

- Never knowingly expose yourself to German measles, or to any other infectious disease when pregnant.

Mr. and Mrs. Hody Fenstermaker of Akron recently returned from a trip to California. Their main reason for going was to see a son, Don, and family, but they called on Vance and Isabell Johns in Riverside. Hody said they were real glad to see them, just like they might be just a little bit home sick to see folks from home. On their way back they stopped in Mesa, Arizona to visit Mr. and Mrs. Lum Smith. Mrs. Smith had just been in the hospital with a broken hip.

THANK YOU

Words can not express my appreciation for the many flowers, cards and visitors I have had during my 100th birthday celebration. I also want to thank the Mentone Methodist Church group for the lovely reception given in my honor and to all those who helped.

COUNTERPOINT

By The Editor's Wife

We have one lone chickadee who has been coming to our feeder for the past several weeks. Too, we have had not one cardinal this winter, which seems strange for we had a family of four eating our seeds last fall. (It's too bad the starlings don't decide to "go south," or somewhere, for they "hang around" in hungry gangs.)

Here is a quotation you might like to ponder (not that you need agree, however).

"The finest aim of life is to have a few sincere mourners at your funeral."

We understand there was a "party crasher" at the reception for Tom Whetstone's 100th anniversary. He came from Elkhart vicinity and said that he had always wanted to shake hands with someone 100 years old. Am sure this pleased Tom, also.

At a recent potluck dinner, a friend brought a delicious hickory nut cake. It was delicious! Here is the special thought to consider — these days, when one brings a hickory nut cake, it means that that person went looking for and gathering hickory nuts, drying and shelling, and cracking them then, and then carefully picking out kernels. (The frosted top had hickory nut halves for a special touch.)

When one eats a piece of such a cake, each bite is enjoyed and appreciated doubly, because of the "loving labor" which went into its making.

Quote of the week — "The tendency of so many present day parents to turn over their children to the impersonal blandishments of the television set is a sorry decay of parental duties. All fathers and mothers ought to read to their boys and girls, tell them stories — every evening, if possible."

We enjoyed this:

A teacher was asking her second graders if they thought they lived near the school or far away, and how long it took them to get home. She couldn't help smiling at one little boy's answer:

"I must live pretty close," he said seriously, "because when I get home Mother always says: 'Good grief, are you home already?'"

MENTONE NEWS
RATES HIGH

In the recent issue of the Indiana Weekly Newspaper Directory, published by the Hoosier State Press Association, of the 193 weekly papers listing circulation data, 64 of them had a greater circulation than the population of the town, and 129 had less circulation. The Mentone News, with a circulation 18% greater than the town's population, was one of the 64. The News circulation is greater than that listed for many papers in towns of two thousand and more.

The business people and citizens of the Mentone area should be proud of this attainment by the News.

Give Blood Feb. 3

The Blood Mobile will be in Mentone on Monday, February 3rd at the Methodist Church. The Merry Mixers Home Economic Club is sponsoring this day. The club members are working hard behind the scenes soliciting donors to give blood.

If you have not been contacted, you may come as a walk-in donor. As a community, let's not pass this off lightly. — A good supply of blood available in our county is so essential and important. Let's do our part to make this blood drive a success. Everyone who has made an appointment is asked to be sure to be there.

Baby sitters will be on hand all day.

Mrs. Joe Boggs is chairman of volunteers for the area.

Other volunteers are: Mrs. Garvin Eaton, Mrs. Kirk Livengood, Mrs. Ralph Mollenhour, Mrs. Richard Kinding, Mrs. Robert Boggs, Mrs. Rodney Gible, Mrs. Joseph Good, Dwight Bechtel of Seward, Richard Wittenberger of Franklin, Ralph Mollenhour of Harrison, township directors; Mrs. William Whetstone.

TESTIMONIAL

Be sure and remember the Blood Mobile will be here February 3rd. Please make every effort to come. Because we know how very important blood can be.

We owe a debt of gratitude to the American Red Cross. It is hard to realize just how much.

We do know if it had not been for 12 pints of blood being made available when our daughter Debra was in the hospital last August, she wouldn't be with us today.

We appreciate and thank the donors who were called in at 4:30 a.m., also the friends and neighbors who volunteered so freely to replace blood at the Blood Bank last fall, at Warsaw.

Of course, too, we don't want to forget the skilled hands of the doctors who worked to save Debra's life. But most of all the Blood was so very important. Give to your Blood Bank. You will be doing your part to help save a life.

Baker's Attend

Auto Display

Mr. and Mrs. Joseph A. Baker, who enjoyed a Florida vacation recently, visited Horn's Cars of Yesterday and Music Box Arcade in Sarasota. This is one of the outstanding attractions in Florida featuring a million dollar automobile show and the world's largest collection of music boxes. On display are more than 70 antique and classic automobiles dating back to 1897. All are beautifully restored and in perfect running condition.

They were especially fascinated with the guided tour in the Music Box Arcade as it is the only place in the world where music boxes are actually played for the public. Here, music boxes of every description are explained and played in delightful shows.

Small Towns Fighting For Existence

Each merchant and citizen in every small town in the nation is confronted with a fight for existence today. Bigger cities, bigger businesses and Chambers of Commerce are waging a terrific battle to gain every advantage possible — and there is going to be many casualties in the years just ahead.

How will Mentone come out in the struggle? The answer isn't a simple one, but one thing is certain — the implements of "war" are the same for all, and to win we must all work toward the goal with the same determination and loyalty exemplified by the founders of this great nation.

We must use every possible opportunity to tell, by word and deed, that Mentone business people and citizens are the best in the world, and that the services provided here are the best.

We must offer the best values in products and facilities in the most courteous and friendly manner possible.

We must always speak a good word for our fellow businessmen even though he may be a competitor. This may mean that there will be times when we must help him with his problem although it may make him a more potent competitor.

At no time should we ever patronize an outside business when these services are available at home. Every property owner knows that each time we buy out of town and reduce the dollar volume of a local merchant that the value of his home goes down — a net loss to everyone.

There isn't a business in the world that has any interest whatever in our welfare. They are only interested in what they can get from us, and anyone assisting them can rest assured that he is aiding and abetting the enemy which will eventually destroy us all.

What we do today determines exactly what will happen to us tomorrow.

BULLDOGS MAKE GOOD SHOWING IN
TWO BARNBURNERS OVER WEEKEND

Jim Whetstone canned a two pointer from the side with two seconds showing to give the Bulldogs a 60-58 victory over county tourney champs Claypool.

The green clad men of coach Roger Bridge snapped Claypool's 15-game winning streak and reclaimed the coveted silver horseshoe.

Victory didn't come easy over the Knights, although Mentone did manage to lead most of the contest, being on the front end of quarter leads of 12-11, 29-21, and 46-43.

In the final period Larry Evans sent Claypool ahead at 57-56 with Larry East countering for Mentone to make it 58-57 in the last minute of play. Larry McKenzie's foul shot then tied the score 58-58 with 25 seconds remaining.

Mentone got one shot off but kept possession on an out of bounds play. Trying in vain to set up a play, Lynn Parker finally found Whetstone open on the side of the net spelling the end.

MENTONE - MANCHESTER

The Mentone Bulldogs saw Manchester's Ed Shaneberger connect from 20 feet in the closing seconds Saturday to fall by the 70-68 score.

After leading 29-27 at the half, Mentone watched the Squires move to a 51-44 third quarter ending lead only to fall two points short despite the 24-19 scoring advantage in the final frame.

It was the ninth win for Manchester in 14 decisions this season and gives Mentone a 10-5 mark for the campaign.

Talma School News

Lowell Hoyt has some events looming on the horizon for Talma students, including the local Science Fair, visiting scientist, Dr. Laurence Strong, and a film strip through a nuclear powered aircraft carrier via films.

Several students are busily preparing projects for the science fair. One of these will be an experiment with mice to determine the effect of vitamin deficiencies. Another, in the area of mathematics, will show the construction of various geometric shapes, along with some interesting patterns that can be formed.

Some projects that are undertaken by youngsters may seem very ordinary and uninteresting to the casual observer, but such a project may be very worthwhile to the young person, and fulfill completely the purpose of the fair. Flashiness is not the primary objective. It is rather to be desired that the young person preparing the project gain some profitable knowledge and demonstrate the scientific method.

The fair this year is being ably directed by George Green of Akron High School. The fair will take place on March 20th, but contestants must submit entry blanks not later than March 6.

Under the sponsorship of National Science Foundation, various talented scientists from leading colleges and universities are visiting science classes across the state to help interested youth and direct them into these critical areas. Dr. Laurence Strong will visit Talma Junior High School to give a demonstration with liquid oxygen. His visit is scheduled for Friday, February 21.

On February 28, the film "Inside The Big E" is to be presented here by the courtesy of Standard Oil Company.

Hostess To Slumber Party

Honey Hudson, daughter of Mr. and Mrs. Jerry Hudson, entertained several of her classmates at her home last Friday after school was dismissed at noon.

The girls attended the Mentone-Claypool basketball game in the evening and returned to the Hudson home for a slumber party. Girls who enjoyed the party were: Sandra Fawley, Darlene Igo, Jeri Pritchard, Cindy Kralis, Kathy Blalock, Debra Hires, Ruth Hoffer, Susie Boggs, Patsy Nunn and the hostess, Honey Hudson. The get-together was especially in honor of Patsy Nunn, who will be moving to North Carolina soon.

Friends Night At O.E.S.

Friends night was held last week by the local O.E.S. chapter. Guests from Milford, Warsaw, Bourbon, Leesburg and Larwell chapters were among the 60 persons attending. The Seventh Degree, given by

the officers, provided considerable merriment as entertainment. A smorgasbord of salads was served by Mrs. Vernetta Rickel, Louise Long and Bernice Valentine during the social hour. Mrs. Pauline Riner and Mrs. Esther Markley furnished decorations.

Mentone Reading Club To Meet

The Mentone Reading Club will meet at the home of Mrs. Genavee Nelson on Wednesday, February 5, with Mrs. Trella Tombaugh as co-hostess.

SURVEY TEAM PROPOSES ONE HIGH SCHOOL FOR T.V.S.C.

An alternate plan offered by the team calls for maintaining the two high schools and building additions to existing facilities. A Purdue survey team has recommended that a joint high school be built for the Tippecanoe Valley School Corporation.

The survey team has worked about one hour on the report presented at a public meeting held at the Beaver Dam School last Thursday evening. About 75 persons attended the meeting.

The plan calls for a new high school to house students in grades 9 through 12; add a general purpose room to the Burket Grade School (kindergarten through fifth grades); convert the present Akron and Mentone High Schools to Junior High Schools (grades 6, 7, 8); close Talma and Beaver Dam Schools; maintain grade schools at Burket, Akron and Mentone. It was estimated this program would cost between \$1,200,000 and \$1,600,000.

The alternate plan calls for two high schools (Akron and Mentone) being maintained; Beaver Dam would house grades 7 and 8; Talma, grades 1 through 8; three new rooms would be added to the Mentone and four to the Akron grade schools. A new general purpose room would be added to the Burket School. Also recommended under this plan

would be the following changes: Akron — Better facilities for science, industrial arts, and library facilities. Also modernize the home economics department.

Mentone — Better facilities in art, industrial education, science and commerce. Also modernize home economics department. Talma and Beaver Dam — Provide facilities so that there can be a better Junior High program. Estimated cost of the alternate plan would be between \$750,000 and \$900,000.

Both plans could be financed by a long range cumulative bond fund for a holding corporation. Under a cumulative fund program with bonding power, \$1,602,483 could be raised by 1969. The corporation could also raise \$1,080,443 by 1967 if a \$1.25 per \$100 of taxable property cumulative fund was adopted. The corporation now has on hand \$86,000 gained by a 50 cent cumulative fund that has expired.

The consensus of board members in the past has been to operate two high schools for a number of years. Present board members indicated in meetings that both Mentone and Akron want to maintain high schools.

The survey team pointed out that transportation would be difficult in operating one high school in the district. The school corporation covers 139 square miles.

They listed the advantage of one high school as an improvement in curriculum and offering of the school system.

The survey team also stated there was another solution to

the housing problem of the school district.

They stated that because of the age, location, etc., of Beaver Dam and Talma schools, a long range building program should make provisions to replace these schools; also if the board should decide to adopt the alternate plan the necessary facilities to adequately house the 7th and 8th grades could be added to Mentone and Akron buildings. The immediate cost of this alternate plan would be greater than under plan II as proposed, but in the long pull, it would probably be a wise investment of taxpayers money.

The survey team directed that until a plan to provide proper facilities is adopted and implemented for the entire school program, priority should be given to reducing the size of the elementary classes at Akron and Mentone schools. At the present time 63 pupils have transferred to the Akron grade school, because rooms are not available at Mentone.

Present facilities are labeled as far from ideal. More specific-

ally certain elementary school classrooms are overcrowded and there is a lack of facilities for a comprehensive program at the Junior High level.

It was also pointed out that the school corporation would have the same population in 1972-1973 year as it has this year with 1,853. However, Superintendent Robert Forbes stated a survey of the area reveals the school enrollment will be increased by at least 50 children in the 1964-65 year.

Other recommendations were the adoption of a long-range program for the replacement of furniture, modernization of heating plants, lighting and other repairs as well as adding facilities for libraries and audio-visual aid rooms.

The survey group stated that the plan adopted to house students of the corporation will take care of the educational program of the area for many years to come.
