Consider New
Fire Truck

The board of directors of the Mentone Chamber of Commerce met at Pete's Restaurant Wednesday evening, February 25 at 7:00 p.m. Those present were Dean Meyer, Kenneth Romine, John Miller, Forrest Miner, Charles Manwaring, R. L. Lewis, Arlo Friesner, Wayne Bowser, M. O. Mentzer, K. A. Riner and Lloyd Bowerman.

E. L. Schuit of the Horn Fire Apparatus Co. of Anderson, Ind., was introduced by Arlo Friesner, Fire Chief. Mr. Schuit informed the group that he had recently exchanged a new truck for one which he thought would be of benefit to the town of Mentone. His proposition was recommended to the board of directors by Lloyd Bowerman, chairman of that committee. After much discussion a motion was made that the board of directors would recommend that the trustees of the Town of of Mentone make further investigation to determine if in their judgment it would be of advantage to enter into a contract for the leasing of this truck.

The secretary was instructed to inform the town board of the action of the board of directors regarding the fire truck and to offer their assistance in any way that could be of benefit.

The secretary was instructed to contact the Community Planning Consultants at Valparaiso regarding the future development of Mentone.

A motion to rent the room at the rear of the dining room of Pete's Restaurant at \$6.00 per month, lights and heat included was made and passed.

ACCEPTED AT
NASHVILLE COLLEGE

Marlyn Sue Horn has been accepted for admission to Lipscomb college in Nashville, Tenn. for the 1959 fall quarter, following completion of her high school work. Marlyn will graduate from Beaver Dam high school this spring and plans to major in elementary education at Lipscomb. She is the daughter of Mr. and Mrs. Howard G. Horn, Route 1, Mentone. Lipscomb is a fully accredited liberal arts college offering daily Bible study for every student.

Athletic Awards
Banquet Mar. 11

The Annual Athletic banquet will again be sponsored by the Mentone P. T. A. organization on Wednesday, March 11. The banquet will be served at 6:30. At this banquet the athletes are honored in all three sports, baseball, basketball and track. The yell leaders are honored and receive their awards at this time.

This banquet is a carry-in basket dinner. Some ham will be furnished by the school.

All interested fans and well-wishers are encouraged to attend.

The program will consist of awards by Coach Bateman, music under the direction of Mr. Bush, introduction of Jr. High Team by Jr. High Coach, Mr. Hornsby; and speech by William Milliner, former basketball coach at Elkhart.

RETURN FROM TRIP
INTO SOUTHWEST

Mr. and Mrs. Fred O. Carey of Tippecanoe Lake and Mr. and Mrs. Artley Cullum of Mentone, returned Sunday afternoon from a 15-day trip into the Southwest. The 5,000 miles took them to the south rim of the Grand Canyon, after a tour of old Albuquerque, N. M. Other points of interest included the painted desert and ancient Indian ruins at Wopatka and Montezuma Castle, the petrified forests, and the giant crater. This was caused by a falling meteorite and is nearly a mile wide and almost 500 feet deep. Boot Hill at Tombstone, Arizona revealed some startling headstone facts, and a dinner at TV's famous "Benson" was much enjoyed even though the "city" didn't appear so important.

There was a delightful visit with Mr. and Mrs. Ellis Hill at Casa Grande, on our way from Phoenix to Tucson where we again enjoyed a western rodeo. Our trip then took us southeast to Carlsbad Caverns where you can spend four hours walking in a big hole underground. One of the rooms contains 14½ acres. Lunch is served during the tour at a big cafeteria 750 feet below the surface.

The Beaver Dam Better Daughters 4-H club held a meeting Monday evening at the home of Karen Heighway.

PAGE AT STATE HOUSE

Also graduating from the agricultural short course were two Claypool boys, Sam Barrett and Larry Wertenberger, and H. Allen Sharkey of Etna Green.

Mr. and Mrs. Robert Jones attended the supper at the home of Mr. and Mrs. Richard Whittenberger last Wednesday evening for the Floyd Tipmore family as they are moving to Huntington.

Mary Lou Horn spent Sunday night with Jody Horn.

Mr. and Mrs. Charles Warren and family of Elkhart had Sunday dinner with Mr. and Mrs. E. E. Wagner. Afternoon callers were Mr. and Mrs. Mervin Wagner and family.

Jennie and Alice Linn of Bourbon spent Sunday with their grandparents, Mr. and Mrs. Byron Linn.

Mrs. Ethel Shaffer called on Mrs. Byron Linn and Mrs. Edith Rose last week.

Mrs. Hilda Davis and Johnny of Beaver Dam called on Mr. and Mrs. Ed Davis and family, Sunday afternoon.

New Daughter

Mr. and Mrs. Richard Dickert are the parents of a daughter, Alicia Ann, born Tuesday morning at the Woodlawn hospital at Rochester. She weighed seven pounds, 12 ounces.

Grandparents are Mrs. Helen Thompson and Mr. and Mrs. Allden Jones.

CELEBRATE 57TH
WEDDING ANNIVERSARY

A family dinner was held Sunday at the home of Mr. and Mrs. George Dickey in honor of their fifty-seventh wedding anniversary.

Those present with the honored couple were: Rudolph Dickey; Mr. and Mrs. Ottis Dickey and sons, all of Warsaw; Mr. and Mrs. Kennard Dickey and children, Charles Dickey and Miss Bessie Burns, all of Goshen. Evening callers were: Mr. and Mrs. Roger Frantz and children and Mr. and Mrs. Russell Ring.

Sunday, Mr. and Mrs. H. Z. Coggins of near Talma had dinner for Mr. and Mrs. Herbert Adams and sons of Mentone; Mr. and Mrs. Ervin Mikesell and Mr. and Mrs. Keith Hendren of Chicago.

Mr. and Mrs. Chan Stine were Sunday dinner guests of Mr. and Mrs. Arlo Friesner.

Mr. and Mrs. Everett Cramblet spent Sunday with Mr. and Mrs. Charles Chambers in South Bend.

Mr. and Mrs. Elmer Sarber visited in Cassopolis, Michigan with Mr. and Mrs. Glen Hall and Mrs. Chloe Errington and in Elkhart with Mr. and Mrs. Amos Horn last Sunday.

NICA Has
Good Year

The stockholders of the Northern Indiana Cooperative Association held their annual meeting at the Mentone school Monday evening, and the financial statement showed that sales in 1958 totalled \$959,631.21, an increase of almost \$160,000 over the previous year. Gross margin on operations was nearly fifty-six thousand above 1957.

A dividend of 50c per share had been declared on the stock of the association, and after this payment the net margin on the 1958 operations was \$22,543.28. A patronage dividend of three percent was declared on purchases and this was credited to the patrons' stock accounts. The previous year there was a net loss of almost eighteen thousand dollars.

A fish supper was served by the Mentone Fire Department, with the association paying 50c toward the tickets for the stockholders and members of their family.

The secretary's report showed that all directors had attended all of the 12 regular and four special meetings during 1958.

A total of 79 stockholders appeared in person and 110 had voted by mail. The complete balloting for the election of two directors elected Gerald Ballenger and Ernest Harrold.

At the organization meeting held by the directors all officers were reelected except Elmer Dickey was named vice president in place of Neil Estlick whose term had expired and he expressed his preference to not be a candidate to succeed himself on the board of directors. Everett Rathfon was renamed as treasurer and general manager, with Julia C. Nelson as assistant treasurer, Everett Besson secretary, and Gerald Ballenger as president of the board.

HEAR WAGNER CHORALE

Last Thursday evening the Roger Wagner Chorale Group made their appearance at Manchester College. This musical organization, which originates in Hollywood, is now on a spring tour. Those attending from here were: Mrs. F. B. Davison, Mrs. Denton Abbey, Mrs. Dan Urschel, Mrs. Oliver Teel, Mrs. Herman Olson and Mrs. Milton Persons.

thanks to the Electronic Secretary Automatic
Telephone Answering Unit

This television repairman has solved the problem
of being in two places at once.

Now he can make his service calls and still answer
the phone!

With the help of an *Electronic Secretary*[®]
Automatic Telephone Answering Unit, all incom-
ing calls are recorded while he's out. By playing
back the recordings upon his return, he knows
immediately where he's needed next.

The *Electronic Secretary* Answering Unit auto-

Mentone Basketball

As Reported by Larry Teel

After playing three of their finest ball games in the sectional tourney our local Bulldogs went down to defeat at the hands of powerful Columbia City.

Every person connected in any way to the town or the team has every right to feel proud of our team. All that kept us from winning the tourney was the extra two hours rest the Eagles got by playing the first game in the afternoon.

In the first game the Bulldogs avenged an early season loss to North Webster, as they romped to an 82-48 victory.

The next night the Bulldogs again put forth a tremendous effort as they outlasted Syracuse 57-48 and moved into the semi-finals to play Larwill.

Saturday afternoon the Bulldogs came face to face with an upset-minded Larwill team. Larwill jumped to a 9-2 lead as it looked bad for Mentone, but by the half the Bulldogs tied the score at 19-19 and from there on continued to pull ahead.

Saturday night the Bulldogs met Columbia City for the Sectional Crown.

It was a tight ball game throughout the first half and as the half ended Columbia City led 25-23.

At this point Mentone ran out of gas. Having to play more games than Columbia City and having less rest the Bulldogs soon fell behind and the third quarter ended 36-30 in favor of Columbia City. In the fourth quarter Mentone continued to fall back and the game ended 64-49.

Principal Compliments Students

John Frederick, principal of the Mentone school, presented a paper to the students of the school Monday, following the sectional basketball tourney last week. It read, in part:

The Columbia City sectional is now history, but some of the highlights remain in my thoughts today. To make sure that I get these thoughts conveyed to you I am writing them down.

On behalf of the students, faculty, school officials, and all other Mentone fans we say "You did a swell job. The team spirit was beyond reproach. The team play was as good as I have ever

watched. The sportsmanship in winning was one of controlled enthusiasm and in losing was one of accepted defeat. Yes we were proud of you in both roles. We will be with you at the basketball banquet to see you receive your deserving awards. Coach Bateman was able to accomplish what few coaches are capable of doing and that is to have his team at their peak performance for sectional competition. All our hats go off to Coach Bateman for his untiring efforts and super-optimism for the Mentone Bulldogs. The horseshoe will be placed in the trophy case for safe keeping until November 6th when we host North Webster. Yes, we say again "Thanks for a great effort and a splendid performance."

Auto Hit By Freight

Lonnie Woodcox, R. R. 2, Rochester, escaped from his trapped

auto only a minute before it was demolished by a west-bound freight train at the East 18th road crossing near Tippecanoe in Marshall county.

The mishap occurred Sunday night. Woodcox told State police that he was driving west on the East 18th road about 11 p. m. when his car slid off the roadway and became stuck between the railroad ties. He tried to get the car from the tracks, but left it when he noticed the freight approaching.

The locomotive hit the left rear of the vehicle and pushed it about 400 feet west of the crossing into a ditch. The rear axle and wheel were ripped from the auto and carried another half mile down the tracks by the train.

Damage to the front guard and steps of the locomotive was estimated at \$500. Woodcox's auto, valued at \$2,200, was a total loss.

In today's traffic, cautions the Motor Club, danger can strike from any direction—and that includes the rear. The frequency of rear-end collisions on slippery roads is a strong reminder that drivers should make more effective use of their rear-view mirror. This means, of course, that it's essential to keep the rear window completely free of frost, ice, or snow.

Fulton Co. REMC Meeting

The annual membership meeting of the Fulton County Rural Electric Membership Corporation will be held Monday, March 9, at the Talma High School Gymnasium in Talma.

The main speaker at the day long meeting will be Joe Jessness, Assistant General Manager of the National Rural Electric Cooperative Association whose offices are in Washington, D. C.

Registration will begin at 9 a. m. and the business part of the meeting will start at 10 a. m. On the business agenda will be reports of Officers and Manager. Also will be the election of four Directors to serve 3 year terms from Districts 2, 4, 9 and 11. Nominees from District 2,

Richland Township, are Walter Burkett, incumbent and Herbert Warner; District 4, Union Township, Lamont Guyer, incumbent and Lowell Myers; District 9, Cass County, Gilbert English, Secretary-Treasurer, and Leonard Burton; District 11, Pulaski County, Jay Reinholt, incumbent and Lester Spoor. Nominations also can be made from the floor. The REMC Board of Directors consists of 11 members.

As is the usual custom of the meeting over a score of valuable door prizes will be given to members and a noon lunch is served to all present. Entertainment will be furnished throughout the meeting by students of three (3) schools in the area.

Fulton County R. E. M. C. a locally owned and locally controlled membership organization has a total membership at the

end of 1958 of 3204, an increase of 13 over 1957. Total kilowatt hours used by the members increased 9 per cent while the average cost of power per member went down in 1958 to 2.36 cents per kilowatt hour from 2.39 cents in 1957. Power purchased from utilities (2) in the area increased by 8.7 per cent for the same period.

The Annual Meeting which draws over 1,000 yearly is open to some 3,200 members of the Fulton County R. E. M. C., located in Fulton and parts of Pulaski, Cass, Marshall and Miami Counties.

The local R. E. M. C. was organized in 1936.

Sacred Concert At Methodist Church March 15

Professor Willard B. Hallman will present the Asbury Theological Seminary Singers from Wilmore, Kentucky in a sacred concert Sunday, March 15, 10:30 o'clock in the Mentone Methodist Church. The public is cordially invited.

This vocal group is composed of thirty carefully selected male voices, chosen on the basis of musicianship and Christian character. Each member of the group is a minister. These men are graduates of twenty different colleges or universities, and come from seventeen states and two foreign countries.

This is the Nineteenth Annual Spring Tour of this organization. In the past four seasons, the choir has toured from coast to coast, and from Florida to Canada, presenting concerts in many of the nation's largest and most prominent churches. The group will be singing in other cities in Indiana, Michigan, Ontario, New York, Ohio and Kentucky during this tour.

Impala Sport Coupe—like every Chevy—has Safety Plate Glass all around.

Chevy stops quickest... goes farthest on a gallon!

Chevy showed the best brakes of the leading low-priced three in a test of repeated stops at highway speeds conducted and certified by NASCAR*. Chevy also won over the other two in a NASCAR economy run—with the highest gas mileage for 6's and V8's at cruising speeds of just over 55 miles an hour.

Here's a car that knows how to get the most out of a gallon. And it's the only car in its field to bring you hydraulic valve lifters in all popular engines—6 and V8. This means smoother, quieter performance for you.

There are many other advances just as fundamental as the efficiency of Chevrolet's engines and the depend-

ability of its new brakes (with more lining area than any other low-priced car). But why not stop by your dealer's and let Chevy do its own sweet talking!

Civil Defense

The Civil Defense staff is making an all-out effort to acquaint the people of Kosciusko county with their part in the overall civil defense effort. Dale Tucker, Director, William Chapel, deputy director and Mrs. John Snell, chairman for information and education, made speeches and showed films in every part of the county during the month of February. Any organization wishing speakers is urged to contact one of these persons.

ADD EQUIPMENT AT VALENTINE ELEVATOR

Work was completed Wednesday afternoon for the installation of two new 25 horsepower blowers on their Hammermill grinders, which will considerably speed up the grinding of feed. One of the two dust collectors on top of a lower room of the elevator was also replaced with a much larger unit.

The folks at the elevator said they have appreciated the co-operation of their customers while the equipment was being improved.

Engaged

Mr. and Mrs. Cleo Young of Akron, Ind., announce the engagement of their daughter, Miss Loretta Young, to Mr. Brook Black, son of Mr. and Mrs. George R. Black of Claypool, Ind.

Distance Dialing Starts Sunday

Beginning at 2:01 a. m. Sunday, March 15, Mentone telephones will be connected to the Direct Distance Dialing network, which will include about one-third of the telephones in the United States and Canada.

All phone customers should now have information regarding this new service, and how it operates.

Each area has been given a 3-digit number. Indiana is divided into three areas—219, 317 and 812. The first is the northern area of the state and at the present this number need not be dialed. To make a long distance dial call, merely dial the present 112 number, then the area number and then the two-letter, five-digit number of your party. If you get a wrong number, dial "O" and inform the operator otherwise you will be charged for a completed call.

New Daughter

Mr. and Mrs. Don Snipes of Talma are the parents of a daughter, born March 7 at the Woodlawn hospital, and weighing eight pounds, nine and a half ounces. The new girl has been named Sherri Lynne.

Mrs. Percy Swick of Akron is the maternal grandmother and Mr. and Mrs. William Snipes of near Talma are the paternal grandparents.

CERTIFIED MEAT SIRE

Announcement has been made by the Hampshire Swine Registry office, Peoria, Ill., that "Gunsmoke," the sire in the Lester Blackburn herd, has met all requirements and is now officially a certified meat sire. Pigs slaughtered averaged 207 lbs., carcass length 29.6, back fat 1.26 and loin eye 4.55.

"Gunsmoke" is from a certified litter and has qualified as a PR sire with litters sired averaging 9.9 pigs farrowed, 8.9 pigs raised to 56 day litter weight of 397.7 lbs.

TO CELEBRATE 50TH ANNIVERSARY

Invitations have been mailed to friends of Mr. and Mrs. Ernest Studebaker to attend the celebration of their fiftieth wedding anniversary at the Baptist church in Metea from two until five CST on Sunday, Mar. 15th.

Noah Tinkey Dies Suddenly

Noah W. Tinkey, 56, of R. 2, Warsaw, died at the Murphy Medical Center, Warsaw, at 10:30 Sunday night after an unsuccessful attempt to save his life after he suffered a ruptured plastic artery that morning. The plastic artery had been substituted five years ago to replace a defective one in an operation performed at Grand Rapids, Mich.

Mr. and Mrs. Tinkey had attended the Sunday morning services at the EUB church at Warsaw and he was stricken as he was driving towards his home. He was still in Warsaw.

Mr. Tinkey was a lifetime resident of the community. He was born in Harrison township July 28, 1902, the son of Merl B. and Cora (Sellers) Tinkey. He married Ina Gearhart Feb. 23, 1924. He was a member of the Warsaw EUB church, the Mentone Lions Club, Harrison Township Farm Bureau and a member of the Harrison Township school advisory board. He was also manager of the Warsaw Grain & Milling Co.

Surviving in addition to the widow are three sons, Forrest and Jerry, Route 5, Warsaw, and William at home; two daughters, Mrs. Lowell (Dorothy) Taylor, R. 5, Warsaw, and Mrs. Chester (Beverly) Clappitt, Jr., R. 2, Warsaw; a brother, Forrest S. of Pierceton, and five grandchildren. A daughter, Marilyn, preceded him in death in 1946.

Funeral services were held at the Warsaw EUB church at 2:00 p.m. Wednesday afternoon, with Rev. V. A. Carlson officiating. Burial was in the Oakwood cemetery. Twenty-seven members of the Mentone Lions Club were in attendance at the services.

PRACTICE TEACHERS IN AGRICULTURE

Myron D. Dolby and Lyman T. Samuel, two senior students in Agricultural Education at Purdue University, will be in the Mentone school to do their practice teaching under the supervision of Mr. Robert Hewlett, for the four-week period, Mar. 12 to April 8th.

Mr. Dolby is a graduate from the Laketon, Indiana high school and Mr. Samuel graduated from the Boswell, Indiana high school.

AUTO BREAKS BARBER SHOP WINDOW

Brakes on an auto being driven by Mrs. Ruth Stutzman of Etna Green, failed as she pulled to the curb in front of the Hill Barber Shop about 5:15 Monday evening, and the auto didn't stop until it had broken a 5x10 foot plate glass window out of the barber shop. Three cement blocks in the wall were also knocked loose by the bumper of the auto. Mrs. Stutzman reported she had taken the auto to garages several times within the past three weeks to get the brakes repaired, but they would soon lose their ability to hold again.

Chet Miller was in the barber chair and he and Mr. Hill saw the auto coming but couldn't get out any words of warning to the others in the shop. Mrs. Ray Storey and son had their backs to the window and had no real warning of danger until the glass in the window crashed and fell. They were not injured. Others in the shop were Dick Sittler, Ed Creakbaum and Billy Whetstone, grandson of the driver of the auto.

It was reported that a wooden shade was down when the glass was broken, but this was not correct. The shade was pulled down after the accident.

New Son

A son, Van Maurice, weighing five pounds, 14 ounces, was born to Mr. and Mrs. Victor Lantz at 12:45 a. m. Tuesday morning at the Murphy Medical Center at Warsaw. Grandparents are Mrs. Isabella Lantz and Mr. and Mrs. Chester Coplen, Mentone.

HOME DEMONSTRATION COUNCIL TO MEET

The Kosciusko County Home Demonstration Council will meet Thursday March 26 at 12:30 p.m. at Horn's Sunnynede—Road 30 East, Warsaw.

Following the luncheon, business pertaining to Home Demonstration Week, Summer Conference at Purdue University, and change in dates for lessons will be announced. All presidents of home demonstration clubs will be expected to attend or send a representative.

Mrs. Dean Brown, county president, will be in charge of the meeting.

Special Meetings Begin Sunday

A series of meetings with the Mentone Church of Christ will begin Sunday morning, March 15 and continue through Saturday, March 21. James W. Boyd, minister of the Donnmyer Avenue church of Christ, South Bend, is the speaker for this meeting.

Each evening at 7:30 there will be a teenage youth forum conducted by Mr. Boyd, and at the same time there will be a children's Bible drill conducted by Ralph Burris. The evangelistic service will begin at 7:45.

For a complete list of sermon subjects see advertisement elsewhere in this paper.

A cordial invitation is extended to all to attend these services.

New Daughter

Mr. and Mrs. Chester Miller of Elkhart are the proud parents of a girl born March 4, weighing five pounds, four ounces. She was named Kathy Ann. The mother is the former Joyce McIntyre.

FINED

On arraignment in the court of Justice of the Peace C. O. Eiler, Tuesday, March 10, Larry James Long, of R. 1, Etna Green, entered a plea of guilty to a charge of operating an automobile without an adequate and legal muffler, on State Road 25 in Mentone. A fine of \$1 and costs, totalling \$16.75, was assessed by the court.

Town Marshal Edward Davis preferred the charges.

CLUB CALENDAR

Special called meeting of the Talma Rod & Gun club, Mon., Mar. 16, at 7 p.m. in the old gym. Movie and refreshments after business meeting.

Merry Molleys will meet at the home of Mrs. LaMar Leffert on March 16th at 7:30.

Mentone chapter O. E. S. will meet Monday evening, March 16, 7:45 EST. All incoming and outgoing officers requested to be present to practice for installation.

WCS will meet Thursday, March 19, 7:45 p. m. at the home of Mrs. Robert Hoover. Guest speaker.

New Materials For Builders

Facts and figures on building materials will be presented on Tuesday, March 17, 7:30 p. m. at the Farm Bureau Co-Op Bldg., Road 15, North, Warsaw. Local dealers in the county will discuss new materials and quote prices on what's new in insulation, ventilation, dry wall and interior finishes and heating and plumbing. Each one on the panel has been assigned a particular topic.

Following the coffee break, time will be given for questions. Anyone interested in building is encouraged to attend these series of meetings on housing sponsored by Purdue University and the County Extension services. Mrs. Robert Plummer and committee will act as hostesses for the evening. Mrs. Herbert McCleary, home demonstration agent, made the arrangements for the series.

Harosoy New Favorite

Harosoy replaced Hawkeye as the leading soybean variety in Indiana last year, according to state-federal agricultural statisticians at Purdue University.

Nearly 35 percent of the total acreage was planted to Harosoy, compared to 34 percent for Hawkeyes. Clark variety, with 14 percent, gained sufficient popularity in southern Indiana to push Lincoln into fourth place. Ten percent of the soybean acreage went to Lincoln. Blackhawk was the fifth leading variety and Wabash sixth.

Approximately 95 percent of both Harosoy and Hawkeye beans were grown in the northern and central counties. Clark was the leading variety in the southern counties. The early Harosoy is the highest yielding variety in its maturity class.

The statisticians reported that 42 percent of the farmers indicated they fertilized all or part of their soybeans last year. Rate of application was 139 pounds per acre fertilized. Slightly more than two-thirds of the farmers inoculated their seed, while 12 percent reported planting treated seed.

A GOLD STAR MOTHER'S POEM

We promised to try to be peaceful:

To be both loving and kind.
Endeavor to understand
And fault we must not find.
Harmony in working together,
Tolerance in all that we do,
Giving and serving together
To our pledge be true.
Many sons and brothers
Who need a helping hand,
Lying now, in beds of pain,
Who have done so much for
our land,
We pledge to work for their
welfare.

Encourage and give them cheer,
Our goal is one of service,
To make their days less drear.
By helping them and each other,
For it is more blessed to give,
Our own lives will be the richer
And life will seem better to live.

Science as it helps agriculture will be emphasized at Purdue University's Farm Science Days, January 19-24. Experts in the fields of animal science, agronomy, dairying and marketing will be on hand to explain the latest developments in these areas. Plan to attend Purdue's Farm Science Days.

"Ella" Does Many Things

Doctors, lawyers, merchants, chiefs—all find uses for "Ella".

And who is "Ella"? Why she's a versatile electronic robot capable of answering the telephone, taking messages, giving messages and performing many useful services.

A doctor in Mentone, for instance, employs "Ella", whose trade name is the Electronic Secretary, to answer calls when

he is out of the office and record the callers' messages. "Ella" is on duty day or night whenever her services are needed.

Just how does "Ella" function? Tony Lemmon, General Telephone district commercial manager, explains her operation in this manner.

"The Electronic Secretary is connected to your telephone. When your phone rings and you are not there to answer it, 'Ella' answers with a message reporting that you are out of the office for the time being, or any other message you wish to give.

"Then 'Ella' asks the caller to leave a message, order or whatever communication is desired. When the message has been completed, 'Ella' comes on the line again to thank the customer for calling. The message can be played back at any time.

"In fact, it is not necessary to return to the office to receive messages recorded on the machine," Lemmon points out. "By using a small oscillator, no longer than a cigarette pack, a salesman, repairman, doctor or other user of the Electronic Secretary can call his office, hold this small device to the speaker and 'Ella' will repeat all messages received up to that point."

Poultry Raising Big Business

Poultry produced in Indiana consumed 830,418 tons of feed during 1958. That rates poultry raising as big business.

Melvin L. Wilson, extension-market poultryman at Purdue

University, says the fed tonnage was computed from production figures released by the Crop Reporting Board and the recommended feed requirements published by the American Feed Manufacturers Association.

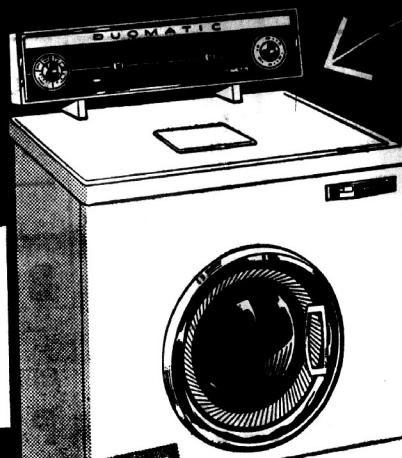

Production figures for Indiana include broilers, heavy and light bred turkeys and layers on farms at the close of 1958. A-

bout half of the feed consumed was mash and half grains.

Wilson points out that the 1958 record broiler crop in Indiana consumed around 175,157 tons of feed. Light bred turkeys ate 8,085 tons, while the heavy breeds ate 92,600 tons. Layers on farms at the close of the year consumed approximately 554,576 tons of feed.

MARRIED SUNDAY

The altar of the Evangelical United Brethren church in Claypool was flanked with seven-branch candelabra, white glad-oli and rose-tinted carnations for the marriage of Miss Helen Darlene Deaton and Jack Lee Horn.

Rev. C. S. Priest, pastor of the Dunlap, Ind. EUB church performed the double-ring ceremony Sunday afternoon, in the presence of 225 guests. Rev. Priest also officiated at the marriage of the bride's parents, Mr. and Mrs. Rex Deaton, of Claypool, 22 years ago in June. The bridegroom is the son of Mr. and Mrs. Clarence Horn, R. R. 2, Rochester.

Following the ceremony a reception was held in the church parlors. Miss Eleanor Shively, Mentone, and Miss Susie Barber of Beaver Dam, served refreshments to the guests with Mrs. Floyd Walters, Urbana, assisting. Miss Carolyn Horn, sister of the bridegroom, was in charge of the guest book. Miss Marilyn Horn and Miss Annabelle Marshall, both of Mentone, cousins of the groom, attended the gifts.

Mr. Horn is a graduate of the Talma high school and is employed at Peabody's in North Manchester. His bride, a graduate of Claypool high school, is a bookkeeper for the Lake City Bank in Warsaw. The newlyweds will reside in Claypool after a honeymoon trip to Florida.

SODA JERK-ER

Mr. C. O. Eiler of Mentone, in a letter to a county newspaper this week, took exception to a "10 Years Ago Today" reprint that credited Miss Anne Kelly, of Joliet, Ill., of creating in the year 1907 what is commonly referred to as an "ice cream soda."

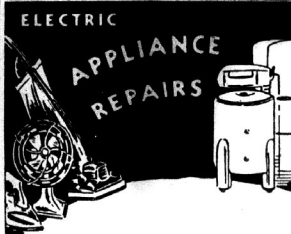

Mr. Eiler, in his letter, stated he was treated to such a concoction in a drug store in Findlay, Ohio during the summer of 1896, some 11 years before the date mentioned by Miss Kelly. That should place him at about the head of the list of soda jerk-ers. (We wonder, did he use a straw.)

SPEAKS TO LIONS

Mr. Ralph Burris, pastor of the Mentone Church of Christ, gave a fine address to the Mentone Lions on Wednesday evening of last week. He stressed the importance of a religion that actually changes the character of people rather than a mere attachment to a church membership roll.

Grandma's Perfect Day

Grandmother, on a winter's day,
Milked the cows and fed them
hay.

Slopped the hogs, saddled the
mule

And got the children off to
school.

Did a washing, mopped the
floors.

Washed the windows, did some
chores.

Cooked a dish of home dried
fruit.

Pressed her husband's Sunday
suit.

Swept the parlor, made the beds.

Baked a dozen loaves of bread.

Split some firewood, lugged it in.

Enough to fill the kitchen bin.

Cleaned the lamps and put in
oil.

Stewed some apples, she thought
would spoil,

Churned the butter, baked a
cake,

Then exclaimed, "For heaven's
sake

The calves have got out of the
pen!"

Went out and chased them in
again,

Gathered the eggs and locked
the stable,

Back to the house and set the
table.

Cooked a meal that was de-
licious

And afterwards washed up the
dishes,

Fed the cat and sprinkled the
clothes,

Mended a basketful of hose.

Then opened the organ

And began to play:

"When You Come to the End
Of a Perfect Day."

Creep Feed Lambs Early

As soon as lambs get their
teeth—when they are a week to
10 days old—they can use a
creep, according to Henry Mayo,
Purdue University extension
sheep specialist. It should be in
a clean, well-bedded, well-light-
ed part of the barn.

May suggests that a reflector
flood lamp be placed over the
creep four or five feet from the
floor. When lighted this will at-
tract the lambs to the creep, he
explains.

The creep should contain fresh
water, a small amount of leafy,
green hay, salt and grain.
Coarsely cracked corn, rolled
oats and bran are good lamb
feeds. After a few weeks, the
lambs will prefer whole grain.

Lambs should weigh 40 to 50
pounds by May 1, May says.

Then good pastures, such as
clover and timothy or brome
and alfalfa, will furnish all or
most of the feed required to
make the lambs fat. They should
weigh from 70 to 100 pounds
by July 1 or earlier.

Orphan lambs or twin lambs
can create problems, Mayo says.
Orphans or one of the twins
should be transferred to a ewe

that has lost her lamb. When it
is necessary to raise a lamb
with a bottle, the animal should
be fed about the same as a new-
born baby. Cow's milk or diluted
exaporated milk can be fed.
Four ounces every three or four
hours are sufficient. As the
lamb grows, the amount and
time between feedings should be
increased.

Reading Club 25th Anniversary

The Mentone Reading Club celebrated its 25th anniversary with a chicken dinner at the Warana Restaurant in Plymouth on March 4th.

The arrangements committee was Mrs. Dan Urschel, Miss Von Jenkins, Mrs. Lyman Mollenhour and Mrs. Mary Cox.

The theme used in decorating the tables was three fold: silver for 25 years, 1934-1959; flowers, bird figurines and greenery for spring, and musical notes and figurines for the program.

The following musical program, presented by Mrs. Milton Persons on the violin, accompanied by Mrs. Dan Urschel at the piano, was memorably enjoyed by all.

Chanson Arabe by Rimsky-Korsakoff.

My Heart at Thy Sweet Voice by Saint-Saens.

Medley from "South Pacific," by Rodgers and Hammerstein 2nd.

Alt-Wien by Godowsky - Hel-fetz.

The Holy City by Adams.

* Siciliano and Rigandon by Francoeur-Kreisler.

Andante from Concerta in E Minor by Mendelssohn.

Polonaise Brillante by Wienowski.

TOWNSHIP NEWS

Mrs. Tressie Bockover and family of Peru was a Sunday guest of her brother and sister-in-law, Mr. and Mrs. Fred R. Miller.

Robert Calvert has resumed his duties at the Felkes Brothers Greenhouse at Rochester after being confined to his home on account of illness.

Mr. and Mrs. Harry Sriver and daughter entertained at a mush supper Thursday evening, the following guests: Mr. and Mrs. William Rathbun and family and Mrs. Ota Dick, all of Mentone; Mr. and Mrs. Wilbert Utter and family of this place and Monte Roe Sriver, of Muncie.

Kenny Grass left Saturday for Fort Leonard, Missouri, where he is taking six months of training.

Mr. and Mrs. Jerry Duzan of Silver Lake spent the week end visiting Jerry's parents, Mr. and Mrs. Joe Duzan and family.

A. E. Walker has returned to his home in Indianapolis.

James R. Zimmerman of Rochester called on friends here, Monday.

Lavoy Montgomery spent Thursday in South Bend visiting his cousin, Mrs. Bea Berryman.

Mrs. Ralph Hatfield is confined to her home on account of illness.

Ed Staldine, who has been confined to his home for some time, is very much improved.

The members of the Talma Rod and Gun club will meet in the old gym on Monday evening, March 16 at 7 p.m.

Lou Grove is on the sick list.

JOLLY JANES ENTERTAIN WARSAW CLUB

The Jolly Janes Home Ec. club entertained the Herschette club on guest night, last Monday evening. Twenty-six members and guests were present.

The program committee had planned some contests for the group. Later, Mrs. John Snell of Warsaw was introduced and she gave a very informative and timely talk on Civil Defense. Two films were also shown to help illustrate the facts she gave.

The Civil Defense staff is trying to acquaint the people of Kosciusko county with their part in the overall Civil Defense effort (see item in other part of paper).

Bunker Hill at Peru is the closest SAC Base (Strategic Air Command) from Moscow, so consequently we in Kosciusko county aren't as safe as perhaps we thought we were.

Mrs. Snell stressed that Civil Defense is everybody's job!

After the talk, the group asked any questions they had concerning Civil Defense. It was a very worthwhile and beneficial program.

The hostess, Mrs. Harold Utter and co-hostess, Mrs. Dwight Reichard, served delicious huckleberry pie with crumb topping and whipped cream. This was greatly enjoyed by all!

Birthday gifts were given to

Mrs. Russell Eber, Mrs. Mary Utter, Mrs. Richard Gross and Mrs. George Mollenhour.

Mrs. Wayne Bowser was the recipient of the door prize.

Local News

Sue Borton was home from Manchester College last week end.

Mr. and Mrs. Wilbur Latimer and Lyndes Latimer ate Sunday dinner with Mr. and Mrs. Richard Williamson and family, R. R. 1, Warsaw. Lyndes officiated by cooking the fish dinner. Others present to enjoy the meal were Mr. and Mrs. George Williamson and family of Pierceton.

Dick Tombaugh of Purdue, spent the week end at home, visiting his family and friends.

Mr. and Mrs. Wayne Smalley and Chris were Sunday evening supper guests of Mr. and Mrs. Ernest Igo. Later in the evening they all visited Mr. and Mrs. Miles Igo and Myra, in Burket.

Mr. and Mrs. Ed Severns visited Lee Barders at the Murphy Medical Center, Sunday afternoon.

Mr. and Mrs. Stan Yeiter and son visited Sunday afternoon with Mr. and Mrs. Beryl Yeiter, of Atwood.

H. D. Club Met Thursday

The Friendly Neighbors Home Demonstration Club met March 5th in the social room of Peterson's Restaurant with Rhoda Jones as hostess and Ottie Walburn as co-hostess.

The business session was opened by the president, Ottie Walburn, with the pledge to the flag, the club creed and singing "America the Beautiful." Meditation was given by Fern Besson reading the first ten verses from the 28th chapter of Matthew. Myrtle Wentzel lead the group in singing, "Flow Gently, Sweet Afton."

We were privileged to view films presented by the Red Cross chapter of Kosciusko Co. It was the emergency film and prescription for life in the routine of giving blood. Rev. Lepper and Mrs. Devenney gave talks about the necessity of giving blood and the work of the Red Cross.

Continuing the business of club, roll call was answered with an Irish joke.

Pennies for friendship were collected and a contribution to the Ifey fund was pledged.

Fern Besson read a letter from Stella Studebaker, a member vacationing in Florida, inviting the members to attend the celebration of Mr. and Mrs. Studebaker's golden wedding anniversary at the Metea Baptist church March 15th.

Jerry Nellans, Ellener Manwaring, Reatha Ballenger and Altha Harrold received gifts from their secret pals.

Following the business meeting games were played and delicious refreshments served to the sixteen members present.

Farm Facts

Colostrum milk should form the sole diet for the first few days of a calf's life, Purdue University dairy scientists assert. Surplus colostrum milk may be stored at a low temperature and fed for longer periods of time.

Atrophic rhinitis, spread to young pigs by "carrier" animals which may show no signs of the disease, causes persistent sneezing, nose bleeds and failure to make satisfactory gains. Purdue University veterinarians advise purchasing boars and gilts only from herds free of this disease.

Indiana turkey growers plan to increase their production in 1959 by two percent, state-federal agricultural statisticians at Purdue University report. If they carry out their intentions, growers this year will raise 2,832,000 turkeys—2,231,000 of heavy breeds and 601,000 of light breeds.

Purdue University veterinarians say that salt is just as essential to animal health during winter months as in warm weather. Cattle and sheep will consume more loose salt than block salt during cold weather.

Some nurseries may advertise fruit trees and shrubs that are not satisfactory for Indiana conditions. If you are doubtful consult your county agricultural agent of the Horticulture department at Purdue University.

Purdue University dairy scientists say it is profitable to feed molasses to dairy cattle when the price of six and a half gallons is less than the price of one bushel of corn. One or two gallons of molasses may be poured over the hay daily to add palatability to the ration.

Purdue University poultry specialists suggest that chicken house windows and doors be opened on mild, sunny days this winter. The ventilation will help dry out the house and litter.

Purdue University agronomists point out that winter is an excellent time to lime fields seeded to wheat or intended for spring oats. Freezing and thawing work the lime into the surface of wheat fields. When the oats seed bed is prepared, the lime is mixed with the soil.

National Wildlife Week, March 15-21

There are many special weeks in the year, but one of the most important to every citizen of the Nation is National Wildlife Week, which begins this Sunday. This program, and the goals of the national association and conservation clubs have a direct bearing upon the present and future welfare of every citizen, rural or urban.

The preservation of wildlife is not just protection and propagation of fish and game, but means that these can only be had when nature is preserved to a point where they can exist—and if this is done, then man can expect that nature will continue to supply his needs of food, fibre and even water to sustain human life.

Mistreatment of natural resources brings these things to individuals and to their communities.

Impoverished farm and forest lands that are too poor to support farm families and business concerns.

Critical shortages of clean water for use in their homes and local industries.

Scarcities of wildlife brought about through abuse of fields and forests and the destruction

of wildlife living places.

Destruction of unspoiled outdoor areas—parks, forests, wildlife refuges and wilderness areas—where they can go with their families for an outing.

Crowded, poorly planned housing and highway developments that contribute to pollution, poor health, and other serious community problems.

Conservation Officer Bill Davis plans to visit each school in Kosciusko county during this week, bringing to the attention of the teachers and students the need for more education and information regarding conservation and its aims and possibilities.

There are definite educational programs for teachers, students and other youth, and each can wield a definite influence for the future welfare of our entire nation.

Conservationists are idealists, with a definite view of the importance of conservation measures, and most of them are unselfishly sacrificing themselves and perhaps other more lucrative pursuits in life, to have a part in making America a place where health, prosperity, happiness and contentment can be a reality. Take time this week to lend a helping hand or a word of encouragement to the people working in conservation.

SPRING IS CALLING

R. 1, Englewood, Fla.

March 7, 1959

Dear Mr. and Mrs. Cullum:

It is time to send our "Mentone News" to our Tippecanoe address again. We expect to be home for Easter week end.

Florida has treated us well this year—in fact, she broke her own records for warm temperatures during February.

But March is another matter. She came in just like March when she does her best to be a lion. We had high winds, heavy rains and cool, cloudy weather. Temperature range today is to be from 58 to 78 degrees but there is still a coolness to the air, which is noticeable after our February range of from 65 to 80, 84 and even up to 88 degrees.

We are hoping that now after seven days of March she will settle down and usher in some real spring-like weather. After your rough winter you deserve it early, and we are anxious to get back home.

Oh yes, Rea would want me to add that fishing has been good.

Sincerely,

ZOA C. WARD.

P. S.: The "Mentone News" is like a letter from home every week.

Stocks of potatoes held by Indiana growers and dealers February 1 totaled 150,000 cwt., about 15 percent of the 1958 fall crop, according to state-federal agricultural statisticians at Purdue University.

Fire Damages Horn House

Fire broke out in the Mrs. Fred Horn home, in the northwest part of Mentone, Sunday evening, and the interior of the home was badly damaged before the flames could be extinguished. The fire was evidently started from a heating unit, and the extreme high winds made the fire difficult to control.

Mrs. Horn had been at the home moving furniture into other rooms to make room for another family to move in the next day. No one was in the home when the fire started, and a motorist first noticed the blaze and turned in the alarm.

"DOG DAYS" AGAIN

Each spring — especially during the season of tax assessing — there is an excess of stray dogs in the area. The officials of the town warn dog owners that stray dogs are not permitted, and each dog must carry a tag indicating that the animal has had a rabies "shot" within the past 12 months. The ordinance, or a portion of it, which applies, is printed elsewhere in this issue.

BOYS' LEAGUE MEETING MONDAY

All those interested in the boys league are requested to attend a meeting at Pete's Restaurant Monday night, March 23 at 7:30. Plans will be made for a summer program for young boys.

Elener Norris Is Honored

Miss Elener R. Norris, daughter of Mr. and Mrs. Leroy Norris of Mentone, has been pledged to the national honorary professional fraternity for women in journalism, Theta Sigma Phi, at Indiana university.

The young lady will receive an M.A. in journalism in August. She is now editor of The Chalkboard, the quarterly news publication of the school of education at Indiana University.

The department of journalism has chosen Miss Norris to serve as a graduate assistant for the High School Journalism Institutes to be held on the Bloomington campus June 20 through Aug. 8.

Miss Norris graduated with high honors from Grace College at Winona Lake last spring and has been taking the extended course at I. U.

DIES IN AUTO ACCIDENT IN EAST

Oliver Riggs, 59, Wayland, Mass., a native of Mentone and graduate of Mentone high school was killed Wednesday night of last week in an automobile accident in Vermont. Mr. Riggs was the son of Mrs. Clara Riggs and the brother of Mrs. Herschel (Esther) Fenstermaker, both of Akron.

Surviving besides the mother and sister are the widow, at home; two sons, Robert, Westfield, Mass., and Peter, at home; two daughters, Karen, at home and Mrs. Jean Slanker, Huntsville, Ala., and eight grandchildren.

Funeral services were conducted Monday at Wayland, Mass.

COMPLETES MEDICAL SCHOOL COURSE

Mr. and Mrs. Leslie Haney recently moved from Indianapolis to Lafayette where both will be employed by the Home Hospital for the next three months. Leslie, who has finished his course at the I. U. Medical School, will receive his doctor's degree in June. His wife, Laura, has resigned her position at the Indianapolis Methodist hospital to accept a position on the nursing staff at the Lafayette hospital.

Leslie is the son of Mr. and Mrs. Fred Haney, and Laura is the daughter of Mr. and Mrs. Leo Adams, all of Beaver Dam.

Meetings Are Rescheduled

Missionary to Speak

The elders of the Mentone Church of Christ announce that the series of meetings planned for this week will be conducted next week, March 22-23. The meeting was postponed because of the flu epidemic.

On Tuesday night, following the evangelistic service, David Lavender, who has served as a missionary in Trieste, Italy, is planning to be here to report of missionary activities in that city. Mr. Lavender is planning to return to Trieste this year.

James W. Boyd, minister of the Donmoyer Avenue church in South Bend, is the speaker for this series of meetings. Mr. Boyd will conduct a teenage youth forum each evening at 7:30, and then speak at the evangelistic service at 7:45.

The Thursday evening lesson, "Sources of Youth Problems," is one for all parents to hear.

The public is cordially invited to all of these services.

SPECIAL SERVICES AT BEAVER DAM

Special pre-Easter services will be held at the Beaver Dam EUB church March 22 to 29.

Rev. Samuel Overmeyer of Urbana and Rev. Kenneth Overmeyer of Bippus are the evangelists. Rev. Lloyd Overmeyer is the pastor of the church and he announces that Mrs. Overmeyer will give a Scene-O-Graph and there will be special organ music each evening.

A truck from Bienenfeld Glass Corporation of Illinois went into the side ditch on Road 25, Wednesday forenoon and cracked off a telephone pole and John Fenstermaker's mail box.

CLUB CALENDAR

Newcastle Lions will hold their regular monthly meeting on Monday evening, March 23 at 7:30 in the old gym.

Beaver Dam Home Ec. will meet with Mrs. Blanche Dickey, Wednesday, March 25th at 7:00 p. m.

Monday night, March 23, 1959 Mentone Lodge No. 576 F. & A. M. M. M. Degree.

Junior Auxiliary Easter party Saturday, March 28, 2:00 p. m. at the Legion Home.

Firemen Make Two Runs

Mentone fireman were called to the Agnes Baker farm, near Harrison Center, last Thursday night. The original blaze started near a stove pipe at about 7:15 p. m. At midnight they were again called when felt in the roof began to smoulder.

The home, occupied by the Thomas Davis family, was damaged to the extent of about \$800.

24 Receive Certificates

Robert Hewlett, Mentone Vocational Agriculture Teacher, announced Tuesday that 24 adult students received certificates of completion for attending the adult Agriculture classes held at Mentone during the winter months.

Those receiving certificates were: Ralph Warren, Bill Tinkey, Burdell Blackburn, Garwin Eaton, Marvin Romine, Ralph Long, Everett Besson, Paul Rupert, Eugene Sarber, Wallace Andrews, Mervin Jones, Ed Severns, Joe Fisher, Ed Blosser, David Romine, Joe Montel, Lester Blackburn, Roy Haney, Rex Remy, Merylin Holt, Jerry Tinkey, Joe Long, Walter Rackeweg and Kyle Gibson.

The awards were made at the final meeting of the group held in the Mentone High School Vocational Agriculture room, Monday, March 16th.

The men were required to attend seven of the ten meetings held by the group to qualify for the certificates.

Slides and a film were shown on the use of Pre-emergence Sprays as weed killers for soybeans and corn. Refreshments of ham sandwiches, doughnuts, and coffee were furnished by Mervin Jones.

The Vocational Agriculture work at Mentone High School was under the direction of the Agriculture Advisory Committee consisting of Lester Blackburn, Chairman; Everett Besson, Secretary; Ed Severns, Kenneth Riner, Charles Manwaring, Ray Eckert, Joe Montel, Ralph Long, Earl Boggs, Trustee, John Frederick, Principal and Robert Hewlett, Vocational Agriculture Teacher.

Donna Eaton, daughter of Mr. and Mrs. Charles Eaton, was admitted to the Linvill hospital at Columbia City Saturday.

Mrs. Eaton Hosts D. A. R.

The Anthony Nigo Chapter,
D. A. R. of Mentone, held their
March meeting with Mrs. Gar-
win Eaton as hostess, assisted
by Mrs. L. Earl Yeiter, Mrs.
Merlyn Holt and Mrs. Robert
Hill.

Mrs. Eldred Paulus, Regent,
welcomed the D. A. R. Good
Citizens and mothers present,
as well as other guests and
members. After the usual rit-
ualistic service, pledge to the
flag, singing of one verse of
the Star Spangled Banner, there
was a short business session.

Mrs. Dale Cook read the Pres-
ident General's message and
Mrs. Bernice Rush gave the Na-

tional Defense News. The meet-
ing was then turned over to
Mrs. Miles Manwaring, Chapter
Chairman of D. A. R. Good Cit-
izens from the seven schools
in the southern part of the coun-
ty, along with their mothers,
were to be honored guests at
this meeting but due to a flu
epidemic, only three girls and
two mothers were able to be
present. Each girl was given
a corsage. Mrs. Manwaring in-
troduced each girl and present-
ed her with a D. A. R. Certifi-
cate and a Good Citizens pin,
which were pinned on by the
mothers. Mrs. Paulus officiating
for the absent mother. Girls
present to receive the awards
were: Phyllis Haney, of Sidney,
Margaret Baugher of Beaver
Dam and Mary Belle Mellott
of Mentone.

The second part of the meet-
ing was turned over to Mrs.
Ray Linn for the program.

Mrs. L. Earl Yeiter gave our
Freedom which was "Freedom
to Laugh." Everyone present
realized how thankful we should
be to live in a country where
laughter can be heard. "For

where there is laughter, there
is hope. Take time to laugh, it
is the music of the soul."

Mrs. Linn presented Miss Be-
tty Huffman of Warsaw, who was
recently judged district and
state winner on her tenor sax-
ophone. She favored us with
two numbers, "My Serenade"
and "Viennese Refrain."

Mrs. James Cook, also of
Warsaw, showed colored slides
of her trip to Europe with em-
phases on the Brussels Fair.
The pictures were accompanied
with interesting narration. The
meeting closed with singing of
the chorus of "On the Banks
of the Wabash."

The hostesses served delicious
punch, cookies and mints from
a beautifully appointed table,
the centerpiece being a lovely
egg tree, with candelabra hold-
ing white tapers on each side.
The eggs were in beautiful col-
ors and were overflowing with
dainty little flowers and air
fern.

Guests attending were: Mrs.
Wayne Smalley of Beaver Dam;
Miss Carol Lynn Fenstermaker
of Fort Wayne; Mrs. James Cook

and Miss Betty Huffman of War-
saw; Mrs. Clarence Tinkey of
R. R. 1, Claypool and the Good
Citizens and their mothers.

Members attending were: Mrs.
Arthur Brown; Mrs. Sherman
Bybee; Mrs. Edna Carey; Mrs.
Glenn Clauss; Mrs. Dale Cook;
Mrs. Ernest Igo; Mrs. Vera Kel-
ly; Mrs. Ferd Koenig; Mrs. Ray
Linn; Mrs. Miles Manwaring;
Mrs. Eldred Paulus; Mrs. Ber-
nice Rush; Mrs. Frank Smith;
Mrs. Max Smith; Mrs. Fred Sur-
guy and the hostesses.

The next meeting will be held
at the home of Mrs. Ferd Koenig
of Etna Green, April 14.

More Children Injured in Spring

The next three months are the most dangerous of the year for children aged 5 to 14, according to Matthew C. Sielski, director of the Motor Club's safety and traffic engineering department.

Sielski cautioned parents that statistics show April, May and June to be the time of year when most children are killed or injured in pedestrian traffic accidents.

It long has been assumed, he said, that the school vacation months of July and August are the most dangerous for children. Sielski pointed out, however, that figures indicate it is the spring months when the most precaution is necessary.

"There were seven children in the 5 to 9 age bracket killed by automobiles during April, May and June in Chicago last year," Sielski said. "There were but 10 deaths in this age category during the other nine months."

Highest month for injuries to children in the 5 to 9 grouping was May with 382, said Sielski. May also was the highest injury month for the 10 to 14 age bracket, he noted.

"Children who have been indoors much of the winter have a tendency to forget their safety lessons by the time nice weather comes around again," Sielski pointed out. "Of course, it is essential for parents to stress safety education throughout the year, but they should be especially certain to do so during the next three months."

He also advised motorists to exercise extreme caution during this period by being constantly on the alert in residential areas for children at play.

Spring Lawn Grass Seeding

Early planting of grass seed pays, says W. H. Daniel, Purdue University turf specialist.

In Indiana, however, grass seed can be planted any time

between Thanksgiving and April Fool's Day with little difference in the time it actually germinates and emerges as warmer weather arrives.

Daniel points out that earlier planted seed grasses have a better chance than those planted late, of establishing a crown and reaching maturity before they must compete with crabgrass, disease and drouth.

If you want to establish a new lawn this spring, seeding from two to four pounds per 1,000 sq. feet is recommended. This should give a dense cover of

young plants.

To reseed old, but thin lawns, Daniel says very light rates—a pound per 1,000 square feet or less—are usually adequate. If the turf area provides dense cover, investment in fertilizer can be much better than purchasing seed.

For all Indiana lawns, fertilizers carrying adequate nitrogen are beneficial. Daniel says that one pound of actual nitrogen per 1,000 square feet is a normal application. This is equal to 10 pounds of many mixed fertilizers, such as 10-3-7, 10-6-4 or

10-10-10. Many new fertilizers, designed for heavier feeding, for example two to four pounds of nitrogen per 1,000 square feet, are available.

Masa Nelson returned to Mentone last week after spending the winter in Florida.

Chemicals For Weed Control

Almost 30 different chemical formulations are now available to aid Hoosiers in their fight against weeds.

These recommended formulas, along with application methods and rates, are listed in the new chemical weed control mimeograph 1D-1 (BP, HO), entitled "Weeding with Chemicals."

Purdue University botanist O. C. Lee and Purdue horticulturist G. F. Warren make the 1959 recommendations. They also enumerate the necessary precautions for handling the compounds.

Thanks to improved chemicals, Hoosiers can control weeds affecting grain crops, fruits and vegetables, meadows, lawns and specialty crops with increasing assurance of satisfactory performance. The mimeo lists these weeds, crops affected, treatment and necessary comments in outline form for easy reference.

To get a free copy of "Weeding with Chemicals," see your county agent or write to the agricultural publications office at Purdue University.

Missionary Conference

The First Baptist church of Mentone opened its annual Missionary Conference Sunday March 15. The conference continues this week with services each evening at 7:00 p.m. (CST). The speaker on Thursday evening, March 19, will be Mrs. Florent Toirack of Sidney, Indiana, a missionary home on furlough from southern France. Mrs. Toirack, whose husband is now in France broadcasting the gospel into Spain, is an interesting speaker with an exciting and challenging message. Friday, Rev. Henry Scheltema, a missionary to Brazil, will be the speaker. A missionary rally with seven Baptist churches in the area participating will be held on Saturday evening. Rev. Kenneth O'Hare a veteran missionary from Marseilles, France, will bring the message. Several other missionaries will be present and on the program. The conference will close on Sunday March 22, with Rev. David Marshall, a missionary from the French Sudan in West Africa, as the speaker. The public is

invited to attend each of these services and share the challenge and blessing with the congregation of First Baptist church.

Selecting Soil Testing Samples

Even soils which appear uniform have variations in fertility levels resulting from past management, cropping, fertilizing and liming.

Roy D. Bronson, Purdue University agronomist in charge of soil testing, says the aim of testing soil is to detect differences in order to utilize fertilizer and lime with greater efficiency.

Bronson warns Indiana farmers that one composite soil sample should not cover more than an acre, and if farmers follow his practice, it will greatly increase the value of soil test recommendations.

Our recommendations are aimed toward supplying nutrients for crops grown on soil of the type represented in the sample," Bronson says. "When so large an area is represented by one sample, the result is often a mixture of soil which does not closely correspond to any part of the field. Therefore, it can not be truly representative. Lime and fertilizer treatments based on such soil samples will not fit the field because the sample does not tell the truth about the field."

Bronson says samples taken according to soil types on areas of 10 acres or less will show location of fertility differences. Armed with this type of specific information, the farmer can take steps to correct the soil deficiencies.

Since the largest source of error in soil testing is in the sample, the extra time spent in taking samples from smaller ar-

reas is well worthwhile, Bronson adds. And, if there is a limitation because of time and weather a farmer is farther ahead on the detailed job of sampling on two or three fields than to try to cover the entire farm.

COMPLETES COURSE IN POULTRY NUTRITION

Frank N. Manwaring of Mentone was recently awarded a diploma for successfully completing the course on Poultry Health and Nutrition offered by Whitmoyer Laboratories, Inc., Myerstown, Pa. He has returned from Myerstown where he attended the Whitmoyer Poultry Health Clinic.

This clinic was the final phase in an intensive course of study on poultry health control. Prior to attending the clinic, he had received preliminary instructions through home study lessons.

Keeping litter in the brooder house dry and loose is most important in preventing coccidiosis in young chicks, say Purdue University Poultrymen.

Pneumonia in livestock is very common in the spring because of temperature variations and high humidity. Purdue University veterinarians caution livestock owners to provide warm, dry housing during this period and to be alert to observe signs of respiratory infection.

Speech Festival March 20th

The annual Kosciusko County Speech Festival will be held Friday, March 20, in the Pierceton school with Mr. Don Kinsel as general chairman. Mentone's quota (10 percent of the high school enrollment) is 16 students. The following Mentone students have prepared speeches under the direction of Mrs. Florence Caldwell:

Humorous division: Linda Surface, "At the Swimming Pool"; Carolyn Hudson, "Ma at the Basketball Game"; Doyle Eiler, "At the Big Game"; Janet Capes, "Just As I Am"; Sue Bixler, "An Evening with the Baby Sitter"; Kay Taylor, "At The Declam Contest"; Janice Davis, "Vitamins Plus."

Dramatic Division: Linda Goshert, "White Lilies"; Judy Barkman, "Old Woman and the Clock"; Donna Kay VanGilder, "Apple Blossoms"; Suellen Long, "To Keep His Laughter"; Barbara Unzieker, "Illusion"; Ruth Drudge, "Scratch."

Oratorical declamation: Geo. Lee Istok, "Apples of Gold."

Bible reading: Janice Mollenhour and Gretchen Persons.

Mitchell Tucker will accompany the group as door-keeper of the division which Mrs. Caldwell will conduct. Joyce Eiler, Sandra Lackey, Marilyn Hudson and Bonnie Brown will serve as prompters.

Purdue Egg Day April 8th

Hoosier egg producers will discuss their problems at the seventh annual Purdue University Egg Day, April 8. Sessions will be in Fowler Hall of Purdue's new Memorial Center.

D. D. Jackson, Purdue extension poultryman, who will serve as chairman for the morning activities, says more than 300 are expected to attend.

The morning program includes talks by J. W. Sicer, Purdue extension poultryman, on

"Management Systems for Layers" and by Mahlon C. Sweet, editor, Poultry Processing and Marketing, Mt. Morris, Ill., on "New Ways to Use Eggs to Increase Consumption."

After a visit to a display room of new egg products, a panel discussion, moderated by Dr. J. Holmes Martin, head of Purdue's poultry science department, on "Egging on the Egg Council Program" will be held.

Panel members will include Vern F. Steckley, Kendallville, president, American Poultry and Hatchery Federation; Carroll Eiler, Warsaw, chairman Egg Council, Indiana State Poultry Association, and R. L. Hogue, Lafayette, executive secretary-treasurer, Indiana State Poultry Association.

Harry Truax, Indianapolis, president Indiana State Egg Board, will be chairman for the afternoon program which will open with a talk on "Automation in the Egg Industry" by Harry

E. Drews, Springfield, Mo., internationally known poultry products consultant.

Following election of Egg Council officers, research progress reports will be presented on breeding by Dr. B. B. Bohren, Purdue veterinarian; on disease by Dr. H. E. Moses, Purdue veterinarian; on nutrition by Richard L. Adams, Purdue poultry scientist, and on products by Dr. W. J. Stadelman, Purdue poultry scientist.

Egg Day will conclude with talks by two Purdue agricultural economists, Dr. R. L. Kohls and R. D. Darley, Kohls will speak on "The Laying Flock—How Big Should it Be?" and Darley will discuss the "Outlook for Hoosier Eggs in '59."

State seed inspection officials remind farmers that seed advertised for sale in Indiana for seeding purposes must be tested and tagged.

Hay cut in full bloom stage or hay badly weathered in the field is not palatable and gives low returns for dairy cattle, according to Purdue University dairy scientists.

Seward Farm Bureau Meeting

The Seward township Farm Bureau met at the Franklin school for their regular meeting March 16. After enjoying a delicious chili supper, the meeting opened with group singing led by Mrs. Murphy with Mrs. Art Gable at the piano. For devotions Mrs. Murphy read poems with Easter as their theme. The group then repeated the Lord's prayer.

Phillip Murphy played two cornet solos. The Pet and Hobby members were dismissed for their meeting.

In the business portion of the meeting, Howard Silvius moved to authorize the treasurer to pay the chairman and women's leader for expenses incurred for trips to state and district meet-

ings. It was seconded by Arthur Gable and passed by vote. Mrs. Murphy explained a new plan for refreshments at meetings.

Our speaker, Boyd Howard, Kosciusko county representative of Albion Production Credit, spoke on "Trends and Proper Use of Credit." He saw in the future more corporation farming, more specialization, and more part owners of farms. Between 1960-1965 radiation in the preservation of food will be practical and in the near future control of tornadoes and accurate 90-day weather forecasts will be possible. He also told of the two types of credit offered by Production Credit:

Howard Silvius announced the Co-Op annual meeting Apr. 18, and the minimum tillage meeting at Columbia City on March 20.

Mrs. Murphy reported on the women's meeting at Indianapo-

lis. The theme of the meeting was "Bridges of Understanding."

Hostess to Merry Mollys

Mrs. LaMar Leffert was hostess with Mrs. Al Runells as co-hostess when the Merry Mollys met on Monday night, March 16.

For meditation Mrs. Carl Whetstone read a "Parable For Mothers" and "A Garden For All Time." For the lesson, "Is Your Wiring Up To Date?" Mrs. Donald Horn told of the numerous appliances we now have in comparison to twenty-five years ago. She also pointed out the importance of making sure the wiring is up to date in your home due to the danger involved.

For entertainment we had an

auction on kitchen utensils, hats, that each member had made. They were all very clever and also unique. Mrs. Donald Bennett was awarded a prize for the most attractive hat. Mrs. Glen Mellott received a Secret Pal gift. Delicious refreshments were served to fourteen members and two guests, Mrs. Merle Gibson and Mrs. Dale Stiffler.

Present besides the above mentioned were: Mrs. Hershel McGowen, Mrs. Gene Sarber, Mrs. James Corwin, Mrs. Glen Puterbaugh, Mrs. Clayton Holway, Mrs. Dean Meyer, Mrs. Harold Horn and Mrs. Dale McGowen.

Beaver Dam High School News

Joe Shively, an eighth grader, will represent Beaver Dam at the county spelling bee. Those participating in the 1959 Journal-Gazette Spelling Bee were: Joe Shively, Tom Adams, Carol Baumgartner, David Norris, Sandra Surface and Jan Lackey.

Last Friday the sophomore class members ordered their class rings from Jostens. Delivery will be made next fall.

Yesterday a film, "Fitness for Leadership" was shown to the students in the upper six grades. It was a film on physical education at West Point. The one point that was stressed was that one should not be ashamed to make good grades.

Next Monday the Easter Film "Triumph and Defeat" will be shown at school.

The honor roll for the fourth grading period is as follows:

All A's—Joe Shively
All A's and B's—Betty Bibler, Jean Kump, Jake Haney, Dian Ballenger, Jean Swick, Phyllis Ummel, Bill Whetstone, Dora Kelley, Marilyn Horn, Margaret Baugher.

All B's—Betty Smith, Janet Miller, Sue Welty, Roger Nelans, Lyle Welty.

Mr. and Mrs. Rex Yazel and family were Sunday dinner guests of Mr. and Mrs. Ralph Baker and family at Bourbon.

Mrs. Alta Mollenhour is going to Rochester this week to the home of her daughter-in-law, Mrs. Evelyn Foster, 1231 Franklin St., for a few weeks.

H. D. Club Meets

Mrs. Edith Darr was hostess on Thursday afternoon to the members of the Mentone Home Demonstration club. The meeting was opened with the pledge to the flag, the club creed and singing "America, The Beautiful." Meditation was given by Helen Weirick reading three poems, "Ten Mistakes of Life," "Garden of All Time" and "It's Later Than You Think."

Helen Weirick read the history of the song of the month, "Flow Gently Sweet Afton. The group then sang the song. The lesson on "Is Your Wiring Up To Date?" was presented by Mary Borton and Olive Tucker. Health and Safety remarks were given by Esther Sarber on "Is Your Home Safely Lighted?"

Roll Call was answered by 14 members. The Secretary and Treasurer's report was read. Pearl Horn, our president, presiding over the old and new business. A card of thanks was read from Pearl Gates. The meeting was closed with the Club Prayer Song.

Refreshments were served by the hostess Edith Darr and the

co-hostess, Helen Weirick to the 14 members and two guests, Mrs. Ralph Warren and Mrs. Everette Cramblet. The April meeting will be held at the home of Mrs. Agnes Rans.

IN JUSTICE COURT

In connection with a three vehicle collision, on Main street in Mentone, last Wednesday, a complaint of improper passing was filed by Town Marshal Edward Davis, against Richard Dean Bixler, of north of Mentone. At the hearing on Monday night, in the court of Justice of the Peace C. O. Eiler, a plea of guilty was entered by the defendant, and a fine of \$20 and costs, totaling \$35.75, was assessed by the court.

Tuesday, March 10 an affidavit was filed by Night Marshal Russell Carper, in Justice Eiler's court, against William Lent, R. 1, Mentone, charging him with operating an automobile on Main street in Mentone without an adequate muffler, on Saturday night, March 7. On Friday, March 13, the defendant was arraigned and entered a plea of not guilty. Tuesday, March 17, the plea was changed to guilty,

upon which the court assessed a fine of \$1.00 and costs, amounting to \$16.75.

O.E.S. Installs

Mentone Chapter No. 331 Order of the Eastern Star will have a public Installation on March 27, 1959 at 8 p. m. D.S.T. There also will be a program and refreshments.

The Officers are: Worthy Matron, Mable McDaniel; Worthy Patron, Virgil McDaniel; Associate Matron, Virginia Peterson; Associate Patron, Guido Davis; Secretary, Betty Goshert; Treasurer, Phyllis Bowser; Chaplain, Nellie Reed; Marshall, Helen Mollenhour; Organist, Maude Snyder; Conductress, Norma Pulling; Associate Conductress, Pauline Riner; Adah, Mary Cox; Ruth, Emma Jones; Esther, Esther Markley; Martha, Mildred Bryan; Electa, Judy McFadden; Warder, Marilyn Baker; Sentinel, Blanch Smith.

They will be installed by: Jeannette Mollenhour, Installing Matron; Vernetta Rickel, Installing Marshall; Frances Marshall, Installing Chaplain; Eva Eherman, Installing Soloist; Lois Davison, Installing Organist.

LANDSCAPING SCHOOL TUESDAY, MARCH 14

The meeting on Landscaping the Home Grounds will be held Tuesday, March 24 at 7:30 p. m. at the Lake City Recreation Room, Warsaw. Norman Marty, landscape architect from Purdue University, will discuss when and where to plant, types of trees and shrubs to use and will answer questions pertaining to lawns.

This is a fine opportunity to hear specialists in their field who can take care of outdoor planting problems.

This is the last in the Housing Series sponsored by Purdue

University and Kosciusko County Extension Office.

Broadcast applications of fertilizer on land intended for corn before plowing may increase net profit more than the use of row fertilizer, Purdue University agronomists assert.

Suffers Stroke

Richard Greulach, Sr., is in the Murphy Medical Center at Warsaw where he was taken Wednesday morning. Reports are that he is under oxygen.

Masa Nelson, a neighbor, noticed there was no activity at the Greulach home on Tuesday morning and came down town to see if Mr. Greulach could be seen. As he returned to the home a son, R. C. Greulach, was there and investigation disclosed the fact that the elder Mr. Greulach had fallen from bed during the night. A doctor was called and treatment given, and this morning it was indicated he should be hospitalized. He was taken to the hospital in the Johns ambulance.

ENGAGED

Mr. and Mrs. Howard Reed, R. 2, Rochester, have announced the engagement of their daughter, Deloris May, to SP/4 Charles Feldman. Miss Reed's fiancé is the son of Mrs. Lennie Feldman of Mentone. The bride-elect is a 1957 graduate of Talma high school and is presently employed by the Fulton County R.E.M.C. at Rochester. Mr. Feldman graduated from the Mentone high school in 1957 and is now serving with the U. S. Army, presently stationed at Ft. Bliss, Texas. No definite date has been set for the wedding.

NO RESPONSE TO SUMMER LEAGUE

Russell Eber reports that no parents appeared at the summer league meeting last Monday night, and another meeting is being called for Monday night, March 30, at 7:30 at Peterson's Restaurant. Parents interested in a summer recreation program for their sons and daughters are urged to be present to assist in arranging a program.

C. of C. Has Uptown Office

At a meeting of the Chamber of Commerce some weeks ago Mahlon Mentzer was asked to act as full time secretary. Mr. Mentzer said he would accept the responsibility provided the organization provided him an office equipped to take care of correspondence and other matters.

Arrangements have been made with Mrs. Virginia Peterson for the use of the room back of the dining room in her restaurant. The office is now equipped with a filing cabinet, desk, typewriter, chairs, etc.

The Miller Sheet Metal and Harry Meredith have provided a sign showing the location of the office. Visitors are welcome.

The salary of the secretary being "zero" it will be impossible for him to be in his office at all times but arrangements can be made by contacting Mr. Mentzer, phone EL 3-4965.

We are informed that in the near future some interesting information will be made available through this office.

TO Attend FFA Convention

Several members of the Mentone FFA chapter will attend the annual FFA convention at Purdue, April 2, 3 and 4.

The official delegates to the convention will be Bop Hauptert and Phil Nelson. They will attend all of the convention meetings and vote on all official business.

Jay Boggs has been selected to participate in the State FFA chorus, which will appear at the convention.

Larry Montel and DeWayne Creamer will receive State Farmer degrees on Friday.

Other boys attending the convention will be Bill Curtis, Bob Shull and Steve McSherry.

SCHOOLS TO OPEN HALF HOUR EARLIER

Beginning on Tuesday, March 31, school will begin one-half hour earlier at Beaver Dam, Burket, Franklin, Mentone and Silver Lake schools. Buses will begin their routes 30 minutes earlier, and children will be dismissed 30 minutes earlier in the evening.

Mrs. Ferris Hatfield Dies

Mrs. Ferris Hatfield, 60, of Talma, who with her husband, Ralph, operated the Talma general store, died at 1 a. m. Sunday at her home after an illness of three weeks.

A native of Akron, Mrs. Hatfield had spent her entire life in Fulton county, most of it in Talma. She was born June 8, 1898, the daughter of Phillip and Florence (Nelson) Bryant. She was married May 29, 1932, in Akron and was a member of the Talma Methodist church.

Surviving are the husband; her step-mother, Mrs. Cora Bryant, Talma; one sister, Mrs. Glen Emmons, Talma; a brother, Estle Bryant, Akron, and several nieces and nephews.

Funeral services were held at two o'clock Tuesday afternoon in the Zimmerman Bros. funeral home in Rochester with Rev. Delbert Ruberg, of Huntington, officiating. Burial was in the Rochester IOOF cemetery.

New Daughter

Mr. and Mrs. Max Blackburn are the parents of a daughter, Debra Low, born March 17 at the Woodlawn hospital at Rochester. She weighed five pounds and six ounces.

Grandparents are Mr. and Mrs. Fred Mellott of R. 2, Bourbon and Mr. and Mrs. William Blackburn of R. 1, Mentone.

HOME FROM HOSPITAL

Mrs. Letha Klingenhagen was dismissed from the Murphy Medical Center Wednesday. She has been receiving medical treatment for several weeks.

Steve McSherry Star Farmer

The Mentone Vocational Agricultural advisory committee met in the vocational agricultural classroom of the Mentone school, Monday evening, March 23. Lester Blackburn, chairman of the committee, called the meeting to order and discussed the results of the adult classes this winter.

The committee then selected the chapter Star Farmer from the senior Vocational Agriculture boys. As a basis for selection, the committee reviewed boy's farming program, FFA leadership and activities, scholarship and citizenship. Steve McSherry was selected as the Mentone Chapter Star Farmer for this year.

Plans were discussed for next year's program and the meeting was adjourned.

Committee members are: Lester Blackburn, chairman; Everett Besson, secretary-treasurer; Ed Severns, Joe Montel, Ray Eckert, Kenneth Riner, Charles Manwaring, Ralph Long, Charles Eaton.

Mentone Did It Again

At the Kosciusko County Speech Festival Mentone speech students received many high awards. Gideons Visit In Kentucky

Nine Gideons from the Warsaw Camp went to Harlan, Ky., to hand out New Testaments to the schools. They handed out 10,000 New Testaments to classes 5 to 12 and 500 Bibles were placed with teachers. There had never been any testaments given out in Harlan by the Gideons so it took quite a few.

The Gideons left Sunday morning and stopped at the Calumet Farms on the way. They arrived Sunday night and then started Monday going to the schools.

Those making the trip were: Art Brallier, Sherm Fisher, Roy Emley, Paul McFarren, Ernest Rhoades, Paul Bilby, Emerson Ward, Russell Creighton and Zanna Hammer.

GOLDEN WEDDING TO BE CELEBRATED

Mr. and Mrs. Harry O. Sensibaugh will celebrate their golden wedding anniversary at their home on the Crystal Lake road, west of Warsaw, Sunday, April 5. Open house will be from two until five thirty in the afternoon. A picture of the honored couple will appear in our next issue.

NOTE TO PARENTS OF PRE-SCHOOL CHILDREN

The officials of the Mentone school would appreciate the names of all the children who expect to enter the school this fall. To be eligible to enter, a youngster must reach his sixth birthday on or before Oct. 1. If you have eligible youngsters, kindly notify the school.

BIRTHDAY DINNER

Sunday a birthday surprise and carry-in dinner was held for Mrs. Mary Griffith at her home. Those attending were Mr. and Mrs. Kenneth Boggs and family, Mr. and Mrs. Bill Griffith and son, Mr. and Mrs. Earl Boggs, Mr. and Mrs. Larry Boggs and daughter, Mrs. Minnie Grubbs, Mrs. Minnie Sponseller, Mrs. Chloe Griffith, Gilbert Griffith and Bob. Mrs. Howard Holbrook called in the afternoon.

New Book Of Plans Available

Fifty-nine beef and dairy
equipment plans have been col-
lected in a new book available
from the Purdue University ex-
tension service.

They include silage carts, feed
bunks, mechanical bunks, milk-
ing plant feeding, calf pen e-
quipment, sun shades, head
gates, calf creeps, cattle feed-
ing shelters and working cor-
rals.

Published by the Midwest
Plan Service, "Beef and Dairy
Equipment Plans" is a 56-page,
8½ x 11 inch book. In addition
to complete working drawings, it
includes 10 pages of construc-
tion details. There are also five
pages of design, layout and e-
quipment selection data. Feed-
ing and handling systems are
shown in 23 sample layouts. Cut-
ting lists are given for most of
the plans.

Plans were designed and de-
veloped by livestock and agri-
cultural engineering specialists
from the 13 cooperating midwest
states. After the plans were
drawn, authorities from both
colleges and industry reviewed
them for accuracy and complete-
ness.

one of the new book's greatest
advantages is that it combines
many necessary farm plans into
one book at a reasonable price.

Persons interested in getting
copies should write to Foley at
the agricultural engineering de-
partment, Purdue, enclosing \$1
for each copy, or contact county

METHODISTS CONDUCT EVERY MEMBER CANVASS

Two congregational dinners at 6:29 on Tuesday and Wednesday evenings of this week were conducted by the Every Member Canvass committee of the Mentone Methodist church. Ralph Mollenhour served as chairman. Due to limited facilities, invitations were extended to members and friends with the recommendation that attendance each evening be governed alphabetically. Names from "A" to "M" attended Tuesday and "N" to "Z," Wednesday. Several switches were made due to conflicts.

The dinners are a featured part of a canvass program developed by The General Board of Lay Activities of the Methodist Church with headquarters in Chicago. This board's program has resulted in highly successful canvasses in every kind of church whether large or small or whether urban or rural.

The purpose of the dinners is two-fold: to acquaint members and friends of the church with the proposed program for

the new Conference Year beginning June 1, as developed by the various commissions, boards and committees, and to afford fellowship in this cause.

A special corps of workers prepared and served the dinners. Those in charge of Tuesday's dinner were: Mary Utter, chairman; Olive Tucker, Martha Ellsworth and Bernice Rush, and on Wednesday Harriet Abbey, chairman; Dorothy Herendeen, Betty Sarber and Lois Davison. The menu consisted of: chicken pie, green beans, cole slaw, relishes, fruited Jello and cookies, rolls and butter, milk and coffee.

The program was under the direction of David Cooper, General Chairman of the Every Member Canvass. The pastor read scripture, offered prayer and presented a stewardship thought. Various phases of the year's program were given by Raymond Cooper, John Miller, Frances Olson and Harold Utter.

Following a question - answer period, the program was concluded by the showing of the filmstrip, "Reason for Being."

COW CONTINUES TO BE GOOD PRODUCER

The Holstein-Friesian Association of America has announced the completion of an outstanding official production record by a registered Holstein cow owned by Edith and Robert D. Ummel, Claypool: Walnut Peak Master Molly 3661452 produced 14,076 lbs. milk and 543 lbs. butterfat in 306 days on twice daily milking as a 5-year-old.

Purdue University working in close cooperation with the national Holstein organization, supervised the weighing and testing of production as a part of the Herd Improvement Registry program.

FARM BUREAU DRIVE NETS 5,500 MEMBERS

In a two-day concentrated drive by several thousand workers all over the state, the Indiana Farm Bureau membership gained by 5,500 to put it 2,000 ahead of last year at the same time, according to an announce-

ment made by George Doup, Bartholomew county farmer and president of the state organization.

While sporadic signing of members will continue for several months, it was thought the concentrated effort this month would make way for local leaders to concentrate on spring

farm work and on local civic programs sponsored by Farm Bureau.

Mr. and Mrs. Sam Norris and Mrs. Arlean Walters spent Sunday with their father, Russell Norris, celebrating his eighty-ninth birthday. Mrs. Samantha Norris was also a dinner guest.

Methodist Easter Services

A six o'clock Easter Sunrise Service will be conducted in the Mentone Methodist Church. The Junior Choir will be singing "Spring Bursts Today" by Van-Denman Thompson. Several of the youth will assist in the service. The pastor's Easter meditation will be: "Knowing Christ" based upon the account of the travelers on the Emmaus Road as presented in Luke 24:13-32.

The traditional Easter morning breakfast will be served at 7:00 o'clock under the direction

of Kenneth Riner. Several committees have been formed to assist him. Chairmen of these committees are: Denton and Harriet Abbey, Decoration and Table Preparation; Lyman Mollenhour, Cooking; Charles Manwaring, Serving; Ned Igo, Clean up. Robert and Kathryn Whetstone, John and Martha Ellsworth, Herschel and Mary Teel and Hazel Linn will assist the Abbots; Allen Herendeen, Miles Manwaring, Lyndes Latimer, Dale Wallace, Dan Urschel, Kenneth Riner and E. C. McGowen will assist with the cooking; Dick Manwaring, Bob Hoover, Wymond Wilson, Everett Long, Joe Boggs, Ned Miller and Fenton Davison will help with the serving; Forrest Miner, Daryl Tucker, John Miller, Don Van-Gilder, Rex Tucker, Don Coleman and Tom Fugate will help with the clean-up.

Several musical numbers will be presented during the 9:30 service of Divine Worship Easter Sunday morning. The adult choir will be singing two numbers: "I Walked Today Where Jesus Walked" by O'Hara and "The Whole Bright World Rejoices" by Hill. The Misses Sarah Urschel, Donna Kay VanGilder and Janice Mollenhour will

sing "Open the Gates of the Temple" by Knapp, and Mrs. Persons will play a violin solo for the Offertory entitled: "Jesus, Joy of Man's Desiring" by Bach. The pastor's sermon-subject will be "Resurrection Assurances."

Meeting Of War Mothers

Mothers of World War II met at the home of Mrs. Maude Romaine for their regular monthly meeting March 9. The meeting was opened with the ritual ceremony and prayer by the chaplain, Emma Cook. The business session was conducted by the president, Edith Young. All reports were given and accepted, bills were presented and allowed. Communications were read and acted upon. Some discussions and plans for our annual trip and party to the Fort Wayne Veterans' hospital were made.

A past president's pin was given to Dora Norris by Mrs. Wagner for her two years of service to the unit. Mrs. Gertrude Zentz was given the Mothers' obligation and became a member of the unit. The meeting was closed with the usual ceremony.

A contest was held during the social hour. The hostess, assisted by Mrs. Davis, served lovely refreshments.

The April meeting will be held with Belle Morrison.

WOMEN'S SOCIETY OF CHRISTIAN SERVICE MEET

Mrs. Robert Hoover was hostess to the W. S. C. S. with Kathryn Teel, Martha Ellsworth and Mary Teel as co-hostesses.

Lois Davison and Frances Olson presented the lesson on "Building Christian Character." She read Psalms 25:8-10 and Matthew 7:24-27, for the call to worship, and the prayer, "For All Conditions of Men," as in the Methodist hymnal. As this was a lesson dealing with the problem of delinquency and youth, we had as our guests the daughters and youth of the church. Lois, in a very pleasing manner, discussed some of the causes of delinquency, who is the delinquent and some of the preventive measures.

Mrs. Olson introduced a student of Manchester College who was a Hungarian refugee, who told of her life and her escape from behind the iron curtain.

The hostesses served dainty refreshments in keeping with the season.

A Man & His Gun

One of the prize possessions of manhood since our forefathers first settled America always has been the gun. This attitude toward firearms has become an historic tradition in the United States. It represents a priceless freedom won by our forefathers which few other nations enjoy. So strong was their conviction about the right of reputable citizens to own and use firearms for lawful purposes that they amended our original Constitution to provide that "the right of the people to keep and bear arms shall not be infringed." So important was this limitation that it immediately follows the prohibition against violations of the rights of religion, speech, press and assembly.

The right to keep and bear arms was exceedingly precious to men who faced dangers of many kinds in their daily lives. Colonial farmers with their muskets had helped win the Revolutionary War. On the frontier a gun was usually the pioneer family's only protection against wild animals and prowling savages. It was necessary and accepted that young and old alike be intimately acquainted with firearms and use them as tools of everyday life.

Yes, guns have been and continue to be constructive tools in America. Today they are used to build healthy minds and bodies; to develop self-discipline, initiative, and team spirit; and

to help prepare our young men to defend our American ideals, should the need arise, as did their forefathers. Hunting and shooting are wholesome forms of recreation which may be enjoyed for a lifetime. The development of firearms traces the historical progress of our nation and collecting them offers a fascinating hobby with historical value.

Unfortunately, there is a growing prejudice against firearms. More and more excuses constantly are being found to propose legislation, at the state and local levels, which denies the right to possess and use firearms for personal protection, for marksmanship training, for recreation, or even as collector items. Many anti-gun laws are presented by persons who believe that laws will prevent crime and accidental shootings. Others are advanced by individuals or groups who seek, through legislation, greater assistance in the arrest and conviction of lawbreakers. All of them are pointed in the wrong direction. They are aimed at the gun rather than the person who uses it improperly.

We who prize the ownership of firearms are to blame if we permit the prejudice and opposition to grow. We cannot afford to underrate, until it is too late, the worth of guns to us and to America. We cannot be guilty of "not missing the water till the well runs dry." It is our responsibility to win more support from more people in our efforts to prevent anti-firearms legislation, to teach firearms safety to encourage marksmanship, and to promote shooting and hunting as a wholesome form of recreation. It is our responsibility to see that criminals who use firearms for unlawful purposes are severely punished. It is our responsibility to insist that all who own firearms use them properly.

The right to keep and bear arms is a foundation stone of American liberty. We owe it to our ancestors to preserve unimpaired that right which they have delivered to our care. We owe it to future generations that their inheritance not be destroyed. Let's act now to make certain that Americans always will have the freedoms, the values, and the pleasures signified by a man and his gun.

Plan For 1959 Forage Now

Unfavorable weather conditions during 1958 hay making created feeding problems on many Indiana dairy farms this winter, reports G. A. Williams, Purdue University extension dairyman. Too, ice and water may have damaged 1959 stands in some areas.

Every dairyman should give special attention to the 1959 hay

crop, Williams points out, since quality hay plays an important part in winter dairy rations.

How much hay should be available for wintering a dairy cow? This will depend on whether silage is fed. When estimating a winter feed budget it is customary to combine one-third of the silage consumed with hay forage. This gives a measure known as hay equivalent. For efficient production this should equal 3 to 3.5 tons for every cow in the milking herd.

This may be budgeted as fol-

lows: 2.5 to 3 tons of hay equivalent per cow if the pasture season ends Oct. 31 and begins on May 2. These dates may vary 15 to 30 days, depending on the farm's location. An additional one-half ton remains as a reserve to use during the grazing season in case pastures are short.

Some dairymen find it difficult to induce their cows to eat this much forage. Experiments have shown that dry matter consumption per cow may drop from 27 pounds daily where ani-

mals are receiving immature roughage to 19 pounds if changed to a mature forage. Hay or silage cut in the early bloom stage is much more palatable than if harvested later.

The suggested forage budget is practical for herds of the larger breeds. If the herd averages 1,000 pounds or less per cow, a decrease of 10-20 percent will provide a liberal winter's allowance, Williams says.

Grazing On Dual Wheat

Dual wheat, raised in Indiana from Lake Michigan to the Ohio river, should not be grazed after it joints, reminds Lester H.

Smith, Purdue University extension agronomist. Jointing is that stage in a plant's development when the seed head begins to form in the stem.

If cattle are permitted to graze Dual after it joints, the seed head, which is immediately above the joint, will be destroyed and no grain will be formed.

Farmers can determine early jointing by close inspection of the plant. Splitting the stem with a knife shows the tiny seed head in the stem. If the wheat has reached that stage, Smith says, "Stop grazing for the year."

Dual wheat, developed at Purdue, was the second most popular variety in Indiana last year. It is the only forage and grain wheat grown in the midwest.

New Civil Defense Shelter Designs Offer Survival to Many Families

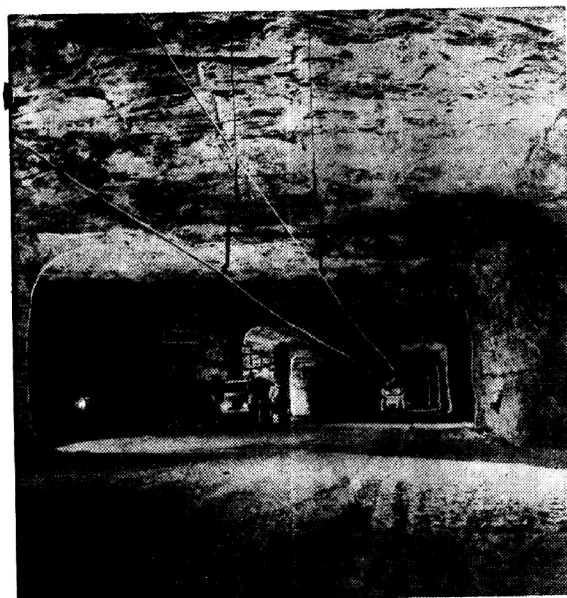

Protection against the menace of radioactive fallout is now possible, and within the means of many American families.

For \$1,000 to \$1,500, depending on the part of the country and the construction season, families living outside target cities may now have an excellent underground fallout shelter equipped with adequate radiation shielding, ventilation and other necessities. It was designed by the Office of Civil and Defense Mobilization.

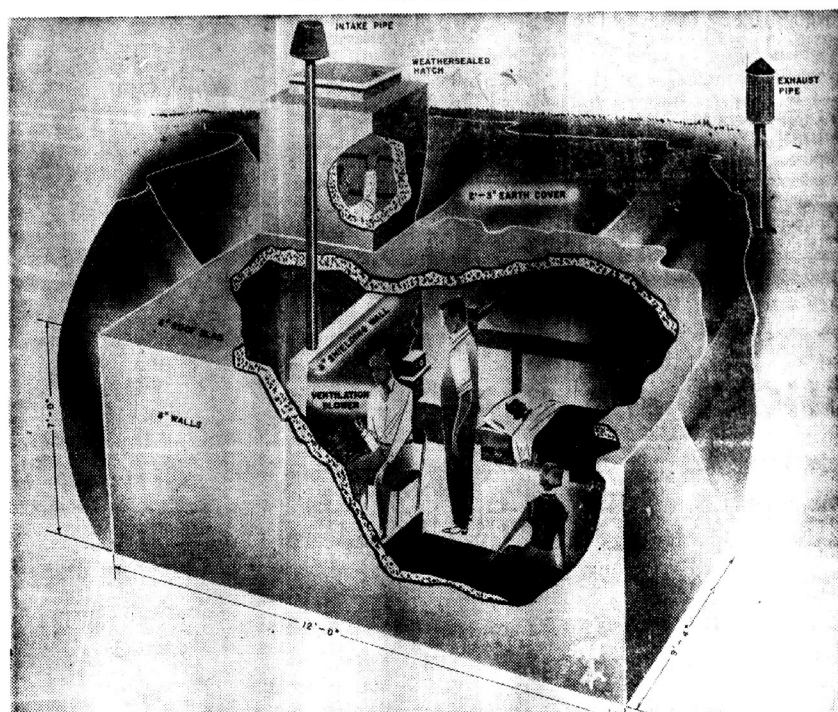

FOR FAMILIES who cannot afford such an elaborate shelter, OCDM has designed other less expensive shelters which would be built in basements—some of them by "do-it-yourselfers." They would not offer as complete fallout protection as the underground shelter, but would be adequate in all but the more dangerous fallout zones.

The shelter designs are a key part of the President's new five-point civil defense fallout shelter policy announced by OCDM Director Leo A. Hoegh:

- Provide the public with the facts on fallout effects. This includes information on how people can protect themselves by building shelters and decontaminating anything exposed to fallout, and how they can protect supplies of food and water from radiation.
- Survey existing structures for fallout shelter, such as mines, subways, tunnels and basements.
- Speed up fallout shelter research to develop new designs adaptable to many situations.
- Build a number of new "demonstrator" shelter facilities in places such as underground parking garages, subways, schools, hospitals, factories and apartment buildings.
- Incorporate fallout shelters in new Federal buildings.

SALT MINE under metropolitan Detroit, Michigan, offers a unique civil defense opportunity for a large target city to provide both blast and fallout shelter for a substantial number of its citizens with a minimum amount of additional excavation. The mine—second largest rock salt mine in the world—is 1,137 feet under the surface. It would need more equipment and access ramps or elevators to serve as a mass shelter from attack. (Photo courtesy International Salt Co.)

FALLOUT SHELTER for a family of four to six shows how a layer of 2 feet 3 inches of earth over a 6-inch concrete roof slab offers good protection even in highly radioactive fallout zones. Cost of this backyard shelter would range from \$1,000 to \$1,500, including ventilation equipment. It is recom-

mended by the Office of Civil and Defense Mobilization as the best family fallout shelter for a moderate price, but other less expensive basement designs are available. Further details appear in Technical Bulletin TB-5-3 issued by OCDM headquarters at Battle Creek, Michigan. (OCDM Photo)

UNDERGROUND SHELTER at the Dallas, Texas, Health Museum will include a reinforced room large enough for 50 to 75 persons, and exhibits of

private shelters, protective clothing and food stockpiling for training the public in civil defense preparedness. (Photo by Squire Haskins, Dallas, Texas)

Creep Rations For Lambs

Lambs gain fastest and most economically when they are quite young and still nursing their mothers, according to Purdue University animal scientists.

As the lambs approach weaning age and weight, their growth rate decreases; eventually such factors as summer heat, parasites and drouthy pastures may reduce the growth rate even more.

Lambs should gain as fast as possible when young so they will be ready for market before their rate of gain has slowed. To help insure fast gains at this early age, farmers need to pay special attention to creep feeds and creep rations for the lambs.

At the Purdue livestock experimental farms lambs have access to creep feed within a few days after birth. They begin to consume measurable amounts of feed by the time they are two or three weeks old. Water is available in the creep, and an infrared heat lamp makes the creep comfortable.

Considerable research has been done to find better creep

rations for the lambs. Under the direction of Purdue animal scientists, research has been aimed at determining the difference in the requirements of twin and single lambs, and in the value of highly fortified rations in which some or all of the corn has been replaced by dehydrated alfalfa meal.

Research is incomplete. It now appears that dehydrated alfalfa meal can be substituted in limited amounts for corn (pound for pound) in the creep rations without changing the gains of the lambs. It also appears that highly fortified rations are necessary for twin lambs to gain as fast as single lambs fed on a basic ration of corn, soybean meal, bonemeal, iodized salt and vitamins A, D and E.

Purdue results show that gains in excess of three-fourths of a pound per day from birth to market are possible for market lambs.

One of the more important effects of the research thus far is to point out the value of creeps, good creep management practices and efficient and palatable rations for higher profits from lambs.

Results of the experiment are

included in Purdue mimeo A. H. 177, "Creep Rations for Twin Lambs," free from county agricultural agents or from the agricultural publications office at Purdue.
