**Married In
Home Ceremony**

Two baskets of gladioli were placed on either side of the archway in the Fred Lemler home for the 2:00 p. m. ceremony Sunday, uniting in marriage Miss Leah Nell Lemler and Stanley R. Yeiter. The ceremony was performed by Rev. Irwin L. Olson of the Mentone Baptist Church.

The bride, given away by her father, is the daughter of Mr. and Mrs. Fred Lemler, Mentone. Mr. and Mrs. Byrle Yeiter of Atwood are the bridegroom's parents.

The bride was attired in a gown of white chiffon sprinkled with blue flowers made over tulle. It was made with a Sabrina neck line and a cummerbund of the same material as the dress. With this she wore white accessories. She carried a cascade bouquet of white mums and pink sweet-heart roses. Her only jewelry was a strand of pearls, a gift of the groom and a fab watch, a family heirloom.

Mrs. Wayne Bowser, sister of the bride, was the matron of honor. She wore a street length dress of pink violet to which was pinned a corsage of red roses. Debbie Bowser, niece of the bride, carried the rings on a white satin pillow. She was attired in a street length dress with orange nylon chiffon top and a skirt of white, flecked with gold coin dots. Vickie Bowser, also a niece of the bride, held the guest book. She wore a white nylon chiffon street length dress embroidered with clusters of pink flowers with a pink velvet sash.

The bride's mother wore a silk dress in shades of green and blue with black accessories. Her corsage was of yellow roses. A white and pink floral print dress with white accessories and yellow rose corsage was the choice of the mother of the bridegroom.

Charles Richards of North Webster was best man. Ushering was the brother-in-law of the bride, Wayne Bowser.

The reception was also held at the home of the bride's parents. Serving at the reception were Mrs. Chester Clappitt and Janice Yeiter, a sister of the groom.

Upon leaving for her wedding trip in the South Mrs. Yeiter wore a suit of brown herringbone tweed with black accessories.

The bride graduated in 1957 from the Mentone High School and is presently employed by the Rodeheaver Company, Winona

**To Construct
New Hatchery**

Manwaring Leghorn Farms, Mentone, Indiana, after 46 yrs at their present location, have begun construction of a new hatchery, office and egg packing building located on State Road 25 just North of their present location.

The hatchery building now being used was built 20 years ago and since that time incubation was added in a second building and egg packing has been done in the basement of one of the homes. Since 1939 incubator capacity has been doubled and breeder laying capacity has more than doubled.

The new building will combine all incubators in one building as well as larger quarters for egg packing work along with increased refrigeration.

The new Kimberchik K-137 program has necessitated further expansion from the standpoint of incubation capacity and number of breeders.

Fred Carey Construction Co., Warsaw, Indiana, general contractors, are building the new hatchery which will be completed by September 1st.

Manwarings feel that consolidation of the various operations will make for more efficiency and better quality control.

Miller Sheet Metal, Mentone, are to supply and install the heating in the new building.

Lake. The groom graduated in 1953 from Atwood High School and is employed at White Metal Rolling and Stamping Corp.

After a week's wedding trip Mr. and Mrs. Yeiter will reside in Mentone.

**Dale Kelley Night
Here May 14th**

Under the sponsorship of a committee from the Mentone PTA, and other interested citizens, plans have been under way for many weeks preparing for a special night to permit the citizens of the community to pay special honor to Dale Kelley, a teacher in the Mentone school who plans to retire at the end of the present term.

The evening's program will begin at 6:30 next Wednesday evening, May 14th, with a carry-in supper for all who care to participate.

Following the supper, there will be a varied and interesting program, with Robert Anderson, a former Mentone student, as master of ceremonies.

Denton Abbey, who has been working diligently on the project for some time, announces that in addition to the program, there will be the presentation of a gift to Mr. Kelley. Many of the "old-timers", we understand, will have a part in the program.

Everyone is invited to participate in the evening's affairs.

Mr. Kelley graduated from the Warsaw high school in 1910 and took summer courses at Winona College from 1911 to 1916. During 1916-1917 he went to Muncie where he earned his AB degree. He earned the credits for his Master's degree at Indiana U. in 1926-27 but never accepted the degree.

Mr. Kelley's teaching career started at the Huffer school in Harrison township in 1911. From 1912-1914 he taught in Plain

**Seniors On
Eastern Trip**

Twenty-four of the members of the 1958 graduating class of Mentone high school left Sunday on the senior trip east. They were to visit Niagara Falls, go over on the Canadian side, then on to New York and Washington, D. C. before returning home Saturday. The trip was made on the Nickel Plate Railway. Two of the seniors, Sue Houck and Jim Zehrung, did not go.

Principal John Frederick and Trustee and Mrs. Earl Boggs accompanied the youngsters.

MOTHER DIES

A postcard from Sally Gosser, Cromwell, states that Rev. David Gosser's mother, Mrs. Edna Gosser, died May 4th at Derry, Pa. The funeral was to be held today at Delmont, Pa.

The Gossers were former Mentone residents while they were pastors at the Methodist church.

**MODERNIZING AT KRALIS
BROS. POULTRY PLANT**

The Fred O. Carey Construction Co., Warsaw, is making a number of alterations and repairs at the Kralis Bros. Poultry Processing Plant. The poultry firm is also making additions and repairs to the equipment and refrigeration units, preparatory to an enlargement of their operations.

The plant has been closed since April 14 and the employees are taking their annual vacations. One year employees, have one week of paid vacation while those with two years or more get two weeks.

The plant will open for operations again May 19th.

township near Oswego, and from 1914 to 1923 he was a teacher in the Burket school. From 1923 until 1930 he taught in Jefferson township, Grant County, coming directly to Mentone where he spent several years as principal as well as instructor.

From May 17, 1917 until May 21, 1919 he served with the 312th Field Artillery of the 82nd Division in France.

Mr. Kelley has always taken an active part in school and community affairs, and during his 44 years of teaching he has an almost perfect record for punctuality and absences due to illness.

**Many to See
Scout-O-Rama**

Advance ticket sales indicate that more than twenty-thousand people will attend the 1958 Scout-O-Rama to be presented at the Elkhart North-side Gym by the Pioneer Trails Council on May 23-24th.

Charles Jackson of Elkhart, chairman of ticket sales reports that sales are very strong this year. He also reported that one Scout had sold 171 tickets the first four days after the tickets were distributed. "The prizes awarded for ticket sales are serving as a strong incentive for the boys to try their salesmanship," said Mr. Jackson.

The Scout-O-Rama is an activity filled panorama of colorful booth exhibits and demonstrations presented by Cubs, Scouts, and Explorers for the purpose of giving the public an increased understanding of the wealth of program activity available to all phases of Scouting. Anyone may purchase tickets from any Cub, Scout, or Explorer in their neighborhood.

IN HOSPITAL

Mrs. Margaret Yeiter has been admitted to the St. Joseph hospital at Fort Wayne. Her room number is 405 for those who wish to write her.

**Chet Herendeen
Breaks Hip**

Chet Herendeen is in the Woodlawn hospital at Rochester where he was taken Saturday evening after a fall at the American Legion fish fry. As he was getting up from the table he caught his toe on a table leg and fell. X-rays showed the ball in the hip socket was broken. He is resting as well as could be expected for a man of his age with such an injury. He will be 75 years old next Tuesday.

**ELECTED OFFICER IN
SERVICE FRATERNITY**

Dick Tombaugh, son of Mr. and Mrs. Wayne Tombaugh of Mentone, has been elected as a vice president of Alpha Phi Omega service fraternity at Purdue University.

Dick was also named as one of the leaders in the Freshman Leadership Camp to be held on Sept. 11-13 at the Ross Surveying Camp, near Purdue.

War Mothers

Mrs. Myrtle Davis was hostess to the April meeting of the Mothers of World War II. The colors were presented by the Sgt.-at-Arms, Elnora Coplen. Pledging Allegiance and sing one verse of the National Anthem was followed by prayer by the Chaplain, Bertha Meredith. The meeting was then declared open by the first vice president, Edith Young and in turn conducted the business meeting. Roll Call found 16 members present. Communications were read and discussed. The financial secretary gave her report, and the Treasurer gave her report, which were accepted. All bills were allowed.

The State Convention was announced and some discussion followed. Mrs. Davis was appointed to look about walkers and report at the next meeting.

The next meeting will be with Mrs. Scott. The meeting was then closed by repeating the Mothers' Creed in unison, singing 1 verse of God Bless America, retiring of Colors and prayer by the Chaplain. The hostess assisted by her granddaughters, served lovely refreshments.

FARM POLICY VOICE WEAKENING

Farmers and their representatives will have a smaller voice in making farm policy by 1975, V. W. Rutman, Purdue University agricultural economist, asserts.

By 1975, he explains, a little more than five percent of the nation's population will still be on the farm. This will require a different approach to farm legislation, if farmers are to retain a voice in farm policy.

It is extremely important that agriculture manage its public relations and its policies in such a way that the public comes to realize that consumers, as well as farmers, share in the benefits which come from agriculture's rather large budget, the economist goes on.

HOOSIER HOMEMAKERS CONFERENCE JUNE 9-11

Homemakers Conference, the annual three-day school for Hoosier homemakers, will be held this year June 9, 10, and 11. Hundreds of Women who wish to learn the latest research information on homemaking and related fields are expected to attend the 1958 session at Purdue University.

Sessions in clothing, foods and nutrition, family life, housing, home furnishings and home management will be held. The Indiana State Home Demonstration Association will meet in conjunction with the conference, but attendance at the conference is not limited to home demonstration club women.

The sessions are planned to meet the needs of any interested homemaker in Indiana, says Miss Eva L. Goble, state leader of home demonstration agents.

Students Take Merit Tests

14 students at the Mentone High School took the National Merit Scholarship Qualifying Test, John Frederick, Principal, has announced. The test was administered at the high school at 9:00 a. m., Tuesday, April 29. An estimated \$5 million in merit scholarships and other awards are at stake in the national competition, now beginning its fourth year. Some \$12 million in Merit Scholarships have been awarded in the first three years of the program.

Merit Scholarships are provided by some 80 corporations, foundations, professional societies and individuals, as well as by the National Merit Scholarship Corporation itself, which conducts the competition.

The National Merit Scholarship Qualifying Test is a three hour measure of educational growth and aptitude. Emphasis is on broad intellectual skills, and on understanding and ability to use what has been learned, rather than on sheer knowledge of facts.

Mentone H. D. Club Meets

Mentone Home Demonstration Club met at the home of Mrs. Agnes Rans on Thursday, May 1st with Mrs. Claude Gates as co-hostess.

Eighteen members and two visitors were present and Vice Pres. Mrs. Raymond Weirick conducted the meeting. Mrs. Gates had the meditation with two poems, Training by Example and "What a Friends We have in Mother."

Subject of the lesson "The Family Market Basket" was very well given by both leaders, Mrs. Pearl Tucker and Mrs. Harry Sullivan.

Some worthwhile points were:

Satisfaction in economy of time, money and in appearance; learn to read labels, know your brands and buy according to family needs using quantity for storage if available.

Mrs. Elmer Sarber gave a very interesting report on the meeting in regard to patterns.

A very interesting roll call was enjoyed as each had brought their baby picture for identification.

Business was conducted by the president, Mrs. Howard Horn.

Gifts were presented to Mrs. Harry Sullivan and Mrs. Raymond Weirick. Mrs. Bertha Meredith received the door prize.

The next meeting will be June 12th with Mrs. Truman Long.

You can't shut out **CANCER** this way

FEAR AND DELAY are two of cancer's most potent allies. Too many Americans needlessly lose their lives to cancer because they put off going to their doctors.

Many cancers are curable if treated in time. Even 15 years ago, medical science saved 1 out of 4 cancer patients. Today, it's saving 1 in 3. The odds would be even better if people would have a health checkup annually and be alert to cancer's danger signals:

1. Unusual bleeding or discharge.
2. A lump or thickening in the breast or elsewhere.
3. A sore that does not heal.
4. Change in bowel or bladder habits.
5. Hoarseness or cough.
6. Indigestion or difficulty in swallowing.
7. Change in a wart or mole.

If your signal lasts more than two weeks, go to your doctor to learn if it means cancer.

Having a health checkup every year is the smart thing to do.

And it's equally smart to send a check to "Cancer," c/o your local post office to help in the continuing fight against this merciless killer.

Psi Iota Xi Meets

The Beta Epsilon Chapter of Psi Iota Xi Sorority met on Tuesday, May 6th at the home of Mrs. Ralph Ward for the regular business meeting.

Donations were sent to the cancer fund, and the Mental Health fund. The chapter decided not to sponsor a candidate for Fair Queen this year.

An invitation from Alpha Upsilon Chapter of West Badex Springs was read for the National Convention to be held on June 20-21 at French Lick, Indiana. Mrs. Kenneth Simcoe and Mrs. Cecil Long were chosen as delegates and Miss Barbara King, alternate.

Goodwill bags were distributed among the members so we may participate in the annual drive, May 24th.

Twenty-one members present elected new officers for the coming year which are as follows:

President, Mrs. Kenneth Simcoe; V. President, Mrs. Paul Quinn; Recording Secretary, Mrs. Ellery Nellans; Corresponding Secretary, Mrs. Cecil Long; Treasurer, Mrs. Harold Utter, and Conductress, Mrs. Iris Anderson.

Installation of the new officers will be held at the June 3 business meeting.

The next meeting will be held on May 20th at 8:00 p. m. at the home of Mrs. Jerome Kralis. Tom Van Osdal will be the guest speaker for the evening.

Hog Outlook

The hog production cycle has turned upward. Increases in marketings will tend to weaken prices after mid-year, but a favorable hog-corn ratio will probably continue for the year ahead.

This is the view of John O. Dunbar and J. Carroll Bottom, economists, who say that late 1959 and early 1960 "appear as the critical period for hog producers..."

As a result of the favorable feeding ratios, which existed in 1957, farmers are now increasing hog numbers. December through May farrowings were six percent above a year ago. According to a March USDA survey, farmers in 10 Corn Belt states have indicated that they will farrow 13 percent more sows this fall than they did last fall. If the hog-corn ratio continues favorable through the last half of 1958, a further increase in farrowings can be expected in the spring of 1959, the economists assert.

The effect of the reduction in business activity on the demand for pork is expected to be only moderate, and reduction of beef supplies by five percent per capita is expected to strengthen the demand for pork.

A slightly less than six percent marketing increase is expected to cause hog prices to average \$1

to \$2 lower than last year for the summer and fall months. October-December prices should average around 10 percent below last year's levels. Prices in the first quarter of 1960 will be slightly lower than this. For the fourth quarter of 1957, prices at Indianapolis averaged \$18, so a 10 percent decline should set prices at about \$15-\$17.

The economists predict that the hog-corn ratio, the number of bushels of corn that 100 pounds of pork would buy using Indiana farm prices, will continue favorable for the year ahead but will become less favorable as the year progresses. The Indiana hog-corn ratio was 20.1 to 1 in March as compared to 13.6 to 1 for the long-time average.

The crest in hog marketings may reach in this hog cycle during the winter of 1959-1960. If unusual factors do not alter the cycle, this is about the normal length of time that it takes for the expansion phase of the cycle to reach its peak, say the economists. In this situation marketings are heaviest, liquidation expands market receipts and the prices are depressed.

Mrs. Ina Davis and family and Mrs. Ray Walgamuth of North Manchester called on Mr. and Mrs. Ed Ashbucker and Mr. and Mrs. Cecil Shaffer and family of Decatur Sunday.

I have changed both of my tractors, the Minneapolis U. and International M. on Propane gas. The M M is a complete change over, like it very much. The Int. M was converted to Propane without raising the compression.

I like the way the tractor performs as it is easy starting, operates economically. I would never consider changing back to gasoline again.

BEAVER DAM School News

By Sherry Babcock

We want to congratulate Milford's Track Team for winning the County Track Meet. Beaver Dam scored 5 points with Larry Bibler placing 5th in the 440 and 2nd in the high jump. It seems as if the interest for track is growing.

The P. T. A. Awards night will be held this coming Wednesday evening at Beaver Dam school at 7:30. This will be our last P. T. A. meeting this year. We hope everyone can attend.

Baccalaureate service will be held Sunday afternoon, May 19, at 3:00. Reverend Wayne John-

son of Claypool will be the speaker. The Commencement exercises will be held at the Beaver Dam School on May 20 at 8:30. Foster Jones of Warsaw will be the speaker.

The Alumni Banquet will be held this Saturday night at Beaver Dam.

The 5th and 6th grades of Beaver Dam went on a field trip to McCormick's Creek last Friday and Saturday. A fun night of camp experience was enjoyed by all. The group was divided into two Indian teams one the Juni's and the other the Apache's. A wiener roast, camp songs, colored slides and devotions ended our first delightful evening.

Saturday began early for all the campers with an early morning hike to Wolf Cave and Twin Bridges. After the 3-hour hike a good breakfast was in order. The rest of the morning was spent

cleaning up the cabins and doing what each camper wished to do.

All the little "Beavers" were tired but happy when they returned Saturday evening after an unforgettable trip to Spencer County Indiana first State Park, McCormick's Creek.

CARD OF THANKS

I wish to thank Rev. Wright and everyone for the cards, flowers, visits and prayers during my illness in the hospital and at home. They were all greatly appreciated.

Voters Make Primary Choices

Perhaps the candidates do not want us to feel this way, but we always feel a bit sorrow for the defeated candidates in an election. Only one can win, of course, and all are aware of this fact when they enter a campaign, but we cannot help but sympathize with the losers.

Mentone's interest in the election, naturally, centered around one candidate for a major office, Robert O. Jones, who failed to win the republican nomination for recorder.

A portion of the tabulations are:

Republicans

For Recorder—Maxine Whitney 2,304, Ernest L. Hauth 2,089, Robert O. Jones 1,676, James M. Ladd 1,081.

For Sheriff—J. D. Geiger 3,369, Jack F. Whitt 1,401, Lee Moyer 1,381, Mike Hodges 712, Milo E. Chase 347, Joseph A. Thornburg 23, Donald Enyeart 300, Paul Herwood 289, Roy M. Russell 21, Russell C. Lichtenwalter 95.

For Assessor—Kathryn I. Coy 2,390, Calvin E. Beck 2,067, Carl T. Zimmer 1,934, Hazel Phillips 1,849.

For Commissioner, Northern District—Millard G. Stookey 1,460, Lester E. Gay 1,615, Donald Shoemaker 1,512, Chester M. Stuffer 1,436.

For Commissioner, Southern District—Dale Sponseller 2,000, Frederick W. Gilliam 1,768, R. Kip Sullivan 1,705, Ray H. McCartney 1,403, Charles Menzie 1,234.

Democratic

For Sheriff—Howard G. Holbrook 955, Stanley Nice 527, John L. Pinkerton 504, Ray Teeple 456, Orville Gebert 136, William Huff 136, John R. Sechrist 70.

Seward township trustee—Republican: Gurney Alexander 141, Garland Nail 95. Democratic: Lowell Lockrone 169, Theodore Thompson 157.

Seward Advisory Boards—Republican: Wilbur McSherry 127,

Don Kuhn 121, Forrest Heckman 110, Dallas Tracy 97, Shelt-on Kent 90, Elza Ball 79. Democratic: Roger Ring 192, Ernest Jamison 168, Roscoe Nine 162, Howard Silveus 145, Arthur Yarl-an 140, Oliver Hackworth 128.

Lawrence Butts won (207 to 159) over Luhr Alexander for state republican delegate for Franklin, Seward and part of Clay township. Mrs. Yolande Riner of Mentone defeated Kenneth Plummer, Etna Green, 143 to 91 as a representative of Etna and the Second of Harrison.

Lions Elect New Officers

At the regular meeting of the Mentone Lions club, this evening, the following officers were elected:

President, Raymond Lewis.
1st V. P., Forest Miner.
2nd V. P., John Frederick.

3rd V. P., Lewis Pulling.
Secretary, Arthur Kendall.
Treasurer, Zanna Hammer.
Tall Twister, Noah Tinkay.
Lion Tamer, Ed. Davis.
Directors: Tom Harman, Vern Wittkamper.

Pianist, Sherman Bybee.
Vocal Director, Vance Johns.

The new officers will take their official duties beginning July 1.

The Mentone Lions Club has shown added interest and growth during the past few months, which speaks well for the present officials.

Mr. and Mrs. A. I. Nelson have returned home following a visit with their son, Robert Nelson, and family, of Kansas City, Mo.

**Willard Zolman
Dies Monday**

Willard C. Zolman, aged 76 years, died at 1:00 p. m. Monday in the Parkview Hospital at Plymouth where he was taken Saturday afternoon.

Mr. Zolman, a retired farmer who had been carrying the mail to and from the Nickel Plate depot, was born in Fulton county May 9, 1882, the son of John and Susie (Haimbaugh) Zolman. He had resided in Kosciusko county in the vicinity of Warsaw for the past 30 years. He was married to Alta Maude Townsend, who survives.

Other surviving relatives include one daughter, Mrs. Alfred (Elsie) Mock, North Webster; three sons, Emerson at St. Petersburg, Florida, Wayne of Tippecanoe and Carl of Mentone; seven grandchildren; four great-grandchildren, and one brother, Dallas, of Santa Clara, Cal.

Funeral services will be held at the Reed funeral home in Mentone Thursday afternoon at two o'clock, with Rev. Daniel Slaybaugh, of Akron, officiating. Burial will be in the Mentone cemetery.

New Daughter

Mr. and Mrs. Ed Davis are the parents of a daughter, Sherri Rene, born May 7th weighing 6 lbs. 13 oz. at the Woodlawn hospital.

**Annual Mail Box
Improvement**

The Annual Rural Mail Box Improvement Program will be observed this year during the week of May 19 to 24.

The Department wishes to encourage patrons of rural delivery service to provide suitable boxes, erected and maintained for easy and safe accessibility, presenting a neat appearance, and affording protection to mail. Boxes that are improperly erected or in unserviceable condition retard delivery of mail and expose it to the weather.

Names of box owners should be inscribed on the side of the box visible to the carrier as he approaches. The box number may be inscribed on the box if desired. Boxes and supports should be kept painted.

**Retiring Teacher Honored In Special
Program Here On Wednesday Evening**

A most unusual and inspiring program was presented at the Mentone school gymnasium on Wednesday evening when Dale Kelley was honored for his 44 years in the teaching profession. Dale, as the program definitely expressed, has been more than a school instructor. He has been a working, inspiring, energetic and productive citizen in all avenues of community life, and has added much to every area in which he has labored.

Following a pot-luck dinner at 6:30, the program was begun by Ralph Mollenhour, president of the PTA, which had a great part in sponsoring the Dale Kelley Night program. Mr. Mollenhour, retiring president of the PTA, introduced Mrs. Dan Urschel who capably served as installing officer for the new PTA officers. They are Denton Abbey, president; Fred Marty, vice president; Mrs. James Corwin, secretary, and Mrs. Mary Horn, treasurer.

Denton Abbey, who was chairman of the committee that arranged the program, introduced Robert Anderson, of Midland, Michigan who served as toastmaster. Mr. Anderson was in the first Mentone graduating class that had served a full 12 years under Mr. Kelley's leadership at the Mentone school.

After a brief summary of Mr. Kelley's early life, the toastmaster called upon Oscar Valentine, of South Bend, who told of his experiences as a student while Mr. Kelley was principal at the Burket school.

Mr. Kelley went to Mathews as principal in 1923 and about 75 citizens of that community were present Wednesday evening. A Mr. Richardson and 17 of his associates presented a fine program of singing. Many of the men in the choir were once students under Mr. Kelley.

Glen Whitehead, county superintendent of schools, gave a few remarks regarding his associations with Mr. Kelley over the years. He read a report made by County Superintendent Sarker after a visit to the Huffer school where Dale started teaching at the age of 18.

Wayne Tombaugh, as a representative of the Boy Scouts, introduced Freeland Phillips of Warsaw who expressed the gratitude of the Boy Scout organization for the work Mr. Kelley had done for them and the scouts. At the end of the Scout part in

the program, two former Scouts led in a first class donkey for Dale to feed. It seems that in 1956 Mr. Kelley made a trip to the Phillmont ranch in New Mexico and had one pal that followed him everywhere—a donkey.

At the close of the program, Mr. Kelley was presented with a 17-jewel Waltham chronograph watch and a fine 35mm camera.

Organ music was played by Ken White during the supper hour.

Words cannot express the appreciation of the people on an occasion such as the above, but the attendance did. The bleacher seats in the gym were nearly all occupied. Forty-four years of teaching is a fine record, and the best wishes of everyone are extended to Mr. Kelley.

**Goodwill Drive
On May 24th**

It has been announced that the Goodwill Industries' drive for used books, dishes, clothing, toys, electrical appliances, costume jewelry, etc. will be conducted on May 24th. Goodwill bags will be filled at the Methodist church in Mentone, the Congregational Christian Community church in Tippecanoe or the Methodist church in Talma.

The truck will be around in the forenoon.

The Goodwill organization is made up of disabled persons and the used items donated to them are repaired and then sold in Goodwill stores. At the present time they are still unable to process or handle furniture so citizens are urged not to donate any furniture items.

**To Hold
Talent Show**

The Franklin Township Farm Bureau will hold its annual talent show, May 21st. Contestants will be divided into three classes: Pet and Hobby to 10 years, 10 years to 16, 16 and older. Each entry will receive a prize. Winners are eligible for the county contest. Any member wishing to enter can contact Mrs. Ed Creakbaum or Carl Eaton. Mothers will also be honored with special gifts.

**Chas. Madeford
Died Sunday**

Charles G. Madeford, 77, of Gilead, formerly of Mentone, died of complications at 8:25 p. m. Monday at the Woodlawn hospital in Rochester, following an illness of one week.

He was born May 5, 1881, the son of Alvin and Sarah (Yoder) Madeford, and had resided his entire lifetime in the Gilead and Mentone areas.

Mr. Madeford was a 50 year member of the Masonic lodge, and a member of the Brethren church.

His wife preceded him in death in 1954.

Surviving relatives include one brother, Frank Madeford of Akron; two sisters, Mrs. Eura Reese, of Walkerton, Mrs. Pearl Gessner, of Devil Lake, N. D.; three stepsons, Kenneth, Lamoine, and Clifton Flora, all of Hammond; and several nieces and nephews.

Funeral services will be held at 10 a. m. Thursday at the Moyer-Haupt funeral home in Akron. Rev. George Hapner will officiate. Burial will be in the Akron cemetery.

**NEW STUDENTS AT
MENTONE FLYING CLUB**

The regular meeting of the Mentone Flying Club was held at Dr. Wilson's new office Friday evening with all the members and a number of guests present.

Mrs. Allen Herendeen, Mrs. Dale Sinclair, Mrs. Wymond Wilson and Bill Reed are now taking flight instruction in the club plane. Others have indicated their desire to begin instruction.

The Mentone airport is a busy place every Sunday afternoon, and visitors interested in airplanes will find it very entertaining and relaxing if only to do a bit of "hangar flying." Allen Herendeen is always available for charter flights, and the countryside is really beautiful from the air at this time of year.

The Mentone Chamber of Commerce is providing a new road sign on Road 19 south of town where the airport road turns west. Mr. Herendeen now has under construction a new cement block hangar and office.

Mr. and Mrs. Earl Leedy and family, Mr. and Mrs. Howard Horn and daughters, Earl Davis and Linda served a surprise dinner Sunday on their mother, Mrs. Myrtle Davis at her home.

Dies in Florida

Richard E. Sevier, aged 83 years, died at Winter Haven, Florida at 5:00 p. m. Monday.

Born in England Oct. 18, 1874, Mr. Sevier was married to Leota Shilling, who survives. They had lived in Florida the past 24 years.

Other survivors are a sister-in-law, Mrs. Charles Besson, and two brothers-in-law, Joe and Hubert Shilling.

The body will arrive Friday morning and graveside services will be held at the Palestine cemetery at two o'clock that afternoon, with the Reed funeral home in charge.

**Hobbies Made
To Order**

Summer is the ideal time to pursue your favorite hobby or to start a new one. Hobbies need not be expensive and do not require special instructors. At the Mentone Library you can get books which will help you select the hobby that will be just right for you and show you how to go about it. There are hobbies to interest everyone, regardless of age.

"You can make it", by Louis Ney Kirk and La Vada Zutter contains 'Things to make with scissors and paste' such as wire dolls, rocking toys and flower jewels which will convince the younger members of the family that making things is fun.

"Sunset Craft Manual," by Elise Mannel is intended for the mature person who always wanted to start some form of craft work but had no idea how to begin. If you enjoy planning things for your home that are an expression of your own needs and tastes, the illustrations and descriptions on the pages of this book should help you create things to enjoy every day. Directions are given for Finger Painting, Paper Raffia, Leather Craft, Block Printing, Stencil Printing, Pottery Making, Ship Carving and making Hooked Rugs.

Besides these two books, there are more than fifty books in the library giving instructions in crafts and hobbies of all kinds. Why not enjoy and profit by the inspiration they can give you.

CLUB CALENDAR

The Mentone Home Dem. Club will be guest of the Friendly Neighbors Club Monday evening, May 19th at Pete's Social room. O. E. S. May 19th, 7:45 at Masonic Hall.

Thank You

I wish to express my sincere gratitude to the people throughout our county for nominating me as the Republican candidate for Sheriff, and for the many courtesies extended to me during my campaign. I also want to congratulate the other Republican candidates seeking the Sheriff nomination for the fine manner in which they conducted their campaigns.

I pledge myself to fulfill my responsibility to work hard for the election of all Republican candidates in the fall election.

Sincerely,

From the files of the American Cancer Society:

Yes! I had cancer

"Many people think cancer is incurable. They're wrong and I can prove it! So can 800,000 other Americans like me.

"On a gray morning in November, 1942, a specialist confirmed the diagnosis of cancer made by my family doctor. What he had to say reassured me.

"He explained that, thanks to my habit of having yearly check-ups, my doctor had caught the cancer in its early stage. It was localized and it could be completely removed by surgery. So, here I am as hale and hearty as if I'd never had cancer!"

That was 15 years ago, when only 1 out of 4 persons with cancer was being cured. Today, thanks to improved methods of treatment, and earlier diagnosis, 1 person in 3 is being saved.

And with present knowledge, it can be 1 in 2, if everyone observes two simple precautions: Have a health checkup annually. Keep alert for cancer's seven danger signals.

Progress in the American Cancer Society's fight against cancer depends on the dollars donated for its broad, nation-wide program of research, education and service to the stricken.

Help to swell the ranks of people saved from cancer. Fight Cancer with a Checkup and a Check. Send a check now to "Cancer," care of your local post office.

Methodist Church Mother Daughter Banquet

The Mentone Methodist Church held its annual Mother-Daughter banquet at the church on Thursday, May 1.

A lovely dinner was prepared and served in the church basement, by the Burket Methodist women. Janice Mollenhour played organ music while the group was gathering for the evening. Diana Sarber gave the grace before dinner.

Following the dinner Mrs. Lois Davison, the president of the W. S. C. S. welcomed everyone with a poem each for Mother and daughter. She then introduced Barbara King and Mrs. Genevieve Nelson who gave readings, What is a Mother and What is a Daughter.

Mrs. Eleanor Hoover honored the oldest and youngest mothers present. A gift was also given to the mother with the most children present and to the person present who had traveled the most distance to be there.

The Senior High School daughters present were introduced by Mrs. Arvilla Teel and awarded gifts.

The rest of the program was made up from the Sunday School department to begin with the kindergarten Class directed by their teacher, Mrs. Mary Manwaring entertained with some finger plays they had learned in Sunday School.

An instrumental quartet consisting of Sandra Miller, Janet Marty, Janice Mollenhour, and Tana Henderson played two selections.

The primary department was represented by Susan Tibbets, Jacque Pritchard and Lu Anna Sarber. They recited poems they had learned for the occa-

sion.

To close the program Mrs. Maritta Boggs accompanied by Mrs. Maude Snyder sang Prayer Perfect.

Capt. Betty Flory Leaves For Korea

Capt. Betty Flory, who was on the McDonald hospital staff for several years, left Monday for duty in an army hospital in Korea. She will be overseas 16 months. Capt. Flory will fly from Oakland, Calif.

She is the daughter of Mrs. Sarah Ellsworth and the late David Ellsworth. She has four sisters, Mrs. Burr Workman, Mrs. James Sarber, Mrs. Glenn Sechrist and Mrs. Ray Short; also one brother, John Ellsworth. She has spent the last three weeks at home with her mother.

Capt. Flory was graduated from the University Hospital school of nursing in Chicago on September, 1943. She served on general duty at the hospital while taking a basic course in anesthesia at Cook County graduate school of medicine. She gave anaesthetics at University hospital until March, 1945 when she enlisted in the army, serving at Fort Sam Houston, in Texas until January, 1946. She is a registered anaesthesiologist.

Following her first term of army service she was on general duty in the obstetrical department of Methodist hospital in Gary until 1949. At that time she joined the McDonald hospital staff. Except for 18 months in clinical and surgical nursing at Linville hospital, Columbia City, she worked here continuously until McDonald hospital was sold

then transferred to night duty at Murphy Medical Center, serving until April, 1957. At this time she reenlisted in the army and has been stationed for the past year in Denver, Colorado at Fitzsimons hospital.

All this time Mrs. Flory was a member of the army reserves and each year filled active duty assignments at various bases and hospitals. She was promoted to captain in June, 1955.

Scout-O-Rama At Elkhart

The second annual "Scout-O-Rama" of The Pioneer Trails Council of the Boy Scouts of America will be conducted in the Northside Gym in Elkhart Friday and Saturday, May 23 and 24.

The Cubs and Senior Scouts of Mentone are selling tickets for this "live" showing of the advancement program of Scouting. Citizens are encouraged to be liberal in their purchase of the tickets which our boys are selling

because the boys not only win awards for the tickets which they sell, but the local units are also reimbursed 8 cents for every ticket sold. Too, we encourage the boys in their Scouting program by taking a interest in what they are doing. Let's buy tickets and let's make a place in our activities for attendance at the Scout-O-Rama.

Last year was the first experience of Pioneer Trails Council in conducting a Scout-O-Rama. Nearly 15,000 people saw the possibilities inherent in the Scouting program demonstrated by the numerous units of the council. There will be additional facilities and attractions to the Scout-O-Rama. Preparations are being made to accommodate approximately 30,000 interested citizens this year.

Baptist Church News

The Gospel film, "Silent Witness", will be shown at First Baptist Church at 8:00 p. m. on Sunday, May 18th. "Silent Witness" is a moving story of a teenage boy who promised the Lord he would witness to his classmates, but then failed to keep his promise. The story, although designed especially for young people, has a stirring spiritual message for believers of all ages. The public is cordially invited to attend.

The First Baptist Sunday School will conduct its Annual Vacation Bible School from June 2-13, with sessions from 9:00 to 11:30 each day. The theme of the school will be, "Exploring God's Wonders." A staff of 18 workers will be on hand to conduct the school using literature from the Scripture Press Foundation.

Pastor and Mrs. Olson are being sent by the church as messengers to the National Conference of the General Association of Regular Baptist Churches. The conference will be held in the Memorial Auditorium in Columbus, Ohio from May 12 to 16th.

Early cut hay means high quality feed, remind Purdue University dairy scientists. The USDA reports that milk producing value per acre for early cut hay was 6,330 pounds. If the crop remained unharvested until full bloom, digestible nutrients per acre produced only 3,970 pounds of milk.

Mr. and Mrs. Ralph Mollenhour spent Thursday at Elmhurst Hospital in Chicago on business.

NOTICE

The Memorial Services will be held on Sunday, May 25th, 1958 at 2 p. m. D. S. T. at the Palestine Christian Church.

James H. Gabhart, pastor of the Palestine Christian Church will deliver the message. Mrs. Robert Boggs will give some vocal numbers.

A business meeting of Palestine Cemetery, Inc. lot holders will be held immediately following the Memorial Services. Burial lots in the new addition are now ready for sale.

I have changed both of my tractors, the Minneapolis U. and International M. on Propane gas. The M M is a complete change over, like it very much. The Int. M was converted to Propane without raising the compression.

I like the way the tractor performs as it is easy starting, operates economically. I would never consider changing back to gasoline again.

HIGH EGG QUALITY will pay dividends, particularly during summer months. When hot weather reduces quality, premiums for Grade A eggs become higher. To maintain high quality, gather the eggs several times a day—4 or 5

times if necessary. Take eggs directly to a cooler which has a constant temperature of 55 to 60 degrees and humidity of 70 percent or higher. After eggs are cooled down they can be cased. Deliveries should be made at last twice a week in summer for best results.

**Don Frantz New
County Agent**

Donald E. Frantz is a native of Tippecanoe Co., near Lafayette, Indiana and was graduated from Purdue University in 1939 in the school of agricultural finance. After graduation he worked for a time with the Farm Security Administration, then was in the Army for 4 years during World War II, upon returning from service he was with FHA for one year. He was appointed assistant County Agent in Knox County on July 1, 1947. In 1952 Don received the invitation to be Co. Agent in Wells County, the position he now holds.

The Kosciusko County Agricultural Extension Executive Committee recently visited Wells County and were able to report to the entire local committee of approximately 30 members, that Mr. Frantz has a fine ability to organize and work with people, and that he is conducting an excellent 4-H and adult extension program there. Mr. Frantz was present for this report meeting and was personally interviewed concerning his activities. At the conclusion of the meeting held in the Kosciusko County agent's office in Warsaw, it was voted to ask him to fill the vacancy left by Paul Jackson who recently resigned to take a similar position in Allen County. Mr. Frantz is 41 years old, has a wife, Mildred, a daughter, Mary Alice, 3 and a son, James, age 4. He is Immediate Past President of the Bluffton Rotary, is a member of the Methodist Church and has served as a church officer there. Mrs. Frantz is active in Home Demonstration Club work and sings in the Methodist Choir. No definite date was set for his arrival, but it is expected that he will be available by June 15.

**PRESENTED WITH
ELGIN WRIST WATCHES**

Miss Sue Shoemaker and Jim Manwaring were each presented with 17-jewel Elgin wrist watches by the Baker Jewelry Store, for graduation. The winners were selected in a secret ballot among the students of the junior and senior classes.

CLUB CALENDAR

The Mentone Merry 4-H'ers will meet Tuesday evening, May 27th at 7:00 o'clock instead of Monday evening, May 26th.

**Methodist
Bible School**

On Monday, May 28th, at 8:30 a. m., Daily Vacation Bible School will start at the Methodist Church.

"Children Learn From Jesus" is the theme of the kindergarten, which is for 4 and 5 year olds. Mrs. Don Ernsberger, Mrs. James Tibbetts, Mrs. Gene Sarber, Mrs. Kenneth Shoemaker, and Mrs. Robert Smith are working in this department. Sandra Miller and Linda Baker are also helping them.

The primary classes are under the direction of Mrs. M. O. Bryan, Mrs. Dale Cook, Mrs. Rea Ward, Mrs. Loren Tridle, Mrs. F. B. Davison, Mrs. Merle Gibson and Miss Von Jenkins. Their study course is "Jesus Went About Doing Good". Janice Mollenhour, Sue Bixler and Gretchen Persons are the youth helpers in this department.

Junior classes will study "Jesus Is His Name" under Mrs. Robert Hoover, Mrs. John Teel, Mrs. Walter Lackey, Mrs. John Ellsworth and Mrs. Milton Persons. David Persons and Karen Menzie are helping with handcraft in this class.

All children are welcome to attend. Classes will be dismissed at 11:00 each morning. Children who wish to attend, but who need transportation should call EL 3-3183, and someone will pick them up. Mrs. Gene Sarber and Mrs. Harold Utter are co-directors of the school this year.

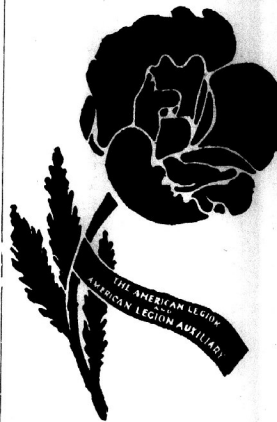

VISIT SON IN OHIO

Mr. and Mrs. Earl Smith of Rochester spent the past two weeks in the home of their son at Wilmington, Ohio caring for their grandchildren while their father, Capt. Wilbur Smith, went to Walter Reed Hospital, Washington, D. C. for a physical check-up.

Last December he underwent major surgery at the Wright-Patterson Air Force Base Hospital, Dayton, Ohio. He was transferred early this year to Walter Reed where he spent three and a half months under radiation treatments.

Presently he is on 90 day leave at the termination of such time he will be retired from the Air Force. They expect to establish their home near St. Louis.

Wilbur is the grandson of Joshua Garwood, deceased, and was born on that farm.

POPPY DAY

This Friday and Saturday the Mentone American Legion Auxiliary members will be selling the poppies made by the disabled veterans. Each citizen is urged to make a contribution to this worthy cause. The proceeds are to be used for the benefit of veterans, their wives and children.

At the time the American Legion Auxiliary adopted the poppy it pledged the Poppy Day contributions 100 per cent to welfare relief for service men and women and their families, thus fulfilling the true meaning of the poppy—an emblem of faith, faith which is being kept with all who died, through service to the living.

Poster Winners

Those who won places in the poster contest were:

Fifth and Sixth Grade—Connie Smith, Mike Whetstone, and Jim Bryan.

Seventh and Eighth Grade—Bonnie Warren, Linda Melloz, and Neva Wallis.

Twelfth Grade—Diane Huffman, 3rd place.

The winning posters are on display in various Mentone business establishments.

D. A. R. Meets

The Anthony Nigo Chapter, D. A. R. of Mentone, was entertained at the country home of Mrs. Dale Cook on the evening of May 13th. Mrs. Ernest Igo was assisted hostess.

Mrs. Eldred Paulus, Regent, opened the meeting with the ritualistic service. Pledge to the flag and verse of The Star Spangled Banner was sung.

Mrs. Omer Drudge read The President General's Message.

Mrs. Kenneth Riner gave National Defense news. Reports from various chairmen were given.

Mrs. Sherman Bybee, Historian reported that our D. A. R. history award went to Doyle Eiler of the Mentone School. Mrs. Ray Linn made the presentation of the Gold Honor Roll ribbon for 1958 to Regent, Mrs. Paulus and the Honor Roll Certificate to Mrs.

Ernest Igo, Chapter Chairman of Honor Roll.

Mrs. Everett Rathfon gave "Massive Monuments To Pioneer Women," an article telling that across the continent, D. A. R. has memorials showing appreciation of the Mothers.

Mrs. Frank Smith was in charge of the program giving echoes from Continental Congress assisted by Mrs. Ray Linn. Mrs. Smith then showed excellent slides she had taken while in Washington, D. C. and attending Continental Congress. The pictures were quite a burden to obtain since Mrs. Smith had many other duties to perform, serving as Delegation Page and taking notes on Congress activities that she might bring a report to her Chapter.

It was voted that The Anthony Nigo Chapter, D. A. R. will serve as hostess Chapter for the Northern District Group meeting next year.

After our auction the hostesses served delicious refreshments and the meeting was adjourned to meet with Mrs. Omer Drudge and Mrs. Paul Shireman in June.

The meeting will be held at The Honeywell in Wabash.

Conservation Club To Meet

The members of the Talma Rod and Gun Conservation Club will meet on Friday evening, May 23rd at 7:30 p. m. in the Talma High School Gym. Old movies and refreshments are planned. This will be the last meeting until fall.

Cows Producing More Milk

Lafayette, Ind. Milk production per cow in Indiana last year reached an average of 7,010 pounds, a new state record, reports G. A. Williams, Purdue University extension dairyman. Ten years ago it was 5,310 pounds per cow. This is an average increase of 1,700 pounds per cow during the ten-year period.

Improved herd management practices, such as better feed, health, and milking methods, and improved breeding are the main reasons for the increase. Williams emphasizes the importance of the milking machine and the milker. He says that in the past, milk was often given to the producer's family forages.

According to the Bureau of Dairy Industry, the milk production of a cow depends not only on the kind of crop and the time of the year it is harvested, but also on weather conditions at the time of the harvest. The method used and the manner in which the crop is stored. Considering the effect of time on cutting, the hay crop, farmers find many differences. Harvested in the initial bloom stage, 142 pounds of hay maintain a cow and produce 100 pounds of milk. If the cutting is delayed until the full bloom stage, 100 pounds of hay must be grown, harvested and stored to do the same job.

On a dry acre basis 6,194 lbs. of milk are available when the crop is made at the pre-bloom stage. Only 3,184 pounds are available if the crop remains unharvested until the full bloom stage. A cow can produce 100 pounds of milk per acre, but only 100 pounds of milk sold result in 100 lbs. of milk.

If the crop remains unharvested until the full bloom stage, 100 pounds of milk sold result in 100 lbs. of milk. If the crop remains unharvested until the full bloom stage, 100 pounds of milk sold result in 100 lbs. of milk.

too many dairy farms, according to Williams.

Hens Need Less Grain

It's a good practice to cut down on the amount of grain fed to laying flocks during the summer months. That's advice

given farmers and egg producers by J. W. Sicer, Purdue University extension poultryman.

According to Sicer, nutrients that make eggs are mostly in the mash. Total feed consumption will be less in hot weather so grain should be limited in order to force the layers to eat mash.

Sicer says hens aren't interested in eating to produce eggs for human consumption. The

layers eat to satisfy their appetites and their body needs for heat and energy. Most of this heat and energy is supplied from grain. Thus, during warm weather the layers will not be inclined to eat enough mash for top production unless forced to do so.

Sicer suggests that when the flock is fed a mash containing 20 percent protein, the morning feeding of grain should be omitted during the summer. And the evening feeding should be limited so the flock will eat about twice as much mash, by weight as grain. The grain limitation should be even greater when mashes having less than 20 percent protein are fed.

A supplementary feeding of high protein pellets, or of mash moistened with milk, may also be of value in encouraging more feed consumption during the summer months, the poultryman adds.

Dr. and Mrs. L. A. Laird of Richmond visited Monday with Mrs. Laird's mother, Mrs. Joe Johnson and other relatives.

Motorists planning to attend a baseball game this year can make their trip to the ball park more enjoyable by allowing plenty of time to get there and not letting emotions interfere with their driving, the Motor Club says.

Motorists should drive carefully when approaching low spots in the road where receding water may have left hazardous, broken pavement and debris, the Motor Club says. Road dips also may be covered with a coat of mud or slime, creating dangerous slippery spots.

PROGRESS?

If they're "sacked" will they get tied up any quicker?

WORLD CHAMPION MILKER, Green Meadow Lily Pabst, boasted a hearty appetite during her record production of 42,805 lbs. of milk in a 365-day test as a seven year old. Her daily menu: alfalfa-brome pasture day and night, 40 lbs. of grain, and all the alfalfa hay she wanted. Last two months on test, she tucked away an extra bushel of carrots daily. Her home—Green Meadow Farms, Elsie, Mich.

SHREWS ARE RAVENOUS, mouse-like animals that eat their own weight daily. Native to the U. S., they eat mostly bugs and worms but get so hungry they attack and devour animals larger than themselves. (Chicago Natural History Museum Photo)

BIGGEST "HOG" OF ALL is this new McCormick hay baler, capable of baling 10 times its own weight every hour. USDA indicates today's farming methods enable farmers to produce a ton of hay with only half the labor required 15 years ago. Production per farm worker has doubled since 1940. Development of other labor-saving machinery is certain to bring even greater efficiencies in farming during the years ahead.

POULTRY SERVICEMEN'S CLINIC AT PURDUE

A two day poultry servicemen's clinic, first in the mid-west, will be held June 19-20 at Purdue University, J. Holmes Martin, head of Purdue's poultry science department, has announced.

Registration will start at 9 a. m., June 19, in the livestock pavilion, immediately south of the poultry building. Clinic sessions will be in Room 108, Smith hall.

Latest developments in the care, management, feeding practices and disease control of poultry will be discussed.

SOYBEAN CROP TO INCREASE

Indiana farmers, anticipating the biggest acreage of soybeans in the history of the crop, are well supplied with seed of the best varieties for 1958 planting, according to Keller E. Beeson, Purdue University extension agronomist.

Hawkeyes and Harosoy's will be extensively used in the intensive growing sections of central northern Indiana. Hawkeye has a slight edge in standing ability and is therefore the most popular variety in the state. Yield difference between these two varieties is slight, with the Harosoy having a slight advantage and especially in northern counties.

To Celebrate 50th Anniversary

Mr. and Mrs. Delemer White will celebrate their fiftieth wedding anniversary on Sunday, May 25th, with open house from 2 to 5 p. m. at the home of their daughter, Mr. and Mrs. Russell Eber in Mentone. Besides their daughter they have two sons, Ernest Wilson of Anderson and Delois White of Kokomo. They also have eight grandchildren.

Friends and relatives are invited to call.

Mr. and Mrs. White went to California from Florida in April on a Golden Wedding Honey-moon and returned to Mentone this week.

New PENB Egg Booklet

"Eggs give a lift to your family and you because eggs build sparkling good health," is just one of the dozens of consumer benefits available from eggs as discussed in a new booklet published by the Poultry and Egg National Board.

This new 8-page guide entitled "Eggs Serve You . . . When You Serve Eggs", contains authoritative and practical information on how eggs fit the every day needs of modern homemakers. Fast preparation methods, budget trimming shortcuts, special gourmet dishes, and all-important weight reduction plans are all featured sections.

A concise statement, readily understandable to homemakers, points out that there is no known relationship between food levels of cholesterol and heart disease.

and points up the fact that the American Heart Association emphasizes the nutritional common sense of continuing to eat a balanced, varied diet which includes eggs and other poultry foods.

The booklet also lists a safe and sensible menu pattern to help adults lose weight. It contains a suggested menu keyed to between 1200 and 1400 calories with specific listings for breakfast, lunch and dinner.

The booklets are three and a half by eight and a half inches in size, printed in red and black on white paper. They are available for \$2.70 per 100 in quantities less than a thousand and \$25 per 1,000 in quantities of 1000 or over. For sample and order form write to the Poultry and Egg National Board, 8 So. Michigan Avenue, Chicago 3, Ill.

AERIAL TRANSPORTATION

An elderly patient from Knox, scheduled for an examination at the Urschel Clinic on Monday morning, found it necessary to use 4 different bus lines, and most of Sunday afternoon getting here. She stayed with Mrs. Agnes Rans on Sunday night, and following her examination on Monday, she was again faced with the same problem in getting home.

The is where the airplane came into the picture. Dr. Urschel was able to deliver her to the Knox Airport, and was back in Mentone within 45 minutes.

Dr. Urschel utilizes his plane repeatedly for hospital calls, consultations, medical meetings, etc. but this was one of the most striking demonstrations of its utility in saving time.

Miss Wreatha McFarren, of Elkhart, was a visitor in Mentone one day last week. Miss McFarren was a former teacher in the Mentone schools.

Barbecued Chicken Is Outdoor Treat

With the long days of summer stretching ahead it's high time to polish up that outdoor cooking equipment for hours of leisurely eating under the open sky. And once the grill or rotisserie is ready for action, what better way to inaugurate the cook-out season than with tasty, tawny barbecued chicken. Chicken takes as naturally to outdoor eating as ice takes to lemonade.

And, you know, there's more than one way to barbecue a chicken. For instance, you may want to try your hand at a rotisserie barbecue. The broiler chickens can be stuffed (if so, stuff loosely) or not, as desired. Either way they should be trussed to make them compact and assure even cooking. Follow this easy, kitchen-tested recipe:

Rotisserie Barbecue

2 broiler-fryers, whole, about 2 lbs. each
1 teaspoon salt
Fat or oil

Favorite Barbecue Sauce*

Rub chicken cavities with the salt. Place spit through cavities with drumsticks overlapping in center. Truss birds on spit by wrapping cord around them, as in a rolled roast. The weight must be balanced so the spit

turns smoothly. Grease birds and cord thoroughly with the fat or oil. Start the cooking. After chickens are brown, about 45 minutes, baste with Barbecue Sauce about every 15 minutes until chickens are done. Total time: one and a half to one and three-quarters hours. Serve with Barbecue Sauce. Combine any left-over basting mixture and undiluted Barbecue Sauce for serving with the chicken. Makes 4 to 6 servings.

*If thicker than French Dressing consistency, dilute one-half cup of the Barbecue Sauce with an equal quantity of water. Use this mixture for the basting.

Stockpiles Of Indiana Grain

Stocks of corn, wheat, rye and sorghum grain in all storage positions in Indiana April 1 were larger than a year ago, state-federal agricultural statisticians at Purdue University report. Oats, barley and soybean stocks were smaller than a year earlier.

Corn stocks on April 1 totaled 196 million bushels, two percent larger than on the same date a

year ago. Farm stocks at 136 million bushels, however, were down eight percent from the record high last year, the statisticians said.

Wheat stocks in all positions were 5.5 million bushels, seven percent above April 1, 1957. Farm stocks made up 32 percent of the total and were 41 percent greater than a year earlier.

Oats stocks totaled 12 million bushels, 31 percent less than a year ago. Farm stocks comprised 90 percent of the total and were 31 percent smaller than a year earlier.

Soybean stocks amounted to 19.3 million bushels and were four percent smaller than a year ago. Stocks on farms made up 63 percent of the total and were about one percent smaller than at the same time last year.

Rye stocks totaled 166 thousand bushels, 57 percent more than a year earlier. Farm stocks accounted for 81 percent of the total and were 53 percent greater than farm stocks April 1 a year ago.

Sorghum stocks of 242 thousand bushels in all positions were up 365 percent. Farm stocks comprised 94 percent of this total and were 468 percent above stocks a year earlier, according to the statisticians.

Lawn Ants Easily Controlled

Control of ants in lawns is not difficult, says Glen Lehker, Purdue University extension entomologist.

A complete lawn treatment now will not only eliminate ants, but will prevent damage by many other turf insects.

Lehker recommends the use of either chlordane or dieldrin applied as a spray or in granular form. Chlordane is commonly available as a 45 percent emulsifiable concentrate. Dieldrin is most likely to be purchased as a 15 percent concentrate.

Either chemical should be used at the rate of one-half pint for each 1,000 square feet of turf.

The required amount is simply added to water and sprayed evenly over the surface and then soaked in with additional water from the garden hose. Most users prefer about three gallons of water to distribute each one-half pint of chemical, the Purdue specialist adds. One treatment will control ants for an entire season, and grubs for periods ranging up to four years or more.

Granular formulations of these same insecticides are equally satisfactory and can be applied with a fertilizer spreader. The correct amount for 1,000 square feet is three-fourths pound of 10 percent dieldrin granules or .23 pounds of 10 percent chlordane granules. Here again the insecticide should be watered into the soil for best results, Lehker adds.

Ant mounds are often a problem and can be treated without applying an insecticide to the entire lawn area. In these cases, sprinkle the mounds lightly with chlordane or dieldrin granules and water in, the specialist advises. The chemicals are also available as dusts and drenchable powders and these too can be

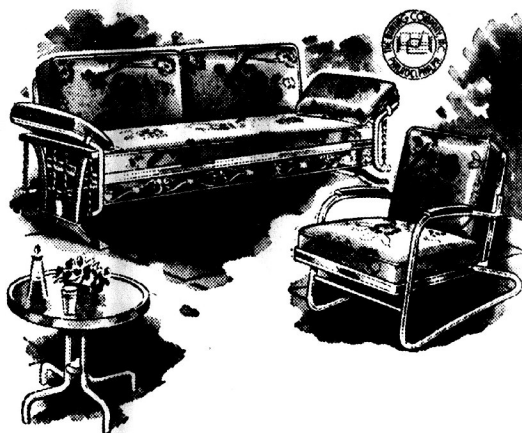

applied dry and soaked into the soil.

Look for spittlebugs in April, say Purdue University entomologists. Eggs should hatch about April 10 in southern Indiana to April 25 in northern parts of the state. Examine the small alfalfa and clover plants for bright orange insects about half the size of the head of a pin. Usually they will be found near the base of the plant between the leaf and the stem or in the unfolded leaves. When you find an average of one per stem, spray within a week.

Motorists should carry a flashlight and flares for use in emergencies, the Motor Club says. Without a flare, changing a tire while still on the roadway is a hazardous undertaking.

Motorists should not be confused by a four-way stop intersection, the Motor Club says. After coming to a complete stop, motorists should proceed with caution, courtesy and common sense.

Farewell To Paul Jacksons

Paul Jackson, Kosciusko County Agent, will play the lead role in a local "This is Your Life" party, scheduled to be held in the women's building, Kosciusko County Fairgrounds next Monday evening, May 26th, 8 p. m.

Although Mr. and Mrs. Paul Jackson and family will have no chance to see or rehearse the show, the script is expected to relate many of the deeds and misdeeds that has resulted in his becoming one of Indiana's most popular 4-H and agricultural extension men, during his nine years in this area.

Representatives of the county's many agricultural, business and civic organizations, with whom he has worked, are going to be present to participate in this farewell party; and to extend best wishes to the Jacksons.

They plan to move to Fort Wayne June 1, where Paul will assume the position of Allen County Agent.

This is to be a family affair and all interested are invited to attend. Refreshments will be served at the conclusion of the evening.

Those in charge are Harold Gawthrop and Mrs. Gene Sarker, co-chairmen; Mrs. Gordon Brubaker, entertainment; Mrs. H. McCleary, Decorations; Howard Thompson, gratuities; Jack Hart and 4-H Junior Leaders, refreshments.

Six rules for backing a car listed by the Motor Club: Check traffic in front and rear, watch for pedestrians and other cars, pay careful attention to steering, move car slowly, avoid backing into main roadways and across pedestrian paths, and back uphill rather than down hill when turning the car around.

If the right wheels of the car go off the edge of the road pavement, motorists should avoid getting panicky and slamming on the brakes, the Motor Club says. To get back on the pavement, reduce speed gradually and check clearance in front and behind before cutting the wheels sharply to the left.

Mrs. Frank D. Smith, North District Director, D. A. R. and Mrs. Ray Linn, State Chairman of Program, both from Mentone attended the North District D. A. R. Group Meeting held at the LaFontaine Hotel, Huntington, on May 14th. The Samuel Huntington was Hostess Chapter. Mary E. Rowe, pianist and Margaret Young, vocalist, rendered "America The Beautiful" and "Battle Hymn of the Republic."

May 15th, Mrs. Smith and Mrs. Linn attended a North District Group meeting at the Methodist Church in Plymouth with The Wythongan as Hostess Chapter. Other members from The Anthony Nigo D. A. R. Chapter of Mentone attending were: Regent, Mrs. Eldred Paulus; Mrs. Arthur Brown, Mrs. Max Smith, Mrs. Everett Rathfon, Mrs. Dale Cook, Mrs. Omer Drudge, Mrs. Ernest Igo, and Mrs. Sherman Bybee.

Mrs. F. R. Burns from North Manchester joined them. Dinner music at this meeting was furnished by Bill Tanner, organist.

Mrs. Smith went from Plymouth to Gary where she along with other State Officers and Chairmen were entertained in the evening at the beautiful home of Mrs. H. C. Dorman, Regent of the Potawatomi Chapter, D. A. R., Gary. The following day, May 16th the group meeting was held at the Gary Country Club.

Mrs. Smith then went to Crown Point spending the night in the

Mrs. Smith presided at all of the Group Meetings.

Train chicks to go in and out of the brooder house on their own. Poultrymen at Purdue University say this can be done by setting all the feeders and most of the waterers just outside of the house in plain view

of the chicks from the open runway door. As the chicks get hungry, they will find there way out to the feeders. Never drive any chicks outside. If they find their own way out they will probably find their way back again

Fertilizer Trends

Indiana farmers are buying higher analysis fertilizer and more of it in bulk and liquid form, according to R. K. Stivers, Purdue University extension agronomist.

For instance, during the 1955-56 fiscal year, 143,898 tons of 20-20 were sold, compared with 170,880 tons in the 1956-57 period. There was 38,745 tons of muriate of potash bought in the 1956-57 fiscal year. The next 12 months brought the total to 60,993 tons, much of it sold in bulk form.

Stivers points out that other high analysis fertilizers have kept pace with the higher sales.

**Steal Safe At
Elevator Here**

Some rather hefty burglars were operating in our area last Friday night as they took the iron safe from the Valentine Elevator and hauled it out in the country where they could really get it cracked open. The safe weighed in the neighborhood of four hundred pounds, so one can rest assured this robbery wasn't a one-man job.

The safe was found on a little-used road about two miles southwest of Mentone, by Sam Norris, Saturday morning.

The safe contained about \$900 in cash and about a thousand in checks; however, the checks were left in the roadway near the battered and opened safe. The burglary was discovered at an early hour Saturday by Robert Hamilton, a Valentine employee.

The night before the Clunette Elevator was robbed, and since then three other elevators in the area have been visited by thieves.

Mr. Valentine, fortunately, has insurance to cover losses by burglars.

IN FLORIDA

One day last week Mr. and Mrs. Fred Lemler hooked a trailer onto their car and headed for Denver, Colorado. They ran into terrific winds in Illinois and decided to change their course. A few days later they called and said they were in Florida. When Fred decides to take a vacation he doesn't care which direction he goes—evidently.

BRAGGING

There's one time of the year when one is expected to do a little bragging, and that is when you come up with a good mushroom haul. Friday LeRoy Cox came in with a few that must have had a lot of whatever it takes to make a big mushroom. One nice specimen measured about eight inches tall, and then there was another with the top nearly gone that must have been at least a foot tall when it was all together.

**Cook-Hudson
Wedding Sat.**

Pink and white was the color scheme for the wedding of Miss Hazel Ann Cook and Donald J. Hudson, Saturday evening, in the Rochester Church of the Nazarene.

The bride is the daughter of Mr. and Mrs. Walter Cook, R. R. 1, Rochester and the bridegroom is the son of Mr. and Mrs. Howard Hudson of Mentone.

The Rev. Henry M. Terry presided at the double-ring ceremony before an altar decorated with a lovely basket of white roses, snowballs and greenery. Lighted tapers in pink enhanced the setting for the wedding rites.

The bride appeared in a bridal gown of white nylon tulle with short cap sleeves featuring a shirred bodice and a bow effect in the back. She wore a hat of tulle which was pleated around the brim. A white Altar Bible was carried by the bride. Her only jewelry was a strand of pearls and she wore a lovely corsage of sweetheart roses.

Mrs. John Rautenkranz of North Manchester attended her sister as Maid of Honor. She chose a pink lace sheath gown featuring a V-neckline with a pink chiffon train which reached the bottom of her street length gown. Her accessories were white and she wore a corsage of pink roses.

John Rautenkranz, a brother-in-law of the bridegroom, served as best man. The ushers were George Cook, a brother of the bride, and Dale Hudson, a brother of the groom.

The vocalist, Mrs. Fred Maybauer sang "I Love You Truly" and the "Lord's Prayer." She was accompanied at the piano by Mrs. Norman Teel.

The mother of the bride selected a powder blue dress with a floral design and the mother of the groom chose a street length print dress of Alice blue. Both of the mothers wore corsages of white carnations.

A reception for the relatives was given in the home of the bride immediately following the wedding.

Approximately 60 guests attended the wedding in the church Saturday evening.

The bride is a 1957 graduate of Fulton high school and is presently employed at General Telephone company, North Manchester. The groom is employed at Overmyer's Motor Sales, Warsaw.

Decoration Day Parade Here Friday

Memorial Day services, under the auspices of the Mentone American Legion, will be held on Friday afternoon at 1:30.

Various organizations of the area will participate in the parade, which is to form at the Legion Home at 1:30, and then march to the cemetery where a program will be held. Rev. Milton Persons, pastor of the Mentone Methodist church will be the speaker. Music will be furnished by the Mentone High School band.

Lewis Pulling, commander of the Mentone Legion, states that the Boy Scouts, Cub Scouts, Girl Scouts, Brownie Scouts and War Mothers will also be in the parade, along with the American Legion Firing Squad and Color Guard.

Everyone is invited to view the parade and participate in the services.

BIRTHDAY PARTY

Wednesday evening, May 21, following the commencement exercises at Mentone, a number of friends and relatives gathered at the Severns home in honor of that event and Ed's birthday, which was the day before. It was also the birthday of Dr. Frank Tucker and others present who had birthdays in May were: Two nieces, Louise Martino of Lakeville and Cheryl Stewart of So. Bend; Lydia Shuman, Otto Hartz of So. Bend, Mrs. Lee Severns of Bremen and Don Dielman of Macy.

Besides the above honored guests were Mrs. Anna Rickel and Mr. and Mrs. Bert Holloway, Lee Severns of Bremen, Alice Deering and friend, Mrs. Martha Hartz, Mrs. Maxine Severns and children Sandy, Dennis and Freddie, Mr. and Mrs. E. P. Stewart and daughter Sandy, all of South Bend; Mr. and Mrs. Richard Hill of Mishawaka, Mr. and Mrs. Earl Dielman and Mrs. Anna Dielman and son Stevie of Macy, Mrs. Marie Barkman of Plymouth, Mrs. Frank Tucker of Claypool, Mr. and Mrs. Everett Pontius of Logansport and Anna Marie and Gladys Severns.

Refreshments were served after Ronnie and Ed opened their many beautiful gifts. Mr. and Mrs. Ken LaCrosse were unable to come but sent a gift.

NAMED TO BOYS' STATE

Boys' State candidates from the Beaver Dam School have been announced. These boys are sponsored by various American Legion units. The Warsaw Post has named Bill Whetstone as their candidate, with Robert Stackhouse as alternate. The Akron Legion is sponsoring Max Ummel with Mike Summe as the alternate.

**Citizenship
School**

The Home Demonstration Council of Kosciusko County is sponsoring a program "Being a Good Citizen" 1:30 p. m. Friday, June 6 at the Warsaw Methodist Church Education Unit.

Hobart Creighton, a former legislator from Kosciusko County, will discuss "How a Bill Becomes a Law."

George Harvey, a member of the State Farm Bureau Tax and Legislative Committee, Indianapolis, Indiana, will talk on "How A Lobbyist Works." A question and answer period will follow the talks.

The program is open to anyone who is interested in becoming better informed on these two subjects.

The committee in charge of the program is composed of: Mrs. Kip Sullivan, North Webster, Chairman; Mrs. Gordon Brubaker, Warsaw; Mrs. Carleton Jones, Claypool; Mrs. David Cully, Sy-Warsaw; Mrs. Byron Ringo, of Warsaw.

FAMILY GATHERING

A family gathering was held Sunday at the home of Mr. and Mrs. Harry Sullivan in honor of Mr. and Mrs. David Johns, Susan and Sherrie of Arlington, Calif.

Others present were: Mr. and Mrs. Ward Sullivan and family, Mr. and Mrs. Lloyd Sullivan, Mr. and Mrs. Bill Fields and Penny Lou and Mr. and Mrs. C. F. Fields all of South Bend, Mr. and Mrs. Jesse Henderson and sons of Akron, Mr. and Mrs. Herb Carlile and Erschel, Larkin Fields, Mrs. Edith Walls and Don all of Rochester, Barbara Carlile of Indianapolis, Phyllis Carlile, Findlay, Ohio; Martha Sullivan, Elkhart, Mr. and Mrs. H. V. Johns, Marilyn and Larry Sullivan.

**Picnic & Program
to end V. B. S.**

A picnic at noon and a program in the evening of the last day will conclude the vacation Bible school conducted by the church of Christ.

The vacation Bible school will get underway on Monday, June 2, and will continue through Friday, June 13. Classes will be conducted each morning for two hours, beginning at nine o'clock and each day's services will consist of singing, the Bible lesson, and activities correlating with the lesson.

Classes, beginning with the four year olds and continuing through high school, will study the theme, "Putting Christ in Every Home." There will be an adult Bible class taught by Dale Kelley. Refreshments will be served each day at the recess period.

The picnic on the last day will be given after the classes. On the evening of June 13 at eight o'clock there will be a program presented by the various classes.

If your children haven't enrolled yet, we would be happy to have them come on Monday, or at any time they can come. If we can be of any assistance, phone Ralph Burris, Elmwood 3-2935.

BRIDAL SHOWER

Mrs. Stanley Yeiter was guest of honor recently at a bridal shower given by Mrs. Fred Lemler and Mrs. Wayne Bowser. Mrs. Yeiter was presented many beautiful and useful gifts. Guests present were from Bourbon, Plymouth, Bremen, Columbia City, Mentone, Nappanee and Lake of the Woods.

GETS MERIT AWARD

Miss Sue Shoemaker was the recipient of the Merit Award cup presented to an outstanding member of the graduating class by the Brown Jewelry Store.

**NEW FLAG HOLDERS

Farm Field Day July 24th

The Kosciusko county soil conservation district supervisors and technicians and the county extension service are planning a Forage and Conservation Field Day for July 24. The Field Day will be held on the Sam Rhoades and Delmar Gebert farms in Washington township. Mr. Rhoades was the first cooperator to receive a complete farm plan under the new conservation district organization, and the field day will demonstrate many of the phases of his new land use plan.

Projects already completed for the Field Day include construction of a large pond with approved outlet and mechanical overflow, oats variety and fertilizer demonstrations, permanent

pasture renovation, and contour corn planting.

County implement dealers are cooperating in the project and on July 24 will demonstrate subsoilers, tractor blades and scoops, hay balers, forage choppers, automatic transmission tractors, and many other new implements. A full day's program is planned including a tile ditch installation, gully filling, pasture renovation, and sod water way construction.

Motorist Apologizes

Mr. Lane was once a Mentone resident and left here in the early 40's.

Victor Lane, 52-year-old Lafayette hat salesman, apologized May 19th to motorists he had offended by his driving in the last 34 years.

In a two-column advertisement in a Lafayette newspaper, headed "My Sincere Apologies," Lane said:

"After 34 years of safe-driving, for which I take little credit, but for which I am truly grateful, I wish to publicly apologize to the following motorists:

"All those alert drivers who successfully avoided me when I signaled one way and drove another.

"All the unfortunate drivers by the roadside whom I might have helped, had I not been so unthinking.

"Women drivers in general, whom I have accused of stupidity, only to learn on second

look they were men.

"My wife and family, who have often saved me from an accident without having received proper thanks.

"If you are one of these thousands of wonderful people, I will greatly appreciate your continued forbearance.

"Thankfully yours,
"Vic Lane."

FARM MANAGERS MEET JUNE 8-10

Approximately 400 managers and appraisers are expected to attend the summer meeting of the American Society of Farm Managers and Rural Appraisers at Purdue University, June 8-10. J. Fred Duff, Lebanon, is Society president.

Dr. N. J. Volk, associate director of Purdue's agricultural experiment station, will outline research progress at the opening session the night of June 8. The following day visits will be made to the University's livestock and agronomy farms.

Following a luncheon Monday noon the Society will hold a business meeting. Dean Earl L. Butz, director of agricultural activities at Purdue, will be principal speaker at a banquet Monday night. He will discuss "The New Look in Commercial Agriculture."

Crop Sprayers Popular Tool

Many Indiana farms are equipped with a crop sprayer and the outfits are becoming more popular every year, says Glen Lehker, Purdue University extension entomologist.

The sprayers are used mostly to apply weed killers and insecticides, although fungicides, liquid fertilizers and many other agricultural chemicals can be applied with the same or similar types of equipment.

A majority of the crop sprayers in use today are equipped with

gear type pumps which operate from the power take-off and have boom with nozzles spaced at 20 inch intervals.

Drops and spray guns are optional equipment. Drops are extensions attached to the openings in the spray boom so that the nozzles can be lowered along side of row crops to apply the pesticide where it is most needed. Spray guns attached to a single lead of hose are useful for spraying livestock, shade trees, shrubs, fence rows and small patches of plants or weeds.

Crop sprayers do the best job when outfitted with 10 gallons per acre nozzles, Lehker says. This means that when operated at the speed and pressure recommended by the manufacturer, the machine will discharge 10 gallons of spray each time it is driven over one acre of land. The nozzle tips are interchangeable and can be purchased in any size desired.

The trend in crop sprayers is also toward the trailer type as contrasted with the tractor mounted sprayer. The trailer outfits are more versatile and have a wider range of uses, since little time is wasted in attaching them to the tractor. They, likewise, do not tie up the machine for other purposes.

Winners In Amateur Contest

Pamela Kuhn and Gary Pfeiffer were the first place winners in the respective groups in the amateur contest held at the May meeting of the Seward Township Farm Bureau held in the Burket Gym. Pamela sang, "Open Up Your Heart" and Gary gave a reading about Pa and Ma.

Second place winner in the Pet and Bobby group was Gregory Pfeiffer with his "Levee Song". Second place winner in the older group was Jackie Pfeiffer who played "Melody in F". Third place winner in the same group was Phillip Murphy who played a cornet solo.

The meeting was opened with group singing of "Battle Hymn of Republic" and the "Church in the Wildwood", led by Dwight Polk with Evelyn Eckert at the piano. Alton Bruner gave devo-

tions, reading "Slowing down to the Lord's Prayer."

The secretary and treasurer's report was read and approved. The Pet and Hobby members met with their leader, Mrs. Steller.

The chairman announced the county picnic to be held at the county fair grounds on July 6. Mrs. Murphy explained and distributed the health cards.

Howard Silveus discussed the Soil Conservation Project and told there would be a field day to demonstrate its various aspects on the Sam Rhodes' farm. All who are interested should plan to be there. Mr. Silveus then divided the audience into three groups to discuss Relief for Property Tax. Suggestions reported back by the three groups were: simplify the tax forms state and Federal, have an extra tax on cars, more tax on liquor and tobacco, hold down salaries of state officials, equalize assessments (no favoritism by assessors).

The group voted to give \$5.00 to the Medlin Fund, \$1.00 to Pennie for Friendship, and \$1.00 to International Goodwill.

The door prizes went to Zeta Parker, Alton Bruner, Victor Longbrake, and Gene Polk.

The meeting adjourned and refreshments (cookies, ice cream, orangeade and coffee) were served by the committee.

Northern District Director Given Surprise Reception

(The three photos shown here were taken in the beautifully decorated home of Mrs. Ray Linn where the reception was held Friday evening.)

Mrs. Smith being presented with the first serving by her sister, Mrs. Eldred Paulus.

Mrs. Frank Smith, who has recently assumed her duties as Northern District Director of the Indiana D. A. R. was guest of honor at a surprise reception on Friday evening, May 23rd at the home of Mrs. Ray Linn.

Mrs. Linn's home was attractive with spring flowers, carrying out "Jerry's" color of lavender.

A review of Jerry's life was given by Mrs. F. R. Burns, Mrs. Laurence Quenin, Mrs. Glen Hyhley, Mrs. Eldred Paulus, Mrs. Ernest Igo and Mrs. Ray Linn.

Jerry was crowned Queen of the Northern District by Mrs. Quenin. Her niece, Miss Rita Louis Paulus, presented her with a lovely basket of lilies of the valley. A gift from Anthony Nigo chapter was presented by Mrs. Arthur Brown. The gift was a sterling charm with "Anthony Nigo Chapter, D. A. R. 1958" engraved on it. Mrs. Linn presented the honored guest with some pictures for her scrap book.

Mrs. Eldred Paulus, regent of the local chapter and a sister of Mrs. Smith presided at the beautifully decorated serving table. Again the color, lavender, was accented in the flowers, punch, and small white cakes with "Jerry" written in lavender. Pictures were taken by Arley Cullum.

Guests of the evening were Mrs. F. R. Burns, Honorary State Regent and past Vice-President General, North Manchester; Mrs. Laurence Quenin, State Chairman of Press Relations, and Mrs. Glen Hyhley, Scrap Book Chairman from Muncie; Mrs. Jess Wittmyer, Mrs. C. G. Carter, Miss Yvonne Rathfon, Miss Elaine Manwaring and Miss Rita Sue Paulus.

Cohostesses were Mrs. Arthur Brown, Mrs. Ernest Igo and Mrs. Eldred Paulus.

Mrs. Linn would like to express her personal thanks to all who helped to make this evening one of the highlights in Mrs. Smith's term of office.

Give Flag To Hospital

On May 20th, The Anthony Nigo Chapter, D. A. R. of Mentone, gave an Indiana Flag to the Dr. Norman M. Beatty Memorial

Hospital, Westville, Indiana. Mrs. Paul Shireman, Chapter Flag Chairman made the presentation to Dr. David P. Morton, Supt. of the hospital. At the presentation ceremony were Regent of Anthony Nigo Chapter Mrs. Eldred Paulus, Mrs. Ray Linn, State Chairman of Program and Mrs. Omer Drudge. Mrs. Frank Smith, Northern District Director was unable to attend. Accompanying the group was Mrs. Lewis Hurford, director of all volunteer activities of the 12 Northern Counties on Service at the hospital.

Thursday, May 22, Mrs. Frank

D. Smith, Northern District Director and Mrs. Ray Linn, State Chairman of Program from the Anthony Nigo Chapter, D. A. R. Mentone, attended the Central District D. A. R. Group meeting held at Winchester, Indiana. Accompanying them were Mrs. F. R. Burns of North Manchester, Mrs. C. L. Bandegrift, State Recording Secretary of Wabash, Mrs. Lawrence L. Quenin, State Chairman of Press Relations from LaFontaine, R. R. 1, and Mrs. Glen Hyhley of LaFontaine, R. R. 1, Scrapbook chairman.

Main Street In Mentone Sometime Back

The photo below, handed us by Joe Baker, was taken about 1903 or 1904, as near as can be determined. The view was the block from the drug store to the alley at Coopers' Store, and the present post office building, built about 1903, can be seen across the street west (left) in the picture. Charles Shafer is the one man standing in front of his drug store, and the man at the west end of the block is believed to be Bill Forst.

SHE WAS too weak to speak ... this child of eight. But the words were plain to see in her eyes: "Can't you make me well again, Doctor?"

It's terribly hard ... even for a doctor who sees tragedy enough ... to watch a child fade from the sunlight of life—a victim of cancer.

We had succeeded in prolonging her life by many months—thanks to recent advances in the treatment of leukemia.

But that's not enough! Cancer is a disease that ranks today as the Number 1 disease-killer of children. We can ... we must ... find ways to battle it, and win over it.

Research, supported by the American Cancer Society, is striving towards that goal.

Let's give ... boldly, generously to the American Cancer Society Crusade ... and help eliminate this mortal enemy which will take the lives of more than 250,000 Americans this year alone.

Send your gift to CANCER, to your local post office.

Volunteer Firemen's Week June 1 through 6

To All to whom these presents may come, greeting:

Whereas, the Indiana Volunteer Firemen yearly perform invaluable services to the citizens of the State of Indiana through their unselfish giving of time and money to protect the lives and property of our citizens, and

Whereas, each year untold millions of dollars and hundreds of lives are saved by the men who voluntarily and without compensation offer their services in the protection of their fellow citizens, and

Whereas, without such valuable services many communities in our State would not have any form of fire protection, and

Whereas, all citizens of our State should, during the week of

June 1 through June 6 pay honor and respect to the men of the Indiana Volunteer Firemen's Association in appreciation of their services rendered.

Now, therefore, I, Harold W. Handley, Governor of the State of Indiana, do hereby proclaim the week of June 1 through June 6, 1958 as VOLUNTEER FIREMEN'S WEEK in Indiana and do hereby urge all of the citizens of Indiana to support Indiana's Volunteer Firemen during that week.

In Testimony whereof, I have hereunto set my hand and caused to be affixed the great seal of the State of Indiana at the capitol, in the city of Indianapolis, this 9th day of May, 1958.

Sudan Pasture

Sudangrass is the best emergency summer pasture crop, especially for cattle and sheep in Indiana, say Purdue University agronomists.

Sudangrass should be seeded at the rate of 25-30 pounds an acre in late May or early June. It will be ready for pasture five or six weeks after seeding.

Greenleaf variety is recommended because of its vigor and leafy growth and disease resistance. Certified seed should be used. This variety also makes a rapid recovery after grazing. Piper and Sweet Sudan are other good varieties, but are more susceptible to disease.

Fertilizer should be applied according to soil tests. If none has been made the agronomists suggest applying 250 pounds of 0-20-20 or equivalent on high nitrogen dark soils and 10-20-20 or 10-10-10 or equivalents on light colored loam soils. Light colored sandy and sandy silt loam soils often need 40-100 pounds of additional nitrogen if manure or legume sod is lacking.

Alternate grazing, achieved by

dividing a field, will give more pasture days. Two acres of Sudangrass pasture will carry three head of cattle. The grass will stand more trampling than any other temporary pasture and still keep growing throughout the season.

Greenleaf is a good variety for growing in a Sudangrass-soybean mixture. The soybeans boost the protein content of the mixture. They should be drilled with a grain drill set for four to six pecks on the oats scale, according to the agronomists. The Sudangrass seed then can be sowed through the grass seed attachment or broadcast separately at 10-16 pounds an acre and covered with a harrow.

The soybean-Sudan mixture can be cut from the time the first heads appear on the Sudangrass until seed is well-formed in the soybean pods.

On erosive southern Indiana fields Greenleaf Sudangrass, with its heavy root system and canopy effect, makes an effective cover crop before forage seedlings are made. If harvested for silage, a 12-inch stubble can be left for additional surface protection.

Keep Feed Troughs On Sod

Feed troughs for growing pullets on pasture should be kept on areas covered with sod, J. W. Sicer, Purdue University extension poultryman, points out.

Sicer says since pullets spend so much time near the feeders, there will always be a heavy deposit of droppings. If these accumulate on bare ground, a crust of manure will form and ideal conditions for disease development will result. And rain makes a mess of such an accumulation.

When the troughs are on a thick sod, much of the droppings will work down through the grass and will not be trampled as much by the chickens. If the troughs are moved a bit each day when the feed is replenished, there

will never be a heavy accumulation of droppings in any one spot.

Moving the troughs also encourages a wider use of the pasture, Sicer adds.

Jerilyn Craig is home from the Woodlawn hospital. She is improving slowly.

Mr. and Mrs. Arnold Flory and children of Tippecanoe, spent Tuesday evening visiting Mr. and Mrs. Abe Whetstone.

A simple shade over the range waterer will help keep the water cool and more satisfying to growing pullets, Purdue University poultry scientists, assert.

Nine mimeographs containing the latest cattle feeding research information, distributed at the 1958 Indiana Cattle Feeders' Day, are now available from the agricultural publications office, Purdue University, Lafayette. They cover such subjects as pasture and drylot comparisons, tranquilizers, pelleted feeds, silage comparisons, protein supplements and paved feeding platforms. The mimeos will be mailed on request without charge to Indiana residents.

Mothers Of W. W. 2 Meet

Edith Scott was hostess to the Mothers of World War No. 2, Unit No. 106, for their May meeting Monday evening, May 12.

Mrs. Samuel Norris opened the meeting by the presentation of the flag; the pledge to the flag and singing one verse of the Star Spangled Banner, prayer by the Chaplain.

Mrs. Davis reported on her findings concerning hospital chairs and walkers.

The State convention held at Elkhart was reported by those attending.

Communications were read and placed on file. All bills were allowed.

Edith Young was appointed to purchase the attendance award.

The Mothers were requested to be present and take part in the Memorial Service. Also to purchase the memorial wreath.

Good will bags were distributed.

Some plans were made to go to the veterans hospital, Ft. Wayne. Marie Coleman was appointed to deal further into same. June's meeting will be with Dora Whetstone. They closed with the usual closing. The hostess served lovely refreshments.

Methodists End Conference

Acceptance of a Negro church into the group highlighted the 115th annual session of the North Indiana Conference of the Methodist Church which ended at Warsaw Sunday afternoon.

Neighborhood House of Fort Wayne became the first Negro church to be admitted to the conference when the 800 lay and ministerial delegates voted unan-

imously to accept the transfer of the Central Jurisdiction, the Negro administrative division of Methodism.

Other highlights of the five-day session were:

Approval of a plan for capital expansion valued at nearly \$1 million at the conference's camp site at Epworth Forest, on Lake Webster; and action to set up a group insurance plan for both active and retired ministers of the conference.

The conference voted to begin a fund-raising campaign this fall for improvements at Epworth Forest. A minimum goal of \$750,000 and a maximum of \$1 million was provided in the legislation. Bishop Richard C. Raines, episcopal head of Methodism in the state, also was authorized to appoint a district superintendent to direct the financial campaign.

Conference statistics listed 115,095 members, an increase of 620 over last year. Estimated value of all church property in the conference was set at more than \$35 million. Also, the conference treasurer reported disbursements of more than \$6.3 million to various church benevolences and pension funds.

Pastoral changes in our area were: O. F. Kent to Atwood from McNatts-Asbury. Charles V. Clifton to Redkey from Etna Green. Floyd E. Blake comes to Etna Green from Fowlerton. Rev. Milton G. Persons was returned to Mentone for his fourth year.

Don't Rush - Consider!

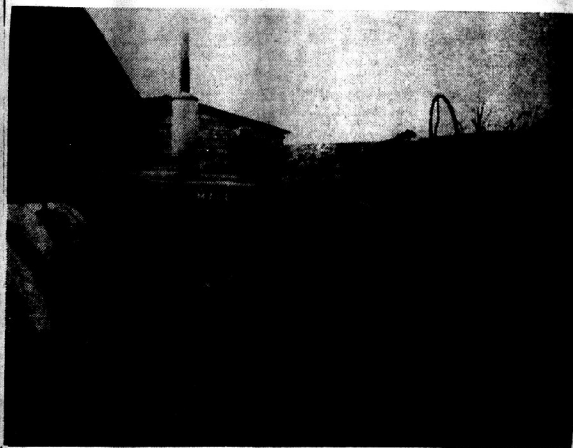

When death enters a home, don't be rushed into buying a monument by high-pressured salesmen during your grief.

A monument is a once in a life time purchase. Give it careful consideration, as it deserves. Our plainly marked prices, include the complete cost of lettering, foundation, and installation.

For the last two years my son Jerry has filled and operated my Farmall "M" tractor on propane gas and I consider it safer to fill and use than gasoline.

This is my third season since I overhauled the engine and it has good compression and runs and idles very smooth. I farm over 300 acres so I consider it has had plenty of hard use to test the propane. I find it to be about one third cheaper to operate than gasoline.
