Mentone Election  
Close Affair

The town election held in Mentone Tuesday proved to be one of the closest affairs in recent years. With the exception of one contest, five votes was the greatest spread among opposing candidates.

In the first announcement by election officials, Robert Jones defeated Merrill Peterson for clerk-treasurer 116 to 114. In this tabulation, eleven ballots had been set aside for various infractions of marking rules. During the canvass by the central committee, required by law, it was agreed to do as in times past and where the intent of the voter could be definitely determined, count them as legal ballots. When this was done, Peterson defeated Jones 121 to 120 for the clerk-treasurer's post. All other contests remained unchanged.

There is talk that a total recount may be made to definitely satisfy the electors.

In the figures below, the first column of figures is the first total reported by the election board, and the second column is the total after the questionable 11 votes were considered:

Democratic		
Richard Dickerhoff	47	47
Russell Eber	114	117
Dale Wallace, Jr.	113	117
Merrill Peterson	114	121
Republican		
Dr. O. L. McFadden	181	186
Harold Utter	118	121
Loren Tridle	117	122
Robert Jones	116	120

McFadden, Utter and Tridle, republicans, were elected as town trustees, over their democratic opponents.

CAR RAMS  
COOPERS' STORE

Henry Adams, 19, of Route 2, Claypool, was fined a total of \$27.75 by Justice of the Peace Wilbur Gill Sunday after his auto struck the front of Coopers' Store Saturday night. He was charged with drunken driving.

Gill also recommended that Adam's operator's permit be suspended for one year. The youth was jailed Saturday night after his auto went into the store. Damage to the store was estimated at \$200. Sheriff Sam Holbrook was the arresting officer. Adams was not injured.

Ben Woodcox  
Dies Monday

Benjamin A. Woodcox, 53, died Monday at 3:25 a. m. in South Bend's Memorial Hospital, where he had been a patient since October 23. Ill since June 23, he resided nine miles north-east of Rochester.

Born March 10, 1906, in Rochester, he was the son of Harley and Melvina Vawter Woodcox and had spent his life in this community. He was married December 23, 1931, in Rochester to Dorothy Bixler, who survives.

Mr. Woodcox was a member of the Talma Christian church.

Surviving besides the wife are seven children, Ulrich, Lonnie, Melvin and David, all at home; Mrs. Stanley (Edith) Przeworski, South Bend; Mrs. Richard (Martha) Shoddy, Talma, and Arthur, in the Air Force and now on leave from duty in Japan; his mother, Mrs. Harley Woodcox, Rochester; 5 grandchildren; one brother, Ulrich, Rochester, and four sisters, Mrs. Lewis (Louise) Polk and Miss Betty Woodcox, both of Rochester, and Mrs. William (Mary) Tyler and Mrs. Austin (Annabelle) Kincaid, both of Gary.

Funeral services were held Wednesday at 2 p. m. in the Zimmerman Brothers funeral home, Rochester; with Rev. Eldon Evans of the Walnut Creek Church of the Brethren officiating. Burial was in the Rochester IOOF cemetery.

NEW EMPLOYEE  
AT LOCAL BANK

Mr. Lewis E. Norwood of Wabash, Indiana, has been employed by the Farmers State Bank and will commence his employment on November 9th.

Mr. Norwood has been an employee of the First National Bank of Wabash for the past ten years, serving the last five years in the official capacity as auditor. He is a native of that community, having graduated from Wabash High School in 1940, and has since completed courses with the American Institute of Banking in Fundamentals of Banking, Commercial Law, Negotiable Instruments, Economics, Business Administration, Money and Banking, Accounting and proposes to complete his A. I. B. training by graduating with a major in Commercial Banking and Trust Administration.

He is now serving as the elected Secretary of the National Association of Bank Auditors and Controllers of the Northern Indiana District.

Mr. and Mrs. Norwood are planning to move into the Brown apartment on or about December first.

## NEW SON

Mr. and Mrs. Leonard Smith are the parents of a son, Leon, weighing seven pounds, eleven ounces. He was born Monday at the Murphy hospital in Warsaw.

## C. OF C. MEETS

The executive committee of the Mentone Chamber of Commerce met Tuesday evening for its regular monthly meeting.

Dave Cooper (chr.), Arthur Brown and Fred Lemler were named on a Christmas lighting to have the decorations erected committee and it was proposed by about the first of December. It was also planned to add a few items of decorations to those already on hand.

It was thought that some of the clubs of the city might be thinking about ways and means of improving our Christmas decorating scheme. Ideas are invited.

It was determined that all contributions for the chamber's share of the cost of the zoning project be made available by Dec. 10. Those who have not already made their contribution should see that it is in the hands of the solicitors before that date.

PUBLIC MEETING  
ON WATER FACILITIES

Gerald H. Tombaugh, representing the engineering firm of Clyde E. Williams & Associates, Inc., of South Bend, was in our town Tuesday gathering information on the adequacy of the Mentone water system.

The engineering report will include plans for present and future needs. At the present, we have been told, there are areas in the town that cannot be supplied proper pressure and water supply, and some industrial units are in the "fringe" area as far as water supply is concerned. It has been mentioned that there may be considerable savings on insurance costs if more water is made available.

A public meeting will be held at the town hall on Monday evening, Dec. 7th, at 7:30, and the citizens are invited to attend and hear the various reports that will be given.

STUDENTS TO HAVE  
SNAKE DANCE FRIDAY

The Mentone basketball players, and cheer leaders, will hold a snake dance on the streets Friday afternoon, starting at 2:30, to help create more interest in the ball game that evening. The fire truck will also take part in the parade.

Mrs. Don Hartzell of Millwood visited one afternoon last week with her sister, Mrs. Melvin Cain.

TOWN PASSES  
GAS ORDINANCE

At a meeting of the Mentone town board Monday evening, an ordinance was passed granting a franchise to the Northern Indiana Public Service Company to supply commercial gas to the town of Mentone. There were no remonstrators present at the meeting.

The granting of the franchise now makes it possible for the NIPSCO to get approval from the state and then proceed with the installation of pipelines to transport the gas. Very likely the service will not be available in Mentone for approximately a year. The power company will install the entire system at their own expense.

## HALLOWE'EN WINNERS

The following were chosen as the winners in the Halloween parade sponsored by the Mentone Lions club last Saturday evening, and were awarded cash prizes:

Largest family group, the Chan Stine family.

## FUTURE FARMERS HAVE MEETING

On November 2, the Mentone Future Farmers held a meeting in the agriculture room. There were 46 members present. We have 13 new members that will become greenhands for the 19-59-1960 year. Our greenhands will be initiated on November 11 at a meeting to be held at 7:30 p. m.

We discussed taking a trip to Chicago, to the International Livestock Show, which will be November 27. We also discussed a project for raising some money. One that we considered was getting some land to farm. We have been collecting scrap iron from around the community and

we have had about \$75 turned in to the FFA.

### FRED OLDS, JR. P. T. A. SPEAKER

Fred Olds, Jr., Warsaw Schools Art Instructor, will speak on "Applying Art to Other Subjects" at the November 11, 7:30 p. m., P. T. A. Meeting at the Mentone School. During the business meeting Mr. Olds will entertain the children, in the projection room, with a chalk talk. Movies will also be shown to the children during the children during the adult program.

This month the 3rd and 4th grade will present a short program.

November 8-14 is Education Week. All school patrons are urged to visit the school and meet their youngster's teachers and look over the school.

October was quite a successful month for the P. T. A. At present we have 176 paid memberships and had a combined attendance of adults and children of over 250 at our meeting. This is truly an indication that Harrison Township is becoming quite aware of the importance education will play in our future.

Last Friday night proved again that we are very interested also in becoming intelligently acquainted with our sports department. This should lead to a good understanding between fans, sport participants and officials.

The Junior Class Penny supper was a huge success as was the Senior class play, both had by far the largest attendance for some time.

These activities we feel sure are an indication of good interest in our school and students.

Final plans for the P. T. A. Penny Supper will be made at this meeting. The supper will be held November 14th. Mark this date on your calendar.

The membership committee will be at the door to pass out cards from the last meeting and to accept new memberships.

The P. T. A. meets the second Wednesday of each month. We will see you November 11, 7:30 p. m.

### BEAVER DAM SCHOOL NEWS

Marjorie Harris, Dixie Bergstrom, Janet Welty, and Phyllis Ummel attended the College Day activities last Wednesday afternoon. This was held at the Warsaw high school.

American Education week is from November 8-14. A census bureau reveals that those who finish elementary school may earn \$116,000 in a lifetime; those who finish high school may earn \$165,000; those who finish college may earn \$268,000. Make sure YOUR child is receiving a good education. Visit your school anytime, but especially during American Education Week.

Last Friday morning those students in grades 7-8 selected the yell leaders for the junior high basketball team. Those who tried out were Bea Walsh, Betty Bibler, Lillian Carlson, Diane Lowman, and Lynn Lackey. The three chosen were Betty Bibler, Lynn Lackey, and Diane Lowman.

### RESOLUTION No. A-4 FOR THE CONSTRUCTION OF SEWER

Be it resolved by the Board  
 of Trustees of the Town of Men-  
 tone, in the county of Koscius-  
 ko, Indiana, that the sewer in  
 the northwest part of Mentone is  
 inadequate and unusable and  
 that a new sewer be constructed.

The proposed sewer to be con-  
 structed of an 8 inch slip ring  
 die cast tile, of an average depth  
 of 5 feet and will extend from  
 the 12 inch sewer at the inter-  
 section of the alleys between  
 lots 97-98-116-117 and terminate  
 at alley entrance of lots 110 and  
 104. Lots 98-99-100-101-102-103-

### RESOLUTION NO. A-3 FOR SEWER CONSTRUCTION

Be it resolved by the Board  
 of Trustees of the Town of  
 Mentone, in the county of Kos-  
 ciusko, Indiana, That the pres-  
 ent sewer is unusable and ir-  
 reparable, that drains the town  
 block bounded by Oak, Main,  
 Monroe and Walnut Streets.  
 That a new sewer be construct-  
 ed.

The proposed sewer be con-  
 structed of ten inch slip ring  
 type, die cast tile of an aver-  
 age depth 6 ft. and will origi-  
 nate at the 24 inch sewer in-  
 tersecting alley of lot 29 and ter-  
 minating at alley entrance of  
 lots 24 and 45 and lots 43 and  
 46. The proposed sewer to run  
 in alleys between lots 24 & 25,  
 44 & 45 and in the alley between  
 lots 43 - 46 - 44 & 45.

Be it further resolved by the  
 Board of Trustees of the Town  
 of Mentone that the corporation  
 of Mentone will pay for one-half  
 of the total cost of the proposed  
 sewer construction from monies  
 already appropriated and that  
 one-half of the total cost will  
 be born by the property own-  
 ers of lots 23-24-25-26-27-43-44-  
 45 & 46. The present owners be-  
 ing Mrs. E. Vocum, Wm. Board-  
 man, Mrs. John Landis, E. Wag-  
 ner, Jr., Edwin Bach, Mrs. F.  
 Rouch, E. D. Anderson, E. E.  
 Wagner.

The total cost of the proposed  
 sewer is estimated to be  
 \$1500.00 and that each lot will  
 be assessed \$83.33.

Remonstrance to the above  
 proposed resolution will be  
 heard at the Town Hall in the  
 Corporation of Mentone on the  
 17th day of November, 1959 at

**Grain Stocks  
Now Lower**

Stocks of old corn, wheat, oats, rye and barley in all storage positions October 1 in Indiana were smaller than a year ago, according to state-federal agricultural statisticians at Purdue University.

Corn stocks totaled 81 million bushels, 11 percent less than a year earlier. Farm stocks stood at 10.7 million bushels, 13 percent of all corn in storage, and 15 percent below year ago levels.

Wheat stocks of 14.5 million bushels were 18 percent less than those of October 1, 1958. Farm stocks made up a third of the total and were 40 percent below a year ago.

Oat stocks amounted to 27 million bushels, 31 percent smaller than last year. Eighty-eight percent of the oats was stored on farms, about a third less than a year ago.

Rye stocks of half a million bushels were 17 percent less than a year earlier. Farm stocks making up 81 percent of the total, were 26 percent below October 1, 1958.

Barley stocks of a million bushels were one-third less than last year. Ninety-two percent of the barley was stored on farms and this was 24 percent below a year ago.

Old soybeans, totaling two million bushels, stood 225 percent above October 1, 1958. Forty-three percent was stored on farms. This was 311 percent larger than farm stocks a year ago.

Sorghum grain stocks (1958 crop) at 32,000 bushels were 146 percent greater than last year's total.

## PHONE CHANGES AT SILVER LAKE

Present dial facilities in General Telephone's Silver Lake central office will be replaced with automatic Electric dial switching equipment next year. T. E. Lemmon, district commercial manager, announced.

The change in central office facilities will lead to eventual use of the standard numbering system and Direct Distance Dialing in the Silver Lake area. It also will provide for anticipated future growth in the area.

Standard numbering employs the use of telephone numbers containing two letters and five digits. Direct Distance Dialing allows customers to dial directly millions of telephones in thousands of cities and towns over the United States and Canada. All dialable points on the DDD network have standard numbering.

## ROUGH DAY ON PLANES

The windy day Sunday left two of Mentone's airplanes damaged. Larry Creakbaum, preparing to take off in the club plane, had just checked the motor and before he moved the plane, a gust of wind got under one wing and turned it away from the wind. The tail them came up and the plane landed on its back with a damaged prop., windshield, wing and strut.

The same day Allen Herendeen was landing at Plymouth when one landing wheel failed to come down. He was unaware of this fact until he touch the runway, but he managed to control it for a landing. The only damage was to one tip of the propeller. A broken chain in the landing gear made the wheel and its warning signal inoperative.

## SINCERE THANKS

I want to thank the voters for their support in the election on Tuesday.

MERRILL PETERSON.

(Although this is addressed to Chevrolet owners, we'd be glad to have you read it, no matter what make you now own or plan to buy. It might well be as interesting and significant to you as to the Chevrolet owner.)

## TO THE MORE THAN 16 MILLION PEOPLE WHO OWN CHEVROLETS

The first and the latest—the 1912 and the 1960 Chevrolet. The progress represented here is the result of continuing efforts to make your new Chevrolet always more beautiful, more useful and more valuable in every respect.

You belong to the largest family of owners in the automotive world.

We hope you're proud of that. It must give you great satisfaction to know that your judgment in choosing Chevrolet has been confirmed by so many other people.

We know that we can hold your preference and your loyalty only by meeting our responsibilities to you fully and completely from the day you buy your Chevrolet to the day you trade it in. And so we'd like to talk with you about our responsibilities as we see them, and what we are doing to meet them.

Our first responsibility, we think, is clear: To design and build products that satisfy your needs and your wants to the highest possible degree. To that end, we have done these things for 1960:

Made the 1960 Chevrolet more economical, roomier, more quiet and comfortable, easier to handle and maneuver.

Introduced the compact and revolutionary Corvair. Produced a new line of Chevrolet trucks with unprecedented advances in efficiency, cargo handling, driver comfort and ability to get a job done.

But it isn't enough to design and build the kinds of products you want.

They must be built right. Solidly. Carefully.

Let us assure you of this: Chevrolet's fine reputation as a solid, well-built, dependable product is being safeguarded by more checks and inspections and tests, than ever before.

## Sales Manager Killed Tuesday

Thirty-eight-year-old George J. Roy of Bourbon, father of seven children, was killed instantly at 1:29 Tuesday morning when his car collided with a semi-truck just east of the Bourbon town limits on U. S. 30.

Officers said the car driven by Roy crossed the center line and crashed into the truck. George Ellison, 37, of Chicago, driver of the truck, was not injured.

Roy was sales manager for the Bourbon Orthopedic Equipment company. He was the speaker Monday night at a meeting of the Etna Green Lions club and was en route home at the time of the fatal accident. Officers said he apparently missed the curve while driving at a high rate of speed. His car smashed into the rear wheels of the semi tractor.

His auto bounced off the semi and hurtled along the highway, leaving parts of the wrecked car scattered along the way. The auto finally stopped some 200 feet from the point of impact. Roy was thrown out of the auto about 100 feet from where it collided with the truck.

Marshall county officials said Roy suffered a fractured skull, broken neck and severe scalp lacerations. His auto, a 1953 model, was a complete loss. The truck and trailer were damaged to the extent of approximately \$1,500.

Funeral services will be held at 2:00 Thursday afternoon.

## HAVE FAMILY DINNER

Mr. and Mrs. Tom Harman, Timmy and Lisa were hosts to a dinner Sunday in honor of the Golden Anniversary of his parents, Mr. and Mrs. Walter Harman of Etna Green. The entire family was able to be present for this occasion. They included: Mr. and Mrs. Forrest Strang and Ron of South Bend, Mr. and Mrs. Howard Mock and Jim, Mr. and Mrs. Doug Mock, Vickie and Angela and Mr. and Mrs. Larry Mock of Syracuse; Mr. and Mrs. Max Harman, Randy and Jonell of Leesburg, Mr. and Mrs. Lorain Sellers, Kathy and Nannette of Bourbon, and Mr. and Mrs. Steve Strang of Bloomington. Mr. and Mrs. Artley Cullum also enjoyed dinner with the Harman family. In the afternoon Open House was held at the home of Mr. and Mrs. Walter Harman north of Etna Green where the couple greeted many friends and relatives.

## Has Wedding Shower

Mrs. Merrill Peterson was surprised with a shower given by Mrs. Harold Coplen and Mrs. Jesse Coplen Wednesday night at Pete's Restaurant.

Those present were: Mrs. Edward Jones, Miss Suellen Shepherd, Mrs. Joe Widman, Mrs. Folsom Newell, Mrs. Chester Coplen, Mrs. Edwin Teel, Miss Colleen Gible, Miss Debra Coplen, Mrs. Marion Woodling, Mrs. Frank Newton, Mrs. Reid Woodling, Mrs. Gerald Ross, Mrs. Paul Vermillion, Mrs. Dale Bauer, Mrs. Geo. Woodling, Mrs. Darrell Coplen, Mrs. Virginia Peterson and Mary Ann, Mrs. Robert Brook, Mrs. Freda King, Mrs. Merl Linn, Mrs. Larry Boggs, Mrs. John Mellott, Mrs. Ted Peterson, and Mrs. Larry Flenar.

## Returns To Hospital

Hershel Drudge of R. 1, Claypool was rushed by the Tucker ambulance to the Woodlawn hospital in Rochester Tuesday evening. Mr. Drudge had the misfortune of a tractor accident four weeks ago. Attendants at the hospital report this forenoon his condition is only fair.

## LEST WE FORGET

Today was Veterans' Day, a day set aside honoring those who have given their lives that our Nation might be one where a human being is still one who has the power of choice over his life, his soul, his destiny.

As we look back we see thousands—and remember some—who have mustered more nerve and determination than imaginable and gone forth to battle to preserve our privileges. Many gave the supreme sacrifice while others suffered injuries and penalties often far worse than death.

Life goes on each day in a continuing battle, as many of our citizens give of their time, talents and efforts to maintain our freedoms. They likewise, suffer from the "bullets" of those who have little regard for freedom, honesty or principles.

There would be no progress in any field if it weren't for those who give more than their share.

## ANNIVERSARY DINNER

Mr. and Mrs. Leonard Bogan-wright celebrated their forty-first wedding anniversary Sunday with a dinner at Horn's Restaurant. In the afternoon Mrs. Cook of Warsaw called at the Boganwright home.

## INJURED IN AUTO ACCIDENT

Philip L. Anderson, 18, miraculously escaped serious injury shortly after 5 p. m. Monday when his car left State Road 25, plunged down an embankment, and rolled into a tree about three miles southwest of Warsaw at the Devil's Backbone.

He was taken to the Murphy Medical Center suffering a slight concussion, cuts on his left thumb that required stitches, and other bruises and abrasions. He was released from the hospital Wednesday forenoon.

Anderson was alone at the time of the accident and does not remember how it happened. There was about \$600 damage to the auto.

## NEW SONS

Mr. and Mrs. Archie Leckrone are the parents of a son, Jeffery Layne, weighing eight pounds three ounces, born Nov. 4 at the Woodlawn hospital.

An eight pound nine ounce son was born to Mr. and Mrs. Rodney Gible at the Woodlawn hospital at 10:36 Tuesday morning. Grandparents are Mr. and Mrs. Harry Gible and Mr. and Mrs. Ralph Ward, all of Mentone.

## "... Cast The First Stone"

The Nation is having quite a time about the "rigging" of TV shows, and there is no question but that some things that have been used in the production of what has been termed "fascinating entertainment" have not been entirely honest. The margin between acting and plain deceit can get confusing, the same as the transition point between light and darkness.

Most people, it seems, should know that a good proportion of the world has very few scruples when it comes to fooling someone to gain a sale or a point. When many thousands of dollars, or its equivalent in gifts is involved, there will always be the temptation to maneuver for personal gain, whether it be the promoter or the participant.

But lest we forget, I wonder how often we as respectable citizens, leave impressions that are personal gain of one sort or just as deceitful, and are for another. Have you ever told a host how delicious her pie was

when it was about all you could do to get it swallowed—even in tiny bits? Have you told a man his suit was really a nice one when you quietly made up your mind you wouldn't wear one like it on a bet?

Have you ever complimented a person on a speech or a sermon when you frankly thought he should have remained silent? I don't blame a man for wearing a toupee to cover his bald dome, if he prefers, but he shouldn't attempt to brag about a crop of virgin hay.

How about using shoulder pads in your suit coat, wax on your mustache or a rubberized awn-What's taking place when a ing over your bay window? lady with a chest as flat as the Kansas prairie comes up the street looking like the horizon at Twin Buttes, Colorado?

Fixed?  
Rigged?

Trying to fool someone?

The TV boys can't hold a candle to us people.

## Mentone Wins Over Webster

The Mentone Bulldogs defeated North Webster in both games played here Friday night. The first team won 63 to 61 and the second team won 43 to 40.

Friday night's tilt was almost even all the way, with both squads notching 14 points in the first quarter and Mentone hitting 24 points in the second to North Webster's 23 for a 38-37 halftime advantage.

The visitors made their move in the third stanza, collecting 16 points and holding the hosts to 12, to take a 53-50 lead into the last eight minutes of play.

Then the Bulldogs' turn came and they made the most of it, pushing in 13 markers to their opponents' eight and claiming the victory. Both teams used only five players all through the contest and four of Mentone's hit in double figures. Bob Long led the way with 18 points, brother Dick added 17 and both Max Holloway and Bob Griffiths contributed 10 markers. Bause of North Webster topped all scorers with 21 points and got good backing from Dave Wright who netted 13, and Strouse, who chipped in 12.

Mentone made it an all-winning evening with a 43-40 victory in the reserve preliminary.

## Hunting Is Dangerous Game

Another hunting season has  
arrived. It brings with it the  
possibility of fatal or near fatal  
accidents because of bad gun-  
handling techniques.

E. R. Wilsey, farm safety spe-  
cialist at Purdue University,  
suggests that hunters follow gun  
safety rules as outlined by au-  
thorities of gun safety. They  
recommend to:

Treat every gun with the re-  
spect due a loaded gun.

Watch that muzzle! Carry  
your gun safely; keep safety on  
until ready to shoot.

Unload guns when not in use,  
take down or have actions open;  
guns should be carried in  
cases to shooting area.

Be sure barrel is clear of ob-  
structions, and that you have  
ammunition only of the proper  
size for the gun you carry.

Be sure of target before you  
pull trigger; know identifying  
features of game you hunt.

Never point a gun at any-  
thing you do not want to shoot;  
avoid all horseplay.

or jump a ditch with a loaded  
gun. Never climb a tree or fence  
gun; never pull a gun toward  
you by the muzzle.

Never shoot a bullet at a flat,  
hard surface or water; at target  
practice be sure your backstop  
is adequate.

Store guns and ammunition  
separately, beyond reach of chil-  
dren.

Avoid alcoholic beverages be-  
fore or during shooting.

## Leaves For Making Compost

The autumn fall of leaves  
brings to Hoosier gardeners a  
source of organic matter for  
improvement of the soil in their  
gardens, flower beds and shrub-  
bery borders.

H. W. Reuszer, Purdue Uni-  
versity soil microbiologist,  
points out that for such use  
the leaves should be composted.

Well-composted leaves break  
up into a crumbly form which  
can be easily spaded into the  
soil.

As the leaves are placed in  
the heap they should be moist-  
ened, Reuszer advises. Fertil-  
izer should also be added to  
hasten decay and improve the  
fertilizing value of the com-  
post.

For each bushel of tightly  
packed leaves, Reuszer recom-  
mends adding two cups of mixed  
fertilizer containing 10 to 12  
percent nitrogen. As a substi-  
tute, two-thirds cup of ammon-  
ium nitrate can be used. If the

compost is intended for use with  
azalea or rhododendron, a cup-  
ful of ammonium sulphate  
should be used to give an acid  
reaction. The fertilizer and the  
leaves should be well mixed. If  
there is insufficient rainfall, wa-  
ter should be added to keep  
the compost moist, but not  
soaked.

Bins help conserve moisture  
and prevent blowing of leaves.  
Reuszer says satisfactory bins  
can be made of small mesh wov-  
en wire, wooden slat snow fence  
or of boards nailed to posts.  
More permanent bins can be  
built of bricks or concrete  
blocks. If bricks or blocks are  
used, part of the vertical joints  
at the bottom of the walls  
should be left open to allow air  
to penetrate into the heap. One  
side of the bin should be ar-  
ranged so it can be opened  
readily for mixing and removal  
of compost.

Three or four weeks after the  
leaves are piled they should be  
turned so that the drier outer  
portion is in the middle of the  
pile. Turning gives better aera-  
tion and hastens decomposition.

Other plant residues can be  
composted in the same manner  
as leaves, says Reuszer. Among  
them are sawdust and wood  
chips, straw and ground corn  
cobs.

Compost made late this fall  
should be ready for use next  
May or June. If the weather is  
warm, the compost may be  
ready in a month to six weeks,  
but two to three months or more  
are often required.

When turned under, compost  
can be used at widely varying  
rates. One or two bushels per

100 square feet is a suitable  
rate. Compost also can be used  
as a mulch. A layer three or  
four inches thick will help con-  
serve soil moisture, lower soil  
temperature during the sum-  
mer and furnish some nutrients  
to plants.

## RESOLUTION NO. A3 FOR SEWER CONSTRUCTION

Be it resolved by the Board  
of Trustees of the Town of  
Mentone, in the county of Kos-  
ciusko, Indiana. That the pres-  
ent sewer is unusable and ir-  
reparable, that drains the town  
block bounded by Oak, Main,  
Monroe, and Walnut Streets.  
That a new sewer be construct-  
ed.

The proposed sewer be con-  
structed of ten inch slip ring  
type, die cast tile of an aver-  
age depth 6 ft. and will origi-  
nate at the 24 inch sewer in-  
tersecting alley of lot 29 and ter-  
minating at alley entrance of  
lots 24 and 45 and lots 43 and  
46. The proposed sewer to run  
in alleys between lots 24 & 25,  
44 & 45 and in the alley between  
lots 43 - 46 - 44 & 45.

Be it further resolved by the  
Board of Trustees of the Town  
of Mentone that the corporation  
of Mentone will pay for one-half  
of the total cost of the proposed  
sewer construction from monies  
already appropriated and that  
one-half of the total cost will  
be born by the property own-  
ers of lots 23-24-25-26-27-43-44-  
45 & 46. The present owners be-  
ing Mrs. E. Vocum, Wm. Board-  
man, Mrs. John Landis, E. Wag-  
ner, Jr., Edwin Bach, Mrs. F.  
Rouch, E. D. Anderson, E. E.  
Wagner.

The total cost of the proposed  
sewer is estimated to be  
\$1500.00 and that each lot will  
be assessed \$83.33.

Remonstrance to the above  
proposed resolution will be  
heard at the Town Hall in the  
Corporation of Mentone on the  
17th day of November, 1959 at

## RESOLUTION No. A4 FOR THE CONSTRUCTION OF SEWER

Be it resolved by the Board  
of Trustees of the Town of Men-  
tone, in the county of Koscius-  
ko, Indiana, that the sewer in  
the northwest part of Mentone is  
inadequate and unusable and  
that a new sewer be constructed.

The proposed sewer to be con-  
structed of an 8 inch slip ring  
die cast tile, of an average depth  
of 5 feet and will extend from  
the 12 inch sewer at the inter-  
section of the alleys between  
lots 97-98-116-117 and terminate  
at alley entrance of lots 110 and  
104. Lots 98-99-100-101-102-103-  
109-110-111-112-113-114-115-116

christ, Elizabeth Morgan, Asa  
Dirck, T.R. Dewitt, Pauline Bor-  
ton, Chan Stine, Gene Norton,  
Mrs. Quier will be benefitted  
and will bear one half of the  
total cost of the sewer and its  
installation in its entirety and  
each property owner will be as-  
sessed the amount of \$32.14. The  
total cost of the proposed sewer  
is estimated to be \$1100.00.

Be it further resolved by the  
Board of Trustees of the Town  
of Mentone that an emergency  
exists and monies have been ap-  
propriated to be used to pay  
for one half of the total cost of  
the sewer.

FOR OUR AREA**

New Bourbon telephone directories have been mailed to General Telephone customers in eight exchanges, according to T. E. Lemmon, district commercial manager.

The November, 1959, books contain alphabetical and classified listings of customers in Bourbon, Atwood, Burket, Claypool, Etna Green, Mentone, Millwood and Tippecanoe, plus alphabetical listings for Akron, Argos, Cromwell, Lapaz, Leesburg, Milford, North Webster, Plymouth, Sidney, Silver Lake and Warsaw.

The new directory is a 12-month issue bound in a beige cover with five color panels showing persons using various telephone services.

Among the new features is an "emergency box" on page 1 of the information page. Space is provided for customers to list the telephone numbers of emergency services in their area, such as doctors, fire departments, ambulance service and local and state police.

In addition, Direct Distance Dialing instructions for customers in Atwood, Burket, Etna Green, Mentone, Millwood and Tippecanoe have been revised and appear on two pages (8 and 9 of the information pages) instead of one. Customers in these exchanges have access to DDD facilities at Warsaw.

There also will be a page listing telephone conveniences and services available.

Lemmon said that more than 3,200 directories have been mailed to customers, with nearly 700 held in reserve for future use.

Although every effort will be made to see that each customer receives a new directory, if anyone is missed, he is asked to contact General's business office.

## JOLLY JANES MEET

The Jolly Janes met in the social room of Pete's Restaurant Monday evening, November 9.

Esther Romine read 2 poems entitled, "Give Thanks" and "Thanksgiving" for meditations. Lola Goshert, on Health and Safety Remarks, passed out booklets concerning Health Insurance.

Nineteen members answered roll call by telling how many years they had been married.

A committee consisting of Marge Baum, Mary Tridle and Karen Baum, was appointed to select gifts for Club members having perfect attendance for the year.

The lesson on "Meal Planning for a Week" was given by Esther Markley. To conclude her lesson she made a chocolate date pudding in an electric skillet, and then each lady was given a sample of the dessert to taste.

A Christmas donation of \$10 is to be given to the State School Christmas Appeal.

Birthday gifts were given to Isabell Hatfield, Jody Harman and Grace Lewis. Barbara Romine received a baby gift from her Secret Pal, Esther Markley was the recipient of the door prize.

Refreshments of pumpkin pie and whipped cream were served by the hostess, Lola Goshert and co-hostess, Annabelle Tucker.

## Changes In Cattle Marketing

Methods of marketing cattle in Indiana, like many other things, changed greatly between 1940 and 1956, report Purdue University agricultural economists.

For instance, livestock markets increased from 198 to 234 during the period. However, auction markets gained in importance, mostly at the expense of local markets, economists C. B. Cox and T. T. Sout found. By 1956 these auctions were the major outlet for slaughter calves.

Commercial trucks hauled more cattle to market than any other form of transportation. But farmers transported more cattle to market with their own trucks in 1956 than 16 years earlier.

More than half of the slaughter steers and heifers sold at terminal markets were transported 50 miles or more, according to the economists.

Farmers associated terminal markets with higher prices and buyer competition. Local markets, in 1956, were associated with lower transportation costs and low shrinkage. Auctions were favored by farmers for low shrinkage and for buyer competition.

Calfhood vaccination for Brucellosis should be completed on heifers between the ages of 120 and 269 days, according to Purdue University veterinarians. Spring calves will now fall in to that age group.

## Why Butterfat Tests Vary

Butterfat content of milk from individual cows as well as herds varies from day to day and season to season for numerous reasons.

For a better understanding of the variations, H. F. Ford of Purdue University's dairy department has prepared a 10-page circular, "Why Fat Tests Vary."

This circular takes up farm causes for variations in tests, dairy plant causes for these variations, DHIA versus plant tests and accuracy of composite samples.

Indiana residents may obtain a copy of "Why Fat Tests Vary" without charge by writing to the Agricultural Publications Office, Purdue University, Lafayette.

# Advises Testing Seed Grains Now

County Agent Donald E. Frantz urges all farmers in Kosciusko County who will have seed to sell or sow next spring to get the seed tested during the fall or early winter.

Frantz offers to help farmers in this testing program by supplying instructions for drawing samples and special seed envelopes for sending them to the State Seed Laboratory at Purdue for a free test as well as by furnishing information on other seed matters.

Seed that is advertised for sale by farmers is required to be tested and tagged and all seeds

must be free of prohibited noxious weed seeds and must not contain excessive amounts of other weed seeds to be legally sold. Since the test is free, all farmers should take advantage of this service, Frantz said.

The tendency of farmers to postpone sending samples to Purdue until just before planting time usually results in a congestion of samples in the laboratory in February and March. Anticipating seed testing requirements and sending samples early is recommended. Care should be exercised in seeing that the sample is representative of the lot and is large enough for test. A teacupful of clover and grass seed and at least a pint of soybean or cereal seed should be submitted.

## Farm Commodity Problems To Get Thorough Airing

An estimated 3,000 farmers of Indiana will hear commodity problems discussed at the most comprehensive and practical program yet attempted at the Indiana Farm Bureau convention, which opens November 11. These sessions, which will be held the second forenoon, will occur simultaneously and the people are expected to go to that session in which they are most interested. Some sessions will be held in the Murat Temple and some in the Athenaeum.

In the dairy group, a debate by Maurice McCoy and Wally Caine, Purdue graduate students will examine a state unfair trade practice act for milk.

The field crops session will be addressed by Prof. J. C. Bottom, Purdue; M. D. Guild, Indiana Farm Bureau Cooperative Association; and Jack V. Baird, University of Illinois.

Poultryman will hear P. J. Sikkema tell of Michigan Farm Bureau's new egg marketing program. Joe Sicer and Glenn Searcy, both of Lafayette will talk on contracts and research, respectively.

K. R. Faulk of Nebraska will give an illustrated lecture on "Meat-Type Beef Cattle." John R. Cassell, Kroger Company, will report on new developments in merchandising.

The fruit and vegetable program will deal largely with marketing problems, with John W. Hackenbracht and A. W.

Matthews, both of Ohio, and Dr. Robert Kramer, Michigan State University, telling of their work in this area.

Matt Triggs of the American Farm Bureau staff, Washington will talk to the entire assembly on "Organized Labor and Agriculture," a subject expected to arouse wide interest.

The opening forenoon audience will be greeted with a half-hour of entertainment. Then Governor Harold W. Handley will bring official greetings, while Roger Fleming, dynamic executive secretary-treasurer of the American Farm Bureau, will report on "Farming in Washington."

President George Doup will bring his annual message "Gearing for Action" during the first afternoon, while Dr. Leroy Burney, Surgeon General of the U. S., will predict coming health needs of the nation.

At the evening meeting in the Murat Theatre, the principal address will be given by John Strom, newspaperman and world traveler, on his most recent trip into Red China.

Glenn W. Sample, vice-president of the IFB, will address the group on November 11. Meredith Speicher, Wabash, state president of Rural Youth, will also speak to the young people. Officers for 1960 will be elected during the afternoon.

The business part of the FB convention, formation of policy

for next year will start at 1 p. m., November 12, in the Egyptian room, and will be concluded the next day, Friday, November 13. The election of a president for a two-year term will be the final act of the convention delegate body. The convention will operate on C. S. T. starting at 9 a. m. on Wednesday, the eleventh.

## Winter Courses At Purdue

Three winter courses in agriculture will be offered at Purdue University from January 4 to February 26, 1960, according to V. C. Freeman, associate dean of the school of agriculture.

Programs of study in general agriculture, animal science and dairy production will be offered.

Regular fees, including general service, medical and infirmary, recreation facilities and lectures, total \$38. Total costs for Indiana residents, including room, board, books and incidental expenses, will range from \$225 to \$275. A total registration fee of \$129.75 is charged out-of-state residents.

Applicants for admission must be at least 18 years old and have a good elementary school education. Persons 20 or older with practical farming experience or other agricultural work will derive the greatest benefit from the winter courses.

Registration will start at 9 a. m. Monday, January 4, in Room 108, Smith Hall. No entrance examination is required.

Students successfully completing any one of the three plans of study will receive a certificate.

The general agriculture course, Freeman explains, is designed to provide useful information and practical answers for renters, owner-operators and landlords. It also offers excellent opportunities for personal contact with men who later will be outstanding Corn Belt farmers.

Subjects ranging from dairy, sheep, swine and beef production to pastures and forage crops are included in the animal science curriculum. Knowledge

obtained in classroom discussions will be observed in practice at nearby Purdue farms.

Modern methods of production and management of a dairy enterprise will be emphasized in dairy production classes. A field trip to inspect dairy herds and study up-to-date dairy farm practices is planned.

Further information about the 1960 winter courses can be obtained from county extension offices or by writing V. C. Freeman, Agricultural Hall, Purdue University, Lafayette.

### KIMBERCHIKS LEAD IN EGG SIZE

Among all nationally sold strains none surpass the Kimberchiks in percentage of large and extra large eggs laid.

### KIMBERCHIKS LEAD IN EGG QUALITY

Kimberchiks were entered in all six of the Random Sample Tests that made interior egg studies in 1957-58 and led all nationally sold strains in albumen quality.

### PRODUCE MORE NET INCOME

Kimberchiks have now completed 3 years of Random Sample Testing in two states, California and Missouri. In these tests Kimberchiks produced more net income than any other nationally sold strain.

Two new words confronting the egg producer and processor and which you will be hearing more about are the USDA terms "Fresh Fancy" and "Haugh Units."

(1) The egg grade of "Fresh Fancy" should be understood by everyone in the industry. It is part of the USDA "Break Out" system and stresses "Interior Quality."  
(2) "Haugh Units" is a method of grading the interior quality of eggs. The higher the general interior quality and the more firm albumen per gram the higher the per cent of "Haugh Units." Eggs that score 80% Haugh Units have better eating qualities than those that score 50% Haugh Units.

(3) Albumen quality is a trait that has a high degree of heritability. It is one of the things for which Kimber geneticists have been selecting for many years. Albumen quality deteriorates as the hen grows older. The average hen's eggs drop below 79 Haugh Units, the dividing line between Grade AA and Grade A, when she reaches approximately 40 weeks of age. Kimberchiks often are still producing AA Grade eggs at 48 weeks or about two months longer than the average strain. This can mean substantial additional profit if you are in a quality program and are being paid according to grade.

**BROTHER DIES**

Funeral services were held at 2:30 Sunday afternoon at the Reed funeral home for Roy E. Creighbaum, 73, of Tippecanoe, who died at 11:20 a. m. Friday in the Prairie View nursing home at Warsaw. He was a brother to Chester Creighbaum of Mentone.

Mr. Creighbaum, a lifetime resident of the Tippecanoe area, had been ill the past two years.

Mr. Creighbaum was born in Tippecanoe township, Marshall county, April 14, 1886, to Mr. and Mrs. John Creighbaum. He married Flora Harsh, who died in 1954.

Other survivors in addition to the brother at Mentone, are a son, Forrest of Tippecanoe; two daughters, Mrs. John (Juanita) Peters and Mrs. Estil (Doris) Huffman, both of Etna Green; three grandchildren, and nine great-grandchildren.

Burial was in the Tippecanoe cemetery.

**BOOSTERS GROUP  
TO MEET MONDAY**

The Mentone Athletic Boosters Group meets Monday night, Nov. 23, 7:00 p. m. in Room 27 at the Mentone school. Coach Paul Bateman will show film of Tippecanoe game and discuss plays, etc.

The group will also discuss plans to organize the club for fans and parents of players.

The temporary committee is composed of Joe Long, chairman; Guido Shirey, Earl Boggs, Jim Beeson and Eldon Horn.

This group is not sponsored by any organization. The purpose is to better understand the sports our school engages in, discuss intelligently with our coach, officials, etc. any problems we have in understanding the games, plays, etc. Coach Bateman welcomes the opportunity to explain things that perhaps puzzle a fan.

Of course, the overall goal is to be loyal Bulldog boosters—both of the boys and our teams. By showing our faith in them, and good sportsmanship at the games, our boys will in turn do their best both individually and as a team to deserve the loyal support given them.

**EYE SURGERY**

Mrs. Etta Halterman was admitted Tuesday to the St. Joe hospital in South Bend where she had eye surgery Wednesday.

**250 ATTEND  
PTA MEETING**

Fred Olds, Warsaw Art instructor, and John Smith, county guidance director, addressed 150 Parent-Teacher Association members at the Nov. 11 meeting.

During the adult business session Mr. Olds talked to about 100 children and later addressed the PTA members. His subject was "Applying Art to Other Subjects." Art quite frequently can aid in solving problems in other school subjects and helps give teachers and parents a better insight into a child's mind.

Mr. Smith told how guidance work is handled and what its purposes are. He stated that this county is the first county in the state to set up a county-wide guidance program.

The third and fourth grades were conducted in a patriotic choral reading by their teachers, Mrs. Harold Nelson and Mrs. Wayne Tombaugh.

After the meeting, adults inspected the new Junior library to which the PTA had donated funds. According to the state librarian, Mentone school is the first in Indiana to have a complete library for the benefit of grades one to six.

The organization now has 197 members. Our goal is at least 200.

The next PTA meeting will be the school's Christmas program, Dec. 22. The entire community is invited, Tuesday, Dec. 22.

**School Reorganization  
Committee Meets**

The County School Reorganization Committee met Tuesday night and established their new headquarters in the former Board of Education room in the court house, according to Mrs. Ruth Urschel, of Mentone, a member of the county committee. Main discussion involved preliminary plans for charting information needed.

There was also further discussion on the consulting committee from school corporations not represented on the county committee.

Dr. and Mrs. E. D. Anderson met with Ira Anderson and family Sunday and had dinner at the Wagon Wheel in Warsaw. After a pleasant visit they continued their trip on home to Evanston, Illinois.

**INFANT DIES**

Bruce Joseph Ellsasser, eight weeks old son of Dr. and Mrs. Michael Ellsasser, died at Savannah, Georgia Sunday of an intra-cranial hemorrhage.

Surviving besides the parents are one brother, Michael Ellsasser II, aged two years; the grandparents, Mr. and Mrs. Gordon J. Ellsasser, Cassopolis, Mich.; Mrs. Esther Shoemaker Harley, Mentone, Mrs. Ernest Fanning, Tippecanoe, Mrs. Clifford Shoemaker, Rochester, and C. E. Ellsasser, Mishawaka.

Funeral services were held Wednesday at the Bent and Sprague funeral home at Mishawaka, with burial in the St. Joseph Valley Memorial Park, South Bend.

**Discusses Heart Disease  
At Area Meeting**

In an area meeting of the Indiana Heart Association which was held at the Honeywell Building in Wabash today (Wednesday) Dr. Dan Urschel discussed the research program of the association and described the projects currently being supported in the state of Indiana by Heart Fund contributions. Dr. Urschel emphasized the importance of cardiac research at the present time, inasmuch as heart disease is increasingly the most important cause of death and disability in our population. He emphasized to the group that there was a continuing and increasing need for money for such research purposes, even though the National government through the National Institute of Health is already allocating many millions of dollars specifically for heart disease.

**ATTENDED PARENTS'  
DAY ACTIVITIES**

Dr. and Mrs. Dan Urschel were in Valparaiso this past week end, attending the Parents' Day activities at Valparaiso University, where their daughter, Sarah, is a senior.

The Sunday morning church service was a choral service, done by the University Chapel Choir. This service was in contemporary music, part of a week end program of the University Composers Exchange. Sarah is a member of the Chapel Choir.

**HAS SURGERY**

Mrs. Carl Alderfer entered the Woodlawn hospital Sunday and underwent surgery Monday.

**FRED KING DIES  
LAST WEEK**

Fred King, 71, R. 5, Rochester, died of a coronary occlusion Wednesday of last week at his home in Newcastle township. He had been ill about a month.

A Newcastle township resident since 1949, he moved there from the Burton community. Before that he had lived in the Fulton vicinity. He was a farmer. He was born May 22, 1888, in Miami county to Charles and Julia Zegafuse King. June 7, 1917 he was married in St. Joseph, Michigan to Elma M. Crum, who survives. He was a member of the Bethlehem Baptist church, near Talma, and the Fulton Masonic lodge. He was also a charter member of the Talma Rod and Gun Conservation club.

Surviving besides the widow are six daughters, Mrs. William Falkner of Bremen, Mrs. Ernest Miller, of R. 4, Rochester, Mrs. Myron Reed, R. 6, Rochester, and Mrs. Richard Miller, R. 1, Rochester; one son, Edward of Rochester; 17 grandchildren; two sisters, Mrs. Ellen Andrews of Seattle, Washington and Mrs. Catherine Paige, of Olympia, Washington, and several nieces and nephews. The parents two sisters and four brothers preceded him in death.

Funeral services were held on Saturday afternoon at two p. m. in the Bethlehem Baptist church with Masonic rites also being conducted. Rev. Phillip Robinson was in charge. Burial was in the Rochester IOOF cemetery.

**Basketball Game  
Time Announced**

Doors will open Friday evening for the Tippecanoe game at Mentone at 6:30 and game will begin at 7:30.

Wednesday, Nov. 25th, the game with Argos, their doors will open at 7:00 our time, and games will begin at 7:45.

**CALENDAR**

Monday evening, Nov. 23, organizational meeting Mentone Athletic Booster Club, 7:30, at the school. Anyone interested in school athletics is invited to attend.

**JOHN DAWSON  
DIES SUDDENLY**

John A. Dawson, 78, of five miles northwest of Akron, died Wednesday of last week in Indianapolis of a heart attack. He had not been previously ill.

Mr. Dawson was in Indianapolis to get his Farm Bureau 40-year pin.

He was born May 14, 1881 in Fulton county, the son of Samuel and Martha (Stinson) Dawson. He spent his lifetime in the Akron area with the exception of 10 years in North Dakota. He was a member of the Farm Bureau, a former member of the Fulton County Credit Bureau and attended the Olive Bethel Church of God. He had been a farmer all his life except about 10 years spent teaching school.

Surviving are his wife, Marie; one son, John Jr., at home; four daughters, Mrs. Nancy Allman of Lafayette, Mrs. Maryanne Kibbler of Altadena, Calif., Mrs. Ruthalys Dawson of Pasadena, Calif., and Mrs. Esther Downer of Valparaiso; five grandchildren, and three brothers, D. Dawson and J. P. Dawson of Logansport, and Frank Dawson of Akron.

Funeral services were held at two p. m. Saturday at the Olive Bethel Church of God, Rev. D. L. Slaybaugh officiating. Burial was in the Athens cemetery.

**SURPRISE HANKY SHOWER**

Sixteen members of the Psi Iota Sorority met at the home of Mrs. Richard Dickerhoff on Tuesday evening. Winners in bridge were Annabell Mentzer and Mrs. Paul Quinn. Mrs. Forrest Miner received the door prize, and also was honored with a hanky shower from the group. The Miners will be moving in the near future.

Ladies who enjoyed the evening were: Mrs. Lyman Mollenhour, Mrs. Harold Utter, Mrs. Kent Riner, Mrs. Curtis Riner, Mrs. Cecil Long, Mrs. Mott Bryan, Mrs. Art Kendall, Mrs. Kenneth Simcoe, Mrs. Bill Hudson, Mrs. Mervin Jones, Mrs. Quinn, Mrs. Miner, Annabell Mentzer, Barbara King and Iris Anderson.

## Mentone Home Demonstration Club

The Mentone Home Demonstration club met in the social room at Peterson's Restaurant. Mrs. Dearyl Tucker, the vice president, opened the meeting with the group repeating the pledge to the Flag, the club creed and singing of "America the Beautiful." The meditation was presented by Mrs. Harry Sullivan reading the 118th

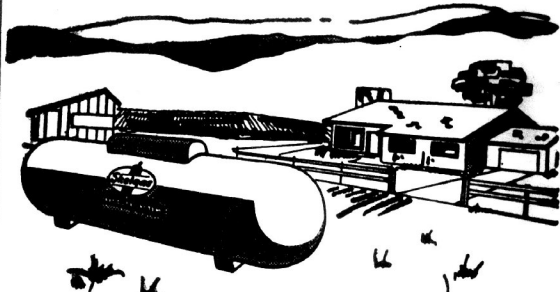

Psalms and a poem, "Gossip Town." Mrs. Raymond Weirick read the history of the song of the month, "For the Beauty of the Earth." The group sang the song. Mrs. Elmer Sarber gave an interesting report on the trip to Fort Wayne State Hospital. The lesson on "Meal Planning for a Week" was given by Agnes Rans and Opal Tucker. Mrs. Tucker made a chocolate date pudding which was served with the refreshments.

Fifteen members answered roll call by giving a scripture verse with thanks in it. The secretary and treasurer's reports were read. In the absence of our president, Mrs. Dearyl Tucker presided over the old and new business. It was decided to buy Christmas gifts for patients at the Fort Wayne State School.

Mrs. Minnie Busenburg was welcomed into the club.

The meeting was closed with the club prayer song and the club collect. Delicious refreshments were served by the hostesses. Mrs. Harry Sullivan and Mrs. Ada Meredith.

Lonnie, Johnnie and Vickie Witham spent the week end with their grandparents, Mr. and Mrs. Arlo Friesner. Amy and Jerry Friesner had Sunday dinner at the Friesner home.

## November Club Meeting Held

The Mentone Reading Club met at the home of Mrs. Denton Abbey on Wednesday evening, Nov. 4. Mrs. Joe Boggs was assisting hostess.

The president, Mrs. Richard Manwaring, was in charge of the business session. At this time each member chose a name of one person at the Fort Wayne school to be remembered by special Christmas gifts. These gifts are to be at the home of Mrs. Bess Manwaring not later than Friday, Nov. 27th.

Mrs. Charles Manwaring and Mrs. Paul Rush were the program chairmen. Mrs. Lester

Taylor of Warsaw, who is county chairman for gifts for mental health patients, was introduced. The film, "The Key," which shows the overcrowded conditions in most state hospitals, and the difficulties under which doctors have to work in contrast to newer hospitals, was viewed by the group. There was a short period for discussion and questions.

The December meeting will be held in the home of Mrs. Vance Johns.

Mr. and Mrs. Gerald McHattton and daughter Barbara of Warsaw, were Sunday dinner guests of Mrs. McHatttons' parents, Mr. and Mrs. Andrew Hall.

## Beaver Dam Girls' 4-H Club

The Beaver Dam Better Daughters held their November 2nd meeting at the school.

Dixie Bergstrom called the meeting to order. Pledges were led by Carol Baumgartner and Diana Adams. Roll call was answered by your favorite color. Betty Smith read the secretary's report and Linda Smalley gave the treasurer's report. Installation of new officers was held. We voted to have two bake sales to raise money for our club. Two poster committees were named, first, Jody Horn, LuAnn Teel, Marjorie Harris and Janet Goshert; second, Lin-

## HOSTESS TO FRIENDLY NEIGHBORS

The Friendly Neighbors Home Economics club met at the home of Maude Romine for their November meeting with 18 of the members present.

The president, Ottie Walburn, opened the meeting with the pledge to the Flag, club creed and singing. "America the Beautiful."

Meditation was given by Ellener Manwaring reading two poems entitled, "The Monkey's Viewpoint," and "Thanksgiving in 1959."

Myrtle Wentzel gave the history of the song of the month, "For the Beauty of the Earth" and also led in singing it.

The lesson on "Planning Meals for a Week" was presented by Mary Welch and Marie Deaton. Mary also prepared and baked a squash filled with meat and vegetables. All enjoyed a sample served with the hostess' refreshments.

Roll call was answered by giving, "Something I Want For Christmas."

The secretary's report was given by Dora Whetstone, and Goldie Mollenhour gave the treasurer's report.

Ellener Manwaring stressed the necessity of giving Christmas gifts for the mental health patients at Fort Wayne.

Myrtle Wentzel then conducted an auction of baked goods, jellies and fancy work.

Gifts from secret pals were received by Maude Romine, Mary Shirey and Marie Deaton.

The hostess, assisted by Altha Harold, served delicious refreshments.

They knelt to pray Thanksgiving For food and home and such For health and love and safety "Dear Lord, we have so much!"

—Peterson.

## ENTERTAINS MERRY MOLLYS CLUB

There were eighteen members present when the Merry Mollys met at the home of Mrs. Clayton Holloway on November 9. After repeating the pledge to the Flag and their club creed, "America the Beautiful" was sung by those present. For meditation Mrs. Glen Futerbaugh read a poem entitled, "Praise and Thanksgiving." After giving the history of the song of the month, "For the Beauty of the Earth," Mrs. Donald Horn led the group in singing the hymn.

The lesson on "Meal Planning for a Week," was very well presented by Mrs. Gene Sarber. All of the members participated in making out well balanced menus for a week. This proved very interesting. Ham seemed to be the favorite course.

A baby gift was presented to Mrs. Donald Bennett. For the entertainment we had several contests with the prizes being useful baby items. These were then given to Mrs. Bennett.

Mrs. Glen Mellott and Mrs. Lamar Leffert received gifts from their secret pals. The door prize was won by Mrs. James Corwin.

Delicious refreshments were served by the co-hostess, Mrs. Carl Whetstone and assisted by Mrs. Holloway.

We were glad to welcome Mrs. Kenneth Leiter as a new member of our club.

For the December meeting we will have our annual Christmas party at the home of Mrs. Dean Meyer.

Mrs. Sadie Black, Mrs. Bernard Black, Mrs. Ina Metzger and Mrs. Dick Boganwright and daughter were Monday afternoon callers of Mr. and Mrs. Ora Tucker.

## GIFTS FOR MENTALLY ILL

Indiana citizens again this year are being asked to remember mental patients with Christmas gifts.

For the past eight years the Indiana Association for Mental Health through its county chapters has sponsored a Christmas project designed to provide one or more gifts for each of the 16,000 patients in mental hospitals and schools.

Mrs. Lester Taylor of Warsaw was named to supervise the collection of gifts in this county.

Gifts collected locally will be distributed at ward parties for patients at Fort Wayne State

School in December. A quota of 1,000 gifts for either men or women has been requested from Kosciusko county. Mrs. Earl Shinn is Mentone chairman and the gift depot is at the Romine Electric.

## TRAINING SCHOOL FOR H. D. OFFICERS

A training school for 1960 officers of Home Demonstration clubs of Kosciusko county will be held at the Farm Bureau Co-Op. Building Monday, Nov. 30 and Wednesday, Dec. 1 at 1:15 p. m.

This program is planned to help presidents, vice presidents, secretaries and treasurers. Parliamentary procedures will be

discussed and information given regarding keeping records and reports.

The first half of the alphabetical listing of the clubs will report on Monday.

Those assisting Mrs. Ruth McCleary, Home Demonstration agent, with the training school are Mrs. Dean Brown, Mrs. Raymond Helser, Mrs. Jacob Tusing, Jr., Mrs. Francis Reece, Mrs. Gerald Ballenger and Mrs. Howard Menzie.

Mrs. Bernice Meade of Monterey, California, is visiting her aunt, Mrs. Nellie Julian, and family while her husband is in Michigan deer hunting.

Mrs. F. R. Burns of North Manchester, called on Mrs. Hazel Linn one day last week.

Heifer dairy calves saved for herd replacements should be housed in pens opening to an outside exercise lot during the winter, Purdue University dairy scientists assert. The exercise lots should be well drained or paved.

Reduce the hazard of chronic respiratory disease (CRD) in broilers by providing an abundance of draft-free ventilation, suggest Purdue University poultry scientists.

Winter pasture, such as bluegrass, brome, fescue, rye or wheat, supplies excellent feed for ewes during the fall and winter, Purdue University animal scientists point out.

## Anniversary For Mentone Club

The Merry Mollys had their tenth anniversary dinner at the Colonial Restaurant near North Manchester on Nov. 16 with 19 members present.

The table was beautifully decorated for the occasion. Each guest had a small glass vase with a single red rose at their place setting as a favor. After a delicious swiss steak dinner Mrs. Gene Sarber read a condensed report of the past nine years of the club. The installation of the officers followed the report by Mrs. Sarber. Mrs. Glen Mellott presided over the installation of the officers. Beautiful corsages were presented to the out-going president, Mrs. Robert Hibschan and the new president, Mrs. Donald Bennett. A very lovely and useful gift was given to Mrs. Hibschan also.

We had as our guest Mrs. Russell Simmons from Warsaw. She gave a book review on the book, "A Man Called Peter." This was thoroughly enjoyed by all. The evening ended by the group singing the club prayer song.

The anniversary committee for the affair was Mrs. Jerry Hudson, Mrs. Donald Horn and Mrs. Gene Sarber.

MARRIED SUNDAY  
AT ROCHESTER

Miss Patricia Rae Sayger was united in marriage to Donald LeRoy Quier Sunday afternoon, in the home of her parents, Mr. and Mrs. David N. Brown, Rochester. Rev. Ralph Hoffman of Logansport performed the double-ring ceremony in the presence of 55 guests.

The bride, wearing a blue sheath dress and corsage of red carnations, was given in marriage by her step-father.

Miss Sharon Miller, a senior in Rochester high school, was bridesmaid and Clifford Nicodemus of Huntington, served the groom as best man.

The bride is a graduate of Rochester high school. The groom is the son of Mrs. Cleora Quier of Mentone, and Elmer Quier of Mishawaka.

A reception was held after the ceremony and the home was attractively decorated. A four-tiered wedding cake topped with a miniature bride and groom centered the serving table. Refreshments of cake, coffee, mints and nutmeats were served to the guests.

The couple will reside at the Trainsman Lodge on the north shore of Lake Manitou.

ELECTED PRESIDENT  
OF LENS CLUB

Jerry Hudson was host to the Miami Lens Club board of directors of Peru, Wednesday evening at his home. He was elected president for the coming year.

## VISITOR FROM KOREA

The main interest of the gentlemen were the adult farm course, young farmers' class, the FFA and 4-H work.

## ENTERTAIN SUNDAY

Mr. and Mrs. Floyd Blackwell and Josephine of Palestine, entertained the following folks for dinner Sunday: Mr. and Mrs. Royce Dickler and Mr. and Mrs. Francis Kehoe of R. R. Mentone, Miss Laura Hadley of Warsaw, and Mrs. Edna Jones of Palestine. The occasion was in honor of the ladies present, who all had birthdays recently.

## WE GIVE THANKS . . .

Another day is set aside for Thanksgiving.

And we in America do have much for which to be thankful. Each day we go about our way of life unmolested by the "ruling class" that is regulating the lives of millions in other parts of our world. God has given each of us 24 hours each day, and in our land of freedom we are privileged to use that time as we may choose. We are free to go and come, speak or write, commend or deplore, and to worship when and where we may desire. No other nation offers as much as America, even though we may at times feel we are being taken advantage of in one way or another.

And as we give thanks to God, and to the ones who have given us this freedom in America, let us determine to do our part in maintaining our freedoms . . . thwarting the plans of those who would destroy and inspiring those who are constantly working to combat the evils of dishonesty and dishonor among our people, whether that dishonest trend is in a distant city or in our own.

FRIENDS' NIGHT AT  
EASTERN STAR

Friends' night was recently observed by the Mentone chapter, Order of the Eastern Star. Guests were from the Warsaw, Bourbon and New Carlisle chapters.

Mrs. Conda Walburn showed colored slides and gave a very interesting account of their trip to the Brussels World Fair, Paris, France, and London, England.

The Worthy Matron, Mabel McDaniel, announced that the annual Christmas party will be a pot-luck dinner at 6:30 EST., Monday evening, December 7th, in the Masonic hall dining room. The Past Matrons and Past Patrons will be honored at this meeting.

This is a social meeting. No ritualistic work or business will be conducted. There will be a dollar gift exchange and entertainment has been planned. All members and their families are invited. Bring a covered dish and table service. Baked ham will be furnished by the Worthy Matron and Worthy Patron, Mabel and Virgil McDaniel.

BE-ABOUT  
CLUB MEETS

On Monday evening the Be-About missionary group from the First Baptist church, met at the home of Mrs. Jim Gates.

For devotions, Mrs. Tobie Blalock read from Psalms, and also a poem, the theme of Thanksgiving.

A very interesting letter from Lova Bush, our missionary in India, was read, thanking the group for recordings sent to her. During the month Aunt Julia Creakbaum was visited at the Prairie View nursing home, by Mrs. Raymond Lewis and Mrs. Wayne Bowser.

During the work hour, Christmas gifts were wrapped for the men and women of the county rest home. A program will be presented on Dec. 8, for them.

Delicious refreshments were served by the hostess to Mrs. Tobie Blalock, Mrs. Glenn McGinnis, Mrs. Kermit Zent, Mrs. Lee Norris, Mrs. Raymond Lewis, Mrs. Wayne Bowser, Mrs. Ora Carmean, Mrs. Everett Welborn and Mrs. Kenneth Romine.

## Corn Silage For Bred Sows

Six years of research at Pur-  
due University have shown that  
corn silage can be fed with sat-  
isfactory results to bred sows or  
gilts during gestation.

Feeding of good quality corn  
silage, 1.5 pounds of a high  
quality protein supplement and  
minerals free choice resulted  
in a 20 percent reduction in  
feed costs, an increase of 1.4  
to 2.0 more pigs per sow at far-  
rowing, and an increase of 0.3  
to 1.3 more pigs per litter at  
weaning.

Hog farmers will be interested  
in results of this and other  
studies conducted by swine nu-  
trition specialists at Purdue on  
ration for bred sows and gilts.

Now available are mimeos A.  
H. 210 and A. S. 237, "Sup-  
plementation of Corn Silage for  
Gilts During Gestation," and A.  
S. 255, "Corn Silage for Sows—  
A Comparison of Dehydrated  
Pelleted Corn Silage with Regu-

## Cattle Feeding Outlook Given

Economical feed lot gains  
hold the promise of greatest  
profit for Hoosier cattle feeders  
in 1960, says a Purdue Univer-  
sity agricultural economist.

M. Paul Mitchell, Purdue agri-  
cultural marketing specialist,  
points out that "favorable mar-  
ket margins, by and large, are  
not in prospect."

Reviewing the beef cattle situ-  
ation this fall, Mitchell ex-  
plains that larger marketings of  
cattle are expected to more  
than offset any improvement in  
demand for the remainder of  
1959. As a result, lower prices  
for most grades of cattle are in  
prospect.

While it is early to project

price trends with accuracy for  
fed cattle to be marketed in  
1960, Mitchell says a market  
price drop of at least \$2 to \$4  
would apply if a 10 to 15 per-  
cent higher level of feeding de-  
velops. This means that practi-  
cally all chances for profit rest  
on economical feed lot gains.  
Recent declines in feeder cattle  
prices assure a larger volume  
of feeding while reducing the  
unfavorable price spread be-  
tween feeders and fat cattle  
next year.

Midsummer of 1960 currently  
appears the season of prospec-  
tive strongest prices, the econo-  
mist adds. Premiums for high  
quality beef will be small and  
grade price spreads will be nar-  
row.

For farmers planning to pur-  
chase cattle yet this fall, Mitch-  
ell says paying higher prices for  
extra quality feeders is ques-

tionable. Plainer grades and  
lower priced cattle likely will  
prove to be a safer buy.

## Sports Car Exhibition January 8 - 31

The Henry Ford Museum's 9th  
annual sports car show will be  
held January 8 through 31, at  
Dearborn, Michigan.

A panorama of the world's  
leading competition cars, called  
"Sports Cars in Review," is the  
nation's only auto show devoted  
entirely to sports cars.

The annual exhibit will bring  
together nearly 50 cars from  
Italy, England, Germany, France  
and the United States, with  
some shown for the first time  
in this country, according to  
Alan R. Symonds, show chair-  
man.

To show the development of  
sports cars over the years, sev-

eral earlier models, both for-  
eign and domestic, also will be  
displayed.

The 1959 show, held in Feb-  
ruary, was viewed by nearly  
50,000 persons.

## STRICTLY BUSINESS

by McFeatters

"It was a necktie peddler—a girl peddler!"

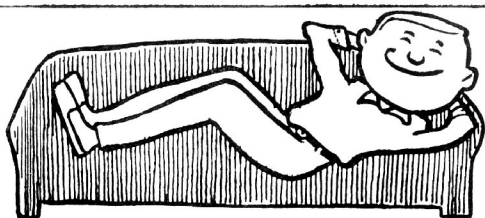

Saturday afternoon Mrs. Harry Cole called on Mrs. Edith Rose.

Even seasoned drivers may not know all they should about careful passing, says the Chicago Motor Club. When you are going to pass, it is essential that you know how to judge the distance and the speed you'll need to get safely around the car ahead. For distance, to pass an auto doing 45 miles per hour, you should do 60 mph. And you'll need about one-quarter of a mile to make the safe passing maneuver. After you have passed the car ahead, guard a-

gainst a tendency to slow down too quickly.

The Chicago Motor Club advises motorists that highways covered with snow and ice aren't the only slippery roads. Pavements wet with rain or melted snow are slippery enough to throw your car into a dangerous skid—if you don't drive carefully.

Earlier darkness at this time of the year requires extra driving caution, says the Chicago Motor Club. Good drivers compensate for early darkness dangers by reducing their speed, especially in residential areas.

## INCOME TAX HINTS FOR FARMERS

Generally, the less a farmers' net farm income fluctuates from year to year, the less income tax he will pay over a period of years, says A. M. Nichter, Purdue University agricultural economist.

Low net income in a particular year may not cover a farmer's allowable personal exemptions and deductions. Personal deductions and exemptions are allowed annually, and any credit for such exemptions not absorbed on current income is automatically lost. These exemptions cannot be applied as a credit against income of another year. Provided he has kept good

records, the farmer who reports his income on the cash basis can make a check of income and expenses at this time to determine his net cash income for 1959 to date. By deducting the amount of depreciation allowable on improvements, machinery and purchased breeding stock, he can obtain his tentative 1959 income tax to date.

If this check reveals an unusually low net income, Nichter suggests selling grain or livestock before Jan. 1, which had been intended for market after Jan. 1. The sale of soybeans or wheat might be considered. Tax savings might be greater than extra income from selling at higher prices after the first of the year. Also the farmer can curtail cash expenses between now and Jan. 1. This might mean buying less or buying on a charge account.

If the income check shows a very high net income, Nichter suggests curtailing sales, if practical, between now and Jan. 1. Also, the farmer may contract and pay cash for such items as fertilizer, seeds, feeds, and repair materials that he may have planned to purchase after the first of the year. In case he needs new machinery or equipment for his 1960 operations, consideration should be given to purchasing such items before Dec. 15, 1959. This allows him to take a 20 per cent first year depreciation, in addition to the normal depreciation allowed, on items having a useful life of six years or more.

## DAIRY ASSOCIATION MEETING DEC. 7

Some 300 Hoosier dairymen are expected to attend the 70th annual meeting of the Indiana State Dairy Association, Dec. 7, at Purdue University.

Highlights of the day-long session will be presentation of certificates of merit for high producing herds, meritorious sire awards and announcement of the "Indiana Dairyman of the Year."

Max Gordon, Lynn, association president, will present the dairymen of the year scroll at a luncheon in the north ballroom of the Purdue Memorial Union building.

The morning session, starting at 10 o'clock CST, will be in the Eliza Fowler theater of the Purdue Memorial Center. E. A. Gannon, Purdue extension dairymen and long time association secretary-treasurer, will present his annual report. S. M. Gregory and N. J. Moeller, Purdue extension dairymen, then will present the certificate awards.

After the luncheon, Dr. J. R. Strain, Iowa State University agricultural economist, will discuss dairy cow pools and Gregory will report on the status of IBM records in DHIA work in Indiana.

Mr. and Mrs. Robert Jones had Saturday evening supper with Mr. and Mrs. Glen Watkins at Bourbon.

The Pilgrims of Governor Bradford's Plymouth Colony declared the first Thanksgiving, in 1621, chiefly for the reason that they had harvested a crop of corn. Corn represented life itself, as against death from starvation, in the winter ahead.

Today, 338 years later, the people of America still have abundant reason to give thanks for the corn harvest. This year it is a record for all time—4.4 billion bushels across the nation, with 80 percent of it here in the Corn Belt.

We no longer think of corn as standing between us and starvation. But if we consider for a moment the meaning of corn as food we can see that our harvest today is no less vital to us than the Pilgrims' meager crop was to them.

As feed for hogs, cattle and poultry, this harvest is a bountiful basis for America's supply of meat, milk and eggs.

Corn Industries Research Foundation points out that products made from corn—starch, syrup, sugar, oil and others—have literally hundreds of uses which add to the ease and comfort of everyday life. A host of foods, ranging from bread, baking powder and salad dressing to ice cream, candy and soft drinks, contain corn products. Non-food items that rely on corn for some step in their manufacture include clothing and other fabrics, cigarettes, rugs and carpets, paper, colored inks, adhesives, automobile parts, gasoline, dynamite, life-saving antibiotic drugs and other medicines.

The Pilgrims, giving thanks for their corn harvest in 1621, could not have foreseen the eventual uses of the grain. We who benefit today by these things can well emulate the Pilgrims in being thankful for this harvest.

**Fall Mulching Of Roses**

Rose bushes will bloom more next year if the pruning is left until March; but now is the time to mulch the roses, according to E. R. Honeywell, Purdue University horticulturist.

The purpose of a protective mulch is to keep the soil and plant temperatures uniform after the ground is frozen. Alternate freezing and thawing, accompanying weather changes, causes soil heaving which results in plant injury.

Bush roses, says Honeywell, are very hardy and seldom need protection after they are once established. Hybrid Teas and Floribundas should be protected by placing eight inches of soil around the plant and covering the soil with a mulch of coarse straw, leaves, corn cobs or peat moss.

Under most conditions climbing roses are hardy, although some winter injury is common each year. Honeywell lists the most common methods of protection as follows: by bringing all of the canes together and wrapping them with straw, covering the entire plant with burlap, or removing the plant from the support and covering it with soil and a mulch.

# A COMMENT ON

Merrill Peterson defeated Robert Jones by a close vote Tuesday, November 3, 1959, in the Town Election race for the office of Clerk - Treasurer. The Warsaw Times-Union has printed several items about the election recently, mentioning me from time to time.

## THE TIMES-UNION SAID:

NOV. 5— "However the **town election commissioners** overruled a decision of the town election board . . ."

NOV. 5— Further, on November 5 . . . "they said the election commissioners **entered** the polling place . . ."

NOV. 5— "After looking at the 11 ballots, election commissioners Conda Walburn, a Democrat, and Robert Kinsey, a Republican, **agreed to count the** 'spoiled' ballots. Jones, also a commissioner, did not **vote** on the decision."

NOV. 6— "However election commissioners **entered** the polls and **directed that 11 ballots** thrown out by election workers **be counted.**"

NOV. 13— "Election commissioners **ruling** gives Peterson the post by 121 to 120 count."

NOV. 14— "(Walburn and Kinsey) **entered** the polling place located in the town library and **directed** the election official to count 11 disputed ballots."

NOV. 17— "Jones said that after consulting with an attorney in Warsaw this morning he decided not to ask for a recount. **'I would have to stand the court expense** and the job doesn't mean that much to me,' he stated."

NOV. 18— "Robert Jones reiterated his decision not to ask for a recount of the Nov. 3 town election at Mentone even though he was offered financial aid late yesterday.

"THE DEMOCRATS WOULD ALSO LIKE A RECOUNT, HOPING THAT TWO OF THEIR TOWN BOARD MEMBERS WHO LOST BY MARGINS OF FOUR AND FIVE VOTES MIGHT WIN,' JONES SAID TODAY.

"He said he did not want any recount, if there was a chance **it would upset the town board.**"

I respectfully offer this statement to the voters of Mentone, as the Republican member of the Mentone Town Election Board. I have paid for this space, and my remarks are my own and do not necessarily reflect the views of the editor.

## THE FACTS:

I am not an "election commissioner." During the summer Mr. C. E. Walburn and I were appointed to the Mentone TOWN ELECTION BOARD. This board acts as the town board of canvassers on election day. The Clerk-Treasurer is automatically a member.

The law says: "THE TOWN ELECTION BOARD . . . SHALL CONSTITUTE THE TOWN BOARD OF CANVASSERS AND . . . SHALL ASSEMBLE IN **SOME SUITABLE PLACE** SELECTED BY THE TOWN ELECTION BOARD."

We went into the library because it seemed a good place to meet. It had heat, lights, and meeting there would save the precinct inspector a long walk to come to us. It seemed "suitable." Nobody said anything to me about meeting anywhere else.

**THE LAW SAYS:** WHETHER A BALLOT IS LEGAL AND SHALL BE COUNTED IS DETERMINED BY THE **PRECINCT ELECTION BOARD**, COMPOSED OF THE **INSPECTOR** AND **TWO JUDGES**. THE BALLOT IS TREATED IN THE MANNER DECIDED BY A MAJORITY OF THE BOARD. (Secs. 27,204) 29-3203, 29-4911.

THE INSPECTOR AND HIS TWO JUDGES ARE THE **ONLY** PEOPLE WHO CAN JUDGE A BALLOT. THAT NIGHT THE FINAL DECISION ON THE 11 BALLOTS WAS THEIRS.

I DID NOT DEMAND THAT ANY SEALED ENVELOPES BE OPENED. I DID NOT "VOTE." I DID NOT OVER-RULE ANYBODY. AS SOON AS I ENTERED THE ROOM THERE WAS A DISCUSSION IN AN AIR OF FRIENDLY CURIOSITY AS TO WHAT BALLOTS SHOULD BE COUNTED AND NOT COUNTED. I OPENED MY MANUAL TO PAGE 58-59, AND GAVE IT TO THE INSPECTOR. I FOUND ANOTHER BOOK JUST LIKE IT AND SAT DOWN AT A DESK TO READ. DURING THIS PERIOD MY OPINION WAS ASKED A FEW TIMES, AND I TRIED TO SHOW A PAGE AND LINE REFERENCE IN THE BOOK THAT MIGHT APPLY. I WAS THERE FOR ONE REASON ONLY — TO SIGN MY NAME TO CERTAIN PAPERS.

The Warsaw Radio broadcast Mr. Jones' decision on Tuesday, November 17 at noon. I missed the broadcast, called Mr. Sharp at the radio station to confirm the statement, and then called Mr. Brooks Pinnick in Warsaw. Mr. Pinnick is town attorney for Mentone. I arranged with him to handle all of the details of a recount in behalf of Mr. Jones, should Mr. Jones consent. (The candidate must personally ask for it.)

I sent Mr. Jones a special delivery letter offering to pay all the expenses of his recount. At 4:00 p. m. on the 17th the following broadcast contained the offer:

"I WILL PERSONALLY DEFRAY ALL COSTS AND LEGAL EXPENSE OF A RECOUNT OF THE VOTE FOR TOWN CLERK-TREASURER IN THE NOV. 3 ELECTION IN WHICH MR. JONES WAS THE LOSER. I HOPE MR. JONES WILL AVAIL HIMSELF OF THIS OFFER THROUGH THE OFFICE OF MR. BROOKS PINNICK AT ONCE. MR. PINNICK IS TOWN ATTORNEY FOR MENTONE." This message was repeated in later broadcasts.

MY OFFER WAS TO MR. JONES ALONE. I DID NOT SUGGEST RECOUNTING THE VOTE FOR ANY OF THE OTHER OFFICES. A RECOUNT APPLIES ONLY TO THE PERSON ASKING FOR IT, AND TO HIS OPPONENT, OF COURSE. **NO TOWN BOARD MEMBER WOULD HAVE BEEN AFFECTED IN ANY WAY.**

I was sorry Mr. Jones refused, but the decision was his to make.

## NATION'S AIRPORTS GROW BUSIER

All-time highs in airport traffic were reached during 1958, the Federal Aviation Agency reports.

Landings and takeoffs at the 213 traffic control towers operated by the FAA totaled 26,599, 719 for the year, a six percent gain over 1957.

The agency said general aviation operations increased 16 percent, military flights dropped 6 percent, and air carriers were down two percent.

Chicago's Midway airport continued to be the busiest in the country in both total and itinerant operations. Itinerant operations include everything except those flights which take off and land at the same place.

In this department, Midway had 397,765 operations during 1958. Los Angeles was second with 296,730 landings and takeoffs, while Dallas was third with 280,753.

The agency said density of traffic at United States airports is best illustrated by the fact that there were 40 in this country with more itinerant operations in 1958 than London—the busiest in Europe—which had a

total of 129,497 landings and takeoffs during the year.

Midway averages over 45 planes in and out each hour in 1958.

Mr. and Mrs. Stan Yeiter, son-in-law and daughter of Mr. and Mrs. Fred Lemler, live about five miles from the airport, and landing planes often come in what appears to be just a few feet overhead.

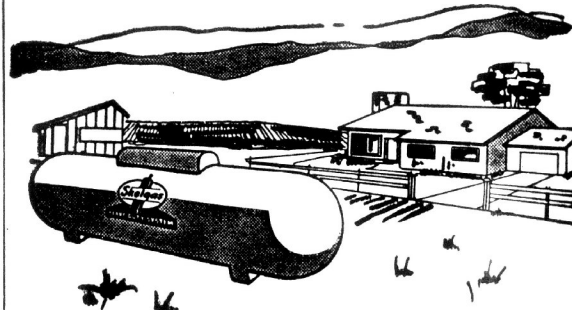

## DINNER GUESTS AT KNOX MEETING

Monday evening, Nov. 16th, Mrs. Frank D. Smith, northern district director, and Mrs. Ray Linn, state program chairman of DAR from Anthony Nigo Chapter, Mentone, were dinner guests of the Desardie Chapter at Knox. Mrs. Smith was the guest speaker and gave a stirring address on national defense.

Also attending the meeting were members from Miriam Benedict chapter, LaPorte, and Schuyler Colfax of South Bend.

Mrs. Smith and Mrs. Linn enjoyed a visit in the home of Miss Mary Craigmole of Knox before going on to the meeting place at the Eagles Lodge building, Knox.

### WONDERING WHY?

Some of our readers have wondered why we do not carry a news column for our Mentone school, as we frequently do for neighboring schools. We assure you it has not been our desire to publish without such news items. This year as well as in the past, we have made repeated attempts to get the school to supply us with a list of the happenings in our school, but as yet we have been unable to get them. In response to our personal and phone calls, we are assured that reporters will be selected and we'll have the news to publish, but they are not

forthcoming.

In Mentone, as well as in all other cities in which we have published newspapers, we have felt that the appointment of a student reporter is a vital thing in the process of education of young people, and this experience usually becomes invaluable to them as they graduate and enter into the business and social life of a community.

Isn't one or two of Mentone's students entitled to the experience to be gained by reporting sports and all other school activities? Your suggestion in the proper place may help.

## Land Values Continue Rise

Indiana farm land values continued their long upward trend, reaching an all-time high July 1, state-federal agricultural statisticians at Purdue University report. The index stood at 312, using 1912-14 as 100.

Since July, 1958, values have risen five percent, and they now are 94 percent above the peak reached in 1920. The July 1 average value per acre of all Indiana farm land with improvements was estimated at \$248 an acre. This compares to \$236 a year ago and \$227 two years ago, according to the statisticians.

The statisticians attribute the rise to these factors:

A continued tight supply of land available for purchase.

Attitude of people toward farm land as an investment; Desire of farmers to enlarge their present farming units; and General economic conditions.

Continued expansion of urban and industrial acres has also been a factor. Demand continues strong for part-time farms and country homesites, the statisticians point out.

Active farmers continue to be the most frequent purchasers of farmland. In the 12 months ending last March 1, they bought more than three-fifths of all farms and parcels of farmland sold. Non-farmers bought a little more than a third. More than 40 percent of the purchases in 1958-59 added land to existing farms.

For the country as a whole land values rose nearly six percent in the last year.

## 2-Year-Old Is 'Dimes' Poster Girl

Mary Beth Pyron, 2, daughter of Mr. and Mrs. James T. Pyron of Florence, Ala., has just been chosen national poster girl for the New March of Dimes 1960 campaign in January. Her picture will appear on millions of posters (above), canisters and coin collectors in every town and village of the country, symbolizing the New March of Dimes attack on crippling birth defects, arthritis and polio, diseases that affect one in every four U. S. families. Mary Beth was born with an open spine and water on the brain. Medical science knows no way of helping her. Hope lies in scientific research supported by the New March of Dimes. Mary Beth is a sunny, affectionate child and loves to ride her new walking horse (left). Her brother Tommy, 4, is a normal child.

## Clinton, Kenbar Leading Varieties

Clinton and Kenbar held their No. 1 position among oat and barley varieties, respectively, planted in Indiana this year, report state-federal agricultural statisticians at Purdue university.

Fifty-four percent of the total oat acreage was planted to Clinton, compared to 49 percent in 1959 and 45 percent in 1957. Newton edged out Clinton 59 for second place with 18 percent of the planted acreage. Clinton 59, runner-up last year, was planted on 15 percent of the 1959 acreage. Bentland oats, with five percent, held steady with the two previous years.

Kenbar barley, grown principally in southern Indiana, was planted on 39 percent of the total barley acreage. Hudson, grown in the northern two-thirds of the state, accounted for 31 percent, about the same as last year. Kentucky No. 1 was the third most popular variety with six percent. Unknown varieties made up 24 percent of the planted acreage.

The oat and barley variety surveys have been made for the last three years. Clintland and Kenbar have been the most popular varieties in Indiana since the surveys began.

## Reduce Yard Mouse Numbers

G. C. Oderkirk, animal control specialist with the U. S. Fish and Wildlife Service at Purdue University, reminds home owners they can prevent field mouse damage to yard shrubs, fruit trees and ornamentals this fall.

Meadow mice do damage by gnawing the bark from trunks and nipping small branches within reach. They are especially destructive to shrubs when sleet and snow reduces their food supply.

Oderkirk suggests trimming and removing tall grass around houses, out-buildings and shrubbery. This long range control method removes places where mice might build their travel lanes and shelter holes.

Field mice unintentionally blunder into homes, so holes in house foundations should be calked. Trunks of valuable ornamentals should be wrapped with one-half inch mesh hardware cloth, setting it solidly around tree bases, the animal control specialist adds.

Mouse populations can be controlled best by placing strychnine or zinc phosphide poisoned baits in their trails under matted grass and weeds. The spoonful-size bait spots every eight to ten feet along runways proves effective. Sources of ready-mixed bait or directions for mixing a bait can be obtained from any county agricultural extension office.

## Mentone Citizens Where Were Your Flags?

Where were your flags on Veterans' Day? They weren't flying. Have you forgotten what Veterans' Day is? Men fought so that we, as Americans, could live better. Aren't you even going to pay tribute to them on this day? The schools were closed for the day. Couldn't you take five minutes to hang a flag? It doesn't matter about the size.

Those of you who flew a flag will long be remembered. Thanks to those few.

I only ask one question. Where were those flags that have hung from the light poles of Mentone before?
