Mentone Basketball Season Opens Friday Night

The Mentone Bulldogs open their 1965-66 basketball season Friday night when they meet Gaston at Fulton.

The Bulldogs, under the direction of a new coach, Glenn Petty, who succeeds Roger Bridge, will have a team composed of four seniors, five juniors and three sophomores. They will be out to better the 6-15 record set last year when the team was handicapped by having only two returning lettermen.

Lettermen returning this year are seniors Dennis Feldman, Bill Sisk, Kim Smith, Rex Bowser, a sophomore. Feldman at 6-2 and Sisk at 6-0 are the tallest men on the squad.

Other players planning to see action are Tom Whetstone, Dan Romine, Gary Teel, Dan Acton, Barry Holloway, juniors; and Max Hubartt and Lee Ritchey, sophomores.

The new coach is pleased at the team spirit shown and feels this will help the team in the future months.

Varsity managers are Dan Brunner and Steve Tucker and the cheers will be led by Susie Cole, Connie Teel, Beverly Hurst and Cheryl Jones.

Mentone Varsity Players shown here are front row, left to right: Tom Whetstone, Lee Ritchey, Rex Yarian, Barry Holloway, Butch Teel, Kim Smith. Back row: Dan Romine, Max Hubartt, Bill Sisk, Dennis Feldman, Rex Bowser, Dan Acton, and Coach Glen Petty.

Student managers who work ably and hard with the team are left to right: Paul Surface, Dan Bruner, and Steve Tucker.

Seniors To Visit Ball State

Several interested Mentone seniors will be visiting Ball State University on November 11, 1965. The students visiting will be able to visit the campus on a day in which school will be in full operation. This will give them a more realistic view of college life.

Parents are also invited to attend on this day and to participate in the special program of activities planned for them and the seniors.

P.T.A. To Meet Nov. 10

The next P.T.A. meeting will be November 10 at 7:30 in the Gym. This meeting will coincide with American Education Week. Mr. Richard Tombaugh, Acting Director of Purdue University Student Loans will be the guest speaker. Mr. Tombaugh, a former Mentone man is the son of

Mr. and Mrs. Wayne Tombaugh.

The program for the evening will include the History of Education, Ideas on Parents Responsibility, and Ideas to be presented on the subject of our physical school's needs and the costs. Baby sitting for youngsters under school age will be provided and refreshment will be served in the cafeteria following the meeting.

Baptist Church News

Saturday evening the Senior Young People met at the home of the Everett Welborns for a Halloween Party.

Also the same evening the Homebuilders Class and the newly organized Young Married Class met at the home of Mr. and Mrs. Harold Shoemaker for a Halloween Party.

Singspiration was held at the parsonage with Pastor and Mrs. Addleman as hosts.

Pastor and Mrs. Howard Addleman and Rev. and Mrs. Alfred Colwell, Thurs-Sun Speaker, attended the monthly meeting of the pastors and wives Crystal Lake Area Fellowship, at the First Baptist Church in Argos, Monday. Following the meeting the Colwells left for an Ohio leukemia clinic where Rev. Colwell will take tests.

Sunday is the deadline for young people of the Crystal Lake Area Baptist Churches wishing to register for the Teen-High Retreat, to be held Wednesday and Thursday, Nov. 10 and 11. This year the overnight retreat will be hosted by the Mentone Baptist Church and will meet at the winterized Strawbridge Lodge in the Epworth Forest Camp at North Webster. Counselor Brad Moore and Pastor Addleman have planned an interesting program. The principal speaker will be Missionary-Appointee Rev. Frank Hartwig. Evangelist George Long will also be there. The program will begin at 7:00 P.M. Wednesday and end at 4:00 P.M. Thursday. The total charge for registration and camp charge per person is \$3.00. \$1.00 due Sunday.

ILLNESS PREVENTS SPEAKING

Rev. Mickey Dowden, former pastor of the local Baptist Church, scheduled to speak in the morning service last Sunday, was unable to do so because of illness. During his Wednesday evening prayer-service at the Baptist Church in Reinbeck, Iowa, he suffered an attack of undetermined cause and was taken to the Veterans Administration Hospital in De Moines.

Sunday afternoon he was contacted by phone and reported that he was much better but would be undergoing tests.

Church Furnishings

Are Dedicated

A dedication service was held Sunday in the Baptist Church for the new furnishings and carpet.

Following the invocation by Earl Zent, the welcome was given by Wayne Bowser.

Music for the afternoon was presented by Mrs. Howard Addleman and Mrs. Lee Kantenwein who sang a duet and by Mrs. Brad Moore who sang a solo.

A progress report was given by Raymond Lewis and was followed by prayer.

Texas Meeting

Dr. and Mrs. Dan Urschel are in Houston, Texas this week, where the doctor is attending the regional meeting of the American College of Chest Physicians and the annual meeting of the Southern Medical Association.

Enroute to Houston, they visited with Dr. and Mrs. Harold Urschel of Dallas. Dr. Harold Urschel is a specialist in surgery of the chest.

On their way home, they plan to spend some time with Dr. and Mrs. John Stuber at Longview, Texas. Mrs. Stuber was employed as a nurse at the Urschel Clinic for a number of years, and Dr. Stuber was on the teaching staff at Grace College before moving to Texas.

With The Sick

Mace Warren underwent surgery at the Veterans Hospital in Ft. Wayne last Friday morning. He is recuperating satisfactorily and will remain in the hospital until he has recovered from a second operation which will be performed in three weeks. His room number is 594-3E, and he would appreciate hearing from his friends.

Good Citizenship Plaques Presented Schools

The Good Citizenship Medal project is designed to offer a concrete and tangible plan for training American citizenship. Education of our youth in American citizenship is of supreme importance.

The Anthony Nigo Chapter, DAR presents the medals to a boy and girl in the eighth grade in each of the Jr. High Schools. By their personal acts and attitudes they must have proven themselves the most outstanding citizens in their class.

The requirements for the award of the medal to these boys and girls are based upon the five qualities of honor, service, courage, leadership, and patriotism. These qualifications are set forth as follows:

HONOR: Honesty - high principles, trustworthiness, loyalty, truthfulness, punctuality, moral strength and stability, cleanliness in mind and body.

SERVICE: Cooperation, meritorious behavior bringing honor to school or community, kindness, unselfishness, true Americanism - individual responsibility to Home, to Country, to God.

COURAGE: Mental and physical, determination to overcome obstacles.

LEADERSHIP: Personality - originality - ability to lead and hold others - good sportsmanship - responsibility.

PATRIOTISM: Fundamental Americanism.

In promoting this worth while project the Anthony Nigo Chapter is manifesting its belief that attention to the patriotic education of our youth means building a stronger Nation for the future. We feel this project should be an incentive in the schools for greater appreciation of the qualities for citizenship needed by our Nation if it is to retain sovereignty and independence of action. Challenges face our youth, and this award has the opportunity of emphasizing the ideal of citizenship for a normal American childhood.

Marion Acton, left, is shown receiving the DAR Good Citizen plaque from Mrs. Helen Brown as Mrs. Wayne Smalley, regent of the Anthony Nigo Chapter DAR, looks on. The plaque will be placed in the school and the names of each year's DAR good citizenship awards will be placed on it.

Mrs. Wayne Smalley spoke to members of the Talma student body Friday in a short assembly program during which the school was presented a plaque. In addition to Mrs. Smalley, Mrs. Helen Brown, foreground, Mrs. Max Smith, and Mrs. Loren Sheetz, also spoke.

Chorus To Give Program

Mentone High School students will be entertained by members of the Akron High School chorus at 2:30 p.m. on Wednesday, November 10 at the Mentone School. The Akron chorus is under the direction of Mr. Dale Beaver, music instructor at

Akron High School and Beaver Dam Junior High School. This program is part of an interchange of assembly programs between several area schools.

Parents and patrons are invited to be in attendance when the chorus performs.

Rainbow Sponsors Hayride

About 50 Rainbow girls and their guests enjoyed a hayride and Halloween party Saturday October 30. After a ride over county roads for 1½ hours, the young people returned to the Masonic Temple dining room for dancing games and refreshments.

The room was decorated in true Halloween fashion by Carletta Deeds, Loreeta Siders, Marna Sephen, Angela Riley, Joyce Maby, Diana Stafford and Marion and Marjorie Kendall. Refreshments of doughnuts, cider, apples and candy were served.

Peterson In Competition

Mr. and Mrs. Ted Peterson and sons, Jerry and Jack competed in the Dance Skate Competition at the Rock Lake Skating Rink at Rock Lake Sunday. Jerry came home with a first place trophy, and Jack brought home a third place trophy in the Juvenile Division.

Parson Jones Speaks

Dear Mr. Publisher:

You think its hot in Viet Nam, you shoulda been at our congregation last Sunday. When I got thru with my sermon there was snipers all over the place. I had read where the servicemen got a raise the other day so I decided it was about time us ministers got one. Its the first time I ever done it but the Good Book says, "ack and ye shall receive", and I figured it was worth a try. In my sermon I told 'em how the Bible says a fella oughta "count the cost", so I had done it, and come up short. I assured 'em that I didn't know much about economics but it appeared to me that my outgo was more than my income, and something oughta be done. My wife had also added a little part tony sermon that showed how groceries can't be bought for the same price they were under President Hoover. She also had struck in there a phrase pointing out that preachers traded at the same grocery stores their members did. A tater whether it was bought by a salesman or a minister. I also told 'em how I had read where garbage truck drivers get paid more than preachers. That don't mean I'm again garbage collectors - its just that I think my job is as important as his.

Like I said, all this didn't set too well with my church members. One lady swore I was a disgrace to the Bible believing Christians on account of my worldly attitude. When I told her I was just acting like my members she allowed as how it was alright for them but a preacher was supposed to be something special.

I don't know, Mr. Publisher - sometimes I think preachers are the biggest hypocrites in the world. It ain't exactly their own choosing either. Its on account of the large group of church members who feel guilty for not practicing what they profess. They seem to have picked up the idea someplace that if the minister will only practice what he preaches it'll make everything all right. So - they give the role of "little god" to the preacher.

The minister can't show that he's interested in money, even if he is. If he looks at the pretty girls he's gotta do it outta the corner of his eye. He ain't supposed to get mad, swear, cuss, or smoke. About the only way he can get by with it is by getting up his dander during the sermon where he can use words like "dam" and "hell" and get by with it. There ain't much way he can disguise smoking so he's just gotta hide when he does that. My wife says that most congregations have made "holy freaks" outta their ministers. Well, I must go now and put away all the ash trays. We've having a committee meeting at the house. I remain your freakish friend,

Yours truly,
Parson Jones

A Column of News By And For All Girl Scouts Of The Mentone Community

Senior Troop 2 held a business meeting and Halloween Party, Saturday afternoon, at the Girl Scout Cabin in Warsaw. Plans were made to wash and iron the curtains for the cabin.

Pam Abbey, of Senior Troop 2, is planning to attend a Senior Girl Scout Conference on Music, Art and Drama to be held in Madison, Wisconsin, on November 5-7. The Blackhawk Council of Madison will be the hosts.

Junior Girl Scout Troop 25. After a short business meeting and the four patrols meeting for roll call, a Halloween Party was enjoyed by the twenty-five girls in the troop. The girls were masked as they participated in the games prepared by Patrol I. Passing a potato from chin to chin was one relay and then another relay game was passing a lit-aver on a toothpick. Prizes were given to the winners. Refreshments of popcorn balls, kool-ade, candy cups and cookies were served to the group by Patrol II. Special numbers hidden in the candy cups gave tootsie-pops to those girls. The pretty decorating, in keeping with the season, was done by Patrol III. The Cadette Scouts also provided some of the decorating from their party the previous night. Patrol IV had an important job at the party, that of cleaning.

Hayride

The Cub Scouts, Boy Scouts and Pioneer Girls enjoyed a hayride last Monday night when approximately 60 rode in three wagon pulled by two tractors driven by Wm. Shonk and Wm. Heck. After the ride the group joined their parents around the campfire at the Boy Scout cabin. The Cubs presented a skit, "The Scariest Costume".

Awards were presented by Cub Scout Master Bill Heck as follows: Wolf badge and gold arrow to Gregg Hensely, bear badge and gold arrow to Jeff Heck. Den badge to Eldie Rock, who was also welcomed into the Boy Scouts by Bill Shonk. He was presented a skin on which to mount his badges by the den mother, Mrs. Ralph Fetz. Mike Livengood received a second class award and Steve Hepler received a life saving and cooking badge.

The Boy Scouts sang their Vespers song and the Pilgrim Girls sang several numbers. Refreshments of pop corn, apples and cider were enjoyed.

Car-Train Crash Injures E. Greer

A Saturday morning car-train crash critically injured Everett Greer, 48, No. Manchester, when his car was struck by a west-bound train at the intersection of state roads 25 and 19. The impact carried his car from that crossing to the other intersection, tearing the motor from the car as it went. Greer was thrown from his car and came to rest 50 feet from the point of impact.

An employee of Strauss Elevator in North Manchester, Greer was well known locally.

Greer has been listed in critical condition at Murphy Medical Center with serious head injuries and has complained of back injuries.

The crash was investigated by Mentone Gene Norton, Deputy Sheriff David Andrews and Indiana State Police.

He's Home Now!

Todd Sheetz, seven year old son of Mr. and Mrs. Loren Sheetz, returned to his home Tuesday afternoon after having spent the past five weeks in traction at So. Bend Memorial Hospital. He will be confined at home in a cast for the next eight weeks and hopes to get promoted to crutches at that time.

We cannot express enough our appreciation to our wonderful employees and the understanding readers and advertisers who have had to put up with our erratic hours and mixed up schedules for the past five weeks. We hope things will get on a more even keel now that Todd is home although we still plan to devote much time with him which will often necessitate our missing meetings we might otherwise have covered.

And we certainly appreciated the wonderful cards, letters, and gifts that Todd received from his friends and from the readers of both papers. They meant very much to all of us and Loren and I appreciated more than words can express the kind letters of encouragement we received from our wonderful readers. We have often helped people compose thank you notes but never fully understood until now how difficult it was to really express the thanks that comes straight from the heart that we feel now. Your kindness was wonderful and we can never forget it.

Ann

Named Field Sales and Service Manager

Due to the recent territorial expansion of Manwaring Leghorn Farms, Inc. in acquiring the exclusive Franchise for KimberChicks in Southern Indiana and Western Kentucky, in addition to Northern Indiana and Western Michigan, the Manwarings recently announced the appointment of Earl Souder, R. R. #5, Warsaw as Field Sales and Service Manager.

Mr. Stouder has a background of 11 years experience in the field of Poultry, and the commercial feed industry.

Manwaring Leghorn Farms, Inc. of Mentone, which is known as the center of "The Egg Basket of the Middle West", annually produce over 3,000,000 "KimberChicks" in one of the Midwest's Most Modern Hatcheries. Manwarings have been in the business of producing quality leghorns for over 54 years.

The engine of Everett Greer's car lies in the foreground, mute testimony of the force of the impact of the train which struck the car. Both pictures by Jerry Hudson.

Everett Greer, No. Manchester, the driver of this late model car, remains in serious condition in Murphy Medical Center where he was taken Saturday after his car was struck by a train near the intersection of state roads 19 and 25.

GIRL SCOUT NEWS

Browlie Troop 142 invited for their winter home in Fort Birthday Party Tuesday afternoon. Their guests included: Mrs. David Burkett and Lisa, Mrs. Kenneth Bush and Colleen, Mrs. Ora Carmean and Greg, Mrs. Jesse Coplen, Mrs. Joe Good and Janice, Mrs. Albert Hiers, Mrs. Dale McGowan and Sheryl and Lori, Mrs. Fred Morgan and Mrs. Joe Tucker.

Kim Morgan and Nancy Ettinger presented \$263 to the Juliette Low Fund. This money had been given in pennies over the last year. Kim and Nancy were chosen by the other girls to be the Juliette Low Girls.

Sandra Good, Pamela Carmean, Sharon Burkett and Serita Coplen performed the flag ceremony with Leslie Senff leading the Pledge of Allegiance and Sandy Mason leading the Brownie Promise.

Sharon Burkett, Kim Bush, Brenda Coplen, Pam Ecker, Nancy Ettinger, Sandra Good, Maria Effert, Sandy Mason, Lisa Owens, Jayne Perry and Leslie Senff received perfect attendance recognition. Nineteen girls, also, received their new membership cards.

Mrs. Joe Good received her Girl Scout pin, and was welcomed as a new member of the Troop Committee.

During the meeting the Brownies sang some of their favorite songs and played their rhythmic instruments. A birthday cake and kool-ade were served their mothers to the Juliette Low.

Jr. Troop 25 met Tuesday afternoon and saw film strips concerning the Juliette Low Fund. The patrols met to discuss some business and plan a court of honor to be held in the future.

Lisa Harmon read a bit about Juliette Low and Lynne Knopp contributed to the program and passed some badge work by reading a poem.

The girls are busy collecting dried weeds which will be made into winter bouquets during the month of November.

The Girl Scout calendars are here and will be sold by the junior and cadette troops.

Hello There

Hello, I'm Trooper John Hamersley, Indiana State Police, Ligonier District 2.

During the fall and winter months ahead, road and weather conditions will be changing rapidly and that means we've all got to change our driving habits accordingly.

It gets dark a lot earlier in the evening and in the morning there's only half-light at the best. Added to this are more frequent periods of haze, fog and rain. It all adds up to driving trouble.

The law says you must have your headlights on at any time from a half hour after sunset to a half hour before sunrise or whenever other cars or persons cannot be seen at a distance of 500 feet ahead. Why not back the law with a little common sense? Turn your

lights on any-time you have the least doubt that other traffic might not see you approaching.

To avoid accidents, being seen is just as important as seeing.

Rainbow Girls Holds Meeting

Christine Wise, worthy advisor, presided at the stated meeting with 31 girls and 2 adults present. Those who protested were Pamela Moore, Judy Teeter and Jennifer Hackworth.

There was balloting on candidates and these girls will be initiated at a date yet to be set. Merit bars were presented to Jo Ann Moore, Joyce Maby, Melissa Gast, Marna Stephen, Diana Stafford, Loretta Siders, Marjory Kendall, Carletta Deeds and Roxy Arnold.

There was a practice for initiation and following the closing, cokes, candy and potato chips were served in the dining room. Adria Morgan, Reporter

Attend Girl

Scout Conference

Mr. and Mrs. Denton Abbey accompanied their daughter Pamela, and Beth Jarmin of Ligonier to a Senior Girl Scout Conference on Music, Art and Drama, in Madison, Wisconsin over the week-end.

The conference opened Friday evening with a potluck supper, followed by an impressive flag ceremony and an address by the Rev. Eugene Bauhs on "Thank Heaven for Little Girls."

All visiting Senior Scouts were housed in the homes of Senior Scouts in the Madison area.

The conference sessions on Music, Architecture, Interior Decoration, Painting, Sketching, Sculpturing, Acting, Literature and Journalism were held both Saturday morning and afternoon. The sessions were conducted by professors and students from the University of Wisconsin, as well as professional architects, in-

terior decorators, artists, sculptors, and authors.

Saturday evening was spent at the East Madison High School playing volleyball, basketball and swimming in the school pool. Most of the girls attended church with their hosts on Sunday morning and then departed for their homes in Illinois, Minnesota, Indiana and Wisconsin.

News Of The Tippecanoe Community

by Amelia Vernette

The W.M.S. of the Tippecanoe Community Church will hold family night at the church Wednesday evening, Nov. 17, at 6:30. Each member should bring their own service for the pot luck supper.

Rev. and Mrs. John Krieg have returned from a visit with their daughter, Mr. and Mrs. Loyd Perry and children at Macomb, Ill. They also attended homecoming at Western Illinois University.

Mr. and Mrs. Condia McIntire recently spent several days with her mother, Mrs. Frank Deutsch, at Churubusco. Guests in the

McIntire home were Mr. and Mrs. Arlo Lewellen of Logansport.

Mr. and Mrs. Chas. Fisher and her sister, Mr. and Mrs. Ed Smelser and children, of Mentone recently visited Mr. and Mrs. Robt. Town and family at Toledo, Ohio.

Recent guests of Mrs. Wilber Phillips and Arnold were Mrs. Chester Johnson of No. Liberty, Mrs. Ronnie McCartney and Neil of Lapaz, and Mr. and Mrs. Brooks Gardner and Jim of Bourbon.

High School

Reading is very important in all areas of the curriculum—social studies, science, mathematics, health, etc.

Our major goal is wide independent reading for every child with emphasis on root words, prefixes and suffixes and inflectional endings. The use of our textbook glossaries and dictionaries are used as highly functional tools to help in our reading program. We also select the most difficult vocabulary words from the list in the back of our textbooks and make flash cards to master our new words.

In English, we are learning to recognize the kinds of sentences with the correct punctuation of each one. We also are studying the skeleton of sentences along with adjective and adverbial modifiers are being stressed predominantly.

Art classes have been doing creative sketching with pencil, charcoal, and chalk. Recently, we have added cartoon sketching with colored pencils. We have made the color wheel.

Today's MEDITATION

The World's Most Widely Used Devotional Guide

The Upper Room

THE UPPER ROOM, NASHVILLE, TENNESSEE

Thursday, November 11, 1965

Read Luke 6:27-36

Father, forgive them; for they know not what they do. (Luke 23:34)

During World War II, I was flying as copilot on a bomber high over the Pacific Ocean. Over our earphones crackled the latest war news from the front in Europe: fierce fighting on both sides; casualties high.

Suddenly, the cockpit seemed to light up! I saw in my mind's eye our world locked in mortal conflict—human beings behaving like animals in the jungle. I also saw the way of Christ shining in contrast of the way of the world. I prayed, "Father, forgive us; for we know not what we do."

During the years that have passed since that moment, my convictions have deepened that Christ's way remains mankind's greatest hope and challenge. The world still prefers the sword, considers love weakness, makes service enslavement, and praises self-assertion at the expense of others. Jesus refused to take up the sword; He took up the cross. His way is the way of love, self-denial, service.

PRAYER: Our Father, we thank Thee for Jesus Christ and His reassuring words to all His followers, "Be of good cheer; I have overcome the world." We pray that the eyes of mankind everywhere may be opened to the end that there may be goodwill among men and peace on earth. For Jesus' sake. Amen.

THOUGHT FOR THE DAY:
For planet Earth, it is Christ's way or chaos.

—Barrett Wilson (North Carolina)

Mrs. Wm. Blackford Heads Mission Group

An election of officers was held at the October meeting of the Women's Missionary Society of the Tippecanoe Community Church Wednesday evening at the home of Mrs. Dick Kreft. The meeting was opened with the group singing, "More Like The Master I Would Ever Be" and was followed by devotions given by Mrs. Treva Moore.

Four quilts made by the group were on display and will be given to needy families. Letters from Mr. and Mrs. Richard Cape from Berean Gospel District and Mr. and Mrs. Jared Barker, Station DKKI Marbel Cotabato were read.

It was vote to send \$5 each to the Mukeys, Loziers and Miss Lorraine Waite, missionaries overseas and homemade cookies and candy to missionaries in the states for Christmas.

The election saw Mrs. Wm. Blackford being named president. Other officers are vice president, Mrs. Fostie Sill; secretary, Mrs. Dale Marks; treasurer, Mrs. Rex Fites; program, Mrs. Treva Moore; devotions, Mrs. Milo Reichard and Mrs. Lee Mullins; and local activities, Mrs.

Mrs. Milo Reichard closed the meeting with prayer. Family night will be held Nov. 17 at 6:30 at the church with each bringing table service for the pot luck supper.

Co-hostesses were Mrs. Flossie Coplen and Mrs. Sarah Blackford who served refreshments to 18 members and one guests, Mrs. Stanley Vordenburg of Ft. Collins, Colo.

Sander's Grandson Is Killed

Tragedy struck the home of
Fred Sander, Rochester, on Sun-
day when his small grandson,
Steven Keith Montgomery, 5,
Indianapolis, was killed while
riding in a manure spreader. The
child had asked permission to
ride in the empty spreader when
for some reason it began operat-
ing, pulling him through the
prongs of the mechanism.

Mr. Sander is well known in
Mentone as he has operated a
garbage and trash pickup service
for a number of years.

The boy was survived by his
mother and step-father, Mr. and
Mrs. David Milton of Indiana-
polis; a brother; the maternal
grandparents, Mr. and Mrs.

Disposition Of School Records

Due to the recent school reorganization which will be entirely completed on January 1, 1966, the office of the County Superintendent will be permanently closed on Friday, December 31, 1965. All records now on file in the County Superintendent's office will be preserved and placed with the various corporations according to the following plan.

The School Enumeration Records which give the names and ages of children aged seven to twenty-one, living in Kosciusko County prior to 1924, will be placed in the office of the Kosciusko County Board of Health, where birth records are now kept. (This enumeration record taken by the township trustee was required by law from 1880 to 1924, and is acceptable to the Social Security Director.)

The records of all students who have graduated from any high school under the administration of the Kosciusko County school system, (approximately 11,200 graduates) will be placed with the administrative unit of the corporation of which that school or township has become a part. (For example, if one graduated from the Etna Green High School, his record can be found in the administrative unit of the Tri-Township School Corporation, whose office is now located in Etna Green.)

All pupil attendance and grade records now in the office of the County Superintendent will likewise be placed in the corporation in which the school or township is now located.

All teacher records now on file in the County Superintendent's office (approximately 1700) will go to the administrative unit which includes the school or township in which that teacher last taught. (For example, a teacher who last taught at the Franklin School in Seward Township will find his record in the Tippecanoe Valley School Corporation, with the administrative office in Mentone.)

All other records and reports pertaining to school business will also be taken to the newly reorganized units.

Single volume records such as Minutes of the County Board of Education, Minutes of the County Reorganization Committee, etc., will be stored in a locked metal cabinet in the Court House, the key being left in the possession of the County Auditor.

According to the above plan, all vital records now on file with the County Superintendent will be preserved and made available as needed.

TVSC Board Votes To Add Classrooms At Mentone, Akron

All members of the school board and ten taxpayers of the Tippecanoe Valley School Corporation were present at Monday night's school board meeting. They heard Gale Creighton, board secretary, move to build a consolidated high school immediately as a means of solving the over-crowded situation which has faced the corporation's schools for the past three years. There being no second to the motion, the board president, Ed Bucher, relinquished his chair to vice president Ralph Davis and seconded the motion. The motion, however, failed to carry with Davis, Whit Gast, and Eldon Cumberland voting against it and Creighton and Bucher voting for it.

The motion by Creighton came after a period of audience participation during which Al Price, the only representative from the Akron community present, suggested the board consider building additional classrooms for the elementary schools at Akron and Mentone. He stressed a lack of reading ability in grade school students and suggested a remedial reading program and additional facilities for this group

would provide the most urgently needed improvement at the present time.

Other comments were heard from Bill Ettinger and Jim Beeson, both of Mentone. Ettinger expressed a desire to see the board make long-range plans for future expansion, basing their plans on enrollment projections, thereby eliminating last ditch efforts to alleviate crowded or obsolete schools. Beeson

avored using the existing buildings with proper additions, stating he felt education was more a quality of teachers than the building, pointing out that the Ivy League colleges maintained pride in their old buildings and kept them in good repair. He reminded the board that the need for additional rooms had existed for several years and hoped they could immediately find a solution to the problem.

Board members discussed the situation with the audience and school superintendent Forbes participated in discussion of the school's problems. Creighton stated he felt the building of a new high school would alleviate the crowded elementary rooms and would eliminate the need for the Talma and Beaver Dam junior high schools. He stated the Akron high school building

Sophomores To See Globetrotters

As their social activity for this semester, the sophomores have chosen to go to Fort Wayne on Sunday, November 21, at 5:15 to see the famous Globetrotter basketball team perform. Mr. and Mrs. Glenn Petty and Mr. and Mrs. Paul Rush will accompany the thirty-four sophomores.

Open House Planned At Burket School

Burket principal, Oliver England, has announced that open house will be held Monday, November 22, at the Burket school for parents and other interested persons. Visiting hours will be between 7:30 and 9:30 p.m. Visitors may come and go as they desire between these times. There will be no special meeting. Refreshments will be served.

The Hoosier Harmonettes, a group of four girls who provide a lot of fun, laughs, and music, are keeping quite busy this fall according to their sponsor, Denton Abbey. The girls have recently completed four engagements, the last of which was at the Whitley Co. Northeastern Angus Association meeting at Westminster Hotel, and they have four more bookings a head.

Members of the group of Pam Abbey, Janis Hoffer, Kathy Boggs, and Kathy Tridle. Mr. Abbey accompanies the group to the meetings and acts as master of ceremonies. He personally built some of the music instruments used by the group.

Teachers Honored In Church Service

In observance of American Education Week, the public school teachers and administrators attending the Baptist Church were honored during the morning service.

Sixteen of the teachers are presently teaching. Five more are actively engaged as home-makers and in the pastorate, and eight have retired after many years of teaching. Two more on the church membership are Missionary-tachers.

Carnations were pre-nted to

the retired teachers by three members of the high school's Future Teacher group.

Urschel Re-Named

Secy. - Treas.

Dr. Dan L. Urschel, M. D., well known Mentone cardiologist, has been re-elected secretary-treasurer of the Indiana Chapter of the Flying Physicians Association for a one year term.

The F.P.A. was founded in 1954 to promote general aviation safety and to explore the various medical disciplines as they relate to aviation. Membership includes 1700 physicians, 112 of them from Indiana. The other members live in all 50 states and Australia, Canada, and West Germany, as well as other foreign countries.

Dr. Urschel is active in a number of professional organizations and he is a Fellow of the American College of Physicians, the American College of Cardiology, and the American College of Chest Physicians. He also serves on the Council on Cardiology of the American Heart Association.

Lois Ann England Weds Robert Dale Ladson

Miss Lois Ann England and Mr. Robert Dale Ladson were united in marriage in an afternoon ceremony October 24 at the Pleasant Grove Methodist Church. Rev. Robert Dale Trueblood officiated.

Mr. and Mrs. Benny England, R.R. 2, Piercetown, are parents of the bride, and Mr. and Mrs. LaVerne Ladson, R.R. 1, Mentone, are parents of the bridegroom.

The altar was decorated with palms, white potted mums and lighted candles. Wedding music was provided by Miss Jeannie Mack of Milford at the organ, and Mrs. Larry Cripe of Warsaw, vocalist.

The bride wore a lovely floor-length gown of white satin with a designed bodice and train. The veil was waist-length. She carried a colonial arrangement of yellow sweetheart roses and white mums.

The maid-of-honor, Mrs. James O. Unzicker, sister of the groom, wore a floor-length gown of gold taffeta and carried yellow

mums.

Best man, brother-in-law of the bridegroom, was James O. Unzicker. Ushers were brothers of the bride, Roger, Ronnie, and Rickie England.

Those helping with the reception in the basement of the church were the bridegroom's sister, Mrs. Richard Creamer, his sister-in-law, Mrs. Lynn Ladson, and Mrs. Darry Carpenter.

In charge of the guest book was Miss Sue Howard, the bride's cousin. Assisting with gifts were, Miss Debra England, sister of the bride, her cousin Miss Peggy Biltz, and Miss Marge Harris.

The bride is a graduate of Piercetown High School and the Fort Wayne Community School of Practical Nursing. She is employed by the Murphy Medical Center. The groom is a graduate of Tulma High School, and is engaged in farming.

The couple is living at their farm home at R.R. 2, Rochester.

Mrs. Secrist

Entertains Club

The Mentone Home Demonstration Club met Thursday at the home of Mrs. Glen Secrist.

Following the usual opening, the song of the month, "Now Thank We All Our God", was sung and meditation was given by Maud Cox using three poems, "Down the Cane", "Posies For The Living", and "Hoosiers Have A Right To Sing".

Minnie Busenbarg gave the health and safety lesson about saving vision and a thank you note from the Friendly Neighbors Club was read.

The club received a seal for being a standard club and an invitation from the Green Thumb Garden Club to attend their Christmas workshop on Nov. 16.

Mrs. Sarber was appointed to send gifts for the mental health patients and roll call was answered with memories of Thanksgiving.

A silent auction proved to be a lot of fun and netted the club's treasury a nice little sum. It was announced that the next meeting will be a Christmas party at Lozier's Restaurant on Dec. 8 at 6:30 p.m.

Delicious refreshments were served by the hostess and the assistant, Maude Cox.

Alonza Slone Dies

An apparent heart attack caused the death of Alonza Slone, 41, R. R. 2, Claypool, who died Friday morning in Murphy Medical Center a short time after being admitted.

Mr. Slone became ill while returning from a meeting at the Center Hill Pentecostal Church of God in Silver Lake.

Surviving with the wife, the former Edna Reffitt, are two daughters, Shirlene and Maxine, and a son, Lonnie, all at home; the parents, Mr. and Mrs. John Slone of Burket; three brothers, John H. of Warsaw; Joe and Clyde of Palestine; two sisters, Mrs. Greenville (Virginia) Slone and Mrs. Betty Adaire of Warsaw; and two half brothers, Clifford and Isom Slone of Burket.

Funeral services for Mr. Slone were conducted Sunday afternoon and burial was in the Center cemetery near Silver Lake.

DAR Hears Address By Rev. Toirac

On November 9 the Anthony Nigo Chapter, DAR held its monthly meeting at the home of Mrs. Eldred Paulus. The regent, Mr. Wayne Smalley conducted the ritual opening and the minutes were read and approved.

The President General's message was read by Mrs. Max Smith. She has designated October 9, 1965 through October 9, 1966 as Diamond Jubilee Year. She urged all members to unite in promoting our objectives and especially this time or year should count our blessings and remember the heritage our forefathers established for us.

An enlightening article entitled "Secret Red Youth School Trains American Leaders" was read for the National Defense report by Mrs. Frank Smith. This school took place in June of this year at Camp Midvale, Ringwood, New Jersey. There were eighty Red Youth students hand picked from all over the U.S. as future leaders of the senior Communist Party. During the 2 weeks training the meetings were so secret that no communication with the outside world was permitted.

These students were sent to key cities to begin recruiting drives for the Communist Party and the Du Bois Club with the pay of \$30 a week. This main thrust is in key Midwest Cities

St. Louis, Chicago, Cleveland and Detroit. Their instructions included a study of Lenin's works on the necessity of the methods of achieving the violent overthrow of non-Communist governments by force. They were told to work into all civil rights movements and to co-operate with the drive against the U.S. in Viet Nam. Also they should never lose a chance to use the youth groups available for their own aims and back through these fronts rather than openly as Reds.

The annual donations made by the chapter were approved as follows: National Defense; Indian Scholarship Fund; DAR approved schools, Kate Duncan Smith and Tamasee; Art Fund; American Room; DAR Museum; and DAR Magazine to the Mentone High School.

The regent appointed Mrs. Dale Cook, Mrs. Frank Smith and Mrs. Loren Gross as a committee to inquire about the DAR purchasing a flag and pole for the new Town Hall. Also she urged each member to fly their flag on Veterans Day, November 11.

The program chairman, Mrs. Helen Brown then introduced Rev. Florent D. Toirac, of Winona Lake, who is the founder and director of the Spanish-

World Gospel Broadcasting, Inc. He was born and educated in Cuba. The first time he ever heard the Gospel or saw a Bible was when a missionary visited his home and led him to the Lord at the age of 13. He graduated from the Bible Institute and Seminary of West Indies Mission in Cuba and has a diploma in journalism from the Latin American University in Havana. He is married to a former Fort Wayne girl and has four children.

"America—We Thank You" was the subject discussed by Rev. Toirac. He emphasized the things that all of us take for granted but other countries are so deprived in. They are as follows: The skill to build a nation such as the U.S.; freedom, which we are gradually losing all the time; privacy in our homes and lives; the churches where we can worship and hear the world of God; our school systems; the Bible; all the conveniences of living such as heat, lights, etc.; and the medical knowledge available to everyone.

Too many countries do not have these advantages and some have never experienced any of them in their lifetime. There are thousands all over the world who cannot read or write and have never seen a Bible.

Rev. Toirac's mother still lives in Cuba. She was recently sick and could not even buy an aspirin to help relieve the pain. In Haiti there are 60% of the children that die of malnutrition and the population is such that there are 500 people per square mile. In Latin America alone they receive thousands of requests wanting more knowledge of our religion.

He feels that God has truly blessed America, but most Americans have no time to appreciate these blessings. Our main problem is the spiritual knowledge in the heart of man. If we gain new heartfelt feelings we would gain new life.

In closing he quoted: "Freely ye have received, freely give."

The delegate to State Conference, Mrs. Hazel Linn, reported on the sessions recently held in Indianapolis. The Northern District was the session recently held in Indianapolis. The Northern District was hostess and the Northern Director, Mrs. Lawrence L. Guenin gave a most inspiring opening welcome. There were 334 that attended the conference with guest state regents from Kentucky, Michigan, and Ohio.

Delicious refreshments were served by the hostess and co-hostess Mrs. James Wells to the 15 members and 3 guest present. In addition to the speaker other guests were Mrs. Earl Butts and Mrs. Jess Whitmeyer.

Members are reminded to take any old clothing to be sent to the DAR approved schools to the Mentone Library before November 30.

The next meeting will be held December 14 at the home of Mrs. Paul Shireman with a gift exchange and program entitled, "Christmas in East Pakistan" presented by Mrs. Harry Goering.

Former Residents In Traveling Choir

Several former residents of the Mentone and Akron communities were included in the traveling choir which sang Monday night at the evangelistic services in the Akron Church of God. Nina Marie Nottingham, daughter of Mr. and Mrs. Robt. Nottingham, former Mentone residents, and Dennis and Gary Creviston, sons of Mr. and Mrs. Elwin Creviston participated with the vocal group. Mr. Creviston is a former Mentone resident and Mrs. Creviston is the former Maxine Miller of near Akron.

The 20 member choir is composed of senior high and older young people from six GARB Baptist churches in the Ft. Wayne area. Organize since 1963, they are under the direction of Mr. and Mrs. Geo. Culp, directors of music on the "Tower of Strength" WGL radio program.

The choir has twice toured the eastern part of the U. S. and Canada and has sung an hour's concert in the rotunda of the Capitol in Washington, D. C. They have sung at many other rallies and services.

Their return engagement in Akron was part of a week-long evangelistic service being conducted by Rev. N. K. Powell of Butler, Pa. Long active as a minister with his brother and now with his son, he is also well known for his radio ministry.

NIPSCO Seeks To Aid Employment Situation

An acute labor shortage in the northern third of Indiana has prompted unique action by Northern Indiana Public Service Company.

To help fill the manpower needs of industries and communities in its service area, NIPSCO has begun an advertising campaign to attract men and women from the midwest states of Michigan, Wisconsin, Illinois, Iowa and Ohio.

The company's president Dean H. Mitchell, cited the 111 new plants or expansion which were started, planned, or completed during the first six months of 1965, saying that these expansions provide virtually unlimited opportunities for those seeking jobs and better living in northern Indiana. He also mentioned that this enormous industrial growth had all but outstripped the utility's service area of much needed manpower.

Bob Herendeen On Wide World Of Sports

Friends in this vicinity were surprised to see a former Mentone boy, Bob Herendeen, on ABC's Wide World of Sports on Saturday, November 6.

Bob participated in the Reno Air Races in September and the races were shown on this program. He won third in the Areobatics.

Today's MEDITATION

from The World's Most Widely Used Devotional Guide

The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE

Thursday, November 18, 1965

Read Matthew 26:36-39

For the moment all discipline seems painful rather than pleasant; later it yields the peaceful fruit of righteousness to those who have been trained by it. (Hebrew 12:11, RSV)

The first thought that comes to the visitor the Garden of Gethsemane is that it was here Jesus prayed, in great heaviness of spirit, "Father... not my will, but thine, be done."

This is a prayer which the Christian needs to pray every day. We must remember, however, that it is not to be limited to the times when we face some unusual trial of bitter experience.

The will of God, we must never forget, embraces the whole of our life—its times of triumph and joy, its hours of darkness and defeat.

The afflictions of life are not a part of God's ultimate will. We can be sure that whatever Jesus strove to expel from our world—sickness, doubt, fear, unbrottherliness—these are all contrary to God's will and cannot endure forever. When we seek to displace these things from our lives and from our world, we are working with Christ and in harmony with God's will.

PRAYER: Father, help us to pray not with our lips only but with our lives, that this day Thy perfect will may be done to Thy name's honor and glory and for the Master's sake. Amen.
—William C. Martin (Texas)

Students Attend Drama

Phyllis Hurd, Joanna Newton, Ann Rush, and Shari Lewis attended the play *The Late Christopher Bean* as performed by members of English and speech classes of Grace College. Mrs. Rush and Mrs. Hoke accompanied the students. After the performance the girls visited backstage to observe the sets, lighting and makeup used. The students were observing character portrayal and stage setting.

SAFETY FOR OUR

☐ "Terrific rate of speed," "failed to make curve," "crossed over centerline," "lost control," "moved down utility poles," "car overturned six times"—phrases such as these are sprinkled through the news stories of horror on the highways which confront Hoosiers daily these days.

☐ Frequently in the copy of our newspapers we read about drives for safety or law enforcement crackdowns which officials propose to carry out. And effort is being made, it must be conceded, by men whose task it is to increase the margin of safety and cut down the toll of maiming and death. Is their task hopeless? Will the slaughter continue to grow worse?

☐ The frankly pessimistic view is that, yes, the slaughter will continue to grow worse, chiefly because the lethal weapon which is the internal combustion motor, the automobile, is in the hands of a generation which cannot or will not accept the dangers of high speed and be governed accordingly.

☐ Today's young driver, weaned on speed and power, finds it almost an impossible lesson to learn, the lesson that excessive speed spells danger just as surely as pulling the trigger spells danger for him opposite the gun's muzzle. The young driver typically does not adjust his speed to fit the conditions, the kind of road he travels, the volume of traffic, rain or snow, visibility, blind hills, curves, two-lane or four-lane highway, speed limits.

Deadly Killer SCHOOL CHILDREN

☐ His god is speed, the utilization of the oft-unnecessary power under the car's hood. For him the automobile is a part of the go-go world which knows nothing of the word caution. He lacks awareness that the motor vehicle he guides is a potential death weapon. Whatever his training as a driver, whatever the safety admonitions, whatever the laws, speed is the only concept he serves. And the results today are frightful and unending.

☐ Be alert and courteous at all times whether you are a driver or a pedestrian. Safety organization can inform and guide us, traffic officers can correct and direct us, but only when each and every one of us makes traffic safety our business will they terrible, slaughter on our streets and highways cease to exist.

☐ Are youth and prudence behind the wheel of a powerful vehicle incompatible? We don't know the answer but unless our society can find an answer the days and nights of horror will grow steadily worse.

Percy Swick Rites Are Held

A well known Kosciusko county farmer, Percy W. Swick, 70, P. O. 2, W. 100, died Sunday night at Murphy Medical Center after an illness of two months.

The son of Levi and Maggie Weiss Swick, he was born Oct. 6, 1895 in Kosciusko County. He married Olive Redinger in 1918, and she preceded him in death in 1932. He married Stella Emmmons, who survives, in 1934. A farmer, Mr. Swick was a lifetime member of Kosciusko county. He was a member of the Akron Church of God, the Farm Bureau, and an honorary member of the W.C.T.U.

Surviving with the wife are a daughter, Mrs. Robert (Mary

Maxine) Sharrow, Erie, Pa.; two grandsons; a step-son, Don Emmmons, Seattle, Wash.; a step-daughter, Mrs. Don (Bonnie) Gripe, Rochester, and seven step-grandchildren. Two brothers preceded him in death.

Rev. Forest Carlson officiated at the funeral services Tuesday afternoon in the Akron Church of God and burial was in the Akron cemetery. Hauptert funeral home was in charge of the arrangements.

Better Daughters Plan Party

The Beaver Dam Better Daughters 4-H Club held their meeting Monday, Nov. 15, 1965. The meeting was started off by the pledge to the American flag by Margaret Hill and the pledge to the 4-H flag by Debbie Ault. Then roll call was answered by where you are going on Thanksgiving. Fourteen were present and two visitors, Mrs. Bill Hudson and Mrs. Hill. We had discussion about getting more girls in 4-H. Also a Christmas party was planned Dec. 20 at 7:30 at Martha Whittenberger's house. Health and safety remarks were given by Joyce Horn about the pledge to the 4-H flag. Martha Whittenberger and Virginia Baumgartner gave demonstrations on wrapping gifts and making bows. Refreshments were by Martha and Virginia also.

Odds And Ends

by Ann Sheets

Peace, the loudest most boisterous peace in the world, reigns over our little home. The peace of not having all our family together again after being separated for five weeks while Todd endured traction procedures in So. Bend. We're happy, he's happy, and home will never be the same.

It wasn't that he had nothing to do while in the hospital. He had a total of six roommates ranging from pretty nice boys to pretty tough kids and he ended up with Freddie. Freddie was a kid and I wanted to bring him home but his mother seemed opposed to the idea so we left him. His injury was identical to Todd's, a fractured tibia received when struck in the right leg by a car. Both boys felt like a million dollars; their only problem was the fact they couldn't get out of bed. If they could have, they would have wrecked the hospital.

Even being fastened down they managed to do many stunts and spent all day, every day, fighting. They argued about everything and anything. They picked favorite teams on TV and argued over who got cheated, they argued with the nurses, they made airplanes and flew them at each other and argued over whose went the furthest, they argued whose mother was the best looking, whose father visited the most, they threw grape juice at each other and argued whose parents got the maddest and argued which one made the biggest splatter on the wall. They argued like brothers and like brothers, when they were separated, they cried for loneliness. After Todd's leg was put in a cast he was moved to another room and the boys were so lonely they sent their guests scurrying back and forth across the hall with messages, toys, and candy. Todd who wheeled in to see Freddie before leaving and the boys made wild plans for a day on the farm next summer. Freddie's mother observed, half in jest, half seriously, "And they'll fall off the chicken house together so they can have broken arms together."

Parting with Freddie became easier for Todd when he realized he'd be going home to his wild little brother and he couldn't wait to get home and see Doug.

Doug had spent five weeks peering out the window where he had last seen Todd board the school bus, hoping he'd soon get off the bus and come back home. "He'd look out and shout 'Todd' at the top of his lungs and when Todd failed to appear he'd climb in a chair and glare at a picture of the boys and yell 'Todd' louder as if to say, 'Get out of there so we can play.' He pointed at the empty bed and yelled for Todd and he looked for him in odd places. But when he saw him wheeled in on a stretcher wearing a pajama top in the middle of the day and with his leg encased in a heavy cast he reacted by standing back several feet and staring, horror struck, at his disappointed brother.

By the next morning Doug had climbed up the end of the bed and had looked Todd over carefully and by noon he climbed in bed with him and Todd, with tears of joy in his eyes, hugged him and kissed him. By evening, home was back to normal

plus some. Doug had discovered Todd's newly acquired "bedside bathroom equipment" made good resting places for dominoes and crayons. He found he could take the register out of the floor and push it more crayons, pencils, and anything else Todd might want. He found that Todd would yell at him if he ran away with something of his but that now he couldn't chase him. He also found himself sitting on a chair a good bit of the time contemplating his life of crime.

It's a fast pace, but life is back a lot closer to normal for us all and though it will be close to three months before Todd can get back to school, the joy and satisfaction of having him home, alive and on the road to recovery, makes the rumble and the roar sound like a symphony of beautiful music. Our cup runneth over.

Parson Jones Speaks

Dear Mr. Publisher

We had a sit-in demonstration at our church last Sunday. Some college boys had heard I was gonna preach on the war in Viet Nam so they come out in full force to protest. I reckon the word got out that I was gonna support President Johnson's stand so they decided to object by sitting. They had signs, boards, and everything. At first our people thought it was Moses and the children of Israel returned from the grave, but when they saw the bearded folk's tennis shoes, why they figured there was a skunk in the brush pile. Their sign read "go home Yankee" and another said "come home Yankee". It was awful hard for me to tell which way our soldier boys oughta go.

Well sir, I didn't object to these fellas coming to church, because we had plenty empty pews and I figured we'd get more money in the collection. The way it worked out, there was 32 students and we collected 17 cents from the hole bunch.

I started my sermon in fear and trembling by pointing out that I thought the President was right in sending troops to Viet

Nam. Right away one goatsteed fella jumped up and pointed out that the National Council of Churches was agin the President's stand. I told him that if I couldn't agree with my ole lady on everything, how in the world did he expect me to do it with the National Council? Another fella who looked like his jaws were covered with peach fuzz said he didn't see how I was in favor of war when the Good Book talks about peace all the time. I pounded my fist on the pulpit and let him know that I wasn't anymore for war then he was. I was for peace too, but not the Communist kind, a piece of this and a piece of that. They tried to answer back Mr. Publisher, but if there's one thing us preachers are trained for, its out-hollerin anybody else - so I help my ground and just laid into 'em. I pointed out that I was for peace, only I didn't believe we could get it by growing beards, wearing tennis shoes, carrying signs, and sitting on our rear ends. I also told 'em they could call the Marines Warmongers all they wanted but to just remember it was them warmongers who were getting shot up so's they could have the freedom to stomp around in their smelly tennis shoes and call our fighting men warmongers.

Well I got through last Sunday - how I'll never know. I see where these same students had a panty raid several days ago.

I gotta close now and get me a lawyer to take care of all the sizzlin letters I'm gonna get from Colleges.

Alma Mater - Whatever that means.

Edward Antonides, FFA president, assisted by Richard Irwin, left, Dennis Wall, right, and Dave Kuhn, standing, prepares a classroom chart to record farm material distributed and farm accidents which happen in the Mentone school area during the ensuing harvest season. Wall is the Mentone chapter secretary and Kuhn is the local chapter

FFA Finds Farm Tractor Causes 85% Fatal Accidents

"The farm tractor is involved in 85 per cent of all fatal farm power accidents," Edward Antonides, president of the Mentone Chapter of the Future Farmers of America, said today.

"When you consider the number of hours that tractors are used as compared to other machines, this is not too surprising," Antonides said. "But it does emphasize the need for learning and obeying safe operating rules."

The Mentone Chapter is taking part in a nationwide program to prevent accidents with farm tractors. The program is sponsored by the Farm and Industrial Equipment Institute and the National Safety Council.

As part of the safety program, members of the chapter will try to visit every farm family in the community. They will review the safety precautions necessary for safe operation of tractors and point out that safety is a family responsibility. Safety materials will be left with each family.

Ed and other Future Farmers made these recommendations for safe tractor operation:

Keep children, and others not working, away from the tractor and other machines.

Adjust your tractor speed to conditions and avoid sudden starts and stops when working on hillsides, rough ground, on turns and in most field work.

Pull only from the drawbar. Never hitch to the axle housing or other part on the rear of the tractor.

Disengage the power take-off before unclogging tractor-driven machinery. Put transmission in neutral and lock the brakes when hitching implements.

Keep all safety shields in place.

Avoid steep banks. Cross ditches only where the banks are sloped gradually.

Use extreme caution in farming hillsides.

Fill the fuel tank only when the motor is cool.

Carry a fire extinguisher and a first aid kit on the tractor at all times.

Always display proper identification to alert motorists when moving farm equipment on roads and highways.

GIRL SCOUT NEWS

Brownie Troop 142 met Tuesday afternoon with Mrs. Howard Allen, Assistant Leader, in charge.

Three new Brownies were invested and received their pins and numerals. They were: Tammy Grimm, Stacy Stavedahl and Cathy Tucker.

Nine girls received one-year stars, they were: Kim Bush, Pamela Carmean, Brenda Coplen, Nancy Ettinger, Judith Gible, Sandy Mason, Kim Morgan, Leslie Sniff and Mindy Smith. Serita Coplen, also eligible, was unable to attend the service because of illness.

A film strip, "Friends Around the World", explaining the use of the Juliette Low Fund, was shown.

Kim Bush wore the birthday crown. Mrs. Joe Tucker, Cindy Allen and Marcella Allen assisted with the meeting and refreshments.

Junior Troop #25 met Thursday afternoon, (Veteran's Day) for their weekly meeting. Patrol II had the opening with a game. Kathy Bush displayed her collections of different gum wrapper and postmarks to the group. This was part of her required work for Collector Badge. The four patrols then met for a short session. After this, the patrol leaders plus the troop scribe and treasurer, met for a Court of Honor meeting.

During this time, the rest of the girls were busy passing on badges. Mrs. Dale McGowan assisted Mrs. Carmean with this. Dried winter bouquets were sprayed and arranged in styrofoam bases for each Scout to take home. Girl Scout calendars were passed out to the girls for them to sell. These very useful and pretty calendars may be purchased from any Junior or Cadette Scout. Patrol I had the closing by leading in group singing.

Mentone School Menus

Mentone School menus for the week of Nov. 22-24 are as follows:

MONDAY: Hamburger gravy, mashed potatoes, cottage cheese salad, celery and carrot sticks, fruit, bread, butter, and milk.

TUESDAY: Luncheon meat, creamed peas, potato salad, fruit, bread, butter, milk.

WEDNESDAY: Roast turkey and dressing, gravy, green beans, combination salad, relish tray, cherry tarts, hot rolls, milk.

Seward Club Sees Slides

The Seward Home Demonstration Club met Wednesday afternoon in the basement of the Burket EUB Church. The meeting was opened by the president, Mrs. Donald Swick, and the vice president, Mrs. Donald Smalley, led the pledge to the flag and the club creed. Mrs. Frank Nelson led the group in singing "America, the Beautiful" and gave the history of the song of the month, "Now Thank We All Our God". She presented a piano solo of the song.

Health and safety remarks were given by Mrs. Gerald Smalley and Mrs. Earl Sarber gave the garden report. Meditation was given by Mrs. Wilbur Latimer.

The lesson was given by Mrs. Lester Bruner and Mrs. Clancie McSherry who used colored slides to show new ways to cook and serve vegetables.

R-I-I call response was a clever Christmas idea. An invitation to attend the Green Thumb Club's Christmas workshop was read and it was reported by the president that the club had received a seal from the county office for being one of the honor clubs.

It was announced that a film on heart diseases would be shown at the Firemen's Bldg. on Nov. 30 at 7:30 p.m. and plans were made to remember shut-ins at Christmas time. The meeting closed with the club prayer song.

An auction was conducted by Mrs. Donald Smalley and delicious refreshments were served by Mrs. Earl Lowman and Louise Striet to 16 members and one child. It was announced the Christmas meeting would be at noon Dec. 8 in the basement of the Burket EUB Church.

A Letter From Bill.

November 10 '65
Wednesday

Dear Grandma:

How are you feeling today? I am just fine considering. I'll bet you don't believe your eyes. Yes, I am writing a letter. I really don't have any reason why I haven't written. Seems like there are a million people I should write to. I try to write to Fred (Mrs. Everman) at least three times a week but don't always get that done.

The weather today is beautiful. It has rained for three days. Sure hope it slows down some. About two weeks ago it rained for two weeks straight. Out of twenty-four days a day it rained twenty of them. I have taken a lot of pictures since I've been here. I will show you them when I get home. This country has one nice thing. The country is always green and beautiful.

As far as we know now the Bty. will be going back to Okinawa the middle of this month. It will be nice to get away from here. I don't say the safest place to be. I won't say anything about what is happening here because I just don't like to talk about it. Even then it will be with me the rest of my life. I hope God forgives us for what has happened over here.

Grandma, believe me I think of you everynight. I have a big gas lamp just like you have. Everytime I light it I think of you. That is the only means of light we have. We have a somewhat nice home. There are three of us who live in it. We built it out of ammunition boxes. It's not the best but we stay dry. The food isn't the best but we are getting along. Some days it is very good.

Today is a big day for the Marine Corps. The Marines have been in action for 190 years today. We are having steak for supper and a cake cutting, also half the day off. That's the best part.

Well I better be signing off now. Take real good care of yourself.

Love,
Bill

EDITOR'S NOTE: The above letter was received by Mrs. Goldie Kesler from her grandson, Bill Everman, who is stationed with the Marines in Viet Nam. Cpl. Everman's address is: Cpl. H. L. Everman 2013764, B. Bty, 1st Bn, 12th Mar, 2nd Bn, 3d Mar, FPO San Francisco, Calif. 46601.

SCHOOL BOARD

Cont from page 1

was not of sufficient quality to warrant additions and that the Akron people would feel the need for a new building within the next five years, after they had attended ballgames at other schools and had seen the new facilities which were offered. He insisted with vigor the line which was set at Road 600 when the corporation was formed. The line was set at that time because no room existed at Akron than at Mentone. Creighton registered his objection with the line's continued existence, saying the Akron schools are robbing the Mentone and Burket communities of their children. Expressing concern that the corporation would dissolve if one school was not built, he suggested putting the students back into their proper communities in the eventuality the schools did deconsolidate. He praised the advances made by the schools in the fields of curriculum and faculty improvement and building repair. Cumberland charged they had "drag their feet long enough and needed to get started doing something."

In voting against the motion, Gast said that he was in no way killing the plan of having one school but he did think the most urgent need was for more grade school rooms. He also cited economic factors to consider by the two towns, both of which are in a growth period, and suggested that a little more time to survey the effects of these factors would be beneficial. He concluded his remarks by suggesting the board inform the public on the merits and disadvantages of either one or two schools, saying, "An informed public is a sympathetic public" and "Those who pay should say." He added that he could not let the need for more grade rooms stampeded him into voting for a new high school.

After Creighton's motion failed to pass, a motion was made by Eldon Cumberland that the board begin immediate construction of additional classroom space at both Akron and Mentone to permit expansion of the grade school facilities and to permit enough room to bring the Atwood children back into the corporation's schools. The motion was seconded by Ralph Davis and was passed with Davis, Gast, and Cumberland voting for it, Creighton opposing it and Bucher abstaining.

Cumberland said he felt the corporation might be more nearly ready to begin planning a consolidated high school two years from now than at the present time.

In the ensuing discussion about the proposed grade school additions it was brought out that a state health department regulation prohibits connecting with septic tanks in new building construction. This would mean that the new additions

could not have restroom facilities unless Akron and Mentone can furnish sewage disposal systems prior to the completion of the building program. A hope for sewage progress in both towns was expressed by board members.

A financial report by superintendent Robt. Forbes showed the corporation in good financial condition and he reported all bills were being paid.

A discussion concerning the audio-visual program in which the TVSC schools are participating with Lakeland, Whitko and Warsaw corporations was held and it was brought out that the four school districts benefited from the use of the program.

A military diploma was signed and issued to Marlowe Strouss, a serviceman from the Talma area, who had completed a GED test permitting him to receive a high school diploma.

P.T.A. Hears

Richard Tombaugh

The November meeting of the Mentone-Burket-Talma P.T.A. was opened Wednesday night in the Mentone Gym by the President, Jerry Kralis. Mr. Kralis introduced Mr. Gordon Hackworth who gave devotions, taken from the 18th chapter of Matthew. Reports were heard from two committee chairmen. Kenneth Romine reported that the membership to date totals 246, and progress in planning for the Fish Fry to be held November 20 was told by Mrs. Gene Hatfield. The fish fry is being held instead of the Penny Supper which has been an annual event for many years, and tickets are on sale now. They can be purchased from many P.T.A. members.

Mrs. Tom Harman, Program Chairman, introduced Mr. Richard Tombaugh, a Mentone High School graduate, and present Acting Director of Purdue University Student Loans. Mr. Tombaugh gave an interesting talk on the history of education. Following this, Bill Ettinger, with the aid of Mrs. Tom Harman and Mrs. Gordon Hackworth presented an outline of our physical plant needs. Using the school's new visual aids equipment, Mr. Ettinger presented facts and figures, pointing out the crowded conditions of our schools throughout the corporation this year, the increase in number of students and need for classrooms that is expected next year, and the approximate cost of building new rooms and buildings. The meeting closed with a social time in the cafeteria where coffee and cookies were served.

Weekend guests of Mr. and Mrs. Hoart Stiffler of Burket were Mr. and Mrs. Hugh Stiffler of Indianapolis. On Saturday evening they all visited with Mr. and Mrs. Dale Stiffler of Mentone.

Earl Shinn Honored As Oldest Player

Special recognition was given Earl Shinn, the only living

member of Mentone's first basketball team, at the Mentone-Argos game Friday night.

Earl Says Thanks

Note: The following item was written by Earl Shinn who was honored Friday night as the only living member of Mentone's first basketball team.

I wish to thank Mr. Mason, sponsor of the Student Council, and his associates for the recognition given to me following the Mentone-Argos basketball game on Friday evening, Nov. 19, 1965.

Old Father Time has been very lenient in permitting me to be the only living member of the first Mentone High School Basketball team.

The basketball, used in playing the game, and given to me is now being inscribed by the members of the team with their signatures which will make the possession of this ball doubly appreciated.

Mr. Mason, is making the presentation, either through error or because he wished to lessen the staggering weight of the year I have accumulated, gave me as 74. This is a prerogative that only ladies are permitted to use. My actual age is 77 plus.

Mr. Shinn was presented a basketball which is now being inscribed with the names of all the players.

Harrison Hustlers Enjoy Hockey Game

Twenty-one members of the Harrison Hustlers 4-H club of Mentone went to Ft. Wayne Saturday night to watch the ice hockey game between the Ft. Wayne Komets and the Toledo Gems.

Chaperones for the group were Mr. and Mrs. Guy Baker, Mr. and Mrs. Loren Tridle, Frank Nellans, Freeman Gruenwald and Andy Pylant. Transportation was provided by the chaperones.

This trip was a new experience for most of the group as many were viewing the game as spectators for the first time.

Following the game the group stopped at Fortmeyer for late evening refreshments before returning to Mentone.

WE PAUSE TO THANK GOD FOR OUR MANY BLESSINGS.

Fire Hydrants To Be Flushed

Harry Sullivan has announced that fire hydrants in Mentone will be flushed this Friday evening at 6 p.m.

Papers Are Early

Both the Mentone News and the Akron News have been printed early this week due both to the Thanksgiving vacation and to the fact that Mr. Sheetz plans to assist his friends and neighbors pick corn for his brother Larry who is undergoing tests at the Cleveland heart research center. The offices of both papers will remain closed until Monday morning when business will be resumed as usual.

Connie East, Dale Truex Reign As Hoosier Hysteria King, Queen

Miss Connie East and Dale Truex were named king and queen of the Hoosier Hysteria Festival at the Mentone-Argos game Friday night. The coronation was part of a day of activity. After the game a Hoosier Hysteria Hop was held

with music being furnished by the Wildcat combo from No. Webster High School.

Brownies Tour Mentone

Brownie Troop 142 is pictured here as they visited points of interest in Mentone Tuesday afternoon. Mr. Larry Pyle took the girls through the bank and Mr. Kenneth Romine gave them a tour of the post office. The Brownies then stopped at Cooper's Store and purchased their own refreshments.

Cathy Tucker wore the birthday crown; and Serita Coplen

received her one-year star. Mrs. Dale McGowen assisted with the meeting.

FRONT ROW: Cathy Tucker, Leslie Senff, Kim Morgan, Nancy Ettinger, Kim Bush, Sandra Good, Jayne Perry, Barbara Toll, and Tammy Grimm.

BACK ROW: Lisa Owens, Marla Leffert, Mindy Smith, Pam Ecker, Brenda Coplen, Stacy Stavedahl, Sharon Burkett, Serita Coplen, Pam Carmen and Mildred Bellamy.

Dr. Urschel Attends Texas Meeting

New House And Senate Districts Are Set

New districts from which members of the Indiana House of Representatives and the Indiana Senate will be elected are shown above. The new house districts are shown on the left. The numbers indicate the number of representatives to be elected in each district. Where there is no number, only one representative will be elected. A panel of federal judges approved the new senate districts, shown in the map on the right. Numbers indicate the total of senators to be elected in districts from which more than one senator will be selected. Some of the districts have rather strange shapes, especially the one in which Starke and Pulaski counties are located.

LANCASTER, S.C., NEWS: "Printing plants can borrow from the government but newspapers are barred because the Federal government does not want to be in the position of taking possession of a newspaper in the event the loan is not paid. That sounded like good Constitutional reasoning until we got a report from Michigan this week that \$188,000 in Federal funds has been allocated to establish a weekly newspaper in Willow Run, Mich. The new paper, which will compete with four others in the area, proclaims that its purpose is to provide 'honest and true reporting' on matters the government feels are of interest. A sort of TVA yardstick to measure the press?"

INTERNATIONAL FALLS, MINN., JOURNAL: "The coming of medicare will cost men and women workers \$5 billion a year next rise, with more later as the rate rises. Someone has discovered that this sum is just \$300 million more than the \$4.7 billion cut recently ordered in federal excise taxes. Enjoy the tax cut while you can. It will be all eaten up the first of next year, when the medical care levy takes effect. Washington gives and Washington takes away."

CANTON, PA., INDEPENDENT-SENTINEL: "Gangs have organized in profusion in a number of states. Some have run

rampant in week-end sprees in California towns recently... How vicious and dangerous they can be was shown recently when a teen-age girl, selling cookbooks door-to-door, was dragged into a house and repeatedly raped by members of a motorcycle gang. She suffered a mental breakdown soon after the incident. The time has come for stringent laws and action..."

TERRE HAUTE, IND., TRIUNE: One more good word is losing its reputation through misuse: 'protest'. Of late many perpetrators of disorderly conduct and even crime have excused themselves as making 'protests' against some policy they disliked... Such an attitude is far off base, however. Protests have an honorable history, and have helped to abolish many tyrannies. The word is too good a one to be soiled by irresponsible lawlessness."

TEMPE, ARIZ., NEWS: "From now on, draft age men between 19 and 26 who got married may find the bell is tolling for THEM... Married men with children will still be exempt. And the college student, also. Which boils down to the fact that if you were quick enough to utter the phrase 'I do', and bright enough to carry a 'C' average in some state normal college, you, too, will never know the joy of carrying a rifle or pulling KP. Or, heaven forbid, getting shot at by real bullets in a place called Viet Nam."

AILER FAMILY HAS THANKSGIVING REUNION

Thanksgiving was celebrated Sunday at the home of Mr. and Mrs. Maurice Peterson by the Ailer families.

Those present were Mr. and Mrs. Russell Ailer, Mr. and Mrs. Harold Horn, Mickey and Vickie, Miss Donna Jo Ailer of So. Bend, Mr. and Mrs. Robert Swanon, Greg, Mike, Scotty, Jeff, and David of Atwood, Barry Peterson, home from Western Michigan University near Kalamazoo and Miss Judy McClure from Rochester.

"... and this one contains the register tape!"

DID YOU KNOW?

Mr. and Mrs. Wm. Everly were in Kalamazoo Saturday on a business trip to their trailer court. Mr. and Mrs. Rea H. Ward of Atwood escaped injury this week when their car and trailer were demolished enroute to their trailer home in Englewood, Florida. They were about 200 miles from their destination at the time of the accident.

With The Sick

Miss Wyrona Wilson has been confined to her home with the measles. She is recovering slowly at this time.

A BUNDLE OF JOY ARRIVES

Excitement fills the air as these needy Filipinos gather around to see the latest bundle of joy. It is not the proverbial bundle of joy—but it brings life in another way—in the form of life-giving supplies such as food, clothing and medicine. Here, clothing is being distributed by a social worker from Catholic Relief Services, overseas aid agency of American bishops, which operates relief and welfare programs for the needy, regardless of race, creed or color, in more than 70 countries. You, too, can bring joy to those in need by donating your serviceable used clothing, shoes and bed linen to the annual Thanksgiving Clothing Campaign. Bring or send a bundle to the nearest Catholic church during November.

Hello There

Hello, I'm Trooper Herschel Harper, Indiana State Police Ligonier.

Driving is a full-time job. It's one that demands your full attention and best effort every time you get behind the wheel. For example, how far ahead would you get in your normal occupation if you let yourself become careless every once in a while? Not far probably. Chances are you might get fired. It's just about the same with driving. You won't get far being careless and the penalty is a lot worse.

Accident happen every day to drivers who let their attention and their eyes stray to something off the road. It might be a pretty scene or even a pretty girl. When they looked back they suddenly found out that the guy up ahead had stopped or that the road made a turn. It's too late then to pick up where you left off. That's carelessness.

Every day on Indiana's streets and highways, carelessness takes a terrible toll. It make some penniless, injures others and kills many. Don't let it happen to you. There's a time and a place for carelessness—but never while you're driving.

DID YOU KNOW?

Mrs. Irvin Nelson of Elmhurst, Ill. and Miss Myrtle Nelson of Mishawaka were Sunday dinner guests of Mrs. Rub Smith.

Mr. and Mrs. Clyde Johnson were Sunday dinner guests of their daughter Mrs. Carolyn Bennett and family of Rochester. In the afternoon they attended the dedication of the new Rochester High School where their grandson Steve Bennett is attending.

Mr. and Mrs. Wm. Unzicker left Friday for Washburn, Ill. to attend the funeral Sat. of Mr. Unzicker's uncle. They planned to visit his brothers and sisters nearby and return home Monday evening.

Mr. Charles Hunter was released Thursday from the Murphy Medical Center after surgery for removal of a sore on his face.

Mr. and Mrs. Gilbert Grossman and son Luke returned to their home in Bloomington Thursday after spending several days with her parents, Mr. and Mrs. Leroy Norris.

With The Sick

Mrs. Furel Burns, a former Mentone resident who now lives in No. Manchester, fell at her home last Tuesday and broke her right arm near the shoulder. She was taken to Lutheran Hospital in Ft. Wayne where the bone was set and a cast placed Wednesday.

Executives' Excuses Exploded

The typical top executive, the Catholic Digest observes, is a highly aggressive, driven man, spurred on by the challenges and pressures of his job. He is compulsively drawn to his work. Meanwhile, his wife begins to feel unwanted and unnecessary. At least she confronts him with final demands for more time and attention. Defending himself, the executive points a finger at his wife and gropes for an alibi.

1.) "I'm really doing it all for you and the kids."

2.) "You have everything you could possibly want: money, social status, a beautiful home. What can you possibly have to complain about?"

3.) "You aren't interested in my career. Why do you regard my job as a competitor for your time and attention?"

4.) "You don't recognize me for what I am. In the office I'm the boss; at home, you try to turn me into a handyman."

5.) "I'm a very busy man. I don't have enough time for the family."

6.) "I can't reason with you anymore. Every time I try to talk to you about my work, you turn the discussion into an argument."

These alibis demonstrate an unwillingness to resolve recurring conflicts and the avoidance of added—but so necessary—responsibilities. Executives should sit down and think out what is really important to himself, to his wife and family, in terms of what he honestly wants out of life.

Read Psalm 96

O sing unto the Lord a new song: sing unto the Lord, all the earth. (Psalm 96:1)

I shall never forget standing near the shore at Plymouth, Massachusetts, and looking out into the bay. It was in the spring, and one of those cold late April rains was falling. Down below lay Plymouth Rock where, it is said, the Pilgrims landed in 1620. I could not help but think of the changes that have taken place since that day.

We are told that the first thing they did was to kneel upon the frozen ground and lift their voices in thanksgiving to Almighty God for bringing them to this new world, barren and desolate though it looked on that December day. Their first thought was of God.

Should not our first thought today be of God? When we first open our eyes on a new day, even before we get out of our beds, we should breathe a prayer of thankfulness to God. Ought we not to pledge our service to Him for this day? It seems to me that every day would be much better if we began it with thanksgiving to God.

PRAYER: We lift our voices to Thee this day, our Father, in a great song of thanksgiving for the days that have passed and for the days that lie before us. Take us today and use us to Thy honor and glory. In Jesus' name. Amen.

THOUGHT FOR THE DAY: Thanksgiving to God creates in us a spirit for better service to Him.

Wherever the needy lives in this chaotic world, one of the three faiths tries to reach him with understanding and compassion. Worthy causes all, and deserving of support.

The Other Twentieth Century Man

We Americans think of the 20th century man in terms of the comfortable, and often affluent, life around us. But there are huge pockets of the world's population where another kind of man virtually fights for his life from the day he is born. Here is a word picture of that man from a churchman who spent many years in Asia:

"He lives in a mud hut and ploughs three acres of land with a crooked stick. Most of the time he is hungry. Most of the time he is sick. His mind and body are heavy with discouragement.

"As he harvests his thin crop millet with an ancient sickle, he moves so slowly that he must work 15 hours a day. There are years when he is too sick or weak to

reel the sickle, so his crop rots in the field. His life expectancy is less than 30 years.

"Where this man lives there are no schools or doctors. When one of his children is dying, he watches helplessly. He has never learned to read or write his own name. He is ashamed of his ignorance and knows that many take advantage of him - the rich landlord who takes two-thirds of the crop for rental of the land, the money lender who charges him heavy interest. He is always hopelessly in debt, and his yearly income is seldom more than \$50."

Each fall during the Thanksgiving season, the three U.S. major faiths unite in a Religious Overseas Aid Appeal to help the many kinds of "twentieth century man" in many parts of the world. He may be a Jewish

Plant Lettuce, Some Flowers Now

Lafayette, Ind. Try sowing your early spring flower and vegetable gardens now.

Don Scheer, Purdue University extension horticulturist, says you can plant a number of vegetable and flower seeds in late fall easier than you can in early spring.

It usually is too wet in late March or April for the best planting of such vegetables as lettuce, radishes, spinach and peas and flowers like sweet peas, larkspur, bachelor buttons and California poppies. All of these are cool season crops and need an early start.

Plant the seeds this fall just before the ground freezes, using the same methods as you would in the spring. The seeds

will survive the cold weather perfectly and will go ready to grow at the first sign of spring.

Scheer says the fall planting system may sound drastic, but latest research supports it. Actually, one of the best ways to preserve germination of many seeds is to store them in a deep freeze.

The young plants from these cool season crops are also hardy. Lettuce, for example, could even be covered with a foot of snow in the spring and not suffer damage.

Plant Trees Now

Lafayette, Ind. Falling leaves indicate again that it's time to plant trees.

Consider what additional trees can do for your lawn, suggest Extension horticulturists at Purdue University. They can frame the house, offer a nice background and provide shelter. They give shade in summer, of course, and best of all—they're a source of beauty all year.

Consider your own tree requirements and be careful not to plant too many. One major shade tree is usually enough for a small home property. It will spread the shade up to at least 50 feet in diameter. You won't have good luck with grass and most other plants if you have too much shade.

You'll want your shade tree to be located off to the side of the house and at least 15 feet away. Smaller flowering trees are nice near the front corners of the house, say the horticulturists. They can be brought in as close as five feet.

Be sure to buy only high quality trees. A good variety and a well developed root system are important. A little extra time taken in planting will insure success.

South Vietnamese Refugees Learn To Never Look Back

WHAT LO QUANG RU IS LOOKING AT is a road leading to the South. Her eyes never leave it. The South can mean a home. Lo Quang Ru has none. Her village was sacked by the Viet Cong. Before that, they killed her husband. Every day she and her children walk until they reach the point of exhaustion. Occasionally, they are lucky and find a place to stay, a scrap of food to call a meal. But, more and more frequently they meet only others like themselves—people fleeing desperately for their lives. Along the way, Lo Quang Ru's children witnessed the atrocities of a nightmarish war that seems never to end. To quiet their fears, she tells them never to look back, that up ahead is a world that is good and where there is much to hope for. To fulfill that hope, Catholic Relief Services, the overseas aid agency of American Catholics, operates a network of relief and welfare stations for Vietnam's innocent war-victims. You, too, can help by bringing or sending your serviceable used clothing, shoes and bed linen to the nearest Catholic church during the annual Thanksgiving Clothing Campaign in November.

Our Churches Cordially Welcome You

SIMPLE WISDOM -- WISE ADVICE

Most children have positive and friendly dispositions in early life. It is only through poor discipline, hearing the wrong ideas expressed by parents, other adults and older children and through lack of encouragement and training that they acquire fears, resentments and self-pity attitudes.

The opposite of negative personality traits—faith, love and vitality can be preserved for the child throughout life by attendance at church, accompanied by both Mother and Dad. Church attendance can be the family's strongest bond. Through positive ideas advanced by the Church the parents will gain help in shedding negative personalities and health-destroying traits and regain the dynamic traits. This is one of the functions of the Church. It work as a miracle when earnestly applied.

Honest John To Rebuild

Herbert Buckingham and Clair Bunyan, owners of the Leesburg Lumber Company of Leesburg, Indiana, announced today that they plan to rebuild and restock their damaged buildings and continue their business operations.

Their lumber yard was extensively damaged by fire last Wednesday night. Their main building and a large warehouse were completely destroyed by a fire which started in the main building. The cause of the fire, which has not been completely established, amounted to a figure in excess of \$150,000 and is covered by insurance. The owners announced that they were fortunate in that nearly all their records were saved, including their accounts receivable records.

Saved from the flames were all the supplies for their farm building operations, their roofing inventory, truss fabricating shop and all lumber for farming work. Mr. Buckingham and Mr. Bunyan said that they have placed orders with their suppliers for a complete restocking of destroyed and damaged inventories and deliveries will be coming in shortly.

The well known lumber company has been in business in Leesburg for over fifty years and does business throughout northern Indiana, southern Michigan and western Ohio. Their familiar trademark is "Home of Honest John."

A temporary office has been set up in the main business section of Leesburg and additional office space has been provided by a large mobile home parked nearby.

Parson Jones Speaks

Dear Mr. Publisher:

I just got back from buying a suit down town. I'm awful tired cause my wife went along to help pick it out and I wound up trying on every suit in town. You oughta see what I got. It's one of them Beattle suits that they're making in England, and shipping to our American children. The F.B.I. has been so busy fighting street riots and chasing down Communists that these un-American suits got in before the United States knew what hit it. The britches to the thing are as tight that you can see the shapes of my vericose veins through the cloth. They hang to your legs of firm you can't sit down. It's a terrible feeling - ain't no wonder them Beattles quiver and holler all over the place. They have to do it to keep the blood circulating. Another thing, you gotta pull your shoes off and straighten your foot out before you can take the blame things off. The coat is one a them short-tailed short-sleeved, high-necked things. It wouldn't surprise me none if the kids all start hollerin' "Yah, yah yah," when they see me Sunday.

I read in the paper the other day where England was gonna take over the styles of clothes for men. It looks like they're never gonna forgive us for the Revolutionary War. One of these English fashion experts swore that before long men's clothes will change just like the women's. According to him, they may have ankle length britches one year, knee britches the next year, and short ones the next. There's also some talk about

high-heel shoes for men. I notice some a these rock-and-roll outfits already have 'em. They're even predicting bathing suits with tops for men next year.

This whole thing has got me worried Mr. Publisher. If the average hen-pecked American is going broke keeping his wife in fashion, how in the world is he gonna make it when men get in on the waste-race.

My wife said this policy went back to the fig leaves in the garden of Eden, where Eve probably made her a new fig dress every day. I pointed out that at least she used fig leaves all the time. Anyhow the Lord finally outfitted her with either a bear skin or a great gown-I don't recollect which.

I'm just wondering, Mr. Publisher, how long the Good Lord is gonna put up with wasting this world's goods. I think I'll preach on the subject this Sunday. I'm gonna title my talk, "It's holier to be holey than stylish".

See you in Church.

Yours truly,
Parson Jones

Future Delinquency Can Be Predicted

Predicting the likelihood of delinquency in a particular child, five factors were found to be most important, the Catholic Digest states. 1. Affection of the mother for the child. 2. Affection of the father for the child. 3. Supervision of the child by the mother. 4. Discipline by the father. 5. Cohesiveness of the family. By rating parents in each of these aspects, their total score will indicate whether or not the youngster is headed for delinquency.

Maladjusted behavior begins to show at the age of eight or under among 50% of delinquents. Almost 90% show these signs by ten. Traits that point to delinquency are stubbornness, emotional instability, destructiveness, and defiance. If a child has a combination of these traits together with neglectful, hostile, or unconcerned parents, the total effect of insecurity from a lack of discipline will invariably lead to delinquency.

Mentone Artist Conducts Show

Mrs. Leonard (Mary Alice) Estep of Warsaw, a former Mentone resident, will hold a one man art show at 621 Harrison St., Ft. Wayne from Saturday until Christmas. The display will be open on Wednesdays, Saturdays and Sundays and some of the work will be for sale.

Scouts Hike On Ten O'Clock Line

The Mentone Boy Scouts recently took a very strenuous hike in the hills of southern Indiana on the historic "Ten O'Clock Line." The name is derived from an old Indian boundary which was still a territory. It consists of 16 miles of cross country, following old stage coach roads and Indian trails.

The boys must hike the trail in one day, carrying their provisions and water, plus meeting a list of special requirements to earn the medal awarded them.

The local group included 31 people in six cars. The hike starts at Yellowwood State Forest and ends at the fire tower in Brown County State Park. Accompanying the Scouts from this area were Guy Baker, Art Wise, George Reed, Allan Grindie, Walter Kelly, S. M., and Hank Lowman. Hiking with the Scouts were Art, Mary and Colleen Wise, George, June and Terry Reed, Allan Grindie and son, Guy, Marilyn, Cynthia and Sonya Baker, Tommy Lowman, Mrs. Weber, Mr. and Mrs. Walter Kelly and daughter. Not all of them finished the hike but everyone tried. Mr. and Mrs. Hank Lowman and daughter checked with the group at five points on the trail, furnishing transportation for those wishing to quit hiking. Eleven of the 13 boys completed the hike.

LIONS MEET

The Tippecanoe Lions Club met Wednesday evening at Lozier's Restaurant. Guest were district governor Gaylord Toll and cabinet secretary Paul Rush of Mentone. Mr. Toll spoke about the Lions state projects and a report on the chicken barbeque was given.

Ladies night will be held December 15.

SUPPLY

Students working are from left to right: Janet Fisher, Kathy Crissinger, Karen Koldyke, Susan Zent, Carol Franks, and Kristine Hoffer. Also, working were Kay Goshert and Carolyn Boggs.

Supply Shop

The supply shop offers for sale pencils, pens, paper, erasers, and other essential school supplies during the "home room period." This period is about twenty-five minutes. At other times during the day they may get their paper and pencils by using the vending machine.

The purpose of the supply shop are mainly two. The practical purpose is that it is a service available to the students so that they may purchase materials needed for school classes without needed for school classes without after school hours. Its convenience helps for a smoother operation of the school day for those of us at Talma.

Educational is the primary purpose. Here, we try to give most of the students a chance, during the time they are attending Talma Junior High School, to work in the supply shop in some capacity. They may work as sales clerks or as checkers to see if the cash checks with the sales and, also, check the inventory. Through the use of advertisements the students may express themselves in art or the use of English. As inventions of supplies become low or new supplies are needed, supply orders are made by the students of the needs. This is another way for students to work with other students.

This gives our Talma students a chance to apply their classroom experiences by actually doing practical work. Through these enriching experiences it reveals to the students the values gained in which they have been trying to obtain in the classroom at Talma Junior High School.

P.T.A. Fish Fry Declared

"Fantastic Success"

A community thought to be "fish-fried out" from the deluge of recent "fish-fries" demonstrated a true fondness for the "delicious file of Haddock" by lining out in force to make this initial P.T.A. fish fry a great success.

Jean Hatfield, P. T. A. Ways and Means Chairman, an able coordinator, who directed the entire operation from start to finish, stated that the cooperation of the P.T.A. members exceeded her fondest expectations. Literally hundreds of

P.T.A. members gave of their time and substance to produce one of the smoothest running, most prosperous ventures the P.T.A. has undertaken.

The Burket Firemen and their ladies auxiliary in their expert way of breeding and deep-frying the excellent quality fish furnished by "Chet" Smith, helped provide a dinner unparalleled in fish-fry history. A special note of thanks is due Mr. and Mrs. Sam Secor, champion columbia crew, Mr. and Mrs. Virgil Haupt, Mr. and Mrs. Everett Warren, Garland Keifer and Lindus Latimer, breeding and trying experts, all of whom worked feverishly for the P.T.A. cause, yet do not have children in school.

The officers and members of the Burket-Mentone-Talma P.T.A. sincerely appreciate the fine response from the community, the use of the school facilities, and the combined efforts of the different service organizations to score a victory for the first P.T.A. event of this school year.

HOME ECONOMICS

On Tuesday Nov. 9th the Home Ec. Girls of Talma Junior High took a short field trip to Rochester. The girls shopped for groceries at Berkway's and used these groceries in class on Wednesday and Thursday.

Any parents who would like to see the girls perform in the kitchen are welcome to attend classes in the mornings.

Talma Junior High News

The Talma Tigers are about ready to start another basketball season. The 7th and 8th grade boys have been working for a month to prepare for their opening game.

The Tigers met Argos, Nov. 18, 1965 at the Talma gym. Everyone is welcome to attend all games and there will be a charge of 25¢ for each person.

Coach Pratt feels that the Tigers can have another good season if the boys will work hard both at practice and in the games. Pratt, also feels the boys must be willing to learn from the

mistakes.

The Tigers have about thirty boys out for basketball in the two upper grades, as in the past no boys will be cut from the team if they follow rules which are set up.

Following is a schedule of this years games. Persons having a Talma schedule, please note the one change. The game with North Caston will be played December 1, 1965 instead of November 30, 1965.

We at Talma hope that each and everyone who can, will follow our teams this year.
