Ernest Heighway To Manage New Plant Here

The C. D. Chemical Corporation of Liberty, Indiana has announced the recent appointment of Ernest Heighway, above, as manager of the Mentone C. D. Farm Market. The plant is now nearing completion at the former site of the Welch school-house, north of Mentone.

Ernie is a lifelong resident of the Mentone area and has been assistant manager at the C. D. plant in Athens for the past

year.

The C. D. Farm Market offers a complete line of liquid plant food, dry, bulk and bagged plant food, nitrogen solutions, farm chemicals, free soil and tissue testing.

Ernie has extended an invitation to all farmers to drop in at the new Farm Market and see the latest in plant food progress.

Cochran Named To National Office

Wilbur C. Cochran, Burket, has been appointed as National Inspector for the Veterans of World War I. USA, Inc. This is the fifth time he has been appointed to this office and marks the seventh year he has served on the National Board of Administration.

Other offices held by him has been National Quartermaster-Adjutant during 1959-60, National Quartermaster during 1960 and 1961 in National Headquarters located in Washington, D.C.

The Indiana organization has a membership of nearly 16,000 with more than 5,000 members belonging to the affiliated auxiliaries.

Reservoir Tour Is Planned

The Supervisors of the Kosciusko County Soil and Water Conservation District are sponsoring a tour to the Salamonie Reservoir in Wabash County this coming Saturday, October 9th, according to Myron Metzger, board chairman. Anyone interested in the conservation of our natural resources are invited to join the tour. The group will meet at the Steer Inn parking lot, north of Silver Lake at 12:30 p.m. and will reassemble at the observation point on the north end of the dam at 1:30 p.m. The observation point is located about three miles southeast of Largo.

At the observation point the group will be met by Mr. Ben Shoby of the Corps of Army Engineers. Mr. Shoby will discuss the flood protection and recreational development of the area.

The tour will give interested persons a chance to observe close up the huge earth fill structure and to discuss with Corps members the future of the area. The Salamonie is one of the three flood control structures to be built on the Upper Wabash Basin. The other two, the Mississippi and Huntington are under construction.

At the observation point, the group will see a dam 130 feet high and 6,940 feet long. The structure, when in operation, will be a great deal of time with him.

Liquor Issue Debated Here

An application has been made by Mr. and Mrs. Richard LaGarde, owners of the Mentone Cafe, asking a three-way liquor license. The application has drawn much comment around town and at the Monday night meeting of the town board eight citizens appeared to protest the granting of a license.

Raymond Cooper, acting as spokesman for the group which represented the three churches in Mentone, said that he did not feel the Mentone community had need for such a service and complained that the application which was reviewed by the State Alcoholic Beverage Commission in Warsaw was done without any representation from the objecting group.

The state ABC board will hear the application in Warsaw on October 13 after Mentone's ordinance have been checked.

It was noted that Ordinance 151 was passed on Dec. 7, 1959 by the town board, giving permission for a license to be granted within the town limits. It was also noted that on Jan. 6, 1960, ordinance 152 was approved which repealed 151. The town officials have since thought that a three-way liquor license could not be granted because of the second ordinance but investigation has now shown that the second ordinance is void because of a state law which states an ordinance cannot be repealed in a time period less than two years.

The citizens group asked that the board repeal Ordinance 151 now that the time limit has been established and the board unanimously passed such a motion. The group plans to appear at the October 13 hearing.

Other town board business included announcement of the sale of bonds which will take place at the Farmers State Bank on Thursday and permission being granted the school custodian to barricade two streets during school hours which circle the school playground.

Todd Sheetz Injured

Todd Sheetz, seven year old son of Mr. and Mrs. Loren Sheetz, was injured Monday evening when struck by a car in Akron. He is in room 546 at Memorial Hospital in So. Bend where he will remain for a month. If the paper seems short this week and there isn't much news in it, blame it on his anxious parents who have been spending a great deal of time with him.

Burket - Mentone - Talma PTA Meeting Oct. 13th.

How About Curriculum??

Too Much Homework??

Understanding Modern Math??

A panel made up of three school representatives, Mr. Gaylord Toll, Brad Moore, Oliver England will be on hand to answer questions submitted by the patrons of the Burket, Mentone, Talma schools regarding school curriculum. George Welch will be the panel moderator. Questions that concern curriculum that are not covered during the course of the program may be asked from the floor. To consolidate the questions and avoid repetition thereby making the program less time consuming, it is suggested that the questions be submitted in advance to Mrs. Tom Harman, Program Chair, Mentone, Ind. or Mr. and Mrs.

Harry Krilis, Co-Presidents, R. R. 5 Warsaw, Ind.

The Triple Trio will also be on hand to furnish entertainment. Baby sitters will be available for the small children and films for the older children. Meeting and program should not exceed 1½ hours. After which refreshments will be available for those who desire in the school cafeteria.

size and facilities to accommodate the entire membership in addition to the high degree of interchange of parents and children between the three representative schools of the PTA unit.

The program chairman, Mrs. Tom Harmon submitted the program for the coming year which was approved and adapted as follows:

PTA Hears Speakers

The September meeting of the Burket Mentone Talma PTA held at the Mentone gym was opened with devotions by Rev. Frederick Burklin who is on furlough from his teaching duties at the German Bible Institute, Seehelm Germany.

Mrs. Russell Hoffman, Regional Vice President from Elkhart, Ind. inspired all by her informative talk and dedication to PTA. She presented a brief background and history of PTA and pointed out its many faceted uses in an everyday relationship between parents, pupil and school.

A resolution was passed deciding the regular meeting place will be Mentone school because of its central location, adequate

Ed Carson To Address Farm Outlook Meeting

Ed Carson, Purdue University agricultural economist, will be the discussion leader for the Annual Outlook Meeting, it was announced today by Cooperative Extension Agent Don Frantz. The meeting will be at 7:30 p.m. on Monday, October 11, at the Women's Building, at Fairgrounds in Warsaw.

All area farmers and farm-related businessmen are encouraged to attend this meeting. The big increases in crop production this year compared to last, the improvement in livestock prices this past spring and summer, and our increasing international activities will influence production and prices in the year ahead. Mr. Carson will help analyze what changes can be expected and will comment on their impact on the individual farmer and farm-related business.

nesses.

With this year's sharp rise in hog prices, some analysts are predicting that there will be a rapid increase in hog production in the year ahead with an accompanying fall in prices received by farmers. Others view the cattle picture with equal concern, forecasting a falling fed cattle market. These questions, along with similar questions on dairying, poultry and crops, will be given full treatment at the Outlook Meeting.

The speaker will also discuss wage, employment, and tax conditions in the general economy, consider production costs, and take a look at the real estate market.

Price prospects for the next three to five years will be examined. There will be a period for questions and discussion.

Parson Jones Speaks

Dear Mr. Publisher:

I preached on outer space this past Sunday. My folks were kinda shook up when I told 'em there might be people on other planets. Fact is, I pointed out that in yabe earth creatures were the only ones following the Devil.

When I finished my sermon the dead n called a meeting to decide if I was preaching sound doctrine or not. Bill Longsnot swore I was going contrary to the Bible - that it didn't say nothing about there being folks on other planets. Well sir, his argument prevailed and they really dug me over the coals. It's a good thing the law don't allow witch trials no more or I'd probably go up in smoke. Instead they give me til next Sunday to apologize before the good brethren and sisters for having violated the Good Book. I wouldn't do it if it wasn't for my back trouble - I don't have no backbone.

I can understand all the trouble them fellas had trying to prove the world was round. When ole Columbus sailed clear across the ocean and didn't fall off the edge it shore did upset a lotta people's religion. After all, didn't the Bible say the world was flat? I'm afraid that one a these days Bill Longsnot is gonna have to eat his pride, when some Astronot lands on Mars. Its a shame Mr. Publisher, that folks have turned the best spiritual Book in the world into another science book. The trouble is that it wasn't meant for that at all. The Good Book couldn't care less whether the earth is flat, round, low-sided or octagon shaped. The Lord gave man a brain and a set of eyeballs to figure that out. The Bible says something a long shot more important - It says that the world is in bad shape. Its more interested in man's morals than it is in his red erpuscles. Another thing it says about the spiritual shape of the world is that things ain't gonna get any better til we accept Jesus Christ as God. My little boys science book tells all about the mountains - what they're made out of and such like. My Bible tells me Who made 'em. The way I see it, a fella don't have to choose between these two books. Both of 'em will help him get along in life.

Well, I gotta sign off now and start working on my apology for next Sunday. I thought I might get me a lawyer to help word it. That way, I can make it

sound like I'm apologizing without really saying anything.

Give my regards to your little woman.

Yours truly,
Parson Jones

Hints on Health (Indiana State Medical Ass'n)

Another school year has rolled around, and the three Rs ride again—though they may be a bit hard to recognize in the guise of "sight-reading," "new math," and "written expression."

This is also the time of year when parents and teachers are concerned about the "fourth R"—rheumatic fever. Children of school age are the special targets of this cruel disease, the Indiana Heart Association points out, noting that peak incidence occurs during the school year.

Medical science does not yet have a vaccine against rheumatic fever, nor does it have a "wonder drug" to cure the disease. But we do have sufficient knowledge and tools to prevent many, if not most, cases.

We know that streptococcal infections—such as "strep" sore throats and scarlet fever—can lead to rheumatic fever and rheumatic heart disease, cause of more long-term disabling illness in children than any other disease. (It is estimated that more than 1,200,000 American over the age of 18 have rheumatic heart disease, usually the results of a rheumatic fever attack in childhood.)

But strep infections need not lead to rheumatic fever. If every recognizable strep infection were promptly and thoroughly treated, with penicillin or other antibiotics, rheumatic fever could be all but eliminated from the illness statistics of the next generation.

This is where alertness of parents and teachers play a key role. If Johnny can't read or write or do his lessons one day because of a sore throat and a fever of 101 degrees or more—especially if these have come on suddenly—you should think twice before dismissing it as "just another sore throat." Especially if Johnny complains of sore neck glands and pain when he swallows.

There are signals to send for the doctor right away. Only he can verify that a strep infection is present, using modern laboratory techniques if necessary to confirm his diagnosis. And he can promptly institute the treatment that will erect a strong defense against rheumatic fever—therapy with penicillin or other

antibiotics sufficient to wipe out the strep germs.

Penicillin and other drugs offer protection even to the youngster who has already had a rheumatic fever attack. Given on a year-round basis, the medications ward off new strep infections that may lead to a recurrence of rheumatic fever.

Here, too, the parent has the key responsibility: to make certain that the child who needs long-term preventive treatment gets it—through regular visits to the family doctor.

It is most important that all drivers know their traffic signs, says the Chicago Motor Club. Good drivers should know what a traffic sign says even before they are close enough to read the lettering. You should be able to recognize the sign's meaning by its standard shape. For instance a stop sign is octagon-shaped; a yield-right-of-way sign is triangular; a hill warning is diamond-shaped; and a railroad crossing warning is round.

The Talma Tiger Baseball team played Beaver Dam on September 20, 1965. It was a well played game with Beaver Dam on top 8 - 7. The Tigers used Miner and Igo on the mound while Beaver Dam went all the way with Geiger. The ballgame ended in the bottom of the sixth, when Beaver Dam's Tilden hit a double with two men on.

The Tigers next game will be September 28, 1965; 4:00: on the Talma baseball field. The Tigers will play North Caston on their opponent's field October 5 at 4:00.

Amendment Decreases Milk Price

The federal milk marketing order, which minimum prices to dairy farmers serving parts of Northwestern Indiana in and around So. Bend, Gary, Elkhart and Warsaw, has been amended by the U.S. Department of Agriculture and it became effective October 1.

The amendment was approved by more than the required two-thirds of dairy farmers serving the area and will result in a decrease of four cents per hundredweight in the price of dairy farmers for milk sold for fluid use (Class I).

The price change will permit closer alignment of prices with the Chicago Federal Milk Order Market, according to officials. Copies of the amended order may be obtained from Market Administrator, Richard J. Connolly, Box 216, So. Bend 46624 or from the Dairy Division, Consumer and Marketing Service, U.S. Department of Agriculture, Washington, D. C. 0250.

Industrial Arts At Talma

As parents, many times we ask ourselves why our child is taking a particular subject in school, and why is it necessary in the first place? If we have some idea of the importance of a particular subject, we sometimes can not see why our child is learning something so much different than when we were in school. Industrial Arts is one of these subjects.

No one can deny the importance that American industry plays in our every day lives. If we depend so much upon industry it would seem that everyone should know something about industry. The primary purpose of Industrial Arts is to interpret industry to all boys whose lives are influenced by industry either as consumers or producers.

Many of us remember taking a course in school called Manual Arts or Manual Training. It the term Industrial Arts a new name for an old subject or is Industrial Arts something different?

Years ago industry depended almost entirely only the manual skills of our labor force to produce its goods and services. Most of these Manual Training courses were of a vocational nature stressing the learning of manual skills rather than an appreciation for industry. It was felt that there was a need to teach about the design and industrial processes of the finished product so Manual Arts was introduced to fill this need. In Manual Arts a boy designed and completed an entire project while the Manual Training students learned their skills by repeating basic industrial operations such as ramming a mold, squaring a board, etc. No mention was made about completing a project.

Over the years industry has developed into a highly technical, automated complex that has eliminated many of the manual skills that made up such a large part of the jobs available. To stay abreast of industrial change the industrial educator had to change his course content to meet these changing demands.

Where before we thought of drafting, woods, and metals as the basic areas of Industrial Arts, now because of technological change there are seven areas of Industrial Arts that all students should be introduced. These are Graphic Arts (printing), Woods, General Metals, Drafting, Power and Transportation, Electricity, Plastics and Ceramics.

At Talma Junior High School all seventh grade boys take In-

dustrial Arts. They get some experience in Drafting and Woods primarily. Some metals, and electricity are introduced as our facilities permit. It is not our purpose to make draftsmen or cabinet makers of these boys or for that matter introduce all of the technical related material necessary for a complete understanding. Rather it is our purpose to introduce boys to the world of industry so that they can make a more educated appraisal of these interests as they enter high school and beyond.

Frances Gible Rites Held

Funeral services were conducted Tuesday for Mrs. Harry (Frances E.) Gible, 52, who died at her home on No. Tucker St. Sunday after a short illness.

A lifetime resident of the Mentone area, she was born at Sevastopol March 31, 1913, the daughter of Jesse and Folsom Miner Newell. She married Harry Gible, who survives, on Feb. 13, 1942. She was a member of the Mentone Methodist Church and the American Legion Auxiliary.

Surviving are the husband and two children, a son, Rodney of Mentone and a daughter, Calleen, at home; two sisters, Mrs. Dorel (Elenora) Coplen of Mentone and Mrs. Joseph (Juanita) Widman of Larwill; a brother, John Newell of Silver Lake and two grandchildren.

Rev. Glenn Campton officiated at the services for Mrs. Gible and burial was in the Mentone cemetery.

Today's MEDITATION

from
The World's Most Widely Used
Devotional Guide

The Upper Room

THE UPPER ROOM, NASHVILLE, TENNESSEE

THURSDAY, OCTOBER 7, 1965

Read Ephesians 2:13-22

You are... fellow citizens with God's people, members of God's household. (Ephesians 2:19, NEB)

The Christian church stretches from shore to shore like a geological rock formation. I think of the local church as the visible portion of the underlying foundation, as Paul declares, is Jesus Christ Himself Where Christ is, there is His church.

All Christians have experienced forgiveness of sins and fellowship with God. Because of their personal commitment and trust in Christ as Savior and Lord, they have the hope of heaven.

When Christ is "all in all", then, as Charles Wesley wrote in one of his hymns: "Names, and sects, and parties fall." It was his brother, John Wesley, who wrote: "We give the right hand of fellowship to every lover of God." So whoever we are and wherever we are, if we love the Lord we are brothers and sisters in Christ. That is also true for all who in this blessed faith have gone to heaven. "O blest communion, fellowship divine!"

PRAYER: Our Father, we pray for the whole family of Thy people. Grant us through Christ more and more of the family spirit of love and service in our relationship with our fellow Christians. May we live to bring the wanderers around us back home to Thee. For Christ's sake. Amen.

THOUGHT FOR THE DAY:

Fellowship in Christ is for everyone and is everlasting.

Be-Abouts Meet

With Mrs. Welborn

The Be-About Missionary Group met at the home of Mrs. Everett Welborn for their October meeting. The meeting was opened with the group singing, "Oh To Be Like Him."

Oedessa Addleman led in prayer and the secretary's and treasurer's report were given by Mrs. Addleman and Lois Hunter.

The group discussed plans to visit a nursing home with a program for Thanksgiving.

Devotions were given by Mrs. Fred Burklin, missionary home from Germany. Her talk was on John 20, stressing that salvation is free and that everyone should have a daily devotion time with the Lord. Slides were also shown.

Several led in the prayer group.

Refreshments were served to Joyce Moore, Carman Acton, Fern Beeson, Joyce Burklin, Norene Norris, Oedessa Addleman, Dorothy Bialock, Judy

Bowerman, Lois Hunter, Lois Hathworth, Phyllis Bowser, Mary E. Romine, Grace Lewis, Kathryn McMann, Nancy Goehring, Judy Velve Lantz, Gladys Wittcamper and Mary Ann King.

Rev. Burklin

Addresses Lions

The Mentone Lions met Tuesday school for a dinner meeting with day evening in the Mentone thirty one members present.

The featured speaker was Rev. Fred Burklin of the Greater Europe Mission, a missionary home on furlough. Rev. Burklin showed pictures of east and west Berlin and of the Berlin wall.

Attention, hunters. If you have a heart condition, the Indiana Heart Association advises, never hunt alone. Take at least one member of your party into your confidence. Tell him what medicine you take, how to give it and what symptoms indicate you may need it.

WHEN YOU HARVEST GRAIN use this plan to save time and money

When you harvest grain, we can save you time and money with our Grain Exchange Plan.

Deposit part of your crop with us as you pick it.

Then, when you want feed, we'll grind and mix a Check-R-Mix ration using grain and Purina Concentrate. We'll deliver the ration to your farm and put it in your barn, bulk bins or even the feeders if they're close to the lane.

After your grain is used up at our elevator, deposit some more on days when work is slack.

The Check-R-Mix rations are good because they're mixed from Purina Research formulas. They're low in cost because they're mostly your own grain.

Give us a call or drop in.

Club Hear

Deputy Andrews

The Mentone Home Demonstration Club entertained members of the Jolly Jones, Merry Mollies, Merry Mixers, and Friendly Neighbors Home Demonstration clubs Friday evening in the school cafeteria.

The meeting was opened by the president, Esther Sarber, who welcomed the guests and introduced members of her club. The pledge to the flag, singing "America, The Beautiful," and the club creed completed the opening ritual.

Olive Tucker introduced Deputy Sheriff Andrews who gave a twenty minute talk on the problems encountered by the county law enforcement officers. He showed a number of articles including knives, guns, and clubs, which had been taken from trouble-makers.

Mrs. Blanche Whitmyer introduced "The Threesomes" from Roann. The trio composed of Mrs. James Van Buskirk, Mrs. Willard West, and Mrs. Tom Pence, entertained with a musical program which was enjoyed by the members and guests.

Door prizes were awarded to Mrs. Hatfield, Mrs. Whetstone, and Mrs. Lewis. The meeting closed with the club prayer song.

Refreshments of assorted cookies, coffee, tea, mints and nuts were served from a table beautifully decorated in keeping with the autumn season. The committee for this meeting was composed of Gertrude Hill, Olive Tucker, Blanche Whitmyer, Melissa Unzicker, and Mary Barton with guest book.

We Get Letters . . .

September 29, 1965

Dear Mr. and Mrs. Sheetz,

When the Methodist built their first church here their concern was for the spiritual growth of lives and homes here. The changes in the appearance of our church are interesting to us historically, and we appreciate your publishing the pictures and stories on our observing our birthday. Thank you so much.

We are truly thankful for the opportunities these one hundred twenty-five years of service both at home and in the world have given us.

Very truly yours,

Harold Utter

Miss Janice Davis And Ronald McDugle Wed Here

The Mentone First Baptist Church was the scene of the August 28 afternoon wedding of Miss Janice Carol Davis and Mr. Ronald Eugene McDugle. Rev. Ellis Howard of Middleton, Michigan officiated, with the local pastor, Rev. Howard Adelman assisting. The altar was decorated with palms and baskets of white and pink gladioli. Three candles were at the back

of the altar.

Nuptial music was provided by Miss Mary Frink of Hammond, organist, and Mrs. Brad Moore, vocalist.

Mrs. Ina Davis is the mother of the bride, and Mr. and Mrs. Clarence McDugle of Pontiac, Illinois, are parents of the groom.

Given in marriage by her brother, Roscoe Davis of McConnell, Illinois, the bride appeared in a gown of white taffeta, the skirt having a front panel of chantilly lace. The bodice had matching lace over the taffeta and a jeweled neckline. At the waistline there was a back bow of lace with a taffeta rose decorating the center. The fingertip veil of illusion was attached to a crown of pearls and irrecents.

The bride carried a white Bible with a bouquet of pink roses and ivy and white ribbon streamers.

Her maid of honor was Miss Sheryl Olson, of Carmel. The bridesmaids were Miss Janet Eason, Mentone, and Miss Jean MacLaren, Cedarville, Ohio. They wore identical floor-length dresses of blue taffeta with bodices of white overlay lace, and carried long stemmed pink roses. They also had matching headbands and veils.

Mr. Don Entner, Lafayette, served as best man. Groomsmen were Mr. Larry Czerniak, Brownsburg, and Mr. Gary Brandes, Cedarville, Ohio. Ushers were her brothers Mr. Dan Davis and Mr. Glen Davis, Clarksville, Tenn.

Mrs. Glen Davis, her sister-in-law, was in charge of the guest book.

The flower girl was Lynn Davis of North Manchester. Her

dress was like the bridesmaids. Kevin Davis of McConnell, Illinois was the ring-bearer.

A reception was held in the church basement with Mrs. Sue Czerniak, Brownsburg and Mrs. Judy Entner, Lafayette helping with the gifts.

Those who assisted in the serving were Miss Myrna Foltz, Knox, Mrs. Barbara Eaton, Xenia, Ohio, Mrs. Ellis Howard, Middleton, Mich., and Miss Mary Cunningham, Grand Rapids, Mich.

The bride is a graduate of Mentone High School, Cedarville College, Cedarville and Central State College, Ohio, and is a second grade teacher in the Mentone school. The groom is a graduate of Cedarville College, Cedarville, Ohio and is attending Grace Seminary at Winona Lake.

The couple are residing in the Ralston apartments on Wooster road in Winona Lake.

Automatic Moisture Control

It Cuts Down Ironing Time!

Gas Dryers now have a "dryness" control that actually measures moisture content of clothes... and shuts the dryer off when they reach the degree of dryness you have selected.

Clothes come out of the dryer "just right" for ironing... whether its a load of wash 'n wear or regular cottons or woolsens.

It's another good reason modern homemakers choose new, improved Gas Dryers!

For drying clothes faster, better... GAS makes the BIG difference... costs less, too!

Fred Homfeld To Address Anthony Nigo Chapter DAR

Fred Homfeld is shown in one of the corn fields on his 303 acre Lake County farm.

Teachers To Hear Robert Barcus

The Tippecanoe Valley Classroom Teacher Association will start their year with a dinner meeting on October 11, 1965 at the Stein Inn Restaurant, Silver Lake. As their guests, they have invited the Akron P.T.O. President, the Mentone P.T.A. Co-Presidents, the Superintendent and Assistant Superintendent of Schools, the School Board Members and their wives. The guest speaker will be Mr. Robert G. Barcus, an Indiana State Teachers Association Representative. His address, "What the Professional Should Know," will inform those present about the national, state and local teachers associations.

Mr. Barcus joined the I.S.T.A. in September, 1965 in the Department of Education. During the school years of 1962 to 1965 he served on the International Relations Committee of the Indiana Classroom Teachers Association. In 1963 he served as Secretary of the Fifth Congressional Education Association. From 1962 to 1964 he was President of the Wabash City Teachers Association.

Mr. Barcus holds a Bachelor of Physical Educational degree from Purdue University and a Master of Arts degree from Ball State University. He has taken additional graduate work at Ball State and Butler Universities.

Before joining the I.S.T.A. staff, he taught in Wabash and in Washington Township at North Central High School. Mr. Barcus taught mathematics and assisted in the athletic program.

Fred Homfeld of Hebron will be the guest speaker at the October 12 meeting of the Anthony Nigo Chapter DAR. The public is invited to hear Mr. Homfeld speak on the topic, "Both Sides of the Iron Curtain" at the Mentone sym at 8 p.m. There is no admission.

Mr. Homfeld and his wife operate a 303 acre farm in Lake County, about 25 miles south of Clay. They have one married daughter and a granddaughter. Mr. Homfeld is past president of the Hebron Lions Club, a charter member of the American Legion, a retired member of the Masonic Lodge, a member of the Lutheran Church and a charter member of the Indiana Farm Bureau. He has also served as a commissioner of Boy Scouts, adult 4-H leader and chairman of the local CROP drive.

Mr. Homfeld was notified in the spring of 1962 that he had been selected as one of 38 farmers from Indiana to go "behind the Iron Curtain" as a "goodwill ambassador" for our state and the federal government.

Of the group of 38 he was the only one who could speak and understand German which enabled him to converse with over 2,000 Russia people. His experience were quite interesting although he feels some were quite funny and ridiculous. Others, however, were very dangerous.

To illustrate his talk he will show 200 colored slides which he took on this trip. He has shown them to over 14,000 people to date.

The Anthony Nigo chapter urges the public to attend this meeting, feeling the experiences described will be educational as well as entertaining.

PENB BOARD ACTS ON PROMOTIONS

The Board of Directors of the Poultry and Egg National Board, meeting in Chicago September 28, voted to:

1. Change National Egg Month from March to January effective in 1967.
2. Adopt the recommendations of the special industry committee, which met in Suffern, New York, last week, on egg promotions, with stress on the "four season" approach.
3. Express its complete confidence in Dr. L. A. Wilhelm, General Manager of PENB.
4. Set up a new committee of the Board of Directors to consider recommended changes in PENB by-laws, especially those relating to membership on the Board.

Using Antiques In The Home To Be Discussed At Ford Museum Forum

The sixth annual Midwest Antiques Forum at Henry Ford Museum, Oct. 11-15, will be devoted to "Living With Antiques."

Carpenters, historians and other authorities will present illustrated lectures, covering architecture, wall papers, window treatments, upholstery, floors and rugs. A section will be devoted to the care and preservation of furniture, metal and textiles and the proper atmosphere for antiques in the home. Special emphasis also will be placed on lighting, gardens, and food preparation in order to obtain the ultimate enrichment from antiques and collecting.

For information about attending the various session of the antiques forum, write: Midwest Antiques Forum, Henry Ford Museum, Dearborn, Mich. 48124.

Rainbow Has Public Installation

More than 75 members and guests attended the installation of Akron Rainbow officers Saturday, October 2, 1965 at 8 P.M. Christine Wise, daughter of Mr. and Mrs. Lonus Wise, was installed as Worthy Advisor.

The East was decorated with Christine's motto "Faith Unlocks The Door" in white letters on a green background, and her Symbol, a silver key. Before the dias was a large white basket of green tipped white carnations, her chosen flower. At the pedestals were brandy snifters holding ivy and carnations. In the West was her watchword, "He says, 'I Forgive'."

Installing officers were Mrs. Jewel Wise, Installing Worthy Advisor; Marshall, Linda Beigh, Chaplain, Rev. Claude Fawns; Recorder, Linda Crockett; Musician, Mrs. Pauline Martin; Soloists, Mike Wise and Lowell Safford.

The girls recited the Lord's Prayer before entering the Assembly room. They were then escorted around the room and seated in a semicircle in the west.

As Christine took her vows at the Altar, her brother sang, "Prayer Is The Key To Heaven." She was escorted to the East by her parents as Mike Wise and Lowell Safford sang "He". Christine wore a floor length formal of white brocade with mint green sash and full train and a corsage of green tipped white carnations.

Other officers installed were: worthy associate advisor, Melody Ballenger; Charity, Angela Riley; Hope, Vickie Haber; Faith, Rebecca Gast; Recorder, Linda Beigh; Chaplain, Jane Martin; Drill Leader, Marna Stephen; Love, Jo Ann Moore; Religion, Allison Morgan; Nature, Debra Groninger; Immortality, Melissa Gast; Fidelity, Denise Morgan; Patriotism, Marjorie Kendall; Service, Martha Whittenberger; Confidential Observer, Marion Kendall; Outer Observer, Carletta Deeds; Musicians, Charla Gast; Choir Director, Joyce Maby; Prompter, Marilyn Smith; Historian, Janet Sheetz; Hoosier Promise, Hoosier Promise Reporter, Adria Morgan and Rose Lecturer, Jody Hudson. Members of the choir are Jennifer Gast, Jennifer Hackworth, Judy Teeter, Pam Moore, Sue Johnson, Priscilla Mitchell, Debra Hiers and Susan Patterson.

Faith escorted Linda Beigh to the Altar to sign the Bible as Mike Wise and Lowell Safford sang "Climb Every Mountain." She was presented a post worthy advisors pin, a gift from the assembly.

The drill leader escorted Mrs. Merv Crockett to the east where she gave the Majority Degrees to Linda Crockett. Linda was presented her diploma and a silver Rainbow spoon.

Christine introduced her parents, family and friends. Also her installing officers, her ushers Mrs. Virgil Wise and Steve Sausaman and her serving committee Teresa Wildermuth and Sara and Albert McCloughen.

Merit bars were presented to Linda Beigh, Charla Gast, Marna Stephen, Melody Ballenger, Debra Groninger, Jody Hudson, Drusilla Morgan, Angela Riley and Marion Kendall. Attendance bars were presented to Linda Beigh, Joyce Maby, Debra Groninger, Melissa Gast, Marna

Stephen, Melody Ballenger and Charla Gast.

Following the closing march the guests were served refreshments of cake, nuts, mints, punch and coffee from a table decorated with a cake centerpiece flanked by green candles in silver holders covered with a white cloth and green ribbon bows.

Shower Honors

Miss Campbell

Miss Sue Campbell was the guest of honor at a miscellaneous shower given in the home of her parents, Mr. and Mrs. Russell Campbell, Wednesday evening by Mrs. Fred Sinclair. Decorations were highlighted by a yellow decorated sprinkling can suspended above the table pouring a shower of white crepe paper streamers onto the bride and groom centerpiece. Sprinkling can nut cups, heart shaped lemon gelatin and white cake completed the decorations.

The honored guests received many lovely gifts from Miss Kathryn Bunch, Mrs. Jack Hudson, Mrs. Harry R. Ball, Mrs. Cliff Bailey, Mrs. Emma Shoemaker, Mrs. Wm. Blackford, Kathy and Cohen, Mrs. Tom Dean, Mrs. Barbara Vaughn, Mrs. E. C. McGowen, Mrs. Owen Davis, Mrs. Dairl Border, Mrs. Elven Snyder, Mrs. Lewis Johnson, Mrs. Mel McGowen, Mrs. Merl McGowen. Several games were played.

Fulton - King Vows Spoken

Mrs. Freda King of Mentone and Mr. Miller (Bud) Fulton of N. Webster, were united in marriage Saturday evening at 8:00. The ceremony was performed by Reverend Glenn Campton, in an alcove flanked by palms and candelabra in the home of Mr. and Mrs. Jack Pritchard. The bride appeared in a dress of light blue wool with a matching whimsy hat. She was attended by her granddaughter, Miss Jacque Pritchard of Mentone, who was also attired in a dress of light blue. They both wore corsages of blue and white carnations. Mr. Richard King of Warsaw, son of the bride, served as best man.

A reception following the ceremony was held in the dining room of the home. Cake and punch, arranged on a table appointed in blue and white, was served to about 20 guests.

After a short wedding trip, the couple is making their home in Mentone.

GRASSROOTS OPINION

MOUNTAIN EAGLE. "We're getting all kinds of information about health care for the aged... And, we do not believe it is in the interest of good government (by the people... for the people... etc.) for the federal government to be the sole proprietor of such a program when coverage as good can be provided without burdening everyone with taxes which would be ever increasing. We believe the basic idea of the Elder-care proposal is the procedure."

SPRINGFIELD, ILL., ILLINOIS STATE REGISTER: "Ghana, once among the most robust and promising of Africa's new nations, today faces bankruptcy... Ghana officially became Socialist in February of last year... The ruling Convention Peoples party was given unrestricted power to control all phases of Ghanaian life... The result could be predicted, Ghana's various state-owned corporations have lost \$39.2 million on an investment of \$112 million. Even the Volta Dam, Ghana's proudest public works project to which the United States contributed some \$47 million, may become a white elephant."

AULT, COLO., PROGRESS: "We can hardly agree with the statement that people cannot think for themselves. We consider and sincerely believe that every American is a sound thinker, an energetic worthwhile human, but his incentive has been taken away from him. He has been brain washed with Poverty programs, with Welfare, with Aid programs, until he believes that only Washington can do what needs to be done."

done. To us this is extremely disappointing -- we have stated many times, and still believe in PIONEER SPIRIT - the drive and intestinal fortitude which discovered this great country of ours."

SELMA, ALA., TIMES-JOURNAL: "In any analysis of juvenile delinquency, children of Oriental descent have always been conspicuous by their absence from the statistics... Unfortunately, there are indications this may no longer be true. Police in Sacramento, Calif. for instance, report increasing involvement of Chinese and Japanese youths in such things as thievery and knifings... such hitherto unheard of incidents have caused much soul-searching among the second-generation Japanese, the Nisei. 'Somewhere along the way we feel we are failing,' said one elder. Offered a captain of the Sacramento Police Juvenile Bureau: 'I imagine it's because the kids are becoming Americanized'... What kind of society are we building where a police officer can matter-of-factly consider 'Americanized' and 'criminalized' as being virtually synonymous?"

JOHN DAY, ORE., BLUE MT. EAGLE: "Really, we hate to be a bug about this and speak so often on section 14(b) of the Taft-Hartley Act in our editorial column, but it seems that not enough of this issue is getting to the grass roots... We at the Blue Mt. Eagle do not hold an antunion attitude. We feel that unions have brought the American worker wages and working conditions he could not otherwise obtain. We believe there must be a check against overbearing management situations, and unions can combat this effectively. However, we believe that unions also need a check. Without some sort of safety valve, they can become as overbearing as certain industries were before unionism."

where before unionism."

WEYA UWE GA, WISC., CHRONICLE: "It is difficult to challenge any program, in principle at least, which purports to guarantee medical care for our older citizens, regardless of ability to pay. This is a laudable motive, certain to be popular, and therefore 'good politics.' But, it should be remembered that this, too, has a price which must be paid... The notion of social planners that this nation's economy knows no limits; that the cost of such programs can be effortlessly absorbed by ever-expanding production is foolish and dangerous. If our economy had such capabilities, prices would be at the levels they were 25 years ago."

High School Day Planned At Purdue

High school students looking ahead toward college will get a first hand look at higher education at Purdue University's annual High School Day Saturday, Oct. 16.

The daylong program is primarily for high school juniors and seniors, whether or not they plan to enroll at Purdue, along with their parents and high school counselors. Reservations for the day should be made in the office of Counselor George Welch by Oct. 8.

Charles A. Henry, associate director of admissions at Purdue, said a record total of 2,900 persons took part in High School Day last year, representing 294 high schools from nine states. The event is aimed at supplementing college counseling programs in high schools, giving insights into various careers and emphasizing the importance of good high school preparation for college study.

Registration for the event will start at 8:30 a.m. Oct. 16 in the lobby of Elliott Hall of Music at Purdue. Harland W. White, director of admissions, will discuss "College Can Be Fun" at a general session at 9:20 a.m.

From 10 a.m. to 12:10 p.m. students will meet with Purdue counselors in the school in which they could prepare for their first-choice career. At 2 p.m. they may return for further counseling in the same academic area, learn about second-choice career opportunities or join in conducted tours of Purdue's laboratories and other facilities.

All visitors will be given lunch in Purdue residence hall dining rooms at noon.

The on-campus program is sponsored by Purdue's Office of Admissions, with co-operations from all Purdue schools and departments, in addition to its year-around field work in college counseling programs in Indiana high schools.

A Column of News By And For All Girl Scouts Of The Mentone Community

Brownie Troops 108 and 142 met together this week to the great enjoyment of all the girls. They will continue to meet together until the girls re-register this month, at which time all girls will be in Troop 142. The Brownies made seed mosaics and sang songs accompanied by a very enthusiastic rhythm band. The meeting was then moved outdoors for the more strenuous games. Leaders in charge were Mrs. William Ettinger, Mrs. Dale McGowen and Mrs. Howard Allen.

Due to the troops being put back together, there will be some changes in leadership. Mrs. William Ettinger will continue as leader, with Mrs. Howard Allen as assistant leader. Mrs. Dale McGowen, who has handled her position as assistant leader so well, will remain active with Troop 142 as a member of the Troop Committee. Mrs. Ora Carmean, assistant leader of Troop 108, will be working as C-leader of Junior Troop 25.

The new Troop Committee formed for Brownie Troop 142 for the 1963-66 year, include: Mrs. Dale McGowen; Mrs. Eldon Smith; Chairman; Mrs. Rodney

Gabler; Mrs. Joe Good and Mrs. Frederick Morgan.

Junior Troop 25 will hold their first meeting of the school year on October 7, this year the meetings will be held in the basement of the Mentone Methodist Church from 3:30 to 4:45 every Thursday, with co-leaders Mrs. Ora Carmean and Mrs. Tom Hargan.

The Cadette Troop will have their first meeting of the school year on Wednesday, October 6 at 3:30, in the Mentone Methodist Church. Leaders for this troop are Mrs. David Cooper assisted by Mrs. Jerry Hudson.

FARM NOTES

County Extension Agent

This column is prepared by John Couey, area farm management specialist. John is in charge of the Better Farming-Better Living program in Kosciusko County.

We will be enrolling a new B.F.-B.L. group soon. It will be primarily a program of budgeting time, labor, capital and family resources into a program of management. We need to know of any families who may be interested. There are no expenses involved - just some time, possibly parts of three days during the winter.

As I look at the calendar and now that 1965 is two-thirds past I suddenly realize that TIME - a very important factor of successful management - is fleeting by.

Timeliness of plowing, planting, and harvesting has often been lauded as a major factor of success and rightfully so. However, have you recently taken TIME to analyze or look for time saving methods. Often the excuse given is "I haven't the time!" This may be more than a sign of the times - when we are annually growing older.

As we agents visit with different cooperators we find time-consuming chore patterns, evidence of "high-sight" planning or disregard of opportunities for changing habits - "we've always done it this way."

TIME for planning is often the

RESERVOIR TOUR

will contain a 976 acre permanent pool, a 2,855 acre recreational or seasonal pool, and a 9,348 acre flood control pool. The three pools will each back up water 11 miles, and 30 miles respectively.

most valuable use of this precious element.

The homemaker who plans ahead and makes major grocery buying a weekly or bi-weekly chore saves both time and energy over those who must "go shopping" two or three times a week.

The farm operator who plans his feed, fertilizer and seed needs for the season may often take advantage of both seasonal and volume discounts. By proper budgeting of his "cash flow" and borrowed financing he will often buy for less total cost than "store charges" and "company finance plans."

Take TIME TO PLAN. Many times will be cheaper or better and sometimes both for having done so.

We have had several questions regarding the use of direct cut sudan or sudan sorghum corses for silage. This is a very high moisture product and can seldom be a satisfactory feed without the use of a preservative. Chemicals will preserve the material; but, because it is a very low energy feed in this state, it is preferred to add molasses, corn or corn-cob meal to increase the

TDN.

If the material could be cut, conditioned and wilted to the 50-60 per cent level, additional preservatives would be essential. However, even then, the addition of energy feeds will provide a better balanced feed as it comes from the silo and insures a better quality silage.

Cheerleaders Elected At Talma

Cheerleaders for the seventh and eighth grades at Talma Junior High School were elected Thursday, October 7, 1965. Before a girl can consider being a cheerleader, she must have no less than a "C" average in her school work and have high moral standards. The Talma faculty selected the girls according to attitude and enthusiasm, personality, poise, appearance, physical agility, execution of cheer, and voice quality.

Of the thirty girls who tried out, there were four chosen from the eighth grade and three from the seventh grade. Those chosen from the eighth grade are as follows: Annette Hirschman, captain; Carolyn Boggs, Donita Teel, and Sara Jo Smith. The seventh grade cheerleaders are as follows: Maria Hubartt, captain; Debra Hiers, and Darlene Igo. The girls are under the sponsorship of Miss Breeding, physical education instructor at Talma.

Bulldogs Subscriptions Being Sold

The 1966 yearbook, BULLDOG, for Mentone, Talma, and Burket Schools, is on sale at this time. Subscriptions are being taken by the staff Cynthia Ellsworth, editor; Janet Goshert, Phyllis Hurd, Garry Weidner, Ken Romine, Karen Horn, assisting editor; Beth Creighton, Diane Surber and Steve Tucker.

The price of the book has risen since the sales tax will have to be paid this year and since production costs have been raised considerably in the last few years. Also the school board asked that no solicitation for advertising be taken. Around \$600.00 had previously been collected each year. The price of the book is \$4.00 (\$3.92 plus 8¢ tax) of which \$2.00 may be paid now and \$2.00 when the book is delivered.

Anyone who wishes to order the 1966 BULLDOG may contact any of the staff or call Mentone school.

The subscription drive in Mentone School ends Friday, October 15. Staff members will solicit Talma and Burket Schools on Tuesday, October 19.

Dr. and Mrs. Dan Urschel were in Chicago over the week-end, where Dr. Urschel attended a committee meeting of the Flying Physicians Association. Dr. Urschel, a Past President of that organization, is currently the Chairman of the Program Committee, the Historian of the group, and holds numerous other committee appointments and assignments.

Board To Meet At Bank

Pending completion of Mentone's new town hall, board members will conduct their monthly meetings in the bank's meeting room.

Razing of the present town hall is underway and should be completed within a few days.

Bank Bids Bond Issue Here

The Farmers State Bank of Mentone was the successful bidder for the \$20,000 bond issue for the new Mentone town hall and fire station. The bank quoted a 3 3/4 per cent interest with a premium of \$124.50. Two firms from Indianapolis also submitted bids. The bonds will mature semi-annually with the first one due June 30, 1967 and others will run through and including Dec. 30, 1976.

FHA Officers

To Attend Meeting

The officers of the Mentone Future Homemakers of America will attend the Northwest District Meeting in the Southwestern High School at Lafayette Saturday, October 16.

The purpose of the meeting is to help the officers for this school year better understand their duties and be better able to carry out the goal of the year: "To help individuals improve personal, family and community living, now and in the future." The theme for the day is "Blue Prints For Living".

The girls who will make this trip are Donna Ring, Karen Montel, Cynthia Baker, Cheryl Jones, Connie Mosier, Bonita Nellans, Sonja Baker, Melody Ballenger and Darla Sue Nelson. They will be accompanied by Mrs. Roger Ring and Mrs. Arthur Carpenter.

The Mentone group will join the North Webster and Piercet officers and advisors, traveling by bus.

Recent guests of Mrs. Sarah Ellsworth were her two nephews and their wives, Mr. and Mrs. Paul Burns and Mr. and Mrs. Verbal Burns of Raymond, Kansas. Also visiting her over the week-end were her daughter, Major Betty Flory, and her friend, Nancy Henry, of Ft. Knox, Ky.

Mr. and Mrs. Jerry Hudson and sons were Friday evening guests of Mr. and Mrs. Bill Goshorn and son of Leesburg. They enjoyed seeing slides of Mrs. Goshorn's scenic homeland in Germany.

C of C Plans Special Program

A special program is planned for the October 19 meeting of the Mentone Chamber of Commerce. The meeting will be held at 6:30 p.m. in Lozier's Restaurant and reservations are due by Saturday.

A recent meeting of the board of directors included a financial report and decisions being made to support a Junior Achievement program which will be sponsored by the Midwest Spring Mfg. Co. and to install two large Christmas decorations at the corner of Main and Broadway. It was reported that these two decorations will replace the strings of lights used in former years.

Other action included a decision to pay half the cost of sending a local student to journalism school.

Todd Is Better

We are happy to report that our little warrior, Todd Sheetz, is greatly improved this week. He was struck by a car a week ago Monday night and was taken to Memorial Hospital in So. Bend with a broken right leg and cuts and abrasions on his head and back. The head wound required six stitches and is healing very well. His leg will remain in traction for a total period of three and one half or four weeks before a cast will be put on it.

He is making a good adjustment to hospital routine, liking especially well the food, the student nurses, mail call and visit from family and friends.

Mentone Lions Club Meets

The Mentone Lions Club met on October 12 with 22 present, 18 members and 4 guests present. They were Gordon Kauffman, Fred Homfeld of Hebron, Indiana, and he gave a report on his home club, Martin Fisher and Gerald Ballenger.

There will be a Halloween celebration on October 30 with a Fish Fry. The Committees were signed by the Gen. Chairman, Larry Pyle of Mentone.

Nov. 9th will be ladies night at the M & M Restaurant at North Webster. Music will be furnished by the Goshen College. A guest speaker from the Attorney General office will speak that evening.

Mr. and Mrs. Ronald McDugle and Mr. Melvin Frank attended the Cedarville College Homecoming at Cedarville, Ohio, over the week-end. All three are graduates of the college.

Hales & Hunter Company awards for 40 years of Service

W. J. McKeon, District Manager, is shown congratulating Towry 'Red' Jacks for 15 years of service and Lloyd Bowerman for 25 years of service following an employee luncheon in Mentone, location of the Company feed manufacturing facility.

Bowerman is Area Sales Manager of the feed manufacturing concern and Towry 'Red' Jacks is the Company representative in Kosciusko County.

Deadline Set For Mailing

Christmas Packages For Foreign Countries

The long sea transit frequently involved in the transmission of parcels by surface means, and customs inspection and other formalities that parcels may be subjected to in the country of destination, require that mailings be made as early as practicable to assure delivery by Christmas day. Surface parcels mailed not later than the dates shown below will normally reach their destination before Christmas.

South and Central America	Nov. 10
Europe	Nov. 10
Africa	Nov. 1
Near East	Nov. 1
Far East	Oct. 15

AIR SERVICE is available to practically all countries of the world. It is recommended that senders that air mail packages be mailed by December 10th in order to reach the addressee before Christmas.

GARNER, IOWA, LEADER:
"Why have we been unable to keep American Values uppermost in our educational life? We have been sleeping soundly, while the Reds have been very much awake. We have ineffectively given insufficient doses of civics and history in which the American's heritage is the chief ingredient. The resentments and frustrations thrust upon the big-campus student, who so often lacks understanding of his purposes in college, open him to radicalism. Where no objective values are forthcoming, the route to false ideology is made easy. The pity of it is that too many of these recruits find that way into positions of respect and leadership—in education, in politics, in government, and in communications. So you take it from there!"

MIAMISBURG, OHIO, NEWS:
"The American press, from the local level to the national scale, has in just recent years, come under its attack for its coverage of crime news. More specifically, the question is... Should more restrictive measures be placed upon the press in its pre-trial reporting? We don't think so, because we believe the public's right to know is most important in a free society."

SKOWHEGAN, ME., SOMERSET REPORTED: "The world of tomorrow should be quite a place to live in. With the President's signing of the Medicare bill another social benefit has been gained. Now we have unemployment benefits, social security benefits, poverty benefits and Medicare benefits. If we can get benefits for child birth and death we should have it made. The only question that

arises in my mind is who is going to foot the bills when everyone is enjoying a roman holiday. Anyway, the Utopia we dreamed about yesterday is here today.

ONTARIO, CALIF., REPORT:
"Radical" was the term used by Sen. Wallace F. Bennett. 'Socialistic' was the word Sen. John Tower selected. Other adjectives employed by congressmen were 'foolish' and 'incredible.' They were words used to appraise the multibillion-dollar housing bill when it received Senate approval. One portion of the legislation is particularly difficult for the Republican senators to accept. It is the rent subsidy provision which calls for the U.S. government to help pay the rent for low income families. It seems odd that during the nation's most rapid advance in gross national production we also find it necessary to enact such omnibus welfare measures as the anti-poverty law and the new housing legislation."

You Can Become A Better Leader

UNIVERSITY PARK, PA.—Most all responsible citizens are leaders at various times in different situations. In meetings, everyone taking part in a discussion exerts some influence. As problems change and develop, leadership changes. In some situations, you may exert more influence than anyone else. No one person is a leader with all groups at all times.

If you are a new leader and would like to become more effective, or if you are not a leader but expect to be, you can study self improvement through a new correspondence course, "Leadership Training For You" which is offered by The Pennsylvania State University. Leaders of hobby clubs, special interest groups, women's clubs, local associations, youth groups, planning, educational and political organizations can be better leaders by studying at home.

All areas of study in the course are on a general basis, and correspondence students can seek additional self improvement in those areas which interest

them most.

For a copy of the entire course, send your name and address with \$3 to LEADERSHIP TRAINING, Box 5000, University Park, Pa., 16802.

WEDNESDAY: Sloppy joes, chili slices, green beans, cole slaw, fruit, and milk.

Study Course Is Aid To Entertaining

UNIVERSITY PARK, PA.—The key to relaxed and successful entertaining is planning. Yet, the most experienced hostess often feels rushed before her guests arrive.

If you feel you can't plan details systematically so you can enjoy your guests, you'll find a home study or entertaining course a valuable aid. Available from The Pennsylvania State University, the course covers various phases of entertaining. It includes writing and answering invitations and choosing clothes for the occasion.

Other features of the course include foods to serve with a flair for the party you plan, table decorations, and games for schoolage parties. How to conduct such functions as a wedding reception, smorgasbord, buffet, and coffee hour are described in detail.

To get the complete course, send your name and address with \$2.25 to ENTERTAINING, Box 5,000, University Park, Pa., 16802. Make your check or money order payable to The Pennsylvania State University. The material will be sent promptly and all mailing costs are prepaid.

A series of Animal Alphabet Books. Most unusual! Rhymed and illustrated in full and bright colors on every page by Tony Palazzo. This series is designed to make learning the alphabet more meaningful and fun as well as to learning about a particular family of animals. Every child loves horses. In the A HORSE ALPHABET book they will find rhymes and pictures showing different horses and many of their activities. Also there are AN ELEPHANT ALPHABET, A MONKEY ALPHABET and A BIRD ALPHABET books. Entertaining and educational in many ways older children and even older people will enjoy these books.

SAVE EVERY LAMB by Jesse Stuart. Readers have always been enchanted by tales of the author's native Kentucky hills. Here he turns to one of his favorite subjects—animals. Entertaining, poignant or funny, each story reveals a wealth of information about animals. The book abounds with humor and live, echoes with the sounds of "Jesse Stuart Country," and recalls sights that were part of a now vanishing way of life.

RUN ME A RIVER by Janice Holt Giles. A fast-moving, breathtaking account of a wild 5-day run on a battered little steam-

boat manned by a collection of rugged individualists.

THE RABBI by Noah Gordon. About a good man striving to do good works in a world that often seems too distracted for goodness. Not merely a "Jewish" novel; it is an American novel. Also is one of the outstanding works of fiction of any year.

Today's MEDITATION

from
The World's Most Widely Used
Devotional Guide

The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE

THURSDAY, OCTOBER 14, 1965

Read Psalm 103:1-13

It is a good thing to give thanks unto the Lord, and to sing praises unto thy name, O most High. (Psalm 92:1)

Some years ago, during family worship week, our pastor's wife invited several families to her home for evening devotions. She encouraged the gathering to make thank offerings a part of our family worship.

At the close of the service, she called each member of her family to the family altar. Each one brought an offering in cash or kind, placed it in the plate, saying a few words of praise to God. One thanked God for passing the school examination, another for the recovery from illness, a third one for a birthday. The pastor thanked God for the manifold blessings he received during his ministry in the parish. His wife then handed over the offering to the parish treasurer who was present in the meeting.

We can all praise God for the salvation Christ offers and for Christian fellowship in the world. We can praise God for being called to serve Him in our daily life. For all these blessings each of us needs to say, "Thank you, my God."
PRAYER: Our heavenly Father, help us to praise Thee in our home, in our church, and in our hearts. Guide us to witness for Thee in our daily life and to serve Thee with gratefulness. In Jesus' name we pray. Amen.

THOUGHT FOR THE DAY:

I cannot but offer my thanksgiving to God whenever I reflect on His gift of redemptive love.

afternoon of September 11. The bride was given in marriage by her brother, Mr. Roger Goodman of Longview, Texas, and the ceremony was officiated by Rev. D. J. Sewell of Toledo, Ohio, with Rev. Howard Addleman, local pastor, assisting. The altar was decorated with palms, white mums and candles.

Bruce Miller, Route 2, Warsaw, brother-in-law, of the bride, was the organist, and Herbert Williamson of Toledo, was the vocalist.

The bride is the daughter of Mrs. Chauncey Goodman, Mentone, and the bridegroom is the son of Mr. and Mrs. Roy Wolf of Toledo, Ohio.

The bride appeared in a floor-

length gown of white peau de soie. The scalloped, square neck-lined bodice was overlaid with lace. The full skirt, with a bow at the waistline in back, had a train edged with lace. A pearl crown caught the fingertip length veil and her bouquet was a cascade of pink rosebuds centered in white carnations.

The bride's sister, Mrs. Harry Goehring, Mentone, attended her as matron of honor. Mrs. Bruce Miller, another sister of Route 2, Warsaw, and Mrs. Roger Goodman, Longview, Texas, sister-in-law, were her bridesmaids. Their identical street-length dresses were of peppermint-green iridescent taffeta. The matron of honor carried a cascade of white carnations with pink rosebuds; the bridesmaids, a cascade of pink carnations with red rosebuds.

Best man was Ray Wolf, of Toledo, Ohio, brother of the bridegroom; groomsmen were Mr. Pat Ryan and Mr. Gary Shufelt, both of Toledo, Ohio. The latter two also served as ushers with the bride's cousin Ronald Brown of Route 5, Warsaw.

Miss Loretta Friesen of Toledo, attended the guest book. Miss Rvonne Rathfon helped with the gifts at the reception in the church basement. Assisting Mrs. Robert Hoover who made the beautiful wedding cake were Mrs. Ray Wolf and Mrs. Herbert Williamson, both of Toledo, and Mrs. David Rifenberick of Xenia, Ohio.

The bride is a graduate of Talma High School and Cedarville College, Cedarville, Ohio, and is employed as secretary at the Emmanuel Baptist Church, Toledo, Ohio. Mr. Wolf attended Western Baptist Bible College, El Cerrito, California, and is employed as assistant manager of a branch office of Federal Saving and Loan in Toledo.

Following a wedding trip to Lake James, Angola, Indiana, the couple is at home at 1809 Ottawa Drive, Toledo, Ohio.

GRAYSLAKE, ILL., TIMES: President Johnson and his administration along with liberal lawmakers and self-seeking labor bosses are furthering the substitution of force and compulsion for freedom of choice by urging the repeal of Section 14B of the Taft-Hartley Act. This would take away the freedom of the individual to choose whether or not he wants to join a union. Compulsion has no place in a republic. Every American should have a right to work, whether he wants to join a union or not.

DAR Observes Constitution Week

October 9 through 14 is the 75th Anniversary Week of the National Society, Daughter of the American Revolution. During this week several celebrations will be held in Washington commemorating this special event.

The Anthony Nigo Chapter, DAR, along with the other 2,880 chapters in the United States are proud of this Diamond Jubilee.

The total membership in the DAR is 183,182 persons, being distributed throughout the 50 states and the District of Columbia. Also it includes the overseas chapters in England, France, Puerto Rico, Mexico, the Canal Zone and Cuba.

Indiana has 97 chapters with members totaling 7,574 of which Anthony Nigo is a part.

The NSDAR was founded October 11, 1890 in Washington, D. C. At this meeting the names of eighteen women were enrolled in membership of which the first President of the National Society, Mrs. Caroline Scott Adams, was included. She was unanimously elected the first President General. She felt her position as the First Lady was a very demanding assignment and accepted this responsibility if the President General, Mrs. Thomas D. Cabell of Virginia, could assume the heavier duties of the office.

There were three organizational meetings and at the fourth meeting on December 11, 1890 the formal organization of the Society was completed.

Seventeenth Street in Washington opposite the park between the White House and the Washington Monument are the headquarters of the NSDAR.

Three three-building-in-one, estimated total value of \$8,000,000, owned and maintained exclusively by women.

The first structure, Memorial Continental Hall, had laid its cornerstone on April 19, 1904 with a dedication that read "A Tribute to the Patriotic Women Achieved American Independence." The same historic trowel George Washington employed to lay the cornerstone of the Capitol Building was used.

Twenty-five years later in 1929, Constitution Hall was completed. Mrs. Calvin Coolidge, then the First Lady, assisted in laying the cornerstone, which is inscribed: "Constitution Hall, a Memorial to That Important Document, the Constitution of the

United States, in which are Incorporated Those Principles of Freedom, Equality and Justice for Which our Forefathers Fought." The auditorium has a seating capacity of almost 4,000 and has been considered a cultural center for the Nations' Capital. Presented have been symphony concerts, lectures, ballets, and a wide variety of cultural programs featuring the world's upstanding men and women.

Next we find the Administration Building, between and connecting Memorial Continental Hall and Constitution Hall, which housed the staff necessary to perform the large volume of paperwork attendant to the organization. This had been enlarged several times, most recently in 1950, to provide adequate space.

Exceptional and note worthy facilities at National Headquarters are a General Library that is considered one of the finest in the country, and a permanent American Museum and Document Collection, totaling over 35,000 items, including documents dating 1339. These are open to the public, with guided services, and are listed in many books pertaining to the Nations' Capital.

One of the oldest, the Indiana State Room which was originally the Office of the President General. It is now a library with fine American and English period furnishings, including the first pair of signed and iron to be acquired for any room.

The President General and eleven Executive officers, elected for 3-year terms, direct the business affairs of the Society. These officers, together with 21 Vice-President Generals (7 elected at large annually for a 3-year term), and the State Regents, comprise the National Board of Management. The regular meetings of the Board are held four times a year—February, twice in April, and October—and special meetings are held in June and December.

The annual meeting of the National Society is the Continental Congress, which meets in Washington during the week of April 19th (the anniversary of the Battle of Lexington), and is attended by approximately 4,000 officers and delegates.

The basic work at this annual meeting seek to further the objectives of the NSDAR. Reports of National Officers and Com-

mittee Chairman, stimulating programs of an historic, educational, or patriotic nature, and election of officers fill the business sessions of the delegates to the Congress. In the evenings, programs by distinguished guests are featured.

Virtually every President of the United States has either appeared in person or sent a message to the Continental Congress. The Society has often been honored by the First Lady as well.

The three fold purposes of the NSDAR is exactly the same now as when the Society was organized seventy-five years ago in 1890, to wit:

- I. Historical: "to perpetuate the memory and spirit of the men and women who achieved American independence."
- II. Educational: "to promote, as an object of primary importance, institutions for the general diffusion of knowledge."
- III. Patriotic: "to cherish, maintain and extend the institutions of American Freedom; to foster true patriotism and love of country."

Authorizing the pursuit of these objectives is the Congressional Act of Incorporation of 1890, creating the National Society, Daughters of the American Revolution, signed February 20, 1896, by Grover Cleveland, President of the United States.

the Honorable Thomas B. Reed, Speaker of the House of Representatives; and the Honorable Adlai E. Stevenson, Vice President of the United States and President of the Senate.

On this Diamond Jubilee Week, the Anthony Nigo Chapter of Mentone wished to emphasize again what the DAR is for: Constitutional government; a strong national defense without extravagance; a sound dollar that commands respect in the money markets of the world; a clean and effective U.S. foreign policy; and a Supreme Court that upholds the Constitution and States' rights, Law and order in our land.

The basic duty of our government is to provide maximum freedom in our private free enterprise system and minimum government interference in the affairs of private business. Also for a rapid cessation of all foreign aid.

The DAR feels the Federal Government should get out of education, religion and welfare business. We should practice patriotism by seeing that they teach Americanism in our schools, which will make for a stronger United States of America—now and forever.

Parson Jones Speaks

Dear Mr. Publisher:

I am writing this letter from a hospital. My nerves finally blew out to pieces. According to the nurses, when they brought me here the only noise I could make was a humming sound like a car motor running. My doctor told me I was gonna have to start taking it easy and get away from the noise once in a while. He allowed as how the Good Book says "Be still, and know that I am God."

Well sir, I shore wouldn't argue with my doctor, especially the good spiritual advice he gave. The only thing is, what he said is gonna make me worse. I can't possibly go where its quiet, so I'm just gonna get more and more frustrated.

You take at home for instance. In the good ole days a fella could stretch out on the floor, send the kids out in the yard and enjoy a little peace and quiet. Them days are gone forever. Now everything in the house is power driven, meaning that noisy motors are running all over the place. Washing machines sound like a car on the race track. Drying machines ain't much better. Dish-washers are worse. Electric fans buzz in the summer and furnaces chug a-lung in the winter. Electric sewing machines ain't the best thing on a fella's nerves, and power driven egg beaters don't exactly make for peace of mind. Listening to a TV set, a radio, and a record player, all while you're brushing your teeth with a electric toothbrush will give any man the shudders. The thing that finally put me in the hospital took place one morning while I was eating breakfast. The youngsters had the radio on, playing rock and roll. In the meantime the madam had the washing machine running full blast. The refrigerator motor was putt, putt along when the phone rang. All of a sudden I felt like I had just stepped out of a noisy factory, only to stop on a race track and be run over by cars. Then I started mumbling like a brand new ford.

Now, I'm laying here in the hospital wondering where I can find a quiet place. The air conditioning is running in my room, somebody is bawling for Dr. Bones over the loud speaker, an old man is hollering down the hall, and a baby is bawling in the next room. Ohhh, some orderly just dropped a armload of bed pans.

Mr. Publisher, they tell me that in the good ole by-on, there ain't gonna be many people. No wonder they call it heaven.

I gotta close now cause my arm is jerking so bad it give me the hiccups and they're making my stomach hurt.

Emmett G. Clark Dies At 85

Emmitt G. Clark, 85, a lifetime resident of Kosciusko county, died Tuesday morning at the home of his daughter, Mrs. Ernest (Mary) Lewis, R. R. 2, Warsaw. Mr. Clark, a farmer, had been in failing health for a year.

The son of William and Elizabeth Nellans Clark, he was born Nov. 1, 1879 at Sevestopol. He married Hattie Wideman on Nov. 11, 1903 and she survives.

Other survivors are two other daughters, Mrs. Lloyd Moran, Warsaw, and Mrs. Forest Jobe, Warsaw; two sons, Ivan of Palestine and Donald of Warsaw and a brother, Delbert Akron. Also surviving are 14 grandchildren and 30 great-grandchildren.

Services for Mr. Clark were conducted Friday in the Palestine Christian Church with Rev. Eugene Frye officiating. Burial was in the Oakwood cemetery.

Consumer Shopping Discussed By Club

The Seward Home Demonstration Club met October 6 at the home of Mrs. Rella Hatfield in Burket. The meeting was called to order by the president,

Mrs. Donald Swick, and the vice president, Mrs. Donald Smalley, led the group in the pledge to the flag and the club creed. Bernice Goshert led the group in singing "America, the Beautiful."

Three poems for meditation, "When Nature Hangs New Picture", "Who Could Have Thought of Autumn", and "The Voice of Autumn" were sent by Edith Smith and read by Mrs. Swick.

Health and safety remarks on fire prevention hints were given by Mrs. Smalley. No garden report was given since the leader, Mrs. Earl Sarber, was in the hospital.

The lesson, "Mrs. Consumer Shops For Food" was given by Mrs. Sam Secore who stressed it was well to buy at more than one store and to shop for quality rather than bargains. She stressed the need of making a list before shopping and also urged members to shop for the things you need, not the things which are on sale.

Roll call response was "favorite magazines". After transaction of regular club business a report was given by Mrs. Wm. Kassen concerning the mental health patient and the president reported that the county Christmas workshop would be held Oct. 13 and that the county achievement program would be

held Oct. 20.

Delicious refreshments were served by Mrs. Hatfield, assisted by Bernice Goshert, to fourteen members and two children. The meeting closed with the club collection. Mrs. Wilbur Latimer conducted the auction.

The next meeting will be held Nov. 10 in the basement of the Burket E.U.B. church with Mrs. Earl Lowman and Louise Street as hostesses.

DESALTING COSTS

The cost of desalting ocean water is about \$1 per 1,000 gallons—ten times the average U. S. household bill for fresh water, the Catholic Digest finds.

Achievement Day Is Planned

The annual achievement program for the County Home Demonstration Clubs will be held October 20 at the Warsaw High School auditorium at 7:30 p.m. Mrs. Marilyn Kincaide is president of the county organization.

The Home Demonstration program, one of the largest adult educational programs, consists of 74 clubs and over 1500 women in Kosciusko County.

MOON CRAMPS

EARTH STYLE

DRILLING into the moon for rock samples may be difficult, say scientists at Pennsylvania State University. The space experts believe machines with laser beams may be needed for excavations because there is no air, precluding normal blasting. Also, the extreme temperatures make normal lubrication of machinery impossible and dust particles will fall slowly from cutting operations because the lunar gravity is only one-sixth that of Earth.

"SLUMBERMONGERS" must go, says the American Medical Association. This is the AMA's term for people who bilk chronic insomniacs out of millions of dollars by peddling non-prescription pills, powders, drinks and devices to bring on sleep. Chronic insomnia often has a "neurotic" cause and the patient should consult a competent physician. Further, most of the over-the-counter sleep preparations are more expensive but vastly less effective than a prescribed sedative, the AMA insists.

AN ELECTRIC PEN that writes on glass, metal or ceramic surfaces has been developed at Georgia Tech. The instrument, a small electric welding "pen," uses a shiny, silver metal called "indium" as ink. The heated point of the pen is rested on a small piece of the indium for a few seconds until it melts and adheres to the point and can be transferred to another object. The University says the decorative possibilities appear "quite varied."

SUPER MULTI-MOUSE is the name of an oil well perforating gun developed by Pan Geo Atlas Corp., Houston. The gun, lowered into the well at the end of a steel shaft, fires explosive charges into rock formations to open passages for oil to flow into the shaft. Charges used have velocities (in air) of up to 25,000 feet per second. . . . NEW EVIDENCE that cancer is caused by viruses has been unearthed at Argonne National Laboratory. The organization says has found a filterable agent that produces bone cancer in mice. If it can be proved that viruses cause cancer, the prospects for eventual prevention and cure of the disease are much brighter, Says Argonne.

TWO-YEAR-OLD BOYS run a higher risk of accidental injury than any other age-sex category, a recent New York City study indicates. Male toddlers in this age group had a 75 per cent higher accident rate than all other classifications. . . . CROCODILES in the Nile river are "stoned" all the time without ever touching a drop of liquor. According to zoologists, the huge lizards swallow about 10 pounds of stones to overcome their natural top-heaviness. Without the stones as ballast the crocs would wallow in the water like empty cargo ships.

Lee E. Norris Grain Co. Plans Open House

Shown here are two of the bin dryers which are now in operation at the Lee E. Norris Grain Co. which is located west of Mentone. The trailer in the background is the temporary office and will be replaced with a new building soon.

Lee E. Norris looks over the control panel of one of the grain dryers which is now in operation.

Adult Welding Class Is Planned In Mentone

Plans are underway to conduct an evening class in welding in the vocational agriculture area of the Mentone High School. The classes will be held on Tuesday evenings, beginning November 2 and ending November 30. The classes will begin at 7 p.m. each evening and will last three hours.

Class areas to be discussed are:

- Nov. 2 - Safety precautions, ampereages, metals, rod sizes, beads and basic joints
- Nov. 9 - Overhead
- Nov. 16 - Verticals (ups and downs)
- Nov. 23 - Horizontals, cast, soldering
- Nov. 30 - Handsurfacing - sheet metal

Both classrooms and welding experience will be included on a coordinated basis. The class will be taught by Virgil Wise who has had many years of experience in conducting such classes as well as many years of practical experience.

cal experience.

The enrollment will be limited to 12 members in order that maximum experience may be gained. A fee of \$5 will be charged to cover costs. Anyone interested in enrolling in this class should contact Andy Pylant at the Mentone school by calling EL 3-3665 at once.

No Leaf Burning Prior To 3 P.M.

The town marshal has asked us to remind residents of Mentone that there is an ordinance which prohibits the burning of trash or leaves before 3 p.m. Monday through Friday. Burning can be begun at noon on Saturday.

Calendar

Thursday, October 21
Mentone W.S.C.S. will meet at the home of Mrs. Eugene Sarber at 7:45 p.m.

Monday, October 25
Family night will be observed by the Boy Scouts at 7 p.m.

Open House will be held Thursday, October 21, at the Lee E. Norris Grain Co. which is located west of Mentone between the intersection of state roads 25 and 331.

Construction of some buildings is not yet complete but the business is open for operation. Two 27' diameter bins dryers are in operation and a third one is being built. Scales have been installed along with augering equipment. A new office building will be built later.

Lee E. Norris, owner of the business, said that the company will buy grain and will do custom drying.

Mentone Native To Be Speaker

Hugh Auginbaugh, So. Bend, a native of Mentone, will be a featured speaker at the Southeastern Engineering Conference and Tool Exposition which will be held in Atlanta, Georgia October 27 through 29. He is executive vice president and general manager of So. Bend's Main Engineering and Machine Works.

Mr. Auginbaugh will present his paper, **Value Engineering and Value Analysis in Action** on the final day of the session. He will explain a manufacturing process—from product selection to product manufacturing—using value analysis. Auginbaugh's plan covers complex job analysis, extending into several action areas of production. These include product selection, analysis and appraisal of present functions, development of alternate designs and methods and cost review.

A biography of Mr. Auginbaugh was printed in the 1965 book, "Leading Men In The United States of America", Library of Congress Catalogue Card #65-19575.

Mr. Auginbaugh is a brother of Miss June Auginbaugh, Mentone, a teacher in the Ft. Wayne Community School System.

Mrs. Cooper's Father Dies

Mrs. Raymond Cooper was called to Swayzee Saturday morning by the death of her father, Mr. Emmet Foltz. At his death, Mr. Foltz was 91 years of age. Besides Mrs. Cooper, he left 3 other daughters, one of whom is married to Mr. Glenn Bradshaw, formerly of Atwood, and now of Marion. Mr. Foltz wife preceded him in death two years ago. Mr. and Mrs. Raymond Cooper and Mr. and Mrs. David Cooper and family attended the funeral in Swayzee on Monday.

Mr. and Mrs. Chester Manwaring have returned from spending several weeks in Nova Scotia.

Jr. Choir Hears Purdue Glee Club

The Junior High Choir of the Mentone Methodist Church attended the concert of the Purdue Varsity Glee Club which was held October 16 in the Winona Auditorium.

"The American Meistersingers" (German for Master Singers) have completed a long tour this summer which included concerts in England, Italy, and Switzerland. The two hour performance was thrilling to those who attended.

Attending from the Methodist Church were Carolyn and Susie Boggs, Carmen Anglin, Kathy Yazel, Debbie Cooper, Jerri Pritchard, Honey Hudson, Maria Hubbart, Nancy Smelser, Markee, Surface, Robert Adams, Mrs. Gene Norton and daughter Susie, Mrs. Jerry Hudson and Mrs. Glenn Campton.

The choir hopes to attend the Christmas convocation held in the Music Hall at Purdue next month. The program will be presented by the Purdue Glee Club and the Purduettes.

Mr. and Mrs. Howard Clipp and daughter, and her girl friend were Sunday afternoon callers of Mr. and Mrs. Howard Horn.

C of C Holds General Meeting

A general dinner meeting of the Mentone Chamber of Commerce was held Tuesday evening in Lozier's Restaurant.

After the delicious meal, the meeting was called to order by the president, Darrell King. Two guests, Robert Forbes, superintendent of the Tippecanoe Valley School Corporation, and Jack Sellers of the Times-Union, were introduced. Mr. Sellers attended in place of Ernie Cravens who was unable to attend because of his recent illness.

After reading the minutes of the previous meeting and the treasurer's report, the president thanked the Chamber of Commerce for its support of the chicken barbeque held last July 31. A motion was made and carried to donate \$200 to the park board from profits from the drawing and barbeque. Two new businesses were reported by treasurer Bob Hill as being interested in joining.

President King appointed a nominating committee to nominate officers and directors for the 1966 year. He introduced Gale Creighton of the Tippecanoe Valley School board who spoke on the subject of building additional classroom facilities for the school corporation.

Trick Or Treaters Are Warned

A warning has been issued by Marshall Gene Norton that anyone caught trick or treating or vandalizing will be prosecuted. Friday and Saturday nights, October 29 and 30, have been set aside for trick or treating and residents are urged to remember these two dates.

A few acts of vandalism have been reported and the stolen items returned to their owners.

F. H. A. Officers Attend Meeting

Saturday, October 16, 1965, the Mentone F.H.A. Chapter attended the Fall Northwest District meeting. The meeting was held at the Southwestern High School, Lafayette, Indiana.

Those attending were Donna Ring, president; Cynthia Baker, vice president and voting delegate; Cheryl Jones, secretary; Karen Montel, treasurer; Boni Nellans, parliamentarian; Connie Mosier, reporter; Sonja Baker, historian; Darla Nelson, song leader; Melody Ballenger, projects chairman; Mrs. Opal Carpenter, chapter advisor.

Mentone accompanied Pierce-ton and North Webster to Lafayette. The trip was enjoyable and was very informative for the officers attending.

Mrs. Sullivan Hosts Club

Fifteen members of the Mentone Home Demonstration Club met recently at the home of Mrs. Grace Sullivan with Mrs. Helen Weirick serving as co-hostess.

The meeting opened with the pledge to the flag and the singing of "America, The Beautiful" and by repeating the club creed. Mrs. Weirick gave the meditation based on Home. The song of the month, "Greenleaves", was read by Mrs. Blanch Whitmyer. Hunting rules and regulations were discussed by Mrs. Busenbarg for the health and safety remarks.

A lesson on using vegetables in meals and the best way to cook to retain eye and appetite appeal was given by Mrs. Tucker and Mrs. Laird who had prepared some of the dishes which were tasted by the members.

Roll call response was "my favorite vegetable". A report on the council meeting was given by Mrs. Sarber and Achievement Day was announced.

The door prize was won by Mrs. Sarber. Mrs. Hill reported on guest night and read thank you notes from the visiting clubs.

Mrs. Laird conducted the auction and the hostess and assistant served delicious refreshments.

25th Anniversary Is Observed

Mrs. and Mrs. Harold Partridge entertained Sunday in honor of the 25th wedding anniversary of Mr. and Mrs. Deverl Jefferies. A turkey dinner was served from a table centered with a three-tiered wedding cake topped with a silver arch from which was suspended the number "25".

Guests were Mrs. Ruth Kalmbacher of Kokomo, Raymond Kalmbacher of Mishawaka, Mr. and Mrs. James Dinwoodie and daughter of Valparaiso, Mr. and Mrs. Roy Hawk of Argos, Mr. and Mrs. Cecil Nickell and sons of E. St. Lansing, Mich. Mr. and Mrs. Paul Partridge, Mr. and Mrs. Phillip Thompson and sons of Rochester, Ed Jay and Debbie Kay Stanton of Athens, Mr. and Mrs. Kent Jefferies, Janelle Jefferies, and the honored guests, all of Mentone.

Local Students Visit Purdue

Several interested Mentone High School juniors and seniors accompanied by Mr. Gaylord Toll, principal, and Mr. George Welch, counselor, attended the annual Purdue High School Day on Saturday, October 16.

During the day, the students and teachers had an opportunity to learn more about the educational program at Purdue and visit various educational facilities. The program is designed to supplement the counseling activities in our school and to aid students in gathering information which will enable them to more effectively, efficiently, and realistically select their educational objective, and an institution for their further training.

Rev. and Mrs. Glenn Campton spent Friday and Saturday in Ohio with their son and daughter-in-law, Mr. and Mrs. Richard Campton.

DID YOU KNOW?

A family get-together was held Sunday at the home of Mr. and Mrs. Everett Besson. Those present were Mr. and Mrs. Jim Bentschler and family of near Lozansport, Mr. and Mrs. Roger Fields and family of Kewanna, Mrs. Nellie Riemenschneider of Fulton, Mrs. Agnes Rans and Mr. and Mrs. Lloyd Bowerman Jr. of Mentone. Also present were Mr. Raymond Lewis and Steve of Mentone. Mrs. Lewis and Sherry were unable to be present, but they reported that Sherry, who was released from the Murphy Medical Center Saturday, is gaining strength and recovering nicely from her illness.

Mr. and Mrs. Charles Manwaring spent the week-end at Park Ridge, Illinois, with Mr. and Mrs. James Mentzer, Mr. and Mrs. Boyd Herrin, and Mr. and Mrs. Jennings "Nick" Carter, of Evansville, Indiana.

Dr. and Mrs. F. B. Davison attended a performance by Fort Wayne Philharmonic Orchestra Friday evening presented for members and families of the Scottish Rite in the Scottish Rite Auditorium in Fort Wayne. The guest soloist for the evening was Mr. Tony Lavelli, an accordionist. Mr. Lavelli is a former professional basketball player who gave up a career with the Boston Celtics to devote his life to music.

Local couples who attended the annual Theater Party given for Shriners and their families Saturday evening in the Scottish Rite Auditorium in Fort Wayne were Dr. and Mrs. F. B. Davison, Mr. and Mrs. Everett Long and Sue Ellen, Mr. and Mrs. Frank Smith, Mr. and Mrs. Loren Trille, Mr. and Mrs. Eugene Marshall, and Dr. and Mrs. Orville McFadden.

Mr. and Mrs. Robert Holbrook and daughter of Warsaw called Saturday evening on Mrs. Chloe Griffith. Sunday afternoon guests of Mrs. Griffith were: Mr. and Mrs. Phillip Dentzer of Fort Wayne, Mrs. Sam Holbrook of Warsaw, Mr. J. C. Yantiss of Tippecanoe and Mr. and Mrs. Lloyd Stough of Columbia City. Mr. and Mrs. Gilbert Griffith called in the evening.

Mr. and Mrs. Harold Markley and their son, Lee, enjoyed Sunday dinner at the Steer Inn in honor of the 29th anniversary of the Harold Markley's.

Talma School News

The Talma Junior High Student Council consists of the following students: Eighth grade: Carolyn Boggs, Ricky Stavedahl, Tom Toll, and Doris Truex. Seventh grade, Cindy Kralis, Brett Miner, and Eileen Peters. Sixth grade, Deanne Decker, Colleen Gible, and Vicki Horn. Last week the student council members met and elected the following officers: President, Carolyn Boggs; Vice-President, Cindy Kralis; and Secretary-Treasurer, Doris Truex. Mr. Norman Metzger is the student council sponsor this year.

Scouts Plan Family Night

Family night will be held for all scout parents Monday night, October 25, at 7 p.m. Parents are urged to attend the meeting as plans will be made for a forthcoming trip to Brown County for the Ten O'Clock Line hike. The hike is planned for November 6 and 7 and will be a family outing.

During the past week-end the scouts and their leaders enjoyed the beautiful weather and colorful trees on their canoe trip down the Tippecanoe River. The trip, consisting of 38 miles, started at Leiters Ford and ended at the Tippecanoe River State Park. Fourteen boys and four adults, Art Wise, Ed Napier, Hank Lowman, all of Burket, and Walter Kelly, Scoutmaster, participated in the outing.

The committee has expressed their appreciation for the visits by the Guy Bakers, Mrs. Art Wise, Mrs. Hank Lowman, the Earl Lowmans, Bill Hoovers, Mrs. Ed Napier, Mrs. Reba Tucker and their families on Saturday evening and Sunday. They report they are looking forward to many more enjoyable outings such as this one.

ATTEND ANNUAL STATE POULTRY MEETING

Richard Monwaring of Manwaring Leghorn Farms, Inc. Mentone; Earl Stouder, Field Stouder, Field Sales Manager; Sales Manager; Forrest Long, Northern Indiana Sales; and Alton Harker, Southern Indiana Sales, attended the Annual Indiana State Poultry Association meeting at the Hotel Severin, in Indianapolis this week.

Sheep-killing Dogs in Vicinity

Over 50 sheep have been killed and others injured by dogs in

the past six weeks in the area south and southwest of Mentone. Dogs have been heard and seen but have been too swift in getting away to identify or eliminate. It has been impossible to trap them as many farms have been affected several nights in succession followed by a lull of nearly a week. At least one large and one smaller dog are known to be involved. It is suggested that it might help if each family would secure their own dogs at night as it is not definitely known whether these dogs are wild or not.

Students Observe Manchester Debate

Mentone High School's students interested in debate attended Manchester College's Invitational Debate Tournament Saturday.

Students attending were Susie Cole, Karen Hanes, Mike Kern, Becky McDaniels, Ken Romine, Ted Shoemaker, Jerry Zolman with advisors Mrs. Noel Hole and Mrs. Paul Rush.

You'll wear a happy face when you let our trained mechanics put your car in tip-top shape for the winter months ahead.

Parson Jones Speaks

Dear Mr. Publisher:

I read in your paper about some woman that has the power to tell the future. I'll bet her whole insides is one big ulcer. The past is so bad it gives me gastritis, and the present plagues me with spasms of the gall bladder. I'd just as soon forget about the future.

We got a fella in my congregation that has much greater powers. He claims he's got the answer to all our problems. He's kinda like penicillin - he claims he can cure anything.

You take wars for example. He says we can get rid of war by making everybody nudist. Without uniforms nobody would know who the enemy was.

I asked what he would do about things like the riots in Los Angeles and the war in Viet Nam. He claimed that one was the answer for the other. He said them folks in California who like to shoot guns and burn things shouldn't be allowed to waste their talents. It seems like we don't need all that hell raising in this country, but we could shore up their efforts in Viet Nam. Why not give 'em all guns and a box a matches and send 'em over where they'd be appreciated. I declare if it don't make sense.

"What would you do about the race situation?" I asked him. He claimed that oughten to be much trouble. He said that as smart as our scientist was they oughta be able to come up with a drug that would make us all the same color. It wouldn't make no difference what shade it was as long as every body was the same. I reckon it wouldn't be long though til everybody would be trying to be a different color. Course they could put up human colors like Easter egg dye, where folks could be green, red or pink anytime they wanted to change styles.

Mr. Publisher, this fella really has a good solution to the population explosion. He says we oughta have the Supreme Court to declare baby sitting unconstitutional. That way parents would have to look after their own children and he swears this would put the brakes on Mr. Stork. This shouldn't be too difficult for the supreme court to do cause they seem to be the big boys that can do no wrong.

Well, I gotta run along now Mr. Publisher, on account of I promised this smart fella I would take him to a meeting. He's a alcoholic and attends AA

meetings once a week. I reckon it just goes to prove that folks can solve everybody's problems but their own. I shore am glad I ain't got but one problem - myself.

You'll come.

Kabo To Increase Production At Talma

An announcement was made by Mrs. Mildred Kramer, manager of the Kabo, Inc. plant at Talma, this week that the plant will add the manufacture of maternity girdles for Sears Roebuck and Co. to its line of products. She expects employment to rise from 7 at present to 40 or 50 by next spring.

SOCIAL SECURITY INFORMATION

Not only are the local high schools and colleges swamped with various courses, but so is the local social security office. This has been going on for more than a month and there does not appear to be any let up. The District Manager of the South Bend social security Office, Charles E. Eurke made the statement today that this was all brought about by recent amendments to the social security law.

Under the change, if a child was receiving monthly payments from the account of either of his parents and the benefits were stopped when he reached age 18, he may be able to start getting benefits again. The only requirement is that he be under age 22, a full-time student and unmarried. Even those receiving child's benefits and under age 18, will continue to receive a monthly check of they are a full-time student.

Any student who feels that he may qualify should lose no time in contacting the nearest social security office. The folks there will tell you all about it, complete the appropriate application and start your payments almost immediately.

These monthly checks will go

a long way towards helping to finance the education of a student. Besides all this, the student is free to work and earn \$1200 on the side during 1965 and \$1500 each year beginning 1966.

The South Bend social security office is located at 335 N. Lafayette Blvd. and the telephone number is 223-7147.

A Column of News By And For All Girl Scouts Of The Mentone Community

Junior Troop 25 met Thursday after school in the Methodist Church basement. Main items of business were selecting patrols, patrol leaders, scribe and treasurer. The twenty-five girls divided into four patrols as follows: Patrol I - Kathy Bush, PL, Karen McFadden, Asst., Sheryl McGowen, Kris Bush, Debbie Coplen, Jessica Gross and Debby Owens. Patrol II - Lisa Harman, PL, Barbara Rush, Asst., Candy Smythe, Betty Ettinger, Teresa Smith, and Cheryl Clam-pitt. Patrol III - Vicki Horn, PL, Lu Ann Miller, Asst., Lynn Metheny, Linda Mason, Terri McGowen and Barbara Johnson. Patrol IV - Kathy Greer, PL, Debra Kelley, Asst., Sharon Crawl, Lynn Knoop, Cindy Allen and Marcella Allen. Troop scribe is Kris Bush and troop treasurer, Barbara Rush.

The troop has a traveling snack container that is brought

filled to each meeting by a different scout.

Many of Troop 25 have been working on the Cyclist Badge. One last requirement is to participate in a troop or community safety project. The girls have made arrangements with Marshal Gene Norton to have a bicycle safety check. At this time, reflector tapes will be available to the troop.

On October 28, Troop 25 will have a Halloween Party during their regular meeting. Patrol I is in charge of games, Patrol II, refreshments, Patrol III, decorations and Patrol IV, clean-up. Kathy Bush volunteered to make a troop Kapner Chart which should be ready by the next meeting.

Due to Teacher's Institute, the Junior Troop will not meet this week.

Eighteen Brownies and three guests of troops 142 and 108

proved themselves to be excellent cooks Tuesday afternoon when they made their own refreshments. They mixed and baked pumpkin bread, which they ate later in the meeting.

Brenda Coplen, Tammy Grimm and Marla Leffert earned stars from Friendmaker when they brought as their guests Stacy Stavedahl, Rhonda Brown and Cathy Tucker, respectively.

Sandra Good and Mrs. Allen shared the birthday honors. A new game called Sardines was learned, and the girls completed their pans for a weiner roast.

October is the month when all girls of the Mentone area are required to register. The dollar that each girl brings is for National Dues. These dues pay for Girl Scout publications, helps support, camps, training for adults, and many other phases of the Girl Scout program.

Cadette Troop 30 is busy planning for a Bazaar of homemade articles to be held in November. The girls are making many of the items, but they would also welcome any contributions.

CELEBRATES 84TH BIRTHDAY

The family of Peter A. Hatfield of the Paradise View Rest Home in Warsaw met to help him celebrate his 84th birthday Thursday, October 14. Mr. Hatfield is the father of Albert Hatfield, of Mentone. The group was first entertained at dinner by Mrs. Al Hatfield in her home. Following dinner they went to the Rest Home where they gave a party for Mr. Hatfield. After he opened his many gifts, refreshments of ice cream and cake were served. Those present were Mrs. Muri Crist, Mrs. Oscar Cornell and son, Bart, and Mrs. Jim Carpenter, all of Star City, Mrs. Jerry Crist, Katrina and Barry of Logansport, Mrs. Richard Kindig and Mrs. Al Hatfield of Mentone.

Lewis Child Dies Beneath Truck

Gregory Allen Lewis, 3½ year old son of Mr. and Mrs. James Lewis of Rochester, ran to meet his dad as he drove into a driveway Wednesday and grabbed a railing on the side of the truck. The rear dual wheels caught the boy and ran over him. He died a short time later at Plymouth Parkview Hospital where he was rushed by his father. His grandmother, Mrs. Robert Lewis, gave mouth-to-mouth resuscitation on the way.

Surviving the little boy are his parents, a brother, Rodney James, 5; grandparents Mr. and Mrs. Paul Walters of Rochester and Mr. and Mrs. Robert Lewis, R. R. 5, Rochester, the great-grandparents, Mr. and Mrs. Byron Lewis, Crystal Beach, Fla. and an uncle and aunt, Mr. and Mrs. Wm. Lewis, R. R. 5, Rochester.

Funeral services were held Saturday in the First Brethren Church of Tiosa with Rev. Gene Eckerly officiating. Burial was in the Rochester Cemetery.

Club Has Masked Party

The Merry Molly Home Ec club met recently at the home of Mrs. Gene Sarber. Members came masked and enjoyed an evening of fun with several winning prizes and with each having her fortune told. As someone remarked, "We sure have a lot to look forward to".

The lesson "Using Vegetables in Meals" was given by Mrs. Albert Hiers and Mrs. Robt. Hibschman. They showed the proper and improper way to cook vegetables and told how cooking changes the color appearance.

Following a short business meeting Mrs. Carl Whetstone read two articles entitled "Snat Farming" and "Gramma Didn't Know Watts Watt" for meditation.

It was decided to have the anniversary supper on the regular club night in November with members meeting at the drug store at 6 p.m.

Secret pal gifts were received by Mrs. Dale McGowen, Mrs. Paul Haist, Mrs. Marion Smith and Mrs. Loren Gross. Mrs. Paul Haist won the door prize.

Mrs. Howard Allen was welcomed into the club as a new member.

Delicious refreshments were served by the hostess, assisted by Mrs. Dean Meyer, to seventeen members and three guests, Mrs. Allen Cain, Mrs. Earl Stouder, and Mrs. Daniel Murcia.

HIGHWAY KILLING

Safety

SCHOOL

Even though we teach our children the ways of SAFETY, they sometimes forget! They dart into the street to retrieve a ball or ride their bicycle without a thought of cars. When there's the slightest doubt about a child's intention to

cross a street or run into it...Hesitate or STOP. Practice EXTREME caution near SCHOOLS and residential streets. WE LOVE OUR CHILDREN...LET THEM LIVE.

Watch For Our Children When You Drive

☐ Adopt caution as your constant companion; There is no such thing as being too careful when you drive. Always exercise extreme care - - don't be too sure the child on the sidewalk will not suddenly dart across the street. You may be obeying the laws, but someone else may be careless.

☐ Don't speed: One of the major causes of accidents today is speeding in excess of existing laws and road conditions. Speed limits, like all other laws of traffic, are to protect you! Be prepared when danger appears - - take it easy!

☐ Be sure you are alert and your emotions under control: Driving safely requires your full attention. If you're emotionally upset, ask someone to take the wheel for you. That's the only safe thing to do.

☐ Every time you approach a street corner or slide behind the wheel of a motor vehicle, you become responsible for the safety of life. Accept your responsibility. Learn the traffic laws and principles of safety - - then follow them.

INGS MUST STOP!

For Our

CHILDREN

YOU MUST ACCEPT THE RESPONSIBILITY FOR THEIR SAFETY

☐ Practice courtesy at all times: Many of our traffic laws could be considered simply as common courtesy... yield the right of way, give adequate hand signals, watch for pedestrians and many others. Drive with courtesy and you'll automatically be a better driver.

☐ Be certain your car is mechanically safe: Your driving skill and attitudes are helpful... but not enough if your brakes fail, your tail lights don't work or your car stalls in heavy traffic. Have your car safety-checked now!

☐ Understand and obey traffic laws: Although the laws governing drivers are essentially the same everywhere, there are variations that cover existing conditions in each area. Whether you're a resident or a visitor, it's important to know and adhere to the local laws - for safety's sake.

☐ Be alert and courteous at all times whether you're a driver or a pedestrian. Safety organizations can inform and guide us; traffic officers can correct and direct us - but only when each and every one of us makes traffic safety our business will the terrible slaughter on our streets and highways cease to exist.

By Mary Whitman

There are about 125,000 forest fires a year.

Every tree saved and every tree planted adds greatly to our national wealth, the Department of Agriculture points out. By the year 2,000 more than \$90 million Americans will be relying on our national wood supplies.

A child will tell you that a tree is for climbing, for shade, for building a treehouse, for picking fruits and nuts and for playing hide and seek.

Trees also provide us with paper and building supplies, cloth, certain medicines, library paste, sealing wax, synthetic rubber and food.

One of a youngster's great thrills is planting a tree of his own. Some families make it a habit to plant a tree at a child's birth, or an important birthday. Some buy a Christmas tree balled and burlapped and plant it after the holidays.

A fine juvenile book is sure to secure a child's interest in our diverse legacy of redwoods, blue spruces, white birches, oaks, maples and other gracious and majestic trees.

Katherine Carter, who wrote "Trees and How They Grow" for Whitman Publishing Company of Racine, Wis., has filled her book with the kind of lore that all grammar-schoolers enjoy. Did you know that one giant sequoia in California is 3,800 years old? That a ton of wood can be changed to 180 gallons of molasses? Children will also learn from a book of this type how to tell a tree's age, why scientists are trying to solve the chlorophyll mystery, and what makes leaves turn scarlet and gold.

Scout groups, 4-H clubs and school classes often want to form hiking and conservation groups with an adult leader. Juvenile books on nature, trees and plants are handy guides for activity.

Given a book, a spade and adult help, a youngster can learn to plant and prune and provide greenery for generations to come.

RETURN TO FLORIDA

Mrs. Kenneth Cooper of Keystone Heights, Fla. and her grandson, Russell Cooper of O'Calla, Fla., the son of Mr. and Mrs. Jerry Cooper, returned home Wednesday after spending 10 days in the area. On Sunday they were among guests of the John Coplens at Plymouth. Mrs. Flossie Coplen, Mrs. Cooper, and Russell spent Monday in So. Bend visiting in the home of Jasper Baer, F. H. Post and Dick Worsham. In the evening they visited the John Coplens and were supper guests at the Sam Coplen home. A breakfast was given in honor of Mrs. Cooper and Russell on Tuesday morning by Mrs. Sam Coplen for a group of friends. Guests were Mrs. Condia McIntyre, Mrs. Wren Crane, Mrs. Kenneth Garland, Mrs. Keith Sill, Mrs. William Walters, Mrs. Postie Sill, Mrs. Flossie Coplen, Mrs. Sarah Blackford, Jayne Coplen, Roger Sill, Teddy and Cindy Carpenter. Mrs. Condia McIntyre, Tuesday afternoon guests were Mr. and Mrs. Chester Coplen of Mentone.

Tippe 4-H'ers Are Honored

The Tippecanoe 4-H achievement and enrollment night was held at the school house Wednesday evening. A pot luck and ham supper was served with the Farm Bureau furnishing the ham.

Zale Frey, marshall county agent, presented pins to those who completed their projects. Wm. Heck of the Tippecanoe Lions Club presented trophies to Carol Reichard, Milton and Roger Smiley and Peggy Heck for 15 project years, to John Smith for 1st in wildlife, Janet Moriarty for 1st in tube painting, Peggy Heck for 1st in foods, Debra Grimm for grand champion. A dress review pin was presented to Carl Reichard.

Mr. Frey and a group of 4-H'ers presented a skit telling about the new projects for 1966. Enrollment cards were distributed. Some cards are still available.

Committee members named for next year are Billy Grimm, Mr. and Mrs. Gene Elliott, Mrs. Mr. and Mrs. LeRoy Heckaman, Mr. and Mrs. Duane Walters, Mrs. Gene Elliott, Mrs. Jack Smith, Milo Reichard, Mrs. Ralph Fretz and Mrs. William Heck.

Today's MEDITATION

from
The World's Most Widely Used
Devotional Guide

The Upper Room

THE UPPER ROOM, NASHVILLE, TENNESSEE

Read Acts 16:6-11

Not with eyeservice, as men-pleasers; but as the servants of Christ, doing the will of God from the heart. (Ephesians 6:6)

Several years ago some friends of mine prepared to go to the foreign mission field. Their application has been accepted, the date set for their departure, and preparations almost completed.

Then came the disappointment. For reasons never fully explained, they were told they could not go.

I would have been tempted to accept the rejection grudgingly. But they accepted it in faith, and began seeking God's will for their lives. They found wide-open doors for service among the needy near at hand. In the isolated country schoolhouses, still existing on the Alberta prairies, they ministered the Word of God. Many of the children as well as their parents had never attended a Sunday school. Here my friends have served the Lord wholeheartedly.

In all circumstances, Jesus' faith in God should be an example to us. With His whole heart, He was obedient to the Father's will.

PRAYER: Heavenly Father help us to accept and gladly obey Thy will for our lives. May we humbly serve Thee wherever the Holy Spirit leads. Keep us consecrated and submissive, desiring only to walk to Thy ways. For Jesus' sake. Amen.

THOUGHT FOR THE DAY:
God's blessing is always upon those who accept His will wholeheartedly.

Baptist Church News

Special music by the Men's Quartet, Everett Rathfon, Leroy Cox, Brad Moore and Jim Unsicker, was provided at the Hillcrest Baptist Church in Logansport Friday evening. Rev. Howard Addleman led the singing. The church is holding Revival Services until the 24th, with Evangelist Joe Day bringing the messages.

Sunday evening after church the young people and sponsor, Mr. and Mrs. Brad Moore met at the home of Vickie Bowser for discussion, singing, and refreshments.

Coming:

Friday, October 22, 7:30, at First Baptist Church in Bremen, the monthly Church Fellowship Meeting for the Crystal Lake Area Baptist churches. Evangelist Russ Ferril will be the guest speaker.

Monday, October 25, 7:30, Be-Abouts Missionary Meeting at the home of Mrs. Lee Norris. Miss Gladys Baines, Extension Director, of the Women's Department of Baptist Mid-Missions, will be the guest speaker.

Thursday and Friday, October 28, 29, 7:30 P.M. Special services with GARBC Eastern Representative Rev. Alfred Colwell speaking.

Susie Shirey

Heads Jr. Hi Choir

The Junior High Choir of the Methodist church recently elected officers with Susie Shirey being named president. Other officers elected were vice president, Denise McFadden; secretary, Carolyn Boggs; treasurer, Kathy Yazel, and Librarian, Carmen Anglin.

This choir plans to sing for the church services the fourth Sunday of each month. Anyone in the 7th or 8th grade who would like to sing in this choir is welcome to join.

Tippe Mission Group Meets

The Women's Missionary Society of the Tippecanoe Congregational Christian Church met Wednesday at the church. The meeting was opened with the hymn, "Tell Me The Story of Jesus". Scripture was read by Mrs. Don Baker from Luke 8:1-14 and was followed by the hymn "More Love To Thee". Following a prayer by the president, Mrs. Glen Morrison, a lesson entitled, "The Road Along Lake Galilee" was read by Mrs. Wren Crane. Roll call response was a "favorite pastime". Birth-day offerings were given by Mrs. Crane and Mrs. Elden De-lop. The group is helping pay for the church redecoration. Mrs. Morrison gave the closing prayer. Refreshments were served by Mrs. Donald Trump, Mrs. Morrison and Miss Dorothy Rans-lead.

Lewis Ratliff Rites Held

Funeral services were conducted Sunday of Lewis Ratliff, 79, Akron, who died Thursday morning after an illness of four years. He had been a patient at the Rochester nursing home for the past two years.

The son of Jasper and Lucendia Coburn Ratliff, he was born Feb. 13, 1886 in Frenchburg, Ky. He married Eula Philips, who survives, in Frenchburg Aug. 29, 1905. He moved to Akron 45 years ago and was a member of the Akron Church of God and the Modern Woodmen Lodge. He was a retired farmer.

Surviving with his wife are four daughters, Mrs. Ray (Arma) Eckert, R. R. 5, Warsaw; Mrs. Myron (Ruth) Van Lue, Akron; Mrs. Richard (Mable) Moore, Coldwater, Mich.; and Mrs. Home (Edna) Shoemaker, Hammond; 12 grandchildren; 11 great-grandchildren; a sister, Mrs. Effie Snodgrass, Towanda, Ill.; a brother, Earl, Lakewood, Colo. He was preceded in death by two sons, a daughter, two sisters and two brothers.

Rev. Forest Carlson and Rev. Victor Yeager officiated at the services for Mr. Ratliff at the Sheetz funeral home. Burial was in the Akron cemetery.

TVSC Board Discusses New Programs

Nine new programs which could be initiated under the federal aid to education plan were discussed at Monday night's meeting of the Tippecanoe Valley School board. Included in these programs were Saturday school programs and summer sessions with remedial reading a priority, physical fitness programs, expanding the visual aid program, supplementary instructional materials, teachers aids or clerks for large classes, particular elementary grades with a few possible high school grade classes, administration clerk added to the school staff, language laboratory which has proved successful in other school systems, librarian in the junior high schools, school nurse for the corporation, and the addition of various business machines for the commercial classes.

A lengthy discussion was held on each of the programs as was the need for additional facilities in the school corporation. Some discussion was held about whether this would be the decision of the school board or whether it would be decided by a referendum.

Other items of business included the naming of Mrs. Janice McDugal as second grade teacher in the Mentone school and the appointment of William Ettinger and Mrs. Robert Whetstone to the board of the Mentone Bell Memorial Library.

Superintendent Robert Forbes reported that the TVSC curriculum was above standard in comparison to other area schools and reported a low rate of truancy in the schools. He also pointed out that the dropout percentage is 2.8 in the corporation, lower than state average.

Joe Bahney, Marvin Gagnon and Randall Leininger were visitors at the meeting.

Dates Set For Christmas Mail For Armed Forces Overseas

The period October 21 to Nov. 10, for surface parcels, and by Dec. 10, for air parcels has been designated for the mailing of Christmas parcels for members of our Armed Forces serving outside the continental United States. The following instructions have therefore been issued with the view of assuring delivery of the gift parcels on time and in good condition:

The term "Armed Forces Overseas" includes the personnel of our Armed Forces, members of their families and authorized U.S. Civilians employed overseas who receive their mail through an A.P.O. or N.P.O.

TIME OF MAILING: The importance of mailing Christmas parcels during the designated period cannot be emphasized too strongly - the earlier the better. The public can be reasonably assured that parcels mailed through the regular surface mails prior to November 10 will reach their destination before Christmas. However, no assurance can be given that surface parcels mailed after November 10, or Air Parcels mailed after December 10, will be delivered in time for Christmas.

SIZE AND WEIGHT: The maximum size and weight limits for surface parcel post and air parcel post vary according to APO's and NPO's to which the parcels are sent. Customs declarations are required for parcels addressed to some APO's and NPO's and some articles are prohibited to certain APO's and NPO's. Therefore it is suggested that mailers, before packing parcel post for mailing, make inquiry at the post office as to weight and size limits, customs declaration forms needed, and the list of prohibited articles, that are applicable to certain APO's and NPO's. Matches of all kinds and lighter fluid are prohibited to all APO's and NPO's.

PACKAGING: Boxes for overseas transmission must necessarily be of strong construction on account of the great distance these parcels must be transported and the handling and storage they must undergo. It is absolutely necessary that all articles for overseas delivery be packed in boxes of metal, wood, solid fiberboard, or strong double faced corrugated fiberboard. Boxes should contain sufficient cushioning material so that the contents will be tightly packed to prevent any rattling or loosening of the articles within the parcels. It is also desirable that all fiberboard boxes be securely wrapped in heavy paper and securely tied with strong cord.

ADDRESSING: Addresses must be legible and prepared in type-writing or ink. It is preferable that the outside address be hand-printed on the wrappers of the boxes, rather than on labels pasted to the wrappers, since experience has shown that the labels frequently fall off when subjected to moisture. It is highly desirable that a slip of paper containing the name and address of the sender and addressee, together with a list of the contents be enclosed in each parcel so as to provide id-

entification and proper disposition of the mail in the event the address on the outside becomes defaced.

GREETING CARDS: Patrons sending greeting cards to Armed Forces personnel overseas should deposit such cards prepaid at the first class rate prior to November 10 and at the air mail rate prior to December 10, if they are to have a reasonable expectation of delivery prior to Christmas.

REGISTRY AND INSURANCE: Mailers are encouraged to register valuable letters and insure valuable parcels. It is recommended that patrons use postal money orders to transmit gifts of money to members of the armed forces serving outside the continental United States.

BIRTHDAY HONORED

Mr. and Mrs. Jim Miller entertained Tuesday night in honor of the birthday of their son, Darrel. Guests were Mr. and Mrs. Joe Miller, Mrs. Leonard Boganwright, Mr. and Mrs. Emory Davis and daughters, Mr. and Mrs. Richard Boganwright and family, and Doug Miller. Ice cream and cake were served.

Above is a rough copy of the architect's drawing of the new town hall and fire station which is currently under construction. Three large garage doors will permit access for all the town's house offices for the clerk-treasurer and the police department. Also included in this section will be public restrooms, a drinking fountain, a kitchen, and a dining room. Hugh Rickel, R. R. 5, Warsaw, is the engineer and construction is being done by Secrist and Sons Builders of Mentone. Footing are being placed and filling is being completed this week. A copy of the floor plan can be found on another page of this paper.

'Towne' Hall Shoppe Will Open Monday, Nov. 1

The newest addition to Mentone's business district, the "Towne" Hall Shoppe, will open Monday, November 1. The owner of the shop, Mary Jane Hill, has announced the shop will carry a complete line of jewelry, including diamond rings and watches, and gifts items of all kinds including glassware and colored glass items. The shop will sell quality gift items, striving for the unusual and exquisite and will include such name brands as Oneida stainless steel

silverware, Hellerware chrome plated items, Westmoreland milk glass, Heritage leathersgoods, Vantage wrist watches and many others.

Gift wrapping and individualized service will be important features in the new shop which is located in the west part of the building which houses Bob Hill's barber shop. The building has been renovated and presents a sparkling, bright appearance, complete with shutters and thatched roof.

Lions Plan Hallowe'en Parade, Fish Fry Saturday Night

The Mentone Lions Club has completed plans for the annual Hallowe'en parade and fish fry which will be held Saturday night, October 30. The fish fry will begin at 5 p.m. in the high school gym and will be followed at 7:30 p.m. by a downtown parade and masquerade contest.

A trophy will be presented to the prize winner and \$34 in cash awards will be presented. A boy's or girl's bicycle will also be awarded at this time. A complete list of the categories and prizes can be found in the Lions' advertisement elsewhere in this

paper.

All contestants are to assemble in the street by the King-Reed funeral home at 7:30 or in the ag room of the high school in case of rain.

F.H.A. Organization

F.H.A. Mentone Chapter held an organization meeting Monday, October 18, 1965 in the school cafeteria. Most of the members were present. Mrs. Ring, Chapter Mother, and Mrs. Carpenter, Chapter Advisor, attended. Each office gave a talk on what they did at the Fall Northwest District meeting which they attended Saturday, October 16, 1965. Future project ideas were discussed. Members that have an idea may talk with Mrs. Carpenter or Melody Ballenger who is Projects Chairman. The Recreation Leader, Darla Nelson, lead the girls in several songs. Refreshments were served. The next meeting will be held on November 15, 1965.

Cub Scout Meeting Planned

The Mentone Cub Scouts will meet Tuesday, November 2, at 7:30 p.m. in the Methodist Church. All parents and Cubs are urged to attend.

Wednesday, November 3
Mothers of World War II will meet at the home of Ethel Whetstone at 1:30 p.m.

Rev. Alfred Colwell To Conduct Services

Rev. Alfred F. Colwell, Eastern Representative of the General Association of Regular Baptist Churches, will be conducting a series of meeting at the First Baptist here in Mentone this week. Rev. Colwell will speak at the 7:30 p.m. hour on Thursday, Friday and Sunday. He will also bring the message at a special service which will be held Sunday at 3:00 p.m. to formally dedicate the new church furnishing. Former pastors Rev. Milton Dowden and Rev. Irwin Olson are also scheduled to participate in the dedication service.

Rev. Dowden, the pastor of the First Baptist Church in Reinback, Iowa, will bring the Sunday morning message at 10:30 a.m. The church pastor, Howard L. Addleman, states that the public is welcome at all services.

DID YOU KNOW?

Mr. and Mrs. Sigmund Boezeman, Diana, Richard and Darrel of DeMotte, Ill. spent Sunday with her parents, Mr. and Mrs. Wm. Unzicker.

Mr. and Mrs. Charles Hunter, son Mark, and Gary Welborn left Friday evening for Knoxville, Iowa to spend the week-end with Mrs. Hunter's father, Mr. Cloise Baum. They returned Sunday evening.

Basketball Preview Is Planned

Glen Petty, coach of the Mentone Bulldogs, has announced that an open house basketball preview will be held Friday, October 29, at the Talma gym. Players will be introduced and there will be a varsity scrimmage. Play will begin at 7 p.m.

He reminds local fans that season tickets are still available with the first home game coming up November 12 when Mentone will meet Wakarusa.

Double The Fun

Watch for little spooks, witches, spacemen and cowboys Friday night from 6:30 to 8:30 p.m. They will be UNICEF trick or treaters who are doubling the fun by treating our own youngsters and needy children all over the world. Contributions to UNICEF provides children with milk, vitamins, vaccine and food. A 1¢ contribution can mean 5 glasses of milk, 5¢ can buy vaccine to protect 5 children from TB and 10¢ can buy 50 vitamin tablets.

Two and one half million American youngsters will participate in this year's drive in all 50 states.

UNICEF had the great distinction this year of being named the 1966 winner of the Nobel Peace Prize.

Bankers Meet

The Keokuk County Bankers Association recently met at Herr's Sunnymede Restaurant in Warsaw. Following the dinner, Forrest Miner, President of the Bankers Association introduced Karl Heimke, Vice President of the Chicago Merchantile Exchange. Mr. Heimke spoke on the subject of Cattle Futures and the uses of Cattle Futures in the cattle feeding industry. Material is on hand at most bank in the county, outlining Cattle Futures and the advantages of using them in the feeding operations.

Dividend Declared

Mitchell, NIPSCO chairman and president, announced today. The dividend is payable December 20, 1965, to shareholders of record at the close of business November 30, 1965.

The board also declared a dividend of 44 cents a share on the 4.40% cumulative preference stock of the company, payable December 30, 1965, to shareholders of record at the close of business November 30, 1965.

Grand Ole Opry To Be In Fulton

The Grand Ole Opry will be held in Fulton this Saturday night, October 30. Two shows beginning at 7 and 9:30 p.m.

Included in the cast will be the Pete Drake band along with Johnny Sea and Marion Worth.

The show is sponsored by the Fulton Civic Club and will be presented in the Fulton High School gym.

Appreciation Day Oct. 31

October 31 may be only Halloween to some but in Scouting circles it is cause for a double celebration. It's the birthday of Girl Scout movement in this Juliette Low, founder of the Girl Scout movement in this country.

"I've got something for the girls of Savannah and all America, and all the world, and

we're going to start it tonight!" exclaimed Juliette in 1912, and the Girl Scout movement was launched. Daisy, as she has come to be known, had learned about the Scouting movement in England and was a Girl Guide leader there. When she returned home she brought with her the dream of Girl Scouting for the U.S.A.

Today Daisy Low's home in Savannah, Georgia, is considered the birthplace of U.S. Girl Scouting and the organization maintains the house as an historic landmark. The building is a fine example of English Regency architecture dating back to Colonial days. It was bought by Juliette Low's grandfather in 1831. The house and garden have been restored and the old stable and carriage house today serve as a Troop House and administrative offices.

In honor of Juliette Low's birthday this year, thousands of Girl Scouts throughout the country will celebrate Appreciation Day. They will take this occasion to thank all the people and organizations throughout the country who help make Scouting possible today - those who contribute time, effort and funds to provide a continuing program of activities. And Juliette Low, who was a forceful recruiter of volunteers in the Girl Scout effort, would be the first to applaud this designation of her birthday.

Mentone Student Council Honored

Members of the Mentone Student Council are planning a trip to Indianapolis on October 30 to participate in the annual state-wide Conference for Student Councils.

This year the Mentone Council has been honored by being invited to lead one of the discussion groups within the conference. Mike Orcutt, Council president, has been selected to be the group discussion leader. Barbara Decker, Council secretary, has been selected to be the recorder. The topic will be "How Can The Student Council Appeal to Every Student?"

These council members who are planning to attend are: Mike Orcutt, Barbara Decker, Dennis Feldman, Kathy Boggs, Garry Weidner, Jerry Zolman, Diane Flenar, Dan Romine, Steve Tucker, Cheryl Jones, Rex Bowser,

Janice Hoffer, Max Hubart, Sal Murcia, Sue Castellanos, and Dennis Meyer.

Mr. Cecil Mason, Student Council advisor, will attend with the group.

Room 546 of Memorial Hospital in So. Bend may never be the same again, but we are happy to report that this little patient, son Todd, age 7, is on the road to recovery. His third week of hospitalization ended Monday and Dr. Denham told him on that day that he would stay there 10 days or two weeks longer. The count-down is in full swing.

Mr. and Mrs. Leo Valentine and Carl Lozier inspect a pork chop at a barbeque for buyers of 4-H club livestock. The Valentine Elevator has been a substantial supporter of 4-H club livestock.

DAR Hears Fred Homfeld

On October 12 the Anthony Nigo Chapter, DAR held a short business meeting in the Mentone School with 17 members present.

The Ritual Opening was conducted by the Regent. Minutes of the previous meeting were read and approved followed by the Treasurers report of the Fish Fry. The regent thanked all committees that helped make it a success.

Mrs. Max Smith donated in memory of her mother, money to bind a book in the Genealogical Record Library in Washington. Also the chapter voted to donate a book entitled, "In Washington" to the High School Library, also one in the Mentone Library. This book tells the full DAR story and is available for interested persons to obtain.

The meeting was then adjourned to the High School Gym where the public joined the regent, Mrs. Wayne Smalley in the pledge to the Flag and the National Anthem. The invocation was given by Rev. Glenn Camp-ton of the Mentone Methodist Church.

Mrs. Pearl Lackey, the chapter National Defense Chairman, introduced the speaker for the evening Mrs. Fred Homfeld from Hebron, Indiana who told about his experiences behind the Iron Curtain. He was gone 3 weeks and 1 day and estimates he talked to over 134,000 people.

The older people especially were hungry for news about American and enjoyed Mr. Homfeld's personal snap shots that they offer bagged to have one as a keepsake.

The farms visited were collective government land of 30,000 to 40,000 acres. Many families lived off this land of which they received 10% and the government 90%. Women do 85% of the work for most of the men are in the military service except those either too young or too old.

Mr. Homfeld feels that the people are satisfied under communist government. This government gives them an education where under the Lenin rule only 2% ever received any at all. Now there is 92% of the people that receive an education even though all they may do the rest of their lives is manual

labor. This education continues to the ages of 11 or 12 and then through tests they are either further educated or else put out into the world to make their living.

The next meeting will be held November 9 at the home of Mrs. Eldred Paulus, Rochester. The program will be on Americanism, with Rev. Florent D. Toirac of Winona Lake as the speaker. An additional reminder for the members is to bring their Christmas gifts for the DAR Schools.

Final Plans For Rainbow Hayride Made

Christine Wise presided at the stated meeting of Akron Rainbow Assembly with 33 members and 4 adults present. Those who pre-tended were Judy Teeter, Jennifer Hackworth, Loreetta Siders and Dursilla Morgan.

Loreetta Siders, chairman of the Hayride committee, asked the girls to be at the Masonic Hall at 7:30 P.M. Saturday, October 30 to pay for the insurance for themselves and their invited guests. Mr. Leonard Beigh and the Advisory Board will accompany the hayride til 9 p.m. when they will return to the Masonic Hall dining room for dancing and games and refreshments.

Those who will decorate the dining room Thursday, October 28th, after school are Loreetta Siders, Carletta Deeds, Marna Stephen, Marilyn Smith, Diana Stafford, Martha Whittenberger, Melissa Gast, Marlon Kendall, Angela Riley and Joyce Mabey.

Following the ritualistic closing and the march out, Cokes were served in the dining room. Adria Morgan, Reporter.

Young Farmer Search Begun

The search for the 1965-66 Outstanding Young Farmer has begun according to an announcement made this week by John Baxter, president of the Decatur Jaycees. The Decatur Jaycees are co-ordinating the state-wide event for the second year. The program will again be co-sponsored by Central Soya of Ft. Wayne.

This is the 10th year the Jaycees have conducted a program to honor young farmers between the ages of 21 and 35 who have made the most progress in crop and livestock production, net worth, soil and water conservation, and have contributed unselfishly to the betterment of their community. To be eligible, the nominee must be an actual farm operator deriving a minimum of two-thirds of his income from farming. He need not be a Jaycee.

Nominations must be received by the Decatur Jaycee Chapter before January 15. The state winner will be announced in Decatur on Feb. 19, 1966 and will complete in the national finals at Birmingham, Alabama April 3 to 5, 1966.

Parson Jones Speaks

Dear Mr. Publisher

It's been so hot this summer that my wife didn't have to use no pepper in the food. What ever happened to all this talk a few years ago about the government controlling the weather? It seems like this is one area where the Democrats are as helpless as the Republicans. Even the Communist ain't made many promises about the weather. But weather is one thing you run into no matter where you travel. Last Sunday the subject come up in our church.

Bill Longsnot was chose by the Deacons to try and convince our congregation to install air conditioning. Well, ole Bill got up and made a good speech. He told how the hot weather made the younguns crabby, how this in turn made the members crabby and how in turn this effected the Sunday collections. Bill also pointed out that the sweat was was ruining the varnish on the benches. He also allowed that the reason the choir sounded so bad was on account of the low pressure areas created in the church by the heat. The music was falling all over the church and splattering on the floor before it reached everybody's ears.

Honest Mr Publisher, he done a good job. He reminded me of a congressman with the way he argued with hisself. When he finished I would laid 2 to 1 odds that the congregation would vote air condition in. But soon as he set down the members tore him all to pieces.

First off, Miss Ima Byrd our choir director, pointed out that air conditioning was no where mentioned in the Bible or the doctrines of the church. Bill Longsnot countered with the fact that being so all-fired hot was more in keeping with hell than it was heaven. Before Bill could get his mouth closed good another fella said he was against airconditioning too, but for a different reason. He pointed out that the Good Book said we oughta earn our bread by the sweat of our brow. But there so many pencil-pushing jobs now-a-days, and air-conditioned factories, that you don't see much sweat anymore. He said that about the only place left where a fella could could sweat

was in Church. For this reason we oughta leave it like it was so's we could fulfill the Good Book.

Well sir, when it came time to vote everybody was sold on that sweat-of-the-brow argument. They voted not only to keep air-conditioning out but to write on the sign out front, "Come Worship by the Sweat of your brow." Our little church may not be the most comfortable in the world but at least it will give folks a sense of fulfillment. Who knows, we may add steam baths one of these days.

I gotta close now. Come see us this Sunday and bring your own towel.

Yours truly,
Parson Jones

Horn Shepherd Vows Spoken

Marriage vows were recently spoken by Miss Mary Lou Horn and Karl Dean Shepherd at the Mentone Church of Christ. Ernil Norman officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Kenneth Horn of R. R. 1 Claypool. The bridegroom is the son of Mr. and Mrs. Joe Shepherd of Burket.

The bride appeared in a white velvet dress and wore a corsage of white carnations tinted with blue.

The brides maid, Miss Carol Baumgartner was attired in a two piece blue dress with a white carnation corsage.

Bernard Loer of Kokomo served as best man.

Following the ceremony the couple greeted their immediate families at a reception held in the church basement.

The bride, a 1965 graduate of

Akron High School, is employed with Aldens mail order. Her husband graduated from Mentone High School in 1964 and is employed at R. R. Donnelley and Sons Company in Warsaw.

The newlyweds now reside near Mentone.

SOCIAL SECURITY INFORMATION

Some people over age 65 if hospitalized will not be eligible for Medicare benefits next July simply because they did not register, according to Herbert O. Bultemeier, social security district manager.

Although Medicare benefits are for all people 65 and over, each person must file an application to be eligible.

Elderly people who have applied for social security or railroad retirement benefits are automatically registered for the hospital insurance.

Those who are not eligible for social security because they never contributed to the program must apply for Medicare now. Also, those who are still working and therefore have never applied for social security should do so now. They will also be given an opportunity to register for the medical insurance which is voluntary.

The district office at 515 S. Third Street in Elkhart can now handle three applications with little or no delay. Bultemeier said. After the first of the year, as the March 31 deadline approaches, the office may be hard pressed to serve everyone without some delay.

The Upper Room

THE UPPER ROOM, NASHVILLE, TENNESSEE

THURSDAY, OCTOBER 28, 1965

Read Matthew 25:14-23

Fear none of those things which thou shalt suffer...ye shall have tribulation...be thou faithful unto death, and I will give thee a crown of life. (Revelation 2:10)

The church at Smyrna was faithful in spite of her trials and tribulations. Polycarp, probably a disciple of the apostle John, later became bishop of the church in Smyrna. Until his martyrdom, he was the mainstay of Christianity in Asia Minor.

The church was evidently poor in silver and gold but rich in spiritual and eternal values. All these things the Lord took into account.

There are many splendid and magnificent churches all over the world. Some of them are rich in name, some in building and property, and some in money. The question is how rich are they in spiritual things? The silver and gold will some day perish; but the Word of God, the real riches of the church, will go on forever.

Is your church faithful? Is mine faithful? Let us not forget that the crown of life will be given only to those who remain faithful to Christ to the end.

PRAYER: Our Father, we thank Thee for the blessings Thou hast bestowed upon us. We thank Thee for those who have remained faithful to the end for Thy name's sake. Bless us in Jesus' name. Amen.

THOUGHT FOR THE DAY
How faithful to Christ and His church am I when I face trials and tribulations?

Deaf Man

Perfects Tiny Hearing Aid

OFFERS FREE MODEL

A remarkable tiny hearing aid has been perfected by a man who has been hard of hearing for nearly ten years.

This small device has no dangling cords or separate transmitting units and represents a new unusual design idea in a product to restore natural hearing.

It was developed especially for those persons who can hear but can't understand. This new hearing instrument provides "ear-level" hearing with the wearer picking up speech, sounds, television and radio at his ear. Due to the use of transistors, the user cost is extremely low.

A true life actual size replica of the smallest all-in-the-ear hearing aid ever made will be given absolutely free to anyone sending in this advertisement while supply last. So we suggest you write for yours now. No obligation whatsoever. Write to C. Eckert, 311 E. Lexington Blvd. VanClaire, Wis.

Visit Nursing Home

The Be-About Missionary group met at the home of Mrs. Norene Norris on October 25. The meeting opened with singing, "All The Way Along" and Mary Esther Romine led in prayer. The minutes of the previous meeting and the treasurer's report were read.

The group decided to go to a nursing home in November to present a program.

Committees appointed included the nominating committee composed of Joan Welborn and Kathryn Peffley; program: Grace Lewis and Fern Besson; Favor: Joyce Berlin and Joyce Moore.

Devotions were given by Joan Welborn on "A Good Mother".

The group had as a guest speaker Miss Gladys Baines. She spoke on I Chronicles 4:9:10, stating that the Lord doesn't hold us accountable for our family tree; we are in God's family tree. The pointed out that surely we are not satisfied with our Christian life. We need to be kept in His hand, enlarge our coast that we may be a more effective Mission Circle. She also stressed that we need to send things to missionaries with "Eternity's values in view".

Attending were Lois Hunter, Phyllis Bowser, Grace Lewis, Mary E. Romine, Kathryn McManis, Gladys Wittemper, Joyce Moore, Carmen Acton, Fern Besson, Joan Welborn, Velma Lantz, Dorothy Blalock, Joyce Burlin, Judy Bowerman, Odessa Addleman, Mrs. Campenwin, Harriet Abbey, and Katherine Peffley.

Delicious refreshments were served by the hostess.

PTA NEWS NOTES

Approximately 150 parents were on hand Wed. Oct. 13th for the regular meeting of the Burket - Mentone - Talma PTA.

Devotions for the evening were furnished by the 11th grade Triple Trio who sang Exodus.

PTA will sponsor a fish fry Nov. 20th. Mrs. George Hatfield, ways and means chairman announced that this is to take place of the annual penny supper.

Kenneth Romine, membership chairman reported that to date over 150 have signed up for membership.

As part of the program the Triple Trio entertained again with the song, Some Enchanted Evening.

Much interest was shown toward the topic for the evening. How About Curriculum? Mr. George Welch, panel moderator introduced faculty panel members, Mr. Gaylord Toll, Brad Moore, Oliver England, and representing the parents, Mrs. David Bowser, Mrs. Robert Hoover and Mr. Harry Bornman who conducted a question, answer type program. Modern Math seemed to be a topic parents were anxious to know more about. Other topics of interest to the parents and discussed by the faculty members were Too Much Homework? How does our School curriculum compare to others in the area? We were happy to note we have one of the finest curriculums in the area. Much of the time home work is determined by the child. The question of the talented child was brought out. Faculty members pointed out quality rather than quantity of work is needed for this type individual. The stressed also that if there are any areas where parents feel a student needs help, they are more than willing to discuss this with them. The meeting was adjourned leaving us with the feeling that PTA is an active part of the school system.

These present to enjoy the day with Pfc and Mrs. Quier were: Mrs. Cleora Quier and Mr. and Mrs. George Combs and daughters of Mentone; Mr. and Mrs. Donald Quier and son, and Mr. and Mrs. Ervin Castle and family of Rochester; Mr. and Mrs. Norman Busy and family of Piercetown and Mr. and Mrs. Richard Smith and family.

Pfc. Quier will be returning to camp this week with Mrs. Quier and Linda following next week.

Trailer-Van Gift To Missionary

At the Talma Bible Church's Missionary Conference, Miss Janice Bearss, Missionary-Nurse, displayed the new trailer-van given her.

Miss Bearss, daughter of Mr. and Mrs. George Bearss of Rochester, and a graduate of Memorial School of Nursing in South Bend and also of Moody Bible Institute, received the vehicle from the Grace Baptist Church of South Bend.

The trailer-van will be used in Miss Bearss work as medical-missionary branching out into rural and mountain territory from the mission base at Pueblo, Mexico. She will leave November 4, driving the trailer-van to Mexico herself. Three other women missionaries will join her on the way down.

The trailer-van is a compact home on wheels. Nearly everything-including the kitchen sink is fitted into the vehicle and will make camping out more convenient than living in a tent.

Tombaugh Assumes New Duties

Richard Tombaugh, assistant director of admissions at Purdue University, began duties as acting director of Purdue student loans Friday (Oct. 15).

His appointment was announced by Dr. D. R. Mallett, vice president and executive dean.

Tombaugh, a Mentone native, replaces Prof. William Stielstra who resigned to become vice president for student affairs and dean of students at Wisconsin State University, Stevens Point.

Tombaugh holds two Purdue degrees: a BS in physical education, 1960, and an MS in guidance and counseling, 1961. While working on the master degree, he was a graduate assistant in the dean of men's office.

After leaving Purdue has as assistant manager of a residence hall colony at the University of Wisconsin and head adviser of a men's residence hall at Michigan State University. He worked toward the PhD in student personnel at Michigan State and lacks only a dissertation for that degree. He rejoined the Purdue staff in August.

Stielstra had been Purdue loans head since 1961. Prior to joining the Purdue staff in 1956 as assistant dean of men, he was a history professor and dean of men at Alma College (Mich.)

Aliases

Meet Mr. Anxiety, alias Mr. Fear, alias Mr. Feeling of Insecurity. Regardless of all his aliases he is nothing more or less than Mr. Scarecrow, with a pumpkin for a head. He is the embodiment of all the useless anxieties, fears and hates that haunt man's mind, becoming entrenched in the sub-conscious and making a negative personality of that which should be a glowing positive character. These inhibitions sharply curb the usefulness of one who would otherwise enrich the world in his lifetime.

When one discovers that he is the victim of these negative characteristics he should first work daily to drive the scarecrows from his conscious and sub-conscious mind and replace them with positive characteristics: clam demeanor, courage and love. The Church can be a mighty ally in helping anyone replace the negative with the positive since it has always championed the cause of the individual. It teaches positive lessons from positive texts and can be a source of strength and power to any who call upon and use it through regular attendance.

Mrs. Jennie Lyon Dies At 90

Funeral services were conducted Tuesday afternoon for Mrs. Jennie A. Lyon, 90, a lifetime resident of the Mentone area who died of complications Sunday after a three year illness. She had been living with her daughter in Attica at the time of her death.

The daughter of Levi H. and Sarah Lewis Eaton, she was born Aug. 12, 1875 in Marshall County. She was the widow of Frank Lyon who preceded her in death in 1930. They married Feb. 15, 1895.

Surviving are two sons, John of Attica, D. N. of R. R. 1, Pierceson; five daughters, Mrs. Irene Smith, St. Petersburg, Fla., Mrs. Louise Evans of Attica, Mrs. Robert (Nellie) Reed, Mentone, Mrs. John (Virginia) Davis, Oswego, N. Y., Mrs. Robert (Betty) Milligan, Williamsport; 16 grandchildren and 28 great-grandchildren. A daughter, Mrs. Robert (Senora) Hoover, preceded her in death in 1964.

Rev. David Gossen, Leesburg, a former pastor of the Mentone Methodist Church, officiated at the services Tuesday in the King-Reed Memorial Home. Burial was in the Mentone cemetery.

DID YOU KNOW?

Mr. and Mrs. Don Nelson of Argos entertained the following guests for Sunday dinner: Mrs. Myrtle Leininger, Mrs. Clyde Johnson, Mr. and Mrs. Pat Kehoe, of Mentone, Mr. and Mrs. Masa Nelson, and Mr. and Mrs. Elgie Vandermark of Rochester.

Mrs. Clyde Johnson visited Monday with her cousin, Mr. George Clemens in the Veterans Hospital in Fort Wayne.

Recent weekend guests of Mr. and Mrs. Jack Pritchard and family were Mrs. H. O. Pritchard, all of Zanesville, Ohio.

Sunday afternoon callers of Mrs. Rosa Kinsey were Mrs. Mabel Reece and Larry Reece of Claypool, Mr. Oliver Davis of Rochester, and Mr. and Mrs. Omar Horn of Syracuse.

Timely Facts

In American Revolutionary Days villagers ever alert to oncoming danger listened hourly to the reassuring cry of "It's three o'clock and all's well!" Too poor to afford timepieces, settlers relied on the town crier to get the time.

Pennsylvania Dutch Farmers relied mainly on kitchen clocks of very practical and durable design. Many timepieces had spice shelves or hooks for cooking utensils.

Not too long ago only well-to-do city dwellers could afford ornate parlor clocks like the Boston Lyre or the Connecticut Banjo Clock.

Today, clocks are used in every room in the house—from both to patio to nursery. Changing these clocks on October 31st for the end of Daylight Saving Time should be no problem if you remember this timely tip from Westclox, makers of the famous Big and Baby Ben—turn your clocks back one hour at 2 a.m.

W.S.C.S. Meets

Mrs. Gene Sarber was hostess for the October meeting of the Woman's Society of Christian Service. Twenty-one ladies were present for the meeting, opened with a prayer by the President, Mrs. Mary Cox. During the business session, Mrs. F. B. Davison reported on the annual 'Day Apart' which was held in September at Epworth Forest. The program period was opened with a prayer and the singing of a hymn, Jesus Savior Pilot Me. Mrs. Dan Urschel presented a very interesting program.

"Where Women are in the Space Age." Following the singing of another hymn Beneath The Cross of Jesus and closing prayer

by Rev. Campton, refreshments were served by the co-hostesses, Mrs. James Whetstone and Mrs. Harold Lucht.
