New Talma Industry To Begin Production

The Talma Fastener Corporation, Fulton county's newest industry, announced Thursday that the plant will begin operation Thursday producing parts for which firm orders already have been received. The plant is located in the Rochester Machinery and Supply building at Talma. It will produce metal fasteners of all kinds and its facilities include cold heading and thread rolling machinery, lathes, drill presses, deburring, tumbling, and metal cleaning machines.

President of the firm is Elliott Kay Smith of Warsaw, who formerly headed a metal finishing firm and was vice-president in charge of sales for Metal Specialties Manufacturer. His experience also includes that of sales engineer for a national chain of steel warehouses. Smith also has been an airplane pilot for almost 25 years and the company will utilize his plane for business purposes.

Harry Winks of Rochester is vice-president and general manager, having been assistant general manager of Indiana Metal

Products Co. of Rochester for 13 years. Prior to this, he was foreman of the punch press department for Radio Coil Manufacturer.

George Babarik Sr., also of Rochester is chief engineer and treasurer of Talma Fastener. He was chief engineer and assistant superintendent at Indiana Metal, having spent 16 years with that firm. For 19 years he was foreman of a screw and bolt works at Gary.

Colman Howton of Argos is plant superintendent and secretary. He was with Indiana Metal for 14 years, the last eight years as a superintendent. He also was a foreman for an electric motor plant in Chicago and superintendent of a punch press manufacturer.

Harrison Partridge of Rochester is field engineer and vice-president for sales. He was also employed at Indiana Metal, being in the engineering department, then most recently field manager.

Chairman of the Talma Fastener's board of directors is Harold J. Plumley, who is also president of the Boyer-Winona Corporation at Winona Lake, a manufacturer of metal goods and hardware. He has over 10 years of experience in industrial accounting and industrial management. A certified public accountant, Plumley is a partner in the CPA firm of Harrington and Hunt Plumley and Company of Muncie.

Judge Gene B. Lee - P. T. A. Speaker

Parents, patrons and students of Mentone, Talma, and Burket schools are invited to attend the Carry-in-Supper Wednesday, the 9th, at 6:30 p.m. in the Mentone School Gym. Bring a covered dish and your own table service. Coffee and milk will be furnished.

After the meal, around 8:00 Judge Gene B. Lee, Kosciusko County Circuit Court Judge, will speak on a subject of vital interest to both parents and teachers. Supervised films for the children will be shown.

Everyone is urged to attend this meeting. Come early for a good time of fellowship, renew friendships, meet the teachers new comers, enjoy a delicious meal, and hear the new Judge of the Kosciusko County Circuit Court.

LICENSE SUSPENSION

The drivers license of Sam H. Bailey, R. R. 2, Claypool, has been suspended for a period beginning July 9, 1964 and ending July 9, 1965 according to the latest list of license suspensions compiled by the Bureau of Motor Vehicles. Bailey's suspension was for points appearing on record.

Youth Group Meets

COURT NEWS

WHEATSTONE ESTATE

The Thomas Wheatstone estate is set at \$20,922.74. Real estate is valued at \$10,950, and personal property at \$9,972.74, according to an inventory filed by the Farmers State Bank of Mentone, executor.

T.V.S.C. Approves New \$3.98 Tax Rate; Up \$1.15

Members of the Tippecanoe Valley School board approved the budget for 1965 at a special meeting Thursday night. The budget calls for a rate of \$3.98 per \$100 taxable property. This is an increase of \$1.15 per hundred from the \$2.83 rate of last year. Eighty five cents of this increase is from the establishment of a cumulative rate.

The budget is broken into three categories, special school \$1.70, tuition \$1.49, and cumulative fund \$.85. All of these funds show an increase over last year. A bond fund in the budget last year was not included in this year's budget.

The lunch fund and the cafeteria operational funds will come from the budget this year. This is the first year the cafeteria has operated this way. Neither of the funds are supported by tax money. The total budget calls for \$1,095,100.

Harold Utter of Mentone representing his company, Utter's Service Station, was present to protest that actually his bid for gasoline for the corporation was the lowest. The board said they had signed with Standard Oil because Standard would furnish tanks and give other privileges. Utter said he had made a verbal

bal agreement to furnish the tanks, but the board still maintained they had taken the best bid.

Lowell Leckrone, trustee of Seward Township, was present to request a transfer for his daughter. Under the present boundary lines his daughter should go to Akron, but he wanted her to go to Mentone. The board refused permission to transfer her, and he in turn said his daughter would quit school if she couldn't go to Mentone.

Other board action saw all the officers re-elected, namely: Edward Bucher, president, Gale Creighton, secretary, and Eldon Cumberland, treasurer. Other members are Whit Gast and Ralph Davis.

Assembly hall clerks were hired this year. This is a change from the past when teachers took turns being in charge of the assembly for one period each. The clerks hired were Mrs. Zelma McCloughan, Akron, and Mrs. Mary Mason, half time at Mentone. Mrs. Janette Woods was hired as clerk at Burket.

The board made plans to visit Akron and Talma schools to view the remodeling work done this summer. The work at Akron is still in progress.

Mrs. Umberger Rites Set

Funeral services were conducted Wednesday afternoon in the Burket Methodist Church by the Rev. Clyde Byers for Mrs. Sarah (Katie) Umberger, 77, 1633 Jefferson Street, Rochester, who died in Woodlawn hospital Monday morning. She had been ill for six and one half weeks.

She was the widow of Charles F. Umberger who died in 1963. The daughter of John and Ebimenda Myers Staggs, she was born October 1, 1886 in Delaware county.

She moved to Rochester in March from the Claypool community where she had lived for 50 years.

Mrs. Umberger was a member of the Burket Methodist Church and of WSCS. She also belonged to the Seward Township home economics club.

Surviving are three sons, Lawrence, Los Angeles, James, Rochester, and Valentine, Leesburg; seven grandchildren; one sister, Mrs. Mary Carr, Elkhart, and two brothers, Edgar Staggs, Yorktown, and Ralph Staggs, Florida.

The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE

Thursday, September 3, 1964

Read Luke 4: 14-22

"You will know the truth, and the truth will make you free."

(John 8:32 - RSV)

I visited a lawyer who told me he did not have any religion because religion made a slave of man. I answered, "Sir, I know that is possible for some religions to enslave men, but this is not true of Christianity." I cited the verse of Scripture given above and others. The lawyer, however, would not accept Christ. So I lent him a copy of the New Testament and asked him to read it before my next visit three months away.

When I next visited him, even before I could bring up the subject, he said to me: "Look, pastor, I was an atheist, but reading the New Testament converted me. I know now that I was a slave to sin and that now I am free, really, free."

The lawyer became one of my best helpers in that city. He witnessed everywhere: "Now I am free. I do this and don't do that because I want to, and not because I am obligated to. I try to do all the good I can for the good I can for the love of my generous Savior."

PRAYER: Almighty God, grant that all mankind may learn that there is a real freedom only in Jesus Christ, and that only in Him can each of us find joy unspeakable. We ask in His name and for His sake. Amen.

THOUGHT FOR THE DAY

Christian action is not of ourselves; it is the spirit of Christ operating in our lives.

Ovidio A. Souza (Brazil)

Parson James Snags

Dear Mr. Publisher

How's the world treating you? One thing for sure - the folks in this here United States are getting first-class treatment. Lotsa people are afraid of the government. They look on it kinda like it was a copperhead snake. That's all wrong, Mr. Publisher, cause them folks in Washington are really our closest friends. Why every thing they do up there in the Capitol is for us taxpayers. We're never outa their minds. It wouldn't surprise me to find out that my congressman dreams about me at night - worrying whether I'm all right or not.

That's the honest truth, Mr. Publisher. You take that recent ruling they made on cigarettes. They're so concerned about our health that they've gonna make the cigarette people put a "poison label" on the package. Ain't that nice of 'em to look after us like that?

I read in your paper last week where some doctors have found out that charcoal steaks have got cancer-causing stuff in 'em. Now I look for the government to put a poison label on steaks. Or

maybe they'll put the label on the charcoal. Or, should they put the warning on the grill itself? They might just put it on the matchbox.

As soon as they get the cigarette and steak problem licked, I wish they would start on automobiles. It look like they should put a warning on every car at the factory "dangerous to health". While they're at it, they could add motor boats, motorcycles, bicycles and tricycles to this category.

Another thing the government oughta put a label on is liquor. It would go kinda hard on them White House cocktail parties, but they could all wear dark glasses until they get too tipsy to read.

I reckon it'll take a long time before they go through the news stands and mark "poison" on all them lust magazines. Course this kind of poison gets in the brain, and the government is mostly working with lungs right now. It shore would help if they put some kind of warning label on them horror movies they're showing all over the country. They had one over at the county seat the other day, entitled "The Human Blood-suckers." I'd a hole lot rather for my younguns to smoke a pack of cigarettes than to see that thing. Course, I don't reckon you can expect the government to get to every thing at the same time.

Another thing is all them ram-bunchious sports. Don't you think they oughta put a label on all football helmets "dangerous to health," so another player could see him coming and get out of the way before he gets hurt? Anyhow, Mr. Publisher, you can see that the government is our friend. I would like to give 'em one little suggestion while I'm at it. As long as they're getting all these warning labels printed up why don't they get one to put on politicians entitled "Warning - hot air!"

I gotta go work on my sermon I'm preaching on Heaven. They won't let you preach on Hell any more.

Linda Goshert-Barry Blalock Married

Saturday evening rites at 7:30 p.m. August 22nd in the Burket Methodist Church, united in marriage Miss Linda Ann Goshert, daughter of Mr. and Mrs. Robert Goshert of Burket and Barry C. Blalock, son of Mr. and Mrs. Tobie Blalock of Mentone.

Vows were given in the impressive double ring ceremony by Rev. Lloyd Wright of Cory, Indiana, and assisted by Rev. Clyde Byers of Burket. Lighting the candles were Kathy and Dennis Blalock, sister and brother of the bridegroom. The candles and beauty baskets of white spider mums, pom poms, pink roses, and red carnations decorated the altar. The aisles were marked with cascades of stephanotis.

Mr. Bruce Miller of Warsaw played the traditional wedding music on the organ, and Miss Jeannine Witham of Atwood sang "Because, Whither Thou Goest, Walk Hand in Hand, and The Wedding Prayer."

As the bride approached the altar on the arm of her father, she was wearing a gown of chantilly lace and silk organza over taffeta. The basque bodice of lace and organza was fashioned with a

colloped sabrina neckline enhanced with seed pearls and iridescent sequins, the long sleeves coming to a bridal point at the wrist. The bouffant skirt featured a front panel of chantilly lace, the back was fashioned with tiers of lace flowing into a chapel train. Her bouffant veil of illusion was caught to a double Swedish crown of alencon lace, accented with seed pearls and pearls and crystal pendants. She carried a cascade of pink roses and white tuberoses on a white Bible.

Identical street length dresses of pink crystal peau de soie, with bell shaped skirts were worn by the attendants. Mrs. Don Beeson of Warsaw was matron of honor and the bridesmaids were Miss Pamela Hammer and Miss Sandra Miller, both of Mentone, cousins of the bride. They wore matching pink silk organza petal headpieces with bouffant veils and carried heart shaped bouquets of pink carnation, red roses and white daisies.

Serving as best man was Jerry Rhoades. Groomsmen were Rex Kling and Tom Whittemper. Ron Frieden, John Wolf, and

Kip Hammer, cousin of the bride, seated the guests.

Serving their cousin as flower girls were the Misses Brenda and Marcia Hepler. They appeared in frocks of white hats adorned with pink roses. They carried pink flower baskets.

Kevin and Gregg Eaton served as ring bearers carrying white heart shaped crocheted pillows made by their grandmother, Mrs. Clarence Tinkey.

Holding the guest book was Miss Beverly Williamson of Tucson, Arizona, cousin of the bride. Mrs. James Adams was the receptionist.

The reception was held at the home of the bride. The reception table was centered with a bouquet of pink roses, white spider mums, and pom poms. The five-tiered cake was topped with a cluster of pink bells. Serving at the reception table were Mrs. Garwin Eaton, Mrs. Richard Reidel, cousin of the bride, and the Misses Roberta and Marie Nottingham, cousins of the bridegroom. Terry Goshert and LuAnn Miller, cousins of the bride assisted at the reception.

Assisting at the gift table were

the Misses Judith Horton, Karen Clary, Joann Carter, Cinda Matchette, Cleo Davis, and Mrs. Calvin Nesterroad. All were classmates of Miss Goshert while attending nurses education.

The newlyweds are honeymooning in Florida and upon their return will reside in Urbana.

The bride is a graduate of Mentone High School and Methodist School of Nursing of Indianapolis. She will be employed at the Wabash County Hospital. The bride groom is a graduate of Mentone High School and is a senior at Manchester College.

NEW, IMPROVED PURINA PIG-PLUS!

Yessir, Purina has come up with another greatly improved Health Aid... and this one's for your pigs. It's new, improved Purina Pig-Plus. Last year's Pig-Plus was great... but this one's even greater! More extra "plus power" has been added to give pigs even better health protection and faster growth than last year's popular product.

Five years of Purina Research went into this high-powered combination of vitamins, minerals, antibiotics and sulfas. Now, it's ready for you at our store. Ask us to mix in just the right amount of new Purina Pig-Plus in your next pig ration. You'll see for yourself... a little Pig-Plus can do a lot for your pigs.

Farm-O-Rama Dates Set

The Ohio Plowing Champions will be crowned at Farm-O-Rama again this year on September 25 and 26. The State Level Land Contest will start at 1 p.m. on September 25, and the winner will be announced at approximately 4 p.m. on the same day.

The State Contour Plowing Champion will be selected on September 26, at the contest scheduled for 10 a.m. The awards for this event will be made at approximately 1:30 p.m.

The National Supreme Sheep Dog Trials will be operating simultaneously with the Plowing Matches on September 25 and 26. This popular event will run the preliminaries on the 25th, and the finals will be held at night on September 26, starting at 7:30 p.m. Approximately 25 dogs are entered from all over the United States for this national event.

Other standard Farm-O-Rama attractions at Farm-O-Rama include corn picking and shelling, corn drying, stalk chopping, plowing, ensilage harvesting, and silo filling. Wagon tours will be provided to dairy farms, poultry farms, Brookside Soil Testing Laboratories and Hoge Lumber Mill. New Idea Corporation at Coldwater will also provide free chartered bus tours to their plant from the Farm-O-Rama grounds.

Farm-O-Rama is located one mile east of New Knoxville, Ohio on State Route 219, which is 25 miles south of Lima, Ohio. Admission will be \$1 for adults, and 50c for children on any of the three days of September 24, 25 and 26, and at any of the night events.

FINED FOR FLEEING OFFICERS

Troy Owens, 21, Sidney, Lewis Wolford, 29, Porter, Henry Simmons, Jr., 25, Mentone, and Merle Adams, 21, Sidney, were arrested Saturday when they were pursued from Silver Lake to state road 10, northwest of Mentone.

There were five young men in the car when it was stopped by Deputy Roger Fellows and Mentone Marshall Gene Norton. The fifth escaped and the officers have notified his father to report to the jail.

The chase began when Fellows tried to serve a warrant to Adams appeared in two courts on two charges. He was fined \$41 by Justice Gill for resisting arrest and \$42 by Silver Lake justice of the peace Harry Bouse.

The others were charged and fined for furnishing alcoholic beverages to a minor.

Celebrate Golden Wedding Anniversary

The immediate families of Mr. and Mrs. Edward Driesback were dinner guests Sunday at the Steer Inn in honor of their Golden Wedding Anniversary. Those present were Mr. and Mrs. Lloyd Teel of Ft. Wayne, Mr. and Mrs. Gus Mollenhour of Mentone, Mrs. Exie Creager of Butler, Mrs. Ellen Hagan of Elkhart, Mr. and Mrs. Wilbur McSherry and son Stephen, and Mr. and Mrs. Fred McSherry and son Kevin. In the afternoon a reception was held at the home of Mr. and Mrs. Wilbur McSherry in honor of the couple. Friends and relatives attended from South Bend, Kendallville, Ft. Wayne, Indianapolis, Butler, Elkhart, Rochester, Warsaw, Waukegan, Illinois, and the local community.

DID YOU KNOW?

Mr. and Mrs. Joe Miller were Sunday dinner guests of their son and family, Mr. and Mrs. Jim Miller.

Mr. and Mrs. Devon Dunnuck spent four days last week vacationing at the Wisconsin Dells. Michael and Gene Dunnuck stayed with their grandparents, Mr. and Mrs. Donald Dunnuck of Bourbon while their parents were gone.

Old Friends Meet Again

Mr. and Mrs. Charles Manwaring spent the week-end in Park Ridge, Illinois as guests of Mr. and Mrs. James Mentzer. Mr. and Mrs. Jennings Carter of Evansville, Indiana were also guests. All three men grew up in Mentone and graduated from Indiana University in the early 30's and have maintained a close friendship through the years.

DID YOU KNOW?

Mr. and Mrs. Tom Harman, Timmy and Lisa spent Friday, Saturday and Sunday in Elmwood Park, Illinois visiting with Mrs. Raymond Kaptan and four daughters. On Saturday they all enjoyed sight seeing at the Brookfield Zoo.

Mr. and Mrs. Gaylord Toll and family spent Saturday afternoon and evening with Mr. and Mrs. Zanna Hammer and boys at the Hammer's trailer at Chapman Lake.

Mr. and Mrs. Luke Hiers and daughters have been living in one of the Cooper apartments while their home at Manwaring Leghorn Farms is being remodeled. The house is being moved from its present location to a new site down on the range. A new foundation has been laid for it there.

Mr. and Mrs. Zanna Hammer are spending Thursday until Saturday in Indianapolis visiting with their daughter, Pam. On Friday, Pam and Cliff Fiscus will fly by jet to California for a visit.

Mr. and Mrs. Chester Manwaring left Tuesday for Mayfield, Michigan where they will be vacationing for a month. They will stay at the Hillside Resort.

Miss Lulu Latham spent last week vacationing with her cousins, Mrs. Goldie Leacier of Fort Wayne and Mr. and Mrs. Donald Guisinger of Tri-Lakes. While there, she baked 59 loaves of bread for the freezers. Each year these cousins look forward to Lulu coming so she can bake her especially good bread for them. She is now back at her job of caring for Mrs. Ora Tucker.

Mr. and Mrs. Bob Goshert have returned home after spending a few days in Iron Bridge, Canada. Miss Leslie Carmin, who had been a guest in the Goshert home, returned to her home in Canada with the Gosherts. Miss Carmin is the daughter of Rev. Robert Carmin, former pastors in Burket.

Mr. and Mrs. Ed Davis, Bobby, Doug, Andy and Sherry were honored at a farewell supper last Tuesday evening in the City Park. The folks from the Mentone Baptist Church, where the Davis's attended, gave the farewell. Rev. Francis Rogers brought the devotions. Games were played and visiting was enjoyed. A gift from their Sunday School class was presented to the Davis family.

Odds And Ends

by Ann Sheets

When you become a parent you sign a life-long lease with God promising Him that you will take the best possible care of the tiny little bundle of joy He has granted you the good fortune of caring for the rest of your life.

Later, you find that was not the only lease in life you signed. Your tiny bundle of joy grows into a gangling bundle of nerves, muscle, and appetite who loves animals. Any animal, no matter what size. He loves them and leaves them, in his own fickle fashion, to you, his parent, to

nourish and care for until death do you too part.

You find there is a long succession of dogs beginning with the one you, yourself, got him when you know he was too young. The dog, named "Maybe" because maybe she would and maybe she wouldn't grow into the fox terrier she was said to be, did little to make her fame in the world except get sick on each of the couches. Sudden death soon after at the wheel of grandpa's truck ended Maybe's short career, before the question of her future potential could be solved.

Grandpas don't like to smash grandchildren's pets so of course another dog soon arrived on scene. This one is Lucy, and boy and dog get along famously until day both get spanked after boy throws mud balls from mother's freshly watered plants at dog who also gets sick like predecessor. Lucy attempts to win mother's favor by presenting a litter of eight mongrel pups on mother's birthday. This does nothing to improve mother-Lucy relationship. Pups all die unexpectedly and Lucy brings each to mother which mother finds on door mat each morning. Lucy is run over and left for dead and is revived. Mother is won over and nurses Lucy and sees that the doctor prevents further birthday presents. Daddy must go to town on tractor and Lucy goes along. Lucy never seen again by family but often by townspeople. Still had not found way home.

Daddy takes matters into his own hands and brings home King, size of small pony. Little boys like dogs but with moderation. King likes little boys with all of his overgrown heart and little boys are frequently flattered by misguided affection. King was shot; boy still thinks a car ran over him. We would have rather it did.

After King's death a period of mourning fell over the household and no pets appeared on the scene, not even the old one-

per her - until mother caught him. A pet, a dog, must be had. Daddy made the promise and mother joined in the excitement - when there are leaves on the trees we will get you any kind of dog you want.

The request came for a red one and a bank was produced to save the necessary money. The dog, who is still not red, but a startling and won the hearts of boy and peroxide blonde color, moved in his mother. Named Schatzi-Tina, she loves everything the boy does except the latest pets-two stray kittens.

The battle is on. Schatzi cannot be let loose for fear of what will happen to the kittens and the door can't be opened for fear the kittens will come in the house. In the meantime, mother is again feeding Schatzi and the kittens and the boy she promised God to care for plus a second boy she recently acquired in the normal manner. Daddy is saying little.

T.V.S.C. Enrollment Up 67 This Year

According to an announcement this week by Tippecanoe Valley School superintendent Robert Forbes the total enrollment in the corporation schools is up 67 over last year. This is a total of 1924 students enrolled in the schools, a few under the estimated 1,940 students. It is thought others will enroll later.

The break-down by schools shows the following: Akron, 733, Mentone, 530; Burket, 185, Beaver Dam, 245, and Talma, 231.

The sixth grades have been sent to Talma and Beaver Dam this year to overcome crowded classrooms at Mentone and Akron.

Collision Injures Two

At 6:45 a.m. Tuesday morning a 1964 Buick driven by Nancy Jean Foley of Talma had a head on collision with a 1957 Chevrolet driven by Karen L. Deeds of Akron at the Ralph Jurgensmyer corner north of Rochester on State Road 25.

Miss Foley, who was approaching Road 25 from the east, stopped but let her car coast forward in order to obtain a better view. Seeing the Deeds car approaching from the south she attempted to step on the brake, but missed it and hit the accelerator instead. Her car jumped forward and a head on collision was the result.

The Fulton County Sheriff Dept. investigated and Miss Foley was cited for failure to stop.

Both girls were taken to the Woodlawn Hospital at Rochester by passers-by. Mrs. Deeds had a cut on her nose which required one stitch to close, while Miss Foley had a deep cut on her head which required several stitches. After treatment they were released.

Damage to the Buick was estimated at \$700.00 and the Chevrolet was considered a total loss.

GIRL SCOUTS TO MEET

The Junior Girl Scout Troop 25 will start their regular meeting on Thursday September 10, at the Methodist Church. We will be meeting from 3:30 p.m. to 5:00 p.m. All girls in grades 3, 4, and 5 that are interested are invited to come.

DID YOU KNOW?

Mr. and Mrs. Kenneth Shoemaker, Ted, Jeff and Andy spent three days last week in Holland, Michigan. They visited the Wooden Shoe Factory and the Holland State Park. On their trip home they toured Kellogg's at Battlecreek, and also went through the Museum of Natural History there.

Mrs. Sadie Landis Dies Of Complications

Death, due to complications from a fall two weeks ago, came to Mrs. Sadie Landis, 91, at her home in Mentone Saturday.

The daughter of Henry and Mary Ann (Lash) Dirck, she was born near Silver Lake March 15, 1873. She moved to Mentone 22 years ago from Talma.

A member of the Tiosa First Brethren Church, she was married to John H. Landis Feb. 16, 1893. He preceded her in death on Jan. 4, 1943.

Surviving are a daughter, Mrs. Velma Shaffer of Mentone, a son, Carey Landis, R. R. 2, Claypool; a sister, Mrs. Ada Van Pherison of Milford, a brother, Aca Dirck of Mentone, and one grandchild.

Services were conducted Monday in the King Reed Funeral Home for Mrs. Landis with the Rev. Ernil Norman officiating. Burial was in the Mentone cemetery.

Serves As Page

Diana Creskbaum recently served as a page at the Democratic Convention held at Atlantic City, New Jersey. She is the daughter of Mr. and Mrs. Paul Creskbaum.

Diana is a member of the Young Democrats of Indiana and a graduate of Beaver Dam High School and National Airlines. She is a National Airlines stewardess now, flying out of O'Hara Field in Chicago.

Thursday, Sept. 17

The Woman's Society of Christian Service will have their first meeting of a new year at 7:45 p.m. at the Church Social Room.

Girl Scouts Troop 25 meet at Methodist Church at 3:30 p.m.

Mr. and Mrs. Paul Shafer and family of Warsaw and Mr. and Mrs. Dean McIntyre and Greg of Elkhart were guest of Mr. and Mrs. Dan Starr Sunday evening.

Picketing At Producers Market

Picketing continues at the Producers Market Association near Mentone. Members of the NFO have been present since August 26, with from two to ten picketing being present every day. The holding action by the NFO began August 18 but no picketers were present locally until August 26. No violence has been reported at the market.

Firemen Busy

Mentone firemen were kept busy this week with three fire calls. Thursday night they were called to assist the Warsaw Fire Dept. at the Ace Hardware fire. A faulty switch box over the aquarium was believed to have started the \$100,000. fire.

Saturday morning they were called when Arkie Yazel's barn caught fire. It burned to the ground but there was no damage done to other buildings. The barn formerly belonged to Linus Borton.

Sunday morning they were called when a piece of railroad equipment caught fire which was setting between Frank and Jerry's and the old Mentone Lumber Co. building.

Parker Reunion

Member of the Hiram Parker family held their annual reunion August 30, at the home of Mr. and Mrs. Orval Correll, west of Claypool.

Those attending were Harold Correll of LaPorte; Mr. and Mrs. William Harold of Mishawaka; Mr. and Mrs. Rex Runkel and family, Mr. and Mrs. Byron Penrod and family, Mrs. Roger Parker and family, all of North Manchester; Mr. and Mrs. George Parker, Violet Overholt, Mr. and Mrs. Marshall Parker, Mr. and Mrs. Richard Parker and family, and Mr. and Mrs. Dean Parker and family of Warsaw; Mr. and Mrs. Gerald Parker and family of Silver Lake; Mr. and Mrs. Wayne Herendeen and son of Palestine; Mr. and Mrs. Riley Parker of Burket; and Mr. and Mrs. Harley Parker and Sharon of Claypool.

Mr. and Mrs. Wm. Fowler returned home recently from their summer stay with their daughter and family, Mr. and Mrs. Dick Martin of Grand Rapids, Michigan. Their granddaughter, Rosemary Martin, came home with them for a short visit. She will return this week for school in Grand Rapids.

Mr. and Mrs. Tom Harman were honored on their 12th anniversary with a dinner held at the home of Mr. and Mrs. Arley Cullum on Sunday. Others present were Mr. and Mrs. Walter Harman of Millwood, Mrs. Dorothy Cullum and Tim and Lisa Harman.

D.A.R. To Support Park Fund Drive

The Anthony Nigo chapter of D.A.R. voted last night to donate one half of the proceeds from the fish fry they are sponsoring September 18 to the Mentzer Memorial Park fund.

The carry out fish fry will be held in the Mentone Legion Home.

James Mentzer, son of the late Mahlon Mentzer, has said he will

give Mentone \$1,000 towards improving the park if the town can raise a like amount. Chet Manwaring later made an offer to contribute another \$500 if the town can raise the \$1,000.

South Pacific

To Be At Akron

The Crown Point A Cappella choir under the direction of Al Richter will present a full length production of SOUTH PACIFIC Saturday night at the Akron Fair. The program will be held in the high school gym and tickets may be purchased at the door or at the MENTONE NEWS office. They are 75c for adults and no admission will be charged for children under 12.

The singers are considered outstanding in this production, many of them having graduated and are now furthering their musical futures at colleges and universities. They furnish all their own sets, accompaniment, etc. and a good evening's entertainment is in prospect.

LIONS CLUB MEETS

The Mentone Lions met for their first meeting of the season Wednesday evening, September 2nd, at the Mentone High School. There were twenty-six members and two guests present. The guests introduced to the group were: Sam Norris and Allen Shirey.

The new president, Everett Rathfon, opened the meeting and asked Gaylord Toll, the Tail Wister, to lead the Lions in some singing. Then Wayne Wertheberger gave a report on his trip to Toronto, Ontario, Canada, and on the Lions 47th International Convention. He showed souvenirs and colored slides of the parade in which Lion organizations from the United States and foreign countries took part. The bands were wearing their national costumes and the flag bearers carried their district banners and national flags.

Other business cared for during the meeting was the assigning of new committees for the presenting of a past president's pin to Zanna Hammer and a president's pin to Everett Rathfon.

Dr. and Mrs. Wymond Wilson flew to Burt Lake, Michigan Friday where they spent the holiday week-end. Her sister and husband, Mr. and Mrs. Joe Wolff, and their friends, Mr. and Mrs. John Toner, all of Eadon, Ohio joined them. They all enjoyed fishing, golfing and relaxing.

Mentone Library Reading Clubs

The Bell Memorial Public Library was very fortunate this year in having two successful Reading Clubs: one at Mentone and one at Burket conducted by Mrs. Berdena Bechtol. The entire community is indebted to Mrs. Bechtol who donated her interest, time and a great amount of hard work to make the Burket reading Club a real success as reported in last week's "News."

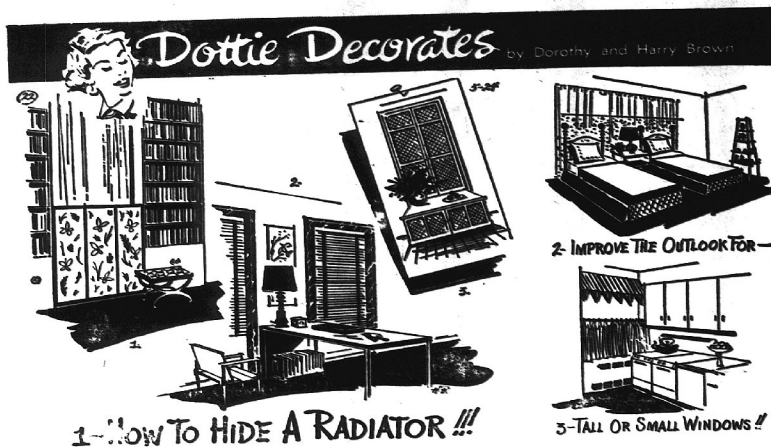

In the Mentone Vacation Reading Club, the interest of the members seemed higher this year than ever before. There were 79 enrolled in the club and 29 members won a place on the Honor Roll and an Award Ribbon by earning 100 or more points. Those on the Honor Roll are: Lynn Knoop, Marty Lantz, Debra Anglin, Teresa Yazel, Kip Hoffer, Alan Welch, Cheryl Anglin, Cathy Tucker, Cindy Allen, Mollie Hoffer, Maria Hubart, Randy Hardesty, Marcella Allen, Debbie Coplen, Dale Bolinger, Pam Carmean, Kathy Bush, Kim Bush, Brenda Coplen, Milton Hubart, Darlene Igo, Kim Manwaring, Bill Rush, Kris Bush, Cindy Fawley, Marla Leffert, Barbara Rush, Ruth Hoffer, and Becky Toll.

We had two members who tied for Champion readers with 23 stars each, and two who tied for Reserve Champions with 19 stars each. The Champion Readers this year were Lynn Knoop of the third grade and Marty Lantz of the second grade.

The Reserve Champions were Debra Anglin and Teresa Yazel of the 4th grade. First and Second place winners in each grade were: Second Grade: Marty Lantz first, Cheryl Anglin second. - Third Grade: Lynn Knoop first, Kip Hoffer second. - Fourth Grade: Debra Anglin first, Teresa Yazel second. - Fifth Grade: Mollie Hoffer first, Marcella Allen second. - Sixth Grade: Maria Hubart first, Darlene Igo second.

SHORT WEEK

Due to the Labor Day holiday we have had a short working week and much of the news did not reach us in time for publication. Much of it will be caught up next week.

1-How To HIDE A RADIATOR !!!

1. One of the most baffling of decorating problems is the protruding radiator beneath a window that is too long, too narrow or too low. Here are five ways you can capitalize on them. Sketch #1, shows a rigid screen covered with an open-meshed fabric. Attach to the bookcases at each side and set out from wall

for radiator adjustments. Sketch #2, shows a table is used to conceal a radiator. To lengthen short windows nail 5-inch box frame, floor length, over old moulding as shown and cover with marbled wallpaper. Sketch #3 shows a chest built over a radiator, with matching shutters on the window. Use

coming for the panels, and don't forget to line the top of the chest with asbestos sheeting. 2. Instead of using short curtains sew a sheer fabric that will admit light through the high windows on to a lower wall-concealing fabric, in a print of your choice. This remodeling device disguises the actual proportions of the window and presents an attractive background for the beds.

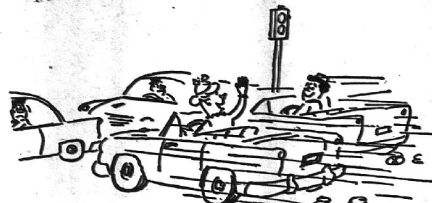

Mrs. Vivian Smith of South Bend visited Friday evening with her sister Mrs. Kenny Wagner. Mrs. Smith surprised Mrs. Wagner on her birthday.

Read Philippians 4:4-9

Whether therefore ye eat, or drink, or whatsoever ye do all to the glory of God. (1 Corinthians 10:31).

Whatever you do—that covers the whole of daily life. The apostle Paul tells us that we all, without exception, should glorify God by our work and life. Not only the missionaries who preach the gospel or the doctors and nurses who minister to the sick glorify God. Also housewives doing daily chores, the men working on the land or in the factory, the girl behind the counter, the policeman on his beat—these can glorify God by doing their work as unto God.

God needs hands for doing ordinary jobs of life, yet doing them in a spirit by which He may be glorified. We find that Jesus of life as illustrations of divine used generally the lowly tasks of life as illustrations of divine truth and service. He spoke of baking bread, of sweeping floors, of patching worn garments to illustrate His teachings. There is no task so lowly that we cannot in it be doing it honor and glorify God.

PRAYER: O God, our Father, Thy forgiveness ofttime...mg we bow before Thee and ask Thy forgiveness of our sins May the spirit of Thy dwell in us that our constant desire will be to love Thee and prove our love by obedience to Thy will. So may we ever honor Thee, for Jesus' sake. Amen.

THOUGHT FOR THE DAY
No task is so lowly that we cannot honor and glorify God in the doing of it.

Will Have Family Night

A WCTU Family Night will be held on Thursday evening Sept. 10 at 8:00 p.m. at the Foster Chapel Church. The guest speakers will be Mr. and Mrs. Carl Ellison, who are superintendents of Gospel Center Mission in Stockton, California. Mrs. Ellison was raised in the Bourbon vicinity by Ethel Himes. They will show pictures and tell of their work at the missions.

Homemaking News

Mr. E. R. Honeywell, Horticulture Specialist from Purdue University, will be in Warsaw, Thursday, September 24, to present a program on "Fall Planting of Bulbs and Perennials."

He will have slides to illustrate his talk on the types of bulbs, how deep to plant them, and also how to care for them.

Mrs. Ruth McCleary, Extension Agent, Home Economics, says that all flower lovers are invited to this program. It is a

good opportunity for those planning new landscaping to receive help with color combinations.

This meeting will be held at 1:00 p.m., at the Women's bldg. at the Fairgrounds, Warsaw.

At The Turn Of The Century

Somebody tells a fairy story of an artist who painted a dog so naturally that the animal had hydrophobia during the hot weather. He is the same who painted a copy of a beer bottle with such skill that the cork flew out just as he was finishing it. After he was married he painted a picture of his first baby so life like that it cried, and his wife spanked it before she discovered her mistake.

"The same old story, the same old candidate, the same old issue, and the same old end," is the remark of a disgusted Eastern editor.

An exchange tells of a woman who could not afford a new \$5 hat, that she visited a millinery store, saw the late styles and went home and pounded her old hat for a half an hour with a rolling pin, stuck in a feather and went to church the next Sunday the envy of all the women there.

The latest reports fixes Indiana's wheat crop at 15 per cent which means failure. Ohio is fixed at 29 per cent. Drouth in the northwest augurs a failure there and the result has been to advance prices and the board of trade boys have been feeling jubilant over the advance.

An editor, being asked if he had ever seen a bald headed woman replied, "No we never did, nor have we ever seen a woman waltzing around in her shirt sleeves with a cigar between her teeth. We have never seen a woman go fishing with a bottle in her hip pocket, sit on the damp ground all day and then go home drunk at night. Nor have we ever seen a woman yank off her coat and swear she could lick any man in town. God bless her. She ain't built that way."

ing in local, state, and national contests. Details concerning major candidates will be repeatedly publicized even though voters are already well acquainted with them.

The politician, whatever his stature, does not make the mistake of assuming that the public has tastes which are fixed by first impressions.

The political scientist correctly assumes that the public generally has a short memory and a fickle loyalty.

"I begin each campaign with the assumption that no one remembers any good I have done, that no one owes me anything, and that I owe the public everything," states a venerable Congressman who has served his district 28 years.

His philosophy makes good advice for anyone planning advertising for a business. For, like

political images, retail markets and brand names are in constant danger when advertising effort is relaxed.

Pleasant Valley Club Hears Don Pressel

The Pleasant Valley Community Club members met Wednesday afternoon in the social rooms of the Rochester office of the Production Credit Association. Members answered roll call with "Highlights of your summer". Mrs. Mack Haimbaugh was hostess for the meeting.

Dues were paid and each member received her yearly program book. Carrying out the theme of conservation, pictures of song birds graced the covers of the books.

The president, Mrs. Delbert Hunter, opened the meeting and

pledges to the American and Christian flags were given.

Mrs. Devon Eaton gave devotions, reading scripture verse from Galations, Chapter 5, verse 22 and verses from John Chapter 15. A verse, He giveth Peace was read and prayer ended her remarks. The club was awarded a citation for meritorious service in the honor roll for clubs with 102 points from the Indiana Federation of Clubs.

Mrs. Charles Borden presented Mrs. Chloris Barkman, the outgoing president, with a gift.

Mrs. Kermit Biddinger reported on the district council meeting held at Culver, naming the three national and six state projects. She also announced that Fulton County will be hostess to the 13th district convention meeting held October 29 at Akron.

The club members were asked

to save memorial stamps to give to veterans.

Program chairman, Mrs. Ronnie Utter, introduced Mr. Don Pressel, who showed two fine films, one from Farm Equipment Institute on land conservation and the other on "Credit Where Credit Is Due."

The meeting closed with members repeating the Collect.

Lera Alsapach will be hostess to the October 7 meeting. A make or bake sale will be held at this time.

Delicious refreshments were served to twenty members and one guest.

Parson Jones Speaks

Dear Mr. Publisher

I saw in the paper where you just got back from the World's Fair. They say there's a lotta good shows up there but you missed a better one by not being in our men's meeting the other night. Our program was on these new women's topless bathing suits. Amos was in charge of the meeting for this month and he said he thought programs oughta cover important subjects.

The thing that made the program so interesting was that it was ladies night. You can imagine what happened. The subject was covered pretty well before the meeting was over. topless bathing suits were made

Amos started off by saying that topless bathing suits were made for brainless women. Well, sir, that didn't set with his wife a'- and shouted that there tell. She jumped to her feet and shouted that there wasn't no such hing as a brainless women. All of 'em had more sence than men. Besides, it was a man that designed these "stingy" bathing suits. Ole Doc Chagewright, who is a bachelor claimed that the reason a man invented this topless contraption was to show how dumb women was. I'm a-fraid there would have been some blood-shed if I hadn't reminded 'em they were in the church.

Ellie Nicklesinger said that wearing topless bathing suits was a sin and oughta be outlawed by the supreme court. Amos wanted to know since when had the Supreme court got interested in sin. Hezekiah said he didn't know whether it was a sin or not, cause Adam and Eve went naked before they sinned. He pointed out that according to the Bible them-new-fangled bathing suits was alright. When Hezekiah set down his wife got up and contradicted him. She said the Good Book forbids folks showing their nakedness. (Ain't it peculiar, Mr. Publisher, how every body can prove their point from the same Book?)

Ben Twist, one of our teenage boys, said he couldn't see what all the fuss was about.

Hezekiah's oldest daughter, who was also there, pointed out that men had been wearing topless oathing suits for years and she couldn't understand why women shouldn't have equal rights. Well sir, her maw sure taught her a lesson in equal rights. She poped her upside the head.

The meeting was finally adjourned, but we didn't come to any unanimous conclusion. I don't look for any of our ladies to wear these things in public though. However, I do look for folks in other parts of the country to wear 'em. Most everybody wants to show something, and when a women ain't got brains she'll try to show something else. My wife said folks had read Darwin's theory on how folks come from animals so much that they're wanting to go like one.

Who knows, maybe some day folks will go plumb naked, wear a dog collar around their necks and use flea power instead a deoderent. Maybe they'll even be led around by a dog wearing britches. I got to close, Mr. Publisher, and go get my distemper shot, cause it looks like the world is going to the dogs.

Yours truly,
Parson Jones

Odds And Ends

by Ann Sheets

Learning to speak a foreign language wouldn't be nearly so hard of it weren't nearly so foreign. Our hearts go out to the first year language students this year and we wish them the greatest of luck. It's more than worth all the effort entailed in learning another language but sometimes it is quite hard to remember that.

We had been in Germany about six months when the real urge to study German hit us. What actually hit was an announcement by the chaplain that he had the names of a German couple who wanted to learn English in return from German lessons. Knowing no cheaper way to learn we called the couple and soon made life-long friends.

Waltraud and Ulrich came to our house once a week and we went to theirs once a week. We studied and ate and played cards

and learned more about German in a few weeks than we had in the six previous months. We learned more about almost everything than the German language.

Between bites of Koenigsburger Klops at their house and apple pie a la mode at our house we learned enough German to keep from starving but hardly enough to go very far in life. I still had to wave my arms, point, gesture, and get out my dictionary to buy a diaper pail and Loren still had to give an arm motion of a heater to buy one for the car, but we could order good meals, ask for pencils, books, directions, and the time of day. This was a great improvement from the time I had given the street car conductor the name of the street I heard a man say to keep from getting thrown off the streetcar. Luckily, this was the right street for me too!

Learning to get the R sounds and the Z sounds nearly drove us crazy and Loren was frequently heard going, "Errrrrr" in his sleep and the Z sound which should be pronounced "zet", hard in the throat, gave us no end of trouble.

The lessons and the food continued until the night we left to return to the States and we discovered that what we had lacked in learning the language we had gained in friendship and respect of two friends. And our ideas had changed more drastically on many things than we had ever thought possible. I had cut the word "Germany" out of my fifth grade dictionary, considering all Germans "Nazis" and bad.

Now I found myself clinging to Waltraud and crying the same kind of tears she was crying. Waltraud, victim of forced marches, hunger, loss of parents, home, and possessions, had become like a sister to me who had known none of the horrors of war. We wept together while

Loren and Ulrich, who had spent two years in Siberia as a prisoner of war, bravely shook hands over and over and said "Auf Wiedersehen" over and over and teased Waltraud and me, although it was plain their hearts were not in the humor.

We had learned a valuable lesson, the language of the countries may be much different than the language of the heart but the affection between friends is the same, regardless where you are. And where there is love and affection there is always a little hurt.

Lincoln-Kennedy Lives And Deaths Show Similarity

Dick Harlan, Akron, has sent the following contrast of facts about Presidents Lincoln and Kennedy, both assassinated, which he read in the West Plains, Mo., Quill.

Both our presidents Lincoln and Kennedy were concerned with civil rights.

Lincoln was elected in 1860 and Kennedy was elected in 1960.

Both were slain on Friday and in the presence of their wives.

Their successors, both named Johnson, were Southern Democrats who had previously served the south.

Andrew Johnson who born in 1808, L. B. Johnson was born in 1908.

John Wilkes Booth was born

in 1839 and Lee Harvey Oswald was born in 1939.

Both Booth and Oswald were murdered before trial could be arranged. Booth and Oswald were both Southerners favoring unpopular ideas.

Both presidents wives lost children through death while residing in the White House.

Lincoln's secretary whose name was Kennedy, advised him not to go to the theatre.

Kennedy's secretary whose name was Lincoln advised him not to go to Dallas, Texas.

We might add to this list one that we saw recorded somewhere showing a similar list of similarities between the two men. Andrew Johnson was defeated for re-election by a Republican whose last name began with G. A prediction of things to come.

Norton Advises Drivers: "Take Time For Safety"

School has begun, vacations are over, and fall and winter are on their way.

It is time for extreme alertness in our driving habits. We must change from summer driving to the hazards of fall and winter driving. Children will be crossing the streets going to and from school. And let's also be especially alert for the school busses on the highway as a little later in the fall they will be loading and unloading children in the dark.

It is a proven fact that where traffic laws are enforced acci-

dents decrease. The traffic laws are made for our protection, but there is very little protection unless everyone obeys them. Your police department will be making an all out effort to see that the laws are obeyed.

We have a nice little town and we all love our children and friends. I am sure we all want to make this a safer and better place to live so we are asking for your sincere co-operation in obeying the traffic regulations and to remember this little slogan, "TAKE TIME FOR SAFETY."

Gene M. Norton
Chief of Police

Brother Of Local Woman Crushed To Death

Thurl (Jim) Fear, 57, of Argos was found crushed underneath a car he was working on near Plymouth Monday evening.

He was the son of John and Susan (Julian) Fear. He was born in Sevestapol on March 3, 1907, and moved to Argos about 32 years ago. He was married to Elenora Mechling of Argos, she preceded him in death in 1944.

Surviving are a daughter, Mrs. Lowell (Ruth) Hollar, R. R. 1, Etna Green; 2 sons, John and Harold in California, 2 sisters, Mrs. Ed (Edith) Scott of R.R. 1, Argos, and Mrs. Dick (Juanita) Boganwright of Claypool; a half sister, Mrs. Jim (Ethel) Davis of R. R. 1, Etna Green.

Funeral services are incomplete, depending on the sons in California.

Harry Sullivan Hired On Trial As Water Commissioner

The Mentone Town Board met September 7 with board members, Loren Tridle, Bill Rathbun, and Jim Gates, present. The board hired Harry Sullivan on a three month trial basis as water commissioner.

Mr. Sullivan will replace Ed Davis who resigned September 1. He will attend a waterworks workshop at Michigan City on September 29.

Other business included a plan by Jerry Secrist to improve an alley near his home.

Mentone Police Make Monthly Report

The monthly report by the Mentone police department shows a full round of activity. There were 16 complaints, 3 traffic arrests, 3 traffic warnings, 1 criminal arrest, 1 parking violation, 3 vandalism reports, 4 doors unlocked, 2 accidents, and 2 prowler reports.

ANNE WHITE ENTERTAINS OLIVE BETHEL SOCIETY

The Olive Bethel Society met Wednesday evening at the home of Anne White. The meeting opened with the group singing "Shine in Me" and "Lift Him Up."

Devotions were given by Mrs. Marie Dawson. She used thoughts from notes taken from sermons at the Yellow Lake Camp meeting. Roll call was answered with a scripture verse and minutes of the last meeting read and approved. Prayer was given by Mrs. James Ellison. A business meeting was conducted by the president, Anne White.

The lesson, On The Spanish Americans, was presented by Mrs. Charles White. Refreshments were served to eight members by the hostess. The meeting will be October 14th at the home of Mrs. Paul Kindig.

P.T.A. Lists 100 New Members; Begins New Year

First Mentone PTA Meeting Well Attended

Over 150 adults and children attended the carry-in-supper in the school cafeteria. After the supper the children went to a room where supervised films were shown. The adults gathered in the gym where the new president, Mrs. Tom Harmon called the meeting to order with the pledging allegiance to the American flag.

Devotions were brought by Mr. and Mrs. Brad Moore. Mrs. Moore sang "I Believe", accompanying herself on the piano, and Mr. Moore led in prayer.

Mrs. Harmon introduced the new officers: Vice President Everett Welborn, Secretary Mrs. Richard Dickerhoff, and Treasurer Mrs. Kenneth Wagner.

The Grade-Count was won by three rooms tying: Mrs. Barkman's 2nd and 3rd combined class, Mrs. Tombaugh's 4th grade, and Mr. Logenbaugh's 5th grade. Each room had 21 parents present.

Stroke Fatal To Bessie Wilson

Mrs. Bessie (Hazel) Wilson, 72, Mentone, died Friday evening at the Murphy Medical Center of a stroke. She had been in failing health for several years but her death was unexpected. She had been ill only a few hours.

The daughter of Benival and Emma Calhoon Guise, she was born near Culver May 3, 1891. She married Delbert L. Wilson on September 26, 1912 and he preceded her in death 13 years ago. She formerly lived on R. R. 2, Claypool, but for the past several years she had lived with her daughter, Mrs. Kenneth (Louise) Barkman.

Surviving with the daughter are five sons, Charles, R. R. 5, Rochester, Olean, Wabash, Laurie, R. R. 2, Claypool, William, So. Bend, and Edgar, Cicero. Also, two other daughters, Mrs. Byron (Opal) Nellans of Mentone and Mrs. Jack (Lucella) Pritchard, of Sellersburg. Twenty-four grandchildren and eight great grandchildren also survive.

King-Reed Funeral Home was in charge of the arrangements. Rev. Glenn R. Campton officiated at the services and burial was made in the Poplar Grove Cemetery.

BIRTHS

Mr. and Mrs. Jerry Blackburn are the parents of a daughter. The mother is the former Elizabeth Ann Tucker. Grandparents are Mr. and Mrs. William Tucker of Burket and Mr. and Mrs. William Blackburn, R. R. 1, Mentone.

Mrs. Wayne Bowser, membership chairman, reported that over 100 signed up as members of the PTA at this first meeting.

After the short business meeting, Judge Gene B. Lee, the new Judge of the Kosciusko County Circuit Court, spoke on the importance of a good relationship between parents, teachers and students, the PTA being a liaison group between the students and faculty. Members of the PTA often are informed, or become aware of needs, or steps that should be taken, that have not come to the attention of the faculty. The PTA is an important part of the school system. Parents should not wait until it is too late to take an interest in their children's school activities, he stated.

Those who served on the kitchen committee were Mrs. Carl Zolman, Mrs. James Gates, Mrs. Walter Smith, and Mrs. Kenneth Boggs.

The next meeting will be Open-House at the newly remodeled Talma School on October 14th. All Mentone, Talma and Burket patrons are invited. School calendars will be available at this meeting for those who have not already received them.

Mrs. Mary Ann Vandermark Dies

Mrs. Mary Ann Vandermark, 89, died at her home Wednesday of complications following an illness of several months. Mrs. Vandermark was born in Burket to Frank and Sarah (Clingerman) Melton on Sept. 25, 1874. She was married to Levi Vandermark, who preceded her in death. She attended the Baptist Church in Mentone.

Surviving are a daughter, Mrs. Gordon (Edith) Young of Warsaw, and two sons, Orville and Earl, both of Mentone. One daughter preceded her in death. Services for Mrs. Vandermark were conducted at 2:00 p.m. Friday with Rev. Glenn R. Campton, pastor of the Methodist Church, officiating. Burial was at the Mentone cemetery.

Mr. and Mrs. Taylor Russell of Detroit, Michigan called on Mr. and Mrs. Claude Barkman recently.

Callers on Mrs. Clyde Johnson who is in the hospital were Mr. and Mrs. Raymond Fenstermacher of Dyer; Mr. and Mrs. John Funk of Goshen; Mr. and Mrs. Robert Kindig of Elkhart; Mr. and Mrs. George Clemans of Akron; Mr. and Mrs. Kenneth Goodman, Mrs. Francis Brown, and Mrs. Donald Bennett of Rochester; and Mrs. Hazel Kratz of Warsaw. Saturday night callers were Mr. and Mrs. Dale Chapman of South Bend.

Karen Heighway United In Marriage To Larry Wilson

Baskets of white gladioli, palms and candelabra graced the altar of the Beaver Dam Evangelical United Brethren Church Sunday afternoon August 23rd, for the wedding of Miss Karen Heighway and Mr. Larry Wilson. The double-ring ceremony was read by Rev. Joe Bear.

The bride is the daughter of Mr. and Mrs. Robert Heighway, R. R. 2, Akron, and the bridegroom's parents are Mr. and Mrs. Roy Wilson, R. R. 1, Montgomery.

The bride approached the altar on the arm of her father, wearing a gown of organza over taffeta with hand clipped chantilly lace. The fitted bodice of lace featured cap sleeves and sabrina

neckline. Seed pearls and iridescent sequins highlighted the neckline. The bouffant skirt of organza, tipped with a tier of chantilly lace, accented with a cabbage rose in front, fell into a chapel train. Her veil of illusion was held by a pearl crown, interlaced with illusion. She wore a pearl necklace and earrings, a gift of the groom. Upon a white Bible she carried a pink rose corsage with streamers knotted with sweethearts rosebuds.

Mrs. Con Shewman served her sister as matron of honor. Mrs. Ernest Heighway, sister-in-law of the bride, and Mrs. Robert Foltz of Mentone served as bridesmaids. They wore identical street-length dresses of Nile green dacron and cotton, accented by bell shaped skirts. Their matching head pieces featured a cab-

bage rose atop three petals tipped with seed pearls, and with shirt veils. They carried cascade bouquets of white carnations accented with green.

Robert Wilson served his brother as best man. Douglas and George Wilson, also brothers of the groom; and Ernest Heighway brother of the bride, and Con Shewman, brother-in-law of the bride, seated the guests.

Carrying white satin heart shaped pillows, featuring lace and green ribbon and made by the sister of the bride, David Heighway and Ron Shewman, nephews of the bride, served as ring bearers.

Little Delbra Heighway, niece of the bride, was flower girl and appeared in a dacron and cotton Nile green dress with matching headpiece.

Ernest Heighway and Con Shewman lighted the candles.

An organ prelude was presented by Mrs. L. J. Swick, aunt of the bride, and Ned Heighway, brother of the bride, was vocalist. He sang "I Love You Truly" and "Tell Me Why". As the couple knelt at the altar, the bride sang the "Wedding Prayer."

The guest book was held by Miss Linda Severns of Rochester. Douglas Heighway, Janet, Clifton, and Dale Wilson had charge of the gifts.

A reception at the gymnasium followed the ceremony. Serving at the reception were Mrs. Robert Wilson, Mrs. Douglas Wilson, and Mrs. George Wilson, sisters-in-law of the groom, Mrs. Jack Hartzler, Mrs. Fred Haney Sr., Mrs. Eldon Cumberland, and Mrs. Don Smalley.

Following a honeymoon trip to Northern Michigan the couple will reside at R. R. 1, Montgomery.

Parson Jones Speaks

Dear Mr. Publisher

I hope you're holding up under this hot weather. If Hell is much hotter than it's been the past few days I don't want no part of it. Sometimes I think the reason it gets so hot is that the Devil leaves the lid loose down below and it leaks through. My pore ole constitution just can't stand it. Either they're gonna have to change the weather or else I'm gonna have to change my constitution.

Talking about constitutions, Mr. Publisher, I see in the paper where they're talking about changing the one we got in Washington. Ever since the Supreme Court kicked Bible reading and prayer out of the public schools, there has been talk about changing the constitution so's God can be mentioned in the class room. Well, one good thing about this hole mess is that they're finally talking a-bout God in Washington.

Mr. Publisher, I been thinking a right smart about this subject and I've about made up my mind to write my congressman. I'm gonna ask him if the Supreme Court's decision to keep God's name outa the class room includes cussing too. In other words will it be alright to use the Good Lord's Name as profanity, as long as you don't pray. The reason I'm curious is cause I was over at the High School the other day, and even though they've cut out Bible readings the younguns are still using God's name in cussing. Now the thing I wanta know, is this constitutional? I asked Hezekiah a-bout this matter and he observed that it would be alright to cuss God, but not praise Him.

Another thing I'm gonna ask my congressman is whether God is bound by the Supreme Court's decision or not. What I'm wanting to know Mr. Publisher is that if they forbid the Lord to go in the schools and He goes anyhow, what can the government do? Can they take Him to court?

I'll tell you, this hole thing has got me a little worried, cause when Adam tried to run God off, he got run off himself. I'm a-fraid that's liable to happen again. They always told me if a fella got too big for his britches he might fall out of em—and then he wouldn't have no britches atoll. I reckon that's the same thing as showing your tail. I shore hope the Lord don't take serious all this stuff that's going on. Maybe He'll let us off on a temporary insanity plea.

Well, Mr. Publisher, I got to be running along and work on my sermon. I'm gonna preach on sheep this Sunday. I been reading up on sheep a little, and I understand why the Good Lord calls us sheep. I read where they're the dumbest, most helpless animal on earth. I'd say right off hand its a good comparison. See you in the pasture—over by the long grass.

Yours truly,
Parson Jones

Mina Partridge Dies At Woodlawn

Miss Mina Partridge, 78, of near Talma died Wednesday afternoon at Woodlawn Hospital in Rochester where she had been a patient for the past two weeks.

She had resided in the Talma community all of her life except for a few years spent in Marshall County and in Toledo, Ohio.

The daughter of Clinton and Martha Edison Partridge, she was born February 13, 1886 in Fulton county. She taught school for a few years but did clerical work most of her life.

She is survived by three sisters, Miss Olive Partridge, at home, Miss L. Mae Partridge of Washington, D.C., and Mrs. Florence Archer of Toledo, Ohio. Two brothers, Merritt Partridge of Los Angeles, Calif. and Lee Partridge of Chicago, and a step brother, Estil Fish of Tucson, Ariz., also survive. A brother,

Francis, preceded in death.

Funeral services were held Saturday afternoon in the Zimmerman funeral home in Rochester with the Rev. Allen D. Byrpe officiating.

Burial was in the Reichter cemetery near Talma.

CORRECTION

It was incorrectly stated in last week's paper that Steve Nelson, son of Mr. and Mrs. Harold Nelson, was a student at DePauw University. Steve has enrolled as a freshman at Ball State Teachers College, Muncie.

Anthony Nigo Chapter D.A.R. Opens Fall Season

The September meeting of the Anthony Nigo Chapter, Daughters of the American Revolution, was held recently at the home of Mrs. Mary Cox. Mrs. Paul Shireman, regent, conducted the opening ritual and members answered roll call. Reports were given by the secretary, Mrs. James Wells, Jr., and treasurer, Mrs. Wayne Smalley.

Mrs. Charles Tucker read the President General's Message in which Mrs. Duncan noted the D.A.R. Theme for 1964-65, "The people who know their God shall stand firm and take action." The poem, "Christ Speaks in the Twentieth Century," written by Mrs. Fred Schlemmer of Bremen, was read by the regent. Letters were read from Mrs. Maxwell Chapman, state regent, and George A. Leist, president of Indiana Chapter, Sons of the American Revolution, requesting help in securing names of fathers, sons or brothers eligible for membership in the Sons of the American Revolution organization. Correspondence was also read from Mrs. William Cogswell, State Honor Roll Chairman, after which the chapter voted to send a contribution for the cataloging and indexing of articles in the Americana Room at the National Archives in Washington, D.C.

Plans for the Carry Out Fish Fry to be held September 18 at the Menone Legion Home were discussed and the chapter voted

to donate one half of the proceeds to the Mentzer Memorial Park Fund.

Delegates were named for the Annual State Conference of the Indiana Daughters of the American Revolution to be held at the Sheraton-Lincoln Hotel in Indianapolis, October 6 and 7. Mrs. Wayne Smalley was elected delegates and Mrs. Hazel Linn, alternate delegate. Also representing the chapter will be Mrs. Paul Shireman, regent, and Mrs. Frank Smith, alternate regent. Mrs. Thomas Fugate will serve as a conference page.

Chapter librarian, Mrs. Walter Lackey, gave brief summaries of two books from the public library—*Dream Becomes a Nightmare* by Bryon Barron and W. Jefferson Davis, and *George Mardikian's Song of America*. Mrs. James Wells, Jr. gave the national defense report from an article by J. Edgar Hoover in which he states, "some commentators and writers have been telling us that Russian communism is becoming more democratic; that is moving nearer and nearer to our Western way of life... Certainly, there are many changes taking place today in the Communist world; however these changes are primarily a rearrangement of the Communist structure to make tyranny more adaptable to the changing conditions of our era."

The DAR resolution on civic

and moral responsibility of women was read by Mrs. Dale Cook. Mrs. Frank Smith read "Be An American Voter," which pertained to the need of every citizen to be an informed voter—a voter who realizes that voting is a responsibility as well as a right.

Program chairman, Mr. Loren Gross, observed that September 17 is Constitution Day and introduced Mrs. Lena Igo who presented an informative talk on "The Constitution and Its Signers." The Constitutional Convention convened at the state house in Philadelphia, May 1787, to "establish in these states a firm national government." Twelve of the thirteen states were represented—Rhode Island having refused to appoint delegates. Of the seventy four men appointed to attend the convention, nineteen declined. Fifty-five deputies assembled, but before the Constitution was ratified fourteen members returned to their home for various reasons. Among the framers of our Constitution were lawyers students of law, merchants, financiers, planters, physicians, college professors, and former ministers.

Under the capable leadership of George Washington, who was elected chairman of the convention or the first ballot, the representatives labored to compile a plan of government to replace the inadequate Articles of Confederation. Other delegates instrumental in the success of the convention were Benjamin Franklin, the oldest and known as seer of the convention, James Madison, and Edmund Randolph.

Four months of brilliant debate and cooperative compromises produced a masterpiece. The final draft of the Constitution of the United States was signed by thirty-nine statesmen on September 17, 1787.

During the social hour, Miss Annabell Mentzer assisted the hostess in serving refreshments to the members.

The next meeting will be October 13 at the Mentone School Cafeteria. Professor Wayne Snider of Grace College will speak on Communism. Guests of the chapter will be the American Legion Auxiliary. Members are asked to contact Mrs. Dale Cook if bringing a guest.

Mr. and Mrs. John Bowerman had as Sunday guests her sister, Mrs. Orrell Cooper, and her nephew and wife, Mr. and Mrs. Douglas Ream, all of Niles, Michigan. Mrs. Harold Lucht dropped by in the afternoon for a short while.

GOLD MEDALLION HOMES

BRING THE JOY OF
TOTAL ELECTRIC LIVING

BETTER LIVING BEGINS WHEN YOU
OWN A NEW TOTAL ELECTRIC HOME

Faulty Lighting Cited As Cause Of Many Accidents

Darkness and glare are two of the most dangerous conditions in a home.

Poor lighting is the cause of a great many accidental falls and thousands of crippling accidents, cuts, burns, and bruises.

Darkness alone is not the cause of tripping over an object or stumbling down a stairway. Momentary blindness caused by glaring light can be extremely hazardous. Glare is not caused by a high level of light, but by high contrast of light and surrounding dimness.

Another dangerous condition is dim or uneven lighting. This leads to eye fatigue and a dulling of the senses resulting in numerous accidents that might have been avoided by greater alertness.

Switch in each Room

Here are some lighting tips from the American Home Lighting Institute to give your family and home greater safety and protection. They are based on the Institute's Minimum Light for Living Standards.

1) You should have on per-

manently installed light fixture operated by a wall switch in every room, hall passageway and over every stairway.

2) All light sources, except for very low wattage types, should be shielded from direct view by diffusing materials oropal or ceramic-enamelled glass or plastic. Spotlights and bullets should be positioned so they are not ordinarily directed into the eyes. Certain lighting devices, like wall brackets or lighted cornices or valances, need an opaque shield to conceal the light.

Light Entrances

3) The basic lighting in any room should be provided by fixtures or structural lighting supplemented with local sources of concentrated light from fixtures or portable lamps. This combination of general and local illumination combats glare and eye fatigue which can lead to dulling of the sense, nervousness, tension and fatigue.

4) Each entrance of the home should have outside lighting operated from inside the house.

Electric hairdryers with manicure attachments are among many personal care appliances for your own home "beauty spot."

Create Your Own Electric Beauty Salon At Home

Beauty experts and psychiatrists agree that time spent by the modern homemaker on personal care is time well spent! She emerges from her "beauty-time" looking her best—relaxed and serene—a joy to herself, her family and her

friends. If her busy schedule doesn't allow time for "the works" at a professional beauty salon, today's wise woman will set aside a little time each day and perhaps an hour or two one care. It's easier than you might day a week for some beauty think, with the aid of electric appliances.

Hair-set—Manicure—Massage?

Home beauty - care appliances are available for just about any kind of grooming job. Some hair dryer kits include attachments for drying or buffing nails. And, there are separate kits which provide for really professional-

type manicures and pedicures at home.

Another boon to the tired homemaker is an electric massage unit, which comes with a foot-bath for warm-water foot massage. Used without the tub it provides complete body massage.

Of course, these appliances, like all electrical helpers, need conveniently - located electrical outlets in the bedroom or in the bath-dressing room.

In a Gold Medallion Home, you can pick any convenient corner for your "beauty-spot" and be sure of finding a place to plug-in your personal electric equipment. That's just one of the many joys of total-electric living in a Gold Medallion Home.

It's What's Inside That Counts In Electric Home

If you or your husband have seen an ad or read about the new concept in modern living called a total electric home and this has conjured up a George Orwell futuristic type existence, dismiss the thought immediately. . . total electric homes are quite human. Although their conveniences are futuristic, total electric homes look just like others in your town. Some of them may resemble the Dutch Colonial tower the street that was built by the town's founding fathers 200 years ago or they may resemble the smartest, sharpest modern designs of Frank Lloyd Wright. With a total electric home, it's what's inside that bring you the joy of total electric living.

Your electric utility will be the best place to learn about total electric Gold Medallion home standards, and the exact location of total electric homes in your community.

Standards for total electric homes have been set up on a national level to insure uniform quality. These standards assure the prospective home owner of a dwelling that will meet his present requirements and his future needs in the constantly improving amenities of modern living. The Gold Medallion Home program of the electric utilities is the hallmark of excellence in total electric living.

Mrs. Winfred Summe's home, located in Sauer's Addition.

SANER'S ADDITION HAS GOLD MEDALLION HOMES

The home of Miss Olive Gillespie's sister, Mrs. Winfred Summe, located in Sauer's addition on State Road Road 14, is a Gold Medallion Home. This addition has all the facilities for Gold Medallion Homes as well as conventional homes. It has city water and city trash and garbage pick-up. These ½ acre, restricted homesites can be purchased from Loyd and Doris Sauer either for cash or on contract for as little as \$100.00 down.

Total Electric Really Different

Total electric houses are different! You may not have experienced living in one but you have certainly tried it out in bits, pieces and parts.

And not having lived in one is not unusual. After all they weren't around in grandma's day or when mother was a bride.

But total electric houses did not grow up overnight either. You have known the convenience of electric living in small doses since you were a child. Now these bits and pieces have been combined with more major advances and the total electric home has emerged—a home in which flameless electricity serves as the total source of energy and power.

An electric coffee brewer-dispenser is one of many new work saving appliances you can enjoy in Gold Medallion homes.

New Electric Work Savers

Home buyers are reaping the benefits of electrical equipment originally developed for commercial and industrial use. Residential inter-communication and sound systems for music are examples that readily come to mind.

Some of the unusual new work-saving, step-saving devices you may see in total-electric Gold Medallion Homes are adaptations of food preparation and serving equipment used in restaurants, industrial plant cafeterias, hospitals, even the self-service food stops along our super-highways. "Why can't you make something similar for our kitchen?" homemakers asked. And the manufacturers have obliged.

Here's a brief run down of such special-purpose appliances which reflect the better way of "doing things" electrically:

Automatic hot-water dispensers deliver an instant supply of piping hot water for making tea, coffee, soups, etc. The units may be built in or mounted on kitchen counter—a handy replacement for tea kettles!

A hot-food server that holds food for hours under controlled temperature and humidity conditions. Resembling a drawer, the insulated server unit is most often built in under-counter cabinet space. A boon for homemakers with families on odd-hour schedules, for entertaining (eliminates the problem of keeping-everything-hot-in-the-oven).

Fresh coffee brewer-dispensers that measure the coffee, add water, a cupful at a time and, after dispensing, automatically flush away the coffee grounds and clean the brewing chamber. Units require plumbing lines; may be installed as built-ins, or on counter tops. Makes each cupful to preferred coffee strength;

ends re-heating stale, left-over brew.

Power units that enable home cooks to mix, blend or grind foods and liquids automatically by merely snapping the specific equipment onto the unit, flipping a switch. Compact in size, the units may be installed in cabinet drawers or through counters with the surface flush to the rest of the counter top. Eliminates time required when individual housewares are removed from storage and assembled; saves on amount of storage space necessary.

Food Well-Kept In a Total Electric Home

Among the major appliances you're almost sure to find in a total-electric Gold Medallion Home is a beautiful new refrigerator. It might be a combination refrigerator-freezer, or one of the increasingly popular "all-refrigerator" models. Whichever type it is, be sure you take time out to examine it carefully, both inside and out, while you're inspecting the kitchens of Gold Medallion Homes! Notice how many features the new refrigerators offer, not found in older models!

Slim and Trim

First, notice the slim, compact styling. Modern refrigerators give lots more food-storage area, but fit into much smaller space, thanks to thinner but more efficient insulating materials. Open the door, and you'll soon see how roomy they are inside—

and how well-planned for storing every kind of food which requires refrigeration.

Refrigerators don't all look alike, either. Some models have refrigerator and freezer sections separated by a storage drawer or a preparation counter-top. (The latter reminded us of Grandmother's big kitchen cabinet—but what a difference!)

Lots of Ice—No Defrosting

A special feature on many new refrigerator models is an automatic ice-maker, which freezes and stores ice cubes, as needed, without refilling trays. Or, you might find a special bin in the freezer compartment for storing ice cubes previously tray-frozen.

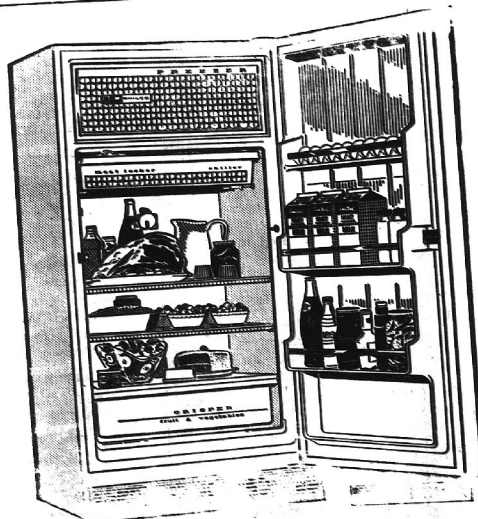

But the feature most homemakers love best is the elimination of frost from both refrigerator and freezer sections. "No-

defrosting—ever" is the proud slogan of refrigerator manufacturers this year! This not only is a work saver for the housewife—it adds to food-keeping ability too! A pile-up of frost is bound to occupy precious storage space and cut efficiency as well.

Modest But Mighty

The unobtrusive refrigerator tucked modestly between cabinets in the Gold Medallion Home kitchen should not be passed over lightly! It contributes mightily to the Joys of Total Electric Living!

Because flameless electric water heaters need no special flue or vent, you can install them where you want them.

Hot Water When You Need It

Thirst isn't the only need that can make you uncomfortable where water is concerned. A lack of hot water can be equally exasperating when it comes to that final load of clothes to be washed or the desire to luxuriate in a warm bath.

The quick recovery, long lasting, flameless electric water heater is the best answer, according to the Live Better Electrically Program of the Edison Electric Institute, when you have lots of water but none that's hot.

Flameless electric water heaters are famous for their good looks, as well as their ability to

fit where they can be most economically installed. Because they need no vent and are the hardest most on the market to be cubby-holed or installed right out in the open. You can put them where you use the most hot water, avoiding long, wasteful pipe runs.

Another outstanding advantage of the electric water heater is dependability and fewer service problems. Steady, even heat makes for less wear and tear. No hot spots develop to destroy the construction of the electric water heater and because they are flameless, there is no soot or grime.

Gold Medallion—Not Size Or Design—Identifies Total-Electric Home

Total electric living is a way of life which need not carry a big price tag. Neither is it found only in homes of ultra-modern design. Home buyers who seek the most house for the money can identify total-electric homes by the Gold Medallion emblem, no matter what size or type of house they have in mind.

Hideaway or Mansion

Gold Medallion Homes which are displayed at the N.Y. World's Fair this year present perfect examples of the way in which total-electric living can be achieved in a wide variety of settings.

One is a typical "vacation" house, frankly designed as a "second home" or possibly a retirement home. It is offered by its sponsor complete with all total-electric features, furnishings and land at a very modest price. It was awarded the Gold Medallion, because it meets established electrical requirements.

At the other end of the Gold Medallion scale is an upper-bracket luxury home which is unique because it is encased in a concrete shell, the top of which is 3 feet underground! After descending to the living level, visitors find that breezes blow and flowers grow—all through the magic of electricity! At the front entrance, the Gold Medallion emblem testifies to the fact that it is a total-electric home in all respects.

Conventional or Unique

Still another World's Fair Medallion Home is designed for an average family. It actually has been duplicated by builders in communities around the country, who have adapted the basic plan to a variety of architectural styles. This home, too, proudly displays a Gold Medallion emblem, because it is total-electric.

For those seeking unique architectural design, there is a Gold Medallion "Dream" Home

Wall Fixtures Popular Again

Wall lighting fixtures are enjoying their greatest popularity since the turn of the century, when they were used lavishly in every luxurious home or apartment.

Versatility is the main cause of the surge, according to the American Home Lighting Institute.

Wall fixtures provide general room lighting, add dramatic accent, or can be used to highlight action areas without adding the clutter of too many table or floor lamps.

Designs range from cone and bullet-type shades to those with arms that can be raised, lowered or swung from side to side. Long fixtures behind valance type shields are used to wash walls with light above and below. Numerous scene styles are also available at most lighting fixture showrooms.

Many wall fixtures combine uplight for general lighting with downlight for reading or other seeing tasks.

Some add dramatic accent to a planter or the lines and colors of a painting or other art object.

Many homemakers are using coordinated ceiling and wall fixtures for balanced lighting.

at the Fair, in the \$55,000 price range. What makes it unique is its hexagonal shape outside and its artful blending of total-electric living and exciting design ideas inside.

The fifth Gold Medallion model seen by World's Fair visitors is the Enchanted Medallion Home, where each total-electric feature is explained and demonstrated.

Flameless Heat Amazes Experts

Electric heating is catching on so fast that it continues to amaze even the experts. Eight years ago there were only \$50,000 electrically heated homes. The number of electrically heated homes in existence today is almost five times that amount!

The Federal Power Commission now estimates that by 1980 19 million homes will be heated by flameless electricity; the electric industry, itself, predicts 29 million by 1980. And these figures may have to be revised if the demand continues to accelerate.

The swing away from other forms of heating in favor of electric heating has taken place in both apartments and single-family homes, states the Live Better Electrically Program of Edison Electric Institute. They anticipate that one out of every 5 new homes built this year will be electrically heated.

See Medallion Models Here
Of course, it isn't necessary to make a trip to the World's Fair to find a Gold Medallion home which just fits your own family and pocketbook.

The Gold Medallion has been awarded by your electric utility to many homes in this area which meet approved standards for total-electric living. You can visit the models displayed by builders who have earned the Gold Medallion for their homes... and elect your own setting for the Joy of Electric Living.

Part of this trend is due to the economy of flameless electric heating — its cost keeps going down. While the price of electricity for heating has continued to drop during the past few years, the cost of other heating fuels has risen consistently.

According to Live Better Electrically, most of the demand for flameless electric heating can be traced to the chain reaction started by each homeowner who discovers the cleanliness and comfort of an electrically heated home. When the homeowner experiences this clean, comfortable, trouble-free heating he makes his satisfaction known to friends, relatives and all who visit his house. One visit is usually enough to convince anyone that they are missing a lot of comfort if they don't have electric heating.

With more than one and a half million such salesmen it's no wonder that electric heating is catching on so fast.

Flameless cooking is a real joy in ovens with the special easy-cleaning features found in electric ranges.

Flameless Ovens Cleaner and Cleaner!

What do women hate most about a range? A dirty oven! They call cleaning their oven the meanest household job and, despite the invention of effective and efficient oven-cleaning preparations the gals still hate it.

It is usually agreed that the only way to lick the bugaboo of a dirty oven is to clean it every time it is used—but this seems to be universally impractical to do.

It is a proven fact that the flameless electric oven is the cleanest oven available today. There is less spattering and the heating elements are self cleaning.

In addition, most electric ranges come with special ease of cleaning features. These include oven doors that lift off, oven walls specially treated so that spill-over food won't stick, heating elements and racks that unplug for easy access to all oven surfaces and panels that slide out for quick cleaning in the sink.

But one of the newest wrinkles in "care-free" electric cooking is the new self-cleaning oven available only in electric ranges.

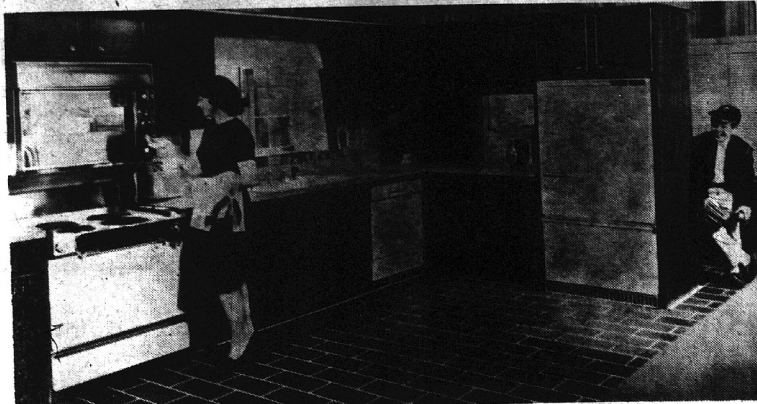

These new electric ovens employ flameless electricity to clean soiled surfaces. The clean-

ing process is done automatically with the oven door closed. At the completion of the automatic cleaning process even the remote corners in the oven as well as flat surfaces are perfectly clean. With heavy soil only a bit of ash, about as much as one might get from a single flick of a cigarette, is left in the oven. At the conclusion of a cleaning cycle the oven looks as clean and new as if it had just left the factory.

Electric ranges are tops in cleanliness because they are flameless, according to the Live Better Electrically Program of Edison Electric Institute. And with the many ease-of-cleaning features found in the new models the up-to-date homemaker finds oven cleaning an easy task.

"Let's not save any more than I can afford!"

In a total electric home flameless electricity can cook dinner while the 'cook' goes to a Little League game and it even washes the dishes after dinner.

Want Future Living Now

Flameless electricity is the fuel of the present and the future. Ten, twenty or even thirty years from now it will still be the most modern way to live—and the most practical one. But if you want future living today, then a total electric home will be important to you now.

It is the quality and convenience of electric living that gives it value. In a total electric home flameless electricity can do your dishes, wash and dry the family laundry, heat the water, warm or cool your house, cook for you—even when you're not around—and perform more than 166 other services with the flick of a switch, the spin of a dial. It has been estimated that the total electric home can render 2,000 servant hours annually. And those 2,000 servant hours are available, not only on a millionaire's income, but on the budget.

Total Electric Living Is Better Way

Our way of life revolves completely around flameless electricity. From the moment we awaken in the morning until the time we go to sleep, electricity works for us—to cook our food, to wash the dishes, to heat or cool and purify the air we breathe, to light our way, to dry clothes, to clean the house and to perform a hundred other tasks that make life easier for us.

According to the Live Better Electrically Program of the Edison Electric Institute, you could turn time back 65 years simply by taking electricity away. Without electricity, we would slip back into a life of drudgery and discomfort with no time left for recreation or relaxation.

In those days, instead of tossing wet clothes into an electric dryer and pressing a button, the housewife spent a tedious hour hanging them up on a clothesline and taking them down at the end of the day—provided it didn't rain.

The mom of the house spent hours feeding and tending a smoky furnace, yet the heat it

produced was so uneven you could go from hot to cold merely by crossing the room. And, it was so undependable—either you ran out of fuel or the furnace got tired and quit. Today's heating is electric. You never run out of fuel, and the heat is automatically regulated to keep you perfectly comfortable day and night.

Lighting has also changed considerably. Imagine what it would be like if we returned to the candle or kerosene lamp! With today's lighting we can see and enjoy everything around us. When you have the right kind of light, everything you do becomes more pleasant and less tiring.

Today, every homeowner can enjoy all the benefits of flameless electricity with a total electric home—one in which heating, lighting and all appliances are electric. To settle for anything less would be like turning time back. It's a wonderful life and the wonderful way to live it is in a total electric home designed to bring the joy of total electric living.

Electric Heat Gives Homeowner What He Really Wants

Fifty years ago, the average homeowner had to live with a heating system that could do little more than keep him from freezing during cold weather. Furnace soot settled throughout his house and cold drafts whistled through his living room. But all this was perfectly acceptable and even considered comfortable because there was nothing better.

As heating technology and heating systems improved through the years, the homeowner's standards also improved. Today, he demands a great deal from his heating system—and rightfully so. He expects fairly uniform temperature distribution, semi-automatic operation and a minimum of furnace repair, cleaning and adjustment. Tomorrow, he will have a new set of standards—clean, flameless and fully automatic heating with precise room-by-room temperature control.

According to the Live Better Electrically Program of the Edison Electric Institute, tomorrow's standards are already being met by the flameless electric heating systems being installed today. In addition to its many other advantages, electric heating with individual room thermostats permits an accuracy of plus or minus 1 degree Fahrenheit in temperature control. The homeowner can raise or lower temperatures in each room at the turn of a dial.

The healthiest and most comfortable temperature setting will vary from person to person, depending on their age, activity level, metabolism rate and other factors. There is no such thing as the one perfect temperature setting. Older people, since they are relatively inactive, generally need more warmth for comfort. Children, particularly when playing actively, require lower room temperatures for comfort since the heat generated by their bodies helps to keep them warm. The self-regulating mechanism which controls body temperature is not fully developed in the newborn infant. For this reason, babies cannot easily adjust to variations or extremes in temperature and their room is healthiest when kept at a warmer, constant temperature level.

With flameless electric heating, the homeowner can keep the baby's room at 78 degrees, the playroom at 70 degrees, the bedrooms at 65 degrees, the grandparents' room at 80 degrees, the garage at 50 degrees and the remainder of the house at 74 degrees. Such precise control over temperature is the key to healthier and more comfortable living—judged by tomorrow's standards.

"Say, you take the same size I do!"

Flameless Electric Heat Is System Of Future

It didn't take long for people to recognize the advantage of the electric light bulb when it was first introduced. Within a short time gas and oil lamps became obsolete. Today, the miracle of electricity is bringing about another technological revolution, according to the Live Better Electrically Program of Edison Electric Institute. This time it's flameless electric heating. Like the light bulb, it eliminates the burning of fuel.

Gone is the complicated furnace that looks like an octopus with tentacles of ductwork, piping, dampers and other appendages. Gone are the flame, the smoke, the soot, the gauges, the valves, the blowers and the high repair bills. With electric heating, all this can be replaced by hidden electrical wiring.

The conversion of electricity to useful heat is 100% efficient and it takes place wherever resistance heating units are connected to the wiring. These resistance units may be baseboard strip heaters or wall panel heaters, or the entire ceiling can be turned into a heater by connecting resistance cable in it.

Electric heating performs in two ways: by radiative heat directly to the occupant and objects in the room, and by heating the room air itself. The radiated heat travels unimpeded through air and its effect is felt instantaneously. With heated room air, temperature changes take place more gradually.

Baseboard strip heaters function primarily by heating the

room air, whereas in a ceiling cable installation the radiant heat effect is most pronounced. Wall panel heaters operate both ways, but since their heat is more concentrated they are often better suited for small areas or spot heating. Many electric heating installations use a combination of baseboard, ceiling and wall panel heaters. In all cases, the temperature can be controlled rapidly and auto-

matically by individual thermostats in every room. Only electric heating can provide such convenience.

If cooling as well as heating is desired, this can be accomplished economically with an electric heat pump. The heat pump is an air conditioner that reverses itself to provide heated air instead of cooled air.

According to the Live Better Electrically Program, only the homeowner who still reads his evening paper by the light of an oil lamp is apt to ignore the remarkable changes that have

taken place in the science of heating. More comfort-conscious homeowners won't settle for anything less than electric lighting—and flameless electric heating.

KEEP FREEDOM
IN YOUR FUTURE
WITH
U. S. SAVINGS BONDS

Flameless electric heating equipment, like this baseboard unit, gives clean, gentle, even heat without the burning of fuel. And with most electric heating systems, you can have the comfort and economy of room-by-room temperature control.

Yearly records kept by families now heating with electricity, show that new homes designed for electric heat average only 15¢ per square foot to enjoy this finest in home heating... existing homes converted to electric heat cost only slightly more. It costs only \$180 or less to heat 1200 square feet of living space for an entire season.

Many homeowners report that it costs them less to keep warm with electricity, than they previously paid to heat with old-fashioned fuels.

Let us give you a free estimate on the cost of heating your home with electricity.

They like the safety of electric heat, too, and the individual room temperature control. Women especially like the extreme cleanliness of electric heat... the complete absence of soot and oily film on walls and drapes.

1964 Corn Price Support Announced

Price-support loans for the 1964 corn crop will average \$1.11 per bushel in Fulton county according to Melvin R. Myers, Jr., Chairman of the Fulton County A.S.C. committee. This compares with the 1963-crop loan rate of \$1.08 per bushel for the county.

The 1964 loan rate, plus a price-support payment of 15 cents a bushel, gives a total price support of \$1.26 per bushel for 1964 corn.

Friendly Neighbors Give To Park Fund

Mrs. Mary Welch called the Friendly Neighbors Home Demonstration Club to order on Thursday evening, September 3, at the home of Mrs. Charles Eaton.

A time of meditation was conducted by Mrs. Dora Whetstone as she read several selections of poems. Mrs. Herman Olson then presented the health and safety comments for the month of September.

The group was led in the song of the month, "Believe Me If All These Endearing Young Charms" by Mrs. Monroe Romine. The group also enjoyed singing "Happy Birthday" to Mrs. Conda Walburn and Mrs. Dora Whetstone.

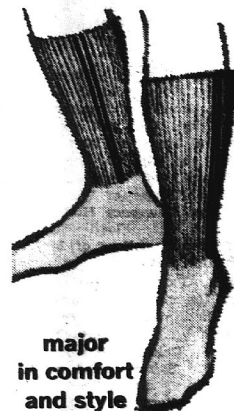

During the business meeting it was voted to given ten dollars towards the Mentzer Memorial Park fund.

Mrs. Herman Olson presented the lesson entitled party favors and menus. By the use of slides pictures and a parallel dialogue, everyone could see the finished products as well as learn the make-up.

Tasty refreshments were served by the hostess to the eight members present.

Read Psalm 90:1-12

So teach us to number our days, that we may apply our hearts unto wisdom. (Psalm 90:12.)

ful friend and companion from earliest days, stood in our living room. As a child, I would stand before the clock in wonder and awe as the great pedulum steadily swung back and forth, counting out time with its unfailing tick-tock, ticktock, ticktock.

Many person, children of today, are living in terms of only "the here and now." They exploit every area of worldly pleasure and earthly possessions, demanding of them the ultimate in satisfactions. They give little or no thought of Christ's promised hereafter.

It behooves each of us to stop and listen to the eternal voice of God calling to us moment after moment, day after day. He challenges us to give meaning to every passing moment. Through prayer, we gain insights for the living of our days and power to face life and live it in the beauty of God's peace and in the light of eternity.

PRAYER: Glory be to Thee, our Father, who, by the coming of Thy Son into human life, hast given our lives meaning and value. Help us to live as pilgrims of eternity this day and all our days. Through Jesus Christ our Lord, who taught us to pray, "Our Father who art in heaven... Amen."

THOUGHT FOR THE DAY
In God's will—the eternal pendulum in time—is our peace.
Thomas T. Faichney (Canada)

GOSPEL SERVICE PLANNED

A Gospel Service is planned for Friday night, September 18, 7:30 p.m. at the home of Mrs. Leonard Boganwright, Mentone. The Rev. R. P. Poland of Warsaw will be the speaker. Everyone is welcome.

EUB Class Has Meeting

The "U Name It" Class of the Burket EUB Church met with Mr. and Mrs. Thulow Shoemaker at Silver Lake Sunday for their quarterly pot-luck dinner and class meeting. There was group singing and devotions were given by Willard Kuhn, using I John Chapter 4. Rev. Bullers spoke on responsibility of the class as witnesses for Christ and asked for their prayers as they work in the community. The next meeting will be held in November with Mr. and Mrs. Lyman Swick of Akron. Present were Mr. and Mrs. Willard Kuhn, Mr. and Mrs. Hugh Gulse, Mr. and Mrs. Ernest Harrold, Mr. and Mrs. Ott Valentine, Mr. and Mrs. Riley Parker, Rev. and Mrs. Bullers, Rev. and Mrs. Livengood, Crystal Shoemaker, Oma Sarber, Bertha Leader, Pearl Hoover, Nora Ehnemann, Reba Tucker, Jesse Baum, and Dean Faurote.

W.M.S. Meets

The Womens Missionary Society of the Palestine Christian Church held their monthly meeting with Mrs. Russell Huffer Thursday afternoon. Each lady gave a Bible verse or poem in answer to roll call. Mrs. Huffer gave the devotions. The president, Mrs. Lucille Boggs conducted the business meeting. An offering was taken for the Open Door Children's Home in Kentucky. The next meeting will be held Oct. 8 with Mrs. Edna Mahoney.

Miss Patricia McClellan Joseph Raymond Doll Are Married

The marriage of Miss Patricia Ann McClellan and Joseph Raymond Doll was solemnized August 23 at the Church of Christ in Starr City.

The bride is the daughter of Mr. and Mrs. Harry J. McClellan of Winamac. Parents of the bridegroom are Mr. and Mrs. Paul Doll of R. R. 1 Tippecanoe.

Rev. Kenneth Board, of the Church of Christ in Starr City, performed the double ring ceremony before an altar graced with palms, baskets of gladioli, and candelabra.

Nuptial music was provided by soloist, Mrs. John McWherter, of Royal Center, accompanied by Mrs. Kenneth Broad at the organ. Mrs. McWherter sang "I Love You Truly" and "Always."

Given in marriage by her father, the bride appeared in a floor length gown of nylon over taffeta embroidered with white roses, full skirt, high neckline, and elbow length sleeves. Her veil was held by a crown of seed pearl. She carried a bouquet of white, pink, and yellow gardenias.

Miss Carol Doll, sister of the groom, served as bridesmaid. She wore a street length dress of pink nylon over taffeta and a white

halo hat with a nylon veil. Miss Connie McClellan, sister of the bride, was flower girl. She wore a yellow organdy dress.

Gerald King III served as best man to the bridegroom. Ringbearer was David Doll, brother of the groom.

A reception for 125 was held in the church social room. Serving were Mrs. Lloyd Harrison, Mrs. John Tunis, and Mrs. Gerald King. Mrs. Della McWherter was in charge of the guest book. Diana McClellan helped with the gift table.

The bride attended school at Winamac and the bridegroom attended Tippecanoe school. He is employed at the Winamac Motor Co. Following a wedding trip to Belaire, Michigan, the couple will be at home at R. R. 1 Tippecanoe.

DID YOU KNOW?

Lions Give \$250 To Park

The Mentone Lions Club voted Wednesday night to donate \$250 to the Park Board for improvements at the Mentzer Park.

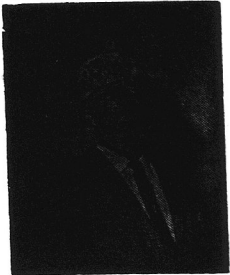

Lion Gaylord Toll led the singing at Wednesday night's meeting with twenty six members and one guest enjoying themselves. A mock birthday cake with four candles was presented to Lion Kenneth Romine in honor of his 40th birthday. Lion Romine had some difficulty in blowing out some of the candles which flamed up time and time again. Some think that it was rigged to work that way.

The group voted to observe the month of October as the month to receive new members. Prospective members are to be invited to attend as guests at the next stated meeting. One guest, Bill Ettinger, was introduced by Lion Paul Rush.

A taped speech made by W. Cleon Skousen, author and world traveler, from Salt Lake City, Utah, furnished the program. The speech was given at the Fourteenth Annual Management Conference, which was held at Purdue April 3 and 4, 1964, and it dealt with the Federal Government's actions and attitudes towards the inroads of Communism since World War II. Due to the length of the speech

it was decided to hear the conclusion at the next meeting. Lion Charles Manwaring was in charge of the program.

Wilbur C. Cochran, Burket, Re-Appointed National Inspector, Veterans Of World War I, U.S.A. Inc.

At the recent National convention of the Veterans of World War I, U.S.A. Inc. held in Chicago, Wilbur C. Cochran was re-appointed National Inspector. This appointment rates a seat on the National Board of Adminis-

Shoots Finger

Gordon Kelly of Pine Lake, Georgia was treated at Dr. Wilson's office for a gun shot wound in the little finger of the right hand. He was looking at the gun and dropped it, shooting himself in the finger.

Cochran has served two years in charge of National Headquarters in Washington, D. C., one of the years as National Quartermaster and one year as National Quartermaster-Adjutant. Illness forced him to return to his home in Burket. Since then he has received his fourth assignment as National Inspector.

Besides Wilbur and his wife Georgia, other area residents attending the convention were C. O. Wainwright, Irene Wainwright, Mr. and Mrs. Lloyd Filton, Harold Beyers, and Mr. and Mrs. Jackson Adams. They are members of Kosciusko County Barracks #83 located in Warsaw. Melvin D. Eddy of Belmont, Massachusetts was elected National Commander and there were 10,999 delegates registered. The next national convention will be held next September in Tampa, Florida.

Named Merit Semifinalist

Gaylord Toll, principal of Mentone High School, announced today that one of the school students has been named a semifinalist in the 1964-65 Merit Scholarship competition.

He said the student, David Norris, son of Mr. and Mrs. Leroy Norris of Mentone, had become a semifinalist through his outstanding performance on the National Merit Scholarship Qualifying Tests. This test of educational development was given in more than 17,000 high schools last March.

The names of the Merit Scholars will be announced in April of 1965. Each Merit Scholarship is a four-year award to cover the undergraduate college years and each stipend is tailored to the recipient's need. Award may reach a maximum of \$6,000 for the four year college. For students who already possess financial resources which will enable them to attend the college of their choice, the awards are \$400 for the four years. The stipends average about \$800 a year now.

With The Sick

Mrs. Charles Hunter was dismissed Saturday from the Murphy Medical Center after having minor surgery on Thursday. Marcella Allen, 10, daughter of Mr. and Mrs. Howard Allen of R. R. 1, Mentone underwent an appendectomy Wednesday morning at the Murphy Hospital. She was dismissed to her home on Saturday.

Mrs. Treva Moore has a new granddaughter born September 15 to Mr. and Mrs. Larry Wozniak of Evansville, Ind.

School Board, Forbes Protest 20c Tax Cut

At the public meeting of the Tippecanoe Valley School Board Monday night instructions were given to the corporation's attorney to request a statement from members of the Kosciusko County tax adjustment board stating the corporation's budget was cut 20c. Local officials want to know why and where the budget was cut and feel, under the law, that they are entitled to have a reply to this question by Thursday night when they will meet again.

The tax cut represents a loss of \$40,000 revenue and lowers the budget from \$3.98 to \$3.78.

Robert Forbes, school superintendent has made three charges concerning the tax cut. They are:

1. "There was no representative from the Tippecanoe Valley School Corp. area on the board. Citizens from Silver Lake, Warsaw, Leesburg, Elma Green, Pierceton, and Syracuse passed on the budget. Seward, Harrison and Franklin Townships that make up a part of the Tippecanoe Valley School Corp. have an assessed valuation of \$15,000,

000. However, no one from this area was on the county board.

2. "I was not asked to appear before the group to explain the school budget and tax rate. In contrast, I appeared before the Fulton County tax board. That group listened, passed the budget and rate of \$3.98, and stated they thought it was justified.

3. "My board deliberated over the budget and tax rate for weeks. We had public hearings and no citizens in our school district appeared at the meeting and protested. No one from our district appeared before the Kosciusko County group to protest the rate."

Forbes has charged members of the tax board had personal feelings involved. Members of the board are Charles Menzie, Pierceton; Alton Kissinger, Silver Lake; Joe Lessig, Warsaw, Lynn Pierce, Leesburg; Seth Mason, Elma Green; Mrs. Helen McConnell, Warsaw; and Maurice Crow of Syracuse.

Further business at the Monday night meeting included a financial report, claims being approved, and contracts for two 4-H leaders, Mrs. Harry Myers and Mrs. Carroll Eiler, both of Harrison Township, for \$75 each.

It was announced draperies had been purchased for the Akron High School. A discussion was held concerning the break-down of co-operation between the parents, players, and coach at Akron. It was stated many of the players and their parents had expressed dissatisfaction with the Akron coach. In connection with this discussion, a letter from the Akron Chamber of Commerce was read in which the actions taken at a recent sport event in Akron were deplored and the C of C asked that the board investigate the matter and take necessary action.

DAR Fish Fry Success

The Anthony Nigo Chapter DAR was pleased with the results from the recent fish fry and wish to thank the community for its excellent support. The exact amount of the donation to be given to the park fund drive will be announced soon.

Flying Physicians To Meet In California

The tenth annual meeting of the Flying Physicians Association will be held at the Rivera Hotel, Palm Springs, California, from Sunday, September 27 through Friday, October 2, according to an announcement by Dan L. Urschel, M.D., Mentone, president of the association.

In making the announcement, Dr. Urschel noted that as in the past years the continuing theme for the scientific portion of the program will be the over-riding importance of safety as it relates to the operation of private aircraft.

Many well-known doctors will speak on topics relating medicine to general aviation safety.

Membership in this organization now exceeds 1,600 persons who are organized and prepared to fly anywhere within the continental limits of the U. S. to provide medical aid and assistance in the event of a major disaster. Each year, during the annual meeting, the members stage a disaster flight to demonstrate their capabilities in providing this kind of assistance.

Police Make Arrests

Virgil E. Morgan, Jr. of Daleville was arrested this week by Mentone marshal Gene Norton and charged with driving with bad mufflers. He paid a fine and costs of \$18.75 in J. P. Gill's court.

Thomas E. Noel Jr. of Goshen was arrested for driving on an expired operator's license. He will appear in court on the 25th.

Ellis Adams of Sidney was arrested for reckless driving illegal transportation of alcohol, and resisting arrest. He paid a total fine of \$83.00 and his license was suspended for 6 months.

Danny K. Hoffman, R.R. 2, Akron, Ind. was arrested for improper passing on the railroad crossing. He appeared in J. P. Gill's court and paid fines of \$18.75.

M. Y. F. Rally Held

Ten youth and adults attended the Warsaw M.Y.F. Rally Sunday afternoon at Epworth Forest. They heard six convicts tell how they happened to get into the state penitentiary. They were doing this in hopes that they might prevent boys and girls from making the same mistakes in life that they did. Those attending from Mentone were: Mr. and Mrs. Tim Utter, Curtis Rowland, Rev. Campton, Markee Surface, Ted Shoemaker, Kathy Tridle, Linda Myers, Karen Anglin, and Christine Hyde.

Walters Sentenced To Penal Farm

A Mentone teen-ager, Chester L. Walters, 19, was sentenced Friday to a six month sentence at the Indiana State Penal Farm for parole violations.

On September 24, 1963, Walters was found guilty of second degree burglary after he admitted to breaking into the Chester Creekbaum barber shop in Mentone on May 28, 1963. He was given a six months suspended sentence at that time and placed on probation.

M. Y. F. Holds Retreat

The Senior M.Y.F. of the Mentone Methodist Church held a Retreat at Epworth Forest on Lake Webster Friday and Saturday, September 18 - 19th. The group made plans for programs for the Sunday evening meetings to be held at the church and took part in group singing and worship. The group also decided to form a youth choir which will be directed by Mrs. Glen Campton.

Those attending the Retreat were: Susie Cole, Connie East, Sandy Nelson, Linda Myers, Karen Anglin, Kathy Tridle, Cindy Whetstone, Beverly Hurst, Patsy Smith, Diana Sarber, Sherry Bryan, Jennie Bryan, Markee Surface, Linda Williams, Alan Lucht, Paul Surface, Ron Ward, Ted Shoemaker, Rex Yarian, Herb Haist, Butch Teel, Kim Smith, Mike Whetstone, Jerry Coleman, Daniel Murcia, Mr. and Mrs. Hamilton Williams, Jeff Williams, Rev. and Mrs. Glenn Campton.

\$66,677.34 Suit Filed Against Manwaring

Two damage suits have been filed in Kosciusko circuit court against Richard B. Manwaring seeking total judgement of \$66,677.34.

Gloria J. Miller, Mentone, has filed the first suit which seeks a judgement of \$35,000 for injuries she alleges to have received in an automobile accident on August 6, 1963 when she was a guest passenger in the Manwaring car. She charges she received permanent injuries.

The second suit was filed by Ned E. Miller, Mrs. Miller's husband, in which he seeks \$31,677.34 for his wife's medical expenses and future costs for his wife's care.

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room

THE UPPER ROOM, NASHVILLE, TENNESSEE
Thursday, September 24, 1964
Read Ephesians 2:13-21

He is our peace, who hath made both one, and hath broken down the middle wall of partition between us. (Ephesians 2:14)

Two Christians, one from India and another from New Zealand, met aboard a missionary ship. They were brothers in Christ, but could not speak to each other. They just pointed to their Bibles and smiled.

Then a happy thought occurred to the Indian. He exclaimed "Hallelujah!" The New Zealander, in delight, cried out, "Amen!" These two words were the beginning to them of one language and one speech.

God is the Father of all men whether Jew or Gentile. As children in the kingdom of the heavenly Father, we think of all men as brothers—in understanding, in sympathy, in goodwill, and in helpfulness. Our mission is to bring men together in love and worship around the cross, that we may be filled with love for the same Redeemer and have the same hope of heaven. All those who accept the lordship of Jesus Christ gain admittance to the same privileges and hopes.

PRAYER: O Lord, help me and all members of Thy church to do our part in Thy kingdom by prayer and works of love. So may Thy church's unity win all mankind to faith in Thee. For our Savior's sake. Amen.

THOUGHT FOR THE DAY
God hopes to see us as His grace would make us—one in love, one in fellowship.

Concert - Theater Series To Begin At Culver Academy

Seven programs have been booked as part of the sixth annual Concert-Theater Series at Culver Military Academy during 1964-65.

The programs, which bring to Culver well known artists in all of the performing arts, are primarily held for students, faculty and employees of the Academy but are also open to the general public.

Opening this year's series October 8 will be the "Good Time Singers" a group known for its appearances on the Andy Williams television show. The vocal group will do a special program of popular and folk tunes and will share the Eugene C. Eppley Auditorium stage with "The Outsiders" two bright young stars of satire. Curtain time for this show is 8:15 p.m.

Other events planned for this year are:

Oct. 14—"Wiener Blut", a company of 65 Austrian singers and musicians presenting the Strauss operetta "Vienna Life" and featuring the Blue Danube ballet.

Nov. 7: "H.M.S. Pinafore", to be given by the Stratford, Ontario company of Tyrone Guthrie.

Nov. 11. Emlyn Williams portrays Charles Dickens.

Jan. 14—"Twelfth Night," is scheduled in commemoration of the 400th anniversary of William Shakespeare. The National Players will give the production.

Feb. 26—Isler Solomon will conduct the Indianapolis Symphony Orchestra.

March 3—New York Pro Musica Antiqua, an ensemble of voices and instruments in a program of Sixteenth and Seventeenth Century music.

The public should contact William F. Martin, director of the theater, by mail or telephone for information on season subscriptions or tickets for individual performances.

He was a retired Chicago, Burlington, and Quincy railroad employee.

Are Our Young Citizens Going To The Dogs?

Our young citizens going to the dogs? Certainly not all of them! Kosciusko county Rural Youth club officers are working hard on next year's program for their club. They started by attending a leadership school at Albion recently where state advisors to the program from Purdue University and Indiana Farm Bureau (co-sponsors of the Indiana Rural Youth Clubs) conducted classes on leadership, officer duties, and teamwork for action.

Attending from Kosciusko county were Leonard Jenkins, the 1965 president, James Easton, secretary, Jane Miner, 1964 president and Rosellyn and Dale Nellans, advisors.

More training will take place in December, February and May meetings for those young leaders. Kosciusko county Rural Youth club is open to all single young people in Kosciusko county, 17 to 28 years of age. Those interested may contact any of the above officers or the county agent's office located in the Kosciusko county courthouse.

War Mothers Have Pot Luck

The World War II Mothers met with Blanche Whitmire in Roann for their monthly meeting with a pot luck dinner. The meeting was called to order by the president, Dora Whetstone.

Roll call was answered by thirteen members giving their first school teacher's name. One visitor was present.

Three birthday presents were presented by the president, who also received a lovely gift.

The next meeting will be an anniversary meeting.

Merry Molly's Hold Auction

The Merry Molly's Home Demonstration club met at the home of Mrs. Gene Sarber. The meeting was opened by the vice president, Mrs. Donald Horn, who led the group in the pledge to the American flag and in repeating the club creed. Meditation was given by Mrs. Harold Horn.

Mrs. Glen Mellott read an article from Reader's Digest on "Why Those Babies Die" for the health and safety lesson. A lesson on buying carpeting and rugs was given by Mrs. Dale McCowen and Mrs. Clayton Holloway.

Mrs. Jerry Hudson presided over the business meeting. The finance committee held an auction to add to the treasury. A thank you card from the Palestine Busy Bees was read thanking the club for entertaining them and their families last month.

An election of officers was held with Mrs. Dale McCowen being elected vice president, Mrs. Joe Mellott, secretary, and Mrs. Eva Haist, treasurer.

Dirty Bingo was enjoyed for the evening's entertainment. Secret pal gifts were received by Mrs. Donald, Mrs. Harold Horn, Mrs. Marion Horn, and Mrs. Jerry Hudson.

Seventeen members and two guests, Mrs. Kenneth Anglin and Mrs. Carl Shaw, were present.

Burket Auxiliary Meets

The Burket Fireman's Auxiliary met recently at the Fireman's Building with president Mrs. Marilyn McSherry presiding. The pledge to the flag was repeated followed by roll call with 14 members present. Mrs. Eva Eherenman read devotions. It was decided to meet in November at Club 30 for a supper and the group will help the Crippled Children Society by filling the Christmas Seal envelopes. A money making project has been started where each member will put all loose change into a jar at home.

The meeting ended by repeating their creed and Mrs. Bonnie Ervin served refreshments.

Warren Honored On Birthday

Mr. J. F. "Frank" Warren, former resident and long-time marshal and water works operator for the Town of Mentone celebrated his ninetyeth birthday September 15.

Mr. Warren was surprised by his daughters and grandchildren with an Open House to celebrate the special occasion on the Sunday prior to his birthday. Since Frank now resides in Fort Wayne with his daughter, Mrs. Tessie Wise, many old and many new friends came to help surprise him. He was in excellent health and enjoyed the party immensely.

A former Kosciusko County and Whitley County resident, Mrs. Paul (Turl) Grieschke, who is the niece of Lindsey Blue, Orlando Meredith, and others of that family, wrote a lovely and appropriate poem honoring Frank Warren on this special occasion. It seemed so appropriate we

thought you might all enjoy it very much.

Happy Birthday To Grandpa Warren

Back in the years when you were born

There were no cars or telephones
Miniature golf or ice cream cones.
Grant was the eighteenth president

When you became a resident.

As you toiled in the lumber camps,
Little you dreamed of trading stumps.

Early you learned to work so well

Soon you aquired your own hotel.

Time passed and you became well known,

Respected Marshall of old Mentone.

Now that the golden years have come,

Rummy and Cub games keep you home

'Cept when the mushrooms start to pop

Or bluegills and bass begin to flop.

There are not many fortunate men

Who can attain your four-score-ten.

Down in your heart you remain a boy,

Life is a toy you still enjoy.

When you are tempted to reminisce.

Think of the young man's work you miss.

Here's to more golden years sublime,

Here's to your prints in the sands of time.

Jolly Janes Take Trip

The Jolly Jane Home Ec Club went to South Bend Monday, Sept. 14 for their annual club trip! They visited the O'Brien Paint Co. and were taken on a very interesting tour of the building. They were shown how paint was made from the very beginning to the finished product. They also saw the laboratories that test the durability of the paint.

The group ate their noon lunch at Leeper Park and walked through the flower gardens.

They then went on to Niles, Michigan, where they had a guided tour through the Simplicity Pattern Co. One of the interesting things was watching them make their own tissue paper: that patterns are printed on. They use newspaper, cardboard, wrapping paper, or any kind of scrap paper by putting it in a big well and watering it down and mixing it thoroughly. They saw how it was printed on cut, and folded. The group also saw the big presses in operation that print their big counter books, pamphlets, and pattern envelopes.

Back to South Bend the ladies enjoyed some time for shopping and a nice meal at Smith's Cafeteria. Those attending were Mrs. Wayne Bowser, Mrs. Raymond Lewis, Mrs. Hip Utter, Mrs. John Ellsworth, Mrs. Jim Romine, Mrs. Albert Hatfield, Mrs. Delford Nelson, Mrs. George Welch, Mrs. George Mollenhour, Mrs. Dwight Reichard, Mrs. Wayne Baker, Mrs. Dale Fish, and Mrs. Frank Hardesty. Mrs. Annabelle Cole, Mrs. Loren Tridie, Mrs. Carmean, and Mrs. Jim Miller joined the group at Smith's Cafeteria.

Seward Club Meets

The Seward Home Demonstration Club met Wednesday Sept. 9 at the home of Mrs. Harold Eaton. The co-hostess was Mrs. Earl Lowman. The president, Mildred Kassen, presided and meditation was given by Sherry Smalley. The history of the song of the month was given by Mrs. Margaret Miller. Health and Safety remarks on cancer were given by Betty Byers. An interesting lesson on carpeting and rugs was given by Esther Nelson. During the social hour which followed the business meeting, there was an auction, cheerful gifts were received, and delicious refreshments were served. There were 20 members, 2 guests, and 5 children. Next meeting will be Oct. 14 at the EUB Church in Burket with Margaret Miller as hostess and Janet Woods as co-hostess.

O.E.S. Officers Honored

The Order of Eastern Star No. 331 had their first meeting this fall on Monday night September 21st with 16 members present.

The conductress, Cara Lyn Tucker, and the associate conductress, Beulah Ridenour, were the officers honored during the evening.

After close of Chapter delicious refreshments were served by Bess Manwaring and Ellenor Manwaring, after which everyone enjoyed a social hour of games.

The next meeting will be held October 19, and our past matrons and past patrons will be honored at this time.

Odds And Ends

by Ann Sheets

A newsmen just wrecked Monday for me. I was driving to work blissfully unaware of any sinister news in the air when the news commentator cheerfully sang out, "This is the last day of summer, and fall begins tomorrow".

The last day of summer! What happened to spring and summer? What happened to all that work I was going to get done this summer? The house is still dirty, the yard is still a tangle, the barn, shed and henhouse still need painting. Who took summer away before they got done?

This has been the year when we have acquired the second paper, the second son, and Loren parted company suddenly with his appendix. And we didn't get a thing done we'd planned to do.

But, there it is. Summer is gone until next year. Maybe next year the buildings will get their paint. Now-in the meantime when it's too cold to paint outdoors maybe the inside can get painted, and there's still the clock and furniture to refinish, and the curtains to make, and the slipcovers to work on, and the sewing to do and the book to write, and the books to read, and the cleaning and cooking to do, and the freezer to fill with baking, and the mending to catch up, and—well, maybe winter won't be so bad. Just think of all the things we can do.

The only thing is, then it will be summer again, and I'll still be thinking about what I didn't get done last winter. It certainly makes the seasons rush by at a break-neck pace, this looking forward and backward bit.

With The Sick

Mrs. Clyde Johnson was dismissed from the Murphy Medical Center Saturday.

Mrs. Beulah Cole is in an Indianapolis hospital where she had surgery a week ago Monday. She hopes to be dismissed to her home this week.

Beaver Dam Class Has Picnic

The Builders Class held their family picnic at the Plymouth Park last Sunday. After a bountiful dinner which everyone enjoyed, a short business meeting was held with president, Janice Perry presiding. The minutes were read and approved a balance of \$66.71 being in the treasury. Judy Haney reported the sheets had been bought for the large draw curtain in the basement and window curtains were in the process of being made. It was decided that with Christmas cards being sold, the plate project would be put off until next year.

The next meeting will be held October 14 and just the children will mask this year. Auction of Shirley Smalley's salad dressing and peach preserves, and cards from the old kit was had bringing a total of \$5.85. Also a collection of \$8.90 was taken which was put into the building fund.

Rev. Jim Glen said grace before the meal. Mrs. Glen read the scripture, and Rev. Peter Buller dismissed the group in prayer. Members of the class who attended the picnic were Mr. and Mrs. Gerald Smalley and family, Mr. and Mrs. Wayne Smalley and family, Mr. and Mrs. Eldon Cumberland and Milan, Mr. and Mrs. Max Cumberland and family, Mr. and Mrs. Raymond Adams and family, Mr. and Mrs. Mort Haney and family, Mr. and Mrs. Alton Perry and family, and Mr. and Mrs. Archie Leckrone and family. Guests were Mr. and Mrs. Darrell McLean and family, family of Hammond, Rev. and Mrs. Jim Glen and family of Elkhart, and Rev. and Mrs. Peter Buller and family. The "and family's" included 33 children who thoroughly enjoyed the playground.

National 4-H Week Sept. 26 - Oct. 3

4-H Advisory Council directors set a date of December 2 for the annual meeting of 4-H club advisory committees during their quarterly meeting this week. Advisory committees from 49 4-H clubs over the county will be meeting on that date to select the 1965 directors from each township for the County 4-H Advisory Council.

The 4-H Council is greatly interested in expanding the 4-H club program in the county in the next few years. Securing leaders and organization of more clubs will be the vocal point of their activities in 1965.

The 4-H Council endorsed the National 4-H Week goal "4-H for More in '64". National 4-H club week is scheduled for September 26 thru October 3.

To bring the 4-H program to more youngsters in the county will require more interested adults willing to spend the time to guide 4-H activities in our rapidly expanding communities.

Burket Firemen Meet With Auxiliary At College

A joint meeting of the Firemen and Auxiliary was held last Wednesday evening at the Fireman's Building. Captain John Ervin presided over the meeting. The firemen were asked to fry the fish and fix the supper for the Albian Production Credit Ass'n. on October 9 to be held at the Shrine Building at Warsaw. With the help of the Auxiliary, plans were made to do so.

Sherty Keifer reported he had been contacted by Forrest Miner to canvass the Burket area for the United Fund. This was turned down by the Firemen due to lack of time for a thorough job.

Guest of the evening was a representative from the Kellogg Co. of Sandusky, Ohio, which carries products with silicone added. Several of the products demonstrated were a wax, shoe polish, first aid spray, and a product for treating rain coats, boots, windshields, etc. which will keep water from freezing on them. The department and auxiliary have decided to handle and sell these products.

There were 20 firemen and 14 auxiliary members present.

PTA NEWS

BY Jody Harman

You've all probably noticed our PTA cut being used with our meeting write-ups. This oak tree is the national PTA symbol. By using it in our local paper we hope to soon have everyone familiarized with it. Each time it is seen, you will immediately know this column pertains to PTA. We appreciate the Editor consenting to let us write up our news in this manner. As president of PTA for this year, I'm taking a little time this week to say a few things concerning our organization.

Our committees are all appointed and work has begun. The membership committee, headed by the Wayne Bowlers, are anticipating a busy month in October, which they are designating as "Membership Month". A door to door campaign is planned. The Ways and Means Committee is to decide our money making project for the year. Loran and Mary Tridle are co-chairmen of this important committee. I could go on about each committee, which, it is its own area is important to the PTA. Later on, as these committees begin functioning, we will bring the reports to you through this column.

We trust you will keep in mind that your community has an active PTA at work. Our concern is for better relations and understanding between the home and the school. Those active in our organization give generously of their time. Won't you join us in attending our scheduled meeting this year? Any organization needs a growing membership, so will you, as an interested and conscientious parent or school patron take YOUR time

Good News Club

As the school year begins children become anxious for the Good News Clubs to also begin. Monday October 5th is to be the date of the first Good News meeting here in Mentone. These will be from 3:45 to 4:45 on each Monday. Mrs. Marion Acton will be the hostess and will also assist Mrs. Brad Moore with the teaching. All school age children are cordially invited to attend these worth while club meetings. If parents are wanting more information concerning the Good News Clubs, please feel free to contact either of the above mentioned ladies. Don't forget the date, boys and girls! Tell your friends also.

With The Sick

Miss Julia Nelson has been dismissed from the Murphy Medical Center after having surgery.

Mrs. Howard Fawley is improving in the Murphy Medical Center after having surgery on Friday.

to give to PTA.—not only in membership dues, but of yourself your time, your ideas, your suggestions???? We're looking forward to a rich, rewarding year. Will you help be a part of this?

The next meeting will be at the Talma school. This will be on October 14th, when Open House will be held in this newly remodeled school. Mr. Marion Acton will be the host principal for the evening. We'll be looking forward to seeing you there.

TALMA JUNIOR HIGH SCHOOL NEWS

This last week all eighth grade students received the Time test, this test is used to help in the location of possible cases of tuberculosis. Mrs. Henrietta Ferguson R.M. administered the test. Dr. Herriek read the reaction. There were no positive reactions in the Talma School.

A big day for the entire student body of Talma Junior High will be Wednesday, September 30. The picture representative from the Indiana Picture Company will be here in the morning to take each student's individual picture. Remember the date Wednesday, September 30.

The Talma library is now functioning with the help of Mrs. Caldwell. The following students are serving as our student librarians: Susan Boggs, Glenda Hurd, Annette Hirschman, Nancy Campbell, Janice Truex, Ernest Welborn, Rainelle Davis, Janet Barnhart, and Jay Teel.

Another of the service clubs that is starting to function is the Operator's Club. This club consists of students from each of the groups in schools. Their job is to assist in the running of various pieces of audio-visual aids equipment for the teachers.

Members have been selected and are working hard in preparation for the showing of the films. Members of the Operator's Club are: Ivory Snipes, Pat Stevens, Garry L. Wise, Richard Shirey, Floyd Bradley, Charles Francis, Teresa Howard, Susan Zent, Kathy Crissinger, James Wise, Jay Teel, Doug Kelly, Steve Sechrist, Don Acton, Ronnie Teel, Mark Jackson, Danny Shepherd, Miles Nellans, Randy Cox.

HOLD GET-TOGETHER

Last Sunday Mr. and Mrs. Lloyd Conrad of South of North Manchester entertained 22 of their friends who spend their winters in Leesburg, Fla. Those present from Mentone were Mr. and Mrs. H. V. Nellans, Mrs. Ruby Smith, Mr. and Mrs. D. L. Bunner, and also Mr. M. F. Newquest of Mr. and Mrs. Bunner by of Ft. Wayne, who was a and who is also a winter resident of Leesburg.

Don't Miss This

You will find fall clothing, toys, dishes, etc. in the room behind Denton's Drug Store from 9:00 a.m. to 6:00 p.m. Friday, October 2nd, and from 9:00 a.m. to 3 p.m. on Saturday, October 3rd. Yes, it's a rummage sale sponsored by the Merry Mixers Home Demonstration Club.

Brownies Fly Up

The Brownie Troop #142 and the Junior Troop #25 met after school Tuesday, September 22, in the Methodist Church for the Brownie Fly Up.

The meeting was opened with a game "Upset the United States" followed by 7 Brownies flying up to Troop #25. The 7 Brownies were Debra Coplen, Kathy Bush, Linda Mason, Barbara Tibbets, Debra Anglin, Diane Sinclair, and Terry Boardman. A court of awards was then held for Troop #25 with most of the Junior Scouts receiving badges.

After refreshments of punch and cake a Friendship Circle was formed, at which they sang "Sipp'in Cider" and closing with "Taps".

Baptist Missionary Meets

The Be-About Missionary of the 1st Baptist Church in Mentone met Monday evening in the home of Mrs. Stanley Yeiter, who recently moved with her family to northeast of Atwood.

After group singing and prayer, devotions were brought by Mrs. Darrell King. Mrs. Wayne Bowser read the secretary's report. Mrs. Raymond Lewis read a letter from Mr. and Mrs. Harry Gehringer, who have this August completed their first year in East Pakistan, as missionaries. Their 6 year old son, Harold, is beginning school under the Calvert Correspondence System, with his mother, Nancy, as teacher.

After the business meeting conducted by Mrs. Everett Welborn, dish towels were made for the Crystal Lake Baptist Youth Camp and bandages were made and rolled for use by missionary doctors. Nine members were present.

Palestine Homemakers Meet

The Palestine Homemakers Club met recently with Mrs. Albert Tucker. After a short business meeting the ladies sang "Happy Birthday" to Mrs. Perry. For meditation Mrs. Vida Horn read several poems including, "The First Dressmaker", "The Good Old Days", and "Come As you Are." The meeting closed with the club prayer and the remainder of the afternoon was spent socially. There were eight members and one visitor present. The next meeting will be October 8 with Mrs. Rosa Hipsler.

Forged Checks Passed Here

Forged checks in the amount of \$240 have been passed here in Mentone, and in Pierceton and Warsaw according to Sheriff Howard (Sam) Holbrook. The sheriff said that six forged checks have been written on the Mike Gill Auto Part firm of Warsaw.

All he checks were written to Raymond Thurmond of Warsaw and were signed with a forged signature of Mike Gill.

Gill discovered the theft of 40 blank checks from his establishment when he received his bank balance from the First National Bank of Warsaw this month.

Deputy Sheriff David Andrews is conducting the investigation into the check theft and the forgery.

Class Goes To Turkey Run

The Intermediate Class of the Walnut Church of the Brethren recently spent the day at Turkey Run. They were accompanied by sponsors, Mr. and Mrs. Dale Smith, Mr. and Mrs. Robert Brockus and Mr. and Mrs. Tom Reed.

Homecoming At Tippecanoe

A Homecoming will be observed Sunday October 4th at the Tippecanoe Congregational Christian Church. A carry-in dinner will be enjoyed at noon. There will be special music and the guest speaker will be Rev. Ernest Treber.

Palestine WSCS Meets With Mrs. Rickel

The WSCS of the Palestine Methodist Church met with Mrs. Bert Rickel Thursday afternoon. Mrs. Frank Nelson gave the lesson entitled, "Where does a Christian woman volunteer her time." Devotions were given by Mrs. Jesse Jones. Plans were made for the fall rummage sale. The next meeting will be with Mrs. Russell Huffer October 22nd. Mrs. F. B. Davison of Mentone will be guest speaker.

DID YOU KNOW?

Men and Women of the Baptist Church have been busy lately getting the parsonage in readiness for the arrival of their new minister. Rev. and Mrs. Attleson and son will arrive in about a week to begin duties. Mrs. Cecil Nicodemus is in the Caylor-Nichols Hospital in Bluffton, Indiana where she is receiving medical treatment for a blood clot in her leg. The Nicodemus were former residents of Mentone. She would appreciate hearing from folks.

Miss Jeanie Westernman of Warsaw visited Wednesday evening with her sister and family, Mr. and Mrs. Kenneth Wagner, Michael and Lori.

Basketball Season Tickets On Sale

To the Mentone patrons and students, the basketball tickets will go on sale October 1st.

Teresa Tennant, Edward Blosser Married

Miss Teresa Tennant, daughter of Mr. and Mrs. Wilbur Tennant, and Mr. Edward Blosser, son of Mr. and Mrs. Edward Blosser, were united in marriage in a double ring ceremony at 7:30 p.m. Sept. 18 at the Pleasant Grove Methodist Church in Warsaw by Rev. Trueblood.

Given in marriage by her father, the bride wore a long sleeved street-length wedding dress of chantilly lace. The rounded neckline was accented by clear sequins. The round headpiece held a short veil. The bride carried a white Bible covered by a bouquet of white carnations with white ribbon streamers.

Miss Toni Tennant of Warsaw, attended her sister wearing a pink long sleeved street length dress of lace with pink accessories. Mr. James Kern, of Warsaw, served as best man.

The altar was adorned with baskets of pink and white gladioli and a candelabra on each side. Ushers were Mr. Burl Blosser of Warsaw, brother of the groom and Mr. Teel, Mentone. Mrs. Junior Carlan of Warsaw, presented the wedding music, with her daughter attending the guest book.

The mother of the bride was attired in a two-piece blue cotton suit with white accessories and the groom's mother wore a two-piece blue cotton suit also but with blue accessories. Both corsages were of white carnation, as was the bouquet of the maid of honor. The men wore red carnations boutonnières.

A reception followed in the church basement with the church women serving and opening the gifts. There were approximately 150 guests.

The bride graduated from the Sarasota, Florida, High School and the groom from Mentone

High School. After a short trip through Illinois and Michigan they will reside in a house trailer on the farm of the groom's parents near Burket. Mrs. Blosser is now employed at Sears in Warsaw and Mr. Blosser works at Uppers Station in Mentone.

Tipp Home Ec Club Meets

The Tippecanoe Home Economics Club met at the home of Mrs. Hazel Graham. The meeting was opened with the president Mrs. Dale Eyrich, reading Psalms, chapter 8, also article "Who Am I". Roll call was answered with "One way I think our school could be improved." A reciprocity meeting will be Nov. 9 with the Bourbon Clubs. Items discussed were the council meeting and the project of gathering 150 years of Indiana history, also the district meeting to be held at Akron. Mrs. Harold Swihart read an article "Crime Challenges The Churches" written by the Federal Bureau of Investigation. Mrs. Enos Metheny read an original article written by herself entitled "Has School Really Changed." The group sang the song "School Days". A comic dialogue entitled "Old Friends Find New Hope" was given by Mrs. Martha Wisely and Mrs. Martha Thompson. A contest was conducted by Mrs.

Doris Feldman and Mrs. Mary Ellen Metheny. Delicious refreshments of apple pudding, mints, tea, and coffee were served to 18 members and 1 guest Miss Margie Richardson.

BIRTHS

Mr. and Mrs. Cal Whelstone are the parents of a 6 lb. 13 oz. daughter born September 22. The baby girl has been named Jennifer Jane.

Purdue High School Day October 17, 1964

High School Day at Purdue University, an annual event designed to supplement the school guidance programs for students who plan to continue their education at colleges or universities, is scheduled for Saturday, October 17, 1964.

All such students, with their parents and high school teachers or counselor, are invited to attend. The all-day program is designed to provide college-aspiring high school students and their parents with general as well as specific information about requirements and opportunities in particular career areas, regardless of the institution they may plan to attend. High School Day also will provide first-hand information on the opportunities available to them at Purdue, will give answers to individual student questions from staff members of Purdue's various schools and curricula and will emphasize

the importance of adequate preparation in high school for college study. The program is a college study. The program is preliminary. Registration for the October 17 program will begin at 8:45 a.m. in the ground floor lobby of the Edward C. Elliott Hall of Music. The opening session is scheduled to begin promptly at 9:45 a.m. in the Hall of Music where Professor Harland W. White, Director of Admissions, will discuss "Preparation for College."

Following the 9:45 a.m. meeting, students will go to their "first choice" career area meetings, to be held throughout the campus. At noon, the students, their parents and teachers will be guests at lunch in the University's Residence Halls. Tours of the residence facilities will be conducted immediately following the meal.

From 2:00 p.m. to 3:30 p.m., the students, guests and their parents and high school leaders will have a choice of activities. They may return to their "first choice" career area meetings for additional, detailed information; they may attend a "second choice" career area meeting, or participate in conducted tours of the facilities of each of Purdue's Schools—such as classrooms laboratories, the Computer Sciences Center and several other interesting Purdue instructional and research areas which are pertinent to the High School Day program.

High School Day is sponsored by the Purdue Office of Admissions in co-operation with all schools, divisions and departments of the University.

High School Day at Purdue is scheduled in the fall to coincide with the college counseling activities of the high schools.

Firemen's Auxiliary Plans Halloween Program

The Tippecanoe Firemen's Auxiliary met at the firehouse recently. Hostesses were Mrs. Marty Montalbano and Mrs. Faye Robinson. The firemen were present to ask their help at a smorgasbord to be held at the firehouse October 17 to raise money for the ambulance. The committee for this occasion is Mrs. Fred Richardson. Also plans

were started and committees appointed for the annual community Halloween Party to be held October 31. The committees are as follows: games - Mrs. Myron Overmyer, Mrs. Larry Davis, and Mrs. Don Kauffman; publicity - Mrs. Sonny Carpentry, Mrs. Danny Cormican; refreshment - Mrs. Faye Robinson, Mrs. Richardson; contests - Mrs. Wayne Kreft, Mrs. Larry Ballinger; decoration - Mrs. Ed Scott, Mrs. Fostie Sill, and Mrs. Charlie Cooper. Mrs. Cooper was welcomed as a new member. Games were enjoyed and won by Mrs. Don Kauffman, Mrs. Chuck Lozier, and Mrs. Fostie Sill. Next month's hostesses will be Mrs. Dale Marks and Mrs. Frank Elkins.

NEW SHRUBS AT SCHOOL

About thirty new plantings were set into the ground last Friday around the school. All of the old bushes had been previously taken out in preparation for these new shrubs. If you haven't noticed this fine addition, take a minute to drive by. We're sure you will agree that they do add greatly to the appearance of the building.

240 eggs
per hen makes
low-cost production

Thousands of flocks on Purina Laying Chows now are producing 240 eggs per hen in 12 to 13 months of laying. They do it at low feed cost per dozen, because Purina Chows are built on the high-efficiency principle. They help hens produce eggs on less feed per dozen than lower-efficiency rations.

There's a Purina Laying Chow built and priced for every size of flock from a few hens to many thousands. Call us or drop in. Let us give you our prices.

The Upper Room

© THE UPPER ROOM, NASHVILLE, TENNESSEE

Thursday, October 1, 1964

Read Matthew 11: 25-30

The Lord hath appeared of old unto me, saying, Yea, I have loved thee with an ever lasting love; therefore with lovingkindness have I drawn thee. (Jeremiah 31:3)

A young man in his first job was sent by his firm to work in a town far away from home. He lived in comfortable lodgings, but every week his mother sent him a parcel of cakes.

When he went home for his first vacation, he said "Mother, you shouldn't do it. You have enough on your hands with father and the rest of the family to look after. All this that you're doing for me is too much!" "Too much?" his mother replied. "My son, think how much more I could do for you if you lived nearer."

Do not these words carry to our hearts the plea of Christ Himself? Does He not say to everyone of us, "Child, how much more I could do for you if only you lived nearer to Me?"

PRAYER: O God and Father, Thou who art full of lovingkindness, I have been away from Thee in the country of disobedience and sin. Now I come to Thee. Repentant, I ask Thy forgiveness for my sins. Draw me closer, Lord; for Jesus' sake. Amen.

Cadette Scout News

Cadette Girl Scout Troop 30 held a party on Sept. 21 for Junior Troop 25. Following games and refreshment the Cadettes told the Juniors all the things they had to do in order to prepare for their trip to Chicago in early summer. They showed color slides of things seen while on their 3 day trip. This was followed by a welcome into Troop 30 of Suzanne Kralis, Peggy Long, and Susan Shirey. They dismissed with a Friendship Circle and singing "Taps".
