MRS. MENTZER, 79, EXPIRES

Mrs. Hannah M. Mentzer, 79, wife of Samuel S. Mentzer, passed away at her home in Mentone Tuesday morning, March 30, at 9:40 o'clock. Death followed a three day illness and was due to a stroke of apoplexy which she suffered Saturday morning.

Mrs. Mentzer was born in Indiana, and had lived for sixty two years with her husband, Samuel Mentzer, who has been in the grocery business here for many years. She was a member of the Mentone Baptist church.

Besides her husband, surviving relatives are two children, Manlon Mentzer of Mentone and Mrs. Ernie Cole of Elkhart; six grandchildren, Annabel Mentzer of Mentone, Rosalind Mentzer of Dowagiac, Mish, James Mentzer of Marion, Ind., Margaret Mentzer of Indianapolis, Robert and Charles Cole of Elkhart; three sisters, Mrs. Ben Blue and Mrs. Lizzie Morgan of Mentone and Mrs. Frank Hawk of South Bend; one brother, Morgan Shatto, who is somewhere in the west.

Funeral services were held Thursday afternoon at 2 o'clock at the Mentone Baptist church with Rev. R. Orville Yeager officiating. Interment was in the Mentone cemetery.

WEDDING

Quine-Horn

Saturday afternoon at 3:30 o'clock Miss Florence Quine, daughter of Mr. and Mrs. Clarence Quine and Mr. Owen Horn, son of Mr. and Mrs. Isaac Horn were united in marriage at the First Brethren church parsonage in Warsaw. Rev. L. E. Lindower conducted the simple ceremony in the presence of the parents of the bride and bridegroom.

Mrs. Horn graduated from Warsaw high school with the 1935 class and Mr. Horn is a member of the 1930 class of Mentone high school and is employed at Creighton Brothers Foultry Farm. They are taking up their residence at their newly furnished home at 316 S. Union St., Warsaw.

Mentone Egg Show, April 29 & 30

Last week's Co-Op News carried complete Contest Rules and Premium Lists. It showed the ten classes for eggs, and gave you details on the \$10.00 for a name contest.

Should you have any questions relative to these contests, leave them at the Co-Op News office, and they will be answered in the following issue.

Eggs aren't hard to select when you use the Purdue Score Card in making the decisions.

Some select all eggs from one or two days production, others pick one egg a day and in many cases one hen lays the entire dozen entered.

Score cards properly marked are to be returned to contestants, who will then know exactly how their eggs scored. Competent, impartial, from out of this territory judges, are to be used.

EGG SELECTION

Should you not have an egg candler, here's how to make one. Cut the top off a breakfast food box. Cut an egg shape hole somewhat smaller than an egg in the bottom of the box. Turn the box upside down over a lighted candle. Hold eggs over hole in box for candling. Must be used in a dark room where there is no other light.

Candled eggs have a better chance in Interior Judging, like class No. 10 in Mentone Egg Show 1937, but have no advantage over uncandled eggs in Exterior Judging like the first nine classes in the Mentone 1937 Egg Show.

Best to candle your eggs and then have a chance for a second premium in class No. 10.

See You and Your Eggs at the Egg Show!

DUBOIS ORATORIO BY FIRST BAPTIST CHOIR

The choral society of the First Baptist church will present the oratorio "The Seven Last Words of Christ" by DuBois next Sunday afternoon and evening. The concert will be broadcast from radio station WOWO Fort Wayne in the afternoon from 5:00 to 5:45. At 8:00, April 11, the choir will sing the concert in the local Baptist church auditorium. The solos in the production will be sung by Miss Lyn Allison Antiohus, soprano, Mr. Howard Jarratt, tenor and Mr. Clarence Nelson, baritone.

The guest organist for this concert will be Mr. Alfred Mudrick, of Grand Rapids, Mich., who is a senior at DePauw. Miss Annabel Baker, the local Baptist pianist, will preside at the piano. The production will be directed by the pastor, Rev. R. O. Yeager.

In "Seven Last Words" DuBois has demonstrated his genius in depicting the cries of the insane mob at the foot of the Cross, interspersed by the

heart-rending utterances of the crucified Son of God. The climax comes in the seventh word, tenor solo, "It Is Finished", in which the earthquake is dramatically interpreted. The earthquake interpretation is followed by the quiet a cappella choral hymn, "We Do Adore Thee, O Christ". It is not often that the Mentone public has the opportunity of hearing a production of the classic style of "Seven Last Words" from a local platform, in which an opera soloist appears. An overflow house is expected.

PSI IOTA XI

Last Sunday, during a tea at the Clinton County Hospital, in Frankfort, Indiana, an Oxygenaire was presented to the Hospital by Mrs. Lillian Setzer of Bloomington, Grand President of Psi Iota Xi and Mrs. Anita Springer, Elizabethtown, Charity Chairman of the Sorority. With the presentation of the equipment to Frankfort, the Psi Iota Xi Sorority is completing its five year program in the field of Oxygen Therapy.

Probably no other state is so well equipped for the ever increasing needs of Oxygen Therapy as Indiana.

This work began with the building of the Oxygen Chambers at the Riley Hospital for Children. These chambers which are two fully equipped hospital rooms, were completed in 1932 at a cost exceeding \$10,000. Since that time the Sorority has spent an additional \$12,000 for Oxygen tents, called Oxygenaires, which have been placed in hospitals throughout Indiana and one at Van Wert, Ohio.

This year Oxygen Therapy has been made available to communities which have very small hospitals or none at all. Two thousand dollars were appropriated for this work. During the past three months seventeen portable Oxygen units called Insufflators have been installed.

The Oxygen equipment in Indiana served a great need during the recent flood disaster. All available tents and insufflators in the flood zone were in constant use, and in several instances State Police moved Oxygen tents by truck from the central part of the State into Lawrenceburg and other stricken towns.

Beta Epsilon, local chapter of Psi Iota Xi Sorority purchased an incubator for the new McDonald hospital in Warsaw and was successful in securing an Oxygenaire for the Woodlawn hospital at Rochester.

LISCENCE BUREAU MOVED

Early Saturday morning the Kosciusko county liscence bureau, located in the Earl Conrad building on N. Indiana St., of several years, was moved to the H.J. Schrader & Co. building on West Center St. The bureau will be in the front part of the Schrader annex.

Hold County Contest

The annual declamation and oratorical contest was held at Pierceton Friday night where talent from eight county high schools were represented. Jean Calvert of Warsaw ranked first in the declamation contest and Raymond Worth of Sidney won first honors in the oratorical contest.

Miss Calvert's winning declamation was "The Mountain Whippoorwill." Joan Snyder, of Silver Lake, who placed second, presented "The White Hands of Pellum", and Emogene Hosler of Pierceton, giving "Imaginary Invalid" was third. Other entries in this contest were Lucille Frederickson, Leesburg; Lois Blosser, Etna Green; Annabel Swick, Beaver Dam; Jacqueline Sandlin, Burket and Delphine Brock, Milford.

Mr. Wirth's winning speech in the oratorical contest was "Armament for Peace." Celia Disher of Syracuse won second place with "The Integrity of Youth", and Samuel Blue of Mentone was placed third with "The

Speech before the Virginia Convention." Other contestants were Fred Johnson, Claypool; William Anglin, Atwood; and Mayzel Kline, North Webster.

Musical numbers from Pierceton, Leesburg, Atwood, Beaver Dam, Milford, Claypool and Syracuse were also featured on the program.

Death News Delayed

When President William Henry
Harrison died in the White House,
in 1841, people of Ohio, his own
state, didn't learn of it for five days.

Opening Of The Scout Reservation

Activities at the new scout reser-
vation of the Pioneer Trails Council
near Cromwell will officially open on
August 1, according to an announce-
ment made recently by W. T. Kough,
chairman of the area camp activities
committee.

The camp will operate for four
weeks and will accommodate approx-
imately one hundred boys each week.
The late opening is due to camp de-
velopment work which will not be
completed before that date, and to
the National Jamboree to be held in
Washington, D. C. during the early
part of July.

The area camp committee, accord-
ing to Mr. Kough, has sought to fix
the camp fee at a price that would
be within reach of a maximum num-
ber of boys, and still make possible
a camp program equal to the best.
While the actual cost of operating
the camp will be more than ten dol-
lars per boy per week, the boys will
be required to pay only seven dollars
or less. The difference will be paid
by the Area Scout Council.

Seven dollars will be the fee for
boys who attend individually or with
less than ten members of their troop.
Six dollars and fifty cents will be the
fee for those who attend with ten or
more members of their own troop ac-
companied by their scoutmaster. This
fee covers food and all necessary
expenses. For troops that wish to
furnish their own supplies and equip-
ment the fee will be one dollar and
fifty cents per week per boy, plus
their own expenses for supplies and
equipment. A discount of fifty cents
per week will be allowed all who
make reservations and pay in full be-
fore July 10.

All boys of Elkhart, Kosciusko and
LaGrange counties who have reached
their twelfth birthday will be accom-
modated. Those who are not already
registered Scouts will pay fifty cents
extra to take care of scout member-
ship for one year. Boys from out-
side these three counties will be
charged ten dollars per week.

Five experienced leaders will be
permanent residents of the camp, and
these will be assisted by many Scout-
masters who will attend with their
Scouts. A skilled cook will also be a
permanent resident.

Award of contract for develop-
ment of the waterfront, and for re-
pairs on farm buildings and fence
were awarded last week. A contract
for the water system will be awarded
soon. The waterfront development
will provide a pool one hundred and
fifty feet long and seventy five feet
wide dug back from the lake. It will
range in depth from two to eight

feet and will be divided into sections
for non-swimmers, beginners and
swimmers. A stream passing through
the pool will keep the water circula-
ting. A pier, diving boards and other
apparatus will complete the equip-
ment. Swimming will be at regular
hours under supervision of competent
life guards and instructors.

Application for enrollment may be
obtained from any scoutmaster or
from the Area Scout Office in Elk-
hart.

SENIOR NEWS

The Senior class will present "A Bachelor's Honeymoon" at the Gymnasium, Tuesday April 13, at 8:00 p. m. Mr. Dale Kelley, the Senior class sponsor is directing the play.

The play promises to be a hilarious scramble of humor which will keep you in laughter and tears from the start to the finish. The characters are as follows: Lettie Lamb, Doris Wiltrout; Sammie, Donald Boggs; Seth Coffin, Devon Hibschan; Comfort Coffin, Louise Paulus; James Howson, James Parks; Mineva, Katherine Eiler; Pollis, Doris Matthews; Mollie, Alice Meredith; Linda, Marcella Leininger; Maude, Willadene Janke; Bessie, Helen Marvel; Hector Fournoy, Justin Long.

With such a humorous outlay as this, come prepared for a full two hours of side-splitting fun. The admission will be 15c and 25c including reserved seats.

JUNIOR NEWS

The Juniors are rejoicing this week. Mervel Smith has promised not to give them a monthly test. He gave us a topic to write to serve as a substitute. We wouldn't care much if he did because he doesn't give hard tests like a certain other unreasonable teacher.

We have one Junior, Lucile Lightfoot, who has her forty word pin in typing. The others are trying hard to reach the goal also.

The other classes are following the usual routine. The Bible class has just finished the life of St. Paul and started on the resurrection of Christ. We find it very interesting.

SOPHOMORE NEWS

The Sophomores bring a very sad bit of news to the column this week. Tuesday morning in Latin class (which is held in the Science Laboratory) Mr. Kelley asked if there was a doctor present, because one of the

fishies in the aquarium was sick. The next morning he announced that the ailing member had expired.

It was decided that the best method of disposal was cremation. The unfortunate one was very tenderly wrapped in a paper hand towel, and with Junior Wallace serving as pallbearer, it was laid to rest in the furnace. The remainder of the class acted as mourners. The fish is survived by several fish friends and neighbors, and a number of frogs.

EIGHTH GRADE NEWS

The Eighth Graders are getting a trifle impatient for the next four weeks to pass. Can it be that they are anxious for exams?

In Civics we are making maps of Kosciusko County. A few days ago we were criticizing a map recently handed in. Bobby Whetstone remarked that Harrison (twp.) was bigger than Wayne (twp.). Mr. Smith asked, "Is Wayne bigger than Harrison?" Now we are all trying to figure out how one of our smallest pupils could be bigger than Mr. Harrison.

In General Science class, we were on the subject of sprains. We were discussing what to do for them and how sprains reacted to treatment. Mr. Harrison asked, "What does a sprained ankle do when it is sprained?"

Lewis Reed quickly replied, "It hurts."

SEVENTH GRADE NEWS

The seventh grade have nearly completed their maps for history class.

In arithmetic Mr. Fenstermaker was reading some questions for us to work out and answer for the next day. One was about Library bonds. John Tucker thought he said Library "barns", so he said they were a place where you kept cows.

KNOCK! KNOCK!

The bell has just rung! Among the hurrying mass of students, we see a tall, heavily built senior boy taking his time as he swings deliberately down the hall. He is the only blonde boy in the senior class. His chief occupations in school are sleeping in the assembly and winking at the Freshman girls.

Along the scholastic line his tastes run chiefly to agriculture and shop work. He has been on several successful judging tours in the live stock rings. His chief ambition is to

be a farmer. My! what a very jolly farmer he will be!

AGRICULTURE NEWS

The agriculture class have been preparing for a corn judging contest to be held at Pierceton, April 21. The first four winners will represent the county at Purdue.

ORATORICAL CONTEST

The local oratorical contest was held at the Gymnasium Friday night, March 23. Sam Blue was the winner of the contest and will represent Mentone in the county contest to be held at Pierceton Friday, April 2. Lots of luck Sam!

HOME ECONOMICS NEWS

The Advanced Home Economics class, consisting of six Junior and Senior girls under the supervision of Miss Margaret Langell, served lunch Thursday noon to approximately one hundred and twenty-five school children. The menu consisted of meat loaf, noodles, fruit salad, peas, milk, cocoa, bread and butter. They were assisted by the seven boys of the Senior boy's home economics class. The lunch was served cafeteria style.

The reports from the well fed students were of the most favorable and the school as a whole took off its hat to the girls for the excellent food, service and geniality. However, the girls say that they found places for improvements and want to try it again some time. Their 'experiment' netted them \$4.34 with which they plan to purchase additional equipment for the kitchen.

Mentone Egg Show

The first Mentone Egg Show was held just a year ago. There was a wonderful response to this show. Over four hundred plates were served at the banquet and following the banquet over two thousand visitors and poultrymen from northern Indiana enjoyed the evening's entertainment.

This year it seems interest in this Egg Show is running high. The Community Building is expected to be packed to capacity for the final evening's entertainment.

The Mentone area is the largest egg-producing area in the mid-west. A wonderful spirit of cooperation prevails and any poultrymen will be welcome.

Special plans are being made to care for visitors coming from a distance.

DEATHS

Bayne

Emma Frances Bayne, aged 78 years, 11 months and 16 days, passed away at the home of her son, Mr. Eba Bayne, near Harrison Center, Saturday morning at 9:00 o'clock. Death followed a two week illness.

She was born in Rising Sun, Indiana in 1855 and after her marriage to John Bayne moved to this vicinity. Her husband preceeded her in death nineteen years ago.

She is survived by her two sons, Eba Bayne with whom she made her home, and Claude Bayne of Atwood; one brother, Benjamin Cochran of Rising Sun, Indiana; and three grandchildren.

Funeral services were held Monday afternoon at 2:30 o'clock at the Harrison Center U. B. church with Rev. Stacy Shaw officiating. Burial was in the adjoining cemetery.

Oratoric Well Attended

DuBois' oratorio, "The Seven Last Words of Christ" which was presented by thirty-five members of the choral society of the Mentone Baptist church Sunday night, April 11, was very well attended by an appreciative audience. The soloists, Miss Lyn Allison Antrobus, soprano, Mr. Howard Jarratt, tenor and Mr. Clarence Nelson, baritone, were outstanding. Rev. R. Orville Yeager, director of the choral society, is to be congratulated upon obtaining this excellent out of town talent and also for his work in organizing such a splendid group of voices.

DEATHS

Yocum

Loren Yocum, aged 69, passed away at his home northwest of Mentone Wednesday morning, April 7. The deceased had been in poor health for nearly a year. Death was due to apoplexy.

He was born in 1868, south of Burkett, the son of Andrew and Christina Yocum and had lived most of his life in this vicinity. In 1914 he was united in marriage to Elsie Stout of near Silver Lake, who survives. He had been a farmer all his life.

He is survived by the widow, Elsie Yocum; one daughter, Mary at home; three brothers, Joe Yocum of Silver Lake, Merl Yocum of Palestine and Wm. Yocum of near Atwood; and one sister, Hattie, of Florida.

Funeral services were held Friday afternoon at 2:30 o'clock at Summit Chapel with Rev. McCoy officiating. Burial was in the adjoining cemetery.

Disqualifications—Cracked or broken egg, spots, musty rots and germ blood rings in any one egg will disqualify the dozen.

We suggest that you bring an extra egg or two, then should one be cracked enroute, you will still have a dozen good eggs for entra.

Should you be unable to bring your eggs to the egg show for entra (on the first day of the show) we suggest that you leave them in the day time with Vocational teachers; Harrison of Mentone, Pifer of Beaver Dam, or Dye of Etna Green, or any teacher in any school, or some merchant in Mentone. The teachers or merchants can then get your eggs to the egg show for entra. Be sure they know your name and the class you wish them entered in.

\$10.00 FOR A NAME \$10.00

A reward of ten dollars will be paid for the best, or most appropriate trade mark, trade name, or brand for the eggs in this community.

All have heard of Pep, Meadow Brook, White Feather New Laid Eggs, and many more, but this name must be original.

In submitting the name you relinquish all rights to it.

Should you accompany the name or names you submit with descriptive data showing how it could be used on egg case label, or in advertising, to good advantage, you might help the judges decide on a name you submitted.

This contest closes April 29th and the ten dollars will go to the winner as soon as the judges reach a decision. Every effort will be made to pay it at the same time the Egg Contest premiums are presented.

Seal your name or names submitted in an envelope, and mail to P. O. Box No. 331, Mentone, Indiana, or hand to Royse Tucker at the Mentone Egg Car. Enclose your name for identification.

In case of duplicate names being submitted, preference will go to the one first received. Send yours in early, it will not be opened until the names are all in.

\$10.00 FOR A NAME \$10.00

SENIOR NEWS

The Senior girls were very de-
lightfully entertained at a little girls'
party held at the home of Marcella
Leininger Thursday, April 1. All
the girls wore short little girl dresses
and hairbows. All the games were
taken from our more childish days.

We played such games as ring
around the rosy, drop the handker-
chief, and blind man's bluff. One
especially exciting game was a race
where you had to chase a penny ac-
ross the floor with your nose. After
many fine games refreshments of
ice cream, cake, cocoa and sandwich-
es were served at individual tables,
each very appropriately garbed in
party favors.

Don't forget the Senior class play
Tuesday, April 13. It's going to be a
scream.

JUNIOR NEWS

We have received our report cards
and we think we have all survived.
We have one more month to bring
some of our low grades up and we
hope to banish some of the X's. It
seems as if the Juniors are taking the
last month very seriously. We are
going to miss the Seniors very much
and we realize that next year will be
the last of our happy school days.

The Juniors have been making
plans for their reception and are
having quite a few scrambles over it.
We hear that some of the girls have
even begun to worry about a date.

EIGHTH GRADE NEWS

The Eighth graders are all looking
forward to exams. In General Science
we are studying about green plants.
We are also having an experiment to
show the principle of Osmosis. Mr.
Harrison insisted that we draw some
leaves. They are as follows: elm, wil-
low, oak, holly, linden, horse chest-
nut, butternut, ash and locust. We
find it is very interesting.

In arithmetic we are having some
ciphering matches.

SEVENTH GRADE NEWS

In Home Economics class the sev-
enth grade girls prepared a break-
fast consisting of fruit cup, scrambled
eggs, toast and cocoa.

In English we are reading the story
"Rip Van Winkle" by Washington
Irving.

In arithmetic we are learning how
to bisect lines and angles and how to
draw perpendiculars. Yesterday we
had a ciphering match.

KNOCK! KNOCK!

Our subject this week is a Junior.
(We can talk about them because it
won't be long until they will be in
the same boat we are). This person
is tall, blonde, blue-eyed and well
built. From all we have seen he is
very brilliant in most every subject
in school. He is especially good in a
subject which requires very flexible
fingers.

His principal hobby is to experi-
ment with his appearance by allow-
ing a few struggling whiskers to re-
main upon his upper lip.

Royal Neighbors Meet

The Poyal Neighbors Booster Convention was held at Mentone April 6 at the Royal Neighbor Hall. There were camps present from Lapaz, Plymouth, Warsaw and Mentone.

Mrs. Ethel Snyder of Frankfort, Ind., state supervisor, and Mrs. Ramer of Kendallville, and Mr. Nettie Phillpot of Warsaw, district deputies, were present to take part in the Booster ceremonies.

Fourteen new members were taken into the organization during the day. Two in the Mentone camp, Mrs. Clifford Scholl and Mrs. Arthur Witham,

and the other twelve to Plymouth, Lapaz and Warsaw.

At six o'clock a banquet was enjoyed at the Methodist church basement by the ninety three members and candidates in attendance. After the banquet the remainder of the evening was spent in their hall where stunts by each camp represented concluded the well-spent day.

O. E. S. Affiliation

Monday evening, April 5, was very pleasant to the members and officers of the Mentone chapter No. 331 O.E.S.

After the regular business session the beautiful affiliation ceremony

was given Mrs. C. D. Meredith.

Mrs. H. V. Johns captivated her audience by reading "Cherokee Roses". Miss Marcella McGinley played "A Poem" by Fibich in her usual capable manner.

After the close of chapter, a committee served refreshments, a fitting close to a most enjoyable evening.

PLANT TREE

Monday the fifth grade class of the Mentone school planted an American Elm tree. It was planted on the south side of the school ground. The planting was carried out during the regular reading period. After the planting, a program was given to the sixth grade. We have great hopes that the tree will live and give shade and beauty to the school lawn.

REBEKAH'S MEET

The 23rd. district of Rebekah's L. O. O. F. met at the Mentone community building on April 14th for their spring meeting. At 2:00 p.m. the meeting was called to order by the District Deputy President, Dora Goodman. After the business hour, a social hour was enjoyed by all and if you want to know the trials of a new unexperienced automobile driver just ask Dora Henderson of Rochester for the details.

The meeting was then turned over to the Evening Star Lodge of Mentone who in turn gave the meeting over to the State President, Anna Belle Gaynor for the school of instruction. This meeting proved to be one of many helpful and useful as well as beneficial suggestions.

At 6:00 o'clock a recess was called and we went to the cafeteria room of the school house where a delicious chicken dinner was served by the Harrison Center ladies.

Again at 8:00 o'clock lodge was called to order by the N.G., Mrs. Dillman and in spite of the inclement weather out side, the degree work was conferred on eight candidates by the Rochester Degree team in a very impressive manner.

At a late hour all departed declaring the afternoon and evening had been well spent, and to meet with Maxinkukee this fall. There were representatives from Rochester, Kewana, Leiters Ford, Maxinkukee, Burr Oak, Culver, Argos, Plymouth, Bourbon, Tippecanoe, Warsaw, North Manchester, Indianapolis, Mentone and the State of Missouri.

One who was there.

Mr. Keith Chenoweth of Bourbon, Mrs. Alpheus Snyder of Argos and Gladys and Marjorie Snyder of Mentone spent Thursday in South Bend shopping.

Kosciusko County Spelling Contest

The Misses Kathryn Eiler and Winefred McCutchen, senior and junior respectively, represented Mentone high school in the Kosciusko county spelling contest which was broadcasted over WOWO, Fort Wayne Monday night. Twelve county high schools were represented. Miss Eiler was unfortunate in misspelling a word in the first round. Miss McCutchen, however, held her own very well with the other spellers of the county and was not put out of the contest until the twelfth round.

The contest was won by Ripley of Milford and Silver Lake was runner up in the contest.

Home Economics News

Mrs. Maude Cox was hostess to the Mentone Home Economics Club, with Mrs. Helen Mollenhour assistant hostess, on Thursday afternoon, April 15. After singing "I Need Thee Every Hour", roll call was answered by fourteen members with signs of spring. The creed was then repeated. The president, Mrs. Lois Moor then gave an article on balancing your budget for a week for the family, both as to diet and expenditure. The mystery package was won by Mrs. Swick. The articles brought for auction were then sold and a very amusing contest was conducted by Pauline Weissert after which delicious refreshments were served. Club adjourned to meet on May 20 with Mrs. Myrtle Leininger. Rep.

Etna Green News

The recent deaths of Mr. Henry Yazel and Mr. Thomas Elder take from this community two, more of our oldest citizens. Mr. Yazel died April 7 at the age of ninety-five. He had lived continuously most of his lifetime in Etna Green and until very recently he had been in the best of health with his mental capacity unimpaired.

Mr. Elder, past sixty-five was born and lived his entire life here. A few months ago he met with a very painful accident while working in the woods, in which a tree that he had cut down fell upon him, resulting in the injury which no doubt contributed to his death on April 12. This community will miss these citizens very much.

The Etna Green high school band left for Columbia City Friday evening where they competed in the district musical contest. Those who entered the contest were: Jack Hamlin - Cornet, Maxine Kintzel - Bass, Tom Miner - Baritone and Frank Ford - Trombone. Eleanor Poor entered the contest for Drum Majors. Naturally our citizens are very proud of this organization and wish them success in the contest.

The Christian Church will begin an evangelistic meeting April 27 and will continue until May 9 under the leadership of Francis H. Gerrett evangelist of Sand Lake, Pennsylvania and Rev. Ralph E. Bourne, pastor of the local church. Mr. Gerrett has announced several sermon subjects, all of which should be very interesting. The public is very cordially invited to come and hear him.

The work of razing one of our oldest landmarks, which has stood for three quarters of a century adjacent to the west side of the Etna Bank is progressing rapidly. This building is remembered by our oldest citizens as the Harshner building in which Mr. J. K. Harshner operated a grocery half a century ago. In late years it has been known as the Melick building. Recently it was condemned by the state fire marshal which necessitated its removal. The small lot vacated by the removal of the building would be an ideal location for a first class physician to build an office room and reenlist the patronage that years ago supported three physicians. The citizens of this town would welcome such a proposition with outstretched arms.

Mr. Gearheart, station agent of the Pennsylvania R. R. is taking a few days vacation.

The mill buys wheat, oats, corn.

Mr. Lafayette Yazel has purchased one ell of the Melick building and expects to move it upon his lot and reconstruct a new residence for himself.

Mrs. Mary Kathryn Kintzel and small son Billy Lee were visitors last Saturday afternoon at the home of the former's parents, Mr. and Mrs. L. A. Melick.

ECONOMICS CLUB

(Delayed from last week.)

Mrs. Vada Rhodes was hostess to the Tippecanoe township Home Economics club on Wednesday afternoon. Several communications were read by Mrs. Severns, the president, one of which was in regard to the Marshall County Federation Club convention, to be held in Argos, April 27. A Fine Arts Festival will be held in connection with the convention, and a number of suggestions were made to club members to assist in the display.

With the April meeting our club book of programs finishes the years work and our wish is to have the years that follow as interesting. Roll call was so difficult that eleven members were not present to answer to the 'tongue twisters'

Mrs. Jennie Ford gave a most interesting paper 'Club Review of the Year'. As much time and thought were taken to prepare this year's work, we all found it most enlightening. 'Current Events' were given by Mrs. Rose Shaw and Mrs. Annabelle Swoverland gave an appropriate reading.

Mrs. Rhodes with her assistants served delicious refreshments. Our new programs were handed out and our first meeting will be a 'Mother and Daughter' program with Mrs. Maude Hutchinson as hostess on May 5th.

SENIOR NEWS

The Senior class was very delightfully entertained at the home of Julia Anne Busenburg Wednesday night, April 15. The group encountered quite a difficulty on the way out as the rain came pelting down so fast that it was almost impossible to see the road. When we arrived at the house we were very warmly received by Miss Busenburg and her mother, assisted by Miss Ruby Molebash. As the evening progressed, card tables were set up and rummy and other games were played. We were then served delicious refreshments at the tables which had clever little favors that looked like oil or lamps made from gum drops.

The Seniors are very busy working on plans for commencement, baccalaureate and the class day program. We will hold our class day program at the gym and the date will be announced later. At this meeting the class history, class prophecy, class will, and farewell address will be read.

JUNIOR NEWS

Mr. Bowers took a number of the members of the high school band to Columbia City Friday to witness the regional band contest to be held there.

EIGHTH GRADE NEWS

A new invention has been perfected in the last week! This astounding invention was patented on Friday, April 9, 1937. It was invented by Sir Emory G. Harrison. It has been christened the alcoholic explosion. It was demonstrated upon Carl Whetstone, who, when the explosion occurred, jumped back as if he were closely related to the frog in the aquarium in the laboratory. As for the rest of the class, they were panic stricken.

SEVENTH GRADE NEWS

We are getting ready for the final test which will come about April 26. In literature we are reading the story of 'The Tempest' by Shakespeare. Our history class is very interesting at present, as we are studying the beginning and the causes of the world war.

KNOCK! KNOCK!

We will not tell you what rank this person has in our school life, but we will tell you what rank he has in our minds. This person is small of stature, but mighty in mind, personality, physical strength. We believe that he is the best liked person that appears on our campus. His chief characteristics are speed, accuracy, precision, fairness, willingness to help others, friendliness and a keen sense of judgement.

There is no one in our school life whom we will look back to with as grateful hearts as to this person. He has aided us at every turn to get the most and the best from our school life.

There are many more fine things that belong in this character sketch, but the one thing that will aid you to the solution of this little puzzle is, this person is known for his desire to do the most good for the most people concerned.

Bachelor's Honeymoon Well Attended

The Senior class of Mentone high school presented one of the best, all around "good" plays Tuesday night that has been witnessed in Mentone for several years. 'Bachelor's Honeymoon' a three-act comedy farce, directed by Dale Kelly and presented by twelve members of this year's graduating class, also attracted the largest crowd of spectators that any similar performance has attracted recently. The reserved section on the main floor of the auditorium was well filled and a good share of the bleachers were filled.

Taken as a whole, the players were very well cast. Principle Kelly has coached several school plays, but this year he was fortunate in having a play that so well suited the 1937 class. The two leading characters, the newly-wed, Mr. and Mrs. Bachelor, were very well portrayed by Do is Wiltrout and Donald Boggs. The former made a very sweet and

attractive young bride and the latter an indulgent young bridegroom. Boggs had a tiny vocal part in which he had a chance to exercise his vocal ability, a talent of no little dimensions which he should take more seriously.

Some of the best acting in the play was done by Kathryn Eiler, who portrayed Minerva Bachelor, the spinster sister of the bridegroom, who held the purse strings of the family fortune. Her scathing remarks and grandiloquent gestures constituted a major portion of the side splitting fun this comedy afforded. Seth and Comfort Coffin, played by Devon Hibschan and Louise Paulus were also very good. Others who supported this excellent cast were James Parks, Doris Matthews, Alice Meredith, Marcella Leininger, Willodene Janke and Justin Long.

Only one error or complaint could be found. The person who wrote out the programs, forgot to list who was playing the part of Pluto, the dog.

Fort Monroe

Fort Monroe, the largest enclosed military reservation in the world, came in for additional prominence immediately following the Civil war, when Jefferson Davis, President of the Confederacy, was imprisoned there for a long period. The strategic location was recognized over 325 years ago, when the first flimsy fortifications were thrown up at Old Point as a defense against Spanish attack from the sea. Fort Algernonne, as it was called, and its successor, Fort George, were destroyed by storms, and it was not until 1818 that work was started on the present fort.

Oldest Firearm

The oldest firearm in the world is a notable exhibit in the collection of weapons at the Armory museum in Berlin. It is a Chinese hand-gun, dating back to the year 1377. It bears an inscription indicating the name of its bearer and his military unit, the Guard at Wei-wu, a town which suffered much from the depredations of foreign robber bands and pirates.

Dropping the Pilot

An interesting sight is the ceremony of dropping the pilot after passing through Ambrose channel, entrance to New York harbor. The pilot always leaves in a small row-boat, being picked up a hundred or 200 yards away by the yachtlike steam tender. Soon after passing here all land fades out of sight.

Etna Green News

Mr. and Mrs. Carl Kratzsch and son Junior of Warsaw were callers at the homes of Mr. and Mrs. Leroy A. Mellick and Mrs. Anna Hess last Sunday afternoon.

Mrs. Anna Hess who has been spending several weeks at the home of her daughter, Mrs. Marlin Miller of South Bend returned home last Sunday for a weeks stay after which she will return to South Bend for another brief stay. Her grandson Marlin Jr. is spending the week with her.

Mr. Henry Carwright, eighty-four years old, was found dead last Sunday evening at the home of Mr. and Mrs. Ben Long where he has been making his home during the past winter. He was an uncle of Mrs. Long. His funeral was held last Wednesday afternoon at the Long home and he was buried at Plymouth.

Mr. Clarence Bartell of Ft. Wayne was a visitor last Sunday at the home of Mr. and Mrs. Don Burch.

Barbers of Kosciusko County and adjacent counties held a banquet at the Sitnek Coffee Shop last Monday evening. There were about fifty-five in attendance and speakers from Peru, Fort Wayne and Indianapolis were heard.

The condition of Mr. Grant Whitacre who has been suffering serious illness for the past year is reported to be not so well at this writing.

The "Little German Band" consisting of Maxine Kintzel, Tuba; Frank Ford, Slide Trombone; Ivo Stuzman and Betty Anne Melick Clarinets and Jack Hamlin, Cornet, played for the Barbers Banquet last Monday evening and were very enthusiastically applauded. This little organization is meeting with considerable appreciation in our midst.

Don't forget the evangelistic services that are starting at the Christian church in Etna Green this week. Rev. F. H. Gerrett of Sand Lake, Pa., who is assisting Rev. Bourne, local minister, has announced the following subjects: The Six Kingdoms, Jonah and the Whale, A Successful Business Man that was a Failure, Ye Must Be Born Again, The Lord's Supper, The Great Legacy or All Shall Marry, What Became of the Carpenters that Helped Noah Build the Ark, Things that Save, What Must I Do To Be Saved? Excuses, Old Time Preachers and What They Preached, The Preaching our Times Demand and Steps Unto Heaven.

The High School graduating class will receive their diplomas Monday evening at commencement exercises. There is a class of twenty-one this year.

Mr. Arthur Brindly of south of Warsaw and one of the early residents of Etna Green was in town last Thursday evening calling on old friends and his brother Norman.

We were glad to learn that the case of scarlet fever in town reported last week is unconfirmed and the little child is again in school.

Miss Maxine Kintzel of Etna Green won first place in the Tuba playing contest in connection with the Band Contest held in Columbia City last Friday.

Girl Scout News

The Junior Girl Scouts met at the Methodist church on April 22. There were eight Girl Scouts and two visitors present. We colored the apple tree. We also sang songs and had Pat of meeting and inspection. We all had to guess, at least two or three names for an English Bull Terrier. The person who guesses the best name, will have to say their Girl Scout laws, promise and motto and will receive a present at the next Scout meeting. After that we played games. We closed the evening with good-night circle. Reporter.

Fans
Fans made of peacocks' feathers were used in China in 3000 B. C., and there is one in the Cairo museum 4,000 years old. The invention was brought from China to Europe by Portuguese traders in the Seventeenth century, and Paris was long the centre of fan-making. In 1685 King Louis XIV expelled all his Protestant subjects and some of them brought the art over to England. The Fanmakers' company of London dates from 1709.

The Fantasia
A fantasia is any musical composition not in strict form, or a medley of well-known airs with florid decorations.

PSI IOTA XI

Beta Epsilon chapter of Psi Iota Xi
sorority was delightfully entertained
at the home of Mrs. Polly Baum in
Warsaw Wednesday evening with
Miss Jessie Rush as assistant hostess.

Four tables of bridge progressed
throughout the evening with prize
for highest score going to Helen
Hoffer and second highest to Marie
Stokes. The honor prize was won
by Lucille Myers.

During the ensuing social hour a
lovely devils food cake was raffled
off. Miss Annabel Mentzer and Mrs.
Pauline Riner were the joint winners.
After the raffle the hostesses served
delicious refreshments to the follow-
ing: Yolanda Riner, Nell Reed, Lu-
cille Myers, Emma Clutter, Pauline
Riner, Helen Hoffer, Lena Eaton,
Annabel Mentzer, Maxine Foxvog,
four guests, Marie Stokes, Evelyn
Mintz, Suzan Hammon and Wini-
fied Philipy, and the hostesses, Polly
Baum and Jessie Rush.

Whitetail Deer Poor Traveler

The whitetail deer is a poor
traveler on deep snow. Moose have
long and heavy legs which permit
them to drive through the heavy
snow but not so the whitetails. They
soon bog down and tire out. Caribou
can spread their hoofs to some ex-
tent to act as snowshoes, but the
sharp-pointed hoofs and slender legs
of the deer have no such ability.
Once the snow grows deep, the white
tails make little attempt to travel.
They isolate themselves in chosen
yards, and there they keep well
beaten runways open by the simple
expedient of traveling them through-
out the winter.

Patagonia

Patagonia is the former name of
a region at the southern end of
South America, south of 68 degrees
54 minutes south. The region is di-
vided between Chile and Argentina.
The name Patagonia is often ap-
plied to the southern part of Argen-
tine, consisting of Neuquen, Rio Ne-
gro, Chubut and Santa Cruz terri-
tories.

The Balkans

The term Balkan Peninsula is ap-
plied to the region which contains
the Balkans, a series of ridges of
mountains in southeastern Europe.
The countries included in the Bal-
kans are Yugoslavia, Roumania,
Bulgaria, Albania, Greece and the
remnant of European Turkey.

HARROUN'S FIRST REAR - VISION AUTO MIRROR IN 1911 REFLECTED PROGRESS AT INDIANAPOLIS

RAY
HARROUN

1911

LOU
MEYER
1936

INDIANAPOLIS, Ind.—Ray Harroun was looking backward with his first rear-vision automobile mirror in 1911, but he was looking well into the future with the design of his winning race car.

There was a difference of two hours, seven minutes and four seconds between Harroun's time for the 500-mile and that of Lou Meyer a quarter century later in 1936, but science closed the gap.

The very latest in fast racing automobiles will be seen during the 25th annual race, the Silver Anniversary of the 500-mile contest at the Indianapolis Motor Speedway this Monday, May 31.

While passenger automobiles of twenty-five years ago look anti-

quated compared with the smartly-designed, high-powered models of today, the designers of Harroun's car were looking forward.

They used stream-lining for the first time, converted the Marmon Wasp into a six-cylinder car and they proved that an automobile could be made safe even in a gruelling 500 miles of racing competition.

Harroun, grim-faced and black-helmeted, drove his long, snaky racing machine over the Indianapolis bricks at an average of 74.59 miles per hour, defeating DePalma, Mulford, Wishart, Bruce-Brown and other famed racing men of the past.

Meyer's compact, four-cylinder speed creation roared 200 times around the two and a half mile Indi-

anapolis track at an average of 109.069 miles an hour, an all-time and an astonishing record. The great three-time winner of the classic consumed only four hours, 35 minutes and three seconds compared with Harroun's six hours, 42 minutes and eight seconds.

Improvements that engineers of Harroun's era dreamt had become actuality for Meyer. Stream-lined speed, power in the turns, balloon tires, four wheel brakes all had contributed to Meyer's victory.

But those racing men of 1911 in that first 500-mile race deserve a cheer from the motoring public. They blazed the trail of advancement to the automobile industry over those blazing Hoosier bricks.

SENIOR NEWS

There isn't much to say of the Seniors this week except that they are all looking forward with eager eyes to graduation, and all the functions associated with it.

The Junior-Senior Reception will be held Friday night at the Masonic Temple at Warsaw, the Baccalaureate services at the M.E. church the following Sunday night. Class day will be held at the school on Tuesday afternoon, and Commencement exercises will be held at the Baptist church on Wednesday, April 28.

We Seniors all want to try to realize that there is more to graduation than a mere diploma. Our high school education is only a beginning to our future. We are very grateful to everyone who has helped in our high school and take this means to express this appreciation to our friends and teachers.

Next week we will publish the class history, class will and the class prophecy in this column.

JUNIOR NEWS

The Juniors are all excited this week over the preparation for the Reception Friday night. From all the buzzing activity, it must be going to be some affair.

SOPHOMORE NEWS

We can put the Freshmen and the Sophomores in the same item this week as they seem equally excited about coming examinations.

EIGHTH GRADE NEWS

Yesterday, Miss LeHew, the girls physical education teacher, took the girls on a hike through the big city of Mentone. We passed Mr. Kelley's home, Mr. Paul Smith's home, and the new M. E. church, which has been remodeled lately. Those were the most interesting points on the trip. The girls enjoyed their hike very much. Some sang to make it livelier. When we were near the bus-

iness section of town we were cautioned to use our mufflers. We all decided that Hope Deaton would have to share up her "Muffley" as she is the only one who possesses a real live "Muffley."

In Arithmetic, Mr. Fenstermaker gave us some problems to work and a large number know what it means to get some low grades. It's a very sad story, and if you are in doubt ask Lewis Blue or Rosemary Sanders.

In General Science class, Mr. Harrison up and discovers that our brains are practically worn out through overstudy. We wonder.

Examinations are around the corner and we are afraid they will make their appearance too soon.

SEVENTH GRADE NEWS

The Seventh grade is now beginning to prepare for our final examinations.

Last Tuesday in Literature class we gave the play "Jean Valjean." The characters were as follows: Jean Valjean, Bobby Anderson; Bishop, John Tucker; Mademoiselle, Barbara Creighton; Madam, Flossie Mikel; Officer Carl Rush; two soldiers, Walter Smythe and Paul Horn.

HOME ECONOMICS

The advance home economics class is very anxious to prepare and serve the speakers' banquet held next Monday night at the school house for all those who have participated in plays, oratorical contests, debating, and public speaking this past year.

The class is also planning a buffet luncheon sometime soon. This is a type of luncheon not often served and we all wish to serve one before school is out.

AGRICULTURE NEWS

The Junior-Senior agriculture class has completed their ship course and are ready for school to be out. I don't think the Freshman-Sophomore class will feel badly about it either.

PLEASE NOTE that the news item concerning the presentation of "Bachelor's Honeymoon" in last week's issue was in no way connected with the regular school news, and was not written by anyone on the School Editorial Staff, as was rumored. The item was the fruit of our personal observation and we simply gave the seniors the credit they deserved for their splendid performance. (Editor)

BRIDGE CLUB

The Mentone bridge club met Thursday afternoon at the home of Emma Clutter. Three tables of bridge progressed with prize for highest score going to Eleanor Manwaring and second highest to Fay Bunner. The traveling prize was won by Edna Burns.

There were two guests present, Elizabeth Myers and Helen Hoffer. Club will meet in two weeks with Lois Fenstermaker, on Thursday night, May 6.

Burket Items

Rev. Ray Upson of Elkhart is assisting Rev. Cornelius in his revival services. The services will continue through next week. Everybody is invited to attend. Come and hear Rev. Upson sing.

Ernest Williamson had a small fire last week. One brooder house and 600 chickens burned.

Byron Ehernman is spending a few days with his daughter, Mrs. Blanche Doran.

Mr. and Mrs. Wm. Reddinger and family of Warsaw moved last week to the Ehernman homestead, three miles north of Burket.

Mr. and Mrs. Ed Driesbach spent Sunday at the Gus Mollenhour home.

Bernice Kendall of North Manchester college visited with Delta Dean Doran over the week-end.

Byron and Brookie Doran sang at the North Manchester college social program Friday evening.

Mrs. Jane Bruner is back in her home for the summer after spending the winter with her daughter, Mrs. Lulu Graff of LaFayette.

Joy Byers spent Thursday afternoon with Byron and Brookie Doran.

Mr. Isaac Ault is reported very ill at his home.

A Good Improvement

The Clutter building, now owned by Swift & Co. buying station is being remodeled. Work began last Tuesday morning and is progressing in a very favorable manner. A new brick front has been constructed which will help solidify the building itself as well as afford better lighting and window display. The two apartments on the second floor, one of which is now occupied, are to be rearranged into three apartments. The outside of the building is being covered with gray fire-proof shingles.

Birthday Party

Mrs. Lillie Phebus celebrated her 70th birthday Sunday, April 25, at her home and also her grandson's birthday which was April 18. Mrs. Phebus received a big birthday cake and a rocking chair and several other presents. She had prepared a big dinner to which every one did full justice. The following guests were present: Mr. and Mrs. Foster Jones and nephew of Lapaz, Ind., Mrs. Elizabeth Simco and son of Warsaw, Mr. and Mrs. Walter Phebus and daughter of Plymouth, Mr. and Mrs. Howard Phebus and sons of Tippecanoe, Mr. and Mrs. C. G. Debois of Hammond, Mr. and Mrs. John Kalmbacher and granddaughter of Talma, Mr. and Mrs. Wm. Cook of Mentone, Mr. and Mrs. Dyer of Lapaz. They all left in the evening wishing Mrs. Phebus many more happy birthdays.
