ALONZO BLUE DIES AT HOME HERE MONDAY

Alonzo Blue, aged 78 years and a lifelong resident passed away at one o'clock Monday afternoon at his home about a mile south of Mentone following a serious heart affliction.

Mr. Blue a native of this county, was born May 23, 1865, the son of Peter and Elizabeth Blue. He was married to Olive Mollenhour December 17, 1882. She preceded him in death in 1918. On September 14, 1921 he married Lulu Shuman, who survives.

Mr. Blue was a carpenter by trade and although physically unable to do much the past few years, he still did a little work of that type now and then. His last attack was suffered about two months ago although he had been in failing health since last August. He was a member of the Mentone Methodist church.

Surviving relatives beside the widow are: one son, Charles Blue, of Defiance, Ohio; one step-son, C. D. Shuman of Rochester; one sister, Mrs. Etta Halterman; one brother, Ben Blue, of Warsaw; four grandchildren and two great-grandchildren. One son and two daughters preceded him in death.

Funeral services were held at the Methodist church at two o'clock on Wednesday afternoon with Rev. E. E. DeWitt of Larwill, former Mentone pastor, officiating. Interment was in the Mentone cemetery. The Johns funeral home was in charge.

LOCKER ADDITION READY FOR USE WITHIN NEXT TEN DAYS

The engineers working on the new addition to the Mentone Locker Plant report that they expect to have the new cold storage room refrigerated and ready for occupancy within ten days.

MARRIED IN TEXAS

Lt. Charles L. Kern, son of Mr. and Mrs. Ivan Kern, and Marinel Langdon of Plymouth, were married at Alpine, Texas April 1. Lt. Kern is stationed at Marfa, Texas.

FOOD AND EQUIPMENT FOR YOUR BOY: Ships, ships and more ships must speed through dangerous seas to furnish supplies to our boys now thousands of miles from home. Victory in Africa, in Russia, in the South Seas and on the continent depends on ships manned by unsung heroes who are gladly risking their lives to deliver the goods.

BOND CONCERT A SUCCESS: RECEIPTS OVER \$600.00

On Tuesday evening of this week a large and appreciative audience listened to the spring concert of the Mentone School band.

It is very gratifying to note, that whatever breach may be made in the band ranks each year by departing members, is filled by other members under the fine guidance of the band leader, Mr. Bowers.

During intermission Mrs. Ray Linn, regent of the Anthony Nigo Chapter of the D. A. R., made a presentation to Katherine Snider, honoring her as the D. A. R. Good Citizenship Girl from Mentone High School and Kosciusko county. She was presented with a Victory corsage of War Savings Stamps and a Good Citizenship Certificate.

Door receipts were \$604.85 in War Stamps and Bonds, making a total for which all of us can feel more than proud.

HIGH SCHOOL COMMENCEMENT FRIDAY, APRIL 16

Mentone high school commencement exercises will be held at the Methodist church on Friday evening, April 16th, starting at 8:15 o'clock. Rev. Slaybaugh, of Akron, will deliver the address.

Baccalaureate services will be held at the First Baptist church at eight o'clock on Sunday evening, April 11. Rev. E. Coleman Ralston, pastor, will give the sermon.

The graduating class is composed of twenty students. Miles Igo, son of Mr. and Mrs. Ernest Igo, is president of the class. The graduates are:

Jean Elliott, Leota Ellsworth, Leota Horn, Genevieve Kraatz, Ann Leininger, Gertrude McClane, Betty Miner, Merriam Shull, Margaret Nuell, Katherine Snider, Edna Whetstone, Wilfred Deaton, Dean Decker, Richard Hudson, Miles Igo, Jack Mann, Forrest Meredith, Dean Nelsons' Jr., Eugene Sarber and Leonard Smith.

MRS. ALLEN NELSON, 84, PASSED AWAY SUNDAY

Mrs. Minnie Nelson, aged 84 years, passed away at her home here at 9:50 a. m. Sunday following an extended illness with influenza. Relatives have been much concerned about her condition the past six weeks.

Mrs. Nelson was born August 29, 1858, the daughter of Amasa and Mary Garwood and had resided on a farm in Fulton county for the past twenty-three years. September 21, 1878 she was united in marriage to Allen Nelson, who also has been seriously ill since the first of the year.

The deceased was a member of the Mentone Church of Christ.

Surviving relatives include the aged husband; one daughter, Mrs. Myrtle Leininger of Mentone; three sons, Amasa Nelson, Burket, W. T. Nelson, Etiwanda, Calif., and Don Nelson of Argos; two sisters, Mrs. Maude Rapp of South Bend and Mrs. Allen Borton of Mentone; one brother, Joshua Garwood, New Smyrna Beach, Fla., eleven grandchildren and fourteen great-grandchildren.

Funeral services were held at the Nelson home Tuesday afternoon at two o'clock with Rev. J. S. Johns, of Indianapolis, officiating. Burial was in the Mentone cemetery. The Johns funeral home was in charge of arrangements.

MANY EAGER TO LEND ASSISTANCE TO STRICKEN FAMILY

Many have been the remarks today of those who said they wished there was some way in which they might give assistance to the Buddy Miller family which suffered a heavy loss of food and clothing in the fire today. There are many who would like, in addition to giving financial assistance, to contribute canned food and furniture. George Clark offered to accept any contributions of canned food and to see that it was delivered to the Miller family.

It can be assured, too, that if anyone familiar with the furniture needs of the stricken family, will notify Mr. Clark or this newspaper, such items will be secured.

American People Face Acid Test in Treasury's 2nd War Loan To Raise 13 Billion Dollars in Three Weeks

The Nation Dare Not Fail in This Greatest Financing Task in History—"They Give Their Lives—You Lend Your Money."

Washington, D. C.—Coming as it does upon the heels of income tax payments, the people of America will face an acid test this month when the Treasury's Second War Loan drive opens April 12 with an objective of thirteen billion dollars to be raised through sale of Government securities.

A substantial part of this huge financing, the most stupendous ever undertaken by any government in the world's history, must be loaned by people in ordinary walks of life.

High Government officials have pointed out that the nation must not fail in this duty to our men on the battle fronts who are now carrying the offensive to the enemy at every stage. It is obvious to every thinking man and woman that as the United Nations take this offensive against the dictators, the cost of war operations increases in proportion.

The American people must no longer think of war costs in terms of equipping a soldier, building a tank or plane or a ship. We must now think in terms of the cost of battles, invasions and new offensives. Attacking armies cost more money than equipping that army and we must meet that increased cost by buying more War Bonds and Second War Loan Securities.

They Give Their Lives.

It is not only necessary that the American people left here at home assume this additional participation in the war effort—it is an honor to do so . . . for we here at home can do no less than attempt to approach the sacrifices of our brave men out on the fighting fronts to whom the last great measure of sacrifice is but a daily offering. They give their lives . . . we are asked only to lend our money.

And that is the theme of the Second War Loan, "They Give Their Lives—You Lend Your Money."

Financial experts who know monetary conditions in the nation point out that at the present time there is in liquid funds, cash and commercial bank deposits over and above taxes and present investment in Government Bonds, and over and

above what can be bought this year because of restrictions and rationing . . . approximately 40 billions of dollars which should go into Government Bonds.

It should be the objective of every American to invest these loose dollars, idle dollars, in Government securities, not only from a patriotic standpoint, but from the standpoint of their own financial security. There is available during the Second War Loan a type of Security to fit every pocketbook.

Are Wild Dollars

Every dollar of these forty billions of dollars available, which is not invested in Government securities during this War Loan Drive is a "wild" dollar which, together with its mates, will tend to increase inflation. Uncontrolled inflation might raise the cost of living to a point where the dollar is worthless. It can happen. It happened in Germany after the last war when the price of a loaf of bread cost more than an annual wage.

Invested in Government securities, your dollar will work for you. It will hold down inflation because it is harnessed in war work: it will help buy food, transportation, munitions for our boys on the front lines and it will be earning interest that, together with your original loan, will come back to you later to help you buy the things you cannot buy today . . . to insure your peace of the future.

Remember those boys out there . . . in Tunisia . . . in the South Pacific . . . They give their lives—You lend your money.

 If every man, woman and child in the United States lays aside \$100 the aggregate will be about \$13,000,000,000 or the amount the Treasury must raise in its Second War Loan.

 Thirteen billion dollars—the sum the Treasury must raise in the Second War Loan drive, is only one sixth of the estimated cost of the war for the fiscal year of 1943.

FARM HOMES SHOULD BE BETTER PROTECTED

Fire is one of the nation's most destructive agents yet few of us put forth a great deal of effort to thwart its acts. Yes, every one will put forth every effort to combat a fire once it has started its process of destruction, but we never make proper preparation before hand. There is no difference between the citizens of the towns or the country in this regard, but the city dweller usually has the advantage of an adequate water supply.

Fire can only be stopped or retarded by either choking it by denying it the oxygen from the air or by flooding it with a sufficient amount of water to absorb the temperature. Water really doesn't extinguish a fire, it absorbs the heat until the temperature of the burning article is below the burning point.

Water absorbs heat approximately four times as readily as air while water in the form of a mist or steam will absorb 10 times as much heat as when in a steady stream. Extinguishing fire is a mathematical equation with the heat of the burning article and the heat absorbing agent on opposing sides. The element of time, too, is highly important as some fires increase in temperature rapidly.

Every home should have some fire protection even if nothing more than a few small glass cans filled with carbon tetrachloride. The fluid (the base of almost all spot-removing formulae) is not harmful and many bad fires could be averted by the opportune use of handmade fire bombs. (A house should be ventilated after using the liquid on a fire, however, as the gas it generates with contact with fire can be fatal if too much of it is inhaled by a person.)

Most fire trucks carry less than a hundred gallons of water and if there isn't more available at the location of the fire, the equipment cannot accomplish much other than possibly

save the surrounding property. It would appear that a cistern would be the logical answer in rural protection. The cost of materials would be very small if figured over a period of four or five years, and in this country roof drainage would be sufficient to always keep it full.

THE 2nd WAR LOAN DRIVE IS ON

Start punching from your pocket!

America's war machine is
growing—growing!

It's getting ready to deliver a tremendous, irresistible wallop that will smash the Axis flat—once and for all.

But brother—that punch has got to start from *your pocket!* And now's the time to let it go!

Uncle Sam is asking us to *lend* him 13 billion dollars this month. 13 billions of extra dollars—over and above any War Bond buying that you'd be doing anyway! Money to buy ships and planes, money to feed and clothe and arm and train the millions of your fellow Americans who will deliver this punch—who are ready to work and sweat and

die to keep the place you
live in safe.

Uncle Sam is asking you to back them up. He's asking you to lend the money they need by investing in War Bonds.

In the next few weeks, you may be visited by one of the thousands of volunteers who are giving their time and effort to this Drive.

But don't wait for him. Today—now—go to your nearest bank or Post Office or place where they sell War Bonds. And for your Country's sake—for your own sake—invest all you can!

There are 7 different types of U. S. Government securities—choose the ones best suited for you!

THEY GIVE THEIR LIVES . . .

YOU LEND YOUR MONEY!

FEED WHEAT AVAILABLE
IN KOSCIUSKO COUNTY

Feed wheat to the amount of 100 million bushels will be made available to the farmers of the U. S. to help them reach their production goals in livestock and poultry. To Kosciusko county farmers the price will be \$1.00. This is Commodity Credit owned wheat.

In 1942, the total food output outstripped the peak pre-Triple-A year by 28 per cent. It surpassed production during the World War year of 1918 by more than 42 per cent.

Following is a summary of Kosciusko county farmers production intentions as given of March 27th, from 44 per cent of our farms.

(Figures represent 1943 increase over 1942.)

Soybeans	30%
Tomatoes	0%
Potatoes	10%
Corn	10%
Wheat	13%
Cows for milk	10%
Hens and pullets	11%
Chickens raised	10%
Sows to farrow:	
Spring	10%
Fall	15%

The correct signal is important whether it's out on the Pacific or on Main street, according to this "Victory Hero" poster being distributed to more than 38,000 classrooms in Illinois and Indiana by the Chicago Motor club.

Designed to attract the pupils' attention through use of an analogy between action on the fighting fronts and everyday life, the poster series has been praised by leading educators throughout the United States.

Instruction sheets accompanying the posters help teachers use the safety lessons to best advantage for various groups, such as rural or city children, and pupils in the various grades.

D. A. R. CORRECTION

In a release handed this newspaper last week by the Anthony Nigo chapter of the D. A. R., mention was made that Miss Katherine Snider was the only Mentone girl ever to win the county Good Citizenship award. The writer unintentionally omitted the name of one other young lady, Miss Mildred Mahoney, who won the county honors in the spring of 1941.

GATES—ULSH

Claude F. Gates and Mrs. Pearl Ulsch, both of Mentone, were married Saturday, April 3, at the Haney hotel in Silver Lake. Rev. Noah McCoy read the marriage ceremony.

Mr. and Mrs. Gates will make their home in Mentone where Mr. Gates recently purchased a home.

A hearty welcome to all.

FIRST BAPTIST CHURCH
Mentone, Ind.

You Are Ever Welcome to This
House of God

A. F. Allen says "The Sunday School is vital to the life of the church and to religion. It is the recruiting office of the church and of Christianity. The boy and girl, the man and the woman can find no better place for the culture of the highest qualities of mind and soul than the Sunday School. It is there that the great fundamental truths of human experience are studied. The Sunday School is not only an agency for promoting Christian belief and practice, but it is also one of the most effective agencies for the perfecting of good citizenship." Yet the Sunday School is only one phase of Church activity. It seems strange that most men do not care to live in a community where there are no churches or schools, yet many of those same men are totally indifferent to the welfare of the church, either by their support or by their attendance. The church is the founder and the foundation of our free government and the civilization which you now enjoy. It is also the mother of our free educational system. The first and only text book for a number of years was the Bible. The first schools were conducted by the church. Did you know that out of the first 108 colleges in the United States 105 of them were founded by the church??

These are merely by-products of the church. Its fundamental purpose is of far greater value. Do you appreciate what the church has done for you? We are not here to be ministered unto, but to minister. Won't you come and fellowship with us and enjoy having a part in its great work.

Sunday School 9:30 A. M.
Morning Worship 10:30 A. M.

E. COLEMAN RALSTON, Pastor.

NUGGETS FOR BEREANS No. 55

In consulting the concordance, you will find that the word **MEASURE** occurs just three times in the epistle to the Ephesians. These occurrences are in this next section we take up for study, 4:7-19. If we study the use of the word **MEASURE** in Scripture, we will find that as a usual thing it means a certain amount. In some instances it means a limit or reasonable amount. Let us see how it is used here.

1. THE MEASURE OF THE GIFT OF CHRIST. If we will only read verse 11 right after verse 7, we will find that the gifts here referred to are not gifts to individuals as was true in the apostolic church, but the

gifts are qualified men; apostles, prophets, evangelists, pastors, and teachers. These are not gifts from Christ, as we might at first suppose, but go with the fact that Christ was given to be head of the church, (See Eph. 1:22).

2. THE MEASURE OF THE FULLNESS OF CHRIST. The apostle knew that every believer would be presented "holy, and unblameable, and un-reprovable" in the sight of God thru the death of Christ. Yet he longs for another presentation, that every man might be perfect in Christ, or measure up to the stature of the fullness of Christ. A full knowledge of the will of God is thus necessary to attain unto "the unity of the faith," "knowledge of the Son of God," "a perfect man," or in any degree measure up to "the stature of the fullness of Christ."

3. THE MEASURE OF EVERY PART. In Eph. 2 we have the church pictured as a temple; here in Eph. 4 it is a body. A comparison of the two will explain this MEASURE OF EVERY PART. The temple is built upon the foundation of the apostles and prophets; the body is built up as a result of the ministry of the apostles and prophets. The temple is fitly framed together; the body is fitly joined together. The temple has Christ as its head. The temple grows up unto an holy temple in the Lord; the body grows unto Christ. The temple—"In whom ye are builded; the body—"Out of whom . . . makes for growth." Have you, as a Christian, grown up

—Oscar M. Baker.

Getting the Most from your Victory Garden

GARDEN PLANNING IMPORTANT

The Victory garden should be large enough to raise all the fresh vegetables a family can use, but not so big that it cannot be well cared for. According to tests made at Ferry-Morse Seed Breeding Station near Detroit, Michigan, a 15-x-30 foot garden will produce plenty of vegetables for a family of two or three; a 20-x-40 or a 25-x-50 foot garden is ample for a household of four or five and sometimes more. Farm families with no lack of space are urged to plant and use in one way or another all the vegetables possible, but to plan in advance to use seed to best advantage.

It is a simple matter to determine how much seed to use. A standard size packet of radish seed will plant at least a 25-foot row, according to Ferry-Morse findings. The same is true of carrot, summer squash, spinach, and snap beans. Of such vegetables as require quite wide spacing in the row, as beet and Swiss chard, a packet of seed can be made to plant as much as fifty feet of row.

If one packet of radish or lettuce seed will produce more than the family can use while the vegetables are tender and tasty, sow only part of the seed the first time, and the rest in about two weeks. This is also a practical plan with carrots and beets so that young roots will be coming on for use at frequent intervals instead of all at one time.

Seed packets of such vegetables as parsley and the kitchen herbs often produce more plants than a family can possibly use. Seed of tender vegetables—tomato, pepper, egg plant,—started indoors for later transplanting outside frequently yield many more plants than most home gardeners have room for. Surplus plants might be shared with gardening neighbors to good advantage. An exchange of varieties as well as planting experiences over the backyard fence gives added zest to home gardening and definitely helps avoid waste.

California's First Book

California's first book, Father Paulou's "Life of Junipero Serra," the pioneer leader of the Spanish missionaries in California, was written in Mission Dolores, San Francisco. The mission still exists.

REMEMBER Way Back When—

30 YEARS AGO

Taken from Tri-County Gazette
Published by C. M. Smith

APRIL 3, 1913

Miss Cloe Eddinger entertained 26 young lady friends on Wednesday evening, March 26, for Miss Pearl Kesler of LaPorte, Ind., who has been visiting Mentone friends the past 8 weeks.

The families of Emanuel Mentzer and John Harris moved from Knox to Mentone last week. Mr. Mentzer has purchased the Garrison property on South Broadway.

Mr. and Mrs. I. N. Jennings started Tuesday on their return trip to Basler, Wyoming. Mr. Jennings is engaged in the sheep industry there and finds the business quite profitable. He now has 1600 sheep on his ranch.

Wade Whetstone, of Marion, has bought the I. H. Sarber's tailoring establishment and moved back to Mentone.

Frank Heighway, of Bon Aqua, Tenn., heard of the Peru flood, and being unable to get word from his daughter, Mrs. Frank Korner who lived in Peru, came all the way to look for her. He found her at Akron, safe and dry. Mr. Heighway is visiting Mentone friends.

Mrs. O. P. Fawley and little son of Pierceton, spent Saturday with her sister-in-law, Mrs. Levisa Brown.

There have been a number of inquiries about the bonnet that Mrs. Bennett wore in "The District School" play Friday evening. The bonnet was her wedding bonnet.

Halibut and Sable Fish at the Locker Plant Saturday.

Miss Mary Jane Borton of Fort Wayne, spent Sunday night with her parents, Mr. and Mrs. I. E. Borton.

Mrs. Homer Blue spent the week end in Warsaw with her cousin, Mrs. Sam Sanders.

Mr. and Mrs. John Weissert, of Plymouth, were Sunday callers at the home of Mr. and Mrs. Lewis Foor.

Mrs. Marjory O'Neil, of Oak Park, Ill., is spending a few days visiting her mother, Mrs. C. W. Krathwohl.

Ocean Perch Fillets—the kind you always get—at the Locker Plant on Saturday.

Pfc. Deverle (Doc) Jefferies spent the week end visiting his wife and parents Mr. and Mrs. Ike Jefferies.

Pvt. Lewis Fawley, of the engineering corps, arrived from Camp Bowie, Texas Wednesday to spend a 7-day furlough with Mr. and Mrs. Adam Bowen. Pvt. Fawley was reared in the Bowen home.

Miss Elnora Hatfield of North East, Pa., spent the past week with her grandparents, Mr. and Mrs. I. E. Borton. Jimmie Hatfield, their grandson, was inducted in the navy in March and is stationed in New York at the present.

Those who spent Saturday at the home of Mr. and Mrs. Paul Perkins were Mr. and Mrs. Henry Kuncie and daughter Diane, Mabel Igo and Lois Busenburg of Elkhart, Mr. and Mrs. Everett Busenburg and sons and Mrs. Lena Blue and daughter Jeannine.

Mr. and Mrs. Kelly Eherenman spent the week end in Greenville, Michigan visiting their son, Richard and daughter-in-law and new granddaughter. Mr. and Mrs. Marvin Smith of Warsaw, the latter a sister to Mr. Eherenman, accompanied them.

Miss Jean Burns, music instructor at the Lapaz High School, brought eight of her music students to Mentone Tuesday evening to hear the concert. Their comments regarding the ability of the Mentone musicians were highly complimentary, we are told.

FIRE CHASES MILLER FAMILY FROM HOME SECOND TIME

It is unfortunate indeed for fire to drive a family from their home and destroy a good portion of their personal belongings, but it is far worse to have it happen twice to the same family within a period of ten days. A week ago Sunday the Buddy Miller family salvaged a goodly portion of food clothing and furnishings when their home near Tippecanoe, and Wednesday morning the Mentone Fire Department was called again when flames were shooting from the house to which they had moved. The second house to burn was located about a half mile north-east of their own place.

Nearly all the furniture was removed from the home but canned fruit which had been salvaged from the first fire was in a part of the basement which couldn't be reached and was totally destroyed.

It was reported that the stove for the hot-water heating system wasn't working satisfactorily and while Mrs. Miller went to a neighbor for advice, the house caught fire.

HELP CELEBRATE 78th BIRTHDAY

Sunday, April 4, the children, grandchildren and great-grandchildren met at the home of H. A. Mollenhour for a dinner. All brought baskets filled with good things to eat and all had a good time. The dinner was in honor of Mr. Mollenhour whose 78th birthday was on March 23.

Mr. and Mrs. Mollenhour have five children, eleven grandchildren and twelve great-grandchildren. Mr. Mollenhour has lived his entire life on the same place and it is sure home to him and his family.

Those present included: Mr. and Mrs. Lloyd Teel and son Richard and daughter Eula of Ft. Wayne; Mr. and Mrs. Ed. Driesbach of Burket; Mr. and Mrs. Hugh Kesler and two daughters, Roberta and Rosalie, Mr. and Mrs. Onder Teel and daughters Patsy and Joan and sons Jimmie and Dean of Fort Wayne; Mr. and Mrs. Lee Hagens of Elkhart; Mr. and Mrs. Gus Mollenhour and daughter Velvie of Akron, and Phyllis Huffman, Mr. and Mrs. Wilbur McSherry and sons Freddie and Steven of Burket. Afternoon callers were Norman Teel and wife and son of Rochester and Mr. and Mrs. Ray Morans of Ft. Wayne.

ADDING TO FACILITIES OF YOUTH RECREATION CLUB

Some weeks ago the Lions Club sponsored the recreation center or club room where our young people could gather for fun and amusement. The project has not progressed as rapidly as many would like, due to the lack of facilities and full-time leadership. A committee was appointed and a director for the center has been secured and at the meeting of the Lions Club this week it was decided to buy the necessary additional equipment and supplies to make the club room attractive and practical. New game tables, a large reading table and a magazine rack have been made. Book shelves are to be installed and many other conveniences will be added. We want to make the club room an object of pleasure and pride for our young people. There are some things that are needed that we feel many of our citizens would be very happy to donate. We need several good solid chairs, good books, magazines and games suited for young people, and a good piano. If you have any of the above items and wish to donate them, bring them to the Co-Op. News or call the Big Drug Store (except during the noon hour) and we will have someone pick them up.

We invite your cooperation in making this a successful addition to our community. Rev. E. Coleman Ralston has accepted the responsibility of leader or director.

COMFORT KNOTTING PARTY

Mrs. Royse Tucker was hostess at an all-day comfort knotting party held at her home Wednesday.

A delicious chicken dinner was served at the noon hour.

Those present were: Mrs. Edwin Shirey, Palestine, and her mother, Mrs. Minnie Ellis of Warsaw; Mrs. Charles Lee, Mrs. Ernest Shively and Mrs. Orrie Ellis, also of Warsaw; Mrs. Homer Blue of Mentone, and Mrs. Tucker's sister, Mrs. Nora Kimes, who assisted with the dinner.

A LETTER OF THANKS

Tippecanoe, Ind.
April 5, 1943

Kind Sir:

We want in this way to express our thanks to our friends.

If all the water in the ocean were ink, and all the gold in the world were pen points, and all we had to do were to write letters of gratitude we never could thank our neighbors and friends enough for their kindness during our misfortune, especially the Mentone Fire Co., who worked so faithful.

The Buddy Miller Family.

MENTONE GIRL NAMED CONTROL TOWER OPERATOR

(The following news story, taken from the Fort Wayne Journal-Gazette, is of interest to local people in that one of those mentioned, Mary Borton, is the daughter of Mr. and Mrs. Ira Borton of Mentone.)

Robert T. Schott, manager of the Smith Municipal airport, and Mary Borton of the Coldwater road, have been issued certificates designating them as airport control tower operators, junior rating, following tests conducted by Paul Norrington, an inspector of the airport traffic control division of the Chicago CAA office.

Miss Borton has assumed her duties as a control tower operator at the local airport in succeeding Gene Garvin who left March 21 for the Women's Auxiliary Ferry command. Mr. Schott took the test to be eligible for control tower operator work in cases of a shortage of qualified help or other emergencies.

With the operator vacancy now filled by Miss Borton, the tower now is being operated daily from 8 a. m. to sundown. During the interim, the tower had been operated from 10 a. m. to sundown daily.

Miss Borton is working on the morning shift at the airport and is continuing other work as a war training service instructor in secondary and primary ground school instruction at Tri-State college at Angola.

(Airport control tower work is to control the traffic of aircraft at the airport. No planes can land or take-off without authority to do so from the tower operator.—Ed.)

LT. MILES MANWARING GETS GLIDER WINGS

(The following release from the Public Relations Office, Stuttgart Army Air Field, Stuttgart, Ark., was received Monday.)

Lieutenant Miles Leroy Manwaring, of Mentone, Indiana, yesterday (Friday) completed his course as a glider pilot and received his wings at the Stuttgart Army Air Field, at Stuttgart, Arkansas.

Lt. Manwaring was commissioned in the reserves in 1932 and was called to active duty two years ago. He now joins the armed force's newest air arm, glider transport.

He is a graduate of Indiana University and was assistant cashier at the Farmers State Bank in Mentone. His brother Richard is now an aviation cadet at Maxwell Field, Ala.

MRS. REBECCA COX TO BE BURIED SUNDAY

Mrs. Rebecca Cox, aged 71 years and mother of Leroy Cox of Mentone, passed away at the Elkhart General Hospital at Elkhart at 12:45 Thursday noon, following a major operation for carcinoma.

The deceased was born March 9, 1872, to Abraham and Sarah Peck in Dark county, Ohio, and came to Indiana with her parents in 1878 and settled on a farm southwest of Mentone. In 1895 she was married to George Alva Cox, who passed away in October, 1919, following a major operation. Mrs. Cox moved to Elkhart in 1923 and most of that time has resided at 419 West Jackson Place.

Surviving relatives include one daughter, Mrs. Earl Davis, and six sons, Wilbur F., Omar V., George R., F. Marian, Harold D. and Leroy E., all of whom reside at Elkhart except Leroy who resides at Mentone. One sister, Mrs. W. F. Hamlet, of Wheatland, Indiana, also survives.

The body will remain at the Johns funeral home at Mentone until Saturday morning when it will be taken to the home at Elkhart. Funeral services will be held at the Elkhart First Baptist church where Mrs. Cox held membership, Sunday afternoon at two o'clock with Rev. Antrobus, the pastor, officiating. Burial will be at the Palestine cemetery. The casket will be opened at the cemetery for the benefit of those who will be unable to attend the services at Elkhart.

MRS. CLUTTER NAMED FEDERATED CLUB OFFICIAL

Mrs. T. J. Clutter, of Mentone, was elected vice president of the Kosciusko County Federation of Clubs at a meeting held at the Methodist church at Pierceton Tuesday. Mrs. J. E. Scott of Sidney was named president.

Eighty-two members of the federation were registered, and Mrs. Royse Clover, of Pierceton, retiring president, presided.

COMMENCEMENT FRIDAY EVE AT METHODIST CHURCH

The 1943 Commencement exercises of the Mentone High School will be held at the Methodist church on Friday evening, April 16, starting at 8:15 o'clock, with Rev. Slaybaugh, Church of God pastor at Akron, delivering the address.

The program is as follows:

March Mrs. Urschel
Invocation Rev. Ralston
Music Horn Quartette
Pilgrims Chorus Wagner
Symphony No. 1 Brahms
Address Rev. Slaybaugh
Presentation of Awards
Presentation of Diplomas
Music Woodwind Quintette
Incline Thine Ear, Oh God
..... Gluck
In Heavenly Love Abiding...
..... Bach
Benediction Rev. Stoner

PASSION WEEK SERVICES IN METHODIST CHURCH

Passion Week, April 18-25, will be observed with meetings each evening in the Mentone Methodist church at 7:30. The week following Easter will continue with further evangelistic services.

Rev. Victor E. Stoner, the pastor, will conduct the worship and preach the sermons. He has announced themes for the Passion Week as follows:

Palm Sunday morning, "The Day of Destiny." Evening, "A Holy Temple."

Monday, "A Divinely Human Act." Tuesday, "Misdirected Piety."

Wednesday, "Entertaining Divinity."

Thursday, An observance of the Holy Communion.

Friday afternoon, union Good Friday services. Evening, "The Meeting on Golgotha."

An earnest invitation is extended to every citizen of the community to join in this Christian fellowship of worship and service.

GOOD FRIDAY SERVICES

Union Good Friday services will be observed in Mentone Friday of Holy Week with services in the Methodist church beginning at 1:30 and continuing until 3:00.

The ministers are expecting that the entire community will pause during the period of the services as in former years.

Good Friday services are being conducted in communities throughout Christendom as an act of penitence, reconsecration and gratitude for the sacrifice made by the Divine Son of God on the Cross more than 2,000 years ago.

Periods of devotional music, silence and prayer will be observed throughout the period. Addresses will be given by Victor E. Stoner on "The Story of Good Friday," Rev. Silas Hill, "The Meaning of the Cross," and Rev. E. C. Ralston, "The Triumph of Calvary."

With the world in the midst of a war brought upon us by a paganized materialism it is well to pay tribute to the generally recognized sole message of peace—the plan of God for human happiness.

TOWN BOARD REORGANIZES

At a special called meeting Tuesday evening the Mentone Town Board was revised and one new trustee named.

Max Smith, who had moved from Ward One to Ward Three, resigned as trustee from Ward One. Mervil Smith and Charles Manwaring, the remaining members of the board, assumed their responsibility of appointing a man to fill the vacancy. Maurice Dudley was appointed as trustee of Ward One to complete the unexpired portion of Max Smith's term.

Mervil Smith, who has accepted a position in the Sidney schools and expects to move there shortly, resigned as trustee from Ward Three. This vacancy was filled by Trustees Dudley and Manwaring appointing Max Smith.

At the reorganization meeting which followed, Charles Manwaring was named president of the board.

MRS. ROZETTA LATHAM BURIED AT TIPPECANOE

Rozetta Latham, 62, passed away at 9 p. m. Sturday at the home of her brother, Ed Latham, of Mentone. She had been in failing health for the past ten years and had been bedfast for the past three weeks. The immediate cause of her death was heart trouble.

The deceased was born Dec. 24, 1881, in Tippecanoe the daughter of Adelbert and Dortha Latham and had spent her entire life there except for the past two years she had lived with her brother here. She was a member of the First Methodist church of Tippecanoe.

Surviving relatives are one daughter, Lulu; three brothers, John, Ed. and Charles Latham, all of Mentone, and one sister, Mrs. Irene Lewallen of Tippecanoe.

Funeral services were held at the Johns funeral home at 2 p. m. Tuesday with Rev. Fisher, pastor of the First Methodist church of Tippecanoe officiating. Interment was in the Tippecanoe cemetery.

MORE SOLDIER NEWS DESIRED.

George Clark reports that he has a number of letters from soldier boys, but would like to have more for our next soldier issue. We would like to have a letter from all the boys.

Parents of the boys, too, can help make the soldier issues more interesting for everyone if they will contribute bits of news of their sons or friends. Try to contribute something for the next one. Either mail or hand the information to Mr. Clark or the Co-Op. News office.

MARRIAGE LICENSE

A marriage license was issued at Wabash this week (April 8) to Edgar Igo, formerly of Mentone and now at Camp Livingston, Louisiana, and Freda Shamp, daughter of Mrs. George McMillen of near Yellow Creek.—Silver Lake Record.

NEWS?—PHONE 38

MARINES ARE TAUGHT JAPANESE EXPRESSIONS

SOMEWHERE IN THE SOUTH-WEST PACIFIC, April 10 (Special).

Cards containing 21 Japanese expressions, with phonetic pronunciations, have been given U. S. Marines stationed here for their information in "securing appropriate action" from Japanese prisoners who do not understand English.

Published under the title "Japanese Language for Front Line Troops," the card lists the English commands and their equivalent translation in Japanese in capitals with the Jap phonetic pronunciation in lowercase letters.

Thus, upon capturing a Jap, a Marine will call upon him to surrender his arms by calling out "Buki Wo Watase," to halt with the command "Tomare."

Orders Given Prisoners

The son of Tojo having dropped his weapons on the ground may be commanded to "put your hands up and move ahead" by a Marine who commands "Ryo Te Wo Agero Susume."

If the prisoner moves too slowly his Marine captor will urge him on with a growled "Isoge" Hurry!

If he proves to be the least bit recalcitrant he will be told to lie down and keep quiet with "Yoko Ni Nare Demare," the first three words of which can be translated as "Reclining position in become."

"Ka" indicates a question much as our question mark does at the end of a sentence, so the Jap will be asked what his name is with "Namac Wa Nani Ka." When he answers he will be told to write it "Kaite kure," in Roman letters "Romaji De," or in Japanese "Nihonge De."

When the Jap complies with the Marine's orders, he will be sent on his way, guarded, to join other Nips in a prison camp.

Globe Rendering Company
LOGANSFORD, IND.

These tools are working for Victory for America—for they are supplying vital Electric Power to Northern Indiana war industries. To supply the tremendous demand for Electric Power in war production requires an efficient, interconnected, electrical transmission system and an experienced organization of men and women with the "know how" to run this system properly and to meet any emergencies.

Due to the foresight and forward planning of the management of our company, Northern Indiana has a well-organized, interconnected electrical transmission system that was ready and able to supply the great demands of war industries. Because ample Electric Power was ready for every need in Northern Indiana, war production has gone "full speed ahead." Our capable and experienced organization is putting forth every effort to meet the increasing needs of war industries and still maintain our dependable, economical service to every home.

How Shall

To put sharing into effect with protein feeds, the Feed Industry Council (made up of representatives of feed manufacturers, distributors, retailers and cooperative organizations, with Nutritionists from State Colleges as Consultants) and the U. S. Department of Agriculture have worked out a program which is to go into effect as rapidly as each member of the industry can make the necessary adjustments. To a considerable extent it is already in effect now. It will remain in effect until the Department and the industry determine that it is no longer necessary.

Essentially, this program involves a voluntary limitation on the amounts of animal and vegetable proteins that will be used in mixed feeds and protein supplements.

In the case of animal proteins especially these limitations mean that less than the amounts formerly used will go into the new feed formulas.

All in all, the limitations will not result in a very substantial saving. But if the mixtures are used intelligently, they will do a satisfactory job.

Here are the provisions of the program agreed on by the Department of Agriculture and the Feed Industry Council:

A. Animal Protein (Meat scrap, fish meal, tankage, liver meal, and dried milk by-products).

1. The following-listed mixed feeds shall not contain more than the total quantity of animal protein indicated:

Kind of Mixed Feed	Percent	lbs. per ton
Chick starters	2.00	40
Turkey starters	2.50	50
Duck starters	2.00	40
Broiler mashers	2.00	40
All-mash growing diets	1.125	22½
Growing mashers (that are to be fed with grain)	2.25	45
All-mash laying diets	1.125	22½
Laying mashers (that are to be fed with grain)	2.25	45
All-mash breeding diets	2.25	45
Breeding mashers (that are to be fed with grain)	4.50	90
Poultry supplements and concentrates		
26% protein	3.375	67½
32% protein	4.50	90
36% protein	5.00	100
Sow and pig feeds (that are to be fed straight)	2.00	40
Sow and pig feeds (that are to be fed with grain)	4.00	80
Hog fatteners (that are to be fed straight)	1.50	30
Hog supplements, for growing and fattening (that are to be fed with grain)	3.00	60
Calf starters (complete)	3.00	60
Calf starters (that are to be fed with grain)	6.00	120

2. (a) Fish meal should be used only in
Poultry starters
Broiler mashers

Poultry breeding diets and mashers
Sow and pig feeds

Calf starters

except in cases of emergency or in areas in which other animal proteins are not available.

(b) Fish meal should not be used in feeds for hogs after the hogs reach a weight of 75 pounds.

3. Supplements for growing and fattening hogs should not contain more than 35 percent of total protein. The animal protein content of these supplements shall not exceed 3 pounds per 100 pounds of supplement, as shown in the tabulation under Section A 1 of this program.

B. Vegetable Protein

1. Dairy Feeds.

Limit total protein content of dairy feeds to 16 percent as fed to the cows, except in cases where only grass hay, cereal hay, or fodders, or silages made from the same crops are available, when 18 percent is permissible with tolerance not to exceed 1 percent.

Where legume hay is available, the protein content of the dairy feeds as fed to the cows should be limited to a grain ration containing from 12 to 16 percent protein—depending upon the quality of the hay.

C. ALL PROTEIN INGREDIENTS, whether animal, marine, or vegetable, should be mixed with other feed-stuffs to obtain maximum results and more complete utilization of the protein, and should not be fed separately.

"MOTHERS AND CHILDREN FIRST"

In addition to this limitation of the protein content of feeds, the Secretary of Agriculture has requested the industry to put "mothers and children first" in a voluntary program designed to give preference to starting and breeding feeds for poultry and livestock.

Every effort must be made to have the program, and the reasons for it, widely understood among poultry and livestock producers. In particular, there will be need for spreading sound information and advice on feeding practices in relation to the program as it affects different regions and different branches of production.

How well the program works will depend to a large extent on how well everyone cooperates to insure "adequate nutrition without waste" among America's herds and flocks in 1943.

Northern Indiana Co

We Share?

Our Pledge to You: - -

[—In line with this request from the Department of Agriculture and the Feed Industry Council and also due to other conditions of the emergency we pledge the following:—]

1. To conform to the recommendations for protein conservation as rapidly and as nearly as possible.

2. To do all in our power to provide our customers with reliable feeds now as always.

To do this we have decided on certain definite steps. We realize that reducing the animal protein means that a careful balance of the other ingredients must be maintained. We know that the average feeder will not be in position to know what feed, mineral and vitamin ingredients are available and will be unable to properly utilize those that are available.

And so, as the first step effective May 1st:—

We will discontinue making private individual formulas in less than one ton lots. Such private formulas as we do make in ton lots or more will necessarily have to conform in the use of animal and vegetable proteins to the limits herein set out.

Customers who wish to buy in less than one ton lots will have available our Banner Feeds in Concentrate form to mix with their own grains which they bring to the mill. As usual we will continue to have our complete Banner

Mashes available. As can be seen this regulation will affect all feeds custom made but especially those under one ton at a time as we will discontinue compounding these private formulas and will have available only our Banner Concentrates for custom feeds under one ton.

As the second step, we will not sell the following ingredients to be taken away from the mill:—animal protein such as meat scrap, fish meal, tankage, liver meal and dried milk products, and vegetable proteins such as soybean meal, linseed meal, cottonseed meal and distillers dried solubles. These proteins must be incorporated in feeds made in our mills.

This action gives us no pleasure for we would much rather have plenty for all without restriction but if we are to continue to do the best possible for all our customers we have decided this is our only course.

We are making this public statement so that all may know and understand and we are advancing the date to May 1st that anyone who feels he cannot go along with this program may have ample time to adjust his conditions.

This action has been authorized by the Board of Directors and your cooperation is earnestly desired.

Bible Study (Thursday) ... 8:00 p.m.
A hearty welcome to all.

FIRST BAPTIST CHURCH Mentone, Ind.

You Are Ever Welcome to This
House of God

I think there can scarcely be any considerable divergence of opinion on the subject of whether the Sunday school has been a power for good in this country. The influence of the Sunday school upon American citizenship unquestionably has been for many years, and continues to be, of enormous importance for good. I am very sure that, in my own case, I received as a boy much benefit from regular attendance at Sunday school. Charles H. Dennis, Editor Chicago Daily News. Historically our judgments of right and wrong are our standards of behavior and our ideals of a good life are the fruits of Christianity. Every generation needs the guidance to be had from a knowledge of the Bible and to be urged to accept the Christ it proclaims. For without Him the individual is eternally lost. We invite you to come to our Sunday School and worship services where the Bible is taught and preached in all of its simplicity.

MENTONE HOME ECONOMICS CLUB MET THURSDAY

The Mentone Home Economics club met on Thursday April 8th, with Mrs. Ona Blue. Mrs. Mary Borton was assisting hostess.

The Scripture lesson, Matthew 28th, was read by Effie Rathfon. Club prayer was sung and creed repeated. Roll call was "A Hat I Shall Never Forget." History of the Song-of-the-month, "Drink To Me Only With Thine Eyes," was read by Blanch Paulus, then sung by all.

The leaders, Eloise Long and Blanch Paulus, finished the lesson on Restyling Clothing. The garden leader's report was given by Esther Sarber.

The business meeting was presided over by President Linnie Anderson. The secretary's report was read and a committee appointed to see about gifts for our soldier boys.

"America the Beautiful" was sung in unison, and the mystery package was won by Mabel Warren.

Refreshments were served to 17 members and two guests, Mrs. Pauline Borton and daughter Sue Ann.

The May meeting will be held with Maude Cox.

Mrs. Edith Darr, Mrs. Helen Mollenhour, Mrs. Esther Sarber and Mrs. Blanch Paulus attended the Garden meeting at Claypool on Thursday morning.

A BIG GOAL

Outside every American town is the biggest war plant of all — the American farm. The size of our farm plant—a billion acres, nearly 10 times the farm land of Germany and Japan together.

The 1943 farm goals are not always all that is needed, but are the estimated limit of what can be produced. Total needs are weighed against total farm production resources. The balance that is struck is the farm goals. The 1943 goals call for:

1. Enough eggs to fill 308,000 stacks of egg cases, each as high as the Washington Monument.
2. Enough cattle and calves for slaughter to make a double line around the world at the Equator.
3. Enough milk to fill a strip of quart milk bottles 200 feet wide along all the Nation's coast lines.
4. Enough hogs to fill a procession of livestock cars reaching from New York to San Francisco, back to New York, and back to San Francisco.
5. Enough peanuts to fill more than 14,000 railroad tank cars with peanut oil.
6. Enough sheep and lambs for slaughter to keep a man counting one a second, 8 hours a night, for 27 months.
7. And lots more.

Mrs. Virgil Doran,
Kosciusko County Farmer
Fieldwoman.

Mr. and Mrs. Lou Grove and Mrs. Charles Good spent Saturday afternoon in Rochester.

Mr. and Mrs. Robert Calvert and family spent Saturday afternoon in Rochester on business.

Miss Betty Kramer is assisting at the Lamb Grocery and Market on Sundays.

The Talma High School Junior-Senior reception will be held at Warsaw on Friday evening, April 16.

KITCHENWARE NEEDED.

In our last issue an appeal was made to everyone for contribution of canned foods for the Buddy Miller family which recently suffered such heavy losses when their home burned. The response hasn't been as great as it should have been, or at least as much as was expected. We have found too that the family does need all types of kitchenware as none of these items were saved from destruction in the fire. You may make your contribution to the members of the family or they may be left at the Clark store.

"ATHLETES FOOT"

I MADE THIS TEST

"Your 35c back next morning if not pleased. Get TE-OL solution at any drug store. Made with 90% alcohol, it penetrates. Reaches more germs faster. HERE'S A TIP. Apply full strength. Feel it take hold. Also test it for sweaty or smelly feet. Locally at the Big Drug Store."

News of Mentone and Vicinity

Bulk and package seeds at Clark's.

Mr. and Mrs. Garrie Rose were celebrating their wedding anniversary Wednesday.

Miss Eunice Reed and a lady teacher in the Angola schools, spent the week end in Mentone visiting.

Cream Corn Starch, 2 for 15c at Clark's.

Mr. and Mrs. Robert G. Reed made a trip to Camp Custer, Michigan on Saturday and brought "Bud" Paulus and "Doc" Jefferies home for a week end visit with home folks.

Hobart Creighton has been selected to deliver the Commencement address at the Lafayette Central High School on April 21, according to an announcement in the Fort Wayne newspapers.

Staleys Cube Starch, 2 for 15c, at Clark's.

Judge Sloan has granted a divorce to Bessie Blue, of Mentone, from Ralph Blue of Lansing, Michigan, on grounds of cruel and inhuman treatment. The couple married March 14, 1921 and separated July 7, 1941.

The estate of Alonzo Blue, who died April 5 at Mentone, has been opened in circuit court, with the widow, Sarah Lulu Blue, of rural route 1, Mentone, qualifying as administratrix. Personal property is valued at \$500 and real estate at \$1,500. Heirs list-

ed besides the widow are a son, Charles Blue, Defiance, O., grandson, J. D. Blue and a granddaughter, Joanne Blue, both of Mentone.

Texas Grapefruit, 6 for 29c at Clark's.

An eight pound six ounce son, Larry Dean, was born to Lt. and Mrs. Miles Manwaring at 9:40 a. m. Saturday by caesarian operation at the Murphy Medical Center at Warsaw. Lt. Manwaring is stationed at Bowman Field, Ky., and Mrs. Manwaring resides at Mentone. Miles arrived home just a few hours before the son was born.

Several visitors from Mentone and vicinity attended the Civil Air Patrol guest night meeting at Rochester Wednesday evening. Lt. April Garrett, of the WAAC recruiting office at South Bend, gave a brief description of the work of the WAAC's, their training and other interesting facts. A South Bend attorney gave a short talk on our military aircraft.

Canned food stamps, D., E. and F. valid until April 30—Clark's.

Dale Wallace, Jr. recently stopped at Chicago for a short visit with his wife, the former Bobbie Mollenhour, and announced that he has been promoted to Sergeant. He is an aerial mechanic and has been stationed at Ft. Bragg, N. C., but has been transferred to a camp in Florida. Mrs. Wallace spent the week end in Men-

tone visiting her parents. Mr. and Mrs. C. O. Mollenhour. Mrs. Wallace is employed by a large wholesale firm at Chicago.

Coffee stamp No. 26 good for one pound to April 25th—Clark's.

The Mentone Fire Department was called to the Cassel Whetstone home west of town Wednesday to help extinguish a fire in a brooder house. The floor and litter had caught fire around the stove. Mr. Whetstone reported the next morning that none of the chickens had died even though they had to be moved into another house and then back again after repairs had been made.

You can depend on us for vegetable plants soon. Clark's.

DON'T LET YOUR DOG STRAY

This year, more than ever before, it is imperative that stray dogs be not allowed to roam around tearing up or destroying Victory gardens. Dog owners should see that their pets are kept at home and properly tagged. Offending animals must be eliminated.

FRANK WARREN, Marshal,

Nappanee pastry flour 98c this week at Clark's.

INFORMATION FOR WAR

BOND PURCHASERS

The United States Government's second War Loan Drive for \$13,000,000,000 started April 12th. Of this amount the quota for Mentone and community is \$89,00.00 which means that every farmer, businessman and wage earner in the community will be expected to buy bonds.

To meet the requirements of the various classes of investors several types of securities are being offered.

We will welcome the opportunity to discuss any of the features of the issues and to enter your subscription.

GEORGE 2ND MYERS IS VICTIM OF AIR CRASH

Mentone Native Loses Life While
Serving In or Near India

Mentone folks were shocked last week when word came that George 2nd Myers, aged 42 years, was reported missing. Sunday night his wife, the former Mayree Mock, received the information that he was killed when a plane he was in crashed. He only recently transferred from the Ordnance department to the Air Corps.

Mr. Myers, who was born at Mentone March 17, 1901, was well and favorably known and had taken an active interest in politics and public life. He served as trustee in Harrison township, as county democratic chairman, as county auto licence branch manager and was highway superintendent at the time he enlisted in the armed services. He entered the service September 1942, and four months later left our shores for foreign service, arriving in India two months later.

One daughter, aged 19, also survives.

GOOD FRIDAY SERVICES 1:30 - 3:00

Annual Good Friday Services will be held in the Mentone Methodist Church from 1:30 until 3:00.

Three periods of meditation will be observed with addresses given by Victor E. Stoner, Silas Hill, and E. C. Rakston, the three ministers living in Mentone.

Two special musical numbers will be presented closing with "The Holy City," sung by the girls choir under the direction of Mrs. Eileen Fenstermaker.

The community is asked to pause during the period of these services out of respect to the Christ who made possible our freedoms and as a recognition of the privileges of America which we hope to keep secure.

Mr. and Mrs. Alonzo Luckenbill, of Akron, called on Mr. and Mrs. Lewis for Sunday afternoon.

"They Give Their Lives—You Lend Your Money"

ROBERT BLODGETT GIVEN IMPORTANT ASSIGNMENT

Robert Blodgett, son of Mr. and Mrs. H. O. Blodgett of Mentone, has accepted a new position with the Ford Motor Company at their Willow Run bomber plant, as engineer. His new work is the designing of jigs and fixtures and experimenting to gain promote efficiency in the production lines. He assumed his new duties Monday.

Mr. Blodgett took a three-year course at the Federal Schools of Minneapolis and went to the Willow Run plant as a draftsman last July.

The Mentone chapter of the D. A. R. announces that the History Award went to Jeanette Lamprecht of Mentone Junior High.

NOT SPORTSMEN

It has been reported that there are some boys in and near Mentone who have been shooting hen pheasants and also shooting out of season.

We work hard to raise these birds for you to hunt, but we cannot be successful if they aren't protected by our sportsmen. We have no desire to make any arrests, but if there are those who aren't sportsmen enough to wait until the proper time to hunt, or abide by the rules of conservation, we can do nothing else but let the law take its course.

The Mentone Conservation Club has a fine record in conservation work, and we need your help. Can we depend upon you to be sportsmen?

Conservation Dept. Game Warden.

MENTONE FAR BEHIND IN SECOND WAR LOAN DRIVE

Only \$13,000 of \$89,000 Quota Sold
With Three-Fourths of Period
Gone. Campaign Ends on
April 30th.

Mentone and vicinity—as an important sub-division of this great Nation of ours—has been in the midst of the country's biggest financial deal since the first of April, the selling of thirteen billion dollars worth of War Bonds. Mentone's quota has been set at \$89,000, and at the present date, with but eight days of the period left, has taken only about \$13,000 worth of bonds. Those in charge of the campaign are very much concerned. The community has always been among the first to respond to the cry of help—and many times have been first both in the total amount secured and the time necessary to get it.

Mentone, we are told, is one of the few communities in the county that is way behind.

NEW HOURS AT LIBRARY AFTER MAY FIRST

We've been advised to announce that a new schedule of hours has been set for the Mentone Public Library, effective May 1st. The schedule will be:

Tuesday afternoons.

Thursday afternoon and evening.

Saturday afternoon and evening.

A new atlas has been secured for the benefit of library patrons. Next week the library will announce a number of choice new fiction and some outstanding non-fiction books.

CIVIL SERVICE EXAMINATIONS AT WARSAW ON MAY 8TH

An examination for typists and stenographers will be held at the Warsaw High School at 1:00 p. m. on May 8th, according to an announcement received from the United States Civil Service Commission. Information on these positions can be secured at any first or second class postoffice or at the Co-Op. News office.

RIGHT VARIETIES BRING BEST RETURNS

Certain kinds and varieties of vegetables are more satisfactory than others for small Victory Gardens, according to Dexter Ferry of Ferry-Morse Seed Co. Wise selection is particularly important this year, he says, because the need for food conservation is keen. He gives the following hints for raising quality crops of bumper size destined to give a home gardener a special glow of patriotic pride.

"Although bush beans yield well, pole beans will produce several times as much for the same space occupied. Beans of the Kentucky Wonder type are especially practical because if some of the pods become too old for snaps, the beans inside are delicious for 'green shells.'

"Beets will 'kill two birds with one stone' for they furnish a green leafy vegetable during their young stage and beet roots later in the season for use and for storage. A row of Swiss chard, no more than ten feet long, will supply a family with greens all summer if the outer leaves are kept picked and the inner leaves allowed to keep on growing.

"Cabbages are usually thought of in connection with large gardens. But the government stresses this crunchy leafy vegetable because of its high vitamin content. Many a small garden, therefore, will include cabbage.

"Only careful selection, however," Mr. Ferry states, "will produce enough heads to be worth the effort. Early small heading varieties such as Copenhagen Market are best. The plants are so compact that twelve to fifteen heads can be grown satisfactorily in a twenty-foot row.

"Vines of the spreading type," he continues, — "melon, winter squash, and pumpkin, — are often a nuisance in small quarters. They know no boundaries and seldom stop running all summer. Summer squash varieties of compact habit are ideal, particularly the improved straightneck strains. They take up comparatively little space for the quantities of tasty succulent fruits they produce.

"Some varieties of tomato yield far better than others for the amount of room the vines take up. A Victory Gardener will not go wrong in choosing Marglobe to get a lot of excellent fruit from little space."

FORMER FULTON SCHOOL TEACHER SUCCUMBS FRIDAY

(Newcastle Reporter)

Mrs. Ethel (Leiter) Wolfram, 47, passed away at 7:30 a. m. Friday morning, April 16th, at her home at 215 Victoria St., South Bend. Death resulted from complications following a year's illness. Mrs. Wolfram had a host of friends in Fulton county where she taught school for a number of years prior to her marriage. She taught at the Lincoln school in Rochester.

Ethel, daughter of Levi and Maude Leiter, was born on a farm near Leiter's Ford on March 17, 1896. In May 1920 she was united in marriage to Claude Wolfram in a ceremony at Indianapolis. Mrs. Wolfram was a member of the Methodist church and was an active worker in both social and civic affairs in South Bend.

The survivors are the husband; twin daughters, Betty and Jean; her father, Levi Leiter, of near Loyal; a brother, Robert Leiter, of Battle Creek, Michigan, and a sister, Mrs. Gladys Kishpaugh, of Battle Creek, Mich.

Short funeral services were held at the home Sunday afternoon and the body was taken to Leiter's Ford Methodist church where funeral services were held at 3:00 p. m. Rev. Kesler, pastor of the Grace Methodist church of South Bend, officiated. Interment was in the Leiter's Ford I. O. O. F. cemetery.

Mr. and Mrs. Wolfram are well known in Talma and in Newcastle township as they both taught school in the Talma High School several years ago.

FARMERS ADVISED TO READ FEED ANNOUNCEMENT

We've been advised to suggest that every user of stock or poultry feeds who failed to read the advertisement in last week's issue, that they find or secure the copy and read it thoroughly. The feeds that are compounded for almost every special feeding purpose, and the quantities in which special formulas can be secured, have and are undergoing a number of changes as a means of accomplishing savings of vital ingredients. The feed you need will be supplied, and its quality will be just as great in comparison to its requirements, but there are restrictions upon the use of some of the scarcer items.

FIRE SCHOOL MONDAY

Bill Collison, of Winona Lake, was in town Monday and announced that the regular school for the Mentone firemen would be held on next Monday evening, April 26th.

OUTDOOR SHOWS TO START LATTER PART OF MAY

George Morgan, of Peru, who has been operating the outdoor movies at Mentone the past couple of years, was in town Wednesday making arrangements for the shows this summer. Plans are still indefinite, but it is expected that shows will be held two nights a week and possibly three. Mr. Morgan stated that the third night, if any, will not be on a Sunday evening. Shows are expected to start the latter part of May, depending upon the weather.

Mentone merchants, as always, are contributing to help finance the venture.

PUBLIC SALE

The undersigned, administratrix of the estate of Alonzo Blue, will hold a public auction at the farm located about one-half mile south of Mentone on Highway 19, on

SATURDAY, MAY 1
Starting at one o'clock

Personal property such as a full line of carpenter tools, ladders, etc., and some household goods.

SARAH L. BLUE, Adm.

THE 2ND WAR LOAN DRIVE IS ON!

Come on, Let's WIN this war!

★ ★ ★ ★ ★

★ ★ ★ ★ ★

If we should lose the war, life would not be worth living.

"But we won't lose it," you may say.

Listen, brother—in this world nothing's sure, unless you make it so.

This month it's up to us here at home to do our part, and then some, to make Victory surer—and quicker! To do it, we've got to lend Uncle Sam 13 billion *extra* dollars.

It isn't easy—but war isn't easy and Victory isn't cheap. It takes money—and more money—to buy planes, ships, tanks, guns and a million other things our boys must have to deliver that final, paralyzing knockout punch.

And it's a whale of a lot easier for us at home to lend our money than for our boys to fight through the hardships and dangers of deserts, swamps, jungles, ice-fields and sub-infested seas!

Just think! Every extra bond you buy will help provide the weapons to save the lives of many American boys! Isn't that alone worth every effort, every economy you can make? You bet it is!

There are 7 types of U. S. Government securities to meet the needs of every purse. They offer the finest investment in the world—liberal interest, plus securities guaranteed by Uncle Sam himself.

A volunteer worker for the 2nd War Loan Drive may visit you soon. Welcome this unselfish patriot—and buy all the bonds you can. But don't wait for that call. Go—today—to your bank, investment dealer, broker, post office or bond booth and invest to your uttermost limit. Even if it hurts, it's nothing compared to the agonizing impact of a bayonet thrust, a flesh-tearing torpedo fragment or a bone-crushing bullet.

So dig deep, brother, and do it NOW!

There are 7 different types of U. S. Government securities—choose the ones best suited for you!

THEY GIVE THEIR LIVES... YOU LEND YOUR MONEY!

"ROSEBUD SLIM"**WILL CALL NO MORE**

Frequently as we go through life we encounter an individual that fascinates our attention in one way or another. Many Mentone citizens will likely remember Rosebud Slim who has roamed up and down the Nickel Plate railway for many years. One of his most profitable businesses or occupations was painting, specializing on rural mail boxes. His trademark was always a red rose, hence his name.

Rosebud, as we know no other way in which to refer to him, was the only man I've ever met that was actually built to walk down a railroad. (Those who have walked down a railroad know that the ties are too close together for a convenient step, and two are almost too much.) Rosebud had one leg that was shorter than the other, and by taking two ties at a step with the long leg and one tie with the short one, he could walk many a mile down the cinder trails. The past few years, however, Rosebud rather left the rails, accumulated a wheelbarrow and used the oiled highways. His home in the summer was any nice spot to roll out his blanket.

Sign painting wasn't Rosebud's only ability. His poetry some twenty to thirty years ago, according to his viewpoint, was something, too.

Last week this meandering soul, after living to nearly his three score and ten, passed away at the county home at Columbus City. The last time your writer saw him was about a year ago when he was headed east down the Nickel Plate tracks behind the Tucker service station. Odd as it seemed, he was neat appearing in a typical dress suit, hat and all.

"Bud" Pados and "Doc" Jefferies, of Camp Custer, Michigan, spent the week end visiting home folks.

Mervin (Porky) Jones was one of a group of ten men selected for army service at Toledo Tuesday. Mr. Jones has been a barber at Mentone the past 12 years and has selected a barber to operate his shop in his absence.

Aid to Enemy

"Any American who wilfully neglects to pay his taxes on time or to invest every cent he can in War Bonds is surely giving aid and comfort to the enemy. . . . We have a job to do and we are all called for service to our country. Our dollars are called to service too. Let us all ask ourselves, 'Shall we be more tender with our dollars than with the lives of our sons?' " — Secretary Morgenthau.

Staff Sgt. Samuel Hamman, Jr., son of Mr. and Mrs. S. S. Hamman of Van Wert, Ohio, formerly of Silver Lake, Ind., and brother of Mrs. R. C. Greulach of Mentone, arrived home from the Netherlands, West Indies to spend a 15-day furlough. Sam enlisted in the Army Air Force and has been stationed in foreign service for over two years. He reports to Tampa, Florida Saturday and will be stationed in the states for at least six months.

Mr. and Mrs. Alpha Piper of Knox, visited in the Isaac Kesler home Saturday. Mr. Piper, when a young man, lived on a farm near Mentone. Mrs. Kesler returned with them for a visit with Mrs. Omer Piper, of near Bass Lake.

A number of Mentone business people and friends "cornered" Henry Mills Sunday afternoon and presented him with a number of gifts prior to his leaving for Minnesota. Henry is, or has been, in business in Mentone about as long as any other man, or a total of 55 years. (Clark Ernberger, we are told, was a little ahead

of Henry when it came to entering business at Mentone.) Mr. and Mrs. Mills left Tuesday for White Bear Lake, Minnesota where they will make their home with a daughter, Mrs. Max Dunlap, and husband.

CARD OF THANKS

We wish to thank all neighbors and friends for their respect in the death of our sister.

A hearty welcome to all.

FIRST BAPTIST CHURCH Mentone, Ind.

You Are Ever Welcome to This
House of God

The Easter Message

The Christian church will never grow weary of the Easter story! It is a narrative which thrills with life, interest and power. It stands towering high in majestic greatness over all other events in the history of time. In all conceptions of all the nations in all ages, there is nothing like this picture of Christ's triumph over the power of death and hell. Here we see our Redeemer crushing the tyrant death, the terror of man's existence, and bestowing upon his redeemed a victory over the grave, and an eternal life beyond to be filled up with an ever-increasing knowledge of God and His Son Jesus Christ. On His resurrection hangs the whole weight of our faith and our salvation. It gives hope and trust, when otherwise there would be dismay and despair. It gives the Christian to feel that he is in the hand of infinite love, and not in the crushing, iron grasp of unfeeling fate. It binds together the whole structure of Christ's work. It is the keystone of that arch which stretches over all the centuries, from eternity to eternity. From the grave He arose.

With a mighty triumph over His

He arose a victor from the dark

domain.
And He lives forever with His saints to reign.
Hallelujah! Christ arose!
And He is coming again "ye men of Galilee, why stand ye gazing up into heaven? This same Jesus, which is taken up from you into heaven, shall so come in like manner as ye have seen him go into heaven." Acts. 1:11.
Easter Sunrise Service, 7:00 A. M.

Thursday Evening 7:30 P. M.
Prayer and Bible Study.

NOTE: The time of the evening services will be changed to 8:00 p. m. beginning with the first Sunday of May.

E. COLEMAN RALSTON, Pastor.

SUGGETS FOR BEREANS No. 56

This week we study Eph. 4:20-32. This is still in the practical section and deals with a threefold application of the truth "in Jesus." The apostle has just given a warning about walking as other Gentiles walk, and then after speaking of their wickedness, he says, "But ye have not so learned Christ." Now notice the three occurrences of the word PUT.

1. PUT OFF THE OLD MAN, CONCERNING THE FORMER CONVERSATION. The word "conversa-

tion" means more than merely speaking to each other. It means the whole manner of life. It means more than the sinful lusts of the flesh as we think of them. Anything that is not of faith is sin, and what is not "after Christ" is the lie that must be put off.

2. PUT ON THE NEW MAN WHICH IS CREATED IN RIGHTEOUSNESS. Paul does not say here that we must be born again. He realizes the utter hopelessness of the Gentile and uses the word CREATED. Mere reformation will not suffice. It must be an act of God which renews the mind, takes us out of bondage, and gives us freedom for the first time to "yield ourselves servants to obey" either sin or God (Rom. 6:16). Before this we had no option.

3. PUT AWAY THE LIE, SPEAK EVERY MAN TRUTH. The lie "gives place to the Devil," and "grieves the Holy Spirit of God." If we have put away the lie, we shall speak truth with fellow-members. A man fails to speak truth if "corrupt communications" proceed out of his mouth. Truth may be tarnished by bitterness. We may be angry and not sin, but too often "righteous indignation" is but a cloak for sin. Stealing is the lie in practice. The lie finds its pattern in the Devil. "He is a liar and the father of it (the lie). Read John 8:38-44. The knights of Tennyson's King Arthur vowed to speak no slander, nor listen to it." Does that not put many a believer to shame? "Love thinketh no evil."

--Oscar M. Baker.

4-H CLUB ELECTS OFFICERS (Newcastle Reporter)

The members of the Happy-Golucky 4-H Club of Newcastle township met at the Talma school Tuesday evening, April 13, for an organization meeting for the 1943 program.

Officers were elected as follows: President, Frances Norris; vice president, Carol Jean Cooper, and secretary-treasurer, Joan Long. Projects were selected and literature was distributed. The largest class 1943 project is the Home Victory Garden class with 14 members enrolled.

The first regular meeting is set for Tuesday, May 4th, at which time organization will be completed.

TALMA CHRISTIAN LADIES AID HOLDS MEETING (Newcastle Reporter)

The Talma Christian Ladies Aid met at the home of Mrs. Joseph Grass on Thursday afternoon, April 15th.

The meeting was opened with the group singing "Stepping in the

Light" and "Jesus Saves." Prayer was offered by Rev. Frantz, followed by scripture reading by Mrs. Grass. The missionary lesson was answered by Mrs. Hamilton. Roll call was answered by 11 members, three guests and four children. The meeting was dismissed by Mrs. Isaac Batz and the following program was enjoyed: A reading by Mrs. Ada Bowman and a contest in which Mrs. Batz won the prize.

The hostess served dainty refreshments at the close of the meeting.

NEWCASTLE TOWNSHIP FARM BUREAU MEETING (Newcastle Reporter)

A large crowd met at the Talma High School Wednesday evening for the April Farm Bureau meeting.

The meeting was opened with community singing led by Mrs. Cloris Barkman and Mrs. Frank Meredith at the piano. This was followed by prayer by Artie Miller. The entertainment was furnished by the school children under the direction of the school teachers. A play entitled, "Mother Goose and the Little Red School House," was given by the first and second grades. These children also entertained with twirling. Songs were sung by the Misses Charlotte King, Sue Drudge, Shirley Ann Peterson and Mary Ann Gamby. The high school favored with three songs. The main speaker of the evening was Waldo Adams, county Farm Bureau president of Kosciusko county, who gave a very interesting and educational talk on the Farm Bureau.

Short talks were given by Mrs. Marie Werner, county S. and E. leader, James Newcomb and Steel Ewing.

The program committee for the May meeting is: Mrs. Cloris Barkman and Mrs. Alvin Finney.

What You Buy With WAR BONDS

The sixteen-inch coast gun is the most powerful of all American guns and costs about \$2,000,000 each. It will throw a shell weighing up to a ton many miles. The Coast Guard also has an eight-inch mobile railway gun which will hurl a heavy projectile about 18 miles.

For defense of our homes, the Coast Guard needs many of these powerful weapons. You can do your part to help pay for them by investing at least ten percent of your income in War Bonds and Stamps every payday. U.S. Treasury Department

Leo Linn, wife and family from Evansville, called at the home of his parents a short while Sunday.

NEWCASTLE TOWNSHIP NEWS By Lavoy Montgomery

Mr. and Mrs. Elmer Lamb spent Wednesday afternoon in Rochester.

Mr. and Mrs. Fred Barr of East Chicago, spent a few days here at their home.

Frank Arter, who has been on the sick list for the past few days, is improving.

Rev. and Mrs. Harlan Waite and daughter of Bourbon, are spending a few days here with friends.

Mrs. O. C. Montgomery and Lavoy, and Mrs. Frank Souther spent Wednesday in Rochester.

Mr. and Mrs. Lou Grove and Mrs. Charles Good spent Saturday afternoon in Rochester.

Mr. and Mrs. Robert Calvert and family, and Miss Eva Mathews spent Saturday in Rochester.

Mr. and Mrs. Loren Kramer and family spent Saturday afternoon in Rochester.

Mr. and Mrs. Ralph Hatfield spent Sunday evening in Rochester.

Miss Mary Jane Mathews spent Saturday morning in Rochester on business.

Robert Tippy, of Elkhart, spent the week end here at his home.

Mrs. Cleo Drudge called on Mrs. O. C. Montgomery Friday afternoon.

Honey Bun Bread

is **BETTER** because
it is **FRESHER**

Honey Bun Bread is baked within 25 miles of your grocer and delivered FRESH to him every day.

That's the reason people are saying:
"HONEY BUN BREAD IS BETTER."

GOSHERT'S PURITEE BAKERY
ANDY GOSHERT

Mrs. Ralph Hatfield spent Thursday in Rochester.

Mr. and Mrs. Estel Bryant and daughter of near Akron, spent Sunday evening the guests of the former's parents, Mr. and Mrs. Philip Bryant.

The Misses Rosalie Good, Helen Meiser and Dorothy Meiser spent Saturday afternoon in Rochester.

Frank Souther, of Hammond, will spend the week end here the guest of his wife, Mrs. Ruth Souther.

Mrs. Oliver Grove, of Rochester, was a recent guest of Mrs. Frank Souther.

Isenagh Got the Idea!

Modern warfare is teamwork, all military manuals say. Private Robert H. Isenagh of Williamston, Mich., paratrooper with the 37th squadron of the Chanute, Ill., Field school of the army air forces technical training command, carried the teamwork idea to its logical conclusion when he met Alma Bulloch, Champaign, Ill., who is studying to be an instructor in parachute rigging. They were married recently in nearby Champaign, one couple at least who will not be afraid of a falling-out.

Poultry Feeding Habits

Wheat can be used to replace 90 per cent of the corn in a poultry scratch grain mixture, without upsetting the feeding habits of the birds.

News of Mentone and Vicinity

Gene Reed, of South Whitley, visited over the week end with his mother, Mrs. Myrtle Reed.

It has been reported that the manpower survey is now nearly completed. Further information will be given from time to time.

Carl Rush, who has been attending school at Purdue university, spent the week end in Mentone visiting his parents, Mr. and Mrs. Ray Rush.

Mrs. L. M. Baker, of Minneapolis, Minn., returned to her daughter's, Mrs. Lee L. MacLellan, of Evanston, Ill., after visiting the past week with her niece, Mrs. Ray Linn, and other relatives in this vicinity.

Rev. and Mrs. C. C. Collins were in Mentone Friday afternoon calling on old friends. Rev. Collins was bidding good-bye as he had just received his order to report for duty as an army chaplain.

Paul Hudson, wife and daughter called at the Ray Linn home Monday afternoon. Paul will return to Camp Phillips, where he is stationed, on Thursday. He is the son of Ronald and Geneva Hudson of Warsaw and a nephew of Mrs. Ray Linn of Mentone.

Mrs. Wm. Lewis, of Argos, who has lived there for several years after leaving the farm on account of her health, has been an invalid for several years, fell about a week ago and broke her hip. She was taken to the hospital and died Tuesday night. Funeral arrangements are not complete.

The Mentone fire department was called to the John Fepstermaker home Monday noon to extinguish a fire in the kitchen. The fire started in a kerosene stove and when it was seen it would be impossible to remove the stove, the doors were all closed and the fire department called. The fire had extinguished itself by burning all the oxygen from the room and the department sprayed the room with water to cool it down before much air was permitted to enter. The damage to the kitchen and equipment was considerable due to the extreme heat but material damage to other rooms in the house was negligible.

NEWS—PHONE 38

HAROLD UTTER TAKES OVER STANDARD OIL STATION

Harold Utter assumed the management of the Standard Oil service station at Mentone Saturday, which has been operated by Albert Tucker the past four years.

Mr. Utter is well known in Mentone and will likely continue to enjoy the patronage which Mr. Tucker has enjoyed.

EASTER SERVICES IN METHODIST CHURCH

Easter Services will be held next Sunday morning at 9:30 in the Methodist Church in Mentone.

Easter, the anniversary of the victory of Christ over sin and death, and the greatest Holy day of the Christian Church should be held sacred this year.

Loyalty should be renewed to the churches which continue to declare the supremacy of Christ's teachings in the midst of the world's tragedy.

Sunday evening services will be held at 7:30.

Youth services are at 6:30.

Sunday school follows morning worship.

Youth services are at 6:30.

VICTOR E. STONER, Pastor.

MENTONE READING CLUB MEETS WITH MRS. BOWERS

The Mentone Reading Club met Wednesday evening at the home of Mrs. Walter Bowers with several guests in attendance. A report of the Federated convention, which was held in Pierceton Tuesday, was given by Mrs. Chester Manwaring. An interesting book review, "To Sing With the Angels," was presented by Mrs. C. G. Taylor. A playlet, "Easter Trimmings," was presented under the direction of Mrs. Conda Walburn, with the following cast: Miss Ora Pottenger, Mrs. Orpha Blue, Mrs. Wayne Tombaugh, Mrs. Vance Johns and Miss Wreatha McFarren.

"ATHLETES FOOT"

I MADE THIS TEST

"Your 35c back next morning if not pleased. Get TE-OL solution at any drug store. Made with 90% alcohol, it penetrates. Reaches more germ faster. HERE'S A TIP. Apply full strength. Feel it take hold. Also test it for sweaty or smelly feet. Locally at the Big Drug Store."

NEW BARBER AT JONES BARBER SHOP

As I am leaving for the army Tuesday, I wish to extend my thanks and appreciation to all my friends and customers whom I have served the past 12 years. I have secured Mr. Clyde Kelly, of Etna Green, to operate the shop while I am away. Mr. Kelly has been a barber all his life and comes to Mentone well recommended. I sincerely trust you may continue to patronize my shop in my absence.

Further announcement will be made next week.

MERVIN (PORKY) JONES

CARD OF THANKS

We wish to extend our deepest thanks to all our friends, neighbors and church for their kind words, assistance and floral offerings in our deepest sorrow and loss of our dear Wife and Mother. Your kindness will never be forgotten.

ALLEN NELSON and FAMILY.

SALVATION ARMY TO SHOW THE PASSION PLAY SUNDAY

Sunday evening, April 25th, at 7:30 o'clock, the Salvation Army will present on the screen, The Passion Play of Oberammergau. The picture will be shown at the Army auditorium at Detroit and Mains streets in Warsaw and the public is welcome to attend. No admission charge will be made.

GOSHEN AND BOURBON TO HOLD FAIRS EARLIER

The Elkhart county fair will be held three weeks earlier than any fair has been held at Goshen in more than a decade, it was announced by Burdette Frick, president of the fair association. August 9 to 14 has been chosen as the date for this year's fair. The Bourbon fair also will be held three weeks earlier this year, Sept. 1 to 4.

OUR THANKS TO YOU

We wish to thank the people of Mentone and vicinity for their kindness and patronage during the past four years as proprietors of the Standard Oil Service Station at Mentone. We regret that it is necessary for us to discontinue serving you, but Uncle Sam has decreed otherwise. We trust you will give Mr. Utter, our successor, the same courteous treatment you have given us.

Mr. and Mrs. Albert Tucker.

A WORD OF THANKS

We want to express our thanks and appreciation for the floral offerings and the many expressions of sympathy received during the recent illness and death of our Mother.

SARAH EATON, AGED 89, DIES WEDNESDAY AFTERNOON

Sarah Catherine Eaton, aged 89 years, two months and 14 days, died at her home one mile south of Burket on Wednesday afternoon at 1:30 o'clock. She had been in poor health and suffered an attack of the flu a week ago.

Mrs. Eaton was born in Henry County, Indiana February 14, 1854 to Zachariah and Mary Bowman and has spent her entire life in Fulton and Kosciusko counties. She was married to Thomas Eaton in 1880 and he preceded her in death nine years ago. She was a member of the Baptist church at Sevestopol.

Surviving relatives include five sons, Victor, at home, Grover of near Claypool, Harry of Akron, Lonnie of Laurel, Montana, Robert of Elkhart; three daughters, Mrs. Jacob Wiess of Claypool, Mrs. Beulah Good and Mrs. Addie Srivver, Elkhart. She also had 30 grandchildren and 31 great-grandchildren.

Funeral services will be held at the Mentone Baptist church Saturday afternoon at 1:30 p. m. Rev. D. L. Slaybaugh, of Akron, will officiate. Interment will be in the Palestine cemetery. The body will remain at the Reed funeral home until the time of the services Saturday.

FORMER MENTONE BARBER STOPS IN MENTONE

Mr. George Richmond stopped in town a short time Wednesday morning as he was returning from Rochester to Fort Wayne. He was at the bedside of his brother, Charles, who is seriously ill at Rochester.

Mr. Richmond was a Mentone barber for years. He also played on a baseball team here at one time.

Mr. Richmond was born and reared in and near Mentone.

OUR THANKS

We want to thank the Mentone and Burket fire departments and friends and neighbors for the help they rendered last Thursday when fire started in our chicken house.

Mr. & Mrs. HAROLD WILLIAMSON

PRISONERS OF GERMANS

Three Kosciusko county soldiers previously reported "missing in action" are apparently alive and well, but prisoners of the Nazis, according to a letter received by Mrs. Thomas Roberts, of near Dutchtown. The letter was written by Mrs. Roberts' son, Wayne, who was captured in North Africa February 17, 1943.

He mentioned in the letter that two other Kosciusko county men were prisoners with him. They are Walter O. Beer, of Milford, and Galen Thomas of Etna Green.

GEORGE 2ND MYERS WRITES JUST BEFORE HIS DEATH

April 7, 1943

Dear Geo.:

Have not written because I was to be able to say just what we are doing but the ban is still on.

I am in India working at an air base and really doing something to help win the war. I like the work it is long hours and darn hard at times.

Only weigh 155 lbs. and am tanned black. It rains every day and is plenty hot. But we get good food and plenty of it.

Geo. we are giving the Japs hell in the air and I don't think it will take long to finish him when we get at them on the ground.

Wish I could tell you more. I work with Chinese and Indian troops. Can talk enough pigeon to make them know what I want.

We live in tents and have a shower now. Mail about 2 times a month, all the cigs we want.

This is the first time that I have really felt that I was doing something to help win the war.

Tell all the old gang hello. I can't write to all of them.

Your pal,

Geo. (Myers)

A WORD OF THANKS

We want to express our thanks and appreciation to all our friends and neighbors for their kindness and sympathy during the death of our loving little son.

Mr. and Mrs. CARL ZOLMAN

INFANT SON BURIED SATURDAY

Three-day-old Richard Eugene, son of Carl and Emma Zolman, of three miles southwest of Mentone died early Friday morning at the Woodlawn hospital at Rochester. The infant was born Tuesday April 20, 1943. Grandparents of the child, the only one born to the couple, are Mr. and Mrs. Willard Zolman of Warsaw, and Mr. and Mrs. Harry Kepler of Argos.

Funeral services were held at the parent's home Saturday afternoon at two o'clock. Burial was in the Mentone cemetery with the Johns funeral home in charge.

FINDS U. S. WEATHER BUREAU EQUIPMENT

Last Friday Chauncey Mollenhour and Henry Whetstone while looking after some timber about 7½ miles northwest of Mentone, noticed some colored cloth hanging on the limbs of a tree. When they got it down they saw that it was a tiny parachute and the remnants of a bursted rubber balloon. There was nothing to indicate or tell what it actually was or where it came from. Many guessed it to be a weather observation balloon, so later Chauncey happened to be near the same woods and he went over to see if he could find the rest of the equipment, if it had been a weather reporting balloon. He had no difficulty in locating the reporting equipment. The box also carried the information that it came from a U. S. Weather Bureau at R. R. 1, Joliet, Illinois.

These balloons ascend to a height of 12 miles and then explode. The parachute returns the instrument box safely back to earth. Even tho lost, the balloons serve their purpose as they are equipped to send the various weather readings back to the station by means of a tiny radio installed in it.

The sending sets are all to be returned to the weather station when found.

Miss Betty Lyon, of Indianapolis, arrived Tuesday for a visit with her mother, Mrs. Allie Lyon. She will return to Indianapolis Sunday.

MRS. HARRY C. MOSIER BURIED SUNDAY AFTERNOON

Mrs. Atha Ruth Mosier, 46, passed away at three p. m. Friday at her home near Etna Green. Death was caused from complications, following a major operation as she had been in ill health for some time.

The deceased was born in Leesburg July 14, 1896, the daughter of Mr. and Mrs. Charles Casner and was married to Harry C. Mosier in Atwood, December 23, 1922. Mrs. Mosier had resided on the farm where she died for the past seventeen years. She was a member of the Harrison Center United Brethren church, Harrison Center Home Economics club, Harrison Center Ladies Aid and the American Legion Auxiliary at Atwood.

Surviving relatives are the husband, one daughter, Mary Alice Mosier; two sons, Emory Gene and Leo Wayne Mosier; the parents, Mr. and Mrs. Charles Casner; one brother, Arnold Casner, Warsaw route 5; two sisters, Pauline Riner, Claypool, Virgie Eckert, Warsaw, and a host of other relatives and friends.

Funeral services were held at 2 p. m. Sunday at the Harrison Center United Brethren church, with Rev. Smith, pastor of the church, officiating. Burial was in the Leesburg cemetery. The Johns funeral home had charge of the arrangements.

LIEUTENANT-COLONEL TO DELIVER MEMORIAL ADDRESS

Lt.-Col. Arthur S. Dodson, Command Chaplain, Stout Field, Indianapolis, former pastor of the Mentone Baptist Church will deliver the Memorial Day address at Mentone Sunday, May 30th at 2:00 p. m.

Soldier Letters In This Issue

We again present an issue with a number of letters from boys who are serving our Nation on fighting fronts throughout the world. These letters have all been addressed to Mr. Geo. Clark who has served as a "clearing house." These special issues are possible through the Co-Op News, with the assistance of Mr. Clark and many other local citizens.

Soldier Letters

Saturday, March 13th

Hello George:

I just received the March 3rd issue of the Co-Op News and was reading what all the boys in the service had to say. It sure was nice to be able to hear from them. Thanks to you.

The boys have all mentioned about everything that goes on in the army.

I am in the Air Corps as a mechanic on the Flying Fortress (B-17-F). It is an awful big plane and of course there is a great deal to learn. I have learned a lot but I have a great deal to learn yet. It is very interesting, however.

I was inducted at Camp Perry, O., on June 14th. From there we went to Keesler Field, Miss., where Bob Kinsey was stationed. After six months there we went to Seattle, Washington to an airplane specialist school. We were there for one month and then went to Salt Lake City, Utah. We were there 22 days and now we are at Pyote, Texas, which is in a desert.

I am sorry I haven't written sooner but we have been moving pretty regular and are going to move again soon.

Hope to be home soon.

Yours truly,

Pfc. Marlyn Smith

3-21-43

Hi George,

Well I received your paper and was sure glad to get it. I am kind of slow at writing. I have been writing to so many people that I can't remember who I have written to.

They have been keeping us pretty busy. Tomorrow starts my basic training. I guess we will get 13 weeks of it now instead of 8 weeks. At first they said we only had the 8 weeks but the other day they told us it had been extended to 13 weeks. I am in the field artillery division. We have the 155 division and they are a nice bunch. I like the army just fine. I hope for now and will write more later.

Pvt. Lowell Zentz

Ft. Lewis, Wash.

Camp Wallace, Texas
March 24, 1943

Dear George:

I thought I had better surprise you a line to let you know everything is o. k. I'm feeling fine outside of a sore leg which I strained a ligament in about a week ago. I've been taking my training right along on it. It doesn't bother me much only when we do double time, which we do 1 mile of every night. The weather is

pretty nice now. It can change tho within a half hour and get pretty cold. When I first came here I had a terrible cold and sore throat, and the changeable weather didn't do me any good.

I've been receiving the paper and very grateful for it. I didn't know that so many of the boys were in the service. Well the war is a terrible thing but I know it will all make men out of them. Anyway it did for me. A person is better off in the army than he is back home, because you haven't got a care in the world after you get used to the army. The first two weeks are the worse. My 13 weeks of basic training are nearly up and I'm up now for shipping. I have fired the 30 cal. rifle, 30 cal. machine gun, and we are going down to the coast next week to fire the 50 cal. machine gun and 40 mm. gun.

In case you don't know what the C.A.T. Bn. stands for I'll tell you: Coast Artillery Training Battalion.

Well I'll have to close now because it is time for lights to go out.

Yours truly,

Pvt. Richard P. Emmons.

Ft. Belvoir, Virginia
March 18, 1943

Dear George:

Just dropping you a card to give you my address until I get time to write you a letter. This is an engineering school; it is the best in the States. This is a lovely place. I saw this Treasury Dept. building just before I got off the train the last time. Tell folks hello and to write.

Yours truly,

Dale (Lowman.)

WRITES TO PARENTS

Dear Mom, Dad, and Squirt:

Doggone it sure is hard to write a letter. I could write about some of the after effects of battles I've seen, about bombings I've been in, about dog fights I've seen, but they would probably be be censored and you'd get a blank page for a letter.

Like tom cats we only move at night so we don't see much action ourselves.

The country is one mountain range after another over here. There's an Arab by the truck now trying to sell Phillips a chicken. It's fun trying to barter with them. They are just like Jews, pricing their eggs, chickens, dates, figs and oranges a real high price. Then we start offering a real low price and meet them halfway. Sometimes you get mad and with a straight face call them every name you can think of. They smile and say, "Wie Monsieur." It sort of tickles you, too. They want clothes and we can't give them any. They do need them tho. You feel sorry for them.

It does feel good to be called Daddy, Mom. But I sure would like to see what I begat.

Well, until I write again, take care of yourself.

Your son,

Ermal.

The package came through fine, Mom. I thank you very much for it. The cookies were still whole and really good. We saved them to munch on at night as we were driving.

The sun is shining pretty and the

wind is just right so I think I'll wash up and get some sleep now.

We manage to wash every two or three days. Pretty good, huh? This dang wind is getting me mad, that's the 3rd time I've put the camouflage up on the truck now. There it goes again!

(Cpl. Ermal H. Fields.)

LETTER FROM DONALD BAYNE TO HIS PARENTS APRIL 16TH Dear Folks:

I haven't received any letters from you yet. I am in North Africa and is fine weather here. The people and customs are hard to get used to. I passed through (Censored) and several other cities, but unable to tell where I am. The trip across the ocean was grand, but cramped for space. Twice when crossing had a little excitement. They were on account of (Censored). One of the main things we saw was the (Censored) and it was at nite time. Luckily I didn't get seasick. A lot of the boys were too sick to die. I am on guard duty here, on 24 hours and then off 24 hours. It isn't bad so far, except for an air raid once in awhile. Our chow is better here than back in the states. I can't hardly think of any more to write. All incoming and outgoing mail is censored, so be sure of what you write. The money here is in francs and centimes. I am feeling good and hope you are the same. Also hoping to hear from you and Johnnies. So long.

With lots of love, your son,
Donald.

Soldiers Write Home

Charleston Port of Embarkation
March 27, 1943

Dear George:

I appreciate your card very much and also copies of the Co-Op News. It is good to learn where all the boys from Mentone are stationed. I left my position at Chrysler in Chicago, S. Carolina in October, 1941 and went on duty with the Quartermaster Market Center subsistence procurement program in 1941 and was stationed at Chicago and later at Ft. Belvoir, N. C. When the war broke out I was sent to Camp Lee, Va. for assignment to troop duty. After two weeks at Lee I was sent to Charleston Port of Embarkation with a Port Battalion to go overseas. However, thru a mixup where another unit had the same designation our unit was retained and the other unit went overseas. I was assigned to the port and have been here for more than a year. My family are here with me including Mrs. Matthews, Johnny, age 10, and Carolyn, ten months.

I am in the Overseas Supply Division here and have a very good picture of what is going on in the war zones. I am being trained in many sections. It is more interesting to observe shipping activities. Perhaps the most interesting thing is the huge amount of cargo a ship will hold. The value of the cargo on each ship usually amounts to fifty million dollars. It costs a great many dollars and it costs a great many lives when one goes wrong.

Perhaps in the Co-Op I can see the world as it is and I can tell you about it. I am sure you will want to know about it. I will write you again soon.

Sincerely yours,

Capt. J. W. Matthews

Drew Field, Fla.

April 12, 1943

Dear George:

I am very happy and well and was glad to get your letter. I am so much my mail early in the morning. I don't know what you are interested in the rest of the boys. I hope you get this letter in time to put it with the rest.

I left Warsaw on May 10, 1942 and was sent to Toledo, Ohio for examination and induction. They all examined me and I went through with flying colors. I was sent that evening to Camp Perry, Ohio. Get my clothes and they shot my skin full of holes

and in two days time I was headed for Camp Crowder, Missouri.

The first day I was there I decided Indiana was the place for me. Here I was put in the Signal Corps. I studied here at this camp for seven weeks and only needed three more weeks to finish a course in Switchboard operating when they decided to send me to a Radio school. My wife had just come to Missouri to see me and had only been there a week when I got my shipping orders.

I left Crowder July 4 at 4:00 p. m. and my wife couldn't get a train until 1:00 p. m. that night. Luck was with me in this instance. I was sent to good old Indiana. I landed in Valparaiso at Ridge Radio & Telegraph Institute. I spent 13 weeks at Valparaiso with my wife studying radio maintenance.

I left Valparaiso and headed for Camp Murphy, Florida. My wife followed me here in two weeks. We had some nice times together here and enjoyed West Palm Beach and southern Florida. I spent 14 weeks at this place.

When I left Camp Murphy I got 5 days leave enroute to my next camp which was Drew Field, Florida. I had been trying to get a few days off to go home but as long as I was in school I could not get it. The wife and I decided to go home as this might be my last chance. Well we went home and was there for two days. We drove our own car back to Florida. We enjoyed the visit with our folks and friends.

I got back to Florida and was here for six days and they offered me a furlough. We got back into the car and drove home again. I had a 15-day furlough and the first I had off since I had been in. I came back to Drew Field after my furlough and was moved to 566 St. A. W. Bu. This is supposed to be my permanent organization. I am a Radar Maintenance man in the Signal Corps attached to the Air Corps. I like my work very well. It is a big field to get into.

Our outfit is out on maneuvers now. We do lots of hiking, drilling and marching. The first day we hiked 19 miles. Of course this is not far compared to what the infantry hikes. This was far enough for most of us as we hadn't done much hiking.

The weather has been swell down here all winter. We went swimming most every day while you were all

having snow and ice. The sceneries down here are not as pretty as they are up north.

We live in tents here and eat out of mess kits. We have lots of snakes and insects such as mosquitoes, large spiders, lizards and flies. The snakes here are deadly poison. We have Coral, Water Moccasins, Rattlers and Joint Snakes. You live not longer than seven minutes after a Coral snake bites you. We also have scorpions.

I know the rest of the boys are like me. It is hard to find time to write. This is about all the news I have. Hope we can all get back to our homes soon. Will be glad to read the letters from the rest of the boys. Will not say good-bye just So Long. Yours,

Cpl. Heston Creviston.

Denver, Colo. 4-10-43

Dear Mr. Clark:

My present address will help you to send the Mentone Co-Op. to me. I certainly enjoy reading it and am thanking you for your bother.

Sincerely,

Pfc. Harley R. Reichard.

April 27, 1943

Hi George:

I expect you will wonder what I am doing. Writing to you so early in the morning. It is 3:30 a. m. We just moved to a new area as we are on three week maneuvers. In my line of work we have to have one person up at all times to issue the ammunition to different units. It isn't the most pleasant job but I guess some of the boys have it worse.

I just finished one of those so-called fox holes for a little protection. They sure are something to dig down here in these Tennessee hills, which are made up mostly of rock. That is when I wish I was about four feet in height.

The weather has been rather bad since we have been out so far. Lots of rain which turns this red clay into a wicked underfooting. Every time it gets bad here we say, well they must have some cold weather up north again.

Well, George, there is not much news I can give you now. We will be back in camp again about May 10th. I hear we will be there for six or seven weeks before the large maneuvers start in July.

I see Porkie is leaving for the army soon. That sort of leaves Mentone without a barber doesn't it? Maybe he can start using that old rock he had in the army as to not lose his touch with it. He should make a good barber in the army as he never did want to leave any hair on your head. Ha.

It is almost four a. m. so had better close for now. I guess I am getting a customer. There seems to be others up besides me. It is about like clerking in a store George so you know how that goes. Some good days and some bad ones.

Sending my best regards and a hello to all.

Sincerely yours,

Cpl. W. Barkman.

Quantico, Virginia

March 16, 1943

Dear George,

I expect that you friends back home think I've forgotten about you. I haven't you can remain assured, but have been kept busy by two big events.

The first event took place February 10, when Major General Vandergift, Commander of Marines in Guadalcanal, handed me my commission in the Marine Corps' Reserve.

The second event was the wedding of Miss Mandine Blanche Rees to Lt. Robert C. Nottingham February 27, at the chapel in Quantico, Virginia.

Mrs. Nottingham is in the Canadian Women's Army Corps and was just recently transferred from Detroit, Michigan to Washington, D. C.

We have just completed our fifth week, putting us over the half way mark. The course has been very interesting, including tactics, map reading, chemical warfare, jungle warfare and administration.

I think I shall be transferred to a school on communication before I am sent to the field.

I will get a short leave following my graduation from Reserve Officers' class and if possible will be seeing you around the twenty-second of April. Here's hoping I find you all in the best of health. I remain,

Sincerely yours,

Robert C. Nottingham.

Somewhere in the Pacific
February 14, 1943

My Mentone Friends:

"Received a letter asking for word from us soldiers. I am not a good writer, but will say I am feeling swell and believe I could whip any 10 Japs there is barehanded. But that's against the rules; we have to use guns and ammunition. So if you folks at home keep sending us the hardware we will sure do some damage on the gents that have taken us from home during this dark hour. Take it from me war is hell. But we are coming home the winner or we don't come home. So keep the hardware coming and the home fires burning. We will be home when victory is ours. Wish you all the best of luck.

Cpl. Jesse D. Grubbs.

Sunday, March 28, 1943

Hello George:

Well just a line to let you know I am still alive and the army is still in running order.

I am feeling fine and getting the kinks out of my old bones more so every day. My muscles sure have been taking a beating but am getting limbered up now.

So far have taken an 8-mile hike with a strip pack. Later on as we get used to it we go 20 miles with a full pack. Some life, huh?

I am liking the army more so every day. But would give anything if this war was over with so I could come home.

I saw Keith Borton today for the first time. We had corresponded with each other and I told him to hunt me up as he is more acquainted with the camp than I am. So he hunted me up this morning. We only got to talk to each other for half an hour as he had to get back. He finishes his training this Tuesday. So I have an idea he will be sent out soon. I start on my third week of training tomorrow morning. The weeks are sure going fast. But seems like years since I have seen any one from home.

Well George I guess this is all I have to say for this time. Write soon. I always try to answer. I was, before I started, 17 letters behind in answering, but caught up now. Have only 5 more to answer.

Yours truly,

Wayne (Bowser)

Dear George,

Say you old devil I was sure glad to hear from you. I am sorry that I made that mistake about my APO No. but the one you see at the top of this letter is the right one. I was going to write to you anyway because I need a little favor. I think you can help me. Geo. I need a hunting knife. I want a good one and I want you to try and get it for me. I don't care what it cost but get it and I will have Sis pay you. Try and get one with at least a six inch blade and a holder too if you can. Ed. Ward might have some or he might be able to tell you right where you could get it. I guess that is the only thing that I need that I can't get here.

Geo. I have really a good time around here. Took in New York and sure had a time. There are gals there that begin where the others leave off. Plenty of good beer too. I tried to drink the town dry a couple of nites but it just can't be done. One nite a pal of mine were about half gone and we got on the sub-way. We rode it for awhile and pretty soon it came out on top of the ground and went up on an elevated track. I guess I thought that the damm

train wasn't going to stay on the track so I got up and grabbed a rope that was running down through the car. Boy the fire flew and the lights went out and we really stopped. They eased the thing on to the next stop and we got off. There was a conductor running around there like a wild man trying to find out who pulled the cord. If Pat was here with me now we would be having one hell of a time.

They tell me Porky is in line again. I'll bet he is sweating. Tell him I said to join the paratroops. He would get some of the biggest jumps in his life. Ha. Are many fellows leaving now? I sure will be glad when I can get back there with those dudes. I will be glad when I see Jones coming up in the fresh reserves. Ha. It sure looks like Hitler is getting a little of his own medicine now. I sure would like to see that whole damm country blown off the map. I think it will be too before it is over.

Geo. you can't send me any papers any more. That is prohibited. There are a lot of things that I can't write to you but it is for the best. The only way I can get any kind of a package is with a request. Try and get the knife for me and I will try to send you the ears of one of Hitler's or Tojos boys.

Drop me a line and answer soon. By the way, don't publish my address in the Mentone Rocket. You can tell anyone around there my address but don't publish it.

Yours friend,

Bob (Duglay).

P. S. You will have to use the form attached to send the knife.

(The above letter is uncensored, at this office or the office of censorship. Bob's knife has been secured and it will be on its way shortly.—Ed.)

Kutztown, Pa.
Easter Sunday

Dear George:

Little did either of us think, when I was delivering bread to your store a few years ago, that some day I'd be writing to you from the great state of Pennsylvania. I see, however, in the Co-Op. News, that you would like some more letters from the men in service. I've certainly enjoyed reading the letters from the other fellows so I'll try to explain as best I can how our camp here is operated.

When the Army Air Corps called in the men from their reserves, the men who were in the Fifth Corps area, of which I happen to be a member, were sent to Miami Beach, Fla. Our life there was very enjoyable even though the change from civilian life to the ranks of the army isn't the easiest thing to overcome.

We received our basic training in approximately a month and were then sent here to Kutztown. Kutztown is a small Pennsylvania town of about three thousand people, twenty miles north of Reading on top of the Appalachian Plateau. We are in school in a college at the edge of town. Here we are to live five months, studying math, English, history, geography, military customs, medical aid and physics. We also receive ten hours flying. The main difference in this camp and many other camps is we have our own officers. We have three commissioned officers and the rest are student officers.

There are three hundred of us here and when we arrived officers were picked according to our military experience. These officers, however, never last long for as soon as we do something wrong we're "busted" and someone else takes our places. This really makes our lives here very interesting, but we lose a lot of respect for our superior officers that will be hard to regain when we are ruled by the iron rod of real officers.

As for the fellows at home—when I'm asked "What is the army like?" and "Do the fellows like it?" I never know what to say. That isn't the question, it seems; for occasionally I can be honest in my letters and say that there is no greater mental hell on earth in many ways. Perhaps it is peculiar in our camp, but we are so isolated that indeed civilization seems far, far away and there is no escape at all. We are inescapably indentured. I thank God for the few fine lads I know here—intelligent, fun-loving, good men, and completely unnable. Together we have made any situation bearable and any condition liveable. We are not sure that anyone knows where we are going — we have lost much faith in leaders and in purpose — we have found a lot of rottenness in high circles—and yet, morale? It is amazingly high—no false nobility—no superficial patriotism—no pretense of any kind. We laugh at such "principles" — but the truck driver, the mechanic, the cook, the scholar—all of us believe that some day, some how we will win a better world, and hate it as we do—we'll stick it out—to live if we can or die if we must.

My years at Mentone were good. As I reflect I remember so much I could have done better—and so much more I could have taken advantage of—but always life is like that. I could have lived last year better than this and I could live this year better than next, but thus runs the round of life.

Keep Mentone the enchanted realm it has been. Keep the fun and laughter, the intimacy, and the lovely provincialism. Shoot high at your

standards, but don't make them cold, meaningless goals. But I am confident.

A/C Harold Stickler.

Orlando, Florida.

April 18, 1943.

Dear Friend:

I received your card posted at Mentone Jan. 6th to my former address across the Atlantic here at Orlando, Fla., this week.

At your request I will give a thumb nail sketch of the past year in the army.

One year ago my company was leaving the state for somewhere Over There. The crossing was uneventful so the reports say. But to a Hoosier and land-lover every minute was filled with excitement. The following six months on foreign soil was like reading a book. The way people live and of course I was interested in how they farmed. The good Kosciusko county farmers would get a laugh out of their methods, and I wonder how many farm women would share their house with the livestock. That was just one of the things I saw in the rural life in the old world.

I was sent back to officers candidate school and was commissioned Feb. 19, 1943, second lieutenant Signal Corps. From then to date I have been stationed in Florida for training. The first of June I will join my organization, — Signal Battalion, Air Support Command at Birmingham, Ala.

I'm looking forward to fifteen days leave in June and will take the first and fastest transportation to Indiana.

A Hoosier in the Service,

Lt. Virgil G. Phillips.

P. S.: Your card traveled 5900 miles, changed address four times in three months.

POT LUCK SUPPER HONORING SGT. PAUL E. MOLEBASH

Mr. and Mrs. Jess Molebash gave a pot luck supper April 21, in honor of their son, Sgt. Paul E. Molebash, who is spending a ten-day furlough from Camp Polk, La., with his family. Those present were Mr. and Mrs. Walter Fawley and son Leo, Mrs. Thomas Fawley and son Stephen, Mr. and Mrs. Howard Fawley, Mrs. Nora Gouchenour, all of Elkhart; Mr. and Mrs. Wm. Schooley, Mrs. Minnie Schooley of Claypool; Mr. and Mrs. Dwight Reechard, Mrs. Geo. Grubbs and family of Warsaw; Mr. and Mrs. Robt. Parker, Mr. and Mrs. Wm. R. Walters of Mentone; Mr. and Mrs. Albert Cormican of Tippecanoe; Mrs. Rosa Fawley, Mr. and Mrs. Jess Molebash and son Dale and the guest of honor, Sgt. Paul E. Molebash of Camp Polk, La.

A hearty welcome to all.

FIRST BAPTIST CHURCH Mentone, Ind.

You Are Ever Welcome to This
House of God

James J. Davis, former secretary of U. S. Dept. of Labor, says, "The groundwork laid in the Sunday school has been the foundation of all I know and has borne me up in every later problem of life. Knowing what Sunday school did for me, I am most emphatically a believer in its influence for good on every person in the land. And it provides precisely the kind of education we begin most to need.

We Americans stand preminent in history for our skill in the creation of material things and the amassing of material wealth. We need education that will fill our minds and hearts with the far greater riches of moral worth and that inner gratitude for our good fortune which we owe to God. And the Sunday school supplies that need. We say on our coins, "In God We Trust." We need to make our lives a living proof that we mean just that. That devotion to God and to country is best acquired in the Bible school and every good citizen should be thankful that we have such an institution and see that it ever draws new strength to go on with its fruitful and indispensable work. What are you doing to help the Sunday schools and churches in

your community? The most outstanding men of the world value the Sunday school and church. Do you? Come and bring your friends Sunday.

NUGGETS FOR BEREANS No. 57

It is said that the Word of God has a solution for every problem that may come up in life, and I believe that to be true, but how many would think of going to the Bible to get instructions in walking? Yet right here we have them under three headings in Eph. 5:1 to 6:9.

1. WALK IN LOVE. In connection with this admonition, we should read 1 Cor. 13. Surely if one does have love to the other, none of the terrible filthy deeds of the flesh mentioned here in Chap. 5 are going to be numbered among his habits. Where love reigns supreme, law is scarcely needed. Parallel with this exhortation is the advice given to wives and husbands in the same chapter.

2. WALK AS LIGHT. Jesus said, I am the light of the world." In another place He told His disciples that they were to be the light of the world. Here is a similar request. People who walk in the dark usually do not walk very straight. So the apostle here speaks of the unmentionable deeds of darkness and asks that we walk as children of light. If we do so, we will then manifest fruits of

NEWCASTLE TOWNSHIP NEWS By Lavoy Montgomery

Mrs. Loren Kramer is reported to be on the sick list.

Mr. and Mrs. Lou Grove and Mrs. Charles Good spent Saturday afternoon and evening in Rochester.

Mrs. William Deamer had the misfortune to fall at her home recently and fracture several ribs. Pneumonia later developed, and her condition is reported to be serious.

Mrs. Oliver Grove called on Mrs. Frank Souther and Mrs. O. C. Montgomery Monday.

Frank Souther, of Hammond, spent the week end here the guest of his wife, Mrs. Ruth Souther.

Rev. and Mrs. Harlan R. Waite and daughter of Bourbon, were the supper guests of Mr. and Mrs. Chas. Good and family Friday evening.

Mrs. Callie Dawson, of Tippecanoe, was a recent guest of Mr. and Mrs. C. M. Walker.

Mr. and Mrs. O. C. Montgomery and Lavoy spent Saturday evening in Rochester.

Mrs. Waldo Gray, of Rochester, was the week end guest of her parents, Mr. and Mrs. Ernest Bryant.

Mrs. Betty Chapman, of Rochester,

the Spirit in our lives. Parallel with this is the advice to children and parents in 6:1-4.

3. WALK CIRCUMSPECTLY. In everyday language this means to say, "look where you are going!" People who look all about as they walk are not so likely to fall into holes and snares. The apostle says that the man who does not look where he is going is a fool, but the man who watches his step is wise. The only way to make a success of this kind of a walk is to know the will of God and walk in it. Parallel with this is the advice to servants and masters, 6:5-9.

--Oscar M. Baker.

spent Sunday with friends here.

Jackie Tippy, of Rochester, spent the week end with his grandparents, Mr. and Mrs. Lee Tippy.

Rev. and Mrs. Harlan Waite and daughter of Bourbon, were dinner guests Thursday of Mrs. Ruth Souther.

Mr. and Mrs. Phillip Bryant entertained at Easter dinner Sunday: Mr. and Mrs. Estil Bryant and family, of Akron, Mr. and Mrs. Glenn Emmons and Mr. and Mrs. Ralph Hatfield.

Mrs. Ralph Hatfield spent Friday evening in Rochester.

Elmer Lamb spent Tuesday afternoon in Kokomo.

Mr. and Mrs. Ralph Hatfield spent Sunday evening in Rochester.

Mr. and Mrs. Robert Calvert spent Saturday afternoon in Rochester.

Mrs. Harry Wenger and son Danny were Easter guests of her mother, Mrs. Frank Coplen.

Mrs. Lula Green, of South Bend, spent Sunday here the guest of her son, Charley Green.

Mrs. Frank Coplen and Mrs. Bill Coplen and son Steve spent Tuesday afternoon in Rochester on business.

BROTHER DIES IN CAROLINA

Mrs. Alonzo Blue received word of the death of her brother, Wm. L. Finstermaker, of Plymouth, North Carolina at the age of 72 years. He is survived by three children besides the sister and two brothers. The brothers are Charles A. of Stanley, North Dakota and Fred A. of Hammond, Indiana.

Mr. Finstermaker was born near Rochester, Ind.

New Barber at Jones Shop

As I have been called into the armed services, an effort has been made to accommodate the barber patrons of Mentone and vicinity. I have secured the services of Mr. Clyde Kelly, who has a reputation of being a mighty fine barber. He has been working in our shop the past few days and many have expressed themselves as liking his work.

At the present time Mr. Kelly will be in Mentone four days each week, and if it is at all possible for you to do so, have your work done on week days to give him more time to accommodate those who can come on no other day except Saturday. Anything you can do to help him or his services will be appreciated.

PRESENT SCHEDULE:

Tuesday, Thursday, Friday, Saturday and Saturday evening until 9:00.

(In the very near future one more day and night will be added to the above schedule)

TO CONTINUE DRY CLEANING AGENCY

Mrs. Jones will continue with the dry cleaning agency. Work will be delivered at the shop on each Monday and Thursday. Leave your cleaning on or before these days. The first door east of the barber entrance is to be used by the dry cleaning patrons.

D. A. R. MEETS

The regular meeting of the D. A. R. was held at the charming country home of Mrs. Geraldine Parker. Twelve members and one guest, Mrs. Betty Sanders, were present.

After roll call and the pledge to the flag were given, new officers were elected. Mrs. Bernice Rush was chosen regent for the coming year with Vera Kelly as vice regent. Madeline Bybee was elected secretary; Yoland Riner, treasurer; Edna Carey, historian; Ernie Manwaring, chaplain; Pearl Lackey, librarian; Eileen Fenstermaker, registrar.

Mrs. Burns gave a few details of the business at the Continental Congress held at Cincinnati. Lena Igo read a paper on "Indiana State Parks" very capably prepared by Mrs. Zada Kesler. Helen Brown gave an interesting

talk on their work as instructors in the radio school located in Chicago.

Delicious refreshments in keeping with Easter were served on card tables with cunning decorations made of decorated eggs.

News of Mentone and Vicinity

Fire in a chicken house caused considerable damage at the Harold Williamson farm near Burket Thursday morning of last week before the Burket and Mentone fire departments were able to extinguish the blaze. The building housed 1020 heavy-type broilers that were developed to about two pounds each. The broilers were driven from the burning building with the loss of less than two dozen.

Complete new stock of anklets in spring shades at Clark's.

Mr. Oakley, of Farmland, Indiana, an official of the Indiana Rural Letter Carriers Association, spent Sunday at the Ray Rush home. Mr. Rush is state secretary-treasurer of the of the same association.

Mervin Jones, who was scheduled to leave for army service Tuesday after his acceptance at Toledo the week previous, was prevented from doing so because of a sprained back suffered while working at his home Sunday morning. He was examined by the Selective Service physician at Warsaw and the secretary of the draft board assured him that it wasn't the best thing to go to camp in an injured condition and that he should remain here until his injury had healed. Through the course of human events, either by a reporter's assumption or the draft officials' incomplete divulgence of information, a daily news story suggested he would be declared A. W. O. L. Just where the difficulty may be is hard to determine, but we trust that Mr. Jones encounters no extreme penalties from the mixup. It is indeed unfortunate that misfortune should step in at this inopportune time.

Tender beef roasts, steaks, pork chops, sausage, spare ribs, neckbones, liver, brains and a nice selection of quality cold meats at Clark's.

Mrs. Charles Davis of Monroeville, Mrs. Fred Carey and Mrs. Eugene Lancaster of South Whitley spent last Wednesday with their sister, Mrs. Artley Cullum, and mother, Mrs. Myrtle Reed.

Tin cans available at Clark's.

Mr. and Mrs. Roy Cullum, of Cicero, Illinois, spent Easter Sunday and Monday with their son, Artley Cullum, and family.

The Phillip Blue family has moved into the Clark apartments on North Broadway.

Mr. and Mrs. Ernest Harvey have moved to South Bend where Mr. Harvey is employed by a trucking concern.

Joshua Garwood has returned to Mentone after spending the winter at his winter home at New Smyrna Beach, Florida. His daughter, Mrs. Mary Smith, is here visiting him.

Everett Mikel and Arissa Mae Hodges were married at the home of the bride's parents Sunday afternoon. Rev. Victor E. Stoner, pastor of the Mentone Methodist church, read the ceremony. The couple left immediately on a brief wedding trip.

Green Baby Lima beans for planting, stay green when cooked or canned. Clark's.

Mrs. Rea Ward, Mrs. Lydia Rynearson, Mrs. Dorothy Herendeen and the pastor Victor E. Stoner, attended the group meeting of the Woman's Society of Christian Service at the Warsaw Methodist church Wednesday, April 28.

Harry Williams, who sells Red Wing brand work shoes, stated this week on his regular trip, that he has been selling these shoes for 50 years and started calling on the Clark store as a salesman in 1898.

Rev. and Mrs. E. C. Ralston spent Monday and Tuesday near Yorktown visiting with Mr. and Mrs. Eugene Johnson. Mr. Johnson is manager of the Stout Stock Farms there.

The young people's class of the Baptist Sunday School met at the home of Mr. and Mrs. E. E. Tanis at Etna Green Tuesday evening. Mr. Tanis entertained the young folks with a number of sleight-of-hand tricks and several games were enjoyed.

2nd. Lt. Robert Nottingham and wife arrived Friday for a brief visit with the former's parents, Mr. and Mrs. Harl Nottingham. They left on Sunday afternoon.

Tomato and cabbage plants at Clark's.

M. O. Mentzer reports the sale of the Ezra Hatfield property on north Franklin Street to Mr. and Mrs. Jacob McClone.

Little Martha Joan Slabaugh spent a few days last week with her grandparents, Mr. and Mrs. Pete Blue.

"ATHLETES FOOT"

I MADE THIS TEST

"Your 35c back next morning if not pleased. Get TE-OL solution at any drug store. Made with 90% alcohol, it penetrates. Reaches more germs faster. HERE'S A TIP. Apply full strength. Feel it take hold. Also test it for sweaty or smelly feet. Locally at the Big Drug Store."

Mr. and Mrs. Ira D. Anderson and sons of Evanston, Ill., and Mrs. Mabel McCarty of Frankfort, Indiana, spent the week end at the Dr. Anderson home.

Mrs. Tobie H. Blalock, the former Dorothy Nottingham who visited her parents here two weeks ago, is located at San Anselmo, near Hamilton Field, California where her husband is located.

Men's sweat shirts at Clark's.

Mr. and Mrs. Ralph Mattix and Norma, Bob and Shirley of Claypool and Mr. and Mrs. Vernon Jones spent Friday evening with Mr. and Mrs. Vernon Jones.

Mr. and Mrs. Jack Slabaugh and daughter and Mr. and Mrs. Paul Perkins visited Sunday with Mr. and Mrs. Pete Blue and family.

Mr. and Mrs. Claude Gates and son, Jimmy, will spend Sunday in Rockford, Illinois with Mr. Gates' brother, DeWitt, and wife, who is stationed at Camp Grant.

Mr. and Mrs. John Kanuch and Miss Kara Jensen, of Gary, were guests of Joshua Garwood, Tuesday.

Mrs. Earl Smith, of Manzanola, Colorado, is visiting her father, Joshua Garwood and other relatives here.

Mr. and Mrs. Lum Smith were guests at the A. L. Bybee home, Sunday.

Fine mercerized khaki colored socks for men. Clark's.

Glen Laws, of Oakwood, Ohio, spent the week-end at the Roy Adamson home.

Stella Meredith has had severe fracture of the hip and is in the Murphy hospital for treatment.

Mr. and Mrs. Vernon Jones were host and hostess at a dinner Sunday honoring their son, Mervin Jones, who was scheduled to leave for the army Tuesday. Those present were: Mr. and Mrs. Derone Jones, Mr. and Mrs. Tommie Meredith, Paul Jones and daughter Mary Linda of Elkhart, Mr. and Mrs. Mervin Jones and son Kenyon Keith. Mr. and Mrs. Gaylord Jones and daughter Letitia Kay, of Syracuse, planned to be present but were prevented from doing so because of work in a defense plant. Afternoon callers were Mr. and Mrs. George Dickey and grandson of Warsaw.

GIRLS' 4-H CLUB MEETS

The Mentone 4-H Club held its second meeting at the school house on April 27. Fifteen members responded to the roll call. Record books were filled out and the program committee, composed of Norma Nellans, Lois Baum and Frances Baum decided to meet on Wednesday morning at the home of Frances and Lois Baum. Plans for the coming year were discussed.
