DEATH CLAIMS MENTONE LADY

**MRS. ERSIE MANWARING
OF MENTONE DIES IN
HOSPITAL AT ROCHESTER**

Mrs. Ersie Manwaring, aged 62, widow of the late Frank Manwaring, of Mentone, and herself a life-long resident of Mentone, died at 1 a. m. Sunday at the Woodlawn hospital at Rochester, Ind. Death was due to cerebral apoplexy. She had been a patient at the hospital for two weeks. On Wednesday she suffered a stroke and a second stroke Sunday morning proved fatal.

Mrs. Manwaring was born in Mentone, August 13, 1884, the daughter of Nash and Mary (Bybee) Latimer. In 1906 she was married to Frank Manwaring, formerly president of the Mentone bank, who died in 1933. The deceased was a member of the Methodist church and was affiliated with the Order of the Eastern Star, the Daughters of the American Revolution, and the War Mothers of World War II.

Surviving relatives include three sons, Charles, Miles and Richard, all of Mentone, and three grandsons. Mrs. Jean Paulus, of Mentone, is a niece.

Funeral services were held at 2 p. m. Wednesday at the residence. Rev. E. E. DeWitt, of Larwill officiated and was assisted by Rev. A. G. Simmons. Burial was in the Mentone cemetery.

Johns funeral home was in charge.

PROBATE MILLER WILL

The will of Clyde E. Miller, Claypool farmer, who died March 25, was admitted to probate in circuit court Wednesday. Made Jan. 28, 1946, it left \$500 each to the mother, Mrs. Ina Metzger, and two daughters, Mrs. Joe (Maxine) Ault, Claypool, and Mrs. Edison (Mary E.) Tucker, all personal property and a life estate in real estate to the widow, Roxie Mae Miller, of near Claypool; and at the widow's death the real estate in equal shares to two daughters or their survivors. The widow was named as executor.

The Young Peoples Sunday School Class of the Methodist Church will meet Thursday, April 11th at the church. All members are urged to be present.

YOUTH FOR CHRIST SATURDAY
Rev. Michael Guido, evangelist now speaking at the First Baptist church

Michael A. Guido

will be the speaker for the Tri-County Youth for Christ meeting to be held on Saturday evening, April 7th at 7:30 o'clock.

D. A. R. MEETS WITH MRS. KENNETH RINER

Mrs. Kenneth Riner was hostess to the Anthony Nigo Chapter of the Daughters of the American Revolution on Thursday evening March 28.

Response to roll call was given concerning interesting facts in Indiana. After the regular business session reports of the State Conference held at Indianapolis in February were given. Mrs. Riner gave a comprehensive report and one from Mrs. Pollen was read.

The program for the evening was concerning Indiana. Two songs were sung by Mrs. Eileen Fenstermaker. "On the Banks of the Wabash" and the other "My Indiana Home." Mrs. Cul-lum being her accompanist. Mrs. Fenstermaker also gave a talk on the composers of the songs.

Mrs. Lena Igo gave an interesting article on the Lancer Mansion.

Refreshments were served by the hostess and chapter adjourned to meet on April 23 with Mrs. Ed Kessler at Warsaw at which time officers for the coming year will be elected.

TIPPECANOE MAN DIES

**FLOYD MORIARTY, 41, OF
TIPPECANOE, DIES EARLY
SATURDAY IN ROCHESTER**

Floyd Moriarty, aged 41, of Tippecanoe, died at 5 a. m. Saturday at the Woodlawn hospital, Rochester, Ind., death followed an illness of two weeks. Mr. Moriarty was born at Tippecanoe, January 14, 1905, the son of Mr. and Mrs. Clyde Moriarty. He had lived all of his life at Tippecanoe. He was associated with his brother in the frozen locker business at Tippecanoe and Argos.

The deceased was a member of the Congregational Christian church at Tippecanoe, and was affiliated with the Odd Fellows lodge at Tippecanoe and the Eagles at Plymouth.

Surviving relatives include his mother, Mrs. Bertha Moriarty; his wife who was formerly Alta Fanning; a daughter, Mrs. Betty Cowan, all of Tippecanoe; a son, William J., who is in the U. S. army; three brothers, Wendall, James C. O., and Owen, all of Tippecanoe, and two sisters, Mrs. Mary Davis, of Tippecanoe, and Mrs. Annabelle Lamb, of Kokomo.

The Beigh funeral home at Bourbon is in charge of the funeral arrangements, which have not been completed, as word is being awaited from the son in the army. Burial will be in the cemetery at the Walnut Church of the Brethren.

YOUTH GROUP MEETS.

The Methodist Youth Group met Tuesday night at the Methodist church under the leadership of Mrs. Simmons and Wreatha McParren.

An interesting program was given by Elma King, Eileen Kercher and Pat Shinn. Refreshments were served to the members and plans were started for another meeting.

NOTICE VETERANS

All those interested in a V. F. W. Post at Mentone come to the Town Hall Tuesday April 9.

Dr. W. C. Anderson has resumed his work with the State Board of Health and will be located at Valparaiso.

SPEEDING EVEN DANGEROUS ON A BICYCLE

Don Coleman, a young Mentone lad who can get about as much speed out of a bicycle as any one, found that things can happen in a hurry, Tuesday. It seems that he attempted to cross the "trolley" tracks at an angle and the bike took a detour. His right elbow was badly bruised, his back all scratched up, a hole in his right side at the belt line and both legs a little banged up, comprised most of the injuries.

MORE MONEY FOR LIGHTS

Plans are progressing rapidly on the recreation grounds and indications are that within a very short while the field will be lighted ready for night sports.

Well over a hundred dollars in additional contributions have been received since last week in addition to a pledge of well over two hundred dollars from the Mentone Lions Club.

It is expected that the initial cost will be in the neighborhood of a thousand dollars. This estimate includes the best lighting equipment available.

Meeting Friday Evening.

Those interested in the lighting project are requested to attend a meeting at the town hall Friday evening, April 6th.

DAN URSCHER PROMOTED

On Monday, March 25, Dr. Dan Urscher, who is stationed at Walter Reed General Hospital in Washington, D. C. was notified of his promotion to the rank of Major and was also made Chief of Out Patient Service at Walter Reed Hospital.

This Service is a large clinic composed of 15 doctors, many nurses, laboratory technicians, pharmacists, etc. It cares for the families of all military personnel in the District of Columbia, providing both office care and home calls.

Gen. Geo. C. Beach, commanding Officer of Walter Reed was himself Chief of Out Patient Service for many years and has taken great interest in developing the service since he assumed command of the hospital in January.

The seventh grade girls had a lunch April 2. Each one brought something which made up the dinner. They all enjoyed it very much.

In civics the eighth grade is studying about civil service. Mr. Bevington, brought some papers about the jobs you can get in that kind of work.

The fifth and sixth grade are having a baseball contest.

They are finishing up in most of their subjects and beginning to review.

Last Friday in the club program, there was an "All Boy" program. The boys gave a play and sang some songs.

HIGH SCHOOL NEWS

Monday morning we were entertained by Rev. Michael Guido and his Georgia Peach, Mrs. Guido.

Mrs. Guido who is a magician, did some very interesting things and spoke about the "Religious Youth." Rev. Guido spoke also. It was both inspiring and enjoyed by all.

The Junior and Senior classes will go to Chicago, Saturday for the Junior, Senior banquet.

The seniors are quite popular this week (especially the boys). Girls, girls, and more girls are after their name cards. They are having a hard time keeping them from some anxious gals.

Mr. Law had an exciting experience this morning, keeping a school lunch from a dog's hungry stomach. The dog happened to be Curley Witham's.

As Mr. Law reported, he was sitting in his car and saw the dog, with the lunch in a paper bag dangling from its mouth, running away from a small boy. The boy said he had chased it all over the ball field and then close enough to Mr. Law for him to yell at the dog. The dog dropped the dinner and Mr. Law rescued it.

Mr. Kelly announced after dinner, that the lunch was still in the office and if no one claimed it we would have to turn it over to Curley to give to his dog.

It is the soundest staying influence upon youth at a time when temptation has its greatest pull. It is the actuating power of middle age which holds the Christian steady and furnishes him an opportunity to serve. It is the surprise joy of old age in that the dividends are collected each week in a life well spent."

FIRE DESTROYS OLD SCHOOL

50-Year-Old Structure a Complete Loss

The Mentone fire department was called about 2:30 Friday morning when fire broke out in the Wayne Nellans dressing plant, located in the old Mentone school building. Ora McKinley, who lives across the street west from the building, was awakened by his dog barking, and when he looked out the window it appeared as if the entire school was in flames. He put in the alarm, but the entire building seemed to be afire and water couldn't be applied in sufficient quantities to cool it down to any appreciable extent. The Akron fire department was called to assist the two local pumpers, and their aid was greatly appreciated by the Mentone department and local citizens.

Showers of sparks went for blocks at various times during the fire, but to our knowledge, only one roof became ignited and the Akron fire fighters had it out before it had caused any great damage. This was the house occupied by Clyde Reed.

Firemen were constantly threatened by the high brick walls, two tall chimneys and the mammoth bell tower, all of which stood many feet in the air after the timbers had burned from within. These walls, however, prevented heat from the fire causing any damage to nearby homes, but Mrs. W. W. Whetstone's flower and shrubbery garden was badly mutilated when one brick wall eventually fell on it.

Two Men Nearly Lose Lives

Elgie and Ellis Melton, father and son whose business has been blasting with powder and dynamite, were called in Friday forenoon to blast down the two chimneys and the entrance tower to prevent any possibility of injury to persons should it topple later. Both men narrowly missed death when the tower came down while they were working beneath it. A number of charges has been used on the west pier of the tower, so they went to the east pier and set up a charge. They placed it on the inside corner and while Ellis was getting ready to ignite the fuse,

LARGE CROWD AGAIN ATTENDS Y. F. C. MEETING

Nearly 600 people attended the regular monthly Youth for Christ meeting held at the Baptist church Saturday evening. Michael Guido, the speaker, was in his usual capable style and gave a fine, inspiring address to the large assembly. Twenty-two young people made their decision to follow the teachings of the Master and live Christian lives.

The June meeting will be the anniversary of the movement at Mentone, and Dr. L. E. Olson, of Fort Wayne, will be the speaker.

May 16th Dr. Torrey Johnson, international director of Y. F. C., will be at Mentone for a large area meeting. Dr. Johnson and his assistants are now on a tour of Europe and the meeting at Mentone will be their first upon their return.

VENUE CHANGE SOUGHT IN SUIT AGAINST BARES

Hobart Creighton has filed affidavits for changes in venue in two circuit court actions against Mr. and Mrs. Raymond S. (Dorothy) Bare, of Mentone, in which Creighton, as trustee, seeks possession of the Bares' home and automobile and damages totaling \$900.00.

In asking that the case be taken out of Kosciusko county, the trustee contends that he can't have a fair trial here.

Creighton seeks possession of the home in ejectment proceedings and possession of the auto in a replevin action, on grounds that they were turned over to him in trust by Bare to make good any shortages which might be charged against the latter while he was treasurer of the Northern Indiana Co-Operative association, Mentone. The trustee, former co-operative president, charges that the Bares are holding the property unlawfully.

Bare was twice brought to trial in circuit court on charges of embezzling funds of the co-operative. On both occasions the juries failed to reach verdicts. Bare and his wife recently filed answers to Creighton's suits, denying his allegations.

Byron Peterson has been in New York City on business the past week.

ATTEND LIVE STOCK SHOW IN BUFFALO, N. Y.

O. B. Deaton, manager of the Mentone Co-Op Shipping Ass'n spent Monday and Tuesday in Buffalo, N. Y. attending the annual meeting of the Live Stock Producers of Buffalo.

Mr. Robert Hover of No. Manchester, Mr. Shirley Rink of Millersburg and Mr. Deaton of Mentone were delegates from Indiana. Mr. Wm Groninger of

North Manchester has represented the Hoosier state on the board of directors of the Producers for a good many years.

In connection with the annual meeting of the Producers these delegates had the privilege of participating in a meeting and banquet for the organization of "The Empire Marketing League", which is sponsored by the following Co-operatives of the State of New York, namely: G. L. F. Grange, League Federation; P. C. Producers Consumers Co-op, New York Farm Bureau; Dairyman's League Federation and the Producers Commission Association of Buffalo. The latter being the host organization.

The group had the privilege of hearing the problems discussed by such leaders as Hap Said of New York, P. C.; Ed McConnell of Cornell University; Gene Hawley of G. L. F. and Mr. Jon Cook of the New York Farm Bureau.

It is believed that the new marketing organization will strengthen the Buffalo market and be an asset to all who choose to patronize the Buffalo market.

Indiana Chairman Named for Chicken Breeding Program

Appointment of L. A. Wilhelm, Lafayette, executive secretary of the State Poultry Association, as state chairman of the Chicken-of-Tomorrow Committee opens the way for Indiana poultrymen to compete with breeders from other states in the nation-wide effort to produce better meat-type chickens.

Wilhelm

Goal of the three-year breeding program is to develop a chicken that will yield at least 10 per cent more meat in relation to bone structure, said D. D. Slade, Lexington, Ky., chairman of the national committee, in announcing Wilhelm's appointment. The breeder who produces the best example of a meatier bird will receive a \$5,000 cash award from A & P Food Stores, whose officials initiated the program. Other awards will total \$3,000.

Objective of both the Indiana and national committees is to stimulate production of chickens that will grow more economically. Slade pointed out, and which will have a greater percentage of meat to bone, larger proportion of white to dark meat and a broader breast. The national committee is made up of representatives of all major poultry associations and the U. S. Department of Agriculture.

"The contest is open to every poultryman," Slade continued, "but it will require more than just the selection of an outstanding bird and sending it in to be judged. Each breeder must start with from 100 to 300 baby chicks of known origin and develop a strain or type of chicken that can be reproduced in commercial quantities. Only by such a program of development can poultrymen assure the nation's consumers that chickens of the future will be the source of superior meat."

Serving on the Indiana committee with Wilhelm are Ernest Anderson, extension poultry specialist, Purdue University; Louis Demberger, Stewartsville, poultry department supervisor, Indiana State Fair, and Dr. R. F. Smith, Boswell, of the Indiana Livestock Sanitary Board.

Wednesday evening six members of the seventh grade history class were guests of the Mentone Reading club at the home of Mrs. Ora McKinley. They presented a very interesting quiz program on the subject of the Louisiana Purchase prior to the showing of the picture, "The Romance of Louisiana" by Mr. Dale Kelley and Mr. Dick Kenney. Those taking part in the history quiz were: Jennie Hall, Sally Hoffer, Mona Lou Darr, Jody Culham, Madeline Holt and Bonnie Emmons.

Fire broke out in the fire station Friday afternoon while the firemen and equipment were still at the Wayne Nellans fire. It seems that Frank Warren (we couldn't find anyone else to blame) stooped over to get some pipe fittings in the storage bins at the city building and dumped the ashes from his pipe into some rubbish. Regardless of what started the fire, smoke started

Let Victory Gardening Live On!

—Photo Courtesy Ferry-Morse Seed Co.

During the war many a family, for the first time in their lives, ate fresh vegetables right out of their own garden. Better yet, they found they liked 'em! If Victory Gardening in America accomplished nothing more, that was a priceless gain.

Thousands of men, women, and children in cities, towns, and on farms have been enjoying better meals the last four years because of their fine response to Uncle Sam's urge to "grow your own." The little backyard patch, the vacant lot, or a few square feet of ground in a community plot became a gold mine. Over and over it has been proved that the food value is greater, the flavor more delicious, when vegetables are eaten garden-fresh.

Have you heard of gardening as an important form of exercise for health? Certain field hospitals began to establish Victory Gardens during the war to help convalescing service men rebuild their minds and bodies. Other field hospitals all over the country are now going ahead with the idea. Doctors and scientists are urging "back to the soil and gardening" as a vital force in stimulating physical and mental health. A garden in connection with a hospital must necessarily be the "pound of cure." A home garden can well be an "ounce of prevention." And every member of the family can profit by it.

In many cases the home Victory Garden actually became a family affair. Dad, Mom, and the youngsters had fun together planting, weeding, and water-

ing the rows, and gathering the luscious tomatoes, tender young peas and beans, sweet flavored carrots and corn. The secret of continuing this family interest as a delightful peace-time hobby is to plant only as much as can be cared for easily with the work shared by all.

A special kind of neighborliness grew up in America during Victory Gardening years. A business man admits that the good-natured rivalry and vegetable swapping between him and his next-door neighbor have made them friends for life. City families who shared a large garden plot and a common picnic table and fireplace nearby have found a permanently richer community life. Employers and employees working side by side in industrial gardens have reached a better understanding of each other's viewpoint.

Will Durant, a popular philosopher and psychologist, believes that America will never be a true democracy until every family owns a piece of ground and cultivates at least a part of it. The eighteen million Victory Gardens of the war years have been a big step toward that goal.

coming from the building and Frank put in the alarm. The firemen were all loaded ready to return to the fire house when they heard the siren, and they were really travelling when they entered Main street.

A JUNIOR VIEW OF THE JUNIOR-SENIOR TRIP

The Juniors and Seniors gathered early Saturday morning in the heart of Mentone, eagerly awaiting the arrival of the school bus that was to take us to Chicago. At last it came and we were finally on our way to Chicago. Mr. Law was our main source of en-

tertainment. After many jokes and much singing we arrived in Chicago. Since April 6th was Army Day, the main attraction was the parade. We all gathered around in hopes that we might catch a glimpse of the President but I guess most of us just didn't have the patience to wait.

It seemed there was one complication, everyone seemed to be hungry. After walking for what seemed like miles we finally came to the conclusion that all the restaurants were on the opposite side of the street. Since the parade was quite lengthy we went through the subway to get to the other side of the street. It seems that everyone else had the same idea. A cafeteria was soon located and me merrily filled our stomachs.

At 4:00 we went to the Chicago Theater where Carmen Cavallaro was appearing in person. After the theater there was more sight-seeing.

To go back to the happenings of the day. First we will start off with Charles Parks the glamor boy of the day. Charles wore a fancy bow tie and a bright red hat which caught the eyes of all the babes in Chicago, and also the soldiers. He was offered many things for his hat from the soldiers but he wouldn't accept any of them because he wanted the thrill of wearing it himself. Charles went into a ten-cent store and there a good looking sales girl said, "Look at that hat, isn't it silly?" of course he heard that and just had to see who said it. As he turned around and saw the cutie he replied, "Hi Babe!" She wasn't bad was she Charles?

If any of you see Victor Lantz ask him if the girls around here let him sample all the candy before he decides what kind he is going to buy. Was the candy good Victor?

There was an awful tragedy that happened Saturday to Wanda Smith one of our proud Seniors. She lost the heel off of her shoe. Wanda, that is a good way to get to ride back to the bus instead of walking.

After every one had seen the show and had their supper we gaily walked back to the bus. We had a little trouble with the bus on the way home but after it was repaired we had a restful trip home.

We like to say for the Juniors that we hope the seniors had a good time and enjoyed themselves. Good Luck Seniors.

SCHOOL NEWS

The fourth grade has decided the third grade can spell better than they can. Maybe they just studied harder. We're hoping to beat them this week.

The sixth grade are mostly reviewing their work for this semester. Getting in shape for the exams. We hope we pass don't you?

The school would like to thank the Seniors for the delicious lunch they gave us last week.

The freshmen have been getting the inside dope on Biology recently. They have been dissecting frogs and crawfish. Mr. Hoffman says the saws are still whamming the hammers pounding as the shop boys attempt to complete their projects for the year. Hog troughs, farm gates and basketball backboards seem to be the major projects now.

Mr. Law is still trying to talk some World History into us Sophomores and telling corny jokes and I am afraid he is not doing very well with either. The first is our fault and the second, we just don't get them.

The Band Contest is Saturday at Fort Wayne Central Catholic school. The band will play at 6:10 P. M.

Clarinet quartet will be in the morning. Soloists are Dave Johns on the cornet, Bessie Bell, Weirick, cornet, Norbert Darr, saxophone, Shirley Nettrover, flute and Malcom Long, trombone.

Mr. Kelly gave us a picture show Wednesday afternoon called *Romance of Louisiana*. Dated at 1803 with Thomas Jefferson, James Monroe and Napoleon pre-tending to the buying of Louisiana from the French in that year.

Another picture was a moving picture of our school and the children. Some of their behavior was very amusing and we all had a good laugh at ourselves.

Reporter, Patsy Dorsey
SENIOR HIGH LIGHTS

Friday morning the Juniors, with Malcom Long as president, Julia Nelson as vice president and Dorothy Egolf as Secretary and treasurer invited the Seniors on a trip to Chicago, the morning of the 6th. The officers

of the Senior class are, Freeda Kesler, President and Betty Cain, Secretary and Treasurer and vice president, Dick Pialrsky, who left for the Coast Guards recently.

The Baccalaureate for the Seniors of 1946 will be held in the Methodist Church, April 14 with Rev. Simmons giving the message.

The Seniors also announced their class day for the afternoon of April 18th at the high school. Many hours have been spent practicing on it. Everyone is cordially invited.

The commencement exercises will be held in the Baptist church, April 20th at 8:00. Dr. Overdeer, from Indianapolis one of the most prominent speakers of the state, will be the speaker.

The Seniors have planned a splendid trip South. They plan to leave early the morning of April 22nd. They are sorry to report that Dale McGowan and Firman Sensibaugh cannot make the trip with them as they have to report to the Armed Forces on the 23rd of April. Another one of the boys, Kenneth Hudson, has to go for his physical the 17th of April. Mr. Kelly has laid out a very interesting route taking about four days. Here's hoping the weather man is good to us.

Freeda Kesler and Elma Jean King
JUNIOR SENIOR TRIP

The Juniors and Seniors of Mentone High left Saturday morning, April 6th on a trip to Chicago. Arriving there we separated into groups, several being fortunate enough to see President Truman and General Eisenhower in the Army Day Parade.

After taking in the sights of the city, and having a few minor difficulties on the "El", subway and the "slum" district we proceeded on our way to the Chicago Theater. Here we enjoyed the stage show, "Carmen Cavallero and His Orchestra."

THIRD GRADE

The third graders are nearly through with their text books, but there are many facts to be reviewed and many skills that need to be improved. They are making an intensive study of spelling and arithmetic for this purpose.

The spelling contests with the fourth grade is greatly helping the spelling interest and skill.

Robert Hatfield returned to school Monday after his illness. There have been more absences than usual the past two weeks.

The class was shown an interesting moving picture Wednesday afternoon about the pine forests of the West and how the trees became lumber.

Mrs. Marvin Romine was a visitor Friday afternoon.

Baked Potatoes

Potatoes fresh from the oven contain a full quota of vitamin C which is important to the health of teeth and gums. Recently research workers found that baked potatoes lose one-third of their vitamin C content if allowed to stand a half hour, and one-half of their vitamin C content if allowed to stand an hour.

Weather Reporting

The science of predicting the weather and making use of the predictions has been advanced 20 years by the war, in the opinion of army meteorologists. The army, navy and weather bureau trained thousands of weather men and placed them at land stations and on shipboard in all theaters.

Mortgage Laws

A survey showed that state mortgage laws before the war varied greatly. In Virginia, Texas or Georgia it took only a few days to foreclose. In Illinois, however, foreclosure proceedings averaged over 18 months, and in Alabama more than two years.

Weather Forecasts

Three billion dollars a year in profits and savings have been estimated to result from protection of property, reduction in losses or increased production brought about by scientific weather forecasts, warnings and reports.

Vat Dyes

Vat dyes are among the oldest known textile colors. A garment dyed with natural indigo, a vat color, has been found in a tomb in Thebes, where it had lain since about 3,000 B. C.

(Continued from front page)

bricks started crumbling right above him. He jumped for safety, hit his father with his shoulder, knocking him into a series of somersaults that took him to freedom. Ellis, however, was deluged with the brick and was covered clear to his shoulders before he

managed to extricate himself. Fortunately none of the bricks hit him while falling, but they piled up behind him and rolled over him so quickly he couldn't escape. Spectators, unable to see because of the cloud of dust, were certain both men were completely buried, and actually couldn't believe it when they saw both men free. Roy Cox, was standing close when the tower

started crumbling. A large cornice stone, about 18 inches square, landed right behind him as he fled.

Young Melton suffered a cut under his chin, and bruises all over both legs. The next morning he was painfully aware of bruises all over his body.

But not to be easily frightened, the two dynamiters came back after lunch and spent the afternoon blasting down the two large chimneys.

The charge of dynamite which wasn't exploded before the tower fell and buried it, was found Wednesday afternoon and placed in safe keeping. There is a possibility, however, that some of the caps may have been spilled when the men dashed for safety Friday morning. These caps can be detonated by a heavy blow as well as fire, and the blast from them is sufficient to blow a hand off should one be holding them.

The origin of the fire is unknown. Mr. McKinley thought the fire was on the first floor first. Dewayne Horn had 2,000 four-week-old chicks on the second floor where one might suspect the oil brooders of starting it. Mr. Nellans had just had the building rewired a week ago, but still wiring may have caused the fire. There was no insurance on the young chicks, and Mr. Nellans didn't have enough insurance to compensate for his losses.

M. F. Todd had 7200 pounds of balsam wool stored in the building. This loss totalled about \$360. Various reports have been circulated that other people had equipment stored there, but the above is the only one reported by Mr. Nellans.

Mr. Nellans did manage to salvage some of the chicken pickers and one compressor. About \$50 worth of live poultry and a \$2100 freezing unit that had just been installed, were totally destroyed.

M. O. Mentzer, local real estate dealer, this week sold a seven-acre plot of ground, just west of the Winona railroad at the north edge of town, to Mr. Nellans where he plans to rebuild his dressing plant. For the present, he has no plans to announce regard-

ing the land where the building burned.

Firemen fighting the blaze remained on duty all night and most of the next day. Mr. Nellans appreciated the work of the firemen and has plans of partially showing his gratitude in the very near future.

It appears to be very unfair that there is no means of compensating the firemen for their hard work. Many of them either lose the time taken from their jobs, or their employer pays them their salary while away from the job fighting fires. There's no question but that their compensation of six to fifteen dollars a year is far too low.

MENTONE READING CLUB

Mrs. Ora McKinley was hostess to the Mentone Reading Club Wednesday evening, April 10.

The president, Mrs. Arley Culham had charge of the business meeting, after which Mrs. Walter Lackey, program chairman, introduced the M. H. S. Quiz Kids, the Misses Sally Hoffer, Madeline Holt, Jennie Hall, Monna Lou Darr, Jody Culham and Bonnie Emmons.

The girls gave some very interesting answers to questions concerning the Louisiana Purchase of 1803. The quiz introduced the club to a moving picture, "The Romance of Louisiana," shown by Dale Kelley and his assistant.

Mrs. Wayne Tombaugh and Mrs. F. B. Davison assisted the hostess in serving refreshments.

YOUTH GROUP MEETS

The Youth Fun and Service Group of the Methodist church met with Shirley Igo Tuesday night. The meeting opened by singing two songs. Mrs. Simmons led in prayer and all prayed the Lord's Prayer. Janet Reed gave the lesson on Santa Mission in Liberia. Games were played and delicious refreshments were served to 16 present.

MARION GRIFFIS BURIED HERE ON SUNDAY

Marion Griffis, 81, a retired farmer, died at 5:15 p. m. Friday. Death followed an illness of five months due to carcinoma.

Mr. Griffis was born north of Mentone June 21, 1864, the son of Zachariah and Sally (Johnson) Griffis. He had lived all of his life in Mentone and vicinity. In 1886 he was married to Ida Webster, who survives.

Other relatives include a son, Milo Griffis, of Mentone; two grandchildren, Mrs. Isabelle Holbrook of Warsaw, and Gilbert Griffis of Mentone; four great-grandchildren; a sister, Mrs. Esther Borton, of Mentone; two half-sisters, Mrs. Agnes Baker and Mrs. Leora Baker, both of near Warsaw, and a half-brother, Lyman Griffis, of Churubusco. A daughter preceded him in death.

Funeral services were held at the Reed funeral home Sunday afternoon at two o'clock, with Rev. Silas Hill officiating. Burial was in the Mentone cemetery.

ALUMNI ASSOCIATION FORMED

At a meeting Monday evening, April 15, an alumni association was formed for the local high school. It was decided, under tentative arrangements, to hold a banquet Saturday evening, May 11, 1946, at the community building, with this year's graduating class guests of the association.

All graduates of Mentone High School along with husbands, wives, boy-friends or girl-friends, will be eligible to attend. Every effort will be made to notify all graduates by mail, but names and addresses are sometimes difficult to find. Should you not receive an invitation by May 1, please notify Dale Kelley, principal of the high school, or any of the following Alumni Association officers: Robert Tucker—president, H. V. Johns—Vice President, Gertrude McClane—Secretary, Elmore Fenstermaker—Treasurer. Be sure to watch for further announcements regarding the Alumni Banquet.

MADE SOLO FLIGHT SUNDAY

George Irvin Mollenhour made his solo flight in a plane at the Herendeen airport Sunday afternoon. Dale Tucker was the licensed instructor to give him the signal for his first tour into the skies alone.

COMMENCEMENT EXERCISES HERE SATURDAY EVENING

(School Reporters)

The Commencement exercises at the Baptist church Saturday night promise to be well worth attending. The speaker of the evening, Dr. H. L. Overdeer, of Indianapolis, is well known in this locality. We guarantee that you will hear an inspirational and a stimulating address. Greater care than usual has been exercised this year in the selection of a speaker.

The program will begin at eight o'clock.

IGO—NINE

Last Friday afternoon at 1:30 in the Methodist parsonage Miss Maxine Nine, daughter of Mr. and Mrs. Hollis Nine, of Burket, and Miles Igo, son of Mr. and Mrs. Ernest Igo were united in marriage.

The double ring ceremony was performed by Rev. Simmons.

The only attendants were Mr. and Mrs. Dean Nellans, Jr.

The young couple had a wedding trip through southern Indiana and are now at home with the groom's parents.

Miles served about 32 months with the navy and is now engaged in the grocery business with his father.

MRS. COPLEN DIES

Mrs. Charles E. Coplen, 74, of New-castle township, died Thursday afternoon at 2:00 p. m. in the Ewing nursing home in Rochester. She had been in failing health for several years, and seriously ill for one week.

A life resident of Fulton County, she was born November 15, 1871, the daughter of Morgan and Diana Kraft. Her maiden name was Amanda M. Kraft.

In a ceremony performed March 27, 1890, she was married to Charles E. Coplen. Mrs. Coplen was a member of the Gleaners Lodge of Talma.

Survivors are the husband, two sons, T. R. Coplen, of Sioux City, Iowa, and Herman Coplen, formerly of Rochester; four grandchildren and two great-grandchildren.

The funeral was held Sunday afternoon at 2:00 p. m. in the Zimmerman Bros. funeral home in Rochester with the Rev. Harry J. Bailey in charge. Burial was made in the Reichter cemetery near Talma.

FEDERATION OF CLUBS

On Tuesday, the Federated clubs of Kosciusko county met at the Methodist church in Mentone, as guests of the Mentone Reading club.

Mrs. T. J. Clutter, president of the county federation, presided.

Reports of county chairmen and other business was handled during the morning session.

The High School Girls Chorus, under the direction of Mrs. Sheeley, sang a group of songs.

At noon a delicious luncheon was served to about 80 ladies in the church basement by the Methodist ladies.

An all musical program, under the direction of Mrs. Maude Snyder, was presented in the afternoon. The program consisted of vocal and piano music by Mrs. Snyder's pupils and was thoroughly enjoyed.

EASTER PICTURE AT METHODIST CHURCH

This Friday at 3:00 an Easter picture will be shown in the basement of the Methodist church in connection with the school. Mr. Kelley will have his machine which will be appreciated by all. This is also for the public so be sure to be present at this Good Friday service.

MRS. ORA HORN DIES

Mrs. Ora Horn, aged 67, passed away Tuesday at 10:15 a. m., the victim of cancer and complications. The funeral, in charge of the Foster Funeral home of Rochester, will be held in the Talma Methodist church at 2 p. m. Friday. Rev. Daniel Slaybaugh will officiate, assisted by Rev. Koontz.

RICKEL—BLUE

L. A. Rickel and Fern Blue were married Sunday afternoon at the home of Rev. E. E. DeWitt at Larwill. The ceremony was performed at five o'clock.

Mr. and Mrs. Rickel plan to reside at the farm home just south of Mentone.

CLAYTON CLUTTER NOW HAS SHIP COMMAND

Dr. T. J. Clutter stated Thursday that his son, Clayton, had been given command of a transport ship and will leave soon on a trip to China.

Mrs. Clayton Clutter and children arrived in Mentone Wednesday afternoon after spending the winter with Mr. Clutter.

NATIVE OF MENTONE DIES AT HOME NEAR BOURBON

Allen Laird, 77, former Kosciusko county resident, but for the past 47 years a resident of south of Bourbon, passed away at his home Sunday evening at 6:30 o'clock, after a four-day illness due to heart trouble.

The deceased was born near Mentone September 22, 1868. He was the son of John and Mary Alden Laird, pioneer Kosciusko county residents. He was united in marriage to Maude Jordan, who survives, on December 30, 1897. He was a member of the Summit Chapel Methodist church and a farmer by vocation.

Besides the wife, he is survived by a daughter, Mrs. Elmer H. Gates, Houston, Texas; two brothers, Herbert, of Bourbon and John F., of Mentone; three sisters, Mrs. Laura Horn and Mrs. Minnie Anderson, both of Rochester, and Mrs. T. F. Laughran, Santa Clara, Calif., and two granddaughters.

The funeral was held at the Summit Chapel church at 2 p. m. Tuesday, Rev. Donald Koontz officiating. Burial was made in the church cemetery.

MENTONE NOW HAS AIRPORT AND FLYING SERVICE

Allen (Chick) Herendeen and Dale Tucker, this week announced officially that they have arranged for a regular charter and flight instruction service at Mentone. The airport, located on the Herendeen farm south of town, has been approved for many months, and Chick has been giving flight instruction to a number of individuals although the fact had never been publicly announced.

Recently, Dale Tucker, with several years flying experience also, joined Mr. Herendeen in this worthwhile endeavor. Citizens are indebted to these men for supplying this necessary service to the community. Flying service, and flying experience and ability are now primary factors in a town's possibility of survival or an executive's qualifications.

Mr. Tucker served five years training pilots for the army air forces and has hundreds of hours service in transport work throughout the world. Mr. Herendeen has been flying for years and is capable of doing safe flight instruction.

The boys invite the citizens to visit the airport at any time, and take a ride in either of the two planes now on the field.

Faster Hay-Raking

To rake an acre of hay with a team of horses took 42 minutes and cost \$1.05 as compared to 30 minutes and 75 cents an acre with a tractor-drawn rake, according to a timed study of haymaking in New York State.

African Violet

The African violet is an easy flowering house plant to grow. You can start it with a leaf and a small piece of stem attached to it. Root this in a pot of sand. Pot it in soil as soon as it has rooted.

Spray or Dust — For 'Peace' In the Garden

—Photo Courtesy Ferry-Morse Seed Co.

Watch for destructive insects as soon as the first little leaves poke through the soil in your garden. They are unusually ravenous for tender young foliage, shoots, and buds, and the smart gardener will be on hand with the proper control even before the pests show up.

Two types of insect are well known nuisances—those that suck the juices or sap of the plant, as aphids or plant lice, and those that chew or bite off bits of the plant. The work of the first is seen in general droopiness and unhealthy appearance of the plant; the work of the second shows up in actual riddling of the leaves and other plant parts.

For sucking insects the spray or dust must hit and cover the insect, actually smothering it. Stomach poisons are required for destroying chewing insects. The material is dusted or sprayed thoroughly on all surfaces of the plant so as to make a deposit. When the insect starts to eat the plant, it also takes in some of the poison and is killed.

Either dusting or spraying can be effective if properly done with a good insecticide. Now that the war is over, many of the old brands and various new ones will be plentiful. You may want to adventure with some of the new ones, but always follow directions. In small gardens dusting is perhaps even easier than spraying. Here's a simple apparatus for applying insecticide dust which you yourself can easily prepare:

Take a square of cheesecloth, a strong string, and a slender stick. Spread the cheesecloth on a flat surface and pile the insecticide dust in

the center. Gather the cloth by the four corners and tie the string securely around it, leaving the contents resting loosely inside.

Hold the bag with one hand directly over the plant and strike it gently on one side with the stick (see illustration). Part of an old broom handle will do nicely. The dust should cover all parts of the plant. It will stick better if put on when the plants are moist with dew, rain, or water from the hose. Do not put it on just before a shower or your work will be useless. By taking a little extra care, the dust will reach the under side of the leaves as well as the upper surfaces. It is important to choose a day when no wind is stirring.

If you spray instead of dust, see that the leaves and other parts of the plant are dry so that the solution will not be diluted as it strikes the surface. A hand spray with a glass jar attached is simple to use. The glass can be readily cleaned after using, and strong solutions cannot corrode it as they might a metal container. In using a spray, the same as with a dust, be sure to reach the underside of the foliage where insects are even more likely to be feeding than on top.

TOP JUDGING TEAM

The Beaver Dam 4-H club team captured the county 4-H judging contest at Piercetown Monday night and earned the right to represent Kosciusko county in the district contest at Jimtown in Elkhart county on May 2. It was announced Tuesday by Cliff Breeden, assistant county agent.

The Beaver Dam group scored 2,337 points out of a possible 2,400 to nose

out the Piercetown team by a small margin. Members of the winning outfit include Herbert Ummel, Everett Earl Rookstool and Freddie Haney. Richard Ummel, the adult club leader, was coach.

The fire department was called to the Chauncey Goodman home Saturday to extinguish a roof blaze. Chauncey had the fire pretty well under control with a garden hose when the department arrived.

NOTICE TO EGG SHIPPERS

Shipping regulations are very rigid and the egg cars must be loaded according to those regulations. This problem, oftentimes, necessitates loading either an extra car, getting several cases from neighboring cars, or trucking some of ours to another shipping point. All other egg car managers are faced with the same regulations and problems, and they all must know early in the afternoon about how many cases they will have for shipment.

In view of the above circumstances, it is imperative that all shippers have their eggs to us by four o'clock Saturday afternoon.

Your cooperation in this matter will be appreciated and will aid materially in solving our shipping problem.

**LADIES TAKE OVER
LIONS CLUB MEETING**

I'm not certain whether I'm going to get away with this or not—after what happened Wednesday evening—but I'll make a valiant attempt to give you a little news story of the Lions Club meeting held Wednesday evening.

The Lions members arranged a fish fry for the ladies and they did a swell job. Everything was as smooth as a glass eye until the business session started. Lion President Mollenhour hit the gong a hefty stroke with his polished gavel and with a determined face rose to face his guests. Before he got half the stretch out of his suspenders, Mrs. Mollenhour shoved him back in his seat with a gentle but firm shove and as words started flowing from her mouth one could quickly see she had the situation well in hand. Lion Earl Nottingham was called upon to give an

impromptu address of welcome to the ladies, but as he never could think while on his feet, he held his dinner pose. He wasn't doing so hot, there, either, but as he slowly gathered momentum to rise, Mrs. Nottingham put him back into neutral and she took over. Mrs. A. I. Nelson was called upon to give the response, but Arthur, with the usual safety factor of a banker, took no chances and did it himself. His eulogy on the role the feminine exponents of all kindly virtues played in the life of man was well placed but rather thick for even one with a full set of new store teeth.

By this time all the Lions were fully aware of the fact that not all the fish had been fried.

Secretary Bybee was called upon to read the minutes of the last meeting, but he was put back in his seat so quickly his shining "countenance" appeared like a new golf ball bouncing

A WINNERS SERIES, NATIONAL POSTER CONTEST
Sponsored by the Chicago Motor Club

APRIL
Issued by CHICAGO MOTOR CLUB

"Obey Traffic Signs" is the subject of the April school poster, being distributed to more than 38,000 classrooms in Illinois and Indiana by the Chicago Motor Club. The poster emphasizes pointedly one of the major causes of pedestrian fatalities. Instruction sheets accompanying the poster enable teachers to use the safety lessons to the best advantage for pupils of all ages in various localities.

in the rough. The minutes that were read skittered across the border of truth on one or two occasions, but one could easily discern a mind wandering through the fog of a twenty-percent hangover. No alterations or corrections were attempted. The roll call was in order except that the usual first names were substituted with the names one seldom hears, such as Moses, Larose, Dewain, Liberty, Orrin, Hayes, etc. A Lion who couldn't recognize his own name got nicked for a dime or so for the cancer fund. The pianist and song leader, too, were pushed aside for the feminine version.

By the time the ladies got through running things, Chance was so tangled up he said we were the eat fishinist bunch he'd ever seen. He did manage, though, to introduce the guests and present Dr. Ward, of Purdue university, who gave a short talk on flowers and gardening. A picture on timbering in the northwest was shown, through the

BETHLEHEM YOUTH PICNIC

The Bethlehem Baptist Youth Fellowship was entertained in the home of Miss Frances Berrier Wednesday evening. The meeting was opened by singing several songs. A business session was held and Donald Long was in charge of the lesson. The Lord's prayer was repeated in unison.

The group then went along the Tippecanoe river at Talma and enjoyed a weiner roast.

Guests present were: Mr. and Mrs. Herman Haines, Harold Long, of Columbia City, Miss Ruth Floor and Junior Floor, of Disko, Barbara and Dick Duzenbury, Carol and Donald Long, Robert Peterson, Frances Clifford and Donna Jean Morris, Julia Owens, Betty Nichols and Herbert Myers.

BOY SCOUT NEWS

Last Sunday the scouts of troop 58 went to the scout reservation to plant trees. It started raining so we started home.

When we arrived home we went to the home of Junior Emmons for a surprise birthday party on him.

Those present were: Junior Emmons, Floyd Nicodemus, Dave Johns, Max Friesner, Jack Riner, Don Peterson, Carl Peterson, Tom Fitzgerald, Jim Mollenhour, a guest from Atwood troop 59 Eddie Creighton, the Scoutmaster Noble Oyler, Don Emmons and Ralph Mollenhour.

If you want to know how surprised Junior was, ask any of the ones above.

The following members were present at the troop meeting Monday eve-

ning at the school building: Roscoe Davis, Tom Fitzgerald, Junior Emmons, David Johns, David Cooper, Donald Peterson, Dick King, Max Friesner, Donald Coleman, Jack Riner, Jim Nuell, Carl Peterson, Jim Mollenhour, Lloyd Nicodemus, Walter Smith and Scoutmaster Noble Oyler.

There were 10 who went to Sunday School. There is not very much order in the scout meetings although the scoutmaster tries very hard to keep order.

TALMA JUNIOR CLASS ENTERTAINS THE SENIORS

The Talma high school junior class entertained 11 seniors and 13 guests at a reception recently at the Coral Gables Inn, Plymouth. The tables were beautifully decorated with a colorful Mexican centerpiece and beautiful green and orange candelabra completed the attractive tables.

After the delicious three-course steak dinner the junior class president, Carol J. Cooper, gave a welcome to the senior class, with the senior president, Julia King giving the response. Mrs. Phillip Parker favored with a piano selection after which Lillian Ridenour sang "Personality". Mrs. Edith Bailey gave a reading and the short program was concluded with the high school principal, Mrs. Dessa Fultz, giving a short talk. The group then attended the theatre as guests of the junior class.

Mr. and Mrs. Lloyd Creakbaum called at the Ora Leech home northwest of Akron, Sunday. Mrs. Leech is in very poor health.

TAILLESS BULL

A calf was born Thursday night, April 11, on the farm of John Inman, R. R. 1, Rochester, without any semblance of a tail. Otherwise the bull calf is perfectly normal. Its dam and sire are both registered Ayrshire.

The Inman farm is located three and a half miles southeast of Rochester on the Wabash road. Many persons visited the farm to view the freak calf.

MENTONE MUSICIANS MAKE
FINE SHOWING AT MUSIC MEET
(School Reporters)

Last Saturday was the day for the annual Band, Orchestra and Solo contests. As usual, Mentone high school was represented and made a very creditable showing. The band as a group, was placed in the second division. Since this was lower than the placing of former years, it might be well to look into the reasons.

From the comments made by the judges, it would seem that we are in

need of a greater instrumentation. Next in line would be a greater determination on the part of each individual not only in the few weeks preceding the contest but throughout the entire year. However, the rating received by the band is not to be despised. Many others in this section would gladly accept such a place. Indeed, the comments of the judges were most flattering.

In the other contests, Bedella Belle Weirick won first in the cornet solo contest; Shirley Nettroer was first with her flute solo and Norbert Darr was first with a saxophone solo. David Johns finished second with his cor-

net solo and Malcolm Long was also second in the trombone contest. The clarinet quartet, composed of Violet Friesner, Dorothy Egolf, Freeda and Ellen Lee Kesler, had to be content with a second.

The state contest will be held April 27th at Nappanee.

FAST TIME NEXT WEEK

Effective at midnight on Saturday, April 27th, Mentone will operate on Daylight Saving time. At a special meeting of the Mentone Town Council Wednesday evening, the following resolution was adopted unanimously by the board:

"Whereas, in order to provide the town of Mentone and surrounding community with the same operating time as neighboring towns and cities, be it resolved that beginning at twelve o'clock midnight Saturday, April 27th and ending Saturday, September 28th, 1946, all clocks be advanced one hour to comply with Daylight Savings time."

The members of the council, prior to the meeting, had contacted many of the citizens and found, almost without exception, that the change in time was preferable than remaining on Central Standard time.

Burket On Fast Time, Too

The Burket town board met Thursday evening and a resolution was passed placing their town on Daylight Savings time, starting at midnight Saturday night.

SOFTBALL PLAYERS SHOULD REGISTER WITH SECRETARY

All those interested in playing softball this summer are advised to send their name, address and phone number to Miles Igo, secretary of the Mentone Softball Association, not later than Saturday, May 4th.

Registration now is necessary so that the teams can be arranged. It hasn't been definitely determined how the teams will be formed, but the problem will be much easier when the number of interested players is known.

MARRIED

Sunday afternoon at 2:00 in the Methodist church, amidst Easter lilies and spring flowers, Dale Blackford of Tippecanoe and Beverly Lozier of Bourbon were united in marriage by Rev. Simmons in a double ring ceremony. Mr. and Mrs. Wayne Ellinger of Bourbon, were the attendants. The newlyweds will live in Tippecanoe.

CELEBRATE GOLDEN WEDDING

Mr. and Mrs. Harland Rallsback celebrated their golden wedding on Sunday, April 14th, with a pot luck dinner at noon for the family and open house from two to five in the afternoon. Dinner was served in the basement of their recently remodeled home. About 40 guests partook of the bountiful repast.

Mrs. Claud Senour expressed our thanks in a beautiful, sincere and reverent prayer.

After the dinner, to which each tried to do justice, the guests were invited to the living room where songsters from the group sang, "The Old Gray Bonnet," "When You and I Were Young, Maggie," and "Silver Threads Among the Gold." Mr. and Mrs. Rallsback then opened the many beautiful and useful gifts, among which was found the traditional horn of plenty and the chest of gold. Also a set of eight-service silverware was presented by the three children, Don, Thelma and Muriel, as a cherished gift. A beautiful pocket-book house plant was presented by their two grandchildren, Sue and Captain Snyder, and many other very attractive gifts. The two large, beautifully decorated wedding cakes were then cut and served to the guests, on white and gold paper napkins. About 65 guests called during the day, among them the noted Miss Alice Edwards, now 86, the aged seamstress who made the wedding dress 50 years ago.

Bouquets of flowers, greetings and messages were received by the couple, making it a very happy and memorable occasion.

PEDDLERS ON THE LOOSE, AGAIN

Mentone was introduced to a new peddler's racket Thursday. It seems that the Merchant Marine was selling magazine subscriptions. Each magazine, according to the representative's story, has certain point values, and if he gets so many points within a certain period of time, the Merchant Marine will raise his salary about two hundred bucks.

Anyone, with a little thought, knows that the federal government does not base its pay schedule on a person's ability to sell magazine subscriptions.

Citizens, whenever confronted with strange representatives with strange tales, should contact the marshal and see that the operations cease among our neighbors and friends.

BEN BAKER PASSES AWAY

Benjamin Sills Baker, of near Mentone, passed away Saturday, April 20, at the Ewing nursing home at Rochester, where he had been a patient since Dec. 19. Death was due to carcinoma from which he had suffered for two years.

He was born in Miami county, Indiana Feb. 27, 1884, the youngest son of Henry and Laura Baker. On March 25, 1940 he was united in marriage to Miss Mary Norman of Mentone. He is survived by his wife, his aged mother of the Peabody home of North Manchester, two children, Raymond of Leslie, Ark and Mrs. Harold Welling of St. Clairsville, Ohio; four grandsons, two brothers, Verli of Alberta, Canada, and Tim of Rochester, and a host of relatives and friends.

Funeral services were held at the home at 2:30 Monday afternoon, conducted by Rev. S. M. Hill, assisted by Rev. A. G. Simmons of Mentone. Music was furnished by Mr. Orven Helgway and daughter. Burial was at the Mentone cemetery, in charge of the Reed funeral home.

ALUMNI PROGRAM AND BANQUET COMMITTEES NAMED

Announcement is made of the following committees to assist preparations for the Mentone High School alumni banquet Saturday evening, May 11, at 7:00 p. m.

Program and Entertainment: Vance Johns, chairman; Charles L. Manwaring, George Clark, Mrs. Eileen Fenstermaker, Mrs. Marie Coleman, Elmore Fenstermaker, and Mrs. Pearl Lackey. Banquet and Decorations—Robert Whetstone, chairman; Mervin Jones, Mrs. Robert Kinsey, Everett Long and Mrs. Jean Paulus.

Banquet tickets are to be \$1.25 each. Announcement will be made soon as to where they will be available for purchase. An excellent dinner and program are being planned and those in charge feel sure that it will be an event no graduate of Mentone High School will want to miss.

FORMER RESIDENT DIES

Sylvia Rose (Vandermark) Young, 43, daughter of Mrs. Mary Vandermark, Mentone, died at Servia Saturday morning. Death was due to dropsy and acute heart trouble. She had been ailing for about two weeks but had been bedfast but two days when death came.

Mrs. Young was born at Mentone, attended Mentone school and was a member of the Baptist church.

Surviving besides the mother is the husband, Henry, and nine children, all at home except one son in naval service; one sister, Edith, of near Mentone; two brothers, Orville and Earl Vandermark, of Mentone.

Funeral services were held at Servia Tuesday afternoon and burial was near there.

DRIVER ESCAPES WHEN TRUCK IS WRECKED

Dean Hively, driver for Ralph Barton, virtually escaped uninjured Friday morning from one of the worst looking crash wrecks we've seen in a long while. The wheels were torn from the truck, the bed completely torn off, the cab crushed almost together, and otherwise completely mangled. Hively remained in the truck cab until it came to rest in soft mud and was still able to crawl out and fall to the ground. He suffered a few minor bruises and cuts, but nothing compared to what one would suspect after looking at the wrecked truck.

The accident occurred when Hively attempted to pass another car and went off the highway, broke off a tree more than a foot in thickness.

GOODMAN - HEETER MARRIAGE

On Easter Sunday at two o'clock occurred the marriage of Vinson Goodman and Miss Margaret Heeter. The double ring ceremony was read by Rev. S. M. Hill at his residence in the presence of Mrs. Dora Goodman, Vinson's mother; Mr. and Mrs. Orville Ervin and Mrs. Hill.

The bride wore navy blue with black accessories.

The young folks will reside with the groom's mother.

Society security costs of more than \$100 million annually in Indiana surpass expenses for any other service provided by government and are 25 per cent greater than the amount spent for education, the above chart prepared by the Indiana State Chamber of Commerce shows. Education, until recent years, ranked No. 1 in Hoosier governmental expenditures.

Proposals embodied in the Wagner-Murray-Dingell omnibus social security bill now under consideration in Congress would boost Indiana social security costs another \$180 million annually, chamber research reveals.

The Indiana chamber, joining with thirteen business groups of other states in testimony before a congressional committee, recently expressed "no objection" to extension of old age insurance to domestic employees and other groups not now covered. The

chamber advocated improvement of the social security system step-by-step as conditions warrant, but warned against "abuses and excesses of social experimentation."

Plunging into a social security program greater than the ability of the nation to carry will result not in social security but in social catastrophe and disappointment for millions of citizens, the chamber has pointed out.

Nearly \$90 million of the current \$100 million annual cost of social security in Indiana is accounted for by old age and survivors insurance, unemployment compensation and the joint federal-state-local public assistance program. The remaining \$10 million is composed of costs for township poor relief, public health services, state benevolent institutions and miscellaneous programs, the state chamber reports.

ENTERTAINS SECOND GRADE

The second grade students were entertained by their teacher, Miss McFarren, at a weiner roast last Friday noon.

The group marched from the school building to the Artley Cullum home, where they found weiners, buns, deviled eggs, pickles, potato chips and a lovely birthday cake, baked for Janice Nelson by her mother, Mrs. Delford Nelson.

On the return trip, the group stopped at the drug store where each one received a Frigle bar as the final treat. Everyone had fun!!

MASS "BELLING" AT MENTONE MONDAY NIGHT

Monday evening was a hilarious evening at Mentone, when a local group decided it was about time they caught up on their charrivaring. The event started at the Wise home, and the neighbors and friends of Mr. and Mrs. Lloyd Rickel, decided to take them for a ride on a flat rack behind a tractor. "Rick" was playing possum until a shotgun let loose outside his window and then he decided the republicans must have won the election and the jig was up.

In short order the gang picked up Mr. and Mrs. Miles Igo, Mr. and Mrs.

Dean Nellans, Jr., Mr. and Mrs. Wayne Bowser, Mr. and Mrs. Eldered Paulus, Mr. and Mrs. Robert Kinsey and Mr. and Mrs. Harold Linn, all of whom had so far escaped the gangs of noisy but hungry well-wishers.

Milo Fawley, whose tailor can always fit him regardless of how he gets mixed up when he puts the measurements down on the order, fell backwards in a load of shelled corn and was almost anchored for good. Rick, riding along smoking his pipe and wearing that pre-cancelled expression, said it was just a bunch of kids.

Everyone had a real evening and when it ended everyone had their pockets filled with treats.

**Companion Trees**

Since apple trees depend upon "companion" or pollinator varieties for good pollination, the trees of any one variety should not be planted in large solid blocks. Where such blocks are established, grafting and the use of bouquets from suitable trees at blossoming time, are suggested as temporary remedial measures.

Citrus Vitamin

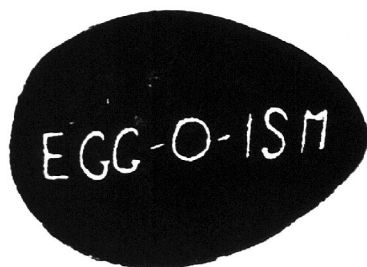

If breakfast citrus juice is squeezed the night before as a time saver, keep it cold and covered, remembering that the less air space there is between juice and container top, the better for vitamin C. With these precautions, citrus juice will lose little of its most valuable vitamin, even if stored for 24 hours.

Developed Hybrid

Only a year and a month after a wild tomato was crossed with a commercial variety at the Inter-American Institute of Agricultural Sciences at Turrialba, Costa Rica, American troops in the American tropics were eating quantities of fruit from the new hybrid tomato, "Turrialba"—which, for want of a name, is its designation. This almost unprecedentedly quick result followed a combination of good luck, good management, wartime pressure for food, and the rapid growth of plants in tropical areas. The new tomato is one of the first fruits of Latin American co-operation at the institute.

Poultry Management

Egg prices in 1945, which were the highest since 1920, encouraged farmers to take better care of their laying flocks, and the highest chicken prices in 37 years of record, with the exception of 1920, encouraged farmers to cull closely and sell off the weak and undesirable layers.

Clipping Trickster

The single clipping sharks are a hardy breed and are reported busier than ever. Before the war these cheap tricksters bought up hundreds of small town newspapers, mailed penny postal cards to everyone mentioned in the social news columns that they had a "clipping of interest to you mentioning you by name" which could be secured for 25 or 35 cents. The cards were mailed in New York or Washington naturally leading to the inference that the news item had appeared in some great metropolitan daily. The clipping on arrival proved to be nothing more than some trivial social item in the local hometown paper which the victim himself had probably sent to the paper weeks before.

Purchasing Power

From 1925 to 1934, the average annual income per worker—in dollars of equal purchasing power—in the United States was \$1,381; in Canada, \$1,337; in the United Kingdom, \$1,069; in Australia, \$980; in Norway, \$539; and in Mexico, \$360.
