NOTICE TO SOFT-STUDENTS PLACE IN BALL ENTHUSIASTS MUSIC CONTEST

Seven students from our high school band participated in the contest at tributors of last year, are invited to Tt. Wayne Saturday. Illness kept 4 attend a meeting on Wednesday evenstudents from taking part in the con- ing, April 9, at 7:30 o'clock. test.

Our placings follow:

Malcolm Long, Trombone, 1st in Group 3, Nerbert Darr, saxophone, 1st in group 3, Jennie Hall, cornet, 2nd group 4, Shirley Nettrouer, 2nd in group 4, Ruth Baker. E flat clarinet. 2nd in group 4. Mona Lou Darr, B flat Clarinet, 2nd in group 4. Carol Peterson, Cornet, 2nd in group 5.

#### WINS NEW BICYCLE

Friends here are happy to learn that Gerald Stoner is the owner of a brand new bicycle which he won on the Jack Armstrong "Name Your Bike" radio program. Gerald's winning name was 'Champion Hustler."

Gerald is the son of Rev. and Mrs. Vistor Stoner, former residents now residing in Pierceton where Rev. Stoner is minister of the Methodist church.

#### AGGRESSIVE MERCHANTS HERE

The people of Mentone and vicinity can feel proud and fortunate that the merchants of the town are really trving to make Mentone a real trading center. All of them are constantly striving to secure quality merchandise at the lowest possible prices, and the adds that appear in the Co-Op. News from week to week, when compared with prices and quality of merchandise advertised in competing papers, clearly indicates that you can do as well or better in Mentone. Check the advertisements carefully every week.

#### CLUB CALENDAR

Mentone Home Ec. Club Wed. Apr. 9 at home of Mrs. John Laird. The county president, Mrs. Ida West, will be present. Seed and bulb exchange. Mentone Reading Club Wed. eve. Apr. 9, at home of Mrs. Fred Lemler. Am. Legion Auxiliary Tues, Eve. Apr. 8, 8:00 o'clock at school building.

Mr. and Mrs. Fred Swick have returned to Mentone after spending the winter in California.

All those interested in the 1947 softball program, both players and con-

#### MAURICE PAXTON GIVEN SUSPENDED PRISON SENTENCE

Maurice Paxton, 35, Monday plead guilty to charges of grand larceny in circuit court and was given a suspended one-to-10 year state prison term by Judge John A. Sloane.

The defendant in the theft of 130 bushels of corn, has been in numerous other escapades of a similar nature the past several years and Jan. 31, 1944 he received a suspended sentence for stealing an automobile belonging to Linus Borton, of Mentone.

#### D. A. R. ENTERTAINED

The Anthony Nigo Chapter of the Daughters of the American Revolution met at the home of Mrs. Rex Parker on March 25th. business meeting

Following the which was conducted by the regent, Mrs. Eileen Fenstermaker, Mrs. Dora Taylor was presented, who was chairman of the program. Her subject was "Early History of Indiana." Mrs. Taylor was assisted by Mrs. Orpha Blue, Mrs. Stanley Boggs and Mrs. Miles Manwaring.

During the social hour, Mrs. Parker, asisted by Mrs. Ernest Igo, served delicious refreshments.

The next meeting will be held at the home of Mrs. Lydia Sanders, in Warsaw on April 22nd. Mrs. Zadie Kesler is the assisting hostess.

#### CELEBRATE WITH SUPPER

On Saturday evening the Legion basketbal boys and their wives enjoyed a pot-luck supper at the Guido Shirey home. The occasion was in celebration of the winning of the county tournament by our Legion team. Those present were: Mr. and Mrs. Dale Wiltrout, Mr. and Mrs. Miles Igo, Mr. and Mrs. Dean Shirey, Mr. and Mrs. Deverle Jefferies, Mr. and Mrs. Dale Wallace, Mr. and Mrs. Corlyle Paulus, Mr. and Mrs. Eldred Paulus, Mr. and Mrs. Guido Shirey.

Indications are that the 1947 crop of magazine salesmen includes some that have never heard of that thing called principle. In former years, ever so often a crew of "skirts" would drift into town, pat a few bald heads and otherwise incite the coarser lavers of decrepit old men to the point where were still they got the idea they prancing lotharios and sell subscriptions whether the guy could read or One could easily recognize these not. "ladies" when they hit town and there was no logical excuse for a man being taken in. However, times appear to be changing and the gents placed in the public library at Warhave gone in for low-brow selling tactics. Last week one skunk even went so far as to ask some of his "prospects" how much they'd give to get rid of him. He wouldn't leave without making a sale of some sort.

MORE MAGAZINE SALESMEN

Marshal Wagner gave these gentlemen the privilege of either leaving town of their own accord or traveling in the sheriff's car.

There are decent people selling for reputable firms, but the odds seem to be greater that the door-crasher shouldn't be permitted to enter the home.

#### LIONS ENTERTAIN

BASKETBALL GROUPS The Mentone Lions club was host to the Mentone and Beaver Dam basketball boys, coaches and principals, at the regular meeting Wednesday evening. Mr. Searing, coach at Culver, was the guest speaker.

#### SPARE STAMP 11

GOOD FOR SUGAR Spare stamp No. 11 became good for 10 pounds of sugar today as the sugar rationing program got a new sevenmonth lease on life from Congress. President Truman signed the extension bill late yesterday but reproved Congress for not voting the full year's extension he had requested. He said he would ask for another extension in the fall if the supply sit-

uation warrants. No. 11 was the first regularly issued stamp since sugar rationing began to carry an allotment of 10 pounds. Heretofore sugar stamps have been good for five pounds. The congressional extended bill guarantees housewives at least 20 pounds of sugar between now and Oct. 31.

An effort is being made by the National Society of the Daughters of the American Revolution to collect and preserve "Old Family Bible" records. As there are two D. A. R. chapters in this county, the project will be carried on by them. Agnes Pruyn chapter of Warsaw will take the towns north of the Pennsylvania Railroad and our local Anthony Nigo chapter will take the ones on the south.

Subscription-\$1.50 Per Year

D. A. R. COLLECTING RECORDS

'Absolute Power

-Lord Acton.

VOIANA

Copies of these records will be made and one will be placed in the beadquarters of the N.S. D. A. R. in Washington and the other will be saw.

Anyone having an old family Bible and willing to loan it to our chapter, may contact Mrs. Stanley Boggs or Mrs. Ray Rush. It will be well cared for and returned

-Anthony Nigo chapter D. A. R., Mrs. Ray Rush, chairman, Genealogical redords.

#### VETERANS ADMINISTRATION CONTACT OFFICE OPENS

The Veterans Administration Contact Office in South Bend, will be open Saturdays beginning March 29, 1947, Mr. Arthur L. Schlorch. Contact Representative in Charge announced recently.

The office has been closed Saturdays since March 1, when economy restrictions which limited employees to a 40 hour week also closed VA offices to the public on Saturdays. A survey showed that many veterans were unable to call at Contact Offices other than on Saturdays and so were deprived of service.

Authorization has been given for the staggering of work hours to keep the Contact Offices open six days a week. All other offices of the VA, including the Insurance Collections window, will be closed on Saturdays.

#### BUY LAKE TRAIL CAFE

Estil Smith and Walter Barkman are the new proprietors at the Lake Trail Cafe, after completing negotiations with Ray Dillingham, former owner.

Both young men are veterans of the recent world war.

THE NORTHERN INDIANA CO-OP. NEWS

STATE GEOLOGICAL DATA TO INCREASE UNDER NEW STUDY

geological knowledge in past years. Governor Gates, shocked to learn

Indiana's Division of Geology, for years little more than a "paper organization." will embark July 1 on a far-reaching program of scientific new industry here, asked and gained exploration of the state's natural resources.

Expansion of the division's work was made possible by action of the 1947 session of the Indiana General Assembly which, upon recommendation by Governor Gates, more than quadrupled the division's biennial appropriation.

Dr. Charles F. Deiss, state geologist for the Indiana Department of Conservation, said results of the Legislature's forward-looking action "will be ascertainable very soon.

One of the programs made possible by the Legislature will be systematic charting of the earth's substructure through use of the revolutionary airborn magnetometer, recently demonstrated in Indianapolis by the United States Geological Survey.

From the resulting substructure maps, Dr. Deiss said invaluable information will be gained concerning the state's natural resources; infor- be weakened and will not wear well. mation which to date has not been available due to the inadequacy of ist in clothing for Purdue University

additional funds for operation of the Geology division beginning with July 1.

#### SAFE WAYS OF REMOVING INK FROM SACKCLOTH

The soft sturdy cotton fabric of many flour and feed bags has long been used by thrifty homemakers for making everything from house dresses, aprons and children's clothes to bedspreads, draperies, luncheon cloths and tea towels. The higher prices of textiles and clothing this year make the use of bagging fabric a wise economy. The first step in using it is to remove the black printed letters that labeled the bag.

While the ink now being used for labeling bags is easier to remove, care should be taken not to injure the fabric. Many persons often use lye but in doing so, the cloth is likely to Miss Frieda Stoll, extension special-

tal-wise, has completed arrangements BREAKFAST PLANNED for the event, which will bring together motion picture stars, Governor Ralph F. Gates, Purdue University officials, Farm Bureau representatives, egg handlers, hatcherymen, farmers, and even the State Egg Queen.

Arrangements have been made to have the breakfast in the Travertine room of the Lincoln hotel and the first 450 of the nearly 1,700 persons to whom invitations have been extended, who accept will get to attend. The price is \$2.75 each, the committee reports, and reservations should be in the hands of L. A. Wilhelm, executive secretary of the State Poultry Association of Indiana, Lafayette, Ind. not later than April 2.

The breakfast program, with Hobart Creighton, Warsaw, nation's largest egg producer and speaker of Indiana House of Representatives, as toastmaster, includes these features: Governor Gates crowning pretty Phyllis Latta, Warsaw, age 17, as State Egg Queen. Her crown will be decorated with eggs and she will receive a scepter surmounted with an egg. A mes-

#### TEN REASONS WHY THE CHURCH OF. CHRIST IS WORTH INVESTIGATING

1. You may read about it in the Bible (Rom. 16:16).

2. It has no creed but the Bible, binds no name on its members but Christ's (Acts 11:26; I Pet. 4:16).

3. It speaks where the Bible speaks, is silent where the Bible is silent (I Pet. 4:11).

4. It exalts Christ as the only head of the church (Col. 1:18).
5. Its acts of worship are patterned after the New Testament (John 4:24).

6. It teaches that scriptural unity can be attained on all

disputed doctrinal questions ( I Cor. 1:10).

7. The church of Christ pleads for unity of all believers in Christ (John 17:20, 21).

8. It is not a denomination nor group of denominations, but the body of Christ (Col. 1:18). Its founder is Christ Himself (Matt. 16:18).

9. Its aim-to save souls by preaching the Gospel, teach Godly living, and help all those in need (I Cor 15:1-4).

10. Its future — eternal glory with Christ (I Thess. 4:15-17).

Wednesday, April 2, 1947

The annual finance roundup for Boy Scout work in Elkhart, Kosciusko and LaGrange Counties will be launched on April 14, it was announced today by Fred Priser, of Goshen, Area Finance Chairman for the Pioneer Trails Council

All parts of the three counties will be covered except Elkhart, Goshen and Wakarusa where Scouting is supported by local Community Chests.

All citizens will be given an opportunity to contrbute their support to scout work and to be enrolled as plus the insecticide, DDT, increased scout sponsors. More than 99% of the money raised will be used for the scout program and activities in the local area.

Scouting now offers a comprehensive program for all boys from nine years of age to manhood. The different phases of the program include Cub scouting for boys between nine and yielded 375 bushels, while those sprayed twelve years of age, Boy scouting for boys between twelve and fifteen years, and senior scouting for boys over fifteen. There are three distinctive Senior Scouting programs: Explorer scouting, Air Scouting and Sea Scouting.

Some local organizations of adults in each community will be selected to serve as local roundup sponsors. This organization will appoint a roundup chairman who will be responsible for

BOY SCOUT FINANCE ROUNDUP recruiting workers and conducting the campaign.

> The objective budget for the Pioneer Trails Council for 1947 is \$28,080.00. Of this amount, \$17,050.00 has already been raised by the three community Chests, \$12,500.00 was appropriated by the Elkhart Community Chest and \$4,500.00 by the Goshen Community Chest.

> PURDUE MAN CITES POTATO SPRAYING RESULTS

Spraying potatoes with a fungicide yields profitably in a series of twelve midwestern experiments in 1946, according to Dr. R. W. Samson, Purdue University Agricultural Experiment Station plant pathologist. Potatoes sprayed with DDT alone yielded an average of 332 bushels. Those sprayed with DDT plus bordeaux mixture with the insecticide, DDT, plus a new fungicide known as Dithane, yielded 406 bushels or 74 bushels more than where DDT alone was used. The differences would have been greater if dry weather had not prevented severe potato blight development, Samson reports.

Unfortunately, the new fungicide, Dithane, cannot be used as a dust. Some good new copper fungicides

are also available for use on home garden potatoes, according to Dr. Samson. ready-mixed dusts with five per cent DDT. Or they can be obtained for use as sprays. Usually, four pounds of the copper fungicide, plus two pounds of 50 per cent wettable DDT, are used in each 100 gallons of spray, or follow the manufacturer's instructions.

County agricultural agents have information available on the use of these various potato sprays and dusts. Growers' supplies should be obtained illness. or ordered at an early date, Samson suggests.

#### RURAL YOUTH GROUP HAS ANNIVERSARY FISH FRY

At a special dinner to celebrate the second anniversary of the founding of the Rural Youth club, in Kosciusko county. 86 members and guests enjoyed a fish dinner at the Beaver Dam school Monday evening.

Waldo Adams, president of the Kosciusko County Farm Bureau, was the main speaker of the evening and Geo. Cumberland ,chairman of the anniversary committee, served as toastmaster.

The new public address system, with record player, recently purchased by the club, was used for the first time and dedicated by the president, Howard Ganshorn.

The goals and projects of the rural movement were discussed by youth Miss Janalyce Rouls, home demonstration agent, and Cliff Breeden, assistant county agent.

Group singing was led during the evening by Mrs. Boyd Howard, former Farm Bureau social and educational leader, with Mrs. George Cumberland at the piano.

Special guests included Mrs. Waldo Adams, Mrs. Clifford Breeden, Boyd Howard, Philip Lash and Harry Mishler.-Warsaw Daily Times.

#### ATTEND CORONATION OF STATE EGG QUEEN

Among those attending the coronation of Miss Phyllis Latta, of Warsaw, as state egg queen Saturday at Indianapolis were Mr. and Mrs. Hobart Creighton, and Mr. and Mrs. Dean Marble of Warsaw; Mr. and Mrs. Robert Hogue of Silver Lake; Mr. and Mrs. Charles Manwaring, Mr. and Mrs. Max Nellans and Richard Manwaring of Mentone.

Miss Latta was queen of the Mentone egg show held here March 12, 13 and 14.

American Legion, Tuesday evening, April 15.

Lions Club, Wednesday evening, Apr 16. Ladies Night.

Royal Neighbors, Tuesday evening, April 15, 7:45, at the home of Mrs. Fern Rickel.

HEAR MILITARY MAN Subject of Compulsory Military Service to be Discussed.

PUBLIS INVITED TO

Captain G. O. Polley, Infantry, U. S. Army, will speak before an open meeting of the American Legion at the Mentone school house, on the evening of Tuesday, April 15, at eight o'clock. The subject will be "Universal Military Training.' Don Ernsberger, Commander of Mentone Post No. 425, American Legion, said today that Captain Polley will devote much of the evening to an extremely interesting motion picture. The public is cordially invited to attend.

Capt. G. O. Polley

Captain Polley is Unit Instructor for Reserve Corps units in Elkhart, Fulton, Kosciusko, Marshall, Pulaski, St. Joseph and Starke counties. He is a professional soldier and an entertaining speaker, Mr. Ernsberger said.

The local Commander also pointed out that two bills calling for universal military training, H. R. 1988 and S. 651, are scheduled for introduction in congress in June. "At that time," Mr. Ernsberger said, "the American people must make, through their representatives in congress, a courageous decision affecting the future of the United States and the future of every American boy." "For this reason," he said, "it was decided to ask Captain

Judge John A. Sloane has submitted a list of six counties-Elkhart, Noble, Whitley, Wabash, Fulton and Marshall-from which one will be selected for a change in venue in the \$20,000 judgment action of Hobart Creighton, as trustee, against Raymond S. and Dorothy E. Bare. The change of venue was granted to Mr. Creighton, who alleges that Mr. Bare embezzled \$19,-000 while treasurer of the Northern Indiana Co-Operation Association of Mentone and has refused to fulfill an agreement and surrender property assigned to Creighton, as trustee, to make good any shortages. A judgment of \$5,000 is sought for Bare's bonding firm and another \$15,000 in favor of the association, and it is asked that the Bares be required to keep their agreement and surrender their home, auto, bonds and insurance policies to liquidate the judgments.

CHOICE IN REPLEVIN CASE

SIX COUNTIES NAMED FOR

#### CAR FOUND IN CEMETERY

A car, registered in the name of Lowell M. White, Route 5, Warsaw, was found stuck in the sod in the Mentone cemetery early Monday morning. The car, bearing Ohio license plate 852-AR, was brought to a local garage where the owner recovered it.

#### BENEFIT FISH FRY MAY 23

C. O. Mollenhour announces that a benefit fish fry will be held at the McClure Lake Conservation camp on May 23. Tickets are selling for \$2 each and the proceeds are to go for improvements at the camp.

#### TRUSTEES REJECT COUNTY UNIT SCHOOL OPERATION

The county board of education Monday afternoon rejected a state-sponsored county unit plan for operation of Kosciusko county schools with a unanimous vote of the 16 township trustees present.

Polley to speak in an open meeting and to invite all the people of Mentone community to hear the facts and to ask questions of Captain Polley. It is a meeting that no parent should miss."

MELVA FEIN IS BRIDE OF WILBUR HUGH SMITH

Saturday, March 29, candles lighted Central Presbyterian church for the wedding of Miss Melva Louise Fein, daughter of Mr. and Mrs. Clarence H. Fein, 7236 Cornell Ave., University City ,Mo., and Wilber Hugh Smith, son of Mr. and Mrs. Earl Smith of Rochester, Ind. The Rev. T. Watson Street, of the Fulton, Mo. Presbyterian church, performed the ceremony after which guests were received at the Fein home.

Attendants for the bride, Miss Jean Claire Fein, her younger sister, maid of honor; Miss Loraine Wilker, Mrs. Charles Engers, Jr. and Mrs. Ralph Calders Jr. wore identically fashioned gowns of faille. The honor attendant, in lime color, carried American Beauty roses, and the others, in American Beauty faille, complimented their gowns with shower bouquets of white snap-dragons. The bridal gown was ivory duchess satin with which the former Miss Fein wore a finger-tip veil and carried white sweet peas surrounding an orchid.

Mr. Smith's parents, Mr. and Mrs. W. Earl Smith of Rochester, Indiana, were there for the ceremony.

The bridegroom was attended by Howard Winsor of Rocky Ford, Colo., best man; Harry Mutz, Columbia, Mo., Richard T. Smith and Edward Lebbing, ushers.

After an extended trip through the south the couple will live in Rochester where the groom and his father are owners of the Smith Food Market.

The bride is a graduate of William Woods college, Fulton, Mo. Mr. Smith served three years as a pilot in the Army Air Forces with rank of captain.

**SPRING BAND CONCERT APRIL 23** Mrs. Sheeley, local band instructor, announces that the spring concert will be held on April 23. Watch for a complete announcement next week.

#### SHINN - SHOEMAKER

Patricia Shinn, daughter of Mr. and Mrs. Earl Shinn, and Kenneth Shoemaker, son of Mr. Sheldon Shoemaker, were united in marriage Saturday, March 29, by Rev. Paul Benedict, of Marion Indiana. The couple spent a short honeymoon in Marion and then returned to Burket where they will make their home temporarily.

SCOUTS WILL PLANT TREES

out Friday and Saturday nights. A few are coming on Sunday afternoon only.

Boy Scouts of the Pioneer Trails Council will plant 14,000 trees at their reservation near North Webster on Saturday, April 12.

Over 50,000 trees have been planted since the camp was acquired by the Boy Scouts several years ago. About three more years of planting will completely reforest the entire 157 acres. In spite of extremely dry weather last summer, there was a 99% survival of the 15,000 trees planted last year. This is an exceptional record, according to Arthur T. Parrish, Assistant Extension Forester for the state of Indiana, who is supervising the project.

Plantings this year will inculde Red, White, Scotch and Jack Pine. Scouts FOR MORE FISH, FISH YOUR are also urged to bring seeds, seedlings and bulbs of trees and plants from home. It is hoped to produce on the reservation every kind of vegetation and wildlife that will grow in this locality.

Scout units from al parts of Elkhart, Kosciusko and LaGrange counties are planning to participate. Many are making it a father and son project. Units may report any time after 9:00 a. m. on Saturday morning. A number of units are planning to camp

Thirteen patrol teams will participate in the Area Firstaidoree to be held in Goshen on Tuesday, April 8. These teams qualified for ratings of Class A in recent District Firstaidorees. be given at the Area meet.

Senior Scouts of the Pioneer Trails Council have been invited to attend a Senior Scout Ball conducted by the Mishawaka Scout Council at the Rose Ball Room in Mishawaka Saturday evening, April 12.

#### How Much Water for What Task?

WHEN considering a new water heater, know your household hot water needs exactly. This knowledge is of great value to those of us who are planning to install an automatic hot water system in a new home.

Here is a chart I discovered the other day. It may help you to figure out your own requirements and decide what capacity heater is adapted to your needs. The amount of 140 degree water needed for each household operation is shown:

Most of the items listed must be multiplied by the number in your family to give you an idea of the amount of hot water you use each day. And it is wise to remember that many of these activities are carried on simultaneously.

Fortunately the automatic gas water heater, which may be fueled with liquefied petroleum gas in areas beyond the pipelines, heats water so quickly that a 65 gallon heater will do more than the work of an 85 gallon heater operating with less modern fuels.

Too, it is well to remember that heaters which are part of a central heating system are not as economical as they seem at first sight. Not only do they demand additional fuel, a fact which many overlook, but because they frequently heat water to usclessly high temperatures they promote the formation of scale which ultimately may clog coiled tubing and storage tanks.

## LOCAL NEWS

Mr. and Mrs. Donald Blue and little son, Kenneth Lee, of Elkhart, Mr. and Mrs. E. J. Slabaugh and daughters, Joan and Janet, Mr. and Mrs. Royal Blue, and Rex Yazel all spent Easter Sunday with Mr. and Mrs. Pete Blue, and daughter, Jeannine.

-----

Week end guests at the home of Mr. and Mrs. Mahlon Mentzer were: Mr. and Mrs. K. C. Foulks, of Bloomfield; Mr. and Mrs. J. S. Mentzer, Jack and Marianne, of Park Ridge, Ill.; Rosalind Mentzer, of Mt. Pleasant, Michigan, and Annabelle Mentzer of Elkhart.

Mr. and Mrs. I. D. Anderson and two sons, of Evanston, Ill.; Dr. Wendell Anderson, of Valparaiso: Mildred Anderson, of Flint, Michigan; Mrs. C. E. Camplejohn and daughter, of Jacksonvile, Florida, and Mr. and Mrs. Robert Anderson, of Bloomington, spent Easter at the home of Dr. and Mrs. E. D. Anderson.

#### WANT TO PLAY SOFTBALL?

All those desiring to play softball at Mentone this summer, who have not already spoken for a place on a team, are advised to send a postcard to the Country Print Shop, or call here and place your name on the list.

Play is expected to start the latter part of May and the instructions are that registration must be completed by April 20th.

Indications are there will be eight teams in the league this season.

#### RETURN FROM PEN-REARED PHEASANTS LISTED AT 6 PCT.

Less than 10 per cent of artificiallyreared pheasants are killed annually by hunters, the Indiana Department of Conservation revealed today.

Writing in Outdoor Indiana, Dr. William B. Barnes, game bird researchist for the Fish and Game division, made the estimate and came up with some other figures equally as startling.

Using information compiled by the department and state conservation clubs, Barnes estimated that only 3,750 male pheasants were bagged in 1945 from a total of 75,000 of both sexes released.

Total pheasant kill that season was 65,000. Barnes said, with pen-reared birds making up but 6 per cent of the total bag.

Acting upon Barnes' studies, Donald R. Hughes, director of the Fish and Game Division, recently announced a shift in pheasant propagation policy in an attempt to increase the

Planting of six, eight and twelveweek old birds will be discontinued, he said, and supplanted with adult bird releases ahead of the nesting season each spring. Surplus cocks will be released ahead of the fall shooting

rate of survival.

season. Hughes believes spring liberation of adult birds will increase the state's pheasant supply by giving the birds an opportunity to bring off broods which, born under natural conditions, might be expected to survive.

Pen-reared birds do not develop the necessary self-preservation instinct, he said, and fall easy prey to predators and the elements.

#### PLEASANT VALLEY CLUB WED.

tests over a period of several years in Indiana.

Donald R. Hughs, director of the Fish and Game Division of the Conservation department, formally endorsed Ricker's recommendation last week and urged that such action be taken, Nigh said.

Hughes said bass will remain protected for the entire six-week period because we need all the bass we have for spawning." Bass normally spawn several days ahead of the pan fish.

Outdoor Indiana, official Conservation magazine, currently is publishing a series of articles by Dr. Ricker and members of his research staff concerning scientific findings made last year in a group of fishing experiments at Tri-Lakes State Fish Hatcherv.

Consensus of the survey was that Indiana waters are not only underfished but that, in all probability, it is impossible to over-fish. "Most fish." Dr. Ricker states in an Outdoor Indiana article, "die of old age or from other natural causes."

Harry Young, fish hatcheries superintendent for the Fish and Game Division, recently announced a shift in artificial propagation policy whereby the state will de-emphasize release of fingerling fish and concentrate on releasing adult fishes in waters which contain necesary food stocks.

Young maintains many lakes, which have been stocked year after year, are now so heavily populated that fish have no opportunity to attain normal size.

Director Nigh said the department will observe closely results of this spring's three-week extension to determine whether year-round fishing should be permitted next year. There will be no change in the trout season which is from May 1 through August 31.

#### Largest Open-Pit Mine

#### HERE'S GOOD NEWS-FISHING SEASON IS EXTENDED 20 DAYS

The Indiana Department of Conservation today proposed to lengthen by 20 days the open season on fishing, except for bass, in Hoosier lakes and stream

John H. Nigh, Conservation Director said the department has prepared a discretionary order reducing the closed season, which normally would run from May 1 through June 15, to three weeks, May 21 through June 15.

Extension of the open season on pan fish was described by Mr. Nigh as "experimental". The Conservation department, he said, has long realized many lakes are greatly overstocked with bluegills, perch, crappies and other types of pan fish. Curtailment of the closed season is seen as an aid in reducing populations and improving fishing.

The move was recommeded by Dr. William E. Ricker, director of the Indiana Lake and Stream Survey, who has conducted a series of fisheries'

#### **RELIGIOUS TOLERANCE**

We hear a great deal about tolerence in religion, but there is still much misunderstanding and confusion in the minds of people as to what it means. To many, tolerance means endorse-ment. If "A" does not endorse "B"'s teaching and practice, then to "B", "A" is intolerant. Of course this is not the true meaning of the word. However, it is a whole lot easier for us to congratulae ourselves for be-trig tolerant than it is to dis-tright?", "Is it just?", "Is it hon-orable?" The government of the Unit-ed States permits any man to worship as he pleases. But this that a man can go to heaven believing and mracticing just

that a man can go to heaven believing and practicing just anything he wants to in reli-gion. It does not mean that his

marner of worship is accept-able with God simply because he is given the liberty to do as he pleases. Every man should be allowed to make his own choice in religious matters, but he should keep in mind that God will hold him responsible for the choice he makes.

God will hold him responsible for the choice he makes. • When a man exposes, through the newspapers and on the ra-dio and in public addresses, the errors of his opponent in politics, he is not accused of being in-tolerant. Why not use the same good sense in religion? Let us not misunderstand the

good sense in religion? Let us not misunderstand the issue. We should not, even if we could, force a man to worship God according to the truth. But we should not fail to teach men the wight were to condemn erthe right way to condemn er-ror and sin in every man, in the hope that they will correct their ways and be saved.

#### Fake Maple Syrup

Spring and the maple syrup season provide one more opportunity for the faker. In times past, vendors of fake maple syrup have appeared peddling their product from door to door.

The peddler of fake maple syrup usually works by himself, manufacturing, bottling and selling his product. Because he is neither licensed nor inspected, his customers have no way of knowing if his product is clean or filthy. Where such peddlers have ben investigated, it has been found that the fake product was manufactured and handled under grossly unsanitary conditions.

Fake maple syrup is often made of sugar or molasses or corn syrup, diluted with water, cooked in an old 50 pound pail on a small heating stove. The syrup is flavored with imitation maple flavoring and clarified, possibly, with corn cobs. Some imitations are hard to detect ...

Syrups labeled part maple syrup, orimitation maple syrup, which appear regularly on the grocer's shelves are legitimate products. They are manufactured under sanitary conditions and are properly labeled.

The popularity and scarcity of gen-inox house, famous hostelry in Man-uine maple syrup make selling the chester, Vt.

HEALTH FACTS FROM YOUR false product profitable. At best, the STATE BOARD OF HEALTH product is misrepresented. At worst, product is misrepresented. At worst, the conditions under which it is produced are conducive to illness and disease.

#### Bulletin

Influenza cases reported to the State Board of Health continued to decrease through the week ending March 22. One hundred and eighty-four cases were reported for that period. these, 93 were in Sullivan County and 50 in Washington County.

The week ending March 22 saw reported cases of whooping cough rise from 27 for the previous week to 43. Whooping cough preventable by immunization-is particularly dangerto infants. Parents should conous sult the family physician and have him schedule an immunization routine for infants in the family. Most physicians agree that immunization of infants-including at the least protection against diphtheria, smallpox, and whooping cough-should be completed before the child is 12 months of age. It is never too early to begin thinking about protection that every child needs.

MRS. JAMES ALEXANDER DIES AT WARSAW SATUR-DAY; FUNERAL ON MONDAY

Funeral services for Mrs. James Alexander, aged 82, a long time resident of Kosciusko county, were held at 1:30 p. m. Monday at the Johns funeral home. Rev. Silas Hill conducted the service and burial was in the Mentone cemetery.

Mrs. Alexander died at 2:50 p.m. Saturday at the home of her daughter, Mrs. William Nice, in Warsaw. She had been seriously ill for a week due to a heart ailment.

She was born in Ohio October 2, 1864, the daughter of John and Kathryn Lloyd. September 23, 1886, as Arvada Lloyd, she was married to James Alexander, who died March 8, 1932. She was a member of the Mentone Baptist church.

Surviving Telatives include the i daughter, Mrs. Nice, at whose home i she died: three sons, Clinton Alexander, of South Bend, Robert Alexander of South Milford and Mergle Alexander of Philadelphia, Pa.; one brother, Mace Lloyd, of Niles, Mich.; nine grandchildren and two greatgrandchildren. One daughter, Mrs. Mary Kathryn Wilson, preceded her in death May 7, 1942.

#### TRUSTEES MEET TO FURTHER PLAN FIRE TRUCK PURCHASE

Arlo Friesner, fire chief, met with trustees and advisory board members of the four neighboring townships, at the town hall Monday night, where further plans were made relative to the purchase of a new rural fire truck. Not all the trustees were able to be present, but all townships were represented. The plan, it appears, is for the four townships to purchase the truck jointly and the town of Mentone will house, man, maintain and insure it for use both in the country and in town, if the need should arise. The town has one truck for city use now.

#### COUNTY HATCHERYMEN MEET

Hatcherymen from this area held their regular monthly meeting at Atwood Tuesday evening.

#### COOPER BRINGS THIEF TO TOWN TO STEAL OWN BICYCLE

A man is getting quite accomodating when he hauls a gent into town to steal his own bicycle, but that is just about what happened to Raymond Cooper one day recently.

While driving in from Warsaw, he picked up a young lad near Palestine and brought him to Mentone. During the conversation, Mr. Cooper picked up a few remarks that sounded a bit suspicious, such as the boy saying he was in town a few nights before, riding a bicycle here and hitch-hiking home. The next morning Mr. Cooper's son's bicycle was missing. It didn't take long to suspect that the bike was in Warsaw, but before much could be done, Mrs. Noble Oyler called the Co-Op. News office to put in an advertisement for a bicycle they found on the Warsaw road the night before. It was David's bike, all right, and then it began to dawn that the owner-less bike left at the Clutter home a few nights before likely belonged in Warsaw. Marshal Wagner checked with the Warsaw police and found there was one missing there.

"The perambulating seventh-grade girl chaser, according to the Warsaw police, has been in the habit of taking a ride on almost any bike he happened to find unoccupied.

The two bikes now are in the hands of the rightful owners—if the Warsaw boy isn't going somewhere again.

#### TRUCK AND CAR MEET AT BRIDGE WEST OF TOWN

A car driven by Jake Gross and a truck belonging to an Akron man, met at the bridge west of town Monday, causing some damage to both vehicles. Jake was coming in from Rochester and when he attempted to stop, his brakes threw his car into the path of the truck. Luckily no one was injured.

State police investigated the acident and suggested Jake contribute the sum of ten dollars for driving his car when, they said, it wasn't in proper condition to drive.

Jake, who can take a joke, and give plenty of them, is about "stumped" now. He doesn't just know how to explain why this should happen to him after 62 years. We hope Jake finds a good answer so he won't be afraid to meet the boys up town.

#### TEMPERANCE SPEAKER AT UNION SERVICE HERE SUNDAY

Guest speaker at the Sunday evening union service to be held at the First Baptist Church, Sunday, April 20, will be Dr. W. Earl Hotalen, of Birmingham, Alabama. He comes under the auspices of the following churches: First Baptist Church, Rev. E. Coleman Ralston, pastor; Church of Christ, Lloyd Boyll, pastor; Methodist church, Rev. A. G. Simmons, pastor.

Dr. W. Earl Hotalen

Dr. Hotalen is spending the week of April 20 to 27 in the north central part of Indiana, speaking under the auspices of the Indiana Temperance Movement, an affiliate of the National Temperance Movement, of which he is the National Field Director.

Dr. Hotalen is a very able speaker and has spoken to many Indiana audiences. He will give the annual address at the ITM annual meeting at Winona Lake on April 24.

The Mentone public is cordially invited.

#### MRS. DANIEL PHEBUS, 79, DIES NEAR LAKEVILLE; BURIAL AT MENTONE

Subscription-\$1.50 Per Year

Mrs. Daniel Phebus, aged 79, who had lived most of her life in the vicinity of Mentone, died at 7:45 a.m. Monday at the home of her daughter, Mrs. Foster Jones, of near Lakeville. She had been seriously ill for the past three weeks due to uremic poisoning. Mrs. Phebus was born in Pennsylvania, the daughter of Barnhart and Elizabeth Kalmbacher, she was married to Daniel Phebus, who died 17 years ago. She was a member of the Tippecanoe Methodist Church.

Surviving relatives include two daughters, Mrs. Foster (Emma) Jones, of Lakeville; and Mrs. Elizabeth Simcoe, of Mentone; two sons, Howard, of Tippecanoe, and Walter, of Plymouth; seven grandchildren; a brother, John Kalmbacher, of Rochester, and a sister, Mrs. Lizie Burden, of Warsaw.

Funeral services were held at 2 p.m. Wednesday at the Reed Funeral Home. Rev. S. M. Hill was in charge and burial was in the Mentone cemetary.

#### ARE YOU LINED UP FOR PLAYING SOFTBALL THIS YEAR?

Some of the officials in charge of planning the 1947 softball season at Mentone instruct us to announce that this will be the last week for players to sign up for this season. Teams will be arranged shortly and league play will start during May. Sign up with either a team organizer, one of the officials, or at the Co-Op. News office.

#### ANNOUNCES ENGAGEMENT

Mrs. Stanley E. Wise, of the Cook Road, Ft. Wayne, announces the engagement and approaching marriage of her daughter, Miss Evelyn J. Smith, to Wm. S. Christos, son of Wm. C. Christos, of Dixon, Ill.

The bride elect is employed at Medical Protective Co., and Mr. Christos is an employee of the Indiana Rod and Wire Division of Phelps Dodge. He served four years in the armed forces.

Miss Smith is a granddaughter of Frank Warren, of this place.

### TO GET TOUGHER WITH HIGHWAY KILLERS

Col. Robert Rossow, superintendent of state police, has ordered troopers to keep the pressure on drunken drivers to give the courts a chance to try the "teeth" in the recently strengthened financial responsibility law.

Characterizing the intoxicated driver "modern traffic's most serious haz-

ard to safe motoring." Col. Rossow pointed out that arrests of offenders by state troopers jumped from 1,208 in 1945 to 2,236 last year, an increase of 85 per cent. Arrests the first two months this year mounted nearly seven per cent, he said.

The last legislature made it tougher for inebriants who drive. The revised law makes mandatory a 90 day suspension of driving privileges for the

first offense, six months for the second offense, and one year for subsequent convictions. Driving while a license is suspended or violation of provisions of a restricted permit will dfaw the offender a mandatory jail term of from one day to six months, together with a fine up to \$500.

Colonel Rossow said state police are giving chemical tests for intoxication to eliminate guesswork as to the degree of intoxication. With irrefutable evidence and a clear-cut law, drivers nabbed while under the influence of alcohol are in for unhappy days, he said.

Meanwhile Lewis B. Smith, director of the state safety responsibility and driver improvement division, forecast a reduction in the number of drunken operators.

Higher fines and longer license suspension periods being imposed over the state are partly responsible. Certifica-

tion of all traffic convictions to the division will result in stricter driver supervision and the elimination of unsafe drivers, he asserted.

The safety division's records showed 5,211 drivers had permits revoked last year for drunken operating, an increase of 66 per cent over the 3,143 suspensions in 1945.

Today good will may starve to death. Keep it alive with customer courtesy and careful advertising.

### LADIES ENTERTAINED AT LIONS CLUB MEETING saw.

One of the most enjoyable ladies' night Lions meetings for several years was held at the school building Wednesday evening. Jonah Club fish was the main feature of the dinner that was served to the large group present. Several amusing incidents took place

during the evening. The tail-twister was equipped with a pair of big shears and whenever any Lion refused to pay a fine for a minor infraction of the rules, they just cut his tie off. Quite a number ended up with a frazzled bow instead of the usual four-in-hand. Herbert Willis, of Fort Wayne, was the speaker for the evening.

ATTEND RARE CELEBRATION

## Mr. and Mrs. Lloyd Boyll and family went to Sullivan on Tuesday, where

they helped to celebrate the 100th birthday of Mr. Boyll's great-grand-mother, Mrs. Sarah C. Lyons. Mrs. Lyons is quite alert mentally and remembers clearly many incidents

in her younger days. She came to Sullivan community

while small and traces her ancestry back to LaSalle, the French explorer.

## ENTERTAINS FRESHMAN CLASS

Carolyn Johnson, of north of Mentone, entertained the freshman class of the Mentone High School, of which she is a member, at a potluck supper Wednesday evening at her home. In addition to the 35 members of the class Mrs. Ralph Hoffman, the sponsor, and her son and daughter, Dale Kelley, principal of the high school, and Mr. and Mrs. Clyde Johnson and son, Gael, were also present. Following as their attacker. the supper they attended the moving

## BIRTHDAY PARTY

The following were entertained recently at a birthday supper given by his parents, Mr. and Mrs. Joe A. Miller, in honor of James Miller's seventeenth birthday: Mrs. Nancy Martin, Mr. and Mrs. Russel Koch and son, Mr. and Mrs. Lloyd Crakbaum; Ivan Miller and son, Franklin, and brother, Jack.

The evening was spent socially. The guest of honor received many fine gifts.

### GRAND JUR YFILES THREE IN-**DICTMENTS AGAINST E. GRUBBS**

Emmett L. Grubbs, 32, R. R. 6, Rochester, was returned to jail Thursday after the Fulton county grand jury handed down three indictments against him-two on charges of the raping of two teen age girls and one on assault and battery.

The grand jury was in session three days with Prosecuting Attorney J. Van Brown guiding them in the deliberations.

Grubbs was freed on \$2,000 bond several days ago after having been held in jail on an attempted rape charge.

The indictments charged the slim farmer with having raped young girls on Jan. 15, 1947, and on Feb. 27, 1947. On March 14 he is charged with having committed assault and battery to another teen-age girl. It was but a few days after the last incident was reported to the police that Grubbs

molested by a stranger identified him

## SPRING BAND CONCERT

Reed on a charge of attempted rape, Grubbs plead "not guilty." Throughout all questioning he has claimed he is innocent of all the charges. -Rochester News-Sentinel.

Watch for our new display of fishing tackle, reels, rods, baits, lines, etc. Will be in very soon. Peterson's Store. Mr. and Mrs. Stewart Petry and son Jimmie, of Wabash, spent Sunday with

Mr. and Mrs. Ora McKinley and family. A baby daughter was born to Mr.

and Mrs. Carl Gross last Friday evening at the Woodlawn hospital at Rochester.

COXITROL, a Dr. Hess product, helps to prevent coccidiosis if given in time. Reduces losses if chicks have come down with the disease. Easy to give - just add to mash. Costs 1/2 to 1 cent a chick. Denton's Drug Store, Mentone.

## **Rat Waste**

It takes 50 pounds of grain (or its equivalent) to feed a rat a year. In addition to what it eats, a rat will waste anywhere from 50 to 100 pounds by making the product unfit for market or by contaminating it so it is unfit for use by humans or livestock. Rat damage lowers the market grade of grain. Animals frequently refuse feed polluted by rats.

meeting is open to the public. A Fellowship Luncheon will follow the business meeting at 12:30 and registration is at 1:00 p. m. The song service will

for his splendid singing of gospel songs and spirited directing. The banquet program will be under the direc-

### Manchester

In conection with the evening program, some college students will present a panel discussion along temperance lines. In speaking of the Annual Meeting,

Mr. Tormohlen, administrative director, said,, "The sessions are open to any one interested in the cause of temperance, and we are urging registration at an early date. We are especially fortunate in the selection of our speakers both conversant with issues involved, able platform men, and clear thinkers. Registration can be made direct to the ITM office, P. O. Box 303. Goshen.

## NEWCASTLE P.-T. A. MET RECENTLY IN TALMA

The Newcastle Township Parent-Teachers Association held their final meeting of the year April 8. The meeting was opened by the president, to Mexico City, at the close of the Ransford Peterson, with the group meeting .

singing of "Let Me Call You Sweetheart," "The M and "Indiana." "The More We Get Together,"

Mrs.. Devon Eaton then favored with a reading entitled,"Boy Crazy." A musical program then followed. Those who participated in the program were: Barbara Duzenbury, who favored with a clarinet solo; Freddie Bailey, a vocal solo; several selections by the Birdland Trio, L. G. Alber, Delbert Hunter, and Mrs. Kermit Biddinger.

During the business meeting Chauncey Goodman gave the treasurers report. The following officers were then elected: Ransford Peterson, president; Samuel Brewer, Vice-president; Mrs. Don Nichols, secretary; Charles Good, treasurer.

Mr. Goodrich of the Rochester Soil Conservation Service showed a very interesting moving picture of his trip

## WHAT SAITH THE SCRIPTURES?

(A conversation between A. Preacher and A. Truth Lover)

L.

- "My biggest objection to your church is that you think you are right and everybody else is wrong." L.
- "I beg your pardon; but I have no church."
- "You know what I mean. You call it the church of Christ." Τ.
- "That is the way Christ and "That is the way Christ and Paul spoke of it. Jesus said, "Upon this rock I will-build my church' (Matt. 16:18); and Paul said."The churches of Christ salute you." (Rom. 16:16)." 'Yes, I know; they spoke of Christ because it is too nar-row; it leaves everyhody else out." P.
- out." "You mean that you don't like to speak of the church in the same way that Jesus and Paul spoke of it?" "Well, I wouldn't put it that P. L.
- "Just what do you mean?" "Just what do you mean?" "When Paul was here, there were no other denomina-tions. When he spoke of the church as the church of Christ, he didn't un-Christ-ianize everybody else. But now that we have many oth-er religious bodies, if you speak of one particular group as the church of Christ, that rather implies that the others are not chur-ches of Christ." "You mean to say that in the time of Paul there was but one body of Christians, and that all of these com-posed the church of Christ?" "Yes, of course, everybody knows this." "If this is true, then when did all these other bodies come into being, and from what did they start?" (More to follow! We suggest that you clip this article along with se which follow, and keep them for future reference.) those

HEALTH FACTS FROM YOUR of 12 years and over. Other age groups STATE BOARD OF HEALTH immunized were: under 1 year, 445;

**Immunizations in 1946** A total of 46,519 children in 59 Indiana counties took advantage in 1946 of the immunization program of the State Board of Health which includes the furnishing of immunization material to indigent children for the purpose of protecting the community

against diphtheria, whooping cough, school and preschool immunization approval of the local health authority and the local medical society.

The smallpox scare which swept Indiana and the nation in 1946 may have had some effect on the large number of children vaccinated. There were 26.425 children vaccinated from material supplied by the State Board of Health.

Other immunizations given were: 7,-151 for diphtheria toxoid alum precipitated: 2.231 for diphtheria-tetanus toxoids combined; 2.939 Schick tests; 2.347 for diphtheria-pertussis toxoids combined: 5.319 for diphtheria toxoid plain; 87 for alum precipitated pertussis bacterin and 20 Dick Tests.

A total of 22.052 children between the ages of 6 to 11 years, inclusive, were immunized, and 16,172 children

one year, 578; 2 years, 784; 3 years, 1,208; 4 years, 1,596, and 5 years, 3,-684.

T. H. E. CLUB ENJOYED MEETING THURSDAY

Mrs. Norris Hibbs pleasantly entertained the T. H. E. Club in her home Thursday afternoon. The meeting was tetanus and smallpox. The immuni-zation materials were usually used in Land," and the pledge to the flag was given. The history of the song of programs were distributed with the the month was given by Mrs. Anne Staldine. A donation of \$2.00 was given to the blind memorial

to the Blind Memorial Fund and a report followed on the presindents' meeting given by Mrs. Charles Emmons. It was decided that those who wished to go on a county tour would go, but later in the summer the club would plan to attend Don McNeill's Breakfast Club in Chicago. A letter was read concerning the Indiana Home Economics association. The meeting was then closed by singing. "Lead Kindly Light," and a prayer by Mrs. Eda Arter.

Roll call was answered by the members performing acts or stunts, which were also used as the program. A contest was conducted by Mrs.

Nelson Overmyer. Prizes were received

lyn Dick. At the close of the meeting refreshments were served to sixteen members and three guests, Mrs. Kinsey, Mrs. Roy Ailer and Mrs. Vandergrift.

## WARSAW IN WEB OF SCARLET FEVER EPIDEMIC

Scarlet fever has taken root in Warsaw the past few days and one school has been closed. Some sixty-five students were absent and under quarantine, however all may not be ill with the disease.

People have been warned to refrain from assembling in public places in an effort to check the spread of the disease.

Scarlet fever is one diseseae which we would all like NOT to have, and Mentone citizens should be cautious whenever necessity demands a trip to the county seat.

## ATHLETIC BANQUET HELD AT AKRON MONDAY EVENING

## Bernice Jones' Beauty Shop will be closed for the rest of this week and all of next week, due to illness.

HOME ECONOMICS CLUB MET AT THE LAIRD HOME

The Mentone Home Economics club met at the country home of Mrs. John Laird, Wednesday afternoon, April 9, with Mrs. Clem Teel as co-hostess. Vice President Mrs. Linus Borton conducted the business session.

The history of the song of the month, "Sweet Genevieve," was read by Mrs. Emra Anderson. Leaders, Mrs. Elmer Sarber and Mrs. Roy Salman. gave the lesson on "Using Frozen Foods," by displaying and giving each an opportunity to taste the cooked vegetable and fruit.

. Mrs. Ada West, the county presi-dent, was present and explained the plan of buying stock for the improvements to the women's building at the county fair ground.

The mystery package was won by Mrs. Elmer Sarber and birthday and anniversary gifts were presented to Mrs. Fred Swick and Mrs. Jacob Gross. Nineteen members responded to roll call by giving a "Sign of Spring." One

guest and one child were also present and a new member, Mrs. Harry Vernette, was added to the roll. -Publicity Chairman

## MENTONE READING CLUB

The Mentone Reading Club held its April meeting at the home of Mrs. Fred Lemler on last Wednesday evening. Assisting hostesses were Mrs. Raymond Cooper, Mrs. Gerald Brown, and Mrs. E. C. Ralston.

The Akron Mothers Study Club members were members were guests of the Reading Club, making a total of 55 present for the evening.

A clarinet solo by Ruth Baker and a cornet solo by Carol Peterson, accompanied by Mrs. Dan Urschel, were enjoyed by all.

Mrs. Meredith, president of the Mothers Study Club, presented Mrs. Karl Gast, who gave a most interesting talk, touching on the present world unrest, and appealing to the women for a kindlier and more charitable attitude toward the needy peoples of the world.

## MIDGET TO ADVERTISE MENTONE

Word has been received that John Saemann, of New York but well known in Mentone, now owns a real midget racing car which will be raced on midget tracks throughout the nation this summer. He has contracted with a driver that ended up in the paying lane many times last summer.

Printed on the sides of the tiny, chrome-plated racer, in large letters, is "Mentone, Ind."

Thanks, John. Mentone folks should appreciate the compliment and the service of such advertising.

## JOLLY JANES MEET

Mrs. Delford Nelson was hostess to the Jolly Jane Home Economics Club Monday night, April 14. The lesson, 'Using Frozen Foods," was demonstrated by Mrs. Ralph Molenhour. The history of the song of the month, "Sweet Genevieve," was given by Mrs. Delford Nelson. Seeds and bulbs were exchanged and also a gardn leader's report was given by Mrs. Rex Tuck-Members present answered roll call with their most embarrassing moment.

Delicious refreshments were served at the close of the meeting.

Mrs. John Ellsworth, Publicity Chairman.

## MENTONE SORORITY MEETS

A musical program under the direction of Maude Snyder was enjoyed by the members of the Beta Epsilon chapter of the Psi Iota Xi sorority who were entertained Thursday evening at the home of Mrs. M. O. Bryan, of near Mentone. Numbers by a trio composed of the Misses Bonnie Jones, Marilyn Tucker and Wini Eiler sang, "Carmena" at the opening of the program and their number, "Sundown" was the concluding number. Greig's Concerto was a piano number by Marilyn Tucker and Mary Ellen Bryan played "Edelweiss Glide Waltz". Other vocal solos were presented by Bonnie Jones, who sang the numbers, "The and "Liebestraum," Lord's Prayer" Violet Friesner, who sang, "At Even-glow" and "I Saw a Star Tonight," Wini Eiler sang, "The Green Cathedral" and "Homing" and Marilyn Tucker, "The Glow Worm." Following the guest program Mrs. Snyder distributed bits of songs among the sorority members. When matched they were sung as duets and trios by those who had received them, which proved most entertaining.. Mrs. Ralph Ward won the door prize. Mrs. Lyman Mollenhour presided over the business session in which plans were completed for the annual inspection of the chapter which will be conducted April 13 at the Sheller Hotel at North Manchester by Mrs. Lloyd Martin, of Goshen, northern province chairman. The amount of \$5 was given to the cancer control society. Refreshments were served by Mrs. Bryan. Other members of the sorority present were Mesdames Glenn Weatherbee, of Argos, DeVon Hibschman, Max Nellans, Howard Shoemaker, Curtis Riner, Ralph Mollenhour, Wilvin Teel, T. J. Clutter, Elery Nellans, George Yehlik, Harold Utter and Earl Anderson.

### CARD OF THANKS

We want to extend our thanks and appreciation to everyone for the many kindnesses extended us during the death and burial of our mother, Mrs. Lillie Phebus. Also for the many flowers and expressions of sympathy. THE FAMILY.

Indiana State Library

PUBLISHED EVERY WEDNESDAY BY THE NORTHERN INDIANA CO-OPERATIVE ASS'N. OFFICE OF PUBLICATION, WEST MAIN SREET, MENTONE, INDIANA Entered as second-class matter November 18, 1936, at the post office at Mentone, Indiana, under the Act of March 3, 1879

Volume 16, Number 44	Mentone, Ind. April 23, 1947	Subscription-\$1.50 Per Year
MRS. ELIAS SMITH	REV. T. W. WILSON TO MENTONE TO JOIN OTHER	BROTHER DIES OF INJURIES.
DIES OF HEART ATTA	ACK APPEAR AT YOUTH MEETING TOWNS ON DAYLIGHT SAVING	Come David St. of Comb Withdaw

Mrs. Elias Smith, 72, died at 4:30 p. m. Thursday following a heart attack which occurred while she was sitting in a chair at her home in Mentone. Eight years ago she had suffered a stroke, but was able to be up and around her home.

She was born August 11, 1874, the daughter of Tyree and Nancy Jane Brown and had lived her entire lifetime in and near Mentone.. As Elizabeth Brown she was married Dec. 24, 1890, to Elias Smith.

Mrs. Smith was a member of the Harrison Center Evangelical United Brethren church.

Surviving relatives are her husband; a sister, Mrs. William Shane, of near Mentone; two nieces, Mrs. Frank Rarick, of Warsaw, and Mrs. Eva Sands, of Silver Lake; and a nephew, Arthur Brown, of Mentone. A daughter died in infancy.

Funeral services were held at two o'clock Sunday afternoon at the Johns funeral home. Rev. Silas Hill officiated and burial was in the Mentone cemetery.

## REV. AND MRS. RALSTON ARE LEAVING OUR VICINITY

On April 13, Rev. E. C. Ralston, pastor of the local Baptist church, tendered his resignation, to become effective July 13. Rev. Ralston, at that time, will begin his new duties as field representative for the Moody Bible Institute.

Rev. and Mrs. Ralston, who have spent five highly worth while and influential years in Mentone, will reside in Wheaton, Ill., where they have purchased a home.

## JONAH CLUB TO SEE THE "PASSION PLAY"

The Jonah Club group has secured 74 reservations for a performance of the "Passion Play," at Bloomington, Illinois on May 18th.

The Jonah Club operates on the principle of good fellowship so firmly established by the Lord as he traveled the earth, and it is certainly fine that they will be permitted to view this famous presentation.

Tri-County Youth for Christ is bringing Rev. T. W. Wilson, is of Charlotte, N. C., as speaker for its rally of Saturday, May 3rd, in the First Baptist Church at Mentone. The meeting will open at eight o'clock.

Rev. T. W. Wilson

Wilson, national representative for Youth for Christ International, an outstanding youth speaker, has been featured in Youth for Christ rallies in every part of America. Wilson was one of the featured speakers at the mammoth Youth for Christ rally held in Soldier Field, Chicago, in May, 1946, where 70,000 attended. He also spoke before 20,000 in the Mapleleaf Gardens, Toronto, and before 35,000 in the State Fair Grounds at Minneapolis. Ministerial groups, civic clubs, student bodies, and business and professional groups all over America have heard Wilson present the needs for Youth for Christ and what has already been accomplished in this great movement Many of the largest pulpits in this country and Canada have also been hosts to him.

A 1941 graduate of Bob Jones College in Cleveland, Tennessee, Wilson has also studied in the University of Alabama. Attending Theological Seminary at Wilmington, Delaware, the young preacher then began evangelistic work, particularly in the south. The churches at Dotham. Alabama and (Continued on back page)

TOWNS ON DAYLIGHT S As in the past, Mentone has followed

the trend of neighboring towns in adopting daylight saving time, and in as much as the majority of all cities, towns and villages in the northern part of the state are going on daylight saving time at midnight Saturday night, Mentone will, also.

A decision relative to the summer time was held in abeyance by the local authorities until public opinion more definitely expressed itself, and after so many had expresed a desire for the time, a resolution was adopted by the trustees Monday evening. The time will be effective until Sept. 28th.

### GRADUATION EXERCISES MAY **2 IN FIRST BAPTIST CHURCH**

Commencement services will be held at the First Baptist Church, Mentone, on Friday evening, May 2, at eight o'clock. Rev Daniel Slaybaugh, pastor, of the Church of God, at Akron, will give the address. Special music will be provided by Mrs. Ellen Sheeley, music supervisor of the Mentone school. The twenty graduates to receive di-

plomas will be: Lois Baum, Nellie Christian, Betty Jean East, Dorothy Egolf, Ellen L Kesler, Mildred Lewis, Lavonne Low-McClane, Julia Margaret man. Mary Belle Secor, Nelson. Virginia Shirey, Merl Blue, Harold Fisher, Robert Hibschman, Harry Kinzie, Malcolm Long, Dean McIntyre, Forrest Miner, Floyd Nicodemus and Leon Whetstone.

## Baccalaureate Sunday

Baccalaureate\* services will be held at the Methodist church on Sunday afternoon, April 27, at 2:30 p. m. DST, with Lloyd Boyll, pastor of the local Church of Christ, giving the message. Special music will be furnished by the girls' chorus and Violet Friesner. All parents and patrons are invited to attend all the services above.

"Mac" McKinley, who is starting the construction of a new home in the south part of Mentone, states that the new place will not be sold until fully completed, and that he does not expect to move into it himself. (I guess 'Mac" has had a steady stream of would-be renters.)

Gene Reed 21, of South Whitley, half-brother of Mrs. Artley Cullum, of Mentone, and son of Mrs. Myrtle Reed, who spends the summers with her daughter here, died early Monday morning in the St. Joe hospital in Fort Wavne where he was taken suffering with severe burns following an automobile accident Saturday evening. Rex Keirn, of near South Whitley, the driver of the car, died a few hours after the Reed boy. Both were veterans of the recent war.

The two boys were on their way to Rochester to secure some plow points, and as they neared the railroad just west of South Whitley, a car appeared from the west, the headlights of which silhouetted a truck between them, going west. The Keirn car was coming to a halt when a car driven by Paul Stroup, 25, of South Whitley, hit their car in the rear. The impact was so terrific that the gas tank was crushed and the car thrown about 30 feet down the highway and onto the opposite berm. Reed and Keirn were thrown into the back seat of their car and while in that position the gasoline-soaked interior of the car burst into flames.

Larry Stiner, 13, of Pierceton, riding in the Stroup car, was badly cut, bruised and mutilated but was still living at last reports.

Funeral services for Reed were held at the Miller funeral home at South Whitley at one o'clock Wednesday afternoon, with Rev. Lane, pastor of the Church of God, giving the message. Burial was in the South Whitley cemetery, with the Veterans of Foreign Wars.

In addition to the half-sister and mother listed above, the deceased is survived by the father, Sam Reed, of South Whitley; four half-brothers, Robert, Don, Ned and Dick, of South Whitley; five half-sisters, Mrs. Chase Robinette and Mrs. Ed. Gallmeyer, of Fort Wayne, Mrs. Fred Carey and Mrs. Eugene Lancaster of South Whitley, and Mrs. Charles Davis of Three Forks, Montana.

AVERAGE HUNTER BAGS 1 SQUIRREL PER HUNTING TRIP

The Indiana Department of Conservation, dedicated to the preservation of wildlife, came up with some figures today which indicate the Indiana squirrels, thank you, are doing a better-than-fair job of preserving themselves.

Writing in OUTDOOR INDIANA, official Conservation magazine, a fish hitting, and those hardy folks who and game division researchist concluded that the average squirrel hunter last year bagged but one squirrel connect. per hunting effort-considerably under the bag limit of five which is allowed by the department.

Summing up the details of a seasonlong hunting check at the Morgan-Monroe State Forest, the article confirmed the popular belief that fox squirrels are less wary than their gray brethren. For every 100 fox squirrels sighted, hunters killed 47. Only 38 gray squirrels were kiled from every 100 sighted by hunters.

More than half the nimrods failed to score in a day's hunting but the re-

Fifty percent of the hunters staked their hopes on .12 gauge shotguns. Which brings up an interesting point. Hunters using .12 gauge shotguns required three and one-half hours to bag one squirrel; .16 gauge enthusiasts went five and a quarter hours before scoring: the men who depended upon .20 gauges averaged six and no-half hours; .410 users spent 10 hours before went out with a .22 calibre rifle tramped the woods for 131/2 hours to

mainder pocketed an average of 2.1

before returning home.

Other bits of miscellaneous information on the squirrel subject:

Average weight of fox squirrels was slightly more than 24 ounces as against a 17-ounce average for grays. Females outweighed the males.

Half the fox squirrels killed were bagged between 8 and 10 o'clock in the morning while three-quarters of all gray squirrels were hit before 11 o'clock.

Fifty-three percent of the gray squirrels were under a year old, while 41

## HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH age. Measles in children under 4 years of

Maesles

April usually brings an increase in measles and although statistics at the State Board of Health show such an increase within the last few weeks, the incidence is still low as compared to a year ago. A total of 56 cases was reported the first week of April and 986 cases were reported measles except by having the disease, for the same week in 1946, an epidemic year. The 986 cases for one week top the total number of cases-544-reported in Indiana since January 1, 1947.

Measles is regarded by many as a childhood disease. With healthy child- are the first symptoms which proceed ren between the ages of 6 and 16 years a rash. This is the stage when the the disease may be mild, but it may disease is most communicable. The

causes more deaths than in any other age group and it is also in this age that complications of diphtheria, scarlet fever, rheumatic fever, tuberculosis, pneumonia and ear infections occur. Adults and aged persons also have severe attacks.

Although there is no known way to secure permanent immunity from immune serum globulin was used for modification and prevention for many children in Indiana last year

A child with a runny nose, red eyes, cough and bronchitis should be isolated and a doctor called for these

CLAYPOOL

child should be kept in bed not only to protect others but to avoid crossinfection. The bed covers should be light. Spunlight should not be kept out of the patient's room but the patients eyes should be protected so that they are not in a direct light or glare.

It is important that each case be reported to the health officer having jurisdiction so the premises may be placarded, the incidence may be known in the community, and steps Lunches taken to avoid the spread of measles.

## Balkan Inquiry Nears End

The United Nations Commission investigating disturbances on the borders of Greece is nearing the end of its fact-finding journey which, sometimes by mule-back and jeep, has taken it through the heart of the snow-bound Balkans. Here the Commission is questioning one of the hundreds of witnesses heard on the spot, a political prisoner in the Pavlos Melos internment camp near the Greek city of Salonika.

### INSPECTS PSI IOTA XI SORORITY

Mrs. Lloyd J. Martin, of Goshen, chairman of the northern province of Psi Iota Xi Sorority, was in charge of the inspection of the Beta Epsilon chapter at Mentone, at the meeting held Friday evening at the Sheller hotel, at North Manchester. Mrs. Maude Snyder, of Mentone, entertained with piano numbers. Preceding the inspection, a three-course dinner was served. Candles lighted the dinner table which was centered with a bowl of sweet peas reflected in a mirror. Nut cups were in the sorority colors, blue and gold, and on the buffet was an arangement of daffodils. Anouncement was made of the national convention of the sorority which will be held June 13-14 at Muncie, where the first chapter was organized 50 years ago. The Muncie chapter also celebrates its 50th anniversary. In addition to Mrs. Martin, the members of the Mentone chapter present were Mesdames Glenn Weatherbee, of Argos; Earl Anderson, M. O. Bryan, T. J. Clutter, Ralph Mollenhour, Delford Nelson, Lyman Mollenhour, Max Nellans, Elery Nellans, Curtis Riner, Maude Snyder, Harold Utter, Ralph Ward, Wilvin Teel, Geo. Yehlick.

gulleying already started, it should contest Saturday April 19. in a few years provide a Christmas crop from the thinnings. In later years it should also provide a post or pole cut before the eventual cut of timber. Jim holds high hopes for the young trees.

The planting stock used was produced at the Jasper-Pulaski State tree nursery. The trees were four years old with tops and roots each about ten inches long. This size stock is excellent for both machine and hand planting. The spacing used was about seven feet between trees and rows with a closer spacing on the steeper slopes. This spacing takes about 1,000

Joe Clark, County Agent, who took an active part in the demonstration, feels there should be more such planting done in the county. The foresters who demonstrated the machine say that it will do a successful job of planting on most soils if the soil condition is right for plowing. They add however, that the particular machine which they used on this planting was built for light soil and will do a much better job there than on heavy clay

## **Claim for Mistletoe**

Most striking of the properties attributed to mistletoe is its alleged virtue of producing fertility in plants, animals and human beings. It is said that on an island in Torres Strait the savages believe that twins will be born to any woman who touches or carries a piece of mis-tletoe. An article in "The Country Magazine"—1792—refers to the custom of kissing under the mistletoe as "no doubt the surest way to prove prolific."

**Cows Drink Freely** 

Cows drink more water and give more milk and butterfat when allowed to drink at will. In a test where cows were allowed to drink at will they drank approximately 18 per cent more water and yielded nearly 11 per cent more butterfat than they did when they were watered but twice a day. When the cows had water easily accessible, each of them drank on an average about 10 times in 24 hours. About two-thirds of the water was consumed between 5 a. m. and 5 p. m. and the other third during the night.

## WHAT SAITH THE SCRIPTURES?

(Mr. A. Truth Lover has just mentioned that in Paul's time there was but one body of Christians, and that all of these composed the church of Christ.)

P.

- Preacher. "If this is true, then when did all these other bodies come into being, and from what did they start?"
- "Oh, they are all churches of Christ: they just differ over a few minor things I. over a few minor thin which are not important.
- "You mean that they all started from the same source but in time they were divid-ed into all the different groups which we have to-P.
- aay?" "Yes, of course: but they are not divided over matters of any importance: they are divided over non-essentials." "Do you know how many re-ligious bodies we have in this country?" L.
- P.
- "No, I never tried to count them." L.
- P.
- them." "According to the World Al-manac there are over 250!" "Well, what of it?" "Jesus prayed that we all might be one: and Paul re-buked the church at Corinth bucket of its divisions" L. P.
- because of its divisions." "We are one, just like all the states in the Union are one." L.

"This is not the sort of 'one-ness' for which Jesus prayed. He prayed, 'that they may all be one: even as thou. Father, art in me, and I in thee, that they also may be one in us: that the world may believe that thou didst send me. And the glory which Thou hast given me I have given unto them; that they may be one, even as we are one; I in them, and thou in given unto them; that they may be one, even as we are one; I in them, and thou in me, that they may be per-fected into one; that the world may know that thou didst send me, and lovedst them, even as thou lovedst into one—one in the same sense that he and the Fa-ther are one, not in the sense that the states in the Union are one. There are many conflicts between the states; and these conflicts sometimes cause a great deal states; and these conflicts sometimes cause a great deal of friction, just as the different religious bodies often have friction.

Mrs. Ellen Sheeley directs both the band and the choruses.

## **COMPLAIN OF STRAY DOGS**

Numerous have been the complaints of property owners of late of stray dogs meandering throughout the city with little regard for people or property.

During spring and summer, it is especially important that dogs are not permitted to roam promiscuously about the town as almost every home-owner has a garden or flowers and shrubs that represent an expenditure of many hours of labor and actual cash, and you can't expect a dog to know the difference between a rose bush or a telephone pole.

There is no objection-at least there shouldn't be any-to a person owning or possessing a pet dog or cat, but it is certainly mighty thoughtless of any citizen to permit such pets to continue to mutilate or destroy their neighbor's gardens or shrubbery. It's not a matter of law enforcement officials desiring to kill dogs (as most everyone detests such a duty) but a citizen really doesn't have much to boast about when he forces such a duty on an official by permitting his dog to roam without any regard for other citizens.

## THE CLEAN UP SEASON IS HERE AGAIN

With the first few days of warm weather comes the desire to do a little cleaning up around the old place. If it weren't so, most towns would be sorry looking affairs. It's the cooperative effort of every individual that really puts a clean look on a town. There are a number of places in town where citizens have carelessly or thoughtlessly permitted their trash or ash piles to "creep" into the alleys, making it difficult or dangerous for cars to travel over the alleys. If the neighbors want to talk about any of us, let it be something else besides "trash in our alley."

ORVILLE SARBER DIES: FUNERAL ON FRIDAY

Orville Sarber, aged 87, a lifetime Wilson nursing home east of Warsaw. He had been in failing health for two years due to the infirmities of age.

Mr. Sarber was born at Palestine April 14, 1860, the son of Dr. and Mrs. William Sarber. He had formerly been engaged in business as a painter and interior decorator.

The deceased was a member of the Mentone Methodist church. He was first married in 1881 to Mary Turner. In 1892 he was married to Emma Kesler

Surviving relatives include the one daughter, Mrs. Nora Tucker, of Doran Station: two grandsons, Ralph Tuckof Akron, and Albert Tucker of Palestine; two granddaughters, Mrs. Winifred Smith, Mentone, and Miss Lillian Tucker; a step-son, Elmer Kesler, of Fort Wayne, and four stepgrandsons, Forrest Kesler, of Mentone, Hugh Kesler of Fort Wayne, and Walter and Myron Kesler, of Columbia City, and four great-grandchildren.

Funeral services will be held at two m. Friday at the Johns funeral home, with Rev. A. G. Simmons, of the Methodist church, in charge. Burial wil be in the Mentone cemetery.

HORN

A : even pound eight ounce daughter was born to Mr. and Mrs. Howard Horn Sunday, April 27, at the Woodlawn hospital at Rochester. The baby has been named Jody Arlene.

## MARRIAGE LICENSE

T-3 Joseph A. Boganwright, 23, R. R. 1, Mentone, and Miss Donna Jean Peterson, 23 daughter of Mr. and Mrs. Ransford Peterson, were issued a marriage license by the county clerk Saturday afternoon.

## MOVING SOON

Mrs. Blanche Barfell and son, Mau-

Mrs. Barfell and Maurice have purchased a home on the Tippecanoe River one mile west of Oswego.

## COMMENCEMENT FRIDAY EVE.

Commencement services will be held at the First Baptist church Friday resident of this vicinity, died at six evening, May 2, at 8:00. Rev. D. L. o'clock Wednesday morning at the Slaybaugh, of Akron, will be the speaker.

Malcolm Long is valedictorian of the 1947 class, while Nellie Onristian is salutatorian.

Music for the occasion will be: Cornet duet by Dave Johns and

Junior Emmons. Saxophone solo by Norbert Darr, ac-

companied by Mrs. Maude Snyder. Vocal duet by Winifred Eiler and Marilyn Tucker, also accompanied by Mrs. Snyder.

## ALLEN MILLBERN DIES

Funeral services for Allen Millbern, of South Bend, a former resident of Mentone, were held at three p. m. Tuesday at South Bend.

Mr. Millbern died at 4 a.m. Sunday following a stroke sustained on Saturday. He was employed at the Morris Plan Bank, of South Bend.

Surviving relatives include three daughters, Opal, Gretchen and Dorothy Millbern, at home, and a son, Fesler, also of South Bend, and two sisters, Mrs. Elizabeth Lyon and Mrs. Minerva Brown, both of Warsaw. His wife preceded him in death.

### TUCKER - LONG

On Friday evening, Apr. 18, at Columbia City, Ruth Long, daughter of Mr. and Mrs. Frank Long, of Columbia City, became the bride of Joe Tucker, son of Mr. and Mrs. Royce Tucker, of near Mentone. Mr. and Mrs. Ora Warren, attended

the young couple. Mrs. Warren and Mrs. Joe Tucker are sisters. Joe spent about two years with the

army, and is now employed by the Bell Telephone Co. The newlyweds will reside in Col-

umbia City.

## IN JUSTICE COURT

Charles Hartman and Robert Strong, of Nappanee, were taken into custody rice, plan on moving to their new home by night officer Borton, at 9:00 p. m. Sunday evening and fined \$1 and costs in the court of the Justice of the Peace, C. O. Eiler, on charges of reckless driving on the streets of Mentone. May 6.

MRS. BESSIE HORN, 70, OF MENTONE, DIES SUNDAY, AT MOLLENHOUR HOME

Mrs. Bessie Horn, 70, long-time res-

dent of Mentone, died Sunday afternoon at 2:50 o'clock of heart disease. Mrs. Horn had been ill for the past eight months and had been living with her daughter, Mrs. Kenneth Mollenhour at her home in Warsaw. She became critically ill four weeks ago and was admitted to the McDonald hospital for treatment. Her condition steadily became worse until death.

She was born December 20, 1876, in Finlay, Ohio, the daughter of William Aurand and Melissa Dennison. She moved to Mentone early in her life, married Claude Hudson, Mentone barber in 1896, and resided there until his death in 1932. In 1944 she was united in marriage with Peter Horn, of Rochester, and the couple made their home in Mentone until her illness eight months ago. She was a member of the Methodist church of Mentone. Surviving are the husband, Peter Horn; one son, Jack Hudson, west of Mentone; one daughter, Mrs. Mollenhour; two brothers, Martin and Geo Aurand, of Chicago; five grandchildren and four great grandchildren.

Funeral services were held at 2:30 o'clock Tuesday afternoon at the Reed funeral home, with Rev. Reginald Shepley, pastor of the First Baptist church of Warsaw, officiating. Interment was in the Mentone cemetery.

## INHERITANCE TAX DUE

A state inheritance tax of \$52.96 is due in the estate of Lydia A. Deaton, it has been determined in cir-cuit court. The estate has a net val-ue of \$7.296.31. Mrs. Dora A. Taylor, of Mentone, is the sole heir and the administratrix of the estate.

## CLUB CALENDAR

Lion's Club - Wednesday evening, May 7.

W. S. C. S. - Friday evening, May 2, at the home of Mrs. Schafer. American Legion - Tuesday evening

Funeral services were held at the Johns funeral home, Mentone, Tuesday at 10 a.m. for Lewis W. Hubert, 80, retired pharmacist, who was found dead at his Palestine home Saturday by a step-grandson, Sherman Summers of Burket.

Subscription-\$1.50 Per Year

IN PALESTINE HOME

L. W.' HUBERT, FOUND DEAD

Dr. Leslie A. Laird, of North Webster, county coroner, said that Mr. Hubert apparently died of a cerebral hemorrhage about 8 p.m. Friday night, sitting in a chair in his living room with the lights, radio and oil stove still operating.

Mr. Hubert, who operated a drug store at Middletown, south of Anderson, before coming to Palestine eight years ago, had no near surviving relatives. Mr. Summers, grandson of the late Mrs. Hubert, cared for the aged man and had taken him to Mentone on the afternoon before his death.

Rev. Spoolstra, of the Burket Methodist church officiated at the funeral services and buria! was made at Middletown.

## JOE BOGGS EARNS TROPHY AT DEPAUW

John W. Rippitoe of Connersville and Joseph Boggs of Mentone will receive trophies as the players who showed most improvement during spring football practice at DePauw University, Coach Robert Nipper has announced.

The awards, new this year, are awarded to the player showing most improvement in the line and the one who improves most in the backfield. Rippitoe, a freshman, won a reserve letter at the end of the 1946 football season. Boggs, a sophomore, won numerals last season.

The 21-inch trophies will bear the names of the winners and their social organizations. They will be kept for a year and then passed on to the players who show up best in next year's spring practice sessions.

Rippitoe is a tackle, and Boggs has been playing left halfback position. Spring football practice closed with a practice game between two DePauw teams. The "A" team, on which Rippitoe played, defeated the "B" team 13 to 6.

Valuable Fertilizer

Droppings from 100 hens collected in the droppings pits amounts to about two tons a year, representing considerable fertilizing value. Fresh poultry manure contains about 78 per cent moisture, 1 per cent nitrogen, 0.8 per cent phosphoric acid, and 0.5 per cent potash. Superphosphates applied at the rate of 100 pounds per ton of fresh manure will prevent the loss of nitrogen as ammonia.

## CONSERVATIONISTS MEET TO BRUSH UP ON NEW GAME LAWS

Indiana's Conservation Officers, the men who police Hoosierdom's out-ofdoors, tomorrow will wind up their annual in-service training course at McCormick's Creek State Park.

Officers in the northern tier of counties met Monday and Tuesday at Tippecanoe River State Park near Winamac for a series of instruction meetings.

John H. Nigh, director of the Censerv- method of mixing that produced the ation Department; Donald R. Hughes, best plain cake. They experimented director of the Fish and Game division; Byron C. Kennedy, assistant de- recipes. partmental director: Harry Young, supervisor of state hatcheries and game farms; William Barnes and Henry Cottingham, Pittman - Robertson project leaders, and Paul R. Squires, editor of Outdoor Indiana.

Purpose of the meeting, Nigh said, was to acquaint the 85 officers with changes in conservation laws resulting from the recent sesion of the General Assembly.

In a brief speech at each session.

PURDUE TESTS SHOW BEST PLAIN CAKE

After testing 126 cakes during a one-year project, Purdue University workers research home economics Speakers at the meetings included found a combination of recipe and with six mixing methods and seven

Prof. Gail Redfield, in charge of the work, recently released the following recipe and instructions for mixing to produce a plain cake that best meets these qualifications; moistness, freshness, lightness, good eating quality, and appearance

RECIPE 24 cups cake Flour 2½ tsp. baking powder 1 tsp. salt

1/2 cup vegetable fat

1 cup milk 1

METHOD OF MIXTURE

Sift together flour, baking powder salt, and sugar. Add shortening. Combine milk and eggs. Add one-half of liquid. Add flavoring. Beat for two minutes at medium speed. Add remaining liquid. Beat for two more minutes at medium speed. Bake in oven for 35 minutes at 350 degrees F. All ingredients should be at room temperature

Prof. Redfield pointed out that not all recipes will work satisfactorily for quick-mix methods in baking a plain cake. It was recommended that if possible, or available, an electric mixer should be used to realize a better

duced by hand-mixing, none were scored as high by judges in the department of home economics as the machine-mixed cakes.

## Educational Material Available

IF YOU are thinking of moving to IF YOU are thinking of moving to the country (and most city folks seem to be in that frame of mind today) you'll be interested in a booklet that came to our house a few days ago. It has no advertising and tells in straightforward way the story of how a home in the country can have the same modern gas cooking, gas refrigeration, automatic gas water heating and gas room heating as is used and en-joyed by city dwellers.

For the benefit of farm families,

For the benefit of farm families, it also tells how gas can be used on the farm for poultry-brooding, milk house sterilization and other farm production jobs. The name of the book is "The ABC of LP-Gas." " LP-Gas is the general name for the liquefied gases, butane and pro-pane, which most of us know as "tank" gas or "bottled" gas. The booklet can be obtained, free, by writing the industry's headquar-ters, Dept. BM., the Liquefied Petro-leum Gas Association, 11 South La leum Gas Association, 11 South La Salle Street, Chicago.

If you are planning on building, or remodeling, a home in the coun-try, I suggest that you get this booklet and read it while making your plans. Many associations and manufacturers are producing similar educational material. For the cost of a low perny postals you can get them. They may give you a lot of mency say og ideas.

veterans' children must be greatly ex- the flu. panded to meet their needs. We look to the poppy for the funds we must have to finance this work."

The Auxiliary's child welfare workers, of course, are all volunteers so that every dollar we receive goes to the needy children. The experience our women gained in their years of effort for the children of World War veterans is now proving of great value in the work of those for World War II veterans. They are able to make poppy contributions go a long way in relieving suffering and hardship among veterans' families.

The money which the people of Mentone contribute for their poppies on Saturday, May 24, 1947, will remain men are making rapid progress in relargely in this community to meet the local needs in the year ahead. It will be divided between the rehabilitation and child welfare funds, part going for emergency relief of the disabled veterans themselves, and part for children of veterans.

When we honor the war dead by wearing a memorial poppy, we also aid their comrades who are disabled and the children left without a father's support by the war .

#### EGG SHOW COMMITTEE MEETS

Thursday evening, of last week, the egg show committeemen met at the Co-Op. office and held their election meeting. Delford Nelson was elected chairman; Dean Marble, co-chairman, and Richard Manwaring, secretary and treasurer.

A report of the 1947 show was made and considerable discussion held relative to the next event. It was definitely decided that it would be held in late September or early October of 1948. The spring show always came just when hatcherymen were too busy to be able to afford taking the time to work out the details of the big event. The discussion also brought out the need for more producers to take part in the show, especially since it is mainly for the benefit of the producers.

During the evening an Elgin wrist watch was presented to Lyndes Latimer in appreciation for his work at the banquet.

Used Arvin Radio - \$175. Snyder's Appliance, Phone 98.

Mrs. Clara Riggs was taken to the Woodlawn hospital, Rochester, last Friday for treatment?

Mr. and Mrs. Chester Manwaring have returned to their home here after spending the winter in Florida.

Friends were happy to greet Broda 

ways carried out for the welfare of trip out of doors since her seige with

Howard Kohr made a trip to the state prison at Putnamville Tuesday when he accompanied Sheriff Henderson in delivering a prisoner to the institution. Howard said he managed to "escape" and made the return trip with Henderson safely even though it rained all the way.

Tommy Stanford is rebuilding the old Mentone Dressing Plant building, at the rear of the Mentone Cafe, for his garage and repair shop. He recently purchased the building, and the adjoining house, from Eunice Reed. George McIntyre and his crew of workbuilding the garage building.

## Kangaroo Rats

Apparently uninhabitable sand dunes of Nevada are the home of a host of small animals, such as kangaroo rats.

Many Mentone citizens made trips into Warsaw Tuesday to view the train wreck on the Pennsylvania. A fast passenger train and 11 coaches left the track and slid most of the way through town before coming to a halt. Only two were seriously injured in the wreck-one passenger and a crossing watchman who had his tower knocked from beneath him.

### **Commercial Fertilizer**

Commercial fertilizers were introduced over 50 years ago. At first, the packing houses in Chicago began to make the by-products of their meat-processing plants into fertilizer. Then so-called mixed and complete fertilizer came along in concentrated form by adding treated phosphatic rock for the phosphoric acid, and potash salts, mostly mined in Germany at first, for the potash in "mixed" goods.

When spring comes, can the Circus be far away? Not for youngsters who have found some wonderful new circus toys. Why not take a hint from the children and make

their spring party a Circus shindig, with "Big Top" refreshments? Try decorating the table with a paper-ruffed clown for the center-piece, and as a souvenir at each place, use one of the movable circus toys which can be found in a wellknown red, white, and blue cereal package this month. There are Leo, the trick lion, Twinkletoes, the dancing clown, Zippo, the human cannonball, Klicko, the monkey that actually climbs, and many others. Putting them together without paste or scissors is ducksoup for small fry, and after the party, these toys will provide many happy hours.

For refreshments in a truly carnival style, try Zippo Cannon Balls, simple to make and digest, and just the thing for a child's sweet tooth. Served with Grape-Nuts Ice Cream — m-m-m-m — delicious.

Zippo Cannon Balls

- cup sugar
- 16 18 teaspoon salt
- teaspoon soda
- 1/8 cup dark corn syrup cup milk
- <sup>2</sup>/3 teaspoon vanilla

cup butter or margarine

4 cups corn flakes

Combine sugar, salt, soda, corn syrup, and milk. Bring to a boil, stirring until sugar is dissolved. Then cook, stirring occasionally, to 233° F. or until a small amount of mixture forms a very soft ball in of mixture forms a very solt ball in cold water. Remove from heat and cool about 1 minute. Add vanilla and butter and beat until thick. Pour over corn flakes and stir until well mixed. Shape into 1-inch balls, buttering hands lightly to prevent sticking. Makes about 4 dozen balls.

Grape-Nuts Ice Cream 2 teaspoons speed-up gelatine

- 1 cup milk 2 cup sugar Dash of salt
- cups light cream
- 2 cups light cream 1 teaspoon vanilla

4 cup Grape-Nuts Place speed-up gelatine in bowl; add ¼ cup milk and mix well. Heat remaining ¼ cup milk Add to speed-up gelatine mixture; stir until gelatine is dissolved. Dissolve sugar and salt in hot mixture. Add cream and vanilla. Turn into freezing tray of auto matic refrigerator, setting control for coldest freezing temperature. for coldest freezing temperature. When partially frozen, remove from tray and beat with rotary egg beater until fluffy and smooth. Fold in Grape-Nuts. Return to tray and freeze 30 minutes longer; str. Then freeze until firm. Freezing time: 3 to 4 hours. Makes 1 quart.

STORE HOURS:---8 a. m. to 6 p. m. Monday through Friday. Saturday 8 a. m. to 10 p. m. BURKET 4-H JUDGING TEAM TO DISTRICT MEET

District 4-H dairy, poultry, livestock, crops and demonstration contests will be held at the Columbia City school building at 9:00 a.m. May 1, it was arnounced Monday by Cliff Breeden, assistant county agent. Teams which placed first and second in Kosciusko county elimination meets will represent the county.

County agent Joe Clark will head the committee in charge of poultry judging.

Latest county winners to be selected were in livestock judging. In the elimination held Saturday, Milford captured first place and Burket second. Members of the Milford team include Jim Stieglitz, Phillip Beer, and Robert Buhrt, with Arthur Gilbert as alternate. Harold Wilson and Carlton Beer were coaches.

The second place Burket team included Norman Tinkey, Dick Parker, and Wayne Williamson, with Rex Bowen as alternate and Clarence Tinkey as coach.

Other teams taking part were Beaver Dam and Silver Lake, who tied for third place; Mentone, fourth; East Wayne, fifth; and Syracuse, which had only two members, and for this reason failed to place, even although both boys were high-scorers. Merton Bushong, Syracuse, led the county as individual high scorer; Dick Parker, Burket, was second, and Glen Stiffler, Syracuse, was third.

### Dry Cleaning 0.200 Garments which have a strong cleaning fluid odor when returned from the cleaner have undoubtedly

been put through an insufficiently clarified solvent. A really good dry cleaning leaves no undesirable odor.

## WHAT SAITH THE SCRIPTURES?

(Preacher has pointed out that Jesus prayed for the unity of be-lievers, but that the present religious world is seriously divided.)

- L. "Well, as I said, our differ-ences are over matters of no importance."
- "They are important enough to keep us divided. And Jesus didn't want us to be divided; neither did Paul. He rebuked the Corinthians for their di-vision, and said, 'I beseech you—that you all speak the same thing, and that there be Р same thing, and that there be no divisions among you; but that you be perfected to-gether in the same mind and in the same judgement' (I Cor. 1:10,11). You wouldn't say that we all speak the same thing, and that we are of the same mind and the same judgement, would you?"
- "No, of course not: but you will never be able to get ev-erybody to do that." L.
- Jesus prayed for it, and Paul urged it. Surely they thought it was possible."
- "But we just can't all see the Bible alike." L.
- "Do you mean that Christ prayed and Paul labored for Ρ WELCOME TO THE CHURCH OF CHRIST

- an impossibility?"
- L. "Well, I wouldn't put it that way, exactly; but I just know we can't all see the Bible alike.
- like." "Didn't you say awhile ago that when Paul lived there was but one body of Chris-tians, and that they all con-stituted the church of Ρ. stituted Christ?"
- Yes, but it's different now." "In Paul's time he said there is 'but one body' (I Cor. 12: 20); and this you admit: why, then can't we have just one body now? If they could all see the Bible alike then, what is the matter that we can't do so now?" "Even then they had their
- differences." "Yes, but they differed over
- Р "Yes, but they differed over such matters as which prea-cher they liked best: and when this caused division among the people. Paul severely rebuked them for it. I Cor. 1:10-13).

Wednesday, April 30, 1947

John H. Nigh, director of the Indiand Department of Conservation, today commercied the 1947 session of the General As embly for passage of "corlegislation concerning the "cetive" state's 800 fresh water lakes.

Pointing out that injurious practices over the years threatened to ruin one of the state's greatest natural assets, Nigh said the Conservation department is now empowered to:

1. Prevent the filling in of shorelines which, he said, have ruined fish bawning and feeding grounds and adversely affected economic, recreational and water resources values of the lakes.

2. Prevent construction, reconstruction or recleaning of any ditch, which will effect a lowering of the water level of lakes

These two laws, Nigh said, "give us a chance to preserve what has been fast-disappearing resource." Hardly 11 a lake in Indiana, he added, has not suffered from drainage or shore-line encroachment

Pointing cut that persons violating the laws are subject to fines ranging trolling industrial products necessary from \$100 to 31,000, he advised that any to agriculture will be among the probprospective action regarding shore- lems discussed at the first annual the department.

The open season on bass fishing in

Indiana closed Wednesday, the Indiana Department of Conservation reminds Horsier fishermen.

Trout fishing becomes legal May 1 with the season extending through August 31.

Pan fish, (bluegills, sun fish, crap-pies, rock bass) will remain legal catches through May 20 under an experimental slash in the normal six-week closed season. Both bass and pan fish seasons will re-open June 16.

Decision to delay closing the pan fish season, which normally would have ended Wednesday, was announced recently by John H. Nigh, Conservation director. Nigh said the 20-day extension was granted in an effort to reduce populations in over-crowded lakes and streams.
