LIONS ENTERTAIN

BASKETBALL PLAYERS

The Mentone Lions club was host to the basketball players, coaches, trustees and principals of the Beaver Dam and Mentone high school on Wednesday evening. This is an annual feature for the Mentone club.

Jack Shearer, of Syracuse, a young man who spent four years in Father Flannigan's Boys Town, in Nebraska, gave a talk of what Boys Town means to him and what benefit it is to the underprivileged boys who have lived within its borders.

CUB SCOUTS TO ORGANIZE

All parents of boys, ages 8 to 12, and boys who are interested in Cub Scouts, are invited to bring a covered dish and table service to Methodist church on Friday evening, April 6, at 6:30 p. m. Final arrangements for organizing will be made at this meeting.

CLUB CALENDAR

The Mentone Home Economics Club will meet on Thursday, April 12, at 1:30 p. m. in the Home Economics room of the school, with Mrs. Howard Horn as hostess.

The Jolly Janes Home Ec. club will meet at the home of Mrs. Ema Clutter Monday night, April 9. Each member bring a plastic household article bearing a label.

Mothers of World War II unit 106, will meet at the home of Flosum Newell's Wednesday evening April 11th, at 7:30. Each and every Mother who has or has had a son or daughter in the service of our country since World War II began, are invited to these meetings.

Franklin Township Farm Bureau meeting at the Beaver Dam School. April 8th 7:30. Speaker of the evening will be the District Field man, Marion Stackhouse. Report on the Soil conservation progress. Rural Youth in charge of the entertainment which will be a play. Harrison Township members invited to attend.

Legion Auxiliary, Tuesday, April 10, 8 p. m. at the Legion Home.

RESTAURANT REDECORATED

Mrs. Virginia Peterson opened her restaurant on Monday morning after being closed a week for spring cleaning.

The interior has been made very cheery with a coat of sun yellow paint and cool green on the walls. The floor has a covering of rubber tile. A new electric stove with french fryer has been installed. (Even the one table which was inclined to wander around a bit has been fastened down securely).

We forgot to ask Virginia, but believe she moved the stove with the oven to the back summer kitchen where she plans to bake her pies.

CHORAL PROGRAMS GREATLY ENJOYED

Twice within the past two weeks music lovers of our community have had the privilege of hearing some fine musical presentations.

On Friday evening, preceding Easter the Methodist Church Choir, under the capable direction of Rev. David Gosser, gave the Easter cantata, "From Darkness To Light" with themes from the well loved music of Tschalkowski. The cantata opened with an organ prelude by Mrs. Dan Urschel which used the theme from the Fifth Symphony. The choir and solo numbers were lovely and the results show what can be done with voices of those who really like to sing.

On Tuesday evening of this week at the Baptist Church, the Coronation Choir of the Bible Institute of Los Angeles presented an exceptional program. This choir is under the direction of Eva Margaret Tovey.

The Choir left Los Angeles on March 15 by chartered bus and will be back at school on April 15.

Their program is a pleasant mixture of sacred music, negro spirituals and hymns. Their director, Mrs. Tovey, uses an unusual arrangement in placing the singers so that you see a man then a woman, a man, then a woman, etc. This placing completely isolates each singer from another of his or her group. The result is note perfect singing for each singer and an overall "human organ" effect.

We feel Mentone has been fortunate in being able to hear programs of this type.

BOWSER

Mr. and Mrs. Wayne Bowser are the parents of a daughter born last Friday, March 30, at the Woodlawn hospital. The new daughter has been named Debra Jo, and weighed 7 lbs., 4 oz.

Mrs. Bowser and baby came home on Monday.

IN SERIOUS CONDITION FOLLOWING BRAIN SURGERY

Wendall Kinsey, son of Mr. and Mrs. E. H. Kinsey, remains in a serious condition following brain surgery for the removal of a tumor, last Friday at Hartford Connecticut.

Mrs. Wendall Kinsey called the E. H. Kinseys Tuesday evening and said that her husband had been able to sit up for a short time in the afternoon.

EASTERN STAR INSTALLATION

On Friday evening, March 20, the following were installed as officers of the Mentone Chapter, No. 331, O. E. S. Mrs. Arthur Brown, Worthy Matron; Mr. Arthur Brown, Worthy Patron; Mrs. Guido Davis, Associate Matron; Mr. Guido Davis, Associate Patron; Mrs. Ralph Mollenhour, Secretary; Mrs. Wilbur Latimer, Treasurer; Mrs. Fred Lemler, conductress; Mrs. Lyman Mollenhour, associate conductress; Mrs. Jack Van Guilder, Chaplain; Mrs. George Black, organist; Mrs. Robert Sittler, Adah; Mrs. George Clark, Ruth; Mrs. Robert Goshert, Esther; Mrs. Ned Miller Martha; Mrs. Richard Manwaring, Warden and Mrs. Byron Peterson, sentinel.

A beautiful and impressive escort was planned for the incoming Worthy Matron. After taking the obligation, her two small nieces, Miss Marilyn Rathfon and Miss Yvonne Sue Rathfon, were waiting to escort her to the East through an aisle formed by her officers. At this time Mrs. Eileen Koenig sang a song for her. Mr. Brown was also escorted by his small nieces to his station. Marilyn Rathfon sang "The Lord is My Shepherd" and "I'll be Loving You Always."

Mr. and Mrs. Ralph Mollenhour, past Patron and Matron were escorted into a triangle formed by their officers of last year and were presented past matron and past patron pins from the chapter.

SOFTBALL MEETING HELD

A softball meeting was held last Friday evening to discuss ways and means and fixing of bleachers and fences for the coming season.

William Schooley was elected the chairman for the season, Raymond Cooper secretary and Ora McKinley as treasurer.

At this meeting a collection was taken which amounted to about \$30.00 to be used to help make up last season's deficit.

The softball season will start about the first of June. Anyone wishing to sponsor a team is urged to see Bill Schooley for details.

The Travelers League will hold a meeting at Plymouth on April 11 at the City Hall. Anyone wanting to go should call Bill Schooley.

IN ST. JOSEPH HOSPITAL

Mrs. George Clark is a patient in the St. Joseph hospital, where she underwent major surgery. Her condition is satisfactory.

Friends may write to her there at room 477.

HORN

Mr. and Mrs. Paul Horn of Bourbon are the parents of a son born Tuesday at the Murphy Medical Center.

The new son has been named David Paul.

HAMPSHIRE BREEDERS HOLD PUREBRED SALE

The Kosciusko County Hampshire Hog Breeders Association held another fine sale at the county fair grounds last week. The 103 head sold brought a total of \$8,300.00.

The top selling boar was consigned by W. R. Wedrick of Silver Lake. He was of Master Model breeding and Don Betzold, of Ramsey, Ill., paid \$200 for him. The second top boar was consigned by Leroy Norris of Mentone. Of Mid-West breeding, Ross Bartske, of Vicksburg, Mich., paid \$115 for one and Paul Hartman, of Kokomo, paid \$102.50 for the other.

The association plans to hold two fall sales this year.

COUNTY HOME EC. NEWS

A luncheon for home economics club members of Kosciusko County on May 1 is to be the main feature in observance of National Home Demonstration Week, April 30—May 5, according to plans outlined at the Presidents' Council meeting Friday by Mrs. John Gebert, of Pierceton, who is chairman for events of that week. Tickets were distributed to club presidents for selling to local club members. The luncheon will be held at the Eskimo Inn, Winona Lake with a program featuring a panel of speakers describing woman's place in the home in other countries. Assisting Mrs. Gebert are Mrs. Lawrence Rife, Mrs. John Pfahler and Mrs. Norman Huffer, all of Warsaw and nearby vicinity, and Mrs. Charles Crouch, Pierceton.

Among other business matters considered at this Presidents' Council meeting, decided over by Mrs. Everett Rookstool of Beaver Dam, county president were several committee reports, which included woman's building improvement committee by Mrs. Earle Johnson, of Wayne township, constitution committee by Mrs. Earl West of Warsaw; Woman's Camp given by Mrs. Frank Pfahler for Mrs. Earl Copen; County Fair by Mrs. Rookstool, and county home economics picnic by Mrs. Gebert. Mrs. Harold Tusing of Dutchtown reported the county home economics chorus had decided on reg-

ular rehearsal dates of the first Monday and the third Tuesday nights. Mrs. Virgil Freed, Silver Lake, announced she would still takes orders for home economics club pins.

The date of the program planning leader training meeting was changed to Monday afternoon, April 23, at the request of Mrs. Ruth Snellenberger, local home agent.

Preceding the business meeting there was a round table discussion of problems confronting local clubs, such as limited memberships, inactive members, long business sessions, and so forth. Mrs. Olney Clase, Warsaw, served as moderator. Members of the discussion group were Mrs. Stuart Lindzy, Silver Lake; Mrs. Paul Royer, North Webster; Mrs. Bernard Cox, Claypool, and Mrs. Amer Koontz, Sidney.

Two new clubs were welcomed and their presidents introduced—Mrs. Raymond Helser of the Thrifty Fifty Club and Mrs. Roger McConnell of the Oswego Friday Nighter.

Forty-three of the 51 clubs were in attendance at the Council meeting held in the County Extension Office.

LOCAL NEWS

Mr. and Mrs. Verle Roose of Plymouth were Sunday guests of Mr. and Mrs. Linus Borton.

Mr. James Johnson and son Steve

of Fort Wayne were Sunday afternoon callers at the Martha Welch home. James' mother Mrs. Mary Johnson returned to her home with them.

A group of eight left for army camp, from Warsaw, on Monday morning, among them was one Mentone boy, Lee Norris, son of Mr. and Mrs. Sam Norris.

Mr. and Mrs. E. C. McGowen have returned to their home north west of Mentone, after spending two weeks in Florida.

CARD OF THANKS

I want to thank all who have sent me the lovely cards.

MENTONE JUNIORS TO
PRESENT PLAY**Mrs. Howard Shoemaker**

GENERAL INSURANCE

MENTONE

PHONE 3 on 33

Members of the Junior Class of the Mentone High School will present their play April 10th. "Oscar's Other Half" is the title of the play, which is

directed by Mr. Dale Kelley, Junior Class Sponsor.

The plot is about Oscar Odum who is married to Terry Winsted. He is a backward sort of boy with a fear complex. Their Aunt Irene comes back from the Orient and steps in and takes charge of Oscar. He develops a new personality and goes around talking of "Oscar's Other Half." It is such a good comedy you won't want to miss it!

The members of the cast are as follows: Rodney Gibble as Oscar Odum, who discovers that there are two sides to his nature; Jackie Blue as Terry Odum, his loyal and adoring young wife; John Mallot as Amos Winsted, meek, mild and henpecked; Geneva Whetstone as Dora Winsted, his dominating wife; Martha Creighton as Fluffy Winsted, their precocious young daughter; Wilma Kindig as Carmel, the Winsteds' colored maid; Darlene Boyer as Lucy Jessup, the Winsteds' gossip neighbor; Roger Creighton as Scott Walker, who was once engaged to Terry; Berna Dean Sensibaugh as Mrs. Irene Kimbro, Dora's widowed sister; Donnagene Dillman as Janyce Kimbro, Irene's young daughter; Mary Louise Bare as Gay Landon, glamorous movie star; Richard Kindig as The Sultan of Salaam, who adds to Oscar's difficulties.

Tickets may be purchased from any Junior or at the door. Prices are 50c for reserved seats and 40c for bleachers.

Protection for Shoes

If your shoes come clean after a scrubbing but the leather toes and heels look dowdy, give those portions of the shoe a coat of thin colorless shellac. It protects the leather and restores gloss.

COLOR IN THE SMOKIES

The great Smoky Mountains National Park is due this late spring for an extra-heavy floral display of rhododendron blooms, Arthur Stupka, the park's chief naturalist, predicts. Rhododendron blooms, he says, have cycles of lighter and heavier blooms, and all signs point to a showy season this June.

The Catawba, or rose-purple variety, has its normal blooming season in mid-June which coincides with that of the flame azalea, called by leading naturalists the most showy and brilliant of all native flowering shrubs which in the Smokies grow in such profusion of reds, oranges and yellows as to give the appearance of setting

whole forests and "health" balds aflame.

The flower show, staged by nature, starts as early as March, accelerates in April with abundant varieties, but reaches its climax in massed color displays in May and June.

Great Smoky is the most visited of all national parks. During the most recent travel season, a total of 1,774,000 people from all parts of the country entered the park—all but 52,000 of them traveled by automobile, the Chicago Motor Club said.

This year a new motor highway into Cade's Cove will be open. It will give access to a famous pioneer farming area where are found some of the best examples of the original mountain dwellings in single and double log cabins, smokehouses, corncribs and grist mills. Easy hikes lead from this great valley area to Abrams Falls and to some of the finest stands of virgin hardwoods remaining in North America; trees that were full grown when Columbus set sail for our shores.

NEW RADIO SYSTEM FOR CONSERVATION DEPARTMENT

Radio Station KA 5295, official communications division of the Division of Forestry, Indiana Department of Conservation, is now on the air in full swing.

Fourteen transmitters and receivers of the FM type of transmission are now in operation. Four are in fire towers in McCormick's Creek State Park, near Spencer; Morgan-Monroe State Forest; Cincinnati, (Indiana), and on privately operated but subject to call by the Indiana Department of Conservation. Planes are stationed at North Vernon Shoals and Franklin, Indiana. Foresters' cars so equipped are operated by District Forester Stanley Myers, L. B. Miller, Walter Henderson, S.W. Sorrells, M. C. Schwartz, Cecil Arthur and Lyle Thompson.

Millions of dollars worth of damage is done annually to forests through fire. Indiana has been fortunate in keeping its fire loss at a very low figure. Foresters cruise their districts daily, keeping on the alert for brush fires, grass fires or campfires abandoned by careless pleasure seekers. Care-

lessly tossed cigarette and cigar butts are one of the greatest menaces to the safety of our woodlands.

Now foresters on the prowl and tower men spotting a fire are enabled to spread an alarm calling fire fighters to the scene within a matter of minutes. The new radio system also is used to communicate with Conservation Officers equipped with walkie-talkie sets.

The frequency assigned the Conservation Department enables operators to use two channels, one for intercar communication and one for a general alarm to all cars, planes and fire towers.

Installation of the radio system began last September according to Kenneth M. Kunkel, Director of the Indiana Department of Conservation. Placement of the tower set-ups and the working plan of codes and communications between tower and foresters was worked out by Ralph Wilcox, Director of the Division of Forestry and Henry Beadell, assistant to Mr. Wilcox.

Mrs. Mary Johnson of Churubusco, visited last week with her sister, Mrs. Martha Welch of North Franklin St. in Mentone.

MENTONE, IND.

BOY SCOUT NEWS

On Monday evening, April 9, the Scout troops of Atwood and Etna Green will meet with Troop 58 of Mentone for the first in the quarter check-up meetings to see which of the three troops has made the most progress since the first of the year.

Neighborhood Commissioner Wayne Tombaugh is in charge of the meeting. A program and refreshments are planned. Every local Boy Scout who has a uniform is to appear in it.

It has been announced that the next paper drive will be on Saturday, April 21. Watch for further announcements as to the hours and time of soliciting it. It will be a great help to have the newspapers and magazines tied or

packed separately.

Pine Ridge has been selected as the camp site which Troop 58 will use this summer at the Pioneer Trails Camp, near Cromwell. The time for the local troop to go to camp will be Sunday afternoon until Friday night, July 15-20. Please keep this date in mind when planning summer vacations because the boys who have helped to collect paper have earned or will be earning the privilege to attend without any expense to the parents except for spending money. All boys who attend must be registered Scouts. Attendance at meetings will help him qualify to be a better Scout. It is urged that each Scout be active in the church and Sunday School of his choice.

ENJOY BIRTHDAY GATHERING

Mr. and Mrs. Don Baker entertained at dinner on Sunday, in honor of Mrs. Joseph Baker's birthday anniversary.

The guests included Mrs. Emma E. King, Mr. and Mrs. Joseph Baker, son Wayne and daughter Linda, and Miss Bonnie Reese, of Macy. Callers in the afternoon were Mr. and Mrs. Clarence Cotey.

Mr. and Mrs. Joseph Baker and Mr. and Mrs. Adam Carper spent Wednesday evening at Mishawaka, attending a hardware meeting. This included a dinner guest speaker who discussed topics of interest concerning the trade.

FORMER TALMA GIRL**MARRIED AT GARY**

Word has been received of the marriage of Miss Mary Jean Kalmbacher and James D. Duiwoddie in Gary on March third.

Miss Kalmbacher lived in Newcastle township until six years ago when she went to Gary. She is an employee of the National Tube Co., in Gary. Mr. Duiwoddie is a member of the armed forces.

Mrs. Margaret Engle and Mrs. Bertha Engle, of Hammond, visited with Mrs. Earl Meredith Wednesday afternoon.

THE SEEING EYE DOG

Did you ever watch a seeing-eye dog guide those who walk in darkness? These dogs guide their sightless masters through the perils of congested traffic in various parts of the country. Mere humans may be guilty of jaywalking, but not these four-footed guides and guardians of the blind. Many people are run down by automobiles at street crossings, but you never hear of a motorist who has ever run down one of these dogs, unless he deliberately tried to do so. All records show that the toll of life is small, that is, taken where seeing-eye dogs lead the way. In fact, I can't remember of a single instance. Although I did hear of a blind girl and her dog in a Chicago fire where a hotel burned, and several people lost their lives. When the fire started the blind girl and her dog were in the building, but he led her down to the fire escape, led her down and was several blocks away before he allowed her to stop. No one knew just how this dog knew where the fire escape was, or what it was used for, but evidently he knew.

German Shepherds are used mostly to guide the blind, but a few other breeds are used, also. Among these are the Pointer, Labrador, Doberman and Boxer. If you are ever in Morristown, New Jersey you can see the trainers at work. It takes about three months to train one of these dogs and about three or four years to train the trainer. Great care is taken in choosing a seeing-eye dog for an individual. They are and must be chosen to suit each other. You can't assign just any dog to a man and expect them to be happy together, anymore than you can assign a woman to any man and expect them to live a peaceful life. The blind and their dog must live happily together. If you'd match an energetic man with a slow dog, the man would be mad all the time because he was going too slow. You can't force a dog to lead a man. They do it because they like it. The guide dog is a happy dog all the time, because for 24 hours of the day every day he has the companionship of his master, and after all, all he gets in return is the master's friendship, kindness and care.

Ready for Spring?

IT' EASIER TO DO YOUR SPRING AND SUMMER WORK WHEN YOU HAVE THE PROPER EQUIPMENT.

WE NOW HAVE A SUPPLY OF:—

STEPLADDERS, BUCKETS, TUBS, PANS, MOPS, Etc.,
to help in your housecleaning.

POWER LAWNMOWERS to ease the chore of keeping
your lawn looking beautiful.

GARDEN HOSE. Why use an old leaky hose? Water
the flowers and lawn—not yourself.

And many other items you need to make your work easier.

Co-Op. Hdwe.

LIBRARY NEWS

Attention Boy Scouts and Cub Scouts The Library has a new Merit Badge series including ninety seven booklets. Each booklet describes a different hobby, activity or vocation. Each one lists the requirements necessary to obtain a badge in that activity and tells where additional information on the subject may be secured. Some of the vocations or hobbies treated are: Indian lore, plumbing, hog production, landscape gardening, journalism, insect life, marksmanship, machinery, public speaking, pathfinding, leather work, cooking, pigeon raising, chemistry, sheep farming, soil management, photography, electricity, first aid, dramatics, first aid to animals, citizenship, conservation and many others.

We also have "The How Book of Cubbing", which is packed with ideas for Cub Scouts.

For our older readers, we have two note worthy new books. "First the Blade", by Drayton Mayrant is serious fiction with the deepening faith of Pilate's wife as its theme. It has been very well liked by those who have read it.

"Farm Wanted", by Helen Train Hilles begins when a city couple take a drive in the country one day, and buy a place 'just for summer week ends'. Fifteen years, two children, several hundred hens, four goats, some cows and a number of pigs later, the feminine half of the couple, Helen Train Hilles, took stock of things. A little bewildered, she discovered she was a farmer. "Farm Wanted" is the story of how it all happened—a delightful account of the joys of turning some overgrown acres into a farm, and of the deep, lasting satisfaction you can have in the country.

"Out of This World" by Lowell Thomas and Lowell, Jr. is a true account of a trip to Tibet and other Himalayan points by this father and son team.

Special attention is called to the group of books for Child Guidance and P. T. A. members.

SOIL EROSION BIG PROBLEM

by County Extension Agent

In the United States, erosion has ruined about 100 million acres of once good cropland. An equal amount has been badly damaged and still another 100 millions acres are eroding too fast. Land is being destroyed at the rate of about 500,000 acres each year. In order to counteract and slow down this destructive procedure farmers in Indiana are organizing to fight this waste. Already over 50 Indiana counties have organized soil conservation districts under the Indiana Soil Conservation districts law. Briefly the law provides that landowners may establish a soil conservation district to conserve soil and water resources and prevent erosion. A board of five supervisors, all farmers of the district, develop the program and see that it is carried out.

The U. S. Soil Conservation Service is authorized to assist districts. When requested, it will supply a trained farm planner and an assistant. Engineering, soils, and other specialists are located at points throughout the state to assist the planners as needed. These men are paid from federal funds and neither the farmer, county, or state is charged any direct fee for the technical service of these men.

In the 5 year period from 1942 to 1947 the U. S. Soil Conservation Service expended \$1,689,000 in Indiana in furnishing technical assistance to 5,182 Indiana farmers through their own soil conservation districts. During this same five year period the increase in farm income from 500,000 acres of land treated by conservation districts amounted to \$6,000,000. New farm income already added by draining other farm land in the state totaled an additional \$2,500,000. For \$1,689,000 expended \$8,500,000 in increased earnings were returned in this five year period.

UNCLE SAM CONVICTS HUNTER

(Indiana Department of Conservation) Gerald McClure is one of several United States Game Management Agents, assigned to Indiana Territory. In other words Mr. McClure is a Federal Game Warden or Conservation Officer.

McClure gets around. And quietly too. Better watch out. He may sit quietly in his car parked off the highway reading a newspaper or apparently appear to be just sitting. He may be roaming around checking what is going on. But he is on the alert for the luckless individual who may be hunting during the closed season or committing any one of a dozen violations of Indiana hunting laws.

One day last week Mr. McClure heard a couple of rifle shots. Soon a man came walking toward the road carrying a sack. He is still holding it.

"What have you in that sack, neighbor?" McClure asked.

"Nothing," came the reply.

"Well I'll just have a look," said McClure producing his federal identification.

"Nothing" proved to be two Little Blue-Bill Wild Ducks, a male and a female.

"Well, we'll just take a little ride over to Martinsville to the Justice of the

Peace there," said McClure. "You are under arrest for illegal possession of Little Blue-Bill Wild Ducks and taking Little Blue-Bill Wild Ducks during the closed season."

It should be pointed out to those who may be thinking of doing a bit of closed season chiseling that violation of the Federal Migratory Bird Act is punishable both in the Federal and Indiana courts. The violator in this case was given a break by being allowed to stand trial in the Indiana court.

Before Judge Guy Brown, Martinsville, Ralph Hodges, age 66, living on a Rural Route near Paragon, Indiana, was fined a total of \$160 and his 22 caliber rifle was confiscated. Captain John Reath of the Enforcement division of the Indiana Department of Conservation, participated in the prosecution.

Recent word from Mrs. Lide Williamson, who is a patient at the McDonald hospital, says she is improving and anxious to be home.

Monday evening supper guests of Herman Fanning and family were Mr. and Mrs. Max Montel, Mr. and Mrs. Everett Montel and daughter of Claypool; Mr. and Mrs. Joe Montel and family of Palestine; Mr. and Mrs. Delbert Montel and the German exchange student who resides with them.

"THIS MAY BE QUICK, BUT I THINK IT'D BE CHEAPER IF YA DID YOUR OWN SPRING CLEANING, PAL!"

**"DUNKING" EPIDEMIC
AT CRYSTAL LAKE**

Anyone who wasn't all wet at Crystal Lake early last Monday morning was certainly out of order. The normal calm of the lake area exploded with sudden fury when a car driven by 17-year-old Bev. Richardson, of Warsaw, continued straight ahead at the east side of the lake—where the road turns—and plummeted 125 feet and landed out into the lake. Four night fishermen in a boat nearby, all turned suddenly when the big splash occurred nearby, tipped the boat and put it under. Two Warsaw police officers, following the fleeing car at over 90 miles an hour, jumped into a row boat to rescue young Richardson floundering around about 25 feet beyond his car in the lake. From 90 an hour on land to 3 in a rowboat on water was too sudden a change and the officers went into the drink also. Bob Vandermark, of Mentone, was soon on hand to help in the rescue and he said the water was only about to his knees—which is just about swimming water to a man of average distance from head to foot.

Of the four men once in a boat, only one could swim and he headed for shore. The other three managed to stand up in the boat that was "floating" nicely on the mud bottom about five feet down. They felt worse than the girl left waiting at the church door and wondered if their pal had

gone for coffee and doughnuts. Loyd Miner, who lives at the lake, got into the rescue squad with the officers and was unaware that one of the fishermen had gone to his home for help. Loyd, it seems, doesn't object to helping a wet fisherman with an old pair of pants and shirt but he didn't see any good logic in presenting a strange fisherman with his best set of matched gabardines.

If things keep getting any rougher out there, Charlie Leiby may find the bass hiding under his hen roosts one of these mornings.

I wonder what would happen if some Warsaw visitor would decide to take a trip up the Alcan highway?

BEAVER DAM 4-H NEWS

The regular meeting of the Beaver Dam Agriculture Club was held Friday, March 30 in the Beaver Dam gym. The business meeting was conducted by the president, Gerald Smalley. The minutes of the previous meeting were read and roll call responded by by naming a favorite car. Thirty members and a number of parents were present.

Beaver Dam placed third in judging livestock on judging day.

New record books were passed out for this year and the Officers' Training School was announced.

Pictures of the B. D. tours of 1948, '47, '48 and '50 were shown by Ar-

mours of Rochester. Also several comedies were enjoyed by all, young and old.

Refreshments were served and the meeting was then adjourned.

SHIRLEY IGO, Reporter.

**NEW CASTLE
TOWNSHIP NEWS**

FORMER BARBER HERE DIES IN GUN BATTLE

Harold Lukens, 36, who spent a few weeks in Mentone as a barber, was killed by South Bend police at 7:30 p. m. Thursday. He was buried at Akron Sunday afternoon. He was born in Disko Jan. 20, 1915, the son of Lloyd and Mabel Lukens, and married Evelyn Kaylor in Louisville, Ky., in 1948.

Mr. Lukens had been in South Bend for the past several months, and apparently his estranged wife, in company with her sister, had gone to the apartment to secure some of her clothing, when the husband threatened her with a gun. The sister called police and upon their arrival Lukens shot his wife and then engaged the police in a gun battle. He fell dead with three bullet wounds. The widow is in the Memorial hospital in South Bend, reported in a fair condition.

BOOST HOG PROFITS...

3 WAYS WITH KRAYLETS!*

*80% dairy products in dry kernel form.

1. Promote fast growth!

The concentrated dairy products in Kraylets help give regular rations the "grow-power" they need to produce quick gains—earlier market weight.

2. Promote thrifty growth!

Kraylets helps boost the value of regular rations—helps you produce more pounds of pork for every pound of feed!

3. Save time and trouble, too!

There's no muss — no fuss — no messy slop feeding with Kraylets. You get nutritious dairy products in convenient, sanitary dry kernel form.

Ask us for full details about how Kraylets can help boost your profits.

METHODIST CHURCH NEWS

Last week the name of Mrs. Arthur Witham, as one of the voices in the Easter Cantata, was omitted in error by the pastor. He makes this correction.

"The Pilgrimage Play" will be shown this Sunday evening at 7:30 in the sanctuary of the Methodist church. It is one of the finest portrayals of the Life of Christ that has been filmed for use in religious services. It is a Cathedral Film production of the Hollywood Bowl presentation.

The pastor, David P. Gosser, spent Wednesday at the Stewardship training conference at the North Methodist Church in Indianapolis. A report of this conference will be made by him at Leesburg on April 11 at 7:30 when the churches of the south group meet for a special conference. All church board members, Stewardship Committees, Lay Leader, Church School Superintendent, and others are urged to attend this meeting next week.

In the absence of the regular organist, Mrs. Dan Urschel, Mrs. Jack Vangilder will serve at the organ for this Sunday's service. A chalk talk entitled, "The Power of Prayer," will be presented by the pastor, including a drawing of Jesus in the Garden of Gethsemane.

The tenth of the series of films on The Life of Paul will be shown on Sunday evening, April 15, at 7:30. This is the beginning of Paul's Third Missionary Journey.

NOW IN JAPAN

Word from LaVierre (Cal) Wagner, to his mother, Mrs. E. E. Wagner, says he was in Japan, but moving on soon. He says he will not be able to write often but not to worry as he will be all right. His address is:

Pfc. LaVierre Wagner, US55030745
PNOR Co. 810 APO 613,
Care of Postmaster,
San Francisco, California.

Mrs. Glenn Snider has been confined to her home for several weeks on account of illness.

MRS. DEAMER HOSTESS TO S. AND E. CLUB

Mrs. George Deamer was hostess to the S. and E. department of Newcastle Township Farm Bureau Thursday afternoon.

The meeting opened with community singing, and a prayer by Mrs. H. Gordon Hyde. The devotions were given by Mrs. John Haimbaugh. Roll call was answered by each member naming her favorite flower.

A paper on safety was read by Mrs. Walter Safford. Mrs. H. Gordon Hyde was introduced to the group by Mrs. Clarence Mikesell. Mrs. Hyde, in a very charming manner, gave a talk on the "Hopi Indians."

The closing prayer was given by Mrs. Amos Sanders. Mrs. Charles Hoffman was program chairman, and several Easter numbers were read. The meeting was closed by Mrs. Cloris Barkman, who sang "The Easter Parade."

Lovely refreshments were served to 35 adults and two children. Assistant hostesses were Mrs. Florence Hibbs and Mrs. Charles Safford.

FARM MORTGAGE LOANS — Inasmuch as we confine our farm mortgage lending largely to our own community our customers are afforded the privilege and convenience of coming to the bank and making payments on their loans at any time they may receive income from their farm operations. Many of the borrowers are taking advantage of our prepayment privilege and paying principal payments in advance. These payments are credited to the next succeeding installment on the loan which gives the borrower the benefit of the privilege of skipping principal payments, if he so desires or if his plans do not materialize, to the extent that he has prepaid. Interest ceases on all principal payments on the date of payment. While our contract interest rate is 5%, the savings effected under our liberal repayment terms reduces the cost of our loans below that of many other agencies that have a lower contract rate. We charge no commissions or appraisal fees and are in a position to extend the maturity date of the principal and interest payments to accommodate the needs of our borrowers. Consult us about your long term financing needs. We believe you will agree with us that our mortgage lending program offers many advantages. **FARMERS STATE BANK**, Mentone, Member Federal Deposit Corporation. tf

SCHOOL NEWS

On Friday, April 13, the parents of children who will enroll in the first grade next year are asked to bring their child to school between the hours of 1:00 and 3:00 for the annual pre-school check-up. Dr. Shultz and the County Nurse, Mrs. Nene, will be here to examine the children, and administer immunizations which the parents desire. Since a visiting day will be later in the Spring, parents are asked not to send their children for the entire day on April 13th. In order to enroll next year a child should be six on or before October 1, 1951. A list of these children has been compiled and cards will be sent to each. Any parent in receiving a card, but who has a child school.

enrolling next year, should contact the The Mentone School Band traveled to New Haven for the District Contest last Saturday. Our band was judged excellent. Since of the twenty bands competing, only three were placed superior class, we feel well satisfied. Mr. Frederick has been enrolling new mem-

bers for the band to replace those graduating. Any parent interested in having a future band member in the family should talk with Mr. Federick.

Charles Urschel and Elaine Dunnuck entered the Geometry contest and Jon Cullum and Mary VandeWater entered the first year Latin contest. Both were held at New Haven.

The Junior Class is working hard to have the play, "Oscar's Other Half" ready for presentation by Tuesday evening, April 10th. Tickets are now on sale.

Janet Ann Tucker has transferred to Beaver Dam School. Janet was in the first grade at Mentone.

The boys out for track have been trying to get into condition in spite of the inclement weather. Those out this year are: Burdell Blackburn, Bob Boggs, Phil Carney, Clarence Dickey, John Davis, Ronald Brown, Pierre Ferverda, Ned Witham, Neil McKinney, Roger Creighton, Dick Kindig, Dale Molebash, Devon Marshall, and Max Faur-ote. Four meets in addition to the county meet have been scheduled.

Pupils in the first nine grades saw a film entitled, "Something to Cheer About" on Monday. The film related to care of the teeth.

Several of the teachers plan to attend a meeting at Warsaw High School on Thursday evening explaining the school laws recently passed by the General Assembly.

Miss Jordan was absent from school on Monday afternoon and Tuesday due to illness. Mr. Gosser served as substitute. The attendance has been very good recently. Several of the neighboring schools have complained about various epidemics, but fortunately, we seem to have escaped.

Mr. Lash, Merlyn Holt, Jerry Ross, and Karen Clark will attend the State FFA Convention at Purdue on Friday of this week.

Several of the 7, 8 and 9 grade girls plan to attend a physical education play day at North Manchester this Saturday.

WORD FROM DALE STIFFLER

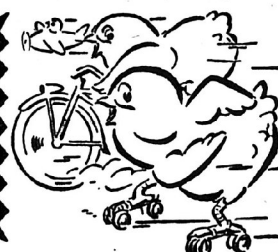

Pvt. Dale Stiffler, who arrived in Japan March 20, writes his parents, Mr. and Mrs. Hobart Stiffler, that he has now been assigned to the Eta Jima Specialist School, for a 3 or 4 months course in high speed radio transmission. The school is on an Island near Japan and was the former site of the Japanese Imperial Naval Academy, with buildings modern in design, on the 90 acre tract. Dale attended Easter services in the large stone Chapel and reports a very fine and impressive service.

Dale enjoys the Mentone paper and

though he has missed the last few copies due to his moving around, he expects they will catch up with him soon at his new address.

P. T. A. ELECTS

The Mentone P. T. A. met at the school building on Wednesday evening, March 28 for the regular meeting.

The president, Mrs. Hobart Creighton opened the meeting by asking all to

join in giving the pledge of allegiance to our flag.

After the reading of the minutes of the last meeting, Mrs. Artley Cullum, chairman of the nominating committee gave the following report. President, Carroll Eiler; Vice President, Mrs. Harold Markley; Second Vice President, Mrs. Ira Moore; Secretary, Mrs. Ora McKinley; Assistant Secretary, Mrs. Robert Reed; Treasurer, Esther Shoemaker. A motion was made to accept the report and all were elected unanimously.

A motion was made and carried to send the president elect to the state convention, which will be held at Indianapolis April 18-19.

Rev. Dowden conducted the devotion, stressing the growing need for close relationship of home and school and of christian influence on the young people, especially now when so many are going out into the world for their first time away from home, many in military service.

Wayne Tombaugh announced that Roy Cox, red cross chairman, asked him contact the P. T. A. in-as-much as the quota had not been reached.

An offering was taken which amounted to \$21.29.

Mrs. Delford Nelson read two interesting articles from the National and state P. T. A. magazines.

Mrs. Creighton appointed the following committee to invest the money taken in at the ball game for some

school equipment; Mrs. Earl Smalley, Mr. Lash, Mr. Kent, Mrs. Tombaugh and Mrs. Charles Manwaring.

Grade count was taken with the seventh grade keeping the aquarium for another month.

The meeting was then turned over to the program chairman, Ruth Urshel. Mr. Ira Moor and Ronald presented a clarinet duet accompanied by Mrs. Urshel.

A film, "Playtown", was shown which represented how one town solved the never ending problem of what to do for recreation.

Wayne Tombaugh gave a report on the youth conference he was privileged to attend recently at Indianapolis. He pointed out that each community has its own problems, that the governor had stressed that more money be spent on local recreation so less would be needed by our penal institutions.

After various discussions the meeting was closed and we retired to the cafeteria where refreshments were served by the Mesdames Gilbert Griffiths, Fred Mellott, Harold Eaton, Artley Cullum, Duane Horn, Herman Olson, Noah Tinkey and Heston Creviston.

BEAVER DAM HOME EC.

CLUB MEETS

The Beaver Dam Home Economics Club met in the Akron Library Thursday p. m. March 29 with Mrs. Richard

Moore Hostess. Assisting Mrs. Moore were Mrs. J. W. Swick and Mrs. Maynard Summle.

The President, Mrs. Ed. Creakbaum, called the meeting to order by reading the verse at the top of the page in the club book (Golden Pebbles). In the absence of the vice President, Mrs. Creakbaum opened the meeting with the song America the Beautiful. After which the Creed was repeated by the group. Mrs. Jack Mooris gave the Devotions with the group repeating the Lord's Prayer. Mrs. Richard Moore led in the singing "In the Gloaming". Mrs. Wallace Andrews gave the Health lesson. After which a lesson on House Hold Plastics was given by Mrs. Paul Cumberland and Mrs. Harold Miller. It was voted to contribute to the crippled children society. Roll call was answered by an Irish Joke. Cards of thanks from Mrs. Nellie Middleton and Mrs. Clara Eaton were read to the group by the Secretary, Mrs. Charles Leininger. The meeting was closed with the Club Prayer song.

Auction was held after which delicious refreshments were served. The club will meet with Mrs. Faith Slaybaugh of Akron in April.

Dog vs. Wolf

The main difference in the physical structure of the dog and the wolf is in the eye. The pupil of the dog's eye is round, that of the wolf is oblique.

THE PIKA

High in the Rocky Mountains lives a little fellow who really makes hay while the sun shines. He is a furry, four-footed animal who believes in keeping plenty of food on hand. So he spends many of his daylight hours collecting grass, leaves, stems and roots and piling them in neat haystacks near his home.

The name of this hard-working creature is the Pika, and he looks something like a miniature rabbit. If his ears were a bit longer and more pointed, and if he had a tail you could see, you might even think he was a baby rabbit.

Though he is a distant relative of the rabbit family, the Pika never grows to be as large as his cousins. He stays under eight inches in length, and he weighs no more than 6½ ounces. His short legs are all about the same in

length, and the soles of his tiny feet are padded. Most of his fur is brown, but it is a bit yellowish toward his head and has a touch of black near his back legs. On his short, round ears there is a fringe of white.

According to the National Wildlife Federation, most Pikas live in the Rockies and other western mountains. They make their homes at high altitudes, up where there are no trees. For shelter, they find spots where great

© National Wildlife Federation
Pika

slabs and chunks of rock have broken off and tumbled into heaps. The Pikas use the spaces between and under the rocks for their burrows.

The best way to discover whether there are Pikas living in one of these rocky patches is to look first for the haystacks. If you see the piles of food, wait quietly for the Pikas to appear. Before you spot them, you may hear their clear, squeaking call. After a bit, the Pikas may come out of their burrows and begin scurrying about the rocks. They hardly make a sound with their soft feet as they scamper easily over rough places where larger animals might slip and fall.

Summer is the busiest time of the year for the Pikas. That is when they harvest their food, and it is also the season when they raise their families. In each comfortable, grass-lined nest under the rocks, there are usually three or four baby Pikas being tended by their parents.

In the fall the Pikas hustle to carry food from the haystacks into their burrows. They may leave some of the dried plant material outdoors, but they want enough inside to keep them from getting hungry if snow should cover the ground.

The Pikas never get lonesome in their mountain hideaways, because they live in large communities. There all goes well except when some larger animal raids them. The Pikas have no way of fighting back, so they protect themselves by running and hiding. If one Pika seems to be in trouble, another may attract the attention of the attacker until the first Pika can get away.

Now and then a Pika falls victim to a four-footed raider, but most of the little creatures are left to thrive among their haystacks and burrows. They neither help nor bother human beings, but keep to themselves in their stony mountain homes.

Interesting information about other species can be obtained by writing to the National Wildlife Federation, Washington 10, D. C.

HAROLD MILLER, Manager

INDIANAPOLIS HOME SHOW APRIL 20 — 29

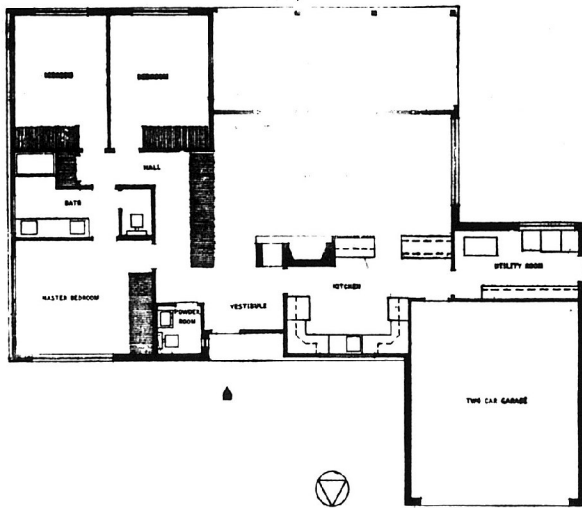

1951 INDIANAPOLIS HOME SHOW "TOWN AND COUNTRY" HOUSE

The 26th Annual Indianapolis Home Show, to be held on April 20 through 29 at the Manufacturers' Building, State Fairgrounds, is featuring another unique example of Midwest architecture. The house, designed by Ewing Miller of Terre Haute, was selected in a national competition conducted by the Indianapolis Home Show, according to J. Frank Cantwell, managing di-

a beautiful, distant scenic effect, achieved by a giant colored photo mural. A child's playground and outdoor grill are also important and useful features of this area. The playground is adjacent to the utility room and porch so that the children can be readily seen while they are playing.

The 1951 Model House of the Indianapolis Home Show is a Mid-west

rector of the Show since its beginning in 1922. Ben Olsen, Jr., of Indianapolis the builder, L. S. Ayres & Co., famed Indianapolis department store, is decorating the Model House.

The mall in front of the Model House will be beautifully landscaped by the Home Show's staff of landscape architects working in conjunction with the Garden Clubs of Indiana. The area at the rear of the Model Home has

town and Country House with 1850 square feet of floor space, which uses its structural materials to contribute to the decorative effect both inside and out. The natural tones of the materials become the basic theme for the interior decoration. Thus, the decoration amplifies or supplements the architectural features and the materials used in the structure... Indiana limestone, redwood, brick and glass.

Mrs. Lizzie Longfellow, of Warsaw, and Mrs. Mary Barkman were Tuesday dinner guests of Mrs. Earl Meredith. Afternoon callers were Mrs. Clarence Brown and Mrs. Iris Smith.

Merl Wilson is carrying a patch over his left eye due to an infection which was caused by a scratch.

★ Buy Co-operatively — And SAVE!

After the business session an auction was held with articles going to Neighbors Lillian Witham and Eleanor Coplen. Bingo was then enjoyed with prizes going to Neighbors Thelma Hilschman, Kathryn Teel, Clara Parker, Fern Rickel and Lucy Coplen. The door prize was won by Neighbor Snowden Halterman.

An invitation was sent to the Warsaw Camp to visit us at our next meeting in May at the school house. Further details will be announced at a later date.

The hostess served delicious refreshments. She was assisted by Neighbor Eleanor Coplen. There were 15 members and one juvenile present.

MERRY MENTONETTES MEET

The Merry Mentonettes held a meeting on March 26, at the Mentone school cafeteria. Pledge to the flag was led by our president, Elaine Dunnuck. Minutes were read and roll call was taken. Business was discussed. Two numbers were played by Janet Reed on her trombone, and a piano solo by Rita Olson. Refreshments of potato chips and pop were served to fifty members, two leaders and one mother.

MARY E. BRYAN, News Reporter

ROYAL NEIGHBORS MEET

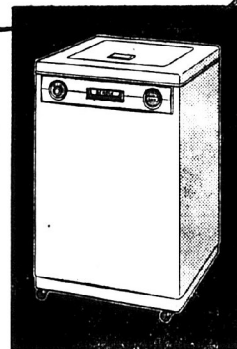

Maple Leaf Camp No. 2462 met at the home of Neighbor Folsom Newell. Camp opened with Oracle Mary Borton presiding. After the roll call of officers the minutes were read and approved.

Imagine! Work-free washing—no plumbing required.

All-New BENDIX DIALAMATIC WASHER

Here it is! A really work-free agitator washer that requires absolutely no plumbing. Fitted with casters so you can keep it anywhere in kitchen, utility room, basement; then roll it out when you're ready to do your washing. MRS. M. A. BARKMAN DIES

Funeral Services for Mrs. Mary Ann Barkman 36, who passed away at 8:45 Monday evening at her home near Talma, was held Thursday afternoon at 2:00 p. m. at the Foster Funeral home with Rev. Alvin Thomas of the Antioch Christian Church officiating. Burial was made in the Reichter cemetery of near Talma.

Mrs. Barkman had been ill for several months with complications and seriously ill for the past two weeks. She was born, October 13, 1864, the daughter of John and Margaret Zolman, in Churubusco but lived in Talma vicinity practically all her life. She was married to Alonzo Barkman in 1883, who died in 1948.

Survivors are: Four sons; Charles of near Rochester, John of Elkhart, and Twin sons Boyd and Lloyd of Talma. Four daughters; Iva at home, Mrs. Marjorie Gross of Elkhart, Miss Bulah Barkman of South Bend, and Mrs. Gertrude Eash of near Argos. There are also 14 Grandchildren and 16 Great Grand children. A daughter, Lottie Henderson preceded her in death. The body remained at the funeral home where friends called.

VINSON MEREDITH DIES.

Vinson Meredith, 81, of Fulton county, died at two a. m. Wednesday at his home, southwest of here. He had been seriously ill for three weeks and in poor health the past year.

Mr. Meredith, who was a farmer, was a lifelong resident of Newcastle township, Fulton county. He was born January 8, 1870, the son of Isaac and Mary (Coplen) Meredith. In 1890 he was married to Emma Strong.

Surviving relatives include his wife; one son, Herbert, of Elkhart; three daughters, Mrs. Esther Cormican and Mrs. Grace Chapman, of Elkhart, and Mrs. Maude Cox, of Mentone; two grandchildren and five great-grandchildren.

Funeral services will be held at 2:30 p. m. Friday at the Mentone Baptist church, where he was a member. Rev. Milton Dowden, the pastor, will officiate. Burial will be in the Sycamore cemetery, five miles southwest of here. Friends may call at the Johns funeral home until 1:30 p. m. Thursday and at the Meredith residence after that hour.

CANCER CRUSADE
STARTS IN COUNTY

The cancer crusade Chairman for Kosciusko County is Mr. Giles G. Hoffer. He is being assisted by the executive board and advisory council.

Letters have gone out to over 10,000 residents of our county in the last few days. It is hoped for a good return of these so that the work of the county can go on. In the past year about \$1,000 dollars has been spent among the following Townships: Plain, Harrison, Washington, Wayne, Turkey Creek, Munroe and Jackson.

Maybe your neighbor or friend could be assisted by our services. Do you know that assistance is available for x-ray and Radium treatments. For dressings, bandages, medicines and other supplies for the cancer patient. For Laboratory cell examination and biopsies (minor surgery to secure tissue for laboratory examination). For transportation to and from the clinic or hospital for treatment.

Education is not forgotten for we feel that an educated public is the best way to Kick Back at Cancer. Education is directed toward early detection. Early diagnosis, treatment and cure of cancer is directed through schools, clubs and civic organizations by films, radio, leaflets, contests and lectures.

Films in our County are available in the County Nurse Office for any group who desires them. The county Group has purchased several and there is no charge for them and a person will accompany the film if so desired.

Our County is asked to raise \$2800. Of this \$1120 is for service to the patients and education of Kosciusko county residents. Your dollars and personal help are needed to continue these services another year.

Send your donations to Ivo Stutsman, Treasurer, or simply Cancer.

HAS MAJOR SURGERY

Mrs. Leonard Boganwright is a patient in the Woodlawn hospital in Rochester. She underwent major surgery there on Monday. Her condition is good. She will probably be in the hospital for at least another week.

VANDERMARK — HOGAN

Miss Shirley Mae Hogan, daughter of Mr. and Mrs. Arthur Hogan of Etna Green and Robert Clayton Vandermark, son of Mr. and Mrs. Orville Vandermark of Mentone were united in marriage in a ceremony performed Saturday evening by Rev. John Schroeder at his home in Etna Green.

Mr. and Mrs. Francis Sechrist of north of Etna Green were the attendants.

A street length dress of aqua taffeta was worn by the bride. Her accessories were white and her corsage was of white carnations. Mrs. Sechrist was attired in a navy blue suit, with which she wore black accessories. Her flowers were pink carnations.

Mr. and Mrs. Vandermark will reside at Etna Green. Mr. Vandermark is employed at the Lakeside Foundry in Warsaw.

POLIO CAMPAIGN DONATIONS TOTAL \$9,163

Russell Simmons, county March of Dimes chairman, has announced that total donations were \$9,163. Half of this amount will stay in Kosciusko County.

Mentone's donation was \$135.45 with Vance Johns as chairman.

Franklin township donated \$185.61 and chairmen were Tom Meredith and Devon Jones.

Atwood, \$56.00 with Tim Rovenstine as chairman. Etna Green, \$181.74 with Lewis Mason as chairman and Seward Township \$342 with Earl Sarber and Joe Leckrone as chairmen.

HOME FROM HOSPITAL

Mrs. Alberta Poulson is home after being a patient in the Woodlawn hospital for examination and observation.

CLUB CALENDAR

The Morning Group of the Child Study Club will meet at the home of Mrs. Robert Parker on Tuesday, April 17, at 9:30 a. m.

The Evening Group of the Child Study Club will meet at the school house on Wednesday evening, April 18 at 7:30.

The O. E. S. will meet April 16, 7:45 p. m. at the Masonic Hall.

Lions Club, Wednesday, April 18. Interesting outdoor films will be presented.

JOHNS — SULLIVAN

Miss Monna Sullivan, daughter of Mr. and Mrs. Harry Sullivan of Mentone became the bride of Mr. David Johns, son of Mr. and Mrs. H. V. Johns of Mentone in a candle light ceremony performed at 7:30 o'clock, Friday evening at the Mentone Church of Christ.

J. S. Johns of Indianapolis, grandfather of the groom, performed the double ring ceremony before an altar banked with palms and beauty baskets of pink and white gladiolas with a back-ground of candelabra and white tapers. The pews were marked by white tapers and white satin bows.

Preceding the ceremony a musical was presented by a mixed quartet composed of Mrs. Franklin Nelson, Mrs. Lucien Palmer, Mr. Jay Church and Mr. Joseph Jones. Selections used were "Because", "Sweetest Story Ever Told" and "The Lord's Prayer". As they sang the "Bridal Chorus" by Lohengrin, the bride, who was given in marriage by her father, walked down the white carpeted aisle. She was attired in a gown of white slipper satin with sweetheart neckline, fitted bodice and pencil fitted sleeves with points over the hands. The skirt was designed with a bustle effect which ended in a long train. Her two tiered finger tip veil of illusion net was fastened to a braided satin band. Her only jewelry was a rhinestone necklace, a gift of the groom. She carried a bouquet of white roses with white satin streamers.

Miss Martha Sullivan, sister of the bride, was maid of honor. Her gown was pastel green with matching mitts and headband. She carried a bouquet of rose colored daisies. Miss Jean Walls and Mrs. David Cooper acted as brides maids and wore similar gowns of rose and orchid with matching mitts and headbands. Miss Walls carried blue daisies with her rose gown and Mrs. Cooper carried yellow daisies with her gown of orchid. The attendants each wore rhinestone necklaces and earrings, gifts of the bride.

Marilyn Sue Sullivan, little sister of the bride, acted as flower girl and was dressed in a floor length gown of yellow taffeta with matching mitts and carried a basket of blue, yellow and rose daisies.

MENTONE MURMURS

by
DAVID and SALLY GOSSER

Occasionally, Murmurs has an ax to grind. This time it concerns the work with the youth of the Mentone community. It seems that a number of young lads about eight and nine years of age are tremendously interested in Cub Scouting. There is no better form of recreation for after-school hours and Saturdays than the guided and directed work which may be presented through this channel of Scouting.

There has been plenty of enthusiasm on the part of the boys, but the indifference and refusal of parents to accept the responsibility of carrying on a program of this nature is nothing short of appalling and disgraceful for a community of this size. It has become the accepted philosophy of some folks to have the fun of breeding children and then either neglecting them to their own devices of amusement or expecting a few of the already overburdened teachers and civ-

ic leaders to provide all the leadership for them. One parent was heard say, "You'd think I was joining the Cub Scouts".

That is precisely what happens—when the responsibility of having children is assumed by the act of parenthood, then all the acquired interests which are beneficial to them must likewise be assumed, the recreational interests, the religious and educational interests, as well as the physical care through food and clothing and shelter.

Parenthood is a rare privilege, not a right. It is a sacred obligation which continues throughout the life of the child. The lack of feeling and concern and interest is not a maturity on the part of parents, but it is a gross sign of immaturity and laxity. The grosser sin if there be sin at all involved in this, is in the failure to grow along with the child.

Parents, on the other hand, who find that their obligations may be thrust upon them by nature, may have wonderful and ample opportunities to rectify misjudgements and indiscreet decisions through the sharing of life's experiences with the children.

In times such as these when manhood is cheapened by war, a higher valuation must be placed upon the youth of the child, and every moment that can be sacrificed to be with him (or her) enhances the memory that the child has for the parents. We cannot, yea, we dare not leave our children to the destiny of neglect, disinterest, and our own selfish desires and habits.

It is only fair to those parents who are interested in their children enough to participate in their sports and play to report that two dens of Cub Scouts have been organized, but only after repeated efforts to get enough parents out to make up the committee and Den mothers and Chiefs. Mr. Ralph Hudson of Syracuse, the field representative of this Scout District, had to come three different times before completing the work.

The joy and pleasurable development

on the part of the boys will be reward enough for the parents who are making the sacrifices to do this work. If Murmurs were not already up to his neck in Scout work, he would have little room to admonish the readers, but the America of tomorrow is at stake.

EVERFAITH CLUB MEETS

Fifteen members and one guest of the Everfaithful club met at the home of Georgia Nellans for the April meeting.

At the close of the business meeting the club pal gifts were received by Frances Marshall, Margaret and Thel Hoffman. Bunco was then played with high score going to Ada Babcock, Most Bunco's Lena Igo, Travel Roselwyn Nellans and low Darrell Valentine.

Delicious refreshments were served by the hostess.

FARM MORTGAGE LOANS — Inasmuch as we confine our farm mortgage lending largely to our own community our customers are afforded the privilege and convenience of coming to the bank and making payments on their loans at any time they may receive income from their farm operations. Many of the borrowers are taking advantage of our prepayment privilege and paying principal payments in advance. These payments are credited to the next succeeding installment on the loan which gives the borrower the benefit of the privilege of skipping principal payments, if he so desires or if his plans do not materialize, to the extent that he has prepaid. Interest ceases on all principal payments on the date of payment. While our contract interest rate is 5%, the savings effected under our liberal repayment terms reduces the cost of our loans below that of many other agencies that have a lower contract rate. We charge no commissions or appraisal fees and are in a position to extend the maturity date of the principal and interest payments to accommodate the needs of our borrowers. Consult us about your long term financing needs. We believe you will agree with us that our mortgage lending program offers many advantages. **FARMERS STATE BANK**, Mentone, Member Federal Deposit Corporation. tf

"COURTESY FIRST"

NEW CORN CRIB STYLES

What will the corncrib of the future be like? Capper's Farmer says that it may be like the one Raymond Hertzfeld built as part of his feeding plant at Waterville, Ohio.

Hertzfeld's buildings and chore equipment are as modern as his field machinery, says an article in the nationally-circulated farm magazine. He planned and built out most of the old feeding routine in replacing a barn on his mother's farm. Now his sons, 10 and 12 years old, can feed and water cattle in rush seasons.

"The new unit is made of three parts—corncrib, silo and a combination steer stable and haymow. The crib and silo connect by overhead track and carrier with a concrete bunk thru the middle of the barn. Hay drops directly into the bunk from overhead. The mow is a metal-covered quonset on concrete-block barn walls.

"Hertzfeld's corn storage building is a war surplus knock-down structure set up as an el at the end of the steer barn," the story continues. "It is steel framed, covered with sheet metal, 20 feet wide, 120 feet long and 12 feet from floor to plate.

"Fifty feet of the building was reserved for machinery storage. Seventy feet was fixed up for corn. The inside of this section was lined with turkey netting to keep corn away from metal walls and to provide an air space.

"Hertzfeld made 6'x6' A-frames 8 feet long and covered the sides with turkey netting. Placed end to end down the middle, these form a ventilator. They also form a pressure chamber, when covered with corn, in forced-air drying."

We wonder how that "wolf" managed to crash the Junior play and if Miss McFarren has the slightest idea of who it might be!!

LEGION AUXILIARY NEWS

The Mentone Unit of the American Legion Auxiliary met at the Legion Post Home on Tuesday evening, April 10.

The president, Mrs. Robert Whetstone, presided at the business session during which a letter from the Homer W. Murphy Unit No. 320 of Leesburg was read inviting the unit to their meeting, Tuesday, April 17 at 7:30 p. m. at the Legion Hall in Leesburg. Those wishing to attend please contact Mrs. Nell Reed for particulars.

A note from Sandra Gross was read thanking the Unit for her award as second prize winner in the Americanism essay contest recently sponsored by the unit.

The minutes of the second district

meeting held at Brookston, February 21 were read.

Blood donor pledge cards from the Kosciusko county chapter of the American Red Cross were distributed among the members.

A tentative calendar of coming events for the auxiliary was reviewed.

At the close of the business session, the president turned the meeting over to the program committee, Mrs. Phyllis Williamson and Mrs. Lola Wallace.

Mrs. Geraldine Smith gave a very interesting and educational review regarding the South American country of Uruguay.

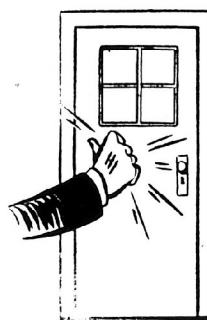

Miss Norma Jean Nellans was the name drawn for the attendance prize.

The next meeting of the unit will be April 24th.

Refreshments were served by the committee composed of Mrs. DeVerl Jefferies and Mrs. Frank Smith.

OBJECT TO CONTROLS

Livestock market leaders and packing company officials today had a word of caution for meat consumers

"I do not believe there is any system of price controls of subsidies that will get the production necessary to hold prices at a reasonable level that all consumers can pay" declares Manager W. R. Cummins of the Producers Marketing Association, an affiliate of the Indiana Farm Bureau that handles about one-third of the animals marketed at the Indianapolis stock yards.

The market man was in strong agreement with a statement made by T. G.

Sinclair, a Kingan and Company official, on April 4, in testimony given to the House of Representatives committee investigating the plight of the small businessman at the Indianapolis hearing. Said the packer to the committee:

"I do not believe these people realize that what they are asking for is a change in the basic forces which control the distribution of all meat. Price is a form of rationing the available supply among those who are willing and able to pay for the quantity of meat which has to be sold. By fixing prices at fixed ceilings we remove a delicate balance and create a vacuum which has to be filled somehow. In other words, we substitute one kind of rationing for another," he said.

"Twenty years ago," he reported, "farmers marketed about 12 million cattle, compared to about 16 million head 10 years ago and an expected 20 million head this year, which is much greater than the growth in our population. In 1930, the average person ate 50 pounds of beef, compared to a current average of 65 pounds.

"More people have been able and willing to pay enough so that the farmer will take the risks of raising more and more cattle," he stated. "If we want to have more beef to eat, the only way we can get it is to pay the farmer enough to make it profitable for him. It costs more money now to raise beef than it did 20 years ago. We have to pay more for beef if we want the farm-

er to continue to produce more. An increase in supply, of course, has the seeds of a lower price in it," he declared.

YEAR-ROUND SEASON ON CERTAIN FISH

A year-round open season for Bluegill, Crappie, Yellow Perch and Red-eared Sunfish has been declared by the Division of Fish and Game, Indiana Department of Conservation, as a result of the issuance of a Discretionary order by Kenneth M. Kunkel, Director of the Department, following a public hearing in his office April 4.

It was felt by the Division of Fish and Game, directed by Henry P. Cottingham, that the populations of these particular fish had increased to such an extent that harm might result should they remain un-utilized and the season not be opened on a year-round basis. The order, No. 42, is effective for the calendar year of 1951 only.

Rock Bass, also known as Goggle-Eyes or Red Eyes, now are on the protected list but may be taken during the open season. For three years past they could be taken on a year-round schedule. Other species of fish which are on the protected list and subject to seasonal regulations are Silver, or Yellow Bass; Small Mouth Bass; large Mouth Bass; Kentucky Bass; White, or Striped Bass; Pike-Perch, or Wall-Eyes and Northern Pike, or Pickerel. Remember the Trout season opens as

of May 1 to, and including, August 31. Get that \$1 Trout Stamp, now a must. It shall be affixed to the fishing licenses of all fishermen.

NEWMANS SECURE

TWO HEAD SIRE

John A. Newman & Sons Artificial Breeding Service has added two Poll-ed Milking Shorthorn bulls, Meadowbrook Master 4th (roan) and Lakeview Wally King (Red) to their stud.

They also have replaced their Guernsey sires with three very well bred and proven Guernsey bulls selected in cooperation with the Guernsey Breeders of this locality, the latest being a son of the National Champion Yellow Creek Kings Bea.

FRIENDLY NEIGHBORS MEET

Mrs. Chester Ballenger entertained the Friendly Neighbors Home Economics club on Thursday afternoon April 5.

The meditation was given by Mrs. Charles Eaton. Mrs. Richard Manwaring gave the health report.

The lesson, "Uses of the broiler in preparing food," was demonstrated by Mrs. Ruth Snellenberger.

It was voted to give \$5 to the Cancer fund. Arrangements were made for a trip to Fort Wayne on April 11, to visit places of interest.

Lovely refreshments were served to 23 members and 2 guests, Mrs. Ora Tucker and Mrs. Clarence Tinkey. Mrs. Everett Rookstool served as co-hostess.

SCHOOL NEWS

The fifth grading period ended on Wednesday. Report cards will be given out on Wednesday, April 18th.

Mrs. Koenig was absent on Tuesday due to illness. Mrs. Johns served as substitute.

Mr. Lash, Merlyn Holt, Jerry Ross, and Karen Clark reported a fine FFA convention at Purdue last Friday. Maynard Johnston, Agriculture instructor for the veterans, substituted for Mr. Lash.

The films, "Nervous System", "Radio and Television", and "Nursing" have been shown this week.

All pupils of grades 1-6 attended the matinee of the Junior play on Tuesday.

Pupils entering the Speech Festival at Warsaw on Friday are:

Radio Announcing: Cloanne Nelson, Berna Dean Sensibaugh, Mary Esther Creamer, Delores Lewis, Bill Clark, Don Rush and Shirley Gross.

Humorous Reading: Cloanne Nel-

son, Martha Creighton, and Janet Rose Reed.

Dramatic Reading: Mary Ellen Bryan, Jon Cullum and Geneva Whetstone.

Panel discussion: Charles Urshel.

As required by law, fire drills are held from month to month. In a recent fire drill the pupils cleared the building in 59 seconds. Emphasis is placed, however, on a safe and orderly exit rather than speed.

Max Faurote was a winner of the annual "21" tourney. John Davis won the ping pong elimination. A track meet has been scheduled at Etna Green for Wednesday evening, April 11.

If you have not visited school this year, plan to do so before the school year ends. You are always welcome.

A number of girls participated in the Play Day held at Manchester College on Saturday. Miss Jordan sponsored this activity.

Pupils in the high school literature classes are required to read and report on at least two books selected

from an approved list. Many pupils have read extra books.

A Navy Officer from Fort Wayne met the high school boys on Monday. He showed a film, "Stay in School" and spoke to the boys about the value of a real high school education.

Parents of children entering school next year should remember the pre-school checkup on Friday, April 13th.

Mr. Kent attended a meeting of the Indiana Schoolmen's Club held in the Riley Room of the Claypool Hotel, Indianapolis, on Saturday.

GET READY FOR SPRING

A "word to the wise" about getting their cars ready for spring and summer driving was issued to motorists today by the Chicago Motor Club. The "word", in short, is that getting a car ready for warm weather driving is just as important as preparing it for winter driving.

The advice in detail begins advised-

ly with a trip to a reliable garage for an inspection and change-over with emphasis on the following: 1. cooling system; 2. engine tune-up; 3. lubrication and 4. chassis.

Draining and flushing of the radiator and cooling system, adding of fresh water and a rust inhibitor is recommended for the cooling system. Most anti-freeze solutions contain chemicals which prevent the formation of rust and scale, but when anti-freeze has been drained, a rust and scale preventative should be added to provide added protection. Inspection of radiator hoses and removal and replacement of winter thermostat with a summer type are also suggested.

Ignition wires, coil, distributor points, spark plugs, battery, fan belt and carburetor are some of the important items for check and adjustment in the engine-tune-up. In changing to summer grades of oil and grease, the club advises consulting a competent service station operator or the manufacturer's manual to learn what products to use.

And there are many other points to check—your garageman will know.

Fabulous Car to Aid Cancer Fight

Buick's fabulous "Old Vienna" sedan, upholstered in needle point and equipped with gold-plated interior fittings, will go to some lucky person for \$1. Buick has donated the Roadmaster Riviera Sedan, along with \$1,000 toward taxes, to the Damon Runyon Memorial Fund. It will be awarded to the person submitting \$1 and the best safety slogan of 10 words or less. The exquisite beauty of the car is illustrated in this photo showing the needle-point panels designed and executed by Mme. Ida Jolles, one of the world's foremost creators of needle poi-

Give your chicks a boost in life. Feed them this exceptional Chick Starter, fortified with Vitamin B₁₂ and Antibiotics.

Made from MARTIN'S concentrates —proven right!

VALENTINE ELEVATORS

TROUT STAMP NEEDED NOW

Indiana's new Trout Stamp, a must now for all Trout fishermen following action by the recent Legislature, is now on sale in the offices of county clerks throughout the state. It is announced by Henry P. Cottingham, Assistant Director of the Indiana Department of Conservation and Director of the Division of Fish and Game.

Costing one dollar, the stamp, which is about the size of the new oblong three-cent U. S. postage stamp, must

be affixed to the license of the person fishing for Trout. Violators will be charged with a misdemeanor and hauled into court. The stamp is gummed.

The new stamp depicts a beautiful Rainbow Trout in the act of striking a fly. It bears the insignia of the Conservation Department together with fee. No. 1 stamp was bought by, Mr. Cottingham. Fifteen thousand in all have been printed.

Sale of the stamp has been brisk at the various places where they be obtained and stamp collectors already are evincing an interest in them inasmuch as new models will be printed annually by the Division and old ones cast aside.

It will be of great interest to Trout enthusiasts to learn that through arrangement with the United States Fish and Wildlife Service, 9,000 legal size Trout will be distributed throughout

Indiana in waters deemed suitable to their requirements. These Trout are obtained by the Fish and Game Division at cost of production. Approximately 125,000 fingerling Trout also will be distributed this spring through similar arrangement. Previously only 6,000 legal size Trout were obtainable through this arrangement, but with the entrance of the Trout Stamp into the picture, the supply has been increased by the Division of Fish and Game.

Indiana has a number of streams suited to Trout as are also many gravel pits and stone quarries. Good fishing to you.

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

Mrs. Jennelle Moorehead, associate professor of Health Education, University of Oregon, will act as special consultant for the 8th annual School and Community Workshop in Health Education August 10-24 at Indiana University, Bloomington.

Mrs. Moorehead has had wide experience in school and public health education, including work with the Oregon program of Family Life Education. She is president of the Oregon Congress of Parents and Teachers.

Plans for the two-weeks session devoted to stimulating the maintenance of health standards in a community are being made by a steering committee

composed of members of voluntary agencies cooperating with the Indiana State Board of Health and the State Department of Public Instruction in sponsoring the course which may either be taken for credit or noncredit with school, public health and voluntary agency personnel and lay workers encouraged to attend.

The steering committee is composed of Robert Branson, National Foundation for Infantile Paralysis; Kenneth Patton, Indiana Society for Crippled Children; Roy Foster, Indiana University; Ray E. Smith, Indiana State Medical Association; Ben F. Bruce, Indiana Department of Public Welfare; Walter Argow, Indiana Mental Hygiene Association; Dr. W. W. Patty, Dean, School of Health, Physical Education and Recreation, Indiana University; Clotilde Sanguinet, Indiana Tuberculosis Association; Rollis Weesner, Indiana Cancer Society; Ralph Werner, American Red Cross; Mrs. Meredith Nicholson, Jr., Indiana Association for Family Life Education; T. A. Kleckner, Indiana Heart Foundation and Hester Beth Bland, Indiana State Board of Health.

Dr. J. Keogh Rash, school of Health, Physical Education and Recreation, Indiana University and Robert O. Yoho, Director, Division of Health and Physical Education, Indiana State Board of Health, are directors of the workshop.

MRS. LONG GIVES BOOK REVIEW

Mrs. Devon Eaton very pleasantly entertained the Pleasant Valley Community Club in her home Wednesday afternoon April 4th. The meeting was opened by the group singing the song "Love's Old Sweet Song", followed by the pledge to the Flag. Roll call was answered by each one giving a helpful household hint.

A lesson was given on "Space Planning", by Mrs. Blanche Eisert, and a book review of the "Plum Tree", was given by Mrs. Doris Long. An auction

sale was held and proceeds going to "Annie the Can".

Plans were discussed and committees appointed for serving lunch for Mr. Biddinger and Mr. Hunter Sale. Delicious refreshments were served to 20 members, three guests, Mrs. Olin Wagoner, Mrs. Herschel Dyer, Mrs. Frank Drudge and two children.

WHO WANTS TO HELP THE SOFTBALL ASSOCIATION?

As was stated in our last issue, a number on the softball committee donated about \$30 towards the upkeep at the softball field. It has been difficult in past seasons to pay all the expenses of operation and maintain the facilities there in proper repair from the donations given at the Friday night games. In fact, it has been impossible and had it not been for the receipts from the concessions the net loss on operations would amount to a considerable sum. Those on the committee feel the citizens appreciate the softball program and in addition to their personal cash contributions they spend a lot of time managing the program. They are wondering if there aren't other citizens who would like to have a part, too. Any contributions, according to Mr. Schooley, are to be used mainly to keep the bleachers and equipment in repair. Would you like to help? If so, give your contribution to Mr. Schooley or any member of the directors of the association.

REPUBLICAN WOMEN TO HOLD OPEN MEETING

A news release from the Kosciusko Federation of Republican Women's Clubs announces that an open meeting will be held at the East Wayne school building, Winona Lake, on Wednesday evening, April 18th, at 8:00 p.m. There will be a musical program by the Silver Lake High School Chorus and refreshments will be served. Mr. Everett Rasor, county attorney, will give a brief talk on the laws concerning city and town nominations and elections.

The public is invited to attend.

ALUMNI BANQUET MAY 19

It has been announced that the Mentone Alumni Banquet will be held at the community building on the evening of May 19th, starting at 7:30 (CST).

Guests at the Garrie Rose home on Sunday were Mr. and Mrs. Jesse Warren of Tippecanoe; Mr. and Mrs. Harry Cole; Mrs. Chloe Drudge, of Rochester, and Miss Kathryn Bunch of Argos.

WILD ANIMALS SUSPECTED OF BEING RABID

Two recent happenings indicate that perhaps some of our wild animals help to spread rabies. Recently a skunk tried to attack a hog at the Lester Lehman farm northwest of North Manchester, in Kosciusko county, and last week a raccoon was found in a chicken coop near North Manchester. It wouldn't be frightened and snarled at the farmer, Irvin Niccum. A veterinarian managed to snare the animal and put it in a cage. It died three days later and the doctor sent the head to Indianapolis for examination.

CELEBRATES EIGHTH BIRTHDAY

Larry Manwaring celebrated his 8th birthday Tuesday evening after school with a party at the home of his parents, Mr. and Mrs. Miles Manwaring.

Games and contests were enjoyed by the boys and girls, with prizes going to Sue Ellen Long, Joe Cormican and Ken Jones.

The guests were then seated around the dining room table where the center attraction was a lovely birthday

cake holding the eight candles which were placed to form a large L.

Everyone had a wonderful time (even the "Little Boy Who Came Late" and especially little sister Elaine. Larry received many nice gifts.

JOLLY JANES MEET

Mrs. T. J. Clutter was hostess to the Jolly Janes Home Economics Club on Monday evening. Mrs. Roland Ferverda gave the lesson on plastics, stressing the care of ordinary household plastic articles. She suggested that women insist upon labeled plastics to bring up the standard of quality.

Mrs. Robert Parker presided at the business meeting, with fourteen members answering roll call with an April Fool joke. Mary Ellen Ferverda was a guest and Mrs. Edwin Back was welcomed as a new member.

During the social period following, Mrs. Kenneth Romine was awarded the door prize, and Mrs. Parker received a birthday gift from her secret pal. Lovely refreshments were served by Mrs. Clutter and Mrs. Joe Boggs.

MERRY MOLLIES HOME ECONOMICS CLUB MEETS

The April meeting of the Merry Mollies Home Economics Club, held at the home of Mrs. Ed Smelzer was opened by the singing of "America The Beautiful" followed by the club creed. A cheerio pal gift was received by Mrs. Everett Welborne and Mrs. Smelzer won the door prize.

"Use of the Broiler" was the lesson given by the County Home Demonstration Agent, Mrs. Glen Snellenberger, during which she prepared two delicious meals that were later served along with the refreshments served by the hostess.

Those present were Mesdames Carl Whetstone, Darrel Coplen, Noble Oylar, Clayton Holloway, Marian Smith, Donald Horn, Heston Creviston, Robert Nottingham, Jack Pritchard, Kenneth Simcoe, David Bowser, Marvin Romine, Everett Welborne, Eugene Sarber, Hershel McGowen, the hostess Mrs. Smelzer and two guests, Mrs. Dewitt Gates and Mrs. Snellenberger.

The May meeting will be held at the home of Mrs. Noble Oylar.

Condition Your Car for Summer Driving

Every car and truck must be given the proper care if one expects it to give proper service and last as long as we think they should. They cost too much these days to wear them out just because we neglect to keep them properly lubricated. Start right this summer by having it changed to summer lubricants. Especially when we are offering such low prices on premium oils.

METHODIST CHURCH NEWS ing factor for all the effort to find another copy of the film on the part of the pastor, the Postmaster, and Lawrence Smith, because the film past Sunday evening. It was a reward- which was originally rented did not

arrive until this Monday.

The pastor, Rev. David Gosser, spoke at the South Group Stewardship Conference which was held at Leesburg this past Wednesday evening. He gave a

report on the special conference he attended at Indianapolis last week.

A number of women of the Methodist Church are planning to attend the North Indiana Conference meeting of the Woman's Society of Christian Service which will be held at the Wayne Street Methodist Church in Fort Wayne on Friday of this week. If there is any possibility of others being able to attend and there is no provision for transportation, contact Mrs. George Mollenhour who is in charge of the transportation.

A meeting of the Woman's Society of Christian Service of the Warsaw District will be held in Warsaw on Tuesday, April 24. It is hoped that a large number of the church ladies will avail themselves of these opportunities to hear the missionaries which are supported by the local Societies. Contact Mrs. George Mollenhour for transportation on this occasion also.

The pastor announces that special emphasis will be given the following subjects on their respective days: Rural Life Sunday—April 29, National Family Week—May 6, Mother's Day—May 13. The subject for this Sunday's Sermon is "God Continues To Speak". Mrs. Edna Teel will present the solo number for the morning's service.

Paul's "Third Missionary Journey" is the title of the film which will be shown at the evening service on Sunday. Announcements of the two remaining films in the series will be made later.

Mr. and Mrs. Frank Wise and Miss Esther Kehoe spent last week end at Ft. Knox, Kentucky, where they visited Pfc. Leroy Wise. They had dinner in the mess hall and found the food very good and plenty of it. The dining room and kitchen are kept very clean.

Mr. and Mrs. E. A. Menzie and son, Kenneth of Argos spent Wednesday at the Harry Mosier home.

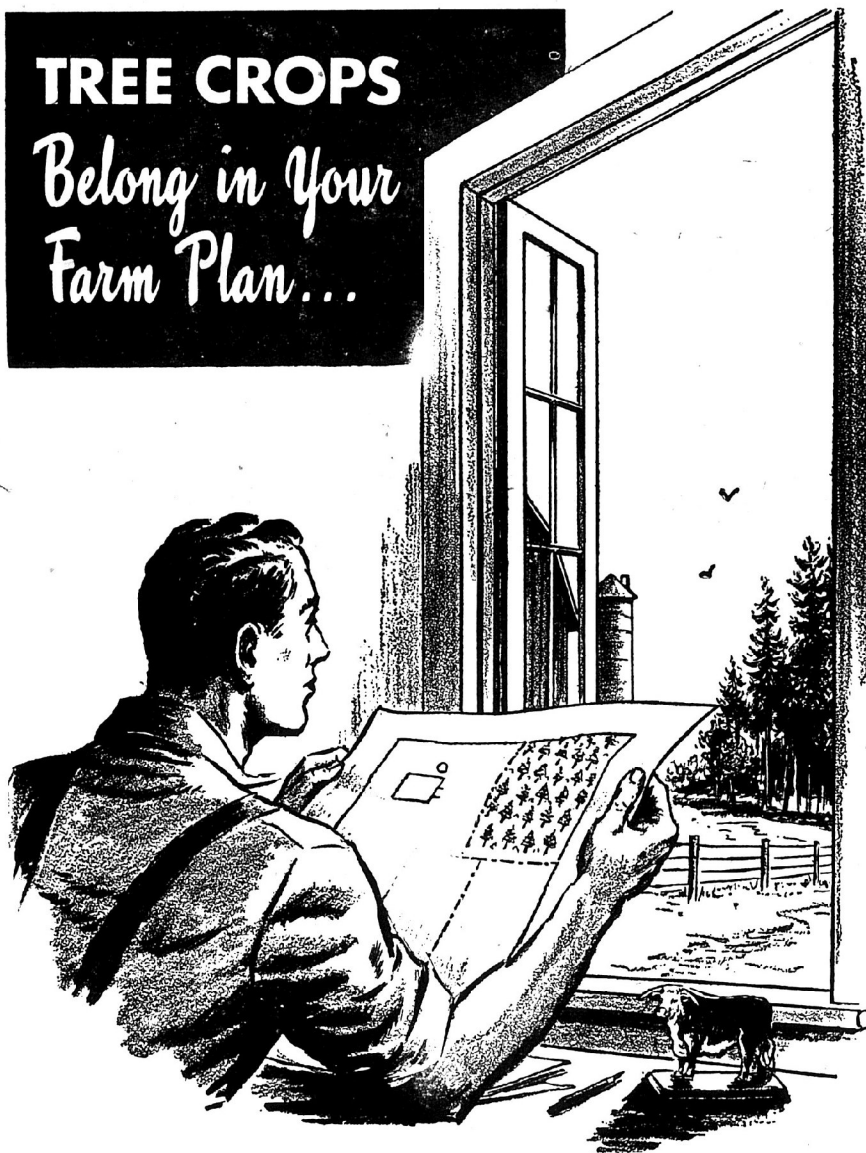

ENTERTAIN GUESTS

Mr. and Mrs. Carl Zolman and sons entertained 46 guests for dinner and supper, Sunday in honor of Mrs. Zolman's parents, Mr. and Mrs. Harry Kipler, 40th wedding anniversary and also for her brother P. F. C. Edward Kepler who is in the Air Force and is stationed at Travis A. F. B. in California. He is home on leave.

Others present were Mrs. Glen Beaty and sons; Mrs. H. C. LaFollette and daughter; Mrs. Vern Gearheart and daughter and Frank Kepler, all of Warsaw; Mr. and Mrs. Earnest Budd of Angola; Mrs. M. A. Foltz, Mrs. Howard Weist and Mr. and Mrs. Bud Foltz and sons, all of Elkhart; Mr. and Mrs. Charles Cartwright of Atwood; Mr. and Mrs. Ernest Samuels and family of Grovertown; Mr. E. C. Kepler and Leah Kepler of Plymouth; Mr. and Mrs. Henry Kepler and family of Argos; Mr. and Mrs. Harley Rice of Gary; Frank Harvey and Maurice Vanwalder of South Bend.

TREE CROPS

Belong in Your Farm Plan...

Don't forget your farm woods. They can produce cash crops, too. Some land is best for one kind of crop, some for another. Trees are the best money makers on some types of farm land. When protected from fire and managed wisely, a farm forest will produce steady cash crops. Ask your nearest forester for information about tree farming.

ADVERTISE — IT PAYS!

COOKED FINE DINNER; THREW IT TO DOG!

One lady used to throw her own dinner to the dog most of the time. It made her sick just to look at food. She was swollen with gas, full of bloating, felt worn-out.

Finally she got CERTA-VIN and says she now eats everything in sight and digests it perfectly. This is the new medicine that is helping so many stomach "victims" everywhere. It helps you digest food faster and better. Taken before meals, it works with your food. Gas pains go! Inches of bloating vanish. Contains herbs and vitamin B-1 with Iron to enrich the blood and make nerves stronger. Weak, miserable people soon feel different all over. So don't go on suffering. Get CERTA-VIN—Dentone's Drug Store.

HOW YOU CAN GET MORE Money For Your Eggs

(A) How to get More Clean Eggs:

1. Keep house and nests **CLEAN and DRY.**
(a) Damp litter causes dirty eggs. You don't get any premiums for dirt!
2. Use a Droppings Pit or tack wire netting under roosts.
(a) You can't expect your hens to wipe their feet on a door mat before they go into a nest.
3. Keep Hens **INSIDE**
(a) If hens don't get mud on their feet they won't get it on the eggs.

(B) How to Get More Premium Quality Eggs:

1. Provide **ONE NEST** for every **FIVE HENS**
(a) Eggs aren't built to stand up under heavy traffic.
(b) Less traffic means fewer cracked and dirty eggs.
2. Gather Eggs at least **TWICE A DAY!**
(a) Three times is even better.
(b) Get eggs out of the nests quickly and keep them cool.

3. Gather eggs in a wire or woven basket
(a) They will cool twice as fast in a wire basket as they will in a pail.
4. Keep eggs where it's **COOL and MOIST**
(a) And be sure they're kept away from such items as kerosene, onions, potatoes and fruit. Eggs absorb odors readily.
(b) The back porch or kitchen is no place to keep eggs.
5. **COOL** eggs overnight, then put them in a cool case
(a) It takes 3 hrs. to cool them on a wire tray.
5 hrs. to cool them in a wire basket
but it takes 11 hrs. in a solid pail
19 hrs. in an egg case.
6. **DON'T** keep roosters!
(a) Fertile eggs don't keep well, because the germ starts to develop any time the temperature gets above 68°.

(C) **SHIP TO THE FIRM THAT PAYS YOU
FOR THESE EFFORTS . . .**

TULIP FESTIVAL MAY 6 AT FRIENDSHIP GARDENS

If normal spring weather continues through this month, the annual tulip festival at International Friendship Gardens will open on schedule May 6 at Michigan City.

J. Virgil Stauffer, the Garden's director, disclosed this today following an early spring examination of the hundreds of tulip beds scattered throughout the 100-acre site. "We put out some 50,000 new bulbs last fall which were sent us from Holland," he said. "And these coupled with the several hundred thousand

bulbs already on hand will give us our most lavish display yet."

Etauffer explained that last year's cold spring postponed the tulip show somewhat but added the indications are this year the festival will follow the May 6-20 schedule.

In their sheltered spot within a cricle of timber-covered dunes, the Gardens annually attract thousands of visitors from throughout the world. They are a philanthropic enterprise dedicated to the ideals of world peace and the achievement of international friendship through the universal love of beauty. They have the active support of a host of prominent Hoosier civic and business officials headed by Gov. Henry F. Schricker.

Mrs. Earl Meredith was a Sunday dinner guest at the home of Mr. and Mrs. Claude Barkman. Afternoon callers were Mr. and Mrs. Newt Barkman of Elkhart.

It's Something New - -

You should hear the reports we are getting from customers who have started their chicks on *Martin's Chick Starter Crumbles*. It stands to reason—each chick gets everything they require to give them the right start with each bite of crumbles.

We feel you should give that baby chick as good feed and be as careful of what you give him as you would a small baby. That's why we have chosen *Martin's Chick Starter Crumbles* with vitamin B12 and antibiotics added to give your chick that fast start.

WHY PAY MORE FOR CRUMBLES?

IT'S WORTH MORE. . . Saves Feed, no waste. If chick does flick the bite size crumble out of the feeder, they pick it up because of its structure. Those of you who feed mash, look and see how much waste feed there is around the feeders. Not only is this feed wasted and has cost you money, but it has disrupted your sanitation program by setting up a disease bed.

Just because you're not getting our service is no reason why you shouldn't stop in and let us talk your poultry and livestock problems over with you.

Our aim is to give our community a sound Feeding Program, Grain Market, and Service.
EGG CASES, COB LITTER, SERVALL, DR. SALISBURY REMEDIES, WARFARIN RAT POISON and PAINTS.

Your hatchery has sold you good chicks with the background to produce lots of high quality eggs, but if you don't give them the right start you would have been just as well off to have purchased chicks without a record to support them.

With many years of experience in poultry service work, we feel this is a management problem and should be given careful consideration.

WHY DO BROILER RAISERS USE CRUMBLES?

Better feed efficiency.

Faster gains.

More even growth.

THE NORTHERN INDIANA CO-OP. NEWS

TEACHERS BECOME CHARTER

MEMBERS OF NEW CHAPTER

Teachers from Marshall, Fulton and Kosciusko counties chosen for membership in the Delta Kappa Gamma society were formally initiated as charter members of the Alpha Nu Chapter at the Plymouth EUB church Saturday. Among those initiated were Mrs. J. M.

Treasurer; and Miss Julia Trowbridge Hood from Pierceton, who was elected President; Mrs. Mary Peters, from Syracuse, 1st Vice President; Mrs. Esther Pfeiderer of Warsaw, 2nd Vice President; Miss Maude Yontz of Pierceton, Corresponding Secretary; Miss Frances Clark of LaPaz, Parliamentarian; Miss Edna Vining of Bourbon,

of Plymouth, Recording Secretary. Other members from Kosciusko county are: Virginia Vance, Silver Lake; Mrs. Mary Miller, Claypool; Miss Mary K. Shoup, Miss Mamie Braddock and Mrs. Anna Wright, Warsaw and Mrs. Vera Mow, Pierceton.

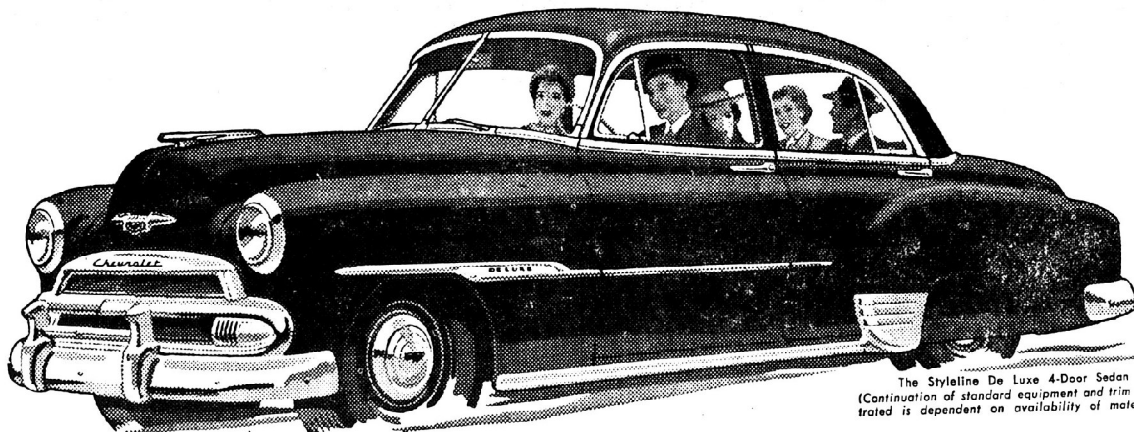

Delta Kappa Gamma is a national honor society for women, organized in

1927, who have achieved success and recognition in the field of education and who have been recommended for membership on the basis of success in teaching, leadership, unselfish professional spirit, cooperation and efficiency.

Among outstanding members are Mrs. Eleanor Roosevelt and Senator Margaret Chase Smith.

America's Largest and Finest Low-Priced Car!

The Styleline De Luxe 4-Door Sedan
(Continuation of standard equipment and trim illustrated is dependent on availability of material)

Yes, **LARGEST**...

and the facts speak for themselves

It's **LONGEST** in the low-price field, a full 197½ inches of spirited action and clean, sweeping lines. It's **HEAVIEST** in the low-price field, a staunch and solid 3140 pounds in the model illustrated. It has the **WIDEST TREAD** in the low-price field, a road-taming 58½ inches between centers of the rear wheels. Longer, heavier, with wider tread . . . that's the measure of Chevrolet's rock-solid value . . . big in looks, big in handling and riding ease, big in road-hugging performance. Why settle for less than a Chevrolet . . . when Chevrolet is the lowest priced line in the low-price field.

Yes, **FINEST**...

and here are the plain-spoken reasons

FISHER BODY QUALITY, renowned for solid and lasting goodness. **UNITIZED KNEE-ACTION RIDE**, smooth and gliding. **VALVE-IN-HEAD ENGINE ECONOMY**, spirited performance at lowest cost. **PANORAMIC VISIBILITY**, with a big curved windshield and large window area. **JUMBO-DRUM BRAKES**, biggest in Chevrolet's field. **SAFETY-SIGHT INSTRUMENT PANEL**, with shielded instrument lights. **POWERGLIDE AUTOMATIC TRANSMISSION**, billion-mile-proved, combined with 105-h.p. valve-in-head engine optional on De Luxe models at extra cost.

Good reasons why MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

MENTONE, IND.

BLACK-FOOTED FERRET

The Black-Footed Ferret is a small animal—measuring only 23 inches in length—but it is one of the most fearless creatures in existence. It will attack animals many times its own size, with full confidence that it can win the battles.

Most of the time, however, the Ferret preys on smaller animals. To satisfy its big appetite for meat, it pounces on field mice, rabbits, ground squirrels, prairie dogs, and birds which have nests on the ground. Now and then the Ferret gets so hungry that it will eat the bird's eggs, too, but it would much rather have meat.

The animals which it stalks are in a bad spot, because the Black-Footed

© National Wildlife Federation
Black-footed Ferret

Ferret is a tireless hunter. Its sharp eyes are constantly on the look out for a victim. Its keen nose can catch the faintest scent, and its ears prick up at any sounds of animal life.

When it hears a noise, the Black-

Footed Ferret immediately investigates, for it is highly curious. It wants to know what is going on, even if there isn't a meal to be gained, and if the noise comes from a small animal, so much the better. Hungry or not, the Ferret moves in for the kill, because it goes after prey both for food and for sport.

A member of the weasel tribe, the Black-Footed Ferret looks as though it is wearing neat black socks. Another distinguishing mark, says the National Wildlife Federation, is a broad black band across its eyes and a black tip on its short tail. Except for a sprinkling of dark brown hairs on its back, the rest of its slender body is light—dull yellow on top and cream-colored un-

derneath.

The home of this masked prowler is the region from Montana to Texas and west to the Grand Canyon in Arizona. It is one of the rarest of all our wild animals, though, and the chances of your ever seeing one are extremely slim.

The few that are left make their homes in dens, either in the ground or under rock piles. Anyone who dares to intrude is asking for trouble, especially when there is a litter of young babies in her care, and she will fight to the last ditch when they are endangered.

While the Black-Footed Ferret is likely to prowel at any hour of the day or night, it usually rests in the day time and does most of its stalking under cover of darkness. It is not an animal which holes up in the winter, but is up and about at all seasons of the year.

Interesting information about other wildlife species can be obtained by writing to the National Wildlife Federation, Washington 10, D. C.

SEASONS SET FOR**TRAINING 'COON DOGS**

Conservationists who wish to train 'coon dogs in the field now may do so from noon, February 15, until noon April 1, and from noon, August 1, until noon, October 31, as a result of the issuance of Director's Discretionary order No. 41 which was signed by Director Kenneth M. Kunkel, Indiana Department of Conservation, and Assistant Director Henry P. Cottingham following a public hearing in the office of the director April 4. This order remains in effect until January 1, 1956.

Sunday dinner guests and callers at the E. E. Wagner home were Mr. and Mrs. Ivo Wagner and four children of Young America, Mrs. Ruth Warren and daughter of Kalamazoo, Michigan, Mr. and Mrs. Myrl Wagner of Burket, Lura, Fred, Bob and Iva June Vandemark and Mervin Wagner of Mentone, Mr. and Mrs. Junior Wideman and son of Warsaw.

★ Buy Co-operatively — And SAVE!

I think the beginning of Spring is just about the busiest time of all at our house. We always clean the house, of course, but in addition we re-paint walls and woodwork and re-decorate the rooms with new colors for our walls, slipcovers and draperies. It's really amazing what a fresh new color scheme will do for the home, isn't it?

Another favorite trick of ours is painting furniture to accent our new color schemes. Our den, for instance, has a wall filled with sectional bookcases which we bought unfinished and have painted. Our kitchen table and chairs get a bright new color every Spring. Then, too, we're busily re-painting all of our porch and lawn furniture, getting set for the warmer months ahead. If you haven't yet tried painting furniture, do try it this season — it's very simple if you use a good grade of paint.

I got some painting tips from Hayes Quinn, the color consultant of the Pittsburgh Plate Glass Company, which I thought you might be interested in — particularly for painting your tables and chairs. Place the piece upside down on a protected surface. Then paint from the leg ends downward, brushing the enamel lightly as you work. Next turn the piece upright and finish the sides. Do your chair backs and other broad surfaces. Table tops or chair seats should be painted last. It's really very simple if you paint this way. I always use a waterspar enamel for my painting because it doesn't water-spot and is practically chalk free — especially important for outdoor furniture. You can wash a good enamel, too — keeping it fresh and bright. We think that painting is the easiest, most inexpensive way there is to re-decorate our home. Try it in yours, I'm sure that you'll agree with us!

WEDDING —

(Continued from front page)

Little Larry Sullivan, brother of the bride, carried the rings on a satin pillow.

Donald Emmons Jr. served as best man and David Cooper and Jack Smalley acted as ushers.

For her daughter's wedding, Mrs. Sullivan chose a dress of navy blue crepe with navy and pink accessories. Her corsage was of pink carnations.

Mrs. Johns wore navy sheer with white accessories. Her corsage was of white carnations.

Following the ceremony, a reception was held in the church basement for relatives and close friends of the bridal couple. The Misses Connie Walls, Barbara and Phyllis Carlile and Mrs. Jesse Henderson served the guests.

For the wedding trip the bride chose a rose colored suit with navy accessories. She pinned to her suit the white rose corsage from the center of her bridal bouquet.

Mr. and Mrs. Johns are now at home in their newly furnished apartment at the Ned Miller home in Mentone, after a trip through the south.

BLOOD DONORS NEEDED

One pint of your blood and less than an hour of your time can be your gift of life to a man or woman or child. If you will sign up for an appointment with the Kosciusko County Red Cross Blood Program, doctors and nurses will take your gift of blood, skilled technicians will prepare it, hospitals will store it, doctors will administer it and a man, woman or child in your community will have a better chance to live.

Blood is taken to Fort Wayne and processed. An ample supply is then returned to both hospitals in Warsaw in the form of whole blood. This is good for 21 days. This supply will be replenished with whole blood every twenty-one days. After the 21 days the blood is again taken to Fort Wayne and made into blood plasma and other derivatives. These are then returned to our hospitals as needed. Any one in our county is entitled to this blood or blood plasma, free of charge.

The next visit of the mobile unit in Warsaw is May 17. Those from Mentone signing pledge cards will give their blood on this date. You will be contacted by phone and a definite time assigned to you to meet with your convenience between the hours of 9 a. m. and 4 p. m.

Call Deverl Whetstone or Iris Anderson of Mentone who have Blood Donor Pledge Cards. Sign a Donor Pledge Card. Give a pint of blood and have the satisfaction of being a part of this program.

NEWS — PHONE 38

SOIL CONSERVATION WEEK

Governor Henry F. Schricker has proclaimed this week, April 8-14, as State Soil Conservation Week in Indiana and has urged its observance by all citizens. A copy of his proclamation has been received by County Agent Paul Jackson.

The Governor requests all Hoosiers "to pause for a time to consider the protection and improvement of our most precious natural heritage, the soil, and then work with another in locally developed plans and programs that will help guarantee to those who come after us, the food and fibre necessary for the standard of living that we enjoy today."

He points out that "the Master Architect of the Universe has seen fit to bless the State with a fertile soil, one that sustains the life of all of our own people and millions more in the nation and throughout the world."

However, the Governor adds, "that soil in many cases during past years has been improperly handled, so that

much of its fertility has been removed through cropping, leaching and erosion which has reduced its productivity.

"All of us recognize that all life springs from and is dependent upon the capacity of our soils to produce," the proclamation states, "and much has been and is being done by those entrusted with the conservation and improvement of our soil resources to bring about better land use and reduce soil abuse ably assisted by various agencies and organizations."

CANCER PROGRESS MADE

The cancer death rate among women now shows a slight decline when adjusted for an ageing population, the American Cancer Society points out. The over-all death rate continues to rise but you can help reverse this trend by supporting the 1951 Cancer Crusade of the American Cancer Society.

COUNTY BAND FESTIVAL

All the bands in the county will hold the annual Spring Festival at the armory in Warsaw on Friday, April 26. More details will be given next week in the Co-Op. News.

**YOUNG BURKET MOTHER
TAKES OWN LIFE**

Mrs. W. Daye Nees, 33, of Burket, ended her life about six o'clock Wednesday morning. She was found by her husband about 6:30. She had fastened a rope over a water pipe in the basement and stepped off a small platform at the bottom of the stairway. She had been suffering from a nervous ailment and had been despondent the past few weeks. She had been advised to have hospital treatment but she would not give her consent.

It had been Mrs. Nees' habit to arise when her young daughter awakened in the morning and she then prepared breakfast for the family. When she was not in the kitchen when the husband arose, he went in search for her, finding her in the basement. Artificial respiration was attempted but to no avail.

She was the daughter of Mr. and Mrs. Jacob Clauss, of Milford, and was married to Mr. Nees Oct. 28, 1945. They were the parents of two daughters, Janet Kay, 4, and Kathleen Jeanne, seven months of age. In addition to the husband, she leaves the parents and 10 brothers and sisters.

Funeral services will be held at the Burket Methodist church at 1:30 Friday afternoon, with Rev. Laurence Smith officiating. Burial will be in the Milford cemetery. Friends may call at the Johns funeral home in Mentone until 11:30 a. m. Friday.

IN MISHAWAKA HOSPITAL

Merl Wilson is a patient at the St. Joseph hospital in Mishawaka, where he is receiving treatment for an ulcer and infection of the eye. He has had the infection for several weeks.

Friends may write to him at Room 237.

FINAL REPORT APPROVED

Nellie Reed, administratrix of the estate of John Warren, has filed a certificate of clearance of gross income tax division. The final report showing a balance of \$2,320.83 in the hands of the administratrix, was then approved in circuit court, which amount is ordered to be paid to the state department of public welfare in discharge of a claim.

**P. T. A. SUBJECT TO
BE MENTAL HEALTH**

The subject for discussion at the P. T. A. meeting on Wednesday, April 25 is Mental Health, and the special speaker will be Mrs. Cecil Armstrong, of Warsaw.

This is a subject of vital importance in our modern civilization, and the P. T. A. program committee consider themselves fortunate to be able to have Mrs. Armstrong here. The meeting should be one of the best attended this year.

Hostesses for the social hour will be Mrs. Ned Miller, Mrs. Jess Molebash, Mrs. Agnes Rans, Mrs. Vance Johns, Mrs. Helen Mollenhour, Mrs. Mervin Jones and Mrs. Kathleen Camplejohn.

SIMCOE

Mr. and Mrs. Kenneth Simcoe are the parents of a 7 lb. 8 oz. son born last Saturday at the McDonald hospital. The new son has been named Steven Bert.

Mrs. Simcoe and baby came home on Tuesday.

ARTEMUS WARD EAST BURIED

Artemus W. East, aged 73, died at 8 p. m. Friday at his home. He had been ill in January due to the flu and had not completely recovered. His death was not expected.

Mr. East, a farmer, had resided in the same community all of his life. He was born July 10, 1877, the son of Jacob and Alice (Jarrett) East.

On August 16, 1902, he was married at Burket to Cora Leslie.

Surviving relatives include his wife; three sons, Jacob and Delbert of Route 2 Warsaw and Leonard of Chicago, Illinois; five grandchildren and three great-grandchildren.

He was preceded in death by a sister, Mrs. Pearl Dorsey, on March 6, and by a brother, Willard East.

Funeral services were held at 2 p. m. Monday at the Bibler funeral home. Rev. O. L. Johnson, pastor of the Church of God in Warsaw officiated. Burial was in Oakwood cemetery.

Miss Florence Worshing, of Lafayette, a teacher, of Purdue University visited on Sunday afternoon at the home of Mrs. Fred Rouch.

CELEBRATES EIGHTH BIRTHDAY

A birthday dinner was enjoyed Sunday at the home of Mr. and Mrs. Gilbert Griffis and family in honor of the eighth birthday of their son, Bobby Jan.

A beautiful birthday cake, complete with candles, was baked by his Grandmother Ford.

Bobby received many lovely gifts. Other guests were: Mr. and Mrs. Judith Trowbridge and children, Jane and Jay, and Mr. and Mrs. George Ford.

WORD FROM W. H. KINSEY

Recent word from Wendall H. Kinsey states that he was able to go home within a week after his major surgery. His operation was for a brain tumor, which was affecting his vision. This condition is somewhat improved since the operation.

**FORMER BURKET RESIDENT
IS WED IN FORT WAYNE**

Mrs. Jacqueline Sandlin-Summers, daughter of Mr. and Mrs. John M. Sandlin, of Burket, and Bronson E. Miser, son of Clifford L. Miser, of Fort Wayne, were united in marriage Friday afternoon, April 13, at Fort Wayne. Rev. Dale Stackhouse read the marriage service in the chapel of the Forest Park Methodist church.

Mrs. Miser is an instrumental music instructor in the Fort Wayne schools. Mr. Miser is employed by the General Electric Corporation.

After a short honeymoon they will be at home at 1917 Glenwood Avenue in Fort Wayne.

CLUB CALENDAR

American Legion Auxiliary at Legion Home Wednesday, April 25, at 8 p. m.

The W. S. C. S. will meet at the Methodist church, Thursday, April 19, at 7:30 p. m.

The D. A. R. will meet this month, on Monday night, April 23, at the home of Mrs. Eldred Paulus at Rochester. Note the change of date.

The Beaver Dam Home Economics Club will meet on Wednesday, April 25 at the Akron Library at 1:30 p. m. with Mrs. Danny Slaybaugh as hostess.

The Merry Mentonettes 4-H Club meets Monday evening, April 23 at 7:00 p. m. at the school house.

SEEK AND YE SHALL FIND

Is your program committee looking for more interesting and vital information? Here is an idea. People are not generally well informed on mental health. Most of us know too little about it.

However there is no reason why your program committee should not do every person in your organization the favor of giving him the most information known to medicine and psychology about how to be mentally and emotionally healthy. The information is available, and you need not rely on any but the best informed sources.

Speakers, films, radio and public address transcriptions, tape recordings and pamphlets are available. The Indiana Mental Hygiene Society has collected information on all available sources, and has in its own loan and rental library many titles on a wide range of subjects dealing with mental health.

Whether it is problems in industry, recreation for older people, marriage relations, child care, or mental illness requiring hospitalization that interests your group, there is sound information available, and often it is mixed with good entertainment. If you have special interests, you may easily plan programs to that special interest. But studying the available materials may bring you knowledge of aspects of mental health you have not even considered before.

By writing to the Indiana Mental Hygiene Society, 800 Underwriters Bldg., Indianapolis 4, Indiana, you can have before your next committee meeting lists of the materials available, their source, and cost if any—many are free. There is no reason for us to be uninformed. There is every reason for all of us to seek information. We want to be happy, and well adjusted, and we want to help others reach the same goal.

FEEDER'S DIGEST Is Your Good Grass Good Enough?

Every animal and bird needs minerals—

Every animal and bird you own needs minerals—of certain kinds—in definite quantities. Some pastures provide these minerals. Much pasture does not. Now your grass may be green and thick. But it can still be mineral-deficient. And that can mean slower gains, feed waste and poorer health.

Why take these chances when it's so easy and economical to feed Swift's Mineral Supplement? This one low-cost mineral supplement provides ten mineral elements vital to all livestock. Start feeding Swift's Mineral Supplement free choice all year 'round. It now comes in block or pulverized form. Because it contains only minimum requirements of salt, we recommend free-choice salt feeding in addition.

NOTICE

SOME IMPORTANT FACTS ABOUT ELECTRIC WATER HEATING

Do You Know...

1. That there is a special low rate for electric water heating
2. That effective use of this rate depends on the size of your water heater
3. That the average family needs an 80 gallon water heater

Before you buy an electric water heater, ask us about the special rate ... and let us help you determine the size of heater suitable for the hot water needs of your home.

**WITH THE PROPER SIZE OF HEATER YOU'LL SAVE MONEY
AND HAVE MUCH BETTER HOT WATER SERVICE**

NORTHERN INDIANA *Public Service* COMPANY

SPREAD OUT PORK SALES

Pig hatcheries are showing that hogs need not be sold in a bunched-up way. Hatchery owners have assembly line farrowings. Capper's Farmer says that with hundreds of sows at some of these plants, farrowing dates are scattered through 12 months. Market dates follow in the same pattern.

What's wrong with the present program of producing and marketing hogs? The big trouble is that hog growers don't plan production to deliver a continuous stream of pork to market. Marketings are heavy, October to January, and prices sag under the meat flood.

Nobody likes the peaks and valleys now seen in hog farrowings, says the nationally-circulated farm magazine. The meat packer would like to see hog receipts leveled off so he could hire skilled manpower on a yearly basis. So would livestock sales agencies, commission men, truckers and railroads. The housewife would like to pay about the same price for pork each week.

"The hog producer is the only one who can do the job of leveling off hog marketings," the story says. "He controls the number of sows bred, dates of breeding and farrowing, and marketing dates. On Corn Belt farms with available feed supplies, with modern housing and management and with plenty of nutrition know-how hogs can be put on the market every month from January to January.

"Whoever said pigs should be farrowed in March and April, anyhow? Swine production records in Wisconsin speak well for May and June pig births. Cold, disagreeable weather is no longer a hazard. The government loan agreement on corn makes it convenient to schedule hog marketing for any month without tying up an entire season's production when cash is needed to operate a farm."

ADVERTISE — IT PAYS!

GAS IS OK IN BALLOONS, BUT NOT IN YOUR STOMACH.

Some people feel like a swollen balloon after every meal. They bloat full of gas and rift up acidulous liquids for hours after eating.

CERTA-VIN is helping such gas "victims" everywhere. This new medicine helps you digest food faster and better. Taken before meals it works with your food. Gas pains go! Inches of bloat vanish! Contains herbs and Vitamin B-1 with iron to enrich the blood and makes nerves stronger. Weak miserable people soon feel different all over. So don't go on suffering. Get CERTA-VIN—Denton's Drug Store.

AWARDS OFFERED ON 4-H WORK

One of the oldest and one of the newest sponsors of national 4-H programs will continue to offer awards for outstanding work in the 1951 home economics projects, according to G. L. Noolle, director, National Committee on Boys and Girls Club Work.

They are Spool Cotton Co., of New York, which is beginning its 11th year as sponsor of the 4-H Clothing Achievement program, and Kelvinator Division of Nash-Kelvinator Corp., Detroit, which offered awards in the 4-H Food Preparation program for the first time last year.

The projects are well under way in Indiana. At the end of the 4-H Club

year, member's records will be judged on county, state and national basis. The county and state awards are the same in both programs: A gold-filled medal for each county winner, and an all-expense trip to the National 4-H Club Congress in Chicago for the state champion. In the clothing project, 12 national champions are selected, and each receives a \$300 college scholarship. Six national food preparation experts are chosen who also are given \$300 scholarships.

By making their own clothes and utilizing home grown foods in planning family meals, Indiana's young homemakers are saving valuable time and materials. As they "learn by doing," the 4-H'ers are helping themselves as well as their country in the present defense mobilization program.

The clothing and food preparation programs are under the supervision of the Cooperative Extension Service.

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

Truck-weight laws, short weights in foods, scales in the steel industry and in the national defense program are some of the subjects to be considered at the 38th annual convention of the Indiana Association of Weights and Measures April 23-25 at the Gary Hotel.

Rollin E. Meek, director of the Division of Weights and Measures, Indiana State Board of Health, is president of the association.

The annual banquet will be addressed by Mayor Eugene H. Swartz, Gary; Dr. L. E. Burney, state commissioner, and State Auditor Frank T. Millis. Walter R. Mybeck, director of the Ind-

iana Division of Works and Supply will act as toastmaster.

Raynor M. Holmes, research engineer, Bloomer Brothers Co., Newark, N. J.; W. S. Bussey, chief, Office of Weights and Measures, National Bureau of Standards, and Arthur Sanders, Secretary, National Association of Scale Manufacturers, Washington, D. C., and C. Denny Moore, managing director Gasoline Pump Manufacturers Association, New York, are some of the speakers.

Also on the program will be Captain Robert N. Bush, Indiana State Police; W. P. Reed, The Great Atlantic and Pacific Tea Co., Atlanta, Ga; Joseph F. Bickley, director, State Bureau of Standard Weights and Measures, Har-

rissburg, Pa.; George L. Johnson, director, State Division of Weights and Measures, Frankfort, Ky.; T. E. Sullivan, director, Division of Food and Drugs, Indiana State Board of Health; Michael Breskovich, scale supervisor, Youngstown Sheet and Tube Co., East Chicago; Charles E. Watson, Indiana Farm Bureau Cooperative Association, Inc., Indianapolis; James A. Hilgemann, inspector of weights and measures, Fort Wayne, and John H. Downer, Exact Weight Scale Co., Chicago, Ill.

MENTONE,

INDIANA

MENTONE MURMURS

by

DAVID and SALLY GOSSER

Last Tuesday evening, late evening, when the radios blared out the great ovation which was given General Mac Arthur, Murmurs recalled an occasion when the American public "went all out" for the hero who soloed the Atlantic, the great Charles Lindburg. Now Murmurs is not, in any sense of the word, criticizing the public for the great demonstrations on either of these occasions, but he is wondering if this hero of the hour will be as readily forgotten, knifed in the back, and laid upon the mental shelves of time to collect dust, as has been the case with the former hero.

Some person may venture to say that there is no comparison in the contributions made by these two men, and that, in the light of the service of the latter to his country, time will only add to his glory. If history never repeated itself, Murmurs would happily accept this position, but we have only to look into the life of General Grant to realize that men who lead their country to victory, even to become President of the United States, can pass into ob-

livion in the days of his life in almost abject poverty.

It may be our weakness to roar like a whirling wind-storm for a moment and then become inert and absolutely indifferent to the needs and support of those in whose favor we once clamored so loudly. If we have any semblance of democracy, and it must be remembered that this is a representative government, the stability of our purpose and resolves will be demonstrated by the support and loyalty to this or any hero through each hour of his life on earth. He should not, on the other hand, be verbally knifed as soon as our ardor and fervor have cooled in a few days.

In truth, it would be "more American" to reserve a part of our enthusiasm until after we have heard him out than to build such high hopes in the minds of heroes only to withdraw our support after some indiscreet statement has been made by them to which we can not wholly agree. It would be kinder far and would demonstrate a more genuine feeling of gratitude for services rendered than the terrible loneliness inflicted upon them by neglect and abuse.

An actor on the stage may often hold the sympathy of the audience while he is before them, but when he once upon the audience turns his back, his presence gone, the role he played may too soon be forgot. The clamoring of press and radio new-casters did a turn-about-face the day or two after the news broke concerning the firing of our five-star general. If that could be so evident then, what will a year from now mean to this man and his family.

Murmurs senses venom in the words of the President when cancelling his press conference he said that he did not desire to do anything that would spoil MacArthur from having "his day", Wednesday, April 18, 1951. As to the outcome, the world will eagerly await the news that issues from the sessions of our national legislature. What happens, however, will be determined by how sanely we react to whatever news we hear. We are not altogether unjustly criticized by our foes beyond the iron curtain when we examine the reactions we have evidenced in times past—not always with the dignity becoming the leading democracy of the world.

As Murmurs has frequently uttered, the greatness of this nation is determined by the wisdom, dignity, integrity and character of its people. When they become senile or infantile in their reactions to community, state and national affairs, America shall cease being the leading nation of the world, regardless of its armed might, resources and wealth, for we shall then become a mere laughing-stock for the whole world.

Miss Anabelle Mentzer and Mrs. Besie Bybee spent the week end visiting at the home of Mr. and Mrs. Ken Foulks, in South Bend.

INFORMAL SOCIAL AT MINISTER'S HOME

Last Friday evening after the close of the Lectureship at the church of Christ an informal social hour was enjoyed at the home of the minister. Guests included members of the local congregation, visitors and friends from Lafayette and South Bend. Those present from Lafayette were Mr. and Mrs. Paul Himes and Dr. and Mrs. Joe White. From South Bend were Mr. and Mrs. Ward Sullivan and family, Mr.

and Mrs. Tom Harris and family. Members of the local congregation included Mr. and Mrs. Delmer White, Mrs. Bertha Meredith, Mr. and Mrs. Vance Johns, Mr. and Mrs. Earl Smalley and family, Mr. and Mrs. Harry Sullivan and family and Mr. Artie Miller. After the hour of singing and fellowship light refreshments were served.

NORTHERN INDIANA COOPERATIVE ASSOCIATION

NEWS ABOUT THE SOCIAL SECURITY ACT

During the next three months the representatives of the Elkhart Social Security Field Office will continue to visit Warsaw every Wednesday of each month, Gerald Kelver, Manager, announced today.

The representative will be at the Herscher Realty Office in the Arcade Building from 1:00 to 3:00 p. m.

There have been an increasing num-

ber of people contacting the representative, Mr. Kelver explained, because of the questions they have about the 1950 Social Security Act Amendments.

Older workers who are 65 or past now only need to have worked for a total of six calendar quarters during which they have been paid \$50 or more in wages under the Program to be eligible for benefits. Many of these older workers are now filing or contacting the field office for information.

Employers of household workers, farm help, self employed, and many others are asking questions for the first time, wanting to know what their status is.

Since questions and explanations are important to understandings of the Program, Mr. Kelver, suggests that persons in the Warsaw area contact the representative, or the Elkhart Social Security Field Office in Room 222 of the Equity Building.

LOCAL NEWS

Mr. and Mrs. Cloice Paulus spent the week end at the home of Mr. and Mrs. Eldred Paulus, in Rochester.

Mr. and Mrs. Merl Gibson of South Bend spent the week end visiting relatives in this community.

William Carew, of Ball State University spent the week end visiting at the home of Mr. and Mrs. Jack Shinn.

Pvt. Floyd Nicodemus of Camp Breckenridge, Kentucky spent the week end visiting his parents. He will be at this camp a couple of weeks longer.

Mr. and Mrs. Arthur Brown and Mrs. Emma Gill spent Sunday visiting at the home of N. J. Finley of Columbia City, Indiana.

Mr. Joe Baker and son, Wayne spent last Thursday attending a Bendix service school at South Bend.

Mrs. Sheridan Snyder, of Flint, Michigan, is spending the week visiting with Mrs. Maude Snyder and other friends.

Mr. and Mrs. Sam Leech and Mr. and Mrs. Leius Ellinger of near Bourbon attended the funeral of Charles Bumbarger at the Foster Funeral Home at Rochester, Friday. Mrs. Leech and Mrs. Ellinger were cousins to the deceased.

Mrs. Stella Snyder, who has been staying with Mrs. Samantha Norris, left last week for a visit with her daughter, Mrs. Travis Chandler in Ft. Wayne.

Mrs. Howard Horn and Jody and Mrs. Clarence Leinger visited on Tuesday afternoon with Mrs. Nettie Mollenhour, who is at the home of Mr. and Mrs. Ed Dreisback of near Burket.

Mrs. Harry Watkins and children spent Tuesday in Warsaw visiting with relatives.

God of Fire

Vulcanus, the Roman god of fire, suggested to modern man the appropriate name of volcano for such erupting giants as the Mauna Loa in Hawaii. The fabled abode of the god was Sicily's Mt. Etna where his blacksmith helpers were believed to work at subterranean forges.

Protection for Shoes

If your shoes come clean after a scrubbing but the leather toes and heels look dowdy, give those portions of the shoe a coat of thin colorless shellac. It protects the leather and restores gloss.

SCOUT NEWS

The Boy Scouts of Troop No. 58 of Mentone will make a paper drive this Saturday, April 21, 1951, beginning at eight o'clock in the morning. ALL PAPER MUST BE TIED SEPARATELY in bundles or packed separately in paper cartons. If folks living in the rural areas have large quantities of paper and magazines and are not coming to town, some provision will be made to collect it if either Scoutmaster Gosser or Neighborhood Commissioner Tombaugh is notified. Paper that is being brought to town should be left at Wayne Tombaugh's garage across from the ball field. The proceeds of this paper drive will go toward the camp fund which will provide the means for every registered Scout of the Troop to attend the Scout Camp near Cromwell on July 15 through July 20.

T. H. E. MEMBERS MEET WITH MRS. OVERMYER

Mrs. Nelson Overmyer was hostess to the members of the T. H. E. Club in her home Thursday afternoon. The meeting was opened with the group singing "America" and "Love's Old Sweet Song". The pledge to the flag was given and devotions were given by Mrs. Elsie Vandermark.

During the business meeting donations were made to the Cancer Fund and Musical pennies.

The lesson was given by Mrs. Harold Walters and Mrs. Robert Calvert.

Mrs. Ralph Boling was welcomed into the club as a new member. There were 18 members, two guests and four children present. Delicious refreshments were served at the close of the meeting.

Noisy Factories

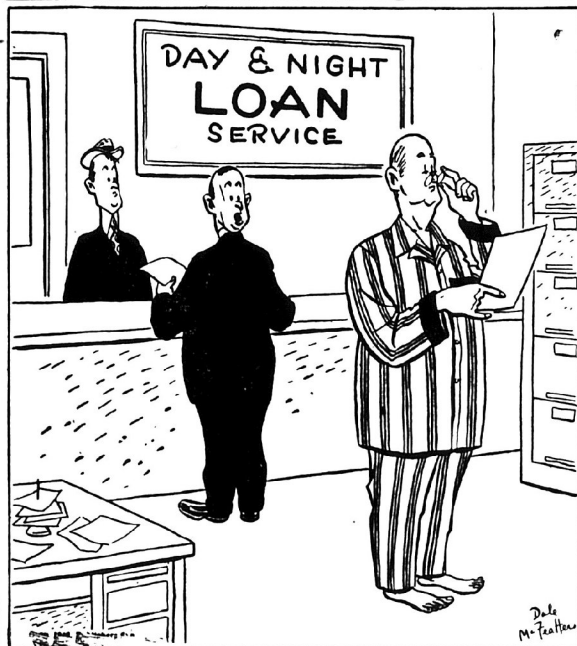

When sound waves are absorbed they set the molecules of the absorbing material into more rapid motion, which means that they raise its temperature. Thus the walls of a noisy factory are slightly warmer (by a small fraction of a degree) than they would be if the machines were run quietly, but without other changes in the characteristics.

GREETINGS FROM JACKSONVILLE

April 14, 1951

Hello Art:

How is everybody back in Mentone by this time?

I am getting along just fine and the weather is sure nice. Gets rather hot in the day time. Been busy the last few weeks working with airmen students.

Thanks a lot for sending me the paper. Sure enjoy reading the home town news.

As Ever,

"IKE" DAVIS.

PTA QUOTES

We must seek to be, in our own hearts and in our acts, the kind of people we want our children to be.—Oscar R. Ewing at the Mid-century White House Conference.

Not only the wellbeing but the survival of coming generations depends on the emergence in these dark days of young men and women of stature; young men and women whose bodies are strong, whose minds are clear and free, whose hearts are warm with human understanding, and whose talents are devoted to high purposes.—Leonard W. Mayo at the Mid-century White House Conference.

BOY SCOUT COMMITTEE TO SOLICIT CONTRIBUTIONS

Each year the towns supporting Boy Scout troops solicit funds to help maintain the area headquarters. Last year Mentone provided \$177.00 for this all-important phase of the movement. The quota this year is \$200, according to an announcement made by a member of the local committee. Solicitations are to start Thursday and all citizens are given an invitation to help the cause of Boy Scout work. If you aren't contacted by a member of the committee, and you wish to help, kindly give your contribution to one of the committeemen: They are: Ora McKinley, Dr. F. B. Davison, Richard Manwaring, Walter Kent and Roland Ferverda.

NO INHERITANCE TAX

The report of Miles Kesler, administrator of the estate of Isaac E. Kesler, on a private sale of personal property for the sum of \$1,570.99 has been approved in circuit court. It was also found that no inheritance tax is due on the estate.

WERE YOU MISSED?

Lorin Tridle announces that the Red Cross contributions in Franklin township are still a little behind the quota. If you were missed, you can help meet this quota by sending or handing your contribution to Mr. Tridle.

MENTONE CITIZENS WELCOME MacARTHUR

Mentone citizens joined millions of other American citizens Tuesday evening in welcoming Gen. and Mrs. Douglas MacArthur and son when their plane landed in San Francisco. It was the General's first visit to his native land in 14 years.

Locally fire sirens whined, auto horns blasted, firecrackers split the night air and a charge of dynamite reverberated through the city. MacArthur's return was the first important happening worth celebrating since the firing ceased in World War II, and Americans really demonstrated their love for noisy events.

The Truman-MacArthur episode has been the inspiration for the rebirth of true Americanism and the use of more printers' ink than any event for a long while. (And many editors, we are sure, failed to print a word of the affair until their indignant ardor cooled or tempered. Many, perhaps, spoke out of turn, but time alone will reveal this.)

Several years ago your editor was given the "horse laugh" when he stated he was using every method possible to prevent fighting and bloodshed in the streets of Mentone, but I still feel that our only way of escaping is that we take a more positive stand against the destructive forces that have been at work the past few years. Truman's very crude method of handling the MacArthur affair is an example of how quickly the citizens of our Nation can be triggered into positive action. Man, either by lethargy or misdemeanor, creates the condition that brings about his own destruction—and what a pitiful state we now find ourselves. Crime and graft of the highest order, diplomats and leaders stooping to intrigue and back-alley kid-wrangling, lawmakers sacrificing the freedom of men and women for political party expediency, and breach of promise and open and unashamed lying by those whom we have chosen to lead the destiny of a freedom loving people.

The average American will give until he can give no more to any cause that appears just—but how long can he be expected to give when all around he has positive evidence that billions of his dollars and resources are daily being thrown away by not only incompetents but individuals whose only desire is to see Americans reduced to the lowest economic level of any peoples of the world. This isn't guesswork as we have many citizens in our town who have witnessed the destruction of millions of dollars worth of valuable commodities and I could go on almost endlessly enumerating these instances reported by friends and acquaintances.

The military rule is discipline—and I'm not going to debate here whether war demands this or not—but even so, perhaps MacArthur had to choose between army rules or sending thousands of young Americans to their death for

what he knew to be a hopeless cause, or object. Mr. Citizen, what would you do? What have you been doing? Is there any of the "Spirit of '76" in your veins, or has dishonesty and deceit "blinded you to your own damnation"? Brave men made and built America . . . it demands no less to keep it.

No political party insinuations are intended—as we have long since passed the point where they can remedy our condition. We're encouraged to see citizens express their sentiments such as in the MacArthur welcome. We're encouraged by the signs of a National rat-killing such as has been going on the past several weeks, but we want to be sure they're after the rats and not just the cheese.

ETNA GREEN HIGH SCHOOL ACTIVITY CALENDAR

The Etna Green High School Alumni will be held at the H. S. gym Saturday evening, April 21st, beginning with a banquet at 6:30, honoring the 1951 graduating class of 20 members. The Sportsman Barber Shop quartette will furnish entertainment during the dinner hour. Following this, there will be an opportunity for renewing acquaintances. The Jim Osman orchestra will play for dancing. Last year more than 200 enjoyed the evening together. All alumni and teachers, past and present, are requested to send in their reservation cards soon. If for any reason any graduate has not received a card, reservations may be made with Mrs. Wm. Fackler.

Other School Activities.

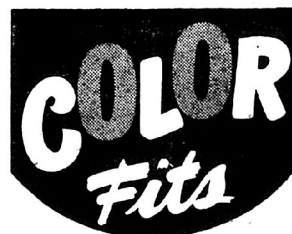

Baccalaureate on May 6th.
Commencement on May 8th. Dr. Hartzler, of Goshen, will be the speaker.

Senior class play, "High School Mystery," will be given on two nights, 18th and 19th of April.

On May 9 the seniors will leave on a trip to New York City and Washington, D. C.

★ Today good will may starve to death. Keep it alive with customer courtesy and careful advertising.

SCHOOL NEWS

The local chapter of the Future Homemakers Association held a regular meeting at the school cafeteria on Monday evening. There were nineteen present including the sponsor, Mrs. Hoffman and a guest, Mrs. Creamer. Ways and means of earning and saving money was the topic discussed. Games and refreshments followed. On Saturday, April 21, at the Lemler Market, the girls will hold a bake sale to bolster the club's finances.

Eleven students participated in the speech festival at Warsaw last Friday. Janet Rose Reed, Geneva Whetstone and Jon Cullum won excellent ratings in declamation.

Mr. Frederick was absent from school on Monday and Tuesday due to illness. Rev. Gosser substituted for him.

Mrs. Howard Shoemaker

GENERAL INSURANCE

MENTONE

PHONE 3 on 33

This Sunday, April 22, at the local gymnasium, the music department, under the direction of Mr. Frederick, will present a Spring Concert. This program will be one of the few presented by the band and chorus this year. The Public is cordially invited. There will be no admission charge.

The track meets with Etna Green and Leesburg have been postponed due to the inclement weather. The Kosciusko County track meet has been scheduled for May 4.

Madeleine Holt has been awarded a scholarship to Ball State Teachers College at Muncie. Madeleine recently competed in State wide examinations.

Charles Urschel will be a contestant in the state Geometry finals at Bloomington on April 28. Charles took the district examination at New Haven and scored sufficiently high to merit a place in the state finals. Mr. Kelley taught Charles in this activity.

Twenty-nine pre-school pupils were examined at the pre-school clinic on Friday. Some of this number are not old enough to enter school next Fall. It is expected that next year's class will be about 35 pupils.

The seniors wish to thank all those who helped make the Pancake supper a success. About 300 customers attended the supper.

The Harrison Township school buses were inspected on Tuesday by the State Police in a county wide inspection held at West Wayne School. Several minor recommendations were made, but none was condemned.

The honor roll for the fifth grading period includes: 7th, Orpha Kurtz, Rita Olson; 8th, Larry Boggs, Larry McKinley, David Gosser, and Billy Nellans; 9th, Jon Cullum; 10th, Charles Urschel; 11th, Jackie Blue, Donnagene Dillman, and Pat Star; 12th, Monna Lou Darr, Bonnie Emmons, Jennie Hall, Margaret Hodges, Sally Hoffer and Madeleine Holt.

Attendance for the fifth grading period follows: 1—96.2, 2—96.9, 3—96.3, 4—96., 5—97.9, 6—97.1, 7—98., 8—98.7, 9—98.5, 10—98.9, 11—97.6, 12—92.5.

MOTHERS OF WORLD

WAR II MEET

The Mothers of World War II met at the home of Mrs. Flosom Newell Wednesday evening, April 11.

The president, Mrs. Cloice Paulus, presided at the business session. Mae Borton, membership chairman, reported on the membership and Fawn Janke reported the purchase of a bedside table and a back rest. Bills were allowed. The following committee chairmen were appointed: Rehabilitation—Bertha Meredith; Americanism—Alta Hudson; Unit Activities—Dora Whetstone; Finance—Myrtle Davis; Community Service—Ethel Wagner; Child Welfare—Myrtle Davis; Membership—Mae Borton; Legislative—Belle Morrison; Publicity—Dora Whetstone; Flowers—Flosom Newell and Ethel Whetstone; Color Guards—Marie Coleman and Helen Mollenhour; Color Bearers—Fawn Janke and Mae Borton.

A donation of \$10.00 was received from the Vincent Meredith family for use of bed. We wish to thank the family for this donation. It is much appreciated. Pearl Cormican paid birthday money. At the close of the business session the president read a recipe for living as a thought for the day. She then turned the meeting over to the entertainment committee. Mrs. Wagner held a contest and Mrs. Maude

Romine won the prize, also, an auction was held, Mrs. Scott and Mrs. Davis were high bidders. The next auction committee is LaVera Horn, Thelma Hilschman and Fawn Janke.

Watch the social calendar for place for next meeting.

The hostess assisted by Marie Coleman served lovely refreshments to the 18 members present.

CARD OF THANKS

We wish to thank all of our neighbors and friends for all their kindness and sympathy during the illness and death of our husband, father and grandfather. They were truly appreciated.

MRS. VINSON MEREDITH and family

Mr. and Mrs. Howard Kohr left today for Grand Rapids, Michigan to visit with Mr. Kohr's sister for a few days.

MENTONE HOME EC. CLUB MEETS

Mrs. Glenn Snellenberger, county home demonstration agent, was guest speaker at the meeting of the Mentone Home Economics club, held Thursday afternoon at the Home Economics room at the Mentone school. Mrs. Snellenberger prepared two meals in the range broiler.

In their report on the school held for garden leaders of the Home Economics club, Mrs. Earl Meredith and Mrs. Silas Meredith gave information regarding sprays and fertilizers. The use of proper fuses in electrical circuits was stressed by Mrs. Ray Terry, health leader, in her talk on "Safety In Using Electricity." For the meditation Mrs. Royse Tucker read, "Pride in Labor" and other articles. Mrs. Howard Horn presided. Miss Edith Darr was awarded the mystery package. Birthday and anniversary gifts were received by Mrs. Claude Gates, Mrs. Truman Long, Mrs. Earl Meredith, Mrs. John Laird, Mrs. Royse Tucker and Mrs. Sherman Bybee.

Mrs. Howard Horn was the hostess and she was assisted by Mrs. Tucker and Mrs. Bybee, in entertaining the 27 members and guest present.

"Program Planning" will be the subject of the project lesson at the next meeting of the club, which will be held Thursday, May 10, at the home of Mrs. Harry Sullivan.

BAPTIST CHURCH NEWS

On Friday night the Baptist Church will have an overnight Youth Rally for the Baptist Churches of this area that are in fellowship with the General Association of Regular Baptist Churches. It is expected that at least 100 young people will come for the Friday night meeting at 7:30, will stay overnight with the members of the church, go to morning classes especially designed for young people and then finish the rally with a banquet at the school at noon. Rev. Kenneth Dodson, pastor of the Glen Park Baptist Church in Gary, will be the speaker at the services. In January the Pastor took 21 young people and went to a similar meeting in Indianapolis.

Monday the churches of the fellowship will meet at Crystal Lake to begin construction of a building 30 by 90 feet to be used in the Youth Camp this summer. Plans have been made to hold three weeks of camp for young people in July. Ten acres was purchased last summer on the lake and the State Fellowship of Baptist Churches plan to spend some \$10,000 in expanding the facilities of the camp so that they can handle some 100 young people at a time in each camp. The young people of the local church will be helping raise the money for the needed expenses of the camp. It is hoped that several of the local young folks will be able to go to the camp this summer and enjoy the advantages of a Christian camp for the week.

MENTONE READING CLUB HOLDS REGULAR MEETING

The Mentone Reading Club enjoyed a post-Easter program prepared by Mrs. Dentone Abbey and Mrs. Donald Van Gilder at the Jack Van Gilder home, Wednesday evening.

With Mrs. Harold Nelson presiding, the items of business were dispensed with, after the usual opening, roll call and reading of the minutes.

"Not By Bread Alone" was the subject used by the committee, which consisted mainly of some most interesting and beautiful pictures of God's handiwork. The program opened with an organ selection by Mrs. Jack Van Gilder, then, she accompanied a vocal solo, "Dear Lord and Father of Mankind" by Mrs. Wayne Tombaugh. While Mrs. Abbey managed the projector, impressive poetry (suitable for the slide being shown) was read by Mrs. Donald Van Gilder and Mrs. Maude Snyder softly played appropriate organ selections. At the end of the showing of the slides, Mrs. Artley Cullum lead the group in a short period of meditation and prayer. The program closed with Mrs. Snyder's organ number "Adagio" from the Moonlight Sonata, after which she assisted Mrs. Van Gilder in serving refreshments.

COOPERATION PAYS

TALMA SENIOR CLASS STARTS ON TRIP APRIL 21

The Senior class of the Talma high school will leave on April 21 for their trip and will return April 30, according to an announcement made by S. H. Brewer, principal of the school.

The remainder of the school activities for the year is as follows: Musical concert, April 29; alumni reception for the Seniors, May 5; Baccalaureate sermon, May 6; Junior-Senior reception, May 8; Commencement, May 10.

The Junior play is to be May 2.

CUTS THUMB ON ELECTRIC SAW

Roy Salman, who formerly resided at Mentone but now lives near Warsaw, had several stitches taken on his thumb, which he cut on an electric saw Wednesday morning. He was treated at the Murphy Medical Center at Warsaw.

Mrs. Tessie Newton has returned to her home after spending the past 6 weeks in Hammond with her son and family, Mr. and Mrs. Howard Newton.

Bicycling has increased so much in the past few years that recently a national committee developed new model bicycle regulations for adoption by municipalities. One of the main regulations is that at night a bicycle should have a good red reflector on the back. Motorists know that red means danger. To be safe all bicyclists should equip their bikes with red reflectors.

NOTICE TO THE TOWN OF MENTONE, INDIANA, AND THE CITIZENS THEREOF

In the Kosciusko Circuit Court
April Term, 1951. Claim No.
STATE OF INDIANA)

SS:

KOSCIUSKO COUNTY)
ELMER RATHFON

vs.

TOWN OF MENTONE, KOSCIUSKO
COUNTY, INDIANA, AND THE
CITIZENS THEREOF

Notice is hereby given to the Town of Mentone, Kosciusko County, Indiana, and the Citizens Thereof that in the above entitled cause now pending in the said circuit court Elmer Rathfon has filed his petition praying said Court for an order vacating certain portions of plat of lots and certain streets and alleys in the Original Plat of the Incorporated Town of Mentone, the lots which the petitioner seeks to vacate being described as follows, to-wit:

Lots Forty-seven (47), Forty-eight (48), Forty-nine (49), Fifty (50), Fifty-one (51), Fifty-two (52), Fifty-three (53), and Fifty-four (54), Sixty-three (63), Sixty-four (64), Sixty-five (65), Sixty-six (66), Sixty-seven (67), Sixty-eight (68), Sixty-nine (69) and Seventy (70),

and the North parts of Lots Fifty-five (55) and Sixty-two (62), which are immediately North of and adjacent to the South part of said Lots Fifty-five (55) and Sixty-two (62) now owned by the town of Mentone, Kosciusko County, Indiana,

and the street area which the petitioner seeks to vacate being described as follows, to-wit:

The entire area of a North and South street, named Elm Street, which is Four (4) rods in width and Sixty-three (63) rods in length, and bounded on the East by lots Fifty-nine (59) through Seventy (70), inclusive, and bounded on the West by a tract of unplatted land, which is now owned by Elmer Rathfon, petitioner herein, extending from the South line of an East and West street, named Main Street, to the South line of an East and West street, named Washington Street. Also that part of an East and West street named Monroe Street, which is Four (4) rods in width, bounded on the North by Lots Sixty-seven (67), Sixty-eight (68), Forty-nine (49), and Fifty (50), and bounded on the South by Lots Sixty-six (66) and

Fifty-one (51), and Seventeen (17) rods in length, extending from the East line of said Elm Street to the West line of a North and South street named Oak Street; Also that part of an East and West street, named Jefferson Street, which is Four (4) rods in width, bounded on the North by Lots Sixty-three (63) and Fifty-four (54) and bounded on the South by Lots Sixty-two (62) and Fifty-five (55) and Seventeen (17) rods in length, extending from the East line of said Elm Street to the West line of said Oak Street.

and the alley area which the petitioner seeks to vacate being described as follows, to-wit:

The entire area of an East and West alley which is One (1) rod in width, being bounded on the North by Lots Seventy (70), Sixty-nine (69), Forty-eight (48), and Forty-seven (47) and bounded on the South by Lots Sixty-seven (67), Sixty-eight (68), Forty-nine (49) and Fifty (50), and Seventeen (17) rods in length, extending from the East line of a North and South street, named Elm Street, to the West line of a North and South Street, named Oak Street;

Also the entire area of an East and West alley, which is One (1) rod in width, bounded on the North by Lots Sixty-five (65) and Fifty-two (52) and bounded on the South by Lots Sixty-four (64) and Fifty-three (53), and Seventeen (17) rods in length, extending from the East line of said Elm Street to the West line of said Oak Street;

Also the entire area of a North and South alley, bounded on the West by Lots Sixty-nine (69) and Sixty-eight (68) and bounded on the East by Lots Forty-eight (48) and Forty-nine (49), and Seventeen (17) rods in length, extending from the South line of an East and West street, named Main Street, to the North line of an East and West street, named Monroe Street; Also the entire area of a North and South alley, which is One (1) rod in width, bounded on the West by Lots Sixty-three (63), Sixty-four (64), Sixty-five (65) and Sixty-six (66) and bounded on the East by Lots Fifty-one (51), Fifty-two (52), Fifty-three (53) and Fifty-four (54), and Seventeen (17) rods in length, extending from the South line of said Monroe Street to the North Line of an East and West street, named Jefferson Street; Also that part of a North and South alley, which is One (1) rod in width bounded on the West by a part of Lot Sixty-two (62) and bounded on the East by a part of Lot Fifty-five (55), and extending from the South line of said Jefferson Street to a line running East from the Northeast corner of the South part of Lot Sixty-two (62), which is owned by said Town of Mentone, to the Northwest corner of the South part of Lot Fifty-five (55), which is also owned by said Town of Mentone,

and alleging that said proceedings will affect property owned by the petitioner herein and the petitioner has fixed May 19, 1951, as the day for hearing thereon.

You are, therefore, hereby notified that said petition and the issues thereon will be heard and determined by the Kosciusko Circuit Court at the circuit courtroom in the Courthouse in the City of Warsaw, Kosciusko County, Indiana, at the hour of 9 a. m. or as soon thereafter as petitioner may be heard on the 19th day of May, 1951, being the 42nd Juridical Day of the April 1951 Term of said Court.

Dated April 16, 1951.

THE BLUE MARLIN

When a deep-sea fishing party ties up at a dock in Florida and begins to unload a Blue Marlin, the news spreads swiftly, and soon a crowd gathers. It isn't an everyday happening for the Blue Marlin is a big fighting fish, and the man who takes one is both lucky and skillful. When he finally lands his prize, says the National Wildlife Federation, he knows he has not only been fishing but has been through a real battle.

The struggle begins as quickly as the

Blue Marlin is firmly hooked. At that moment he begins a fast run that unreels many hundreds of feet of line at blinding speed. In his flight he may plunge to the ocean depths, then return to the surface some distance away.

As he breaks the water, he opens his bag of tricks in a savage battle for escape. Twisting, turning, pulling, he

National Wildlife Federation
Blue Marlin

tries to get rid of the hook. With lashing strokes of his powerful tail, he leaps out of the water, not once or twice, but again and again, until it seems he surely would be exhausted.

But the contest goes on, sometimes for hours. The Blue Marlin's glistening streamlined body is packed with power, and he has a courageous heart. If there is a chance of snapping the line or ripping loose from the hook, he is going to find it.

At last, though, he may bow in defeat. The end may come to him when a shark chews at his back, sides, and belly. Even then the Blue Marlin does not surrender until he is badly wounded. Those who pull him aboard cannot help but admire him, for it can be seen that he lost to overwhelming odds.

The greatest satisfaction comes from taking an unscarred Blue Marlin—one that has fought bravely, but has lost to the fisherman alone. It is a real job just to get him out of the water, because he is long and heavy. Conservation-minded fishermen generally free their catch, as they fish only for the sport.

Blue Marlin have been caught at weights ranging from under 100 pounds to over 1,000, and even the lighter ones are long. A prize that weighed 218 pounds measured nine feet three inches in length. A 12-foot Marlin tipped the scales at 503 pounds. A 636-pounder stretched out to 12 feet one inch and was nearly five feet around the middle.

The big Blues are sometimes called Cuban Black Marlin, and they are one of the two kinds of Marlin found along the Atlantic coast. We don't know much about their habits or paths of migration, says the National Wildlife Federation, but they are most plentiful in the waters off Florida, around Cuba, and near the British West Indies. Sometimes they wander northward, though, because Blue Marlin have been caught off North Carolina, Long Island and Massachusetts.

Besides his blue or blue-black color, the Blue Marlin can be identified by two big, curving fins which come to sharp points. The fin on his topside is far forward, just behind his head, while the fin on his belly is about midway along his body.

The thing about him you would never forget, though, is his long snout—

a strong, bony spear useful for battling sharks—and his enormous, fierce eyes. Even when he is strung up for photographing, they seem to glare defiance at his captors.

Interesting information about other species can be obtained by writing to the National Wildlife Federation, at Washington 10, D. C.

IT'S EASY TO GET MORE Top Grade Eggs!

By gathering their eggs more often and keeping them where it was cooler, eight Kansas farmers, in a test, showed how much they could increase the number of CLEAN, FRESH eggs they had to sell—at their true market value.

INCREASE

WHAT THEY DID TO GET MORE GRADE A'S

- | | |
|------------------|---|
| 63% TO 83% . . . | Gathered eggs 3 times a day instead of once; kept them in the cellar. |
| 46% TO 76% . . . | Gathered eggs 3 times a day instead of once; kept them in the cellar. |
| 12% TO 75% . . . | Gathered eggs 3 times a day instead of twice; kept them in the cellar. |
| 50% TO 77% . . . | Gathered eggs 3 times a day instead of twice; kept them in the cellar. |
| 50% TO 86% . . . | Gathered eggs 3 times a day instead of once; kept them in cave instead of porch. |
| 58% TO 80% . . . | Gathered eggs 3 times a day instead of once; kept them in house. |
| 35% TO 80% . . . | Gathered eggs 3 times a day instead of once; kept them in cave instead of on porch. |
| 36% TO 80% . . . | Gathered eggs 3 times a day instead of once; kept them in cellar instead of in house. |

FARM MORTGAGE LOANS — Inasmuch as we confine our farm mortgage lending largely to our own community our customers are afforded the privilege and convenience of coming to the bank and making payments on their loans at any time they may receive income from their farm operations. Many of the borrowers are taking advantage of our prepayment privilege and paying principal payments in advance. These payments are credited to the next succeeding installment on the loan which gives the borrower the benefit of the privilege of skipping principal payments, if he so desires or if his plans do not materialize, to the extent that he has prepaid. Interest ceases on all principal payments on the date of payment. While our contract interest rate is 5%, the savings effected under our liberal repayment terms reduces the cost of our loans below that of many other agencies that have a lower contract rate. We charge no commissions or appraisal fees and are in a position to extend the maturity date of the principal and interest payments to accommodate the needs of our borrowers. Consult us about your long term financing needs. We believe you will agree with us that our mortgage lending program offers many advantages. **FARMERS STATE BANK**, Mentone, Member Federal Deposit Corporation. tf

METHODIST CHURCH NEWS

The Methodist Youth Fellowship of the local church enjoyed the party of the month that was held at the home of Don Rush on Tuesday evening. Games of progressive art and poetry and conundrum baseball were played. Refreshments of cokes, cake, and ice cream were served around the dining table by candle-light.

The following nine ladies attended the conference meeting of the Women's Society of Christian Service which was held at the Wayne Street Methodist Church in Fort Wayne last Friday: Mrs. George Mollenhour, Mrs. F. B. Davison, Mrs. Herman Olson, Mrs. D. L. Bunner, Mrs. Abe Whetstone, Mrs. Curtis Nellans, Mrs. Adam Carper, Mrs. Meredith and Mrs. David Gosser.

The District meeting of the W. S. C. S. will be held in Warsaw on Tuesday, April 24. It is hoped that a great number of the local women will be able to attend this meeting. Contact Mrs. George Mollenhour for transportation.

The Junior Choir will participate in the worship service this coming Sunday morning, singing as the nathem, "God, who Touched Earth with Beauty." The sermon subject is, "For The Beauty of The Earth".

FRANKLIN TOWNSHIP HOLDS FARM BUREAU MEETING

Franklin Township held its Farm Bureau meeting Monday evening, April 9 in the Beaver Dam school gym with a good attendance. The meeting was called to order and turned over to the Rural Youth with Mr. Dale Cauffman in charge. He led in singing two numbers with Mrs. Cauffman at the piano. He then asked Mr. Paul Cumberland for the devotion. Mr. Cumberland read scripture from the Bible and then asked Mr. Sam Norris to lead in Prayer. After the devotions Gailen Haney gave a demonstration on tractor maintenance and care of grease and oil.

The play "Trouble in a Trailer" given by the Rural Youth was introduced by Mrs. Phillips. It was enjoyed by all. Chairman Everett Rookstool took charge of the business session. The Secretary's report was given by Mrs. Blanche Dickey and was approved. After which Waldo Adams gave a very interesting report of the District meeting held at Goshen in March. Mr. Rookstool then introduced the speaker of the evening, Marion Stackhouse of District 2, who gave a very interesting talk. Refreshments of cup cakes and coffee were served by the committee composed of Mrs. Ora Tucker, Mrs. Harold Maxwell, Mrs. Orval Swick, Mrs. DeVon Tucker, Mrs. Neva Kinder and Mrs. Chester Ballenger.

Mrs. Paul Cumberland and Mrs. Don Smalley had charge of the Pet and Hobby Club.

SISTER CELEBRATES 90TH BIRTHDAY

(Ed.—The following item was taken from the Argos Reflector and is of interest to Mentone residents as Mrs. Middleton and Mrs. Jennie Thomas are sister.

Mrs. Middleton has seen four wars and keeps active.)

Mrs. Alice E. Middleton quietly celebrated her 90th birthday anniversary last Saturday, in the home of Dr. and Mrs. F. H. Kelly, her son-in-law and daughter, with whom she has made her home for almost a score of years.

Mrs. Middleton was born April 7, 1861, near Warsaw, and has lived most of her life at Warsaw, Beaver Dam, Mentone, Chicago and Argos.

Showers of cards, gifts, letters and many many calls from her multitude of thoughtful friends from New York to Los Angeles, cheered her and brightened her day.

Gram Midd, as she is affectionately known, has witnessed four wars in her lifetime and fervently prays we will somehow escape another. She writes many letters with a clear legible hand.

Every page of her Bible is time worn and torn, yet she reads current magazines and newspapers avidly, keeping abreast of the times. She cares nothing for antiques. Quote, "We used to live with them and it is better we have changed. Look forward — never back-

ward." Only the new and the modern interest her.

She enjoys her Sunday morning breakfast and her church, via radio, in her room. She has always been a devout Christian. She enjoys television—all of the programs except sports. Westerns are her favorites. She crochets and sews most of the birthday and Christmas gifts she gives her family and friends.

Her interest in politics has been keen and she has always voted since women were "given the responsibility," as she puts it. She believes a woman's place is in a good Christian home, and, with the help of church and school, rearing children "with character and responsibility."

Her daughter, Mrs. Gladys Hutson, arrived Thursday from Traverse City, Michigan, to help celebrate her mother's birthday. Another daughter, Mrs. Dorothy Peterson, is also here. One son Dr. William Middleton, is a local dentist. She has one living sister, Mrs. Jennie Thomas of Mentone.

—Argos Reflector

TIPPECANOE RIVER CLUB MEETING HELD

Mrs. Henry Coggins entertained the Tippecanoe River Club in her home Wednesday from 11 a. m. to 1:30 p. m.

The meeting was opened with the singing of the song of the month. The club then gave the creed. Roll call was answered by giving household hints.

The project lesson on space planning was given by Miss Lavon Milksell. The club collect was given.

The remainder of the meeting was turned over to the program committee. Contests were enjoyed and a prize was awarded to Miss Mina Partridge.

Refreshments were served to 13 members, 3 children in honor of the birthday of Miss Viola Adams.

The next meeting will be held with Mrs. Howard Mathias. A flower exchange and auction will be features of the meeting.

Mr. and Mrs. Ralph Mollenhour and Roger will spend Sunday visiting with their son, James who is stationed at the Great Lakes training center.

SILAS PAXTON DIES.

Silas M. Paxton, 79, lifelong resident of this county, died at 10 a. m. Monday at the Grace nursing home in Ft. Wayne where he had been a patient the past two weeks. Since suffering a stroke last November, he had been cared for by his daughters at their homes in Fort Wayne.

Mr. Paxton was born Nov. 26, 1871, the son of Joseph and Matilda Paxton. In 1896 he was married to Miss Ollie Creakbaum, who died in 1946. He had been a farmer and fur buyer and lived the past 52 years on his farm three miles north of Mentone. He was a member of the Gleaners Lodge.

The deceased leaves three sons, Hobart, Donald and Maurice, of near this city; two daughters, Mrs. Cloice Beber, and Mrs. Emmett Krohne, both of Ft. Wayne; nine grandchildren, and nine great-grandchildren.

Funeral services will be held at two p. m. Thursday at the Reed funeral home, with Rev. David Gosser, pastor of the Methodist church, officiating. Burial will be in the Mentone cemetery.

CLUB CALENDAR

J.O.Y. Circle meeting, 1:30, Tuesday, May 1 at the Methodist Church. Election of officers.

Psi Iota Xi business meeting on May 1st instead of May 8, at Maude Snyder home.

Royal Neighbors Camp, No. 2462, will hold their May meeting at the home of Neighbor Helen Mollenhour on May 1. The Warsaw Royal Neighbors will be guests. An interesting program is planned.

The Mentone School advisory council meets Monday evening April 30, at 7:30 at the school house.

Friendly Neighbors Home Economics Club will meet on Thursday evening, May 3, at 7:30 at the Mentone School. Each member is to bring a guest.

FORMER RESIDENT DIES IN ROCHESTER

Mrs. Warren Entsminger, aged 85, died at 3:45 p. m. Thursday at a nursing home in Rochester. She was seriously ill only two days but had not been well for several years.

The deceased had resided at Mentone before moving to Rochester 18 years ago.

Mrs. Entsminger was born in Fulton county April 10, 1866, the daughter of George and Sarah Kesler. She was Lida Ann Kesler before her marriage in 1883 to Mr. Entsminger, who died in 1941. A son, George, also preceded her in death.

She was a member of the Baptist church.

Surviving relatives include a daughter, Mrs. Norman Teel, of Rochester; a brother, Harley Kesler, of Argos; eight grandchildren and seven great-grandchildren.

Funeral services were held at 2 p. m. Sunday at the Foster funeral home in Rochester. Rev. Henry Sagaree officiated. Burial was in the Sycamore cemetery.

SEVEN TO LEAVE FOR ACTIVE MILITARY SERVICE

Seven local young men, three of them World War II veterans, will leave May 1 for service at Camp Atterbury. All are reserves in the 434th Troop Carrier Wing. They are:

Chet Smith, Geo. Irvin Mollenhour, Vern Weiger, Ed Cochran, Don Smythe, Tom Fitzgerald and Roscoe Davis.

COUNTY BAND FESTIVAL TO BE FRIDAY EVENING

The annual County Band Festival will be held this coming Friday evening at the Warsaw Armory, at 7:30.

This band group will consist of around 500 students. Nilo Hovey, of the Arthur Jordan Conservatory of Music, at Indianapolis, will direct this massed band.

All band parents will surely enjoy hearing this musical program.

SCHOOL ON FAST TIME

Mr. Kent has announced that the school schedule will follow fast time, which begins next Saturday evening at midnight.

Don't forget, parents, to get your children up and ready an hour earlier.

JOHN LATHAM DIES SUDDENLY

John J. Latham, aged 73, died at 5 p. m. Saturday at his home here following a 14-hour illness. Death was due to a cerebral hemorrhage. He was a carpenter and contractor and was born at Tippecanoe April 25, 1877, the son of Adelbert and Dorothy (Runnells) Latham. He had lived in Tippecanoe and Mentone his entire life.

He was married to Luella Fore in July, 1916, at St. Joseph, Michigan. He was a member of the I.O.O.F. and Rebekah lodges at Tippecanoe.

Surviving are his wife; a daughter, Mrs. Walter (Charlene) Boice, of Elkhart; a step-daughter, Mrs. Fawn Janke, of Mentone; a step-son, Welcome Fore, of California; two brothers, Edward and Charles, both of this city; a sister, Irene Lewallen, of Tippecanoe; a step-grandchild, Junior Fore, of Mentone, who was raised in the Latham home, and one grandchild.

Funeral services were held at the Reed funeral home Tuesday at two p. m., with Rev. Milton Dowden, pastor of the Baptist church, officiating. Burial was in the Mentone cemetery. Members of the I.O.O.F. and Rebekah lodges participated in the final rites.

MRS. DANIEL CREAKBAUM BURIED HERE TUESDAY

Mrs. Lucinda Creakbaum, aged 79, died at 8:30 p. m. Saturday at the home of her son, Ed Creakbaum, south of this city. Death was due to a stroke suffered ten days previously.

Mrs. Creakbaum was born in Fulton county September 19, 1871, the daughter of Mr. and Mrs. William Baldwin, but had lived most of her life in this county. In 1889 she was married to Daniel Creakbaum, who preceded her in death.

Surviving are four sons, George of near Warsaw, Ed. of near Mentone, Lester of Mishawaka, and Ronald of Elkhart; two daughters, Mrs. Eva Thorne of Ely, Minn., and Mrs. Mary Dunmire of Bristol; 12 grandchildren; three great-grandchildren; three brothers and four sisters. Two sons, Elvin and Charles, preceded her in death.

Funeral services were held Tuesday at 3 p. m. at the Johns funeral home. Rev. David Gosser, pastor of the Methodist church, officiated. Burial was in the Mentone cemetery.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Francis Kehoe, Bourbon, announce the engagement of their daughter, Esther, to Pfc. Leroy C. Wise son of Mr. and Mrs. Frank Wise of Mentone, Indiana.

Miss Kehoe is a graduate of Tippecanoe High School and is now employed in South Bend at the Emmeo Insurance Company.

Mr. Wise, a graduate of Beaver Dam High School, is serving in the U. S. Army and is stationed at Fort Knox, Kentucky.

No date has been set for the wedding.

DAYLIGHT SAVING TIME TO START SATURDAY NIGHT

As has been the custom in the past, this area will join other areas of the county in conforming to Daylight Saving Time, starting at midnight Saturday night, April 28th.

NATIVE OF COUNTY

DIES IN BOURBON

Clarence H. Sellers, aged 90, a native of this county, died Friday morning at his home on Bourbon Route 2. He had been seriously ill since May 4, 1950.

Mr. Sellers was born December 8, 1860, in Monroe township, the son of Perry and Mary (Tillman) Sellers. He moved 57 years ago from the Sidney community to Bourbon.

On March 16, 1880 he was married to Della Miller who died in 1905. He was married on March 2, 1907 to Lydia Ann Parsons, who died September 9, 1948.

Survivors include four daughters, Mrs. Edna Metheny, of Bourbon Route 2, Mrs. Fern Phillips, of Tippecanoe, Mrs. Flora Hollett, of Rolling Prairie, and Mrs. Edith O'Brien, of Conrad, Montana; a stepdaughter, Mrs. Leah Young of Bourbon Route 2; nine grandchildren; 10 great-grandchildren; six step-grandchildren, and eight step-great-grandchildren.

Two sisters, Isadora Pottinger and Lenna Brown; five brothers, Orlando, Hazard, Melvin, Everett and Ancil Sellers, and one step-child, Roy Parsons, preceded him in death.

Funeral services were held at 2 p. m. Sunday at the Tippecanoe Methodist church, of which he was a member. Rev. E. E. DeWitt, of Mentone, assisted by Rev. John McGee, conducted the services. Burial was in the Mt. Pleasant cemetery.

SPRING CONCERT HERE WAS WELL ATTENDED

The annual Spring Band and Choral Concert, held Sunday afternoon at the Community Building, was attended by a large and appreciative audience.

The program had variety, which made it appealing to young and old alike.

The band has made great improvement under the capable leadership of our music director, Mr. Frederick. He possesses a rare ability to draw out the interest and cooperation of his students. Fortunate, indeed, is the community who has such a director.

The accordion numbers by Peyton Morris, of Rochester, were very much enjoyed. His personality and skill won his listeners' immediately.

(To anyone who might be worrying about Mr. Frederick's "fall" in the "Clown Band Contest" number—he did it on purpose—it was a part of the act.)

SPRING RECITAL AT METHODIST CHURCH SUNDAY, APRIL 29, 3 p. m.

Maude Snyder will present the following students from the piano, organ and voice department: Barbara Hoover, Katha Newcomb, Ricky Weaver, Norma Weaver, Marybelle Mellott, Betty Lou Mellott, Sherry Shoemaker, Carol Ann Dickey, Sharon Mullins, Marita Tucker, Barbara Longbrake, Ann Creighton, Marilyn Rathfon, Arvilla VanGilder, Sue Ann Barkman, Dixie Linn, Sherry Shoemaker, Terry Tucker, Sandra Ballinger, Dorothy Kendall, Andrea Smart, Wilberta Lattimer, Sharon Lattimer, David Gosser, Donna Kay VanGilder, Mary Kate Miller, Martha Miller, Mary Ellen Bryan, Sandra Barkman, Carol Rathbun, Marilyn Horn, Jerilyn and Janet Craig, and Emma Clutter. A special invitation is given to the public.

MERRY MENTONETTES MEET

At the regular meeting of the Merry Mentonettes held April 23, record books were passed out. Pledges to the flags were led by Janet and Rita. The minutes were read by Janet Reed and approved by Mrs. Moore. There were two special numbers. Leann Lemler sang and Marita Tucker played the piano. We won a stamp at the officers meeting at Warsaw and our president, Elaine Dunnuck, showed us how to use it and what to use it for. Games were played and cupcakes and ice cream were served as refreshments. There were 47 members and two mothers and leaders present.

MARY E. BRYAN, Reporter.

UNSIGNED ARTICLES

The Co-Op. News has received an article titled, "Mothers Denounce 'New' Education" which was sent to us to be published.

If the writer of this article will write telling us her name (which will remain secret as far as the public is concerned) we will be happy to print the article.

LAKETON MAN TO HEAD AKRON SCHOOLS

Granville Deaton, of Laketon, will become the new principal of the Henry township schools at Akron this coming September. He is at present principal of the Laketon high school where he has served for the past six years.

In his announcement, Trustee Vernon Cumberland said that Roy Meredith, who is now the Akron principal, will remain on the staff as mathematics teacher. He and his family will move to the Dickey farm which they recently purchased and will devote part of his time to farming.

HORSE POPULATION DECREASING

For the first time in history automobiles outnumber horses on U. S. farms, remarks Capper's Farmer. USDA last year placed the number of cars at

5,800,000 as against 5,310,000 horses. Back in 1920 there were only 2 million automobiles on farms. At that time, the horse population totaled nearly 20 million.

ENJOY NEW YORK TRIP

Mr. and Mrs. Heston Creviston, of Mentone, and Mr. and Mrs. Elwin Creviston, of Fort Wayne, spent five days in New York at the Waldorf Astoria as guests of the Electrolux Corporation. Their stay included a banquet in the Waldorf ballroom, a trip through the factory in Old Greenwich, Conn., and a tour of New York. They were flown home by United Air Lines.

GETTING ACQUAINTED

Understanding between town and country people is on the upward swing. Capper's Farmer reports that city dwellers are learning how food is produced and marketed, and what the farmer gets paid for doing the job. Farmers are hearing why their city cousins protest about high food prices.

By meeting together, studying one another's problems and educating consumers in food buying, fewer complaints should be heard from both groups, says the nationally-circulated farm magazine.

In New Jersey some meetings featured well-planned talks which followed farm products from field to table. A farmer, a middleman and a retailer described production and marketing in simple language. One topic was "Know

the Eggs You Buy." Grades and sizes were explained and eggs were actually broken and examined.

Another program dealt with buying products wisely for canning and freezing. A food specialist answered such questions as "What are the best strawberries to freeze? Best peaches to can? Where can I get them?"

"In Ohio, the Farm Bureau recently started such a program," the story adds. "The campaign is carried on by 25,000 farm families who meet monthly in 1,550 small groups."

A current Ohio project is with a radio station. On market news programs announcers are asked to give both the retail price for eggs and the price farmers received for them that day.

In Indiana the object of a training program for retail personnel in produce departments of grocery stores is two-fold: (1) to teach effective methods of merchandising, displaying and pricing to increase sales of fresh fruits and vegetables; (2) to bring a better quality product to the consumer.

"The extension services of the 6 New England states and the USDA are sponsoring a program which interprets market reports and encourages food buyers, producers and handlers to use them, and other information released by state and federal agencies," the story continues. "This gives consumers a better knowledge of food values and uses. A central office in Boston as-

sembles and distributes food marketing information."

"The USDA is looking into grocery operations to suggest more efficient merchandising practices at the retail level. Recently it contracted with the Poultry and Egg National Board to conduct training classes with retailers and their employees. Instructors will demonstrate methods of preparing, displaying and caring for poultry and eggs to prevent deterioration and boost consumer satisfaction. A similar program for retailers of fresh fruits and vegetables has been concluded."

"MAKE YOUR OWN COMMENTS"

Using the prices of last December, if a farmer gave away the wool in a \$50 suit of men's clothing, the suit would still cost \$40.50. If the farmer gave away the wheat in a 16-cent loaf of bread, the loaf would cost the consumer 13.4 cents.

If the dairyman gave away milk in a 22 cent quart of milk, it would cost the housewife 11.5 cents. If the farmer gave away the beans in a 16 cent can of pork and beans, the can would still cost 14 cents at the grocery store. If the tobacco grower gave away the tobacco in a 20 cent pack of cigarettes, the gal behind the counter would still ask you for 17 cents to pay for the cigarettes. You make your own comments.

GERMAN STUDENT SPEAKS AT TALMA FARM BUREAU

About 140 Newcastle township farmers gathered at the Farm Bureau meeting in the Community Building at Talma, Wednesday evening where they heard Helmut Stoss, native of Germany, tell of interesting features of his home land.

Mr. Stoss is here to study American agriculture and rural schools. Speaking good English, the young man told that one of his greatest discoveries in this country concerning agriculture is the fact that the American farmer actually has to work. Before coming here he imagined that all Americans were rich and didn't have to work, except to push buttons. He is now learning about American agriculture the hard way by using the business end of a pitch fork on the farm of Otto Zieger, near South Bend, where he is staying.

Stoss stated that much of U. S. machinery would be useless on a typical German farm because there the average person owns about 30 acres

which are widely scattered. For instance, he said a farmer may own a five acre plot on one side and another acre on the other side.

Stoss says that German people have been very poor since the war. He especially commented on the American kitchen with its electric appliances and labor saving conveniences.

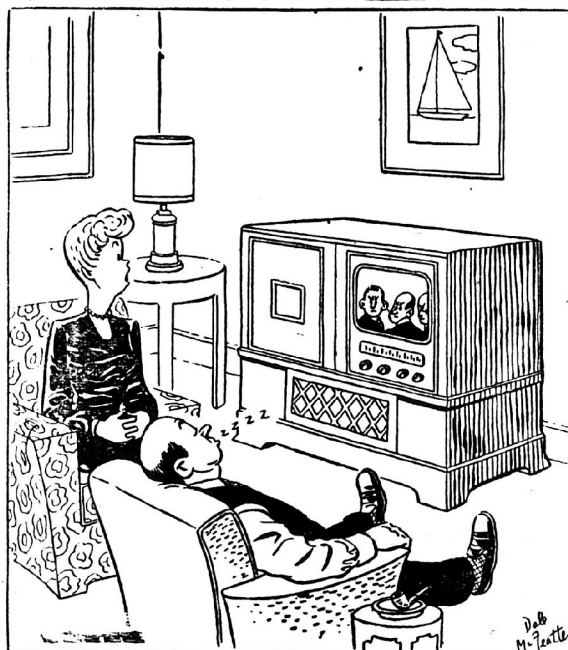

After the meeting adjourned, Stoss visited with many of the people, including Mrs. Martin Notz, who conversed with him in German. Other features on the program were group singing, four selections by Talma girls quartette, with Misses Barbara Carlisle, Sartia Emmons, Evelyn Smith and Dixie Sedan. There was a report on the Farm Bureau activities by John Dewold. Refreshments of coffee and cookies were served by Mrs. Elgie Vandemark and Mrs. George Deamer.

Mrs. Mae Borton, Mrs. Myrtle Davis and Mrs. Howard Horn spent Monday afternoon in Rochester on business.

Mr. and Mrs. David Cooper spent Sunday at Marion visiting Dave's grandparents.

FEEDER'S DIGEST Is Your Good Grass Good Enough?

Every animal and bird needs minerals—

Every animal and bird you own needs minerals—of certain kinds—in definite quantities. Some pastures provide these minerals. Much pasture does not. Now your grass may be green and thick. But it can still be mineral-deficient. And that can mean slower gains, feed waste and poorer health.

Why take these chances when it's so easy and economical to feed Swift's Mineral Supplement? This one low-cost mineral supplement provides ten mineral elements vital to all livestock. Start feeding Swift's Mineral Supplement free choice all year 'round. It now comes in block or pulverized form. Because it contains only minimum requirements of salt, we recommend free-choice salt feeding in addition.

NOTICE TO THE TOWN OF MENTONE, INDIANA, AND THE CITIZENS THEREOF

In the Kosciusko Circuit Court
April Term, 1951. Claim No.
STATE OF INDIANA)

SS:

KOSCIUSKO COUNTY)

ELMER RATHFON

vs.

TOWN OF MENTONE, KOSCIUSKO
COUNTY, INDIANA, AND THE
CITIZENS THEREOF

Notice is hereby given to the Town of Mentone, Kosciusko County, Indiana, and the Citizens Thereof that in the above entitled cause now pending in the said circuit court Elmer Rathfon has filed his petition praying said Court for an order vacating certain portions of plat of lots and certain streets and alleys in the Original Plat of the Incorporated Town of Mentone, the lots which the petitioner seeks to vacate being described as follows, to-wit:

Lots Forty-seven (47), Forty-eight (48), Forty-nine (49), Fifty (50), Fifty-one (51), Fifty-two (52), Fifty-three (53), and Fifty-four (54), Sixty-three (63), Sixty-four (64), Sixty-five (65), Sixty-six (66), Sixty-seven (67), Sixty-eight (68), Sixty-nine (69) and Seventy (70),

and the North parts of Lots Fifty-five (55) and Sixty-two (62), which are immediately North of and adjacent to the South part of said Lots Fifty-five (55) and Sixty-two (62) now owned by the town of Mentone, Kosciusko County, Indiana,

and the street area which the petitioner seeks to vacate being described as follows, to-wit:

The entire area of a North and South street, named Elm Street, which is Four (4) rods in width and Sixty-three (63) rods in length, and bounded on the East by lots Fifty-nine (59) through Seventy (70), inclusive, and bounded on the West by a tract of unplatted land, which is now owned by Elmer Rathfon, petitioner herein, extending from the South line of an East and West street, named Main Street, to the South line of an East and West street, named Washington Street. Also that part of an East and West street named Monroe Street, which is Four (4) rods in width, bounded on the North by Lots Sixty-seven (67), Sixty-eight (68), Forty-nine (49), and Fifty (50), and bounded on the South by Lots Sixty-six (66) and

Fifty-one (51), and Seventeen (17) rods in length, extending from the East line of said Elm Street to the West line of a North and South street named Oak Street; Also that part of an East and West street, named Jefferson Street, which is Four (4) rods in width, bounded on the North by Lots Sixty-three (63) and Fifty-four (54) and bounded on the South by Lots Sixty-two (62) and Fifty-five (55) and Seventeen (17) rods in length, extending from the East line of said Elm Street to the West line of said Oak Street,

and the alley area which the petitioner seeks to vacate being described as follows, to-wit:

The entire area of an East and West alley which is One (1) rod in width, being bounded on the North by Lots Seventy (70), Sixty-nine (69), Forty-eight (48), and Forty-seven (47) and bounded on the South by Lots Sixty-seven (67), Sixty-eight (68), Forty-nine (49) and Fifty (50), and Seventeen (17) rods in length, extending from the East line of a North and South street, named Elm Street, to the West line of a North and South Street, named Oak Street;

Also the entire area of an East and West alley, which is One (1) rod in width, bounded on the North by Lots Sixty-five (65) and Fifty-two (52) and bounded on the South by Lots Sixty-four (64) and Fifty-three (53), and Seventeen (17) rods in length, extending from the East line of said Elm Street to the West line of said Oak Street;

Also the entire area of a North and South alley, bounded on the West by Lots Sixty-nine (69) and Sixty-eight (68) and bounded on the East by Lots Forty-eight (48) and Forty-nine (49), and Seventeen (17) rods in length, extending from the South line of an East and West street, named Main Street, to the North line of an East and West street, named Monroe Street; Also the entire area of a North and South alley, which is One (1) rod in width, bounded on the West by Lots Sixty-three (63), Sixty-four (64), Sixty-five (65) and Sixty-six (66) and bounded on the East by Lots Fifty-one (51), Fifty-two (52), Fifty-three (53) and Fifty-four (54), and Seventeen (17) rods in length, extending from the South line of said Monroe Street to the North Line of an East and West street, named Jefferson Street; Also that part of a North and South alley, which is One (1) rod in width bounded on the West by a part of Lot Sixty-two (62) and bounded on the East by a part of Lot Fifty-five (55), and extending from the South line of said Jefferson Street to a line running East from the Northeast corner of the South part of Lot Sixty-two (62), which is owned by said Town of Mentone,

and alleging that said proceedings will affect property owned by the petitioner herein and the petitioner has fixed May 19, 1951, as the day for hearing thereon.

You are, therefore, hereby notified that said petition and the issues thereon will be heard and determined by the Kosciusko Circuit Court at the circuit courtroom in the Courthouse in the City of Warsaw, Kosciusko County, Indiana, at the hour of 9 a. m. or as soon thereafter as petitioner may be heard on the 19th day of May, 1951, being the 42nd Juridical Day of the April 1951 Term of said Court.

Dated April 16, 1951.

HIGH PRICE OF PEPPER

The price of pepper from the Far East is sky-high but a less expensive substitute may be on the way. Capper's Farmer says that experimental work on the product has started in this hemisphere. USDA scientists are co-operating on the project with researchers in Ecuador and Nicaragua. Grower prices for pepper, the dried fruit of a tropical vine, have gone from 10 cents to \$2.60 per pound in the last 5 years.

SCHOOL NEWS

Sheila Fitzgerald, who won the local American Legion Auxiliary essay contest, was selected as a winner in the district contest. Her essay was entitled, "Holding Fast to Our Ideals of Freedom."

Danya Creviston received a painful

injury last Friday while playing on the slide. With the advent of fair weather, several other minor accidents have occurred.

The April meeting of the Mentone School Advisory Council will be held at the school on Monday evening, April 30, at 7:00. Artley Cullum will preside.

A crowd estimated at four hundred attended the annual Spring Concert given by the Mentone High School

Music Department. The band played a variety of selections including "The Three Bears", "Cinderella Overture", and "Little Champ March". Payton Morris, guest artist from Indiana University, played four selections on the accordion. The high school chorus and the junior high chorus sang. The program was arranged and presented by Mr. Frederick. A free will offering of over seventy dollars was received. This money will be used to meet normal expenses of the band.

The community is cordially invited to attend the Kosciusko County Band Festival to be held at the Warsaw Armory on Friday evening, April 27, at 7:30. Milo Hovey, Arthur Jordan Conservatory of Music will be guest conductor. There is no admission charge.

Mrs. Tombaugh has been absent several days this week on account of illness. Mrs. Ora McKinley has served as substitute teacher.

Pupils in all grades are getting near the end of the textbooks. Almost all teachers plan to complete the work by the closing date of school, May 23.

Members of the senior class are looking forward to their annual class trip planned for the week of May 6-12. They plan to travel by chartered bus with Mrs. Don Emmons and Mr. Ralph Hoffman as sponsors.

The Junior High County Track Meet will be held at Warsaw on Tuesday, May 1. Several of the local boys look promising. In a high school track meet at North Manchester on Friday, the high school boys placed second, defeated by North Manchester but edging Sidney.

Mr. Kent and Mr. Tucker on Monday attended a banquet at the Hayes Hotel at Warsaw in honor of Wilbur Young, new Indiana State Superintendent of Public Instruction.

CARD OF THANKS

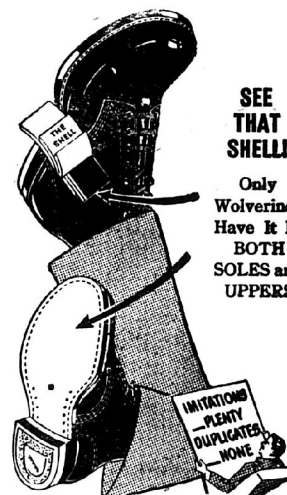

It is with great appreciation that I wish to thank my friends for their cards, flowers, gifts and calls that I received during my stay in the hospital.

COW BELLE OF THE MONTH

March found Evergreen Rosa of Lawn, purebred Guernsey cow owned by Henry Pletcher and Clyde Rogers of Jefferson Township, at the top of the Kosciusko County production ladder. When tester Joan Ummel ran the test on the Pletcher and Rogers herd, "Lawn" was found to have produced 1699 lbs. of milk during March with a test of 7.5% butterfat. The resulting 127.4 lbs. of fat for the month was the highest individual record made in Kosciusko County DHIA since the Belle-of-the Month series was started last July.

Evergreen Rosa of Lawn, now five years old, has spent her entire life on the Pletcher farm. Her mother named Evergreen Lawn of Rose, nicknamed Florence, won the Anderson butterfat cup for high production in Kosciusko County in 1949. She produced 781.4 lbs. of fat to win the honor.

The Besson and Rarick herd of 11 cows took top herd honors in March with an average production of 54.3 lbs. of butterfat. Ernell Wright's Jersey herd of ten cows produced an average of 50.6 lbs. and the Pletcher and Rogers herd of 15 cows was third high with a 49.8 lb. average.

Second high cow tested in March was Harold Gawthrop's "Tena" a registered Holstein producing 99.6 lbs. Third was

a registered Holstein owned by Ross and Voyle Osborn which produced 95 lbs. Two Holstein cows owned by Rarick and Besson and two Holstein cows owned by Emra Stookey each produced more than 90 lbs of fat.

Tecumseh Kilgore of South Bend was a visitor in the home of Rev. and Mrs. E. E. DeWitt for several days of last week; Rev. DeWitt, Mr. Kilgore and several of the Mentone Scottish Rite Masons attended the sessions of the Valley of Fort Wayne Consistory on Tuesday, Wednesday and Thursday of last week.

Miss Edith Heighway of Akron has returned home from a two weeks vacation in Florida.

SOIL DISTRICT VOTING NOW IN PROGRESS

With the referendum set for May 15, committees interested in the formation of a soil conservation district in Kosciusko County are actively getting landowners to vote on the proposal. Fourteen of the townships have committees organized and are contacting each eligible landowner and giving him an opportunity to vote. Each voter must sign a certificate stating his eligibility and is then urged to mark the ballot in secrecy. Upon marking a ballot he seals it in a special envelope, whereupon it is returned to the county extension office and dropped into the ballot box. The ballots will be removed from the box and counted on May 15 by the county polling committee consisting of Lawrence Beigh, Charles Sheets, Howard Metzger and Dan Leininger.

Township committeemen who are soliciting votes do so entirely on their own time and expense and receive no pay for their effort. Neither will five supervisors who govern the district after its establishment receive any pay for their services.

Chairmen of the township committees are: Clay—Roy Merkle, Lake—Wayne Bouse, Harrison—George Long, Etna—Dale Sponseller, Jefferson—George Wilson, Washington—Lew Verne, Turkey Creek—Chester Brown, Seward—Herbert Clark, Franklin—Everett Rookstool, Jackson—Lester Lehman, Scott—Charles Sheets, Wayne—Victor Hillery and Milo Robbins, Monroe—Howard Warner, Tippecanoe—Franklin Kuhn.

Prairie, VanBuren and Plain townships have not yet named chairmen. Committeemen have already placed over 200 ballots in the ballot box.

Ready for Spring?

IT'S EASIER TO DO YOUR SPRING AND SUMMER WORK WHEN YOU HAVE THE PROPER EQUIPMENT.

WE NOW HAVE A SUPPLY OF:—

STEPLADDERS, BUCKETS, TUBS, PANS, MOPS, Etc., to help in your housecleaning.

POWER LAWNMOWERS to ease the chore of keeping your lawn looking beautiful.

GARDEN HOSE. Why use an old leaky hose? Water the flowers and lawn—not yourself.

And many other items you need to make your work easier.

AMERICAN LEGION AUXILIARY NEWS

The members of the Mentone Unit 425, the American Legion Auxiliary, held their regular meeting at the Legion Home on Tuesday evening, April 24, with Mrs. Betty Reichert, of the Bourbon unit, as their guest.

The president, Mrs. Robert Whetstone, presided at the business session. In the regular order of business, reports were heard from unit chairmen. Mrs. Eldred Paulus, Knightstown Home chairman, read several letters from the girl, which the unit has adopted for the year, from the home. Mrs. Cloice Paulus, Service Sales chairman, arranged that we will far exceed our quota for this year and that she still has a fine selection of items from which to choose. These articles, made by the ex-servicemen in need, are dispersed from centers to the various units and sold for the veteran. The units receive no profit from the sales, just the satisfaction of helping those who gave so much for us. Anyone in the community interested in seeing these articles may contact the unit chairman at her residence.

Mrs. Richard Manwaring, secretary, read a letter from Chesterton Unit 170 of Chesterton endorsing Mrs. Leeta Weiss for the office of second district president.

A letter from the Veterans Administration Hospital, at Marion, was read stating that the 19th annual Hospital Day will be held on Sunday, May 20. A fine parade and program is being planned with Jack W. McIntyre, State Commander of the American Legion, delivering the main address.

Mrs. Mae Borton, historian for the

unit, has asked that all chairmen make copies of all reports for the year and get them to her as soon as possible for the unit history book, which she is entering in the district contest.

Announcement was made of a dance to be held at the Legion Home, Saturday, May 5. Loren Burke and his band will provide music for the evening.

The name drawn for the attendance prize was Mrs. Robert Sanders.

The next meeting will be May 8, at the Legion Home.

Levi Henderson from Culver, Indiana visited last Friday with his cousins, Mr. and Mrs. Adam Bowen.

A nice line of Elgin watches for graduation gifts. Baker's Jewelry store.

ANNOUNCES UNIQUE STOCK SALE

David M. Robbins, local technician for Indiana Artificial Breeding Association announced today that the American Breeders Service, management organization for his stud, is holding one of the most unique sales in livestock selling.

He has been informed that on May 5th at 12:30 p. m. at the Rock County 4-H Fairgrounds in Janesville, Wisconsin, the American Breeders Service will sponsor the first Proved Sires Breeders' Sale. The unique feature of this sale is that it will consist of entirely grade cows and heifers that are artificial daughters of the Proved Sires of the Wisconsin Scientific Breeding Institute and the Northwestern Artificial Breeding Association, both American Breeders Service organizations. These 75 cows and heifers have been consigned by dairymen in southern Wisconsin and northern Illinois where artificial insemination with the use of registered high index proved sires of the American Breeders Service studs has been used.

Mrs. Ida Kestner from Rochester, and Mrs. Lizzie Spittler of Argos visited at the home of Mr. and Mrs. Adam Bowen all day on Tuesday.

It's easy for a farm dog to develop bad habits. It's almost as easy for you to break them. Here are some pointers on how you can help convince your dog himself that he shouldn't jump up on people or chase cars. The instructions are from the informative Purina Farm Dog Book on how to care for and train the farm dog.

Jumping Up On People

Friendliness or affection may cause your dog to jump all over visitors and members of your family—to the considerable detriment of their clothing. Stop this habit in puppyhood! Slap the over-enthusiastic pup slightly with a handkerchief. If he still persists, raise your knee and bump him on the chest. Or step lightly on the toes of his rear feet.

Always use the command "NO" in an angry tone, while correcting.

Chasing Cars

Many a good dog has lost its life through this habit. It is especially frequent with dogs with herding instinct. Lead your dog to your standing car, then have somebody sitting inside pour a bucket of water over him; repeat this procedure several times.

Then have your helper drive the car slowly along a side road while you walk towards it with the dog on leash. When you meet the car have the driver pour another bucket of water over the dog.

You might get a little wet during the treatment, but it's probably worth it if it teaches him to respect cars.

A copy of the Purina Farm Dog Book may be purchased for 50c at Purina dealers.

INDIANAPOLIS HOME SHOW ENDS SUNDAY

Radio Celebrity Jack Bailey, "King of the Indianapolis Home Show," explains a cooking feature to Jerry Smith of Indianapolis.

"King of the Indianapolis Home Show," is the title pinned on Jack Bailey, popular m. c. of radio. Bailey, who has crowned over 1600 "queens," had the tables turned and was named Home Show "King" on the opening day of the 26th annual Indianapolis home show which is now in progress at the Manufacturers' Building, State Fairgrounds.

Saturday and Sunday, April 28 and 29, have been designated as State Days by J. Frank Cantwell, managing director. These two concluding days of the home show have long been popular with Hoosiers from all over the state for attending this popular event, that has been attracting homemakers since its inception in 1922.

Feature of this year's show is a limestone and redwood 3-bedroom home, designed for indoor-outdoor living. It features the latest in structural and architectural trends—including remote control lighting, exposed roof joists, many built-in features, radiant heat and the latest electrical appliances.

Those who called at the home of Mr. and Mrs. Adam Bowen on Tuesday were: Mrs. Sarah Blackford, Mrs. C. Montborro, Mrs. E. Swihart, Mrs. G. Cale and Mrs. W. Dilman of Tippecanoe.

Look for that graduation gift at Baker's Jewelry and Appliance Store.

D. A. R.

The Anthony Nigo chapter of the D. A. R. met Monday evening at the home of Mrs. Eldred Paulus in Rochester.

Seventeen members responded to roll call, Mrs. Lulu Tucker and Mrs. Cloice Paulus were guests. Election of officers followed the regular business session. Our officers for the ensuing year are Mrs. Frank Smith, regent; Mrs. Porter Williamson, vice regent; Mrs. Emma Gill, Chaplain; Norma Jean Nellans, Secretary; Mrs. Everett Rathfon, Treasurer; Mrs. Sherman Bybee, historian and Mrs. Walter Lackey, Librarian.

Mrs. Ernest Igo gave the program for the evening. Her subject was D. A. R. Approved Schools. She selected "Tamassee" which is located in Alabama. Her story included the found-

ing of the very small grade school which has grown into a very large grade and high school which is supported by the D. A. R. and which gives school advantages to many of the backwoods and hill country children who would otherwise not have educational opportunities.

Delicious refreshments were served by the hostess and her assistant, Mrs. Earl Smith. Our next regular meeting will be the Mother-daughter banquet which will be on Monday evening, May 14, at the Sportsman Club at Beaver Dam.

Mr. and Mrs. Henry Blesch and Mr. and Mrs. Roy Meredith and daughter of Akron and Mrs. Earl Meredith spent Saturday in Fort Wayne visiting with Miss Grace Blesch.

Mrs. George Black spent last week end in Chicago visiting with friends.

HELPING MOTHER NATURE GROW ANOTHER TREE CROP

This year industry and public-owned nurseries will produce half a billion seedling trees—enough to plant 500 thousand acres. While men plant these trees, Nature will plant billions more. Keep these little trees growing by preventing forest fires.

FARM MORTGAGE LOANS — Inasmuch as we confine our farm mortgage lending largely to our own community our customers are afforded the privilege and convenience of coming to the bank and making payments on their loans at any time they may receive income from their farm operations. Many of the borrowers are taking advantage of our prepayment privilege and paying principal payments in advance. These payments are credited to the next succeeding installment on the loan which gives the borrower the benefit of the privilege of skipping principal payments, if he so desires or if his plans do not materialize, to the extent that he has prepaid. Interest ceases on all principal payments on the date of payment. While our contract interest rate is 5%, the savings effected under our liberal repayment terms reduces the cost of our loans below that of many other agencies that have a lower contract rate. We charge no commissions or appraisal fees and are in a position to extend the maturity date of the principal and interest payments to accommodate the needs of our borrowers. Consult us about your long term financing needs. We believe you will agree with us that our mortgage lending program offers many advantages. **FARMERS STATE BANK, Mentone, Member Federal Deposit Corporation.** tf

GOVERNMENT WANTS MORE STENOGRAPHERS

The U. S. Civil Service Commission announces an examination for typists and stenographers. There is an urgent and continuing need for stenographers and typists in the Federal agencies in the states of Ohio, Kentucky and Indiana, particularly in the various defense installations. Salaries for these positions range from \$2200 to \$2875 a year.

No specific experience is required, but all applicants must pass a written test. In order to expedite the filling of vacancies with qualified applicants, stenographer and typist examinations will be given frequently. Arrangements have been made whereby interested persons need not file an application but may directly contact the local Post Office Secretary, Board of U. S. Civil Service Examiners at the various examination points in the three states to determine the exact time and place of the examination.

The minimum age is 16 years for local eligibles only. For non-local eligibles the minimum age limit is 18 years. There is no maximum. However Appointing Officers will not be required to consider for appointment any persons outside the regular civil service age limits of 18 to 62 years, except those entitled to veteran preference.

Further information and sample questions of the written examination may be obtained from the Commission's Local Secretary, at any first or second class post office; or from the U. S. Civil Service Commission, Sixth Regional Office, U. S. Post Office and Courthouse Building, Cincinnati 2, Ohio. The announcement will be open until the needs of the service have been met.

**PSI OTES TO SPONSOR
SPEECH, HEARING CLINIC**

A three-day speech and hearing clinic, sponsored by the Beta Epsilon chapter of the Psi Iota Xi sorority, will be conducted here this summer. Dr. Robert Millisen, of Indiana university, will be in charge. Any child or adult in Kosciusko or surrounding counties in need of help in speech or hearing, may undergo examination for diagnosis and receive recommendations for treatment. The clinic held last year at the Mentone school building was one of 12 conducted throughout the state. Announcement that another will be held this year was made at the social gathering of the sorority chapter held recently at the home of Mrs. Max Nellans.

Mrs. Walter Kent was a guest at the meeting. Bridge was played in which first and second prizes were won by Mrs. Curtis Riner and Mrs. Kathleen Camplejohn. Mrs. Harold Utter was awarded the door prize. Other members present were Mrs. Devon Hibschan, Mrs. Howard Shoemaker, Mrs. Earl Anderson, Mrs. M. O. Bryan, Miss Annabel Mentzer, Mrs. Lyman Mollenhour, and Mrs. Ralph Ward.

A business meeting of the chapter will be held May 1 at the home of Mrs. Maude Snyder.

ADVERTISE — IT PAYS!

HONORED AT DINNER

Mr. and Mrs. Harry Smythe entertained at dinner Sunday, in honor of their son, Don, who will leave for Camp Atterbury May 1. The guests were Mrs. Josie Smythe, Mr. and Mrs. Walter Smythe and children, Mr. and Mrs. Leon Smythe and children, of Palestine; Mr. and Mrs. C. D. Utter and children of Rochester, and Mr. and Mrs. Robert Smythe and Harold Smythe, of Mentone. Mr. and Mrs. Robert Wagner of Warsaw and Mrs. Maggie Dille, of Mentone, were afternoon callers.

Miss Virginia Rush and Miss Joan Stoner, of South Bend, were week end guests at the home of Mrs. Bernice Rush.

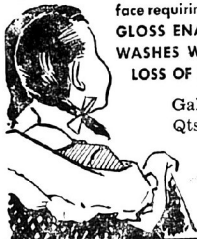

Mrs. Larry Flenar has returned to Scott Field to be with her husband until he is transferred to another base.

METHODIST CHURCH NEWS

Twelve ladies of the Woman's Society of Christian Service attended the district meeting in Warsaw this past Tuesday. Special tribute was paid the local society for contributing beyond the pledged amount given in support of its mission projects. This was to help other societies who were not able to meet their pledges.

The Methodist Youth Fellowship is making plans to attend its spring conference which will be held at Kendallville on May 6. Mrs. Charles Manwaring will arrange for transportation.

The pastor, David Gosser, attended a conference committee meeting on "Family and Community Relations," last Sunday afternoon at the First Methodist Church in Marion. Plans for the national meeting, which will be held in Chicago next October 12-14, are being formulated and resources assembled through surveys in each of the ninety conferences of Methodism in America.

This is part of the Advance for Christ program which will foster and promote more constructive community programs for family development and Christian character. It will emphasize family participation in religious activities. This is to be geared in with the activity of the State Youth program and the Parent-Teachers' program on "Child and Family Study." Other members of the committee were a superintendent of schools, home economics director, welfare director, superintendent of a children's home, ministers, director of I. U. center at Kokomo, Mr. Hunt, members who attended the White House conference, youth workers, and others interested in the Family-Community problems.

This Sunday morning special emphasis will be given to the observance of Rural Life Sunday in the worship service.

"The Trial at Jerusalem" will be the subject of the film in the Life of Paul this Sunday evening.

The conference year closes the last Sunday of May.

W. S. C. S. MEETS

On Thursday evening, April 19, the Woman's Society of Christian Service met at the Methodist church.

Since the worship service and program material was centered around the same trend of thought, the two were presented together. Mrs. David Gosser lead the devotional periods and Mrs. Jack VanGilder, with the assistance of Mrs. Wayne Tombaugh, Mrs. F. B. Davison and Mrs. James Rodibaugh, presented the lesson, "Women—Their Work and Health."

Mrs. Dan Urschel presided over the business session which followed. All necessary items were dispensed with and committees for the Mother-and-Daughter banquet were announced. These newly appointed committees met following the meeting to make all initial plans for this annual affair.

Prior to closing of the meeting, interesting reports were heard from several members on the recent W. S. C. S. conference in Fort Wayne.

Mrs. Agnes Rans, Mrs. Mervin Jones and Mrs. Adam Carper served delicious refreshments during the social hour.

Mr. and Mrs. Harold Coplen and Mikey spent Sunday visiting relatives in Michigan City.

HEADS YOUTH COUNCIL

Wayne Tombaugh was elected chairman of the Kosciusko County Council for Children and Youth last Friday evening at their regular meeting.
