MILO HORN EXPIRES

Milo C. Horn, 52, died suddenly at 6:30 a. m. Sunday, at his home, 220 South Indiana street. He was born in Marshall county, November 4, 1892, the son of Peter A. Horn and Mary (Grass) Horn. Nearly all of his life has been spent in and near Warsaw. He was married on March 16, 1918, to Miss Emma Caywood, also of Warsaw. He was well known throughout Kosciusko county, having been a teacher in the schools of the county, and at the time of his death he was the proprietor of the Sunny Mede restaurant, and also a representative for the West Disinfectant company. He served with the armed forces during World War I having been overseas for 15 months, and was a member of the John C. Peterson Post No. 49, of the American Legion.

He is survived by his wife, Emma; two sons, Keith, who is now returning from Greece, where he was sent on a rehabilitation mission, and seaman (second-class) Peter Alden, of Norman, Oklahoma; three brothers, Omar, of Elkhart, Lyman, of Bismarck, N. D., and Howard, of Indianapolis, one sister, Mrs. Von Kochenderfer, of Rochester and the father, Peter A. Horn, of Mentone.

The funeral was held at 2 p. m. Wednesday at the Bibler Funeral home, the Rev. C. R. Plank officiating, with the American Legion having a part in the services.

Mrs. Rose Morrison, Mr. and Mrs. Bert Rush and Roy Rush attended the funeral of a relative in Wabash on Saturday.

S. O. Stookey, of north of Warsaw, visited his sister, Mrs. Cora VanGilder, on Tuesday afternoon.

Mr. and Mrs. Martin Aurand, of Chicago, were guests of Mr. Aurand's sister and husband, Mr. and Mrs. Peter Horn.

Violet Friesner is enjoying a week's vacation from her work at the Igo store.

Miss Annabelle Mentzer has returned from a visit with friends in Chicago. Jack Mentzer accompanied her home.

YOUTH FOR CHRIST

As was stated in a previous issue, Dr. Warren Filkin, a noted Christian Magician, will present the message of the evening along with his "tricks" at the Youth for Christ meeting to be held in the First Baptist church in Mentone this coming Saturday evening, August 4. It is believed that this meeting will be very interesting and inspirational to all who attend.

PSI IOTA XI ENJOYS PICNIC

The Beta Epsilon chapter of Psi Iota Xi recently enjoyed the annual picnic, which was held at Center Lake this year. After eating generously of the delicious supper, the Psi Otes enjoyed a show at Warsaw. Guests for the evening included Miss Eunice Reed, Miss Annel Mentzer, Miss Rowena Lackey, Miss Mildred Bradway, and Mrs. Ed Ward. The following members were present: Mrs. T. J. Clutter, Mrs. Lucille Whetstone, Mrs. Lyman Mollenhour, Mrs. Curtis Riner, Mrs. Glen Weatherbee, Mrs. Earl Dwyer, Mrs. Esther Shoemaker, Mrs. Irvin Snyder, Mrs. Delford Nelson, Mrs. Max Nellans, Mrs. E. C. Camplejohn, Mrs. Elery Nellans, Miss Genevieve Kraatz, Mrs. Russell Henderson, Mrs. Harold Utter and Mrs. Ralph Ward.

MOTHERS OF WORLD WAR NO. II

Notice of No. 2 District meeting of Mothers of World War No. II to be held Aug 9 in Winamac, Ind. in the Methodist church basement. All members of Unit 106 of Mentone had the largest attendance at Rochester in June, so why not hold that record in Winamac in August?

MRS. ARTHUR H. KUHN EXPIRES AT CLINIC

Mrs. Arthur H. Kuhn, of Akron, Ind., mother of Mrs. Wayne Tombaugh of here, passed to her reward Wednesday evening at the Bluffton clinic. Services will be held Saturday afternoon at the Church of God, in Akron.

LAST RITES FOR ED JONES

Ed Jones, 78, died at 11:30 p. m. Friday, at his home in Mentone. He had not been in good health for a year and had been seriously ill for the past seven weeks. He was born southwest of Burket, November 26, 1866, the son of Samuel and Eliza Jones. He was a painter by occupation and had lived in Mentone thirty-eight years.

He was married fifty-four years ago to Lily Keesecker, who survives. Other relatives are: One son, Foster Jones, Lakeville; five daughters, Mrs. Faye Stewart, Mrs. Leonore DeCamp, Mrs. Josephine Koser, all of Warsaw, Mrs. Huberta Campbell and Mrs. Georgia Cole, of Fort Wayne and Daisy Bunch, of Mishawaka; eight grandchildren, two great grandchildren, and one brother, Elvin Jones, of Mentone.

Funeral services were held at the home, at 2 p. m. Sunday, with the Rev. E. Coleman Ralston in charge. Burial was in the Palestine cemetery.

LIONS AND FAMILIES ENJOY FISH FRY

On Wednesday evening the Mentone Lions club members and their families met at the 4-H club house on McClure Lake where a fish fry was enjoyed by all in spite of the heat.

Skinny Higgins, of the Jonah club, was guest chef and was ably assisted in the kitchen by Lion president Chan-acey Mollenhour, Vance Johns, Maurice Dudley, A. I. Nelson, and Merl Linn. Tid Bybee, Pat Walsh and Noble Oyler qualified as chief dish-washers. We are quoting, but we know it for a fact when we say "Goldie worked like a trooper".

About 122 persons were present at this enjoyable affair. The fact that there are vague remarks about another such social evening before the summer is over gives proof of the success of the occasion.

ROYAL NEIGHBORS

There will be no R. N. A. meetings until October. The place will be announced later. —Oracle.

MENTONE GROUP ATTENDS LIONS CHARTER MEETING

Mr. and Mrs. C. O. Mollenhour, Mrs. Emma Yocum, Maurice Dudley, Mr. and Mrs. H. V. Johns, Mr. and Mrs. Artley Cullum, Mr. and Mrs. Sherman Bybee, Mr. and Mrs. Forest Kesler, Leo Valentine, Pat Walsh, Dr. F. B. Davison, Merl Lynn and Everett Long attended the meeting of the North Webster Lions Club held at the Yellow Banks hotel. At this time the Charter was granted to the new Lions Club with the proper ceremony. A wonderful dinner was served by the Hotel management.

H. V. Johns led in the group singing and Sherman Bybee presided at the piano.

All reported a most enjoyable evening.

WAR MOTHERS TO MEET

Mothers of World War No. II Unit 106 will meet Wednesday night, August 8 at the usual meeting place, the Mentone High school, at 8:00 p. m. All members are urged to be present for the transaction of important business. All mothers of service boys and girls are extended a cordial invitation to join our organization. Remember the date—August 8—8:00 p. m.

A wreck occurred on the C. E. Walburn corner Sunday evening in which J. O. Wilson, an unknown auto driver, and a truck driver figured. The truck driver failed to stop, coming from the south, according to reports.

S/Sgt. Junior Wallace arrived in Mentone Wednesday night. It was two years, May third, since he left the States. He has a thirty-day furlough, then he will go to Santa Ana Calif. From there he will be stationed somewhere in the U. S.

Mr. and Mrs. Howard Kohr spent the week end with relatives in North Manchester.

HARSH AND TEETER REUNION

The 31st annual Harsh and Teeter reunion will be held at the Warsaw City park on Sunday, August 5.

Mr. and Mrs. Carl Zolman are president and secretary, respectively.

A LOOK AT THE LIQUOR SITUATION

LIQUOR — THE OPIATE OF THE MASSES

Karl Marx was mistaken; it isn't religion, but liquor which is the opiate of the masses. Any hope for the effective participation of the people in self-government must be based upon their being in full possession of their faculties, and in control of their bodies and minds. Citizens, who periodically surrender control of themselves to alcohol, are not dependable and cannot be expected to do straight thinking.

Poverty doesn't destroy the fabric of the mind, but alcohol does. The periods of greatest prosperity among the people are always the periods of greatest consumption of liquors. There is reason, then, to look with apprehension on the great increase in drinking in the United States. No good can come of it, and we can look forward to a new crop of poverty stricken down-and-outers, confirmed alcoholics, and sodden drunkards. This will not help the nation in the solution of its postwar problems.

Those who expressed such great concern regarding the welfare of the proletariat, and pay no attention to the liquor problem, fail to recognize one of the greatest sources of disintegration in a democracy—a moral collapse of the people. It must also be pointed out that the present moral decline in America has exactly kept pace with the growth of the liquor traffic.

Just as in oriental countries, the extent to which opiates destroy the moral fibre of the people, is measured by the attitude of the government toward the opium trade, so in this country encouragement of the liquor trade by the government is an attack or threat to the public welfare. We would look with horror upon any government engaged in making and selling of opium, but most Americans look with complacency upon our government's licensing policy. But where is the difference in principle or in actual effect on the public?

There are those who advocate that the government take over the manufacture and sale of liquors, overlooking the fact that it makes no difference who makes or sells the liquor, the results of its use are the same, and it is not a business in which a government of the people should be engaged.

This opiate of the masses must be eliminated, and it can be done only through suppression of the liquor trade by the government.

AWARDED AIR MEDAL

According to a communication from the Fifth Air Force Troop Carrier Command, Philippines, 1st Lieutenant Wilber H. Smith, son of Mr. and Mrs. William E. Smith, Mentone, Indiana, has returned to the United States after having served 18 months as a pilot and Operations Officer for a Troop Carrier unit of Major General Ennis C. Whitehead's Fifth Air Force in the Southwest Pacific.

Before enlisting as an Aviation Cadet June 18, 1942, Lt. Smith had graduated from the Manzanola, Colorado High School and was employed by the Consolidated Aircraft Corporation, San Diego, California. Upon graduation from the AAF Advanced flying school, Eagle Pass, Texas, June 26, 1943 he was commissioned and assigned to the Troop Carrier Command. He flew to overseas

duty in January, 1944.

Lt. Smith, during his overseas service, logged a total flying time of 1269 hours, of which 409 hours was combat time. In recognition of meritorious service during 49 operational missions in combat area he was awarded the Air Medal with two Oak-Leaf clusters.

Lt. Smith's Unit is one of a considerable number of Troop Carrier outfits under the command of Brigadier General Paul H. Prentiss which have performed outstanding service in the acceleration of the war in the Southwest Pacific. By furnishing efficient aerial transport for millions of pounds of vital freight, the Troop Carrier Command has contributed immeasurable aid in support of General MacArthur's swift leap-frog operations from

A BIBLE MESSAGE

By REV. E. COLEMAN RALSTON

More About Prophecy

"I the Lord have spoken it, and I will do it." Ezekiel 36: 36.

Truly in these later days God is beginning to fulfill His promise to the Jew. Their land is fast becoming the most productive territory in the world, as we learned last week. In many ways we see the fulfilling of God's prophecy concerning the Jews and the last days. Great Britain, generally agreed to be Tarshish in Holy writ, is fulfilling every prophecy concerning Tarshish and the Jew of the last days. Palestine under mandatory control of Britain makes possible the return of the Jews to that land; ships of Britain carry them, and their armies protect them. As God predicted, the Jew is on the move. He has been and is being and will continue to be forced from country to country until Christ comes again. They are going to Palestine in increasing numbers, just as Ezekiel 36 and 37 says they will do.

For, I shall place you in your own land; then shall ye know that I the Lord have spoken it, and performed it, saith the Lord." (37:14)

Notice also that they are going in unbelief (John 5:43)

But the Prophecies concerning the Jews are not the only ones that are being fulfilled before our very eyes. For example the Bible predicts that there shall be a world state in the

end time. A few years ago Dictators were unheard of and when they finally came on the scene various nations said "it couldn't happen here." But it did. You say America has been spared. Don't be too sure for God's time is much different from ours. One day is as a thousand years and a thousand years as one day. Every day brings us new developments that are leading us to a world state: consolidations, trade unions, international consolidations and dominations. We have just completed a war in Europe to eradicate dictators, only to find that we have strengthened a dictatorship. We have eliminated a number of lesser dictators to the strengthening of another.

Today Russia dominates thirteen nations of Europe and rules them with a rod of iron. She wields tremendous influence over a number of others—even our own beloved country. Remember that during the great conference in California the sessions were not opened with prayer because of the Russian influence. In fact, Secretary of State Stettinius could not even use the word "prayer", or "pray". The nearest he could say to it was "let us meditate a few moments."

It will be well to watch England for the next few years and her roll in bringing about the further fulfillment of some of the prophecies concerning the world state, with their present newly elected prime minister, for unless we are greatly mistaken, the newly elected prime minister leans dangerously toward the communist ideal.

Dear Egg Shipper:

As a group of merchants receiving the bulk of the eggs shipped from this territory to New York, we have associated ourselves for the following purposes:

- (1) To eliminate any difficulties you may have experienced in the past in shipping your eggs to New York.
- (2) To guarantee prompt payment for cases lost, when shipped to any of our members.
- (3) To promote the sale of your eggs in New York. Indiana eggs are classified as "Mid-Western," and are usually quoted and sold at lower prices than "Near-bys"—those produced in the area adjacent to New York City. There is no reason for it, except as it benefits some particular individuals. We propose to place your product on a level with those of the finest quality; to advertise "Hoosier Eggs," to quote and sell them on the merits of quality rather than on a sectional basis. At the same time, we will co-operate with you to the fullest extent in improving the quality of your eggs.
- (4) To eliminate existent evils of distribution and delivery.

NOW, you can help us and help yourself by fully co-operating with us. All we ask you is that you ship your eggs *consistently* to any of *our members*. In effect, this program will not only increase competition, but should create the keenest kind of rivalry for your good-will. Other receivers may acquire membership if they are acceptable to the organization as regards their reliability and ethical methods of doing business.

We pledge ourselves, as a group, to pay you the very **HIGHEST PRICES** at all times and serve you to the best of our ability.

WILD DEER SEEN ON FRANK MEREDITH FARM

Monday Carl Zolman saw a deer in the Frank Meredith field. His first impression was that it was a goat, but closer investigation revealed it to be a wild deer. Mr. Zolman called Mr. Meredith's attention to the animal and after it jumped a fence and disappeared into the woods they attempted to find it again—but to no avail.

L. C. BOWEN DROPS DEAD

Word reached Mentone Thursday evening that L. C. Bowen, former Mentone citizen, had dropped dead on the street at Pierceton. He had been residing with his daughter-in-law, Mrs. Dean Bowen, near Pierceton.

No details or funeral arrangements have been announced, but the Reed hearse left early Thursday evening to return the body to Mentone.

Surviving besides the son, Dean, in the armed services, and the daughter-in-law, is one brother, Adam, of Mentone. More complete information will appear in our next issue.

COMBAT FLYER RETURNS HOME AS CAPTAIN

Capt. Richard Manwaring, who spent almost a year and a half with the Ninth Air Force in Europe, returned to Mentone Sunday. Dick was a P-47 fighter pilot and his particular unit's duty was to strafe, bomb and destroy enemy airbases—some of the most difficult and dangerous combat flying one can imagine. Dick had his share of flak, bullets and more than once found himself trying to fly an airplane with more holes in it than were on the blueprints. A time or two he "got out and walked" while still several thousand feet in the air, but always managed to elude direct contact with the elements of destruction.

Dick is pretty well loaded down with air force medals, etc., but, as our policy has always been not to ask returning soldiers for too much information about their military life and accomplishments, we'll let him tell you his story.

REACH 60TH ANNIVERSARY

Mr. and Mrs. George Nellans observed their sixtieth wedding anniversary at their home Sunday, July 29th.

WELL REPAIRED AT MENTONE WATER DEPARTMENT

Recently the Mentone water department announced that the citizens refrain from sprinkling lawns until another pump was installed in the up-town well. Last week another pump was placed in operation and the citizens are now assured of an adequate supply of water for all purposes.

The pump that had been in operation at the old well the past twenty years finally wore out a few weeks ago and as a new pump cannot be secured for several months, another was leased to serve until the new one arrives.

LOAN REPAYED AFTER 50 YEARS

Over fifty years ago J. D. Long and two other gentlemen were working in the state of Michigan selling tinted pictures, and at one particular time one of the men, R. R. Beatty, borrowed a ten dollar gold piece from Mr. Long. The men went their various ways and the event, as well as the loan, was almost forgotten. This week Mr. Long received a special delivery letter containing twenty dollars to pay for the gold piece and the accumulated interest.

Mr. Beatty is now nearly 79 years of age and didn't want to leave this world with a favor unpaid, and finally managed to locate Mr. Long.

TO SPEAK AT CHURCH OF CHRIST

The Church of Christ invites you to hear M. F. Cottrell next Sunday. The morning subject will be "How the Holy Spirit Operates Upon the Hearts of People." The evening topic will be "A Way That is Right and No Man Will Say Is Wrong."

SPECIAL SERVICES AT METHO- DIST CHURCH ON V-J DAY

Rev. A. G. Simmons, pastor of the Mentone Methodist church, announces that special services will be held in the local church when victory over Japan is announced. If the announcement is made before six o'clock, services will be held that evening, otherwise the following evening.

REMODELING AT LAKE CITY SHOP

The Mentone Mfg. Co. has leased the Lake City Machine Shop plant on the south side of Main street and workmen are busy preparing the building for an entirely new industrial operation. The process is the reverse of electroplating on aluminum and not only makes the metal corrosion resistant but it can be colored to any color of the rainbow. The coloring is not a paint process but actually dyes the metal and remains in its original state for the life of the metal. The process is called Alumilting and it is reported that this will be one of the largest plants of its kind in the United States.

The process requires the use of electricity and a 7½ ton generator has been installed to produce the amperage required. Water is to be used for keeping the tank temperatures at the required level and the plant will use approximately five million gallons each month.

COOP. TO HANDLE FLEET- WING PETROLEUM PRODUCTS

The Northern Indiana Cooperative Association at Mentone, has entered into an agreement with the Fleet-Wing company to handle their petroleum products at their Mentone station. The change to the Fleet-Wing company was influenced by a number of very important facts, and the members of the association feel that the addition of this line will prove of great value to the hundreds of customers which they serve. Fleet-Wing gasolines are known for their dependable quality, not only in this area but in many parts of the Nation. The distributing point is nearby, and the tractor fuels are obtainable in a wide range of varieties.

The board of directors are fully aware of the fact that the Cooperative customers are entitled to the finest in agricultural commodities, and do not hesitate to make any change which may be of benefit to their patrons.

The board, at the meeting Wednesday evening, accepted the resignation of Clarence Dye, who has been managing the hardware department the past few months.

A BIBLE MESSAGE

By REV. E. COLEMAN RALSTON

More About Prophecy

(To be continued)

Prophetic Signs

Signs of prophecy being fulfilled are numerous. God predicted that in the last days certain events should take place. Many of these have already occurred and others are in the process of fulfillment. We have considered many of the prophecies concerning the Jews, their land and their return to their land, the coming world state and other events that are leading up to the anti-Christ, the one that shall rule the whole world. But there are many other signs of the end of time that may be well for us to consider. For example: the sign of the coming world church. The church in Russia has been destroyed and the worship of Lenin's dead body has become primarily the state religion. Hitler practically destroyed the church in Germany and replaced the cross of Christ with the swastika. In spite of the fact that we have conquered Germany and Russia on the surface claims to give religious liberty the past few years of Germany's teaching the youth and the control of Russia over Europe will have devastating effect upon the church of Christ. The church of Rome is growing more powerful and the modernistic church bodies federating and consolidating all points to the time when the church will come under the control of the anti-Christ. Some would question this but if we face the facts there is a strong indication of the coming world church right here in our own country. The federal council of churches claims to speak for 25 million protestants right now. For instance, a spokesman for the Federal Council announced that 25,000,000 protestants were solidly in favor of the United Na-

tions Charter. These twenty-five millions had not been asked nor was a poll taken but the council undertakes to speak for all without their consent. The fact that a federal council head speaks for the millions without their consent is just one indication of the trend toward which we are traveling—toward a federated world church dominated by the false prophet of Rev. 13:11-18. Many of the large denominations are uniting and each time there is a union, compromises are made. The larger the difference between them the larger the compromise. This will continue until the final merger will consume the apostate church headed up by the Anti-Christ. The object of this article is not to debate the question whether church bodies should or should not unite but to show that God knew what He was talking about when He predicted that these things would come about at the end of this age. The moral is, "When these things begin to come to pass, then look up, and lift up your heads; for

The new fast, powerful, coal-burning, steam-turbine electric locomotive—a big source of postwar jobs.

Millions of pairs of nylon hose will be made from coal. This will make jobs.

Power to turn postwar wheels. More jobs from coal.

How Many Postwar Jobs—from Coal?

WHAT OPPORTUNITIES will there be for jobs after the war is won? Jobs for returning soldiers, sailors, war workers?

No one can say, exactly. But this much is known: business is planning to meet quickly the demand that will exist for all sorts of things after victory—and out of which jobs will come.

Take the coal industry. Not only will coal continue as one of our basic sources of power, but from coal research there has come a host of new products

that will even further increase its use.

Before the war, nylon was made from coal. So were the life-saving sulfa drugs. During the war, new medicines, chemicals, plastics and things beyond imagining have grown from research in coal.

Postwar, you will find sheer, wrinkle-proof dresses made from coal. Sturdy shoes made from coal. Shimmering, fire-proof table-tops made from coal. There are even revolutionary locomotives—including the C & O-planned steam-turbine electric—that operate on coal and

develop undreamed-of smoothness and efficiency. All this will increase the demand for coal—and remember, it's demand for goods that makes jobs.

After the war, there will be lots of opportunities. So, if you are on a war job, stay on it until Uncle Sam says it's finished. Victory must come first.

**TOO MANY ATTEND YOUTH
FOR CHRIST MEETING SATURDAY**

The tri-county Youth for Christ meeting, directed by Rev. E. C. Ralston and held in the first Baptist Church at Mentone Saturday evening, attracted more visitors than the building would properly accommodate and many returned to their homes without gaining admittance. The meetings are held the first Saturday night in each month and the movement has gained in popularity and attendance each time. Over 600 people crowded into the church auditorium Saturday evening. Fifty-eight towns and four foreign countries were represented, including 23 ministers, six servicemen and one servicewoman of the Canadian government.

Dr. Warren Filkin, member of the faculty of the Moody Bible Institute,

brought the message on the subject, "Magic Was My Life." Sixteen responded to the invitation at the close of the service.

Others on the program included: Martha Sullivan and Joe Penrod, from North Manchester; Lucyle Hazen, Bourbon; Juanita Baker, Warsaw; Anita Bleiden, South Bend; Donald McIntyre, LaPorte; Freda Stanley, Marion; Douglas Powell, Rochester; Geraldine Hamlin, Anderson; Thomas Martin, Ft. Wayne; Phyllis Lemler and Robert Nelson, Mentone, and Royal Blue of the U. S. Navy.

The next meeting will be Saturday night, Sept. 1, at 8:00 p. m. All youth are welcome.

EPWORTH FOREST INSTITUTE

Last week was Warsaw District week at the Institute at Epworth Forest, with over 400 registrations. Thursday night was Communion and Decision Night when twenty young people decided for Christ, among which was a group from the Mentone church. In connection with these decisions, reception of members will be held at the Sunday morning worship service and baptismal services at Lake Webster at 2:30. Plan to accompany the group to the lake for this service. This week and next will be the last of the institute which is expected to bring the registration to over 3,000, which with the assembly and W. S. C. S. meeting will total between four and five thousand. The Northwest

and Indiana conferences had similar services with about the same attendance which shows that the Methodists of Indiana are still interested in religion. With the institutes and assemblies throughout the Nation shows that many thousands, mostly youth, received vital religious help and instruction. These meetings are but laying the foundation for the work of the church for this year in connection with the Crusade for Christ. Last year \$25,000,000 was asked for and over-pledged. The share of the local church was \$1,117. Most of this money has been paid since the first of the year. One million souls for Christ, larger and better attended Sunday schools, is the goal for this year. We have faith to believe that every Methodist will be loyal to this program for 1945-1946.

NORTHERN INDIANA EGG RECEIVERS AND DISTRIBUTORS ASS'N, INC.

28 Harrison Street
NEW YORK 13, N. Y.

Dear Egg Shipper:

As a group of merchants receiving the bulk of the eggs shipped from this territory to New York, we have associated ourselves for the following purposes:

- (1) To eliminate any difficulties you may have experienced in the past in shipping your eggs to New York.
- (2) To guarantee prompt payment for cases lost, when shipped to any of our members.
- (3) To promote the sale of your eggs in New York. Indiana eggs are classified as "Mid-Western," and are usually quoted and sold at lower prices than "Near-bys"—those produced in the area adjacent to New York City. There is no reason for it, except as it benefits some particular individuals. We propose to place your product on a level with those of the finest quality; to advertise "Hoosier Eggs," to quote and sell them on the merits of quality rather than on a sectional basis. At the same time, we will co-operate with you to the fullest extent in improving the quality of your eggs.
- (4) To eliminate existent evils of distribution and delivery.

NOW, you can help us and help yourself by fully co-operating with us. All we ask you is that you ship your eggs *consistently* to any of our members. In effect, this program will not only increase competition, but should create the keenest kind of rivalry for your good-will. Other receivers may acquire membership if they are acceptable to the organization as regards their reliability and ethical methods of doing business.

We pledge ourselves, as a group, to pay you the very HIGHEST PRICES at all times and serve you to the best of our ability.

You should begin now to ship your eggs to any of the following:

ACKERMAN & BRUNER
BLOOMFIELD BUTTER & EGG CO.
EGG PRODUCERS MARKETING Corp.
ALEX EPSTIEN.
KALTER-WAGNER CO., Inc.

SCHLUSSEL & WALDMAN
SCHONBRUN BROTHERS.
SILVERMAN BUTTER & EGG CO.
UNITED STATES EGG CO.
WEIDENFIELD BROS.

Our tags are available at any shipping point.

Sincerely yours,

NORTHERN INDIANA EGG RECEIVERS AND DISTRIBUTORS ASS'N.

M. DEAMER
LAID TO REST

Mainim Deamer, aged 75 years and brother-in-law of Mrs. Broda Clark, of Mentone, was buried in the Reister cemetery Thursday afternoon. Funeral services were held at the home, with Rev. Koontz, of the Bourbon circuit, officiating.

Mr. Deamer was born and spent his entire life in Newcastle township, and had been sick but a few days when death came.

Surviving besides the widow are two children, Mrs. Homer Page of New Albany, and David Deamer, of Chicago, and two brothers, one in Iowa, and Will of Newcastle township. Two brothers and one sister preceded him in death.

SODALES CLUB
HAS PICNIC

The annual picnic of the Sodales club was held August 16. A 1 o'clock luncheon was served at the Sportsman's Club, Beaver Dam lake, to fourteen members. Mrs. Mae Hutchinson and Miss Sue Ellen Long were guests. The afternoon was spent at the C. O. Mollenhour cottage at Yellow Creek lake. In the bean contest Mrs. Ellezer Manwaring won the prize for having the most beans, the guessing contest was won by Mrs. Genavee Nelson and the pig drawing contest by Mrs. Oattie Walburn. The pictures were real works of art and Mrs. Walburn displayed much natural talent. The entire afternoon was filled with much merriment.

The committee in charge was: Mrs. Isabell Johns, Mrs. C. O. Mollenhour and Mrs. Ora McKinley, who merit the thanks of all present.

Del Meredith was in town Friday and reported that he sold the Mentone restaurant building to Vincent Goodman.

Mrs. E. A. Blue, of Rockford, Ill., who has been visiting relatives here, returned to her home on Thursday.

SELECTED AS INSTRUCTOR
IN EUROPEAN AREA

Wendell Kinsey, son of Mr. and Mrs. E. H. Kinsey, who has been teaching Physics in the college at Storrs, Conn., was one of 116 professors selected to teach in Europe. The group sailed from New York July 17th on the Queen Mary and he is now located at Biarritz, in France.

ALL-DAY MEET
AT CH. OF CHRIST

The annual all day meeting of the Mentone Church of Christ, will be held on Sunday, August 19th. J. S. Johns, of Indianapolis, who served at the Mentone church for eleven years, has accepted the invitation to be with us and bring the messages of the day. Worship services will be held at 10:30 a. m., and at 2:30 and 8:00 p. m. Bible study at 9:30 a. m.

Basket dinner will be enjoyed in the cafeteria room of the high school at noon.

An invitation is extended to everyone to participate in the services and enjoy the day with us.

MENTONE H. E. CLUB MEETS

The Mentone Home Economics Club met Thursday at the home of Mrs. Agnes Rans with Mrs. Truman Long as assistant hostess. The meeting was opened by repeating of the club creed by the members, after which the story of the song of the month, "Massa's in the Cold, Cold Ground," was given by Mary Barkman. The song was then sung by the group. It was decided to have an exhibit at the county fair and a committee was appointed to look after it. Plans were made to have family night with a pot-luck supper and program following, Friday evening, at the Mentone school house. The mystery package was won by Ona Blue and high bidder at the auction was Helen Mollenhour. During the social hour Esther Sarber conducted some entertaining contests, with prizes going to Mrs. Darr, Mrs. Horn, and Mrs. Weirick. The hostess and her assistants served delicious refreshments to 23 members and guests.

METHODIST DAY ANNOUNCEMENT

Bishop Arthur J. Moore, of the Methodist church, will be at Winona Lake four days, August 20, 21, 22, and 23. Tuesday, August 21, is Methodist day and Bishop Moore will address the Methodists at 3:15 p. m. in the Auditorium. Homer Rodeheaver will have charge of the music. Let's show Winona how the Methodists can rally when one of our outstanding Bishops is on the program. Will you help to make this a great Methodist day? Come, announce, boost!

MISS WANG AT
M. E. CHURCH

At the Methodist church Sunday 7:30 Miss Wang from China will be the guest speaker. Miss Wang has been attending Garrett Theological Seminary at Evanston, Ill. She has been teaching in the class on Missions for several weeks at the Epworth League Institute at Lake Webster. She will be able to tell of some of the things that have happened in China since the war with Japan has been going on. The public is invited. Be sure to hear her.

PAUL RUSH GIVEN
PROFICIENCY CREDITS

Paul A. Rush, of Mentone, a freshman student at Purdue University, has received extra credit because of proficiency in English, according to an announcement by the Department of English at Purdue. On the basis of high grades in the orientation tests, he was assigned to English 32, an advanced course in freshman composition. On the satisfactory completion of this course at the end of the term in June, he was awarded six hours of credit in English, instead of the usual three. This student's precollege training was received at the Harrison Twp. high school.

W. W. Craigmile, who has been in Calif. for the past four months, returned to Mentone on Wednesday.

John and Jay Clutter underwent tonsil operations at the McDonald hospital on Wednesday.

HORSE SHOW AT
WARSAW SUN.

The Warsaw Saddle Club, Inc., will stage their second annual English and Western horse show Sunday afternoon and evening, August 19th.

Eighteen classes are on the program and a total of \$1200 in prizes is being offered.

The Warsaw Club recently purchased a tract of land, constructed an arena in a natural "bowl", installed up-to-date floodlights and really have a beautiful and expensive layout.

JAP WAR ENDS

The Japanese war, theoretically, came to an abrupt end Wednesday when the Japanese government submitted its willingness to accept the surrender terms imposed upon her at the recent Potsdam conference. Actual hostilities still exist, however, and will for several days until the actual surrender draft, can be properly signed and a "cease fire" order issued to all units of the fighting forces engaged in the conflict.

Civilian Regulations Relaxed

Some government units worked swiftly to release some of the civilian restrictions which have been in force the past few years. Gasoline rationing was discontinued, and points are no longer necessary for the purchase of processed foods. Meat and fat rationing will likely continue for many months. President Truman, by executive order, instructed Selective Service to reduce its draft call from eighty to fifty thousand men per month, and manpower regulations in most areas have been abandoned.

Contracts Cancelled

Hundreds of war contracts were cancelled in the first few hours after the official surrender announcement was made. It is reported all the government contracts held by the Lake City Machine Shop of Mentone; Mentone Mfg. Co., of Warsaw, and Zimmer Splint Co., of Bourbon, have been cancelled and most of the employees temporarily relieved of employment. They will return to their jobs when the plants are again ready for the production of civilian goods.

We Are Grateful . . .

The time isn't always appropriate to extend the thanks and appreciation one would like. The problems and duties of war have been solved on the home front by a determined group of civilians and the struggle on the seas, in the sky and on the land has been indubitably won by a determined organization of fighting men and women. Each day we have been conscious of the sacrifices being made, and the honor which is due each and every one.

We are grateful that today we can say without reservation that the battle has been won. We want to thank everyone for the part which they played and the sacrifices which were made.

To the service men and women throughout the world, we want to extend our thanks and best wishes to you. In tune with the spirit of cooperation—in an organization dedicated to service to the community and its people—we extend a sincere welcome home, and trust that we may continue to be a vital part of the community to which you desire to return. We are ready to assist in every way we can to help you find a place of happiness and contentment in our community.

MERVIN JONES GETS CITATION

Pfc. Mervin D. Jones, Mentone, Ind., as a member of the 160th Infantry regiment's medical detachment has been awarded the Meritorious Service Unit plaque by Major General Rapp Brush, commanding general of the 40th infantry division.

Gen. Brush's citation reads as follows:

"The Medical detachment, 106th Infantry, is cited for outstanding performance of difficult tasks and in the maintenance of high standards in the care of sick and wounded.

"From January 9 to May 20, 1945, the aid men and litter bearers continually risked their lives under fire over extremely difficult terrain and

under most hazardous, exhausting conditions.

"This unit has continually maintained a high standard of military courtesy, discipline and appearance of personnel and has served the Army of the United States with honor and distinction."

Pfc. Jones team of life savers has earned a distinguished record. Of 110 men, five have been awarded the silver Star, 27 the Bronze Star medal, 54 the Purple Heart and two the Oak Leaf Cluster for the Purple Heart.

The spirited medics remained on the front lines for 53 continuous days on Luzon and for 83 successive days on Negros and Panay in the Visayan Islands. They administered a total of 680 units of blood plasma to the wounded.

NICKEL PLATE ROAD PREPARING FOR POST-WAR ERA

The Nickel Plate Railroad, in conjunction with its affiliated lines, the Chesapeake and Ohio and the Pere Marquette, has just released an advertising campaign that represents a considerable departure from the usual railroad advertising. Some of the reasons given that prompted the program include:

1. The obvious growing concern among workers lest we enter another period of unemployment after the war.
2. Little known facts of the pent-up demand for civilian goods, and the tremendous technological progress being made by industry, both of which are bound to bolster employment to a degree that is difficult to overestimate.

It is a firm conviction of the industrial concern that if people could know what the postwar demand for goods will mean in terms of actual jobs; if they could know of the plans business management has for new products, better products, products at lower prices, and the vast number of jobs that these projects are sure to create, people would be optimistic rather than fearful.

Those from out of town who attended the funeral of Lawrence C. Bowen were: Mrs. Dean C. Bowen of Pierceton, Mr. and Mrs. Elmer Bowen of Bremen, Mr. and Mrs. Herbert Hamman and daughter Ruth of Kewanna, Mrs. Wilda Cochran of Etna Green, Mrs. H. Wray of Atwood, Mr. and Mrs. Mosier of Columbia City, and Clifford Hullinger of Pierceton.

A BIBLE MESSAGE

By REV. E. COLEMAN RALSTON

Prophetic signs of the Last Days.

(Continued)

Daniel 12:4 tells us that the time will come, in the end time, when people will run to and fro and increase in knowledge. Within the lifetime of most of us we have seen a phenomenal increase in transportation, from the horse and buggy days to traveling faster than sound. Within the past 100 or 150 years most sciences have been born and nearly all of them developed almost unbelievably within the last 50 years. Practically all of our modern conveniences have been invented within a comparatively short time. Fast trains, boats, automobiles, airplanes, jet planes and communication systems including the radio with all of its various uses have come into being within the last few years. There was a time when an invention like the cotton gin drew the attention of the whole world but today there are so many, some of them far more epoch making than the cotton gin yet very little attention is given to them. Only the most unusual, like the new atom bomb, makes the front page headlines.

scientific inventions have come into being within the last 50 years, it is almost beyond comprehension.

But along with this increased knowledge II Tim 3:13 tells us that wickedness shall also increase. Former high standards of living have fallen to an alarming low state. Major crimes, drinking, adultery, divorce, murder and other crimes have reached terrifying figures. Even men that do not profess to be reformers or religious alarmists are crying out in astonishment at the almost unbelievable increase of crime and decay of morality. God said that "in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, without natural affection, truce breakers, false accusers, incontinent, fierce, despisers of those that are good, traitorous, heady, highminded, lovers of pleasures more than lovers of God; having a form of Godliness, but denying the powers thereof. II Tim. 3:1-5.

The Pharisees asked Jesus for a sign in Matthew sixteen but "He answered and said unto them, when it is evening ye say, it will be fair weather for the sky is red. And in the morning it will be foul weather today: for the sky is red and lowring. O ye hypocrites, ye can discern the face of the sky: but can ye not discern the signs of the times?"

Many signs today are the signs of the end time—can we discern the signs of the end time?

E. IGO GETS BRONZE STAR

The following news story, taken from the Indianapolis News, gives the information that Edgar Igo, Brother of Ernest Igo, of Mentone, has been awarded the Bronze Star. The story follows:

Paul V. McNutt, War manpower commissioner and former Governor of In-

diana, decorated twenty-one members of this former Indiana-Kentucky national guard division in a ceremony Tuesday.

"I am proud of what you have done in the Philippines campaign," said Mr. McNutt, who came to the Islands on a health and economics mission for Mr. Igo.

He cited the division's accomplishments at Bataan, Corregidor, Caballo and in the Luzon Mountains. The division band played "Indiana" and "On the Banks of the Wabash" as Mr. McNutt was escorted by Maj. Gen. William C. Chase, division commander. Indianapolis men who received the Bronze Star Medal were Lt. Col. L. Robert Mottern, 920 North Audubon road, executive officer of the 151st infantry; Capt. John G. Isgrigg, 1526 Spruce street; Warrant Officer Howard Light, Craft street and T-5 Leo Beers, 520 Woodrow avenue.

Other Hoosiers similarly decorated were Lt. John R. Sliner, Shelbyville; 2d Lt. Harry A. Burleigh, Martinsville; 1st Sgt. Harry Bowerman, Lafayette; S-Sgt. Patrick Smith, Montgomery; S-Sgt. Floyd Magnetta, Terre Haute; S-Sgt. Eugene G. Young, Anderson; T-3

James W. Kent, Richmond; Sgt. John T. Dean, Seelyville; T-4 Robert Carlisle, Lexington; Cpl. Daniel D. Zierlan, South Bend; Cpl. Edgar Igo, Mentone; T-5 Paul H. Bay, Franklin; T-5 Peter Verbos, Gary; T-5 Albert Weinmann, Ft. Wayne; Pfc. Howard Bender, Gary, and Pfc. Stanley Welczak, East Chicago.

FISHING, HUNTING LICENSE RECEIPTS WELL BELOW 1944

Receipts from sale of hunting and fishing licenses during June dropped almost \$16,000 below the 1944 total. Milton Matter, director of the Indiana Department of Conservation, said recently.

In a report delivered at the monthly meeting of the department's four-man board, Mr. Matter revealed license receipts fell off from \$52,234.14 in June, 1944, to \$36,283.51 last month.

"The decline," he told the board, is disturbing in view of the fact that our fish and game program is dependent almost exclusively upon license receipts."

TAVERN OPERATOR ASSESSED \$25 FOR BEER OVERCHARGE

The Office of Price Administration announces that Mr. and Mrs. John Hight, operators of the Rainbow Inn, Warsaw, have settled the price administrator's claim for \$25 for overcharge on carry-out beer. The announcement was made Friday by the Warsaw price panel, which applied the sanction at its regular meeting on Wednesday evening, August 1.

According to a panel representative, the ceiling price for carry-out beer is around \$2.65 per case, 11c per bottle, and sale of carry-out beer at the regular 15c per bottle retail price is a violation of OPA regulations.

Checks Erosion

Research findings which demonstrate that straw utilization is an important factor in checking erosion and rebuilding productivity of the land have been an important factor in the conservation trend. In three-year studies nearly three bushels an acre better yields resulted from using the straw than where it was burned and one-way disked. Then, too, straw burned and six tillages resulted in 32 to 68 tons an acre soil loss, while losses were but two to eight tons an acre where the straw was used. Stubble-mulch tillage in all cases was more effective than mold-board or one-way disking in reducing soil erosion.

SCHOOL OPENS HERE AUG. 31

The Mentone schools will convene for organization on Friday morning, Aug. 31, at 8:25 a. m. After proper registration the children will be dismissed and return to their homes until Tuesday morning, September 4, at 8:25 a. m., when all will start in the regular courses of study.

Principal Dale Kelley stated Thursday that the list of teachers was not yet complete, but that he expected it would be within the next few hours. It is thought there will not be many changes in instructors.

WELL USED LST AT MOBILE FOR REPAIRS, ETC.

Mobile, Ala., Aug. 20. (Special to the Co-Op. News). — Byron N. Nellans, Boatwain's Mate, first class, of Mentone, Indiana, is a member of the crew of the LST 209 which has served in both the Pacific and European Theaters of Operations.

The 209, which is now here for repair and modernization, has participated in landings at Ragu Creek in Burman; Sicily; at Taranto located at the heel of the Italian boot; and in the D-Day landings at Normandy.

The only casualties suffered aboard the 209 were minor ones although she made 56 crossings of the English Channel. Many of these crossings were thru heavily mined waters and the men of the 209 witnessed sinkings of sister LST's which were unfortunate enough to hit the mines.

On several of the return trips, their cargo was composed of German prisoners of war. Speaking of these, the ship's captain, Lieutenant F. T. Ratchford, stated that "The Germans were afraid we were taking them out to sea to dump them over the side."

Nellans is the son of Mr. Earl Nellans of 114 E. Main Street, Mentone, Ind. He graduated from Mentone High School in 1933 and enlisted in the Navy in February 1943. Prior to his present assignment he had advanced training in England and has been on duty on the USS LST 51.

Nellans has a brother in the military services in the European Theatre of Operations.

PSI IOTA XI ENTERTAINED

The Beta Epsilon chapter of Psi Iota Xi was delightfully entertained recently at the home of Mrs. Earl Dwyer at Argos. Prizes for the evening went to Mrs. Curtis Riner and Mrs. T. J. Clutter. Miss Rowena Lackey won the door prize. Miss Eunice Reed, Miss Mildred Anderson and Miss Lackey were guests, and the following members were present: Mrs. Mont Bryan, Miss Genevieve Kraatz, Mrs. Curtis Riner, Mrs. Lyman Mollenhour, Mrs. Harold Utter, Mrs. Esther Shoemaker, Mrs. Delford Nelson, Mrs. C. E. Camplejohn, Mrs. T. J. Clutter, Mrs. Glen Weatherbee, Mrs. Elery Nellans, Mrs. Lucille Whetstone, Mrs. Max Nellans and Mrs. Ralph Ward.

The members of the Psi Iota Xi Sorority are busily engaged in plans for an eating stand at the Warsaw fair. Chicken sandwiches will be an outstanding feature of the menu. Meet your friends at the stand and enjoy our sandwiches.

LIMITATIONS OFF LUMBER

According to the latest available information, all or most of the restrictions previously applicable to the use of lumber, are now removed. Dealers can now buy and sell any materials without certificates or ratings.

Limitations on the cost of any repairs, alterations or new construction are still in effect, but are expected to be removed at any moment.

Relaxation of the above controls, however, does not mean that your dealer does have unlimited supplies of materials. It is an indication that even though he may not have them now, it should be but a short time until he has a reasonably adequate supply.

WESLEY TAYLOR KILLED

We have been informed that Wesley Taylor, who was instantly killed last week when his car was struck by a Pennsylvania freight at the Parks crossing west of Etna Green, once operated a meat market in Mentone. His wife was the former Emma Peterson, known by the older people of this vicinity. Mr. Taylor also once served as trustee of Etna township.

NEW HOURS AT WAR PRICE AND RATIONING BOARD

For the convenience of the public, starting August 27th, the War Price & Rationing Board at Warsaw will be open to the public from 9 a. m. until 4 p. m. on Mondays, Tuesdays, Thursdays and Fridays. The hours on Wednesdays will be from 9 a. m. until 12 noon.

Canning Sugar Applications

The board also announces that it is now accepting applications for the second allotment of canning sugar.

COUNTRY NEIGHBORS CLUB HOLDS REGULAR MEETING

The Country Neighbors Home Ec. Club held its regular meeting on Thursday afternoon at the home of Mrs. Helen Shunk, with Mrs. Margaret Shunk as assisting hostess.

The meeting opened with the members repeating the club collect, followed by the pledge to the flag. Roll call was responded to by each member giving canning hints. Mrs. Dorothy Herendeen gave some interesting remarks concerning aviation. Contests were conducted by Mrs. Sylvia Richardson and Mrs. Myrtle Pfeiffer.

Delicious refreshments were served to eighteen members, six children, and two guests.

The next meeting will be guest day at the home of Mrs. Della Shock, on Sept. 20th.

HONOR SOLDIER

A pot luck dinner was held Sunday at the home of Mrs. Myrtle Davis for T-Sgt. Harry L. Davis who is home on furlough from Camp Rucker, Ala.

Those present were: Mr. and Mrs. Earl Leedy and family of Warsaw, Mr. and Mrs. Howard Horn and family, Mrs. Earl Davis and family and Miss Donnabell Slusher, of Pierceton.

PARENTS OF SON.

A son, named Kent D., was born to Mr. and Mrs. Deverle Jefferies August 14th at the Woodlawn hospital. The baby weighed eight pounds and he and his mother are doing fine.

VERNETTE FAMILY REUNION

The Vernet family reunion will be held at the Harry Shaw home, west of Summit Chapel church, on Sunday, Sept. 2. J. F. Laird is chairman.

SCOUTS GO TO STATE PARK

Scoutmaster Noble Oyler, ably assisted by Ralph Mollenhour and 15 Mentone Boy Scouts, enjoyed a week end at Pokagon State Park. All had a grand time and all tried their skill at cooking. Each took his food and each cooked the same. The ones who desired, went to Sunday school at Angola.

All the boys were amazed at the size of the mosquitoes—some were as big as horse flies. The mosquitoes seemingly were glad to sample the boys from Scout Troop 58 for they sure did bite.

Those attending besides Noble Oyler and Ralph Mollenhour were:

Richard King, Junior Emmons, David Johns, Jim Mollenhour, Carl Peterson, Donald Coleman, Walter Smith, James Nuell, Wallace Oyler, Richard Horn, Max Friesner, Floyd Nicodemus, Loren D. Gross, Tom Fitzgerald and Roscoe Davis.

WINNERS CLASS SURPRISES MR. AND MRS. JOHN NORMAN

The Winners class of the Baptist church surprised Mr. and Mrs. John Norman with a potluck supper on the 10th of August. A gift was presented by the class to the Normans and all expressed regret at having to lose such good friends.

As this was regular meeting night, a business meeting was held and it was decided that the class would go to Winona for dinner on the 26th of August and attend the meeting there.

Devotions were held by Madeline Bybee and "The Old Rugged Cross" was sung by all.

BROWN REUNION SEPT. 2

The Brown family reunion will be held on Sunday, Sept. 2, at the home of Mr. and Mrs. Adam Bowen. Adam and Cora Bowen are president and secretary-treasurer, and Wm. and Reade Shanes are vice president and assistant secretary, respectively.

Soft, smooth, paper sheets and pillowcases for hospitals. These will take workers to produce.

Whole meals frozen and shipped in paper. How many jobs here?

Sturdy furniture made of paper—more jobs in paper mills.

Postwar Jobs—Wrapped Up in Paper!

WITH VICTORY, servicemen and war workers alike are going to need peacetime jobs. How many there will be, no one can say. But this much is known:

Business management has long since laid plans to meet as quickly as possible the demand for goods that has mounted during the war — and doing this will make jobs by the thousands.

Consider what will happen in the paper industry. Not only will paper-board, for packing and shipping innumerable products, be needed by the thousands of tons, but new uses for

paper—grown out of war discoveries—will even further increase that demand.

Imagine plasticized paper, for example, so tough that roofing tiles can be made of it. Imagine it so sturdy that it can be built into light-weight furniture. Imagine paper so soft, yet so resistant to tearing, that sheets and pillowcases for hospital use can be made of it.

These, and many other exciting new uses, will increase the demand for paper —and demand for goods makes jobs.

The paper industry is only one of many along the Chesapeake and Ohio,

the Nickel Plate, and the Pere Marquette, that have planned carefully for postwar employment.

And now that Victory has been won, these industries and others throughout the country will put into operation their plans for the jobs and opportunities all of us want.

Heavy Pruning

Shrubs that have showy colored stems produce their most brilliant color on new wood. For this reason heavy pruning should be resorted to every year. These plants include red-twig dogwood, kerria, and forsythia.

Woeful Waste
Last year enough food went into garbage pails to feed 33 million people for six weeks.

El Salvador

El Salvador, the smallest of the six Central American countries, is the most densely populated. The country is mountainous and subject to frequent slight earthquakes. Along the seacoast and in the lower region it is hot and tropical, during the rainy season (May to October) damp and unhealthy. In the foothills and in the higher interior regions the climate is semi-tropical and healthy the year round.

CLARK'S

BLOWN INTO SEA BY JAP

Merl Wagner, son of Mr. and Mrs. E. E. Wagner, is spending a 30-day furlough with home folks. He was on the USS Newcomb which was hit by a Jap suicide plane. The destroyer was so badly wrecked it was pulled over nine thousand miles to a repair station in the States. It is rumored that Merl has had a few more experiences which he hasn't divulged to everyone.

The following news article appeared in a recent issue of the South Bend Tribune:

OKINAWA.—Myrl J. Wagner, coxswain, U. S. Navy, Mentone, Ind., was

blown into the water by the explosion of a Kamikaze suicide plane in the China sea near Okinawa, but was picked up when he swam back alongside his ship, the U. S. S. Newcomb, a destroyer of the Pacific fleet. A veteran of 31 months of action in both the European and Pacific theaters, Wagner was serving as sightsetter of a five-inch gun mount when the Newcomb was subjected to a furious two hour attack by suicide planes.

"Since I was inside the gun, I didn't see the first three planes which hit us," he said. "I was down on deck when the last plane hit; it blew me over the side but I was able to swim back to the ship. Wagner joined the navy Sept. 7, 1942, and served aboard the destroyer Hobby before joining the Newcomb. He was on Atlantic convoy duty and participated in the invasions of North Africa and Sicily. When the Newcomb was commissioned in Boston in November, 1943, he was a member of the original crew.

He participated in the latter stages of the Marshall Islands campaign and the invasions of Saipan, Tinian, Palau, Leyte, Mindoro, Luzon, Iwo Jima, and Okinawa. Wagner wears the European-African-Middle Eastern theater ribbon with two stars, the American theater ribbon, the Philippine liberation ribbon with two stars and the Asiatic-Pacific theater ribbon with six stars.

Mr. and Mrs. Tom Stanford attended the 4-H fair at Argos on Friday evening.

A BIBLE MESSAGE By REV. E. COLEMAN RALSTON Prophetic Signs of the Last Days (Continued)

Someone has said that the automobile is another sign of the last days for Nahem 2:3-4 says "the chariots shall be with flaming torches in the day of his preparation, and the fir trees shall be terribly shaken. The chariots shall rage in the streets, they shall jostle one against another in the broad ways; they shall seem like torches, they shall run like the lightnings." Whether automobiles were meant or not we know that the word for chariot is "REKEB," or vehicle, and certainly we have seen the "broad ways" come into their own in the past few years. The word for flaming is "ESH," meaning fire, burning or fiery hot. Torches is "PELADAH," meaning the iron armor (of a chariot) sheathing, torch. Shine is "HALAL," to make a show, shine. Jostle is "SHAWKAK," to course like a beast of prey, run to and fro, jostle one against another. Torches in verse 4 is "LAPPID," to shine, a lamp of fire brand. Run in verse 4 is "RUWTS," to run, rush. Lightnings is "BARAQ," to gleam, flashing, glittering, and preparation is "KUWN," making ready, appoint. If we take these Hebrew words in their literal meaning it would seem that in the day that God shall appoint, the vehicles shall be of fire encased in steel. Today the internal combustion engines and the new jet-propelled planes, etc. with metal bodies, traveling the broad ways clamorously roaring by blowing their

horns and making a show of prosperity by their sleek, shining bodies, sending forth gleaming light from reflected sunlight and powerful headlamps, running to and fro, jostling one against another, certainly fills the description of what the prophet was saying. It is quite evident that he had no personal knowledge of anything that could have fit the description in his day and even though he was predicting the destruction of Nineveh there seems to be a prophetic character in his words of a more remote event. The destruction of Nineveh took place about a hundred years after his prophecy and in precisely the same way that Naheem said it would be destroyed. In scriptural type Nineveh stands as the apostate reli-

gious gentile. Nineveh had wholly apostasized from God and the message was not a call for Nineveh to repent but was a warning of judgment for "he will make an utter end." This is only a proof that God will one day destroy apostate Christendom as we find foretold in Rev. 19:17-21 and as is also found in Luke 17:26-27 & 30 which reads "as it was in the days of Noe, so shall it be also in the days of the Son of Man. They did eat, they drank, they married wives, they were given in marriage, until the day that Noe entered into the ark, and the flood came, and destroyed them all. Even thus shall it be in the day when the Son of Man is revealed."

MRS. SARAH COOK BURIED

Mrs. Sarah Emma Cook, 76, died at 11:30 a. m. Friday at her home five miles southwest of Warsaw, of hardening of the arteries. She had been ill three months. She was born in Kosciusko county Oct. 25, 1868, the daughter of Jonas and Catherine Harmon and lived all her life in that community. June 11, 1896, she was married to Orr Cook. She was a member of Cook's Chapel Methodist church.

Surviving relatives include her husband; three daughters, Miss Vera Cook, of Warsaw, Miss Edith Cook, of Chicago, and Mrs. Gladys Clark, of Warsaw; two sons, Paul Cook, of Palestine, and Robert Cook of Rochester; eight grandchildren; two sisters, Mrs. Arthur Stookey, of Warsaw, and Mrs. Nora Moore, of Oakland, Calif.

Funeral services were held at Cook's Chapel at two p. m. Monday, with Rev. Earle Naftzger officiating. Burial was in Cook's cemetery.

ROOSE HELPS 38TH MOP UP

WITH THE 38TH DIVISION ON LUZON.—A rifle company in the 38th Division's 151st Infantry, of which Private First Class Verl E. Roose, of Plymouth, Indiana, is a member, has killed more than 130 Japs and captured 72 prisoners during mopping-up operations in the Sierra Madre mountains, east of Manila.

The company, which has taken part in several Luzon battles, bags Japs almost daily in its extensive patrolling up the towering hills near Siniloan Barrio.

Pfc. Roose is the husband of Mrs. Freda Roose who resides at Mentone, Indiana, and the son of Mr. and Mrs. Oscar Roose, 700 West Washington St., Plymouth.

Mrs. Floyd Elliot and daughter Joan, of North Manchester, and Mrs. Walter Mulford, of Plymouth, greeted friends in Mentone on Thursday.

DONALD SMITH LANDS A JAP

WITH THE 38TH (CYCLONE) DIVISION ON LUZON.—Not all of the Japs still hiding on Luzon were unaware of the Japanese surrender offer. A Jap who surrendered to a 38th Division patrol told the men that he was not surprised at the news.

The English speaking prisoner said he had heard about the Jap proposal shortly after it was made and thought that Japan had already surrendered. "I decided to give up and let the Americans kill me," he told T/S Donald J. Smith of Mentone, Ind. "Now I would like to go back home to my family." Smith calmed his nerves with an American cigarette and a cup of water.

Smith, a member of headquarters Company, 152nd Infantry, is the son of Mrs. Ruby Smith.

YOUTH'S JAW BROKEN WHEN RUN OVER BY WAGON

Edward King, 21, son of Mr. and Mrs. Fred King of route 2, Rochester, is in Woodlawn hospital at Rochester with serious injuries, following an unusual accident Friday night, according to a story submitted by the Newcastle reporter.

The youth was aiding in hauling baled hay from the Sam Powell farm, three miles north of Rochester on road 31. Two wagons, hooked together, were being pulled by a tractor, driven by Harold Maddux of near Athens.

Don Nichols, 20, was riding on the front wagon with King, and as they reached the farm of Nichols' parents, 5½ miles northeast of Rochester on a county road, King lost his balance. He fell under the wheels of the second wagon which passed over his head.

His upper jaw was broken under the nose, he suffered a cut on the right eye and a possible brain concussion.

It was thought King had tried to reach up to an overhanging branch of a tree for a walnut, or to protect his face.

It is reported that Rev. E. E. DeWitt, of Larwill, who has been quit ill, is not much improved. However, he has returned to his home from a Ft. Wayne hospital.

TO CLOSE ON LABOR DAY

All departments of the Northern Indiana Cooperative Association at Mentone will be closed on Monday, September 3—Labor Day. It has been the policy of this organization to grant its employees the privilege of enjoying this holiday set aside especially for the laboring classes of the Nation.

STATE 4-H FAIR SEPT. 3, 4, 5

U. C. Brouse, Kendallville, president of the Indiana State Fair Board, states he is mighty proud that every effort possible is being made for the boys and girls of the state of Indiana to have a real 4-H Club Show on the Indiana State Fair Grounds, the section reserved by the board, September 3rd, 4th and 5th.

Mr. Brouse states that the 4-H Club Booklet is now ready for distribution. Any boy or girl interested in 4-H work should see his county agent in regard to this show or write to Orval C. Fratt, secretary of the Indiana State Fair, Room 332, State House, Indianapolis, Ind., for a catalogue which gives in detail the prizes offered in each department.

The calves, colts and chickens will be housed again this year in the Light Harness Horse Barn, the sheep and swine in tents, and the 4-H Clothing exhibits, Canning, Baking, etc., will be shown in the Coliseum. Along with this, there will be free acts in the Coliseum every afternoon and evening.

Mr. Brouse is in hopes every 4-H Club boy and girl in the state will plan to spend at least a day or two at this club show. It will not only be a vacation trip, after the many long hours they have spent farming this year, but it will prove very educational as well.

Mrs. Claude Brant and son Ray, who is home on furlough, and Mrs. Howard Repke, all of South Bend, spent last Thursday with Mrs. Brant and Mr. and Mrs. Homer Blue.

LIONS ATTEND CHARTER MEET

A large and representative group of Mentone Lions, their wives and guests, attended the charter night banquet of the Cromwell Lions club Tuesday evening. Several hundred were in attendance and the program was entertaining and interesting. Melville Blaiseing, of Goshen, was toastmaster, and he seldom lacked the proper words or stories for any and all situations. Byron Blacklock, representative of Lions International, was the principal speaker of the evening. H. V. Johns, of Mentone, led the singing, and Sherman Bybee presided at the ivory sound board.

The next regular meeting of the Mentone club will be Wednesday evening, Sept. 5th.

Y. F. C. MEETING HERE SEPT. 1

Saturday night, Sept. 1st, at 8:00 p. m., the Tri-County Youth for Christ will have another unusual program at the Baptist Church in Mentone. Dr. J. Palmer Muntz, director of the Winona Lake Bible Conference, will be the speaker.

Special vocal and instrumental numbers, singspiration, bible quiz, the Y. F. C. Party Line, and other audience participation will be featured on the program.

You will surely miss a great time if you are not there. Everyone welcome.

WARSAW MAN DIES IN AUTO ACCIDENT

William Griswold, 60, janitor at the Warsaw high school, whose wife died July 15, was instantly killed about 9:30 a. m. Sunday when his speeding car hit a tree on the Chapman lake road about four miles northeast of Warsaw. Griswold suffered a broken neck, fractures of both legs and many severe cuts about the head.

MATERNITY BENEFITS FOR SERVICEMEN'S WIVES

A serviceman's wife may apply for maternity care and care for her baby, under the emergency maternity and infant care program, even after her husband has been honorably discharged, promoted, or demoted, provided she was pregnant during the period when he was in one of the four lowest pay grades of the services or was serving as an aviation cadet. On the same basis, she may apply if the husband and father is a prisoner of war, missing in action, or dead.

This clarification as to who is entitled to care under the government's emergency maternity and infant care program was made by Dr. Robert E. Jewett of the Indiana State Board of Health, which administers the program under plans approved by the Children's Bureau, U. S. Department of Labor. The new interpretation, Dr. Jewett explained, is in accord with a recent Congressional recommendation designed to extend the benefits of this program to wives who fail to make application for themselves and their infants before the status of their husbands is changed.

HUMOR YOUR AUTOMOBILE

Discontinuance of gasoline rationing will bring difficulties to motorists according to Mr. Charles M. Hayes, president of the Chicago Motor Club, who pointed out that more than 5,000 cars a day are going off the highways now, that the average age of cars on the road is eight years and that with additional mileage being checked off on speedometers the parade to the junk yards will be accelerated.

"It is estimated," said Mr. Hayes, "that the first six million cars off the assembly lines will be taken up by those who must have automobiles, such as physicians and clergymen."

"There is a market for eighteen mil-

lion potential buyers which is going to keep the average man standing in line a long time. Motorists who are now rejoicing over the lifting of the rationing will be wise if they use care in their driving and if they are quick to have necessary repair work done.

"Naturally, extended touring is going to come into being, which means that worn out cars plus additional miles of travel will not only cause cars to deteriorate faster but that accidents will increase. The lifting of war-time restrictions will result in additional accidents unless great caution is used.

"Accident statistics show that the number of fatalities in automobile injury accidents increases tremendously with increases in speed. At 20 miles an hour there are 12 fatalities in each 1,000 injuries. But at 51 miles an hour and over there are 92 deaths—nearly eight times as many. Evidence of this was demonstrated when the national speed limit of 35 miles an hour was made effective. Traffic deaths dropped 43 per cent."

Clear Floor

Before using the vacuum cleaner, all bits of glass, pins, tacks and similar hard or sharp objects should be picked up from the floor. The cleaner was not made to pick up such large items which may damage the fan and even the motor mechanism.

FRED FOOR HOUSE ON ROAD 25 DESTROYED

An eight-room frame dwelling on the farm of Mr. and Mrs. Fred Foore, southwest of here on road 25, in Newcastle township, burned to the ground Saturday evening. Practically all the contents of the house were destroyed as well as foodstuffs in the basement. The

loss, estimated between seven and eight thousand dollars, was partially covered by insurance.

The blaze, which started from a defective chimney, was discovered by Mrs. "Budd" Barkman, daughter of Mr. and Mrs. Foore. She and her husband reside with her parents and all of their furniture stored on the second floor, was lost. Some of the possessions of Mr. and Mrs. Foore were saved.

Rochester firemen, who were called, fought the fire over two hours and prevented it from spreading to nearby farm buildings.

A BIBLE MESSAGE

By REV. E. COLEMAN RALSTON

Prophetic Signs of the Last Days
(Continued)

Last week we mentioned Luke 17 in which Christ reveals some of the conditions of the end of time. Matt. 24:37-39 also records that "as the days of Noah were, so shall also the coming of the Son of Man be, for as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noah entered into the ark, and knew not until the flood came and took them all away, so shall also the coming of the Son of man be." The Greek here for eating and drinking includes the art of cookery, confectionary, and other matters connected with luxury, rapine, and riot. The design of these verses seems to be that desolation should be as general as it should be unexpected. Notice that they "knew not" or considered not Noah's warning till it was too late to profit by it. And "so shall it be" in the days of the coming of the Son of man.

Since the repeal of the 18th Amendment, drinking is linked with eating in a peculiar way. Drinks are supposed to be served at table or while seated at a counter in restaurants or taverns, yet drinking and all that it fosters has increased tremendously the last few years. In spite of the fact that there is an awakening among many people

toward God there is today perhaps the strongest hatred toward Him at any time in the history of the world, not only among some of the foreign countries but right here in our own so-called Christian country. This hatred has been hidden in the heart of the world with but an occasional demonstration of such hate creeping out, but now it is bursting out on every hand. Just recently a young man was severely reprimanded for testifying in the factory where he works, and threatened with dismissal if he spoke the name of God around his fellow workers again. Nothing of course was said of those who took the name of God in vain dozens of times a day. God says that in the last days "evil men and seducers (or imposters) shall wax worse and worse, deceiving and being deceived." They shall be "lovers of their own selves, covetous, boasters, proud blasphemers, disobedient to parents, unthankful, unholy." They shall be traitors, trucebreakers, despisers of those that are good, and lovers of pleasures more than lovers of God.

The world will not be converted when Christ returns. It will be found in the same condition that it was in the day of the flood. When the flood came, men were found absorbed in their worldly pursuits, and utterly heedless of Noah's repeated warnings. They would not believe there was any danger. But at last the flood came suddenly and "took them all away." All that were not with Noah in the ark were drowned. They were all swept away to their last ac-

count, unpardoned, unconverted, and unprepared to meet God. And the Lord says, "so shall also the coming of the Son of man be."

Just the other day one of our local citizens told me that he would never forget one of the statements of the minister who preached his father's funeral. It was "man's worst enemy is man." This is true but sometimes man's worst enemy is himself. Remember the text and store it up in our minds. Let us not flatter ourselves and say there is no danger, or that all the heathen will be converted, and the earth filled with the knowledge of God, before the Lord comes. Let us not dream that the end of all things cannot be at hand, because there is yet much wickedness both in the church and in the world. The days of Noah are the type of the days when Christ shall return. Millions, even professing Christians, will be found thoughtless, unbelieving, Godless, Christless, worldly and unprepared to meet their God. Let us take heed that we are not found among them.
