**YOUNGSTER HAS
HEART AILMENT**

Mr. and Mrs. Devon Hibschan are taking their daughter, Diana, to the Chicago Hospital Monday, August 12, for an examination to determine whether or not she should undergo surgery for a heart ailment.

Diana's home address is Box 51, R. R. 1, Buchanan, Michigan.

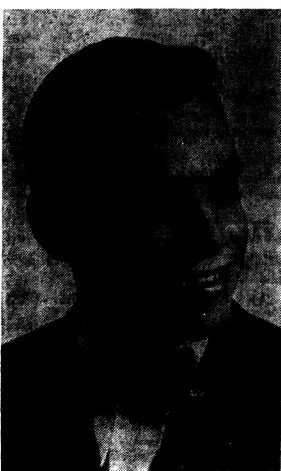

**NIGHT FLYING
OVER MENTONE**

The sudden increase in air traffic over Mentone this week was not due to anyone in distress, but to the local flying enthusiasts practicing night landings and take-offs. According to reports received by the editor, the first practice on Monday night resulted in quite a traffic jam (automotive, not aerial) on road 19 north of town, as the clear night and flashing plane lights made the exercise most conspicuous.

The Manwaring landing has been bordered with reflecting Scotch tape on stakes spaced at regular intervals, and Dr. Urschel and "Chick" Herendeen have been experimenting. The idea, we are told, is that of Dr. Urschel.

**John Davis
Buried Today**

John Davis, aged 22 years and son of Mrs. Ina Davis of Mentone, was buried in the Snyder cemetery at Walton Wednesday afternoon. The young man, pictured here as he appeared at his graduation from the Mentone

high school in 1953, died about 4:30 Sunday morning in the Woodlawn hospital at Rochester after being injured in an auto accident about four hours before.

The fatal accident occurred while Davis was a passenger in an auto driven by Richard Clark, 19, of Mentone. The night was extremely foggy.

About a mile south of the Lowman corner Pasquale Lombardi, 26, and Harold Douglas, 30, of Logansport, going home after participating in the stock car races at Warsaw, encountered mechanical difficulties with the 1939 pickup truck they were using to pull a trailer loaded with the racing car. They had stopped in a low spot on the road, dropped the ramp, ran the stock car off the trailer and had it at the front of their truck when the Clark car came upon the scene. It went up the ramp, over the trailer, taking a windlass and the top of the truck cab with it, and landed many feet beyond. The stock car, evidently escaped, but the truck was moved down the road about 60 feet.

Lombardi, in the truck cab, suffered fractures to an arm, a leg and pelvis and is in the St. Joseph hospital at Logansport. Douglas, working at the side of the truck and partially under the

**Hike on Appa-
lachian Trail**

Robert Everman of the Franklin, Indiana, Troop 227 of the Boy Scouts and grandson of Mrs. Goldie Kesler of Mentone, left on July 29th for Davenport Gap, N. C. where the troop was to take a 71-mile hike on the famous Appalachian Trail that winds through the Smoky Mountains. The Appalachian Trail extends over a distance of some eighteen hundred miles.

The first part of the Scout hike was to be at a point over 5,000 feet in elevation and 31 miles of absolute wilderness. Plans were that the Scouts would be carrying full packs consisting of all food, and clothes for four days, tents, cooking gear and other necessities. The load was to be about 62 pounds for each of the hikers. They planned to cover between 7 and 14 miles per day.

Midway on the trail the group will stop over at Newfound Gap for three days to replenish food supplies, wash clothes, and make side trips to Gatlingburg and the Cherokee Indian reservation. The completion of the hike will take five days at the end of which they expect to reach Fontana Dam, the highest dam east of the Rocky Mountains. The hikers will rest a day there before returning to Franklin on August 13.

hood, was thrown free as the auto hit. Another auto coming from the south and driven by Floyd Cox of Akron, came in contact with the Clark auto after it had wrecked but little damage resulted from this.

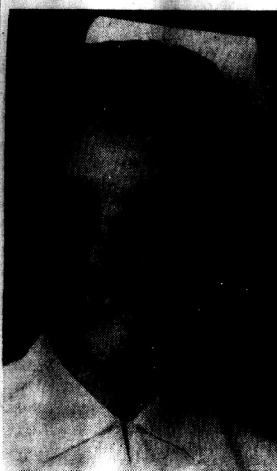

Davis was born March 15, 1935 to Roscoe and Ina (Adams) Davis and was a member of the Mentone Baptist Church. He was employed at the Kimble Glass factory in Warsaw. The father was killed in an auto accident north of Mentone on May 8, 1944.

Surviving are the mother, three brothers, Roscoe of Clinton, Wis., and Glen and Dan at home; two sisters, Mrs. Richard Galtry of Ft. Ebbings, Ga., and Janice, at home; two half-brothers, Joe Davis of Dinuba, Calif., and Robert Davis of Roann, and two half-sisters, Mrs. Roscoe Kinney of Milford and Beatrice Davis of Peru.

Funeral services were held at the Reed funeral home at two o'clock Wednesday afternoon. Rev. Irwin Olson, of the Baptist church, officiated.

**Graduates
With Honors**

Miss Jacqueline Stidham, pictured below, was one of three students given special recognition when a class of 44 young ladies received diplomas as graduate nurses at graduation exercises at the Wayne Street Methodist

Church in Fort Wayne Sunday.

Miss Stidham, daughter of Mr. and Mrs. Lawrence Stidham of Columbia City and a graduate of the Mentone high school, was given the \$100 Marie Kolter award for exhibiting the most "self-forgetfulness" and selected by graduate nurses and hospital personnel.

The diplomas were presented by Stanley Nelson, administrator of the hospital, and the pins were presented by Miss Marie Kolter, director of nursing.

Miss Stidham, while in Mentone, resided with her sister and husband, Mr. and Mrs. Richard Manwaring.

Miss Stidham will be employed at the LaRue Carter Hospital in Indianapolis.

IN MEMORIAM

In loving memory of our dear son, and brother, Curly, who left us two years ago August 6th. Dear son, as I stand by your grave today

It has been two years since you went away, And as the breezes around me so softly fell

A calm voice whispered, "All is well."

Across the sea, on the other shore

Your soul rests with God, forevermore.

And soon, dear son, with you we will be—

At home, with God, through Eternity.

(By Mother)

Mother, Dad, Patty, Betty, Beverly, Sandra, Rex and Ned.

Mr. and Mrs. Jack Pritchard and son of Sellersburg, and Mr. and Mrs. Egar Wilson and son of Chicago, were week end guests of Mr. and Mrs. Kenneth Barkman and family.

Class Enjoys Wiener Roast

Mr. and Mrs. Joe Long, and family entertained the Young Married People's class of Harrison Center. There were thirty-eight present who enjoyed the wiener roast. The meeting was presided over by the president, Russell Antonides. Mrs. Cloyce Yeater gave the secretary's report. EVERLASTING was chosen for the class name.

Mr. and Mrs. Long served ice cream and cake to the group.

Pasture Saves Feed

Feeding grain to cattle on pasture saves one-fourth to one-half of the corn and supplement and three-fourths of the hay that would be required to feed cattle on dry lot.

According to Ken McDonald and Henry Mayo, Purdue University beef cattle specialists, other advantages of feeding grain to cattle on pasture include:

Energy, dry matter and fiber are provided to balance the succulence and protein in the pasture.

Labor and expenses are saved. Manure is saved and spread by the cattle.

Cattle are more comfortable than in drylot.

It is possible for the cattle to be fat and ready for market in the fall.

MacDonald and Mayo pointed out that many farmers who keep records for Purdue give their feeder cattle on pasture a partial feed of grain—about one pound of feed per 100 pounds of body weight per animal per day—until July 1-15. Another method is to feed crushed ear corn to which ground corn cobs have been added to control the total grain intake. Other feeders who keep records for the Purdue specialists feed a pound of protein feed per animal each day.

After July 1-5, when the pasture begins to dry up, some feeders put cattle on a full feed of grain with about two pounds of protein supplement per animal each day. Other feeders wait until the cattle weigh 800 pounds before feeding a full ration of grain.

Iler and Eiler Visit Homestead

Robert L. Iler, of Chicago, Ill., was a guest in the home of C. O. Eiler and family, from Friday evening until Monday evening, during which time he visited other relatives, and points of interest in this vicinity.

Mr. Iler is a cousin to Mr. Eiler. He is Minister of Music, Youth Director and Assistant Pastor at the Salem Baptist church in Chicago.

On Monday evening, Mr. Iler left for Marion, Indiana, to meet some friends there and on Tuesday morning, C. O. Eiler went to Marion and from there, the two men continued to Newcastle and Hagerstown, Indiana, to visit relatives in the vicinity, and especially the former homestead of the pioneers of the family who had settled on a farm one mile west of Hagerstown at the beginning of the nineteenth century (around 1800).

The original "burying ground" of the Eiler family, on this farm, has been enlarged into a mammoth community cemetery, with a very large brick church, of the Church of the Brethren. The congregation of this church operates the cemetery, which is

a veritable showplace of natural landscaping.

The church was built by the original owner of the land, Samuel Eiler, great-great-grandfather of C. O. Eiler, on his own farm and given to the congregation, of which he was a member. The church, cemetery and farm buildings (which are massive and over 125 years old and marvelously preserved), stand as a great tribute and memorial to an ancestor, of which the Eiler family may well be proud.

Healthy sheep, even though on excellent pasture, may harbor and be serious spreaders of stomach worms. Well fed thrifty sheep favor worm egg production, according to Purdue University veterinarians. The control of stomach worms in sheep depends on the rotation of pastures and feeding phenothiazine in the salt, one to ten parts.

Mrs. Thelma Curtis of Michigan was a Sunday afternoon caller of Mrs. Nellie Julian.

Purdue University poultrymen report that eggs should be gathered often during hot summer months and cooled quickly in a place where the temperature is under 60 degrees. Eggs left in the chicken house where the temperature is around 90 degrees will lose more quality in a few hours than they would lose in a week at 60 degrees.

Keeping hogs cool during hot summer months can mean more economical gains. Swine specialists at Purdue University report a sanitary hog wallow is an economical means of cooling hogs. Recent tests conducted at Purdue indicate a sprinkler system, producing a fine mist over the pigs, is an effective means of cooling the animals.

Many Uses For Third Arm

Inventions, often the product of accident, are sometimes born in desperation.

That is what happened to Eli Kahn, 5411 N. Clark St., Chicago, when his wife gave birth to their first baby boy, according to a news release from the firm.

After the first month of joy in their new addition, Eli was left alone with Philip, and in trying to feed and diaper the bouncing bundle that was his frantic son, he discovered he was all thumbs.

"Gosh," the befuddled daddy said to himself, "if I only had a third arm!"

Right then and there, an idea was born. You could almost see the electric bulb lighting up inside Eli's head. Somehow, he managed to feed and tend the tot, until his wife arrived to rescue him. The Chicago salesman of steel products barely heard the scolding his wife gave him for trailing diapers over their brand-new couch.

He rushed downstairs, and, in the murky light of the basement, began cutting and shaping a piece of steel. When his wife came to look for him three hours later, Kahn, his face smeared with perspiration and his arms lit-

tered with steel shavings, grabbed her up in his arms.

"Eureka," was all that he could say. "Eureka," he shouted, "I've found it."

Impatiently, his wife asked: "Found what?"

"Look," he said, as his wife watched, and he took a baby bottle, fastened it to the clamp on his steel contrivance, and showed how it could be maneuvered in any direction for a complete circle, at any angle.

And that's how an invention was born—"The Third Arm," as Eli and his wife fondly call it, and which they constantly use in feeding the baby. And so another industry was born, and a salesman was converted into the

city's newest manufacturer.

In addition, the proud father and his wife have found a multitude of uses for "The Third Arm" including its function as a phone holder and mirror holder.

Kahn insists that his son, now six months old, is half responsible for the inventing of "The Third Arm."

Facts On Corn Irrigation

Hoosier farmers with irrigation systems have been advised to be ready to irrigate corn when 40 percent of the available water in

the soil has been depleted.

Dan Wiersma, Purdue University economist, says the tasseling and silking periods of the corn plant are especially critical stages in regards to soil moisture.

"A few days of insufficient moisture during this period may drastically reduce the yield of a corn crop," he reports.

Farmers on droughty sandy soils with irrigation systems should be prepared to water their corn any time it may be necessary during July and August.

While rainfall has been plentiful, many soils do not hold as much as three inches of moisture which is available to the corn plants.

Irrigation systems are usually designed for the operator to begin irrigation when 50 per cent of the available water has been depleted. This will permit the farmer to completely water his crop before the last to be covered shows signs of wilting.

"This means irrigation of the corn crop should begin within a week after a rain which has completely soaked the soil," Wiersma says.

He added that an irrigation system will not be profitable unless it is used wisely.

Loses Hand As Autos Pass

Clarence Stokes, 23, of R. R. 1, Akron, lost his left hand in a freak accident west of Peru Sunday.

As Stokes was passing an auto driven in the opposite direction by Mrs. Deloris Risher, 26, Dayton, Ohio, he evidently swung his hand too far out the window and it hit the headlight of the passing car, tearing the arm off between the elbow and wrist.

Mrs. Risher, accompanied by her husband, a Navy medical corpsman, saw Stokes' car veer off the highway, so they turned around and investigated, finding Stokes bleeding badly. The navy man applied a tourniquet and then rushed him to a hospital.

Pink Eye In Cattle

Pink eye in cattle, an annual problem on the farm, will be at its peak in the next few weeks, according to Dr. F. A. Hall, Purdue University extension veterinarian.

Signs of the disease include watering and blinking of the eye and red swollen eyelids.

Pink eye is a contagious disease apt to be brought to the farm by purchase of infected cattle—especially feeders. The disease generally is spread by flies, insects or close contact with infected animals.

All ages, sizes, sexes and breeds of cattle may be infected with pink eye, Hall says.

BEAVER DAM SCHOOL

NOTICE

BEAVER DAM SCHOOL

To all resident taxpayers of Kosciusko County who may be interested in the high school at Beaver Dam: We are taking this means to find out the true sentiment of voters and taxpayers of the Beaver Dam School District. The trustee and local school board have not been consulted in this matter or concerning this ballot. We hope that every eligible man and woman will vote their true sentiment.

As we understand it:

1. It cost you as taxpayers approximately \$30,000 last year to operate Beaver Dam High School.
2. From information recently obtained from school officials at Akron and Mentone, your children could be sent to either school for a tuition cost of approximately \$190 to \$200 per high school pupil, or a total of approximately \$9,000. (There are approximately 42 high school pupils.) What did you receive for the difference of \$20,000? It is understood that the state aid to Beaver Dam school would more than pay the entire tuition cost.
3. The curriculum offered is good, but does it offer your children the specialized subjects necessary to enter college? Are your children going to receive the pre-college training they need?
4. The gym at Beaver Dam is too small; therefore it must be enlarged if visiting teams are to play on that floor. The estimated cost of this remodeling is \$100,000 to \$125,000. This expansion would also provide a band room.

Please vote by marking an "X" in either the "yes" or "no" blank.

- | | YES | NO |
|---|-----|----|
| 1. Do you wish to retain the high school at Beaver Dam? | | |
| 2. Would you want the township to pay tuition and transfer to Akron or Mentone, according to your choice? | | |
| 3. Do you wish to enlarge the gym at Beaver Dam? | | |
| 4. *May we use your name? (See explanation below) | | |

This is your opportunity to express yourself on what should be done before the school year starting September 1958. Please vote. Thank you. (No action from this ballot will be taken unless there is an eligible taxpayer response of 75% or more.)

*Please sign ballot. Your name, will not be used without your consent as stated above.

**NOTICE OF EXECUTRIX'S
SALE OF REAL ESTATE**

Notice is hereby given that **Sharlene Chloe Bolce**, as executrix of the estate of **Luella Latham**, deceased, by authority of the **Kosciusko Circuit Court in Estate No. 7542**, will offer at private sale all the right, title and interest of the above named decedent to the following described real estate located in **Kosciusko County, State of Indiana**, to-wit: **Lots Numbered 275 and 276** in **Tucker, Myers, and Hackedorf's Addition to the Town of Mentone**.

on the 20th day of August, 1956,
and from day to day thereafter
until sold, at the law office of
James E. Rodibaugh, in Mentone,
Indiana.

Said sale shall be subject to the approval of said Kosciusko Circuit Court, and subject to the taxes for the year 1958, payable in the year 1959.

Said real estate will be sold to the highest and best bidder for not less than the appraised value thereof and on the following terms and conditions, to-wit: at least 40% of the purchase price cash in hand; the balance due not to exceed one year from date of sale; deferred payments to be evidenced by the note of purchaser bearing 6% interest from date of sale, without relief from valuation and appraisement laws and providing attorneys fees, and on confirmation to be secured by a mortgage on the real estate sold.

SHARLENE CHLOE BOICE,
Executrix of the Estate of
Luella Latham, deceased.

NOTICE TO TAXPAYERS OF ADDITIONAL APPROPRIA- TIONS

Notice is hereby given the taxpayers of Seward Township, Kosciusko County, Indiana, that the proper legal officers of said municipality at their regular meeting place, on the 27th day of August, 1957, will consider the following additional appropriations which said officers consider necessary to meet the extraordinary emergency existing at this time.

Township Fund

No. 1—Salary	\$120.00
No. 8—Fire Protection	\$150.00

Tuition Fund

No. 28—Pay of teachers 1200.00

Taxpayers appearing at such meeting shall have a right to be heard thereon. The additional appropriation as finally made will be automatically referred to the State Board of Tax Commissioners, which Board will hold a further hearing within fifteen days at the County Auditor's office of Kosciusko County, Indiana, or at such other place as may be designated. At such hearing taxpayers objecting to any of such additional appropriations may be heard and interested taxpayers may inquire of the County Auditor when and where such hearing will be held.

Psi Iota Xi Meets

Beta Epsilon Chapter of Psi Chi met Aug. 6 for the regular business meeting at the home of Mrs. Harold Uter. Sixteen members answered roll call. Several reports were given by various committees on present and future activities of the sorority. March has been tentatively selected for the month to have a Sample Fair with the following members working on ways and means com-

mittee: Mrs. Mott Bryan, Mrs. Bill Hudson, Mrs. Curtis Riner, Mrs. Chet Smith. The sorority has been asked to serve the Big Show Banquet again this year. The next meeting will be a Pledge Service for four new members at the home of Mrs. Curtis Riner, August 20th. Members present were: Mrs. Iris Anderson, Mrs. Mott Bryan, Mrs. Dale Cook, Mrs. Don Ernsberger, Mrs. Bill Hudson, Mrs. Jean Kendall, Miss Barbara King, Mrs. Jerome Kralls, Mrs. Forrest Miner, Mrs. Lyman Mollenhour, Mrs. Jack Pritchard, Mrs. Curtis Riner, Mrs. Kenneth

Simpcoe, Mrs. Chet Smith, Mrs. Paul Quinn and the hostess, Mrs. Harold Utter.

and Helen Welty led the pledge to the 4-H flag. Group singing was led by Diana Ballenger.

A little more excitement than usual took place this night—nine members were initiated.

Marvin Valentine gave a very good and interesting demonstration on showmanship. Marlin and Darrell Valentine gave a demonstration on what to do to get a calf ready for the fair.

Everyone enjoyed delicious refreshments before the meeting was dismissed.

Officials Comment On Proposed Tax Levies

It is the time of year when the officials of the various taxing units of Indiana prepare their budgets and indicate the proposed levies. This issue of the News carries a number of these legal notices.

The comments of some of the officials are:

Lawrence Butts, Trustee of Franklin Township—

There will be a small increase in our township rate this coming year.

Reasons:

Less state tuition support (for 1957 \$14,014; for 1958 \$9,791.)

No state transportation support.

Hired part time school clerk required by state and full time 4-H leader required by patrons.

Purchased school bus to replace

1946 bus condemned by the state police.

Increase in other costs such as insurance, power and lights, school and janitor supplies, etc. Total budget requirements up \$5,994.

R. O. Jones, Clerk-Treasurer, Town of Mentone:

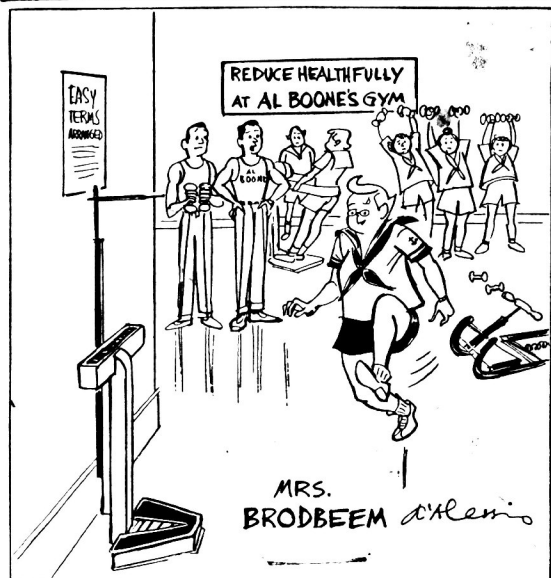

Town of Mentone levy lowered 18c on general fund and a four cent rate set aside for cemetery fund. This was formerly carried in the general fund. This leaves a net decrease of 14 cents.

H. Earl Boggs, Trustee Harrison Township:

Township fund .12, same as 1956 due to new law requiring a justice of peace must be paid a salary and office rent.

"Rugged" Rangers Guard National Parks and Tourists

Millions of Americans owe their safety and the enjoyment of our national parks to a small band of dedicated men. Some 360 National Park Rangers, with the help of 600 seasonal Rangers, are protecting 23 million acres and about 54 million visitors annually. And their task is getting bigger each year—1956 had nearly five million more visitors than 1955.

Don Wharton reports on the Rangers in an August Reader's Digest article titled, "The Rugged Rangers of Our National Parks," condensed from Travel. Rangers are stationed from Hawaii to Maine and from the tropical Everglades to subarctic Mount McKinley in Alaska.

The average Ranger is 41 years old, a college graduate and has spent several summers as a seasonal Ranger before receiving a permanent appointment. His shoulder patch showing the outlines of a mountain, a tree and a buffalo is a symbol of his proficiency as an emergency mountain climber, trained fire fighter and expert tracker.

He travels by horse or dog team, sometimes using over-snow equipment such as weasels and snow cats. In emergencies he can call in a helicopter or a plane with trained "smoke-jumpers" to fight forest fires.

In the summer, the Rangers usually limit their tracking to children. There are about 35 lost children a week in Yosemite alone. Most of them are found quickly, but some require intensive searches.

Many mountain climbers owe their lives to Rangers. In 1955 four Rangers rescued a badly hurt young woman who'd fallen 60 feet while climbing the Yosemite's steep Washington Column.

Purdue University entomologists say leafhopper yellows on alfalfa can be prevented by spraying with Methoxychlor when there is about two inches of alfalfa growth.

**Party For
Boys Leaguers**

Both groups of the Mentone Boys League and their parents are invited to participate in a party to be held at the ball diamond on Monday evening, Aug. 19, starting at 7:00 p.m.

There will be a picnic style supper, but all the food will be furnished by the league committee.

During the course of the evening, the season awards will be presented.

In case of inclement weather, the party will be held in the gym.

**H. D. Camp
Starts Monday**

Mrs. Ruth McCleary, County Home Demonstration Agent, announces that the Home Demonstration Women's camp will be held at Quaker Haven, on Dewart Lake, starting Monday, Aug. 19 at 9:30 a. m. and continuing until 10:00 a. m. Wednesday, Aug. 21.

The fee for food, lodging, etc. will be \$5.80 for the three days. Reservations must be made to Mrs. Ralph McDaniels, R. 1, Warsaw, by Saturday, Aug. 17. The registration fee is \$1 and applies to those registering for the entire three days or for one day only.

This is a planned camp with a complete program of many activities, such as sports, craft work, entertainment, book reviews, and slides and films. Also 4-H demonstrations.

Camp director will be Mrs. Herschel Albert, Leesburg. Mrs. Ed. Goehler, Sidney, is secretary, and Mrs. McDaniels is treasurer.

This year about 30 ladies from Adams county will join in the camp activities.

All Home Demonstration ladies of the county are invited to take part in the camp and are eligible to attend.

Mr. and Mrs. Harold Horn and family are spending this week at Graull Lake, Michigan.

Mrs. Sylvia Warren of Claypool and her sister, Mrs. Ira Swick of Beaver Dam Lake were visitors at the home of Mrs. R. E. Riner Sunday. Mr. and Mrs. L. A. Rickel called in the afternoon.

Mrs. Olive Wenger is on an extended trip touring the western states.

**Henry Blesch
Dies Sunday**

Henry W. Blesch, 81, Akron, a resident of the Akron and Beaver Dam vicinities for the last 47 years, died in his sleep at home at 3 a. m. Sunday.

A retired farmer, Mr. Blesch was born on May 24, 1876, in Palos, Ill. to Peter and Anna (Coch) Blesch. He was married to Flora Crisler in 1907 at Goodings Grove, Ill. He was a member of the German Lutheran church in Lemont, Ill.

Surviving besides the widow at home are two daughters: Miss Grace Blesch, Fort Wayne, and Mrs. Roy (Evelyn) Meredith, Akron; two grandchildren and two sisters; Mrs. Matilda Bodenschatz, Lemont, and Mrs. Frances Maske, Glendale, Calif. A son, Ralph, two sisters and two brothers preceded him in death.

Services were at 2 p. m. Tuesday in the Moyer & Hauptert funeral home at Akron with the Rev. Claude Fawns officiating. Burial was in the Akron cemetery.

**PARTICIPATING IN
CORN-GROWING CONTEST**

Ronnie Severns, Warsaw; Phil Nelson, Warsaw; and Steve McSherry, Claypool, local vocational agriculture students, are enrolled in the Efficient Corn Growing Program sponsored by Spencer Chemical Company, Kansas City, Mo. The boys are attempting to improve corn-growing profits in trying to win a three day, all-expense trip to Kansas City. The winners will be accompanied by their vo-ag instructors. The trip will be awarded to three state winners judged on their corn growing efficiency measured by profit improvement. 150 boys are competing in Indiana.

TO SHOW PICTURE PROOFS

We have received a notice from the Woltz Studios of Des Moines, Iowa stating that a representative will be in Mentone Saturday, Aug. 17, from 12 noon to 1:00 p. m. with proofs of the children's pictures taken recently.

PLAY AT 4-H FAIR

The Talma Cornet Trio played at the Fulton Co. 4-H Fair on the Variety Show. Mrs. Frederick is the pianist and arranger. They played Chiquita. The members are Harry Mikesell, Mary Jo Vandermark and Linda Lou Lukens. All are 4-H Club members.

**School to Start
August 30th**

Mr. John Frederick, principal of the Mentone school, announces that school registration will be on Friday, August 30, with regular classes to start on Tuesday, Sept. 3.

School doors will open at 8:05 and classes will convene at 8:20. Dismissal will be at 3:30 p. m. each day.

Due to a large number enrolling in the Freshman class, Latin I will again be offered this year. A course in Advanced Math will also be repeated. This year Mentone will have its own driver training class with Mr. Myers as the instructor. The Don Poulson Garage of Etna Green is furnishing a 1957 4-door Ford automobile to be used in the program. The only cost to the school for the auto will be the insurance, maintenance and upkeep. A new 1958 model will be provided when they are available.

Lunch prices will remain at 30c as in the past.

Textbooks will again be handled at the school and Mr. Frederick stated that students could secure them before the registration day. He will be at the school this Thursday and Thursday evening, and next week he will be there every day and evening until Friday evening.

Dies Sunday

Mrs. Helen Ruth Lemert, 46, of Whiting and a summer resident at Crystal Lake, died of a heart attack at 2:30 a. m. Sunday in an ambulance en route to the Murphy Medical Center.

Born July 27, 1911, in Chicago, the daughter of Junius and Ruth (Proudfoot) Damon, she had resided in Whiting for the past 23 years.

She was an employee of the Illinois Bell Telephone company.

Surviving besides the husband are one step-son, Donald Lemert, of South Bend; her mother, Mrs. Ben Sonney, of Chicago; and one sister, Mrs. June Valentine, of Whiting.

Services were conducted at 2 p. m. Tuesday at the McHatton funeral home in Warsaw, with Dr. Roscoe Wilson, pastor, of the People's church of South Bend, officiating. Burial was in the Center cemetery of Tegarden.

**Mrs. Arter Dies
at Talma**

Mrs. Edith Arter, 80, who resided with her daughter, Mrs. Fred Barr, in Talma, died at 8 o'clock Monday of carcinoma of the stomach at her daughter's home. She had been in failing health for the past year.

The daughter of Benjamin F. and Eliza Jane (Burns) Holloway, Mrs. Arter was born in Fulton county on October 7, 1876. She was married in 1894 to Frank J. Arter, who died in 1948.

A practical nurse for the last seven years, Mrs. Arter was a member of the Talma Methodist Church.

Surviving are two daughters; Mrs. Barr and Mrs. Roy Hubbard, of near Tiosa; six grandchildren; 12 great-grandchildren; a brother, Donald V. Holloway of Mobile, Ala.; a sister, Mrs. A. C. Teeter of Winona Lake, and numerous nieces and nephews.

Services were held at 2 p. m. Wednesday at the Talma Methodist Church with burial in the Reister cemetery.

**4-H GIRLS TO GO
TO STATE FAIR SCHOOL**

Marge Cook, Dorothy Thompson, Claypool Cloverettes; and Mary Gawthrop, Etna Green Good Luck will represent Kosciusko County by attending the Indiana State Fair School of Home Economics which will be August 26—September 3, 1957 in the Youth Building at the Indiana State Fairgrounds. These 4-H girls were selected by a committee of leaders on their achievement record, which includes the number of projects, the amount of participation in county activities, a recommendation of their leader and their leadership ability.

The State Fair school gives rural young women an opportunity to receive special training in phases of home making and community building. The school hopes to increase their efficiency to make them more useful to family and community life.

By showing leadership ability, these girls may be eligible to return the following year as an honor girl. The honor girls serve as captain of the girls as they do the different tasks assigned. Scholarships to several colleges are also available to girls who are seniors in high school.

Hay Fever Exodus Nears

The best place for hay fever sufferers to go for relief is the northwest section of the United States, according to the Touring bureau of the Chicago Motor Club.

The ragweed pollen incidence is lightest in the area west of the Cascade Mountains in Oregon and Washington, and in the desert and forest regions in the Rocky Mountains and the intermountain states.

Hay fever sufferers with watering eyes and burning noses are most prevalent in the intensively tilled portion of the Mississippi Valley, especially during the months of August and September.

O. C. Durham, Chicago, retired secretary of the American Academy of Allergy, devised the pollen index for use in determining the length and severity of the hay fever season. A high index number in an area indicates a long season and a high pollen count.

An area with an index count below 1 provides the best relief, while 1 to 5 is considered good, and 5 to 10 is fair. Like prize-fighting, a count of 10 or more scores a knockdown on the hay fever sufferer.

The Motor Club's Touring bureau explained that only western

Oregon and the Puget Sound areas are free of ragweed and other related sneeze-makers.

For the most part, wooded, mountain, and seashore areas provide the best relief from the pollen plight.

Although ragweed pollen distribution in most areas is confined to August and September, weeds still are active in October along the Gulf Coast.

In central Florida, near Tampa on the west coast, the season lasts from June until November. The southern tip of Texas, in the Brownsville area, also has a prolonged hay fever season.

The natural question at this point is—where are some of the ideal areas of relief? Zero pollen count areas recommended by the Motor Club include West Yellowstone and Yellowstone National Park, Wyo.; Reno, Nev.; Seattle and Spokane, Wash.; Portland, Ore.; Sun Valley, Idaho; San Francisco and San Diego, Calif.; Miami, Fla.; and Fairbanks, Juneau and Nome, Alaska.

Other areas suggested to ease the sneeze are Salt Lake City, Utah; Rosewell, N. M.; Biloxi, Miss.; Amarillo and El Paso, Texas; Phoenix, Ariz.; Jacksonville, Fla.; Isle Royale, Mich.; Los Angeles, Calif.; and Boise, Idaho.

In Illinois, the ragweed pollen index runs from 63 at Grayslake to 116 at Peoria. Chicago has an index count of 65. In Indiana the index varies from 64 at East Chicago to 135 at Evansville.

When taking that hay fever holiday, the Motor Club warns that sufferers tire easily while driving. To prevent accidents on long trips, a switch of drivers from time to time is recommended.

Glad. Show August 17-18

The Indiana Gladiolus Society will once more hold their annual glad. show at the Honeywell Memorial Center, Wabash, Indiana, on Saturday and Sunday, August 17 and 18. As has always been the custom the various classes in competition are open to any person who desires to compete whether or not that person is a member of the society. Schedules for the show may be obtained by writing to Prof. C. E. Hoxsie, Purdue University, West Lafayette, Indiana.

In the competitive classes there are divisions for amateurs only, commercial growers only and then there are some for all—amateur or commercial.

The Indiana Gladiolus Society defines an amateur as a person who grows for home decoration as a hobby. However, he may at times sell flowers and/or bulbs at retail only; but does not advertise or prepare printed lists, either retail or wholesale.

When the show was postponed from the 3rd and 4th to the present date it was also deemed best to postpone the annual banquet date. As a consequence this delightful part of the yearly gathering will be held on Saturday evening, August 17th at 6:30 p. m. All reservations must be in by Thursday noon, August 15th. To be sure to be included write for your reservation to Mr. Phillip Kotek, Kundred Gladiolus Farms, Goshen, Indiana at once.

Remember, this is the leading gladiolus show of the midwest and it will be even a greater and better show if you and all your friends participate either as exhibitor or visitor. The show is sponsored by the Wabash Glad-

**NOTICE OF EXECUTRIX'S
SALE OF REAL ESTATE**

Notice is hereby given that Sharlene Chloe Boice, as executrix of the estate of Luella Latham, deceased, by authority of the Kosciusko Circuit Court in Estate No. 7542, will offer at private sale all the right, title and interest of the above named decedent to the following described real estate located in Kosciusko County, State of Indiana, to-wit:

Lots Numbered 275 and 276 in Tucker, Myers, and Hack-edorn's Addition to the Town of Mentone,

on the 20th day of August, 1956, and from day to day thereafter until sold, at the law office of James E. Rodibaugh, in Mentone, Indiana.

Said sale shall be subject to the approval of said Kosciusko Circuit Court, and subject to the taxes for the year 1958, payable in the year 1959.

Said real estate will be sold to the highest and best bidder for not less than the appraised value thereof and on the following terms and conditions, to-wit: at least 40% of the purchase price cash in hand; the balance due not to exceed one year from date of sale; deferred payments to be evidenced by the note of purchaser bearing 6% interest from date of sale, without relief from valuation and appraisal laws and providing attorneys fees, and on confirmation to be secured by a mortgage on the real estate sold.

SHARLENE CHLOE BOICE,
Executrix of the Estate of
Luella Latham, deceased.

**NOTICE TO TAXPAYERS OF
ADDITIONAL APPROPRIATIONS**

Notice is hereby given the taxpayers of Seward Township, Kosciusko County, Indiana, that the proper legal officers of said municipality at their regular meeting place, on the 27th day of August, 1957, will consider the following additional appropriations which said officers consider necessary to meet the extraordinary emergency existing at this time.

Township Fund

No. 1—Salary \$120.00
No. 8—Fire Protection \$150.00

Tuition Fund

No. 28—Pay of teachers 1200.00

Taxpayers appearing at such meeting shall have a right to be heard thereon. The additional appropriation as finally made will be automatically referred to the State Board of Tax Commissioners, which Board will hold a further hearing within fifteen days at the County Auditor's office of Kosciusko County, Indiana, or at such other place as may be designated. At such hearing taxpayers objecting to any of such additional appropriations may be heard and interested taxpayers may inquire of the County Auditor when and where such hearing will be held.

FORREST W. HIGGINS,
Trustee of Seward Township

**Plow Matches
August 27th**

The annual state plow matches will be held Tuesday, August 27, at the Jay and Ward Chapman farm in Adams County, R. O. Cole, extension soil conservationist at Purdue University, has announced.

The Chapman farm is four miles east of Decatur on road 224 and one mile south on road 101.

Cole said the event will be divided into contour and level land plowing matches. The contour contest will begin at 10 a. m. and the level land match at 1:30 p. m.

Two farmers from each of the state's eight soil conservation areas are eligible to enter each contest. District and area eliminations are now being held to determine contestants.

Tile and surface drainage demonstrations are planned and a waterway will be constructed and seeded as added attractions.

GIVEN LIPT

Thursday of last week a transient family of seven was seen walking along the highway near Mentone, when a couple of local business people came to the rescue. They were transported to their home at Wheatland in Knox county.

The father stated a nephew had wrecked his auto and also that he had been unsuccessful in securing work in this county.

DICK TOMBAUGH GIVEN SCOUTING HONOR AWARD

Dick Tombaugh, son of Mr. and Mrs. Wayne Tombaugh, who has been working as a director at the Pioneer Trails Scout Camp on Gordy Lake, was given the Vigil Honor of the Order of the Arrow at special services held there Saturday night. The award is based upon a record of community service and fellowship with others in Scouting Activities.

CAMP MEETING CONTINUES

The state Church of God camp meeting continues each afternoon and evening at the camp ground at the west end of Yellow Creek Lake. The ten-day program will end with the 2:30 service Friday afternoon.

The Kenneth Romine family spent a couple of days last week swimming and playing in the sand along Lake Michigan at South Haven, Michigan.

Mr. and Mrs. Joseph A. Baker and daughter spent last week at Long Lake, near Three Rivers Michigan. Joe said the fishing was very productive. Mr. and Mrs. Arlo Friesner are spending this week at the same place.

Mr. and Mrs. Wayne Bowser and family are spending a few days this week with the Tom Harman family on Burt lake, near Indian River, Michigan.

**14 Feeder
Sales Set**

Ten feeder calf and four feeder pig auctions have been scheduled in Southern Indiana this fall, Russell Brower, Purdue University extension animal husbandman, has announced.

More than 6000 feeder pigs and between 7000 and 8000 feeder cattle will be sold.

Dates and sites of the calf sales:

Sept. 12 and Oct. 10, Linton; Sept. 17, Greensburg; Sept. 20, Evansville; Sept. 24, Oct. 1, Oct. 8, and Oct. 15, Springville, and Sept. 27 and Oct. 18, Vincennes.

Feeder pig auctions are set for Sept. 19 and Oct. 17 at Springville; Oct. 15 at Linton and Oct. 22 at Osgood.

Brower said "feeder auctions are the most efficient method for getting feeders from the area of production to the feed lots." More than 350 calves were sold at the first auction near Springville in 1951 and interest has been increasing since that time.

**Broiler Day
September 18th**

The annual Indiana State Broiler Day will be held Wednesday, September 18, at Purdue University.

J. Holmes Martin, head of Purdue's poultry department, said broiler raisers and others interested in the rapidly growing and changing industry, are invited.

Charles K. Laurent, formerly head of the poultry department at the University of Georgia, will be one of the principal speakers. He will discuss effects of vertical

integration on Georgia broiler raisers.

A panel discussion of factors affecting the dressed yield of poultry and presentation of the latest findings in disease control also will be featured.

The meeting, which will start at 10 a. m. will be held in the Purdue Memorial Union building.

Mentone Boys League

Steve Shirey's homer with one out gave the Cubs a 6-5 extra-inning victory over the Cards. Jim Whetstone, victim of Shirey's blast suffered his 6th loss, he's won five.

In the first game of the evening the Tigers won from the Sox who had to forfeit because they were short several players.

Tuesday night the Tigers defeated the Cubs 2-0 as Larry Beson allowed just 2 hits. He walked one and hit one batter, his record is now 5-1.

Jon Smith pitched for the Cubs and allowed just one hit, however he walked seven batters. His record is 6-3.

The Sox scored 3 runs in the third inning of the second game to defeat the Cards 3-1.

Next Monday night at 7:00 the League is planning a party for all major and minor league players and their parents. There will be plenty to eat and the trophies will be presented.

The party will be held in the gym if it rains.

Brother-in-law Dies

Mr. Earl Davis of Morley, Mich. died Sunday morning of a heart attack. Mr. Davis is a brother-in-law of LeRoy Cox of Mentone and Omar Cox of Rochester. Funeral services will be held at 10:00 o'clock Wednesday morning at the White funeral home at Elkhart, Indiana with burial in Grace Lawn Cemetery of Elkhart. His wife is the former Elsie Cox who was formerly of Fulton Co. and Elkhart.

VISITS RELATIVES

Bert Holloway was pleasantly surprised by the visit of his second cousin, Ernest Warren, of Flora, Indiana, last Wednesday. They had never met before.

They then visited Mr. Warren's uncle, Ora Warren of R. R. 5, Warsaw, and his aunt, Mrs. Hattie Davis of Burket, both of whom had not seen their nephew for over 37 years ago when Ernest was 5 years old. They all enjoyed getting acquainted after these many years.

Local News

Mr. and Mrs. Marvin Smith of Portland, Oregon, are visiting Mrs. Smith's uncle and aunt, Mr. and Mrs. Clarence Brown. They are also visiting Mrs. Smith's father, Fred Eherenman and brother, Cloice and family of Warsaw, and other relatives.

Mrs. Charles Cooper of Tippecanoe is home and doing nicely. Mrs. Robert Smith and Sara Jo, are spending a few days with her.

Mr. and Mrs. Miles Morrison and Mr. and Mrs. Abe Whetstone spent Sunday at Wapakoneta, Ohio, where they attended the Whetstone Reunion. It was held at the Mr. and Mrs. C. C. Craig

cottage at Indian Lake.

Word has been received that Robert Boggs is improving nicely, following surgery. His room number is 3-368, Mayo hospital, Rochester, Minn.

Mrs. Minnie Anderson of Indianapolis, is visiting at the home of Mrs. Earl Meredith, and other relatives and friends this week.

Mr. and Mrs. John Laird and Mrs. Earl Meredith and Mrs. Tessie Newton and Mrs. Minnie Anderson visited on Wednesday

with Mr. and Mrs. Claud Barkman.

Mrs. Earl Meredith, Mrs. Claud Barkman and Mrs. Francis Carter attended the funeral of Mr. Henry Blesch of Akron on Tuesday.

Mrs. Clarence Brown is improving after falling and injuring her leg.

Mr. and Mrs. Oliver Grove of Rochester and Mrs. Irvin Nelson visited their aunt, Mrs. R. E. Riner Monday.

Seed Wheat Warning

Quality and yield of the 1957 Indiana wheat crop suffered as a result of widespread disease infestation, according to Purdue University plant pathologists.

To prevent an outbreak next

year farmers should make certain that seed they sow this fall is certified free of loose smut and has been treated for scab and other diseases.

Weather conditions were favorable for smut infections at flowering time. The pathologists say "chemical seed treatment will not control loose smut. The only practical control is to sow Indiana certified seed which must have been harvested from fields which has less than one percent smutted heads."

Scab was widespread throughout the state because of the wet weather and some seed wheat may be loaded with scab infection. In view of this, seed treatment with approved chemicals is recommended.

Septoria leaf blotch caused severe leaf damage to the 1957 wheat crop. Seed treatments is a safe precaution for seed from fields infected with septoria leaf blotch.

Stinking smut was prevalent in some areas. The pathologists recommend the use of Ceresan M or Panogen in treating seed wheat.

Ceresan M is sold as a dust and may be applied as a dust or a slurry. It should be used at the rate of one-half ounce per bushel of seed. Panogen, a liquid material, should be applied at the rate of three-fourths fluid ounce per bushel.

Three mimeos—BP 5-2, "Loose Smut of Wheat," BP 5-5, "Scab of Wheat and Barley," and BP 5-7, "Chemical Seed Treatment of Small Grains"—are available free to Indiana farmers. They may be obtained from county ag-

ricultural agents or the office of agricultural publications at Purdue.

Mrs. Pearl Mahoney of Tippecanoe, Mrs. Lillian Harrison and Mrs. Velma Shaffer visited with Mr. and Mrs. Edgar Templin at Leesburg Sunday afternoon.

Mr. and Mrs. Delois White and daughter of Kokomo were weekend guests of Mr. and Mrs. Clarence Leininger.

Dr. and Mrs. David Van Meter and daughters of Wakarusa were Friday evening guests of Dr. and Mrs. O. L. McFadden and daughters.

Dates For Mentone Egg Show Drawing Near

The 18th Annual Mentone Egg Show and Exhibition is scheduled for Thursday, September 19th, and Friday, September 20th, in the High School Gymnasium at Mentone. This is an all industry educational program representing commercial egg production interests of Kosciusko, Wabash, Fulton, Marshall, and adjoining counties.

Ten to fifteen thousand thirty-dozen cases of eggs per week move from this high quality production area to the metropolitan markets in Indiana, Ohio, Michigan, and to such eastern markets as Philadelphia, New York, and other points.

Gordon D. Rapp, Warsaw, is General Chairman assisted by Freeman Gruenewald and backed up by Everett Beeson as Secretary-Treasurer. In addition to this, there are nine committee chairmen assisted by their committees to carry on the program, reception, displays, finance, publicity, tickets, egg show, banquet, and many other phases of the program.

One of the highlights of every year has been the selection of an egg queen. Representative eligible girls as candidates are selected from Rochester, Akron, Mentone, Beaver Dam, Silver Lake, Claypool, North Manchester, and other points in the commercial egg production area. The selected queen has often reigned as a queen of the Hoosier poultry industry for various occasions.

Selection of the queen will be held on Thursday evening and the crowning on Friday evening during the banquet.

An outstanding educational and entertainment program has been lined up by the program committee headed by Harold Nelson. Beginning at 7:30 p. m. in the Mentone High School Gymnasium:

1. Winning 4-H Demonstration on Poultry Products.
 2. Selection of Queen
 3. Professor Skip Cassel, Whitmoyer Laboratories, Inc., Meyerstown, Pennsylvania "Management of Poultry" educational and illustrative type of presentation
 4. Entertainment will be furnished by the Elmer Hinkle Show
- On Friday evening, September 20th, the Annual Banquet will feature Hoosier barbecued chicken with over four hundred people being served. Toastmaster

for the banquet is Ted Harp of Sidney. Crowning of the queen will be performed by Robert L. Hogue, Executive Secretary of the Indiana State Poultry Association. Professor Skip Cassel again appears with an informative discussion on egg production. Dr. Stanley V. Mitchell of Chicago, President of the Institute of Hypnotism, will give an interesting talk and demonstration on how hypnotism is used in modern day industry and science.

The Mentone Egg Show has many different classes for displaying of top quality eggs. Ten different divisions are set-up covering from the grade school through the commercial production flocks. Each group has the opportunity to compete within their own classification according to size and age of participants. Many cash awards, trophies, and gifts are presented to the winners of the various classes.

Another education highlight of the Mentone Egg Show has been the sponsoring of demonstrations pertaining to the poultry industry. This is open to any boy or girl between the ages of twelve and eighteen.

Change In Proprietors

Effective the first of the month Mr. and Mrs. Lyman Mollenhour will be the new proprietors at the DeLuxe Cleaners at Mentone.

(The business is now closed for the annual vacation and will be opened again Sept. 3.)

Mr. Mollenhour is thoroughly familiar with the cleaning business as he started with Mr. and Mrs. Blue when they opened the establishment in 1946. Mrs. Mollenhour has been working in the plant the past several months, familiarizing herself with her new responsibilities.

Mr. and Mrs. Phillip Blue, who started the cleaning establishment, have a similar business in Warsaw and a week ago Saturday they completed moving their household and personal belongings to the relatively new home they purchased from Mr. and Mrs. Keever. The home is along Winona Lake.

Mr. and Mrs. Mollenhour are now moving into the apartments above the cleaning plant.

Earl Sanner Dies

Earl Sanner, 72, of Argos, died at 11 p. m. Wednesday of last week at the Beatty Memorial hospital in Westville. He had been ill three years.

Mr. Sanner was born November 13, 1884, in Tippecanoe to Emipurtis and Sarah Graham Sanner. He spent all his life in Tippecanoe until 1940, when he moved to Argos.

He was first married on July 21, 1906, to Glendolen Dipert, who preceded him in death on September 26, 1937. He was married again on March 3, 1940, to Ella Berry, who survives. He was a retired farmer and laborer.

Survivors besides the wife include four daughters, Mrs. Vera Richter, Mishawaka; Mrs. Helen Coplen, Talma; Mrs. Eileen Abel, Elkhart, and Mrs. Marjorie LeWallen, Tippecanoe; three sons, Harold K. Sanner, Chicago; Chas. L. and Robert B. Sanner, both of South Bend; a sister Mrs. Ethel Jackson, Elkhart, 10 grandchildren and five great-grandchildren.

Funeral services were held at 2 p. m. Sunday with the Rev. Robert Whitehead of the Argos Christian church officiating. Burial was in the Tippecanoe cemetery.

New Arrivals

BLACKBURN

Mr. and Mrs. Bill Blackburn are the parents of a seven pound five ounce son, Michael Lynn, born Saturday, August 17 at the Elkhart General Hospital. The grandparents are: Mr. and Mrs. Don Weirick of Bourbon, Indiana and Mr. and Mrs. William Blackburn of Mentone, Indiana.

CARNEY

A six pound four ounce daughter, Karen Kay, has been born to Mr. and Mrs. Phillip Carney at the Murphy Medical Center at Warsaw.

Mr. and Mrs. Wendell Bryant and children have rented the property owned by Mrs. Ray Rush. She will move into the Kenneth Shoemaker property, which she recently purchased and presently occupied by Mr. and Mrs. Don Rush. Mr. and Mrs. Dennis Anderson will move into the Lemler apartment now occupied by the Bryants.

Mr. and Mrs. Ellis Hill and Mr. and Mrs. Fred Lemler left Tuesday on a ten-day trip to eastern Montana to visit relatives.

Buried Tuesday

Ethel Leech, 62, who died Saturday following an illness of four weeks, was buried at Mentone Tuesday afternoon. Funeral services were held at the Reed funeral home at two o'clock in the afternoon with Rev. Milton Persons officiating.

Mrs. Leech was a librarian at Monticello.

The deceased was born at Silver Lake, the daughter of James and Della Gill.

Survivors include one son, John Leech of Indianapolis; three grandchildren; one sister, Mrs. Helen Hoffer, Milford, and a step-mother, Mrs. Emma Gill of Mentone.

TO VISIT IN FRANCE

Roger Lyke, an employee at the Creighton Bros. Hatchery the past several years, will leave September 1 for a month's visit in his native land—France. Roger, a member of the Mentone Flying Club and an enthusiastic flyer, naturally is making the trip by air.

FIREMENT ELECT

Cary Landis, a member of the Mentone Fire Department, has been elected as president of the Kosciusko County Firemen's Association.

Guy Baker, Burket, was named vice president; E. F. Rydquist, Warsaw, secretary, and Art Wise, Burket, treasurer.

Don Peterson is home on a furlough from his navy duties. He leaves again for Norfolk, Va., Sunday.

MARRIED

Max Allen Blackburn, 19, and Betty Lou Mellott, 19, of Route 2 Bourbon, were married in a ceremony performed at the Summit Chapel church Saturday evening.

WAGNER

Mr. and Mrs. Kenneth Wagner are the parents of a five pound three ounce daughter, Jaclyn Louise, born at 11:30, August 19, at the Memorial hospital in So. Bend.

Mrs. James Scott of Palestine is the grandmother and Mr. and Mrs. E. E. Wagner of Mentone are great-grandparents.

The infant died Wednesday morning, because of a breathing difficulty and graveside services will be held at the Oakwood cemetery, Warsaw, Thursday afternoon.

New Telephone Labor Contract

Agreement was reached late Saturday night between General Telephone Company of Indiana, Inc. and CWA which represents some 1000 telephone workers in the northern and central portions of this state.

The new contract was agreed to by company and union officials shortly before the old agreement expired at 12:00 p. m. August 17, 1957.

The agreement is now subject to ratification by union membership. Company employees covered by the new agreement will receive a general wage increase in all classifications, as well as certain other adjustments in the working rule.

FATHER DIES SUDDENLY

Everett Goshert, 78, of Warsaw, died suddenly Tuesday afternoon of a heart attack as he was performing his duties as a driver of a horse and buggy that hauled tourists around Winona Lake.

Survivors include two sons, R. O. Goshert of Warsaw (former athletic coach at Mentone) and James of route 1 Mentone; six grandchildren, and five great-grandchildren. Funeral services will be held at the EUB church at two o'clock Thursday afternoon.

SERIOUSLY INJURED

Elmer Warren, 77, of Burket, was seriously injured in an auto accident at the junction of State Roads 14 and 13, south of Sidney Tuesday afternoon. He was riding in an auto being driven by David Bruner, 77, of Burket, who allegedly drove through a stop sign into the path of another auto.

Warren is in the Murphy Medical Center at Warsaw.

Mrs. Marion Smith returned home Wednesday from Woodlawn hospital where she had been undergoing tests.

HOME FROM HOSPITAL

Mr. and Mrs. Robert Boggs, of east of Mentone, arrived home from Rochester, Minnesota this afternoon. Mr. Boggs underwent an operation for the removal of his spleen on August 9th, and is recovering rapidly.

Mrs. Riley Shoemaker is slowly improving in the hospital after recently undergoing surgery.

Holds Basketball Camp

Upland, Indiana—The Junior Basketball Camp, held on Taylor University campus, got off to a flying start this week with a varied program presented by coaches and guest speakers. Highlighting this week was a Wednesday meeting with Elmer McCall, coach of the South Bend Central state championship team. Coach McCall gave an energetic exhibition of how they teach basketball at the school of the state champs.

Coach Woody Weir of the highly rated Marion Giants, found a very enthusiastic response with his demonstration on defense. The boys cheered long and loud when Coach Weir left the floor.

Coach Marion Crawley, one of the co-directors of the camp, and winner of three state championships at Lafayette, has consistently pointed out to the boys the necessity of proper attitudes and mental conditioning if they want to become outstanding high school players.

John Sipos, visiting New York City coach, has held the boys' interest with the teaching techniques used in the eastern high schools.

The other co-director of the camp, Coach Don Odle of Taylor University, has directed a series

of tests and given talks on how to be good winners and how to be good losers.

Bill Fisher, Taylor's new freshman coach, who is a gymnast expert, gave an exhibition on the trampoline, parallel bars, weight lifting. The junior campers were also entertained by his two year old son, who performed some unbelievable stunts.

The citizenship hour this week featured such men as Professor Paul Barkman, a psychologist; Sergeant Paul Daugherty, from the Indiana State Police, Dr. Paul Wood, of Taylor University's philosophy and religion department; Allen Weir, Muncie attorney and former F. B. I. agent; and Dr. Evan Bergwall, president of Taylor.

A banquet will be held at 5:00 o'clock Saturday evening, honoring the campers who have distinguished themselves in various phases of the week's program. This will be followed by an exhibition by all of the basketball enthusiasts at 6:30 in the Maytag Gymnasium.

Next week's basketball school will begin Sunday night with 75 new boys enrolled for another week of activities.

Mothers Of W. W. II Meet

Mothers of World War Two met with Mrs. Ellen Stanford, in the Dining Room of Pete's Restaurant Monday evening, August 12. The meeting was opened by presenting of the flag by Myrtle Davis as Sergeant-at-Arms, in the absence of Elora Coplen, pledging allegiance, singing one verse of America and prayer by the Chaplain, Bertha Meredith.

The president, Dora Norris then declared the meeting open for business. 13 members answered roll call; the Secretary's report was read and approved, and the Financial Secretary and Treasurer's reports were accepted as given. All bills were allowed. Communications were read and placed on file. A report of the District Picnic was given by various ones who had attended. Cards were signed and sent to the sick. Next September 9th the meeting will be a school party at the home of Mary Barkman. Closed with the usual closing ceremony. The hostess assisted by Edith Young served lovely refreshments. A contest was held during the social hour by the social committee. Prizes went to Dora Norris; Belle Morrison, Sadie Ellsworth and Lavera Horn.

Whetstone Reunion

Sunday, August 18, 1957, the 9th reunion of the Whetstone families occurred at the home of Mr. and Mrs. Abe Whetstone. At an early hour guests began gathering where much visiting took place until the dinner was called, to which all seemed to do their part. This being's Abe's 96th birthday he received many well wishes for a happy birthday. He was presented with a lovely birthday cake by Ford Johnson of Warsaw, and the group sang Happy Birthday. In the afternoon a short business session was held with Dora Whetstone being elected president, and Mary Huffman, secretary and treasurer. The next reunion will be held at the same place. We then enjoyed songs and recitation by DeVerl Whetstone's children and violin music by Ben Blue. After much more visiting all departed for

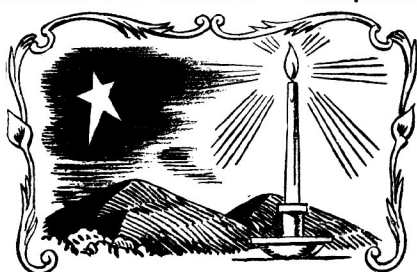

their homes hoping to be able to meet another year.

Here's a tip from rodent control specialists at Purdue University: When corn is removed from cribs, prepare two or three "out-of-the-way" places inside each crib where poisoned baits can be set on the floor for rats and mice. An easy method is to use boards 8-10 inches wide about 18 inches long, nailed in place at a slant to allow about 8 inches clearance on the floor where bait pans can be inserted from outside the crib.

Olson - Rush

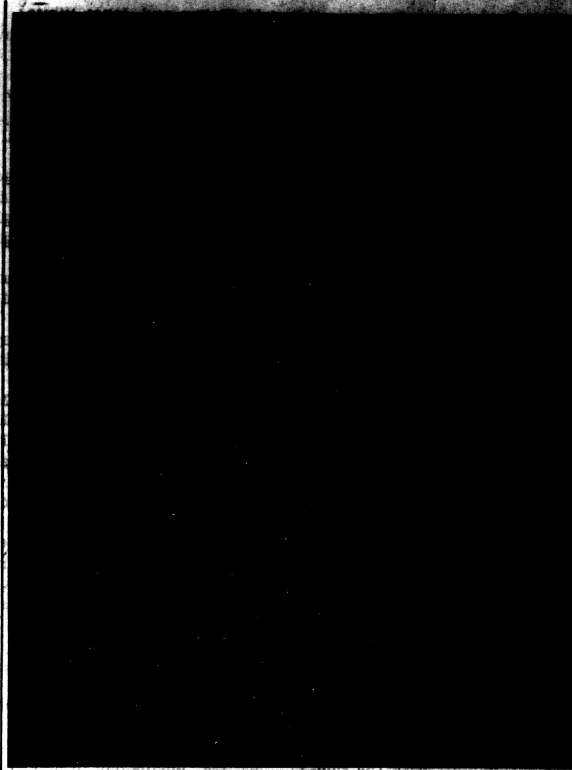

Miss Rita Olson and Donald Rush were united in marriage in a ceremony held recently in the Mentone Methodist Church.

The bride's parents are Mr. and Mrs. Herman E. Olson of Mentone and Mr. Rush is the son of Mrs. Bernice Rush of Mentone.

The ceremony was performed by Rev. David P. Gosser of Ligonier, and Rev. Milton G. Persons, before an altar decorated with baskets of white gladiolus, palms and candelabra. Mrs. Philip Parker of Akron presented an organ prelude which included "Meditation," "Calm as the Night," "Traumerie," "Ave Maria" and "Romance." During the ceremony David Gosser of Chicago sang "O Perfect Love" and "The Lord's Prayer."

The bride, given in marriage by her father, wore a gown of white lace over silk taffeta, styled with a fitted bodice, long sleeves, which tapered to points over the wrists, and a rounded neckline. The skirt featured a center front panel of pleated tulle. Her finger tip length veil of silk illusion was caught to a small crown of seed pearls and rhinestones. She carried a cascade bouquet of white roses.

Miss Sarah Urschel of Mentone was maid of honor. Other attendants were Miss Judy Knudson of Newark, Illinois, and Miss Virginia Stewart of Wolcottville, Indiana. The girls wore identically styled gowns in shades of pale green silk taffeta. The bodices were fashioned with mock boleros of white lace and bows

matching the skirts. They all wore headbands of white lace and rhinestones with small veils and carried bouquets of white baby chrysanthemums.

Dennis Anderson of Elkhart served as best man and the 275 guests were seated by Albert Bohnstedt of Columbia City, Jon Cullum of Mentone, William Dit-

to of Warsaw and James Rhoades of Bremen.

A pale blue dress of imported Swiss voile was worn by the mother of the bride. Her accessories were white and she wore a white glabella corsage as did the mother of the bridegroom. Mrs. Rush's dress was of mauve fralle and she wore matching accessories.

Immediately following the ceremony a reception was held at the church. Mrs. F. B. Davison served as hostess. Mrs. Tony Hight held the guest book, and guests were served by Mrs. Miles Manwaring, Mrs. Richard Olson, Mrs. Larry Boggs, Miss Anne Nelson and Miss Janice Nelson.

Following a wedding trip to Southern Indiana, the couple is living in Mentone. Both are graduates of Mentone High school and Mrs. Rush attended Indiana University. This fall they both plan to attend Manchester College where Mr. Rush will be a senior. After September 1st they will be living at 601 North Mill St. in North Manchester.

Many Exhibits At State Fair

Visitors to the Indiana State Fair at Indianapolis August 28, to September 6 will get a look at some of the research work being done at Purdue University to aid producers and consumers of food products.

W. F. Graham, head of the short courses and exhibits department at Purdue, has announced that 23 different exhibits will be on display.

Fairgoers will be able to aid in a research project to develop bet-

ter tomato varieties. Visitors will "taste test" fruits from several varieties and record their preference.

The forestry and agricultural engineering departments will show a 40-foot nailed glued truss. Steps to follow in, healing gullies will be demonstrated by soil conservation specialists. Animal husbandmen will use various types of scales to show the advantages of weighing hogs and beef cattle often. Poultry specialists will encourage people to eat more turkey and show convenient cuts which have made turkey more popular in the past few years.

The new "weigh-a-day-a-month" plan and two other record keeping methods for dairymen will be discussed. Agronomists will show the importance of grassland on Hoosier farms. Dual wheat—resistant to Hessian fly—will be featured in an animated insect control exhibit.

Uses for corn residues will be demonstrated in the bio-chemistry exhibit. The farm safety display will place emphasis on correct television antenna installation.

Home gardeners and farmers interested in controlling one or a number of plant diseases can push a button and get the answer.

Psi Iota Xi Meets

Beta Epsilon Chapter of Psi Iota Xi met Tuesday evening at the home of Mrs. Curtis Riner for a Candle Light Pledge service for four new members. Mrs. Irish Anderson, conductress, led the new pledges to the ritual tables as Miss Barbara King sang the Sorority song, accompanied by Mrs. Paul Quinn. Mrs. Forrest Miner, president, read the pledge service and presented pins to the following: Mrs. Byron Doran, Mrs. Lee Arnsberger, Mrs. Richard Dickerhoff, and Mrs. Kent Riner.

The Real Answer

Irrespective of personal prejudices, patriotism or hereditary conclusions, satisfaction can be attained only when the real answer to a problem is found. A decision based on anything other than the true facts will only result in disaster and disappointment.

After having spent many years in a state where one could tell a friend he was mistaken without getting his teeth kicked in, it is rather difficult to comprehend why people here often believe you are unfriendly when you give advice or utter an opinion different than the view held by the hearer. What's unfriendly about a difference of opinion? Our nation is founded upon the principle that we have the right to disagree.

Disagreeing, however, is not merely to be disagreeable. Anything not based upon facts or in a spirit of love will be merely disagreeable, for if there is no desire to be helpful the spirit of that person cannot inspire anything commendable.

Recently a taxpayer and qualified elector in Franklin township attempted to get the opinion of other electors regarding school matters at Beaver Dam. To alleviate the possibility of people having their opinion influenced by personalities, he desired to remain anonymous, which was a decision of judgment and not fear.

The opinions expressed by the Franklin township people, so far, have indicated that a large percentage favor a close study of facts and possible changes.

I've been a taxpayer in Franklin township for many years, and even though my children may not be involved, I am just as interested as the parent who still has children in school. That fact should have no influence upon the decision of school officials. If the day has come for some changes in our methods, procedures or facilities, then let's see that they are accomplished without further delay. At least, it is time for the grownups to act like grownups and carefully study the facts.

Auxiliary Ladies Enjoy Picnic

Members of Mentone Legion Auxiliary Unit 425 enjoyed a picnic supper August 13 at Hill Lake with Bernice Jones as hostess. During the business session, plans were made for initiation of officers to be held September 10, at 8:00 in Pete's Restaurant. A tentative date of Sept. 6 was set for practice for new officers. Emma Clutter showed the gifts she had selected for our orphan at the

Knightstown Home. Georgiana Teel suggested the Unit could provide greater community service if more hospital equipment could be made available. Ideas for securing more equipment were discussed.

Those present were Opal Pellans, Eula Smith, Mary Frances Hudson, Iris Dickerhoff, Norma Pulling, Phyllis Williamson, Maude Snyder, Ethel Wagner, LaVera Horn, Marilyn Baker,

Georgiana Teel, Emma Clutter, Leafy Hudson, and Mr. and Mrs. Mervin Jones.

Mr. and Mrs. Deverl Whetstone and family of Park Forest, Illinois, attended the Whetstone reunion held at Mr. and Mrs. Abe Whetstone's home. Miss Barbara Whetstone returned home with her parents after spending the summer with her aunt and uncle, Mr. and Mrs. Harry Cole.

The dress revue this year was sponsored by the Home Demonstration Club of Kosciusko County. The dress revue committee felt very happy that the clubs responded so well to this part of the 4-H program.

The committee in charge was Mrs. Herschel Albert, Chairman; Mrs. Chauncey Emmons, Mrs. Harold Gawthrop, Mrs. Gordon Tuttle, Mrs. Lloyd Weckler, Mrs. Noah Morrison, Mrs. Robert

Brown, Alice Duncan, Nancy Albert, Patricia Cox, Mary Gawthrop, Carol Emmons, and Judy Summers.

Honoring Two Employees

Two veteran employees of the General Telephone Company of Indiana will be honored for their many years of service at a luncheon Wednesday, August 21, at Coon's Flamingo Grill, North Manchester.

Guests of honor at the affair will be Mrs. Olive R. Frye of Bourbon, who has completed 35 years of service, and Miss Neva Pauline Masters of North Manchester, a veteran of 30 years with the company.

L. H. Meyer, president, will come from the company's headquarters in Fort Wayne to present each with a diamond-studded service emblem in recognition

of her many years of service.

Mrs. Frye, who is a cashier at the Bourbon exchange, began her telephone career, as an operator in Hobart in 1923. She later served as chief operator in Hobart, Goshen, Valparaiso, Walton, Bourbon and Mentone. She has held her present position in Bourbon since 1955.

A member of the Bourbon Monday club and the Elaine Rebekah Lodge in Hobart, Mrs. Frye resides at 307½ S. Main St., of Bourbon.

Miss Masters, cashier at the N. Manchester exchange, has been associated with the telephone industry since 1927. She joined

the company as a bookkeeper in North Manchester and later held the same position in Lafayette. She has served as cashier in N. Manchester since 1949.

Other staff members who will attend the luncheon are Robert R. Miller, general commercial manager; H. G. Counaman, personnel director; C. B. Hansen, division manager; N. E. Watson, district commercial manager, and

Don Berndt, editor of the General News.

Mrs. Raymond Busenberg and children have moved their trailer home on to the lot in the south part of town recently purchased from Chet Smith. Mr. and Mrs. Kent Smith and daughter have moved their trailer home from this location to a lot which they bought in the north part of the town.

Rodibaughs To
Leave Mentone

Officials of the First National Bank of Goshen, last week announced that James E. Rodibaugh will begin his duties as trust officer November first. This fact has been known at Mentone for many weeks, but out of courtesy to the Goshen firm, announcement here was withheld until their public announcement was made.

Mr. and Mrs. Rodibaugh came to Mentone in November, 1949, where Mr. Rodibaugh opened an office for the practice of law. A part of that time he maintained a part-time office in Warsaw and for 14 months was employed in the Farmers State Bank here.

Mr. Rodibaugh will close his Mentone office September 1 and will spend two months in the trust department of the First National Bank, Indianapolis. He will be in Mentone on week ends during that time, as Mrs. Rodibaugh will remain in Mentone until about Nov. 1 when they will occupy the new home they have purchased in Goshen.

Mr. and Mrs. Rodibaugh have formed a wide circle of friends while in Mentone, and both have been active in civic affairs. Their many friends will wish them success in their new location.

Little League
Ends Season

The end of the season for the Little Leaguers came Monday night, Aug. 19th when the 80 boys, their parents and friends gathered at the ball diamond for a picnic supper.

Following the supper Mr. Dale Kelley spoke to the boys about "Sportsmanship," and the individual awards to the boys on the winning team were presented. The Tigers, sponsored by Dr. Dan Urschel, won the most games for the season.

The officials of the league wish to thank the various businesses and individuals that helped to make the league season a successful one.

The following four major teams were in the Little League:

Sox—Billy Kindig, Garry Harvey, Bill Nellans, David Teel, Owen Tracey, Russell Adams, Barry Peterson, Larry Gates, Sonny Nellans, Melvin Cooper, Larry Sullivan, and Steve Mel-lott.

Musical Show
September 19th

The Elmer Hinkle Show is scheduled to appear at the Mentone Egg Show on Thursday evening, September 19.

The services of this unique entertaining organization are in popular demand throughout the mid-west. They present variety entertainment intermingled with classical — semi-classical — and popular music. Each member of the all star cast has won many honors in the entertainment field and when their talents are combined they present a well blended performance.

The show is under the direction of Elmer Hinkle, veteran showman, radio and television personality, who is known for his fine sense of humor. Many entertaining critics have labeled the Elmer Hinkle Show "The Show of the Year."

Elmer E. Warren
Buried Wed.

Funeral services were conducted Wednesday afternoon, at the Johns Funeral home for Elmer E. Warren, 76, of Burket. Rev. E. O. McSherry, pastor of the Burket Evangelical United Brethren Church was in charge of the final rites. Burial was in the Palestine cemetery.

Mr. Warren was fatally injured in an automobile accident at the intersection of state roads 13 and 14 on Tuesday, August 20. He was riding in a car driven by David Bruner of Burket. The Bruner car collided first with a car driven by Jerry L. Malon, of Sidney, and then with a 2-ton truck operated by Walter Jantz of Silver Lake.

Elmer E. Warren was born at Burket September 5, 1881 to William Harrison and Antoinette (Drusbaugh) Warren. He had never married.

Survivors are three brothers, George and Jesse, of Burket, and Charles of Elkhart; two sisters, Mrs. Jannie Warren and Mrs. Ella Smith of Burket and a number of nieces and nephews.

E. M. Wagoner
Dies at Talma

Ellsworth M. Wagoner, 68, of Talma died Saturday morning at his home. He had been ill for two years. Mr. Wagoner was born Nov. 25, 1888 in Crestline, Ohio, the son of Milo and Etta Wagoner. He was married to Zella Vivian Essick at Rochester, Indiana, May 18, 1913.

A retired template for steel structures, Mr. Wagoner belonged to the Rochester Methodist Church and I. O. O. F. Lodge.

Survivors include his wife at home, one daughter, Mrs. Vivian Trout of Rochester; Three grandchildren, one great grand daughter, and two sisters, Mrs. Charles Beisel of Elkhart and Mrs. I. W. Martin of North Webster.

Funeral services were held at 2 p. m. at the Zimmerman Bros. funeral home with Dr. Claude Young officiating. Burial was in the I. O. O. F. Cemetery at Rochester.

Parents of Son

Mr. and Mrs. Jack Smalley of Kokomo are the parents of a son, Jon Mark.

Mr. and Mrs. Earl Smalley are the paternal grandparents.

Engaged to Wed

The engagement and approaching marriage of Miss Rebecca Bowser and Larry Stavedahl has been announced by Mrs. Hazel Guy, foster-mother. An October wedding is planned.

Miss Bowser is the daughter of Ed Bowser and has been reared in the Guy home. Mr. Stavedahl is the son of Mr. and Mrs. Charles Stavedahl of R. 5, Rochester. Both young people are graduates of the Talma High School with the class of 1956.

Let Not One Life Be Lost

With the reopening of schools, the Chicago Motor Club counsels parents to guide and train their youngsters in effective ways to guard against traffic accidents.

The club recommends that parents emphasize the following:

1. When getting off a bus, children should be sure to wait until the bus has cleared the intersection before crossing the street.
2. While crossing a street, stay within painted crosswalk lines.
3. Watch traffic signals.
4. Be alert for turning cars.
5. Obey signals and instructions of policemen, crossing guards and patrol boys.
6. Be calm when crossing a street. Walk, don't run.

And to all driver, we would suggest that they drive with extreme care anywhere where children may be. Each fall many youngsters start to school for the first time and haven't had the opportunity to really learn how to protect themselves.

Miss Barbara Unzicker of near Burket spent Sunday with Janice Davis. In the afternoon Larry Teel, Dan Davis, Janice Davis and Barbara Unzicker attended the Hi-C meeting for officers at Winona Lake.

Bell Aircraft Automatic System Lands Navy Jet Aboard Carrier

Pensacola, Fla.—For the first time in aviation history, a U. S. Navy fighter airplane has been landed aboard an aircraft carrier by a system combining radio and radar without the pilot touching the controls.

During the last several days, an F3D jet airplane has made repeated landings aboard the aircraft carrier Antietam operating in the Gulf of Mexico, a Navy announcement said.

The landing system has been developed by Bell Aircraft Corporation, of Buffalo, N. Y., under contract with the Navy's Bureau of Ships.

Previous to its actual use aboard the carrier, the system had landed various types of military and commercial aircraft more than 1,800 times during development and testing at the Niagara Falls, N. Y., airport and at military installations.

The Bell Aircraft system is a combination of radar and radio. It takes over from the pilot while the airplane still is some distance from touchdown on an airport runway or a carrier deck and brings the plane in for a safe landing.

Significant feature is that it has been developed for use even when normal flight operations are suspended because of dense fog or other unfavorable weather conditions.

The pilot need not see the airport or aircraft carrier before the landing is completed.

During the Antietam trials, radar locates the F3D and determines its altitude and location with relation to the carrier deck.

An electronic computer does the rest, sending the necessary

course directions to an automatic pilot which directs the airplane into the desired flight path.

When the Bell Aircraft system "locks on" to the airplane, the pilot immediately relinquishes control and rides the airplane into touchdown virtually as a passenger.

"If the carrier deck is not in the proper position for a safe landing, the system automatically gives the pilot a "wave-off" and the airplane is flown around the landing pattern for another attempt.

During tests at the Niagara Falls airport, the system landed a Navy pilot repeatedly during blinding snow squalls.

In addition to overall accuracy, the Antietam operations in the Gulf of Mexico are evaluating the system with relation to longitudinal and lateral dispersions of the landings.

The Navy requires that the automatic system land the airplane within a distance not exceeding a standard deviation of plus or minus 30 feet longitudinally and a maximum of plus or minus 25 feet laterally from a pre-established landing spot on the deck.

During 120 landings made on an airport runway, the system landed an airplane with an average longitudinal dispersion of less than 18 feet. Lateral disper-

sion was negligible.

Bell Aircraft engineers point out that the system has significant commercial as well as military application and would permit operations at commercial airports when weather conditions prevent pilots from making visual landings.

The testing program aboard the Antietam is being conducted by the Carrier Suitability Section of the Flight Test Division, Naval Air Test Center, Patuxent River, Md. There are about 30 engineers aboard representing various organizations including Bell.

Married By J.P.

On Saturday evening, August 24, 1957, Richard Sanders of R. 1, Elkhart, Indiana, and Nancy Ellder, of 2618 Warren Ave., Elkhart, Indiana, were united in marriage by Justice C. O. Eiler, at his home on West Harrison St.

IN MEMORY

In loving remembrance of Virginia Gail Goodman who passed away August 31, 1931.

Just to see your face, dear Virginia;

Just to kiss your loving brow. But you are gone from us to heaven,

And we have no Virginia now. Oh, the days, they are so lonely, And the nights seem very long, And the moments seem like ages Since you went to join God's throng.

Although my lips are singing, My heart is aching too.

And though I smile at others, I am thinking dear, of you. Though dear friends have soon forgotten you

Mother remembers yet; She will not forget her darling, Her loving heart cannot forget.

Still missed by her mother.

Jolly Janes Meet

Seventeen members of the Jolly Janes Home Demonstration Club met Monday evening, August 19, at the home of Mrs. Kenneth Shoemaker.

Two poems, "A Pinch of This and a Pinch of That" and "Grandma", were read for meditations by Mrs. Emma Clutter.

The lesson, "Good Grooming," was given by Mrs. John Ellsworth. Mrs. Ellsworth stressed that one must not only look clean but should smell clean. The first step toward cleanliness is the use of soap and water then follow up with a good deodorant. Posture, neatness, hand and hair care have an important place in "Good Grooming."

Mrs. Raymond Lewis, president, reported that the Club had won first prize at the County Fair for having the most entries and the most prizes won by the members. Mrs. "Hap" Utter was called Queen of the Kitchen for having received so many prizes for her entries in the culinary department.

The trip committee chairman, Mrs. Wayne Bowser, set the date September 30th, and the place, South Bend, for the Club trip. Details will be given at the next meeting.

Entertainment for the evening was a contest directed by Mrs. Richard Gross and Mrs. John Ellsworth.

Birthday gifts from Secret Pals were received by Mrs. Kenneth Romline, Mrs. Fred Rice and Mrs. Harold Markley. The door prize was won by Mrs. Emma Clutter.

Refreshments were served by the hostesses, Mrs. Kenneth Shoemaker and Mrs. Kenneth Romline.

The September meeting will be held at Pete's Restaurant with Mrs. Max Friesner and Mrs. Harold Markley as hostesses.

Soil District Objectives

The board of supervisors of the new Kosciusko County Soil Conservation District last week completed the purpose of program and work plan for the district. Objectives set forth are the attainment of fullest possible conservation of soil and water resources in order to promote the general health and welfare of the people and to preserve the natural resources for future generations.

The supervisors studies the major soil type areas within the district and found that drainage is needed in the heavier soils, tile systems are in need of repair and redesign, and that great opportunity exists for use of diversion ditches around small problem areas. Under present policies the district cannot provide assistance where the primary purpose of drainage is to bring additional land into agri-

cultural production.

The supervisors recommend that several ways be tried to combat erosion problems. They will encourage shaping and grading to control surface run off and put waste acres to their best use, using each acre of land within its capabilities, and studying the use of subsoiling on hillsides to improve internal drainage. Other methods to be encouraged are longer rotations, increased use of winter cover in row crops, sod waterways, diversion terraces, strip cropping, mulch tillage, and tree windbreaks.

For these interested in farm ponds the supervisors state they will supply technical assistance to design the ponds according to specifications of the soil conservation service and Purdue University, when complete farm plans are devised, attempts will be made to have all land farmed within its capabilities.

The supervisors have signed a memorandum with the federal soil conservation service asking for technical assistance. It is ex-

pected that the soil conservation service will place a technician in the district about October 15.

More Cows Fresh In Fall

The percentage of cows freshening during fall and early winter is increasing, according to a USDA report on studies made in Wisconsin, New York, and Michigan.

G. A. Williams, Purdue University extension dairyman, says fall freshening tends to increase yearly milk production and net income.

Williams points out four reasons for this:

As cows near the end of their lactation, the effects of high temperatures, poor pastures and insect pests are less serious than if a cow has just freshened.

Milk prices are usually highest during the fall and winter months. The combined results of higher prices and increased production tends to provide a higher income above feed cost.

Calves born during the fall and winter months usually receive better care than those born in the spring and thus make more rapid gains.

As production per cow increases more time and attention should be given each cow before and after freshening. Many first calf heifers, the progeny of artificial breeding, should be milked three times a day for the first 60-90 days after calving. A farmer usually has more time to do this in the fall and winter than in the spring and summer.

Williams says cows which are due to freshen during the next 60-90 days should be given a

dry period of at least six to eight weeks. The specialist recommends only a four to five pound daily grain allowance, plus plenty of good roughage, to avoid making the cow overfat at calving time. A longer dry period with less grain often reduces udder trouble at freshening, he says.

Clarence Leininger celebrated his birthday Sunday with his daughter and family, Mr. and Mrs. Deloise White as dinner guests. Afternoon callers were Mr. and Mrs. Elgie Vandermark and daughter, Mr. and Mrs. Lyle Vandermark, Mrs. Vandermark's sister, Mr. and Mrs. Vance Johns, Goldie Kesler, Mr. and Mrs. Delbert White and Mr. and Mrs. Earl Besson and family.

Fewer Chickens
In Indiana

Indiana farmers are raising 15,563,000 chickens, excluding commercial broilers, this year, agricultural statisticians at Purdue University assert.

The 1957 total is the smallest number for Indiana since records were started in 1924.

The present number is 23 percent fewer than the 20,212,000 raised in 1956 and 40 percent fewer than average.

The reduction may result in a decrease in the number of pullets to be housed for layers this fall as smaller flocks are being discontinued on many farms, the statisticians explain.

The total number of chickens in the United States is estimated at 394,305,000 or 18 percent fewer than last year and the lowest number on record.

SPECIAL ANNOUNCEMENT

ANNOUNCING THE NEW BANNER FOOD MARKETS —

We are proud to announce effective now, that we are now associated with this new group of Independent Merchants who are forming the Banner Markets.

As in the Past, we keep striving to keep up to date in every method of bringing you, the customer, the best quality merchandise, at the cheapest possible cost to you. Our main supplier, the Food Marketing Corporation, was consolidated a few months back, and now has become the largest Grocery Wholesaler in the State of Indiana. This being the case, it can buy in large quantities, at the lowest price possible. In return they can pass on to us these prices, and we, to you.

Under this plan we will have Group Advertising in both the Fort Wayne and South Bend papers, along with our own Local Paper Advertising. We will honor all prices found in the Banner Food Market Ads. Watch for them and use them in your weekly shopping.

We have appreciated your business in the past while a member of the Home Store System But now we most earnestly want to help you more under our new Banner Market System.

We want to grow—We will grow—and want you to grow with us.

Come join with us in our new Banner Food Market way.

GROWINGEST QUARTER CENTURY DEAD AHEAD

Life In The Amazing Eighties:
What Will It Be Like?

A report on America's "growingest quarter century"—the next 25 years— is contained in the June issue of Changing Times, the Kiplinger Magazine. Population growth will push our population to 250 millions from the present 170 million. Science, technology, medicine, new business methods, new markets and new communities will produce a nation of a 100 million job holders, twice as many college students as now, 130 million automobiles and a four-day work week.

Here are some additional forecasts by the Changing Times editors:

Jobs—In 1982 machines may do much of your work but not your thinking. A new breed of workers will develop and those who can truly be masters of the machines will be the ones who move ahead.

White-collar workers will be far more numerous than blue-collar. People who run things—managers and proprietors—will almost double in number. Stores, banks, real-estate firms, insurance companies, utilities and government will all step up their hiring to a greater degree than manufacturing industry. Pay will almost double today's levels, in today's dollars.

Inflation—The 1982's dollar will be worth much less than today's. Inflationary pressures will be high government spending, rising wage levels and constant need for capital.

In coping with inflation, choose the industries with the greatest promise of growth when you invest. You won't get rich quick, but your dollars will grow as the industries do.

Travel—It will be an even smaller world in 1982. No country or city will be more than 24 hours away. Travelers will ride in supersonic jet planes at speeds two or three times that of sound. Cruising speed will be 1,500 miles per hour. Commuters will go in airplanes that rise straight up, then go straight forward.

Cars may have fuel-injection motors which do not need carburetors. They will have 25% more horsepower than today's cars, and may even be without transmissions. Parts may be sealed, so you may never need a grease job.

Some trains may be atom-powered and built to go at two miles per minute. Others will rocket along on monorails.

Housing—A new kind of house is on the way. It will blend into the outdoors and bring nature inside, and it may be round instead of square. Color will be everywhere, and if you get tired of the color of an interior wall, you will replace the wall with one of another shade.

Push button windows will close automatically if it rains. A whiff of air will clean and dry the dishes in three minutes. Electrostatic dust gatherers will keep the house shiny. It's a hot summer, you'll use a blanket that keeps you cool. Your newspaper will be as colorful as a slick magazine.

Some clothing will be made of paper products and disposable after a couple of wearings. The refrigerator will have lost its importance, since most foods won't need refrigeration, but will be irradiated, chemically treated, or dehydrated.

Schools and colleges—For every student in public school and college today, there will be almost two students enrolled 25 years from now. The same ratio will apply to teachers. As many as three college professors for every one today will be needed.

A great deal of teaching will be done by TV and films. Schools will be open 12 months a year. Courses will be speeded up and technical training will be a must.

What will all this cost? At least 50 billion dollars a year for all the colleges and schools in the nation. That's 35 billion more than today. Government money will provide most of the needed cash.

Electronics—One third of all power produced will have its source in the atom.

New plastics, paint, textiles, metals, medicines, building materials and chemicals will result from experimentation with atomic processes. Nuclear ships, planes and trains will be in use by 1982. Offices and apartments may be heated by a low-pressure atomic reactor.

A new science of the sun will emerge. Energy gathered from sun rays will be used to power homes and factories, drive ships, provide fuel for remote corners of the earth.

Other electronic miracles will be specially adjusted phones that will enable you to get your party when you dial only one numeral or letter; typewriters that respond to the spoken word; machines that translate from one language to another.

Business—The total output of goods and services will be ap-

proaching one trillion dollars a year by 1982. Retailers will thrive. Their biggest lines will be appliances and recreational equipment. The sea will be exploited for materials and farmed for feed.

There won't be as many farmers but they will grow and reap more and work shorter hours. New machines, fertilizers and chemicals will help. Over-all, farm production will increase by a third.

If all this sounds too fantastic, the editors point out that the last 25 years have brought wonders you wouldn't have dreamed of in 1932. Among them, the splitting of the atom, commercial TV, regular transatlantic air service, discount houses, major league night baseball, Acrilan, Dacron, streptomycin, aureomycin, other wonder drugs, electronic calculators, jet airplanes and 100-acre shopping centers.

Time To
Renovate Lawns

The six-week period between August 15 and September 25 is the best time to renovate lawns damaged by diseases, plant pathologists at Purdue University have reported.

Here's the procedure the path-

ologists recommend in the lawn renovation:

Rake out all dead grass with a stiff garden rake. Mow the entire lawn close and rake thoroughly to remove crabgrass seed heads. Don't worry about excessive crabgrass... it'll die out in September anyhow.

Broadcast 10 pounds of 10-10-10, 12-12-12 or 14-14-14 fertilizer per 1000 square feet. Soak the fertilizer into the ground with a garden hose.

Reseed dead and weak areas 24 hours after applying fertilizer. Use one pound of Kentucky or Merion bluegrass per 1000 square feet. The easy way to do this is to mix one pound of grass seed with one bushel of good topsoil and broadcast by hand.

Don't cover the newly seeded areas deeper than one-eighth inch. Mulching with straw will prevent erosion and loss of grass seed.

Keep the lawn well sprinkled for 10 days after seeding.

The pathologists caution that Merion bluegrass is susceptible to stem rust. Merion should be purchased from a reliable seed company and the attached tag should show the percent of germination and year of origin.

Poultry specialists at Purdue University have advised farmers to "be on the alert for indications of blue comb disease in mature pullets. Have some muriate of potash ready to treat the birds promptly. One tablespoon-full per gallon of drinking water is the dosage." Terrimycin also has been used successfully at the rate of three grams for each 10 gallons of water, according to the specialists.

Leptospirosis vaccine will produce some immunity in cattle and swine, according to Purdue University veterinarians. Vaccination is recommended in herds of cattle with known infections. Gilts and sows on contaminated areas should be vaccinated before or shortly after breeding.

MISSIONARY TO SPEAK

Rev. E. Edwin LeMaster will be speaking during the 9:30 service of Divine Worship in the Mentone Methodist Church, Sunday,

Creightons Host To Hatcherymen

Hobart Creighton greeting Associate Hatchery guests at first annual CB Associate Hatchery meeting. Left to right: Roger Harris, The Kirby Hatcheries, Inc., Urbana, Ohio; Don Johnson, Johnson's Hatcheries, Inc., West Branch, Iowa; Hobart Creighton; Wallace Rich, Wallace Rich & Son, Hobart, New York.

The first annual meeting for associate hatcheries was held at Creighton Brothers Breeding and Research Farms, Warsaw, Indiana on August 2-3. The 40 hatcherymen from the United States and Canada enjoyed a program

covering latest Creighton research results.

A half day was spent touring the six Creighton farms around Warsaw. The hatcherymen witnessed the brooding of 35,000 parent stock chicks, a 15 cases per

hour egg grading machine, a series of flock management research projects, and strain cross birds in new experimental matings.

Speakers included Glen E. Munro, Sales Manager, who described the growing network of CB Associates. One such associate, Lee L. Loomis from Illinois described techniques he has found successful in selling chicks. Gordon D. Rapp, Geneticist, demonstrated methods for selecting for good interior quality and

shell strength, and explained that the test cross program had tripled in scope this year!

A banquet held near beautiful Center Lake in Warsaw, with Hobart Creighton discussing his travels "Around the World with Laying Hens," topped off the meeting.

Local News

Mr. and Mrs. Gene A. Merley and son Larry and daughter Janice have returned to their home in Lawson, Md., after visiting her parents, Mr. and Mrs. Fred Witchman of Greencastle, Indiana, and his uncle, Mr. and Mrs. M. D. Hire, Dayton, Ohio, and other friends and relatives. Gene will be remembered as the grandson of the former Mr. and Mrs. Harmon Hire of Mentone.

Mr. and Mrs. Alfred Nelson of near Pierceton, and their daughter Julia, made a trip to Charleston, S. C. last week. There they met Stanley Nelson, who was just being released from naval duty, and brought him home. Julia Nelson is bookkeeper and assistant treasurer at the Northern Indiana Cooperative Association.

Bruce Miller, son-in-law of Mrs. Chauncey Goodman, started his work at the Co-Op. Hardware Monday. He replaced Russell (Pete) Borton who resigned to go with Ed. Ward and the Northern Indiana Fence Co., of Tippecanoe.

Mr. and Mrs. Lyman Mollenhour and family and Mr. and Mrs. Dewey Whetstone are spending this week at Robert Lake, at Wabeno, Wisconsin.

Mr. and Mrs. C. E. Walburn and daughter have just returned from a two-weeks tour arranged by the Union Pacific railroad. Last Thursday, in eastern Colorado, they saw the results of a terrific hailstorm. All there was left of miles of corn was the stocks and a few stray ears. At places the hailstones were piled nearly a foot high.

Last Saturday Mrs. Myrtle White, Mrs. Eva Laird, Mrs. Bertha Smith, and Mrs. Bertha Meredith called on Mrs. Goldie Brown.

CARS COLLIDE SATURDAY

Autos driven by Wm. Walters of Mentone and Joe Sherman of Monticello came together at the juncture of Highways 19 and 25 soon after noon Saturday. No one was injured, but considerable damage resulted to the autos. Mr. Walters, coming from the south on 19, hit the right front of a 1957 DeSoto coming from the west. The only other person involved was John Solomon, also of Monticello. The two boys were on their way to a Presbyterian church camp at Warsaw when the accident took place. Rain at the time made driving difficult.

TO THE TAXPAYERS OF FRANKLIN TOWNSHIP:

We take this opportunity to thank each of you for your reply to the ballot concerning the High School at Beaver Dam. In putting this in the paper we had no intention of being antagonistic. We feel that a program such as suggested would be beneficial to all, in that our high school students would have a wider choice of subjects in preparation for life in this specialized world.

We find no fault with your school, your officials, your faculty or your school program. We only hoped to help promote a program in which a school could offer a better curriculum for our young people with less expense for the taxpayers. We found that 75% of those who responded are in favor of such an issue.

We want you to know that we have enjoyed living in Franklin township and appreciate the people here. May we remain friends.
