## MRS. BUSENBURG BURIED TUESDAY

Funeral services for Mrs. Amanda Jane Busenburg, 82, long-time resident of this vicinity, were held at the Reed funeral home Tuesday afternoon at two o'clock, with interment in the Sycamore cemetery. Mrs. Busenburg passed away Saturday evening at 9:45 o'clock at the home of her daughter-in-law, Marie Barkman, at Plymouth, of complications due to her advanced age.

The deceased was born Jan. 14, 1859, in Rush county, Indiana, the daughter of George and Tirzah Bailey and was united in marriage to Peter Busenburg in 1883. He preceded her in death. She had resided most of her life in and near Mentone and was a member of the First Church of Christ, Scientist. Paul Swearingen, of Plymouth, read the last rites.

Surviving are three grandchildren, Mrs. Beulah LaCosse, South Bend; Mrs. Rosella Doran, Plymouth, and Mrs. Julia Ann Link, Dowagiac, Mich.; one great-grandson, Fred LaCosse, and a number of nieces and nephews. Her only child, Fred, died in 1933.

## PARENTS OF TWIN BOYS

Announcements have been received of the birth of twin sons, Richard Lewis and Douglas Owen, to Mr. and Mrs. Robert D. Blue, of Midland, Michigan.

Mr. and Mrs. Chancey Mollenhour and Mrs. Eileen Fenstermaker and daughter went to Chicago Friday where they visited friends. Saturday Mr. Mollenhour visited the fat stock show at the International Livestock Exposition. (After seeing how many cattle there were there "Chance" figures the cheese-box business will be good.)

## SCHOOL NEWS

The eighth grade president called a class meeting Thursday morning at 8:25 in room 11. They met to draw names for their Christmas party they are going to have Dec. 22 at the school house.

The seniors met Thursday morning in room 12 to decide what their class colors will be and what kind of invitation cards they will get.

The Mentone Junior class met on Tuesday morning, Nov. 26, to attempt to settle some troublesome problems. Collection of dues and the question of popcorn at games were tentatively settled.

### Our Illustrious Seniors—

Miss Fawn Pauline Grubbs was born in Mentone January 24, 1924, the daughter of Mr. and Mrs. Pete Grubbs. She has attended school at Harrison Center and West Wayne, but has gone to Mentone for 8½ years. She is taking English, Civics, Home Economics and Shorthand this year, and has not decided on her future after graduation.

### "Boots" and More "Boots"

The style now for girls is wearing knee length boots for this winter. Some are white, others brown and various other colors. The boys have seen the girls wearing boots so they took it upon themselves to wear their knee and hip boots, which you can imagine looks very attractive.

They come around and step on your feet, but if you step on their's they yell. When the boys walked into the assembly you should have seen the looks they got.

### Around the Dial—

The Aldrich family had quite a time keeping their aunt from finding out that the radio, which she had bought them, was not in working order—they managed to prevent this, though.

George Jessel and Sophie Tucker were the stars in "High Kickers," presented by Lincoln Highway. The Lux Radio Theater presented "Mazie was a Lady," starring Ann Sothern, with Lew Ayers, Maureen O'Sullivan and Heney Stephenson. This was an interesting story about Masie, who fell in love with Bob, but didn't know whether she should marry him or not. It all ended well, though.

"Horace Heidt and His Musical Knights" told the story of Jack and the Bean Stalk in music. One of his guests was Paul Zimmerman, writer of Dixie Dugan.

Mr. and Mrs. Dale Lucker and Richard Hamman were Sunday evening callers on Roy Walters and family.

Mr. and Mrs. J. D. Long and Sylvian spent Sunday with Mr. and Mrs. Leo Long at Wabash.

## PALESTINE W. S. C. S.

Twenty members and guests of the Palestine W. S. C. S. met on Wednesday with Mrs. Lola Lowman. A delicious pot luck dinner was served at noon.

The devotional meeting was led by Carrie Wilttrout with Josephine Blackwell, Sylvia Stickler, Ruth Blackwell, Glea East and Irene Black taking part.

Plans for the goose supper to be held on Wednesday evening, Dec. 10, were made.

One new member joined the W. S. C. S., Mrs. Ruthadele Doerr.

Auction was held by Eva Downing. Esta Mae East and Esta Vandermark.

The Christmas party will be held on Dec. 18 at the home of Mrs. Louise Summy with a 25-cent gift exchange.

Those present were Ada Brown, Carrie Wilttrout, Irene Black, Faye Stickler, Sylvia Stickler, Cora East, Glea East, Jean East, Blanch East, Martha Ann East, Josephine Blackwell, Ruth Blackwell, Jenn Anderick, Esta Vandermark, Ruthadele Doerr, Ruth Howard, Rosa Hipsher, Ruth Hipsher, Lola Lowman and Charles Lowman.

## FIRE AT LOCKER PLANT SUNDAY AFTERNOON

Carbon, which accumulates in the exhaust stacks of diesel engines, started burning in an old oil drum that is used as a muffler on the diesel motor at the Mentone Locker plant Sunday afternoon and before anyone noticed it, had started a nice fire in the roof of the engine room. Firemen who rushed to the scene, had the blaze under control in a very few minutes with no damage to the engine or interior of the building.

The locker and refrigeration part of the building is fire-proof and no damage was done to it or its contents.

An extra large amount of advertising this week necessitated setting the news matter in this issue with the lines closer together. Even doing this, several items had to be left over for the next issue. The advertisement of the Hart Dress and Shoe Shop of Warsaw, brings something new to the Coop. News. As near as we've been able to determine, this is the first two-color advertisement ever to appear in the publication.

Mrs. Fred Decker returned home after spending the week with Mrs. Ruth Nelson.

A daughter, Marilyn Ann, was born to Mr. and Mrs. Jack Cary at Kingsport, Tenn., Tuesday. Mrs. M. C. Carey, of Mentone, is grandmother to the new arrival.

## FIRE AT WHETSTONE HOME MONDAY NIGHT

Fire of unknown origin started at the country home of Mr. and Mrs. Cassel Whetstone, southwest of the city, at one o'clock Tuesday morning and several hundred dollars in damage resulted before the blaze was finally brought under control by the Mentone firemen. The fire was first noticed when some member of the family heard something fall, and when Mrs. Whetstone got up to see if it had been one of the children, saw the house was afire. As there is no phone in the house, Mr. Whetstone drove to town to put in the alarm.

The Whetstone family suffered a heavy loss in clothing and furniture and had but a very small amount of insurance. The house, owned by Mrs. Emma Yocum, was burned considerably although the fire was confined to one room upstairs and the attics. This house is in the neighborhood of 75 years old and is constructed of heavy timbers, which kept it from burning so readily.

Mr. and Mrs. Mahlon Jefferies expect to leave Monday for Tuscon, Arizona to spend the winter.

Mr. and Mrs. H. R. Rush and family and Mrs. E. M. Rush of Rochester, were Friday evening supper guests of Mr. and Mrs. Wayne Zolman and son.

Mr. and Mrs. Wayne Zolman, of Etna Green, ad Mr. and Mrs. H. R. Rush of Rochester, spent Sunday in Chicago.

Mrs. Roy DeWitt and son Estil and daughter Lela, of near Bryan, Ohio, Edwin Meredith and daughters, Mr. and Mrs. Frank Meredith and children and Miss Helen Mead, of near Mentone, were Sunday dinner guests of Mr. and Mrs. Silas Meredith.

Mr. and Mrs. George Houck and daughter Susie returned to their home in Hammond after spending a few days with Mrs. Houck's parents, Mr. and Mrs. Fred Rush.

Mr. and Mrs. George Houck, daughter Susie, Mr. and Mrs. Fred Rush, Mrs. Dale Plew and sons Bobby and Alfred called at the Roy Rush home Sunday afternoon.

Pvt. Bernard Bidelman, in writing to his grandmother at Mentone, stated that it had been rather cold at Fort Leonard Wood, Missouri, but the snow made the mountains and everything look so beautiful. He expects to be home during his leave at New Year's.

Billy Reed, son of Jack and Mrs. Reed, returned home Wednesday from the McDonald hospital after a mastoid operation.

Helen and Letha Walters spent Sunday evening with their parents.

## Feed Your Furnace.. CONCENTRATED Calories!

It takes calories (heat units) to create warmth from coal just as the human body needs calories to create energy. And in coals as in foods, some contain much bulk and few calories. But in Great Heart coal, "calories" are concentrated and ash runs less than a bushel per ton! Count on it for a brimful measure of heat—for the most in convenience—and a LOW heating cost for the winter!

## FOUL WORDS

## NOTHING PERSONAL

By BOB ANDERSON

For awhile Friday it looked like the Mentone High School students would be singing to the tune of "The Report Card Blues" instead of "Anchors Aweigh." But the whole thing blew over with scarcely a single odor left to mar the hardwood outlook.

The "Bulldogs" were "in the groove" Friday evening when they met the Etna Green "Cubs." The starting lineup, which played without a sub up until the final fifteen seconds, rolled up 30 points against Etna Green's 20, to make it five wins out of five starts for the season. Each of the initial five made at least three points with Miles Igo collecting eleven for high point honors. L. Mason was high for the visitors with six. The charity stripe was the most frequented place of the evening as the refs called the personals closely.

The "Pups", suffering with indignation from their lacing at Bourbon, turned on the juice and bowled over the Etna seconds 30 to 8. Jim Whetstone was high pointer with fifteen points in a game that saw fourteen players for Mentone and twelve for Etna Green.

Warsaw (picked best in the county this year) is here next Saturday, so be sure and see the game.

## FATHER AND SON BANQUET AT MENTONE DECEMBER 27

The regular Father and Son banquet, sponsored by the Mentone Lions club, will be held in the basement of the Methodist church on the evening of Dec. 27th. Included in this meeting will be a special program for the soldier boys who may happen to be home at that time. All are invited to be present.

The Lions meeting last Wednesday night was very interesting and a full program of entertainment was provided. Joe Clark, county agent, gave a talk on corn borers and he made the talk so interesting and excited the thoughts of the farmer friends present to such an extent that the open forum that followed absorbed most of the evening. Joe will likely not try to make his talks so enthusiastic in the future, but as an interested visitor of the evening, I must admit the discussion never became tiresome, and it was very instructive.

Sen. Coblenz, of Liberty Mills, joint senator from Wabash and Kosciusko counties, gave a short but very inspiring message. Lion District Governor Johnson, of Mishawaka, was also a speaker for the evening. He was making one of his regular calls in the interest of Lionism and had a meeting with the board of directors following the club meeting.

## MENTONE READING CLUB

Mrs. Elmore Fenstermaker was hostess to the Mentone Reading club on Wednesday afternoon. Members responded to roll call with bits of verse about Christmas. One guest, Mrs. Arley Cullum, was present.

The program consisted of group singing of Christmas carols, a paper on "Christmas in Other Lands," presented by Mrs. Orpha Blue, and a Christmas story, "The Mansion," given by Mrs. C. C. Collins. Following the program, Mrs. Wayne Tombaugh, chairman of Cooperation for the Blind, put on sale a display of linen towels made by the blind.

During the social hour, Mrs. Fenstermaker, assisted by Mrs. Walter Fenstermaker, served dainty refreshments.

## Mentone Streets Are Decorated for Christmas

A committee, with Chancey Mollenhour as chairman, was named in the last meeting of the Mentone Lions club last Wednesday night, to make arrangements for the holiday decorations for the Main street of Mentone. The committee, with the assistance of other public-spirited individuals, completed the task Sunday and each evening now the varied colored lights of the Christmas season send forth their soft beams to welcome us into the spirit of Christmas—Good Cheer to All.

Many of the business places have arranged individual decorations, or have plans for doing so. Each business place is invited to make their decorations as elaborate as they can and will be privileged to connect their lights on the city line.

Several of the homes, as darkness makes it shadowy approach each evening, light up the surroundings with the pleasant glow of Christmas lights in their windows.

A gentle, lazy snow is falling today, as these words find their way into type, which seems to bring the Christmas season closer and help to make it more complete. — Which reminds me. Have you completed your Christmas shopping? Remember your home-town merchant. He endures many hardships and fights desperately every day in the year, to bring you the highest type of merchandise at prices that compare favorably with merchandise of questionable quality in the so-called "bigger places."

## CHORUS TO SING PRIOR TO CHRISTMAS TREATS

The Mentone Lions club will have the usual Community Christmas tree treat this year, on Christmas eve, December 24th.

A group of singers have been selected and a chorus has been formed to sing a number of Christmas songs prior to the giving away of the Christmas treat. The group held its first practice Sunday afternoon.

## WOMEN'S SOCIETY FOR CHRISTIAN SERVICE MEETS WITH MRS. BRODA CLARK

The W. S. C. S. met on last Friday afternoon at the home of Mrs. Broda Clark with over 55 members and guests present.

Several violin selections of Christmas corals were played by Rowena Lackey, accompanied by Mrs. Pearl Lackey at the piano.

Devotions were given by Mrs. Guy. After a group sang, "Joy to The World," Mrs. Collins sang "O Little Town of Bethlehem."

"Silent Night, Holy Night" was sung by Mrs. Manwaring.

A demonstration, "one Great Fellowship of Love," was given by 12 members to show the various departments through which the W. S. C. S. works.

A collection of \$10 was taken for the Cassel Whetstone family and it was decided to knot three comforts for them, as their recent fire had destroyed all bedding.

The report of the nominating committee, with Mrs. Broda Clark as chairman, was given, as follows:

Mrs. Ray Ward president.

Mrs. Wayne Tombaugh, vice president.

Mrs. Don Bunner, treasurer.

Mrs. Walter Bowers, recording secretary.

Mrs. C. Goodwin, corresponding secretary.

The meeting was closed by repeating the Lord's Prayer in unison.

A social hour, which ended with delicious refreshments of ice cream, cake and coffee, was also enjoyed by all.

Mrs. Clark's home was decorated in keeping with the holidays. She was assisted by Mrs. May Borton, Mrs. Ellen Stanford and Mrs. C. Goodwin.

The next meeting will be on Friday, Jan. 2, at the home of Mrs. Pearl Lackey.

The Eastern Stars will have their annual Christmas party and gift exchange on Dec. 25. There will be an enjoyable evening with entertainment and refreshments.

## PAUL SUMMY BURIED SUNDAY

Funeral services for Paul Summy were held at the Palestine Christian church Sunday afternoon at two o'clock with Rev. Vincent, of Mentone, officiating. Mr. Summy, who was 52 years of age and had been in ill health for some time, died suddenly about five o'clock last Thursday afternoon at his home near Palestine. Death was attributed to apoplexy. He had been in Warsaw during the afternoon and after returning home went to the field to bring in the cows. He was stricken shortly afterward.

Mr. Summy is a former county surveyor and one-time baseball star and was widely known throughout this part of Indiana.

The deceased was born in Mentone October 18, 1889, the son of Melvin and Lucinda (Cox) Summy. He was a graduate of Purdue university, where he starred on the baseball team. He was captain during his senior year.

He served as county surveyor in Kosciusko county in 1916 and 1917 and also served a term as surveyor in LaPorte county. He served as a civil engineer in the Studebaker plant in South Bend. He was married in 1917 to Mara Louise Vandermark and the couple moved back to the Palestine farm shortly after the death of Mrs. Summy's mother.

Surviving are the widow, three children, Clyde Summy, stationed with the army at Camp Bowie, Tex., and Mary Louise and Paul Norman, at home; the mother, Mrs. Lucinda Summy, Morocco, Ind.; two sisters, Mrs. B. M. Ohlyer, Morocco and Mrs. Wallace Goshorn, Leesburg, and two brothers, Hobart Summy, of South Bend, and Earl Summy of Hamilton, Ohio.

## FLOYD TUCKER SERVES ON FEDERAL GRAND JURY

Floyd Tucker has returned to his home at Mentone after serving as a member of the federal grand jury at Fort Wayne last week. Over fifty cases were presented to the jury, 45 of which were acted upon. Many of them involved selectees who failed to report for call in one respect or another.

## THE WEATHER

The past few days and nights have been very foggy and many accidents have been the result. It seems rather foolish that so many motorists are willing to drive many miles to roll state on such nights. However, nine Mentone students drove about fifty miles to Columbia City last night on that very thing. All returned safely.

## MUSICFIELD

The band made its second appearance before a large group of basketball fans between Etna Green and Mentone. The band was enlarged by several members from the Etna Green band.

The band planned several marches for the Mentone and Warsaw game.

Mr. Bowers has ordered the music for the sextet composed of Jack Dillman, Geneva Gibson, Forrest Meredith, Richard Hudson, Juanita Baker, and either Phyllis Lemler or Robert Nelson.

## ART THROBS

In the advanced Art class, Betty Jean Smythe is making a stained glass window of Uncle Sam. Pat Myers is portraying a dress parade. She has pictured some very exclusive gowns. For example, one of Oriental influence, covered with black hands. Two greyhounds in pencil, looking like polished wood, leap across another picture of Pat's creation. Phyllis Leiter turns to a more serious subject and does a pencil sketch of Christ. She also did a pastel of a colonial girl standing by a big window. Barbara Davis is specializing in types of costumes as to nationality. Among them are a Chinese girl, wearing a kimono and silhouetted by tapestry, and a Navajo Indian with her papoose. Covered wagons form a background. In the younger Art class, Pete Shilling is working with linoleum blocks and is turning out Christmas cards.

## FALSE STAR

By Ann Diffield

Ann Violet, who had given her heart unwanted and unmasked, knew both heartbreak and humiliation. All her life she had worshipped Cecil Fraser from afar. But Cecil had eyes only for Coral, Violet's pretty cousin. Now he was married to Carol and Violet's dream world was in ruins.

When Violet was called to Athens to take charge of the Fraser household bitter sweet memories were forgotten. Here was an exciting world of reality. Violet was plunged into a fascinating existence whose background was wild mountains and lonely valleys; Edward Frampton and Jack Stephenson, a handsome, enigmatic young Englishman.

Carol's stupidity, Cecil's strange behavior, Jack's ruthless code, Violet's painful awakening from dreams to reality—all find climax in an unexpected denouement such a thing gifted and resourceful Anne Diffield knows well how to achieve.

"Baby Snooks" spent quite an evening deciding what an opera was and whether her "daddy" should go or not. She was finally convinced that he should . . . Lux radio theatre presented, "A Man's Castle," starring Spencer Tracy and Ingrid Bergman. This was the story of two in love seeking happiness in a world no one knew. . . Mr. Gildersleeve really spent an evening in the city library—they were locked in, and trying to find their way out really caused a riot.

## AROUND THE SCHOOL

John Beeson spent Sunday, Nov. 30, at the International Livestock show.

Miss Juanita Baker's parents, Mr. and Mrs. Oscar M. Baker, and daughter Ruth, are moving from Toledo, Ohio to near Mentone.

The Sophomore class of the Mentone high school is planning to have a skating party next Tuesday night at Silver Lake. They are hoping they can carry out these plans.

There was a little change made in officers of the Methodist Youth Group Sunday night. For fourth vice president, in place of Miles Igo and Royal Blue, Georgia Dillingham and Phyllis Dillman were elected. For pianist, Kate Snider was elected and Mary Beth Shinn was elected song leader.

Lots of grins and groans were heard Thursday afternoon as the students received their report cards for the third time this year. Some of the Sophomores actually threatened Mervel Smith's life after discussing their history grades. P. S. He is still living.

Give Waneta Fathergill a few more Indian massacres in history class and she will have to be carried out on a stretcher. She feels very sorry for the poor pioneers who had their hearts cut out and eaten by the Indians while they were still alive, too!

Lots of the girls are wearing their new rubber boots in time of school. The boys, who became green with envy, last Tuesday, turned up with hip boots on Wednesday morning but have forsaken them for their regular shoes again.

Some of the Juniors and Freshmen looked pretty green around the gills after their skating party Tuesday night. We see quite a few limping around like they had blisters on their feet or something.

All the Juniors were rejoicing as they skipped classes on Wednesday to prepare potatoes, meat balls and salad for lunch at noon. The reports are that it was a very good meal even if there wasn't enough to go around. The Juniors promise to do better next week when another hot lunch is planned.

The Junior class spent Tuesday evening roller skating at Silver Lake. Those who went were Betty Miner, Kate Snider, Edna Whetstone, Margaret Null, Merriam Shull, Gertrude McClane, Dean Decker, Eugene Sarber, Jack Mann, Max Gross. Others of the class didn't go or were there and didn't skate. Mr. and Mrs. Harvey were there as sponsors.

The Freshman class members were going roller skating Tuesday evening, but could not on account of the fog. They were disappointed.

The Warsaw Tiger's stratosphere attack put the first blemish on the Bulldog's season record when the two teams met on the Mentone floor Saturday night. The game was not really as bad as the score of 36 to 17 would make it look. In fact, the home boys controlled the ball more than half the time but could not work it into the basket because of the Tiger's altitude, which averages

a good six feet. The Bulldogs would still have been within striking distance at the half but the boys had trouble determining the exact location of the basket and many scoring possibilities were lost. Despite the staggering score the boys hung on with typical bulldog tenacity until the final gun sounded. Both teams are to be commended for their fine sportsmanship. Kenny Anderson, six-foot-three-center, who is in the Warsaw lineup for his fourth year, gathered ten points for high point honors. Tucker was close on his heels with a total of eight.

The Pups tore loose with all they had and beat the Tiny Tigers (looking more like kittens) by a score of 20 to 11. Jim Whetstone tossed in four field goals and three free throws for eleven points and honors of the game.

The teams travel to Leesburg this coming Friday to engage the "Blue Blazers."

### GIVEN PENAL SENTENCE

Charged with assaulting a police officer, Welcome Fore, 36, of South Bend, formerly of Mentone, was given a 30-day sentence to the Indiana state penal farm Monday morning by Judge John A. Sloane. Fore was also fined \$10 and costs.

The defendant pleaded guilty to a charge of assault and battery, the affidavit being signed by William F. Cook, night marshal at Mentone. According to Marshal Cook, Fore struck him three times and knocked him down last Thursday night.

The night marshal had been called to the home of Fore's sister because of a reported disturbance. County authorities were summoned later to take Fore into custody.—Times.

Radio interference the past few days, while everyone is anxious to get every word of the late war reports, is rather exasperating. There seems to be no particular time of the day or night when the static is not present. Everyone can check their own appliances to see if they create noise in their receiving sets, and if any of them are offenders the trouble can likely be eliminated with little or no expense.

### ROYAL NEIGHBORS ENTERTAINED BY MRS. RYNEARSON

Mrs. Lydia Ryneason was hostess to the annual Christmas group of the Royal Neighbor on Tuesday evening, Dec. 9th.

The home was beautifully decorated in keeping with the Christmas season. The table was lovely. A very delicious repast was enjoyed, and the exchange of gifts reminded those present of the words of Thomas Carlyle who said, "Love is still the greatest thing in the world. Divine love is the remedy for the world's wants, wars and woes. It is the hand servant of faith, mercy and good deeds."

The election of officers for the ensuing year resulted in the following: Oracle, Snoden Holderman. Vice Oracle, Mae Borton. Recorder, Mable Warren. Receiver, Emma Cook. Chancellor, Lydia Ryneason. Installing Officer, Mary Goodwin. Emma Cook will be hostess to the group on Tuesday evening, Jan. 6th, 1942.

### IS AMERICA ASLEEP?

American forces were caught asleep in Hawaii and in the Philippines. Many American soldiers were killed in the bombing of the first day. Maybe America is asleep like England was when Germany struck. After the World War Germany went ahead preparing for another war while England did nothing. The United States did practically the same thing, although not quite so bad. America will win this war, but we must get on our feet first. Thousands more soldiers will train in army camps in the next few years. The age limit will be lowered to 18 instead of 21, taking some boys in high school. The winner of this war will be, we believe, the country that can make the most mechanized equipment in the shortest time. This should be America!

### BETTER LUCK NEXT TIME

The clatter of pots and pans broke the stillness (?) of the morning air last Wednesday. Knives were busy disrobing the lowly potato and footsteps clicked across the stone floor. No, this was not the wedding day of the king's favorite daughter nor even his scullery maid. It was just the Junior class preparing to serve hot lunch at noon.

Pans of meat balls entered the ovens and came out brown, juicy and delectable; potatoes were beaten into fluffy heaps by masculine muscles. Bananas, pineapple and jello combined their efforts and made a very appetizing sight. Long tables were set up and covered with white paper. Period after period ticked its way into history; the scraping of a hundred feet were heard overhead; the big moment had arrived.

Hungry faces appeared and were lighted by the sight of plates of food. Spoons began to scrape the bottoms of the supply kettles; meat balls found themselves at the parting of the ways — one-half adorned one plate, the other half another; jello no longer graced the plates of the late arrivals, but hungry children were still streaming in. Alas and alack, fate had dealt us an unkind blow! We had no more food! We had to turn them away, regardless of their appetites with the promise of more food next week.

As far as we know, no ill effects were suffered by the lack of dinner, but in order to be on the safe side, we doubled all recipes for this week. If anyone goes hungry, it won't be our fault.

We cannot all help on the front line but we can do our bit by helping our Local Red Cross. Hospital gowns are the garments being made now. Come to the school house every Tuesday afternoon and do your bit. You need not know how to sew to be able to help, for there are things for each and every one to do. There were only four workers present last week. Let's try to have ten times that many this week.

Mentone basketball hopes got a kick in the face last week when Wayne (Butch) Bowser, first string guard, was whisked to the hospital to undergo the knife for appendicitis. Also Miles Igo, starting forward, was out of the game because of an infection in his big toe.

Consequently, it was a crippled squad that traveled to Leesburg on Friday night. The Bulldogs outscored the Blazers 10 points the first half, but needed the lead the second half when the Blazers got "hot" and scorched the net. The Bulldogs made six points in the last few minutes of play on a fast, snappy break. The "High Point Honor Club" gained a new member as Sarber, Mentone guard, chalked up six baskets for 12 points. Heierman, Leesburg center, was high for the home team with eight points. The Mentone boys set some kind of a record by making eight free throws out of nine tries while the Blazers cashed in three out of thirteen. In case you are interested, the final score was 32 to 27 in favor of Mentone.

The Pups made it five out of seven by tripping the Leesburg seconds by a score of 19 to 10. Rex Witham was high with six points.

**YOUNGSTERS WARNED**

It has been reported that in years past some youngsters, not realizing the gravity of the act, have removed colored bulbs from the Christmas decorative lights.

It is to be hoped that the youngsters, this year, will realize that the decorations and displays are expensive and that they are put up for the enjoyment of everyone. The law enforcement officials have been instructed to deal harshly with any offenders this year, but we trust every youngster will be able to refrain from this temptation. Do your part to help make the decorations more beautiful and not destroy them. The real value of a person is determined not by how much he does or how much attention he can attract, but it is the spirit in which he conducts himself.

### O. E. S. HAS CHRISTMAS PARTY

Mrs. Mary Shirey, Worthy Matron, was in charge of the program and arrangements for the annual O. E. S. Christmas party which was held Monday evening at the hall.

A candle ceremony, honoring the birth of Christ, was given, the five Star Points assisting. All the officers took part in a drill, ending in a "V" formation. While all stood facing the east Lola Mollenhour sang, "Star of the East." Then the officers retired and all enjoyed the gift exchange.

The decorations were in charge of Mrs. Wade Whetstone, Mrs. M. O. Mentzer and Mrs. Charles Urschel and were very striking. The committee had used Christmas trees of various sizes, all with blue lights, large cellophane bows and cedar sprays as their decorations. This formed a beautiful setting for the drill team and officers in their formals of pastel shades and other colors.

The officers presented a set of cut glass sherberts to Mrs. Shirey.

Refreshments in keeping with Christmas were enjoyed by the large group.

### TO CLOSE CHRISTMAS EVE

### HOME ECONOMICS CLUB HAS ANNUAL CHRISTMAS DINNER

The Mentone Home Economics club met for the annual Christmas pot luck dinner at the home of Mrs. Ottilie Swick, with every member present. Mrs. Swick's home was beautifully decorated to display the Christmas spirit.

After dinner was over the members were called to order and joined in singing, "Silent Night," and answered roll call with a Christmas quotation. A Christmas tree bearing the gift exchanges was then the main attraction. Each member then tried to guess the name of her 1941 Cheerio Pal and drew names for their Pal for next year.

All in all, it was a very enjoyable meeting. They adjourned to meet with Mrs. Ada Meredith on Thursday, January 8, 1942.

### A NOVEL CALENDAR

## MRS. GLADYS GATES DIES AFTER LINGERING ILLNESS

Mrs. Gladys Gates, aged 44 years, who resided west of Mentone, passed away at the Woodlawn hospital at Rochester at 2:30 Monday morning after putting up a gallant fight for her life the past seven weeks. Death was due to general peritonitis which developed after an operation for a ruptured appendix. A number of blood transfusions, the best of medical aid and a determination to recover, however, were of no avail. The people of the community followed her illness daily, always looking for improvement and received each ray of hope or sign of improvement with thanksgiving.

Mrs. Gates was a lifelong resident of the Mentone vicinity. She was born near here to Wellington and Esther Borton on November 18, 1897 and was married to Claude Gates on November 27, 1914. She was a member of the Harrison Center United Brethren church.

Surviving besides the husband are one son, Jimmy, and two sisters, Mrs. Ota Homman, of South Bend, and Mrs. Chloe Williamson, of Claypool. Mr. Gates is a cousin to Ralph Gates, of Columbia City, state Republican chairman.

Funeral services will be held at the Baptist church Wednesday afternoon at 1:30 with Rev. John Jones, of Syracuse, officiating. Interment will be in the Mentone cemetery. The Johns funeral home has charge of the arrangements.

## RED CROSS WORKERS BUSY MAKING HOSPITAL GOWNS

Hospital gowns are still the garments being made by your local Red Cross. Come and help turn out these garments as fast as possible. If you are unable to meet with us at the school house on Tuesday afternoons let some of these garments and make them in your own home. Also, if you cannot come and get these yourself, let someone know and they will deliver the garments to you. But do your bit!

Mr. and Mrs. Geo. Nellans spent Christmas day with Dean Nellans and family.

## ENTERTAINED CHRISTMAS EVE.

Mr. and Mrs. Silas Meredith entertained a group of friends at their home on Christmas Eve. They were: Mr. and Mrs. Jess Klise, Mr. and Mrs. John Klise, of near Akron; Mr. Edwin Meredith and daughters, Mr. and Mrs. Frank Meredith and children and Miss Helen Mead, of near Mentone. Gifts were distributed by "Santa" from beneath a lighted Christmas tree.

## ON SOUTHERN TRIP

Dale Kelley, Estil Smith, Macy Nelson, Carl Gochenour and Ned Igo left the day before Christmas for a fishing trip to Gulfport, Miss. They visited Donald Smith and other at Camp Shelby on the way and expect to view many other interesting points on the return. They report they are starting home Thursday.

Ned Igo is getting the trip as his reward for selling the largest number of season basketball tickets last fall.

Mr. and Mrs. Gus Rickel and daughter left for their home in Kearney, Nebraska Saturday after spending a week here with his parents, Mr. and Mrs. Lloyd Rickel.

## FINE ATTENDANCE AT FATHER AND SON BANQUET

Well over eighty fathers, sons and guests gathered at the Methodist church basement last Saturday evening to enjoy the banquet dinner and hear the inspiring message of Ed. Payne, of Michigan City. Mr. Payne is first vice president of Lions International, a world traveler of note and a very capable and forceful speaker.

The banquet and entertainment was sponsored by the Mentone Lions club.

## SISTER DIES IN CALIFORNIA

Mrs. Jeff Stookey, of Talma, received word last week that her sister, Mrs. Milton Clay, 55, had passed away in Los Angeles, California. The body is being removed to Wichita, Kansas for burial.

Mrs. Clay had been in poor health for some time and it is feared that anxiety over the welfare of Sergt. Walter Bowsher, who was on Wake Island with the marines, hastened her departure. Sergt. Bowsher, son of Mrs. Stookey, visited in the home on many occasions while he was stationed on the west coast.

## NO WORD FROM WAKE ISLAND

Wake Island, which came into the war reports so much of late, is now clouded by a haze of mystery. The tiny island outpost of the American defense system was guarded by less than 400 marines who held it against all the attacks of the Japanese forces for 14 days, and the courageous stand of the fighting marines won the admiration of every true American. Even at the last moments with heavy attacks by enemy planes and shelling from transport guns the marines stayed with their guns and pilots took the two remaining planes into the air against forty odd enemy planes. The last word from the outpost, which world news commentators claimed was an understatement, was: "The issue is in doubt."

Sergt. Walter Bowsher, son of Mrs. Jeff Stookey, of Talma, and Dickie Reed, step-brother of Mrs. Artley Cullum, of Mentone, were among the marines on the island, and no word has been received of their fate. Two medical men, from Logansport, who were there also, have not reported to friends or relatives.

Christmas day guests at the Dr. E. D. Anderson home were: Miss Mildred Anderson, Evanston; Miss Kathleen Anderson, Tulsa, Oklahoma; Dr. W. C. Anderson, LaPorte, and Oran Davis, Indianapolis.

## America's War Victims Appeal for Your Help

First war poster of the new World War, painted by the distinguished artist James Montgomery Flagg, carries an appeal for a \$50,000,000 war fund to aid the victims of aggression upon the United States and its island possessions.

To aid the victims of warfare being waged upon America and her island possessions, the American Red Cross has issued an appeal for a \$50,000,000 war fund, Chairman Norman H. Davis announced from the national headquarters in Washington.

Mr. Davis urged men, women and children to give to this mercy fund through their local Red Cross Chapters. These funds will support the Chapter's war work with the families of men in the military services, as well as the broad relief program of the national Red Cross.

President Roosevelt, who is president of the American Red Cross, issued a proclamation urging all citizens to give to the Red Cross war fund.

In launching the appeal, Chairman Davis said:

"There are millions of our citizens who desire today to demonstrate their will to victory over the enemy. Not all can be in the armed forces, and not all can volunteer their services for humanitarian work, but all can volunteer their dollars to arm the Red Cross to be their representative at the scene of battle and distress.

"Today is the day to demonstrate our high morale, our unity, our determination not alone to support our President and our fighting men at the front, but also to insure to our wounded, homeless and suffering fellow citizens in our Pacific Islands that we stand one hundred per cent ready to aid them through the Red Cross."

### MILO HOWARD DIES

Milo A. Howard, aged 67, passed away at his home three miles east of here on Wednesday morning following an illness of a week's duration with heart trouble.

Mr. Horn was born in Whitley county June 9, 1874 and at an early age came to Kosciusko county with his parents, Mr. and Mrs. Daniel Howard. His wife, the former Anna Whetstone, of Mentone, preceded him in death five years ago.

Surviving relatives include one daughter, Emma Ruth, at home; two sons, Capt. Walter Howard, at Camp Shelby, Miss., and Ernest of Indianapolis; a sister, Mrs. Estelle Johnson, of Burket, and one brother, James Howard, of Warsaw.

The Tucker funeral home, Claypool, has charge of the arrangements.

Mrs. Lawrence Bowen returned to her home here Wednesday from the McDonald hospital at Warsaw where she underwent a major operation two weeks ago.

### EMPLOYEES HAVE SECOND ANNUAL CHRISTMAS PARTY

The Creighton brothers, Hobart and Russell, entertained their employees and families, and many friends at a fine dinner and an interesting program at the Atwood U. B. church last Tuesday evening, Dec. 23.

Over 200 guests attended the dinner—a bountiful dinner of turkey, replete with all the "trimmings." The church basement was beautifully decorated with Christmas trees, bells, and clever centerpieces for the tables, made of small logs forming the bases for red candles. The gentlemen had been presented with carnation boutonnieres, the ladies with corsages of holly and evergreen.

After dinner, Santa Claus appeared, and amidst cheers and squeals of delight from the kiddies, distributed candy and other goodies to them.

No mere stockings of candy for the employees, however—generous bonus checks for them, one and all! The employees presented Hobart and Russell Creighton with modernistic electric clocks for their homes.

Later, the program in the auditorium of the church was attended by the dinner guests and the doors thrown open to the public, making an attendance of about 400 persons. Singing of Christmas corals by the entire group was led by Dr. Cliff Carpenter of Fort Wayne, with Esther Stookey at the piano.

Dr. Herman Wells, president of Indiana University, related in an interesting and authentic fashion, highlights of his recent tour through Central and South America.

Miss Mary Catherine Stair of Indianapolis, presented a charming, sparkling program of harp and vocal music, and was called upon for many encores by the audience, which she completely captivated.

After a thoroughly delightful evening, the group dispersed at about 10 p. m., with the echoes of many a "Merry Christmas!"

—A Guest.

### THE LITTLE GUY—

What distinguishes this country from the other great nations of the world? There are many possible answers to that question. And here's one of the best: "The United States is the country where the little guy is boss—where the little guy can go as far as his energies and abilities will allow—where the little guy does not have to bow and scrape to anyone."

Little guys made this country. They came here from everywhere to establish freedom and escape tyranny. They landed in a wilderness. They were often cold and hungry. They seldom became rich. But they kept the faith. They built the homes and cleared the land and raised the children. They fought the wars of the past, just as they are fighting this war. The little guys were proud and strong and confident of the future, and the great land in which we live is their gift to us, the little guys of the present.

Little guys built the industries of this country. They saved a few dollars and put them into a store or a bank or a factory of some kind. They took chances. Much of the time they lost, but that didn't dismay them. They saved a few more dollars and took new chances. They didn't laugh when some visionary came along

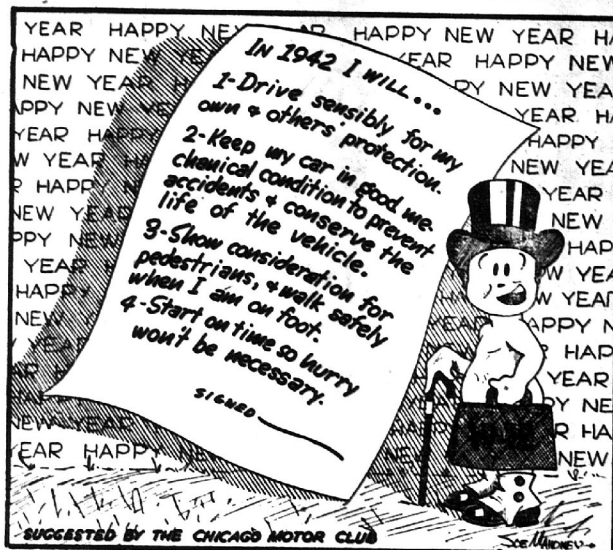

with an idea the wiseacres said was obviously insane—the telephone, for instance, or the automobile, or a plan for lighting homes with electricity. There might be something in it, they thought, and they played the long shot. For the visionaries with the ideas were the same kind of people—little guys trying to get ahead, little guys trying to build and create. And some of them went from shacks to mansions in a year or two, and a year or two later were back in the shacks starting again. They always started again. It was in their blood, their bone, their character. The little guys didn't give up.

All of this country is a monument to the little guy. All of our industries, our farms, our homes, our resources—the little guys did the work. They went into the oil fields and brought out the black gold. They dug in the earth and gave us our coal and metals. A few became famous, but the millions remained unknown. They worked and died in obscurity, but this country is an everlasting monument to their deathless spirit which lives on.

That is the ideal we Americans must always keep in mind—America must be a place where the little guy is king. Free enterprise is the little guy's kind of enterprise—he can go into any business he wants, invest his savings in whatever he wants, and lick the competitors to a frazzle if he is able to. The government belongs to him—he doesn't belong to the government. The little guy made America, and today he is perpetuating America. And tomorrow he must be the symbol of America, too.

SOYBEAN DISCUSSION WILL  
FEATURE PURDUE PROGRAM

The importance of soybeans in the present wartime economy, their rapid march to the front as a grain crop in Indiana, and county production goals ranging from five to 31 percent increases for 1942 are among the reasons for devoting an entire forenoon on the Purdue University Agricultural Conference program, on Thursday, Jan. 15, to a discussion of "Soybean Production Problems for 1942."

With the prospective high price of soybean seed for next year's planting, increased interest is being shown in row planting of soybeans and in the equipment necessary to plant and cultivate rowed beans. R. R. Mulvey, Purdue research agronomist, will open the session at nine o'clock with a discussion of "Adjusting Machinery for Row Seeding of Soybeans."

Another phase of present day soybean production about which farmers want more information is the use of commercial fertilizer on the crop. The recent experimental work conducted at Purdue and other midwest agricultural experiment stations on the fertilizing of beans will be reviewed and presented by G. P. Walker, also a Purdue research agronomist.

EXPLAINS HOW EGG LAW  
AFFECTS INDIANA FARMERS

"Must a farmer have a license to sell his eggs as fresh eggs?" is a question being asked often now that the new State Egg Law is effective, reports L. A. Wilhelm, extension poultry specialist, Purdue University, who answers by explaining, "A producer may sell his own eggs produced on his farm as he pleases."

A producer does not have to candle his eggs nor does he have to register with the State Egg Board. However, E. R. Menefee, executive secretary of the State Egg Board, states that if the producer delivers the eggs to customers and sells them only as eggs he then becomes a retailer and as such must register with the State Egg Board, Lafayette, Ind.

If the producer is selling his eggs as "fresh eggs" and delivering them to the customer then he must have a fresh egg permit and the eggs must conform to the standards of an Indiana Grade A egg.

An egg producer does not need to register or obtain a permit to sell eggs to a grocery store, a restaurant, a hospital, or a wholesaler. However, if he is delivering them to the consumer, he must register, according to the Indiana law.

By BOB ANDERSON

The Bulldogs finished up the first semester of school by traveling to Syracuse Tuesday evening, Dec. 23. The Syracuse "Yellow Jackets" had a record that showed only one defeat and that was by an out-of-county team. However, their record did not scare the Mentone boys, who tore into them with all they had. "All they had" was not enough in this case, for after three quarters of "nip and tucker" basketball the Syracuse hot shots, Beck and O'Haver, started rolling in the baskets and the Yellow Jackets took the lead to win by a score of 31 to 25. Tucker was high with thirteen points followed by Beck with 11 and O'Haver with 10. It was the kind of a game that fans enjoy.

The "Pups," exhibiting an uncanny ability to miss the basket, were dealt their first county defeat by the Syracuse seconds; the score—12 to 21. A Syracuse boy, Slabaugh, was high with seven points. Nellans and N. Igo shared the "Pup's" honors (?) with four points each.

### NUGGETS FOR BEREANS

(Contributed)

All the philosophers, beginning as far back as Plato and Aristotle and including many today, had one avowed quest—TRUTH. But philosophy is mentioned only once in the Bible, where it is declared to be "vain and deceitful," (Col. 2:8). All the philosophies in the quest for truth, God or the Absolute, lead into a maze of frozen abstract ideas.

In one simple little sentence, Christ forever ended and settled the quest of the ages: "He that hath seen Me hath seen the Father," (Jno. 14:9). In the same chapter He had declared, "I am the way, the Truth, and the life: no man cometh unto the Father, but by Me."

Paul speaks of the heathen in darkness thus, "That they should seek the Lord, if haply they might FEEL after Him, and find Him," (Acts 17:27). This same word, FEEL, (in the original) is used by our Lord in Luke 24, "Behold My hands and My feet, that it is Myself: HANDLE Me and see."

What the philosophers sought in the cold abstract, the apostles heard, saw, and even HANDLE. (See 1 Jno. 1:1). Even today there is no truth outside of Christ. Truth is ever the same, regardless of by whom expressed. To us has been made known the "mystery of Godliness, God was manifested in the flesh," (1 Tim. 3:16).
