NEW BUSINESS FIRMS TO OPEN HERE SATURDAY

Mentone will have two new business firms Saturday, Dec. 8, when the Coopers' 5c to \$1 Store and Pete's Lunch open their doors to the buying public. The Cooper store will provide a line of merchandise that has been badly needed for many years, and it is exnected that in the next few months the proprietors will add many more lines of merchandise that will help to make Mentone a real shopping center.

The store is owned and operated by Mr. and Mrs. Raymond Cooper, young people who come to Mentone well recommended and experienced in their line of business. They have completely redecorated and modernized the old Cook building and present indications are that they have a mighty fine variety of merchandise in stock for their open-

Elsewhere in this issue will be found a full page advertisement of the Cooper Store. You're invited to read it.

Al TO ACCCIDENT PROVES FATAL

Mrs. Tena Yoder, 49, of near Etna Green, died at 4:15 a. m. Sunday at the Plymouth hospital where she was taken for treatment for injuries received in an automobile accident which occurred at 4:30 p. m. Tuesday, four miles east of Plymouth, Mrs. Yoder received a fracture of the skull, which caused her death.

Keith Snell, 16, who was driving the car at the time of the accident, was reported slightly improved at parkview hospital, Plymouth.

Edward Knepper, 78, died at 10 p. m. Sunday at the Plymouth. He had been an invalid for the past five years following a stroke of-paralysis and heart trouble devel- have been a memorable delicacy. Any oped, causing his death.

Mr. Knepper was born in Warsaw. May 31, 1867, the son of Cyrus and Elizabeth (Dunnuck) Knepper and lived all of his life in Kosciusko county, with the exception of twenty years spent in Marshall county. On October 20, 1888, he and Augusta C. Linn, who died July 9, 1940, were united in marmember of the Methodist church of Tippecanoe.

ters, Mrs. Nelllie Faulkner, Bourbon, ment of doubt.) Mrs. Florence Eizinger and Mrs. Mary Eizinger, both of near Tippecanoe, and Mrs. Pearl Marsh, of Plymouth; one son, Hollis, of Akron; twenty grandchildren.

Funeral services were held at 2 p. m. Tuesday at the John's funeral home, at Mentone, with burial in the Pleasant View cemetery.

The American Legion and the ladies of the Auxiliary are gathering gifts to send to the soldier boys and girls in the hospitals, and a container is located in Clark's Store where anyone may leave any gift packages they may desire to send to the wounded veterans. The program carries the slogan: "Give to a Yank Who Gave," and ends Dec. 15th.

The packages need not be neatly wrapped as each of them must be examined and inspected, and the hospitals will not permit gifts of food. The container at Clark's lists a few of the items which will make nice gifts.

MAKING DI ANS D SUNDAY: FOR EGG SHOW

Over four years have elapsed since Morris hospital, the last egg show was held at Mentone, but from what one hears around the sidelines, chicken-in-the-rough must egg show banquet would have to specialize on chicken, so the members of the committees for the 1946 show gathered at the Mollenhour Lumber company Monday evening and tried frying whole chickens in deep fat. Those who partook of the banquet expressed themselves as well pleased with the meal. (Dr. Clutter was given a special inviriage. During the active years of his tation to try the new style fry and he life, he had been a farmer. He was a expressed himself as being very well pleased. In fact, he said it beat chickenin-the-rough all to well, in other words. Surviving relatives are four daugh- his professional vernacular left no ele-

Considerable enthusiasm is being demonstrated in the 1946 show and the tentative dates are March 14 and 15. The committees have been active and children and twenty-two great-grand- it is felt that by the time of the next regular meeting rather definite plans will be put into operation.

Mrs. Lucille Bonewitz, aged 65 years, died at 6:30 p. m. Monday at her home five miles northeast of Mentone. She had been in failing health for two years and complications, which developed after a light paralytic stroke which she suffered a number of weeks ago, resulted in her death.

Mrs. Bonewitz was born in Mentone, December 8, 1879, the daughter of John and Mahalia Entsminger. With the exception of a few years during which she lived in Nappanee, she had resided in Mentone, Warsaw and vicinity all her life. Her marriage to John Bonewitz took place in 1932.

Surviving relatives are her husband; one son, Lee Roscoe Warren, who also resides at the home where Mrs. Bonewitz passed away, and several nieces and nephews.

Funeral services Were held at 2 p. m. Wednesday at the Reed funeral home in Mentone. Burial was in the Mentone cemetery.

Mrs. Irvin Nelson spent Wednesday afternoon with Mrs. Lydia Rynearson.

CAPPER'S FARMER MENTIONS MENTONE FARM FOLKS

Two Kosciusko county farmers—Gail Walgamuth and H. V. Nellans, who live near Mentone, are featured in stories in the December issue of Capper's farmer, which describe their smart management methods.

Walgamuth is cited in a story headed "Shortens Dairy-Chore Time."

"The milkhouse on the Walgamuth farm has an electric hot-water heater with a storage tank that provides plenty of hot water any time it is needed," the story in the Nationally circulated farm magazine points out. "All cleaning chemicals, brushes and other equipment are within arm's reach of the washtank. Milk can be carried in, strained and stored and all utensils cleaned without having to leave the house. It is made of concrete blocks and is so insulated that the temperature never goes to freezing in the winter and the house is cool in summer.

Nellans, who runs the farm with his two sons, is featured in a story entitled "Cheap Poultry Floor." Nellans built a two-story laying house. He laid

a cheap native-lumber floor, put lowpriced building paper on it, tacked down some old hog wire and troweled on an inch of cement. The floor cost no more than a tight wooden one, is easily flushed and scrubbed and there is no danger that it will warp.

Raymond Hudson and family, of near Warsaw, spent from Wednesday until Thursday morning with his mother.

Mr. and Mrs. Bert Rickel left Sunday morning for Florida where they will spend the winter.

MARRIED NOV. 25

The country home of Mr. and Mrs. George Rans, of Near Mentone, was the scene of a beautiful six o'clock wedding and reception Sunday evening when their youngest daughter, Grace Alice, became the bride of Mr. Raymond Lewis, son of Mr. and Mrs. Ernest Lewis, of Argos.

The double ring ceremony was performed by Rev. E. Coleman Ralston, pastor of the First Baptist church of Mentone, before an altar of palms and autumn flowers. The couple were attended by Mr. and Mrs. Everett Besson, brother-in-law and sister of the bride, and the usherettes, Mrs. Kenneth Ro-mine and Miss Gertrude McClane. Preceding the ceremony, Mrs. Philip Blue played "Savior Like a Shepherd Us" and Miss Phyllis Lemler sang "Because" and "Always". Mrs.
Blue played Lohengrin's "Wedding March for the processional and following the ceremony Miss Lemler sang "The Lord's Prayer". The bride was lovely in a street length white wool dress with black accessories. She wore a strand of pearls, a gift of the groom, and carried an arm bouquet of white pompoms. She also wore a coronet of white pompoms. Mrs. Besson chose a fuchsia rayon jersey dress and wore

a corsage of white pompoms. Snappidragon corsages were worn by the mothers of the bride and groom, the usherettes, and Mrs. Blue and Miss. Lemier. Following the reception, Mr, and Mrs. Lewis left for a wedding trip of unrevealed destination. For going-

MRS. BOGGS ENTERTAINS D. A. R. (Delayed from last issue)

The Anthony Nigo Chapter of the Daughters of the American Revolution met at the home of Mrs. Stanley Boggs November 27. The annual family night was observed with a carry-in dinner and a delicious turkey, prepared by Mrs. Boggs was served at 6:30 and enjoyed by all.

The meeting was opened in the usual manner, by the Regent, Mrs. Boggs, followed with the Pledge of Allegiance to the Flag.

The clarinet quartette, composed of the following: Freeda and Ellen Kesler, Violet Friesner and Dorothy Sensibaugh, played several numbers and a vocal solo, "Sylvia", was given by Violet Friesner.

Mrs. Dora Taylor described the Washington Memorial chapel to be erected at Valley Forge. The building of the tower enclosing the carillon of bells representing each state in the Union has been allocated to the Daughters of the American Revolution.

The guest speaker of the evening was Attorney Porter B. Williamson, who spoke on "Our National Defence", including "Military Conscription" and Unification of Our Armed Forces."

Due to the O. E. S. inspection dated for the same night as the Christmas party, the meeting will be changed to Wednesday night, December 19, at the home of Mrs. Berniece Rush.

FARM BUREAU FAI AND PROGRAM ELECTS OFFICERS

The Harrison Township Farm Bureau met Thursday evening, Dec. 6, at the Mentone school. A fish fry, one of the

Mr. Salmon, of Fort Wayne, addressed the meeting, substituting for Hal Royce who was unable to be present. Mr. Sal-mon stressed the need for farmers to stage, but judging by past Christmas mon stressed the need for farmers to seasons, the citizens of the city will organize, if they are to take their rightful place among organized labor and industry.

Election was held for officers for the coming year, with Orien Deaton, president; Ray Wiltrout, vice president; Kyle Gibson, secretary-treasurer; Mrs. Walter Lackey, Social and Educational leader with Mrs. Frank Smith as assistant leader.

Mrs. Boyd Howard, county Social and Educational leader, was present and gave some interesting reports on the Indiana Farm Bureau convention held recently at Indianapolis.

At the above convention, Kosciusko county received a beautiful placque, a reward for having the largest percentage of increase in Farm Bureau membership of any county in the state, during 1945. If you haven't paid your membership fee for the coming year do so, and help put Kosciusko over the top.

LEONARD F. SMITH DIES AT STARKE, FLORIDA

Word has been received by Warsaw relatives of the death of Mrs. Leonard Smith, at her home in Starke, Florida, which occurred Tuesday evening. Mrs Smith underwent an operation for a tumor of the brain six months ago at the Riverside hospital in Jacksonville,

Fla., from which she never recovered. Mrs. Smith was the former Miss Georgia Little, of Peru, Mr. Smith is a native of this county, having lived at Mentone and Winona Lake.

Prior to her marriage, Mrs. Smith was a primary teacher and attended Winona college. She was active in church and civic work.

Beside the husband, she leaves thre sons, Leonard, Jr., 20, who was called home from Germany, William aged 15, and Thomas, 11, both at home.

Thirty-four members of the Menton Mentone school Wednesday evening for their regular scheduled annual election meeting.

Following an appetizing supper, the subject of discussion was the continuor abandonment—of the Mentone fairs. Many plausible reasons were given for both sides, and there was no question but that the discussions were of great value in helping each one to better evaluate the fair and eventually arrive at some definite conclusion.

The men was nave managed, promoted and financed the fairs the past few years feel that they have done their share and that the ravages of extra work during four years of war plus the infirmities of old age, they are no longer able to perform the laborious tasks necessary for the production of the high class fairs to which our people are accustomed. All, however, seemed to be extremely interested in the fair and its activities, and are willing to put forth every effort to assist in every way possible.

The group, also, feared that there may be many of the younger men of the community interested in the fair and that they should be given a special invitation to express themselves and offer their services. In view of this fact, the meeting was continued until Tuesday evening, Dec. 18th, when an invitation is extended to all the fair members and other interested citizens to come to the Mentone school when the final decision will likely be made.

The nominating committee reported the following officers to be placed on the ballot Dec. 18th:

R. G. Reed, president. Leo Valentine, vice president and general manager.

Ora McKinley, Secretary. Eugene Marshall, Treasurer.

Additional nominations may be made from the floor before balloting begins Everyone-young and old-should attend the meeting Dec. 18th at 7:30 at the school.

CORN GROW-ING CHAMPION

DeKalb, Ill. (Special)-A Community Fair association met at the 114.77 bushels per acre won the corn growing championship of Kosciusko county in the 1945 National DeKalb Corn Growing Contest, it was learned this week. Merl Shunk, of Mentone, is the corn grower who has made this outstanding yield in this locality in competition in which thousands of farmers from 19 principal corn producing states participated, according to officals of this biggest corn yield competition.

> Mr. Shunk and several other farmers in this county certainly produced more than their share of another three- billion bushel crop.

> In recognition of his achievement the winner is being presented with an appropriate plaque by the DeKalb Agricultural Association.

35% more meat wanted! This means thousands of new jobs!

Jobs on the hoof! Raising more meat means more jobs!

Jobs in packing plants!—As demand for meat zooms!

Johs in stores! More demand means more workers needed.

Making Postwar Jobs-Out of Meat!

HOW many jobs will there be as this country returns to peacetime production? Will there be enough jobs for veterans, for former war workers?

No one can say, exactly. But this much we know: Many industries along our routes offer amazing possibilities for jobs in the immediate future—thousands of new jobs that have never existed before! These jobs are going to grow out of the gigantic demand for goods and services that exists in this country—and from production that will satisfy that demand.

Consider the meat-packing industry. Meat suffered the greatest shortage and was missed more than any other food during the war. Moreover, meat has become a greater item in our diets—both

military and civilian. And new knowledge of the health-giving qualities of meat has made meat more in demand than ever.

Right now, leaders in the meat-packing industry are readying production facilities to take care of a tremendous increase in domestic consumption. They confidently expect a rise in demand of as much as 35%! This will make meat a 4-billion-dollar enterprise, ranking with steel and automobiles in the number of people employed.

It will mean myriads of new jobs on the country's 3,000,000 ranches and farms growing meat, in the 4,000 packing plants, and on the sales staffs serving these plants. It will mean more jobs in the country's 400,000 retail outlets selling meat—and it will mean new jobs in the factories and

the service trades that supply or serve people connected with raising, packing and distributing meat!

Meat-packing is only one of many industries along the Chesapeake and Chio, the Nickel Plate, and the Pere Marquette, that are going ahead with all possible speed, now that Victory has been won.

The boys of the Jr. Baptist Young MUCH INTEREST SHOWN People's Union were entertained by the girls at a Christmas party at the parsonage Monday evening. Music, games, and contests were enjoyed, awards going to Dwayne McKinley, Merrill Peterson, Ramona Goodman and Geneva Whetstone. The Christmas gift exchange was an enjoyable part of the evening. Refreshments were served by the girls to 20 members.

IN NEW BUSINESSES

Citizens of the community responded gallantly to the invitations of Mr. and Mrs. Raymond Cooper on the opening of their new variety store, and to Mr. and Mrs. Byron Peterson on the establishment of their lunch room last Saturday. Both institutions were visited by many people, who seemingly were well pleased.

A few of the business folks of the town presented the new proprietors with nice baskets of fresh flowers.

Publicity and Advertising, Artley Culfur and George Clark.

Admissions, Merl Linn and M. W. Dudley.

Merchandise Display, Ed Ward and C. D. Meredith.

Program, Raymond P. Lash

It was suggested that possibly other partments be added to the fair program, and the following departments and co-chairmen were named:

Poultry Dept., Forrest Kesler and Ev erett Long.

4-H Club Activities, Bud Deaton and Charles Adams.

Food Concessions, Curtis Riner and . Mollenhour.

Nothing was said or done regarding the holding of a fair this year, but it is expected that the new officers will hold a meeting soon after the new year so this matter can be settled. It was stated that there would have been a possibility of a negative majority vote representatives who had elected them

C. KETTERMAN DIES SUDDENLY

Clem Ketterman, aged 63 years, died suddenly at 1 p. m. Saturday while in the Clark grocery store in Mentone Mr. Ketterman had been in his usual health and was stricken with coronary embolism, causing death immediately

He was the son of Albert and Martha Ketterman, and was the first child born in Mentone, where he had always lived.

Surviving relatives are two brothers, Ernest Ketterman and Harry Ketterman, both of Lansing, Michigan.

Funeral services were held at 3 p m. Tuesday at the Reed funeral home in Mentone, Rev. A. G. Simmons was in charge of services and burial was in the Mentone cemetery.

TWO MENTONE NAVY MEN MEET

Just recently while down town at Bremerton, Washington, S 1/c Royal Blue met Leslie Grubbs and his wife, Doris, which was a great surprise to Royal as he didn't know Leslie was stationed there. So after taking a look to see if he was really seeing folks or not, both boys got together that evening and had a very enjoyable evening visiting together. Then a couple of nights later, Royal invited Leslie and Doris to go along with him to the "Youth for Christ" rally at Bremerton, and as they enter the door at the rally, all servicemen are given a ticket with a number on it. During the service they draw out a number and the serviceman having the corresponding number gets a free phone call home and Leslie happened to be the boy with the lucky number. He and Doris enjoyed a call home to Doris' mother, Mrs. Mildred Flenar. A couple of weeks later while attending the Youth for Christ rally, Royal also received a lucky number and enjoyed a call home to his mother. You can be sure both boys have enjoyed meeting each other and have also received great blessings from attending the Y. F. C. meetings there. Both boys are aboard a ship there, but will be leaving for another station after Christmas. Leslie's ship will be sailing out and Royal's ship is going over to San Diego, California at the present time.

and this would have appeared unfair a few minutes before to virtually cast to the new officials to have the same them out by voting against a fair.

Clarence Leininger, of near Mentone underwent a second operation at the Memorial hospital at South Bend Monday. He is reported as doing fine.

O. E. S. INSPECTION

The officers and a few of the members of Mentone chapter No. 331 attended the official visit of the Worthy Grand Matron, Mrs. Helen Bonebrake, in the Masonic Temple in Warsaw on Tuesday evening. The meeting was preceded by a six o'clock dinner at Hotel Hays.

Mentone Chapter conferred the initiatory degrees on Mrs. Pauline Riner, Mrs. Helen Mollenhour and Mrs. Virginia Peterson from here and Mrs. Genevieve Slocum of Warsaw.

D. A. R. HAS CHRISTMAS PARTY

A Christmas party and gift exchange was held Wednesday night at the home of Mrs. Bernice Rush by the Daughters of the American Revolution.

The program of the evening consisted of two lovely violin numbers by Mrs. Robert Firkins, accompanied at the piano by Mrs. Roy Goshert. Mrs. Rush read several short articles in keeping with the Christmas season.

The hostess, assisted by Mrs. Eileen Fenstermaker, served delicious refreshments

Guests of the evening were Mrs. Mary Manwaring, Mrs. Robert Firkins and Mrs. Roy Goshert.

The pictures were selected especially for the youngsters and it is felt that they will be both enjoyable and educa-

The evening's program will include other interesting features and Santa will be on hand to present each youngster with a little gift from the Mentone grownups.

Every youngster is invited to be at the church for the program which will start at 7:30 in the evening.

MENTONE READING CLUB

The Mentone Reading Club held its December meeting at the home of Mrs. T. J. Clutter on Wednesday, evening, December 12.

Mrs. Don Seeley was program chairman. The first number on her program was a violin solo, "O Holy Night", played by Mrs. Joe Hutchinson. Following this, Mrs. Sheely introduced her Girls Chorus, who sang a group of songs. They were, "Mary's Carol," "Babe of Bethlehem" and "Sleep, Little Jesus".

The Christmas story, "The Juggler of Our Lady," as recorded by John Nesbit, was then given. The Girls Chorus brought the program to a close with "Carol of the Shepherds", "Christmas Star" and "Silent Night". Members of the Chorus are: Freda Kesler, Pat Eaton, Marilyn Tucker, Zelda Sarber, Phyllis Dillman, Violet Friesner, Pat Witham, Nondas Hodges, Winifred Eiler, Bedelia Bell Weirick, Pat Hudson, June recent real estate transactions: Sale of Brown. A BIBLE MESSSAGE "The Church's Post-War Challenge". Rev. E. C. Ralston Scripture-John 4:23-42

"Say not ye, there are yet four months and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest" John 4:35.

We have rejoiced over winning the victory in World War II; yet we may lose the victory of the spiritual realm in days to come, unless the church of Christ is willing to do something about it. Our thinking is shallow in these days for we are concerned with our own physical needs of food, clothing, etc. as stated in verse 34 of our Scripture lesson, we should realize that we have meat of which the world knows

their knees in prayer, more often, than in many previous days. A number of times we, as a nation, were asked to pray at crucial times of fighting, and to give thanks to God for victories won, but these days have been so easily forgotten. The men in service, themselves, prayed as they never had before. Hearts are so easily lifted to God when there is danger, but when that danger is past, the praying ceases. The world's reaction to victory is hilarity and celebration, but how will the church of God face this new situation? The fields are white unto harvest. Look at our home field. In Chicago from last Friday noon to 8a m. Mondayless than three days, there was reported: 5 murders, 28 robberies, 26 burglaries, 10 assaults, 57 larcenies and 63 autos stolen besides other crimes. Then foreign fields: in New Guinea, Africa China, Japan, etc., heretofore closed to the Gospel are, or soon will be wide open for the preaching of Christ. We ought to be praising God for this but are we? It has been said that if the church had used its opportunities during the past we would not have had this war. What are we, as Christians going to do with our present oppor-

We know the command "Go ye into all the world and preach the Gospel to every creature." It behooves us to obey this command. Far more important in Europe until between the sixth than any military or vocational training of our young men is their spiritual training. Our government is giving much to these returning men in the way of education, etc., but what is the church of God to give them? There is a greater war to be fought on the mission fields than has been fought on the battlefields of the world. The harvest fields are there; laborers and prayer are needed. We are living in a day of great opportunity for the Christian who is willing to have his life spent for God. The victory of World War II was given because people prayed. Think how much more He will honor prayer for the salvation of souls! "O. Church of God, awake, awake!"

Wednesday evening Miss Winifred Eiler was hostess to the Baptist church young people at her home on West Harrison street. The affair was a combination Christmas party and surprise for Mr. and Mrs. Raymond Lewis, who were recently married. The entertainment consisted of games, a gift exchange and refreshments. It was the decision of all present that this was a most enjoyable evening.

Agriculturalists of the Mentone community were guests of the Lions club Wednesday evening, and a very enjoyable evening was spent by those present.

Merl Linn, Standard Oil agent at Mentone, secured two motion picture sound films that were very interesting. One dealt with the care of the farm tractor and the other showed some of the extra gadgets being used year when they use the columns of this on the farm tractor that were designed to make farm work less burdensome.

Discourage Disorder

It is easy to throw rubbish or discarded articles into dark corners where they will not be readily seen -a practice which would be unlikely in a better lighted space where the discarded material would be con-spicuous. White or light colored paint applied to the interiors of rubbish-inviting spaces in attics, basements, closets and storerooms has been found distinctly helpful in discouraging untidy habits.

FURNACE TOP GOES OUT ROOF

the Co-Op Oil Station blew off Wednesday morning and went straight up through the roof. Other parts of the single unit heating system went in various directions, but no one was injured and very little other damage resulted.

It is believed that the pressure within the unit got above the safety mark and the cast boiler unit just couldn't hold. The metal piece that went thru the ceiling and roof weighed 30 to 40 pounds and really must have been traveling. Cloice Paulus, manager of the station, had just stepped out of the room when the explosion occurred.

We're rather of the opinion that additional safety gadgets will be installed before they fire up again.

STORE REMODELED

The Hill and Lemler grocery, at Mentone, has seen considerable remodeling the past few weeks, and the management reports a mighty fine day last Saturday. Two representatives of the Bursley wholesale house were on hand to serve coffee and doughnuts to all the visitors and Mr. Lemler stated that the day's volume of business was greater than any previous day in the history of the firm.

The dry goods and notions stock was recently sold to the Cooper store and the grocery department now occupies all of the business room. New display counters are being installed and the plans are that the store will eventually be of the self-serve style. A new refrigerated vegetable counter and bin been installed.

Association at Mentone entertained all the employees and the members of their families at an ovster party last Friday evening.

There were plenty of oysters for everyone and you could have your choice -cooked in stew or raw. In addition, the tables were loaded with celery, olives, pickles, crackers, salads, desserts, and there was plenty of coffee to drink. After everyone had eaten their fill, ice cream bars were passed out to everyone before the evening's program started. Lyndes Latimer capably supervised operations in the culinary department.

About four hundred dollars in bright new five- and ten-dollar bills had been secured as Christmas gifts to the various employees, but they could not be distributed that evening as had been planned. The money was in the main office safe, which is equipped with a time lock, and it was locked in with the rest of the day's receipts before it was removed. As a consequence the gifts weren't distributed until the following morning. The employees presented Ed Ward, general manager, and Howard Horn, mill manager, with gifts.

Miss Carroll Mitchell, of Rochester entertained the guests with her dancing marionettes. Her show is very cute and entertaining, and the youngsters enjoyed "visiting" with the little actors after the performance.

Artley Cullum served as toastmaster for the occasion.

PSI IOTA XI HAS INITIATION

The Beta Epsilon chapter of Psi Iota Xi recently met at the home of Mrs. Delford Nelson for the annual Christmas party. The house and tables were gaily trimmed in the Christmas colors of red and green. Following a delicious dinner, served by the refreshment committee, the sorority initiated three new members in a beautiful ceremony. The new members welcomed into the sorority were Mrs. Ralph Mollenhour, Mrs. Earl Anderson and Mrs. Kenneth Barkman.

Bridge was played and a Christmas gift exchange was enjoyed by all. Mrs. Denzil Nelson, of Burket, was a guest and the following members were present: Mrs. Howard Shoemaker, Mrs. Glenn Weatherbee, Mrs. Lucille Whetstone, Mrs. Earl Dwyer, Mrs. Russell Henderson, Mrs. Curtis Riner, Mrs. Max Nellans, Mrs. Mott Bryan, Mrs. Harold Utter, Mrs. T. PUBLISH BOOK ON CO-OP

the first successful cooperative's establishment at Rochdale, England on December 21, 1944, prominent leaders in the movement have collaborated in the writing of a symposium in book form. The volume entitled United for Freedom, edited by the Rev. Leo R Ward, C. S. C., professor of philosophy at Notre Dame University, was released last week by the Bruce Publishing Company, Milwaukee.
United for Freedom traces the his-

tory of the movement, its philosophy and thinking, tells what co-ops have done, what they are doing and what they promise to do

In his preface to the book, Father Ward says: "The great point about co-operatives is what they can do for the people, and as the matter has worked out it is proper to ask what the people can do for themselves through the co-operatives. One hundred years ago, men had reason to doubt that the "co-ops" could do anything except give trouble. In one form or

throughout England, and in the long run they had always failed.

"Then, as we shall see in this book. a handful of weavers at the town of Rochdale in England faced a tragic situation, and challenged by that and helped by the study of co-op autopsies they found rules that gave both the co-ops and the weavers a new lease on life.

"What they do and what they promise to do is the subject of this book. in which, of course, each author commits himself only to what he has written. One chapter states, on the basis of wide and intimate knowledge, the place of co-operatives in the post-war reconstruction of society. Other chapters outline or at least suggest what is their spirit and meaning, their history, their effectiveness as an economic procedure, their place on the Land, in Labor, in the shcools, and their development in the urban areas, and in relation to the State, our family life and the liturgy and to vocational groups. In all the aim is a comprehensive statement of the good that is had or can be had through the cooperatives for a Christian democracy."

Besides Father Ward, the contributors include: Pope Pius XI, Andrew J. Kress, Don Luigi Sturzo, A. B. other they had been tried, especially McDonald, Martin E. Schirber, George

Every business appreciates customers visiting their place of business, but there is one thing more which brings real satisfaction, and that is the friendly greetings and cooperation of those patrons. For many months almost every business has had to struggle through with a shortage of materials, labor, etc., and none have been able to give the type of service they would like. It is our sincere hope that 1946 will see an end to these unfavorable conditions and that we may again be permitted to serve you even better than before, and bring to you more of the benefits only to be found in a cooperative enterprise.

CHRISTMAS DINNER FOR FAMILY

Mr. and Mrs. Vernon Jones had a Christmas dinner for their children, Sunday, Dec. 23. Turkey, chicken and all the trimmings were served to all except a grandson, Gaylord Jones, who is in Japan, and his wife and two children of Syracuse who were ill. Those present were Mr. and Mrs. Devone Jones, Mr. and Mrs. Mervin Jones and son Ken, Mr. and Mrs. Paul Jones and daughters Mary Linda and Paula Jean of Elkhart.

Santa Claus came in the afternoon bringing gifts for everyone.

Afternoon callers were Mrs. Vera Mattix and three children of Claypool and Mr. and Mrs. Harold McIntyre.

This was the first time the family has been together for three years and it was a very merry Christmas.

The guests in the home of Mr. and Mrs. K. A. Riner on Christmas day were Mrs. Ray Riner, Mr. and Mrs. Don Baum of Warsaw, Mr. and Mrs. Curtis Riner and sons Jack, Kent and Kay and Maurice Dudley.

1946 POULTRY, **EGG OUTLOOK**

Development of greater domestic markets through the production and marketing of a quality product, will enable the poultry industry to hold most of the gains made during the war period, in the opinion of Hobart C. Creighton. chief of the poultry branch. Production and Marketing Administration. Creighton discussed the 1946 egg and poultry situation before marketing officials attending the Michigan Egg Marketing conference at the State College of Agriculture, East Lansing, Mich. Dec 12

During the war, the annual turnover of the poultry industry grew to two and one-half billion dolars, more than two and one-half times the turnover of pre-war years, Creighton pointed out. 'We want to hold the gains we have made and I believe we can hold most of WISHING YOU ALL A

HAPPY NEW YEAR PETE'S LUNCH

He suggested that the industry coop- eggs in the retail stores throughout the erate throughout the nation with state agencies and the U.S. Department of Agriculture, in the furtherance of a uniform grading program aimed toward with those recently announced by Secthe development and maintenance of retary of Agriculture, Clinton P. Andquality poultry products.

"The benefits of grading should begin with the producer and should increase as the program develops, The consumer will become a better customer because he knows he can buy a dependable product. 'Grade A Michigan or Grade A Indiana Eggs' can become as meaningful as the catchy words manufacturers use to advertise their product."

To obtain the full benefit of this postwar merchandising program, poultrymen have the additional job of informing packers and distributors how grading will benefit them and how the marketing of small, poor quality, or dirty eggs hurts the market for the good ones. Considerable improvement is also needed in the marketing facilities and methods to conserve the quality of eggs in processing and distribution channels. Better organization of effort is needed, Creighton stated, to apply available knowledge and to stimulate further research on marketing problems "so that eggs can take their rightful place in accordance with production possibilities and nutritional values."

One of the most serious handicaps to satisfactory marketing of eggs, Mr. Creighton pointed out, is the hodge- are

them by developing greater domestic podge of grade specifications and terms markets than we had before the war." used to describe quality and sizes of country.

Creighton urged poultrymen to plan their 1946 egg production goals in line erson, or face the prospect of egg surpluses that could create a disastrous situation. Secretary Anderson recently recommended a 17 per cent cut in the number of chickens raised for 1946 flock maintenance and replacement. "These cuts," Creighton stated, "appear to be drastic and they are, but they are needed to bring egg production in line with anticipated demand during

15 to 18 million new cars needed! Making them will mean jobs!

Over 2,000,000 new trucks needed! Building them will build jobs!

Millions of cars need gas, oil, and parts. More jobs for workers!

Johs by the carload! On railroads! In factories, banks, stores!

<u>Postwar Jobs</u> – Delivered by Automobile!

FEW of our basic industries contain as many postwar opportunities as the business of making and selling automobiles.

In almost no other industry is the pentup demand for postwar products so apparent. At least 15 to 18 million people want new cars—and want them just as soon as they can get them! 5,000 cars are wearing out and leaving the roads every day. And for many months there will be more demand than our factories can possibly supply. Over and above this, more than 2,000,000 new trucks are needed.

Building these cars and trucks will mean jobs—in mines, mills, and factories. Jobs on farms. Jobs in machine shops. More jobs on the railroads that haul raw materials and parts for making automobiles—as well as the finished product.

In addition, the manufacture of tires and parts, and the selling and servicing of automotive equipment, can mean the employment of hosts of other workers. It can mean additional jobs in the country's 250,000 gasoline stations, 85,000 independent service shops, 35,000 car agencies! It can mean jobs in banks and in offices, in the service trades and in the professions!

Here's one of the greatest opportunities for mass employment, mass buying power, mass prosperity, that any nation has ever had! And the automobile industry is just one of many great enterprises along the Chesapeake and Ohio, the Nickel Plate,

and the Pere Marquette, that are preparing for greater production than ever before—to satisfy the demands of all of us —and by so doing to multiply jobs and opportunities in this country!

NOTED ATHLETE TO SPEAK HERE

Gil Dodds, known throughout the world as one of the outstanding athletes of all time and holder of the world indoor mile record of 4:06.4 minutes, will speak at the community building at Mentone Saturday, January 5, in a great interdenominational youth rally sponsored by the Tri-County Youth for Christ organization.

The rally is scheduled to start promptly at 7:30 p. m. and is open to the public. There is no admission charge and a warning is issued to come early in order to get a good seat. Dodds has become known throughout the world for his great track accomplishments along with his being a follower of Jesus Christ. He set his world record in the Chicago stadium on March 18, 1944, after breaking it the first time the week before in Madison Square Garden in New York. Dodds also was adjudged the outstanding amateur athlete of 1943 when he was awarded the

to the amateur athlete who by his conduct and action in his sport has done the most to further the cause of sportsmanship and clean athletics.

He retired from the track on Jan-

uary 20, 1945, at what is believed to be the peak of his career. His coach, famous Jack Ryder of Boston, told Gil at that time that he still had his greatest races in him. Dodds retired to go on the road and preach the Gospel in all parts of the land. Since that time he has been traveling constantly across the United States and Mr. and Mrs. Fred Horn. Canada in bringing his testimony of how prayer brought him his records and what the power of Jesus Christ can do in his life.

Only 27 years of age, Dodds has been running for 15 years since he started chasing jack rabbits down in Nebraska. He didn't run for quite a while when a lad because people had told him he couldn't be a Christian and an athlete at the same time. If ever any athlete has disproved that false theory it has been Gil Dodds.

Dodds joined the staff of Youth for Christ International in August of 1945. He will be speaking at rallies similar to the one scheduled here for the remainder of the year and on into 1946. He Joins on the staff of Youth for Christ International with such outstanding men as Rev. Torrey M. Johnson, director of this great movement which is sweeping the nation like wildfire, Rev. Bily Graham, young Southern evangelist from Charlotte, North Carolina, and Bob Finley, former pres ident of the student body at the University of Virginia and undefeated intercollegiate boxing champion in the 155-pound class.

Youth for Christ now is reported to have organizations in 500 cities and is said to reach close to 500,000 young people each Saturday night. The movement, along with its deep spiritual basis of bringing American youth back to God, also has been rated as one of the outstanding curbs against the rising tide of juvenile delinquency. Two years ago it was unknown except in a few cities, but now it has sprouted up all over the North American continent and is likely to go to foreign nations in the winter of 1946. It has truthfully been labeled as the Twentieth Century wonder in the religious field.
