CO-OP. ANNUAL MFFTING HE

The Northern Indiana Cooperative Association held its annual stockholders meeting Monday afternoon at the Menmeeting Monday aftermoon at the Mentone school, with approximately 100 of the better than 700 stockholders present A number of preferred stockholders and other interested persons were present to hear the reports of the officers of the association Forrest Kesler, president of the board of directors. presided

maing savings for the year were \$24,450,60 after deduction of various reserves for depreciation. etc Approximately ten thousand dollars were paid in dividends to the holdof the common and preferred stock and the balance of nearly fifteen thousand was distributed to the patrons in the form of new shares of stock or reserves towards additional shares. These full shares will likewise earn 80 interest to the owners during the present

Hobart Creighton former member of the board who was present to speak on the poultry and feed situation, complimented the association officers for the splendid financial condition of the business Joe Clark county agent, was present and he spoke highly of the value of cooperative enterprises and predicted that the next few years would see rapid strides in cooperative enter-

The terms of Directors Raymond Lash and Emra Anderson had expired and the stockholders reelected them to serve for another term of three years. Four candidates were listed as candidates in the election. The balloting gave the following tabulations Raymond Lash 53. Hobart 61. Dr E D Anderson Creighton 48 and O B Deaton 24.

At the reorganization meeting following the election, the officers and officials for the board of directors and the management were all reelected to serve as they have been serving.

INDEPENDENTS BEAT PIERCETON

The Mentons independent basketball team defeated the Pierceton independents at the community hall Thursday evening by a scor of 39 to 41.

MRS. LASH HAS STROKE

Mrs. Emma Lash. 81, mother of Raymond Lash of Mentone, suffered a stroke Monday evening at the home of her daughter in Elkhart. At this writing she is partially paralyzed and not expected to recover.

Paul (Pete) Goble, of the Crystal lake road, suffered a severe eye injury Friday when he was struck by a piece of flying rock while working on the Farmers State Bank building at Men-Pete was attempting to chip off piece of rock in the foundation so and a piece of the rock splintered and struck him in the eye. He was taken to the McDonald hospital at Warsaw and then on to an eye specialist at South dependents has been arranged for (The Bend It was reported he would lose the eye but late reports Thursday were that the doctor believed the eye could be saved and the operation performed

"HOW TO STUDY THE BIBLE"

Services at the Church of Christ are well attended. The singing is very good. the trade or profession. All week Evangelist A. E. Wickham has been speaking on the subject, "How to Study the Bible." Those who are interested in the Bible should not miss these sermons. The speaker shows the Bible contains a system. Meeting begins each evening at 7:30.

Worship and preaching Sunday morning at 10:30. Bible study preceding the worship and sermon. Sunday morning the subject will be. "Counting the

Cost Sunday evening at 7:30 Evangelist Wickham will speak on the subject, "How to Study Bible Prophecies." Don't miss this address Much information will be given regarding how to study the prophecies of the Bible. He will show revealed prophecies can be understood. The public is urged to attend.

Mr. and Mrs. George Clark and sons of Mentone, and W. S. McBride, of Chicago, called on Earl Phillips in the McDonald hospital Sunday.

Your editor attended a meeting at Warsaw last Friday afternoon where a representative of the Veterans' Bureau explained the operation and privileges contained in the GI bill for veterans desiring to go to school or tearn ny trade or occupation.

Briefly, it is assumed that every veteran who has seen over 90 days service with any part of the armed forces is entitled to schooling that will permit or enable him to compete with all others in any branch of endeavor. To make was called to Atwood to assist the Warthis possible, a veteran may attend any school or trade or vocational school. with the government paying the bill. could be leveled for the plasterers, \$500 per year is allowed for books, tuition, etc., and a subsistence allowance of \$65 per month for single men or \$90 per month for those married or with veteran is given 60 days to present his marriage license, in case you think the extra 25 bucks is worth it.)

Veterans chosing apprentice train ing in any factory or business is eligible for the same subsidy for living expenses that will almost invariably guarantee a tradesman's salary all during club is the sponsoring organization for apprentice training, plus the necessary tools or equipment he may require in

The veteran must apply to the Vetrans' Bureau for his authority to accept apprentice training under the program and he can negotiate the privilege only with firms who also have made application to the bureau and received their approval. The veteran is not compelled to accept the training at a particular school or plant, but is hired or fired) just the same as any other mclovee.

Many more details are included in the program, and any veteran, or employer, at all interested should see Mr. Rice at the bureau at Warsaw.

COL. ARTHUR DODSON TO SPEAK AT WARSAW FRIDAY

Col. Arthur S. Dodson, former Mentil recently the head chaplain of all meeting and everyone felt well repaid American chaplains in the European for attending. The next meeting, actheater of war, speaks Friday evening. Feb 8, at the "Youth for Christ" rally that a well known speaker and educatat the Pirst Baptist church of Warsaw, or will be present.

BELL SALUTES MENTONE

Larry Bell, native of Mentone and originator of the Bell Aircraft Corp., of Buffalo, N. Y., made a couple of Circles over Mentone Friday noon as a greeting to all his friends here.

Mr. Bell was flying in a twin-engined

ATWOOD ELE-VATOR BURNS

The Mentone fire alarm was sounded Thursday etening when the department saw, Plymouth and Bourbon departments in fighting a fire at the Atwood mill. Late reports were that the mill. elevator, burned down, along with a portion of the lumber sheds, but the coal sheds and some of the other buildings were saved.

LIONS ENTERTAIN BOY SCOUT TROOP

The Mentone Lions club was host on Wednesday evening to the Boy Scouts from troop 58 Wednesday evening. The the Boy Scouts and Commissioner Freeland Phillips, of Warsaw, was present to officialy present the charter to the spensoring organization. Lion President Mollenhour accepted the charter for the Lions club.

Robert Russell, of the public relations department of the Indiana Builders and Supply Association, gave a very interesting talk and exhibit on some of the new uses for lumber and also new methods found to make wood and lumber more useful to the world.

During the business session of the meeting Lion President Mollenhour appointed a committee to investigate the possibility of arranging for more recreational facilities for the youngsters of Mentone. Elmore Fenstermaker was named chairman with Leo Valentine, Forrest Kesler and Artley Cullum as the other members of the committee.

A good attendance was present at the cording to the president, it is expected

CLYDE WARD, Local Representative

June is four feet, ten inches in height and has a dark complexion topped off with black hair. She has a very eventempered disposition and at times is quite giggly but it makes her a very happy looking girl. She likes to dance, likes roses and would like to spend all waking hours eating hot-dogs.

June has spent all her twelve years of school at good old Mentone and her only ambition after saying good-bye to school days is being a housewife.

We hope her a lifetime of happiness.

Bedelia Bell Joan Weirick was born December 29, 1928 at a farm near Mentone. Her parents are Mr. and Mrs. Raymond Weirick. Bedelia spent her first ten years at Tippecanoe and then came to Mentone in 1944 in her Junior year to complete her high schod days with us

Bedelia is five fet, seven and onehalf inches tall and has a light com-(Continued on page seven)

Trans for Mice

While damage by mice is less likely to be seen in the garden than damage by the larger animals, these rodents may come in from nearby grass. Twenty-five to fifty ordinary snap-back mouse traps can be used for good control, scattered about the garden at 10-foot intervals and also in runways in any grassy area near the garden. The traps should be baited and inspected every day until the mice are caught. A pinch of oatmeal on the pan of the trap makes a good bait.

YOUR OWN PERSONALITY

Campuflage Colors

Whereas the camouflage engineer once made only one olive drab, now he must make about six, all the same to the naked eye, but ranging from black through grays to white as seen on an infra-red photograph. And olive drab is only one of the many standard camouflage colors! By formulating pairts and finishes high in infra-red reflectance, the paint industry is providing another tool to help win the war.

Government Units

There are 155.097 local governmental units in the nation. These comprise 16.183 cities and villages, 18.884 towns, 3.050 counties, 108,644 school districts and 8.331 special districts. Of the cities and villages. 3,332 have populations of more than 2,500. On the basis of the foregoing statistics, it is estimated that there is one governmental unit for each 850 persons in the continental United

TO SERVICE MEN and WOMEN

Every veteran is, or will be, confronted with a most difficult problem in getting back into civilian life, and the Co-Op. News wants to be of every assistance possible. One manner in which we can is in making it possible for the serviceman to make his wants, needs or desires known to the people of the community, and the classified department is open to every veteran to use as he deems best. This service will be given absolutely free, and there are no res-strictions on advertising copy. The publishers reserve the right to limit size and number of insertions.

If you want a job, a helper, partner, finances, building or equipment, etc., let us help you.

HIGGINS TO TAKE TRIP

The Akron News recently carried the following news item:

"During the Farm Bureau meeting, the members of the Jonah Club held a private meeting and with Ray Wildermuth as spokesman, a gift of \$100 was presented to Mr. and Mrs. Forrest Higgins for their untiring efforts in putting over the Jonah Club dinners. The money was taken from the club treasury and is to be used purely for the pleasure of the Higgins. They decided immediately that they would take death. Keep it alive with customer a trip to California to meet their boys, who have been overseas. Dick Higgins was expected to come home February 4th or 5th with a 30-day furlough. So the Higgins plan to take Dick back around March 1st and meet Tom Higgins who is due in at that time. Good luck to them! We all hope they have a grand trip and enjoy being re-united with their boys again.'

GUIDE Better 9

Compiled by I. J. HELLER

THE SIX-POINT PROGRAM:

The following recommendations are based on considerable experimentation and practical experience. They are present their their value to the wide-awake and progressive poultryman, to help him produce better-quality eggs. BETTER EGGS MEAN BETTER PROFITS. We sincerely hope they will attain the desired results.

Feed for Light Yolks:

Preferably a well-balanced commercial preparation with liberal milk content and least greens (alfalfa and such.)

Produce clean, infertile eggs.

- as Us clean shavings in ample supply for net material and make the nests 7" or more deep. Allow one foot of nesting space or one nest for 5-6 ness. Keep the nests dark.
- series the droppings board.
- Keep the litter reasonably clean and dry, and at least 2 deep over the entire floor.
- Allow at least three square feet of floor space per bird
- er Remove males promptly after breeding season.

Keep eggs cool.

- Gather eggs three times daily at least, but four times is preferable, at 8 and 11 A. M., 2 P. M., and evening, approximately, "Use ventilated baskets or performated pails."
- b. Place in clean cellar or room immediately.
- Keep eggs away from radiators and stoves
- (d) Keep egg room well ventilated, but without cross duals and at a temperature between 35 F. and 55 F.
- $\mathrm{Ke}\left(\right)$ egg room fairly moist (70% relative humidity or higher.)
- Keep egg room free from foul or musty odor, drive utensils or floor, accumulation of cobwebs, or large numbers of flies.
- Do not pack in cases until the eggs are cooled 12 hours or more.

Sort for size, color, and interior quality.

(a) Candle, if eggs are retailed, to remove blood spots, meat spots, checks, low quality eggs or inedible Min. Net Wt.

	Sort for Size				per	case
(D)	Sort for Size	28	2+	Ho	Oz.	52 lbs.
	Jumbos Extra Large	20	*	90	Oa	48 lbs.
	Evira Large	20	w	20	OZ.

- Pack each size and color separately in strong, clean cases with sound clean flats and fillers.

 - flats and fillers.

 (a) Pack white, brown and tinted eggs separately and identify on the case, or shipping tag.

 (b) Pack eggs small end down.

 (c) If extra long or very large eggs are shipped, pack at the center of the top filler and build up the case ends, 1-8 to 3-8 inch.

 (d) Nail a one-piece cover at ends with 4 nails each. (Never nail to center partition.)

 (e) Do not pack newspapers or excelsior between the sides and ends of the case and fillers.

Ship as often as possible.

- Select transportation that gives:
 (1) Protection from high and low temperatures.
 (2) Minimum and careful handling of the case.
 (3) Prompt delivery to the receiver's floor.

 (b) Best results will be obtained by shipping entire production to one reliable firm, who, depending on REGULAR shipments, will be able to place nem for you more advantageously

MRS. LASH

Mentone for many years, died at 9:00 p. m. Priday at the home of her daughter, Mrs. Charles Jackson, of Elkhart, where she had been residing since November 8. Death was caused by paralysis and followed an illness of two or three weeks.

Mrs. Lash was born in Hancock county, Ohio, April 5, 1864 As Emma Eckert, she was married to Edmund S. Lash, former county commissioner, who passed away three years ago.

Surviving relatives are a son, Ray-mond Lash, trustee of Franklin township; two daughters, Mrs. Madge Jackson, of Elkhart, and Mrs Gladys Meredith, of near Mentone, and seven grandchildren.

Funeral services were held Monday afternoon at the Harrison Center U B church The Reed funeral home was in charge

TWO MENTONE MEN SUFFER BROKEN BONES

Charles Manwaring, manager of the Manwaring Leghorn Farm, is confined to the Murphy Medical Center at Warsaw after fracturing a bone in his right leg Sunday while skating near his cottage at Chapman lake. It seems Charles his brother. Dick, and other friends were ice skating, and while they were standing talking to each other. Charlie lost his balance and fell down. In falling he seemingly caught his skate runner in the ice and managed to twist his leg just enough to fracture it below

Adam Carper, while playing with his neice, backed into a corn shock and in some manner fractured a bone in his left hand as he fell over backwards. Adam is up and around but has his left hand pretty well bundled up. He can still hang onto his cigar with it. but won't be able to get his money's worth out of the present-day 25c twofor-a-nickle cigars without danger of a are in the bandages

Mr. and Mrs. Lon Walters visited Sunday at the Harold Walters home in Mrs. Talma

GET BAD NEWS ON HOUSING

Fred Lemler, chairman of the town board, received a letter from the emergency housing administration at Chicago Thursday morning stating that Mrs. Emma Lash, 81, a resident of the quota of government units had been exhausted, and until more were made available. Mentone's application would be of no value. (The Veterans' program was put into effect on a Friday and Mentone's application was made on the following Wednesday.)

It is to be hoped that some other means may be found to secure the homes so badly needed by returned veterans.

EGG SHOW NEXT MONTH

The Mentone Egg Show, with its initial post-war event scheduled for the days of March 14 and 15, is receiving some of the final touches by the various committeemen sponsoring the 1946 The financial budget is the event. largest in the history of the organization and a fine educational program is in the final stages of completion.

Several hundred dollars have been set aside for the premium department for payment to exhibitors of eggs. Producers of the area are invited to send in as many exhibits as they desire. The rules governing the judging will be announced shortly, but unofficially, judging will be on exterior quality only.

The program this year will be principally on the educational line and to date several outstanding educators are

on the program.

Watch for further details on the 1946 Mentone Egg Show.

Maurice B. Greulach SKT 2-c, has been discharged and came to Mentone Saturday Sunday evening he went to Fort Wayne where he will teach in the International Colege.

0 . 0

Rev. and Mrs. Simmons, Mrs. Broda Clark and Mrs. D. L. Bunner called on Mrs. Cora Williams in the home of Mrs. Pottenger in Warsaw on Monday. Williams is much improved health.

DOING THEIR PART

(The Mentone Egg Show has as its primary purpose, the making and maintaining of the poultry business as a profitable undertaking for the producers of this area. The cost of the show and its educational features is underwritten by business firms, hatcheries, receivers and all allied industries. Recognition of firms, hatcheries, receivers and an allied industries. Recognition of contributions will be made in each issue of the Co-Op. News until the date of the show and on special pages of a scuvenir egg show booklet. Ed Ward, Mentone, is chairman of the finance committee, and an invitation is extended to every-one to make a contribution in any amount you would like.)

Mr. and Mrs. Davis are residing at their new home on R. R. 1, Silver Lake, faker.

ROSCOE DAVIS GETS MacARTHUR AWARD

The following members were present at the troop meeting Sunday night at the Mentone high school:

Roscoe Davis, Tom Fitzgerald, Jack Riner, Walter Smith, Jim Nuell, David Johns, David Cooper, Carl Peterson, Donald Peterson, Jim Mollenhour, Donald Coleman, Dick King and Scoutmaster, Noble Oyler. The troop has

a new member, Donald Flenar.
Rescee Davis is the only scout in Kosciusko county to receive the Mac-Arthur award for gardening. It is a very beautiful award.

-Scout reporter

WATCH EASY-MONEY AGENTS

The American public is about due for one of the biggest eras of peddlers in history. The first few months after production gets going will be a seller's paradise, but regardless of the ease of making legitimate sales, there will be hundreds of peddlers with a gyp paradox. The buyer will do well if he will hesitate long enough to carefully ap-praise each "bargain" before signing on the dotted line or parting with his cash.

This week Mentone had a visitor who attempted to sell his wares on misstatements-and succeeded in many instances. His argument was based on discrediting other manufacturers—and anyone should be suspicious of any individual that even talks against any competitor.

The article this man was sellingand the items he said were no longer available due to production difficulties, etc., are available. In fact, the Country Print Shop has been one of the few business houses in this area that has been able to supply wire staples for stapling machines all through the war, and will continue to have them.

We're not in the least concerned of the competitive angle as this item is but a tiny fraction of our yearly volume of business, but it is discouraging to see your business friends and associates up and down the street suffer a loss at the hand of some indiscriminate

diphtheria she's last week. Some of their arms are getting preity sore.

The second grade is busy making valentines for their party Thursday.

Miss McFarren says they are having an exciting time in a new game in arithmetic called "racing", finding which side is ahead each day.

The fifth grade is visiting the Philhppine Islands in the South Pacific. Delores Julian of the sixth grade has withdrawn and gone to Warsaw to

school The county superintendent visited school Thursday and visited nearly every class. His name is Glen Whitehead and his home is in Warsaw. He took office last July The fire Marshal was here Thursday, also,

We had a tire drill Thursday and got out in very good time -Reporter, Doris Nelson

\$25 EXTRA PROFITS

Easy to figure. About a nickel's worth of Master Mix Calf Pellets a day will grow a big, sturdy calf with plenty of sound, solid weight. Compare that with the 25c to 30c worth of milk these pellets replace. Total up your savings over a period of 4 months and you'll see how you can be \$25 ahead on every calf. No washing or scrubbing of pails either. Stop in ... see your Master Mix Dealer. Put your calves on Master Mix Calf Pellets . . . the Pellets that send more milk to marker.

GROWING FEEDS FOR GROWING NEEDS

Master Mix Feeds are rich in all the vital elements the growing calf needs ... carefully balanced by Master Mix nutritionists and hepf in balance by constant laboratory checks. That's why, when you feed Master Mix Calf Pellers or Meal, you can be sure your calves are getting all the essential nutrients needed to build sturdy calves for dairy herd replacements or rapidly maturing beef cartle. For Master Mix Calf Peeds aren't just a "substitute" for milk. ... they'se actually an imprenement over milk in mose. neer cartie. For master Mix Latt Feeds aren't just a "substitute" for milk...they're actually an improvement over milk in meeting the nutritional needs of calves.

MASTER MIX CALF PELLETS

- 1. Easy to feed
- 2. No washing or scrubbing of pails
- 3. Fed dry with grain
- 4. No mixing with water er

Basketball News

Congratulations are in order for the Mentone basketball team in keeping their victory record clean since the county tourney - Friday night, fans packed the local gymnasium to witness a greatly underrated Bulldog team pull the surprise of the year. The fighting Buildog team took complete charge of the game from the beginning tip-off. The boys fought with a determination that startled and completely upset the poise of the Fulton county champions and sent them home with a bitter 39 to 35 defeat. Perhaps the boys were angry at the comment the sports writer of the Akron News made when he "The coined the following phrases: Akron Flyers make another 32 minute flight over Mentone tomorrow night. is hoped around the local hanger that the Flyers will bomb the Mentone net so hard that the Bulldogs will give ron Cubs by a score of 26 to 14. The

ly after the Flying Forts made their first 1000-plane flight." In answers to the Akron sportswriter's plea and upon learning of this secret and vital information, the Bulldogs capitalized on the intentions of the raid and reinforced themselves with atomic power. The rocket missles of the Bulldog team found their range and were projected with unerring accuracy to the proper stratosphere with the result the Bulldogs completely wiped out the Flyers attacking formation.

Local basketball fans can partially visualize next year's team as the result of the game with Akron. Whetstone, a junior, has been ill and was not permitted to play with the regular five in the Akron game. Miner, Long. Blue, Bowser and Dunnuck will be back next year to help make coming prespects look good in clashes with basketball opponents. A grade game with Akron was played as the preliminary Friday evening.

The Bulldog Pups defeated the Akoff the appearance of a 'Berliner' short- grade boys played well together con-

regular coaching or scheduled games. There is an exceptional amount of good material in the seventh and eighth grade and with some regular training these boys should develop into some outstanding athletes. The parents and followers of these grade boys will be interested in knowing that a junior high school basketball tourney will be played in Kosciusko county in two weeks. Four school centers will play blind tourneys at the same time and the winners will meet at Warsaw to determine the county champion. The following schools are hosts and the teams competing are as follows:

Mentone, Atwood, Etna Green and Burket.

Silver Lake, Claypool, Sidney and Beaver Dam

Warsaw, Pierceton, East Wayne and West Wayne.

Milford, Syracuse, Leesburg and No. Webster.

Every member of the revised Bulldog eam performed impressively. Witham and Miner played on the outer half of the zone defense and constantly worried and hurried the Akron guards to cause them to fail miserably in their shooting accuracy. Miner has improved his shooting until now he ranks with the leaders in percentage Witham fouled out in the last quarter but not before he had added his bit to the devastating third quarter where he garnered three field goals. Flenar replaced him and played a splendid game in the last few minutes when the pressure was really on. Glen Blue showed he can be considered as a first stringer as he played a fine game and with Long and Bowser controlling the rebounds from Heeter's reach to play a major part in the victory.

Bowser had tough luck in being de prived of three field goals which the official ruled off the books because of traveling. Dave's controlling the tip and thwarting of Akron's fast break was impressive. Long let the opposition know that the Bullodgs were out to win from the first. On the opening whistle he took the tip-off and dribbled between the two guards to tally elected as follows: president, Bonnie the first points of the game. He continued to play wide-awake and ag- Cullum.

sidering that they have not had any gressive ball and ended up with a total of 13 points to his credit. Every player tallied in the third quarter to help run up seventeen points that spelled victory. Mentone's zone defense showed its power by holding Akron to one field goal for both the second and third quarters. The box score follows:

Mentone	FG	FT	F	TP
Long	5	3	3	13

MEMORIES OF YESTERYEAR

Neither a nation nor a people is successful if they go backwards: to prosper we always go forward. Yet who can disagree that there are many beautiful memories we can revive with thoughts of yesteryear? Too, there is a great education in the knowledge of olden times

Times have advanced against all things, some for better and some for worse. For the worse because sometimes man is not yet smart enough to know the best from the worst; and, too, some of us become the great "I Am" wherein we may stumble on our own toes. Yesterday is gone for the most part, except perhaps memory; tomorrow is to come, and bring what it may, good or bad, we have to face it Often you have heard the old saying that opyou have heard the open portunity knocks only once and that of all mankind, as a lesson to those is the time to grasp it. What a mistake that would wage war; as a reminder of that is

Opportunity is always knocking if we are smart enough to grasp it and to know it when it knocks

If we were not always going forward this would not be true. As we progress as nations and a world there are the memories of yesteryear. continually opened before the people new opportunities and we do not have to be discouraged because we failed vesterday but look forward to tomorrow and new opportunities

However, just as many old songs are revived by new tunes we may be able to improve today upon some other vocation than we practiced as of old. fact many things still stand by name or nature as they were hundreds of years ago.

Only a new face has been added, the

BOWMAN PLUMBING 111 .W. Market St. Phone 644 Warsaw, Ind

body is still there. Why? Because it was a good body that withstood the waste of years.

The body of man is the same as yesteryear but has advanced to a new era in science, in education, and especially in speed and destruction. Few can doubt that man has advanced in methods of destruction, meaning wars. But for almost the first time in a few yesteryears, there is peace all over the world. Our fellows are coming home to loved ones-to things they have dreamed about many a lonely night. from far flung places that must always remain a little bit of America.

Our honored dead lie in eternal peace, making each burial place a hallowed spot in our memory. Let our time of rejoicing include one special moment of prayer for those.

Let the names of the great places of their victory be engraved on the hearts the wrath of a peaceful nation, a nation whose youth spent their energy in games, in hunting, and in fishing, not in preparation for war and death.

But let us be humble in this moment of triumph and revive with thought,

-Henry Whetstone

REFRAIN FROM CALLING CEN-TRAL WHEN SIREN BLOWS

The Mentone fire department has enjoyed splendid cooperation from the local telephone operators in handling fire calls during the past year or so, which has aided materially in getting to a fire in less time. The operators, once the alarm is given, makes an individual call to each fireman notifying them of the fire. Frequently the firemen are at the fire house by the time the siren blows, and anyone knows that time is the greatest factor in sav-

However, the operators report that Marshal Frank Warren states that there be no confusion. The only ones the stage of the Eighth Street Theater Straughn, Indiana champion 5 acre Marshal Frank Warren states that there be no confusion. The only ones the stage of the Eighth Street Theater be has had a number of complaints actually in need of this information by the cast. mals are kept from roaming about the streets. Some of the dogs have been bothering clothes on the line as well

immediately when the siren blows, ask- of Vermillion county, who made their the WLS microphone for interviews ing where the fire is. This flood of first group flight to Chicago, Feb. 2, with Bill Renshaw, Indiana editor of calls creates considerable confusion at to attend the WLS National Barn Prairie Farmer, who flew to Chicago a time when it is most important that Dance were given a rousing welcome on

call each time, but it should not be necessary for her to embarrass or offend someone who is using the tele-

phone office as an information bureau VERNON HURD HOME BURNED

to satisfy idle curiosity.

Fire, about 12:30 p. m. Saturday, totally destroyed the home of Vernon Hurd, an employee of Rapp's body works, Warsaw. The home, located near the Harrison Center church, was

owned by Elmo Calvert, Warsaw.

The fire, believed to have been caused by a defective chimney, was discovered by Hurd's wife. Looking out a window, she saw a shower of sparks descending and on going outside, saw the whole south side of the home in flames.

Neighbors went to the aid of Mrs. Hurd and succeeded in saving about one-fourth of the contents. The Hurds were moving Monday to a new home on the Tippecanoe River, near Warsaw. The building was practically con-

sumed when the Mentone fire department arrived at the scene.

Dr. Davis has completed his course at Northwestern University Medical and has resumed regular office hours, as follows:

2:00 to 5:00 p. m. except Wednesday and Sunday. 7:00 to 9:00 p. m. Tuesday, Thursday and Saturday.

Fourteen Indiana Flying Farmers, crowd prior to their appearing before with them. (back row, l. to r.) Earl Clingan, Ernest Moudy, Ellis Volkel, on whose farm the airport is located; Gerald Morgan, son of a well-known Vermillion Co. cattle feeder; (middle row, l. to r.) Mrs. Ernest Moudy, Mrs. and Mr. Orville Brown, Mrs. Ellis Volkel; Mrs. Earl Straughn, (front row, l. to r.) Robert Clingan, the Arkansas Woodchopper, Maxine Van Sickle, Rex Alen and Joe Coffing, whose father and uncle are among the nation's apple growers, having produced 125,000 bushels last year. An interesting note on the group is that all women in the group are either licensed pilots or student flyers with solo flights to their credits.

These fourteen Indiana flying farmers took off in seven personal planes from the Highland airport, at Perrysville Saturday, Feb. 2, for their first group flight to Chicago. They were given a warm reception at the airport by the Chicago newspapers and the news and photowire services. It was a perfect day for flying and the trip, plus landing at Chicago Municipal airport, proved to be a thrilling event to these Hoosier flyers, who are fourteen of some 200 Indiana Flying Farmers.

On February 2nd Prairie Farmer-WLS announced its sponsorship of a Flying Farmers Club for the farmers in Indiana, Wisconsin and Michigan. The farmers and Prairie Farmer-WLS believe as a closely knit group in a well organized club, the FLYING FARM-ERS voice through the farm paper and radio station will be more readily recognized when aviation legislation, safety factors, improvement in aircraft constructon and engineering demand attention.

IN MEMORIAM

Wellington R. Borton.

In loving memory of our dear husband and father, who passed away one year ago today, February 10, 1945.

The days go on just as before, The sun shines just the same. But way down deep within our hearts Is that never ending pain.

The Borton Family.

Better Quality Eggs

Compiled by I. J. HELLER

THE SIX-POINT PROGRAM:

The following recommendations are based on considerable experimentation and practical experience. They are presented for their value to the wide-awake and progressive poultryman, to help him produce better-quality eggs. BETTER EGGS MEAN BETTER PROFITS. We sincerely hope they will attain the desired results.

Feed for Light Yolks:

Preferably a well-balanced commercial preparation with liberal milk content and least greens (alfalfa and such.)

Produce clean, infertile eggs.

- (a) Use clean shavings in ample supply for net material and make the nests 7" or more deep. Allow one foot of nesting space or one nest for 5-6 hens. Keep the nests dark.
- (b) Screen the droppings board.
- (c) Keep the litter reasonably clean and dry, and at least 2" deep over the entire floor.
- d. Allow at least three square feet of floor space per
- (e) Remove males promptly after breeding season.

Keep eggs cool.

- (a) Gather eggs three times daily at least, but four times is preferable, at 8 and 11 A. M., 2 P. M., and evening, approximately. (Use ventilated baskets or perfor, ated pails.)
- (b) Place in clean cellar or room immediately.
- (c) Keep eggs away from radiators and stoves.
- de Keep egg room well ventilated, but without cross drafts and at a temperature between 35° F. and 55° F.
- (e) Keep egg room fairly moist (70% relative humidity or higher.)
- (f) Keep egg room free from foul or musty odor, dirty utensils or floor, accumulation of cobwebs, or large numbers of flies.
- (g) Do not pack in cases until the eggs are cooled 12 hours or more

Sort for size, color, and interior quality.

(a) Candle, if eggs are retailed, to remove blood spots, meat spots, checks, low quality eggs or inedible

					LANGERT L.		
(h)	Sort for Size				per	ca.	se
(0)	Tumboe	28	æ	Up	Oz.	52	lbs.
	Extra Large	26	to	28	Oz.	48	lbs.
	Large	24	to	26	Oz.	45	lbs.
	Medium	21	to	24	Oz.	40	lbs.
	Pullets	18	to	21	Og.	35	lbs.
	Pee-wees	16	to	18	Oz.	30	lbs.
	2 cc wcca d timto	fror	n 11	chit	e-shell	ed 6	aggs.

- (c) Separate browns and tints from white-shelled egg.(d) Clean all soiled eggs. Do not wash or wet eggs.
- Pack each size and color separately in strong, clean cases with sound clean flats and fillers.

 - Fiats and fillers.

 (a) Pack white, brown and tinted eggs separately and identify on the case, or shipping tag.

 (b) Pack eggs small end down.

 (c) If extra long or very large eggs are shipped, pack at the center of the top filler and build up the case ends, 1-8 to 3-8 linch.

 (d) Nail a one-piece cover at ends with 4 nails each. (Never nail to center partition.)

 (e) Do not pack newspapers or excelsior between the sides and ends of the case and fillers.

Ship as often as possible.

- (a) Select transportation that gives:
 (1) Protection from high and low temperatures.
 (2) Minimum and careful handling of the case.
 (3) Prompt delivery to the receiver's floor.
 (b) Best results will be obtained by shipping entire production to one reliable firm, who depending on REGULAR shipments, will be able to place them for you more advantageously.

Copies of this ad with shipping tags will be mailed upon request:

there will be reception of members at army camp just in time to take Mrs. at her present home in Warsaw for the 10:00 a. m. worship service Sunday. Tucker to the hospital for the event. the past 23 years.

W. ANDERICK

William Sherman Anderick, 79, lifeong resident of Palestine, died at 9 m. Tuesday at the home of his daughter, Mrs. Otis Warner, Warsaw. Death followed an illness of several

Mr. Anderick was born in Palestine June 7, 1866, the son of William and Olivia (Everly) Anderick and had resided there all his life, being a farmer by occupation. He was married to Jennie Newcomer June 16, 1888, and was a member of the Methodist church.

Surviving relatives are his wife; the daughter, Mrs. Otis Warner, with whom he and Mrs. Anderick were spending the winter; three grandchildren and one great-grandchild.

Funeral services were held at two p. m. Thursday at the Christian church

FINDS WEATHER BALLOON

John Miller came into the Co-Op. News office Monday with a weather balloon and radio sending apparatus he found in one of his fields. Although he had not noticed it before, indications were that the parachute and radio set ad encountered considerable weather. These weather balloons are set to ascend to an altitude of 12.000 feet where the rarified atmospheric pressure is so light that the balloon bursts. The set then returns to the earth on a smal parachute. The radio set sends out a constant stream of data regarding the wind temperature, humidity and what else it can of value to weatherman at the home station.

\$66.33 FOR PARALYSIS FUND.

Mrs. Lerov Norris, chairman of the Infantile Paralysis drive in Mentone, reports that a total of \$66.33 was re-ceived here. The drive was conducted by the Girl Scouts.

will speak at the Youth for Christ tone Methodist church, announces that Saturday. Albert got home from the preceded her in death. She had lived

LAYMEN SUNDAY AT

METHODIST CHURCHES This Sunday will be Laymen Sunday in the Methodist churches throughout the North Indiana Conference when the pulpits will be filled by visiting laymen. Mr. Orville Kilmer from Warsaw will speak here at the 10:00 service and Nelson M. Cook, of Bourbon, will speak at Tippecanoe at 11:00. Glenn Snider, of Mentone, will speak at the Talma church at 10:00 You will want to hear these men speak and the laymen of these churches are urged to be present. The public is invited.

MRS. HEPLER BURIED SUN.

Funeral services were held at the Bibler funeral home, Warsaw, Sunday, Feb. 17th. for Jesta Elen Hepler, with Rev. S. M. Hill of Mentone, officiating. Interment was at Stony Point.

Jesta Ellen Hepler, of east of Warsaw, was born at Stony Point, in Kosciusko county. April 24th, 1868, and passed quietly and peacefully away without a struggle, at her home in Warsaw at 3:45 p. m. on Feb. 12th. aged 77 years, nine months and 19

December 3. 1884 she was united in marriage to John Henry Hepler. To this union five children were born: three sons and two daughters. Fred S. Joseph Victor (deceased), Mrs. G. T. Stansell, Paul H. and Mrs. I. A. Risner of Millersburg, Indiana. Three grandchildren. Cupid Hope (deceased). Eugene D. Ruple, F.C.S 2-c, who is stationed at New London. Conn., and Sgt. Wayne R. Hepler, who is now serving in the army in Germany, also sur-

vive. Shortly after her marriage they went west to Kansas and resided there five years where Fred and Victor were born. They then moved by covered wagon to Guthrie, Oklahoma and homesteaded a quarter section of land. They resided in Oklahoma seven years and there Mrs. Stansell (Stella) was born.

She saw many hardships in the west A daughter. Jane Ellen, was born to Mr. and Mrs. Albert Tucker at the Mc-Donald hospital at Warsaw at 6:05 in 1898. In September 1918 John Henry

SCHOOL NEW

First Grade

Absences have been many this week high as and there have been as eleven out at once. The children are working very hard trying to catch up. due to the fact of so many absences. Second Grade

Sarah Urschel was absent this week. Sarah has come to our rooom from Rome Georgia The second grade are happy to have Sarah with us. The secare learning things about George Washington

Third Grade

Monday morning the third graders were made glad because Nancy Snyder and Garwin Eaton both returned to school after their long absences due to liness On Tuesday they had a 100% attendance for the first time in many days

Several days ago this class had found it hard work to find another word that meant two on a certain page in their them find it a little hard to follow reader But one Tuesday, during Eng- their rules of being courteous and of hish class they were studying words sticking to the point. that mean the same and they found five other words that meant two, namely pair, both, team, couple, twin, sectional tourney which starts Thurs-Building a vocabulary is one of the big problems for third graders.

Frank Manwaring came to school Monday morning with a primary arithmetic eighty years old. Since the class was reviewing subtraction that day it was decided to try some of the problems from this book. They really believed in long problems but they weren't so hard after one got started.

Sheila Fitzgerald brought a McGuffey Reader the other day which the class enjoys. She will read us a story "George Washington and His Hatchet" for our George Washington story hour from this book.

Fourth Grade

The fourth Graders are planning a courtesy booklet using this quotation for a guide:

"Politeness is to do and say the kindest thing in the kindest way."

Sixth Grade

Absences have been very few this week. The children are studying in the same units as they have been for the last couple of weeks.

The sixth grade have been prepar ing and giving some debates. Some of

armory will be quite crowded. We all wish our team extra special good luck.

The shop class is very grateful for the well seasoned native lumber donated by Chancey Mollenhour. The power machinery has been kept busy making corner shelves, what nots, tie racks, end tables, clothes hampers, writing desks, table lamps, pedestals, book shelves, bird houses and farm gates besides making many small repairs for farm machinery.

Twenty-seven boys are enrolled in shop so securing materials and equipment has been a real problem at times.

JACK'S SLAUGHTER HOUSE

Will be in operation the entire year.

CALL MENTONE LOCKER PLANT FOR SLAUGHTERING DATE for either Hogs or Cattle.

Capt. D. L. Urschel, who is stationed in the Walter Reid Hospital, Washington, D. C., is home on a short leave. 0 0

Mr. and Mrs. Samuel Chapman were Sunday guests of Mrs. Chapman's mother. Mrs. Ida Hohman of Yellow Creek Lake.

0 .0 Mr. Waldman, of S. & W. Egg Co., New York, spent the past two weeks in the Mentone vicinity explaining the condition of the egg market and the outlook of the season to come.

0.0 A surprise birthday party was given to Byron Nellans by his father, Earl Nellans, Monday, February 18. The guests were Mr. and Mrs. Elery Nellans of Etna Green, Mr. and Mrs. Walter Barkman, of Warsaw, and Miss Opal Wilson, of Mentone.

0 . 0 Mr. and Mrs. George Black and Mr. and Mrs. Floyd Tucker, who had a very enjoyable trip through the southern states, returned home on Friday, Some of the neighbors, we are told, were helping run Black's Store while the folks were away, but George got back just in the nick of time. Prices were drastically reduced, services expanded far beyond the hopes of the most modern city drug store and Chester Bowles was just about ready to send a special committe from Washington. Many of the finest garments in the Black home were displayed for sale far below either market (or black market) prices. It seems a man tust can't live his own life out in that community.

Pole Beans

Pole beans are the heaviest yielders of the family, and in the small garden will give more food for the space occupied than any other crop. They are later in season and more tender to cold than bush beans. They should not be planted until the weather is settled and the ground warm. Plant six to eight seeds in a hill and then thin out to the four strongest. The hills should be two feet apart.

Public Sale

To be held 2 miles south and 2 miles west of Burket, or 3 miles south of Mentone and 2 miles east on Meredith farm, on

TUESDAY, FEBRUARY 26

SALE TO START AT 12 O'CLOCK

WHEEL CHAIR DRIVE TO BE LAUNCHED HERE

Mrs Bernice Rush, president of mothers of World War II. Inc., has announced the starting of a drive to raise funds to purchase wheel chairs of other hospital equipment for the free use of the residents of this county.

Funds will be raised through cooperation of citizens of this county and Capper Fublications. Inc. Mrs. Rush and other officers of the drive committee have made it clear that this is a community service project and not a request for donations, as donations cannot be accepted.

"Wheel chairs or other hospital equipment will help make our sick people more comfortable. They will enable folks to come home earlier from the hospitals than would otherwise be possible thereby relieving present over-crowded conditions" stated Mrs. Rush, speaking in behalf of the War Mothers.

Wheel chairs will be located so as to serve the residents of all towns of Kosciusko county and surrounding rural territory quickly and conveniently. Any Kosciusko county person who has need for this equipment may have the free temporary use of it with only the obligation of transporting it to and from his home All public spirited persons are urged to cooperate in this worth while campaign. The campaign is being directed by H. L. Allison of the Capper organization.

NELSON BROTHERS' TRUCK HIT BY TRAIN NEAR BURKET

Carl Miller, truck driver for Nelson Bros Burket, escaped uninjured about 11 o'clock Friday morning when the truck he was driving was struck by an east-bound Nickle Plate troop train.

The accident occurred at the road crissing near the Burket depot. The speeding train hit the trailer well towards the rear of the vehicle, completely demolishing the trailer. The tractor part of the truck was only should damaged.

Miller was alone at the time of the accident and he escaped injury.

Dr. Wendell Anderson, who has been in the South Pacific in service for Uncle Sam for 29 months is home restrict He states he has no definite plans for the immediate future.

SCOUTCRAFT AREA CLINICS

According to word from Boy Scouts, Elkhart. Ind., Scoutcraft training clinics will be held in all four districts of the Pioneer Trails Area, Boy Scouts of America, next week. The dates and places are as follows:

places are as follows.

Monday, Febduary 25, Goshen Junior
High school, Wednesday, February 27,
Warsaw High school, Thursday, February 28, Room 109, Elkhart High school,
Tuesday, March 5, LaGrange Town
Hall.

The aim of these training clinics according to James Riley, chairman of the Kosciusko district personnel and training committee, is to give scout leaders practical ideas on scoutcraft programs which they can take home and use among their own boys during the coming months. Separate classes are held for cub scouting, boy scouting. and senior scouting. Each class has periods devoted to unit administration. scoutcraft skills, and round-table discussion. The February program of the cub scout division includes cub pack program planning and practical suggestions on the month's program theme 'Heroes in Books".

Troop and patrol organization will be a feature of the boy scout division. This will be presented by means of colored slides recently made available by the Visual Education Service of the

Boy Scouts of America. Camperaft skills will also be taught including chopping and splitting fire wood, fire laying, cooking, menu planning, camp sanitation and dish washing, and first aid for wounds and burns. The senior scout division will present crew and committee organization and camperaft skills similar to the boy scout division.

In an effort to enrich scout programs, the personnel and training committee is striving toward the objective of having every one of the scout units of the area represented at each of these monthly clinics.

Better Quality Eggs

Compiled by I. J. HELLER

THE SIX-POINT PROGRAM:

The following recommendations are based on considerable experimentation and practical experience. They are presented for their value to the wide-awake and progressive poultryman, to help him produce better-quality eggs. BETTER EGGS MEAN BETTER PROFITS. We sincerely hope they will attain the desired results.

Feed for Light Yolks:

Preferably a well-balanced commercial preparation with liberal milk content and least greens (alfalfa and such.)

Produce clean, infertile eggs.

- (a) Use clean shavings in ample supply for net material and make the nests 7" or more deep. Allow one foot of nesting space or one nest for 5-6 hens. Keep the nests dark.
- (b) Screen the droppings board.
- (c) Keep the litter reasonably clean and dry, and at least 2 deep over the entire floor.
- Allow at least three square feet of floor space per bird.
- (e) Remove males promptly after breeding season.

Keep eggs cool.

- (a) Gather eggs three times daily at least, but four times is preferable, at 8 and 11 A. M., 2 P. M., and evening, approximately (Use ventilated baskets or perfor, ated palls.)
- (b) Place in clean cellar or room immediately
- (c) Keep eggs away from radiators and stoves. (d) Keep egg room well ventilated, but without cross drafts and at a temperature between 35° F, and 55° F.
- Keep egg room fairly moist (70% relative humidity or higher.)
- (f) Keep egg room free from foul or musty odor, dirty utensils or floor, accumulation of cobwebs, or large numbers of flies.
- Do not pack in cases until the eggs are cooled 12 hours or more.

Sort for size, color, and interior quality.

(a) Candle, if eggs are retailed, to remove blood spots, meat spots, checks, lew quality eggs or inedible

	-00					1	ur. Me		
(b)	Sort for Jumbos	Size		20	e-TI	n O	per	cas 52	e lbs.
	Jumbos .				G. 0	K ×	-	40	lbs.
	T -			20	LD 4	9 (4	6.		
									lbs.

		hanne	and tir	LS FROM	a wa	I LOW	TIETE	4-6	554.

- (c) Separate browns and tints from white-shelled egg (d) Clean all soiled eggs. Do not wash or wet eggs.
- Pack each size and color separately in strong, clean cases with sound clean flats and fillers.

 - flats and fillers.

 (a) Pack white, brown and timed eggs separately and identify on the case, or shipping tag.
 (b) Pack eggs small end down.
 (c) If extra long or very large eggs are shipped, pack at the center of the top filler and build up the case ends, 1-8 to 3-8 inch.
 (d) Nail a one-piece cover at ends with 4 nails each. (Never nail to center partition.)

 (e) Do not pack newspapers or excelsior between the sides and ends of the case and fillers.

Ship as often as possible.

- (a) Select transportation that gives:
 (1) Protection from high and low temperatures.
 (2) Minimum and careful handling of the case.
 (3) Prompt delivery to the receiver's floor.
 (b) Best results will be obtained by shipping entire production to one reliable firm, who, depending on REGULAR shipments, will be able to place them for you more advantageously.

Copies of this ad with shipping tags will be mailed upon request:

EGG SHOW

Program Complete for Post-War Issue of Famous Event.

The committee making arrangements for the 1946 Mentone Egg Show, to be held in Mentone on Thursday and Friday March 14 and 15, met at the school building Tuesday evening when final reports of the various committees were

The 1946 program, as was planned, stresses the educational point of view and will be agreeably interspersed with several entertaining features. The educational and speaking program includes such well known personages as Dr. W. A Billings, extension veterinarian of the University of Minnesota; L. A. Wilhelm, executive secretary of the State Poultry Association of Indiana; Dr. L. Sears of the history department of Purdue University: Hobart Creighon and others

Starting at 10 30 Thursday morning. the various Home Economics clubs of the county will conduct a contest on the preparation of egg dishes, competing for a total of \$100.00 in prizes.

Starting at ten o'clock Thursday, exers are urged to bring their prized dozens of eggs to the cafeteria room at the high school where several hundrids of dollars in prizes, awards and gifts await those who select the better eggs for exhibition purposes. Judging wi'l be from exterior quality only.

The egg contest is supervised by a committee headed by Fred Beeson and everyone that brings an exhibit will receile an award in excess of the retail value of the eggs

The various egg-shipping centers are now selecting their queens to compete for the title of Egg Queen on Thursday evening This as in the past, has created much interest in the poultry

The grand finale of the two-day show will be the banquet at the community building on Friday evening. Only 400 guests can be accommodated at the banquet, but many visitors can be seated on the bleachers for the evening's program

family Thursday evening.

DIES AT LAKELAND, FLORIDA

Funeral services were held Tuesday at Lakeland, Fla., for Ross Smith, an undertaker, son of the late Mary Smith of Akron, who died at his Lakeland home last Friday of complications following a hip fracture a few weeks ago.

Smith was born near Gilead, Dec. 4, 1881, and moved to Lakeland 20

years ago. Surviving are the wife, the former Irene Lyons, of Mentone; two sons, Stanley of Lakeland, and Louis who is in the armed forces, and a sister, Mrs. Clayton Dukes, Lakeland. Mrs. Robert Reed, of Mentone, is a sister of Mrs. Smith

ISAAC KESLER

It is reported that Isaac Kesler, of west of town, is in a serious condition minded man of the community and following a stroke of paralysis suffered at his home Wednesday evening about ten o'clock.

FAMILY NIGHT AT METHODIST CHURCH

This Friday at 6:30 the W. S. C. S will observe family night with a pot luck supper. After supper there will be a special program with music and mesages from Rev. and Mrs. Charles Fields who recently returned from Africa after spending five years there. You will want to hear their story so plan to be present. Remember it is for the family

We will have as our speaker Sunday morning at 10:00 Dr. Yeomans, who will conduct the Fourth Quarterly conference after Sunday school. All mem bers are requested to be present. At 8:00 Dr. Yeomans will conduct the Fourth Quarterly conference at Tippecanoe. All members are requested to e present at this service.

EGG SHOW BANQUET TICKETS

Tickets for the egg show banquet are being distributed—one-third to the egg car managers, one-third to the hatcherymen and one-third for guests and sponsors of the show. The price Richard Manwaring visited the Shinn is \$1.50 each and the demand will far exceed the available tickets.

Edison R. Vandermark, aged 56, died at 11:35 a. m. Sunday at his home one-half mile west of Palestine on road 25. Death, which was due to coron ry thrombosis, followed an illness everal days. On Monday, February 18, he suffered a heart attack and had been bedfast since that time.

Mr. Vandermark, a well known farmwas bern June 15, 1889, the son of Charles W. and Sarah C. (Huffer) Vandermark on the same farm where he passsed away and on which he had always resided. His marriage to Miss Esta Powell, of near Leeesburg, took place February 1, 1912.

The deceased was a member of the Palestine Methodist Church and was a teacher in the Sunday school for a number of years. He was a civicwas a fine musician, having been active in band work for 40 years. He was affiliated with the Warsaw band and band organizations in Mentone, Claypool and Atwood. He was a graduate of the Warsaw high school.

Surviving relatives are his wife, one son, Paul A. Vandermark, recently discharged from the armed forces; his mother, Mrs. Sarah C. Vandermark who resides at the home of her son and several uncles and aunts.

A son, Huffer Powell Vandermark died in 1919.

Funeral services were held at two clock Tuesday afternoon at the Palwith Rev. estine Christian church Travis Purdy, pastor of the Palestine Methodist church, in charge. Burial was in the Palestine cemetery.

SPECIAL SPEAKER AT CHURCH OF CHRIST.

L. N. Raines, of Bedford, will preach at the Mentone Church of Christ on Saturday evening and Sunday morning. Brother Raines, who has been at

Bedford for 12 years, may be accepted as a permanent minister of the local church.

Mr. Raines will be unable to speak Sunday evening due to the fact that the receipts for the infantile paralysis he must return to Bedford to teach fund has increased to \$78.33 since last school Monday.

EGGS EVAPORATE IN TRANSIT

Some time ago Mrs. Ethel Whetstone sent her mother, in Detroit, a package containing a cake and ten dozen eggs. The exchange of letters and thanks that followed didn't seem to touch all points as they should so Mrs. Whetstone, by letter, asked her mother to call by phone Wednesday evening.

During the telephone conversation Mrs. Whetstone learned that 110 of the eggs were removed from the package before they were delivered to her mother in Detroit. The package was still-or then-neatly wrapped as before, and contained the cake and the portion of the egg case, but only ten edible eggs. There was no trace of the balance of the 12 dozen.

And incidentally, eggs are selling for 60c per dozen in Detroit.

SCHOOLS TO ENTERTAIN

SENIORS TO PRESENT

MAGICIAN HERE TUESDAY The Mentone high school senior class s sponsoring the presentation of Richard Hugh, prince of magic, at the high school gym Tuesday evening. (Look for their advertisement in this issue)

BEAVER DAM TO PRESENT THREE-ACT COMEDY FRIDAY

The Beaver Dam P. T. A. will present its annual play, "Deacon Dubbs," Friday night, March 1 in the high school gym. (See advertisement elsewhere in this issue.)

INDEPENDENTS DEFEAT NORTH MANCHESTER

Tuesday evening the Mentone Independent basketball team defeated an independent team from North Manchester by a score of about 50 to 38.

The Mentone team, composed of Bud and Kay Paulus, Corny Wallace, Deed Shirey, Everett Long and Wayne Bowser, have been winning most of their games this season.

Mrs. Leroy Norris announces that week.

First Grade

Mrs. Penstermaker reports a new member to the first grade, Esther Quier

Second Grade

The second grade has a new member, Donald Quier,

Several second grade children went to the sixth grade Wednesday morning to read a story

They have finished their cotton picture books

Third Grade

The third grade has had an enrollment of eleven girls and twenty-four boys, but Beverly Dolan moved near Lake. Burket last week, so now the girls number ten Monday morning Arthur Quier came to us from Inwood to make our boys number twenty-five. Should ssure a good basketball team for the future.

This week the Travelers and Blue Blazer classes organized a reading club. Jalaine Smythe was chosen president and Larry Joe McKinley, vice president with an assisting committee composed . Sheila Pitzgerald. Kay Flenar, Mar-Manwaring and Shirley Horn.

> FLEISCHMANN'S YEAST"

to read and are making booklets in which to keep a record of their readings. They plan a variety of activities that should increase their reading ability and enjoyment.

Fourth Grade

Wayne Swihart left our school to go to Bourbon.

In Reading the children have had some interesting stories about the Canadian Mounted Police.

Fifth Grade

We found the fifth grade very busy studying about the lobster fisheries off the coast of Newfoundland.

Sixth Grade

The sixth grade has two new pupils now Walter Quier has come from Inwood and Richard Kindig from Silver

Last week some of the class brought some very interesting stories about George Washington.

8th Grade Government Class

The 8th grade in government has been studying the importance of coperation in government. To get basic part of cooperation, the class has been making a side study of be-havior and personality. Each person was given a personality test that consisted of questions that were answered I'a Tucker, Bobby Holloway, Prank either yes or no. All questions that were The answered in the negative represented members have chosen certain stories something in that person's personality

Dr. Dale A. Rigdon

that was harmful to himself by causing him to be disliked because of the effect on the other person. A typical question was: "Do you refrain from sarcasm?" Each question was then analyzed to show the pupil some of the reasons for not being able to get along with others. All of the pupils have taken an active part in the discussions and many have found that this simple lesson will be worth while in years to come.

Magical Show

Richard Hugh, prince of magic, and cents to prove our ignorance. his Cavalcade of Mysteries, appears at The Home Economics cla the Mentone high school gym Tuesday. March 5th. The admission will be 20c and 30c, including tax.

Law's history students should be expert cartographers. We got' the dickens for putting Italy in the Arctic Ocean, but what's the big island between Scotland and Norway doing on the outline form you gave us, Mr. Law?

Economics class is stil puzzling over the AAA and its fiendish MURDER of those defenseless little pigs. (Picture Rexford Tugwell as the Big Bad Wolf.)

NOTE: You can save money on chewing gum by raiding the Room 10 waste can anytime after 9:12 a. m. Poor Mr. Bowser!

There's a new student, Betty Kindig, from Silver Lake, in the typing class. Sure, she's a blonde. Why? Owooooo.

Bookkeeping class starts the Spencer Practice set next week-Ninety-five

The Home Economics classes are sewing this semester. Because of the scarcity of materials, it has been more of a problem than common. The twenty seventh grade girls have each sewed on an apron or a broom-stick skirt, time school is out it looks like Mr. or both. Several have used plain or

The girls of the high school class wider variety of projects. They have a have either made or are now making, jumpers, pillow-slips, skirts, pinafore, (Continued on page 11)

New 1945 Master Mix Concentrates and Complete Feeds PRODUCED GAIN AT 15% LOWER COST PER POUND than the best previous Master Mix rations*

15c saved out of every feeding dollar in these laboratory-controlled tests

That's not fust a "guess"... not just a careless "claim." 15% savings were actually recorded in carefully controlled tests in which the results of feeding Master Mix rations containing new, revolutionary METHIO-VITE were compared with those of feeding the best previous Master Mix rations — universally recognized as among the most efficient and eco-nomical of feeds.

Start, today, to get the benefit of new 1945 Master Mix Concentrates and Complete Feeds, fortified with METHIO-VITE. Because on litions.

stock, management vary so greatly, we cannot promise that *your* saving will total 15%. It may be less. It may even be more. But one thing is pork faster, at lower cost, than with any Master Mix ration we have ever made before. And that means a big increase in profits for you.

* * * Now available . . . Master Mix Concentrates and Complete Feeds with M-V (METHIO-VITE) for sows, pigs, breeding hens. Available soon in other Master Mix rations.

WHAT IS ILL

Methio-Vite is a new-found, Methio-vite is a new-tound, practical source of essential B-complex vitamins and of the Methionine complex—"spark plug" of the amino acids that make protein the important nutilities foctor in it. It is the result of two

tritive factor it is. It is the result of two solid years of research at the McMillen lab oratories...of specific tests on thousands of animals with hundreds of rations.

Master Mix Feeds

New 1945 Master Mix Feed with M-V

*Based on today's ingredient prices.
All conditions in test identical except for feed.

New MASTER MIX

Concentrates and Complete Feeds Now fortified with Methio-Vite

Look for M-V (Methia-Vite) on the tag. It identifies Master Mix Concentrates with M-V in your dealer's feed,

The Home Management class has now less than a week away Sixteen play on the following Tuesday night. studied and discussed subjects pertain-county teams are entered and the first Our local gym is to be occupied on round will be played at the four host schools: Mentone, Silver Lake, Milford On Thursday, March 7, the finals of and Pierceton. Warsaw was to have each of the four blind tourneys will been one of the host schools but because of a conflict on the use of the gym, Pierceton was substituted. In the Mentone division of the tourney will

the local team. On Monday, March 4, Reporters-Jennie Hall and the Mentone branch will begin play at seven o'clock. One-half hour before the game time, a drawing will be made to determine the opponents in the tour-The coming county grade tourney is ney. All other county teams will begin Tuesday night for a school program. be played at the some host schools. The preliminary will consist of the two losers of the previous first round. The two previous winners will play to de-

in the finals that will be played in War-

saw the following week.

The Mentone high school class tourney was completed Thursday noon with the Junior class emerging as the undisputed champions by defeating the Seniors by a score of 43 to 27. Monday night saw the seniors take a hard fought game from the determined sophomores by a score of 36 to 28. The juniors ran wild against a small and inferior freshman team as they smothered them by a score of 55 to 11 A word of thanks can be given to Paul Rush and Carl Whetstone for donating their time as officials for the games. This year's class tourney was lacking in the usual rough tactics that often is associated with the intense rivalry that exists between classes. Much of this credit can be given to the officials in handling the game in a very satisfactory manner.

CARD OF THANKS

We wish to express our sincere appreciation for the flowers, cards and boxes of candy received, and visits made by my friends and neighbors, during my recent illness

0 0 0 0! 0! NO TOTO

Mrs. Ralph Ward was most pleasantly surprised Sunday with a party in honor of her birthday. The guests arrived with well filled baskets so a delicious dinner was enjoyed by all in spite of the fact that Mrs. Ward was expecting to go to Toto and wasn't prepared to feed such a crowd (The Toto trip was a gag to help make the surprise more complete). Several nice gifts added to the surprise.

The following were present: Mr. and Mrs. Elery Nelans and children, Mr. and Mrs. Raymon Hibschman, Mrs. Marie Coleman and daughter, Mr. and Mrs. Clyde Brugh. Miss Ada Whetstone, Miss Freda Elick, Mr and Mrs. Marion Smith, Mr. Harry Schwartz, Clyde Ward, Mr. and Mrs. L. M. Elick, Mr. and Mrs. Ralph Ward and children, Jacqueline and Teddy.

URSCHELS ATTEND WEDDING

Capt. and Mrs. Dan Urschel and Charles and Sarah spent the week end in Muncie where they attended the wedding of Mrs. Urschel's sister, Frances Jeanne Williams to Ensign Marshall H. Damerell on Sunday afternoon. The wedding was held at the beautiful High Street Methodist church. Mrs. Urschel was her sister's matron of honor, Sarah was flower girl and Capt. Urschel was
