JOHN R. BRYANT DIED TUESDAY MORNING

John R. Bryant, 59, former resident of New Castle Township died at 11:45 Tuesday morning at his home at 425 West 4th Street, Rochester. Death was attributed to a heart ailment. He had been in failing health for four years. A retired farmer, he had resided in Fulton county throughout his entire life. He was born June 9, 1893 to John F. and Eliza (Laremore) Bryant. He was married to Meda Bernard on July 29, 1919. For several years he was engaged in farming in the vicinity of Athens.

Survivors are his wife; a son, Kenneth of near Talma; a daughter, Eileen Kaley of Rochester; Three brothers, Clinton, of Gary, Wesley of Laporte, and Ted of Arcola, Ind.; a sister, Mrs. Grace Kaiser, Rome City, Ind. and six grandchildren. Two brothers and two sisters preceded him in death.

Funeral services were held Friday afternoon at 2 p. m. at the Athens U. B. Church with Rev. D. L. Slaybaugh of Akron assisted by Rev. L. E. Powell of Rochester in charge. Burial was made in the Mt. Hope cemetery at Athens. The Foster funeral home of Rochester was in charge.

GEORGE W. CARTER, 59, OF TALMA EXPIRES

George William Carter of Talma died at 1:15 Monday afternoon at the Woodlawn hospital at Rochester. Ill 6 months, he had become more seriously afflicted for the last week.

Two years ago he came to this community from Indianapolis. He was born at Pendleton, Indiana, February 20, 1893, the son of Ebenezer and Mary A. Carter.

His marriage took place on April 15, 1917, to Claire Irene Tucker, who survives, also surviving are three sons: Gene A. of Saint Louis, Missouri; Jack W. and George R. at home; and two grandchildren.

A florist, he was a member of the Izaak Walton League and the Indianapolis Hunting and Fishing Club.

Funeral services were held at the Foster Funeral home at Rochester at 1:30 Wednesday afternoon in charge of Reverend Paul Trombauer of Talma Methodist Church. Burial was made in the Odd Fellows Cemetery at Rochester.

WILL SPEAK AT METHODIST CHURCH FEBRUARY 8

This coming Sunday evening, February 8, Dr. Etchieson will speak to the congregation of the Methodist Church concerning the work of the church in the Indian Mission of Oklahoma. The hour is seven-thirty.

This Mission is the largest single Home Mission operated and served by the Methodist Church. It serves the following Indian Tribes: Apache, Arapaho, Cheyenne, Cherokee, Chickasaw, Choctaw, Comanche, Creek, Eucsee, Kiowa, Osage, Ponca, Sac-and-Fox, Seminole, and Shawnee, through its one hundred and one churches and forty-three native Indian Pastors.

Although these native Pastors work under the handicap of insufficient equipment, lack of parsonages, inadequate salary, they lead Methodism in the addition of active members through Profession of Faith. Within the past ten years, twenty-four new churches have been organized where there had never been one previously. This past year a vacation Bible School was held in every charge of the Indian Mission.

Contrary to the idea that the Indians of Oklahoma are oil land wealthy is the fact that thousands of them receive the smallest income in the state of Oklahoma, according to government reports.

Dr. Etchieson will be here to inform us concerning this largest Home Mis-

(Continued on back page)

THOMAS R. HAIMBAUGH DIES AFTER LINGERING ILLNESS

Thomas R. Haimbaugh, 80, of this place, died at 4:30 p. m. Saturday at the Woodlawn hospital at Rochester where he had been a patient for three months.

The deceased was born in Fulton county Jan. 10, 1873, son of Conrad and Sarah (King) Haimbaugh and had resided in the Rochester and Mentone communities all his life. He was married to Leona Blue April 11 1900, married to Leona Blue April 11, 1900, retired farmer and a member of the Mentone Baptist church.

Surviving are a sister Mrs. Linnie Vernett, of Mentone, and several nieces and nephews.

Funeral services were held at two p. m. Tuesday at the Reed funeral home with Rev. Milton Dowden, pastor of the Mentone church, officiating. Burial was in the local cemetery.

SINGSPARATION NEWS

Come one! Come all! To the sing-spiration to be held at the Beaver Dam E. U. B. church on February 7, at 7:30 p. m.

The speaker will be Rev. Thompson of the Beaver Dam church.

Mr. Cashman, of Warsaw, is our new song leader and will lead the group in singing.

JULIA SHIRLEY DIES

Mrs. Julia Shirley, 80, of near Lakeville, a native of Burket, died at 2 p. m. Monday at Memorial hospital in South Bend, following an illness of six weeks.

Mrs. Shirley was born in Burket on Dec. 24, 1872 and on Dec. 24, 1892 she was married to Charles Shirley, who died Dec. 20, 1952. She moved to the Lakeville community from South Bend 21 years ago.

Surviving are seven grandsons, Chas. Kenard of Wisconsin, Calvin, Max and Dean, of Laketon, Don and Jerry of South Bend, and Jack of Mishawaka.

Funeral services will be held at 2:30 p. m. Thursday at the Palestine Christian church and burial will be in the Palestine cemetery.

Mrs. Andrew Hall is recovering satisfactorily from major surgery performed last Wednesday at the Murphy Medical Center at Warsaw.

OVERHEATED CHIMNEY DAMAGES HOME

An overheated chimney at 5 o'clock Tuesday evening at the home of Mr. and Mrs. Lewis Danner of New Castle township, caused slight damage to their home, wrecked the Danner car and sent Mrs. Danner to a physician for treatment of a head wound.

Mrs. Danner received her injuries when the car she was driving to a neighbor's to call firemen went out of control and struck a stump.

Meanwhile, Mr. Danner and his mother doused the blaze in their home before firemen arrived from Mentone.

Passing motorists drove Mrs. Danner to a neighbor's where the call was made. Then on to a physician's office. Mrs. Danner received treatment for a bruise on her head and a cut wrist.

Deputy Sheriff Dee Holloway investigated.

TO SPONSOR CHICKEN FRY

The Burket P. T. A. is sponsoring a Chicken Fry at the school gymnasium there on Wednesday evening, February 18.

The chicken, fried by Forrest Higgins, is excellent. (We understand "Skinny" parboils the chicken for a few minutes before dipping it in crumbs and then French frying, thus insuring thoroughly cooked chicken.)

Everyone who goes is given all the chicken he can eat. In addition to French fried potatoes, baked beans, cole slaw, celery, carrots, and coffee.

See ad elsewhere in Co-Op. News. for details.

CLUB CALENDAR

The Mentone Reading club will meet on Wednesday evening, February 11, 7:45 p. m. Hostess will be Mrs. Allen Shirey.

Mothers of World War II will meet at the home of Mildred Fawley February 11, at 7 o'clock. Don't forget to bring something for the Valentine plate.

The Mentone Home Demonstration Club will meet Thursday, February 12 at 1:30 at the home of Mrs. Elmer Rathfon.

Merry Molly's Home Demonstration club will meet Monday evening February 9th, at the home of Mrs. Heston Crevelton. Everyone bring a guest.

Jolly Janes will meet Monday evening, February 9, at the home of Mrs. Harold Utter.

METHODIST CHURCH NEWS

This past Friday evening and Saturday members of the local Methodist Youth Fellowship attended the Mid-year Institute which was held at the St. Paul's Methodist Church in Elkhart. Those attending were: Jean Heeter, Jackie Stidham, and David Gosser of the Senior Fellowship; Julie Kent, Rachel Walters, and Carol Welty of the Intermediate Fellowship. The Pastor provided transportation and arranged for the Banquet Saturday evening.

The program consisted of musical numbers provided by youth, including a coronet solo by Tom Frost of Warsaw, vocal solo by David Gosser, selections by the Dreamers; saxophone, piano, and vocal solos, and a girls' trio and quartet. Rev. Gosser was the Master of Ceremonies who kept the two-hundred and twenty-eight youth, counselors, pastors and guest District Superintendent, Dr. Thurman Morris, in stitches during the evening.

The classes and assemblies were brought to a close with a Communion Service on Saturday afternoon. The banquet hour was for entertainment and relaxation.

On Tuesday of this week, Mr. and Mrs. Raymond Lash, and Rev. Gosser attended the special session of Annual Conference which was held at Hartford City. Mr. Lash is the Lay-Member to Annual Conference Sessions, representing the local church as a layman, in the business meetings.

A call meeting of Methodist Pastors and Laymen of the South Group will be held this Friday evening at

Boy Scouts Celebrate 43rd Birthday

Official Boy Scout Week Poster

Boy Scout Week, Feb. 7 to 13, marking the 43rd anniversary of the Boy Scouts of America, will be observed throughout the nation by more than 3,250,000 boys and adult leaders. Since 1910, more than 20,200,000 boys and men have been members.

"Forward on Liberty's Team" is the birthday theme and the emphasis is on "The Scout Family" of programs meeting the interests of boys in three age groups: Cub Scouting for boys 8, 9 and 10; Boy Scouting for those 11, 12 and 13 and Exploring for boys 14 and up.

The high point of Scouting in 1953 will be the third National Jamboree. More than 50,000 Boy Scouts will camp at a 3,000-acre tent city on the Irvine Ranch in the Newport Harbor area of southern California next July 17 to 23.

the Methodist Church in Warsaw at seven-thirty. The purpose is to study the new plan of organization which was established at General Conference in San Francisco last spring.

Members of Nominating Committees, Pastoral Relations Committees, Lay Leaders, Lay Members, Chairmen of organizations, and others of the Official Board are asked to attend.

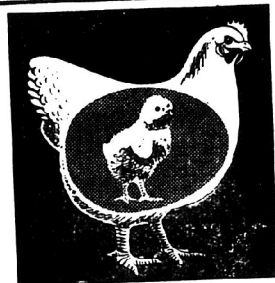

It is necessary to study the plan which goes into effect at the Quarterly Conference Sessions in each of the local churches this spring. Dr. Samuel Yoder has called this meeting and urges a good attendance.

A "TOP EXPERIENCE"

The Boy Scouts of America, now observing its 43rd birthday during Boy Scout Week, February 7 to 13, is planning its Third National Jamboree for this summer as part of its Three year Program known as "Forward on Liberty's Team."

It will be a "once-in-a-life-time" experience for 50,000 Boy Scouts, Explorers and Scout Leaders of all races and creeds who will live in a democratic tent city that will rise on a real western ranch near the Pacific Ocean.

The owners of Irvine Ranch in Newport area in southern California, about forty miles southeast of Los Angeles, have loaned a 3,000-acre site to the Boy Scouts of America. Here will spring up, literally overnight, a city of 30,000 tents, with its own electricity, water supply, sanitation, telephone system, food supply, doctors, fire protection, in fact all essentials found in a community of this size.

Boys from all walks of life, of all races and creeds will live together, including about 200 Scouts from other countries around the world. Here in the youthful city they will exchange skills, home-town products and learn about the customs and traditions of many sections of the nation.

There will be pageants and ceremonies, campfires and music, demonstrations of campcraft and Scoutercraft, friendship making and the opportunity of meeting some of America's out-

standing citizens.

Dr. Arthur A. Schuck, Chief Executive, sees the Jamboree as a "top experience in the life of a boy" and we hope our area will be well represented. Any Scout or Explorer who wants to attend will undoubtedly use his Scout ingenuity to make the trip possible.

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

More babies are being born in Indiana, yet the death rate among babies under one year of age is declining.

This achievement was pointed out today by Verne G. Robinson, director Division of Public Health Statistics, Indiana State Board of Health, in citing that in ten years, the infant mortality rate has dropped from 39.9 to 26.8.

The number of deaths of children under one year of age in Indiana in 1951 totaled 2,710 against an all-time birth record of 101,099 new babies. The number of births registered in 1941 was 65,594 with 2,615 infant deaths recorded.

An increase is shown, however, in

the infant deaths occurring during the first four weeks of life, known as the neonatal period. The number of neonatal deaths registered in 1951 was 1,948 as compared to 1,609 in 1941.

A change in some of the six leading causes of death in infants in 1951 as compared to 1941 is shown but premature birth was given as first both years. Injury at birth, given as the second leading cause ten years ago, was fourth in 1951, and postnatal asphyxia took its place as second. Malformations was given as the third leading cause both years, and pneumonia and influenza listed fourth in 1941 dropped to sixth place.

Erythroblastosis, a disease due to RH incompatibility between mother and unborn child, was new on the 1951 list as compared to 1941, and diarrhea and enteritis and congenital debility, given as fifth and sixth causes of infant deaths ten years ago, were not among the sixth leading causes of death in 1951.

Vegetable and fruit storage should be checked at least every week during the winter months, advise horticulturists at Purdue University. Shriveling is caused by lack of moisture in the room. If potatoes or carrots sprout, the temperature is too high.

JOLLY JANES HOLD DINNER

An anniversary dinner was held by the Jolly Janes Home Demonstration club on Monday, January 28, at the Hays Hotel.

Mrs. Emma Clutter presented a talk and demonstration on "Fashions of the Centuries." Secret Pal gifts and a cake were received by Mrs. George Mollenhour, Mrs. Loren Tridle, Mrs. James Goshert and Mrs. Clutter. Mrs. Albert Hatfield was awarded the door prize.

Contests were directed by Mrs. Clutter and Mrs. Robert Parker.

The committee in charge included Mrs. Harold Utter, Miss Herschel Teel, Mrs. Raymond Lewis, Mrs. Walter Kent and Mrs. John Ellsworth. Nineteen members were present.

Mrs. Utter will be the hostess at the next meeting, February 9, with Mrs. Robert Whetstone as assistant.

Mr. and Mrs. Paul Nelson and two children, of near Silver Lake, moved to the Homer Blue farm, northwest of Mentone, Tuesday.

WORD FROM ARNOLD SNIPES

Saturday Nite
January 24, 1953

Hi Art,

After so long a time I finally got started to write you a few lines to tell you how much I appreciate receiving the Co-Op. News. As I enjoy reading it. It also helps to keep up with the other boys in the service.

Things are really quiet around here now. So we aren't doing too much firing. Most of our is spent building bunkers over our gun.

I'm in a medium F. A. Outfit. Our guns are 155 M. M. Howitzers.

I'm in my eleventh month here so I hope to be coming home before too long.

Again here's saying thanks for the paper.

Yours truly,
Arnold

His address is:

MENTONE METHODIST CHURCH**SUNDAY EVENING, FEB. 8**

Dr. Etchieson is Superintendent of Indian Missions for Oklahoma for the Methodist Churches and serves in 15 Tribes through 101 churches and 43 native pastors. (See news article elsewhere in this issue.)

SUCCESS STORY—DIMES STYLE

The winner is happy six-year-old Bill Bruner of Gary, who is fast defeating the effects of polio with the help of physical therapist Ralph Hartl at Methodist Hospital. Just a few months ago (left) Bill, confined by polio to an iron lung managed a smile for recruited nurse Helen Konan of Clinton, Mass., whose salary was paid by the National Foundation for Infantile Paralysis. The 1953 March of Dimes needs your wholehearted support to continue helping polio patients. Give generously before the fund-raising drive ends on January 31.

TOWN GOING TO THE DOGS

Rabbits are usually credited with the ability to multiply, but a town like Mentone seems to accumulate a big herd of loose dogs plenty fast—especially when some of the neighbors drive into town and drop off two or three at a time. A short while ago poor visibility was the only thing that saved some individual from a very embarrassing situation. They were seen to dump off two dogs in our town. Last year one party brought in three.

It seems rather peculiar that in these great and prosperous times that there are so many who cannot afford a leash for their dog and also must cast them astray upon society when it gets close to the time when taxes are to be paid upon them.

Many people, including public officials, feel that a newspaper editor can chase all the dogs out of town with a news story, but I'm afraid, with all due credit to the power of the printed word, this is expecting a little too much. If the owners responsible for this deplorable condition are not sufficiently impressionable to realize their responsibility to neighbors and friends, then some more drastic means should be employed.

ADDITIONAL SCHOOL NEWS

Offerings for Polio Drive, received were \$72.39 from the school and \$50.88 at the Ball game.

Mrs. Maggie Dille is slowly recovering and is able to be out some.

TED HARP ENTERTAINS LIONS

Ted Harp, entertainer and unofficial mayor of Sidney, favored the Mentone Lions members with a very enjoyable evening at their meeting Wednesday. Mr. Harp, who intermingles fact and fiction to conjure up his Will Rogers variety of country humor, is quite capable. The latter part of his remarks were of a serious nature and dealt with some of the freedoms we still enjoy and the need for each of us to help preserve those liberties.

At the business session of the Lions group, it was voted to require each member to buy a quarterly meal ticket, in advance, and then permit credit on the unused portions when proper notice of inability to attend has been given.

Sunday dinner guests at the home of Mrs. Tessie Newton were: Mr. and Mrs. Franklin Newton and family.

"THANKS" FROM REA WARD

Dear Art:

As you know, I recently spent half a month in a hospital. In a few days (says Doc.) I'll be going back for more.

The days I spent cooped up were brightened, no end, by the steady stream of cards and letters from the good people 'round about. Some of the messages were solemn and serious in tone, some were gay and of lighter vein, some bizarre, all were especially appreciated.

The memory of all these good wishes will brighten and make less trying the days to come. Would you be kind enough to use a spot in the "Co-Op. News" to express my thanks to all these good friends?

REA H. WARD.

Mrs. Bertha Meredith has been having an attack of the flu. She is at the home of her son, Roy Meredith of Akron.

PLENTY OF HOT WATER WHEN YOU WANT IT WITH

Philgas

AND IT COSTS ONLY A FEW CENTS A DAY!

An automatic Philgas water heater operates at least three times faster than electricity. Convenient and thrifty too. Just dial the heat you need and forget it. You get hot water 24 hours every day. No premiums for extra hot water. No waiting for off-peak loads. And you can depend on Philgas in all weather because your Philgas supply is right in your own back yard.

See our selection of completely automatic Philgas water heaters in prices and sizes to fit your needs.

CO-OP. OIL STATION

FARMERS USE MORE NITROGEN FERTILIZER

The use of commercial fertilizer by Indiana farmers has increased some seven times over what it was ten years ago, or from 117,304 tons of complete fertilizer in 1942 to some 800,000 tons in 1950 and 1951, according to the state chemist's report for 1952.

Purdue University agronomists point out that the rapid increase in use of complete fertilizer during this period is outshone by the far greater use of nitrogen fertilizers, particularly during the latter half of the ten-year period. From 1947 to 1951, the use of nitrogen increased almost six-fold, from 7,450 tons to 44,850 tons.

During this same period, the use of complete fertilizers increased a little more than 20 per cent. This is a reversal of the fore part of the ten-year period when the use of nitrogen fertilizers doubled while use of complete fertilizer increased five fold.

The outstanding increase in nitrogen fertilizers came in 1952 when 77,600 tons were used. This was about three-fourths larger than the 44,850 tons used

in 1951.

Translated into pounds of actual nitrogen used in 1952, the total was almost 42,000,000 pounds, the agronomists explain. Estimating the average amount of nitrogen applied per acre as about 40 pounds, it was sufficient in 1952 to treat more than one million acres.

This exclusive, of course, of the nitrogen applied in complete fertilizer. If most of the nitrogen fertilizer was used on corn and wheat, it would be enough to treat almost one sixth of the acreage of these two crops.

The demand for nitrogen fertilizer this year is expected to increase over that of last year. The amount of this increase hinges mainly on the supply of nitrogen that will be available this year. This increase in supply promises to be about ten per cent greater than in 1952.

RIBBON SEAL

Few readers of this have ever or will ever see our subject the Ribbon Seal. Not only is the animal relatively rare but it is found only off the coast of Alaska and about the Aleutian Islands neither of which are included in the majority of vacation trips. Even books dealing with mammals or with such specialized subjects as aquatic mammals do little more than list and illustrate Ribbon Seals. One has to get most of his information about the animals through implication and through

Ribbon Seal

©1952 National Wildlife Federation

what one knows of close relatives.

The Ribbon Seal is about five feet long and in general built like its close relative the Harbor Seal or Common Seal. It differs most conspicuously from this better known animal in its con-

spicuous markings some of which give the animal its common name. The basic color of a Ribbon Seal is dark brown. Unlike any other seal, however, there are around the neck, the rump and each shoulder, conspicuous, usually defined bands of yellow or orange yellow. Sometimes these join each other but usually they are well separated. In the females the bands are much more obscure than they are in the males. Because of these marking it would be difficult to confuse a Ribbon Seal, male or female with any other seal likely to be found within its range. The Saddle-backed Seal of the North Atlantic may have conspicuous back markings but they are not so regularly placed as are those in the Ribbon Seal nor are they so conspicuous. Besides this the North Atlantic and the Aleutians and Alaska are well separated.

The typical story of reproduction for members of the family to which the Ribbon Seal belongs may be helpful here. The family includes the Harbor Seal, which is relatively common along our Atlantic Coast south to the Carolinas; the Hooded Seal which is one of the most abundant North Atlantic seals and the Harp Seal that is found in the Arctic waters of both the Atlantic and Pacific. In most of these

animals the herds form at rookeries in early spring when the young "pups" are born. The mating that is responsible for next year's young takes place shortly after. The females are excellent mothers and nurse the young on land for a few weeks before the family takes to the sea. The size of the herds of these seals is much smaller than one finds with the group to which the fur seals belong.

Fur dealers give a numerical rating to indicate the durability of furs with other given as a standard of perfection at 199. In this scale the fur seals yield pelts rated at 80 per cent while the Hair Seals to which the Ribbon Seals belong are most likely to be rated at about 25 per cent. Just because a coat or wrap may be made of seal skin then does not warrant that it will become a family heirloom. The domestic rab-

bit has a rating of 5 per cent in this classification and the muskrat 45 per cent. The fur seals have been harvested more for the oil that may be extracted from their carcasses than for their pelts and even this practice is usually limited to species that congregate in large numbers.

—By E. Laurence Palmer.

CARD OF THANKS

We wish to thank everyone who contributed papers to the Boy Scout drive last Saturday. We unintentionally missed picking up a few of the papers. If you put them out, we will get them this Saturday, February 7.

SCHOOL NEWS

Bulldogs Defeat Tippecanoe 64-45

In an interesting basketball game in the Mentone Community gym, the Mentone Bulldogs defeated the Tippecanoe varsity by a score of 64-45. Mentone held a half time lead of only five points, 31-26, but widened the margin in the third period and won going away in the fourth. The Mentone second team won a thriller 44-43. A fair sized crowd saw the contests. Mentone plays Claypool this Friday evening with the opening game beginning at 7:00. The final home game of the season will be against Milford on February 13.

No New Cases of Yellow Jaundice

Although a number of pupils have been absent with colds and flu, there have been no new cases of yellow jaundice this week. So far there have been five cases reported among school pupils. Four of these pupils have now returned to school after an absence of several days.

Several Pupils will Compete in Solo Contests

Several Mentone students plan to compete in district solo contests this

Saturday at Kokomo. Among those competing are Charles Urschel, Rita Olson, Sue Elaine Shoemaker, Sherry Shoemaker, Mary Dorell, Sheila Fitzgerald, Mary Ellen Bryan, and David Gosser.

On Thursday morning these pupils will present a musical program for the high school pupils. Ronnie Severns will tell of his experiences as a page in the General Assembly.

Second Team Wins Four Team Tourney

The Mentone Second Team walked away with the trophy at Etna Green last Saturday evening by defeating Etna Green in the final game 28-25. The Mentone team had advanced to the finals by slipping past Beaver Dam in the morning 52-40. On Monday morning an assembly was called to celebrate the victory. Burdell Blackburn, Larry Yelter and Don Rush pre-

sented the trophy and the nets to Mr. Kent for the school trophy case. Mr. Hoogenboom introduced the players and called for remarks from each. Roger Kelley led in group singing and the yell leaders led in a yell. The second team has now won 12 games and lose 5. The varsity record stands at 10 wins, and 7 losses.

Silver Lake Defeats Varsity

Although the Mentone varsity held a 19-15 lead at half time last Friday evening at Silver Lake, the Silver Lake Ramblers began to ramble and easily outclassed our boys in the second half. The final score was 63-45. The Mentone second team won 38-30.

Roger Kelly and a group of speech students presented the radio broadcast last week.

Marjorie Lent, 9th grade, Barbara and Bill Lent, sixes grade, have moved

to Tippecanoe.

Miss Nell Harriman attended a meeting of the Kosciusko County Speech teachers at Warsaw Saturday morning.

Charles Urschel, Elaine Dunnuch, Merlyn Holt, and Ronald Brown wrote on the State Scholarship exams last Friday.

Mr. Whitehead, County Superintendent, visited the school on Tuesday.

Mrs. Nine, County Health Nurse, gave hearing tests at the school on Wednesday.

CARD OF THANKS

I wish to thank all my friends and neighbors for the help, gifts, flowers, cards and visits I received while a patient at the Murphy Medical Center and at home. They were deeply appreciated.

TOWN BUYS PICKUP TRUCK

The Mentone town board, in regular session Monday night, accepted the bid of the Mentone Motor Co. for a new Chevrolet pickup truck to be used by the various departments of the town. The cash bid was \$1280. The only other bid received was from the Don Poulson Ford Co., of Etna Green. That firm bid \$1350 net.

Following the distribution of the annual financial report of the town

Clerk-treasurer last week, one or two cemetery lot purchasers noticed the figure printed was different than that which they paid. Although this was explained at the time of purchase, it had evidently evaded their memory.

A policy was established last year of placing one-half the amount received from the sale of lots into a bond fund for perpetual upkeep of the lots. As a consequence only half the sale amount appears as a receipt in the

cemetery fund of the town. The balance is in the bond fund and an interest-bearing bond is purchased whenever this fund is sufficient to do so.

"STITCH & STIR" CLUB MEETS

The "Stitch and Stir" Four H club met with Beverly Tinkey Thursday evening with seven members present. The meeting was called to order by the president, Rita Olson. Mrs. Olson gave instructions on our record books. Club pins were given to those eligible. We have two new members, Connie and Diane Doyle.

Games were played and refreshments were served by the hostess.

We will meet with Donna Eaton on Feb. 26 at seven o'clock.

PALESTINE NEWS

Mrs. Edison Vandermark

Word has been received here that Mr. and Mrs. William Wesselman of Laporte, are the proud parents of a baby boy, William Vernon. Mrs. Wesselman will be remembered as Juanita Black, daughter of Mrs. Irene Black.

Ray Wiltrout has been ill with Flu this week.

Mr. and Mrs. Jake McClone are the parents of a daughter, Patricia Ann, who arrived last Sunday.

Mrs. Henry Secor and Mrs. Edison Vandermark called on Mrs. Floyd Blackwell Monday afternoon.

Mrs. Marshall Eaton, who has been ill with Flu the past week is improving.

Mr. and Mrs. Fred Klingenhagen of

near Mentone spent Sunday evening at the Max Dunlap home.

Mr. Henry Mills celebrated his 86th birthday Friday at the home of his daughter and son-in-law, Mr. and Mrs. Max Dunlap. In the morning his grand-daughter, Mary Lou Lonertan of White Bear Lake, Minnesota, called by telephone and congratulated him and also his great grandchildren, Maxline and Bobby talked to him. In the evening, Roy Wakefield of Long Beach called by long distance and talked with Mr. Mills. Mr. Wakefield's birthday and Mr. Mills are the same day. Mrs. Wakefield and Max Dunlap are brother and sister. Mrs. Dunlap had a birthday dinner also for her father. Mr. Mills received many lovely birthday cards and thanks his many

friends who remembered him.

Mr. and Mrs. Dale Wiltrout and son Bobby and daughter Suzanne spent Sunday with Mrs. Wiltrout's brother Robert Estlick and family of Columbia City.

Mr. and Mrs. Taylor Groves and mother, Mrs. Herbert Groves and daughter, Mr. and Mrs. Neil Estlick, visited the former's son, Eldon Groves who is a patient in the Saint Joseph hospital of Fort Wayne Sunday afternoon.

Mrs. Floyd Blackwell is improving nicely at her home after submitting to an operation several week ago.

Mrs. Henry Secor and Mrs. Edison Vandermark called at the Jake McClone, Jr., and Ed Shirey homes recently.

Mr. and Mrs. George Mollenhour spent Sunday evening with Mrs. Rhoda Jones.

Callers at the Floyd Blackwell home

the past week were: Mr. and Mrs. Joe Stickler, Mr. and Mrs. Henry Fletcher, Mrs. Max Dunlap, Mrs. Floyd Faurote, Mrs. Glen Bowman of Inwood, Ralph Kyle, Ray Henderson, Mrs. William Shanes, Mr. and Mrs. Francis Kehoe, Mr. and Mrs. Bud Wise and son, Mrs. Hugh Rickel and son, Merlin Holt, John Keller, Mr. and Mrs. Marion Guy and Virgil Sellers from Akron.

Miss Sue Barkman of Mentone spent the week end with Miss Marjorie Mollenhour.

Mr. and Mrs. John Ellsworth, and daughter, Cynthia spent Monday evening with Mr. and Mrs. George Mollenhour, it being Mrs. Mollenhour's birthday.

Mr. and Mrs. Frank Smith are enjoying a Florida vacation. Mr. and Mrs. Ernest Igo are assisting Leonard Smith while they are gone.

Public Sale!

Having decided to quit farming I will sell on the Willard Zolman farm located one mile south of Mentone on road 19 and one and three-fourth miles west or three miles straight east of Talma, on

TUESDAY, FEBRUARY 10

STARTING AT 10:30 O'CLOCK

7 — HEAD OF CATTLE — 7

4 year old Springing Holstein cow to freshen March 31st, Two 7 year old part Guernsey Cows, both springing and to freshen March 20 and 25, 2 heifers coming one year old, two nine months old heifer calves. All Cattle T. B. and Bang's Tested.

MRS. VICTOR TOBEY ENTERTAINS S. and E. DEPT. OF FARM BUREAU

The S. and E. Department of New Castle township Farm Bureau met Thursday afternoon in the country home of Mrs. Victor Tobey of near Talma.

The president, Mrs. Clarence Mike-sell, was in charge and devotions were given by the hostess. She used Romans 12 as her topic.

Mrs. Lavoy Hoffman read a piece "Grateful Heart" followed by prayer. The guest speaker, Mrs. Charles Riddle, told of the Farm Bureau trip they had taken and her talk was much enjoyed by all.

Mrs. Tobey was assisted by Mrs. Charles Hoffman, and Mrs. Harley Mathews. Refreshments were served to 30 members and one child.

The hostess for the March meeting will be Mrs. Amos Sanders, Mrs. Walt Safford and Mrs. John Dawson.

Frank R. Bybee, Mrs. Charles Byrer and Mrs. Mahle Gates, all of Fort Wayne, spent Sunday afternoon at the John Laird home.

ELVIN E. JONES BURIED SUNDAY

Elvin E. Jones, aged 81 years, died at 9:30 a. m. Friday at the McDonald hospital at Warsaw, where he had been a patient for eight weeks. He was receiving treatment there because of injuries he sustained in a fall at his home here.

Mr. Jones, a retired farmer, lived in the Burket and Mentone community all his life. He was born south of Burket April 1, 1871, the son of Samuel and Jane (Warren) Jones.

Mr. Jones was first married to Ella Hisey, who died in 1907. In 1917 he was married to Lucinda Wissler, who survives.

Other relatives include his sons, Esco of Botkin, Ohio, and Dennis of Palmyra, Wis.; a step-son, Irwin Wissler, of Fort Wayne, and a step-daughter, Mrs. Madge Oldfather, of Elkhart.

Funeral services were held Sunday at the Reed funeral home, with Rev. Milton Dowden, of the Baptist church, in charge. Burial was in the Palestine cemetery.

HUDSON

A son was born January 20, at the Woodlawn hospital to Mr. and Mrs. Kenneth Hudson, of Bourbon.

The new son weighed 8 pounds and 14 ounces and has been named Robert Allen.

WALTZ

A daughter, Sandra Kay, was born to Dr. and Mrs. Frank Waltz, on Jan. 19, at Punta Gorda, Florida.

Mrs. Con Williamson, of Burket, and mother to Mrs. Waltz, is in Florida with them.

PARENTS OF DAUGHTER

Mr. and Mrs. Donald Boyer, of Etna Green, Route 1, are the parents of a daughter, Judy Beth, weighing six pounds, 11 ounces, born Sunday forenoon at the McDonald hospital.

IMPROVING FOLLOWING SURGERY LAST WEEK

Rea Ward is a patient in the Woodlawn hospital following major surgery early last week.

Word on Wednesday afternoon, Feb. 11, says he is now better after being in quite a serious condition following the gall bladder operation.

WALTER C. ECKERT DIES

Walter C. Eckert, 65, a retired farmer who resided in Warsaw, died at 5:05 p. m. Saturday at the McDonald hospital of uremic poisoning and Bright's disease. He had been ill four years.

Mr. Eckert was born in the Harrison Center community, northeast of Mentone, Jan. 27, 1888. In 1919 he was married to Virgie Casner, who survives.

Surviving in addition to the widow are two sons, Charles F. Eckert of Sidney, and Edward P. Eckert, of Ft. Wayne; one brother, Ray O. Eckert, of east of Mentone, and nine grandchildren.

Funeral services were held at two p. m. Tuesday at the Bilby-McHatten funeral home at Warsaw. Rev. Noah McCoy officiated. Burial was in the Harrison Center cemetery.

MRS. BLANCH WALTERS DIES AT HOME IN TEXAS

Mrs. Blanch Walters, former resident of Burket, died at noon Saturday at her home in Stratford, Texas. She had suffered from a heart ailment.

Mrs. Walters went from Burket to Stratford about 10 years ago. Her husband, Leonard Walters, died about 12 years ago.

The deceased was born at Mentone, the daughter of Mr. and Mrs. Oliver Yates. She was a member of the Stratford Methodist church.

Surviving relatives include four sons, Nelson Walters of Fort Wayne, Hubert of Berkeley, California, and Robert and Bernard of Stratford, Texas; a daughter, Marguerite, of Oklahoma, and two nieces who live in this state. A son, Delbert, preceded her in death.

Funeral services will be held at two p. m. Thursday at the Johns funeral home in Mentone. Rev. Rider, of the Burket Methodist church, will be in charge. Burial will be in the Palestine cemetery.

FATHER DIES AFTER LONG ILLNESS

Funeral services were held on Saturday for Perry A. Williams, 71, of Muncie.

Mrs. Dan Urschel is a daughter of the deceased.

Mr. Williams had been in failing health for six years. His death came last Thursday.

CELEBRATE GOLDEN WEDDING

Mr. and Mrs. Elmer Rathfon, of Mentone, celebrated their golden wedding anniversary Sunday, Feb. 1.

Many relatives, friends and neighbors called between the hours of two and five to congratulate them. Many beautiful cards, flowers and gifts were received by Mr. and Mrs. Rathfon.

As each guest arrived they were served cake, punch and mints from a beautifully decorated table on which was placed a three-tiered wedding cake decorated in gold. Gold tapers were placed on either side of the cake.

Mrs. Arthur Brown and Mrs. Everett Rathfon assisted at the serving table. Yvonne and Marilyn Rathfon served the guests.

Mrs. Rathfon was formerly Miss Effie Kesler, the daughter of Mr. and Mrs. John Kesler, of six miles southwest of Mentone. Mr. Rathfon was the son of Mr. and Mrs. James Rathfon, of near Mentone.

The Rathfons have two children, Mrs. Arthur Brown of Mentone, and Everett Rathfon, who resides six miles southwest of Mentone, on the farm originally cleared and owned by Mrs. Rathfon's father, John Kesler. They have two grandchildren, Marilyn Lee and Yvonne Sue Rathfon.

Mr. and Mrs. Rathfon have resided in this community all of their lives.

HAS HEART ATTACK

Jacob Gross suffered a heart attack while visiting at the home of his daughter and husband, Mr. and Mrs. Harold Wagner, near Bristol, Sunday evening. Mr. and Mrs. Gross returned to their home near here Tuesday forenoon and Mr. Gross is reported much improved.

FIREMEN ENTERTAIN FAMILIES

The Mentone fire department entertained their families and invited guests at a big chicken supper at the school house Tuesday evening. About fifty were present, and I wonder just how some people can eat so much chicken—or even steak—but we did.

Invited guests included the telephone operators and the members of the town board.

Entertainment following the big dinner included a couple of movie comedies.

NOTE CHANGE OF DATE—P. T. A.

The February P. T. A. meeting has been changed to Wednesday evening, Feb. 18, because of the basketball tournament the following week.

This is to be a joint meeting with the Lions club. Mayor John Scott, of South Bend, is to be a guest of the Lions at their regular dinner meeting. The Lions group is then to join the PTA group in the school assembly where Mayor Scott will be the speaker of the evening.

Mr. Scott is married to a former Mentone girl, Pat Meyers.

GIRL SCOUT NEWS

The Girl Scouts held their regular meeting Feb. 10 at the Methodist Church. The pledge to the flag, laws and promise were repeated.

There were two news girls at the meeting interested in scouting. Leah Nell Lemler was elected song leader.

Feb. 16, in the school cafeteria, we are going to put on a membership program.

Following the meeting 12 of the Girl Scouts went to the apartment of one of their leaders, June Barts, who recently moved to the country. There they enjoyed a pot luck of barbecue sandwiches and other delicacies after which Miss Barts and Miss Wreatha McFarren took the group to the theatre at Warsaw. Transportation was provided by Mrs. Elmore Fenstermaker and Miss McFarren.

Scouts in attendance at the supper were: Ruth Cochran, Sue Ellen Shepherd, Julia Kay Kent, Lucy Coplen, Sue Borton, Rachel Walters, Sheila Fitzgerald, Janice Mollenhour, Sue Fenstermaker, Patty Parker and Sue Shoemaker.

Mrs. Herschel Lehman called at the home of Mrs. Tessie Newton Sunday afternoon.

CLUB CALENDAR

W. S. C. S. at the home of Mrs. Miles Manwaring, Thursday, Feb. 19, at 7:30.

JOLLY JANES HOME DEMONSTRATION CLUB

Mrs. Raymond Lewis gave the lesson at the meeting of the Jolly Janes Home Demonstration club, which Mrs. Harold Utter was hostess to, on Monday evening, February 9. In her comments on "Color Is a Decorator's Tool," Mrs. Lewis stated, "Color in a room is probably the least expensive tool in decorating, but one of the most important. The trend in 1953 is lighter shades."

Mrs. Wayne Bowser presided; for meditation Mrs. R. Kelly read, "Meet Abraham Lincoln." Mrs. Kenneth Romine read the history of the song of the month, "Softly Now the Light of Day."

Contests were conducted in which Mrs. Walter Kent was the winner. Mrs. Loren Tridle was awarded the door prize. Mrs. Emma Clutter received a gift from her cheerio pal.

Mrs. Kenneth Romine assisted Mrs. Utter in entertaining the 18 members present. Mrs. Dwight Reichard will be hostess at the next meeting, March 9, assisted by Mrs. John Ellsworth. A lesson on color will be given by Mrs. Kent.

MERRY MOLLYS STUDY INTERIOR DECORATIONS

"Color, The Decorator's Tool" was the project lesson given at the meeting of the Merry Mollys home demonstration club held Monday evening at the home of Mrs. Helen Crevelston. Mrs. Donald Horn illustrated her lesson with various pictures. Two poems were read by Mrs. Eugene Sarber for Meditation. Several members received birthday and anniversary gifts from their Cheerio Pal. Mrs. Clayton Holloway assisted Mrs. Crevelston with the refreshments. There were eleven members and three guests, Mrs. Joe Long, Mrs. Charles Hunter and Mrs. Leroy Wise, present.

CARD OF THANKS

I would like to thank each one and all for the beautiful cards and flowers and plants they sent me while I was in the hospital. They will never be forgotten. Thanks again.

Mrs. LAWRENCE ELICK

CARD OF THANKS

We want to thank the Mentone fire department for putting out the grass fire at our farm on Tuesday.

HENRY HASSE

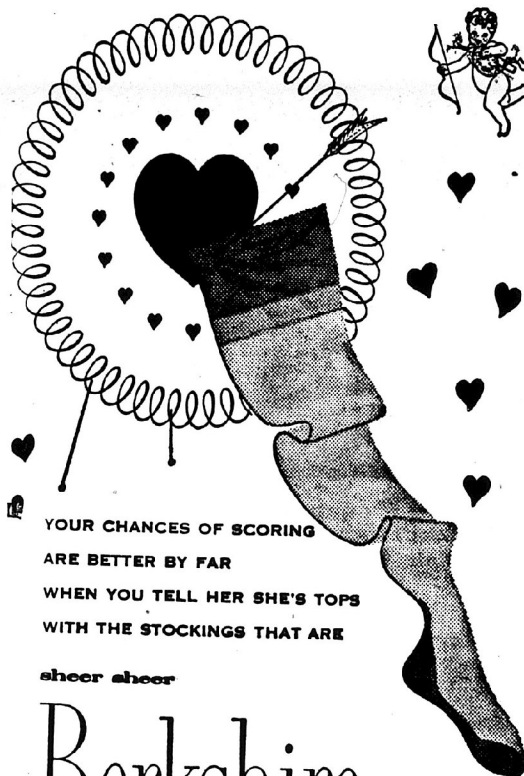

CARD OF THANKS

Mr. and Mrs. Elmer Rathfon want to extend their sincere appreciation to all who sent the beautiful cards, flowers and gifts in honor of their Golden Wedding anniversary.

Miss Annabelle Mentzer spent the week end in South Bend with the K. C. Foulks family.

Mr. and Mrs. Hobart Stifflet, of this vicinity, made a trip to Florida recently. While there, they spent a few days with Mr. and Mrs. Frank Williamson at their home, near Mt. Dora.

Lt. Robert Herendeen is spending a week's leave with home folks. Bob is now flying Jets. He finds them pretty quiet after flying those noisy bombers.

**ANNUAL CONFERENCE OF FARM
WOMEN SET FOR FEB. 24-25**

Two thousand farm women, travelling the highways and byways of the entire state, are expected to converge on the capital February 24 for a two day convention of the social and educational department of the Indiana Farm Bureau. Mr. Russell Cushman, Fortville, state director of this department, promises the women a varied and stimulating session, all of which will be held in the Murat Temple.

Out-of-state headline speakers will include: Mrs. Raymond Sayre, Iowa Farm woman and president of the Associated Country Women of the World; Dr. Ruth Leverton, University of Nebraska; and Dr. Raymond W. Miller of the Food and Agricultural Organization of the United Nations.

Mrs. Sayre returned last fall from a tour of Egypt, India, Lebanon and Syria and will tell her audience of observations made on the trip. Dr. Leverton will speak on human nu-

trition. Dr. Miller's address will accompany pictures taken in many foreign countries where the FAO program has reached.

The conference will open at 9:45 a.m. February 24 and end shortly after noon the next day. Hassil E. Schenck, president of the Indiana IFB, will talk to the women the first morning on the subject of our national economy.

Mrs. Cushman will deliver her annual message at the close of the same session her subject being "Cornerstones of Democracy," theme of the convention. Others on the program are: Mrs. Charles W. Sewell, Otterbein, Dr. Beulah Gillaspie, Dean of the Purdue School of Home Economics; Mrs.

Marie Daugherty, Chicago, director of women's activities of the American Farm Bureau Federation; Larry Brandon, Auburn, and Carl Seest, Clinton county, president of the Indiana Rural Youth.

Organization awards and district reports of outstanding achievements; special music by Jean and Jane Poynter of Boone county, Ralph Maish and Martha Harris of Clinton county; style show by L. S. Ayres and Company, Indianapolis; public speaking contest and a pageant will complete the program.

SCHOOL NEWS

Varsity Team Attends Fish Fry

The members of the varsity basketball team, Mr. Hoogenboom, Mr. Tucker, Mr. Tombaugh, and Mr. Kent attended the sixth annual Sectional Tourney fish fry held at Etna Green on Monday evening. The meals were prepared and served by members of the Akron Jonah Club under the direction of Forrest Higgins. Hilliard Gates, Sports commentator from Fort Wayne, gave the main address of the evening.

Bulldogs Continue Winning Ways

The Mentone teams continued their winning ways at Claypool last Friday evening by defeating the Claypool Knights 55-47. The local boys were handicapped by the size of the playing floor and the rugged zone defense which Claypool used. The second team won easily 42-48. This Friday evening the Mentone teams play their last home games of the season with Milford. The second team game will start promptly at 7:00. The band will present a concert from the stage between games.

Sectional Tourney tickets to go on sale.

Tickets to the Sectional Tourney will go on sale Friday, February 20, at the office of the principal. The tickets are priced at \$2.50 for the fifteen games. The tourney itself begins on Wednesday evening, February 25, at Warsaw. It is thought that there will be a scarcity of tickets this year since the seating capacity of the Armory is two hundred less than last

year. No local tickets will be sold to outsiders until Tuesday, February 24. **Solo Contestants Make High Ratings**

David Gosser with a vocal solo and Charles Urschel with a trombone solo were judged superior in the recent district contest. Both students will enter the state finals. Sherry Shoemaker, Sue Elaine Shoemaker, Mary Ellen Bryan, Rita Olson and Sheila Fitzgerald were adjudged excellent. Mary Ellen Bryan was rated good in her piano solo.

Two New Students

Curtis Binkley, eighth grade, and Sheila Binkley, fifth grade, have entered the Mentone school from Atwood.

Radio Program This Saturday

The Mentone speech class under the direction of Roger Kelly, will present a radio play over WKAM at 11:30 this Saturday. Members of the Speech club will give latest news about the Mentone school. The speech students will present their play as an assembly program on Friday.

An Appeal for New Bicycle Racks

The Vocational Agriculture class under the direction of Mr. Weiss has volunteered to weld new bicycle racks for the school. Since funds are not available to purchase pipe, this is an appeal for scraps of pipe to be donated by anyone willing to do so. We

will need pipe either 1/2, 3/4, or 1 inch in diameter for these racks. We can use any length, since they can be welded together. Please bring or send your odds and ends of pipe to the agriculture department in the school building. We will be willing to pick up your pipe if it is not convenient to bring it to the school. Thus far this year two bicycles have been seriously damaged by need for an adequate rack to hold them.

The FHA and the FFA will hold a joint meeting at the school on Tuesday evening, February 17.

A committee composed of Ronald Brown, Philip Carney, Jerry Ross, Jon Cullum, Kay Flenar, Charles Ross, Larry McKinley, Mr. Hoogenboom, and Mr. Kent have been writing new rules for the school award system.

The elementary teachers met at the school Monday afternoon to discuss the teaching of reading at Mentone. It was suggested to stress the interpretation of the reading program to the public and try to follow the Scott, Foresman program in every detail. It is thought that the first four grades in school are much stronger in reading than the 5th and 6th at present.

Fly Line

Generally speaking, it is the function of the fly line to carry the fly or light lure out to the fish. for this reason, it is fairly heavy and so constructed that it will float if kept properly dressed.

HOG RAISERS

THE NET PROFIT YOU REALIZE FROM YOUR HOG RAISING OPERATION IS INFLUENCED GREATLY BY YOUR COST OF PRODUCING THOSE HOGS.

It is now more important to feed more efficiently and keep those costs down.

Swift's Hog Concentrates contain those exact ratios of vitally important ingredients designed to promote fast, efficient growth.

From Swift's U. S. Government Inspected Packing Plants comes the Digester Tankage which constitutes a major portion of Swift's Hog Concentrate. To this Digester Tankage a portion of various vegetable proteins are added for protein balance. Such other ingredients as vitamins, minerals, A. P. F. and Anti-Biotics are added to effect more efficient feed conversion.

Zanna Hammer, of Warsaw, fed his 1952 spring pig crop on the Swift Hog Feeding Program.

See What Mr. Hammer Says—

Warsaw, Indiana, R. F. D. 5
Nov. 15, 1952

Swift & Co.,
Chicago, Illinois

During April of this year my gilts farrowed 161 pigs. These were fed strictly in accordance with the Swift Hog Feeding program and an accurate record was kept of all feed used.

I am so pleased with the results that I want to pass the information on to your laboratory.

The pigs were placed on a small amount of rye pasture, Pig Power was fed to about 70 pounds, Sow & Pig Concentrate Pellets to about 100 pounds, then finished on 40% Hog Concentrate Pellets. All feeding was free choice. Attached is a summary of my feeding results.

I was particularly well pleased with the free choice method of Pellet feeding, good rate of gain and especially the low cost of gain.

You can be sure that I have been convinced that the Swift Hog Feeding Program produces the fastest gains at the lowest possible cost, and I would recommend the program to any hog raiser.

ZANNA HAMMER.

**IND. RURAL YOUTH TOUR
MARCH 1-8 TO FLORIDA**

The annual Indiana Rural Youth educational tour will go to Florida in 1953, officials of the state youth organization announced this week. Several bus loads of rural young people are expected to participate in the tour, scheduled for March 1 through 8. The Indiana Rural Youth is co-sponsored

by the Indiana Farm Bureau and the Purdue University Extension Service.

The special bus tour will leave Indianapolis in the early morning of March 1 and journey straight through to Jacksonville, Florida, in order to allow maximum time in the "Sunshine" state. The group will take an extensive circle tour of Florida and will visit both the east and the west coasts.

This special tour is similar to the popular Rural Youth sponsored educational trips that have been taken to various sections of the United States in previous years. The March tour will be arranged and conducted by the Hoosier Travel Service, Inc., a farmer-owned travel bureau which has conducted air, rail and bus tours for over 5,000 Indiana farmers and their families since its founding in 1948.

The 8-day trip will cover over 2,500 miles and will include much interesting and educational sightseeing for the rural people, in addition to being a spring vacation for many of them. Almost all of Florida's world famous tourist centers will be visited, as well as special visits to the state's largest cattle farm and a citrus grove and processing plant.

The group will stay overnight at Tampa, Miami, and Daytona Beach. Special sightseeing trips will be taken at Silver Springs, Marineland, St. Petersburg, Palm Beach and Miami, among other places. Officials of the travel organization will personally accompany the special tour.

Tour officials point out that the cost of the tour is only \$95.71 and

that this price includes all transportation, sightseeing, admissions and hotel accommodations. Interested persons should contact the Hoosier Travel Service, 130 E. Washington St., Indianapolis 4, Indiana, when sending in reservations or when asking for additional tour information. County Rural Youth leaders also have tour material.

**NITROGEN MAY LIMIT
CORN PRODUCTION**

Available nitrogen may be the limiting factor in corn production even though there is adequate phosphate and potash in the soil.

Dr. S. A. Barber, Purdue University agricultural agronomist, says nitrogen which becomes available to the corn crop comes from three main sources: breakdown of the organic matter in the soil, breakdown of the residues of a previous legume crop, and additions of such material as commercial fertilizers or farm-yard manure.

Results of nitrogen experiments on the soils and crops farm at Lafayette indicate that on this light-colored, well-drained soil 300 pounds of nitrogen are needed to produce top yields of 130 bushels per acre. As increased yields are reached, greater additional amounts of nitrogen are required.

All of the required nitrogen does not need to be applied as commer-

cial fertilizers because large amounts of nitrogen are released from the decomposed residues and organic matter. The prices of nitrogen and of corn determine the most economical production level. At present day prices, seven pounds of nitrogen are about equal to the price received for a bushel of corn. Supplemental nitrogen should be added only to the point where it takes seven pounds of nitrogen to make one more bushel of corn.

Nitrogen and other fertilizers may not be able to produce maximum yields unless other factors such as soil structure, soil moisture and weather conditions are in favorable balance. The condition of the seed bed and thickness of stand also hold down yields. The more that can be done to hold down these limits, the greater the profits from high level fertilization.

More Cars

Nearly 52,217,000 vehicles were registered in the country at the end of 1951 compared to 49,143,000 in 1950?

BOYS 4-H MEETS

The boys' 4-H club held a meeting Monday evening at seven o'clock at the school house. Officers were elected for the coming year, as follows:

President, Larry Yelter.
Vice president, Jack Smalley.
Secretary and Treasurer, Duane Eckert.
Reporter, Ronnie Severns.
Song leaders, Jim Eaton and Glen Davis.

Health and Safety: Larry Long.
Recreation, Charles Feldman.
There were two committees appointed:

Refreshment, Jim Eaton and Duane Eckert.

Name committee to pick a name for the club, Jack Smalley, Ronnie Severns and LeRoy Markley.

Pins were passed out to the members of the club who had completed one, three or five years.

There were 14 members present and two parents and advisors, Ed Severns, Harold Eaton and Mr. Weiss.

The next meeting will be held Feb. 23 at the school house.

GETS DRIVING PENALTY

Phil Carney, 17 year old Mentone high school youth, paid a fine of \$1 and costs totaling \$12.75 Thursday in J. P. court at Warsaw. State Trooper Wallace Manrow arrested Carney three days before. No accident was involved. The boy, supposedly, just wanted to get to a fire before the firemen and fire department did. The charge was reckless driving.

TO HOLD HEARING ON TELEPHONE SERVICE

The Public Service Commission has set a public hearing to be held at 10 a. m. Thursday, Feb. 19th, in the basement of the public library at Akron, for the purpose of hearing service complaints of the patrons of the telephone exchanges of Mentone, Akron and Silver Lake.

This hearing is the result of a widespread feeling by telephone subscribers of the area that because of obsolete equipment and inadequate facilities the higher rates charged for telephone services are not justified.

Many citizens of this community are planning to attend and those who

feel our telephone service is not what it should be, or that the rates are too high, are urged to make arrangements to go to this hearing. Those desiring to go and appear as a complainant in the hearing are advised to contact Attorney James Rodibaugh, Elmore Fens-termaker or leave word at the Co-Op. News office.

A strategy meeting of subscribers is to be held at the Akron public library two days prior to the hearing—Feb. 17th at 7:00 p. m.

Spokesmen for the subscribers have indicated they feel both meetings are very important and are being timed with a requested legislative probe of the Public Service Commission's approval of inadequate service and exhorbitant rates.

This matter, and these hearings, is not something for a few leading individuals, but if it merits any consideration, all subscribers should lend it their support with their attendance at the meetings.

**IMPROVED PRACTICES
INCREASE EGG PROFITS**

Improved practices can increase the profit in egg production, states Melvin L. Wilson, Purdue University poultry extension specialist. The poultryman must do a top-notch job in order to make profits during times of high feed prices and competition for markets.

Poultry houses and equipment should be kept in good repair. The brooder house, stove and other brooding equipment must be in good condition and ready to go before the chicks are obtained from the hatchery.

Adequate records are just as important in the poultry business as in any other business. No flock is too small to keep records on. Good records aid the farmer in figuring income taxes as well as profit and loss.

Disease cuts poultry profits and it is possible to eliminate a lot of worry and work by following a good sanitation program. Facilities must be kept clean and free from disease and disease carriers. Along with a good sanitation program goes a good feeding program with 15 to 17 percent protein in the total ration.

Wilson advises farmers to secure quality egg markets and to market

eggs twice a week, especially during warm weather. Non-layers should be culled frequently as these loafers soon eat up the profits made by the layers.

By the ads on match book covers, a wife can check up on where her husband has been.

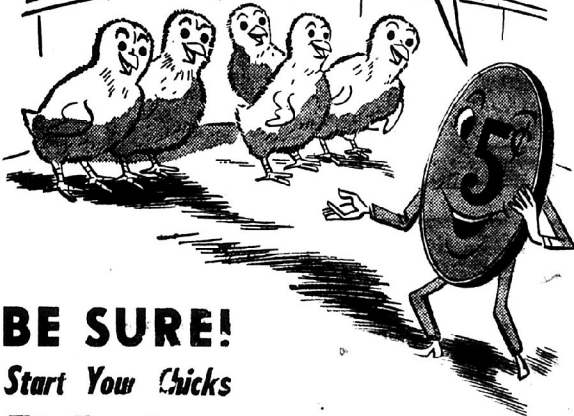

Fruit Salad

Fruit salads do well with interesting toppings: whipped cottage cheese, orange juice and grated orange rind; sour cream mixed with jellied cranberry sauce; or, cream cheese with chopped pineapple and chopped maraschino cherries.

ADULT 4-H LEADER

MEETING MARCH 12

Kosciusko county 4-H leaders have been invited to attend the district adult 4-H club leaders conference to be held at North Manchester on March 12 reports Leo Seltenright, Assistant

County Agent.

Similar training conferences have been scheduled throughout Indiana at 23 different centers. At each location the local Rotary club is assisting by providing the meeting place. The local Rotary club of Warsaw has in-

vited the Kosciusko county leaders to be their guests at the noon luncheon.

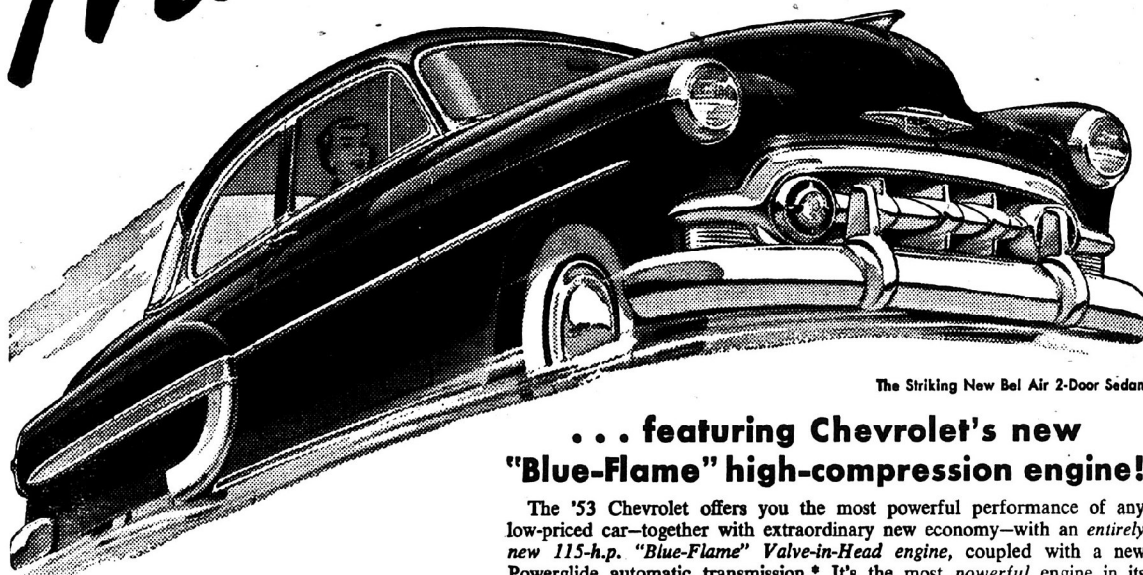

The State 4-H club office staff will instruct the leaders. The day's program will feature such topics as: "This is the Key in '53", "Working with Others," "How You Can Have an Hon-

or Club" and project instructions. State instructors from Purdue University will be Eric Holm and Mary Frances Smith.

Arrangements have been made for adult leaders and Rotarians of North Manchester to lunch together at noon.

FRIENDLY NEIGHBORS CLUB

The Friendly Neighbors club met at the new home of Mrs. Milo Fawley, in Mentone, on Thursday, February 5.

The meeting was called to order by the president, Mrs. Charles Manwaring. The group then sang "America the Beautiful." Mrs. Turner Boggs gave the history of the song of the month, "Softly Now the Light of Day".

Mrs. Ernest Studebaker gave the meditations. The lesson was given by Mrs. Richard Manwaring and Mrs. Gerald Ballinger on "Color Is a Decorative Tool." Response to roll call was a current event.

Secret pal gifts were received by Mrs. Oral Welch. Mrs. Richard Man-

waring and Mrs. Milo Fawley. Auction articles were purchased by Mrs. Ernest Studebaker, Mrs. Turner Boggs and Mrs. Donald Boggs.

Delicious refreshments were served by Mrs. Fawley and her assistant, Mrs. Monroe Romine to the eighteen members present. The March meeting will be at the home of Mrs. R. C. Greulich with Mrs. Everette Neeson as co-hostess.

Mrs. Jefferies, Reporter.

Marsh Hawk

The marsh hawk roosts in trees only during the nesting period. At other seasons this bird roosts on the ground, preferably in sedge fields.

LAUBER WINS JUNIOR CORN GROWING TITLE

Denver Lauber, of Holton is the 1952 junior corn growing champion of Indiana. W. R. Amick, associate in 4-H club work at Purdue University, announces.

The 18-year-old Ripley county youth topped 1,574 other junior growers in the five-acre corn club with an official yield of 168.7 bushels per acre. He and other high producers will be honored at the first Junior Corn Growers Jamboree to be held at Purdue University February 21.

Lauber grew his winning corn in a 23-acre field which was in clover in 1951, wheat in 1950, and soybeans in 1949. It received 100 tons of manure in 1951, 75 tons in 1948. The field was plowed in April, double disked three times, harrowed and cultipacked. Indiana certified hybrid 803 was drilled in 37-inch rows. The corn was cultivated four times with the tractor.

Fertilization included 400 pounds of 4-16-16 analysis per acre plowed under and 250 pounds of 10-10-10 in the row. Another 540 pounds of ammonium nitrate per acre were plowed under.

PALESTINE NEWS

Mrs. Edison Vandermark

Mr. and Mrs. Henry Pletcher visited with Mr. and Mrs. Dean Cook and daughter, of Elkhart, Sunday.

Mr. and Mrs. Robert Estlick and family of Columbia City, spent Sunday afternoon with Mr. and Mrs. Neil Estlick.

Those in this community who have been having the Flu are Mr. and Mrs. Ray Wilttrout, Mr. and Mrs. Neil Estlick, Mrs. Edison Vandermark, Mr. and Mrs. Eldon Horn and daughters, Karen and Cheryl, Mr. and Mrs. Dale Wilttrout and family, Mrs. Max Dunlap, Mr. Henry Mills and Floyd Blackwell.

Mr. Don Vance and sons, Stephen and Douglas, of Napoleon, Illinois,

spent Sunday with Ray Wilttrout and family.

Mrs. Louise Summy's condition is unchanged.

Mr. and Mrs. George Droud called on Mr. and Mrs. Ralph Good recently.

Callers at the Edd Shirey home recently were: Mr. and Mrs. Guido Shirey and children of Mentone and Mr. and Mrs. Philip Whetstone.

Mr. and Mrs. Logan Ramsby, of near Ligonier, visited with the latter's parents, Mr. and Mrs. George Hipsher, Saturday.

Miss Phyllis Snyder called at the Joe Huffer home Monday evening.

Mr. and Mrs. Edd Dunnuck called on Mr. and Mrs. Joe Huffer, Thursday afternoon.

ADVERTISE -- IT PAYS!

ARE CITY WAGES BETTER THAN RURAL?

If your hired man wants to go to the city to get in on those big factory wages he might ask himself this question: "how much will I earn to break even with a good farm job?"

It figures out that a \$200-a-month hired man would need to earn \$1.87 an hour for 40 hours a week, 50 weeks a year, according to a report in Capper's Farmer. This assumes the man on the farm gets his and a gallon of milk a day. Also that the factory man lives 10 miles from his job.

If your hired man gets \$150 a month, that's about equal to \$1.50 an hour on the same basis of comparison.

"But I work longer days on the

farm", says the hired man.

True, but with occasional idle days, the hired man probably averages about 55 or 60 hours a week year round. That's not so much more than the factory worker actually puts in.

He works 40 hours, but he may work even harder getting back and forth to the factory through city traffic. And he doesn't get paid for those extra hours of travel.

The factory worker has the advantage of unemployment insurance—and is a lot more likely to need it than a farm worker. Both are under social security old-age benefits.

Pvt. Loren Gross, of Ft. Leonard Wood, spent the week end with home folks. He arrived in Chicago by plane.

Don't do it!

Don't throw in the sponge on unpaid obligations. Good credit is a priceless possession and one of your strongest assets in business.

Keep it that way by paying up . . . on time.

OUR DEMOCRACY—by Mat

ACROSS THE YEARS

"We cannot escape history... The fiery trial through which we pass will light us down, in honor or dishonor, to the latest generation... We shall nobly save, or meanly lose, the last, best hope of earth.

The way is plain, peaceful, generous, just—a way which, if followed, the world will for ever applaud, and God must for ever bless."

—Abraham Lincoln— Message to Congress

SERVING IN KOREA

Pvt. Don A. Baker, son of Mr. and Mrs. Joseph Baker, is now serving in Korea driving a two and a half ton GMC hydramatic truck, hauling supplies for the armed forces. One of his main duties is hauling heavy artillery ammunition. His wife, the former Rosemary Cotey, is residing with her parents while her husband is in the service.

Don recently completed a 16-day school on trucks and their maintenance.

He reports that he likes his work fine but that the driving there is a real job. Many times he has to use the four-wheel drive to get up some of the mountains with an empty truck.

Word from Floyd Dorsey states that he is now at Camp Custer, Michigan and will soon be shipped to another camp for his basic training.

Mrs. Bertha Meredith is slowly recovering from an attack of flu. She is still at the home of her son, Roy Meredith, of near Akron.

ROYAL NEIGHBORS MEET

On Tuesday of last week the Royal Neighbors were entertained in the home of Neighbor Mary Borton. The meeting opened with the pledge to the flag with Oracle Mary Borton presiding. After the regular order of business Installing Officer Mary Goodwin installed the officers for the coming year. They were:

Oracle, Snowden Halterman.
Vice Oracle, Gladys Anderson.
Past Oracle, Mary Borton.
Recorder, Mary Teel.
Receiver, Clara Parker.
Marshal, Emma Cook.
Assistant Marshal, Georgia Teel.
Sentinals, Chloe Griffiths and Mrs. Newell.

A card was signed and sent to Neighbor Mae Borton who is spending the winter with her daughter in North East, Pa.

The mystery package was won by Fern Rickel. The new oracle closed the meeting and bingo was played, prizes going to Lydia Rynearson, Clara Parker and Elnora Coplen.

The next meeting will be the first Tuesday evening in March at the home of Neighbor Chloe Griffiths.

The hostess and her assistant, Della Dillingham, served doughnuts and coffee to fifteen members and two guests.

POULTRY NUTRITIONIST TO SPEAK IN MENTONE

Dr. R. M. Bethke will visit Kosciusko county Friday, February 20th. He will address a group at 1:30 p. m. at the Home Economics building at the Warsaw fairgrounds, and another at the Mentone high school at 7:30 p.m. His subject will be, "Things You Can Control in the Poultry Business." The subject will be the same at both of the meetings.

Dr. Bethke, who is known from coast to coast for his contributions to the poultry industry, was for many years associated with Ohio State University, and is now director of poultry research for the Ralston Purina Co., St. Louis, Mo.

The Valentine Elevator is sponsoring the meeting at Mentone.

METHODIST CHURCH NEWS

A tentative date, March 12, has been set for the Father and Son banquet. The local church will be host to the boys of Bashor Home on this occasion. Plans for the publicity and program of the banquet are under way.

Well over a hundred persons heard the interesting and inspiring address of Dr. D. D. Etchieson this past Sunday evening. As chief Koyhawon of the Sycamore tribe of Indians, he presented to the congregation a new blood-brother, Jonnie Tarpalechee, who had, just previous to the evening service, been initiated into the tribe and given this Creek Indian name. There is no prouder child in Methodism than Jonathan Gosser.

Following the service Dr. Etchieson was house guest of Mr. and Mrs. Denton Abbey.

A week of special evangelistic services will be held on March 15 through March 22. The Rev. E. O. Keggereis, of Leesburg, will be the speaker. Special music will be featured during the week and a visitation program will be included in the services.

This coming Sunday emphasis will be given to the week of Dedication services held throughout Methodism.

Mrs. Leora Baker, who has been visiting her sister, Mrs. Agnes Baker, went to South Bend Monday to spend some time with her daughter-in-law, Mrs. Earl Baker.

MENTONE READING CLUB

The Mentone Reading Club held its February meeting at the home of Mrs. Allen Shirey, with Mrs. Elmore Fens-termaker assisting the hostess.

During the business meeting the following officers were elected for the coming year: president, Mrs. Raymond Cooper; vice president, Mrs. Byron Peterson; second vice president, Mrs. Max Nellans; secretary, Mrs. Walter Kent; treasurer, Mrs. Ralph Mollen-hour.

The program committee is: Mrs. Miles Manwaring, Mrs. Allen Shirey and Mrs. Conde Walburn.

Mrs. H. V. Johns and Mrs. Don VanGilder were the program chairmen. The topic presented was, "Behind the Seams." Individual topics were: "The Fashion Industry as a Whole," by Mrs. Don Van Gilder; "How a Dress Is Designed," by Mrs. Max Nellans; and "A Forecast of Spring Fashions and Fabrics," by Mrs. Conde Walburn.

Samples of the new cotton fabrics were passed for the ladies to examine.

Following this interesting topical discussion a spring "fashion" revue was given by the following ladies: Mrs. Charles Manwaring, Mrs. Conde Walburn, Mrs. Max Nellans and Mrs. Don VanGilder. Some of the "creations" were: the flowered dress, a metallic dress, a lace dress, a knit suit, a stole suit, morning dress, beach wear, a tubular suit, etc. (It is hardly necessary to add that the models and their "originals" truly added the high point in fun and humor to a fine program.)

MRS. SNYDER'S STUDENTS
ATTEND MEETING

The following is a list of Maude Snyder's students, who participated in the District Musical Contest which was held February 7, at Kokomo:

Mary Ellen Bryan, Sue and Sherry Shoemaker, Carol Ann Dickey, Carol Rathbun, Marilyn Horn, Joy Rider, Mary Kate Miller, Barbara Hoover, Mary Pites, Sharon Carpenter, Lucille Koger and Tommy Cooper. Some of them received a superior rating and some were excellent. Mary Dorrell and Dorothy Kendall were enrolled, but unable to attend on account of illness.

SORORITY HAS
INITIATION SERVICE

Miss Annabelle Mentzer was hostess to the Psi Iota Xi sorority, Tuesday night, February 17.

Initiation services were held for Mrs. Forest Miner and Mrs. Arthur Kendall. The new members were presented to Mrs. Iris Anderson, acting president, by the conductress, Mrs. Ellery Nellans. Other officers taking part in the ceremonies were: Mrs. Curtis Riner, vice president; Mrs. Esther Shoemaker, treasurer, and Mrs. Mervin Jones, secretary.

Following Bridge, lovely refreshments were served to 22 members. First Bridge prize went to Mrs. Mott Bryan, second to Mrs. Curtis Riner. The door prize was won by Mrs. Harold Utter.

March the third is the date for the next meeting to be held at the home of Mrs. Tom Wowk.

ETNA GREEN GETTING ACTION
ON HIGHWAY SAFETY

Following the death of three motorists at the intersection of highways 19 and 30 at Etna Green, the latter part of the week, the Etna Green town board and citizens held a meeting on Monday evening seeking some course of action to safeguard that dangerous intersection. The state highway department has yielded to their pleas and erected larger warning signs, but the citizens insist that traffic lights should be installed.

With all due courtesy to the state highway department, it appears their past conclusions relative to whether or not a crossing warrants lights or flashers depends upon whether or not anyone has ever been killed at a crossing. The Mentone town board, some years ago, replied rather vehemently to a member of the commission because of that particular trend of thinking. We insisted the time to install safety precautions was before someone was killed—not afterward.

Our congratulations to the Etna Green people for having the courage to take definite action on their constructive thinking. We need more of this by citizens everywhere. Our laxity in this respect resulted in our necessity to maintain one out of ten of our citizens on a padded public payroll for which we received little, if any, benefit.

MOTHERS OF WORLD WAR II

The Mothers of World War II met at the home of Mildred Fawley, Wednesday evening, February 11.

Twenty one members answered roll call. Mrs. Dorothy Schudorick took the obligation and joined the unit.

Several communications were received from the hospital thanking the unit for our donations sent to them.

Plans are being made for us to make another trip to the Fort Wayne veterans hospital in the near future.

The remainder of the evening was spent in making up Valentine plates for the shut-ins.

The March meeting is to be held at the home of Myrtle Davis.

MALOTT

Mr. and Mrs. Ronald Malott, of the Beaver Dam community, are the parents of a son, Timothy Gerald, weighing seven pounds, two ounces, born last Wednesday at the Woodlawn hospital at Rochester. Mr. Malott is principal of the Talma school.

Mr. and Mrs. Charles Leininger, of Beaver Dam, are the maternal grandparents of the baby.

GIVE WHAT WE ASK

Mankind's search for a workable basis of true brotherhood seems too often to become confused in a welter of lofty-sounding platitudes. Quite simply, it is nothing more than giving to others the rights, privileges and respect which we ask for ourselves.

We have not yet reached that plane nationally; we are still farther away from it on an international scale. Yet, in spite of wars and rumors of wars, we have made progress. That we publicly and repeatedly proclaim the need for brotherhood and seek to advance such a quest through such organizations as the National Conference of Christians and Jews is in itself indicative of progress.

Feeble and stumbling as our efforts may appear in the mirror of world events, we are on the pathway toward worldwide consideration of the dignity and equality of each individual.

—R. H. Kirkpatrick, Editor of the Bethlehem (Pa.) Globe-Times

In honor of National Brotherhood Week.

ORR COOK SUCCUMBS
AT NURSING HOME

Orr Cook, aged 83, of 311 North Union street, Warsaw, died at 10:45 a.m. Monday at the Alfran nursing home. He had been ill four weeks and had received medical treatment at the Murphy Medical Center before going to the nursing home.

Mr. Cook, a retired farmer, residing southwest of Warsaw before moving to that town six years ago. He was a member of the Cook's Chapel Methodist church.

He was born July 17, 1869, the son of Stephen and Ellen (Gault) Cook. On June 11, 1896 he was married to Emma Harman, of north of Atwood, who died Aug. 24, 1943.

Surviving relatives include three daughters, Miss Vera Cook, at home, Miss Edith Cook, of Chicago, Ill., and Mrs. Gladys Clark, of West Jefferson street, Warsaw; two sons, Paul, of west of Warsaw and Robert, southwest of Mentone; nine grandchildren and four great-grandchildren.

Funeral services were held at 2 p.m. Wednesday at the Bibler funeral home. Burial was in the Cooks' Chapel cemetery.

REV. DOWDEN RESIGNS
BAPTIST CHURCH PASTORATE

Rev. Milton Dowden announced last Friday that he had resigned as the pastor of the Mentone Baptist church and has accepted the pastorate of the First Baptist church at Plymouth.

Rev. Dowden has been working for some time trying to interest someone in taking the Plymouth pastorate, and has been one of a committee of six to get this accomplished. Little did he suspect that eventually he would be the one that felt led to accept it.

The resignation was accepted by the members of the Mentone congregation during their prayer meeting held on last Thursday evening. The resignation is to become effective April first.

Rev. Dowden and family have made many friends while in our community, and the church has seen some real growth under their leadership.

The McKeighans have moved into their new home recently erected just south of the city limits on Road 19.

TELEPHONE CO. ANNOUNCES
PERSONNEL CHANGES

Mr. E. L. Malone, District Manager at Logansport for General Telephone Company of Indiana, Inc., announced today the appointment of Mr. C. F. Parrett as plant supervisor at North Manchester, effective February 16. As plant supervisor at North Manchester, Mr. Parrett will be responsible for all outside plant functions of the Company's North Manchester, Akron, Atwood, Bippus, Bourbon, Burket, Claypool, Etna Green, Fulton, Laketon, Macy, Mentone, Millwood, Morton, Sidney, Silver Lake, and Tippecanoe exchanges.

For the past 14 months, Mr. Parrett has been Commercial Manager at the Company's LaPorte exchange. Before that time he held a similar position at Angola. For two years Mr. Parrett was sheriff of Cass county before that time he was affiliated for 11 years

with the plant department at the Logansport exchange. Mr. Parrett is married and has one daughter, Lois, age 14. He is affiliated with the LaPorte Chamber of Commerce, the Rotary club and the Elks Lodge. The Parretts plan to move to North Manchester as soon as they are able to find suitable living accommodations.

Mr. Parrett will replace Mr. J. F. Doddrell, who is being appointed to the position of District Plant Superintendent at Connersville. As District Plant Superintendent, Mr. Doddrell will be responsible for the coordination of all outside plant functions in the Company's Connersville, Blountsville, Cicero, Brownsville, Frankton, Jolietville, Lewisville, Liberty, Mays, Mechanicsburg, Mooreland, Perkinsville, Raleigh, Shirley, Spiceland, Westfield and Windfall exchanges.

Mr. Doddrell has been affiliated with the Company for the past sixteen years, during which time he has held various responsible positions in the plant and engineering departments. During most of this time Mr. Doddrell was assigned to Logansport, where he attended school. Mrs. Doddrell is the former Jane Hopper of Logansport. They have a daughter, Sandra Kay, age one year.

TIPPECANOE RIVER CLUB MEETS
WITH MRS. WAYNE MIKESSELL

The Tippecanoe River Club met Wednesday at the home of Mrs. Wayne Mikesell with Mrs. Dale Peterson as the co-hostess.

Annual

ARGOS IZAAK WALTON LEAGUE

PIG HOCK AND BEAN SUPPER

with all the trimmings.

FRIDAY, FEBRUARY 20, 1953

6 to 8 p. m.

at the Izaak Walton Club House, Argos.

ALL YOU CAN EAT FOR \$1.00

The meeting was opened by the group singing, "America the Beautiful" followed by the pledge to the flag and the club creed. Mrs. Dale Peterson gave the devotions and Mrs. Harley Matthews read the history of the song of the month, "Softly now the Light of Day".

Mrs. E. M. Wagoner and Miss Bessie Platt then sang the song to the group. Roll call was answered by the members giving their middle names. Mrs. Clarence Mikesell gave an interesting talk on the project lesson, "Animal Diseases Passed On to Man." The safety lesson entitled, "Safety Knows and Obeys Traffic Laws," was given by Mrs. Calvin Mikesell.

The club collect was repeated and Mrs. Glen Putterbaugh read the club prayer.

Winners of the contest were Miss Bessie Platt and Mrs. Marion Fultz. Each member drew a comic Valentine with Mrs. Calvin Mikesell and Mrs. William Spulres the winner.

Delicious refreshments in keeping with Valentine Day were served to

seventeen members, five children and one guest, Mrs. Ernest Caslow. There was also an exchange of homemade Valentines.

IZAAK WALTON SUPPER

The Argos Izaak Walton League has scheduled its annual Pig Hock and Bean Supper for Friday, February 20, at the Izaak Walton Clubhouse in Argos.

The committee reports the pig hocks and beans will be served with all the trimmings. Serving will start at six o'clock and will continue until eight. As in the past, you will be able to get all you can eat for one dollar.

Calf losses on some dairy farms often reach 20 to 25 percent before animals are six months of age, say Purdue University dairymen. Over-feeding, lack of dry and well-ventilated pens, and overcrowding are responsible for many of these losses. As long as there are no drafts, calves that are well-bedded are able to withstand relatively low temperatures.

**SPARROWS MAY BE
DISEASE CARRIERS**

Sparrows may be more than just a nuisance around farms. Some research in the veterinary science department at Purdue University has shown that it is possible for young sparrows to pass the dangerous Newcastle disease into poultry flocks.

Although free-flying birds are difficult to use in laboratory work, Dr. D. P. Gustafson and Dr. H. E. Moses, animal disease scientists, have been able to keep English sparrows in captivity. Their studies show that Newcastle disease can be passed from chickens to young English sparrows, from sparrows to chickens, and from sparrow to sparrow. They have found evidence that the virus will stay active as long as 21 days in the sparrow's body.

Newcastle probably costs poultry raisers of this country 40 million dollars annually, developing during the last 10 years as a major threat to the industry. When it breaks out in flocks, heavy death loss results in young chickens and great loss of egg production for older ones.

Sparrows interested the research men because these birds live over such a wide area of the country, stay around most of the year, and seem to associate with poultry. Next job was to catch the birds alive and keep them alive. They appear hardy in nature, but are fragile in captivity.

Often searching for them with flashlights after dark in poultry houses, the Purdue veterinarians explain that it took hats, hands, and nets to catch the sparrows. By experience they learned how to keep birds alive for the experiments. Sparrows need to have clean water and suitable grain where they can get it at all times. They have to be handled carefully and be caged in small groups.

After that, the project required painstaking research. Tiny amounts of tissue had to be taken from the bird's body. From this tissue, the scientists had to isolate a virus too small to be seen except by powerful microscopes.

The Purdue men found they could give Newcastle disease to English sparrows by three different methods. They could give it by way of the bird's mouth or by injecting the virus into the bird's brain tissue. Perhaps their most striking result was that when they sprayed the virus into the air as an invisible mist, the sparrow became infected. This last method may closely resemble the way sparrows may be exposed in poultry houses where the disease is active.

HOG RAISERS

THE NET PROFIT YOU REALIZE FROM YOUR HOG RAISING OPERATION IS INFLUENCED GREATLY BY YOUR COST OF PRODUCING THOSE HOGS.

It is now more important to feed more efficiently and keep those costs down.

Swift's Hog Concentrates contain those exact ratios of vitally important ingredients designed to promote fast, efficient growth.

From Swift's U. S. Government Inspected Packing Plants comes the Digester Tankage which constitutes a major portion of Swift's Hog Concentrate. To this Digester Tankage a portion of various vegetable proteins are added for protein balance. Such other ingredients as vitamins, minerals, A. P. F. and Antibiotics are added to effect more efficient feed conversion.

Zanna Hammer, of Warsaw, fed his 1952 spring pig crop on the Swift Hog Feeding Program.

See What Mr. Hammer Says—

Warsaw, Indiana, R. F. D. 5
Nov. 15, 1952

Swift & Co.,
Chicago, Illinois

During April of this year my gilts farrowed 161 pigs. These were fed strictly in accordance with the Swift Hog Feeding program and an accurate record was kept of all feed used.

I am so pleased with the results that I want to pass the information on to your laboratory.

The pigs were placed on a small amount of rye pasture. Pig Power was fed to about 70 pounds, Sow & Pig Concentrate Pellets to about 100 pounds, then finished on 40% Hog Concentrate Pellets. All feeding was free choice. Attached is a summary of my feeding results.

I was particularly well pleased with the free choice method of Pellet feeding, good rate of gain and especially the low cost of gain.

You can be sure that I have been convinced that the Swift Hog Feeding Program produces the fastest gains at the lowest possible cost, and I would recommend the program to any hog raiser.

ZANNA HAMMER.

See Mr. Hammer's Summary of Results and Feed Used—

161 Pigs Farrowed, April, 1952.
160 Pigs Sold, October, 1952.
1 Died result of an accident.

SCHOOL NEWS

Speech Class Gives Assembly Program

The speech class under the direction of Roger Kelly gave an unusual assembly program on Friday morning when they presented a radio play, "The Haunted Mansion" for the high school students. Mr. Kelly gave an explanation of the sound effects used in the play preceding the broadcast. The actual broadcast scheduled for last Saturday morning could not be given due to mechanical difficulties at the studio.

Milford Nips Bulldogs

The Milford varsity played the Mentone team on even terms and defeated the Bulldogs in a double overtime, 56-54. Yeater with a jump shot from the corner ended the exciting contest in the "quick death" overtime. A fair size crowd attended the game.

Sectional Tourney Tickets on Sale

About 125 Sectional Tourney tickets will go on sale at the school office on Friday morning. These tickets will be sold to pupils, parents and other members of the community on a first come, first served basis. The tickets are \$2.50 this year.

Junior High Teams Lose 2 Close games.

Last Thursday evening the eighth grade team lost a close game at Pierceton, 20-18. The Mentone freshmen were also defeated 25-23 in an overtime. On Tuesday evening, both the seventh and eighth grade teams lost at Etna Green. The eighth grade team lost in an overtime 40-38. The seventh and eighth will play at Bourbon this Thursday.

FFA and FHA Hold Party

The members of the Future Farmers and the Future Homemakers held a party at the school on Tuesday eve-

ning. A potluck supper was served, entertainment provided by members of the groups and the Queen of the FFA, Beverly Witham, and the King of the FHA, Bob Boggs, were crowned and given appropriate awards.

School Attendance Improves

Absence reached the high for the year last week as a number of pupils remained home with the flu, bad colds, chicken pox and other ailments.

This week, however, attendance has improved and is back to normal for this time of year.

The annual staff is hard at work on the 1953 edition of the Bulldog. Those pupils and parents wishing to purchase copies must order them before March 1st.

Winter is a good time to go over the farm land-use pattern. Every acre should be put to its highest and best use and should be producing something of value. Purdue University foresters point out that "waste" areas will often produce a valuable tree crop.

Indiana farmers are advised to include Hoosier Gold, a new hybrid yellow sweet corn, when they make out their garden seed list. Purdue University horticulturists point out that Hoosier Gold is fairly early and has top quality and yield. It is a companion to the later maturing Golden Cross Bantam.

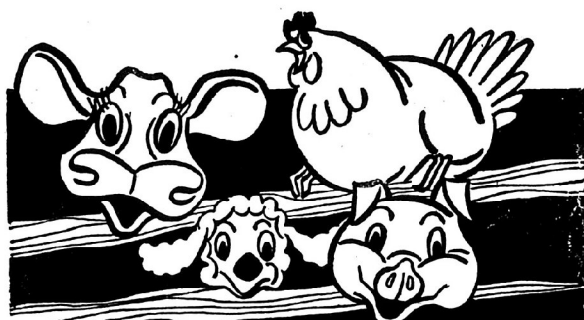

Indiana farmers are reminded that State Soil Conservation Week will be observed from March 22-28. R. O. Cole, Purdue University extension soil conservationist, advises farmers to map out soil conservation procedures and methods for the coming year at this time.

mas holidays. Performances were given on 22-23-24 December at the Teatro Verdi, the largest theatre in the city.

Mollenhour was featured in the role of "Dowdy", one member of a high-spirited crew who contributed his share to the joys and sorrows of Lieutenant (jg) Douglas Roberts in his life aboard the U.S.S. **RELUCTANT** (AK601). Mollenhour achieved great success in the part and contributed highly to the success of the production.

Mollenhour enlisted in the naval service March 7, 1951, and received his recruit training at the Naval Training Center, Great Lakes, Illinois. Upon completion he was transferred to the Aviation Electronics School at the Naval Aviation Technical Training Center, Memphis, Tennessee, where he underwent a 48 week course in electronics.

Mollenhour serves as an electronics technician with Fighter Squadron 31, which is a part of Carrier Air Group Three, now aboard the **LEYTE**.

RED-THROATED LOON

The fact that a bird has a wide range for its species does not mean necessarily that it is correspondingly well known. The red-throated loon ranges during the year from the Aleutians to Greenland and south to Florida and Lower California and yet most people go through their lives without ever seeing or hearing one of these birds.

The red-throated loon, with a length of 27 inches overall, is some 5 inches shorter than a full grown common loon. It lacks the conspicuous black head and neck band of the common loon though it is white beneath and has the breast striped with black and white. The throat of the red-throated

remarkably strong direct flight. If through accident or otherwise they happen to come to earth in migration, they will probably end their days where they come down since they cannot "take off" except from water. In New England the southern migration is about at its height in October. A poet has concisely described the overground migration of the bird as "the sure, swift flight of loons". Words would hardly improve this description.

The nest is nothing but a mere depression hidden on the bank of a lake or stream. Sometimes it is lined with finer grasses. It must be close to the shore because the birds are almost

helpless on land. In the water they more than make up for this land handicap. There are usually two eggs, each about three inches long, highly variable in color and either spotted with drab brown or plain.

Both sexes take part in the four-week incubation period and the downy chicks are dark grey above and drab. The young take to the water soon after they are hatched but they are guarded jealously by the parents who become greatly excited when any sign of danger is to be found. In spite of the noisy behavior of loons at some times, they may vanish from sight quickly when they wish to do so.

The National Wildlife Federation and similar conservation organizations are greatly interested in careful observations of all forms of wildlife about whose genuine value there may be any question. The red-throated loon would come under this heading unquestionably.

—E. Laurence Palmer

Dr. Dan Urschel is spending a few days in study at Henry Ford Hospital in Detroit. On Friday of this week, he is to talk on Vectorcardiography at the Academy of Medicine in Toledo, Ohio.

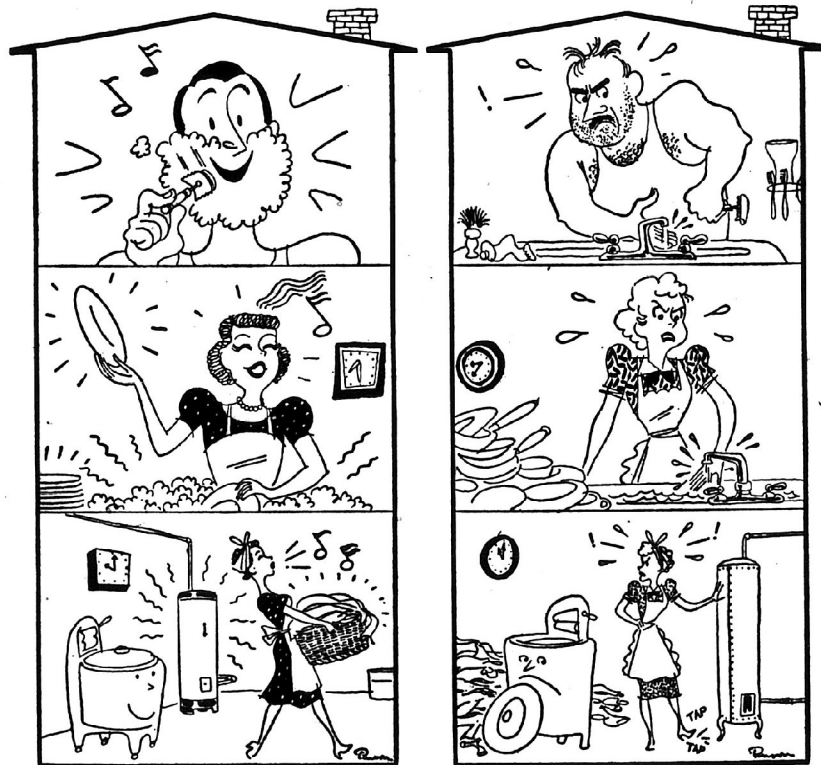

Red-Throated Loon
©1952 National Wildlife Federation

loon has a conspicuous chestnut triangle at its lower edge. In winter the bird is dusky above. The sexes are colored alike.

Breeding of the red-throated loon takes place from northern Alaska and the western Aleutians south to northern British Columbia and east to Greenland, Newfoundland and Quebec. It also breeds in Europe and Asia. Our winter range of the species extends south to Florida and the region of Lower California nearest to the United States for the most part. The red-throated loon has been suspected of feeding on fish eggs and it is known to make a large part of its diet of fish which it catches by diving and pursuit underwater. Because of these habits it has been considered as undesirable, but what would a summer be in the wilds of Canada or northern United States without the opportunity of listening to some loon "talk things over" on the other side of the lake in the middle of the night?

During migration the birds have a

GIRL SCOUTS HOLD MEETING

The Girl Scouts held their regular meeting Tuesday, February 17th at the Methodist church. The meeting was started with the pledge to the flag, the promise and laws.

Five new girls were present who plan to join the Girl Scouts.

An initiation committee was appointed for the initiation of the new members the first meeting in March. Leah Nell Lemler, our song leader, led the girls with several songs.

The politician who can be bought, sooner or later, gives himself away.

MAY INJECT FLY POISON INTO THE CATTLE

The day may come when cattle can be injected with chemicals that will kill flies and mosquitoes that bite the cattle. Researchers already have had some success with this unusual study, but they have not yet put it on a practical basis.

Capper's Farmer reports that U.S. D.A. research entomologists tried injecting lindane into cattle. In eight hours the chemical spread through the blood stream and was killing deerflies and mosquitoes.

The treatment continued to be effective against deerflies for two weeks and against mosquitoes for as long as three weeks. The researchers also noted an absence of hornflies for 30 days although that was not included in the study.

However, if the idea continues to be solved, the idea continues. A host of problems remain to be solved. However, if the idea continues to be solved, the idea continues.

NEW WEED KILLER

CMU, one of the newer weed-killing chemicals, this season joins TCA and sodium chlorate as a recommended herbicide for small patches of quackgrass.

Early spring or late fall applications of 20 to 50 pounds of CMU per acre give complete to almost complete kills, according to a report in Capper's Farmer. Cultivation does not improve kill, the national farm magazine adds.

Fallow and tillage are still the standbys for whole fields of quack. Sodium Chlorate at three to five pounds a square rod and TCA at 80 to 100 pounds an acre are also recommended for patches.

To temporarily hold back quackgrass this spring, weed specialists suggest 8 to 15 pounds per acre of MH (maleic hydrazide) followed 5 to 10 days later by plowing and working down.

PLEASANT VALLEY CLUB MEETS WITH MRS. DEE BERRIER

Mrs. Dee Berrier was hostess to the Pleasant Valley Home Economics Club (Newcastle township) meeting Wednesday afternoon at her home. Mrs. Berrier used Lincoln and Washington as the theme of the meeting. Seventeen members paid very high tribute to the birthdays of these two great men as their work compares to the work of the leaders of 1953.

During the devotional period, the group was led in singing the Home

Economics Club Prayer to the tune of "He Leadeth Me" and also the song, "Softly Now the Light of Days," by Mrs. Chloris Barkman.

The program chairman, Mrs. Edna Sausaman, presented a beautiful musical request program with Mrs. Kermit Biddinger at the piano, followed by Mrs. Don Pfeiffer reading, "A Party Telephone Line."

The surprise PVCG crotch baby set was won by Mrs. W. E. Duzenbury and a gift was made to the heart fund and the red cross.

Beautifully wrapped hankies, that had been placed in a sunshine box, were exchanged and delicious refreshments were served in keeping with the Valentine season.

Mrs. Cleo Kallenbeck, of Fort Wayne, was a guest and two children were present.

Members absent due to illness were:

Mrs. Albert Elsert, Mrs. Ted Koch, Mrs. Emma Haimbaugh and Mrs. Max Haimbaugh.

HOSTESS TO BETTER HOMES CLUB MEETING

Mrs. Donn Nichols was hostess to the
Better Homes Club Thursday in her
home, and Mrs. Gaston Coplen acted as
her co-hostess.

Mrs. Vida Nichols gave the devotions
with a poem about Lincoln. The group
sang "America The Beautiful," followed
by the pledge to the flag and repeating
the club prayer. The history of the
song of the month was given by Mrs.
Don Nichols and sung by the group.
Roll call was answered by reading
poems and notes from the Valentines.
Mrs. Marion Leiminger and Mrs. Clar-
ence Horn gave the lesson on "Animal
Diseases Passed On To Man." The club
collect was repeated. Mrs. Estel Bryan
was taken into the club as a new mem-
ber. Mrs. Gaston Coplen was the win-
ner of a contest conducted by Mrs.
Vida Nichols and Mrs. Ned Smith was
an auctioneer for the auction that was
held.

Life is really simple: we ourselves
create the circumstances that compli-
cate it.

**"COME AS YOU ARE PARTY"
HELD BY HOME FRONT CLUB**

The Home Front Club met Thursday afternoon in the new home of Mrs. Joe Meiser on the banks of the Tippecanoe river for a "Come as You Are" party. Mrs. Walter Bowen won the prize for wearing the most comical costume. Items about Lincoln or Washington were the answer to the roll call and the pledge to the flag was repeated. Mrs. Kenneth Elliott gave very interesting devotions using as her topic, "Love". The secretary and treasurer reports were given and the year books were distributed.

It was voted to donate \$2.00 to the heart fund and the new and old business was discussed. The club creed was then repeated in unison. Mrs. Jim Gilliland won the mystery prize and Valentine cards and gifts were

distributed from the Sunshine friends. Mrs. Bowen conducted several contests and prizes were awarded to Mrs. Dean Severns, Mrs. Robert Drudge, Mrs. Dick Landis, Mrs. Herb Myers and Mrs. Harold Fouts.

Lovely refreshments were served in keeping with the Valentine season to fourteen members and five children by the hostess and her assistant, Mrs. Harold Reese.

CARD OF THANKS

I wish to thank the nurses of the Woodlawn Hospital, Dr. E. V. Herendeen, Zimmerman Bros., Rev. Paul Trombauer and my neighbors for every kindness shown to me during my recent illness. These kind acts will never be forgotten.

OUR DEMOCRACY—by Mat

ACROSS THE YEARS

SOLDIER - PRESIDENT

Born with the leadership that gave life to a new nation, Washington brought to the highest office of the land those qualities of integrity, humility and honesty rarely found in such lofty places.

We pray that his Spirit may hover over other leaders who guide our nation through the perilous days that lie ahead.

LEGAL HOLIDAY

Washington's Birthday, February 22nd.

MAYOR JOHN SCOTT SPEAKS BEFORE PTA AND LIONS GROUP

Mayor John Scott, of South Bend, gave a stirring address before a group meeting of the Mentone PTA and Lions Club at the school house this evening. A full report will appear in our next issue.

WEATHER OR GHOSTS?

Dr. Urschel, according to last reports, would appreciate a logical explanation to what happened to the back window of his DeSoto automobile Monday night.

Tuesday he noticed that said window was shattered from end to end. The largest unbroken area in both the inside and outside panes of the safety glass left intact was no larger than one-half inch, with the balance averaging about one-fourth inch.

Winter returned Monday night, and perhaps said window just wasn't expecting anything like that after the nice spring weather we had been having, but we haven't heard of any real good explanation of what caused all the fancy artwork in the window.

IN MEMORIAM

In memory of our Husband, Father and Grandfather, George E. Ford, who left suddenly Monday, Feb. 18, 1952.

Mrs. Jennie Ruth Ford
Mr. and Mrs. Everette Ford and Jimmy
Mr. and Mrs. Ernest Ford
Mr. and Mrs. Judah Trowbridge, Jane and Jay
Mr. and Mrs. Gilbert Griffiths, Billy, Betty and Bobby.

Since You're Gone

'Tis hard for just plain words to say
How much we miss you day by day.
How mental clouds your form disguise
And hide you from our earthly eyes.
Yet now and then our soul's eyes lift
To where the storm clouds show a rift
And, smiling from some far-off place,
We see your dear, beloved face.

CHURCHES URGED TO BE REPRESENTED AT MEETING

Earl Himes, president of the 1953 Go-To-Church movement, today urged each church congregation in the county to send at least one representative to the next committee meeting of the organization at 4 p.m. next Monday afternoon at the Methodist church in Warsaw. In the week preceding March 22 (the Sunday selected as go-to-church Sunday this year), several laymen from each church will be assigned to canvass a part of his community area. Mrs. Himes pointed out that if each church is represented next Monday, the plans for the canvass can be more easily perfected.

The snow storm which hit the area on Monday forced postponement of the planning meeting scheduled for that day. However, zone chairmen Lester Gay, John Reasoner, Jim Tuttle and Robert Jones report that most township chairmen are now selected and are at work. The committee is making every effort to get more people to attend the churches of our county on March 22 this year.

than on any previous Go-To-Church Sunday. 10,362 persons attended Kosciusko county churches on this special Sunday last year.

The committee in charge of this year's movement explain that the setting of March 22 as Go-To-Church Sunday follows a definite pattern. Having this special Sunday two weeks before Easter, opens the way for Palm Sunday, then follows Easter Sunday, a day that is considered the peak of the year in church attendance. One leader put it this way: "Making a start in church attendance on Go-To-Church Sunday, and following through the following two Sundays, who knows just how many, after those three weeks, may keep up their church attendance for all time?"

FROM TAMPA

Thanks to our Tampa, Florida, friends for the special Gasparella Day edition of the Tampa Daily Times. It certainly provides many interesting pictures and reading material. Maybe, some day—hmmmm! It would be very nice to see King Gasparella and his pirate crew "take over" the city for a day.

Hope you enjoyed it, parade and all.

WITH THE SICK

Mrs. Emma Clutter entered the McDonald hospital Sunday and is a medical patient there.

Psychology has coined a new word known as "empathy," which means to "put yourself in the other man's shoes. With the aid of those ever-present printers' "gremlins" we actually did this last week when two items were combined in such a manner as to have Rea Ward convalescing from a broken knee cap. The items should have had Dale Baker home after more than a month in the hospital with a broken knee cap and Rea Ward home from Woodlawn following major surgery. Rea was able to be in town on Wednesday.

OBSERVE GOLDEN WEDDING

Mr. and Mrs. Sam Leech, of near Mentone, observed their 50th wedding anniversary on February 14. On Sunday, February 15, several nieces and nephews from near Culver surprised them, bringing their dinner and everyone had a wonderful time at the noon hour. In the afternoon a number of friends and relatives called to congratulate them on their many years of married happiness. They received several flowers and many very nice gifts.

CLUB CALENDAR

O.E.S. meets Mar. 2 at 7:45, at the Masonic Hall. There will be a program honoring Past Matrons and Past Patrons of the chapter.

J.O.Y. circle Tuesday, March 3, 9:00 a.m., at the home of Mrs. F. B. Davison. Remember to bring cookies.

Royal Neighbors will meet at Chloe Griffiths home Tuesday evening, March 3, at 7:30.

Kosciusko County Council of the American Legion will meet at the Mentone Legion Home, at 8 p. m. Thursday evening.

MRS. JAMES E. HUBBARD

Mrs. James E. Hubbard, 71, mother of Mrs. Dana Starr, died very suddenly on Tuesday evening at her home one mile south of Tiosa. She had visited in Mentone at the Starr home in the afternoon, with another daughter, and complained of not feeling very well on the way home. She suffered a stroke about 6 o'clock and death came at 10:15.

Mrs. Hubbard had suffered with arthritis for a number of years but had been in fairly good health otherwise. Her husband preceded her in death 5 years ago.

The deceased was born near Mentone December 3, 1882, to Alvin and Elizabeth (Holloway) Nuell. Preceding her in death are two brothers, Jesse and Bert Nuell, of Mentone, and Rose Carey, of Bourbon.

Besides Mrs. Dana Starr, she leaves another daughter, Mrs. William Middleton, of Argos; a son, Roy Hubbard, of near Rochester; five grandchildren and five great grandchildren. Three sisters and one brother also survive. They are: Mrs. Lily McIntyre, of Tippecanoe; Mrs. Meda Bright, of Rochester; Mrs. Martha Hunter, of Bluffton and George Nuell, of Rochester.

Funeral services will be conducted on Friday at 2 p.m., at the Foster funeral home in Rochester. Rev. Grant Blackwood, of Rochester will be in charge of the services. Burial will be in Reichter Cemetery, near Talma.

ANNUAL MEETING OF CO-OP.
TO BE HELD MONDAY, MAR. 2

The annual stockholders' meeting of the Northern Indiana Cooperative Association, of Mentone, will be held in the high school building on Monday afternoon, March 2, starting at 1:30 o'clock.

In addition to the reports of the various departments of the association, two directors are to be elected to fill the places left vacant by the expiration of the terms of Max Nellans and Elmer Sarber.

All stockholders are urged to be present at the meeting and to take an active part in the business of the association.

NEWS — PHONE 38

OPEN COOK ESTATE

The estate of Orr Cook, of Warsaw, who died February 16, has been opened in probate court and the Farmers State Bank, of Mentone, named executor under the will, has been appointed to serve.

Cook left personal property valued at \$4,000 and real estate estimated at \$20,000. Named as heirs are the daughters, Vera Cook, North Union street, Gladys Cook Clark, West Jefferson street and Edith Cook, Chicago; and two sons, Paul Cook, Route 2, Warsaw, and Robert Cook, of near Rochester.

RECEIVES DISTINGUISHED
FLYING CROSS

At the Wing Review, held this month at Alexandria, A. F. B., Lt. B. D. Herendeen was awarded the Distinguished Flying Cross for aerial achievements in Korea during 1952. Leading a flight of four Mustangs, Lt. Herendeen destroyed a large supply building and seriously damaged four others which crippled the enemy's strength in the area of Singye. Lt. Herendeen is the son of Mrs. Kenneth Mollenhour, R. R. 5, Rochester, and Allen (Chick) Herendeen.

VISITS FRIEND IN KOREA

Sfc. Arnold L. Snipes visited Gene Overmyer near Seoul, Korea recently. Sfc. Snipes expects to leave Korea for home some time next month.

Pvt. Ivory W. Snipes is now in a new company for the last eight weeks of his basic training. His address is: Pvt. Ivory W. Snipes US55328747
Co. C. 76th AMB. CCA
3rd Plt. 6th Armored Div.
Fort Leonard Wood, Mo.

PASTOR ATTENDS OPERA

On Saturday evening Rev. David Gosser and his son, David, attended an opera at Manchester College. The Bartered Bride by Smetana was presented by the College Choral Organizations under the direction of Professor Clude W. Holsinger on Friday and Saturday nights. David Paul Gosser has been studying under Professor Holsinger since early in December.

MRS. LAURA HIBSCHMAN

Mrs. Herschel (Laura) Hibschman, 55, Route 2, Warsaw, died at 9:30 p. m. Monday at the Murphy Medical Center where she was admitted earlier in the day. A lifetime resident of the county, she had been in failing health for five years.

Born near Mentone August 5, 1897, Mrs. Hibschman was Laura G. Dunnuck, daughter of Charles and Dora (Miller) Dunnuck. Her marriage to Herschel Hibschman took place Nov. 3, 1917. She was a member of the Walnut Creek E. U. B. church and the West Wayne Home Demonstration club.

Surviving relatives include her husband; a daughter, Mrs. Richard (Evelyn) Emmons, of Tacoma, Wash.; two brothers, Raymond Dunnick, of Nappanee and Fred Dunnick, of Atwood; two sisters, Mrs. George Tumbleson, of South Bend and Mrs. Hershel Strang, Culver, and one grandson. Funeral services will be held at 2 p. m. Thursday at the Walnut Creek church. Burial will be in Oakwood cemetery. The Billy-McHatten funeral home is in charge.

TIPPECANOE H. S. CHOIR

The Tippecanoe high school choir will present the Operetta entitled, "Mississippi Melody," depicting Tom Sawyer and Huck Finn.

The operetta is to be presented March 6, at 7:45 at the high school gym. Admission will be twenty-five cents.

GIRL SCOUTS MEET

The Girl Scouts held their regular meeting February 24, 1953, at the Mentone Methodist Church. The pledge to the flag, promise, and laws were repeated.

There were seven present interested in joining the troop. We sang songs and later went into our patrols.

FILES FOR DIVORCE

Frank Warren, of this place, has filed a divorce action in circuit court against Myrtle Warren on grounds of cruel and inhuman treatment. They were married in March, 1952, and separated this month.

BLACK SKIMMER By E. Laurence Palmer

Flying in spectacular unison close to the water of some river mouth, bay or harbor is a relatively compact flock of good sized birds that appear conspicuously black above and white beneath. They look much like slender-billed gulls but fly more rapidly and on close examination with glasses we may see that the bills are red with black tips. The birds may fly one way across a stretch of water, wheel and come back over the same path. On occasion one may dip its bill into the water but continue its flight with little interruption. If you are in the proper place at the proper time the flock being observed may be Black Skimmers.

Black Skimmers breed from southern New England to Florida, Texas, and south to Central Argentina on the Atlantic coast and from Ecuador to Chile on the Pacific coast. They winter from North Carolina southward. Sometimes the birds are found as far

inland as Tennessee and one race lives in central South America. The presence of the birds in the northern part of their range may be erratic. Hurricanes may be responsible for their appearance in regions where they have not been seen before.

Black Skimmer
©1952 National Wildlife Federation

The male Black Skimmer is slightly larger than the female. He may be 20 inches long including a 6 inch tail with its 1 1/4 inch fork. The wing spread may be to 50 inches. If the bird can be observed closely, identification may be made simply through

the bill. The lower part of the bill is definitely longer than the upper portion and the whole bill is conspicuously compressed. With a structure like this the bird may skim along the water surface while flying with the bill in position to quickly pick up a small fish or other animal that may serve as a meal.

Black skimmers nest in colonies on bare ground such as shell beaches or sand flats. They build no nest but lay 3 to 5 eggs in a mere depression. The eggs are one and two thirds inches by one and one third inches, white, greenish or brown and are spotted or blotched with brown, gray or lavender. While the birds nest in colonies, the individual nests are not too close together. Incubation is probably by the female only and there is but one annual brood. In the northern part of the range the nesting per-

iod is from the middle of May to the middle of July. The young birds have bills that are more nearly equal in length than are those of the adults and because of this they may pick food from the surface of the ground, a feat that is practically impossible for the adults.

The birds are themselves inedible but the fresh eggs are sometimes eaten, in spite of the fact that it is illegal to collect them. It is quite probable that egg collectors have done much to reduce the range of these interesting but not economically important birds. The National Wildlife Federation joins with other organizations interested in the protection of wildlife in urging the protection of these birds. They do no harm and only probable value lies in providing for some nature lover an interesting field adventure.

WHAT CAN WE DO ABOUT TEEN-AGE DRIVING PROBLEMS?

by Chas. M. Hayes
(President, Chicago Motor Club)

Teen-age drivers need to be shown how to help themselves.

The history of the school safety patrols shows that children can learn to protect themselves in traffic.

No amount of legislation will prevent teen-age traffic accidents. High school students' accidents stem from their driving attitudes and skills, not from their physical capacities as drivers.

Chicago Motor Club studies show that high school seniors have better physical capacities than average adults. Driver testing clinics for the past three years show that the average teen-ager has quicker brake reaction times, better hand-ear-eye coordination, greater depth perception and sharper vision than the average adult tested on the same devices.

Teen-agers cannot utilize safer vehicles or wider roads than the older members of the family are using. They can utilize better education, improved driving attitudes and greater behind-the-wheel skills.

The 16 to 19 year-old group has 9 times more fatal accidents per miles driven than the 45 to 50 year group. Insurance records show that twelve out of every one hundred of today's high school seniors will die or be

permanently injured in auto accidents. Sixty-five of every one hundred will be involved at some time or other in an injury-producing traffic accident.

At present 316 Illinois and Indiana high schools are offering driver training courses in conjunction with the Chicago Motor Club. These constitute about 35 per cent of the high schools in the club territory outside of Chicago.

Extension of this proportion will require active cooperation of parents, safety groups and other community conscious influences.

What results can be promised?

A survey in Delaware in 1950 showed that among 1,100 trained drivers 16 to 19 years old, there were 57 accidents compared to 252 accidents among a like number of untrained teen-age drivers.

In Washington, D. C., a police study in 1947 showed that among 200 trained drivers there had been 8 arrests for moving violations and 1 accident during a two-year period compared to 42 violations and 11 accidents among untrained drivers.

A 1954 survey in Bloomington, Illinois, indicated that untrained boys have two and one third times as many accidents as trained boys. Untrained girls had four times as many accidents as trained girls.

A study in Cleveland showed that

1,151 untrained boys incurred nearly twice as many accidents as 1,273 trained boys.

To survive the experience of maturing in the auto age, youth must be driver-trained. Teaching youngsters to drive is the best insurance that they are learning to live. Parents should start training the youngsters years before they are old enough to be licensed to drive. Parents should not only teach the youngsters by driving sanely, but should take every opportunity to show and explain some of the facts that every driver must be aware of to avoid catastrophe on the highway.

TALMA W.S.C.S. TO MEET

The W. S. C. S. ladies of the Talma Methodist church will meet at the home of Mrs. Sid Dick of Talma on Thursday afternoon, March 5, at 1:30 p.m. The lesson title is "The Vision From Bingahuru."

Mrs. Lou Grove has charge of the Worship Service. The program is in charge of Mrs. Wilbert Utter. Mrs. Herman Matthews is the co-hostess. Roll call will be: "A Bible Character We Admire."

LOCAL NEWS

Out of town relatives who attended the funeral of E. E. Jones on Sunday, February 8, were: Mr. and Mrs. Elvin Jones, Jr., sons Warren and Elvin III of St. Johns, Ohio; Mrs. Virgil Maservie, Dayton Ohio; Mr. Charles E. Jones Bodkins, Ohio; Mr. and Mrs. Dennis R. Jones, Palmyra, Wisconsin; Mr. and Mrs. U. R. Oldfather and Ruskin, Elkhart, Indiana; Mr. and Mrs. C. B. Cole, Elkhart, Indiana; Mr. and Mrs. Irwin Wissler and son Don, Ft. Wayne, Indiana; Mr. and Mrs. Robert Wissler, Patty and Steven, Fort Wayne, Indiana; Mr. and Mrs. Wm. Wissler and son David, Fort Wayne, Indiana; Mr. Harper Rine and Andy Rine, Mt. Vernon, Ohio; Mr. and Mrs. Chester Hawk, Mrs. Bethel Martin, Mrs. Herschel Anderick and Mr. and Mrs. Dana Anderick, of South Bend, Indiana.

Mrs. Bertha Meredith is now home after spending some time with her son, Roy Meredith and family, in Akron. She has recovered from the flu.

Mr. and Mrs. Howard Newton and family, of Hammond, Indiana, Mr. and Mrs. Franklin Newton and fam-

ily, of Rochester and Mrs. Tessie Newton, spent Sunday afternoon and evening at the home of Mr. and Mrs. Stanley Newton and family, of Burket. Mr. and Mrs. Claud Barkman and granddaughters, Sandra and Judy Barkman, visited Sunday at the home of Newton Barkman and family, of Elkhart, Indiana.

June Aughinbaugh last Wednesday attended in South Bend, the funeral of Roy A. Hemig who died on February 6, at Tampa, Florida. Mr. Hemig was the father of Mrs. Hugh Aughinbaugh.

Mrs. John Darman and daughter, Mrs. J. E. Jellison and family, of Michigan City, spent Saturday with their parents. Mr. and Mrs. Grover Janke and Mrs. Willedene Cormican and son.

Loren Dean Gross, of Ft. Leonard Wood, Missouri, recently spent a three-day leave with his parents and home folks.

James Mollenhour, USN, is visiting at home, with his parents and friends, on a several days leave.

Pvt. Myron (Tubby) Coplen surprised home folks by calling home early Saturday morning from Tokyo, Japan, where he is on rest leave.

Mrs. Samantha McComb died at the Methodist hospital in Ft. Wayne, following a long illness. She was buried at Hometown last Wednesday, February 18. She will be remembered as an aunt of Mrs. Rea Ward.

Mr. and Mrs. Paul Fritz and son, of Evanston, Ill., spent the week end with her parents, Mr. and Mrs. Rea Ward.

Guests at the J. E. Studebaker home during the week end were Mr. and Mrs. Albert Kuhn and son, Douglas, from Wilkie, Saskatchewan. Mr. and Mrs. Orlen Kingery of Lucerne, Indiana were also Sunday guests.

DEATON HOGS HIGH AT CHICAGO MARKET

Chicago, Feb. 2.—Kosciusko county hogs were high sellers on last Monday's market at the Chicago Stock Yards.

O. B. Deaton, of Mentone, shipped 57 head of mixed butcher hogs that averaged 256 pounds and sold for a premium price of \$18.40 per cwt. This was well above the price paid for hogs in this weight classification.

The extreme top paid on Monday's market was \$19.50 per cwt. This was paid freely on selected meat-type light-weights that sold for eastern shipment. The spread of \$1.05 between the top and the average price was the narrowest in six years for early February.

Premium prices are being paid at the Chicago market in all weight classifications for meat-type hogs that carry a minimum amount of lard and a high percentage of the carcass weight in primal cuts, a marketing specialist reported.

Lyman Mollenhour and Phillip Blue recently attended the National Cleaners Convention at Cleveland, Ohio.

BENEFIT BASKETBALL AT TALMA

March 4th there will be a benefit basketball game at the Talma gym between Studebaker Local 5 of South Bend and Bob's Boys of Rochester. A preliminary game starts at 7:00 and the main game at 8:00.

Ronald Mallot, principal, states that the proceeds are to be used for the band uniform fund.

Locally, tickets may be purchased at the Jones Barber Shop.

FRANKLINETTES MEET

The Beaver Dam Franklinettes met with Mrs. Don Hoffman, Wednesday evening, February 18.

The meeting was opened by singing "America the Beautiful" followed by

the creed. Mrs. Wilvin Teel read an article and a poem on "Happiness". Mrs. Richard Whittenberger read the song of the month, "Softly Now the Light of Day."

Mrs. Dale Nellans gave the lesson on color, stressing the trend for

lighter shades for 1953.

A short business session was conducted by Mrs. Charles Adams, pres.

A door prize was received by Mrs. Preston Johnson. An auction was held followed by nice refreshments served in keeping with George Washington's

birthday, to the seventeen members and three children present.

Next meeting will be held with Mrs. Dale Nellans, March 18th.

COOPERATION PAYS

1953 Chevrolet Advance-Design Trucks are more truck for the money!

4 powerful reasons why
you get more of what
you want...

**more
engine power**

Advanced Loadmaster engine—standard on 5000, 6000 Series and forward-control models, optional on 4000 Series heavy-duty trucks.

**more
staying power**

Heavier, stronger, more durable frames increase rigidity, add to ruggedness and stamina of 1953 Chevrolet trucks.

**more
braking power**

Trucks up to 4000 Series heavy-duty models have "Torque-Action" brakes. Series 4000 and above use "Torque-Action" brakes in front, "Twin-Action" in rear.

**more
economy**

New stamina plus extra gasoline economy in heavy-duty models with Loadmaster engine, reduces hauling costs per ton-mile.

(Continuation of standard equipment and trim illustrated is dependent on availability of material.)

MORE CHEVROLET TRUCKS IN USE
THAN ANY OTHER MAKE!

SPIRITED PHONE HEARING HELD AT AKRON

Approximately 150 subscribers of General Telephone exchanges of Royal Center, Fulton, Macy, Mentone, Silver Lake, North Manchester, Wabash and Bourbon participated in a full dress telephone hearing of the Public Service Commission. Commission members were Mr. Warren Buchanan, new chairman, Wallace Weatherholt and Wendell Tennis, members.

Attorney Fred Rakestraw represented subscribers with the assistance of J. E. Rodibaugh, attorney of Mentone, and Public Counsellor Tom Robinson. More than 25 subscribers testified of their unsatisfactory experience with hand-crank magneto equipment at exorbitant rates, on which they could not hear, nor could they be heard. One would-be subscriber said he had waited seven years but still could not get a telephone although the line ran within thirty feet from his house.

General Telephone Company was represented by its vice-president, Mr. Christiansen of Lafayette, and other company officials. The hearing began at 10:00 a.m. and terminated in a heated session at 8:30 p.m. at which time Attorney Rakestraw refuted the testimony of Mr. R. C. Gardner, Engineer for the Public Service Com-

mission. Engineer Gardner has made three examinations and reports to the Public Service Commission in the past two years which have been used by the Public Service Commission in declaring the exchanges adequate and approving higher rates.

Subscribers have a lawsuit in the Kosciusko County Court in Warsaw on Monday, March 2, at 9:30 a.m., which contests the legality of rate increases on inadequate equipment.

The hearing on Thursday, February 19, was the outcome of H. B. 467 introduced in the Indiana Legislature to investigate alleged irregularities between the outgoing Public Service Commission headed by Mr. Hugh Abbott, and General Telephone Company.

Mrs. Pearl Harshberger has returned to her home near Columbia City, where she had been making her home since last fall with her sister, Mrs. Maggie Dille.

Mrs. Martha Welch will celebrate her 80th birthday anniversary on Sunday, March 1st.

SCHOOL NEWS

Bulldogs Lose to Gilead

The Mentone Varsity went down in defeat 52-41 at Gilead last Friday evening. The local boys fell behind at the start and trailed during the entire game. By losing this game the Mentone first team wound up its regular schedule with 11 wins and 9 defeats. The second team defeated the Gilead seconds by 45-29 score. Their season record now stands 15 wins and 5 defeat.

Mentone Freshmen Win

In a freshman game played on the local floor on Monday evening, the Mentone freshmen came out on the long end of a 47-42 score over the Akron high school freshmen. Akron had downed our boys by five points earlier in the season.

Mentone Varsity In Early Morning Practice Sessions

The Mentone varsity has been practicing at 6:00 in the morning in preparation for the tourney game at 8:30 Friday morning. Mentone meets Beaver Dam in the opener. Mentone defeated Beaver Dam in regular season play 55-47 at Beaver Dam. On Wednesday morning Mary Van De Water, Jackie Stidham, Sherry Shoemaker, Carol Rule and Elaine Dunnuck surprised the varsity by serving breakfast at the school following the early morning practice.

Mentone Students Win Top Honors

David Gosser with a vocal solo and Charles Urschel with a trombone solo were rated superior at the state finals of the Indiana solo contests last Saturday at Butler University. Both boys were presented their awards at a special assembly on Monday morning. Roger Kelly presented the awards and commented briefly on the trip to Indianapolis. Both boys received resounding applause from the student body.

Class Tourneys Planned

The Student Council will sponsor class tourneys for both boys and girls again this year. The Girls' tourney will begin next Monday after school. The first round of the boys' tourney will be held at 7:00 on Wednesday evening. Finals in both the girls' and boys' divisions will be held later in the week.

This week marks the end of the fourth grading period. The report cards will be distributed next Wednesday.

The California Test of Mental Maturity was given to all sophomores on Tuesday. This is a part of the regular guidance program at Mentone high school.

Roger Kelly and members of the high school speech class plan to visit radio station WRSW and the Warsaw

News-Times offices on Wednesday of this week.

On Wednesday, the 11-12 agriculture students under the direction of Mr. Weiss will visit a Warsaw implement dealer to study the latest improvements in farm machinery.

Mrs. Tombaugh was absent from school last Friday attending the Indiana State Legislature. Dick served as a page in the House of Representatives for the day. Mrs. Davil Gosser served as substitute teacher for Mrs. Tombaugh.

An inspector from the office of the State Fire Marshall recently inspected the Mentone school. The regular monthly fire drill was held at that time.

The Senior Penny Supper was well attended. The seniors made a profit of about \$120 dollars on this project. They wish to thank all who helped make the venture a success.

The Carey Construction Company workers are making steady progress on the new school addition. Laying of cement blocks started on Monday.

TO ENTERTAIN AT A CLASS PARTY

Mr. and Mrs. Wilbert Utter will entertain the Members of the Worth While Class of the Talma Methodist church on Friday evening, February 27, at 6:30 at a bean, ham and corn bread supper. The members are asked to bring salad or sandwiches and their own table service. Rev. Paul Trombauer will have charge of the entertainment.

ORGANIZE NEW 4-H CLUB FOR GIRLS

An organization meeting of a new girls 4-H club for Mentone, was held Tuesday, February 24, at the Mentone school.

Seventeen girls were present. Enrollment cards were passed out and should be returned by this Friday. Elener Norris will be the leader of the club and Wilburta Latimer is to be the assistant. Mrs. Leroy Norris, Mrs. Wilbur Latimer and Mrs. Harold Markley will be the advisory committee and one member will be present at each meeting.

Another meeting of the club will be held Monday night, March 2. The mothers are asked to be present at

that meeting. A name for the club will be selected and officers will be elected.

Miss Mary Ann White, county Home Demonstration Agent, was present at the meeting.

NEWCASTLE TOWNSHIP NEWS

Harry Ellsasser, 70, lifetime resident and Mishawaka funeral director of the Ellsasser and Ballard Funeral Home of Mishawaka, died at 3:40 a.m. Thursday in his home, 224 Guam Ave. He had been ill for the past five years. He was born in Clay township, north of South Bend and on February 1, 1911, he married Miss Dulcie Spencer, in Mishawaka.

Mr. Ellsasser was graduated from the South Bend College of Commerce and was time keeper and paymaster of the Rubber Regenerating Co., and served as personnel manager of that organization several years before it moved away from Mishawaka. He had been associated with the funeral directing profession since 1930.

Surviving are his widow; his mother, Mrs. Frank Ellsasser, of Danville, Ill., two daughters, Mrs. Richard Stowell, of South Bend and Mrs. Don Puson, of Mishawaka, six grandchildren, a brother, E. C. Ellsasser, Sr., of Mishawaka and a sister, Mrs. Roy Barros, of Danville, Ill.

Mr. Ellsasser was a member of Mishawaka Lodge 130 F. and A. M. and was a charter member of the Mishawaka Kiwanis club and was fi-

nanial secretary of that organization until he was forced to retire because of illness.

Friends were received in the Ellsasser-Ballard funeral home until Saturday morning when funeral services were held at 10 a.m. in the St. Paul's Episcopal church. Rev. Wilbur B. Dexter, Rector, officiated and burial was made in St. Joseph Valley Memorial Park at South Bend.

Mr. Ellsasser was a cousin to Mrs. A. J. Blakely of Rochester, and Lavo Montgomery, of Talma.

Mrs. C. M. Walker, who has been quite ill at her home here has been removed to the Woodlawn hospital at Rochester in the Johns ambulance.

Mr. Lavo Montgomery was called to Mishawaka Thursday by the death of his cousin, Mr. Harry Ellsasser.

Mr. and Mrs. Walter Thomas and family, of Anderson, spent the week end here at their cottage.

Mrs. Clyde Harvey has accepted a position in the offices of the Topps Manufacturing Co., of Rochester.

Russell Koch has resigned as a member of the Newcastle Township advisory board to accept a job as janitor in the Talma school, it was announced by Trustee, Charles E. Green. Clarence Mikesell has been named to the three man board by the other members to fill the unexpired term of Koch.

Mrs. A. E. Walker, of Indianapolis, spent Thursday here in the home of Mrs. C. M. Walker.

Mrs. Lottie Cram, who has been confined to the Woodlawn hospital at Rochester for some time, remains in a very serious condition.

Mr. and Mrs. Robert Kale and daughter Beth, of Plymouth, were the guests of her parents, Mr. and Mrs. Charley Green, Saturday.

Mr. and Mrs. Roy Ailer will move in the near future to Rochester to make their future home.

Mr. and Mrs. Frank Lee and daughter will move to Muncie in the near future, where Mr. Lee is employed.

Mr. A. E. Walker was a business visitor in Rochester Saturday afternoon.

Mrs. Sonny Green and son, Andy, of near Warsaw, were the guests of Mr. Green's parents, Mr. and Mrs. Charley Green, Thursday.

Miss Alice Haines called on Mrs. Charles Good Tuesday afternoon.

Fred D. Barr, who has been confined to his home on account of illness, has resumed his work at the trailer factory at Bourbon.

Mr. and Mrs. Orval Long and Mr.

and Mrs. Vernon Scott have returned to their home after visiting with relatives in Phoenix, Arizona.

The Talma school will close on Thursday afternoon and will reopen on Monday, March 2nd.

Mr. and Mrs. Ed Staldine spent Saturday in South Bend as the guests of their daughter, Miss Joyce Staldine.

The Misses Joyce Staldine and Carol Lee Eaton have received their nurses caps at the Memorial hospital at So. Bend. The young ladies just completed their six month course in nursing.

Mr. and Mrs. Russell (Ted) Koch have purchased the property of Mr. and Mrs. Lou Grove, and will move into it in the near future. Mr. Koch is janitor in the Talma schools.

Rudy Green, who has been confined to his home for some time, is able to be out and around.

Mrs. Orah Byrer and daughter, Mrs. Bea Berryman of South Bend, were Sunday dinner guests of Mr. and Mrs. Lou Grove.

Sam Deward is confined to his home on account of illness.

MENTONE CLUB HEARS TALK ON COLOR

Mrs. Emra Anderson presented the lesson, "Color Is a Decorator's Tool" at the meeting of the Mentone Home Demonstration club, held at the country home of Mrs. Elmer Rathfon, near Mentone.

In her talk, Mrs. Anderson emphasized the importance of under-decorations. She stated that darker standing color before choosing room walls should be used with light floor coverings and vice versa. Each room needs accent. Cool and warm colors

should be used in proper places and good judgment should be used in arranging furniture for space and balance.

Two poems, "Three Little Things" and "Brokenness" were read by Mrs. Sherman Bybee for the meditation. Mrs. Oliver Teel, vice president, presided. She was also awarded the mystery package. Auction articles were purchased by Mrs. Claude Barkman and Mrs. Linus Borton. Mrs. Raymond Weirick received a gift from her Cheerio Pal.

Mrs. Rathfon was assisted by Mrs. Bybee in entertaining the 18 mem-

VOLUME, EFFICIENCY SET HOG PROFITS

Volume of business and efficiency in production account for most of the difference in earnings of Indiana hog farms, reports V. F. Smith, Purdue University agricultural economist.

In a study made of Indiana farm account records, 174 hog farms were divided into small, medium, and large

sized groups for comparison. Average net farm income for the one-third of the small hog farms with the highest earnings was \$6,700 larger than the average for the one-third with the lowest earnings.

The difference in net farm income between the most profitable and least profitable groups of medium-sized farms was \$8,500. For the large farms, the difference was more than \$16,000. Measured in terms of the value of

farm production per tillable acre, the most profitable medium sized farms had twice as much business as the least profitable farms — \$131 compared with \$55. The most profitable group raised an average of 426 hogs per farm compared with 235 for the least profitable group and fed \$40 more feed per tillable acre. The top group raised an average of 77.6 pigs per litter compared with 7.0 for the latter.

Seventeen farms were in each group of medium sized farms. These farms averaged 175 tillable acres.

well result in saving millions and millions of dollars for the hard-of-hearing public."

McDonald said that Zenith entered the hearing aid business ten years ago "to lower the cost of hearing and to take the racket out of hearing aids." He said that all vacuum tube hearing aids cost about the same to manufacture. They have essentially the same tubes and component parts. Differences in performance are determined entirely by efficiency in design and quality control in manufacture.

McDonald said that a thoroughgoing investigation of practices in the hearing aid industry will turn up information about the ways hard-of-hearing people have been victimized that will startle the American people.

TO INVESTIGATE HEARING AID CHARGES

Commander E. F. McDonald, Jr., president of Zenith Radio Corporation today said that Zenith welcomes the Congressional investigation of hearing aid prices and service charges proposed yesterday in a resolution by Rep. Edgar Jonas, of Illinois.

"More power to Congressman Jonas," he said, "this investigation can very

MENTONE BAPTIST NEWS

On Saturday night at 7:30 the young people of the church and community have a special treat in store. "The King's Crusaders," Gospel team from Moody Bible Institute, will conduct a youth rally. Each of the four men are accomplished musicians and a good time is planned. They will furnish the special music for the Sunday morning service and will have complete charge of the Sunday evening service. Two young people of the church are now enrolled at Moody Bible Institute, Marilyn Goodman and Viola Thomas.

Tonight the mid-week prayer service will be in charge of Rev. Alfred Colwell, state representative, who will show pictures of the Camp at Crystal Lake and tell of the Lord's blessing in the work in the state.

Sunday morning the church will observe the Lord's Supper and the pastor will speak on the subject, "Short-sighted Saints."

MARY AND MARTHA CIRCLE MEET

The Mary and Martha Circle of the Methodist church, was entertained in the home of Mrs. Glenn Denton, Monday evening, Feb. 23. Mrs. Rosa Kin-

sey had charge of the devotions and Mrs. Wayne Tombaugh reviewed the last chapter in the study book, "Toward Understanding The Bible."

The Circle will meet again March 23 in the home of Mrs. Pearl Meredith.

FEBRUARY D.A.R. MEETING

The members and their guests of the Anthony Nigo Chapter, Daughters of the American Revolution, met on Tuesday evening in the home of Mrs. Bernice Rush.

The Regent, Mrs. Miles Manwaring, welcomed the members and guests for the evening. The ritualistic was conducted by the Chaplain, Mrs. Emma Gill, followed by the pledge of allegiance to the flag. The President General's message was read by Mrs. Ernest Igo. The State Regent's message was read by Mrs. Sherman Bybee.

Several musical numbers were given by a trio of young ladies: Misses

Sandra Ballenger, Diane Sittler and Janet Thompson, accompanied by Miss Shirley Igo at the piano. The numbers consisted of "Tell Me Why", "Undecided" and "Doodle-Dee-Dee". These numbers were followed by Miss Sandra Ballenger, who sang a solo, "Till I Waltz Again With You". Mr. and Mrs. Leo Ruckle of Hoffman Lake were introduced and they showed a group of very interesting pictures which they had taken on a recent trip through Europe. The descriptive history that was given along with these pictures made one feel as though he were reliving all the experiences they had enjoyed on this trip. During the social hour which followed, the hostess, assisted by Mrs. Sherman Bybee, Mrs. Kenneth Riner and Mrs. Orpha Blue, served delicious cake and ice cream.

The chapter adjourned to meet in March at the home of Mrs. Frank Smith. At this meeting the Good Citizenship girls and their mothers will be guests.

MULTIFLORA ROSE SEEDLINGS STILL AVAILABLE

A million and a half multiflora rose seedlings are still available to Indiana farmers for spring planting, Dixie Moore, Indiana Department of Conservation director has announced.

The seedlings are sent free, except for expressage, and deliveries will start as soon as planting conditions will permit, which is about March 15. Farmers interested in obtaining this shrub for "living fences" may write James A. Hughes, Pittman-Robertson Wildlife restoration project, 311 West Washington Street, Indianapolis, 9, Indiana.

NOTICE OF THE REGULAR ANNUAL MEETING OF STOCKHOLDERS OF THE NORTHERN INDIANA COOPERATIVE ASSOCIATION.

You are hereby notified that the regular annual meeting of the stockholders of the Northern Indiana Co-operative Association, will be held at one thirty o'clock p.m., on Monday, March 2, 1953, in the Harrison Township High School building, in the town of Mentone, Indiana, at which meeting will be received the reports of the business of the Association for the year ending December 31, 1952, and for the purpose of electing two directors for a term of three years to fill the vacancies caused by the expiring terms of Max Nellans and Elmer Sarber; also for the distribution of dividends and for the consideration of any other business that may rightfully come before this meeting. All holders of common voting stock are urged to come and take part in this meeting.

The foregoing constitutes legal notice to stockholders as provided in the By-Laws of the Association.

Dated at Mentone, Indiana, February 16, 1953.

NORTHERN INDIANA COOPERATIVE ASSOCIATION.

MAX NELLANS, Secretary

METHODIST CHURCH NEWS

Plans for the Father and Son Banquet to be held on Saturday evening, March 14, are being completed. The eighteen boys of Bashor Home for boys, the house father and Mr. John Cunningham, Superintendent of the home, will be guests.

The program committee for the banquet consists of: Mr. Raymond Cooper, chairman; Mr. Dean Nellans, Jr., and Mr. Don Emmons, Jr. The ticket and publicity committee is composed of Mr. James Rodibaugh, chairman; Mr. Jack VanGilder and Mr. Everett Long. The meal will be served by the ladies of the church assisted by the girls of the Intermediate and

Youth Fellowships. The hour of the banquet will be six o'clock.

Late Thursday the Rev. E. O. Kegerrels and Rev. Gosser completed their plans for the exchange of Evangelistic services to be held in the Mentone Methodist church on March 15 through March 22, and in the Clunette and Leesburg Methodist churches on March 22 through March 29, the Saturdays excluded. Rev. Kegerrels is the District Secretary for the Board of Evangelism of the Methodist Church.

Observance of the Week of Dedication is being made through the distribution of materials this past Sunday, pertinent to the occasion, special daily observance of devotional Scripture and a special offering to assist in the ministry to minority groups and to those of other races and creeds. A book mark was enclosed in each bulletin with bible references to be used daily through the Lenten period. A special Dedication Service will be included in the regular worship service this coming Sunday.

The meeting of laymen and ministers of the churches being supervised by Dr. Samuel Yoder, called for February 6 and postponed because of illness, was held last Friday evening, February 20, in the Methodist church in Warsaw. Members of the Nominating, Pastoral Relations, and Membership committees and others attended.

LEGION AUXILIARY NEWS

Seventeen members of Mentone Unit 425, American Legion Auxiliary met at the Post home Tuesday evening for their regular business meeting.

Announcement was made to the effect that the annual Americanism Essay Contest, under the sponsorship of the unit, is underway. The topic for this year is "Survival of Our Liberties". Mrs. Miles Manwaring is Americanism chairman for the unit.

Mrs. Frank Smith, Girls State chairman of the unit, named Miss Jackie Stidham as the selected one to attend Girls State this coming July.

Reports were heard from various committee chairmen and the president Mrs. Ward Williamson, appointed Mrs. Tom Stanford and Mrs. Robert Whetstone to look into the possibilities of the unit purchasing a hospital bed.

Mrs. Mervin Jones, Community Service chairman, asked that anyone having clothing no longer needed, bring same to future meetings or to her place of business for distribution to those in need.

The next meeting of the unit will be Tuesday, March 10, at 8:00 p.m. at the Legion Home. Committees are as follows: Refreshment; Mrs. Miles Manwaring, Mrs. Bernice Rush and Mrs. Choice Paulus. Entertainment; Mrs. Guido Shirey, and Mrs. Dale Wallace.
