CLOICE PAULUS

Cloice Paulus, aged 60, died at 12:30 a.m. Saturday at the Woodlawn hospital in Rochester of a cerebral hemorrhage. Although Mr. Paulus had been in ill health for a number of years he has been active as an employee of the Division of Revenue for the state of Indiana.

He was born October 19, 1893 in Silver Lake to Monroe and Alice (Funk) Paulus. He was married there to Blanche Timberman, the family moving to Mentone 28 years ago.

Survivors include the wife, two sons Carlyle (Kay) of N. Manchester and Eldred (Bud) of Rochester, a daughter, Mrs. Robert Kinsey of Mentone, four grandchildren, two sisters, Mrs. Chester Bashore, of Crete, Ill. and Mrs. Sam Lowman of near Warsaw; one brother, Glen Paulus, of Glen Ellyn, Ill. A daughter Valadore, and a son Corlyss Jr., preceded him in death.

Funeral services were held at the Reed funeral home, Monday afternoon at 2 o'clock, with Rev. David Gosser in charge. Burial was in the Silver Lake cemetery.

EXTRA COPIES AVAILABLE OF BASKETBALL ISSUE

Extra copies were printed of our Jan. 20th souvenir issue for the 1954 County Basketball championship team, and a few are still available. If you'd like an extra copy to keep, or send to friends, you may secure them at the Co-Op. News office.

CLUB CALENDAR

Merry Mollys Home Demonstration club will meet Monday evening, Feb. 3, with Mrs. Donald Horn at 7:30.

P.T.A. Wednesday evening, Feb. 10, at the school building. Rev. Peter Sudah, of Garrett, will speak.

Mentone Home Demonstration club Thursday, Feb. 11, 1:30 p.m. with Mrs. Gertrude Hill.

Mothers of World War II Will meet Monday evening Feb. 8 at Bertha Merediths at 7:30. Please bring things for Valentine Plates and Sunshine Box.

The Jolly Janes Home Demonstration Club will meet on Monday, Feb. 8th at 8:00 p.m. in the school cafeteria. The lesson on the "Care of House Plants" will be presented by Miss Reba Pyle, the County Home Demonstration Agent.

COMMITTEES NAMED FOR MENTONE EGG SHOW

Eldon Horn, secretary of the 1954 Mentone Egg Show, announces that the show will be held on September 22, 23 and 24 this year. Carroll Eller is chairman and James Beeson, co-chairman.

Committee appointments are as follows:

Program: Gordon Rapp, chairman; Charles Manwaring, co-chairman; Paul Jackson, Walter Kent, Robert Hoover, Arden Poor, Frank Tucker, Hobart Creighton.

Finance: Ed Ward, chairman; Kenneth Riner, co-chairman; Joe McGinnis.

Decorations: Robert Ferguson, chairman; Dale Nellans, co-chairman; Eugene Sarber, Chester Christian; Robert Hirschman, Paul Cumberland, Robert Flenar, H. V. Johns.

Reception: Mahlon Mentzer, chairman; Kyle Gibson, co-chairman.

Publicity: Gale Creighton, chairman; Delford Nelson, co-chairman; Artley Cullum, Milo Clase, Lloyd Waackler, Bob Moore, David Johns, Richard LeGarde.

Banquet: John Huttar, chairman; Zanna Hammer, co-chairman; Jerry Kralis, John Bollinger, Leonard Eller, Leonard Druckamiller, Richard Manwaring, Frank Nelson, John Frederick, Robert Merkle, M. O. Bryan, Philip Lash, Russell Creighton.

Commercial Display: Leo Valentine, chairman; Gerald Bollinger, co-chairman, Elery Nellans, Guido Shirey, Miles Manwaring, Ora McKinley, Max Friesner.

Ticket: Everett Beeson, chairman; Carroll Eller, co-chairman.

Tables and chairs: Freeman Gruenewald, chairman; Everett Long, co-chairman, Elmer Sarber, Harold Nelson, Wayne Nellans, Miles Kesler, Rex Witham.

Premium: Elwyn Weiss, chairman; Leo Seltenwright, co-chairman, Tommie Witham, Fred Beeson, Frank Merkle.

Henry Mills long time resident of Mentone and a barber for several years in our town celebrated his 87th birthday Jan. 30. He received many lovely cards. His home now is with his daughter and son-in-law, Mr. and Mrs. Max Dunlap.

NEW STOP SIGNS AT SCHOOL

Walter Kent, principal of the Mentone Schools, appeared at the regular meeting of the Mentone town board Monday night, and after considerable discussion, it was decided to establish a four-way stop at the street intersection at the southwest corner of the school grounds. It was also decided that the streets to the immediate north and east of the school be closed to traffic during school hours.

Stop signs for north and south traffic will also be installed at the Omer Morrison corner, where many school children are compelled to cross coming to and going from school.

The above measures are being taken as additional safety measures for the school children, and everyone involved were in complete agreement.

The four-way stop at the school corner can be used as through traffic following basketball games when someone is at the corner directing the flow of traffic.

The Mentone firemen have been performing a wonderful public service at each basketball game, not only in policing the building and grounds, but in handling and directing traffic. All these boys deserve the thanks of everyone.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Warren See, of Palestine, announce the engagement of their daughter, Carolyn Mae, to Clarence (Jock) R. Gall, son of Mr. and Mrs. Ed Gall, of Claypool. Miss See is a graduate of Mentone high school and is employed at the Warsaw Laundry Company. Mr. Gall is a graduate of the Claypool high school and is serving with the U. S. Navy. No date has been set for the wedding.

BOB'S BUTTERMILK BOYS**WIN A. A. U. TOURNAY**

Bob Moore's Buttermilk Boys won the A. A. U. tourney held at Rochester last Thursday and Saturday. The team now plays in the state finals at Indianapolis and the winner there will meet the Kentucky state champions.

The Rochester team has lost only one game this season, and that to the strong Phillips 66 team.

TRAINMAN INJURED IN FREAK ACCIDENT

A fresh accident here early Saturday morning resulted in critical injuries to Glen J. Snyder, 39, Ft. Wayne, a fireman on the Nickel Plate railroad. Snyder is in the McDonald hospital in Warsaw, he remains in a serious condition from a skull fracture suffered when he accidentally struck his head against a U. S. mail crane as he leaned outside the engine, which was headed east. The mail crane is placed beside the track for convenience in picking up mail sacks. Snyder was knocked unconscious. The train was stopped in Mentone and the brakeman called ahead to the Claypool station agent, R. R. Neff, who had an ambulance waiting at the depot when the train reached there. Snyder was taken immediately to the hospital.

SECURE APPROVAL ON WATER RATE CHANGES

The Indiana Public Service Commission, under date of January 28th, approved an increase in rates for the Mentone Water Department. The increase is retroactive and will apply on water used during 1954.

The small increase was requested to take care of the additional expense involved in treating the town water for rust suspension.

The increase is five cents per 1,000 gallons of water and the minimum is increased \$1.25 for each six months of service. The annual minimum charge will now be \$10 instead of \$7.50 as in the past.

AT POULTRY MEETINGS IN SOUTH

Charles Manwaring spent the past ten days attending the American Poultry Hatchery Federation meeting in New Orleans, as well as the Southeastern Poultry and Egg Convention at Atlanta, Georgia.

He accompanied a number of poultrymen from Purdue University. They visited a number of new cage-layer operations through the south and at the University of Alabama.

Mrs. Olive Frye, the chief operator at our telephone office in Mentone is back after helping several weeks with the telephone office in Bourbon.

DO YOU RECOGNIZE THIS SET OF FARM BUILDINGS?

WHOSE FARM IS THIS?

Can you identify the farm pictured above? This is another of the farm pictures to be printed in the Co-Op. News, and as no one knows whose farm it is, can you help identify it? There's no prize to the first to tell us whose farm it is, but it is interesting to know who will be first in reporting the information to this newspaper.

Call, phone or write us if you believe you know the farm.

The owner of the farm pictured in our last issue hasn't shown up at the Co-Op. News for his free picture, but there doesn't seem to be much doubt as to his identity. Without exception, everyone that called said it was the Sam Boggs farm, east of Palestine.

Many Call.

Those who identified the farm were: Don Coleman, Mars Tucker, Charles Feldman, K. H. Kinsey, Devon Marshall, C. O. Eller, Everett Long, Mrs. Masa Nelson, Sr., Nora Tucker, Mrs. Bert Holloway, Mrs. Earl Sarber, Fred Rush, Ed. Severns, Lester Anglin, Eldon Horn, Freeman Gruenewald, Dick Tombaugh, Larry Boggs, Roy Koser, Betty Cochran, Mrs. Albert Tucker, Mrs. Turner Boggs, Orven Heighway, Dale Sponseller, Mrs. Harold Williamson, Joyce Eller and Mrs. Russell Huffer.

Even four-year-old Dennis Gruenewald, when asked by his parents what farm it was, replied: "Is that Sam's?"

Mrs. Theodore Kern and Orven Heighway also are to be included in last week's list of those who recognized

the C. E. Nelson farm.

Ed Severns reports that he knows definitely the day on which his farm picture was taken. He wonders if any others can do the same.

S. E. LADIES MEET

WITH MRS. TOBEY

The S. and E. ladies of Newcastle township Farm Bureau met in the country home of Mrs. Victor Tobey on Thursday afternoon at 1:30 p.m.

The meeting was opened by the president, Mrs. Clarence Mikesell, in charge. Community singing was enjoyed by all. The scripture lesson, 12 chapter of Proverbs were read by Mrs. Charley Safford. The Lord's Prayer was repeated in unison.

Roll call was answered by a favorite cold weather recipe. The treasurers report was read and approved. The safety lesson was given by the president, and Mrs. Elgie Vandermark gave a report on 4-H clubwork for the year. A collection of \$10.00 each was donated for the Polio fund and the Korean children.

After the routine business was taken care of your new S. and E. lady for the county, Mrs. Oren Conrad talked on S. and E. work for the year. The main speaker of the afternoon, Mrs. Orville Long, told of her recent trip to Florida which was enjoyed by all. The closing prayer was given by Mrs. Ransford Peterson.

Lovely refreshments were served to 32 members by the hostess, and assistant, Mrs. Clarence Mikesell.

The February meeting will be cancelled due to the Farmers Institute at Talma.

SHERIFF NORRIS TALKS

TO TALMA P. T. A.

The Talma P.T.A. meeting was held Wednesday evening in the high school gym. The president, Mrs. Wallace Sperry called the meeting to order. Rev. Delbert Ruberg, offered a prayer. Mrs. Wayne Mikesell read the secretaries report and Mr. Rolland Mallot gave the hot lunch report.

The boys chorus sang several numbers and Harold Smith favored with a solo, accompanied by Mrs. Gilman Carlson.

Sheriff Laurence Norris gave an interesting talk, stressing the importance of the parents directing and guiding their children in the right way early in life, so they will grow up to be better citizens.

Linda Lukens gave three clever readings.

The program committee was: Mr. Roland Mallot, Mrs. Dessa Fultz, Mr. and Mrs. Wallace Morris and Mr. and Mrs. Clyde Harvey.

ENTERTAIN GRADE

SCHOOL NET CHAMPS

Mr. and Mrs. Kermit Biddinger entertained the Talma's County Grade School Basketball Champions, with a steak dinner Saturday evening. Guests were as follows: David Sperry, Chuckie Coplen, Bobby Deamer, Richie Holloway, Jerry Busenburg, Billy Mays, Dick Peterson, John Mathews, Bobby Horn, Larry Mathews, Danny Wenger, and one guest, Mrs. Faye Swihart.

THAT 1935 INDIANA STATE TOURNAMENT BASKETBALL TEAM

BACK ROW—Coach Hardy Songer, Pete McGowen, Donald Blue, Paul Long, Don Elick, William Cook and Dale Kelley, principal. **FRONT ROW**—Guido Shirey, Kay Paulus, Walter Songer, Garth Underhill, Corlyss Paulus and Leo Linn. Harold Horn, team mascot, is seated in front of the boys.

January 20th we published a picture of the county basketball championship team of that year, and following its publication other pictures showed up of the 1935 team and the players were not all the same persons. Some of our readers thought we were mistaken, so to clarify the matter we are herewith printing a picture of the 1935 team that went to the state finals at Indianapolis.

In 1935 two or three of the county champion squad had played in a second team tourney and high school athletic regulations limit high school players to participate in a certain specified number of games and tournaments, and some of the Mentone boys found they were ineligible to go to the state finals as participants.

Those who represented the Orange and Black—Mentone's colors in 1935—were: Garth Underhill, Walter Song-

er, Guida Shirey, Corlyss Paulus, Leo Linn, Paul Long, Don Elick, Wm. Cook and Don Blue.

Prior to 1935 Mentone had won two sectional tourneys, but this was their first county and regional championship.

The 1935 tournament scores were:

| County | | Opp. | Mentone |
|---------------|----|------|---------|
| Burket | 17 | 51 | |
| Silver Lake | 12 | 43 | |
| Warsaw | 14 | 29 | |
| Beaver Dam | 26 | 31 | |
| Sectional | | | |
| Sidney | 20 | 31 | |
| Atwood | 14 | 48 | |
| Leesburg | 17 | 45 | |
| Warsaw | 20 | 32 | |
| Regional | | | |
| Auburn | 12 | 27 | |
| Columbia City | 15 | 42 | |

State

In the state tournament our boys made only three points in the first half. In the words of some who played, they were lost and scared in that big building. In the second half they outplayed Michigan City but were unable to overcome that first half lead. The final score was something like 31 to 24.

SIX NEW MEMBERS FOR MENTONE LIONS CLUBS

Forrest Miner, Rene Nine, Noah Tinkey, Charles Eaton, Everett Welborn and Ray Eckert are recent new members of the Mentone Lions club.

There was a good attendance at the regular meeting held Wednesday evening in the high school cafeteria room. Lions Curtis Riner and Artley Culum were in charge of the program Wednesday evening.

Wednesday evening, Feb. 17th, there will be a sound film shown about the activities of the New York harbor, according to an announcement by Lion Leroy Cox.

WIN NATIONAL POULTRY AWARD

SPECIAL—FORREST, ILLINOIS . . . A. P. Loomis, Honeggers' Vice-President in charge of poultry breeding is shown (right) above receiving the 1953 Poultry Tribune Trophy from J. H. Florea, Editorial Director of Poultry Tribune. This trophy was awarded for achieving the highest average production per bird of any breeder (who had 5 or more pens entered) in all official U. S. egg laying contests held this year. Also shown are trophies awarded the Honegger Leghorn for winning first place in the California Net Earnings test and also first place in their point system test. In the California Net Earnings test, Honegger Leghorns made an egg profit above feed costs of \$7.90 per bird which was \$2.31 more than the average of the other birds in the test. In the Random Sample test on the same location, Honeggers made an income of \$6.35 per chick started above feed costs.

PEOPLE WILL TALK

(From "Kernels and Cobs" in Drovers Journal)

You may get through the world, but 'twill be very slow
If you listen to all that is said as you go;
You'll be worried and fretted and kept in a stew
For meddlesome tongues must have something to do
And people will talk.
If quiet and modest, you'll have to presume
That your humble position is only assumed—
You're a wolf in sheep's clothing, or else you're a fool
But don't get excited — keep perfectly cool —
For people will talk.
And then if you show the least boldness of heart,
Or a slight inclination to take your own part,
They will call you an upstart, conceited and vain,
But keep straight ahead—don't stop to explain—
For people will talk.

If threadbare your dress, or old fashioned your hat,
Someone will surely take notice of that,
And hint rather strongly that you can't pay your way,
But don't get excited whatever they say—
For people will talk.
If you dress in the fashion, don't think to escape,
For they criticize them in a different shape;
You're ahead of your means, or your tailor's unpaid,
But mind your own business—there's naught to be made—
For people will talk.
Now the best way to do is to do as you please;
For your mind, if you have one, will then be at ease,
Of course you will meet with all sorts of abuse;
But don't think to stop them—it ain't any use—
For people will talk.

Today good will may starve to death. Keep it alive with customer courtesy and careful advertising

REMINISCING . . .

As age creeps up, man starts living in the past to maintain his level of accomplishment, etc. An article in the daily press last week brings to mind some events of the rather distant past. The story told of Danny Haynes, former Whitley county sheriff, who coughed up a bullet that had been in his body for 25 years. He had been having an ache in his jaw, and a number of repeated coughs dislodged the leaden slug.

Danny was a capable sheriff, and he demonstrated his fearlessness the day he received that slug. A group of robbers entered the Columbia State Bank, across from the court house, and back in those days such affairs were just regular occurrences in Indiana. An alarm system to the sheriff's office set off the fireworks and the bandits had to shoot their way out. The news article called it a machine gun slug, but this was not so. The .45 calibre "tommy" gun of that day would have put Danny out of business for a while, but the buckshot slug from a saw-off shotgun hit him on the nose, but he stood up and kept shooting until the bandits roared out of town.

The bullet went into his mouth and buried itself above the roof of his mouth.

Your editor made Danny pretty disgusted one night prior to that date. The sheriff was a pretty fancy shot with a handgun and was given considerable publicity for killing a dog at about 200 paces while driving down the highway. He also shot a woman in the leg when he didn't have hold of a gun. He got one of those new-fangled super-38 automatics, oiled it up plenty and parked it on the window sill at the jail. Some time later the thing went off and shot the jail cook in the ankle.

Yours truly was selected as one of the new members on the bankers' vigilantes, but they didn't have enough

guns to go around. The boys from all over the county would go to Columbia City one night a week and practice. Danny was there the night they gave—or loaned—me a new 4-inch 38 special, and he had been showing the boys how to handle the brutes. My first six slugs from that new gun made a 50-cent group in the black at 50 feet, and Danny left, never to return while the South Whitley vigilantes were present. He called it luck—which it probably was—but he never showed an inclination to prove it.

NEW ADULT FARM CLASSES TO START

Fifteen Mentone area farmers attended the organization meeting of the adult farmer class held in the Mentone school Wednesday night. The farmers voted to study soils and fertilizer for the first part of the 10 week series of meetings. Additional topics to be studied are: Farm Management, Marketing, Farm Outlook, Swine Management, Beef Cattle, Poultry and Poultry Diseases and Dairy Management.

The next class will be held Tuesday, February 9 at 7:30 in the new addition of the Mentone school. Classes will meet Tuesday nights for two hours for 10 weeks.

All interested farmers in the area are invited to attend.

TOWNSHIP NEWS

The plans for the annual Farmer's institute have been completed. It will be held on Wednesday and Thursday Feb. 10 and 11 at the Talma High School Gym and Community Building. On Wednesday at noon a big community dinner will be held at the noon hour in the old Gym.

The afternoon program will begin at 1:30 with a program and also state speakers. Mrs. James Robinson and Mr. George W. Nuffer are two of the rural experts who will speak at the Farmers Institute. There will also be other speakers on the two day run of the institute. The committees have been working hard to get the very best of entertainment. There has been a change in the Thursday night program. The Bendix Male Chorus of South Bend will be here for the evening program instead of the Studebaker Male Chorus.

The only change will be a 25c membership fee which also entitles you to a chance on the drawing which will take place Thursday evening after the program. To be eligible to win prizes, ticket holders must be present at the drawing. On Thursday afternoon there will be a business meeting of the committees consisting of the report nominating for the 1955 institute. Everyone is invited to attend the two big days of institute.

The 1954 Institute committee members are: Joe Duzan, president; Gene Pfeiffer, vice-president; and Wilbur Utter, secretary-treasurer.

All premium entries must be sub-

mitted before noon on Wednesday.

Mr. and Mrs. Sid Dick have purchased the farm of Mrs. Frank Drudge south of town and will take possession in the near future.

Mr. and Mrs. Fred Miller were business visitors in Rochester Thursday. Mr. George Coplen has been on the sick list.

Mrs. Eda Arter of near Akron was the Sunday guest of her daughter Mrs. Fred D. Barr.

Mrs. Frank Drudge has purchased the home of Mr. and Mrs. Sid Dick and will move in the near future to her new home.

Miss Olive Partridge was removed to her home from the Woodlawn hospital at Rochester Friday in the Foster Ambulance.

Mr. Bill Kubley has been removed to the Woodlawn hospital at Rochester for treatments.

Mr. Joe Duzan spent the weekend here visiting with his family. Mr. Duzan is employed in Danville, Ill.

Lavey Montgomery assisted at the Grove Hardware at Rochester last week.

Mr. Fred Miller who has been on the

sick list is improving and is able to be out and around again.

Mrs. Ralph Hatfield entertained the members of her Bridge Club at her home on Thursday evening.

Complete assortment of Valentine Candy, Heart Boxes and Regular with bands, 75c to \$2.00. Denton's Drug Store.

GIRL SCOUT NEWS

We opened our regular meeting with the pledge to the flag, promise and laws. The minutes were read and approved. We went into our groups. The first aid girls showed how to use the different types of bandages.

The new girls worked on their second class badges.

Boy Scouts Observe 44th Birthday

44TH ANNIVERSARY 1954 BOY SCOUTS OF AMERICA

Official Boy Scout Week Poster

The 44th anniversary of the Boy Scouts of America will be observed during Boy Scout Week, Feb. 7 to 13, by more than 3,300,000 boys and adult leaders. Since 1910 more than 21,000,000 boys and leaders have been members.

Boy Scout Week will highlight the "Forward on Liberty's Team" theme which seeks to produce a

greater functioning manpower and provide a higher quality program for an ever-increasing membership.

In countless communities, Scouts, their parents, local institutions and public officials will pay tribute to the leaders of 89,000 Units for the contribution they are making to the boyhood of America.

CLUB GROUP ENJOYS

SALAD TASTE TREAT

Mrs. Annabel Rupel, Fulton County Home Demonstration agent gave the ladies of the Country Neighbors Club a taste treat Thursday afternoon, Jan. 21st when she demonstrated several nutritious salads, then gave each lady an opportunity to taste them. Miss Rupel pointed out the following reasons for eating salads: 1. Appetite appeal. 2. Variety in our diet. 3. Bulk or roughage. 4. Minerals. 5. Vitamins and 6. Calories. Good salads have these parts: Foundation or Base, Body, Garnish, Dressing and accompaniment.

This lesson was given at the home of Mrs. Leroy Norris to 12 members and 2 guests, Mrs. Kenneth Dunnuck and little Kathy Chamberlain. The business session was conducted by Mrs. Wilbert

Utter, president. The new year books were distributed and dues were paid. Mrs. Russel Walters gave thoughts from the book, "The Man Called Peter," for devotions. Mrs. Joe Peterson gave some timely tips for driving on hazardous roads for the safety lesson. Mrs. Howard gave the history of the song of the month.

Those receiving secret pal gifts were Mrs. Allen Herendeen, Mrs. Bessie Gross, and Mrs. Joe Peterson.

Mrs. Carl Zolman, Mrs. John Teel, Mrs. Robert Hoover and Mrs. Russel Walters purchased auction articles.

Refreshments were served by the hostess, Mrs. Norris, assisted by Mrs. Earl Zent in the absence of the co-hostess, Mrs. Roy Maxwell.

The February meeting will be at the home of Mrs. Russel Walters

SCHOOL NEWS

172 Teachers Attend Workshop

The Kosciusko County workshop held at Mentone last Saturday was well attended. 172 teachers registered, including 15 of the 16 Mentone teachers. 167 teachers attended the luncheon prepared by Mrs. Teel and Mrs. Christner and served in the school cafeteria. Linda Horn and Leah Nell Lemler helped in preparing and serving the meal. Dr. Curtis Howd of Ball State gave a challenging message in the morning and attended several of the group meetings. The workshop was an attempt to secure practical ways to improve citizenship.

Mr. Whitehead to Speak at Teachers' Meeting

Mr. Glen Whitehead, County Superintendent of Schools, will speak to the Mentone teachers at their regular faculty meeting, Monday afternoon, February 8. This year the local teachers have held a series of meetings planned by the teachers to better acquaint them with the community.

Greg Smalley Transfers to Warsaw

Greg Smalley, youngest son of Mr. and Mrs. Earl Smalley of Crystal Lake, withdrew from the Mentone School on Monday to attend school at Warsaw where he will be able to secure re-

medical instruction. Greg has been a student in the 6th grade taught by Miss June Aughinbaugh.

Bulldogs Down Silver Lake

In a close and hard played contest in the local gym on Friday night the large crowd in attendance saw the local varsity stage a fourth quarter rally and win their 18th game of the season 48-44. The second team defeated the Silver Lake seconds, 24-21. This Friday in the local gym, the Bulldogs play Claypool. Game time for the second team is 7:00. The doors will open at 6:15.

Around The School

Mr. Weiss and the shop boys are wiring the farm shop for the power machinery. Mr. Joe Baker is supervising this work.

248 pupils are eating at the cafeteria this week.

Mrs. Keever, Miss McFarren, Mrs. Tucker, Mr. Hoffman, Mr. Tridle, and the 35 boys and girls in the third grade will attend the Shrine Circus at the Memorial Coliseum, Fort Wayne, Friday afternoon as guests of the Kosciusko County Shriners. Mr. Hedington will drive the bus to take them to Fort Wayne.

The eighth grade literature class has recently held a display of the hobbies which various members of the class enjoy. Mrs. Dawson is the teacher.

The varsity basketball players, Mr. Hoogenboom, and Mr. Kent will attend the annual Sectional Tourney Fish

Fry to be held at Pierceton on Feb. 8. All sixteen teams of the Sectional will be represented.

Films shown in some rooms this week included "Duties of a Secretary" and "America, the Beautiful."

Mrs. Tucker recently purchased a new Singer Sewing Machine for use in the homemaking classes.

The polio collection at the Silver Lake basketball game amounted to \$70.04.

Mr. Witham now supervises the gym from 11:30 to 12:00 in order that the pupils of the first six grades may have a chance to play games during that

time. The upper grades use the gymnasium from 12:00 to 12:35 under the supervision of Mr. Hoogenboom.

Mr. Weiss was absent on Monday due to illness.

Parents are welcome to visit school at any time. The elementary teachers prefer that parents come in the morning since reading and arithmetic classes are held at that time.

Good citizens for the week of January 18-22 were Karen Linn and Larry Joe McKinley.

NEW BOOKS AT THE
MENTONE LIBRARY

On the best seller list is "Fire In the Ashes," by Theodore White. This is the story of a new Europe rising from the ashes of despair and of America's adventure as leader of the western world. It cuts to the truth behind the facts. It is the story of the European Union, the North Atlantic Alliance, of Russian blunders that, of themselves, stopped the surge of Communism in Europe even before Stalin's death, and now, the nature of Russia's new challenge to the world. It is enthralling, it is appalling, it is true.

"Life Is Worth Living," by Bishop Sheen. At last Bishop Sheen's renowned and inspiring television program has been tape recorded and reproduced in book form.

"Fabulous Chicago," by Emmett Dedmon. Here is a popular history of Chicago from 1835 to 1930 written with affection and appreciation of the great city, lavishly illustrated with reproductions of old prints and photographs.

"The Greatest Faith Ever Known," by Fulton and Grace Oursler. Many people will rejoice in this final book of Fulton Oursler's presentation of the Biblical narrative. This volume is the story of the men who first spread the religion of Jesus and the momentous times in which they lived.

Other "Best Sellers" already in the library: "The Whiteoak Brothers," by De La Roche; "The Devil's Laughter," by Yearby; "A Passage In the Night," by Asch; "Lady of Arlington," by Kane; "Lord Vanity," by Shellabarger; "Power of Positive Thinking," by Peale.

Current Library Favorites in 25 leading libraries of the country: "The High and Mighty," by Ernest Gann. This novel highlights those occasional moments of crises in which men and women reveal themselves utterly. It is the story of twenty people on a Honolulu-San Francisco air liner and how they face the strong possibility that the plane will crash.

"Come My Beloved," by Pearl Buck: A novel depicting four generations of a wealthy American family in India. It begins with David MacArd who wanted to help India on his own terms, and ends as his grandson takes his family back to America to keep his daughter from marrying an Indian doctor.

"Heart Or the Family," by Elizabeth Goudge. Into the home of David Elliot comes Sebastian Weber, an Austrian refugee, once a world famous pianist now bitter and full of hatred. The novel tells simply how Sebastian's hate is purged by his association with the large Elliot family. "Truly the heart of a family is given us in this beautiful story."

Other new books of special interest: "Little Annie Oakley and Other Rugged People," by Stewart Holbrook. "Unconventional stories of people and incidents that too seldom get in the history books but are as much a part of our American tradition as baseball or succotash." "Tomorrow," by Philip Wylie. What

happens in America before, during and after the destruction caused by the "Bomb" is the theme of this fictional plea for preparedness.

"Cress Delahanty," by Jessamyn West. A series of stories about Cress Delahanty's adolescent years on a California ranch. Wonderfully entertaining reading for parents, teachers, or any adult who work with youth.

"The Tudor Rose," by Margaret Barnes. A novel set in an England torn by the Wars of the Roses. The story centers around Elizabeth, mother of King Henry VIII, whose wisdom influenced the settlement of the warring

factions and the establishment of the era called the Tudor dynasty.

"Elizabeth and the Prince of Spain," by Margaret Irwin. The third in a series of biographical novels about Elizabeth I deals with the brief rule of Mary Tudor, and Elizabeth's coronation.

"Report On The Atom," by Gordon Dean. Scientific, political, military and civilian phases of the development of the atom are discussed. Valuable for those who wish to understand and evaluate what they read and hear about the present and future of atomic power.

"Lucinda Marries The Doctor" by Elizabeth Seifert will please her fans.

New Mysteries: Charteris, "The Saint in Europe"; Lockridge, "Curtain For A Jester"; Holden, "Sound An Alarm."

For Young Adults: "Careers for Nurses," by Deming; "Everyday Occupations," by Myers; "Deep Down Under," by Floherty; "Hi, Teacher," by McLeland; "Bright Heritage," by Provines; "With A High Heart," by DeLeeuw.

PALESTINE W.S.C.S. MEETS

The Women's Society of Christian Service of the Methodist Church met for an all day meeting Thursday with Mrs. Marshall Eaton. At the noon hour a delicious carry-in dinner was served. The president, Mrs. Ray Wiltrout conducted the afternoon service. Mrs. Roy Stickler lead the devotions. Mrs. Ray Eckert gave the lesson which was "Southwestern Asia" with Mrs. Geraldine Perry, Mrs. George Hipsher, Mrs. Albert Tucker and Mrs. Edison Vandemark assisting with the lesson. A short business meeting was held. During the service two new members, Mrs. George Mollenhour and Mrs. Floyd Faurote were welcomed into the society. There were four guests present,

Mrs. Emmett Clark, Mrs. Edd Shirey, Mrs. George Mollenhour and Mrs. Floyd Faurote. Members present were Neil Estlick, Mont Lohr, Hubert Shilling, Geraldine Perry, Ada Brown, Joe Stickler, Albert Tucker, Roy Stickler, Ray Wiltrout, Orval Secor, Eldon Horn, Earl Bruner, Sr. Edison Vandemark, Ray Eckert, George Hipsher, Henry Pletcher, Floyd Blackwell, Max Dunlap and Henry Secor, and seven children, Karen Horn, Dawn Perry, Douglas Secor, Johnny, Jimmy and Charlyn Faurote and Vickie Sue Cooper and the hostess Mrs. Eaton. The next meeting will be held February 25 with Mrs. Ray Wiltrout.

Mrs. Lydia Rynearson of Lessburg is in Mentone to see old friends.

GIVEN PINK & BLUE SHOWER

Mrs. Tom Harman was guest of honor at a pink and blue shower at the home of Mrs. Bernice Rush last Wednesday evening, Feb. 24. Mrs. Tony Hight and Mrs. Don Snipes were the hostesses.

Mrs. Sidney Alber and Miss Martha Sullivan gave a humorous skit, after which the group played Cootie, with prizes going to Mrs. Gene Lancaster and Mrs. Larry Carey.

The guest of honor received many lovely gifts.

Dainty refreshments were enjoyed by the following ladies: Mrs. Tom Harman, Miss Martha Sullivan, Miss Jackie Blue, Mrs. Robert Burnett, Mrs. Sidney Alber, Mrs. Sonny Green, Mrs. Don Bennett, Mrs. Larry Carey, Mrs. Fred Carey, Mrs. Gene Lancaster, Mrs. Artley Cullum, Mrs. Bernice Rush, Mrs. Don Snipes and Mrs. Tony Hight.

Mrs. Vance Johns, Miss Donna King and Mrs. Don Smythe were unable to be present, but sent gifts.

INTERESTING P. T. A. NEXT WED.

The February P. T. A. will be held next Wednesday evening, February 10, at the school building.

The following musical numbers have been planned: Trombone solo, "Indian Love Call" by Janet Reed; Cornet solo, "Ave Marie," by Sheila Fitzgerald; Flute solo, "Nocturne," by Sarah Urschel, with Jolaine Smythe as accompanist.

Rev. Peter Sudah, of Garrett, will present thoughts on the topic "Growing Up With Our Children."

Mr. and Mrs. Raymond Hudson were callers Monday afternoon at the home of Mr. and Mrs. Ray Linn.

FATHER DIES

Harry Watkins, Sr., father of Harry Watkins of Mentone, passed away last Thursday just nine days after the death of his wife. His body was found at four o'clock Thursday afternoon reclining in an easy chair, by one of his daughters, Mrs. William Mollenhour, at Warsaw.

Although Mr. Watkins had suffered a number of minor strokes within the past five years, he had not been ill recently. A heart attack was given as the cause of death. He was 68 years of age.

Because of the recent funeral of his wife, private funeral services were held.

GRANT

Mr. and Mrs. Leslie Grant are the parents of a 9 lb. 3 oz. son born Tuesday night at the Murphy Medical Center in Warsaw.

The new boy has been named David William.

Mrs. Fisher, mother to Mrs. Grant of Hamilton, Ontario, Canada, arrived on Wednesday to be with the Grant family.

FISH FRY FOR SECTIONAL BASKETBALL PEOPLE

The Jonah Club put on a fish fry for about 200 basketball players, school officials and coaches of the sixteen high schools that will participate in the sectional tournament two weeks hence. The feed was held in the Pierceton gymnasium Monday night.

John Tatam, well known high school football coach at Wabash, was the speaker.

BOY SCOUT DISPLAY

Mentone Boy Scout Troop 58 has a fine display in the Frank Manufacturing Co. building on the north side of Main street. The display is in commemoration of the 44th anniversary of the Boy Scout organization.

CO-OP. MILL SUFFERS LITTLE DAMAGE IN FIRE EARLY TUESDAY MORNING

Serious Loss Averted by Quick Discovery of Early Morning Blaze.

Fire fighting equipment from Atwood, Etna Green, Bourbon, Burket, Akron, Warsaw and Mentone converged on Mentone in a matter of Minutes about one o'clock Tuesday morning when fire was discovered in the Co-Op. Mill at Mentone. Bourbon had two units here, Burket had their pumper and Mentone's three pieces of equipment were on hand, making a total of 11 pieces of fire fighting equipment.

The Johns funeral home ambulance was also on hand in case of injury to any fireman.

The fire was discovered by Harry and Don Smythe as they returned to their homes from work in South Bend. They had just left Harold Smythe at his home and came north past the mill on their way home. They noticed smoke pouring from the structure and Donnie took one look into a window and saw the fire on the main floor. They drove on to the fire station, put in the alarm and took the fire truck to the mill. In a few minutes they had hoses playing on the main floor blaze, but fire was belching from the very top of the mill. The other firemen, under the direction of Chief Priesner, took the city truck and started pumping water to the top of the mill in the internal system of water pipes that were installed for fire protection. This placed the water at the proper spot and the flames soon faded away. In fact, it was put out so quickly that the top floor in the room where the roof was burning wasn't even charred.

Firemen were soon able to enter the top part of the building through the windows and the small amount of fire remaining in the basement was held to a minimum until firemen were able to enter there.

There was no question where the fire started, but how is rather a mystery.

The man-lift—that little elevator on which the men ride to the top of the elevator—is equipped with an automatic brake which rides on a wooden rail. This rail is attached to a square "leg" made of four 2x8 planks nailed to form a square box. This starts on the basement floor and goes to the top of the mill. In some manner, either from

sparks from a welding torch used during the day Monday, or spontaneous combustion, fire started inside this elevator leg. It burned until it burned through the plank. When it received draft from the bottom the flames shot to the very top of the mill like up a giant chimney.

The mill is back in full operation to serve its customers as usual.

Loss Not Great

It is impossible to estimate the total damages at this time, but the fire did not destroy anything except the roof and top structure of the mill, the man lift and one "leg" of the lift assembly.

There will be some damage to stored grains and feed supplies from the water that cascaded down from the top of the building, but none of the equipment was put out of commission. About \$12,500.00 worth of new equipment, which includes a molasses mixer, malasses pump, cob grinder, conveyors and feed blenders, was just being installed and fortunately none of this suffered any damage.

John Boganwright opened his cafe to serve hot coffee to all the firemen. The Co-Op. underwrote the "tab." Manager Ward's brother, Ralph, set up an impromptu "coffee shop" at his paint store.

Before salvage operations began it was thought one grain bin would have to be emptied and the Valentine Elevator truck was ready and Mr. McKinley of the Mentone Lumber Company offered his truck and grain storage room.

The mill employees stayed on the job of salvaging, and the repairmen were all on the job early Tuesday morning to help put the mill back in operation. There was Hugh Rickel and his carpenters, Frank Carroll and his millwrights, and Ralph Gardner, the electrician.

PLACE FIRST IN CONTEST

Two Mentone high school students placed first in the vocal section of the Northern Indiana School Band Orchestra and Vocal Association held at Elkhart Saturday. They are Sandra Witham and David Gosser.

They will go to Butler University at Indianapolis for a statewide contest on February 20.

W. R. KUBLEY

William Roundtree Kubley, 91, R. 1, Argos, died at 12:30 a.m. last Friday at Woodlawn Hospital from a kidney ailment. He had been in failing health for the past year and was a patient in Woodlawn for two weeks.

Mr. Kubley, a bachelor, resided on a farm near Talma and had lived there most of his life. He moved with his parents from Tennessee to this farm in 1885 and had been a resident of Marshall and Fulton counties for more than 68 years.

Mr. Kubley was responsible for the changing of the name of Bloomingsburg to Talma, more than 50 years ago. He was a member of the National Puzzlers' League for the last 50 years and won many worthwhile prizes in all kinds of puzzle contests even though he had little schooling and poor eyesight. Many years ago, he won 12 automobiles and many other prizes during one year of contesting.

William Roundtree Kubley, son of Jacob and Charlotte (Beechler) Kubley, was born Oct. 22, 1862, at Antioch, Tenn. He was a member of the Mentone Masonic Lodge and had been a Mason for nearly 50 years. He was the last surviving member of the Kubley family of five sisters and three brothers who preceded him in death.

He is survived by several nephews and one niece, Charles Essig, Rochester, is a nephew.

Funeral services were held at 2:30 p.m. Sunday at the Johns Funeral Home. Rev. Delbert Ruberg officiated. Cremation and burial will be in the Reichter cemetery, near Talma.

HELP YOUR HEART FUND

Letters are now being sent to Kosciusko County people asking their help in the fight against heart disease. Much ground has been gained through research, and many people are alive today because of this research which has developed new methods of surgery and treatment for heart disease, our number one health problem.

Mr. and Mrs. Ford Hardman are the county directors for the county campaign and Mr. and Mrs. Vance Johns are in charge of the work in Mentone vicinity.

DO YOU RECOGNIZE THIS SET OF FARM BUILDINGS?

WHOSE FARM IS THIS?

Can you identify the farm pictured above? This is another of the farm pictures to be printed in the Co-Op. News, and as no one knows whose farm it is, can you help identify it? There's no prize to the first to tell us whose farm it is, but it is interesting to know who will be first in reporting the information to this newspaper.

Call, phone or write us if you believe you know the farm.

Readers Identify Farm as That of Frank Nellans

Our readers all agreed that the farm pictured last week was that of Frank Nellans, west of Mentone. However, no one has called to receive the free picture or give us a story.

Those who guessed it to be the Nellans farm were: Chuck Feldman, C. D. Meredith, Mrs. Joe Boganwright, James Gates, Kermit Zent, K. H. Kinsey, Adam Bowen, C. O. Eller, Jimmie Fitzgerald, Mrs. Bert Holloway, Mrs. Frank Kehoe, Rebecca Bowser and Sam Norris.

Sam Boggs Reports

Sam Boggs was in our office today to get his free farm picture and testify that it was his farm we printed on Jan. 27th.

Mr. Boggs, his wife Lucille and son Robert, 17, reside on the 115 acre farm located along highway 25 seven miles northeast of Mentone. 40 acres of the farm lie on the south side of the road and the barn and the balance of the acreage is on the north side of Highway

25.

The farm has been in the Boggs family since 1900 and Sam has never lived anywhere else. The barn was built in 1885. Mr. Boggs says he just does general farming.

Dec. 30 Farm Owner Reports

It appeared for a time that we hit a foul ball when we printed the farm picture in our Dec. 30th issue, however, this week the owner of the farm appeared and identified it as his farm. It was the Donald Trump farm, a half mile north and a mile east of Tippecanoe. Mr. Trump is not a subscriber to our paper and naturally did not see it in print.

Mr. Trump bought the farm eight years ago and since that time has built all the fences, and four years ago he built the barn. There are but 13 acres in the tract, but they do general farming, raise chickens, etc. He works at the trailer factory at Bourbon and also manages to do some farming on another place.

The Trumps have nine children. One son, Devon, is in the army, and two daughters, Doris and Kathryn, are in Fort Wayne. Kathryn is taking nurses training. Lorabelle, Annalou, Robert, Lloyd, Richard and Betty reside at home.

Mr. and Mrs. Asa Ross of Warsaw and Mr. and Mrs. Anderson of Kendallville, called on their aunt, Mrs. Etta Holderman, Sunday afternoon.

For quick relief from colds take new Anapac tablets. They really work. 49c and 98c. Denton's Drug Store.

FRIENDLY NEIGHBORS MEET WITH MRS. MARY WELCH

The Friendly Neighbors club met at the home of Mrs. Mary Welch, Thursday afternoon, February 4. The meeting was opened by singing "America the Beautiful", repeating the pledge to the flag, and the creed. "Why He Liked Farming" was given by Reatha Ballenger for meditation. Health and safety remarks were given by Mildred Fawley on "Air".

The club lesson, "Planters and House plants", was given by Reba Pyle, our Home Demonstration Agent. She displayed different kinds of soil we might use for house plants and told about different planters we might like to use. Slides were used to show the variety of house plants, such as African violets and begonias.

"A Country I Would Most Like to Visit" was the answer to roll call by the fifteen members present.

The secretary and treasurer's reports were given. A very nice thank you letter from Fern Beeson for the flower she received from the club was read by Jerry Nellans. The meeting was closed by the club prayer song and club collect. The door prize was won by Maude Romine and a Cheerio gift was received by Bess Manwaring. Delicious refreshments were served to the fifteen members and one guest, Miss Pyle, by the hostess, Mary Welch and co-hostess, Frances Olsen.

Mr. and Mrs. Kenneth Horn and family were Sunday guests at the Clarence Horn home on R. 2, Rochester.

ROTATION IS BIG PROBLEM FOR MANY FARMERS

How to maintain the most profitable rotations while complying with government marketing quotas and acreage allotments poses quite a problem for many Indiana farmers.

N. S. Hadley, Purdue University farm economist, says that since severe penalties can be involved if wheat allotments are exceeded, most farmers will comply.

What to do about corn is an open question. The economist predicts that acreage allotments, but not marketing quotas, will be imposed. This puts the decision of how much corn to plant squarely up to the farmer.

Hadley points out two major choices which face Corn Belt farmers: (1) To comply with corn allotments and gain the advantage of price support loans, which means to lower profit rotations, and introduces the risk of lower prices for substitute crops, or, (2) Disregard corn allotment and forfeit eligibility to obtain loans, risking low corn prices on the open market.

Shifting heavily from wheat and corn to other crops is risky, warns Mr. Hadley. Soybeans, oats, tomatoes and special crops easily could suffer sharp price declines if acreage planted to these crops is substantially increased. If shifts to special crops are contemplated, Hadley advises hedging this risk by contracting in advance with a reliable party to purchase the harvest.

Hadley says that, thanks to modern technology, rotations no longer need to be as rigid as formerly thought. On non-erosive soils, commercial nitrogen can be used, and an almost continuous corn rotation can be followed without having to plant low-profit small grains as a roundabout means of obtaining nitrogen from legumes. This should make field adjustments to government programs easier.

The economist suggests some changes

in farm layout that may be helpful in rearranging fields to meet corn and wheat allotments. One method is to split existing fields with temporary fences.

In another plan, the farm can be divided into two units—one fenced for livestock, the other unfenced so that acreage adjustments can be made more readily. On most farms, this system will result in less fencing, and may make livestock management easier.

JOLLY JANES

On the evening of February 2, fourteen members of the Jolly Jane Home Demonstration Club enjoyed a delicious chicken dinner at the Eskimo Inn at Winona Lake, celebrating the club's 7th year. The tables were decorated in keeping with St. Valentine Day.

During the program an accordion solo was played by Miss June Romine. A piano solo played by Miss Leah Nell Lemler, and two numbers sung by a trio, Mrs. Wayne Bowser, Mrs. Kenneth Romine and Mrs. John Ellsworth. The remainder of the evening was spent in playing contests and bingo.

METHODIST CHURCH NEWS

The local Methodist Church has received recognition in the Warsaw District as being sixth in the District on contributions and pledges to the Church Extension Program. This is based on per capita giving. In total giving it is seventh and the final results are not yet in, because a few contacts remain to be made by the Soliciting Committee.

Mr. Raymond Cooper assisted by Mr. Denton Abbey were solicitors for Special Gifts. Mr. Charles Manwaring is chairman of the general solicitation. Assisting him are Mr. Leslie Welty, Mr. Oral Welch, Mr. Lyman Mollenhour, Mr. Philip Blue, Mr. Ralph Mollenhour, Mr. Raymond Lash, Mr. James Rodibaugh, Mr. Everett Long, and the pastor. Success in this project goes to the fine response these persons found in the homes of friends and members of the church.

The only churches surpassing the local church in either per capita giving or total amount are: First Methodist Church in Warsaw, First Methodist Church in Goshen, Howe Methodist Church, Pleasant Grove church of the Claypool Parish and the Leesburg Methodist Church; St. Pauls and Trinity churches of Elkhart and First Church in Mishawaka.

The worship service this Sunday will be an observance of Brotherhood Week, but the emphasis will be The Great

Commandment.

This coming Sunday afternoon the youth of the Methodist Sub-District will meet in the Methodist Church at Inwood for a Youth Rally at two o'clock. Mr. Harry Denman of Nashville, Tennessee, will be the speaker. Special All-Youth Musical Program will be presented and refreshments served at the close of the Rally. Members of the local youth Fellowship will participate in the afternoon program.

LOCAL NEWS

Mr. and Mrs. Marion Guy returned last week after spending 12 days sight-seeing in Kentucky, Tennessee, Ala., Georgia and Florida. They visited Mr. and Mrs. C. E. DeWitt at Venice, Fla. and with Mr. and Mrs. N. K. Williams at Ft. Pierce, Fla. Mrs. DeWitt is a sister to Mr. Guy and Mrs. Williams is an aunt of Mrs. Guy.

Feeding tests (under farm conditions) proved again and again that pigs fed on Swift's Pig Power grow faster, right from the start—mature more evenly. And, that's why more hog raisers are switching to Swift's Pig Power every day.

Rich in animal and vegetable proteins, and fortified with all the essential vitamins and antibiotics—Swift's Pig Power is truly a "powerful bag of nutrition!"

FEED 'EM THE SWIFT WAY, ALL THE WAY

There's a complete Swift's Hog Feeding Program tailor-made for your own farm. Swift's Hog Feeds include:

- Swift's Pig Power—for nursing pigs in creep to weaning age
- Swift's Swine concentrate—for fattening period, to balance home-grown grains
- Swift's Sow and Pig Concentrate—during gestation and nursing time

Next time—start your pigs the faster way—start them on Swift's Pig Power then follow through with a Swift Feeding Program tailor-made to your needs.

MRS. HATFIELD HOSTESS TO JOLLY JANES CLUB

The Jolly Janes Home Demonstration Club met Monday night, February 8, at the school cafeteria. Mrs. Albert Hatfield was hostess to the group. She was assisted by her co-hostess, Mrs. Loren Tridle. Twelve members were present, and one guest, our Home Demonstration Agent, Miss Reba Pyle.

tion Agent, Miss Reba Pyle.

The meeting was called to order by vice-president, Mrs. Albert Hatfield. The club sang "America the Beautiful," followed by the creed in unison. Mrs. Kenneth Romine gave the story of the Song of the Month, "There's a Song in the Air," after which the song was sung.

The lesson for the evening was on the "Care of House Plants." This was very capably presented by the Home Demonstration Agent, Miss Pyle. She presented the correct methods of planting, watering, and supplying plants with the correct amount of light.

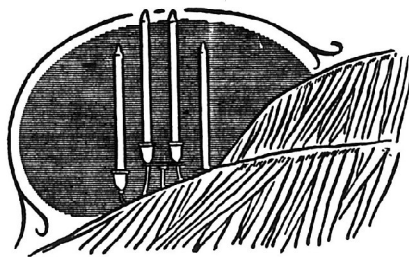

Her lesson was illustrated with many pictures from magazines, as well as slides of various types of house plants and planters which were photographed at near-by greenhouses.

The regular business meeting was conducted by the president, Mrs. Harold Markley. Roll call response was, "A Country I Should Like to Visit." Attention was called to change in dates of the County Fair. The March meeting will be held at the home of Mrs. George Mollenhour at Palestine, on March 8th.

Following the business meeting, delicious refreshments of ice cream, cake, coffee, nuts and candy hearts, were served by the hostess and co-hostess.

LOCAL NEWS

Mrs. Ora L. Smith of Burket, writes under date of Feb. 4 that her husband, who was admitted Friday, Jan. 29 of a heart ailment is still on the critical list, but is somewhat improved. He will not be able to have any visitors for some time. He was employed by Zimmer Splint Manufacturing Co. at Warsaw, Indiana. His room number is 103 Woodlawn Hospital, Rochester.

Mr. and Mrs. Jack Van Gilder are home after a vacation trip to Florida.

ROCHESTER POLICE WARN OF MAGAZINE SALESMEN

A recent article in the Rochester News-Sentinel states:

Protests from many housewives of methods used by salesmen for a nationwide magazine subscription agency have brought warnings from local police and the sheriff's office for the sales representatives to stay out of Fulton County.

Two salesmen for the agency were picked up here Thursday afternoon by Sheriff Laurence Norris, Deputy Dee Holloway and Police Chief Porter Rhodes after receiving complaints from Mrs. Irene Miller, R. 2.

Afraid of the pair's conduct, Mrs. Miller wrote them a \$5. check to get rid of them. In addition to almost forcing their way in to her house she said, they represented themselves as war veterans who had recently been released from hospitals for serious wounds.

After getting back Mrs. Miller's check police told the pair they could be charged with obtaining money under false pretenses.

Only last week a check for \$5.95, given to one of the agency's salesmen by a local woman, was raised to \$25.95. This fact was discovered when the writer of the check received the cancelled document from the bank.

However, the agency refunded the difference after receiving a call from the sheriff. The woman had a receipt from the salesman to show that she had written the \$5.95 check.

Police ask that Fulton County residents report to them any more approaches made by the salesmen.

PLEASANT VALLEY CLUB HOLDS MEETING

The Pleasant Valley Community club was pleasantly entertained in the home of Mrs. John Gorden Wednesday afternoon.

The meeting was opened by the president Mrs. Russell Kock with the group singing "America," and "There Music in the Air."

The club creed was repeated in unison and the pledge to the flag was given.

Mrs. Jay Bevelheimer read the history of the song of the month.

Roll call was answered by 20 members and two guests with a Bible verse beginning with the first letter of each members first names. During the business session the secretary's report was read by Mrs. Charles Borden, two dollars was voted for the polio fund. Memberships cards were filled out and a letter from Westville thanking the club for Christmas Gifts was read by Mrs. Wendel Duzenberry.

Miss Annabel Rupel presented a very interesting and informative lesson on "Salads - Your - Taste Treat." Delicious refreshments were served in keeping with the lesson by the hostess. Guests were Mrs. Byron Gorden and daughter and Mrs. Charles Gorden.

MOTHERS OF WORLD WAR II

Mothers of World War II Unit 106 met at the home of Myrtle Davis on Monday evening, February 8, instead of Bertha Meredith's which was changed on account of the illness of Mrs. Meredith. The meeting was called to order by the president. The meeting was opened by presenting the flag and pledging allegiance. Sang our National Anthem. Prayer by the chaplin, 18 members answered roll call. Secretary and treasurer reports were read and approved. Dora Whetstone wants to thank all mothers for their response to help in any way at the Paulus home in their hour of sadness. District meeting is to be held at Winamac February 18. Communications were read. A donation was given by the Johnstons for use of wheel chair. Dora read a poem entitled the "Mumps."

The meeting was closed by repeating the "Mothers Creed." Song God Bless America. Prayer by chaplin. The next meeting is to be held at Bertha Meredith's, March 8. Mrs. Davis served refreshments furnished by Mrs. Meredith and Mrs. Coplen. There were 23 Valentine plants fixed for the shut-ins and a sunshine box for Mae Borton.

MERRY MOLLYS

Mrs. Ed Smelser and Mrs. Marion Smith presented the lesson "Better Living" Monday evening at the "Merry Mollys" Home Demonstration Club meeting, at the home of Mrs. Donald Horn.

After singing "America, The Beautiful," making the pledge to the flag and repeating the club creed, Mrs. Everett Welborn read a poem entitled "The Bottom Sack" for meditation.

History of the Song of the Month "There's Music in The Air" was given by Mrs. Glenn Mellott. It was then sung by the group. Health and Safety remarks on "Traffic Laws" was given by Mrs. Charles Hunter.

"A Country I Would Like To Visit" was given in response to roll call.

Mrs. Gene Sarber, president presided over the business meeting. The club prayer song was sung and the club collect was then repeated.

Mrs. Heston Creviston and Mrs. Everett Welborn were in charge of entertainment.

Mrs. Robert Hibschan received the door prize. Gifts from Secret Pals were received by Mrs. Heston Creviston, Mrs. Charles Hunter, Mrs. Gene Sarber, Mrs. Glenn Mellott and Mrs. Robert Hibschan.

Refreshments were served buffet style with decorations in keeping with the Valentine season. Mrs. Gene Sarber acted as co-hostess.

New, just received, Doeskin facial tissues, 1000 for 79c. Denton's Drug Store.

R. N. A. MEET

Members of Maple Leaf Camp No. 2462 were entertained on Tuesday evening of last week in the home of Neighbor Emma Cook. The pledge to the flag and the Divine Blessing were given by Neighbor Rynearson. Oracle Snowden Halterman then conducted the business meeting. Installing officer Neighbor Mary Goodwin, installed the officers for this year. A letter was read from Neighbor Mae Borton stating her condition is about as she was when she was here. A card was signed by all members and sent to her.

The mystery package was won by Mary Teel. During the social hour, bingo was played, prizes going to Kathryn Teel, Snowden Halderman, Mary Teel and Lydia Rynearson.

The next meeting will be with Mary Borton. The hostess and her assistant, Della Dillingham, served lovely refreshments to thirteen members and three children.

BUSY BEES MEET

The Palestine Busy Bees met at the home of Mrs. Paul Molebash of Warsaw, on Tuesday evening, February 2, with eighteen members present.

The president opened the meeting and Mrs. Fancil Baum read the meditation.

Two motions were made and passed: the first one, If you can not be present at the meeting you should notify the hostess just as soon as possible. The second motion, each new member must attend two meetings before joining the club.

The lesson "Better Food and Better Living" was given by Mrs. Albert Tucker and Mrs. Zanna Hammer.

The hostess served delicious refreshments, assisted by Mrs. Herschel Shoemaker.

The next meeting will be with Mrs. Freeman Greenwalt on March 2.

F. MARION FULTZ DIES NEAR TALMA

Francis Marion Fultz, 83, died at 4 p.m. at his home Friday west of Talma. Death came suddenly in the wake of a heart attack. He had been in failing health for the past several years.

Survivors: are his wife; three sons, Herbert R., Otto B. and Harry, all of Fort Wayne; 18 grandchildren; five step-grandchildren; five great-grandchildren; a brother, Harley Fultz, Rochester; a sister, Mrs. James Van Lue also of Rochester; 16 neices and nephews.

Funeral services were held at 2:00 p.m. in the Zimmerman Brothers Funeral home at Rochester. Rev. Daniel Slaybaugh, Akron was assisted by Rev. Paul Trombauer of Bourbon; Burial was made in the I.O.O.F. Cemetery at Rochester. Friends were received in the Zimmerman Brothers Funeral Home until the hour of the Funeral.

The Talma School was closed Monday on account of Mr. Fultz funeral as Mrs. Fultz is a teacher in the Talma School.

SCHOOL NEWS

Mentone Wins Number 19

In the local gym last Friday, the Mentone team proved too much for Claypool as the locals won 80-42. The second team racked up its 14th win in 18 starts. A fair-sized crowd witnessed the game. The Student Council served chili and chocolate milk to the players of each school after the game. A dance had also been planned, but when only a few students stayed, it was cancelled. This Friday the Bulldogs travel to Milford to play what should be one of the

better games of the season.

New Pupil Enrolls

Abraham Wertenberger enrolled in the first grade on Monday. He was assigned to Mrs. McKinley's room. This student formerly attended school at Warsaw.

Attendance Improves

Attendance in all grades has been much better lately. There do not seem to be any serious epidemics at present. Parents sometimes ask why make-up work is required following an absence. The policy of the school is to require make-up work in order that a pupil can keep up with the class and not miss lessons important to the child's welfare. Make-up work is never assigned with the idea of punishing the child for being absent. If a child's absence does not seem justified, the attendance officer is notified or the pupil is required to make up the time missed.

Collect \$188.44 For Polio

The campaign to raise money for the polio fund closed on Monday. A total of \$188.44 was collected and turned over to the local chairman. This amount includes \$75.09 contributed by Mentone pupils through the regular room organizations; \$73.05 collected at the Silver Lake basketball game, and

\$40.30 collected at the Claypool game. The Boy Scouts of Troop 58 under the direction of Wayne Tombaugh helped with the collecting of money at the basketball games. The total amount contributed is higher than that obtained last year.

Record Of Freshmen and Junior High Teams

In response to a request, Mr. Hoogenboom furnished the following resume of the basketball records of the freshmen, seventh grade, eighth grade, and fifth and sixth grade teams.

| | won | lost |
|-----|-----|------|
| 5-6 | 3 | 1 |
| 7 | 4 | 0 |
| 8 | 1 | 5 |
| 9 | 4 | 4 |

The freshmen play Larwill and Leesburg this week; the 7-8 grade teams play Sidney here this Thursday after school.

Plans Announced For Sectional Ticket Sale

Tickets for the Warsaw Sectional basketball tournament which begins Wednesday evening, February 24, will go on sale to Mentone School pupils only on Friday, February 19. On Monday, February 22, tickets will be sold

FARM LOANS

- Low Interest Rates
- Long Term
- Confidential Handling.

HENRY BUTLER

Phone 1312J. Warsaw, Ind.

to patrons of the Mentone School on a first come, first served basis. It will not be possible to reserve tickets or take orders in advance. It is thought that the supply of tickets will be sufficient to meet normal demands. Season tickets are priced at \$2.50, single admission at 60c.

Hearing Tests In Five Grades

The county health nurse, Mrs. Nine, will give hearing tests in grades 2, 5, 7, 9, 11 on Wednesday. This is part of the county health program. Hearing defects will be brought to the attention of the parents for correction.

Public Sale

As I am leaving the farm, will sell the following personal property at Public Auction at the Ner Kinder farm, 4 miles north of Akron, 3rd house north of Beaver Dam School crossing, on blacktop road, on

EDITORIAL

It is so seldom that we as individuals ever stop to realize just how dependent we are upon other citizens of the community. We go on day after day without giving credit to those about us who are constantly doing things for our benefit as well as theirs.

How often do we give full credit to the firemen and police officials for the services they perform for us? Those who were on the scene at the fire early Tuesday morning realize what a chore it was for all those firemen to defy the cold of the night to get soaked, muddy and dirty to protect our property and interests. The pay means nothing to these boys, if we can even say they are paid. They just do their job and ask no special favors in return.

Do we give credit to the faithful employees who go all out to bring us the services we daily need?

Do we give thanks to our business people who spend thousands of dollars each year in fire protection equipment to prevent any interruptions in their services to us?

For years your editor has "worried" about what would happen to our community should the Co-Op. Mill be destroyed by fire. We now have better stocked and equipped feed supply firms in the area than we did years back, but it would still be a terrific problem to get enough feed in the area to supply all the laying hens—and any poul-

tryman knows what happens to a laying hen when she goes a day or two without feed, or is suddenly called upon to eat a substitute.

How much are services worth to us? Could we get along without them? I'm afraid we'd pay a heavy penalty.

The above is only a few of many similar illustrations to be found in almost every community.

HARRISON CENTER REVIVAL

Revival Services will be held at Harrison Center Evangelical United Brethren Church, February 14-28. Meetings will be held each evening at 7:30 (except Saturday). The pastor, F. H. Pflugh will be bringing the messages, some of which will be preceded by filmstrips and illustrations. Mr. and Mrs. David Heister of Culver, Indiana will lead the music and bring special numbers. They have a Hammond Organ, bass violin, and accordion.

We invite your prayers and attendance at these services.

BIRTHDAY PARTY

A birthday party was held for Ken Romine last Saturday. It was his sixth birthday. Those present were Elaine Manwaring, Vickie Bowser, Steve Lewis, Jay Tucker, Tommy Johnston, Curtis Creviston and Johnny and Bobby Romine. Mrs. Monroe Romine and Janet assisted during the games and refreshments.

POULTRYMEN TO MEET

Dr. C. I. Angstrom, director of the Regional Veterinary Diagnostic laboratory at Kingston, N. Y., will be the speaker at the meeting of the Kosciusko County Poultry Association to be held Thursday, Feb. 11 at the Eskimo Inn at Winona Lake.

WORD FROM THE JERRY HUDSONS

First off, my wife and I want to thank you for sending the Co-op News to us. We enjoy reading the paper very much. Also get a big kick out of locating the farms that you publish pictures of.

It was certainly good news to hear that Mentone won the County tourney this year. Although I'd just as soon have seen Beaver Dam win. (My wife says Sidney). She would —

We're located now in the heart of Niagara Frontier. I'm stationed at 763 rd AC&W Sqdn., Lockport, N. Y. I'm also glad I only have 10 months left in the Air Force.

The weather up here has been fairly mild this winter. The coldest was around 3 below. The most snow was 6½" over one lone night. Well Art, I'd better sign off for now. Oh yes, we have a daughter that turned 6 months old this month. Thanks again for sending the paper.

Sincerely

Lea, Jerry and Honey Leigh Hudson

D.A.R. MEETS

The January meeting of Anthony Nigo Chapter of D.A.R. was held in the home of Mary Manwaring with Virginia Hight assisting the hostess.

Ten high school seniors presented a play entitled "Americanism."

Virginia Hight gave an article on American Indians. The chapter voted to make a cash contribution to Bacon school for Indians.

Letters of thanks were read acknowledging gifts to two mountain schools, Laneassee and Kate Deenean Smith at Christmas time.

Refreshments were served by the hostesses and adjourned to meet with Helen Brown and Annabel Rathfon in February.

Mentone, Ind., February 17, 1954

Subscription — \$2. Per Year

SCHOOL DEDICATION IS
PLANNED FOR MARCH 10

Plans are now in the making for the dedication ceremonies for the new addition to the Mentone school. The program will be held on the evening of March 10 at 7:30. Committee appointments have been made and the complete program will be announced in our next issue.

Lawrence Bell, of the Bell Aircraft Corporation at Buffalo, N. Y., a former Mentone citizen and school boy, has consented to be the speaker for the occasion.

CHURCH TO SHOW
80 MINUTE FILM

The Burket E.U.B. Church will be showing the film, "Reaching From Heaven," a black and white 80 minute evangelistic film. This picture will be worth your time to see. The public is invited to visit with us for this showing on Saturday evening, Feb. 20, at 7:30 p.m.

Claude Gates has returned home after visiting with his mother, Mrs. Clara Gates in Santa Barbara, California. He was called there by her illness and she is still in a serious condition. He made the trip by plane.

GIBBLE

Mr. and Mrs. Harry Gible are the parents of a 5 lb. 13 1/4 oz. daughter born last Saturday, February 13 at the Woodlawn hospital.

The new daughter has been named Calleen Suzette.

CLUB CALENDAR

W.S.C.S. at the home of Mrs. F. B. Davison Thursday, February 18, at 7:30.

P. T. A. Penny supper, this Saturday evening, at Mentone school.

The Beaver Dam P.T.A. Senior Award potluck supper will be held Monday, February 22 at 6:00 p.m. The speaker will be Walter Kindig, former coach of Beaver Dam school.

Mentone Reading Club, Wed., evening, Feb. 24, at the home of Mrs. Walter Lackey. Response, "A Popular Song I Like."

P.T.A. HEARS REV. SUDAH

The Feb. P.T.A. was called to order by the president, Mrs. Delford Nelson. The pledge of allegiance to the flag was repeated by the group.

Mrs. Ruth Snellenberger, county 4-H leader, then gave a short appeal for 4-H leaders in our community.

Rev. Peter Sudah of Garrett, was then introduced and talked on the topic, "The Christian Home." He pointed out that restlessness and ambition characterize the American people and though we may find many things of value in life, we should be willing to part with or sacrifice some of them for "The Pearl of Great Price" — a christian home. Childrens attitudes and outlook on life come from their homes.

What takes place in our homes is the determining factor in a child's life. Rev. Sudah urged that we not hold an abstract view of the Christian home but truly honor God in our lives and our homes. The christian home with its mutual love and respect is the most convincing proof of the Christian faith, in our land and in non-christian lands.

Following this three of the students presented solos. Janet Rose Reed played "Indian Love Call" as a trombone solo. Jalayne Smythe accompanied her.

Sarah Urschel, accompanied by Mrs. D. L. Urschel, played a flute solo "Nocturne" by Chopin. David Gosser, accompanied by Rev. David Gosser, sang "The Kashmiri Song."

Devotions were given by Rev. David Gosser.

Following the reading of the minutes and the treasurers report, Mrs. Charles Eaton gave a brief history of the organization of the P.T.A. in our school.

Plans for a P.T.A. Penny supper, with Kenneth Riner as general chairman, were announced for this Saturday evening, February 20.

The March P.T.A. meeting night will fall on the same evening as the formal dedication of the new gymnasium, so there will be no regular P.T.A. meeting on that night.

Mr. Kent stated that the speaker for the dedication is Lawrence Bell, former Mentone boy and now one of our country's leading plane manufacturers.

Mrs. Nelson expressed her thanks to the ladies who helped during the basketball potluck supper.

The third grade was again winner of the room count.

Hosts for the social hour were Mr.

ORDER OF EASTERN
STAR INSPECTION

The Worthy Grand Matron, of Indiana Grand Chapter O.E.S., Mrs. Aldine Klingman of Converse, Ind. will inspect Mentone chapter 331, Piercetown chapter 56 and Warsaw chapter 88 at the Mentone Masonic Hall on Tuesday, February 23, 1954. Chapter will open at 5:00, dinner at 6:00 p.m. in the Methodist church dining room. \$1.50 per plate. Baby dedication at 7:00 p.m. Inspection at 7:30 p.m.

Any member desiring reservations for the dinner please call Mentone 122 not later than noon Saturday, February 20, 1954.

YOUTH SERVICES AT
OLIVE BETHEL

The young people of the church will have charge of the services at the Olive Bethel Church of God on Sunday, March 7. In the morning Clifford Kindig will be the speaker. In the evening a film, "Forward With Christ" will be shown.

A three night youth revival, March 12 through March 14, will be conducted with a team of students from Anderson College in charge.

Everyone is given a warm welcome to all of these services.

DAVID COOPER ILL

We have received word that David Cooper became seriously ill this afternoon and was taken to a veterans' hospital.

David has been home on furlough before leaving for overseas, and the reports are that a complication of overseas medical shots, a touch of the flu and a penicillin shot reacted.

LIONS MEET

There was a large attendance at the Lions club meeting Wednesday night. A colored sound picture on the activities at the Port of New York was very interesting.

and Mrs. Kenneth Riner, Mr. and Mrs. Charles Manwaring, Mr. and Mrs. Charles Feldman, Mr. and Mrs. Arthur Kendall, Mr. and Mrs. Ned Miller, Mr. and Mrs. Gilbert Griffis, Mr. and Mrs. Maynard Johnston and Mr. and Mrs. Heston Creviston.

H. E. HUSSEY SPEAKS AT
DINNER FOR EMPLOYEES

Twenty-two employees of General Telephone Company of Indiana, with combined service of 250 years were guests of honor at a dinner Wednesday night at the American Legion Memorial Home in Logansport.

The dinner is held annually in recognition of the employees of the Company's central district who receive gold service emblem pins during the previous year. Employees with service of five and multiples of five years of service receive the gold pins on their five year anniversaries. Last year 160 pins representing a total of 1700 years of service were presented to Company employees in Indiana.

Central district employees and their guests from the Akron, Bourbon, Mentone, Logansport, No. Manchester and Wabash exchanges were present at the dinner. Among those honored was Gertrude Hill of the Traffic Department at Mentone who received her five year gold service emblem pin last year.

Also attending the dinner were Company officials and supervisory personnel. Host to the guests was Mr. E. L. Malone, District Manager at Logansport.

The principal speaker at the dinner was Mr. H. E. Hussey, president who gave high praise to the employees. Commenting on the progress of the Company, Mr. Hussey said, "Full credit for what has been accomplished should go to all employees, particularly the long-service employees who are the backbone of our Company."

P. T. A. PENNY SUPPER
SATURDAY EVENING

The local P. T. A. is sponsoring a Penny supper in the school cafeteria this Saturday evening, February 20.

The usual fine menu is being furnished. The committee in charge of food is making an effort to contact every family with children in school, as many who are not P. T. A. members have expressed a desire to help with these suppers. The money is always used in some school project which benefits all the children.

Serving will begin at 5 o'clock and will continue until 7.

The menu is: Chicken pie, swiss steak and all those special things which you may choose for yourself.

Don't forget this Saturday evening.

STITCH AND STIR 4-H

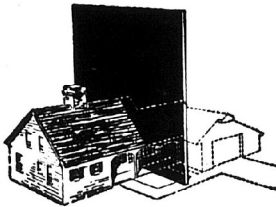

The Stitch and Stir 4-H club met on Tuesday, February 9, 1954 at the home of Donna Eaton's. We elected officers. They are as follows: President, Connie Doyle; Vice President, Alice Surface; Secretary and Treasurer, Donna Eaton; Reporter, Diane Doyle; Song Leader, Mary Bell Mellot; Health, Betty Lou Mellot.

A motion was made and carried to have secret sisters. The next meeting will be held at the home of Janet Romine on March 15, 1954. Refreshments were served and games were played. The meeting was then adjourned until March 5.

Mrs. Gerald Romine is on the sick list but is getting better. Miss Dixie Linn and Mr. Jerry Reed were in Ft. Wayne Sunday to see the ball game.

Mr. and Mrs. Ray Linn, granddaughter Linda Linn called on Mr. and Mrs. Howard Hudson and Mr. and Mrs. Kenneth Leiter Sunday afternoon.

Mr. and Mrs. George Grubbs and family, Mr. and Mrs. Donald Grubbs and baby of Warsaw were Sunday guests of Mr. and Mrs. William Schooley.

...thanks, a lot, to dependable *Electricity!*

● In recent years the records show that peak prices paid for hogs have moved from late August to late July, making it more important than ever to get herds off to market early. The life-saving warmth of electricity has eliminated chilling, enabling hog farrowing to be moved up a whole month, and the many time, risk, and labor saving uses of electricity are helping to assure maximum profits for Indiana hog raisers.

Between seven and eight million head of hogs, accounting for 30 to 35 per cent of Indiana farm income, are being farrowed in Indiana annually. Obviously, the difference between peak market prices and later, lower prices, can amount to many thousands of dollars. In addition, hogs eat corn . . . the more hogs we're feeding the better market Indiana farmers find for their "King" crop. Under these circumstances, it's no wonder progressive Indiana hog raisers are using more electric power every year to eliminate baby pig losses and to speed up their finishing programs.

Fortunately there's plenty of electric power for everybody in northern Indiana, and there's still more to come! By continually expanding our electric power supply we are insuring the farms, homes, shops and factories of northern Indiana with an ample supply of electricity for every need!

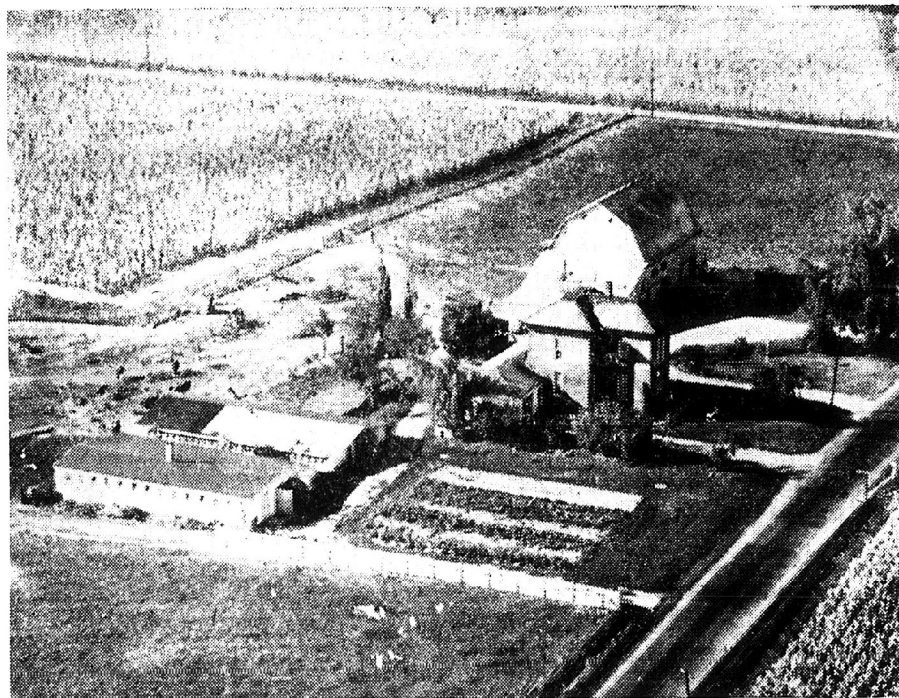

**MORE Electric POWER
for better farming**

● Over 99% of Indiana farms have dependable, low-cost electric service today. About 48% of them are served by the electric companies and the municipal systems, and about 52% of them by the REMCs which buy their power at wholesale from the electric companies.

NORTHERN INDIANA Public Service COMPANY

DO YOU RECOGNIZE THIS SET OF FARM BUILDINGS?

WHOSE FARM IS THIS?

Can you identify the farm pictured above? This is another of the farm pictures to be printed in the Co-Op. News, and as no one knows whose farm it is, can you help identify it? There's no prize to the first to tell us whose farm it is, but it is interesting to know who will be first in reporting the information to this newspaper.

Call, phone or write us if you believe you know the farm.

Herschel Grubbs Home Printed In Our Last Issue.

Mrs. Herschel Grubbs was in our office last week to receive her free picture of the farm upon which she and her family reside. The 140 acre farm is located about four miles northeast of Mentone and is owned by Matt Murtagh of Warsaw. The Grubbs family are the renters and have been on the farm the past four years. Mr. Grubbs also farms another 80 acres in Marshall county, near Etna Green.

The Grubbs family keeps from 1,000 to 1,500 laying hens and raise Holstein and Brown Swiss cattle in addition to general farming.

They have one daughter, Deanna, aged 15, who attends the Mentone school.

Those who called and identified the farm correctly were: Ivan Jones, Del Nelson, Fred Rush, Albert Tucker, Turner Boggs and James Fitzgerald.

Frank Nellans Reports

Frank Nellans is one of those busy farmers who lives two miles west of

Mentone on Road 25, and we printed a picture of his farm in our issue of February 3. He was in last week and received his free picture.

Frank bought the 108 acre farm in 1940 from Claude Gates, and then purchased another 40 acres later. In the spring of 1948 they moved into the new and modern home that greets the motorist as he drives along road 25.

In addition to general farming, the Nellans feed about 30 head of cattle a year, raise some hogs and have about 1,200 laying hens.

The family includes the wife, Wilma, and two boys, Gale aged 8, and Miles, 4. Gale attends the Tippecanoe school.

SNIPES HOME DAMAGED BY FIRE SECOND TIME

The Rochester and Mentone Fire Departments extinguished a fire at the home of William Snipes east of Talma Saturday afternoon where considerable damage was done to the attic and roof. It is believed the blaze was caused by a defective flue.

Two years ago on January 6 a similar fire occurred at the Snipe home. The Saturday's fire occurred about 4:45 p.m. The Snipes family also had a barn to burn several years ago.

LOCAL NEWS

SEED CONFERENCE

AT PURDUE FEB. 23-24

The annual Certified Seed Growers' Conference will be held at Purdue University, February 23 and 24, according to an announcement by Charles Coons, manager of the Seed Certification Service of the Indiana Corn Grower's Association. Headlining the program will be Prof. J. C. Hackleman, agronomist at the University of Illinois and Joe E. Burger, vice president of the Cornell Seed Company of St. Louis.

Hackleman, a former Hoosier, has recently returned from a year's Point-4 service in Europe where he was especially concerned with seed production and distribution problems. Aside from an illustrated lecture on agricultural conditions to be given at the banquet of the Association on the evening of February 23, he will appear also on the day's program to discuss the international aspects of seed certification.

Berger, who is widely experienced in sales promotion in both the feed and seed industry, will discuss the problem of getting producer and consumer together. He will appear also on the February 23 program. Problems and appraisal of new varieties will be handled by growers and staff members of Purdue University.

Of special interest to the corn men will be the review on the afternoon of February 23 of research work on corn picking, lodging and thick planting by James Newman of the Purdue staff. James Baynes, manager of the Agricultural Alumni Seed Improvement Association, will discuss the results of male sterile hybrids, and Prof. S. R. Miles of Purdue will discuss his extensive studies on the relation between moisture content and the weight of corn required to make a bushel.

FARM SAFETY EFFORTS

UNIFIED FOR 1954

Indiana will be a safer place to live if Hoosier farm, home and youth organizations have anything to say or do about it.

Future Farmers of America chapters, 4-H clubs, home demonstration clubs, rural youth clubs, Farm Bureau and the Grange have agreed to concentrate their safety efforts in 1954 on preventing farm fires and promoting highway safety in rural areas.

Let fertilizer analysis be your guide, if you are debating whether to buy liquid or dry material, say Purdue University agronomists. A pound of available plant food is worth the same — wet or dry. The main thing is to be sure the fertilizer components are in a form that is available for use by plants.

Dairy calves raised in portable pens make more rapid gains than calves raised in barns, and losses from parasites and disease are less. Purdue University extension dairymen also find that when pen-raised heifers come into milk they are more docile.

METHODIST CHURCH NEWS

The following young people attended the Youth Rally held at the Inwood Methodist Church last Sunday afternoon, Rita Olson, Jean Heeter, Sarah Urschel, Betty Griffis, Janet Reed, Don Rush, and David Gosser. Mr. Abe Hogenboom, adult counselor for the Senior Fellowship, accompanied them. The local MYF had charge of the devotions which opened the Rally. Dr. Harry Denman of Nashville, Tennessee, was the speaker.

The subject for this coming Sunday's sermon is "His truth is marching on." An arrangement of the "Battle Hymn of the Republic" will be used to introduce the sermon in this patriotic service which will be outlined on bulletins appropriate for the occasion.

The Third Settlement Day Service will be held in the Cromwell Methodist

Church on Wednesday, March 3. This service is of primary interest to ministers and their wives. Dr. Thurman Morris will preside as Superintendent of the Warsaw District. Dr. Edward Garrison of the Bishop's Office will be one of the speakers. Dr. George Fenstermacher of Upland will be on a panel with two other out-of-district speakers.

Because of the WSCS meeting this week, rehearsal of the Chancel Choir has been canceled. Music for Easter Services is being prepared, and a good response in attendance is hoped for at the following week's rehearsal.

BROTHERHOOD

by P. L. Prattis

Executive Editor, Pittsburgh Courier

(Brotherhood Week, Feb. 21-28)

The concept of God the Father makes all men brothers. If you accept that concept and reject any man, of whatever race or color, you betray the concept and belief.

Brotherhood is a bond with God. It is a bond of concern, of love and respect, and of righteousness. It is the bond of togetherness.

When we speak of Americanism and democracy, we are thinking of brotherhood. We are trying to conceive of a political community, a nation or a state, in which all men are brothers.

We ought to seek brotherhood because we want the "peace that passeth all understanding."

brotherhood is of the heart.

The heart prevails where the mind

Understanding is of the mind, but fails.

From the brain come atom bombs and other weapons of destruction. From the heart born of God, come love and the feeling of brotherhood.

Peace is a simple goal because it is but the reverse side of the symbol of brotherhood. If there is peace, there must be brotherhood. If there is brotherhood there must be peace.

The way to brotherhood is as clear as belief in God. If such belief were held firmly by all men, the bond of brotherhood throughout the world would be established and peace would come like the bright sun that follows a summer shower.

HERE'S GOOD CHANCE**TO GET TREE SEEDLINGS**

Undoubtedly, you've got some land on your farm that should have more trees, but you just haven't got around to planting them. If so, here's a chance you shouldn't pass up.

E. J. Lott, Purdue University extension forester, says state nurseries have large stocks of trees on hand, including many different species, for planting in

FARM LOANS

—Long Term

—Confidential Handling.

HENRY BUTLER

Phone 1312J, Warsaw, Ind.

rural sections of Indiana. They are available in lots of 50 or more in any one species to those persons whose primary purpose of planting is timber production, windbreaks, erosion control or Christmas trees.

To get the nursery stock application and other information you'll need in order to purchase the trees you want, contact your county agent, the forestry extension office at Purdue, or write the Division of Forestry office, 311 North Washington Street, Indianapolis.

ALFALFA A VALUABLE LEGUME ON THE FARM

Lafayette, Ind.—"Alfalfa, due to its high protein, vitamin and mineral content, is prized for feeding value. It is one of the most valuable of the legumes in improving soils, both in its ability to gather nitrogen when properly inoculated, and in preventing erosion when seeded with grass. On Purdue's Soils and Crops farm near Lafayette, one year of alfalfa did more to improve the soil than one year of red clover when each was grown in a three-year rotation with corn and wheat.

"Alfalfa, grown alone, but preferably in grass or grass-Ladino mixtures, is forging ahead as pasture. It is also proving to be one of the best crops for legume silage. Livestock farmers who need high quality hay and pasture have greater assurance of better production from alfalfa than from other legumes."

The preceding statements were taken from a Purdue University Agricultural Extension Service bulletin entitled, "Essentials for Growing Alfalfa." This short, illustrated booklet was written by M. O. Pence, for Indiana farmers who are not getting maximum production from their present pasture crops.

Pence explains which varieties should be used, how they should be planted and fertilized and how an alfalfa pasture should be managed for top production.

For a free copy, see your local county agent. Just ask for a copy of the bulletin on "Growing Alfalfa."

HERD IMPROVEMENT REGISTRY

Averaging 23 quarts daily, Fobes College Pontiac, a registered Holstein owned by Ethel and Robert D. Ummel, Claypool, recently completed an official Herd Improvement Registry production record totalling 17,701 lbs. milk and 612 lbs. butterfat in 314 days.

Testing has been supervised by Purdue University, in cooperation with The Holstein-Friesian Association of America.

Milked 2 times daily, Fobes College Pontiac, was 4 years and 5 months of age when her test began. Her total was about 3 1/4 times the production of the average U. S. cow.

You'll find the car you want, at the price you want to pay, at your Plymouth Dealer's. Make him your headquarters for used car values!

PDC

SCHOOL NEWS

Mentone Wins Number 20

In an interesting and exciting basketball game at Milford last Friday the Bulldogs won their twentieth game of the year, 72-60. A large delegation from Mentone helped to give Milford its largest crowd in five years. The second team defeated Milford, 43-27.

This Friday in the local gym the Bulldogs close the regular season against Gilead. A preliminary game between some boys of the third and fourth grades will begin at 6:25 with the second team game scheduled for 7:00.

Mr. Harding Speaks At Assembly

On Wednesday in the gymnasium, Mr. Clarence W. Harding, Public Relations Director for the South Bend Tribune, spoke to the high school students on the subject of television. Larry McKinley led in the pledge of allegiance to the flag, David Gosser sang a solo, and Janice Nelson introduced the speaker.

The next assembly program will be

in observance of Brotherhood Week next Tuesday when a feature film, "Prejudice" will be shown. Mr. Hoffman is making arrangements for next week's program.

Shop Boys Complete Electrical Wiring

Last Friday the two agriculture classes and the woodworking class completed the wiring of the farm shop which they had been working on for the last two weeks. The boys did an excellent job of wiring, gained some practical experience, and saved the taxpayers some money. This work was under the direction of Mr. Weiss.

Sectional Tickets To Go On Sale

In order to give the students a chance to purchase sectional tickets on Friday of this week, tickets will be sold to students only for their own use. On Monday, February 22, the remaining tickets will go on sale at the high school office on a first come-first served basis.

Trustees and Principals of County To Hold Meeting At Mentone

The trustees and principals of the Kosciusko County schools will hold

their March meeting at the Mentone School on Monday, March 1. A luncheon will be served in the cafeteria at 12:30. At 2:00 the group will tour the school and discuss several problems of common interest.

Mrs. Dale Keever was absent on Monday and Tuesday as a result of illness. Mrs. Vance Johns substituted for her.

In a recent fire drill pupils cleared the school building and the new addition in 64 seconds. A fire drill is held on an average of once each month as a method of training pupils in case of an emergency.

The freshmen class held a class party at the school on Tuesday evening in honor of Junior Clappitt who will move away March 1. Mr. Hoffman is freshmen class sponsor.

All elementary grades held Valentine parties last Friday. A number of mothers came in to help with the parties.

HIGH ANALYSIS FERTILIZER IS CLAIMED BEST BUY

Lafayette, Ind.—Buy high analysis fertilizer, and you'll get the most plant food for your dollar. That's good advice from O. W. Ford, member of the state chemist's staff at Purdue university.

He says savings are possible, especially on raw material fertilizers such as nitrogen, phosphate and potash carriers.

Of the nitrogen carriers, anhydrous ammonia furnishes actual nitrogen at the lowest cost—Ford figures it at about 10 cents per pound. Nitrogen from nitrate of soda is the most expensive at about 20 cents per pound. Cost of nitrogen from ammonium nitrate, ammonium sulfate nitrate, ammonium sulfate and cyanamid fall within this range of 10 to 20 cents per pound.

Concentrated superphosphate—45-48 percent phosphoric acid—is the best soluble phosphate buy. Retail cost of a pound of available phosphate is about seven and one-half cents compared to about 10 cents per pound for phosphoric acid from 20 percent superphosphate.

Of the potash sources, muriate of potash is usually cheaper than sulfate or nitrate of potash. Cost ranges from four and one-half to seven and one-half cents per pound of available potash.

High analysis mixed fertilizers, especially those with high nitrogen content, also fall into the "good buy" category. More and more farmers have come to regard ratios such as 5-20-20, 15-15-15, and 0-24-24 as money savers, because handling and freight costs per pound of plant food are less than for low analysis fertilizers.

Before buying this year's supply of fertilizer, Ford advises farmers to get their soil tested. He adds that a visit with the county agent will be helpful in determining amount and analysis to be applied to the soil for specific crops.

Lions Sign Freedom Scroll

Officers of Lions' International complete a Freedom Scroll in the Crusade for Freedom's 1954 drive for 25,000,000 signatures. Sending it along from the organization's headquarters in Chicago, complete with 75 "Truth Dollars" and 75 signatures are Jack Stickley, of Charlotte, N. C., 3rd vice president; Monroe L. Nute, of Kennett Square, Pa., 1st vice president and R. Roy Keaton, of Chicago, director-general.

IT'S THE OLDER ONES WHO DISREGARD STOP SIGNS

It's rather difficult to teach the young folks how to drive properly and safely when it's the older drivers who continue to practice the "dumb" ones.

A recent check indicates that the young people are respecting the stop signs in Mentone, but many of the older folks pay no attention to them.

In many instances, it appears that when a driver fails to come to a complete stop at a stop sign, they are proving definitely that they are not capable drivers. They fear to stop because of their inability to start again without difficulty.

A stop sign is not a hazard but a safety measure. It means "Stop!" so the driver can devote all his thoughts toward checking for oncoming traffic from both directions. Just slowing up defeats the purpose of stop signs, and he who disagrees will most likely some day realize the truth of this statement all of a sudden—in a bunch of junk.

More Farm Produce

The U. S. Department of Agriculture reports that in the next four or five years, farmers of the nation can produce 18 per cent more than they did in 1951 if there is such a need.

**STOCKHOLDERS URGED TO
ATTEND ANNUAL MEETING**

All stockholders of the Northern Indiana Cooperative Association are urged to attend the annual meeting to be held at the Mentone school on next Monday afternoon, March 1, when the reports of the various departments of the association will be given, and three directors will be elected.

The officials of the association want every stockholder to take part in the management of the affairs of the co-operative enterprise, and by attending the annual meetings and having a part in the election of their officials. When all the stockholders take part in these annual meetings there is less likelihood of selfish interests to undermine the plans and efforts of competent management and the successes attained throughout the years.

Attend the meeting in person and take an active part in your organization.

GEORGE A. BLACKBURN

George A. Blackburn, 81, well known Harrison Center farmer, died at 5:05 p.m. Sunday at McDonald hospital following a three-week illness due to paralysis.

Born in Redkey April 2, 1872, he was the son of Joseph and Mary Ann (Snedicker) Blackburn. On Feb. 20, 1891 he married Miss Nettie May Morris.

Surviving are the wife; five sons, Charles, Carl and Lester, of Route 5, Warsaw, George, of La Porte, and William of Mentone; five daughters, Mrs. Mabel Baker, Payne, O., Mrs. Ethel Shafer, Greenfield, Mrs. Beulah Timmons, Port Wayne, Mrs. Mary Rensberger, Nappanee, and Miss Isabelle Blackburn, at home; two sisters, Mrs. Gertrude Bolen, Dunkirk, and Mrs. Rosa Darrol, Fairview, Okla.; 24 grandchildren and 14 great-grandchildren. Two daughters, Mrs. Grace Schiefer and Miss Blanche Blackburn, and five grandsons preceded him in death.

Last rites were held Wednesday afternoon at the Johns funeral home, with Rev. Fred Pflugh officiating. Burial was at Harrison Center.

Mr. and Mrs. H. V. Nellans returned home Sunday after spending eight weeks in Texas.

MRS. DONALD SISK DIES

Mrs. Donald (Sylvia) Sisk, Sr., aged 53, of Warsaw, died at 5:45 a. m. Wednesday of carcinoma after an illness of four months.

Mrs. Sisk was born Feb. 27, 1900 in Mentone, the daughter of Vincent and Anna Miller. She was married Oct. 23, 1919 to Donald R. Sisk at Plymouth and had resided the past 20 years in Plymouth and Warsaw. She was a member of the American Legion auxiliary, Eagles auxiliary and Mothers of Marines.

Survivors include the husband, four sons, Donald Raymond Sisk, Jr., Warsaw, Buddy Arthur Sisk, Rural Route, Warsaw, Jack Norman Sisk, Burket, Richard Sisk, Warsaw, three daughters, Mrs. Phyllis Howard, Warsaw, Pat and Peg, both at home, two brothers, Raymond Miller, Frankfort, Harold Miller, Rochester, and eight grandchildren. A son, Frederick Calvin, was killed in World War II.

Friends may call from 2-5 and 7-9 p.m. Thursday at the Landis funeral home, and from 10 a.m. Friday until time of services at 2 p.m. Friday there.

Rev. A. E. Habengood, pastor of the First Methodist church will officiate, and burial will be in Oakwood cemetery.

**DEDICATION OF NEW
SCHOOL ADDITION MARCH 10**

Wednesday evening, March 10th, has been the date set for the formal dedication services for the new addition to the Mentone school.

A full evening's program is being arranged, with Lawrence Bell, president of the Bell Aircraft Corporation, of Buffalo, N. Y., as the principal speaker. Bell is a former Mentone citizen and attended school here.

**ROBERT JONES AS CANDI-
DATE FOR COUNTY ASSESSOR**

Robert O. Jones, of Mentone, was one of those who filed as candidates in the May primary. Tuesday was the first day in which to file.

Mr. Jones, a republican, has served nearly eight years as trustee of Franklin township, and with the exception of five years spent in Marshall county, has spent his entire life in this county.

**GOOD ATTENDANCE AT PRO-
DUCERS MARKET MEETING**

There was good attendance at the first "annual" meeting of the Mentone Producers' Market held at the new Mentone gym last Monday night. It was referred to as the annual meeting although the local market had been in operation but a month and a half by year's end.

Voris Zartman, of Rochester, was chairman of the meeting that included talks by Mentone Manager Richard Maple, George Doup of the Indiana Farm Bureau, and Bernard Marquiss and W. R. Cummins of the state office. The invocation was given by Rev. Chester Dodson and fine entertainment was furnished by the Tacelett Sisters with singing, tap dancing and acrobatics. Refreshments were served following the meeting.

The report showed that the local unit handled 5,534 hogs, 53 calves and 162 sheep in the month and a half. Gross sales amounted to \$289,297.32, and the yardage commissions were \$2,633.25. After expenses were paid the savings were \$501.72.

Total receipts at the nine branch markets in Indiana in 1953 were: Hogs, 487,988; lambs, 18,884; sheep, 54,353; cattle, 48,621, and calves, 17,954. This does not include those received at the Indianapolis terminal.

At the election held, the following county delegates and alternates were named to attend the meeting of the association at the Claypool hotel in Indianapolis March 10th:

Charles Ohmsted and Charles Riddle, Fulton; Geo. Feldman and John Widman, Marshall, and Leroy Norris and Howard Silvius, Kosciusko.

CLUB CALENDAR

Royal Neighbors will meet with Mrs. Mary Borton next Tuesday evening at 7:30.

The Talma Rod and Gun Club will hold their February meeting on Friday evening, February 26 at 7:30 p.m. in the home of Lavoy Montgomery.

J. O. Y. Circle will meet with Mrs. F. B. Davison Tuesday, March 2, at 9:00.

The Friendly Neighbors, March 4th at the home of Mildred Fawley, 1:30 p.m.

**SECTIONAL TOURNEY
NOW IN PROGRESS**

The sectional basketball tourney got underway this evening when Columbia City and Silver Lake started the first game at six o'clock. After leading for three quarters, Silver Lake lost the lead to the boys from Whitley county and lost 52 to 50.

In the second game Wednesday evening, Warsaw defeated North Webster 66 to 56.

Mentone's first game will be against the other Whitley county entrant—Larwill—at 8:15 Thursday night. If Mentone wins this game they will meet the winner of the Etna Green-Sidney game at 7:00 Friday night.

The pairings are as follows:

Wednesday Night

- 1—Silver Lake vs. Columbia City.
- 2—North Webster vs. Warsaw.
- 3—Claypool vs. Atwood.

Thursday Night

- 4—Milford vs. Syracuse.
- 5—Etna Green vs. Sidney.
- 6—Mentone vs. Larwill.

Friday Morning

- 7—Beaver Dam vs. Pierceton.
- 8—Leesburg vs. Burket.

Friday Afternoon

- 9—Winners Games 1 and 2.
- 10—Winners Games 3 and 4.

Friday Night

- 11—Winners Games 5 and 6.
- 12—Winners Games 7 and 8.

Saturday Afternoon

- 13—Winners Games 9 and 10.
- 14—Winners Games 11 and 12.

Saturday Night

At 8:15—Winners Games 13 and 14 for the Sectional Championship.

DICKEY ESCAPES INJURY

Clarence Dickey, center on the Mentone basketball team, escaped injury other than a bumped knee Saturday night when a tierod let loose on his 1949 auto and it headed for the ditch on the Crystal lake road. A small utility pole was snapped off just before the auto angled into the fence. The auto suffered about \$200 damages to the front end.

Mrs. Gertrude Hill spent from last Wednesday to Monday at Terre Haute with Rev. and Mrs. John Knecht and family.

Co-Op. Mill

DO YOU RECOGNIZE THIS SET OF FARM BUILDINGS?

WHOSE FARM IS THIS?

Can you identify the farm pictured above? This is another of the farm pictures to be printed in the Co-Op. News, and as no one knows whose farm it is, can you help identify it? There's no prize to the first to tell us whose farm it is, but it is interesting to know who will be first in reporting the information to this newspaper.

Call, phone or write us if you believe you know the farm.

The 86 acre farm of Mr. and Mrs. Lawrence Butts, of R. R. Akron, was printed in our last issue. The farm lies two miles south of Sevastopol, and it was purchased from Joe Ettinger of Warsaw in 1945.

Lawrence states that he keeps about 1500 laying hens and raises about 125 hogs each year. He also raises a few dairy cows.

Their two children, Buddie and Donnie, attended the Beaver Dam school where the family has taken an active interest in community affairs. Buddie is now teaching in the East Ward grade school at Warsaw and Donnie is a sophomore at Manchester college.

Those who called to identify the farm correctly were: Sherman Bybee, Mrs. Orven Heighway, Mrs. Willard Kuhn, Mrs. Turner Boggs, Mrs. Alden Jones and Barry Igo.

When the weather cooperates during February, prune apple and pear trees, say Purdue University horticulturists. You can also reshape or thin out surplus growth of shrubs.

LOCAL NEWS

Mrs. Allie Lyons of Attica, was a visitor at the Robert Reed home last week.

Mr. and Mrs. Elvin Hoffman of Akron, were Friday evening supper guests of Mr. and Mrs. Jack Miller.

Mr. and Mrs. Jack Miller were Sunday dinner guests of Mr. and Mrs. Foster Hoffman near Akron.

Mr. and Mrs. George Hickman of North Webster and Miss Betty Staley of Warsaw were callers at the Mrs. Eli Julian home Sunday afternoon.

Mr. and Mrs. Ray Linn and grandson, Garry Romine, were callers at Mr. and Mrs. Lawrence Hudson home of near Claypool Sunday afternoon.

Dr. and Mrs. Orville McFadden and daughter spent Sunday with Mr. Russell McFadden at New Haven.

Mrs. Myrtle Davis spent Sunday at the home of her son and family, Mr. and Mrs. Emory Davis.

Dr. and Mrs. David Van Meter and daughters of Wakarusa called on Dr. and Mrs. Orville McFadden Friday evening.

Mr. and Mrs. Virgil McFadden and family of Rantoul, Illinois called on Dr. and Mrs. McFadden Saturday.

Mr. and Mrs. William Schooley, Mr. and Mrs. Dwight Reichart, Mr. and Mrs. Robert Parker and family and Mr. and Mrs. Jim Holloway attended a shower at the home of Mr. and Mrs.

George Grubbs for a daughter, Mrs. Dick Hyde, Sunday afternoon at 2:00. Mr. and Mrs. Norman Teel and son of Rochester were Sunday dinner guests of Mrs. Alfred Teel.

Mr. and Mrs. Frank Smith returned Monday from a two-weeks vacation in Florida.

MENTONE SCHOOL NEWS

Tourney Tickets In Heavy Demand

Mentone was allotted 120 tourney tickets and 12 passes. These tickets were placed on sale last Friday morning to high school pupils. Tickets had been saved back for the parents of the first team players, teachers, and others employed at the school. By Friday noon all tickets had been sold out. It was possible to secure 90 more tickets on Tuesday evening. These were about gone by Wednesday noon.

Mentone Wins Number 21

Last Friday evening Mentone closed the regular basketball season by winning two games from Gilead, 63-33. A fair sized crowd was on hand to see the games. The band gave a demonstration on the floor. Preceding the reg-

ular games a group of third and fourth grade boys displayed their basketball ability.

With the regular season ended, the school wishes to express appreciation for the loyal support which the teams received from the fans. We especially appreciate the fine sportsmanship displayed during this year. The work of the volunteer firemen in parking cars, directing traffic, checking on fire regulations, and watching doors was outstanding. Many thanks from the school.

Mentone To Entertain Principals and Trustees

The Kosciusko County trustees will have as their guests at a meeting at the Mentone School on March 1 the principals of the county high schools. A luncheon will be served by the school cooks at 12:30. This will be followed by a tour of the building and a meeting discussing problems of building new buildings. Mr. Whitehead, County Superintendent, will preside.

Assembly Program On Tuesday

This Tuesday in the gymnasium a feature film "Prejudice" was shown to the high school. This film had been secured by Mr. Hoffman who is in charge of Brotherhood Week observance. On Tuesday the Robert's Studio took pictures for the 1954 school annual. The Bulldog.

School Annuals Go On Sale

On Monday, March 1 orders for the 1954 school annual will be taken. Annuals are priced at \$1.75, the same as last year. A deposit of 75c will be col-

lected at the time the order is placed and the balance paid upon delivery of the book.

Sophomores To Sell Magazines

For the third year, the sophomore class will conduct its annual magazine sale beginning on March 2. The

boys and girls will sell the Curtis publications as in the past two years. This is a project designed to give the students practical selling experience, to provide the community with acceptable reading materials, and earn money to be applied toward the senior trip.

**MANWARING FARM FEATURED
IN ROTOGRAVURE SECTION**

Two pages of the rotogravure section of the Fort Wayne News-Sentinel last Saturday were devoted to pictures and information relative to the Manwaring Leghorn Farm at Mentone. The pictures were taken by Ken Weaver, staff photographer for the Fort Wayne daily.

Eight views were shown of the operations at the Manwaring farm and one picture showed the concrete egg that stands at the corner of the Co-Op. premises in Mentone. Dick and Miles Manwaring managed to get full views in the pictures, but Charles had only one hand showing in one of the pictures. Charlie always was a little bashful—especially when his two backward brothers were present.

Other employees shown in the photos were: Credess Walton, Jim Gates, Dana Starr, Junior Fore and Oscar Kami who does their chick sexing.

One photo shows Devon Marshall and Forrest Dunnuck handling the cased eggs at the Co-Op. egg dock.

COOPERATION PAYS**SALE OF PROPERTY**

Pursuant to a court order, to settle the estate of the late Bessie McCutchen the property formerly occupied by her on North Franklin St., in Mentone, will be sold to the highest responsible bidder, at a commissioners private auction, on Saturday, March 13, 1954, at 10:00 a.m., at the Farmers State Bank in Mentone, Ind.

This property has been appraised at \$1,650.00 and sale will be on that basis.

Bids will be received by the undersigned commissioner, at any time up to and during time of sale, with privilege of rebidding until sold.

Terms of sale: At least one half of sale price to be paid on delivery of deed and balance to be secured by mortgage note for one year, at six percent interest.

C. O. EILER, Commissioner
M10c

Mrs. Marie Bartman of Plymouth was a Sunday guest of her mother, Mrs. Nora Severns.

Mrs. Walter Bartel of Marion is visiting a few days with her daughter and son-in-law, Mr. and Mrs. Glen Denton.

BEAVER DAM FRANKLINETTES

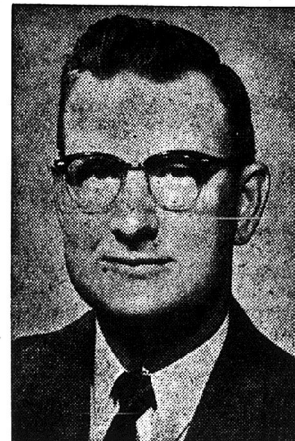

The Beaver Dam Franklinettes met at the home of Mrs. Don Hoffman on Wednesday evening, February 10 with 13 members and 1 guest present.

The meeting was called to order by all repeating the club creed. Meditation was given by Ann Bryant. Health and Safety remarks were given by Norma Kuhn.

The lesson, "Building Health For Future Years," was presented by Lucille Teel and Roselynn Neilans.

The response to roll call was "A Country I Would Most Like To Visit."

It was voted to hold a Silent Bake sale at our March meeting, which will be held at the home of Mrs. Merl Harold on Wednesday evening, March 10.

BURKET E.U.B. REVIVAL SERVICES

The public is invited to the revival services starting this Sunday evening at the Burket E.U.B. church. Wayne Johnson will be the evangelist bringing the message every evening. There will be special music every evening. Mr. Cloyd Swartz will be bringing us music on the Hammond organ each night. Plan to be with us in these services. Services very evening from Feb. 28 through March 7th at 7:30 p.m.

**SPECIAL BASKETBALL
PROGRAM HERE MARCH 12**

The Boy Scouts are sponsoring a special basketball treat for Mentone fans on Friday night, March 12th, when the former Zollner stars, Kinney Koncessions, of Fort Wayne, play the Bob's Buttermilk Boys from Rochester, at the new Mentone gym. A preliminary will be played between the Mentone American Legion and the 1935 county champs.

The proceeds of the games are to be used for the installation of additional bell equipment at the new school and the balance to go to the scout fund. Admission is advertised as 50c for the adults and 25c for students. There will be advance ticket sales.

MISSION INCOMPLETE

Early Saturday morning Dr. Dan Urschel accompanied by his daughter Sarah, Betty Griffis and Jon Cullum took off from the Warsaw Airport in his Cessna 140, destination, Northfield Minnesota, where Charles Urschel is attending Carleton College. A telephone call at 9:30 a.m. stated that a low ceiling had forced a landing at Rockford, Illinois.

They were able to make the trip home and arrived just in time for the P. T. A. penny supper.

We understand they plan to complete the trip in a couple of weeks, so keep the sock flying out there, Charles. They may get there this next trip.

"ATOMIC JUICE"

Milk is a powerful food. An 8-ounce glass gives you 167 calories. If America's 100 million adults were to drink a glass with breakfast tomorrow morning, human energy for the day would be enhanced by enough "zip" to drive the Twentieth Century Limited from New York to Chicago 132 times.

This was the gist of a talk before leading milk distributors of New York City given today by Milton Hult, President of the National Dairy Council, Chicago.

Hult said reports coming into his office from across the country indicate pronounced increases in milk drinking. "This trend may be partially in response to the coffee situation," he said.

"People will be healthier and human activities enriched by added energy if adults will consistently follow the 'milk with breakfast' practice," Hult stated. Milk is an important source of protein, calcium, phosphorus, riboflavin, and other life-supporting nutrients.

According to Hult a daily glass of milk for breakfast can help: Make active people even more effective; pull less hearty people up to par; get some sick ones out of bed.

Hult suggests everyone ought to be reminded of the statement made by Dr. E. V. McCollum, the revered Emeritus Professor, School of Hygiene and Public Health, Johns Hopkins University, who said:

"The people who have achieved, who have become large, strong, vigorous people, who have reduced their infant mortality, who have the best trades in the world, who have an appreciation of art, literature and music, who are progressive in science and in every activity of the human intellect are the people who have used liberally of milk and its products."

Hult urged the dairy industry to unite with public health leaders to adequately inform consumers of the essentiality and economy of milk for people of all ages.

4-H ADULT LEADERS MEETING, FEBRUARY 17

Charles Mishler, Milford Vo-Ag teacher, was elected president of the Kosciusko County Adult Leaders organization Wednesday evening, February 17 at the County Extension Office in the Court House. Mrs. Edward Summers, Warsaw, was named vice-president and will thus serve as presiding officer of the home economics sessions. Named as secretary-treasurer was Miss Elenor Norris of Mentone.

In the combined session of the adult leaders, a discussion of the radio project resulted in the recommendation that it be continued. Leo Seltenright, assistant agriculture agent, explained the four county meetings planned for helping electrical project members, announcing the first meeting of that group as March 15. He also urged adult leaders to attend the Rotary sponsored adult leader training conference on March 1 at Plymouth.

In the divided session, Mrs. Carl Duncan, Milford presided. Standards for Food Preparation and Food Preservation were presented by Mrs. Ralph Baumgartner, Syracuse; and Mrs. Raymond Helser, Warsaw. These were discussed and a few changes made before adoption.

Miss Reba Pyle, home demonstration agent, explained the clothing construction meetings offered to clothing members during May in groups of not more than ten. Local leaders selected dates on a schedule offered them. Miss Pyle also described the Febrie School to be held March 6 at the Camel's Club sponsored by Carter's Department Store. Clubs in the county were divided so that approximately half of the members and their mothers would attend the first session 1:00 - 2:30 p.m. and the remainder in a later session, 3:00 - 4:30 p.m.

Further business included preliminary plans for instruction to local clubs by the 4-H club Agent, Mrs. Ruth Snellenberger. Several announcements made included the final 4-H home economics enrollment date at May 15, the date of a training meeting for new leaders as March 11 and copies of the standards approved by the adult leaders for each project will be available in the near future for each 4-H home economics project member.

Copies of posters for National 4-H Enrollment Week, March 6-13, were distributed.

In the agricultural session, the following judging dates were announced. Dairy, March 16 at fairgrounds and livestock, April 9 at fairgrounds. The District Contest is set for April 24 in Steuben County. The Conservation Field Day date was announced as June 3 at McClure Lake.

Also discussed in the ag section was the possibility of developing a 4-H achievement record project. The purpose of the project is to stimulate interest in 4-H achievement records or scrap books. A suggested division would be those in second and third year work in

division I, members in 4th, 5th and 6th year 4-H work in division II, and members in 4-H work from seven to ten years in division III.

NORTHEASTERN INDIANA AUTOMOBILE SHOW

The five-day run of the 1954 Northeastern Indiana Automobile Show opens Wednesday, March 3 at the Allen County War Memorial Coliseum in Fort Wayne. On display through Sunday, March 7, will be all the 1954 models plus many of the auto industry's futuristic and sport cars.

Headlining an outstanding stage revue at the 1954 Auto Show will be organist Ken Griffin, one of America's most popular recording stars and instrumental artists. Plans call for complete stage shows twice daily at 7:00 p.m. and 9:00 p.m., with special matinees on Saturday and Sunday.

A special attraction is scheduled for visitors to the Show on Wednesday and Thursday. Miss America will be present in person the first two days of the Show — another stop on her busy slate of nationwide personal appearances.

Opening time for the 1954 Northeastern Indiana Automobile Show is Wednesday, March 3 at 2:00 p.m. The doors will be open at noon for the remainder of the Show. Daily closing time is 11:00 p.m.

OBSERVE 50TH ANNIVERSARY

Mr. and Mrs. O. B. Valentine of Yellow Creek Lake, who are spending the winter at their home in Braden Castle, Florida, observed their 50th wedding anniversary, February 13th.

They held open house from 2:00 to 4:00 for the 75 friends and relatives who came to call. The arrival of their son, Mr. and Mrs. Leo Valentine of Mentone came as a complete surprise to them.

Those assisting at the refreshment table were Mrs. William Valentine of Yellow Creek Lake, Mrs. Earl Valentine of Claypool and Mrs. Leo Valentine of Mentone.

The honored couple received many gifts, flowers and enjoyed the card shower from their many friends and relatives in Indiana.

The couple has another son Oscar of South Bend and 4 grandchildren.

Mrs. Valentine was formerly Nellie Regenos, daughter of Mr. and Mrs. Jefferson Regenos of Yellow Creek Lake.

Her mother, Mrs. Regenos, who is 96 years of age, is spending the winter with them in Florida.

Mrs. Olive Prye was in Hobart with her daughter and family over the week end.

Mrs. Alice Lyons of Attica, called on Mr. and Mrs. Garrie Rose Saturday afternoon.

Mr. and Mrs. J. H. Lade of Ontario, Canada, Mr. and Mrs. Herbert Adams and sons were Sunday dinner guests of Mr. and Mrs. H. E. Coggins near Talma.

FARMERS VISIT HONEGGERS' FARM AND "PIG HATCHERY"

A group of progressive farmers from the Mentone area spent a fascinating day last Wednesday visiting the unusual feed and poultry operations of Honeggers and Co., Inc. at Fairbury and Forrest, Ill. The organized tour was arranged by Bryan Poultry Farm, local distributor of Honegger products.

Much interest was centered on the "Pig Poppery," which the feed company operates as a model to promote increased farmer interest in the pig hatchery movement. Here, a new, revolutionary farrowing house is equipped with disinfectant showers to clean sows as they arrive and features radiant heated floors for brooding pigs, sanitary facilities for sows, trouble-proof water fountains, and many other labor and pig-saving devices.

Cattle Fed on Corn Cobs

Another unusual experiment was the feeding of cattle with a ration which consisted of nothing but roughages and new-type "bacteria promoting" supplements.

Test farm officials explained that in recent tests steers gained more than 1½ lbs. daily in dry lot on a feeding program of the supplement and ground corn cobs. Cost of the grain averaged less than 17c a pound for the beef during the 100-day experiment.

Tour Egg Grading Station

An inspection of the Honegger egg grading station at Forrest revealed how local egg producers there get premium prices by having their eggs graded and packaged according to size and quality. The station sells some 500,000 eggs each month to select consumer markets in Chicago and other outlets. Producers who sell to the egg station are paid on the basis of the value of each individual egg. As a result of this grading policy, Honeggers claim that the station's prices last year averaged almost eight cents a dozen over the area's current receipts price.

The group had lunch with members of several other tours from Illinois, Indiana, Ohio and Michigan, at the Honegger House Cafe in Fairbury, Ill., where they met various company officials before touring the big "push-button" feed mill which manufactures Honegger feeds.

The Honegger Company operates feed mills at Forrest, Illinois, Mansfield, Ohio, and Athens, Ga., but the new \$600,000 plant at Fairbury is considered one of the nation's most modern mills.

In addition to Mr. Gilbert Hill and Mr. M. O. Bryan of Bryan Poultry Farm, those making the tour were Ed. Blosser, Victor Binkley, and Ed Severns of Warsaw, Monroe Romine and Leslie T. Welty, Mentone, Mrs. Bill Blackford and Mrs. Albert Dawalt, Tippecanoe, and Mr. and Mrs. J. D. Barrett of Claypool, Indiana.

Mr. and Mrs. Earl Carbiener called on his sister, Mrs. Grace Ellis, at Bremen Sunday afternoon.

COMMITTEE BEGINS SURVEY OF COUNTY POULTRY DISEASES

A committee of members of the Kosciusko county poultry association has been appointed to make a survey of poultry diseases in the county in order that a program for the control and prevention of these diseases may be started.

Serving on the committee are Delford Nelson, Burket, chairman; Charles Manwaring, Mentone; Frank Merkle and Dr. William Carr, Claypool; Wayne Detwiller, extension poultryman from Purdue university; and Paul Jackson, county agent.

Survey sheets have been distributed to the feed dealers and hatcheries throughout the county and the committee hopes that poultrymen will obtain these sheets, fill them out, and return them to these dealers who will in turn return them to the county extension office for the completion of the survey.

This committee has met and decided to prepare circulars suggesting ways poultry producers should dispose of diseased chickens to prevent the spread of disease. Other circulars will give management suggestions which will help the producers prevent disease from getting into the flock. This circular is one of a series that will be prepared throughout the year.

ANTHONY NIGO D. A. R.

The Anthony Nigo Chapter of the D.A.R. held its February meeting in the home of Mrs. Agness Rans with Helen Brown as hostess. The usual ritualistic service was given. Roll call was answered by 15 members. Hazel Linn read the President's General message.

Mary Manwaring read a letter from the State Indian Chairman saying they can use clothing of all kinds for girls aged 9 to 19.

The meeting was turned over to Annabelle Rathfon and she showed two films. They were entitled "Nation's Capitol" and "America The Beautiful."

Mary Manwaring, Geraldine Smith and Norma Jean Clauss will bring auction items for March.

After refreshments were served by the hostess and assistant hostess, Annabelle Rathfon, the meeting adjourned to meet in March with Yolande Rinner. The Good Citizenship Girls and their mothers will be guests.

Mr. and Mrs. Verl Roose and Mr. and Mrs. Linus Borton visited Sunday afternoon with Frank Warren in the home of his daughter, Mrs. Tessie Wise in Fort Wayne. Frank is much improved and is expecting to come home soon.

Several poultrymen from Kosciusko county attended the Elkhart county poultry association in Elkhart recently. They were: Harold Nelson and Gilbert Hill, Mentone; John Plank, Leesburg; Gaylord Jones, Syracuse; Robert Merkle, Claypool; Paul Jackson, County Agent, Warsaw.

NOTICE OF THE REGULAR ANNUAL MEETING OF STOCKHOLDERS OF THE NORTHERN INDIANA COOPERATIVE ASSOCIATION.

You are hereby notified that the regular annual meeting of the stockholders of the Northern Indiana Co-operative Association will be held at one thirty o'clock p.m., on Monday, March 1, 1954, in the Harrison Township High School building, in the town of Mentone, Indiana, at which meet-

ing will be received the reports on the business of the Association for the year ending December 31, 1953, and for the purpose of electing three directors for a term of three years to fill the vacancies caused by the expiring terms of Kyle Gibson, Elmer Dickey, Everett Rathfon; also for the distribution of dividends and for the consideration of any other business that may rightfully come before this meeting. All holders of common voting stock are urged to come and take part in this meeting.

The foregoing constitutes legal notice to stockholders as provided in the By-Laws of the Association.

Dated at Mentone, Indiana, February 10, 1954.

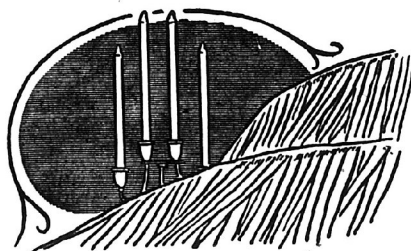

NORTHERN INDIANA COOPERATIVE ASSOCIATION.

LEROY NORRIS, Secretary

CARD OF THANKS

Mr. and Mrs. William T. Snipes and family wish to thank the Mentone and Rochester Fire Departments, their friends, and neighbors who helped at the time of their fire.

NELLANS POULTRY PLANT

FEEDER'S DIGEST

Is Your Good Grass Good Enough?

Every animal and bird needs minerals—

Every animal and bird you own needs minerals—of certain kinds—in definite quantities. Some pastures provide these minerals. Much pasture does not. Now your grass may be green and thick. But it can still be mineral-deficient. And that can mean slower gains, feed waste and poorer health.

Why take these chances when it's so easy and economical to feed Swift's Mineral Supplement? This one low-cost mineral supplement provides ten mineral elements vital to all livestock. Start feeding Swift's Mineral Supplement free choice all year 'round. It now comes in block or pulverized form. Because it contains only minimum requirements of salt, we recommend free-choice salt feeding in addition.

CO-OP. MILL

March 7 is known in American Methodism as the Week of Dedication. It will be observed in the local church through the Worship Services, at Choir Rehearsals, and the Official Board meeting during the mid-week service.

On Sunday evening, March 7, the first of a series of Lenten Services will begin. They will continue through Holy Week, concluding with the service on Good Friday night. The hour of service is seven o'clock, and the topic is The Parables of Jesus. A song service will precede the Bible Study. A mimeographed outline of the services will be presented to the congregation who desire to participate.

The third Settlement Day Service will be held at Cromwell on Wednesday, March 3. This is of primary interest to ministers and their wives.

Baptisms and reception of members will be held on Palm Sunday rather than Easter Sunday this year.

A gift of twenty Hymnals for use by the Choir was made by Mrs. Bessie DeWitt and families. These will be dedicated during the service this Sunday morning.

The sermon text is "My Father worketh hitherto, and I work," John 5:17.

HOOSIER 4-H YOUTH

PLAN BIG WEEK

More than 75,000 Hoosier boys and girls, a new high in state club enrollment, will observe National 4-H Club Week, March 8-14. This year Indiana's 4-H club members will again be stressing the theme, "Working Together for World Understanding," in their local communities, says Harold B. Taylor, state club leader at Purdue University.

To make sure everyone knows of 4-H week, rural youth will tell the objectives and aims of the 1954 club season through store window displays, radio broadcasts, news stories and talks at civic gatherings.

Helping them will be club leaders, county agents and home demonstration agents. These 4-H boosters will put on local membership rallies in an effort to push Indiana over the enrollment mark of 80,000 in 1954.

In the membership drive, special attention will be given to the growing number of youth living in small towns and areas surrounding cities. Taylor says under the 4-H program, directed by Purdue's Agricultural Extension Service, new and old members from town and country receive practical training in better farming and home-

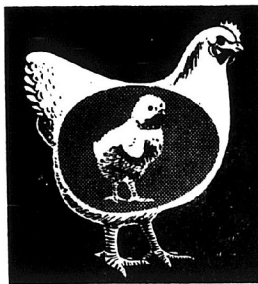

making. In 1953, membership in Indiana clubs was 76,398 with 30,713 boys and 45,685 girls enrolled.

During National 4-H Club Week, Hoosier 4-H advisers will also be out to recruit more volunteer leaders who can assist in club activities. Taylor emphasizes that the existence and success of local clubs depends for the most part on the continuous efforts of volunteer workers.

This large group, composed of 3,670 men and 5,196 women, was assisted in 1953 by 3,502 boys and 5,020 girls serving as Junior 4-H leaders.

Adult and junior leaders will be on hand during National 4-H Club Week to advise club members at the local meetings on the selection and organization of their 1954 projects. Four-H boys and girls can choose from 38 different projects this year, and non-farm youth have their chance at gardening, farm and home electrical activities, conservation, potato growing, rabbits, strawberries, and shop work.

Membership in a 4-H club is open to any boy or girl between the age of 10 and 20 years of age. Enrollment cards may be obtained from county extension agents or from club leaders.

CLUB HAS

HANKERCHIEF EXCHANGE

Members of the Country Neighbors Home Demonstration club answered roll call Thursday, February 18th with a handkerchief exchange. The meeting was held at the home of Mrs. Russel Walters.

During the business meeting, conducted by Mrs. Wilbert Utter donations were made to the Heart Foundation and Infantile Paralysis drive. Plans were made for the Red Cross Drive in Newcastle township.

Devotions consisted of quotations from the book "Something to Live By," read by Mrs. Allen Herendeen. The history of "There's Music In The Air," was given by Mrs. Howard Chamberlain.

One new member, Mrs. Kenneth Dunning was received into the club.

Guests present were Mrs. Herb Carlisle, Mrs. William Rathbun, Mrs. Joe Boganwright and the Craig twins, Pamela and John.

ela and John.

Mrs. Wilvin Long received a secret pal gift, Mrs. Howard Chamberlain won a contest prize and auction articles went to Mrs. Herb Carlisle, Mrs. John Teel and Mrs. Earl Zent. A door prize went to Mrs. Clarence Pfeiffer.

The lesson on Safe and Sane Weight Control was given by Mrs. Long. An interesting part of the lesson was given with flannelgraph to show how overweight people over work vital organs of the body by over eating. Namely, the heart, kidneys, lungs, liver, pancreas and stomach.

The hostess served delicious holiday refreshments to 12 members and 3 guests.

Information on recovering furniture with plastic was given out by Mrs. Walters who had attended a special interest lesson on this subject at Rochester.

VANDERMARK BACK

FROM YOUTH MEET

Lyle Vandermark, a member of the Happy Harvesters 4-H Club of Newcastle township has returned from Kansas City where he attended the first Junior Past Finding Conference sponsored by the Institute of American Poultry Industries.

At the conference Vandermark was one of 61 youth delegates from 17 states and Alaska where they heard and participated in discussion on all phases of the poultry industry. Delegates were chosen on the basis of their outstanding work in 4-H and Future Farmers of America poultry projects.

Lyle's trip to Kansas City was sponsored by the Fulton County Farm Bureau.

Mrs. Leonard Bittner, of Wabash, called on her sister, Mrs. Lois Fenstermaker, Sunday afternoon.
