PHYLLIS LEMLER MARRIED SUN.

The altar of the Mentone Baptist church, decked with palms, white baskets of multicolored flowers and flanked on either side by candelabra bearing tall white tapers, provided the setting for the double-ring ceremony of the wedding of Miss Phyllis Lemler, daughter of Mr. and Mrs. Fred Lemler of Mentone and Wayne Bowser, son of Edward Bowser, also of Mentone.

Rev. S. M. Hill, the bride's grandfather, read the marriage vows assisted by Rev. John Knecht, following a thirty-minute musical, played by Mrs. John Knecht, an aunt of the bride. The selections included: "Ave Maria", "Clare-de-Lune", "Reverie", "Romance", "Poem" and "Moonlight Sonata". Miss Marjorie Mattson, a cousin of the bride, sang "Till the End of Time", "Because" and at the close of the ceremony, "The Lord's Prayer."

Given in Marriage by her father, the bride walked altarward, down the aisle which was carpeted in white, gowning in traditional white satin and net. The fitted bodice of satin was accented with a sweetheart neckline, edged with organza rouching. A "point" over the hands was formed by the long sleeves. The bouffant skirt of net fell into a graceful train. The finger-tip length veil was caught to a scalloped tiara. Her only piece of jewelry was an heirloom watch which belonged to her paternal grandmother. She carried a white Bible, on which were placed three gardenias from which fell streamers of satin ribbon.

Mrs. Raymond Lewis as matron of honor wore an aqua chiffon gown with matching tiara. Long rose-colored gloves extended to the puffed sleeves of the gown. Mrs. Lewis Lambert, a cousin of the bride, and Miss Gertrude McClane, as bridesmaids, wore identically styled gowns of pink chiffon. The dresses were finished with puffed sleeves to which long white gloves extended. Matching tiaras were worn in the hair. Miss Leah Neil, young sister of the bride, was ring bearer and wore a peach-colored satin ruffled formal with a sweetheart neckline. She wore a pink carnation in her hair. The at-

HORN-WHETSTONE NUPTIALS

On December 22, Miss Loa Jean Horn, daughter of Mr. and Mrs. Fred Horn, became the bride of Lowell Dee Whetstone S 2/c, son of Mr. and Mrs. Dewey Whetstone. The wedding was solemnized by Rev. E. DeWitt, of Larwill, Indiana, in a double ring ceremony. The groom returned to his base in Florida on December 26.

ON DEPAUW B. B. SQUAD

Joe Boggs, son of Mr. and Mrs. Stanley Boggs, who recently entered DePauw University as a freshman student, is already on the first string basketball squad. In fact, he was on the squad even before he officially entered the university.

It is seldom that a first year man even gets on the first squad, which even speaks more highly of Joe's athletic ability.

LIONS MET WEDNESDAY

The Mentone Lions club met at the school building Wednesday evening for their regular meeting. Following the dinner, those present were favored with a showing, with sound and in technicolor, of the film, "Memphis Belle". This picture was about the famed Flying Fortress and crew, and the spectator went along on the 25th mission of the plane and crew. It was really interesting and gave one a more definite idea of just what the boys went through on every mission.

NO HOT LUNCHES IN MENTONE SCHOOL NOW

Word has been received from the government agency in authority that no more funds are available to assist the Mentone school in supplying hot lunches for the students during the winter months. Other schools in the area have received the same news regarding the government subsidy, but many of them are carrying on by themselves. It is reported the ladies of the Beaver Dam community have arranged a schedule whereby the mothers take their turns in preparing and serving the meals.

FIREMEN HAVE ANNUAL MEET

The annual meeting of the Mentone Fire Department was held at the Mollenhour factory building Thursday evening. Everyone had all the fish they could eat after which a box of candy and a box of cigars, presented to the firemen by Joseph Baker, were passed around.

Secretary Everett Long read his report on the year's activities. There were thirteen fire runs during the season, which was much smaller than previous years.

REMEMBER!

As we start this new year of peace, let's not forget the ones that made it so. And remember the boys in the hospitals that are still fighting. May the God of Peace be with them, and may we all remember "Good Will Toward Men."

—Mothers of World War II unit 108.

M. O. W. W. II TO MEET WED. NITE

Mothers of World II Unit 108 will hold the first meeting of the new year next Wednesday night, January 9, at 7:30 in the Mentone high school. The report of the nominating committee will be made and other very interesting business will be transacted. A good attendance is desired. Won't you be there, Mother?

O. E. S. TO HOLD AUCTION

The next regular meeting of the Order of the Eastern Star will be January 7 at 7:30 p. m. After the meeting there will be an auction. The proceeds will be used to purchase some desired equipment. Come—bring something for the sale and enjoy yourself—refreshments!

OFFICIALS HIRED FOR 1946

The regular meeting of the Mentone town council was held Tuesday evening, January 1, at which time the following appointments were made for the year: Frank Warren, Marshal and street and water superintendent; Wm. Cook, night Marshal, and Arlo Friesner, fire chief.

"SHRAPNEL" ON THE HOME FRONT, TOO

Max Smith, of the Smith Bros. Garage, wounded himself in the right chest, a few inches below the collar bone, Monday, when a piece of steel flew off a hammer as he was attempting to remove some of the rear wheel assembly from an auto.

The sliver of steel cut a neat hole through his shirt and underclothes and imbedded itself about an inch and a half in his chest. An X-ray examination located the thin steel fragment, about as wide as a cigarette and an inch long, but it was thought best to let it remain there rather than to injure more muscles or nerves by an operation.

Y. F. C. MEETS SATURDAY

The monthly meeting of the Youth for Christ will be held in the community building Saturday evening, Jan. 5th. Gil Dodds, world famous athlete, will be the speaker and an invitation is extended to everyone to attend.

The evening's program also contains a number of other interesting features.

GUESTS AT ANNUAL MEETING

A large group of agriculture-minded individuals of the county will be the guests of County Agent Joe Clark and Home Demonstration Agent Miss Janaloye Rouls, at the Hotel Hays at Warsaw Tuesday evening, Jan. 8th.

The luncheon will start at 11:30 a. m. and an informal discussion of extension work in Kosciusko county in 1946 will follow in the afternoon.

Several representatives will be from this immediate area, including:

Charles Manwaring, poultry industry; Clarence Tinkey, swine raisers; Orven Heighway, horse breeders; L. L. Latimer, sheep men; K. A. Riner, county bankers; Forrest Higgins, muck crop growers; Waldo Adams, Farm Bureau; C. O. Mollenhour, Conservation clubs; Wilfred Deaton, Rural Youth Club; Mrs. Wilbur Latimer, Seward township; Mrs. Anna Williamson, Franklin township; Mrs. Hobart Creighton, Harrison township, and Mrs. Minnie Harmon, Etna.

A DOG'S EYE VIEW

Henry Whetstone hands us what he thinks a dog's-eye-view of mankind might be.

Well, the war is over, and we dogs have proven our usefulness as sentries, message carriers, red cross helpers, guards, agricultural workers and aides to disabled soldiers. We think we have done our part as morale builders during the conflict.

We have guarded prisoners. We have learned to lead the blind—men who once had good eyes, but whose eyes were put out by other men.

We didn't invent the atomic bomb, but since we live with human beings, we were its victims, also. We never won or lost a war, but we gave our lives in war service—just because humans set us the example.

We are dependent upon you humans for food and care, particularly in large cities, but if that food and care is not given us we do not turn and treat you like people might do. We just become starved and stray curs, an obligation of yours and a reproach to your humanity.

We love, and serve your children by teaching them that inferior creatures deserve their kindness and protection. In return, we give protection to you.

We are the first to give notice of danger and to detect the presence of an intruder. We have an instinctive urge to rescue those who are drowning. We smell fire smoke sooner than you do. We enjoy running and playing, but don't enjoy standing people up against the wall and shooting them or beating them to death in concentration camps. Indeed, perhaps, our morality is the morality of loyalty—loyalty to you human beings. All we ask in turn is that you be a little loyal to us—that you recognize the ancient alliance between dog and man. This alliance being so old in the human race that we don't resent it one bit, even when you abuse us. But we don't know how to abuse you, unless you desert us, ignore us, forget us and starve us, destroy our morale and neglect us.

To us, you are pretty close to God. Indeed, you're the only god we know. We sometimes wonder why you don't behave like God—both in your relations with human beings and with us.

HENRY WHETSTONE.

LOCAL NEWS

Rev. and Mrs. John Knecht returned to Yale University on Monday after a vacation with relatives here.

Mrs. Lide Williamson, who has been quite ill, is slowly improving at her home on North Broadway.

The program given at the Methodist church Sunday evening was of deepest significance to an appreciative audience.

Guests of Mr. and Mrs. C. O. Eller and Winifred on Sunday were: Mr. and Mrs. Charles Gordon and daughter and Mr. and Mrs. Carol Eller and family.

Mr. and Mrs. Donald Blue are the proud parents of a baby boy born December 16 at the General hospital in Elkhart, Ind. The baby has been named Edward Eugene.

A recent letter from Junior Fore, who is now in North China, says he is feeling fine. He gets the Co-Op. paper and enjoys it very much. He sends his best greetings to all his friends who remembered him with Christmas packages. His address is: S 1/c 83 Bn. Co. D-3, C/o Fleet Post Office, San Francisco, Calif.

1945 IS GONE

The year 1945, with all its possibilities, is gone and there is nothing more we can do to have made it a more profitable year. True, both from a community and a world standpoint, there were many accomplishments of importance—and some of which we are not so proud.

The important year now is 1946—not 1945 1947 or 1948. We can't lay down now just because the old year is gone but we must gird ourselves anew with the battle equipment necessary to win even greater victories this year.

From a community standpoint there are many more things which should be done if we expect to maintain our high position in the area in which we are located. The community more apt to fall by the wayside is the one out in front. It gains a position of note then gets into the delusion that it can rest for a while, when actually what should be done is put forth even greater effort to hold its position or go even higher.

There's been a lot of talk about installing floodlights at the fair grounds for night games such as baseball or softball during the summer months.

A couple of concrete tennis courts would supply healthful outdoor recreation for many of our younger citizens and would work nicely as an insulated base for a thin sheet of ice for winter skating.

Airplanes still fly over the city, with the pilots wondering when the folks down there will wake up enough to provide some sort of landing strips for air travelers.

Our gymnasium is far behind the standards set by both our present day educational systems and a good percentage of the nearby schools.

Some of the above improvements can be put in operation in a few days, but such would not be the case with a new school gymnasium. The legal procedure takes time and plans must be secured long in advance of the date of actual construction.

Improvements, like good machinery, are something which we pay for every

day of our lives whether we have them or not. Lack of recreational facilities is a most expensive condition. We pay for not having them with sickly children, wayward sons and daughters, discontentment, and in many other ways.

The usual argument against improvements is that they will cost money, and all of them should be appraised in that light. Like in times of sickness, a dollar loses its value when community need is at stake. Money is useless to everyone unless it can be used to

provide those things which are of value to humanity. Our part, as human beings, is not to go through this life merely accumulating a hoard of gold. If we are to fulfill our obligations to society—to pay for the privilege of living—we must do something for those living today and leave something for the happiness of those tomorrow.

Production of cocoons in Brazil's state of Sao Paulo has increased ten-fold during the rapid development of the silk industry in the last decade, according to the Brazilian press. The new crop is expected to approximate 6,600,000 pounds against 650,000 in 1935, it has been reported by the Rio de Janeiro newspaper, O Jornal.

Prevents Losses

Timely watering and shading of transplants will prevent many losses. To make permanent shading frames, stretch burlap or other cloth over frames of lath or lumber, with legs 12 to 16 inches long. A garden hose with an adjustable nozzle is best for watering plants. For long wear keep kinks out of the hose, and keep it out of the sun in a cool place when not in use.

PHYLLIS LEMLER MARRIED—

(Continued from page one)

tendants' Colonial bouquets were of suitable assorted flowers.

Mrs. Lemler chose for her daughter's wedding a brown dress, trimmed in aqua, smartly accented with a brown hat, gloves and purse.

Best man was David Bowser, brother of the groom, and the ushers were De Verl Bowser, another brother and Mainard Ring, a cousin.

The reception for the ninety-four guests was held in the basement of the church. The table, covered with lace, held the three-tiered wedding cake, pieces of which were served with ice cream. Guests from the following places were in attendance: Chicago, Plymouth, Bourbon, Bremen, Nappanee, So. Bend, Warsaw, Churubusco, Columbia City and Pierceton, an outstanding guest being a U. S. Service Buddy, George Green, of Michigan.

For going away the bride wore a black crepe dress, accented in fuchsia and a forest green fitted coat with black accessories.

The newlyweds are both graduates of the Mentone high school. Mrs. Bowser has been employed in the grocery store owned and operated by her father and Mr. Bowser has just returned from three years of U. S. Service, two of which were spent in the Pacific area, and has received his honorable discharge as First Sergeant.

DEATH CLAIMS M. DUDLEY

Maurice W. Dudley, 59, a resident of Mentone for many years, died at 3:30 a. m. Wednesday at the McDonald hospital in Warsaw.

Mr. Dudley was visiting at the K. A. Riner home Saturday evening when he complained that his tongue didn't want to work properly. A doctor was called and he was taken to the hospital. His condition improved greatly and Tuesday afternoon he was seemingly in fine spirits and expected to return to his home here in a day or so. That evening he suffered a cerebral hemorrhage which caused his death a few hours later.

Maurice will be greatly missed in this community. He had not been in the best of health for many years, but he was always full of ambition and took an active part in community affairs. Especially will he be missed in the Lions club and the Masonic work, and also in the American Legion at Warsaw. He was a veteran of the first World War and served overseas.

The deceased was born at Laotto, Indiana November 14, 1886, the son of Mr. and Mrs. Richard Dudley. He was a resident of Mentone for the past 43 years, assisting his uncle, Dr. Yocum, and after the doctor's death had resided with his aunt, Mrs. Yocum, and managed her farming interests.

Maurice was a charter member of the Lion's club, was worthy patron of the Eastern Star and a member of the Masonic Lodge. He was also affiliated with the Knight's Templar of Warsaw, the Scottish Rite Cathedral of Fort Wayne, and the John C. Peterson American Legion Post of Warsaw.

Surviving relatives are his aunt, Mrs. Emma Yocum of Mentone, a sister, Mrs. Frank Elson, an uncle, John Dudley with an aunt, all residing at Laotto.

Funeral services will be held at two p. m. Friday at the Methodist church of which he was a member. The pastor, Rev. Simmons, will be assisted in the service by a former pastor and lodge brother of the deceased, Rev. E. E. Dewitt of Larwill. Burial will be at Mentone.

The body was removed from the Johns funeral home Tuesday to the

MUCH ENTHUSIASM FROM COUNTY AG. MEETING

C. O. Mollenhour, one of those from the Mentone vicinity who attended the meeting of county agricultural representatives at the Hotel Hayes at Warsaw Tuesday afternoon, reported that it was one of the best meetings he had ever attended. The meeting, sponsored by Joe Clark and Miss Janalyce Rouls, had representatives from almost every group and agricultural pursuit.

CO. TOURNEY NEXT WEEK

Claypool and North Webster high school's cagers will open the 1946 county tournament on Jan. 17, with the first game scheduled for 7 p. m. Thursday night. Mentone plays Milford in the third game of the evening, called for nine o'clock.

Drawings for the tourney were held Saturday morning at County Superintendent Glen Whitehead's office. Harold Young, principal of Milford high school, was the presiding officer.

The drawings are as follows:

THURSDAY NIGHT—

7:00—Claypool vs. North Webster.
8:00—Leesburg vs. Silver Lake.
9:00—Milford vs. Mentone.

FRIDAY AFTERNOON—

1:00—Etna Green vs. Warsaw.
2:00—Beaver Dam vs. Syracuse.
3:00—Piercetown vs. Atwood.
4:00—Burket vs. Sidney.

Semi-finals will start at 1:30 p. m. Saturday, with the final game scheduled for 8 p. m. Saturday.

SCHOOL DESTROYED BY FIRE

Fire destroyed the Aubbeenaubee township high and grade school at Lettlers Ford Saturday and left the township with only a small two-room school building in Delong.

residence of Mrs. Yocum where friends may call until noon Friday when it will be taken to the church where it may be viewed until time for the service.

The members of the Mentone Lions club are to meet at the church and attend the funeral services in a body.

K. A. RINER ON STATE BOARD

Kenneth A. Riner, vice president and trust officer of the Farmers State Bank at Mentone, was named as chairman of the State Commission for Financial Institutions, by Gov. Ralph Gates Wednesday. The appointment was made to fill the vacancy created by the resignation of F. W. VanAntwerp, of South Bend. The duties of the commission is to administer Indiana laws governing financial institutions. The group meets but twice a month and will not interfere with Mr. Riner's activities at the local institution where he has been employed the past 25 years.

Mr. Riner is widely known in banking circles and has held a number of responsible positions in banking organizations and in affairs pertaining to financial matters. He is a hard and determined worker in his chosen profession and is entitled to all the success he may gain in this respect.

The Mentone bank, under Mr. Riner's guidance, has grown rapidly the past few years and total deposits, according to their recent statement, is nearly three times what they were about four years ago.

Other members of the commission are Maurice Riley, Bloomington; Leroy Davisson, Winchester; Lee Whitehall, Attica; Donald Jameson, Indianapolis; and James R. Emswiller, Hartford City.

(Mr. Riner and George Buchtel were in Indianapolis Wednesday. It wasn't stated whether George was lobbying for Mr. Riner or what, but they did find out a car wouldn't run without gas even way after night when no one was watching.)

Mr. and Mrs. Ray Casterline, from southeast of Rochester, moved to Talma. Roy Ailer and Aca Dirck helped them move.

○ ○ ○

John Ellsworth, who served many months in Europe and was a member of the famous "Antwerp X" unit that took everything the Germans could send in the line of buzz bombs, high explosives, etc., arrived in Mentone Wednesday morning after receiving his release from the army.

BEAVER DAM TO PRESENT "DOWN HOMERS"

The Beaver Dam P. T. A. is presenting the "Down Homers" on next Tuesday evening at their meeting at the Beaver Dam school building. The "Down Homers" are heard and enjoyed by many in their twice-daily broadcast over radio station WOWO.

In bringing this program of music and fun to this community, the Beaver Dam P. T. A. is living up to its reputation of providing entertainment of high quality and interest to patrons and friends.

JURORS ARE SELECTED

Jury Commissioners Rolla S. Anglin and Charles S. Ramsey and County Clerk Ernest Bushong Monday morning drew grand and petit juries for the January term of circuit court, which gets under way next Monday.

Those selected for the six-member grand jury are: Eugene Blackburn, Atwood; Vernon C. Stockberger, Milford; Vern Powell, route 1, Leesburg; Leo Mort, route 1, Piercetown; Arthur E. Harmon, route 4, Warsaw; and Scott Keefer, Warsaw.

The following 12 were named for petit jury duty: Harry R. Beatty, near Leesburg; Union Ohmart, Silver Lake; Lester Rowland, route 2, Nappanee; John L. Winger, route 2, Claypool; Frank Merrick, Milford; Berst B. Cripe, Syracuse; Lee R. Cory, route 1, Milford; Golda Brown, Silver Lake; Paul D. Sittler, Silver Lake; Royse Clover, Piercetown; Cleveland Shrider, route 1, Milford; and Norman Beagle, Warsaw.

Mr. and Mrs. Frank Elson of Laotto, Indiana, sister and brother-in-law of Maurice Dudley, came to attend his funeral services Friday.

○ ○ ○

Jack Fawley, son of Mr. and Mrs. Milo Fawley, left last Thursday for service in the army. He is now located at Camp Atterbury for assignment. A group of thirty neighbors and friends gathered at the Fawley home a week ago Friday evening to give Jack a real going-away party. A pot luck supper was a feature of the evening.

 PRINTED IN THE MODERN PLANT OF THE COUNTRY PRINT SHOP

IS THERE A VETERAN

Miss Phyllis Lemler, who recently became the bride of Wayne Bowser. The young couple returned from their honeymoon trip Sunday.

who would like to become a printer? Many professions are now seriously lacking in skilled artisans and the government will subsidize veterans while they learn some of these trades. Printing is one profession needing more trained men—and the Country Print Shop could use another printer.

We're wondering if there is a veteran—discharged or still in the service—who would like to learn printing. If there is, I would appreciate knowing whether or not you would be interested in an apprentice arrangement.

Teaching printers isn't new to the owner of the Country Print Shop. A quick mental count adds up to eleven individuals who have learned a portion of the trade under his tutorage. Some have chosen other fields, but several are still holding down good positions in the industry, both in open and in union shops. We have one of the most complete commercial printing plants in the county and have had 23 years experience to at least find out a few things it is necessary to know.

MENTONE W. S. C. S. MEETS

The Women's Society of Christian Service gathered for their first meeting of the new year in the home of Mrs. Don Bunner, Friday evening, January 4. The business meeting was conducted by the new president, Mrs. Don Emmons. Mrs. Arlo Friesner, who had charge of the music, then presented H. Vance Johns, who led the group in several songs which were greatly enjoyed by all present.

Mrs. Simmons led the devotions. Her

subject was "Peace Through the Way of the Cross."

Mrs. Joe Ward gave the lesson from the study book. Her subject was "Planning of Africa for Lasting Peace."

The hostess, assisted by Mrs. Dott Madeford, Mrs. Thelma Lockridge, Mrs. Lavina Shinn, Mrs. Goldie Mollenhour and Mrs. Orpha Blue, served delicious refreshments. The next meeting will be held in the home of Mrs. Charles Manwaring.

MENTONE READING CLUB

The Mentone Reading Club held its January meeting at the home of Mrs. Don Bunner on Wednesday evening.

Following the business meeting the program chairman, Mrs. Ora McKinley, took charge. She read a very fitting poem for January on "Resolutions". Her program for the evening was the showing of two movies. The first, "The Good Neighbor Family," gave us a glimpse into the lives of both upper and lower classes in Latin-America. The second, "Eighteenth Century Life

in Williamsburg, Virginia," reproduced daily life in early colonial times and was very interesting and educational. Mr. Kelley, assisted by Dick Kenny, showed the films.

Two guests, Mrs. Cooper and Mrs. Perkins, were present.

Assisting hostesses were Miss Ruth Lash and Mrs. Artley Cullum.

Mrs. James Stoner and children and Mrs. Jennie Linn and daughters of Warsaw, were guests Sunday of Mrs. and lower classes in Latin-America. Mae King at the home of her parents. Mr. and Mrs. Frank Wise.

LARGE ATTENDANCE

AT Y. F. C. MEETING

According to the report of attendance checkers, 570 were present at the community building Saturday evening to hear Gil Dodds, world famous mile runner, speak at the Youth for Christ meeting.

The Y. F. C. meetings, director by Rev. E. C. Ralston, have been in progress for several months, and the attendance has been about all that could be crowded into the Baptist church at several recent meetings. With Mr. Dodds as the speaker, it was a certainty that additional room would be needed to accommodate the visitors. The

community building served nicely.

Athletic News

The Mentone Bulldogs came back from their defeat at the hands of Syracuse to completely crush the Burket team by a score of 65 to 25. Doran, the Burket forward, was held to seven points by the close guarding of Filarsky. This was the smallest number of points he had garnered in any game but he still continues to lead the county scoring.

To date, the Bulldogs have won five games and lost six. They have scored 414 points to their opponents 363. They have scored 163 field goals and 88 free throws against 136 field goals and 86 free throws of their opponents.

The drawing of the County Tournament was made last Saturday. The Milford Trojans will oppose the local Bulldogs in the third game of the tournament to be played at Warsaw, Thursday evening at 9 o'clock. The

Trojans took a one point victory from the local team during early season play and this game should provide plenty of excitement.

A few members of the second grade are recovering from chicken pox. The others have been reading about eskimos and learning to tell time. Also the class has been bringing old toys to play with at recess on rainy days.

The third grade is learning the wonders of multiplication. In the past they have learned to carry in addition and to borrow in subtraction.

The fourth grade has changed its name from Tiny Town to the Little Kingdom. Three helpers who change each week have the important roles of King, Queen, Prince, Princess, Counselor, Chef, Physician, Gardeners, Guards, King's Messengers and the Royal Housekeeper.

The children are much interested in the study of different countries of the world. They are now studying Norway and comparing it with the state of Minnesota. They are learning the importance of the use of maps and the globe.

Sue Hammar and Betty Jane Dick are new members of the fifth grade.

ATWOOD LADY DIES OF BURNS

Mrs. Mabel Alice Swanson, 56, wife of Walter Swanson, of Atwood, died Thursday morning of burns received when her clothing was set afire by an exploding can of kerosene at her home Wednesday afternoon. Death occurred at the McDonald hospital where she was taken following the accident.

It is reported that Mrs. Swanson was removing clinkers from the furnace and it is thought one of the hot clinkers must have come in contact with a small quantity of the kerosene and set it afire. Her first knowledge of the fire was when the can exploded, spraying her with burning oil. When she ran from the building a farm hand, Erwin Moore, helped extinguish the flames. She suffered such severe burns that death came a few hours after reaching the hospital.

The house, we are told, suffered but little damage from the explosion.

NOTICE OF ANNUAL MEETING OF THE STOCKHOLDERS OF THE NORTHERN INDIANA COOPERATIVE ASSOCIATION.

You are hereby notified that the regular annual meeting of the stockholders of the Northern Indiana Cooperative Association will be held at one-thirty o'clock p. m. on Monday, February 4, 1946, in the Harrison Township High School Building, in the town of Mentone, Indiana, at which meeting will be received the reports of the business of the Association for the fiscal year ending December 31, 1945, and for the purpose of electing two directors for a term of three years to fill vacancies caused by the expiring terms of Raymond P. Lash and Dr. E. D. Anderson; also for the distribution of dividends and for the consideration of any other business that may rightfully come before the meeting.

A full attendance of stockholders is desired.

The foregoing constitutes legal notice to all stockholders as provided in the By-Laws of the Association.

Dated at Mentone, Indiana, January 14, 1946.

(Signed) EVERETT RATHFON,
Secretary.

MASONS INSTALL NEW OFFICERS

Installation of officers was held at the Mentone Masonic Lodge Monday evening, with the following officers assuming their duties for the new year:

Hubert Latham, W. M.
Wilbur Latimer, S. W.
Sherman Bybee, J. W.
Ora McKinley, Secretary.
Eugene Marshall, S. D.
Wilbur Cochran, J. D.
Ora Vandermark, S. S.
Phillip Lash, J. S.
H. V. Johns, Tyler.

THE MARCH OF DIMES IS ON

Mrs. Leroy Norris, Scoutmaster, announces that the Girl Scouts are again sponsoring the March of Dimes solicitation in Mentone.

Milk bottles will be distributed in Mentone Saturday and the solicitation will end February fourth.

This is your opportunity to help in the fight against infantile paralysis.

INTERESTING LIONS MEETING WEDNESDAY

A very interesting Lions club meeting was held Wednesday evening and a good percentage of the membership was present, in addition to a number of guests.

The matter of housing, recreational facilities, used clothing drive, etc. came up for discussion and it is expected that more definite action will be taken at an early meeting of the club.

A short picture, of the U. S. Paratroops, was shown by Lion Kelley and two high school lads.

The next meeting of the club—the first Wednesday evening in February—was announced as one no member should miss. Lion McKinley has secured a man from the public relations department of the state housing or builders association who is expected to have a real message for us.

D. A. R. TO MEET

Regular meeting of the D. A. R. Tuesday, January 22, at the home of Mrs. Emma Gill.

INFANT SON BURIED HERE

Funeral services were held Tuesday afternoon at 3:00 p. m. at the Johns Funeral home for Edward Eugene Blue, infant son of Mr. and Mrs. Donald Blue, of Elkhart.

The baby was born on Dec. 16, 1945, at the Elkhart hospital and passed away there Monday evening at 7:25 following a second operation for bowel obstruction, being 29 days old at the time of death.

He is survived by his parents and paternal grandparents, Mr. and Mrs. Pete Blue.

Rev. S. M. Hill had charge of the services. Burial was in the Mentone cemetery.

WASHINGTON HORN DIES AFTER TWO WEEKS ILLNESS

Washington Horn, aged 85, passed away at 1:00 p. m. Wednesday, January 9, at the home of his daughter, Mrs. Merl Flenar, near Argos. Death came from complications incident to old age.

He was born April 29, 1860 near Tippecanoe, the son of William and Ann (Rockhill) Horn. On May 1, 1884, he was united in marriage to Martilla Ellen Goodwin, and to this union were born five children, four having passed away in childhood and Mrs. Merl Flenar, who survives and with whom he lived. His wife preceded him in death on October 5, 1937.

He was a member of the Bethlehem Baptist church. His life was spent in the occupation of farming, until he retired and moved to Argos. Besides the daughter, he is survived by three sisters: Amanda Fields, Bourbon; Stella Snyder and Samantha Norris, Mentone, and two brothers: Emanuel, Rochester and Granville, Mentone.

The body was taken to the Grossman funeral home and later returned to the home, where the funeral was held Friday at 1:33 p. m. The funeral was conducted by Rev. Bailey, of Rochester and Rev. T. Chandler, of Fort Wayne. Burial was in Maple Grove cemetery.

Franzel Minear, who has been quite ill is much improved in health.

JACK SHINN BUILDS NEW SLAUGHTER HOUSE HERE

Jack Shinn, son of Mr. and Mrs. Earl Shinn, is just completing the construction of a new slaughter house at the south edge of Mentone, near the creek, and has already butchered a few beeves. The plant was constructed to comply with all the requirements of the state board of health and will be equipped with new equipment for the proper butchering of meat animals.

The equipment for lard rendering is not installed as yet, but is supposed to be delivered ready for installation Saturday.

The slaughtering service will be conducted in conjunction with the Mentone Locker plant as another service to the locker patrons.

MOVE INTO NEW OFFICES

The bookkeeping department of the Northern Indiana Cooperation Association was moved into the new office building last week, and although the interior is not completely finished, the new building is a mighty fine addition not only to the organization but to the community as well.

The new structure has one large office open to the public, a large vault, a scale house and a private office for the manager and board of directors, on the main floor. The basement contains the heating unit for the office and the hardware and building supply departments and another large vault for the storage of company records.

The space formerly occupied by the main offices is being converted into one large room to be added to the hardware department where eventually will be found one of the largest hardware and appliance stocks in this part of Indiana.

REVIVAL AT CHURCH OF CHRIST

Evangelistic services will be held at the Mentone Church of Christ, starting Sunday, January 20th and continuing through February third.

A. E. Wickham, of Steubenville, Ohio, is the evangelist and services will be held each evening at 7:30.

Evangelist A. E. Wickham will speak at the services Sunday instead of Mr. M. F. Cottrell as listed in the regular church announcements.

OUCH! — I HURT ALREADY

The Lions club members from the vicinity of Beaver Dam have invited all the Lions members to their gym on Thursday evening, January 24th, for a little basketball. (For me, it will be very little.)

The general public is invited to attend, but other than that the hosts didn't give out much information. The immediate response, however, was that the members would be on hand to try and loosen up the old joints.

With ten second quarters and an hour off for lunch, most of us will play a good game.

Mr. and Mrs. Herbert Personett and family, of Fort Wayne, visited his mother, Mrs. Effie Personett, over the week end.

Mr. and Mrs. Wayne Bowser and Mr. and Mrs. Deverl Bowser, of Warsaw, spent Saturday and Sunday in Chicago. They visited the Ice Follies on Saturday night.

CARD OF THANKS

I want to thank everyone for the many cards and remembrances sent while I was in the hospital.

ADA MEREDITH ENTERTAINS

MENTONE HOME EC. CLUB

Mrs. Ada Meredith was hostess Thursday afternoon to the Mentone Home Economics club with Mrs. Helen Moltenhour acting as co-hostess. The creed was repeated in unison and prayer read by the president, Mrs. Mabel Warren; all joined in singing Jingle Bells.

Mrs. Eloise Long and Mrs. Blanch Paulus, acting as leaders, presented an interesting lesson on care and protection of woodwork and linoleum.

Reports of the work of the previous year and the minutes of the last meeting were given by the secretary.

Twenty-one members responded to roll call by giving a New Year's resolution. The club song was sung in closing. The mystery package was won by the hostess, Mrs. Ada Meredith. One guest was in attendance.

—Mrs. Gertrude Hill, reporter.

Raymond Hibeckman was taken home from the hospital on Sunday.

C. B. SAUSAMAN DIES SUDDENLY

Funeral services for Bert Sausaman, 63, prominent Newcastle township farmer, who suffered a coronary embolism in a Tippecanoe, Ind. Locker plant at 11:00 A. M. Friday, was held Sunday afternoon at the Sausaman home at 2:30. Rev. Daniel Slaybaugh, of Akron was in charge of services and interment was made in the I. O. O. F. cemetery at Akron.

Mr. Sausaman, who had been engaged in the farming and stock business in Fulton county for practically all of his life had a host of friends and was active in township and county affairs. He was born in Miami county Indiana, on April 15, 1883, and moved to Fulton county with his parents while quite young. His parents were Thomas and Florence Sausaman.

He was united in marriage to Miss Edna Anderson on June 8, 1910, in a ceremony solemnized in Rochester.

Surviving are his wife; two brothers,

Clifford Sausaman, of Rochester and Earl Sausaman, of Akron, and three sisters, Mrs. Ethel Hire, Mrs. Ben Herendeen and Mrs. Earl Bradway, all of Akron.

The Moyer funeral home, of Akron, was in charge of arrangements.

Robert Muffley spent the week end with Mrs. Anna Hudson, of Mentone, after getting his discharge from the Navy. Saturday evening they visited in the "Gunk" Hudson home at Warsaw and Sunday they visited the Ronald Hudson home at Warsaw and the Howard Hudson home near Mentone. Robert has returned to Three Rivers, Mich.

Shed Thou, O Lord, Thy light

On this strong land.

Firm in the ways of right

Strong may she stand.

Make her to all earth kin.

Teach her to share;

Cleanse her of inward sin.

Lord, hear our prayer.

Purge Thou from pride her life;

Stay lust for gain;

Save from unholy strife;

Let justice reign

Make her Thine instrument

To bring forth peace.

Good will her armament,

Till wars shall cease

Here let all men be free
Under Thy sun,
Bound in fraternity,
All peoples one.
Here let Thy truth be power,
All deeds be just.
Save, Lord, in this grave hour;
In Thee we trust

MAY GET HOMES FOR VETS

Information has come to the town board that buildings for homes for World War II veterans may be secured at a reasonable figure, and in an effort to ascertain just how many veterans are interested in securing a small home, a meeting will be held at the town hall on Tuesday evening, January 29th at 7:30 o'clock.

Recent modification of war surplus housing disposal regulations appear to make it possible for securing some homes for veterans and their families. Every interested veteran of this area is invited to be present.

OPEN MAURICE DUDLEY ESTATE

The estate of Maurice Dudley, who died Jan. 9th, has been opened in circuit court, with the Farmers State Bank qualifying as administrator. A sister, Nettie Elson, of Laotto, is sole heir to the \$20,000 estate. Personal property and real estate are each valued at \$10,000.00.

NOTICE OF ANNUAL MEETING OF THE STOCKHOLDERS OF THE NORTHERN INDIANA CO-OPERATIVE ASSOCIATION.

You are hereby notified that the regular annual meeting of the stockholders of the Northern Indiana Co-operative Association will be held at one-thirty o'clock p. m. on Monday, February 4, 1946, in the Harrison Township High School Building, in the town of Mentone, Indiana, at which meeting will be received the reports of the business of the Association for the fiscal year ending December 31, 1945, and for the purpose of electing two directors for a term of three years to fill vacancies caused by the expiring terms of Raymond P. Lash and Dr. E. D. Anderson, also for the distribution of dividends and for the consideration of any other business that may rightfully come before the meeting.

A full attendance of stockholders is desired.

The foregoing constitutes legal notice to all stockholders as provided in the By-Laws of the Association.

Dated at Mentone, Indiana, January 14, 1946.

(Signed) EVERETT RATHFON,
Secretary.

O. E. S. HAS PARTY

The members of the Order of the Eastern Star and their families gathered at Masonic Temple Monday evening for a 6:30 carry-in dinner. The table of food might have been taken for a food contest. Every dish represented someone's best effort and was most appreciated by the participants.

A very enjoyable children's program of piano solos, recitations and tap dancing followed the regular chapter meeting. A large percentage of all the members were present.

FIRE RAZES FARM HOME

Saturday noon fire broke out in the farm home of Mr. and Mrs. Raymond Baker, on the H. E. Nottingham farm, east of town, and the entire structure was leveled to the ground. Most of the household effects of Mr. and Mrs. Baker, however, were removed from the dwelling by neighbors and firemen.

There was no way of definitely knowing how the fire started, but the tenant thought it was from the chimney. After smelling smoke he went upstairs where he found the smoke too dense for one to enter. He rushed downstairs, soaked a handkerchief in water and after placing it over his mouth so he could breathe in the smoke, went back to open the windows. When it was evident there was too much fire for him to combat alone, he closed the windows and got out. When he reached the outside fire was coming from a number of places on the roof.

The fire department prevented the fire from spreading to any of the other nearby buildings.

Mr. Baker, we were informed, was expecting to move to a farm near Silver Lake, and even though the other family is still living in the home, the household furnishings were moved there.

Mr. Nottingham reports that he had \$3,000 in insurance on the dwelling.

LIBRARY NOTICE

The library will be open Tuesday, Thursday and Saturday afternoons from 1:30 to 5:00 and Saturday evening from 7:00 to 9:00.

NEW DESOTO ON DISPLAY

Leroy Cox made a trip to Elkhart Friday evening and was privileged to secure one of the new DeSoto automobiles to bring home for display purposes. The company has not made the official public announcement of the car as not all the dealers are yet supplied with demonstrators. However, Mr. Cox has the new car in his show room and a number of local citizens have given it the "once over."

FIRE AT MCKINLEY HOME.

The fire department made a run to the home now occupied by the Ora McKinley family Monday afternoon, but the fire was mostly out when the department arrived. Mrs. McKinley had thrown water on some packing material that was burning.

It seems one of the boys went to fix the furnace fire, and not seeing the regular iron poker, used a small stick. The stick soon ignited and Mrs. McKinley was called. She poured water on the stick, and believing it to be out, went on about her housework. Some two hours later smoke attracted her attention and she opened the basement door to investigate. Conjecture has it that possibly the lad attempted to extinguish the stick by hitting it against the floor and a spark or two flew into a small quantity of packing material over near the wall. Fortunately no other combustible material was nearby to feed the flames.

(Most fires create amusing incidents and this was no exception. There's a square turn to get to the basement from the kitchen door and evidently Mrs. McKinley spilled a little water on the linoleum getting to the basement. "Mac" came into the kitchen with snow on his boots and speed in his eye and even with his short wheel base couldn't make the turn. He made a one-point landing and kicked the kitchen table over into the corner at the same time. Everett Long was following "Mac" to the basement and not knowing where the basement was, was a step or two down before he realized McKinley had tried a detour.)

D. A. R. SPONSORING MEMORIAL

The Anthony Nigo chapter of the Daughters of the American Revolution are paying tribute to the late William Earl Rush, Warrant Officer of the United States Marine Corps, who made the supreme sacrifice at Iwo Jima.

He was the son of Mr. and Mrs. William R. Rush, of Mentone. Mrs. Rush is a member of Anthony Nigo Chapter.

The chapter is sponsoring a memorial plaque containing his name which will be placed in the new tower that will house the Carillon at Valley Forge.

Earl was a descendant of William McAllister, who fought in the American Revolutionary war.

ASK TITLE TO BARE PROPERTY

Raymond S. and Dorothy E. Bare, of this city, have been ordered in circuit court to file answers on or before February 1 to ejectment and replevin suits filed against them by Hobart Creighton as trustee for property turned over to the Northern Indiana Co-operative Association at Mentone, by the Bares.

The court acted at the request of Mr. Creighton, former president of the board of directors of the cooperative, and acting for the association, who seeks possession of the Bares' home at Mentone in the ejectment suit and possession of an automobile in the replevin action. He also seeks damages of \$400 in the former action and \$500 in the latter on grounds that the property has been held by the defendants unlawfully.

Creighton filed the suits on July 11, 1944, shortly after Bare was indicted by a county grand jury for embezzlement from the Cooperative. (While under suspicion of embezzlement by Cooperative officials, the Bares turned over all real estate, bonds, life insurance policies, etc., to Mr. Creighton in trust for making good any shortage which might be charged to him.)

James Gill has been called for duty on the Federal Grand Jury at South Bend. He reports for service Feb. 5th.

Mr. and Mrs. Roy Ailer called on Mr. and Mrs. Frank Arter Monday evening.

SCHOOL NEWS

Basketball News

The county basketball tourney is now history. A fighting Warsaw team that refused to give up came through a surprise winner by defeating Leesburg in the final game by one point.

This coming Friday night the Mentone Bulldogs invade the Tippecanoe school with the knowledge that it took Atwood an overtime period to eke out a slim margin of victory. Last year the Bulldogs were forced all the way by the Tippecanoe team before they could emerge with a four point victory. The Marshall county lads are no doubt thinking very seriously of "hanging it

on" the Bulldogs.

Saturday night following the Tippecanoe game, the Bulldogs will be host to the growling, fighting Tigers of Warsaw. This game was previously cancelled during the flu epidemic. This game should be one of considerable interest since the county champions will be watched rather closely to uphold their record and to continue as a threat in the coming sectional. The Bulldogs can be called the "team of the week" if they settle down and play the basketball they are capable of playing and defeat the holders of the county title. One Warsaw school official was heard to remark the other evening that the Tiger team had no fear of the Mentone team. They considered the game of the county tourney as the guiding factor in their present attitude toward the Bulldogs. The Mentone team will have the advantage of playing on their own court and if the boys win this game their prestige will take a sudden rise.

Robert W. Warring, of Mishawaka, is the referee. Mr. Warring was a form-

er high school coach of Mr. Bevington. Come on Team. Let's really take Warsaw!

Mr. and Mrs. Herschel Teel and family entertained Mr. and Mrs. Harry Witham at a birthday dinner Sunday in honor of Mrs. Teel's father, Mr. Witham, and Herschel.

The Anthony Nigo chapter of the D. A. R. met at the home of Mrs. Emma Gill Tuesday evening, January 22 for the regular meeting. The meeting was opened in the usual manner and a short business meeting followed. The President General's message was read by the regent, Mrs. Stanley Boggs and Mrs. Lena Igo gave an interesting paper on "Merchant Marines." A piano solo, "Under the Willows" was played by Shirley Igo and "Hungarian Rhapsody" was played by Virginia Rush.

During the social hour, the hostess assisted by Mrs. Artie Kern, served delicious refreshments. The February meeting will be held at the home of Mrs. Lena Igo.

Tobie Blalock has received his release from the armed forces and has been visiting in Mentone. He was recently stationed on Guam. The Blalocks expect to spend a couple of weeks in the south visiting Mr. Blalock's parents.

Everyone is invited to hear Evangelist A. E. Wickham.

TALMA LADIES AID

MEETS WITH MRS. KINSEY

The Talma Christian Ladies Aid met at the home of Mrs. Andy Kinsey on Thursday afternoon with 14 members.

eight children and one guest, Mrs. Agnes Kramer, present.

The meeting was opened by the group singing, "I Am Happy in the Service of the King," after which Mrs. Della Emmons lead in prayer. The scripture lesson was read by the group and a business session was held. It was decided to give \$5.00 to the infantile paralysis fund. Sunshine friends names were drawn for the year and arrangements were made to furnish dinner and supper at the Newcastle township Farmers' Institute in the near future. The meeting was dismissed with prayer by Mrs. Isaac Batz.

Delicious refreshments were served by the hostess.

In our last issue we failed to mention that Pfc. James Whetstone was home on a 60-day furlough after serving in the army in Europe. He has enlisted for another 18 months service.

LOCAL FARMERS TO AID LAND OWNERSHIP STUDY

What is happening to land ownership in the United States? Are farms becoming smaller or larger, changing hands more frequently than in former years, or less frequently? Is tenancy increasing or decreasing?

These are only a few of the important questions being asked in a "land ownership" survey in which local farmers will have a chance to cooperate and provide essential information of value in determining long-time agricultural policies for the nation.

About one in ten local farmers has received or will receive shortly a questionnaire from the Bureau of Agricultural Economics in Washington asking certain information about land operation and ownership, said County Agent Joe Clark in announcing the survey which will be conducted throughout Indiana the week of Jan. 21. "Everyone who receives one of the questionnaires will aid agriculture in general by filling

it out and returning it promptly as it will provide basic information which will be compiled for this county, state and then the nation."

No use will be made of individual replies to the questionnaire except to compile total figures based on all replies. The government pledges that the individual's reply will be held strictly confidential.

Land owners need have no hesitancy in answering the question and this office will be glad to help anyone who desires it in filling out the questionnaire," said Mr. Clark. "We hope that there will be a 100 per cent response from this county."

The questions will provide data not covered in the census since 1900 and will be similar to a survey made following World War I.

Bore Early

Corn borer numbers are so high in early-planted corn as to tend to pull the yield below that of later-planted corn. Early planting also gives poor yields of corn under unfavorable conditions. For instance, the unusually wet weather of May last year was so injurious to early-planted corn as to cause the yield to be much less than first-of-June planting.

Beware Coughs from common colds That Hang On

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

HOFFER-JONES MARRIAGE.

Mrs. Helen Jonas and Idyl Hoffer, both of Warsaw, were married at six o'clock Saturday evening, January 19, in Bremen. The marriage took place at the home of Mr. and Mrs. Roy Poulson, brother and sister-in-law of the bride. Rev. Reidenbeck, United Brethren minister of Bremen, read the vows. The couple was attended by Mr. and Mrs. Charles Baugher of Warsaw.

Mr. Hoffer is employed as a moulder at the Dalton Foundries. Mrs. Hoffer is the daughter of Harve Poulson of Mentone. The newly married folks will reside in Warsaw.

COUNTRY NEIGHBORS MEET

The Country Neighbors Home Economics club met at the home of Mrs. Sam Norris with Mrs. Carl Zolman assisting. Mrs. Delois White, past president, presented the club with their new president, Mrs. Frank Meredith. The meeting was opened by the singing of songs and club creed. The new committees for the coming year were appointed by the president. A fish fry was planned for the February meeting. A lesson on Quick Breads was given by Mrs. Robert Cook. Everyone enjoyed the refreshments served by the hostess and her assistant. The meeting adjourned to meet at the Talma school house February 21st.

ANNOUNCING THE OPENING OF OUR NEW

Slaughtering House

**EQUIPPED WITH MODERN FACILITIES TO GIVE THE BEST IN
CLEAN, SANITARY HANDLING OF YOUR SLAUGHTERING RE-
QUIREMENTS OF BOTH CATTLE AND HOGS.**

This slaughter house has been constructed in accordance with the State Board of Health's requirements, such as private sewer, water supply from deep well, cesspool of proper dimensions, running hot and cold water and prompt disposal of all inedible parts. The building is also adequately lighted and ventilated.

JACK SHINN IN CHARGE

Jack Shinn, who has recently been discharged from the Army Air Corps and who has had two years experience in slaughtering for the Ratliff Locker Plant at Bluffton, Ind. and the Speedway Market and Locker Plant in Ft. Wayne, Ind., will be in charge of the duties pertaining to a sanitary job of killing, cutting up, rendering, grinding and all other items that go to make your butchering complete.

BEST EQUIPMENT AVAILABLE

We are especially proud of our lard rendering equipment, which consists of a 75-gallon steam jacket rendering kettle, thermostatically controlled, from which the rendered lard is drawn into a water cooled agitator, which cools the lard and whips it into a creamy consistency and whiteness which makes for a high quality product and long keeping qualities. Lard treated in this manner is much less liable to become strong or rancid than that rendered by outmoded methods.

We feel that, with our newly installed slaughtering facilities, we can be of great service to you, by doing your summer slaughtering just as efficiently as in the colder months. This is the first time this type of service has been available to you.

We will appreciate any business that you may see fit to give us, and we assure you that our charges will be no greater than those of others.

ADDING MORE LOCKERS

The contract has been let for the construction of 150 additional lockers, more chill room and greatly enlarged freezing space at our present locker plant.

ANNUAL NICA MEET MONDAY

The annual meeting of the stockholders of the Northern Indiana Cooperative Association will be held at the Mentone school on Monday afternoon, Feb. 4th, and an invitation is extended to all stock holders to be present.

The annual report of the officers of the association will be given, and the annual election held.

Hobart Creighton, who has been serving in Washington on the poultry program under the secretary of agriculture, will be present to give some new and vital information regarding the present program. Joe Clark, county agent, will also appear on the afternoon's program.

OLD CLOTHING BEING GATH- ERED FOR FOREIGN RELIEF

The second annual United Nations clothing drive is now on and anyone having old clothing which they desire to contribute to this cause is urged to bring it at the Reed funeral home or the Mentone Lumber Co. in Mentone; Black's store or the Beaver Dam school.

SON DIES

Michael Dew, two year old son of Maurice and Elizabeth (Clark) Rogers, died at one o'clock Thursday morning at his home six miles southwest of Mentone. The lad had been an invalid since his birth Jan. 19, 1944.

Surviving besides the parents is one brother, William.

Funeral services will be held at the Reed funeral home at Mentone Friday afternoon, Feb. 1, at 2:30 p. m. Rev. Hill will officiate and interment will be in the Sycamore cemetery.

TRIPLE A SIGNUP AT AT- WOOD AND MENTONE

George Long announces that Triple A signups will be held at Atwood and Mentone and urges that all farmers make every effort to sign for compliance.

Signups will be held at the Mentone school all day Saturday, Feb. 2 and at Allen's restaurant at Atwood all day Thursday, Feb. 7th.

AL CONN AT YOUTH FOR CHRIST MEETING SATURDAY

Al Conn, president of the LaSalle Engineering Co. and superintendent of the "Old Sunday School Radio Program," will be the speaker at the Youth for Christ meeting to be held at the Baptist church Saturday evening, Feb. 2 at 7:30 p. m.

The public is invited to attend.

SPEAKER FOR LIONS MEETING

R. E. Russell, of Indianapolis, director of public relations for the Indiana Builders and Supply Company, has been secured as special speaker at the next regular meeting of the Mentone Lions club next Wednesday evening. Mr. Russell will give a 30-minute talk on the subject "Building for Tomorrow," using exhibits to show many of the war developments which will be used in future building.

Mr. Russell comes highly recommended and all Lions should be present to hear him.

FIRE AT EGG CAR OFFICE SATURDAY EVENING

The fire department was called to the Co-Op. egg car office Saturday evening about eight o'clock when flames were discovered shooting from the building. Quick work of the department prevented the fire from spreading to any of the egg cars or other part of the structure.

Evidently the fire started from an overheated stove in the small office part of the building.

Forrest Kesler, president of the board of directors of the association, certainly praised the fire department for the quick response and good work. (Forrest ran from the egg car to the telephone office to turn in the alarm and probably was so "petered" out that the department had little difficulty in getting back to the fire first.)

Mrs. Lewis Foor, who has been in the McDonald hospital for several days, returned home on Thursday. Mrs. Foor, in attempting to reach up and turn on an electric light, fell, fracturing her shoulder and pelvis.

SEWARD PLANS BIG INSTITUTE

At a recent committee meeting of some 20 Seward Township farmers and businessmen, held in the Burket Gym, elaborate plans were made for the twenty-fifth annual Farmers Institute to be held at Burket February 18 and 19.

State Senator Hoyt Moore, of Indianapolis and Master Homemaker, Mrs. Elmer Waters, of LaFayette, will be the speakers, with prominent radio and stage stars supplying the entertainment. Indications are that this will be one of the outstanding local exhibit and farm meetings in this territory this year.

Officers are: Delford Nelson, Chairman, Oscar Bowen, Vice-Chairman and Clarence Tinkey, Secretary-Treasurer.

FORMER SEVASTOPOL LADY DIES

Amanda Vandermark died Friday, January 18, at the home of her granddaughter, Mrs. John Hartman in Dallas, Texas, at the age of 92. Mrs. Vandermark, daughter of John and Sophia Leiter, was born in 1853 in Hancock county, Ohio and came to Sevastopol, Ind., at the age of four. She was married to George Holloway in 1882. To this union was born one daughter. Mr. Holloway died in 1883. She was again married to John Vandermark in 1887. He died in 1913. Mrs. Vandermark was a member of the Baptist church of Sevastopol and also the Mentone Baptist church. She is survived by one daughter, Mrs. Georgianna Peterson, one granddaughter, Mrs. J. W. Hartman, two great-grandsons, Harley and George Hartman, all of Dallas, Texas.

BIRTHDAY PARTY SATURDAY.

A birthday party was held Saturday for Miss Monna Lou Darr with the following guests present: Ramona Goodman, Donnagene Dillman, Carol Peterson, Elener Norris, Madelein Holt, Bonnie Emmons, Jennie Hall, Alice Davis, Joycelen McIntyre, Doris Nelson, Jody Cullum, and the honored guest.

Refreshments of ice cream and cake were served and Miss Darr received many lovely gifts.

ATTEND BROTHER'S FUNERAL

Mr. and Mrs. C. O. Herendeen, and Mrs. Allen Herendeen, of Mentone, Ben Herendeen of Akron and Kitty Jontz of Warsaw, were in Auburn Wednesday afternoon where they attended the funeral of Rev. H. G. Herendeen, 65. Rev. Herendeen was a Church of God minister and has preached in Mentone and other nearby cities during the past several years. Death was due to a sudden heart attack while he was in Kalamazoo, Michigan.

MIXING COWS AND CHICKENS

H. V. Nellans and Sons, who are among the largest chicken raisers in Indiana, located near Mentone in Kosciusko county, are featured in a story in the February issue of Capper's Farmer, entitled "Herefords with Hens." They believe in giving chickens large range in rotation. To utilize the grass produced, according to the nationally circulated magazine, the Nellans have started a pure bred herd of Herefords which are grazed in the fields when the chickens are shut out. Dairy cows, the story points out, would require too much labor for busy poultrymen.

"GOD'S PLAN OF RECONSTRUCT- ING THE WORLD

Don't miss hearing Evangelist A. E. Wickham Sunday night on the special subject, "God's plan of Reconstructing the World." Much is mentioned now about a plan to rebuild the world after the war, but what is the right plan? Meeting each evening at 7:30.

Friday evening the subject will be, "Sour Grapes." Don't miss this timely address.

Saturday evening Mr. Wickham will deliver his address on the topic, "God's Ways and Man's Ways."

Sunday morning at 10:30 he will speak on the subject, "Death in the Pot." Bible study preceding the worship and preaching.

Sunday evening the subject will be "God's Plan of Reconstructing the World." The public is invited to hear these sermons. Bring your neighbors and friends.

SCHOOL NEWS

Basketball News

The Mentone Bulldogs have moved forward since last week with victories over Tippecanoe (68-34) and Warsaw (24-23). The coach has shifted his line up in the past few games and several boys have shown they are capable of filling first team berths.

The Warsaw game was one of the best the team has played this year. It was as good as the one with Warsaw last year where the local boys sent the Tigers down to defeat in the county tourney. In the game with Warsaw last Saturday, the bulldogs led at every quarter. The fans were given a scare in the fourth when the score was tied and then Warsaw gained a two point advantage with less than three minutes to go. Warsaw gained possession of the ball and went into a stall with the seconds slowly ticking away the precious time. With a minute to go, Pilarsky and Long tied up Walton. The tip was batted by Pilarsky to Bowser and the boys began to function smoothly with the pressure really on. With thirty seconds to go, Long took a pass from Witham and scored with a foul being called on Walton. The free throw was successful and Whetstone again scored

but the goal was cancelled. The boys kept possession of the ball and pulled the surprise of the year by defeating the county champions, their first defeat in the county this year. The rebounding of Bowser and Pilarsky was one of the factors in the victory. The major reason for victory lay in the shooting of free throws. Mentone scored six out of nine for a percentage of .666 to Warsaw's one out of seven for a percentage of .143. Whetstone and Long both scored 1000% on their free throw shots.

This Friday night, the Bulldogs play at Beaver Dam. The Beavers are well known in this community and they have informed some of us that Friday night is their night to give revenge to the 29-51 lacing the Bulldogs gave them earlier in the season. The Bulldogs surprised them last year by defeating them by one point after taking a twenty-two point drubbing the first game of that season. The Beavers are planning to reverse the tables this year. From the indications of the game Tuesday night at Beaver Dam, the local boys better be on their toes. Butt and Meredith came through with the majority of points to send Etna Green home with a smarting 36-35 defeat. Something's going to happen Friday night. Bulldogs, let's not be "it".

CONSERVATION DEPARTMENT IN SERIOUS TROUBLE

C O Mollenhour, who has worked with and for the state department of conservation and conservation clubs the past several years, attended a meeting for this area at Peru Tuesday evening. A number of state department men were in attendance and explained some of the problems now confronting the department. One of the biggest problems it appears, is how the department can continue to function in the capacity in which it has the past few years.

It has been a custom in Indiana to issue free hunting permits to veterans of all wars, and with some 400,000 World War II veterans in Indiana, the loss in operating revenue will be too great to permit the department to continue with its wide program of conservation, fish and game propagation, etc.

The department officials have no objection to issuing the free hunting permits, but they feel that this obligation should be borne by all the citizens and not by one state department. An effort

has been made the past few years to get the legislature to reimburse the department for all free hunting permits, but have always encountered too much opposition among Indiana legislators.

The problem resolves itself down to one of two things: either the program of building up our outdoor reserves of fish and game be abandoned or some other means be found to finance the state department of fish and game other than through the sale of hunting and fishing licenses. The responsibility lies with each individual. Call this matter to the attention of your legislators and state officials.

POEM HONORING FATHER

It was in the year of '81
Al Wagner became the father of a son.
This son today is now "Our Dad"
One of the best pals we ever had.
He's stood by us thro' all our trials,
He's cheered us up with just his smiles,
He grieves with us when we are sad
But remember always, he's still "Our
Dad".
He's labored hard in his 60 odd years
He's worked with a smile, and toiled
thro' tears.
He's aging now and turned to gray.
But he's still "Our Dad" I'm proud
to say.
He may have his faults, but he still
has friends
Who will stand by him till the very end.
To have a friend like him
I'm more than glad.
To call this pal "Our Loving Dad."
—Written by Lura Vandermark, in
remembrance of E. E. Wagner's birth-
day, February 2.

Cut Flowers

For easy care of plants grown for
cut flowers, sow the seeds in rows
just as in the vegetable garden.

Small Difference

Wax and green beans differ chiefly
in color; they are about equal in
vitamin content and food value, and
the taste is similar. But many
gardeners consider that wax beans
are more tender. The one warning
concerning their cultivation is not to
work the patch while the leaves of
the beans are wet, either with dew
or from rain. Rust seems to follow.
A rust spotted pod ruins it for culi-
nary use, and this is about the only
disaster likely to happen to a pod
bean.

SCHOOL HEALTH TOUR PLANNED

Mrs. H. Ross Douthett, Gottschalk county health nurse Monday announced the schedule for a February diphtheria and smallpox program in county schools.

Dr. T. S. Schuler, county health officer will handle the immunization, assisted by the nurse. Two schools will be visited each day, one in the morning and one in the afternoon.

Parents were urged to authorize immunization of their children in school and to bring their youngsters of preschool age to the school on the designated day to secure protection against

the diseases for them also.

The schedule, with the morning visits listed first and the afternoon visits last, follows:

Friday, February 1—East and West Wayne; Monday, Feb. 4—Burket and Mentone; Tuesday, Feb. 5—Pierceton and Atwood; Wednesday, Feb. 6—Leesburg and North Webster; Thursday, Feb. 7—Monroe township and Sidney; Friday, Feb. 8—Beaver Dam and Franklin school; Monday, Feb. 11—Claypool and Silver Lake; Tuesday, Feb. 12—Syracuse and Milford; Wednesday, Feb. 13—Etna Green.

Two shots are required for immunization. The second will be administered in March. Parents may authorize the immunization by signing and returning blanks sent home from school with the children.

**KOSCIUSKO COUNTY 4-H

BAPTIST MEN ENTERTAIN LADIES

The men of the Winners class entertained the ladies of the class January 14 with a varied program. Leroy Cox had his pet monkey (by name, Oscar) deliver quite a dialogue. Brother Ralston gave a few excellent tricks in magic, and also had several good pictures to show. Sherman Bybee and Everett Rathfon played Beautiful Ohio and The Christ of the Human Road very effectively. Noble Oyler held a contest, with a very nice gift going to Mrs. Fern Beeson.

Refreshments were served by the men, consisting of ice cream, angel cake and coffee. Oh Yes! The men washed the dishes also.

A grand good time was enjoyed by all, especially the ladies, who like the idea of the men entertaining. How much talent has been going to waste! ! !

The next meeting is to be held at the home of Mr. and Mrs. Sherman Bybee.

SODALES MEET

Mrs. Harold Nelson was hostess to the members of the Sodales club, Wednesday evening at her home on East Main Street. The entertainment for the evening was Rook, in which Eileen Fenstermaker won first prize. Ellener Manwaring second and Faye Bunner, consolation. There were three guests: Wreatha McFarren, Mabel Warren and Mary Manwaring.

A GUIDE TO Better Quality Eggs

Compiled by I. J. HELLER

THE SIX-POINT PROGRAM:

The following recommendations are based on considerable experimentation and practical experience. They are presented for their value to the wide-awake and pro-

gressive poultryman, to help him produce better-quality eggs. **BETTER EGGS MEAN BETTER PROFITS.** We sincerely hope they will attain the desired results.

1 Feed for Light Yolks:

Preferably a well-balanced commercial preparation with liberal milk content and least greens (alfalfa and such.)

2 Produce clean, infertile eggs.

- Use clean shavings in ample supply for nest material and make the nests 7" or more deep. Allow one foot of nesting space or one nest for 5-6 hens. Keep the nests dark.
- Screen the droppings board.
- Keep the litter reasonably clean and dry, and at least 2" deep over the entire floor.
- Allow at least three square feet of floor space per bird.
- Remove males promptly after breeding season.

3 Keep eggs cool.

- Gather eggs three times daily at least, but four times is preferable, at 8 and 11 A. M., 2 P. M., and evening, approximately. (Use ventilated baskets or perforated pails.)
- Place in clean cellar or room immediately.
- Keep eggs away from radiators and stoves.
- Keep egg room well ventilated, but without cross drafts, and at a temperature between 35° F. and 55° F.
- Keep egg room fairly moist (70% relative humidity or higher.)
- Keep egg room free from foul or musty odor, dirty utensils or floor, accumulation of cobwebs, or large numbers of flies.
- Do not pack in cases until the eggs are cooled 12 hours or more.

4 Sort for size, color, and interior quality.

- Candle, if eggs are retailed, to remove blood spots, meat spots, checks, low quality eggs or inedible eggs.

		Min. Net Wt. per case
(b) Sort for Size		
Jumbos	28 & Up Oz.	52 lbs.
Extra Large	26 to 28 Oz.	48 lbs.
Large	24 to 26 Oz.	45 lbs.
Medium	21 to 24 Oz.	40 lbs.
Pullets	18 to 21 Oz.	35 lbs.
Pee-wees	16 to 18 Oz.	30 lbs.
(c) Separate browns and tints from white-shelled eggs.		
(d) Clean all soiled eggs. Do not wash or wet eggs.		

5 Pack each size and color separately in strong, clean cases with sound clean flats and fillers.

- Pack white, brown and tinted eggs separately and identify on the case, or shipping tag.
- Pack eggs small end down.
- If extra long or very large eggs are shipped, pack at the center of the top filler and build up the case ends, 1-8 to 3-8 inch.
- Nail a one-piece cover at ends with 4 nails each. (Never nail to center partition.)
- Do not pack newspapers or excelsior between the sides and ends of the case and fillers.

6 Ship as often as possible.

- Select transportation that gives:
 - Protection from high and low temperatures.
 - Minimum and careful handling of the case.
 - Prompt delivery to the receiver's floor.
- Best results will be obtained by shipping entire production to one reliable firm, who, depending on REGULAR shipments, will be able to place them for you more advantageously.
