MRS. MONTGOMERY  
DIES AT TALMA

Mrs. Virda Montgomery, 67, wife of Omar C. Montgomery, passed away at her home in Talma at 2:30 o'clock Wednesday afternoon, Dec. 28, from a coronary embolism. She had been in failing health for two years but her death was entirely unexpected. Mrs. Montgomery had a host of friends throughout Fulton county.

The deceased was born in Ashland, Ohio, July 2, 1882. Her parents were the late Col. Loren Wood and Dora (Wagoner) Wood. Her marriage took place on Nov. 13, 1915.

Mrs. Montgomery was a member of the Pleasant Valley Evangelical church. Surviving are her husband and a son, Lavoy Montgomery, at home, and numerous other relatives.

The services were held from the Zimmerman Brothers funeral home at Rochester at 2 p. m. Saturday with Rev. Harry J. Bailey in charge. Burial was made in the Reichert cemetery.

DALE TUCKER NAMED  
TOWN TRUSTEE CHAIRMAN

At a special meeting of the town board held Friday night, H. D. Tucker was named as chairman for 1950.

M. O. Mentzer was named Clerk-Treasurer to fill the vacancy created by the resignation of Mrs. Howard Shoemaker.

Russell Borton and Mervin Wagner were reappointed as town marshals, and Arlo Friesner was retained as fire chief. James E. Rodibaugh was named town attorney.

## CLUB CALENDAR

Jolly Janes Home Ec. club will meet on Monday evening, Jan. 9, at the home of Mrs. Earl Anderson.

Mentone Reading Club will meet Wednesday evening, Jan. 11, at the home of Mrs. Dan Urschel.

Merry Mollys Home Ec. club will meet on Monday evening, Jan. 9, at the home of Mrs. Eugene Sarber.

Mary and Martha Circle, Methodist church—meet at Bunner home, Monday evening, Jan. 9 at 7:30.

Mentone Home Ec. club meet Thursday Jan. 12, at 1:30 at the home of Mrs. Roy CCox.

Psi Iota Xi business meeting, Thursday, January 4, at the home of Mrs. Maude Snyder.

MISS JEAN ANN KENDALL  
WEDS RAYMOND ROUCH

The marriage of Miss Jean Ann Kendall, daughter of Mr. and Mrs. Arthur S. Kendall, R. R. 1, Tippecanoe, and Raymond Rouch, son of Mr. and Mrs. Oliver A. Rouch, 2333 East Riverside Drive, Indianapolis, took place in the Broadway Methodist church, Friday, Dec. 16th. The Rev. Robert Pierce officiated at the double ring ceremony.

Mrs. Kendall, mother of the bride, and Mr. Rouch, father of the bridegroom, were their attendants.

The bride wore a brown chiffon velvet suit with brown accessories and a brown velvet hat with a fur brim. She wore a corsage of yellow talisman roses.

The couple will make their home in Indianapolis.

## MRS. FISHER IMPROVED

Friends will be happy to learn that the condition of Mrs. Julia Fisher is improved. She is now able to sit up in bed. She is at the home of her daughter, Mrs. Ethel Whetstone.

Mrs. Fisher suffered a heart attack on Christmas day while at the Whetstone home.

CELEBRATE SIXTY-FIRST  
WEDDING ANNIVERSARY

Mr. and Mrs. Ben Blue, of Warsaw, celebrated their 61st wedding anniversary on New Years Day at the home of their son and daughter-in-law, Mr. and Mrs. Marshall Blue. They have five children, 29 grandchildren and 47 great-grandchildren.

Mr. and Mrs. Ben Blue resided in Mentone for many years and have several relatives here.

## ATTEND DUROC MEETING

Philip Riecke, of Churubusco; Welcome Miller, of Plymouth; Donald and Dielman, of Macy, accompanied Ed Severns and son to Indianapolis Monday to attend the meeting of the Indiana Duroc Breeders Association, which was held at the Severin Hotel.

The meeting was a general business meeting and plans were made for the Indiana State Fair and the annual Duroc show and sale to be held at Purdue Feb. 7th.

## CELEBRATES 87TH BIRTHDAY

Mrs. Mary Bidelman drops us a line to tell us about her birthday on Dec. 29. This was Mary's 87th anniversary, by the way.

To start the day, one grandson brought kerosene; then, came a load of coal. Clyde Brugh brought a birthday cake and before he left, John Bidelman came with a load of wood. She wants to thank all her friends for the birthday greetings—and the Christmas greetings, too.

## DAVID HARSH

David Harsh, a resident of Franklin Township, passed away at the home of his daughter and son-in-law, Mr. and Mrs. Leonard Boganwright, on Saturday, Dec. 31 about 2:15 P. M.

He was born on June 20, 1863 to John and Eliza (Teeter) Harsh, who had emigrated from Pennsylvania in the 1840s, having acquired the land on May 9, 1846.

On April 3, 1887 he was married to Rachel Almeda Wideman. Mr. Harsh lived on the farm where he was born, about three miles Southwest of Mentone, until the death of his wife Nov. 21, 1941.

Surviving him are four daughters, Mrs. Giffa Boganwright and Mrs. Treva Boganwright of Mentone, Mrs. Phoebe Island of Ft. Wayne and Mrs. Cleo Oaks of Warsaw. His oldest daughter, Mrs. Goldie Walters, preceded him in death in Dec. 1918.

Other survivors are: twenty-two grandchildren, thirteen great-grandchildren, a nephew, Mr. Fred Swick, of Mentone; four nieces; Mrs. Mary McCollough of Nebraska, Mrs. Sarah Rhyme of Lansing, Mich; Mrs. Willard Zolman of Warsaw and Mrs. Roy Sayers of Tippecanoe.

During his last illness, Mrs. Harsh found peace with the Lord.

Funeral services were held at the Reed Funeral Home at two o'clock, Tuesday, with Rev David Gosser officiating. The burial was in the Mentone cemetery. The Reed funeral home, of Mentone, was in charge of the arrangements.

## HAVE NEW SON

A son, Robert Allen, was born to Mr. and Mrs. Valoris Janke at the McDonald hospital at Warsaw Wednesday morning.

## MRS. SYLVIA E. HARRIS DIES.

Mrs. Sylvia E. Harris, aged 68, of Indianapolis, died on Tuesday morning at St. Vincent hospital, following a stroke of paralysis suffered on Christmas evening. She had resided at Indianapolis for the past three years.

She was born in Jasper county, Mo., to Emanuel and Clara Mentzer. The husband, John, and the daughter, Mrs. Ernest (Thelma) Becker, of Indianapolis, are the nearest surviving relatives.

Mr. and Mrs. Harris were long time residents of Mentone.

A funeral service was held Thursday morning at the Flaner-Buchanan funeral home at Indianapolis. The body is to arrive at the Reed funeral home Thursday afternoon where friends may call after five o'clock until time of the service, which will be on Friday, Jan. 6, at 10:30. Rev. David Gosser will officiate and burial will be in the Mentone cemetery.

The deceased was a member of the Methodist church, the Royal Neighbors and the Eastern Star.

## PARENTS OF DAUGHTER

Mr. and Mrs. Elery Nellans are the parents of a daughter born at 8:10 a. m. last Saturday at the Murphy Medical Center at Warsaw.

## NELLANS

Mr. and Mrs. Frank Nellans are the parents of an eight pound four ounce son born Dec. 24, at the Woodlawn hospital. The new son has been named Miles Lee.

## WAGNER

Mr. and Mrs. Harold Wagner, of Bristol, are the parents of a baby girl born New Year's Day at the Elkhart hospital. Tana Louise weighed eight pounds and one ounce. The maternal grandparents are Mr. and Mrs. Jake Gross.

## HAS MAJOR SURGERY

Mrs. Hershel (Edith) Teel is doing real well following major surgery performed a week ago Tuesday. She is in the Memorial hospital in South Bend.

## MENTONE MURMURS

by  
DAVID and SALLY GOSSER

Come rain, come snow, fog, sleet and clear weather, these are the evenings to spend before an open fire-place popping corn, roasting those few chestnuts that came in the Christmas stockings, or just sitting around talking big talk and little talk. If an open fire is not to be had, then, like Murmurs, you must content yourselves with base burners, room heaters, radiators, or registers. They warm the hands and bring some cheer, but there is nothing to warm the heart like the open fire-place. Impractical, you say? Many things on which the comforts of man depend are impractical, but all of man-

kind indulges in his whims to a greater or lesser extent.

The "must" of every house should be an open fire-place where man or maid may see the dancing flame against the back-wall or watch the shadows do adagios and fanciful ballets upon the ceiling and the walls. Here man learns to relax—to dream, perchance to think, and to live. 'Tis true, if that is all the heat, you burn your shins when that which is behind numps with the cold, and you arise to roast the after-part and freeze the fore.

Impractical! Yes, from the point of view of heat, the muck of lifting ashes—making fires, and the fact that some folks are blind to the need to keep alive imagination and romantic hearts. Murmurs must say the atmosphere must change if youth and age are ever to stay home. Something more than tidiness and good-housekeeping

EARL MATTIX & CO., Clerks

are to be desired. The church does not hold all the answers for a problem world. The home must be more desirable than movies, taverns, parked autos in a lane, and what it is that takes folks far afield. A fire place is not the cure-all for our disease, but it makes atmosphere. It warms the heart as well as the hand. It gives a charm to living, and spreads over age the mellowness we need to soften caustic tongues and sharp retorts—the mellowness to grow old gracefully.

Should Murmurs ever build the castle of their dreams (a one room cabin in the wilderness), one thing before all else shall rise—a fire place where they may recapture the idealism of their youth.

Murmurs spent two years in West Virginia where the only heat for their residence was the use of fire places. The congenial gathering of college students and ministers which became known as the Knights of the Hearth have carried the joy of Christian fellowship even to darkest Africa. Professors shared, too, the fire-lit hours where we lighted our lamps of Christian love and understanding before embarking on our ships of destiny.

Someplace in the great Smokies a family has kept the hearth-fire burn-

ing for over one hundred years. If for a hundred years mankind would emanate only kindness and love, sympathy, understanding, and mercy, he would forget jealousy, hatred, vengeance, and war. We, then, would have a NEW YEAR.

### A CARD OF THANKS

We wish to express our sincere thanks and appreciation to our many friends, relatives, the Talma Methodist Church ladies and Mrs. Ralph Chapman for their kind deeds. We especially wish to thank Zimmerman Bros. and their helpers for their kindness. We especially want to thank Rev. Harry Baily for his kind words; the singers, Mrs. Arter and Mrs. Staldine; and the organist Mrs. Kessler; the pallbearers, and all who sent flowers. Your kindness will never be forgotten.

O. C. MONTGOMERY  
and LAVOY

### Blood Test for Hogs

The blood test is a means of detecting brucellosis in a herd of swine, but it is not reliable when applied to individual hogs.

## COMMISSIONER'S SALE OF REAL ESTATE

Wednesday, January 11, 1950

at 10 o'clock A. M., the following described farm will be sold at my office:

The 60.75 acre farm, known as the Rhodes Farm, located in Henry Township, ½ mile east and 1¼ miles north from Athens.

LAND—Good quality clay loam soil, practically all in cultivation. BUILDINGS—Fair 8 room dwelling, good roof. Fair barn.

To be sold in full accordance with order of Fulton Circuit Court to highest and best bidder, clear of all liens and encumbrances, except taxes for the year 1949 due and payable in the year 1950. Abstract will be furnished.

If interested, see me for complete information as to exact conditions of the sale, amount of money to accompany your bid, etc.

**GEORGE DEAMER, Jr.**

WE ALSO have for sale the 50.78 acre farm located east and north from Tiosa, Newcastle Township, Fulton County, Indiana, owned by the heirs of David Swihart, deceased. This is an exceptionally good tract of land, with good eight room dwelling, furnace, dairy barn, poultry house, and several other good buildings. The buildings are empty, and this nice home is priced right.

**DEAMER and DEAMER**

**DOCTORS SUGGEST RESOLUTIONS  
FOR KEEPING HEALTHY**

Twelve resolutions for keeping well and happy in 1950 are recommended to Hoosiers in a New Year's bulletin

issued today by the Indiana State Medical Association.

"The best resolution a person can make is for preservation of his health, his most precious possession," said the bulletin.

The resolutions prescribed by the doctors are: Resolved to—

1. Obtain adequate sleep and rest.
2. Eat good substantial food in moderation.
3. Be temperate in use of alcoholic beverages.
4. Have a physical examination during the year.
5. Refrain from excessive fear and worry.
6. Work and play with consideration for safety.
7. Cultivate a hobby.
8. Avoid individuals with coughs, colds and sneezes.
9. Stand and sit erect.
10. Bathe frequently.
11. Control selfish emotions.
12. Practice charity toward others.

**Round the Corner**

**FOR** the first time since December, 1941, the purchasing power of Indiana farmers has gone below parity (Index of 100). The index of prices received by Indiana farmers fell fourteen points from October to November, while the index of prices paid by United States farmers stayed the same. Thus, the index of purchasing power of Indiana farmers in November was 83.

All of the main farm products are now below parity, except cattle, lambs, wholemilk and wool.

Eight years of farm prosperity has certainly helped most farmers' financial position. Is your farm business prepared for the unknown economic conditions which lie ahead? The ability to produce efficiently and maintain low operating costs may become more important if farm incomes are to be kept at favorable levels.

### JESUS, BLESSED JESUS

It seems so strange, how can it be  
He loves me,  
Just a struggling bit of humanity,  
Yet He loves me.  
He takes my hand and holds me tight,  
And I walk by faith thru dark'ning  
night,  
He is the Way, the Truth, the Light,  
And I love Him.

Ann Oylar

### Removing Finger-Marks

To remove finger marks around a doorway, use a cotton cloth dipped in kerosene and then wipe with another cloth squeezed out in hot water.

### Fashions in Strip Steel

About 1859, ladies' hoop skirts created a demand for flat wire in America. Supplying the fashion gave birth to this country's cold rolled strip steel industry.

## METHODIST CHURCH NEWS

Sunday, Jan. 1, began the Advance program of membership and evangelism of the Methodist Church in Indiana. The service in the local church included the re-consecration and reaffirming of church vows and the transfer in of new members. The first Sunday of each month will be designated as membership Sunday.

The district Watch Night service planned for the M. Y. F. was cancelled at the last minute prior to New Year's Eve.

At the regular monthly meeting of the J-O-Y (Jesus-Others-Yourself) Circle on Tuesday, Jan. 3, the members pledged themselves to liquidate the Pension Fund Pledge by holding a monthly penny supper through the cooperation of the Woman's Society of Christian Service and the donations amounting to an equal sum on the part of the men and other members and friends of the church. The Circle spent the afternoon preparing the names for publication of The Memory Book of Birthday Names. At this time it is hoped that the name list will be in the hands of the printer before the next publication of the Co-Op. News.

The New Year's resolution of all church members should be: Attend church weekly (not weakly).

From a page of the Memory Book of Birthdays:

Jan. 4—Nellie McClane and James Mollenhour.

Jan. 5—C. M. Urschel.

Jan. 7—Harry Gibbs.

Jan. 10—Broda Clark and Mrs. C. M. Urschel.

Jan. 12—Michael Stanford, Effie Personette and Junior Bare.

Jan. 13—Frances Clark.

Jan. 15—Barbara Lou King, Pauline Riner and Bertha Smith.

MORE ACREAGE ACQUIRED  
FOR GAME HABITATS

Henry P. Cottingham, Director of the Division of Fish and Game, Indiana Department of Conservation, has announced that sixty-seven tracts of land were leased from land owners in forty Indiana counties in October and November as a part of the huge program to develop wildlife habitats most essential for the production of game.

The areas will be developed by the land owner with the Pittman-Robertson Wildlife Habitat Restoration program providing all the seedlings, vines, shrubs and grain necessary in such an undertaking.

Begun in 1941, the state now has a total of 1513 areas under lease for a ten year period. Areas so leased number 9,124 acres.

James A. Hughes, Pittman-Robertson project leader, said portions of farms leased in the two months mentioned, will be barred to hunters.

## WANT MORE STATE POLICE

Men interested in Indiana State Police service as a career may try out for one of the 25 trooper positions to be filled this year, Supt. Arthur M. Thurston announced today.

Application forms may be obtained by writing directly to Supt. Thurston at State Police headquarters in Indianapolis. Blank forms will then be mailed to the applicant, who will have until midnight, Feb. 28, to return the completed application to the department head.

Applicants must be at least 21 years of age as of June 19 and not more than 34 years of age as of Sept. 1. They must be five feet, nine inches in height with weight in proportion. Other prerequisites include graduation from an accredited high school, residency in Indiana for one year preceding application, American citizenship and possession of a driver's license. If you are caught with it in your deep freeze at the close of the season.

Comprehensive mental and physical examinations will be given in the spring

to those applying for appointment as trooper. Fifty men will be selected to attend a recruit school from June 19 through Aug. 12 on the Indiana University campus in Bloomington. Each candidate, Supt. Thurston said, will be given a sum of money sufficient to cover recruit school expenses. Top 25 students will receive appointments as probationary troopers third class.

The 1949 state legislature appropriated funds to employ 25 troopers last year and a second class of 25 this year.

## BETTER EAT THAT RABBIT

A rabbit, taken legally during the prescribed hunting season and which is worth somewhere in the vicinity of a buck can really be expensive in the you are caught with it in your deep freeze at the close of the season.

And the close of the season, according to Henry P. Cottingham, director of the division of fish and game, Indiana Department of Conservation, is midnight January 10 period.

A one dollar rabbit, found in any-

PIKE LUMBER CO., Akron, Ind.

one's deep freeze, ice box or sales counter, immediately becomes worth anywhere from not less than \$10 nor more than \$100 in the event the Conservation Officer places you under arrest and takes you before a court. And to that may be added not more than sixty days in the klink.

Also should the unwary individual be found possessing more than one, the above applies separately and in addition to the original court finding. A fine may be assessed for each rabbit found.

Should an individual be found in possession of a rabbit after having been previously convicted, his fine can be not less than \$25 nor more than \$250 to

which may be added an additional confinement in the brig of not more than 60 days.

Col. Millard Davis, chief of the enforcement division of the Indiana Department of Conservation, said that any evidence of violation of the law governing possession of rabbits after the legal closing data of the season will be investigated by means of search warrants and violators prosecuted.

### Overworked Sheets

It is poor economy to have too few sheets and overwork them. Four sheets per bed will allow better rotation and increase the life span of the sheets.

Sue Ann Barkman visited her friend, Shirley Shoemaker, of Warsaw, Saturday afternoon.

Sharon Ware spent Christmas with the Howard Swinehart family, of Warsaw.

Dr. and Mrs. Dan Urschel and family attended the Zollner Piston basketball game at Fort Wayne Wednesday evening.

Rev. and Mrs. Milton L. Dowden and family spent Thursday in Waterloo, Iowa.

## TALMA CHRISTIAN CHURCH NEWS

The Talma Christian Church met Tuesday night at the church for the first quarterly business meeting of the new year, the Pastor presiding. Due to bad weather and sickness a number were absent, however those present kept things moving, and in two hours a lot of business had been transacted.

Mr. Francis Rogers was elected as a fourth member of the Sunday school bus drivers. It was also agreed that Mr. Joe Dombeck, of Winona Lake, the Christian chalk artist, will be at the Talma Christian church during the first week of the revival services. Mr. Dombeck is well liked in and around Fulton county. Mr. Ralph Baker, F. Rogers, Chas. Stavedahl and the Pastor will constitute the advertising committee. Mr. R. Baker, Mrs. Retha Perkins, and Mrs. Chas. Stavedahl will be responsible for special music. Mrs. Dorothy Busenburg has been elected as a third to the special music com-

mittee for the regular church services. It was also agreed that the trustees would continue to paint the inside of the Church along with some other necessary repairs.

There will not be any mid-week prayer meetings during the last week of January nor the first two weeks of February, instead there will be two cottage prayer meetings held each of the three weeks in the members homes. Emphasis will be put on the coming revival service.

## CARD OF THANKS

I want to thank all of my friends for their visits, cards, and gifts. I sincerely appreciate each one.

A. O. (Dobbs) MILLER

## CARD OF THANKS

I wish to thank my friends for the cards, letters, flowers, and visits while in the hospital.

NOTICE TO TAXPAYERS OF  
ADDITIONAL APPROPRIATIONS

Notice is hereby given the taxpayers of Mentone, Kosciusko County, Indiana, that the proper legal officers of said municipality at their regular meeting place at 7:30 o'clock P. M., on the 7th day of February, 1950, will consider the following additional appropriations which said officers consider necessary to meet the extraordinary emergency existing at this time.

For Construction of Streets, \$3995.00. Taxpayers appearing at such meeting shall have a right to be heard thereon. The additional appropriation as finally made will be automatically referred to the State Board of Tax Commissioners, which board will hold a further hearing within fifteen days at the County Auditor's office of Kosciusko County, Indiana, or at such other place as may be designated. At such hearing, taxpayers objecting to any of such additional appropriations may be heard and interested taxpayers may inquire of the County Auditor when and where such meeting will be held.

**BAPTIST NEWS**

On Tuesday evening, the Pastor and Deacons met for their monthly meeting to make up a proposed budget for the church for 1950. If the Church will accept the budget in the annual meeting to be held on Thursday evening, it will call for a total of about \$12,000 of which about \$6,000 will be for General expenses and \$6,000 for missions. Final meeting Thursday evening but ind-reports for 1949 will be given in the cations are that the church had a good year financially.

Wednesday morning four of the members: LeRoy Norris, Lee Edwin Norris, Earl Zent, Devon Eaton went to Richmond, Illinois, to see Rev. Peter Tanis and his "Boy Haven." They took some food and livestock for the farm and expect to make some kind of report of the work there when they get back. Rev Tanis now has five boys and is planning on more in the near future. These boys come to him from Juvenile Detention Homes or from broken homes and receive from the Tanis family the love and care they need.

**NEW DESOTOS HERE SOON**

Here's big news for all motorists! The magnificent New DE SOTO will go on display Tuesday, January 10, at Cox's Motor Sales! Plan now to see it, you'll get the thrill of your life! You'll like DE SOTO'S new, lower, wider exterior styling, its impressive new grille, its new enormous rear window, now a full one-third larger. And how your eyes will light up when you inspect those superb interiors. Here, in truth, is unexcelled luxury and convenience and sheer, rich beauty you'll want for your own! You will find, too, that the New DE SOTO is a car built for economical operation, a car built to last. A big, roomy, smooth-riding beauty that lets you drive without shifting. See it at the Cox Motor Sales. Be on display January 10!

**Cotton Insect Damage**

Even though the percentage of cotton insect damage in 1948 was the second lowest since 1924, such destruction last year cost the cotton farmer \$202,264,000 and reduced his yield 6.6 per cent. In 1944, when damage was lightest in 20 years, the yield was reduced 6.2 per cent.

## AUTOS KILL MUCH GAME

In the event you are fond of rabbit meat with rich gravy to which we will add mashed potatoes, a sweet potato or two, some celery and a couple of cups of steaming hot coffee after a day in the field . . . then toot your horn when you see a bunny crossing the road. Rabbit mortality due to highway carelessness is taking a terrific toll.

The Indiana Department of Conservation through its division of fish and game, directed by Henry P. Cottingham, has conducted a survey of late with figures which are astounding. Space will allow us to take only the one-month report of Paul Wiese, Conservation Officer in the Wabash county area to explain a part of the rabbit slaughter which goes on in the ninety-two counties of this state.

And remember, Wiese, like other

working people has a day off each week. Thus his report for the average thirty-day month only accounts for twenty-six days.

Out of the 73 rabbits which crossed Officer Wiese's path as he drove over ten per-cent of the roads in his district 31 were lifeless forms, the victims of a driver who did not realize that a toot of the horn would cause a rabbit to scoot. Rabbits are funny critters, it must be admitted, and dart out without much warning, but Conservation Department urges that motorists "give wild game a brake." It is an old wheeze but still applicable. The survey was made mainly for rabbits but the slaughtered hordes of squirrels, quail and other bits of game litter our roads.

The figures provided by Officer Wiese in his report for October shows that nearly one-half of the rabbits he saw never lived to provide sport for hunters. Could Wiese have traveled all the roads in his district he very probably would have seen 310 dead rabbits. And that in a month. In a year, taking time out for a vacation and sick leave, he possibly would have traveled eleven months. In that time he would have seen approximately 3,410 such victims. Multiply that figure by 92, the total counties in Indiana and you will be heart sick.

To this figure can well be added hundreds of creatures not to be found on the road after having been struck and injured. Many, dead are hurled

from the highways to be devoured by dogs, crows, hawks and other predatory animals.

### TO DEDICATE

#### INDIANA CROP GIFTS

The dedication of Indiana's "train-

loads of Christian charity" representing commodity and cash gifts from farmers and townspeople throughout the state to the Christian Rural Overseas Program (CROP), will be held on Friday, January 6, at the Manufacturers' Building on the State Fair Grounds, Indianapolis, it was announced today by Lieutenant Governor John A. Watkins, state CROP chairman.

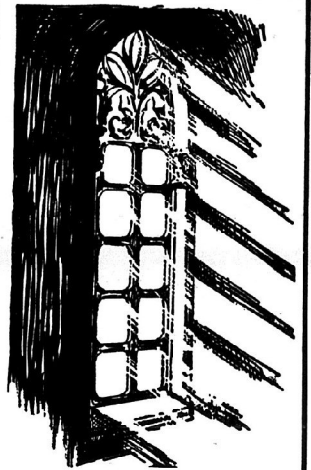

Invitations to almost 3000 CROP officers and workers have been mailed for the ceremony at which Governor Henry F. Schricker will be the principal speaker, Mr. Watkins added.

In addition to the dedication of its 1949 goal of 250 carloads of farm commodities, representing slightly less than a half million dollars, the state CROP committee will make "Golden Rule Awards" to local CROP units which have successfully met their quotas.

A noon luncheon will be held in connection with the dedication.

The Indiana "Friendship Food Train," sponsored by Catholic Rural Life, Church World Service (22 Protestant denominations) and Lutheran World Relief, will be made up of gifts from 89 of the state's 92 counties and will be distributed overseas to orphans, aged, ill and destitute through the church campaign which began during Indiana CROP Week, October 30 to November 6, and saw the participation of more than 10,000 workers while the drive was in progress.

## SCHOOL NEWS

Occasionally this last semester we should like to give Mr. Cullum some news concerning our school. We have such a fine school paper under the sponsorship of Mr. Law, edited by Virginia Rush. We don't care to take any news away from them, but we do believe that there are contacts we can make for our school through the Co-Op. News that can't be made by the Mentonette. Since our Mentonette is issued every two weeks, we shall have news for the Co-Op. News no oftener than every other week. Any or all teachers are urged to give us some interesting piece of news and contributions will be welcomed from students. We should like to have you turn these items in to Mrs. Harold Utter, our new school clerk.

This position of school clerk is new at Mentone. Mrs. Utter will have duties that we can't list here, but we can tell you some of the things she is going to do with each half day she spends here. First, she will act as school treasurer, relieving Mr. Law of this task. She will take care of the task of selling and punching the hot lunch tickets. Handling this detail will

relieve Lois Boganwright who, as a student, has done such an exemplary job on this very important piece of work. We are assigning an assembly to Mrs. Utter for each day. Thus she can really come to know our students. She will assist any or all the teachers in many ways, such as temporarily relieving them in a room, typing tests for them, etc. She will keep our attendance records for the upper six grades. She will have the job of making out the county and state reports of which there are quite a number.

Most students and teachers were rather quiet over vacation, but Mr. Kelley and Mr. and Mrs. Hoffman, of course, were very busy. Mr. Kelley had made countless trips into his favorite haunt in Canada in summer time, but never in winter. His good friends for many years had been urging him to try a Christmas vacation in Canada. Loading up such items as auto chains, an extra starting battery, a moving picture camera, a husky senior (in the person of Bill Lowman), a lot of magazines for his Canadian friends, he left Mentone Thursday evening, Dec. 22, and arrived by late Christmas evening. I am sure Mr. Kelley was the most welcome Santa Claus these Canadian friends had seen in a long time. On the way up he had covered over 250 miles of ice, without trouble however. We'll leave the other details for Mr. Kelley to cover.

Mr. and Mrs. Hoffman used their vacation in a very fine way. What with preaching, teaching, and farming Mr. Hoffman naturally is limited as to the time he can take vacations. Christmas affords his family the best time. With Elizabeth (a college sophomore), Paul, seventeen, and John, thirteen, Mr. and Mrs. Hoffman use this vacation to enjoy life in each other's company. One can think of no better way to create family solidarity. If we as parents can show our children our interest in them by being with them and knowing what they are doing and by finding the same joys in the same things that they are doing, we shall raise useful, helpful, purposeful citizens. The Hoffmans covered a lengthy trip all right, going to the extreme point of Key West. I shouldn't doubt that as much as 100 degrees of temperature separated the Hoffmans from Mr. Kelley.

Next week is to be a busy one for our basketball team. Of course the tourney schedule release will create

interest at this time. Anyone wanting county tourney tickets should secure them at the principal's office. Aside from the tourney, however, we find Mentone confronted with its heaviest week of basketball of the year. Friday night our team journeys to Pierceton. Pierceton specializes skillful work off the backboards since it possesses the two tallest basketball players of the county. Defeated only twice (Syracuse by one point and Columbia City by just a few) Pierceton will show us a very well balanced squad and two very rugged games.

On Saturday night Mentone fans will have the opportunity of seeing one of northern Indiana's finest teams. North Manchester has returned its last year's varsity and in addition has two veterans from neighboring varsity teams playing with them this year. The new Central coach, Burton Niles, had a difficult time selecting the best players from among his talented squad. Beaten only by Columbia City, Manchester will present a team of stars, have no doubt. This team beat us last year by four points in a whale of a ball game. All Mentone fans conceded that our team played one of its very best games in its defeat over at Manchester last year.

We are hoping that the turn of hard luck for Mentone is at an end. If our boys round into shape, we could end our season in a blaze of glory. Maybe the knee injury to Dale Molebash, the sprained ankle of Forst Dunnuck, the shoulder injury to Max Friesner, and the sickness that laid Davy Johns so low will end our bad luck for the year. Davy, by the way, has regained half the seventeen pounds he lost. We can't expect Davy to cavort in his old manner for several weeks yet, but he will be trying.

In these two games this week our team will be needing your support. The coach, the boys, and the school need your backing. You know the kind of backing you should be giving. Are you giving it?

Perhaps the most important date to students coming in the month of January will be Tuesday the 17th. That date ends our first semester. Appropriately we shall be taking examinations on that day. This will be the day when individual students can learn of the amount of their success. Teachers also will know to what extent they have been successful. On Wednesday morning when we come back to school at least we shall have the satisfaction of knowing that it is half over anyway.

## LIBRARY TO OPEN.

The Mentone library will re-open on Monday, Jan. 9 at 11:30 a. m. We hope all readers of the community will visit us to enjoy our newly decorated room and the supply of new books. We have a very good variety on most subjects of interest.

## NEW CARS TO BE DISPLAYED

The 1950 Plymouth car, with important styling changes and improvements for safety and riding comfort, will go on display here January 12, at the Cox Motor Sales.

There are new lines in the silhouette which give the new Plymouth a

longer, lower, more streamlined appearance. The changes are readily apparent whether viewed from front, rear, or side.

Rear fenders, which are bolted on for economical removal in case repairs are necessary, have been restyled and lengthened. A larger rear window on club coupes and four-door sedans, slightly greater over-all width, and alterations on the rear deck provide a longer, heavier, road-hugging appearance for all models. The grille has been simplified and made more massive. It consists of two large horizontal bars with a curved-down top member and a single vertical bar at the center. Above the grille the Plymouth nameplate appears in larger block letters, and a bigger, more colorful medallion has been placed over the nameplate. The front and rear tread have been

increased, a factor which increases stability, eases tire loading stress on curves, and enhances the car's general appearance. Thirty-two percent larger than on previous models, the new rear window increases visibility and its lines blend into the car's new streamlining motif. The window is set in a newly designed locking rubber seal.

There are larger bumpers on both front and rear. In addition to providing greater protection for the grille, rear deck and fenders, the bumpers add materially to the general appearance of massiveness.

The theme of simplicity which has been carried out in the medallion and name plate on the front has been continued in the ornamentation of the rear deck. The block-letter name plate, the license plate light ornament, the license plate recess, and the T-shaped luggage compartment handle are styled to accent the car's low, sleek lines. Combination tail lights and stop lights are set into each rear fender.

The redesigned instrument panel provides new backgrounds of transparent gunmetal on spun aluminum for the gauge dials, speedometer, radio dial, and clock. The gunmetal finish is also used on the radio grille screen. There are larger rotary switch knobs which are easier to operate.

Features for performance, comfort and safety which were previously introduced in the Plymouth line have been retained. The car has characteristic interior roominess, ample head

and leg room, and wide, deep chair-height seats. The six-cylinder, 97-horsepower engine has a 7 to 1 compression ratio. The combination ignition and starter switch, automatic electric choke, super-cushion tires, safeguard hydraulic brakes and safety-rim wheels are among the "high-priced car" features contained in the new Plymouth.

The new Plymouth line includes nine automobiles in the Special Deluxe and DeLuxe groups.

### Plastic Pattern

A new plastic pattern which reportedly will enable the sewer to cut a dress, sew it up and know that it will fit perfectly without alterations is now available to home sewers.

## OUR COUNTY AND SOCIAL

### SECURITY

By Gerald O. Kelter

The objective of the Old-age and Survivors Insurance program is to pay benefits on the basis of the worker's

average monthly wage when he is 65 or to his family if he should die before 65. Therefore, the Social Security Administration must have a record of the pay each worker receives. This record is kept in the form of a separate Social Security Account for each work-

er. To have a Social Security Account, the worker must have an account number card. The worker's name, together with the number on the card, identifies his account so that wages reported for him can be properly posted to his credit.

If you are employed in a mill, factory, office, store, bank, garage, hotel, cafe, boarding house, beauty parlor, or the like, you should have an account number card. It is necessary whether you work full time or part time, or whatever your age.

You can go to the office of the Social Security Administration, Room 222, Equity Bldg., Elkhart, Ind., and make your application, or you can get the application blank from your local Post Office, fill it out, and mail to the field office.

Show your card to your employer and make sure he takes down your name and Social Security Account Number exactly as shown on the card. This is necessary for reports he must make to the Government, showing the wages he has paid to you. Take care of your card. It is like an insurance policy. It shows you have an insurance account with the U. S. Government, under the Old-Age and Survivors Insurance system. This account is a record of the pay you receive which counts toward your future benefits. The size of the benefit will depend upon the amount of wages credited to your account.

Our office is open from 9:00 a.m. to 5:00 p.m. Monday through Friday.

## Calling all outdoorsmen

By JIM MITCHELL

Outdoor columnists who insist on forecasting the future are asking for trouble; but despite past experiences—and headaches—in this guessing game, I can't pass the opportunity of opening a new year without some observations. And the dope is straight from the little crystal ball, too!

First, hunting and fishing in 1950 will be improved over last year. Please don't ask for definite proof of this, but, certainly, most of the signs are pointing in a favorable direction.

Populations of game birds and animals showed increases in 1949 over the previous year, indicating that the populations probably are approaching the top of the cycle in numbers which should result in better hunting. Big game animals also are on the upswing, with the whitetail deer far out in front in the parade.

The picture is equally bright on waterfowl. Ducks and geese were more plentiful last year than at any time in the past decade. This means an increased carryover of birds for nesting in the spring which should result in better gunning next winter.

The little crystal ball is not quite so positive in forecasting the fishing outlook, so I'll toss in a couple of my ideas.

Most states have taken long strides in recent years in improving fish management practices. Many of the basic evils in fish production have been eliminated, and it is about time this new knowledge shows up on our lakes and streams. Maybe 1950 will be the year!

And in face of new records in sales of hunting and fishing licenses, I'd like to climb out on the limb and predict a decline in the sale of hunting licenses in 1950. There'll be fewer duck stamps sold, too, for gunning for waterfowl. Fishing license sales, however, will set a new all-time high this year.

And with these predictions, I have one little request. Please don't clip out the column and file it away for reference next December 31. The little crystal ball may be way off key—but I don't think so.

Anyway, here's my hopes for good fishing and good gunning throughout the year.

### Won Their Way

There have been three vice-presidents who have been elected president in their own right after having succeeded to the presidency—Theodore Roosevelt, Calvin Coolidge and Harry S. Truman.

# LEGION TIDE OF TOYS DRIVE GETTING GENEROUS RESPONSE

During the regular meeting of the Mentone Post 425, The American Legion, Tuesday evening, Bob Whetstone, chairman of the drive, reported full cooperation from all schools, groups and individuals contacted. He urged everyone to join in this nationwide program for the underprivileged children of Europe.

Comrade Dale Wallace, Jr., entertainment chairman, reported on the fine turn-out for the dance on New Year's Eve. He also stated that the Post is planning another dance to be announced at a later date.

The Post voted to send cigarettes to two members on the sick list. They are Eldon Groves, who is in a Pennsylvania hospital with two broken legs, and Alvin Palm, who is in a St. Louis hospital.

There will be a firing squad practice in the near future. All members should watch for announcement.

Don't forget the Legion basketball games held each Thursday evening at the local gym. You've been missing some good ball games if you haven't attended. Warsaw Legion team plays this Thursday.

## MENTONE FIRE DEPARTMENT MADE 27 RUNS IN 1949

Arlo Friesner, Mentone fire chief, reports that the department answered 27 calls for help in 1949. There were 11 house fires, two barn fires, five grass fires, two burning wheat fields, and seven miscellaneous calls such as hay burning, tractor afire, etc.

Of the eleven house fires, only two buildings were totally lost, with nearly half of the losses being kept at \$25 or less.

The fire department boys certainly deserve the praise and thanks of every citizen of the town and community for this splendid service.

## ARTICLE OF INTEREST

This past week, Mrs. Dan Urschel, president of the local P. T. A., received a folder sponsored by the state director of the U. S. Savings Bonds Division of the Treasury Department.

This folder contains the reprint of a fine article on money management, "How to Pile Up a Little Money," which was published in the September 1949 issue of Better Homes and Gardens.

Perhaps there will be several households which will still have this copy available and can now take special notice of the article.

The reprint will be available at the next P. T. A. meeting, and the issue of the magazine will be at the library for those who wish to read the article. It will help us be better parents in guiding our boys and girls toward a more satisfactory future.

## BOY SCOUT PAPER DRIVE JAN. 21

The Boy Scouts will make a drive for wastepaper on Jan. 21. Watch for further announcement next week.

## GIRL PICKED FOR NURSES TRAINING

The Mentone Post 425 of The American Legion announces the selection of Miss Mona Sullivan, daughter of Mr. and Mrs. Harry Sullivan, of Route 25, east, as the candidate for nurses training.

As previously stated in this paper, the candidate would be chosen from this or a surrounding community, on the merits of good citizenship, high scholastic ability and outstanding moral character. The committee feels that this candidate is an exemplification of the above named qualifications.

Miss Sullivan is now taking preliminary training at the Urschel Clinic and will begin her training in February at the institution of her choice.

## ROYAL NEIGHBORS

The Royal Neighbors held their Christmas party on Dec. 15 at the home of Fern Rickel. The house was beautifully decorated for the Christmas season. A bounteous potluck supper was enjoyed, followed by a gift exchange. Crazy bingo was played, with prizes going to Lydia Rynearson, Chloe Griffis, Snowden Halterman, and Mae Borton. Then picture-frame bingo was played with Mary Goodwin winning the prize.

The January meeting was held on Tuesday evening, Jan. 3, with Mae Borton. Mary Borton was appointed to the flower committee and Mary Goodwin for reporter. The charter was draped for our departed Neighbor, Sylvia Harris. It was decided to open camp at 7:30 during the winter months. Refreshments were served by the hostess. The next meeting will be Tuesday, Feb. 7, the place to be announced later.

## NATHAN G. BAKER PASSED AWAY SATURDAY

Nathan G. Baker, 76, a resident of route 3, Warsaw, passed away Saturday morning at the Alfran nursing home, east of Warsaw, where he was admitted on Tuesday. He was born on July 13, 1873, in Harrison county, West Virginia, son of Edwin and Margaret Baker. He moved to Indiana in 1889, and on Dec. 1, 1900 was married to Leora G. Griffith at Fulton, Ind. He was a farmer and a member of the Harrison Center Evangelical United Brethren church for 37 years.

Surviving besides his wife are three sons, Ray L. and Earl L. Baker, of So. Bend, and George H. Baker, of Leesburg; three grandchildren and several nieces and nephews. One son, Lyman W. Baker, died in 1940.

Funeral services were held Tuesday at two p. m. at the Bibler funeral home in Warsaw, with burial at the Harrison Center cemetery.

## THE MERRY MOLLYS HOME EC CLUB

The Merry Mollys Home Ec. Club met at the home of Mrs. Eugene Sarber, Monday night, Jan. 9th, at 7:30.

Members present were Mesdames David Bowser, Noble Oyler, Junior Fore, Clayton Holloway, Eugene Sarber, Carl Whetstone, Kenneth Simcoe, Royal Blue, Marion Smith, Heston Creviston, Jack Pritchard, Elwin Teel. Visitors were Mrs. Dean Witham and Mrs. Elmer Sarber.

The lesson, "Family Earning and Spending," was given by Mrs. Clayton Holloway.

For the meditation, Mrs. Noble Oyler, read a lovely poem which she had written.

An auction was held. Articles were auctioned off by Mrs. Jack Pritchard. Following the auction the hostess, Mrs. Sarber, assisted by Mrs. Carl Whetstone, served refreshments.

The next meeting will be held at the home of Mrs. Kenneth Simcoe Feb. 13th.

## HAS TONSILLECTOMY

Clyde Alderfer, son of Carl Alderfer, was removed to his home on Thursday after having his tonsils removed at the Woodlawn hospital on Wednesday.

## T. B. SALES TOTALS \$5,436

Receipts from sales of Christmas Seals by the Kosciusko County Tuberculosis association Friday totaled \$5,436.72, \$436.72 above the established goal and \$923.34 higher than the total raised last year, it was announced by Lula G. Curry, the executive secretary of the association.

Miss Curry said she anticipated that some contributions would still be received.

Totals for the Harrison, Franklin and Seward townships were listed as follows: Harrison \$129.50; Franklin, \$111.50, and Seward, \$100.

## JOLLY JANES HOME EC. CLUB

The Jolly Janes Home Economics club met at the home of Iris Anderson Monday evening, January 9. The meeting was opened by singing "America the Beautiful." Dorothy Nelson gave the topic for meditation. Phyllis Bowser led the group in singing the song of the month, "Auld Lang Syne." Grace Lewis gave the lesson, "Outlook for 1950." A proverb was given in response to roll call at the opening of the business session, conducted by Esther Romine. Phyllis Bowser announced that January 20th was the date set for the Jolly Jane anniversary party to be held at the Sportsman Club at Beaver Dam Lake. All members wishing to attend should notify Helen Mollenhour by Friday, January 13th, and the group is to meet at Lucille Teel's at 6:00 p. m. It was announced that our County Home Demonstration Agent, Mrs. Snellenberger, broadcasts every Tuesday morning (10:45-11:00) over WKAM at Warsaw. A motion was passed to donate \$25 toward the purchase of a resuscitator for the town of Mentone.

The meeting was closed with the singing of the club prayer song. The door prize was won by Esther Romine.

Delicious refreshments were served by the hostess and co-hostess, Mary Teel.

Sarah Gosser will entertain the club on February 13th.

## CLUB CALENDAR

The W. S. C. S. will hold its January meeting at the church on Thursday night Jan. 12 at 7:30.

Order of Eastern Star on Monday, Jan. 16th at 7:45. Special entertainment.

## AUXILIARY MARKS THIRD ANNIVERSARY

The Mentone American Legion Auxiliary met at the Post Home on Tuesday evening, January 10, for the first meeting of the year. This, also, marked the third anniversary of the organization of the unit.

Mr. James Rodibaugh was the speaker of the evening. His subject was: "The Hoover Commission," giving an explanation of its purpose and the main points of its findings and recommendations.

Musical numbers were presented by Mrs. Phyllis Bowser and Mrs. Catherine Whetstone, who sang a duet, "Whispering," and by Mrs. Maude Snyder, who played "The Anniversary Waltz," in honor of the Auxiliary birthday.

During the business session Mrs. Juanita Paulus, president, heard reports from committees and announcement was made of the district meeting which is to be held at Valparaiso on January 18. Any members desiring to attend may contact Mrs. Paulus who will make reservations for them.

It was also announced that the Warsaw Legion Auxiliary has invited Mentone to join them in chartering a bus for transportation to the Second District Birthday Party for patients at the Veterans Hospital at Marion on February 9. All members who will be able to participate in this activity are to contact Mrs. Louise Kinsey as soon as possible as it will be necessary to know how many are going in order to complete arrangements. Each month members of one Auxiliary District serve as hostesses to all veterans in the Marion hospital whose birthdays occur during that month. The ladies provide entertainment and refreshments making an effort to bring a little pleasure into the lives of these hospitalized men.

## ADDRESSES MEDICAL GROUP

Wednesday evening Dr. Dan Urschel addressed the members of the Wabash County Medical Society, meeting at the Hotel Indiana in Wabash, in their regular monthly meeting. The subject of his talk was, "The Treatment of Heart Failure." He discussed in particular some of the newer agents and methods which are being used by physicians in treating this condition, commonly known as dropsy.

## LIONS TO HOLD FATHER AND CHILD NIGHT JAN. 18

The Mentone Lions club will hold a father and child night on Wednesday evening, Jan. 18, at 6:30 at the school house. There will be special entertainment for all. Each Lion is to bring one or all of his children, boys and girls, any age. If you don't have any children of your own, bring some other youngster.

## MENTONE PLAYS IN FIRST NIGHT OF COUNTY TOURNEY

The Mentone Bulldogs play the second game in the 1950 county tourney to be held at Warsaw Thursday, Friday and Saturday, Jan. 12-14.

Beaver Dam and Pierceton tangle in the first game at 7:30 and Mentone will have Leesburg on their hands at 8:30.

Mentone played a fine ball game against North Manchester Saturday evening even though they did not win. They were playing on even terms until the final few minutes when the visitors pulled away eight or ten points.

## POWALSKY.

Mr. and Mrs. John Powalsky, of Wilona Lake, are the parents of a seven pound three ounce son, born Friday at the McDonald hospital. The new son has been named William Alden.

Mrs. Powalsky is the former Betty Jacks, and resided with her grandparents here, Mr. and Mrs. E. E. Wagner. This is the second great-grandchild for the Wagners.

## NEED MORE FRYING PANS FOR SCHOOL CAFE

P. T. A. members announce that the school lunch room cafeteria is in need of a few more frying pans in the cooking department. Anyone having frying pans that are no longer used or needed in their kitchens could help materially if they would donate them to the school.

Guests of Mrs. Broda Clark on the evening of her 83rd birthday were: Mr. and Mrs. Rae Ward, Mrs. Mc Comb, Miss Elzinger and the other members of the Clark family. Refreshments included a delicious birthday cake, ice cream and coffee.

## Calling all outdoorsmen

By JIM MITCHELL

As I close the books for another great season afield after ducks, geese, rabbits, quail and other upland game, I can't help but look back with the idea that on some occasion I missed the boat in protecting wildlife for the years ahead. I do pride myself in being a true sportsman—but we all make a slip here and there, and probably some of you are in the same position.

It was with this in mind that I recently read a creed advanced by Captain Eddie Rickenbacker, president and general manager of Eastern Air Lines, for sportsmen. He calls it a "Challenge to Sportsmen," and here it is:

1. Game-laws violators are thieves, treat them accordingly.

2. Teach beginners their obligations as well as pleasure afield.

3. Devote as much effort to improving habitat as you do to harvesting the fish and game.

4. Actively work to improve farmer-sportsmen cooperation.

5. Become an active and constructive member of a sportsman's club.

6. Demand sound conservation legislation.

7. Let maximum sport, rather than kill, be your guide.

That's a pretty good creed, don't you think? I do. I think it is one of the best ever suggested for outdoorsmen to follow. Certainly if we all made the creed a part of us, we'd be assuring the sport of hunting and fishing for the generations ahead to enjoy as we have enjoyed it.

We have passed the stage in conservation when we can "let the other fellow" do all the work. We must all

do our share; we must share the labor and the expense to get the job done right.

So think over your part in the outdoors, then guide yourself accordingly. As a team we can't be licked.

### OUR COUNTY AND SOCIAL SECURITY

By Gerald O. Kelter

If I should ask you, "Is your bank book important to you?" "Of course it is," you would reply—and probably add mentally, what a question!

Yes, the bank book is important because it is your record of deposits and withdrawals you have made. It stands for something—for the savings you have been able to make. Because of this, you take good care of your bank book.

There's something also that demands equally good care—something that may be even more important to the security of you and your family. That "something else" is your Social Security Card. It represents your insurance policy with the United States Government.

If you have a Social Security Card, as an employee in commerce or industry, you are one of millions of men and women who are building individual and family protection through the Old-age and Survivors Insurance program of the Social Security Administration. The account number on your card identifies your wage record in covered employment, which is kept by the Bureau of the Old-Age and Survivors Insurance. On your wage record will be based any benefits that may be paid to you or your dependents in the future.

Every three months, the employer forwards the contributions and a report of wages earned by his employees to the Federal Government. It is important that his record be right; and there's where the Social Security Card comes in. When your employer makes up his records, it is important that

he report your wages under your name and account number as they appear on your Social Security card. Then, your wages will be credited to the right account—your account.

Your Social Security Card will be important in identifying your account when you file your application for retirement benefits or when your family files for survivors' benefits in case of your death at whatever age.

Your Social Security Office is located in Room 222, Equity Bldg., Elkhart, Ind. When in Elkhart, visit YOUR office and get acquainted with us in it.

ADVERTISE — IT PAYS!

### EVERFAITHFUL CLUB

The Everfaithful Club met at the home of Wilma Tucker Jan. 5th with 17 members and one guest present.

Our new president, Fro Tucker called the meeting to order and roll call was responded to by giving a New Year's Resolution.

Secret Pal gifts were received by Fro and Faun Tucker.

A new feature of Bunco was played and enjoyed by all.

High score was won by Frances Marshall; low, Lena Igo; most 3's Roselyn Nellans; and Travel, Bernice Valentine.

**MANY FILE FOR  
SOCIAL SECURITY BENEFITS**

"228 claims were filed for Old-age and Survivors Insurance Benefits during the last three months," Gerald O. Kever, Manager of the Elkhart Social Security Administration Field Office announced today.

"Of this number, 85 wage earners, 65 years of age or over in the three counties of Elkhart, LaGrange, and Kosciusko, filed their claims. This represents," Mr. Kever explained, "a decrease of about 10 per cent in the number of claims received over the same three months period a year ago."

"In addition to the claims filed by

the wage earners themselves, 42 wives, 65 years of age or older whose husbands are entitled to Old-Age Benefits, filed their claims.

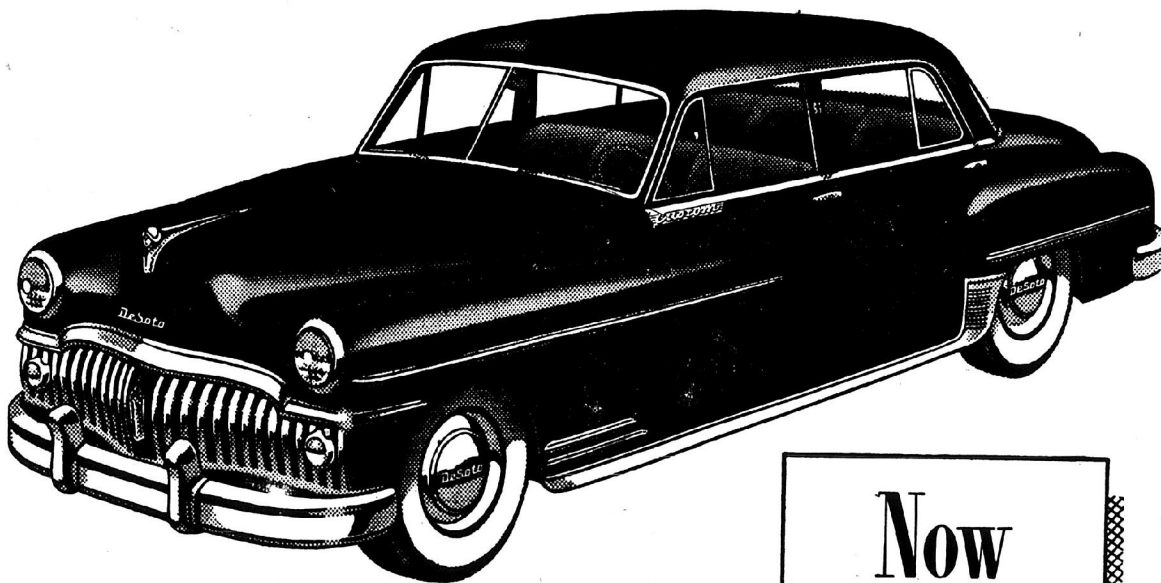

"29 widows, both those 65 and over, and widows with children under 18 years of age in their care, filed their claims. 3 dependent parents' claims were received as well as 17 claims filed

on behalf of dependent children.

"In addition to these applications, 59 applications were filed for the lump-sum claims, of course, represent a claim for reimbursement of expenses incurred in the burial.

When you trade at home, your Dollars are still working for you.

# Announcing the **NEW DESOTO**

**H**ERE's the best-looking new car of them all! It's the new De Soto, designed to give you more room, more comfort, more visibility, more safety and more lasting satisfaction than any car you ever owned. Here's the car designed with YOU in mind.

It's brand-new from handsome new front grille to tail-lights. And it's waiting for you to come and ride in it.

It lets you drive without shifting. It has a terrific high-compression engine, bigger-than-ever brakes, weatherproof ignition, feather-light steering. Yet it is excitingly easy to buy and amazingly economical to operate.

No matter which make of car you thought you might buy this year, "Drive a De Soto before you decide." Let us arrange a demonstration.

### NO FEAR OF TRICHINOSIS FROM WELL-COOKED PORK

It's a fact, scientifically and legally, that nobody gets trichinosis from eating thoroughly cooked pork.

This assurance comes from public health authorities, in a special bulletin issued by the American Veterinary Medical Association.

Repeated studies by physicians, veterinarians, and other public health workers have proved that thorough cooking destroys the tiny pork-muscle parasites that cause trichinosis, the AVMA says.

The only danger is in eating undercooked or raw pork.

Some people have tried to collect damages from butchers on claims that they cooked fresh pork thoroughly at home and got trichinosis. Such claims are without scientific foundation and, therefore, are not recognized by courts, the association's report adds.

**CARTOON FILMSTRIP STRESSES  
FOREST FIRE PREVENTION**

Keep your eye on a cartoon film character named "Woody." As the featured player in American Forest Products Industries' newest filmstrip, "Keep America Green," he appears headed for certain stardom in the field of forest fire prevention.

Through 48 frames of a four-color, 35 mm. filmstrip, Woody does a convincing, if sometimes puckish, job of telling the American people why and how forest fires should be prevented.

Woody introduces his subject by pointing out that a forest fire starts somewhere in the United States every three minutes. "In an average year," he continues, "these fires burn an area as large as Indiana. They destroy enough sawtimber to build 86,000 houses and enough potential paper to print all United States newspapers."

Copies of a 48-page, shirt-pocket-size

booklet keyed for use with the filmstrip are now being distributed on a national basis to state foresters, Keep Green chairman, private foresters, wood-using industry leaders and other interested persons. These booklets, all done in two colors, cartoon style, are available free of charge. Requests for copies of the booklet or filmstrip should be addressed to American Forest Products Industries, Inc., 1319 Eighteenth Street, N.W., Washington 6, D. C.

On Thursday evening of last week Dr. Dan Urschel attended the Elkhart County Medical Society.

Mr. and Mrs. Arlo Friesner and family, Mr. and Mrs. William Cook went to South Bend Saturday to attend Mrs. Tessie Swartz's funeral. Mrs. Swartz was Mrs. Cook's niece. She had leukemia and had been sick for three years.

Dinner guests at the home of Mrs. Earl Meredith Sunday were Mrs. Maggie Dille and Mrs. Mary Barkman. Mrs. Lavina Shinn was an afternoon caller.

Mrs. Lewis Harshbarger and Mrs. Maggie Dille spent Friday in Fort Wayne on business.

Mr. and Mrs. Roy Meredith and daughter, Marcia, of Akron, took supper with Mrs. Earl Meredith Saturday evening.

**COUNTY DAIRYMEN HEAR  
BREEDING EXPERTS**

At 10:00 a. m. on Tuesday, January 3rd, in the Conservation Club House in Plymouth, E. A. Gannon and Frank DeLaCroix, Dairy Specialists of the Dairy Extension Department of Purdue University, and P. I. Higley, Managing Director of the Indiana Artificial Breeding Association held a meeting with dairymen, county agents, and technicians from Kosciusko, St. Joseph, Fulton, and Marshall counties to discuss the artificial breeding association program in the state and to present information on how best promote breeding service within their counties.

At this, the third of a series of

district meetings, E. A. Gannon opened the meeting by answering the question, "Why Artificial Breeding?" Mr. Gannon also spoke on the "Responsibility of Technicians." In furthering his remarks, Gannon also stated that there is no service in the world equal to that offered dairymen in the county artificial insemination organizations. All bulls used are proved, and not just approved. An approved sire means absolutely nothing unless he has also been proved by actual records of his daughters. Following Gannon, Frank DeLaCroix pointed out what the County Agents could do toward promoting artificial breeding and assisting Boards of Directors of local associations.

Phil I. Higley, of Indiana Artificial Breeding Association, explained "What Proved Sires Mean," and he emphasized that dairymen were receiving service from the "top 2 per cent" of all bulls proved in the United States from the Indiana Artificial Breeding Association at Carmel.

These dairy experts covered their subjects well, pointing out much information that will help County Agents, breeding association directors, and technicians do a better job in promoting Artificial Breeding in their counties.

Dairymen present included Paul Jackson, County Agent, L. Metzger, Chester Brown, R. J. Brown, L. Workman, E. Wright, R. J. Merkle, D. Morris, H. Mishler, H. Anglin, Chester Stiffler, members from the Marshall County A. B. Service, St. Joseph A. B. Ass'n., and Fulton County A. B. Ass'n.

## PMA CONDUCTS CORN SURVEY

The recent survey conducted throughout Fulton county obtained reports of corn acreage during the past three years will be used to establish individual acreage allotments, Mr. Garfield Hanson, Chairman of the County PMA Committee, stated today, if corn allotments should be announced by the Secretary of Agriculture. The allotments would be based generally on the farm's corn acreage history for 1947, 1948, and 1949.

"Any farmer who operates a farm which produced corn in any of the years 1947, 1948, or 1949, should contact the county PMA office if he has not furnished a committeeman corn acreage data for his farm, Mr. Hanson said.

"If any farmer will be producing corn in 1950 on a farm where no corn was planted during the period 1947, 1948, or 1949, he should file a written request for a corn acreage allotment with the county PMA office. The last date for filing such a request is February 1, 1950."

If allotments should be announced for the 1950 corn crop, they would apply to every corn farm in Fulton county.

The survey is particularly important according to Mr. Hanson, because the new price support law directs that price supports on the 1950 corn crop be

set at 90 per cent of parity to co-operators.

Whenever corn supplies at the beginning of the marketing year exceed normal by more than 20 per cent, corn marketing quotas, as well as acreage allotments, must be proclaimed. Quotas may not be put into effect, however, unless at least two-thirds of the growers voting in a referendum approve their use.

## CARD OF THANKS

We wish to thank our friends and neighbors for the many cards, flowers and friendly words during the illness and following the death of our father, David Harsh.

## HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

Indiana attained a new record in 1949 when for the first time in history no cases of smallpox occurred in the state, according to the records of Dr. J. W. Jackson, director, Division of Communicable Disease Control, Indiana State Board of Health.

With 28 reported cases in 1947, Indiana led all other states in the number of smallpox cases reported to the public health service. The next year the number of reported cases dropped to three but this was the year in which the first death since 1941 was caused by smallpox.

"Indiana health officers and physicians should feel proud of this new record," Dr. Jackson said. "The present goal was reached not only by immunization but also through the cooperation of attending physicians in the investigation of each reported case."

"However, the menace is not eradicated. "We must still vaccinate all infants in the first year of life and

revaccinate at suitable intervals thereafter. It is in this manner we can strive to maintain the good record made in 1949."

## NEW PRINTING PRESS

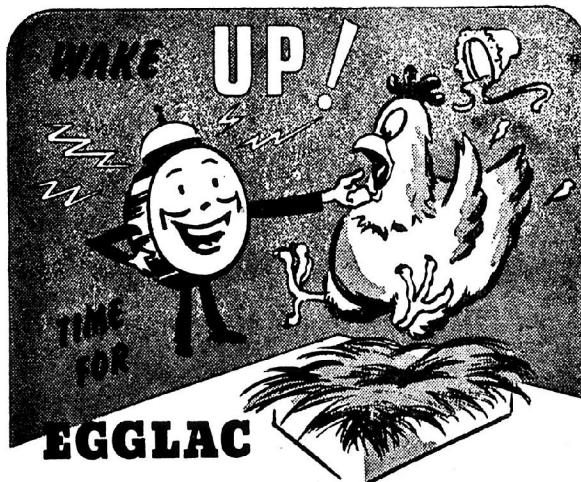

### AT PRAIRIE FARMER

The facilities of the Prairie Farmer Publishing Company at Chicago have been improved with the addition of a large new rotary printing press, it is announced in the January 7 edition of the magazine.

The new press, called "as important to a publishing enterprise as good machinery is to the farm," is 65 feet long, 16 feet wide, and more than a story high. It cost as much as 250 average size farm tractors.

The press will turn out Prairie Farmers at a rate of more than 12,000 per hour. It takes about 35 hours of continuous running time to print one issue.

Further facts of interest are that it takes about 1,200,000 pounds of paper to print each issue, adding up to a total of 50 carloads of paper in a year's time.

Wake up those slow, lazy layers and pullets not in full production with Master Mix Egglac Pellets with Methio-Vite\*. Feeding Egglac Pellets will get your birds to consume that extra feed intake which means 70 eggs per 100 birds instead of 40 eggs. Egglac Pellets are easy to feed—are highly nutritious, palatable, and highly fortified with vitamins which give extra, high feed efficiency. Come in and ask us for the facts about Master Mix Egglac Pellets with Methio-Vite\*.

\*Methio-Vite, a balanced blend of Condensed Fish Solubles, Fish Meal, Riboflavin Supplement, Niacin, Choline Chloride, is the most efficient and economical source of the Animal Protein Factor.

# THE CO-OP. MILL

## Plymouth Has Massive Look

The front of the new Plymouth has a massive appearance. The grille has been simplified, and the bumper is larger. There's a new name plate in larger block letters, and a bigger, more colorful medallion. The cars look new "both coming and going."

### BAPTIST NEWS

At the annual business meeting held last Thursday night final reports showed that 36 new members had come into the fellowship of the church, 14 by baptism. This makes some 330 names on the roll. Total income for the year 1949 was \$15,592.72 with \$7,268.00 for general expenses and \$8,324.72 for missions. The following men will hold office for the coming year: Deacons; Leroy Norris, Raymond Weirick, Devon Eaton, Everett Rathfon, Raymond Lewis and Howard Reed. Trustees; Cecil Nelson and Claude Gates. Sunday School superintendent, Devon Eaton; assistant superintendent, Roland Fervenda; clerk, Everett Rathfon; treasurer, Lee Shoemaker and moderator, LeRoy Norris. There were 89 to the meeting and the church is looking ahead to

1950 and hoping for even a better report next year.

### GOD of the Atom

This is a colored sound film put out by the Moody Bible Institute of Chicago and has been shown in churches, army camps and even in many foreign countries with great success. The pictures will be shown in the First Baptist church on Thursday evening, January 12th at 7:30. There is no admission and a free-will offering will be taken for the Moody Bible Institute at the close of the showing. The film will show several actual pictures of the atomic bomb and will show the place of such a discovery as this in God's Eternal plan of the ages. This is an entirely new approach to the things of God and has met with widespread approval wherever shown. The public is cordially invited to come.

## WHAT'S APF REALLY WORTH

The initials APF stand for animal protein factor, the synthetically produced protein being added to hog and poultry feeds by many manufacturers nowadays.

But just what is its place in the feeding picture? Is it practical to feed it, do animals grow faster on it, and what does it cost?

There has been a lot of discussion about APF in feeding circles in recent months, and the January 7 *Prairie Farmer*, the midwest farm magazine,

answers many of the questions that have come up.

Ralph S. Yohe, Farm Service department manager and author of the APF story, tells how the most important of the APF group of protein factors is vitamin B-12. He tells how the research men at Iowa agricultural experiment station first fed it to hogs and found remarkable gains when added to a ration composed mainly of grain, and vegetable proteins.

Further experiments were made at the University of Wisconsin with poultry, and at Purdue and the Ohio experiment station. One important fact found was that animals can store away the animal protein factors during periods of good feeding and use them later. Pullets were able to pass along the factors to the eggs they laid, storing up enough APF to carry the chicks over their critical first weeks.

Yohe's conclusions are that the APF concentrates will not completely take the place of real animal proteins. But they will be added to feeds so that manufacturers can formulate products that will give more consistently uniform results without wasting animal proteins.

Also, there have never been enough animal proteins — fish meal, meat scraps, tankage, etc.—to go around. The new APF therefore does have a definite place in the feeding picture.

### FRIENDLY NEIGHBORS MEET

The Friendly Neighbors Home Economics Club met Thursday afternoon, Jan. 5, at the home of Mrs. Maude Romine. Mrs. Stella Studebaker, newly elected president, presided during the business meeting. Meditation was given by Mrs. Marie Deaton. The lesson, "Managing Household Jobs," was presented by our county home demonstration agent, Mrs. Ruth Snellenberger. Mrs. Mildred Gruelach conducted the auction. Response to roll call was answered with "The Job I Put Off Most." Refreshments were served by the hostess and co-hostess, Mrs. Fern Beeson, to nineteen members, one guest and six children. The club will meet Feb. 2 at the home of Mrs. Juanita Boggs.

## GOOD FUTURE FOR FARMING

At the start of the second half of the twentieth century *Prairie Farmer* looks at the farmer's place in the scheme of things and concludes that the future looks good.

In an editorial in the January 7 issue, editor Paul Johnson points out:

Debts are low and farmers have a 90 per cent equity in their own business. Soil conservation practices are going rapidly ahead to increase the efficiency and productivity of our farms. The big increase in population, 25 million more people in this country than before the war, means more mouths to feed in the cities.

Johnson adds that in view of the hopeful prospects for the future, this isn't the time to sell out the independence of farming for a security promise. He says, "It certainly isn't a time when we should sell our birthright of freedom and independence of action for what may look like a guarantee of prosperity."

### CELEBRATES 80th BIRTHDAY

Mr. Vinson Meredith of Rochester, Indiana, R. R. 1, celebrated his 80th birthday anniversary on Sunday, January 8, 1950. All the members of his family, including grandchildren and great grandchildren were present. A huge pot luck dinner was enjoyed by all present.

### CARD OF THANKS

I want to thank Rev. and Mrs. Gosser, every member of the Methodist church and S. S., friends and neighbors every where, for the cards, letters, flowers, and gifts as well as their prayers in the year, 1949.

Also appreciated the Christmas Carols by Rev and Mrs. Gosser, Lois Davison and her S. S. class.

May God bless every one of you.

# YOUTH FOR CHRIST MEETING AT PLYMOUTH

Harry A. Jaeger of Houston, Texas will be the principal speaker at Greater Marshall County Youth for Christ on Saturday evening, January 14, at Lincoln High School Auditorium, Plymouth, Indiana. Rev. Jaeger is a forceful youth speaker and possesses a rich background of experiences to support a dynamic challenge to youth. In 1948 he toured Europe as part of the vast Gospel Invasion program sponsored by Youth for Christ International. In France, Switzerland and Italy he participated in mass rallies that are reported to have been unprecedented in modern history.

Back from the heart of crumbling Europe and its war-devastated millions, Rev. Jaeger has devoted much time to visiting churches, rallies, clubs and luncheon groups to present the vital need of Christian action now. "Every American is nine times better off than any other person in the world," Jaeger claims. "We hold six percent of the world's land area and represent only seven per cent of its population, but hold ninety per cent of the world's goods. This is not an accident—it is a God-given trust, that we may accomplish one purpose. Our American responsibility is to bring Christ to the lost and make Christianity work. Rev. Jaeger plans to return to Europe and resume evangelistic missions there some time this summer.

During the war, Harry A. Jaeger established and operated 41 Victory Service Centers for the Armed Forces. He published a G. I. paper named "Reveille" with a circulation of 1,500,000 which was reported to be the most widely read publication of its kind. This work was conducted on an interdenominational basis. His army camp revivals were often attended by crowds that held consistently above three thousand.

With accent on youth he is a popular speaker in youth rallies and conventions. Perhaps the most popular trait is his straight-from-the-shoulder presentation of Bible truths and proclamation of simple faith in God.

"China Challenge," a motion picture film, Kodachrome color with photography and narration by Bob Pierce will be another feature of the program, along with a good musical program which includes Youth for Christ Orchestra, soloist from Chicago, Boys Quartette from Lapaz and a duo from Donaldson.

Then don't forget SINGSPIRATION on Sunday evening, January 15, from 9:30 to 10:30 p.m. at Bourbon Presbyterian Church. Bring your special musical numbers along and we will have a good time singing and praising God.

## Camouflage

Architectural faults can be hidden with hard-to-trace patterns. The trick calls for a paper that is fairly bold and a pattern that is irregular

# WILL THRIFT BE A CRIME?

The American Farm Bureau Federation recently issued an important statement of policy. The Federation affirmed its stand in favor of the laws which prohibit monopoly and restrictive practices in restraint of trade. It then said: "We do not, however, agree with the interpretations which apparently are being given to these laws in certain recent cases and administrative rulings. In this highly controversial field it is important that distinction be made between conditions reflecting the effects of vigorous competitive actions and actual monopoly power. Size and area of activity are not necessarily indications of monopoly. Regulations should not be used to eliminate the possibility of integrated systems that are effective and competitive. Such systems have the possibility of bringing about a badly-needed reduction in the margins that now exist between the producers and the consumers of many items."

This takes on a special significance in the light of the government's anti-trust case against a big chain store system. This system obviously has no monopoly of anything—it must compete directly with other chains and with thousands of independent stores in the states in which it operates. It obviously is not destroying other merchants—they are growing and prospering and increasing their customers.

The government's case, therefore, seems to be based on the idea that size is a crime—and reducing prices to the public is also a crime.

If that idea should ever prevail, we can quit talking high living standards

and abundance and get ready for much lower standards and scarcity. Efficiency, economy and good service will be out of date. The dollar will shrink some more. Is that what the American people really want??

# MENTONE MURMURS

by  
DAVID and SALLY GOSSER

An evergreen is casting a lacy and delicate shadow on the study window. The sun is warm and there is a spring-like quality to the wind. For today, at least, you may withdraw from the open fire and venture forth, but mind you, be well booted or you'll come again indoors without your sole.

Shadows to the north of everything are long and black, and wintertime is artists' time, for these dense shades are contrasts to white snow, houses and painted barns. The naked limbs of maple and of elm clacking like skeletons are there more classic than Macabre-like. And the finger-tips of wind knock loudly on the soul of man.

Shadows are the bass tones of light struck by some object, thought, or act upon the prismatic beams of radiating energy. How many of you remember the little Nursery rhyme that begins, "I have a little shadow that goes in and out with me—?" All of us have shadows, and like the rhyme, they go in and out with us. They are shadows cast by our environment, questionable thoughts, and deeds that lay like a blanket of dirty snow under a January sun and would not give us rest until they are hidden by activities of a good life or completely obliterated by acts of redemption, by compassion and forgiveness the warmth that melts the smudgy blanket of deceit.

Like the child in the rhyme we often become terrified by the immensity of the shadow which may, like winter and evening shadows, loom out of proportion to the act, object, or thought that created it. The warm sun of friendship, fellowship, love, and neighborliness can dispel these shadows even as the sun, this week, has dispersed the snow.

There are other shadows, too, those which others cast over us and the ones we cast upon others; the shadows of "having the upper hand," of exploiting and subjecting people through our prestige, social position, education, means, and personality. If in Mentone there are unhappiness, misery, want, and fear, we cannot have a sunny and joyous community any more than individuals can who are found in those circumstances.

How wonderful the people of the lowlands of Indiana and Illinois must have felt when they beheld the January sun this past Tuesday. The cloud of being homeless hung over them, and then without effort, their ability to stay the flood, the sun came forth and the wind blew—too late to help some, but early enough to help many.

Our friendliness is the sunshine which dispels clouds of fear and doubt and insecurity. To have a friend, however, a person must be a friend—not a "fair-weather friend," but one that

will out last the shadow of any cloud. Clouds and shadows will come, but we be unto those who believe that they must be the cause of despair for any man, woman, or child of Mentone, for we are a friendly community.

## RESOLUTIONS OF RESPECT

In memory of our departed Neighbor, Sylvia E. Harris, who was a member of Maple Leaf Camp No. 2462 Royal Neighbors of America, departed this life January 3rd, nineteen hundred and fifty.

Whereas: It has pleased the Almighty in His profound wisdom to remove from our midst our highly honored and beloved Neighbor, Sylvia E. Harris. Therefore, be it resolved that we sincerely and deeply sympathize with the family and friends of the departed, in their sad bereavement, and that we implore kind providence to comfort them in this, their hour of trial.

Resolved: That we will strive to the best of our ability to render such comfort as will lighten the burden of their sorrow.

Therefore, be it resolved that our charter be draped in mourning for a period of thirty days and that a copy of these resolutions be recorded in the minutes of our next meeting.

Gathering home to the silent shore  
Eyes that are weary shall weep no more.

Softly they lay their burdens down  
Leaving the cross to wear the crown.  
One by one, how soon 'twill be,

The Lord shall call for you and me.  
Swiftly the fleeting moments fall.

Oh, be ready when He shall call.

LYDIA RYNEARSON  
MARY C. GOODWIN  
MARY E. BORTON

## BOY SCOUTS

Mentone Troop 58 of the Boy Scouts of America will have a paper drive on Saturday morning, January 21. Only paper in paper cartons or tied in bundles will be picked up. Scouts will be at the Tombaugh Parking lot across from the Ball Park to help unload paper brought in from the country. Watch for further announcements of this next week.

At the weekly meeting of the Boy Scouts on Monday evening Mr. Wayne Tombaugh addressed the boys on Highway safety as it applies to Truckers and drivers in and out of Indiana. He gave an illustration of the application of First Aid which a trucker learned through Boy Scout training. It is the hope of Scout Master, Rev. David P. Gosser, to have guest speakers at the meetings at least twice a month. Scout calendars were distributed to the troop at the close of the meeting.

Mr. Roland Ferverda, School Principal and chairman of the Committee for Troop 58, Mr. Wayne Tombaugh, Committeeman and Chairman of the Youth Program Committee for the Methodist Church, and Scout Master

David P. Gosser attended the Council meeting at Syracuse on Wednesday evening. The purpose of this meeting was to organize a Council-wide financial campaign for the Boy Scouts of America. Community Service Clubs throughout the area of the Pioneer Trails Council have been requested to send representatives to this meeting. Mr. Ferverda was appointed by Lions President Oliver Teel to represent the Lions Club for Mentone. Report of this meeting will appear in the next issue of the CO-OP. NEWS.

Request for the organization of a CUB PACK of scouting has been made. This will be presented at the next P. T. A. meeting on Wednesday, January 25. It is hoped that all interested parents will be present.

## TIPPECANOE NIPS MENTONE 86-46

Tippecanoe racked up a high score over Mentone Cats in the Bourbon Gymn last Thursday night.

The Mentone boys center, Dean Hively, couldn't hold down the Tippecanoe 6'4" center, Westafer, who tossed in 22 field goals and 1 free toss. The high scorer for Mentone was Bob Flenar, 5 field goals and Ned Witham did equally as well with 4 field goals and one free toss in 4 minutes.

The Mentone Cats next game will be at Atwood, Tuesday, January 10.

## Winter Morning

*I woke this morning and rubbed my eyes—  
For what I saw was a Paradise!*

*The Barn had changed to a pure white dome  
And diamonds completely covered our home.*

*I looked again over the whole outside  
And found the pump was a radiant bride!*

*And glittering marble blocks now stood  
Where once we kept our stack of wood.*

*I laughed and clapped and shouted with glee—  
To find the woods were a filagree!*

*On their silver reflection the trees could look  
With a magic mirror—our old Stone Brook!*

*But best of all this gorgeous sight  
The woolly sheep were wondrous white!*

*It was hard to tell just where or when  
The snow left off—and the sheep began!*

*And Bossy had quite a big surprise—  
Frosty white lashes 'round her velvet eyes.*

*So you see we all had quite a day  
Wondering if he had fixed things up this way!*

INTERNATIONAL  
FERTILIZERS

quality pasture fertilizer

gives you extra value

Generous fertilization of pastures with *International Crop-Producing Plant Foods* of high phosphate and potash content is doubly profitable.

It is an effective means of producing thick, high-quality stands of legumes and grasses to provide your livestock with abundant, money-saving, nutritious forage. And it helps build up the fertility of the soil for healthy growth of the cultivated crops in your rotation.

When you order fertilizers for your pastures—or for any other crops—it will pay you to ask for *International Fertilizers*. You'll be sure of fine quality and excellent mechanical condition, together with the tonnage you need of the grades recommended for your individual crops by your local extension service and experiment station.

Your *International Fertilizer Agent* is ready now to help you select your plant foods. See him soon, won't you, so you can be sure to have ample supplies of high quality *International Fertilizer* for satisfaction at harvest time.

## Winter Days Winter Evenings

"As the days begin to lengthen, the cold begins to strengthen."

Winter days on the farm are the most peaceful of the year. As the days lengthen, and the cold strengthens, it is then the farmer strengthens himself and his farm for the hard and long working days of the spring and summer to come, and rebuilds the wears and tears of the preceding season. His winter chores of milking and bedding down the livestock — keeping the woodbox filled and the animals warm and comfortable — are just enough to keep him fit. Now there is plenty of time to enjoy some of the pleasures of his farm work. He can leisurely look over his lands and pastures, fences and buildings, making mental notes of how he will plant in the spring, and improvements and repairs to be made. He has time to do some bookwork and figuring — finding out exactly what his profits and expenses have been and on some of his hobbies or do the little things around the house his wife has been hoping for. Best of all, he finds time to do a little rabbit hunting and enjoy the quiet beauty of his snow-covered hills and woods.

As the days lengthen and the cold strengthens, the winter evenings become the coziest of the year. A cheery fire blazes on the hearth, and families gather to pop corn, make taffy, sing around the old piano, or crack the stubborn hickorynuts, butternuts and brown-staining walnuts they gathered in the fall. Now is the time the men and boys like to make things out of wood — carve new axe handles, little what-nots, make furniture, or clean and polish their guns and rifles. The seed catalogue is the feature attraction while everyone names his choice of the bright colored flowers he wants to grow, and the planting is planned from A to Z. Mothers quilt or knit, crochet or cross-stitch until the older boys and girls come in from square dancing or sleigh-ride parties, from 4-H meetings or church clubs, to tell of the evening's fun and bring in friends for cider and doughnuts. The fire crackles merrily, and on these winter evenings when the cold strengthens, the family bond seems to strengthen, too!

## GET EARLY GAINS FOR BIGGER PROFITS ...THE WAYNE WAY

Experienced farmers know the *earlier the gain, the bigger the profit* from chicks, pigs, calves and poults. That's why it pays to *speed-up* the gains and growth of your young stock with the "Ingredient Quality" nutrition of Wayne Starting Feeds. Here's how the Wayne Way can help you, as it helps thousands of farmers, cash in with early gains for bigger profits.

**CHICKS** Start 'em fast with the new, improved Wayne Chick Starter that gave 15% faster gains over last year's formula in Allied Mills Research Farm tests! Low in fiber, high in efficiency, the 1950 formula includes Nicotinic Acid, Choline Chloride, D-Activated Animal Sterol, Homogenized Condensed Fish and APF Supplement (source of Vitamin B12) for faster gains! Also available in popular crumbled form—Wayne Krums!

**PIGS** Feed for early-gaining 40 pounders at 8 weeks with new, improved Wayne Pig Starter. "Spiked" with APF Supplement for that extra nutritional "kick" ... more rolled oats for extra palatability ... Irradiated Yeast for extra Vitamin D2 ... B-Complex vitamins ... dried whey for growth-promoting, riboflavin ... Nicotinic Acid! adds up to early gains for bigger profits—the Wayne Way!

**CALVES** For fast, low-cost calf growth, thousands of farmers depend on Wayne Calf Starter ... fortified with Irradiated Yeast, and made to "meet milk on its own terms" in results ... beat it a long way on cost. The Wayne dry-feeding method helps you produce early-gaining, vigorous calves, yet save and sell up to 1,000 lbs. milk per calf raised over old methods!

**POULTS** Early, extra gains on 8-week poults may save up to 2 weeks feeding before market! Feed for early gains right from the start—with the rich nourishment of Wayne Turkey Starter, which provides a variety of "Ingredient Quality" proteins, essential vitamins and minerals. Also enriched with Homogenized Condensed Fish and APF Supplement (source of Vitamin B12). A truly high-efficiency feed!

MODERN FARMING

*Don't Lose Your Farm for Want of a Repair*

Many implements that look ready for the scrap pile, can often be salvaged with a few inexpensive repair parts, a little "de-rusting", and a general over-all clean-up. Here, L. D. Bartlett of Knox County, Ohio replaces worn parts on a corn planter he had thought ready for the junk heap.

"FOR want of a gear, a planter was lost . . . for want of a planter, a crop was lost . . . for want of a crop, a farm was lost." Here's a new twist on an old proverb that may be well worth thinking about as the curtain rises on the 1950 crop year.

Of course, the proverb is a bit on the extreme side. The world won't come crashing down around you, and the man with the mortgage probably won't be running you off the farm . . . just for lack of a gear. But the proverb does serve to point up the importance of getting machinery in shape now to avoid costly, time-consuming breakdowns in the field during planting, cultivating and harvesting operations.

A day spent now checking over the tractor and implements may save many days in the middle of the crop season, when even half a day's delay can reduce yields and profits.

Your local implement dealer is the man to look to for major tractor and implement repairs. If you're handy, you can do many of the less important repair jobs yourself. In any case, be sure to go over each implement thoroughly, make a list of repair parts you'll need, and get the order to your dealer at once.

The pictures below may suggest some things you can do right now to make sure your equipment will be in shape to carry you through another year of crop production.

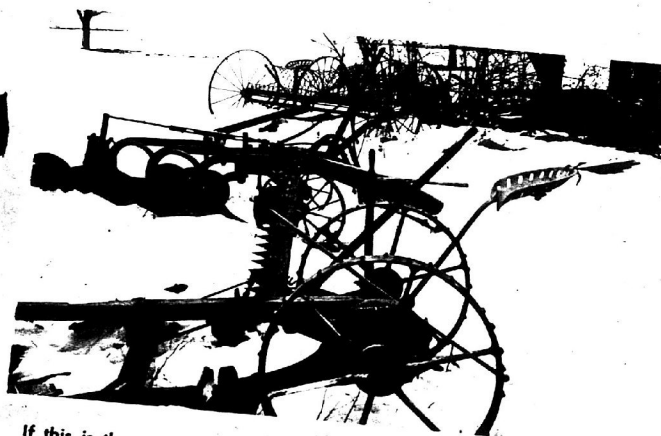

Farm welding units are growing in popularity. With a little instruction and practice, most farmers can use their welders to great advantage in repairing broken parts, which otherwise would have to be replaced or taken off the machine and into town for welding. Home welding units are especially important when parts break in the field and there's no time for a trip to town for replacements or repairs.

Instru  
can be  
farmer  
ment  
have t

of rea  
are p  
new,  
depend

ERN FARMING

If this is the way you stored your farm implements last fall, it'll take plenty of work to get them back in shape now for another season's use. Leaving machinery out in the field like this all winter allows rust and the weather to cut years from its service life.

Repa Part

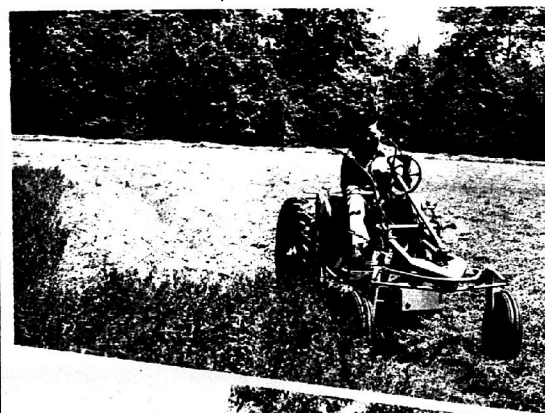

For major tractor and implement repairs, you will generally save time, money and grief by turning the job over to your local implement dealer. Most dealers have the tools, correct repair parts and "know how" that comes from experience and training to do an expert job of putting your machinery in first class condition.

Check your spark plugs or have your implement dealer do it for you. Make sure the spark gap is correct to the manufacturers' recommendations. When setting the spark gap use a gap setter, but never touch the center electrode. Too wide a gap causes misses on heavy loads, while too narrow a gap causes engine to die at low speeds.

on manuals provided with your tractor and various implements of real value to you in servicing your equipment. Too many are prone to throw away the instruction book when the implement is new, and later when service and repairs are necessary, they depend on guess-work.

## TO completely POWER THE FAMILY FARM

It is just as wasteful to over-power a job as to under-power it. Here's a low-cost way to have the *right size* tractor for the work to be done.

Every farm has jobs the Allis-Chalmers Model G Tractor will do better or at lower cost than any other kind of power. On many farms, the Model G solves every power need. With it you can have a line of quick-hitch, front-mounted implements that enable you to grow a wider choice of crops than with any other tractor.

If you now own a larger tractor, why tie it up with light jobs the Model G can do on quarts of fuel instead of gallons? During busy seasons, this extra power plant can prove "worth its weight in gold."

### For Any Size or Type Farm

Actually, the rear-engine Model G is now used for all kinds of farm work — on all kinds of crops — on all sizes of farms.

In one general farming community, for example, more than 150 owners now use Model G Tractors. They mow with a field-weight, 5-foot mower . . . plant up to the capacity of any 2-row planter. On many farms, these two jobs alone — mowing and planting — more than justify investment in the tractor.

For *all* jobs on some farms . . . for some jobs on *all* farms . . . to completely power your farm, own the . . .

### . . . Rear Engine G Tractor

Stop Losses from  
**MASTITIS**  
A Single Infusion of  
**AUREOMYCIN OINTMENT**  
*Lederle*

Clears Staphylococcic as well as Streptococcic Mastitis in a high percentage of cases!

AUREOMYCIN OINTMENT *Lederle* is effective against the chief organisms acted on by penicillin plus many other types. In extensive tests among dairy herds, over 86 per cent of mastitis infections cleared up completely within 48 hours after a single-infusion treatment with AUREOMYCIN OINTMENT. All but a small percentage were cleared by a second infusion in 48 hours.

- AUREOMYCIN OINTMENT has these advantages:
- MORE EFFECTIVE THAN PENICILLIN
- ACTIVE FOR MORE THAN 48 HOURS
- FREE-FLOWING AND SPREADS THROUGH-OUT UDDER
- COWS MAY BE MILKED REGULARLY
- SAFE, WHEN PROPERLY USED
- READY-TO-USE TUBE
- SMALL, ROLLED-IN TIP INFUSION END
- NO SYRINGE OR MILK TUBES
- USUALLY ONLY ONE TREATMENT NEEDED (If necessary, repeat treatments at 48-hour intervals.)

Prompt treatment of mastitis with AUREOMYCIN OINTMENT will bring you *quick results in full production* of salable milk.

This product should be used in accordance with instructions in the package literature.

For maximum efficiency in the use of AUREOMYCIN OINTMENT, as well as for best management practices and disease-control procedures, consult your veterinarian.

A booklet on AUREOMYCIN OINTMENT will be gladly sent on request.

*Swing your partner*

By SUSAN LOWE

DO-SI-DO WITH YOUR PARTNERS ALL ...  
DO-SI-DO WITH YOUR CORNERS ALL ...

The SQUARE DANCE has come into its own! In Hollywood and in Manhattan, in New Orleans and on Puget Sound, the rollicking music and merry laughter, the colorful garb of western cowboy and the rainbow-like pageantry of swirling skirts, the stomping of feet and the rhythmic calls of American folk songs and dances are sweeping the country by storm ... It's the music and dances of the plains and the prairies ... the songs from the wide-open spaces ... but it's invaded every corner of the land ... and come Saturday night and the halls in the city and hamlet alike are filled with the music and madness of the SQUARE DANCE!

ALLEMANDE RIGHT WITH YOUR PARTNERS ALL ...  
THEN PROMENADE AROUND THE HALL ...

But the music and the dancing and a grand-right-and-left are but a part of the story, for food and fun stand hand-in-hand at the Saturday night Square Dance ... As the hour approaches midnight, long white-covered tables spring up out of no-where. First come the sandwiches ... huge platters of them ... platters piled high with man-sized wedges. There are double-deckers and savory hamburgers ... there are nippy cheese sandwiches and nut bread ... and there are plenty of weiners and buns. There may be large flat pans of hot spicy baked beans. Or sometimes there are casseroles of scalloped potatoes and ham. Often too, there are bowls of tangy potato salad. There are pickles for sure and gelatin too, and sometimes there's pie ... And there are heaps of sugared doughnuts vying, as it were, with cakes of every description, for each cook brings her favorite dish — that at which she excels ... The men bring their appetites — and here everyone excels. And coffee for all in great big cups. Yes ...

COFFEE'S READY. THE CAKE IS TOO ...  
SO PROMENADE OUT TWO BY TWO.

GIRLS TO THE CENTER BACK TO BACK ...  
BOYS RUN WILD ON THE RAILROAD TRACK ...

GIRLS MADE THIS CAKE BUT THE BOYS WILL EAT IT — Tempting, feather-like, made with butter, this SUNFLOWER CAKE is something special. Layers are put together with an orange custard filling made from the yolks of the eggs. Spread the top and sides with fluffy whipped cream frosting. Orange sections make the daisy petals on top — with chocolate shot for the center.

SWING HER LOW ... SWING HER HIGH ... KISS HER ONCE  
AND AWAY YOU FLY ...

RAISED SUGARED DOUGHNUTS mark the top of the evening. And they're tops to make, too, with Hot Roll Mix.

Place ..... all of yeast from pkg. hot roll mix in mixing bowl; add 1 cup warm water and stir until completely dissolved.

Add ..... contents of Hot Roll Mix package; mix thoroughly to a stiff dough.

Let rise ..... in warm place (about 85° F.) until double in bulk, about 1 hour.

Turn out ..... on well-floured board and knead lightly.

Roll out ..... dough to 1/4 inch thickness.

Cut ..... with 2 1/2 inch doughnut cutter and place on floured baking sheet.

Let rise ..... in warm place until double in bulk.

Fry ..... in hot fat (375° F.) about 3 minutes on each side.

Drain ..... on absorbent paper; sprinkle with sugar while warm. (makes 2 dozen doughnuts.)

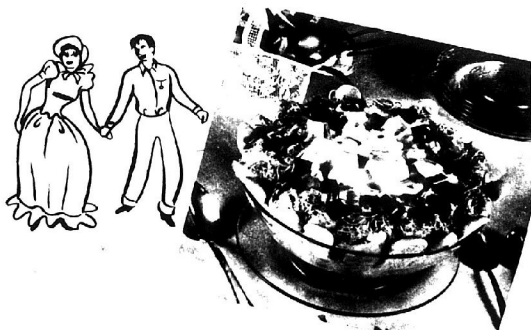

FIRST COUPLE RIGHT AND CIRCLE HALF ... Chances are they'll circle straight towards the Nut-Bread Sandwiches. This nut bread is made with yeast.

#### EASY NUT BREAD

- |                         |                        |
|-------------------------|------------------------|
| 1 tsp. sugar            | 2 tbsps. shortening,   |
| 1/4 cup lukewarm water  | melted and cooled      |
| 1 pkg. yeast            | 1 egg white, stiffly   |
| 1 cup milk              | beaten                 |
| 1/2 tsp. salt           | 1 cup coarsely chopped |
| 1/4 cup sugar           | nuts                   |
| 3 1/2 cups sifted flour |                        |

Dissolve 1 tsp. sugar in 1/4 cup lukewarm water. Add yeast. Let stand 10 minutes. Scald milk. Add 1/4 cup sugar, and salt. Stir well and cool to lukewarm. Stir yeast solution thoroughly and add to lukewarm milk mixture. Add half the flour and beat thoroughly. Stir in shortening. Fold in egg white and nut meats. Add remaining flour and mix well. Knead quickly and lightly for 3 minutes. Place in greased bowl and let rise in warm place (85° to 90° F.) until doubled in bulk (about 1 1/2 hours.) Divide dough into two equal portions. Round up lightly; cover and let rest 10 minutes. Shape into loaves. Place in greased bread pans. Cover and let rise in warm place until double in bulk (about 1 hour). Bake in moderate oven (375° F.) 45 minutes. Makes 2 loaves.

ON TO THE NEXT AND CIRCLE FOUR ... CIRCLE LEFT LIKE YOU DID BEFORE ...

CIRCLES AND SQUARES AND CUBES OF GELATIN as colorful as the gowns of the dancers — lime green — cherry red — lemon yellow. Cut gelatin into cubes, combine with whipped cream, sprinkle with coconut and surround with Lady Fingers.

MAKE IT IN 1/2 THE TIME

# -and no kneading!

Ann Pillsbury's  
NO-KNEAD METHOD  
developed exclusively for  
**Pillsbury's  
BEST**

Simply wonderful eating! And this coffee cake is so easy to make that even a beginner can do it. Only one rising ... no kneading ... and the making time is cut in half.

Remember, Pillsbury's Best makes delicious bread the old-fashioned way, too.

Whether you bake pie, cookies, cake, rolls—you'll find, always, you bake your best with Pillsbury's Best.

Ann Pillsbury

Director, Pillsbury's Home Service Center

Orange-Coconut  
Coffee Cake

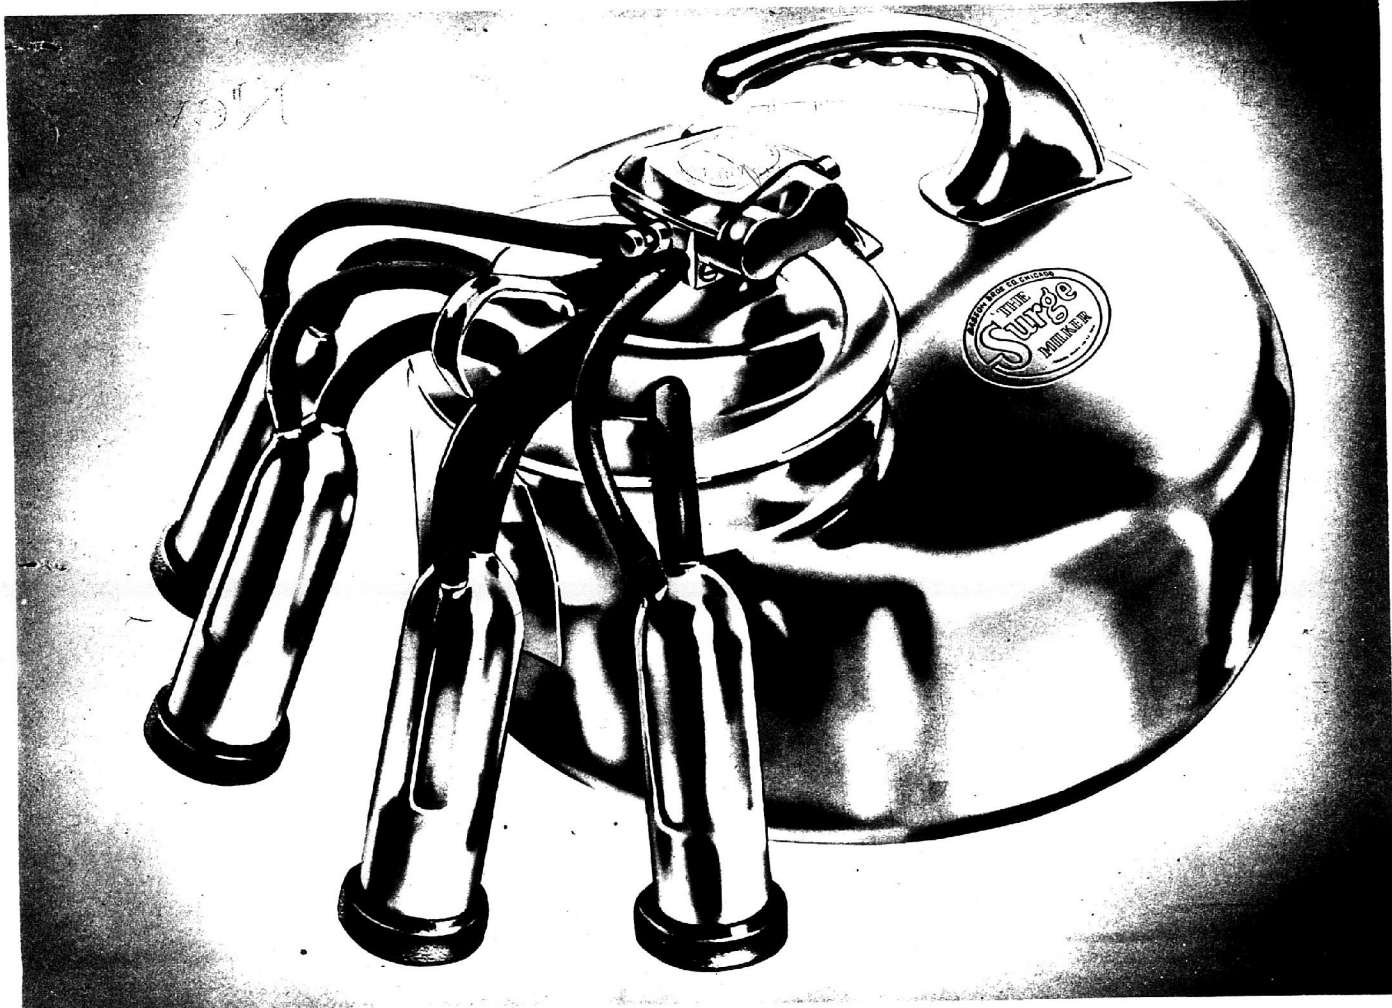

#### Ann Pillsbury's HASTY ORANGE-COCONUT COFFEE CAKE (No-Knead Method)

BAKE at 375° F. for 25 to 30 minutes. MAKES 10x10x2 or 8x12x2-inch cake.

- |                     |  |                        |   |
|---------------------|--|------------------------|---|
| Combine .....       | 1/2 cup scalded milk   | Spread .....           | dough in greased 10x10x2 or 8x12x2-inch pan. Cover with Orange-Coconut Topping.   |
|                     | 2 tablespoons sugar  | Let rise .....         | in warm place (85° to 90° F.) until double in bulk; about 1 hr. for unchilled dough, about 1 1/2 hours for chilled dough. |
|                     | 2 tablespoons shortening   | Bake .....             | in moderate oven (375° F.) 25 to 30 minutes.  |
|                     | 1 teaspoon salt  |                        |   |
| Cool .....          | to lukewarm with   |                        |   |
|                     | 1/4 cup water.   |                        |   |
| Add .....           | 1 cake compressed yeast (or 1 package dry granular yeast dissolved as directed on package*); mix well.   |                        |   |
| Blend in .....      | 1 egg  |                        |   |
|                     | 1/2 cup raisins  |                        |   |
| Add gradually ..... | 2 3/4 cups sifted Pillsbury's Best Enriched Flour; mix to a soft dough. (If desired, dough may be chilled. Place in greased bowl, cover and refrigerate for at least two hours.) | Orange-Coconut Topping |   |
|                     |  | Combine .....          | 1/2 cup sugar   |
|                     |  |                        | 1 tablespoon flour  |
|                     |  |                        | 2 tablespoons grated orange rind  |
|                     |  | Cut in .....           | 1 tablespoon butter; add  |
|                     |  |                        | 1 cup shredded coconut. Place on top of dough. Sprinkle with  |
|                     |  |                        | 1/4 cup orange juice.   |

\*The amount of water used to dissolve dry yeast should be subtracted from liquid specified in recipe.

Subscription—\$1.50 Per Year

**MANAGER'S TIP-OFF  
STARTS FBI MANHUNT HERE**

General suspicion and inquisitiveness of Ed. Ward, manager of the Northern Indiana Cooperative Association at Mentone, last Thursday evening prompted him to report an incident to Night Marshall Borton that had a group of FBI men, state police and State troopers in Mentone in a matter of hours.

The object of the concentrated search was one Alden M. Van Ness, alias Jens Kristian Neilsen, and unbeknown to Mentone citizens, our city was filled with FBI agents, detectives and state police each night, including Sunday night when the fugitive was captured at Lincoln, Ill. With the darkness each evening, the law enforcement officials would find their way into town and remain secluded until the nights were well spent, hoping to be at the proper place should the wanted man attempt to return to Mentone.

Van Ness was a native of Indiana but most local people considered him a Kentuckian, and his troubles began when he stole a tractor at Converse and drove it to Kentucky where he sold it. He was arrested and placed in jail at Peru. One cellmate was released from the jail and he agreed to smuggle saws to Van Ness and another fellow prisoner by the name of Holtzapple. The two escaped in August of last year and the three proceeded to continue their route of lawlessness. They were surprised in a robbery at Bourbon and the gang broke up. Libeo was captured in the state of Washington and Holtzapple in Lamar, Colorado. Van Ness didn't travel far—just to Mentone three days later when he sought and secured work as a coal hauler at the local Co-Op. He was well fortified with the proper alias on his social security card, chauffeur's license, etc., and his actions were almost beyond suspicion. He made a bold front of church attendance, posing as a Christian.

Cooperative officials had no particular reason for wanting to remove Van Ness from the payroll, but had made such plans when another employee took another position so he could stay at Mentone. Christmas eve Van Ness left to visit his parents and was to return the following Tuesday. (Continued on back page)

**RAY SMITH ELECTED  
PRESIDENT OF MERCHANTS**

Ray Smith, of the IGA store, was elected president of the Mentone Merchants' Association at the annual business meeting held Monday evening.

Other officers elected were:  
Arthur Brown, vice president.  
Ora McKinley, secretary.  
Loren Tridle, treasurer.

The group was in favor of continuing the free band concerts during the summer months and plans are being made to have a schedule arranged.

**GEORGE MOLLENHOUR IMPROVES**

George Mollenhour was brought home from the Woodlawn hospital last Friday after being there for more than a week following a hernia operation. He is improving and is able to be up some.

**MARCH OF DIMES**

The March of Dimes appeal is one with which members of Parent-Teachers associations are peculiarly concerned, since three-fourths of infantile paralysis patients are children of school age or younger.

P. T. A. members can help by giving their support as individuals in giving, and in publicizing the March of Dimes campaign.

Dimes and dollars can be put to no better use.

**IN VETERANS' HOSPITAL**

Jacob D. McClone, Jr., is a patient at the Billings Veterans' hospital at Indianapolis, where he submitted to a herniotomy Thursday. He is the son of Mr. and Mrs. Jake McClone.

**CLUB CALENDAR**

P. T. A., Wednesday, January 25, at school house, at 7:30.

Mentone unit, American Legion Auxiliary, Post home, Tuesday evening, Jan. 24, 8:00 p. m. Combined business meeting and party for winners of the membership contest.

D. A. R., Tuesday, Jan. 24, 7:30 p. m. at home of Mrs. Ray Rush.

P. T. A. —Wednesday evening, Jan. 25, at the School building at 7:30.

Boy Scout paper drive, Saturday morning, Jan. 21. Have papers bundled.

**SPECIAL POLITICAL MEETING  
AT SCHOOL HOUSE HERE**

Helen R. (Mrs. Harold C.) Baker, vice chairman of the Kosciusko County Republican committee, has announced that Russell I. Richardson, Lebanon attorney and member of the Indiana General Assembly from Boone county, will make the principal address before the Kosciusko County Women's Republican Club, at the Mentone School building, at 8:00 on January 26.

Mr. Richardson is the self-styled Hoosier legislator who embarked upon a European trip last summer to study Socialism in Great Britain at close range. His self-sent mission to inquire into the workings of the present Laborite government of Great Britain was to determine whether or not the British people themselves felt that it led to progress or decadence. He attended parliament, talked with railroad and utility employees, had lunch with coal miners and visited in the homes of the Cockney, the costermonger, the barrow boy and lower "east side dweller." Likewise, his inquiry took him into the homes of bankers, business men, manufacturers and the middle class strata of British society. The facts obtained by Richardson were widely reported throughout the press in practically every state in the Union, both before and after his return. He has addressed numerous service organizations throughout the state of Indiana and has reported his findings to his constituents as he saw them. He is expected to tell the Republican Club about life in Great Britain among the same general type of citizens in England as make up their American counterparts in Indiana.

There will be delegations from all city and rural precincts in the county. This is an open meeting to the men and women of Kosciusko county. This meeting will be especially good for farmers and everyone should be there.

**JOINS AIR FORCE**

Robert Herendeen left Thursday for a three year enlistment in the Air Corps.

**LICENSE TO WED**

A marriage license has been issued in Rochester to Adolph W. Bagdon and Mary E. Hickman, both of near Akron.

**ANNOUNCE PLANS FOR AUXILIARY ESSAY CONTEST**

"The Rights We Defend" is the subject for the essays to be submitted by Mentone high school pupils in the Americanism essay contest sponsored by the American Legion Auxiliary. Mrs. Robert Whetstone, Americanism chairman of the Mentone unit of the Auxiliary, announces that she has given the rules of the contest to Mr. Ferverda, principal, and that the entries are to be in his hands by February 13. Two prizes of \$5.00 each will be awarded by the Mentone unit, one to the best essay submitted by a Junior high school student and one to the best high school entry.

The winning essays in the local contest will be entered in the state contest. Department awards for winning essays are \$50 each to the boy and girl in senior high school and \$25.00 each to the boy and girl in the junior high school groups for submitting the best essays.

Judges for the local contest are: Ralph Hoffman, Dale Kelley and Roland Ferverda.

**UNDERGOES MAJOR SURGERY**

Mrs. Nenian Kesler is at home and reported doing fine after undergoing major surgery at the Memorial hospital in South Bend.

**RETURN FROM HOSPITALS**

Charles (Buckie) Arnsberger, was returned to Mentone Wednesday noon after spending several days in the Murphy Medical Center at Warsaw. He is much improved, but was in a very run-down condition when he was taken there a few days back.

Elsie Melton, who has been in the Rochester hospital for several days with a severe back pain, is to be brought to his home Wednesday afternoon.

**HOME FROM HOSPITAL THURSDAY**

Mrs. H. A. Nottingham planned on returning home from the University hospital, Ann Arbor, Michigan, where she has been a patient for a couple of weeks.

**IMPROVED, FOLLOWING SURGERY**

Mrs. Andrew Hall is now at home following major surgery performed at the Woodlawn hospital. She was able to sit up some on Wednesday.

**OUR COUNTY AND  
SOCIAL SECURITY**

By Gerald O. Kelter

Your Social Security card is the key to your Social Security account which is kept for you by the government. It is one of the most valuable things you own, and should be preserved with the same care you use in protecting your insurance policy, your war bonds, and other valuable papers.

The Social Security Administration suggests that the two parts of the card be separated. Put the lower half in your safety deposit box or in some other place where it will be secure and where you can get it, if it is needed. Carry the upper half with you when you are applying for a new job or when you go to work on a new job. If you will wrap this part of the card in oiled paper or cellophane and carry it in the card compartment of your bill fold, it will last you many years.

Since it costs both money and time to issue duplicate cards, and since both money and time are precious, you are urged to do everything you can to prevent loss of your card. If you do lose it, however, take the lower half to the

Social Security Administration office nearest you and request a duplicate of your complete card. If you do not live in the city in which the Social Security office is located, you can still get a duplicate by writing to that office. Even if you have lost both parts of your card you can get a duplicate by either visiting the Social Security office or writing that office. You should be sure to ask for a duplicate instead of a new number, because you never need but one number, no matter how many different places you may work. The issuance of more than one number would cause your account to be divided and might, in the end, mean a loss of benefits to you or your family. The Elkhart office of the Social Security Administration is located in the Equity Building, Room 222.

ketball tourney at Rochester over the week end.

## MENTONE MURMURS

by  
DAVID and SALLY GOSSER

Murmurs has it on good authority that several of our local citizens have been entertaining angels, or at least an angel, unawares. The angel has not been of the highest order, in fact, the contrary is true, for he has been a wolf in sheep's clothing. We are referring to Alden Van Ness alias Jens Neilsen who from time to time sought shelter at the residences of Ralph Zephrung and Mrs. Minnie Fisher.

These last named citizens are good up-standing characters who will vouch for the fact that Christian people may still lead the most exciting and adventurous lives. It is with a sigh of relief, however, that they heard the news that Van Ness - Neilsen had been apprehended by the law in Illinois.

Mrs. Fisher first became suspicious of her roomer when she found cartridges in the pockets of overalls she laundered for Jens Neilsen. It seemed strange, too, that he always brought food to his room to eat rather than patronize the town restaurants, but "he is to be pitied rather than feared,"

says Mrs. Fisher, and Murmurs has no doubt of that.

Hind-sight is always more accurate than foresight, but always less useful. Murmurs wonders what Van Ness-Neilsen had on mind that prompted him to drive away from the Co-Op buildings one night in December when Murmurs walked over towards his car, hearing it make such a racket behind the Co-Op. office near midnight, pausing at the south side of the mill, he waited only long enough for Murmurs and son to walk as far south as the DeWitt residence, then hastily drove away. With a fertile imagination and some colorful information that we now have on hand, Murmurs could almost create a detective story.

Detective stories are interesting, but with only two weeks to get ready, Murmurs is more concerned about travel accounts, for "taking the bull by the horns," Murmurs is going to Florida, so are a lot of other Mentonites. Many, in fact, all of them will see more than Murmurs, but I dare say that none will enjoy the trip more.

Mr. and Mrs. Robert Firkins have been at Wabasso since last fall, and Gosherts of Burket have also been there. Mr. and Mrs. Floyd Tucker are on their way to Tampa. Mr. and Mrs. Chauncey Mollenhour and Mr. and Mrs. A. F. Mollenhour are leaving for Alabama and Florida a week from Thursday. Many other Mentonites have gone or will be going. The world is

getting smaller all the time, but that makes it more exciting. Who knows what Murmurs will have to say about his trip south? Future issues of the Co-Op. News will carry tales of the transplanted Hoosier community.

## SCHOOL NEWS

One of the most interesting tests given in our semester testing program was that given in high school English. The same test was given to all of our high school students. There were sections on spelling, on vocabulary knowledge, and English usage. A student's success on this test very well measures his ability to get along well in college.

Likely this same English test will be given a year hence. If each student

will only remember his score, he can measure his improvement when he takes this test a year later.

What can a student do to improve English ability? The factor which will help him most is doing much reading—reading of good quality. The student who loves to read and does lots of good reading will advance himself educationally. He will increase his vocabulary, his spelling ability, and his use of good English.

Cheap forms of literature will not assist a student. From them a student will not increase his vocabulary. Only small, easy words are used, keeping the reader from the opportunity of learning new words. Also often wrong forms of English are used. The reader puts faith in wrong usage and copies it. If the student wants to improve his English, he should select his reading material carefully. He should select something he will enjoy, for pleasure in reading encourages more reading.

The top ten English students according to this test ranked as follows:

Pat Marble, Nondra Hodges, Alyce Davis, Chas. Urschel, Floyd Dorsey, Donnagene Dillman, Madeline Holt, Geneva Whetstone, Junior Emmons, and Virginia Rush.

### MENTONE CLUB MEETS

Mrs. Leroy Cox, of Mentone, entertained the Mentone Home Economics club Thursday afternoon. Mrs. Cloice Paulus, vice president, was in charge of the meeting as Mrs. Earl Smith, president, is in Florida. Mrs. Paulus gave a report of the meeting held recently at Warsaw by the presidents of the clubs of the county. She also gave the "Family Living Outlook for 1950," making all conscious of excess expenditures in and for the home. For the meditation an article, "This Is Faith," was read by Mrs. Claude Gates. The group sang, "Auld Lang Syne," the song of the month, following the brief history of it read by Mrs. Raymond Weirick. In the business session, Mrs. Earl Sarber, the outgoing secretary-treasurer, brought the annual report, which showed an increase in the club funds. Mrs. Homer Blue was awarded the mystery prize and auction articles were purchased

by Mrs. Weirick and Mrs. Elmer Rathfon. In answer to roll call each of the 26 members present described "The Dress I Most Enjoy Wearing." Mrs. Gates assisted Mrs. Cox in entertaining the 26 members and guests present.

### LEGION WINS AT PLYMOUTH

The Mentone American Legion basketball team defeated the Lapaz team at Plymouth Monday night 38 to 53.

The box score follows:

Lapaz Grain		Mentone	
Calvert .....	3	Drudge .....	6
D. Albert .....	7	Shirey .....	8
B. Albert .....	4	D. Witham .....	8
Reese .....	2	Fore .....	3
Farmer .....	12	Wallace .....	17
McCarthy .....	4	Hoffman .....	4
Birk .....	6	Whetstone .....	9

The Silver Lake All Stars will play the American Legion team at the Mentone gym Thursday evening, Jan. 19.

### WANT TO SECURE RIDE FROM

Florida the week of Feb. 12. Rev. David Gosser, Mentone. 1p

Dr. A. N. Ferguson of the Duemling Clinic in Fort Wayne was the guest speaker at the cardiac clinic held at the Urschel Clinic last Sunday. Dr. Ferguson is cardiologist at the Duemling Clinic and was formerly on the teaching staff at Billings hospital of the University of Chicago. The subject discussed by him and Dr. Urschel was Chest Pain caused by Heart Conditions Other Than Coronary Artery Disease.

Mr. and Mrs. Rollin Long, of Ft. Wayne, spent Sunday at the Artley Cullum home.

Mrs. Maud Entsminger is confined to her home by illness.

CHANCE FOR BEACON LIGHT  
AT THE MENTONE AIRPORT

The Mentone airport may soon be able to secure a beacon light as an aid to night flying, according to Flying Farmer wingman, Chick Herendeen, who recently attended the Fourth Annual Flying Farmer clinic at Purdue University.

Mr. Herendeen, who represented the county at the clinic, said that Colonel Clarence Cornish, Indiana Director of Aeronautics, proposed a plan whereby

airway beacon lights, now being removed from airways because they are no longer necessary as navigation aids, be declared surplus property and turned over to State Aeronautical agencies, who would in turn make them available to municipal or private airports.

Cornish told the flying farmers that he had forwarded his proposal to Delos W. Rentzel, CAA Administrator, whom he said looked on it with favor. Under the Cornish plan the airport getting the beacon lights would bear the expense of installation, maintenance and operation.

Mr. Herendeen feels that plans formulated at the clinic will make 1950 the biggest year in flying farmer history. He said Bill Renshaw, executive secretary, outlined plans for a fly-to-worship event at Winona Lake; an agricultural flight to Muscle Shoals, Ala., and another Navy Familiarization Tour to Pensacola, Fla., to mention just a few of the events already planned. Other flying farmers and associate flying farmers who attended the clinic from this area were: Mr. and Mrs. Charles Creighton, Mr. and Mrs. Frank Meredith, Wm. Mollenhour, and Ford Mishler.

"Chick" has plans for organizing a county flying farmer unit this summer and all those interested are advised to get in contact with him.

MOTHERS OF WORLD WAR II

Mothers of World War II, unit 106, met at the home of Mae Borton, Wednesday afternoon, Jan. 11, with 17 members and officers present. The meeting was opened with Mrs. Wagner, past president, presiding. Allegiance to the Flag was given by the members present, in unison. The minutes of the previous meeting were read and accepted. Prayer was then offered by the chaplain, Bertha Meredith. A brief treasurer's report was given by Mrs. Davis. Two bills were presented and an order allowed with an order drawn on the treasurer for the same. Bernice Rush, Blanche Paulus and Elmyra Fisher, gold star mothers of the unit, thanked the unit for the plant presented them at Christmas time. Mrs. Wagner, acting as installing

officer, installed the following officers into their respective stations.

Blanche Paulus, president.  
Maude Romine, 1st vice president.  
Belle Morrison, 2nd vice president.  
Dora Whetstone, recording secretary.  
LaVera Horn, treasurer.  
Mary Barkman, sergeant-at-arms.  
Bertha Meredith, chaplain.  
Mae Borton, historian.

The president, Mrs. Paulus, then appointed the following committee chairmen: Opal Tucker, membership; Dora Norris, finance; Maude Romine, social and program, and Mildred Fawley, relief. These chairmen are to choose their helpers. Mildred Fawley, musician; Bertha Meredith, rehabilitation; Elmyra Fisher, child welfare and labor; Alta Hudson, Americanism, and Belle Morrison, legislative. Maude Romine won the door prize.

The next meeting will be held at the home of Mildred Fawley Wednesday evening, Feb. 8th at 7:30. The meeting was closed with the Mother's creed, singing, "God Bless America," and prayer by the chaplain. The hostess, assisted by Mrs. Myrtle Davis, served delicious refreshments.

REV. BAILEY SPEAKER  
FOR TALMA P. T. A.

The Parent-Teacher Association of Talma, held a meeting in the school auditorium Tuesday evening. The meeting was opened by a song, "The

Long and Short of It," followed by a business meeting in charge of the vice president, Mrs. Don Nickels.

The program consisted of the Girls' chorus, who sang two numbers, and a minstrel show by the seventh and eighth grades.

The speaker, the Rev. Harry J. Bailey, spoke on the subject, "Fitting Your Child for a Happy Life," which was most interesting.

Following two numbers from the "Birdland Trio," the benediction was given by Rev. Bailey.

## CONTEMPLATE PURCHASE OF LIFE SAVING EQUIPMENT

The above is a picture of the life-saving equipment, the purchase of which is now being sponsored by the Mentone Fire Department. Donations for this equipment are being accepted by the fire department, the Denton Drug Store and the Mentone Lumber Co.

This emergency unit is the E & J Resuscitator, Inhalator and Aspirator. It can be used on three victims simultaneously by three operators working entirely independently of each other, giving either resuscitation or inhalation. It is used extensively throughout the United States as first-line units in fire departments, police departments, hospitals and industrial companies, doing the job of saving human lives.

It is used in such life-saving cases as heart attacks, drownings, electrical shock, physical and mental shock, polio, infantile paralysis, asphyxiation, suffocation, child-birth, etc.

It is expected that this machine will be housed, maintained and operated by the fire department, and members of the department will be thoroughly trained in the operation and care of this unit by Mr. Howard Howard, Indiana state representative of the company.

The resuscitator, the total cost of which is \$796.50 complete, is on public display at the Denton drug store.

Your fire department will answer calls with the same emergency response as in fire calls.

If you believe this piece of equipment to be a worthwhile investment by the community, express your sentiments to the firemen, and give any donation you feel you'd like to make.

To start the ball rolling, the Psi Iota Xi has pledged \$200; the Mothers of World War II, \$25; and the Jolly Janes Home Economics Club, \$25.

17 ATTEND MEET OF  
COMMUNITY CLUB

The Pleasant Valley Community club met at the home of Chloris Barkman, with 16 members and one guest, Miss Margaret Peck, present, Wednesday afternoon. The meeting was opened by the president, Mrs. Dee Berrier, and the new club books were given to each member. A duet was sung by Mrs. Mary Harvey and Mrs. Kathern Barkman.

A beautiful box of personal stationery was presented to the club by Creamer Farry. It was voted to give \$5 for the Talma high school projector, and \$25 to the Talma gymnasium.

Mrs. Celia Grove read the secretary's report and three members were present at every meeting last year. They were Mrs. Geraldine Hunter, Mrs. Lela Graffis and Mrs. Marjory

Dusenbury. Mrs. Maleta Borden read the treasurer's report for 1949. The Collect was repeated and delicious refreshments were served by the hostess.

## DIES IN OKLAHOMA

Funeral services were scheduled in Stillwell, Okla., Wednesday for John T. Montgomery, a native of Fulton county who died at his home there Monday, following a two-year illness. He had been confined to his home for months.

Born Feb. 26, 1878, in Newcastle township, he was the son of Francis C. and Elizabeth (Ellis) Montgomery. He grew up there and was graduated from Rochester high school in 1896. He later attended college at Terre Haute, Indiana University and was graduated from Purdue University in 1914. He received his masters degree at the State University of Idaho.

# MENTONE ELIMINATED IN COUNTY TOURNEY

Mentone high school basketball team was eliminated from tournament play in their second game in the county tournament Friday.

## MENTONE-LEESBURG

In the second game of the Kosciusko County High School Tournament, Mentone won a thrilling overtime game from Leesburg by the score of 55-51. This game was sweet revenge for Mentone, since they haven't beaten Leesburg for four or five years.

Molebash, Johns and Friesner led the Mentone scoring with 15, 14, and 11 points respectively. Ferverda and Pound tallied 22 and 18 points respectively for Leesburg.

## MENTONE-BEAVER DAM

In another exciting game Mentone was defeated by Beaver Dam by the score of 41-39. A last second shot by Donnie Butt won the game for Beaver Dam. Beaver Dam got revenge for an earlier loss to Mentone in the 4-way tourney that was held at Warsaw.

Dunnuck and Emmons led the Mentone scoring with 15 and 10 points re-

spectively. Rookstool was Beaver Dam's leading scorer with 19 points.

Dale Molebash was named as a guard on the all-county first team and Dave Johns was a forward on the second team.

## MENTONE READING CLUB

The Mentone Reading Club met at the home of Mrs. Dan Urschel on Wednesday evening, Jan. 11.

Roll call was responded to by each member giving her favorite fairy tale.

Following the business session, the program committee, composed of Mrs. Allen Shirey and Mrs. Dale Wallace, introduced Leroy Norris who was with the army of occupation in Japan. He gave an unusually interesting account of Japan, and told many personal experiences which added color and humor to his account. Leroy has a number of lovely Japanese souvenirs, the prize being a Samuri sword, over 150 years old, which is nearly priceless. The ladies truly appreciated hearing this first hand information about Japan, which left all with a greater understanding and sympathy for our recent enemy.

Dainty refreshments were served by the hostess and her assistant, Mrs. Don Bunner.

## LIONS ENTERTAIN CHILDREN

Over a hundred boys, girls and father Lions enjoyed a fine supper and a show of magic at the school building Wednesday evening when the Mentone Lions entertained their children.

The high school clarinette quartet, composed of Martha Creighton, Bonita Miner, Donna Jean Dillman and Jody Cullum entertained with music during the dinner, after which Roy Meyers, of Sidney, gave a fine exhibition of magic and sleight-of-hand.

Dr. and Mrs. A. N. Ferguson of Fort Wayne were dinner guests of Dr. and Mrs. Dan Urschel Sunday.

### PSI IOTA XI MEETS

Beta Epsilon chapter of Psi Iota Xi held its business meeting at the home of Mrs. Maude Snyder. Members present were Mrs. Earl Anderson, Mrs. Devon Hirschmann, Mrs. Curtis Riner, Mrs. Ralph Ward, Mrs. Max Nellans, Mrs. Marshall Parker, Mrs. Wayne Nellans, Miss Annabel Mentzer, Mrs. Lymon Mollenhour, and Mrs. Kathleen Camplejohn. Various matters of business were discussed.

It was decided to give \$200.00 toward the purchase of a resuscitator-inhalator-aspirator which the Mentone Fire Department is raising money to purchase.

After the business meeting, the hostess served refreshments, which were enjoyed by all.

## Calling all outdoorsmen

By JIM MITCHELL

Probably an outdoor column should be designed solely for entertainment; but with so much work needing to be done to protect our wildlife, I can't keep from climbing aboard the old soap box occasionally.

And now it is the support of the new Fish Restoration Bill, a measure to be considered by the new Congress, that I am requesting all of you to give. The bill actually is a must in the wildlife picture.

This new measure is a follow-up to last year's Dingell bill which was passed by Congress, then vetoed by President Truman. Just why the veto was invoked has never been fully explained, for, certainly, the Dingell bill had the support of all conservation groups as well as the endorsement of the nation's 14,000,000 buyers of fishing licenses.

Terms of the new Fish Restoration bill follow the same general ideas as advanced in the Dingell Bill. In part, this means that funds from the old excise tax on the sale of fishing tackle, now going in the general fund of the government would be given the various states in ratio to the number of license buyers. The money then could be used for fish management.

There was little opposition to the passage of the Dingell Bill in Congress last year, and the president's veto came as a sudden surprise to all who had been following the bill through Congress.

And, with this in mind, immediate action on the part of all sportsmen will probably be needed to assure more favorable consideration by the president when the bill reaches his desk.

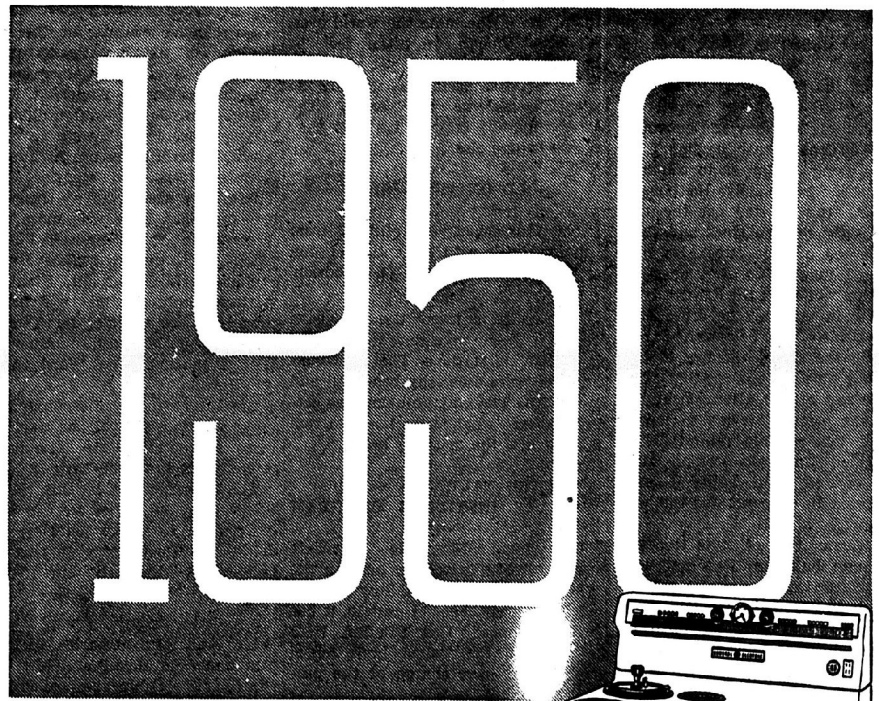

First and most important in the campaign to assure enactment of the Fish Restoration Bill is for every sportsman to write his or her local Congressman and Senators.

So how about writing now, telling your Congressman that you'd like to see the Fish Restoration Bill passed by Congress and signed by the president. If we all do this, there is little doubt but that the bill will go through in 1950.

**MANHUNT—**

(Continued from front page)

However, he failed to report back to duty but arrived last Thursday morning looking for his job again. He was driving a truck which he claimed his dad was helping him buy and he would use it to do small trash hauling jobs, etc., even going so far as to contract for one such job locally. He bought some paint and blotted out the advertising signs on the truck and then left it parked on the street. He had very logical answers to every question put to him while at the Co-Op. station. Later in the day he drove east and then some of the boys wished they had gotten the license number of the truck. They were so anxious that they spent the rest of the afternoon and a part of the evening trying to locate the truck, but without reward. They then notified Marshall Borton. Max Smith, too, had been suspicious and it is reported he also notified the police.

Mentone was full of state troopers that evening but Van Ness had left and know one knew where.

It has been learned that Van Ness had been working on a fur farm in Jennings county and he and another ex-convict had stolen a tractor that later mired in the mud. The one thief was captured but Van Ness escaped. Two days later a sheriff and deputy arrested Van Ness and while the handcuffed man was being taken to the sheriff's car, he slugged the deputy and escaped in the surrounding brushland. Law enforcement officials thought it wouldn't be difficult to apprehend him, being handcuffed as he was, but he managed to return to the farm, steal the truck and drive to Mentone.

State police in three states were on the lookout for the stolen truck and driver, but Van Ness managed to get to Lincoln, Illinois undetected. He was found in the coal bin of a home where he had hidden when the owners returned and found him sitting before

an oil stove he had lighted to warm himself.

Yep, life is the same the world over, and even though we often feel "it couldn't happen here," yet we now should be convinced that we are no exception, and we can expect the same things to happen here as they do everywhere else.

**SOLD ON TELEVISION**

Elva Shunk has just returned from a months visit with his daughter and family, Mr. and Mrs. G. D. Goodrich, at Owings Mills, Maryland.

Elva really enjoyed the television programs which were sent from six or eight different stations. The Christmas programs were especially beautiful and impressive. The only problem was getting to bed, what with the program running into the morning hours.

**ANNOUNCE TALMA INSTITUTE PROGRAM**

The annual Newcastle Township Farmers' Institute will be held in the township community building Tuesday and Wednesday, Feb. 14 and 15, it has been announced. Don Pfeiffer, Herb Carlisle and the Talma high school teachers will have charge of the program.

Members of the institute committee are Elgie Vandermark, president; Clyde Harvey, vice president, and Gerald Kindig, secretary and treasurer.

**PENNY SUPPER COMING**

Keep Saturday evening, Jan. 28, in mind, as a penny supper is being planned in the Methodist Church basement. Watch for the menu next week.

**CARD OF THANKS**

For all the beautiful cards, flowers, calls and Prayers of Christian friends while I was in the hospital, I want to express my sincere thanks.

MRS. ANDREW J. HALL

**BOY SCOUT NEWS.**

On Monday evening at the regular meeting of the Boy Scouts the following boys received their membership cards: Dennis Anderson, William Clark, John Clutter, Jon Cullum, John Davis, Robert Holloway, Larry McKinley, Merrill Peterson, Arthur Quier, Donald Rush, and Charles Urschel. These boys also received their Tenderfoot badges. Boys who more recently completed their Tenderfoot requirements and received badges are: Kay Flenar, David Gosser, and Frank Manwaring. The following boys have received, or are eligible, for Tenderfoot badges this Monday: John Smith, Dick Tombaugh, Ted Ward and Lester Horn.

Announcements concerning the financial campaign will be made at a more appropriate time. The date for it is the week of February 12.

The paper drive is this Saturday. Please have all paper tied in bundles or packed in paper cartons. Scouts will be at Tombaugh's parking lot to receive paper brought in from the country.

Mr. and Mrs. Charles McPherron and daughter, Helen and Mrs. Goldie Station, of Mishawaka, called at the home of Mr. and Mrs. Adam Bowen on Tuesday. Other callers were Mr. and Mrs. Adam Martin, of Atwood. Mrs. Martin is Mrs. Bowens Aunt.

**NEWTON - BOWMAN**

Mr. and Mrs. Stanley Newton are residing in their newly furnished home north of Burket, since their return from their wedding trip during which they visited in Illinois. Mrs. Newton is the former Mrs. Bonnie Bowman, daughter of Mr. and Mrs. Kenneth Ivans, of Claypool, route 1. Mr. Newton is the son of Mrs. Tessie Newton, of Mentone.

The marriage took place at the home of Mr. and Mrs. Ivans on Sunday, Jan. 8. Rev. Laurence Smith, pastor of the Burket Methodist church, read the double ring marriage service. Pink and white flowers decorated the mantel, making an attractive background for the wedding party. The attendants were Mrs. Margaret Flohr, of North Manchester, cousin of the bride, and Mario Satarzi, of Hammond.

A wedding collation was served following the ceremony. Guests from a distance included Mr. and Mrs. Howard Newton, of Hammond; Mr. and Mrs. E. D. Anderson and Mr. and Mrs. Wetzel Thomas, of Sweetser; Mrs. Lewis Krom, of North Manchester, and Mr. and Mrs. Frank Newton, of Mentone.

Mr. and Mrs. Dean C. Bowen and family, of Albion, Michigan, visited at the home of their uncle and aunt, Mr. and Mrs. Adam Bowen and Roscoe, on Saturday.

## MRS. PEARL EMMONS, DIES

Mrs. Pearl Emmons, 74, of Kewanna, widow of Charles Emmons, died at the home of a daughter, Mrs. Nellie Lisey, at 3 p. m. Friday after a few hours of illness.

She was born near Rochester, January 6, 1876, the daughter of George and Elizabeth Hummel Norris, a resident of the Kewanna vicinity for 40 years and a member of the Kewanna Church of Christ. Her husband died in June 1945.

Surviving children are: Mrs. Nellie Lisey and Chester Emmons of Kewanna; William of Letters Ford; Mrs. Maude Dillan, Mrs. Anna Belle Drew, Donald, Carl, and Robert all of South Bend, and Harold Emmons of Detroit, Mich. Five children preceded her in death. Also surviving are 13 grandchildren, and 19 great-grandchildren. One brother, Frank Norris, of Kankakee.

Funeral service was held Sunday afternoon at 2:00 p. m. in the Harrison Funeral Home in Kewanna, Rev. Henry Bulger officiated. Burial was made in the Reaster Cemetery at Talma.

Mrs. Emmons was formerly of New-castle Township before she and the family moved to Kewanna to make their future home.

MENTONE DEFEATS NORTH  
WEBSTER HERE TUESDAY

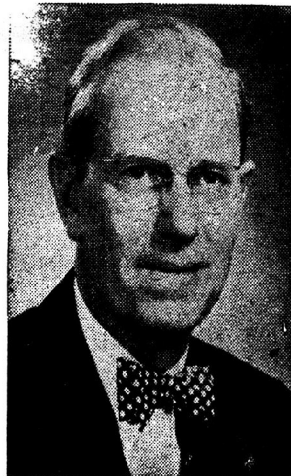

The Mentone high school basketball team defeated the North Webster boys at Mentone Tuesday evening 53 to 56 in what was termed a very interesting and exciting game.

The Mentone boys took the lead in the first quarter, trailed four points at the half and was about even at the third quarter. The fourth quarter was heart-breaking as the visitors took a big lead. Mentone came through in the final minutes of the game to tie the score and then forge ahead three points with less than twenty seconds to go. Emmons was high point man with 21 points, but his teammates did a nice job of scoring, too.

## BOWSER

Mr. and Mrs. David Bowser are the parents of a son, born Monday at the McDonald hospital. The new boy has been named David Rex.

## TO SPEAK AT MENTONE JAN. 26

Russell I. Richardson, Lebanon attorney, who will speak at the Mentone school Thursday evening, Jan. 26. The meeting is sponsored by the Kosciusko County Women's Republican Club, and everyone is invited to attend.

IN HOSPITAL  
FOLLOWING ACCIDENT

Cecil Nicodemus is a patient at the Woodlawn hospital following an accident which occurred about 7:30, Monday evening on road 25, near Rochester.

Mr. Nicodemus was going west and met a pick-up truck, driven by Leonard Lowe, of Tippecanoe. Apparently it swerved into his car. In the accident, Cecil suffered a broken right knee cap. His car was damaged extensively, also. Mr. Lowe was not injured.

Surgery was performed on the broken knee-cap on Tuesday. Cecil may be able to return home within a week or ten days.

YOU'VE HEARD OF A  
"LOT OF BALONEY"

Well, we all know Fred Lemler is an expert of long standing, but the fact remains he can still deliver the goods. If you don't believe it, just take a glance into his meat case and see what a piece of baloney about ten feet long looks like.

The general idea is to guess how much that chunk of meat weighs, and the best guesser is to receive some suitable reward.

## BURNED BY MAGNESIUM POWDER

Devon Hibschanman suffered severe burns last Friday at his work at the Orthopedic Equipment Company in Bourbon, when some magnesium powder ignited. Devon suffered second degree burns on his right hand and arm; and was severely burned on the left side of his face and about the eyes. His glasses were melted by the terrific heat, but probably saved his eyes from permanent injury.

He is able to be out and around but will not be able to work for several days.

## WORD FROM LAKELAND FLORIDA

Mr. and Mrs. W. E. Smith, former Mentone residents and now living in Rochester, are spending sometime at Lakeland, Florida.

Mrs. Smith sent a letter giving us their address at Lakeland. She writes, "We are living in a rented trailer out in the country on the Lakeland-Plant City road. It is a beautiful camp and the owners are tops. The camp is dotted with tall pines covered with Spanish moss. The sunsets we see are very beautiful—real pictures.

The strawberries are at their peak, now, and they are flying them out to market. Vegetables are all so nice—large heads of lettuce, solid like cabbage, for 7c to 10c each. Tomatoes just 2c each. Plant City is the center of this particular section of vegetables and all are really nice.

We think we like it better inland than on the coast, it is warmer and not so much wind. Haven't gone fishing as yet."

Thanks for the letter. We'd surely enjoy dropping in on you, but will get the details when you get home.

## SLIGHTLY DAMP HERE LATELY

For the benefit of our distant readers who may be basking in sunshine or skidding on frozen ground, we mention that this part of the country has seen plenty of rainfall the past few days. Summer temperatures—65 and above—have taken all the frost from the ground and the entire area is a series of "inland lakes."

Mr. and Mrs. Mervin Jones and son Ken had Sunday evening dinner with their mother.

CLAYPOOL CITIZEN  
DIED SATURDAY

John W. Smith, 82, of near Claypool, died at 8:45 a. m. Saturday at the McDonald hospital at Warsaw. He had been ill for two years due to diabetes. Mr. Smith, who was a farmer, was born at Claypool August 31, 1867, the son of David and Jane (Kistler) Smith.

He was first married to Jennie Snoke. Following her death he later married Clara Belle Norris.

Surviving relatives include his wife; two sons, Herman D., of near Claypool, and Ancil K., of route 2, Warsaw; one daughter, Mrs. Irene Park, of North Manchester; four brothers, Samuel, Eli and Calvin, all of in and near Claypool, and Carey, of New-castle; three grandchildren, and five great-grandchildren.

A daughter, Ruby, and two sisters, Mrs. Chester Shaffer and Mrs. Norman Clinker, preceded him in death.

Funeral services were held at two o'clock Monday afternoon at the Mt. Pleasant Methodist church, of which he was a member, with Rev. Thurman Morris, of Kokomo, formerly of Claypool, in charge. He was assisted by Rev. Lawrence Rule, pastor of the church. Burial was in the cemetery there.

MR. JESSE DELOE  
TO SPEAK AT TALMA, SUNDAY

Mr. Jesse Deloe will be the guest speaker at the Talma Christian Church Sunday night. Not only will Mr. Deloe bring the evening message, but he will also speak to the young people at 6:45 p. m.

Mr. Deloe is formerly from Washington, D. C., the hometown of Rev. Howard, the Pastor of Talma Christian Church.

At the present Mr. Deloe is in charge of the printing department of the Brethren Missionary Herald at Winona Lake, Ind. Come and hear this very interesting lay-speaker, Sunday night.

Mr. and Mrs. Emmett Foltz, of Swayzee, spent the week end with their daughter and family, Mr. and Mrs. Raymond Cooper and David. Hubert Cook, a nephew of Mrs. Cooper, accompanied them.

## NEW CASTLE

### TOWNSHIP NEWS

Mrs. Helen Emmons called on Mrs. Faye Swihart and Mrs. Kermitt Biddenger, Friday afternoon.

Mr. and Mrs. Robert Calvert and family were the recent guests of Mrs. Harold Myers of Mishewaka. Mrs. Myers has been very ill for sometime but is improving now.

Mr. and Mrs. Fred D. Barr and Mrs. Edith Arter were the recent guests of Mr. and Mrs. Grover Everhart, Jr. and daughter Karen of Culver.

Miss Rosie Good of South Bend spent week end here as the guests of her parents, Mr. and Mrs. Good.

Mr. Calvin Green has leased the Mrs. Helen Emmons Garage here and has opened for business.

Mr. O. C. and Lavoy Montgomery were the dinner guests of Mr. and Mrs. John Hanson and Bob, Tuesday at Winamac.

Miss Nora Haines hasn't been quite so

well the past week.

Miss Alice Stavedahl, daughter of Mr. and Mrs. Charles Stavedahl, has been subject to a high fever for several days causing much concern to the parents.

Mr. and Mrs. Omer Holloway and family spent Sunday in Gary as the guests of her mother.

Mr. Harry Srivver has purchased a new 1950 Ford sedan of the local agents.

Cynthia, the daughter of Mr. and Mrs. Francis Rogers has just recovered from her illness in which she carried a very high fever.

Mr. Raymond Bowers has accepted a position at the Talma High School building.

Herbert and James Zimmerman of Rochester were the guests of Friends here Tuesday evening.

Mr. Omer Holloway has resigned his position as janitor at the Talma High School.

Mr. and Mrs. Herman Haines and family of Warsaw were the Sunday guests of his sisters, Misses Alice and Neva Haines.

Mrs. Ralph Hatfield wasn't quite so well last week.

Mr. and Mrs. Grover Everhart, Jr. and daughter of Culver were the week end guests of her parents, Mr. and Mrs. Fred Barr.

### IN MEMORIAM

In memory of Corylss J. Paulus, five years ago Jan. 24.

We know we have not lost him,  
For that could not be.  
He is only on a journey,  
Where God guards him constantly.  
If love like his could vanish,  
Heaven and earth would pass away.  
Tho we grieve, we are sure our dear one,  
Is still close to us today.

MRS. CORYLSS J. PAULUS

### P. T. A. NEWS

During the months of Jan. and Feb. there will appear on billboards throughout the State of Indiana posters which have been placed there through the cooperation of the Outdoor Advertising Association of Indiana and for which the Indiana Congress of Parents and Teachers is given credit. The poster will show a man kneeling beside a child in the street with the caption, "He Didn't Mean to Do It."

This reemphasizes one of the most important departments of P. T. A., that of safety.

## MOVING TO ROCHESTER

Mr. and Mrs. Eldrel (Bud) Paulus will move to Rochester soon. Beginning Thursday, they will be employed by the Burton Plumbing and Heating Company, of Rochester. Juanita will be in the office and Bud in the shop. They plan to move as soon as their apartment is ready.

Mr. and Mrs. Paulus have been employed at the Frank Mfg. Co. in Mentone, for several years. Although the community hates to lose them, we sincerely wish them well in their new location.

## JACKSON TO SPEAK ON WOWO

Kosciusko County Agricultural Agent, Paul Jackson, will be the principal speaker on the "Little Red Barn Program" to be heard on WOWO and WOWO-FM Thursday morning, Feb. 9th, beginning at 6 o'clock.

His subject for the broadcast will be "Mastitis Control in the Dairy Herd" and he will have with him as a guest, Mr. Dorris Harrold, who will help with the interview.

"The Little Red Barn Program" is heard each morning, Monday through Saturday, at the same time, and is presented as a public service for farmers in the Indiana-Ohio-Michigan area. It is under the direction of Jay Gould, WOWO Farm Service Director, with music by Nancy Lee and the Hilltoppers.

## PINK AND BLUE SHOWER

Mrs. Jean Pritchard and Mrs. Wanda Simcoe entertained a group of friends in honor of Mrs. Babe (Rogers) Long, at the home of Mrs. Max Smith on Saturday, Jan. 21st.

The occasion was a surprise pink and blue shower.

Mrs. Long received many gifts from the group. Following a social evening, the hostesses served lovely refreshments.

## HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

Most childhood disease reported to the Indiana State Board of Health during 1949 showed a decrease in incidence as compared to the preceding year with the exception of poliomyelitis. German measles, septic sore throat and whooping cough.

The greatest incidence increase was shown in poliomyelitis and German measles. Seven hundred and eighty one more cases of poliomyelitis were reported by health officers and 1,009 more cases of German measles. The cases of septic sore throat increased

by eighteen and whooping cough by five.

Measles showed the greatest drop, with 17,448 cases reported in 1948 and 4,021 in 1949. Diphtheria reported cases decreased by 48; chickenpox by 190; mumps by 2,443 cases; scarlet fever by 27 cases.

Nine cases of Rocky Mountain spotted fever were reported during the year, and 25 cases of tularemia, which was 20 less than the preceding year. No cases of smallpox were reported last year.

"We are not always able to record every communicable disease that occurs in Indiana, but we can tell by the cases reported to us by the doctors through the health officers of the trend of the diseases in this state," Dr. J. W. Jackson, director, Division of Communicable Disease Control, Indiana State Board of Health, said in announcing these statistics.

A survey to determine the number of school teachers, food handlers, bus drivers and janitors who have had a physical examination, including a diagnostic chest x-ray, in compliance with the teachers examination law is being made by them the Division of Tuberculosis Control of the Indiana State Department of Public Instruction.

"This law provides that every board of education and school trustee shall cause the physical examination to be made within one year from the date the Public Health Code became operative, unless the employee can produce evidence of a satisfactory examination made within the preceding three year period," Dr. Merle Bundy, director of the tuberculosis control division, pointed out. "The code became operative should be complied with by July 1, July 1, 1949 so that means the law 1950.

"For the purpose of simplifying distribution, the survey questionnaire is being forwarded to the country and city school superintendents," Dr. Bundy said.

## 4-H ENROLLMENT

4-H Enrollment was due in beef calf, dairy (except junior calves), sheep flock, sow and litter, and poultry flock on Jan. in Kosciusko County for the first time this year.

This makes all members who enrolled in these projects eligible to show at the State Fair if they enrolled on a state card. All those who have enrolled will receive their record books as soon as possible.

The following number is enrolled by projects: Beef Calf, 31 members with 57 calves; Dairy, 74 members with 114 calves; Sheep Flock, 2 members and 2 flocks; Poultry Flock, 7 members and 7 flocks; Sow and litter, 14 members and 22 sows to farrow.

Enrollment is due in other projects June.

## "SINGSPIRATION"

Greater Marshall County Youth for Christ Singspiration will be held on Sunday evening, January 29th from 9:30 p. m. to 10:30 p. m. in Plymouth Wesleyan Methodist Church.

No age limit, everybody invited. Come bring a special number, either vocal or instrumental and enjoy the hour with us.

## R.R. Passenger Stations

Railway passenger stations in the United States total approximately 59,000 and freight passenger stations 61,929.

## METHODIST CHURCH NEWS

The Choir of the Methodist Church will present the Easter Cantata, "FROM DARKNESS TO LIGHT," on Palm Sunday Night, April 2. The music is arranged from Symphonies and Scores by P. I. Tschalkowsky and published by the Lorenz Company. It includes such melodies as the "Andante Cantabile" from the Fifth and Sixth Symphonies. "None, but the Lonely Heart," and the "March Slav."

The Pastor, Rev. David Gosser, has

been granted a leave of absence for the first two Sundays in February when he will drive the Rev. Charles and Mrs. Croxall to Florida. Rev. Croxall was the District Superintendent of the former, Goshen District. He served a pastorate in Warsaw, and is at present the assistant to the Rev. Harrold Neal at the Mishawaka Methodist Church.

In the absence of Rev. Gosser, Mr. David Turnbull of Mishawaka will address the congregation on Sunday morning, February 5. His topic is "THE LOST COIN."

On Sunday, February 12, the Junior Choir will sing the Negro Spiritual, "Nobody Knows the Trouble I've Seen," which is in keeping with the occasion, Lincoln's Birthday. The sermon for the morning will be presented by Mr. Earl Burgett of Rochester. His subject is "Abraham Lincoln and Good Friday." Mr. Denton Abbey, the Lay Leader, will introduce the speakers and direct the services.

Choir rehearsals will continue during the absence of the director.

The showing of slides or films will be the feature for this Sunday evening at 7:15. Mr. Robert Firkins of Mentone—Wabasso has sent fruit for the fellowship that follows.

Because of the absence of the Pastor on the First Sunday of February, this Sunday will be Membership Sunday.

The Birthday Memory Book goes to press this week.

ADVOCATE subscribers are to contact Mrs. Kohr by Sunday.

A penny Supper this Saturday evening from 5 until 7 p. m. will be served by the W. S. C. S.—J-O-Y Circle. Proceeds are for the Pension Fund.

## In Legion Tourney.

Saturday afternoon at three o'clock the Mentone Legion team plays Akron in the Legion tournament starting at Delphi Jan. 28.

## North Liberty Here Thursday.

The first and second teams from North Liberty come to Mentone Thursday evening, Jan. 26th, to play the Mentone teams.

## IN MEMORY

Of our dear Husband, Father and Grandfather, Jesse Newell who passed away two years ago, Jan. 23.

MRS. JESSE NEWELL  
CHILDREN AND  
GRANDCHILDREN

Chuck Feldman took a load of cattle to Elmers, N. J., Friday night. They had been purchased from Rex Parker, of Silver Lake.

## WEARY HOMEMAKER'S DREAM

At this time of year my desire seems to lean,  
Toward finding a house that will keep itself clean;  
A home that runs smoothly, with no effort from me,  
A tub that scrubs children—could that ever be?

For the lady who wishes  
They've sinks that wash dishes,  
And a furnace to burn  
If a handle you turn;  
So why not a house with a button to press,  
That all automatically cleans every mess!  
Perhaps in Mentone there's a genius of note,  
Who might from this hint such a gadget promote.

—Ann Oyler.

## AMERICAN LEGION AUXILIARY DISTRICT MEETING

Members of the Mentone unit of the American Legion Auxiliary who attended the meeting of the second district, held Wednesday at Valparaiso, were: Mrs. Ward Williamson, Mrs. John Irwin, Mrs. Maude Snyder, Mrs. Ervin Wagner, Mrs. Richard Manwaring, Mrs. Frank D. Smith, Mrs. Cloice Paulus and Mrs. Bud Paulus.

Guest speakers at the sessions were Miss Louise Watson, Robert Wheeler and Rev. Percy Thomas, all of Valparaiso. Miss Watson is personnel officer at Valparaiso University, and holds the rank of Lt. (j.g.) in the U. S. naval reserve. Her subject was, "National Defense." Mr. Wheeler is commander of the American Legion post at Valparaiso, and Rev. Thomas is pastor of the First Christian church, where the meeting was held.

Mrs. Bertha Korth, district president, presided and introduced the department chairmen present: Mrs. Dallas Cannon, of Kentland; Mrs. Fred Young of Crown Point, and Mrs. Robert Davidson, of Delphi. Mrs. Grace Dalke, president of the Valparaiso unit, opened the meeting.

Reports made by district committee chairmen showed the membership for the second district is 4,062 for 46 units, the second highest in the department; that gifts and cash sent to the Knights-town home during the past quarter amounted to \$1,443.20; in community service \$2,348.21 had been given for the American Red Cross, March of Dimes, Cancer society and the burial of eight honored war dead; 595 hours were spent by members in community service and 188,516 hours in hospital work; the amount of \$154.53 was spent for hospital equipment and gifts sent to gold star mothers and members; service sales purchases amounted to \$1,350; from May, 1949 to Jan. 1, 1950, 1,593 children and 80 families were aided at a cost of \$3,884.88, and \$2,930 had been spent at Christmas time and other special occasions for patients at

veterans' hospitals, including Billings and Cold Springs, at Indianapolis, and the hospital at Marion.

If you found your favorite fishing water a bit crowded last year, there was a good reason. In fact, there were over 15,000,000 reasons.

The U. S. Fish and Wildlife Service announced last week that fishing license sales last year totalled 15,478,570 to set a new all-time high. Gross revenue hit \$32,657,940, an increase of \$5,333,296 over the previous year and also a new record.

Michigan was the top state in sales with 1,110,109, followed by California with 1,030,109 and Wisconsin with 1,022,004. This was the first time three states passed the million mark. In 1948 only Michigan was above that top figure.

Other states in the top ten were Ohio (918,042), Minnesota (862,822), Illinois (783,073), New York (690,462), Pennsylvania (611,677), Missouri (599,109), and Tennessee (426,437). Indiana dropped out of the top ten and Tennessee moved up for the first time.

California set the pace in gross revenue with \$3,138,501, followed by Michigan (\$2,102,347), New York (\$1,884,403), Washington (\$1,749,451), Wis-

consin (\$1,732,158) and Minnesota (\$1,578,006).

A third record also was established last year with a total sale of 1,191,346 non-resident fishing licenses. This topped the previous high in 1948 by a big 292,508.

States attracting the largest number of out-of-state anglers were Wisconsin (285,277), Michigan (283,879) and Minnesota (214,895).

Since the end of the war a new record for license sales has been set almost annually. Chances are, too, that sales for the current year will zoom ahead of 1949. However, there are some who are forecasting that the sales have about hit a peak and now will level off. We'll have to wait another year, however, to find who wins the argument.

## HOWARD KOHR PROUD OF WELL DRILLING RECORD

January 10th Howard Kohr celebrated his fiftieth anniversary as a well driller. His father was a well driller and Howard followed the profession when he grew to manhood. His first well drilling was at North Manchester, where he was born and he moved to the Mentone vicinity in 1915, coming on to Mentone in 1928 where he has lived ever since. As a young boy he worked around Disko where another Mentone citizen, Chris Fleck, had a meat market.

Howard hasn't been feeling so well lately and consulted a specialist at Indianapolis last week.

Mr. and Mrs. Ben Wellman and daughters, Carolyn and Sue, of South Bend called at the home of Mr. and Mrs. Adam Bowen Sunday.

# NELLANS POULTRY FARM NOW OFFERS YEAR AROUND "SPECIALIZED" MEAT TYPE Broiler Chicks

direct from the breeding farm to you.

Investigate the opportunity for greater profits in broiler production. Less work than hens, complete turnover every three months, little capital required. Our free planning service will help you adapt existing facilities. Full time service man available for your interest including aid in marketing. Post card brings full information.

## DOG ODDITIES

By Harry Miller, Director, GAINES DOG RESEARCH CENTER

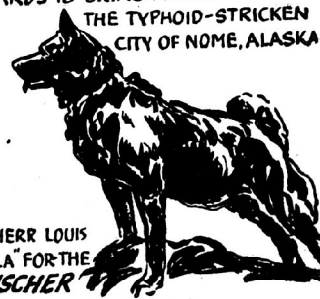

IN DES MOINES, IN MARCH OF  
1946, COL. BEFERGUSON PASSED ON  
518 DOGS IN 17 HOURS OF  
UNINTERRUPTED JUDGING

THE "BALTO" STATUE IN CENTRAL  
PARK, N.Y.C., HONORS SLED DOGS  
THAT IN 1925 PUSHED THROUGH  
600 MILES OF ICE AND BLIZZ-  
ARDS TO BRING ANTITOXIN TO  
THE TYPHOID-STRIKEN  
CITY OF NOME, ALASKA

NOT EVEN TO HIS WIFE WOULD HERR LOUIS  
DOBERMANN REVEAL HIS "FORMULA" FOR THE  
ORIGINAL DOBERMAN PINSCHER

© 1948, Gaines Dog Research Center N.Y.C.

SELL IT WITH A CLASSIFIED AD.

## Egg Shippers

A group of Egg Producers met with Carpenter Bros., of Frostburg, Md., on Jan. 6th, and satisfactory egg marketing arrangements were made.

Carpenter Bros. have an outlet for first quality eggs in Philadelphia and has agreed to pay 4c under the nearby market price f. o. b. Mentone (no freight charge). The company agrees to this price on day of arrival at their establishment.

The company has also furnished a very satisfactory bond written by the United States Fidelity and Guarantee Company, of Baltimore, Maryland.

Ask for further information about this new market, at the egg dock.

## MENTONE EGG PRODUCERS

## MINORCA - LEGHORNS

### THE WHITE EGG HYBRID

Hybrid chicks are like hybrid corn . . .  
Once you try them—you'll always buy them.

Our hybrids are from Line bred Leghorns and Line bred Black Minorcas. These strains are backed by pedigreed foundation stock with egg records up to 300 eggs. We sell vigorous high production bred hybrid chicks at popular prices. **ORDER NOW FOR CHOICE DATES.**

#### ANTHONY NIGO CHAPTER D. A. R.

Mrs. Bernice Ruth, assistant by Mrs. Carey was hostess to the Anthony Nigo Chapter on Jan. 24th.

Following the ritualistic opening, Mrs. Igo, regent, conducted the business session. It was voted to make contributions to the following drives: The March of Dimes, The Red Cross and the Cancer Fund.

Acknowledgements were read from

the Kate Duncan Smith School and Crossnore school for recent contributions sent to them.

Mrs. Porter Williamson announced that Miss Iris Jones of Beaver Dam had received first place in the Good Citizenship Pilgrimage contest and that Miss Janet Carr, Claypool had won second honor.

Mrs. Everett Rathfon, program chairman, introduced Mrs. Maude Snyder, who played a piano number, Indian

Love Call. Miss Marilyn Rathfon, accompanied by Mrs. Snyder sang, By the Waters of Minnetonka and From the Land of the Sky Blue Water. Mrs. Snyder gave the historical background of these songs.

Mrs. Rathfon told the very interesting story of Frances Slocum, who finally settled with her Indian family near Peru, Indiana. Mr. Denton Abbey showed pictures of Frances Slocum, her children and their families while Mrs. Rathfon described each picture. There were also pictures of Indians of other tribes shown, depicting various phases of their lives. The pictures showing the making of Indian pottery were very interesting.

Following the program the hostesses served lovely refreshments to the members and guests, Mrs. Howard Berkey-

pile of Kokomo, Mrs. Myrtle Davis and Mr. Abbey.

Mrs. Emma Gill will entertain at the next meeting, February 28th.

#### Steel Workers

More than 40 per cent of all factory workers in this country earn their living by making and forming steel into useful products.

and then the doubt and uncertainty of the wisdom of such a trip? Murmurs is in such a "dither" at the present time. He almost wishes that he had not committed himself to such an extensive enterprise (It would be just as accurate to say "expensive enterprise"), but because he never did anything very foolish in his youth, and to prove himself that he is not yet growing old, he is going to Florida.

He will not return with an enlarged thumb as he has found transportation for the entire trip, but he has assured himself that he will return with a reduced waistline and a longing for a comfortable bed.

Part of the enjoyment of every trip is the preparation, the pouring over maps, the comparing of notes with others who have made similar trips, the jotting down of places and people to visit, and the inquiry into eating and sleeping accommodations. If one is not long on memorizing these items, then a pencil and note pad come in handy. And it is well to make notes on places of interest which one may visit either because of the historical significance or the scenic value of the place. Murmurs has been pouring over National Geographic Magazines that

bear articles related to places which he desires to visit: Tarpon Springs with its sponge fisheries, Sarasota with the Circus Winter Headquarters and the Ringling Art Museum, Lake Wales and the Singing Tower, Silver Springs where a person may view underwater wonders through glass-bottom boats, St. Augustine and its historical buildings, The Everglades, and The Keys. There are, of course, many other places of interest, but several days are to be spent picking shells along both coasts, pencil and charcoal sketching along water fronts, and the absorbing of the wonders of the plant and bird life of that area to be visited. It will be from the natural wonders viewed on the trip that Murmurs will have the greatest pleasure, and Murmurs is happy with the sunsets of Mentone.

### HOLD ANNIVERSARY DINNER

The Jolly Janes Home Economic Club enjoyed an anniversary dinner at the Beaver Dam Sportsmens Club last Friday evening at 6:30.

The long table held a centerpiece of a large snowman, and individual nut cups carried the snowman idea.

Following the delicious ham dinner, two duets, "Night Of Love," and "Whispering" were sung by Ms. Wayne Bowser and Mrs. Robert Whetstone, Mrs. Esther Markley read an interesting history of the club.

The evening was concluded by group singing.

The committee in charge of arrangements was Helen Mollenhour, Lucille Teel, Phyllis Bowser and Stella Emmons.

### Sloped Ceilings

A sloped ceiling can be disguised with a scattered, stylized flower, dot or checked pattern. An all-over neutral color also will play down angles.

**CROW CONTROL CONTEST  
OPENS IN HOOSIERLAND**

The annual crow contest is on! Supervised by the Department of Conservation, the contest has in the past proved quite popular, with thousands of persons participating.

To qualify as an entrant, it is necessary for each gun club or individual

to submit to the Division of Fish and Game, Indiana Department of Conservation, 311 West Washington Street, fifty crow's feet. The parcel must be plainly marked with the name of the club or individual.

The ranking of participating clubs and counties will be determined by officials of the Indiana Department of Conservation on the basis of the num-

ber of crow feet received at the West Washington Street headquarters.

The contest is being staged during the midwinter and summer season because this is recognized as being the best time of the year to kill crows. In order to comply with the rules, all contestants enter by submitting fifty crows' feet and then continue to collect feet by whatever means they choose.

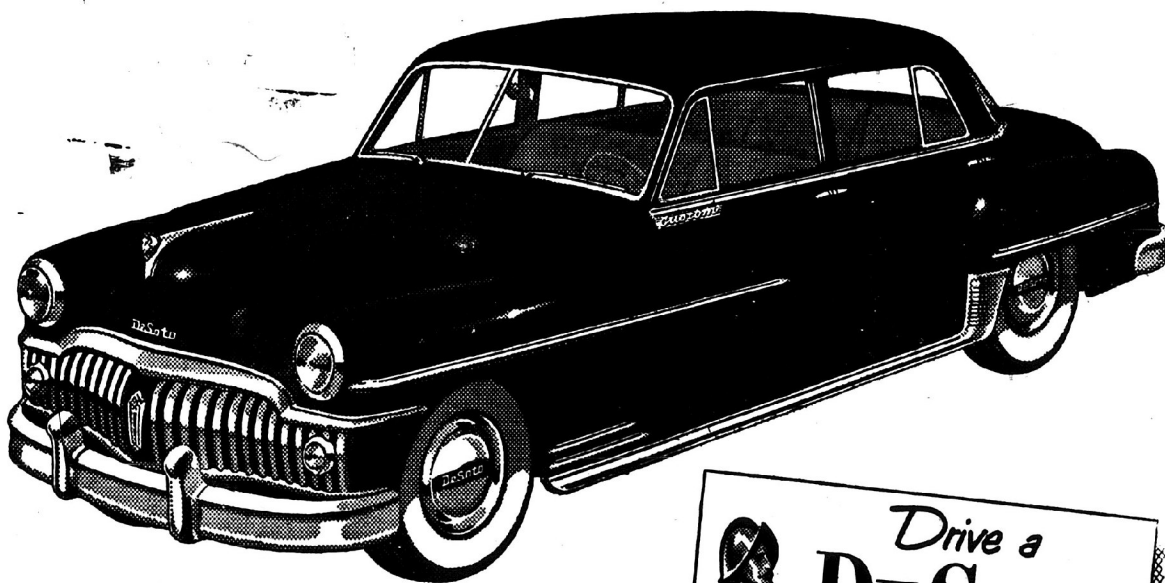

Night raids on crow roosts, use of decoys and similar methods are recommended as harmless to other birds.

Prizes will be awarded by the sponsors to the club killing the greatest number of crows and to the county reporting the greatest number of kills, but all kill trophies must be submitted by the June 30th closing date.

"I just saw  
the NEW  
DE SOTO!"

"Baby—I just  
drove it!"

It's NEW and exciting! It's big, beautiful and breath-taking. It's the new De Soto. It could be yours!
