SOCIAL SECURITY DIRECTOR ADDRESSES LIONS MEMBERS

Gerald O. Kelter, director of the Social Security Administration for this area, spoke before the Mentone Lions Club on Wednesday evening. Mr. Kelter explained some of the details of the new social security law that went into effect the first of the month.

One of the newest features of the law is that farm and home help is now affected. If a farm hand is employed for a period of 60 days and earns \$50 or over in any one quarter, he is then (in the next such quarter) required to pay social security tax and the employer, or farm owner, must file a quarterly return and remit 3 per cent of such wages paid in cash. It is the same for a maid or anyone employed in the home except the period of employment is 24 days or more in any one quarter. (The present tax is one and one-half percent from the employee's wages and the employer pays a like amount to the federal government.)

Farmers, themselves are exempt from the law, as are undertakers, attorneys, accountants, and one or two other classified workers.

Age of employee or relationship to employer does not eliminate the requirement of paying social security.

One of the features of the new law is that self-employed persons (those owning a business of their own) will now be compelled to pay social security tax. They, however, will not file quarterly, but must at the end of the year, include this tax on their federal return. This rate will be 2 1/4%, or \$22.50 for each thousand dollars of net income.

Social security benefits include old age assistance after age 65, benefit payments to widows and all children under 18 years of age, lump sum death or burial benefits, and numerous other possible categories.

Mr. Kelter is thoroughly familiar with his subject, and he answered a number of questions asked by the Lions in attendance. He visits this county every Wednesday afternoon, in Warsaw, where any citizen may contact him for information relative to the benefits available, or the procedure to be followed by an employer.

In the business session John Boggs was elected treasurer to fill out the unexpired term of Lion Don Emmons.

FIRE DEPARTMENT COM- PLIMENTED BY ETNA GREEN

The following letter, under date of Dec. 29 from the Town of Etna Green, was received by Arlo Friesner, chief of the Mentone Fire Department:

"Dear Chief:

"The Town of Etna Green wishes to compliment you and your department on the efficiency shown in fighting the fire in the Theodore Good residence. It is truly gratifying to know that the neighboring fire departments are so willing to minimize property loss.

"Our department is standing by to give you help when needed. Please feel free to call them.

"We extend to you our sincere thanks for coming to our aid when called and wish you and your company a low fire loss for the coming year."

Yours truly,
LAWRENCE M. ANGLIN,
President.

TIDE OF TOYS

Another "Tide of Toys" will flow from American children to the children in war-ravaged nations this year under the sponsorship of The American Legion. The Legion is planning to send toys to some countries in the Pacific area, as well as to western Europe, and is hoping to have many millions of toys to distribute. American children will again be asked to give one Christmas toy, with his name attached, to some child overseas. This is a national project and will follow the same plan as last year. If you have toys available for this purpose, contact your local Legion Post.

Bing Crosby, radio and motion picture star, has enthusiastically accepted the honorary chairmanship of the campaign, while Irving Geist of New York City and Drew Pearson of Washington, D. C., as co-chairmen. Thomas E. Paradine, New York City, is national chairman. Distribution overseas will again be handled by the CARE organization.

The Mentone Legion Auxiliary Unit is expecting to take an active part in helping The Mentone Legion Post collect and pack toys for shipment to these countries where many children never have had a real toy in their lives.

Further details are given in an advertisement to be found elsewhere in this newspaper.

BRUNER—JUSTUS

Miss Mary Alice Justus, daughter of Mr. and Mrs. Ralph Justus, 514 Lyon Street, Warsaw, became the bride of Alton Dwight Bruner, in a quiet ceremony read at six o'clock Tuesday evening in the Church of Christ parsonage, Mentone. Mr. Bruner is the son of Mr. and Mrs. Lester Bruner, of Claypool.

Joseph F. Jones, minister of the Church of Christ, read an impressive double-ring ceremony.

The bride was attired in a teal, street length dress, with black accessories, and a corsage of white carnations. Her attendant, Mrs. William Kinder, Akron, wore a gray suit, with black accessories, and white carnation corsage.

The bridegroom was attended by Mr. William Kinder. After a few days trip, the couple will make their home in Claypool, with the bridegroom's parents. Mr. Bruner is an employee at the Bechtel Service Shop, in Burket.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Lee R. Holloway, of Rochester announce the engagement of their daughter, Phyllis Jean to Robert Duzan, of Talma. Miss Holloway is a senior in the Rochester high school and her fiancé is a graduate of the Talma high school in 1950. He is employed by the Studebaker Corporation at South Bend. No date has been set for the wedding.

CLUB CALENDAR

Mentone Reading Club, Wednesday evening, Jan. 10, at the home of Mrs. H. V. Johns.

The Mentone Home Economics Club will meet on Thursday, Jan. 11 at the home of Mrs. Earl Meredith.

Mothers of World War II will meet with Mrs. Maude Romine on Wednesday evening, Jan. 10, at 7:30. Meet at the home of Mrs. George Mollenhour.

There will be a meeting of the Mentone Legion Auxiliary at the Legion Home Tuesday evening, Jan. 9, at 8:00 p. m.

J.O.Y. Circle will meet with Broda Clark Tuesday afternoon, Jan. 9, at 1:30 to celebrate her birthday a day early.

MRS. AMANDA J. SMITH

Mrs. Amanda J. Smith, 81, died at 7 a. m. Monday at her home in Mentone. She had been ill several years and suffered a stroke last Friday. Mrs. Smith was a lifelong resident of the Mentone vicinity.

The widow of Alverdo Smith, she is survived by two sons, Merrill Smith, of Mentone, and James Smith, of Miami, Florida; two grandchildren and one great-grandchild.

Funeral services were conducted at 2 p. m. Wednesday at the Reed funeral home in Mentone with Rev. Milton Dowden officiating. Burial was in the Mentone cemetery.

HAROLD WILLIAMSON DIES VERY SUDDENLY

Harold B. Williamson, aged 45, died of a heart attack at his farm home southeast of Burket, Sunday at 4:30 p. m. He had been ill for two weeks.

The deceased was born near Burket July 18, 1905, the son and Claire and Dessie VanDorn Williamson, and had spent his entire life on the farm where he was born. He was married to the former Anna Smith on June 9, 1928.

Surviving relatives include his wife; a daughter, Mrs. Don Kuhn, of southwest of Burket; a grandson, David Lee Kuhn, and an aunt, Mrs. Fred Kurtz, of North Manchester.

Funeral services were held Wednesday at 2 p. m. at the Palestine Christian church, with Rev. Wayne Johnson, of Claypool, officiating. Burial was in the Palestine cemetery. The Johns funeral home, Mentone, was in charge of arrangements.

NAMED ADMINISTRATRIX

Emma Fern Clutter qualified as administratrix of the estate of her late husband, Thomas Jay Clutter, of Mentone, who died December 23 leaving a personal estate valued at \$2,000 and real estate valued at \$4,000. Listed as heirs are the widow and a son, William Clayton Clutter, of route 4, Warsaw.

LEAVE FOR SERVICE

Dean McIntyre, Richard Boganwright and Floyd Nicodemus were among the group of county boys who left for service in the army on Tuesday morning.

VIEWS OF OUR READERS—

The American people and the U. S. now face the most critical era of our lives. American youth are being sacrificed on the frigid wastes of Korea, and why? For some years the world has been troubled by the menace of a certain powerful state. American lives are being lost in a bitter, useless war. I recall the days when Roosevelt and Churchill dreamed of a peace-loving Russia. While they were busily knocking out one dictator state, they did their best to create a ruthless dictator by the name of Stalin. They closed their eyes to some facts that were well known to themselves. They made their peoples believe that which they knew was false. There need not have been a soviet anarchy anywhere in the world today.

If it were not blasphemy, I think there ought to be written on the white crosses of our American dead who are killed these days these words: "He paid with his life for the political wisdom of the world's so called greatest men."

OLD TIMER.

WISE AND OTHERWISE
(Contributed)

Have faith in time, and time will sustain your faith in God and man.

Most New Year's resolutions are as fragile as a soap bubble. One adverse wind usually causes a "bop."

Most children, when they reach the age of six or seven, find out that the nice gifts they get from Santa Claus are really paid for by dad or mom. We wonder how old some men will have to be until they learn that the handouts they receive from Uncle Sam really come from the taxpayers' pockets, that is themselves.

Fools, like orators, are born, not made. For this the orator is not to blame, neither is the fool. About the only difference between them is, you can make a fool out of an orator, but you cannot make an orator out of a fool. Every man is a fool some time in his life, but a wise man profits by experience—a fool never does.

Always remember: Truth crushed to earth shall rise again. The Eternal years of God are hers. But error, wounded, writhes in pain and dies amid her worshippers.

**Minorca-Leghorn
THE WHITE EGG
HYBRID**

You may have the hybrid vigor and high production and pay only average price for chicks.

MINORCA - LEGHORNS are line bred from top-producing White Leghorns and Black Minorcas. Minorcas put size in early eggs. Crossing brings vigor. Vigor means: more good pullets per 100 chicks, more eggs per pullet, high per cent of large eggs . . . more poultry profit.

Write or phone us now for choice hatching dates.

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

The Indiana State Board of Health through its Tuberculosis Control Division has x-rayed 915,627 Indiana citizens since the chest screening program was instituted four years ago, according to Dr. Merle Bundy, director of the division.

This program began in January, 1946, with one machine and now four machines are in operation. Requests are scheduled as far as two years in advance and many requests cannot be met because of limited equipment and personnel.

More than 1500 active cases of tuberculosis have been found in surveys utilizing State Board of Health and local Tuberculosis Association equipment. The purpose of the program is to find tuberculosis in the early stages when the disease lends itself more readily to care and treatment, and before it can spread to others. No final diagnosis is made from the miniature film. The 70 millimeter film indicates only the possibility of a lung disease, cancerous growth or heart disorder and those showing abnormality are referred to the family physician.

The division works closely with the local groups who sponsor surveys including the county medical society and industries.

METHODIST CHURCH NEWS

Following the holiday season, all regular classes, organizational meetings, and programs will be held on scheduled meeting dates unless otherwise designated.

This Sunday will be the first service day of the New Year. It is quite fitting and proper to begin with the recognition of our Deity. The sermon will be, "I Am The Way," a sermon in the first person concerning the life and teaching of Christ.

AMERICAN LEGION NEWS

At the regular meeting of the Mentone Post 425 The American Legion, held on Tuesday evening, Jan. 2, it was decided to have a fish fry on the 27th of this month for members and their wives or a reasonable facsimile.

The New Year's dance held last Saturday night was a huge success, thanks to Entertainment Chairman Harry Gible and his committee.

James Rodebaugh announced that there were 22 Christmas baskets given out this year. A vote of thanks went to the Auxilliary for helping to prepare them for distribution.

Two new members were voted to membership in the Post, James Ryan of Angola and Lloyd Cowan of Bourbon. Comrade Coyle of Post 33, Bedford, was a visitor. It was announced that there would be a dance, sponsored by the County Council, held on Saturday evening, Jan. 20, at the Leesburg Post Home. All Legionnaires and wives are invited to attend. Everything is free.

Bob Whetstone, chairman of the Tide of Toys drive, announced that pamphlets had been handed out to all the schools in the surrounding community, and that the deadline is Jan. 8th.

Harold E. Anderson's name was drawn for the attendance prize. The meeting adjourned at 11:30.

Guests at the John Latham home Christmas for a delicious turkey roast were Mr. and Mrs. Walter Boice and daughter Sheryl of Elkhart, and Mr. and Mrs. Junior Foor and son Don and Charles Hubler, of Mentone. After the dinner presents were distributed to all.

CARD OF THANKS

We want to thank the many friends for all acts of kindness, flowers and cards during the illness and death of our husband and father.

Mrs. Emma F. Clutter,
Mr. and Mrs. Clayton Clutter
and Family.

CARD OF THANKS

I want to thank all my friends and relatives for the many cards, flowers and visits, both while in the hospital and at Christmas time; to the Church of Christ for their nice plate; also the Baptist ladies for the dish, plant and carol singing; to the four pastors who called on me; Bud and Juanita Paulus and Mary Smith who called on me nearly every evening during the 7 weeks I was in the hospital.

NOT JUST A POLISH!

NOT ANOTHER WAX!

DU PONT

SPRAY GLAZE

IS AN ENTIRELY NEW PROCESS

- ✓ It's new! It's different! It's Du Pont Spray Glaze—the most significant development in car care in years.
- ✓ Du Pont Spray Glaze is applied to your car by a new, faster method—with a spray gun under high pressure to penetrate every crevice and fill every pore in the finish. It gives your car a smoother, glossier coating than ordinary waxes or polishes.
- ✓ Du Pont Spray Glaze is not a paint nor a lacquer. It is a transparent material that brings out the beauty of your car finish and protects the paint with a hard, durable glaze.

The Spray Glaze process includes:

1. Washing the finish with Du Pont Car Wash.
2. Pre-cleaning with a special Du Pont Spray Glaze Cleaner.
3. Applying Spray Glaze.

Shines brighter — lasts longer — costs you no more.

RESERVE UNIT TO START EXTENSIVE TRAINING PROGRAM

Ned E. Miller, Mentone, Captain CO 460th Anti-Aircraft Automatic Weapons 'C' Btry, U.S. Army Organized Reserve Corps, announced today the start of an extensive training program which will bring the unit to its highest state of readiness in history.

The training, coincides with a greatly intensified Reserve training program all over the nation, aimed at giving America highly effective units and individuals prepared for quick mobilization and rapid use against an enemy in the event aggressors force total war on the United States.

"The army will need many reserve units right away should Communists provoke full-scale war." "Others will be vital to building up our striking forces for the knockout punch."

The program to begin this month was prepared by the staff of General Mark W. Clark, Chief of Army Field Forces, who is responsible for the training of all units utilized by the army in the field. It consists of three parts—the overall training program, subject schedules covering every minute of forty-eight annual drill periods, and a table of allowances outlining the materials essential to unit training.

"We can see exactly what we are going to do, not only during our drills here but during our summer training periods at camp," Victor Matteson Lt. Col. said. "And we are getting the materials we need to work with."

"Reserve units will not be fully equipped," Lt. Col. Matteson stated, "but they will be supplied as rapidly as possible with the essentials they should have for complete training purposes."

"Artillery units will have the same type of weapons they use, that is 40mm, Quad 50's, mounted on half tracks plus ammunition and essential equipment."

"Generally speaking, the units will have from 15 to 20 per cent of its complete equipment required after mobilization. They will have at least operating quantities of every item."

The training will include every basic element a soldier should know, such things as military justice, military courtesy, sanitation, first aid, etc.—plus highly specialized training for the unit and individuals to qualify it as a well-organized team of experts. Emphasis will be on those subjects absolutely essential to individuals and units when they enter combat.

Much of this training has civilian

occupation parallels and counterparts which should prove very valuable to the individual in preparing him for a better civilian job.

Communications men, for instance, will study radio theory, repair and maintenance, installation, protection and care of wire lines. Clerks will specialize in record, filing systems, payrolls and reports. Mechanics will become thoroughly familiar with engines, instruments, weapons and tools. Mess personnel will learn food handling, dietetics, and food preparation.

Capt. Ned E. Miller emphasized that there are almost unlimited opportunities for advancement in the reserve program, and urged interested men to talk to him or a member of 'C' 460th AAA AW Bn, about it.

"Every man who gets into this now, is going to be a key man if complete mobilization should be necessary. He can earn a little money while he learns many things that will help him in civilian life and will be invaluable to him and his country if we should be forced into a full-scale war."

"The 460th AAA AW Bn (sp) was organized in May 1949 and has a table of organization which is not completely filled. There are several openings for untrained men as well as experienced men in various fields."

"C" Btry is the battery located in the Warsaw area with the battalion headquarters located at South Bend. The local unit meets the 2nd and 4th Monday nights at 7:30 p. m., at Warsaw in the Bowser building, second floor. Time and place, if changed, will be announced in this paper.

OF THE ELECTRIC COMPANIES OF INDIANA

Yes, over a hundred thousand people, groups and organizations are direct owners of the Indiana electric companies. They have invested part of their savings in the stocks and bonds of these companies to make it possible for Indiana's electric companies to be built in the first place, and to expand as needed.

Indiana citizens may well be proud of this excellent example of achievement under our envied system of Free Enterprise. Experienced Indiana electric company managements have spared no effort or expense to provide your dependable electric supply. How well they've done their job was proved during World War II when the electric companies of Indiana had the capacity to continue supplying power to all users, without curtailment.

And Indiana's electric companies are continuing to build ahead. They have already doubled the State's power supply... added a million kilowatts since 1940! By the end of 1953 still another 600,000 kilowatts will have been added. This greatest expansion program in Indiana electric company history is costing over 500 million dollars—most of which is being provided by the investing public. In addition to direct investors, many insurance and other organizations have substantial investments in the securities of the Indiana electric companies, making millions of other people—probably yourself included—"indirect owners" of these companies.

Twice THE ELECTRIC POWER... and More to Come!

SCHOOL NEWS

School resumed on Tuesday morning with all pupils enthusiastic (?) to return. Devon Marshall enrolled Tuesday morning, his parents having moved to Mentone. Devon is a junior in high school.

Mr. Hyde of Rochester will be the guest speaker at the assembly program this Friday. He will tell about his experiences on the Indian reservations of the West.

Mr. Law showed the film, "Medieval Village", to his world history class on Tuesday. Merrill Peterson ran the projector. Several films have been booked for classroom use during the second semester.

Mr. Tucker has purchased a RCA Victor table radio for school use. This radio will be available to any teacher for use in the classroom. The school does not own another radio, although Mr. Kelley has donated his radio for school use for several years.

All parents are asked to reserve January 24. An important meeting of the PTA will be held that evening.

Mr. Wagner worked during the vacation, cleaning the building and waxing the floors. When the pupils returned after the vacation, the building was spick and span.

The junior high team will play the Etna Green team after school Thursday evening in the local gym. The high school boys play Pierceton in two games on Friday evening. The games will begin at 7:00. On Saturday evening, January 6th, we journey to No. Manchester to engage the strong Manchester team.

There is no obligation to purchase

the pictures which were sent home a few days before Christmas. However, the pictures should be paid for or returned by January 11th.

There will be no school January 12 due to the County Basketball Tourney. The drawing for the tourney was held Tuesday evening in Mr. Whitehead's office. Pairings are as follows:

Thursday, Jan. 11—

Game 1, 7:00 p. m.
Silver Lake vs. Leesburg.
Game 2, 8:30 p. m.
No. Webster vs. Syracuse.

Friday, Jan. 12—

Game 3, 8:30 a. m.
Etna Green vs. Pierceton.
Game 4, 9:45 a. m.
Mentone vs. Beaver Dam.
Game 5, 11:00 a. m.
Atwood vs. Sidney.

Game 6, 1:30 p. m.
Claypool vs. Warsaw.
Game 7, 2:45 p. m.
Burket vs. Milford.
Game 8, 4:00 p. m.
Winners Games 1 and 2.
Game 9, 7:30 p. m.
Winners Games 3 and 4.
Game 10, 9:00 p. m.
Winners Games 5 and 6.

Saturday, Jan. 13—

Game 11, 1:30 p. m.
Winners Games 7 and 8.
Game 12, 3:00 p. m.
Winners Games 9 and 10.
Game 13, 8:00 p. m. (championship)
Winners Games 11 and 12.

Officials will be McCoy, Ft. Wayne; Jamison, Logansport, and Collyer, Ft. Wayne.

Plain Talk About Shipping Eggs

THE New York Egg Receivers

who are named below, are joined together for the purposes of this series of advertisements and for the purpose of making it worth while for you, the Indiana Poultryman, to ship your egg production to New York.

BUT, OTHERWISE, THEY ARE IN CONSTANT, ACTIVE COMPETITION.

They compete with one another to get your eggs, and, in so doing, they will vie with one another to pay you the highest possible prices. This fact, combined with the fact that New York Markets ARE HIGHEST, should convince you to ship here.

If you have never shipped eggs to New York (or haven't done so lately) bring your eggs in to the usual shipping station and say you want the shipping tags of one of the firms listed here. If they do not have the tags, just write on the crates your name and that of the firm to whom you wish to ship, and the grades contained. You will get back by prompt mail a supply of shipping cards and a check for the high New York prices.

CO-OP. OIL STATION

MARRIED DECEMBER 23

Miss Marilyn VanDyke, of Warsaw, daughter of C. M. VanDyke of Wabash, and Robert Green, son of Mr. and Mrs. Rudy Green of Talma, were married Saturday, Dec. 23, at 7:00 p. m. in Denver, Ind. Rev. G. Maus, circuit minister of the First Brethren church, Tiosa, read the double ring ceremony in his home in Denver.

The bride wore a dark green street length crepe dress and a corsage of white carnations. Her accessories were black.

The couple was attended by Mr. and Mrs. Robert Kale, of Rochester.

After the ceremony a small reception was held in the bridegroom's home for the following relatives: Mr. and Mrs. Calvin Green and family, Mr. and Mrs. Robert Kale of Rochester, Mr. and Mrs. Charles Green, Mr. Charles Green, Jr., and Miss Jennie Hall of Mentone.

The bride is a graduate of the Claypool high school and is employed at the Joyner Corporation at Warsaw, and the bridegroom is a graduate of the Talma high school and is employed at the Lauderback garage at Rochester. He spent some time in Mentone as an employee of the Co-Op. oil station.

The couple will reside in Warsaw until suitable living quarters can be found in Rochester.

—Newcastle Reporter.

MENTONE MURMURS

by
DAVID and SALLY GOSSER

The holiday season is over and the last of the decorations are being packed securely away for another year. A little extra care is given the lights and icicles, because the general outlook for

the end of 1951 is one of shortages and restrictions.

This is the paradox of American life - to place a great value on the material trinkets of our standard of living while the priceless heirlooms of our heritage are discarded and carelessly neglected. Murmurs is making reference to the genuine sociable gathering of families and about some hearth fires which have been sacrificed for spic and span houses that belong only in picture books where flesh and blood characters

and children are non-existent.

Only now that the nation is calling to arms its youth and manhood for the second time within ten years are the real values of life being realized and considered. The little family groups and neighborhood parties which have here-to-fore been taken for granted now crumble and fall about us. The little worlds in which we invested everything are blighted and decolished by circumstances over which we seem to have no control. There remain only the happy memories of too infrequent moments of companionship and real joy of sharing the best that we had with those who were closest to us.

For some individuals there is the frantic effort of cramming into a few hectic days what should have been given attention over several years. To be specific, Murmurs is thinking of the close father and son relationship that normally requires three hundred and sixty-five days a year, or the mother and daughter ties that strengthen character and build homes. But we are slow to learn, and there will be those families with regrets, because opportunities for the enrichment of family life and fellowship with neighbors were never accepted.

But this is the beginning of a new year, and it is the time to make the most of our opportunities. It is not too late for resolutions—those which may go a long way in making this a happier new year, happier in spite of

circumstances. Murmurs lists a few for the consideration and acceptance on the part of their readers:

We are resolved to make every opportunity possible for the family to be included in a program of working together, worshipping together, reading together, and playing together.

We are resolved not to indulge in excess in anything detrimental to the spiritual, mental, and physical well-being of ourselves or others.

We are resolved to include within our fellowship and home those with whom we may share our hospitality, friendship, shelter, food, and spirit, realizing that their presence, regardless of how humble, will enrich our lives and experiences.

It is resolved that no request for friendship will be considered too small for the utmost consideration and attention.

Finally, that it is resolved that life be lived to its fullest with the knowledge that some unnoticed eyes may be searching for a suitable example for Christian living.

These resolutions have significance only when they are lived without partiality, for no human being is so low that he does not merit a hearing and a hand of friendship in time of need.

MAN DIES IN HOUSE FIRE

Frank Glaze, 66, retired electrical worker, was asphyxiated late Friday afternoon in a fire in his four-room cottage at the edge of Talma. Damage to the building was slight.

The Mentone fire department was called, and as soon as our boys arrived they put on smoke masks and went in the burning building after the man. Harold Utter and Ora McKinley, assisted by Fire Chief Arlo Friesner, managed to get the man from the building. He had evidently been sitting in a chair and fallen asleep, starting a fire with a lighted cigarette or cigar. When found, his feet were hanging in a hole burned in the floor. Artificial respiration was tried but to no avail.

Mr. Glaze was born in Fulton county June 17, 1884, the son of Jesse and Laura Glaze. He left that community in later years and returned from Kokomo four years ago.

His wife, the former Clara Clark, preceded him in death Christmas day.

A member of the Moose and Eagles lodges and the electrical union at Kokomo, he is survived by one brother, Sam Glaze, of South Bend.

Funeral services were held at Rochester Monday afternoon, with burial at Crown Point.

JOE BAKER MOVING

TO NEW LOCATION

Joseph A. Baker, who is starting his 23rd year as a retail merchant in Mentone, has started moving to his new location in the former Snyder Appliance building on the south side of Main street. Mr. Baker, who has dissolved partnership with Arthur Brown, purchased and remodeled the building recently.

Mr. Baker states that he will continue to handle the Philco, Bendix and Youngstown lines. Mr. Brown will continue in his present location.

CLUB CALENDAR

W. S. C. S. on Thursday night, January 18, 7:30 p. m. at the church.

Boy Scout paper drive on Saturday, January 20. Have bundles wrapped and tied and outside Saturday morning.

Mentone Home Economics Club will meet with Mrs. Claude Gates instead of Mrs. Earl Meredith, as reported, on Thursday at 1:00 p. m.

FUNERAL SERVICES HELD
FOR DR. STOCKBERGER

Funeral services were held on Monday afternoon at Milford for Dr. Clarence V. Stockberger, aged 65.

Dr. Stockberger was born in Mentone on October 10, 1885 and was the son of Dr. and Mrs. Emmanuel Stockberger. The family moved to Milford 50 years ago. On August 9, 1945 he was married to Mrs. Kathryn Harris.

He was a captain in the army dental corps during World War I.

Surviving are the widow, a step-son, Richard Harris, a step-daughter, Mrs. Earl Harter, of Milford and 4 step-grandchildren.

Burial was in the Milford cemetery where a military service was conducted.

CHILD STUDY GROUP
TO MEET JAN. 17

The January meeting of the Child Study Group will be held at 7:30 p. m. on Wednesday evening, January 17, at the school building.

The topics for discussion are: Activities Out of School, and Choosing A Career. Mrs. Ira Moore will be in charge of the program.

WORD FROM THE
ROYAL BLUE FAMILY

Dear Art:

Thanks a million for sending the Co-Op. News to us each week. We sure do enjoy it and look forward to getting it every week. We have finally gotten settled in a permanent place now and wondered if you would send the paper to us at our new address.

When we get the Co-Op. it is like getting several letters from different people back home, for truly there is a lot of interesting news to read in it about the old home town.

The weather out here is grand and Sunday afternoon we went wading in the ocean. Lee Shoemaker and his family live just a few houses from us, which makes it nice to see someone from back home right here with us. The Lord has really blessed both our families and we thank Him for it.

Love to everyone back in Mentone,
ROYAL BLUE.

(Royal and Lee are attending Bible College in Los Angeles. The address of Mr. and Mrs. Royal Blue is 14350 Vase St., Van Nuys, Calif.)

PANEL DISCUSSION
PLANNED AT P. T. A.

At the next meeting of the P. T. A. on January 24, a panel discussion is to be conducted.

Samples of the questions might well be "Is My Child Getting Enough to Eat?", "Can Your Children Read?", "Does Your Child Have Too Much Homework?"

Questions are to be discussed by a group made up of a teacher, a parent, a cook, a bus driver, etc. We plan to have the names of these people for next week's issue of the Co-op News.

Why not plan now to attend this meeting and hear these and other problems discussed. You might get the answers to some of your questions.

ENTERTAINED AT SHOWER

On Tuesday evening, Mrs. Gerald Romine was guest of honor at a pink and blue shower at the home of Mrs. Kenneth Romine.

Interesting contests were conducted by Mrs. Everett Welborn, after which the guest of honor opened her many lovely and useful gifts.

The hostess, assisted by Mrs. Monroe Romine, served delicious refreshments to the following guests: Mrs. Merl Linn, Mrs. Ray Linn, Mrs. Monroe Romine, Mrs. Marvin Romine, Mrs. Raymond Hudson, Mrs. Howard Hudson, Mrs. Kenneth Hudson and daughter, Mrs. Darrell Tucker, Mrs. Ralph Warren, Mrs. Howard Gross, Mrs. Dick Gross, of Bourbon, Mrs. Milo Fawley, Mrs. Joe Mellott, Mrs. Wayne Bowser, Mrs. David Bowser, Mrs. Kenneth Boggs, Mrs. David Cooper, Mrs. Ray Eckert, Mrs. Everett Welborn, Mrs. Clyde Nettrouer, of Warsaw, Mrs. Albert Thomas, Mrs. Max Thomas of North Webster, Mrs. Merrill Smith, Mrs. Mildred Flenar, Mrs. Ardel Hanna and son of Warsaw, Norma Hudson, Pat Hudson, Monna Sullivan, Marilyn Tucker, Janet Romine, Linda Linn and Dixie Linn.

HIVELY

Mr. and Mrs. Dean Hively, route 2, Warsaw, are the parents of a daughter born by caesarean section at 8:52 a. m. Thursday at the Murphy Medical Center.

Mrs. Hively is the former Pat Marble.

PINK AND BLUE SHOWER

Mrs. Jack Pritchard was the guest of honor at a pink and blue shower held Wednesday at the home of Mrs. Kenneth Simcoe.

Bunco was played by all with the high scorers presenting their prizes of baby rattles to Mrs. Pritchard.

Refreshments were served by Mrs. Simcoe and Mrs. David Bowser after Mrs. Pritchard had opened her many lovely gifts.

Present at the shower were: Mrs. Frank Smith, Mrs. Marion Smith, Mrs. Elvin Teel, Mrs. Ed Smelzer, Mrs. Dale Tucker, Kathleen Camplejohn, Annabell Mentzer, Mrs. Dale McGowen, Mrs. Devon Hibschan, Mrs. Dwight Reichard, Mrs. Dove Kercher, Mrs. Richard King, Mrs. George King, Barbara King, Mrs. Elizabeth Simcoe, Mrs. Bowser, Mrs. Simcoe and the guest of honor.

ENJOYS FIVE DAY LEAVE

Bud Wise had a five day leave last week from Ft. Knox, Kentucky.

He says that they are very busy getting the camp in shape and he hopes that some of the Mentone boys will be sent down, there. He is the only Indiana boy in camp, as yet. He sees Carl Gross occasionally.

Bud is a camp cook and gets up at 3 o'clock every morning to start breakfast for the 180 boys in camp.

He wants to thank all his friends and neighbors, Mothers of World War II and the Methodist Church for the lovely Christmas boxes, cards and letters sent to him at Christmas time.

BURKET STORE CHANGES HANDS

The Burket Store was sold on December 5 to Roscoe and Ruth Nine, who in our advertising section are announcing new store hours.

In addition to handling of groceries, they are continuing to handle the payment of light bills.

GIRL SCOUTS TO ORGANIZE

All girls from ages 10 through 14 who think they might be interested in joining the Girl Scouts are invited to a party after school on January 16 in the Methodist Church basement.

LEGION AUXILIARY MEETS

Doug Kehler, eleven year old performer from Warsaw, entertained the members of the Mentone Legion Auxiliary at the unit meeting held Tuesday evening, January 9, at the Legion Home. Doug presented his interpretation of the famous character, Spike Jones. Included in his repertoire of songs that he used to impersonate the band leader were, "Wild Bill Hick-up," "Man On The Flying Trapeze," "Clink Clink Polka," "Glow Worm" and many others.

Mrs. John Ellsworth reviewed the article by Gene Brown, chairman of the National Legislative Committee, which was entitled "Talking With A Purpose!" The article was published in the January issue of the National News of the American Legion Auxiliary. Mrs. Brown pointed out that the women of America always have been credited with the ability to talk and urged that the women of the American Legion Auxiliary talk to family, friends and neighbors about the Legion-endorsed bills which they believe Congress should pass for the good of the nation.

The eight principles for the National Security Program set forth by the Legion were outlined by Mrs. James Rodibaugh. The Auxiliary has been asked by the Legion to lend their efforts toward carrying out this program.

In the business session preceding the entertainment program, the usual order of business was dispensed with. Reports from committee chairmen included, a report for membership given by Mrs. Jack VanGilder, in which she stated that the unit had met the required quota and at present the unit has an enrollment of 90 members; Mrs. F. B. Davison made a report on unit radio activities; Mrs. John Boggs, Rehabilitation chairman, gave an account of contributions to the various veteran's hospitals and Christmas Gift Shop conducted at Christmas time; Knightstown Home Chr., Mrs. Eldred Paulus, reported for the Knightstown Christmas program, and Mrs. Allen G. Shirey, chairman of the fund-raising committee, announced tentative plans for a combination fish supper and bingo party to be held for the community February 3. The supper and party will be sponsored by the Legion and Auxiliary. The details will be announced at a later date.

The president, Mrs. Robert Whetstone, announced that it still isn't too late to contribute to the Legion sponsored "Tide of Toys." She also stated that the 1951 coin cards have been sent to all of the members of the unit. This is a money-making project within the unit. The unit constitution and by-laws are being mailed to those members who were not present at the last meeting. The committee reports from unit chairmen are due and should be sent in by February first.

The meeting adjourned after singing the "Legion Auxiliary theme song" and "It's A Grand Old Flag."

Refreshments were served to all present by Mrs. Byron Nellans, Mrs. Dale Tucker and Mrs. Cloice Paulus. Members of the program committee were: Mrs. Harry Gible, chr., Mrs. John Ellsworth and Mrs. Robert L. Kinsey.

The name drawn for the attendance prize was Mrs. Miles Manwaring.

The next meeting will be January 23 at the Legion Home.

METHODIST CHURCH NEWS

On Sunday evening at seven o'clock the M. Y. F. will meet for its devotional and lesson service. This hour has been changed so that the young people will be present for the first in a series of services on the Life of Paul. The twelve films illustrating the story of his life will be shown at 7:30 each Sunday evening, one film each week. "Stephen, the First Christian Martyr," is the subject for this week.

These are sound movies produced by the Castle Film Company for religious and educational purposes. The life of Paul is one of the most dramatic in human history, and shall ever remain as an inspiration to right-thinking people. This is an opportunity to re-acquaint ourselves with strong Christian Bible characters.

The Methodist Church is preparing itself for the evangelistic phase of its Advance For Christ program. Its friends, members, and constituency are called upon to undergird the program with prayer. This week is designated as Prayer Week. A program similar to that in which Rev. Gosser helped at Niagara Falls, N. Y., will be carried on by the local pastors and laymen of the Methodist Churches in this Indiana area during the first three months of this calendar year.

This Sunday morning the service will center around the life and teaching of Christ; the sermon in the first person will be "Doers of The Word," based on what is referred to as The Sermon on the Mount.

The "Life of Paul" series of services is for young and old alike. It is the evening worship program.

W. S. C. S. TO MEET JANUARY 18

The special features of the W. S. C. S. meeting on January 18, at the Methodist Church will be in charge of Elizabeth Blue and Mary Goodwin. A theme in keeping with the new year will be used. The regular business meeting will be conducted by Mrs. Walter Lackey, president, and devotions will be in charge of Sally Gosser.

Hostesses for the social hour will be Elizabeth Simcoe, Wanda Simcoe and Gladys Anderson.

On last Friday evening, Mrs. Myrtle Davis, Mrs. Ina Davis and Family went

to the home of Mr. and Mrs. Roscoe Kinney and family of near Milford, where they enjoyed a pot-luck supper in honor of 1st Lieutenant Joesephus

Davis, of Dinuba, California. Mr. Davis is a step-son of Mrs. Ina Davis. He reported for duty on Monday at Camp Gordon, Georgia.

MERRY MOLLYS NEWS

Eleven members answered roll call with a Bible verse at the first 1951 meeting of the Merry Mollys Home Economics Club. The meeting was held at the home of Jean Rodebaugh.

Helen Creviston gave the lesson for the evening and lessons for the coming year were discussed. Bette Nottingham was the winner of the door prize.

Everyone enjoyed games and the delicious refreshments served by the hostess, assisted by Ann Oyler.

The February meeting will be held at the home of Eleanor Coplen. This will be guest night.

Members present were: Eva Belle Smith, Helen Creviston, Joan Welborn, Ann Oyler, Jean Pritchard, Bette Nottingham, Wanda Simcoe, Delta Smelzer, Eleanor Coplen, Eileen Bowser and Mrs. Rodibaugh.

CARD OF THANKS

I want to thank all my friends for their cards and gifts and especially the Claypool Lions Club for the basket of fruit and nuts, sent to me during Christmas and for my 88th birthday on December 29.

MARY BIDELMAN

Mr. and Mrs. Cloyce Paulus spent Sunday with Mr. and Mrs. Kay Paulus and sons in North Manchester.

Mr. and Mrs. Alva Clinker and Mrs. Zara McFarland and son, Paul, of Akron visited at the home of Mrs. Earl Meredith Monday evening. Mrs. Meredith has been ill.

Mrs. Mary Barkman entered the Woodlawn hospital Monday for treatment. She has been ill for about three weeks.

New Plymouth Beautifully Styled

There are beautiful new lines in the new 1951 Plymouth cars. A new grille, redesigned front fenders and hood, and a wider windshield provide an appearance of massiveness combined with smart streamlining. The cars feature unprecedented roadability and riding qualities, and numerous mechanical improvements.

RAYMOND LASH, Clerk

EXPECT MORE "LOCAL" WAGE-HOUR LEGISLATION

Warning against anticipated legislative proposals for state control of wages and hours in "local" business establishments was contained in a legislative study released today by the Indiana State Chamber of Commerce.

Bills containing proposals have been introduced in each session of the General Assembly since 1939, the chamber said. These bills usually have followed the general pattern of the Federal wages and hours laws which, however, applies only to establishments engaged in interstate commerce. The Federal law now requires minimum pay of 75 cents an hour and overtime pay for all hours over forty in a week. The bill introduced in Indiana in 1949, the chamber said, would have gone a step further and required overtime pay for all hours over eight in any day.

Among reasons advanced by the State Chamber in opposition to "State Wage and Hour Control for Main Street" were the following:

1. The proprietor of a local business "must maintain business hours suitable to his restricted potential clientele, or go out of business." While industries usually can operate arbitrarily on eight hour days and "store" their products, "the retail or service business must make its hours comply with customer demands."

2. "Many, if not most, local businesses normally are operated on low net profit margins. Increases in operating costs forced by state regardless of the local situation could increase failures and reduce local employment."

3. "Proprietors of small businesses have close personal relations with their employees, and they work out their problems together. When such a situation prevails, the State should not step between them."

State regulation of hours and overtime pay, the chamber said, "could make Saturday night in a small town a thing of the past."

Included in the State Chamber leaflet was a recent address by Wray E. Fleming, general counsel of the Hoosier State Press Association, in which Mr. Fleming concluded: "The dangers to the economy and commerce of the state of Indiana from a law of this

character are too great to take a chance on having it on the statutes unless there is a vital need. Obviously there is no such need today and none is anticipated."

URGING SALE OF SAVINGS BONDS

A. I. Nelson, of Mentone, U. S. Savings Bonds chairman for Kosciusko county, has been advised by Robert W. Fowler, Director, Indiana U. S. Savings Bonds Division, that a campaign to sell more bonds to industrial workers is being intensified under the direction of industrial and labor leaders.

Men prominent in the labor movement have been appearing on radio programs to urge their fellow workers to save by investing in Series E U. S. Savings Bonds and prominent industrialists, who have been conducting suc-

cessful bond-selling campaigns in their own plants, are urging other manufacturers to provide opportunities for greater sales efforts in their organizations.

Harold G. Ingersoll, of New Castle, president, Ingersoll Steel Division, Borg Warner Corporation, and president of the Indiana Manufacturers Association, is chairman of a committee of prominent industrialists heading up the intensified sales effort.

At a recent meeting of Mr. Ingersoll's committee, one manufacturer reported that he had been successful in ten days in increasing the participation of his employees in the U. S. Savings Bonds campaign from 23 to 57 per cent by providing improved opportunities for the industrial workers to sign applications for bond purchases.

Plain Talk About Shipping Eggs

DO YOU KNOW THE PART PLAYED BY THE New York Egg Receivers IN BUILDING UP THE EXCELLENT MARKET FOR NORTHERN INDIANA EGGS?

Do you know that in parts of Southern Indiana, Illinois and other nearby States, egg producers, lately, have been receiving about 34¢ per dozen for what is called "current receipts"?

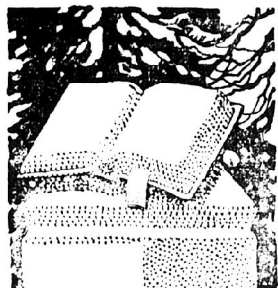

These eggs are good eggs but they do not get top prices because they have no facilities for shipping in smaller quantities such as were made possible for Northern Indiana shippers originally by the NEW YORK EGG RECEIVER.

In New York, we compete fiercely with one another for your eggs. It is to your advantage to keep us competing with your local buyers, too. If you permit monopolies to develop, your markets will deteriorate.

Ship your eggs to one or more of the Receivers listed below:

**A YEAR OF RECORDS AT
CHICAGO STOCK YARDS**

The coming year will bring the largest meat production since war-time peaks, according to market spokesman at the Chicago Stock Yards.

Rising cattle and hog populations coupled with increasing demands deriving from war and defense should bring next year's total to around 23,500,000,000 lbs., highest since 1944 and a billion and a half pounds greater

than last year.

The fourth largest dollar volume for livestock in the 85 years of the Chicago market was paid in 1950, say officials here in reviewing the market. It came to \$719,017,460. An all time record for cattle was reached with \$521,710,526 paid.

Receipts and shipments of hogs to Eastern and other points showed increases for the third consecutive year. The total of 3,669,511 hogs received was the largest since 1944. Shipments of

490,996 hogs were a 74 per cent rise in three years.

Cattle in Chicago averaged \$29 for the year, highest annual figure in the history of the yards and \$3.10 above the 1949 average. The year's record price for steers was \$41.50 paid in January.

Though the market during the year fell from this peak, it recovered to approach a \$40.00 top for steers at the end of 1950. Wide demand was the cause of this recovery, attributed largely to the conditions of war. Heifers, in steady good demand at the end of the year, reached \$37.00, highest since October, 1949. Bull prices soared to new high levels, with a record established at \$29.50 late in December. Replacement cattle, overcoming slowness in the early fall, moved fast the last two months, and a new top of \$41.30 was paid for 373 pound Colorado calves in November.

Although the hog market fell to lowest points since 1946, the average price in Chicago for the year was \$18.20, only five cents below the 1949 average and still above OPA ceilings. Average weight in Chicago was 260 pounds, a full 16 pounds over the country's average. This range was due to much wider outlets in Chicago for heavy pigs. The 1950 peak was higher than for the previous year. This was reached in August when \$25.50 was paid, highest price in two years.

Unprecedented prices were reached in

the sheep market as the country's sheep population dwindled to the lowest in recorded history. The average of \$27.05 was the highest ever recorded and \$2.65 higher than 1949. Chicago prices attracted a larger share of the country's supply. While fewer sheep were butchered over the whole country, receipts in Chicago increased over 1949. The all-time record of \$32.60 was set here in December. Market officials state the average now is about \$8.00 above last year.

NOTICE TO NON RESIDENTS

In the Kosciusko Circuit Court, January Term, 1951.

No. 28067, Notice of Publication

State of Indiana:

ss:

Kosciusko County:

George H. VanDyke

vs.

Anna E. Douglas, et al.

Be it known that the above named plaintiff has filed in the Kosciusko Circuit Court his complaint against the following named defendants in the above entitled cause, with the proper affidavit that said defendants to-wit: Anna E. Douglas, Anna E. Douglas, George P. Street, the husbands and widowers of each of the above named defendants Anna E. Douglas and Anna E. Douglas; the wife or widow of the above named defendant George P. Street; the heirs and devisees of each and all of the above named defendants, their husbands, wives, widows or widowers; the unknown creditors, Administrators of the estates, the Executors of the Last Will and Testaments of each and all of the above named heirs or devisees, as the case may be; the names of whom are all unknown to plaintiff; the unknown grantees or assigns of each and all of the above named persons, and those designated but unknown to the plaintiff; all of the women once known by any of the names and designations above stated whose names may have been changed; the names of whom are all unknown to plaintiff; the spouses of all of the persons above named, described and designated as defendants to this action who are married; the names of all of whom are unknown to plaintiff; the unknown trustees, trustees in bankruptcy, transferees, assignees and successors in interest, and receivers of all of the partnerships, trusts, trustees, corporations, firms or associations, and all stockholders or holders or owners of a beneficial interest in, under, through or as successors to such fiduciaries, corporations, and designated possible holders of title or interest in said real estate, who are described or designated as defendants in this action, all of whom are unknown to plaintiff, are either non-residents of the State of Indiana, or that their residences are unknown to plaintiff, or upon diligent search and inquiry they cannot be ascertained; that all of said defendants are necessary parties to this action, and they are believed to be non-residents of the State of Indiana.

That said cause of action is to quiet the title to the following described real estate situated in Kosciusko County, in the State of Indiana, to-wit:

Lot Number eight hundred forty-seven (847) in the Fourth Amended and Additional Plat to Winona Lake, now the Incorporated Town of Winona Lake.

That said action is instituted and prosecuted by said plaintiff for the purpose of quieting title to the above described real estate as against all defendants, claims and claimants whatsoever and whomsoever, and against the world.

Now, therefore, all of the above named and designated defendants, and each of them, are hereby notified of

Why Cypress Lasts

Cypress wood lasts so long without rotting because normally the pores through a piece of cypress are penetrated with an oily material that forms a natural preservative. If it is removed experimentally with suitable solvents, cypress does not show any exceptional durability.

the filing and pendency of said complaint against them, and that said cause will stand for trial on the 16th day of March, 1951, being the fiftyninth day of the January Term of said Court for the year 1951, and that unless they appear and answer or demur thereto on said date said complaint and all the matters and things therein contained and alleged will be heard and determined in their absence.

Witness the Hand and Seal of the Clerk of the Court, this 9th day of January, 1951.

ERNEST E. BUSHONG,

Clerk of the Kosciusko Circuit Court.

LUCY E. UPSON,

Attorney for Plaintiff.

BREEDERS USING MERITORIOUS DAIRY SIRE

David M. Robbins, of Warsaw, local technician for the Indiana Artificial Breeding Association, is furnishing semen from the Meritorious Dairy Sire Award Winners of the Indiana Artificial Breeding Association of Carmel, an American Breeders Service, according to an announcement from the Indiana Artificial Breeding Association.

THANK YOU

Thanks to the J. O. Y. Circle and to my many friends who remembered me with gifts and greetings to make my 84th birthday the happiest I have ever experienced.

Just one condition in life that is more blessed than friends—God's approval. We are doubly blest with both. Come again. Sincerely,

BRODA.

Weekend callers at the home of Mrs. Ina Davis were Josephus Davis of Dinuba, California; Mr. and Mrs. Roscoe Kinney of near Milford; Mr. and Mrs. Ira Aughinbaugh and daughter, Lurabelle, Mrs. Cynthia Adams of Silver Lake and Mrs. David Sartor and son, Jimmy.

YOUTH FOR CHRIST

RALLY SATURDAY NIGHT

OPEN WILLIAMSON ESTATE

The estate of Harold B. Williamson, who died in Franklin township on December 31, has been opened in Kosciusko circuit court, with his widow, Anna B. Williamson, of route 1 Claypool, qualifying as administratrix. Mr. Williamson leaves a personal estate valued at \$4,000 and real estate valued at \$25,000. In addition to the widow, another heir is a daughter, Norma A. Kuhn, of route 1, Claypool.

JOLLY JANES CLUB NEWS

The Jolly Janes held their first meeting of the new year at the home of Mrs. Kenneth Romine. Seventeen members were present.

In giving the "Outlook for Family Living in 1951", Mrs. Delford Nelson stressed the following points; manage your money better by planning your spending, teach money management to your children. Mrs. Nelson also discussed the effect of mobilization, inflation and a steady rise in prices, and the decrease in the quality of clothing. A line quoted by Mrs. Nelson, from a song used in a Walt Disney play is a very good slogan for these times: "It's what you do with what you got that helps a lot."

The new year books were distributed and lessons for the year were assigned to the leaders.

A committee, Iris Anderson and Mary Tridle, was appointed to select a place for and plan the Club's anniversary dinner to be held Wednesday, January 31. These are to be announced in this paper in a later issue.

In a contest enjoyed during the social period, the prize was won by Fern Reichard. A birthday gift and the door prize were received by Emma Clutter.

The February meeting will be at the home of Mrs. Rex Tucker with Mrs. David Gosser as co-hostess.

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

Accidents involving carbon monoxide poisoning have taken sixty-one lives in Indiana during the past two years with deaths caused by illuminating gas exceeding those attributed to motor vehicle exhaust gas and other carbon monoxide gas such as poison from coal, gasoline and wood.

Twenty-one of the accidental deaths occurred in 1949 and forty the preceding year, according to Verne G. Robinson, director of the Division of Public Health Statistics, Indiana State Board of Health. Figures for the accidental deaths for 1950 will not be available for a few months.

These statistics do not include suicidal deaths from carbon monoxide poisoning. Thirteen of the deaths in 1949 were caused by illuminating gas; 4 by motor vehicle exhaust gas and 4 by other carbon monoxide gas. Of the 40 lives lost in 1948, twenty-one were attributed to illuminating gas; 7 to motor vehicle exhaust gas and 12 to other carbon monoxide gas.

These statistics are a warning in this cold weather that flues, vent pipes and draft controls should be kept clean, tight and in good condition; that liquids should not be allowed to boil over on the stove so that the gas flame

is extinguished and that automobiles should not be run in closed garages nor should persons sit in closed parked cars with the engines running.

CROSS ONLY AT

WINNERS SERIES-SIXTH NATIONAL POSTER CONTEST
Sponsored by Chicago Motor Club, American Automobile Association, Chicago Motor Club

JANUARY

Issued by CHICAGO MOTOR CLUB

No one knows why Chickens cross the street. But when they do, they do it safely: they cross at corners where a motorist will be expecting them to cross. Besides, corners are where they will have the benefit of traffic signals, stop signs, warning signs and pedestrian crosswalks. This safety poster will be distributed by the Chicago Motor Club to 35,000 elementary school classrooms in its Illinois and Indiana territory.

new Plymouth will go on display in dealer showrooms throughout the United States Saturday, Jan. 13.

Designers have given the Plymouth a striking new silhouette, and refinements in the interior are innovations in the lowest price field. The styling improvements retain the traditional roominess of the cars.

Easier to drive and more comfortable, the new cars have greater beauty, more safety features and broader ranges of vision than ever before.

Engineers say the new "Safety-Flow ride" takes the bounce and wallop out of bumps. A new application of hydraulic flow control in the shock absorbers provides a more gradual change of resistance during spring deflections and thus a softer ride when driving on average roads. It also exerts extra resistance on rough roads to a degree where driver and passengers are almost completely freed of the discomfort of being jolted around.

The "Safety-Flow ride" is one of the greatest contributions to driving comfort and safety in recent years, according to D. S. Eddins, president of Plymouth Motor Corp.

"The new Plymouth gives you roadability never before offered in any car," he said. "There is no necessity for steering wheel fatigue to control the car on difficult roads. The driver is no longer required to focus full attention on the condition of the road. He may be more watchful of oncoming traffic, pedestrians, curves, crossroads and other potential hazards."

Eddins called the new development a major step toward restful motoring. More confidence is gained by driving or riding in a new Plymouth with the "Safety-Flow ride," and as a result there is less driver and passenger fatigue, he said.

The lines of the new Plymouth

with the wider windshield provide additional lateral vision. To utilize fully the greater vision through the new rear window, the rear view mirror is two inches wider. The chair-height front seat and the new design of hood and front fenders permit the driver to see the road nearer the car.

There are numerous mechanical improvements. Windshield wipers are electrically operated, and are of the single-speed, self-parking type.

A unique pressure-vent radiator cap, which has been added as standard equipment, permits the cooling system to be operated at atmospheric pressure during normal driving conditions. Under high-load, high-temperature driving conditions, the new radiator cap provides a pressurized cooling system to allow high coolant temperature without boiling or loss of anti-freeze.

All Plymouth engines now have a built-in by-pass cooling system permitting water circulation and resulting in more uniform temperature throughout the engine during the warm-up period. The new system consists of a passage in the cylinder head and block providing direct access to the water pump, and a choke-type thermostat to regulate coolant flow to the radiator.

The generator output has been raised to 45 amperes, an increase of five amperes, providing greater electrical capacity for the operation of car accessories. The new hand brake "T" control handle is more accessible, and, as on former models, it operates independently of the foot brake as an added safety measure.

In the convertible club coupe, the spare tire is mounted vertically as in other coupe and sedan models, rather than on the trunk floor.

The new Plymouth interiors offer the finest selection of upholstery and trim and the most harmonious color

binning practicality with luxury. Always noted for spaciousness, Plymouth now has even more head room and more room to stretch out in comfort in the rear seat.

To go with the high quality of the upholstery, there is a handsome new instrument panel which features a more convenient grouping of controls, newly shaped instruments and improved coloring and lettering for easier checking while driving.

The wide, deep chair-height seats, the ease of entrance and exit, and all the other traditional Plymouth features for driver and passenger comfort have been retained.

There are nine body-types in the new Plymouth line: the Concord series includes a two-door sedan and a three-passenger coupe as well as the two all-metal utility models, the Suburban and the Savoy; the Cambridge series has a four-door sedan and a club coupe; and the Cranbrook series includes a four-door sedan, a club coupe, and a convertible club coupe.

The Suburban and the Savoy, with their smart, distinctive lines are all-purpose vehicles. They have the beauty and comfort of a sedan, and by simply lowering the rear seat flush with the floor they become sturdy cargo carriers for farmers, salesmen, sportsmen, tourists or others who require large cargo capacity. The Savoy, called the "country club companion" of the Suburban, provides a greater variety of luxurious interior appointments and more exterior refinements to enhance the car's striking appearance.

Among the "high-priced car" features which are retained are six-cylinder, 97-horsepower engine with a 7 to 1 compression ratio, the combination ignition and starter switch, automatic electric choke, super-cushion tires, safe-guard hydraulic brakes, and safety-rim wheels.

WE HOPE SO

Families can continue planning their summer automobile trip.

The Chicago Motor Club says that, at this time, no rationing or restrictions in the automotive field can be foreseen in the immediate future. There are no federal speed limitations, "is this trip necessary?" campaigns, or other World War II travel limitations in sight at present.

Auto production will be reduced, but this reduction will be from an all-time high. The latest estimate is that the 1950 U. S. output totaled 6,650,000 passenger cars and 1,340,000 trucks for a combined total of just 8,030,000 vehicles. The previous record was 6,253,000 vehicles in 1949. The decline in factory schedules will be gradual, with volume down about one-third by late summer.

Gasoline stocks are high. There has been official assurance that no rationing is in prospect. Octane ratings may be reduced but the supply of gasoline for private auto consumption is not a matter for concern.

Tires, the lack of which hit motorists hardest during World War II, should be plentiful for some time to come. From 1941 through 1945 it was the scarcity of natural rubber which lay at the bottom of many of the restrictions affecting car owners. Today, with synthetic plants producing at capacity, authorities say that there is nothing in the picture to warrant tire rationing at this time. The over-all use of rubber has been cut back by government orders but applies more to natural than to synthetic rubber. A record 79,000,000 tires were produced in 1950. Even considering the recent federal restrictions, the predicted use of all rubber for production will not be below the level of February, 1949, during which year 65,000,000 passenger car tires were produced.

"NO WAY OUT"**MENTONE****MURMURS**

by

DAVID and SALLY GOSSER

Last week Murmurs had an adventure which many of his readers may have experienced at one time or another. He, along with Denton Abbey, went to Maxwell Street in Chicago; and although it rained most of the day, what was seen was sufficient to acquaint them with fair-weather salesmanship that exists in that notorious section of the city.

Vendors shuffled about on sidewalks sheltered by wooden awnings that stretched from dilapidated brick buildings to green booths built along the curbs. As these two Hoosiers were the only prospective customers in sight, they were accosted every few feet by over-coated octopus that endeavored to draw them into basement or store-room lairs for fleecing. Never had they

seen humans with so many verbal and structural arms. There was persuasive discourse, gentle but urgent physical coercion, and lapel holding that only a sense of humor overcame. Everybody had a bargain—suits, jackets, coats, trousers, household goods, jewelry, and what-not.

"Sell you suit cheap. Want a coat? You no need to buy; just come inside and look. Try one on. I swear to God you no need to buy. I know you are gentlemen, (the flattery attack) you can take my word for it, I got good suits cheap. Sell them just to you for ten dollars." (The Hoosiers were not quite sure just what it was they could take his word for, the fact that they were gentlemen or that he had good suits cheap.)

It was the same on both sides of the street for two and a half blocks. Refuse and city-smogged snow filled crevices and streets from which the vendors had retreated for the winter. Store rooms and windows were cluttered and piled with worthless articles of trash, but in front of most of them the same salesmanship and monologue, which becomes pitiful and tragic when the lives of these characters are given some thought. Dramatic? Tragically so! Yet most of these men are the more industrious of the group that mills restlessly about on Madison street in the homeless-man area, the group which Dickens would include in his reform novels were he living and writing in this day and age.

Murmurs is wondering if our cultural civilization has yet reached its peak or if there is not yet a field for pioneers who will dare to create a life that will not kill the initiative of people, but inspire them to attain improvements in this realm of human nature. We are not a dead and stalemated society, but a nation of individuals who are responsible for their brothers both locally and world-wide. Edwin Markham's "Man With the Hoe" is alive and existing, but still bowed by the weight of centuries."

FAREWELL DINNER HELD

Mr. and Mrs. W. Frank Hudson, Sr., entertained Sunday, Dec. 24th, in honor of their son, Jerry Cloyde, who left the following Tuesday for Indianapolis to enter the U. S. Air Force. From there he was sent to Lackland Air Force base at San Antonio, Texas.

The turkey dinner was enjoyed by their own immediate family of Mr. and Mrs. W. F. Hudson, Jr., and daughter Jennie Lu, Jerry Cloyde and Mr. and Mrs. Hudson, Sr.

Christmas gifts for all the family and pictures of the group were taken. Tuesday the entire family met at the bus station in Warsaw to extend best wishes on Jerry's departure.

For the past several months Jerry had been employed by the Valentine Elevators, and those employees joined the group with gifts and good wishes. Jerry graduated from the Beaver Dam

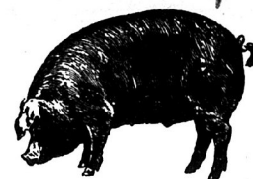

high school in 1949 and was prominent in basketball, school and community sports activities.

The father, Wm. F. Hudson, Sr., is a World War I veteran, having enlisted in the U. S. A. C. in 1918, and his only brother, Wm. F. Hudson, Jr., is a veteran of World War II having served 42 months stationed in Australia. His mother is also an active member in the local American Legion Auxiliary and Mothers of World War II organizations.

SCHOOL NEWS

Thirty-three girls of the FHA held a regular meeting on Monday evening at the schoolhouse. Mrs. Artley Cullum spoke on "Highlights of Homemaking" Margaret Hodges recited a poem. There were group games, group singing, and refreshments. Mrs. Ralph Hoffman sponsored the meeting. Mrs. Richard Hodges attended as a guest.

The Junior High basketball boys went down in defeat at Atwood, Monday night by a score of 36-29. They had previously won six games straight. The Junior High second team won its game.

The week-end proved winless for the high school teams. Piercetown defeated our first team on Friday evening 53-43. The second lost a close game 34-32. At North Manchester, a late rally fell three points short, 61-58. The second team was also defeated.

Mr. Law was absent on Monday. Mr. Gosser substituted. The attendance has been quite good for this

time of year. There have been a few cases of chicken pox and a couple of cases of whooping cough in the lower grades.

Figures recently released by Mr. Whitehead relative to the cost of maintaining various schools show the following figures for Harrison Township (Mentone School):

Total school cost 1949-50	\$75,275
School cost per day	\$418
Cost per pupil per year	\$176.39
Cost per pupil per day	\$.98

Costs at Mentone are low compared to some of the other county schools.

Semester exams will be given on Tuesday and Wednesday (January 16-17) of next week. The second semester will open on Thursday morning, January 18th.

The Seniors are hard at work on their school annual. If you have not already reserved a copy, you will want to do so soon.

ATTENDING BIBLE INSTITUTE

Miss Marilyn Annette Goodman, daughter of Mr. Chauncey W. Goodman, Mentone, has just enrolled in the Christian Education Music course at Moody Bible Institute, Chicago.

"All dormitory space is now in use," reports Dr. S. Maxwell Coder, dean of education. Students have come from all over this country, and foreign lands as well, to take advantage of the specialized Christian training. Eight different courses, including pastors, music, and missionary technical, are offered.

Threading Pipe

In 1862 Robert Briggs compiled standards for sizes, diameter and threading of pipe which are the basis of those in use today.

Claypool Youth Wins Sectional Honors in 4-H Dairy Achievement

Everett Rookstool

Everett Rookstool, 18, of Claypool, Ind., has been selected as one of 12 sectional champions in the 1950 National 4-H Dairy Achievement program. During eight years in 4-H, young Rookstool has made over 40 dairy exhibits and has given 10 demonstrations. His pet cow, Babe, completed her 2,000 pounds of butterfat for the bronze award and is expected to qualify for the silver award. Everett won four dairy showmanship awards, and one of his cows—sold for \$500—previously placed in gold emblem class at the International Dairy Exposition in 1941.

The youth has served his club four years as junior leader. In recognition of Everett's achievements, Lederle Laboratories provided a trip to the National 4-H Club Congress in Chicago.

This activity is conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

GAS IS FINE IN THE FURNACE — NOT IN YOUR STOMACH

If your stomach burns "like fire" it means your food turns to gas instead of digesting. So you are in misery with bloating and can hardly breathe.

Mentone people say they are free of stomach gas since they got CERTA-VIN. This new medicine digests food faster and better. Taken before meals it works with your food. Gas pains go! Bloating vanishes! Contains Vitamin B-1 to enrich the blood, give you pep and make nerves stronger. Miserable people soon feel different all over. So don't go on suffering. Get CERTA-VIN—Denton Drug Store.

—Adv.

FORMER TALMA MAN DIES.

Chris G. North, 62, of Mishawaka, died at 6:30 a. m. Saturday morning in his home. Death followed a sudden heart attack.

Mr. North was born Dec. 2, 1888, in Van Wert, Ohio, and went to Mishawaka from Talma, Ind. in 1923. On Aug. 22, 1904 he was married to Mable Kesler. Mr. North retired from the Ball Band plant at Mishawaka in 1945. He was a member of the First Methodist church.

Surviving are the widow, and one daughter, Mrs. Walter Crackel, of Mishawaka, and one brother, Vernon North, of Kankakee, Ill.

Funeral services were held Monday afternoon at 2:30 in the Hollis funeral home in South Bend. Rev. Chas. B. Croxall, associate pastor of the First Methodist Church, officiated. Burial was made in the St. Joseph Valley Memorial Park at South Bend.

—Newcastle Reporter.

Seamless Steel Pipe

The biggest size of seamless steel pipe, used mostly for pipe lines, is two thousand times the diameter of the smallest size of tube, used for hypodermic needles.

Why Pigs Eat Mud

Lack of a balanced ration causes pigs to eat mud, sand and other indigestible materials.

INDIANA'S RAILROADS

Your railroads—the railroads which have served the State of Indiana since 1832—thank you for your patronage and wish for you, our patrons, a Happy and Prosperous New Year.

In peace and in war, your railroads are the economic backbone of our State and Nation. Not only do they provide over-all freight and passenger service which cannot be performed by any other mode of transportation, but the railroads' purchases of equipment and supplies in Indiana are tremendous.

We need your business and you need ours!

The constantly growing state of Indiana, ever-increasing in importance in the industrial progress of our Nation, cannot be properly served without efficient and financially-sound railroads.

America is the last stronghold of free enterprise and, for the good of all, free enterprise must be preserved.

May there be a continuance of the fine spirit of cooperation, which has prevailed for 119 years.

Onward in 1951

CO-OP. OIL STATION

BAPTIST NEWS

Last Thursday evening the annual business meeting of the church was held. With 104 people present the business of the meeting was conducted in a fine spirit of unity. Reports were given to show that during the year 1950 the total income of the church was \$16,295.11. Of this amount \$5,656.66 was spent for general expenses and \$10,638.45 was spent for missions. During the year 80 made confessions of faith in the services, 40 were baptized and 47 were added to the church as new members. Average attendance for Sunday School was 214, for the morning service 202, for evening service 173 and for the prayer meeting 102. The pastor made some 648 pastoral calls and made other reports of his activities for the year.

Raymond Lewis and Howard Reed were re-elected to the office of deacon. Earl Zent was re-elected to office of

trustee and Everett Besson was elected to fill out the unexpired term of Cecil Nelson who resigned as trustee. Other officers for the coming year elected were Devon Eaton and Norbert Darr, Sunday School Supt. and assistant; Roland Ferverda, treasurer; Everett Rathfon, clerk, and LeRoy Norris, Moderator of the church.

The church also voted to stay on the Family Altar Broadcast for an indefinite period. A special speaker for next Sunday will be Dr. R. T. Ketcham, national representative for the General Association of Regular Baptists. During 1946 Mr. Dowden was an assistant pastor to Dr. Ketcham in Waterloo, Iowa, and they have been close friends for several years. Dr. Ketcham is one of the best preachers in the country today and the public is urged to hear him at both services on Sunday.

OUCH!

But there's one sure way to save money on your 1951 income tax. Pay by check so you will have an accurate record of all deductions.

Remember, every item of expense you overlook is simply money out of your pocket. Perhaps it might be a good idea to open a checking account with us in the morning.

Subscription—\$1.50 Per Year

**LIONS APPOINT SOFTBALL
ASSOCIATION MEMBERS**

At the regular meeting of the Mentone Lions Club held Wednesday evening, members of the executive committee for the softball association were named, as follows:

Wm. Schooley, chairman; Lorin Tridle, Ora McKinley, M. O. Bryan, Marvin Romine and Richard Manwaring. The out of club members are Herschel McGowen and Herschel Linn.

The topic of softball came in for much discussion, but the members present unanimously voted to continue sponsoring the recreation project even though a deficit of almost three hundred dollars developed last season. A portion of this deficit is being absorbed by the town officials, who likewise feel that the grounds should be maintained for the benefit of all the citizens, old and young.

It would appear that there is an opportunity for other citizens or organizations to further enhance the value of Veterans' Park by adding other recreational facilities, such as lighted horseshoe pitching courts, oiled tennis, volleyball or basketball courts, archery range, etc.

MERCHANTS MEET

The regular monthly meeting of the Mentone Merchants' Association was held at the Farmers State Bank on Monday night, with John Boggs, Raymond Cooper, Ora McKinley, Mervin Jones, Glen Denton, K. A. Riner, C. E. Walburn, Arthur Brown, Joseph A. Baker, Leroy Cox, Kenneth Romine, Fred Lemler, Robert Riewoldt, James Rodibaugh and Artley Cullum present.

Considerable time was spent discussing how it might be possible to get more of the business and professional people to help the organization in their efforts to build a better community, and to maintain the enviable position we are now enjoying.

A merchants' association is not an organization to "grind axes" for only business firms, but is intended to promote any project that will help to make this a still better community. This includes projects beneficial to rural and professional people as well as businessmen and city citizens.

COOPERATION PAYS**BERT A. RUSH DIES.**

Bert A. Rush, 82, died at 7 a. m. Sunday at the Woodlawn hospital at Rochester. He had been ill for the past five years.

Mr. Rush, a retired farmer, had lived most of his life in Kosciusko county. He was born in Pierceton Dec. 29, 1868, the son of Moses and Mary (Engle) Rush.

He was a member of the Mentone Church of Christ.

Surviving relatives include his wife, who was Elva Coomler before their marriage; three sons, Roy of Mentone, Fred of near Mentone, and Earl of Detroit, Michigan; 12 grandchildren and 12 great-grandchildren.

Funeral services were held at 1:30 p. m. Tuesday at the Johns funeral home in Mentone, with J. S. Johns, pastor of the Church of Christ in Indianapolis and Joseph Jones, pastor of the local Church of Christ, in charge.

PTA CHILD STUDY CLASS

The morning group of the PTA Child Study class met at the home of Mrs. Dan Urschel Tuesday, January 16th at 9:30 a. m. These morning meetings are in the form of "brunch sessions," and over the coffee cups such subjects as are presented monthly in the National PTA Magazine are discussed.

Mrs. John Boggs reviewed articles on the subject of Vocational Guidance and Facilities for the Recreation of Children, which was followed by informal discussion.

Those present were Mrs. John Boggs, Mrs. Robert Parker, Mrs. Charles Manwaring, Mrs. Everett Long, Mrs. David Gosser, Mrs. Walter Kent, and the hostess, Mrs. Dan Urschel.

The February meeting will be at the home of Mrs. Charles Manwaring on the third Tuesday at the same hour.

**MAY WE HAVE THOSE
SOLDIER ADDRESSES?**

The editor and publishers desire to send the Co-Op. News to all those serving in our armed forces, but we must have the correct mailing address. These papers are mailed free, but we do request that we be kept properly informed whenever a mailing address changes.

ALL PARENTS BEING CONTACTED

The publicity committee of our PTA is sending cards to every parent in our community, who has a child in school, to urge them to attend the PTA meeting next Wednesday evening, Jan. 24.

A group will discuss several pertinent questions in an informal manner. This should be one of our most interesting programs.

Some of the questions to be discussed are:

What is our school rating in comparison with other schools in the county?

To what extent may disciplinary measures be used by a bus driver?

What should a parent expect when a child begins a musical instrument?

Could we have a book exchange in our school?

WORD FROM FLORIDA

Two postal cards came this past week from Mentone folks who are wintering in Florida. The first, from Mrs. Lide Williamson, shows a garden of poinsettias in bloom. She is really enjoying the many varieties of flowers and the fruit. It's cool there, but not freezing.

The other is from the Ivan Tuckers at Punta Gorda, showing an orange grove with the pickers in action. Ivan says the picture shows how the groves really look, but it doesn't look like they'd get them all picked.

Perhaps any comments about our weather should be left entirely to the weatherman.

RUSH

Mr. and Mrs. Paul Rush are the parents of an 8 lb. 7 ounce daughter, born Monday morning, Jan. 15, at the Wabash hospital. The new daughter has been named Evelyn Ann.

SARBER

Mr. and Mrs. Eugene Sarber are the parents of a six pound nine ounce daughter, born Monday at the Woodlawn hospital in Rochester. The new daughter has been named Louanna Jo.

ROMINE

Mr. and Mrs. Gerald Romine are the parents of a five pound 13 ounce son born Wednesday morning at the McDonald hospital at Warsaw. The new son has been named Gary Lee.

CALLED TO IOWA

Rev. Milton Dowden is in Iowa where he was called by the serious illness of his father.

Word Tuesday stated that the elder Mr. Dowden's condition was slightly improved. He is suffering with heart trouble.

**RITES THURSDAY FOR
NATIVE OF TIOSA**

Funeral services will be held at 2 p. m. Thursday for John Frederick Kepler, 67, Chicago, who died Sunday evening from a heart attack. He was a native of the Tiosa community.

The body was returned to the Johns Funeral Home, Wednesday and will remain there until noon Thursday. It will then be taken to the Tiosa Brethren church for services.

Burial will be made in the IOOF cemetery, Rochester.

Survivors include an uncle, Jess Taylor, of Atwood, and several cousins, including Mrs. Harry Clymer, of Talma.

HAS MAJOR SURGERY

Mrs. James Holloway is a patient in the Woodlawn hospital at Rochester following major surgery for a gall bladder ailment. She is doing as well as can be expected and will be in the hospital for about a week yet.

SOLDIER'S ADDRESS

Here is Floyd Nicodemus's address. He would appreciate hearing from old friends in Mentone.

Rct. Floyd Nicodemus U. S. 55090314
Co. L. 506 Abn. Inf. Regt.
101 St. Abn Division
Camp Breckinridge, Kentucky

CLUB CALENDAR

P. T. A. Discussion Wednesday evening, January 24 at the school building. All parents urged to attend.

D. A. R. Tuesday evening, January 23 at the home of Mrs. Max Smith.

Boy Scout Paper Drive, Saturday morning January 20 at 9 o'clock. Have all paper tied in bundles or in heavy paper cartons.

Members of the Mentone Legion Auxiliary will meet at the Legion Home at 8 o'clock, Jan. 23, to celebrate the fourth anniversary of the unit.

NOTICE TO NON RESIDENTS
In the Kosciusko Circuit Court, January Term, 1951.
No. 26067, Notice of Publication
State of Indiana:

ss:
Kosciusko County:
George H. VanDyke

vs.
Anna E. Douglas, et al.
Be it known that the above named plaintiff has filed in the Kosciusko Circuit Court his complaint against the following named defendants in the above entitled cause, with the proper affidavit that said defendants to-wit: Anna E. Douglas, Anna E. Douglass, George P. Street, the husbands and widowers of each of the above named defendants Anna E. Douglas and Anna E. Douglass; the wife or widow of the above named defendant George P. Street; the heirs and devisees of each and all of the above named defendants, their husbands, wives, widows or widowers; the unknown creditors, Administrators of the estates, the Executors of the Last Will and Testaments of each and all of the above named heirs or devisees, as the case may be; the names of whom are all unknown to plaintiff; the unknown grantees or assigns of each and all of the above named persons, and those designated but unknown to the plaintiff; all of the women once known by any of the names and designations above stated whose names may have been changed; the names of whom are all unknown to plaintiff; the spouses of all of the persons above named, described and designated as defendants to this action who are married; the names of all of whom are unknown to plaintiff; the unknown trustees, trustees in bankruptcy, transferees, assignees and successors in interest, and receivers of all of the partnerships, trusts, trustees, corporations, firms or associations, and all stockholders or holders or

owners of a beneficial interest in, under, through or as successors to such fiduciaries, corporations, and designated possible holders of title or interest in said real estate, who are described or designated as defendants in this action, all of whom are unknown to plaintiff, are either non-residents of the State of Indiana, or that their residences are unknown to plaintiff, or upon diligent search and inquiry they cannot be ascertained; that all of said defendants are necessary parties to this action, and they are believed to be non-residents of the State of Indiana;

That said cause of action is to quiet the title to the following described real estate situated in Kosciusko County, in the State of Indiana, to-wit:

Lot Number eight hundred forty-seven (847) in the Fourth Amended and Additional Plat to Winona Lake, now the Incorporated Town of Winona Lake.

That said action is instituted and prosecuted by said plaintiff for the purpose of quieting title to the above described real estate as against all defendants, claims and claimants whatsoever and whomsoever, and against the world.

Now, therefore, all of the above named and designated defendants, and each of them, are hereby notified of the filing and pendency of said complaint against them, and that said cause will stand for trial on the fifth day of March, 1951, being the fifty-ninth day of the January Term of said Court for the year 1951, and that unless they appear and answer or demur thereto on said date said complaint and all the matters and things therein contained and alleged will be heard and determined in their absence.

Witness the Hand and Seal of the Clerk of the Court, this 9th day of January, 1951.

ERNEST E. BUSHONG,
Clerk of the Kosciusko Circuit Court.

LUCY E. UPSON,
Attorney for Plaintiff.

MRS. GATES IS HOSTESS TO MENTONE CLUB

Mrs. Earl Smith assisted Mrs. Claude Gates, of Mentone, in entertaining the Mentone Home Economics club last Thursday afternoon. There were 25 members present and two little guests.

Mrs. Gates gave the "outlook for family living in 1951," which included the probable supply of commodities available. Mrs. Howard Horn gave highlights of the council meeting held Tuesday by the presidents of Home Economics clubs throughout the county. For the meditation Mrs. Earl Smith read an article on "Prayer," written by Kate Smith.

During the business session the new year books were distributed and the response to roll call was a smile and 50 cents for dues. During the social hour Mrs. Agnes Rans was awarded the mystery package and Mrs. Raymond Weirick, Mrs. Cloice Paulus and Mrs. Leroy Cox were the high bidders in the auction. February 8 was set as the date for the next meeting at which Mrs. Edith Darr will be the hostess. Soaps and detergents will be discussed.

NEW CASTLE TOWNSHIP NEWS

There were seven local high school boys who were expelled recently for skipping class. They have returned to their studies.

Mrs. Bill Barr and daughter of Hammond is the guests of Mr. Barr's parents, Mr. and Mrs. Fred Barr.

Mr. Lavoy Montgomery attended the County Tourney at Rochester Thursday evening.

Sonny Green, Mickey Eaton, Carlton Clemans, Chuck Waltz and Arnold Snipes spent Friday in Logansport.

Mr. and Mrs. Olin Wagoner spent Friday in Rochester and Peru.

Mr. and Mrs. Loren Kramer spent Thursday evening in Rochester.

Rev. Jack Aebersold of Bourbon spent Friday evening here.

There were a number of friends gave Mr. and Mrs. Herman Mathews an old fashion belling Friday evening. Mr. and Mrs. Mathews received a number of nice gifts.

Mr. Charley Green was called to South Bend Thursday by the serious illness of his mother.

Mr. and Mrs. Olin Wagoner called at the home of Mr. and Mrs. W. A. Dick Friday evening.

Mr. Joseph Good of Chicago, spent

the week end here with his parents, Mr. and Mrs. Charles Good.

Mr. Devon Eaton and Mr. Harry Striver spent Friday evening in Mishawaka.

Miss Rosa Lee Good, of South Bend, spent the week end here with her parents, Mr. and Mrs. Charles Good.

Mr. and Mrs. John Ogle and Mrs. Clair Jones and family called at the home of Mr. and Mrs. Robert A. Calvert Tuesday evening.

Mr. Clair Jones has been admitted to the Woodlawn hospital at Rochester where he will undergo surgery.

Mr. and Mrs. Calvin Green and family attended the Times Theatre at Rochester Sunday evening.

Mr. Delbert Hunter, Mrs. Kermit Biddinger and Mrs. Paye Swihart called on Mr and Mrs. Herman Mathews Friday.

Mr. and Mrs. Charley Green attended the County Basket-Ball Tourney at Rochester over the week end.

Mr. and Mrs. Herman Mathews were the supper guests of Mr. and Mrs. Levey Hoffman Friday evening.

Early Colonists

Although the early colonists brought wheat to America from their home lands, they depended primarily for food upon the corn or maize which the Indians were growing, grinding, and making into a kind of bread.

CIVIL SERVICE OPPORTUNITIES

The Regional Director of the Sixth U. S. Civil Service Region in Cincinnati, Ohio today announced openings throughout Ohio, Indiana, and Kentucky for Stenographers, \$2450 to \$2875 a year; Typists, \$2200 to \$2875; Office Machine Operators, \$2200 to \$3875 a year; Engineers, \$4600 to \$6400; and Medical Officers, \$5400 to \$7600 a year. Persons that have appropriate experience and/or education or training are urged to apply. Most of these vacancies exist in Government agencies

that are directly concerned with our National Defense.

For full information regarding the minimum requirements and for the appropriate application forms, please contact Mrs. Stanford in the local Post Office or the Regional Director, Sixth U. S. Civil Service Region, Cincinnati 2, Ohio.

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

Communicable diseases in Indiana followed the same normal trend in 1950 as the preceding year according to reports made by Indiana health officers to J. W. Jackson, director of the Division of Communicable Diseases Control, Indiana State Board of Health.

One unusual fact pointed out by Dr. Jackson is that the poliomyelitis morbidity rate was higher than usual following an epidemic and cases to be reported. The disease usually subsides in November. A total of 597 cases was reported in 1950 as compared to 1147 in 1949.

More cases of measles and whooping

cough occurred in 1950 but 1949 was a low year for both diseases. The 1755 whooping cough cases were reported on the average of one hundred each month, including the summer months. The preceding year 993 cases were reported. Only 162 cases of measles have been recorded since the beginning of the school year with over a thousand cases reported in last March, April, May and June. to bring the 1950 total to 7550. The number in 1949 was 4020.

The 1950 total of various diseases include: tularemia 24; Brucellosis 42; typhoid fever 49; paratyphoid 8; chicken pox 2414; diphtheria 155; influenza 401; meningitis 99; mumps 1139; pneumonia 552; rheumatic fever 11; rubella 374; scarlet fever 1533; tuberculosis 2156; tetanus 12; timea capitis 140; Rocky Mountain spotted fever 8. A total of 596 cases of animal rabies was reported and four deaths among humans were attributed to rabies.

MISSION "REFRIGERATOR"

The following letter comes from one of our soldiers in Alaska:

14 January 1951

Dear Mr. Cullum:

I've been sitting around here on my sack since chow, which consisted of beans, so-called escalloped potatoes, jello and milk, thinking of the big city and the folks in it so decided to write you a few lines.

Today, or rather this morning, was the coldest morning we have had so far. The weather report from the city airport said 23 below zero, while the temperature out at the KBYR transmitter was 30 below at 0830. The temperature never gets above 12 below zero here all day. It did not seem near that cold out as the wind was not blowing. About six weeks ago it was 18 below and a 20 to 30 m.p.h. wind was blowing and it really went right through one if they did not put on plenty of clothes. We have permanent firemen in the squadron, which is to everyone's liking except for when one of them who doesn't seem to be able to keep the barracks warm is on, and he had to be on this morning, of all mornings. When I wake up about 0830 it seemed more like an ice house than a barracks, but a new fireman had just gone on duty and by 1000 it was fairly warm. If you want to hear a bunch of guys complain, just let the barracks get cold and you will really hear some complaining, and all of us were at it good this morning.

Something must have been wrong up at the Wing headquarters Saturday because we did not have our weekly Saturday morning "alert," the first time in four week ends. During an alert we have to drag out our M1 rifles with a bandolier (6 clips) of ammunition, gas masks, cartridge belts and canteens, and lug them with us wherever we go. Our outfit has been assigned as helpers to the Air Police, and so have to help them pull ground duty. We were lucky the last three times in that the alerts only lasted from 0730 to 1200 or 1300, and so none of us had to go on guard duty, except for in the squadron area and in and around the hanger. These alerts

wouldn't be so bad if they didn't always come on the week ends and take away that much more of the time that the "wheels" say that we are supposed to have to do as we please.

I saw the Irwins over the Christmas holidays. They had just gotten their house refinished and new furniture in the living room. They've got their house fixed up real nice now to what it was when I was first down there. It is an old house but still in fairly good condition. Their church is an old army chapel which was moved from the old base to its present location, but even so it is the nicest church in Seward.

Seward is not too big a town, about 2,600 population, with longshoring, the Alaska Railroad, and the Standard Oil of California docks. Train, plane and boat are the only ways of getting to it at present, but a road is under construction from there to Anchorage. At present the road is open from Seward to Portage, which is about 30 miles south of Anchorage. The road follows the railroad a good share of the way, and in several places the railroad was rebuilt on the new roadbed and the highway is going to be built on the old railroad bed. The trip is a very scenic one, with all the waterfalls in summer, the glaciers, small streams, mountains, and the "Loop" which is really a complete loop plus an "S" shaped strip of track, continually rising, and going through a tunnel on the west end. They have three big trestles, which in earlier days were considered the engineering feat of Alaska, and still is of great interest to all seeing it for the first time. Now, the waterfalls of the summer are the snowslides of the winter. While making the trip over the Christmas week end I saw several places where large quantities of snow had slid down the frozen waterfalls. I've seen some very nice scenery in the states, but Alaska has some that far surpasses any I've ever seen in the states.

I recently saw the show, "At War With the Army," in which one scene was in a mess hall where the guys were being served beans. One of the KPs kept singing a so-called song about the Navy getting steak and the Army beans. Well, the Army may get beans but so does the Air Force. Here of late we have been having a lot of beans. I remember one day when we had stew for dinner, and then for supper we had three kinds of beans with some half-cooked potatoes. What a meal! Even now hardly a day goes by without beans of some sort. And another favorite up here is stew. A lot of meals we have food that a lot of people would throw out without thinking twice about it, but this is the service so what can we expect. I imagine that the guys in Korea would really enjoy some of those beans or that stew after living on those C rations for awhile.

I heard over the radio recently that we have had 44 inches of snow up

here so far this winter. Good thing it didn't all come at once or we would have been snowed in for good.

The Co-Op. News comes staggering in every once in a while. The mail situation up here hasn't been too good lately. The Alaska Steamship Company was having trouble with its crews for a long time and so they stopped their passenger ships for some time, which seemed to slow up the regular mail a lot.

At 1900 the temperature had dropped to 16 below zero, so it seems as if we'll have another chilly night tonight.

Hoping this finds all and everything in fine shape around Mentone, I remain,

Sincerely yours,
Cpl. Harry F. Kinzie,

MENTONE MURMURS

by
DAVID and SALLY GOSSER

Last week Murmurs told about his visit to Maxwell Street in Chicago, and then, picking up a current book, read more about that area than he had since he was in seminary studying sociology. It brought to mind the books he had read on the neighborhoods of the city, the stories by Louis Adamic, the gold coast, and the continuous shifting of the thirty to seventy thousand persons in the homeless-man area around Madison and Halsted Streets.

The feeling of their hopelessness and despair is as difficult to cast off as the hands of the peddlers in Maxwell Street, and as Murmurs has been "stewing" over the problem, he came to this conclusion. The people of these areas cannot lift themselves by their own boot-straps. They are dependent upon the guidance and direction of leaders who will extract them from their present situation and environment. Although this nation has paramount problems that may seem to have priority at the moment, this is an ever present situation that must be dealt with continually.

The relation of Mentone to the problem seems distant and removed, but when we consider the fact that these thirty to seventy thousand persons are transients each year, then there is an awareness that the communities of the nation are responsible for the situations and conditions in such places. These transients are the cast-offs and misfits of most any smaller city and town. They are the prodigal children of delinquent parents, the by-products of broken homes, the victims of circumstances, and refugees from the battlegrounds of life.

If Chicago were the only city in this nation, or even this part of the country with such squalor and degradation, there would be little use for Murmurs to mention it, but each of our surrounding cities of this state have small scale and miniature areas of vice and poverty, Indianapolis, Fort Wayne, So. Bend, and Gary, to mention a few. We have only to look back a few years to remember that Warsaw was not far removed from the clutches of Al Capone's gang. There is little wonder that the world judges us so viciously and suspiciously, but to shut off the information to the world, like closing our eyes while we ride through the slums, does not solve the problem and eliminate the cause.

Mentone, like thousands of other small communities, has the solution to the problem: First, the establishing of Christian homes with periods of devotion and worship which nourish ideals and rightness. Second, the concern for the welfare of others—stirring ourselves from the complacency imposed by our security and comfort.

Third, the need of absorbing into the civic life of the community every family within its boundary so that there is a sense of belonging and concern for our home problems. Fourth, to give our children the feeling of security within the home so that they are concerned about the problems common to each member, and feel necessary for the happiness of all. This will help prevent delinquency and keep within our own boundary those who belong to us. Fifth, to accept the responsibility of caring for those who are ours, both family members and community members. Sixth, to develop leadership within our community by providing the necessary opportunities for our youth through home, school, and civic projects, including the churches. Seventh, to encourage the development of home-town industry to absorb the population increase, because the family ties are stronger where all its members work, worship, go to school, and live in the same community. Eighth, to develop leadership and skills that will provide the highest type of character for other communities which must absorb those who do not or cannot live and work within the boundaries of the Mentone community. Ninth, to be interested in the problems and welfare of other communities, and whenever possible, render aid, as our fire company has so admirably been doing, and tenth, to have faith and confidence in our fellow men, and whenever possible, to increase the faith of others in ourselves. This may entail charity of feelings as well as alms, but it will produce great results, and make Mentone a great community.

FLORIDA BOASTS OF GOOD ACCOMMODATIONS

Florida is prepared this year to top its record of 5,000,000 visitors in 1950.

Construction of new accommodations has boomed ahead at an amazing pace. The Chicago Motor Club says that 20 new motor courts have gone up at St. Augustine since last winter. Sarasota has four new hotels, plus motor courts, apartment units and beach cottages. New building at St. Petersburg has averaged more than a million dollars a month.

St. Augustine, with a population of 13,000, is host to two million visitors each year. For those who stay long enough to get a good look at America's oldest city, it offers 1,500 hotels rooms and 1,500 tourist court rooms.

New building at Daytona Beach totaled almost \$6,000,000 in 1950, more than five times the volume of a decade ago. The city has 57 hotels, 403 apartment buildings, 75 beach cottages, 168 motor cottages, 550 guest houses, and parking areas to accommodate 600 trailers.

St. Petersburg, a lure for elderly retired couples and big league baseball teams, also attracts 300,000 visitors annually, offering them more than 200 hotels, plus scores of motor courts and furnished homes. St. Petersburg is proud of the fact that 49 per cent of all its homes are occupied by the owners - the leading average in Florida.

Typical of smaller resorts along the Gulf of Mexico, Sarasota has a population of 18,000 that swells to 50,000 in the winter months. Accommodations are provided by a dozen hotels, 60 motor courts, and apartments and cottages on the Gulf.

At the end of the trail lies Miami Beach. Here there are lodging facilities for almost 125,000 people. Last year Miami Beach entertained 1,400,000 visitors. Its tourist industry is worth \$170,000,000, a healthy portion of Florida's over-all \$895,000,000 tourist revenue.

Value Your Health More Than Riches

Some folks think that fine clothes and fine, big houses are the most important things in life, but these things really don't mean too much if a person doesn't feel well enough to enjoy them. Most folks don't realize this, but

Mrs. Lucy Braswell, of Route 2, Stone Mountain, Ga., realizes it very well. Mrs. Braswell takes HADACOL, and by taking HADACOL she found she is helping her system overcome deficiencies of Vitamins B₁, B₂, Niacin and Iron which HADACOL contains.

Here is Mrs. Braswell's own statement: "I have been sick for some time with stomach disturbances. I began taking HADACOL and I have been taking it about six weeks. I am so much better and much stronger. I will continue to take HADACOL. It sure has helped me. I tell my friends about HADACOL. I can't praise HADACOL too much. I am 59 years old."

MENTONE READING CLUB

The Mentone Reading club held its January meeting on Wednesday evening, January 10 at the home of Mrs. Vance Johns with Mrs. Walter Lackey as assistant hostess.

During the business session, conducted by the president Mrs. Harold Nelson, it was voted to donate to the Heart Fund, Red Cross, March of Dimes, and the Cancer Fund.

Officers elected to serve for 1951-1952 year were: president, Mable Norris, first vice president, Pearl Lackey, second vice president, Marjorie Cooper, secretary, Virginia Peterson, treasurer, Barbara Van Gilder.

The program committee composed of Mrs. Miles Manwaring and Mrs. Emma Clutter, had asked Mrs. George Baum, of Rochester, to be the guest speaker. She chose for her topic "Holiday In Mexico." She showed dozens of colored slides taken in Mexico last winter. These were taken from an artist's viewpoint and the scenes were often breathtaking. Mrs. Baum's comments and her personal appreciation of the Mexican people added a true richness and mellowness to the program, which was sincerely enjoyed by all the ladies.

Mrs. Ora E. Nelson, of Logansport, sister of Mrs. Jake Gross, is recovering from an operation performed Monday of last week.

METHODIST CHURCH NEWS

The Junior Choir will sing for the Worship Service this coming Sunday morning.

The Chancel or "adult" Choir will not rehearse on Thursday evening because of the W. S. C. S. meeting. It is hoped that a large number of men and women will be present at the rehearsal on January 25 when work on the Easter Cantata will begin. This will be a repeat of last year's cantata, "From Darkness to Light" because of the many requests to hear it again.

On Monday at the First Methodist Church in Goshen, Bishop Richard Rains will meet at nine o'clock with the Ministers of the Warsaw District

in an informal discussion session. In the afternoon he will meet with laymen women who are interested in talking about the problems of the church, local or world-wide.

On February 2 and 3 the Mid Winter Institute of the M. Y. F. will be held at Mishawaka. This will be for both the Intermediate and Senior groups. The pastor, David Gosser, will serve as one of the instructors.

Please keep this date in mind - February 8, a Thursday evening, for the Fourth Quarterly Conference.

The M. Y. F. will meet at seven o'clock on Sunday evening. This will enable the young people to see the sound film on the Life of Paul which will be shown at seven-thirty for the evening worship service. The film for this week is "On The Road to Damascus".

The sermon for Sunday morning is "It Rubs Off".

BOY SCOUT NEWS

The Boy Scouts of Troop 58 will gather paper on Saturday, January 20, starting at nine o'clock. All boys of the Troop are to report at the Tombaugh truck lot at eight-thirty. Please have all paper tied firmly in bundles or in heavy papers cartons. Proceeds from this paper drive will be used to send the boys to the Scout Camp near Cromwell this summer.

MOTHERS OF WORLD WAR II MEET

Mrs. Maude Romine was hostess to the Mothers of World War II, unit 106, Wednesday, Jan. 10. The meeting was opened by pledging allegiance to the flag, singing one verse of "America," and prayer by Mrs. Stanford, acting chaplain in the absence of Mrs. Meredith. The meeting then was declared opened for business by the president, Mrs. Paulus.

Several lap robes were reported made and ready to be sent to the boys; also we are to send sponge rubber cushions with them. Mary Barkman was reported in the Woodlawn hospital at Rochester and Bertha Meredith on the sick list. Mrs. Flosom Newell was appointed flower chairman and Ocle Gross paid her birthday money. The following officers were then installed

by Mrs. Ethel Wagner: President, Blanche Paulus; 1st vice president, Maude Romine; 2nd vice president, Belle Morrison; financial secretary, Helen Mollenhour; recording secretary, Dora Whetstone; treasurer, LaVera Horn; Sergeant-at-arms, Mary Barkman; chaplain, Bertha Meredith; musician, Mildred Fawley; historian, Mae Borton. The meeting closed with the mother's creed, singing one verse of "God Bless America," and prayer by the chaplain. An auction was then held with Mrs. Wagner doing the auctioneering. The winning bidders were Mildred Fawley, LaVera Horn and Mrs. Wagner. The next auction members are Mae Borton, Emma Cook and Myrtle Davis. We then all went on a shopping trip which seemed to result in just window shopping for we all came home with no merchandise, but

we had a good time. Thelma Hibschanman became a member of the unit. Mrs. Davis won the door prize.

The hostess, assisted by Mildred Fawley, served lovely refreshments. The next meeting will be with Mrs. Edith Scott.

WORD FROM BOB HIBSCHMAN

The following letter was received by Rev. David Gosser and sent by Bob Hibschanman, who is at the Lackland Air Force Base, San Antonio, Texas:

Jan. 7, 1951

Hello David and Family:

How is everything in Mentone? Is it cold back there? It runs in the 70s most of the day, but in the morning it's not quite that hot. I like it only I'm kind of homesick. There's a lot of men here the same way, though. Our food was pretty bad for the first few days, but it's getting better now. There are about 50,000 men at this base. They brought in 5,000 in one day and they sure have a mess here. A lot of them are sleeping in tents and it's no picnic for them. If nothing happens we'll be out of here by a week from now. Meeting a lot of swell guys. There's one thing about the army. It makes you listen and not talk back. It also makes you be neat and clean. I don't think it hurts anybody as long as they don't have to fight. I went to church this morning. It's a nice little church but very crowded. I'm sending the program from the church, thought you might be interested in it. . . . We're working 15 to 18 hours a day. There are 70 men in this flight and they are giving us four months training in two weeks. So you know they have to keep us going day and night. Went today and found out that I'm pretty sure of getting mechanic school. Don't have our blue uniforms or any shoes yet, but hoping for them tomorrow. Tell everybody "hello" for me. I don't think I'll get a furlough for 5 or 6 months. Don't write or have anyone write me now. I'll send my address when I get settled. Good-bye and thanks for everything.

BOB HIBSCHMAN.

CARD OF THANKS

We wish to thank all our friends friends and neighbors for all the kindness and sympathy, for all the lovely flowers. We want to especially thank the ladies of the church for all they did. Bro. Johns for his wonderful talk. Bro. Jones for his part in the services, the pall bearers, the undertaker and his wife. It was all appreciated and will always be remembered. Everyone was just wonderful.

Mrs. Elva Rush.
Mr. Fred Rush and Family.
Mr. Roy Rush and Daughter.
Mr. Earl Rush and Son.
Mrs. Ray Rush and Family.

Mrs. Ray Pownall and Miss Ruth Taylor, of Logansport, spent Saturday and Sunday with Mrs. Agnes Rans.

WASTE PAPER PICKUP SATURDAY

The Boy Scouts will pick up waste paper Saturday, Jan. 20th.

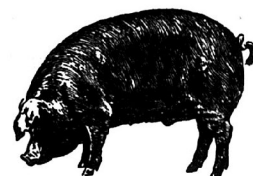

The scouts realized a nice sum of money from the last sale of waste paper, and they do appreciate the assistance given by the citizens.

EVANGELISTIC MEETING AT HARRISON CENTER

William E. Hughes is conducting a series of evangelistic meetings at the Harrison Center E. U. B. Church, and he and Pastor John Schroeder extend an invitation to everyone to attend. Services each evening at 7:30 until Jan. 28th.

Tin Plate

A year's output of tin plate from American mills would make a giant can 14 miles high and large enough to enclose the city of Pittsburgh.

Cow Feeding
Cows being fed for high milk production need correspondingly large amounts of fresh drinking water.

CARD OF THANKS

We want to thank the fire department, our friends and neighbors who gave us help when we had a fire damaging our garage and tool shed.

WILVIN LONG

King Philip's War

American Indians had no knowledge of iron prior to the arrival of Europeans. King Philip, sachem of the Wampanoags, was so impressed by the metal that he tried unsuccessfully to back an iron works with a deed of land. Had the deed been allowed, the Indian forces might have been much better armed in "King Philip's War" in 1675.

SCHOOL NEWS

The first semester will end Wednesday evening with the completion of the first semester exams. The second semester begins Thursday morning. Report cards will be sent home on Wednesday, January 24.

Rita Olson has entered the seventh grade from the Plattville School in Kendall County, Illinois.

Two films "The Growth of Democracy in Mexico" and "How Young America Paints" have been shown recently. The teachers saw the film "Maintaining Classroom Discipline" on Thursday of last week.

Congratulations to Silver Lake, winners of the County Tourney. And to Beaver Dam the runners-up. The Beaver Dam team eliminated Mentone on Friday morning by a score of 60-54.

On Wednesday evening the local high school teams travel to Gilead for games with the Gilead high school teams. On Friday evening the local gym ecaneoe 7-8, second team, and first team will play the Mentone teams. The Junior high game will begin at 6:00.

A number of items (clothing, jewelry, etc.) have been turned in at the school office. Parents are encouraged to make inquiries about items which their children have lost.

A recent inspection by a representative of the State Fire Marshall found no deficiencies in the Mentone School building. The gymnasium had been inspected before the start of the basketball season.

Mr. Kent and Mr. Kelley will attend an outing at Pokagon State Park for the principals of Kosciusko County this week end.

The Freshman class will hold a penny supper on Saturday evening, January 27, at the school cafeteria. The public is cordially invited to attend.

NO MAN OR WOMAN CAN ENJOY LIFE WITH STOMACH GAS

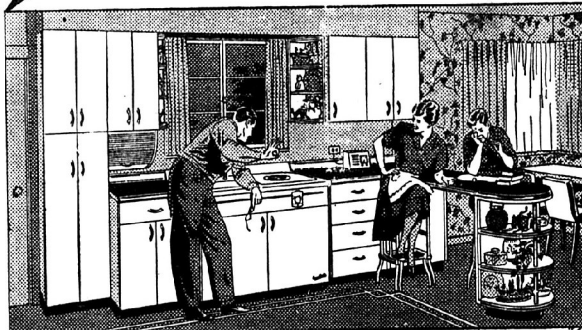

Poor digestion—swelling with gas after meals—heavy feeling around waistline—rifting of sour food. These are some of the penalties of an Upset Stomach.

CERTA-VIN is helping such victims right and left here in Mentone. This new medicine helps you digest food faster and better. It is taken before meals; thus it works with your food. Gas pains go! Inches of bloat vanish! Contains Herbs and Vitamin B-1 with Iron to enrich the blood and make nerves stronger. Weak, miserable people soon feel different all over. So don't go on suffering. Get CERTA-VIN—Denton Drug Store. —Adv.

RHESA JOHNSON BURIED HERE.

Rhesa Johnson, 81, a native of this county, died last Tuesday, Jan. 15, at the Methodist hospital at Gary. He had been ill for a week, due to a broken hip.

Mr. Johnson, a farmer, was born May 12, 1869 and resided most of his life near this place.

He and Mrs. Johnson, the former Alwilda Whetstone, to whom he was married in 1890, have been residing near Gary with relatives.

Surviving relatives include his wife, of Garyton; 10 nieces and nephews, and the following great nieces and nephews, some of whom were reared in the Johnson home: Harold Ross and Virginia Long of Warsaw; Betty Bolles, Donnabelle Lundahl and Phyllis Koser, of Garyton; Jerald Ross of Valparaiso, and Geraldine Anderson, of Kendallville.

Funeral services were held last Friday at the Landis funeral home in Warsaw. Rev. Reginald Shepley, pastor of the First Baptist church there, officiated. Burial was in the Mentone cemetery.

MANWARING—CLAY

On Tuesday morning, at the Baptist parsonage, Chester Manwaring was united in marriage to Nina Clay, by Rev. Milton Dowden, pastor of the church, in a quiet ceremony.

Following the ceremony, Mr. and Mrs. Manwaring left for Florida where they plan to spend some time before going on to California for the remainder of the winter.

Mrs. Manwaring has been a history instructor in the high school at Steubenville, Ohio for a number of years and was a former Mentone resident.

SINGSPIRATION AT AKRON

There will be a community singspiration at the Akron Church of God at 7:30 p. m. on Saturday, Feb. 3.

Everyone is invited to participate in the event.

**FARMERS MUST REPORT
SOIL BUILDING PRACTICES**

Farmers who signed a 1950 farm plan are required to report the soil building practices they have carried out, before February first. If you have not reported, kindly contact the county office at once.

CHARLES M. WALKER DIES.

Funeral services for Charles M. Walker, 86, well known retired Indianapolis real estate man and former Marshall county auditor, were held at 2 p. m. Wednesday at the Johns funeral home with Jack Aebersold, pastor of the Talma Methodist church officiating. The Masonic lodge of Mentone also conducted a brief service. Burial was in the Tippecanoe cemetery.

Mr. Walker died at his Indianapolis home Saturday evening. He had been in poor health for a year and had suffered a stroke last summer.

The deceased was born at Tippecanoe in 1865 and grew up in that community. His wife, who survives him, is the former Miss Mary Kubley, of southwest of Tippecanoe. Although they had resided in Indianapolis for many years, Mr. and Mrs. Walker spent their summers at their home at Talma on the Tippecanoe river. He was active in civic and political affairs in Indianapolis before his illness.

For more than 65 years he was a member of the Plymouth Masonic lodge. He also belonged to the Plymouth Eagles lodge.

Besides his wife he leaves a son, Alonzo; a granddaughter, Mrs. Russell Eckert, and a grandson, Lon Walker, all of Indianapolis.

**REVIVAL AT BOURBON
APOSTOLIC CHURCH**

The Apostolic Church of Bourbon will begin a series of Revival Meetings Tuesday night, January 23rd with the nationally known evangelist, Willie Johnson, of Charleston, West Virginia in the pulpit. Miss Johnson also sings.

The meetings will be held nightly at 7:30 with the Sunday night meetings beginning at 7. Pastor Shearer extends a cordial invitation to all to attend these meetings.

HOME FROM HOSPITAL

Mrs. Russell Dillman was able to return to her home in North Manchester last Wednesday after being a patient in the Walbash hospital for some time.

Mrs. Dillman had an operation for acute appendicitis and was ready to come home when a blood clot developed just above the knee and it was necessary for her to remain longer.

GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. John Fenstermaker will observe their fiftieth anniversary on January 24, 1951. It will be observed very quietly, on account of Mrs. Fenstermaker's health. She has been recovering from a serious illness for the past several months.

They were married January 24, 1901 and went to house keeping in Fulton County. They lived on the Dr. Yocum farm west of town for 32 years, then moved to their present location, north of Mentone on road 19.

They had four children, one daughter and three sons. A son, Walter a former teacher in our Mentone school passed away several years ago. The daughter Mrs. Thelma Hibschan lives near Bourbon, Hershel in Akron and Elmore in Mentone. They also have 7 grandchildren and three greatgrandchildren. We extend to them our best wishes on this very special occasion.

TO SELL COOKIES SATURDAY

Janet Ann Tucker, six year old daughter of Mr. and Mrs. Dale Tucker, has come up with a very worth while idea to aid the March of Dimes. She has enrolled the aid of several other young ladies of her own age (and the invaluable aid of their mothers) in the project.

The group plans to sell cookies this coming Saturday and all the proceeds are to go to the March of Dimes Campaign to support the fight against polio.

The others are: Betty Ann Parker, Sandra Sue Miller, and Jennie Linn.

BACK IN THE STATES

Robert R. Riewoldt, boilerman, third class, USN, son of R. H. Riewoldt of Mentone, Indiana returned to the United States last Wednesday aboard the attack transport USS Bexar after five months combat duty in Korean waters.

Formerly a unit of the Atlantic Fleet, the Bexar was stationed in the Mediterranean Sea until August, 1950, when she embarked on a 9000 mile dash via the Suez Canal to Inchon, Korea, where she landed a combat battalion of U. S. Marines. She later took part in the amphibious landings at Wonsan and in the evacuation of Chinnamp'o where the men of her beach guard were the last United Nations military personnel to leave the burning city.

**FRESHMEN HAVING
PENNY SUPPER**

The members of the Freshman class are sponsoring a Penny Supper this Saturday evening, January 27, at the school cafeteria.

Serving begins at 5 o'clock and will continue until 7 o'clock.

The usual fine variety of food is promised so don't forget to take the family out to eat at the Freshman Penny supper Saturday night.

NORTON

Mr. and Mrs. Gene Norton of Etna Green are the parents of a 6 lbs., 5 oz. daughter born last Thursday evening at the McDonald hospital. The new baby has been named Susan Kay.

Mrs. Susan Blue of Mentone is the maternal grandmother.

IMPROVED FOLLOWING SURGERY

Mrs. Claude Barkman underwent major surgery last Saturday at the Woodlawn hospital. She is improving but will be in the hospital for several days.

CONVALESCING AT HOME HERE

Mrs. Arthur Witham is convalescing at her home where she was brought from the Woodlawn hospital. Mrs. Witham became ill while at work at the school cafeteria last week and was taken to the hospital where she was a surgical patient.

P. T. A. STUDY CLUB

The evening group of the P. T. A. child Study class met Wednesday evening January 17 at the school house.

Mrs. Earl Smalley gave the lesson on "Vocational Guidance". "Facilities for the Recreation of Children" was presented by Mrs. Ira Moore, a group discussion followed each subject with much interest shown. If you do not attend the meetings of the morning group you are urged to come to the evening meetings the third Wednesday at the School House.

CLUB CALENDAR

Penny Supper, sponsored by Freshman class Saturday evening January 27 5:00 - 7:00 at the school cafeteria.

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

Civilian defense has priority on all activities of the Indiana State Board of Health, Dr. L. E. Burney, state health commissioner and chairman of the Health and Medical Services Division of the Indiana Department of Civil Defense, announced today, pointing out that the protection and care of families and individuals subject to enemy attacks is the basic responsibility of all governmental groups.

Areas in the state which have health and medical services plans well underway include Lake county, Marion county and Indianapolis, South Bend, Fort Wayne, and Evansville. The health and medical services division directors of these areas and the state civil defense directors have decided that the most critical need at the present time is the stockpiling of medical supplies. Bandages and medical supplies, tanks of oxygen, blood plasma, whole blood fluid and drugs are among the necessities needed in treating burns.

A resolution calling attention to the state to the need for stockpiling these critical supplies has been passed by this group since it was felt that the local communities cannot furnish them immediately if the need should arise.

Other important actions as listed by the group include the need for training volunteer workers including nurses' aids, first aid personnel, etc.; the determination of a method of identification of casualties, and the need for mutual aid plans with target areas.

Mr. and Mrs. Rex Burnett and daughter of Etna Green and Mr. and Mrs. Wilvin Teel and family of Mentone spent the week end with Mr. and Mrs. Ben Hall at Grand Rapids, Michigan. Mrs. Burnett, Mrs. Teel and Mrs. Hall are sisters.

Friendly Neighbors Home Economics Club will meet on Thursday February 1st at the home of Mrs. Everett Rookstool

MERKLE'S WHITE ROCKS

They lay all winter, no matter what the weather!

Brown eggs sell as high as white now. Look up the market since 1948. KEEPING EGGS CLEAN is about 25% as much work with White Rocks. They are quiet, peace loving American hens and don't tramp around over the eggs with dirty feet like Mediterranean birds.

White Rocks are choice to eat or sell. Certified chicks, all hatched from our home farm, at reasonable prices.

MERKLE'S POULTRY FARM

Indiana's oldest R.O.P. Breeding Farm.

THE NORTHERN INDIANA CO-OP. NEWS

D. A. R. MEETS

The Anthony Nigo Chapter of the D. A. R. held their January meeting on Tuesday evening at the home of Mrs. Max Smith.

The meeting was opened by the regent, Mrs. Frank Smith after which the chaplain, Mrs. James Gill, led the devotions.

**FOR SNACKS-
SANDWICHES**

they love its rich, mild
cheddar cheese flavor

NUTRITIOUS!

DIGESTIBLE AS MILK

Twenty members responded to roll call.

The Secretary, Mrs. Arthur Brown, read the minutes of the preceding meeting.

The Treasurer's financial report was given by Mrs. Everett Rathfon.

Orpha Blue gave the President General's monthly message.

A motion was made and carried to contribute to the March of Dimes, Cancer fund and Red Cross at the time of their respective drives.

Mrs. Rathfon read a communication from the chairman of the American Indiana and a sum of money was contributed toward their rehabilitation. It was also decided to pack a box of articles which they need such as beads, pieces of material, scraps of yarn and felt.

Anyone outside of the chapter may contribute to this if they desire. Just contact a member of the chapter.

Mrs. Eileen Koenig gave a very interesting and informative account of the D. A. R. museum started in the year of 1890.

For a while the articles were housed in the Smithsonian Institute. They have been from one D. A. R. building to another but are now in a permanent place which is in the new addition to Memorial Continental Hall in Washington, D. C.

Many of the articles date back to some of our earliest presidents.

They are displayed in suitable and colorful surroundings.

Mrs. Frank Smith and Mrs. Eldred Paulus were selected as delegates to the National Conference to be held in Constitution Hall, Washington, D. C. in April.

Lovely refreshments were served by the hostess and her assistant, Mrs. Sherman Bybee.

The next meeting will be held at the home of Mrs. Ray Linn on February 27.

LOCAL NEWS

Mr. and Mrs. Fred Lemler accompanied by Mrs. Wayne Bowser and Mrs. S. M. Hill attended the wedding of Robert Krider and Miss Delores Messner held in the Evangelical U. B. church at Columbia City. Mr. Krider is a nephew of Mrs. Lemler.

Robert Nelson, of Camp Atterbury, spent the week end with his parents Mr. and Mrs. A. I. Nelson.

Larry Flenar, who is located at Scott

Air Base, Illinois, came home on leave Saturday evening. Mrs. Larry Flenar and baby returned with him on Sunday evening. They have rented an apartment at nearby Bellville.

Mrs. Charley Harshberger and daughter, Mrs. Helen Markley of Columbia City called at the Maggie Dille home last Thursday.

Modernizing Old Chest

An old chest can be made into a real show piece if handled properly. Just sand the wood, cut some attractive design from extra wall-paper and glue them to the chest. When the paper is dry, shellac the whole chest and you'll have a bright, new-looking piece of furniture.

NOTICE TO NON RESIDENTS
In the Kosciusko Circuit Court, January Term, 1951.
No. 28067, Notice of Publication
State of Indiana:

ss:
Kosciusko County:
George H. VanDyke

vs.
Anna E. Douglas, et al.
Be it known that the above named plaintiff has filed in the Kosciusko Circuit Court his complaint against the following named defendants in the above entitled cause, with the proper affidavit that said defendants to-wit: Anna E. Douglas, Anna E. Douglass, George P. Street, the husbands and widowers of each of the above named defendants Anna E. Douglas and Anna

E. Douglass; the wife or widow of the above named defendant George P. Street; the heirs and devisees of each and all of the above named defendants, their husbands, wives, widows or widowers; the unknown creditors, Administrators of the estates, the Executors of the Last Will and Testaments of each and all of the above named heirs or devisees, as the case may be; the names of whom are all unknown to plaintiff; the unknown grantees or assigns of each and all of the above named persons, and those designated but unknown to the plaintiff; all of the women once known by any of the names and designations above stated whose names may have been changed; the names of whom are all unknown to plaintiff; the spouses of all of the persons above named, described and designated as defendants to this action who are married; the names of all of whom are unknown to plaintiff; the unknown trustees, trustees in bankruptcy, transferees, assignees and successors in interest, and receivers of all of the partnerships, trusts, trustees, corporations, firms or associations, and all stockholders or holders or owners of a beneficial interest in, under, through or as successors to such fiduciaries, corporations, and designated possible holders of title or interest in said real estate, who are described or designated as defendants in this action, all of whom are unknown to plaintiff, are either non-residents of the State of Indiana, or that their residences are unknown to plaintiff, or upon diligent search and inquiry they cannot be ascertained; that all of said defendants are necessary parties to this action, and they are believed to be non-residents of the State of Indiana;

That said cause of action is to quiet the title to the following described real estate situated in Kosciusko County, in the State of Indiana, to-wit:

Lot Number eight hundred forty-seven (847) in the Fourth Amended and Additional Plat to Winona Lake, now the Incorporated Town of Winona Lake.

That said action is instituted and prosecuted by said plaintiff for the purpose of quieting title to the above described real estate as against all defendants, claims and claimants whatsoever and whomsoever, and against the world.

Now, therefore, all of the above named and designated defendants, and each of them, are hereby notified of the filing and pendency of said complaint against them, and that said cause will stand for trial on the 16th day of March, 1951, being the fifty-ninth day of the January Term of said Court for the year 1951, and that unless they appear and answer or demur thereto on said date said complaint, and all the matters and things therein contained and alleged will be heard and determined in their absence.

Witness the Hand and Seal of the Clerk of the Court, this 9th day of January, 1951.

ERNEST E. BUSHONG,
Clerk of the Kosciusko Circuit Court.
LUCY E. UFSON,
Attorney for Plaintiff.

SCHOOL NEWS

The following pupils were on the honor roll for the third grading period: 7th, Orpha Kurtz, Betty Mellott, Marilyn Rathfon, Sarah Urschel and Jack Dowden; 8th, Larry Boggs; 9th, Mary Van De Water, Robert Boggs, and Jon Cullum; 10th, Elaine Dunnuck, Brenda Elder, Sue Hammer, Ronald Brown and Charles Urschel; 11th, Jackie Blue, Donnagene Dillman, Geneva Whetstone; 12th, Jennie Hall, Margaret Hodges, Madeleine Holt, and Karen Clark.

Report cards were sent home on Wednesday evening. Parents are asked to inspect and sign the cards and encourage their prompt return.

In an unusual stalling game, the Tippecanoe basketball team defeated the Mentone Bulldogs 29-25 last Friday. Mentone held an 18-14 half time lead, but was unable to hold the lead during the second half. The second team won in a close game. The junior high team has won 9 out of ten games. A large crowd witnessed the games. The junior high boys won the preliminary 31-17.

Mrs. Hoffman and Mr. Witham missed school last Friday due to illness.

Delbert and Retha Hedington have withdrawn to enter the Wakarusa School.

Two films shown this week were "Highway to Alaska" and "Louis Pasteur, the Benefactor".

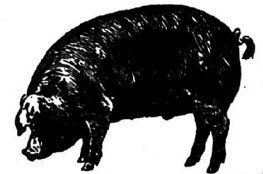

Several pupils are planning to enter the solo contests, in vocal and instrumental divisions. These will be held in February this year. Cupboards to house the band instruments have been placed

on the stage in the gym. Mr. Tom-baugh moved these on the stage from Goshen without charge.

Some events to look forward to include the Beaver Dam - Mentone game this Friday at Beaver Dam. Doors open at 6:30. The Freshman Penny Supper from 5:00-7:00 this Saturday evening in the school cafeteria. The F. F. A. Supper on Monday evening, January 29, at the school.

Now that the first semester has ended, parents should encourage their children to do even better during the second semester.

Mr. and Mrs. Logan Van Doran, of Warsaw were Sunday dinner guests of Mr. and Mrs. Adam Bowen. Afternoon visitors were: Mrs. Helen Dzuba, son Johnnie; daughter, Nancy Ann of Warsaw; and Mr. and Mrs. Herbert Hamman, of Kewanna.

CELEBRATE ANNIVERSARY

The members of the Mentone Legion Auxiliary met at the Legion Home, Tuesday evening, to celebrate the fourth anniversary of the unit.

Mrs. Mae Borton, historian, read an account for the first meeting of the unit which was held at the Mentone school building in January 1947. Mae also reviewed the highlights of the various activities of the unit for years past. The "Anniversary Song" was sung by the unit song leader, Mrs. Jack Shaffer. Mrs. Maude Snyder, music chairman, played the accompaniment. The entertainment was concluded by group participation in an exhilarating game called Cat and Mouse.

In the business session preceding the entertainment, the regular order of business was followed and dispensed with. The finance chairman, Mrs. Joseph Boggs, gave a report for the money-making projects to date and stated that the 1950 coin cards were due. Mrs. George Mollenhour reported membership. The rehabilitation chairman, Mrs. John Boggs, announced that the Mar-

ion Birthday Party which is sponsored by the second district will be held February 11 at the Marion Veteran's Hospital at Marion. The party will start at 1:00 p. m. The Mentone unit is contributing to the ice cream fund and the chairman asks for donations, from the unit members, of cakes, cigarettes, gum, cookies and candy. Do not include nutmeats in the cakes or candy. All who plan to attend the party are to contact Mrs. John Boggs. Mrs. Allen G. Shirey, chairman of the fund-raising committee reported that the plans for the fish supper and bingo party, which is to be held for the public on February 3, have been completed. The Supper will be held in the Mentone Hardware building and we will start serving at 5:00 p. m. This party is sponsored by the American Legion and Auxiliary. Tickets are now available at \$1 each and may be obtained from any auxiliary or legion member. Any auxiliary member who can help the committee in any way, please contact Mrs. Dale J. Wallace.

The president reminded all committee chairmen that the reports are due

to the district chairmen by February 1. The next meeting of the district will be February 23 at Brookston. The next meeting of the unit will be February 13 and will be at the school building. This meeting will be in observance of Americanism month and details will be announced later.

The name drawn for the attendance prize was Mrs. Jack VanGilder.

At the conclusion of the meeting, the songs of the month were sung. They were "God Bless America" and "The Battle Hymn of the Republic." The unit extends a hearty welcome to all its new members.

A tribute to our newly enrolled Gold Star Mothers. Mrs. Royce Tucker, Mrs. Roy Stickler, and Mrs. Ray Rush. We are indeed proud and honored to have you and take this opportunity to say "welcome!"

MENTONE**MURMURS**

by

DAVID and SALLY GOSSER

To murmur, or not to murmur, that is the question. For time is almost as scarce as hen's teeth. Hmmm! Come to think about it, I don't know what the latter look like unless that is what I find at these de-beaking parties the poultrymen are talking about. It's a new wrinkle in egg production to prevent excess cracking of eggs and fighting among the hens, but hen parties are always noisy and full of mischief for it's not only the egg that feels the brunt of the beaks but the hen's also, (if you get what Murmurs means.)

But as to time, which like tide (non-commercial), waits for no man, there is some evidence. For its measurement we have the clocks, ambiguous, two-faced things that look the same both day and night. And if man ever becomes deeply engrossed in some project and the hands make a complete turn around its face, there is no way of knowing (on cloudy days) which part of the day is up. There should be some device that informs us in winter whether the five is the hour after lunch or the one before breakfast. This would be a real boon to second and third shift workers in our industrial areas, and to these "around the clock farmers," to coin a new phrase.

Murmurs would appreciate a clock with twenty-four hours on it when he gets lost in the morass of books and hobbies. As far as any clock is concerned, and none of them are, every hour is the same; and we come to the conclusion that time is only relative to the task at hand. It drags when we are tired and bored, and leaps with the alacrity of a gazelle when we are deeply interested in some subject. In the historical sense it means only the fulfillment of some proposed action or project, and some of us would be more truthful to our wives if that is the way we stated our arrivals home for lunch and dinner. The clocks make liars of us all, for rare, indeed, is the

man who has never been late for an appointment.

It would take the patience of Job to accept the time-fulfillment attitude, but there would be less frustration and nervous breakdowns than when we hurry pell mell to finish a project that we know is never fully achieved or completed, and the evidence is here, for if there were speed cops for clocks, Murmurs would have a ticket, because his is traveling at sixty seconds a minute. — I hope yours is, too, for that, my reader, is life.

Related to Spiders

You can't say anything about the food tastes in other countries if you relish a succulent crab, lobster, or shrimp. These three creatures may be a gourmet's delight, but they are close relatives of insects and spiders.

MAN CONSUMES BARREL OF BAKING SODA

One man told us he took baking soda for years. Claims he has used over a barrel of it for stomach gas, but got only temporary relief.

Recently he quit the soda habit and took CERTA-VIN. This new medicine is bringing real, lasting relief to many Mentone gas victims because it is taken before (not after) meals and thus works with your food. It helps digest your meals faster, so your food doesn't lay there and ferment. Besides relieving gas, CERTA-VIN also contains Herbs with Vitamin B-1 and Iron to enrich your blood and make your nerves stronger. Weak, miserable people soon feel different all over. So don't go on suffering. Get CERTA-VIN—Denton Drug Store. (Adv.)

Sponsored by the
CHURCH of PENTECOST
210 W. Winona Ave., Warsaw,
with the pastor, Rev. Coleman,
bringing the message

SPECIMEN REPORT FORM THAT HOUSEHOLD EMPLOYERS WILL USE—Here is the Treasury Form 942 which will be used quarterly to report the wages and social security taxes of domestic employees in the home. The specimen shown above has been filled in as it would be by a housewife who has two regularly employed domestic workers in her home. This reproduction shows how the form is made up as an envelope, into which the check or money order is inserted for mailing to the Collector of Internal Revenue. First report will be due during the month of April, 1951.

Information that will tell any housewife whether or not her domestic employees are to be reported under this procedure is contained in a new booklet, "Do You Have a Maid?" Copies of this booklet may be obtained free of charge at any post office, social security office, or office of collector of internal revenue.

Bovine Mastitis

Perhaps coming years will bring a "sure cure" for all types of bovine mastitis, but that cure isn't here yet, a veterinary medical bulletin declares. Penicillin, streptomycin, and similar drugs have a definite place in mastitis control programs, but such drugs are useful only against certain types of germ caused mastitis. They are powerless against noninfectious cases, which are more common than some farmers believe, the bulletin states. Drugs used against noninfectious cases actually may do more harm than good because they often aggravate the injured udder.

Aids in Application

After your paint or enamel is thoroughly mixed and ready to be applied, transfer a small quantity of it to a large can. It makes it easy to dip your brush without bending the outside bristles. Empty coffee tins are useful.

Minorca-Leghorn THE WHITE EGG HYBRID

You may have the hybrid vigor and high production and pay only average price for chicks.

MINORCA - LEGHORNS are line bred from top-producing White Leghorns and Black Minorcas. Minorcas put size in early eggs. Crossing brings vigor. Vigor means: more good pullets per 100 chicks, more eggs per pullet, high per cent of large eggs... more poultry profit.

Write or phone us now for choice hatching dates.

METHODIST CHURCH NEWS

The third of a series of twelve pictures (movies) on the Life of Paul will be shown this coming Sunday evening at seven-thirty. Although you may have missed the preceeding reels, each film presents a complete phase of Paul's life, and is not the serial pictures where a person is left in suspense until the next week.

February 2 and 3 are the dates for the Mid-Winter Institute which will be held at Mishawaka this year. All youth of the church are urged to attend. A program has been prepared for both the Senior and Intermediate groups.

The ministers, their wives, and laymen who attended the meetings with Bishop Richard Raines at the Methodist Church in Goshen on Monday returned with enthusiastic reports. These meetings were of an informal nature where questions were asked from the floor and answers and opinions given by the Bishop. The morning session at nine-thirty was for ministers only. Dr. B. B. Shake led the devotions and spoke briefly and inspir-

ingly on the prophet Micah. Problems discussed were related to the effectiveness of the ministry in the local parish, touching on the subjects of the minister's home, marriage, chaplaincy, evangelism, and visitation to the mission fields.

The noon meal for the ministers was a gift of Mr. Gallihu of Indianapolis, a layman interested in the recruitment of men for the ministry and church-related vocations. Dr. E. R. Garrison spoke concerning this great need. Dr. Garrison is assistant to the Bishop Raines.

Following the noon address given by the bishop on the need for prayer, the laymen met in the church parlor for a similar session. Each of the men introduced himself, gave his church position, occupation, and problem he wished to have discussed. Mr. Charles Manwaring, Mr. Raymond Cooper, and Mr. John Boggs were the representatives from the Mentone church. These men have been requested to make some statement concerning their meeting at the morning worship service on Sunday.

While the ministers were meeting with the Bishop in the morning, their wives met with Mrs. Raines and Mrs. Garrison for a discussion on problems of the parsonage and the place of the minister's wife in the work of the church. Mrs. Shake called on Mrs. Gosser to report on the "baby-sitter's fund" which the Mary and Martha Circle have provided the pastor's wife

so that she is enabled to take greater part in the activities of the church and community. The Mentone Methodist Church is the only one in the district with this very fine service for the pastor's wife. Without it, much of the present activity of the pastor's wife would have to be curtailed.

The meeting of the ministers wives concluded with a "pot-luck" luncheon or "coverel dish" dinner.

The official Board of the Mentone church will meet following the evening service this Sunday. Because the Fourth Quarterly Conference which was announced for February 9 is close at hand, it is urgent that all members be present.

Mr. and Mrs. Adam Bowen went to Mishawaka last Thursday where they attended the funeral of Ethel Thomas, of Osceola. The deceased was a cousin to Adam.

Friends are happy to see that Elmore Fenstermaker is able to be back at work after quite a lengthy forced vacation. Jiggs says that he is feeling much better.

Mrs. James Holloway was able to return home from the Woodlawn hospital Saturday after being a patient there following major surgery.

Sunday afternoon callers at the home of Mrs. Allen Dille were Mrs. Pearl Meredith, Mrs. Ethyl Miller and Mr. and Mrs. Leroy Shoemaker of Warsaw.

BOY SCOUT NEWS

The Scouters Appreciation Banquet was held in the New Paris Community Building on Tuesday evening at six-thirty. Committeemen Wayne Tombaugh and Ora McKinley, Mrs. McKinley and Mrs. Tombaugh, Scout Master David Gosser and Mrs. Gosser attended.

The Pioneer Trails Council President David M. Russell, presided. Foster Jones led in group singing. There were awards made to Veteran Scouters, to Training Scouters, and to two Eagle Scouts. The Silver Lake Troop was awarded the Camp Trophy for 1950. Three Silver Beaver Awards were made to men who did outstanding work in Scouting and in Community living. It was a real inspiration to realize that credit is given the Scouts and Leaders, including the Committeemen and mothers and wives for the untiring service rendered by them. The address was given by Delmer H. (Skipper) Wilson, Scout Executive for the Central Indiana Council at Indianapolis. He climaxed a long and interesting program with remarks that thrilled the workers with youth, saying that too little money is spent for constructive youth programs, averaging just a little over nine dollars per year per boy, when the amount needed to correct the boys in penal institutions average from five hundred to seven hundred dollars per boy, because it is apparent

that with the handicaps of too little resources the remarkable work of Scouting does a real service to personal and community life. In time of emergency it has given and will continue to give the staying-power that makes youth equal to all situations.

The local troop No. 58 accumulated almost six tons of paper on this last drive. For evidence of their work it is suggested that the community watch the Drug Store windows on February 6, the beginning of Scout Week.

A Court of Honor will be held on Monday evening, February 12, for the presentation of badges and awards to the boys of Troop 58.

CARD OF THANKS

I want to thank the friends in and around Mentone for their cards and words of sympathy while I was a patient at the Wabash hospital.

MRS. RUSSELL DILLMAN

Mr. and Mrs. Alva Clinker of Akron and Mr. and Mrs. Leroy Shoemaker of Warsaw were Friday afternoon callers at Mrs. Maggie Dille's home.

Mrs. Samantha McComb, a former resident of this community in the home of Mr. and Mrs. Rea Ward is recovering from a serious illness in a hospital at Ft. Wayne. She would be glad to hear from her friends at this address: Mrs. Samantha McComb, Methodist Hospital, Fort Wayne Indiana.

POULTRYMEN!

CUT FEED COSTS WITH KRAYLETS*

*80% dairy products in Dry kernel form
In 6 carefully controlled tests, hens fed Kraylets laid 8 percent more eggs—brought their owners 26 cents extra profit each! That's how Kraylets pays off. These nutritious dairy products step up feeding value of regular rations—put rations to work for bigger egg yield, lower mortality rate, more profit! And a small amount does the job. Ask us for full details about Kraylets today.

Blend or mix with regular rations. No any feeding program.

LOCAL PEOPLE IN CAR ACCIDENTS

On Sunday evening, about 6:30, the cars driven by Tom Harman, of near Etna Green, and C. E. Treesh, of R. R. 2, Warsaw, sideswiped at the "devil's backbone" on road 25, between Mentone and Warsaw. Jo Lynn Culum and Floyd Dorsey were riding in the Harman car. Mr. Treesh was alone.

No one was injured. Damage to the Harman car was estimated at about \$200 and to the Treesh car at \$75.

Vance Johns escaped serious injury Tuesday while making a drive to Indianapolis, where he was going to get the body of C. M. Walker.

About five miles south of Kirkland, as Vance attempted to pass a pickup truck, it made a left hand turn in front of him. As Vance started to pass the truck he blew his horn, which

warned the truck driver so that he was able to pull over slightly, which prevented a direct collision. The Johns car did sideswipe the pickup truck, causing between \$500 and \$600 worth of damage to it. Neither driver was injured. An Indianapolis funeral director completed the trip for the Johns funeral home.

Teenager Gets Appetite Back; Thanks Hadacol

HADACOL Supplies Vitamins B₁, B₂, Niacin and Iron Which Her System Lacked.

According to Sara Loraine Beck, Box 253, Coker, Alabama, when a person is only 15 years old and feels terrible, can't eat or sleep the way they should, it's mighty bad. That is the way Loraine says she used to feel. but that was, of course, before she started taking HADACOL. Loraine found that taking HADACOL helped her system overcome deficiencies in Vitamins B₁, B₂, Niacin and iron, which HADACOL contains.

Here is Loraine Beck's own statement: "I was run-down, sick and skinny, and weighed only 90 pounds before I used HADACOL. I would not eat because I had no appetite. Now I weigh 123 pounds and have an appetite. I feel a lot better. I have been taking HADACOL 10 months and am still taking it. I am 15 years old. HADACOL has done me lots of good."

© 1950, The LeBlanc Corporation

18th Century Camouflage

When Lord Nelson's fleet was engaged in naval warfare during the eighteenth century, he evolved the idea of painting the deck-sides, gun carriages — and, sometimes, the guns themselves — red. Then, when a gunner was killed, the man who took his place was less likely to be unnerved by the bloodstains.

"Lion's Provider"

The jackel is called the "lion's provider." When on the trail of his prey, his hideous calls disclose his whereabouts to the lion, who follows in his wake and drives him away from the carcass when the kill is made, leaving him only the fragments when his own hunger is satiated.

ADVERTISE — IT PAYS!

Draperies

Draperies and curtains should not be too skimpy for the height and width of the window. An abundance of inexpensive material is better than an insufficient amount of costly material.

You need more than a 'salve' for

ACHING CHEST COLDS

to relieve coughs and sore muscles. You need to rub on stimulating, pain-relieving Musterole. It not only brings fast, long-lasting relief but actually helps check the irritation and break up local congestion. Buy Musterole!

RHODE ISLAND REDS

Indiana U. S. Approved - Pullorum Clean

Rhode Island Reds are outstanding heavy layers. They have been bred to the following characteristics:

1. Heavy egg production
2. Large egg size and of the highest quality.
3. Heavy firm meaty bodies.
4. Non Broody.
5. Unusually high livability rate both as baby chicks and hens.
6. They are able to withstand rugged winters as well as milder climate.

For a successful year in the poultry business this year, order your baby chicks from us now.

RETURNS FROM HOSPITAL

Mrs. Claude Barkman, who recently
underwent an operation at the Wood-
lawn hospital at Rochester, was re-
turned to her home here Wednesday.

"MESSAGE TO COUNTY COUNCIL"

(The following statement was made
to the Kosciusko Council of Conserva-
tion Clubs Thursday night, by C. O.
Mollenhour, county president):

As we are now entering the year
1951, I am sure you are aware of the
responsibilities that will be placed upon
all of us during the coming year, with
the thought that the people of the
community will look to us in our con-
servation work. With the war clouds
hanging low, production of natural re-
sources will step in front of every other
issue. There will be a tremendous
drain on our soil, water, forest, min-
eral and wildlife. It will definitely be
through our efforts and you that Kos-
ciusko county will be able to take its
proper place among the others, in
helping to bring a real conservation
program of our natural resources. We
believe that no matter how bad the
picture may look, we should make
every effort to make our Conservation
camp, for 1951, as good if not better
than last year. Our efforts so far, we
think, have been to the good. Let us
hope and trust it will continue. The
picture may look dark, this coming
year, but let us not be discouraged.
In this building, which was erected
by the Conservation Clubs of this
county, which has been used by many
groups, we are making many friends.
Let us be careful of what we say and
do. As the old saying is, "If we have
one friend we are well off; if we make
two friends we are rich." Let us apply
this thought this coming year to our
work in conservation.

CLUB CALENDAR

The Mentone Home Ec. Club will
meet on Thursday, February 8 at 1:30
p. m. at the home of Mrs. Edith Darr.

O. E. S. Monday night, February 5,
at 7:30 at the hall. Initiation.

The J. O. Y. Circle meets with Mrs.
Walter Kent on Tuesday, February 6,
at 1:30 p. m. Bring Handwork.

LEGION FISH FRY SATURDAY

The American Legion and Auxiliary
fish fry and bingo party will be held
at the former Peterson Hardware room
on Saturday evening, Feb. 3.

The public is invited to attend.

CELEBRATES EIGHTH BIRTHDAY

Miss Betty Ann Parker celebrated
her eighth birthday last Thursday af-
ter school. Refreshments consisting of
ice cream and cake were served by
Mrs. Robert Parker, assisted by Patty
Parker and Janet King.

Those present were: Marilyn Sue
Sullivan, Pam Hammer, Donna Kay
VanGilder, Carol Smith, Judy Horn,
Judy Barkman, Jennie Linn, Janet
Ann Tucker, Mary Ellen Ferverda, all
of Mentone, and Sherry Babcock of
Beaver Dam.

Several games were played, with
prizes going to Pam Hammer and
Marilyn Sue Sullivan. Betty received
many lovely gifts.

Later guests were Mr. and Mrs. Wm.
Schooley and Mr. and Mrs. Dwight
Reichard.

MARCH OF DIMES IN PROGRESS

Campaign leaders for the town of
Mentone and neighboring townships
and towns are again urging and asking
full cooperation from all of us in
the annual March of Dimes Campaign.

The need is great, and the cause
worthy. Several from our own commu-
nity can testify as to the worthiness of
the cause.

One half of all the funds collected
remain in the county.

Campaign leaders in our community
are: Vance Johns, Mentone; Lions
Club, Claypool; Devon Jones and Tom
Meredith, Franklin township; Lewis
Mason, Sr., Etna Green; Tim Roven-
stine, Atwood; Earl Sarber and Joe
Leckrone, Seward township.

IN HEALTHWIN HOSPITAL

Russell Ailer, of Atwood, is a pa-
tient at Healthwin hospital, at South
Bend, undergoing observation and
treatment. Mr. Ailer may be addressed
at Healthwin hospital, Darden Road,
South Bend, Indiana.

ATTEND GRANDMOTHER'S
FUNERAL WEDNESDAY

Mr. and Mrs. Robert Sanders went
to Rockfield, Indiana, Wednesday,
where they attended the funeral of
Mrs. Ora Sanders, who was Bob's
grandmother. The elderly lady had
been ill for some time.

MARRIED SUNDAY

Richard Leon Horn, of Mentone, and
Lauraette Joan McCarty, of Bourbon,
were united in marriage on Sunday
afternoon at two o'clock. The service
was read by the Rev. David Gosser,
in the Methodist parsonage, by candle-
light. Mrs. Gosser played appropriate
musical selections during the service
and served light refreshments follow-
ing.

Mr. and Mrs. Horn were attended
by the groom's sister and brother-in-
law, Mr. and Mrs. Lowell Whetstone.

MARRIED HERE FRIDAY EVENING

A beautiful wedding ceremony was
performed Friday evening, in the pres-
ence of relatives and close friends,
when Doris Elaine Walls, daughter of
Mr. and Mrs. Dencil D. Walls, be-
came the bride of William Harold
Hassenplug, son of Mrs. Joe Hassen-
plug.

The double ring ceremony was read
by Joseph F. Jones, pastor of the
Church of Christ at the parsonage.

The bride chose a street length dress
of blue crepe and gray accessories. Her
corsage was of red rose buds.

Miss Monna Lee Sullivan, cousin of
the bride, was maid of honor and David
Johns served as best man.

Mrs. Dencil Walls, mother of the
bride, chose for the wedding a gray
wool dress, with black accessories, and
pink carnations. Mrs. Hassenplug, mother
of the groom, wore a brown dress,
with tan accessories, and pink carna-
tions.

Immediately following the wedding
a reception was given the bridal party
at the home of the bride, in Akron.

The bride is a graduate of Akron high
school and has been employed with the
REMC office at Rochester. The groom
is a graduate of Argos high school.

Mr. and Mrs. Hassenplug left Sun-
day night for Tacoma, Washington,
where Mr. Hassenplug is stationed with
the U. S. Navy.

FARM SIGN UP SATURDAY

George Long announces that a Pro-
duction Marketing Association (form-
erly AAA) sign up meeting for the
1951 farm program, for Harrison and
Franklin townships, will be held at
the Co-Op. Hardware on Saturday,
Feb. 3, all day.

JACK REPORTS

Camp McCoy, Wis.
January 24, 1951.

Hello Art:

How is everything down there in Mentone?

How is the weather? We have been having around 20 to 25 below zero the last three or four mornings. It snowed about two inches last night, and putting this on top of what we had, it makes about 8 to 10 inches of snow.

Our food is very good and we have all we want to eat.

I read Bobbie Hibschan's letter in last week's paper. He sure is right when he said "The army teaches you to listen and not to talk back."

For the last two weeks I have received the Co-Op. News on the 4:30 mail call Monday evenings.

Well, Art, tell everybody I said "Hello."

Good-bye and thanks a million for the paper.

Sincerely yours,

Pvt. Jack D. Miller US55061545

CARLILE COW HAS FINE PRODUCTION RECORD

Brattleboro, Vt., Jan. 25.—With 605 pounds of butterfat and 15,148 pounds of milk testing 4.0% to her credit, Walnut Peak Rag Apple Butter Girl, registered Holstein-Friesian cow owned by J. H. Carlile, Rochester, Indiana, has completed a 312-day production test in official herd improvement registry.

She was milked two times daily, and was 5 years 5 months of age when she began her testing period.

Testing was supervised by Purdue University in cooperation with The Holstein-Friesian Association of America.

COUNTRY NEIGHBORS MEET

The Country Neighbors held their first meeting of the new year with Mrs. Leroy Norris, assisted by Mrs. Wm. Rathbun, with 21 members and one guest present. The new club books were distributed.

The meeting was opened with the group singing the Home Economics song, "America the Beautiful." Mrs. Russell Walters then gave devotions. Mrs. Sam Norris introduced our guest speaker, Mrs. C. M. Fawns of Akron. Her topic was "Conditions and Customs of the Koreans," which proved very interesting to all.

Secret Pal gifts were received by Mrs. Frank Meredith, Mrs. James Richardson, Mrs. Isabelle Peterson, Mrs. Richard Notz, Mrs. Russell Walters and Mrs. Allen Herendeen.

There seemed to be several secret meetings throughout the social hour. The meetings were about our big party of the year, the losers entertaining the winners.

The February meeting will be held at the home of Mrs. Earl Zent with Mrs. Wayne Shunk as co-hostess.

IF YOUR STOMACH IS LIKE A GAS FACTORY!

When you eat a meal and it turns right into gas, it's a sign your food is not digesting quickly enough. It just lays there and ferments. So you are in misery with gas for hours afterward.

Many Mentone people used to feel that way before they got CERTA-VIN. This new medicine digests food faster and better. Taken before meals it works with your food. Gas pains go! Inches of bloat vanish! Contains Vitamin B-1 with Iron to give pep and make nerves stronger. Miserable people soon feel different all over. So don't go on suffering. Get CERTA-VIN — Denton Drug Store. (Adv.)

HOFFMAN ANNIVERSARY CELEBRATION HELD

A candlelight dinner was served on Sunday evening in the home of Mr. and Mrs. Robert Hoffman of Yellow Creek Lake, in celebration of their second wedding anniversary, to the following: Mr. and Mrs. Asa Hines of North Manchester, Mr. and Mrs. Joe Yeiter of Warsaw, Mr. and Mrs. Leo Anglin of Milford and Mr. and Mrs. Deverl Jefferies and son, Kent, of near Mentone.

After dinner, the remainder of the evening was spent viewing television and playing canasta.

COOKIE SALE SUCCESSFUL

The cookie sale conducted Saturday by a group of young ladies proved to be very worthwhile.

Twenty-five dozen cookies were sold, with a total of \$17.75 collected for the March of Dimes polio fund.

The group wishes to thank all who baked cookies as well as those who purchased them.

We feel a vote of thanks should go to those who sold cookies. They are: Betty Ann Parker, Sandra Sue Miller, Jennie Linn, Janet Ann Tucker, Mary Ellen Ferverda and Alice Campbell.

COOPERATION PAYS

Mr. and Mrs. Ed Severns and family went to West Virginia over the weekend where they delivered seven hogs near Charleston. On arrival home they found they had a bum as a roomer in the basement. There's no question he kept warm but Glenn Snyder or Fred Surguy will not say how much room rent they received or if he paid by helping with the chores.

Swine Erysipelas

Swine erysipelas can lie dormant on a farm for several years and then flare up suddenly.

MENTONE

MURMURS

by
DAVID and SALLY GOSSE

"If washes were horses, beggars would ride," and to add to the adage, some Florida-bound tourist would have Murmurs by his side. It was a year ago this past Monday that Murmurs and the Croxalls began their jaunt to the southland under very similar weather conditions that were prevailing this past week end. Ice glazed the highways and festooned the trees and power cables. The car doors had to be thawed open with hot water, and windshields were plated with layers of H₂O in its solid state. Our destination might just as well have been the moon that first night, for as told last year, we got only a little ways south of Indianapolis.

Charles Manwaring said that Lafayette-bound motorists from the southern part of the state were delayed for a meeting on Sunday, and Chester Herendeens found Monday's driving from Fort Knox to Indianapolis dangerous, with more than a score of autos in the ditch, several turned completely over. "The police set up barricades and arrested the drivers with heavy feet," (not because they were sprag-

ging) related Mrs. Herendeen.

Murmurs has it by the grapevine that the Croxalls are returning to Florida again this year without benefit of Murmurs. Along with the Mentone folks who have been fortunate in spending a few days or weeks there, he can vicariously enjoy the trip, having experienced the scenic wonders and the thrill of the open road. There is a certain universal appeal which travel has for all of mankind, and there is, too, the feeling of unity among folks who have shared in the experiences of similar localities, like peering into the depths of the Grand Canyon, pulling in the first octopus, driving the long stretches of the Everglades, taking the first dip in the ocean, and standing on a mountain peak and finding the valleys full of drifting clouds.

The pull of these common experiences on the heart strings may be one of the best means of restoring faith and hope in the minds of mankind. We have it in Mentone—it is possible everywhere.

NEWS — PHONE 38

Shoe Consumption

The average per capita consumption of shoes in the United States runs to about three pairs a year; two pairs for men and a little better than three for women.

POULTRYMEN!

CUT FEED COSTS WITH KRAYLETS*

*80% dairy products in Dry kernel form in 6 carefully controlled tests, hens fed Kraylets laid 8 percent more eggs—brought their owners 26 cents extra profit each! That's how Kraylets pays off. These nutritious dairy products step up feeding value of regular rations—put rations to work for bigger egg yield, lower mortality rate, more profit! And a small amount does the job. Ask us for full details about Kraylets today.

Grind or mix with regular rations, fit any feeding program.

BORROWED EDITORIAL—

(The following editorial appeared in the Wednesday evening issue of the Fort Wayne News-Sentinel.)

Some Unhappy History

The ghost of a boast of Defense Secretary Marshall a few years ago (of how he "liquidated" 29 Chinese Nationalist divisions that were guarding North China against the Communists) should haunt him these days as these same Reds are punishing his American soldiers in Korea.

When the iniquitous pro-Russian

cabal won control of our State Department, it succeeded in destroying the Nationalist China of Chiang Kai-shek. Marshall can take credit for his part in paving the way for the modern Red massacre.

When the bastion of our only natural ally in Asia which was holding the Reds at bay was deliberately torn down by our State Department, permitting the Communist hordes to overrun China, Marshall boasted,

"With one stroke of the pen I have disarmed 29 Chinese Nationalist divisions."

Also, "with one stroke of the pen," he signed the death warrant for thousands of American boys who are now dying in Korea, for these 29 divisions were the ones which were guarding North China against Communist ingress from the northern passes.

With Marshall's bold, proud stroke, out went Chiang Kai-shek, in went the Communists, and out of the window went 100 years of good will we

had built up in China, where, as one great American who traveled there often, declared, any American was treated "like a god."

Today Americans are imprisoned in China in wretched prisons and concentration camps. Some of them are dying while our State Department is so busy, professedly, lifting "backward areas" all over the world, that it obviously is not much concerned about

rescuing our own people from the murderous band into whose hands it has delivered them.

Chiang Kai-shek has been replaced by ruthless, soul-less hordes ordered to kill Americans.

A lot of unhappy history has been written since Marshall took his vaunted "one stroke of the pen." And the last sad chapter has not yet been penned.

Nothing Better Than Good Food, Says Ohio Man

If a man isn't able to eat the foods he likes he's in mighty sorry shape—imagine going through life without being able to enjoy a fine big platter of bacon and eggs. That is the way

Joseph N. Damillot, 3414 E. 5th Street, Dayton, Ohio, used to be, but since he has been taking HADACOL, he says he feels just fine and is able to enjoy lots and lots of fine foods. Mr. Damillot found that taking HADACOL helped his system overcome a deficiency of Vitamins B₁, B₂, Niacin and Iron.

Here is Mr. Damillot's statement: "My first bottle of HADACOL convinced me that HADACOL was what I needed for the gas on my stomach at nights. I could not keep food on my stomach, but after the first bottle I was going great. Now I eat bacon and eggs, and other foods that never would stay with me. I also can sleep well at nights. Thanks to HADACOL. I will never be without it, and can recommend it to all who suffer with the above ailments that I had. I know because I have suffered for quite some time."

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

Forty-five outbreaks of food poisoning have been investigated by the Food and Drug Division of the Indiana State Board of Health since 1945 and during that time thirty-six deaths occurring in the state were attributed to accidental food poisoning.

No deaths from food poisoning occurred in either 1950 or 1949; 6 were in 1948; 9 in 1947; 7 in 1946 and 14 in 1945.

The eleven outbreaks investigated in

1950 and those in the previous years were only major outbreaks affecting large numbers of people, or in instances where the assistance of the Board of Health was requested in tracing the source. Many cases involving small numbers of people occur without being reported to health authorities and many others happen without affected persons realizing the cause as food poisoning.

The outbreaks investigated were in schools, private homes, public eating places, bakeries, industrial plants, fairs, lodges, country clubs, institutions, camps and group meetings.

Experience has shown that surveys and inspections of schools, eating and drinking establishments, camps, recreational areas, etc., followed by appropriate recommendations regarding sanitary food handling and facilities, water supplies and sewage disposal result in a lower incidence of food poisoning in the areas surveyed.

Roland Ferwerda, of Mentone, representative of the Brotherhood Mutual Life Insurance Company, was in Fort Wayne Monday night where he attended a special meeting for the members of the company's Leaders Club.

METHODIST CHURCH NEWS

The following members of the Methodist Fellowship, MYF, will attend the mid-year institute at Mishawaka on Friday and Saturday of this week: Madeline Anderson, Linda Horn, Donna Lee Horn, Barbara King, Marjorie Mollenhour, Sara Urschel, David Gosser, Frank Manwaring, Don Rush, John Smith and the youth president, Charles Urschel.

"What Price, Prayer?" is the sermon topic for Sunday morning's service.

The fourth film on the Life of Paul series will be shown this Sunday evening at 7:30. These pictures are unusually good and interesting and portray the drama of spiritual life which the adventurous first century Christians lived.

The MYF will meet at 7:30 o'clock.

Following the evening service the Board of Education, Church School officers and teachers will meet for a short business session. All individuals related to the educational program of the church are urged to be present.

The JOY Circle will meet on Tuesday afternoon at 1:30 at the Walter Kent residence.

The Fourth Quarterly conference of the Mentone Methodist Church for the year 1950-1951 will be held on Friday evening, February 9, at 7:30. This will be of interest to all members and friends of the church, for therein will be held in its democratic way, the official business of the church year. Chairmen of committees and presidents of church organizations will be called on for reports. The nominations committee will present for election the members of the official board for the year 1951-1952.

Dr. B. B. Shake will bring a message of inspiration, and a devotional service will precede the business session. The members of the pastoral relations and finance committees will meet with the district superintendent at 7:00 o'clock. All persons are urged to be prompt.

W. S. C. S. NEWS

"Stewardship" was an interesting and most appropriate topic used by the program committee at the January meeting of the W. S. C. S. recently held at the Methodist Church.

Mrs. David Gosser touched on the subject during the devotional period. Then, besides referring to the lesson theme, "Our responsibility toward the giver of all gifts" Mrs. Phillip Blue, Mrs. Clayton Goodwin and Mrs. Rae Ward presented some very stimulating ideas on the real meaning of Stewardship, enlarging on those that could be applied to everyday living. Mrs. Goodwin recited "The Liberty Bell" at the close of her remarks.

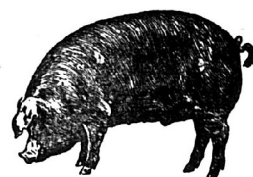

During the business session which had preceded, the President, Mrs. Walter Lackey, expressed to the society and those who remembered them during the holidays, "Thank Yous" from Mrs. Jennie Thomas, Mrs. Martha Welch and Mrs. Lydia Rynearson.

The hostesses who served at the close of the meeting were: Mrs. Elizabeth Simcoe, Mrs. Kenneth Simcoe and Mrs. Lamar Anderson.

BIRTHDAY MEETING

Mr. and Mrs. John F. Laird spent Saturday, January 27 with Mr. and Mrs. Herbert Laird in Bourbon, Ind. The occasion being the 87th birthday of Herbert. A beautifully decorated cake with the words "87 years young" occupied the center of the well laden table at noontime. Their son, Mr. and Mrs. Fred Laird and daughter and son of South Bend were there also. A neighbor, Mr. and Mrs. William Montague, were present as Mr. Montague reached his 87th milestone a few days previously.

Everyone enjoyed the cordial hospitality and wished Herbert many more happy birthdays.

BIRTHDAY PARTY

Sandra Sue Miller, seven year old daughter of Mr. and Mrs. Ned Miller, celebrated her birthday anniversary by entertaining a group of her friends in her home, on Tuesday, January 23rd. Several games were played. The prizes were won by Donna Kay VanGilder, Jerry Blackburn and Linda Ann Goshert. Sandra received many lovely gifts. Sue Hammar, RR Warsaw and Larry Manwaring of Mentone were unable to attend but sent their gifts. The guests present were Marilyn Sue Sullivan, Pamela Ann Hammar, Kip Hammar, Dannie Hall of Warsaw RR, Larry

Waggoner, Judy Waggoner of Etna Green and Danya Creviston, Jerry Blackburn, Elaine Manwaring, Janet Tucker, Patty Boggs, Mary Ellen Fer-verda, Alice Camplejohn, Donna Kay VanGilder of Mentone, also Linda Ann Goshert of Burket.

A lovely pink and white birthday cake, decorated with seven candles, was served with ice cream and nut cups. The children enjoyed the occasion and all joined in wishing Sandra many more such happy birthdays.

NEWCASTLE

TOWNSHIP NEWS

Mr. and Mrs. Verde Brockey, Mr. and Mrs. Harry Clymer, Mr. and Mrs. W. A. Dick, O. C. Montgomery and Lavoy, Charley Green and son and Mrs. Loren Kramer attended the funeral of C. M. Walker, which was held Wednesday afternoon at the Johns funeral home in Mentone.

Clair Jones, who underwent surgery at the Woodlawn hospital at Rochester recently, has been removed to his home.

Mr. and Mrs. Peter Heeter and family of Churubusco, were guests Sunday of Mr. and Mrs. Robert A. Calvert and family. Mr. and Mrs. Heeter were formerly of this place.

Miss Karen Myers has returned to the home of her parents, Mr. and Mrs. Harold Myers, in Mishawaka, after

spending a few days here with her uncle and aunt, Mr. and Mrs. Robert A. Calvert.

Joseph Good, of Chicago, spent the week end here with his parents, Mr. and Mrs. Charles Good.

Mrs. Callie Dawson, of Tippecanoe, called at the home of Mrs. C. M. Walker Thursday afternoon.

The Talma Rod and Gun Club held a meeting Saturday afternoon at the Green Standard Station. Plans were laid to hold a fish fry in the near future at the Talma Community Building.

The annual Talma institute will be held at the community building Feb. 7th and 8th. A very good program has been planned for the two nights. Robert Long is the chairman this year. Come out and meet your old friends these two days. A community dinner will be held on Wednesday.

Mrs. W. A. Dick has returned to her home after spending a few days in Beaver Dam visiting with relatives and friends.

Mr. and Mrs. Herman Haines and family, of Warsaw, were the Sunday guests of his sisters, the Misses Alice and Nora Haines.

Mr. and Mrs. Robert A. Calvert and family spent Sunday in Mishawaka with Mr. and Mrs. Harold Myers.

Nelson Overmyer has entered the Veterans' hospital at Indianapolis where he will undergo surgery. His mailing address is Ward 4, Veterans' Hospital, 2061 Cold Springs Road, Indianapolis 22.

Mr. and Mrs. Bradley, of Plymouth, were recent callers at the home of Mr. and Mrs. Robert A. Calvert.

Mr. and Mrs. Robert Kale, of Rochester, were Sunday guests of the latter's parents, Mr. and Mrs. Charley Green.

Mrs. John Ogle and baby daughter have been dismissed from the Woodlawn hospital at Rochester.

Justice of the Peace T. L. Wood, of Rochester, gave Steve Owens, 25, of this place, R. R. 2, a fine of \$25 and costs and revoked his driver's license

for 90 days after he pleaded guilty to a charge of driving while intoxicated. Owens was arrested shortly after midnight Friday following an accident in Rochester, when he rammed the rear of a car driven by William J. Coleman who had stopped for the traffic light.

O. C. Montgomery and Lavoy spent Thursday in Winamac as the guests of Mr. and Mrs. John Hanson and son Bob.

Mrs. W. A. Dick and Mrs. Joe Duzan spent Tuesday in Rochester.

Mrs. Nelson Overmyer and Miss

Shirley spent Saturday in Indianapolis with Mr. Overmyer who is in the Veterans' hospital.

P.T.A. HAS INTERESTING MEETING

The first P. T. A. meeting of 1951 was held in the assembly room of the Mentone school building on Wednesday evening, January 24.

The meeting was called to order by the president, Mrs. Hobart Creighton. All joined in giving the pledge of Allegiance to our American Flag.

The secretary's report was read by Mrs. Ora McKinley in the absence of Mrs. Fred Lemler.

Mrs. Harold Markley gave the treasurer's report.

Mrs. Kent reported on the child study groups. These groups are open for more members and much help may be gained by attending.

It was voted that we take an offering for the polio fund. This was done at the close of the meeting at which time the amount of \$33.96 was collected.

Grade count was taken with the seventh grade winning. This means they will have the fish aquarium for at least the next month.

Dr. Urschel gave a few comments concerning the mobile blood unit which will be in Warsaw on February 28. Anyone not present and wishing to contribute blood may contact Dr. Urschel.

Very interesting and timely devotions were conducted by Rev. Gosser.

At the close of the business session the meeting was turned over to Mrs. Dan Urschel chairman of the program committee.

We were entertained with a trombone duet by Jon Cullum and Charles Urschel, accompanied by Mrs. Urschel at the piano.

The main feature of this meeting was a panel discussion with Dr. Dan Urschel acting as moderator and a panel made up of the following members: Faculty; Miss Wreatha McFarren, Mrs. Wayne Tombaugh, Wendel Frederick, Walter Kent, Lorin Burt; Parents; Mrs. Ira Moore, Mrs. Artley Cullum and Carol Eiler, Mrs. Harold Utter, school secretary, Royce Tucker, trustee and Lonnie Webb, bus driver.

A few of the questions discussed were: What becomes of the receipts of ball games?

Why isn't a driving course taught in our school?

Would the school or P. T. A. sponsor a Red Cross first aid course?

What are the duties of the school clerk?

Should shop be taught in our school? What are the qualifications for a bus driver?

Many other subjects of interest to both parents and teachers were discussed. Due to the lateness of the hour some questions were held over and perhaps can be taken up at a later meeting.

The attendance at this meeting was very gratifying and hope you will all come again and bring a neighbor with you.

Following the meeting a social hour in the cafeteria was enjoyed. Refreshments were served by the following committee: Mr. and Mrs. Leonard Eiler, Mr. and Mrs. Zanna Hammer, Mrs. Ora McKinley, Mrs. Ira Moore, Mrs. Chas. Manwaring and Mrs. Delford Nelson.

SCHOOL NEWS

Rev. Jones of the Church of Christ addressed the high school on Monday morning. The title of his talk was "Communism vs. Christianity." The next assembly program will be Feb. 9th at 10:40. This program will be presented by Manchester College. An attempt is made to have at least two assembly programs each month.

Attendance during the third grading period remained good. The 8th grade with an average of 98.6% was high. Other percentages are: 1st grade - 93.4; 2nd - 96.5; 3rd - 95; 4th - 96.1; 5th - 97.9; 6th - 98.3; 7th - 97.6; 9-10th - 98; 11-12 - 97.5.

Future Farmers held a Father and Son banquet at the schoolhouse on Monday evening. After a turkey dinner with all the trimmings, Phillip Shilling introduced Merlyn Holt who introduced the club officers. Then Mr. Cook, vocational teacher from Bourbon, discussed the values of F. F. A. A social hour followed.

Beaver Dam defeated the Mentone Bulldogs by a score of 60-41 last Friday evening in a game played at Beaver Dam. The second team lost a 31-30 thriller. On Monday evening, the junior high boys continued their winning ways by defeating Silver Lake, 33-19. The second team also won.

Orpha Kurtz, who has been absent for several weeks, returned to school on Monday. Mrs. Witham, absent for eight days, returned to work on Wednesday.

The Freshman Class cleared 83 dollars on their penny supper. They wish to thank all those who helped make the event a success.

ENTERTAIN BEAVER DAM BASKETBALL TEAM

The Beaver Dam E. U. B. Church sponsored a carry-in supper for the members of the Beaver Dam basketball team, the cheer leaders and their coach Joe Harvey, on Tuesday evening at the school house. The Beavers were runner-ups in the recent county basketball tourney.

A short program followed the supper during which the first ten and the cheer leaders were presented with gold basketballs.

Everyone enjoyed the evening very much. Orville Swick was chairman of the committee in charge of the supper. Other members of the committee were Lawrence Butt and Fred Haney.

MERKLE'S WHITE ROCKS

They lay all winter, no matter what the weather!

Brown eggs sell as high as white now. Look up the market since 1948. KEEPING EGGS CLEAN is about 25% as much work with White Rocks. They are quiet, peace loving American hens and don't tramp around over the eggs with dirty feet like Mediterranean birds.

White Rocks are choice to eat or sell. Certified chicks, all hatched from our home farm, at reasonable prices.

MERKLE'S POULTRY FARM

Indiana's oldest R.O.P. Breeding Farm.

Claypool

**MARCH 18 OPENS
NATIONAL WILDLIFE WEEK**

National Wildlife Week this year falls in the week which ushers in the first day of Spring.

It is sponsored by the National Wildlife Federation and its affiliates in forty states and represents approximately 3,000,000 nature lovers and conservationists.

Dedication is to the sensible management and use of wildlife to the mutual benefit of the public.

Since its inception by Presidential proclamation in 1938 National Wildlife Week has been used as a symbol to point up the urgency of conserving, protecting and restoring our fast diminishing store of natural resources which for years we have been digging deeper into with the result that four billion tons of top soil are being washed away annually. Forests are being cut down fifty per cent faster each year than we can grow them. Waters are becoming more and more polluted and the drain on other resources is equally appalling.

This year, with a national emergency upon us, the need for a carefully planned program of wildlife protection is doubled. As the keystone of this program we count upon an enlarged Conservation Education program.

In order to finance this educational program the Federation each year produces a sheet of Wildlife Conservation Stamps. A sheet of these full color stamps is obtainable for a contribution of a dollar or more by writing to the headquarters of the National Wildlife Federation, 3308 Fourteenth Street N. W., Washington 10, D. C.

A complimentary sheet of these Wildlife Conservation Stamps has been sent to the Co-op News. All who are interested may see these stamps.

Mount Paricutin

If you have ever felt as if you were sitting on top of a volcano, you can understand the plight of the Mexican farmer who in February, 1943, was placidly working in his cornfield on the site of what is now the volcano Paricutin. The initial eruption occurred only a few feet from the astonished peon, and resulted in a volcanic mountain of over 1000 feet within 10 months.

Blue Denim Trousers

British sailors named the blue denim trousers for the town of Dungri, a suburb of Bombay, India, where the sturdy cotton cloth first was manufactured for tenting.
