DR. MOVES TO MENTONE

Dr. and Mrs. F. C. Waltz, are now located in their apartments above the Cooper store.

Dr. Waltz has moved his equipment into the Urschel Clinic where he will operate his private practice. The doctor plans to avail himself of Dr. Urschel's offer to permit him the use of the laboratory equipment, however, the practices of the two men are entirely separate. Private phones will be connected in both the apartments and the office as quickly as the telephone company can make the connections.

Dr. Waltz will maintain office hours from 1:30 to 5:00 each afternoon except Tuesday, beginning Jan. 7. He will have evening hours only Monday and Thursday.

Although Dr. Waltz has been here but a few days, he is already serving the sick of the community.

HARLAN HARROLD DIES

Harlan Harrold, 77, a farmer who resided two and one-half miles north-east of Akron, died at 3:25 a. m. Monday at the Woodlawn hospital, at Rochester. He had been seriously ill two weeks, due to complications.

Mr. Harrold was born in Kosciusko county, December 1, 1874, the son of Francis and Catherine (Good) Harrold. His wife, the former Viola Carpenter, died 19 years ago.

Surviving relatives include three sons, Gail, of Mentone; Ernest, of Claypool and Willis, of Mishawaka; five grandchildren; five great-grandchildren and a brother, Arthur, of Akron.

Funeral services will be held Thursday afternoon at 1:30 at the Akron Church of God, with Rev. D. L. Slaybaugh officiating. The Moyer-Hauptert funeral home, in Akron, is in charge.

CLUB CALENDAR

The Mentone Firemen meet the first Monday night of the month.

Mentone Legion Auxiliary Unit No. 425, regular business meeting, Tuesday, January 8, at 8:00 p. m. at the Legion Home.

The Mentone Reading Club, Wednesday evening, January 9, at the home of Mrs. Byron Peterson.

BORNMANN — CREIGHTON

Miss Elaine Creighton, daughter of Mr. and Mrs. Charles Creighton, became the bride of Mr. Harrison F. Bornmann, Jr., son of Mr. and Mrs. Harrison F. Bornmann, Sr., of Mt. Jackson, Virginia.

Their marriage took place at 7:30 Saturday evening, December 22, in an informal ceremony performed at the home of the bride's parents. Rev. I. E. Longenbaugh officiated. It was preceded by a program of favorite bridal airs presented by Mrs. Russell Jontz, of Etna Green, organist, and Miss Martha Creighton, cousin of the bride, vocalist.

An afternoon dress of winter white trimmed with small gold threads was worn by the bride. Her accessories were of brown suede. She carried American Beauty roses with streamers of white carnations on her white Bible, a gift from her sister. (Roger Creighton, brother of the bride, lighted the candelabra.

Mrs. Richard Barker, of Etna Green, matron of honor, wore a winter white wool dress with navy blue accessories. Red roses were the flowers in her corsage.

Richard Barker, of Etna Green, was the best man.

Immediately following the ceremony, a reception was held in the dining room. Mrs. Barker, Miss Martha Creighton and Miss Ann Creighton, sister of the bride, assisted.

Guests were present from Atwood, Etna Green, Bourbon and Warsaw.

Mrs. Bornmann is a graduate of the Mentone High School with the class of 1950. She also attended International Business College at Fort Wayne.

Mr. Bornmann graduated from the Bedford High School, Bedford, Pennsylvania and attended Du Bois Undergraduate Center, Du Bois, Pennsylvania and The Pennsylvania State College, State College, Pennsylvania. He is now a student at Purdue University, West Lafayette, majoring in Poultry.

NAME OMITTED

In a news story last week telling of the DeLuxe Cleaners Christmas party held at the Kenneth Simcoe home, the name of Susie Blue failed to get in the list of guests present.

DUNNUCK — WEIGER

On Christmas eve, Miss June Weiger and Pvt. Kenneth Dunnuck exchanged wedding vows at the E. U. B. Parsonage in Etna Green. Rev. John Schroeder read the double ring ceremony in the presence of the immediate families.

The bride is the daughter of Mr. and Mrs. Theodore Weiger, of Academy Road, Culver. The bridegroom is the son of Mr. and Mrs. Maurice Dunnuck, of near Etna Green.

Miss Faye Weiger sister of the bride and Forst Dunnuck, brother of the bridegroom, attended the couple.

The bride is a graduate of Culver High School and has been employed at Meek Radio and Television, at Plymouth. The bridegroom is a graduate of Mentone High School and attended Purdue University and is now in basic training at Camp Breckinridge, Kentucky.

The couple left for Breckinridge on December 31.

LEVI WILLIAMS DIES IN HOSPITAL

Levi V. Williams 79, died at 12:45 p. m. Monday, December 24 in the Woodlawn hospital, at Rochester, following an illness of one week. He was born September 20, 1872 in Iroquois County, Illinois. He was a retired farmer, having lived 29 years south of Tippecanoe, and the last few years in South Bend.

On September 27, 1899 he married Grace Wingard, who preceded him in death on September 25, 1948.

Survivors are: Three daughters: Mrs. Jessie Albright of Watseka, Illinois, Mrs. Dessie Brockey of Tippecanoe and Mrs. Edna Shaffer of Argos. Thirteen grandchildren and ten great grandchildren; Three sisters, Mrs. Letha Cowan of Fort Wayne, Indiana, Mrs. Beatrice Sener of Stockland, Illinois, and Mrs. Desdemona Davis of Milford, Indiana, and one brother, A. L. Williams of Stockland, Illinois.

Rev. Ernest Treber conducted services at 1:30 p. m. Wednesday at the Umbaugh Funeral Home in Argos. Burial was in the New Oak Hill Cemetery, Plymouth, Indiana.

THE AMERICAN WAY

DARE WE TELL THE TRUTH?

By Dr. Alfred P. Haake

The yearning for security is a recognition of life's hazards to which the individual is subject, but cannot control. Thousands of lives are influenced by individuals who are not

Alfred P. Haake

even aware of those lives. A public official can make decisions that take a nation into war without any choice for those who must fight and pay for that war. In many other walks of life, individuals entrusted with large responsibilities can make decisions which affect other persons who in turn have no control over the decisions or the consequences which flow from them.

But, in a country where people can vote; where politicians are finally responsible to the voters, surely there must be some way of protecting the individual against the poor judgment of the leaders. That way is to let the people know the truth. If the people know the facts, we are assured, we can trust their judgment.

But that way is not always used. More often than not, people are told what it is believed will induce them to support the leaders who tell them. Demaree Bess, writing in the Saturday Evening Post of some of those who worked to secure adoption of the Lend-Lease program, says that these leaders "still believe that the public had to be fooled, for its own good, and that the deception they practiced was justified by events."

Mr. Bess, himself, stands with those who preferred to tell people the truth about where they were going. Whatever one may think of the two positions, it is clear that the result was war; not the peace for which the American people yearned.

We face the same problem today. And we ask, again, "Dare we tell the truth?"

The issue is as old as life itself. Moralists of all ages have dealt with the problem. Parents face it in disciplining and raising their children.

One "practical" answer is to say that we should speak only the truth in dealing with vitally important matters, but that we may safely compromise and even speak falsely in the less important

ant matters, particularly when it may be necessary for the good of those who are deceived.

I remember telling our little daughter that if she ate her oatmeal she would grow up to be a beautiful woman. She did not like oatmeal, but the doctor told us she needed oatmeal for her tooth and bone structure. So we felt justified in deceiving her "for her own good."

Of course, we did not weigh too heavily the effect of that deceit on her willingness to believe us in more important matters once she discovered the deceit. That was far ahead, and we would then find some way of justifying what we had done.

Fortunately, we changed our minds; and have ever since been grateful that we adopted the rule of telling the truth on ALL occasions. Later, if the truth could not be told, we frankly said so, and sought some honest explanation for our apparent inconsistency.

Today, the important thing to do is

to establish an honest relationship among men and women in all walks of life. There is eternal wisdom in the pronouncement that the truth will make us free, and in reliance on the moral power that guides the affairs of men who obey the Ten Commandments and the Golden Rule.

History shows a sorry record of final results from the substitution of human experiment for the principles of Divine wisdom. Perhaps, as the season of commemoration for the greatest Leader of all time is just passed, we may be willing to humble our human complacency in acknowledging the vindication which history affords His teachings. Now, more than ever before, we need to DARE TO TELL THE TRUTH.

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

1951 is the peak year for births in Indiana with more than one hundred thousand births recorded for the first time, according to Verne G. Robinson, director, Division of Public Health Statistics, Indiana State Board of Health.

The reason for this high infant

birth rate was given by Mr. Robinson as both military and economic. The Korean situation and the fact that more young people can afford children contributed to the increase in the younger population.

About 95 per cent of the births of Indiana babies in 1951 occurred in hospitals and over 99 per cent were attended by physicians.

Public health programs for health protection of the mother and child have helped contribute to the fact that the maternal death rate of .7 per 1000 live births was a reduction of 93 per cent over the high maternal death rate recorded in 1918 and was 72 per cent less than in 1941.

As compared to the year 1947 when the largest number of births occurred with the exception of 1951, the maternal death rate showed a reduction of 41 per cent.

FREE SOIL TESTS BY COUNTY AGENTS

Soil tests for Kosciusko County farmers will again be made free of charge by the members of the county extension staff. This decision was reached by the county extension board in the annual meeting held Thursday in the extension office after careful analysis of testing results for 1951. During the first half of 1951, soil was tested free by the extension staff and 267 samples were tested for 68 farmers. In the last half of 1951 samples were tested by the state laboratory and a charge was made for the service. Only 46 samples were submitted by 16 farmers.

Under the plan now in effect farmers may choose to pay for testing at

the state lab and get the recommendation of a soil specialist or have testing done locally free of charge and get recommendations written by the county agent. Farmers should still plan to submit samples at least three weeks in advance of the time results are wanted in order to give ample time for proper drying and analysis.

On other phases of the extension program the board decided to proceed with plans now in effect. The extension publicity program which resulted in 250 radio broadcasts and over 1000 news stories published in 1951 will be carried on. Renewed efforts will be put forth to increase 4-H enrollment and completion for 1952. The county home economics association which, in accordance with state-wide policy, will be known as the county home demonstration association will carry on a well rounded program.

Officers and directors of the 1952 extension board elected were Wilbur Latimer, president; Henry Fletcher, vice-president; Mrs. John Pfahler, secretary and Mrs. John Gebert, Mrs. Olney Clase, Roy Merkle and Leroy Norris, directors. Leroy Norris, 1951 chairman, presided at the meeting.

Dinner guests at the home of Mrs. Earl Meredith on Sunday, December 30, were, Mr. and Mrs. Henry Blesch and daughter Grace, and Mr. and Mrs. Roy Meredith and family of Akron.

LINDA LOU WINS TOP PRIZE ON SHOW

One of Fulton county's most talented little ladies received signal honors Sunday when she appeared on request on the Maurice B. Sachs Amateur Hour to receive the top award of \$75 and a beautiful Gruen wrist watch for her appearance on Sunday, December 23, on the Special Christmas Broadcast at the Chicago Civic Opera House before an audience of nearly 4000 people.

She is Linda Lou Lukens, gifted daughter of Mr. and Mrs. Roland Lukens, RFD 2, Rochester, who did an impersonation sketch-song-and-dance number which won for her the coveted first prize and entitles her to appear again on February 24 on the same program to vie with eleven other weekly winners for the grand prize, a 1952 Ford automobile.

Little Linda Lou is a charming Miss who has won considerable recognition as a juvenile model in a number of fashion shows, as well as a growing reputation as an entertainer of rare ability. —Rochester News-Sentinel

COLLECTS MORE TAXES LAST 6 YEARS THAN 156 BEFORE

In a statement by Senator Harry Byrd, of Virginia, the past six years of the present administration has collected 12 billion dollars more taxes than the first 156 years of operation for the United States of America.

Mr. Citizen, are you enjoying yourself? Do you look forward to eventual poverty with a glad heart? Is it a pleasure to you to look ahead and know your children can expect nothing more than being slaves to a group of political master-minders? Complete confiscation of everything you now own will be termed a professed "economic necessity" as soon as high taxation and the inflationary cost of living gets us a trifle more financially fatigued.

Here's part of Senator Byrd's message "Between the day in 1789 when George Washington took oath as our first President and April 30, 1945, the month in which Mr. Truman inherited the presidency, the United States Government collected from its citizens a total of \$248 billion in taxes. Between April 30, 1945, and June 30 of 1951 — all within the life of the present Administration—the Government's total tax collection was \$260 billion. In six years, the Truman Administration has taken more from the American people than all the domestic taxes our Government levied in the previous 156 years. No wonder the Administration hopes that our citizens will have "a mental rest" from thoughts like these."

NEW 1952 PLYMOUTH WILL BE ON DISPLAY

The new Plymouth for 1952 will go on display in dealer showrooms throughout the United States, Friday, January 4.

A long list of improvements—46 in all—has been incorporated in the engine, the brakes, the electrical system, the chassis, and to the inside and outside of the body.

The new car, according to D. S. Edins, president of Plymouth, has been improved and refined to provide "the most gentle ride, the smoothest engine performance and the greatest safety ever built into a car for the lowest price field."

Exceptional engine smoothness is produced through a newly designed combustion chamber; brakes are stronger and longer-lasting; Plymouth's famous Safety-Flow ride has been made even more comfortable by improvements in the springing and to the Oriflow shock absorbers; and the car's beauty is enhanced by numerous styling refinements.

For more details, see this new car at the Cox Motor Sales, Mentone.

ADDRESS TO LEGIONAIRES REGARDING CONSERVATION

(The following address, given by a Mr. Wells, third district, state of Indiana, some time ago, is submitted by C. O. Mollenhour, president County Council of Conservation Clubs.)

I consider it a privilege indeed to appear before you gentlemen tonight, and I firmly believe that the thoughts I am going to express, if heeded and acted upon at the proper time, will assure each of you, your children and grandchildren a great deal more outdoor pleasure in the future than can ever be possible under the present conditions.

I am going to talk mostly about your hunting and fishing future, and to have that a lot of changes will have to be made.

Modern methods of farming have brought about the need of public shooting grounds. Our streams will have to be cleaned, right of ways will have to be purchased along the lakes and streams so that the public can have the benefit of them. This will take finance.

Gentlemen, this is where you enter the picture. Part of the sad financial status of our Department of Conservation is due to the free permits you veterans hold to hunt and fish. Let me say, before pointing out its evils to you, that I have no quarrel with the fact that these free permits were issued to you, nor have I ever heard any sportsman say he was against your receiving them. God knows it's little enough to offer you after what many of you went through, and our contention is that you received exactly nothing when you received this free permit. I think you will agree after I point out a few facts for you.

First, I want to enlighten you in case you are under the impression that the State of Indiana gave this permit to you. Indeed they did not. That free permit to hunt and fish was given to you by the sportsmen of Indiana. If the legislators who passed this law had instructed the State of Indiana to reimburse the Department of Conservation from the general fund for each permit issued, then the State of Indiana could lay claim to giving you the permit. Inasmuch as that was not done, the Department of Conservation must continue to operate on greatly reduced funds.

Who pays for the Veterans free permit? 10% of our population—the 350,000 buyers of the \$2.00 license to hunt and fish, not the approximate 3,500,000 people of Indiana who are obligated to give those justly earned benefits to our veterans. The people of Indiana are paying for the bonus to be paid to World War II veterans but that bonus will apply to Indiana veterans only, and not to non-resident veterans moving to Indiana, nor to service personnel who have entered and left the armed services since September 2nd, 1945. Yet annually thousands of veterans free permits are being issued

to non-resident veterans establishing Indiana residence and to discharged service personnel who have enlisted since September 2nd, 1945.

Something else is paying—paying in a different manner. That is Indiana's great natural resources, our Wildlife—Fish—Game Birds—Waterfowl—Game Animals—Fur Bearers, with more than twice the pressure on it that should be from the revenue collected on licenses to protect, propagate, and manage this resource.

Let's take a look at the records and see what our neighboring States are doing in the manner of financing their Departments of Fish and Game. Indiana for 1949-1950 received \$717,679 from the sale of licenses. Illinois \$1,900,445. Iowa with a million less population, \$1,140,000. Missouri, population about the same, \$1,716,428. Ohio, \$1,800,000. Michigan, \$5,029,389.

There are other losses through the issuance of these free permits.

The Pittman Robertson Act which provides federal funds to the Division of Fish and Game in Indiana and other states for Wildlife Restoration is pro-rated on the basis of the number of PAID licenses each year. On the basis of 400,000 free permits being active in 1949, our losses amounted to \$164,235 in federal funds. Compiling a total on the time since the Pittman Robertson Act became effective in 1940, losses have been computed to be \$605,300. The Dingell Bill became law with the President's signature in July, 1950. This is a companion bill to the Pittman Robertson Act, allocating funds from the existing tax on fishing tackle to all states for fisheries restoration. The allocation of funds will be based on the number of PAID licenses. It is estimated that starting July 1st, 1951, the loss of Dingell funds to the Department of Fish and Game will amount to approximately \$75,000 annually.

Several States have issued free permits but they have been discontinued. There are still a few who issue these permits for certain disabilities.

At the present time there are approximately 500,000 free Hunting and Fishing Permits with an accumulating loss of approximately \$7,150,000. And we can all well imagine what greater strides could have been made with this additional revenue.

When this Veterans Free Permit Law to hunt, and fish was first passed by our law makers little did they realize at that time the additional Revenue Losses that would accumulate through the loss of Federal Funds to the Division of Fish and Game.

Little did they realize that with each Free Permit in use this department would lose \$.60 per permit in Pittman Robertson funds per year. Little did they realize that with each such permit, in use that this department would lose \$.40 per permit per year in Dingell Funds from the Federal Government, and as I stated before, Federal Aid to this department is based solely on licenses sold.

Has it ever occurred to you Veterans what happens to the tax money that

you pay on firearms, fishing tackle and sporting equipment. On each license in this State approximately 70% in such taxes is returned in Federal Aid, on each free permit the entire amount of such taxes collected from permit holder is allocated to other States for the betterment of their Conservation Departments.

Within the past several years efforts have been made by a number of Organizations in this State to do away with the free permit. The organizations fully realize what this free permit is doing to jeopardize the activities of the Department of Conservation. They have contacted numerous members of our Legislature and have met with rebuffs. The politicians are only interested in getting your votes, many times for their own personal interests, and it seems that the discontinuance of the free permit in their mind is a hot potato and might result in the loss of a few votes. It will be almost impossible to get the politicians to sponsor a bill to abolish this measure.

That is why a group of ardent Conservationists, who fully realize the folly of this law are appealing to the Veterans' Organizations throughout the State to take it upon themselves to see that this law is stricken from our Statutes. I know that each and everyone of you are loyal Hoosiers, interested in the welfare of your home State.

You owe it to your children and grandchildren to take steps to correct this evil, and to take them when the next legislature convenes about one year hence. Go all out for repeal of the free permit.

Two or three dollars is mighty little to pay for twelve months of pleasure. We all spend more than that each week on trivial things that do not afford nearly the pleasure that one good hunting or fishing trip provides.

You gentlemen hold the key to your future in the fields and on the streams. I sincerely urge you to turn it in the right direction and not keep yourselves locked in.

We congratulate the American Legion on the stand it has taken, that is, to take the Conservation Department out of politics and hope that all other Organizations will fall in line to support this movement.

In conclusion let me remind you that:

- 1: The Department of Conservation has lost over \$7,000,000 in revenue through the free permits.
2. It is losing better than \$160,000 per year in Pittman Robertson Funds.
3. It is losing better than \$75,000 per year in Dingell Funds.
4. In other words, all of these permits are costing the Department of Conservation approximately \$1,739,000 per year. And I am quite sure that each and everyone of you can envision just what this additional revenue can do for all of us in increasing the fish and game to be taken out.

Thank you.

METHODIST CHURCH NEWS

The Official Board will meet on Thursday evening at eight o'clock in the Youth Room of the Church. This will necessitate the changing of the hour for the rehearsal of the Chancel Choir from seven-thirty to seven o'clock. It is most desirable that both meetings be well attended.

On Tuesday, January 8, the J-O-Y Circle will meet at the residence of Mrs. Harold Nelson at one-thirty. This change of meeting place is necessary because Mrs. Gosser, who was to have the meeting, will be in Fort Wayne in a planning conference for the Laboratory School to be held at Epworth Forest during Assembly Week.

Mrs. Gosser has recently been appointed Director of Children's Work for the Warsaw District, replacing Mrs. Bergwall, whose duties as the wife of the President of Taylor University, have removed her from the Warsaw District to Upland.

Additional business to be planned at the conference under the direction of Miss Helen Clark, Conference Director of Children's Work and Dr. George Fenstermacher, Secretary of Religious Education for the Conference, is that of the courses of study for the Vacation Bible Schools in the District.

Mrs. Gosser, in addition to having been trained in the educational work of children and having taught school both before and since becoming a minister's wife, assisted in the kindergarten work of one of the best directed Church Schools of the West Virginia Conference.

It has not yet been decided, but there are rumors that the Chancel Choir, with the help of additional voices, will present another Cantata this Lenten Season.

The Pastor wishes to remind you that one of the best resolutions you can make and keep for this year is regular attendance at the church of your choice.

TELEPHONE RATE INCREASES NOT YET EFFECTIVE HERE

The Public Service Commission has approved a schedule of rates presented by Indiana Associated Telephone Corporation that will produce \$542,741 in additional revenue annually. This is the amount of increase approved by the Commission in its order issued on December 24, 1951.

The company, in its original rate schedule, did not propose to increase rates in any of its Magneto exchanges; however, the Commission in its December 24th order instructed the company to increase rates in all exchanges — Magneto, Common Battery and Dial. The approved increases were suspended in some thirty-eight exchanges in which, in the Commission's opinion, the service at the present time, was inadequate. The suspension on these rates will be lifted at such time as the company certifies to the Commission that improvements have been made, and after the Commission's engineers have made further inspection.

The exchanges in which the rates are suspended are as follows: Bippus, Burket, Etna Green, Fulton and Mentone. The proposed rate is \$8.50 for one party business and \$3.25 for one party residence.

Akron and Bourbon where the rates proposed are \$7.00 and \$3.50.

Sidney, Laketon, Macy, Silver Lake, Millwood and Tippecanoe where the rates will eventually be \$7.50 and \$3.60.

And North Manchester where the proposed rates are \$8.00 and \$3.85.

The rates shown below went into effect January 1, 1952, in the following exchanges in this area: Atwood and Claypool. The one party rates are \$7.50 for a business and \$3.60 for residence.

Train Stops For Juniors And Seniors

Thirty-nine pupils, Mr. and Mrs. Lorin Burt left Mentone on the Nickel Plate Railroad at 5:00 last Thursday morning bound for Chicago. The group arrived in Chicago about 8:00. They spent the day touring the Chicago Museum of Natural History, the Museum of Science and Industry and shopping in the Loop. At 8:30 the group attended the stage performance of "South Pacific." They left Chicago about 11:20 and arrived in Mentone at 2:00 a. m. All report an enjoyable trip.

School resumed following the Christmas vacation with a high percentage of attendance. We are hoping that the seige of disease has passed.

Plymouth's Pace-Setting New Belvedere

Here's Plymouth's smart hardtop club coupe, the Belvedere, the pace-setter in the lowest price field with its new concepts in styling and beauty. The car has glistening, lively two-tone colors: Suede Tan with Sable Bronze top; Belmont Blue Polychromatic with Sterling Grey top; Mint Green with Black top. The color used on the roof follows the Belvedere's streamlined contours around the spacious rear window and down over the rear deck, giving the car the continental look. Sparkling chrome molding outlines the top and carries back to separate the two colors at their junction at the rear-quarter-panel. The interior is luxurious, with colorful quality fabrics and vinyl blended in perfect harmony with the shades used on the exterior.

FREE BULLETIN ON GOOD FARMING PRACTICES

Farming is one of Indiana's biggest and most complex businesses. During 1950, Indiana farmers received over \$977,000,000 from the sale of farm products. There are few businesses which require a higher degree of man-

agerial skill and planning than does farming.

If Indiana farmers are to continue to manage over 20,000,000 farm acres efficiently and at a profit, they must become scientists in many fields. They need to be chemists, engineers, mechanics, agronomists, animal husbandrymen and financiers. They must un-

derstand insect and disease controls, the laws of heredity, and the economic laws affecting the sale of farm products. They must develop good farming systems and plan years in advance.

Purdue extension agricultural economists have prepared Extension Bulletin 355 entitled, "Farm Planning in Indiana." In this publication, the authors have outlined the essential factors farmers need to consider in planning an efficient and profitable farming system, a system which includes soil building and conservation practices along with maximum production.

Free copies of the bulletin are available at the county extension office or by writing to the Agricultural Publications Office, Purdue University, Lafayette, Indiana.

Farmers can receive individual help of the county agent and economics extension men in setting up a farm plan by participating in the County farm planning project. In this project participants are given two preliminary sessions on fundamentals of a good farm plan. Then a third session will be planned to visit the farm of each person taking part and to develop a sound crop and livestock program. The first of the farm planning sessions will be held on the afternoon of February 8. County Agent Paul Jackson requests that those interested make reservations at the County Extension Office.

Mr. and Mrs. Logan Ramsby and Mr. and Mrs. Walker, of Ligonier, were New Year's dinner guests at the Hipsher home near Palestine.

Did YOU list some things to do in 1952?

After I wrote last week of setting up goals for next year, I thought of a bit of philosophy my father once told me, "You can do those things you think you can." How often I've thought of this.

And my experience with people follows out this bit, "You can do those things you really WANT to do." Do you agree? No matter how bad driving conditions are, if people want to go some where bad enough, they usually go.

And so, why not list some home improvements or some activities you want to accomplish in 1952 and work during the year toward achieving them?

If you were fortunate enough to find a small electrical appliance under the Christmas tree, the manufacturer's directions on use and care should be read carefully. Then follow the directions in order to get good service.

Four fruits are featured on the U. S. Department of Agriculture's plentiful foods list for January. These are dried prunes and raisins and fresh oranges and tangerines.

To give variety in flavor, prunes may be cooked with slices of lemon or orange, or with spices—a few whole cloves or stick cinnamon, for example.

IS THIS YOUR YEAR FOR A BIRTHDAY?

Some people, due to circumstances beyond their control, cannot make celebrating a birthday an annual affair. For those who chanced to have been born on February 29th must await the coming of leap year to really say they have a birthday. They get old just as quickly as the rest of us, but they likely must add by four instead of one.

Leap year, too, traditionally is that period of 366 days that shows up every four years when the young men with full intent to retain their status of bachelorhood must use extreme caution. Leap year seems to be a special blessing nature gave to the less fortunate of the feminine of the species. At least tradition has it that she can more openly exert her efforts to extricate herself from the island of singularity.

We're neither assuming nor implying that leap year will show any increase in the match-making activity, be it masculine or feminine, and let it not be said that leap year holds any magical powers to influence the success or failure of marriages. There's still only two reasons for successful marriages—one is the husband, the other is the wife.

BUTTER AND EGGS

Butter and Eggs have a name that really fits them. With orange, yellow, and white blossoms, the hardy flowers look almost good enough to eat for breakfast.

It's too bad that they're not, for they are plentiful in so many places. They grow along road sides and in fields, pastures, and city lots from Newfoundland to Georgia and west to California and Oregon. They have also spread to South America.

Butter and Eggs are not natives of this part of the world, however. The National Wildlife Federation reports that they started out in Asia and Europe and then came to the Western Hemisphere.

They don't ask for rich ground, but grow best in dry, waste soil. Once they take hold, they stay year after year, for their roots never die.

Each fall the flowers produce tiny black seeds which the wind scatters far and wide during the winter months. When spring comes, new plants sprout

and old ones rise up again. They grow to be from one to three feet tall, with straight, slender stems. Reaching out from the stems are narrow leaves—each about an inch and a half long. The stems are smooth, but the leaves have fine fuzz which rubs.

©National Wildlife Federation
Butter-and-Eggs

Along about July, the Butter and Egg blossoms appear. The flower is an inch long, with two lips above and a spur beneath. It lasts from the middle of summer until October, and reminds you of an egg nestling in a spot of butter.

If they were more rare, Butter and Eggs would be highly prized in flower gardens, for they are pleasing to the eye. But they grow so easily and need so little care that no one ever thinks of cultivating them. Sometimes, indeed, farmers have to treat them as weeds and clear them out of fields.

There was a time, though, when people made use of them. Butter and Egg plants were collected and pressed

to get a juice which was valued as a skin lotion. There was also a recipe for mixing the juice with milk to produce a fly poison.

But today, says the National Wildlife Federation, Butter and Eggs are just wild flowers which brighten the outdoors. They furnish nectar to bees and butterflies, and they usually grow in spots which are shunned by most other plants.

Interesting information on other wildlife species may be obtained by writing to the National Wildlife Federation, Washington 10, D. C.

POULTRY PRODUCTION**WILL RISE IN 1952**

The poultry industry can expect another banner year in 1952, according to latest figures of the U. S. Department of Agriculture.

Increased production of eggs and broilers is expected and turkey production may exceed the 1951 level, which was a record high. Indications are that the strong demand for poultry products will continue and prices are expected to average about the same.

While the total value of poultry products in 1952 may be as much as 5 per cent higher than the estimated \$4 billion for 1951, costs will also rise and net returns to producers may be a little lower.

Commercial broiler production will probably continue its long-time increase. Broilers today are supplying almost half of the nation's chicken meat, compared to a negligible amount 15 years ago.

Turkey growers are expected to raise more small birds, which are proving popular and economical for year-round use. A record 52.8 million turkeys were produced in 1951, and indications are that the production of small and large turkeys will increase in 1952.

Mr. and Mrs. Henry I. Lockridge of Akron, Route 2, announce the engagement of their daughter, Carolyn Sue to Pfc. Rudolph J. Petrosky, son of Mr. and Mrs. John W. Petrosky of Akron, Route 1.

Miss Lockridge is a member of Beaver Dam's senior class this year.

Her fiancé, a graduate of Beaver Dam with the class of 1949, is now serving with the U. S. Air Force and is stationed at the Amarillo Air Force Base at Amarillo, Texas.

No definite date has been set for the wedding.

SMITH CAR WRECKED IN FOG

The Max Smith pickup truck was badly wrecked Monday forenoon when it ran into the rear of a parked bread truck at the farm home of Earl Boggs, east of Mentone. Bob Smith and Mr. and Mrs. Kirk Livengood were returning to Mentone when the accident occurred. The driver of the bread truck had just backed out onto the highway and was attempting to go forward on the slippery highway when the Smith car came onto the scene. The fog was so dense that morning that one could barely see car lights over a hundred feet ahead, and even though the Smith car was going slowly, it was still impossible to stop in time to avoid a collision. The impact drove the hood of the Smith car back toward the cab.

The occupants of the car escaped serious injury, although Mrs. Livengood, sitting between the two men, had the wind knocked out of her as the two men used their elbows in an attempt to keep her from hitting the windshield. The two boys had a few bumps and bruises, but nothing serious.

Merl Blue, who is stationed at Waco, Texas in the Air Corps, arrived home Friday for a visit with home folks. He is to return to his base next Wednesday morning.

SODALES CLUB MEETS

On Friday evening before Christmas the Sodales Club was served a delicious dinner at 6:30 in the home of Mrs. Agnes Rans. After this they went to the home of Mrs. Jack Van Gilder for their annual Christmas party. The home was beautifully decorated in keeping with the season. Mrs. David Gosser gave three Christmas stories interspersed with organ music, with Mrs. Van Gilder at the organ. After which there was a gift exchange.

Assisting the hostesses were Mrs. Everett Long, Mrs. Don Bunner, and Mrs. Chas. Shafer.

NEW TOWN BOARD SWORN IN TUESDAY

M. O. Mentzer, clerk-treasurer, and Harry Smythe, Harold Nelson and Artley Cullum, trustees, assumed their duties as town officials Tuesday noon. All were elected in the November election.

At the organization meeting, Artley Cullum was named chairman.

In addition to the appointments previously announced (Eli Julian, night marshal, Wm. Schooley, day marshal, and Arlo Friesner, fire chief), James Rodibaugh was named as town attorney. The Farmers State Bank was named as the official depository for town funds, and compensation for volunteer firemen, city employees and official bonding of the clerk-treasurer was disposed of in proper order.

There's always more that should be done than most town officials ever find sufficient time or convenience to get accomplished, and plans and hopes always far exceed actual attainment, but the new board trusts that the citizens will bear with them, in cooperation and patience. At the present the sewer lines seemingly aren't in proper shape to handle the exceedingly heavy water runoff the past few days. The Yocum, Walburn and Robert Nottingham basements have suffered from runoff water backing up in the storm sewers. Every effort will be made to alleviate these disagreeable situations as quickly as possible.

Scattered in various parts of the town buildings are various items of equipment and otherwise that evidently belong to various and sundry organizations, and the new officials would like to have such groups inform the officials of who belongs to what, etc.

Meeting Nights Changed.

It was decided that the regularly scheduled meeting night of the town officials will be the first Monday night of each month, at which time any citizen may appear if he has any business to bring before the officials.

FIRE AT SNIPES HOME

The Mentone Fire Department was called to the Wm. Snipes home, west of town, Wednesday morning, to help extinguish a roof fire. The damage to the roof was slight.

GOLDEN GIRL KILLED WHILE ATTENDING CHURCH

Ruth Leona Golden, 16, daughter of Mr. and Mrs. Arthur Golden, of the Beaver Dam community, was shot and instantly killed about 7:50 Sunday evening while she was attending services at the Apostolic church in Bourbon.

Omer Shoemaker, 24, a soldier home on furlough and the son of Mr. and Mrs. Ralph Shoemaker, route 5, Rochester, who, it is reported, had attempted to "date" the young lady, was the one that fired five shots from an automatic pistol inside the church as services were in progress. The Golden girl was seated in the back part of the church when the young man came in and sat down in a seat behind her. He

remained only a few minutes and then got up and went outside. He soon returned, stood at the door and fired the five shots. He then shot himself in the temple and staggered from the church, got into his auto and drove about three blocks and fell dead beside his car after shooting himself twice more.

One bullet hit the Golden girl in the neck, and one in the back. Two shots were wild and another went through a seat and inflicted a flesh wound in the hip of Miss Judy Falkner, 13, who was seated beside Miss Golden.

Don Baker left Sunday after his enlistment into the army. He is at Camp Custer.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Hobart Jordan, of Clunette, have announced the engagement of their daughter, Louise, to Edward Creighton, son of Mr. and Mrs. Hobart Creighton.

Miss Jordan, who graduated from the Atwood High School in 1950, is employed at the Judd Drug store in Warsaw.

Eddie graduated from Mentone High School in 1950 and is a sophomore at Purdue.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Raymond S. Bare, of Mentone, announce the engagement of their daughter, Mary Louise, to Sgt. Charles O. Waltz, son of Mr. Truman Waltz, of South Bend.

Miss Bare is a member of Mentone's senior class. Her fiancé, a graduate of Talma with the class of 1949, is now serving with the U. S. Air Force and is stationed at Frankfurt, Germany.

No definite date has been set for the wedding.

HAS ANTIQUE BOOT-JACK

Lyndes Latimer brought a strange looking bit of walnut wood into the Co-Op. News on Wednesday, which proved to be, when opened, a traveler's boot-jack.

The boot-jack is hinged and would compete with some of our modern compact traveler's aids. It was small enough when folded to be fit easily into a carport, but, when opened, as sturdy as the boot-jack left at home. As men, in those days, wore no other foot gear except boots, a boot-jack was an essential when traveling.

Although carved from walnut, the boot-jack had been given a coat of buttermilk paint, made from buttermilk and red lead.

This is just one interesting item Lyndes has added to his unusual and varied antique collection.

IN SOUTH BEND HOSPITAL

Mrs. Fred Rush is a patient at the Memorial hospital in South Bend, where she underwent minor surgery.

Mr. Rush states that she is showing some improvement but will be in the hospital for some time yet.

COYLE

Funeral services were held Wednesday afternoon in Columbia City for Mrs. Raymond Coyle, 73, who had been in failing health for over a year. She had been a lifelong resident of Whitley County, with the exception of three years spent in Mishawaka.

Mrs. Lewis Harshbarger, of west of Mentone is a daughter. Other survivors are three sons: Austin, of Michigan City; Ernest and Alvin, of Whitley county; three daughters in addition to Mrs. Harshbarger: Mrs. Fay Haney, Mishawaka; Mrs. Pauline Bard, Oshtian; and Mrs. Kenneth Wilkerson, of Columbia City. Mr. Coyle died in 1942.

Burial was in the Adams cemetery in Troy township.

PET SQUIRRELS IN TOWN

It has been suggested that we say a few words concerning the pet squirrels in town, so that hunters, young and old, will "hold their fire" when near town limits.

It wouldn't be difficult to recognize the black squirrel, but there is also a large red squirrel which folks would miss, too, so we urge the cooperation of all hunters, from sling shot to 12-gauge ability.

PAPER DRIVE JAN. 19

A number of Mentone citizens were disappointed Saturday when it was learned that the Boy Scouts were unable to conduct their previously announced scrap paper drive. The two available trucks were both loaded—one with paper and the other with steel—and there was no way left except to postpone the pickup until Saturday, Jan. 19th.

BREAKS ANKLE

Mrs. Gertrude Hill had the misfortune to break her right ankle last Wednesday, Jan. 2. While walking in front of Lemler's store, she turned her ankle in some way. She heard it snap, but thought it only a severe strain.

An X-ray showed a clean break. Dr. Waltz placed a cast on the ankle. Although not permitted to do a great amount of walking, Mrs. Hill is able to continue her work at the telephone office.

PVT. ALDERFER
KILLED IN KOREA

Mr. and Mrs. Carl Alderfer, R. 1, Mentone, received a telegram Tuesday evening announcing the sad news that their son, Pvt. Lloyd H. Alderfer, had been killed in action in Korea. The boy left his home here just two months ago today, on his way to the foreign battlefield.

The text of the telegram was:

"The Secretary of the Army has asked me to express his deep regret that your son, Pvt. Lloyd H. Alderfer, was killed in action in Korea Dec. 30, 1951. Confirming letter follows."

WM. E. BERGIN,
Major General.

Pvt. Alderfer, 21 years of age, a rifleman with the 17th Infantry Regiment's Company L, entered the army on June 14, 1951. He received basic training at Fort Riley, Kansas and arrived in Korea on Dec. 11, 1951.

Prior to entering the army he attended Tippecanoe high school and was later employed as a truck driver in Warsaw, Ind.

A news release received from Korea prior to the lad's untimely death, stated that the 7th Infantry Division, in which he was serving, was composed of mainly veterans in the Korean fighting and that the division recently has been engaged in patrol activity along the snowy east-central front.

Two brothers, Fredrick and Earl, served many months in Germany during World War II, and a third brother, Myron, received a medical discharge before being placed in a combat unit.

The deceased is survived, in addition to the grieving parents, seven brothers and four sisters.

HAS HEART ATTACK

Edward Back, who has been our school janitor this year, became ill while in church Sunday and suffered a very severe heart attack. He was taken to the McDonald hospital, but was able to return home the fore part of the week. He is still confined to his bed, and will need to remain quiet for some time.

Wayne Tombaugh is substituting as janitor at the school until Mr. Back is able to be back on the job.

VISIT LACKLAND AIR BASE

Mr. and Mrs. Raymond Cooper, Mrs. David Cooper, of Mentone, and Mrs. Gene Strausser, of Ft. Wayne, returned Sunday after a visit with David Cooper and Gene Strausser at Lackland Air Base, Texas.

The Coopers visited with Malcolm Long and Alan Grindle while there. The boys are fine except for some colds.

WORD FROM ALFRED SNYDERS

Mr. and Mrs. Joe Baker have had recent word from Mr. and Mrs. Alfred Snyder who moved from Mentone to Colorado Springs, Colorado.

The Snyders are parents of a baby boy born Thanksgiving morning.

Alfred, who suffers from arthritis, has been given strict orders to stay off his feet, so will not be active for some time.

Their address is R. R. 3, Colorado Springs, Colorado.

HOME FROM HOSPITAL

Charles and Don Beeson, sons of Mr. and Mrs. Fred Beeson, were able to return home last week after being patients in the McDonald hospital for several weeks following complications from scarlet fever.

TIMELY TOPICS

By Mrs. Ruth R. Snellenberger
Home Demonstration Agent

Do you plan to make improvements in your kitchen sometime in the near future?

The kitchen Tour originally planned for this week had to be changed to Friday, January 25, in order to allow time for yours truly to make preliminary visits to the kitchens to which the Tour members have been invited.

Who may go on the Tour? Any interested person who sends his or her name to me at the County Extension Office by January 19. Homemakers may want their husbands along on the Tour because he may be the one to do the thing she wants done. Right? I need to know how many to expect to attend in order to arrange the Tour stops.

Everyone who registers will receive a letter asking them to attend a group meeting first to receive background information regarding kitchens prior to proceeding on Tour.

What if the weather is bad or the roads impossible? Local radio stations will be used to give any sudden change in plans the morning of January 25.

How do you rate as a vehicle driver these wintery days? Mrs. John Gebert from Pierceton was in the office the

other day and reported that she saw some good driving. In a line of trucks was an automobile. Even though the auto skidded crosswise in the road and came to a stop partially off the pavement, there was no mishap. The truckers helped the auto driver right his car.

'Tis good to hear reports of good driving. I think. Too often the other kind is heard about.

* * * * *

What's happened to our country's population? In the ten years, 1940-1950, the preliminary report of the Bureau of the Census, a 55 per cent increase in the number of children under five years of age and a 25 per cent increase in the number of children from five to nine years of age are shown. Certainly these figures stimulate community thinking into planning for future needs of these children.

Interesting too is the following decreases: 3 per cent decrease in number children ages 10 to 14, 13 per cent decreases in persons 20 - 24 years of age. These figures may be reason for slight decline in 4-H enrollment.

THANK YOU

P. F. C. Jack D. Miller would like to thank the Mothers of World War II for their Christmas package and card. It sure was appreciated.

S-T-O-P MEANS STOP!

When is it permissible for a motorist to drive through a stop sign?

Never, according to Joseph H. Braun, secretary counsel of the Chicago Motor Club.

"A stop sign means exactly what it says," he responded in answer to the question. "You must bring your car to a standstill, look around and see if circumstances are safe, then proceed ahead. Slowing down or coming to a 'rolling stop' do not comply with the requirements of a statute or ordinance which demands that a vehicle shall stop at a stop sign."

In answer to the assertion that it is unreasonable to insist upon a full stop when it is apparent to the driver that an intersection may be entered without danger of collision with other vehicles or pedestrians, Braun declared that this view was not shared by the country's courts.

He cited a 1942 decision which was handed down by the Supreme Court of Iowa in which the court ruled that a driver's judgement of whether it was safe to cross a street did not affect his duty to bring his car to a full stop.

How about a situation where you are behind a motorist who stops for a stop sign? Is it necessary for you to pull your car up to the sign and make a second stop?

Yes, Braun explained, the vehicle must be brought to a stop at the stop sign or at the stop line. He referred to a ruling made by the Illinois Appellate Court in 1946 imposing a duty to observe caution, which reads in part:

"The operator of a motor vehicle, when he stops at a preferred highway, should ascertain if he can proceed safely across such a highway. If he cannot, he should not enter it. Merely stopping some place near a stop sign does not necessarily discharge one's duty. There is no virtue in stopping at a place where, by the use of one's faculties, one can definitely

ascertain if he can safely proceed into the protected thoroughfare."

So, Braun emphasized, if you are several cars back of a motorist who has stopped for a stop sign and can observe all traffic movements readily, it is still necessary for you to make a second stop before crossing the intersection. The law requires that a stop shall be made "at such stop sign, or at a clearly marked stop line before entering an intersection, except when directed to proceed by a police officer or traffic control signal."

DR. ANDERSON TO ATTEND CONVENTION

Veterinarians will consider plans to improve public health in Indiana through control of animal diseases at the annual convention of the Indiana Veterinary Medical Association which opens in Indianapolis, January 9th.

Dr. G Robert Oldham, of Kokomo, Association President, said today that recent research findings indicate that the relationship of sick animals to sick people is much closer than is generally known.

Practical public health protection measures that veterinarians can adopt in their home communities will come up for discussion at the meeting, Dr. Oldham said. Full cooperation with physicians and public health officials will be offered.

Convention headquarters will be at the Severin Hotel. Registration will begin at 9:00 a. m., on January 9th, and sessions will continue through January 11th. Nearly 300 veterinarians are expected to attend.

Another convention highlight will be a study of increasing Indiana farm in-

come through reduction of livestock disease losses.

"Even if prices of meat, dairy, and poultry products drop," Dr. Oldham said, "farmers can still enjoy relative prosperity. Better control of diseases and parasites, better breeding and better nutrition—all these things would mean bigger profits for the farmer."

Several nationally-known veterinarians, including representatives of the American Veterinary Medical Association, will be in Indianapolis, to present latest information on animal health problems.

The Woman's Auxiliary will also hold meetings during the 3 day session. The Auxiliary is headed by Mrs. C. R. Baumgartner, of Spencerville.

Those planning to attend the Convention from this area include Dr. E. D. Anderson, of Mentone.

We wish to thank the Mentone and Rochester fire departments. Also all our friends and neighbors that helped and offered help.

MR. AND MRS. WM. T. SNIPES

COUNTRY NEIGHBORS MEET

The Country Neighbors Home Ec. Club met recently at the home of Mrs. Russel Walters for their Christmas dinner, with Mrs. John Teel and Mrs. Joe Peterson assisting.

After a delicious Turkey dinner the meeting was opened by the vice president, Mrs. Sam Norris with the pledge to the flag, followed by the club creed.

Mrs. Roy Maxwell read the Christmas story for devotions. The group all joined together in singing Christmas carols.

Roll call was answered by guessing your secret pal. During the business meeting it was decided to give \$2.00 to the T. B. association and also to fix a basket for Mrs. Wayne Shunk.

Mrs. Mable Norris then installed our officers for the coming new year which are: president, Mrs. Sam Norris; Secretary, Mrs. Earl Zent, and Treasurer, Mrs. Russel Walters.

The New officers were each presented with a beautiful red rose corsage and the old officers each received lovely gifts by the club.

Mrs. Roy Maxwell and Mrs. James Richardson received birthday gifts and Mrs. Carl Zoleman won the door prize.

A committee was appointed to make out the new books. Guests were Mrs. Robert Norris, Mrs. William Walters, and Mrs. Floyd Walters.

The next meeting will be at the home of Mrs. George Craig.

Mr. Joseph Jellison and sons, Mrs. John Jarman and daughter and Mrs. Anna Hassett of Michigan City, were guests last week of Mr. and Mrs. Grover Janke of Mentone and Mr. and Mrs. Harold East of Warsaw. Mrs. Jellison and Mrs. Jarman are daughters of Mr. and Mrs. Janke. Mrs. Hassett is a sister of Mr. Janke.

THE EVERFAITHFUL CLUB

The January meeting was held at the home of Alice Brugh, our retiring president.

Thirteen members responded to roll call.

Several Club Pal Gifts were presented, business conducted and the rest of the afternoon was turned over to the hostess. She told us a short story to start the entertainment.

Bunco was played and won by Wilma Tucker, also traveling prize. Second going to Bernice Valentine and for the most Bunco's.

Delicious refreshments were served by the hostess.

The February meeting will be held at the home of Wilma Tucker.

SLUMBER PARTY

After arriving home from Chicago, about 2:00 Friday morning several of the Junior girls had a slumber party at Marjorie Mollenhour's.

Those present were: Betty Dirk, Darlene Miller, Phillis Warren, Barbara King, Dawn Ware and the hostess.

Mrs. Mollenhour served the girls hot chocolate and potatoe chips. After playing a few games the girls retired.

CARD OF THANKS

We wish to extend our sincere thanks and appreciation to everyone for your expressions of sympathy, Floral offerings and many kind deeds. They were to us a help to carry the heavy load of sorrow which was thrust upon us by the death of our dear daughter and sister. God Bless everyone.

THE EVENING GROSBEEK

Evening Grosbeaks travel in little flocks of eight or ten birds. Never staying long at any one spot, they come and go at unexpected times. If the feeding is good, they may remain for sev-

©National Wildlife Federation
Evening Grosbeak

eral days. Then they are off, perhaps not to return for a long time.

Always they are looking for seeds. Their favorites grow on box elders, but they also like the seeds of pine,

cottonwood, locust, wild cherry, spruce, birch, maple, ash, dogwood, apple, hawthorn, and cedar. Sometimes, too, they get their meals from poison ivy, Virginia creeper and ragwood.

A good way to attract the birds is to put out sunflower seeds. Although you can't count on your feeding station to keep the Evening Grosbeaks around constantly, they may return again and again for their meals.

There are several ways to identify them, says the National Wildlife Federation. The male is a large, chunky bird, about the size of a starling. His body is yellow, and his wings are black, with two large patches of white. His tail feathers are black, too, and he wears a black cap. His bill is large and light.

The same colors appear on the female, but are harder to see. Almost hiding the brighter hues is a covering of silvery-gray. But enough yellow, black and white show through to let you know who she is.

Both the male and the female are about the same size. They are from seven and a half to eight and a half inches long. Their wingspread measures nearly fourteen inches.

When flying, the Evening Grosbeaks seem to be bobbing up and down, as though they were floating on gentle air currents. If the sunlight shows

them up clearly, the white patches on their wings can be seen at a distance.

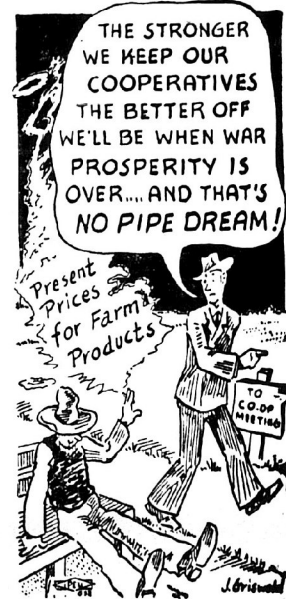

It is possible to find them in summer near the northern fringes of the United States. But that is about as far south as they come during the nesting season. Most of them build their homes and raise their young in Canada.

Their nests, made of sticks and rootlets, are placed at least ten feet off the ground, and sometimes higher. In this dwelling, the parents raise a brood of three or four young which are hatched from greenish eggs blotched with pale brown.

By November, the flocks of Evening Grosbeaks are ready to move southward, though not away from cold weather. Many of them stay in southern Canada and in our northern states. Others go as far down as Missouri, Kentucky and Ohio.

They are always welcome visitors, because they add a touch of cheerful color to dull winter days as they flit about, looking for seeds. When they stop to perch, they sing a short, warbling song.

Interesting information about other species can be obtained by writing to the National Wildlife Federation, Washington 10, D. C.

ATTEND "GRAND OLE OPRY"

Mr. and Mrs. Carl Zoleman and sons, and Mrs. Willard Zoleman have returned from a ten day trip to Columbia, Georgia. They visited Carl's brother, Emerson and family. While there they visited Lawson Air Force Base, where Emerson is employed. From there they went on to St. Petersburg, Florida, where Carl and Emerson did some fishing. The weather was grand. In fact Carl got a nice sun-tan while fishing. On their return trip they stopped at Nashville, Tennessee, and attended the Grand Ole Opry.

Miss Donna Jean and Maxine Halm-baugh have returned to South Bend, where they are employed in the office at the South Bend Lathe Works.

Large Weapons

Battering rams were enormous weapons by the time the Roman Empire reached its zenith. One of the largest described in Roman writings required 300 oxen to transport it and 1,500 men to swing it against assaulted walls.

PARENTS OF DAUGHTER

Mr. and Mrs. Allen G. Shirey are the parents of a seven pound eleven ounce daughter, born at the Woodlawn hospital at Rochester at 3:00 a.m. Wednesday morning. Grandparents are Mr. and Mrs. Ed Shirey of Palestine and Mr. and Mrs. C. O. Mollenhour of Mentone. The new arrival was named Susan Kay.

Mr. and Mrs. Robert Lentz and daughter, of Alexandria, Virginia, are visiting with Mrs. Ross Scott and daughter, Miss Ethna Scott, and Mr. and Mrs. Clayton Holloway and family.

Bob Smith left Warsaw last week and is now in the Marines. Wayne Baker left Rochester Tuesday morning with a group of soldiers. We hope to have the addresses of these boys soon.

COUNTY TOURNEY TO START THURSDAY

The first game in the county basketball tourney will be held at Warsaw on Thursday evening, Jan. 10th, starting at 7:00 p. m. when Etna Green plays Burket. At 8:30 Silver Lake and Leesburg battle for the honor to meet the winner of the first game, on Friday afternoon at four. Friday's sessions start at 8:30 with Atwood and Piercet as opponents. Syracuse and Sidney start their battle at 9:45 and at 11:00 North Webster and Warsaw go out for the kill. Milford and Claypool start the afternoon session at 1:30, with Mentone and Beaver Dam as contenders in the 2:45 game.

LEGION AUXILIARY NEWS

Members of the Mentone Unit No. 425, American Legion Auxiliary, held their regular business meeting Tuesday, January 8 at 8:00 p. m. at the Legion Home. There were twenty members present.

Mrs. Ward Williamson, first vice-president of the unit, was in charge of the business session. She asked that we keep in mind the Marion birthday party to be held on the second Sunday in February. A more detailed program of this event will be given at a later date.

Mrs. Dale Wallace, membership chairman of the unit, read a letter from Mrs. Mildred Swigett, Department membership chairman, outlining the membership program for those coveted merit points. The next quota deadline is March 15, 1952.

The meeting closed with the singing of "God Bless America" and "America," and was then turned over to the program committee, Mrs. Ned Miller, Mrs. Eldred Paulus and Mrs. John Ettinger.

Mrs. Ward Williamson was the name drawn for the attendance prize.

The next meeting of the unit will be held Tuesday, January 22 at 8:00 p. m. at the Legion Home.

Members of the refreshment committee were Mrs. T. J. Clutter and Mrs. Robert Whetstone.

BENEFIT FISH FRY JAN. 29

The Indiana Council for Children and Youth, Kosciusko County unit, will hold a benefit fish fry at the county fair grounds on Jan. 29th. Dr. Grover L. Hartman, of Indianapolis, will be the speaker for the evening.

Tickets can be secured from Wayne Tombaugh, who is county chairman.

IN MEMORIAM

KEPLER—John Fredrick Kepler, Jan. 14, 1951.

We miss you now, Our hearts are sore, As time goes by, we miss you more. Your loving smile, your gentle face, No one can fill your vacant place. The dearest cousin the world can hold, A cherished smile, a heart of gold. Those who knew him, all will know, How much we lost a year ago.

CONSIDER SONGER AS SUPERINTENDENT

Hardy Songer, principal of the Tippecanoe school and former basketball coach at Mentone and Burket, is one of four Marshall county school principals being considered for appointment as Marshall county school superintendent. Trustees of Marshall county have announced that they will meet Friday to fill the vacancy created by the resignation of Dan Shafer, who resigned, effective February 1, to accept a position at Rensselaer.

Four school principals and two other county teachers were interviewed Monday by the trustees and it was indicated they will select a county man for the post, although others have applied.

Other principals interviewed were Claude V. York, of the Tyner school; Russell Rohrer, of the Argos School and William W. Lyon, of the Bremen elementary and junior high school.

BAPTIST NEWS

Last Thursday night the church held their annual business meeting. Most encouraging reports were given from each department of the church and Sunday School. Total income from all sources had risen from some \$16,200 in 1950 to well over \$24,000 in 1951. The church accepted a new budget for 1952 of \$22,000 which will include plans for redecorating the interior of the entire church building. The three boards, Advisory, Deacons and Trustees have met and have elected chairmen for the coming year. Raymond Weirick as chairman of the Board of Deacons, Claude Gates as chairman of the Board of Trustees and Devon Eaton as chairman of the Advisory Board.

Word has been received from Rev. and Mrs. Ralston that they have many opportunities to use their "roving church," a large trailer-house pulled by their car. As they stopped in trailer camps on their way to their district, the southwestern states, children and many adults welcomed their ministry. They are one of the Chapel Crusader teams carrying the Gospel to children in schools and trailer camps which are miles from any church.

Lova Bush, Missionary to India, writes that the jeep, given her by the Mentone church last spring, has proved invaluable in traveling the rugged territory around her station. Besides teaching in villages close to her station, Lova and another young woman missionary, load the jeep with camping equipment and spend one week each month in outlying districts in evangelistic work. Far villages can be reached in hours compared to the days of travel it took by ox-cart. Lova also mentioned that the coming dry season, from January to June, has been preceded by an abnormally rainless period. There are some districts bordering on famine.

Rev. Peter Tanis is serving as Chaplain and Prison Missionary in the Cook County Jail in Chicago and Bridewell

Prison. He will be one of the speakers at the annual Missionary Conference, January 20 to 27th. On the radio program, "Unshackled," which is heard over WGN at 7:30 each Saturday night, and is sponsored by the Pacific Garden Mission of Chicago, mention was made of how Rev. Tanis, formerly of Mentone, encouraged a converted dope addict and thief to confess his guilt and take his prison sentence. Last Saturday the pastor read a letter over the "Family Altar Broadcast" from a Bernice Davis, who is a convicted murderer in Cook County Jail and who was converted to Christ in July of 1950 through the efforts of Mr. Tanis. She wrote a most friendly letter and spoke highly of the work that Mr. Tanis was doing in the jail and how he had helped her to know the Lord and her Bible.

Tonight, in the mid-week prayer service, the film, "God's Acre of Diamonds," will be shown in the church. This film has been produced for Scripture Press of Chicago to show how the Sunday School teacher can be used of God in winning boys and girls to Christ and to the church. This film will take about 20 minutes and will take the place of the regular Bible Study given each Thursday evening. The public is cordially invited to this service which will begin at 7:30.

FRANKLIN 49'ERS MEET

The Franklin 49'ers 4-H Club held a belated Christmas party Friday evening, January 4, at the home of Wilburta and Karen Latimer.

The meeting was called to order by Noreen Bibler. The secretary's report was given by Wilburta Latimer.

Secret Sisters for the past year were revealed when the members opened their Christmas gifts. Games were in charge of Marilyn Rathfon.

Refreshments were served by Mrs. Latimer to Mrs. Emma Jones, Mrs. Helen Rookstool, Noreen Bibler, Elener Norris, Joan Tucker, Marilyn Horn, Marilyn Rathfon and Karen and Wilburta Latimer.

ALL CLUBS REPRESENTED AT FIRST COUNTY MEETING

Attending the first 1952 Presidents' Council meeting of the Kosciusko County Home Demonstration Association were representatives from each of the 52 clubs and six county officers. Mrs. John Gebert, of Piercetown, county president, presided at this meeting held at the Crystal Dairy Lounge on Wednesday, January 2. Program year books were distributed and explained by Mrs. Lawrence Rife, of Warsaw, who was chairman of the committee responsible for preparing them.

Following lunch was the business meeting at which duty sheets for county officers and for committees were read. The budget for the association for 1952 was read and approved. Mrs. Gebert pointed out that the name, "Home Demonstration Association" was being used in accordance with the constitution adopted on trial last year and urged clubs to review this constitution with club members before the next council meeting.

Mrs. Ruth Snellenberger discussed plans for special interest meetings for the year urging that for the Kitchen Tour, which is planned for January 25, registration should be sent to the county extension office by January 19; and that persons desiring instruction in refinishing furniture, in retying springs or making boxes for springs, or in making lampshades, should send

their names to the county extension office by February 1st.

Mrs. Alton Bouse, of Claypool, described "How I Conduct a Club Business Meeting." Discussion that followed included ways to give each club member some responsibility, ways to improve club meeting attendance, some

goals local clubs might wish to set up for the year, and some suggested by-laws for local clubs.

Suggested material for health and safety leaders to use in local club meeting was distributed. Also an outline for reporting club meetings was given to the club presidents to give to local club reporters.

In cases where there are three days scheduled for leader training meetings it was announced that delegates from the first third of an alphabetical listing of clubs would attend the first day, the second third attend the second day, and the last third on the third day. January 29, 30 and 31 are the dates for the first group of leader training meeting to be held at the R.E.M.C. kitchen on South Buffalo Street in Warsaw, the lessons being on "Fish Cookery" and "Milk Cookery."

The next Presidents' Council meeting is scheduled to be held Monday afternoon, March 24.

SCHOOL NEWS

Present Semester Will End Soon

The pupils are busy reviewing and finishing up semester projects in anticipation of semester examinations on January 16 and 17. The new semester will begin on Friday, January 18. Several new high school subjects will begin at that time. Bible will replace English 12; literature will replace English in grades 7, 8, 9, 10, and 11. Vocations will be taught in grade 10 in place of health. Sociology for grade 12 will replace government. The 7th graders will study United States history rather than geography. The 8th grade will study Indiana history and government in place of United States history.

of this week in order that pupils and teachers may attend the thirty-fifth annual Kosciusko County Basketball Tourney. The luck of the draw gave Mentone the bye. The Bulldogs will play Beaver Dam on Friday afternoon at 2:45. The tourney opens Thursday evening. The Kosciusko County Principals selected Mr. Kent to be tourney manager this year.

Bulldogs On Winning Side

The Mentone first team hit the victory trail Saturday evening in the local gym by turning back North Manchester 60-50. Bob Boggs, promising sophomore, was high point man with 18 points. The local second team dropped its game 31-25. A small crowd witnessed the attraction. The local band gave an interesting demonstration. On Monday evening, the 7 and 8 teams split games at Etna Green. The second team lost, but the first stringers won in a close game.

The four school second team tourney originally scheduled for January 14 and 15 has been postponed until January 21 and 22. Etna Green, Atwood, Silver Lake and Mentone will battle for second team honors.

The Atwood - Mentone basketball game has been re-scheduled for Wednesday, January 16, at Atwood. This

game was postponed due to bad weather conditions.

Bibles Presented To Fifth Grade

The Kosciusko Gideon Society gave a program and presented Bibles to the fifth grade on Tuesday morning. Grades 5-12 attended the program which consisted of group singing, devotions, and the Gideon story. Paul Bilby was in charge of the assembly.

Wayne Tombaugh is helping out at the school in the absence of Ed Bach, who is ill. Dale Kelley is driving Wayne's bus route.

Geneva Whetstone, Martha Creighton and Neil McKinney participated in a discussion with four Warsaw High School senior on Monday evening over WRSW. The topic was "Federal Aid to Education."

This Saturday over WKAM, Mentone School will again be on the air. An interesting program is being planned. Put a reminder by your radio to remember to listen in to your school. It is sponsored by the Farmers State Bank.

The home economics department has received two new Deluxe General Electric ranges. These ranges were made available by the General Electric Company's school plan at about half the regular price. New kitchen cabinet units have also been ordered.

**4-H ADULT LEADER MEETING
TO BE HELD JANUARY 14**

The first meeting in 1952 of the 4-H Adult Leaders of Kosciusko County is scheduled to be held Monday evening, January 14, at the County Extension Office. The combined session of men and women leaders will begin promptly at 7:30 p. m. There will be a panel discussion on "Enrollment and Completion." Reports from the program committee and the radio project committee will be made, and plans for National 4-H Enrollment Week will be discussed.

In the divided session to follow the men leaders will set dates for dairy and livestock judging events and will discuss demonstrations.

In the women leaders' group plans for a 2 day clothing school, February 14 to 15, will be made. Leaders will be asked to suggest what kind of construction help they want demonstrated, what constructions they wish to practice, what information related to 4-H clothing they need in order to help their local club members. In addition to planning the school, the women

leaders will discuss clarifications of home economics project requirements and set dates for county demonstration and judging events.

Officers of the county Adult Leader organization for this year are: Chairman, Bill Stotts of Syracuse; Vice Chairman, Mrs. Carl Steiner of Monroe Township; and secretary, Herbert Moore of North Webster.

All adult leaders are urged to attend this first meeting of the year. If they cannot attend themselves, it is hoped that a member of their local club's 4-H Advisory Committee might attend, states Mrs. Ruth Snellenburger, local home agent.

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

A comparison of the reported cases of the common communicable diseases in Indiana for 1951 show mumps and scarlet fever to be the two diseases exceeding the number of cases reported in 1950, according to morbidity statistics released today by Dr. Andrew C. Offutt, director of the Division of Communicable Disease Control, Indiana State Board of Health.

Diphtheria cases reported show the most noticeable decline with only 89 cases reported. This decline has been gradual for the past ten years. Five hundred and fifty cases were reported in 1941.

1951 was again a red letter year for smallpox. No cases of the disease have been recorded in Indiana since 1948.

Whooping cough, poliomyelitis, typhoid fever, chickenpox, tularemia, Rocky Mountain Spotted fever, brucellosis, tuberculosis and measles all show decreases in Indiana. Only 4,463 cases of measles were reported as compared to the five year average of approximately 7,605 cases a year. In 1948, measles cases in Indiana numbered 17,446.

The general downward trend was also followed in the reporting of cases of animal rabies with 437 cases recorded. This may be compared to the five year average of 750 cases a year and to 455 cases reported in 1950.

METHODIST CHURCH NEWS

Mrs. David Gosser attended the Laboratory School Planning Conference held in the office of the First Methodist Church of Fort Wayne on Tuesday of this week. The purpose of the conference was to establish the curriculum to be used in the Laboratory School at Epworth Forest, June 22 to 28 of this year.

The School is a teacher's training center for the Children's Department of Methodist Churches in the North Indiana Conference. Because it is most desirable to keep the classes limited to ten or twelve student teachers who work with an equal number of children, registrations must be in early.

These classes are for teachers of kindergarden, primary, and junior church school classes, and are held for and hour and a quarter each morning during Assembly Week, with a planning conference each afternoon.

The Daily Vacation Bible School curriculum was also discussed; and it was reported that the material to be used in Methodist Churches has been accepted for use in many other denominations.

The date established for the Fourth Quarterly Conference for the Methodist Church of Mentone is February 28 at seven-thirty. In preparation for the business session it is necessary for the Committee on Nominations to meet early this month. It consists of Mrs. Denton Abbey, Mrs. Miles Manwaring, John Boggs, and the pastor. It is urged by the Official Board of the Church that the congregation plan to be present for the Conference session.

Following the rehearsal of the Chancel Choir on Thursday evening, the Pastor will meet with the following persons to complete plans for the College of Life Program: Mr. Ralph Mollenhour, Mr. Denton Abbey, Mr. James Rodibaugh, Mr. and Mrs. Raymond Cooper, Mr. and Mrs. Walter Kent, Mrs. Robert Whetstone, Mrs. Chauncey Mollenhour, Mrs. Allen Herendeen and Mrs. David Gosser.

Acrobats

Many a startled adult will agree that the acrobat or "stunt man" has nothing on the four-year-old when he starts climbing, jumping, and standing on his head. The Parents' Consultation Service urges parents not to discourage these important muscle co-ordinating activities on the part of the pre-school-age child because of a feeling that he may be "showing off."

ALVA H. CREVISTON DIES FOLLOWING STROKE

Alva H. Creviston, aged 78, of Winona Lake, died at 11 a. m. Sunday at the Murphy Medical Center in Warsaw where he was admitted Friday after suffering a stroke at his home. He had been ill with a heart ailment for the past two years.

Mr. Creviston was born Oct. 13, 1873 in Grant county, the son of Mr. and Mrs. Thomas Creviston. He resided in Grant county until 1923 when he moved to a farm near Mentone. He had lived at Winona Lake for the past six years.

In 1898 he was married to Dora Ween who died in 1936. On Nov. 2, 1945 he was married to the former Nancy Burns, who survives. He was a member of the Warsaw Baptist Church.

Also surviving are a daughter, Mrs. George McIntyre, of Elkhart; two sons, Heston, of Mentone, and Edwin of Ft. Wayne; one step-daughter, Mrs. Mary Bright, of Angola, and eight grandchildren. Three daughters and a son preceded him in death.

Funeral services were held at 1 p. m. Wednesday at the First Baptist church in Mentone with Rev. Milton Dowden officiating. Burial was in Falls cemetery at Wabash. The Johns funeral home was in charge.

GRAVESIDE SERVICE FOR MRS. EMMA BARKMAN

Graveside services were held Saturday afternoon at 1:30 p. m. at the Hamlet Cemetery in Newcastle township for Mrs. Emma (Jones) Barkman, 83, who passed away at the Methodist Memorial Home, Warren, Indiana January 7th.

She was the widow of the late John Barkman who preceded her in death a number of years ago. She was born in and reared in Fulton county, but has resided elsewhere for about 45 years.

Survivors include a daughter, Mrs. George L. Pottor, Lafayette, and a brother, Ezra Jones of Rochester.

HUMPHREY MORGAN DIES.

Mrs. George Mollenhour telephoned just as we were going to press Wednesday evening and stated that Humphrey Morgan, 82, died this morning at his home in Valparaiso.

Funeral services are to be held Saturday afternoon at Valparaiso.

PARENTS OF A SON

Mr. and Mrs. Eugene Weirick are the parents of a son born Tuesday morning at the Woodlawn hospital. The baby weighed eight pounds and 14 ounces and has been named Billy Ray. Mr. and Mrs. Weirick have two other boys.

STAVEDAHL

Born to Mr. and Mrs. Gene (Lefty) Stavedahl of Talma a son at the Woodlawn hospital in Rochester, Tuesday.

MERLE ECKERT DIES SUD- DENLY OF HEART ATTACK

Merle Eckert, aged 57, died Saturday of a heart attack at his home five miles northeast of Mentone. He had been in ill health about four years.

Mr. Eckert was born in Indiana on Aug. 31, 1894, the son of Lorenzo and Mattie Eckert. He resided in Elkhart about 36 years, having moved to near Mentone two years ago. He was a retired railroad worker.

Surviving are his wife; five daughters, Mrs. Lewis Langor, of Bristol, Mrs. C. Harris of Adrian, Michigan, Mrs. Norman Wolfe, of Arizona, and Mrs. Robert Rougson and Mrs. Frank Willey of Elkhart; one son, Merle H., stationed with the army in Alaska; two brothers, Walter, of Florida and Ray of east of Mentone, and 15 grandchildren.

Funeral services were held at two o'clock Tuesday afternoon at the Johns funeral home with Rev. John Schroeder, of Etna Green, officiating. Burial will be in the Harrison Center cemetery, however, burial is being delayed awaiting the arrival of the son, Pfc. Merle H. Eckert, from Alaska. The Red Cross, which secured his permission to fly home, received word that he left Alaska by air transport Monday. Bad weather has snarled air transportation and he had not arrived late Wednesday.

CLARK ERNSBERGER CELEBRATES 90TH BIRTHDAY

At a family dinner, Sunday, at the home of Mr. and Mrs. Clark Ernsberger, Clark's children and grandchildren were present to help celebrate his 90th birthday anniversary.

He received a bouquet of lovely roses in honor of the occasion.

Clark, who is Mentone's oldest resident, is most fortunate in having unusual health and vigor. He is out every day, and his activity and energy are amazing.

Those present for the dinner were: Mr. and Mrs. Dow Walker, of Chicago; Donald James Smith, of Evanston; Martin Ernsberger and sons, of South Bend (Mrs. Ernsberger was unable to come because the other youngster had the mumps), Mr. and Mrs. Don Ernsberger, Mr. and Mrs. Kenneth Romine and sons, of Mentone. Mr. and Mrs. M. O. Smith are in Florida so were unable to be present.

MENTONE LOSES SEMI-FINAL GAME IN COUNTY TOURNEY

After leading Etna Green 23 to 13 at the end of the first quarter in the semi-final game of the county tourney Saturday afternoon, the Mentone boys ended up on the short end of a 49 to 53 score. The second quarter proved the undoing of the local boys when they made only one field shot and one foul shot while the boys from the town to the north were tying the score at 26 all.

Mentone, which had lost every regularly scheduled game except the last one, wasn't given very much consideration by the sportscasters, and as long as Mentone was behind they kept apologizing for an uninteresting game. Beaver Dam, a team that had a rather impressive season, was unable to make as many of their shots count as it was expected, and Mentone soon took the lead in the first tourney games for these two schools Friday afternoon. There was no time in which Mentone was in too much danger, and the final score was 59 to 42.

After defeating Mentone in the semi-finals Saturday afternoon, the boys from Etna Green went on to defeat Warsaw by a wide margin Saturday evening to bring their school its first county crown in 20 years.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Earl Patterson, of Warsaw, announce the engagement of their daughter, Phyllis Ann, to Eugene Raymond Walk, son of Mrs. Francis Walk, of Macy. A church wedding, to take place next October, is planned by the couple. Mr. Walk is employed by the Northern Indiana Cooperative Mills at Mentone. He attended schools in South Bend and at Tippecanoe. He is a member of Company L of the national guard. Miss Patterson is a member of the senior class of the Warsaw High School.

WITH THE SICK

Mrs. Mary Barkman is again a patient at the Woodlawn hospital where she was taken last week.

Ed Back is able to be back on part time schedule at the school house. He is driving a school bus. Wayne Tombaugh is taking care of the custodian duties. It was erroneously reported that Mr. Back had suffered a heart attack. His distress came from after effects following a virus infection.

Ora McKinley is still confined to his home following an attack of chest pains early Sunday morning. He is still under the observation of his physician.

Wayne Neillans is a patient at the West Suburban hospital, Oak Park, Ill., where he went a week ago Wednesday. He is receiving treatments for a spinal ailment.

Mrs. Fred Rush is doing as well as can be expected and will be in the hospital for another week and a half.

LIONS MEET WEDNESDAY

The regular meeting of the Mentone Lions club was held at the school cafeteria room Wednesday evening, with a fine attendance.

Various matters of business and club interest was discussed following the delicious meal, and President Cooper announced the appointments to the softball committee. They were Loren Tridle, Walter Kent, Maynard Johnson, Dean Shirey, James Rodibaugh, Wm. Schooley, Herschel Linn, Milo Fawley, Ora McKinley, Dana Starr, Dale Kelly and Noble Babcock. This committee, as in years past, is not only composed of Lions members, but carries the names of many individuals from other groups and organizations within the area.

CELEBRATES BIRTHDAY

Mrs. Bert Holloway was most pleasantly surprised when a group of relatives and neighbors gathered at her home last Wednesday evening, Jan. 9, to help her celebrate her birthday. She received several lovely presents. A lovely evening was enjoyed by all. Ice cream, cake and coffee were served.

Those present were: Mr. and Mrs. Harry Sullivan and son, Mrs. Francis Brown, Kenneth Goodman, Mr. and Mrs. Zeph Hoffer, Mr. and Mrs. Mahlon Jefferies, Mr. and Mrs. Clyde Johnson and son, Harry Cole, Mr. and Mrs. Garrie Rose, Mr. and Mrs. Clayton Holloway and sons, Mr. and Mrs. Denton Abbey and daughter, Mr. and Mrs. Devon Hirschman and children, Mrs. Agnes Rans, Mr. and Mrs. Abe Whetstone and Mr. and Mrs. Bert Holloway.

At a late hour all departed wishing Mrs. Holloway many more happy returns of the day.

AMERICAN LEGION NEWS

At the regular meeting of the Mentone Post 425, The American Legion, held on Tuesday evening, Jan. 15, the following men were voted into membership: Dr. O. L. McFadden, Maynard Johnston, Mentone, and Harold R. Wood, of Piercetown. This puts our total membership on this date at 140.

Chaplain Ed Smelser reported on the Christmas basket program. A letter was read from the Department Americanism chairman, stating that WKAM, the local radio station, would cooperate in broadcasting scripts on world communism.

The dates of the Kosciusko County Council meetings has been changed to the fourth Thursday night of each month, the next one to be held at the Warsaw Post on Feb. 28.

It was announced that the County Council is going to put on an evening of entertainment at the V. A. hospital in Fort Wayne on Friday, Feb. 15.

The "Back to God" church movement launched by the American Le-

gion, was discussed and it was decided to have a poster placed on the billboard on the Main street if such space is available.

The next second district meeting will be held at Kentland on Sunday, Jan.

27th. Any member wishing to attend, contact Bob Whetstone.

TIPPECANOE PTA MEETING

An outstanding and timely program is to be presented at the Tippecanoe school on Thursday evening, January 17 at 7:30. It was announced by Pres. Clarence Cotey. It is sponsored by the Tippecanoe PTA and everyone is invited to this program which will be of general interest to all.

Harding College of Dearcy, Arkansas has instituted a Freedom Forum that acquaints the public with the dangers of communism by pointing out the progressive steps taken by the communists in taking over democratic countries.

The economical, social and political comparisons of the two different philosophies of government are dramatically presented with a display of colored cards during the discussion. Each topic is thoroughly discussed and with the combined visible points being graphically pictured, understanding the problems becomes clear to the listener. The theme of the talks is the preservation of the American way of Life. It is suggested that to accomplish this, citizens have to understand their Amer-

ican heritage and have the ability to recognize the hidden dangers that threaten to destroy their liberty.

South Bend has one of these organized groups of speakers who bring the information from the Freedom Forum directly to the people in an effort to preserve our liberties and combat the spread of communism. Mr. J. W. Macon, member of the South Bend Chamber of Commerce, has spoken to large bodies of public gatherings on this topic such as schools, churches, lodges P. T. A. He travels widely over northern Indiana to bring this message and will be the featured speaker at this particular meeting.

In addition to the speaker, there will be a community sing under the direction of Mary Fites and Shirley Dickey. During the business meeting, Prin. Hardy Songer will ask the P. T. A. to sponsor the Boy Scouts.

Committees for the evening are: Hospitality—Mrs. Ernest Dickey, Mrs. Ryval Fites, Mrs. Russell Warren, and Mrs. Raymond Lemler; Entertainment—Mrs. Bill McPherron, Mrs. Harold Fanning and Mrs. Lester Anglin; Refreshment—Mrs. Fred Hazen, Mrs. Lee

Mullins, Mrs. Louis Hargrove and Mrs. Bernard Ward; Study Group—Mrs. Rea Ward, Mrs. Al Hess, Mrs. Allen Young, Mrs. Bill Robinson, Mrs. Ernest Dickey, Mrs. A. D. Tossell and Mrs. Rex Fites.

Mrs. Mable Overmyer, Mrs. Blackford and Mrs. Reuel Fites will entertain the children. Refreshments for the evening will be sandwiches and coffee.

CLINIC REMODELING COMPLETED

In this edition of the paper there appears an announcement regarding office hours and telephone numbers for Dr. Waltz and for the Urschel Clinic. All necessary remodeling has been completed and, except for some additional furniture to be obtained for the waiting room, the offices are completely furnished.

As previously stated, Dr. Waltz occupies three rooms immediately adjacent to the waiting room, while Dr. Urschel uses the rooms in the rear of the building. In this way it has been possible to keep the two practices entirely separated, with only a common waiting room for both. Miss Annabel Mentzer, Dr. Urschel's secretary, has retained the front room in the office for The Clinic records, but all other Clinic facilities are back of Dr. Waltz's rooms. In the 10-day period since the latter opened his office officially, this arrangement of space has proven very workable.

The reception accorded Dr. Waltz by the community has been gratifying, not only to him but to those who worked so hard to get another Doctor for this area. It is only by such a reception and by continued patronage that the problem of proper medical care can be solved. The Lions, the Legion, the Merchants' Association, and Dr. Urschel have all worked hard for this result, and all join in welcoming Dr. and Mrs. Waltz and their son to Mentone. By his continued success the community is assured of the best general medical care while retaining the advantage (almost unheard of in rural areas) of a readily available and completely equipped Clinic, for X-ray and Laboratory diagnosis. Dr. Urschel will be able to confine his work to diseases of the heart and to diagnostic work in medicine, while Dr. Waltz will have access to all the Clinic facilities needed for his practice.

MALLARD DUCK

If census takers could count every duck in North America, it is likely that they would find more Mallards than any other kind. There are tame ones on farms and wild ones living in most parts of the continent.

Wild Mallards spend their summers from Alaska to Greenland and south as

far as California and Virginia. In the winter, they live in the southern half of the United States, and down into Mexico and Central America.

With the change of seasons, great flocks of them take to the air. They make good time on their journeys, says the National Wildlife Federation because they can fly up to sixty miles an hour.

While beating their strong wings,

they watch for pools or lakes of fresh water where they can live and find food. In the water they get mosquito larvae, insects, snails, and shellfish. Around the edges they feed on the seeds and stems of plants.

Among the weeds and bushes near the water, the Mallards build nests of leaves and grass, with linings of dark gray down. When her nesting place is ready, the female lays from six to thirteen large eggs. The eggs may be light greenish or gray-brown.

After she sits on them for 26 to 28 days, the eggs hatch. The baby ducklings, covered with soft yellow down, quickly learn to walk and swim.

As they grow, the young birds begin to look more and more like their parents. The females are mostly brown, with marks of black. They have dull yellow bills and feet.

The males have green heads and necks, white collars, and purple-brown breasts. They are light gray underneath and darker on their backs, with a touch of blue in their wings. Their bills are yellow and their legs and feet are orange.

Mallards grow to be about 28 inches long. They weigh between three and one half and four pounds. The females are slightly smaller than the males. According to the National Wildlife Federation, they are among our most valuable wild ducks.

Interesting information on other wildlife species can be obtained by writing to the National Wildlife Federation, Washington 10, D. C.

Mr. and Mrs. Leroy C. Wise from Fort Knox, arrived Wednesday evening to spend a weeks furlough with their parents, Mr. and Mrs. Frank Wise and Mr. and Mrs. Francis Kehoe.

SCHOOL NEWS

Semester examinations will be given on Wednesday and Thursday of this week. The new semester begins on Friday morning. All pupils will be expected to have the books and materials needed for the second semester by that time.

The lunch count has held up very well for this time of year. 286 ate lunch on Tuesday at the school. Some parents fail to understand that the lunch program is subsidized by the Federal government. Thus, certain rules and regulations must be followed. These regulations pertain to menus, surplus foods, methods of reporting, etc. In a sense the rules control the amount charged for meals, so that there is available only about 30 cents for each meal including the federal subsidy.

Special Recognition for Team

A short assembly was held on Monday in recognition of the fine sportsmanship shown by the Mentone players and fans. Several of the players and teachers made some observations about the tourney.

School attendance has been better than before the holidays. Charles Beeson, Donald Beeson, Billy Whetstone, and Larry Dear Eiler are still absent from long illnesses.

Four Way Tourney

On Monday and Tuesday evenings January 21, 22, in the local gym, the second teams of Atwood, Silver Lake, Etna Green, and Mentone will tangle in a four team tourney. The games will start at 7:00. Price will be 25 cents for each night for either a student or an adult.

Future Homemakers Meet

The FHA held its regular monthly meeting at the school on Monday evening. The girls worked at collecting the cloths to be sent to Europe. A short business meeting was held.

To Broadcast From Manchester College
The speech Club will present a rad-

io program at North Manchester on Thursday evening over the College Station WMIB. The half hour program will consist of a radio dramatization, teacher interviews, music, and information about Mentone School. Geneva Whetstone will serve as Mistress of Ceremonies for the program. Other pupils taking part are Mary Ellen Bryan, Don Rush, Jon Culhum, Boyd Blue, Neil McKinney, John Mel-lott, Berna Dean Sensibaugh, Martha Creighton, Jackie Blue, Donnagene Dillman, and Max Faurote.

Game At Tippecanoe

Mentone plays Tippecanoe in basketball this Friday evening at Tippecanoe. The game begins at 7:00. Beaver Dam plays Mentone at the local gym on January 25. A game postponed from December will be played in the local gym on Saturday evening, January 26.

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

The importance of the confidential reporting of cases of venereal diseases cannot be over emphasized, Dr. Andrew C. Offutt, director, Division of Communicable Disease Control, Indiana State Board of Health, said today in pointing out that case finding is the first step in the control of venereal diseases.

Although the incidence of early infectious syphilis in Indiana has followed the nation's downward trend, gonorrhea has swung upward. Dr. Offutt cautioned about being off guard because of new and satisfactory treatment for venereal diseases which remain a significant problem in Indiana.

Education plays a large part in the control of the venereal diseases and Dr. Offutt asks for the continued co-operation of all groups interested in this activity. The services of the Indiana State Board of Health are available to the physicians and the citizens of Indiana as an aid in the prevention of the further spread of the diseases.

DOG IS VICTIM OF TRAIN

A dark gray police or German Shepherd pup met with misfortune at the intersection of highways 19 and 25, in Mentone Saturday evening. He evidently was new in town and he misjudged the speed of a Nickle Plate freight train.

Most of us appreciate the friendliness of dogs, but there are a few that seem to take our friendship a trifle too much for granted. Their owners have no regard for their neighbors and friends and just turn the poor pups loose to meander throughout the city. Each of them seem to have regular rounds they make each day—and their trips are so much on schedule one would almost imagine they could read the hands on a second-hand Bulova. They go from house to house, flower garden to flower garden, shrub to shrub, and an occasional fire plug, porch banister or window sill and attempt to confuse the other dogs by mixing the odors. Prized lawn shrubbery ends up with contrasting brown patches, evidence of many direct hits like a rifle target at Camp Atterbury, and when spring's sunshine comes along many prized specimens haven't even the heart to show their heads above the ground.

Dogs that haven't been told that its the proper thing to stay within the confines of their own home should make an effort to find a home where their masters can really explain what

courtesy and neighborliness is. This shouldn't happen to any self-respecting dog.

VISIT AT THE OBE HALMBAUGH HOME

Recent visitors at the Obe Halmbaugh home were his daughter, Mrs. Herschel Lehman, of Warsaw, and Mrs. J. O. McClanahan and sons John and Sgt. Arthur McClanahan, of Albion.

Sgt. Arthur McClanahan recently returned from Korea where he fought with the First Marine Division. He was wounded twice in the battle of Bloody Hill and later received 27 wounds in combat last August. The sergeant was in a hospital in Japan until December and will receive further treatment at Camp Lejeune, N. C., following his present leave at home.

Mr. Halmbaugh is a great-great-uncle of Sgt. McClanahan.

PSI IOTA XI PARTY

The Psi Iota Xi Sorority held their January party at the home of Mrs. DeVon Hibschan on Tuesday evening.

Prizes in bridge went to Mrs. Cecil Long and Mrs. Curt Riner. Door prize went to Mrs. Howard Shoemaker.

James Miller is now stationed at Ft. Custer, Michigan. He left Plymouth last Tuesday, January 8, with a group of 18 other inductees. His wife is the former Lois Boganwright.

Mr. and Mrs. Glenn Denton were in Marion last Thursday to attend the funeral of Mrs. Fred Bartel. Mrs. Denton and Mr. Bartel are brother and sister. Mrs. Bartel had been critically ill for several months.

Roy Eherenman, of Burket, was taken to the McDonald hospital Tuesday evening. He is a medical patient.

MOTHERS OF WORLD WAR II

Mothers of World War 2, unit 106, met at the home of Myrtle Davis, on Jan. 8. Twenty members answered to roll call, and two guests were present. Several communications were read from service boys. Lloyd Brockey and Dick Boganwright thanked the unit for the Christmas boxes they had received.

Mrs. Iris Fitzgerald took the obligation and joined the unit. Several committees were appointed by the president, Maude Romine.

A past president's pin was presented to LaVera Horn.

Marilyn Horn sang a solo, "It Is No Secret."

The door prize was won by Mildred Flenar. The Mothers' creed was repeated, singing of "God Bless America" and prayer by the chaplain closed the meeting.

Lovely refreshments were served by the hostess, assisted by Emma Cook. The next meeting will be held at 7 o'clock at the home of Bertha Meredith.

Any mother having a son or daughter who has been in service in World War 2 or who is now in service is eligible to join our unit.

RUSSELL CREIGHTON NAMED EGG SHOW CHAIRMAN

An Egg Show committee meeting was held at the school house Monday evening and final reports on the 1951 show were heard. Following discussion of various matters relative to the show, intended primarily to improvement of the annual event, officers for the coming show were elected. Russell Creighton was elected president and Carrol Eller, secretary and treasurer. It has been the customary procedure the past few shows for the immediate past chairman to remain on as co-chairman, and this season this will be M. O. Bryan.

MOVING TO LOS ANGELES

Mr. and Mrs. Max K. Hire plan to leave next week-end for Los Angeles, where they will make their future home. Mrs. Hire is the daughter of Mr. and Mrs. Fred C. Rush. Mr. Hire, formerly associated with Ward's Jewelry Store, has accepted a position with the Burton Manufacturing Company, West Los Angeles, manufacturers of dental equipment and professional lighting. They have only recently entered the optical field, and it will be Mr. Hire's duties to organize this branch of the company. He has been in New York for the past two weeks collecting data from the Kollsman plant on Long Island.

Mr. and Mrs. Monroe Romine and Mr. and Mrs. Milo Fawley spent Sunday afternoon in Elkhart with Mr. and Mrs. Ray Terry.

OBITUARY OF RUTH GOLDEN

Ruth Golden, a student of the Beaver Dam high school, died from bullet wounds inflicted by a jealous would-be suitor while she was attending services in a Bourbon church Dec. 30, was buried on January 2. Rev. Harry Shearer, pastor of the Apostolic church, Bourbon officiated and burial was in the

Parks cemetery at Bourbon. Nine other visiting ministers from Indiana and

Michigan were present for the service. The obituary, as prepared by the officiating minister, follows:

Ruth Leona Golden, born Jan. 9th, 1935, near Bourbon, Indiana to Arthur M. and Erma M. Golden, departed this life Dec. 30th, 1951. Beside her parents, she leaves to mourn her loss, four sisters and four brother, Mrs. Leslie Konkle of Warsaw, Dorothy and Joy Golden of Fort Wayne, Paul, Samuel, Russell, Donald and Mary at home; a grandmother, Mrs. Leander Jones, of Millwood; 15 uncles and aunts, and a host of other relatives and friends.

Ruth was baptized in Jesus Name and received baptism of the Holy Ghost in the Apostolic Church of Bourbon, in the year of 1947, month of February.

YOUNG BROOKS BLACK STARS IN STAGE SHOW

Brooks Black, the talented young son of Mr. and Mrs. George Black, southeast of Mentone, was featured in the Burton Theatrical Stage Show at the Penthouse Ballroom in the Severn Hotel in Indianapolis, Thursday night.

The stage show was presented to the members of the Indiana Veterinarian Medical Association at their convention. Brooks was featured alone in his well-known tap dancing act and he was accompanied by the Stage Show orchestra. Over 700 members were present to witness the Stage Show.

Brooks has made a name for himself by his tap dancing act which he has performed for many audiences in this area. With Linda Lukens and

Mitzie Meredith as a team he performed at the Akron fair and other public places last winter and summer.

He has been contacted to appear on WFBM-TV soon for which plans are now being made.

MAGICIAN TO BE IN MENTONE

Who doesn't enjoy watching a magician? Well, there is going to be an opportunity soon, on Wednesday evening January 30, to be exact, when you may see three magic makers.

The P. T. A. is bringing The Three Lawrences to Mentone for an evening's program. They are Reggie, Joan, and Larry, and they specialize in magic and illusions. Their program will puzzle, thrill and please you.

This program has been planned by the Ways and Means Committee of the P. T. A. to raise funds for a worthy school project. In an executive board meeting Tuesday evening it was decided that a new motion picture machine is now the greatest need in the school. The present machine is 8 or 9 years old and is beginning to show its years of usage by frequent breakdowns. This is quite a handicap as the machine is needed almost daily by some teacher for visual education work in some particular study.

An offering will be taken and it is hoped it will be a very generous one to give this worthy project a boost.

Complete details will be given in the Co-Op. News next week. Notice the date is Wednesday evening, January 30, at the gym.

METHODIST CHURCH NEWS

On Monday the pastor of the church attended an Epworth Forest Foundation meeting at the Miller Cafeteria in Fort Wayne. Plans for the enlarging of the Hotel dining room are being withheld until a report of the Program Committee will verify its need to serve the Intermediate Camp at Pell Lodge. The Directors of the Intermediate Camp are hoping that some provision can be made to serve the campers at Pell Lodge in the near future so that the program of the Camp will not conflict with the District Institutes.

Your pastor, having been elected to the Foundation by the Intermediate Directors, is interested in the expansion of the Camp Adventure program, not only in its physical aspects, but in the larger purposes of presenting a Christian Camp for the youth of the North Indiana Conference. This entails the provision for the highest and best type of camping facilities, the careful selection of youth leaders, counselors and faculty.

It may be stated here that the subject of training for the Intermediate Camps this summer will be **CHRIST**. A coaching conference for the workers, Directors and counselors will be held early in June.

Your pastor has been appointed representative of the Intermediate Camps at an Interdenominational Church-Camping Conference to be held in April at one of the State Parks.

The MYF is planning to present the religious play, *The Lost Church*. The parts will be distributed at the meeting on Thursday evening at six-thirty, and a "walk-through" rehearsal will be held on Sunday evening at the same hour, with the parts being read from the books. The pastor will assist in the direction of the play, and the MYF president, Don Rush, will announce the cast in next week's edition of the Co-Op. News.

On Sunday evening of this week the committee working on the University of Life programs will meet following the evening service when another Spiritual Chalk-Talk will be presented by the pastor.

The Nominating Committee met on Tuesday evening to prepare the list of nominations which are to be approved by the Official Board in the February meeting before being presented at the Quarterly Conference on February 28, when the officers and committees will be officially elected for the conference year of 1952-53. The conference year ends the last day of May of each calendar year, but all reports and financial records must be brought to date early in May to prepare the Annual Conference Report.

The Nominating Committee made additional nominations to the Board of Stewards to facilitate the work of that body in the limited time given

it to contact the constituency of the church.

The suggestion of the Official Board at its January meeting was that the entire membership and constituency of the church plan to be present at the meeting of the Fourth Quarterly Conference at seven-thirty on February 28. Dr. B. B. Shake will open the meeting with a short devotional service and message. This early announcement makes it possible for you to include it in your plans for that month's activities.

MENTONE HOME ECONOMICS CLUB INSTALLS OFFICERS

Officers installed at the New Year outlook meeting of the Mentone Home Economics club held recently in the home of Mrs. Earl Meredith were Mrs. Harry Vernet, president; Mrs. Howard Horn, vice president, and Mrs. Noble Oyler, secretary-treasurer.

The installation ceremony was conducted by Mrs. Silah Hill.

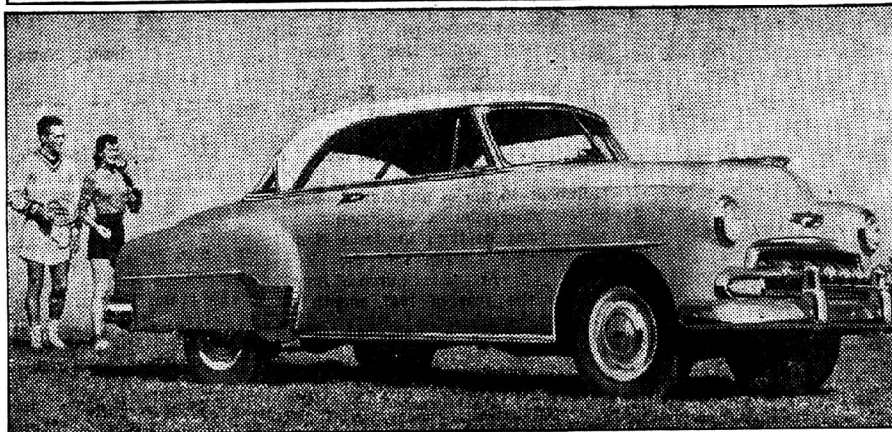

The outlook for 1952 was discussed by Mrs. Horn who emphasized the fact that our county has fewer farmers but larger farms with more modern equipment. She noted the slight decline of autos, refrigerators, and television and the improvement and increased use of nylon. Housewives were advised that pork and poultry are the best meat buys.

"Overweight and Underweight" was the topic of the health and safety reports given by Mrs. Royse Tucker. Mrs. Earl Meredith read a poem, "What Do We Want?" for the meditation.

There were 22 members and one guest, Mrs. Joseph Jones, present.

Mrs. George Rans will be hostess at the next meeting on February 14th.

Striking Color Harmonies Grace New Bel Air

Smart, new styling and improved performance add further distinction to the 1952 Chevrolet Bel Air. In appearance, the latest models are marked by vivid two-tone color combinations and luxurious interiors that make use of fine fabrics and harmonizing leather trim. Increased comfort through new engine mounts and modified shock absorbers and more responsive operation through carburetor changes are advances incorporated in all new Chevrolets. Optional Powerglide will carry an automatic choke.

KEEPSAKES

You left me with some keepsakes, dear, A cheery smile, the song we knew; How carefully, I bind and hold Close to my heart this part of you. The look of lighting in your eyes, The little things you'd say and do, Are other keepsakes I hold dear In my memory of you. Remembering these keepsakes is Not for a day, a year or two, But always, I go out into the crowd And scatter smiles because of you. After the sunset, when all is done, We'll live again the song we knew, Perchance, you'll be surprised that I Still have these keepsakes, dear, of you.

HONORED WITH SHOWER

Mrs. Joseph Boggs was the guest of honor Friday night at a pink and blue shower given by Mrs. Richard Manwaring and Mrs. Harold Nelson at the Nelson home. The guests were entertained with appropriate games and contests. The winners were awarded prizes which they in turn gave to the guest of honor. Mrs. Boggs was presented with a basket of beautifully wrapped gifts.

The guests were served refreshments buffet style, from a table decorated with two miniature bassinets filled with sweet peas and baby's breath, pink and blue candles and napkins and little stork and cradle nut cups.

Guests besides the honoree were her mother, Mrs. Harry Bell, of Jackson, Michigan, Mrs. Stanley Boggs, Mrs. F. B. Davison, Mrs. James Rodibaugh, Mrs. Jack VanGilder, Mrs. Walter Kent, Mrs. John Boggs, Mrs. Everett Long, Mrs. Bob Whetstone, Mrs. Jack Newcomb, of Burket and Mrs. Tom Beck, of Akron.

Those sending gifts, but unable to attend, were Mrs. Miles Manwaring and Mrs. Frank Smith.

CHECK YOUR LICENSES

Major Robert A. O'Neal, State Police executive officer, today warned motorists to abide by motor vehicle and driver licensing laws or face arrest by state troopers.

State law, he said, requires that license tags be displayed at the front and rear of motor vehicles. The black and white 1951 plate will be valid this year only when a small yellow and black 1952 tag is attached, but both licenses must be in view at each end of the vehicle for which they were issued. The plates are sold in pairs, excepting for trailers, motorcycles and farm tractors, which must display a single plate at the vehicle's rear.

"Police officers are authorized by law to impound any vehicle not bear-

ing proper license plates," the state enforcement official asserted.

Major O'Neal also reminded drivers to check to see if their driver's permits have expired. Holders of operators and chauffers licenses are required to apply for new permits on their birthdays every two years.

People are living longer these days. Have you heard?

In 1950 there were 45% more persons 75 years of age and over living than in 1940 (Bureau of Census preliminary report). Those of you who are 65 to 74 years of age are among the 33% more now than ten years ago. Isn't it wonderful? One can look forward to more days and years to be in this world of ours to try to make it a better place in which to live.

If your home were to burn today—goodness knows, I hope it doesn't—but if it were, would your insurance cover the value of the loss? Property values and replacement costs have increased since many persons insured their properties.

Has the newness of your children's Christmas toys worn off enough now so that you can have them play with one or two things at a time? One homemaker told me several years ago her plan for helping children appreciate their toys was to have one or two out to play with at a time. When they wanted something else these had to be put away first. They were permitted to get out something else unless they complied.

Have I received your registration for the Kitchen Tour? I need it by January 19.

FROM A READER

P. O. Box 938
Auburn, Alabama
Jan. 5, 1952

Dear Art,

I always enjoy the Co-Op. News. I especially enjoyed the editorial by your Montana friend on news releases from government agencies. Thought you might get a kick out of the enclosed bit of satire, "Corncocks and Bureaucracy".

Chemical and Engineering News is the weekly news magazine received by all members of the American Chemical Society.

Yours truly,
Justin Long

"Corncocks and Bureaucracy"

We weren't the only ones to be amused by the OPS action in removing price controls from corncocks (Nov. 26, page 5067). The Cleveland Plain Dealer, however, couched its reaction more whimsically in an editorial that we reproduce in full below:

There was, as everyone knows by now, a table set out under a tree in front of the house, and the March

Hare and the Hatter were having tea at it.

"Pass the corncocks," shouted the Hatter.

Alice thought this was very strange because, in the first place, there were no corncocks, and in the second place, it seemed like a most peculiar article of food for a tea party, even such a mad one as this appeared to be.

"They would be most indigestible," said Alice, "and besides there aren't any. In addition, you should always say 'please.'"

"Then we'll just sit here and wait for them," declared the Hatter, glaring at the rest of the guests. "There will be plenty of them along soon. May I refer you to a government release from Washington, entitled 'General Overriding Regulation 7, Amendment 5, Title 32A—National Defense Appendix, Chapter III—Office of Price Stabilization, Economic Stabilization Agency, GOR 7—Exemption of Certain Food and Restaurant Commodities . . .'"

"Hear, hear," shouted the Dormouse, applauding wildly.

The Hatter moistened his tongue

with a spot of tea, frowned horribly at the interruption and proceeded to read—

"Pursuant to the Defense Production Act of 1950, as amended, Executive order 10161 (15 F. R. 6105) and Economic Stabilization Agency General Order No. 2 (16 F. R. 738), this Amendment 5 to General Overriding Regulation 7 is hereby issued."

"To heck with this silly business," screamed the March Hare, waving his long ears angrily, "get to the point." "Corncocks," the Hatter shot back at him. "That is the point. Corncocks have been exempted from price control."

"It seems to me," said Alice, "that you took an awfully long time not getting very far. Oh, I'll admit that the people in Washington have to find something to do with their time, but even they must have been discouraged when they finally got down to the corncocks."

"General Overriding for President," shouted the Dormouse, looking very pleased with himself, but fortunately no one paid the slightest attention. Nor did they notice when he sang to himself:

How doth the little corncock sprout
Such silver-tinted wings?

It has progressed without a doubt
From pipes, and other things.

"Corncocks are important," declared the Hatter.

"You're telling me!" replied the March Hare.

"I'm telling everyone," the Hatter continued. "It says right here, 'among other uses, corncocks are a basic raw material used in producing furfural, a chemical of great importance to the economy. Furfural has over 50 industrial applications including use in refining a substantial percentage of the petroleum butadiene required for synthetic rubber production; in refining a large portion of solvent extracted lubricating oil; and in the manufacture of nylon, grinding wheels, naval stores, and corrosion resistant equipment . . .'"

"And treacle," mumbled the Dormouse.

"It says," continued the Hatter, "There is in general, no acute demand for corncocks. Consequently it does not seem likely that there will be any significant increases in prices for corncocks sold for fuel or for other uses."

The Dormouse kept singing to himself in his dismal little voice:

By the Potomac place the plant,
Right next to Mike DiSalle's,
How can you lose? You simply can't,
With fur-fur-al the gals.

MORE STARS NEXT MARCH

An American traveling in the Netherlands met a Hollander who, on learning the traveler's nationality, said, "Our flag is red, white and blue, too. When tax season approaches we begin to feel blue, when we receive our statements we turn white, and when we pay we are red!"

"Yes," replied the American, "but in the United States, we see stars as well."

WITH THE SICK

Sherry Lynn, five year old daughter of Mr. and Mrs. M. O. Bryan, is a patient at the McDonald hospital where she underwent an appendectomy on Monday.

Donald Beeson, 11 year old son of Mr. and Mrs. Fred Beeson, was admitted to the McDonald hospital last Saturday for medical treatment.

Roy Sloane, of Palestine, is seriously ill at the Veterans hospital in Fort Wayne where he was taken last Friday morning in the Johns ambulance.

ESTATE OPENED

The estate of Harlan M. Harrold, who died in Rochester on December 31, 1951, has been opened. Two sons, Ernest and Gail, have qualified as administrators and they and another son, are named as logical heirs. Mr. Harrold left a personal estate valued at \$2,000 and real estate valued at \$15,000. The son, Ernest, lives at route 1, Claypool. Gail resides at route 1, Mentone, and Willis lives in Mishawaka.

HUMPHREY L. MORGAN

Humphrey L. Morgan, aged 82, of three miles east of Valparaiso, died at 4:55 a. m. last Wednesday at the Porter County Memorial hospital in Valparaiso. He had been a farmer and resided in Porter county for 50 years. Death occurred following a stroke suffered last Sunday.

He was born in Mentone in 1869, the son of Mr. and Mrs. Griffith Morgan. On January 3, 1893, he was married to Mattie Whetstone, in Warsaw, who preceded him in death eight years ago. Surviving are two daughters, Mrs. Blanche Powell, of Warsaw, and Mrs. Dulcie Flitter, of Valparaiso; two sons, Thomas and John, both of Valparaiso; and two sisters, Mrs. Rosella Styles, of Warsaw, and Mrs. Jennie Black, of Marlon.

Funeral services were held at 2 p. m. Saturday in the Barthomew funeral home at Valparaiso, with Rev. Quentin Alfors, of Winona Lake officiating. Burial was in the Graceland cemetery in Valparaiso.

Mr. Morgan was an uncle to George, Chancy and Harvey Mollenhour, Mrs. Minnie Williamson and Mrs. Rhoda Jones. Mrs. Lizzie Morgan is a sister-in-law to the deceased.

CELEBRATE GOLDEN WEDDING

Over 100 guests attended the Golden Wedding celebration of Mr. and Mrs. Howard Severns, of Tippecanoe, Sunday afternoon.

At noon a family dinner was served to around 50 members.

The table centerpiece was of yellow candles and chrysanthemums and a large cake. The nieces and wives of the nephews served the ice cream and cake to the guests during the afternoon.

The guests of honor received many lovely gifts.

Mrs. Severns was Eva Vantrees before her marriage to Mr. Severns 50 years ago. They have one son, Kenneth, who lives in Fort Wayne.

FORMER RESIDENT BURIED

Funeral services for Albert Sidney Johnson, 77, rural route, Warsaw, were held Sunday afternoon at Warsaw, with Rev. Charles Johnston, Winona Lake, officiating. Burial was at Pierceton.

Mr. Johnson, a resident of this county for 52 years, suffered a heart attack as he was walking along Market street in Warsaw last Thursday afternoon. He was found lying on the sidewalk and was pronounced dead when examined by a physician.

The deceased was born in Missouri May 22, 1874, the son of Thomas and Elizabeth Johnson. He was married in Warsaw March 14, 1899, to Gay Brillie Rardin. While residing at Mentone he was section foreman 14 years for the Winona railroad.

Surviving relatives include his wife; a daughter, Mrs. Ed. J. Smith, Warsaw; a brother, Charles W. Johnson, Coesse; two sisters, Mrs. Mollie Moore, Reserve, Kansas, and Mrs. Everett Smith, Jasper, Mo., and a granddaughter, Marilyn Smith, Warsaw.

MRS. MINERVA BROWN DIES

Mrs. Minerva Hammer Brown, aged 86, a lifelong resident of Kosciusko county who had resided in Warsaw during the past six years, died at 8 p. m. Tuesday at the McDonald hospital, where she had been a patient for nine months. Death was due to complications of old age.

Mrs. Brown was born in Palestine, August 8, 1865, daughter of Austin and Amanda (Borton) Milbern. In 1884 she was married in Warsaw to Wesley Brown, who passed away in 1946. She was a member of the Evangelical United Brethren church at Harrison Center.

Surviving are two sons, Charles Hammer, of Atwood, and Russell Hammer, of Warsaw; three sisters, Mrs. Elizabeth Lyon, of Warsaw, with whom she made her home before going to the hospital, Mrs. Blanche Kesler, of Fort Wayne and Mrs. Lura Mollenhour of South Bend; five grandchildren and six great-grandchildren.

Funeral services will be held at 2 p. m. Friday at the Bilby-McHatten funeral home in Warsaw, with Rev. John Jones, of Syracuse, officiating. Burial will be in the Union Center cemetery, west of Warsaw. Friends may call at the funeral home from 4:30 p. m. Thursday until the time of the service.

CARL E. WARREN TO BE BURIED ON THURSDAY

Carl E. Warren, aged 63, died at 1:30 p. m. Tuesday at his home on Route 2, Mishawaka. Death was due to heart trouble and followed an illness of one year.

Mr. Warren was born July 18, 1889, near Beaver Dam, son of Sylvester and Caroline (Houser) Warren. He had resided for the past 10 years at Mishawaka and was an employee of the Studebaker Corporation in South Bend. He was a member of the Veterans of Foreign Wars at Hammond.

Surviving are a brother, Roy Warren, of Claypool; one sister, Mrs. Charles Kreider, of North Manchester, and several nieces and nephews.

Funeral services will be held at the Tucker funeral home in Claypool at 2 p. m. Thursday, with Rev. Kenneth Kraft officiating. Burial will be in the Silver Lake cemetery. The Warsaw America Legion post will conduct services at the graveside. Friends may call at the funeral home after 7 p. m. Wednesday.

ROY C. EHERENMAN DIES

Roy Clarence Eherenman, aged 67, of Burket, died at 1:30 p. m. Monday at the McDonald hospital, where he had received treatment for almost a week. He had been ill two years due to a heart ailment.

Mr. Eherenman, a longtime resident of the Burket community, was born October 24, 1884, the son of Byron and Elizabeth Eherenman. On November 5, 1908, he was married in Warsaw to Nora Smith, who survives.

Other surviving relatives include four daughters, Mrs. Eldon (Thelma) Sumpter, Mrs. (Nenabelle) See, Mrs. Wilson (Bernice) Welrick and Mrs. James (Opal) Hite, all of Warsaw; 13 grandchildren; a brother, Fred Eherenman, of Argos and two sisters, Mrs. Turner Boggs, of near Mentone, and Mrs. Virgil Doran, of Burket.

A son, Thearl Edward, preceded him in death.

Funeral services were held at 2 p. m. Wednesday at the Johns funeral home, in Mentone. Rev. Louis Engle, of Dutchtown was in charge. Burial was in the Mentone cemetery.

MAGICIAN TO BE IN MENTONE NEXT WEDNESDAY EVENING

On Wednesday evening, January 30, the Three Lawrences—Reggie, Joan and Larry—will present a program of magic for your entertainment at the community building. The program is to start at 7:30. In addition to the varied program of magic and illusion by the Three Lawrences, the high school music department will furnish special music.

There is no admission charge, but a free-will offering will be taken, the proceeds to go toward the purchase of a much needed moving picture projector in the school.

The P. T. A. is sponsoring this program.

The date, again, is Wednesday evening, January 30.

BROTHER DIES IN CALIFORNIA

Word was received on Sunday by Mrs. Gertrude Hill and Mr. Elbe Johnson of the death of Mr. Melvin A. Johnson, of Los Angeles, California. The deceased was a brother of Mr. Elbe Johnson.

**KEY DEER FEATURED IN
NATIONAL WILDLIFE WEEK**

National Wildlife Week, sponsored annually by the National Wildlife Federation, will be dedicated this year to helping one of America's most interesting animals—the diminutive Key deer—in its last-ditch fight for survival.

The Week will be observed March 16-22, and its chairman will be Ed Dodd, nationally-known cartoonist, conservationist and outdoor enthusiast.

Carl D. Shoemaker, conservation director of the Federation, said the nearly-extinct Key deer will be used as a symbol of America's dwindling natural resources which may yet be saved and restored.

According to federal wildlife authorities, only about 30 of these unique little animals, smallest race of whitetail deer, remain alive. Menaced by poachers, predators and forest fires, they cling to a precarious existence on the Keys off the coast of Florida. During the last year several have been killed by speeding automobiles along the overseas highway to Key West.

As part of the observance of National Wildlife Week, the Federation has created a special fund which will be used first to keep a special protection officer on the job in the Key deer area. This will supplement an effort already started by other organizations in cooperation with the U. S. Fish and Wildlife Service.

Next the Federation will help improve the island habitat of the deer, through such measures as constructing water holes for the animals and protective fences along highways. The Federation is supporting legislation in Congress to establish a federal sanctuary in the area.

Because of the centuries-long adjustment to its own island background, the surviving herd cannot be transplanted to other regions where they

might be better protected. For this reason, Shoemaker said, the Federation is attempting to provide the protection for the deer on their home grounds.

Little more than knee-high, the elusive Key deer weighs no more than 30 to 35 pounds when full-grown. Their fawns are about the size of rabbits.

National Wildlife Week has been an annual observance since 1938, sponsored by the non-profit Federation as a means of calling public attention to the broad and pressing problems of natural resource management. The 1952 celebration will mark the beginning of a new series in which each year a particular kind of wildlife—some species considered in critical or precarious condition—will be given special attention.

The Week will be marked by proclamations by state and local government officials, speaking programs throughout the country, window displays, advertising campaigns and other media.

The National Wildlife Federation was organized in 1936 and now has active affiliates in 42 states. It represents more than 4,000,000 sportsmen and conservationists, not only in state-by-state activities, but in Congressional interests as well.

Ed Dodd, creator of the "Mark Trail" comic strip, is widely known as a conservationist and outdoor leader. In addition he is an ardent hunter and fisherman. He was associated with Dan Beard for 16 years and was with the noted youth leader at his summer camp in Northeast Pennsylvania (Hawley). He is a member of the Campfire Club of New York, an organization of men who have shot or sketched big game. The club was founded by Dan Beard, Theodore Roosevelt and Gifford Pinchot.

He has received citations from the U. S. Forest Service and Sigma Delta

Chi, journalism fraternity, for contributions to education and conservation.

THIS AN' THAT

One reason why so many communities are having trouble finding enough money to support or enlarge their schools is that the federal Government in Washington, D. C. now takes about \$7 out of every \$10 we have to pay in taxes—leaving only \$3 to cover all the costs of state and local governments.

BAPTIST NEWS

Missionary speakers can be heard each evening this week at the church beginning at 7:30. All are welcome to attend. Pictures of the various mission fields will be shown. Yet to be heard this week will be Miss Jo Casper, of Ceylon-India, on Thursday night; Mrs. R. V. Herbold, Nigeria, West Africa, Friday night and on Sunday night Dr. R. V. Herbold, a doctor doing work with lepers in Nigeria, West Africa. There will be no meeting on Satur-

day night.

During the forepart of the week we enjoyed hearing of the work of foreign missionaries on furlough from Africa and the Philippines; and from home missionaries to the Jews in St. Louis, Missouri and to the prisoners in Cook County Jail in Chicago.

Rev. Peter Tanis, former Mentone resident, told a few of his many interesting experiences in the latter field, particularly among those condemned to the electric chair. Rev. Tanis was scheduled to walk to the electric chair Friday morning, 1 minute after midnight, with the Bernice Davis mentioned in this column last week. (The name led us to think it was a woman but he is a man who killed two plainclothes policemen who entered his home without knocking or a search warrant. Three times he was granted a postponement from the death chair and again Tuesday night after the church service here, via radio, we learned of another reprieve granted to him.

Rev. Tanis also told of the Boy's Haven Home, Bible and Vocational School he had organized at Richmond, Illinois, and how it had been forced

to close because of local pressure preventing a permanent license. Twenty-one of the boys paroled to Rev. Tanis have been given homes by Christian farmers in Illinois and Iowa. Two more of the boys are attending a Bible School in California.

ONLY \$200,000,000

Most federal employees now get 28 days annual leave. If the two and a half million on Uncle Sam's payroll were to have their vacations cut to four weeks—20 days—it would save the taxpayers more than \$200,000,000 according to Senator Douglas. He introduced an amendment seeking to put this saving into effect. It is to be remembered, however, that the two and a half million have votes.

SOLDIER BONUS NOT TAXABLE

As the deadline for filing your 1951 Income Tax returns draws near near—January 31, 1952 for Indiana Gross Income Tax and March 15, 1952 for Federal Income Tax—it may be well to bring to the attention of those veterans and next-of-kin who received Indiana State Bonus checks during 1951 that the Indiana World War II Bonus is not a taxable item—either on State or Federal returns, A. G. Breaks, County Service Officer, said today.

The Department of Veterans Affairs in Indianapolis has been advised by both the Federal Bureau of Internal Revenue and Indiana Gross Income Tax Division that since the bonus is not taxable, it will not be necessary to report same on income tax returns.

IMMUNE

Upon watching a little boy of about nine play the piano the other night at the sugarcoated command of his mother, my heart went out to the lad as he flounced to the bench (it was a stool in my days) and extended uncertain hands to the keyboard. He played a little piece with flickering concentration. He showed annoyance and distress when bum notes slipped in. He sidled off the bench with a mixture of relief and embarrassment. Our applause and kind words could not bring an encore. "Of course," it was explained, "he has been taking lessons for only about a year."

While he was performing, I tried once more to fathom the reason for my being an elocutionist at the tender age of seven. It always recurs to me that I had a louder voice than any kid in the neighborhood. A recitationist should be able to speak out. My parents were proud when friends told them that they could hear me all over the hall. The twenty stanzas about Christopher Columbus, sailing the seas and dying in chains, went off without a hitch, and although I didn't know the meaning of all the words, I remembered my lines. They had been drilled into me—to the very marrow of my bones. Had I gone on from there I might have been a rival of John Barrymore. But a violin was to come next. How I got into that trouble, still baffles me.

Along about the age of eight, I, with my little violin, was escorted to a music teacher just a block away. Shortly, it was decided that I wasn't getting along fast enough because I wasn't going far enough. So, next we went across town to another man who collected his fifty cents for a half hour of agony. Maybe the lessons were not costing enough. A famous concert violinist charged three dollars for fifteen minutes. That was the man who was to teach me to play. After the second lesson he told my dad, "You'd better put that kid to sawing wood. He'll do better at that."

Then the piano came into my life—bought especially for me. Instead of a wood sawer, they would make a wood chopper out of me. If this was the fruit of a sense of humor, I'm glad, but I believe it was due to the ambition to have a permormer in the family. With all the lessons, and all the money spent, I never did get far beyond chopsticks. Every time I gave the kind lady the money for the lesson, she blushed, and so did I, because I knew I hadn't practiced. The two of us were involved in a crooked deal; she needed the money; I needed the excuse to saddle our horse and ride the long way around to my music lesson. I fell off the horse one day, and put a pause in my musical education.

At fourteen I was a whopper for my age, and my voice was lusty. My conscience had grown, too, and I warded off the further suggestions of wasting money on me. It was learned at

that time that the choirmaster gave voice instruction free to those who sang in the choir. Nothing else would do, but to take a shot at voice culture. I am not positive in this statement, but I believe the phrase was coined as a result of my singing. The choirmaster would stretch out his arm, point at me, and yell, "Pipe down." He claimed he couldn't hear the organ.

No moral is involved in this tale—only a deep sigh and a wistful backward glance at the boys who are following. I joined the company in calling a cheerful, "Goodnight," to the little piano player as he traipsed toward the stairs and off to bed.

FRIENDLY NEIGHBORS MEET

Mrs. Orian Deaton was hostess at the meeting of the Friendly Neighbors Home Demonstration Club Monday evening, January 14th.

**CONSERVATION DEPARTMENT
TO DISTRIBUTE MULTIFLORA**

The Division of Fish and Game through its Pittman-Robertson Wildlife Restoration Project, will this spring have available for Hoosier farmers, over 2,000,000 multiflora rose seedlings for planting of living fences, according to an announcement by H. P. Cottingham, director of Division of Fish and Game, Indiana Department of Conservation.

The multiflora rose seedlings are being provided free, the recipient paying only the express charges. Shipments will start in March or as soon as the weather will permit planting. Plantings should be cultivated the first year so as to keep weed condition to a minimum. The application of 200 lbs. of fertilizer for each 40 rods of planting will greatly increase the growth of this shrub.

The seedlings should be set at one-foot intervals. Multiflora rose does not "sap" the ground and crops may be cultivated as close to this shrub as

to a wire fence.

Under normal soil conditions, this shrub will provide a stock proof fence in from three to five years. It is horse high, bull strong and goat tight. When the rose reaches maturity, it will eliminate the farmer's need of mowing his fence rows. In addition to providing an attractive hedge for all year around, the rose provides cover and food for wildlife. Multiflora fences add to the beauty of a farm. Those who first see a living fence in late May or June, are apt to draw a short gasp at the spectacle of a ribbon of bloom entwining the hillside. The white or pink bloom comes all at once in a profuse mass and lasts but two weeks. The individual flowers are small, the size of a quarter, and single. The foliage appears early in the Spring and persists until heavy freezes of winter.

Seedlings can be furnished only for farm use. Applications for obtaining seedlings may be obtained by writing to James A. Hughes, Project Leader, 311 W. Washington St., Indianapolis.

SCHOOL NEWS

New Pupils Enter School

Several new pupils joined our school at the beginning of the second semester. Junior Pletcher, a freshman, formerly attended Akron High School. From Beaver Dam School, we have Mary Dorell, sophomore, Alfred Dorell, 7th, and Sandra Dorell, 5th, Kay Hatfield, a junior, has enrolled from Winamac High School. We welcome these new pupils and hope they like our school.

Third Graders On Radio

This Saturday over WKAM at 11:30, all thirty-five of the third graders will help present a radio program. The pupils will read stories from the second semester reader, "More Streets and Roads." In addition, Boyd Blue will tell about events around the school, and Jon Cullum will serve as announcer. Be sure to listen this Saturday. These programs are sponsored by the Farmers State Bank, of Mentone.

Attend Shrine Circus

This has been an exciting week for the third grade. In addition to getting ready for a radio program, they were treated to the Shrine Circus at Fort Wayne on Wednesday afternoon. Thirty-five children, Mrs. Dale Keever, the teacher, Mr. Kent and Mr. Tombaugh, the bus driver, left school at noon. Not only did the Shriners of Kosciusko County provide the tickets (at \$1.80) but a meal before we started home. All report a thrilling time.

Grade cards will be a day late this time due to the examinations and semester grades on the cards. A semester honor roll will appear in next week's paper.

FRUIT GROWERS MEETING**SET FOR FEBRUARY 6, 1952**

A meeting of interest to all fruit growers in Kosciusko and adjoining counties has been scheduled for February 6, County Agent Paul Jackson

announced today. The meeting will be held in the First National Bank Community Room in Goshen. Three well-known Purdue Specialists will be on hand to answer questions and bring growers up to date on research de-

velopments that have taken place during the past year. The Purdue men are Ray Klackle, Eric Sharvelle and Glen Lehker, each specializing in a particular phase of fruit culture.

No fruit grower can afford to miss

this meeting Jackson says, because the problems discussed will be such down to earth topics as pruning, fertilization, soil management, insect and disease control and marketing.

In recent years new fertilization methods have been developed and spray schedules are changing rapidly as new chemicals come from the research laboratories. New marketing methods are also in vogue and the time honored bushel basket of fruit may soon be relegated to a position along side the cracker barrel.

Anyone growing fruit is invited to attend. Even the home orchardist and small fruit growers will find the meeting to be of considerable interest.

Mrs. Mae Borton writes to give her address at the home of her daughter, which is 136 Grahamville St., North East, Pennsylvania. Mae says that she will be home the first of April.

Mrs. Bertha Trickle and daughter, Evelyn, of Laketon, visited Sunday in the home of Mrs. Gertrude Hill and her father, Mr. Elbe Johnson, who formerly lived in Laketon.

D. A. R. HOLDS MEETING

The Anthony Nigo Chapter of the D. A. R. held their January meeting at the home of Mrs. Miles Manwaring. The meeting was called to order by the Regent, Mrs. Frank Smith.

Prayer was offered by the chaplain, Mrs. Emma Gill.

Following the presentation of colors by the girl scouts, the pledge of allegiance was given.

The roll was called and report of the last meeting was read by the secretary, Norma Jean Nellans.

Mrs. Yolande Riner read the message of the President General.

Mrs. Frank Smith was elected as delegate to the Continental Congress where she will serve as page. Mrs. Miles Manwaring was selected as alternate.

A letter of thanks from the Kate Duncan Smith school, for the box of clothing sent them, was read.

Mrs. Walter Kent, leader of the girl scouts was introduced. She presented the scouts who gave a program in keeping with Revolutionary days.

The program consisted of a poem about various men of that era, George Washington, Benjamin Franklin, John Quincy Adams, Thomas Jefferson, John Adams, John Paul Jones, Alexander Hamilton and Benedict Arnold. The story of the flag was given from the time it was decided to have a flag for the United States, through the

various stages, the making of it by Betsy Ross, the adoption and finally the pledge of allegiance.

This was interspersed with songs appropriate to the different stages of progress and ended with the "Star Spangled Banner" played by Sheila Fitzgerald, with all standing at attention.

Much credit should be given this fine group and to their leader, Mrs. Kent. Lovely refreshments were served by the hostess and her assistant, Mrs. Dora Taylor.

The next meeting will be held at the

home of Mrs. Max Smith on Tuesday evening, February 25.

SPOTTED TURTLE

For someone who wants a hard-shelled pet, a Spotted Turtle is just the thing. It is easy to handle, because it doesn't bite or snap. At feeding time it will eat bits of raw meat and fish and tender morsels of lettuce. While it doesn't stay in water all the time, it should have a small tank, tub or basin in which to submerge. It especially likes to be under water when eating. It seems to swallow better if its food is dropped on the surface, so it can reach up and take bites.

With good care, a Spotted Turtle should live for a long time. The National Wildlife Federation reports that some of these black-shelled creatures have reached the age of forty.

They are fairly easy to find. There are lots of them all the way from Maine to Florida, and West to Indiana and Michigan. The place to look for them is in small pools and ponds, in woods near streams, and in grassy marshes. They always stay close to water and to patches of plants where they can hide.

© National Wildlife Federation
Spotted Turtle

Sometimes they get together in groups on a sunny bank or a floating log. But at the slightest disturbance, they tumble and dive into the water. There they bury themselves in the mud or hide under an overhanging

bank until they think all danger is past.

If there isn't time to get into the water, they pull into their shells. So long as they are being handled or touched, they keep their heads, legs and short, pointed tails under cover.

When left alone, they spend much of their time looking for food. In the outdoors, where there is no one to feed them, they eat beetles, flies, dragonflies, worms, slugs, spiders and tadpoles.

Along about November each year, the Spotted Turtles go into hiding for the winter. They burrow into mud, and there they stay until the ground begins to warm up in the early spring.

Sometime after they crawl out into the sun, the female lays from two to four small, white eggs and covers them with sand. After about eighty days, the eggs hatch into young.

Like their parents, the babies are black, and they have yellow spots. As they grow older, they get more of the

bright polka dots—both on their shells and on their legs and tails. When fully grown, they have shells which are about five inches long, three inches wide and a little more than an inch high.

Though they are abundant over a wide area, Spotted Turtles neither help nor harm man. They are simply shy little creatures which are interesting to find and watch, and perhaps keep as pets.

Interesting information on other wildlife species can be obtained by writing to the National Wildlife Federation, Washington 10, D. C.

TIMELY TOPICS

By Mrs. Ruth R. Snellenberger
Home Demonstration Agent

Are you ready for Spring to make an appearance? If your answer is "Yes", I'm right there with you. Seems to me it is a little more daylight now when I get up in the morning. Incidentally, I'm not getting up any later, either!

Speaking of getting up, I really chuckle to myself sometimes when someone telephones me at home and says, "Did I get you outa' bed?" In practically every case, I've been up an hour or more.

Did I hear someone say "Are you boasting or complaining?" Neither, my friend. I have work to be done before I go to work.

How do you hang men's shirts on the line to dry? I followed a suggestion of Miss Gertrude Monhout, home management specialist of Purdue University, in which she described using a pin not only on either side to fasten the tails to the line but also one to hold the fronts of the shirt straight on the line. To me this practice made the shirt easier to fold when taking it down from the line, made it easier to handle when dampening, and made it easier to iron. Have you tried this, Mrs. Homemaker?

Recently when Mrs. Paul Ruch of Milford was commenting about having difficulty with cakes getting done,

Mrs. Glen Pinkerton also of Milford vicinity, asked her if she had aluminum foil in the bottom of her oven. To this I'd like to say that the heat does not penetrate through the foil readily and in some instances deflects the heat back to the heating unit, which may prove harmful. With foil across the bottom of the oven the heat must rise from around the sides, thus the top of a product is baked quicker than is intended, consequently, the bottom of the product does not get done.

This incomplete baking may occur too if you have a new shiny metal pan in which it is baked. In case the shiny metal deflects the heat away and interferes with uniform baking. After the shine wears off products bake fine in the pan. You know, this might be a factor in selecting baking utensils.

METHODIST CHURCH NEWS

The University of Life Program will begin on Sunday evening, February 3, with a supper served by the first of the entertaining committees at six-thirty. The guest speakers for the opening service are Mr. and Mrs. John Cunningham, former missionaries to the Cosby Center Mountain Mission in Kentucky.

They will speak concerning their work there and their present work at the Basher Home for Children as related to the general topic of the Program, "Christ and The World About Us." Mr. and Mrs. Cunningham were speakers at a Settlement-Day Conference at Shipshewana about a year ago. They are capable and uniquely Christian in their approach to their work. It was in support of their work at Cosby Center that a contribution was made by this church through the Advance Fund last year.

As the University of Life Program has developed through the past two years, the Committee has felt that a division in the program should be made in the interest of the children and

youth of the church. This year a special program is planned for these groups with separate classes following their general program of films and music.

Following are the leaders of the Primary Group with the names given in order of the six consecutive Sunday evening programs: 1. Mrs. Allen Herendeen and Mrs. Rex Tucker; 2. Mrs. Donald Van Gilder and Mrs. Dean Nellans; 3. Mrs. Harold Nelson and Mrs. Tom Stanford; 4. Mrs. John Allen Teel and Mrs. Joe Baker; 5. Mrs. Miles Manwaring and Mrs. Everett Long; and 6. Mrs. George Mollenhour and Mrs. Lyman Mollenhour.

The Junior Group Leaders are: Mrs. Elmore Fenstermaker, Mrs. David Gosser, Mrs. Earl Anderson, Mrs. La Mar Anderson, Mrs. Jack VanGilder and Mrs. Wayne Tombaugh.

The other programs for the month of February will be Mr. Hobart Creighton, speaking on his trip to Europe, the M. Y. F. presentation of "The Lost Church," a religious play written by Dorothy Clarke Wilson, and Paul Verhese, the student from India attending Goshen College.

Plans for the two concluding programs are not yet complete, but they will be announced soon, including the serving committees for each service. The co-chairmen for the evening of February 3 are Mr. and Mrs. Raymond Cooper and Mr. and Mrs. Ralph Mollenhour.

Dr. and Mrs. L. A. Laird, of Richmond, and Mrs. Joe Johnson were Sunday dinner guests of Mr. and Mrs. Clyde Johnson and family.

LEGION AUXILIARY NEWS

Members of Mentone Unit No. 425 American Legion Auxiliary, met at the Legion Home, Tuesday evening for an informal business session with Mrs. Ward Williamson presiding.

Final arrangements were made to attend the Marion birthday party at the Veterans hospital there on Sunday, February 10. Anyone wishing to attend please contact Mrs. Williamson or Mrs. John Boggs, rehabilitation chairman for the unit. Mentone will be furnishing cookies and other donations for this occasion. We're hoping for a large group to attend from Mentone. This is one small way we can help to show our appreciation to our veterans.

A discussion was held on the prospects of enrolling tiny tots, enabling our unit to organize a junior auxiliary. Anyone interested please contact Mrs. Robert Whetstone.

The next meeting of the unit will be Tuesday, February 12 at 8:00 p. m. at the Legion Home. Committees to serve are as follows:

Program—Mrs. Jack Pritchard, Mrs. Kenneth Simcoe, and Mrs. Robert Sanders.

Refreshments—Mrs. George Mollenhour, Sr., Mrs. Elizabeth Simcoe, Mrs. Robert Reed and Mrs. Jack Shaffer.

MERRY MOLLYS HOME DEMONSTRATION CLUB MEETS

The Merry Molly Home Demonstration Club met at the home of Mrs. Heston Creviston Monday evening, January 21, with Mrs. Everett Welborn acting as co-hostess. There were fifteen present with one new member, Mrs. Glenn Mellott.

Mrs. Herschel McGowen gave the lesson, "Outlook of Rural Family Living for 1952."

A poem "Success" was read by Mrs. Kenneth Simcoe for devotion.

Health and Safety remarks "Overweight and Underweight" were given by Mrs. Kenneth Simcoe.

Mrs. Marvin Romine, president, presided over the business session. Committees were appointed for the year.

An auction was held with Mrs. Donald Horn acting as auctioneer.

Mrs. Marion Smith received the door prize.

Delicious refreshments were served by the hostess.

Mrs. Jack Pritchard will be hostess at the next meeting, which will be held on February 11 with "Fish and Milk Cookery" being the project lesson.

DECKERS HONORED IN SWINE TESTING PROJECT

Certificates of distinction for outstanding accomplishments in the state swine testing project were recently awarded to Charles and Loren Decker of Claypool, says county agent Paul Jackson. The Deckers, breeders of Durocs, had two sows qualify for state certificates this year. A silver certificate was awarded to Lucky Wave, registry number 66408, who produced a litter of 14 pigs weighing 347 pounds at 56 days of age. The eleven pig litter of Sunset Perfection, registry number 66412, weighed 304 pounds when they were 56 days old and this litter won a bronze certificate for the Deckers.

The sow testing project is open to any breeder of purebred hogs in Indiana. It is a project designed to measure the production capabilities of individual animals and enable the breeder to make discrimination selection to improve his herd. Nominations for the project should, be made at the county agent's office before the litters are five days old.

A. F. HOFFER DIES

Amos Frederick Hoffer, 76, of near Warsaw, died Friday at his home. He had been seriously ill for only one day.

Mr. Hoffer, a farmer, was born May 20, 1875, northeast of Warsaw, the son of Daniel and Mary (Harman) Hoffer, and had lived in this community all his life.

His wife, the former Elizabeth Pyle, is also deceased.

He was a member of the Zion E. U. B. Church.

Surviving relatives include two brothers, Silas Z. Hoffer, of near Mentone, and John Hoffer, of Crow Heart, Wyo.; a sister, Mrs. Ed Smith, of Atwood; stepson, Cecil Woods, of Seattle, Wash., and a number of nieces and nephews.

Funeral services were held Sunday at the Bibler funeral home. Burial was in the Pleasant View cemetery.

MRS. HIRAM SMITH

Mrs. Mary Ellen Yenner Smith, aged 85, died Saturday at the home of her son, Dale Smith, on the Crystal Lake road. She had been bedfast since suffering a fall January 7, and death was due to complications following the mishap.

Mrs. Smith was born in Kosciusko county October 19, 1866, the daughter of Augustus L. and Harriet (Kintzel) Yenner, and was a resident of the county throughout her life. On Oct. 30, 1886, she was married to Hiram Ellsworth Smith, who preceded her in death in 1940.

She was member of the Evangelical United Brethren church in Warsaw.

Surviving are the son, Dale; a daughter, Miss Ethel Smith of Warsaw; a brother, B. H. Yenner, of Indianapolis one grandson; two step-children; and four nephews.

Funeral services were held Monday afternoon at the Bibler funeral home, with Rev. O. I. Uncapher, of Warsaw, and Rev. John Schroeder, of Etna Green, officiating. Burial was in Oakwood cemetery.

TWO INDEPENDENT BASKETBALL GAMES THURSDAY EVE.

The Mentone Merchant basketball teams will play the Warsaw American Legion and the Logansport Bell Telephone teams at the Mentone gym on Thursday evening, Jan. 31.

MARY JANE MILBERN DIES

Mrs. Mary Jane Milbern, aged about 79, died in Kokomo at 9 o'clock Tuesday night after a year's illness. Mrs. Milbern was a native of Palestine and formerly resided in Warsaw.

She had resided at the Wilbur Maish home for many years and prior to leaving Warsaw for Kokomo had stayed with her brother-in-law, Rollo Anglin.

Mrs. Milbern passed away at the home of her son, Huffer Milbern, of Kokomo, where she had made her home since becoming ill a year ago. Mrs. Milbern was a member of the Christian Church in Warsaw.

Her parents were Rudolph and Sarah (Stamates) Huffer. On February 4, 1893, she was married to Tilden H. Milbern, who died June 4, 1908.

Surviving relatives include one son, Huffer A. Milbern; a brother, Joseph Huffer, of near Palestine; five grandchildren and four great-grandchildren.

Funeral services will be held at 2 p. m. Friday at the Bibler funeral home. Rev. Carroll Odell, pastor of the First Christian church, will be in charge. Burial will be in the Palestine cemetery. Friends may call at the funeral home after Thursday noon.

WAR MOTHERS TO SHARE IN SUBSCRIPTION SALES

The Mentone unit of the Mothers of World War II announce that a representative of the Capper Farmer will be soliciting subscriptions in this area and that the unit is to share in the commissions. The funds are to be used to purchase hospital equipment for use in the county.

The solicitor will carry a letter of endorsement signed by Mrs. Blanche Paulus.

CLARK MOLLENHOUR DIES OF HEART ATTACK

D. Clark Mollenhour, aged 65, died of a heart attack while driving home from work about 5:30 Wednesday afternoon. Evidently the fatal attack came just as he started to turn north at the Bert Holloway corner east of Mentone, as he was on his way to his home at the north side of Crystal Lake. He had started the turn, then continued directly ahead, through a gate and into the Abe Whetstone field. After going about 20 feet the car came to a stop against a tree. Evidently the car was almost stopped as the only damage to the car was a small dent in the bumper. As near as we can learn, Bert Holloway was the first to reach the auto.

Mr. Mollenhour was born on Nov. 7, 1886 and was married to Cleo Leffel.

Mr. Mollenhour formerly lived in Mentone and then moved to Pennville, Indiana in the 20's where he operated a garage. He then moved to Warsaw where he was a machinist at the Power King Tool Co. He spent some time in New York with the Frank Saemann company, and the past few years has been a machinist and engineer at the Saemann plants at Bourbon and Mentone.

Surviving relatives include his wife; two sons, Ralph of Mentone and Lavern of Etna Green; two brothers, Kenneth and Donald, and one sister, Loa Hay, all of Warsaw; two grandsons and one granddaughter.

Tentative funeral arrangements are Saturday afternoon at 2:00 p. m. at the Baptist Church in Warsaw. The body is now at the Johns funeral home in Mentone.

TAX BOARD APPROVES NEW SCHOOL APPROPRIATION

An additional Harrison township appropriation of \$187,000 for the construction of a new gymnasium and six class rooms to be added to the present Mentone school building, was approved on Tuesday by Nicholas Musser, of South Bend, representative of the state tax board. The hearing was held at the commissioners' room in the court house at Warsaw.

Engineer Donald Lessig recently announced that it would take nearly three months to complete the plans and specifications, after which bids will be received for construction.

BOGGS

Twin daughters were born to Mr. and Mrs. Joseph Boggs on Friday, January 25, at the Woodlawn hospital. The one baby, Linda Lee, weighed 4 lbs. and was stillborn.

The other baby weighed 6 lbs. eight and one fourth ounces and has been named Carolyn Ann.

WAGNER

Mr. and Mrs. Keith Wagner, are the parents of a daughter, Sheryl Leigh weighing six pounds, nine ounces, born at 12:05 a. m. Sunday at the McDonald hospital.

YOUTH MEETING HELD TUESDAY

Over a hundred and fifty people were present at the Kosciusko County Council for Children and Youth, held at the Armory building in Warsaw Tuesday evening. The meeting was in charge of Wayne Tombaugh, of Mentone, who is county chairman.

The evening's festivities started with a fish supper provided by the Mentone Boosters', all experienced Jonah Club fish fryers. The Atwood and Mentone Boy Scouts did the serving.

Following the dinner, Charles Urshel and Jon Cullum presented a trombone duet.

After the introduction of numerous guests and officials, by Chairman Tombaugh, the group heard a report on the White House Conference by Dr. Hartman, of Indianapolis.

BEAVER DAM SCHOOL CLOSED

Students of the Beaver Dam School are having an unscheduled vacation while a new 100 foot well is being drilled. The old one failed some time during the week end.

Doyle Swanson, Beaver Dam school principal, reported that it will probably be two or three days before school is back in session. Swanson said pumping failure of the well caused contamination of the school's water supply.

The Beaver Dam principal said pupils noticed that the water tasted slightly contaminated Friday, but there was no sickness reported. He said there has been no recent trouble with the well and that the school had experienced no cases of virus infections or other diseases.

Reports Wednesday evening were that classes would reconvene on Thursday.

JUSTICE HERBERT LAIRD REPORTS ON ACTIVITIES

Justice Herbert Laird says he has had a fairly busy year during the past twelve months, with 50 cases brought before him. Thirty-nine cases were brought in by Marshal Jess Ellinger, 10 cases by Marshal Ed Wiley, with one civil case.

The majority of the cases were for infractions of traffic laws. There were no drunken driving cases in the entire year.

Justice Laird, who is 88 years old, says the cases didn't give him near as much trouble as he is having with a new wisdom tooth that is just now, however belatedly, trying to make its appearance. —Bourbon News-Mirror

Herbert Laird is a brother of J. F. Laird and Mrs. Ora Anderson of Mentone and an uncle of Tessie Newton, Mary Barkman and Mrs. Earl Meredith of Mentone.

BAPTISTS NEWS

On Sunday night the Missionary Conference closed with 215 in attendance. The average attendance was 138 this year as against 125 last year. Each night a different missionary showed pictures or spoke of his field of work so that the people were able to get a world view of the great need on the mission field.

Next week the pastor is planning on attending Founder's Week at the Moody Bible Institute in Chicago. Tonight the church will meet for prayer and the monthly business meeting.

Next Sunday night, at the beginning of the service, several will be baptised by the pastor. The message in the evening service will be the second chapter of Zechariah and a large chart will

be used to explain the text. This book of Zechariah has much of prophecy and is up to date in relation to current events in the Far East today.

WORD FROM TED PETERSON

January 20, 1952
Sunday, 2:00 p. m.

Dear Art,

Well, I have a lot of time today so I'll try to get a few letters written.

I got the envelopes and they really save a lot of time and bother.

I was on K. P. yesterday so I am just loafing around today. I got a pass but I don't have enough energy to go to town. I get a week end pass just about every week. Last week end I went to Baltimore with a buddy of mine who lives there. I had a lot of fun.

We start our fourth week of school this week and that leaves four more to go after that and we will ship out.

Most of the other companies that get done are getting about fifteen days leave before going overseas. I hope I get that many or more. I'm pretty sure of going overseas, though. I hope to go to Europe. They are sending some to both places.

How are all the folks at Mentone? I hope they are fine. I am getting along fine and am still gaining a little weight. Just after I got back from my leave my voice cracked one day when we were counting cadence and it has been that way ever since.

All we have to do each week is go to school eight hours a day and drill for about forty-five minutes a day. Also we have a five mile hike each Thursday night and a parade each Saturday morning. So you see we don't

have too much to do, really. Ha! All for \$2.50 per day.

Well I can't think of anything else to say now so I'll close for now. Write if you have time.

Ted

SCHOOL NEWS

Plans for school addition going forward

At a meeting on Monday evening in the offices of D. H. Lessig, architect, a consideration of changes in the preliminary plans for the new school addition were discussed. James Rodibaugh, Everett Long, Dale Kelley, Royse Tucker, John Lackey, and Walter Kent attended this meeting. On Tuesday, Mr. Musser, a representative of the State Tax Board, held a hearing at Warsaw concerning the appropriation of \$167,000 and sale of bonds. Tentative approval was secured. The next step will be to secure approval of the plans from the State Board of Health, Fire Marshall, Administrative Building Council, and State Board of Education. This approval is expected within the next three months.

Bulldogs Invade Win Column

On Friday evening in the local gym, the Mentone Bulldogs turned back Beaver Dam, 52-39. Our second team also won. On Saturday evening, the local first team won over Sidney in a thriller, 56-55. The second team lost to Sidney. Again this week we will play a double header, meeting Silver Lake in the local gym on Friday and traveling to Syracuse on Saturday evening to play a game originally scheduled for December 15. All seats are

reserved in the Syracuse gym. Any fan planning to attend must purchase a ticket at the Mentone School Office before Saturday. Tickets will also be on sale for the Syracuse game at the local gym on Friday evening.

Honor Roll For First Semester

12th grade—Mary Jacqueline Blue, Martha Creighton, Geneva Whetstone, and Donnagene Dillman. 11th grade—Elaine Dunnuck, Marilyn Holt, Charles Urschel, 10th grade—Sherry Shoemaker, Robert Boggs and Jon Cullum, 9th grade—Larry Boggs and Raymond Osman.

Attendance for the third grading period (during the seige of sickness:

grade 1 — 92.47%
grade 2 — 93.85%
grade 3 — 96.09%
grade 4 — 93.09%
grade 5 — 92.3%
grade 6 — 93.28%
grade 7 — 97.7%
grade 8 — 97.3%
grades 9-10 — 96%
grades 11-12 — 94.2%

On Monday morning the fourth grade took a trip through the Nelson Poultry Farm. It was interesting to watch the chicks hatching, and see them boxed up for shipment.

School Host For Fish Fry

On February 11, in the local gym, Mentone School will be host at a fish fry for all the players participating in the Warsaw Sectional Tourney. Three committees composed of Mr. Burt, Boyd Blue, Mr. Pavlick, Dick Kindig, Mr. Kent, and Bob Boggs are planning the necessary arrangements. The affair was held at Claypool last year.

BIRTHDAY ANNIVERSARY

Mrs. Nora Tucker celebrated her birthday anniversary last Friday evening, January 25, at her home, south and east of Mentone.

All the children and their families were present. Ice cream and a lovely birthday cake were the refreshments. In parting they wished for their mother many more birthdays.

MORE HEAT — MORE PORK

Whenever the temperature drops below 45 degrees, baby pigs need additional heat to keep them warm. Each year in the U. S., 3,000,000 baby pigs die by chilling. According to recent experiments at Purdue University, farmers can use electric heat lamps for less than 18 cents a day to help re-

duce losses.

Purdue agricultural engineers have prepared Extension Leaflet 318, "Save More Pigs with Heat Lamps." In this publication the authors have pointed out that heat lamps should be used during farrowing and for at least two weeks after farrowing if the temperature drops below 45 degrees.

IMMUNE?

Occasionally, "filler" articles filed for possible use to fill out short columns in a newspaper do more than just fill out a column. Frequently the editor finds himself—later—filled with chagrin, etc.

About a year ago one of those one-inch "boiler-plate" fillers kept hidden during the winter and then showed up

in the heat of the summer. It told how to put up ice!

In our last issue, under the heading "Immune," there appeared an extensive bit of rambling by the editor of a monthly house organ at Indianapolis. It told how he struggled when a boy to evade a diet of music during the baseball season, etc. It wouldn't have been so bad but the Linotype operator failed to insert that little credit line at the

end to warn you folks that it wasn't this editor.

Those who are familiar with my musical ability knew at once it wasn't me, as about the only time I ever parked on a piano stool was when mother put me in a good position for the razor strop. The only thing I could tune my yodeling voice to on the Montana prairies was the nightly howl of the coyotes, and after listening to some of the singers over the radio, I often long for another clear moonlight night on the prairies. And a violin! I've seen a lot of horses, but I never knew enough of them had Saint Vitus dance to make tail feathers for so many fiddle bows. Something that squeaks should be greased.

There's something that is music to every man's ears, whether it comes from the clink of a cash register, the drone of an airplane motor, the bay of hounds, the vocal chords of a great singer or the resonant box of a Stradavari. All of us, it seems, are just a little bit crazy one way or another.

JIMMY MANWARING

LANDS A BIG ONE

The sixth graders were glad to see Jimmy Manwaring in school this morning after his vacation in Florida.

The article below was copied from a Florida newspaper.

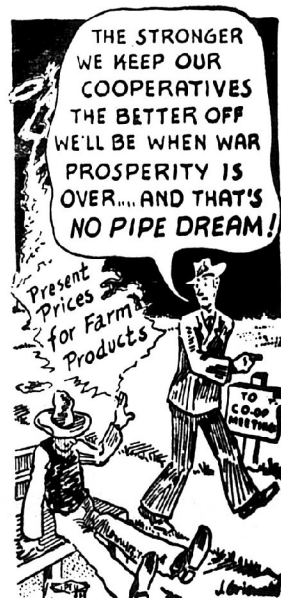

Fort Pierce Paper, Jan. 17, 1952. Everybody is catching sailfish off Fort Pierce nowadays and to show how easy it is, teenager, Jimmy Manwaring, of Mentone, Indiana, hooked onto a 6 ft., 4 inch sail while on board Art Ergle's boat, "Valta" Wednesday and landed it after a long struggle.

Jimmy, who is only around 12 or 13 years old, was mighty proud of his catch. His parents, Mr. and Mrs. Charles Manwaring, were with him to watch him boat it.

Also on board the "Valta" were Mr. and Mrs. Chester Manwaring. The rest of the anglers shared in a catch of five dolphin.

Weight Helper

Hogs and poultry add 10 per cent more weight on 10 per cent less food when bacitracin, newest of anti-biotics, is added to the diet, according to research testing by U. S. Industrial Chemicals, Inc., technicians.

NEWS -- PHONE 38

Mrs. Tessie Newton visited Sunday at the home of Mr. and Mrs. Frank Newton.

Ora McKinley is still confined to his home where he has been recuperating from a "near" heart attack. His condition is rapidly improving.

Mr. and Mrs. Charles Manwaring and son, Jimmy, are home after a vacation in Florida.

The "Common Cold" is Public Enemy Number 1—a thief that steals health and wealth... a possible killer. Take care! Treat a cold promptly because colds often lower the body's resistance to other infections such as influenza or pneumonia. If a cold does not yield readily to ordinary home treatment, call your doctor without further delay. Call him immediately if a "cold" begins with chills and fever. Prompt diagnosis of these "danger warnings" permits the early start of the correct treatment and gives the best chance for rapid recovery.

THE VOICE IN THE NIGHT

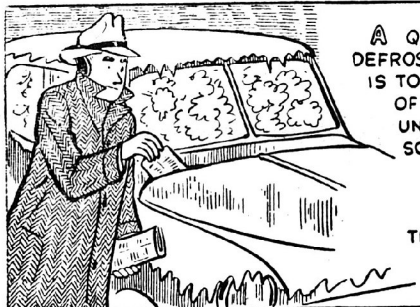

"Thanks to your earthly angels with their invisible halos." Thus was the expression of gratitude of one telephone subscriber for the night telephone operators. Similar thanks have been given many times for their speedy help when emergencies arose.

If we may, we, too, would like to gratefully acknowledge the work of the night operator.

EXTRA SAFETY FOR WINTER

ON FROSTY WINTER NIGHTS WHEN IT'S NECESSARY TO PARK OUTDOORS OVERNIGHT, THE CHICAGO MOTOR CLUB ADVISES MOTORISTS TO SLIP NEWSPAPERS UNDER WINDSHIELD WIPERS AND TO COVER REAR WINDOWS. THIS WILL GIVE YOU CLEAR FROST-FREE VISION IN THE MORNING.

A QUICK WAY TO DEFROST A WINDSHIELD IS TO PROP A WAD OF NEWSPAPER UNDER THE HOOD SO THAT ENGINE HEAT IS FUNNELLED UP TOWARD THE WINDSHIELD.

KEEP HOGS EATING WHILE BEING WORMED

Pigs infested with large round worms will not grow and develop as they should unless these pests are eliminated from their systems. However, it is highly important that the wormer used be such as will in no way upset the pig's digestive tract, for such an upset can only mean reduced daily gain.

To make money on hogs it is essential that they put on big daily gains—every day. Unless maximum daily poundage is put on your hog profits will not be at a maximum. By using Dr. LeGear's Hog Worm Powder... the One-Day-Treatment... you can be certain that your hogs will rid themselves of worms safely and easily and that they will go right on eating as usual, without set-back.

Dr. LeGear's Hog Worm Powder contains those well-known wormers Phenothiazine and American Wormseed, combined with Areca Nut. That is why it does such a thorough and satisfactory job. It is safe because it contains no poisons and there is no danger of strangulation. All you have to do is to mix it with the feed... and the hogs worm themselves... safely and easily.

Now that Dr. LeGear's Hog Worm Powder will rid your hogs of worms safely and quickly, there is no reason why you should take chances on having your pork profits reduced by raising wormy hogs. Worms steal profits, cause feed to be wasted and affect the general health of your hogs. Get rid of them now.

ANNIVERSARY SINGSPIRATION

The anniversary meeting of the community Singspiration will be held on Saturday evening, Feb. 2, at the Akron Church of God. It was one year ago that representatives of several churches met to organize a singspiration for the young people of their churches. Since that time meetings have been held regularly on the first Saturday evening of each month at various churches. The following are some of the churches whose young people have attended the services: Beaver Dam E. U. B., Mentone Methodist, Fairview E. U. B., Akron Church of God, Olive Bethel Church of God, and Athens E. U. B. Everyone is invited.

Special plans are being made to make this Singspiration a memorable one. The speaker will be Rev. William Allison of Anderson College and the song leader will be Neil Shriner.

Please see that your church is represented at 7:30 p. m. Feb. 2 at the Akron Church of God.

Worst Offenders

Incinerators are one of the worst types of offenders in air purification programs, and are often fire hazards as well as sources of disagreeable odors.

Ahoy, Coolness!

Ships in the tropical trade are painted white for appearance, but more particularly to keep interior temperature as low as possible. The black hull of a ship that was transferred to West Indies cruise service was painted white after the first trip. Readings on two identical cruises—one before repainting and the other afterward, showed a difference in coolness of 8 degrees.

THE FUR SEAL

Greed and waste—which have robbed the world of many birds and animals—almost put the Fur Seals out of existence. But reckless men were halted in time to save the amazing creatures.

There were no more than 150,000 of the Seals left, some forty years ago, and they were fast disappearing. At last a treaty was made which forbade killing the Seals while they were mi-

grating in the ocean. It was also agreed that only limited numbers of the Seals might be taken each year under the supervision of the United States government.

Thanks to this protection, Fur Seals have increased in number. The National Wildlife Federation reports that there are now between two and three millions of them.

Only when they spend a few months of the spring and summer on land does the government permit between 90,000 and 100,000 to be killed. Eskimos do the hunting, and they take nothing but young male Seals—never females.

At the time that this hunting goes on, the Seals are living on the cold, rocky Pribilof Islands in the north Pacific ocean. The males arrive there early in May, and the females come in June.

Soon after the females waddle ashore, their young pups are born. The babies weigh 10 to 12 pounds apiece. They are black at first, but later turn gray. Though they all look alike, and spend their time together, the pups cannot fool their mothers. The mothers can pick their own pups out of the pack without any trouble.

Along in October and November, the herds begins to flop off their rocky islands. They plunge into the waters of the Pacific and head southward. From then until spring, they stay in the water.

Traveling in groups, the Fur Seals swim hundreds of miles to the south, sometimes going as far down as California. But they never get closer than a hundred miles off the shore. Only a sick or crippled Seal tries to find land during the long winter migration.

At the end of the winter, the packs make their own journey to the Pribilofs. Always they keep a sharp lookout for their worst enemy, the killer whale, and for their favorite food, small fish.

The males are especially anxious to eat well, because they go without food from May to August. The females fare better in the spring and summer, often leaving land to get something to eat.

Nevertheless, the males are the giants of the herd. By the time they are fully grown, at the age of seven, they weigh from 400 to 500 pounds each. They are black or dark brown. The females are lighter in color and smaller, weighing an average of 80 pounds.

Though awkward on land, Fur Seals are powerful swimmers. With their flippers, they gracefully cut through the water and cover many miles without stopping. They are also skillful at leaping into the air and diving under the waves.

METHODIST NEWS

The Anniversary of Life Program will begin this coming Sunday evening, February 3rd at 6:30 p. m. with a supper served by the following com-

mittee: Mr. and Mrs. Raymond Cooper, and Mr. and Mrs. Ralph Mollenhour as Co-Chairman; Mr. and Mrs. Walter Kent, Mr. and Mrs. Greene, Mr. and Mrs. Mott Bryan, Mr. and Mrs. Don Bunner, Mr. and Mrs. Conde Walburn, Mr. and Mrs. William Cook, Mr. and Mrs. Rea Ward, Mr. and Mrs. Eugene Marshall, Mr. and Mrs. John Miller, and Mr. and Mrs. Earl Anderson. The speakers are Mr. and Mrs. John Cunningham of the Baschor Home for

children (near Goshen), who were former missionaries at the Cosby Center Mountain Mission in Kentucky. They are young, interesting and excellent speakers.

On Thursday evening at 6:30 p. m. the Methodist Youth Fellowship will meet, after which there will be the usual rehearsal at 7:30 of the Chancel Choir. The Junior Choir rehearsal is at 3:30 p. m. Thursday.

The J. O. Y. Circle will meet Tuesday, February 5, at the home of Mrs. Jack Van Gilder. The meeting starts at 1:30 p. m. to enable young mothers to be able to be home by time of school dismissal.

Quarterly Conference, conducted by Dr. B. B. Shake will be held February 29 (instead of February 28 as previously announced). This date was changed in order that our people may hear Bishop Brashares, who will be in Warsaw on February 23rd as a Lenten speaker at the Warsaw Methodist Church.
