## YOUTH GROUP MEETS JULY 7

Fresh from his experience in army camps, the Rev. M. A. Guido will

speak at 8:00 o'clock Saturday night (July 7) at the Youth for Christ meeting to be held in the First Baptist Church at Mentone.

For many years a member of the extension staff of Moody Bible Institute, Chicago, Mr. Guido has virtually attained a nation-wide reputation as a personal worker and young people's leader. He is a gifted song leader, possesses a rich baritone voice, and plays the violin.

Before his conversion in his home town of Lorain, Ohio, Guido was a dance orchestra leader and a music teacher. His experiences are told in a message, "From Orchestra Pit to Pulpit." When he decided to enter Christian service he began his preparation at Moody Bible Institute, graduating in 1935.

Later he served as associate pastor in two Southern churches, in one of which there was an average of 10 additions to the membership every Sunday for 52 Sundays. In this church he inaugurated and conducted a popular radio program for young people. He has now been in evangelistic work for

## TIRE INSPECTOR MEETING FRIDAY

Paul G. Kirkpatrick, Sr., O.P.A. Tire Examiner, has called a meeting of all authorized Tire Inspectors to discuss an entirely new set-up of tire inspectors on July 6th at 8:00 p. m. at the ration board, 201 W. Center St., Warsaw, Ind.

Inspectors not attending the meeting and failing to notify the ration board before the meeting and giving a good reason for not attending, will be dismissed as tire inspectors, according to the news release sent out by Catherine Schlemmer, tire clerk.

## PFC. LEWIS IS WOUNDED

Raymond L. Lewis has been awarded the purple heart for wounds he received while serving with the 40th division in the Philippines. Pfc. Lewis entered the service in August of 1942, being sent overseas in September of the same year. Having served on numerous islands of the Pacific, he has been in the Philippines for the past six months. Wounds were inflicted in the left side by shrapnel from a Japanese mortar gun.

Pfc. Lewis is the son of Mr. and Mrs. Ernest Lewis, of Argos, and before entering the service was employed at the Smith Bros. Garage in Mentone.

The regular monthly meeting of the board of directors of the Northern Indiana Cooperative Association was held at the main office Monday evening. The reports from the various departments continued to show increases in sales, with the feed and oil departments leading in the gain.

Sally Ann Baker returned to her home near Fort Wayne after spending the past three weeks with Mr. and Mrs. Jack Slaybaugh, and Mr. and Mrs. Pete Blue.

The Misses Grace Rans, Gertrude McClane and Phyllis Lemler spent Wednesday afternoon at Winona Lake.

nearly ten years.

Mr. Guido is accompanied by Mrs. Guido, who presents Gospel messages through chemical object lessons, especially for boys and girls.

## DEADLINE FOR EXTRA SUGAR

The Kosciusko County War Price and Rationing Board wishes to announce that July 21, 1945 has been set as the deadline date for the acceptance of first applications for canning sugar in this county. It is necessary to set a deadline in order that an estimate can be made of how much additional canning sugar can be allowed on a second application. It appears at this time that the maximum issuance for this county will be ten (10) pounds per person. Those residents of Kosciusko county who have not made their first application for canning sugar and who expect to do so, please do not delay, as a great deal of work is involved in getting all first applications issued, and applications filed in order to prepare for the second application.

—Mabel R. Moody, Chief Clerk.

## RELEASE FOR LOCAL AIRMAN

The name of 1st Lt. Miles L. Manwaring, of the Air Corps, was included in the list of the Indiana officers who went through the Atterbury Separation Center on Monday, July 2, and will revert to inactive status on August 30th. These men are subject to recall to active duty when and if it should become necessary in the country's interest, according to the public relations news release.

1st Lt. Manwaring arrived in Mentone the fore part of the week after many months of overseas service.

Mr. and Mrs. J. E. Rush and son Jack, of Detroit, Michigan, are visiting this week with his parents, Mr. and Mrs. Bert A. Rush, and other relatives and friends.

Mrs. U. R. Oldfather spent the week end at the E. E. Jones home, and was accompanied by her son, Ruskin, to their home in Elkhart on Monday. Ruskin had spent the past two weeks attending The Camp of the Open Bible at McClure Lake.

## PARENTS OF DAUGHTER

T-Sgt. and Mrs. Ralph W. Anderson, of Watertown, South Dakota, are the parents of a baby girl, Cheryl Sue, born Monday evening. The new arrival weighed seven pounds, nine ounces. The mother is the former Beulah Nettrouer, of Mentone.

## WINNERS ENJOY WEINER ROAST

The Winners Class of the Baptist church met at The Camp of the Open Bible at McClure Lake Wednesday evening for their annual weiner roast.

Songs were sung by the group and prayer was offered by Rev. Ralston. A short business session was held. The meeting was then adjourned to meet in July with Mr. and Mrs. Leroy Cox.

## RECEIVES CAP- TURED FLAG

Mr. and Mrs. Adam Bowen have received a 3x6 feet Nazi flag, captured by their foster-son, Pfc. Lewis Fawley, before he was killed April 5th on the Rhine river.

The flag contains the autographs of Pfc. Fawley, his sergeant, and ten of his buddies. The flag was sent to Mr. and Mrs. Bowen by the sergeant, who had many complimentary remarks to make regarding one of his departed soldiers, Private Fawley.

Sunday dinner guests of Mr. and Mrs. Carl Zolman were: Mr. and Mrs. Harry Kepler and family, Mrs. Carl Warren of Warsaw, Mrs. Harley Rice and family of Plymouth, Mr. and Mrs. Henry Kepler and family, Miss Betty Gordon of Argos, Mr. and Mrs. Ernest Samuels and family of Grovertown, and E. C. Kepler of Fort Wayne. Afternoon callers were Mrs. H. C. LaFollette and family of Warsaw. The dinner was in honor of Harry Kepler's birthday, father of Mrs. Zolman.

Announcement has been made of the engagement of Joan Ruse, daughter of Mrs. T. F. Fitzgerald, to Perry Leininger, A. O. M. 2/c, U. S. N., son of Mrs. Roxie Leininger, of North Manchester. No date has been set for the wedding.

## FOR MORE MILK — PROFITS

CATTLEZE has come to be considered a necessity in the dairy barn. Cows are always nervous and miserable in fly time — unless you have a sprayer filled with CATTLEZE. Just a few puffs and the flies either fall dead or run for a pleasanter atmosphere. It's a scientific compound that will actually kill flies and yet contains no harmful, discoloring or disagreeable ingredients . . . and it's inexpensive, too.

### HOUSE SPRAY TOO

It wasn't fair to make such a wonderful animal spray without making one to use in the house, too. We have it on hand, ready to aid every housewife in ridding her home of the summer pests—flies or insects.

### A NEW BABY AT OUR HOUSE

The stork is a long-legged bird that never blushes. He's not a bit particular where he goes or what time of the day, night, or month. With a beak a foot long he can tie a four-in-hand knot in a pair of soft-finish washables to make a boson chair for a delivery over any threshold, down any chimney or even in a manger.

Things begin to happen and schedules change rapidly soon after the long-legged expressman heads for home to pick up the loose ends and delayed deliveries. If the draft scare hadn't settled down the specie would have become extinct from overwork.

At our house now the grocery list includes a few extra essentials for the proper care of the new arrival. There's a can of powder, a cake of soap or two, and food that's more becoming one of her age.

There's a special little crib and the

entire household is constantly on the alert. Every unusual look is viewed with admiration and every twist and squirm with apprehension.

The nights are long—and sometimes loud—and one wonders what ancestor wielded such unholy influence. How far back could one go without encountering a father that ran around all hours of the night, or a mother that wasn't always clean and lady-like? Like the OPA, I'm afraid to start out for fear I'll find out something I should already know.

This isn't the first dog at the Cullum ranch, but she's the only survivor.

Mr. Charles Dorlan, of Calumet City, is visiting in Mentone with his sisters and other friends.

Mrs. Ina Davis and daughter and Mrs. Howard Horn and son spent Monday in Peru.

Mr. and Mrs. Jack Slaybaugh and daughters, Joan and Janet, and Mrs. Mary L. Blue, of Mentone, and Mrs. Mabel Igo and Miss Lois Busenburg visited last Sunday at the home of Mr. and Mrs. W. R. Baker, near Fort Wayne.

### HUNGRY IN BODY AND SPIRIT they Look to the Church for sustenance

Throughout a war-torn world—in greater and greater numbers—suffering humanity is turning to the church for help and comfort.

In the conquered nations of Europe—in China—in the liberated territories ravaged by war—millions see in the church their hope of rehabilitation.

We must not fail them! We who have escaped the physical ravages of war must come to the aid of those whose faith has been sorely tried, and whose freedom of worship has been denied.

We must see that the starving peoples of the world have food to live . . . that their spirits are given hope and strength to re-establish their dignity as free men.

The church has always played a major role in this task. Today, in this time of crisis, the need is desperate. Help your church to meet this need now!

So little can mean so much—when you give through your church . . . it can prevent a child from starving . . . give a war prisoner new hope and a job . . . treat civilians for shell-shock . . . provide a missionary or relief worker clothes to replace his worn-out ones . . . bring shelter to a war wail separated from its parents . . . enable a dazed refugee to find a home and regain his self respect.

Send your gift to your denominational relief committee—today!

Today yours is the proud responsibility of helping to support your

Church—of giving it your time, your interest and your financial aid.

This week, and every week, attend church regularly with your family. Make its principles a part of your daily life; make its work your work. For now more than ever, the churches of America—and your church—have the task of ministering to a war-torn world, and you are called upon to share in this task.

## HOMEcoming FOR GEN. IKE

(The following letter, written by a soldier related to local people, was dated June 23 at Salina, Kansas, and tells of the big home-coming festivities for General Dwight D. Eisenhower.—Ed.)  
Dear Cousin:

Yesterday I stood before General Eisenhower. Of course, he didn't see me, but I saw him from a distance of about thirty feet—not far and not close, but close enough to get a good look at him. He looked about as common as any other Pennsylvania-German—he is from Pennsylvania-German stock you know—with a face a typical Pennsylvania-German red, and his head practically bald. Aside from being from Pennsylvania stock, he was born in Texas, as you know, and reared in Kansas—Abilene, Kansas.

By now you must be pretty well confused; so I'll try to explain from the beginning.

In the morning the greater part of our Communications section went to Abilene, Kansas, to observe the welcome home ceremonies Abilene gave General "Ike"—out here General "Ike" is his accepted name. We drove over to Abilene—only 25 miles from here—in GI trucks, and, as you would expect, 99% of the traffic was headed our way—toward Abilene.

We reached Abilene shortly after 9 o'clock and, although the parade wasn't scheduled to begin until ten, the streets were already lined with people, happy, excited, joyful people. Everyone in this section of the country seemed to be out to welcome the Nation's favorite general home. They lined the streets and waited to see the magnificent parade in his honor.

Military police had charge of directing traffic and, in general, keeping order in Abilene yesterday. They kept traffic moving in an orderly manner all the time. Therefore, we drove directly to the stadium and parked there long before the great throng of people arrived. From there some of our men "took off" across town, and the rest of us remained in the stadium and waited.

Directly before the stadium, about 75 yards away, stood the speakers' platform. Simple, yet beautiful, in design, it consisted of a wide platform with four immense rectangular pillars and flags of all the United Nations giving it grandeur and colorful splendor. Before the speakers' rostrum were many microphones from all the major broadcasting companies in the United States, and on some of them hung little banners identifying them—CBS, NBC, and Mutual.

Far to the rear, in a field made rectangular by the systematic parking of cars, were four large guns and their crews, prepared and waiting to give

(continued on page six)

# HOMECOMING FOR GEN. "IKE" ....

(continued from page five)

a 17-gun salute to General Eisenhower. In the stadium, half-filled, people milled around and waited.

At exactly ten o'clock a single blast was fired by one of the big guns, and the parade began. Looking over the wall of the stadium into the street below, I watched the procession pass by and onto the field. There were floats of great beauty and perfect detail. The fore part of the parade depicted Abilene, Kansas, of the past, and the rear part depicted Abilene of today. The job was well done, and one could not fail to realize the effort these sincere Westerners must have put into their jobs. They had floats revealing the "Alamo" barroom of 65 years or more ago, the Baptist Church in session, the crude farm machinery, the school General "Ike" attended, the iceman job he held in the local creamery, crop-harvesting, and frontier brawls. Then came floats of modern times—the swimming pool, the USO, modern farm machinery with production figures, and more which I can't remember. Throughout the parade were many bands and many riders on horseback—a beautiful parade, the equal of which I have never seen before.

Before us then, a band in cowboy regalia, a WAC band from Des Moines, Iowa, and an Infantry band, took their stations to the right and left of the platform. They Played alternately for about an hour after the parade ended until General "Ike" appeared. During that hour the crowd gathered until the area between the stadium and the platform was filled solidly with people, aged and young—all waiting to get a glimpse of the General and to hear him speak. There beneath the hot sun we stood and sat and waited.

While we waited for the General to arrive, several P-51s flew back and forth over the stadium, speeding, climbing, rolling over, flying upside down, dipping their wings, keeping the people busy watching them. Several Piper Cubs flew over, too, but after the P-51s they seemed to be drifting with the wind they flew that slowly. Below me, cameramen were setting up their cameras, radio men made last minute check-ups of their microphones, an elderly man set up a board with souvenir pins, and the crowd waited patiently.

Finally, shortly after twelve, General Eisenhower arrived. From a crowd so large, one might have expected loud, hysterical cheering and applauding, but the people out here are not hysterical people: they applaud politely and appreciatively and then settle back to watch and to listen to the ceremony.

As you probably heard over the radio, the mayor of Abilene spoke first, then Governor Shoenkel, and finally an old friend of General Eisenhower introduced the General to the audience.

I needn't tell you that the General was very modest and emphasized that

the credit must go to all the men in uniform from Abilene and Dickinson County and that he was just a symbol of those men, I needn't tell you that he told the people of his community the time of isolation is past, that with the advent of modern machinery the period of self-sufficiency has ended, that now Abilene, like the rest of the Nation, must live and cooperate with the rest of the world. I needn't tell you any more, for you heard—miles and miles away—just what I heard right in the stadium.

After he finished speaking and the special gift of honor had been given to him, the announcer asked the people to remain where they were to see the air armada which would pass over in a few minutes. Apparently the air Force had its dates mixed, for the planes never did show up.

My face turned red and my bottom cramped from sitting, I left my seat and wandered toward the platform to get a closer view of General Eisen-

hower. When I got there, a procession of overseas servicemen began shaking hands with him. As he shook their hands, he spoke briefly with them. Sometimes as they began to walk away he'd think of something else and call after them. They'd pause, and he would speak to them for a moment longer. Before the procession ended, I tired of watching and walked away.

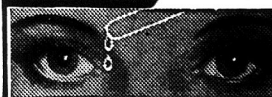

Shortly thereafter I saw General Eisenhower ride away among MP's just as he had come, waving and tipping his hat to everybody. With that, the formal celebration of the return of Abilene's favorite son ended.

As I've been telling some of the others who will receive a copy of this letter, I enjoyed my day in Abilene, and I thought you would enjoy a description of it, too.

Love,  
Kenneth.

## What Price Eggs? DEAR EGG SHIPPER—

We are paying for eggs the highest prices permitted under O. P. A. regulations. The next price will be .47 1/2¢ for Consumers Grade X Large. We are, of course, aware of the fact that some people care little about laws and regulations. We, however, are not inclined to be involved in this sort of business; neither, do we believe, will you be inclined to trust later the fellow who is now dishonest with himself as well as with Uncle Sam.

Present conditions will not last forever. We will continue, as always, to pay the highest LEGITIMATE prices, and we will continue to do our best to merit your patronage and good-will.

It is on this basis that we are soliciting your shipments and hope to serve you soon.

Very truly yours,

### A BIBLE MESSAGE

By REV. E. COLEMAN RALSTON

"God's Word is Sure."

(Continued.)

"I say the word and will perform it". Ezek. 12:25.

We have seen many of the prophecies concerning the children of Israel actually fulfilled to the very letter in previous messages, but God has given us many prophecies besides those concerning the Jews and has fulfilled them to prove to us that He is God and that what he says He will perform.

There are so many of these prophecies that have been fulfilled and so many more that are being fulfilled before our very eyes in this day and age that one has difficulty in knowing where to start. For instance the Bible tells us that in the last days there will be a great dictator who will rule the world with a rod of iron and will control everything. A few years ago critics laughed at the thought that one man could possibly have such power. But during the past two decades we have seen a number of dictators come and go. We have seen consolidations that stagger the imagination. Chains of practically every sort of business and unions uniting under one head. Banks, theatres, radio stations and everything

else working toward one great chain that one day shall be controlled by one man. We have seen regimentation, registration and marks of identification, social security, etc., etc. Someone has said that our government has six or seven ways of checking up on an individual right now.

The recent conference in California is only one more step toward the coming world state. The peace conference may succeed for a time but it can never bring world peace.

Some time ago our statesmen were talking of permanent peace but already they are speaking of a peace that shall last for a comparatively short time. Man may do what he will to bring about law and order in the world but God has spoken and what he has spoken he will perform. In speaking of the coming world dictator He says "He causeth all, both small and great, rich and poor, free and bond, to receive the mark in their right hand, or in their foreheads: and that no man might buy or sell save he that had the mark, or the name of the beast, or the number of his name." Rev. 13:16-17.

From simple observation of present day happenings, it certainly looks as though that day might not be very far away.

To be continued.

Miss Elnora Hatfield, of North East, Pennsylvania, is spending her vacation with her grandparents, Mr. and Mrs. Ira Borton. She will return Sunday and her aunt, Mrs. Lillie Jamison, of Claypool, will accompany her home.

Mr. and Mrs. George Borton and son, Lynn, spent part of their vacation with Mrs. Martha Welsh and Mr. and Mrs. Ira Borton. They also were at Turkey Run and the Shades.

Mr. and Mrs. Fred Swick; Mr. and Mrs. H. V. Johns and son; Mr. and Mrs. A. O. Little, of Huntington, spent Wednesday evening with Mr. and Mrs. Earl Smalley and family, of Warsaw.

**NORTHERN INDIANA EGG RECEIVERS AND DISTRIBUTORS ASS'N, INC.**

28 Harrison Street  
NEW YORK 13, N. Y.

Dear Egg Shipper:

As a group of merchants receiving the bulk of the eggs shipped from this territory to New York, we have associated ourselves for the following purposes:

- (1) To eliminate any difficulties you may have experienced in the past in shipping your eggs to New York.
- (2) To guarantee prompt payment for cases lost, when shipped to any of our members.
- (3) To promote the sale of your eggs in New York. Indiana eggs are classified as "Mid-Western," and are usually quoted and sold at lower prices than "Near-bys"—those produced in the area adjacent to New York City. There is no reason for it, except as it benefits some particular individuals. We propose to place your product on a level with those of the finest quality; to advertise "Hoosier Eggs," to quote and sell them on the merits of quality rather than on a sectional basis. At the same time, we will co-operate with you to the fullest extent in improving the quality of your eggs.
- (4) To eliminate existent evils of distribution and delivery.

NOW, you can help us and help yourself by fully co-operating with us. All we ask you is that you ship your eggs consistently to any of our members. In effect, this program will not only increase competition, but should create the keenest kind of rivalry for your good-will. Other receivers may acquire membership if they are acceptable to the organization as regards their reliability and ethical methods of doing business.

We pledge ourselves, as a group, to pay you the very HIGHEST PRICES at all times and serve you to the best of our ability.

You should begin now to ship your eggs to any of the following:

ACKERMAN & BRUNER  
BLOOMFIELD BUTTER & EGG CO.  
EGG PRODUCERS MARKETING Corp.  
ALEX EPSTIEN.  
KALTER-WAGNER CO., Inc.

SCHLUSSEL & WALDMAN

## ON THE TOKIO WATERFRONT

Mentone people who read the news accounts this week of the American naval force off the shores of Japan were very much interested after hearing the names of some of the ships involved. Possibly a number of navy men known here were in the group that cruised some 20 to 40 miles off the coast of Japan or flew in to drop bombs and machinegun the disappearing empire of a rapidly setting sun, but Miles Igo, son of Mr. and Mrs. Ernest Igo, is a crew member of the 10,000-ton aircraft carrier, San Jacinto, which was listed in all the news reports.

Miles has seen almost continuous combat service since he left the shores of the U. S. over a year ago.

### WILLIAM ROMINE MARRIED

William Romine, proprietor of the Mentone Cafe, and Julia Peltz, of Bourbon, were married Saturday evening at 8:30 o'clock by Rev. Snyder at the M. E. parsonage. Artie Fox, of Argos, and William Sanders, of Chicago, were the attendants.

Cpl. Clay Nottingham, of Madison, Wisconsin, is visiting his parents, Mr. and Mrs. H. E. Nottingham.

Word has been received that Myrle Wagner S-1c, has arrived in the States and is expected home soon. Myrle was aboard the ship, the U. S. Newcomb, when it was hit by six Japanese suicide planes. The ship was badly damaged but made its way to port.

Mr. and Mrs. Herschel Fenstermaker and family held a pot luck dinner at their home near Akron, Friday, July 6, in honor of Miss Eunice Lowmaster. Those present were: Mr. and Mrs. Clifford Lowmaster and granddaughter, Shirley, of Ray, Ind.; Mr. and Mrs. Clall Lowmaster and daughter, Donna Mae, of Akron; Mr. and Mrs. George Lowmaster, Mrs. I. R. Johnson and son; Mrs. Clifford Lowmaster and son, of Tippecanoe; Mr. and Mrs. Fred Riggs, of Etna Green, and guest of honor, Miss Eunice Lowmaster, of New Orleans, Louisiana. This was the first in over six years that the brothers and sisters had met together.

## LIONS CLUB TO MEET JULY 18

The regular meeting of the Mentone Lions club will be held in the cafeteria room of the Mentone high school on Wednesday evening, July 18th, at 7:00, according to an announcement by C. O. Mollenhour, club president.

This will be the first meeting for the recently elected officials and a special invitation is extended for every Lion to be present.

## WAR MOTHERS MEET AGAIN

Unit 106 of the Mothers of World War II met Wednesday night in the school cafeteria. Thirty-two members responded to the roll call. A communication from National President Gretta Roush, of Indianapolis, appealed to all Indiana units for financial assistance for First National Vice President Mrs. Reta McDonald, of Elkhart chapter. Mrs. McDonald is very low with carcinoma and needs financial assistance. Our unit voted to give our July offering (\$11.00) to Mrs. McDonald. Mrs. McDonald, former state president, organized the Mentone unit and is well known here.

A program of a vocal duet, composed of Mrs. Blanche Doran and Mrs. Eva Eherenman, with Mrs. Bernice Goshert at the piano, and a trio of Mesdames Doran, Eherenman and Goshert, was enjoyed very much. Following, Mrs. Goshert favored us with two piano solos and these were enjoyed and appreciated very much. We are finding out more each day that though our membership is made up of middle-aged mothers, there is lots of talent among them and we do appreciate each one who contributes in any way to our social or program hours. One new member, Mrs. Catherine Umberger of Claypool, took the obligation, thereby raising the membership of Unit 106 to 81.

Mrs. Anna Bayne displayed a lovely linen luncheon set which she had received from her son, stationed in Italy.

The next meeting will be Aug. 8 in the high school, as usual, and all mothers of service boys and girls are eligible for membership. Join us, Mothers.

## NORMANS GO TO ROANN H. S.

Mr. John Norman, who has taught English in the Mentone High School the past few years, has accepted a position as principal of the Roann High School for the coming school year. Mrs. Norman will teach Latin and English at the new location.

Mr. Norman was principal of the Lapaz High School for 15 years prior to coming to Mentone.

While here Mr. and Mrs. Norman have taken an active interest in the affairs and organizations of the community and their many friends will regret to have them leave next month. Best wishes, however, are extended to them in their new location.

## BAND CLINIC AT MANCHESTER

The fifth Annual Summer Music Clinic at Manchester College, North Manchester, Ind., opened Thursday, July 5, with an enrollment of approximately one hundred from 22 Indiana, Ohio and Michigan communities. The bands are under the direction of Frederick Ebbs of Hobart, Ind., and Robert Welty, of Columbia City, Ind. Varner Chance, of Fort Wayne, is chorus director. Two public concerts will be presented Sunday afternoon, July 8 and 15, in the college auditorium, at 2:30 p. m. The public is cordially invited; there will be no charge, but a free-will offering will be taken.

Attending from this community are: Robert Nelson, Malcolm Long, Freeda Kesler, Ellen Kesler, Geneva Gibson and Betty East.

Mr. and Mrs. Earl Shinn made a trip to Michigan this week prospecting for fruit. They report that cherries are very scarce and the government is taking most of the crop. They are very sorry that it will be impossible to obtain Michigan cherries for their customers this year.

## MRS. CASNER DIES SUDDENLY

Mary Elizabeth (Estep) Casner, 79, died Tuesday at 9:30 p. m. at the home of her son, Arnold Casner, five miles east of Mentone on the Crystal Lake road. Mrs. Casner suffered a stroke while coming down the stairs at 5:30 and died of cerebral embolism four hours later.

The deceased was born in Ohio, Mar. 27, 1866, the daughter of William Estep and Hannah (Biller) Estep. She came to Indiana from Virginia in 1878 and resided in the vicinity of Atwood and the Harrison Center church for the past 40 years. In 1886 she was married to Charles D. Casner who preceded her in death August 6, 1944. She was a member of the Harrison Center United Brethren church.

Surviving relatives include, one son, Arnold, of near here; two daughters, Mrs. Walter Eckert, Warsaw, and Mrs. Curtis Riner, Mentone; one brother, Charles D. Estep, of Santa Barbara, Cal.; three sisters, Mrs. M. I. Anglin, of Fort Lauderdale, Florida; Mrs. Jesse Ruple, of Leesburg, and Mrs. Katherine Clayton, of Elkhart; ten grandchildren, and 13 great-grandchildren.

Funeral services will be held at the Paul M. Bilby funeral home at two p. m. Friday, with Rev. R. D. Smith, of Etna Green, officiating. Burial will be at the Leesburg cemetery.

The fire departments of Mentone and Burket were called to the Floyd Cramer home, west of Palestine, Sunday evening. The barn burned to the ground but all the other buildings, one of which was on fire when the departments arrived, were saved. There was no indication as to what caused the fire.

Mrs. Maude Onthank returned Wednesday from Chicago where she had gone to take her grandson, Sidney Sund, to meet his mother who took him home to Ottumwa, Iowa after spending the past three months in the L. A. Foor home. Mrs. Onthank also visited the Red Cross Blood Bank while in Chicago and donated her seventh pint of blood to the blood bank. This makes Mrs. Onthank's 14th pint donated since Pearl Harbor—seven of them in Oklahoma and seven in this part of the country.

# What Price Eggs? DEAR EGG SHIPPER—

We are paying for eggs the highest prices permitted under O. P. A. regulations. The next price will be .47 1/2¢ for Consumers Grade X Large. We are, of course, aware of the fact that some people care little about laws and regulations. We, however, are not inclined to be involved in this sort of business; neither, do we believe, will you be inclined to trust later the fellow who is now dishonest with himself as well as with Uncle Sam.

Present conditions will not last forever. We will continue, as always, to pay the highest LEGITIMATE prices, and we will continue to do our best to merit your patronage and good-will.

It is on this basis that we are soliciting your shipments and hope to serve you soon.

Very truly yours,

**WE ALL MET  
GOD ON IWO**

At last it's quiet on Iwo  
At last the battle is won.  
And we, who are left, say a prayer of thanks

Because our job is done.  
On the shadow of Mt. Surabachi  
Where crosses mark our dead,  
We read the names of our buddies  
And stand with bended head.  
We recall good times together,  
And the sacrifices shared,  
But we can't see why they had to die  
While the rest of us were spared.  
So we say to you and truly,  
Our hearts are filled with pain,  
But we know some distant day  
We shall meet again.

And if you should ask me how I know,  
I would reply, We met God on Iwo,  
Not just those who had to die.  
So to their loved ones back home,  
Hold up your head with pride  
For they are all true heroes,  
These Marines who fought and died.  
And to all mankind throughout our land

Let's not forget their pain,  
This time let's build a lasting peace  
So their deaths will not have been in vain.

### A BIBLE MESSAGE

By REV. E. COLEMAN RALSTON

"God's Word is Sure."

(Continued.)

"Concerning thy Testimonies, I have known of old that Thou hast founded them forever" Psa. 119:152.

Week before last, we mentioned the covenant that God made with the children of Israel. It was an "everlasting covenant" and cannot be broken, therefore it is well for us to know what that covenant is. First of all, God promised Abraham that He would bless him and "multiply thee exceedingly." "I will make of thee a great nation, and I will bless thee, and make thy name great, and thou shalt be a blessing; and I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed." (Gen. 12:2-3) Notice He said that He would bless those that blessed the seed of Abraham and curse those who "curseth thee". That promise is still in effect. England and the United States are the only two countries that have taken the

Jews in and given them equal rights, and have done anything to speak of to help them, and no nations of the world have been blessed like these two nations have; while on the other hand nations that have persecuted the Jews have sooner or later suffered for it. Through the centuries Israel's sins have stopped their blessings for a time, but nothing has altered this "everlasting covenant" that God made with them. God also promised Abraham a land for his permanent home. He led him to the land of Canaan and said, "... the land which thou seest, to thee will I give it, and to thy seed forever—from the river of Egypt unto the great river, the river Euphrates" (Gen. 13:15 and 15:18). Then in read-

ing the 19-21 verses of the 15th chapter, we see the great territory that this title deed, we see that God gave the Jews a much larger homeland than what is generally thought of as the home-land of the Jews, namely, Palestine.

To be continued.

Seventeen employees of Manwaring Leghorn Farm enjoyed a chicken dinner at Beaver Dam Lake in honor of two of the employees, Leslie Grubbs and Lowell Whetstone, who are leaving this week for the navy.

Mr. and Mrs. Byron Gordon spent Sunday at the home of Riley Shoemaker.

**NORTHERN INDIANA EGG RECEIVERS AND DISTRIBUTORS ASS'N, INC.**

28 Harrison Street  
NEW YORK 13, N. Y.

Dear Egg Shipper:

As a group of merchants receiving the bulk of the eggs shipped from this territory to New York, we have associated ourselves for the following purposes:

- (1) To eliminate any difficulties you may have experienced in the past in shipping your eggs to New York.
- (2) To guarantee prompt payment for cases lost, when shipped to any of our members.
- (3) To promote the sale of your eggs in New York. Indiana eggs are classified as "Mid-Western," and are usually quoted and sold at lower prices than "Near-bys"—those produced in the area adjacent to New York City. There is no reason for it, except as it benefits some particular individuals. We propose to place your product on a level with those of the finest quality; to advertise "Hoosier Eggs," to quote and sell them on the merits of quality rather than on a sectional basis. At the same time, we will co-operate with you to the fullest extent in improving the quality of your eggs.
- (4) To eliminate existent evils of distribution and delivery.

NOW, you can help us and help yourself by fully co-operating with us. All we ask you is that you ship your eggs consistently to any of our members. In effect, this program will not only increase competition, but should create the keenest kind of rivalry for your good-will. Other receivers may acquire membership if they are acceptable to the organization as regards their reliability and ethical methods of doing business.

We pledge ourselves, as a group, to pay you the very HIGHEST PRICES at all times and serve you to the best of our ability.

You should begin now to ship your eggs to any of the following:

ACKERMAN & BRUNER	SCHLUSSEL & WALDMAN
BLOOMFIELD BUTTER & EGG CO.	SCHONBRUN BROTHERS.
EGG PRODUCERS MARKETING Corp.	SILVERMAN BUTTER & EGG CO.
ALEX EPSTIEN.	UNITED STATES EGG CO.

LT. KILLED IN  
AIR CRASH

Funeral services were held at the Methodist church at Silver Lake Wednesday afternoon for Lt. Paul R. Snyder, former Silver Lake high school basketball star, who was killed in a plane crash near Panama City, Florida.

Young Snyder, son of Mr. and Mrs. Paul Snyder, former Silver Lake residents, was graduated from Silver Lake high school and was well known throughout the county. He was commissioned an officer in the army air forces last June and shortly thereafter was married to Jane Warner, who, along with the parents, survive. His wife is the daughter of Mr. and Mrs. Winn Warner, former Mentone citizens.

Snyder was piloting the big B-24 bomber on a routine flight when the ship hit a storm. Of the 13 persons aboard at the time of the crash, only one survived, and he was seriously injured.

MANY ATTEND  
LIONS MEETING

About forty members and guests gathered at the Mentone school building Wednesday evening for the regular meeting of the Mentone Lions club. The dinner had been prepared for the Lions by two Mentone ladies, Mrs. Arthur Witham and Mrs. Walter Dillman, and several members of the club assisted during the meal.

The meeting was under the direction of the new president, C. O. Mollenhour and everyone seemingly enjoyed the first evening in the new meeting place.

The next meeting, August 1st, is to be a fish fry for the Lions, their wives and families. The ladies are expected to bring a dish of food that will fit into a menu containing fish. (This affair, we presume, will be dependent upon whether or not the fish can be secured. The past several weeks it hasn't always been possible to secure enough fish for a group as large as this.)

DAIRY WEEK  
AUG. 8-10

The Country Print Shop, Mentone, this week completed the printing of a 104-page catalog for the purebred cattle breeders of Kosciusko county for their first Dairy Week show in the county. The Guernsey, Holstein and Jersey Breeders of the county (with 58 listed in the 1945 catalog) have virtually completed all the arrangements for the three-day show to be held at the Warsaw fair grounds on August 8th, 9th and 10th.

Prof. E. N. Hanson, of Iowa State College, has been secured as judge.

## WEDDING ANNOUNCED

Mr. and Mrs. Emmet Epler, of Mentone, announce the marriage of their daughter, Troas D. Epler, hospital apprentice (second-class), of Bethesda, Maryland, to Pharmacist's Mate (first-class) George H. Weitzel, son of Mr. and Mrs. Henry Weitzel, of Harvard, Nebraska. They were married on Feb. 5, in the Methodist church in Bethesda, Maryland, and are making their home at 27 Walker avenue, Gaithersburg, Md.

Mrs. Charles Meredith fell down a stairs at her home a week ago Monday and injured her right leg. When the injury failed to respond to treatment, an X-ray was taken. The picture revealed a broken bone just above the ankle.

SOLDIER GETS  
PURPLE HEART

WITH THE SIXTH ARMY ON LUZON—Pfc. Donald VanGundy, of Hammond, a veteran with the 38th "Cyclone" division, has just been awarded the purple heart for wounds received in action on Caballo island, P. I.

He is the son of Mr. and Mrs. John VanGundy of Mentone, Ind. He is married to Mrs. Mary VanGundy who resides at 123 Hanover street, Hammond, with their young son and daughter. He was doing carpentry work before he entered the army in April of 1941.

Pfc. VanGundy has been overseas 18 months, and holds the Asiatic-Pacific ribbon with three battle stars, and the Philippines liberation ribbon. He has recovered from his wounds and has returned to duty with his company of the 151st infantry.

## SHALL WE SLEEP ON?

It's so easy for one to yield to the temptation to be lazy and not do something which we know very well we should do. Initiative is that certain something which gives a man the intestinal fortitude to go ahead and do something whether he feels like it or not, and that is what is necessary if any town, or any project, is successful.

There's no question in the average citizen's mind that the airplane is going to play a very important part in our daily lives from now on until something more phenomenal is developed. Skeptics—and there are many—no longer can say, without embarrassment, that an airplane is no good, or won't be used by many people. Youth of today isn't afraid of the air; neither is any person who has traveled in the sky and operated the controls of an airplane. It only takes a few kicks on the rudder or a slight push on the stick of a plane for one to realize that the invisible air is just as powerful as a concrete highway as far as its ability to hold up heavy weights. There are several planes today that regularly lift more than a railway box car load of merchandise at one time.

We don't have in mind making Mentone the hub of a great air system, but we do know that if we have any thought of maintaining the value of our property, or promoting the welfare of our city, careful consideration must be given

to accommodating air travelers. We wouldn't consider a town that wasn't on a good road, railway or truck line, neither can we consider ourselves on the road to progress without some connection to the air lanes.

Mentone now has, and will have many more, who are interested in flying both from the pleasure and commercial standpoint, and if proper facilities are made available, they will keep Mentone apace with the rest of the world. If the facilities are not made available, we'll not only lose out in a commercial way, but these citizens will leave our community for one that is more progressive and wide awake.

There are several pieces of land near here that would make suitable landing strips for small aircraft, and the wide-awake land owner, if he's looking to the future, will make every effort to see that his piece of land is made available for the present. He could reserve all the commercial privileges that will develop, and would have the AAI priority whenever additional improvements in service are necessary.

Very little actual cash outlay now could easily establish something which would not only pay for itself but provide the means of all future enlargements. We'll be paying for an airport every day in the year, whether we have one or not. It's up to us to choose our course today.

MANY ATTEND  
YOUTH MEET

(The following news story, was set into type for our last issue, but failed to get into print. We haven't time to figure out whose fault it was, but that wouldn't matter anyway. Sorry.—Ed.)

The Youth for Christ meeting in Mentone Saturday night, July 7, was another huge success with between 400 and 450 present. There were representatives from 21 towns and six rural church communities. Our armed forces were represented and eleven ministers were present. At the close of the message given by Michael Guido, nine young people accepted the invitation.

Besides many other interesting features on the program, the musical program consisted of a vocal solo by Betty Alexandra, of Silver Lake, cornet solo by Juanita Baker, of Atwood, a capella quartet: Anna Hite, Jean Ginder, Pat Wagoner and Barbara Hendrix, of Plymouth, and a vocal solo by the visiting speaker, Michael Guido. The next meeting will be held on Saturday, August 4, with Dr. Warren Filkin, a Christian Magician from Chicago, as the main feature on the program.

## LIVING DANGEROUSLY

In recent weeks parents of Mentone youngsters have remarked about older people buying, or supplying, intoxicating drink to minors, and it is reasonably safe to presume that some of these parents, if they find out that someone has supplied liquor to their children, won't wait long to correct the situation.

It is difficult for one to imagine any person so lacking in intelligence as to make liquor available to a minor. Any man, drinker or abstainer, knows that the use of liquor in any form—or any amount—always works to the detriment of the one consuming it. There is no intelligent basis upon which one can arrive at any other conclusion, providing, however, he has the proper faculties for thinking.

I prefer not to be considered as one

to condemn one who has become entwined in the clutches of the liquor habit—rather, one in that condition is to be pitied—but there is no place for consideration to one who makes it possible for more young people to develop habits that will always, eventually, bring them unhappiness, ill-health and impoverishment of body, mind and soul.

## What Price Eggs? DEAR EGG SHIPPER—

We are paying for eggs the highest prices permitted under O. P. A. regulations. The next price will be .47 1/2¢ for Consumers Grade X Large. We are, of course, aware of the fact that some people care little about laws and regulations. We, however, are not inclined to be involved in this sort of business; neither, do we believe, will you be inclined to trust later the fellow who is now dishonest with himself as well as with Uncle Sam.

Present conditions will not last forever. We will continue, as always, to pay the highest LEGITIMATE prices, and we will continue to do our best to merit your patronage and good-will.

It is on this basis that we are soliciting your shipments and hope to serve you soon.

Very truly yours,

## MENTONE HOME ECONOMIC CLUB

The Mentone Home Economics Club met last Thursday at the home of Mrs. Ona Blue, with Mrs. Mary Smith as assisting hostess. The pledge of allegiance to the flag was led by Lenna Anderson. All joined in singing the song of the month, which was "Yankee Doodle."

The lesson on personal grooming was given by Eloise Long, which was very interesting. A round table discussion followed. Roll call was answered by twenty members, by "The task I put off."

The president, Helen Weirick, told of the county picnic held June 26 at Warsaw. Five from here attended.

The mystery package was won by the president. High bidders at auction were Edith Darr, Maud Cox and Blanche Paulus. After singing "America the Beautiful," Mrs. Gross entertained with contests.

The next meeting will be a picnic on the regular club day with a pot luck dinner at the cottage of Mary Smith.

The hostess served delicious refreshments to twenty members and one guest.

#### A BIBLE MESSAGE

By REV. E. COLEMAN RALSTON

"The Promised Land"

"The land which thou seest, to thee will I give it, and to thy seed forever." (Gen. 13:15.)

Last week we mentioned the fact that God had given the Jews a much larger home land than is generally thought of as the promised land. Usually when one speaks of the promised land, Palestine is all that is thought of, but the fact is that God promised them a much larger territory, as we discovered in Gen. 13:15 and 15:18-21. The promise included all the territory between the Nile river in Egypt and the Euphrates. This great gift includes about 192,000,000 acres, or in other words, about 300,000 square miles, which God reserved for the Jews. It includes all of Iraq and the lands through which the Euphrates and Tigris rivers run and all the land between there and the Nile river.

This was a rich and productive land when this promise was given but because of the sins of the people God stopped the "first rain and the latter rain" and it became a desert country. This was the fulfillment of God's prophecy concerning their land and their disobedience as recorded in Lev. 26:32-35. (See also Jer. 3:3 and Hos. 6:1-3).

Remember God's covenant was an everlasting covenant and He has not forgotten it! He scattered the Jews because of their sins but **promised** to bring them again to their home land and that the land would be prepared for them. He has not forgotten them, nor His promise, for within, comparatively, the last few years, He has brought back the early and latter rains and Palestine is fast becoming the most productive and the most prosperous part of the world. Next week we shall consider some statistics along this line. Remember, "God's word is sure" whether it is concerning the Jews or the Gentiles.

Dear Egg Shipper:

As a group of merchants receiving the bulk of the eggs shipped from this territory to New York, we have associated ourselves for the following purposes:

- (1) To eliminate any difficulties you may have experienced in the past in shipping your eggs to New York.
- (2) To guarantee prompt payment for cases lost, when shipped to any of our members.
- (3) To promote the sale of your eggs in New York. Indiana eggs are classified as "Mid-Western," and are usually quoted and sold at lower prices than "Near-bys"—those produced in the area adjacent to New York City. There is no reason for it, except as it benefits some particular individuals. We propose to place your product on a level with those of the finest quality; to advertise "Hoosier Eggs," to quote and sell them on the merits of quality rather than on a sectional basis. At the same time, we will co-operate with you to the fullest extent in improving the quality of your eggs.
- (4) To eliminate existent evils of distribution and delivery.

NOW, you can help us and help yourself by fully co-operating with us. All we ask you is that you ship your eggs *consistently* to any of *our members*. In effect, this program will not only increase competition, but should create the keenest kind of rivalry for your good-will. Other receivers may acquire membership if they are acceptable to the organization as regards their reliability and ethical methods of doing business.

We pledge ourselves, as a group, to pay you the very **HIGHEST PRICES** at all times and serve you to the best of our ability.

You should begin now to ship your eggs to any of the following:

ACKERMAN & BRUNER	SCHLUSSEL & WALDMAN
BLOOMFIELD BUTTER & EGG CO.	SCHONBRUN BROTHERS.
EGG PRODUCERS MARKETING Corp.	SILVERMAN BUTTER & EGG CO.
ALEX EPSTIEN.	UNITED STATES EGG CO.
KALTER-WAGNER CO., Inc.	WEIDENFIELD BROS.

Our tags are available at any shipping point.

Sincerely yours,

NORTHERN INDIANA EGG RECEIVERS AND DISTRIBUTORS ASS'N.

## ROYAL BLUE HURT BY BOMB

Royal Blue, son of Mr. and Mrs. Pete Blue, of Mentone, is home on a short visit after seeing a lot of action in the Pacific. He was treated on a hospital ship at Saipan but remained with his troop carrier ship until it finally docked at Seattle for repairs. The ship was damaged during April. He will now report back to the naval base and await assignment to some hospital or recuperation camp.

The young lad, who has been in naval service but a few months, was injured when a Jap suicide plane landed on their ship, killing two of his buddies, blowing the leg off another and throwing him to the other side of the ship. The terrific concussion bursted an ear drum and so shattered his nerves that at the present he is unable to speak as evenly and distinctly as formerly. It is believed, and sincerely hoped, that he will be able to talk as freely as ever and have no ill effects from the horrors of war in which he was compelled to go.

## LIONS TO MEET AT McCLURE LAKE WEDNESDAY

The next regular meeting of the Mentone Lions club will be held at the Conservation club camp at McClure Lake. A feature of the evening will be a fish fry and the ladies and children are invited to be present.

## FAWLEY REUNION

The 28th annual reunion of the Fawley family will be held at the Adam Bowen home, Mentone, Indiana, on Sunday, August 19th. Wm. E. Fawley is president, and Cora Bowen, secretary-treasurer.

## HORN REUNION

The 35th annual Horn reunion will be held at the home of Mr. and Mrs. Ivan Horn, 921 North Walnut St., Plymouth, Ind., on August 5th, 1945. Ivan Horn is president and Esther Sarber is secretary.

## INSTITUTE AT EPWORTH FOREST

The following will leave Saturday afternoon to spend the week at Epworth Forest, on Webster Lake, attending the Warsaw District Institute: Dorris Snider, Virginia Rush, Mildred Whetstone, Phyllis Bowser, Jackie Blue, Shirley Igo, Betty Witham, Beverly Coleman, Boyd Blue, Frankie Manwaring, Janet Reed, Rowena Lackey, Mrs. Charles Wise, Rev. and Mrs. A. G. Simmons. Mrs. Philip Blue and Mrs. May King will accompany them to the lake.

## AWARDED COMBAT BADGE

Major General Horace L. McBride, Commanding General of the 80th Infantry Division, has announced that 100 enlisted men of the 318th Infantry Regiment have been awarded the Combat Infantryman's Badge for exemplary conduct in action against the enemy in the European Theater of Operations. Of the nine men listed from Indiana, two are from this county. They are: Pfc. Joseph A. Boganwright, Mentone, and Pvt. Albert F. Orcutt, R. R. 5, Warsaw.

## NANCY L. DAWSON BRIDE OF CAPT. M. S. ALLMAN

At 3:30 o'clock Sunday afternoon, Miss Nancy Lee Dawson, daughter of Mr. and Mrs. John A. Dawson of Akron, became the bride of Capt. Marshall Scott Allman, son of Mr. and Mrs. Charles H. Allman of Summitville, Ind. The double ring ceremony was performed by Rev. Daniel Slaybaugh in the Olive Bethel Church of God.

A reception at the home of the bride's parents was held following the ceremony, at which time wedding cake and punch were served to 150 guests.

The newlyweds left for a brief wedding trip in Wisconsin after which they will reside in Hopkinsville, Ky., for a short time.

The bride is a graduate of Beaver Dam high school and Purdue university and is at the present time employed at M. Wile & Sons.

The groom graduated from Summitville high school and Purdue university and recently returned from three years duty in the European theater.

## SOLDIER IS RELEASED

Sgt. Donald Grass was discharged from the army Friday, July 20, from Fort Custer, Mich. It has been 10 months since he was wounded while near Metz, France. He has been awarded the purple heart and is now at the home of his parents.

## PHILIP LASH GETS CITATION

First Sergeant Philip K. Lash, son of Mr. and Mrs. Raymond Lash, on June 18, 1945, was awarded the Bronze Star Medal for meritorious service and given the following citation:

"First Sergeant Philip K. Lash, 35171978, Infantry, United States Army, for meritorious service in connection with military operations against the enemy from 2 December 1944 to 30 April 1945, in the United Kingdom, France, Belgium and Germany. During this period, First Sergeant Lash performed in a superior manner his duties as First Sergeant of a Battalion Headquarters Company. He worked diligently and tirelessly displaying outstanding qualities of initiative and leadership. His deep sense of responsibility and his ability to anticipate administrative requirements and follow them through to successful conclusion was largely responsible for the smooth discharge of the many administrative functions of the company during this period. His complete dependability, regardless of the task, enabled the company commander to direct more of his own attention to the many vital and pressing details charged to him as Battalion Adjutant. His ability and performance of duty reflects the highest credit upon First Sergeant Lash and the armed forces of the United States. "By command of Major General Reinhardt:

H. Pengelly, Lt. Col., A. G. D., Adjutant General."

## PASSES 85TH MILESTONE

Honoring Obe Haimbaugh's 85th birthday the following guests were present in his home west of town the past week: Mr. and Mrs. Lloyd Kesler, Mr. and Mrs. Earl McCoy, daughter Kay and son John, Mr. and Mrs. Fred Hartman, daughter Mary Beth and son Charles, Mr. and Mrs. H. V. Lehman, of Warsaw; Mr. and Mrs. Delbert Myers, daughter Millicent and son John and Richard Rutheford of South Bend, and Mrs. Huston West and Mrs. Marjorie Heimbeck of Detroit, Mich.

## MAGICIAN TO SPEAK AT YOUTH FOR CHRIST

The Rev. Warren Filkin, Ph. D., of Chicago, a speaker in popular demand at youth gatherings throughout the middle west, will speak at the Youth for Christ meeting at eight o'clock on Saturday night, Aug. 4th, in the First Baptist church of Mentone.

Besides being experienced as a teacher, pastor, and counsellor with young people, Dr. Filkin is a skillful magician. He is convinced that the teaching and preaching of Bible truth should be augmented by visual aids. He believes that the possibilities of teach and preaching through entertainment have never been fully realized.

A friend of many outstanding magicians, Dr. Filkin has learned the closely guarded secrets of such great mysteries as the vanishing bird cage, the miser's dream, the cut rope trick and many others, which he uses to illustrate gospel truth in a graphic way. Dr. Filkin is expected to give some of his gospel magic demonstrations at this meeting.

## ENTERTAIN WITH WEDDING DINNER

Mr. and Mrs. William Romine, who were recently married, entertained 18 guests at a dinner at the Mentone Cafe Friday evening. The tables were decorated with blue and white streamers and a large wedding cake really put the finishing touch to the fine chicken dinner.

### WE THREW THE ANCHORS AWAY

Two dozen Mentone Lions (Triple A count with every third one plowed under) journeyed to Pierceton Tuesday evening to enjoy a chicken noodle dinner with the Pierceton Lions. After the dinner, a little baloney and a lot of singing, we accepted the challenge of the home club to play a game of softball under the lights at the school diamond.

There wasn't any warming up because none of us had played since Pearl Harbor and it was only a one-night affair. Rabbi Johns started off the slug fest, with High Octane Linn and Contrary Cullum of the print shop, in the grass. Prune Peddler Tombaugh, tossing the apple for Pierceton, took time out for a chiropractic adjustment to get the kinks out of his neck. (The Mentone boys just didn't seem to care which side of him they batted the ball and he mislocated a vertebrae in his neck watching them go by). Tenderized by Tenderay.

In the second half of the inning, Valentine, playing short, had his legs spread apart when they should have been crossed and one slipped out into the wet grass where Cullum was playing left field. He made a beautiful pick-up in 21 seconds flat and tossed it home to catch a runner coming in from third. It headed for the wrong home, though.

Pat Walsh held third down like a box car loaded with lead and Mace Nelson fit into the pitcher's box better than a hot weather stiff in a rough box.

Linn had the first sack well under control and Marshall and Long, second and catcher, played a nice game of catch trying to pick off some bird napping.

With Johns, Mollenhour and Kesler on the field and Rush, Kosier and Dudley on the bench, we had a team that couldn't be beat. We had a little help from the umpires, but not enough to be classified as subsidized.

Enoch got back into shape in a hurry in the first inning when he stole second. He started his slide hip high and came down without any hand holds. He was safe but ruined.

Pat Walsh, playing in dancing pumps, was racing toward first under full throttle, threw on enough air to stop

a 25-ton load and slid into first like an old maid in a bath tub.

Cullum hit first on a fluke, stole second in a cloud of dust, made two turns on his equator and headed for third in a fumble. The ball was still hopping around like a frog on a hot pavement so he went on home. Some bird roosting on the bench didn't think it was an earned run, but he didn't know the half of it! Wow!

Chance Mollenhour, who has rassled elm logs all his life, wasn't to be fooled by a little wooden stick, but while rounding first his outside leg wanted to go on out to right field and he's been hobbling around ever since. The rest of us had a few things loosened up, but we're ready to go again. We didn't win, but the game ended 10 to 10 in the sixth and there wasn't enough fight left in any of us to find out which team was the better.

# What Price Eggs?

## DEAR EGG SHIPPER—

We are paying for eggs the highest prices permitted under O. P. A. regulations. The next price will be .47 1/2¢ for Consumers Grade X Large. We are, of course, aware of the fact that some people care little about laws and regulations. We, however, are not inclined to be involved in this sort of business; neither, do we believe, will you be inclined to trust later the fellow who is now dishonest with himself as well as with Uncle Sam.

Present conditions will not last forever. We will continue, as always, to pay the highest LEGITIMATE prices, and we will continue to do our best to merit your patronage and good-will.

It is on this basis that we are soliciting your shipments and hope to serve you soon.

Very truly yours,

FIRST DAIRY MEET**

The purebred dairy breeders of Kosciusko county, representing the Holstein, Guernsey and Jersey Breeders' Associations of the county, have virtually completed all arrangements for the first County Dairy Week program to be held August 8-10.

Fifty-eight breeders are listed in the catalogs being distributed, and many others in the area are expected to participate. Jersey day is Aug. 8th; Holstein day, Aug. 9, and Guernsey day, Aug. 10.

Prof. E. N. Hansen, of Iowa State College, will be on hand to do the judging, and each day there will be a number of men, well known and experienced in the dairy industry, on hand to talk to the visitors and breeders, and to answer many of the questions which you may have regarding the latest developments for success and profit in the dairy industry and purebred breeding.

The shows will be held at the new Warsaw Fair Grounds, and an invitation is extended to everyone to attend. There will be no admission charge at any time. Visitors who will be there during the lunch hour are invited to bring a basket lunch for the members of their party. The dairymen will have free milk for everyone to drink.

**NO LAWN SPRINKLING**

Frank Warren, superintendent of the city water department, requests that Mentone citizens refrain from watering their lawns at the present time.

There is no shortage of water in Mentone, but a few weeks ago the pump in the old well decided to quit operating and the heavy use of water will overload the one pump now left in operation. A new pump has been ordered for the old well and it will be installed as

quickly as it can be secured from the manufacturer. In the meantime, the members of the town council have made arrangements for the use of a used pump. The used pump will be placed in operation as quickly as someone is secured to install it, after which it is hoped all restrictions may be removed from the use of city water.

**HOME EC. CLUB ENJOYS  
COOPERATIVE DINNER**

The Country Neighbors Home Ec. Club enjoyed a delicious pot luck dinner Thursday at the home of Mrs. Wilma Nellans, with Mrs. Willodean Henderson as assistant hostess.

The meeting was called to order by the president, Mrs. Delois White, followed by Mrs. Elma Zent reading the club creed. Roll call was answered by each member giving her favorite snack recipe. The history of the song of the month, "Yankee Doodle," was given by the song leader, Mrs. Lizette Notz.

The minutes of the last meeting were read and approved and a treasury report given by the secretary-treasurer, Mrs. Mildred Meredith. After a discussion of plans for the 4-H fair at Rochester, Mrs. Eleanor Craig and Mrs. Mildred Meredith gave the project lesson on "Snacks." Contests were conducted by Mrs. Faye Long and Mrs. Della Shock. An auction was held with Mrs. Delois White acting as auctioneer.

Nineteen members, two guests, and five children were present. The next meeting will be held Aug. 16th at the home of Mrs. Helen Shunk.

### A BIBLE MESSAGE By REV. E. COLEMAN RALSTON

"The Promised Land"  
(Continued)

"The Land which thou seest, to thee will I give it, and to thy seed forever," Gen. 13:15.

Last week we considered the great territory that God gave the Jews, and the fact that God stopped the rains and it became barren and remained so for centuries. But God did not forget His promise and He is doing just what He said He would do. He has brought back the early and latter rains and Palestine is fast becoming the most productive and the most prosperous land in all the world. Vegetation of every sort is being grown on once barren soil. Orange shipments alone are increasing by a million cases each year. Not only is the land becoming productive in fruits and vegetables but there was gold discovered in 1933 near ancient Babylon; the water of the Dead Sea is producing mineral wealth worth billions every year, railroads are being built, also oil pipe lines, auto roads, bus lines, airplane lines, vast agricultural projects and industries. of Bosra on the Persian Gulf and Haifa on the Mediterranean are gaining in business every month. A new seaport, established at Tel Aviv in 1936, is the only Jewish seaport in the only all-Jewish city in the world. The Jews are pouring into Palestine to establish a national home there. All of this is a fulfillment of prophecy. "For, lo, the days come, saith the Lord, that I will bring again the captivity of my people Israel and Judah, saith the Lord: and I will cause them to return to the land that I gave to their fathers, and they shall possess it." Jer. 30:3.

"Concerning thy testimonies, I have known of old that thou hast founded them forever."

**NORTHERN INDIANA EGG RECEIVERS AND DISTRIBUTORS ASS'N, INC.**

28 Harrison Street  
NEW YORK 13, N. Y.

Dear Egg Shipper:

As a group of merchants receiving the bulk of the eggs shipped from this territory to New York, we have associated ourselves for the following purposes:

- (1) To eliminate any difficulties you may have experienced in the past in shipping your eggs to New York.
- (2) To guarantee prompt payment for cases lost, when shipped to any of our members.
- (3) To promote the sale of your eggs in New York. Indiana eggs are classified as "Mid-Western," and are usually quoted and sold at lower prices than "Near-bys"—those produced in the area adjacent to New York City. There is no reason for it, except as it benefits some particular individuals. We propose to place your product on a level with those of the finest quality; to advertise "Hoosier Eggs," to quote and sell them on the merits of quality rather than on a sectional basis. At the same time, we will co-operate with you to the fullest extent in improving the quality of your eggs.
- (4) To eliminate existent evils of distribution and delivery.

NOW, you can help us and help yourself by fully co-operating with us. All we ask you is that you ship your eggs *consistently* to any of *our members*. In effect, this program will not only increase competition, but should create the keenest kind of rivalry for your good-will. Other receivers may acquire membership if they are acceptable to the organization as regards their reliability and ethical methods of doing business.

We pledge ourselves, as a group, to pay you the very HIGHEST PRICES at all times and serve you to the best of our ability.

You should begin now to ship your eggs to any of the following:

ACKERMAN & BRUNER  
BLOOMFIELD BUTTER & EGG CO.  
EGG PRODUCERS MARKETING Corp.  
ALEX EPSTIEN.  
KALTER-WAGNER CO., Inc.

SCHLUSSEL & WALDMAN  
SCHONBRUN BROTHERS.  
SILVERMAN BUTTER & EGG CO.  
UNITED STATES EGG CO.  
WEIDENFIELD BROS.

Our tags are available at any shipping point.

Sincerely yours,

NORTHERN INDIANA EGG RECEIVERS AND DISTRIBUTORS ASS'N.
