HERMAN FEAR DIES IN WARSAW HOSPITAL THURSDAY

Herman Fear, 27, passed away on Thursday at the Murphy Medical Center in Warsaw. Mr. Fear had been ill about four months undergoing two major operations during that time. He was well known throughout the Mentone, Beaver Dam and Akron vicinity.

Herman, son of Goldie and Homer Fear, was born July 29th, 1914 at Mentone, Indiana. He had been a resident of Sevastopol for the past 27 years.

He leaves to mourn his loss his parents, Mr. and Mrs. Homer Fear, and a brother Tommy at home. His sisters, Mrs. William Warren of Warsaw and Mrs. Emmett Eaton of Akron, in addition to many other relatives and friends.

Funeral services were held at the Mentone Methodist church Saturday afternoon at two o'clock with Rev. C. C. Collins officiating. Burial was in the Palestine cemetery. The Reed funeral home had charge of the arrangements.

ARRANGEMENTS MADE FOR FIRST AID CLASSES HERE

K. A. Riner, local chairman for Civilian Defense, announces that Dr. Dan Urschel, local doctor, has been secured as an instructor in First Aid.

The First Aid course is a standard course put out by the American Red Cross and includes training in everyday first aid that everyone should know. At the completion of the course the American Red Cross issues a First Aid certificate to each participant who passes the examinations.

The classes, which will likely be held one night each week, are open to everyone, men, women and older children, and no charge is made except to those who care to purchase a textbook of their own. These books have been selling for 60c each.

All those interested in this worthwhile training should contact Mr. Riner or Dr. Urschel as soon as possible. A meeting night will be chosen that is agreeable to the greater number of students.

REV. C. C. COLLINS TO MOVE TO LIGONIER

At the annual conference of the Methodist churches at Kokomo last week, Rev. C. C. Collins, who has served as pastor of the local Methodist church, was given an appointment to serve in the church at Ligonier. Rev. Victor Stoner, who has been at Lafontain the past two years, comes to Mentone.

The Collins family has made many friends in and around Mentone during their stay with us and even though we regret to see them leave we are pleased to know that they have been sent to a larger field of endeavor. The best wishes of the entire community go with them. They plan to move Thursday of this week.

Rev. Stoner, who was in town the fore part of the week getting acquainted, and his family will not move here until next week. However, he will have charge of services at the local church Sunday.

Rev. Stoner was pastor of the South Whitley church many years ago while your editor was publisher of the South Whitley Tribune and we remember him as a mighty fine man in every respect. Although we hadn't met for over thirteen years, it was a pleasure to renew acquaintanceship again Monday.

Rev. E. E. DeWitt, former minister at Mentone who has been stationed at Logansport, was appointed to serve at Larwill.

READING CLUB ENTERTAINED AT MRS. CLUTTER HOME

The Mentone Reading club was pleasantly entertained at the T. J. Clutter home on Tuesday evening, May 26th. Assisting hostesses were Miss Frances Clark and Mrs. Ernest Harvey.

The program was in honor of Mother's Day. Following the business session the president extended greetings to the mothers and guests and during the course of the evening two piano solos were rendered by Mrs. Snyder and Mrs. Cullum. Rev. C. C. Collins gave a talk on Mother's Day.

The evening was completed by the serving of delicious refreshments by the hostess and her assistants.

PERMITS FOR SUGAR FOR CANNING ISSUED HERE

Announcement was made Wednesday that housewives desiring sugar for canning purposes can secure the permits at Mentone and not be compelled to go to the county seat as the program started. Applications can be made at the schoolhouse on Thursday, Friday and Saturday evenings and Mrs. Charles Eaton is in charge.

Applicants must bring their sugar ration books and be prepared to state how much fruit was canned last year, how much was eaten and also how much she plans to can up until August first.

Considerable dissatisfaction was voiced by applicants who had made the long trek to Warsaw only to find the officials too occupied to handle the applications, consequently local citizens sought the aid of State Representative Creighton, who evidently was successful in securing more satisfactory arrangements for the rationing. The other small communities in the county will also have their own arrangements for issuing permits locally.

MEMORIAL PROGRAM WELL ATTENDED

Attendance at the Memorial Day program here Saturday was better than usual, according to those who are acquainted with former years. Alex Campbell, U. S. District Attorney, of Fort Wayne, gave a very interesting address.

FIRST BAND CONCERT TUESDAY EVENING, JUNE 9

Walter Bowers, director of the Mentone Community Band, announces that the first concert of the season will be held on Tuesday evening, June 9th.

These concerts are free and everyone is invited to be the guests of Mentone each Tuesday evening during the summer months.

Mr. and Mrs. Dean Bowen, from Quincy, Michigan, spent the week end visiting his parents, Mr. and Mrs. L. C. Bowen.

MRS. RAYMOND ROGERS VICTIM OF HEART ATTACK

Mrs. Raymond R. Rogers, 49, suffered a fatal heart attack at 11 o'clock Thursday night at her home in Newcastle township. Death occurred within a few minutes after the attack and before a physician, who had been summoned, arrived.

Mrs. Rogers, who has been a resident of Fulton county throughout her entire life, had a host of friends throughout the surrounding community.

Margaret Ruth, daughter of Bruce and Elnora (Black) Lowe was born in Fulton county, Indiana on January 23rd, 1893. In a ceremony solemnized in Indianapolis on April 23, 1915, she was united in marriage to Raymond R. Rogers. The deceased was a member of the Rochester Presbyterian church.

Surviving are the husband, three daughters and two sons, Nora, Ella and James at home, Rosella Rogers and Mrs. Rhea Dielman, of Rochester; Francis in the service of his country (Hawaiian Islands); a granddaughter, her parents, Mr. and Mrs. Bruce Lowe of Rochester; a brother, Ben Lowe, of South Bend; two sisters, Mrs. Harvey Clary and Mrs. Oneita Weller of Rochester.

Funeral services were held Sunday afternoon at 2:00 p. m. at the Zimmerman Bros. funeral home in Rochester. Interment was in the I. O. O. F. cemetery.

CHARLES SHAFER IN DRUG BUSINESS 44 YEARS

Charles Shafer, of the Big Drug Store at Mentone, states that 44 years ago Monday morning he started in as proprietor of the firm. He has been on hand to see the growth of Mentone in every way. New and better buildings have come into being, business people have come and gone, modes of travel and living have advanced. Charlie, who had been in business for himself seven years prior to purchasing the drug store here, still maintains a regular working schedule in the up-to-date firm he and his present partner, Jack Van Gilder, have in Mentone.

"THE CALL OF UNCLE SAM"

(This poem is written in honor of my brother who is in the Army Air Corps and stationed at Albrook Field, Canal Zone. Also to all the other American boys who are fighting in foreign lands. —Mrs. Carl Weirick, Mentone.)

Our boy was needed in a far away land,
He has heeded the call of our great Uncle Sam;
He was needed to help beat the foe
But we all hated to see him go.

Once he was a little tot with toys
that littered the floor,
But now he is a soldier, perhaps to
return no more;
Now his toys are tanks, guns and
planes,
And he is fighting through sunshine
and rain.

We wait anxiously for a letter from
our boy,
Even though it is censored it gives
us great joy;
For him who left us we pray each
night and day
That he can return back to us never
to go away.

We don't forget our lonely soldier
As he rests each night in camp,
We are asking God for Victory
And are buying Bonds and Stamps.

When in Town . . .
Stop at the . . .

REPORT EGGS BREATHE QUITE LIKE PEOPLE

Eggs breathe! They are quite like humans in that they give off carbon dioxide and take on oxygen, reports L. A. Wilhelm, Purdue University extension poultryman.

This process is distinctly harmful to the egg. As long as the egg shell contains large amounts of carbon dioxide the egg white is thick and jelly like. The yolk is firm and round.

But when this carbon dioxide gas escapes, the egg dries out rapidly, the white becomes watery, the yolk flabby, and the egg stale. To maintain eggs at their delectable best, they need be gathered several times daily, cooled rapidly, and kept cool, and then marketed frequently, says Wilhelm.

It has been a wasteful procedure for years to allow many eggs to get stale if not actually spoil. This year, Uncle Sam needs the eggs—and they must be good eggs, he says. Enough eggs are wasted through careless handling each year in Indiana to meet the increase necessary in fulfilling Indiana's part of the "Food for Freedom" program.

SUGGESTIONS ON FARM LABOR ARE PREPARED

Some suggestions for meeting a shortage of farm labor have been prepared by the Purdue University farm management department, it was announced this week.

These brief reminders are intended to help farmers use farm help to better advantage and also to point out some ways for farmers to supplement their present labor supply, it was explained.

Copies of these suggestions can be obtained by writing to the department of farm management at Purdue University, Lafayette, Ind.

LOCAL TRAINING CLASSES WOULD BE PROFITABLE

The U. S. Office of Education and Purdue University have been working together in the program to train men and women for vital defense positions, and the results that have been obtained in the communities where the classes have been held, are very gratifying. Our people are just as capable as those in other communities and if they chose to study Engineering drawing, blueprint reading, lathe work, drillpress operation, and a number of similar courses, they should be given the opportunity in our own community. It is unfair to ask them to drive from 20 to 50 miles for every class.

It wouldn't appear to be out of order for some local group or public-spirited citizens to investigate to see if some such training courses cannot be secured for the people of Mentone and vicinity. Employment in a defense plant may be the lot of most of us in the very near future and we should be given an opportunity to have the advance training that will permit us securing positions of a semi- or skilled-nature.

NEW LEAFLET AVAILABLE ON TEMPORARY SILOS

"Temporary Silos," a leaflet just released by the Purdue University Agricultural Extension Service, may be helpful to Indiana farmers in solving one of their storage problems. The author, Charles H. Reed, Purdue's extension farm building specialist, states that it is not too early for milk producers especially, and possibly cattle feeders, to think about their problems in storing forage, which may be made into silage.

When weather is unfavorable for making good hay, grass may be stored as silage. A temporary silo may be used to store grass silage, as well as canning refuse; such as pea vines, sweet-corn husks and cobs and stalks, which may be available in some localities. Plans for storing the fall ensilage crop need be made now, whether a permanent or temporary silo is contemplated because construction materials and labor probably will be less plentiful later than now.

The necessary preservatives usually used for the ensiling of grass and legumes, such as molasses and phos-

Official U. S. Treasury INDIANA WAR BOND QUOTAS FOR JUNE

WASHINGTON, D. C., June 1.—Henry Morgenthau, Jr., Secretary of the Treasury, today made known June War Bond quotas for the 3,070 counties in the nation to all State and County War Savings Staffs.

The June quota for the State of Indiana is \$14,876,200.

The county quotas, based upon a substantial increase over May quotas, are expected to reach ten per cent of income when the nation goes on a billion-dollar-a-month War Bond basis in July to help meet the war cost. "Everybody, every pay day, ten per cent," is the battle cry throughout the country. You can buy War Bonds at your Bank, Building & Loan Association, Post Office and at many department stores.

Quotas by counties are:

| | |
|---|--|
| Adams, \$40,800; Allen, \$917,600. | Madison, \$326,900; Marion, \$3,347,200; Marshall, \$66,700; Martin, \$12,300; Miami, \$102,400; Monroe, \$93,500; Montgomery, \$103,300; Morgan, \$36,600. |

U. S. Treasury Department

phoric acid, probably will not be available for this purpose. However, a table in this leaflet reports the amount of ground corn, corn-and-cob meal, and creamery by-products which may be used as a preservative.

Included in this leaflet are construction details for a trench silo, a type which has been used frequently in Indiana. Experience has shown that when such a silo is properly constructed and filled, it will keep silage as long and as well as any other type of silo. Also, suggestions for the construction of the snow-fence silo and baled-straw silo are included.

A copy of this leaflet, "Temporary Silos," may be obtained from the Department of Agricultural Extension, Purdue University, Lafayette, Ind., or from any Indiana county agricultural agent.

PROPER HANDLING OF CREAM ADDS TO FARM PROFITS

As in everything else, there is a right and wrong way to do every farm chore. The above chart shows right and wrong ways of carrying through certain farm practices connected with the handling of cream, as determined over many years of experience. No butter can be better than the quality of the cream from which it is manufactured. The main responsibility for the quality of butter consumed by the American people must ultimately rest on the cream-producing farmer.

After all is said, the big job in producing quality cream on the farm lies in keeping outside bacteria from contaminating the cream while fighting strenuously to keep the bacteria normally in milk at a minimum. Principally it is a task in sanitation: Clean barn, clean udders, clean hands, clean utensils, cooling of the cream immediately after separation, and frequent markings as simple as that.

To prevent foreign matter such as particles of dust or dirt, hair and similar bacteria-bearing substances from contaminating milk and cream, the person doing the milking should wipe the udder with a damp cloth, wash and dry his hands, and do his milking into a clean, well-tinned milking pail. The milk should be strained through a cotton-disc strainer and separated immediately. The fresh cream should be put into a separate can immediately and cooled to below 60 degrees. This rapid cooling will retard bacterial development which causes cream to spoil. Water cools cream a great deal faster than the coldest air. Plans for the construction of an efficient cream-cooling tank for the average farm, like the one shown in the illustration, together with instructions for its operation, may be had without cost from the state agricultural college or through the local creamery or cream buyer.

W. S. C. S. TO MEET FRIDAY

The W. S. C. S. of the Methodist church will meet Friday afternoon. Mrs. VanGilder is program leader and Mrs. Ilene Fenstermaker, devotional leader. All ladies are invited to attend.

Allen Blue, old time resident of Mentone, who had a sale of household affects Wednesday, will leave for Kewanee, Illinois Thursday to spend some time with his daughter, Mrs. Chas. Bruner.

Marilyn Lou and Carolyn Sue, twin daughters of Mr. and Mrs. Raymond Hudson, have been removed to their home. The babies born a month ago, have been kept in the incubator since birth.

Rev. and Mrs. Albert Barkman and Mr. and Mrs. Carl Rush and son, all of Detroit, Michigan, are expected to arrive Thursday for a visit over the week end. Mr. Rush will visit with his brother, Roy, at his farm home near Mentone while their friends will visit former acquaintances in and near Mentone.

MAY 30, 1912

(Head)—John Welch Dies Sunday At Home of His Son.

The fire department was called to the W. B. Doddridge home Sunday afternoon because of a fire in the kitchen roof. Damage of \$150 was covered by insurance.

Since Milford went dry, the merchants are having a heavy trade in suit cases. They are made to hold 6, 8 and 12 bottles. One merchant invites the public to call and have their measure taken for a suit case.

E. T. Johnson, of Fortuna, California, who recently came to visit his daughter, Mrs. David Ellsworth, has decided to spend the summer in Mentone. He is a landscape gardener by profession.

Mr. and Mrs. E. Candle came home from Lafayette to spend decoration day with Mentone comrades.

Russell Eiler and wife were visiting at John Creighbaum's last Sunday.

C. O. Blue and family attended the wedding of Mrs. Blue's sister, Bessie King, last Sunday.

Mrs. Barbara Baker and Mrs. Mattie Sarber of Argos, came last week

to visit at the Isaac Mollenhour home. Mrs. Sarber, who recently returned from a Chicago hospital, is in very poor health.

40 YEARS AGO

Taken from Tri-County Gazette
Published by C. M. Smith
MAY 29, 1902

The heavy wind storms that went over this section last Thursday did a large amount of damage. The barn of L. L. Mollenhour, northeast of town, was demolished and the steeple was blown from the Pleasant-view church, near Warsaw, breaking the bell and doing serious damage to the building.

A little frost was reported by early risers yesterday morning.

Rev. and Mrs. Frank Gates came home Thursday to visit with his parents before going to his new work in Nebraska.

Mr. and Mrs. Funk, of Atwood, were guests of Mr. and Mrs. Will Forst Sunday.

A number of Russell Thompson's little friends met at his home Tuesday evening in honor of his 10th birthday. The boys had a good time and lots of fun eating peanuts and playing games, but the funniest thing of all was the ghost act played by Russell's little sister, Ethel.

Mrs. George Summerland and daughter, of Wabash, are visiting George Booser's this week.

CITES REGULATIONS OF LIVE BAIT FOR FISHING

Regulations governing the taking of live bait for fishing were cited today by Harrell Mosbaugh, director of the Fish and Game, for the information of anglers anticipating the opening of the fishing season June 16.

Indiana laws provide that frogs cannot be taken before June 10th with a possession limit of 25 and that minnows cannot be taken before the 12th. Another statute requires that a permit be secured from the Division of Fish and Game by all persons who have 500 or more minnows in possession at one time or who engage in the business of taking and selling of live minnows for bait.

GAY NINETIES CELEBRATION AT MICHIGAN CITY JUNE 19-21

Michigan City, Ind., June 1.—Bearded tennis players cavorting in the dress of 50 years ago will be a familiar sight on local tennis courts during the Gay Nineties celebration here June 19, 20 and 21.

Michigan City's second annual open tennis tournament is expected to draw contestants from all over the middle-west.

Three Indiana men are eligible for promotion and have been placed on the waiting list for temporary appointments to warrant grades. Vern T. Vanderbur, Greensburg, and R. H. Gwinnup, Falmouth, electrician's mates, first class, are awaiting appointments to the warrant grade of electrician. Mortz N. Andrews, chief machinist's mate, is on the list for temporary appointment to the grade of Machinist.

Taking their place alongside ships of the fleet for outstanding service to the Navy, three more Indiana industrial firms will receive the Navy "E" burgee during the month of June. New winners of the award for excellence in fulfilling Navy contracts include the General Electric Corp., Ft. Wayne, June 13; Anaconda Wire and Cable Co., Marion, June 22, and the Durham Mfg. Co., Muncie, June 23.

The new additions to the Hoosier Navy "E" circle raise the total number of Indiana firms receiving the award to eight.

Training of electricians at Purdue University and signalmen at Butler University started on June 1 when 200 men arrived at each unit, the vanguard of 800 men scheduled to be in training at each Navy school by September of this year. Located in the Butler Fieldhouse, the U. S. Naval Training School there is under the command of Lt. H. C. Sigtenhorst, USNR. Commanding officer of the U. S. Naval Training School at Lafayette, is Lieutenant-Commander K. H. Nonweiler, USN, tempo rarely in charge.

Giving his occupation as a laundryman, George E. Barkdull, 17, of Anderson, has enlisted as apprentice seaman in the regular Navy. Nobody seems to know whether he's going to take a busman's holiday by washing his whites daily; go into the business of washing other gobs' togs, or just clean up on the axis.

Two Hoosier teachers have enlisted. Bernard A. Lindley, 35, of Coates as seaman second class for the construction regiment, and Stanley Ray

Stevenson, 29, of near Center Point, as apprentice seaman in V-6. The teachers hope their most recent proteges will do a little teaching of their own—in the form of a lesson to the Germans, Japs and Italians.

Another schoolteacher, James Milton Horner, 27, of Bedford, became the first married man to be sworn into Class V-7 since the Navy dropped its restriction against married men. A former teacher at Valparaiso high school, Horner will undergo a four months training course to become an ensign.

He's been called Captain all his life but he'll soon get used to being called "boot," which is the Navy's term for an apprentice seaman. The reason for the change—the new apprentice seaman's name is Ralph Eugene Captain of Eaton, Ohio. He enlisted at the Indianapolis Navy Recruiting station this week.

World War Navy veteran Ralph N. Rosenwinkle, 42, of Ft. Wayne, who enlisted in 1918, and went out four years later as a yeoman, second class, is back in the Navy again in the same rating. Rosenwinkle, who was a clerk in civilian life, is married and the father of one child.

The environment may be somewhat different but the routine will be pretty much the same for Harry Martin Schumacher, 26, who enlisted in the Navy this week as a ship's cook, third class. Schumacher is the owner and chief cook at the Main Cafe in Hartford City.

Frederick S. Mitchell, 36, Canadian-born Evansville machinist, not only has achieved United States citizenship but is going all the way as a citizen. He has enlisted in the United States Navy as a machinist's mate, second class. Formerly of Toronto, Mitchell has been employed as a machinist by an Evansville firm since 1935. He has sent his tools back to Evansville and he's on his way to Great Lakes.

Approximately 650 sailors and marines joined in cheering the Great Lakes Naval Training Station baseball team to a 15 to 1 victory over the Indianapolis Indians last Thursday night. The game was played for the benefit of the Navy Relief Society.

Don Dunker, of Seymour, former Indiana University pitching ace, was on the mound for the Great Lakes team. Between games Lieut. Tony Hinkle, former Butler University athletic director, received a "B" blanket from the Butler "B" men's club, and Lieut. Mickey Cochrane,

manager of the Great Lakes club, was presented with a Navy sword by the Indianapolis baseball club.

NUGGETS FOR BEREANS

"And he shall put his hand upon the head of the burnt-offering." Leviticus 1:4.

The word PUT in the above message means "to lean for support," and is translated "sustain" in Psalm 3:5. This act showed the offerer's identification with the sacrifice. It died in his stead. The penalty for sin was death, according to the law. So the only way to escape the wrath of God was to provide a substitute. Thus he LEANED UPON the sin-offering.

So few today know the blessed fact of the IDENTIFICATION with the sacrifice. So few can lay their hands upon the work of Christ and say, "I have been crucified WITH CHRIST, I have died WITH CHRIST, I have been buried WITH CHRIST, I am risen WITH CHRIST, and finally shall be forever WITH CHRIST." Some LEAN UPON their good works, they hope they are saved. Others LEAN UPON their teachers, but there is no certainty there.

There is only one certainty. It is when we LEAN UPON the one great offering, Jesus Christ the righteous. This is the only means of acceptance. This is the only righteousness. These will stand for time and eternity. Here is the only true ground of assurance. Is it yours?

—Oscar M. Baker.

MENTONE 4-H

The Foods division of the Mentone 4-H club met Wednesday, May 27. The members and two guests enjoyed group singing. A demonstration was given on measuring by Norma Jean Nellans. Helen Long gave a talk on preparing can lids and rubbers for use. Carol Weissert also gave a talk on cleanliness in sewing. The meeting was then adjourned to

meet again on June 3 at the regular meeting and June 18 at the next Foods meeting.

CARD OF THANKS

We wish to thank all the friends and neighbors for their kind assistance during the death of our son and brother. We also appreciated the beautiful floral offerings, the singing and the kind words of the minister.

Mr. and Mrs. Homer Fear
Mrs. William Warren
Mrs. Emmett Eaton.

YOUR CAR

How to Get the MOST out of It

STRETCHING YOUR TIRE MILEAGE

The vital importance of conserving rubber can't be overemphasized. Nor can it be stressed too often that you, as a car owner, can help save rubber by careful use of your tires.

Remember, you pay in good rubber for jack-rabbit starting, speeding, curb scraping and slam-bang driving.

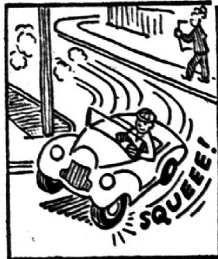

Learn your correct tire pressures by heart and check your tires at least weekly. Under-inflated tires build up excessive internal heat and create extra road friction. This wears out the tires and wastes gas. Mild over-inflation (2 or 3 pounds) is not harmful, but tires that are too hard bruise more easily, wear at the center and are not as skid-proof. Don't forget that pressures may vary as much as 5 pounds as a result of temperature changes, also that tires lose air by seepage even when there are no leaks.

Never drive without valve caps. They keep out dirt and help to keep in air.

Keep your tires away from oil and out of the sun as much as possible.

Keep your tires. Thefts are on the increase. Don't leave your car out at night. Jot down the tire serial numbers.

Note: This is the fifth in a series of articles based on the book, Automobile User's Guide, published by the Customer Research staff of General Motors. Next article: More About Tires.

CANNING STRAWBERRIES

(County Extension Office release)

One-half cup of sugar per quart of strawberries will be sufficient to make the canned product very palatable, says Miss Ruth I. Parker, county home demonstration agent. This is the amount of sugar allowed for canning by the rationing board.

Sugar does not affect the keeping of the canned fruit. The sugar in the fruit will be developed more fully if the fruit is fully ripened before canning. This will allow the strawberry flavor to be richer when the amount of sugar used is less than has been previously used.

Two suggestions for canning strawberries with our rationed sugar follows:

1.—Place cleaned, full-ripened berries in the top of a double boiler or in a saucepan set in hot water until the juice is drawn out. The berries may be crushed, sliced, or whole. No sugar need be added—or use only the half-cup allowed for one quart of fruit. Pack the hot fruit into containers. Be sure there is enough juice to cover the fruit. Process in hot water bath for five minutes.

2.—If homemakers use their favorite recipes for canning strawberries, use a light syrup instead of the medium syrup this year. If honey is used to substitute for part of the sugar, substitute not more than half of the sweetening called for with equal amount of honey. But if corn syrup is used, only one-third of the sweetening can safely be corn syrup, remembering that corn syrup is only half as sweet as sugar.

"ATHLETE'S FOOT"

Make This Overnight Test

It requires a strong penetrating fungicide to reach the germs. Many liniments and ointments are not penetrating fungicides. TE-OL solution is made with 90% alcohol which increases penetration. Feel it take hold. Get 35c worth from any druggist. Your 35c back next morning if not pleased. Locally at Shafer & Van-Gilder.

News of Mentone and Vicinity

Mr. and Mrs. Hubert Latham, of Tippecanoe, visited with friends at Mentone Friday afternoon.

Miss Virginia Rush has been visiting this week with her sister, Lena, in South Bend.

John and Ed. Latham, of Mentone, had dinner with friends at Culver a week ago Sunday.

Mr. and Mrs. Ben Foor, of Kendallville, spent the week end with Mr. and Mrs. Lewis Foor.

Mrs. Don Lyon, of Warsaw, spent the week end with her mother-in-law, Mrs. Jennie A. Lyon.

Ora Anderson, who suffered a paralytic stroke several months ago, is much improved at the present time.

Mr. and Mrs. Hugh Aughinbaugh and children of South Bend, visited Sunday at the J. W. Aughinbaugh home.

Mrs. Grace McCarty and Mrs. Blanche Zinn, of Frankfort, were visitors in the home of Dr. and Mrs. E. D. Anderson Sunday.

Catherine Phebus was taken to Indianapolis for a checkup at the Riley hospital Monday and her condition is reported very much improved. She was taken in the Reed ambulance.

Miss Eunice Reed, who taught in the Angola schools, is spending a few days at her home here prior to leaving for Colorado where she expects to take further schooling this summer.

Mr. C. E. Jones and daughter, Mary, of St. Johns, Ohio, were in Mentone over Decoration Day and Sunday visiting the former's father, E. E. Jones and Mrs. Jones.

Mrs. Frank Coplen has returned to the Dr. E. D. Anderson home after spending several weeks visiting her sister, Mrs. Ella Ewing, of near Rochester.

Mr. and Mrs. Donald Leizier, Barbara, Donald Jr., Larry and Dinus, of Fort Wayne, took dinner with Mr. and Mrs. James Lewallen of Tippecanoe a week ago Sunday. In the evening they enjoyed supper with their aunt, Zettie Latham, in Mentone.

Mr. and Mrs. J. D. Long and Sylvan and Mr. and Mrs. Russell Norris of Mentone, attended the funeral of Mrs. Raymond Rogers of Rochester Sunday afternoon.

Corp. Walter Lowmaster, of Camp Forest Tenn. is enjoying a furlough at the home of his parents, Mr. and Mrs. George Lowmaster at Tippecanoe.

Mr. and Mrs. Kenneth Guisinger, son William and Donald Guisinger, of Fort Wayne, spent Sunday with Mr. and Mrs. James Lewallen, of Tippecanoe. The evening was spent with friends at Mentone.

Mrs. Hazel Mitchell, two daughters and son-in-law of Fairmount, Indiana, visited friends at Tippecanoe on Sunday and on their return trip visited with Zettie Latham and friends at Mentone.

Mr. and Mrs. Ira Anderson and sons and Miss Mildred Anderson, of Evanston, Ill.; Dr. W. C. Anderson of Rockville, Ind., and Oran Davis, of Indianapolis, spent the week end at the Dr. E. D. Anderson home in Mentone.

Mr. and Mrs. Percy Swick, with their daughter, Mary Maxine Swick, and Miss Lorena Kuhn, all of Akron, returned Monday from a two days visit with their son, Pvt. Devon L. Swick, 39th Technical School Squadron, Jefferson Barracks, Missouri. Devon is in the best of health, is going to school and likes his work. He is in the Air Corps.

Mr. and Mrs. Roy Cullum and son Paul, of Chicago, spent Sunday evening at the Artley Cullum home visiting with their son and family. They were returning from a week end trip to South Whitley where they visited Mr. Cullum's mother, Mrs. Bertha Cullum, and other friends.

This vicinity was visited with a heavy rain and wind storm early Monday morning and along with the fine rain came some hail and a lot of wind. Very little material damage was done in town other than blowing down a few tree limbs. The tool shed on the Joe Baker farm west of town, was badly shattered by a stroke of lightning and one lamb was killed. The sheep had bedded down next to the shed. Corn cribs on a farm east of town also were

reported struck by lightning. The rain didn't extend very far in any direction but another shower arrived late in the day that hit most of the area missed Sunday night.

Dr. E. V. Herendeen of the Woodlawn hospital of Rochester and Dr. L. C. Meek of Tiosa, were called to Talma on Tuesday afternoon where they held consultation at the bedside of Mrs. O. C. Montgomery, who has been quite ill for the past several days. Mrs. Montgomery had two nurses caring for her, Mrs. Sam Burket of the Woodlawn hospital being the day nurse in charge and Mrs. Frank Southern the night nurse. Mrs. Montgomery is suffering from spasmodic bronchitis. Her condition is still about the same. She will be confined to her home for some time. John Miller, of Talma has suffered with three heart attacks during the past few days and is confined to his home under the care of Dr. Herendeen of the Woodlawn hospital.

ALLEN SHIREY GIVEN HONOR RATING AT GREAT LAKES

(Released by Public Relations Office, U. S. Naval Training Station, Great Lakes, Ill., by Lt. Roger Q. White) Great Lakes, Ill., May 29.—Allen Guido Shirey, 25, of Mentone, Ind., has been chosen honor man of his company, now in recruit training at the U. S. Naval Training Station here.

A cloth cutter for two years for the Playtime Products Co., Warsaw, Ind., Shirey left his position several weeks ago to enlist as an apprentice seaman. Through a series of aptitude tests given the 130 men of his company, he has been selected to attend

one of the Navy's service schools upon graduation from training June 6.

The honor man was graduated in 1935 from Mentone High School, where he won athletic letters in baseball and basketball. His wife, Mary, lives in Mentone.

Shirey's brother, Paul, 27, who worked at the Inland Steel Mills in East Chicago, Ind., is also in training here. The brothers' parents, Mr. and Mrs. Edwin Shirey, live on route 5, Warsaw.

GIVEN HONOR RATING

Dale Lightfoot, son of Mr. and Mrs. Lester Lightfoot, was one of two in his company selected to take an officers' training course in the Ordnance Department at Aberdeen, Md. He arrived at his new station Monday.

HARRISON TOWNSHIP \$80

SHORT ON U. S. O. QUOTA

As chairman of Harrison township on the U. S. O. drive, I wish to personally thank those who have so generously assisted by their efforts and contributions amounting to \$394.70. Some were missed in the soliciting and some failed to cooperate. To these we are appealing for your voluntary offering to help us meet this amount for which we have been asked. There will be no further soliciting. It is up to each individual to answer to the boys when they return, whether or not we have backed them up and made it possible for them to have some fun along with the grim tasks they were required to perform.

MRS. SARAH SINGER, 87, BURIED AT WABASH

Funeral services for Mrs. Sarah Singer, 87, mother of Mrs. Herschel Nellans, of Mentone, and Mrs. Ebel Coyner, Frankfort, were held Monday afternoon at the Wabash Methodist church. Dr. Franklin, pastor of the Frankfort church, assisted by Rev. Brubaker, of the Dunkard church, officiated, and interment was in the Bright cemetery at Wabash.

Mrs. Singer passed away late Friday night at the home of Mrs. Coyner, where she was visiting. Death followed an illness of two years and was due to complications.

Surviving, other than the daughters, are two grandsons, Max and Dale Nellans, and Mrs. Helen Black, all of near Mentone.

FIRST AID CLASSES TO START FRIDAY EVENING, JUNE 19

The class in First Aid, which is to be conducted by Dr. Urschel under the auspices of the Civilian Defense and the American Red Cross, will hold its first meeting on Friday evening, June 19th, at 8:00 o'clock. The place of meeting will be announced in next week's Co-Op. News.

All interested in taking this course should leave their name at Dr. Urschel's office as soon as possible.

It has been suggested that all volunteer and auxiliary firemen should avail themselves of this opportunity to get this First Aid training.

SOLDIER REPORTED INJURED

Mr. and Mrs. Peter Grubbs, in a rather round about manner, have received word that their son, Jesse, had been injured. The report was that his army truck had been struck by a freight train and he suffered a fractured skull, broken arm and a number of broken ribs. They have received no confirmation of the report to date.

About a year ago, it is said, the same boy suffered injury and was in an unconscious state for several days before the parents were notified.

It is to be hoped that the injuries, if any, aren't serious.

MENTONE 4-H'S PLACE AT ANNUAL STATE ROUNDUP

Wilfred Deaton, of this place, won third place in the individual poultry and egg judging at the 24th Annual Purdue Round-Up at Lafayette and his score helped his team take 8th place in the state contest. The other members of this team were Eugene Sarber, Leonard Smith and Dean Nellans.

The contest was one of many at the three-day 4-H conclave in which over eighteen hundred club members and leaders attended. The meeting ended Wednesday.

FAREWELL GATHERING FOR REV. AND MRS. COLLINS

A group of church people and friends of Rev. and Mrs. C. C. Collins gathered at the church basement Monday evening to bid farewell and extend best wishes for their future work at Ligonier. Rev. and Mrs. Collins have been with us two years and during that time have endeared themselves to not only the membership of the Methodist church but to everyone in the community.

A bounteous carry-in supper was enjoyed by all those present.

SON IS BORN

Mr. and Mrs. Byron Gordon, of near Talma, are the parents of a boy born at the Woodlawn Hospital in Rochester. The new arrival has been named Dale Eugene. Grandparents are Mr. and Mrs. John Gordon, of near Talma, and Mr. and Mrs. Riley Shoemaker, of near Mentone.

AUTO USE STAMPS ON SALE

Automobile use stamps effective for the fiscal year beginning July 1, went on sale Wednesday at the Mentone postoffice. The stamps sell for \$5 and expire on June 30, 1943.

Captain and Mrs. Thurman Ridgeway, of Selma, Alabama, are visiting at the home of the lady's parents, Mr. and Mrs. Ray Rush, and family. Captain Ridgeway is in the Air Corps.

FRANCES LAIRD AND DEAN SHIREY MARRIED SATURDAY

Miss Frances Laird, daughter of Dr. and Mrs. Leslie Laird, of North Webster, and Dean Shirey, son of Mr. and Mrs. Edwin Shirey, of near Mentone, were married at the Methodist parsonage at Goshen at nine o'clock Saturday evening. Rev. Brown officiating at the single ring ceremony. Wilma Troxel and Max Huffer were the only attendants.

The bride graduated from the North Webster high school this year and is employed by the Northern Indiana Telephone Company at Warsaw. The groom graduated from the Mentone high school in 1940 and has been employed at the Farmers State Bank here as bookkeeper for the past year. Both young people are well known and have the best wishes of everyone for a happy and prosperous married life.

ELECTED PRESIDENT OF INDIANA R.O.P. BREEDERS

(Purdue News Service)

Chas. L. Manwaring, co-manager of the Manwaring Leghorn Farm, of Mentone, was elected president of the Indiana R. O. P. Breeders Association at a meeting of the directors of that association just held at Lafayette, Ind. He succeeds Joe W. Sicer, now a member of the staff of the Purdue Poultry Department.

Mr. Manwaring has been actively interested for several years and has been co-manager of the Manwaring Leghorn Farm since 1939.

The Manwaring farm has been in operation over 30 years and is recognized as a leader in the breeding of trapnested, pedigreed White Leghorns.

Mr. Sicer was elected secretary of the association and has been designated by Dr. J. Holmes Martin, head of the Purdue Poultry Department, to serve as supervisor of the R. O. P. program in Indiana, one of the largest R. O. P. programs in the U. S.

A 7½-pound daughter, Sandra Kay, was born to Captain and Mrs. Alfred Muter at the McDonald hospital last Friday. Captain Muter is head of the Salvation Army for this area.

MARGARET SWICK, DOYLE EARWOOD MARRIED SATURDAY

Miss Margaret Swick, daughter of Mr. and Mrs. Fred Swick, Mentone, and Doyle F. Earwood, son of Mr. and Mrs. M. F. Earwood, Baileyton, Ala., were united in marriage Saturday at the Swick home. The single ring ceremony was read at 8 p. m. by Rev. A. J. Bachman, of Detroit, Mich. Mrs. Earl Smalley of Warsaw preceded the ceremony with several piano selections followed by H. V. Johns, Mentone, singing "Walking Into the Sunset" and "Oh, Sweet Mystery of Life," accompanied at the piano by Mrs. Johns. To the strains of Lohengrin the wedding group formed before an altar of ferns, pink and white peonies and candelabra. The bride was lovely in a floor length white brocaded organdy with hooped skirt. A fingertip veil was caught in her hair with white roses. Her arm bouquet was of white gladioli and Shasta daisies. Her attendant, Miss Betty Norris, New Paris, wore a floor-length dress of pink organdy over taffeta and carried an arm bouquet of pink gladioli, delphinium and daisies. The groom was attended by Lamarr Plunket of Marcy, Louisiana. Forty guests were present.

Following the reception the bridal couple left on a short honeymoon. They will reside at 13239 Steel St., Detroit, Mich. The bride is a graduate of the Mentone high school and Wayne Beauty University, of Fort Wayne. Mr. Earwood is a graduate of Cullen high school and Harding college, Searcy, Ark. He is now working in the Ford offices at River Rouge, Detroit, Mich., and also is a minister in the various Churches of Christ in Detroit.

FIRST BAND CONCERT HELD TUESDAY EVENING

The first open air concert of the 1942 season was held at Mentone on Tuesday evening and a good many of our country friends were here to enjoy the music of Director Bowers and his young musicians. The concerts are free and will continue each Tuesday evening during the summer season.

JUNE 3, 1902

The Indians of Grant county and the south part of Wabash and Miami are preparing, through their attorney, to lay claim to several thousand acres of land in that part of the state which, they say, was taken away from them illegally.

Last Monday, as Mrs. Benjamin Sholtz, of near Beaver Dam, was coming to Mentone in a buggy, she met an auto about a mile south of town and her horse took fright and turning around upset the buggy, throwing Mrs. Sholtz out and hurting her quite seriously.

Mrs. Arnold and Mrs. Downing, of Claypool, mother and sister of Mrs. C. W. Tucker, visited her last Sunday.

Mrs. Alice Norton, of West Trinity, Ohio, and Miss Lou Borton, of Bourbon, were guests of Austin Milbern's Tuesday.

When it comes to frightening horses, the traction engine isn't in it with the automobile. The next legislature will be asked to make a law regulating the acts of the frisky "critter."

George Minear is improving his residence on Franklin street by building an addition and otherwise changing it into a modern cozy cottage.

MENTONE FOUR-H CLUB MEETS

The Mentone 4-H Club met at the school house on Wednesday, June 3, for their bi-weekly business meeting. Twelve members answered the roll call question. "What I Owe My Club."

A demonstration concerning the rules of good posture was given by Frances Baum. Several games were played, and then the meeting adjourned. The next meeting will be on June 17 at the school house.

—Josephine Creighton.

YOUR CAR

How to Get the
MOST out of It

KEEP 'EM ROLLING

Did you get 10, 20 or 40 thousand miles off your last set of tires? If you want to graduate into the 40 thousand class with those on your present car, here are some things to watch:

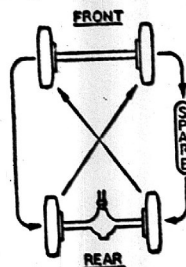

Have your wheels balanced, and check them for alignment at least twice a year. Improper alignment causes the tires to drag instead of roll. Improper balance scrapes off the tread in waves. Watch your brake adjustment too, because uneven brakes cause wear in one spot.

Criss cross your tires every four to five thousand miles. This evens tread wear and keeps your spare in use. Five tires used 16,000 miles each is better than four tires used 20,000 miles plus one unused spare. Rubber degenerates rapidly without exercise.

Watch for tread cuts and have them repaired immediately. If you have to store tires, keep them in a dark cool room out of air currents.

Tires that have been retreaded or recapped will give many more miles of service, but don't drive at excessive speeds with them.

Note: This is the sixth in a series of articles based on the book, *Automobile User's Guide*, published by the Customer Research staff of General Motors. Next article: *Lubrication*.

ARTLEY D. CULLUM, Ed. & Mgr.

A LOUD FIGHT

A few years ago I heard a man remark that: "He didn't care for a loud fight."

That man wanted action and not a lot of idle or useless words. The fight we have on today would progress a lot faster and smoother if there wasn't so much loud talk by high-salaried nit-wits. It wouldn't be quite so bad if about all of them didn't think they had to make a definite statement every time some reporter asked them a question.

One day the newspapers blast out that some ten-thousand-a-year man says we haven't rubber enough to back the old bus out of the garage and the next day we hear that we won't have to worry about tires for regular trips to the seashore. One day its one thing and the next it is something else. This week some bird with a hair trigger and no sights tells us to stick our use-tax sticker on the windshield as we will have to have it when we go to get our gas-rationing card. I suppose he means we'll have to amble the old bus up three flights of stone steps, through a couple of revolving doors and park it at attention in front of some well-varnished desk where it can show its number, swear to how many miles it can make on a gallon and attempt to prove that it can make enough noise to entitle it to a sena-

Flag Day --- Sunday, June 14th

torial X-card.

Everyone of those boys would be worth the money the American people are paying them—if they'd just refrain from expressing themselves in an audible manner.

Mrs. John Davis and daughter, Mary Elizabeth, of Oswego, New York, arrived Thursday to visit her mother, Mrs. Jennie Lyon, and other relatives.

| Pike or Pickerel | 6 | None |
| Yellow Perch | None | None |
| Channel catfish*** | None | 10 |
| *25 in aggregate, all fish named | | |
| **6 in aggregate, all fish named | | |
| ***No closed season. | | |

Increase Milk Production

Decrease Dangers of Disease and Infection

CATTLEZE

THE SCIENTIFIC CATTLE SPRAY

for Cows, Horses, Mules and Swine, and for spraying barns, stables, sheds, poultry houses.

Cattleze kills and repels flies and other tormenting and disease-breeding insects . . . protecting cows and live stock in barns or in pastures. It is surprisingly pleasant to use as it does not stain, discolor or gum the hair, nor will it burn or blister the hides.

Milking and feeding are made easier by Cattleze because cows and other farm stock remain unmolested and quiet.

Cattle that are freed from the agonizing torments of insects are healthier. They give more milk and better butter.

Cattleze has a natural petroleum odor and is a powerful repellant and destroyer of flies without any unpleasant odored ingredient.

Cattleze can be applied with either a hand or compressed air sprayer. It aids in preventing infection of wounds and sores by killing and repelling the most common carrier of disease bacteria, the ordinary house fly.

A clear, clean dependable spray that does not tend to taint milk.

Co-Op Oil Station

Two Hoosiers who served through the first world war together and already have sons in the armed services in this war returned on the same day this week to do their share again. Elmer E. Hawley, 55, Warsaw, radio repairman, enlisted this time as a radio technician, second class, and he has a son James, 23, attending the Army's radio school at Camp Upton, D. Webster, 44, Clay City, plumber, whose son Cecil, Jr., is a seaman in the Navy, returned to the Navy as a shipfitter, first class, one class higher than the time he left when he left the Navy in 1922.

The Navy recruit in the Indiana Navy recruiting area who writes the best fifteen-word statement of "Why I Joined the Navy" between June 10 and 17 will receive a \$50 war bond from Red Skelton, Indiana born comedian.

Through a special arrangement with the officer in charge of Navy recruiting for the Indiana area, Skelton has made the offer for a contest to be held during the week in which "Ship Aboy" motion picture, in which Skelton is a star, will be shown in Indianapolis. Since all who enlist in the Navy in the Indiana area can date their enlistment at the Indianapolis Navy recruiting station, each Hoosier Navy recruit will be asked to make the contest statement.

There's only one reason behind the enlistment of Kenneth Poy Lee of Ft. Wayne. A Chinese-born American citizen, Lee's mother, two brothers and 21 other relatives live in China. Lee returned to the United States ten years ago but he knows what war against the Japanese means - he was in China again when the Japanese started their war on his native land. He returned to this country in 1939.

Anderson, Vincennes and Indianapolis joined other cities throughout the nation in the United States Navy's "Avenge Pearl Harbor Day" last Sunday. At exactly 1:24 p. m. 7:55 a. m. Honolulu time - just six months to the minute since the Japanese attacked Pearl Harbor, all recruits en-

listing at any of the Navy's 500 recruiting stations and sub-stations in the United States between May 31 and June 7 were sworn in simultaneously by Naval officers. Governor Henry F. Schricker participated in the ceremony at the Hoosier capital.

Famous only as the words of a song for many years, "The Banks of the Wabash" became a value to the Navy early this month with the opening of a U. S. Naval Training school for electricians on the Purdue University campus. Two hundred Navy students are now quartered there.

At the same time 200 prospective Navy signalmen reported to the Butler Fieldhouse for training at the Butler University Naval school, and Indiana University officials began tidying up for inspection. A yeoman school is scheduled to open there on July 15 when 300 students will arrive.

Three more Navy Relief chairmen have been named to conduct fund raising campaigns in their respective cities. Wallace Favorite will handle Navy Relief for Huntington, Orvan Cohee for Frankfort and Barton Allen for Wabash. They will form local committees to assist State Navy Relief chairman Paul Fisher of Indianapolis.

Kenneth C. Dazey, 34, 106 W. Chestnut St., Crawfordsville, worked on a naval base at Bermuda as a caterpillar operator employed by a private construction firm in his civilian days. Now he's going to get a chance to see that base from another viewpoint, because he has enlisted in the Navy itself as fireman, second class. He has worked for various firms over the country as crane operator, caterpillar operator and general construction worker.

Having spent a fifteen-months hitch in the army, Herbert J. Howerton, 33, 1053 1/2 Vine St., Evansville, has joined the Navy as an apprentice seaman.

Gale Dalrymple, 24, Huntington, spent four years prior to 1940 in the Navy. Now he's back in the Naval service as aviation machinist's mate, third class. He was sent to Norfolk, Va., training station.

Here's good news for future Navy enlisted men. James Edward Williams, 25, Lebanon, employed there as a cook for six years, has enlisted in the Navy as a ship's cook, third class.

Russell Harry Burgess, 43 year old

A LOOK AT THE BOOK

DR. BOB JONES, JR.

PRESIDENT OF
BOB JONES COLLEGE

Cleveland,
Tennessee

Possibly none of the words of Christ are more often quoted than these, "And ye shall know the Truth, and the Truth shall make you free" (John 8:32). They lend their beauty to many a political speech and many an educational lecture. They gleam like brilliant gems amid the rubbish of many a sterile sermon. They are engraved on the walls of university libraries and carved over the doors of college chapels.

In one sense there is freedom in all truth. However, truth is arrived at by two different ways. Some truth comes by discovery; some truth by revelation. The scientist in his laboratory, by experiment and research, may discover truth in the realm of science. The biologist, the botanist, or the chemist may discover truths of natural law and use those truths to free man from the scourge of disease. The archaeologist may uncover truths from buried civilization and free men from false ideas about nations long since vanished. By the trial and error method, many may attain to truth, and truth brings freedom from error.

Spiritual truth, however, comes by revelation from God Himself.

—Released by the Gospel Fellowship Association

God, who in Himself is the embodiment of all truth, reveals Himself to man in the person of the Lord Jesus Christ, His Son. The truth of man's lost condition, the truth of the life hereafter, the truth of the person and love of God is revealed in the Bible, the Word of God. Truth which man discovers for himself frees him from error, but only the truth which God reveals frees man from sin and its power and its penalty. The mind of man by searching cannot discover God, and only God in the person of the Lord Jesus Christ is able to strike off the shackles of habit and sin and weakness which bind man body and soul. This eternal freedom which evades human discovery but comes as the gift of divine revelation is found in the Lord Jesus Christ. He who said, "And ye shall know the Truth, and the Truth shall make you free," said of Himself, "I am the Truth"; and only God's Son frees man from self, from his own sinful passions and tendencies, and from the condemnation of his sin.

Wonderful words, these, "the Truth shall make you free," but completely realized only in Christ, the Incarnate Truth. "If the Son therefore shall make you free, ye shall be free indeed" (John 8:36).

Westfield barber, will soon be doing his hair-cutting aboard ship. He has enlisted in the Navy as an apprentice seaman.

Robert H. Adkins, 31, of route 6 near Bloomington, has enlisted in the Navy as a painter, third class.

NUGGETS FOR BEREANS

The people of Berea were not called more noble because they referred to the newspapers and the radio news to "verify" (1) certain prophetic guesses that the apostle Paul made. See Acts 17.

They were not more noble because they received their information on doctrinal subjects from the dictionary or the commentaries.

They were called more noble because (1) they received the Word with all readiness of mind, and (2) they searched the Scriptures daily to see if Paul was teaching the truth.

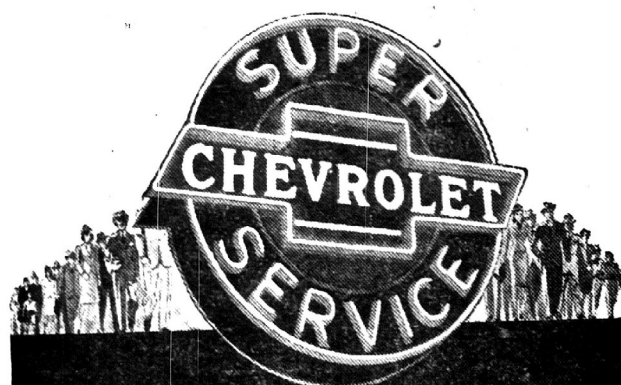

Some time ago I made the statement that "The little that most Christians know about the Bible is what someone else told them." The traditions of the church and the interpretations of the church fathers receive more consideration than the

Word itself. Not one percent of the church members carry Bibles to church with them; nor can they remember what text the minister used after a service is over. Ignorance of the Word is openly confessed by those who call themselves Christians. If any new doctrine is brought up, they immediately begin to object, saying, "Our pastor doesn't believe that way," or "That isn't the way our church teaches."

Those who are supposed to minister the word are equally at fault. They will bolster up their statements by referring to the opinion of a certain leading Bible teacher or harking back to that moth-eaten excuse, "All authorities agree," etc.

No one can speak with any authority on any doctrinal subject until he has searched out every passage of Scripture that in any way refers to it, put them all in order, and carefully marked the dispensational boundaries. Even then his work is not completed. Every word should be looked up by use of concordances, finding every occurrence in the original and carefully noting the various translations, not only the A. V., but in several other versions as well. After all this is done, he is just about ready to begin to study the subject. Of course a useful hint might be gleaned from the dictionary or the commentary, but for the most part, they will be more of a hindrance than a help to the real Berean.

—Oscar M. Baker.

Your Own Judgment Will Tell You:

More people go to

**CHEVROLET
DEALERS
FOR SERVICE**

than to any other dealer organization

- ... because for years more people have purchased Chevrolets than any other make of car.
- ... because for years more people have purchased used cars from Chevrolet dealers than from any other dealer organization.
- ... because Chevrolet dealers specialize in giving skilled, dependable service on all makes of cars and trucks.

COX CHEVROLET SALES

News of Mentone and Vicinity

The Girl Scout White Elephant sale will be Saturday, June 13, at the old hardware building.

Roy Rush and daughter Eleanor Frances, spent Saturday and Sunday in Indianapolis visiting friends.

Eunice Reed left Wednesday afternoon for Colorado Springs, Colo., where she will spend the summer attending a Spanish school.

Somewhere near fifty 4-H Club members of this vicinity left Monday for the 4-H Club gathering at Purdue.

Mrs. Willard Zolman, Mrs. Carl Zolman, Mrs. Wayne Zolman and son and Mrs. Alfred Mock and son spent Tuesday afternoon in Rochester.

Corporal Willis Lawmaster left on Wednesday for Camp Forrest, Tennessee after spending seven days with his parents, Mr. and Mrs. Geo. Lawmaster, of Tippecanoe. Willis had been stationed at Camp Shelby, Mississippi for a year.

Friday night a party of ladies enjoyed a wiener roast at Lakeview park, on Road 13 northeast of Warsaw. They were Violet Jones, Dorothy Nottingham, Margaret Ann Ward, Annabelle Baker and friend of Chicago, Ijra Gustavson, and Marjory Hill and Jean Manwaring.

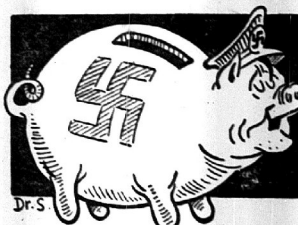

Dale Kelley, principal of the Mentone schools, is enjoying a trip to California. He is making the trip as a driver in a caravan of Pontiac taxicabs that were being delivered to the west coast.

William Blodgett was brought to the home of his son, H. O. Blodgett, Sunday, from his home at Nappanee. He is 94 years of age and has been sick for about six months, but is feeling much better and is eating heartily. Incidentally, Mr. Blodgett has all his permanent teeth but three and one of those was ruined cracking a hickory nut.

Mr. and Mrs. Wayne Zolman entertained at a dinner Sunday in their home near Tippecanoe. The affair was in honor of the third birthday anniversary of their son, Jimmie. Guests were Mr. and Mrs. Willard Zolman, Mr. and Mrs. Carl Zolman, and Mr. and Mrs. Alfred Mock and son.

Mrs. J. R. Hatfield and children of North East, Pennsylvania, arrived Sunday for a visit with her parents, Mr. and Mrs. Ira Borton. They expect to return to their home Thursday where Mr. Hatfield is a signal maintainer for the Nickel Plate railway. It is reported that Mr. Hatfield, in his spare moments, is indulging in a bit of victory garden work and in an effort to beautify his home, afford a bit of shade and still produce

food, planted string beans for and aft of his home. He hopes to be able to pick them this fall without getting off the porches. Miss Mary Jane Borton, of Fort Wayne, spent Wednesday afternoon and evening visiting her sister and parents in Mentone.

PLOTNER MOLLENHOUR

Miss Flo Mollenhour, of Argos, daughter of George Mollenhour of Mentone, and Mr. Robert Plotner, son of Mr. and Mrs. John Plotner, Warsaw, were united in marriage on Sunday, June 14, at 2:30 p. m. at the home of the bride's parents. The single ring ceremony was performed by Rev. E. M. Cornelius of North Manchester at an improvised altar banked with ferns, madonna lilies, peonies and roses. A piano recital preceding the wedding was given by Miss Jean Manwaring of Mentone. Two vocal selections, "At Dawning," and "Love Of Mine," were beautifully rendered by Miss Delta Ivan Doran of Burket. The bride descended the stairs on her father's arm to the strains of the Lohengrin wedding march to meet the bridegroom at the altar. The bride was beautifully attired in a floor length dress of white organza over white slipper satin. She wore a finger tip veil with a crown of white rosebuds. Miss Mollenhour carried her mother's white satin covered Bible and a bouquet of Dr. Van Fleet roses. Marjorie Mollenhour, sister of the bride, and Donna Mae Ellis, niece of the bride, preceded the bride down the stairs, scattering rose petals from a white basket. Mrs. Ellsworth Kneeland, of Rochester, was matron of honor and Mr. Ellsworth Kneeland, Rochester, cousin of the bridegroom, acted as best man.

Immediately after the ceremony refreshments of ice cream, cake and coffee were served to the parents and immediate families of the bride and groom, a host of friends and out of town guests. After a short honeymoon the newlyweds will reside in Argos.

FINGERLING BASS LIBERATED

The Mentone Conservation Club received ten cream cans of fingerling small mouth bass from the Rochester fish hatchery Wednesday. They were placed in the Tippecanoe river and its tributaries.

"Sell it with a Want Ad!"

WILLIAM LEININGER BURIED SATURDAY

Final rites for William Leininger, 67, who died Thursday at his home near Akron of complications, were held Saturday at 2 p. m. at the Bethlehem Baptist church, with burial in Rochester I. O. O. F. cemetery. He was born Dec. 2, 1874, the son of David and Hester Thompson Leininger and spent his entire life in the Akron community. He wed Anna Heighway in 1899. He was a member of the Bethlehem church.

Surviving are the widow, three brothers, Oliver and Sydney, Akron, and Clarence, Mentone; one sister, Mrs. Lum Smith, near Mentone; two sons, Kenneth, also of near Mentone and Marion of near Akron, and four grandchildren.

NEW MINISTER AT BAPTIST CHURCH

Rev. Emmet C. Ralston and wife, of Tampico, Illinois, arrived the fore part of the week to assume charge of the ministerial work at the Mentone Baptist church. Rev. Ralston will have charge of the services on Sunday.

Rev. Fowler and family, who formerly had charge of the work in the church here, recently left for California where Rev. Fowler is engaged personell work with the Kinner Aircraft Motor Co. Rev. and Mrs. Fowler were mighty fine people in every respect and had a host of friends who extend best wishes for their continued success and happiness.

BROTHER DROWNS IN WEST

James Gill recently received word that his brother, Sam, had drowned in Fort Peck Lake in eastern Montana.

A news story from the area stated that six people lost their lives when wind upset their boat in the Big Dry section of the man-made Fort Peck lake. One man in the party was all that escaped.

Mr. Gill, a former rancher in the area, sold his ranchland to the government while the giant flood control and power dam was being built by the War Department.

MRS. JACOB METZGER TO BE BURIED FRIDAY

Funeral services will be held at two o'clock Friday afternoon at the Devon Jones home at Sevastopol for Mrs. Rosella Hall Metzger, 71, who died at her home southeast of Silver Lake Wednesday morning at six a. m. Rev. George Deaton will officiate and interment will be in the Mentone cemetery. The body will be removed from the Reed funeral home at Mentone, to the Jones home on Thursday morning.

Although Mrs. Metzger had not been well for the past four years, her death was attributed to a sudden heart attack. She was born Nov. 16, 1870, in Ohio, the daughter of William and Elizabeth Higgins. She resided for many years near Sevastopol, moving to the Silver Lake vicinity three years ago. She was a member of the Mentone Baptist church.

Surviving relatives are the husband, Jacob Metzger; daughter, Mrs. Devon Jones, Sevastopol; two grandchildren, Gaylord Jones, Syracuse, and Juanita Jones, Fort Wayne, and one great-grandchild.

FIRST AID CLASSES TO START FRIDAY EVENING

The first session of the First Aid classes will be held at Dr. Urschel's office at 8:00 p. m. on Friday evening, June 19th. This is a registered Red Cross class, and those who successfully complete the course will receive certificates.

Bring notebooks and pencils. Don't wear your good clothes—we have to have "victims."

Textbooks should be purchased by each student. They cost 60c each and will be on sale at the class sessions.

BAND CONCERTS AT 8:30.

Walter Bowers, director of the community band, announces that the concerts will not start until 8:30 on Tuesday evenings. This will give the farm folks a little more time to do their farm work before coming to the concerts.

SCRAP RUBBER DRIVE ON IN FULL SWING HERE

The citizens of Mentone and vicinity are doing their part in the drive to secure all the scrap rubber they can for the war effort, judging by the piles of rubber articles that are growing at the filling stations in town. R. H. Brown, of Warsaw, who is county chairman, was in Mentone Wednesday and appointed C. J. Paulus as local chairman.

There are thousands of tons of old rubber lying around doing no one any good while it could be used to relieve the rubber shortage that now exists. The old rubber can be reclaimed and a good part of it used in equipping machines badly needed by our soldiers, sailors and airmen. In addition, it can be used for repairing auto tires and possibly avert nation-wide gasoline rationing.

The campaign ends at midnight on June 30th.

Filling stations are authorized to pay one cent per pound for the scrap rubber and the government is to reimburse them at the rate of 1½c per pound. The difference between the two prices is to be donated to the United Service Organizations, the Red Cross, Army Relief and Navy Relief. No profit is to be made anywhere and no usable items are desired. The government regulations suggest that scrap buyers cut or mutilate any items that might be usable so that everyone will know definitely that the material isn't to go into the hands of any firms or individuals for resale at a profit.

BAKER INFANT DIES WITH WHOOPING COUGH

David Everett, seven weeks old son of Mr. and Mrs. Leonard Baker, of Kingsbury, died Tuesday evening of whooping cough.

Funeral services were held at the home of Mrs. Rose Baker Wednesday afternoon at four o'clock. Rev. Ralston officiated and burial was in the Mentone cemetery. The Johns funeral home was in charge.

F. R. Burns, proprietor of the Quality Bakery, is now located in his new building which he recently purchased and remodeled, across the street from the Mentone Lumber Co. Mr. Burns has installed a complete new outfit in the building—a new Hubbard Portable Oven, with a capacity of 260 loaves and a new electric mixer which will mix 400 loaves at a time.

Mr. and Mrs. Fred Evans, of North Manchester, spent Sunday with Mr. and Mrs. Frank Lyons.

Mr. and Mrs. Omar Igo and children, Lillian and Edgar, spent Sunday with Mr. and Mrs. Floyd Tucker.

Mr. and Mrs. John Goodman and Mrs. Mary Tucker went to Lafayette Tuesday to attend the Purdue graduating exercises. Two Mentone boys, Chancy Goodman and Kenneth Kinsey, will receive diplomas at this time.

Misses Ruth Aughinbaugh and Jessie Gill left Wednesday for Bloomington, where they will take up their school work.

JUNE 12, 1902

The Mentone automatic telephone system, which has been in operation more or less successfully for the past three months, has been purchased by the Mutual Telephone Company, of Seward township.

Mrs. Joseph Hartman, of Palestine, was severely injured by a thunder bolt last Friday evening. She was at home alone and when her husband arrived he found her lying on the floor unconscious while the ravages of the lightning were seen about the premises.

Mr. and Mrs. Ford Grimes and son Irving, of South Whitley, Mr. and Mrs. Isaac Kessler, Eddie Kessler and Miss Olive Dille were the guests of Mr. and Mrs. George Kessler Sunday.

Eph Wells and Arthur Smith, directors of the Farmers' Mutual Telephone Co., of Seward township, were in Mentone last Saturday in the interest of that organization.

A number of little friends of Geo. Turnbull gathered at his home Monday evening to celebrate his 12th birthday.

Loren Manwaring went to Chicago Sunday where he met his wife and daughter on their return from Denver, Colo., where they have been living for more than a year past for the benefit of Miss Lo's health.

ARTLEY D. CULLUM, Ed. & Mgr.

THE SCRAP RUBBER DRIVE

We—the American people—are on the spot. Tuesday, June 30th, at midnight, our opportunity will have passed.

If we would help the war effort, if we would help supply the fighting equipment for our soldiers, sailors and marines, if we desire to supply reclaim rubber for repairing tires on our cars and trucks, then each and every one of us will dig and snoop through and over our premises and seek out every particle of old rubber we can find and sell it to the government. But do it today—not tomorrow, or next week.

There are 130,000,000 people in the United States and about one-fourth that many automobiles. If each one contributed—or sold—just one pound of rubber just imagine how much that would be. It takes all of us to make it complete. Let's everyone find something to sell whether it is a few can rubbers, lamb nipples, old overshoes, or whatnot.

Americans can, if they will. Let's all be winning Americans at Mentone.

ADVERTISING THAT PAYS

The uninitiated may suppose that the Classified or Want Ads, as tiny as they are, do not make good advertising. This week a number of instances have arisen to further convince one that they are unbeatable.

A person lost a purse containing \$20.00 in cash. The finder, with the aid of a classified ad, contacted the loser.

A man lost his trailer license and by the end of the week he had it again—through information in the Co-Op News classified section.

And we could go on indefinitely listing particular results that a little 25c ad had secured.

A Mentone businessman stepped in Monday to inform us that a man in the country had read his ad on a piece of equipment of well over a hundred dollars in value, and came in and made the purchase.

No other newspaper—no other advertising medium, serves the territory of Mentone and vicinity, as completely and as economically as the Co-Op. News.

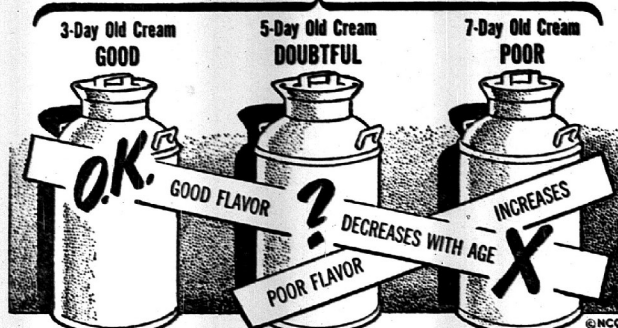

WRITES FROM CAMP SHELBY

Pvt. Kenneth Horn writes from his camp at Camp Shelby, Miss., stating that he is on guard duty for a week and that it is getting pretty hot in the camp there. He is enjoying army life and is looking forward to securing a furlough in the near future that he might spend a few days visiting with his old friends.

AGE LOWERS THE VALUE OF CREAM

AGE TURNS TOP MARKET CREAM INTO POOR MARKET CREAM— AS QUALITY GOES DOWN, FARM PROFITS GO DOWN

This happens when cream is not marketed when fresh, and is
ALLOWED TO DETERIORATE

Age, the factor that is so important in making certain cheeses better, works in exactly the opposite direction when it comes to cream. Because good cream is one of the world's most delicate products, it spoils rapidly even under the most favorable conditions.

Cream coming fresh from the separator is "tops" in flavor. But as the above chart shows, there is a decrease in flavor with each succeeding day the cream is kept. After the third day—usually—the original delicious taste flavors give way rapidly to other and undesirable flavors. When this happens the cream also "goes sour" in actual money value. For once the undesirable flavors exceed the desirable ones, the farmer's product enters the stage where it can no longer be sold legally for food purposes.

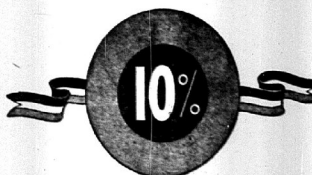

Holding cream at a low temperature on the farm will not overcome the factor of age. Age affects the fresh, clean smell of cream, as well

as its clean, wholesome flavors. Both of these are important considerations in the grading of cream. Each day that cream is held lowers its quality just that much. Tests have shown that cream over four days old made butter scoring 1.22 points lower than butter made from cream not over four days old. Another test showed that butter made from cream four days old scored an average of 2.5 points lower than butter made from cream one day less old. These seemingly small differences represent substantial differences in quality and value.

The only way to get top prices for top quality cream is to beat the age factor. This can be done by setting up a regular delivery schedule. Someone on the farm usually goes to town every day. So it should not be difficult to send cream to market every two or three days. If this is done, the steady cash income cream brings in can be kept at a high point throughout the year.

NUTRITION BEGINS ON FARM—First off-the-press poster for farmers issued in support of the nation's wartime food conservation efforts by the National Cream Quality Program, Chicago, is scrutinized by Jane Veronica Darger and J. C. Fridenberg, secretary of the group. The poster reads, "SAVE FOOD—We Are at War. Good Cream is Food Saved—Poor Cream is Food Wasted."

Are you entitled to wear a target lapel button?

You can ONLY if you are investing at least ten percent of your income in War Bonds to do your part on the home front toward winning the War.

The target lapel button is a badge of patriotism, a badge of honor. You should feel proud to display it. The buttons are obtainable at your plant management, at the office of your local War Bond chairman, or at your Payroll Savings Window where you authorize your ten percent payroll deductions.

Enlist in the ten percent War Bond army and do your part to win the War.

CARD OF THANKS

We wish to thank all those who extended sympathy and assistance in our hour of sadness.

Mr. and Mrs. Leonard Bakgr.

NUGGETS FOR BEREANS

Three days after the death of our Lord, women went to the grave and found it empty. Word was brought back to the disciples with the great news that angels had said that He was risen. However all this seemed as idle tales to them and they could not believe.

Peter, however, was deeply stirred and in Luke 24:12 it is recorded, "Then AROSE Peter, and RAN unto the sepulchre; and STOOPING down, he BEHELD the linen clothes laid by themselves, and DEPARTED, WONDERING in himself at that

which had come to pass."

You will note that in the above verse there are six things that Peter did. Six is the number of humanity, with its failure and imperfection, and comes just one short of seven, the number of Godly perfection. One more thing was needed here for Peter to have joy and peace instead of

wondering. He is still being "sifted" by Satan. He will yet remember the instruction that when he is converted, he is to strengthen the brethren. But now he has fallen short. The seventh thing he should have done was "BELIEVED."

Dear reader, are you like Peter? Are you engaged in activity? Do you

arise and go to church, run about with many things to do, even stooping down to menial tasks, beholding the light as it is preached, and still you depart wondering about many things? Just try believing once and you will have joy and satisfaction that no other activity can give.

—Oscar M. Baker.

CATTLEZE

THE SCIENTIFIC CATTLE SPRAY

for Cows, Horses, Mules and Swine, and for spraying barns, stables, sheds, poultry houses.

Cattleze kills and repels flies and other tormenting and disease-breeding insects... protecting cows and live stock in barns or in pastures. It is surprisingly pleasant to use as it does not stain, discolor or gum the hair, nor will it burn or blister the hides.

Milking and feeding are made easier by Cattleze because cows and other farm stock remain unmolested and quiet.

Cattle that are freed from the agonizing torments of insects are healthier. They give more milk and better butter.

Cattleze has a natural petroleum odor and is a powerful repellant and destroyer of flies without any unpleasant odored ingredient.

Cattleze can be applied with either a hand or compressed air sprayer. It aids in preventing infection of wounds and sores by killing and repelling the most common carrier of disease bacteria, the ordinary house fly.

A clear, clean dependable spray that does not tend to taint milk.

Co-Op Oil Station

It was a big day last week for Hoosiers now in training at the Great Lakes, Ill., Naval Training station. The occasion was Governor's day and Indiana's Governor Henry F. Schricker joined several Indiana boys at their Navy chow table, chatting and exchanging jokes with them for more than an hour while the station orchestra provided a musical background for the Hoosier reunion.

Among the Indiana boys who acted as hosts to their governor were Norbert Knue of Gilford; Robert Siets of Vincennes; Ralph Jacobs of Lafayette; Donald Wyatt of Petersburg; Louis Stimmel of Decatur; James Van Matre of Muncie; Orville Liffick of Jasonville, and Wayne Wilson of Monon.

The "boots" were a little ill at ease rubbing elbows with such a distinguished guest until Gov. Schricker grabbed a turkey drum stick with both hands and proceeded to eat it in the old fashioned way. From then on, it was all fun and merriment.

Not Many high school graduates receive their diplomas under the circumstances Harold H. Barber of Milledale received his. Harold couldn't wait until graduation before joining the Navy after the Japs bombed Pearl Harbor. After his preliminary training at Great Lakes, young Barber was assigned to the aircraft carrier Wasp. However, he didn't completely neglect his high school education, continuing to study under the direction of a Naval officer when he wasn't on the gunnery deck warding off submarine attacks. Eventually, he passed the state examination and was given a special furlough to come home for graduation exercises. Arriving too late for the ceremony, his high school principal decided to hold a graduation party for Barber alone. Now he's a high school graduate and his twin brothers are also looking forward to naval service when they graduate next year.

Air raid wardens and other neighborhood civilian defense workers over the state will be asked to help in the biggest Navy recruiting campaign ever attempted in Indiana during the next three weeks. A bullet-

in already has been sent by Clarence A. Jackson, Indiana civilian defense director, informing all city and county civilian defense directors of the plan. Comdr. R. H. G. Matheys, officer in charge of Navy recruiting in the Indiana area, pointed out that the demand for men for the Navy has exceeded all expectations as the armed forces bend efforts toward mobilizing all possible punching power in 1942.

During the week, the U. S. Navy knocked its Naval reserve physical requirements down to approximately selective service standards, opening the way for enlistment to an estimated 13,000 who had been rejected since Pearl Harbor in Indiana alone. Most significant change has been in the requirements on teeth and eyes. The new standards demand only sufficient natural teeth for biting and eating. The minimum for individual eyes now is 6/20 whereas it was formerly 15/20. The new requirement affects Classes V-2, V-3, V-4 and V-6, all naval reserve classifications for men who have either already developed specialized abilities or who have aptitude for learning certain skills. No change has been made, however, in the high physical requirements for Classes V-1 and V-7, officer candidate classifications for college men, or in Class V-5, naval aviation training.

Serving under General MacArthur is becoming an old story for the Odier family of Fort Wayne. R. S. Odier served under Gen. MacArthur in World War I with the Rainbow division. Now in World War II he has three sons in service with the U. S. Navy. William C. and Rollie W. Odier, the two eldest sons, are together on the same ship somewhere in the Far East war area and possibly are receiving their orders from Gen. MacArthur. Donald, the third son, is now stationed at Great Lakes and may soon be in the Pacific war theater himself.

A well-known figure in Indiana high school athletic circles for years, Bob Nipper, who has coached Shortridge high school to four Indianapolis championships, has been commissioned a lieutenant, senior grade, in the United States Navy. Nipper will be on a leave of absence from Shortridge for the duration of the war.

More than 100 Indiana men were sworn into the Navy last Sunday on a nation wide "Avenge Pearl Harbor Day," which was observed in Anderson, Vincennes and Indianapolis in the Indiana Area. Throughout the nation more than 12,000 men took

the Navy oath. All recruits were sworn in in mass ceremonies in all the 48 states.

Two more Indiana firms will be awarded the Navy "E" for excellence in production of Navy materials next week. On June 22 the Anaconda Wire and Cable company in Marion will receive the award and the following day the Durham Mfg. Co., in Muncie will gain the same recognition.

MENTONE HOME ECONOMICS

The Mentone Home Economics club met on Thursday, June 11th, with Mrs. Mabel Warren. Mrs. Mary Borton was assisting hostess.

Creed was repeated and club prayer sung. The Song of the Month, "Carry Me Back to Old Virginia," was sung. A report was given on Gardens by Helen Weirick. The lesson on Sewing and Zippers was given by Blanch Paulus and Eloise Long.

The Mystery package was won by Linnie Vernet.

The county picnic was announced for Thursday, June 18th at Warsaw. Also a canning demonstration was announced for Monday, June 15th, at the Mentone school.

Refreshments were served to sixteen members. The next meeting will be an ice cream social, details to be announced later.

KEEP 'EM FIGHTING

Keep 'em ROLLING!

It's Up to You Mr. Motorist . . .

Our Nation is faced with a serious shortage of rubber, and, as you all know, unless some source of supply can be found there will be no alternative other than to STOP USING OUR CARS AND TRUCKS.

Gasoline rationing was planned to be used to reduce our driving to the absolute minimum and force us to save what tires we now have, but there have been so many objections in the middle west that officials were compelled to make an effort to relieve the situation as much as possible. The only way was to find out how much reclaim rubber could be found.

Under Presidential proclamation, every filling station in the land is authorized to pay 1¢ a pound for all rubber, or items containing rubber, that is brought in to them. The government will then pay them 1½¢ per pound for it and the balance—or profit, if any—is to be divided equally and donated to the USO, Red Cross, Army Relief and Navy Relief societies.

The campaign ends at midnight June 30th,* and it is up to each of us to make a determined search around our premises and gather up every bit of old rubber we can. It will be our only possible chance to be able to continue to use our automobiles or get reclaim rubber for recapping worn-out tires.

News of Mentone and Vicinity

The Rickel and Moyer reunion will be held at Yellow Creek Lake on Sunday, July 5th.

Mrs. H. V. Johns spent last week with her sister and husband, Mr. and Mrs. A. Little, in Huntington.

Miss Evelyn Creighton, of near Warsaw, is visiting her cousin, Miss Zelda Sarber, this week.

Allen Shirey is enjoying a few days furlough with Mrs. Shirey and other relatives and friends.

Mrs. Alice Garrison, of Indianapolis, is spending several weeks visiting Mrs. Bertha Sarber.

Robert Wissler and Miss Imogene Heit of Fort Wayne, spent Friday at the home of his grandparents, E. E. Jones.

Mrs. Gene Marshal was taken to the Woodlawn hospital at Rochester in the Johns ambulance Tuesday noon.

Miss Georgia A. Dillingham suffered with an infection in her ear the first of the week. It is much better at the present time.

Rev. C. C. Collins and family spent a few minutes in Mentone Tuesday evening attending to business matters.

The daughter of Mr. and Mrs.

Dana Starr had an acute attack of appendicitis Tuesday. Late reports were that an operation was not necessary.

Grace Rans and Robert Nelson, both young people from the Mentone vicinity, are confined to the Woodlawn hospital at Rochester following recent operations for appendicitis.

Mrs. Elmer Sarber, Mrs. James Beeson, Mrs. Isaac Horn and Mrs. Eldon Horn attended the funeral of Mrs. Deardoff at North Manchester on Monday. Mrs. Deardoff is the mother of Mrs. Scott Horn of Warsaw.

Mrs. C. L. Manwaring, Mrs. C. W. Shafer, Mrs. Cora VanGilder and Miss Jean Manwaring were guests of Mr. and Mrs. Hale Hurd, of near Logansport, Friday evening. David Johns, who had been visiting in the Hurd home, returned home with the ladies.

Mr. and Mrs. Lee Morgan of Kokomo, spent the week end at the E. E. Jones home, and all attended the Blue reunion at the Seward Poor home near Etna Green. They also called on Mr. and Mrs. Harry Brosius in Etna Green and Mrs. Susie Gerard and daughter Goldie at Bourbon Sunday evening.

Mr. and Mrs. John F. Laird were hosts to the following guests Sunday: Mr. and Mrs. H. H. Vernet, South Bend; Mr. and Mrs. Harry Shaw, Etna Green; Mr. and Mrs. Lewis Vernet, Pierceton; and Mr. and Mrs. W. L. Vernet, Mentone.

Mr. and Mrs. S. A. Laird, of Bourbon, and Mrs. Elmer Gates and daughters, Carolyn and Martha, spent Friday at the home of Mr. and Mrs. John F. Laird. Mrs. Gates, who was formerly Miss Lenore Laird, resides in Houston, Texas.

Amos Orcutt, who formerly resided near Etna Green but now of Crawfordsville, was in Mentone Friday with his nephew, Les Orcutt. This was his first visit to Mentone in 45 years and he said there had been many changes in that time. He stated that his brother, Harve, built the first dwelling house in Mentone.

Rev. and Mrs. Stoner and family and the Misses Carol Weissert, Don-

na Clabaugh and Georgia Dillingham of the Methodist church, attended a Youth Fellowship Convention at Warsaw Tuesday. The main speakers of the day were Dr. Harold Cooper, a missionary from India, who spoke on the subject, "Why Are Some Methodists So Different", and in the afternoon Rev. Hazen Sparks from Jamestown spoke on the subject, "Youth Facing the World Today." In the evening a banquet was held and the awards presented.

Mr. and Mrs. O. C. Craddock, of Huntington, W. Va., returned to their home Tuesday after spending the week end with Mrs. Craddock's parents, Mr. and Mrs. Granville Horn.

Sunday dinner guests at the Granville Horn home were Mr. and Mrs. Howard Clipp and son and Mr. and Mrs. Ford Meredith and family of Elkhart; Mr. and Mrs. Charles Horn and family or Argos; Mr. and Mrs. Clarence Horn and son of near Rochester, and Mr. and Mrs. Howard Horn and family.

Word has been received from Emory (Ikey) Davis, who is in the Navy, saying he was okeh and that he recently enjoyed a swim at Waikele Beach in Honolulu. This was the first word received from him for six weeks.

PSI OTES MEET

Members of Beta Epsilon chapter of Psi Iota Xi sorority met with Mrs. Lyman Mollenhour Wednesday night for their regular business meeting. Mrs. George Clark, the vice president, presided. Mrs. Ernest Harvey and Mrs. T. J. Clutter were appointed to make the programs for the coming year. Mrs. Curtis Riner will entertain the sorority and guests with a party June/24.

—Reporter.

DENVER WINS IN TEN INNINGS

The Mentone baseball boys had the Denver baseball team so far behind Sunday that it took the visitors ten innings to finally win 7 to 6. The score was 6 to 1 in the sixth when Ed. Creakbaum left the mound and Hodi Teel took his place. Teel also pitched a fine game and allowed but five hits in four innings, but some of the boys on the field unbuttoned their hoop skirts and let a few too many grounders get between their legs, or something. Contrary to what it might appear, not many errors were chalked up against either team.

Poultry supplies at the Co-Op. mill.

BLUE REUNION HELD SUNDAY

The annual Blue family reunion was held Sunday, June 14, at the lovely country home of Mr. and Mrs. Seward Poor, of Etna Green, Ind.

At noon a bounteous dinner was served.

During the business session Seward Poor was elected president and Mrs. Poor secretary for the ensuing year. The program included the pledge of allegiance to the Flag and the group singing patriotic songs.

A vote of thanks was given to Mr. and Mrs. Poor for their generous hospitality. The meeting place for next year will be announced later.

MRS. ABRAM BOYER BURIED WEDNESDAY

Mrs. Emaline Boyer, aged 87, died Sunday at 9:30 p. m. at her home two miles southeast of Packerton. Death, due to a stroke of paralysis, came after a short illness. The deceased was born November 28, 1854, the daughter of Thomas and Barbara Rinehart, and was united in marriage March 10, 1919, to Abram Boyer. She was a member of the Church of the Brethren.

Surviving relatives are the husband, Abram Boyer; two sons, J. L. Boyer, Fort Wayne, and Charles V. Boyer; four daughters, Anna Kreider, Mishawaka, Vesta Stiner, Warsaw, Hazel Greene, Packerton, and Mrs. Dora Norris of Mentone, 22 grandchildren, and 19 great-grandchildren.

Funeral services were held Wednesday afternoon at two o'clock at the Eel River church.

Strange things appear to be taking place. Last week three local boys bought an airplane and a couple others are building scooters (the washing machine motor variety). Before long a man with a car is going to be out of date. Wednesday one of the scooters got loose from its hitching post down by the Smith garage and while the owner was madly chasing it down the street it ran into a parked auto.

Mrs. Eva Madeford, Mrs. Irvin Snyder and Mr. and Mrs. Wm. Chinworth, the latter two from Warsaw, are enjoying a vacation trip to Toronto, Canada.

Miss Grace Rans was returned to her home Wednesday from the hospital at Rochester after undergoing an appendicitis operation recently.

C. C. Klingman, pastor of the Christian Church, Commanche, Texas, spent Monday and Tuesday visiting his sister, Mrs. C. G. Vincent, of Mentone. Mrs. Vincent, who has been seriously ill for some time, remains unimproved.

Robert Nelson, who is in the hospital at Rochester following an appendicitis operation, is expected to be brought to the home of his parents Friday evening.

FATHER DIES IN FORT WAYNE NEW MINISTER TO HOLD OPEN HOUSE FRIDAY

Funeral Services for Roy Walter Goodman, 52, of 209 Esmond Street, Fort Wayne, who died unexpectedly Sunday night of a heart attack, were held Wednesday afternoon at the Seventh Day Adventist church. The deceased was the father of Marshall Goodman and Mrs. Emma Clutter of Mentone and had been a resident of Fort Wayne for 26 years where he was an electric welder for the Wayne Pump company. Other surviving children include three daughters, Helen, Aileen and Phyllis at home, three sons, Joseph of Fort Wayne and Floyd and Vincent of this county, and his widow.

FARMERS STATE BANK PASSES 50TH ANNIVERSARY

June 21, 1892, the Farmers State Bank at Mentone received its first customer, and Saturday two beautiful baskets of flowers were received from two of the large Chicago banking firms with whom the local concern cooperates, honoring their 50th anniversary.

The original stockholders were E. M. Eddinger, M. E. Hire, A. C. Manwaring and L. D. Manwaring and the concern was located in the room now occupied by the Blue Barber Shop. Deposits in the bank have grown from a total of \$29,797.51 at the end of the first ten years of the bank's existence to a total of \$1,035,757.94 on June 1, 1942.

The present officers of the bank are:

A. I. Nelson, President.
K. A. Riner, 1st vice president.
Wm. Nye, 2nd vice president.
Elmore Fenstermaker, cashier.
Miles L. Manwaring (on leave with the armed forces), assistant cashier.
Present Board of Directors includes:

A. I. Nelson.
William Nye.
K. A. Riner.
C. L. Manwaring.
Floyd L. Tucker.

Mrs. Lydia Rynearson spent last Sunday in South Whitley with an old school mate, Mrs. Harry Fosler, and met many other old friends.

Rev. and Mrs. E. Coleman Ralston, will hold open house at the Baptist church parsonage on Friday afternoon from 1:30 to 6:00 and in the evening starting at 7:00.

REV. E. COLEMAN RALSTON

Rev. and Mrs. Ralston moved to Mentone last week after spending the past six years with the Baptist congregation at Tampico, Illinois. Both have been very active in community affairs as well as capably attending to their duties with the church.

A report recently printed in the Tampico newspaper listed many improvements made in the church property and equipment while Rev. Ralston was in charge and the church membership reflected a productive pastorate.

THURSDAY LAST DAY GETTING CANNING SUGAR PERMITS

Thursday afternoon and evening will be the last opportunity for local canners to secure canning sugar permits at Mentone according to an announcement made this week.

The Library will be open from 1:30 to 5:00 in the afternoon and from 7:30 to 9:00 in the evening.

SURPRISE PARTY

A number of Royal Neighbors gathered at the home of Freda Roose Saturday evening and surprised her with a kitchen shower. Gifts were received from the following neighbors: Pearl Smith, Mae Borton, Snowden Halderman, Emma Cook, Lydia Rynearson, Pearl Fenstermaker, Cora Williams, Thelma Hirschman, Goldia Mollenhour, Ida Blue, Mabel Warren, Chloe Griffis, Flossie Coplen, Rex and Sue Ann Borton and her mother, Mary Borton.

The evening was spent socially with refreshments of ice cream and cake.

RECEPTION FOR REV. STONER AND FAMILY

A reception will be held in the Methodist church Thursday evening at 7:30 for Rev. Victor E. Stoner and family. Members of the church and friends are urged to come and bring a carry-in supper.

LARGE ATTENDANCE AT FIRST AID CLASSES

The attendance at the first meeting of the First Aid class last Friday evening was so large that Dr. Urschel's office was crowded to capacity and the Monday evening session was held in the school building.

The classes meet each Monday and Friday evenings at 8:00 and everyone is invited and welcome to attend. The ladies predominate in number but a few men dared to venture forth and more are expected.

Mahlon Mentzer, Dale Kelley and Chester Manwaring left Wednesday for Traverse City, Michigan where they planned to spend the balance of the week fishing. However, they may return sooner as all they took along to hold the fish was a large tub and they promised to come home when they had it filled with fish. Mr. and Mrs. Charles Manwaring left for the same city earlier in the day and the two carloads will meet there.

Mrs. Charles Krathwohl left the fore part of the week for Oak Park, Illinois to visit her daughter.

JUNE 21, 1923

Mrs. John Linn died last Thursday at her home in Burket. Besides her son Ray, of Mentone, she leaves a son Samuel, in Mentone; three daughters, Lena and Olive, at home, and Mrs. Ralph Hively, in Montana.

Drs. Yocum and Clutter gave a banquet to the physicians of the Tri-County Medical Society Tuesday evening at six o'clock, at the Teel Cafe. About 30 were present and following the dinner, a meeting was held in the Library room.

Mr. and Mrs. Fred Masters and Dr. and Mrs. Hodgen, of Indianapolis, spent the week end with Mr. and Mrs. Fred Busenberg.

Mr. and Mrs. Charles Bruner and three children, of Kewanee, Illinois, came Wednesday to visit for a couple of weeks with her parents, Mr. and Mrs. Allen Blue.

Richard Greulach spent Sunday in Chicago with relatives.

JUNE 19, 1902

Wm. Clemmer's large bank barn on his farm two miles southwest of town was struck by lightning and burned last Thursday night. Jacob Kesler, who lives on the place, was a heavy loser. One valuable cow, a large amount of farm machinery, 100 bushels of corn, and mow full of hay and much other property was burned.

At high noon Wednesday, June 18, the wedding of Mr. Conn Blue and Miss Maude King.

Dr. Yocum, who is taking a post-graduate course in medicine at Chicago, spent Sunday at home.

The town well is no more! Two well-digging firms have exhausted their efforts to put it in working condition, and now it is abandoned as a hopeless case. It is probable that some steps will be taken to make a new well for the benefit of the general public, as such a commodity is indispensable.

Mrs. Allen Bybee spent Sunday in Chicago, the guest of her daughter, Mrs. Roscoe Doran.

F. M. Jenkins and family and Mrs. Clara Stoner and children visited friends in Elna Green last Sunday.

MRS. VERE KELLEY HOSTESS TO ANTHONY NIGO CHAPTER

Mrs. Vere Kelley was hostess to the members and guests of the Anthony Nigo Chapter of the Daughters of the American Revolution on Tuesday, June 23.

At one o'clock a basket dinner was served. A short program followed, consisting of the description of the emblem on our U. S. money, by Mrs. Ray Rush. A flag quiz was given by Mrs. Ray Linn.

Mrs. Kelley was assisted in entertaining by her mother, Mrs. Arvil Blue, Mrs. Peter A. Blue and Mrs. Carl Mahoney.

The guests included Mrs. S. A. Guy, Miss Estella Altschoke, Mrs. A. B. Taylor, Mrs. Jennie Cunningham and Mrs. John McSherry.

This was the last meeting for the year. The chapter will meet again in September.

A RECORD OF WHICH TO BE PROUD

The Co-Op. News wishes to extend congratulations and best wishes to the Farmers State Bank, its officers and directors, upon passing its 50th anniversary in business in Mentone. The institution attained the position it is in today not just because those who organized the bank were good organizers or shrewd business men; neither did it reach that point just because those in charge today are capable—it succeeded because each and every individual throughout the entire period was building for the future as well as the present. No indulgence in unnecessary dangers to do something big today and blow away tomorrow—or next year.

It wasn't a million-dollar bank in 1892. Or 1902 or 1912. It did enjoy that distinction for a brief span a few short years ago but the boys barely got started boasting when it slid down below that level again. In late 1941 and early 1942 it took another try at the million-dollar mark and thus far—in its fiftieth year—held well above the margin.

Careful, down-the-middle-of-the-road management should bring even greater accomplishments in the future years. Too much conservatism, in almost every matter, is often just as detrimental as too little.

HAVE A "TREASURE" HUNT

The originator of the idea is unknown to the writer but it appears that a "treasure" hunt for scrap rubber is a good idea. Why not plan to spend an hour or so over the week end searching for a few pounds of old rubber items that have outlived their usefulness and turn them in to one of the salvage depots before midnight next Tuesday. Your find may be only a pound or so, but that amount alone from every household in the county would result in a sizeable pile of reclaim rubber.

Over 31 tons—63,932 pounds—was reported in the first week of salvage. The net return to the contributors, too, was \$639.32 and when it is finally sold to the government over \$150 more will be contributed to USO, Red Cross, Army Relief and Navy Relief.

Let's make a real effort these last few days.

MEN TO HIDE UNDER TUBS, ETC.

The National Office of Civilian Defense, realizing the seriousness of the war in which we were engaged, the need of many medical men in the armed forces and a resultant shortage on the home front, and many, if not all, parts of the nation open to bombing attacks, fires and explosions by fifth columnists or foreign agents, set up an organization to bring the fundamentals of First Aid to civilians.

Mentone now has such a First Aid class and its citizens have the opportunity to learn enough about first

Let Everybody Know You're Investing
10 Percent of Your Income in War Bonds

The attractive red, white and blue window sticker, pictured above, is the new yardstick of patriotism in the War Bond drive throughout the nation. With the slogan, "Everybody every pay day, ten percent," sweeping the country, patriotic Americans on the home front are rallying to their Government's appeal for funds with which to help finance the war. The home which displays the "ten percent" sticker is doing its share toward Victory for America and the United Nations. The stickers are being distributed through local War Savings Chairmen.

U. S. Treasury Department

aid that they could be of value in time of any emergency. The ladies have responded in full force, but it appears that the men folks plan to hide under the table, take care of the kids or safeguard the cat while the lady of the house goes out among the falling bombs, burning buildings and smoldering debris and rescues and cares for the injured.

First Aid is a man's job as much as it is a lady's.

Every fireman, every police officer, in fact everyone, should know the fundamentals which this Red Cross course teaches. It may save a life some day whether it is an accident where one is injured or where a fire or explosion injures many.

Men, we aren't panty-waists! We're not any more afraid of bombs than the ladies are.

Men with mechanical and electrical trade experience are now being recruited for service at the U. S. Naval Reserve Aviation Base at Peru. Men who are found to be exceptionally well qualified will be given instruction at the base and may be able to earn ratings as petty officers in their proper branches of the service. All men between the ages of 17 and 50 are eligible for enlistment. Original attachment to the Peru base does not insure that a man will be stationed there for permanent duty, it has been pointed out, since he may be needed at other shore stations or in the fleet. Men interested should apply at their nearest recruiting station.

Another Navy civil engineer will visit the Indianapolis Navy recruiting station Tuesday, June 30, to interview Navy construction outfit applicants. Several good opportunities exist for experienced workmen. Men interested are advised to complete their physical examinations before applying for interview.

The Navy got a pair of aces this week when Charles E. Williams and Carl E. Williams, 19-year-old twins, enlisted at the Indianapolis Navy recruiting station. They were graduated together from Richmond High School in 1941, worked together at Dayton, Ohio, and both expect to go to the Navy's aviation machinist school after completing indoctrination as apprentice seamen. They are sons of Mr. and Mrs. Marion Williams of Richmond.

Lieutenant Everett Case, USNR, former Frankfort High School basketball coach, returned to his home town there last week to tell Frankfort young men about the Navy's aviation cadet program. Scheduled to be sent soon to the Naval Aviation Pre-Flight School at St. Mary's University, Lieutenant Case at present is assigned to the Naval Aviation Cadet Selection Board with headquarters at Chicago. He had just returned from Annapolis, where he underwent the same physical training program which he will conduct for naval aviation cadets when he goes

to the pre-flight school.

Basketball rivals for years, Bedford and Mitchell took their feud into the Indianapolis recruiting station last week, apparently trying to see which city could outdo the other in the number of Navy recruits. Dick Duncan, Bill Hale and Howard Hutton of Mitchell and Marshall Sharp, John Blackburn, and Gordon Harris of Bedford all applied for enlistment the same afternoon. Duncan, Hale Sharp and Hutton attended Georgetown College last year, playing basketball together there. If accepted, they all hope to go to the Navy's school for aviation machinist's mates on completion of their indoctrination training.

Sense of duty and opportunity seem to be running about even as the reasons young Hoosiers choose the United States Navy for their armed service in this war. Each young man who complete enlistment in the Navy in Indiana states his reason for enlisting as an entry in Red Skelton's contest which offers a \$50 war bond to the Indiana Navy recruit who writes the best statement of 15 words or less on "Why I Joined the Navy."

James Milton Horner, 27, has joined the Navy and he's going back to school even though he's a school teacher by vocation. It's the Navy's V-7 indoctrination school this time, however, and Horner will be on the learning end after several years of teaching at Chesterton.

John C. Quisenberry, 20, Crawfordsville, and Gerald E. Lesh, 29, Bluffton, have enlisted in the Navy as apprentice seamen and are now receiving their preliminary training at Great Lakes, Ill.

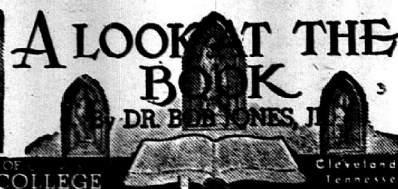

Edinburgh has contributed two brothers to the service of the U. S. Navy. They are Charles W. Hamilton, 17, and Paul W. Hamilton, 19, sons of Charles G. Hamilton. Both aspire to be aviation machinists.

Rolland Z. Michael, 37, Frankfort, has turned from railroading to sailing and is now a fireman, first class, in the Navy. Michael has been a boilermaker helper for Nickel Plate Railroad since 1937.

One of Hartford City's best welders is going to see what he can do about welding ship parts from now on. He has enlisted in the Navy as a shipfitter, third class. He has been employed the past six years by the Overhead Door Corp., Hartford City. His name is Wayne Joseph Ellis, 36.

PRESIDENT OF
BOB JONES COLLEGE

Shakespeare puts into the mouth of one of his characters in "The Merchant of Venice" these words, "The devil can cite Scripture for his purpose." The Scriptures themselves bear evidence of the accuracy of Shakespeare's observation, for the devil in tempting Christ quoted the Word of God. Evil and dishonest men have never hesitated to use a passage of Scripture in an attempt to justify their wrong course of action or to excuse their evil doing. Of course, such a procedure is in itself evil and dishonest since the Scripture is by them misquoted or misused or misapplied. The Word of God nowhere admonishes men to a course of action which violates the law of God.

Whatever else the Scriptures may or may not prove, they do testify that the Lord Jesus Christ is God manifest in the flesh. It is a sad fact that by many people today this great and primary truth of the Book is overlooked or forgot.

Apollos reaching at Ephesus convinced his hearers, "showing by the Scriptures that Jesus was Christ" (Acts 18:28). Christ Himself admonished His hearers to "Search the Scriptures; for in them ye think ye have eternal life; and they are they which testify of Me" (John 5:39). Christ is the center of the Book, the burden of the prophets

message, the theme of the psalmist's lay, the chief character of the Gospels, the fountainhead and inspiration of the Epistles, the sublime and majestic central figure of Revelation.

The Bible is the revelation of God's will and purpose and love for man. It is God's Written Word. Christ is the Incarnate Word—the Word of God come in the flesh. The Bible speaks of Christ. Christ manifests in His own wonderful person the truth of the Bible.

Men today wrest the Scriptures to prove their own pet theories and opinions. They are glibly quoting Scripture without regard for its purpose or true teaching. But the man who searches the Word diligently with open mind cannot fail to be convinced of this fact, that Jesus is the Christ, the One come in the flesh to redeem men from sin by the blood which He shed upon Calvary's cross. He must admit that there is no doubt of the Scriptures teaching that "there is none other name under heaven given among men, whereby we must be saved." In the sacred pages of Holy Writ, God the Father claims Christ as His Son, proclaims His Deity, acclaims His perfections. Through the Word the Father speaks to us of the Christ, "This is my beloved Son, hear Him."

GARDEN CLUB TOUR

The annual garden tour conducted by the county extension service, Mr. W. B. Ward, garden specialist presiding, will be held next Thursday, July 2, announced Ruth Parker, county home demonstration agent.

At the listed hours a complete tour at each of the gardens on the following farms will be open to everyone interested in being a better gardener:

9:00-10:00—J. E. Baer, Oswego, one block south of the Robinson Store corner.

10:30-11:30—A. D. Wilson, three miles west of St. Road 15 on the Dewart Lake Road, south of Milford.

1:30-2:30—Virgil Doran, south of Burket, first house on east side of road after crossing the railroad.

3:00-4:00—Gordon Anderberg, 1 1/4 miles north of Packerton on the Packerton Road.

At each garden Mr. Ward will discuss and demonstrate topics of interest to the group present. Among the topics may be:

1. How to control garden pests.
2. Approved methods of cultivation.
3. The family potato patch.
4. Plans for fall gardens.
5. How to prune roses.
6. Family flower gardens.

College Students Read

A survey made at the University of Toledo shows the average college student reads 24.8 books each year.

STORM DAMAGES CROPS,
BUILDINGS HERE SATURDAY

The heavy wind, rain and hail storm that swept through this part of the county last Saturday afternoon blew and battered a few fields of corn badly. Some brooder houses and other small buildings were moved about and at the Ray Hibschan place eight large trees were blown

down across his lane to the pasture. Besides destroying the fence, it took seven men and a team all day to clear them away. At the nearby home of Dale Hawley possibly the greatest damage to a home and furnish-

ings was reported. The greater part of the windows were blown out and the wind and rain being driven into the home did considerable damage.

Marvin Leedy, of the Lake Trail Cafe, was just completing a tele-

phone call and before he could hang up the receiver lightning knocked it from his hand. His right hand and the muscles in his shoulder were soon swollen badly but he was not burned and is practically recovered.

RIP VAN WINKLE was a LUCKY man

★ When Rip van Winkle woke up and wandered back to the old home town, he was neither recognized nor remembered. He found his wife gone, his daughter married, his native village remodeled, and America independent. ★ He had slept clear thru the Revolution! ★ Nevertheless, Rip was a lucky man, because we'd never have known about him to this day if Washington Irving hadn't written him up. ★ Any industry that is contemplating hibernation from advertising during World War II might well consider the plight in which Rip found himself. For after this war even a Washington Irving—if you could find one—might not be able to bring back into public favor a once popular trade name. ★ It ALWAYS pays to advertise!

News of Mentone and Vicinity

Mr. and Mrs. Vincent Meredith, of near Talma, were in Mentone Monday on business.

Tony Dille, who has been seriously ill with heart trouble, is improved at this time.

Mrs. Effie Personett has been visiting for the past few days with Mr. and Mrs. Guilford Cook and Gloria of Oak Park, Illinois.

John Wilson, of Tuscon, Arizona, arrived Thursday evening to spend a couple of weeks visiting his father, J. O. Wilson, and other relatives and friends.

Mrs. Tessie Newton has returned to her home in Mentone after spending the past several weeks in Jacksonville, Florida visiting her son, Howard Newton, who is in training at Camp Blanding.

Mrs. Edith Darr fell while working in the barn Monday evening and broke her left arm at the wrist. She was taken to Rochester where the fracture was reduced and returned to her home that evening.

The editor spent a week in Warsaw Saturday attending to various business matters. While there I received an invitation to join the policeman's club. My understanding is that all you have to do is to remain parked too long in one spot. Down at headquarters they told me that the next time I would be in the club

without any undue formalities and would be a full-fledged member. They assured me, however, that I would not be totally among strangers as there were others from my home community who had previously "joined." It's kinda secret, as much as possible, I guess.

TALMA NEWS

By Mrs. Jeff Stookey

Mrs. Charles Good, of Talma, is able to be out following an operation three weeks ago.

Mr. and Mrs. Robert Horn and daughter are spending a two weeks vacation with the former's parents, Mr. and Mrs. Orlando Horn.

Howard McGowan, who is in the service and has been stationed in the south, is in the Air Corps. He has been transferred to the east near Washington, D. C. and will be there but a short time.

Mrs. Mel McGowan, his mother, and little granddaughter have gone to Washington to visit Howard until he leaves that place. The little girl is Howard's daughter.

Mrs. Gertrude VanDeRiet, of near Downs, Kansas, is visiting her sister, Mrs. Ed. Staldine, and family.

Rev. Wait, the new minister of the Talma M. E. church, was sick on Sunday and his place was filled on Sunday morning at Talma by the district superintendent, Rev. Yeoman, of Warsaw.

Mr. and Mrs. Clifford Minars, of

Muncie, and Mrs. Mary Minars visited at the Jeff Stookey home Saturday afternoon and evening.

Mrs. Woodrow Cochran and children and Rodney Bassett of Mishawaka, are visiting at the home of Mrs. William Lardon.

Mrs. O. C. Montgomery, of Talma, who has been in a very serious condition at the Woodlawn hospital at Rochester for some time, is much improved at this time and they hope to bring her to her home in Talma Friday of this week.

Miss Helen Chapman, who is taking nurse's training at the Methodist hospital in Gary is on two weeks vaca-

tion and visiting her parents here.

The daughters of Mr. and Mrs. Fred Barr, of Chicago, are on a two weeks vacation visiting relatives and friends at Talma. The ladies are both nurses from the Methodist hospital at Gary. Miss Betty Barr graduated there last week.

Mrs. William Lardon and Mrs. Jeff Stookey were shopping at South Bend on Monday.
