C. O. MOLLENHOUR ELECTED TO HEAD MENTONE LIONS CLUB

The regular bi-monthly meeting of the Mentone Lions club was held at the Beaver Dam Inn, at Beaver Dam lake, on Wednesday evening. There was a nice attendance and every Lion expressed himself as having enjoyed the meeting there. The past twelve years the Lions have been meeting in the basement of the Methodist church and the W. S. C. S. ladies had been preparing the meals. The club members have appreciated the work of the ladies and were sorry to learn that because of the restrictions encountered in the rationing program they felt it necessary to discontinue serving the Lions dinners. The club voted to continue meeting at the Beaver Dam eating establishment and each Lion is requested to notify the attendance chairman, Maurice Dudley, if he is unable to attend any regular meeting. Word must reach him before Wednesday noon each time.

At the election of officers, the following candidates, nominated at our last regular meeting, were elected:

President, C. O. Mollenhour.
1st vice president, Ora McKinley.
2nd vice president, H. V. Johns.
3rd vice president, John Norman.
Secretary, Sherman Bybee.
Treasurer, LeRoy Cox.
Tail Twister, H. V. Johns.
Lion Tamer, Maurice Dudley.
Board of Directors, Earl Shinn and Merl Linn.

Key member cards were presented to Lions Leo Valentine, Forrest Kesler and Artley Cullum.

It was reported that the United Nations clothing drive was completed, and that a shipment of 2811 pounds was made by the club.

GIRL SCOUT MEETING

Troop 4 of the Mentone Girl Scouts met for their weekly meeting Thursday, June 7th, at the schoolhouse. They wish to express their appreciation to those who contributed paper for their paper drive and also to Mr. Johns and Mr. McKinley who helped collect it.

During the business meeting how and when to wear the uniform was discussed. Plans were made for a hike on next Thursday, and plans were started for the investiture ceremony for patrol two.

Bonnie Emmons reported on her work for the bookbinding badge.

One visitor brought the attendance to fourteen.

TROOP CARRIER VETERAN

(War Department Release)

Crossing the Rhine in the greatest airborne operation of the war was Lieutenant Miles L. Manwaring, whose wife, Mrs. Mary L. Manwaring, lives at Mentone. His mother, Mrs. Ersie Manwaring, lives at the same address. As a pilot of a Troop Carrier Glider he carried glider borne troops and equipment to a landing zone deep in German held territory east of the Rhine.

Lt. Manwaring is a veteran glider pilot in Colonel Frank Krebs' well known 440th Troop Carrier Group, awarded the Presidential Unit Citation for its work in the invasion of Normandy, the paratroop and glider operation in Southern France, the airborne invasion of Holland and the aerial resupply of the American troops at Bastogne. He holds the Air Medal with one Oak Leaf Cluster.

As part of Major General Paul L. Williams U. S. Troop Carrier Forces his group operates, between invasions, in the aerial transportation of thousands of tons of vitally needed gasoline, ammunition and food to forward air-strips close to the fighting lines.

Lt. Manwaring was graduated from the Indiana University in 1932 and was Assistant Cashier for the Farmers State Bank before entering the Army Air Forces in April 1941. He received his wings at Bowman Field, Kentucky, in June, 1943.

WAR MOTHERS DISTRICT MEETING AT ROCHESTER

The district meeting of "Mothers of World War No. II" was held in Rochester Friday, June 1, at the "School Door Canteen." Thirty-eight unit members were present, ten being from unit 106, Mentone. Following registration at ten-thirty a social "get-acquainted" hour brought all members closer together. At noon a luncheon was served at beautifully appointed tables with four guests seated at each table. Following the luncheon the meeting was called to order by the president of the Rochester unit, who introduced Mr. Grove, County Commander of the American Legion, who discussed the G. I. Bill of Rights. After Mr. Grove's talk, a short business session was conducted by Mrs. Nellie Hende, District president of Logansport. The new bonus bill was discussed during the business session and the guests enjoyed this information. Following the bonus discussion, roll call was answered by 38 members, then the reading of the minutes of the last meeting by the Secretary, and treasurer's report. Mrs. Denison, of Walton, Ind., was appointed Rehabilitation Chairman for this district. The bad rain and wind storm which came up that afternoon hurried some of the attendants home a little sooner than they had planned. Those attending from Unit number 106, of Mentone were: Alta Hudson, Othello Huffman, Helen Mollenhour, Bessie Gross, Bernice Rush, (President), Ethel Wagner, Lena Igo, Gertrude Newell, Mary Barkman and Maude Onthank.

MOTHERS OF WORLD WAR II

Unit No. 106, Mothers of World War No. II will meet Wednesday night, June 13 at the Mentone High School. A very good program consisting of a short playlet entitled "You Should Worry" has been arranged to follow the regular business session. All members are urged to be present as the "Soldiers Bonus Bill" is to be brought before the unit and all our boys will need the support of his wife or mother in this and a thorough understanding of it will help to put this over. All mothers who have sons or daughters in the service are eligible to become members and urged to attend. If you are interested in your loved ones you'll be there—at 8 p. m. Wednesday, June 13.

TRI-COUNTY YOUTH FOR CHRIST SATURDAY, JUNE 16TH

The Rev. Robert J. Kees, evangelist, musician and song leader, a member of Moody Bible Institute extension staff, will speak Saturday night, June 16, at 8:00 for the Youth for Christ meeting in the First Baptist church at Mentone, Indiana.

Sometimes called "a whole evangelistic team in one man," Bob Kees is known as a forceful preacher and inspiring song leader, while his performances on the marimba and piano accordion always prove special attractions.

Mr. Kees is a graduate of Moody Bible Institute and Wheaton College. In 1935 he played with the International Marimba Symphony orchestra, appearing in Carnegie Hall, New York, and overseas in Paris and Brussels. He was also heard over the Columbia coast-to-coast network.

As a student and in his early preaching days, he carried on an extensive program of prison evangelism in county jails. Even now he keeps in touch with men all over the country, whose first contact with him was from behind prison bars.

Particularly successful in his work with young people, Mr. Kees is said to possess that valuable quality of leadership which brings out special talents for service in the young people themselves. "He formed the best organization of children and young folks that I have seen in many years," is the comment made by a Kentucky judge who was an interested observer of Mr. Kees' work.

Over 300 were present at the last Youth for Christ and 15 towns were represented. A greater attendance is expected June 16th. Everyone is cordially invited.

LIBRARY CLOSED

As the Mentone library is being painted, it will be closed the remainder of this week and possibly a few days next week, according to word from the Librarian.

Mr. and Mrs. E. C. Goodwin transacted business in Rochester, Tuesday.

Staff-Sergeant Don Lyons, who has been stationed at Madison, Wis., spent Sunday in Mentone with his sister, Mrs. Robert Reed and family. Mrs. Lyons, who has been at Del Rio, Texas, has returned to Warsaw.

PARK ATTENDANCE UP 200 PERCENT IN FOUR MONTHS

Attendance at Indiana State Parks jumped almost 200 per cent during the first four months of 1945, Milton Matter, director of the Indiana Department of conservation, said a few days ago.

Hotel reservations at most parks, Mr. Matter said, are taken several weeks ahead and Hoosiers who intend to spend vacations at the hotels should make reservations 30 days in advance if possible.

He added that improvements in most park areas have been made in anticipation of the greatest seasonal attendance since 1941, last prewar year.

"STREETS ARE DANGEROUS PLAY GROUNDS"
Says the Chicago Motor Club

FIRST CHURCH OF CHRIST, SCIENTIST, HOLDS ANNUAL MEET

Lasting world peace has its roots in the permanency of divine laws and cannot be expected to rise from the foundations of selfish desires and aims. The Christian Science Board of Directors told the annual meeting of the Mother Church, The First Church of Christ, Scientist, in Boston, Monday.

Commending the efforts of the California peace conference to evolve a practical basis upon which nations might outlaw war for all time, the Directors pointed out that these efforts would be successful insofar as they reflect the operation of God's government

in human affairs.

The Directors' message featured the fourth annual gathering of Christian Scientists to be held under the restrictions of wartime travel. The audience reflected the desire of the Directors that Mother Church members living beyond the 50-mile area of Boston should abide by the requests of the Office of Defense Transportation and remain at home this year.

Highlighting the meeting was the election of Mrs. Myrtle Holm Smith of Waban, Mass., as President of The Mother Church for the ensuing year, succeeding Paul Stark Seeley, and the re-election of Roy Garrett Watson, Treasurer, and Mary G. Ewing, Clerk.

Christian Scientists heartily concur in the purpose of peace conference representatives in California to find ways and means to prevent war, the Directors stated. They saw these efforts as making practical the Sermon on the Mount.

A BIBLE MESSAGE

By REV. E. COLEMAN RALSTON

"God's Word is Sure."

(Continued.)

"Let all the earth fear the Lord:
let all the inhabitants of the world
stand in awe of Him. For He spoke,
and it was done, He commanded and
it stood fast." Psa. 33:8-9

Last week we reviewed the proph-
ecy concerning the destruction of Jeru-
salem and also mentioned the dis-
persment of the Jews. "Remember, I
beseech thee the word that thou com-
mandest thy servant Moses, saying,
If ye transgress, I will scatter you
abroad among the nations." Neh. 1:8.
But the prophecy did not stop with the
dispersment alone for He said "I will
not show you favor" "and will draw

a sword after you... and ye shall
perish among the heathen, and the
land of your enemies shall eat you
up" (Jer. 16:13; Lev. 26:33 and 38)
and again in Deut. 28:65-67 He says
"among these nations shalt thou find
no ease, neither shall the sole of thy
foot have rest: but the Lord shall give
thee there a trembling heart, and fail-
ing of eyes, and sorrow of mind: and
thy life shall hang in doubt before
thee: and thou shalt fear day and
night, and shall have none assurance
of thy life: In the morning thou
shalt say, Would God it were even!
and at even thou shalt say, Would God
it were morning! for the fear of thine
heart wherewith thou shalt fear for
the sight of thine eyes which thou
shalt see."

We need not go back in history to
see this prophecy fulfilled for it has
been literally fulfilled in our very day.
At no time in the history of the world
have the Jews been more mistreated
than during the past decade. The
Jews have from the very beginning
of the dispersment been oppressed and
from time to time have undergone
severe persecutions but so far as can
be determined never has the tide of
atrocities against them equalled those
they have been subjected to during
the past few years, and this in spite
of the so-called higher civilization of
which we pride ourselves as being a
part. But, remember, God warned the
children of Israel that this surely would
happen if they disobeyed Him. They
did.

"Let all the earth fear the Lord,
Let all the inhabitants of the world
stand in awe of Him. For he spake,
and it was done"

60,000 QUAIL TO BE DELIVERED TO HOOSIER CLUBS

Delivery of about 60,000 day-old quail chicks will start June 15 from the Wells county and Jasper-Pulaski game farm and will continue for approximately 45 days, Harrell F. Mosbaugh, director of the fish and game division of the Indiana Department of Conservation, announced today.

Birds will go to 336 conservation clubs throughout the state and will be reared to eight weeks of age for liberation in suitable territory under the supervision of district conservation officers. The division holds contracts with clubs for 60,480 birds, but mortality rate among young quail runs from 35 to 40 per cent, Mosbaugh explained.

Clubs receive 50 cents for each bird raised to eight weeks of age and liberated.

S. S. CONVENTION HERE SUNDAY

On Sunday, June 17, delegates and representatives of the Sunday Schools of Kosciusko county will meet for their 78th annual meeting at the Mentone Methodist church, it was announced Wednesday by the Kosciusko county council of Christian education.

There will be a basket dinner at noon, to be served in the basement of the church, and the sessions will open at 10:00 a. m. with the host church directing the morning service.

The program will be divided into four sessions to be called Inspiration, Consecration, Dedication and Evangelistic. Norval Rich, of Sidney will be the speaker for the first session, with Dr. L. E. York, of the Antislavery League of America, the afternoon speaker. The dedication session is to be a young people's session at 5 p. m. and includes a banquet. Vernon Harris and his gospel team will be in charge of this service. The evening session will climax the day's program and will be on an evangelistic theme with invitation as the challenge.

Four large posters with the theme of each session will be given away during the closing service as prizes.

MERCHANTS TO HAVE HOLIDAY

A group of Mentone business representatives met at the town hall Thursday evening and discussed the question of closing on Wednesday afternoons. Some establishments, especially those performing services for farm folks in which the need may not be anticipated before hand, indicated they would remain open. A list of those which will close is being prepared and the names will be printed in our next issue.

The Wednesday afternoon closing will not be placed into effect until Wednesday, June 27th.

RATION BOARD TO MEET ON TUESDAYS HEREAFTER

The War Price & Rationing Board at Warsaw announces that, starting next Tuesday, June 19th, the Tire Panel and the Gasoline Panel which handles highway applications, will meet every Tuesday afternoon instead of Wednesday, as heretofore. Please have all applications into the board by Monday, or in Monday's mail to have them acted upon by the board that week.

YOUTH GROUP HERE SATURDAY

Last Youth for Christ we had over 300 present and 15 towns represented. We are looking for a greater attendance and a larger representation of towns this time. Come and bring your friends. Rev. Robert J. Kees will be the speaker.

WEDNESDAY EGG CAR IS TEMPORARILY DISCONTINUED

As there are not enough eggs being received on Wednesday to fill a car the Wednesday car will be discontinued until the old hens increase production, or more people desire to take advantage of the Wednesday car. However, those who wish to bring their eggs Wednesday, or prefer to ship twice weekly because they don't have adequate refrigeration facilities on the farm, are invited to unload their eggs at the rear basement door of the Hardware and Lumber building where they will be kept cool until Saturday. It is believed that this will be a service to those who don't have time to come to town Saturdays as well as the folks who have difficulty in keeping their eggs cooled properly for a whole week.

GIVEN BIRTHDAY DINNER

A birthday dinner was served at the home of Mr. and Mrs. Jack Slabaugh, near Warsaw, last Sunday, June 10th, in honor of Jeannine Blue. Those present were Mr. and Mrs. Ralph Baker and children of Fort Wayne, Mr. and Mrs. Everett Busenburg and son, Mr. and Mrs. Paul Perkins and son Lavon, and Mr. and Mrs. Pete Blue and daughter Jeannine.

JONAH IS AVENGED

The famous Akron Jonah Club opened the flood gates at the Conservation Club camp at McClure Lake Sunday and did their best to avenge Jonah in the most appropriate manner possible. Over two hundred members, friends and guests were on hand to enjoy the abundant feast of Jonah-fried fish and the various trimmings supplied cooperatively by the guests. Not content with a noonday meal, they threw the work crew into high gear and stewed up another batch for supper. A fruit cake from New Zealand was a feature during the evening meal. The cake had been sent to a soldier at Peru, and he in turn had given it to a lady who was present and she thought it would be nice for everyone to have a sample of it.

The Jonah club had invited a number of friends and had extended an invitation to the foreign students at the Peru Naval Base. As a result a bus load of forty boys from New Zealand, Canada, Australia and England had a very enjoyable day at the lake.

Roscoe Fraser, of Purdue University, was on hand to take his part in the work of the Jonah club. Bill Renshaw, of station WLS and the Prairie Farmer, spent the afternoon taking various pictures of the group.

All those present certainly want to thank the members of the Jonah club for the fine entertainment, excellent dinner and a very enjoyable afternoon.

NEW HEADINGS

The Co-Op. News starts on its 15th year of publication next issue. One rather prefers to see at least a little change to partially indicate progress in one direction or another. We have secured a new font (or assortment) of type for our typesetting machine to be used in advertisements and in the headings of the newspaper. We prefer that you'd read all the newspaper and not just the headings, but we hope you like it.

CELEBRATES 94TH BIRTHDAY

John Nellans passed his 94th birthday Sunday, June 10.

All the members of his immediate family were present to help him celebrate the occasion.

Those present were W. C. Nellans and wife, H. V. Nellans and wife, Earl Nellans, Mr. and Mrs. Francis Kehoe and family, Miss Lavon Colbert, of North Manchester, was also a dinner guest. Evening callers were Mr. and Mrs. H. V. Johns.

Mr. Nellans was born in Fulton county and has resided about all his life in this neighborhood. He has been a resident in nearby Marshall county for the past 40 years.

OUTDOOR MOVIES THURSDAY

We've been requested to announce that the first showing of the outdoor movies for the summer will be on next Thursday evening, June 21st.

Mr. Morgan, who has been coming to Mentone the past few summers, was in town the fore part of the week and announced that he has bookings of some mighty fine pictures this season.

CAMP OF THE OPEN BIBLE TO OPEN JUNE 18TH

Campers will meet at the Baptist church at 10:00 a. m. Monday. All campers be on time with all your camping paraphernalia.

O. E. S. NOTICE

Mentone Chapter O. E. S. No. 331 will meet in regular session Monday night, June 18th. There is to be initiation and a committee to serve refreshments.

This is the last meeting until Sept. 17th.

Mr. and Mrs. C. E. Jones and daughter Mary, of Wapakoneta, Ohio, spent Sunday, June 3rd, at the E. E. Jones home and were accompanied home on Monday by Mr. and Mrs. Jones who spent the week there and at Dayton, and the week end in Fort Wayne, returning to their home here Tuesday evening.

MOTHERS OF WORLD WAR NO. 2

Unit 106 of Mothers of World War No. 2 met Wednesday night in the Menthone high school with fifty present. The meeting was called to order by the president, Bernice Rush. "While Our Boys March On," national War Mothers song, opened the meeting, with pianist Mrs. Maudie Snyder at the piano. The flag of the United States was presented by Mrs. Ethel Wagner, followed by the renewal of our pledge to Our Flag. The social committee had prepared an exceptionally interesting playlet for our enjoyment, but due to the fact that several of the young people (who had parts in the playlet) wished to leave early, the playlet was presented before the business session. "I Should Worry", was well presented by Lillian Witham, Doot Madeford, Gladys Nottingham, Eileen Kercher, Elma Jean King, Freeda Kesler, Marjorie Lockridge and Charlotte Dillman, and enjoyed very much.

The president took charge following the playlet and 50 answered to roll call after which the minutes of the last meeting were read and approved. The treasurer reported dues paid in as \$34.

Our unit was saddened this week by the death of one of our members, Mrs. Ida Holloway, who passed away the early part of the week. Our charter was draped in mourning in memory

of this dear mother who has been called from our midst. The charter was presented by past president Ethel Wagner to the president who draped it, following the singing of "Beyond The Sunset" by the unit. Our unit charter will remain draped in mourning for 30 days.

A report of the district meeting which had been held in Rochester, was given by the secretary, Maude Ontank.

Marian Shinn reported on the G. I. Bill of Rights.

Three new members, Mrs. Boganwright, Mrs. Mollenhour and Mrs. Elz-

inger, repeated the obligation of membership, followed by "God Bless America," sung by the unit, after which the meeting was adjourned by benediction by the chaplain, Mrs. Stanford.

The unit membership is growing, and

we always welcome new members. Join us mothers.

J. KERCHER SEES NAZI VICTIMS

Mrs. Dove Kercher, of Mentone, receive the following letter from her son, Jack, who was in Czechoslovakia:

H'lo Maw:

Well what's wrong on the home front? Haven't heard from home for couple weeks now tho' I did get a letter from Mandy, couple from Retha, one from Alta and oh yes, one from Grammaw.

Say maw, looks like I might try my hand at some more school—Under the army's education program. I've put in my application for courses in formanship and supervision, salesmanship and psychology. Then there are also correspondence courses, study courses, college and university courses, but we haven't got the details on these yet.

Yep maw I'm one of Patton's boys—3rd army, 4th armored division and if you followed the papers closely you will find the 4th armored is pretty famous. We all received the Presidential citation from Roosevelt shortly before he died. We may also get a citation from the French government although it's just a rumor so far.

Guess what I had for dinner today—venison. One of the boys went hunting yesterday and got a deer so we had him for dinner.

Now that censorship regulations have

been cut I can tell you of some of the places I've been (in Germany): Frankfurt - On the Main, Hannover (a big city but our bombers didn't leave so much as one building standing), Worms, Aushauffenburg (tough battle there), Regan, Chemnitz and lots of other places I can't think of right now. One time we spearheaded to within a very few miles of Dresden. The Russians were on the other side of the city; so close we thought we could hear their artillery.

I've also been through a famous concentration camp called Orduff, located

near the city of Gotha. You wouldn't believe the things I saw in there.

In one room they had dead people (Russians, Poles, etc.) piled up like cordwood, the streets were laying full of people who had been shot by the Nazis while we were driving to within

a couple of miles of the camp. They used one bullet per person. In the cellar of one building there was a big pit full of people, neatly stacked up, and covered with lime. In another room there was a big vat full of human blood and parts of the body. Outside they had a crematorium and the ground around it was littered with bones.

That's just a few of the atrocities I saw that were committed by the Germans.

The Germans were really beaten, tho'. It's full of ruins.

The Germans called the 4th Armored "America's Elite 4th Panzer Div."

Well I guess that's about all.

S'long, JACK.

P. S.—Oh yes, I went through a little mountain village in Germany, called "Frankenstein."

NEW YORK 13, N. Y.

Dear Egg Shipper:

As a group of merchants receiving the bulk of the eggs shipped from this territory to New York, we have associated ourselves for the following purposes:

- (1) To eliminate any difficulties you may have experienced in the past in shipping your eggs to New York.
- (2) To guarantee prompt payment for cases lost, when shipped to any of our members.
- (3) To promote the sale of your eggs in New York. Indiana eggs are classified as "Mid-Western," and are usually quoted and sold at lower prices than "Near-bys"—those produced in the area adjacent to New York City. There is no reason for it, except as it benefits some particular individuals. We propose to place your product on a level with those of the finest quality; to advertise "Hoosier Eggs," to quote and sell them on the merits of quality rather than on a sectional basis. At the same time, we will co-operate with you to the fullest extent in improving the quality of your eggs.
- (4) To eliminate existent evils of distribution and delivery.

NOW, you can help us and help yourself by fully co-operating with us. All we ask you is that you ship your eggs consistently to any of our members. In effect, this program will not only increase competition, but should create the keenest kind of rivalry for your good-will. Other receivers may acquire membership if they are acceptable to the organization as regards their reliability and ethical methods of doing business.

We pledge ourselves, as a group, to pay you the very HIGHEST PRICES at all times and serve you to the best of our ability.

You should begin now to ship your eggs to any of the following:

REMEMBER! We were fighting two wars and we still have the Japs to whip—until this job is done—OUR BUSINESS IS SELLING WAR BONDS.

The quota for this community during the Seventh War Loan is \$120,000.00 and to date only ONE-THIRD of this amount has been sold.

Other communities in the county have exceeded their quotas. Do we want our boys from this community who are in the service to feel that Franklin and Harrison Townships have let them down? They are still fighting and enduring the hardships of war.

Let's all buy more bonds and keep buying until our quota is reached.

the site of the temple, and the Jews are forbidden to approach this spot today. God had warned them, "I will bring the worst of the heathen, and they shall possess their houses: I will also make the pomp of the strong to cease; and their holy places shall be defiled. Destruction cometh; and they shall seek peace, and there shall be none" Ezek. 7:24-25. Anyone familiar with past and present history knows that this prophecy has been and is being fulfilled. The Jews and Arabs are in constant strife since the Jews have been returning to Jerusalem. Not only was the prophecy concerning Jerusalem fulfilled but all the cities in Palestine against which specific woes were pronounced, because of the sin of the people, are in ruins today. Look at Tyre. In Ezekiel 26, because of their sin God said, "I am against thee, O Tyrus, and will cause many nations to come up against thee . . . and they shall destroy the wall of Tyrus, and

break down her towers: I will also scrape her dust from her, and make her like the top of a rock. It shall be a place for the spreading of nets in the midst of the sea;" verses 3 and 4 then verse 14 emphasizes it again "I will make thee like the top of a rock: Thou shalt be a place to spread nets upon; Thou shalt be built no more: For I the Lord have spoken it, saith the Lord God." Think of it—this great city founded in 2746 B. C. and according to Herodotus (430 B. C.) was a great seaport and the mariners ventured "on long voyages freighting their vessels with the wares of Egypt and Assyria." was destroyed never to rise again and today the great stones that once were the walls of this strong and prosperous city are used "for the spreading of nets." A definite and positive fulfillment of prophecy.

"I say the word and will perform it saith the Lord God."

To be continued.

PUTTING BLINKERS ON THE BIG-EYED CHICKS

As the story goes, many years ago during a natural meat scarcity—before the talcum-powdered gestapo started trying to run farm operations—a little "dago" complained of feeling ill after eating "too mucha da big-eyed chick."

Owls are all right in their place, but there are moments in a man's life

when he'd rather not be bothered, let alone by a bird with two pairs of shutters on his eyes.

There have been reports in times past of owls molesting people at night, but the other evening matters took on an entirely different aspect. It seems that one of Mentone's war-workers lives in a home that doesn't brag of just all the modern conveniences that could be had. It's arranged on the department basis. There's a second-car-penter job out behind that still performs a very important function at all hours of the day and night.

Chick Sale glorified the little buildings out behind that are connected with the main structure by a well-beaten path, and then the U. S. P. H. S. came along in the Work Partially days, used a set of blueprints to build a more exclusive superstructure and a firmer

foundation. The capacity was restricted but that was necessary in those days so that a whole work crew wouldn't be in there all at once.

When a man's groping his way west along a narrow path on a dark night, with his suspenders at ease and but one thought in mind, disaster is near at hand when a squadron of owls swoop down out of the inky atmosphere and start an attack.

Smythe didn't say whether they used the Japanese "Banzai" attack or the Kraut "Kaput," but after the shock of the initial attack, he grabbed a broom and started mopping up operations. The casualty list included four owls.

And so in ending, we'll extend to the owls one of Joe E. Brown's famous queries: "Ain't nothin' sacred to you?"

CANNING SUGAR QUOTA SET AT 9.4 POUNDS A PERSON

Maximum average issue of canning sugar in the Indiana district of the Office of Price Administration will be 9.4 pounds per person, District Director James D. Strickland said today.

Strickland explained that the average does not assure each individual of receiving that amount of sugar. He said a board might hold back the issue if it felt justified in doing so, and some boards might be able to issue amounts in excess of 9.4 pounds.

His statement followed an announcement at Cleveland that issuance of canning sugar would be resumed June 18 in the five-state region of Indiana, Ohio, Michigan, Kentucky and West Virginia.

**DEATH RESULTS
FROM ACCIDENT**

Noble Middaugh, 40, of Nappanee, died Saturday night at the Murphy Medical Center a couple of hours after he was injured in an automobile accident a mile west of Mentone on road 25. His son and another lad in the car escaped with abrasions and bruises.

No one seemingly can tell just how the accident happened. They were driving east at a moderate speed when the car went into the ditch and started turning over. The top was badly broken and Mr. Middaugh received a bad skull fracture.

A following motorist, who called the Johns ambulance, stated that the car had been traveling at a moderate speed but he did not see the start of the accident. The first indication he had of there being anything wrong was when he saw the car in the grass at the edge of the road.

BURIED LAST WEEK

Funeral services were held at the Burket United Brethren church June 13th at two o'clock for Mrs. Ida Pearl Holloway, 51, who died the previous Monday at her home in Burket. Rev. Noah McCoy, of Silver Lake, officiated. Burial was in the Palestine cemetery with the Johns funeral home in charge.

Mrs. Holloway had been ill for several months and death was caused by heart trouble and dropsy.

Born in Burket September 18, 1893, the daughter of Alpha and Catharine Matthews, she resided there all her life. March 9, 1915 she was married to Mace Allen Holloway, of Burket, and was a member of the church where the funeral services were held. She was also a member of the Mothers of World War II and Gleaners lodge.

The deceased is survived by her husband and seven children, Arden, Nelson, Mary, Geraldine and Marilyn, at home; Mrs. Owen Spangle, of Burket, and Charles of Fort Riley, Kansas, and two grandsons, Kenneth Spangle and Tommy Holloway. A daughter, Loretta, died in infancy.

Mr. and Mrs. Garie Rose spent Sunday visiting at the home of Mr. and Mrs. Frank Reed, of near Argos.

STEP-FATHER DIES.

Funeral services were held Monday for Valdimir Novatny, at his home east of Silver Lake. Rev. Noah McCoy officiated and burial was at Silver Lake.

The deceased, who was 63 years of age, passed away at the McDonald hospital Saturday morning where he had been a patient for four days.

Surviving are the wife and a daughter, Mrs. John Morris. The deceased was a step-father to Dick Pilarsky, former Mentone high school student who is now employed at the Co-Op. Mill.

**KENTUCKY
BLUES HERE**

The Kentuckian situation, like the fat lady when her corset string broke, is gradually spreading out into this territory. Tuesday evening local law enforcement officials found themselves with four Kentucky natives, two boys and two girls ranging in age from about six to sixteen years. According to the youngsters' stories, their father and mother were divorced, the mother being in Frankfort, Ky., and the father last heard from at Akron, where the children had been staying until they were either persuaded or decided to head for Frankfort and mother. Kenneth VanGundy, a local lad of about 20 years, had taken the youngsters unto his care for safe keeping and had just erected a tent along the railroad right-of-way in the west part of town where they were spending the night, until officers intervened.

Sheriff Frank Lucas and deputy came to Mentone to help solve the problems of four stray children, and they were finally handed over to the sheriff of Fulton County.

Wednesday VanGundy was given a class 1-A selective service classification.

WOUNDED

Word has been received that Joe Boganwright was injured in three different places while serving as a Platoon runner in Austria. The wounds were slight and after a little patching up by the doctors he went right back into action.

**DISCHARGE FOR
SGT. WM. COOK**

Mr. and Mrs. William Cook, of Mentone, were given a surprise and moral boost Wednesday when they had a telephone call from their son, William, Jr. The last they heard from him he was in Europe—and the call came from Camp Atterbury, Ind. He said he had enough points for a discharge and expected to receive it within a day or so, after which he would go to Chicago to visit his brother. He plans to arrive in Mentone the fore part of the week to enjoy life as a civilian.

During the lad's service in Europe he received a number of citations or decorations and was wounded once.

YOUTH FOR CHRIST

Nineteen local towns were represented at the Tri-County Youth For Christ Sat. night, June 16. There were also guests from Ft. Wayne, Evanston, Ill., New Haven, Conn. and representatives of the armed forces. In spite of the rain, a larger group of young people attended this meeting than were present last month. Robert Kees, an accomplished musician and able evangelist and youth speaker, played his marimba and accordion and gave the address. Other special numbers included: trombone and cornet duet by Hubert and Emerson Burns, of Athens; scripture, Louis Engle, of Warsaw; prayer, H. W. Ault, of Argos; Saxophone quartet composed of Janice Spohn, Kosanna Ross, Lois Gilger and Virginia Goss, of Rochester; Vocal solo, Lee Myers, of Winona; testimonies by Rev. John Knecht of New Haven, Conn. and Elwin Creviston, of Ft. Wayne; prayer by Rev. R. Shepley, of Warsaw. A lively song service was conducted by Rev. R. D. Smith, of Elma Green, with Mrs. Smith at the piano. Four young women accepted Christ as Savior. Rev. E. Coleman Ralston is the director of Tri-County Youth For Christ. The next meeting will be July 7 with Michael Guido, talented young musician and youth speaker and a converted Catholic as the speaker of the evening. You will not want to miss hearing him.

SALE AUTHORIZED

Melvin R. Goshert, administrator of the estate of Mildred E. Priesch, has been authorized in circuit court to dispose of certain bonds and stocks at private sale for cash in order to make distribution of assets to heirs. The securities include one share of stock in the Northern Indiana Co-Operative association with a par value of \$25 and 44 U. S. savings bonds with a maturity value of \$4,400 in the following denomination: 15 of \$100, four of \$500, eleven of \$50 and 14 of \$25.

**GARBAGE TO
BE COLLECTED**

Geo. McIntyre has been secured to handle the garbage collection in Mentone this season. The first pickup will be on June 26th and thereafter the truck will call on each Tuesday and Friday.

Citizens are again requested to keep the garbage in a suitable container that is easily handled and refrain from placing any glass, tin cans, etc. in the garbage. It is to be used for hog food and nothing must be in the garbage except edible matter for hogs.

The garbage container must be in a convenient place, and if not in a place where it's visible from the street or alley, it might be well for you to inform Mr. McIntyre that you will have garbage for him to collect.

The citizens have appreciated the garbage collection service the past few summers and the town officials and Mr. McIntyre want to make the service as convenient as possible for all concerned.

TYPEWRITER FINGERS ON A
DETOUR

By ART CULLUM

WHY FISH STORIES STRETCH

It has always been a mystery how a two-inch minnow can grow into a two-foot bass while migrating a half mile in a fisherman's string—or even while doing a double rhumba while spitting out the hook—but when you pick up a little of the literature of a few years back and see what a lot of people must have believed, you know

good and well that a lot of people will believe anything.

Among a thousand or so other such remedies along about the ancient year of 1915, as evidenced by a properly preserved bottle and contents, there was a wonderful remedy on the market—Brazilian Balm, that was soothing to everything it touched and had a mystic power on many things it could not touch.

From cradle to grave; from one joint to another; from colds to fevers; from man to beast; well, here's the official dope as printed on the label:

"Only constitutional remedy known for colds, la grippe, and all inflammatory diseases. Cures like magic croup, old coughs, catarrh, asthma, hay fever, bronchitis, pneumonia, pleurisy, consumption, dyspepsia, rheumatism, hem-

orrhages of the nose, lungs, stomach or bowels. Prevents and cures typhoid and scarlet fever and all diseases attended with fever, inflammation or congestion. Also best antiseptic and healing agent known for all external use; wounds, old sores, burns, stings, weak and sore eyes, deafness, earache, sore nipples, caked breasts, mumps, piles, chapped hands, etc."

Now if anyone could swallow all that, even in the prescribed 125 doses for four bits, he could gulp around a string of tandem beer trucks faster than the Holland tube into Manhattan.

And plenty did swallow it all, as the bottles even have corks in them and someone had to pay for the corks. It's no wonder a fisherman never fears telling a big one—someone will always believe him.

And I'll bet my interest in the contents of this bottle that ten or fifteen years from now the young people will look back and wonder how we were so dumb as to believe some of the things that we spend so much time arguing for today. We're swallowing the same old stuff, only with a different colored label.

(Complete list of notarized testimonials on file at Clark's store.)

Mrs. Lois Davison and Mr. and Mrs. Artley Cullum attended the annual banquet of the county Tuberculosis Association held at the Hotel Hays Friday evening. Eugene White is county chairman and Miss Curry is the county secretary. The various township chairmen throughout the county were guests of the evening.

MENTONE HOME ECONOMICS CLUB

The Mentone Home Economics Club met Thursday at the home of Mrs. Elmer Rathfon. The meeting was opened by singing "America the Beautiful" after which the creed was given, followed by singing the song of the month, "Old Black Joe." The roll call was answered by 20 members who introduced their guests. There were 19 guests present. A very interesting lesson on good grooming was given by the leader. Plans were discussed for the picnic to be held June 26, at the Warsaw city park. The mystery package was won by Helen Mollenhour. The meeting was closed by saying pledge of allegiance to the flag and the club prayer was given. During the social hour, two contests were conducted. Delicious refreshments were served by the hostess and her assistants.

MILLER CREVISTON WEDDING

The home of Mr. and Mrs. Ralph Miller was the scene of a lovely candle-light Wedding Saturday evening when Miss Maxine Miller became the bride of Elwin Creviston, of Ft. Wayne, son of Alva Creviston, of Warsaw, formerly of Mentone. Rev. D. L. Slaybaugh performed the double ring ceremony in the presence of the immediate families and a few friends.

The house was decorated with peonies, orange blossoms and roses. A three-tiered wedding cake formed the center piece for the dining room table.

In the bridal party, Miss Geraldine Miller, sister of the bride, served as maid of honor, and Ralph Miller served as best man. Maxine chose for the occasion a white silk pique dress and wore an orchid corsage. Geraldine chose a powder blue dress and wore a corsage of white roses.

At exactly seven o'clock Mrs. George McIntyre, sister of the groom, began playing "Ah Sweet Mystery of Life". Immediately following, Miss Wanda Miller sang "The Sweetest Story Ever Told". The bridal party entered as Mrs. McIntyre played the Bridal Chorus from Lohengrin. They stood in front of an altar banked with flowers while Rev. Slaybaugh performed the ceremony.

After the ceremony refreshments of ice cream and cake were served. The couple left later in the evening for a

wedding trip to Chicago and after June 13th they will be at home in their newly furnished apartment at 2624 Cass St., Ft. Wayne, Ind. The groom is employed by the Herbert Green Co. of Ft. Wayne and the bride attended the Akron schools, graduating with the class of 1942. For the last two years she has been employed by the American Fork & Hoe Co., of Akron, Ind.

Besides the immediate family of the bride guests included Mr. and Mrs. Monte Creviston, of Kokomo; Mr. and Mrs. Max Poorman, of Ft. Wayne; Alva Creviston, of Warsaw; Geneva Smith, of Disko; Mr. and Mrs. Hugh Miller, Mrs. Byron Thompson, and Mr. D. L. Slaybaugh, of Akron; Mr. Truman Hartzler, of near Gilead, Mr. and Mrs. George McIntyre, Joyce Elene and Dean McIntyre, and Norbert and Monna Lou Darr, of Mentone.

WILLIAM GUY AND GRANDDAUGHTER, OF TIPPECANOE, INJURED

Two persons were injured and two cars badly damaged in a collision at the junction of West Winona Avenue and road 25, Warsaw, last Thursday. Injured were William Guy, 65, and his granddaughter, Rebecca Bowser, 6, both of Tippecanoe, Ind.

Mrs. Velma Hoover, wife of Chester Hoover, Warsaw basket manufacturer, was driving one car and Mrs. William Guy, wife of one of the injured, was driving the other. Mrs. Hoover was headed west on Winona avenue and Mrs. Guy was going the opposite direction on the state highway. As both approached the intersection, Mrs. Guy is said to have become confused in some manner and pulled over squarely in front of Mrs. Hoover.

The cars came together with a loud crash. Mr. Guy was cut about the arms and head. His granddaughter was also cut about the head and mouth and lost a tooth when she was thrown forcibly against the cowl.

Damage amounted to \$200 to the Hoover pick-up truck and \$175 to the Guy auto.

LIONS MET WEDNESDAY

The last meeting of the association year for the Mentone Lions club was held at the Beaver Dam Inn Wednesday evening, with a good number of members in attendance despite the heavy rain that interfered with attendance. Aviation cadet Joseph Boggs was a guest of the club.

The yearly reports of the various officials showed that the club had shown advancement in all departments and that a number of community activities had been sponsored by the club during the year.

Due to the fact that the next regular meeting falls on July 4th, it was voted to cancel this meeting. The

ROBER NELSON ASSISTS IN UNITED CHOIR SERVICE

The program of the United Church choirs, presented Sunday afternoon in the Warsaw Methodist church, was attended by 600 persons. Dr. Fred C. Oks directed the choir, which was composed of 70 voices.

"The Battle Hymn of the Republic," a Fred Waring arrangement, was an outstanding number and included the added features of the drums, trumpets and flute, played by Miss Evelyn Rarick, Gene Fifer, Darrell Dunham, Robert Nelson and Miss Marjorie Rea. Robert Nelson, of Mentone, with his clear sustained notes on the trumpet, matching those of Darrell Dunham, made the trumpet duet as one voice, holding the audience by its spell.

Tuesday, June 12, 1945

Dear Mr. Cullum:

Just a few words to tell you how much we who are away from home really appreciate having our home town paper sent to us. It gives us a little idea of what goes on at home, the new ones who have come to town, the old ones who have left etc. We think it's a wonderful idea and really do appreciate it.

I would like to mention that it's a real privilege to be able to take care of our sick and wounded soldiers. They are doing a wonderful job and I'll take my hat off to them any day. Some of them are only 18 years of age, and again some are 45 but they really do deserve plenty of credit for what they have done.

You can rest assured that our boys have the best medical care that is available anywhere in this world and certainly have more advantages than any other army in existence.

Again I say thanks a million for the paper.

A BIBLE MESSAGE

By REV. E. COLEMAN RALSTON

"God's Word is Sure."

(Continued.)

"For I the Lord God have spoken it, saith the Lord God." Ezek. 26:14.

Jerusalem and Tyre are not the only cities which came under the judgment of God because of the sin of the people, and like Tyre were destroyed never to rise again. In Matt. 11:20-24

Jesus predicts judgment upon three more cities. "Then began he to upbraid the cities wherein most of his mighty works were done, because they repented not: woe unto thee Chorazin;

woe unto thee Bethsaida! for if the mighty works, which were done in you had been done in Tyre and Sidon,

they would have repented long ago in sackcloth and ashes. But I say unto you, it shall be more tolerable for Tyre and Sidon at the day of judgment, than for you. And thou, Capernaum, which art exalted unto heaven shall be brought down to hell;

for if the mighty works, which have been done in thee, had been done in Sodom, it would have remained until this day. But I say unto you, that it shall be more tolerable for the land of Sodom in the day of judgment, than for thee." All three cities are nonexistent today and even their locations are disputed.

Samaria was another city that God

had to destroy, never to rise again, because of sin. "For the transgression of Jacob is all this, and for the sins of the house of Israel. What is the transgression of Jacob? Is it not Samaria?"

Therefore I will make Samaria as a heap of the field, and as plantings of a vineyard: and I will pour down the stones thereof into the valley, and I will discover the foundations thereof." Micah 1:5-6 about the year 109 B. C. John Hyrcanus besieged the city for a year and forced it to surrender. The victor demolished it, attempting to efface all proofs that a fortified city had ever stood on the site. It was rebuilt again but not for long. Today nothing remains of the once proud city but ruins.

Zion, the old part of Jerusalem and called "the city of David" (II Sam. 5:7) is now plowed as a field in fulfillment of God's Word in Micah 3:12 "Therefore shall Zion for your sake be plowed as a field". It is completely outside the present city walls.

It is very important to note that cities against which no woes were pronounced are now standing such as: Tiberias, Nazareth, Shechem, Bethany, Bethlehem, Hebron, Jaffa, Arimathea, Sidon, Damascus and others.

"For I the Lord have spoken it, saith the Lord God."

To be continued.

NORTHERN INDIANA EGG RECEIVERS AND DISTRIBUTORS ASS'N, INC.

28 Harrison Street
NEW YORK 13, N. Y.

Dear Egg Shipper:

As a group of merchants receiving the bulk of the eggs shipped from this territory to New York, we have associated ourselves for the following purposes:

- (1) To eliminate any difficulties you may have experienced in the past in shipping your eggs to New York.
- (2) To guarantee prompt payment for cases lost, when shipped to any of our members.
- (3) To promote the sale of your eggs in New York. Indiana eggs are classified as "Mid-Western," and are usually quoted and sold at lower prices than "Near-bys"—those produced in the area adjacent to New York City. There is no reason for it, except as it benefits some particular individuals. We propose to place your product on a level with those of the finest quality; to advertise "Hoosier Eggs," to quote and sell them on the merits of quality rather than on a sectional basis. At the same time, we will co-operate with you to the fullest extent in improving the quality of your eggs.
- (4) To eliminate existent evils of distribution and delivery.

NOW, you can help us and help yourself by fully co-operating with us. All we ask you is that you ship your eggs consistently to any of our members. In effect, this program will not only increase competition, but should create the keenest kind of rivalry for your good-will. Other receivers may acquire membership if they are acceptable to the organization as regards their reliability and ethical methods of doing business.

We pledge ourselves, as a group, to pay you the very HIGHEST PRICES at all times and serve you to the best of our ability.

You should begin now to ship your eggs to any of the following:

ACKERMAN & BRUNER	SCHLUSSEL & WALDMAN
BLOOMFIELD BUTTER & EGG CO.	SCHONBRUN BROTHERS.
EGG PRODUCERS MARKETING Corp.	SILVERMAN BUTTER & EGG CO.
ALEX EPSTIEN.	UNITED STATES EGG CO.
KALTER-WAGNER CO., Inc.	WEIDFNFELD BROS.

Our tags are available at any shipping point.

Sincerely yours,

NOTED TEMPERANCE

LEADER COMING HERE

The National Temperance Movement, less than a year old, has on its board of directors many of the nation's greatest dry leaders. The spearhead of this group is Herbert H. Parish, formerly of Minneapolis, but now of Chicago.

Mr. Parish will give three addresses in northern Indiana on Sunday, June 24. The first will be at Warsaw where he will speak in the morning service, starting at 9:30 a. m., in the First Brethren church, of which Dr. R. F. Porte is pastor. The second meeting will be at Goshen in the afternoon at 2:30, in the Eighth St. Mennonite church, of which Rev. A. E. Krieder is pastor. The evening meeting will be

held at Kendallville, starting at 7:30 p. m. in the First Methodist church, of which Rev. S. L. Yoder is pastor. There will be special music at each service and an offering will be taken. The public is invited to all these services.

Sunday, June 24, has been designated as "Temperance Sunday" by the Anti-Liquor Association in the counties of Elkhart, Noble, St. Joseph, Marshall, Kosciusko, and La Grange. On this day all churches in these counties have been asked to observe the day by giving 15 minutes are more in Sunday School or church service for a temperance program provided by the Anti-Liquor Association, whose headquarters are in Goshen, Ind.

V-BOMB BATTLE126th AAA Gun Battalion Destroyed
Over 250 Flying Bombs In De-
fense of London, Antwerp.

In two long campaigns which began last August, the 126th AAA Gun Battalion destroyed 259 flying bombs, it has just been revealed. Recent disclosure of full-scale attacks on Antwerp also reveal that the 126th, commanded by Lt. Col. Horace M. Robbins, of Bemidji, Minn., is one of two American 90-mm gun battalions which served in the defenses of both Antwerp and London. Many of the tactics developed by the 126th during the defense of London were employed in setting up the defense which protected Antwerp from a 154-day attack lasting from October, 1944 to April of this year.

The 126th, composed of men from 46 states and trained principally in California, was one of five American battalions deployed with British units along the English channel coast during the German attempts to destroy London by some 8,000 flying bombs. Its batteries occupied positions on the Cliffs of Dover. It was one of 16 American battalions which were established in a secret Anglo-American defense known by the code name "Antwerp X," under the command of American Brigadier General Clare H. Armstrong. The story of the remarkable success "Antwerp X" achieved in defeating an attack by almost five thousand flying bombs has just been told. The number one Allied supply port of Antwerp was saved by the efforts of the men of the 126th and its sister battalions, permitting the unloading of over two million tons of war materials during the period of the concentrated attack.

During the two campaigns the men of the 126th proved themselves and their secret equipment equal to the vaunted German terror weapon, the V-1. In shooting down a total of 259 V-1s, they achieved such success that during one period they destroyed 25 out of 27 of the bombs which came within range of their artillery.

At the time of the Rundstedt offensive in the Ardennes during December, the 126th was rushed from "Antwerp X" to the antiaircraft defense of the

LT. COL. L. V. TEETER
IS MISSING IN CHINA

Mrs. Cleo Teeter, Talma, has been informed by the War department that her son, Lieutenant Colonel L. V. Teeter, with the 23rd fighter group in China, is missing in action.

Colonel Teeter was last seen on June 3, air force officials reveal. He has seen continuous action against the enemy in the China-Burma-India theater of operations. He was reared in Fulton county and is known to a host of friends. His wife and a small son are residents of Fort Valley, Ga.

FARM BUREAU
TO MEET HERE

A Farm Bureau meeting will be held at the Mentone school on Tuesday evening, July 3, at 8:00 o'clock.

An invitation is extended to everyone to attend this meeting.

threatened supply center of Liege, with a secondary role of antitank defense. The fire of the 126th guns was so accurate that the battalion destroyed ten planes in a few days—mostly during the famed January first efforts of the Luftwaffe to knock out the Allied airfields. In spite of having been on this mission for only a very few days, the 126th moved to second place in the Ninth Air Defense Command in total kills scored.

Cpl. John Ellsworth, son of Mr. and Mrs. Dave Ellsworth of Mentone, Ind., is serving with this anti-aircraft outfit, attached to the 9th air force, somewhere in Germany.

He has been overseas since the early part of July, 1944, and has served in England, France, Belgium and Germany. He has been awarded two Battle Stars, one for the Second Battle of Britain and one for the Battle of Germany; also the Good Conduct Medal for a year of outstanding service. His wife, Mrs. Martha Ellsworth, resides at Mentone. He is a graduate of the Mentone High School.

He was a member of the famous Red Ball Express which carried vital war materials from the port of Cherbourg, France to the front.

WAR PRISONER
ON WAY HOME

Mr. and Mrs. Joe Meiser, Talma, have just been informed of the safe arrival at an eastern port, of their son, Lieutenant Harold (Herby) Meiser, who stated that he had just "arrived on a banana boat."

Lt. Meiser has been overseas as a pilot for the past year. On last November 25, he was shot down over Austria, and spent the following six months in a German prison camp. He was released on May 25 by advancing U. S. Army units. He expects to return home on leave in a few days. He was reported missing in action in November, 1944, and his whereabouts were unknown for several months.

FAREWELL FOR REX WITHAM

A farewell party was held at the home of Mrs. Bessie Blue, Monday evening, for Rex Witham, who leaves for army service Friday. Delicious refreshments were served at the close of the evening.

LIONS NOT TO
MEET JULY 4

The Mentone Lions club, which has a regular schedule of two meetings each month—the first and third Wednesday evenings—will not meet on the first meeting night in July, as the day is Independence Day, July 4th. The meeting was dismissed because it was felt that vacation plans would interfere with the attendance. The club will, however, meet on Wednesday evening, July 18th. Watch for further announcement regarding the place, etc.

NEWCASTLE TWP. F. B. MEETING

The regular monthly meeting of the Newcastle Township Farm Bureau was held Wednesday evening, June 20. The meeting opened with community singing led by Mrs. Dee Berrier with her daughter, Frances, accompanying. Prayer was offered by Mrs. Richard Graves, County chairman, Richard Graves, gave a short talk on announced county meetings which are to be held. Mrs. Dee Berrier and Mrs. Kermit Biddinger reported on the success of the 4-H Club Booster campaign in Newcastle township. The meeting was then turned over to the Armour creamery representative, who showed very educational and entertaining movies.

The program committee consisted of Mrs. Chloris Barkman, Miss Frances Berrier, and Mrs. Don Nichols. The next meeting will be held in September.

FOR MORE MILK — PROFITS

CATTLEZE has come to be considered a necessity in the dairy barn. Cows are always nervous and miserable in fly time — unless you have a sprayer filled with CATTLEZE. Just a few puffs and the flies either fall dead or run for a pleasanter atmosphere. It's a scientific compound that will actually kill flies and yet contains no harmful, discoloring or disagreeable ingredients . . . and it's inexpensive, too.

HOUSE SPRAY TOO

It wasn't fair to make such a wonderful animal spray without making one to use in the house, too. We have it on hand, ready to aid every housewife in ridding her home of the summer pests—flies or insects.

TOURIST GAS IN CANADA

American tourists entering Canada are now entitled to an increase of 4 Imperial gallons of gasoline, or a total of 16 Imperial gallons, equal to 20 gallons American measure, according to the Touring Bureau of the Chicago Motor Club. In the past, the Canadians have allowed visitors 12 imperial gallons, or an equivalent of slightly less than 15 American gallons.

Americans, according to the bulletin issued by the Club, will be able to secure the 4 coupons once each calendar year at the port of entry as in the past. The registration card will be stamped, and it is required in order to secure the allowance. Previously, the coupon value represented 3 gallons; hereafter, the value of the coupons will be 4 gallons. The coupons may be used in any section of Canada, and the remaining coupons must be surrendered by all motorists when leaving Canada.

Women in your '40's

**Do these symptoms
Betray your Age?**

Do you—like so many women between the ages of 38 and 52—suffer from hot flashes, nervous tension, irritability, are a bit blue at times—due to the functional "middle-age" period peculiar to women?

Then start at once—try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. This great medicine HELPS NATURE. Taken regularly—it helps build up resistance against such "middle-age" distress.

For almost a century—thousands upon thousands of women have reported benefits. Also grand stomachic relief. Follow label directions.

Lydia E. Pinkham's
VEGETABLE COMPOUND

SAYS MOST WOMEN POORLY INFORMED ON COOPERATIVES

In the first known study of its kind to learn how much farm women know about the principles and practices of farm cooperatives, Professor W. A. Anderson of the rural sociology department at Cornell University has come to one outstanding conclusion:

And that is the serious need for a thorough educational program to acquaint women with the facts and philosophy of the cooperatives.

In his study the sociologist interviewed more than 500 women, chiefly wives of farm owners but including some wives of farm tenants and farm laborers, in three areas of New York state. One area was selected because it is considered good cooperative marketing territory, the second, an average area; and the third, rather poor territory for cooperative activities.

Professor Anderson found that farm women in general have little accurate knowledge of cooperative principles and practices. "Women who are members of co-ops, however, have more facts and more accurate information than do women who are not members," he said.

The questions answered by the women had to do with selling practices, membership, voting privileges, and management.

"While many of the women have sound views on these matters, considerable numbers have erroneous ideas or no ideas at all," the sociologist reported.

Another point that interested the researcher was the fact that three times as many co-op members expressed opinions, and their opinions are generally more sound than those of the non-members. In one area, both groups considered, the women have more opinions than the women in the other two areas, but they do not have the sounder views, Professor Anderson reported.

Of those who responded to questions concerning the general advantages or disadvantages of the cooperative method, 31 percent are favorable and only two percent are definitely opposed. Sixty-seven per cent are neutral in their attitude. It is this extensive neutrality that is the big challenge to promoters of cooperatives, he declared.

Importance of the study is emphasized by Professor Anderson who said that cooperatives need the intelligent and loyal support, not only of the farmer, but of the farmer's wife as well.

Train Fare

An eastern railroad is noted for its fat, juicy baked apples of the Rome Beauty type. On another line, huge Idaho baked potatoes and delicious lemon pies are the favorites. A New England railroad is recognized for its excellent seafood dishes, including Maine lobster, haddock chowder, halibut and mackerel. Braised ribs of beef rank highest on another northeastern line.

MORE PEOPLE TO DIE

Extra gasoline allotments this month may upset what promises to be Indiana's "safest" highway safety year, according to Colonel Austin R. Killian, state police superintendent, who today revealed a 10 per cent decline in statewide traffic fatalities the first five months of the year.

He warned that the easing of gasoline rationing restrictions does not mean motorists can return to unrestricted driving speeds. Enforcement is to be intensified by state police.

"More gasoline means more driving," the police official said. "Combined with 'rusty' drivers, worn-out tires and cars averaging eight years in age, the result will be increased traffic deaths unless each driver follows safe practices."

A total of 286 persons were killed in motor vehicle accidents from January 1 to June 1, as compared with 316

deaths for the same period in 1944, state police statistics show. Urban traffic fatalities decreased more than 25 per cent, while the rural total was up three per cent.

Pointing out that the vacation season will encourage additional driving, Colonel Killian asserted that "it is up to every individual to accept full responsibility for driving safely when he is behind the wheel."

Leading cause of rural traffic deaths in the five-month period was collisions of more than one vehicle. Other chief causes in order were auto-train, loss of control, pedestrian and fixed object collisions.

Beans Popular

The reason for the popularity of beans no doubt is their willingness to grow even under the most adverse conditions, and the fact that young pod beans, fresh picked from the garden are among the most delicious of all vegetables.

What Price Eggs? DEAR EGG SHIPPER—

We are paying for eggs the highest prices permitted under O. P. A. regulations. The next price will be .47 1/2¢ for Consumers Grade X Large. We are, of course, aware of the fact that some people care little about laws and regulations. We, however, are not inclined to be involved in this sort of business; neither, do we believe, will you be inclined to trust later the fellow who is now dishonest with himself as well as with Uncle Sam.

Present conditions will not last forever. We will continue, as always, to pay the highest LEGITIMATE prices, and we will continue to do our best to merit your patronage and good-will.

It is on this basis that we are soliciting your shipments and hope to serve you soon.

Very truly yours,

About everything I want to, I can say a little more.

Well, Dad, I have been through a lot. I have been in Belgium, Germany, Holland and France. We finished the job and that is what counts, I guess. We have three battle stars and our fourth one will be here next week. That is something to be proud of. A year ago on the 28th of June I will never forget. That is the day we landed in Normandy. What a day that was! I was also in that big bulge in Belgium, but our work is almost done. We are back in France tearing up what we did a year ago. It doesn't seem possible we laid over 500 miles of pipe line for gas. Now we are taking it up and that will be over in a few weeks.

I expect our company to come back home soon for a furlough and then on to the other place. Some have gone from here but I think we will hit the U. S. first.

How is everyone back there? We have moved so often here of late my mail will never get to me. We came back from Germany just two weeks ago. Moved clear to the coast now. We are only 40 miles from Paris but expect to

AN EDITORIAL

Frequently, one encounters something which not only hits you right between the eyes, but sends shivers up and down your whole system. Two paragraphs, taken from an article in a national publication a few days ago provides much food for thought, and constructive action.

The article was written by Gregor Ziemer, who spent over a decade in Germany as a teacher. He left just before the Nazi bombs started bursting and came to America where he was a radio commentator and lecturer. As the American armies were going across Germany in the final blows a few weeks ago, Gregor Ziemer was with them. The article was written after he arrived back in Germany, and separating the two paragraphs from the balance of the article has not changed their implications. The first was a reply made by a clergyman:

"He hoped that the church would again be allowed to carry on its community welfare work, something the Nazis had relegated to the Party Welfare Organization."

(At Wagner Blacksmith Shop)

The other paragraph was a statement of Mr. Ziemer's, as follows:

"Many there are in Germany who were too stupid or too subservient to question the policies of their own government."

Will our children rise up and call us stupid?

A BIBLE MESSAGE

By REV. E. COLEMAN RALSTON

"God's Word is Sure."

(Continued.)

"The works of his hands are verity and judgment; all his commandments are sure." Psa. 111:7.

During the past few weeks we have dealt with the prophecies concerning the children of Israel. God promised them blessing if they would be obedient unto Him and severe punishment if they should choose to disobey. We found that they disobeyed and had to "pay the consequence" and they are still suffering for their sins. They are separated and scattered throughout the world. They have no national home and, what is worse, they are severely persecuted for no other reason than for being Jews, just as God said they would be. The recent rebellions on the part of the Arabs who have slaughtered many Jews and destroyed much property, making every effort to drive them out of Palestine, and the almost unbelievable slaughter in Europe, indicates that the "time of Jacob's trouble" is rapidly approaching.

God made a promise to Abraham that He is bound to keep. We have been using Leviticus chapter 26 a great deal during the preceding messages and in reading the 40-42nd verses, you will see that while warning them of His cursings if they sin, He has not forgotten his covenant with Abraham. He says, "if they shall confess their iniquity, and the iniquity of their fathers, with their trespass which they

trespassed against me, and that also they have walked contrary unto me; and that I also have walked contrary unto them and have brought them into the land of their enemies: If then their uncircumcised hearts be humbled, and they then accept of the punishment of their iniquity: Then will I remember my covenant with Jacob, and also my covenant with Isaac, and also my covenant with Abraham will I remember; and I will remember the land.

This covenant that God made with Israel is very important and demands careful consideration for just as sure as God fulfilled the other prophecies, we can depend upon it He will, just as accurately, fulfill this one.

For He said, "I will make a covenant between me and thee . . . For an everlasting covenant . . . and I will multiply thee exceedingly". Then He gives Abraham a "title deed" to that

great territory from "the river of Egypt unto the great river, the river Euphrates". And in spite of all man can do, the Jews will come into their rightful ownership of that land one of these days, for "all His commandments are sure".

To be continued.

TALMA MAN INJURED IN FALL

Forrest Calvert, of Talma, was injured in a fall at 11:30 a. m. Monday morning at the Armour's plant in Rochester, when he fell down a ten-foot elevator shaft. He was taken to the Woodlawn hospital in the Zimmerman Bros. ambulance where it was found that he suffered severe head wounds, but no fractures.

NORTHERN INDIANA EGG RECEIVERS AND DISTRIBUTORS ASS'N, INC.

28 Harrison Street
NEW YORK 13, N. Y.

Dear Egg Shipper:

As a group of merchants receiving the bulk of the eggs shipped from this territory to New York, we have associated ourselves for the following purposes:

- (1) To eliminate any difficulties you may have experienced in the past in shipping your eggs to New York.
- (2) To guarantee prompt payment for cases lost, when shipped to any of our members.
- (3) To promote the sale of your eggs in New York. Indiana eggs are classified as "Mid-Western," and are usually quoted and sold at lower prices than "Near-bys"—those produced in the area adjacent to New York City. There is no reason for it, except as it benefits some particular individuals. We propose to place your product on a level with those of the finest quality; to advertise "Hoosier Eggs," to quote and sell them on the merits of quality rather than on a sectional basis. At the same time, we will co-operate with you to the fullest extent in improving the quality of your eggs.
- (4) To eliminate existent evils of distribution and delivery.

NOW, you can help us and help yourself by fully co-operating with us. All we ask you is that you ship your eggs *consistently* to any of *our members*. In effect, this program will not only increase competition, but should create the keenest kind of rivalry for your good-will. Other receivers may acquire membership if they are acceptable to the organization as regards their reliability and ethical methods of doing business.

We pledge ourselves, as a group, to pay you the very **HIGHEST PRICES** at all times and serve you to the best of our ability.

You should begin now to ship your eggs to any of the following:

DEATH CLAIMS MRS. LOUISA GOOD, 91, FOLLOWING FIRE

Death came Tuesday night, June 19, to Mrs. Louisa Good, 91, at the Stansbury Nursing home, Rochester, Ind., a few hours after she was carried from the burning Bryant Nursing home at 136 North Jefferson street, Rochester, during the fire which razed the building that morning.

An invalid for several years, and critically ill for several days, it is believed that death was due to complications and shock.

The deceased was the widow of the late David Good, and resided for many years on a farm just north of Athens, and in the southernmost edge of New-

castle township. She was a member of the Bethlehem Baptist church.

Surviving are two sons, Charles and Clyde of near Chester, Mont., and two daughters, Mrs. Lillian Craig of Rochester and Mrs. Maude Mulken of Logansport. One daughter, Mrs. Eva Lyons, preceded her in death.

Funeral services were held Sunday afternoon in the Zimmerman Bros. funeral home at Rochester. The services were in charge of Rev. Bailey, of the Rochester Baptist church. Burial was made in the Mount Hope cemetery at Athens.
