**HIGH SCHOOL LEAGUE
GAMES MONDAY AND TUESDAY**

High school league games are played each Monday and Tuesday nights at Veterans' Park in Mentone. There are two games each evening.

Merchants games are usually held each Wednesday and Friday evenings.

**ONLY CALL CENTRAL
TO SUMMON FIRE DEPARTMENT**

Arlo Friesner, Mentone Fire Chief, states that the new telephone directories are in error when they advise calling certain numbers in case of fire. These numbers will bring the department but the response won't be as prompt as it would be if you call the telephone operator giving your name, the location and nature of the fire. The operator then will notify all the firemen by telephone.

Many times the bigger percentage of the firemen are at the station ready to board the truck when the siren blows.

In case of fire, DON'T call a number—just give the operator the information and she will handle your message in the shortest time possible.

WANNA PLAY IN THE BAND? ? ?

A movement is being started to interest all former members of the Mentone School band in regular Saturday night band concerts.

The committee now working on this project is Jackie Blue, Mary Louise Bare, Boyd Blue and Vance Johns.

Mr. Roger Kelly, the new music instructor, will direct the band. The first practice for the band is this Friday evening at 7 o'clock at the school house.

All former band members, all present band members and band members from any of the neighboring schools are invited to come and enjoy this band session.

Linus Borton thinks he can still get some music out of an alto horn. Arthur Brown figures he can still play the clarinet. Mr. and Mrs. Raymond Weirick, too, are sure they can get some harmony out of an alto and saxophone. Why not have a real group of old timers and new timers? We'd all enjoy it.

If you are interested, contact any member of the committee or be at practice Friday evening.

**CHILDREN'S DAY PROGRAM
TO BE PRESENTED**

Sunday evening, June 10, the annual Children's Day Program will be presented at the Beaver Dam E. U. B. Church. The program, which is being directed by Mrs. Gerald Clinker, Mrs. Orville Swick, and Miss Shirley Igo will begin at 8:00 D. S. T. Everyone is cordially invited to attend.

IN McDONALD HOSPITAL

Howard Kohr is a patient in the McDonald hospital where he is receiving medical treatment. He entered the hospital a week ago tomorrow (Thursday).

**GEORGE BUCHTOL AT
VETERANS' HOSPITAL**

George Buchtol, who has been quite ill the past several weeks, was taken to the Cold Springs Veterans' Hospital at Indianapolis, last Thursday. Reports this week are that he is feeling much better. A heart condition has been the cause of his difficulty and his many friends here wish him a speedy recovery. For those who may care to write him, he can be addressed at Ward 7.

RALPH R. NICHOLS DIES.

Funeral services were held this afternoon at the First Brethren church in North Manchester for Ralph R. Nichols, aged, 42, of Warsaw. Mr. Nichols died at 10:45 a. m. Tuesday in the Murphy Medical Center of a heart ailment. He had been in failing health for the past seven years.

He was born at North Manchester December 31, 1908, the son of Charles T. and Charlotte (Fry) Nichols; and was married to the former Eunice Metzger March 13, 1937. He had formerly lived in Burket and was a member of the E. U. B. Church in Burket.

PARENTS OF SON

Mr. and Mrs. Wayne Zollman of Tippecanoe are the parents of a son. The boy was born on Sunday, May 27, at the McDonald hospital and weighed nine pounds, thirteen ounces.

Mr. and Mrs. Willard Zollman of Warsaw are the grandparents.

CELEBRATE BIRTHDAYS

Betty, Billy and Bobby Griffis spent Saturday night with their cousins, Jay and Jane Trowbridge, at the Judah Trowbridge home in Bourbon. Sunday evening a delightful birthday supper was given in the Trowbridge home for the 15th birthday of Jane Trowbridge, and Billy Griffis' 14th birthday.

The table was centered with two lovely decorated cakes with candles. Others present were grandparents, Mr. and Mrs. George Ford, and Mr. and Mrs. Gilbert Griffis. The same group had a wiener roast supper, Tuesday evening at the Griffis home.

CELEBRATE 25th ANNIVERSARY

Mr. and Mrs. E. C. McGowen celebrated their 25th wedding anniversary Sunday June 3rd with a family dinner in their home.

The house was beautifully decorated with large bouquets of iris and peonies. In the afternoon refreshments were served from a long table decorated with a large anniversary cake.

The guests present were Mr. and Mrs. A. R. Markey, Dian, Michael and Vicki, Ft. Wayne; Mr. and Mrs. Bert McGowen, Mr. and Mrs. Hershel McGowen, Dorene and Melvin, Mr. and Mrs. Dale McGowen, Donald McGowen and Dave Romine all of Etna Green; Mr. and Mrs. Melburn McGowen, Mr. and Mrs. Lewis R. Johnson and Jimmie of Rochester; Mr. and Mrs. Howard McGowen of Argos; Mr. and Mrs. Devon Hilschman, Diane and Paulette of Bourbon; Mr. and Mrs. Allen Pierson of Osceola; Mr. and Mrs. Charles R. Miller, Karen and Dennis of Tippecanoe; Mrs. Russell Hosler, Jr. of South Bend, and Miss Katherine Martin of Warsaw.

The celebrants received many beautiful gifts of silver.

CLUB CALENDAR

Jolly Janes Home Economics Club, Monday evening, June 11, at the home of Mrs. Raymond Lewis. Gift night.

Mothers of World War II will meet with Mrs. Ethel Wagner on Wednesday, June 13, at 8:00 p. m.

Mentone Home Economics club at the home of Mrs. Linus Borton on Thursday, June 14 at 1:30 p. m.

KUHN — WHITTENBERGER

Mr. and Mrs. Bernard Kuhn are residing north of Akron since their return from a wedding trip through the South. Mr. Kuhn, who is the son of Mr. and Mrs. Willard Kuhn, of Akron, is engaged in farming. Mr. and Mrs. Otis Whittenberger, also of Akron, are the parents of Mrs. Kuhn, who was Miss Pauline Whittenberger before her marriage. She is employed at the Bryan Manufacturing company in No. Manchester. Both young people were graduated from the Beaver Dam high school in 1949.

The semi-formal wedding took place Friday evening, May 18, at the Beaver Dam Evangelical United Brethren church. Rev. Kuhn, of Hebron, uncle of the bridegroom, officiated at the double ring service.

**MRS. RINER TO CONTINUE
AS ATTENDANCE OFFICER**

Mrs. Curtis Riner, of near here, was re-elected county attendance officer for the 1951-52 school year by unanimous vote of 14 township trustees who met Monday at the court house in Warsaw, with Glen Whitehead, county superintendent of schools.

ABLE TO BE OUT

Chet Herendeen is able to be out and around after being a patient in the Woodlawn hospital. He feels much better and is gaining weight.

FRACTURES HIP

Mrs. Mary Bidelman is a patient in the McDonald hospital where she was taken after fracturing her left hip.

CHAPMAN

Born to Mr. and Mrs. Ralph Chapman of Laketon a son at the Woodlawn hospital at Rochester Wednesday Mr. and Mrs. Fred Barr and Mr. and Mrs. Russell Chapman are the grandparents and Mrs. Frank Arter is a great grandmother.

LICENSED TO WED.

Keith L. Wagner and Sally Hoffer, secured a marriage license at Rochester last Saturday.

SPENDING YOUR MONEY

Indiana citizen's share of the cost of the proposed \$8.5 billion Federal foreign aid and military assistance program exceeds the total annual tax cost of education in Indiana, the State Chamber of Commerce estimated today.

If the foreign aid and military assistance program proposed by the President should be approved by Congress, Indiana taxpayers will be called upon to pay an estimated \$192,950,000 as

their share of the expenditure, the chamber said. Total tax cost of all local public schools, libraries, and state universities and colleges in Indiana in the 1950 fiscal year was \$172,640,000, according to chamber figures.

Kosciusko county's share of the burden of the proposed foreign aid cost would be approximately \$1,476,068 or an average of 44.91 for each man, woman and child, the State Chamber estimated. Average cost to a family of four would be \$179.64. Fulton county's share would be \$704,268 and Marshall county \$1,302,413.

The county's share compares with total property tax levies of \$1,591,370 collectible in 1951 in the county for all local and state purposes.

In making public the gigantic cost to Hoosiers of the proposed foreign aid expenditures, Clarence A. Jackson, executive vice president of the State Chamber, explained that the chamber was not opposing the idea of American assistance, either civil or military, to friendly foreign nations.

"What we seek to emphasize," Mr. Jackson said, "is that these vast expenditures for foreign aid and other purposes by the Federal government do not just come from some vague source called the Federal treasury, but actually are paid by the people in the form of taxes or of debt which they will hand down to their children."

"With about one-third of the income of the American people expected to be taken in taxes for all government—Federal, state and local—Congress and the administration have a duty to examine the foreign aid proposal closely for possible reductions. Domestic expenditures, too, must be trimmed to eliminate unnecessary costs and waste. Our resources are great, but they are not limitless."

Indiana's share of the cost of the proposed foreign aid program was computed by the chamber on a basis of the state's share of national income, individual income taxes collected, and population. The individual counties' shares were computed on a basis of each county's proportion of state population and gross income tax payments.

DISTRIBUTE 213,596 TROUT

With Trout taking to Indiana Lakes and streams "like a fish does to water," the Fish and Game Division, Indiana Department of Conservation is going about the pleasant task of stocking such spots with as many trout as are available.

In all 213,596 Rainbow, Brown and Brook Trout have been distributed in Lakes and Streams suitable to their good health and propagation. Of the above total 6,492 Rainbows and 200 Browns of legal length have been distributed. Three hundred Rainbows and 200 Browns were delivered to the Isaak Walton League organization at South Bend. Fingerling Rainbows totaling 111,380; Browns totaling 45,000 and Brooks adding up to 47,500 have been turned loose in suitable waters.

Counties where distribution has taken

place are Allen, DeKalb, Elkhart, Jasper, Kosciusko, LaGrange, Orange, LaPorte, Lawrence, Noble, Porter, Steuben, St. Joseph, Washington and Marshall.

Reports reaching the Fish and Game Division through Conservation Officers and mail is to the effect that many splendid catches of the three species have been made, some weighing several pounds. The season closes August 31.

CARD OF THANKS

I wish to thank my friends and neighbors for the assistance given me during the sickness and death of my wife.

MENTONE MURMURS

by
DAVID and SALLY GOSSE

How many of the readers of the Murmurs attended the Memorial Day Service last week? If you did, one outstanding incident was evidenced. The prestige and influence of gun-fire must be recognized as the only silencing force of the service.

The parade formed, as it was scheduled to do, in front of the Legion Home. Without incident it proceeded east on Main Street. The Legion Colors, the High School Band, the Legion members, the War Mothers, the Scouts (Boy and Girl), and preceding the War Mothers, the children of the Legion members.

The Colors of the participating units were stationed around the Circle in the Mentone Cemetery. They were brought to rest. The scattered audience was invited to take seats within the circle of chairs which had been transported there for that explicit occasion.

Mr. Joseph Jones, Pastor of the Church of Christ, gave the Invocation. There was an over-abundance of restlessness beyond the circle. The band played a number; the restlessness and noise and disrespect gained momentum. The speaker was introduced. Whether he had anything to say or whether it was worth listening to could not be judged, for even his own voice could not be heard because of the din and confusion of visiting which continued and increased in volume as the minutes went by.

The band played another number, and then Mr. Jones gave a Benediction following the presentation of the wreath by the War Mothers. So loud had the laughing and conversing become that even those within the circle could not hear. Never had such disrespect been witnessed by Murmurs on any occasion.

If one cannot hear in a church service, that is not the occasion to converse, but the opportunity to worship silently. A Memorial Day Service is a sacred service, as sacred as the laying away and first interment of our loved ones. We should be silent in respect and love for them. This does not imply weeping, long sad faces and false countenances of sorrow when none is felt; but it does imply the caustic reprimand due those who have no respect for others when they are worshipping.

It would appear that the very seeds of Communism are sprouting in our midst when in memory and sacred devotion to our loved ones we cannot worship undisturbed at their graves, nor offer up prayers without the decency of spectators pausing to bow their heads.

The fact that an audience cannot hear is no reason for it to be curious enough to come within hearing dis-

tance and observe by an upraised hand that prayer is being offered to the Divine Father of us all, without Whom we would not have our being.

It is not alone through changing forms of government that subversive "ISMS" are in evidence. More evident are they in these occasions of disrespect and lack of common courtesy, for out of the minds and hearts of people with dwarfed philosophies of life come the more demonstrative events.

The order was given for the firing of the salute, and then, and then only, was there the respectful silence that should have been experienced throughout the brief service.

There may be some who will say that Murmurs is peevish because he did not get a respectful hearing, but that will come only from those who feel the pinch of the shoe, for it is by request that such a message is given. There were in the audience those who were appalled by the lack of consideration, the selfishness of adults and the complete abandon most inappropriately voiced.

"Disappointment" would better describe Murmur's feeling on the subject, for he has so frequently lauded Mentone to the skies and he felt justified in so doing.

BEAVER DAM 4-H CLUB MEETS

The regular meeting of the Beaver Dam 4-H Club was held at the home of Larry Creakbaum.

The two main features of the evening were the discussion of buying a share of stock in the fair board and voting to have our 4-H sign painted.

Pledges to the flags were led by Lois Ummel and group singing was led by Ernest Heighway.

Larry Creakbaum was elected to be the treasurer for the new year.

Tractor maintenance will be held the last of June.

Two adult leaders and thirty-one members were present for the meeting.

Games, including a treasure hunt, and refreshments were enjoyed by all.

The next meeting will be at the Ummel home at 7:30 p. m. on June 22.

VACATION BIBLE SCHOOL PROGRAM FRIDAY EVENING

The daily Vacation Bible School, which has been conducted during the past two weeks at the Church of Christ, will close Friday evening, June 8, at 8:00 o'clock. A special program has been planned for the closing exercises, wherein each class will participate. All of the classes but one have used as a theme this year, 'The Life and Work of the Apostle Paul'; and the program Friday night will reveal much of what has been accomplished in relation to this theme.

The minister, Mr. Joseph F. Jones, who has directed the School, wishes to express the thanks of the church to the parents and children for their hearty cooperation, interest and contributions in making this teaching effort such a wonderful success.

A cordial welcome is extended the community to attend the closing program Friday night.

The Birthplace of a Great Industry

One of America's great industries was born one hundred years ago in the buildings shown above. It was here that Jesse Williams took the age-old art of cheesemaking out of the farm kitchen and started the factory system of making cheese and other dairy products at Rome, New York in 1851. From this humble start—when Jesse started making cheese from the milk produced on his farm and on the farms of his son George and other neighbors—has grown today's billion pound annual cheese industry, the largest in the world. Arthur W. Sigmund of the Kraft Foods Company, president of the National Cheese Institute, states that "the pioneering spirit and foresight of Jesse Williams laid the basis for the growth and development of America's great dairy industry, one of the largest of all agricultural industries in the United States."

THE ROCK BASS

Many a fisherman would go home empty handed if Rock Bass were not so plentiful. Large numbers of the small, greenish fish dwell in lakes, ponds, and rivers throughout most of the eastern half of the United States.

The best place to fish for them, says the National Wildlife Federation, is in clear, cool water, near patches of water plants. In streams they linger in the quiet water of deep holes, especially if there are large boulders or old stumps around. They also like to swim beneath overhanging banks.

When the water warms up in the early summer, the Rock Bass look for a gravel bed in a stream or a patch of sand in a lake. There the male hollows out a good spot where the female can lay a cluster of eggs. Then the male guards the eggs until they hatch.

The young Rock Bass grow slowly. When they are six months old, they are about an inch and a half long. In a year, they may grow to a length of two and a half inches. By the age of two, they will measure between three and four inches.

© National Wildlife Federation
Rock Bass

When fully grown, the average Rock Bass is no more than twelve inches long and weighs a half a pound. It is a chunky fish, and colorful in appearance. Most of its body is olive green, with slight tinges of yellow on the sides. There is a small, dark spot on each scale, and the rows of spots look like stripes. The eyes are mostly red.

For food, the Rock Bass likes crickets, grasshoppers, grubs, worms, small minnows and crawfish. It catches these things for its regular meals, and is also tempted by them if they are dangling on a hook.

When a Rock Bass first grabs a hook, it begins a vigorous fight, but soon it tires and gives up. Just as it is being taken out of the water, it shows another spark of resistance, then surrenders for good.

After taking his first Rock Bass of the day, the experienced fisherman stays near the same spot and tries again. The fish live in schools, and where one is hooked, there are likely to be more.

According to the National Wildlife Federation, it is a good idea to catch all the Rock Bass that you can use.

They increase in number so rapidly that they overcrowd some streams and lakes. When that happens, there is not enough food for all of them and they fail to grow to maximum size.

Interesting information about other species can be obtained by writing to the National Wildlife Federation, located in Washington 10, D. C.

LETTER FROM NEW YORK May 29, 1951

Dear Art and Readers,
How's the weather back in the good ole 'Hoosier State.' Out here it's been cool and cloudy most of the time. Rained most of last night. I'm right among the Finger Lakes; New York state fishing district. Of course, I'm no fisherman myself.

I like the Air Force pretty good. It's a lot like a civilian job. I work eight hours four days a week, and up until

noon on Fridays. Off week ends. I get home about every two weeks, which is quite a drive, 557 miles. But I don't know how long it will last. I'd rather be a civilian any day.

I enjoy the paper very much. Thanks a lot for sending it to me.

I'm counting on going up to Rochester, N. Y. tonight to see the Beaver Dam and North Webster seniors. Here's my address if anyone cares to write.

LETTER FROM LEE NORRIS May 30, 1951

Dear Art,

I received the Co-Op. News last week and it sure was appreciated.

The weather here is hot during the day but it cools off every night.

We have the morning and part of the afternoon off duty today. There is a certain amount of polishing, cleaning and preparing that has to be done. We start this evening on a formal bivouac. It is eleven and one half miles out to where we will camp over night. After shooting on the transition range (silhouette targets) tomorrow we will return in the evening.

This is the third week of basic. There will be six in all. After that I don't know where I will go.

Thanks again for the paper and a hardy hello to all my friends around Mentone.

SISTER-IN-LAW DIES

Mrs. Matilda Cook, aged 88, sister-in-law of Wm. Cook, of Mentone, died at 4:30 p. m. Monday at the home of her granddaughter, Mrs. Theodore Freeman, in Warsaw. She had been seriously ill for seven months, due to a heart ailment and complications.

Mrs. Cook was born in Pulaski county Jan. 9, 1863, the daughter of Truman and Millie Holman. March 25, 1889, near Palestine, she was married to George A. Cook, who died in 1905. She was a member of the Palestine Methodist church.

Surviving relatives include a daughter, Mrs. Grace Denney, of Warsaw; three sons, Victor Cook of Warsaw, Cecil Cook of Sharron Springs, N. Y. and Glenn Cook of Elkhart; 30 grandchildren and 24 great-grandchildren.

Funeral services will be held Thursday afternoon at two o'clock at the Palestine Christian church with Rev. Laurence Smith, of Burket, in charge. Burial will be in the Palestine cemetery.

Sunday dinner guests of Mr. and Mrs. Francis Kehoe were Mr. and Mrs. Clyde Berkeyple and daughter, Ann, of Bourbon and Mr. and Mrs. Frank Nellans and family.

Pottery, China, Aluminum and many other kinds of gifts in a wide range of price on display at Brown's Jewelry and Appliance.

SOFTBALL SCHEDULE.

There are no home games scheduled for the Mentone Merchants this week, although it may be possible that one will be. The next week Laporte plays here on the 13th and Warsaw on the 15th. June 20th the county champion G. O. P. team of Marion will play here. Saturday, June 23, the Merchants go to Plymouth for a game.

HIGH SCHOOL SOFTBALL SCORES

In the high school league, Monday evening Etna Green defeated Tippecanoe 18 to 2. In a non-league game following Union Tool of Warsaw defeated the Mentone high school boys 8 to 7.

Tuesday evening, Mentone defeated Burket 12 to 5 and Beaver Dam won over Talma 7 to 5.

METHODIST CHURCH NEWS

Daily Vacation Bible School opened at the Methodist Church on Monday with an enrollment of fifty-eight children. Six additional children enrolled Tuesday morning.

The school is divided into five classes which provide Christ-centered lessons and related hand-crafts. Mothers of the children who can find it possible are urged to help with the classes of smaller children.

At the close of the Worship Service this Sunday, the Church School Officers and Teachers will be installed. All persons both newly elected and re-elected, including teachers and assistant teachers, are asked to be present for this service.

The Methodist Youth Fellowship which usually met on Sunday evenings at six-thirty will meet on Thursday evenings. This Thursday evening there will be a weiner roast.

A meeting of the Official Board of the church has been called for eight o'clock on Thursday evening. This includes the Trustees, Stewards, organization Presidents, Lay Leader and Church School Superintendent.

LIONS OFFICERS ELECTED

At its regular meeting Wednesday evening, the following officers were elected by the Mentone Lions club:

President, Raymond Cooper.

1st vice president, R. O. Jones.

2nd vice president, Leroy Norris.

3rd vice president, James Rodibaugh.

Secretary, Kenneth Romine.

Treasurer, John Boggs.

Tail Twister, H. V. Johns.

Lion Tamer, Ora McKinley.

Directors, Stanley Boggs and Don Bunner.

Jackson Anderson, recreation director at Purdue University, gave an interesting discourse on the need for planned recreation. Other guests were the county health nurse, Mrs. Nine, and several members of the Mentone recreation committee.

Wall Tile — Does your kitchen or bathroom need a new dress? If so, we can solve your problem with Miraplas plastic wall tile. It's beautiful and it cleans so easily. Brown's Jewelry and Appliance.

It was announced that the Lions trip to the Standard Oil refinery will be on Wednesday, June 27th.

Leroy Norris and Ned Miller head the Fourth of July celebration committee and they have called a meeting of the following chairmen at the Mentone Lumber Co., on Wednesday evening, June 13:

Program, R. O. Jones and Walter Kent.

Eats, Ned Miller and Noble Babcock.

Advertising, Richard Manwaring.

Carpentering and wiring, William Schooley.

Parking and police, John Boggs and Fire Chief Arlo Friesner.

Clean up, Elmore Fenstermaker.

It was announced the Zollner Piston Reserves will play softball here on the evening of the Fourth.

Frozen food wrapping and packaging materials on sale at Brown's Jewelry and Appliance.

Call our Number—119-J
Co-Op Building Dept.

FIRST BAND CONCERT
SATURDAY EVENING

The first free band concert of the 1951 season will be held at Mentone on Saturday evening, June 9.

A lot of the old timers are expected to join with the high school band and there's no telling how many participants there will be. Roger Kelly, the new school music instructor, will be on hand to do the directing.

MERCHANTS LOSE TO
PLYMOUTH WEDNESDAY

The Mentone Merchants lost a good game to Plymouth at Veterans' Park Wednesday evening two to nothing.

Plymouth had four hits and two errors while Mentone had two hits and two errors.

Checkup on Cows

Farmers should not be satisfied with less than 325 pounds of butterfat per year from each milk cow. Low producing cows do not pay.

IF
YOUR DOG
HAS BAD HABITS

It's easy for a farm dog to develop bad habits. It's almost as easy for you to break them. Here are some pointers on how you can help convince your dog himself that he shouldn't roam or kill sheep. The instructions are from the informative Purina Farm Dog Book on how to care for and train the farm dog.

Roaming

Never tolerate a roaming dog!

A dog's place is at his master's side. But, beware of the dog who is gone by himself for hours. Roaming dogs at first go out by themselves. Later they may band together in packs and become a real scourge, even for a whole county.

A dog must form the habit of staying around the farm and go out only with members of the family. If you see the slightest tendency to roam keep him confined. Dogs that are never given a chance to roam very rarely develop this vice.

They just naturally form the habit of staying at home and like it! This brings us to probably the most serious misdeeds:

Sheep Killing

Most sheep-killing is done by a group of dogs, although sometimes "lone dogs" are responsible for much damage. There is hardly any way to cure a dog of this vice. Prevention is the one sure method to follow here.

So, first of all, don't let your dog roam.

Then you might let several sheep in your flock carry a bell. Dogs going after sheep might give it up as a bad job, hearing the noises the

disturbed sheep make. Also, you could arrive at the scene in time to prevent damage if warned by the bell. A buck running with the herd will help.

Sheep recognize the leadership of the buck, and his capability for defense, and crowd around him. They cannot be scattered as easily and driven into panic.

If your dog has already developed into a sheep killer, but is otherwise good and valuable, better send him to the city where, without these temptations, he can lead a law-abiding canine life.

A copy of the Purina Farm Dog Book may be purchased for 50c at Purina dealers.

TO PASS PETITION ON ADDED SCHOOL FACILITIES

A few months ago Mr. Walter Kent, principal of the Mentone School, appointed a School Advisory Council. The council is composed of twenty-five persons whom Mr. Kent felt represented a fair cross section of the school community. The purposes of the council are to offer suggestions which will tend to improve the school and the community, to help explain the school to the community, to serve as a group to start and promote worthwhile projects in the interest of a better school.

One of the first subjects discussed by the council was the adequacy of the present school building facilities. From this discussion the council determined that the present building facilities were inadequate in the following respects:

1. There are not enough classrooms.
2. Some of the classrooms are not properly adaptable for the use made of them.
3. Auditorium facilities are inadequate.
4. The physical education building is outmoded, inadequate and in some respects unsafe.

A building program to cure the defects in the present school building was discussed. Two firms of engineers were consulted and information was secured from the State Board of Education. It was found that an addition could not be built until first approved by the State Board of Education. The State Board of Education bases its determination upon a very comprehensive survey of the present school building facilities, school community, school enrollment and various other factors. The method of financing a school building program was investigated.

The council determined that action should be started for an addition to the present building. Accordingly, in the latter part of June the residents of Harrison Township and Mentone Franklin will be contacted by petition carriers. The petition carriers will have a double purpose: (1) to collect data to be submitted in the survey for the State Board of Education and (2) to present a petition for the signatures of those persons who favor building an addition to the school building. If the signatures on the petition evidence a sentiment on the part of the citizens in favor of building an addition to the present school building, then the building program will be prosecuted with diligence.

The following information as to the estimated cost of the proposed school-house addition and the resultant increase in taxes caused thereby is presented with the hope that it will answer many of the questions which will arise in the minds of the citizens when approached for their signatures for the petition.

The preliminary drawings propose a gymnasium and six classrooms, in-

cluding shop and band and music room. Estimated present cost, \$180,000. Payable over a period of 20 years.

Estimated increase in taxes per \$100 of taxable valuation, 26.2c first year; 19.1c 20th year. First year may need to be higher to provide a special school fund balance if total net valuation is not enough to bond for full cost of new structure.

(In a subsequent issue we hope to give the above information in more complete detail.—Ed.)

RESPECT THE FLAG

When you see the Stars and Stripes displayed, son, stand up and take off your hat. Somebody may titter. It is in the blood of some to deride all expression of noble sentiment. You may blaspheme in the street and stagger drunken in public places, and the bystanders will not pay much attention to you; but if you should get down on your knees and pray to Almighty God, or if you should stand bareheaded while a company of old soldiers marches by with flags to the breeze, some people will think you are showing off.

But don't you mind! When Old Glory comes along, salute, and let them think what they please! When you hear the band play "The Star-Spangled Banner" while you are in a restaurant or hotel dining room, get up even if you rise alone; stand there and don't be ashamed of it, either!

For of all the signs and symbols since the world began there is none other so full of meaning as the flag of this country. That piece of red, white and blue bunting means five thousand years of struggle upward. It is the full-grown flower of ages of fighting for liberty. It is the century plant of human hope in bloom.

Your flag stands for humanity, for an equal opportunity to all the sons of men. Of course we haven't arrived yet at that goal; there are many injustices yet among us, many senseless and cruel customs of the past clinging to us, but the only hope of righting the wrongs of men lies in the feeling produced in our bosoms by the sight of that flag.

Other flags mean a glorious past, this flag a glorious future. It is not so much the flag of our fathers as it is the flag of our children, and of all children's children yet unborn. It is the flag of tomorrow. It is the signal of the "Good Time Coming." It is not the flag of your king—it is the flag of yourself and of all of your neighbors.

Don't be ashamed when your throat chokes and the tears come, as you see it flying from the masts of our ships on all the seas or floating from every flagstaff of the Republic. You will never have a worthier emotion. Reverence it as you would reverence the signature of the Diety.

Listen, son! The band is playing the national anthem—"The Star-Spangled Banner!" They have let loose Old

Glory yonder. Stand up—and others will stand with you.

This tribute to the flag is offered to the country in appeal to all men and women of all races, colors and tongues, that they may come to understand that our flag is the symbol of liberty, and learn to love it.

BOSTON WOMAN NAMED PRESIDENT

MRS. LORA C. RATHVON

Mrs. Lora C. Rathvon of Boston, Massachusetts, was named President of The Mother Church, The First Church of Christ, Scientist, in Boston, at its Annual Meeting on June 4.

Mrs. Rathvon, widow of William R. Rathvon, who was a member of the Christian Science Board of Directors and at one time corresponding secretary for Mary Baker Eddy, Discoverer and Founder of Christian Science, has been active in Christian Science for almost 40 years.

She participated in Christian Science Camp Welfare activities during two world wars, and has served The Mother Church in a number of special assignments, including membership on the Bible Lesson Committee.

ROYAL NEIGHBORS MEET

The Royal Neighbors met at the home of Neighbor Gladys Anderson on Tuesday evening.

Camp opened with Oracle, Mary Borton, presiding. We gave our pledge to the flag in unison and the Marshals collected the password.

After camp closed, two contests were played with prizes going to Lydia Rynearson, Thelma Hibschman, Mary Borton and Clara Parker.

Auction was received by Mae Borton and Falsom Newell.

Mr. Anderson then showed several colored slides which were enjoyed by all.

Delicious refreshments were served by Mrs. Anderson and her assistant, Mrs. Mae Fleck.

There were 14 members and 4 children present.

Steel Conduit

Unlined steel conduit was adopted in 1897. The inside of the pipe was enameled and made smooth to safeguard the wires being pulled through.

MERRY MENTONETTES MEET

At the regular meeting of the Merry Mentonettes 4-H club, May 28, 1951, demonstrations were given by Janet Reed, on electricity; Ronnie Moore, on baking and Sharon Ware, on baking; in their different groups. Roll call was taken by Janet Reed, secretary, by naming a favorite book. Pledges to the 4-H and American flags were led by Marita Tucker and Barbara Long. Plans for trip and county judging and demonstration contests were discussed and a book on baking was handed out. The game of Turkey Spot was played and refreshments of cokes and cupcakes were served to 32 members, three leaders and one mother. The next meeting will be held at the school cafeteria on June 25 at 7:30:

News Reporter,
Mary Ellen Bryan

Recent callers at the home of Dr. and Mrs. E. D. Anderson were Mr. and Mrs. Loy Anderson of Honor, Michigan and Mr. and Mrs. Dale Kreigbaum and children, of near Plymouth.

First Hoosier Friendship Acre

Indiana CROP Chairman T. R. Johnston, left; Richard J. Fraser, State CROP Director, right, and Arthur V. Bryant, Lafayette real estate and insurance man and farmer, the first to pledge an acre of wheat for Friendship Acres.

Arthur V. Bryant, local real estate and insurance agent who operates a 110 acre farm southwest of West Lafayette, has pledged the first Hoosier acre to the 1951 Friendship Acres project sponsored by the Christian Rural Overseas Program (CROP). He is shown here being congratulated on his enrollment by T. R. (Tommy) Johnston, (left), director of information at Purdue University and state CROP chairman, and Richard J. Fraser, Lafayette, state CROP director.

Friendship Acres is a project in which American farmers are urged to set aside one or more acres of their crops as donations for the hungry and homeless peoples of war-torn foreign lands. It supplements the regular church-sponsored CROP campaign of collecting food in carloads lots for relief shipment overseas.

Efforts are being made to enroll several farmers in every Indiana county in the special project, which is pat-

terned after the practice of Biblical times when men set aside a portion of their crops as offerings. It is a means of not only feeding the hungry but also of emphasizing the brotherhood of man, Mr. Johnston said.

Mr. Bryant, who is reserving an acre of wheat for this purpose, is active in church and community affairs. He is a member of the finance committee of his church (First Methodist, West Lafayette), the Wabash Township advisory school board, and the Lafayette Kiwanis Club. Two of his three children are Purdue students while the younger is in junior high school.

On his farm Mr. Bryant will raise about 17 acres of wheat and 25 acres of corn this year. The remaining acreage is in grass and hay crops since he also keeps a herd of pure-bred Angus cattle. His other business interest is the Central Realty and Insurance Service of Lafayette.

APPLICATION FOR MEMBERSHIP IN THE FRIENDSHIP ACRES PROJECT

I hereby apply for enrollment in the Friendship Acres Project of the Christian Rural Overseas Program (CROP).

FEEDER'S DIGEST**Is Your Good Grass Good Enough?****Every animal and bird needs minerals—**

Every animal and bird you own needs minerals—of certain kinds—in definite quantities. Some pastures provide these minerals. Much pasture does not. Now your grass may be green and thick. But it can still be mineral-deficient. And that can mean slower gains, feed waste and poorer health.

Why take these chances when it's so easy and economical to feed *Swift's Mineral Supplement*? This one low-cost mineral supplement provides ten mineral elements vital to all livestock. Start feeding *Swift's Mineral Supplement* free choice all year 'round. It now comes in block or pulverized form. Because it contains only minimum requirements of salt, we recommend free-choice salt feeding in addition.

THE NORTHERN INDIANA CO-OP. NEWS

SUMMER RECREATION
PROGRAM IN MENTONE

On Tuesday evening, May 29, a meeting was held in the library to make preliminary plans for a summer recreational program for the boys and girls of Mentone and community. Those present were delegates sent from local organizations as follows: Lions Club: Walter Kent, Wayne Tombaugh, and Reverend Gosser; P. T. A.: Mr. and Mrs. Earl Smalley and Mr. and Mrs. Ira Moore; Psi Iota Xi Sorority: Mrs. Wayne Nellans, Mrs. Ralph Mollenhour and Mrs. Kathleen Camplejohn; Reading Club: Mrs. Walter Lackey, Mrs. Ora McKinley and Mrs. Don Van Gilder.

Ora McKinley, who was president of the Library Board, had convened this meeting, agreed to preside during this organizational meeting.

Each delegate expressed complete endorsement of some type of supervised recreational program. Therefore the question was what type of program to adopt.

Mrs. Lackey gave a report on the results of a survey made in the Mentone elementary school. The pupils had been asked to indicate their interest in the following activities: (1) a reading program; (2) hobbies and crafts; and (3) supervised play. The response showed considerable interest in each of these activities at all grade levels.

On the basis of this report and after group discussion, it was decided to offer the above three-point program.

Mr. Kent was voted general chairman. Also a chairman was selected to head each of the three parts of the program, together with two committee members to work with each chairman in the organization of his particular activity area as follows:

Reading program Committee—Mrs. Lackey, chairman; Mrs. Harold Nelson, Mrs. Vance Johns; Hobbies and Crafts—Rev. Gosser, chairman, Mrs. Moore, Mrs. Smalley and Ora McKinley; Supervised play—Earl Smalley, chairman, Mrs. Camplejohn, Joseph Jones; Secretary - Treasurer, Mrs. McKinley; Publicity, Mrs. Camplejohn.

Wayne Tombaugh deserves much of the credit for this idea of a recreational program for our community, and we believe it is worthy of support from everyone of us. Since there are no

funds available for this purpose at the present time, our plans call for volunteer help entirely in carrying out the program. Anyone who has even an hour a week to give to this project, please contact Mr. Kent or one of the other chairmen. Your offer of help will be greatly appreciated.

We feel that parents and friends will all strongly endorse this plan to benefit our boys and girls. More and more communities everywhere are realizing daily the value of a planned recreational program to the youth of the community. Mentone and vicinity needs such a program. Let's give it our wholehearted support!

Mr. and Mrs. Francis Kehoe and Mrs. Donobelle Marozsan and son accompanied Esther to South Bend Sunday evening and Mrs. John Kehoe returned with them for an indefinite visit.

Mr. and Mrs. Joseph Baker and daughter Linda spent Friday evening at Mishawaka visiting at the home of Mr. and Mrs. Lester Sheets.

Mr. and Mrs. John Marozsan and son of Indianapolis and Miss Esther Joan Kehoe of South Bend spent the week end with their parents, Mr. and Mrs. Francis Kehoe. Mrs. Marozsan and son remained for a two weeks visit. Other Saturday evening supper guests at the Kehoe home besides the immediate family were Mr. and Mrs. Floyd Blackwell and Corporal Leroy C. Wise of Ft. Knox, Kentucky.

Mr. and Mrs. Orton Long, of Bourbon spent Sunday visiting Mrs. Stella Snyder and Mrs. Samatha Norris.

Mr. and Mrs. Earl Leedy and family of Warsaw spent Sunday with Mrs. Myrtle Davis.

Mrs. Glenn Snider is a patient at the woodlawn hospital, where she is under medical treatment.

FROGS LEGAL JUNE 10

Come June 10't it will be most legal to again begin catching what it takes to make up a delectable and heaping dish of frog legs.

And until October 31 of this year the Leaping Lenas of stream and pond may be taken legally. This is just a reminder. The season also was open from April 1 until April 30.

Bag limit is twenty-five but as to length you may be the judge. No rules applies here.

However it is necessary that you have your fishing license on your person.

It might be well to remember that the minnow season opens June 13 and that it is illegal to transport more than 100 minnows across the state line.

The Fish and Game Division, Indiana Department of Conservation is having printed leaflets in the form of a summary of Indiana Laws for the protection of Fish, Game, Fur-bearing Animals and Birds. Many changes were made by the recent General Assembly. The new bulletin will prove handy to those in doubt as to certain matters pertaining to legal hunting, fishing and trapping.

These may be called for at the Department's headquarters, 311 West Washington Street, Indianapolis 9, or will be provided those who write in. A sufficient quantity to supply the demand will not be available for a least two weeks.

Misses Marilyn Horn, and Doris and Donna Jean Horn spent Sunday evening with their Grandma Horn.

Larry Borton, former resident of Mentone and son of Mr. and Mrs. Gorge Borton, now of Huntington, who enlisted in the Air Force last November, is now stationed at Denver Colorado. He was recently home on his first furlough. His brother, Lynn, just recently enlisted in the Air Force and at the present time is stationed somewhere in the east. The Mentone folks will remember these boys.

Mr. and Mrs. Roy Cox and Louise spent the week end visiting Mr. and Mrs. Arnie Gustason of West Chicago.

Emory L. Davis is expected home on furlough this week end. He is stationed at Jacksonville, Florida.

Miss Mildred Anderson, of Flint, Michigan spent Decoration Day with her parents, Dr. and Mrs. E. D. Anderson.

CARD OF THANKS

I want to thank everybody who sent me such nice cards, also all who visited me while in the hospital. These are great boosters. I am gaining.

Many thanks

BAPTIST CHURCH NEWS

Because of unsettled world conditions and especially because of the rising tide of nationalism in Africa, word was received last week to ship the three tons of equipment to Dr. and Mrs. Jon Rouch in French Equatorial Africa for their work in the hospital there. Dr. Rouch is the son of Mrs. Caddie Rouch of Mentone and he and family are studying the language in Paris in preparation for the work in Africa. Devon Eaton and the pastor trucked the boxes and barrels to the depot and they went out the same afternoon for New York. Recently missionaries from Ethiopia that are friends of the pastor, stopped in Mentone overnight and told of this same spirit of nationalism in Ethiopia and they feel that the day of the missionaries in these countries is numbered. Well informed men say ten years is the limit in these countries.

Monday night men of the church insulated the building from the front to the choir loft which is about three-fourths of the total ceiling area. Some time later it is hoped the work can be completed. Starting next week Mr. Ward and helpers will begin painting the church and work on the roof so that the outside of the building will be put in a better state of appearance.

A letter fro Rev. Peter Tanis, prison missionary to the Cook County Jail in Chicago, tells of opportunities to speak to some 3,000 high school students and the conversion of many, along with the principal, of one of the schools.

Final plans are being made for the Daily Vacation Bible School which will begin on Monday at 9 o'clock. All teachers have been appointed but there is still room for some helpers with the little folks in the beginners' department. Miss Van Egdorn, Child Evangelism director of the county, will be the director. Beaver Dam children will remember her as the story lady of the school.

Monday evening young people of the church, under direction of Irene King, addressed and prepared for mailing some 400 letters for Miss Kathryn Lovell, missionary to Brazil. She is teaching in a school there and is sending some encouraging word of the work.

Larry and Lynn Borton, sons of Mr. and Mrs. George Borton of Huntington spent Saturday visiting their Grandmother, Mrs. Mae Borton and their aunt, Mrs. Martha Welsh.

Chicken Feed

A large percentage of chicken-feeding problems can be explained by the fact that farmers fail to mix concentrates properly with their home-grown grains.

HOOSIERS MAKE A DREAM COME TRUE

by R. L. HOGUE

Hoosier poultrymen are a determined lot. They've shown a willingness to pull together. And when they want something, they go after it.

A little over a year ago a group of Indiana hatcherymen and breeders decided they wanted to establish a breeding farm to find or develop superior breeding stock.

They set about it with characteristic zeal. And last October, after some investigating and careful planning, they organized as a cooperative under the name Indiana Poultry Breeders, Inc.

The association's 57 members and stockholders bought 80 shares of stock at \$500 a crack to get their project under way.

They bought a 150-acre farm near Lafayette, Indiana. They hired Glenn Searcy, former extension poultryman, as general manager last January. They put up a 50 x 150-foot all metal poultry house and 100 range shelters, stocked the farm with top notch breeding stock and started things rolling.

Today there are some 16,000 birds on the farm. These chickens include birds of some 20 different breeds and strains as well as several crosses.

All of which goes to show that when folks work together on a definite project, it doesn't take too long to get things going.

Searcy, who got some practical operating experience on a large Minnesota breeding farm, has been a busy man since he took on the job of running the Indiana project.

In addition to rearing the 16,000 birds, he has done some remodeling, had ditches dug and water pipes laid and supervised the cutting of more than 46,000 board feet of lumber used in putting up some new buildings this summer.

Searcy plans to build a number of breeding pens for testing the various strains, breeds and crosses on the farm this coming year. As a result of these tests, he hopes to be able to have some conclusive information for the cooperative's stockholders within a few years. Then stock from superior lines will be released to build up and improve the members' hatchery supply flocks.

When the idea of setting up a cooperative breeding farm first struck a few progressive Hoosiers back in the spring of '49, the group called a meeting of 50 people they knew were interested in improving Indiana poultry.

The idea went over with a bang. The group of 50 asked Dr. J. Holmes Martin, head of Purdue's poultry department, to dig up some more information about comparable operations.

Dr. Martin, who previously set up a breeding program for DeKalb Hybrid Seed Corn Company, went west

for his information. He and I visited a number of poultry breeders on the Pacific Coast and the Washington Cooperative Baby Chick Association, one of the largest producers of baby chicks and breeding stock in Washington.

This association was originally founded and developed by about 25 people in the Bellingham (Wash.) area. We saw its farms, talked with the farm managers and studied the operation's financial development.

Many of the ideas we picked up on on this trip could be applied to the proposed Indiana project. When the folks who pioneered the idea heard the story, they lost no time in getting organized. A constitution and by-laws were drawn up with the help of lawyers, the Indiana Farm Bureau, the Federal Bank of Cooperatives in Louisville and other groups.

The original committee's work was presented at the State Poultry Association's annual meeting last fall. A month later the group held its official organization meeting at Purdue. Approximately \$50,000 was pledged at that time.

The stockholders also elected their directors at that meeting. They elected Dr. R. F. Smith of Boswell, Charles Manwaring of Mentone, and Vern Steckley of Kendallville for three-year terms; Ed Nussbaum of Remington and Al Livers of Evansville for two-

year terms; Harry Traux of Indianapolis and Robert Martin of Ramsey for one-year terms. At the next election, the one and two-year terms will become three-year terms, so no more than three members will leave the board of directors in any one year.

In addition to the seven industry directors, two men are appointed by the director of Purdue University's Agricultural Experiment Station. Dean Harry J. Reed appointed L. A. Wilhelm to represent the State Poultry Association and Dr. Martin to represent the "public-at-large." He also offered Purdue's full cooperation in developing and expanding the organization's work.

The breeding co-op's management isn't set on any permanent idea. Right now they are concentrating on finding and developing superior birds—straights hybrids and crosses for their members. They're hunting for their own chicken or chickens of tomorrow.

The Hoosiers didn't ask someone else to do the job for them. They're doing it themselves. And each stockholder in the new association can take real pride in the breeding program that is being developed by Hoosiers for Hoosiers.

Ben Emrick of South Bend, cousin of Mrs. Ira Borton called at her home on Sunday afternoon.

PHI IOTA XI HOLDS MEETING

The Beta Epsilon Chapter of the Phi Iota Xi was held June 5 at the home of Mrs. Elery Nellans.

The meeting was called to order by the president, Iris Anderson. Sixteen members answered roll call. The secretary's and treasurer's reports were given and approved. A thank you note was read from girl scouts for cash donation.

Arrangements for the speech and hearing clinic were discussed. The clinic will be held at the school building, July 25 and 26.

Kathleen Anderson gave a report by the playground committee for the entertainment and education of the community for this summer. Reading, hobbies and craft and supervised play will be carried out.

New officers were installed by the retiring president, Iris Anderson.

Vadis Ward, president, appointed two committees for the coming year, as follows:

Program—Bess Manwaring, Chairman; Doris Nellans and Gene Pritchard.

Flowers—Mary Utter and Alice Mollenhour.

Delicious refreshments were served by the hostess.

MERCHANTS LOSE LEAGUE GAME IN MICHIGAN

The Mentone Merchants softball team traveled to Buchanan, Michigan Monday evening where they lost to the Bierwagon aggregation 9 to 2. Errors played a rather important part in the Merchants' downfall.

PARENTS OF DAUGHTER

Mr. and Mrs. Don Kuhn, of Claypool, are the parents of a daughter, Pamela Sue, weighing seven pounds, eight and one-half ounces, born Tuesday at the Woodlawn hospital at Rochester. Mr. and Mrs. Willard Kuhn, of Akron, are the paternal grandparents and Mrs. Harold Williamson, of near Claypool, is the maternal grandmother.

MRS. HARRY VANDERMARK BURIED ON MONDAY

Mrs. Harry L. Vandermark, aged 78, died at 3:50 a. m. Saturday at her home northwest of Warsaw. Her death was due to carcinoma. She had been in failing health for a year and a half. The deceased was born near Sevastopol, Nov. 21, 1872, the daughter of William N. and Elizabeth Ellen (Eller) Moon. She was Laura (Ollie) Moon before her marriage to Mr. Vandermark on Sept. 5, 1900.

Mrs. Vandermark was a member of the Atwood E. U. B. church and of the Gleaners, an organization of the church, and also of the Prairie Township Home Economics club.

Surviving relatives include her husband; two sons, Condict of west of Leesburg, and Everett of Route 4 Warsaw; six grandchildren, and three great-grandchildren. A daughter preceded her in death in 1929.

Funeral services were held at two p. m. Monday at the Atwood E. U. B. church. Burial was in the Palestine cemetery.

CELEBRATE 40TH ANNIVERSARY

Mr. and Mrs. Sylvester Clark celebrated their 40th wedding anniversary Monday, June 3, with a family dinner at the home of Mr. and Mrs. Bernard Clark near Palestine.

In the afternoon open house was held at their own home, the house being decorated with baskets of peonies and vases of white rose buds.

Refreshments were served from a long table decorated with a large anniversary cake.

Guests to the number of 112 greeted Mr. and Mrs. Clark throughout the afternoon.

They were presented with many lovely presents among them being a set of dishes from their children.

SILVER GRILL TO OPEN

Dora Whetstone and Margaret Goodman plan to open their new restaurant, The Silver Grill, some time Thursday. The new business will be located in the former Mentone Cafe building on West Main Street. The entire interior has been completely redecorated and much new equipment has been added. It is very neat appearing and the new proprietors extend an invitation to their many friends to drop in and extend the greetings of the day.

LEGION TO MEET

The American Legion will meet on Tuesday evening, June 19 at 8 o'clock. At this meeting there will be election of officers.

DeVerle Whetstone, commander, says that all members should attend this meeting as it has been necessary to move our annual election ahead a month.

WITH THE SICK

Mrs. Glen Snider was able to return home from the Woodlawn hospital on Monday.

Mrs. Mary Barkman is a patient at the Woodlawn hospital where she has been receiving medical treatment for the past two weeks.

George Buchtol, who is a patient at the Veterans hospital at Indianapolis is improved. Mr. and Mrs. Conde Walburn visited him there recently.

Alfred Teel remains in a serious condition at his home.

CLUB CALENDAR

W. S. C. S. Thursday evening, June 21. Executive meeting at 7:30. Regular meeting at 8:00.

Anthony Nigo chapter D. A. R. will meet Tuesday, June 19, at 8:30, at the Burns cottage at Webster Lake. Notify Mrs. Max Smith by Monday if you plan to go.

Band practice Friday evening at the school building.

Children, grades 1 to 6 inclusive, meet at school building Monday evening, June 18, at 7 o'clock, to register for summer recreation program.

Eastern Star, Monday evening, June 18, 7:45 at the Masonic Hall.

TO TEACH AT CROWN POINT

Word has been received from Wendell Frederick, music instructor in the school last year, saying that he will teach in the Crown Point High School this coming year.

Too, friends will be pleased to know that he recently received his Master's degree from Northwestern.

Mr. and Mrs. Frederick have been living in Etna Green. They plan to move to Crown Point soon.

IN SOUTH BEND HOSPITAL

Mrs. David Johns was taken to the Memorial hospital in South Bend last Saturday evening where she is a patient. She is there for observation.

She may be addressed at the hospital in room 242.

QUEEN CANDIDATE

Miss Geneva Whetstone, daughter of Mr. and Mrs. Cassell Whetstone, of near Mentone, is one of the queen candidates for the North Webster Mermaid Festival to be held June 23 to 30.

Miss Whetstone, who is employed in the offices of the Northern Indiana Co-operative Association at Mentone, was also among the 15 queen candidates that competed at the Indiana Industrial and Volunteer Firemen's Association convention at Bremen last Friday evening. Gov. Schricker performed the crowning of the Bluffton girl chosen as queen.

PAUL HORN INFANT DIES.

David Paul Horn, infant son of Mr. and Mrs. Paul Horn, of Bourbon, died at 6:30 a. m. Tuesday at the home of his parents. The two-month-old baby had been ill for a few days with a severe cold, but death was not expected.

He was born April 3, 1951, the son of Paul and Joan (Shearer) Horn.

Other surviving relatives include two brothers, James Allen and Samuel Frederick, at home; the paternal grandparents, Mr. and Mrs. Fred Horn of Mentone; the maternal grandmother, Mrs. Faith Shearer, of Bourbon, and the great-grandfather, William Kintzel, of near Warsaw.

Funeral services were held at two p. m. Wednesday at the Beigh funeral home, in Bourbon. Rev. Garfield Steedman, pastor of the Bourbon Methodist church, was in charge. Burial was in Parks cemetery.

MARRIED IN DENVER

Mrs. Devon Eaton and daughter Carolee and Mrs. Gerald Ballinger and daughters Dianna Kay and Pat, were at Denver, Colorado Wednesday where Pat Ballinger and Mickey Eaton were to have been married at two o'clock in the afternoon.

ASSISTANT VETERINARIAN

Dr. Orville McFadden, of New Haven, Ind., recent graduate of Michigan State Veterinary School, is assisting Dr. E. D. Anderson in his practice.

SOFTBALL SATURDAY NIGHT

The Greenwood Bros. Softball team of South Bend, are scheduled to play the Mentone Merchants at Mentone on Saturday evening, June 16, at 8 o'clock.

Your editor had the Merchants' schedule pretty well mixed up in the last issue. The games for Wednesday and Friday evening of this week are out of town games.

FREE HORSE SHOW SUNDAY

There will be a free horse show at the Bob Reed farm, at the south edge of Mentone, Sunday afternoon, June 17th, sponsored by the Tippecanoe Saddle Club. Ribbons will be given to the first five winners in each of ten classes.

An invitation is extended to everyone to come out and enjoy the show, which is scheduled to start at 1:30 p. m.

ARTLEY D. CULLUM, Editor and Manager

PRINTED IN THE MODERN PLANT OF THE COUNTRY PRINT SHOP

FANCY MEETING YOU HERE

June 6, 1951

Hi Art,
How are things back in Mentone? Hot probably but not like it is here. I'm not much of a letter writer but I'd like to take this opportunity to thank you for sending me the Co-Op. News and give you a change of address.

I sure had a surprise Monday. We got here Saturday and I had forgotten about anyone I knew being here. Any-way Monday I and a buddy had just seated ourselves comfortably and some guy pops up and says, "You guys aren't supposed to be over there, so move." I looked at the man as soon as he started talking. I didn't recognize him but I recognized his voice and said, "What's wrong with you, Ike?" For it was Emory Davis and he didn't even recognize me until I got within five feet of him. We had a nice talk but Ike was a busy man and had to leave me. We both were sure surprised because he had been looking for me and given up hope.

I like it down here except the weather is a little hotter than what I was used to at the lakes.

I am in a fundamental aviation school now and this school will last eight weeks. I imagine we'll start classes Monday as we were assigned to bunks today.

It sure seemed funny to see everyone in white instead of blues but they sure feel cooler.

There are fourteen swimming pools, a golf course (18 holes) and three theatres to include some of the means of amusement.

Thanks again,
Jim

ORAL WELCH SELLS ANGUS

Oral Welch recently sold two pure-bred Aberdeen-Angus cows to Rex L. Tucker, both of Mentone, Indiana, a cow each to Karen Ann Apple, and Hershel O. Apple and Artie Cochran, both of Etna Green, Indiana.

P.T.A. Units in Japan

More than 31,000 P.T.A. units, with about 16,000,000 members, have been organized in Japan since the American occupation, it was learned by the Japan International Christian University Foundation. Through them, parents in Japan for the first time have a voice in the education of their children.

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

Hints on stretching the food dollar given today by Miss Margaret Dunham, chief nutritionist, Indiana State Board of Health, include some suggestions on ways to make the food dollar provide an adequate and balanced diet for the family in spite of the high cost of living.

"Fish fillets are a good buy because they are practically boneless, require little preparation for cooking and provide an economical source of high quality protein," Miss Dunham points out. "Eggs, as a substitute for meat, take on added importance to the budget minded. Be thrifty by using cottage cheese to perk up the summer menus; and for a tempting addition to the lunch, try adding minced onion, grated raw carrots, or chopped green pepper to cottage cheese and serve as a salad on chopped raw spinach or other suitable greens."

"Milk remains a good buy, both economically and nutritionally. Although its price has risen considerably, it is such an excellent source of so many different nutrients it cannot be neglected."

"A nickel a day adds up to \$ 18.25 a year. So, watch for sales and specials on the foods used in the home every day. A reduction of only a cent or two can mean a saving in the long run."

"Another way to squeeze the most out of the food budget is to review the taken for granted day in and day out ways of buying food. It is cheaper to buy bread instead of fancy rolls; standard grades of fruits and vegetables instead of fancy grades; home cooked cereals, and large packages and cans instead of the small ones if there is sufficient storage space," Miss Dunham said. "Also, less expensive cuts of meat provide the same food values as the luxury items. Liver should be included once a week. Pork liver is the best buy."

★ Buy Co-operatively — And Save!

Mrs. Ina Davis and family attended the wedding on Sunday p. m. of Robert Walgamuth and Bernadine Bauman at St. John's Lutheran Church near South Whitley. A reception followed the ceremony which was held at the South Whitley Hotel.

Rev. E. E. DeWitt was the guest Minister at the Akron Methodist Church on last Sunday morning. The Akron Minister and wife are vacationing in Oregon. Rev. and Mrs. DeWitt and their granddaughter, Jo Ann were dinner guests of Mr. and Mrs. Waldo Adams.

**SOME BONUS PAYMENTS
TO START IN JULY**

The Veterans Affairs Commission met at noon, June 9, at the Terre Haute House at Terre Haute, Indiana, and formally declared that sufficient funds are available in the World War II Bonus Fund to pay two classes of bonus claims—all next-of-kin, bonus claims of veterans who were killed or who died between the dates of December 7, 1941, and September 2, 1945, of service-con-

nected causes; and all claims of living veterans who suffered a service-connected disability, as well as all claims of veterans having a 100% non-service connected disability.

The Commission has been advised by Mr. William Fortune, Treasurer of the State of Indiana that \$44,489,789.33 has accumulated in the Bonus Fund as of June 1, 1951. The Department of Veterans' Affairs estimates that it will cost in excess of \$25,000,000.00 to pay the two classes of claims mentioned above.

Checks will be issued and mailed by the Office of the Auditor of State. Mr. Frank Millis, State Auditor, has stated that the first group should be in the mail shortly after July 2, pending delivery of the blank checks from the printers.

The 1951 General Assembly amended the original Indiana World War II Veterans Bonus Law so as to provide for prompt payment of these classes. The first class is composed only of next-of-kin of veterans who were either killed or died between December 7, 1941 and September 2, 1945, while in mili-

tary service. There will be flat payment of \$600 to the next-of-kin of these veterans. If an applicant does not receive the bonus check as soon as expected, it will be due to one of two things—the application was filed at a late date, or the documentary evidence needed to process and allow the claims for payment has not been provided.

The second class is composed of three minor groups of applicants but they will all be paid as one group. Payment to them is also expected to commence July 2, 1951, Mr. Millis stated. Included in this class are the next-of-kin of veterans who died after September 2, 1945, as the result of a service-connected disability. Also included in the second class will be living veterans who have had or presently have a service-connected disability of 10% or more. Another group included in this class are veterans who have a 100% non-service connected disability.

The third class of bonus recipients as provided for by the Law are all other applicants not in the first or second class. This includes next-of-kin of veterans who have died since September 2, 1945, from non-service connected causes, and all other living veterans who are eligible for the Indiana World War II bonus. The date on which payment to the third group will commence will be announced by the Indiana Department of Veterans Affairs at a later date. The Law provides that the nec-

essary funds must have been collected in full to pay all applicants in the third class before payment to them can commence.

**TABLE TENNIS
STARS TO MEET**

Two nationally ranked table tennis champions will compete in a series of exhibition matches Sunday, June 17 at Washington Park.

The matches, which will be free to park visitors, will bring together 17-year-old Sharon Koehnke of Glen Ellyn, Ill., the National Junior Miss Champion, and Ronald Lichtly, also 17, National Junior Boys Titleholder, who lives in South Bend, Indiana.

In addition to her table tennis prowess, Miss Koehnke is the holder of several swimming, tennis and speed skating titles. She recently was named "All American Girl of 1951" in a contest judged by Chicago illustrator Wendell Kling and screen actress Kay Westfall.

An added attraction for children will be one of the nation's top girl juvenile table champions, Jackie Koehnke, nine years old. She will display her skill in another series of exhibition matches with older opponents.

The exhibition matches will get underway at 2:30 p. m.

**Is Your Good Grass
Good Enough?****Every animal and bird needs minerals—**

Every animal and bird you own needs minerals—of certain kinds—in definite quantities. Some pastures provide these minerals. Much pasture does not. Now your grass may be green and thick. But it can still be mineral-deficient. And that can mean slower gains, feed waste and poorer health.

Why take these chances when it's so easy and economical to feed Swift's Mineral Supplement? This one low-cost mineral supplement provides ten mineral elements vital to all livestock. Start feeding Swift's Mineral Supplement free choice all year 'round. It now comes in block or pulverised form. Because it contains only minimum requirements of salt, we recommend free-choice salt feeding in addition.

home of Mr. and Mrs. Robert A. Calvert Friday evening.

Mrs. June Barkman of Huntington was the recent guest of her father, Mr. W. A. Dick.

Mr. and Mrs. Loren Kramer spent Wednesday evening in Rochester.

Born Friday morning at the Woodlawn hospital at Rochester a son to Mr. and Mrs. Dale Peterson.

Mrs. Kermit Biddinger was a visitor in Rochester Tuesday afternoon.

Mr. and Mrs. B. F. Williamson of Claypool were the guests of her sister, Mrs. W. A. Dick Friday evening.

Mrs. Jack Aebersold and daughter of Bourbon were the dinner guests of Mrs. Sid Dick Wednesday.

THE RED BANEERRY

There are two seasons of the year when the Red Baneberry brightens the woodlands of the northeastern United States. From April to early June, its flowers are in blossom. Then, after a summer of rest, it displays clusters of bright red berries.

Though the berries look inviting, the National Wildlife Federation warns you that they should not be picked and eaten, for they are poisonous. Otherwise, the bushy plant is harmless.

The Red Baneberry grows to a height of between one and two feet. Each year it springs forth roots which stay alive in the ground through the long, cold winter.

Its stalks are slender, but strong. From them grow leaves which are eight to ten inches long. Each leaf con-

© National Wildlife Federation

Red Baneberry

sists of three to five leaflets. Furrows crisscross the surfaces of the deep green leaflets, and their edges are sharply notched.

Crowning the stalks, in the spring, are clusters of tiny white flowers. Each flower is only a half inch in diameter. When fully opened, it has from four to eight petals.

After the last flowers disappear from the Red Baneberry, the plant waits through the summer and puts forth its fruit in the autumn. Like the flowers, the red berries also grow in thick clusters. Each cluster may contain from eight to twelve berries. The berries are oval in shape and measure about a half inch long.

The Red Baneberry grows in woods and thickets and along shaded banks. It can be found from Maine to Pennsylvania and New Jersey and west to South Dakota and Nebraska.

Interesting information on other wildlife species can be obtained by writing to the National Wildlife Federation, Washington 10, D. C.

WHERE WE ARE FAILING

It seems as if practically everybody has had something to say about the meat situation. Government officials say one thing. Representatives of the livestock producers and other elements of the meat industry say another. Spokesmen for consumer groups say still another.

Quite naturally, these statements are often in complete contradiction. So a large part of the public, interested as it is in the meat controversy, has lost sight of a few fundamental facts.

The government can set the legal price at which meat is sold at wholesale and retail. The government can issue orders rolling back the price of meat by some arbitrary percentage. The government can threaten law violators with vigorous prosecution.

However, the government can't make anybody raise meat if he finds that controls and regulations and red-tape are taking the profit out of the business and just leaving him with the risk. And, try as hard as enforcement officials will, they can't stop black markets when individuals see a chance

to make a quick easy profit. Our experience during OPA days is sufficient evidence of that.

In normal times, no one sets the price of meat. It is determined by the ever-changing conditions of a supply and demand market. Now the government is attempting to set the price and the troubles are setting in. For the truth is that these controls always lead to rationing, black markets, unsanitary practices, and less meat for most consumers.

One of the main ways to stabilize meat prices is to encourage production—to develop a sound balance between supply and demand. And that's what present governments policies are failing to do. —Industrial News Review

YOU MUST SPEND TO EARN

The Cleveland Plain Dealer recently carried an exceptionally interesting article, signed by John C. Davis, describing an experiment which demonstrates what electricity can do to solve high farm production costs and short labor supplies.

In 1944, electricity first came to a 262-acre farm in Ohio. This particular farm is an average operation in dairying and general farming, typical

of the Midwest. Beginning from scratch, complete records have been kept.

In 1944, the farm returned to the owner 66 cents for each productive labor hour. By 1950, due to the aid of electrical equipment, this had risen to \$1.17.

Before electricity was used, the farmer and his son put in 6,860 man hours in a year to operate 140 acres. In 1950 they worked only 4,532 hours and operated 122 additional acres as well as the original 140.

The biggest saving of all came when the dairy barn was completely electrified. Now the milking job can be handled by one man in 40 minutes, where before it took three people 50 minutes.

This is not due a dude farm, nor is it a high-priced experiment. Each piece of equipment was bought by the farmer at retail. The equipment now in use includes an electric water pumping system, a power feed grinder, a cement mixer, a grain and hay elevator, electric lights, the milking machines and the usual list of household labor saving appliances.

In the words of this farmer, "There is no such thing as 'push button' farming. But electricity provides the most valuable hired hand we ever had—it is the cheapest help on the farm."

ADVERTISE — IT PAYS!

Get The Breaking Habit

You know the broken match is out. You can't always be sure about the unbroken one. The difference between a broken match and one that's not, all too often, is the difference between a green and growing forest and a charred ruin of snags and fire-killed trees. The cost is measured in payrolls, taxes, recreation, water supplies and wildlife. It's a cost America can't afford to pay. Get the Breaking Habit! Keep America Green!

RECREATION AND READING PROGRAM INFORMATION

Plans for the summer recreational program are proceeding satisfactorily.

Mr. Jackson Anderson, recreational director at Purdue, was a recent speaker at the Lion's Club. Afterwards, he met with Mr. Kent, general chairman of the recreational program, and the other chairmen and committee members. Mr. Anderson was very much in favor of the proposed program and offered many valuable suggestions.

The question has been asked repeatedly as to what age groups are to be included in the program. Grades 1 to 6, inclusive, were decided upon, mainly because it was felt that the initial organization would pose enough difficulties without trying to include too many age levels.

Rev. Gosser, chairman of Crafts and

Hobbies, requests anyone having looper looms, plaster molds, or similar articles, who would be willing to loan them to please contact him.

Likewise, Earl Smalley, chairman of Supervised Play, would very much appreciate having any of the following equipment which is available in the community: shuffleboard sets; badminton nets, racquets and shuttles; horseshoes and 4 car axes; volley balls, softballs and bats. Please contact Mr. Smalley, Joe Jones, or Kathleen Camplejohn in regard to this.

There have already been several in the community who have volunteered their services to this program, but many more helpers will be needed to make this enterprise the success we all want it to be.

It is requested that all children who are interested in the supervised play program be at the schoolhouse on Monday evening, June 18, at 7:00 to register for this activity. At this time, any suggestions from the youngsters will be welcome, as well as indications of the activities in which they wish to participate.

The complete schedule of the reading program, which is to begin June 28, will be printed later. The crafts and supervised play should be ready to begin at about the same date.

The first program listed is:
Vacation Reading Program at Mentone Library

There will be an organization meeting for all children of the community including pre-school children and the children who were in the first six grades last year, either at the Mentone School or the Beaver Dam School. Children of the fourth, fifth and sixth grades will organize a book club with their own officers to be conducted by the children themselves. There will be a very special surprise program, probably with out-of-town talent to perform for the children at this meeting. This program is in charge of Mrs. Vance Johns and Mrs. Harold Nelson.

METHODIST CHURCH NEWS

Last Thursday the Official Board of the church met for the first monthly meeting of the conference year. Mr. Elmore Fenstermaker was elected chairman. Mrs. Ralph Mollenhour was elected as Secretary of the Board. Policies and recommendations for the Nominating Committee were discussed.

A meeting of the Board of Stewards was called for Tuesday evening, and a meeting of the Trustees for Thursday evening of this week. The hour set was eight o'clock.

Mr. Ralph Mollenhour, the newly elected Church School Superintendent, called a meeting of the teachers of the Church School for Thursday evening at seven-thirty to select literature for the next quarter. A short rehearsal of the Chancel Choir will also be held at the same hour.

The date set for the next Official Board meeting is Thursday, July 5, at eight o'clock in the Lecture Room of the Church.

During the Worship Service on Sunday, June 10, the officers and teachers of the Church School and workers of Religious Education in the church wear dedicated to their tasks for the year by the Pastor.

Following the Daily Vacation Bible School classes on Friday, a picnic is planned for the children and the workers. In case of rain, the lunch will be eaten in the church dining room.

The youth and children of the Bible School will conduct the devotional part of the Worship Service on Sunday morning. A short program of music and a demonstration of the work accomplished will be included. All the children who attended the daily classes are requested to be present and take part in the service. In keeping with Father's Day, tribute will be paid to Fatherhood. The sermon title is "Our Father."

REPUBLICAN WOMEN TO MEET

It has been announced that the June meeting of the Kosciusko Federation of Republican Women's Clubs will be held June 21 at 7:30 p. m. at the Warsaw City Park pavilion. There will be a special business meeting and Mrs. DeBolt would like to meet with all the membership chairmen.

NEWS — PHONE 38

FRIENDLY NEIGHBORS MEET

On Thursday afternoon, June 7, the Friendly Neighbors Club met at the home of Mrs. Richard Manwaring.

Mrs. Richard Greulich, president, presided at the meeting. Mrs. Rhoda Jones chose as her topic for meditation, A Soldier's Prayer.

The lesson on Program Planning was discussed by Mrs. Monroe Romine.

Mrs. Richard Manwaring gave the health report on Quality Milk.

Fifteen members answered roll call by telling their favorite flower.

Dainty refreshments were served by the hostess and the co-hostess, Mrs. Chester Copeland.

Mr. and Mrs. Jack Shafer, Shela and Steve of Bourbon and Mr. and Mrs. Barney Nellans and Bonita and Eddie went picnicing together Sunday at Loon Lake. The children sure enjoyed the outing.

Dale Kelley and Malcolm Long left Monday night for a week's fishing trip at Green's Camp at Musky Bay, Ontario, Canada.

MENTONE LOCKER PLANT

REQUEST FOR MATERIALS

The Committee on Hobbies and Handcraft met on Wednesday evening to discuss the projects of handwork to be included in this summer's program. One of the proposed projects is Plaster Figures, but to keep the cost of the project at a minimum, a request for rubber moulds is being made. If there are families whose interest in this project has waned, the materials will be well used in the community classes. Please leave them with Mr. McKinley, David Gosser or Mrs. Earl Smalley.

If there are families or individuals who have other handcraft materials they are not using the committee would appreciate having them by next Thursday.

LIONS JULY 4TH COMMITTEES COMPLETED

The committee chairmen of the 1951 Lions Club July 4th celebration, with Leroy Norris, general chairman, in charge, met at the Mentone Lumber Company offices Wednesday evening and completed the committee appointments. They are:

PROGRAM—R. O. Jones, Walter Kent, Wayne Tombaugh, David Gosser, James Rodibaugh, Roland Ferverda, LeRoy Cox and Dale Kelley.

PUBLICITY—Richard Manwaring, Ora McKinley, Mahlon Mentzer, Jack VanGilder and Artley Cullum.

COLLECTION—Elmore Fenstermaker, Leo Valentine, Kenneth Riner, Pat Walsh, Wm. Schooley, Richard Manwaring, C. O. Mollenhour, C. E. Walburn, Dwight Reichard and Everett Long.

CARPENTER—Wm. Schooley, Joe Baker, Earl Nottingham, C. E. Walburn, C. O. Mollenhour and Loren Tridle.

PARKING—John Boggs, Marvin and Kenneth Romine, Eugene Marshall, H. V. Johns and the members of the Mentone Fire Department.

FIREWORKS—Ora McKinley, Raymond Cooper, Milo Fawley and Arlo Friesner.

EATS—Ned Miller and Noble Babcock, chairmen, and all other members of the Lions club not listed above.

The committee hopes to add features to the 1951 celebration that will make it a bigger and better show than in past years. The Zollner Piston Reserves are scheduled to play the Mentone Merchants in a softball game. Other entertaining features will be announced shortly.

Of course, there will be the usual big display of fireworks.

Mr. and Mrs. Jesse Warren, of near Tippecanoe, entertained at a dinner last Sunday in honor of the latter's birthday. Guests were: Mr. and Mrs. Garrie Rose, of Mentone; Mr. and Mrs. Harry Cole, of Sevastopol; Mr. and Mrs. Frank Reed, of near Plymouth; Mrs. Chloe Drudge, of Rochester, and Kathryn and Lawrence Bunch, of Argos.

HIRE BURKET PRINCIPAL

Arthur Alexander, instructor in industrial arts in Rochester high school, has accepted a position as principal of the joint grade and high schools at Burket.

A native of Muncie, Alexander came to Rochester from Yorktown five years ago. He attended Indiana University and attained his masters degree at Ball State Teachers College.

Alexander and his family will continue to make Rochester their home, it has been announced.

Dewey Dudgeon, former Burket principal, resigned to accept a position as principal of the Richland Center school, from which school he graduated as a youth.

GRADUATES FROM PURDUE

Malcolm Long, son of Mr. and Mrs. Truman Long, was a member of the 1951 graduating class from Purdue.

Commencement exercises were held last Sunday, June 10, in the Hall of Music, for the 2,000 graduates.

Malcolm received a degree as bachelor of physical education.

PRICE CONTROL BRINGS HIGHER PRICES

Price Control, according to the information that the administrators spend millions of our dollars to inform us, is supposed to hold down inflation and the cost of living. But the absolute fact remains—and I believe they know that to be true as all their efforts have been directed toward a bloated economy—everything they do just adds to the cost of operation, like such things as:

1. Salaries, traveling and operating expense for thousands of OPS officials.

2. Millions of pounds of paper for the "impossible to comprehend" rules, regulations that are amended, changed cancelled, etc. a few days or weeks after they are put out.

The brief listing above is only a minor part of our loss through price control. The citizens must also pay for the added unnecessary work that is required of every citizen and businessman—none escape paying in one way or another. Other costly effects are:

1. Curtailment of production by farmers and industry because of regimented confusion that makes many formerly profitable operations, whether it's beef, hogs, automobiles, etc. appear too hazardous.

2. Higher taxes to pay the extra cost and then make up for the smaller profits by the private businessman due to the added cost of operation because of government regulations. This is an adverse proportion that gets worse twice as fast.

And one could go on for weeks adding up the "extras" we must pay to secure a questionable particle of benefit.

The only reliable thing that has ever had any effect upon prices has been production, and every time they put another man or woman on the government payroll they reduce our productive capacity, another adverse proportion that the political gangster it fully aware of—and takes full advantage of it at every opportunity. (There's little room for bitterness in my heart, but it still hurts because one of my best friends died during World War II because they were training with airplanes that everyone knew were about ready to fall apart—and there were hundreds of thousands of people snooping around under hundreds of government programs instead of out in the factories producing something besides bitterness and confusion.)

Our present price control law is due to expire June 30. Have you written your Senator and Congressman to express your desire to them? Do it today, even if it's only on a postcard.

Those who called at the Mrs. John Norris home Saturday to visit Mrs. Estella Snyder, were Mr. and Mrs. S. D. Snyder of Corpus Christi, Texas, Mr. and Mrs. George Snyder of Argos, and Mr. and Mrs. Traverse Chandler of Fort Wayne.

FRANKLIN '49ers MEET

The Franklin '49ers met in the basement of the Chester Ballinger home with Noreen Bibler and Jo Ann Tucker as hostesses.

Karen Latimer led the pledge to the flags and Jo Ann Tucker led the group in singing their 4-H song. The health and safety leader collected the lists of safety hazards the members had found and corrected in their homes.

The leader, Mrs. Everett Rookstool, discussed the judging contest. Elener Norris, Noreen Bibler and Marilyn Rathfon were chosen to represent the club at the county demonstration contest.

The making of overnight cookies was demonstrated by Lois Ummel and "Humble Helpers" was the title of the demonstration given by Wilburta Latimer. Record books were checked by the junior leaders. A new member, Judy Teel, was welcomed into the club. Games were led by Marilyn Horn during the recreation period.

KAREN LATIMER, Reporter.

Jay Paulus, of North Manchester, spent last week at the home of his grandparents, Mr. and Mrs. Cloice Paulus.

INFORMATION AS TO ESTIMATED COST OF PROPOSED SCHOOL HOUSE ADDITION AND RESULTANT INCREASE IN TAXES EFFECTED IF BONDS ARE ISSUED.

(Compiled by James Rodibaugh, Attorney)

WHAT TYPE OF ADDITION IS PROPOSED?

An addition consisting of a gymnasium and six classrooms is proposed. The gymnasium is to have a seating capacity of 1200. The classrooms would include a new farm shop room and a band and music room.

WHAT WILL BE THE COST OF THE PROPOSED ADDITION? The architect estimates that the cost at present prices will be approximately \$180,000.00.

HOW WILL THE COST OF THE PROPOSED ADDITION BE PAID? As much of the cost as is legally possible will be paid by a bond issue. The bonds so issued will be paid for over a period of twenty (20) years.

HOW MUCH WILL BE RAISED BY THE BOND ISSUE? There is a constitutional debt limitation of 2% on municipal corporations. At the present "net" assessment value \$154,000 could be raised by bond issue (\$77,000 by the civil township and \$77,000 by the school township). It is contemplated that when the new "net" assessment value is determined in the latter part of June, \$160,000.00 can be raised by bond issue (\$80,000.00 by the civil township and \$80,000.00 by the school township).

HOW WILL THE REMAINING \$20,000.00 (\$180,000.00 minus \$160,000.00) BE RAISED? It is contemplated that the "special school fund" tax be increased for the year 1951, payable in 1952, to supply the remaining \$20,000.00 of the cost.

WHAT EFFECT WILL THE PROPOSED BOND ISSUE AND INCREASE IN THE "SPECIAL SCHOOL FUND" TAX HAVE UPON ME AS A TAXPAYER?

As to bonds. At the present assessed valuation, your tax rate will be increased to pay the bonds issued in the following amounts per \$100.00 assessed valuation:

Year Number	Principal Paid	Interest Paid	Total Paid	Inc. in Tax Rate	Payable in year
1	\$8000	\$3200	\$11200	.262	1952
2	8000	3040	11040	.259	1953
3	8000	2880	10880	.255	1954
4	8000	2720	10720	.251	1955
5	8000	2560	10560	.247	1956
6	8000	2400	10400	.244	1957
7	8000	2240	10240	.240	1958
8	8000	2080	10080	.236	1959
9	8000	1920	9920	.232	1960
10	8000	1760	9760	.228	1961
11	8000	1600	9600	.224	1962
12	8000	1440	9440	.221	1963
13	8000	1280	9280	.217	1964
14	8000	1120	9120	.213	1965
15	8000	960	8960	.210	1966
16	8000	800	8800	.206	1967

17	8000	640	8640	.202	1968
18	8000	480	8480	.199	1969
19	8000	320	8320	.195	1970
20	8000	160	8160	.191	1971
Tot. 160000 33600 193600					

The above figures are computed at 2% interest. It should be remembered that if the new assessed valuation is larger, which is the general trend, the above tax increases would be proportionately smaller. It should also be remembered that the interest rate could be greater or lesser, in which case, the above tax increase would be greater or lesser.

As to the increase in the "special school fund" tax. At the present assessed valuation, your tax rate would be increased approximately .468 per \$100 assessed valuation. This is a one (1) year increase which will affect only the taxes for the year 1951, payable in the year 1952. It has the disadvantage of "hitting" all in one year. It has the advantage of not drawing interest for the next twenty (20) years as will the funds raised by the contemplated bond issue.

To determine the increase in your taxes, take the "net" assessed value of your property (that is the total assessed valuation less mortgage exemption, soldier's exemption, etc.) and multiply it by the increase in the tax rate.

Example I. John Doe owns a farm, real estate, assessed at \$5,000.00, and personal property assessed at \$1,500.00. He has a \$1,000.00 mortgage exemption. "Net" assessed valuation \$5,000 + \$1,500 - \$1,000 = \$5,500.

Increased taxes for year 1952:	
Bonds	\$5,500 x .262 = \$14.41
Spec. School	5,500 x .468 = 25.66
Total increase in taxes	
Increased taxes for year 1953:	
Bonds	\$5,500 x .259 = \$14.25
Spec. School (1 year only)	None
Total increase in taxes	
Total increase in taxes 1952	
Total increase in taxes 1953	

Total increase in taxes	
Increased taxes for year 1953:	
Bonds	\$5,500 x .259 = \$14.25
Spec. School (1 year only)	None
Total increase in taxes	
Total increase in taxes 1952	
Total increase in taxes 1953	

Example II. Richard Roe owns a town property, real estate, assessed at \$3,000.00 and personal property assessed at \$1,200.00. He has a \$1,000.00 soldier's exemption. (Figured same as for mortgage exemption.)

Total increase in taxes 1952	
Total increase in taxes 1953	
Taxes for the succeeding years would decrease proportionately with the decrease in tax rate.	

IMPORTANT. It should be remembered that the above figures are estimates since exact figures for the total "net" assessed valuation for the township will not be available until the latter part of June. Also, the exact figure for the interest rate on the bond issue will not be determined until the bonds are issued; the bonds are awarded to the purchaser bidding the lowest interest rate.

ter part of June. Also, the exact figure for the interest rate on the bond issue will not be determined until the bonds are issued; the bonds are awarded to the purchaser bidding the lowest interest rate.

PSI OTE MEMBERS TO ATTEND CONVENTION

With "Speech and Hearing" as the convention theme, Psi Iota Xi Sorority will meet in national convention at Columbus, Ohio, June 15 and 16, with Mrs. Spencer Tracy, wife of the stage and screen star, as chief speaker.

Mrs. Ralph Ward, president, and Mrs. Curtis Riner, vice president, will represent the Mentone chapter. Beta Upsilon, Mount Vernon, Ohio, will act as hostess to the 78 chapters meeting at the Neil House in Columbus.

Mrs. Wendell D. Reed, grand president, Indianapolis, will preside at all business meetings, and Mrs. Thomas W. Koch, Mount Vernon, Ohio, is convention chairman.

Mrs. Tracey, president and director-in-charge of the John Tracy Clinic of Los Angeles, has devoted a great part of her life to helping parents and their deaf or hard-of-hearing children. Work with her son John, who is deaf, has given her a sympathetic understanding and a practical approach to the problem.

"This year's convention program," says Mrs. Reed, "is the result of Psi Iota Xi Sorority's cooperation with recognized authorities in speech and hearing."

The local sorority will again sponsor a Speech and Hearing Clinic on July 25 and 26. Details will be published at a later date.

LEGION AUXILIARY NEWS

Seventeen members of the Mentone Unit No. 425 the American Legion Auxiliary held their regular meeting at the Legion Home on Tuesday evening, June 12.

The president, Mrs. Robert Whetstone, presided at the business session during which a letter was read from the Veteran's hospital in Marion, Ind. thanking the unit for their recent donation of books for the patients there. Announcement was made of the annual convention to be held August 17, 18 and 19 at French Lick, Indiana.

Mrs. John Ellsworth, poppy chairman for the unit gave a final report on the outcome of poppy days, May 25 and 26.

The president appointed Mrs. John Boggs, Mrs. James Rodibaugh and Mrs. Miles Manwaring to serve as the nominating committee for the following year.

Members of the program committee were Mrs. George Mollenhour, Mrs. James Rodibaugh and Mrs. Jack Shaffer.

The name drawn for the attendance prize was Mrs. Lura Vandermark.

Nominations will be in order at the next regular unit meeting to be held Tuesday, June 26.

The district meeting will be held in Syracuse on Wednesday, June 20. Anyone wishing to attend please contact the president.

Refreshments were served by Mrs. Kenneth Simcoe and Mrs. Robert Whetstone.

PLEASURE BOAT SOLD FOR SCRAP

The City of Grand Rapids, Lake Michigan pleasure steamer, was sold recently for \$56,250 to a scrap metal dealer. The 315-foot, 3,000 ton vessel cost \$3,000,000 when it was built in 1912.

The purchaser stated he would wait 60 days before dismantling the boat, in case any steamboat operators would care to buy it to use as a vessel.

The boat was sold at a bankruptcy sale.

The boat, with a 2,200-passenger capacity, is moored at Benton Harbor, Michigan, and several local people have taken lake trips on it.

COOPERATION PAYS**MENTONE MURMURS**

by
DAVID and SALLY GOSSER

About two years ago when Murmurs began writing this column, they had no intention of making it a philosophic and moralizing matter. The farthest from their minds was the critical and caustic nature it has assumed on several occasions. There are times, however, when the most loved children of a family must be corrected and reprimanded to insure growth of character, and although the task is painful and distasteful to the parents, must be administered, out of concern and love for the children.

The very lack of discipline in American homes may be the evidence of a lack of genuine love and concern for the offspring. It is often easier to let the breaches of discipline pass-by, apparently unnoticed, than to make them the opportunity of lessons and growth. This is true in community life as well, and the leaders may desire to take the path of least resistance than to make corrections and improvements which may prove painful for the moment.

The proactive part of parenthood is certainly the least painful and most desirable part of the martial responsibility of man, but it imposes far-reaching implications which in themselves may be both painful and undesirable. Citizenship in a community has many advantages that imply responsibility. They may be painful and undesirable, but they are essential to the well-being of all the inhabitants.

This Sunday is Father's Day, and Murmurs could write a lengthy dissertation on the subject, but in passing, they wish to recall to mind a recent tragedy that occurred at Jintown. The murder of the son by his mother was largely the result of a father neglecting the parental responsibilities imposed upon him by his voluntary acts of procreation. This does not exonerate the mother for her acts of violence, for parenthood is teamwork, and too often the load of responsibility is placed on the shoulders of only one of the parents.

Murmurs are in agreement with one of our prominent citizens with whom there was some heated discussion on recreation, for it is quite to the point that family participation in recreational activities is to be encouraged. A physician will not, however, let the localized and painful cankers of an infection go unattended, but treats both the general infection and the sore.

Parental responsibility in all the affairs of children's activities must be encouraged, and although the "bread and butter" side of the responsibility is largely that of the husband and father, there must be provisions made for him to be a participant in the other fields of rearing the children. Already the mothers are assuming more

and more of the financial load of the family. We need only to count the mothers and wives of our community who are working to realize this. Are the husbands and fathers assuming as large a share of the other home duties which the wives and mothers are declining?

Generally speaking, our children have never had the essential responsibilities of mental and spiritual nourishment assumed by the parents in proportion to the physical responsibility. The Parent-Teachers Association and Church Family Nights will lead us in the right direction. Provision for family participation in recreational activities are being formulated. Mentone is headed for a better family-community life in the near future, but more intense interest of parents for their children is still to be urged and recommended.

Mrs. Barney Nellans and family are home after staying a week with her mother, Mrs. Bessie Wilson, of Culver, who is able to be up in a wheel chair and has taken a few steps with help and support of crutches.

**DAIRYMEN TO CELEBRATE
ICE CREAM CENTENNIAL**

One hundred years ago the ice cream industry was born. Dairymen in Indiana and across the nation are joining in the centennial celebration.

"The American Dairy Association, the farmer's own business-building organization, in its cooperative efforts with the International Association of Ice Cream Manufacturers, is playing a leading role in telling the inspiring story of the growth of this segment of the dairy industry," says Oscar A. Swank, executive secretary of the ADA of Indiana.

"It is an American story of initiative and ingenuity," he elaborated. Recipes for ice cream had been known for hundreds of years in Europe. It took the know-how, the mass production and distribution efforts of America to take

ice cream, a dish enjoyed only by the wealthy and nobility of medieval times, and place it in everybody's home.

Jacob Fussell established the first ice cream plant in Baltimore, Maryland in 1851. He had contracted for the entire milk supply of farmers in area. The month of June with its lush pastures brought a surplus. Fussell dug up ice cream recipes so he could use all the milk and cream.

"Its been going on ever since," Swank declared. "The ice cream manufacturers purchase the surplus and help stabilize the dairy economy."

On June 15 at the site of the first ice cream plant in Baltimore, a commemorative plaque will be dedicated by the Maryland Historical Society and the International Association of Ice Cream Manufacturers.

BAPTIST NEWS

On Tuesday afternoon at two o'clock some 30 pastors and delegates from 13 churches in Indiana met at the First Baptist Church to examine Mr. Harry C. Elder and Mr. John Rea for ordination to the gospel ministry in the Baptist Church. The questioning continued till 5:30 when the men were dismissed and the council voted unanimously to proceed with the ordination and recommended to the local church that the men be ordained in the evening service. At 7:30 the meeting began with the charge of the church given by Rev. Carl Brown, pastor of the Immanuel Baptist Church of Ft. Wayne. The charge to the candidates was given by Rev. Alfred Colwell, pastor of the Calvary Baptist Church of Highland. The ordination prayer was given by pastor of the host church and Rev. Joseph Bower, pastor of the Calvary Baptist Church of Valparaiso, gave the right hand of fellowship to the two new pastors.

Miss Lou Ellen Rouch, teacher at Bryan University in Tennessee, then sang a solo, "I am Satisfied with Jesus." Dr. Alva J. McClain, president of Grace Theological Seminary at Winona Lake, then gave the ordination sermon after which the two men closed the meeting with the benediction. At six o'clock the ladies of the church under the direction of Mrs. Roland Ferwerda served a fine supper for the out of town visitors. This makes three men the church has ordained to the gospel ministry in the years gone by. Some years ago, Rev. Charles Beitzel was ordained by the church and has served as a missionary in Negeria under the Sudan Interior Mission where he and his wife are now missionaries.

Encouraging word has come from Mr. Lee Shoemaker and family from Van Nuys, California, where Mr. Shoemaker is enrolled as a student in the Bible Institute of Los Angeles and also from Mr. Royal Blue and family. The Blue family also live in Van Nuys where Royal is a student at the same school. Royal is doing pastoral calling for the First Baptist Church of Van Nuys, California.

The Daily Vacation Bible School of the Baptist Church got off to a good start on Monday with 120 students and teachers. It is still not too late if children would like to go to this fine Bible School. Classes begin at 9:00 and end at 11:30 a. m.

Mrs. Earl Meredith was a Sunday dinner guest at the home of Mr. and Mrs. Alva Clinker. The dinner was in observance of the birthday anniversaries of Mrs. Walter Rager and Mrs. Clinker, they have a get together dinner each year. Other guests included Mrs. Clinker's sister, Mrs. Loa McFarland of Beaver Dam and Mrs. Elsie Kiefer of Marion, Ohio, who is a sister of Mrs. Rager. In the afternoon they drove to Akron and were callers, at the home of Mr. and Mrs. Roy Middleton, who were celebrating their golden wedding day.

INDIANA FARMERS TO ATTEND LANSING MEET

Indiana will be represented by 99 Farm Bureau leaders and other members at the Midwest Conference which will be held at Michigan State College, East Lansing, June 17-20.

The event is an annual occasion but the location shifts from year to year. Indiana's President, Hassil E. Schenck, will appear on a panel during the afternoon of June 18. The program is replete with addresses by outstanding economists, university and college faculty members, and farm leaders.

Slide Detector Fence

To prevent train accidents due to falling rocks or earth slides in hilly or mountainous regions, electrically charged wire fences are made to serve as detectors. If a falling rock or an earth slide breaks one or more of the fires in the fence, a relay is released and "stop" signals are set up to halt a train approaching from either direction.

HISTORY OF THE FLAG

The United States Flag is the third oldest of the National Standards of the world; older than the Union Jack of Britain or the Tricolor of France.

The flag was first authorized by Congress June 14, 1777. This date is now observed as Flag Day throughout America.

The flag was first flown from Fort Stanwix, on the site of the present city of Rome, New York, on August 3, 1777. It was first under fire three days later in the Battle of Oriskany, August 6, 1777.

It was first decreed that there should be a star and strip for each state, making thirteen of both; for the states at that time had just been erected from the original thirteen colonies.

The colors of the Flag may be thus explained: The red is for valor, zeal and fervency; the white for hope, purity, cleanliness of life, and rectitude of conduct; the blue, the color of heaven, for reverence to God, loyalty, sincerity, justice and truth.

The star (an ancient symbol of India, Persia and Egypt) symbolizes dominion and sovereignty, as well as lofty aspirations. The constellation of the stars within the union, one star for each state, is emblematic of our Federal Constitution, which reserves to the States their individual sovereignty except as to rights delegated by them to the Federal Government.

The symbolism of the Flag was thus interpreted by Washington: "We take the stars from Heaven, the red from our mother country, separating it by white stripes, thus showing that we have separated from her, and the white stripes shall go down to posterity representing Liberty."

In 1791, Vermont, and in 1792, Kentucky were admitted to the Union and the number of stars and stripes was raised to fifteen in correspondence. As other states came into the Union it became evident there would be too many stripes. So in 1818 Congress enacted that the number of stripes be reduced and restricted henceforth to thirteen, representing the thirteen original states; while a star should be added for each succeeding state. That law is the law today.

The name "Old Glory" was given to our National Flag August 10, 1831, by Captain William Driver of the brig Charles Doggett.

The flag was first carried in battle at the Brandywine, September 11, 1777. It first flew over foreign territory January 28, 1778 at Nassau, Bahama Islands; Fort Nassau having been captured by the Americans in the course of the war for independence. The first foreign salute to the flag was rendered by the French admiral LaMotte Piquet, off Quiberon Bay, February 13, 1778.

The United States Flag is unique in the deep and noble significance of its message to the entire world, a message

of national independence, of individual liberty, of idealism, of patriotism.

It symbolizes national independence and popular sovereignty. It is not the Flag of a reigning family or royal house, but of a hundred million free people welded into a Nation, one and inseparable, united not only by community of interest, but by vital unity of sentiment and purpose; a Nation distinguished for the clear individual conception of its citizens alike of their duties and their privileges, their obligations and their rights.

It incarnates for all mankind the spirit of Liberty and the glorious ideal of human Freedom; not the freedom of unrestraint or the liberty of license, but an unique ideal of equal opportunity for life, liberty and the pursuit of happiness, safeguarded by the stern and lofty principles of duty, of righteousness and of justice, and attainable by obedience to selfimposed laws.

Floating from the lofty pinnacle of American idealism, it is a beacon of enduring hope, like the famous Bartholdi Statue of Liberty Enlightening the World to the oppressed of all lands. It floats over a wondrous assemblage of people from every racial stock of the earth whose united hearts constitute an indivisible and invincible force for the defense and succor of the downtrodden.

It embodies the essence of patriotism. Its spirit is the spirit of the American nation. Its history is the history of

the American people. Emblazoned upon its folds in letters of living light are the names and fame of our heroic dead, the Fathers of the Republic who devoted upon its altars their lives, their fortunes and their sacred honor. Twice told tales of National honor and glory cluster thickly about it. Ever victorious, it has emerged triumphant from eight great National conflicts. It flew at Saratoga, at Yorktown, at Palo Alto, at Gettysburg, at Manila Bay, at Chateau-Thierry. It bears witness to the immense expansion of our national boundaries, the development of our natural resources, and the splendid structure of our civilization. It prophesies the triumph of popular government, of civic and religious liberty and of national righteousness throughout the world.

The flag first rose over thirteen states along the Atlantic seaboard, with a population of some three million people. Today it flies over forty-eight states, extending across the continent, and over great islands of the two oceans; and one hundred thirty millions owe it allegiance. It has been brought to this proud position by love and sacrifice. Citizens have advanced it and heroes have died for it. It is the sign made visible of the strong spirit that has brought liberty and prosperity to the people of America. It is the flag of all of us alike. Let us accord it honor and loyalty.

CO-OP. OIL STATION

LETTER FROM CALVIN WAGNER

Korea, May 3, 1951

From your foxhole buddy in Korea, here's something for your paper.

Some of the boys got together the other day and decided that the only way to wise some people up back in the States that there really is a war going on, was to write some paper a letter and have them publish it, and so we chose yours, and believe me, nobody knows more about the subject than we do.

We realize that this isn't a third World War, but it could easily turn

USE T-4-L for ATHLETE'S FOOT BECAUSE—

It has greater PENETRATING Power. With 90% undiluted alcohol base, it carries the active medication deeply, to kill the germ on contact. Get happy relief IN ONE HOUR, or your 40c back at any drug store. Today at Denton's Drug Store.

Into one. It's almost like a game of tag—we work like dogs to take ground and then, the first thing we know, we are giving it back to the Chinese. I think that if we had enough troops and equipment and chow we could hold them easily.

They rely mostly on mass attack, and it's easy to turn them back if we have good defence positions, but we can't strike back if we keep pulling back.

Some people think we have wonderful chow, but that isn't so. They even have the nerve to say we're building roads with C rations. In fact, we have often gone nine days on seven meals, or, I should say, half-meals. I would like to see some of these people living on black coffee that tastes like muddy water, smoking cigarettes that are rank from age.

But the boys take it with a smile. These boys don't know what fear is. They are made of blood and guts, and that's what it takes, but we will need more of them than we have over here

now. I have even seen these boys laugh in the face of death.

Well, we're running out of stationery—another thing that's hard to get over here, and so will close for this time and get ready for Charley Chinko.

Your Rice Paddy Rangers,
Pfc. LaVierre Wagner, Mentone, Ind.
Cpl. Robert L. Echord, Davy, W. Va.

EVERFAITHFUL CLUB MEETS

Fifteen members responded to roll call at the June meeting held at the home of Sadie Black.

The club trip was the main discussion of the business meeting.

Anniversary gifts were received by Mary Tucker, Frances Marshall and Wilma Tucker.

Bunco was enjoyed with high score and most buncos won by Thel Hoffman, travel Mary Tucker and low, Fro Tucker. A capital quiz contest was won by Fro Tucker.

Delicious refreshments were served by the hostess.

H. M. Gibb, manager of defense construction of U. S. Radiator Corp., Detroit, spent Saturday afternoon at the Leroy Norris home. Mr. Gibb and Mr. Norris served together in the 8th Army in the South Pacific. Mrs. Gibb and two sons were with Mr. Gibb Saturday.

ALFRED TEEL BURIED SUNDAY

Alfred Teel, aged 92, died at 10:30 a. m. Friday at his home in Mentone. He had been seriously ill for a couple of weeks, due to complications.

Mr. Teel, a retired farmer, had lived all his life in and near Mentone.

He was born in 1859 near Mentone, the son of David and Caroline (Jef-feries) Teel. In 1889 he was married to Lugardy Hibschan. They moved to Mentone a few years ago.

Surviving relatives include his wife; two sons, Lloyd, of Fort Wayne, and Norman, of Rochester; seven grandchildren; 13 great-grandchildren; two brothers, Clem, of Mentone, and Theo, of Macy, and a sister, Miss Maggie Teel, of Mentone.

Funeral services were held at 2:30 p. m. Sunday at the Mentone Church of Christ, of which he was a member. Joseph Jones, the pastor, officiated. Burial was in Sycamore cemetery, southwest of Mentone. The Johns funeral home was in charge.

BENNETT

Mr. and Mrs. Donald Bennett of Mentone, Route 1, are the parents of a son, weighing seven pounds, two ounces, born at 4:39 p. m. last Friday at the Murphy Medical Center.

The new son has been named Steven Lee.

Mr. and Mrs. Clyde Johnson are the maternal grandparents.

BLAINE — LANGFELDT

Mr. and Mrs. Russell Langfeldt, of Plymouth announce the marriage of their daughter, Jean Marie, to Robert Blaine, son of Mrs. Esther L. Blaine, of Fort Wayne. The ceremony was performed in the rectory of St. Michael's Church, in Plymouth, Saturday afternoon, June 16, in the presence of near relatives and friends.

After a short wedding trip the young couple will be at home in Plymouth.

The new Mrs. Blaine is a graduate of the Plymouth High School and has been very active in 4-H work. Robert is the nephew of Mrs. Rea Ward and made his home with the Wards and attended high school in Mentone and Tippecanoe. He is a graduate of the Tippecanoe High School and is now employed at the Plymouth foundry.

RETURN FROM WESTERN TRIP

Mr. and Mrs. Fred Lemler and daughter, Leah Nell, and Mr. and Mrs. Cliff Martin, of Sidney, Montana, returned last week from a 6400 mile trip in some of the western states.

The party visited Yellowstone National Park, Bryce Canyon, Grand Canyon, Tucson and Old Mexico.

Mr. and Mrs. Martin are visiting here a short time before returning to their home in Montana.

LIGHTNING HITS MCGOWEN HOME

The Erm McGowen home, northwest of Mentone, suffered considerable damage in Tuesday evening's lightning storm. There was no fire, but it's hard to believe some of the things the "fire from the sky" did while galloping around inside the house. It was worse than a bunch of neighborhood kids in an old house.

The lightning charge followed every electric or telephone wire and then seemed to jump from one piece of metal to another. It traveled down the metal lathe and threw chunks of plaster here and there—it burned holes in the sides of the metal kitchen cabinets and electric stove, melted the electric fuses into a jumbled mass and did almost everything else to mess up the home. Joe Baker spent most of Wednesday there making repairs and still wasn't through by evening.

TAKE CANADIAN TRIP

Dale Kelley and Malcolm Long spent last week in Ontario fishing. They report the fishing just fair for that area. They had planned to go beyond the well known "Stevens" lake, the fourth from the Lionel Green camp, but when they got that far the outboard motor decided to quit, and they figured 30 miles was about far enough to paddle a square-stern canoe. Dale said he enjoyed the trip more than if the motor hadn't quit.

DAUGHTER IS BORN

Mr. and Mrs. Howard Pawley, of Etna Green, are the parents of a daughter, Linda Kay, weighing seven pounds, one ounce, born at 12:30 p. m. last Thursday at the McDonald hospital.

Mr. and Mrs. Milo Pawley are the paternal grandparents.

SOFTBALL SCORES

Recent softball scores at Mentone are:

Monday night, Beaver Dam high school 11 to 7 over Burket.

Tuesday night, Tippecanoe H. S. over Talma 8 to 9.

Tuesday evening, in the second game, Etna Green H. S. bested Mentone 6 to 4.

Wednesday evening the Mentone Boy Scouts came out on top over the Warsaw Eagles Junior team 9 to 8.

In the main game of the evening, the Mentone Merchants came out on the low end of a 3 to 2 score against the Marion G. O. P. team. However, this was the first game the Merchants have played without an error.

High school games are played each Monday and Tuesday evening.

Merchant's Schedule

The present schedule of the Merchants is:

Friday, June 22, Milford Merchants at Mentone.

Saturday, June 23, Plymouth All Stars, away.

Wed., June 27, Lagrange, home.

Fri., June 29, LaPorte, home.

Sat., June 29, Kosciusko of Mishawaka, home (rained out game).

Wed., July 4, Zollner Piston Reserves at home.

Fri., July 6, Plymouth, away.

Sat., July 7, G. O. P. of Marion, away.

Mon., July 9, Studebaker, So. Bend, away.

Wed., July 11, Lagrange, away.

Fri., July 13, Buchanan, home.

The balance of the schedule will be printed at a later date.

OWENS

Mr. and Mrs. William Owens are the parents of a daughter born Saturday at the Woodlawn hospital.

Mr. and Mrs. Sam Ware are the maternal grandparents.

CANCER FILM TO BE SHOWN

The Mentone Home Economics Club extends an invitation to the ladies of the community, and especially the Home Ec. Club members, to witness the cancer film that will be shown in the cafeteria room of the Mentone school on Wednesday evening, June 27 at 8 p. m.

TWO SOFTBALL GAMES
AT MENTONE JULY FOURTH

Two softball games are scheduled at the Lions club celebration to be held on July 4th. In the afternoon at three o'clock a junior colored team from South Bend will play the Mentone Boy Scouts, and in the evening the Zollner Piston Reserves will meet the Mentone Merchants.

The 1951 celebration will feature a number of interesting events that have not been included in former celebrations, but the complete program has not been announced. It is planned to have a continuous program from three in the afternoon until the last fireworks is exploded in the evening.

LIONS OFFICERS INSTALLED

In a very impressive ceremony on Wednesday evening, Oliver Teel installed the new officers of the Mentone Lions Club. Raymond Cooper succeeded Richard Manwaring as president.

Plans were made for the trip to the gasoline refinery at Whiting on next Wednesday, June 27th. All Lions who expect to make the trip, and were not at Wednesday evening's meeting, are requested to contact Lion Ned Miller immediately. The group will leave from Uter's Standard Station at seven a. m. on June 27th.

There will be no more meetings of the Lions club until September, following a summer recess.

CLUB CALENDAR

Beaver Dam Home Economics Club will meet Wednesday, June 27, at 1:30 with Mrs. Earl Meredith at her home in Mentone. Mrs. Flo Eller and Mrs. Dorothy Cumberland Assisting Hostesses.

Monday, June 25, at 8:00 p. m. at the school house. Meeting of volunteers for supervised play program.

Thursday, June 21, at 2:00 p. m. at the library, special program for children.

Beaver Dam Home Economics Club will meet with Mrs. Bertha Meredith, in Mentone on Wednesday afternoon, June 27 at 1:30.

CONSERVATION WILL CONDUCT ROOKIE SCHOOL

Twenty-five Conservation Officers, recently appointed to the Enforcement Division of the Indiana Department of Conservation, will receive special instruction at a school to be held at Versailles State Park as of June 16, it is stated by Kenneth M. Kunkel, Director of the Department. The course will end June 30.

Mr. Kunkel and Henry P. Cottingham Assistant Director and Director of the Division of Fish and Game, said the new men had been added to the force in order to fill existing vacancies and to augment the force for service during the ensuing hunting season.

Inasmuch as the open season for the taking of deer has been set for November 1-2-3, it was deemed advisable to throw additional men into areas where deer may be taken. These posts, however, will be filled by men who are veterans in the enforcement field.

The school at Versailles will be directed in charge of Col. Millard M. Davis, Superintendent of the Enforcement Division of Fish and Game.

Instructors will include personnel from Indiana and Purdue Universities and directors of the various divisions of the Indiana Department of Conservation. The men will be instructed as to how to enforce regulations concerning every phase of conservation. Courses in first aid will be under the direction of experts connected with the American Red Cross.

The school is to be conducted on a military basis as have been previous schools, which were held in McCormicks Creek State Park.

Physical exercises, hikes and target practice will be a part of the set-up.

NEWS — PHONE 38

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

Gearing the group work, demonstrations, panel discussions and instructions to fit any local community, either rural or urban, in solving health problems is the aim of the eighth annual Workshop in School and Community Health to be held August 10-24 at Indiana University.

Lay workers, public health and voluntary agency personnel and others attending will learn of the outstanding school program at Evansville; Indianapolis and Marion County's plan for Civil Defense; activities of a local full-time health department such as Hammond, and nutrition programs in schools.

Demonstrations in family life education from the point of view of the parents and teenagers will be presented. Problems of community environmental sanitation will be outlined and points on the developing of food, drugs milk, heart, tuberculosis, cancer, water supply fluoridation and tuberculosis programs will be given.

Sponsored by various state and voluntary health agencies for the purpose of broadening and stimulating health activities in local communities, the course may be taken for either credit or noncredit. Application blanks are available from the Division of Health and Physical Education, Indiana State Board of Health, or the University.

Mrs. Emanuel Kinsey and son, Kenneth leave Tuesday to visit Mr. and Mrs. Wendell Kinsey of Starrs, Conn. Wendell has been quite ill for the past several months.

Mrs. Von Jenkins of Minneapolis, Minnesota will arrive here Saturday, June 30 to spend two weeks.

EXPORT PARCEL POST REQUIRES SPECIAL LICENSE

An export license, either in the form of a general license or a validated license, is now required for parcel post shipments to all foreign countries except Canada and United States possessions.

Anyone anticipating parcel post mailing to foreign countries should inquire at the Post Office as to procedure in securing license.

CARD OF THANKS

Mr. and Mrs. Ray Meddleton want to express their most heart felt thanks to their many friends and neighbors who helped them celebrate their Golden Wedding Anniversary. The 300 guests who called at their home and the many wonderful gifts and cards and letters that came through the mail will never be forgotten.

It will always leave golden memories for us to cherish throughout the evening time of life.

Again we Thank you.

Automatic Gas Heater

When hot water has to travel to outlet traps through too much piping, there's bound to be some heat loss. Save gas by installing your automatic gas water heater nearest to tap outlets—the kitchen, laundry or bathroom.

Mrs. Emma Yocum was called to Auburn on Sunday, on account of the death of her brother-in-law, Mark Kulzner.

Mr. and Mrs. Paul Jones and daughter spent Sunday with her mother, Mrs. Rhoda Jones. Afternoon callers were Vera Mattix and daughter, Shirley Norma and son, Bobby.

Mrs. Vernon Jones spent Wednesday evening with Mrs. Nora Severns of Mentone.

Mrs. Minnie Williamson entertained her sister, Rhoda on her birthday last Monday. In the afternoon they went to the Palestine Cemetery.

Mr. and Mrs. Robert A. Calvert and family spent Sunday as the guests of Mrs. Calvert's mother, Mrs. Lillie Myers.

Mr. and Mrs. O. C. Montgomery spent Monday afternoon in South Bend.

Silkworm Cocoon

A single silkworm cocoon may yield 400 to 1,000 yards of filament. So delicate is this strand that some 2,000 to 3,000 cocoons are required to produce one pound of silk.

RECREATION PROGRAM READY TO BEGIN

We are making a very special plea for volunteers to help with our summer recreation program. Those of you who are willing to help be at the school house at 8:00, Monday evening, June 25, for an organizational meeting. We need you, so please come!

Don't let your children forget the first meeting in connection with the reading program at the library, on Thursday, June 21. Plans have been made for an interesting program for all children of preschool age and for grades one through six.

The crafts and hobbies program is to get under way on Monday, June 25, from 9-11 a. m. with work in plaster as the first project. The children will enjoy making all the interesting and attractive articles that Rev. Gosser and his committee have planned for them. Following is the complete hobbies and craft schedule for the summer:

PLASTER—Pins, figurines, leaf and print marks, baby shoes, bookends.

SOAP CARVING—Fish and animals, human figures, houses (modern and Palestinian) and symbols.

BRAIDING—Lanyards and bracelets. **WEAVING**—Hot pads, place mats, stand covers and purses.

POTATO BLOCK PRINTING—stationery, book covers, wrapping paper, waste baskets, and fabric for stand covers, hankies, etc.

SPATTER PAINTING—Nature subjects and stencils and designs.

PAPER MACHE—Bowls and masks.

HOBBIES—Stamp collecting, buttons, salt and pepper shakers and match folders.

Reading Program Schedule

(Group I includes children of preschool age and grades 1, 2 and 3 of last year. Group II includes children of 4th, 5th and 6th grades last year.)

JUNE 23

9 a. m.—Group I. Unusual records and games. Program in charge of Mrs. Miles Manwaring and Mrs. Wayne Nelans.

2 p. m.—Group II. Unusual records. Folk games. Book club. Program in charge of Mrs. Dan Urschel and Mrs. Elmore Fenstermaker

JULY 5

9 a. m.—Group I. Animal and pet program. An animal story by the story teller. Children will each bring a picture of some animal and tell its name. Imitation of animal sounds. Program will be in charge of Mrs. Sullivan and Mrs. Don VanGilder.

2 p. m.—Group II. A play put on by some of the children. Book club. This program is in charge of Mrs. Joe Boggs and Mrs. Grace Lewis.

Mr. and Mrs. Paul O. Fritz and son and Mrs. Raymond M. Dodson and children, of Evanston, spent the week end at the Rea Ward home.

The M. Y. F. (Methodist Youth Fellowship) will have a Bake Sale at Henker's IGA Store this Saturday morning. The Sale will begin at 9 a. m. Come early to find your favorite delicacy.

Father's Day guests, at the M. O. Mentzer home were Miss Roselyn Mentzer, of Lansing, Michigan, Mr. and Mrs. James Mentzer and children, of Chicago and Mr. and Mrs. Kenneth Foulke and children of South Bend.

Mr. and Mrs. Rea Ward arrived home on June 15 after a weeks vacation trip in the Bachakawan river area in Ontario.

Mothers! Why not send your children to the surprise program at the library this afternoon? (Thursday) at two o'clock.

Wednesday visitors at the home of Mr. and Mrs. Adam Garper were Mr. and Mrs. Elmer Sipe and daughter, of Burnham, Pennsylvania, and Mr. and Mrs. Shirley Lepley and granddaughters of South Whitley.

Charles Urschel, David Gosser, Jr., and Pierre Ferverda left for Camp Manitowish, in northern Wisconsin, on Sunday. David and Pierre will remain for three weeks, while Chuck will be there all summer.

Mrs. Esther L. Blaine, of Ft. Wayne, was a visitor at the home of her sister and husband, Mr. and Mrs. Rea Ward, from last Wednesday until Sunday. Other guests at the Ward home following the Blaine wedding on Saturday were: Mr. and Mrs. Norman Smith and children, of New Haven, and Mr. and Mrs. Dwight Davis, of Ft. Wayne.

**BIG PARADE PLANNED
AT ARGOS CENTENNIAL**

A three mile long parade is being planned for the Argos Centennial Celebration.

Dr. William Middleton, Parade Chairman, is working with Director Donald F. Perry in formulating the many detailed plans for the event.

The parade will be held on Thursday, July 5, at 2 p. m. (DST). It will highlight that day's special observance of

Americanism Day.

Divided into two sections, the parade will carry the Centennial and Americanism Day theme throughout. The first half of the parade will be devoted to "Agriculture Through the Century" while the second section will feature "Home and Industrial Progress."

All groups, businesses and bands who wish to enter floats, marching units, or musical groups in the parade are urged to write Donald F. Perry, in care of Centennial Headquarters, 118 E. Walnut Street, Argos, Indiana at once.

Complete details of the parade will be announced shortly. However, a special section of the parade will include folks in costumes representing the various periods in history of the past century. Prizes will be awarded the best entries in all divisions of the parade.

Four days of the Centennial Celebration will have special themes to observe. Plans now underway include Wednesday, July 4, Homecoming Day; Thursday, July 5, Americanism Day; Friday, July 6, Youth Day; Saturday, July 7, Agriculture Day.

FRANKLIN FARM BUREAU MEETS

Devotions were given by Rev. David Gosser for the June meeting of the Franklin Township Farm Bureau at the Beaver Dam school building. There was a good attendance. The highlight of the evening was the amateur contest. Toni Kuhn placed first, making her eligible for the county contest. Linda Whetstone was second and Sandra Ballinger was third. Others who took part were: Carolyn Dickey, Janice Study, Joan Tucker and Diana Sittler, Wilburta and Karen Latimer, June Bowen and Sharon Bowen.

Linda Lukens and Brooks Black, known as the Rhythm Twisters, entertained with a few numbers.

The chairman, Everett Rookstool, took over the business meeting and the secretary's report was read and approved. Mr. Rookstool discussed the price control and rationing and subsidies on food. County Chairman Milo Robbins talked also on price control on cattle and asked each member to write to congressmen of this district. Gail Robbins, of Piercetown, gave a report on the Marketing and Producers Association in Fort Wayne. Mrs. Paul Cumberland and Mrs. Don Smalley had charge of the Pet and Hobby. The meeting was closed with singing "God Bless America."

Coffee, ice cream and strawberries were served by the refreshment committee, Mrs. Dale Nellans, Mrs. H. V.

Nellans, Mrs. Ike Jefferies, Mrs. Devon Jones, Mrs. Jay Swick, Mrs. Waldo Adams and Mrs. Wallace Andrews.

The next meeting will be a picnic supper to be held at the park in Rochester the second Monday evening in August. All members are urged to attend.

Those selected by the county to attend the Midwest Farm Bureau conference at Lansing, Michigan from June 17 to 20 were: Ralph Brubaker of Leesburg, Mrs. Gordon Brubaker of near Sidney and Mrs. Harry Cole of Mentone.

D. A. R. HAS CARRY-IN DINNER

The members of Anthony Nigo chapter, Daughters of the American Revolution, enjoyed a carry-in dinner at the cottage of Mr. and Mrs. F. R. Burns at Webster Lake on Tuesday evening.

Mrs. Burns gave a report of the recent Continental Congress held at Washington, D. C. A program of pictures of Washington, D. C., was presented. Mrs. Burns also included in her group of pictures some interesting ones she had taken in Florida last winter.

The guests included Mrs. Cloice Paulus, Mrs. Robert Smith and Mrs. Kay Paulus and sons of North Manchester.

This was the closing meeting of the year.

Gas Stoves, Refrigerators and Heaters

**Every animal and bird needs minerals—**

Every animal and bird you own needs minerals—of certain kinds—in definite quantities. Some pastures provide these minerals. Much pasture does not. Now your grass may be green and thick. But it can still be mineral-deficient. And that can mean slower gains, feed waste and poorer health.

Why take these chances when it's so easy and economical to feed Swift's Mineral Supplement? This one low-cost mineral supplement provides ten mineral elements vital to all livestock. Start feeding Swift's Mineral Supplement free choice all year 'round. It now comes in block or pulverized form. Because it contains only minimum requirements of salt, we recommend free-choice salt feeding in addition.

MERRY MOLLY'S HOLD MEETING

The Merry Molly's Home Ec. Club held a meeting at the home of Mrs. Everett Welborn.

The project lesson "Family Relations" was discussed by Mrs. Eugene Sarber and Mrs. Clayton Holloway. In answer to roll call each member gave the color of her wedding dress.

Mrs. Hershel McGowen assisted Mrs. Marvin Romine in entertaining.

Those present were Mrs. Heston Creston, Mrs. Carl Whetstone, Mrs. Clayton Holloway, Mrs. Marvin Romine, Mrs. Robert Nottingham, Mrs. Ed Smelser, Mrs. Eugene Saber, Mrs. Hershel McGowen, Mrs. Lemar Leffort, Mrs. Marion Smith, Mrs. Everett Welborn.

Delicious refreshments were served by the hostess.

In July the club will have a picnic. They will meet at Mrs. Jack Pritchard's.

DOWN THE TIPPECANOE IN A CANOE FOR THREE

Your editor evidently lived on a Montana Indian reservation long enough to absorb a few roving ideas, as I've always wanted to take a canoe trip, somewhere. Last Thursday afternoon he and son, Jon, and John Robinson, Jr., of Fort Wayne, placed a canoe in the Tippecanoe river at the county line bridge, loaded it with camping equipment and started paddling downstream. Sunday noon we pulled up to the dock about five miles above Monticello with over two hundred miles of winding river behind us. Three nights were spent in camps along the river bank, and even though the cooking wasn't up to par with some meals I've eaten, we managed to hold our own with about eight or nine hours of paddling each day.

There's a lot of beautiful scenery along the river, along with numerous rocks, stumps and fallen logs. The deer

files and mosquitoes took turns in attacking, but they weren't nearly as troublesome as we had anticipated.

There are plenty of big fish in the river, as we constantly saw them dash away from the canoe, but other than a 7-pound pike, a few smaller ones, silver bass and rock bass, most of the hundreds of fishermen along the way reported the same story—"not much luck." A man at Pulaski will arrange float trips for you. He had one crew ready to deliver to Leiters Ford, which is a 7-day float trip back to Pulaski with fishing all the way.

The rest of the Cullums and Mr. and Mrs. Robinson picked up the wandering crew and equipment, by car, Sunday afternoon.

Yep, when I get rested up, I'll be ready to try it again.

RETURNS FROM TOKYO

Capt. Huston M. West, his wife, Georgiana, and sons George and Thos., who recently returned from Tokyo, were guests at the home of Obe Haimbaugh on Sunday. Mrs. West is Mr. Haimbaugh's granddaughter.

Capt. West will be stationed at Travis Air Base, Fairfield, California, after visiting relatives in this vicinity and Capt. West's family in the east.

Other guests were Mr. and Mrs. Meade Haimbaugh, Mr. and Mrs. D. M. Myers and son John, Mr. and Mrs. Al Phillips and daughter Mary of So. Bend and Mr. and Mrs. H. V. Lehman of Warsaw.

Mrs. Bertha Meredith spent last week in Akron helping her son and family, Mr. and Mrs. Roy Meredith, who were moving to the farm they recently purchased from the Dickey estate.

LOUIS STADDON VISITS HERE

Sgt. Louis Staddon, of Nuremberg, Germany, was a visitor in the E. E. Wagner home on Tuesday of this week.

Louis was called home by the serious illness of his mother, Mrs. Neva Staddon. Mrs. Staddon and her son, Louis, were former residents of Mentone. She passed away the first of June. Louis is a supply sergeant. He is married to a German girl and they have one son.

NOTICE OF LETTING SCHOOL BUS ROUTES.

Notice is hereby given that the Township Trustee and Advisory Board of Franklin Township, Kosciusko County, Indiana will receive sealed bids until 7:00 p. m. o'clock on June 29, 1951 at the Trustee's Office for the transportation of school children.

Definite specifications which describe the route to be traveled, the equipment to be furnished and other general conditions of the contract are now on file in the Trustee's Office and are subject to the inspection of any person that is interested.

The successful bidder will be required to furnish bond for the faithful performance of his duties and carry the proper liability insurance.

The Trustee and Advisory Board reserves the right to reject any and all bids.

ROBERT O. JONES,
Trustee Franklin Township.

ARTIST DRAWING OF PROPOSED SCHOOL

—Sketch by D. H. Lessig Engineers, Warsaw.

The above is an artist's sketch of the Harrison Township school at Mentone with the proposed addition of a gymnasium and six classrooms attached to the east (right) of the present structure. The addition is to be approximately 125 feet square and the estimated cost is approximately \$180,000. Petitioners will shortly be contacting the Harrison School Township freeholders to determine if such an addition is desired at this time.

Increase

There are 541 farmers enrolled in the 1950 New Hampshire Green Pastures Program—an increase of 80 over the 1949 enrollment.

Farm Income

Net farm income in 1950 is likely to be 5 to 10 per cent below last year.

Recreational Dollars

About one dollar out of every five that Americans spend for recreation goes to motion pictures.

Greatest Rail Mileage

The Pennsylvania railroad has the greatest mileage in the U.S.

LIVESTOCK HEALTH ODDITIES

**Brown Sugar**

If brown sugar gets hard when you store it, soften it this way: Put in a bowl and cover with a heavy, wet cotton cloth. Let it stand for an hour or longer and it will become loose again.

Molybdenum

Molybdenum added to alloys of stainless steel increases corrosion resistance to the metal.

Origin of "Tornado"

The tornado, literally meaning "twister" in Spanish, was so named by the early conquistadores, who encountered such storms in their exploration of North America.

For Truck Croppers

If truck crops suffered from dry weather this year, try to avoid this condition in 1951 by planting a winter cover crop this fall.

Steel Pioneer

Captain William R. Jones was the outstanding production genius of the early bessemer steel era. Very early in his steelmaking career he nearly doubled previous records with similar equipment, and continued to produce what were then considered astounding tonnages of steel.

Paint Marked Prestige

In the early days of the American colonies, paint was a symbol of social prestige. The homes of a town's leading citizens could be recognized by their gleaming paint coatings. Tradespeople, as a matter of fact, were not supposed to distinguish their homes by the use of paint.

MANY ATTEND FREE**HORSE SHOW HERE SUNDAY**

There were many riders and a lot of spectators at the free horse show held at the Robert Reed farm Sunday afternoon. The event was sponsored by the Tippecanoe Saddle Club.

Ribbons were awarded to the first five placings in each of ten classes, as follows:

Pleasure Class

1. Mary Lowmaster, Nappanee, on Gypsy.
2. Kenneth Ecker, Plymouth, on Lady.
3. Joyce Hall, Tippecanoe, on Molly.
4. Eugene Weirick, Tippecanoe, on Becky.
5. Molly Tobias, Nappanee, on Betty.

Rescue Race

1. Fred Miner and Jenny Heckman, time 34 four-fifths seconds.

2. Wilma Newton and Walter Lowmaster, time 37 and four-fifths sec.

3. Kenneth Ecker and Mary Lowmaster, time 44 sec.

Children's Class

1. Noel George, Nappanee, on Wild Fire.
2. Vicki Sparrow, Etna Green, on Scout.
3. Freddy Eller, Logansport, on Lady.
4. Dick Hall, Bourbon, on Ginger.
5. Wanda Hall, Bourbon, on Tommy.

Barrel Race

1. Dale McCollough, Bourbon, on Dixie.
2. Kenny Ecker, Plymouth, on Lady.
3. Walter Lowmaster, Nappanee, on Gypsy.
4. Duane Walters, Tippecanoe, on Madam.

5. Irene Baker, Etna Green, on Randy.

Flat Saddle

1. Janet Rose Reed, Mentone, on Jean's Fancy.
2. Rex Tucker, Mentone, on Colonel.
3. Joyce Hall, Tippecanoe, on Molly.
4. Fred Miner, Bourbon, on Mike.

Jumping

1. Fred Miner, Bourbon.
2. Kenny Ecker, Plymouth.
3. Lyle Secrist, Tippecanoe.
4. Eugene Weirick, Tippecanoe.
5. Joan Gordon, Warsaw.

Western

1. Jenny Heckman, Bourbon, on Sambra.

3. Fred Miner, Bourbon.
4. Lyle Secrist, Tippecanoe.
5. Glen Keene, Argos.

Pair Class

1. Mary Lowmaster and Ralph Pretz.
2. Jenny Heckman and Irene Baker.
3. Fred Miner and Wilma Newton.
4. Joyce Hall and Lyle Secrist.
5. Mona Korthol and Walter Lowmaster.

Pop Race—Children Under 12

1. Freddy Bailey, Tippecanoe.
2. Noel George, Nappanee.
3. Laddy Cauffman.
4. Vicki Sparrow, Etna Green.

BETTER DAUGHTERS 4-H CLUB

Diana Sittler, Jane Bowen and Tona Kuhn were elected to represent the Beaver Dam Better Daughters 4-H club in the county demonstrations to be held June 28. At the June 14 meeting demonstrations were given by Sharon Heighway, Karen Heighway, and Carol Ann Dickey. Songs were sung. Refreshments were served by Marilyn Haney, Carol Dickey, Laura Adams and Tona Kuhn. Games were then played.

The refreshment committee for the next meeting will be Eva Maggart, Betty Ogan, Shirley Igo and Frances Study.

NURSES ASSOCIATION MEETS

The board of directors of the E. L. K. District Nurses Association met at the Murphy Medical Center June 13. Miss Juanita Schultz, Warsaw, president of the association, presided. The next meeting will be a picnic in September.

The E. L. K. district is composed of Elkhart, Lagrange and Kosciusko counties and dinner meetings are held every two months. An invitation is extended to all graduate or registered nurses to join. They may contact Miss Schultz or Mrs. Willie H. Nine, county nurse, Warsaw.

FIRST BAPTIST CHURCH
MENTONE, IND.

BAPTIST CHURCH NEWS

With the second week of Daily Vacation Bible School almost over, everyone is busy getting ready for the demonstration to be held in the church on Friday night at 8 o'clock. The average attendance per day so far has been about 125. The following teachers and helpers have been working with the school.

Beginners: Mrs. Newberg, Mrs. Creviston, Mrs. Lackey, Mrs. Dowden, Mrs. Everett Rathfon and Phyllis Warren.

Primary: Mrs. McKinley, Mrs. Bybee, Mrs. Oyler and Mrs. Gus Mollenhour.

Juniors: Mrs. Ferverda, Mrs. Markley and Mrs. Claude Gates.

Intermediates: Mrs. Shunk and Miss Van Egdom. Lois Dowden has been the pianist.

Appreciation goes to those who have furnished cars to bring in the children. Robert Nottingham, Mrs. Howard Reed, Everett Rathfon, Glenn Benson, Mrs. Bybee, Mrs. Lackey, Mrs. Newberg, Mrs. Charles Eaton, Mrs. Everett Benson, Miss Van Egdom and the pastor.

All children and parents are invited to the closing service to be held in the church at 8 o'clock on Friday evening. Handiwork will be shown in each department and a program will be given to show what the children have learned in the school. The public is invited to attend.

Word has been received from Rev. and Mrs. John Rea that they will consider Japan as their field as the field in Indonesia seems to be closed now and it was felt they were better prepared for the work in Japan. Out of 120 candidates in the school, 44 have applied for Japan.

On Monday, June 25, the pastor and his family will leave for a 10 day vacation to Waterloo, Iowa, where they will visit with the families of Mr. and Mrs. Dowden. During the Sunday they will be gone, Dr. Paul R. Bauman, Vice president of Grace Theological Seminary at Winona Lake will speak at both services and will show pictures of Palestine in the evening service on July 1st.

WAR MOTHERS MEET

Mrs. Ethel Wagner was hostess to the Mothers of World War II, on June 13, when 21 members answered roll call, following the usual opening. The meeting was declared open for business by the president, Mrs. Paulus, who in turn presided at the business session. A card of thanks and donation from Mr. and Mrs. Ulmer of Etna Green, for use of bed, was acknowledged. A card from Flossie Ault, district secretary announced the district meeting at Star City on June 22, and the treasurer and secretary reports were accepted as given. Myrtle Davis reported a good bake sale. Mrs. Olive Swick paid dues and she also invited the unit to be her guest for the month of July. This is to be a picnic, with an all day meeting and pot luck dinner. The invitation was accepted. We accepted the invitation to take part in the 4th of July celebration and program. Bills were presented and allowed. Collections were \$4.36. Alta Hudson and Rhoda Jones paid birthday money. The meeting closed with the mothers giving the creed in unison, singing "God Bless America," and prayer by the chaplain, Bertha Meredith. Myrtle Davis won the door prize and Mae Borton, Edith Scott, Mildred Flenar, Flossum Newell, Ethel Wagner, Lavera Horn, Belle Morrison and Myrtle Davis were high bidders in the auction. The sock contest was won by Blanche Paulus, Mildred Flenar, Dora Whetstone and Maude Romine.

The hostess, assisted by Mildred Flenar, served lovely refreshments.

Mrs. Maggie Dillie spent the week end in Fort Wayne on business.

Dr. Wendell Anderson, of Indianapolis, spent the week end at the home of his parents, Dr. and Mrs. E. D. Anderson.

**JOSEPH JONES SPEAKS AT
MENTONE CLUB MEETING**

Joseph Jones, pastor of the Mentone Church of Christ, was guest speaker at the meeting of the Mentone Home Economics club held Thursday afternoon at the home of Mrs. Linas Borton. Mr. Jones read 12 laws for a happy home and discussed 15 "nevers," which apply to family life.

For the health report Mrs. Earl Meredith talked on "Milk." She also read an article regarding undulant fever. Mrs. Truman Long gave the topic for meditation. Mrs. Howard

Horn presided. Mrs. Oliver Teel received a gift from her cheerio pal.

Mrs. Long assisted Mrs. Borton in entertaining the 23 members and six guests present who also included Mrs. Lucinda Jones, an honorary member, and Mrs. Mae Borton. Mrs. Homer Blue will be the hostess at the next meeting, which will be held July 12.

Mrs. Eugene Lancaster and children, of South Whitley, spent Wednesday afternoon visiting with Mrs. Myrtle Reed at the Artley Cullum home.

NEWS — PHONE 88

**BIG PARADE PLANNED
AT ARGOS CENTENNIAL**

A three-mile-long parade is being planned for the Argos Centennial Celebration.

Dr. William Middleton, parade chairman, is working with Director Donald F. Perry in formulating the many detailed plans for the event.

The parade will be held in Thursday, July 5th at 2:00 p. m. (DST). It will highlight that day's special observance of Americanism Day.

Divided into two sections, the parade will carry the Centennial and Americanism Day theme throughout. The first half of the parade will be devoted to "Agriculture Through the Century" while the second section will feature "Home and Industrial Progress."

All groups, businesses, and bands who wish to enter floats, marching units or musical groups in the parade

are urged to write Donald F. Perry, c/o Centennial Headquarters, 118 E. Walnut St., Argos, Indiana, at once.

Complete details of the parade will be announced shortly. However, a special section of the parade will include folks in costumes representing the various periods in history of the past century. Prizes will be awarded the best entries in all divisions of the parade.

Four days of the Centennial Celebration will have special themes to observe. Plans now underway include:

Wednesday, July 4—Homecoming Day.

Thursday, July 5—Americanism Day.

Friday, July 6—Youth Day.

Saturday, July 7—Agriculture Day.

Mr. and Mrs. Earl Anderson and sons returned last Friday from Greene, New York, where they had visited with Mrs. Anderson's parents.

TIPPECANOE RIVER CLUB MEETS

The Tippecanoe River Club met at the home of Mrs. Viola Adams, Wednesday, June 13th. The meeting opened with the pledge to the flag and the club creed. Devotions were given by Mrs. Nellie Squires.

An article on the hymns we love was given by Mrs. Zula Cook. The history of "My Old Kentucky Home," the song of the month, was given, and the song was sung.

Roll call was answered by hobbies. The lesson on insect control was given by Mrs. Naomi Mikesell.

The club collect was repeated and refreshments were served to 11 members and nine children. Two contests were won by Mary Alice Goodner.

CARD OF THANKS

We wish to thank our friends, neighbors and relatives for their assistance, flowers and sympathy during the sickness and death of our husband and father.

MRS. ALFRED TEEL
MR. AND MRS. LLOYD TEEL

FRANKLIN CLUB DEMONSTRATE

County demonstration delegates from the Franklin 49'ers 4-H Club gave their demonstrations Wednesday evening at the home of Sandra Ballinger. Noreen Bibler gave a demonstration on "Salads," Marilyn Rathfon on "Preparing Pineapple for the Freezer," and "Wise, Pasteurize" was the title of the demonstration given by Elener Norris.

The pledges to the flags were led by Marilyn Horn. The health and safety leader, Wilburta Latimer, gave rules for riding a bicycle safely.

Plans were made to go to Ft. Wayne for the annual club trip. Wilburta Latimer led in the discussion on "Frozen Foods" and Joan Tucker was in charge of recreation.

Refreshments were served by the leaders, Mrs. Everett Rookstool and Mrs. Alden Jones. Two members were absent, Lillie Norris who is in school at Fort Wayne and Lois Ummel who is at the 4-H Roundup at Purdue.

METHODIST CHURCH NEWS

The week of June 24th begins the Epworth Forest Assembly of the North Indiana Conference of the Methodist Church on Lake Webster, at North Webster, Indiana.

The guest minister who will bring the opening message of the assembly at 10:30 a. m. next Sunday is Dr. Ira Jones, who was one of the founders of Epworth Forest. Beginning his ministry with a seven year term as missionary to Japan, Dr. Jones later held pastorates in our conference at Sheridan, Logansport and Richmond. In the Ohio conference he has served both as a pastor and district superintendent.

The Bible Hour speaker will be Dr. Louis W. Norris, dean of DePauw university, who has been an ordained Methodist minister as well as a teacher and professor. The Bible Hour is at 8 a. m. each morning, Monday through Friday.

The Lakeside speaker each evening at 7 p. m. will be Dr. Dwight S. Large, now minister of the First Methodist Church of Ann Arbor, Michigan. His travels in the Holy Land in 1949 and his relief work under the direction of the United Nations keep him in constant demand as a speaker, especially appealing to youth.

In addition to this the Woman's Society of Christian Service have their summer training school. Of special interest is the Mission Hour at 9 a. m. under the direction of Mrs. Roy Collins, an officer of our jurisdiction, and Miss Semeramis Kutz of Warsaw. Mrs. Mable Garrett Wagner of the Board of Missions of New York at 10:15 a. m. daily will teach the course, "Churches for our Country's Needs." At 11:20 there will be a church-wide study of the Christian family, and daily at 2 p. m. there will be workshops for WSCS officers.

In addition to the features listed, there is a Laboratory School for the Church school teachers. Also our Young Peoples Missionary Camp (known as Yo-Pe-Mi-Ca) will be in session.

Playground supervision of children is available to parents wishing to attend the assembly.

The Methodist Youth Fellowship are making plans to attend the Warsaw District activities at Epworth Forest in July. The junior high group, Camp Adventure, of which, Rev. Gosser is director, will be there July 8-14. The high school group, or Institutors, will be at Epworth Forest July 27th to Aug. 3rd. The proceeds of the bake sale, as advertised, are to defray expenses of sending a fine group of young people to take part in these activities.

Hey! kids, don't forget the surprise program this Thursday at two o'clock at the library.

Wednesday, June 20, 1951

THE NORTHERN INDIANA CO-OP. NEWS

ENTERTAINS THE CLUB

Mrs. George Deamer was hostess to the THE Club for their guest day meeting Thursday afternoon, with the Country Neighbors club as guests.

The meeting was opened by the group singing the "Star Spangled Banner" and "My Old Kentucky Home."

A pledge to the flag was given and the club creed repeated. A welcome to the guests was extended by the president, Mrs. Bill Dick. Devotions were given by Mrs. Elgie Vandermark.

During the business meeting it was voted to sponsor a 4-H project.

The guest speaker was Miss Karolina Lauer, a German exchange student.

She told of their school and home life in Germany, which was very interesting.

The Tucker sisters favored with a song and a quartette composed of four of the club members sang a song.

Delicious refreshments were served to 19 members, 24 guests and 10 chil-

dren. Assistant hostesses were Mrs. Robert Calvert and Mrs. Charles Good.

Winona Features Moody Science Sermons

"Sermons from Science"—scientific demonstrations using electronic and special equipment—will highlight this year's Moody Bible Institute conference at Winona Lake, Indiana, June 24—July 1.

Also featured on the conference program are outstanding speakers, special music, a display of missionary radio communications with a "ham" station in actual operation, and a missionary training plane.

Currently on tour of 20 air force bases, George Speake and Keith Hargett, in charge of the "Sermons from Science" demonstrations, present biblical truths with the aid of tons of scientific equipment. Included in their unusual program is the passing of more than 1,000,000 volts of electricity through a human body—enough to raise the temperature to a dangerous 104 degrees.

On the speakers' roster for the Moody program at Winona Lake are Dr. William Culbertson, president of the famed Bible school; Dr. James McGinlay, from Canada, now a Brooklyn pastor; the Rev. C. W. Slemming, British evangelist; Robert L. Constable and Dr. S. Maxwell Coder, vice-presidents of the Institute.

Scheduled for the program is outstanding musical talents, including organist Doug Fisher and his Hi-C Chorale—a group from 50 Chicagoland high schools.

On display at the conference will be Missionary Technical course equipment, with a training plane and short-wave transmitter with opportunity given to the public to send radiograms to all parts of the world.

DISTRIBUTE 3,320,000 MULTIFLORA

The Division of Fish and Game through its Pittman - Robertson Wildlife Restoration Project has distributed 3,320,000 Multiflora Rose Seedlings to Indiana farmers for the planting of the living fence, according to announcement by Kenneth M. Kunkel, Director of the Indiana Department of Conservation. Multiflora Rose Seedlings that were planted this spring should be cultivated at least twice and the weed competition kept to a minimum. Plantings can be cultivated during the first season and mulched heavily in the fall with straw, old hay, or sawdust. They will not require cultivation during season year.

Farmers wishing to obtain seedlings for planting this fall or next spring should get applications in early. These may be obtained by writing to James A. Hughes, Project Leader, 311 West Washington Street, Indianapolis 9, Indiana.

Mr. and Mrs. R. J. Worthingham of Indianapolis spent the week end with Mr. and Mrs. Fred Klingenhagen.

A CITIZEN SPEAKS

By D. A. Simmons

(An excerpt from an article by an active Houston Citizen.)

If the principles of this great republic are based on Christianity—as they are; if freedom is preferable to slavery—as it must be; if our leaders—local, state and national—are the servants of the people and not their masters; then the people are entitled to demand of them honesty in their personal conduct; loyalty to the people and to the principles of decency and constitutional government; faithfulness to their trust—not mere absence of illegality in their conduct of government affairs, and above all, an example of competence in the handling of our affairs, domestic and foreign, and frugality in the handling of the people's money, so as to inspire the people to be competent and frugal in the handling of their own.

The responsibility of leaders is to furnish leadership. Our so-called Asiatic "policy" of indecision and confusion is being paid for in blood in Korea and tears at home; and we, in our pain, engaged in "Operation Killer," are wreaking a bloody vengeance on little people who have had the misfortune to fall victims of criminal leadership which has forced them into slavery.

FILE FOR \$19,000 DAMAGES AGAINST MENTONE MAN

An action was filed in the circuit court last Thursday asking \$19,000 in damages against Jack Blue, as the result of an automobile accident which occurred on Aug. 6, 1949, on the Tyler bridge, four miles north of Etna Green on highway 19. Earl W. Boyer, 55, of Elkhart, was seriously injured in the accident and died six days later.

Jack L. Taylor, administrator of the Boyer estate, is asking judgment of \$10,000, stating that Boyer died as a

direct result of the defendant's negligence, and also asks \$3,000 judgment for damage to the auto, which was almost a complete wreck.

Beulah A. Yoder and Shirley Yoder, passengers in the Boyer car, each ask \$3,000 for personal injuries and medical expense.

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

Vacations should be fun whether they are spent on a three-thousand-mile trip, on a sea voyage, fishing trip or just at home.

There are no rules for vacations but a few guides for a healthy vacation were issued today by Dr. L. E. Burney, state health commissioner.

"The first thing in planning a vacation is to decide what is desired in return for the many months spent working for a few days or weeks of change from the daily routine. Since vacations are as varied as human needs, each individual should decide the kind of a vacation that will enable him to recreate his emotional resources and destroy the fatigue, either mental or physical, which borders on vacation time," Dr. Burney said.

"If an outdoor vacation is the kind you plan, watch out for the sun as too much exposure can end in the many-hour planned vacation being spent in bed.

"If you are traveling, be sure that water is secured from safe water supplies and eat regularly with plenty of fresh fruits and vegetables on the menu. Food should be secured from places showing an "approved sign" which means that the sources, storage and preparation and handling of food are sanitary and that pasteurized milk and milk products are used.

"Always plan a vacation within your budget, so weeks and months will not be spent later in fretting and worrying about paying for that few weeks of planned fun," Dr. Burney concluded.

Advertising Brings Greater Profits

"The annual cost-of-doing-business survey by the National Appliance and Radio Dealers Association shows that the average member paid more for his goods in 1950, compared with 1949, used more advertising and made more profit.

"The cost of goods sold rose from 67.2 per cent of total sales to 69.2; advertising was increased from 2.5 per cent to 2.8 and profits rose from 5.2 per cent to 6.0.

"Dollar volume was 23 per cent higher than a year ago and inventory turnover increased from 3.8 times in 1949 to 4.3 times in 1950. Ratios in trade-ins increased."

—Business Review

Without mass production, Americans wouldn't be enjoying the standard of living they are today . . . and had it not been for advertising mass production would not have been possible. . . . Advertising is not an expense—it's an investment!

JOLLY JANES CLUB NEWS

Guest night was held by the Jolly Janes club at the June 11th meeting at the home of Mrs. Raymond Lewis. Each member responded to roll call by introducing her guest.

Meditation in keeping with Flag Day was given by Mrs. Robert Whetstone.

Following a short business session, Miss Iva Losier, a representative of the Anderson Green House, was introduced by Mrs. Kenneth Romine. Miss Losier gave a very interesting lesson on flower decorations for table center pieces, church arrangements and various types of flower bouquets to be given to new mothers and sick folks.

The flower arrangements, demonstrated by Miss Losier, were then offered for sale.

A monologue of a mother taking her children to a matinee was presented by Mary Teel. A spice detection contest was held and the lady with the keenest sense of smell was Mrs. Fern Richart.

A pantomime, "And the Light Went Out," was narrated by mesdames T. J. Clutter, Roland Ferwerda, Harold Utter, Walter Kent and Miss Julia Kent.

Refreshments of sandwiches and punch were served by the hostesses to the 42 members and guests.

The next meeting will be Monday, July 2, at 8:00 p. m. at the home of Mrs. Mary Teel.

Mrs. Kathleen Camplejohn and children, Alice and Alan, spent several days last week with Mr. and Mrs. Ira D. Anderson, of Evanston, Illinois.

THE NORTHERN INDIANA CO-OP. NEWS

MENTONE DELEGATES RETURN FROM CONVENTION

Mrs. Ralph Ward and Mrs. Curtis Riner, of Mentone, have returned from the 48th national convention of Psi Iota Xi sorority which was held at the Neil House in Columbus, Ohio.

They reported that Mrs. Emmons Hougland, of Franklin, was chosen national president, Mrs. L. G. Martin, of

Goshen, vice president, and Mrs. Ralph Tyndall, of Bluffton, secretary. It was voted to hold the convention next year at Goshen with the Beta Rho chapter as hostess group. The featured speaker, Mrs. Spencer Tracy, wife of the famous actor, described their heartbreaking experiences while trying to help their son, John, overcome his handicap of deafness. Mrs. Tracy stated that the training given parents of deaf and speechless children is as important as that received directly by the children. Operation of the John Tracy clinic in Los Angeles is free to all children whose parents will also attend classes with the youngsters. The clinic is financed entirely by volunteer contributions, Mrs. Tracy said. During the summer children from all states of the Union, as well as Canada and Mexico, come to the clinic.

Preceding her address, demonstrations in speech therapy were given by students and faculty of the Ohio State University's medical school.

Psi Iota Xi sorority of Indiana contributed \$2,400 last year toward the traveling speech and hearing clinic conducted by Indiana University. Arrangements have been made for the clinic's visit to Mentone July 25, 26. The sorority has also given generously to Riley hospital at Indianapolis the past 27 years and has furnished an oxygen room at the hospital. Other worthy projects include a scholastic art award of \$350. to young students, and gifts to the Indianapolis symphony and the Fort Wayne philharmonic.

Mr. and Mrs. Ed. Southers and son, of Chicago, spent Tuesday evening and Wednesday with Mr. and Mrs. Lon Walters.

Ted Peterson, Ned Witham, Bill Blackburn and Neal McKinney are in Denver, Colorado, where they are visiting Pfc. Merl Blue, who is stationed at nearby Lowery Air Base. They made the trip in Ted's car.

TALMA W.S.C.S. LADIES TO MEET

The Talma W. S. C. S. ladies of the Methodist church, will meet at the home of Mrs. Roy Hubbard on July 6 at 1:30 p. m. Mrs. Robert A. Calvert will be assistant hostess.

Mrs. Fern Barr, program leader, will be assisted by Mrs. Cora Bryant as worship leader. The subject will be: "Pearl of the Orient Seas—The Philippines." Roll call will be answered by a patriotic lady of the Bible.

SOFTBALL FINANCES AT LOW EBB

A meeting of the softball association was held Tuesday evening, and one of the most important matters of business was finances. It seems expenses this season have been considerably more than the income, and if conditions do not show improvement, the association will again end the season with a deficit—only larger than last year.

Last year the Lions club and the town board contributed cash to pay the unpaid invoices at the end of the season, and this year the Mentone Merchants' Association has purchased additional uniforms for the Merchants team. The softball association, made up of public spirited individuals who contributed many hours of time and effort to maintain the softball program, want to continue the recreational program and facilities for the people of Mentone and vicinity, and they do appreciate those who have been donating at the free-will offering taken at each Merchant home game. However, these contributions have been inadequate to meet current running expenses, even with the earnings of the concession stand that is operated by members of the Lions club who serve without pay.

Do you enjoy watching softball? Do you want the program to continue next season? You can answer with the size and frequency of your contributions.

ADVERTISE — IT PAYS!

GEORGE BRIGHT DIES AT HOME NEAR AKRON

George Henry Bright, 80, passed away at his home northwest of Akron at 8:45 a. m. Saturday. Complications was given as the cause of death. He had been in ill health for the past three years and seriously ill for the past three weeks.

Born February 16, 1871 in Henry township, he was the son of George and Rachel (Berns) Bright. He was married to Elsie Thompson, November 28, 1896. Mr. Bright was a farmer and was a resident of Henry township most of his life. He was a member of the congregation of the Olive Bethel Church of God.

Survivors are the wife, and several nieces and nephews.

Funeral services were held at two o'clock Monday afternoon at the Olive Bethel Church of God. Rev. Hubert Johnston, assisted by Rev. Edd. Smith, officiated.

TWO HOME MERCHANT GAMES

The Mentone Merchants have two more home scheduled games this week. Friday Laporte plays here and Saturday, June 30, Kosciusko of Mishawaka will be here.

Co-Op Building Dept.

COUNTY CROP ORGANIZATION MEETING

Mr. William Orr, Manager of R. E. M. C., was chosen chairman of the Kosciusko County appeal of the Christian Rural Overseas Program (CROP) at a meeting June 22, 1951 at the nationwide, coordinated church program to send bulk farm gifts in kind to the needy overseas.

Sponsors of the program are Catholic Rural Life, Church World Service and Lutheran World Relief. These three parent agencies of CROP are represented in the Kosciusko County CROP organization by Rev. Edward Roswog, Rev. Lester Young, and Rev. G. L. Kleespie.

Mr. Orr will be responsible for organizing the harvest season campaign for farm to farm canvassing of wheat. Emphasis in the CROP appeal, he said is on the giving of bulk commodities, although cash is accepted and used to buy exportable staple foodstuff.

Kosciusko County's goal, announced at the meeting, will be the collection of 3670 bushels of wheat to be dispatched as our county's contribution to feed the hungry, homeless, aged and infirm overseas through the church agency of the donor's choice.

The actual CROP canvass will take place from July 2 to July 7 when volunteer solicitors will go from farm to farm asking for contributions to this worthwhile cause. The collection of wheat will take place August 13, 1951.

BASS INTERFERES WITH BLUE GILL FISHING

Elza Melton was having a lot of fun catching bluegills at Palestine Monday when a three and one-half pound bass decided to run away with the red worm he had on his hook. The cane pole held up long enough to land Mr. Bass, anyway, but it's tough when a guy has a vacation and then something like that tries to spoil his fishing.

MERCHANTS ELECTS OFFICERS

At a meeting of the Mentone Merchants held Monday evening, officers for the coming year were elected. They were as follows:

President, James Rodibaugh.

Vice president, Ora McKinley.

Secretary, John Boggs.

Treasurer, Glen Denton.

Membership, attendance and dues committee chairman, Harry Watkins.

Publicity, Artley D. Cullum.

Public relations, Raymond Cooper.

Industrial relations, Kenneth Riner.

Coordinator with other organizations of the community, Kenneth Romine.

Special activities, Leroy Cox.

Roger Kelly, band director, appeared before the association, which is again sponsoring the free band concerts. The association has been paying each band \$35 for each performance.

JOHNATHAN BUSENBURG DIES

Johnathan Busenburg, aged 92, of South Bend, died at 2:30 p. m. Sunday in the Williams Nursing home. He was born in Ohio and went to South Bend 30 years ago from Rochester. His wife and son preceded him in death.

Surviving are a daughter, Mrs. C. M. Fish, with whom he resided; three grandchildren; three great-grandchildren; a sister, Mrs. Mahale Pentecost, of New Castle and a brother, Elmer, of San Diego, California. He was a member of the First Baptist Church.

Funeral services were held at 2 p. m. Tuesday at the Gaff Funeral home in South Bend.

Rev. George Dick, pastor of First Baptist church officiated. Burial was in Southlawn cemetery.

NEW SUNDAY HOURS AT PETE'S LUNCH

During July and August, Pete's Lunch will not open until 2:00 p. m. on Sundays. They will then remain open until 8:00 p. m.

EARLY NEXT WEEK AGAIN

Holidays this year, it seems, have a habit of coming on publication day for the Co-Op. News. Next week July 4th is on Wednesday, and we're so far behind on our firecracker shootin' we're just going to have to get busy and won't have any time to fool with a newspaper. Besides, there's a big celebration on here at Mentone and we'll need most of the day extending a welcome and greeting our friends roundabout.

If you want it in our paper next week, throw it into overdrive and get here early—at least before Wednesday evening.

(If we seem to be having a time keeping both eyes open at once next Wednesday, you will know we worked a trifle late the night before.)

HEALTH HINTS

AMERICAN FOUNDATION FOR ANIMAL HEALTH

NEW SWINE MALADY CAUSES DEFORMITY

A relatively new swine disease known as "infectious rhinitis" is causing lots of trouble on farms all over the country. Some herds have become badly infected, causing serious losses.

Many infected pigs develop "pushed-in" snouts, and their faces become

A case of infectious rhinitis.

deformed. Unfortunately, this condition is easily confused with another disease known as "bull-nose," which also affects the snout. But the similarity ends there.

Infectious rhinitis is a CONTAGIOUS disease. It passes from pig to pig, until, after a year or so, the infection is firmly established in the herd.

Bull-nose, on the other hand, is not as contagious. It is caused by infection with ordinary barnyard germs, and usually follows an injury to the snout. Only a few animals develop this trouble, and usually it doesn't spread rapidly.

An owner cannot tell the two diseases apart just by looking. It requires a veterinary diagnosis to determine which of the two conditions is causing the trouble.

Once infectious rhinitis becomes established in a herd, the economic loss is high. Not many animals die outright, but those that recover from the disease are likely to be worthless. Runts and unthrifty pigs are a distinguishing mark of the infected herd.

Farmers should be suspicious if pigs are seen coughing and sneezing, while showing a desire to rub their snouts against posts and bedding. Another indication may be frequent shaking of the head.

OVER A HUNDRED ATTEND

ARMY UNIT REUNION SUNDAY

Over a hundred were present at the reunion held at the Boyd McKibbin home Sunday for the members of the 3409th Ordinance Co., of World War II and members of their families.

Thomas Burlingame, of New York State, and Henry C. Wallace, of Paducah, Ky., came the greatest distances to be at the get-together.

TAKE EMPLOYEES TO

LEAGUE BASEBALL GAMES

Last Friday Charles and Miles Manwaring took 12 of their employees to Chicago to see the baseball game between the Cubs and Giants. Tomorrow Richard Manwaring is to take 11 more up to see how the Sox perform.

Mr. and Mrs. Raymond Cooper were

in Indianapolis last Thursday and while there visited George Buchtol, who is a hospital there. He is feeling much better and says he has a big appetite.

DON'T TRUST THIS GENERATION

Ripley is famous for his "Believe It or Nots," and I'd imagine a happening on the street in front of the Co-Op. News office the fore part of the week would almost qualify a spot in one of the famous Robert's releases.

Two rather elderly gentlemen had been in town for a short while, and when it was about time to head back into the hills, the driver lifted up the hood on his Model T, replaced all the spark plug wires and then reached down lower along the engine and connected something else. He must have "repaired" all his personal "sabotage" for the old girl was hitting on all four cylinders just a few seconds after the first big explosion.

We wouldn't really want to say who the driver was who wasn't going to take any chances on someone stealing his auto right in broad daylight on our Main street, but, if memory serves me correct, he's the one that put spring water in his radiator in the winter because he knew spring water never froze.

GUESTS AT RAY LINN HOME

Mrs. F. M. Baker and daughter, Mrs. Lee L. Mac Lellan, of Bethlehem, Pennsylvania, were guests at the home of Mr. and Mrs. Ray Linn on Saturday evening, June 10. Mrs. Baker is an aunt of Mrs. Linn.

Other close relatives, who were guests at the Linn home on Saturday evening were: Mr. and Mrs. Bert

Rickel, Mr. and Mrs. Lawrence Hudson, Mr. and Mrs. Howard Hudson and daughter, Patty, Mr. and Mrs. Kenneth Hudson and daughter, Rita, Mr. and Mrs. Merl Linn and family, Mr. and Mrs. Gerald Romine and son.

During the evening movies were shown which had been taken of many

in the group over 20 years ago. This proved most interesting, especially to the younger people. Other movies were taken which may prove as interesting and humorous twenty years from now.

Mrs. Baker and Mrs. Mac Lellan went on to Minneapolis to visit other relatives.

LIVESTOCK HEALTH ODDITIES

Rev. and Mrs. E. Coleman Ralston, of Wheaton, Illinois, were visitors in Mentone on Saturday. They are in full time youth work and expect to locate in Winona Lake, permanently, in a month or so.

Mrs. Earl Meredith was a Sunday dinner guest of Mr. and Mrs. Henry Blisch of near Akron.

Mrs. Claude Barkman, who is a patient at the Woodlawn hospital, remains about the same.

Mrs. F. M. Baker and daughter, Mrs. Lee L. Mac Lellan, of Bethlehem Pennsylvania, and Mrs. John L. Long and two children, of Minneapolis, stopped at the Ray Linn home enroute to Pennsylvania. Wednesday morning callers were Mrs. Van Jenkins, of Minneapolis and Mrs. Fred Clingenhausen, who are old friends of Mrs. Baker and family.

Mr. and Mrs. Alvin Clinker and son, Gerald, of near Akron, visited at the home of Mrs. Earl Meredith last Wednesday evening.

Mr. and Mrs. Lou Grove entertained at dinner Sunday the following guests: Mr. and Mrs. Fred Safford of Clyde, N. C., and Mr. and Mrs. Oliver Grove of Rochester.

Mr. and Mrs. Harry Sriver and family and Mr. and Mrs. W. A. Dick spent Sunday afternoon in Starr City.

PUBLIC PERFORMANCE AT FRIENDSHIP GARDENS

MICHIGAN CITY, Ind., June 26—Four regular programs and a special opening recital highlights the annual musical series at International Friendship Gardens.

Florence Smith, musical director of the Gardens, announced the 1951 schedule today.

Opening July 7 with a special benefit program, will be Henrietta Chase, soprano, and Hans Alton, baritone, in a joint recital.

The regular Garden's season on the Island Theatre of Nations opens a week later when Eugene Conley, tenor from New York's Metropolitan Opera, presents an evening recital.

On July 21, the musical comedy "Prince of Pilsen," will be presented by an outstanding cast.

The regular International Music Festival has been scheduled for July 28. A full evening program has been planned in addition to the day-long eliminations for Indiana-Michigan contestants seeking spots on the Chicago-Land Music Festival program.

The Carillo band and U. S. Steel choruses will wind up the regular musical series August 4.

All programs will start at 8:30 as usual. Miss Smith said portions of the Gardens will be beautified during the programs with concealed colored lights.

CO-OP OIL STATION

**HOOR OF WORK NOW BUYS
MORE FOOD THAN IN '29**

One hour of factory labor will now buy 10 loaves of bread, compared with 6.4 loaves in 1929; 1.5 pounds of steak now as against 1.2 pounds in 1929; or 36.3 pounds of potatoes as contrasted with 17.7 pounds in 1929.

These and other facts are published this month for non-farm people by the Indiana Farm Bureau in its official publication, *THE HOOSIER FARMER* Magazine. The big farm organization which has a membership of nearly

100,000 Hoosier farm families, points to numerous facts and figures reported by the U. S. Bureau of Agricultural Economics in proving that full production, unhampered by governmental controls, is already giving consumers reasonably priced food and that price controls are not only needless, but will actually discourage full production.

"Any kind of price control discourages maximum production. Price controls usually lead to rationing, making ration stamps more valuable than money," says the Farm Bureau. "Ration stamps do not guarantee a food supply. Food subsidies during the last war added \$4.3 billions to our national debt. We are now paying \$85 millions annually in taxes for interest on that debt for that mistake."

"In 1935 to '39 the consumer spent an average of 23 per cent of his income for food. Today he is spending 19 per cent for the same quantity and quality of diet. But, today he is eating more and better food, and therefore is spending 26 per cent of his income for food," the Farm Bureau reports that government figures show.

The Farm Bureau is opposed to any continuation of all price controls, which the organization feels is hampering production and actually is causing food to be more costly through expensive government administration and forcing inefficient production.

METHODIST CHURCH NEWS

On Tuesday afternoon the following ladies attended the North Indiana Conference Workshop of the Woman's Society for Christian Service held at Epworth Forest on Lake Webster: Mrs. Earl Anderson, Mrs. F. B. Davison, Mrs. Walter Kent, Mrs. Herman Olson, Miss Ruth Lash, and Mrs. David Gosser. The class attended by Mrs. Davison was for the Secretaries of Student work. The other ladies attended the class pertaining to Spiritual Life.

Julie Kent and Rita Olson also were on the camp grounds.

The pastor, David Gosser, held a counsellor's meeting for the workers of the Warsaw District Camp Adventure. Miss Ruth Lash and the Rev. Laurence and Mrs. Smith, of Burket, were in attendance at this meeting. Rev. Gosser is director of the Intermediate Camp again this year. The date for this camp is July 8 through the 14th.

As a member of the Conference Family-Community Relations Committee, Rev. Gosser addressed the entire Assembly at eleven-twenty on Tuesday morning. His subject was "The

Family Looks to The Church", one of several subjects of study the Committee has been working on in preparation for the national meeting which will be held in the Medina Temple in Chicago on October 12, 13, and 14 of this year.

The church building is undergoing repairs, and it is hoped that with the new spouting and drainage the water seepage in the basement will be eliminated. The Trustees and Parsonage Committee have also consented to place rain-spouting on the parsonage.

Lloyd Regenos, church sexton, has resigned from his task because he will be absent from the community for some time. Action will be taken by the Trustees at the next Board meeting on July 5 for the hiring of a new sexton.

Largest Meteorite

The largest meteorite on public display is one which was found in Greenland in 1895 by the Arctic explorer who later discovered the North Pole, Robert E. Perry. Still shown in New York City, it weighs 36 1/4 tons. The smallest single fall amounted to but five grams.

FEEDER'S DIGEST

**Is Your Good Grass
Good Enough?****Every animal and bird needs minerals—**

Every animal and bird you own needs minerals—of certain kinds—in definite quantities. Some pastures provide these minerals. Much pasture does not. Now your grass may be green and thick. But it can still be mineral-deficient. And that can mean slower gains, feed waste and poorer health.

Why take these chances when it's so easy and economical to feed *Swift's Mineral Supplement*? This one low-cost mineral supplement provides ten mineral elements vital to all livestock. Start feeding *Swift's Mineral Supplement* free choice all year 'round. It now comes in block or pulverized form. Because it contains only minimum requirements of salt, we recommend free-choice salt feeding in addition.

INTERNATIONAL LIONS

PRESIDENT

Harold P. Nutter, Camden, New Jersey, is the new president of The International Association of Lions Clubs (Lions International). He was elected by unanimous vote at the 34th Annual

Convention of the Association which was held at Atlantic City, New Jersey. Nutter succeeds H. C. Petry, Jr. Carizo Springs, Texas.

The convention concluded a year of unusual progress for Lions International, according to the report made by R. Roy Keaton, Chicago, Illinois, Di-

rector-General of the Association. He reported the addition of 837 new Lions Clubs and 14,756 men to the roster of the Association during the eleven-months period ended May 31, 1951, for a total of 8,757 clubs and 417,597 members. He stated also that during the fiscal year Lions Clubs were established in three additional countries: Finland, Italy, and Uruguay. Lions International, he added, is the largest,

Nutter is a successful business man. He is the head of the Nutter Mortgage Service, in Camden, New Jersey. Born in Milford, Delaware, Nutter is a graduate of the University of Delaware and Temple Law School. He is a member of the Kappa Alpha fraternity.

Mr. and Mrs. Carl Thomas of Union Mills, Indiana were luncheon guests of Mr. and Mrs. C. E. Goodwin Sunday. Carl and Emma were pupils of Mrs. Goodwin in LaPorte County.

W. S. C. S.

Devotions were given by Mrs. Earl Anderson, assisted by Mrs. John Ellsworth, soloist, for the June meeting of the Woman's Society of Christian Service at the Methodist Church Thursday evening June 21st.

The President, Mrs. Dan Urschel, presided during the business session and the secretary's report was read and approved.

It was moved and properly supported that the ladies of the church would hold a festival and bazaar some time in November.

The President also appointed a committee to formulate plans for the same.

Mrs. Clayton Goodwin gave a report of the Mary Martha Circle held Monday evening, May 28th.

Delicious refreshments were served by Mrs. F. Davison, Mrs. Harold Nelson, and Mrs. Dan Urschel.

strongest and most active service club organization in the world, with Lions Clubs in 31 countries on five continents.

BURNED TREES ...

- ✓ build no homes
- ✓ pay no wages
- ✓ stop no floods

Resources keep nations strong. That's why patriotic Americans cannot afford to be careless with fire in the woods. In an average year more than 15 million acres of timberland are burned in the United States. Ninety per cent of these fires are started by careless, ignorant or malicious people—men and women—who fail to realize the harm they do.
