EGG SHOW NEXT WEEK

Diamond-Studded Wrist Watch
Chosen for Queen's Gift.

EGG LANDS IN WARSAW

Five egg shipping communities have chosen queens to represent them at the Mentone Egg Show, to be held next Thursday and Friday, March 14 and 15th, at Mentone. Gowns have been ordered from New York City and the young ladies will parade before the judges on Thursday evening, each hoping to be chosen the queen of the show. The competition became more evident this week when the committee announced that a diamond-studded, 17-jewel, 14k gold wrist watch had been secured from the Baker Jewelry Store as a gift for the favored queen.

A mammoth 3,000-pound egg that beats anything Barium ever lugged from burg to hamlet landed on the court house lawn at Warsaw Thursday evening. The giant replica of the fruits of White Leghorn's labors is large enough for an FHA loan and it took the strains of a dozen men to put it on the truck for its short excursion to the seat of our county government. The night custodian took one look at the beautifully shaped and expertly lettered cackleberry and decided his egg-rolling days were over. Likely some of the hubs' nightlife will go on a milk diet for a week after just a sideglance over the court house way.

An Educational Show.

Each day one becomes increasingly aware of the need for scientific knowledge in agricultural pursuits as well as all others, and the egg show committee this year has secured some of the nation's most noted and learned individuals to bring what information they can to the poultrymen of this area. Every session of the show will bring information that will not only be interesting and entertaining but will help each of us to continue to make the chicken business a profitable business. Everything is free except the Friday evening banquet, but spectators are invited to attend even though you prefer to eat elsewhere. A full evening's entertainment follows the seven

WAR MOTHERS MARCH MEETING

Notice to Mothers of World War II—The monthly meeting is Wednesday, March 13 at 7:30 p. m., at the Mentone school building. We are needing your ideas and advice on how to conduct the bazaar and sell our products at the Egg Show.

We have planned some swell home made cakes made with plenty of real for sure sugar, that we have sacrificed from our household supply. Help us to inform the visitors of the egg show how to become eligible for a chance on these cakes. We sold \$60 worth of Pearl Harbor Poppies over a year ago on December 7. Why? because more of us worked at it.

—Publicity chairman.

TO SPONSOR CANCER DRIVE

The Lions clubs of Indiana are sponsoring a drive to secure a cancer clinic for Indiana, and the Mentone club has accepted the responsibility for the drive here. Cancer, according to all available statistics, is one of death's greatest helpers and only by scientific research and the equipment for complete diagnosis and treatment can this killer be thwarted in its miserable scourge of humanity.

The present program calls for an expenditure of some \$75,000 for the necessary equipment for a state clinic and there is no question but that Mentone and vicinity will again answer the appeal with a full and generous contribution. Further announcements will be made during the coming week.

o'clock dinner and several hundred seats will be available.

The egg contest and exhibit at the school building will be of interest to many, and the poultrymen of our area should feel obligated to have at least one dozen eggs on exhibit. Your individual exhibit will help just that much to make it a better show, and in appreciation of that fact, the premium committee has a gift for every entry. Eggs are to be judged on exterior quality only and several classes are open to competition. (See rules elsewhere in this issue.)

Take in this first post-war showing next week.

MRS. FOOR DIED WEDNESDAY

Mrs. L. A. Foore, aged 82 years, died at 8:35 p. m. Wednesday evening at her home in Mentone. Death was due to hypostatic pneumonia which developed following injuries sustained on January 27 when she fell, fracturing her pelvis.

The deceased was born at Pricetown, Ohio Feb. 5, 1864. As Ahmy Jane King she was married to C. A. Lyons, now deceased, July 18, 1894. In 1900 they moved to Iowa where she resided until her marriage to W. C. Davis, also deceased, which took place on December 12, 1929, when she came to Mentone. September 10, 1939, she was married to L. A. Foore.

Mrs. Foore was a member of the Methodist church at Mentone, of the Rebekah Lodge, and was a charter member of the Royal Neighbors lodge at Ames, Iowa.

Surviving relatives are her husband; two daughters, Mrs. Maude Onthank of Mentone, and Mrs. P. S. Yocum of Washington, D. C.; two sons, Rev. W. A. Lyons of Oklahoma City, Okla., and H. A. Lyons of Des Moines, Iowa; three step-sons, H. T. Lyons and A. R. Lyons of Des Moines, Iowa and Benjamin Foore of Kendallville; ten grandchildren, and a number of nephews and pieces, including Mrs. Pearl Lackey, of Mentone.

Funeral services will be held at two p. m. Saturday at the Johns funeral home by Rev. S. M. Hill, who will be assisted by Rev. A. G. Simmons. Burial will be in the Mentone cemetery.

Friends will be received at the funeral home until the hour of the service.

Mr. and Mrs. Aca Dirck and Mr. and Mrs. Aller ate supper Sunday evening with Mr. and Mrs. Casterline at Talma.

○ ○ ○

Mr. and Mrs. Fred Lemler, Leah Nell and Mr. and Mrs. Wayne Bowser visited Sunday with Mr. and Mrs. Cecil Grice, of near Bremen.

○ ○ ○

A daughter was born at the McDonal hospital at Warsaw to Dr. and Mrs. D. J. VanGilder March 1st. Her name is Martha Ann and she weighed eight pounds and one ounce.

"MISSING" GIRL FOUND AT HOME IN WARSAW

Considerable apprehension was held for Miss Doris Heeter, 22, employed in the home of Dora Taylor, Mentone, the fore part of the week when a search was being made for the missing lady. It was reported that she was last seen talking with a sailor and another strange man last Wednesday evening and when she did not return to the Taylor home, the probation officer was called. Her investigation Monday gave no clue as to the girl's whereabouts and a search was being made over a wide area.

Thursday of this week, the chief of police at Warsaw found the young lady at the home of her father, Mel Heeter, at Warsaw. No other information is yet available regarding the girl's activities during her absence.

MENTONE BOYS IN FINAL GAME

The Mentone Independent basketball team won the right to play in the finals for the independent championship of Kosciusko county Thursday night by defeating a stubborn Atwood team 28 to 30.

Mentone's opponent Saturday night at the Warsaw gym will be Warsaw, who also barely nudged a hostile Beaver Dam squad out by a 41 to 39 score.

Mentone has a bunch of experienced basketball boys on their team and they will all be in there fighting for victory.

WILLIS LOWMASTER MARRIED

Willis Lowmaster, of Tippecanoe, Ind. and Anna I. Barnes of Forrest Hills, New York, were married Thursday evening, Feb. 28, at South Bend. They will make their home in South Bend where Mr. Lowmaster is employed on building new houses. He was discharged from the army after four and one-half years service.

Jack Bush, a former Mentone boy, has been calling on old friends here. Jack has just returned from India where he has been serving in the U. S. army. While in India he met his sister, Miss Lova Bush, who is serving as a missionary there.

LOCAL NEWS

Mrs. A. H. Stanford and Mr. and Mrs. T. A. Stanford spent Tuesday evening in Rochester.

Mrs. R. L. Cooper, who has been shut in by illness, is improving and hopes to be out in a few days.

Mr. and Mrs. Art Stookey, of near Chapman lake, spent Tuesday with Dr. D. J. VanGilder and his mother.

John Minear, son Franzyl and grandson Hal of Warsaw, were guests of Mr. and Mrs. Jesse Nuell.

Mr. and Mrs. Boze Carter, of Etna Green, spent Sunday evening with Mrs. Broda Clark.

Rev. and Mrs. Lyon, a son of Mrs. Lewis Foor, arrived Tuesday evening to be at the bedside of his mother.

Rea Davis Ward, who has been very ill, is improving. Mrs. Ward has returned to her school, having been absent on account of her son's illness.

Mr. and Mrs. James Hubbard, of Tiosa and Dr. and Mrs. Middleton, of Argos, helped Mrs. Dana Starr celebrate her birthday Wednesday.

Rev. and Mrs. S. M. Hill, who have been visiting their daughter and son-in-law, Rev. and Mrs. John Knecht, in New Haven, Conn., returned home on Wednesday. They report a very enjoyable trip.

Cpl. and Mrs. Karl King are the parents of an eight pound 12 ounce son, Edward Jerome, born at 7:12 a. m. Tuesday, March 5 at the McDonald hospital in Warsaw. The babe was a birthday present for his grandmother, Mrs. Frank Wise.

CARD OF THANKS

I wish to thank everyone who sent me letters, cards, and gifts on my birthday, March 1.

Also for the special gift from "The Clarks." Broda, don't you know I have quit smoking?

I had a very happy birthday.
Martha Welch.

PRINTED IN THE MODERN PLANT OF THE COUNTRY PRINT SHOP

W. S. C. S.

Family night was observed at the March meeting of the Woman's Society of Christian Service, which was held in the church Friday evening, March 1st.

After a delicious pot luck supper the following program was given:

The song "Are Ye Able" was sung after which Rev. Simmons led in prayer. The business meeting was then conducted by the president, Mrs. Stella Emmons. Mrs. Maude Snyder very beautifully played a piano solo, an arrangement of "The Palms".

Mrs. Charlotte Dillman and Mrs. Lillian Witham sang a duet, "At Eventide".

The meeting was then turned over to Mr. and Mrs. Charles Fields, returned missionaries from Africa. Mr. Fields gave a very interesting talk on the life of the African people. Mrs. Fields, using Mrs. Simmons as her model, showed us what the Christian African woman wears. The display of African life they showed was greatly enjoyed by the

children as well as the adults. The meeting was closed with prayer by Mrs. Simmons. The next meeting will be at the home of Mrs. Bertha Sarber April 5th.

GIRL SCOUT NEWS

Patrol No. 1 met at the school house Thursday, March 7, after school. Dues and attendance was taken. Five members were present. Nancy Ware gave a demonstration on how to care for a baby. We chose for patrol leader, vice patrol leader, scribe and treasurer and librarian, Bonnie Emmons, Jody Cullum, Norma Blue and Virgilian Rush, respectively. Joyce Ware was chosen news reporter.

IN MEMORIAM RUSH

In loving remembrance of Warrant Officer William Earl Rush, who made the supreme sacrifice for his country one year ago March 8.

and FAMILY.

* It's NEW

* It's just been made available for general use.

* One of its most important ingredients is Sulfathiazole, a sulfa drug.

* It has passed all its experimental tests as a calf scours remedy with flying colors.

* Its name is **SKP**

SKP is a product of the laboratories of Dr. Hess & Clark. SKP starts to work promptly—that is important because calf scours quickly weakens the calf. It contains some of the best known

ingredients for scours. We believe SKP is the finest remedy available today for calf scours. Easily given as a drench, and costs only 90 cents a pint, which provides a course of treatment for one calf.

WHEE! IT'S A BOY!

(The following story, in which the author seemingly had a very clear picture of a real boy, contains so much that strikes our fancy that we're reprinting it.—Ed.)

After a male baby has grown out of long clothes and triangles and has acquired pants, freckles and so much dirt that relatives do not dare to kiss it between meals, it becomes as boy. A boy is nature's answer to that false belief that there is no such thing as perpetual motion. A boy can swim like a fish, run like a deer, climb like a squirrel, balk like a mule, bellow like a bull, eat like a pig, or act like a jackass, according to climatic conditions.

He is a piece of skin stretched over an appetite. A noise covered with smudges. He is called a tornado because he comes at the most unexpected times, hits the most unexpected places and leaves everything a wreck behind him.

He is a growing animal of superlative promise, to be fed, watered and kept warm, a joy forever, a periodic

nuisance, the problem of our times, the hope of a nation. Every boy born is evidence that God is not yet discouraged of man. Were it not for boys, the newspapers would go unread and a thousand picture shows would go bankrupt. Boys are useful in running errands. A boy can easily do the family errands with the aid of five or six adults. The zest with which a boy does an errand is equalled only by the speed of a turtle on a July day. The boy is a natural spectator. He watches parades, fires, fights, ball games, automobiles, boats and airplanes with equal fervor, but will not watch the clock.

Boys faithfully imitate their dads in spite of all efforts to teach them good manners. A boy, if not washed too often and if kept in a cool, quiet place after each accident, will survive broken bones, hornets, swimming holes, fights and nine helpings of pie.

—The Rotarian.

CY STOUT DIES IN AUTO WRECK

Harry F. "Cy" Stout, 67, died enroute to the St. Joseph hospital, South Bend, following an auto collision which occurred on the Kern road near Mishawaka at eight o'clock Friday evening.

The former Rochester man who was residing on a farm along the Tippecanoe river a mile north of Talma, was enroute to Mishawaka to visit a son, Don. He swerved the auto he was driving to avoid ramming a car that had stopped directly in front of him, but he collided head on with an oncoming car, driven by Walter A. Stickley, 55, of South Bend.

An ambulance was summoned to the scene and Mr. Stout expired while enroute to the hospital. An examination revealed his death was caused by a broken neck. Stickley and his grandson, Bruce Stickley, who was riding with him, are reported in a serious condition in a Mishawaka hospital.

Mr. Stout, who had been a resident of Rochester and Lake Manitou for the past 16 years, was widely known throughout northern Indiana where he assisted law enforcement officers in the detection of various types of criminals. He also was employed as a detective for the Pennsylvania railroad for a number of years during which time he resided in Plymouth. He moved from his home on the east side of Lake Manitou to Newcastle township a little over a year ago.

In a conversation with the Co-Op

News editor about two weeks before his death he stated he was working on his 29th murder case—the 28 preceding ones having resulted in eventual conviction.

Mr. Stout was born in Brookville, Ind. on May 9th, 1877. His parents were David and Elizabeth Stout. He was married to Lenore Widdirey on Feb. 15th, 1930. He served in the Spanish-American War and was a member of the VFW organization and the Indiana Sheriff Organization of International Police.

Survivors are his wife, two sons, Jack, who is serving with the Marines at Great Lakes, Ill., and Don of Mishawaka; two brothers, Harry Stout of Ft. Wayne, and Roy Stout of South Bend. Two children preceded him in death.

Funeral services were held Monday afternoon at two o'clock at Rochester. Rev. D. L. Slaybaugh, of Akron, officiated and interment was in the Plymouth cemetery.

January Disasters Bring Quick Red Cross Action

Destructive floods and tornadoes beginning in early January were grim reminders that more Americans died in home-front accidents and disasters during World War II than as war casualties.

By mid-month the siege, brought on unseasonably early by warm weather and heavy rains, had claimed 54 dead and upwards of 150 hospitalized, records indicate. Thousands of families in rural areas of 11 midwestern and southern states were affected.

Red Cross chapter workers who last year helped their communities through 260 disasters have again worked 'round the clock. Assisting them have been doctors, nurses, and others rushed by the Red Cross to stricken areas. Surveys for the furnishing, rebuilding, and repairing of damaged or destroyed homes, barns, and other buildings began immediately. Rehabilitation will be completed in March. Undoubtedly new disasters will strike during the spring months and will keep the organization working at top speed in this humanitarian parade which never ends.

In providing food, clothing, shelter, medical and nursing care, varying problems confront the Red Cross, particularly in rural sections.

In flooded Mississippi valley areas, Red Cross has obtained a priority release of house trailers to supplement tents used in sheltering farmers rescued from flooded areas. When evacuation of farm families and livestock has been necessary, coast guard and navy boats have assisted. Recent coal shortages in disaster areas were relieved when Red Cross action resulted in diversion of fuel to critical sections.

An hour after surveys have been completed, the Red Cross has obtained priority release of lumber and other building materials. Included has been screen wire to help prevent the spread of disease in malaria affected areas.

In floods and hurricanes, local Red Cross disaster units, through advance weather bureau advisories, have warned residents in time for safe evacuation; in remote sections, they have effected rescues. In all disasters, tornadoes, fires, floods, hurricanes, train wrecks, they have quickly sought out injured, given first aid, and arranged hospital care. Hundreds of thousands of homeless have been sheltered, clothed, and fed.

In Paterson, New Jersey, a new chapter disaster chairman successfully tackled problems of the worst flood in that city's history. Two days after a Red Cross disaster conference in Montgomery, Alabama, a tornado ripped through the city. Outstanding care given the injured wrote a bright page in the year's disaster history.

In states where polio outbreaks occurred, Red Cross chapter volunteer, hurriedly improvised hospital articles. In Salt Lake City, Disaster Service supplied face masks, children's night gowns, hospital shirts, surgical gowns for nurses, blankets, and sheets. When flannelette could not be found for hospital packs, Red Cross supplied 1,000 diapers for the purpose.

But whether disaster or any of many other Red Cross services, all are available to people in rural communities no less than in large cities. Home nursing, farm accident prevention, assistance to families of men in uniform and to veterans—these services continue year-in, year-out. During March the Red Cross is appealing for \$100,000,000. It needs every bit of that amount to meet obligations to the armed forces and civilian population.

"We all have a share in the American Red Cross," said Basil O'Connor, Red Cross Chairman, when announcing the appeal. "Let's all maintain that share by contributing generously to the 1946 Fund Campaign and keeping our Red Cross society the strongest in the world."

"The Melody Rangers," who will appear on the program at the Mentone Egg Show next week, are pictured above. They are (reading from left to right—back row): Maurice Humphrey, Electric Spanish Guitar; Bob Boyer, String Base. (Front row): Walter Brown, Accordion; Helen Anderson, Vocalist, and Phil Schenkel, Jr., sixteen-year-old Trumpet player, winner of first prize on the Morris B. Sach's program at Chicago when 11 years old.

MENTONE TO GET NEW STREET

Dan Smith, highway maintenance supervisor for this area, stated the fore part of the week that the highway department plans to resurface highway 25 through Mentone early this summer. This improvement will be just that portion of the highway within the corporate limits of the city.

As many of us learned last year, the type of mix or materials used on city streets is much different than that used on rural highways.

Mr. Smith also stated that a contract has already been let for the construction of a cut-off across the river at Palestine. A new bridge will be constructed and the highway will go directly to the church corner instead of the winding path it now follows.

Beware Coughs from common colds That Hang On.

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

SCHOOL NEWS

County Grade Basketball Tourney

On Monday evening, the Mentone division of the grade county basketball tourney got under way. The drawing found Atwood paired with Burket with the former emerging the victor by a score of 26 to 17. The last game brought Etna Green and the local Bull-dog Pups together. The game was nip and tuck from the opening whistle and at no time was there more than a four-point margin in favor of either team. Mentone lead most of the way until the last two minutes when Harmon hit a one-handed shot from the corner to tie up the game at 18-18. The Pups brought the ball down the floor but failed to score on their shot. Again Harmon hit from the side to put Etna Green in the lead by two points. Sixty-eight seconds remained to play. Molebash replaced Friesner in the Mentone lineup. The Pups seemed not to be rattled by their disadvantage and began to maneuver the ball around. Johns passed into Dunnuck under the basket and the Mentone center tied up the score with twenty-nine seconds remaining to play. Etna lost possession of the precious sphere for traveling. Emmons passed into Molebash who was trying to get a shot away but was being hindered by the guarding of Anglin. With five seconds to play, Molebash threw the ball over his shoulder

from the deep center court and the net swished for the two points that spelled victory for the fighting Pups.

The box score follows:

Mentone	Pups	FG	FT	PF	TP
Emmons		4	0	4	8
Fienar		1	1	1	3
Dunnuck		4	0	3	8
Friesner		0	1	1	1
Johns		0	0	1	0
Molebash		1	0	0	2
Grubbs		0	0	0	0
Anglin		0	0	1	0

Total

Etna Green	Cubs	FG	FT	PF	TP
Harmon		6	2	0	14
Snyder		0	0	1	0
T. Anglin		1	0	0	2
Sellers		0	0	3	0
Hyndman		0	1	0	1
W. Anglin		1	0	0	2
Guy		0	1	0	1

The Seniors

Stanley Shilling was born August 8, 1928 at Palestine, Indiana. His parents, Mr. and Mrs. Herbert Shilling, are now living on a Warsaw rural route.

Stanley came to Mentone school to start his education and has remained here his full twelve years to graduate in the spring with the senior class of '46. He has very few activities at school but he has acquired many friends among his classmates and other students.

After graduation he wishes to enlist in the navy and we all wish him great

success.

Marjorie Maxine Lockridge was born near Akron September 29, 1928. Her parents are Mr. and Mrs. Henry Lockridge, now living at Mentone.

Marjorie started her schooling at Beaver Dam and then entered Mentone school in her fifth year. Her interests settle on Home Economic and the Bible, and has a good hobby of being cheerful and friendly.

Marjorie would like to enter a beauty school after she graduates and we all wish her luck and happiness in her career.

Barbara Jean Clark was born at Mentone, Indiana March 20, 1928. Her parents, Mr. and Mrs. Clark, now live

at Palestine, Indiana.

She started to school at Clunette, Indiana, and then came to Mentone school to finish her education. Barbara has no special subject she is interested in but does her work quite well in all subjects. Barbara is a very attractive blonde and has many friends to her credit.

She also would like to attend a beauty school and we all wish her great success.

THIRD GRADE SCHOOL NEWS

This is the last week in another period and tests are making the rounds.

The record chart for arithmetic is filling up with gold stars. Everyone who can give the multiplication tables of two's, three's, four's and five's, without hesitation or error, receives a star for each. Stars are also given for certain pages in the arithmetic work book. The class is just ready to learn

to carry the multiplication of fours. But there are so many facts that have to be remembered while new things are being learned. Of these, borrowing in subtraction and uneven division seems to be hardest.

Mrs. Ora McKinley was a visitor Tuesday afternoon.

SCHOOL NEWS

Don Method, of Warsaw Jr. High, joined the seventh grade this week.

Mrs. Hoffman was sick two days last week.

Richard Hugh's magic show was greatly enjoyed by the school students and grownups Tuesday evening.

Sharon Phillips, of West Wayne, is a new student of the first grade.

The second grade is studying about Holland and its people. They are learning about windmills, tulips, canals and wooden shoes. They like Holland very

much.

The fourth grade has a new student, Norman Method, from West Ward in Warsaw. The students in this grade seem to be studying pretty hard trying to learn the six steps in division.

We are sorry but the 5th grade doesn't have any news.

The school greatly enjoyed a show Wednesday. It was about "Robert Burns." The seventh grade had been studying about him so it helped them out a little.

The sixth graders have organized their class into a club and have elected officers. They plan to hold regular meetings the rest of the year.

The boys and girls of the sixth grade very pleasantly surprised their teacher, Mrs. Tombaugh, on her birthday Monday. A large decorated cake and ice cream were served to the class and there were games and contests for all.

The school has just been informed that the Warsaw Post of the American Legion will award a medal to the boy in the senior class "Who by his conduct and work has demonstrated that he has a higher sense of honor, courage, scholarship, leadership and service than his fellows." Also a similar award will be made to the girl in the graduating class "Who proves that she has the highest sense of courage, compan-

ionship, character, and scholarship among the girls."

Representatives from the Warsaw Post will call at the Mentone school in the near future and will explain more fully the details of this undertaking.

The selections will be based upon recommendations made by teachers and by members of the graduating class. These medals will surely be highly prized by those who are fortunate enough to win them.

With sixteen boys entered, the ping-pong tournament got underway this week. After three days of steady grinding Merl Blue and Dale McGowan have emerged as finalists. Their match will be played tomorrow noon and promises to be a sizzler.

The senior girls have bought a set of net and balls and are going to hold their own elimination tourney next week.

A side feature of the noon ping is boxing. Two sets of gloves have been brought and fists and feet tap out a steady accompaniment to the pingers' paddies. If you are eliminated in the ping-pong tournament, put on the gloves and gain revenge.

The members of Arithmetic 7 have been studying the problems one would find in running a bank. They have learned how to write checks, promissory notes and deposit slips, how to figure interest, bank discounts and proceeds, and how to properly endorse a check. We sure have a number of future J. P. Morgans at Mentone.

Math 8 students have been learning how to find the surface area and volume of solids. Most of them have found that these problems can become quite difficult, especially when they have to remember about twenty-five different formulas and rules.

Algebra class has just been introduced to factoring and the solving of equations by such a procedure. They probably dream of Xs and Ys!!

The geometry class is — the bell has rung. Perhaps it is just as well that that sentence couldn't be finished!

The school band will journey to No. Manchester on Friday, March 8th, where they will participate in the annual spring band clinic. Many bands from this section of the state take part in this event.

In the past few years, due to war-time conditions, a few members from each of the various bands have participated in one large band of about one hundred pieces. This year, as in pre-war years, each band is given a thirty-minute period in which to play for and receive helpful suggestions for improvement from an able critic. The critic for this year for bands is Russel Harney, Chicago composer, conductor and contest adjudicator.

Participation in an event of this nature gives the students an opportunity to receive valuable suggestions for improving their own organization and also makes it possible for them to note the performance of other students of their own age.

Bonnie Emmons and Jody Cullum, Reporters.

SCHOOL CON- CERT MAR. 26

Mrs. Ellen Sheeley, director of music in the Mentone schools, announced this week that the annual band and vocal concert will be held at the school building on Tuesday evening, March 26th at 8:00.

HALLECK WILL ADDRESS REPUBLICANS

Vere Kelley, Republican county chairman, is now making arrangements for the postponed "Lincoln Day" dinner which will take place on Friday, March 22 in Eagles' hall, Warsaw. The entire county committee, consisting of precinct chairmen and vice chairmen, will be present. Republicans outside the county organization will be welcomed at the postponed "Lincoln Day" dinner and the principal speaker will be Congressman Charles A. Halleck, who is rapidly gaining prominence in the Republican picture as a national figure.

OPEN EATON ESTATE

Marshall E. and Harold L. Eaton, executors of the estate of Noah C. Eaton, have filed an inventory in circuit court, setting value of personal property at \$3,356.47 and real estate at \$45,440. They have been authorized to sell two \$500 U. S. treasury bonds, to redeem a U. S. savings bond with present value of \$385 and to dispose of an automobile valued at \$557 at private sale, all in aid of distribution.

Under terms of Mr. Eaton's will, admitted to probate last Oct. 23, a 160-acre farm in southern Harrison township goes to each of two sons, Marshall and Charles, and these sons and a third one, Harold, of Claypool, will share the residue of the property equally.

DEMONSTRATION FOR FIREMEN AT PLYMOUTH NEXT TUESDAY

Members of the fire departments of this area are invited to attend a demonstration and motion pictures at the Plymouth Conservation Club building on next Tuesday evening, March 19th, at 7:30. A dinner will follow the demonstration.

CHOSEN QUEEN OF EGG SHOW

Miss Patricia Gaerte, daughter of Mr. and Mrs. Ray Gaerte, of North Manchester, was selected Thursday evening as the queen of the 1946 Mentone Egg Show. The competition for the honor and coveted prize was close, and the North Manchester representative was barely able to overcome the representative from Burket, Miss Williamson. Miss Gaerte will be crowned queen of the show Friday evening at the community building and will be awarded a diamond-studded, beautifully engraved wrist watch.

Nancy Ann Boggs represented Warsaw; Ethel Bergman, Plymouth; Betty East, Mentone, and Miss Williamson, Burket. (Burket originally selected Miss Betty Shireman as their representative, but an attack of mumps at the most inopportune time eliminated Miss Shireman.)

The young ladies paraded before the large audience on a stage beautifully decorated by C. D. Meredith and the other members of his committee.

Fred Beeson, chairman of the egg contest committee, reports that about one hundred contestants had entered eggs in the exhibit up to Thursday evening.

Thursday's sessions were all well attended despite the very unfavorable weather.

Robert Hogue, chairman of the program committee, was in charge Thursday evening. Dr. Marble introduced the numbers of the evening, while Max Nellans was in charge during the selection of the queen. Elmore Fenstermaker and Ora McKinley assisted the War Mothers in the selling and awarding of three cakes.

NEW YORK VISITORS.

The following, all from New York, were visitors at the Thursday evening session of the egg show:

S. Zuckerbrod from S. Hackle & Co., Inc.; Leonard D. Waldman from the firm of Schluskel & Waldman; I. J. Heller of the Bloomfield Butter & Egg Co., and Alex Epstein & Son was represented by the junior member of the firm, Mortimer Epstein. Joe T. McGinnes, who operates the trucking firm that moves most of Mentone's eggs from the New York docks to the various receivers, was again a welcome visitor.

—Photo courtesy Warsaw Times.

CELEBRATE 45TH ANNIVERSARY

On Sunday, Mr. and Mrs. Vernon Jones celebrated their wedding anniversary, which came on March 9, with a dinner. Mr. and Mrs. Jones have been married 45 years.

Those who helped to celebrate the occasion were: Mr. and Mrs. Lyman Mollenhour and daughter, Mrs. Helen Ellis and three children, Mr. and Mrs. Bob Plotner, George Ervin Mollenhour, Mr. and Mrs. Tom Meredith, Mr. and Mrs. Devone Jones and Mr. and Mrs. Mervin Jones and son.

There were around 500 who attended the Youth for Christ meeting last Saturday evening.

ATTENTION MASONS

Called meeting Tuesday evening, March 19th. Entered apprentice degree. HUBERT LATHAM, W.M.

Bill and Dick Clark spent two very enjoyable evenings Monday and Tuesday in the home of Cassel Whetstone. They did not know there was so much fun gathering eggs and helping in the sugar camp.

NEW BUILDING FOR MENTONE

Phillip Blue, who recently purchased the machinery for a dry cleaning plant, has started construction of a 20x70 cement block building west of the Snyder Appliance shop and hopes to have a dry cleaning plant going there within the near future.

MENTONE DEFEATED IN FINAL ALUMNI GAME

A second-half rally that netted them 27 points gave Warsaw's Post 49 basketball team a 39 to 21 triumph over Mentone in the finals of the County Alumni tourney staged at the Warsaw Armory Saturday night.

A large crowd was on hand to see the former Bulldog and Tiger stars in action and the game was full of thrills and good shooting on the part of Warsaw in the final half. Mentone, seemingly, weren't up to their usual standard in basket shooting.

CHINESE VICTORY GARDENS

Miss Marcia Wang, from China, who spoke in the Methodist church last year, was very much impressed with the victory gardens and she decided when she returned to China to teach her people to raise American vegetables and in a letter to Rev. and Mrs. Simmons, requested that seeds be sent to her. In response to her appeal the boys and girls have given almost a hundred packages of seeds which have been sent to her. If you want to help, bring your seeds to the Methodist parsonage.

CREIGHTON SAYS PRICES OF EGGS NOW ARE SECURE

Resigning his federal poultry production and marketing directorship to file for renomination as state representative from Kosciusko county, Hohart Creighton has announced that chicken in storage has reached a record total and that egg prices are safe from a market sag despite increasing production.

POULTRY RAISERS!
Before culling, try
EGG-LAC!

Gets "SLOW" Pullets
into action . . . Steps
up egg production of
good layers

If a pullet has the right appearance and body formation but still is slow in coming into egg production, don't get discouraged and cull too soon. She probably just needs Egg-Lac Pellets for two or three days at noon. Egg-Lac starts the slow layers, increases production of better layers—quickly and economically. Stop in for Egg-Lac right away.

A Good START

Find "Extra Money"
in the nests

**MASTER MIX
NOON
PELLETS**

for higher
egg production

You'll be amazed at how easy it is to step up profits on eggs. Just feed Noon Pellets every day at noon. Give good birds the extra feed intake that produces more eggs. Stop in. Try this easy new method of noon feeding.

Charles Good spent the week end in Warren, the guest of his parents, Mr. and Mrs. Frank Good.

Mrs. Harry Wenger spent Sunday in Indianapolis, the guest of her husband, who is in the Robert Long hospital. Mrs. Wenger reports that her husband is improving.

Mr. and Mrs. Loren Kramer and Mrs. Sid Dick and son Jimmie spent Friday in South Bend.

Mrs. Ora Horn remains in a very serious condition at this time.

Mrs. Russell Chapman is employed in Bourbon.

Robert Tippy, of Elkhart, spent the week end here at his home.

Loren Kramer is taking treatments in South Bend.

**Beware Coughs
from common colds
That Hang On**

Chronic bronchitis not a stop if your cough, chest cold, or cold. If bronchitis is not treated, you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ-laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends burchard creosote by special process with other time tested medicines for cough. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Mrs. Ada Bowser spent Tuesday and Friday in Rochester on business.

Mr. Lavoy Montgomery was the supper guest Saturday evening of his aunt, Mrs. A. J. Blakley, of Rochester.

Mr. and Mrs. Clarence Peterson left Thursday for Long Beach, Calif., where they will spend some time visiting with relatives.

Born to Mr. and Mrs. Wayne Mikesell, a son, at the Woodlawn hospital in Rochester, Saturday. The new arrival has been named Jack Stuart.

Mr. and Mrs. O. C. Montgomery spent Saturday evening in Rochester.

The members of the Worthwhile class of the Talma Methodist church will hold their monthly class meeting at the home of Mr. and Mrs. Wilbur Utter on Friday evening, March 15, at 7:00 p. m.

Rev. and Mrs. S. M. Hill were in South Whitley Sunday. Rev. Hill occupied the pulpit for Rev. Marshall Chambers, of the United Brethren church.

○ ○ ○

Mrs. Ralph Mollenhour and Mrs. Lucille Whetstone spent Wednesday in Chicago.

British Food Output

Great Britain now produces 70 per cent of her food

Grown in China

Potatoes and sweet potatoes are grown in all parts of China.

Sore Early

Corn borer numbers are so high in early-planted corn as to tend to pull the yield below that of later-planted corn. Early planting also gives poor yields of corn under unfavorable conditions. For instance, the unusually wet weather of May last year was so injurious to early-planted corn as to cause the yield to be much less than first-of-June planting.

"A VIRTUOUS WOMAN"

(The following poem was written and published by a Mentone citizen 17 years ago—Ed.)

"Who can find a virtuous woman?"
Spoke the man of long ago.
She is prized above the rubies,
With their changeless color glow.

Her husband's heart doth trust her,
For he feareth not the spoil;
She will do him good, not evil,
Through the days of strife and toil.

She seeketh wool and flaxen,
And she toils with willing hands;
Lashed like the merchant vessel,
Bringing food from distant lands.

And she riseth in the morning,
Long before the break of day;
Giving food to all the household,
For to help them on their way.

Girded with her powers are strength-
ened.

Reaching forth a willing hand;
Giving merchandise to many,
Yea, the needs of the land.

She's not afraid of snow and winter,
For her family she doth care;
Proudly clothing them with scarlet,
And her joy with them doth share.

Tapestry is her covering,
With scarlet bright and red;
And the neatly woven turban,
Is the covering for her head.

Her husband, he is known,
As he stands within the gate;
Taking honors from the elders,
And of men from every state.

In her tongue is law of kindness,
And her mouth with wisdom fraught;
Giving of her timely counsel,
By the life that she has wrought.

Strength and honor are her clothing,
Worn proudly day by day;
There is none that will surpass them,
Though they're sought in every way.

Her children call her blessed,
In her quiet life and home,
And her husband doth praise her,
For her worth and her THRONE.

(Composed by Silas M. Hill)

NORTHERN INDIANA Public Service COMPANY

ONE CUBIC INCH OF "BIBLICAL WHEAT" GROWS TO 2,500 ACRES IN 6 YEARS . . . WOULD COVER GLOBE IN 13 YEARS

Perry Hayden, Tecumseh, Mich. Quaker miller, standing in front of the first little plot of wheat grown from the cubic inch of grain shown in the insert, with the huge increase in the background. A 10% tithe for the church was deducted each year, and the entire balance replanted. The average annual increase of the "Tithed Wheat" far exceeded the state average of Michigan.

Inspired by a sermon in his local Quaker church in 1940 Perry Hayden, a Quaker miller of Tecumseh, Mich., set out to illustrate some of the Bible lessons on "Tithing", "Re-birth" and "Returns on what we sow".

Hayden started with a cubic inch of wheat, which he planted in the above patch of 4 ft. by 8 in. A year later, he harvested the patch, deducted 10% of the crop as a tithe to the church, and planted the balance again the following year. The second, third and fourth years he again deducted the tithe and replanted the entire balance of each crop. Last year's crop which was the fifth had grown from the original cubic inch to 230 acres and yielded 3,535 bushels. The sixth and final year of the demonstration requires 2,500 acres of land. If carried the same years it would require all the land in W. Virginia, and in ten years it would cover the whole United States. It is estimated

that the 13th year would cover the whole globe—all starting with a cubic inch of wheat, a little faith and God's promises.

Land for the first five years, was furnished by Henry Ford, but last fall's planting was so large that no single tract of land in Michigan could handle it, so the seed was parceled out to about 250 farmers throughout the country, who have planted the genuine "Biblical Wheat" and will give the tithe to more than 150 different churches representing all faiths.

A representative field of the famous "Dynamic Kernels" has been planted inside the race track at the Adrian, Mich., Fair Grounds, where the final huge official celebration will be held during the harvest this summer. The wheat will be cut, threshed, ground into flour, baked into biscuits and fed to the multitudes in the grandstands right before their very eyes.

crate plans are being completed by Perry Hayden, in co-operation with the Lenewee County Fair Board, to make this the most spectacular international human-interest story in the world", says Raymond J. Jeffreys, an Ohio publicist.

"The colorful parades, cutting and harvesting pageants, showing equipment used from the Biblical days down to the modern combines, and reports from the farmers throughout the country who are making possible the completion of this stupendous final year of the project, will make this great religious event a living demonstration of the Biblical truths regarding sowing reaping, re-birth and tithing", says Perry Hayden, the Quaker miller and founder of the demonstration.

Miss Wreatha McFarren entertained at a dinner Saturday evening at the home of Mrs. Lide Williamson honoring Miss Ann Serk, of Bremen and a former teacher in the Mentone school. Those present were: Mrs. Lide Williamson, Mrs. Ilene Fenstermaker, Mrs. Wayne Tombaugh, Mrs. Artley Culum, the guest of honor and the hostess.

the centuries;
 My steeple points ever toward that Great Architect—Builder throughout eternity;

From my belfry rings out the call for worship to countless multitudes of all ages;

My door swings open to all of every race and every age—bidding them welcome;

In my sanctuary there is—
 Peace for tired minds,
 Rest for weary bodies,
 Compassion for suffering humanity,
 Forgiveness for repentant sinners,
 Communion for saints,
 Christ—for all who seek Him!

I AM THE CHURCH!

All the love of God, the Great Architect,
 All the sacrifice of Christ, the Great Builder,
 All the dreams of dauntless prophets,
 All the faith of hopeful pioneers,
 All the hope of countless millions,
 All the joy of conquering Christians are enclosed within my walls!
 I AM THE CHURCH!
 Without me, civilization must crumble!
 With me eternally!

SCHOOL NEWS

Third Grade News

Signs of spring abound in the third grade. There are lots of marbles, a kite, less wraps, less children in at recess, and a lovely bunch of pussy willows.

Mrs. Arvilla Fisher was a visitor on Monday morning during arithmetic class.

Sixth Grade News

Romona Goodman is back in school after being absent for several weeks. The class is studying the life his-

tory of the fly and the mosquito. They have drawn some very good pictures of each stage of life in these insect pests.

The band thoroughly enjoyed and received benefit from the clinic at Manchester College last Friday. They traveled in a bus driven by Lloyd Lowman leaving Mentone about eight o'clock and returning a short while before school dismissed in the evening.

The band performed from 9:35 to 10:10 and had the rest of the time to listen to other bands. During the period of performance the band played

three numbers after which Russell Harvey, the critic, pointed out the good as well as the poor qualities of the band. He complimented them particularly on their tone, posture and general musicianship.

Mr. Lockridge, photographer from Rochester, was at school Wednesday morning, taking individual pictures of the students.

Mrs. Leroy Norris has reported that the third and fourth grades are having a spelling contest, to see which grade is the best.

Mildred Lewis and Virginia Shirey, Reporters.

The Sophomore class has been selling tickets like mad for the "Downhomers," who will be here in person Monday night. A big crowd is expected by the way the tickets have been selling. The kids promise you that it will be a swell program.

—Dollie Grubbs.

The Seniors

Marjorie Fern Warren was born July 7, 1928 at Bourbon, Indiana. Her parents, Mr. and Mrs. Ralph Warren, live on a Mentone rural route. Marjorie has been with us for twelve years and has acquired many friends in these years.

She has taken no special interests in school but has an interesting hobby of crafts, making various things. After graduation she wishes to get a good job and then take the hobby of being a housewife. We wish her good luck in all that she undertakes.

Wanda Lou Smith was born near Tippecanoe, Indiana, October 4, 1928. Her parents, Mr. and Mrs. Roy Smith now live in Mentone. Wanda also has spent her twelve years of school with us and hopes to graduate in the spring.

She has taken special interest in Health and Safety and likes Home Economics, as it will help her in her career. Wanda, as many other girls, would like to enter nurse's training after her high school training is finished. Good luck and lots of happiness from all of us, Wanda.

Patricia Ann Shinn was born at Mentone, Indiana, and her parents, Mr. and Mrs. Earl Shinn, now reside her twelve years at good old Mentone at Mentone. Pat has also spent all of school, and hopes, like the rest, to graduate with the seniors.

Pat has no special interests in school but History and Mathematics are her will work in her parents business, and favorite subjects. After graduation, Pat like a few of the rest would like to make housekeeping her final job.

—Pat Shinn

LOCAL NEWS

Rev. and Mrs. W. A. Lyons of Oklahoma City, returned to their home on Tuesday after spending a week in the L. A. Foor home and attending the funeral of his mother, Mrs. Foor, Saturday.

○●○

Mrs. Ralph Duree, of Hayesville, Ia., returned to her home Sunday after attending the funeral of her grandmother, Mrs. L. A. Foor, Saturday.

○●○

Mr. and Mrs. Everett Beeson entertained the Winners class of the Baptist church Friday evening. After the business session the remainder of the evening was spent socially with games and contests which were enjoyed by all. The hostess, assisted by Mrs. Raymond Lewis, served delicious refreshments. The April meeting will be held at the home of Mr. and Mrs. Byron Peterson.

A marriage license has been issued to James E. Goshert, 25, farmer, son of Mr. and Mrs. Everett E. Goshert, of route 2, Warsaw, and Iola M. Tucker, 22, bookkeeper, daughter of Mr. and Mrs. Chancy L. Tucker, Mentone.

Canadian Farming

The investment in agriculture in 1940 in Canada was four and a half billion dollars, a substantial part of which is represented in buildings and farm equipment. The gross value of agricultural production in 1942 was two and a half billion dollars, and the cash income from the sale of that portion of the output that eventually reached the market was one and a half billion dollars.

CARD OF THANKS AND APPRECIATION

Words can never express our thanks and appreciation, to our neighbors and friends who so kindly remembered our darling wife and Mother during her last illness, with all the lovely potted plants, bouquets, birthday and get-well cards. Also to all who in any way helped to ease our grief and lighten our burden during our hour of sorrow.

Subscription—\$1.50 Per Year

EGG SHOW WAS ONE OF THE BIGGEST EVER HELD

The Mentone egg show, held Thursday and Friday of last week, was reported by many as being one of the best ever held. The attendance at every session was more than most expected, and the cooperation of every person participating was the best possible. The officials, again, want to extend their thanks and appreciation to everyone who helped in any way. Especially do they wish to thank Lyndes Latimer for supervising the banquet, the War Mothers who worked so faithfully, to the other ladies who helped prepare the food and the Lions members who helped in the serving and arrangements. The entire banquet group of 400 was served within a matter of ten minutes.

Dr. Frank Tucker, of Claypool, was master of ceremonies for the Friday evening banquet and handled his work very capably. Hobart Creighton, Dr. M. L. Sears, the Melody Rangers and the five egg queens helped to make the evening most interesting.

Charles Manwaring, chairman of the 1946 show, who has been confined to his home because of a broken leg, has made every effort to extend his thanks and appreciation to everyone, but the number who helped is so large that it will be almost an impossibility for him to contact them all.

Prizes in the Home Economics club contest on preparation of egg dishes were announced Friday morning as follows:

Mrs. Rose Cook, Warsaw, of the West Wayne club, demonstrating scrambled eggs, and Mrs. Lucile Harmon, Etna Green, of the Better Homes club demonstrating soft egg custard, tied for first, winning \$15 each.

Mrs. Carol McSherry and Mrs. Pauline Goshert, both of the Seward club, Burkett, won second place and \$12.50 for their demonstration of planked eggs.

Mrs. Jessie Fisher, Silver Lake, of the Lake township club, won third place and \$10 for her demonstration of jelly slices.

In fourth place was Mrs. Betty Frederick, of the Leesburg Homemakers' Study club, demonstrating noodle nests, prize \$7.50.

Mrs. Lucy Swanson, of the Atwood Home Study club, captured fifth place by demonstrating an angel food cake.

Twelve other prizes of \$2 each went

MRS. MARY TUCKER DIED THURSDAY MORNING

Mrs. Mary Tucker, aged 84 years, died at the Wilson nursing home, east of Warsaw, Thursday forenoon. She had been at the home but one week and death is reported to have been caused by complications.

The body is at the Johns funeral home where it will remain until the funeral arrangements have been made.

Known relatives at this writing are: Mrs. Bessie Bybee, a niece, and Abe Wertenberger, Warsaw, a nephew.

SOFTBALL ENTHUSIASTS TO MEET AT TOWN HALL

We've been advised to announce that all those interested in playing softball, or in improving the playground facilities at the school ground, are requested to meet at the town hall next Tuesday evening, March 26th, at 7:30 o'clock.

INTERESTING LIONS MEETING HELD WEDNESDAY EVENING

The Lions club meeting Wednesday evening was an interesting affair, and the steak supper served was very satisfying. The meeting centered around various discussions, chief of which was the cancer program being sponsored by the Lions clubs of Indiana.

Ralph Mollenhour, Robert Firkins, Milo Pawley and Arlo Friesner were among the new members present.

Plans, of a tentative nature, are being made for a ladies night program the first Wednesday evening in April. Watch for further announcement.

to the following:

Mrs. Ida Salman, Mentone, Mrs. Frances Plew, Warsaw, of the Palestine club; Mrs. Bertha Parker, Silver Lake, of the Ladies of the Lake club; Mrs. Lulu Kesler, Silver Lake, of the Purdue Home Extension club; Mrs. Waneta Spicher, Milford, of the Friendship club; Mrs. Maydean Dorsey, Warsaw, of the Harrison Center club; Mrs. Moseline Deaton, Syracuse, of the Goodwill club; Mrs. Ruth Wiard, Warsaw, of the Mary and Martha club; Mrs. Edna Johnson, Warsaw, of the Progressive Homemakers' club; Mrs. Merl Tucker, Akron, of the Beaver Dam club; Mrs. Lucile Koontz, Warsaw, of the Monroe club; and Mrs. Ruth Ayres, Claypool, of the Jackson club.

MRS. LYDIA ANN DEATON, 79, DIES AT MENTONE; FUNERAL ON SUNDAY

Mrs. Lydia Ann Deaton, aged 79, widow of the late Cyrus Deaton, former commissioner of Kosciusko county, died at 7:30 a. m. Friday at the home of her daughter, Mrs. Dora Taylor, of Mentone. Death, which was due to carcinoma, followed an illness of 19 weeks. Mrs. Deaton was born in Clay township September 25, 1866, the daughter of Mr. and Mrs. James Huff and had resided in Kosciusko county all of her life. She was a member of the Presbyterian church at Packerton. Mrs. Taylor is the only surviving relative.

Funeral services were held at 2:30 p. m. Sunday at the United Brethren church in Claypool. Rev. E. C. Lindsey, pastor of the Presbyterian church at Pierceton was in charge and was assisted by Rev. Alfred Simmons, of Mentone. Burial was in the Silver Lake cemetery.

Pallbearers were: Clayton Goodwin, R. C. Greulich, Wayne Tombaugh, Homer Lucas, Glen Tridle and George Idle.

NATIONAL Y. F. C. PRESIDENT TO APPEAR AT MENTONE

Rev. E. C. Ralston, director of the Youth for Christ movement in this area, announced this week that Dr. Torrey M. Johnson, 36, of Chicago, national Youth for Christ president, will appear in Mentone on May 16th.

The Mentone engagement will be the first for the national president following his return from a trip to Europe where he and two co-workers are carrying the message of American youth to the boys and girls in England, Iceland, Scotland, France, Norway, Sweden and Denmark, and possibly to Germany. Another tentative plan is a huge youth rally in Jerusalem on Easter Sunday. The party of three left the Chicago Municipal airport Monday morning for Europe.

THE EGG RETURNS

The 3,000-pound egg, used to advertise the Mentone Egg Show, which arrived so mysteriously on the court house lawn at Warsaw two weeks ago, is now back for permanent abode in Mentone. It is located on Main street near the NICA main office.

VOTE TO LIQUIDATE FAIR HOLDINGS HERE

Seventeen members of the Mentone Community Fair association gathered at the public library Tuesday evening, and by a large majority, voted to liquidate the fair association. It has appeared to many that community fairs have been losing in attraction and favor, and that unless the local show was synchronized with present demands of the general public, it would be difficult to make it a paying venture. This lack of interest was manifest on many occasions when only some 25 or 30 percent of the membership responded to called meetings.

Orven Heighway, Chester Herendeen and Raymond Lash, who have worked long and hard to make Mentone fairs of the past, successful ones, were named as liquidating trustees and will announce their plans for liquidation shortly. It is felt that disposal of property will be at public auction.

The accumulated fund is to be held in trust and used for some future program of public benefit.

ELECTRIC RATES TO BE LOWERED

A recent announcement by the Northern Indiana Public Service Company states that a new rate schedule for consumers of electricity has been approved and will be placed into effect on all bills rendered on and after May 1.

The rate reduction is in line with other public utilities serving neighboring areas, and naturally, will be welcomed by all consumers.

ARE PARENTS OF SON

A son, weighing 7 lbs. 15 oz., was born to Mr. and Mrs. Harold Nelson last Saturday at the Woodlawn hospital, Rochester.

The new baby has been named Stephen J.

Don't forget the band and vocal concert to be held at the Community building Tuesday evening, March 26 at 8:00 o'clock. All of the music groups have been working hard for a good performance and are hoping for a large audience. The band members have tickets for sale.

Mr. and Mrs. Byron Peterson left Thursday morning on a two weeks business and pleasure trip to Phoenix, Arizona.

FORGOTTEN HIGHLIGHTS

During the first quarter of the nineteenth century the Island of Guernsey suffered a terrible depression. So did the rest of the world. Only badly worn French and British coins were in circulation and as people always do in such times, this money was being hoarded.

The island was then in urgent need of a Market-house, where farmers could sell their produce and merchants offer their wares. But there was no money around to finance this project, though prospective rents from stalls made it look like a prime investment. The island government tried in vain to borrow from France and England.

On May 12, 1820 the President of the Parliament at a special session to which all the people were invited, announced:

"My dear people. The Market-house, with stalls for all the merchants and farmers of the island will be built. It will cost us about \$20,000. But we cannot build the Market-house with money, as you well know. It will be built of brick and mortar and lumber—and by men."

"Of the materials needed for the Market-house the island has an abundance. And our masons, carpenters and painters are quite willing to go to work. We have no money. We don't need money to build the Market-house, but we need a medium of exchange which the owners of the materials will accept in exchange for their possessions and the workers will accept for the labor they put into the structure."

"Therefore, I suggest that we print a special issue of our own money, secured by the materials and the potential wealth to be produced by our workmen. Rent from the stalls will pay off the issue."

The people enthusiastically approved the plan. The money was printed and work begun. On Saturday, October 12, 1822, the Market-house was completed

and a great celebration was held. It was then discovered that the Market-house represented more than the \$20,000 invested, for the rapid circulation of this money accounted for more than \$100,000 in business transactions.

Within five years the rents from the stalls paid off the money issued for the building of the Market-house. As these rents accumulated the special money was taken out of circulation and locked in a vault. Then another meeting of the citizens was called and a sensible (they were not economists) decision was made. The money was taken out of the vault—and burned.

The people had learned a lesson in economics: money is merely a medium of exchange, not a value in itself, and should be destroyed as soon as the special need for which it had been issued was accomplished. So, they decided to apply this principle to the building of roads, bridges, schools and other public works.

Some \$400,000 was thus printed and destroyed. An old public debt of \$25,000, bearing interest at 4½%, was liquidated; an issue of \$20,000 was used for road building; schools and a college were made possible by a special issue of \$50,000. Each issue was retired by the income of each project. They never worried about money; inflation was impossible.

Somehow, London bankers heard of this "awful primitive way of doing business with people's money," and called on the King of England to squelch the practice. They demanded equal rights with the Guernsey government in issuing money. Because of their powerful backing, the bankers won.

A contract was drawn up, permitting the English bank to issue \$75,000—secured by government bonds; the government was allowed to issue an equal amount. No more than \$200,000 of the people's money was allowed to be issued, ever, and the government had to withdraw from circulation \$75,000—the amount which the bank was empowered to issue.

That was in 1836. A hundred years have passed. The people of the island still owe that \$75,000 to the bank, although they have paid already interest charges amounting to \$216,000. That

isn't all. The bank has made credit loans against the bonds, collecting some \$750,000 more in interest on these loans.

* Guernsey is the second largest of the Channel Islands, lying off the north coast of France, 46 miles from Cherbourg and about 65 miles from the British coast. Its area is about 25 square miles.

M. A. Guido at Baptist Church

Fresh from his experiences in army
 camps, the Rev. M. A. Guido will con-
 duct meetings March 31 to April 14
 in the First Baptist Church, according
 to the Rev. E. C. Ralston, pastor. Ser-
 vices will be held every afternoon at
 3:30 and every evening at 7:30. Sunday
 morning services at 10:30 o'clock.

For many years a member of the ex-
 tension staff of Moody Bible Institute,
 Chicago, Mr. Guido has virtually at-
 tained a wide reputation as a personal
 worker and young people's leader. He
 is a gifted song leader, possesses a
 rich baritone voice, and plays the vio-
 lin.

Before his conversion in his home
 town of Lorain, Ohio, Guido was a
 dance band leader and a music teacher.
 His experiences are told in a message,
 "From Orchestra Pit to Pulpit." When

he decided to enter Christian service
 he began his preparation at Moody
 Bible Institute, graduating in 1935.

Later he served as associate pastor in
 two Southern churches, in one of which
 there was an average of 110 additions
 to the membership every Sunday for
 52 Sundays. In this church he inaugu-
 rated and conducted a popular radio
 program for young people. After a
 period as a pastor, he entered evan-
 gelistic work.

Mr. Guido is accompanied by Mrs.
 Guido, who presents gospel messages
 through chemical object lessons, espe-
 cially for boys and girls.

FISH SEASON NOW OPEN

INDIANAPOLIS, March 21 (Special)—Don R. Hughes, fish and game director for the Indiana Department of Conservation, reminded Hoosier nimrods today that Indiana's fishing season remains open until April 30.

But Hughes cast a dim light on the fishing tackle situation which is, he said, "still not good."

Good bass and bluegill catches may be made during April, Hughes said, in most sections of the state, and he urged fishermen who ordinarily await the opening of the summer season on June 16 to test Hoosier waters during April.

Most bait and tackle manufacturers are beginning slowly to return their production to a prewar basis, he said, but pent-up demand on the part of millions of nimrods will undoubtedly create a tackle "shortage" throughout 1946.

The situation is complicated, he said, because of the demands of some 325,000 Hoosier veterans who have returned to civilian life minus tackle but anxious to try their luck again in Indiana streams and lakes.

WAR SURPLUS NEWS

Among the items listed this week for sale to priority claimants will be 152,000 mountain tents, in rayon or cotton. Each tent weighs 10 lbs. complete with ropes and pole. The original cost was \$27.37. Under the OPA ceiling prices they will retail to the consumer at not more than \$10.00 each.

Another item includes 57,000 collapsible rubberized life rafts, ranging in size from 1 to 10 man capacity. This item will appeal to hunters, campers, fishermen, scouts, etc.

LOCAL NEWS

TROPHIES

Creighton Bros. Rotating Trophy—given for highest scoring in Classes 3 and 4.

Robert Amis, No. Manchester R. R. 99.2

Kurtin & Kurtin Rotating Trophy—given for highest scoring dozen in Classes 6, 7, 8 and 9.

Max Clark, Piercetown 99.1

Kurtin & Kurtin Rotating Trophy—given for highest scoring dozen in the show.

Robert Amis, No. Manchester R. R. 99.2

Beeson Egg Farm Trophy—given to the school whose students enter the most dozens eggs in Class 6, 7, 8 and 9. One point for each entry.

Mentone School, won by Sue Ann Fleck, Mentone 97.0

Ribbons were given in all classes and cash awards given in classes III, IV, V, VI, VII, VIII and IX totaling \$212.00. Checks, ribbons and score cards will be mailed to winners in very near future.

There were 110 doz. eggs entered in 7th Annual Mentone Egg Show (74 White — 36 Brown.) These eggs were purchased by Swift and Co. of Mentone at top ceiling price.

The Filer Flats used for displaying the eggs were given to Mentone Egg Show through courtesy of Mac Sim Bar Paper Co., Otsego, Michigan.

The Premium Committee wishes to express their thanks for the efforts of all exhibitors and we fully realize it is thru their participation that makes an Egg Show possible.

Lester Rogers who has been sick for the past three weeks went to the Veterans hospital in Indianapolis, Wednesday.

○ ○ ○

Last Friday evening Marilyn Sue and Lester Horn were supper guests at the Ina Davis home. They helped Johnny and Janice celebrate their 11th and 3rd birthday anniversaries.

○ ○ ○

The Ummel brothers, of Beaver Dam, are the owners of the Jeep, which has made its appearance on Mentone's streets.

Let's Face the Facts About HOME BUILDING

In the confusion created about the shortage of homes in America, one point stands out clearly:

YOU CAN'T BUILD HOMES WITHOUT MATERIALS!

Lumber and building material dealers and contractors obviously have a vital interest in obtaining materials for home building.

They report, nevertheless, that such materials are not flowing through the yards; that they have not been able to get them. Therefore, the Government's HH priorities offered to enable veterans and others to obtain homes, are simply home hunting licenses—for materials in quantity are not available.

As long as OPA continues its wartime control policy rather than a policy of adjustment to aid reconversion, it will neither be able to prevent an inflation or a deflation; it will only be able to prevent reconversion by discouraging production of needed home building items.

Here, for example, is an instance of OPA action that has resulted in increased production. After 6 month's delay, OPA granted a 4% to 10% price adjustment that allowed 125 of 400 closed brick and tile plants to reopen. This price adjustment allowed these plants and 400 others that had been operating, to hire needed labor. As a result, in the next quarter production rose 35%.

But in hardwood flooring, siding, plywood, millwork, and construction lumber, OPA clings to its wartime formulas. Instead, OPA follows the unrealistic policy of allowing premium prices to mills for producing lumber for such things as export to

foreign countries, and for items that were needed in wartime industry.

Today's question is not essentially one of price control—if there were plenty of homes, no price controls would be necessary. The important question is one of production and manpower.

So far, OPA and Government officialdom in general have contented themselves with controls, allocations and priority systems which at best can do nothing but juggle an insufficient supply of building materials—and at worst, delay and retard production and the employment of manpower.

Homes will not be built in the United States unless the Building Industry builds them. Whether they are labeled "Public Housing" or "Private Homes," the same materials, the same labor, the same building industry will build them.

Production can be un-blocked by the removal or adjustment of OPA's wartime policies. But such a realistic approach cannot be attained as long as Government action is based on a philosophy of lack rather than a philosophy of abundant supply for peacetime prosperity.

The lumber dealers, builders and contractors stand ready to build or rebuild America. But it is up to the people to demand that the way be cleared for the production of materials for homes.

Any government program that does not FIRST remove the obstacles blocking production of materials will simply add additional difficulties to the problem facing the building industry.

Mentone Lumber Company

Let's Grow Vegetables of Finer Flavor

—Photo Courtesy Ferry-Morse Seed Co.

Some of the vegetable varieties grandpa and grandma raised in their garden long ago still can't be beat. But they are exceptions. Plant breeders have been extremely busy during the last half century, and particularly in recent years, developing new and better varieties and strains of all kinds. In addition to improving other characteristics in vegetables, they have been placing a lot of emphasis on getting them to taste better.

Now that peace-time gardens are underway again, you can add to your own keen interest in gardening and your own and the family's zest in eating vegetables by being more discriminating than ever before in selecting varieties to plant. And when you select for finer flavor you'll usually get all the other superb characteristics thrown in, such as tenderness, fine texture, good form, rich color, and often greater vitamin content so much desired today.

Ever munch a carrot right out of the garden row? That's the way to get true carrot flavor. Put in a row or two of Nantes this season alongside the varieties you usually plant. Compare the flavors. Nantes is the one with the blunt rounded ends which many home gardeners especially like.

Even snap beans vary enough so that choice of varieties can affect your enjoyment in eating them. The delicate flavor of brittle, golden yellow Pencil Pod is unsurpassed. Or, perhaps you prefer green beans. Ferry's Plectifol is a decided improvement over many of the older varieties with

flat pods; Tendergreen, a fairly new round pod green bean, is in the same class in excellence.

If you have never tasted the crisp dark green crumpled leaves of Chieftain, the latest development in Savoy or "odorless" cabbage, you have a treat coming. While there's no mistaking its sisterhood to other cabbages, there's a difference!

A vast improvement has been made in garden peas these later years. Little Marvel and any of the Laxton type have richer sweeter flavor than some handed down from earlier days.

Naturally, you will want your vegetable garden to consist mostly of your old favorites and standbys. But a few of the newer varieties added along with the others may prove to be a genuine revelation. If your dealer does not have them, he can undoubtedly get them for you.

Year by year plant breeders are forging ahead in the improvement of all characteristics in vegetables. Home gardens of the future are bound to furnish fresh foods even more flavorful, more nearly perfect in every way, than in the past.

NEW PRINTERS AT THE COUNTRY PRINT SHOP

Publication of the Co-Op. News this week has been accomplished with the assistance of two new printers, Earl and Orville Sage, who started their duties at the Country Print Shop Monday morning.

Mr. and Mrs. Earl Sage are the parents of four grown daughters and can boast of three grandchildren. Mr. Sage is a pressman with many years experience in presswork involving the use of many colors and intricate work.

Orville, the older of the two, is a Linotype operator and printer, and his years of experience qualify him to handle any type of work that may come into a plant. He is married but has no children. (This fact, perhaps, indicates that not having had this worry he has been able to accumulate a little more weight than his younger brother.)

The addition of these two men to the Mentone firm is further assurance that printer customers can be served with the finest in printing at all times.

The boys, too, would appreciate information regarding a home or suitable living quarters that are for rent.

WANTED TO RENT—House or apartment. Mrs. Marie Coleman, phone 32.

A marriage license was issued recently to Donald A. Hatfield, 19, son of Mr. and Mrs. John Albert Hatfield, Burket, and Faye Pratt, 21, daughter of Mr. and Mrs. Willis Elmer Pratt, Warsaw.

Pfc. James Whetstone left Friday for Camp Atterbury after 60-day furlough with home folks. Jim enlisted for 18 months more service.

Cancer Is Curable

The following pertinent facts regarding cancer are of vital interest to every citizen. Read them carefully:

ONE of every eight deaths is due to cancer.

In persons of working age, one of every six deaths is due to cancer.

Cancer takes more lives than do all contagious and infectious diseases combined!

For every one hundred thousand lives taken by such diseases as infantile paralysis, typhoid fever, scarlet fever, whooping cough, diphtheria, syphilis, measles, influenza, blood poisoning, smallpox, tuberculosis, etc. — more than 160,000 lives are taken by cancer!

Cancer kills more mothers of school children than any other malady!

Cancer kills 18 persons every hour! More than 165,000 every year!

From 1938 to 1942, 2 1/2 times as many persons under 20 died of cancer than of infantile paralysis!

While 121,363 American men were killed in battle (Dec. 7, 1941 to Dec. 7, 1944) — cancer killed 495,000 of their relatives at home. Cancer was more than 400% more deadly!

Nothing kills more women in the 35-55 age group than does cancer.

Only heart disease kills more American men than does cancer.

Cancer will kill more than 17 million of our present population of 139 million — unless we slow its momentum.

50 TO 85% OF CANCER IS CURABLE

EVERY MENTONE CITIZEN WILL SOON BE PRIVILEGED TO HELP IN THIS GREAT HUMANITARIAN ENDEAVOR.

DAVIS-BOGANWRIGHT

Of interest to their many friends in Mentone and vicinity is the announcement of the recent marriage of Miss Iris Mae Boganwright, daughter of Mr. and Mrs. Leonard Boganwright, Mentone, and Emory LeRoy Davis, son of Mrs. Myrtle Davis, Mentone. The young couple repeated their nuptial vows in a twilight ceremony March 14 in the parsonage of the Presbyterian Church at Bluffton, Indiana. Their only attendant was Mrs. Walter E. Dillman.

The bride is a graduate of Beavertown High School and is now employed at Pete's Lunch. Her husband a graduate of Warsaw High School has been discharged from the Navy, after serving 4 years and is now employed at the Co-Op Mill. For the present the newlyweds will reside with the groom's mother on Jackson street.

BOB ANDERSON ENROUTE HOME

MANILA—Technician Fourth Grade Robert E. Anderson, son of Dr. and Mrs. E. D. Anderson of Mentone, is now enroute to the States from the 5th Replacement Depot near Manila for his discharge from the Army under current readjustment regulations.

Entering the Army in May 1943, T/4 Anderson first arrived overseas at Le Havre, France, in March 1945 to serve with Headquarters Battery, 86th Division Artillery. For his Army service he is authorized to wear the Europe-Africa-Middle East Theatre ribbon with one campaign star, Asiatic-Pacific Theatre ribbon, American Theatre ribbon, Good Conduct ribbon and the World War II Victory Medal ribbon.

Anderson, whose wife, Wilma Rae, resides at 210 E. 17th St., Bloomington, plans to resume his studies in science at Indiana University under the auspices of the GI Bill of Rights after receiving his discharge in the States.

COUNTY AGENT TO SPEAK

J. Clark, Kosciusko County Agricultural Agent, will speak on the Little Red Barn program over WOWO Tuesday morning, March 26th, at 6:00, CST. Discussing a topic of interest to farmers of this area, Mr. Clark is one of the series of qualified speakers who appear daily on the Little Red Barn program which is conducted by Jay Gould, WOWO Farm Director.

In addition to the informative talks, entertainment is provided by Nancy Lee and the Oregon Rangers playing and singing rural songs.

GOSHERT - TUCKER

In a candle-light ceremony performed at six o'clock Sunday evening at the home of her parents, Miss Iola Tucker, daughter of Mr. and Mrs. Chancey Tucker, of Mentone, was united in marriage to James Goshert, son of Mr. and Mrs. Everett Goshert, of Warsaw. Rev. I. E. Longenbaugh read the double-ring service at the improvised altar before the fireplace which was banked with palms. Preceding the ceremony, Mrs. Maude Snyder played a group of piano numbers, "Venetian Love Song" and "Indian Love Call," and the entrance of the bridal party used the wedding march from Lohengrin, by Wagner. Miss Violet Friesner sang "The Bells of St. Mary's" "Ah, Sweet Mystery of Life" and "I Love You Truly." The bride, a striking blonde, chose a street-length dress of blue wool trimmed with silver nail heads. Her corsage was of red roses and she carried a white Bible with a bouquet of red roses from which fell white satin ribbon streamers. Her only ornament was a gold necklace which had belonged to her great grandmother. Mrs. Max Harmon, of Leesburg, who attended as matron of honor, and Miss Barbara Creighton of Atwood, as bridesmaid, each wore a suit of grey with corsages of white carnations. Stanley Sowerwine, of Atwood, acted as best man. Mrs. Tucker, mother of the bride, Mrs. Goshert, mother of the bridegroom, and Mrs. Etta Halterman, of Mentone, grandmother of the bride, each wore a corsage of yellow roses. Immediately following the ceremony, a reception was held for the members of the bridal party and guests. A two-tiered wedding cake topped with bridal figurines, with punch and ice cream, which was centered with a wedding bell in pink, were served from the attractively-laid table.

For going-away, the bride was attired in a three-piece ensemble of brown with which she wore matching accessories. Mrs. Goshert is a graduate of the Mentone high school. Mr. Goshert is a graduate of Manchester college and has recently been discharged after service with the U. S. army.

DOWN HOMERS APPEAR HERE.

The sophomore class presented the musical program of the Down Homers at the community hall Tuesday night. A large attendance was enjoyed.

Mr. Kelley and the members of the class, however, wish to inform the public that the selling of song books, memorandos and conducting the out-dated circus trick of selling boxes of candy containing "gift" certificates was a surprise to them. This part of the program wasn't in their agreement and they did not appreciate it any more than the guests did.

The members of the class do want to extend their thanks and appreciation to the people of Mentone for coming to their program.

PRISON SENTENCE FOR ITHEL SMITH

Itbel V. Smith, 55, formerly of Mentone and Oswego, more recently of Elkhart, was sentenced to the Indiana State prison, from two to 14 years, when he pleaded guilty to first degree arson before Judge John A. Sloan Tuesday afternoon.

Smith was brought into court by Sheriff Frank Lucas and was question-

ed briefly by the judge before sentence was passed on him. As he was being taken back to the jail, the 55-year-old father of five children expressed his sorrow for his actions.

Smith was arrested early Sunday morning by Sheriff Lucas and later confessed that on Saturday night he set fire to the home of his former wife, Mrs. Mary Smith, near Oswego. The house was destroyed. He started the

fire, he said, because he was angered by the fact that she ran away from home when he sought to gain entrance. She fled to the home of neighbors.

NOTICE D. A. R.

Meeting Thursday, March 28 at the home of Mrs. Kenneth Riner at 7:30 P. M.

Poultry supplies at the Co-Op. mill.

Mrs. Kenneth Mollenhour received word from her son, Bobby Herendeen that he is on his way to Ft. Lewis, Washington. Bobby enlisted in the U. S. Army two weeks ago.

Mrs. Walter Lacky, Mrs. T. J. Clutter and Mrs. Artley Culum attended the No. Manchester Symphony Concert last Sunday afternoon. Mrs. Don Sheeley, our local music instructor is in the second violin section.

SUMMER SLAUGHTERING

Many times it has been considered impossible to butcher during hot weather but with the facilities we now have, summer slaughtering can be just as dependable as winter slaughtering. Slaughtering in the warm months,

makes it imperative that one use the utmost care to insure that the meat will remain in the best of condition whether it be home stored, locker stored or canned. This is more important with pork, for if it isn't chilled quickly and thoroughly, removing all the animal heat before processing, it will soon become rancid and will not stand extended storage without becoming objectionable to the taste or smell. Quick cooling isn't quite as important in the winter months when the freshly slaughtered meat chills more quickly.

I am pleased to announce that no one need longer go without pork in his locker or home storage unit just because the warm summer months are approaching. Call the Locker Plant for an appointment. There are no restrictions and I will slaughter for anyone, from any place, for any purpose.

PLYLE FUNERAL HELD SUNDAY

Funeral services were held at 2:30 p.m. at the Harrison Center United Brethren church for Joseph B. Pyle, who resided west of Crystal Lake. Burial was in the Harrison Center cemetery. Mr. Pyle passed away Thursday morning at the home of his son, Fred Pyle, of Elkhart, where he had resided during the winter.

BOY SCOUT NEWS

Robert E. Gregg of the Regional Office in Chicago is visiting the Pioneer Trails Area Boy Scouts of America, this week to conduct an annual council review.

He attended a meeting of the executive board at the Hotel Goshen on Tuesday evening. On Wednesday evening he attended a meeting of the area commissioners staff at the Central Christian Church in Elkhart.

On Wednesday afternoon he conducted an inspection of the Pioneer Trails Scout Camp near North Webster in company with Charles H. Bechert, director division of water resources for the state of Indiana.

Mr. Gregg is a specialist in camping and outdoor scoutcraft. For several summer seasons he has been director

of the Region 7 Scout Landing in Wisconsin. This is a base camp for senior scout groups from all parts of the states of Illinois, Indiana, Wisconsin, and Michigan. Canoe and exploration trips into the northern Wisconsin and Michigan forests are taken from this base. A party from this area is scheduled to go to Scout Landing for two weeks beginning August 14. Scouts over 15 years of age who are interested may apply at the Pioneer Trails Council office.

Scoutcraft training clinics will be held next week with one session in each of the four districts of the Pioneer Trails area. Sessions will be held as follows: Goshen First Methodist Church Monday, March 25; LaGrange Town Hall, Tuesday, March 26; Warsaw High School, Wednesday, March 27; and Elkhart High School Cafeteria, Thursday, March 28.

The Cub Scout division will study the advancement program of Cubbing and activities related to the April program theme—air month. Operation of

a troop leaders council will be dramatized in the Boy Scout division. Other program features will include rope work, tent pitching and ditching, making ground beds, making water safe for drinking, personal cleanliness and health habits in camp, and personal packs. Emergency service and mobilizations will be featured by the Senior Scout division. Other subjects will include wilderness emergency, hikes, rope work, boat overhauling, and physical development skills.

Mrs. Bertha Chapman of Ft. Wayne was the guest of Mr. and Mrs. Sam Chapman last Friday evening.

○ ○ ○

David Bowser, Malcolm Long and Dale Kelly attended the State basketball tournament in Indianapolis on Saturday.

○ ○ ○

Mr. and Mrs. Mont Snyder and daughter, Mrs. Katherine Daley who spent the winter in California have returned home.

SCHOOL NEWS

1st Grade—Dorothy Bush who lived with Gordon Shirley has moved to Mississippi last week. He had been here since October.

2nd Grade—The second grade has four absent.

3rd Grade—The 3rd grade has a picture and above it is written "Signs of Spring."

They are studying written problems. Each one explains a problem. They had visitors last Friday. They were Mrs. Earl Anderson and Mrs. Howard Horn. Sheth Fitzgerald has been absent all

week because of sore throat.

4th Grade—James Bush went to Mississippi last week. He had been here since October.

Last Friday the 3rd and 4th grade had a spelling contest. The 3rd grade won the contest.

6th Grade—The class has been studying the story of Walter Reed and his conquest of yellow fever.

The sixth grade has had several days of perfect attendance recently.

The sixth grade has had some interesting discussions of safety methods.

Reporters:

Bonita Miner

The Mentone School was honored Friday night, March 14, with a beautiful trophy given us by the Beeson Egg Farm for the school students entering the most doz. eggs. The award was presented to Sue Ann Fleck who was to give it to the school. Also Betty East was chosen candidate from the school for egg queen.

The gymnasium was used for the meetings and also the cafeteria was used for displaying the eggs. Numerous persons commented that it was the best attended egg show that has yet been presented here.

Pat Shinn

IT'S DIFFERENT NOW

"When can I get a new car?" is today's \$64 question. But the clamor for cars is in marked contrast to the "demand" following World War I.

Then, the question wasn't "when," but "how much." For, over 74 per cent of the makes retailed above \$1,500, with nearly a fourth of those priced above \$3,000.

Most generally purchased, though, was a touring car which looked something like a bathtub with seats. Closed cars were available only at high prices.

The problems of where to drive and how to get service always confronted motorists in 1919. Compared with today's 1,406,366 miles of surfaced rural highways, only about 10 per cent of roads were paved. Gasoline stations were a novelty, not yet affording the thorough fueling, minor repairing and all-round servicing found in today's 241,000 enterprises.

Parts and equipment were expensive, too. A 30 by 3½ fabric tire cost \$18.80, and it had no tread. With a tread the price was upped to \$20, while a cord tire with a tread cost \$37.80—for a small size.

Still other economic differences in the automotive world set apart the two periods. In 1919, only 340,000 people were employed by the industry.

In 1946, plants are planning to employ more people than at any time in history, with expectations well above the record high of 517,000 workers.

Registrations of vehicles also, graphically records the changes. Slightly over 6,770,000 passenger cars were licensed then, as against 25,500,000 cars on the road now.

NELLANS-NINE

In a ceremony performed at one o'clock Friday afternoon at the home of the bride's parents, Miss Geraldine Nine, daughter of Mr. and Mrs. Hollis Nine, of Burket, became the bride of Dean Nellans, Jr., son of Dean Nellans, of Mentone. The double-ring service was read by Rev. S. M. Hill, of Mentone.

The bride was attired in a dress of gray with which she wore black accessories. Her corsage was of American Beauty roses. Miss Maxine Nine, who attended her sister as maid of honor, wore a dress of white wool and a corsage of American Beauty roses also. Miles Igo served as best man.

Immediately following the ceremony

a reception was held for the bridal party and the following guests: Mr. and Mrs. Nine and son, Ricky Kay Dean Nellans, Sr., and daughter, Jeanie, Mr. and Mrs. Ernest Igo, Mr. and Mrs. Roy Fuller, Mr. and Mrs. Eldred Paulus, Mr. and Mrs. Frank Smith, Mrs. Mondo McIntyre and daughter, Dawn, Mrs. Bert Reese, Mrs. Cora McIntyre, and Miss Joan Eherenman.

Mrs. Nellans is a graduate of the Burket high school. Mr. Nellans was graduated from the Mentone high school and recently received his discharge after serving with the navy.

Upon their return from their wedding trip which takes them through the south, Mr. and Mrs. Nellans will reside on a farm near Mentone.

SMITH FUNERAL SERVICES FRI.

Mrs. Richmond P. Smith, aged 88, who had resided a mile north of Warsaw for a number of years, died at 11:15 p. m. Tuesday at the home of her son, W. Leroy Smith, of Mentone. Her illness, which was due to complications, had extended over a period of nearly two years.

Mrs. Smith was born in Hancock county, Ohio. On September 15, 1880, she was married to Richmond P. Smith, of Kosciusko county, who died June 7, 1942. She had resided in Kosciusko county practically all of her married life, first at Mentone, later moving to the residence on road 15 north.

Surviving relatives are the son, W. Leroy Smith, of Mentone; one daughter, Mrs. Maude Coplin, of Fort Meade, Fla.; four grandchildren, Mrs. Lamar Watson, of Bartow, Fla.; Robert P. Smith, of Lansing, Mich.; Mrs. Lawrence W. Bulmahn, of Fort Wayne, and Stanley L. Smith of Warsaw; eight great-grandchildren, three sisters, Mrs. Effie Robinson, of Akron; Mrs. Addie Patterson of Amarillo, Texas, and Mrs. Rose Bright, of Seattle, Wash., and one brother, Charles O. Hosman, of Cottage Grove, Oregon. A daughter, Mrs. Earl Hatfield preceded her in death.

Funeral services will be held at 2 p. m. Friday at the Church of God in Warsaw, of which denomination she had been a member for sixty years. The pastor, Rev. L. W. Lewis will officiate. Burial will be in the Mentone cemetery. The body will be removed from the Bible funeral home to the residence, on road 15 north, where friends will be received after 1 p. m. Thursday until the hour of the service.

LIONS' LADIES' NIGHT HERE ON APRIL 17

Ladies night will be held at the Mentone Lions Club on Wednesday evening, April 17th, starting at seven o'clock, according to an announcement from the committee in charge of arrangements.

U NEED THE CO-OP. NEEDS U

SOFTBALL ASSOCIATION FORMED HERE ON TUESDAY EVENING

Plan To Solicit Funds For Public Recreation Area and Lighted Playing Field

About forty Mentone young men gathered at the town hall Tuesday evening and discussed the question of organizing a softball association and erecting the necessary equipment for night games at the recreation grounds. The group was heartily in favor of the move, and evidenced their approval by a total contribution of nearly three hundred dollars.

Mr. Heaton, of the Northern Indiana Public Service Co., was present at the request of the committee and he gave what information he could relative to the cost of the necessary lights, etc.

Following the meeting, a committee was appointed to handle the solicitation for funds within the community. The area was divided into four segments, with Highways 19 and 25 serving as the dividing line. Guido Shirey, Wayne Tombaugh, Elmore Fenstermaker, C. O. Mollenhour and Artley Cullum were named for the town of Mentone; Harold Horn and Robert Plenar will serve in the southeast quarter of the rural area, James Beeson and Donald McGowen the northeast area, Eugene Sarber and Carl Whetstone the southwest quarter, and Devon Hirschman and Herschel Teel the northwest area.

Elsewhere in this issue will be found the list of contributors to date.

REVIVAL MEETING

Beginning April 21st meetings will be held at the Methodist Church and will continue until April 28th. Chaplain Fred Wilde who served for some time in Burma will bring the messages. Rev. Harris from the Winona Seminary will conduct the music and bring special music on the cornet and vocal solos. Mrs. Harris who plays an accordion will bring special music. Mark this date in your calendar and plan to attend all these services which will begin at 7:30.

Mr. Cloyce Miller of near Claypool died Monday evening at his home. He is the father of Mrs. Edson Tucker.

REV. AND MRS. M. A. GUIDO

Rev. and Mrs. M. A. Guido will conduct meetings March 31 to April 14 in the First Baptist church. Services will be held every afternoon at 3:30 and every evening at 7:30. Sunday morning services at 10:30 o'clock.

FATHER SHOTS WIFE AND DAUGHTER SUNDAY

Lester Eber, 45, assistant postmaster at Akron, shot his wife and daughter Sunday morning and then turned the government pistol to his head and pulled the trigger. He died instantly and his wife died on the way to the hospital. The daughter, Helen, 17, at last report, remained in a critical condition at the Woodlawn hospital at Rochester.

The shooting was the aftermath of family arguments, according to all available information.

Mr. and Mrs. Charles Urschel are having a vacation in Arizona.

EMANUEL HORN PASSES AWAY

Emanuel Horn, aged 79, died at 4:30 p. m. Friday at his farm home six miles northeast of Rochester, where he had resided for the past four years. Death followed an illness of two months due to a stroke.

Surviving relatives include his wife, Laura; two sons, Ivan Horn, of Plymouth and Elden Horn, of Mendota, Ill.; one daughter, Mrs. Zoloh Long, of Bourbon; one brother, Granville Horn of Mentone; three sisters, Mrs. Amanda Imus, of Bourbon, and Mrs. Estella Snyder and Mrs. Samantha Norris, both of Mentone; eleven grandchildren and eight great-grandchildren.

Funeral services were held at 2 p. m. Monday at the Congregational Christian church at Tippecanoe, of which he was a member. Rev. R. E. Christer, pastor of the United Brethren church of Athens officiated and burial was in the cemetery of the Walnut Creek Church of the Brethren.

CLOYCE MILLER DIED MONDAY

Cloyce E. Miller, aged 51, well known farmer of near Claypool, died at 9:55 p. m. Monday at his home. Death followed a serious illness of two weeks due to complications. He had been in failing health for a period of several years.

Mr. Miller was born July 15, 1894, the son of Mr. and Mrs. John Miller, and had lived all of his life in Kosciusko county. On October 16, 1915, he was married to Roxie Parker. The deceased was a member of the United Brethren church of Claypool and of the Lions club at Claypool.

Surviving relatives include his wife; two daughters, Mrs. Joe Ault, of Claypool, and Mrs. Edson Tucker of Mentone; two grandchildren and his mother, Mrs. Ina Metzger, of Kosciusko county.

Funeral services were held at 2 p. m. Thursday at the United Brethren church at Claypool with burial in the Claypool cemetery.

Wednesday, March 20, 1946

THE NORTHERN INDIANA CO-OP. NEWS

**STATE TO RELEASE
12,000 PHEASANTS
IN ALL COUNTIES**

INDIANAPOLIS, March 28 (Special)
—The Indiana Department of Conservation will release 12,000 full-grown pheasants throughout the state beginning April 1. Harley Hook, game supervisor, announced today.
Hook said the release of 10,000 hens

and 2,000 cock birds from the Jasper-Pulaski and Wells County state game farms "is the largest release of full-grown birds ever made in Indiana."

The release stems from a decision of the Conservation Commission last fall to hold a number of hens through the winter for early spring release.

Department studies have shown that a large percentage of birds released in the fall fail to survive the winter

WARSAW, INDIANA

For Your Convenience — Please Phone 781 for Appointment

months even if they escape the hunters' guns. It is hoped that by releasing full grown birds in the spring they will rear young under natural conditions.

Mr. Hook said at least 100 birds will be released in every county in the state. Decision to attempt plantings in the southern tier of counties where pheasants do not normally survive was made at the request of numerous Conservation clubs in that area who feel that plantings in those counties have never been made in sufficient size to properly test the area's capacity.

Plantings in established pheasant territories will vary in accordance with the amount of habitat available.

Distribution of the 12,000 birds will continue throughout the month. Hook said many of the hens are already beginning to lay eggs and pointed out that vegetation by the middle of April will be sufficiently advanced to provide food.

Game farm superintendent attempted to duplicate field conditions as nearly as possible for the birds held over the winter months in an effort to harden

them in preparation for the release.

Mr. Lester Lightfoot is improving from a recent illness.

On Friday, March 22 the seniors presented to the entire student body a fine lunch. They report it was very successful and it added to the funds for the senior trip.

Betty Cain

6TH GRADE

In Arithmetic the class has begun a review of all work done this year. The class has enjoyed their club programs each Friday.

The class has chosen sides for a baseball tourney to be held during recess periods.

The pupils of the first grade have planted seeds in small flower pots so as to watch them grow.

Monday afternoon the second grade girls and boys made a very interesting trip to the fire station.

Fire Chief Arlo Freisner explained

all about the engine and all interesting visible gadgets. He was kept busy answering questions. Never were there such brave and courageous firemen and bold and daring firemen.

The second grade also have a very wonderful Dutch windmill with a real electric motor, that keeps the arms of the mill turning round and round. Thanks to Mr. Tombaugh who constructed the windmill with his son Dickies' assistance. We feel this has helped us make our project of the Dutch people more interesting. The pupils of the third grade are studying the tables of four in multiplication and how they help you in division.

They had four absent Wednesday the most in a long time.

Mrs. John Lackey was a visitor on Friday.

The fourth grade trimmed the third by one point in a spelling contest the other day and they found that they worked pretty hard to only beat by one point.

In Geography they are studying about Switzerland and in Health about first

On Tuesday evening, March 26, the Mentone High School Band and the different choral groups presented a splendidly balanced concert. The members showed thoroughness and finish that indicated long and careful hours of practice.

The many present were well pleased with the program and were quite liberal with their words of praise.

Mrs. Sheeley and her students greatly appreciated the support given by

the public. The money derived from the concert will be used to purchase instruments so much needed to make a well balanced band. Any support in the future will be gratefully received.

Mrs. Williams who was with the Urschel returned home.

Miss Wreatha McFarren and Miss Elma Jean King made a business visit to Logansport on Saturday.

Mr. and Mrs. Raymond Cooper and David visited their parents near Swayzee on Sunday.

Hungarian Granary

Hungary's plains, watered by the middle Danube and the Tisza, are second only to Russia's Ukraine as a European granary. Rain is plentiful in the growing season, stays away at harvest time. Gradually since 1918 the feudal estates of the church and old nobility are being broken up into farmer-owned small farms.

St. Elmo's Fire Explained

St. Elmo's fire is a phenomenon associated with mountain electrical storms.

INFANT DIES

A daughter, Nora Lynn, was born prematurely to Mr. and Mrs. R. E. Madden at 2:05 a. m. Friday at the Murphy Medical Center at Warsaw. The baby, which weighed two pounds, was placed in an incubator but died Tuesday.

SCOUT NEWS

The following members were present at the Scout meeting at the Mentone school building: Roscoe Davis, Tom Fitzgerald, Walter Smith, Donald Peterson, Max Friesner, Jack Riner, Carl Peterson, James Nuell, David Johns, Donald Coleman, Dick King and Scout master Noble Oylar.

There were 9 that went to Sunday School and church.

By Roscoe Davis

MENTONE HOME EC. MEETS

Mrs. Elmer Sarber was hostess to the March meeting of the Mentone Home Economics club, Thursday P. M. March 21, assisted by Mrs. Truman Long.

After the opening, conducted by the president, Mrs. Frank Warren, Mrs. Raymond Weirick read the history of the Song of the Month and Mrs. Elmer Sarber presented an interesting lesson on Refinishing Old Furniture.

Mrs. Emery Anderson demonstrated in a helpful manner the removing of old varnish.

Mystery package was won by Mrs. Isaac Horn, a guest, and eighteen members responded to roll call by the name of a favorite Irish song. Two guests were present.

PSI IOTA XI ENTERTAINMENT

Mrs. Elery Nellans was hostess recently to the Beta Epsilon Chapter of Psi Iota XI, at the home of Mrs. Lyman Mollenhour. Everyone enjoyed the delicious pot-luck supper. A new member was initiated with a very impressive ceremony.

The remainder of the evening was spent playing bridge with prizes going to Mrs. Russell Henderson and Mrs. Glen Weatherbee, and door prize to Mrs. Earl Dwyer. Mrs. Tom Stanford and Mrs. George Yehlik were guests and the following members were present: Mrs. Mott Bryan, Mrs. T. J. Clutter, Miss Genevieve Kraatz, Mrs. Delford Nelson, Mrs. Max Nellans, Mrs. Curtis Riner, Mrs. Esther Shoemaker, Mrs. Maude Snyder, Mrs. Harold Utter, Mrs. Lucille Whetstone, Mrs. Wayne

Nellans, Mrs. Ralph Mollenhour, Mrs. Earl Anderson, Mrs. Kenneth Barkman and Mrs. Ralph Ward.

CONSERVATION CLUB

MEMBERS TO MEET

There will be a meeting of all members of the Mentone Conservation club at the town hall on Friday evening, April 5th. Everybody come.

RALPH WARREN, President.

0 0 0

Mr. and Mrs. Tom Wright, South Bend, have moved to Mentone and at present are located in the Darr apartment.

A daughter, Elizabeth, was born March 16 at Community Hospital, Williamsport to Mr. and Mrs. Robert Milligan, weight 7 lbs. 3 ozs. Mrs. Milligan was the former Betty Lyon. Her sister Mrs. John Davis of Oswego, N. Y. is caring for her.

TO LATE TO CLASSIFY

WANTED—Sewing Machine made button holes. Bring to Mrs. Robert Claibough, last house on N. Tucker St., Mentone.

READING CLUB CELEBRATES TWELFTH ANNIVERSARY

The Mentone Reading Club met at the school cafeteria Wednesday evening, March 27, to celebrate the twelfth anniversary of the club.

The ladies were served a three course dinner in a room made very attractive by spring flowers and decorations.

Recorded music was played during the dinner and later the club enjoyed a cornet solo, "The Rosary," by Bedella Belle Weirick, a saxophone solo, "Simplicity," by Norbert Darr and a duet, "Bless This House," by Bedella Belle and Norbert. They were accompanied at the piano by Mrs. Arley Cullum.

After the music Mrs. Orba Taylor of Rochester very interestingly reviewed the book, "The Gauntlet" by James Street and also a chapter from "The Homecoming" by a Russian writer, Valentine Katayer, translated by Sonia Bleeker.

A former president of the club, Mrs. Walter Bowers, was our guest.

The committee in charge of arrangements for this meeting was Mrs. Vance Johns, Mrs. Miles Manwaring, Mrs. Alan G. Shirey and Mrs. Leroy Norris.

Domesticated Cattle
Domestication of cattle is said to have begun 10,000 years ago.

THE NORTHERN INDIANA CO-OP. NEWS

ARCHERS TO RENEW REDBUD TOURNNEY AT BROWN STATE PARK

INDIANAPOLIS, March 26 (Special)—Echoes will be saying "Twang!" in the hills of Southern Indiana next month.

More than 150 archers are expected to compete in the renewal of the Annual Redbud Archery Meet in Brown County State Park on April 14, and the man with the bow is one of the most rabid enthusiasts that is—of all sportsmen.

Sponsored by the Hoosier State Archery Association, the Redbud session will be the first of any importance during the 1946 long-bow season. This tournament is not restricted to members of the Association, as are the district and state meets held later. It's a family affair, too, prizes supplied by the Indiana Department of Conservation will be awarded to men, women and children. Dogs will be admitted to the park, on leash, but not allowed to compete.

During the war, Brown county's famed Redbud meet was forced to suspend operation because of the manpower shortage and gasoline rationing. Customarily the entry list approximates 150, about the same number that enters the State Championship Meet in Indianapolis.

T. C. Pike, secretary of the Association, announced today that a "cloud shoot" will be included among the Redbud events. A target is placed flat on the ground, at a long distance, and the archer must obtain a high, looping trajectory, which involves drawing a bead upon something in the sky, presumably a cloud. A bird in flight is not satisfactory, Pike said.

CANCER SOLICITATION APRIL 4 TO 17

The committee in charge of the solicitation of funds to establish a cancer clinic at the State Medical university, announces that the solicitation in the Mentone area will be conducted from April 4th to April 17th.

This solicitation is being sponsored by the Lions clubs throughout Indiana, and the funds so secured will be used for the purchase of equipment for the Cancer detection unit.

Your dollars today may save your life in the not too distant future.

**CREIGHTON IS OFFICIAL
IN FLYING FARMERS**
Hobart Creighton, of near Mentone, has been selected as an official in the

new Flying Farmers organization of Indiana. The organization's new release gives the following information regarding the officials:

State officers for the Flying Farmers of Prairie Farmer Land Indiana:

State Director: Orville Brown, Peerysville, Vermillion Co. . . . He farms 460 acres, and raises angus cattle and duroc hogs. In partnership with Kenneth Johnson, formerly of Gessie now living in Attica, Brown is building airport in Attica, Indiana. He has a landing strip on his farm at Gessie, Indiana. He flies a Cub cruiser, but plans to distribute Aerona's.

President: Ellis Volkert, Perrysville, Ind. (Vermillion County) . . . Farms 240 acres. Built one of the first truly farm airports in Indiana to operate on a large scale. More than 75 students during past year. At least 80% are farm folks. Is dealer for Aerona and Fairchild.

1st Vice-Pres.: Hobart Creighton,

Warsaw, Ind. . . . One of the world's largest poultrymen. Was until recently director Poultry Branch, Production and Marketing Administration, USDA at Washington, D. C. Is speaker of the Indiana House of Representatives. Will build landing strips on his farm this summer. Has an Ercoupe on order.

2nd Vice-Pres.: Dave Hastings, Mt. Vernon, Ind. (Posey Co.) . . . Operates 1400 acres. Is also local International Harvester dealer. Until recently was flying for Uncle Sam. Vice-pres. of the Mt. Vernon board of aviation commissioners.

Secretary: Lewis Reese, Muncie, Ind. (Delaware Co.) . . . Farms 240 acres in addition to 41 acres purchased recently for airport. Is building six plane hangars on farm. Brother Tom who also farms and flew some 3000 hours for Uncle Sam will be partner and instructor at airport. Reese's handle Piper Planes.

In honor of Miss Fawn Grubbs, who will soon become the bride of Mr. James Holloway, Mrs. Leo Anglin of Leesburg gave a dinner at her home. The guests were Miss Dorothy Swick of Akron, Mrs. James Hyde of Warsaw, Mrs. Leslie Grubbs, Miss Ellanora Lantz, Mrs. Lowell D. Whetstone of Mentone.

FUNERAL HOME

MENTONE,

INDIANA

LEGION ASKS REAL PRIORITY FOR VETS TO BUY SURPLUS PROPERTY

INDIANAPOLIS — Armed with a growing accumulation of evidence that veterans are being denied opportunities in the purchase of surplus war property, The American Legion, through its National Commander John Stelle is demanding:

1. Ranking priority for the veteran in the purchasing of surplus property, ahead of government agencies and all other groups.

2. Accurate and timely dissemination

of surplus property news and information so the veteran may know in plenty of time about all scheduled sales.

3. A system whereby, after notification is received by the veteran, he will be assured that the property is available and for sale to him as a veteran, to eliminate un-necessary traveling and expense and disappointment after he has been informed of the availability.

4. A change in the law and regulations to permit the veteran to buy surplus property for his personal use instead of only for business purposes.

5. The opening of surplus lands to veterans for homesteading and farms.

Complaints Pouring in

Veterans from all parts of the nation are deluging national headquarters of The American Legion here with complaints of the "run-around" being given them in their efforts to purchase surplus property.

"It is the same old story that we had with veterans' preference in employment where the vets got the preference and somebody else got the jobs," Commander Stelle said. "Now the veterans are getting priority certificates, but someone else is getting the surplus property."

The many letters received at national

headquarters all tell the same story, Commander Stelle said.

"Veterans needing automobiles, trucks, tractors, typewriters, refrigerators, and other goods and equipment to get into business for themselves, simply are unable to purchase them. Most of them succeed in securing their pink slips certifying to their priority to purchase what they want but they never get to use them. What they want is either not for sale or has been sold. Often they are advised about a safe after it has been held. This is a matter that Congress should look into with a lot of vigor."

"All complaints received at national headquarters are being forwarded to the Washington offices of The American Legion for action, Commander Stelle said.

"We are sending American Legion observers to advertised sales of surplus property to report on the treatment accorded veterans," Commander Stelle said.

PLAYING THE GAME

If your neighbors likes a different game

Why should you count this sin?
Our likes do not run the same,
Not even if we're twins.

He may not care for rod and reel,
He's different I'm quite sure.
His patience may not let him feel
It's triumph and its lure.

He may not like your dog and gun,
Or the game that gives you cheer,
And never picture any fun
In the sport you hold most dear.

With lavish hand all nature gives.
Such grandeur should inspire
A reverent awe in all that lives,
And temper each desire.

Some day the power that sets the sun
Shall reckon with each name,
And check not what we lost or won,
But how we played the game.

—Henry Whetsone

THE NORTHERN INDIANA CO-OP. NEWS

MRS. TUCKER BURIED HERE

Funeral services for Mrs. Mary Tucker, aged 87, a lifelong resident of Mentone and vicinity were held at 2:30 p. m. Saturday at the Johns funeral home. Mrs. Tucker died at 8:30 a. m. Thursday at the Wilson nursing home, road 30 east, where she had been a patient for the past week. Death, which was due to the complications of age, followed an illness of several years.

Mrs. Tucker was born near Mentone March 17, 1859, the daughter of Mr. and Mrs. Abram Baker. In 1881 she was married to Ebenezer Odell, who died in 1888. Their daughter died in infancy. Her marriage to Albert Tucker occurred in 1897. He passed away in 1920. She was a member of the Harrison Center United Brethren church.

Surviving relatives include three daughters, Mrs. Bessie Bybee, Mrs. Earl Mary Smith and Mrs. Mahlon (Beryl) Johnson, all of Mentone, and two nephews, Abe Wertenberger, of Warsaw, and Baker Dillie, of Argos.

Rev. Noah McCoy, of Silver Lake was

assisted in the service by Rev. Silas Hill, of Mentone. Burial was in the Harrison Center cemetery.

O. E. S. INSTALLATION

The annual installation of officers of Mentone Chapter O. E. S. occurred March 18th in the Masonic Hall.

Mrs. Mary Shirey served as installing officer. Mrs. Florence McKinley as Marshal. Mrs. Bessie DeWitt as Chaplain. Mrs. Isabelle Johns, organist and H. V. Johns, vocalist.

Officers installed were Worthy Matron, June Latham; Worthy Patron, Ora McKinley; Associate Matron, Helen Black; Associate Patron, E. E. DeWitt; Secretary, Cora Van Gilder; Treasurer, Garnet Latimer; Conductress, Hazel Fuller; Associate Conductress, Frances Marshall; Chaplain, Mabel Warren; Marshal, Fro Tucker; Organist, Ruth Urschel; Adah, Alice Molenhour; Ruth, Madeline Bybee; Esther, Vera Black; Martha, Mary Tucker; Electa, Phyllis Bowser; Warder, Goldie Molenhour; Sentinel, Virginia Peterson.

The program was planned and carried through by Sister Vera Black who has served the Chapter as Worthy Matron in a most untiring and efficient

way for the past year. The climax of this delightful evening was the refreshments served on beautifully decorated tables in the dining room.

NEW BUILDING

RESTRICTION ORDER

The Civilian Production Administration has issued an order restricting many building activities. This order became effective March 26th.

The order forbids the start of the construction of a commercial and industrial building and homes (other than for G. I.'s) unless such construction is approved in advance by the Indianapolis District Office of CPA.

The CPA will soon set up in Indianapolis a district office whose business it will be to process all applications for construction. This office will service the entire state of Indiana. Albert O. Evans has been appointed as the manager of this office—he was formerly associated with WPB.

Repairs and Alterations

A blanket exemption is given to repair, alteration, construction or installation jobs whose cost does not exceed the following amounts:

1. Houses for five or fewer families or other structures, such as a garage on residential property — also farm house—\$400.00.
2. Hotel, apartment or other residential building for more than five families, \$1,000.00.
3. Commercial or service establishment, such as stores, offices, theaters, etc., \$1,000.00.
4. Farm buildings, except farm houses, \$1,000.00.
5. Churches, hospitals, schools and public buildings, \$1,000.00.
6. Factory and industrial plants, \$15,000.00.

Completion of Projects

Projects already started may be completed if any of the materials which are to be an integral part of the structure have been incorporated on the site before March 26th and if the work is being carried on at present.

Hardship Cases

The OPA administrator also has given assurance that certain necessary new construction activities will be permitted. These include essential farm, industrial and commercial projects which cannot be postponed, as well as the unusual "hardship cases" of civilian housing. These projects of course will have to be approved by CPA.

MEETING OF COUNTRY

NEIGHBORS HOME EC.

CLUB HELD THURSDAY

The regular meeting of the Country Neighbors Home Economics Club was held Thursday afternoon at the home of Mrs. Arlene Walters.

The meeting was called to order by the president, Mrs. Mildred Meredith. Mrs. Dorothy Herendeen read the club constitution. Roll call was reported to by each member giving house cleaning hints.

Initiation was conducted by Mrs. Elenora Craig and Mrs. Elma Zent for five new members of the club, Mrs. Kathryn Teel, Mrs. Mary Besson, Mrs. LaVera Utter, Mrs. Virginia Law, and Mrs. Arlene Walters.

An auction was held with Mrs. Wilma Nelans as auctioneer. The minutes of the last meeting and a treasury report were given by the Sec'y.-Treas., Mrs. Buelah Cook. The club voted to give \$2.00 to the Red Cross fund.

Mrs. Faye Long and Mrs. Helen Shunk gave the project lesson on "What Well Dressed Windows Wear," using pictures to demonstrate how to curtain different types of windows.

The hostess and her assistants, Mrs. LaVera Utter and Mrs. Lizetta Nots served dainty refreshments to 20 members and 8 children at the close of the meeting.

A seed and bulb exchange will be held at the next meeting April 18 at the home of Mrs. Sylvia Richardson.
