MACE LLOYD, SR. DIES

Mace Lloyd, Sr., 67, of Niles Michigan, a native of Mentone, died Wednesday night, February 28. His death, due to a heart ailment, occurred at the Berrien county hospital, Berrien Center, Michigan.

Mr. Lloyd, who formerly was employed on the railroad and as a truck driver had lived at Niles for 31 years. He was born near Mentone on September 10, 1883, the son of John and Catherine Lloyd.

Surviving relatives include three sons, Richard and Mace, Jr., of Niles, and Raymond of Cassopolis, Michigan; three daughters, Mrs. Margaret Rossow and Mrs. Martha Logan of Niles, and Mrs. Harriet Kettles of Elkhart, and eight grandchildren.

Funeral services were held at 2 p. m. Saturday at the Johns funeral home. Rev. Milton Dowden, pastor of the Mentone Baptist Church was in charge. Burial was in the Mentone cemetery.

The Lloyd family formerly owned the farm southeast of Mentone now owned and occupied by the Studebaker family.

HAS EMERGENCY APPENDECTOMY

Mrs. Kenneth Riner has been a patient in the St. Joseph hospital in Ft. Wayne following an emergency appendectomy performed last Wednesday morning, Feb. 28.

Her condition is fine and she planned to come home this Thursday.

CLUB CALENDAR

The American Legion Auxiliary initiation meeting March 13 at 8 p. m. at the Legion Home.

The Mothers of World War II Unit 106 will meet at the home of Mrs. Opal Tucker, for ways of going get in touch with some of the drivers. Will leave town at 7 o'clock.

Jolly Janes Home Economics club will meet with Martha Ellsworth on Monday evening, March 12. Each member is to bring bulbs, seeds or a plant slip to this meeting for exchange or else pay a fine.

Mentone Reading club members please contact Mrs. Ora McKinley on or before Monday, March 12, if you do or do not plan to attend the anniversary dinner.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Lloyd Reese of near Macy announce the engagement of their daughter, Bonnie, to Wayne Baker, son of Mr. and Mrs. Joseph Baker of Mentone. Miss Reese, a graduate of Argos high school, is now employed at the Meek Industries in Plymouth. Mr. Baker, a graduate of Talma high school and Coyne Electrical School of Chicago, is employed with his father in the appliance business in Mentone. No date has been set for the wedding.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Harry Sullivan announce the engagement of their daughter, Monna Lee to David Johns, son of Mr. and Mrs. H. V. Johns.

Both are graduates of Mentone high school. Miss Sullivan is employed at the Urschel Clinic and Mr. Johns is employed with the Bell Telephone Co., in South Bend.

A spring wedding is planned.

WORD FROM THE FIRKINS.

Some time within the last week or so Mr. and Mrs. Robert Firkins managed to get away for their long anticipated trip to Florida. Earlier, Bob injured his back, and, one thing and another prevented their going.

A card from them says:

"Please send our paper to Wabasso, Florida. No snow or ice down here. Weather very nice and orange juice very sweet."

ATTEND DISTRICT MEETING

Members of Mothers of World War II, unit 106, who attended the district meeting of District Two, which was held at Winamac Friday, March 2nd, were: Mrs. Ethel Wagner, Mrs. LaVera Horn, Mrs. Mae Borton, Mrs. Dora Whetstone, Mrs. Blanche Paulus, Mrs. Mildred Fawley and Mrs. Helen Mollenhour.

The meeting was well planned and Mrs. Madge Stevens, of Rochester, was in charge. She was also re-elected president of the district for another year. We had the state president and the national secretary as guests. A fine luncheon was served by the Winamac unit.

WED SIXTY-TWO YEARS

Sunday, March 4, marked the 62nd wedding anniversary of Mr. and Mrs. Conrad Hand of Etna Green, R. 1. It was also the 83rd birthday anniversary of Mrs. Hand. Their children, Earl Hand and family of Niles Michigan and Mrs. Goldie Babcock of Elkhart and children were at their home for the occasion.

CELEBRATE FORTIETH WEDDING ANNIVERSARY

Mr. and Mrs. Fred Rush of R. R. 5, Warsaw celebrated their 40th wedding anniversary on Sunday, March 4, at their home four miles northeast of Mentone, from 2 to 5 o'clock.

Several guests called during the afternoon. The guests of honor received several lovely gifts.

Mrs. Rush is the former Ethel Eaton, daughter of the late Levi Eaton and Mrs. Eaton. Mr. Rush is the son of the late Bert Rush and Mrs. Rush.

Refreshments of wedding cake, ice cream and coffee were served.

Mr. and Mrs. Rush are the parents of three daughters, Mrs. Dale (Frances) Plew, of near Piercetown, Mrs. Max (Jessie) Hire, of Warsaw, and Mrs. George (Fern) Houch of Stinkington, Illinois. They also have six grandchildren.

RED CROSS DRIVE NOW ON.

The quota for Harrison township for the 1951 Red Cross fund campaign is \$750, it has been announced by G. D. Overmyer, of Warsaw, Kosciusko county drive chairman. Leroy Cox is Harrison township chairman.

The quota for Franklin township is \$475 with Loren Tridle as drive captain.

Quotas for other townships and the drive captains include: Etna, \$450, Don Poulson; Jefferson, \$400, Verle George; Plain, \$550, George Patton; Scott, \$425, Mrs. Dewey Jones; Seward, \$540, Mrs. Carole McSherry.

The drive for funds is now underway throughout Kosciusko county.

HEART FUND DONATIONS

Mrs. Harold Nelson, who was chairman of the Heart Fund drive in Mentone, reports the followings donations:

Mentone Reading Club, \$5.00; Home Economics Club, \$5.36; Psi Iota Xi, \$5.00; other donations, \$14.64, making a total of \$30.00.

HOLD FUNERAL FOR**MRS. PEARL DORSEY**

Funeral services were held Monday afternoon at the Harrison Center E. U. B. Church for Mrs. Pearl Dorsey, 68, whose body was found in a stock-watering trough near the barn of her farm home, located four miles northeast of Mentone, at noon Saturday. A verdict of suicide by drowning was returned in the death by county coroner, Dr. Orville Richer, of Warsaw.

Mrs. Dorsey, the widow of Lorenzo Dorsey who died in 1947, had been in poor health for the past two years, and under a physician's care for two months preceding her death. The body was found by a son and daughter-in-law, Mr. and Mrs. Herbert Dorsey, with whom she resided.

Mrs. Dorsey was born in Harrison township, January 16, 1883, the daughter of Jacob and Alice East. She had lived in Palestine and Mentone communities all her life. Her marriage to the late Lorenzo Dorsey took place in 1902. She was a member of the Harrison Center E. U. B. Church.

Surviving in addition to the son, Herbert, is a daughter Mrs. Mary Bentley, of Atwood, and a brother, Arthur East of near Warsaw. A second son, Milton, preceded her in death in 1949.

The pastor of the Harrison Center church, Rev. John Schroeder officiated at the rites. Burial was in the Harrison Center cemetery. The Reed funeral home was in charge of arrangements.

HAROLD WEISSERT DIES.

Harold A. Weissert, aged 52, of Mishawaka, died at 5:30 p. m. last Wednesday in the St. Joseph hospital. Mr. Weissert was born in Marshall county, Indiana, and lived here eight years, coming from Mentone, Indiana. He married Miss Pauline Mast in Bremen, Indiana, December 24, 1922. Surviving are his widow; his parents, Mr. and Mrs. John M. Weissert, of Plymouth, Indiana; one daughter, Mrs. Diehl H. Martin, Jr., of South Bend, and a brother, Charles Weissert, of South Bend. Mr. Weissert was a carpenter, and was a veteran of World War I.

Services were held at the Bubb funeral home at 1:30 p. m. Saturday. Rev. Bryant Howard, pastor of East Methodist church, officiated and burial was in Oakhill cemetery, Plymouth.

SCHOOL NEWS

Those attending the South Bend regional were: Mr. and Mrs. Burt, Betty Witham, Bonita Miner, Mary Louise Bare, Boyd Blue, Devon Marshall, Robert Boggs, Ronald Brown, Roger Creighton, Richard Kindig and Max Faurote.

Almost all teachers of the Mentone School are planning to attend the annual banquet for Kosciusko County Teachers to be held at the Armory in Warsaw next Tuesday evening.

About 150 pupils and friends of the school attended the skating party sponsored by the Junior Class at Warsaw on Monday evening. Skating lasted from 7:00 to 10:00. Mr. Kelley, Mrs. Hoffman, Mr. Lash and Mr. Kent were teachers attending. Several parents also attended. The Juniors made about \$30.

Although attendance was not quite as large as anticipated, the Junior Class Penny Supper proved a success. Net profit was about \$75. Those attending pronounced the food very satisfactory.

The Junior Class has begun work on

its class play. The three act play "Oscar's Other Half" will be given on Friday evening, April 6th. The cast will be announced later. Mr. Kelley, Junior Class sponsor, will coach the play.

The following pupils have at least B or above in every subject, including physical education and citizenship, for the fourth grading period:

Seniors: Jennie Hall, Madeleine Holt, and Sally Hoffer.

Juniors: Jackie Blue, Martha Creighton, and Donnagene Dillman.

Sophomores: Elaine Dunnuck, Merlyn Holt, Charles Urschel (all A).

Freshmen: Phyllis Boyer, and Jon Cullum (all A).

Eighth: Larry Boggs, Larry McKinley and Sheila Fitzgerald.

Seventh: Orpha Kurtz, Betty Mel-lott, Marilyn Rathfon, Sarah Urschel, and Rita Olson (all A).

Attendance for the fourth grading period:

1st grade—92%.

2nd grade—95%.

3rd grade—95.5%.

4th grade—95.2%.

5th grade—95.3%.

6th grade—96.7%.

7th grade—96%.

8th grade—97.9%.

9-10th grades—96.4%.

11-12th grades—95.3%.

Don't forget the class tourney that is scheduled for Wednesday and Friday, March 14 and 16.

CARD OF THANKS

I want to thank everyone of my friends and relatives, for cards and gifts on my birthday March 1st. Also thanks to Mrs. Agnes Rans, for the delicious angel food cake she gave me.

GO TO CHURCH SUNDAY

For almost a score of years the boroughs of Warsaw and Winona have jointly sponsored this Go-To Church-Sunday campaign. About three years ago the county was invited to participate in this project. It responded with inadequate interest to make it a success.

This year the service clubs of the county have been requested to assist in organizing the movement. The Mentone Lions Club president, Richard Manwaring, appointed the Rev. David Gosser and Roy Cox to represent the club at the Warsaw meetings.

Each Monday afternoon at four o'clock the planning committee met either in the director's room of the Lake City Bank or in the Rodeheaver Room at the Warsaw Methodist church. The service club representatives were requested to contact all churches within our areas and ask that a contact man be named for each church. The Mentone representatives reported that Dale Kelley would represent The Church of Christ, Joseph Jones, the

Pastor; Rolland Ferverda for the Baptist Church, Milton Dowden, the Pastor; and Raymond Lash for the Methodist Church, D. P. Gosser, the Pastor. Kyle Gibson was reported as contact man for the Harrison Center E. U. B. Church, but because Rev. Schroeder is also the Pastor for the denomination church in Etna Green, the afore mentioned church would work under the direction of the Etna Green service club.

The Olive-Bethel Church of God at the extreme south of Franklin Township has just recently received a new pastor, and through his pastoral work would emphasize the Go to Church movement.

Each participating church is asked to help share in the expenses of the movement, and an assessment of five cents per member has been set for that purpose. This is to defray the expenses of printing the hand bills which this week will be distributed throughout the County.

For almost a full week the representatives of the local Lions Club worked over maps of Harrison and Franklin

Townships outlining areas to designate to contributors who would go from house to house with the hand bills and urge the people to make a special effort to attend THE CHURCH OF THEIR CHOICE on GO TO CHURCH SUNDAY, March 11. Then the men had to be contacted to see if they would assist in the project. There were only one or two rejections in the total of almost fifty contacts made. This fine response was greatly appreciated by Rev. Gosser and Mr. Cox.

On Tuesday morning at the "kick-off" breakfast which was held at the Eskimo Inn at Winona Lake from seven to eight o'clock, the material which had been pre-packaged was distributed to the men who will be calling at your homes and inviting you to attend some church this coming Sunday. It is the hope of all the workers of this project that they will be courteously receive and that the response on Sunday will mean the churches of Kosciusko County will be filled to overflowing, not that it shall then be just this occasion, but that every Sunday will, for more people, GO TO CHURCH SUNDAY.

The distributors who will be calling in the Mentone community are: Harry Sullivan, Leo Valentine, Robert Jones, Donald Emmons Jr., David Cooper, Pat Kehoe, Curtis Riner, Noble Babcock, Orvin Heighway, Paul Cumberland, Tobie Blalock, Evertt Beeson, Everett Welborn, Norbert Darr, Roscoe Davis, Everett Rathfon, Charles Feldman, Ralph Mollenhour, D. L. Bunner, Roland Ferverda, Noble Oyler, Heston Creviston, H. V. Johns, Claude Gates, C. O. Eller, Kenneth Romine, Russell Norris, LeRoy Norris, Joseph

Boggs, Eugene Marshall, Lester Bruner, W. C. Kercher, Roy Haney, Mott Bryan, Charles Eaton, Ray Eckert, Raymond Lash, and Harold Horn.

The churches at Beaver Dam and Rock Lake are to be recognized and worked through the Burket district or area.

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

Films on various phases of health loaned by the Division of Health and Physical Education of the Indiana State Board of Health have been shown to 209,431 persons with 4,948 showings since July 1.

The film showings average over 800 a month except in the summer months, according to Robert Yoho, director of the division. The number of persons seeing the films averaged last year over 40,000 a month except during the summer months. January was a top month with 41,027 persons seeing 1,042 films.

The Board of Health has a film library of 150 films on safety, physiology, tuberculosis, preventive medicine, sanitation, nutrition, cancer, dental health, nursing and diabetes. Thirty-one new films were added last year. The films are much in demand by schools and the more popular films are scheduled as far as a year ahead.

Three hundred and thirty-one talks with an attendance of 18,850 persons have been given by Board of Health personnel during the seven month interval and 61 exhibits planned. The number of pieces of literature distributed totals 238,236. The average monthly distribution of literature except in the summer months is over 30,000 pamphlets on various phases of health.

BLUEGILL SUNFISH

When the Bluegill Sunfish sees a baited hook dangling in the water, it doesn't go after the morsel with a rush. Instead it takes the hook slowly and calmly. But when it realizes that it has been caught, there is nothing tame

© National Wildlife Federation
Bluegill Sunfish

about its actions. It begins to put up a battle, trying every trick it knows to get loose. That is why many fishermen call it the gamest of all fish for its size.

It is also one of the most plentiful, reports the National Wildlife Federation. The Bluegill is found in a broad region extending all the way from the Great Lakes to Florida and the Rio Grande. In nearly every quiet stream, pond and lake of this area, there are thriving schools of Bluegill Sunfish.

The best place to look for them is in spots where there are patches of water plants growing in five to fifteen feet of water. You may find them either in the sparkling cold water of northern lakes or in warm, slow-moving streams farther south.

If you go fishing, you will discover

that many kinds of bait attract the Bluegill. It will bite on angleworms, grasshoppers, crickets, white grubs and small minnows, and it will try artificial flies and small spoons, too.

For its daily diet, the Bluegill Sunfish goes after insects which live in the water or which fall on the surface by chance. Now and then, it also makes a meal of a smaller fish. All the while, it must be on guard lest it become a meal itself—for a hungry, large-mouth black bass.

When it comes time for laying eggs, the Bluegill hollows out a spot in the mud and sand at the bottom of a pool. There the eggs are deposited and guarded until they hatch.

The young Bluegills are somewhat silvery in color, with just a faint touch of purple, and their bodies are slender. As they reach adult size they turn dark and bluish, and sometimes they show a patch of coppery red underneath. They also lose their slender shape and become considerably thicker through the body. At full growth, they may measure up to fourteen inches in length and weigh a pound and a half.

Because the Bluegill is a hardy fish under many different conditions, it is successfully kept in man-made ponds. Large numbers of Bluegill are produced in hatcheries.

The National Wildlife Federation points out that this fish is also known by other names. Among them are the Blue Sunfish, Bluemouthed Sunfish, Blue Bream, Porgy Sunfish, Blue Perch, Bluefish, Blue Joe, Coppernosed Bream, Black-eared Pondfish, and Dollardee. Most of these names are used only in

limited areas, though, and it is most widely identified as the Bluegill Sunfish.

Interesting information about other wildlife species can be obtained by writing to the National Wildlife Federation, Washington, 10, D. C.

METHODIST CHURCH NEWS

One hundred and thirty-five persons enjoyed the Singspiration that was held in the church on Saturday night. The young people were especially enthusiastic and are planning on attending the next one which will be held at the Silver Creek Church of God or Log Bethel Church.

After attending the Settlement Day meeting in the recently remodeled Methodist Church at Shipshewana, the Rev. David Gosser addressed the congregation of the Bethel Methodist Church on the Inwood-Bethel charge at an evening session. He was accompanied by Mrs. Gosser to the service.

The proposed time for presenting the Cantata, "From Darkness unto Light" is Good Friday night at seven-thirty. This will be observed on Thursday evening of that week.

Denton Abbey, Lay Leader for the local Methodist Church will address

the congregation of Summitt Chapel in the absence of their pastor this Sunday, March 11. At the recent Fourth Quarterly Conference Mr. Abbey was elected to be Licensed Lay Speaker.

The pastor who is also the director of the Methodist Church Choir announces that it is imperative that all men and women who wish to be in the Cantata be present at the rehearsal this Thursday evening at seven-thirty.

Wayne Tombaugh, Neighborhood Scout Commissioner and Chairman of the Youth Promotion Committee of the Methodist Church is attending the Governor's Youth Conference at Indianapolis on March 8. He will report on the work of the Conference at the close of the Worship Service on Sunday morning.

**CO-OP. STOCKHOLDERS
HOLD ANNUAL MEETING**

Officials Report Sales of Over A Million Dollars In 1950.

The annual stockholders' meeting of the Northern Indiana Cooperative Association was held at the Mentone school Monday afternoon, and officials reported total sales for the year 1950 were the third highest in the history of the patron-owned organization, being exceeded only by the abnormal years of 1947 and 1948. Total savings on operations amounted to \$45,246.11, and after payment of interest on stock outstanding, \$34,264.11 in savings was

paid in cash and credited to the accounts of 1950 purchasers of merchandise at the various branches of the association.

Mill patrons shared the highest percentage of patronage dividends with a percentage of four and one-half percent. The metal shop and oil station followed with 4.3% and 2.7%. Building Material and Hardware were 1.2% and .3%.

The financial statement of the organization showed total combined assets of \$310,467.64.

Following the reports of the various officials, an election was held to fill the vacancies created by the expiring terms of Everett Rathfon, Elmer Dick-ey and Kyle Gibson, all of whom were reelected by good majorities.

This year the directors had amended the by-laws relative to elections, and like most clubs, organizations, etc., appointed a nominating committee to nominate candidates for directors. Six were thus named and the stockholders present at the meeting had the privilege of nominating any others they might choose. Prior to the meeting ballots containing the names of the six candidates were mailed to all the stockholders of the association and they could vote by mail if they would be unable to attend the meeting in person. Charles Leininger, Andrew Hall and Ray Terry were named election tellers and they, in company with the secretary, tabulated the mail ballots.

The officials of the company appreciated the help of the nominating committee and the tellers, who gave their services freely for the organization, and also to the Harrison township school officials for the use of the school for the meeting.

At an organization meeting following the meeting the following officials were named:

Raymond Lash, president.
Everett Rathfon, vice president.
Max Nellans, secretary.

Enviably 10-Year Record

A summary of the total sales, patronage refunds and wages paid during the past ten years emphatically illustrates the magnitude of the patronage-owned business and the part it plays in the business life of the community. It has provided many of the services which are required for a progressive community such as ours, has cooperated with the other business services of the town and aided materially by offering services which has prompted many to make Mentone their trading center. Total patronage earnings over the period have amounted to \$394,356.68 and a total of over a half million have been paid out in wages.

The reports for the past 10 years are:

Year	Sales	Labor	Savings
1941	\$ 561,416.88	\$28,212.04	\$37,397.54
1942	687,887.12	38,310.64	40,091.43

1943	754,017.78	40,285.95	24,922.07
1944	637,618.72	40,705.33	23,433.35
1945	669,605.52	41,199.45	25,057.91
1946	929,441.22	53,644.69	53,101.75
1947	1,179,139.51	66,434.13	72,955.05
1948	1,133,860.68	68,442.62	28,461.57
1949	999,695.43	69,862.72	43,679.90
1950	1,032,559.63	68,950.61	45,246.11

\$8,585,242.49 \$516,048.18 \$394,356.68

Vital Segment In Business Activity

Occasionally one hears a bitter remark by private citizen against cooperative organizations, but as a rule all are aware of the vital part cooperative enterprises play in the business of the day. Most co-ops attempt to operate on a reasonable competitive basis, keeping rather closely in line with normal pricing. Regardless of the one-sided blasts from big business interests about "tax-free co-ops" cooperatives pay every tax any business or individual business owner pays except corporation profits tax. In a cooperative the patrons' savings (which would be profit in a corporation or privately owned business) are taxable when the original purchases were credited against the cost of operation on a farm or business. This isn't escaping taxation, as some would try to make us believe, in an effort to have us help

them to develop monopolistic business segments. There have been instances where cooperative units have built up a large physical asset structure on funds that likely would have been subject to tax under a corporation or private business, which, in our mind, is about the only real complaint corporations could make against cooperative tax law, and there is prospective legislation proposed to partially remedy this.

The taxable valuation of the Mentone organization is approximately one-eighth of the total valuation of the town of Mentone, according to officials of the company.

ROYAL NEIGHBORS MEET

The Royal Neighbors met at the home of Clara Parker Tuesday evening, March 6. Oracle Mary Borton presided. Thirteen members responded to roll call.

After the business session, contests were played with prizes going to Mary Teel and Lillian Witham.

Next meeting will be held at the home of Folsom Newell.

Delicious refreshments were served by Mrs. Parker and her assistant, Mary Teel.

**IF
YOUR DOG
HAS BAD HABITS**

It's easy for a farm dog to develop bad habits. It's almost as easy for you to break them. Here are some pointers on how you can help your dog convince himself that he shouldn't dig holes or suck eggs. The instructions are from the informative Purina Farm Dog Book on how to care for and train the farm dog.

Digging Holes

If Rex is digging out woodchucks somewhere in the back forty, nobody cares very much about it. But, if he persistently digs in Mother's flower bed or in Sister Sue's garden, that calls for action. Locate his favorite digging spot, then put some small mousetraps there, set them and cover them with earth.

Now you might even encourage Rex to do a little bit of digging there. Is he in for a surprise!

After a few bad experiences like that in the flower garden, he will give it up as a bad mining territory and confine his efforts to woodchuck holes.

Sucking Eggs

Sometimes farm dogs develop a taste for fresh eggs and arrange to arrive at the nest before the person with the egg pile. This habit can be cured as follows:

First, locate the nest which the dog likes to rob. Then, take an egg, make a small opening on each end and blow out part of its contents. Seal one end with wax and refill

with black pepper or ground horse-radish. Now seal the other end, shake well and place several such eggs in the nest.

Since they are sealed with wax, the dog cannot smell the contents. He will try these eggs if all the others have been removed. It needs only a few experiences like that to cure him of nest-robbing for good.

A copy of the Purina Farm Dog Book may be purchased for 50c at Purina dealers.

SPECIAL W. S. C. S. MEETING

The special feature for the W. S. C. S. meeting for Thursday night, Mar. 15th, will be a presentation on "Women of the Old Testament," by Mrs. Elmer Funk, of Warsaw. She will illustrate by using costumes and Oriental music. She is an enthusiastic speaker and the program will be well worth while.

The committee arranging for this is Arvilla VanGilder and Mary Manwaring. Hostesses will be Stella Emmons, Emma Clutter and Ellen Stanford.

SEE WARD'S for Armstrong Rubber and Asphalt Tile. Free estimate on installing. Ward's Paint Store, phone 152.

ELECTRIC ORGAN OWNERS GROUP GROWING

Mr. and Mrs. Vance Johns recently joined the group of local organ enthusiasts when they installed a Wurlitzer electric organ in their home. They felt an organ would add immeasurably to all services held in the funeral home and afford many hours of personal enjoyment.

Other organ lovers and owners in Mentone and vicinity are Mrs. Charles Creighton, Mrs. Jack VanGilder and Mrs. Maude Snyder, who own Hammond electric organs. Mrs. Snyder gives organ instructions.

Also, we should mention Mrs. Dan

Urschel and Rev. David Gosser along with organ enthusiasts. They do their playing on the Hammond electric organ at the Methodist Church, where Ruth is organist. Rev. Gosser, living next door, is close enough to indulge in some organ playing but we don't see where he'd ever find the time.

SCOUT NEWS

On Friday evening, March 9, there will be a meeting for the parents of boys interested in Cub scouting. If possible, both parents should be present to hear the organization of this program. Mr. Ralph Hudson and Mr. Cecil Armstrong of Warsaw will be present to organize this work.

The age for Cub Scouts is eight years through ten. On the eleventh birthday anniversary the boy may enroll in the Boy Scout Troop.

MEMORIES OF MOTHER NATURE

On down the trail of memories our minds wander, just dreaming and thinking, living those old hunts all over again, just like they were only yesterday. Many times, just out in the woods roaming trying to get a good dose of Mother Nature's tonic of sunshine, fresh air, the smell of frost-bitten leaves, the crunch of acorns and nuts under our feet which had dropped from the mammoth trees which Mother Nature produced.

We think of the many ways Mother Nature takes its course in providing for its children and we also think of the destruction man has made in the beauties she so carefully planned and toiled so many years in growing for man to enjoy or destroy, just as he pleases. I have come upon many den trees that once stood high in the air and carried the weight of many old 'coon, sheltered hundreds of baby 'coon and young squirrels scrambled about in its branches, had produced many bushels of acorns to feed many hungry animals and hogs, had dropped tons of her leaves to rot into humus to strengthen the soil which had faithfully fed her for more than a century, had provided many a sportsman with hours of pleasure sitting under her shade fishing in the creek or while he waited for that little squirrel to appear among her branches. And now she lies upon the soil which had fed her through these years, to rot, never to do any more good, all because some thoughtless hunter came along with hounds, gun, saw and axe, labored for hours to see her give way to life so he could murder the last little coon that was reared there. He had spent the summer there and played many hours with his brothers and sisters and had given the hounds more than an hour of chase before he decided to go to his home in the tree, little realizing that this was to be the end for him. That is a sad picture and we don't have to sit by the fire and think of such sights to suddenly be awakened by the better half, questioning what our thoughts might be. She at least knew it was somewhere in the woods with the dogs, enjoying the gift of Mother Nature.

**CO-OP. STOCKHOLDERS
HOLD ANNUAL MEETING**

Officials Report Sales of Over A Million Dollars In 1950.

The annual stockholders' meeting of the Northern Indiana Cooperative Association was held at the Mentone school Monday afternoon, and officials reported total sales for the year 1950 were the third highest in the history of the patron-owned organization, being exceeded only by the abnormal years of 1947 and 1948. Total savings on operations amounted to \$45,246.11, and after payment of interest on stock outstanding, \$34,264.11 in savings was

paid in cash and credited to the accounts of 1950 purchasers of merchandise at the various branches of the association.

Mill patrons shared the highest percentage of patronage dividends with a percentage of four and one-half percent. The metal shop and oil station followed with 4.3% and 2.7%. Building Material and Hardware were 1.2% and .3%.

The financial statement of the organization showed total combined assets of \$310,467.64.

Following the reports of the various officials, an election was held to fill the vacancies created by the expiring terms of Everett Rathfon, Elmer Dickey and Kyle Gibson, all of whom were reelected by good majorities.

This year the directors had amended the by-laws relative to elections, and like most clubs, organizations, etc., appointed a nominating committee to nominate candidates for directors. Six were thus named and the stockholders present at the meeting had the privilege of nominating any others they might choose. Prior to the meeting ballots containing the names of the six candidates were mailed to all the stockholders of the association and they could vote by mail if they would be unable to attend the meeting in person. Charles Leininger, Andrew Hall and Ray Terry were named election tellers and they, in company with the secretary, tabulated the mail ballots.

The officials of the company appreciated the help of the nominating committee and the tellers, who gave their services freely for the organization, and also to the Harrison township school officials for the use of the school for the meeting.

At an organization meeting following the meeting the following officials were named:

Raymond Lash, president.
Everett Rathfon, vice president.
Max Nellans, secretary.

Enviably 10-Year Record

A summary of the total sales, patronage refunds and wages paid during the past ten years emphatically illustrates the magnitude of the patronage-owned business and the part it plays in the business life of the community. It has provided many of the services which are required for a progressive community such as ours, has cooperated with the other business services of the town and aided materially by offering services which has prompted many to make Mentone their trading center. Total patronage earnings over the period have amounted to \$394,356.68 and a total of over a half million have been paid out in wages.

The reports for the past 10 years are:

Year	Sales	Labor	Savings
1941	\$561,416.88	\$28,212.04	\$37,397.54
1942	687,887.12	38,310.64	40,091.43

1943	754,017.78	40,285.95	24,922.07
1944	637,618.72	40,705.33	23,433.35
1945	669,605.52	41,199.45	25,057.91
1946	929,441.22	53,644.69	53,101.75
1947	1,179,139.51	66,434.13	72,955.05
1948	1,133,860.68	68,442.62	28,461.57
1949	999,695.43	69,862.72	43,679.90
1950	1,032,559.63	68,950.61	45,246.11

\$8,585,242.49 \$516,048.18 \$394,356.68

Vital Segment In Business Activity

Occasionally one hears a bitter remark by private citizen against cooperative organizations, but as a rule all are aware of the vital part cooperative enterprises play in the business of the day. Most co-ops attempt to operate on a reasonable competitive basis, keeping rather closely in line with normal pricing. Regardless of the one-sided blasts from big business interests about "tax-free co-ops" cooperatives pay every tax any business or individual business owner pays except corporation profits tax. In a cooperative the patrons' savings (which would be profit in a corporation or privately owned business) are taxable when the original purchases were credited against the cost of operation on a farm or business. This isn't escaping taxation, as some would try to make us believe, in an effort to have us help

them to develop monopolistic business segments. There have been instances where cooperative units have built up a large physical asset structure on funds that likely would have been subject to tax under a corporation or private business, which, in our mind, is about the only real complaint corporations could make against cooperative tax law, and there is prospective legislation proposed to partially remedy this.

The taxable valuation of the Mentone organization is approximately one-eighth of the total valuation of the town of Mentone, according to officials of the company.

ROYAL NEIGHBORS MEET

The Royal Neighbors met at the home of Clara Parker Tuesday evening, March 6. Oracle Mary Borton presided. Thirteen members responded to roll call.

After the business session, contests were played with prizes going to Mary Teel and Lillian Witham.

Next meeting will be held at the home of Folsom Newell.

Delicious refreshments were served by Mrs. Parker and her assistant, Mary Teel.

Farmer's Question Corner

PREPARED BY
American Foundation For Animal Health

What About Rabies?

Q: What is rabies?

A: It is a fatal, virus-borne disease which can affect both animals and human beings.

Q: How is it spread?

A: The virus of rabies is usually spread by the bite on an animal suffering from rabies. The saliva from a rabid animal contacting the eye or through scratches or cuts on the skin, can also spread it.

Q: What animals get rabies?

A: It is most common in dogs. However, farm livestock, wolves, foxes, coyotes, cats, squirrels and skunks may develop rabies.

Q: What does rabies look like?

A: Suspect rabies when dogs and when dogs behave normally. Gentle animals may become pugnacious. Dogs may either have dumb rabies, which appears like a bone in the throat and a paralyzed lower jaw; or furious rabies where the animal wants to bite anything within reach.

Q: Can the disease be prevented?

A: There is a very effective vaccine used by veterinarians to prevent the disease in dogs—also to protect valuable livestock in rabies areas.

Q: What should one do if rabies is suspected?

A: Contact a veterinarian immediately. Confine any suspect dog or farm animal. If a person is bitten call a physician at once.

Q: Can rabies be cured?

A: It is almost always fatal, but can generally be prevented by protective vaccination.

Q: How should a dog or other rabid animal that is biting livestock be destroyed?

A: Kill it by shooting, but never through the head. This damages the brain for testing in the laboratory. If an animal can be confined until death this permits more accurate diagnostic laboratory results.

NOTE—Due to space limitations, general questions cannot be handled by this column.

by McFeatters

"It's a new system—but quite effective!"

FRIENDLY NEIGHBORS MEET

Mrs. Richard Greulach, Jr. entertained the Friendly Neighbors Home Economics Club on Tuesday afternoon, March 6. Mrs. Oral Welch served as co-hostess.

The meditation, Deacon Brown's Courtship, was given by Mrs. Donald Boggs. The RH blood factor was the health topic given by Mrs. Everett Besson. Mrs. Orian Deaton gave the lesson on Household Plastics.

It was voted to give \$5 to the Heart Fund.

Lovely refreshments were served to 17 members and one guest, Mrs. Herman Olson.

The next meeting will be at the home of Mrs. Chester Ballenger on April 5.

COUNTRY HATCHERYMEN MEET

Henry Mangus of the State Poultry Association was the guest speaker at their meeting held last Wednesday, February 28 in Warsaw. He pointed out that hatcherymen in this, "the egg basket of the middle west", set the pace for the entire state.

Arthur Kinsey of Claypool was elected president; Freeman Gruenwald of R. R. 2, Warsaw is secretary-treasurer. Fred Beeson is the retiring president.

P. T. A. REALIZES NICE SUM IN SPECIAL PUBLIC EVENT

The Mentone P. T. A. organization report proceeds of \$61.11 at the special basketball games held last Wednesday evening at the Community Building. The event was arranged by the Ways and Means Committee, which is composed of Loyd Miner, Trella Tombaugh and Charles Manwaring.

The nominating committee announced during the evening was: Ruth Cullum, Olive Tucker and Dale Kelley.

The first basketball game of the evening was between the North Manchester and Mentone Junior Hi boys, but the feature event of the evening took on the aspects of a brief interlude in one of Olson & Johnson's first attempts in the show business.

There appeared to be some prearranged plan between the teachers and parents to make it a dress revue rather than that of muscle, brawn and athletic ability. There were pajamas, kimono's, dresses (in various percentages, such as one-half, one-fourth, etc.) sideburns, mustaches and whiskers, bay-windows, transoms and shiny bald heads, baseball masks, false faces, eski-

mo coats, hoods and mukluks, and after they'd peeled off four of five layers off Teacher Law they didn't leave much but an oversized foundation with its anchor hooks hanging in the breeze.

The referees, Macy Nelson and Joe Boggs, were nattily attired in their polecat shirts, but soon found their reputations as stern BB pilots availed them nothing. Jump balls were sometimes hit before being tossed up and then again—not to be outdone—the "refs" faked a bit and didn't throw the thing. Needless to say the jumpers wasted a lot of effort jumping after the ball that wasn't there, like the pain in HST's tax program. Coach Burt, the boy that gets paid to inject sportsmanship in our boys in the school, put on a neat demonstration of a poor investment. Parent Smalley put coach on his ear—and elsewhere—literally, figuratively and horizontally, in the first few seconds of the game, when he got down on all fours while coach was running backwards. Funny thing, he happened to be right in coach's way.

The final score is immaterial as far as I'm concerned, but if it hadn't been that the intelligence squad signed up the janitor, who made some of the most unconscious shots ever seen on a basketball floor, the boys who earn the money to pay the taxes might have won.

The event was a lot of fun for everyone—including Carroll Eiler in his Alice-Blue-Black-Gown and curly locks of blonde.

MARRIED AT LOWERY

AIR FORCE BASE

Pvt. and Mrs. Robert Hibschan are at home at 1529 Havana St., Aurora, Colo., following their marriage on Sunday afternoon, Feb. 25th. The double ring ceremony was performed by the chaplain of the air base in the chapel, in the presence of the parents of the young couple and several of Pvt. Hibschan's buddies from his squadron. Organ music was presented before and during the ceremony. The bride was given in marriage by her father.

The bride chose a two-piece dress of botany beige satin for her wedding the skirt in plain and the tight fitting short jacket in a brocade of the same material, buttoned down the front with tiny self covered buttons. The long sleeves were tight fitting at the wrists. She carried a bridal bouquet of white carnations centered with two gardenias and tied with a large bow of white satin ribbon. Her shoulder length veil was fastened to a wide band of orange blossoms. The matron of honor, Mrs. Al Kimble, wore a suit of bright grey with shell pink accessories, her corsage was of white carnations. The best man, Pvt. Al Kimble, and the groom wore the air force dress uniform. The bride's mother chose a beige suit with brown accessories; the groom's mother wore a dress of toast brown with dark brown

accessories, and each wore a corsage of violet blue iris.

The bride was the former Miss Betty Lee Tanis, only daughter of Mr. and Mrs. K. E. Tanis of Wichita, Kansas, formerly of near Mentone. She was employed in the office of the Co-Op. feed mill. The groom is the son of Mr. and Mrs. Raymon Hibschan, of near Mentone, and was engaged in farming with his father before his enlistment in December. The young couple expect to be home on furlough the latter part of April, or as soon as Pvt. Hibschan completes his schooling in Technical Supply.

ATTEND BEAUTY CONVENTION

Mr. and Mrs. Lyman Mollenhour and Mr. and Mrs. Mervin Jones spent Sunday in Chicago. The ladies attended the Midwest Beauty Convention at the Hotel Sherman.

The Convention was an unusually large one this year as it may not be held for some time due to war conditions.

They saw many demonstrations on permanent waving, hair styling, hair coloring and shaping. The hair styles are to be somewhat longer than last year with more waves and brushed back from the face.

NEW CASTLE TOWNSHIP NEWS

Mr. Lavoy Montgomery has returned home after spending sometime in Indianapolis as the guest of Mr. and Mrs. A. E. Walker and family and Mrs. O. M. Walker.

Mr. O. C. Montgomery has been on the sick list.

Mr. Harry Srivver has resumed his duties at the Hatfield Grocery and Market after being on the sick list.

Mr. and Mrs. Charles Good spent Sunday in Elkhart as the guests of their son and daughter-in-law, Mr. and Mrs. James Good and family.

Mrs. C. M. Walker and son of Indianapolis are spending the week here at their cottage.

Talma P. T. A. will meet at the Community Building at 7:30 p. m., March 13th.

Mr. W. A. Dick has been confined to his home here with the flu.

Rev. and Mrs. Jack Aebersold and daughter have returned to their home in Bourbon after being called to Ohio to attend the funeral of Mrs. Aebersold grandmother. Rev. Aebersold is pastor of the local Methodist church.

Mr. Laren Kramer has been on the sick list.

Mr. Lavoy Montgomery spent Sunday evening in Akron as the guest of friends.

Mr. and Mrs. Herbert Myers of near Richland Center were the Sunday guests of Mr. and Mrs. Robert A. Calvert.

Mr. and Mrs. Thurman Ridgway and son, of South Bend, spent the week end with Mr. and Mrs. Miles Manwaring and family.

Grandma Nellans is in a very serious condition. She rallied some on Tuesday but was not so well on Wednesday.

4-H JUNIOR LEADERS

(Prepared by Ruth Ann Nine, N. Web.)

Junior leaders are an important part of any 4-H club. It is their duty to assist the adult leader in any way possible. Junior leadership provides an opportunity for the personal development of leadership ability. With leadership comes work. As one Junior leader said, "I have found that if you want the honor of being a Junior leader you have to do some extra work." This extra work might be small but it all means something. A Junior leader helps in re-organization of the club and enrollment of the members. He or she assists in the planning of the club program for the year. Some

Junior Leaders are assigned a certain group of club members and he or she must see that these members complete their projects. Junior leaders have many duties at club camp, county fair, and local and county achievement programs. Lastly they attend all possible Junior leader meetings and participate in these meetings.

A Junior Leader not only has work to do but he or she has many things that can be learned each year that he or she is working with new 4-H club members. Here are a few examples of some things that they have learned.

"The first thing I learned was that the smaller members of your club look up to you and expect help and leadership. I went to 4-H camp and found that the smaller ones depend on you more than I ever knew. Sometimes they get homesick and you have to cheer them up or they may feel they are slighted in some way and you have to show them that everyone at camp is their friend."

"During my first year as a Junior leader I learned that I was not too young to be an officer in the county organization. Thus 4-H began to develop my sense of responsibility."

"I wanted to be a Junior leader. I learned that you had to set an example for the younger members."

A Junior leader not only has much work to do and carries many responsibilities but he or she has to be a friend to all.

Kosciusko County has a well organized group of Junior leaders and assistants. They have their own officers. These officers are persons who have learned what responsibility means and are doing much to help with the advancement of 4-H club work in this county.

BEAVER DAM CLUB MEETS

Beaver Dam Home Economics Club met on Wednesday, February 28 in the Akron Library with Mrs. Amanda Wanhagata as Hostess, assisting were Mrs. Henry Blesch and Mrs. Ed Creakbaum.

A lesson on Soap Detergents was given by Mrs. Merl Tucker. Mrs. Elmer Dickey opened the meeting with America the Beautiful sung by the group after which the creed was repeated.

Mrs. Daniel Slaybaugh gave the Devotions and the Pledge to the flag was given. Health lesson was given by Mrs. Orin Craig. Business was conducted by the President, Mrs. Ed. Creakbaum. The group voted to contribute to the heart fund.

Roll Call was answered by giving a Valentine jingle. At the close of the meeting The Club Collect was read.

Auction was held after which refreshments were served to 22 members for the social hour.

The Club will meet Wednesday afternoon March 28th with Mrs. Richard Moore. Assisting will be Mrs. J. W. Swick and Mrs. Maynard Summie.

Mr. and Mrs. Jesse Ohm from North Manchester spent Sunday with Mr. and Mrs. Howard Kohr.

Mr. and Mrs. Linus Borton attended the funeral of Harold Weissert at Mishawaka Saturday.

North Dakota Farmer
The average number of acres per farm in North Dakota increased from 496 in 1930 to 590 in 1945.

IN MEMORIAM

In loving memory of our dear Father and Mother, Mr. and Mrs. Alva Bowser. Mother, Mrs. Nettie Bowser passed away April 9, 1939. Father, Mr. Alva Bowser passed away March 12, 1945.

Gone are the faces we loved so dear, silent is the voice we loved to hear. Too far away for sight or speech, but not too far for thought to reach.

Their eight children:

GOLDIE, EDD, TRESSA, HAZEL, PEARL, JOHN, RESPA and BUTHENE

MODERN WOODMEN TO PROVIDE POLIO BENEFITS

Modern Woodmen of America is now granting free polio benefits to its members, according to an announcement received by Linus Borton, secretary of Camp No. 6311, of this city. The announcement, which came from the fraternal society's headquarters in Rock Island, Illinois, states that the benefits which reach a \$500 maximum in any one case, are being provided as a fraternal service to members, and will be paid in addition to regular insurance benefits.

surance benefits.

According to Mr. Borton, the action applies to all present and future premium-paying members of the organization, adult and juvenile, who contract poliomyelitis on or after January 1, 1951. The plan as announced by the society provides that \$250 will be paid immediately to any member contracting polio, and if the attack results in crippling after-effects or in death, an additional \$250 will be paid.

Adoption of the polio benefit plan by Modern Woodmen, it was said, supplements the tuberculosis sanatorium benefit, which was provided by the society for more than forty years.

TALMA CHRISTIAN CHURCH

Among some of the finer organizations there is a group known as the Gideons; these men have placed thousands upon thousands of Bibles in hospitals, jails, hotels, schools and various other places. The Gideons will be in Fulton county during the coming weeks and one of their representatives will speak in the Talma Christian Church Sunday, March 11, at the 10:30 a. m. service. Come and hear about this fine work that is doing so much good.

Dr. D. R. Thomas, a well-known

evangelist from Azusa, California will begin Revival services at the Talma Christian Church Easter Sunday, March 25 and continue through April 6. Easter is the time of the year when Christians the world over are much in remembrance of the crucifixion of the Lord Jesus Christ how that He died, was buried, and the third day He arose from among the dead, and according to the scriptures. Come, hear Dr. Thomas make it plain what this sacrificial death and miraculous resurrection means to the whole world.

A special study of the whole Bible is now being held on Thursday nights at 8:15, following prayer meeting, at the Talma Christian Church. There are several texts books waiting to be used by somebody who would like to learn more about the greatest book in the whole world, the Bible. The Bible says, "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

MURMURS

by

DAVID and SALLY GOSSE

The last day of February caught Murmurs, like several hundred other county residents, without his license plates. Like them he also stood in line, starting along the east wall of the Arcade, going a few feet, stopping, progressing a few feet more, and pausing again while the license bureau workers verified signatures, filled in forms, and sent you to the tail end of another queue.

The north entrance of the Arcade was finally approached. You turned west, and, if you were fortunate, made the entire width of the area. There was another pause, then on the next move you turned south again, stopped, stood on one foot and then the other. Murmurs hasn't yet decided whether it would be an advantage to have four feet for such an occasion or not. If all four got equally tired, the situation would not be improved.

You passed the time of day, first with the person immediately in front of you, then, the person behind you, or on your left, for you were leaning against the wall by this time. If the

individuals beyond them seemed inclined towards conversation, you leaned past your neighbor and indulged in this vocal interlude. At some chance bit of information heads turned, and the folks across the hall, not yet in your fortunate position, read from your lips what they could not hear. Occasionally, however, there were disinterested individuals, those who seemed to be embarrassed to stand in line with us common folk, not that there was any virtue in standing in such a line, but certainly the only vice in the matter would be the sin of procrastination, and Murmurs was not alone in this.

The line moved south along the wall, and the counted heads to see how many moves it would take to admit you to the inner sanctum of the bureau. You were now standing in front of the insurance agent's door next to the desired destination. The next move would include you. No, the door went shut in your face. You were just one too many, but you soothed your disappointment with a hand of assurance that you had to be included in the next group admitted to the office.

You answered questions, signed your

John Henry, or what have you, to the triplicate copies; the only ones which you could read, however, was the original, and out you went (not passed out) to the foot of the line. This one moved faster, and you were soon fumbling through your bill fold for the necessary bills that gave you permission to drive your car for another twelve months, providing it holds up that long or your driver's permit is not revoked. And you know, in spite of all the promises you make yourself, that next year you'll be back in that same line waiting for your turn to purchase the privilege of operating a car on the highways of this wonderful Hoosier state.

Rev. Milton Dowden tells us that he has planted his peas and expects to again have an early crop. His peas were first last year and were planted a week or so later, so, unless someone worked the ground with a pick-axe, he stands to win again.

Mr. and Mrs. Hugh Aughinbaugh, Carolyn, Dean, and Phyllis of South Bend, spent Sunday afternoon with June Aughinbaugh.

PAUL GIFFORD DIES SUDDENLY

Paul David Gifford, aged 64, died suddenly at 6 p. m. Tuesday due to a heart ailment.

Mr. Gifford was employed at the Midwest Spring Mfg. Co., here, and was stricken while at work. He had not been well for the past five years.

Mr. and Mrs. Gifford moved four years ago from Hammond where they had lived for 31 years. He was born Dec. 5, 1886 in Maryland.

Surviving relatives include his wife, the former Grace Arnsberger, to whom he was married in 1913; a son, George, of Hammond, and three grandchildren.

Funeral services will be held at two o'clock Friday afternoon at the Reed funeral home. Rev. David Gosser, pastor of the Methodist church, will officiate. Burial will be in the local cemetery.

SISTER DIES AT TWELVE MILE

Last rites were held Monday at the E. U. B. church in Twelve Mile for Mrs. Emma Ulerick, aged 83, of Twelve Mile, and the sister of Ernest Studebaker of Mentone. She was the widow of Martin Ulerick, and a lifelong resident of Cass county.

Other survivors include three sons, Harry and Forrest of Twelve Mile, and Noble, of Greensfork, Ind.; one daughter, Mrs. Letha Blacksten, of Twelve Mile; a sister, Rosie Denton, of Grass Creek, and two other brothers, Marion Studebaker, of Fulton, and Perry Studebaker, of Twelve Mile.

Burial was in the Metea cemetery in Cass county.

HOME FROM HOSPITAL

Mary Quier, daughter of Mr. and Mrs. Elmer Quier, was able to return home Sunday after being a patient in the Woodlawn hospital. Mary submitted to an emergency appendectomy on Tuesday of last week, but is doing fine now.

CLUB CALENDAR

Morning group of Child Study Club will meet at 9:30 a. m. Tuesday morning, March 20, at the home of Mrs. John Boggs. Please notify hostess if you plan to attend.

Evening group of Child Study Club will meet at the school house at 7:30 on Wednesday evening, March 21.

**BOY SCOUTS TO MAKE
POLIO DRIVE SATURDAY**

The Mentone Boy Scouts will canvas the business and residence districts of Mentone Saturday morning, from 9:30 to 11, to solicit funds for the polio drive.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Charles Christian, of Mentone, announce the engagement of their daughter, Nellie, to Kermit Zent, son of Mr. and Mrs. Earl Zent, also of Mentone.

Miss Christian is employed at the Farmers State Bank and Mr. Zent is engaged in farming.

No date has been set for the wedding.

INJURED IN FALL

Charles Vandermark, 72, of route 2 Warsaw, was admitted at noon Saturday to the Murphy Medical Center in Warsaw for treatment of injuries sustained in a fall Saturday morning off the loading platform of the Mentone Co-op. He received a large cut over the left eye.

E. E. WAGNER INJURES HAND

E. E. Wagner suffered a serious knife wound on his left hand Monday while working at the Devon Jones home. A large boar he was castrating managed to kick loose, throwing the knife blade over the knuckles on the back of his hand. The blade entered the joint and nearly severed the finger, cutting tendons and all.

**NOTICE TO PARENTS INTER-
ESTED IN THE CUB SCOUTS**

Another meeting of the parents of boys who are interested in the Cub Scouts is called for this Friday evening, March 16, in the Scout room of the Methodist church. It is necessary that more fathers be present for the organization of the Cub Pack committee. This must be a different committee than that organized for the Boy Scouts. Mothers are urged to be present to select the Den Mothers and plan the programs for this movement. The hour is 7:30.

CLAUDE M. BAYNE DIES

Funeral services were held Sunday afternoon for Claude M. Bayne, 56, a lifelong resident of Kosciusko county, at the Bilby-McHatten funeral home in Warsaw. Burial was in the Harrison Center cemetery.

Mr. Bayne died Thursday in an Ocala, Florida hospital of pneumonia following two days' illness. He had been spending the winter in Florida with his wife. Born near Mentone, he had resided south of Atwood until four years ago when he moved to Warsaw. He had been employed at the Dalton Foundry until his retirement four years ago and was a member of the American Legion.

Survivors include his wife, Ruth; a daughter, Mrs. Lester Ryman, of Atwood; two grandchildren; and a brother, Eba Bayne of Mentone.

**FARM HOME BADLY
DAMAGED BY FIRE**

Fire Thursday afternoon badly damaged the upper part of the two-story home of Carl Zolman, three miles southwest of Mentone.

The alarm was turned in at 1:30 p. m. and members of the Mentone fire department responded. They fought the blaze for three hours, but the roof of the home was destroyed. Fire Chief, Arlo Freisner reports that the furnishings on the second floor were damaged but all furniture on the first floor was removed.

It is believed that defective wiring in the attic was responsible for the blaze.

CELEBRATES 75TH BIRTHDAY

Aunt Myrtle Brady of Syracuse celebrated her 75th birthday Sunday at the Hobart Stiffler home near here. Others enjoying the day and the family dinner with her were Mr. and Mrs. John Stiffler of Elkhart, Mr. and Mrs. Hugh Stiffler of Indianapolis and Jill Waterson of South Bend.

HAS CHICKENS STOLEN

Burt Holloway has reported the theft of 20 white leghorn chickens from his farm, east of Mentone, last Saturday evening.

The thieves cut the fence and reached the chicken house that way. Sheriff Latta is investigating the theft.

AGED LADY DIES FRIDAY

Mrs. Emma Nellans, aged 90, died at 11 a. m. Friday at her home northwest of Mentone. She had been ill for three weeks, due to complications.

Mrs. Nellans was born September 15, 1861, the daughter of William and Mariah Nelson. In 1877 she was married to John Nellans, who is deceased. She was a member of the Mentone Church of Christ.

Surviving relatives include a daughter, Mrs. Mary Kehoe, and three sons, Herschel, Earl and Curtis, all of Mentone; three sisters, Mrs. Fred Swick, of Mentone, Mrs. Ed Ragans, of Elkhart, and Mrs. A. L. Johnson, of Dallas, Texas; 13 grandchildren and 18 great-grandchildren.

Funeral services were held Sunday at the Mentone Church of Christ, with the pastor, Joseph F. Jones, in charge. Burial was in the Sycamore cemetery, southwest of here. The Johns funeral home was in charge of the arrangements.

ATTEND FUNERAL

Those from a distance attending the funeral of Emma Nellans were: Mr. and Mrs. Con Sarber and son Bobby and Mrs. Earl Ruth, from Detroit; Mr. and Mrs. Ed Hagens and Mr. and Mrs. Lee Hagens, from Elkhart; Mr. and Mrs. Ora Nelson, from Logansport; Mr. and Mrs. Delois White and family, from Kokomo; Mr. and Mrs. Elmer Kintz, Mrs. Charles Klitka and Mrs. John Kehoe, from South Bend; Mr. and Mrs. P. Kehoe, from Plymouth; Mr. and Mrs. Adrain Little, from Huntington; Mr. and Mrs. Lee Nelson, from Mishawaka; Ancil Kelley and son, from South Bend; Mrs. Della Kile and son and daughter-in-law, from Columbia City, and Mr. and Mrs. Clyde Goodrich and baby, from Columbia City; Mr. and Mrs. Adam Sparks and Mrs. Betty Kehoe, from Sidney, and Mr. and Mrs. Milo Nelson, from Warsaw.

MARTIN

Mr. and Mrs. Diehl H. Martin, Jr., of South Bend, are the parents of a son, Diehl Harold Martin III, born on Thursday, March 8. His weight was six pounds 10 ounces.

Mrs. Martin is the former Carol Weissert.

NO RESPONSE

"A dead person can't accept the apology of a discourteous driver." That grim reminder was given today by James H. Mohr, director of the Indiana Traffic Safety Commission, in announcing the Commission's March program of traffic safety education. The theme of this program, being conducted in cooperation with the National Safety Council, is "Motor Manners", and courtesy and defensive driving are being stressed.

"Excessive speed is the worst form of rudeness on the road," Mohr said, "because it is fertile ground that breeds other discourteous acts. When a car is being driven too fast, proper passing procedure is likely to be sacrificed. Driving on the wrong side of the road may result from lack of control caused by speeding. Other violations may also be traced to the speeding source."

It was pointed out that, according to the National Safety Council, more than 5,000 persons sped to their deaths in traffic accidents last year, and the Commission director stressed that, unless strong steps are taken, the history of highway deaths will be repeating itself again this year. That is why emphasis is being placed on attacking this toll right where it begins, the roots of the problem being the discourteous driving habits of the individual.

"There may be a hairline of distinction between discourteous driving and actual violation of the laws," Mohr said, "but in most fatal accidents, the person best qualified to tell about it has been killed."

"The driver who has faulty lights or who fails to dim them at night is guilty of a discourtesy that may never be detected as a violation after a fatal collision."

More obvious discourtesies named by the Commission include driving on the wrong side of the road, improper passing, disregarding an officer or traffic control device, ignoring the right-of-way, and driving under the influence of alcohol.

"Proving a violation as far as safety is concerned," concluded Mohr, "is nowhere near as important as preventing them. Courtesy on the highways at all times is the safe way, so 'Mind Your Motor Manners'."

—30—

Pvt. Floyd Nicodemus, of Camp Breckinridge, Ky., spent Saturday evening and Sunday with his parents, Mr. and Mrs. Cecil Nicodemus, and family, of Mentone. Afternoon callers were Mr. and Mrs. L. J. Shambarger and family of Macy, and Mr. and Mrs. Wm. F. Long and family of Warsaw.

SCHOOL NEWS

In the annual class tournament, the Juniors will play the Freshmen and the Sophomores will play the Seniors on Wednesday evening, starting at 7 o'clock. On Friday evening, the winners and losers will play.

Madeleine Holt took the exams for the State Scholarship contest.

Bobby, Elenore and Hillard Hall have entered school. They formerly resided at Pound, Virginia. Linda Lou Clingempeel has left school to attend at Atwood.

A series of radio programs of interest to all parents is now being broadcast over WLW, Cincinnati. The programs, called, "A Time for Planting," deal with the schools and the problems faced by educators. These programs are heard each Friday night at 7:30.

Free x-ray will be given to all school

pupils 15 years of age or over on Tuesday, March 20th. These are being provided by the Kosciusko County T. B. Association. If any parent should object to the x-ray, the school should be notified in writing, otherwise all pupils 15 or older will be x-rayed.

Those attending the semi-final basketball tournament at Lafayette last week were: Dale Molebash, Roger Creighton, Max Faurote, Dick Kindig, Dave Romine, Karen Clark, John Davis, Mr. Kelley, Mr. Lash, Mr. and Mrs. Burt, and Ora McKinley.

Mr. Kelley has been driving the school bus for Verne Egolf the past two weeks.

Bessemer Steel Pipe

Thomas J. Bray made the first bessemer steel pipe in this country in 1887. In succeeding years, steel gradually became the principal material for pipe manufacture. Today about 98 per cent of the wrought ferrous pipe is made of steel.

INITIATE NEW MEMBERS

At the regular meeting of the Mentone American Legion Auxiliary Unit No. 425 held Tuesday evening at the Legion Home, four of the seventeen newly enrolled members were initiated. They were, Mrs. Rex Witham, Mrs. Ned Miller, Mrs. Joseph Boggs and Mrs. Bernice Rush. Mrs. Eldred Paulus, past-president of the unit, conducted the initiation ceremony. She was assisted in the ceremony by the following members of the unit: Mrs. E. E. Wagner, Chaplin, Mrs. Jack Van Gilder, first vice president, Mrs. George Mollenhour, Sr., second vice president, Mrs. Robert Reed, past president, Mrs. Robert Whetstone, president and Mrs. Byron Nellans, sergeant-at-arms. Mrs. Maude Snyder, music chairman, played the musical accompaniment for the services.

Musical selections were presented by Mary Ellen Bryan, who played a duet, The Lustspiel Overture, with Mrs. Snyder. Marita Tucker presented two vocal solos, "Morning" and "The Star".

During the business session preceding the initiation ceremony, the regular order of business was followed and reports from the activities committees were heard. Mrs. John Boggs, rehabilitation chairman, expressed her gratitude to the members for their splendid cooperation and donations for the Marion birthday party. Mrs. Joseph

Boggs, finance chairman, reported on the final outcome of the fish fry given recently. Community Service chairman Mrs. Mervin Jones, reviewed the article taken from the Auxiliary National News which was written by the National Community Service chairman, Mrs. Howard Simmons. The article was entitled, "These Men Are Ours". It was written in honor of the 32nd birthday of the American Legion which is March 15, 16 and 17. Mrs. Simmons stressed the responsibility of the Auxiliary in helping to make our communities safer, happier and more healthful. Mrs. Richard Manwaring reported on the meeting held recently at Piercetown. The president announced that a joint district meeting for both the Legion and Auxiliary will be held at Rochester March 17 and 18. A program for the meeting may be found on the bulletin board at the Mentone Legion Home.

Mrs. Jack Van Gilder has been appointed to act as Civil Defense chairman.

The attendance prize for the evening was awarded to Mrs. Robert Reed. Refreshments were served to 34 members and one guest, Mrs. Guy Baker, by the committee in charge.

The next meeting of the unit will be March 27 at the same place at the same time.

T. H. E. CLUB MEETS

The T. H. E. Club of Newcastle township met Thursday afternoon at the home of Mrs. Joe Duzan. The meeting was opened by singing, "America the Beautiful," and the pledge to the flag was given. The history of the song of the month was read by Mrs. George Deamer. Devotions were given by Mrs. Elgie Vandermark. During the business meeting dona-

tions were made to the Heart fund and the Red Cross. A white elephant sale was held.

Delicious refreshments, in keeping with Easter, were served to 17 members, one guest and one child.

—Newcastle Reporter

**JUNIOR LEADER MEETING
AT BURKET MARCH 16**

A Junior Leader meeting will be next Friday, March 16 beginning promptly at 7:30 p. m. at the Burket School building.

Burket Junior Leaders are in charge of refreshment and Claypool Junior Leaders are responsible for recreation.

This is an important meeting because a proposed constitution is being presented for approval and there will be discussion on planning the 4-H program. In the divided session helps on demonstrations and judging will be given.

Assistant Junior Leaders as well as Junior Leaders are urged to attend, states Mrs. Ruth Snellenberger, home demonstration agent.

METHODIST CHURCH NEWS

In the services of this coming Sunday, March 18, there will be given the opportunity for Baptism of infants, youth and adults. The pastor requests a preparatory service on Friday evening of this week for adults at seven-thirty in the Youth Room. All children of school age are to attend a short preparatory service on Friday afternoon at three-thirty, in the sanctuary. If possible, it is desirable that information concerning infants to be baptised be in the hands of the pastor prior to the Sunday morning service.

The Junior Choir will present the anthem this Sunday. Rehearsal will be immediately after school on Thursday. The special choral number and responses at the Sunrise Service on Easter morning will be presented by the Junior Choir. The hour of service is six-thirty A. M. It is requested that all choir members be at the church at six-fifteen.

Following the Sunrise Service, the men of the church will serve the annual Easter morning breakfast. The committee in charge consists of Jack VanGilder, John Boggs, Conda Walburn, Chauncey Mollenhour, Phillip Blue, Lyman Mollenhour, and Kenneth Riner. Plans are being made to serve at least one hundred-fifty persons.

The Holy Week Services will begin this Sunday evening with another film on the Life of Saint Paul, the Third Missionary Journey. These pictures decry any idea that the life of a Christian is one of ease and comfort, for as Paul's life was fraught with adventure, danger and hardship, so might the life of any Christian be who

gives himself as completely to the task of Christian living.

Holy Communion will be observed on Thursday evening of Holy Week. It is desired that all persons affiliated with the church be present for this service.

A special rehearsal for the Cantata, "From Darkness to Light" will be held on Sunday afternoon at two o'clock. This is for the entire choir. On Thursday evening of this week, the men of the choir will meet at seven-thirty in the residence of Dr. Dan Urschel for a special rehearsal while the women of the church are attending the monthly meeting of the W. S. C. S.

At the close of the ten o'clock Worship service on Easter morning, persons desiring to unite with the church will be presented to the congregation. Those being admitted will be through transfer and on Profession of Faith and by letter of recommendation.

Week end guests at the home of Rev. and Mrs. E. E. DeWitt were Mr. and Mrs. Horace Tunes and daughter of Pendleton, Indiana, and Mr. and Mrs. Lowell K. DeWitt and family of Sturgis, Michigan. The following guests of Larwill, Indiana joined in with the DeWitts on Sunday with a Buffet dinner: Rev. and Mrs. O. J. Beardsley, Mr. and Mrs. Sydney Gebert, Mr. and Mrs. Sam Rush, Mr. and Mrs. Carl Schrader, and Mr. and Mrs. Fred James. Rev. and Mrs. DeWitt have just recently returned home after a two months stay with their children in Pendleton, Indiana.

ARTLEY D. CULLUM, Editor and Manager

PRINTED IN THE MODERN PLANT OF THE COUNTRY PRINT SHOP

LINCOLN UP TO DATE

(A neighboring publication recently carried the 1951 version of that famous Gettysburg address, and the writer who did the "modernizing" can be given credit for having the ability not only to select the proper words but also to properly evaluate the confusion of the day.)

One-score and seventeen years ago, our fathers brought forth upon this Nation a new tax, conceived in desperation and dedicated to the proposition that all men with income are fair game.

Now we are engaged in a great mass of calculations testing whether that taxpayer or any taxpayer so confused and so impoverished can long endure. We are met on Form 1040. We have come to dedicate a large portion of our income to a final resting place with those men who here spend their lives that they may spend more money.

It is altogether anguish and mental torture that we should do this. But in the legal sense, we cannot evade, we cannot cheat, we cannot underestimate this tax. The collectors, sly and clever, who computed here, have gone far beyond our poor power to add and subtract.

Our creditors will little note nor long remember what we pay here, but the Bureau of Internal Revenue can never forget what we report here. It is for us taxpayers rather to be devoted here to the dollars of the tax return which the Government has thus far more or less ignobly spent. It is rather for us to be dedicated to the great task remaining before us—that from these vanished dollars we take increased devotion to the few remaining; that we here highly resolve that next year will not find us in a higher income tax bracket, and that this long suffering taxpayer, underpaid with a shrinking dollar, shall figure out more deductions, and that taxation of the people, by the congress, for the Government shall not cause our solvency to perish forever.

MENTONE CLUB HONORS MRS. GEORGE MCINTYRE

Mentone Home Economics club members honored Mrs. George McIntyre with a gift shower at the meeting Wednesday, with Mrs. Mace Nelson, of Mentone. Mrs. George McIntyre, who is moving soon from the community, received many pretty handkerchiefs.

Mrs. Elmer Sarber and Mrs. John Laird presented the project lesson on "Household Plastics." Mrs. Ray Terry, health leader, discussed interesting facts about blood and read an article entitled, "Discoverer Supreme." Mrs. Laird gave for meditation topic, "I Look to God."

The business session was conducted by the president, Mrs. Howard Horn. Mrs. Harry Vernet, Mrs. Roy Cox and Mrs. Cloice Paulus purchased the auction articles. Mrs. Raymond Weirick, Mrs. Linas Borton, Mrs. McIntyre and Mrs. Silas Hill were presented with wedding and anniversary gifts.

The mystery package was awarded to Mrs. Silas Meredith.

Guests of the 24 club members were Mrs. Elgie Vandermark, Mrs. Harold Nelson and Mrs. Miller. Mrs. Laird assisted the hostess in entertaining.

BOOST HOG PROFITS...

3 WAYS WITH KRAYLETS!*

*80% dairy products in dry kernel form.

1. Promote fast growth!

The concentrated dairy products in Kraylets help give regular rations the "grow-power" they need to produce quick gains—earlier market weight.

2. Promote thrifty growth!

Kraylets helps boost the value of regular rations—helps you produce more pounds of pork for every pound of feed!

3. Save time and trouble, too!

There's no muss — no fuss — no messy slop feeding with Kraylets. You get nutritious dairy products in convenient, sanitary dry kernel form.

Ask us for full details about how Kraylets can help boost your profits.

**CPL. KINZIE GETS ARM
WOUND NEAR HOENSONG**

Cpl. Alvin F. Kinzie, 23, son of Mrs. Dale Smith route 5, Warsaw, has been wounded while fighting with the seventh division in the Hoensong area in Korea, it was learned today.

In a letter to his mother, Cpl. Kinzie stated he was shot through the upper left arm February 23. No bones were broken and he expected to be all right again in a few weeks following treatment in a hospital in Japan.

Cpl. Kinzie, a veteran of several years service in Korea and Japan, enlisted the first time in April, 1946. Trained as an army cook he was transferred last January to the job of gunner, using the 57 mm. recoilless rifle.

His address is Cpl. Alvin F. Kinzie, R. A. 45938475, Co. M. 32nd Inf. Regt., APO 7, San Francisco, California.

Mrs. Smith has another son in service. He is Cpl. Harry Kinzie, of the air force, who is stationed in Alaska.

**CAN SYMPATHIZE
WITH THE ESKIMO**

We hear that Mr. and Mrs. Clifford Martin and daughter were snowbound in a hotel in North Dakota in the recent blizzard.

The Martins can really call this winter a failure, as far as finding ideally warm weather is concerned. They went from their home in Sidney, Montana to Florida and struck persistent cold weather there. They came to Mentone to visit with Mrs. Martin's brother and family, the Fred Lemlers, and the cold weather followed them here. (Of course Cliff had left his long underwear in Montana).

It wasn't too long until our pseudo-spring days came and the Martin family felt the urge to go home and were in North Dakota when the big snow hit.

If Cliff can summon any scrap of a sense of humor he might write an article on "Winter In These United States".

LIBRARY NEWS

We wish to take this opportunity to publicly express our thanks for the kindness of Mr. Harry Meredith in donating a large share of the cost of the fine Library sign which he painted on the Library window. Signs as nice as this one are usually seen only in the larger towns and it took a great deal of work on Mr. Meredith's part, to give us this attractive sign.

We have a new book issued this year on "Color in Home Decorating", which will be helpful to all those planning some type of home redecorating this spring.

We have a new auto-biography of Burl Ives "The Wayfaring Stranger". We also have a new book by Ruth Moore, author of "Spoonhandle". Her new book is called, "Candlemas Bay".

**ATTEND STATE YOUTH
CONFERENCE**

Our local representative to the State Youth Welfare Conference, Wayne Tombaugh, came home thrilled and challenged by the messages and discussions heard there.

The conference was held at the Broadway Methodist Church, Indianapolis, last Thursday.

Others from the county who attended were: Mrs. Charlotte McSweeney, probation officer; Mrs. Rene Nine, county nurse; Mrs. Willodean Kinkead, county welfare director and Pete Thorn, city attendance officer and Boys Club director.

We hope to be hearing more from Wayne on this conference in the near future.

BEAVER DAM CLUB MEETS

A regular meeting of the Beaver Dam Agriculture Club was held Mar. 9, at the Beaver Dam gym. During the business meeting, which was conducted by the president, Gerald Smalley, the secretary's report was read and approved and roll call responded to.

The main business of the evening was election of new officers, as follows: President, Gerald Smalley; vice president, Bugs Haney; treasurer, Stan Freed; news reporter, Shirley Igo; song leader, Ernie Heighway; recreation leaders, Everett Rookstool and Junior Jones; health and safety, Wilburta Latimer.

It was decided that the two recreation leaders should be permanent and that they should appoint four rotating junior members to plan the recreation for each meeting.

It was also decided that the adult ladies and officers should plan the year's program, and write up a constitution.

Recognition was given the six members who judged crops. They won fourth place in the county.

Ronnie Malott, adult leader, announced poultry judging Monday night, March 12, and livestock judging coming the last of March.

Arden Harrold will take the tractor maintenance course, as representative of our club.

The meeting was adjourned and refreshments served. Recreation was led by the adult leader, Ronnie Malott.

SHIRLEY IGO, News Reporter.

ATHENS WOMAN BURIED FRIDAY

Funeral services were held at two o'clock Friday afternoon in Akron, for Mrs. Della J. Leech, 81, who died the previous Tuesday at her home in Newcastle township. Ill for years, she resided two miles north of Athens. She was born Jan. 27, 1870, in Newcastle township, the daughter of Sanford and Mary (Rhodes) Zolman, and on June 3, 1889, was married to Ora Leech, who survives.

Also surviving are two daughters, Mrs. Gertrude Ball and Mrs. Harold Van Doran, both of near Akron; a son, John of Calallen, Texas; a sister, Mrs. Clara Harter, Akron; a brother, Terry Zolman, of Michigan City; six grandchildren, and nine great-grandchildren.

Rev. D. L. Slaybaugh officiated at the services and burial was made in the Akron cemetery.

"COURTESY FIRST"

GRASS FIRES LAST WEEK

E. H. Kinsey reports that a grass fire north of the railroad Monday afternoon of last week burned over 40 acres of his ground and some on the Arthur Kendall farm. Thursday afternoon another fire started and burned over about two acres before being put out by the Mentone fire department.

Come in and see the variety of color in the plastic wall tile on display at Brown's Jewelry and Appliance. They transform old walls into new ones.

**MRS. ELLSWORTH ENTER-
TAINS JOLLY JANES CLUB**

Monday evening the Jolly Janes club met at the home of Mrs. John Ellsworth, in Mentone.

Mrs. Harold Markley gave a discussion on the history and background of household plastics.

Following the business session a quiz game was conducted by the co-hostess, Mrs. Markley. The prize was won by Mrs. Harold Utter. Mrs. Dwight Reichard received the door prize.

The meeting place for April has been changed. Announcement will be made in the Co-Op. News club calendar.

Each member is requested to bring to the next meeting a plastic household item with a label. A lesson on the selection and care of household plastics will be given in April by Mrs. Roland Ferverda.

SALE REPORTS APPROVED

Judge Walter Brubaker has approved a report by the Farmers State Bank, executor of the estate of Charles Byron Peterson, of a private sale of personal property in the amount of \$2,036.62. The court also approved the sale of certain articles belonging to the hardware business of the deceased for \$698.30 and the sale of the balance of hardware stock to the Northern Indiana Cooperative Association for \$10,000.

APPOINTED ADMINISTRATOR

A son, Herbert L. Dorsey, of route 5, Warsaw, is administrator of the estate of Pearl G. Dorsey, who died March 3. She left a personal estate valued at \$42,000 and real estate valued at \$11,000. Listed as heirs are the son, Herbert, and a daughter, Mary L. Bently, of Atwood.

**PARENTS ENTERTAIN
BASKETBALL BOYS**

Coach Loren Burt and Principal Walter Kent sponsored a cooperative dinner for the basketball squads, yell leaders, team managers and parents at the school cafeteria room Monday evening. Hardy Songer, principal of the Tippecanoe High School, recalled a number of interesting events while coach at Mentone. Several of the players and parents also spoke briefly. Mr. Burt served as toastmaster.

The annual softball and basketball awards were presented. Dale Molebash received the trophy for the best free throw percentage and Philip Shilling received the gold star, having been elected honorary captain.

Other awards were:

Softball—Minor letters: Max Faurote, Dick Kindig, Roger Creighton, Pierre Ferverda, John Davis, Ronnie Brown, Neal McKinney, Merrill Peterson and Philip Shilling. Major letters: Max Friesner and Dale Molebash.

Basketball—Jackets: Max Friesner, Dale Molebash, Ted Shull and Philip Shilling. Major letters: Max Faurote, Dick Kindig, Roger Creighton and Devon Marshall. Minor letters: McKinney, Ned Witham, Jerry Tinkey, Robert Boggs, Clarence Dicky, Larry Yeiter, Jon Cullum, Burdell Blackburn, Philip Carney, John Davis, Robert Hoffer, Ronnie Brown, Jerry Ross and Pierre Ferverda. Managers: David Romine and Karen Clark. Yell leaders: Boyd Blue, first year letter; Bonita Miner, second year, gold megaphone, and third year, jacket, Betty Witham.

There was an abundance of food, and everyone seemed to have an enjoyable evening.

Ray Dillingham is able to be out and around after being confined to his home with a badly injured knee. The knee was injured while moving some restaurant equipment.

Orville Wilson is back home in Mentone after spending the past three months in Florida.

Wayne Tombaugh spoke to the Etna Green Lions Club on Monday evening and really seems to have stirred up some real enthusiasm in their group for Boy Scouts and their work.

**TIPPY'S CELEBRATING
FIRST YEAR'S ANNIVERSARY**

Tippy's Pkg. Drugs and Mirrorette in Tippecanoe are inviting the public to "open house" during pre-Easter week, on the 23rd, 24th and 25th of March, to celebrate their first year in Tippecanoe. This location was occupied by Will Crane and his family in the drug business for over 30 years and so many of you readers know the building well and it will be like old home week to stop in and meet the new owners, Mr. and Mrs. Elmer J. Curran, more commonly known as "Dolly" and "Elmer."

The Currans report much has been done in the way of increasing the stock and modernizing the building and yet much remains to be done, but we are sure folks will already realize and know they are a fine couple, are really trying and have accomplished quite a lot in the last year of business.

Orchids are being used as a special inducement to get acquainted with more folks and any woman will be happy to wear a lovely Princess Aloha orchid to church on Good Friday or Easter . . . or perhaps it will grace your Easter outfit at a party or dance. Be sure to get yours before the supply is exhausted.

See their advertisement elsewhere in this issue.

They also announce there will be music on Sunday and everyone is urged to drop in and enjoy it.

ENJOY SKATING PARTY

More than seventy young people of Burket Parish and Mentone communities attended a skating party held at the Tunnel of Fun in Warsaw this past Monday evening. Youth from the following churches and organizations were present: Methodist Churches of Burket, Palestine, Cook's Chapel, Mentone and Boy Scout Troop 58 of Mentone. The Burket Parish MYF sponsored the party which concluded with the singing of spiritual choruses and prayer led by the Rev. David Gosser. The Rev. Lawrence Smith and Mrs. Smith were host counselors.

"Stop saying 'How do you do' every time you pass me!"

MANY ATTEND GARDEN SCHOOL

Attending the Garden School held recently at Warsaw were 125 men and women, reports Mrs. Ruth Snellenberger, home demonstration agent there. W. B. "Pappy" Ward vegetable specialist, Purdue University discussed use of fertilizers on gardens and the application of sprays early in the growth of potatoes, beans and cabbage. He also urged the planting of a wilt resistant variety of tomato if wilt has infested garden area last year.

H. W. Gilbert, landscape specialist, Purdue University, urged planned landscape plantings. An example of this would be to have flowers planted so members of the family could enjoy them from inside the house looking out, rather than have them planted along the highway for the public to enjoy.

Slides were shown throughout the meeting to illustrate points being discussed. A Purdue University Horticulture Department leaflet "Vegetable Varieties for Indiana Plantings" was distributed and is available upon request at county extension office.

★ Today good will may starve to death. Keep it alive with customer courtesy and careful advertising.

FINE CHURCH ATTENDANCE

The following are the reports of attendance at the Mentone churches for the past three Sundays, the last figures being for GO-TO-CHURCH-SUNDAY. Baptist Church: Feb. 25, 160; March 4, 182; March 11, 224; Church of Christ: Feb. 25, 106; March 4, 133, and March 11, 117; (Death in a church family reduced the attendance to below average for this Sunday.) Methodist Church: Feb. 25, 140; March 4, 156; and March 11, 264, and one dog.

These were the figures submitted to the County committee on Go-To-Church-Sunday by the local representatives of the Lions Club.

CARD OF THANKS

We want to thank the Fire Department and all others who helped to extinguish the grass fire at our farm.

MENTONE MURMURS

by

DAVID and SALLY GOSSER

Murmurs has a painful reminder of his subject for this week's column. He spent three hours on a roller skating rink with a group of young people of the Mentone-Burket communities on Monday night. The overstuffed portion of his anatomy served well on several occasions, but that is not the part that seemed to bear the brunt of the activity—it is the hinged portions of his lower limbs.

It has been with extreme difficulty that he has been able to assume the angle and "See a pin; pick it up"; and the matter of getting out of those deep half-reclining sofa chairs, which always present obstacles to folks inclined to battle with the bulge, just completely made him disregard all manner of common courtesies when ladies entered the room. There was no doubt for him that people are as old as they feel and that the age of the senses and that of chronology need not tally or agree. His sensory age was at least twice that of the calendar.

In spite of the after-affects, Murmurs is suggesting that this sport of roller skating is quite the thing. He'd go again this week if there were others interested. It would do well for more of the adult world to indulge in a little of this harmless sport—no one said a word about it being painless—for it certainly provides ample opportunity for laughter on the part of spectators, especially when you have the "MEN ADVANCE" routine. Murmurs got caught in a vicious trap, and each time he succeeded in reaching his partner, the whistle blew, and he had to skate on to the next partner who always managed to be almost the length of the rink away. With a sigh of relief he would gyrate into position only to find that the whistle had blown and he should be a full partner ahead. Muscles tensed with the already over-strenuous exercise, he had great difficulty

in keeping his equilibrium, if a novice ever has any on skates. Realizing then that he was the butt of great merriment, he pulled up beside his goat and tied it elsewhere.

Seriously, however, this is a form of recreation that would be far better than the strenuous effort of lifting diet pills from box or bottle to mouth. It produces muscle tone, poise, balance and a certain body grace that makes for attractiveness. To be sure, this is not acquired in one simple lesson or ring around the rink, but through time and perseverance may be attained.

If some civic minded and public spirited individual or group of individuals is looking for a small business enterprise which would, in turn, be a

service to the Mentone community, this rink idea is a suggestion. The Tunnel of Fun is one type of structure to consider. Murmurs would even go so far as to suggest that a projection booth meeting the state requirements for public safety be considered along with it. The success of such an enterprise would depend, however, on how well it was managed; and if it catered to clean clientele.

Murmurs has not investigated the supply of skating rinks in adjoining counties and communities, but except for the one at Rock Lake he is not aware of others near at hand. A junior rural Y. M. C. A with facilities for other types of recreation could also be considered. Perhaps at some later date

Murmurs may have some additional information and suggestions on this subject. Let's give it some thought.

CARD OF THANKS

We want to thank the Mentone Fire Department, friends and neighbors all who helped save our furnishings on the first floor in our recent fire. Also Leo Valentine and his boys for furnishing his trucks and help in moving our furnishings. Thanks again to everyone.

MENTONE, IND.

**LOCAL BREEDERS IN
TON LITTER SHOW**

An estimated 1100 head of Indiana's finest hogs have been entered in the second annual Hoosier Spring Barrow and Ton Litter Show by 196 exhibitors. Forty-nine of Indiana's 92 counties are represented in the entry lists. Local hog producers who have entered hogs in the show include: Leroy Norris, Hampshires, and Ed Severns & Son, Durocs.

All hogs will be shown "on foot" on March 20, beginning at 7:30 a. m. at the Indiana State fairgrounds in Indianapolis. Twelve of the nation's top swine experts will select the winners of the 59 classes of the show and more than \$5,000 in cash premiums are being offered by the show sponsors and breed organizations. At the close of the day's judging the show then recesses for three days while top winners are slaughtered and processed for the Educational Carcass display.

Kingan and Company's main plant, West Washington St., Indianapolis, will be the scene of the Educational Carcass display on March 24. This second session of the show will run from 10 a. m. to 2 p. m. Half-carcasses and commercial pork cuts from more than 50 top winners of the show will be displayed and cut-out data furnished. Carcass experts and leaders of the swine industry will headline the informal program at 12 noon.

The public is cordially invited to both sessions. Admission is free.

Mrs. Elva Rush is visiting her son, Earl and family, in Detroit.

Bud Wise was home on a three-day leave last week end. Sunday visitors were Mr. and Mrs. Fred Roser, of Disco, and Robert Miller and Miss Wilma Overholt.

KAY LARAIN LEFFERT BURIED

Kay Laraine, three month old daughter of Mr. and Mrs. Lamar Leffert, three miles northeast of Mentone, died of pneumonia at 11 a. m. Saturday in Woodlawn hospital in Rochester. Surviving are the parents. The funeral was held at 2 p. m. Monday at the Johns funeral home with Rev. Alvin Thomas of Frankfort, Indiana, officiating. Burial was in the Mentone cemetery.

**MRS. ALICE HAMLIN
BURIED TUESDAY**

Mrs. Alice Hamlin, of Etna Green, Indiana, died there in the home of her daughter, Mrs. John Poor, at 3 p. m. Sunday after a 10-day illness. Born in Fredericktown, Ohio, February 18, 1856, she had lived in Etna Green since she was 19. She was married to Moses J. Hamlin, who died in 1931. Surviving are two sons, Willard and Paul, of Etna Green and two daughters, Mrs. F. E. McClucas, of Ft. Wayne, Indiana and Mrs. Poor and a sister, Mrs. Charles Fessler, of South Whitley, Indiana. The funeral was held at 2 p. m. Tuesday in the Etna Green Methodist Church. Rev. Carl Harris officiated.

I. D. FISHER DIES SUDDENLY

I. D. Fisher, 57, of Palestine, died unexpectedly at his home at 5:30 p. m. Tuesday after suffering a heart attack. He was born at Palestine Dec. 28, 1893, the son of Riley and Flora Fisher, and was married in 1927 at Goshen to Miss Lucille Jefferies.

He leaves his wife and two daughters, Velara and Marsha Ann, at home, and a son, Pvt. Harold Fisher, who is serving with the army at Fort Lawis, Wash.

The body will be taken to the Fisher home at 1:30 Thursday afternoon and returned to the Johns funeral home at noon Friday, where funeral services will be held at two o'clock, with Rev. John Jones, of the Syracuse E. U. B. church, officiating.

NOTICE

Pete's Lunch will be closed all of next week, from Monday morning, March 26 and will be open on April 2. During this week the interior will be painted.

**MENTONE READING CLUB
CELEBRATES ANNIVERSARY**

Members of the Mentone Reading Club enjoyed a very special anniversary dinner party on Wednesday evening, March 14, at the Ewing Homestead in Rochester.

Places for 26 members and the two guests were laid on tables beautifully decorated with pastel candles and sweet peas. Individual places were marked by a bluebird holding the place cards in its bill. The nut cups were tiny colored hat boxes, which followed the center decorating theme of a large gold hat box, tied with lacy ribbon and carrying the inscription "Anniversary," in purple.

After a delicious dinner, a fine and varied musical program was presented by Mrs. Phil Parker, pianist and Mrs. Von Kochendorfer, vocalist.

The numbers were:
"Open The Gates of the Temple," vocal solo, Mrs. Kochendorfer.

Preludes 1, 2 and 3, by Gershwin and "Bagatelles, by A. Tcherepnin, Mrs. Parker.

"Indian Love Call" and "Morning," Mrs. Kochendorfer.

"Second Piano Concerto," by Rachmaninoff, "Toccata" by Khachaturian and "Rhapsody In Blue," by Gershwin, Mrs. Parker.

"Easter Parade," Mrs. Kochendorfer. The committee in charge of this most pleasant and successful party was Mrs. Ora McKinley, Mrs. David Gosser, Mrs. Dan Urschel and Mrs. Max Nellans.

CLUB CALENDAR

Merry Mentonettes 4-H Club will meet at the school house at 7 o'clock Monday evening, March 26.

P. T. A. — Wednesday evening March 28, at 7:30 at the school building. Film on "Recreation, U. S. A."

Beaver Dam Home Ec. Club will meet Thursday at 1:30 p. m., March 29, in the Akron Library. Mrs. Richard More Hostess with Mrs. J. W. Swick and Mrs. Maynard Summie assisting. The Seed and Bulb exchange will be in April.

JOINS THE NAVY

James A. Mollenhour, 19 year old son of Mr. and Mrs. Ralph Mollenhour, passed his exams for Navy enlistment and is stationed now at Great Lakes.

INTERESTING P. T. A. PROGRAM

The P. T. A. program committee is getting a film, "Playtown, U. S. A.," which will be shown at the P. T. A. meeting next Wednesday, March 28, at 7:30 p. m.

The topic of recreation was mentioned briefly in the round table discussion and is a real problem and challenge in every community.

Following the film, Wayne Tombaugh will take a few minutes to discuss recreation as it was touched in the recent governors convention in Indianapolis. Wayne was one of the Youth leaders from our county who attended.

WILLIAM COOK INJURED IN FALL

William (Billy) Cook suffered severe injuries last Saturday when he fell from the mail sack platform near the depot.

Billy has charge of carrying the mail sacks from the postoffice to the mail sack hook, where they are picked up by the train. He had fastened the one ring to the crane and was pulling the bag up to fasten the other ring, when the first one came unhooked, allowing Billy to fall from the platform onto the railroad ties. He managed to fasten the mail sack in place, however, and started back toward main street. Lyman Mollenhour seeing that he was injured, took him to Dr. Urschel's office, where it was advised to take him to the hospital.

He has 4 cracked ribs and 2 broken ribs. His hip is giving him a great deal of pain, also.

He was taken to the Woodlawn hospital where he is a patient.

His condition on Wednesday was thought to be some better.

ENTERTAIN COUNTY FIREMEN

The Mentone Fire Department was host to the Kosciusko County Firemen's Association at the Mentone school house on Thursday evening, March 15.

After the business meeting, Mrs. Fawns, of Akron, who spent 27 years in Korea, gave a very interesting talk on why we must be there.

As refreshments the Mentone boys served a hot chili supper. They were assisted by Mrs. Arlo Friesner, Mrs. Rex Tucker and Mrs. Harry Smythe.

CELEBRATES 11TH BIRTHDAY

Miss Patty Parker celebrated her 11th birthday Friday evening. Classmates present were: Julie Kent, Linda Linn, Joyce Anderson, Ruth Cochran, Janet King, Susan Todd, Donna Lou Eaton, Beverly Horn, Sharlene Ware, Sue Shoemaker, Martha Perry, Doris Scott and Lucy Coplen. Sue Fenstermaker was unable to attend.

Patty received many lovely presents. Contests were played and Mrs. Parker served refreshments of cake and ice cream.

OFFICIAL OPENING SATURDAY

Baker's Jewelry and Appliance Store will have its official opening on Saturday, when the public is invited to visit them in their new location.

Coffee and doughnuts will be served during the day.

An ad elsewhere in the Co-op News gives more details.

**MOTHER OF MRS. JOHN
ELLSWORTH DIES**

Funeral services were held Sunday at the Bourbon Presbyterian Church for Mrs. John Reichert, 64, of Bourbon, who died on Thursday at her home there. Death was due to complications. She had been bedfast for 4 years. Mrs. John Ellsworth, of Mentone, is a daughter of the deceased.

Mrs. Reichert was born in the Millwood community October 11, 1886, the daughter of John and Frances (Bolinger) Hershberger. On March 21, 1908 she was married to Mr. Hershberger, who died October 12, 1949. They moved to Bourbon 21 years ago.

Surviving relatives include three other daughters, Mrs. Margaret Fawley, Bourbon, Mrs. Mary Lyons, Lindhurst, Virginia and Frances Zillmer, of Bremen; two sons, Carl of Bourbon and Fred of Hammond; three sisters, Mrs. Henry Reichert, Bourbon, Mrs. Raymond Brock, Bremen and Mrs. William Karbach, Fort Wayne; 13 grandchildren and one great-grandchild.

Burial was in the Sandridge cemetery.

Malcolm Long planned to spend his spring vacation in Alabama with his brother and family, Mr. and Mrs. Justin Long.

FARM & DOMESTIC WORKERS NEED CARDS NOW

Since the Social Security Act now covers regularly employed farm and domestic workers, it is important that these employees have social security cards. This was the announcement made today by Gerald Kelter, Manager of the Social Security Administration's Elkhart Office.

Mr. Kelter said that domestic and farm workers should apply at his office in Room 222, Equity Building, if they have never had cards or if they previously held cards but lost them. He pointed out that the first reporting of wages paid to these employees will be made in April for the first three months of 1951. An employer who must report wages for them is required to make such reports whether the employee has obtained a social security number or not. If the employee has not secured his card when the report is filed, he may not receive credit for his wages. Mr. Kelter said that it is not necessary for any employee to take this risk and that it can be avoided by obtaining a card now.

If a worker has lost his social security number he should apply for a duplicate card, and not a new number Mr. Kelter cautioned.

The facilities of the Elkhart Office are available to employers of domestic or farm workers who desire information about their responsibilities under the amended law.

TESTS COMPLETED ON NEWMAN CATTLE

Brattleboro, Vt. March 12—Several registered Holstein-Friesian cows in the herd of John A. Newman & Sons, Culver, Indiana, have completed official production tests under Advance Registry rules.

Testing was supervised by Purdue University in cooperation with The Holstein-Friesian Association of America.

Highest producer among these was Culver Dean Ormsby Erma with 634 pounds of butterfat and 16,169 pounds milk, testing 3.9% on 2 milkings daily, in 364 days at the age of 3 years 6 months.

Other high producers included: Culver Eden Ormsby Babs with 629 pounds of butterfat and 16,380 pounds milk testing 3.8% on 2 milkings daily, in 322 days at the age of 6 years 2 months, and Culver Eden Ormsby Nancy with

627 pounds of butterfat and 19,240 pounds milk, produced on 2 milkings daily, in 365 days at the age of 3 years 4 months.

SCHOOL NEWS

Mrs. Tombaugh, Mr. Witham, Miss Aughinbaugh and Mr. Law have served on the committee to help choose the new geography books for the next five years. Teachers from Milford, Pierceton, and Mentone will make the selection. Three different books are being considered.

The Clarinet Quartet, composed of Jo Cullum, Donnagene Dillman, Bonita Miner and Martha Creighton, placed in the third division at the State Solo contest held at Indianapolis Saturday. Charles Urschel, playing a trombone solo, also placed in third division.

Mr. Burt and the four senior basketball players—Phil Shilling, Max Friesner, Ted Shull, and Dale Molebash—attended the state basketball finals at Indianapolis last Saturday.

They reported a very excellent tourney. Mentone was allotted five tickets.

In the finals of the class tourney held last Friday evening in the gymnasium, the Freshmen beat the Sophomores 37-34 in the consolation tilt. The Juniors defeated the Seniors 60-49 in the final game.

Mary Quier has returned to school after having an appendicitis operation. Over fifty pupils from Mentone had x-rays on Tuesday. Pupils from Burket and Beaver Dam were also x-rayed here.

Mr. Burt was absent on Monday due to illness. Mr. Jones served as substitute teacher.

The number eating lunch at school has held up very well. This week about 250 pupils are eating each day.

In the essay contest sponsored by the American Legion Auxiliary, first place was won by Sheila Fitzgerald. Sandra Gross was awarded second place. Thirty-four pupils competed.

The Juniors are working hard on their class play. The band is preparing for the district contest on March 31st. Several pupils are preparing for the County Speech Festival on April 13.

The Gideons will give a program and present Bibles to members of the 5th grade on Thursday of this week.

There will be no Easter vacation in the county schools this year.

HOPE TO INCREASE 4-H CLUB ENROLLMENT

A goal of 1050 4-H members has been set for Kosciusko county in 1951.

Last year 975 different boys and girls were enrolled in 4-H projects. They came from 761 different families of whom 563 were farm families and 198 were non-farm families. In 4-H agricultural projects there were 444 members enrolled and in 4-H Home Economics projects there were 567 members enrolled, some members having enrolled in both kinds of activities.

Enrollment in 4-H projects is emphasized during National 4-H Club Week which began Saturday, March 3, and continued through Sunday, March 11. Any boy or girl who will be 10 years of age any time this year is eligible to become a member of a 4-H club, and may continue in 4-H club work until he or she is 20 years of age.

The 4-H club year actually begins

after the county fair and continues throughout the months that follow until the next county fair. In Kosciusko County, 4-H Home Economics members have been urged by Mrs. Ruth Snellenberger, Home Demonstration Agent, to carry on 4-H project work requirements throughout the entire year. In this manner the doing of the work requirement can be more a part of everyday family living and not something extra for the summer, she states. Four or five 4-H clubs have been having meetings regularly since last year's fair. Others have organized during January and February so that by the first of March all but three of the 4-H Home Economics clubs have started activities.

It is sincerely hoped, says Mrs. Snellenberger, that 4-H club meetings will not be so frequent during the school year as to interfere with school activities.

For carrying out 4-H activities, high praise and much appreciation is given to the 4-H adult leaders of whom almost all are volunteer leaders in Kosciusko County. Last year there were 38 4-H Home Economics adult leaders and 21 4-H Agricultural adult leaders who were responsible for carrying out the county program.

Mr. Roswell Miller and daughter of Wabash called at the Bertha Meredith home on Sunday to visit with his mother, Mrs. Ethel Miller.

OUR WORLD NEEDS . . .

In the grim months that lie ahead, people of all faiths will receive inspiration and comfort from this Holy Day.

May joy and gladness overflow your heart and your home at the coming Easter.

MENTONE MURMURS

by
DAVID and SALLY GOSSE

These are the first days of spring, and although the weather is nippy and the air has a few wandering flakes of snow, there is the promise of fair weather and warm days ahead. It is so appropriate that Easter and spring are of the same calendar season, for the hope of spiritually eternal life is well illustrated by the recurring life of the natural universe about us.

Already the song of the robins has stirred the latent feelings of beauty and joy and well being which, during the winter, slumber and lie dormant within mankind. Through the smudges of winter-waste appear the fresh greenery of buds and swelling root sprouts that find their complementary action in the hustle and bustle of humans as they prepare their machinery for plowing the aromatic earth, turn their domiciles upside-down in this

fever of housecleaning, and the increased desire for activity, be it nothing more than sorting out the flies and untangling the hastily stored away fishing tackle.

There is nothing so disturbing, however, as the pressure of domestic responsibility when the realm of nature would call one to the woodlands and lakes where all about there is the evidence of the Creator's handwork that teaches faith and hope and a physical version of eternal life.

The Master referred so frequently to the realm of nature to illustrate the kingdom of God about which we become most conscious during the Easter season. Murmurs wonders if all eyes are turned to behold the unfolding miracles in the midst of which man has been placed. How there can be unbelief, when all the realm of nature and of man cries out the evidence of new life, is beyond him.

"Were the whole realm of nature mine, That were an offering far too small; Love so amazing, so divine, Demands my soul, my life, my all," wrote the poet, Isaac Watts.

CARD OF THANKS

We wish to thank our friends, neighbors and relatives for their love, sympathy, flowers and cards during the sickness and death of our baby daughter. Everything that was done, we deeply appreciate.

Mr. and Mrs. LaMar Leffert.

NEW FARM MACHINERY

Walt Safford, who sells the Automatic Egg Maid hens nest in the Mentone area, has added a dual purpose 6-volt extension light and a grass seeding machine to his line of farm equipment.

The TWIN LENZ utility light features a 4½ inch sealed beam lamp for use wherever emergency lighting is needed and a stationary clearance light for extra protection for the tractor. The light, which has a 3-inch red cover lens for emergency tail light use, is attached to a 35-foot cord on a reel with a return spring. This is all contained in an 18-gauge steel case with universal mounting for all tractors, jeeps, etc. Special features are: automatic cord return, all lenses and bulbs can be replaced at auto supply stores; extendable light can be mounted anywhere in a moment; choice of red or

white light with a flip of the cover lens.

Another new machine which is rapidly finding favor with farmers is the Austermiller Windy Day Seeder. The Austermiller handles clover, alfalfa, grass and other fine seeds sown broadcast. It attaches to the front or drawbar of a tractor in about ten minutes with one ¾-inch bolt and is operated by a 6 volt motor. Wires for connecting the motor to tractor battery are furnished with the seeder, which will broadcast ten or more acres per hour. Two round feed holes deliver seed to special spreader jets which broadcast seed evenly—even on windy days.

For information on the many fine features of the Austermiller Seeder and Twin Lenz "light with a thousand uses"—also prices—write

HAROLD MILLER, Manager

WHO'S AFRAID OF THE A-BOMB?

The atom bomb jitters are nothing new—they are no different than your great-grandfather's fears that he would be scalped by the Indians.

This thought-provoking observation is one of several contributions to men-

tal health that has been and is being made through the training institutes sponsored by the Indiana Mental Hygiene Society and its county chapters. It was Dr. John H. Greist, Indianapolis psychiatrist, who used the comparison between the two fears of violent death in a talk at a recent train-

ing institute for nurses.

The psychiatrist advocated that for the sake of better mental health, people learn to give attention to one thing at a time, instead of being torn emotionally between many unsolved problems and facing none of them. If the immediate difficulties are mastered

an individual can face future problems with assurance.

Although organized only two years ago, the Indiana Mental Hygiene Society, according to Mr. Walter W. Argow, has sponsored eight training institutes for persons who deal with human problems, always in cooperation with the organization from the special field involved.

It is toward people like nurses, ministers, teachers and policemen that the intensive one-day courses in understanding the nature of mental health is directed. These are the people that most of us, sooner or later, may ask for advice or help. What they say or do in that time of our need may mean the difference between happiness and disaster.

CARD OF THANKS

We wish to express our sincere thanks to Rev. Gosser and neighbors and friends during the loss of our husband and father.

MRS. GIFFORD and SON.

Mr. and Mrs. Harry Cole and Mr. and Mrs. Cassel Whetstone were Sunday guests of Mr. and Mrs. Abe Whetstone. Mr. and Mrs. Vinsin Goodman and daughters, Virginia Lynn and Sharon Kay called in the evening.

MENTONE LUMBER CO.

"COURTESY FIRST"

IN GOOD OLD DENVER.

March 13, 1951

Dear Artley:

I got transferred to Denver yesterday. I thought I had better drop you a line and give you my new address.

The weather here is about like the weather at home. It is pretty nice most of the time. It is a lot colder than I have been used to these last two months. Anything that is like good old Indiana is good enough for me.

The elevation of this base is 5420 feet above sea level, so you can see why it is pretty cool. The Rockies form a very beautiful mountain range to the west. I can't wait to get a chance to look them over from a closer view.

I am going to take a 19-week course in armament electronic fundamentals. I am going to follow that up with an aerial gunnery course.

They signed us up for class A passes today. They are good for anytime you are off duty. I should get to see a lot of beautiful scenery during my stay here. Guess I have run out of words for now. I want to thank you a million for sending me the paper. Give everybody my best regards. My address is as follows:

Pvt. Merl R. Blue AFSN 16-356-112
3415 Stud. Sqdn.,
Lowry Air Force Base,
Denver, Colorado.

(Another note under date of March 20th, states:

"Art, I got in Tech. school a lot sooner than I expected. Here is my new address.")

ADVERTISEMENT — IT PAYS!

METHODIST CHURCH NEWS

The Methodist church is observing the Holy Communion Service this Thursday evening, as a memorial of The Last Supper that Christ had with His followers before His crucifixion. Following the service there will be a rehearsal of the cantata, "From Darkness to Light," which will be presented by the choir on Friday evening, at the conclusion of the Holy Week services.

This cantata is music from themes by P. I. Tchaikowski arranged and selected by Ellen Jane Lorenz. The text was also compiled and written by Miss Lorenz. The themes are the well known and loved melodies which are familiar to most radio listeners, namely: "Andante Cantabile," themes from the "Sixth Symphony," and "Legende," "None but the Lonely Heart," "Marche Slav," "Chanson Triste," "Pilgrim's Song," "Cherubic, Hymn No. 6," "Bell Theme," and "Russian Hymn" from "The 1812 Overture."

The community is cordially invited to this musical festival, which is appropriate for the Easter season.

On Sunday morning at six-thirty the Junior Choir will begin the Early Morning Service with the processional hymn, "Holy, Holy, Holy." This is an annual Easter service which is followed by the breakfast served by the men of the church. Everyone is welcome.

For the past few years over a hundred people have been served this special breakfast of fruit juice, ham, eggs, rolls, coffee, and milk, each Easter morning, in spite of snow storms, rain,

hail and sleet. The men are expecting to serve about one hundred and fifty this year.

The regular Easter service will be at ten o'clock. Special music will be provided by the choir and soloists. The theme of the service is "Christ in 1951." Following the sermon, the new members will be received into the church, and there will be a service of baptism for infants.

There will not be any services Sunday evening. It is to be remembered, however, that "The Pilgrimage Play" will be shown on Sunday evening, April 8.

EASTER REVIVAL SERVICES

AT TALMA CHRISTIAN CHURCH

Looking out the window on the fifth floor of one of Ft. Wayne's hotels, you can see tall church steeples in almost every direction like giant fingers pointing up into the heavens. Easter Sunday morning, large bells will be chiming forth from these tall spires, a friendly invitation to all—Come to church, come to church, today.

Easter Sunday morning a big bell in the steeple of the Talma Christian Church will ring forth a real neighborly invitation from God and the people of His church to come and worship together the One who was victorious over the grave, even the Lord Jesus Christ, the Son of the living God.

Dr. D. R. Thomas will begin a two-week revival service at the Talma Christian Church Easter Sunday morning at 10:30 a. m. and 7:30 p. m. each night. Dr. Thomas, a member of the Baden Baptist Church, St. Louis, Mo., was a pastor and a teacher in a Bible college for several years; a missionary in the Mariannas Islands for three years; an evangelist for the past sev-

eral years, and altogether has given thirty years of his life to the ministry of telling people the "good news" that Jesus Christ was born of a virgin, crucified, buried, rose up from among the dead to become our living personal Savior through receiving Him.

Dr. Roscoe Wilson and his large congregation in South Bend have recently closed their third revival service with Dr. Thomas and I'm sure they will call him back again.

Have you ever attended the same revival meeting more than once or twice? Starting this Sunday, come and break your own record and I assure you that these two weeks will be the happiest of your life.

When? March 25. Where? The Talma Christian Church. We will be looking for you.

WM. HOWARD, Pastor.

WINS FIRST PLACE

IN STATE CONTEST

Ed Severns & Son, of near Mentone, took first place in the heavyweight Duroc Barrow class out of 27 head shown at the Second Annual State Barrow and Ton Litter Show held at Indianapolis at the state fair grounds Tuesday.

The winning barrow was from Ronald Severns' sow and weighed 249 pounds. The sire was Hoosier Transmitter, Ed's large boar. The dam can be traced back to the first purebred sow Ed owned around 17 years ago and now has a nice litter of spring pigs by the same sire.

This barrow is a half brother to the gilt Ed sold at the Indiana State Show and Sale held in February of this year, where she was placed in the superior division.

Saturday Kingan & Company will have the carcass on display at their packing plant where there will be in the neighborhood of 50 carcasses that will be judged.

PREPARED BY
AMERICAN FOUNDATION FOR ANIMAL HEALTH

POINTERS ON SWINE ERYSIPELAS CONTROL

Swine erysipelas is one of the toughest foes with which the hog raiser has to deal.

Until a few years ago, the disease was limited to a fairly restricted

Arched backs may signify erysipelas.

area. Now, veterinarians say, outbreaks are occurring all over the country. No locality can consider itself outside the potential danger zone.

One of the worst features of swine erysipelas is that it is easily confused with other diseases. For example, even a skilled veterinarian may have to resort to a laboratory

examination to distinguish it from hog cholera.

Generally speaking, a farmer should suspect erysipelas if any of the following symptoms show up. Lameness, arched backs, discoloration of the skin, enlarged joints, high fever, great loss of weight, sloughing of skin patches.

Even after an outbreak occurs, many animals can be saved if protective steps are taken early enough. Special serums help pull many hogs through danger, and others can be protected through vaccination.

However, the vaccine is potentially dangerous, and most states require that it can be given only by a veterinarian.

To further complicate the problem, erysipelas germs have been found responsible for disease losses in turkeys and lambs, as well as a painful human skin affliction. Thus, farmers are urged to wear gloves while handling hogs suspected of having erysipelas.

A final dangerous aspect of the disease is that the germs may contaminate a hog lot for a long time. They sometimes live for several years in the soil.

Mrs. Dan Urschel, Mrs. Hobart Creighton, Mrs. Artley Cullum, Mr. Wendell Fredericks, Martha Creighton, Jody Cullum, Bonita Miner, Donna Jean Dillman, David Gosser, Jr.,

Charles Urschel and Jon Cullum went to Indianapolis last Saturday where they attended the State Music Contest. Charles and the clarinet quartet were entered in the contest.

IF YOUR DOG HAS BAD HABITS

It's easy for a farm dog to develop bad habits. It's almost as easy for you to break them. Here are some pointers on how you can help your dog convince himself that he shouldn't kill chickens, or snap at a cow's heels unless at your command. The instructions are from the informative Purina Farm Dog Book on how to care for and train the farm dog.

Killing Chickens

Some dogs develop a liking for chicken killing. So, if it has happened again that King has gotten hold of one, take the dead bird and tie to King's collar so that it hangs awkwardly between his front legs and reminds him of its presence at each step. Then, lock him up for at least a day or two. Meditating alone all day, with a dead chicken tied to his collar, he will soon come to the conclusion that poultry better be avoided. This method incidentally can also be used if he digs up flowers or rose bushes. Discipline him with the flowers he has dug up, then keep them tied to his collar for a good while.

new surroundings may make him howl all night. To break this, make him comfortable on good bedding in his own quarters and confine him during the night. Then put some of your used clothing with the dog along with a ticking alarm clock. The familiar odor and the friendly ticking won't let him feel deserted.

Excessive Barking

Quite frequently, when a new pup comes to the farm, lonesomeness and

IND.

● Use of electric power in Indiana has been growing by leaps and bounds in recent years, spearheaded by the amazing increase in use by the many industries of the State. In 1940, industries served by the electric companies of Indiana used 1,656,910,542 kilowatt-hours of electricity, and during the year 1950 they used over 2½ times as much . . . a total of 4,361,895,246 kilowatt-hours.

It has meant a great deal to every Hoosier worker that the electric companies of Indiana have been able to supply this rapidly growing industrial demand for electric power, as well as fill the fast-increasing needs of all their other customers, including those who depend on us for the power they receive through their REMC's or municipal systems.

But supplying *all* these electric needs is both our responsibility and our obligation. That is why, since equipment again became available after V-J Day, we have been pushing forward the biggest electric expansion program in Indiana history . . . a 500 million dollar program which will have increased the generating capability of the Indiana Electric Companies from 931,700 kilowatts in 1940 to 2,568,400 kilowatts by the end of 1953.

TALMA PTA HONORS BASKETBALL PLAYERS

The Talma PTA met at the school gymnasium, Tuesday evening of last week where a community dinner was served honoring the basketball boys.

The business meeting was opened by the president, Mrs. Don Nichols. All sang the school song and the secretary's report was given by Mrs. Sid Dick. An election of officers was held with the following results: President, Delbert Hunter; vice president, Mrs. Wilbert Utter; secretary, Evelyn Bick, and treasurer, Mrs. Ed Keebler.

A puppet show was given by the Freshman class and an accordian and piano duet was played by Barbara Carlile and Dixie Duzan. Five songs were sung by Evelyn Smith and Sarita Emmons. A girls' quartette sang two numbers, the quartette consisting of Barbara Carlile, Dixie Duzan, Evelyn Smith and Sarita Emmons. Songs were sung by the seventh and eighth grade boys. Two films were shown.

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

The importance of birth and death certificates being filled out clearly and correctly was stressed by H. M. Wright, director, Division of Vital Records, Indiana State Board of Health.

"The increased demand for birth certificates caused largely as a result of the war emergency situation is delayed in about one out of every ten cases by the birth never being registered or the information erroneously recorded," Mr. Wright pointed out.

"The misspelling of family names and illegible writing cause our greatest delay. One family spells their name as Smith, another as Smythe or Schmidt and if the name is not recorded correctly on the birth certificate, the identification of the certificate is delayed. This detail becomes important when issuing approximately 500 birth certificates a day from a file of hundred of thousands of certificates. Also, the certificate is a permanent record and should be recorded correctly but we can only go by the original record."

The Indiana State Board of Health

birth records begin with the year 1908. Records prior to 1908 and for the years following are located in the local cities and counties and requests for birth certificates should be made first to the health official in the city or county where the person was born. If not obtainable there, the request may be directed to the State Board of Health.

Mr. Wright has asked persons not needing their certificate on an emergency basis to delay their request until the present demand of persons joining the military service or working in war plants has subsided.

★ Today good will may starve to death. Keep it alive with customer courtesy and careful advertising.

FARM MORTGAGE LOANS — Inasmuch as we confine our farm mortgage lending largely to our own community our customers are afforded the privilege and convenience of coming to the bank and making payments on their loans at any time they may receive income from their farm operations. Many of the borrowers are taking advantage of our prepayment privilege and paying principal payments in advance. These payments are credited to the next succeeding installment on the loan which gives the borrower the benefit of the privilege of skipping principal payments, if he so desires or if his plans do not materialize, to the extent that he has prepaid. Interest ceases on all principal payments on the date of payment. While our contract interest rate is 5%, the savings effected under our liberal repayment terms reduces the cost of our loans below that of many other agencies that have a lower contract rate. We charge no commissions or appraisal fees and are in a position to extend the maturity date of the principal and interest payments to accommodate the needs of our borrowers. Consult us about your long term financing needs. We believe you will agree with us that our mortgage lending program offers many advantages. **FARMERS STATE BANK**, Mentone, Member Federal Deposit Corporation. tf

WANTED—House to rent. Box 24, Etna Green, Indiana. 1p

MOTHERS OF WORLD WAR II, UNIT-106 MEET

Mothers of World War II, Unit 106 met at the home of Mrs. Opal Tucker, March 14th. The regular order of business was followed. On rehabilitation, Mrs. Paulus reported the lap robes were sent to Billings Hospital and the sponge rubber cushions and socks sent to cold springs road. Several cards of thanks were read from shut ins for the valentine plates received, also a card from Pvt. John C. Churchill. The Treasurer reported a balance of \$98.59. There was some discussion as to the unit buying a walker, bed side table and a back rest. It was voted that we buy one of each and Blanche Paulus and Fawn Janke were to get prices and report. All members were urged to send Easter cards to any and as many soldier boys as they could.

Blanche Paulus and Ethel Wagner gave a report of the District meeting held at Winamac and the pointsettias to be ordered by the first of October. Mae Borton was appointed Membership chairman. Birthday money was paid by Marie Coleman and Ethel Whetstone. Donations were given by Julia Smith and Norma Kimes. Bills were allowed to Mrs. Paulus and to Frank and Jerry's store. Next meeting to be with Mrs. Flosum Newell. Mary Jane Tucker won the door prize. Closed with the Mothers creed, singing one verse of God Bless America and prayer by the Chaplain.

Mrs. Paulus read a poem as a thought for the day. The hostess assisted by Helen Mollenhour served lovely refreshments to the 22 members and four guests present. Mrs. Nora Kimes, Mrs. Ethel Miller, Mary Jane Tucker and Mrs. Joe Tucker and daughter, Mrs. Paulus and Mae Borton were the high bidders at the auction. Next auction members are Mildred Flenar, Lucie Gross and Alta Hudson.

Codes to the Flag were presented to the mothers of the unit by Louise Kinsey.

PINE MARTEN

When man moves in, the Pine Marten moves out. The slinky, soft-furred hunter of the forests cannot stand a bit of civilization. As human beings start to build near his hide-aways, he departs and goes deeper into the woods.

He picks out the thick forests where there are plenty of trees to climb. With

© National Wildlife Federation
Pine Marten

long, slender claws to make him sure-footed, he is completely at home among the leafy branches. There he catches squirrels and birds and finds nuts, fruit and wild honey to eat. And in the high hollow of a tree trunk he may

build a home lined with leaves and grass.

The Pine Marten fares just as well on the ground, though. Beneath the trees, says the National Wildlife Federation, he can hunt and eat mice, rabbits, chipmunks, frogs and insects. He may even choose to build his den in a crevice among rocks or, once in a while, in a ground burrow.

Wherever the den is located, each year it is the home of from one to five baby Martens. They are blind for about the first four weeks of their life. After their eyes open, they still remain in the den for another month before venturing out.

When he reaches full size, the Pine Marten is a little smaller than a house cat. He measures from 23 to 25 inches in length, including a round bushy tail. His body is slender, his head small, his legs short and his ears broad and rounded. On each paw there are five toes and five sharp claws.

The most attractive feature of this agile tree-climber is his soft, rich fur. It is a warm, smooth brown — dark underneath and a bit lighter on his

upper parts. Like the coat of every furry creature, his grows thicker in the winter. At all times, it may be brushed and smoothed in any direction without seeming rough to the touch or looking ruffled.

So it is no wonder that trappers eagerly seek the Pine Marten. A shy, cautious creature, he is hard to see and find, but the National Wildlife Federation finds that he is not always careful about avoiding traps and can be caught.

Because he stays away from human beings if he possibly can, the Pine Marten inhabits a much smaller area than he once did. There was a time when he lived all along the wooded mountains of the eastern United States but now he is found only in the northernmost forests of our country and Canada.

There is little chance that you will ever see one. But if you should you might also hear the noises he makes. When aroused, he hisses, growls, snarls and screeches. He certainly would be carrying on in this way if he were cornered by either of his deadly enemies, the fisher or the lynx. While there are other animals that would attack and eat him if they could, the Pine Marten is able to get away from most of them.

Interesting information about other species can be obtained by writing to the National Wildlife Federation, Washington 10, D. C.

Free Lunch Saturday!

We've been working day and night for several weeks fixing up our new store, trying to get the Youngstown kitchen built up showing the various features of this modern unit, have our Philco radios and television sets in place and operating, the Bendix Home Laundry arranged, the Philco refrigerators and Superflame stoves on display. And, of course, our jewelry case came in for a few final touches.

We want everyone to feel they have a personal invitation to visit our store, so we secured the services of Chance and Lyndes to serve free coffee and doughnuts to everyone on Saturday, March 24th.

We hope to see you Saturday.

BAKER'S
JEWELRY and APPLIANCES

FORMER MENTONE MINISTER AND FAMILY

A Christmas greeting folder from Columbus, Wisconsin, received in Mentone, showed a picture of the Paul H. Smith family, and as Rev. Smith once served as a minister in Mentone, it was thought our readers would be interested in a view of the entire family today.

The greeting letter contained much personal information about the Smith family and their work, but we will give only a few of the details.

The Smiths refer to their Christmas message as the "Smith Family Escapades," and this one included:

"This is our fourth year at Columbus, and we like it very much. It is a fine progressive community, with people who enjoy being friendly, and who take pride in their town.

"We deeply love our church and its people. The church celebrated its centennial in 1947, and the present building has been one of the town's chief attractions since 1872. * * *

"As you can see by the family picture, we continue to grow older, along with the rest of you.

"Jean continues to keep herself busy and in addition to keeping the home fires burning, the hungry family fed and clothed, she has tried to do her share in the activities of the church. This is the last of a four year term as district president of the W. S. C. S. In this capacity she has had the opportunity of working with the women of some 80 churches, and to help plan their work for the whole conference. Last April it was her privilege to be a delegate to their third general assembly, held at Cleveland, where over 3,000 women from all over the world attended.

"Paul Henry is president of his senior class, and thus involved in the activities of the school. He is also photographer for their school annual, and much interested in photography as a hobby. He was selected as one of the delegates to represent Columbus at the

National Boy Scout Jamboree, held at Valley Forge last July.

"Father was also asked to go to the Jamboree as one of the adult leaders, so we made this our family vacation. We traveled by car to Niagara Falls, then to the Jamboree, Philadelphia, Washington, D. C., Mt. Vernon, Richmond, Williamsburg and Jamestown; then home through Kentucky and Indiana. We did it the real Boy Scout way and slept in tents all the time. It was a great experience, and one the family will always treasure.

"Don is a junior this year. He played on the "B" team in football last fall; he's too light to make the top squad. He continues his interest in Scouting, and achieved his Eagle rank last fall. He also spent several weeks in the northern part of the state as a junior leader on a canoe trip. He still keeps his interest in all of nature. He raises pigeons in the garage, and plants and gold fish in the house. His latest addition is a canary. He also continues with a morning paper route and delivers the special deliveries for the post office.

"Eddie is in the 6th grade, and likes school all but the work. If it were all basketball, football, baseball, and recess, he would be quite happy. He plays the bass drum in the junior band. He, too, has started in Scouting and is now a Second class Scout. Just now he is figuring out a canoe trip from Columbus to Atwood, Indiana, via Crawfish, Rock, Mississippi, Ohio, Wabash and Tippecanoe rivers. If any of you living near said bodies of water hear strange war-whoops, you will know he is on his way.

"Ann is in the 5th grade, and is doing very well in her work. She likes all of school and her music. She is taking piano lessons and plays a flute in the junior band. She is active in the Girl Scouts, and finds it a full time job holding her own against three big brothers.

Mentone, Ind., March 28, 1951

Subscription—\$1.50 Per Year

HONORED AT I. U.

Robert Anderson, son of Dr. and Mrs. E. D. Anderson, has been elected to membership in the Indiana University Chapter of Sigma Xi, a national professional service society.

This is one of the highest honors that can come to a science student. Bob has been doing graduate work in chemistry.

BEAVER DAM JUNIORS AND SENIORS TO PRESENT PLAY

Members of the Junior and Senior Classes of the Beaver Dam High School will present their play on Thursday and Friday evenings, April 5 and 6. "Don't Take My Penny" is the title of the play, which is directed by Mrs. Ronald Malott, Expression and Dramatic instructor in the high school. The plot is about a typical sixteen year old girl who desires to become an actress. Franci Study plays the part of sixteen year old Penny Pringle; Donnie Butt plays her absorbed father Caleb; Velma Coplen as her busy mother, Lydia; Gerald Smalley, as her farm-minded brother, Mark; Martha Drudge as her attractive sister Mavis; Lillie Norris as her grandmother; Carolyn Lockridge plays her loyal girl friend, Joanna; Everett Rookstool plays Penny's boyfriend, Kerry; Greg, Kerry's pal with ideas played by Stan Freed; Sally, a maid with a purpose played by Marilyn Hancy; Norman Porter, a publicity man, Bob Maggart; Monsieur Henri, A French Designer, Bugs Hancy; Claire, Elsie, Lucille, pretty young models, played by Barbara Holloway, Doris Creakbaum and Pat Ballenger; Red, a delivery boy, Junior Jones and Harrison Day, a young author played by Larry Creakbaum.

Tickets may be secured at the school office or at the door. Prices are 25c and 50c, tax included.

FLY TO FLORIDA TO SERVE FISH

Forrest Higgins and a group of other men, many of them from this county, have arrived in Pensacola, Fla., by plane, to fry fish for visiting Indiana Flying Farmers. Roscoe Frazer, of Purdue, was also in the group, which started from this county early Monday morning.

RED CROSS QUOTA NEARLY REACHED

Roy Cox, who is director for the Harrison Township Red Cross drive, reports that he is within \$30 of his quota of \$750.

He wishes to express his appreciation to all the helpers and to each one who donated to this worthy cause.

The County Red Cross budget this year was \$13,100. The expanded national blood program was one of the major reasons for the larger budget for 1951. This program maintains an adequate supply of blood on hand at our hospitals for patients.

Mr. Bledsoe, the County Chairman says, "You cannot place a monetary value on a life, and all the world's fortune cannot buy life, but, \$6.67 will pay for the processing of a pint of blood that may save your life or the life of your child."

Anyone who has not donated to this Red Cross drive may send your donation to Roy Cox.

CLUB CALENDAR

Royal Neighbors will meet Tuesday evening, April 3 at the home of Neighbor Folsom Newell.

The Kosciusko County Federation of Women's clubs will hold its convention on April 10, at Syracuse, Indiana.

The luncheon tickets are \$1.50. Call Mrs. Nelson for transportation and reservation by April 5.

Friendly Neighbors Home Economics Club will meet on Thursday afternoon April 5, at 1:30, at the home of Mrs. Chester Ballenger.

Public installation, Eastern Star, on Friday evening, March 20, 8:00 p.m., at the hall.

O. E. S. meeting April 2, at the hall.

VISITS BROTHER

Staff Sgt. and Mrs. William Cooper, of Williams Field, Arizona, and Mr. and Mrs. Henry Cooper and Miss Bonnie Cooper, of Swayzee, spent Tuesday evening at the Raymond Cooper home. William and Raymond are brothers.

This is Sergeant Cooper's first visit home in two years.

He is with the mechanical division in jet planes and has had some very exciting experiences.

PARENTS OF SON

Mr. and Mrs. John Marozsan of Indianapolis are the parents of a son, George Michael, weight 7 lbs., born on March 24 at the Methodist Hospital. The grandparents are Mr. and Mrs. John Marozsan of South Bend and Mr. and Mrs. Francis Kehoe of Bourbon. The mother will be remembered as Donabelle Kehoe.

ROMINE

Mr. and Mrs. Kenneth Romine are the parents of a son born last Thursday at the Woodlawn hospital.

The new boy has been named John Merrill and weighed 8 pounds, 10 ounces.

Mrs. Romine and baby came home the fore part of the week.

HOME FROM HOSPITAL

William (Billy) Cook was able to return home last Saturday from the Woodlawn hospital where he had been a patient for a week, following a fall from the mail sack platform near the depot. He suffered some broken ribs and was badly bruised.

Billy can walk about, but is still pretty uncomfortable.

Walter Wilson has been carrying the mail sacks to and from the trains since Mr. Cook's injury.

BUYS GARAGE

In a recently completed business transaction, Tommy Stanford sold his garage to Raymond Lewis, who will take possession next Monday, April 2.

Tommy has had the garage here for the past five years, having done some extensive remodeling of the building a couple of years ago. He has announced no immediate plans for the future.

Raymond needs no introduction as a repair man as he has proven his ability in our community.

GIVE AWAY 32 DOZEN DOUGHNUTS

Joseph Baker, of the Baker Jewelry and Appliance Store, at Mentone, reports that 32 dozen doughnuts were given away to friends at their "open house" held last Saturday. It took four pounds of coffee, correctly brewed, to "dunk" said doughnuts.

ALPHEUS STUDY BURIED

Alpheus Study, aged 96, a retired farmer, died early last Wednesday at the home of his daughter, Mrs. Alva Summe, of Silver Lake. He had been bedfast for almost a year and was found dead Wednesday morning. It is thought his death occurred about 5 a. m. He had resided at the Summe home for 24 years.

Mr. Study formerly resided in the Beaver Dam community.

He was born near Richmond March 4, 1885, the son of Henry and Rebecca (Hart) Study. He was married at Richmond to Eliza Johnson, who died in 1926.

Survivors include his daughter, Mrs. Alva (Ocie) Summe, of Silver Lake; two grandchildren, Mrs. George (Edna) Melbourne and Mrs. A. H. (Trill) Fleck, of South Bend and nine great-grandchildren.

Funeral services were held at 2:30 p. m. Friday at the Summe funeral home in Silver Lake, with Rev. Kenneth Kraft, pastor of the Silver Lake E. U. B. Church in charge. Burial was in the Palestine cemetery.

GOSHERT INFANT DIES

A graveside service was held last Friday afternoon at the Mentone cemetery for the infant son of Mr. and Mrs. James Goshert, of Mentone. Rev. John Schroeder of Atwood officiated. Arrangements for the service were made by the Johns funeral home.

The baby was stillborn at 4:15 p. m. Thursday at the McDonald hospital.

Surviving relatives include the parents, James and Iola (Tucker) Goshert of Mentone; a sister; the maternal grandparents, Mr. and Mrs. Chancy Tucker, of southwest of Mentone and the paternal grandparents, Mr. and Mrs. Everett Goshert of northwest of Warsaw.

FISHER WILL PROBATED

The last will of the late Isaac D. Fisher of Palestine, has been admitted to probate in circuit court. Mr. Fisher died at Palestine on March 20. The will leaves all property, real and personal, to the widow, Lucille, providing she does not remarry. It states that if she does remarry, all property should be sold and proceeds be divided equally among the widow and children.

FRANKLIN 49'ERS MEET

The Franklin 49'ers met March 20 at the home of Lillie Norris. The meeting was called to order by Elenor Norris the president of the club. Pledge to the American and 4-H flags was led by Wilburta Latimer and the secretary's report was given by Marilyn Rathfon.

The health report was given by Wilburta Latimer who stressed the fact that "clean hair is attractive hair".

Demonstrations for the year and a trip for the club were discussed. Mrs. Everett Rookstool, the adult leader, gave a report on the recent leaders' meeting held at Goshen. The mystery package was received by Karen Latimer.

Refreshments were served by Mrs. Sam Norris to Elenor Norris, Lillie Norris, Sandra Ballinger, Marilyn Horn, Marilyn Rathfon, Karen and Wilburta Latimer and Mrs. Everett Rookstool.
KAREN LATIMER, Reporter

BURKET SENIORS TO HAVE FISH FRY

The members of the Burket Senior Class are having a fish fry next Tuesday evening, April 3, at the Burket gym.

The purpose of this fish fry is to raise money so that the two German students in the class may take the Senior trip. The project certainly is a worthy one.

Details are in an ad to be found elsewhere in the Co-Op. News.

CORONATION CHOIR AT THE BAPTIST CHURCH

The Coronation Choir will appear at the First Baptist Church Monday, April 2nd, 7:30 p. m.

The Coronation Choir is composed of a group of selected singers from the eight hundred members of the student body of the Bible Institute of Los Angeles. These young people are preparing for some form of foreign fields, as ministers, missionaries, directors of Christian education, ministers of music or instrumental or vocal soloists. The choir personnel represents many denominations.

The School of Sacred Music—of which Drs. Herbert G. and Eva M. Tovey are co-directors—is a department of the Bible Institute, and the Coronation Choir is one of its expres-

sional arms. The Choir, directed by Dr. Eva M. Tovey, and accompanied by Miss Elizabeth Morgan of the Music faculty, presents a program of sacred classics, Negro Spirituals, hymns, arranged gospel songs and carols. Within the group are the Coronation Male Quartet, the Coronation Ladies' Trio, and a solo trumpeter. They also carry with them the Hammond chimes and small bells for added variation.

This group has appeared on radio and television programs in California. In churches of all evangelical denominations and in high schools. Their present tour is a national one, embracing many appointments throughout the United States and a portion of Canada. To hear them is to create a lasting memory.

Children's Imagination

Children have great imaginative powers and can be provided with very, rich experiences at little or no expense. This is true, for example, in permitting children to turn their own backyards into camp sites if a costly trip is out of the question. A roasting weiner smells almost as good at home as in the Maine woods, and a clothesline tent is an adequate tepee.

COUNTRY NEIGHBORS MEET

The Country Neighbors Home Ec. Club met at the home of Mrs. Jake Gross with 20 members, 2 guests and 4 children present.

The meeting was opened with the group singing "America the Beautiful" and the pledge to the flag.

For meditation Mrs. Henry Konneck read the "Easter Story", also "What is the significance of Christ's resurrection for Us" and a poem "At Evening." Mrs. Helen Notz and Mrs. Carl Zolman presented the lesson "Space Planning."

Mrs. Carl Zolman was presented with a lovely set of dishes by the club members. Secret Pal gifts were received by Mrs. Martin Notz, Mrs. Isabelle Peterson and Mrs. Myrtle Pfeiffer. Auction articles were purchased by Mrs. James Richardson and Mrs. Darr.

There were several unusual creations for Easter bonnets, which each member was requested to bring and wear throughout the meeting. The next meeting will be at the home of Mrs. Myrtle Pfeiffer with Mrs. Henry Konneck as Co-Hostess. Each member is requested to bring something for our seed, bulb or flower slip exchange, for the April meeting.

FARM MORTGAGE LOANS — Inasmuch as we confine our farm mortgage lending largely to our own community our customers are afforded the privilege and convenience of coming to the bank and making payments on their loans at any time they may receive income from their farm operations. Many of the borrowers are taking advantage of our prepayment privilege and paying principal payments in advance. These payments are credited to the next succeeding installment on the loan which gives the borrower the benefit of the privilege of skipping principal payments, if he so desires or if his plans do not materialize, to the extent that he has prepaid. Interest ceases on all principal payments on the date of payment. While our contract interest rate is 5%, the savings effected under our liberal repayment terms reduces the cost of our loans below that of many other agencies that have a lower contract rate. We charge no commissions or appraisal fees and are in a position to extend the maturity date of the principal and interest payments to accommodate the needs of our borrowers. Consult us about your long term financing needs. We believe you will agree with us that our mortgage lending program offers many advantages. FARMERS STATE BANK, Mentone, Member Federal Deposit Corporation. tf

WRITES FROM WASHINGTON

March 6, 1951.

Dear Art:

How are things going in Mentone these days? Better than it is here I do hope. The weather here is very changeable. It snows, rains, and then warms up for a while. About everyone has a bad cold. The temperature varies from 28 to 50.

I am now in my third week of basic training. I have been permanently attached to the 746th AAA Gun Battalion. The 746th is antiaircraft artillery. As far as I know I will receive all my training here at North Fort Lewis. There will be approximately 16 weeks of it.

I received the Mentone Co-Op paper last week. It is nice to hear news from home. Tell everyone hello for me and thank you very much for the paper.

Sincerely yours,

Pvt. Harold D. Fisher US5111617

Pfc. Leroy C. Wise, of Fort Knox, Ky., spent Saturday evening and Sunday with his parents, Mr. and Mrs. Frank Wise. Sunday dinner guests were Miss Esther Kehoe, Mr. and Mrs. Pat Kehoe and Junior King, of Peru, who spent his four-day Easter vacation here. Sunday evening guests were Rev. and Mrs. David Gosser and sons Johnny and Mark. Monday guests were Mrs. Mae King and sons, Danny and Jerry. Junior returned home with them.

LEGION AUXILIARY NEWS

Mentone Unit of the American Legion Auxiliary met at the Legion Post home Tuesday evening, March 27. The president, Mrs. Robert Whetstone, presided at the business session. Mrs. Richard Manwaring, secretary, read a letter from Herbert Kuhn Unit 253, of North Webster, endorsing Mrs. Helen R. (Harold C.) Baker for the office of second district vice president.

A bulletin from the state department was read stating that the following annual chairman reports are due to the district by May 1st: Child Welfare, Education of Orphans of Veterans, Knightstown Home, Rehabilitation, and Service Sales Merit report is due by July 1st, and all other chairman reports are due by June 1st.

A brief report was given by Mrs. Robert Reed concerning the joint conference of the American Legion and Auxiliary of Second District held at Rochester March 17 and 18.

The next district meeting will be held at Kentland, April 18th, at the Christian church. Our department president and northern vice president will be guests. If any of the members plan to attend, please contact the president no later than April 11th so that she may make reservations for you.

Mrs. John Boggs was the name drawn for the attendance prize.

The business session closed with the singing of the song of the month "Christ the Lord is Risen" and "God Bless America."

Miss Sheila Fitzgerald, eighth grade student and first prize winner in the Americanism essay contest sponsored by the Auxiliary, was present at the meeting to read her essay and to receive her award of five dollars. The essay of the second prize winner, Miss Sandra Gross, also an eighth grade student, was read by Mrs. Miles Manwaring, Americanism chairman of the unit. Mrs. Manwaring reported thirty-four entries in the contest from the junior high school pupils. The topic for the essay contest was "Holding Fast To Our Ideals of Freedom." The winning essay, which you will find printed elsewhere in this paper, has been entered in a district contest, from which the winning essays will be sent on to the state contest.

The next meeting of the unit will be April 10th.

Refreshments were served by the committee composed of Mrs. Glen Sechrist, Mrs. Sadie Ellsworth and Mrs. John Ellsworth.

Mr. and Mrs. Paul Rush and daughter, Ann spent Sunday in Mentone with the Miles Manwaring and Bernice Rush families.

Mr. and Mrs. James Rodibaugh and son George returned last Thursday from a ten day trip to Ames, Iowa and Oxford, Nebraska where they visited relatives.

PVT. HUDSON WRITES FROM EASTERN CAMP

March 19, 1951

Dear Art,

I was very pleased to receive the Co-Op. News. It always gives all the news of everything around my old stomping grounds. Ha!

Right now I'm enjoying my Air Force career a lot better than I did at first. I'm with 119 other airmen here at the Ordnance Depot. I'm working as a draftsman now. I've always liked that kind of work.

The base here is very large to what my last three were. But these is very little personnel here besides our small group. This base also serves as a game reservation. I have seen several deer, in fact, I saw seven on Sunday evening.

I don't have to go outside unless I want to go to town or to the dayroom. Everything is in the same building we sleep in. That includes the mess hall P. X., supply room and all the other offices, etc.

The weather has been fair but cloudy. To my notion, anything is better than Texas. I sure didn't like it down there.

Where I'm at now, I can have my car and go home on a three day pass. We get off at four on Fridays until 7:45 on Monday. We work eight hours, the rest of our time is our own.

Sincerely, Pvt. Jerry C. Hudson

IS SOIL A FERTILIZER?

A material is being marketed in Kosciusko County as a soil conditioner, according to P. W. Quackenbush, State Chemist. He states that the material is not claimed to be a commercial fertilizer; nevertheless, it has been analyzed in the State Chemist's Laboratory and found to test very much like a good muck soil. It contains about

33% organic matter.

If a farmer could afford to pay \$140 a ton for good soil to spread on his fields, he could afford this material. If he thinks this is too much to pay for soil to be used to "condition" other soil, he should carefully consider the matter before making an investment, Quackenbush says.

SCHOOL NEWS

The Mentone School Band will play in the District Contest at New Haven this Saturday at 8:50 a. m. About forty pupils will make the trip. Bands representing schools with an enrollment of 100-250 play in Class C. Eighteen bands are entered in this class.

The Seniors are working hard on two projects—selling the remaining annuals and a pancake supper. On Wednesday evening, April 4th, the Seniors are going to canvass the town selling annuals and tickets for the supper. Full price of the annual is \$2.50, but you may pay \$1.25 now and the rest when you receive the annual. Pancake supper tickets are 75c for adults and 30c for children up to and

including the sixth grade. With each adult ticket purchased, a box of Pillsbury Pancake Mix will be given absolutely free. The date of the pancake supper is Friday, April 13th. You may buy tickets from any senior. The Seniors plan to take a trip South sometime in May.

Frances Vanover has enrolled in the second grade. She formerly attended school at Pound, Virginia.

Pupils of the upper six grades were shown a movie, "How Banks Serve," provided by the Farmers State Bank of Mentone. Other pictures this week have been "ABC of Hand Tools," shown by the Farm Shop boys. This picture was provided by General Motors.

The first meeting of the Mentone School Advisory Council was held at the school on Monday evening, with

Mr. Kent presiding. Artley Cullum was elected permanent chairman and Mrs. Harold Markley was elected secretary. The purposes and aims of the council were discussed. Following this, a discussion of the need and possibility of building an addition to the school was held. Various viewpoints were given. The next meeting of the council has been set for April 30. Those attending the meeting were: Earl Boggs, Mrs. Hobart Creighton, Artley Cullum, Carroll Eiler, David Gosser, Gilbert Griffiths, Zanna Hammer, Ralph Long, Ora McKinley, Mrs. Harold Markley, Mrs. Ralph Remy, Kenneth Riner, James Rodibaugh, Marvin Romine, Noah Tinkey, Oral Welch, Mrs. Bob Whetstone, Conda Walburn and Fred Melot.

CHRISTIAN BROTHERHOOD HOUR QUARTET

Rapidly becoming one of the most popular among male quartets appearing in the field of coast-to-coast radio productions, the Christian Brotherhood Hour Quartet (above) will appear Sunday, April 8, in two public services in Cadle Tabernacle at Indianapolis at 2:30 and 7:30 p. m. All Hoosiers and residents of neighboring states are in-

vited to attend this outstanding religious event. Ten thousand seats will be available.

Left to right pictured above, are: Ernest Gross, Bedford, bass; Charles Wood, Inkster, Michigan, second tenor; Paul Jenkins, Roanoke, Virginia, first tenor; and Paul Clausen, Anderson, baritone. Mr. Gross is associate pastor and youth director at the Church of God in Bedford. Mr. Jenkins and Mr. Wood direct choirs in two of the leading churches in Anderson.

The quartet is heard weekly over 150 radio stations throughout the United States, Canada, Alaska and the British West Indies, in the program from which it takes its name. Last summer the quartet traveled throughout the Western United States, appearing in some 60 concerts before climaxing the tour at the International Youth Convention in Toronto, Canada.

A large choir of 500 voices representing church choirs from throughout Indiana will also participate in these services, singing under the direction of Robert A. Nicholason, who directs the choir on radio's popular Christian Brotherhood Hour.

For the latest in television and radio sets, see the new Philcos at the Baker Jewelry and Appliance Store, Mentone.

MENTONE MURMURS

by

DAVID and SALLY GOSSER

For almost two thousand years the story of the Life of Jesus Christ has enthralled and gripped the hearts and minds of men. In the days of Francis of Assisi the use of living animals in the pageantry of depicting the Nativity of Jesus was a step towards dramatizing the life and incidents of the Lord. That was over seven hundred years ago. Today we have gone far in perfecting the portrayal of His Life, not merely as a dramatic event, but as a means of teaching and awakening the minds of mankind to the sacrificial life which Jesus lived.

Some years ago a noted Hoosier writer included in the pages of his novel the scenes of the Life of Christ. His book, "Ben Hur," became a best

seller. Lew Wallace then gave permission to have the great story prepared for theatrical presentation, and the world marvelled at the great chariot race which took place upon the stage with living horses, but the life of the book was not in the dramatics of these show scenes. The simply retold tale of the Christ of the Gospels gave it the character which has made this novel a classic.

In the years that followed, the movies replaced the legitimate theatre, and productions that were excessively costly were filmed for the masses to see in their local film houses at only a fraction of the admission cost to the stage presentations. The scenes in the Life of Christ became more vivid, and Murmurs recalls the matinee when

men and women wept unashamed as the three crosses were pictured as being replaced on the hill of Golgotha.

"King of Kings" was next released to portray The Life of Christ. This was a Scriptural account of the Christ without fictional interests woven into the story. Occasionally there are announcements where local churches are showing this religious drama to their congregations.

More recently, however, "The Prince of Peace" or better named, "The Lawton Story," has made the rounds of our movie houses. Unlike either "Ben Hur" or "King of Kings," this film was based on a Passion Play or presentation of the Life of Christ. After having seen "King of Kings," "Ben Hur," and a puppet show on the Passion of Christ, the "Prince of Peace" seemed quite amateur and unfinished. It lacked the convincing portrayal of a real Jesus of Nazareth, either in spiritual interpretation or mere physical character.

It is to be understood, however, that this was not professional acting. After a person has tasted of good things, like the Black Hills Players, there is a sense of repugnance at mediocre presentations. It is too often the case that in the name of religion we let slip by without criticism, the half-hearted efforts at religious drama. Any local church group with only a fair dramatic coach could produce a Passion Play on a par with "Prince of Peace."

There is yet another of the Passion plays on the market for local church showings, "The Pilgrimage Play," which has been a presentation of the Life of Christ as given in the Hollywood Bowl in California. The players in this film are semi-professional, but chiefly those who spend their talents portraying the roles of religious characters for the Cathedral Film Company. The role of the Christ is portrayed by the same person who plays the part of Paul in the Life of Paul series being shown in a local church here. It is expected that this picture will far excel the films of other stories of the Passion.

For Murmurs to review these seems to be appropriate, for the season of Easter is just past when our thoughts and feelings are centered on the Son of God and Son of Man, The Prince of Peace. Is there any one of us who can admit to as complete a knowledge of the Christ as he desires

Mr. and Mrs. Lester Sheets, of Mishawaka, former Mentone business people, spent Saturday evening visiting Mr. and Mrs. Joseph A. Baker.

MENTONE BANK LISTED IN UNIVERSITY BOOKLET

The Farmers State Bank of Mentone has been included in a recent study "Short-Term Agricultural Loans of Selected Indiana Banks", published by Purdue University. The bank is one of six of Indiana's nearly 500 banks included in the study, and was chosen because it has been doing an outstanding job of financing agriculture in this community.

Banks are an important source of farm operating loans to Indiana farmers. In order that banks may better serve the lending needs of Indiana agriculture, the lending methods of six banks doing an outstanding job of serving their community were included. These bulletins are distributed through the county agricultural agent to banks, farmers and other lenders in Indiana and surrounding states.

4-H NOTICE

The Beaver Dam Agriculture Club will meet Friday evening, March 30, 1951 at the Beaver Dam gym. Films of the 4-H tour taken last summer

will be shown by Armour's of Rochester, Indiana.

Residents of Franklin Township are cordially invited to attend. The Program will start at 7:30 p. m.

D. A. R. MEETING HELD

On Tuesday evening the Anthony Nigo Chapter of the D. A. R. met at the home of Mrs. Frank Smith for their regular meeting.

The ritual opening was led by the regent Mrs. Smith. This was followed by the pledge of allegiance, roll call and secretary's report.

Mrs. Porter Williamson, chairman of the good citizenship girls, introduced

the girls and presented each with a certificate and pin.

These girls are selected from the senior class early in the year. The members of the class select three girls, then the faculty selects one from the three. They are selected on dependability, service, leadership and patriotism.

Seven schools are sponsored by our chapter.

Those present were Carolyn Bowen, Burket; Marilyn Lore and mother, Claypool; Lily Norris and mother, of Beaver Dam and Patsy Frantz and mother of Sidney. Miss Frantz made the highest score on her questionnaire.

The girls from Atwood, Silver Lake and Mentone were unable to attend.

Mrs. Smith and Mrs. Igo gave a report of the state council meeting which was held in Indianapolis early in March.

An invitation was read from Jame Cox Chapter of Kokomo, to attend a district meeting to be held there on May 10.

May 14 was the date selected for the mother and daughter banquet to be held at Sportsman's lodge at Beaver Dam.

A film "Power Behind the Nation" was shown by Joe Baker.

Lovely refreshments were served by the hostess and her assistants, Mrs. Ernest Igo and Norma Jean Nellans.

The next meeting will be at the home of Mrs. Eldred Paulus in Rochester on April 24.

Holding Fast To Our Ideals of Freedom
By SHEILA FITZGERALD

Today we have many kinds of freedom. Americans should be very proud of the freedoms which they enjoy, but some of us do not seem to realize how fortunate we are. We need to learn now to hold fast to our ideals of freedom.

Freedom of the press is an important freedom. It means that a publisher has a right to publish anything as long as it is true and he is free to express his opinions. Freedom of the press also means that everyone is able to read news of national and international importance and keep up with current events.

Freedom of speech means that anyone is free to express his ideas on any subject. In other times, if a man said something that a man in a higher position did not like, he was put in the stocks.

Another of our freedoms and one which should be especially precious to us is the freedom of religion, whereby everyone has the right to worship God in his own way. Let us remember also that everyone of us can learn tolerance in this regard.

Freedom of education is another freedom in which we can take pride. Boys and girls have many advantages who are educated in the fine schools that we now have. Many years ago, there were so few schools that private teachers had to be hired to teach children. Of course, only well to do people could hire these teachers and a lot of worthy people were not able to educate their children.

Voting is another freedom that we enjoy. A citizen who has reached the age of 21 is able to vote and thus have a voice in the government. In other days, only wealthy people and land owners could vote.

Some ways to keep the above freedoms are to serve on juries, hold public offices, pay taxes, take advantage of the free education offered us, exercise the privilege of voting and give our help freely to any worth while project of civic importance.

One very important way to keep our freedoms is to do our part in fighting wars; not only the men who do the actual fighting but we at home have important jobs to do. We must help in factories and sacrifice some of the things we are accustomed to having, to further the war effort. When we are asked to save paper, fats and to be conservative in buying so that every one can share alike, we must do these things cheerfully and all be good soldiers.

TO ATTEND MEETING IN ST. LOUIS

Dr. and Mrs. Dan Urschel will leave next Wednesday, April 4, on a trip to St. Louis, where Dr. Urschel will attend the annual meeting of the American College of Physicians. He will be back in his office on Monday, April 16.

CARD OF THANKS

I want to thank all the neighbors and friends for the flowers, prayers, cards and all other kind deeds during my stay in the hospital. We sincerely appreciate them.

BILLY COOK

LINDA LOU LUKENS ON RADIO

Linda Lou Lukens, the nine year old talented daughter of Mr. and Mrs. Rolland Lukens of northeast of Rochester, was one of the child stars in a radio play Sunday afternoon.

The title of the play was "The Feeling of Power" and was part of the "Today is Ours" program. The show was on WBBM and was broadcast over CBS from the studios in the Wrigley Building in Chicago.

She played the part of Shirley, a little girl, who was being imposed upon by a boy. According to critics she played her part without a flaw and needed no help from prompters. There were 15 persons in the cast.

Linda Lou is on the call list of WBBM for future presentations over the air.

BARTON REES POGUE AT BEAVER DAM P. T. A.

The Beaver Dam P. T. A. is featuring the personal appearance of Barton Rees Pogue at their next meeting. Mr. Pogue will speak in the Beaver Dam School Auditorium next Tuesday night, April 3, at 7:30. The public is urged to be present for this outstanding presentation.

Born at Monon, Indiana, on "Friday the 13th," son of a Hoosier school master, Barton Rees Pogue moved often during his early years — when his father voted the wrong political ticket, paddled the trustee's son or failed to promote the school-board president's daughter. At the age of half-past six, he landed in Greenfield, Indiana, home of the famous Hoosier Poet, James Whitcomb Riley. Here he swam in "The Ole Swimm'n' Hole" and became inspired to be a poet.

He insists that he is not a POET—just a RHYMSTER. But literary critics who have viewed his four books of verse have acclaimed him as today's "Hoosier Poet."

SPRING JOB FOR

MOST AUTO OWNERS

Motorists can save themselves a sizeable repair bill and also help conserve critically needed defense materials by giving their automobile radiators a spring cleaning, the Chicago Motor Club advised today.

A report from the American Automobile Association shows that many of last year's estimated 4,500,000 radiator repair jobs and 700,000 new radiator installations could have been avoided by draining out old water and anti-freeze solution. Radiator replacement alone consumed about 35,000,000 pounds of copper, brass and lead—materials now on the mobilization scarce list.

Motorists can avert bills as high as \$75 for a new radiator, the club stated, by following a four-point procedure for checking the cooling system in their automobiles.

Drivers should make a habit of 1) draining and discarding the old anti-freeze solution; 2) flushing the cooling system; 3) adding fresh water; and 4) installing a good rust inhibitor for late spring and early summer driving.

It is best that even high quality anti-freeze should not be used a second season, for their rust inhibitors may weaken and lose their effectiveness. Re-use of anti-freeze may cause expensive repairs. Actually, changing cooling solutions periodically makes the same good sense as changing motor oil.

In stressing the dangers of re-using anti-freeze, the club cited an evaluation made by the National Bureau of Standards, which declared:

"Under some conditions, it is possible to use a solution for more than one season without harm. The requisite chemical analysis to determine whether a solution is capable of further use, however, is much more expensive than anti-freeze.

"In view of the comparative cost of anti-freeze and of even so minor a replacement part as a water pump or radiator, it is certainly cheaper in the long run to use a new solution each year. Under no circumstances should anti-freeze solution remain in the cooling system during the summer, as its deterioration will be much more rapid under summer driving conditions."

BUDGET YOUR VACATION

The average family will get the most for their money out of a vacation auto trip by planning ahead, says a bulletin issued by the Chicago Motor Club.

An itemized plan for expenses, will put the expedition on a sound financial footing and avoid the possibility of a sudden scurry home upon the failing of funds. The major items to be accounted for are lodgings, food and tips, car operation and incidental expenses such as amusements, admission fees, refreshments and souvenirs.

Car expenses, including gas, oil, grease, oil change, will average approximately \$7.20 a day for driving 300 miles a day. Lodging will average \$5.50 for two in a motor court, \$6.50 in a hotel. This figure will increase for four people to \$8.50 and \$10. The cost of food plus tips for one person will average about \$3.50 per day. This will vary greatly, of course, with personal tastes.

One dollar daily can be added for each person for admission fees to historic shrines and scenic attractions and for roadside refreshment. Fifteen

per cent should be added to the daily total for incidentals and emergencies such as tire repairs or replacement, camera film, thermos bottle or souvenirs.

Adding up expenses, the daily budget with hotel accommodations for two people is placed about \$25.

The motor club adds the following tips for touring:

Drive during the early part of the day. The early morning hours offer least road traffic. You will also find the preferred lodging for the desired price more easily in the middle of the afternoon.

problems, following which will be a panel discussion on pest control problems as they relate to food manufacturing plants, agriculture, small business, and regulations.

Insects and insecticides will be discussed by John Osmun, Purdue University, secretary of the Indiana Pest Control Operators Association, and G. C. Oderkirk and W. D. Fitzwater, of the U. S. Fish and Wildlife Service, will talk on rodents and rodenticides.

The program for the second day will include A. L. Klatte, Indiana State Board of Health, discussing municipal sanitation, and Harvey Sturgeon, Evansville, and Lee Truman, Indianapolis, outlining the application of pest control techniques in the food and storage processing plants.

Session chairmen include Malcolm Mason, J. J. Davis and Glen Lehker, Purdue University, and Robert O. Yoho and Mr. Klatte, Indiana State Board of Health.

The conferences are sponsored by the Indiana State Board of Health, Purdue University, Indiana University and the U. S. Fish and Wildlife Service.

HEALTH FACTS FROM YOUR STATE BOARD OF HEALTH

Conferences on insect and rodent control will be held April 2 and 3 at the Union Club, Indiana University, Bloomington, and April 4 and 5 at the Union Building, Purdue University, West Lafayette, with municipal officials, local health officers, pest control operators, representatives from civic groups and service clubs, business and commercial representatives and other interested people attending.

Lt. F. T. Cretors, Indianapolis, deputy civil defense director, and K. H. Draper, Indianapolis, president of the Indiana Pest Control Operators Association, will open both meetings with a discussion of civil defense plans and

HAROLD MILLER, Manager

METHODIST CHURCH NEWS

The Easter Services were better attended this year than any time in the history of this local Methodist Church. Attendance at the services was as follows: Sunrise Service - 126; Easter Breakfast - 157; Easter Worship Service - 310 and the Study Period - 97. This is an increase in attendance of almost ten per cent over last year, for all services, including the study period.

The Choir that presented the Cantata "From Darkness to Light" consisted of the following voices: Sopranos: Mary Ellen Bryan, Miss Frances Clark, Mrs. Mervin Jones, Barbara King, Mrs. Lyman Mollenhour, Mrs. George Mollenhour, Marjorie Mollenhour, Mrs. Ralph Mollenhour, Mrs. Herschel Teel, Mrs. Oliver Teel, Marita Tucker, Elaine Smythe and Mrs. Curtis Riner; Altos: Mrs. Emma Clutter, Mrs. Wayne Tombaugh, Mrs. Jack Vangilder and Mrs. Robert Whetstone; Bass: Ned Miller and Dale Tucker; Baritone: Mott Bryan, David Gosser, Jr., Ralph Mollenhour, Ray Terry and Charles Urschel; Tenors: Mr. Frederick, Ivan Tucker and the pastor, David Gosser, who also directed the Cantata. The Sextette which sang the "Legend" consisted of Madeline Anderson, Sue Barkman, Donna Lee Horn, Sandra Witham, Rita Olson and Sarah Urschel. The last two named sang the alto part of this selection. Approximately two hundred persons turned out or were blown out to hear this special Easter Cantata, as a terrific, but not damaging wind storm swept the community that evening just before the program began.

It is hoped that the tenth film in the series on the Life of Paul will be released in time for showing this Sunday evening. The last word from the Dennis Film Bureau, which has been doing a splendid service for the church, regretted that the Cathedral Film Company had not yet released the last

PEACEFUL WAY OF LIFE IS POSSIBLE

EVANSTON, ILL.—Relief from the worries, tension and insecurity which beset the world has been found in seven simple rules by Dr. James Roscoe Miller, president of Northwestern University. The 45-year-old educator, administrator and medical scientist, took time out to relay these rules to the average citizen to wage his personal war on frustration. Northwestern is marking its 100th year as one of the nation's great schools of learning. Dr. Miller describes the following rules as a high road of courage, common sense, gratitude and faith:

- 1.—Live each day for itself, making the best possible use of it without ruing the past or fearing the future.
- 2.—Build an unshakeable faith in God as early as possible; the earlier in life this is done, the quicker will emerge a contented citizen.
- 3.—Know that security is relative, and that your land is the world's richest in opportunity, in established government and in natural resources.
- 4.—Don't be frightened by inflation, an unavoidable result of high public spending. It will end with a return to peaceful pursuits.
- 5.—Continue to hope and pray for world peace, never conceding for an instant that war is "inevitable."
- 6.—Accept as inevitable, however, the sacrifices entailed in a costly defense program—but, as a good citizen check on how YOUR money is spent.
- 7.—When fear and discontent arise, count your blessings; no other people enjoy the comforts of our Constitution and our high moral standards.

three in this series, although it had announced that the distributing companies should book showings for the time these films were engaged.

See elsewhere in this issue of Co-Op News the announcement of the film, "The Pilgrimage Play", a story of the Life of Christ, which will be shown in the sanctuary on Sunday evening, April 8, at seven-thirty.

THE EASTERN NIGHTHAWK

Some birds take great pains in building their nests, but that is not true of the Eastern Nighthawk. When it comes time for laying eggs, the Nighthawk simply looks for a clear, flat spot that is out of harm's way. It may be a level roof in the business district of a city, or it may be far out in the country—in a pasture or on a large flat rock in the hills.

Once the place is chosen, the Nighthawk does not gather so much as a sprig of grass or a tuft of moss for a nest. Two small eggs are laid, and for

© National Wildlife Federation
Eastern Nighthawk

a little more than two weeks they are tended by both parents. After sixteen to nineteen days, the eggs hatch.

For their young and for themselves the adult Nighthawks catch insects—hundreds of them. This, says the National Wildlife Federation, is why the

Nighthawks are among the most valuable of all our birds. They have an enormous appetite for many of the insects which are most troublesome to man. Among their favorites are winged ants, grasshoppers, mosquitoes, potato beetles, and boll weevils.

Another pleasing thing about Eastern Nighthawks is its graceful appearance when flying. In the summer twilight, it takes off in great sweeping flights, not following a straight course, but soaring high and swooping low as if it were performing for an audience.

As it darts downward from the peak of its flight, the Nighthawk may make you think of a miniature fighter plane diving toward the ground. At the bottom of the plunge, it suddenly turns upwards—much more sharply than a real plane can maneuver.

It is truly like a plane, though, in making a noise while power diving. If you listen closely, you can hear a faint booming sound, caused by the wind rushing past the tiny, stiff feathers on its wings. The only other sound from the Eastern Nighthawk is its call. It is a quick, sharp note which seems to say, "Peent! Peent! Peent!"

So it isn't a musical bird, and neither is it a gaily feathered one. The male on its upper parts, is a speckled mixture of black, gray, and brown, with a white band across the tip of the feathers. Underneath, there is a white band across the throat, and below that the feathers are a combination of black

and gray. When the bird is flying, a band of white can be seen across the wings, near the tips. The female is much the same in appearance, but it has no white in the tail, and its throat band is a shade darker. Both the male and the female measure about ten inches in length.

For catching its prey, the Nighthawk has a short bill and a wide gaping mouth. With this efficient trap, it seizes the destructive insects upon which it feeds.

The helpful bird makes its summer home chiefly in the eastern part of

North America, from Florida to Labrador, but it is sometimes seen farther west, too. It spends the winter below the United States, in Mexico and points South.

North or South, the Eastern Nighthawk is a useful bird in keeping down harmful insects. And though not decked out in colorful feathers, he puts on aerial performances that always catch the eye.

Interesting information about other species can be obtained by writing to the National Wildlife Federation, Washington, D. C.
